

VOL. XXXIX, NO. 39

PLYMOUTH, MICHIGAN, FRIDAY, AUGUST 19, 1927

\$1.50 PER YEAR

PLYMOUTH SCHOOLS WILL RE-OPEN TUESDAY, SEPT. 6

Everything Will Be In Readiness for the Opening Day; Books and Supplies Will Be Handled at School Again The Coming Year.

With the Starkweather school ready for opening and the two central buildings all cleaned and the third floor of the High school building newly decorated, the buildings will be waiting to welcome their happy group of pupils and teachers. The teachers return Monday, September 5th, and everything will be in readiness for the boys and girls on Tuesday morning. The Toledo and Saginaw divisions of the P. M. railroad have been used by the Board of Education as the division line for pupils in the kindergarten to the sixth grades, inclusive, in determining who will attend the Central and Starkweather schools. This division was used in order to avoid all possible danger for the children in going to and from school.

Again the Board of Education will have books and supplies sold to pupils at cost, plus the actual expense of freight and handling, thus saving the parents well towards \$1,000 per year in the cost of books and supplies.

A duplicate of the juvenile books at the Central library have arrived and are now being classified for the Starkweather library, which will open September 6th. With our increased school facilities, health service and increased teaching staff, the coming year should be one of real opportunity for the Plymouth boys and girls.

BIG PICNIC AT ISLAND LAKE

LOCAL METHODIST AND PRESBYTERIAN SUNDAY-SCHOOLS WILL HOLD PICNIC NEXT WEDNESDAY.

The Methodist and Presbyterian Sunday-schools will hold a union picnic at Island Lake, Wednesday, August 24th. Those who have cars are requested to furnish their own transportation, but there will be plenty of trucks and cars for those who do not have any means of transportation to the lake. Cars will leave the churches about 9:30 o'clock in the morning.

Among the attractions for the day will be a ball game between teams from the two churches, a tug-of-war and small sports and races for the children.

Mothers who are afraid to have their children go to the picnic alone, are cordially invited to accompany them to the lake. They will be more than welcome. Special chaperones have been provided to care for the youngsters when they arrive at the lake. Persons not affiliated with either church are also given a cordial invitation to attend the picnic.

It is expected that there will be an attendance of over five hundred.

THESE DOGS' DAYS ARE NEARLY OVER

FUNERALS SET FOR SEPTEMBER 1 IF TAXES AREN'T PAID.

Wayne county's dog population is due for a sharp decrease unless owners come forward and pay their license fees. Frank Edwards, secretary to Sheriff Edward F. Steln, warned today. The tax was due January 10th, but supervisors in five of the 18 townships and villages in the county have just reported a total of 1,145 unlicensed dogs, he said.

Plymouth reported 155 dogs unlicensed; Canton, 171; Sumpter, 254; Northville, 225; and Huron, 360. Beginning September 1st, Mr. Edwards said, deputies will start an enforcement campaign in these districts with orders to shoot every dog found unlicensed. The fee is \$2 for a male dog and \$4 for a female, with a \$2 penalty imposed after January 10th.

Dogs acquired after that date or less than three months old at that time do not require licenses until next January 10th. The tax is payable at the county treasurer's office.

Mr. Edwards said he believed in many cases the tax had not been paid because of ignorance of the law.—Detroit News.

DE-HO-CO GAINS TWO MORE VICTORIES

BELLE ISLE TIGERS FAIL TO BEST DE-HO-CO IN SATURDAY'S ENCOUNTER.

SUNDAY'S VICTORY PUTS DE-HO-CO TWO MORE RUNGS UP THE LEAGUE LADDER.

We have had quite a number of important people out to our ball games from time to time. Some of them came as guests of the state, and some of them paid admission, but Saturday we had the famous brothers, Nip and Tuck, with us. In other words, if you didn't see last Saturday's game between De-Ho-Co and the Belle Isle Tigers you missed one of the very best Saturday afternoon games we have had out here in a long time.

It was one of those games wherein neither side is willing to give an inch without putting up a desperate fight. Now, for the benefit of those of our readers who may not know or realize the significance of the name, Belle Isle Tigers, we'll tell you that it is the monicker of one of the hottest ball teams that ever crossed De-Ho-Co's threshold. We mention this because one of the attendants at the park overheard a little boy asking his daddy if the elephants were here, too. No, indeed, the Tigers we had out here were and are in no way connected with the zoological enterprise on that famous island.

Quite true, they were fast and furious, but not snappy enough to show the former boys anything new. Archie Constantine pitched a game that Whitehill or Carroll might have justly felt proud of. He was opposed by Myers and Kesiska, both of whom know their business. Credit for the winning of this game does not rest on the shoulders of anyone in particular, for it was a hard-fought battle in which everyone had to their utmost.

Sunday's game proved to the fans that the farmers will be content with nothing but first place in the league standing. We are not surprised if you have wondered, for we, too, have wondered what the strange power De-Ho-Co seems to have over these other organizations can be. If Archie Constantine had been in the habit of taking his one-man band on the field with him we would know. Archie has other accomplishments besides pitching, his principal hobby being music. He is an expert on the ukelele, base drum and cymbals, as well as being an accomplished singer.

Rowland had the Brightmoor lads well under control at all times. He was opposed by Schelor, from whom Jaska and Rowland managed to extract a home run each. Both pitchers received good support from their respective teams.

It was a fans' game from start to finish, and we hope that those of you who were able to attend enjoyed yourselves.

Sunday, August 21st, De-Ho-Co will meet the Detroit Fire Department at De-Ho-Co park. This is the game you have been waiting for. The farmers will do their part toward defeating the fire fighters or fire eaters, which ever you choose to call them, if you will hit come out and lend your moral support. Of course, the admission will be the same, grandstand seats 35 cents, bleacher seats 25 cents. Let's make it a big day, folks.

Saturday's and Sunday's box scores follows:

De-Ho-Co vs. Belle Isle Tigers, at De-Ho-Co Park, Saturday afternoon, August 13th:

OLD-TIMERS WILL PLAY BALL

One of the features of the Northville Centennial Celebration will be a ball game between the Northville town team and a team composed of old-time players captained by Harry German. The players on this veteran team will be Bowerman, Riley, Stein, Curtis, Perry, Thompson, Wilbur, German, Hantz, Tupper, Eastlick, Henderson, Popka, Lamb, Moffitt, Hinkley and Fred Burch. The umpires will be Harry Robinson and Milton Brown. The game will be played on Friday, August 26 at 4:00 o'clock.

PERRINSVILLE SCHOOL WILL HOLD REUNION

The annual Perrinsville school reunion takes place tomorrow, Saturday, August 20th, on the school grounds. A basket picnic dinner at the noon hour will be one of the big features of the day. During the afternoon there will be a ball game and races. It is expected that there will be a large crowd of former pupils, teachers and patrons of the school present for this most happy occasion. Everybody is invited to attend.

PLYMOUTH AUTO SUPPLY MOVES INTO NEW BUILDING

Photo by C. W. Rogers

On another page of this paper will be found the announcement of the formal opening of the fine new building just completed by Russell Detling, proprietor of the Plymouth Auto Supply, formerly located on Penniman avenue, which will occur on Saturday, August 20th.

The new building, which is shown herewith, is located at the corner of South Main street and Moreland avenue, is 35x70 feet in size, and is constructed of brick. The front part of the building is given over to a sales room, where a complete stock of automobile accessories are nicely displayed. Two large display windows have also been provided.

Immediately back of the salesroom

NETHEM DEFEATS NORTHVILLE, 7 TO 6

Northville suffered a defeat from the Nethem boys last Sunday in a closely played game, the score being 7-6. The full nine innings were played, and each side was determined to win, and for awhile it seemed as though Northville was to be the victor, but not so. With the ninth inning the Nethem boys netted two runs, breaking the tie and bringing home victory.

D. Rowland started the game and pitched beautiful ball, but the support given him at times was ragged. By Gale replaced him; the old reliable, and he held the boys down to zero scoring. I. Holmes featured the day with his timely hitting and fast base running. Desher, of Northville, pitched a good game, but was given poor support.

Next Sunday Nethem crosses bats with the Michigan Central Red Caps, the colored gentry, at Newburg.

Nethem	11	0	0	3	0	0	7	13	
Northville	0	1	0	0	5	0	0	6	10

Northem batteries—D. Rowland, Hy Gale, J. Schomberger. Northville batteries—Desher, Long.

Next Sunday Nethem vs. M. C. Red Caps, Newburg, 3 o'clock.

GOLDEN WEDDING ANNIVERSARY

A rare occasion was celebrated at the comfortable farm home of Mr. and Mrs. John Mott in Canton township, on Thursday evening, August 11th, when their family and other relatives gathered there to remind them of the fifty years of happy wedded life that have passed by. A delicious repast was served on the lawn at 7:00 o'clock. Mr. and Mrs. Mott were the recipients of many useful and beautiful gifts. Guests were present from Detroit, Wayne, Carleton, West Sumpter, Sheldon, Northville, Redford and Plymouth.

