PLYMOUTH BOYS WILL CONTEST IN ATHLETIC EVENTS

DECATHLON MEET FOR PLYMOUTH HIGH SCHOOL SPONSORED BY ROTARY CLUB OF PLYMOUTH.

Arrangements have been made by the Rotary club to conduct a Decathlon meet for the boys of the High school the latter part of May. The events in the Decathlon are ten of the following eleven: Chin, standing broad jump, overhead shot, 100-yard dash, sit up, running broad jump, running high jump, standing hop, skip and jump, running hop, skip and jump, shot put and dip.

The outstanding merit of the Decathlon meet over the ordinary track meet is that each boy is competing with himself as well as with his fellows in the meet because the individual score is the thing that counts instead of the team score. A good score in a Decathlon meet does not mean that the individual is simply good in one event, but that he has an all-around, physical development and an all-around physical development is to be desired rather than specialized development in any one sport.

The Rotary club is furnishing the bronze, silver and gold medals to be awarded to the successful ones in the contest and the boys of the High school are looking ahead with a good deal of anticipation and determination to become a winner in the Decathlon meet.

Another important feature about the Decathlon is that next year each boy will attempt to improve upon his score this year, and continuing to do that will have a wonderful influence on the physical development of the boys. The school is particularly grateful to the Rotary club in its desire to sponsor the Decathlon and in that way assist in furnishing an incentive for the boys of the community to acquire an all-around physical development.

CANTON PLYMOUTH NO. 17 IS INSTITUTED HERE

NEW CANTON CAPTAINED BY ARCHIE MEDDAUGH, INSTITUTED WITH IMPRESSIVE CEREMONIES BY STATE OFFICERS.

A big day in the history of the local I. O. O. F. lodge, was celebrated Saturday, May 7th, when Major Oscar C. Matts, organizer, welcomed the state officers and representatives of eleven Cantons, to institute Canton Plymouth No. 17, the highest branch of the order. The instituting ceremony took place at the I. O. O. F. temple at 4:00 p. m. Twenty-seven uniformed brothers stood in line. There were several unable to get their uniforms for this occasion.

The Plymouth Rebekah ladies served a splendid banquet at six o'clock. The parade was formed at 7:00, with eleven different Cantons represented. Five Cantons were in line with all officers and their chevalliers, also their ladies of the Ladies' Auxiliary, led by Michigan's state officers, Major-General T. Calvert Crowe and staff; Brigadier-General Roy O. Ward and staff, and Colonel Arthur E. Clark and staff.

Patriarch's Militant degree was conferred by Canton Enterprise No. 5 of Detroit, at 7:30 o'clock. At 8:30 o'clock, the temple was opened to the public. The mustering ceremony of Canton Plymouth No. 17 took place, the following officers being installed: Captain—Archie Meddaugh, Lieutenant—Russell Roe, Ensign—Floyd Reiser, Clerk—Albert F. Williams, Accountant—Jerry Wilson. The grand march was led by Major-General T. Calvert Crowe, and sister, Lady Molly Crowe, followed by dancing.

Much credit is due Major Oscar C. Matts for his determined ability in making this day such a grand success. He visited the various Cantons in Detroit, Ann Arbor, Pontiac, Lansing, Jackson and Kalamazoo, and they all responded to his call, voting him "Father of Canton Plymouth No. 17."

John Rattenbury, proprietor of the Service Meat Market, has just had installed in his market, a Frigidaire cooling system, which makes it possible to keep the refrigerator and copiers at a uniform temperature at all times, thus assuring a perfect keeping quality for meats and dairy products.

KIWANIS CLUB TO STAGE SHOW TO BUY UNIFORMS

"KNOCK-OUT RILEY" RETURNS TO BE DEVOTED TO PURCHASE OF H. S. BAND UNIFORMS.

"Knockout Riley" has been adopted by the Kiwanis club of Plymouth and will be presented to the public for its approval Thursday and Friday, June 2nd and 3rd, at the Penniman Allen theatre.

One of the primary objectives of Kiwanis International is the extension of opportunity to the underprivileged child. Young Riley, early in life, developed pugilistic tendencies and his accomplishments are to be fully and completely portrayed on the dates mentioned.

For several weeks Kiwanians have canvassed the possibilities of procuring uniforms for the High school band, and through the courtesy of Harry Lush, of the Penniman Allen theatre, the method has been provided. Returns on ticket sales for the two performances will be devoted to this purpose.

Perley Deal has been named as general chairman for the occasion and he announces that an exceptional program is being arranged aside from the eight-reel feature, "Knockout Riley." Irwin Pierce is in charge of ticket sales and a general invitation is extended to all Plymouth residents to enjoy the program and assist in procuring uniforms for the members of the High school band. The usual theatre prices will prevail.

The Kiwanis meeting of last Tuesday was exceptionally interesting, the chairman, Dr. Luther Peck and Ed Huston, preparing a program that again brought to the club an old friend, Captain Edward Denniston, a member of Plymouth Rotary and superintendent of the Detroit House of Correction.

Dr. Peck, in his introduction of the captain, added to his laurels as a humorist, and demonstrated the close affinity that exists between a smile and a dose of castor oil. Among other snappy references he asserted that the most important operation in which he has engaged was in Lansing, Michigan. This subtle pun was slow in percolating, but it finally reached the spot.

Captain Denniston regaled his hearers with several humorous circumstances that have occurred to him in private and public life, and then launched into a serious talk regarding his views of the method of handling criminals and others who are entrusted to his care. He reviewed the penal system briefly, criticizing some of the methods that prevail, and outlined that which, in his estimation, would have a tendency to send men and women out from such institutions imbued with a desire to perfect their steps rather than filling them with the spirit of hatred and revenge as is now the case.

Interpreting his talk with many interesting experiences that have followed his many years of activity in penal institutions, Captain Denniston provided one of the most absorbing addresses that the Kiwanians have been privileged to hear this year.

WILL GIVE PIANO RECITAL

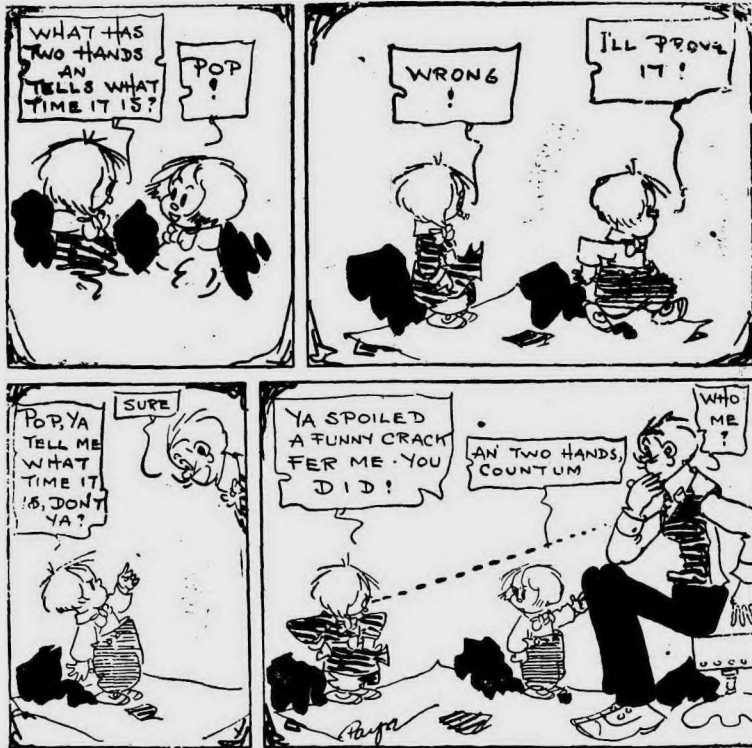

Miss Czarna Penney, Mus. Bac., will present the following pupils in a piano recital at the Odd Fellow temple Monday evening, May 16th. The public is invited: Ardith Baker, Alice Lee, Mary Jane Hamilton, Helen Wolfram, Evelyn Stanley, Beulah Wagnershultz, Bernice Zielasko, Jean Strong, Clarice Hamilton, Carol Birch, Irene Zielasko, Dora Gallimore, Elizabeth Strong, Hazel Reiner, Ruth Hamilton, Margaret Dennie, Dorothy Bentley, Norma Schaffer, Angelina Rousseau, Marguerite Wood, Wayne VanDyne, tenor, will assist in the program.

THE DOG QUARANTINE.

G. H. Gorton, assistant state veterinarian, informs the Mail that the quarantine on dogs which is now in force in this township, is being disregarded, to a very large extent. Only twelve licenses have been issued this year, and there are hundreds of dogs in the village.

Dr. Gorton says that last year's vaccination certificate does not hold good this year, but must be renewed or dogs kept tied up or muzzled, also licenses must be obtained.

If the requirements of the law are not complied with, there is no doubt but what there will be many dogs missing in the very near future. It behooves dog owners to see that the quarantine law is strictly observed.

WILL HOLD A STYLE SHOW IN PLYMOUTH

Miss Helen A. Cornelius, a style director from the costume information bureau of the J. L. Hudson Company, will be at the High school auditorium Monday, May 16th, at 3 o'clock. Miss Cornelius will select high school girls as her models. She will show dresses suitable for various types of people, as the standard figure, the tall thin type, the short thin figure, the tall stout figure and the short stout person, as well as the color combinations for the blonde, the pale brunette and the red-haired type.

Miss Cornelius feels that the clothing consumer lacks the background necessary for the wise selection and expenditure for her clothing. She must be trained to understand enough of the principles of color and design to enable her to choose becoming and attractive clothes. Through education there can be established a wholesome and economical standard of American dress vastly better than the one that prevails today.

All ladies interested in the style show are invited to come.

C. M. T. C. TRAINING GETS SCHOOL CREDIT

THREE HOURS EACH SEMESTER TO BE ALLOWED ENTRANTS.

Plymouth High school boys who attend the Citizens military training camp at Camp Custer this summer, will be given three hours' credit each semester next year.

Young men between the ages of 17 and 24, who are physically fit and of good moral character, are eligible for the camp, which will last 30 days from July 3rd.

All expenses, including transportation to and from camp, food, uniforms and medical and dental care will be paid by the government.

Enrollment at the camp does not obligate the student to military duty, but does provide a most delightful and profitable vacation, the manifold benefits of which are being recognized by educational authorities all over the land.

Application blanks and any desired additional information will be supplied by Major J. H. Kimble at his office, 779 Ann Arbor street. Major Kimble will also make entrance examinations of applicants free of charge.

CELEBRATE SILVER WEDDING.

Mr. and Mrs. William Bakewell celebrated their silver wedding anniversary at their home on Plymouth road Saturday evening, May 7th. Mr. and Mrs. Bakewell were the recipients of many lovely gifts of silver. At 10 o'clock dinner was served to 40 guests. Several relatives and friends from Detroit entertained with piano music.

PLYMOUTH BOY ALBION COLLEGE GRADUATE

KENNETH BARTLETT HAS HAD ACTIVE CAREER AS STUDENT; PROMINENT IN CAMPUS LIFE.

Plymouth is represented in this year's graduating class at Albion college by Kenneth G. Bartlett, who will receive his diploma on June 7.

Bartlett has had an active career as a student at Albion, and few men in recent years have attained equal prominence in campus life. For two years he had held the presidency of the student senate, the highest office to which any student can be elected, and this year is the president of the publications council, which oversees all undergraduate periodicals. He is now serving his third term as a member of the council.

Bartlett has a distinguished record as a public speaker, having represented Albion for four years in debate, and as a junior having won the Bancroft prize for proficiency in that art. One of his most conspicuous performances was that of last winter when he opposed the veteran team of the University of Sydney, Australia, in the classic platform battle of the season. On the question, "Resolved, That Democracy is a failure."

Aside from these honors Bartlett was president of his class last year, was formerly associate editor of the year book and reader for the men's glee club. He is a director of the cooperative association, which conducts the college book store, and is a member of the forum club, composed of students in history and political science, and Sigma Nu fraternity. He was graduated from Plymouth high school in 1923.

MEMORIAL DAY WILL BE OBSERVED HERE

Memorial Day, Monday, May 30th, will be observed in Plymouth with appropriate exercises, under the auspices of the Rotary and Kiwanis Clubs. A joint committee from the two clubs have charge of the arrangements. The committee is composed of the following: Chairman, Rev. Walter Nichol, Fred Lee, George Robinson and George A. Smith.

The program will take place in Kellogg Park at 10:00 o'clock in the morning. If the weather precludes holding the exercises outside, they will be held in the High school auditorium at the same hour.

A procession, headed by the High school band, the Boy Scouts, G. A. R. Veterans, veterans of Foreign Wars, American Legion, army and navy, and citizens will form at the park, and march to the cemetery, where the graves of the soldiers dead will be decorated.

All fraternal organizations are invited to take part in the parade.

A complete program will be printed in the Mail in the edition of May 27th.

PRESIDENT STATE AUDUBON SOCIETY SPEAKS HERE TONIGHT

WINNERS IN BIRD HOUSE, ESSAY AND POSTER CONTEST SPONSORED BY KIWANIS CLUB AWARDED PRIZES TONIGHT.

Interest in the bird house, essay and poster contest sponsored by the Plymouth Kiwanis club and school faculty reaches a climax at the High school auditorium this evening when prizes will be awarded in the three phases of education embraced in the activity, manual training, art and English.

For the past three weeks students have been busily engaged in the preparation of their entries and exhibits have been on display today in the auditorium. At 7:30 tonight Mrs. C. Monger, president of the State Audubon society, will address the contestants and friends on the subject of birds, her talk being emphasized by the use of colored slides.

Previous to Mrs. Monger's address the High school band will render a short program under the direction of Mr. Dykhouse, band instructor. Following the illustrated lecture, prizes will be awarded to the winners in the three classes, the first prize in each class being \$3.00, the second prize \$2.00 and the third, \$1.00. Prize winners will be announced in this paper next week.

Judges for the bird house contest are Robert Joffie, representing the Kiwanis; John Patterson, Rotary, and Mrs. Frank Burrows of the Women's club. The president of the Audubon society will assist this committee in making the awards.

Dr. Fred Lendrum is the chairman of judges in the essay contest, assisted by Fr. Frank LeFevre of Rotary and Mrs. Wm. Pettinell of the Women's club. Kiwanian Ernest Allison is chairman of the poster contest, assisted by Lawrence Samsen, Rotary, and Mrs. J. T. Chapman, Women's club.

