NORTHVILLE OBSERVES 100 YEARS PROGRESS

MANY FORMER RESIDENTS RETURN TO NEIGHBORING TOWN FOR CENTENNIAL AND HOME-COMING CELEBRATION.

MONSTER PARADE DEPICTS CENTURY OF PROGRESS AS IT MOVED THROUGH THE VILLAGES.

It was a hundred years ago that William Dunlop drove his covered wagon into the wilderness of Michigan and founded a home upon the site upon which the village of Northville is now located. Our neighboring village most fittingly observed this event last Friday and Saturday when Northville celebrated its centennial with games, races, a barbecue, dancing, speaking, a monster parade and the renewing of old friendships.

Mrs. Jennie Dunlop White, 87 years old, daughter of Northville's founder, who is still a resident of the village, occupied an honored place, but because of her years, she did not take an active part in the celebration.

Friday morning was given over to the registration of guests and former Northville residents. The streets were gay with bunting and flags and the main thoroughfares were crowded.

During the afternoon there was a concert by the Detroit Police band and an address of welcome by Elmer Smith, president of Northville.

One of the interesting events of the day was a three-block race between a two-cylinder automobile of 1904 vintage and Harry German, local automobile dealer, which brought to a close a series of free-for-all sports held during the afternoon. The race ended in a dead heat. Dr. A. A. Holcomb piloted the ancient "speeder."

The ball game between a team composed of old-timers and the Northville town team attracted the attention of a large crowd at the fair grounds. The old-timers won the game. The umpires were Harry Robinson and "Bobber" Brown.

On Saturday morning, commencing at 11:30, a barbecue was held in the municipal park, and the Ford band gave a concert. The parade, the big feature of the celebration, came at 2:30 o'clock. This panorama of progress moved through the streets in graphic representation of the 100 years since the first ox team picked its way over unbroken roads to the site of the village.

The pageant came as a climax to the centennial celebration and homecoming that brought several thousand former residents. The parade was fully a mile long and covered every phase of the development of the community, from ox cart days down to the present time.

The pageant was augmented by carriages and wagons from Henry Ford's collection of historical vehicles, including a stage coach, prairie schooner, tin peddler's cart, and a variety of covered buggies. There were also buckboards, spring wagons, doctors' carriages and pack trains.

One of the most interesting features of the pageant was the team of oxen brought from Botsford Inn, drawing a cumbersome cart, driven by S. M. Johnston, 87 years old, and George F. Goodell, 84. The team consists of two cherry red twin oxen, raised by P. M. Lossing, of Kalkaska county, to lend atmosphere to Mr. Ford's old inn. Another interesting exhibit was a high bicycle, ridden by Roy Levits, 17, of 424 Holbrook avenue, Detroit.

Detroit was represented by an old 3re engine, once given to the Maybury sanitarium at Northville and now preserved as a relic.

Dr. A. A. Holcomb took an honored place near the head of the procession with an old two-cylinder Sears automobile of the vintage of 1901. He wore full driving regalia of the period.

Other festivities of the day included a ball game and an address by James Schermerhorn, of Detroit. In the evening there was a program of old-time and modern dancing in the streets.

DEATH OF AGED LIVONIA RESIDENT.

John Harlan, aged 85 years, six months and 11 days, passed away at his home on the Farmington road, near Seven Mile road, Friday, August 29th. Funeral services were held from the home Sunday afternoon, Rev. Knowles, of Northville, officiating. The services were under the auspices of the Farmington Masonic lodge, with the Knights Templar as escort.

LOCAL THEATRE WILL HAVE SHOWS EVERY NIGHT

H. R. Lash, manager of the Penniman Allen theatre, announces that starting Sunday, September 4th, the local theatre will be open every evening. There will be changes of program on Sundays, Tuesdays, Thursdays and Saturdays. Some splendid big feature pictures and comedies have been booked for showing this fall at this popular playhouse.

DEATH OF MRS. JULIETTE SMITH

Mrs. Juliette Smith, residing west of Plymouth, passed away late Thursday afternoon after a week's illness. The deceased was the mother of Edward A. Smith, of the Smith Motor Sales Company of this village. The funeral services will be held this (Friday) afternoon, Sept. 2nd, from the home at 3:00 o'clock.

WOMEN PRISONERS FLEE HOUSE OF CORRECTION FARM.

The police are searching for Mrs. Ernie Evans, 29 years old, of Toledo, and Miss Nora Castor, 23 years old, formerly of the Royal hotel of Detroit, who escaped from the woman's division of the Detroit House of Correction farm Sunday. Mrs. Evans was serving a sentence of from seven to 15 years for burglary and Miss Castor two to five years on a breaking and entering charge.

NEWLY DECORATED PENNIMAN ALLEN THEATRE AT NORTHVILLE TO REOPEN.

The Penniman Allen theatre at Northville will again be opened to the public on Saturday evening, September 3rd, the painters and decorators having completed their work, which was commenced about six weeks ago. It now presents a very handsome appearance.

Many from Plymouth will no doubt take the opportunity to see this beautiful theatre during the coming week. The Northville theatre is open on Sunday, Tuesday, Thursday and Saturday evenings.

HOME-COMING CELEBRATION AT ROMULUS SATURDAY.

The annual homecoming celebration will take place at Romulus tomorrow, Saturday, Sept. 3rd. Among the features of the day will be a ball game between Romulus and the DeHo-Co team in the afternoon. A dance on a specially built floor will take place in the evening. The ladies of Romulus will serve a big dinner in the tirance hall.

ROTARIANS HEAR INTERESTING TALK ON BABIES.

The members of the Plymouth Rotary club who were present at the luncheon of the club last Friday heard a very interesting talk on babies by Dr. Weaver, of the Pastour Institute at Ann Arbor. Dr. Weaver explained the nature of the disease and the methods employed to effect its cure. He explained that by proper vaccination and the enforcement of the methods for its prevention, the disease can be stamped out entirely, as it has been in other countries.

GALA DAY AT WEST POINT PARK.

