

## EDISON TO SPEND \$300,000 NEAR HERE

### EXPANSION OF LINES AND IMPROVEMENT AT SUPERIOR. CHIEF ITEMS.

### THIRTY-ONE MILLION TOTAL EXPENDITURE.

### EXPANSION EXPECTED Necessitates Development in Electrical Field.

Of the appropriation announced recently by the Detroit Edison Company for development during the coming year, more than \$300,000 is to be used in this section, principal items being \$45,000 for extension of lines and \$255,000 for new equipment at the Superior substation.

The line extension program will provide for about 500 new customers in Ypsilanti, Romulus, French Landing, Belleville, Milan, Saline, Bridgewater, Manchester and intervening territory. Approximately \$6,000 is to be spent for street and highway lighting in this territory.

**New Equipment at Superior**  
The new equipment to be installed at the Superior substation will be for control of the interchange of electric power between the Edison Co. and the Consumers Power Co. in Jackson.

During the past year, a 132,000 volt, steel tower transmission line was built by the Edison Company from Superior substation to Bridgewater and from Bridgewater, jointly by both companies, to Cement City, where it connects with the lines of the Consumers Power Co. At the conclusion of the construction work it will be possible to transfer electric power in either direction from one system to the other, in cases of break-downs or whenever it is otherwise desirable to do so.

At the substation in Ypsilanti the voltage regulating apparatus will be replaced with equipment of greater capacity at an estimated cost of \$13,000.

The rebuilding of lines in Pittsfield and York townships to accommodate new road construction work will cost the company about \$20,000.

### Expect Big Business Growth.

The total expenditure this year will be approximately \$31,000,000 of which \$7,500,000 will be required to complete work started in 1927. The balance of the money is to be spent for entirely new projects. Announcement of this program at this time is not to be taken as a definite commitment as to any particular item, according to officials of the company, but is the best present estimate of the year's requirements. It is based on the expected increase in business, and may be added to or reduced according to conditions as they actually develop.

Most of this program is necessary to keep pace with the rapidly growing domestic, commercial and industrial requirements of the 2,300,000 people who live in the 4,250 square miles of territory which the company serves. A considerable amount, however, will be used to improve the service to present customers and to extend lines to new customers.

### To Enlarge Heat System

About \$9,000,000 will be spent to increase the capacity of the company's steam power generating plants located at Detroit, Marysville and Trenton; and \$5,000,000 will be needed for the construction of new substations and additions to existing substations throughout the territory served by the company. The building of conduit, underground transmission cables and overhead lines for transmission and distribution of current will amount to about \$6,000,000; and the cost of extending service to additional homes, stores and factories, will amount to \$3,500,000.

The company's Central Heating System, which supplies steam in the central portion of Detroit, will be extended to the vicinity of Second avenue and Grand Boulevard, at a cost of nearly \$2,500,000.

Land purchases, the erection of new warehouses, branch office buildings, garages, etc., and other miscellaneous projects, will cost the company an additional \$1,500,000. An item of about \$3,500,000, which will be required for drafting engineering, superintendence and other unclassified expenditures, makes up the balance of the \$31,000,000 program.

At Rockwood a new substation is to be erected at an estimated cost of \$60,000, while an additional \$30,000 will be spent for conduit cables and in rearranging overhead lines in the vicinity of the new station.

New Warehouses in Ann Arbor

Two new warehouses to cost \$40,000

will be erected in Ann Arbor to expedite the handling of materials used in the construction and maintenance of overhead lines in that vicinity, and \$30,000 is to be spent for an additional line to be built from Superior substation, near Ypsilanti, to Ann Arbor to care for the latter city's increasing demand for current. Other expenditures to be made in the vicinity of Ypsilanti and Ann Arbor includes \$10,000 for improvements to the property comprising the company's Huron Farms, and \$18,000 for betterments to the various hydraulic power plants along the Huron River.

Provision has been made this year to proceed with the installation of the sixth huge turbo-generator, work on which was started in 1927, at the company's Trenton Channel power plant. It will cost approximately \$1,500,000 to complete this unit, together with the installation of additional boiler capacity and the necessary auxiliary equipment. This giant electric generator has a capacity of about 67,000 horse power, or sufficient to supply approximately eight times the combined demands of the cities of Ypsilanti and Ann Arbor. When this turbo-generator goes into service next fall, the Trenton Channel plant will have a total generating capacity of 400,000 horse power.

For the purpose of handling this additional capacity at the Trenton Channel plant, equipment will be installed at the power house for increasing the electrical pressure from the 12,000 volts, at which it is generated, to 120,000 volts for long distance transmission over the company's steel tower lines. To install this equipment and make other additions to the control apparatus, will cost approximately \$435,000.

Other improvements at the Trenton Channel plant during 1928 will probably cost an additional \$400,000.

## THE VILLAGE WATER RATES AGAIN

The committee appointed by the village commission to work out a table of equitable water rates, as was mentioned in last week's mail, met at the village hall Monday afternoon. The members of the committee were: Paul Nutting, E. C. Hough, George H. Robinson, Commissioner Learned and Village Manager Weltner. The latter two had prepared a table of rates, basing their figures on the cost of operating the village water system, the figures of which were also printed in last week's Mail. The committee as a whole were not able to agree upon any rate, and after considerable discussion, finally made a recommendation to the village commission that the water rates be left until after the coming village election for adjustment.

At a meeting of the village commission held the same evening to receive the report of the committee, the recommendation as above stated was rejected.

The matter of changing the water rates will come up again for discussion next Monday evening, when a regular meeting of the village commission will convene.

## PLYMOUTH DEBATERS WIN FROM YPSILANTI

In the fourth debate, and last of the preliminary series, Friday, January 27th, Plymouth debaters defeated Ypsilanti Central High school, 3 to 0. The question was, "Resolved, That the Direct Primary Should Be Abolished."

Thus far Plymouth has been undefeated and is therefore eligible to debate in the elimination contests. In this series the sixty-four schools having the highest score as a result of the preliminary debates will contest for state championship. The final debate of the series is to be held in Ann Arbor, April 27th.

The Plymouth High debaters, Ruth Root, Leona Beyer, Franklin Atkinson, Harold Hubert and their coach, Mrs. Ruth E. Huston-Whipple, are to be congratulated on their success. By going undefeated through the preliminary debates they have again brought honor in debating to Plymouth High school.