The school faculty, under the leadership of Superintendent George A. Smith, and the especial assistance of Miss Allen on essays; Miss Forsythe on posters, and Mr. Snavely, manual training, have made it possible for the Kiwanis club to attain a degree of success in the contest not anticipated when the idea was first launched.

POSTOFFICE WILL BE REMOVED TO NEW LOCATION ABOUT JUNE FIRST.

Postmaster M. G. Hill announces that the postoffice will be moved from its present location to the new quarters in the Penniman Allen building about June 1st. The new quarters have been arranged to meet the requirements of the postoffice department and are very commodious and conveniently arranged. The present box equipment will be moved to the new location.

PLYMOUTH MERCHANTS WIN FROM ANN ARBOR

LOCALS CLOUT OUT A VICTORY IN THE NINTH INNING; PLAY SALINE HERE NEXT SUNDAY.

The game last Sunday out at Burroughs field was a ball game of mostly the hit and run type. Plymouth started the game a little handicapped, with two of the regular players out because of accidents received in practice. Millross, our regular shortstop, hurt his leg and was unable to play, but his position was very capably taken care of by Woods, as was Darnell's place in left field, taken by Carruthers.

Roralbacher started in the box for Plymouth and did some nice pitching up until the sixth inning, when he was relieved by Walker, who pitched airtight ball, allowing only two hits, these coming in the ninth after two men had been retired.

Every Plymouth man got one or more hits. Captain Williams, Wood and Budenski got four apiece, each getting a pair of doubles. There was a hard wind blowing and high flies were hard to judge, and this caused some errors, each side making four.

In the ninth frame, it looked like a sure defeat for Plymouth, as the score was 11 to 7 in favor of Ann Arbor. Some of the fans started to wend their way out of the grounds and start for home, when crash went a double off Woods' bat, and a regular Detroit Tiger ninth inning rally broke loose. This was followed with a triple, two singles, another double and a single, which netted the boys five more runs, with only two men out when the winning run was scored.

It was a very thrilling finish and shows that the boys will never quit and are always fighting for nothing less than a victory for their goal.

Next Sunday, May 15th, at 3:30 p. m., they play Saline out at Burroughs field. The Saline team is a very strong team, having in their lineup some of the best amateur players that can be found anywhere. Our boys are still playing in the 1000 percentage class, so a good game will be expected.

Last Sunday's game by innings:

	R	H	E
Ann Arbor	0	4	2
Plymouth	1	0	2

Two out when winning run was scored.
Batteries—For Ann Arbor, Burley and Snyder; for Plymouth, Roralbacher, Walker and Strasen.
Winning pitcher—Walker.
Umpire—Gray.
Time—2:25.

CREDIT BUREAU HELD BANQUET

The Plymouth Credit Bureau held a banquet at the Episcopal church Thursday evening, served by the ladies of that church. A number of the Northville members were present, as well as several business men from South Lyon. The purpose of the meeting was to consider the matter of incorporating. Edgar G. Braun and Mr. Mueller of the Detroit Credit Bureau, were speakers of the evening.

Sec'y Hoover Returns To Flood Districts

After a hurried trip to Washington to personally report to President Coolidge and recommend the nation be requested to donate ten million instead of five, Secretary Hoover is back in the Mississippi flood districts, as shown above, to direct relief work.

MINSTRELS AT LOCAL THEATRE

DEARBORN DARETOWN MINSTRELS WILL APPEAR AT PENNIMAN ALLEN THEATRE TONIGHT, UNDER AUSPICES EPISCOPAL MEN'S CLUB.

Plymouth people are going to have the opportunity of seeing the Dearborn Daretown Minstrels give one of their performances at the Penniman Allen theatre, this Friday evening, May 13th, under the auspices of the Men's Club of St. John's Episcopal church of Plymouth. This is to be a real old time minstrel show, and as it has been several years since such an entertainment has been given in Plymouth, there is no doubt but what there will be a very large attendance.

One of the features of the entertainment is Henry Ford's Old Time Orchestra, with an exhibition of old time dancing in costume. The Dearborn Daretown Minstrels has the following to say regarding this feature of the show:

"The second part of the program was quite different from former programs. When the curtain rose, there appeared a beautiful garden where men and women were strolling. Dressed in the fashion of long-ago days, they made a charming picture. At the request of the host of this Garden Party, Harry Vleary, assisted by Miss Josephine Hicks, favored the company with a song, 'In the Spring a Young Man's Fancy.' There followed the second climax of the evening when Mrs. F. L. Black and E. R. Bryant entered to the strains of 'Mouset de la Reine.' The flushed audience sat as if under a spell as the stately dance was executed with the grace and daintiness of bygone days. It was a scene not to be forgotten soon."

"The host then asked Miss Josephine Hicks to sing and she was charmingly agreeable. She too is always sure of a welcome and her rich contralto voice was displayed to advantage in 'Crimolin Days.' Once again the audience became intent as it watched the guests at the Garden Party work out the figure of the Lancers. While there were many remarks about its intricacy, there was a general appreciation of its grace and charm. In response to the approving applause, the dancers performed a quadrille. This part of the program was directed by Benjamin B. Lovett and the music for the dancing and singing was furnished by the Henry Ford orchestra, through the courtesy of Mr. and Mrs. Henry Ford."

"The third part of the program could be only an anticlimax, but it was a good one, and gave a fitting close to a whole program. Dearborn has cause to be proud of such talent, and the feeling of regret caused by the farewell of Dearborn's Daretown Minstrels was lessened somewhat by the knowledge that they are now an established institution of the community."

Tickets are now on sale at Glenn Jewell's Men's Store, north village, and the Michigan Federated Utilities gas office, South Main street. The admission is 75c and \$1.00.

NETHEM CLUB WINS FROM WAYNEFORD

Nethem club added another victory to their list of wins by defeating the Wayneford club last Sunday 7 to 1. The Nethem club were all in trim, and have a determination now to win every game. A good man was found to fill a weak spot, in the name of Finnigan, a real shortstop, and this he clearly demonstrated by making a professional catch of a nice hit, Tony Zielasko played first and made himself known at the bat. Louis Doboy deserves much credit for the game, as Manager Van Bonn placed him in the box, and many of the Wayneford men beat the air to the tune of three strikes. Joe Schomberger, in his usual pleasing manner, was at the receiving end, pepping up the boys all through the game. Finnigan, Whitely and Ryhitzke played an exceptional game in the infield, each holding down their position in good style.

Tereuz of Wayneford, pitched a neat game, but the stugging of the Nethem boys was too much.

Next Sunday Nethem plays the strong Salton Jewellers from Pontiac at Heehey's ball park at 3:00 o'clock. This promises to be a number one game, as the Saltons are highly rated, and Nethem is determined to win from them. A cordial invitation is extended to all to witness these games. All players report at 2:30 o'clock.

Wayneford — 1 0 0 0 0 0 0 0 0
Nethem — 0 1 1 0 0 0 0 0 0
Batteries: Tereuz, Ozy; Doboy, Schomberger.

THEY SHOW UP NOW

Now that the frost is entirely out of the ground, autoists who have occasion to drive the highways around Plymouth, have no difficulty in realizing the value of preparing in the fall against the worst enemy of any kind of road—winter weather. Road repair work should be kept up at every season of the year, of course. But experience in every part of the country has shown that where needed repairs were made in the fall months far less work and expense was necessary in the spring. The elements damage roads more than the travel over them. But once out of repair, it is natural that travel is going to run them down a good deal faster. But there is no longer any excuse for letting them get in bad shape. Every community has thousands of dollars invested in automobiles, and this money is lost if highways are unfit for their operation.

Not only that, but the auto has eliminated distance to such an extent that towns 25 to 50 miles from each other may be said to be business competitors. The one reached over good roads is going to get the bulk of the trade. Again, repairs on autos form an item always to be considered. Taxpayers who are content to travel over bad roads are forced to buy more repairs and more tires than those who insist upon improved highways. So permitting roads to become run down and worn out is a losing proposition for any community. Let us hope road officials throughout the entire state will profit by experience, and begin putting their best efforts on our highways in the fall, the most logical season of the year for such work.

machine seems to be going out of style.

For country driving bright lights are necessary, but it is not necessary to direct the beams into the faces of other drivers or to use illegal lights or lenses. Motorists who do these things deserve to be haled into court to explain their actions. There is no desire on anyone's part to make trouble for their fellow-motorists. But when so many agree that inattention to headlights, and refusal to use them properly, is the cause of most mishaps, then such strenuous methods as stiff fines and an occasional jail sentence would seem necessary.

A NATION'S JOB

The disastrous floods in the Mississippi valley have served to show the entire nation that such events are far more than local and that the work of preventing them in the future rests with the U. S. Government. The waters of 32 states drain into the Mississippi. Such floods as this one decrease the production of commodities, and that hits the pocketbooks of those in every state. Raising \$5,000,000 for relief is a noble thing, but there should be some method whereby the government itself can send ten times that amount, if that much is needed, within an hour after news of such a calamity reaches Washington City. We're spending millions to protect a few Americans in China—but we have to depend upon free-will offerings to feed and clothe the thousands of refugees in the Mississippi valley. That's all wrong. And the quicker our national congress wakes up to the fact that there should be a common fund for use in such disasters the greater our nation will become.

article clipped from an exchange coming to our table. It isn't often an editor wastes his time in answering chronic critics, but there is at least one not far from here who pauses to pay his respects to them. And we believe his answer is worth printing. Here's what he has to say: here's how he "speaks his piece":

"I have been criticized quite a little by some of the town smart alecks for using poor grammar. Now, I have three good reasons for this: In the first place, I don't know any better. Second, half of you would not understand it. Third, if I did speak and write correctly I might be managing some big New York paper at a large salary and you birds would lose the best editor in this county."

OBITUARY.

Mrs. Jane Everett, nee Jane Westfall, was born in Plymouth, Feb. 26, 1836, ninety-one years ago last February. At 17 years of age she was married in Plymouth to William Adams. To this marriage three children were born, John, now living in Plymouth, and Ella and Dan, deceased. In 1880 she married Seneca E. Everett, of Plymouth, who passed away several years ago. Mrs. Everett had lived all of her long life here in her native village. She was a member of the Universalist church.

There are besides her son, John, three grandchildren, one great-grandchild, Gladys Sherman, living in California, and four great-great-grandchildren.

The funeral was held from Schrader's Funeral Home Tuesday at 11:00 a. m. Rev. Walter Nichol, of the First Presbyterian church, officiating.

CAUSE OF ACCIDENTS

We have taken occasion to question several Plymouth auto owners recently, with a view to learning, if possible, just what causes the greatest number of accidents. While some attribute them to a lack of courtesy on the part of a certain type of driver, and others believe it is the willingness of still another type to "take a chance," a majority seem to be of the opinion that defective headlights are responsible for the great number of mishaps.

One sees all sorts and varieties of headlights in the course of a night ride, even though the ride be of short duration. There are blazing one-eyed lights, burning so that approaching drivers cannot tell whether it is the right or left light that is going. Then there is the extreme high-powered bulb, and the spot-light so placed that it reflects directly into the eyes of an approaching driver. And the general plan of "dimming" for an oncoming

GOOD THINGS COST

We occasionally hear, when we ask a Plymouth citizen why this or that improvement is not being made, that "it costs money." And we consider it about the flimsiest answer that could be given. Community betterment does not mean extravagance. Every improvement comes under the head of a good thing, and of course good things cost money. But don't we get our money's worth out of them? There can be no progress without expense; we cannot have comforts and the things we ought to have without going into our pockets for them. Public improvements come under this head. No one wants to see a town go past the danger point in the matter of debt. But there is such a thing as "false economy." If we are going to stand still, block progress and be content to do without the things we ought to have simply because "they cost money" then we're falling into a rut we'll never get out.

"SPEAKING HIS BEST"

For the benefit of a certain class of citizens who delight in criticizing the newspapers, and we still have a few of them left in and around Plymouth, we want to call attention to a little

LOCAL NEWS

Mr. and Mrs. Ralph Beeman and family were Sunday guests of relatives in Owosso.

Mrs. Rudolph Witt and daughter, Emma, of Northville, were Monday callers of Mrs. Reka Witt.

Mrs. Frank Yenzel of Windsor, Ont., was a guest of her sister, Mrs. R. R. Parrott, the latter part of last week.

Mr. and Mrs. Bert Muxlow and Mr. and Mrs. Holsch and the latter's mother and sister, of Detroit, spent last Friday with Mr. and Mrs. F. C. Muxlow.

Now that the construction of the Mayflower, Plymouth's new community hotel, is well under way, the board of directors have started to investigate elevators, kitchen equipment and furniture.

William Ash was greatly surprised Monday evening, when about thirty-six relatives and friends dropped in to remind him of his birthday. Cards and music furnished the entertainment for the evening. Lunch was served, and at a late hour, the guests departed, wishing Mr. Ash many more happy birthdays.

Watches that last a lifetime!

ANY other kind of watch is not worth the buying, for watches have a heritage value—they should be passed on down to successive generations. When Sonny Boy hears the first tick of his first watch, it is an important event in his life.

But then there must be cheaper watches for him—watches which will stand the wear and tear of Childhood—and finally the watch that will remain with him during all his life.

We have both kinds and all kinds—particularly those delicate watches for women, which must combine perfect utility with beauty.

By the way—we have just received a complete new W. W. W. line of pearls and rings. Pearl—yes, this concern is now putting out a wonderful guaranteed pearl in a special jewel case. You will want to see it. And the W. W. W. White, green and yellow gold wedding and engagement rings—they are worth a visit alone.

THE P. T. A. CONVENTION

TENTH ANNUAL CONVENTION OF THE MICHIGAN BRANCH OF THE NATIONAL CONGRESS OF PARENTS AND TEACHERS.

CONVENTION THEME—TRAINED LEADERSHIP—INFORMED MEMBERSHIP.

The tenth annual convention of the Michigan Branch of the National Congress was held in Flint, Mich., April 27, 28 and 29. The general sessions, conferences and exhibits were held in Flint Senior High school and Whittier Junior High school, while registration was at the Durant Hotel.

Over a thousand delegates with about as many friends and members, attended the convention this year, representing every county in Michigan.

