## MICHIGAN BELL TELEPHONE CO. MAKING MORE IMPROVEMENTS

### Program Calls for the Spending of Approximately a Third of a Million Dollars in This Vicinity.

### Plymouth and Northville Now Being Connected With 78-Circuit Aerial Cable, Costing \$40,000.

Tying many of the progressive communities of the southeastern section of the state closer with the city of Detroit, because of their mutual industrial and social interests, the Michigan Bell Telephone company is pushing the construction of additional toll and long distance circuits. Closer business relationships between these communities and the city is reflected in growing use of the telephone toll circuits, it is declared by Roy E. Crowe, manager of the telephone company.

Incidental to this program, the Michigan Bell is spending approximately a third of a million dollars additional in Northville, Farmington, Plymouth and Redford. So rapid has been the growth of this quartet of communities that the telephone company has, in several instances, advanced work planned for farther in the future.

The year 1926 marked the expenditure by the company of about \$430,000 in Redford and Plymouth, and the work now under way and contemplated for this year in no way overlaps that program, which has been completed.

New central offices were placed in service at Redford December 11, last, and Plymouth September 28, last. At Redford \$210,000 was spent for the building and central office equipment. The Plymouth building and equipment cost above \$100,000. Additional toll circuits, carried in a specially constructed underground cable connecting Redford and the Detroit-Cadillac office, brought the Redford program up to \$330,000. Eventually the Grand River avenue community will be similarly connected, direct, with all Detroit central offices. There are already several direct circuits to the various Detroit offices.

Growth of Redford the past year and anticipated continuance of that unprecedented expansion has caused the Michigan Bell to engineer and build considerable new exchange cable, both underground and aerial, within the limits of that community. This provides additional service facilities in many districts that are rapidly building. This construction work started April 1 and will be completed early in the fall. Last September there were 918 lines in service in Redford. Michigan Bell engineers expect to add approximately 2,000 lines by the close of next year and that by the end of another two years that figure will have doubled. The program now under way will necessitate an expenditure of more than \$200,000.

Certain sections of the Farmington exchange are experiencing similar growth, particularly along the Farmington road, where many new homes are building. Three new circuits were built to serve the Farmington road section last year and 51 more are being added, at a cost of \$11,562.

By fall a network of new toll circuits will be completed between the Farmington, Redford, Plymouth and Northville central offices, to care for increasing toll service. An estimate providing for nine new circuits, at a cost of nearly \$15,000, has been approved by Michigan Bell officials and the work of installing them will be started next month, to be completed in November. Two new circuits will connect Farmington and Redford, another will connect Farmington and Northville central offices and three more will connect Farmington with Detroit. Three new circuits also will be added to the Northville-Redford group.

Plymouth and Northville now are being connected with a 78-circuit aerial cable, costing \$40,000, which will care for the constantly increasing usage of the toll lines between these busy communities for some years, it is expected. This work was commenced early in the spring and is scheduled for completion during June. This cable also will connect with existing Detroit toll cables, and, when completed, will greatly speed the service between the towns of the entire Plymouth area and Detroit.

In addition, it will connect these four communities with the big trans-Michigan toll cable, which has been built west from Detroit to Ypsilanti and Ann Arbor and is now being extended to Jackson, with another section building between Kalamazoo and Grand Rapids.

## A CONCERT EXTRAORDINARY

The Metropolitan Concert Orchestra of Detroit, is coming to Plymouth on Friday evening, June 10th, and will give a program at the Plymouth High school auditorium, under the auspices of the Men's Club of St. John's Episcopal church. That everyone who cares for something better in the way of entertainment may enjoy hearing this orchestra with its ensemble and solo selections, the admission has been fixed at the low price of thirty-five cents. Tickets will go on sale Monday, and may be obtained from any member of the club or at Dodge Drug Store and DeLuxe Music Store, north village. It is not the sole object in the giving of this concert that there shall be money made, but the desire to reach as many as care to attend has been duly considered; hence the small admission fee.

A complete and full program will appear in next week's issue of the Mail, together with the names of soloists, etc.

## LOCAL CLUB WILL OBSERVE

### "ALL KIWANIS NIGHT"

#### PLYMOUTH CLUB AND WAYNE CLUBS WILL JOIN IN THIS EVENT WITH DINNER AND PROGRAM JUNE 6.

Joining in with the 1021 Kiwanis clubs all over the United States and Canada, all of which will meet simultaneously, the Kiwanis club of Plymouth, together with the Wayne club, will observe "All Kiwanis Night" in connection with its celebration of the annual International convention at Memphis, Tenn., at the Plymouth Methodist church dining room, on Monday, June 6th, at 7:00 p. m. The meetings throughout Canada and the United States are to be observed as a united expression of devotion to the ideals and objectives of Kiwanis.

At a meeting of the directors on Wednesday evening, it was decided to make the local observance a ladies' night.

All clubs have arranged the time of their meeting so that the "Zero Hour," when 90,209 Kiwanians on the continent assemble to observe the "Fellowship Moment of Silence," which will be held simultaneously with that in the convention city. The message to the clubs by the president of Kiwanis International, Ralph A. Amerman, of Scranton, Pa., will be read in Monday's meeting. This will be the fourth time in the history of Kiwanis that such a meeting is held.

Kiwanian J. L. Johnson of the Plymouth club, will be a delegate to the convention, and will send telegraphic messages from Memphis to the meeting on Monday night. The "All Kiwanis Night" program at the convention's opening will be broadcast from Memphis, over WMC.

The Plymouth and Wayne clubs will be especially favored on Monday night by the presence of the founder of Kiwanis, Allen Brown of Detroit, who will address the assemblage. The program as arranged by Roy Crowe and his committee will be as follows:

Kiwanis Song—Jolliffe  
Invocation—Supplif  
Dinner—Music by Larkins Trio  
Address of Welcome—Dr. Hover  
Response by Wayne—Supplif  
Introduction of Toastmaster—Dr. Hover  
Message from President Amerman—C. E. Livengood  
Vocal Solo—Harry Mason, Detroit  
"The Song of Kiwanis"—Wayne Club

## Lindbergh "WE" His Plane

Here is the happy Charles Lindbergh in Paris with background view of a flight around Eiffel Tower, in his monoplane, "The Spirit of St. Louis." Europe has taken our youthful and intrepid air man to its heart as he plans vacation "hops" to the different capitals. Lindbergh's love for his plane, which carried him from New York to Paris, in 33½ hours, is shown when in speaking of the feat he always says "we"—meaning plane and self.

## ROTARIANS HEAR

### HORATIO S. EARL

Messages from Memphis—C. E. Livengood  
Address, Meaning of All Kiwanis Night  
Vocal Solo—Mr. Hunt, Detroit

The silent period will be observed at 9:15 with all clubs in the United States and Canada participating at the same moment.

## OPPORTUNITY FOR FREE

### CANADA TRIP SUNDAY

A Plymouth caravan will leave from Kellogg Park Sunday at 10 a. m. for Port Lambton, Canada, on the St. Clair river.  
Dinner will be served free to guests at the Port Lambton hotel upon arrival; then will follow a trip over Walpole Island, Canadian, Indian reservation.  
There is no charge whatever, and motor transportation is furnished. Reservations may be made for this day's outing by phoning Plymouth 683M before Saturday noon. Ten more couples can be accommodated. Motors will arrive in Plymouth on the return not later than 7 p. m.  
In the event of inclement weather the trip will be postponed a week.

## A PLEASANT EVENT

Mrs. C. H. Rauch was hostess to the Junior Bridge Club at her home on Church street, last week Thursday evening, honoring Miss Lulu Barnes, twenty-five guests being present. Bridge furnished the amusement of the evening, Miss Helen Wells winning first honors and Mrs. John Blossom second honors. A dainty luncheon was served, after which the hostess, in a few happy remarks, announced the engagement of Miss Barnes to Mr. Clyde Peterson of Flint.

Each guest was then presented with a rose, the one given to Miss Barnes containing a beautiful diamond ring, and when presenting it Mrs. Rauch spoke a few words of congratulation. The hostess then gave to each guest a package containing a useful kitchen utensil, and they in turn presented the packages to Miss Barnes with appropriate remarks.

## ALUMNI BANQUET

The alumni banquet will be held in the High school auditorium, Friday evening, June 24th, at 6:30 o'clock. The committees and officers are planning for a happy occasion.

Alumni and alumnae plan now to attend the banquet June 24th.

## PROMINENT CITIZEN PASSES AWAY

### ANDREW J. LAPHAM DIES AT HIS HOME HERE MONDAY AFTERNOON.

### HE WAS A WELL KNOWN MERCHANT HERE FOR OVER HALF CENTURY.

In the death of Andrew J. Lapham, which occurred at his home on Holbrook avenue, Monday afternoon, Plymouth loses one of its oldest citizens and business men. Mr. Lapham had been in failing health for the past year. He was aged 87 years, 7 months and 21 days.

Mr. Lapham conducted a general store in Plymouth for fifty-seven years. He served the village as a member of the council for twenty years. He was a man highly respected by a large circle of acquaintances with whom he came in contact during more than a half century as a merchant of this village and through his service as a village official.

He leaves three daughters, Mrs. Paul Ware and Mrs. John Shackleton of Plymouth, and Mrs. F. E. Norris of Detroit.

The funeral services were held from his late home Wednesday afternoon, at 2:00 o'clock. Rev. Charles Wesley of the Episcopal church conducting the services. Interment was made in Riverside cemetery.

A more extended notice will appear in the Mail next week.

## PLYMOUTH PAYS TRIBUTE TO VETERANS OF ALL WARS

### Soldiers of Civil War Honored By Younger Comrades in Observance of the day.

### Exercises Held in Kellogg Park Largely Attended—Many Take Part in Parade to Riverside Cemetery.

Another Memorial Day brought its joys and sorrows, its smiles and tears as the veterans of '64, '98 and 1918 kept faith with their departed comrades, and the citizens of Plymouth, like those of the state and nation, stood with bowed heads to pay a reverent tribute to the men who have placed their lives at the altar of their country in time of war. For those who made the supreme sacrifice prayers have been said, wreaths of flowers and flags have been placed at their graves. For those who still live, a grateful nation offered its thanks and expressed its recognition of faithful service.

The local G. A. R. Post of thirty years ago or more, boasted a goodly membership, and they always took an active part in the observance of Memorial Day. Because of diminishing numbers, the Post was disbanded several years ago, and Monday only two veterans who wore the blue occupied seats of honor upon the platform, John Stewart and A. D. Stevens.

In keeping with the custom of the last several years, Plymouth citizens devoted the morning of the holiday to a significant outwaid observance, paying their respects to the heroes of the Civil, Spanish American and World Wars. Flags were flying in the business section of the village and from many homes, and freshly picked spring flowers and plants adorning the graves of our countrymen, told a story of their own.