## MANY LADIES ATTEND HOME SERVICE CLASSES.

The Home Service classes being conducted here by Miss Gladys L. Peckham for the Michigan Federated Utilities are being largely attended by the ladies on Wednesday afternoons. The lectures and demonstrations given by Miss Peckham are very interesting as well as beneficial to experienced cooks as well as beginners. The classes meet at 2:30 o'clock and will continue for four weeks more. The public is cordially invited to attend.

## WILL OBSERVE TENTH ANNIVERSARY

### PENNIMAN ALLEN THEATRE WILL HAVE SPECIAL PROGRAM FOR FEBRUARY 12-13.

The management of the Penniman Allen theatre announces a special program on the occasion of the tenth anniversary of the local theatre, Sunday and Monday, February 12th and 13th. In the prologue there will be a splendid quartet and an old-time two-reel comedy and other features. The big picture will be "The Gay Retreat," a comedy war picture that is extraordinarily good. There will be two hours of entertainment in each show—7:00 to 9:00 and 9:00 to 11:00.

The regular prices of admission will prevail. Watch next week's paper for further announcements.

## NORTHVILLE FAIR WILL BE FREE THIS YEAR

### FAIR WILL TAKE PLACE THIRD WEEK IN SEPTEMBER—WILL ERECT BIG NEW GRANDSTAND.

At a meeting of the stockholders of the Northville Wayne County fair held recently, it was decided to conduct a free fair next fall and to erect a grandstand that will hold three times the number that the present one accommodates. Nelson Schrader was again elected president for another year and all the other officers and directors retained for a like period.

The date of the fair was also changed from the last week in September to the third week, the fair this year being from September 18th to September 22nd. This soon follows the State fair in Detroit, and the directors believe that it will aid greatly in getting additional entries and attractions. Not only that, but it is believed that the danger of running into bad weather will not be as great.

An effort will be made to get some aid this year from the county board of supervisors in view of the fact that practically every other fair in the state gets an appropriation from this source. It would seem that Wayne county could well afford to set aside a reasonable sum to aid the only fair held in the county.

The stockholders and directors are planning upon making the 1928 fair the largest and best ever held in our neighboring village.

## A Modern Greenhouse Plant

GREENHOUSE PLANT OF WILLIAM SUTHERLAND & SON

We are pleased to present herewith a picture of the greenhouse plant of William Sutherland & Son, located on the new Ann Arbor road, one block west of the intersection of that road and South Main street.

The front part of the plant is given over to a large salesroom, constructed entirely of glass, the roof of which has been decorated with a pretty shade of green, which produces a very nice effect. The floors are constructed of brick. Two large display racks provide for the displaying of various kinds of potted flowers. Plenty of space has also been provided for the display of flowers in the large plate glass windows. A large refrigerator gives ample room for the keeping and showing of cut flowers. The room is electric lighted and hot water is used for heating.

Three greenhouses, each 15x100 feet in size, and four at the rear of those, just recently completed, each 20x100 feet, gives the firm ample space for the growing of flowers and bedding plants. Every modern convenience known to the successful raising of plants and flowers has been included in the equipment. The plant is heated by one hot water and one steam heating system.

William Sutherland, the senior member of the firm, has had a long experience in the growing of plants and flowers and has been very successful in this line of work.

Donald Sutherland, the junior member, has been associated with his father since his graduation from college. For some time past he has been taking a special course in floral designing in Detroit, and will give this part of the business his personal supervision.

The Messrs. Sutherland extend a cordial invitation to the public to call and inspect their plant at any time.

## AN OLD-TIME LETTER

Lewis Holloway brought to this office a letter that was written November 13th, 1845, to his grandfather, who then resided in Lyons, New York, by John Boyd, who resided near what is now Howell, in Livingston county, and two years before that county was organized. The letter is in an excellent state of preservation. The penmanship of the writer was excellent and very legible at this time.

Mr. Boyd had purchased 640 acres of land in Livingston county, paying \$3.25 per acre.

Timothy A. Holloway and family soon emigrated to Michigan from York state and they, too, settled in Livingston county. They were ten days making the trip from Detroit to Howell.

## DEATH OF MRS. ALVINA KAISER

Alvina C. Kaiser was born in Germany January 18th, 1863. At the age of four years she, with her parents, came to this country, settling in Detroit. On November 28th, 1876, she was united in marriage to John B. Kaiser, of Detroit. For several years afterward they resided in Warren, thence coming to Detroit, and then, until about thirteen years ago, she resided in and around Plymouth, when she again moved to Detroit, where she lived until seven years ago, when she returned to Plymouth, at which place she resided until the time of her death, departing this life at the age of sixty-five years and nine days. Her husband preceded her in death June 21st, 1927. To this union were born seventeen children, fifteen of whom, eleven sons and four daughters, still survive here: Mrs. Ed. Heile of Jackson; Fred Howell; Ann, of Plymouth; Mrs. W. D. Brown, of Detroit; Louis, Charles and Otto, of Plymouth; Albert, William and George, of Detroit; Walter, of Howell; Howard, of Detroit; Mrs. J. C. Sprague, of Howell; Thomas and Mrs. A. G. Livingway, of Plymouth. Two sons, John and Frank, died in early childhood. She also leaves to mourn their loss twenty-nine grandchildren, five great-grandchildren and a host of other relatives and friends.

The funeral services were held from Schrader Bros. Funeral Home Monday afternoon at 2:00 o'clock. Rev. Walter Nichol, pastor of the First Presbyterian church, officiating. Interment at Grand Lawn cemetery, Redford.

## OUR LADY OF GOOD COUNSEL CHURCH WILL OPEN NEW AUDITORIUM.

The opening of the auditorium of the new church of Our Lady of Good Counsel, corner of Union and Dodge streets, will take place on Tuesday evening, February 14th, St. Valentine's night, when the O. L. of G. C. will give the first dancing party in the new auditorium. Patterson's five-piece orchestra will furnish the music.

The auditorium has a floor space 40x60 feet, and there will be plenty of room for all. The public is cordially invited to attend this party, and inspect this fine auditorium.

## LANDSCAPE GARDENING

O. J. Gregg, landscape gardening specialist at M. S. C., gave the local leaders of the home management classes a lesson on landscape gardening, Thursday, January 20th, at the high school. Mr. Gregg, through his story, showed the effect of landscape gardening on the individual and on the community. He also gave a lesson on how to landscape and the different kinds of shrubs to use, how to use them, and the proper way to prune.

Mr. Gregg will give a lecture on landscape gardening and perennials, in Plymouth on March 15th, for everyone. So watch the paper for further announcements.