A convention is full of inspiration or dull beyond words, according to the attitude of its delegates; so this year they tried to impress everyone that the convention was their convention, and that no introductions were necessary, and for everyone to get acquainted with everyone else and be like a great, huge family.

Here is a regular hive of 'B's. used at the convention:

- Be equipped
- Be prompt
- Be alert
- Be neighborly
- Be in on all conferences possible
- Be your own reporter
- Be definite and helpful in your report and you will
- Be busy, and tired, and have an aching head, but you will
- Be so happy and courageous for any work, either P. T. A. or that within four far walls.

Many fine addresses were given by Mrs. C. E. Rowe, National Field Secretary, of Denver, Colorado; Dr. Preston Bradley, from the People's church, Chicago; Miss Charl Williams, past president of the National Education Association, and chairman of the National Congress School Education Committee, Washington, D. C.; Professor M. L. Smith, Central Normal, Mt. Pleasant; Professor John Willard, Michigan State College; Dr. Smiley Blanton of the Child Guidance Clinic, Minneapolis, Minn.; Dr. E. E. Lewis, Prof. of Education, Ohio State University; and Ernest C. Hartwell, Supt. of Schools of Buffalo, N. Y. There were also many conference speakers, who brought to the delegates important messages of their particular work.

The convention is divided into general assemblies and department conferences, and it is impossible to take in all the conferences, for many are being held at the same hour. So the delegate chooses the ones that will help her most.

Sixteen conferences were held on following topics: Parent-Teacher meetings in churches, Membership, Pre-school circles, Motion pictures, Illiteracy and American Citizenship, Legislation, Music, Safety Education, Students' Loan Fund, Recreation, Standards in Literature, Thrift, Summer Round-up, Physical Education, Social Hygiene, Mental Hygiene and Program Service. These were led by the state chairmen, and each had very splendid speakers, who fully understood the work and gave many helpful suggestions to the delegates.

A conference was held at all breakfasts, dinners and luncheons. No time is wasted; every hour is crowded with some kind of a program.

This year was election of state officers, and all were re-elected but the president, who felt she could not serve another two years. State officers are elected for terms of two years, instead of one, as with our local associations. Mrs. J. K. Pettin- gill was elected our new state president. Mrs. Pettin- gill has served as chairman of legislation for several years, and is familiar with the state work. Her home is in Lansing, Mich.

I will not try to report all the addresses, but will try to give to you the part that will be of some use to you in your local association.

I think the most needed is help on your program. How to conduct your meeting, and so will report Mrs. Rowe's address on Program Service. She said first of all ask these questions:

- Is this an entertainment?
- Is this a lecture course?
- Is this a P. T. A. meeting?

First of all, after opening your meeting, she encouraged the use of the Lord's Prayer; then community singing. Everyone enjoys hearing his own voice, and it makes the meeting more "peppy."

Instead of having someone to entertain you, get your members to give five-minute talks on the topic you have chosen to discuss. For instance, if you have a Health Program, have one member give a five-minute talk on physical health; another, mental health; another, spiritual, and another, social. Then after they have given these short outlines, to have a general discussion.

Debates were always interesting, and could be given by members. Always keep your objective (the child) before you. Your Handbook gives a list of topics to be discussed. Have a program of pictures. Films can be obtained in many ways that would be helpful and constructive.

Ask yourself this question: If every club member was just like me, what kind of a club would this club be? Check up on yourself, and see if you are giving satisfactory results. She

then told a story of a little colored boy, who asked the grocery keeper if he could use his telephone. The keeper listened to hear what the boy said, he seemed so interested.

"Hello, hello. I understand you advertised for a colored boy; did you get one yet?" he asked. After a pause, "Yo' sho' you like him. Is he giv' perfect satisfaction? Well, if he ain't I'd like that job. Good-by, goodby." After the boy was through, the man said, "Would you take another boy's job away from him, and you forgot to give that man your telephone number." "Oh, no sah, I wouldn't take a job away from no boy. I's just cullin' to see if the boss liked me. You see I'm that boy. I was just checking up on myself, to see if he was satisfied."

Mrs. Rowe said we should be like the boy; check up on ourselves once in a while to see if we, too, were giving satisfactory service.

Honor your officers by giving an impressive installation ceremony; and here she said if she had her way, she would not ask the officers to swear to give service, but would ask the members to swear to cooperate with the officers, for after all the officers were only servants, and that the members were the backbone of every organization.

She stressed the need of a good hospitality committee; says that far too often this committee was the entertainment and refreshment committee as well, and while they were off getting a lunch ready, the strangers and newer members would slip out. She said to lock the door and compel every one to stay for the social hour.

Never have a meeting in the afternoon, for two reasons. First, 'cause Dad couldn't come, and because mother was always in a hurry to get away to get dinner for the family. Evenings everybody felt free and could stay longer. Never let anyone go out without asking them to come again.

Play a game or two during social hour; one you can go home and play with the children the next day. Play together at your meetings; play together in your home. "Families that play together, stay together." So have a recreation chairman to plan a game or two. You can get a very fine book of games from the Playground Association of America, 315 4th Ave., N. Y., for 25c. She said if you haven't 25c, go get it, and send it on its way rejoicing, for it was so essential.

"Don't ever let me hear you say 'we cannot reach the mother who needs it the most,'" said Mrs. Rowe, "for everyone of us needs it the most. But say, 'We have failed as yet to reach the disinterested one.'"

Remember this, we are non-sectarian. We come together for the little child. We are non-commercial, no advertising medium. We are non-political; we don't promote any individual, but warned us not to misconstrue that with legislature, for we must secure more protection for women and children.

At one of the department conferences, Mrs. H. A. Venema, of Menominee, gave a very interesting talk on the D. A. R. Boys' Club, and its influence on character. I gave this report in this paper two years ago as it was told by Mr. Flegle, superintendent of schools in that city, so will just tell some of the new points of this club.

The club started in 1915, with 15 street boys, who had no place to go, and in twelve years, has grown to 1075 boys. When they tell you that Menominee has a population of 10,000, and that over 1,000 boys are members, you know they have enrolled nearly every boy in their city; over 95% are members.

The school board furnishes the building and \$1,000 per year, and the rest is provided by gifts. "The boys come in without knocking, and go out the same way," said Mrs. Venema, who is called "Ma" by all the boys of the club. They have furnished this club very attractively, and the boys are very proud and are very careful.

They make a special feature of cartoons, and the boys draw cartoons of everybody who comes to visit them, and of all the people who are interested in the club. They have a fine gym and a pool table. Some people have thought that pool should be prohibited, but they had found that it was better for the boys to play pool in the club than at a public pool room. She then told of a Milwaukee saloon keeper, who had petitioned the school board to take the pool tables out of the school because it ruined his business. The boys must have certain credits in school in order to play billiards or pool.

She told of the rules and regulations, and of their weekly parties, and of their assembly nights when they have from three hundred to six hundred boys; and of the wonderful inspiration and joy the ladies of the D. A. R., in helping these boys spend their leisure hours in a constructive pleasurable way. Keep a boy busy and interested, and he will give you no trouble.

If any of the local associations would like a report on any of the topics mentioned in the list in this report, if they will write to Mrs. George Bentley or Mrs. George Mitchell, Jr., Plymouth, Mich., we will be glad to send it to you; or if you care to have a delegate come and give you a report of the convention, write to Mrs. Bentley.

The Wayne County Council wishes every local association would send their president to the next state convention. Kent County had over thirty delegates at Flint, and Wayne only had about half that many. Let us show

them next year that Wayne county is on the map in P. T. A. work.

Quotations from leading educators: "The P. T. A. movement is without doubt, the biggest movement in education today."

The P. T. A. movement is the most challenging and progressive educational development in the past century."

The P. T. A. movement and the study of the science of education are two forward steps in education.

I wish I might go on and write all the wonderful messages the convention offered, but space does not permit.

Publicity Chairman
Wayne County Council,
F. L. M.

A liner ad in the Mail has helped many people to dispose of used articles. The cost is small, but the results are satisfactory.

TO ALL HOLDERS OF SECOND LIBERTY LOAN BONDS

NOTICE OF REDEMPTION

All outstanding Second Liberty Loan 4 per cent bonds of 1927-42 (Second 4's) and all outstanding Second Liberty Loan converted 4 1/2 per cent bonds of 1927-42 (Second 4 1/2's) are called for redemption on November 15, 1927, pursuant to the terms of their issue. Interest on all Second 4's and Second 4 1/2's will cease on said redemption date, November 15, 1927.

Holders of Second 4's and Second 4 1/2's will be entitled to have the bonds redeemed and paid at par on November 15, 1927. Such holders may, however, in advance of November 15, 1927, be offered the privilege of exchanging all or part of their bonds for other interest-bearing obligations of the United States. Holders who desire to avail themselves of the exchange privilege, if and when announced, should request their bank or trust company to notify them when information regarding the exchange offering is received.

Further information may be obtained from any Federal Reserve Bank or branch, or from the Commissioner of the Public Debt, Treasury Department, Washington.

A. W. MELLON,
Secretary of the Treasury.
Washington, May 9, 1927.

BEST GIFT OF THE ELECTRIC TWENTIES

The KOHLER ELECTRIC SINK

You will surely rank it first amongst all the labor-saving conveniences which, in these ELECTRIC TWENTIES, have given new leisure, health and happiness to millions of American women.

It is the Sink that washes the dishes for you—electrically, easily, swiftly, perfectly. Surely there are few material things which offer so much that is worth having. A three times a day blessing—that is the KOHLER ELECTRIC SINK.

It is not solely the gift of effortless dishwashing that sets apart this modern sink. Many long awaited improvements in the sink proper testify that this fixture was designed, from first to last, to please the women who will use it.

You may choose the KOHLER ELECTRIC SINK for your home from among several sizes and types. Convenient partial payments make possible the satisfaction of immediate possession.

Ask us about the KOHLER ELECTRIC SINK, and about other KOHLER PLUMBING FIXTURES, quite as admirable in their way, for the bathroom, kitchen and laundry.

Now an even greater car scoring an even greater success

You know how all the resources of General Motors were used to make the original Pontiac Six the finest car ever introduced into the field of low-priced sixes. You know the wildfire success that resulted... But do you know that the present day Pontiac—at its new low prices, is a new and finer six—an even greater car that is scoring an even greater success... It offers the added appeal of new Fisher bodies, important mechanical refinements, such as tilting-beam head-

FOR SALE—Early yellow dent seed corn, early or late planting, \$2.00 per bushel. Wright Bros., Schoolcraft road, 1/4 mile east of Middle Belt. 251p

MUNICIPAL NOTES BY THE MANAGER

This is clean-up week. Don't forget to set out your old tin cans, etc. in suitable containers. Large loads will have to be paid for.

The village is now putting in the water and sewer connections for the new hotel.

The parks are kept up in good shape now, of which we are all proud.

Mr. Scario reports that someone has used his basement on the corner of Fair and Mill streets, as a dumping ground. Further dumping here will be prosecuted to the full extent of the law.

As a reminder, the village only allows dumping on the Wm. Gayle property at the foot of East Union street one day a week, that being Saturday, from 6:30 a. m. until 4:30 p. m. No automobile bodies are to be dumped here.

The fire department was called on Monday afternoon, to Jesse Hake's farm to put out a fire in a straw stack. The barns were saved by pulling the straw stack away from them.

The village manager's office hours are from 10:30 to 11:30 a. m., and from 3:30 to 4:30 p. m.

The village received the report of the audit of their books on Tuesday, May 10. From a standpoint of clerical accuracy, the accounts have been better maintained during the past year than in any other period for which the same company has audited.

BIG SPELLING BEE MAY 20

PLYMOUTH SCHOOLS WILL BE REPRESENTED BY KUPERT HADLEY.

Sixty-six boys and girls, 12 from Macomb county, 17 from Oakland county, and 37 from Wayne county, will face an audience of 15,000 persons at the State fair coliseum in Detroit Friday afternoon, May 20. There, in a spirited struggle with words and letters, they will determine the grammar grade pupil who will represent Michigan in the finals in the national spelling bee at Washington, D. C., in June. That boy or girl, if successful at the capital, will bring home \$1,000 in gold to add to the treasured symbols of victory; but he will certainly share in the remaining \$1,500 of prize money if he should fail of the national championship.

Prophets are without honor in the national spelling bee. Two years ago Michigan's champion was a Detroit girl; last year a girl from a standard school in an unincorporated community. Two years ago the national champion was a boy from a metropolitan school; last year a girl who never in her life attended anything but a one-room country school. It's anybody's title—if that anybody can out-spell anyone else in the three counties.

This contest will be the fourth conducted by the Detroit News, and the third on a national scale. In the quest for champions, the sponsors have given approximately 10,000 dictionaries and atlases, valued at more than \$55,000, to winners of preliminary spelling bees, every grade and school champion having been awarded a prize. Each year upwards of 150,000 school children participate in the eliminations. The winner of the finals at the Coliseum, aside from prizes won in preliminaries, will receive a beautifully engrossed diploma and be sent, with chaperone, at the expense of the sponsoring newspaper to Washington for a week of sight-seeing and for an evening of spelling for fame and small fortune.

The governor of Michigan will, as heretofore, be the presiding official at the gigantic bee at the fair grounds—the largest spelling contest, incidentally, ever held in this country, if not in the world. With Governor Green, officiating, will be Wilford Coffey, state superintendent of public instruction; Frank Cody, superintendent of Detroit schools, and school commissioners and leading educators of the three counties involved.

missioners and leading educators of the three counties involved. Among the spectacular features of the metropolitan finals will be the "Parade of the Champions," following a brief concert by the justly famous Cass Technical High school concert band and burp ensemble; an entertainment feature designed to stir the great throng to laughter and relieve the nervous tension of the spellers; and mass singing of the 15,000 in attendance. Seats will be reserved for parents and attendants of the contestants, but the rest of the gigantic Coliseum will be open to all, without charge. In previous spelling bees the normal seating capacity was speedily exhausted, as well as that of the great arena in which special seating was provided. Doors will be opened at 1:30 and the program will begin at 1:45.