The exercises were held in Kellogg park, and there was a large gathering of citizens present. Promptly at ten o'clock, the assemblage was called to order by Rev. Walter Aftel, chairman of the day. After several selections by the High school band, which were exceptionally well rendered under the direction of Claude J. Dykehouse of the High school faculty. This was the first public appearance of the band, and they rendered a class of music that would have done credit to a much older organization. The band made their initial appearance in their new uniforms, which were purchased and donated to the band through the generosity of the Kiwanis Club. The uniforms consist of blue caps, lined with white, white trousers for the boys and white skirts for the girls, and natty blue caps. They certainly made a nifty appearance and their musical numbers were generously applauded.

Following the selections by the band, "America," led by Calvin Whipple and accompanied by the band, was sung by the audience. Dr. F. A. Lendrum then pronounced the invocation. A chorus of fifth grade pupils rendered a song in a most creditable manner. This was followed by a reading by Miss Ruth Root, that was appropriate for the occasion and exceptionally well rendered. A duet by Calvin and Austin Whipple in their usual pleasing manner was greatly appreciated.

The chairman then in a few words introduced the speaker of the day, Prof. J. Milton Hover of Ypsilanti. Prof. Hover gave an intensely interesting address in which he pointed out the significance of the day, and urged its observance as a day devoted to the sacred memory of those who made the supreme sacrifice that the nation might live. He touched upon the great problems confronting the nation, yet unsolved, and referred to the great sacrifices that had been made by the men, living and dead, who had participated in the three greatest wars in the history of our country.

The exercises closed with the singing of the "Star Spangled Banner," led by Calvin Whipple, with band accompaniment.

The parade, headed by the band and Officers Fred Reiman and Fred Stabile of the police department as escorts, formed on Main street. Following the band came the members of the G. A. R. World War veterans, Boy Scouts, and the members of the fire department in uniform, and a long line of automobiles with citizens, and the march to the cemetery was begun.

Arriving at the cemetery, the procession was halted at the flag staff, and a firing squad from the Ex-Servicemen's Club fired three volleys, and taps were sounded by Charles

Durfee, and the soldiers' graves were decorated by details from the Ex-Servicemen's Club.  
The arrangements for the day were in the hands of a joint committee from the Rotary and Kiwanis Clubs.

## PLYMOUTH PHYSICIAN'S DAUGHTER GRADUATES FROM SOUTHERN COLLEGE

MISS THELMA VIVIAN PECK

Miss Thelma Vivian Peck, daughter of our well-known townspeople, Dr. and Mrs. Luther Peck, was graduated yesterday from the Ward Belmont College at Nashville, Tennessee.

During her college career she received the marked distinction and honor of being president and vice president of the X. I. Club, and was appointed by the faculty as head of the Student Council.

Miss Thelma has specialized in art; winning special mention in interior decorating, in which several of her masterpieces were chosen for display in the art exhibition recently held at this institution. Four of her drawings were accepted by the faculty for the college year book, which is just off the press.

Dr. and Mrs. Peck were recent visitors to the school. The doctor returned the forepart of the week, while Mrs. Peck remained through the graduation exercises, and is expected home today with Miss Thelma.

### AND PROGRAM

## STOCKHOLDERS OF THE FIRST NATIONAL BANK IN PLYMOUTH GIVEN PLEASANT SURPRISE.

The stockholders of the First National Bank in Plymouth enjoyed a real banquet and inspiring meeting on Thursday evening, May 26th, which was the third anniversary date of the opening of the bank. About one hundred people sat down to a sumptuous meal served by the ladies in the St. John's Episcopal church. The meeting was addressed by Mr. Scott Lamb, vice-president of the Fidelity Trust company, Detroit. Mr. Lamb's talk was along general banking lines, emphasizing the stockholder's duty to the bank. "This talk from a man highly experienced in this line, was very beneficial. J. B. Hubert, president of the First National, gave a report of the condition of the bank, which has shown a remarkable growth since the opening, three years ago, the totals now being over \$725,000. A very pleasant surprise was given the stockholders of the bank in the form of an announcement that the board of directors had purchased the corner opposite the new Mayflower hotel, one of the best corners in Plymouth, in anticipation of the bank's need for a new home in the near future.

The added features of the evening were the Dearborn quartet and the Venetians, who furnished the music for the dancing, which resulted in a very enjoyable evening.

#### THAT SWEET TOOTH.

There was a time when we had to smile if we ran across a Plymouth grown-up carrying around a sack of candy—and eating it himself. We used to think candy was intended only for the kids, and that older ones were supposed to indulge only along about Christmas time. But it's different now, and both old and young make candy a big part of their diet. In fact, the whole nation has developed a sweet tooth, for last year the average consumption of sugar was 100 pounds to each person. In 1918 it was only 78 pounds. Figures show that three gallons of ice cream are consumed each year now for every person in the United States, with chocolate candy and soda water a close second. Whether or not prohibition caused the increase in sugar consumption is the cause of many arguments. But at any rate a patron of the old corner saloon has transferred his trade to the dry store soda fountain and confectionery, and nobody seems to be the worse for it.

#### TOO MANY HOLIDAYS.

The District of Columbia has set a pretty good example by refusing to allow its public schools to observe any more special days or special weeks. It found that setting aside this day or that week for some particular purpose was interfering with regular school work. Hereafter only the long honored and cherished holidays will be observed. And we don't know but it is a very good idea. So far as both our schools and our business is concerned, we could get along very well without so many holidays. Every Plymouth citizen has a feeling now and then that he isn't getting out of one holiday until it is time to celebrate another. Even if they are not expensive from the standpoint of actual money they mean a loss of time, and that's about the same thing. Let's stick to the old-time holidays we already have and quit adding to the list others that really mean nothing more than an invitation to take another day off.

#### HERE'S ANOTHER WAR.

Another war has started and another army is in the field. This time our own nation is the battleground. The U. S. Department of Agriculture has recruited an army of experts to fight the corn borer, and with a complete plan of campaign mapped out to cover the entire spring and summer, actual hostilities have started. Under present plans the government

will meet with its own funds the cost of cleaning up cornfields and breeding places where the corn borer is expected to soon bring forth his fast multiplying family. But in cases where a farmer refuses to do so, or cannot find the time, the government will put its experts on his property and clean it up for him.

The damage caused by corn borers within the past two or three seasons has been far-reaching. No section can escape its share of the damage for anything that destroys a vast part of the nation's corn crop hits at the pocket of every citizen. Few residents of Plymouth would feel the effect of the corn borer's activity directly. But indirectly, in the price of commodities or a serious shortage of corn products, it would have an effect on them. It is too serious a matter to pass unnoticed. Uncle Sam knows that, and that is why he is going to spend several million dollars within the next few months in wiping the nation free of this pest. When we stop to consider the disaster the corn borer has wrought in the past few years we must agree that it will be money well expended.

#### OUR "FLYING HERO"

The Plymouth citizen who can't see any great good wrought by the young American who added a new chapter to the history of the world by flying across the Atlantic ocean ought to take a day off and do a little serious studying. In the first place, it demonstrated the spirit of youth. In the second place it proved that courage is as great now as at any time in the history of the human race. But above all, it sets an example for the young men of this nation that cannot help but be of value to them, for it shows that opportunity still waits just around the corner for any boy who really wants to do things. Men of money and flying experience and with the backing of entire nations have failed in their attempt to fly across the Atlantic. Here is a strip of a lad with but an ordinary education, very little money and no government recognition today the hero of the world. And all because he had faith in his own ability. That, it seems, ought to be worth enough to American boys to make the Atlantic flight worth far more than anyone can measure or estimate.

### NEW MODEL FORD CAR IS OFFICIALLY ANNOUNCED

DESCRIPTION AND PRICE WITHHELD FOR TIME.

The Ford Motor company shortly will place in the light car field a new automobile to replace its present model T. It has been announced.

The announcement, verifying long rumored plans of the company, was made in a statement signed by Henry Ford and issued through a national advertising agency handling the Ford account.

The details of the new machine were not disclosed in the statement, which said, however, that a complete description along with the price will be made public within a few weeks. The date for the start of production also was withheld.

Parts for the model T car will continue to be produced in view of the fact that there are now about 10,000,000 of these machines in use which will require replacement parts and service.

In regard to specifications for the new machine, Mr. Ford was quoted as saying:

"I present I can only say that the new model has speed, style, flexibility and control in traffic. There is nothing quite like it in quality and price. The new car will cost more to manufacture but it will be more economical to operate."

The machine, according to the statement, was designed personally by Mr. Ford.

The anticipated lay-off of Ford workmen incident to re-tooling for the new product will not involve more than 25,000 men, the statement continued.

"Only a comparatively few men will be out of work at a time when their departments are being tooled up for the new product," said Mr. Ford. "At one time it looked as if 70,000 men might be laid off temporarily, but we have now scaled that down to less than 25,000 men at a time. The layoff will be brief because we need the men, and have no time to waste."

#### BASEBALL

Plymouth Merchants will meet Royal Oak Merchants on Burroughs Field, at 3:00 o'clock, Sunday. This game was originally scheduled on Royal Oak grounds, but owing to the visitors being unable to secure grounds, it will be played here.

These two teams met early in the season, Plymouth winning out in the last inning by one run. So a good game is expected this time.

Plymouth Merchants have their new uniforms, and also some new pitching talent. Same will probably be trotted out for inspection Sunday. Don't miss this one.

### "KNOCKOUT RILEY" AT LOCAL THEATRE

Kiwanis club members are today making a final appeal to the citizens of Plymouth to attend the performance of "Knockout Riley," starring Richard Dix, at the Penniman Allen theatre tonight. Proceeds from the engagement are to be devoted to purchase of the band uniforms in which the high school organization appeared for the first time Memorial Day.

The natty appearance of the band members in their caps and coats, together with the excellence of their musical offerings, in their first public appearance, fully justifies the pride every citizen of Plymouth feels in this student organization. Every ticket purchased for the show assists in paying for these uniforms, and the public is urged to approach any member of the club or purchase tickets at the door tonight.

At the regular meeting of the club last Tuesday, John Larkins, chairman, provided a program of music and readings that was greatly enjoyed by the members. After directing several telling jokes to various members, John introduced the Larkins Trio, composed of Miss Phyllis Larkins, piano, Miss Velda M. Larkins, violin, and Master Maynard Larkins, violin. The trio was followed with readings by Mrs. Nina Means of Salem, who demonstrated a versatility in dialect recitation.

President Hoover announced that there would be no meeting next Tuesday noon, due to the joint meeting with the Wayne Club to be held on Monday evening, June 6. This evening meeting is called by Kiwanis International, and is to be simultaneous with meetings in every city having a Kiwanis club. Detailed accounts and program of next Monday's meeting are given in another column of the Mail.