## BUILDING ANOTHER ADDITION AT LEE PLANT.

The H. S. Lee Foundry & Machine Co. is building another new addition to their plant that will give them a total of 35,000 more feet of floor space. The new addition will be used as a molding floor. Roy Streng, contractor and builder, has the building contract. The increased business at the Lee plant made it necessary to have additional room.

The plant is running night and day shifts, and is employing 104 men at the present time. The well known high quality of the castings produced at the local plant make their products in great demand among manufacturers.

## D. A. R.

The Sarah Ann Cochran chapter, D. A. R., met at the home of Mrs. E. Cooper Monday evening, January 30. Mrs. Cooper presented very interestingly a collection of old letters and papers concerned with Plymouth history.

Louisa St. Clair chapter, D. A. R., of Detroit, has invited the Plymouth chapter to attend the dedication of colonial trees which have been planted by the chapter, around the Art Institute. This ceremony is to take place February 16th, at 12:00. Several members of Plymouth chapter will attend.

A small blaze around the chimney at the home of Alfred Wilson on Starkweather avenue, called out the fire department about 7:00 o'clock Thursday morning. Very little damage was done.

## WOMAN'S CLUB HEAR SPLENDID PROGRAM

### MUSIC AND THE DRAMA HELD THE PLACE OF INTEREST ON CLUB'S PROGRAM.

The business session, presided over by the president, Mrs. R. E. Cooper, held many things of important note for members. A very satisfactory financial report was given by Mrs. D. N. McKinnon. The chairman of the program for next year's work, briefly outlined three courses of study for members' approval, to be voted on at the next meeting, February 10th.

Thoroughly enjoyable was the following program, under the supervision of Mrs. O. F. Beyer:

Mrs. C. W. Higt gave an interesting historical outline on the Provincetown Players, especially stressing the life and plays of Eugene O'Neil. Mrs. R. E. Cooper invited keenest interest of her listeners, with a fine outline of two of O'Neil's outstanding plays, "Emperor Jones" and "All God's Children Have Wings."

Mrs. J. T. Chapman sketched briefly the life of Burleigh, composer of negro spirituals.

Mrs. Maxwell Moon, Miss Forsythe and Miss Ruth Shuttuck, in trio, delighted the ladies with two of Burleigh's compositions, "Swing Low Sweet Chariot," and "De Gospel Train." They were accompanied at the piano by Miss Gladys Schrader.

A brief synopsis of the play "Suppressed Desire," by O'Neil, was read by the chairman of dramatics, Mrs. F. J. Burrows. The play was efficiently read and characters cleverly interpreted by Mesdames O. F. Beyer, Martin Stringer and E. V. Jolliffe.

A short outline of the life of George Gershwin was given by Mrs. Chapman, chairman of music, following which Miss Schrader gave a splendid rendition from two of Gershwin's well known musical comedies, "O Kay" and "O Lady Be Good."

The next meeting will be held in the crystal room of the hotel, with a luncheon at 1:30 p. m., on Friday, February 10.

## MANY ATTEND GOLDEN WEDDING RECEPTION

The reception given at the home of Mr. and Mrs. John R. Pettigill on Williams street last Sunday afternoon in honor of their fiftieth wedding anniversary was attended by about one hundred and twenty-five relatives and friends. The bride and groom of fifty years welcomed their guests in their usual hospitable manner. They were assisted by the latter's father, T. B. Davis, and their only son, William T. After the guests had been received and had signed their names in a lovely leather-covered guest book, one of the wedding gifts, they were invited into the dining room to partake of light refreshments, served by the groom's niece, Mrs. L. B. Warner, Miss Bertha Warner, Mrs. D. M. Merrylees and Mrs. William T. Pettigill.

Mr. and Mrs. Pettigill were the recipients of lovely cards and letters, many beautiful flowers, gold and other numerous gifts. They were very happy to have so many of their friends meet with them, and the occasion will always remain a most pleasant memory.

Guests were present from Chicago, Detroit, Ypsilanti, Belleville, Wayne, Northville and Plymouth.

## PLYMOUTH MAY DO LOT OF PAVING THIS YEAR.

It begins to look as if the coming summer would see a number of streets in Plymouth paved. The paving of Penniman avenue from Harvey street to Moreland road has already been granted by the village commission. Petitions have been received by the commission asking that Arthur and Adams streets be paved.

Petitions are now being circulated among the property owners asking for the paving of Ann street, Bink avenue, Harvey street, Penniman avenue from Main street to the intersection of Ann Arbor street, at the point of the park, and from Main street to the Pere Marquette Railroad on Ann Arbor street. We understand that petitions are also to be circulated on Church and Williams streets.

This is a real paving program and an improvement that would be permanent, and a step in the right direction. Other towns are doing it, why not Plymouth? The willingness in which property owners sign the petitions when they are presented, shows that our citizens want to see our streets paved and put in first class condition.

## TRI-STATE RETAIL CONVENTION

Expected Some 1,500 Retailers of Michigan, Ohio and Indiana Will Attend Better Merchandising Three-Day Conference in Detroit—Nationally-Known Speakers Will Be on the Program.

Retail merchants of Plymouth have received invitations to attend the second Better Merchandising conference and exposition which is to be held at the Book-Cadillac hotel in Detroit February 15-17. They are also weekly receiving literature concerning speakers and other phases of the programs and indications are that this village will be represented.

Those who attended the first annual gathering at Detroit last year are said to be loud in their praise of the type of program given and the great benefits derived. Everything is planned for these conventions with thought of helping retailers solve the present-day problems brought about by changing conditions. It is stated that between 1,000 and 1,500 will register for this affair.

The Chamber of Commerce in almost all the larger cities and towns of Michigan are urging their local retailers to attend this conference, which is sponsored by the wholesale merchants' bureau of Detroit and put on by the Better Merchandising association, of which J. B. Sperry, of Port Huron, is the first president and the board of governors are all retail merchants located at various points in Michigan, Ohio and Indiana.

Among the outstanding men who have agreed to address the sessions are some nationally recognized authorities on retail merchandising. It is from start to finish an affair of retailers for retailers and every merchant in Michigan should make it a point to register and attend this conference.

The keynote address will be delivered the morning of the 15th of February by William Nelson Taft, editor of the Retail Ledger, of Philadelphia, on "What 1928 Holds for the Retailer." Other feature speakers

and their subjects include the following:

"What Research Reveals About the Retailer," by Paul T. Cherington, formerly professor of marketing of Harvard university, and nationally known for his research work.