The citizens of West Point Park are planning for a big gala day on Saturday, Sept. 24th. Among the attractions will be ball games and athletic sports of all kinds, for which suitable prizes will be awarded to the winners. There will be music by a band and a dance at the Community hall in the evening.

NEW STORE WILL OPEN SATURDAY.

On another page of this paper will be found the announcement of the People's Bargain Store, which will open in the store room recently vacated by the Atlantic & Pacific Tea Co., in the Plymouth hotel block, Saturday, September 3rd. They will carry a line of dry goods and shoes.

Miss Ethel Cox, of Willis, spent several days with her cousins, Mr. and Mrs. Earl Gray.

NEWBURG HOME-COMING A GREAT SUCCESS

Many Former Residents Returned Last Saturday to Renew Old Acquaintances.

A Splendid Program of Speech Making and Athletic Events Featured the Day.

About 300 people interested in Newburg gathered on the school grounds Saturday, August 27th, for the first reunion ever held in Newburg. Several brought their lunches and enjoyed a picnic dinner at noon, after which a social hour was spent renewing old acquaintances. They then gathered in the school house for a short program. It was opened by all singing "America." Miss Anna Youngs presiding at the piano. Newburg Youngs, general chairman, in a very able manner welcomed the people and presided at the meeting. The main speaker of the day became unable to be present, several teachers and old residents of Newburg gave short speeches, which made a very interesting program, and one long to be remembered by those present. Some of those who spoke were Fred Gency, of Newburg; Nora Smith

to the youngest boy present, which went to William Alfred, aged three months, son of Mr. and Mrs. Alfred Bakewell. Mr. Bakewell is the director of the Newburg school. The youngest girl was Mary Louise, aged three months, daughter of Mr. and Mrs. Clyde Smith; also to the oldest man present, who was Lemmon Warner, of Plymouth; oldest woman was Mrs. Ann Farwell, of Newburg. The one from farthest away was Lena Gottschalk Smith, from Cadillac, and the one having the largest family was Eva McCartney Wiltsie, of Caro, who has eight children.

There were six teachers present who had at some time taught at the Newburg school. They were Mary Brown Sales, Josie Sackett Purdy, Luella Rosenberg Chappel, Nora Smith Barnes, Lydia Joy McNabb, Zedra McClumpha Geer and one of

THE NEWBURG SCHOOL

Barnes, of Lansing; Lydia Joy McNabb, of Newburg; Josie Sackett Purdy, of Detroit; Will Farley, of Plymouth; Luella Rosenberg Chappel, of Plymouth; Harmon Smith, Plymouth; Eva McCartney Wiltsie, of Caro, also Merritt Lemon, of Detroit, who told about the postoffice at Newburg, or rather it was called Nankin postoffice. This postoffice dates back to the year 1827 and was composed of the townships of Redford, Dearborn, Livonia and Nankin. Rev. Walker, of Newburg, also spoke a few words, and Mrs. Rousseau, in behalf of the P. T. A., welcomed the friends who were present.

After the program prizes were given to the present teachers, Mrs. Clara Grimm Campbell. We were very much pleased to have with us Mrs. Mary Brown Sales, of Plymouth, who taught the Newburg school in 1870; also two of her pupils, Harmon Smith and Will Farley, both of Plymouth. The program closed by all singing a song appropriate for the occasion, composed by Wm. Lomas, of Newburg. There were also many races, for which prizes were given. The ball game was enjoyed by all those who attended. About 6:00 o'clock they all departed for their homes, hoping to be present next year at the second annual reunion of Newburg.

NEW SIGNS TO ADVERTISE PLYMOUTH

THREE ATTRACTIVE SIGNS WILL BE PLACED ON MAIN HIGHWAYS LEADING TO THIS CITY.

Some time ago the Chamber of Commerce appointed C. H. Rauch and Paul Lee as a committee to procure some suitable signs to be placed upon three of the main highways entering Plymouth. They were also instructed to secure some signs to be placed in the village to direct traffic through the village.

The committee have contracted for three large signs, 13x27 feet in size, which are to be constructed of metal and wood. They are to be done in colors, and when completed will be very attractive indeed. Across the top of the sign in large letters will be the word "Plymouth." Beneath this will appear the words "The Air Rifle City of the World." In a panel in the center will be something relating to the new Mayflower Hotel. At the sides of this panel will be the Rotary and Kiwanis emblems. Beneath the panel there will appear a few words calling attention to the Plymouth branch of the Detroit Automobile Club.

The large signs will be placed at the intersection of the Plymouth and Ann Arbor roads east of Plymouth and at the intersection of the same two roads west of the village, and at Michigan avenue, eight miles south of Plymouth. The expense of these signs and their maintenance will be borne by the Chamber of Commerce, Daisy and Markham air rifle companies, Rotary and Kiwanis Clubs, Mayflower Hotel and the Detroit Automobile Club.

The placing of these signs is something that has been needed for a long time, and there is no doubt but what they will be the means of diverting many tourists and travelers to Plymouth. It is expected that the new signs will soon be ready to erect.

RETIRES FROM LAUNDRY BUSINESS.

Karl Hillmer, who has operated a laundry business here for the past 18 years, has sold his building and equipment, located on Ann Arbor street, to Frank Rambo. Saturday of this week is the last day which Mr. Hillmer will continue the business. Mr. Rambo will dispose of the equipment.

Mr. Hillmer's many patrons and friends regret his decision to dispose of his business, but wish him an abundance of success in whatever line of work he may take up in the future.

The Lutheran Aid society will be entertained by Mrs. Wm. Bakhaus Wednesday afternoon, September 7th. Those who drive their own cars go to Northville then north to the South Lyon road, then west four miles. Those who do not have cars and wish to go, please call Mrs. A. G. Kehrl, phone 354, not later than Tuesday evening. Let's all try and go.

Competent Staff of Teachers Assures Most Successful Year in all Grades.

Tuesday, September 6th, will be a big day in the lives of the boys and girls of Plymouth. Many kindergarten children will enter school for the first time and the others from the first grade to the twelfth grade will assume their places to begin living in the most profitable way for the present and for the future.