ROTARIANS HEAR PAST DISTRICT GOVERNOR

At last Friday's luncheon of the Plymouth Rotary club the members had the pleasure of hearing a most interesting talk by Fred Sheriff, of Battle Creek, past district governor of Rotary. Mr. Sheriff spoke on his trip to Ostend, to attend the Rotary International convention, held there last June, giving the local members a splendid idea of that great convention.

MERCHANTS WILL PLAY WEST POINT PARK SUNDAY

The failure of the Ann Arbor Colored Stars base ball team to put in an appearance last Sunday, was a great disappointment to the local team and a large crowd gathered at Burroughs Field.

Next Sunday, August 21st, the Merchants will stack up against the strong West Point Park team, and a real ball game can be expected. The West Point Park team will surely be here, so there will be no disappointment along that line. Game called at 3:00 o'clock.

ATTENDED FAMILY REUNION AT JACKSON

Mr. and Mrs. H. A. Spiver, Mr. and Mrs. S. W. Spiver and daughters, Louise and Elizabeth, together with Mr. and Mrs. F. A. Spiver and daughters, Ida Jane and Katherine, Mr. and Mrs. Wm. H. Wakely, Mr. and Mrs. Hayes, Powless and Mrs. Fannie Barker of Detroit, drove to Jackson, Sunday, to attend the reunion of the Seaman family at the Ella Sharpe Park. Other members of the family came from Sheldon, Marshall and Napoleon, about fifty in all partaking of the delicious dinner.

Mrs. H. A. Spiver, Mrs. Barker and Mrs. Wyckoff, Mrs. Clayborn, Mrs. Barnes and F. G. Seaman, all of Marshall, were children of Mr. and Mrs. Samuel Seaman, who made the journey from London, England, by sailing vessel in 1872, settling at Batavia, N. Y. The family later came to Michigan and made their home near Marshall.

DEATH OF MRS. ELIZABETH GAYDE

Mrs. Elizabeth Gayde, wife of the late Peter Gayde, died at her home at 761 Starkweather avenue, Wednesday evening about nine o'clock. Mrs. Gayde had only been ill for two days, and her death came as a great shock to her many friends, who were unaware of her illness. Had she lived until Thursday, the day following her death, she would have been 77 years of age.

The funeral services will be held from her late home Sunday afternoon at 2:00 o'clock, and from the Lutheran church at 2:30.

A more extended notice will be given next week.

I. R. Wiles, of Ebenezer, N. Y., was a pleasant visitor at the Mall office Tuesday. Mr. Wiles was formerly a resident of Canton township.

Dr. Clarence Baker, who has his Plymouth office at 217 North Main street, will leave August 28th, for a trip to Montreal, Quebec, Ottawa, Canada and points in the state of Maine. He will be absent until September 15th.

A number of the local golf enthusiasts attended the state tournament held at Meadowbrook golf course last Monday and Tuesday. Al Watrops, holder of the state open championship was the winner of this event, and retains the championship.

NORTHVILLE SET FOR CENTENNIAL

EVERYONE ASKED TO BE PRESENT NEXT FRIDAY AND SATURDAY.

All plans have been completed for the celebration in honor of the 100th anniversary of the beginning of Northville and the home-coming of its former residents next week Friday and Saturday, August 26th and 27th. The nearby community has extended a general invitation for everyone in this part of the state to come and enjoy the special features that have been arranged.

It is a two day celebration. Beginning Friday forenoon with the registration of former residents there will be no let-up until midnight Saturday night. Street sports, baseball games, contests of various kinds, programs of music and speaking and numerous other attractions have been provided.

On both nights there will be street dancing. In one place the old time styles will be featured. In another place those who can do the numerous new style dances can enjoy themselves.

Saturday noon the big barbecue takes place. Arrangements are being made to provide barbecue sandwiches and coffee to thousands. In the afternoon there will be a parade which will feature one hundred years of progress. In the parade will be the priceless historical modes of transportation that have been collected by Henry Ford.

Arrangements have been made to have many of the programs inside some of the larger buildings if it should rain. So come whether it rains or shines. Is the general invitation sent out by the citizens of Northville.

The following is the program for the two days:

Friday, August 26—Forenoon
Registering and Reception in Village Hall, Main and Wing Streets.

Afternoon
Street sports, Wing street, north of Main.

Band concert, speaking and early-day history in Village park.

Ball game at Fair grounds. Old timers to play Northville's picked 1927 nine.

Evening
Community gathering, speaking and singing in Village park, Hudson Male Quartet.

Dancing on street.

Saturday, August 27—Forenoon
Registration and reception continued in Village Hall, and band concert in park.

Barbecue in park at noon.

Afternoon
Address by James Schermerhorn, a world-famous speaker. Music and singing by the well known Redford Quartet.

Parade, floats, marchers, vehicles, autos and ships, depicting early Northville history and the 100 years of progress.

Ball game.

Evening
Old time and new time dancing in the streets.
An Revolt.

STATE FAIR BOOKING NEARLY COMPLETED

COST OF FEATURE ATTRACTIONS IN HIGHER THAN FOR 1926.

John L. McNamara, secretary of the Michigan State Fair, said Saturday that bookings in all departments were almost complete for the event which opens Labor Day, September 5, and continues until September 10, inclusive.

General admission has been fixed at 25 cents with children under 10 years old free. The grandstand seat price range is 50 cents, 75 cents and one dollar. Harness races have been carded for the first five days, and Wednesday has been set aside as Governor's Day. At that time Gov. Fred W. Green will award the silver cup trophy to the winner of the Governor's Trot.

A dully horse show will be held in the coliseum and the night spectacle, "The Fall of Troy," with about 300 people in the cast, will be produced in the front of the grand stand.

The midway concession, Mr. McNamara said, has been let to the Rubis & Cherry Carnival Co.

"Our feature attractions," said Mr. McNamara, "will cost \$20,000, considerably more than for last year. Our agricultural department will be much larger than last year as will our industrial department."—The Detroit News, Sunday, August 14.

AN EARLY WINTER.

Weather forecasters claim to see in the cool temperatures general throughout the United States the first week or so in August indicates that we are due for a short fall season. And, of course, a short fall season means an earlier winter. It couldn't be much earlier than last year, when a little fire in the house the latter part of September was not unusual in sections where stoves and furnaces had seldom before been resorted to until along in October. The forecasters may or may not be right, but to be on the safe side Plymouth residents will take advantage of every fair day this month to prepare against the drop in temperature that is soon to come. The winter fuel can be stored away, roofs made ready for fall rains, and stoves, pipes and chimneys put in perfect order as a precaution against disastrous fires. There's plenty to do, even though the forecasters may miss it, and the modern slogan "Do it now," seems to be very much in order.

TOWN BANDS.

We were surprised to read a few days ago, and we believe the average Plymouth citizen will be as much surprised as we were, that twelve states have laws permitting towns to levy small tax assessments on their citizens for the support of municipal bands. The states having such laws are Iowa, Michigan, Maryland, Illinois, Nebraska, Texas, Kansas, West Virginia, New Mexico, Montana, California and South Dakota. The result is that many small towns that could not afford a band if they had to depend on popular subscriptions have good ones, ready to furnish music for all occasions. It strikes us as being a pretty sensible law, for their is nothing that affords more genuine pleasure, and that serves to better advertise a community, than a good municipal band. Can it be that these twelve states are away ahead of the others in recognizing the value of a band, or is it that the other thirty-six are waiting to see how the law works out before they decide to join in the procession?

NOT ALL BAD.

These are the days of the county fair, and while we have considerable proof in various states that it has suffered quite a decline in recent years, there are still enough of them left, and successful ones, to allay the fear that they will soon become totally extinct.

There will always be a place for the county fair in communities that

look upon it as something more than a money making proposition. Always there will be a desire in the hearts of residents to return for a reunion with friends of other days. Fraternalism is still a fact. Changing conditions cannot wipe out a lifetime of friendships. Racing may be doomed and the catch-penny carnival games may be outlawed, but there will always be those who want to see how adept their neighbors are at stock raising and how skilled they are in agricultural pursuits. Housewives will never tire of gazing upon the handiwork of those skilled in kitchen work or with the needle. And the kiddies, always ready for anything that smacks of amusement, would never be rebuffed of the county fair if it could be left to their votes.

The number of fairs is declining; no one in Plymouth will dispute that fact. But those still in operation appear to be on a pretty solid basis, especially those which operate along the lines for which county fairs were originally intended instead of on a dollar-and-cent money-making basis.

EVERYBODY'S BUSINESS.