### STARK

Mr. and Mrs. Harry Flaherty motored to Ohio and West Virginia, to spend a few days with relatives.

John Baker of Merrell, Mich., who has been visiting his daughter, Mrs. R. E. Vantassel, returned home Tuesday.

Mr. and Mrs. John Helke is spending a couple weeks with their friends and relatives at Tippecanoe, Ohio.

Mrs. William Johnson and family and friends, went to Washington, Michigan, and had dinner with Mr. and Mrs. Ernest Johnson. They also went to Romeo, and saw the Paris Cleaners beat Romeo in a baseball game, 7 to 1, Monday.

Mrs. Rosa Jones of Detroit, spent Friday with Mrs. Johnson and friends here.

Mrs. Martha Rocko is visiting her parents in Pennsylvania.

### NEWBURG

On Memorial Sunday, the church was beautifully decorated with flags, and the flowers which Mrs. Jewell so kindly sent, made the church look very pretty. The Gettysburg Address was very well given by Miss Joy McNabb, as was the recitation entitled "Memorial Day," by Miss Avis Perkins. There were fourteen young people in the choir, which added greatly to the service. The especial number given by four young ladies, Miss Joy McNabb, Miss Lydia Joy, Miss Sarah Cutler and Miss Alice Gilbert, entitled, "Hats Off to the Flag," was well received. Rev. Walker gave a fine address appropriate for the occasion.

Mrs. Ira Carney spent the week-end with friends in Port Huron. The many friends of Mrs. J. Turnbull, will be sorry to hear she is in a Port Huron hospital, where she will undergo a very serious operation.

Misses Anna and Ada Youngs, accompanied by their brother, Newton Youngs, spent over Decoration Day with their aunt, Kate Youngs, at Kingston.

Mr. and Mrs. Clark Mackinder and Mr. and Mrs. James Norris and son, Walter, motored to Stockbridge, Decoration Day.

Mr. and Mrs. Ed. Rutter and son, Don and family, called at Don Ryder's, Saturday afternoon.

Mr. and Mrs. Clyde Smith and Mr. and Mrs. Melvin Gutherie spent Decoration Day at the home of Mr. and Mrs. Farwell Brand.

Miss Clara Grimm has been quite ill for the past week.

Mrs. Charles Ryder is still at the home of her son, Raymond and family at LaGrange, Ill. Raymond is still in the hospital, where he underwent an operation for appendicitis three weeks ago.

Malcolm Cutler, who is away attending college, spent the week-end at home, and attended church Sunday.

Wilbur Walker had the misfortune to hurt his foot Sunday, and has been obliged to remain home the greater part of the week.

The "Aviation Field" at Newburg, drew a large crowd Decoration Day.

The Queen Esther Circle meets this Friday night, at the home of Misses Louise and Jessie Geney.

A CARD—Owing to the large number of relatives and friends who sent flowers to the sick room and funeral of our beloved mother, together with those who otherwise assisted us during our sad hours, we take this means of thanking you, one and all, from the bottom of our hearts, and your kindness will ever be a cherished thought within our memory.

### DEARBORN WILL CELEBRATE CENTENNIAL

THE BIG EVENT WILL TAKE PLACE FRIDAY, JUNE 17TH.

The central committee in charge of the Dearborn Centennial celebration has chosen Friday, June 17, as the date for the event. Business firms and professional men are joining to help make the celebration one of the outstanding features in Dearborn history.

Elaborate preparations are being made for the "history" parade, which will be one of the features of the day. Floats portraying the history of Dearborn and the advance in transportation methods from the earliest days of the horse and the ox-cart to the latest, with automobile and airplane, are to be embodied in the parade.

All arrangements for the celebration are being handled by the Dearborn Chamber of Commerce.

Housewives are busy searching the attics for clothes of years gone by. An old fashioned dance is being arranged for the evening. The dance will be held in the open and all in attendance will be in the costumes of dancers of a century ago.

### MEETING OF LIVONIA CEMETERY ASSOCIATION.

A meeting of the Livonia Cemetery Association will be held in the Livonia town hall, Tuesday evening, June 7th, for the purpose of electing officers and such other business that may come before the meeting. If you are interested, be sure and attend this meeting.  
Wm. Garclow, Secretary.

The Scotchmen—the men who hold their purse strings tightest, and want the biggest possible return with the utmost safety—are investing NOW.

Because in a few months, when the developments have progressed sufficiently to convince even the most skeptic, those who today lack foresight will be more than willing to take advantage even at the increased price.

An investment which has absolute security—and the ability to produce within a period of two years—is an opportunity not to be neglected.

## New York's Broadway

### Famous Century Ago

While Broadway one hundred years ago did not possess the length in mileage nor the towering structures which it has today, it is interesting to note that the editor of that celebrated publication, the New York Mirror, said in 1828 that Broadway was sufficient in itself to make New York famous. Instead of brilliant illuminating electricity, gas lamps contributed to the brightness of the thoroughfare at that time.

"The stranger who can behold it of an evening," states the Mirror writer in 1828, "when its stream of gaslight throws a glare upon passing thousands and shows its rays over a double row of open stores, displaying fancy merchandise in every shape and form and position to attract attention, must be dead to a sense of what is beautiful and grand. For miles, light succeeds light, in all the uniformity of fixed stars; there is no irregularity, no breach, no difference in the flame, but, as all are fed from one fountain, so all burn alike and live or die together. For hours, crowd follows crowd, in all the bustle of business or pleasure; it is not the momentary rush of an excited mob, but the passage of the inhabitants of a populous city upon their ordinary callings—they sweep onward, still and steady, like the current of a deep river, which may be turned aside, but which cannot be stopped."

He then adds the following paragraph, which is as true today as it evidently was a century ago: "The city of New York is, of herself, a little world. Whatever art has been manufactured for the comfort and convenience of man is exposed for sale in her markets. If Europe affords a luxury, it is there; and if Asia has aught rich or splendid, money will procure it in New York. Her population is made up of almost every nation, kindred and tongue; they are emphatically 'citizens of the world'—their home is where their avocations happen to call them, from Annapolis to Japan. Their theater and other means of amusement are before those of any other part of the country—and take it all in all, we know not where to find its like."

### Hindu Leader Saddened

Gandhi, the great Hindu leader, has just completed a year's absolute withdrawal from the world. He has spent the time meditating, studying the New Testament and expounding sacred Hindu writings. The Mahatma is reported to be wasted and extremely thin owing to a severe illness following his imprisonment. He is also a very sad man and confesses that he lacks the sense of communion with a personal God, professed by many Christians that gives to them a sense of joy. Nevertheless, he leans utterly upon God, as he understands Him. Gandhi has an extremely magnetic personality and there is a wonderful radiance in his eyes, we are told by a woman who interviewed him. Yet he is very unemotional and practical, and has given himself completely to God, and to the task of setting India free, as he understands freedom.—Pierre Van Paasen, in the Atlanta Constitution.

### Course of Oriental Art

In the way of an experiment, the New York university a short time ago established a course of Moslem art, mosque, monuments and antiquities, and while it was thought that it would fill a demand, it was not anticipated that it would meet with quick response. Its sponsors thought the classes would probably work up to 200 or 300 in five years, but the registration has already reached 2,000 students. During the past summer Dr. R. M. Reiffstahl spent several months abroad gathering material in the way of copies, plans and photographs. He made accurate measurements of 25 ancient structures and drew detailed plans of them, which will be of great value to the students.

### Reducing Railway Risks

An apparatus designed to prevent railway disasters has been invented by an Italian. Special signals are worked by means of a third rail that develops electricity during the movement of the train. When a light shows in the driver's cabin, and if this is ignored a bell rings. Should this also escape attention, the train is automatically stopped by a device that applies the Westinghouse brake. The third rail can also be the means of working a telephone service for drivers.

### Uses for Violet Rays

Those mysterious rays of invisible light which constantly play about us, yet which we never see, hold seemingly endless possibilities for usefulness. For example, says Popular Science Monthly, the latest use for ultraviolet rays is in the testing of silk-worms. Healthy worms have the strange property of giving off visible light when exposed to invisible ultraviolet rays, whereas unhealthy worms give off weak light or no light at all. Similarly, some dentists now use ultraviolet rays to determine whether teeth are alive or dead.

### Big Strike's Ramification

Stores of Elgin, Scotland, must either close Saturday nights or the homes be lighted with candles as an indirect result of the coal shortage in Great Britain. Housewives complain that when the merchants use gas in keeping open on Saturday nights it leaves little for the homes, and an attempt to light one jet throws the entire house in darkness.

### BOARD OF REVIEW

There will be a meeting of the township Board of Review at the village hall, Monday, June 13th, and Tuesday, June 14th, for the purpose of reviewing the township assessment roll. All persons feeling themselves aggrieved may appear before the board at that time. CHARLES RATHBURN, JR., Supervisor. 2712c

## All Material Things

### Matter of Viewpoint

A Minneapolis bookseller, speaking one day of a book collector who was making his cautious way through a pile of old books that had just come in, said of him, not disrespectfully, "He is a rather close buyer." I watched him carefully lay aside two or three books that had a suspicious look. Then, after he had gone through the pile, I saw him return to the suspicious books, collate them carefully, study their title pages, the copyrights on the back of these pages, give a general look at their condition, and then lay them back on the pile. The decision had been against them.

The next collector who came along would doubtless examine them with interest, buy them to overflow his shelves and fill a place in his closets or garret, whence they would, in time, find their way again to the second-hand bookstore. He was the less cautious buyer, A. J. R. comments, in the Minneapolis Journal.

"I once read of 'a close buyer' in another line who must have had Yankee ancestry. He did the buying for the familyarder and carried a microphone. With this invention, he cautiously tested the nuts and apples. If a worm were inside, the microphone rendered its gnawing audible and the apple or nut was rejected. The fruiterer regarded the man's actions with some distaste.

I thought of the robin's work on the lawn. Doubtless the bird has a microphone ear and is able to hear the earthworm gnawing away at the planet, and thus he locates his prey and drags him triumphantly out.

Everything in the point of view. The man with the microphone doubtless patted himself on his mental back and thought of himself as a cautious and wise buyer. The fruiterer's inner description of him was not so flattering.

Speaking of the point of view, the bishop of Hereford, in England, is quoted in an epigram that will make you smile. He says:

"I occasionally exhort the clergy of my own diocese to learn to conjugate: 'I am firm, thou art obstinate, he is pig-headed.'"

The public is invited to attend.

**MUNICIPAL NOTES**  
BY THE MANAGER

The oil has arrived for our streets. We intend to put it on as soon as the weather gets warm enough. We cannot put it on in this kind of weather.

We are going to take up the barricades on the north side of Main street at Amelia street, so that we can pave the south side.