"How You Can Merchandise Your Business More Effectively," by Russell C. Crevelson, of the National Trade Extension Bureau, Evansville, Indiana, and a recognized authority.

"How I Built a \$300,000 Business in a Town of 1,300," by Fred Andersen, known as the "miracle merchant" of Cozad, Nebraska.

"Selling Without Price Knowledge," by C. W. Farrar, president of the Excelco Products Co., Buffalo, N. Y.

"How the Home-owned Store Keeps on Doing Business," by Charles Christensen, well-known retailer of Saginaw, Mich.

"How to Increase Your Sales," by W. E. Schmalz, store manager of the Zion City Institutions and Industries, Zion City, Illinois.

"Planned Selling," by "Jack" Woodside, manager of the Western Company, Chicago.

Also a number of other equally qualified speakers whose subjects have not yet been definitely selected and which includes T. K. Kelly, editor of Kelly's Magazine, and president of the T. K. Kelly Sales System, Minneapolis, who addressed the first conference in Detroit last March so effectively, and some 25 leading merchants throughout the state, who have agreed to speak and lead in the discussions at the eight trade or group sessions, covering clothing, ladies' ready-to-wear, hardware, drugs, dry goods, groceries, plumbing, bakeries and furniture. Demonstrations of window trimming for each type of re-

tail store will be featured each of the three days and this proved of outstanding interest to many merchants who attended the affair last March.

It is reported from conference headquarters in Detroit that registrations are far exceeding those made for the first conference held in 1927 and promises almost twice as large an attendance. The cooperation being given by the many chambers of commerce and retail merchants associations throughout Michigan, Ohio and Indiana in bulletining their local merchants and urging upon them the importance of registering for this event is proving undoubtedly a large factor in arousing interest.

Merchants of this community cannot afford to miss attending this big affair, which is literally a school in modern retail merchandising. J. B. Sperry, president of the Better Business Merchandising association, under whose auspices this conference is being held, is most interested in making it an even greater success than that held last year.

There will be 85 booths of display in the exposition being conducted in conjunction with the conference, the joint affair occupying the entire ballroom floor of the Book-Cadillac hotel, and this will be a very valuable part of the affair, as affording retailers an opportunity to see modern store arrangement and display methods.

A folder which has just been mailed to 16,000 retailers in Michigan tells all about the purpose and the plans for this conference and exposition and merchants who have not received a copy are urged to write headquarters of the Better Merchandising Conference and Exposition, Book-Cadillac hotel, Detroit, for information. The registration fee is just \$2.00, covering the entire three-day program.

## WINS FIRST HONORS AT PIGEON SHOW

Our Plymouth pigeon lover, George Merryweather, has again been successful with his White Swiss Mouldins, and again carried off first prizes. He sent two pigeons to the annual Pigeon Show at Madison Square Gardens, New York, and last week he was notified that both had received first prizes. This was rather a surprise to George, as this being the largest pigeon show of the year, pigeon fanciers from all over the states sent their best pigeons for exhibit, and his came out with first prize. He also sent two White Swiss Mouldins to Bay City, for which he again received first prizes. George certainly takes a great pride in his pigeons; they are well housed, and are well worth a visit of inspection.

## OUR LADY OF GOOD COUNSEL CHURCH WILL OPEN NEW AUDITORIUM.

The opening of the auditorium of the new church of Our Lady of Good Counsel, corner of Union and Dodge streets, will take place on Tuesday evening, February 14th, St. Valentine's night, when the O. L. of G. C. will give the first dancing party in the new auditorium. Patterson's five-piece orchestra will furnish the music.

The auditorium has a floor space 40x60 feet, and there will be plenty of room for all. The public is cordially invited to attend this party, and inspect this fine auditorium.

## LANDSCAPE GARDENING

O. J. Gregg, landscape gardening specialist at M. S. C., gave the local leaders of the home management classes a lesson on landscape gardening, Thursday, January 20th, at the high school. Mr. Gregg, through his story, showed the effect of landscape gardening on the individual and on the community. He also gave a lesson on how to landscape and the different kinds of shrubs to use, how to use them, and the proper way to prune.

Mr. Gregg will give a lecture on landscape gardening and perennials, in Plymouth on March 15th, for everyone. So watch the paper for further announcements.

## BUILDING ANOTHER ADDITION AT LEE PLANT.

The H. S. Lee Foundry & Machine Co. is building another new addition to their plant that will give them a total of 35,000 more feet of floor space. The new addition will be used as a molding floor. Roy Streng, contractor and builder, has the building contract. The increased business at the Lee plant made it necessary to have additional room.

The plant is running night and day shifts, and is employing 104 men at the present time. The well known high quality of the castings produced at the local plant make their products in great demand among manufacturers.

## D. A. R.

The Sarah Ann Cochran chapter, D. A. R., met at the home of Mrs. E. Cooper Monday evening, January 30. Mrs. Cooper presented very interestingly a collection of old letters and papers concerned with Plymouth history.

### IT ISN'T TOO EARLY.

We may have a spell of mean weather in February or March, but all indications warrant the belief that the worst of winter is now behind us and that in so far as Plymouth and surrounding territory are concerned our citizens can commence to shake off their winter lethargy and get ready for spring activities.

One pretty good indication that we are getting close to the spring season is the increasing number of seed and nursery catalogues now reaching the local postoffice. The men who sell seeds and plants and fruit trees are a forward looking set. They know just about when the frost is going to begin leaving the ground and when the "itch" for garden making is going to seize upon humanity at large. They seldom miss their guess.

So don't feel that it is too early to begin planning the things you know you're going to have to do a little later on. A large part of success in anything depends on how well you plan for it in advance. If it's housecleaning, rejuvenating the premises with a few gallons of paint, or even garden-making or putting in a crop—start doing the groundwork now. The seed men and the paint men and the implement men are better forecasters of spring than the groundhog can ever hope to be. And they've started on their annual selling campaign.

### TOO MANY LAWS.

We're hearing a good deal lately about law enforcement and about the many terrible crimes committed in various sections of our country within the past few months. It isn't the most pleasant topic of conversation, to be sure; but it is a subject worthy of the attention of everyone who has the welfare of the nation at heart.

We feel sure Plymouth citizens will agree with us when we say that in the past we have given too much attention to making laws and not enough to enforcing them, with the result that we have a lot of laws that are not availing us anything in the way of protection. Our lawmakers have been haphazard in framing new legislation. Many of the new laws have not been well digested and worked out in their proper relation to other laws already on our statute books. Too many legislators have the idea that a law always has to be passed "against something." Too few of them stop to consider whether or not it will pass the test of justice and enforcement.