Plymouth boys and girls are bidding good-bye to vacation days. School desks are yawning and the time for dusting off their books and getting down to fall and winter studies is near at hand. The average boy knows exactly how many days are allotted him for play; he counts them often with reluctance and regret, and no calendar is needed to tell of the approach of all so long as he is around. While our county displays deep interest in its school system, it is a good idea to keep in mind the fact that it can constantly be improved. Schools are something that cannot be too good, and county-wide co-operation in trying to make each succeeding term more profitable to our boys and girls is among the most valuable work our citizens can engage in. If we permit our end of the national educational system to drag it can only deprive those who are coming on to conduct the affairs of the community of privileges to which they are entitled, regardless of the taxable value of their parents' property. The community owes every one of its boys and girls an opportunity to attend a first-class school. If it is not first-class then the community is actually cheating the boys and girls of their rights.

If you have a suggestion you feel would elevate the standard of our local schools, carry it to the proper authorities for their consideration. Whether you have children in attendance or not, it is a matter in which you are personally interested. Only by suggestion, never by destructive criticism and knocking, can we keep our schools in the ranks of the best in the nation.

THIS MAY HELP.

All this talk about "disarmament" interests the average Plymouth man very little, but he is sure to be in-

terested in a statement given out by Senator Capper of Kansas to the effect that he will introduce a bill in the next session of congress providing means for "drafting" dollars, as well as men in all future wars; this country may engage in. The capitalist who had to turn his money over to Uncle Sam, the same as we turn our able-bodied boys, would then not be so enthusiastic for war. It would curb the jingoes and office-chair patriots, for it would then be everybody's war. But, best of all, it would turn over all industry to the president, and that would mean the end of war-profiteering. It looks like the Kansas senator has hit on a mighty bit of peace legislation, and something that should be enacted into law without one dissenting voice.

MUNICIPAL

NOTES

BY THE MANAGER

Any person wishing to connect with the sanitary or storm sewers, has to apply to the Village Treasurer for a permit. A charge of \$30.00 is made by the Village for any sanitary sewer tap previous to the 1927 program. A charge of \$1.00 is made by the Village for a tap on the 1927 sanitary program where the connection has been put in by the contractor. All house connections are to be made with a good grade of 6-inch bell and spigot sewer pipe. All joints are to be sealed tightly with concrete.

A charge of \$1.00 is made for taps to any storm sewer on which the assessment has been made.

Statements are being sent out to water users who are delinquent. Unless water bills are paid by September 1st, 1927, the water will be shut off and a charge of \$1.00 will be made for turning it on again.

The manager has ordered another year of road oil, to be put on the streets that were not taken care of with the last year.

All the holes in our pavements are being patched up.

A CARD—We wish to express our sincere thanks and appreciation to the neighbors and friends for their many acts of kindness extended to us during our recent bereavement; especially do we wish to thank those who sent the beautiful flowers, and those who furnished automobiles.
William Last,
Howard Last,
Mrs. Olu Smith.

A CARD—I want to thank the many friends, who so kindly remembered me during my recent illness.

CROP REPORT

Michigan farmers have experienced a very satisfactory harvest season. Weather conditions were favorable in most sections and much grain has been cut and threshed without any rain during the time. The small grains are doing well and the quality is generally good. Corn and beans are below the ten-year average in condition but not other crops are up to or above the average. Drought is becoming acute over the Lower Peninsula except in the southeastern portion and all cultivated crops are being injured thereby. Frosts of sufficient severity to cause considerable damage to corn, beans, potatoes and the truck crops have occurred during the past week in various sections of the state, according to the monthly report issued by Herbert E. Crowell, Commissioner of Agriculture, and Verne H. Church, U. S. Agricultural Statistician for Michigan.

Corn: Considerable improvement in the corn crop during July was noticeable in various portions of the State but growth was checked during the latter part of the month by drought which prevailed in most sections except the east-central, south east, and Upper Peninsula districts. There are many poor stands and as dry weather still continues at this, the critical period, only a partial crop is possible. The condition as reported is 84 per cent, or 16 per cent below the ten-year average for August 1, and indicates a production of 29,875,000 bushels.

Winter Wheat: The Michigan wheat crop is very good in all except a few counties. The straw is long and only a few sections report any rust. Considerable thinning has been done in the southern half and yields are generally good. The average for the state is 22 bushels per acre, the highest in more than 20 years except in 1924. The estimated production is 20,240,000 bushels as compared with 17,916,000 in 1926. The grain is of excellent quality being rated at 92 per cent, three per cent above the average.

Spring Wheat: Conditions have been favorable in the Upper Peninsula, where the major portion of the acreage is located. The outlook is seven per cent above the ten-year average and indicates a crop of 153,000 bushels against 82,000 last year, as the average is somewhat larger.

Oats: While not a large crop, the yield will be fair in most sections but the quality is only fair as many are light in weight. The condition of 84 per cent is four per cent above the average and two per cent better than last year and is equivalent to a production of 53,000,000 bushels.

Barley: The condition of 85 per cent is four points above the average, and up to last year's condition on the same date. Threshing returns indicate very good yields in most sections and a total crop of 5,055,000 bushels. The increase of one and one-quarter million bushels over last year is mainly due to a corresponding increase in acreage.

Rye: The average yield of rye from this year's crop is 14.7 bushels per acre as compared with a ten-year average of 13.7. There was some winter-killing in a few northwestern counties of the Lower Peninsula but elsewhere the crop is satisfactory. The preliminary estimate of production is 2,846,000 bushels. The quality is rated at 91 per cent which is three per cent higher than the average.

Buckwheat: It is estimated that 68,000 acres were planted in Michigan this year. While it has been too dry for best growth in some sections, the condition of 83 per cent is up to the average of other years at this date, which, under normal weather conditions until harvest, is equivalent to a crop of 931,000 bushels. Last year's production was 765,000 bushels.

Field Beans: Beans show a condition of only 76 per cent which is seven points below the ten-year average for August 1. There were many poor stands and dry weather has greatly interfered with growth in various sections. Only a few counties promise a good yield unless conditions improve very soon. The extreme dry weather at time of report may injure the setting and filling of pods. The August 1 condition, if maintained to the end of the season, would result in a production of 6,718,000 bushels.

Potatoes: The early crop shows rather light yields, but late crop is showing good stands and fair growth. Dry weather is slowing up the growth in many sections and promises to shorten the crop very materially unless the drought is relieved soon. The August 1 condition was 81 per cent, equivalent to a production of 31,262,000 bushels. This outlook is one point better than one year ago and three points above the ten-year average. Beans are unusually troublesome and light is reported in some localities.

Sugar Beets: Many yields are excellent, but on some flat lands where

spring seeding was delayed by wet weather poor stands resulted. The condition of 83 per cent is equal to the ten-year average but two points below last year on August 1.

Field Peas: Favorable weather conditions prevailed in the main producing sections, and a condition of 84 per cent is reported.

Famine Hay: The condition of 90 per cent is unusually high and forecasts a total crop of 4,314,000 tons. Michigan ranked fourth in production last year, and this year's crop promises to exceed that of 1926 by more than 200,000 tons. Clover and timothy and the first cuttings of alfalfa were generally heavy and, in most sections, were secured in excellent condition. Second cuttings of alfalfa will be light in many locations due to the prevailing drought.

Pasture: Pasture conditions dropped from 90 to 80 per cent during July as a result of insufficient moisture. At the end of the month they were still six per cent better than the ten-year average and 12 per cent above one year ago.

Apples: There is a very bad infestation of scab and aphids throughout the state which has greatly lowered the quality of the prospective crop which is now reported to be only 37 per cent of normal. There has been a heavy drop of fruit during June and July due to poor pollination, and the present outlook is for a total crop of 5,125,000 bushels of which 906,000 bushels are rated as the commercial portion.

Peaches: The quality is good, but the crop is mainly confined to a few southwestern counties on favored exposures where some orchards have a good crop. The yield will be very light in other portions of the state, and the total crop, as indicated by the present condition of 31 per cent, is forecasted at 761,000 bushels.

Pears: The quality is much better than that of apples but is also a light crop, being estimated at 574,000 bushels which is 30 per cent of a normal production. The percentage of condition is lowest in the southwest district where 49 per cent of the trees are located.

Grapes: The outlook is considerably below earlier expectations. Spring frosts caused considerable injury and the clusters are scattering and irregular in many vineyards. The condition is reported to be 50 per cent of normal, which is equivalent to a production of 57,044 tons.

Plums: The crop is generally light in most sections and is estimated at only 31 per cent of a full crop. This is a decline of four per cent during July.

Cherries: This crop was the lightest harvested in many years, being only 28 per cent of a normal yield. In the Grand Traverse region, the heaviest producing district, the yield of sour varieties was not much over ten per cent of normal. The yield was considerably better in the southern half of the West Michigan fruit belt, but far below normal in all sections.