Those beginning kindergarten will come to the Central school or Starkweather school, as your location in the district will determine, on Tuesday afternoon at 12:30 and each afternoon from then on. Those in the kindergarten who have attended one semester will resume their places at 8:30 in the morning until 11:30 a. m. The hours for the grades and for the high school will remain the same as in the past, and whether you are to enroll in the Starkweather school or in the Central school in the first six grades is determined by your location.

To the surprise of many, the beautiful new Starkweather school will be in readiness for the pupils when the time arrives. The buildings at the Central school have been thoroughly cleaned and parts of them newly decorated and everything in supplies are on hand ready to go.

Miss Allen will be at the High school all day Saturday, September 3rd, and Monday morning, September 5th, for consultation and classification of High school pupils. While it is not necessary for anyone to classify before Tuesday morning, September 6th, it is to the advantage of those entering the high school for the first time, those who wish to change the course which they are now pursuing, and those whose grade is irregular, to classify either on Saturday or Monday, when there will be ample time to discuss with each pupil the course he wishes to take.

Let us remember the date, Tuesday, September 6th, at 8:30 a. m., for all with the exception of those who are entering the kindergarten for the first time.

FARMINGTON WILL HAVE GALA DAY

THE BIG EVENT WILL TAKE PLACE LABOR DAY AND BE UNDER AUSPICES OF THE AMERICAN LEGION.

With almost double the number of prizes offered in any previous year, and with numerous new and interesting attractions, all indications are that the gala day of Farmington American Legion on Labor day will draw the largest crowd in years.

The response of merchants to the Legion's work in gathering prizes exceeded the highest hopes of the Legion's men themselves. Both in value and in number the prizes donated by the merchants are exceptional, and a large number of additional events was made necessary by the long list of trophies.

One of the features added within the last few days is the ladies' rolling-pin throwing contests. There will be one contest for distance and another for marksmanship. Three handsome prizes are offered to winners of first three places in each event.

Arrangements have been completed for the presentation of three performances of high-class vaudeville. Stars of note on the vaudeville stage have been secured, among them Marino Brothers, musicians; Jack Gregory and company, of "Novelty Land," and the "Hex Trio," a father and two small sons of exceptional acrobatic ability. The vaudeville performances will be free.

In the morning and again in the afternoon baseball fans will be treated to some fast diamond sport.

Walled Lake will play Clyde in the morning game, and West Point Park will meet the winner in the afternoon. All three teams have excellent records this season.

DAVIS-TIGHE.

Miss Helen Tighe, daughter of Mr. and Mrs. E. H. Tighe, was married Friday, August 28th, to Webster Davis, of Pasadena, California, at the home of the bride's uncle, Rev. J. E. Mealey, of Port Huron, who also officiated at the marriage ceremony. The many Plymouth friends of the bride extend congratulations and best wishes for a happy wedded life.

Mr. and Mrs. M. J. King and daughters, Vera and Anna Mae, of Canton, Ohio, were guests of Mr. and Mrs. Leon Huston last Tuesday and Wednesday.

A PIE-CRUST PROMISE.

It isn't often a newspaper editor is caught in a trap of his own baiting, but that seems to have happened to Ed. Howe, of the Atchison (Kansas) Globe, and known from one end of the country to the other. Seventeen years ago Ed. ran an editorial in his paper in which he said that whenever anyone made an airplane flight across the Atlantic ocean he could come to the Globe office and collect \$1,000,000. And now he finds himself indebted to Lindbergh in that sum, while if he meant that everyone who flew across could have a million he owes the same amount to Chamberlin and Byrd. Of course, there isn't much danger of Editor Howe being forced to quit work long enough to go around to the bank and draw out a million dollars to make his promise good. That is one nice thing about being a newspaper editor. You can make all the financial promises you want to—nobody takes them seriously because everybody seems to know that an editor would be about the last man on earth to have a speaking acquaintance with a million dollars.

A REASONABLE REQUEST.

At the request of one of the rural readers we call the attention of motorists, and especially those who may have occasion to build a fire in the open, to the necessity for using extreme care from now on through the fall and winter season. The August sun has dried out grass and leaves pretty thoroughly, and some varieties of trees are even now beginning to discard their leaves. The result is a lot of material under foot that needs but a tiny spark to start a costly and a dangerous conflagration. Even the woods which still retain their greenish tint are now almost devoid of sap, and that means that, given a fair start, they will burn quickly. If they are in the vicinity of wooden buildings or fencing they are rendered far more dangerous.

Plymouth smokers who have occasion to toss a match anywhere along the roadside should be careful to first see that it is extinguished. And campers and picnickers who may be building fires in the open owe it to the welfare of the community at large to be absolutely sure that no live coals are left when they take their departure. High winds can come up quickly, and live coals blown into dry weeds and grass can easily start a blaze that will prove destructive. There is no reason for taking a chance in this matter. Be absolutely sure that there is no danger before you throw away a match or drive away and leave a camp fire.

HOW TIMES CHANGE.

Come to think of it, what offers better evidence of how rapidly times have changed than our grocery stores? Most Plymouth citizens can remember when canned goods were far from plentiful, groceries being sold in bulk. Most of the sugar was a somewhat soft, white brand, called "coffee crust." The codfish bucket, the kerosene barrel and the molasses barrel lay down together, so to speak, and their combined odors proclaimed the place as a grocery store. The only herring was smoked and strung on sticks running through the fishes' gills. And a slogan along about that time was "Drain your measure," especially referring to the cold season when molasses ran slowly from the measure into the customer's jug. Now look at the grocery store, with its mechanical contrivances, and almost everything—sugar, molasses and all—either in pastebored cartons or cans and glasses. Anyone who seeks to find how rapidly times have changed need go no further than a grocery store.

MANY WOMEN INVESTORS.