Following are the contestants of Wayne county (except Detroit), with the names of their school indicated in parentheses: Alvin Van Riper (Flat Rock school); Rupert Hudley (Plymouth school); Helma Fuhrman (Keweenaw school, Redford); Henrietta Weisman (Whitney school, Hamtramck); Jeannette Lavoy (Lafayette school, Lincoln Park); Carmen L. Frysinger (Saline school, Grosse Pointe); Irene H. Verob (Hale school, Romulus township); Mary Clair Rice (Belleville school); Matilda E. Altair (Roswell school, Wyandotte); Edna Krueger (Harvard school No. 1, Taylor township); Mike Crisovan (Walker school, Canton township); Elizabeth Pinter (Burke school, Huron township); Jenn Seymour (Cady school, Nankin township); Betty Gligus (Junior High school, Highland Park); and Martha Keen (Junior High school, Dearborn.)

WILLIAM ALEXANDER

Half Mile East of Ford's Phoenix Factory, Schoolcraft Road

PERRINSVILLE

Rev. B. R. Davis took his text Sunday from the first book of Ruth, which was very impressive. Three united with our church during the service. They were Mr. and Mrs. Gridley and daughter, Marion. Mr. Gridley recently moved his family here from Brooklyn, N. Y.

Mr. and Mrs. Clarence Hix and Clyde Dethloff, from near Plymouth spend Sunday with Mr. and Mrs. George Hix.

Callers Sunday at the home of Mr. and Mrs. Arthur Hanchett, were: George Wollgast, mother and sister of Plymouth; Mr. and Mrs. Walter Schille and children of East Plymouth; and Mr. and Mrs. Emory Hix, Hobbie and Emory, Jr., of the Town-line road.

Mrs. Minnie Perkins, of Newburg, called on Mrs. Frank Parrish Monday afternoon.

Mr. and Mrs. Arnold Folker and children, of Garden City, were callers at the home of Mr. and Mrs. Arthur Hanchett Friday evening.

If We Had Some Ham.

Country School Teacher (on a country school teacher's salary)—"If each child will bring an egg to school tomorrow I will show you how Columbus made one stand on end. And if you cannot get an egg, why just bring a piece of ham!"

STRONG BODIES

Milk is energy food. There is health in milk.

Top off each meal with a glass of milk. Drink two or three glasses of milk between meals. Give milk to the children.

We sell fresh milk and dairy products, delivered at your home daily if you say the word.

LOCAL NEWS

Born to Mr. and Mrs. Ray Bairy, of 472 Holbrook, a daughter, Wilma Lee, Wednesday, May 11th.

Mr. and Mrs. A. M. Wileden visited the former's mother and other relatives at Lansing, over the week-end.

Mrs. Jesse Bishop has returned home from a two weeks' visit at Alton, Illinois. She reported very high water there.

There will be a special meeting of the Order of the Eastern Star at the Masonic temple, Tuesday evening, May 17th. Visiting members welcome.

Plymouth High baseball team and Northville High will play at the local High school athletic field, Wednesday afternoon, May 18th. Game starts at 4:30 o'clock. Admission 25c.

Mr. and Mrs. Charles Cramer and Mr. and Mrs. A. L. Johnson of Fairgrove, and Mrs. H. C. Desmyter of Detroit, attended the funeral of their aunt, Mrs. S. W. Everett, Tuesday.

Mrs. Eli Nowland and her daughter and husband, Mr. and Mrs. Harry Newell, of Detroit, have moved here and are occupying Mrs. Nowland's home on South Harvey street.

A triangular track meet will be held Tuesday, May 17th, at the High school athletic field, starting at 3:00 o'clock. Roosevelt High of Ypsilanti, Northville and Plymouth High school athletes will compete.

The fire department was called out about 12:30 o'clock yesterday afternoon by a small blaze on the roof at the home of B. F. Werve on East Ann Arbor street. Very little damage was done.

O. J. Gregg, landscape gardening specialist of Michigan State College, will give a landscape gardening demonstration at the home of Mr. and Mrs. S. W. Spicer, on Wednesday, May 18, at 10:00 a. m. Anyone interested in this work is invited to attend.

The Friendly club was entertained by Mrs. E. J. Allison and Mrs. Raymond Bachelor at the home of the former, on Williams street, Wednesday afternoon. A pot-luck dinner was served, after which five hundred was the amusement. Miss Craig, of Detroit, won first honors and Mrs. W. L. Freymen, second honors.

Mr. and Mrs. Frank Oldenburg entertained at a miscellaneous shower for Mr. and Mrs. Russell Densmore at their home on Blunk avenue last week Wednesday evening. Cards furnished the amusement of the evening, after which a pot-luck supper was served. Several guests were present from Detroit. The young couple were the recipients of many fine gifts, among them being one of \$100 to Mrs. Densmore from her father.

ELM

The Elm Parent-Teacher association held their last meeting of the year on Monday evening, May 9th. There was a large attendance and a number of new faces. All joined in the community singing with great enthusiasm, especially in our "60,000 Strong" state song. After the devotional and business part of the meeting, the members and friends were entertained by Joseph Tracy, of Plymouth, who sang and gave a very humorous recitation. Miss Helen Woolfram then gave a piano selection, which was loudly encored. The boys and girls of the school, led by Mrs. Appleton, sang a mother song in honor of Mothers' day. Mr. Tracy sang a song about mother in honor of Mothers' day also, which was highly appreciated. Refreshments were served during the social hour and the meeting adjourned until September.

Storms and Headaches

Each of us is carrying through life an enormous weight in the form of the pressure of the outside atmosphere upon our bodies. We don't. It is true, notice it, because inside our bodies is another pressure (in our blood, and so forth) which exactly balances the outside pressure.

Were it not for this equalizing pressure, we should experience grave discomfort just as do mountain explorers who go to great heights where the air is "thinner."

Roughly speaking, this is generally what causes many people trouble in a thunderstorm. The atmospheric pressure alters suddenly and disturbs the balance, with the result that the arteries swell up and probably affect the brain and nerve centers, causing a headache.

The Difference.

There are a number of nickel cigars on the market. The trouble is that they charge fifteen cents for them.

For Cooking
For Drinking

A few years ago milk was milk. Today we know there is as much variation in grades of milk as in flour. Dr. Wiley and his purefood campaign awakened America to scientific understanding of this, and as a result, quality foods are demanded. Milk rich in butter-fat and body-building qualities is the milk we deliver fresh every day at your home. For cooking—for drinking, use only the best of milk—and note the keen appreciation of the family through a sincere relishing of their meals.

NASH

Leads the World in Motor Car Value

Advanced Six
Sedan
\$1425
f. o. b. factory

Prominent and very popular
in the public life of AMERICA

C. W. NASH has never built a more popular model of Nash than this Advanced Six Sedan.

You see it everywhere, and the reason is: it offers charming style, Nash performance and luxurious comfort for five passengers at a very moderate price.

This Nash—every Nash—is in a value class all its own. The car is designed and built with care high above the average, yet it is priced no higher than the average car.

For exceptional power-smoothness and

proper bearing support Nash has 7 big bearings in the Nash six-cylinder motor.

To provide extra chassis strength without excess weight, C. W. Nash tubular-trusses the frame. Nash tubular cross members actually furnish 5 times more resistance to road strain than plain cross members.

Even the 4-wheel brakes in this popular Nash are of special Nash design—with Two-Way action for permanent, care-free efficiency.

Come in and see this car. Let us show and explain to you its many other, equally important, features of extra value.

[26 different Nash models priced from \$865 to \$2090 f. o. b. factory]

Why
Firestone
GUM-DIPPED TIRES
Wear Longer

WE recently were given the tremendous advantage of having the mammoth Firestone factories brought to us. In Tire Educational Meetings we were shown, by means of motion pictures, charts, tire samples and complete engineering data, the details of Firestone tire design and construction—and how Firestone and Oldfield tires and tubes are made in the world's most efficient and economical rubber factories.

Firestone pioneered the original low-pressure tire and made it practical by Gum-Dipping. The motion pictures showed us how the cords of the carcass are dipped in a rubber solution, thoroughly saturating and insulating every fiber of every cord with rubber. Simple demonstrations and tests illustrated the great advantage of this process, which supplies the extra strength to withstand the extra flexing strains of low-pressure construction—one of the reasons why Firestone Gum-Dipped Tires are establishing such unheard-of mileage records.

We learned why the Firestone Balloon Tread gives extra safety, comfort and long wear. We were shown why Firestone, from the very beginning, designed and continue to use the round Balloon Tread, minimizing "shoulder breaks", so destructive to tires. Excess rubber at the edges of a Balloon Tread is wasted—actually detrimental to tire mileage. In the Firestone Tread the small units and sharp projections are scientifically placed to permit easy flexing, resulting in extraordinary riding comfort.

Come in and let us put a set of these Gum-Dipped Tires on your car—you can forget about tire trouble. Quality is higher than ever before—prices are lowest in history. Buy now!

A Business That Is Advertised Grows Big

Ford

See Today's Ford Car Before You Buy

Before you buy any make of automobile let us show you Today's Ford car.

You may consider that you know the Ford car. You may have been a Ford owner for years and think you are familiar with the splendid satisfaction which the Ford gives; and yet unless you have made it a point to examine the Ford car as it is built today—to drive it and note its improved engine performance—relax in it over rough roads, experience the increased comfort which it affords—and to learn of the many recent improvements, you do not know the Ford car as it is built today.

Many of the new Ford car features are obvious—balloon tire equipment—wire wheels—Pyroxylin finish—a choice of colors—improved upholstery, etc., but the big satisfaction to you, as the owner of Today's Ford car, is to be found in the way in which it will fulfill your expectations of what a modern motor car should be. You will be amazed at the increased power resulting from the new Vaporizer, the smoother engine operation, the increased gasoline mileage, the improved riding qualities, and above all, in the way in which this car handles and performs in traffic and on the open road.

In short, you must drive a new Ford car to be a fair judge of present-day motor car values. We shall be glad to arrange a demonstration at your convenience.

New Colors—Increased Mileage—Better Motor Operation

NEWBURG

There was an exceptionally good attendance at church Sunday last. Rev. Walker paid a fine tribute to Motherhood. Beautiful potted plants and flowers made the church attractive. Misses Anna and Ada Youngs sang a lovely duet. Seventy-eight were in Sunday school.

Queen Esther circle will hold their meeting and election of officers at the home of Miss Alice Gilbert this Friday evening. Epworth league at 7:30.

Mother and Daughter Banquet

The menu for the mother and daughter banquet held by the Newburg and Beech churches, Wednesday evening, May 4th, was as follows:

- Baked Ham
- Creamed Potatoes
- Spring Salad
- Pickles
- Olives
- Rolls
- Bread
- Ice Cream
- Cake
- Coffee

The banquet was served by the men of the church.

Invocation, Mrs. M. Eva Smith. Mrs. Harold Tuck introduced the toastmistress, Mrs. P. I. Walker, in her usual pleasing manner. Mrs. Walker made a graceful and dignified toastmistress. The first on the program: Music by Mrs. Herman Block. Mrs. George Bentley gave the origin of Mothers' day. Miss Gladys Horton sang a lovely solo. "Thoughts of Mother" was presented by Mrs. Edgar Stevens. Duet, Mrs. Grant DeFoe and Mrs. Mary Pierce.

Mrs. Walker said it gave her great pleasure to introduce the speaker of the evening, a life-long friend, Mrs. D. H. Glass, of Detroit, who sparkled with wit and humor, making this second mother and daughter banquet a most happy occasion, one long to be remembered by those present.

The tables were beautifully decorated with potted plants and tall, yellow tapers. The following mothers were presented with beautiful plants: Mrs. Herman Block, youngest mother with daughter; Mrs. M. Eva Smith and Mrs. Shier, the two oldest mothers with daughters. Mrs. Floyd Bassett and six daughters were present.

The men were capable and efficient waiters, who served the 95 mothers and daughters present.

Reports from Mrs. Jesse Jewell that she is nicely convalescing at Harper hospital from a major operation.

Mrs. John Blair returned home from the University hospital Monday, where she has been for a week for an X-ray and observation.

Kenneth McMullen had the misfortune to fall and break his arm last week Thursday while playing in the school yard.

Mrs. Alice Kinney and daughter, Mrs. Mildred Cate, of Detroit, called on Mrs. C. E. Ryder last Thursday.

Guy Casterline, of Flint, called at the Ryder homestead last Thursday.

Mr. and Mrs. Clyde Smith are the proud parents of a little daughter, Mary Louise, born Wednesday evening, May 4th. Mrs. Smith is at the home of her parents, Mr. and Mrs. C. E. Ryder.

Newburg Planning Home-Coming Celebration

After a careful survey of the possible great changes that may come to Newburg and surrounding territory in the near future, the Parent-Teacher association and the Newburg Civic association have thought it at least due the older generation who are still living to give them an opportunity to meet and renew old acquaintances and have a chance to recite reminiscences, compare old times with present, counsel and talk over the future. We find many interesting facts in looking over old records of persons who were early residents of Newburg, who have held high offices and been persons who have made real history for our community, state and nation. We should have a pleasing program. Games, real music, old and new, some public speakers, entertainers of reputation, in fact a day and evening crowded with real things that will keep you busy every minute. One feature, reminiscences, one hour perhaps, given to the aged people present of reminiscences of their early days here, those who were born and raised in the community. Letters written to our postoffice of Nankin, located at Newburg, over a hundred years old. Everyone who ever lived here who reads this item should get in communication with the writer and give any suggestions or helps possible, so the affair can be put over in such a manner that it will be one of the days ever to be remembered as one of the best days in the lives of all

who attend. A meeting will be held next Monday evening, announced in P. T. A. Notes. If you are near enough to attend the meeting come, write or phone your co-operation to help us put this over, also suggest a date you would think best to hold the gathering. We have fine schools and grounds, a good baseball diamond and a will to make a homecoming a howling success. Get in touch with secretary of the P. T. A. or secretary of Civic association, Alfred Bakewell, or myself. N. V. Youngs, chairman of arrangements.

P. T. A. Notes.

Home-coming for Newburg.

At the May 10th meeting of the P. T. A. the home-coming was discussed. The following were selected: General chairman, Mr. Youngs; entertainment committee, Mrs. Thomas, Mrs. Rousseau, Miss Reddeman, Mrs. Waterman, Miss Grinnin; refreshment committee, Mrs. Hearn, Mrs. Osten, Mrs. Thompson, Mrs. Bassett, Mrs. Gates, Mrs. Joy, Mrs. Ryder, Mrs. Adams.