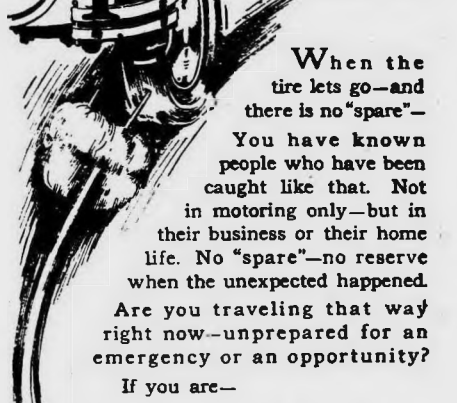

Blackberries and Raspberries: The outlook earlier in the season indicated a very good crop, but dry weather has reduced the prospects and the August 1 reports from growers showed an average of 60 per cent of normal.

Almonds: The weather was more favorable during July in the commercial sections and the percentage of crop increased from 64 to 70 per cent during the month.

COMMISSIONER'S NOTICE

In the matter of the estate of Fred C. Long, deceased.
I, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioner to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that I will be at the Plymouth United Savings Bank, Plymouth, Michigan, on said Monday, the tenth day of October, A. D. 1927, and on Saturday, the tenth day of December, A. D. 1927, at two o'clock P. M. of each of said days, for the purpose of examining and allowing said claims, and that four months from the tenth day of August, A. D. 1927, were allowed by said Court for creditors to present their claims to us for examination and allowance.
Dated, August 10, 1927.
CHARLES A. FISHER,
Commissioner.

A NEW CAR whose Reliability, Power and Style Mark it All-American

Reliability? Look at the longer, heavier frame of the All-American Six—the big new engine, transmission and clutch—the longer wheel-base (117") and larger tires—all the result of pitiless testing on General Motors' great American proving ground!

new heights of beauty and fashion—in the best American tradition.

Longer, lower, more rakish lines. Richer and more alluring Duco colors. Sweeping crown fenders—and luxury features by the score.

Power? Get behind the wheel! Thrill to the pull of the biggest engine used in a six of Oakland's price. An engine whose might no hill can tax—whose smoothness and steadiness are the result of a 78½ lb. counter-balanced crankshaft with Harmonic Balancer, a new type of combustion chamber developed by General Motors' research staff, and Oakland's famous rubber-silencing principle.

Oakland has set the nation talking by building the new All-American Six—and offering it at new low prices! See this history-making car today!

Dr. Frank Crane Says

HUMAN FACTOR WEALTH OF NATION.

People who pile up billion dollar fortunes in the steel business, in banking, in automobiles and otherwise are supposed to be the greatest benefactors to the wealth of the country.

Some years ago, however, John Ruskin wrote about "The Veins of Wealth" in an article in which he held that the true wealth of the nation consisted not in the yellow veins of gold running through the earth, but in the blue veins of human blood.

In other words, men were worth more to a country than natural resources.

Had the Pilgrim fathers, who landed on the bleak shores of New England some years ago, landed in Manila, the Philippines would by this time have been as prosperous as Massachusetts. Take all the Philippines and transfer them to New England and in their stead put New Englanders in the Philippine Islands, in a short time New England would be devastated and the Philippines prosperous.

It is men who make the country. With this in view we consider Senora Esperidiona Chavez, 89 years of age, of Los Angeles, rocking the cradle of her one hundred and sixty-second direct descendant. She has nine daughters and two sons and they are all up-life.

Mrs. Chavez has therefore added to the country more wealth than that of John D. Rockefeller.

Property has to be cared for and property rights to be expected, but the most inestimable treasure of the land is its human beings.

France is supposed to be decadent because the death rate piles up and the birth rate is decreasing. On the contrary, it is faced by prodigious Germany with a steadily increasing population.

The most important power in the earth is its out-populating power.

This, in the end, wins more battles than armies or battleships.

The health and vigor of a nation is a better defense to that nation than armies and equipment. No matter how many tools you have, it takes men to use them.

No matter how marvelous and complete is a locomotive, it is valueless without an expert engineer. No matter how good your airplane, you have to have a Lindbergh to make it a success.

In the end, it is always the human factor, and men do well to conserve life above all other things.

Picked Up About Town

Dad Plymouth says the two most pitiful sights in the world to him are offered by the man who is trying to quit smoking and the woman who is trying to keep young.

"There are two million laws in the United States and yet," declares Dad Plymouth, "you can keep all of them by just being reasonably decent."

"Many men have made a success of the mail-order business," says Dad Plymouth, "but they are not the ones who got their wives that way."

One-half of the world owes money that it can't pay and the other half has money that it can't collect.

"Life was safer for husbands," asserts Dad Plymouth, "when wives were good cooks instead of good shots."

Dad Plymouth says because a woman picks her husband's pockets is no sign that she would pick his shirts and neckties.

It isn't how you start a vacation that counts nowadays. It's how you finish up.

AROUND ABOUT US

The daily airship flights of "Miss Grand Rapids" from Detroit to the furniture city have been discontinued.

Groves-Walker Post, American Legion, of Farmington, is planning a big gala day celebration on Labor Day, September 24th.

Thieves forced an entrance into the Hoppe store at New Hudson, last week Monday night, and made a get-away with merchandise valued at approximately \$700.

Worley & Son inform us that last week they threshed 435 bushels of American Banner wheat from 10 acres of land. This would appear to be one of the best crops of wheat in this section.—South Lyon Herald.

In the office of Mr. Marz, city sanitary inspector, is a chart showing the absence of any epidemic, whatever, of disease in Ann Arbor this summer. This is the situation in a city of 25,000 population.—Washtenaw Post.

The Globe Furniture Company of Northville has just received an order from a large Jewish temple in Chicago for new pews for the entire church. The shipment will fill two big freight cars. It will be made in September.

By a vote of 94 to 6, electors of Northville Monday, August 8th, decided that the charter commission selected at a previous election had prepared a charter that was satisfactory for the operation of the city government.

Following the dissolution of the Novi Consolidated School District, the Novi village school will proceed to erect a new and modern building adequate for the needs of its growing community. A new five-acre site is to be selected, and a \$60,000 building is proposed.

An immense drainage project, including much of the city of Farmington, and a considerable area of Farmington township, has been planned by the County Drain Commissioner's office and will probably be carried forward in the near future. The cost of the new drain is estimated at \$804,000.

The Wayne County road commission is rapidly pushing the improvement on the Seven Mile road at the corner where an S turn has been responsible for many accidents. The bill is being made now so that it will have plenty of time to settle before the paving is laid late in the fall.—Northville Record.

The Redford Country Club is building a \$400,000 club house at Franklin, Mich. Two years ago the club bought 400 acres of ground at Franklin, and in April, 1926, work was started on the new golf course. An 18-hole course was laid out, and work on this is still going on. It will be ready for play in May, 1928.

The Capital Land Co. of Detroit, has acquired 1400 acres north of Brighton, beginning at Benjamin Corners and extending nearly to Clark lake. A dam will be built on the stream running through the property, creating a lake 1 1/2 by 1 1/4 miles. Other features will be a hotel, club house, dance hall, 18-hole golf course, and landing field for airplanes.—Milford Times.

When a lad in the country school C. W. Wilbur studied about the land of the midnight sun. His geography said there was such a place. Now the cashier of the Northville State Savings bank knows there is such a place from personal observation. For he was fortunate enough to be up above the Arctic circle during the last of June when the sun never is out of sight day or night. "I took pictures of the sun at 11:00 o'clock at night, at midnight and at 1:00 o'clock at night," he said upon his return home from a trip that took Mr. and Mrs. Wilbur and Farmington friends over a great portion of Alaska.—Northville Record.

CATHOLIC NOTES

Helen Domovin was brought home from the hospital last Sunday afternoon, and is reported to be on the gain.

Word has been received of the deaths of Rev. F. McCusker, of Detroit, and Rev. George O'Sullivan, of Georgetown.

Rev. W. A. Graber, of Sturgis, called at the rectory during the past week.

Next Sunday is Holy Communion Sunday for the ladies of the parish.

The house at 276 Union street is being painted and repaired and then will be ready for a renter.

Nethem defeated Northville last Sunday 7 to 6. Next Sunday they play M. C. Red Caps at Newburg.

Do not forget your "local collection" envelope this month.

Eddie McQuillon is still at the University hospital.

METHODIST NOTES

The Sunday-school union picnic, Wednesday, August 24th. Final announcement Sunday; further comment unnecessary.

TUBERCULARS PLEDGED AID

DETROIT SOCIETY EXPECTS TO PROVIDE HOSPITAL BEDS FOR HUNDREDS.

Hundreds of tubercular patients in Wayne County who have been unable to receive hospital treatment because of the lack of beds in sanatoriums will be provided for within the next few years, according to the plans of the Tuberculosis Society of Detroit and Wayne County, which is conducting a campaign among cities, villages and townships.