The old saw of friend wife searching hubby's pockets for spare change is due for a fall. For not only does the average wife now handle the family funds, but in growing numbers is the one who invests the surplus. These facts come to light in a survey just completed by the public relations committee of the Michigan Building and Loan league.

A study of the records of a number of representative building and loan associations reveals the fact that there are about 80 per cent more women investors than in 1920. The survey finds that these women investors as a group comprise not only business women who are accumulating estates of their own, and housewives who can save "pin money" from their housekeeping allowances, but also that the average wife is the family financier. There is evident a growing practice for the husband to delegate spending and saving entirely to the wife.

Today's Reflections

Speaking of sweet music, there's the sound of an exploding tire as heard by pedestrians who are never invited to take a ride.

A woman will compliment a woman friend on the new garments she is

wearing, but when a man sees a man friend wearing a new outfit he asks him where the fire was.

We know some fellows around Plymouth who wouldn't mind dying if they knew their children wouldn't jump right in and spend all the money they've saved up.

Plymouth people were more hospitable in the old days because they grew most of the hospitality at home. Now they order it from the grocery.

Mother is surprised that dad isn't worth more considering the enormous value of every little paper of his that she misplaces.

When a girl pays \$2 for a pair of silk stockings it is only natural that she should want to show \$1.98 worth of them.

When company comes during a quarrel husband is pleasant enough, but wife feels that she has been cheated out of a victory.

It is easy for a woman to catch a second husband because she knows just how much flattery it takes to win a man.

Lots of Plymouth people practice economy so they can save up enough money to buy something they don't need.

Any Plymouth motorist can hear knocks in his car when his relatives are riding with him.

Once upon a time youth was supposed to be seen and not heard, but that was before they invented automobile horns.

It's a good idea to tell the truth once in awhile. The more powder a woman puts in her nose the more she looks like she needs a bath.

Our idea of nothing to worry about is the danger that this earth will last only another million years or so.

As the average Plymouth man grows older he often reflects that his greatest happiness came to him through sensible women instead of pretty ones. But there is no telling it to his son.

A writer says modern girls are wearing more precious stones than ever before. And precious little of anything else.

We've noticed that the man who knows all about running somebody else's business never seems to get very far with his own.

We'll know winter is close at hand just as soon as somebody around Plymouth writes in and asks us if we won't print "When the Frost is on the Pumpkin and the Fodder's in the Shock."

Dad Plymouth says he won't believe the worst has come to the worst until they start calling them "repair shoppes."

The Urge Explained.
Actor—"Did you notice how I moved the audience last night?"
Producer—"Moved is no word for it. It was little short of a stampede when you got on."

"BROADWAY" ANNOUNCES CLOSING DATE.

A little more than two weeks remain of the engagement of Jed Harris' presentation of the Philip Dunhill-George Abbott night club classic, "Broadway," at the Garrick theatre, Detroit. The positive closing date will be Saturday, September 17th, the company moving intact to Chicago that night to open the next evening at the Selwyn theatre. "Broadway" will thus have remained twenty-two weeks in Detroit, a record that far exceeds every other play but "Able." There is a no doubt that the public demand for "Broadway" would warrant this great drama remaining in Detroit until Christmas, at least, but the booking in Chicago cannot be further postponed. It is believed that this company will remain in Chicago at least a year and there seems very little chance of a return engagement being played in Detroit for a long time to come.

The huge success of this play has led to the organization of several companies. It is still being offered at the Broadhurst theatre, New York, and the London company is now touring the British provinces. The Boston company opens in the city of beans and culture on Labor day and the Pacific Coast company will inaugurate its season in Denver on Sunday, September 11th. A company to tour the southern states opens in Norfolk on September 19th and the Philadelphia unit on October 17th. An eighth company which will be known as the Middle Western company will play the week stands, opening in Youngstown, Ohio, on November 7th. Additionally, arrangements have been made for the translation of the play and its presentation in Berlin, Vienna and Budapest and there is a strong possibility of a company being organized in America to tour Australia.

No play has ever met with such unanimous approval as "Broadway" in recent years. In some quarters it is said the Detroit company is even superior to that being offered in New York. There seems to be no flaw in the play, the direction of the casting and the best proof of its magnetic attraction is the large number of people who have seen the play three and four times.

His Earning Power.
Dumb—"Sweetheart, do you think we could live on forty dollars a week?"
Belle—"Maybe. But who is going to give it to us?"

Oh—That's Different.
Modern—"When my husband goes bad tempered I use a club."
Wife—"How brutal of you. But surely you don't mean it?"
"Indeed I do. I've joined three already."

Perfect Comfort - -
for the woman driver

An Adjustable Steering Column
to Suit Your Convenience

Buick for 1928 is extremely thoughtful of feminine comfort. One indication of this consideration is Buick's new steering column, which may be adjusted to the most comfortable position for women, as well as men.

And in addition, Buick for 1928 has a new steering wheel—slender to fit feminine fingers—yet deep and solid to provide the firm grip men demand.

Buick for 1928 pleases women because it is easier to drive—because it is more comfortable to ride in—and because it is the acknowledged style-leader among motor cars. That's why you see so many Buicks at fashionable gatherings and on the smartest boulevards.

PLYMOUTH MERCHANTS WIN OVER WEST POINT PARK, 2-1.

Last Sunday over at West Point Park was one of the best ball games that has been played in these parts for a long time and resulted in another victory for the Plymouth Merchants. It took eleven innings to decide who was to carry home the bacon, but in this inning after Woods walked and Millman sacrificed him to second, Moran singled and then came Van Bonn with his timely double, sending both runners ahead of him, and thereby winning the game, as Quinn retired the West Pointers three up and three down in this half. It was a pitcher's battle all the way through. Quinn got twelve strikeouts, while Goers got thirteen.

The Plymouth boys got ten hits but they were well scattered and Goers was well supported by his teammates, holding the runners to the bases. Quinn allowed the West Pointers only two hits and was deserving of a shutout victory, but in the seventh after Jaysba had singled, a couple of errors allowed him to score and thereby running the game into extra innings.

