## NORTHVILLE FAIR NEXT BIG EVENT

OFFICIALS NOW WORKING TO  
MAKE IT BIGGEST AND BEST  
EVER HELD.

The Northville fair is the next big event in this community, and judging from the reports coming from our neighboring village it is going to be the biggest and best ever held in Northville.

President N. C. Schrader and Secretary Floyd Northrop, as well as all the other officers of the association, have started their activities, and there will be no let up now until after the gates have been opened.

The fair will start on Tuesday, September 27th, and will run during the entire week until Saturday night, October 1st. It comes one week later this year than has been the usual custom, the change being made in the hopes of finding better weather conditions than prevailed last year.

From information that has been secured by Secretary Northrop, the exhibits will be much larger and many more of them than ever before. He is having a keener interest, if such a thing is possible, and everything indicates that there will be a record attendance.

Northville has a habit of putting things over in a big way, and the fair is surely going to be an event that will bring thousands of people to Northville.

The free attractions that have been booked are the best that could be secured. The Western Vaudeville association has been especially good to the Northville organization in booking for the fair some of the best outdoor acts that could be secured. All in all, prospects are for the greatest and best fair ever held in Wayne County.

## WEST POINT PARK TO HAVE JUBILEE DAY SEPT. 24

CITIZENS OF ALL SURROUNDING  
COMMUNITIES INVITED TO  
PARTICIPATE IN CELEBRATION.

West Point Park, the active and growing community at Seven-Mile and Farmington roads, two miles south of Farmington, is preparing for the biggest event in its history. The community is to hold its "Jubilee Day" on Saturday, September 24th, and is inviting residents of all sections to join in the celebration.

Two big ball games, an auto show, athletic events, vaudeville and a band concert form part of the program for the big day.

From 10:30 in the morning, until the celebration is concluded at midnight, there will be something doing at West Point Park for young and old. Men, women, boys and girls will all have an opportunity to take part in the events of the day, including games and races for all. Cash prizes will be offered for all events, first prize in most cases to be \$5.

The ball games are expected to be the best in this section for some time, and West Point Park, with a record of 20 games won this season, will probably play both games. The teams are to be selected with the utmost care to assure hard-fought contests.

A greased-pig race after the ball games will be one of the big features of the day. Full details of the program will be announced next week.

## FALL ROUND-UP CLINIC FOR PRE-SCHOOL CHILDREN.

The fall round-up clinic for pre-school children, which is sponsored by the Parent-Teacher Association, is to be held in the Episcopal church room, Sept. 20, at 9:30 o'clock a. m. A complete physical examination is made free of charge. All those who were examined in the May clinic, are especially asked to return.

E. J. Allison and family spent the week-end at the Blank cottage at Maxfield lake.

John Rattenbury has taken his son-in-law, Herman Scheel, of Redford, into partnership in the grocery and meat business which he is conducting on Penniman avenue. The firm name will be Rattenbury & Scheel. We call attention to their ad in today's paper.

## FORMER PLYMOUTH RESIDENT DIES IN DETROIT

WIDOW OF CIVIL WAR COLONEL  
WAS BORN IN PLYMOUTH 80  
YEARS AGO.

Funeral services for Mrs. Ella Berdan Swift, widow of the late General Frederick W. Swift, a former resident of Plymouth, and well known by many of our older residents, were held at the home of her daughter, Mrs. William M. Crouse, 2983 Seminole avenue, Detroit, last week Thursday afternoon. Dr. R. W. Woodroffe, rector of St. John's Episcopal church, officiated, and the interment took place in the family plot in Elmwood cemetery.

Mrs. Swift was the daughter of Tunis Berdan, a brother of the late John Byron Berdan of this place, and was born in Plymouth 80 years ago. She was a cousin of Mrs. George Durfee of this place.

Mrs. Swift at one time was one of the most widely known women in the social and church world of Detroit, having lived in Detroit for 73 years.