It isn't a lack of law that encourages such crimes as have been perpetrated in this country within recent weeks. It's a lack of properly and promptly enforcing the ones we have, and too much of a tendency to overlook the fact that the teachings of the church and the school and the home will, if properly looked after, do more than all our laws to discourage criminal tendencies in growing youth. You can't legislate goodness into the growing boy or girl. Let's have stricter enforcement of the laws we already have and a closer training of youth in the church, the school and the home. It is a slow process, but it will prove the best solution of the problem in the long run.

### FROM AN AUTHORITY.

In a recent speech Postmaster General New made the statement that "advertising is basically a form of education, and not an economic waste. It ministers to the true development of trade and creates and changes public opinion and public sentiment. Modern business could neither have been created nor maintained without advertising. It is to

advertising that very much of the success of the American industrial system is due."

We want to applaud the remarks of the postmaster general and pass them along to our local business men, any of whom can profit by accepting such logic, and practicing exactly what Mr. New preaches. The most prosperous communities in the land are those whose stores are prosperous. And a little investigation will quickly show that stores that are most prosperous are the ones that are the strongest believers in advertising.

### W. C. T. U.

A very enjoyable meeting of the Woman's Christian Temperance Union was held Thursday, January 28th, at the beautiful home of Mrs. Coello Hamilton. There was a large attendance. On account of illness, Rev. Johnson of Newburg, was unable to address the meeting, as had been expected. In his place Mrs. Clara Todd gave a very interesting account of the reception given Miss Anna Gordon in Detroit. The piano solos by Miss Ruth Hamilton, and the vocal duets by the Misses Anna and Ada Young were greatly appreciated. Some excellent current events also helped to make the program of interest.

The program committee for the ensuing year will be Mrs. Clara Todd, Miss Hattie Houghton and Mrs. L. Clemens.

The next meeting will be a tea meeting Thursday, February 23rd, at the home of Mrs. Ernest Burden.

We clip the following article from the Union Signal:

"How many people would like to live in the 'good old days,' say fifteen or twenty years ago, when each street corner and other places had old-time filling stations, not gasoline and oil, but alcohol flavored with fruit juices to make it taste good? Both gasoline and alcohol burn, we admit. The only difference is that one is burned inside of a mechanical motor and doesn't do any damage, while the other burns inside a human being's body and burns out his bearings, destroys his ignition system, makes him hard to start and to keep his balance. Then the cop comes and serves as a wrecker. I don't believe that many would choose to go back to the suffering, agony, heartaches and broken homes of saloon days. I am sure no one who has a proper respect for home and country and God would."

Miss Josephine Schmitt is debating tonight at Grand Rapids, as third speaker on the Kalamazoo Normal girls team. Miss Schmitt was one of Plymouth's debaters last year and the year preceding.

### IMPORTANT NOTICE

The commission at a regular meeting on January 16, 1928, unanimously passed a resolution that all houses, stores, factories, etc., in the village of Plymouth, adjacent to a sanitary sewer, be connected properly to them by May 1, 1928. All houses, stores, factories, etc., which are not properly connected now to these sewers must also connect properly by May 1, 1928. A permit must be obtained from the village treasurer before any connections are made.

Where the house connection has been put in to the sidewalk line by the contractor, the charge for the permit is \$1.00, and where the connection is not in a charge of \$35.00 for a permit is made. The village puts down in to the sidewalk line for this \$35.00 charge.

These connections must be made with 6-inch standard vitrified sewer pipe, with cement joints. The inside basement drainage and house sewage can go into the sanitary sewers. All roof water, overflows from cisterns and outside basement drainage must go into the storm sewers. Where no storm sewer exists, the roof water must run on the ground. If these connections are not made by May 1, the village will start putting them in and charge the property for it.

WILLIAM WELTNER, Village Manager.

## LOCAL NEWS

Mr. and Mrs. W. S. Bake left Tuesday, for a few weeks' sojourn in St. Petersburg, Florida.

Mark Becker of Pentou, was a weekend visitor at the home of his grandparents, Mr. and Mrs. F. L. Becker.

Mr. and Mrs. Walter Gale of Ypsilanti, were guests of his parents, Mr. and Mrs. Sheldon Gale, last Saturday.

A number of Plymouth people are attending the Persian Cat show at the Book-Cadillac in Detroit, today and tomorrow.

Sidney D. Strong, Herald Hamill and Village Manager William Weltner attended the meetings of the third annual Michigan Engineering conference held at the Hotel Statler, Detroit, last Friday and Saturday.

Mr. and Mrs. Earl Ryder entertained the Merry-Go-Round club last Friday evening. Honors were awarded to Mrs. George Evans and Herbert Horabacher, and consolations to Miss Mabel Brossow and Manfred Becker, for progressive play. At a late hour lunch was served, and all departed having enjoyed a most pleasant evening.

**Dr. Frank Crane Says**

**DEMO CRACY.**

Dean Inge of St. Paul's recently said that a government of, by and for the people is a clap trap.

It doubtless is. But a government of, by and for a king of an oligarchy or any such thing is worse clap trap. As far as we can see, almost all kinds of government are open to the accusation of being clap trap.

As far as getting anything done immediately is concerned, the dictator plan, such as accomplished by Mussolini and Premlo de Rivera, seems to be the best.

A democracy is not the most efficient form of government, but it is the only form where the majority rule.

It is the only form under which people are allowed to make their own mistakes.

The only way to improve is to bump your own nose, stub your own toe and learn from your own defeats.

Foolish and unstable as the people are they remain the best basis for any government, and a government slowly built up as a democracy has much more promise of long life than any absolutism.

America may be headed for disaster. Plenty of prophets tell us that it is, but so far its record has been the most astounding in the world's history.

Altogether the efficiency of democracy seems to be that it can easily get rid of bad rulers, although it is not so efficient in picking good ones always.

The question often overlooked is, "What is a government for?"

A government is not a people organized to accomplish something or to gain some advantage over another combined people, but it is organized to advance the interests of the people who make it up. The American government is a good one because the individuals who compose it are well off. The Russian government is a bad one because the individual people are bad off.

If we would keep our eye upon the individual more and less upon the combined individuals as a nation we should think more clearly of the problem.

The question after all is not what is better for a nation, but what is better for the people that compose it.