Woods was the star hitter for Plymouth, getting three out of four times up while Hobbins and Jaysba got the only two made off Quinn.

Next Sunday, September 4th, the Merchants play a double header, one game with Northville at Northville at 1:00 p. m. and out at Burroughs field at 3:30 p. m. with the Detroit Auto club. This Detroit Auto club team is one of the best amateur teams in the city and a good game is expected.

Last Sunday's game by innings:
RHE
Plymouth 000001000—3 10 2
West Point 000001000—1 2 1
Batteries for Plymouth—Quinn and Strasen; for West Point—Goers and Jaysba.
Umpires—Ash and Trimble.
Time 2:35.

NETHEM 3, PLYMOUTH MERCHANTS 2.

A very large crowd turned out last Saturday to help Newburg celebrate its first home-coming, and the many features on the program made the day a very enjoyable one for all. The main attraction for baseball fans was the ball game played between Nethem and the Plymouth Merchants, the latter suffering a defeat through the strength of Hy Gale's arm. A beautiful game was played, as the score tells, despite the fact that a few arguments were encountered on account of decisions rendered. Each player played his position well, and each was determined to give Newburg its best on their home-coming day. Hits on either side were scattered, and errors were few, but Nethem managed to hit in time and when the hits counted most.

Umpires—Gray, Levandowski.

NETHEM 7, SUPERIOR A. C. 8.

On Sunday the strong Superior A. C. of Detroit came to Newburg and measured the Nethem team for a shortage of figures, taking home with them victory, yet it was an interesting ball game, and Doyle Rowland was unable to stay the mighty swings of the Superior boys. Just as victory seemed possible for them, the Superior boys would open fire for a run or two, keeping themselves upon the safe side, and the story runneth thus: Superior won, Nethem lost.

RHE
Superior A. C. 100421000—8 13 3
Nethem 010113001—7 13 2
Batteries—Superior A. C.: Walny, Nelson; Nethem: D. Rowland, J. Schomberger.

NETHEM 9, CHELSEA 6.

The Washtenaw fair at Ann Arbor is on, and as Nethem has entered as a contestant in the ball series, they were booked for Tuesday morning against the strong Chelsea team, but again Hy Gale's arm proved too strong for the opponents, and again did he add a victory to his long list of wins; again did the Nethem boys hit the old pill when it counted most, bringing runs over the home plate.

On Thursday Nethem will play Lyndon, and if they succeed in winning, will play in the finals Saturday. Probably the fans would be interested in knowing the contestants that have entered in the series: Nethem, Chelsea, Lyndon, Manchester, Milan, Ypsilanti, Sulline and Dexter.

RHE

Nethem 201000510—9 33 2

Picnics are usually supposed to be held outdoors, but in case of the one held by the Women's Christian Temperance Union, Thursday, August 25th, the picnicers were very glad, on account of the coolness of the day, to accept the invitation of Mrs. S. L. Bennett to hold their picnic in her pleasant home.

After a short business meeting a beautiful talk on "God's Great Out-of-Doors" was given by Rev. E. I. Walker, and Miss Nettie Pelham recited "The Men who Miss the Train."

Tables were then spread for the picnicers and a bountiful repast enjoyed by all.

The next meeting occurs September 2nd at the home of Mrs. Clara Todd, with Mrs. Phoebe Patterson as leader.

MUNICIPAL NOTES
BY THE MANAGER

All delinquent taxes should be paid by September 10th, as the treasurer must turn the tax rolls over to the county treasurer by October 1st. A four per cent penalty and interest at the rate of three-quarters of one per cent per month will be added by county treasurer after October 1st. Taxpayers should give this matter their prompt attention.

The village fire department was called out Thursday, August 25th, to put out a fire in a horse barn at the northeast corner of Harvey and Carol. The fire was put out with chemicals.

A fire which started by spontaneous combustion Wednesday, August 31st, in the new Mayflower hotel was soon put out with chemicals by our fire department.

The village comfort station on Main street does not seem to be appreciated by some people. Several times within the last week or so I have found the comfort station in a deplorable condition on the men's side. The second time I found this condition on the floor, a few of the floor drains were clogged up and some of the sewage may have backed up into the basement. I wish the people using the comfort station would be careful about throwing anything down into the stools which might clog up the sewer. In the men's part we cannot keep a looking-glass, lights, paper, towel racks or anything. Instead of appreciating our comfort station, some people deliberately are trying to destroy it. If the party or parties can be found who are responsible for this they will get a nice jail term.

DEHOICOTES CHALK UP TWO MORE.

Saturday, August 27th, DeHoCo ball team defeated the Belleville club at Northville by a score of 2 to 1.

Sunday, August 28th, the DeHoCo Farmers journeyed to Monroe, where they defeated the down-river lads 4 to 1.

Johnny Destefano and Jimmy Martinek starred in the Monroe contest.

While the Farmers were showing the Monroe boys how baseball is played in Plymouth, the Firemen and the Municipal club were having it out at DeHoCo park.

Firemen, as usual, topped the 6 to 0 count.

Sunday, Sept. 4th, the DeHoColtes will play Fordson at Fordson, while the Detroit Fire Department plays Brighton at the DeHoCo park grounds.

On Monday, September 5th, Labor day, DeHoCo will close the season by playing Grisse Pointe village at DeHoCo park. The Silk Stocking boys are just as hot on the trail of league leadership as is DeHoCo, and there isn't any doubt about the possibility of this being a real baseball game.

The admission will be, as usual, grandstand seats 35 cents, bleacher seats 25 cents.

Detroit Firemen vs. Detroit Municipal Employees Club at DeHoCo park Sunday afternoon, August 28th.

WHITBECK'S CORNERS

Mrs. Wm. Decker, Mrs. George Smith and Mrs. George Baldwin, all of Sheldon, were recent visitors at the home of Mrs. A. Parrish.

Mr. and Mrs. Wm. Rengert and daughter, Jewell, spent Saturday afternoon in Northville to attend the centennial celebration at that place.

Miss Jewell Rengert returned home from Ypsilanti, where she spent a few days.