She was a lifetime member of St. John's Episcopal church, and, at the time of her death, the oldest communicant. For a generation her activities in private and public charities, especially those identified with the hospitalization of the destitute sick, were common knowledge among those of all races and creeds in the city.

She leaves two sisters, Mrs. Franklin H. Walker of Detroit, and Mrs. John Hazen White of South Bend, Ind.; two daughters, Mrs. Harrie R. Dingwall and Mrs. Crouse of Detroit; two sons, Stanley H. Swift, of Amsterdam, N. Y., and Bradford H. Swift of Fremont, Ohio; two stepdaughters, Mrs. A. J. Burt and Miss Caroline B. Swift, and five grandchildren.

The late General Swift was colonel of the Seventeenth Michigan Volunteer Infantry during the Civil War and at the close of hostilities was brevetted brigadier general and awarded the congressional medal of honor.

## WANT STATE HIGHWAY NORTH AND SOUTH

DELEGATION APPEARS BEFORE  
STATE ADMINISTRATIVE  
BOARD TO URGE CONSTRUCTION  
OF PAVED HIGHWAY.

A delegation of Novi farmers, Northville and Plymouth business men visited Lansing Monday afternoon, and appeared before the State Administrative Board to urge the construction of a state highway to run north and south from Grand River avenue to the existing paved road through Canton township. The proposed road will follow a quarter section line through Novi township to the Oakland county line, thence south through Northville on what is known as Center street, thence south through Plymouth township on what is known as Moreland avenue.

Attorney Cochrane of Northville, acted as chairman of the delegation and spoke as follows regarding the proposed highway:

"Facilities for the traveling public that desire to cross from Grand River avenue to other trunk highways running west out of Detroit, are very limited. At the present time we have a gravel highway that is in fairly good condition a major portion of the year; however, it is not suitable for trunk line travel. The road crosses the Pere Marquette railroad six times between Novi and Plymouth. The proposed road would eliminate all of the crossings except one, and that one would readily lend itself to a grade separation. Petitions signed by the Northville Auto Club, the Northville Rotary and Exchange Clubs, the Plymouth Rotary and Kiwanis Clubs, have been submitted to the highway department, and we are here today to urge you men to give favorable consideration to our petitions."

Following some discussion the matter was referred to the Highway Department for an investigation and report.

Those attending the meeting were Milo Johnson, F. S. Neal, Wm. Yerkes, Don Yerkes, Sr., Elton Eaton, Attorney Cochrane and Roy Crowe.

The township of Novi has donated needed land for the right of way of this highway, and Plymouth is vitally interested in securing this great improvement.

Mr. and Mrs. Walter Perkins and son, Archie, spent Monday evening with Mr. and Mrs. Clifford Reddeman at Chelsea.

## A September Nightmare

By Albert T. Reid

## DEATH OF MRS. GEORGE BERDAN

Mrs. George Berdan died at her home on Simpson street, Thursday, September 8th, following a long illness. Besides her husband, she is survived by two daughters, Mrs. George Tyo of this place, and Mrs. F. D. Forsythe of Ann Arbor. Funeral services were held at the home on Sunday afternoon at two o'clock. Dr. F. A. Lendrum officiating. Interment was made in the Sheldon cemetery.

## ERECTING WATER TANK AT TRAINING SCHOOL

The Chicago Bridge & Iron Works are erecting a new elevated steel tank for the Wayne County Training School. The tank will have a capacity of 150,000 gallons of water, and will set on a four panel steel tower 130 feet in height. The tank is located just west of the residence, which was known for many years as the Cook homestead. Hoag, Decker, Shocraft & Drury, of Ann Arbor, are the engineers in charge of the installation. M. Powell & Son of this village, had the contract of unloading and hauling the material for the tank.

## PLYMOUTH'S POPULATION STEADILY GROWING

TOTAL ENROLLMENT IN PUBLIC  
SCHOOLS SHOWS AN INCREASE  
OVER LAST YEAR.