A tripod holding up a sight rod which had been placed over the angle point on the center line of South Main street just north of Brush, was knocked down by a gravel truck going south. Another car going north on Main street picked it up. This tripod and sight rod belong to the village. Will the party that picked this up kindly return it to the village hall. Any information regarding this matter will be appreciated.

Two of the signs to keep vehicles from driving in our parks are ready now, and are being put up. The parking of cars on Ann Arbor street at Kellogg Park should be confined to the street. A good many of the cars have been driven into the park on the lawn.

Driving or riding on the hills or foot ball field at the tourist camp, has got to be stopped. Violators will be prosecuted.

**DEMONSTRATION OF ELECTRIC RANGES.**

The Detroit Edison Company announce a demonstration of electric ranges at the Masonic temple, next Tuesday, Wednesday and Thursday afternoons at 2:30 o'clock. Not only will there be talks on cooking by electricity, but samples of the food prepared will be served during the demonstration. A cordial invitation is extended to the public to attend. See ad in today's paper.

**BASEBALL.**

Plymouth lost the last game of the season to Farmington, with a score of 3 to 1. Several of the regular players were not able to play and Plymouth did not make as good a showing as they have before. The one run was made by Nelson in the fourth inning on a walk. Several other runs might have been made by men on the bases but the innings changed too quickly for Plymouth to score. The game ended with a score of 3 to 1 in favor of Farmington.

The lineup was as follows:  
Plymouth—G. Simmons, W. Dondt, A. Collins, P. Olds, B. Levandowski, C. Gehardt, C. Foster, E. Foster, M. Nelson.

Farmington—Catherman, Oris, Middlewood, Neilson, Spalla, E. Rozenboom, Rozenboom, Buffon, Starkey.

**B. F. KEITH'S TEMPLE THEATRE**  
Detroit, Michigan

Meyer Golden's "Memories of the Opera," featuring Caesar Rivoli and a company of ten distinguished artists headlines the bill at B. F. Keith's Temple theatre starting Sunday night, June 5th. Mr. Rivoli is a prominent artist, and portrays some of the world's foremost composers, while the supporting company is heard in the composer's best known compositions. "Memories of the Opera" is one of the unique productions in vaudeville, and Mr. Rivoli will be seen in a number of his best roles. Others listed: Art Henry and Company in a skit called "A Rehearsal," in which he is ably supported; Hal Nolan, "One of the Four Horsemen," is a clever monologist, who sings songs and dances; the "Runaway Four," a quartette of circus clowns in a routine of comedy pantomime; Bob Carleton and Julie Ballew in a program of songs; Sensational Togo, in his slide on a rope from the second balcony; other Keith-Albee vaudeville, and the new screen program.

**Fly Saturday or Sunday**

Plymouth's New Airport is open. Last Monday thousands of visitors thronged the field on Golden road east of Whitbeck. Passenger planes, with competent, conservative pilots, were kept busy the entire day in an attempt to keep up with the demand for flights. Every plane and every pilot on the Plymouth field is subjected to a rigid test and inspection. "You can fly with safety at Plymouth field."

**EXCEPTIONAL OFFER**

**TO PLYMOUTH CITIZENS**

Plan to visit the Airport in the mornings of flying days and you will be given an extra long ride over the most beautiful section of Wayne County. If you are a member of the Plymouth Chamber of Commerce present your membership card and you will receive an even longer ride.

We intend to make the Plymouth field the most popular Airport west of Detroit. Landing privileges will be extended other planes providing they are in good condition and are driven by conservative pilots.

**Flying Instruction**

We are prepared to accept a limited number of aviation students, with competent, licensed instructors. A complete course in flying for \$175, with special inducements to Plymouth students.

**"Let the car itself reveal the meaning of super-precision construction"**

Perhaps you are not mechanically inclined... Perhaps you are one of those practical persons who ask not "how?" but "what?". And if you are, drive the Greater Oakland Six! Let the car itself reveal the meaning of super-precision construction! There's something thrilling in the way it darts ahead when you step on the gas; something re-assuring in how it conquers hills; something strangely restful in its handling ease and freedom from vibration... You feel it instantly. It's the difference that always results when advanced engineering is combined with super-precision construction. One demonstration will tell you all—come in and get it today!

**\$1095**

The fifth chapter of Paul’s letter to the Romans, will be the lesson for the mid-week service, Wednesday, June 8.

## OBITUARY

Luella Malcol Criger, daughter of Marvin and Adella Criger of the Five Mile road and the McKinney road, died Monday morning, May 30th, at her home, after an illness of four months. Luella was born May 6, 1911, in Northville township, and up to the time of her illness, was a pupil at the Plymouth High school, reaching the eleventh grade. Shortly after Christmas, she contracted a severe cold which developed into pneumonia and emphysema. She was taken to Highland Park hospital, undergoing two operations for the congested lungs, but all to no avail. A strong battle was put up against death, but this unconquerable angel won the struggle, and laid claim to its victim Monday morning.

The funeral services were held from Our Lady of Good Counsel church Wednesday morning at nine o’clock, and burial was at Ionia Cemetery. She leaves to mourn their loss, her parents and sisters and brother, Alice, Virginia and Marvin.

Her classmates and friends extend their sincere sympathy through this paper, to the bereaved family.

## CHERRY HILL

Mr. and Mrs. Leo Haley of Adrian, spent Sunday and Monday with Miss Maud Dennis.

Mr. and Mrs. Wm. Freeman and family of Kalamazoo, spent the week-end with Mrs. Susan Corwin.

Mr. and Mrs. Henry Beemer of Fordson, were Sunday guests of Mr. and Mrs. Ed. Gotts.

Tom Salts left Saturday for Van Wert, Ohio, to spend a few days with relatives and friends.

Mr. and Mrs. Edward Gunn and son of Detroit, called on Mr. and Mrs. A. C. Dunston, Friday evening.

Owen Sackett of Detroit, spent the week-end with Lester and Melvin Corwin.

A. W. Salts and family motored to Muskegon, Friday, to visit Mrs. Salts’ mother.

Claude Lewis of Spokane, Wash., Mr. and Mrs. Aden Lewis of Ovid, Mich.; Mr. and Mrs. Fred Lewis of Worthen; Mr. and Mrs. Leroy Lewis of Ypsilanti; Mr. and Mrs. Floyd Lewis of Dearborn, and Mr. and Mrs. Carl Lewis of Plymouth, called on friends Sunday.

Mr. and Mrs. Milo Corwin spent Saturday evening with Mr. and Mrs. Earl Hamilton in Detroit.

Several from here attended the men’s meeting at Denton, Thursday evening.

Mrs. A. C. Dunston entertained the Ladies’ Aid Society, Tuesday afternoon.

Mr. and Mrs. John Nowlin of Portland, Oregon, are expected in June, to visit their old friends here.

## SOUTH SALEM

Mrs. John Renwick spent Saturday night with her brother, Coda Savery, and all went to Dexter cemetery Monday.

Mr. and Mrs. Will Cole entertained Rev. Halliday and family at a six-o’clock dinner Memorial Day. The Hallidays leave Wednesday for their new home in Delaware, Ohio.

There will be a box social and dance this Friday evening, at the home of Mr. and Mrs. Peter Fallot. Good music. Everybody come and have a good time.

Mr. and Mrs. Clarence Venoit and children of Detroit, spent Sunday and Monday at Mr. and Mrs. Otto Bohling’s.

Mr. and Mrs. Rex Rorabacher and Wayne of Grand Rapids, spent the week-end with his brother, Guy Rorabacher. They all spent Memorial Day at the home of Mr. and Mrs. John Renwick.

Lynn Rorabacher and wife were Wednesday callers at the home of his brother, Guy Rorabacher.

Miss Marjorie Cole and Merrill Lyke accompanied Donald Merritt and Miss Rowe to her home in Ohio, Sunday. They returned home Monday.

Mr. and Mrs. Means had a picnic for their friends at their home, Monday. They surely did enjoy themselves.

## CATHOLIC NOTES

A large crowd was present last Monday morning and witnessed the solemn raising of the flag, blessed by the army chaplain, M. J. Crowley, of Pontiac.

Word has been received that Lawrence Corcoran, formerly of this parish, has met with a severe accident in Detroit, falling thirty feet from a large chimney upon which he was working. The accident occurred last Friday night. The pastor was called to his side on Monday and found him in a serious condition, having a fractured skull, a dislocated jaw and a double break of the collar bone. He is at the Lincoln hospital, on Twenty-fifth and Lafayette streets, Detroit.

Luella Criger, aged 15, of the Five Mile road, died Monday morning and was buried Wednesday morning at 9 o’clock. Remember her in your prayers.

We were pleased to see the Donovan family with us last Sunday and Monday, and trust that it will not be long now before we have them for a long stay.

Every week makes our corner look more pleasant, and now we are about to call it “our park.” Passers-by now say “Isn’t that fine? Sure some improvement around here—a real beauty spot.” We all appreciate the efforts and we are all proud of our corner.

The Nethem club had a “weney roast” last Tuesday night “somewhere” in the open.

The children closed the month of May last Tuesday afternoon with a very excellent program, to Mary the Mother of God.

First communion in our church will be, as usual, the last Sunday in June.

Next Sunday is the first Sunday of June—financial report Sunday. Have you given your monthly collection this month? Thank you.

Some day  
You'll have two cars  
Why wait?

How many times have you wished your family had a second car? How often would it have been not only a convenience, but an actual saving?

Buick costs less today than ever before. Operating costs are lower too.

Why wait longer to buy another car? Your “family” car will be in ever-increasing demand during the spring and summer months. Get your Buick now and make the whole family happy this year.

# SAVE MONEY

By Buying Your Lumber and Other Building Materials From Us.

We will absolutely guarantee to meet or beat the prices of any Ready-cut building concern operating or selling lumber and building supplies in Plymouth. In most cases we can save you considerable money. Don't let out-of-town builders or financing concerns sell you and make you pay more for your home than you would have to pay us. Before giving your order to an “out-of-town” concern, at least call and see what we can do for you. We know we can save you money.

Yes, we can finance you, too. We have a financing plan that we believe will interest you. The monthly payments are small. Come in and talk it over with us. Why pay rent when you might be paying the money on your own home?

We will be glad to give you estimates and explain our financing plan free of charge.

### NEW PLYMOUTH AIRPORT

#### ATTRACTS CROWD

MANAGER DIEHL HAD TO CALL IN PLANES FROM YPSILANTI AND BELLEVILLE TO CARE FOR TRAFFIC.

Despite inclement weather that robbed the officials of half their flying time Decoration day, the new Plymouth airport was opened with great success last Monday, thousands of visitors thronging the field from noon until late in the evening.