Mrs. Eric Wiltse, of Caro, and Mrs. John Kruger, of Mayville, and Mrs. Horace Boucher, of Fostoria, have been spending the past week with their aunt, Mrs. Agnes Parrish, and other relatives, and attended the home-coming at Newburg. They attended school there 43 years ago. Mrs. Wiltse will be remembered by her school-mates of those days as Evie McCartney. They returned home Sunday.

Mrs. Freeman and daughter spent one day last week at the home of her sister in Grosse Pointe.

The Helping Hand society will meet the first Wednesday in September at the home of Mrs. John Shultz, in Northville, for dinner. All welcome.

Ernest and Russell Klavitter, of Ypsilanti, are spending the week at the home of their uncle, Wm. Rengert, and family here.

Leland Masters and son, Lee Thomas, of Grosse Pointe Harbor, were callers at the home of Mrs. Parrish, in Robinson subdivision.

Mr. and Mrs. George Smith, of Sheldon, and Mr. and Mrs. Frank Robbins, of Detroit, were callers last Sunday at the former's sister's here.

Mr. and Mrs. Walter Schiffler and family spent one evening at the home of Mrs. Schiffler's mother, Mrs. Arthur Hanchett. Mr. and Mrs. Gerald Hix and two daughters were also guests there.

TWO HEADLINERS AT TEMPLE THEATRE.

A double headline vaudeville bill will be presented at B. F. Keith's Temple theatre the week of September 4th, with the honors divided between Bert Gordon and Chaney and Fox.

Chaney and Fox, "Delightful Dance Performers," will be assisted by Al Norman and Earl Pauli in a speedy dance offering. Marie Chaney and Edward Fox are new to vaudeville, coming from musical comedy, and belong to the new era of dance artists. They are the possessors of both class and snap.

Bert Gordon in "Desperate Sam" furnishes a lot of wholesome comedy with the assistance of a company of five. "Desperate Sam" is an oddity that is new in vaudeville and tells of a lad who returns from the west and boasts of his exploits in the great open spaces. His story is told in a little sketch and then a flash-back shows what really happened. Those who like to laugh will enjoy this act.

Peggy Mackechnie, the school girl mental marvel, will offer an amazing demonstration of mental dexterity and of her ability at mathematical calculations; Claude and Marion, who are "still arguing," promise a lot of laughs and the Shuffle Along Four will contribute to the harmony of the show.

Monte Blue will star in "The Bush League," a photoplay telling of a young inventor's adventures in baseball and love. This picture features comedy, together with a romantic love story. Monte Blue is supported by the lovely Leila Hyams and the funny Clyde Cook. William Demarest, who has appeared at the Temple in vaudeville as a member of the well-known set of Demarest and Collette, is also in the cast.

Most of Them Are.
"Is Mary shy about telling her age?"
"Yes, about ten years shy!"

RAILROAD MAN MEETS WITH FATAL ACCIDENT.

Fred Crittenden, 36 years old, brakeman on the Plymouth to Flint local, was instantly killed at Clyde Monday afternoon. He stepped off the local engine in front of the south bound passenger train No. 104. He was well known by Plymouth railroad men. His home was in Fostoria, Mich., and he leaves a wife and five children.

RESULTS OF BRAKE TESTS.

A complete check made by the traffic division of the Detroit Automobile club shows that 68,895 automobiles and commercial cars were tested in the recent brake and light tests conducted throughout the state by that organization and members of the state police. The results show that 69 per cent of the passenger cars and 71 per cent of the commercial automobiles passed the brake and light tests. An investigation on the part of the club also discloses that only four cities in the state of more than 10,000 population have not adopted the uniform traffic code that permits a right-hand turn on the red traffic light. Adrian, Sturgis, Cadillac and Grand Rapids are the cities that have not adopted that system.

THE THEATRE

"THE SEA TIGER."

Brilliantly coupled with a shortage of sterling character may win out for a time but it is more often the plodder, slow thinking but earnest and sincere who gets the final break.

This in a sense is the difference in character that forms a basis for the plot of "The Sea Tiger," a First National picture starring Milton Sills, which comes to the Pennington Allen theatre Saturday, September 3rd.

Milton Sills is the "slow-witted" fisherman in a tiny Spanish colony in the Canary Islands. Opposed to him is his younger brother, played by Larry Kent, who is keen but conscienceless. And in the end it is the elder and slower brother who wins love and happiness and even redeems the erring youth.

Mary Astor has the feminine lead, while Alice White plays a disturbing element as a show girl who comes into the commonplace lives of the Islanders and disrupts everything. Kate Price is cast for a good character part and the picture was directed by John Francis Dillon, with Carey Wilson handling the production management. He also wrote the scenario from the Liberty Magazine story by Mary Heaton Vorse. It is declared to be one of the most romantic stories that has reached the screen in a long time.

"NAUGHTY BUT NICE"

If you enjoy love and romance, adventure and bright, sparkling comedy, don't fail to mark down "Naughty But Nice" on your calendar for Sunday and Monday, September 4th and 5th, at the Pennington Allen theatre. It is Colleen Moore's newest—and to date brightest—First National picture.

As modern as tomorrow, as full of life as a college freshman, as funny as a flint-soled landlord stepping on a banana peel, and as entertaining as a gossip about the folks next door, "Naughty But Nice" takes its place among the very best of this popular star's successes.

The picture does several things. It gives you a thousand laughs. It presents a brand new leading man, Donald Reed, who is certain to speed up the American feminine heart action, and it gives Colleen Moore an opportunity for characterization equaled only by her

memorable work in "So Big." In fact, Miss Moore has never had a greater chance for displaying her dramatic ability, especially in the sympathetic moments, to which she brings the utmost sincerity. Her girlishness, vivacity and ingenious charm are evidenced throughout the story, together with those pantomimic gifts for which she is so well known.

"BROADWAY NIGHTS."