The total enrollment for the grades and high school at the close of school Tuesday night was 1,155. Comparing with the enrollment at the same time last fall, we have an increase of 49 pupils, 23 in the first six grades and 26 in the high school. Enrollment by the end of September will probably run close to 1,200 because there are several who are away on vacations or have other reasons for not entering up to the present time.

## MERCHANTS WILL PLAY DE- TROIT TEAM SUNDAY.

The Plymouth Merchants team will stack up against the National Grocery team of Detroit, next Sunday at Burroughs Field. The National Grocery team is a fast bunch of players and a close game can be counted on. Game called at 3:00 o'clock.

## LOCAL CREDIT BUREAU IN- CORPORATED.

The Plymouth Credit Bureau has been incorporated under the state laws of Michigan, and the name of the organization has been changed to Merchants Credit Service, Inc.

## ROTARY CLUB HEARS INTEREST- ING TALKS.

The members of the Plymouth Rotary Club had the pleasure of hearing a splendid talk by E. C. Hough on his recent trip abroad, where he was a delegate from the local club to the 100th annual convention of the International. It was a most interesting talk and much appreciated by the members of the local club.

Edward Gayde, secretary of the club, gave an interesting report of the executive conference recently held in Pontiac.

## KIWANIANS AND GUESTS HEAR COACH YOST

HIGH SCHOOL SUPERINTENDENT  
AND FOOT BALL COACH SPEC-  
IAL GUESTS OF KIWANIS CLUB  
ON THIS OCCASION.

With "Love and Service" as the theme of the most inspirational address given before the Kiwanis club this year, Fielding H. Yost, athletic director of the University of Michigan, made local demonstration of the tremendous power of personality that has given the college supremacy in practically all phases of athletic endeavor.

Mr. Yost, in mild and temperate manner, outlined the gradual development of athletics since he became associated with the college 27 years ago, visualized the successive steps taken in the establishment of the plant, modestly surveyed the triumphs of the various teams throughout the years, all in a voice so low that ears were strained to get his words.

Then, like the coming of an avalanche, the power and personality of the coach came to the fore, and speaking as he would to his raw recruits, he boomed fact after fact, epigram after epigram, in a rapid fire whirlwind of words that stirred his hearers to the utmost.

Coach Yost may minimize his importance in the winning of games, may shower the teams with all the glory of victory, but his magnetism in the handling and inspiring of men, as demonstrated before the club, is immediately recognized as the primal force in keeping U. of M. at the top.

In speaking of the increased interest in university athletics, Coach Yost stated that on the first day of ticket sales six years ago, 213 reservations were made while this year more than 88,000 were registered on the first day.

"The spirit of competitive play, whether the student is a participant or not, is the fundamental emotion that finds expression in the desire for excellence in class work. The development of youth takes on a triple requirement and one or the other cannot be ignored. Physical development without intellectual improvement is dangerous; physical and intellectual development without character building is far more dangerous, but where the three receive the required attention we have the best balanced youth it is possible to receive, and that is the aim of the University of Michigan," said Mr. Yost.

The club was favored with two solos by Dick Valentine of Ohio. The meeting was under the direction of Bob Joffrey, vice-president of the club.

Superintendent George A. Smith and the foot ball coach and team of Plymouth High school, many Rotarians and other guests were present to hear the speaker.

## PLYMOUTH BANKS IN FEDERATION

Organization of the Wayne County Bankers Federation has just been completed with practically all of the banks outside of the city of Detroit listed as members. This organization has been formed to direct its members in the campaign against hold-ups, following the methods used by vigilance committees recently formed in many counties throughout the state. Both the Plymouth United Savings Bank and the First National Bank of Plymouth are members of the group.

Officers elected at a recent dinner are as follows: E. W. Yost, Trenton State Bank, president; W. J. Rachow, Union State Bank of Fordson, vice-president; Charles O. Ball, United Savings Bank of Plymouth, secretary and treasurer; and F. A. Lautenschlager, of the Trenton State Bank, member at large.