A special meeting is called for Monday, May 16th, so let everyone come and help co-operate to make the home-

BANKS ORGANIZING AGAINST BANDITS

TWENTY-FOUR COUNTIES IN STATE ADOPT VIGILANTE PLAN FOR PROTECTION AGAINST BANDITS.

Bank robbers and other major criminals who make it a point to hide out in shacks and other obscure places after the first dash from the scene of their crime will find it necessary to use another method of throwing their pursuers off the scent until the hue and cry is over.

This is the statement of Paul J. Ulrich, Mt. Clemens, chairman of the bankers' state protective committee.

Part of the defensive plan of the vigilante chiefs in the various counties of the state is to comb the countryside thoroughly to locate possible hiding places of bandits who sometimes, in their first dash after a robbery, only proceed ten or twelve miles. They then turn off the main road to some unused bypath and there conceal their cars until such a time as the pursuit has slackened and the vigilantes return to their homes.

"In seventy-five percent of the cases of bank robbery in Michigan," Joseph Rylands, organizer for the bankers, said, "the robbers have not gone over ten or fifteen miles from the town where they made the attack."

"In advance they have located some old building or shack out of use for a long time, and make it their headquarters. At this place they generally have another car. It is here where they sometimes distribute the loot, divide the gang and go off in other directions after the hue and cry of the vigilantes have died down.

"Part of the vigilante plan anticipates just such moves. The different county protective committees are enlisting the aid of the farmers in the country adjacent to banking communities. These men, together with the armed vigilantes, are making preliminary surveys of the surrounding country to locate any possible hiding places, whether they be unused houses, gullies or depressions in the contour of the land that may provide hiding places.

"In the event of a bank attack, Mr. Rylands concluded, "we will immediately visit these places looking for game. We propose to drive these thugs out onto the highways where they may be captured or killed."

The Michigan state police have joined forces with the bankers in their war on major criminals and are assigning men to assist the county vigilante committees in selecting and training men. In this way the state police force will be augmented by thousands of volunteer assistants, who will make it difficult for major criminals to make their escape, according to Rylands.

Thus far twenty-four counties in the state have adopted the vigilante plan and are rushing their work to completion. It is expected, according to Rylands, that more than twelve hundred armed men will soon be designated as vigilantes from these counties.

Mr. Rylands has been scheduled to address one county bankers' meeting each night, where the plan is explained and adopted.

Local News

Mrs. Murna Austin, of Argentine, visited friends here the latter part of last week.

Mrs. Julius Willis, of Grand Lodge, was an over-Sunday guest of Mr. and Mrs. W. T. Pettingill.

Charles Heigt of Ypsilanti, called on his niece, Mrs. Charles Cooper, Thursday of last week.

Miss Helen Wells entertained the Junco Bridge Club at the home of Mrs. Goodwin Crumble, Thursday evening.

Harold Walter, the infant son of Mr. and Mrs. Walter Schultz, was baptized last Sunday at the Lutheran church.

Mrs. Fred Witt, Mrs. Herman Witt and daughter, Alma and little Harry, all of Detroit, were Sunday visitors of Mrs. Reka Witt.

Mr. and Mrs. Earl Beals and two sons, of Detroit, were Sunday guests of Mrs. Beals' parents, Mr. and Mrs. F. C. Muxlow.

The Sarah Ann Cochrane chapter of the D. A. R. will hold their annual meeting and election of officers on Monday, May 16, at 2:30 p. m., at the home of Mrs. Walter Nichol.

Fred Thomas has purchased the residence property of Mrs. Ammon Brown, at 345 Blunk avenue. The family will move from their present home at 492 North Harvey street, to the new location.

Mr. and Mrs. Dewey Smith and little daughter, Donna Joyce, of this place, and Mr. and Mrs. W. Peterson and little twin daughter, of Detroit, were Sunday guests of their aunt, Mrs. Myers, of Sarnia, Ont.

Mr. and Mrs. Oliver Goldsmith, accompanied by Mr. and Mrs. Charles Hines, of Grand Lodge, left Wednesday morning for Louisville, Ky., where they will attend the Kentucky Derby and also visit Mammoth Cave, stock farms in the Blue Grass country and other points of interest.

Mr. and Mrs. Charles Cooper visited relatives in Ypsilanti, Sunday.

Miss Sylvia Mueller and Mr. J. Heman spent Sunday with Mr. and Mrs. George Roth.

Born to Mr. and Mrs. Edward Long, of Mill street, a son, Edward Carl, Tuesday, May 10th.

Mr. and Mrs. Clyde Laslett and family were week-end guests last week of relatives in Detroit.

Miss Edna Roberts, of Detroit, was the guest last week of Mr. and Mrs. George Miller, of East Plymouth.

Mrs. George Roth spent several days last week with Mrs. H. Meler at Wildwood, her home at Mt. Clemens.

Dr. Luther Peck attended a session of the State Homeopathic Medical Society at Muskegon, the first of the week.

Mr. and Mrs. W. J. Speir of Ecorse, and Mrs. E. Potrin, of Detroit, spent Sunday with Mr. and Mrs. William LeDuc.

Mr. and Mrs. L. H. Root spent a few days last week with their daughter and family, Mr. and Mrs. Fay Williams, of Lansing.

Mr. and Mrs. John L. Crandell attended the University of Detroit J. Hop, given at the Masonic ball room, Detroit, Friday evening, May 6th.

Mr. and Mrs. George Miller, of East Plymouth, and Mr. and Mrs. C. V. Chambers, of this place, spent Sunday at Jerusalem, Chelsea, Dexter and Ann Arbor.

Charles Garlett, who has been seriously ill for the past several weeks, is convalescing nicely at the present writing. Mr. Garlett is employed in the office of Wm. Wood.

George Elliott, who resides on the Hough farm, was taken to Providence hospital, Detroit, Sunday, where he underwent an operation for appendicitis. He is getting along nicely.

Mrs. John Garner and daughter, Hilda, of Dryden, and Mrs. Alice Cumberworth and two children, of Pontiac, spent last week-end with Mr. and Mrs. F. C. Muxlow on North Main street.

Mr. and Mrs. Leroy Midgley and son, of Mt. Clemens, and Mr. and Mrs. Claude Rorabacher and daughter, Dorothy, of Detroit, were Sunday guests of Mr. and Mrs. Cyrus Rorabacher, and also called on other relatives here.

The Plymouth Rotary Club have received an invitation from the Ann Arbor Club, to attend a inter-city meeting in that city, on Wednesday evening, June 8th. Clubs from Monroe, Adrian, Ypsilanti, Howell, Jackson, Northville have also been invited.

Mr. and Mrs. E. C. Hough and daughter, Miss Athalie Hough, will sail from New York on May 25th, for Europe, where Mr. Hough will attend the convention of Rotary International, at Ostend, Belgium, as a delegate from the local club. They will return in September, after a tour of the continent.

The many Plymouth friends of C. H. Bennett, who several weeks ago underwent a major surgical operation at the Baptist Memorial hospital, at Memphis, Tenn., will be glad to know that he has so far recovered that he has left the hospital, and is now convalescing in a hotel in that city. He expects to return to his home in Plymouth as soon as he is able to do so.

William Merritt, of Bay City, and a former resident of this vicinity, died at his home in that city Sunday, May 8th. The deceased was a brother of Mrs. Bert Crumble, of this place. The following from Plymouth attended the funeral services, held Wednesday afternoon: Mr. and Mrs. Goodwin Crumble, Mrs. Bert Crumble, Mr. and Mrs. Merritt Crumble, Mr. and Mrs. C. R. Merritt, Mr. and Mrs. Gerald Wolf, Mr. and Mrs. William McCullough, Mr. and Mrs. Earl Ryder, Paul Wood and Claude Verkirk.

The Saturday Night Club was entertained at the homes of Mrs. George Cramer and Mrs. Josephine Fish on North Harvey street, honoring the birthday anniversaries of Mrs. Joseph Fleury and Mrs. Arthur White. The ladies came dressed in old time costumes. A pot-luck supper was served at the home of Mrs. Cramer, after which the evening was passed with five hundred at the home of Mrs. Fish. Mrs. Earl Mastick won first honors, Mrs. Joseph Fleury second, Mrs. M. G. Blunk third, and Mrs. Paul Wiedman the consolation. Mrs. Fleury and Mrs. White were the recipients of beautiful gifts in remembrance of the occasion.

Mrs. William Johnston of Wayne, visited Mrs. Charles Cooper, Monday.

Mr. and Mrs. Orlin Van Syckle, of Detroit, visited Saturday afternoon with their uncle and aunt, Mr. and Mrs. Floyd Sherman. They also attended the inaugural ball in the evening.

Raymond Fisher, son of Mr. and Mrs. H. B. Fisher of this place, sustained a broken left leg, when he was his by an automobile while repairing a tire on the road near Wyandotte, last Sunday. The young man was taken to the hospital at Wyandotte, and brought to his home here Wednesday.

Mr. and Mrs. Harold Behler, of South Harvey street, pleasantly entertained the Jolly Sixteen Five Hundred club Monday evening. First honors were awarded Mrs. Rosa Rhelner and Henry P. Lezotte; second honors to Mr. and Mrs. Matt Miller. A delicious lunch was served and at a late hour everyone departed, declaring they had spent a most enjoyable evening.

The first mother and daughter banquet at Salem, was held at the Federated church of that place last Saturday evening, with two hundred in attendance. This one being a very successful affair, speaks well for the future mother and daughter weeks. The music was furnished by the Larkins Trio of Plymouth, consisting of Miss Velda Larkins, Master Maynard J. Larkins, violins, and Miss Phyllis C. Larkins at the piano. The men's class, under the direction of Rev. Halliday, served the banquet. The toastmistress was Mrs. Savery of Detroit, who introduced the following speakers: Mrs. Foreman, Miss Cole, Mrs. Rorabacher, Mrs. Penall, Mrs. Means in recitations. Mrs. Lyke gave two vocal solos, and Mrs. Stradmillier of Ypsilanti, gave the address of the evening.

NOTICE.
Any person dumping rubbish on any highway in the Township of Plymouth will be prosecuted. By order of TOWN BOARD.

Saving Food and Health

To preserve foodstuffs from spoiling, to have them always fresh and healthful for the table, they should be kept under an even temperature, a steady cold.

The electric refrigerator maintains the proper degree of cold, and does it automatically. You don't have to raise a finger or give it a thought. You will know always that your food is well taken care of and fit to eat.

The convenience, safety, and real economy of electric refrigeration commends it to the housewife. We should like to tell you more about it, if you will call at the office.

THE DETROIT EDISON COMPANY

BUILD NOW!

Prices Are Normal Again!

Building material prices are again normal, not because the saturation point in construction has been reached, but because all industries have readjusted, labor is again on even keel and America is swinging merrily along on a safe and sane economical program. The saturation point in building will never be reached in the United States. An investment in a home or improvements will always be good. Look back at the record of the United States—and you will find no reason to fear the future.

Building Materials of All Kinds

We specialize in building materials of all kinds. We handle only first-grade lumber, which by test has always proved most economical in the long run. No matter what you plan on building, repairing or improving, we have the materials—and at a price as low as can be found anywhere.

SCHOOL NOTES

THE SENIOR PLAY

The senior play, "The Man on the Box," which was given in the High school auditorium Friday evening, May 6th, was one of the best plays that has ever been given in Plymouth under the auspices of the school. A large crowd represented Plymouth at this affair, and all the comments were favorable for the play. Every character played his part to the finish, and made the play seem even more real.

Robert Hubert characterized Robert Worburton, alias James Osborne, with unusual success. The scrapes that were gotten into and the clever way "James" had of patching up the situation were very well done.

Edwin Schrader as Charlie Henderson, portrayed the character of a "good old friend," as only Edwin can. The two policemen, J. Rusling Cutler and Raymond Levandowski, seemed typical of all policemen, and many compliments were heard in their favor.

Judge Watts, the part played by Owen Partridge, was exceptionally well done. The dignity of a police court judge and a man of affairs were both shown cleverly in his character.

Josephine Schmidt, as Mrs. Conway, the heroine's confidante, played the part of a dignified lady, who had to put up with a great many things she really disapproved of, all for the sake of Betty. She was very convincing and full of enthusiasm in the part.

Gertrude Grainger as Cora, the maid, and Clifford Wood as Pierre, the cook, were both very good in their clever roles.

Count Karloff, the villain and Russian spy, was portrayed very well by Wendell Doudt, who made the part seem very real.

Other characters who played their parts equally well were Ruth Allison as Miss Nancy Worburton, the gushing friend of the heroine; Columbus Wilkin, who played the part of the second groom, William; Elton Ashton who was the distinguished elderly Co. Raleigh.

Barbara Horton played the lead of Miss Betty Annesley with splendid naturalness, confidence and charm.

Much of the play's success was due to the splendid cooperation from the four faculty advisers of the senior class, Miss Johnson, Miss Schmidt, Miss Giles and Mr. Lindquist.

HIGH SCHOOL NOTES

Miss Gwatkins' history classes are trying to establish guilt for the world war. They are doing outside reading, trying to find out which country is responsible.

The freshman class gave a play, May 5th, for the ninth and tenth assembly. The name of the play was "The Florist Shop."

The junior class is working hard upon the junior-senior banquet, which is to be given May 20th.

The public speaking classes are studying making a motion and amending a motion.

Mrs. Whipples' English eleven class is studying the life of Henry Wadsworth Longfellow, and his works.

DUAL TRACK MEET

On Wednesday, May 4th, Plymouth met the Ypsil College Normal Reserves in a dual track meet. The Reserves won the meet, but Plymouth made quite a showing.

Lawrence Rattenbury ran the mile, coming in quite a distance ahead of his Ypsilanti opponent, Erwin Foster ran fourth in the mile. Wendell Doudt and Ted Hickey ran the 100-yard dash, making first and second respectively. Doudt also scored second in high jump, broad jump, discus and relay. The pole vault was not as good, although Fraser Carmichael made third place. The half-mile was won by Ypsil, and Erwin Foster came in second and Rattenbury fourth.

Owen Partridge threw the javelin for Plymouth and made fourth place. The remaining points were second place in the 440 by Charles Beagle and third place in the 440 by Ted Hickey.