Resolutions petitioning the Wayne County Board of Supervisors to appropriate funds for the construction of a county sanatorium for tubercular patients have been passed by cities, villages and townships in Wayne County, and will be presented at the September meeting of the board, according to Dr. D. S. Brachman, medical consultant for the Tuberculosis Society.

"Detroit is taking care of its own," Dr. Brachman said, "but it can not provide for county patients. There are only two sanatoriums in Detroit which can hospitalize patients, and there is usually a waiting list of 250 of them. Through Senate Act 175, passed at the last session, the county assumes the responsibility for its tubercular patients, and if the cities, villages and townships will petition the Board of Supervisors, I do not think it will take us long to obtain needed funds—about \$750,000—for construction of a county hospital to care for 150 patients."

"Within a year or so the new wing on Herman Kiefer Hospital is expected to be completed, providing for 500 patients. Yet there are almost 1,600 persons in Wayne County outside of Detroit who suffer from the disease, and there are nine cases to every death. While the addition will be of inestimable help, we must provide for the future," he added.—The Detroit News, Sunday, August 14.

W. C. T. U.

The Woman's Christian Temperance Union will meet next Thursday at 2:30 p. m. with Mrs. S. L. Bennett for a picnic and pot-luck lunch. A good time is anticipated and it is hoped that members will make special efforts to be present, and that each will bring plate, cup, fork and spoon, thus lightening the work of the hostess.

The program will be in charge of Mrs. H. S. Doerr and the speaker for the day will be Rev. F. L. Walker, so the program will no doubt be one of special interest.

Tactful. "Ah wins."

"What yuh got?" "Three aces."

"No yuh don't. Ah wins." "What yuh got?" "Two nine an' a razor."

"Yuh sho' do. How come you so lucky!"

SOUTH SALEM

The Federated Sunday school picnic was held Thursday at the state park, Island Lake.
Mr. and Mrs. Peter Fallot had as guests for dinner and supper Sunday Mrs. Fallot's brother, Charles Houton, and family, Mr. Fallot's sister, Mrs.

Bacon, and family, and grandpa, George Pettit, and Mr. and Mrs. Gardner, all of Detroit.
Vilma Dolecek is getting along nicely. She expects to come home soon. The South circle will hold a "baby show" at the home of Sadie Dixon, 1110 Pearl street, Ypsilanti, August

24th. All babies up to two years of age will receive a prize.
Mr. and Mrs. Van Bonn were in Detroit, Monday, attending the funeral of George Elliott's sister, Mrs. Holsburgh.
Roy Van Kleet, of Rosedale Gardens, returned home with Frieda

Hanson Sunday night to spend the week with Bernice and Bobbie Hanson.
Mrs. Ellen Cole and son, Will, spent Saturday in Pontiac. Mrs. Cole remained until Sunday afternoon.
Mr. and Mrs. Mayford Sieloff spent Sunday in Britton at the reunion of Mrs. Sieloff's relatives, held at the home of Mr. and Mrs. Ernest Bordine.
Mrs. Sockow is sick again. She was taken Thursday. Her daughter, Mrs. Weed, has been caring for her.
Mr. and Mrs. Crookmore, Sr., left Monday for Kentucky, their old home. They will be gone a week.

WELL-BALANCED PROGRAM OF ENTERTAINMENT AT TEMPLE.

Manager Herb Jennings of B. F. Keith's Temple theatre has booked a show for the week starting August 21st that should please everyone. The program offers everything from wonderful music and beautiful dancing to uproarious comedy and novelty surprises. The headline act on the vaudeville bill will be Maryon Vadie and Ota Oygi with the Maryon-Vadie dancers. Ota Oygi is a concert violinist who until he came to America was the court violinist to the king of Spain, while Miss Vadie is conceded to be one of the most famous American dancers. Homer B. Mason and Marguerite Keeler will offer a humorous travesty known as "Money, Money, Money." The balance of the vaudeville includes Johnny Herkos in "Maybe Who Knows?" assisted by Virginia Sully; The Crooners, who say they are "Just Crooning," and Porez and Marguerite in a delightful novelty treat.
The feature photoplay will be "Rich Men's Sons," with the adorable Shirley Mason and the handsome Ralph Graves in the leading roles. The story of the film attempts to show that all rich men's sons are not spendthrifts, but that most of them are able to really work and to accomplish something. A thrilling love story is interwoven in the adventures and misfortunes of a rich man's son. The usual interesting Pathe News, Aesop's Fables and Pathe comedy completes the program.

STARK

Earl Larden is in the Ford hospital for treatment on his eye.
Miss Anna Sanders, of Detroit, and Miss Elizabeth Hayball, of Plymouth, are spending a few days with Henrietta Winkler.
Mrs. Hazel Cook is reported somewhat better at the Harper hospital. We are all hoping for a speedy recovery.
Frank Potts and daughter, Frances, of Charoneville, spent Tuesday with Earl May and family.
Harry Grimms, of Wayne, spent the week-end with R. E. Vantassel.

PERRINSVILLE

Don't forget the brick school reunion Saturday, August 20th.
Mrs. Belle Bachr is able to be about again, after two weeks illness of pneumonia.
Marle Bridge is spending her vacation with her grandparents, Mr. and Mrs. George Bachr.
A very pleasant Aid meeting was held at the home of Mrs. Christner on Ford road.
Perrinsville is certainly taking on a different appearance, with three houses moved on Main street. The golf grounds are looking very beautiful before seeding.
Albert Tait is moving this week.
Master Bobby Bachr Noll has been suffering from gland trouble, and is under the doctor's care.
Doris Bridger has been spending a few days at Ypsilanti.
Mr. and Mrs. Lon Hanchett and Mrs. Emma Steinhauer of Ford road, spent Saturday in Plymouth.
James W. Love has been appointed treasurer for this term of Perrinsville school district No. 2, of which John Beyer and Floyd Bassett are board members. Mr. Love takes the place of Arnold F. Polker, who was elected at the recent school election but failed to qualify.

Look Natural, Please.

Big Blake—"Are you the great animal painter?"
Artist—"Yes, do you want to sit for a portrait?"

Any Way You Want It.

"But, dad, Billy has got character. You can read it in his eyes."
"Then, Muriel, I've just blackened his character."

A CARD—I wish to thank the

Masonic Lodge, friends and neighbors for their many acts of kindness during my long illness this summer.
Frank L. Schaufele

NASH

Leads the World in Motor Car Value

3 New Series—New Lower Prices

The Finest, Fastest cars in all Nash history

Greater **SPEED** than ever before is a keynote characteristic of the new Nash models.
They are finer, **FASTER** cars than any Nash has ever developed.
Nash has worked wonders in turning the phenomenal possibilities of the 7-bearing motor into realities.
Just drive one of these new Nash models. Their lightning-like pick-up, their amazing speed and their unequalled smoothness will give you a distinct new motoring thrill.
And they're the **EASIEST** riding cars you ever traveled in.
Each model is equipped with the new Nash secret process alloy steel springs.

These new springs are individually engineered to each model—tailored scientifically to the weight and size of the car.
Even the Standard Six Series—priced down to the 4-cylinder field—have these remarkable springs.
There are 21 new Nash models for you to inspect. They offer new beauties in body design and rich new color harmonies in finish.
Come in and see them at once. At the new lower prices Nash has established they offer motor car quality and value without a parallel.
Before you buy any car—**DRIVE** one of the new Nash models.

SALEM

There will be church services Sunday morning at the Ebenezer church.

Harmon Gale and family attended the circus in Ann Arbor Saturday.

Mrs. Nellie Bird, of Plymouth, spent Monday with her mother, Mrs. Jennie Smith.

John Bussey and sons, of Detroit, and Mrs. Lydia Bussey, of South Lyon, spent Sunday at the latter's home in Salem. Mr. Bussey returned to Detroit Sunday evening and Mrs. Bussey and grandsons remained for a longer stay.

Mr. and Mrs. A. C. Wheeler, of South Lyon, and grandson, Stanley, were Tuesday afternoon callers of Mrs. Lydia Bussey in Salem.

Miss Dorothy Foreman, of Detroit, is enjoying a two weeks' vacation at the home of her parents and with her sisters in South Lyon.

Mrs. Sarah Stanton and Mrs. Mary Dake were Tuesday dinner guests at the George Roberts home.

Mrs. Bowers and sons, Frank and George, and Hugh Foreman spent Monday in Ann Arbor.

Mrs. Amelia Perkins returned home Saturday from Dr. Atchison's hospital, where she has been for several weeks.

Mrs. E. Wilcox is very ill at this writing.

Mr. and Mrs. Merrill Renwick and son, of South Lyon, were Sunday dinner guests of the latter's parents, Mr. and Mrs. George Foreman.

Mrs. Jennie Smith spent from Wednesday until Saturday with her daughter, Mrs. Nellie Bird, of Plymouth.