F. A. Kehrli, of the First National Bank of Plymouth, has been chosen as vice-chairman of the protective committee. Mr. Ball of the Plymouth United Savings Bank is also a member of this committee.

## BOUND OVER TO CIRCUIT COURT

Joe Marin, a Mexican, was arrested by Night Officer Charles Thumme at the Pere Marquette station at an early hour last Monday morning, and later taken before Justice Phoebe Patterson on a charge of carrying concealed weapons. Marin had a .38 Smith & Wesson revolver and twenty shells when arrested. He pleaded guilty, and was bound over to the circuit court with bail fixed at \$1,000, two sureties. He was unable to furnish bail, and was remanded to the county jail.

## FORMER PASTOR TO MAKE FILMS

DR. FLOYD J. BECKWITH TO  
HEAD COMPANY MAKING  
MOVIES FOR CHURCHES.

We take in part from an article in the Progress-Bulletin of Pomona, California, the following relative to Floyd J. Beckwith, a former pastor of the local Baptist church. Mr. Beckwith has many friends in Plymouth who will wish him unbounded success in the new work he is about to take up:

"The Rev. Dr. Floyd J. Beckwith, pastor of the First Baptist church, yesterday proffered to his congregation his resignation from the local pulpit to take effect November 1st, after which time he will assume the presidency of the Superior Films Corporation of Los Angeles, a newly organized concern which will specialize in the production of motion pictures for schools and churches.

"The resignation was presented and accepted at the communion service yesterday and elicited speeches of regret from many members of the church. Following the service virtually the entire membership flocked about the pastor, who is about to complete his fourth year here, and implored him to reconsider, but Dr. Beckwith said this morning that his decision was final.

"Dr. Beckwith will not leave the city for about a year, he announced today. He owns his home at 394 Columbia avenue, and has other property interests here. His family includes Mrs. Beckwith and one daughter, Dorothea, who plans to enter Redlands university this fall as a junior, having attended Pomona Junior college for two years, following her graduation from Pomona high school with the class of 1925.

Active in City's Life.  
"In addition to his duties as pastor of the Baptist church, Dr. Beckwith has filled many positions of trust in the community, including the presidency of the Welfare league, which he has headed for four years, and membership in the board of directors of the Pomona chapter of the American Red Cross. He is also a member of the Kiwanis club.

"Dr. Beckwith was born in Michigan and educated at Kalamazoo college, where he was given a B. S. degree in 1904. In the same year he was graduated from the University of Chicago Divinity school. Following this, he held the pastorate of the First Baptist church of Canton, Ohio, for five years, later to return to Chicago to minister in the Tabernacle Baptist church.

"During the World War Dr. Beckwith served as area religious work director for the Y. M. C. A. in the United Kingdom, later filling the regional general directorship in Brazil.

"In July, 1919, he preached before the combined congregations of the Temple Baptist and First Baptist churches of Los Angeles. The next month found him in Seattle, where for seven months he supplied the pulpit of the First Baptist church. His next move was to Boise, Idaho, where he served three years before coming to Pomona in October, 1923."

## KENNETH ROCKER ADJUDGED HEALTHIEST BOY AT STATE FAIR.

Kenneth Rocker, son of Emil Rocker of Wixom, Mich., and a former resident of this vicinity, was adjudged the healthiest Michigan boy by a board of judges at the State Fair last week. They examined about 30 survivors of county contests among members of the Boys' and Girls' clubs conducted by the extension department of the Michigan State College. The girl winner was Julia Allen, 15 years old, of Waters, Oceana County. The winners will represent Michigan in the national contest at Chicago in December.