This was not a bad showing for Plymouth, because our opponents were college boys, although we did keep them on the jump several times. The Ypsil Reserves have a fine team and they received many points through their fine work.

BASEBALL

On May 6th Plymouth beat Dearborn, at Dearborn, with a score of 8 to 4. Our very efficient pitcher, Collins, pitched the whole seven innings of the game. At the first of the seventh inning Plymouth was at bat and the score was 3 to 2 in favor of Dearborn. Lyke was on first, Doudt was up and although there were two men out and he had two strikes, Doudt made a wonderful rally with a two-bagger. This brought Lyke in, and then Collins hit a single and also

LeRoy Simmons made a one-base hit, Paul Olds knocked a home run and all the runs came in.

The Lineup.

Plymouth—A. Collins, R. Lyke, R. Levandowski, L. Simmons, W. Doudt, G. Brady, C. Gebhart, G. Simmons, P. Olds.

Dearborn—McKay, Dapprich, Stanton, Ptolmy, Zamalgan, Scott, Lucas, Stanton, Rhodes.

Wednesday, May 10th, saw one more victory for Plymouth High school baseball team. Farmington left with a score of 3 runs, while Plymouth made 11 runs. Although the afternoon was chilly, the game was so interesting that nearly everyone kept warm. Farmington has a good team and made some rather pretty plays. Plymouth made some fast, sure plays, which, in spite of the few errors, helped considerably to push the score up for Plymouth.

The Lineup.

Plymouth—A. Collins, R. Lyke, R. Levandowski, L. Simmons, W. Doudt, G. Brady, C. Gebhart, G. Simmons, P. Olds.

Farmington—G. Rozenboom, E. Rozenboom, Middlewood, Otis, Catherman, Turner, Button, Cox, Spaller.

This victory will help Plymouth to win Friday, May 13th, at Wayne. Let us go and help.

On Tuesday, May 17th, Ypsilanti, Northville and Plymouth will hold a triangle track meet. We can beat the others, but we need support. Let's get out.

PLYMOUTH WINS FOURTH IN STATE EXTEMPORE CONTEST.

Josephine Schmidt, representing Plymouth High school, placed fourth in the Extempore Speaking contest at Kalamazoo, last Saturday evening. This was the first annual state contest of the Michigan High School Extempore Speaking League, which is sponsored by the Speech Department of Western State Normal College at Kalamazoo.

Forty schools participated in the district contests in April, and the following twelve schools were represented in the state contest at Kalamazoo. The contestants met an hour before the contest, drew three subjects of current interest, and chose one of the three. They were given one hour in which to organize their material for a six minute speech. The judges were five members of the faculty of Western State Normal College, all people who had had speech training.

The system of judging was the low-point system. Each of the five judges ranked the twelve speakers in the order of their excellence as he saw it. 1, 2, 3, 4, 5, etc. Then the student with the lowest total of points won. The results by points and schools follows: 1. Nicholas Dinn, Ann Arbor, 51; 2. Benjamin King, Three Rivers, 20; 3. Herman Levy, Kalamazoo Central, 22; 4. Josephine Schmidt, Plymouth, 23; 5. Carpenter Hewitt, Birmingham, 26; 6. Charles Smith, Hastings, 30; 7. Roger Williams, Allegan, 31; 8. Joseph Wepman, Grand Rapids Union, 34; 9. Bernadine Young, Marine City, 37; 10. Joseph Killian, Elsie, 45; 11. Gordon Parkam, Ypsilanti Central, 53; 12. Ruth Sillis, Paw Paw, 58.

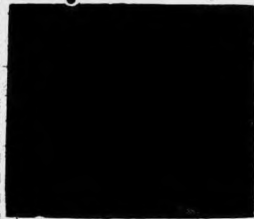

Ten of the twelve speakers had had from one to three years experience in debating, so they were experienced, well poised and forceful. Plymouth has a right to feel proud of even fourth place in a contest with twelve such capable speakers. Miss Schmidt's subject was "Our Policy in China." She was the only one of the twelve speakers who introduced humor into her speech. She spoke with great poise, directness and enthusiasm.

B. F. KEITH'S TEMPLE THEATRE, DETROIT.

Babe Egan and her Hollywood Redheads headlines the bill at B. F. Keith's Temple theatre starting Sunday matinee, May 15th. Under the leadership of Miss Egan the Hollywood Redheads have become famed as the greatest aggregation of women entertainers in the west. They present a whirlwind of rollicking mirth and rhythm. Their performance is a riot of syncopation and the Redheads make their instruments do acrobatics and other things hitherto unsuspected. Others billed: O'Donnell and Blair in a comedy classic, "The Plasterers"; Billy and Elsa Newell in "New Comedy Songs and Dances"; Carl McCullough, the popular musical comedy star, in "Bright Bits of Travesty"; Brooks and Ross, "Two Boys and a Piano"; Jack Merlin with Lois Evans in "Just a Lot of Laughs"; Rubye Latham Duo in "An Aerial Classic"; The Dancing McDonalds, Pacemakers of Danceland, and the new screen subjects.

You're Gas Faced.

"I've just had a harrowing experience."
"Did you?"
"Yeah—I was working on a farm and broke up some land."

CHEVROLET ANNOUNCES A NEW MODEL

Chevrolet today announces a new model, the Imperial Landau. It is a five-passenger closed car of luxurious appointments and new designs, listing at \$780. f. o. b. Flint.

Heralded as the aristocrat of low priced cars, the new model is equipped with a specially designed Fisher body, marking a new creation by Fisher that provides the low priced field with a smart, rakish Landau.

Contributing to the distinction of the Imperial Landau is the specially designed low-slung Fisher body with its many advancements in design from vaulted roof and oblong windows to smoking set. Hardware is a special design throughout, with garnish rails in polychrome and door seals of beaded maroon leather—in pleasing contrast with the deep-tufted taupe mohair upholstery.

Emphasizing the exterior beauty of the car is the lustrous satin black Duco finish with double bead stripes of Chasseur red. Window frames have a crimson trim on the outside and maroon within the car. The top rear quarter and the sun visor are of mouse gray textile leather. The Imperial Landau is fitted with a swing-out type windshield of one-piece design on nicked brackets, while narrow front pillars provide for increased driving vision.

Like other Chevrolet models this year, the Imperial Landau is equipped with standard one-piece, full-crown fenders, balloon tires, bullet-type head lamps, oil filter, air cleaner, co-incident steering wheel and ignition lock, remote control door handles, improved instrument panel, new gasoline gauge, disc wheels, new radiator and running board.

A factory statement points out that only the economies resulting from great quantity production have enabled the company to produce the new model at the price listed.

Introduction of the Imperial provides the company with eight models, six closed and two open cars, comprising the most complete line of automobiles ever offered by a manufacturer of low priced cars. In addition to the passenger models, the company is also building commercial vehicles in both ton and half-ton sizes.

Although the factories have been in production on the Imperial for several weeks, the formal showing of the new model throughout the country was withheld until today to permit dealers to obtain sufficient cars to cope with the expected initial demand.

Judge Ben Lindsey of Denver says America's modern young folks are the best ever. While it is a subject for extensive discussion at the dinner table this evening—if you should be looking for a topic.

It is said that woman has no sense of humor—that she cannot take a joke. After looking at some of their husbands—we know differently.

By Arthur Brisbane

A BETTER NATIONAL TUNE. BEVERIDGE AND PHILLIPS. WHEN BABIES TWIDDLE TOES. RAILROADS AND BUSESSES.

Some one not satisfied with the "Star Spangled Banner" offered \$1,500 for a better national tune. Nine hundred and fifty-one composers tried and failed. The "Star Spangled Banner" will continue to make Americans stand up. To do a thing well you must get excited about it. Socrates, greatest Greek teacher of oratory, said, "To convince others, be yourself convinced." There will be no improved "Star Spangled Banner" until real danger inspires somebody to produce the right song.

Albert J. Beveridge died last week, sixty-four years old, of heart disease. An automobile stops when the engine stops; a man, when his heart stops. One hundred men understand a motor engine for one that knows his own heart.

There is no "resale" price on a second-hand heart, and heart disease is increasing as consumption diminishes. Doctors can cure many diseases, but you must cure your own heart, once you have been warned.

Beveridge and David Graham Phillips were schoolmates in Indiana, and represented their state well, Phillips in literature. Beveridge in national politics. Both are gone. Is it "entirely illogical," as some say, to hope they have met again, or is it, as others say, a perfectly reasonable hope?

A Young Women's Christian Association committee says: "The modern wife who works after marriage and continues to bring money into the home is the best type of young wife, better than the young wife who sits at home twiddling her thumbs."

Real wives can testify that there is little time at home for twiddling thumbs, especially after the first baby begins to twiddle its toes. Every young man ought to be able to support one woman, and proud to do it, while she takes care of the children. Working wives, respectable and admirable, should not be necessary.

This country treats the Mississippi problem as a poor man treats his farm, never spending enough to get it in good shape. Scores of millions have been spent on patch work against flood danger. Now comes a flood causing five hundred million dollars' damage. That sum, properly spent, under one comprehensive plan, would have prevented this flood and future floods.

Railroad men, doing their best to help stockholders, as they are bound to do, have concentrated on getting increased passenger fares and freight rates from the public authorities, and that has seemed good business. The time is not far off when good business will consist in finding a way to carry passengers and freight for LESS and thus making more money.

The danger to the railroads is a small, ridiculous looking thing on four wheels running along the highway, paralleling the highway on a "right of way" that costs the motor omnibus and motor truck nothing but the price of their license. Every day four motor busses leave Los Angeles carrying passengers to Chicago. That doesn't amount to much. But they can carry twice as many passengers as there are on this magnificent Santa Fe "Chief" express. And the bus overhead is one man driving and another man to relieve him.

Omnibus travel is uncomfortable and will never compete with the express train. But WHAT ABOUT THE FLYING MACHINE that will soon be here?

And what about freight hauling by omnibus? On the Mojave Desert farmers buying agricultural machinery from Los Angeles do not ask the railroad to carry it.

The farmer calls up the truck line at Victorville. The freight motor truck delivers the mowing machine, plow or "seed drill" right in the farmer's barnyard. The freight bus costs a little more per hundred than the freight train. But what you order today you get tomorrow and it is delivered at your door.

Just Like a Woman.

She (after a bitter fight)—Well, the only thing left to do is to divide this house in two, you can have one side and I'll take the other.

He—That suits me, what side shall I have?

She—You can have the outside. I'll take the inside.

For Success On The Farm

The farmer can accomplish more in his routine work if he knows his financial affairs are in the hands of a strong financial institution. Farmers will find in this bank a helpful partner, not only in caring for their money, but in co-operating towards their financial success.

DE-HO-CO TEAM WON TWO GAMES

OPENING GAME OF LEAGUE SEASON TAKEN FROM WYANDOTTE BY SCORE OF 8 TO 2.

The opening of the Inter-County League season on the Detroit House of Correction Farm dawned Sunday, resulting in a victory for De-Ho-Co, that was due mainly to a brilliant exhibition of pitching by Rowland. The De-Ho-Co hurler was hit safely only three times, these coming in the first three periods of the game. After that he held the Wyandotte batters hitless, and not a Wyandotte player reached first until the ninth, when a bad throw by Trombley gave Desana a life. A stolen base and two infield outs provided the visitors with their second run of the game.

Jaska, Martin, Smith and Hammond starred in Rowland's support, with their hitting. A misjudged fly in right field by Mauren gave De-Ho-Co three runs in the sixth. Martin, with three of his teammates on, smashed out the drive that Mauren couldn't locate. The play of the game was snappy and at all times interesting to watch.

On Saturday, in an exhibition game, Detroit Street Railway proved easy picking for De-Ho-Co in a one-sided contest in which De-Ho-Co put on another of its slugging exhibitions during which an army of hurlers for the street railway aggregation were given transfers. The De-Ho-Co sluggers engaged in an onslaught of base hits that gave the lining for a time a decidedly non-stop complexion.

Detroit Municipal Employees, smarting from the trimming they were given by De-Ho-Co in their first meeting with the Farmers, return for their second game, this time as representatives of the Inter-County League, next Sunday. The Detroiters have been strengthened considerably since the trimming by De-Ho-Co and an exciting game of baseball is in the offing. Seats should be reserved from Arno B. Thompson, De-Ho-Co secretary, by calling Plymouth 650. There will be 15-minute bus service from Plymouth to the Farm, Sunday.

Saturday's and Sunday's victories by the unbeaten De-Ho-Cos follow in detail:

WORK STARTED ON PENINSULAR STOVE PLANT.

Ground was broken last Saturday, for the new plant of the Peninsular Stove Co., at Burt road and the Pere Marquette tracks, just off of the Plymouth road.

The first shovelful of earth was turned over by Fred T. Moran, pioneer stove maker of Detroit, and president of the company. He was assisted by his son, Francis C., sales manager of the company, and a grandson, Frank. The industry built up by his family now ranks as the second largest of its kind in the country.

The new plant will replace the former buildings on West Fort street, recently sold to the Michigan Central Railroad. Construction will proceed rapidly, officials said, so that the plant probably will be ready for use in October. A two-story office building will be completed a few months later, supplemented by a smaller office to be maintained downtown.

More than 3,000 persons and a party of officials of the Pere Marquette Railway attended the ceremony.

FALSE RUMORS SPIKED IN CORN BORER FIGHT

FARMERS ADVISED TO COMPLETE CLEAN-UP WORK—AMPLE FUNDS AVAILABLE FOR PAYMENT OF EXTRA LABOR AWARD.

Rumors to the effect that corn fields and premises in the borer infested area which were cleaned up satisfactorily after May 1, would not be eligible for the extra labor award are vigorously denied by L. H. Worthley, federal administration of corn borer control work.

Michigan State College authorities have also been advised that approximately \$5,000,000 is available to compensate farmers in the infested regions for their efforts in the clean-up. Worthley explains that the date, May 1, was set in order to give the regulatory forces legal authority to clean up abandoned farms and premises in cases where there was good reason to believe that no efforts were being made to comply with the regulations.

Farmers are advised by Worthley to disregard such "war-time" rumors and to apply the finishing touches to their farms which will entitle them to the extra labor fee. Farmers who have not completed their clean-up work because of weather conditions, or other reasons, are advised to finish their work and to ask for inspection. If the work meets the requirements, the extra labor award will be paid.