Mr. and Mrs. Coda Savory and family, Mr. and Mrs. W. Cole and family, Mrs. Jennie Smith and Harmon Gale, wife and family spent Sunday.

WHITBECK'S CORNERS

Miss Carol Gale, of Ypsilanti, is spending the week with her sister, Mrs. William Rengert, and family, of this place.

Mrs. Freeman and Mrs. Parrish were visitors recently at the home of the former's parents, Mr. and Mrs. Noble, of Flint, and also called on Mr. and Mrs. W. B. Parrish.

Mr. and Mrs. Otto Kaiser and family spent Friday at Patterson Lake.

Mr. and Mrs. Lock, Mrs. Showers and Mrs. Freeman and daughter, Blanche, spent Sunday afternoon at the Irish Hills.

Sunday Mr. and Mrs. Otto Kaiser and Mrs. Parrish went to Ypsilanti to see the latter's son and grandson who were quite badly hurt in an auto accident last week Monday. They

were quite badly cut and bruised. It took several stitches to close the cut in Mr. Parrish's leg.

Mr. and Mrs. George Gordon and Mr. and Mrs. William Rengert and daughter, Jewell, also Miss Carol Gale, who is visiting her sister here, attended the show at Ann Arbor Saturday.

Mrs. Parrish and Mrs. Freeman attended the picnic on the Patchin school grounds Saturday afternoon. The crowd was not as large as it usually is, but those that were there seemed to enjoy themselves visiting and talking of old times.

NEWBURG

On Sunday Rev. Walker gave us a very interesting talk on the historic city of Boston, where he has recently been on his vacation.

Little Winifred Cutler had the misfortune to fall and break her arm.

Miss Virginia Grimm had her tonsils removed last Friday morning in Detroit. She is getting along fine.

Mr. and Mrs. Raymond Ryder and daughter, Ambelle, and son, Donald, from La Grange, Ill., arrived Thursday night at the home of Mr. and Mrs. Clyde Smith. They also visited their mother, Mrs. Charles E. Ryder.

Mr. and Mrs. William Smith arrived home Thursday from Brimley, Mich., where they have been for the past week.

Ben J. Rhoad, formerly of Newburg, has endowed his brother's lot in the Newburg cemetery.

Mr. and Mrs. Lloyd Carney and children, of Crosswell, Mich., spent the weekend with Mr. and Mrs. Ira Carney.

Mr. and Mrs. Clark Mackinder spent Sunday with Mr. and Mrs. Norris, of Strathmoor.

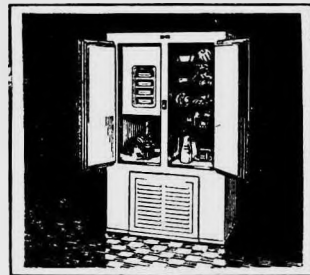

Several from Newburg attended the Patchin school reunion. There were 73 present. The following officers were elected for the coming year: President, Fred Gency; treasurer, William Smith; secretary, Mrs. Ralph Raymo, of Wayne.

C. W. Leonard and sons, Bill and Charles, are spending a week's vacation in the north.

Mrs. Mark Joy and Mrs. Mabel Bassett, accompanied by Elizabeth and Charlotte Leonard, Edith Schmiede, Ruth Cochrane, Margaret Bassett and Lydia Joy, are spending a week at Songdon Lake, near Commerce.

The Misses Anna and Ada Youngs are enjoying a vacation through the north, visiting various points of interest.

The plans for the Newburg reunion are all ready. Remember the date, Saturday, August 27th.

A
Household
Blessing

Not by any means the least of the advantages offered by the

Electric Refrigerator

is the peace of mind it brings to the housewife.

At once all anxious thoughts about food spoilage are removed; all effort to keep the refrigerator cold enough laid aside; all need of cleaning up floor and box done away with.

The Electric Refrigerator is automatic; it takes care of itself—and the things you put into it. You don't have to give it a thought or the touch of a finger.

You know perhaps that it supplies little cubes of ice and makes nice frozen desserts. Sold on very convenient terms

PLANTING WHEAT? READ THIS!

7½ TIMES the Fertilizer's Cost

Rensselaer, Ind.
Sept. 24, 1926.

The American Agricultural
Chemical Company,
Detroit, Mich.

Sirs:

Last Fall I purchased from your local agent some "AA QUALITY" Fertilizer (Agrico Brand, 2-12-4) and used it on my wheat field. I used 150 pounds to the acre. My wheat yielded 30 bushels per acre and was of the best quality. I got 15 bushels more to the acre by using your fertilizer.

Yours very truly,

(Signed) W. I. HOOVER

Figure it up for yourself. Increased yield, 15 bushels to the acre, paid for the fertilizer seven and a half times over. A good profit on foresight and care in selecting fertilizer on its crop-producing record.

Please remember that every batch of "AA QUALITY" Fertilizer has first to prove its value in our well-equipped laboratories. It has to meet tests which establish its crop-producing value. Every "AA QUALITY" Fertilizer is built up to a standard, not down to a price.

THE AMERICAN AGRICULTURAL CHEMICAL COMPANY
Sales Office and Works
P. O. Box 814, Detroit

Look for the "AA QUALITY" seal on every bag of fertilizer. It stands for 60 years of manufacturing experience.

This seal guarantees more than correct chemical analysis—it assures you of proven crop-producing value.

Best known to you under these Brands

THE WORLD'S BEST BY EVERY TEST

CROSSING THE OCEAN. DEATH AND A TRIP TO EUROPE. NEWS FROM BOTH SIDES. PERHAPS WE COME BACK?

Written on the Aquitania on the way to Paris, by way of Cherbourg, leaving New York just after midnight yesterday morning.

No matter how often you cross on big ships like this, or little ones, you are reminded that the long trip called death and an ocean voyage are not unlike.

You take your "last dinner" in New York, friends are more or less sorry to see you go. That's the death.

On board ship you sail through space for some thousands of miles, with only water all around you. That's the trip from here to the next world.

In due time you land in that next world, to find it different from this, and very interesting.

If you go to Paris—this writer is going there—you reach what many Americans consider a fairly good imitation of heaven.

The safety in crossing our little ocean, the certainty of landing on the other side, should make us worry less about the big crossing over the ocean of ether.

Once we knew as little about an Atlantic crossing as we know now about the "final trip" that each must take when his turn comes.

When Columbus started, they told him he would fall over the edge of the ocean.

When the Phoenicians, ancestors of many energetic Jewish citizens first sailed from the Mediterranean through the Straits of Gibraltar, past the gigantic rock and into the Atlantic Ocean, friends thought that was the end of them.

Now crossing the ocean is like going from New York to Chicago. You hear from your friends on both sides of the ocean. Business messages come from the United States side, other messages from the European side; when 1,000 miles from shore.

Science has conquered this little ocean. Intelligence has made it familiar, cleared out sea serpents, taught us we need not put wax in our ears to shut out the singing of sirens, convinced us, to our sorrow, that no mermaids are waiting to pick us up when we fall overboard. All fear and superstition are gone from these floating cities. A preacher on board does not worry the sailors—there are no sailors.

Our oceans and our land have been cleared of all superstitions, unreal horrors, chimeras, hydras and gorgons dire.

It has taken men all of the million years they have lived on earth to change from cave-men cannibals to modern exploiters of their fellow men and to get rid of earthly superstitions. Many haven't even done that yet. Eventually we shall get rid of all the superstitions and look forward to death and the voyage that comes after it as calmly as we now prepare for a trip across the little Atlantic.

As people go to Paris and come back none the worse for the trip, and take up their activities again, many believe those that take the voyage of death come back from that trip to earth and take up their work about where they dropped it.

To them it seems reasonable to credit Eternal Justice with wise economy, and it would seem useless waste of time to send billions of imperfect creatures to work in another corner of the universe when the work here isn't finished.

We are only twelve thousand years from the late Stone Age, not two hundred years from the stage coach and saloon.

A simple idea like putting the eye of a needle in the point instead of the thick end made the sewing machine possible and freed millions of women from slavery. We should believe that other ideas will free us from the slavery of superstition, which has driven us hard through the centuries and caused more brutality, fear, cruelty and murder than all other causes together.

Tennyson hoped there would be no mourning at the bar when he put out to sea, and wrote prettily about "Twilight and evening star." Typical mid-Victorian, that last trip worried him. Earth's citizens of the year 10,000,000 may think as little about that "last" journey, feel as sure about it as a modern thinks and feels about his trip to Paris now.

If a Plymouth mother had to wear the same clothes that her daughter feels all dressed up in she would feel like she was preparing to take a bath.

Today's Reflections

Every cloud has a silver lining, and even an old suit of clothes has its shiny side.

Our idea of a forward-looking man is the Plymouth citizen who has already started to wonder if he can make his old overcoat last another winter.

While they are placing Bibles in hotel rooms, why don't they slip a couple to the man who makes the hotel rates.