**Today's Reflections**

A noted New York teacher says children can spell better than their fathers. That being the case, then why don't they?

We know some fellows around Plymouth who seem to think that it's not unlucky to postpone a wedding so long as you keep on postponing it.

Women may look more like angels than men look like them, but so far no woman has been able to fly across the ocean.

The modern city home has developed to the point where it is only used by the boys and girls of the family as a place to sleep at night.

Many a Plymouth man who believes in free speech is still paying rental on a telephone.

Cloth manufacturers must live. So the material taken from the girl's skirts is added to the college boy's trousers.

"Skating Made Easy" is the title of a new book; but the beginner will still find that the hardest thing about it is the ice.

Some Plymouth girls saddle because they have a sense of humor and others because they have dimples.

A Yale professor says long legs are a sign of intelligence. They are if vigorously used when crossing a street where traffic is heavy.

We are told that to succeed in Wall street you have to be young, ambitious and work hard. And the same thing applies to Main street.

We've also noticed that the Plymouth citizens who argue that there ought to be a tax on bachelors are all married.

If Lindbergh can make Mexico feel better he's the first man able to do so.

The most distinguished citizen just now is the man who hasn't a cold and who knows how to keep from getting one.

We bet that if there was a law that nobody should read the president's message everybody in Plymouth would always know what was in it.

A hypocrite is a person who pretends to believe what you tell him when he knows you're lying.

Christmas comes but once a year, but the installment plan enables you to pay for it all the rest of the year.

Most Plymouth fathers are not worried so much about what the automobile is doing to the younger generation as about what the younger generation is doing to the automobile.

**Sickly Boy, 7, Gains 15 Lbs.—Father Happy**

"My boy, 7, would not eat. I gave him Vinol and the way he eats and plays now makes me happy. He gained 15 pounds."—J. F. Andres.

Vinol is a delicious compound of cod liver, peptone, iron, etc. The very first bottle often adds several pounds weight to thin children or adults. Nervous, easily tired, anemic people are surprised how Vinol gives new pep, sound sleep and a BIG appetite. Tastes delicious.—Dodge's Drug Store.

Hee: "Ever see a worse fog than this?"  
Haw: "Yes, one."  
Hee: "Is that so, where?"  
Haw: "Why, er...er... it was so foggy I really couldn't tell where it was."

**FORMER BEECH RESIDENT DIES AT REDFORD.**

Edgar Prindle, a life-long resident in this vicinity, and who for the past ten years has lived on Cunley avenue, passed away last Thursday, following a brief illness of pneumonia. He was 78 years of age. Before coming to Redford Mr. Prindle lived on a farm near Beech. He was unmarried. His sister, Miss Ellen Prindle, kept house for him until about a year ago, when death claimed her. A niece, Miss Grace Fisher, who made her home with them during the last few years, besides three other nieces and a nephew, survive. Funeral services were held Saturday from the house and burial was in Grand Lawn cemetery—Redford Record.

**Farm for Sale in Wash-tenaw County**

33 miles from Plymouth in the hills overlooking a thriving village of 3,000 inhabitants, on the R. R. and D. U. R.

There is an 8-room modern house, good well of water, windmill, lots of shade, orchard, some woods, several smaller buildings, a fine basement barn, 36x88, on 20-foot posts; a tile silo, cement manure pit, an adjoining barn, 32x40; a toolhouse, 26x14; modern hog house, modern hen house, and all buildings are nicely painted.

This farm is owned by a man who has two sons who each want a small farm. He has lived on it for 18 years and has made money, so he wants to retire. We have been selling farms since 1922 and this is well worth the money asked. There is a phone in the house; rural route runs by the farm; quarter mile from a main trunk line road; one and a half miles from the village, and has electricity available.

WILL TAKE A HOUSE IN PLYMOUTH if the price is right, so if you have any idea of going back to the farm see this first.

### THE THEATRE

#### "THE VALLEY OF THE GIANTS."

The beautiful Redwood country of California, mecca of thousands of tourists each year, is the locale of Milton Sills' latest starring vehicle, "The Valley of the Giants," which comes to the Penniman Allen theatre Sunday and Monday, February 5th and 6th.

The story is from the novel of that name by Peter B. Kyne, and is an ideal vehicle for the talents of Sills. It deals with life in the open, in a wild country where "men are men" and there is no place for a weakling.

Sills and his company spent many weeks deep in the forest of Redwoods, in lumber camps and at mills, making scenes for "The Valley of the Giants" in the exact spots that Kyne so ably wrote of. The story has a virility and a compelling interest that few pictures possess, as the result of its being taken under the exact conditions the author dealt with in the original story.

Doris Kenyon plays opposite Sills in this picture, which was directed by Charles Brabin and produced for First National release by Wild Gunning.

Arthur Stone, Paul Hurst, Yola d'Avril, George Fawcett, Charles Sellon, Fred O'Beck, Phil Brady and many other favorites are seen in support of Sills.

"The Valley of Giants" is one of the finest vehicles this popular star has ever had, and should prove one of the biggest attractions of the year in Plymouth.

#### "ARIZONA NIGHTS."

Rich in historical background, packed with fast-moving action, and containing a sweet romance, "Arizona Nights," F. O. B. attraction, which comes to the Penniman Allen theatre Tuesday and Wednesday, February 7th and 8th, is an outstanding film. Critics are almost unanimous in lauding it as one of the finest western productions ever turned out of a motion picture studio.

"Arizona Nights" is admittedly Fred Thomson's greatest picture and Thomson holds an undeniable position at the top of the ranks of western players. The F. O. B. star has been given an unusual role, and his versatility enables him to carry it out most successfully.

The struggles of a small Arizona town in the mining district against outlaw attacks of a band of marauding Indians provide the central theme of the picture, and the manner in which the community is rid of the menace forms an intensely vivid story.

Fred Thomson's great horse, Silver King, again is featured. Silver King performs a number of remarkable feats which clearly show why the animal has become known to moving picture goers as "the horse with a personality." Nora Lane plays the feminine lead opposite Thomson. Miss Lane, although a comparative newcomer to the screen, is most talented and capable. The attractive young woman rides well and has amazing histrionic ability despite her short experience.

A remarkable supporting cast adds greatly to the picture. Several well known screen characters are in the minor roles, including J. P. McGowan, William McCormick, Lottie Williams and Dan Peterson.

Lloyd Ingraham, who directed two of Thomson's former pictures, "Don

Mike" and "Silver Comes Through," handled the western star in "Arizona Nights."