Kent Diehl, manager of the airport, found it necessary to call in planes from Ypsilanti and Belleville to assist in caring for the passenger traffic that taxed the capacity of the port. During the afternoon the state manager of the Waco Airplane corporation taxied to the field from Ypsilanti and remained until late in the evening. He was enthusiastic regarding the excellence of the field and ventured the opinion that it would become a popular landing port for planes from other cities. However, strict supervision is to be maintained, according to Mr. Diehl, regarding the reliability of planes and pilots desiring to use the field for landing purposes.

The airport management has arranged to make special flights for all Plymouth citizens who come to the field on the mornings of flying days, which for the present will be Saturdays and Sundays. These special morning trips will be considerably longer than those given in the afternoon, with no advance in rates. Members of the Plymouth Chamber of Commerce, upon presentation of membership cards, will receive especial attention from pilots regardless of the time of day, but the management is especially anxious that morning flights be arranged for where possible.

Plymouth airport will undoubtedly prove a boon to this district, as it will afford visitors a splendid opportunity to view what is regarded as the most scenic section of Wayne county. According to the management, planes are to be placed at the disposal of civic clubs, Chamber of Commerce officials or any organization interested in the advancement and development of Plymouth. Plans are now being prepared in connection with photographing the entire Plymouth area from the air, the views to be used for publicity purposes.

Flights will be made tomorrow and Sunday and every week-end thereafter. Later in the season daily schedules will prevail.

Instruction will be given aerial students under the direction of competent, licensed pilots. Special attention and rates will be given students resident of Plymouth.

#### MAN DIES OF INJURIES

Lawrence Corcoran, 38 years old, 6912 Mansfield avenue, Detroit, died Tuesday afternoon shortly after he fell off the top of a 60-foot smokestack he was painting in the Clark avenue plant of the Studebaker corporation. Corcoran was married and the father of three children, 7, 9 and 12 years old. The family formerly resided in Plymouth.

### PLYMOUTH VILLAGE

#### VALUATIONS INCREASE

Village Assessor A. V. Jones has completed the tax roll and real estate and personal property valuations are as follows for 1927, and also the comparison with the figures of 1926:

1927 real estate valuation, \$5,922,870.  
1927 personal property valuation, \$894,833.  
Total roll for 1927, \$6,817,703.

1926 real estate valuation, \$5,131,150.  
1926 personal property valuation, \$866,164.

Total roll for 1926, \$5,997,314.  
The increase in real estate valuation for 1927 is \$791,720, while the personal property increase is \$29,469. The total increase on both real estate and personal property for 1927 is \$821,189.

The new annexations to the village increases the valuations in the neighborhood of \$400,000. New buildings are also responsible for the major part of the remaining increase.

April 27, 1927.

Dear Mr. Alexander:

I believe that if records were available to you, you would find that our company was one of your first customers when you began operations in Michigan about fifty years ago.

That our connection with your company of the past and of the present has been profitable is attested by the fact that our truck lines have increased fifteen fold since the day of turning the crank to order to talk.

A great deal of our business comes from throughout the state, and it is almost needless to say that we use long distance service continuously.

We know that the Michigan Bell Telephone Company is doing all in the power to keep pace with the high growth of our state.

With kindest regards, we are

### WHIPPLE FAMILY REUNION

A reunion of the Whipple family took place at the Grange hall, Wednesday, June 1st. At 12:30 o'clock a splendid dinner was served. There were fifty members of the family present for this most pleasant occasion. During the afternoon, a splendid musical program was rendered by the Messrs. Calvin, Austin and Elmore Whipple, Miss Carolina Penney and Daniel Patterson, and was much enjoyed by all. Dancing also formed a part of the afternoon's entertainment.

Those present from out of town were Mr. and Mrs. E. W. Larfee, Tonopah, Nev.; A. D. Whipple of Owosso; Dr. and Mrs. Arthur Hammond, Mrs. Elizabeth Durfee-Wherry, Mr. and Mrs. Arthur Whipple and Homer Stevens and family of Detroit; Mr. and Mrs. Theodore Burden of Holly; Dr. and Mrs. J. E. Bennett of Eloise; Dr. and Mrs. Harold Bennett of Dearborn, and Mr. and Mrs. Frank Durfee of Novi.

### TESSIN-DELL

Carol Tessin and Lila Dell, formerly of Battle Creek, were quietly married at the Presbyterian manse by Rev. Walter Nichol, last week Thursday evening, May 26th. They were accompanied by the bride's sister and brother-in-law, Mr. and Mrs. Frank Zimmerman of this place. Mr. Tessin is connected with the local gas company, and the bride with the Michigan Bell Telephone Company. They will make their home here, at 772 Forest avenue.

### SCHOOL NOTES

Mr. Weatherman's civic classes have already begun reviewing for the final examinations, to be held in June.

Mrs. Floyd Hillman has been teaching school for the past week on account of the absence of Mrs. Crumble, who is ill.

Some of Mr. Lindquist's typing students are working for pins and certificates. Some of them have already earned them.

Mr. Snavely's High school manual training class made a trip through the Daisy air rifle factory Wednesday forenoon.

The baseball team played with Dearborn last Thursday on Barroughs field. It was impossible to play on the High school field because the heavy rainfall Wednesday left the field covered with water. This game was the last one of the season that will be played on our own field. The final score was 6 to 1, in our favor.

The Student Council has organized an honor assembly for all students in the tenth, eleventh and twelfth grades who keep their average above eighty.

The senior class is now practicing for commencement, which is to be held June 25th.

At the Junior Girl Reserve meeting last Tuesday Miss Giles gave a talk on the selection of books for reading.

All of the classes of Plymouth High held class meetings last week to decide whether or not they were to go on a general school picnic or on a class picnic. Most of the classes voted for the general picnic. It is to be held June 22nd. The place has not yet been picked out.

The freshmen gave their first dance of the season Friday evening. It was well attended by all the classes and also by several outsiders. The music for the occasion was furnished by Gebhardt's orchestra. Refreshments were also served.

The Plymouth High school band received their uniforms last Friday, May 27th, and are now ready to play in public. They played for the first time in the history of Plymouth on Decoration day at the cemetery, and also at the bandstand uptown. Great appreciation and thanks should be given Mr. Dykhouse for his co-operation and instruction given to the members of the band.

—Marion Cool.

### BASEBALL

On Wednesday, May 25th, Plymouth High school beat Dearborn High school in a seven-inning game, with a score of 6 to 1. Because of the recent rains, our own diamond was under water but due to the Burroughs field being available, it was a perfect day for Plymouth. Dearborn played a good game, as did our team also. The first two men up for Plymouth, G. Simmons and W. Doudt, brought in the first two runs. In the sixth inning P. Olds, R. Levandowski and R. Lyke moved the score up to 6. Simmons also brought a run in in the third inning.

Dearborn made their one run during the fourth inning. The game ended with a score of 6 to 1 in favor of Plymouth.

The lineup was as follows:  
Plymouth—G. Simmons, W. Doudt, A. Collins, P. Olds, G. Brady, C. Gebhardt, R. Lyke, L. Simmons, C. Foster.

Dearborn—Scott, Zamanijan, H. Stanton, J. Stanton, Little, McKay, Lucas, Dapprich Prolmey.

### NETHEM CLUB WINS ONE AND LOSES ONE

Nethem 5, United Cigar Store of Ypsilanti 4.

Rousseau Rouge ball park at Newburg was the scene of a very interesting baseball game last Sunday. Each team played superb ball, and each was determined to win. A very hot contest took place, and the United Cigar boys were about to return to Ypsilanti with another game to their list of victories, but the fates of baseball decided contrawise in the ninth inning, when Captain Bill Schlaf saw an opportunity, and quick as a flash turned the tables on the boys, and decided that Nethem could win and must win, and did win, by the score of 5 to 4. Wilbur Wisely, on the mound for Nethem, pitched a good game and was well supported by the catcher and the infield. The outfielders each took a turn on missing an easy chance, but this seemed to put more determination in the boys to get back on the winning side of the scoreboard, and the ninth inning rally turned defeat into victory. Captain Bill Schlaf and Manager J. VanBom selected Wilbur Wisely and J. Schomberger for their battery, while the Ypsilanti crew had Dickinson and Wiggle for battery. Finnigan of the Nethem team featured the day with his excellent fielding at short, while Captain Bill Schlaf featured at the bat, getting a home run. The third home run ever gotten on the diamond, Bill says he is going to form a habit, a home run habit, and all the boys say they will support him in his efforts.

By innings the game tells the following story:

United Cigar Store 1 0 0 1 1 0 0 1 0—4  
Nethem 0 0 0 1 0 0 0 1 1—5

Batteries—Ypsilanti: Dickinson and Wiggle; Nethem: Wisely and J. Schomberger.

### Nethem 8, Elks 14.

Nethem has always been a law-abiding baseball team, and this they exemplified last Sunday by refusing to capture the Elks, as the season is closed. Feating the authorities, they deemed it best to give the Elks their freedom and safety. It was indeed a surprise that Nethem scored upon the B. P. O. E. of Ann Arbor, as the boys looked and acted very much like university boys, in trim and raring to go. Nethem did their best and played a stiff game, and probably would have downed the Elks had the out-fielding been a little more snappy and not quite so much miffing. Hy Gale pitched a good game, but weakened in the eighth, letting the grand total of six rounds cross the home plate.

The Elks indeed showed great ability with the bat, and we do not mean maybe. Each player played his position well and classy, so Nethem does not feel ashamed at its loss; in fact it would have been a surprise to be on the victory side. The batteries of Nethem were: Pitchers, Hy Gale, W. Wisely; catcher, J. Schomberger. For B. P. O. E. Gould, McTeary; catcher, Simmons, B. P. O. E. 300110162-14  
Nethem 01020203-8

Next Sunday Nethem crosses bats with Northville at the fair grounds. All players report at 2:30 on the grounds.

## THE THEATRE

### "SLIDE, KELLY, SLIDE"

The two most popular things in America baseball and the moving picture are combined in "Slide, Kelly, Slide." Metro-Goldwyn-Mayer's latest contribution to screen entertainment, landing to the Penniman Allen theatre, Sunday and Monday, June 5 and 6.

One can not only see a thrilling screen drama but also the recent World Series, as the cameras invaded the grandstands at New York and St. Louis, and crucial plays of the nation's baseball classic form dramatic highlights for the new romance of baseball, with William Haines, star of "Brown of Harvard," Sally O'Neil, Harry Carey, Karl Dane and other famous players.

Besides the famous screen players, the cast includes some of the greatest figures in professional baseball. The "team" in the picture includes Bob Meusel, Tony Lazzeri of the Yankees, all World Series heroes, Mike Donlin, for years hit of the New York Giants and now a picture player, and others recruited from the leagues of different parts of America.

The spectacular World Series contest is made the center of a gripping romance of a "tough league" player, who wins fame in the New York team, a role enacted by Haines.