There are all kinds of people in the world, including the Plymouth man who likes to hear his wife tell how many proposals she had before she met him.

We notice that none of the humorists who are getting off wise cracks at the expense of Mussolini live in Italy.

An umpire is a man who never makes mistakes against any team but the home team.

If you want to see a pessimist, hunt up the Plymouth man who refuses to count his chickens until they begin laying eggs.

It would be cheaper if parents would teach their children how to smoke cigarettes at home instead of sending them to college to learn.

Politicians are always wondering what "the man in the street" is thinking about. He is wondering if he can get across without being struck by a car.

We are not much of a believer in luck, but there are some fellows around Plymouth who would light on their feet if they fell off a skyscraper.

Another 8-cylinder pest is the fellow who butts in to tell the rest of the crowd that he has heard your pet story before.

The easiest way to make your wife mad is to buy her a dress or hat exactly like the last one you bought her.

More Plymouth men would volunteer to help their wives with the dishes only for the danger of having their services accepted.

A Vermont man was given a divorce after dodging dishes for thirty years. Maybe he is getting so old he can't dodge any more.

Dainty Dorothy has told you, Mr. Good Dresser, that her clothes last ever so much longer because she has them dry cleaned instead of laundered.

A thorough dry cleaning will make your suits and top coats look fresh and new. The thrift habit is appealing to the men who know that clothing materials must be made to do as far as possible. Let us call for your clothes that need cleaning.

A year of watch service ...what is it worth to you?

Imagine planning a day's work without a watch to check you up on the time! You'd simply have to get the time from someone else—or guess at it.

Yet the cost of this invaluable service is amazingly slight.

For example, you pay \$40 or so for a suit of clothes which lasts you perhaps a year.

The price of your suit invested in a watch gives you many years of faithful timekeeping service, at a cost of only two or three dollars a year!

Just consider what this service is worth to you, and you will readily see the advantage of owning a really good watch dressed in the most modern and beautiful case designed by Wadsworth.

We have an exceptionally fine assortment of high grade watches from which you may choose the one that best suits your taste and purse.

OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION

Plymouth, Mich., Aug. 1, 1927.
A regular meeting of the Commission held in the Commission room of the village hall, Monday evening, August 1, 1927, at 7:00 p. m. Present—All five Commissioners.

The minutes of the regular meeting of July 18th, and the special meetings of July 20th and July 25th were read and approved.

On motion made by Commissioner Pierce, seconded by Commissioner Learned, the Manager was instructed to communicate with the Engineers, Hoad, Decker, Shoecraft & Drury, and secure an estimate of the cost of a sanitary sewer to be constructed on Sutherland Ave. westerly from South Main street, 316 feet, and to secure a bid from the contractor covering construction of said sewer to be submitted to the commission for their consideration at the next regular meeting.

Mr. Wm. A. Blunk was present and made a plea for a change in his assessment on the Arthur street storm sewer. On motion made by Commissioner Henderson, seconded by Commissioner Learned, the assessment of Mr. Blunk was reduced 33 1/3 per cent with the understanding that this amount was to be assessed on the extension of Arthur Street sewer at the time such extension was made.

On motion of Commissioner Henderson, seconded by Commissioner Pierce, the Treasurer's warrant for collection of taxes was ordered extended from August 10 to September 10 with a 2% penalty added.

On motion of Commissioner Henderson, seconded by Commissioner Pierce, the Attorney was instructed to correspond with the Kroger Raking Company, regarding damage on Village can caused from collision with their truck while they were backing into the street.

On motion of Commissioner Henderson, seconded by Commissioner Henderson, the following resolution regarding the assessment of sanitary sewers was offered and carried.

RESOLVED, by the Village of Plymouth, State of Michigan:

Section 1. That it has been declared by this Commission a public necessity that a sewage disposal plant and certain trunk line and lateral sanitary sewers be constructed in the Village of Plymouth.

Section 2. That of the estimated cost of that part of said improvements to be constructed in 1927, the Village of Plymouth shall pay \$18,400.23 and \$54,774.87 shall be assessed against the private property particularly benefited by said public improvements, said property so particularly benefited being hereby designated as special assessment districts and being all of the lots or lands as described as follows:

District No. 1. All lots and parcels of land abutting on Arthur street from Penniman Ave. to the P. M. R. R.

District No. 2. All lots and parcels of land abutting on Blunk Ave. from Church street to Junction Avenue.

District No. 3. All lots and parcels of land abutting on Ann street from Williams street to Junction Avenue.

District No. 4. All lots and parcels of land abutting on Church street from Harvey street to Peniman Avenue; on Rose street from Amelia street to Mill street.

District No. 5. All lots and parcels of land abutting on Sheridan Avenue from Lincoln Avenue to Moreland Avenue; on Lincoln Avenue from Ann Arbor street to Sheridan Avenue.

District No. 6. All lots and parcels of land abutting on Harper street from Ann Arbor street to Wing street; on Deer street from Maple Avenue to Wing street; on Kellogg street from Maple Avenue to Wing street.

District No. 7. All lots and parcels of land abutting on Union street from Penniman Avenue to Main street; on Dodge street from Main street to Union street.

District No. 8. All lots and parcels of land abutting on Joy street from Fairground Avenue to Coolidge street; on Fairground Avenue from Maple Avenue to Fair street; on Ann Arbor street from Mill street to the village limits.

District No. 9. All lots and parcels of land abutting on York street from Pearl street to Lindenbrook street; on Castor Avenue from Mill street to Holbrook Avenue; on Pearl street from Starkweather Avenue to Beech street; on Spring street from Holbrook Avenue east; on Hollbrook Avenue from the P. M. R. to Lindenbrook street; on Lindenbrook street from Mill street to York street; on Farmer street from Adams street to P. M. R. R.

Said assessments to be made as nearly as may be in proportion to the benefits which each of the assessed pieces or parcels of land will receive by reason of the construction of the said public improvements.

Section 3. RESOLVED FURTHER, that the said lateral sanitary sewers shall be and are being constructed in accordance with the plans, specifications and details as now on file in the office of the Village Manager.

Section 4. RESOLVED FURTHER, That Arthur V. Jones, assessor of the said Village of Plymouth, is hereby directed to make an assessment on all lots and parts of lots and lands described above, along which said sewers shall run, its proportion of the \$54,774.87 as nearly as may be to the benefits which each of the assessed parcels of land will receive by reason of the construction of said improvement and after having made said assessment to forthwith report the same to the Commission.

Ayes: Commissioners Henderson, Henderson, Learned, Pierce and President Fisher. Nays: None. Carried.

The police report for the month of July was received and ordered filed.

Upon recommendation of the President, Mr. Russell Wingard and Mr. Martin Stringer were appointed to the Board of Review, to take the places of William Blunk and Charles Mather.

The report of the auditing committee recommended the payment of the following bills:

Fred Reiman	\$ 17.40
Detroit Edison Co.	20.03
General Machine & Iron	140.50
Henry Gottschalk	4.95

Huban & Beckman	12,101.82
Hoad, Decker, Shoecraft	728.08
Total	\$18,756.49

The also approved payment of the

THE THEATRE

"DRUMS OF THE DESERT"

Paramount's latest Western "Drums of the Desert" reaches the Penniman Allen theatre next Saturday, August 20, with what is perhaps the most imposing cast of players ever seen in a similar production. Warner Baxter portrays John Curry, mystery man, friend of Chief Brave Bear. Marietta Miller, UFA actress, enacts her first American role as Mary Manton, touring the Navajo reservation with her father, in search of Indian ruins. Ford Sterling has the comedy lead as "Painless" Perkins, a desert nomad. In addition to these featured players, Wallace MacDonald, George Irving, Heine Conklin, Guy Oliver and Bernard Siegel have important parts.

Adapted from Zane Grey's "Desert Bound" this new film concerns itself with the efforts of a group of thieves who try to force an Indian tribe off the desert reservation on which they have lived since the beginning of time. In his efforts to befriend the warriors, Curry almost loses the respect of the girl he has learned to love. And before matters are finally cleared up, the ancient "drums of the desert" are heard, calling the braves to council and warpaint. What happens when Curry tries to dissuade them from bloodshed and falling attempts to show the whites the foolishness of their ways, can not be amply described. It must be seen to be appreciated.

John Waters known for his masterful handling of Zane Grey's "Born to the West" and "The Mysterious Rider" directed "Drums of the Desert." John Stone prepared the screen play.

"ROOKIES"

Education, as well as entertainment, were the ingredients mixed for the story of "Rookies," a new Metro-Goldwyn-Mayer, which comes to the Penniman Allen theatre, Sunday and Monday, August 21 and 22.

The story, a farce by Byron Morgan, author of many red-blooded magazine and screen stories, was prepared with the assistance of a number of army officers detailed from the regular army to the citizens' military

training camps, held annually in most of the States of the Union.