#### "THE MAGICIAN"

"The Magician," which will be shown at the Penniman Allen theatre Thursday and Friday, February 9 and 10, is the first Rex Ingram production for Metro-Goldwyn since his widely discussed and highly successful screen version of Blasco Ibanez' "Mare Nostrum." (Our Sea).

This new picture from the brilliant young director deals with a subject entirely different from anything he has previously done and he has handled it in the fine manner which has marked all his previous triumphs. It is his most ambitious achievement.

The story of "The Magician" is that of a girl caught between the forces of a Magician, whom she is unable to resist, and the love for a young surgeon who has saved her from being a helpless cripple by performing a delicate operation on her spine, which startled the surgical world.

Ingram has taken the Somerset Maugham story and with his usual brilliance in the handling of such a delicate subject, has developed a powerfully romantic drama.

Allie Terry enacts the part of Margaret Dauncey, the young sculptress, and gives one of the finest performances she has ever registered on the screen.

Paul Wegener has the title role and this noted German character appears to even a better advantage than he did in "The Golem," which created a sensation when released in the United States several years ago.

Ivan Petrovich, a young Serbian actor, plays opposite Miss Terry and Firmin Gémier, the famous French actor and stage director, enacts a most important character part.

This is without doubt the most famous international cast ever assembled for one picture and all have important parts. With the exception of Miss Terry, "The Magician" marks the first appearance in a picture made by an American company of any of the other three leading members of the cast. Gémier and Petrovich have never been seen on the screens of this country, although both are well established on the continent.

The entire production was made in Europe on the original locations described by the author in his book, "The Latin Quarter of Paris, the Grand Boulevard, the Cathedral of Notre Dame, Monte Carlo, the interior of the gambling rooms at the Casino, the famous towers of Switzerland and many other places of historical and pictorial interest in France, Italy and Switzerland were utilized as backgrounds for "The Magician."

#### "TUMBLING RIVER."

A plot of villainy and intrigue woven around a gang of the most notorious cattle-rustlers in the west is the theme of the new Tom Mix production for Fox Films, "Tumbling River," which comes to the Penniman Allen theatre Saturday, February 11th.

A lair of evil and thievery far back in the rugged places of the mountains, by the light of a flickering fire, is where these sinister men plan all of their deeds to fleece the country of its finest cattle and thoroughbred horses.

Around such a menace this blazing Mix story of the west was laid, bringing in all of the high lights for

which the west is noted—hazardous rides, hard fighting and quick shooting, and Tom enfolded to his public an entire repertoire of new thrillers.

Tom is more than suited for this particular type of role, because he spent several years of his life as a ranger in Texas and a deputy marshal in Kansas and Oklahoma. During these years he was running down everything from gunmen and illicit liquor traffic in Mexico to cattle thieves of no uncertain character and menace.

With Mix in this production are Dorothy Dwan, William Conklin, Stella Essex, Elmo Billings, Wallace MacDonald, Buster Gardner, Harry Gripp and others. Lew Seller directed the production.

Son: "Mother, who put the statue under the kitchen sink?"

Mother: "Sssh, sonny, that's the plumber."

### BRIGGS SCHOOL NOTES

By Evelyn Rutenbar, Sec.-Treas.

George Greenlee, Carl Hedding and Marvin Bannerman visited school last week.

We entertained Albert, Walter, Henry, Leah and Elmer Bannerman and Vernon Yatzek as our birthday guests last Friday. The entertainment committee had several games to play, and the refreshment committee served lunch consisting of cake, candy and peanuts. The guests were given birthday gifts by the Citizenship Club.

We have 17 new library books. Evelyn Rutenbar is highest in Courtis Tests. She is on lesson 25.

Dorothy and Ruth Hobbins of Ann Arbor, visited school Monday, January 30th.

Joe and Irene Bauer have the measles.

Our attendance was only 88% for January.

I've been with girls from every land, And boy, I'll say they're fun! But this will always be my credo—To love them all but marry none.

"Who's the Speaker of the House?" roared the political science prof. during an oral exam. "Mother," responded the meek-looking freshman in the corner seat.

### EATS BIG STEAK AND FRIED ONIONS—NO GAS

"Every time I ate I had terrible stomach gas. Now, thanks to Adlerika, I eat steak and fried onions and feel fine."—Mrs. J. Jullian.

Just ONE spoonful Adlerika relieves gas and that bloated feeling so that you can eat and sleep well. Acts on BOTH upper and lower bowel and removes old waste matter you never thought was there. No matter what you have tried for your stomach and bowels, Adlerika will surprise you. Beyer Pharmacy.

# SATURDAY, FEBRUARY 4

## Last Day of BIG SALE

Woodworth Building WILLOUGHBY BROS. WALK-OVER BOOT SHOP Plymouth Michigan

**SCHOOL NOTES**

The second semester of school opened Monday, January 30, after exams were over.

Mrs. Weir's French classes are beginning to correspond with boys and girls in France.

The study and writing of orations is the first work of the public speaking class this semester.

Fifteen are enrolled in Mrs. Dykehouse's advanced sewing class. Before doing any work in sewing, they are studying "How our clothes affect our personality and how they affect other people."

Monday, the Aggie Club met and elected the following officers for the coming semester: President, Irene

Krauter; vice-president, Millard Nelson; secretary, June Wagenschutz; members of the executive board, Amy Blackmore and Dale Munzinger.

The credit slips and report cards were given out Wednesday, February 1.

The High School has a new teacher, Miss Cadaret, who teaches English and History.

When the H-Y club met Erwin Foster was elected president; Charles Beegle, vice president; Beryl Smith, secretary, and Cecil Packard, treasurer.

Friday evening at 7:00 o'clock, both basketball teams of the High School will meet Roosevelt High of Ypsilanti, in our own auditorium.

—Hebe Travis.

The students in the kindergarten and through to the sixth grade, are

working on the correction of their dental defects. Letters will be sent home to the parents telling them the condition of their child's teeth, as found by our local dentists in the recent dental inspection. We hope parents will cooperate with us and have the corrections made. Infected baby teeth lower vitality and resistance to disease, and cause dull work and sometimes failure to pass grade.

**B-1 GRADE—MRS. ROOT**

Catherine Schrader, Douglas Sockow, Arlene Soth, Evelyn Bower, Junior VanAtta and Jean Woodworth received gifts Friday, as rewards for perfect attendance and punctuality all the first semester. This is the best record we have ever had.