"Broadway Nights," Robert Kane's fast moving and colorful film of theater and night club life in the city where the "dawn comes up like thunder," is the attraction at the Pennington Allen theatre Tuesday and Wednesday, September 6th and 7th, with Lois Wilson heading a cast of Broadway celebrities through the peppy piece.

How an ambitious amateur served an apprenticeship in vaudeville, blossomed on Broadway in the gayest night club of the street, and finally became the toast of the town as the star of a big musical revue, serves as the strong plot against which are set colorful backgrounds of Manhattan atmosphere.

Backstage shots, peeps into the underworld and a strong theme of "mother love" are among the highlights of the film.

Lois Wilson, presenting a brand new characterization, as a jazz-singing chorus girl, is the star of the bit, with Philip Strange, Louis John Bartels and Sam Harby heading the supporting cast.

Two beauties, Barbara Stanwick and June Collyer, now under contract to Kane, make their film debuts in the picture which boasts of a score of Broadway celebrities, including "Bunny" Weldon, Tammany Young and Lillian Lorraine, Joseph Boyle, director. Ernest Haller did the photography. Forrest Halsey was supervisor and Leland Hayward production manager for Kane.

"THE WHIRLWIND OF YOUTH."

The tempestuous care-free lives of the younger generation are held up for inspection in "The Whirlwind of Youth," Paramount's absorbingly interesting production which comes to the Pennington Allen theatre Thursday and Friday, September 8th and 9th.

Much of the story is laid in Paris and the hectic studio life is shown in many colorful sequences. An unsophisticated girl arrives from an

English village to study art and her introduction to Paris is filled with surprises—though it brings the thrill and exaltation of a Great Love into her life.

But the subsequent history of this girl, played by delectable Lois Moran, emphasizes anew the truth of the time-worn adage that "the course of true love never runs smooth."

A pleasing galaxy of young players enser "The Whirlwind of Youth." Donald Keith, Vera Voronina, the ravishing Russian beauty just brought to this country by Paramount, and Alice Mills being featured. The picture was produced under the direction of Rowland V. Lee, the man who made "Barbed Wire," Pola Negri's latest vehicle.

LARGE DRAINAGE PROGRAM FOR WAYNE COUNTY

EXPENDITURE OF \$14,000,000 INVOLVED IN GREAT LAND AND ROAD IMPROVEMENT—WORK IS WELL UNDER WAY.

Wayne county is venturing upon one of the greatest drainage programs ever planned in its history. The area between the River Rouge and the Huron river extending from the Detroit river west to the village of Wayne includes 36 miles of drain and involves an expenditure of fourteen million of dollars.

Drainage plants have been installed at various points according to districts, and work is being speeded by the board in charge. The drainage problem in western Wayne county has been very acute in the last few years and the completion of this project will benefit the greater Wayne district considerably.

A section just west of the Telegraph road on Michigan avenue which has been in need of drains is being rapidly completed. In this particular spot the slight dip in the road will be leveled to the height of the connecting high spots and drain pipes will be laid and extended to the Rouge river.

This development throughout the county will make land that has heretofore been submerged by water during certain parts of the year, void of this condition and thus increase the

utility for farming, homes and factory sites. Particularly in the southern part of the county has the wet land conditions been especially annoying, and in order to make the roads more passable and general living conditions better this mammoth draining installation has been sanctioned by the County Board of Supervisors.—Wayne Weekly.

CHANGES IN HUNTING LAWS.

Four important changes of interest to local hunters and trappers are noted in the game laws for 1927-1928. The winter hunting and trapping season is closed on fox, gray and black squirrel, muskrat, mink and raccoon. The season is open on rabbits from October 25th to January 31st, inclusive, the same as one year ago. The lawful season for catching skunk has been shortened two months and a half. They may be trapped from November 15th to January 31st, inclusive. Last year the open season was between November 1st and March 31st. The law on deer remains the same as one year ago. The season is open on male deer from November 15th to November 30th, inclusive, but antlers must not be less than three inches long.

The association was also advised of the entries of Arthur Goebel, winner of the Dole Honolulu air race, and Bennett Griffin, also a Dole flier.

ADMISSION CUT BY THE STAT FAIR

INCREASED ATTENDANCE ANTICIPATED, WITH ADDED ATTRACTIONS PROMISED.

With a reduced admission fee as an incentive to increased attendance, the Michigan State fair will open its gates for the seventy-eighth time on Monday, September 5th, Labor day, and continue through Saturday, September 10th.

The admission for adults, including children more than 10 years old, will be 25 cents. The charge for automobiles likewise will be 25 cents. Children under 10 will be admitted free.

Two years ago the general admission was 75 cents, with a 50-cent charge for automobiles. Last year the general admission for adults was 50 cents, with 25-cent charges for children under 12 and for automobiles, and with children under six admitted free.

There will be no reduction, however, in admission charges to the grandstand. General admission, as before, will be 50 cents. Reserved seats—a new classification—will be 75 cents and box seats will remain at the old figure of \$1. Full boxes for six performances will be \$35 instead of \$30 and for 12 performances, \$65 instead of \$50.

The new policy is said to be in line with that of the Jonia Free fair, where the receipts from concessions and from grandstand admission are rolled upon for profits. Fred Chapman, of Jonia, business partner of Governor Fred W. Green, is manager of both fairs.

"We expect a large number of 'repeaters,'" said F. L. Church, of Grand Haven, a member of the board of managers. "That is, we expect that with the low admission charge, a great many people will attend more than once, giving the concessioners an opportunity to do a big business."

New features of the fair this year will be a hog-calling contest, an old-time fiddlers' contest, a state horse-shoe pitching tournament and a fly-and-bait casting contest. For the casting competition, a pool 150 feet square has been constructed near the playground, west of the dairy building.

Among the outstanding educational exhibits will be those of the upper peninsula, including a complete working model of a copper mine, the Michigan State college, the state department of agriculture, the state department of conservation, the United States department of agriculture and the United States shipping board.

Premiums will total \$107,000. An increased amount, according to Mr. Church, is being spent for entertainment features. There will be 25 vaudeville acts in front of the grandstand each afternoon and evening. Music will be furnished by the Highlanders' band, of St. Petersburg, Fla., and Al Sweet's band, of Chicago.