Others in the cast include Warner Richmond, of "Fire Brigade" fame, Eileen Sedgwick, the German girl of "Tin Hats," Junior Coghlan, Paul Kelly, Guinn Williams, Dorothy Sebastian and others of special note.

Edward Sedgwick, director of "Tin Hats" and himself once famous as a baseball player, directed the new picture, and the screen play was by A. P. Younger, famous as scriptist of "Brown of Harvard."

### "MR. WU"

Thrills of a new kind; the haunting mystery of the mysterious Orient, with codes and philosophies that almost pass Occidental belief; those, garnishing a romance delicate as the lotus flower, mark Lou Chaney's new triumph on the screen.

"Mr. Wu" coming to the Penniman Allen theatre, Tuesday and Wednesday, June 7th and 8th displays Lou Chaney in a new angle to his old arts. As is usually the case in his outstanding plays, Chaney uses intricate make-up for an intricate character; but this time he goes beyond his usual portrayal.

He invades another race for his character, as the silent, subtle and sinister mandarin, versed in the knowledge of ages; almost uncanny in his insight into human character and his enormous power, pursuing his relentless program of revenge against a family who wronged him.

The dramatic climax, in which woman's intuition is pitted against the wisdom of the Orient, in a desperate duel of wits between Chaney and Louise Dresser, with the life of her son as the stake, is one of the most astounding pieces of dramatic action ever given the screen.

The new Metro-Goldwyn-Mayer feature is a lavish flimination of the play Walker Whiteside made famous on the speaking stage, directed by William Nigh, creator of "The Fire Brigade." It is laid in spectacular surroundings, depicting the mysterious Orient. Pagodas, gardens and strange temples of old China are the background for the gripping drama of life, love and revenge.

The cast is a notable one. Louise Dresser plays the English mother, battling the mysterious Oriental for the life of her son; Renee Adoree, the Chinese daughter, whose wrong precipitates the dramatic situation. Ralph Forbes, the English son, Claude King as Muir, the old Scottish governor, Anna May Wong, Gertrude Olmsted, Holmes Herbert, Mrs. Wong Wing, and other well known players appear in a great cast in the production.

### "LONDON"

The unique hero and villain of Dorothy Gish's latest Paramount starring vehicle, "London," which comes to the Penniman Allen theatre on Thursday and Friday, June 9 and 10, is a dual role, played by the great grey city itself, according to Thomas Burke, noted author of "Limehouse Nights," and Herbert Wilcox the director. The picture was produced in the English metropolis by British National Pictures, Ltd.

"She is mother and mistress, tyrant and benefactor, saint and devil to the millions of fortunate or hapless humans who are drawn into the swirling vortex of her life," says Mr. Wilcox. "The idea of dramatizing the city's personality was suggested to us by S. R. Kent, general manager of Famous Players-Lasky Corporation during his recent European visit. Thomas Burke who knows London as do few men, was retained to write the story.

"The human characters are a girl of the Limehouse slums, played by Miss Gish, and a youth of fashionable Mayfair. Out into the mystic city night they go on their quest for happiness—the girl blindly seeking a love she has never known; the youth hating the restrictions of wealth and daring adventure in the heart of the underworld. It was Mr. Burke's idea to portray the influence of environ-

ment on the individual."

The film portrays many interesting and historic features of the mother of modern cities. There are to be seen the Houses of Parliament, Covent Garden, Trafalgar Square, the old Opera House, the National Sporting Club, where peer and commoner revel in pugilistic orgies, Rotten Row, Limehouse Reach, and many other places famous the world over, all of which give expression to the individuality of a city that for ages has endured despite countless wars, pestilences, fires and the annihilating forces of nature. With the single exception of Miss Gish, the cast is entirely English.

### "CANYON OF LIGHT"

For sheer excitement, thrills and suspense, Fox Films "Canyon of Light," the feature picture which comes to the Penniman Allen theatre, Saturday, June 11th, will be hard to surpass. With Tom Mix in the star role and Dorothy Dwan in the feminine lead, plus a fine cast and an absorbing story and with Tony, the wonder horse, playing a prominent part, this is one Western that is sure to please every type of theatre patron. Add to this, the wild beauty of the backgrounds, for this picture was filmed in Yellowstone National Park, and the result is an entertainment long to be remembered.

The story deals with Tom Mills, played by Tom Mix, who at the opening of the World War, takes a troop of cowboys overseas, where he acts as captain of dispatch riders. The battle scenes in this part are a great deal more thrilling than in many so-called war pictures. While Tom and his men are away the western community from which they come, becomes a prey to a gang of desperadoes who are led by Ed Barlin. Tom's brother-in-law, and played by Carl Miller.

On his return Tom finds a band of vigilantes have captured Barlin and are preparing to hang him. How Tom tries to save that worthy's neck for the sake of his sister and how the latter repays Tom's kindness makes a suspense holding story.

One of the most thrilling sequences in the picture is the wreck of an old boom town, a mere ghost city, the haunt of the desperadoes where Tom fights it out with the gang. Whole buildings are wrecked in the hand to hand battle that takes place amid

## AN ORDINANCE

An ordinance to amend an ordinance entitled, "An Ordinance to provide for the construction and repair of Sidewalks in the Village of Plymouth, State of Michigan: THE VILLAGE OF PLYMOUTH ORDINANCES:

"DANS":

Sec. 1. That Section 2 of such ordinance be amended to read as follows:

"Sec. 2. GRAVEL. Gravel shall be clean and sound and free from all solid matter, and the coarse aggregate shall be of such size as to pass through a one inch screen. It shall be so graded as to produce a maximum density and the fine aggregate therein shall constitute the basis for the proportion."

Sec. 2. That Section 15 of such ordinance be amended to read as follows:

"Sec. 15. THICKNESS OF WALKS. The thickness of the walk shall be not less than five inches. Walks for residence districts shall be at least five inches thick and for business districts six inches. Where walks in residence districts cross driveways, the total thickness shall be increased to six inches. Cross walks shall be eight inches thick and mixed in the following proportions: One part Portland Cement, two parts of fine aggregate and three parts of coarse aggregate."

Sec. 3. That Sections 24, 25 and 26 of such ordinance be amended to read as follows:

"Sec. 24. PROPORTIONS. The concrete shall be mixed in the proportions by volume of one sack of Portland cement, 2½ cubic feet of fine aggregate and four cubic feet of coarse aggregate or as near to these proportions as the character of the material will allow. The Village Manager shall be the authority as to the proportions to be used."

"Sec. 25. CONSISTENCY. The materials shall be mixed wet enough to produce a concrete of a consistency that will flush readily under slight tamping, but which can be handled without causing a separation of the coarse aggregate from the mortar. Concrete shall be laid and tamped to the required thickness until free mortar appears on the surface."

"Sec. 26. PLACING. After mixing, the concrete shall be handled rapidly and under no circumstances shall concrete that has partly hardened be used. The forms shall be filled and the concrete struck off and tamped level with the top of the forms until free mortar appears on the surface."

"Sec. 4. That Sections 27, 28 and 29 of such ordinance be expunged and repealed."

"Sec. 5. That Section 30 of such ordinance be amended to read as follows: (This will be known in the new ordinance as Section 27.)

"Sec. 27. FINISHING.—As soon as free mortar appears, a straight edge template shall be used as a strike-off across the two rails to insure a true surface. The work is then to be finished from a suitable bridge using a wood trowel to compact the concrete where necessary, and to put the desired finish on the entire walk.

"The edges of the flags shall be turned down with an edger, having a radius not to exceed one-half inch."

Sec. 6. This ordinance shall take effect on the 7th day of June, A. D. 1927.

Made and passed by the Commission of the Village of Plymouth, State of Michigan, at a meeting thereof held on the 16th day of May, A. D. 1927.

The New

PAIGE "8"

with Two High Speeds

merits a demonstration and your thoughtful consideration

Those who are contemplating the purchase of a fine motor car should withhold selection until they have driven this new Paige.

Many of these, after enjoying this experience, will doubtless find themselves accepting its performance as a standard by which to judge other cars.

Much of the difference in this car's performance lies in the mathematical fact that at high speeds its engine revolves much more slowly than engines normally do, due to its Warner Hi-Flex 4-speed transmission.

This new engineering accomplishment produces greater silence at all speeds, resulting in unusual gasoline economy. Because the engine makes fewer revolutions, it lasts longer, requires less attention, less frequent overhauling.

Third speed is another high speed, and delivers greatly improved acceleration, both in traffic and on steep hills.

We invite you to drive a new Paige "8" at your convenience. There will be no obligation to buy.

In thousands of average American homes there are now two automobiles—"a car for her, too," so there may be transportation for the family while "he" drives away to work.

And the family car has such an infinite degree of usefulness! Downtown shopping, taking the children to school, afternoon calls, meeting trains and the many additional trips that must be made to and from the house as a part of every day's routine.

No other car is so admirably suited to a woman's requirements as the Most Beautiful Chevrolet.

With striking new bodies by Fisher, and finished in pleasing colors of lustrous, lasting Duco, it provides in abundant measure the comfort, charm and elegance that

women admire in a motor car. It is easy to start because of its Delco-Remy electric starting system—famous the world over for its excellence. It is easy to stop because of powerful, over-size brakes. And it is easy to drive and park because of a modern three-speed transmission, smooth-acting disc clutch, and a semi-reversible steering gear that gives finger-tip steering.

Visit our showroom and see the Most Beautiful Chevrolet. Note the wide variety of body types. Mark their sweeping lines and carefully executed details. And then ask us to explain the easy terms on which a Chevrolet may be purchased—terms that include the lowest combination of handling and financing charges available anywhere.

### AROUND ABOUT US

Tax valuations in the City of Farmington approach the three million mark.

Mr. and Mrs. B. A. Wheeler of Northville celebrated their fiftieth wedding anniversary last week.

Plans are being made at Northville to hold a grade school field meet, to take place at Northville fair grounds on June 22nd.

The large ice house at Lakeland was badly damaged recently when a heavy wind blew down a large part of the north side. The building is owned by the Schuler Ice Co. of Toledo.

Funeral services for William Richardson of Northville, brother of T. G. Richardson, were held from his home in Northville last week Friday. He was 87 years of age, and was born in England.

Work on the widening of Grand River avenue between the Seven-Mile road intersection and Berg roads has already been begun by Wayne County. It is expected that the stretch will be completed this fall.

Northville is agitating the question of adopting a new charter for that village, and the proposition will be put to a vote of the people, as to whether it shall prepare a charter for submission to the people at a later date and whether five residents shall be elected members of a commission to draft the proposed new charter.

An airplane crashed to earth in the field of Frank Renwick at New Hudson Monday afternoon, when the pilot lost control of the machine. One of the two men in the plane was so badly injured it was necessary to take him to the Mellis hospital at Brighton. The other man was very badly bruised. The plane, which had come from the aviation field on the old Fred Childs farm north and east of New Hudson, was damaged beyond repair. A few parts, still of value, were removed the following day, and the remainder was burned. Souvenir seekers, it is believed, entered the premises Monday night and sawed off a part of the propeller.—South Lyon Herald.