These officers gave technical advice to the author of the screen story, though they had nothing to do with the wearing of the comedy romance against the military background.

The screen tale completed, these same officers acted as technical advisors during the filming of the picture at the training camp at Del Monte, California, and at the balloon, aviation fields and studio where it was directed by Sam Wood.

Every foot of military life, depicting the action of the citizens' military training camp, is the real thing, made before the eyes of the army officers whose duty it is to teach the civilian recruits to learn warfare in peace-time.

Throughout the making of the picture, army aviators, balloon pilots and observers were used. Regulation army pack parachutes were used for the perilous jumps and the entire balloon sequence, filmed above the clouds

over Hollywood, was taken while the great gas bag was under the supervision of competent aeronauts with government licenses.

Soldiers from Fort MacArthur and other military reservations took part and the Del Monte training camp site was used as a locale. The production features Karl Dane and George K. Arthur as a new screen comedy team, with Marceline Day and Louise Lorraine in the leading feminine roles.

"WEDDING BILLS"

When the wedding bells are through ringing, there are the bills to pay, but sometimes there is a great deal more to it than that, as the action of "Wedding Bills," Raymond Griffith's latest Paramount comedy coming to the Penniman Allen theatre, Wednesday, August 24th, proves.

If you've been a harassed best man, you can appreciate how Ray feels when life is just one wedding after

another with no prospect of immediate relief from the arduous duties of chief nuptial assistant. He swears off all weddings, but to no avail, for his best friend decides to get married, and Ray has to be there to lend moral support. A blonde vamp, and a super-sensitive bride contribute to the sum of uncertainties, and the trouble comes. Ray is elected to pacify the vamp who is much perturbed over the coming wedding since she was once sweetheart of Tom Milbank, the bridegroom. Moreover she holds certain letters of his that if shown to the jealous bride would break up the romance. The price of her consent to the marriage seems to be a \$20,000 necklace.

Ray contracts to get this on approval at a jeweler's, and staid it back from the vamp later, but alas for all well laid plans. He gets the jewels all right, but in doing so falls in love with a beautiful unknown, and when he finds that she is secretary to Tom's father, her proximity adds to his confusion. The necklace develops a way

of disappearing, and the panic is on. The clever Ray, however, hits upon the solution, but only after a series of episodes in which the well-known high ball comedian exhibits every trick in his well-stocked repertoire. The laughs are plentiful.

A new leading woman in the person of Ann Sheridan is seen in "Wedding Bills." She is said to be a blonde beauty of remarkable ability as an actress. She first came to the attention of the Paramount officials because of her work in Wallace Beery's "Casey at the Bat." Hallam Cooley, popular young actor of the screen plays the part of Griffith's friend, Iris Stuart, 1927 Wampus Baby Star, has an important role.

Erle Kenton directed from the story by Lloyd Corrigan, Grover Jones and Keen Thompson.

Nowadays a bride is led to the altar about the same way a driver leads the horse that is running away with him.

The diner had not enjoyed his meal at all. And in accordance with the instructions on the menu "kindly report any dissatisfaction to the management," he called the head waiter to his table.

"I have a serious complaint—" began the diner, but was interrupted.

"Then why don't you try a hospital, sir?"

PROPER ELIMINATION
Does your body show proper functioning? Skin diseases and eruptions manifest wrong functioning. They are outward and oftentimes uncomfortable manifestations of poor elimination.

PROPER ELIMINATION
makes skin diseases impossible. The kidneys, bowels, lungs and skin are organs of elimination. When one of these organs fails the others carry the burden of elimination of wastes and poisons from the body. When more than one fails the task becomes yet harder on the ones left to maintain proper elimination. In most skin diseases, then, we see but outward manifestations of the fact that the skin is attempting to eliminate what the other organs should be, but are not, eliminating.

IMPROPER ELIMINATION HAS A CAUSE
If you have subluxations (displacements) of the spinal segments of a certain location and degree, certain skin diseases will result, and salves and ointments will not drive them away or rid you of the cause. They suppress the symptoms.

THE NEUROCALOMETER
locates the cause of your trouble.

CHIROPRACTORS ADJUST THE CAUSE
Get rid of the cause and you get rid of the disease.

DEATH OF MRS. WM. LAST

The deceased, Mrs. Minnie Last, was born in Gugulow, Kreis Stulp, Germany, on December 16, 1875, the daughter of Mr. and Mrs. Karl Ferkel. Two years after her birth, her parents brought her to this country, where they located in Ohio. In Clyde, Ohio, she received her education, and on March 29, 1891, she was confirmed in St. Paul's Lutheran church at Clyde.

On the sixteenth of December, 1896, she was united in holy wedlock with Wm. Last, which union was blessed by God with two children, Howard Last and Ola Smith, nee Last.

In the year 1910, Mr. and Mrs. Last came to Michigan and located on a farm near Lapham's Corners, where Mrs. Last, through her great industry and ambition, made a beautiful home for her husband and children, and with her quiet yet friendly disposition she drew many friends to their home.

Three years ago, Mr. and Mrs. Last left the farm, and moved into one of their houses, the one located on Harvey street; yet Mrs. Last always was restless and felt homesick for her farm. For many years she had been alling with heart trouble and bronchial asthma. About two weeks ago, her heart trouble became more severe, and for about one week she was confined to her bed where at times she suffered great distress. She knew the end might be near and prepared herself for it with God's word and prayer, also strengthening her faith with the Lord's supper.

On Friday morning when she began to become drowsy and unconscious, her pastor asked the question: "Do you still hold to the Saviour and His blood as the only means for your eternal salvation?" whereupon she nodded and said yes. And these were about the last words she spoke. She gradually went to sleep Friday evening. A smile was on her face when the soul left the body.

She attained the age of 51 years, 7 months and 27 days, and leaves to mourn over her early departure the husband, one son and one daughter with their families, three brothers, two sisters and many other more distant relatives and many friends.

Funeral services were held on Monday at 2:30 o'clock, at the home on Harvey street, and at 3:00 o'clock at St. Peter's Lutheran church, Rev. Charles Strasen officiating. Interment in Riverside cemetery.

STINSON PLANE FOR WORLD DASH READY FOR FLIGHT

HAS BEEN TAKEN FROM FACTORY TO NEW YORK FOR FINAL TESTS.

The Stinson plane that will be used in the flight around the world in an effort to break previous time records has been completed and flown to New York for final tests. It left the Northville factory last week.

Edward F. Schlee, president of the Wayco Oil corporation and Wayco Air Services, Inc., with William Brock as pilot, will leave Detroit early in August, and their itinerary includes 20,000 miles of flying before they return. They will use a Stinson-Detroiter monoplane.

The first leg of the flight will be a 1,500-mile hop from Detroit to Harbor Grace in the north Atlantic. The next jump planned is one of 2,450 miles to London. Thence the flyers will go to Berlin, Moscow and across Siberia to Tokio.

From Japan they have mapped out a jump to the Hawaiian Islands with a stop at Midway Island. They would return to the American continent at San Francisco and complete the round trip with a flight from the Pacific coast to Detroit.

Altogether Schlee and Brock plan to use the same plane and engine throughout the flight if possible, arrangements have been made for the placing of engines at points enroute.—Northville Record.

IN MEMORIAM

In loving memory of our father, Charles Wolf, who died one year ago, August 19, 1926.
Not dead to those who loved him.
Not lost, but gone before.
He lives with us in memory
And shall forevermore.
Sadly missed by his children and grandchildren.

CADET HOSIERY

Why are Cadet Ladies' Full Fashioned Silk Hose the Best?

Because:

They are SCIENTIFICALLY STRENGTHENED and REINFORCED.

They are finer than any competing silk hose at the same price.

They are neither artificially weighted nor starched to make them appear heavier and thus fool the public.

The Tops are actually fashioned—8 times—shaped in the knitting and not stretched (hoarded) into shape.

The Tops are very elastic, actually acting as if they were made of rubber, comfortable, yet closely fitting any size limb.

The Tops are made extra strong to successfully resist garter strain.

The ankles are fashioned—25 times—shaped in the knitting, not stretched (hoarded) into shape, to closely fit ankles without straining the silk fabric.

High spliced Heels; Heels, Soles and Toes are scientifically reinforced to assure long wear.

Toes are extra strongly reinforced to successfully meet the extra strain on toes in slippers while dancing, etc. This is a unique feature in CADET Ladies' Full-Fashioned Silk Hose.

They are built on NATURE'S lines—from Top to Toe—with just enough elasticity everywhere to fit any size leg closely yet comfortably without strain on fabric.

They wear BEST.

They are unusual in quality and scientifically constructed.

The Tops are FULL size.

The ankles are scientifically tapered.

They are beautifully shaped.

Their Planity is natural and enduring.

They are full of Merit from Top to Toe.

They are the Acme in Beauty, Fit and Wear.