There will be three horse races each day, from Monday to Friday, with purses up to \$1,500. The annual "Governor's Cup" race, which was revived last year, will be held Wednesday, September 7th. Saturday afternoon will be given over to automobile racing.

The evening fireworks spectacle in front of the grandstand will be "The Fall of Troy," with a cast of 350, 48 chorus girls, a large wooden horse, and city walls 500 feet long and 50 feet high that will be "destroyed" each night.

There will be a horse show each night in the Coliseum.

Improvements made during the last year consist of four new race horse barns, affording accommodations for 500 animals; two bandstands, one in front of the grandstand and one in the grove; tables and shelves for displaying exhibits in the Agricultural building; platforms and dressing rooms for the vaudeville acts and minor repairs.

Picked Up About Town

"It's easy for the kids to tell when there's company at home," says Dad Plymouth. "They hear ma laughing at pa's jokes."

A workman says he was promoted in the Ford plant at Detroit. He now tightens up bolt A instead of bolt B on the radiators.

"One never knows how many hairs an Indian has," asserts Dad Plymouth. "until the white man comes along and discovers oil on his allotment."

The old-fashioned man who never thought of walking eight or ten miles in the afternoon now has a grandson who doesn't do it either.

"If you could look thirty years ahead," says Dad Plymouth, "you'd probably see some of the kids they now call 'gifted' sitting on a store box whittling a pine stick."

"There's mighty little sympathy in this world," asserts Dad Plymouth, "for the fellow who is either land poor or lodge poor."

For Pleasanter Home Life

The use of electricity in the home (it does many a household task) is often hampered through lack of suitable means for bringing the current to the spot where the work is to be done—dangling cords from a lamp socket are awkward, inconvenient, and may be dangerous.

It costs little to install a few outlets for the convenient use of your house current — for portable lamps, for table appliances, for kitchen and laundry equipment. They add greatly to the ease and convenience of home-keeping.

You should speak to an electrical contractor about this. Or, let us advise you in the matter (we don't do the work ourselves).

MEMBERS OF KWANIS QUALIFY IN FOUNDING LOCAL ANANIAS CLUB

FISH STORIES AND HUMOROUS
PREACHER IN THE LIMELIGHT
AT TUESDAY MEETING.

"Vacation Experiences," many of which appeared to be highly colored when considered piscatorially, were related at the regular meeting of the Plymouth Kwanis club last Tuesday noon by ten or twelve members who have recently returned from summer excursions.

Modesty played no part in the report given by Roy Crowe wherein he regaled his hearers with fantastic tales of his fishing prowess, leaving the impression with club members that the potency of Canadian bait is not to be ignored.

"Uncle Bill" Burroughs demonstrated that honor is yet to be found among fishermen when he candidly announced that he fished plenty and caught nothing. Warren Lombard rated slightly below "Bill" and Roy Fisher achieved membership in Crowe's Ananias club. Carl Heide, carrying the bloom of a rose on his cheek, admitted that he "just rested," and his appearance justified the claim. John Larkins, "Doc" Bristol, Alton Rich and several others barely escaped the Ananias brand, but Harmon Smith, with his Washington visit to Col. Coollidge, then sojourning in North Dakota, played a close second to Roy Crowe.

The club enjoyed a short talk and a vocal solo by Rev. A. H. Kehrl of Downer's Grove, a suburb of Chicago. Rev. Kehrl is a brother of Floyd, cashier of the First National bank of Plymouth, and was born and raised in this community. He was formerly an employe of the Daisy Air Rifle company before he accepted the call to the ministry. Rev. Kehrl spoke briefly on the "Philosophy of a Smile," concluding his discourse with the following fable in slang.

"The Fable of the Wise Salesman and His Angels."

"And in those days behold there came through the gates of the city a wise salesman from afar off. And it came to pass as the days went by that he sold large loads of stuff. They that were grouchies smiled on him and gave him the glad hand. The right wads opened their purses unto him.

"And there were buyers who could squeeze a penny until the blood flowed from Lincoln's nose, but behold, even they took the stranger to the Great Inn and filled him with many fine cats.

"Those of that city that were order takers and they that spent their days adding to the swindle-sheet were astonished. They said one to the other, 'How come? How does he get away with it?' but they wot not.

"And it came to pass that many of them gathered themselves together in the back room of the inn. Then the soothsayer came among them. And he was one wise guy. They spoke to him and said:

"Tell us, O soothsayer, how is it, this man has come among us from afar off, he goeth about in a flivver from early morn until night gathering large bunches of goodly orders, while we, who are of the city, behold our order books are blank and we fear to report to our sales manager lest he smite us big and high."

"The soothsayer replied and said: 'He of whom you speak, verily, he is a hustler. He arises early in the morn and goeth forth full of pep. He bellyacheth not, neither doth he knock. He is arrayed in purple and fine linen, while you go forth with faces unshaven and holes in your socks. While you gather here and say one to the other: 'Verily, this is a rotten day to work,' he is already abroad and when the eleventh hour cometh he needeth no alibi. The poolroom attracteth him not and the movies he passeth by with a look of cold scorn upon his snout.

"He stuteth alike on the just and the unjust. He sayeth not to the big boss, 'Behold, they that are in this town are a bunch of boneheads,' neither doth he say, 'Verily, everywhere I have called they were out,' nor doth he report, 'They are all stocked up,' and then tie himself up to a poker game.

"He knoweth his line and they that would stall him off, they give him orders. Men say to him when he first cometh, 'Nay, Nay,' and yet when he goeth forth he hath their names on the line that is dotted.

"He hath taken with him two angels, Aspiration and Perspiration. He knoweth whereof he speaketh and worketh to beat the band."

"Verily, I say unto you, 'Go thou and do likewise.'"

"But they answered and said unto him 'Old Stuff, Old Stuff, we have heard all that bunk before.'"

"And they would not, but called for another deck."