### Today's Reflections

The old home town is the one that observes your success in the city and wonders how you keep folks fooled.

There's a time in the life of every Plymouth man when he wonders how some fellows manage to accumulate money and friends at the same time.

One reason why some Plymouth boys never get very far on the road to success is because it looks so rough they're afraid to start on it.

A woman's handkerchief and her umbrella always strike us as two things that never are big enough for their jobs.

His socks may have holes in them, but father never gets a chance to have any holes burned in his pockets from carrying money in them.

If Plymouth women made patchwork quilts these days they could take a whole skirt and wouldn't have to waste time cutting it up.

The first thing every June groom is going to learn is that it's a lot easier to make a woman mad than it is to make her happy.

The Plymouth citizen who can tell the kind of vegetable he planted from the kind that came up is no longer in the amateur class.

The world would be a much better place to live in if a lot of people would learn to give in.

How many Plymouth women can remember when young people at the courting age were acquainted with the language of flowers?

When you find a man who is a wild animal at home you will generally find he is married to a tame kitten.

It is pretty hard to make a woman understand that it is easier to drive a man than an automobile.

Maybe more young men around Plymouth would marry if they could get their wives—like they do their servers—on the installment plan.

Helpless in the Matter

Officer—Hay, why don't you stop when I tell you to?

### STATE FAIR PLANS MANY IMPROVEMENTS

WORK BEING RUSHED TO COMPLETION IN TIME FOR BIG EXPOSITION.

Detroit, June 2.—Nearly \$140,000 worth of improvements are to be rushed on the State Fair grounds here to have them in shape for this fall's exposition as the result of favorable action by the legislature earlier this month.

The major items were outlined by Secretary John McNamara today, headed by \$21,050 worth of concrete roads, some 4,210 lineal feet of paving. The speed barns are to be built, as in recent years far more racing horses have been offered than could be cared for there. The new buildings will cost \$10,000 each. Nearly \$20,000 will be spent on an adequate sewage and drainage system for the grounds and curbs and gutters for all paved roads will cost \$15,000. Sidewalk extensions will run \$10,000. Water main extensions will cost \$3,500.

The electrical system is inadequate and \$10,000 will be spent there. To accommodate the augmented vaudeville program two platforms, dressing rooms and a handstand will be built at \$16,700.

Tables and shelves for the new agricultural building will cost \$5,000, and \$10,000 will be expended in painting various buildings. Roofing repairs are budgeted at \$2,500. Gates and fence at railroad and subway will cost \$1,200. A mower will be bought for \$325 and two light trucks will cost \$2,500.

A straw will show which way the wind blows—especially if it's one of these \$5 round babies and it gets about a ten-foot start on you.

### ANNOUNCE NATIONAL COUNTRY LIFE WEEK

**MICHIGAN TO PLAY HOST FOR  
BIGGEST RURAL CONFERENCE  
IN HISTORY—18 GROUPS IN-  
CLUDED.**

Michigan will play host this summer for the largest conference on rural life problems in history. The occasion will be the Country Life week at Michigan State college, July 31 to August 6, when nearly 20 of the leading organizations and groups interested in rural life will gather.

Representative farm men and women of the United States and Canada, together with nationally and internationally known leaders in the agricultural and country life fields, will lead discussion at the various meetings. Particular interest will be added by a group of distinguished European authorities.

The Country Life week is expected to attract large numbers of tourists from all over the middle west as well as from Michigan. Caravans of farmers will be organized for the trip, taking advantage of the opportunity of combining the state's summer vacation facilities with the conference programs.

The American Country Life association, of which President Butterfield of M. S. C. is the president, will hold a joint meeting with the American Farm Economics association August 1-4, as the leading special meeting of the Country Life week.

Among the many other outstanding groups included in the schedule are: The International Country Life association, National Catholic Rural Life conference, World Agriculture Society, Michigan Farm Woman's Institute, National School of Leadership for Students Interested in Rural Life, Conference of Master Farmers, Conference of Jewish Rural Women, Citizenship Conference for Women, Michigan Country Life association, Summer School for Town-Country Ministers, Relation of Town and Rural High Schools to the Community, School for Managers and Directors of Local Co-operative associations, Regional Conference of Community Church Workers, Conference of the Michigan Country Church, County Y. M. C. A. Secretaries, and Michigan Rural Education society.

### W. C. T. U.

The Woman's Christian Temperance Union held a very interesting meeting Thursday, May 26, at the home of the president, Mrs. E. R. Daggott. This was a mother and daughter meeting, in charge of Mrs. Floyd Hillman, who had arranged a pleasing program.

Mrs. R. A. Cassidy sang a beautiful solo, "Little Mother of Mine."

Mrs. Lendrum, the speaker for the day, gave an interesting talk which showed the strong contrast between the girls of the grandmothers' time and the girls of the present, as regards dress and education. Girls of today, she thought, are, at heart, pretty much the same as the girls of the grandmothers' time, but the educational opportunities have made them more fearless and better able to make their way in the world. The present style of dress, the speaker thought, was to be commended, since it permitted a freedom of movement unknown when grandmother was a girl.

The program concluded with a pianologue, "My Mother's Lullaby," which was charmingly given by Miss Doris Hamill, with Miss Melissa Roe at the piano, and violin accompaniment by Miss Dora Gallimore.

The next meeting will be at the home of Mrs. Emma Ruff, June 30, "Flower Mission Day," with flowers for the sick and shut-ins.

Leader for the day, Miss Cora Pelham.

Mr. and Mrs. Guy White are spending a few days at Battle Creek.

### Advice From Dora

Dumb Dora saw an ad in the paper the other day. It said "How a Girl Can Keep Her Youth. One dollar, postpaid." Dora says the only way a girl really can keep her youth is by never introducing him to another girl, especially a pretty one.

A few years ago milk was milk. Today we know there is as much variation in grades of milk as in flour. Dr. Wiley and his purefood campaign awakened America to scientific understanding of this, and as a result, quality foods are demanded. Milk rich in butter-fat and body-building qualities is the milk we deliver fresh every day at your home. **ONE OF FINEST PARKS IN MICHIGAN**

**DETROIT'S NEW EDGEWATER AMUSEMENT PARK TO OPEN IN JUNE.**

H. P. Egert, president of the Detroit Amusement corporation, has announced that Detroit's new and largest amusement park, located on Seven Mile road west, between the Southfield road and Grand River avenue, within the limits of the city of Detroit, will open in June.

This park is accessible by three main highways, Telegraph road, Grand River avenue and the Seven Mile road.

The new park comprises forty acres of scenic beauty, the River Rouge running through the entire property. The river is being dammed to form numerous islands and a lagoon and the park will rank as one of the finest parks in Michigan upon completion.

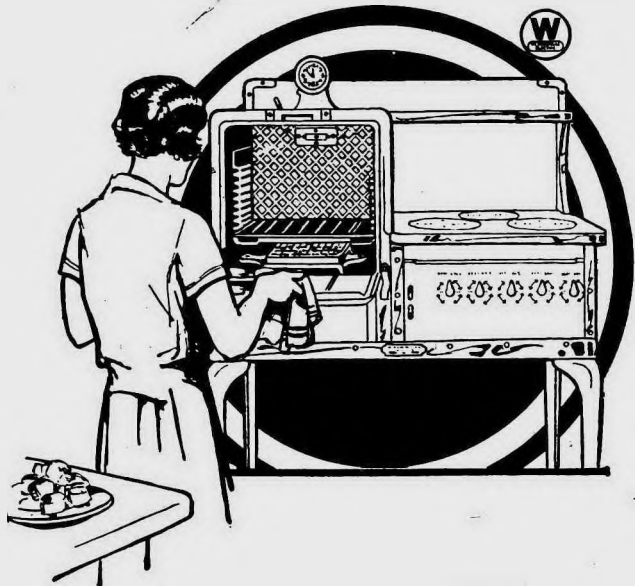

The site was purchased from John and Emma Krave, it being formerly their estate. The ultimate cost of improvements will be approximately one million dollars. Improvements on the site will include the installation of a whirlwind coaster, Custer speedway, dodger, tilt-a-whirl, airplane ride and about twenty-five other concessions. In addition there will be large sheltered picnic grounds and the largest semi-open ballroom in Michigan, under the direction of Jean Goltkette. The park is the latest design of John A. Miller, park engineer.

Bands, fireworks and other attractions will be used during the 1927 season. There will be no gate admission. Parking space will be provided for 5,000 cars. The park is within thirty minutes of the center of Detroit's population and arrangements are to be made with the D. S. R. for street car and bus service to the property.

This project has no connection with the park at Belle Isle, although it is financed by Detroit capital.

The management believes that Detroit will support a park that is well lighted and policed and where rowdism will not be tolerated, providing a beauty spot for the better class who appreciate clean amusements.

### Dr. Frank Crane Says

**LET'S STOP THIS ENDLESS RACE.**  
 Representative Butler, chairman of the House and Naval Affairs Committee, recently asserted that the United States ought to build practically a new navy to cost more than \$400,000,000.

We are lagging steadily behind other nations and from being along toward the front we have dropped to fourth place.

This he holds to be a great danger. Just where the competing nations in armament are to stop he does not suggest.

About the only way we can be made to stop it is for one nation that is undoubtedly strong to cease competing with the others.

The danger in this course is that the others will take advantage of it. It will be looked upon as a trusting and lamblike sucker. A lamb among the wolves, and the danger is that the other nations may eat it up.

This is a favorite idea among a certain class of people, the idea that our own nation is trusting, gentle and kind and harmless and all other nations are evil-minded and grasping.

There is no nation in the world in which this idea is not common.

The notion is not peculiar to nations. There are many individuals who have it. Many people in a family refuse to be kind and gentle because they think the other members of the family will take advantage of them.

It seems to be an absurd idea that to maintain them as a force merely

#### OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION.

Plymouth, Mich., May 16, 1927.  
A regular meeting of the Commission in the Commission Room of the Village Hall May 16, 1927, at 7:00 p. m.

Present: All five Commissioners.  
The minutes of the regular meeting of May 2nd, adjourned regular meeting of May 5th and the special meeting of May 9th were approved as read.

The Commission then moved that the sidewalk ordinance revised by the Manager be adopted as read.

The Manager was authorized to accept the proposal of May 14th of Hoad, Decker, Shoecraft & Drury in regard to making a complete map showing the storm sewers in to date and all of the sanitary sewers, including the 1927 program; the price to be \$600 and the map to meet with the approval of the Village Manager.

The Commission then authorized the purchase of an addressograph and plate making machine to be paid for on or before August 1st.