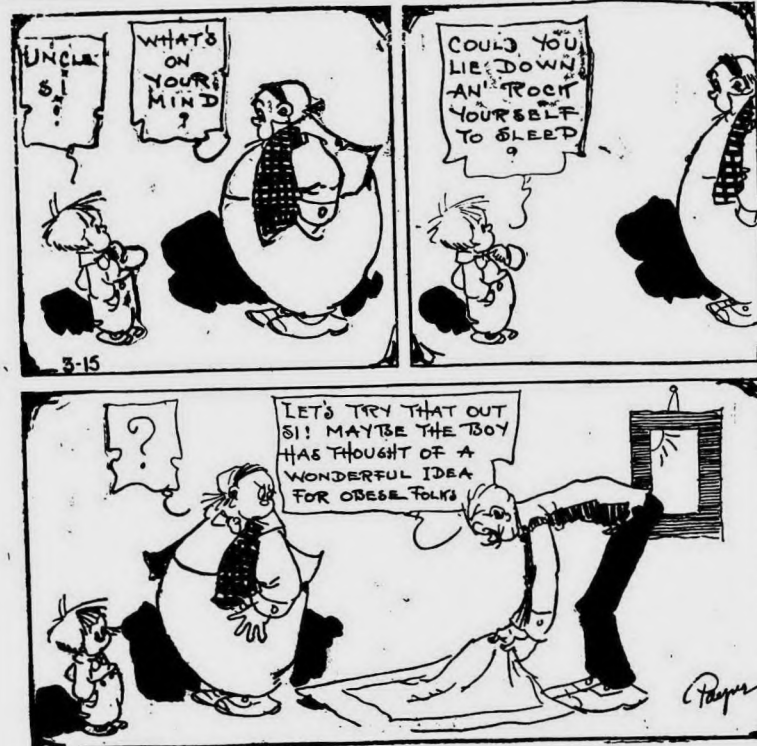

## OPENS NEW DENTAL OFFICE

Dr. H. H. Theunissen has opened a dental office in a suite of rooms in the Penniman Allen building. Dr. Theunissen is a graduate of the University of Michigan in the class of 1922. He came to Plymouth from Coloma, Mich., where he practiced for three years. Previous to going to Coloma, he practiced two years in Detroit. The doctor and his family are occupying the Fred Thomas home at the corner of Harvey and Farmer streets.

## PEOPLE EAGER TO SEE NEW FORD CAR

As the time draws near for the appearance of the new Ford automobile on the market, much speculation has been manifest concerning its appearance and general make-up. The coming of the new car is awaited with great interest by the people of this community, many of whom are employed in the nearby plants and at the Rouge plant. The opening of these factories on a greater production basis than ever before will be a strong factor in the general prosperity of this locality.

The fact that advertising has been sent out from the Ford offices is evidence that a definite announcement of the company's plans will soon be forthcoming.

Mrs. Emma Moore, who has been spending a few days at the Collins cottage, returned home with her daughter, Mrs. Collins, for an indefinite stay.

## OBITUARY

Mrs. Juliet M. Smith was born April 25th, 1855, in Nankin, Wayne county, Mich. She was the daughter of William and Sally Ann Weed. At the age of thirteen she came to the old homestead in Salem, which is now the home of her brother, George. On July 4th, 1874, she was united in marriage with Harvey G. Smith. To this union one son was born, Edward A. Smith. The greater part of their married life was spent in Salem on the farm on which they both died, he having preceded her to the home above eleven years ago, on September 20th, 1916, since when she has made her home with her son and family on the same farm. She was a member of the Lapham's M. E. church, to which she was devoted until the time of her death. She had been a very patient sufferer during her long illness, and having no fear of death, she calmly awaited her end, which came on Wednesday afternoon, August 31st, at 4:15 o'clock. She leaves to mourn their loss, one son, Edward; two grandsons, Clyde and Beryl; and two great-granddaughters, Winifred and Beverly; two brothers, Minot Weed, of Plymouth, and George, of Salem; one sister, Mary Stevens, also of Salem, and several distant relatives and friends.

The funeral services were held from her late home last Friday afternoon at 3 o'clock, Dr. Lendrum officiating. Interment in Riverside cemetery. Relatives were present from Detroit, Northville, Plymouth and Flint to attend the services.