In some cases, the clean-up around barnyards and feed-lots has not been finished. Indications are that a little handpicking and gathering will complete over 85 per cent of the clean up in the state. The need of a thorough and complete clean-up is emphasized by Worthley.

You've Heard Them.
Bill (just back from Klondike)—Some of the guys get on my nerves. They try to pin me down and ask me exactly how much I really made up there.
Fille—And what do you tell them?

OBITUARY.

Emilie Hoffmann, nee Wendt, was born in Vircho, Pommerania, Germany, on the 16th of November, 1844. Soon afterwards she was brought to her Saviour in holy baptism and later confirmed in the Lutheran faith. In the year 1849 she was united in holy wedlock with William Hoffmann. This union was blessed with five children. In the year 1882 the deceased and her family immigrated to the United States, coming to Detroit. After a residence of 26 years in Detroit the family removed to a farm in Nankin township, Wayne county, where Mr. Hoffmann died about 14 years ago. After the death of her husband the deceased made her home with her children. She passed out of this life at the home of her daughter, Mrs. Emma Froehlich, at Highland Park, on Tuesday, May 3rd, at the age of 82 years, 5 months and 17 days. She leaves to mourn, one son, Albert, of Grayling, Mich.; four daughters, Mrs. Anna Kauer, Mrs. Louise Deman, Mrs. Emilie Gerlich, Mrs. Emma Froehlich, besides 21 grandchildren and 25 great-grandchildren, as well as other relatives and friends. She was laid to rest on Friday afternoon, May 6th, from the home of her daughter, Mrs. E. Froehlich, with interment at Plymouth, Rev. O. J. Peters, pastor of the Lutheran church at Wayne, officiated.

MICHIGAN BELL TELEPHONE CO.

Long Distance Is An Aid To Albion College

ALBION COLLEGE
ALBION, MICHIGAN
March 25, 1927.

Mr. Bazoo Foraker, President
Michigan Bell Telephone Company
Detroit, Michigan

My dear Mr. Foraker:

Please permit me to compliment and thank you for the splendid service we are receiving from the telephone company, particularly on our long distance calls.

During our recent building operations when the Susanna Wesley Hall, our University for women, has been under construction there were many occasions when time was money and we found it unusually cheaper and more effective to telephone rather than to write or telegraph.

At all times your long distance service has been very satisfactory and we are glad to bear witness to the speed and efficiency with which you have met the needs of Albion College and its students.

Very truly yours,
John L. Gleason
President.

We are glad to bear witness to the speed and efficiency with which you have met the needs of Albion college and its students.

SCHOOLS HELD GAGE OF CITY'S PROGRESS

EDUCATIONAL SYSTEM IS SPECIAL PRIDE OF FAST GROWING PLYMOUTH.

The following article regarding the school facilities of Plymouth was published in last Sunday's edition of the Detroit Free Press. The story was featured in a two page spread depicting the school development from Grand River to and including Plymouth. Other news articles regarding this community were also published in the same edition.

Plymouth was also represented in the Detroit News, Sunday, with a photographic reproduction of the new Mayflower hotel sketch, together with a short story regarding it.

The Free Press article follows: "Schools generally are the barometer of a community's progress and it is with a considerable feeling of pride that the rapidly growing city of Plymouth reflects upon the educational establishment, just now being augmented by the construction of Starkweather grade school, corner stone-laying ceremonies for which were observed last week.

"Plymouth long has occupied an enviable position among the smaller communities of the state in the excellence of school training and athletics. In the latter Plymouth high school has won suburban league championships in track six times in eight years and won the suburban league championship in basket ball this winter. Debating teams won the state championship in 1922, and has been among the leaders in oratory and debate for eight years.

Boasts Fine "Gym"
"The school is equipped with one of the best gymnasiums in Michigan, has a large athletic field connected with the school properties together with a natural amphitheatre and gridiron at one of the city parks.

"Plymouth high school is approved by the North Central Association of Schools and Colleges which permits graduates to enter any college in this group without examination.

"One of the boasts of Plymouth is the student 35-piece band, and although the organization is but six months old, the members have progressed to the point that they are now rendering musical service to the community. This together with the glee clubs and orchestras both for boys and girls, permits a wide range of musical education within the school.

"Speaking of the other organizations in the schools such as Boy Scouts, Campfire Girls, H-Y boys, Girl Reserves, agricultural and commercial clubs, George A. Smith, superintendent, said yesterday, 'The underlying principle in having so many extra curricular activities lies in the fact that there are so many worth while things which the boys and girls enjoy doing that by fostering these activities in the school it removes the source of many community problems which might arise were they omitted.'

Students Are Analyzed.
"The Plymouth faculty has developed a form of analysis that is proving intensely interesting and helpful, according to Mr. Smith. 'We strive constantly, beginning with ninth grade students,' said Mr. Smith, 'to learn the particular tendency that each student may express toward his vocation in life. This analysis follows through the junior and senior years and includes self introspection. When the tendency is sufficiently clear and we have satisfied ourselves that the student has a table mental attitude regarding his vocational desires we will go to whatever lengths are necessary in procuring practical contact for him in the particular line to which he seems impelled. We have found this most helpful and are developing the plan still further.'

"The congested condition of the schools of Plymouth will be materially lessened at the beginning of the fall term when the new Starkweather school will be ready to receive grade students. The teaching staff now includes 40 members, and will be increased at the beginning of the fall term.

The Second Liberty Loan, which was issued in November, 1917, was the second large loan floated by the Government during the World War, and while this loan does not mature until 1942, the condition of the money market and of the Government's finances makes it possible and advisable to call the bonds for redemption in November.

SECOND LIBERTY LOAN BONDS TO BE PAID OR EXCHANGED

MELLON CALLS SECOND LIBERTY LOAN BONDS FOR PAYMENT NOVEMBER 15, 1927.

STEPS TAKEN TO INFORM ALL HOLDERS. USE OF RADIO FOR FIRST TIME.

Washington, D. C., May 9.—Secretary Mellon has called for payment on November 15, 1927, all outstanding Second Liberty Loan bonds. Interest on these bonds will cease on November 15, 1927. Approximately \$1,700,000,000 of these bonds are now outstanding.

While the bonds will be paid on November 15, 1927, it is quite probable that during the next six months the Treasury will extend to the holders of the Second Liberty Loan bonds an opportunity to exchange them for other Government securities. No announcement has as yet been made as to the type of security to be offered in exchange or the date on which the exchange offer may be expected. The Treasury explains that the terms of the bonds require that a notice be given to the public six months in advance of the redemption date. The Secretary's announcement therefore, does not mean that the bonds will be paid at the present time, but merely places the holders on notice that their bonds will be redeemed on November 15, and will cease to bear interest on that date.

If holders of Second Liberties desire to have their bonds redeemed, they should present them for payment on November 15, 1927, but if they desire other Government obligations in place of their Seconds, they should watch for further announcement and notify their bank to keep them informed of any exchange offering that may later be made by the Treasury.

In 1917 and 1918, it will be recalled, when the Government was selling bonds of the several Liberty Loans, a nation-wide campaign was conducted, every available facility being used to reach the public and sell the bonds. The situation is now practically reversed, and the Government is preparing to redeem or exchange some of these bonds. While no such elaborate canvass is contemplated for the redemption notice as was undertaken in 1917, the Treasury nevertheless is making a special effort to inform the holders of Second Liberty Loan bonds that their bonds will cease to bear interest on November 15th. Banks and trust companies throughout the country will be asked to cooperate with the Government in spreading the news of this call for redemption, and in advising the holders of bonds that the Treasury will probably offer new securities in exchange. For the first time the radio will be used by the Government as a means of reaching millions of bondholders. An announcement will shortly be broadcast from the larger radio stations of the country.

The importance of acquainting bondholders with the fact that their bonds have been called for payment is emphasized by the Treasury's records of previous calls for redemption or exchange. These records show that there are still outstanding at the present time, in the hands of the public, about \$30,000,000 in Government securities upon which interest has ceased. Included in this amount are \$3,600,000 in Victory notes which ceased to bear interest in 1922 and 1923. There are also outstanding \$14,500,000 in temporary bonds of the several Liberty Loans, to which were attached only a limited number of interest coupons. The last coupons, matured some seven years ago. The holders of these temporary bonds have neglected to exchange them for permanent bonds having the full number of interest coupons attached, and until such exchange is made they have no means of collecting the interest. In the face of these facts, the Treasury is especially anxious that the present announcement reach as many Second Liberty Loan bondholders as it is possible to reach through the press, the radio, and the banks of the country.

The Second Liberty Loan, which was issued in November, 1917, was the second large loan floated by the Government during the World War, and while this loan does not mature until 1942, the condition of the money market and of the Government's finances makes it possible and advisable to call the bonds for redemption in November.

Today's Reflections

Daylight saving is here again. And come to think of it, that's about all a lot of us can save.

One of the saddest sights to be seen on the streets of Plymouth, is a bobbed head half-way back to normal.

Every time we pass a farm with fine buildings, up-to-date machinery, a sedan in the yard and a tractor in the field, we wonder where that farmer got his farm relief.

"A new nation is being born in China," says an eastern editor. It must be triplets, judging by the racket.

Now that congress isn't in session, we'll have to blame all our troubles on the flapper.

There are probably just as many spring poets as ever, but there are more and bigger waste paper baskets in newspaper offices.

Older Plymouth citizens will tell you that it was easier to make ends meet back in the days when a hole in a stocking could be darned, no matter where it was.

There was a time when "April showers brought May flowers." But now they only bring an order for more coal.

A cat hates to be rubbed the wrong way—and so do humans. That's why most of us have so little use for "caty" people.

The old-fashioned Plymouth woman who fasted to make herself better, now has a daughter who fasts to make herself better looking.

The way the world has survived the loss of hundreds of really big men, shows nobody is as important as he thinks he is.

What has become of the old-fashioned Plymouth woman who used to complain when something upset her baking day and she had to depend upon baker's bread?

Among the sure things in life is that silk stockings no longer show the exalted station of the wearer.

It's always a good idea for Plymouth parents to impress upon their growing sons the fact that it's better to leave footprints on the sands of time than finger-prints on a police register.

Recent eruptions in Hawaii are blamed on the white man's religion. That may be true, for it has caused a good many in other parts of the world.

Among other things, our grandfathers didn't know how many women have long-looking legs.

London is observing the 100th anniversary of the invention of the match. Mothers were making them long before that.

LANDSCAPE PLANTING DEMONSTRATION AT S. W. SPICER'S, MAY 18TH.

O. I. Gregg, Landscape Specialist from the Michigan State College, will supervise the planting of shrubs and perennials at the home of S. W. Spicer, east of Plymouth, on the old Ann Arbor road, Wednesday forenoon, May 18th, at 9:00. This will be a fine opportunity to get first hand information, and anyone interested is urged to be present.

OAKLAND SALES SET NEW RECORD

TO BUILD 24,000 CARS IN MAY. PRODUCTION REACHES 1,000 CARS DAILY.

April set a new sales record for the Oakland Motor Car Company, Pontiac, Mich., 19,423 cars being sold during the month. It was announced by W. H. Tracy, vice-president in charge of sales. This exceeds the sales of last August, previous high mark of the company, when a total of 17,663 cars were sold.

May production schedules have been increased again and the Oakland factories now plan a combined output of 24,000 Oakland and Pontiac cars this month, an average of more than 1,000 cars each working day.

The 1,000 cars a day goal was reached one day during the last week in April, but this month the production will have to average above this record mark if the schedule is to be maintained.

Oakland is running far ahead of its 1926 sales, each month showing a big increase. During the first four months of 1927, Oakland-Pontiac sales totaled 53,618 cars as against 39,300 cars for the same period last year.

Attaining of the new production record was accomplished in April in spite of the fact that the new Pontiac Division factories were being occupied and new additional assembly lines and equipment utilized for the first time. With the added facilities working smoothly, no difficulty is anticipated in accomplishing the large schedule during May.

Production is still far behind orders, according to factory officials, and every effort is being made to increase production without interfering with careful inspection methods and the quality of cars built.

PLYMOUTH ROAD GROWTH CITED

FOGLE STRESSES MANY REASONS FOR TRANSFORMATION DURING LAST 18 MONTHS.

Plymouth road has undergone an unusual transformation during the last 18 months since the city opened the artery for 2,000 feet through a thickly settled residential section at a cost of approximately \$1,500,000. Lee R. Fogle, president of the Lee R. Fogle Realty company, stated Saturday.

"This improvement made it possible to drive directly from Grand River avenue to Ann Arbor by the shortest possible route," he stated. "Prior to this the fore-sight used along Plymouth road helps make us realize the possibilities of this great artery in the near future."

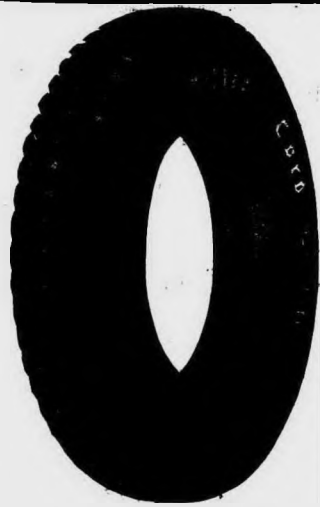

"Typical of the foresight expressed, is the millions expended by the Michigan Bell Telephone company at the intersection of Grand River avenue and Plymouth road. The central offices being completed there will house the Hogarth and Fairmount exchanges, and the building with equipment, will cost \$2,500,000.

"Then we have an entirely different group of business men who have foreseen the possibilities of Plymouth road, such as the Electric Refrigeration Corporation and the Peninsular Store company," he continued. "The employment situation is one of the greatest problems with which the manufacturer has to contend, and keen judgment is needed in choosing a site upon which to establish their business."

"Several other things have to be taken into consideration. The manufacturer must be assured of proper fire protection. He must have adequate transportation to get employees to and from their work at a minimum cost and with the least possible inconvenience. There must also be adequate police protection and many other details, and, knowing that the successful manufacturer takes these things into account, it shows more keen judgment insofar as Plymouth road is concerned."

"Then comes the question of recreation, with the huge Rouge Park, with every conceivable sport available, right on Plymouth road. In addition extensive additional school facilities are under way to care for the future growth of the district, while all improvements, such as water, sewer and electric light are being pushed to completion in this section."