The Commission agreed that Blum & Dickinson's certified check should be returned to them upon signing a receipt for it.

The following resolution was offered by Commissioner Henderson, who moved its adoption, supported by Commissioner Hondorp:

WHEREAS, it has been called to the attention of the Commission of the Village of Plymouth, that the parcel of land platted as Blanche street, according to the plat of the William A. Blunk Addition, duly recorded in Lilleg 27 of Plats on page 59, Wayne County, Michigan, Records, has at no time been used for travel by the public and no public or municipal labor or expense has ever been incurred thereon; it has always been held and occupied as private property and

WHEREAS, the land actually taken, accepted, used and improved, and on which there has been public municipal labor and expense incurred, by said Village of Plymouth as Blanche street, under the dedication in the platting of said William A. Blunk Addition, is described as all those pieces or parcels of land, situated in the Village of Plymouth, County of Wayne and State of Michigan, to wit:

The north fifty feet of Lot numbered ONE and Lots numbered THREE, THIRTY-SIX, FIFTY, EIGHTY-TWO, NINETY-FOUR, ONE HUNDRED TWENTY-NINE, ONE HUNDRED FORTY and ONE HUNDRED SEVENTY-FIVE of the William A. Blunk Addition, according to the Plat of the said William A. Blunk Addition, duly recorded as aforesaid, and

WHEREAS, after duly considering the matters above recited, the Commission of the Village of Plymouth deem it advisable to formally vacate all that parcel of land platted as Blanche street, according to said recorded plat, except that said vacating is not to affect, in any way, the streets and alleys crossing same.

NOW THEREFORE BE IT RESOLVED That the Commission of the Village of Plymouth deems it advisable to formally vacate, discontinue and abolish all that parcel of land platted as Blanche street, according to said recorded plat, except that said vacating, discontinuing and abolishing is not to affect any way

the streets and alleys crossing the same, and

BE IT THEREFORE RESOLVED that this Commission will meet in the Village Hall of the said Village of Plymouth on Monday, the twentieth day of June, 1927, for the purpose of hearing any objections that there may be to the vacating, discontinuing and abolishing of said land platted as Blanche street, according to the recorded plat, and any person desiring to object to the vacating, discontinuing and abolishing of said land platted as Blanche street, according to said recorded plat, may file his objections in writing with the Clerk of the Village of Plymouth on or before the date set for said hearing, and

BE IT FURTHER RESOLVED, that the Clerk of said Village of Plymouth be and he hereby is instructed and directed to give notice of said meeting by publishing a notice thereof for two weeks in succession in the Plymouth Mail, a newspaper published and circulating in the said Village of Plymouth.

Ayes: Commissioners, Henderson, Hondorp, Pierce and Learned and President Fisher.

Nays: None.

Carried.

Mr. Hough's bill for extra work in the Hough Subdivision was tabled until a written acceptance of the design and construction of sewer and water mains was received from Mr. Strong.

At this time the sidewalks bids were opened and read. Bids were received from the following contractors: A. J. Sessions & Balke, J. A. Black, Blunk & Smith, Robert H. Warner. The sidewalks were awarded to Blunk & Smith; Robert H. Warner the crosswalks. The sidewalks to be at the following prices per square foot: Regular 5-inch walk over 200 square feet at nineteen cents per square foot; regular 3-inch walk under 200 square feet at twenty-one cents per square foot; regular 6-inch business district walk at twenty-five cents per square foot. The crosswalks to be at 32½ cents per square foot for eight-inch regular crosswalks. Five hundred dollar surety bond to be required from Blunk & Smith and two hundred dollar bond from R. H. Warner.

It was decided to accept the first and second reading of the change in ordinance No. 79 concerning water taps.

The sidewalk petition signed by Theodore Seiloff and Louis Seiloff for a walk on the south side of Brush street from the east line of Harvey street to the west line of Forest avenue, including a crosswalk on the south side of Brush street at Harvey street and a crosswalk on the south side of Brush street at Forest avenue was granted.

The Library board was given permission to install hot water in the Library at their own expense.

On motion the Commission decided to leave out the sanitary sewer on the west side of Main street between Church and Theodore streets and the money refunded to those who have paid their assessment for this sewer.

The audit for 1926 showed an over deposit of \$9.50, which was ordered to be refunded to the Village Treasurer.

The report of the Auditing Committee recommended the payment of the following bills:

Administration payroll \$ 93.53

Cemetery payroll 288.50

They also approved payment of the following checks written since the last meeting:

Thomas D. Nolan \$8,500.00

Red Line Cinder Co. 1,037.40

\$9,537.40

Mr. Richwine was asked to make a report of the 1926 audit in the village paper.

The Treasurer's report for the month of April was received and ordered filed.

The perpetual care money received by the village since last May was ordered transferred to the Security Trust Co. of Detroit.

The Commission granted Blum & Dickinson permission to repair the pavement on Main street at Amella street with all concrete instead of concrete and brick.

The Commission adjourned until Wednesday, May 18, 1927.  
Henry J. Fisher, President.  
Wm. Weltner, Clerk.

Plymouth, Mich., May 18, 1927.  
An adjourned regular meeting of the Commission in the Commission Room of the Village Hall, Wednesday evening, May 18, 1927, at 7:00 p. m.

Present: All five Commissioners.  
The budget for 1927 was taken up by the Commission and all funds discussed fully.

The following particular items were made subjects of motions and carried by the Commission:

Mr. Springer's salary to be raised to \$2,100.00 a year.

Mr. Reddeman's salary to be raised to \$2,400.00 a year.

Mr. Reddeman's salary to be taken from the general fund.

The cost of outside fire calls hereafter is to be changed from fifty dollars to seventy-five dollars covering a radius of six miles from the Village Hall. If property owners within this six-mile radius want fire protection they will be required to leave a certificate of deposit or certified check of seventy-five dollars with the Village Manager.

The Commission adjourned.  
Henry J. Fisher, President.  
Wm. Weltner, Clerk.

Not So Good.  
Prisoner—I'm sorry, your honor, I took the money; but you know the more a man gets the more he wants."  
Judge—"Well, you're getting seven years. How much more do you want?"

Misspelled, But—

"Shear robbery," complained the man as he protested at the excessive rate the barber had charged him for a haircut.

#### Too Much Territory.

She—Do you think I go out with every man?  
He—Myor' no, not with the population of the world the way it is now.

#### No Mystery.

A ukelele and fifty victrola records were stolen from a room in Hartley Hall, a Columbia college dormitory. All those in neighboring rooms have perfect alibis.

#### Fair Enough.

"Why are you scratching yourself, Tommy?"  
"Because I'm the only one who knows where I itch."

#### Lucky Guy.

Him—"There is one word that will make me the happiest man in the world. Will you marry me?"  
Her—"No."  
Him—"That's the word."

#### Endurance Race.

"I'll talk to you when you're sober."  
"But, Mary, you won't be interested in me when you're that old."

#### One's Enough for Anybody.

"That son of yours certainly has got a will of his own."  
"Yes, that's why I'm cutting him out of mine."

#### Exception to the Rule.

"I have always maintained," argued Mr. Newlywed, "that no two people on earth think alike."  
"You'll change your mind," said the wife, "when you look over our wedding presents."

#### Where You Hear 'em.

"What didst yesterday, Horatius?"  
"Oh, I went to an agricultural lecture and did listen to a lot of dirty remarks."

### DE-HO-COS WON TWO GAMES

Wayne had to go ten innings on Monday in the Inter-County League to maintain its tie position with De-Ho-Co for first place in the club standing, as De-Ho-Co took Detroit Firemen into camp by another victory that principally again was Rowland, star hurler for the farm team. Wyandotte succumbed to Wayne, and Grosse Pointe trimmed Belleville, 2 to 1, in a 17-inning contest—an idea of the kind of baseball that is being given the spectators in this fast league. De-Ho-Co couldn't play Wayne on Sunday, at Wayne, on account of wet grounds, but an exciting league game was played on the House of Correction Farm diamond between Detroit Municipal Employees and Wyandotte, the latter winning, 6 to 5.

On Saturday, De-Ho-Co met and defeated the Detroit Athletics at Northville. Kuehn pitching for the farmers, and holding the Detroit aggregation scoreless while De-Ho-Co piled him up eight runs.

Good pitching by both Rowland for the De-Ho-Co, and Bolde for the Firemen, featured the Decoration Day game. Rowland kept the six hits scattered that were made off him, while two of De-Ho-Co's three off Bolde, were bunched to good advantage in the eighth, one of these being a home run by Hammond. The other was contributed by Rowland himself, and scored Trombley who had been passed. Rowland did not pass a man. In addition to his pitching and hitting, Rowland accepted four fielding chances and, altogether, was much in evidence during the very satisfactory afternoon.

De-Ho-Co meets Belleville in a league contest on next Sunday. On Saturday afternoon, the farm lads will cross bats with Bethune Station, Detroit Cops, and a lively exhibition of clubbing is expected.

### SEPTIC TANKS PROVE BOON TO FARM HOMES

M. S. C. PLANS SUMMER DEMONSTRATIONS ON CONSTRUCTION OF LOW COST OUTFIT—13 COUNTIES INCLUDED.

Michigan farmers can build a septic tank which will adequately dispose of all household sewage at an expense of only fifty dollars, according to the estimates of the agricultural engineering department of Michigan State college.

To make it possible for farmers in the state to observe the construction of these tanks the college will build septic tanks in 13 Michigan counties this year.

Arrangements made between one or more farmers in each county and the college department provide that the farmer agrees to have the excavation for the tank completed before the day of the demonstration and to have all materials on the ground. The college specialists build the tank and explain construction methods to anyone who attends the demonstration.

Septic tanks which were built according to the specifications of the agricultural engineering department have been under observation for fifteen years and are reported to have given complete satisfaction.

The places and dates of the demonstrations are: Tuscola county, June 14 to 17; Sanilac county, June 28 to July 1; St. Clair county, July 5 to 6; Macomb county, July 7 to 8; Jackson county, July 12 to 15; Ingham county, July 18 to 19; Newaygo county, July 21 to 22; Mecosta county, July 26 to 29; Emmet county, Sept. 1 to 2; Charlevoix county, Sept. 6 to 9; Manistee county, Sept. 12; Oceana county, Sept. 14 to 16; Kent county, Sept. 19 to 21.

### Picked Up About Town

Dad Plymouth says a lot of his friends are now trying to recall the days before the radio and the victrola when it was possible to spend a quiet evening at home.

"A mule may look melancholy," says Dad Plymouth, "but he generally gets a big kick out of life."

"Love," declares Dad Plymouth, "has helped many a young couple to struggle along until common sense came to their aid."

Just when the country has learned to subdue financial crashes along come auto crashes.

No matter how the old saying reads, half of life's fun comes from counting your chickens before they're hatched.