"It is my belief that with all these attractions Plymouth road will become one of the outstanding arteries in the city of Detroit," Mr. Fogle concluded. —Detroit Free Press.

THE THEATRE

"A LITTLE JOURNEY"

A vote of thanks should be offered to Robert Z. Leonard. He has had the audacity to allow the rich heroine, used to such refinements as fifty dollar slippers and pate de foie gras, to marry a penniless young wise-cracker with no more future than yesterday. And the hero does not prove to be a millionaire in disguise in the last reel.

Such is the case in "A Little Journey," the Metro-Goldwyn-Mayer picture which comes to the Penniman Allen theatre Tuesday, May 17th. It is one of those pictures that is neither elaborate nor pretentious, but depends for its appeal almost solely on that much-sought after charm, which it has in abundance.

Practically the whole story takes place aboard the transcontinental limited, with the heroine en route to marry a rich man in San Francisco. There are no long time lapses; in fact, the whole story takes but five days.

Leonard, whose recent pictures have been elaborately mounted affairs, proves as adept at the intimate, human touches as a Lubitsch or a Henley. He has managed to keep his story moving at a swift pace without recourse to cabarets, midnight swimming parties or flappers. In fact, there are but four characters of importance in the picture.

The first two of these are played by Claire Windsor and William Haines. Miss Windsor plays the part of Julie Rutherford, and Haines, her train acquaintance. The two make an ideal, romantic couple, and we miss our guess if we do not see them together again soon. Haines, who made such a pronounced hit in "Brown of Harvard," gives another delightful performance.

Harry Carey has come out from under his three-gallon hat and appears as Alec Smith, a retired business man, in "A Little Journey," and proves that he can do other things than pull a six-shooter and ride a horse. Claire McDowell, the noted character actress, is delightful as Aunt Louise.

"A Little Journey" was adapted by Albert Lewin from the story of the same name by Rachel Crothers. It is one of those pictures that is bound to satisfy any kind of audience.

"CASEY AT THE BAT"

In Paramount's hilarious comedy, "Casey at the Bat," which will be shown at the Penniman Allen theatre, Wednesday, Thursday and Friday, May 18, 19 and 20, Wallace Beery signs a contract to play baseball for the old New York Giants and almost wrecks the entire league with his escapades.

Hailed as a "find," Beery, a small town junk dealer, enters the "big time." So popular does the redheaded Irishman become that he soon emerges as the Babe Ruth of 1890. Funny as Beery was in "Behind the Front" and "We're in the Navy Now," he's even more humorous as baseball's famous "Casey."

Casey proves himself a home run hitter by knocking a four-bagger with a bat in one hand and a stein of beer in the other. Vamped by several members of a musical comedy chorus, he almost stops the show by crashing into the orchestra pit while climbing on the stage for a personal appearance. Above all, Beery's ability to appear hopelessly foolish makes the picture uproariously entertaining.

The entire cast contributes much to the film's sterling characterization as a big league scout. ZaSu Pitts, the home town girl, is at her best and Sterling Holloway does his crafty plotting humorously. If "blueschasing" ribbons are being distributed, Director Monte Brice gets a handful.

"THE SONORA KID"

One villain is quite enough for any hero to handle, but Tom Tyler in his latest F. B. O. starring vehicle, "The Sonora Kid," which is coming to the Penniman Allen theatre, next Saturday, May 21, has two to cope with. With one enemy he wages a battle of wits; it is a case of a lone man out-

An extra pair of glasses for an emergency—that's what you need. If you are contemplating a trip you should not neglect this important provision. A pair of our colored glasses will relieve the strain from the glare from the pavement while driving.

C. G. DRAPER
Jeweler and Optician
239 Main St., Plymouth, Mich.

thinking and out-smarting a clever crook with wealth and power at his command. In the other instance, however, it is a matter of fists and strength, and their feud is culminated in a fight-to-the-finish fray in an abandoned cabin. In addition to these gripping moments, Tyler, in his usual reckless fashion rides in and out of some very thrilling situations where his peerless horsemanship is put to a severe test. There is a charming romance woven about a girl who finds in Tom the realization of all her girlish dreams, and gives her love to him in spite of the crushing opposition of her unwilling father.

The story is taken from "Knight of the Range," by William Wallace Cooke, and the splendid material is cleverly handled by Robert De Lacy, who has directed Tyler in all of his previous pictures. The cast includes: Peggy Montgomery, Bruce Gordon, Ethan Laidlaw, Mark Hamilton, Billie Bennett, Jack Richardson, Barney Furey and Vic Allen.

Dr. Frank Crane Says

YOU SHOULD MAKE A WILL.

The Mercantile Trust company of Baltimore has issued a little booklet called "Studies in Wills."

This book is not for sale, but is distributed among interested parties.

The making of a will is a very old idea. It is the effort of a man to impose his desires upon his followers after he is dead.

Sir Rider Haggard once wrote a story called "Mr. Meeson's Will." In it the young heroine who was shipwrecked on a desert island allowed a will to be tattooed across her back on the skin in the absence of paper or parchment. When she returned to civilization she learned that the will required the filing of the original document in court. Touched by the spectacle of beauty in distress, however, the registrar allowed a photograph of the will to be filed and the girl went happily away.

Ptolemy the 13th of Egypt borrowed a lot of money and in order to protect his creditors made a will appointing the Roman Republic as his heir, thus bringing his dynasty to a close with his own decease.

When he died the Romans acknowledged the genuineness of the will, but contented themselves with "seizing, by virtue of the document, as much of the private fortune of the testator as they could lay hands on."

The law in regard to wills is pretty thoroughly fixed, but it takes a lawyer to understand it.

It behooves everyone to consult an attorney and make his will and make it law proof. It is a good plan to name a trust company as one's

executor because such a company is experienced and cannot die. This plan avoids much unnecessary litigation and saves the legatee from danger through unscrupulous stock promoters.

Everyone should make a will and put his property in the hands of a trust company to administer. Then there would be less unnecessary litigation in regard to various testaments.

Picked Up About Town

Dad Plymouth says some men are knocked senseless, but most of them are born that way.

"A regular loafer," says Dad Plymouth, "can walk down the street with as much activity and importance as the fellow who is really going to work."

Dad Plymouth is of the opinion that if the Chinese ever have an armistice celebration it'll be a humdinger.

According to Dad Plymouth, there are more cases of disturbing the peace in this country now than ever before because there are so many jazz bands.

"Don't," declares Dad Plymouth, "may puff a man up but it won't prop him up."

To make it sell, tell it well by having it printed well.

Accounts**

A Savings Account is a "Shock Absorber" for Life's Bumps!

The poet wrote truthfully, in deed, when he penned the line, "Into each life some rain must fall."

Trouble, financial reverses and set-backs, unexpected and unavoidable expenses—all are certain to occur sooner or later to everyone.

To coast along without a saved up surplus is the height of short-sightedness. A savings account is a "shock absorber" for life's bumps. Are you so equipped?

Check Chevrolet Delivered Prices. They include the lowest handling and financing charges available.

In every section of the country Chevrolet Truck sales are breaking all previous records — establishing Chevrolet as the world's most popular gear-shift commercial car.

This decisive preference for Chevrolet is based on a matchless combination of dependability, economy and fine appearance — plus the public's confidence in a product of General Motors.

Chevrolet dependability under every condition of usage has long been traditional; yet recent improvements in the powerful Chevrolet valve-in-head motor — improvements typified by a new AC air cleaner and AC oil fil-

ter — have made Chevrolet Trucks even more dependable, with even longer life, greater operating economy and more satisfactory performance.

With a cab inclosure that matches passenger car design in comfort and beauty — with sweeping crown fenders and bullet-type headlamps — the Chevrolet Truck is one of the handsomest haulage units seen on the highways.

If you use trucks in your business — come in! Learn for yourself why Chevrolet performance has proved so satisfactory for every type of user — from the single truck operator to the largest fleet owner!

Mail Liners Accomplish Much

FIRST PRESBYTERIAN CHURCH

10:00 A. M.—Morning Worship 7:30 P. M.—Evening Worship 11:30 A. M.—Sunday-school

10:00 a. m.—“Exaltation Through Humiliation”

7:30 p. m.—“The Man Who Just Comes Short”

11:30 a. m.—Sunday School

6:30 p. m.—Young People

ance to practice. Much good can be accomplished through co-operation.

Friday afternoon a special little program will be given the girls for their faithful work in the choir.

May 26th is a holy day—the Feast of the Ascension. Mass will be offered up at 6:00 o'clock and 7:30.

Next Sunday is Communion Sunday for the ladies. Let all be present and make an honorable showing.

METHODIST NOTES

Twenty women of the church attended the district convention of the W. H. M. S. Wednesday.

Mrs. F. A. Lendrum was the speaker at the mother and daughter banquet at Tecumseh last Friday evening.

PRESBYTERIAN NOTES

The supper planned for next Tuesday evening to be given by the men's class has been postponed.

On Friday evening Mr. and Mrs. Nichol, Mr. and Mrs. Stewart and R. P. Woodworth attended a meeting at the First Presbyterian church, Detroit, at which the work of the national board of the Presbyterian church was presented and a program of work for the Detroit Presbytery decided upon.

PERRINSVILLE

Rev. Davis preached a very impressive sermon, from the book of Ruth. There were three taken into the church by letter.

Mr. and Mrs. George Baehr entertained their children and grandchildren on Mother's Day.

Mrs. Alma Bridge of Plymouth, and Mrs. Belle Baehr and son, Clinton, spent Saturday in Detroit.

Every child who wishes to take part in the children's day program, is requested to be at Sunday-school next Sunday.

GRANGE NOTES

The Lilly Club will be held at the hall, Tuesday evening, May 17th, with Mr. and Mrs. John Hauk and Mr. and Mrs. August Hauk entertaining. Pot-luck supper. Please bring dishes and silver. All members urged to be present.

SALEM

The Ladies' Aid Society of the Federated church will meet at the home of Mr. and Mrs. Fred Nollar, Thursday, May 19th. The date was changed on account of “Church Night.”

Come to the play this Friday evening, May 13th, at the town hall. “Always in Trouble” will be given for the benefit of the Plymouth Grange and the North Circle of the Federated church.

Sunday guests of Mr. and Mrs. G. C. Foreman were: Miss Dorothy Foreman of Detroit, and Mr. and Mrs. Merrell Renwick and son of South Lyon.

Mr. and Mrs. James Warn and son, Harry of Pontiac, were Sunday dinner guests at the Glenn Lyke home.

Mr. and Mrs. George Nollar and little daughter of Belleville, and Mr. and Mrs. Fred Nollar of near Ann Arbor, were Sunday guests of Mr. and Mrs. Frank Ryder.

Mr. and Mrs. Clifford Crockett and the latter's brother, Clayton, were calling on friends in Detroit, Sunday.

The mother and daughter banquet given by the South Circle of the Federated church Saturday evening, was well attended. About two hundred guests were present. The church was handsomely decorated, and also the tables were daintily trimmed with pink and green. A delicious supper was served, and a very interesting program given. The event was one long to be remembered.

CATHOLIC NOTES

The ladies of the parish held a meeting in the Mahogany room last Tuesday afternoon and made arrangements for a card party to be given in the Mahogany room Thursday, May 19th, at 8:00 o'clock. A cordial invitation is extended to all. The arrangements are in charge of Mesdames H. Minthorn, O. Passage, A. Yuchasz, W. Baker and Miss Mary Mertens. Do not forget the date, Thursday, May 19th.

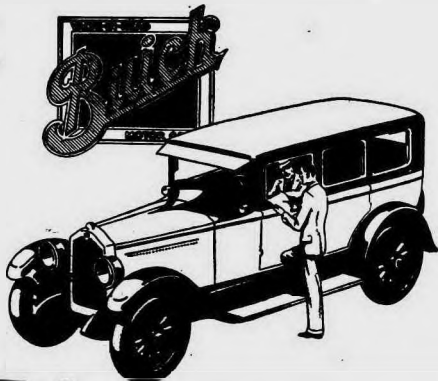

The Nethem club held a meeting last Tuesday night and made arrangements for a dance to be given at Salem town hall, Thursday, May 26th. A cordial invitation is extended to all. The proceeds will be used to help the Nethem ball team.

The boys are playing fine baseball and deserve all the encouragement that can be given them. Last Sunday they defeated the Wayneford team, 7 to 1. Next Sunday they play the strong Sallon Jewelers from Pontiac, a class A team. Game called at 3:00 o'clock at Heeney's ball park.

Manager VanBonn expects to have a first-class lineup for the game, and assures all of a real treat. This is the opening game on the boys' own field. Come along next Sunday and cheer for the home team.

A special program of music in being arranged for next Sunday. John Schombberger will render Gounod's Ave Maria at the Offertory. In Latin and in English, at the communion, accompanied by Miss M. E. Lehman at the organ. The mass, Our Lady of Loreto will be sung by the choir in their usual pleasing manner.

The children will sing special May hymns at the 8 o'clock mass, in honor of Mary, the Mother of God. The children have made wonderful progress in singing, and they are to be congratulated upon their faithful attend-

Now is the time to trade in your car

Demand for motor cars, new or used, is greater now than at any other season of the year, so now is the time to trade in your present car and get a Buick.

Talk to your Buick dealer. Let him advise you how to get a fair price quickly for your car and at the same time to have the pleasure of owning a beautiful new Buick.

In Buick's Fisher Bodies, luxury, comfort, and riding ease are combined with grace of line, rich colors in Duco, and the masterful power and speed of the famous Valve-in-Head Engine—vibrationless beyond belief.

Buy a Buick now, so that you may have a full season of motoring enjoyment.

SAVE MONEY

By Buying Your Lumber and Other Building Materials From Us.

We will absolutely guarantee to meet or beat the prices of any Ready-cut building concern operating or selling lumber and building supplies in Plymouth. In most cases we can save you considerable money. Don't let out-of-town builders or financing concerns sell you and make you pay more for your home than you would have to pay us. Before giving your order to an “out-of-town” concern, at least call and see what we can do for you. We know we can save you money.

Yes, we can finance you, too. We have a financing plan that we believe will interest you. The monthly payments are small. Come in and talk it over with us. Why pay rent when you might be paying the money on your own home?

We will be glad to give you estimates and explain our financing plan free of charge.