Thirty-one boys and girls were promoted to A-1 in Miss Hodge's room;

seven were promoted to A-1 in this room, and twenty-four were received from the kindergarten.

—Catherine Dongan.

**AROUND ABOUT US**

Redford's new \$500,000 theatre opened to the public last Friday evening.

Harry German, Jr., son of Harry German, famous ball player, is one of the two new mail carriers at Northville, where free mail delivery started February 1st.

The officers and directors of the First National bank at Ann Arbor, have let the contract for a ten-story building to be located at South Main and Washington streets, in that city.

The removal of the general offices of the Ford Motor Company from the Highland Park plant to the new \$2,000,000 building which faces Coolidge Highway at Fordson, was completed last week Thursday.

The Fowlerville Baptist church is now free from debt and at the annual meeting of the ladies society, held recently, the mortgage was burned after appropriate remarks by the pastor, also president of the society.

South Lyon has a sewage system but no way of disposal of the sewage as the bond issue for the erection of a disposal plant was defeated at the recent special election, 99 votes being cast for and 132 against the measure.

Grand River avenue at Farmington Junction is the third busiest spot in Oakland county in point of traffic, according to a traffic census contained in the report of the Oakland County Road Commissioners for 1927. On Sunday, August 14, 1927, the day the census was taken, 17,114 vehicles passed this intersection in 24 hours.

Another relic reminiscent of pioneer days has been added to Henry Ford's collection at Dearborn. Mr. Ford purchased and has reconstructed over the River Rouge on his estate, a century old grist mill and saw mill which was erected in 1822 in Frenchtown, near Monroe. Workmen removed the landmark by truck and trailer to its new location.

The Four Lakes Golf and Country Club is a newly organized company which has recently received its charter from the State of Michigan calling for a corporate lease of thirty years. A thirty year lease has been executed between the directors of the club and Grant W. and Anna B. Stevens, fee owners of the 170 acre tract overlooking Sandybottom and Lime Kiln lake at Rushton on M49, known as the Clark-Hooker property. Among the sports offered by the club will be golf, tennis, quoits, croquet, archery, baseball, fishing, bathing, boating, dancing, billiards, cards and in the wintertime sleighride parties and skating.

—Brighton Argus.

**LIBRARY NOTES**

**Ten Books About Girls of Other Lands**

Heldi—Sperrl. A delightful story of child life in the mountains of Switzerland.

Japanese Twins—Perkins. The twins are just five years old, and they live in a little house in a queer little town in the middle of the Happy Islands.

Hans Brinker—Dodge. Hans and his sister, Gretel, live in Holland.

Genevieve—Porter. Tells of school life in France.

Peep-in-the-World—Christion. The story of an English girl's year at her uncle's castle in Germany.

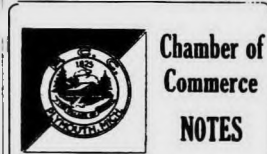

Cart of Many Colors—Merklejohn. The gay little cart was made by Nello Ross, as a wedding gift for his sister, Mara.

Red Caps and Lilies—Adams. A story of children in the early days of the French revolution.

Katrinka—Haskell—Katrinka is a little peasant girl in Russia, who, by her wonderful dancing, frees her mother and father, exiles in Siberia.

Wisp—Adams. A girl of fourteen who lives in a dinky tenement in Dublin, Ireland.

Merrylips—Dix. A little maid in England during the time of the Cavaliers and Roundheads.

The Chamber of Commerce is sponsoring the proposed paving around Kellogg Park.

The membership committee will complete their plans for the membership drive at a special meeting, Monday evening.

## MUNICIPAL NOTES

BY THE MANAGER

Two paving petitions have been filed to date with the village: one is on Arthur street, from the north line of Penniman avenue to the north line of Blanche street, and the other is on Adams street, from the north line of Church street to the south line of Farmer street.

Would the parties circulating the other petitions, kindly get them signed up and bring them into the village hall as soon as possible?

There are quite a number of petitions out yet. These ought to be in so that the streets can be surveyed and the plans drawn up for storm sewers and paving. There is quite a lot of work toward getting these plans ready for the contractor, and the sooner we can get them ready for bids, the better bids we will get. The more streets we can get ready to bid on, the lower bids we will get, and we will be more apt to get good contractors to come in and bid on them.

If Arthur, Blunk, Ann and Adams come in for paving, it seems as though Williams and Church streets ought to be paved also. Petitions for paving can be obtained at the village hall.

The streets to be paved this year will be kept in as good condition as possible, with chasers and foundry dirt.

Persons circulating petitions for paving should see to it that owners of all vacant property sign their petitions.

## PLYMOUTH BOWLING LEAGUE

|                  | Won | Last | Pct. |
|------------------|-----|------|------|
| Ford Taps        | 38  | 7    | .844 |

| Piscopink Bros.   | 20  | 28   | .417 |
| Schlaf, Bridge    | 16  | 32   | .333 |

Two hundred games bowled in the league this week: W. Stremlich, 209; C. Milliman, 232; Wheeler, 201; Kirk, 223; Powell, 210, 210, 205.

Games of 210 or over rolled in open games: A. Robitski, 222, 223; G. McLeod, 223; D. Rowland, 230; W. Stremlich, 230, 216, 227, 237; M. Dault, 214; Lomas, 245, 221; J. Lenker, 210, 213; E. Klinski, 212; D. Beyer, 218; Williams, 214, 234, 210; Lorenz, 241.

H. German and W. Stremlich bowled their second block of five games in their 40-game match, Stremlich winning by only 84 pins. Scores follow: H. German—210 198 180 174 141—901; W. Stremlich—192 170 190 176 257—985.

Five more games will be rolled in Plymouth, Saturday afternoon at 3:00 p. m.

## SOUTH SALEM

Louis Bohling, who has been so very sick at the Aitchison hospital, Northville, returned last Thursday night. He is getting better.

Born to Mr. and Mrs. Don Bouten, a daughter, Norman Irene, last Tuesday morning. They are St. Joseph's hospital, Ann Arbor.

Mr. and Mrs. Guy E. Rorabacher and Evelyn returned from Grand Rapids last Monday.

Neil Stevens of Lapham's Corners, is at University hospital, where he had an operation for gall stones and an abscess on his liver.

Mayford Steloff was taken very sick last Monday afternoon with an attack of appendicitis. He is some better now. Victor is there helping while his brother is sick. Mrs. Hazel Shoup has come to stay a few days with her sister while Mayford is ill.

The Jarvis P. T. A. will meet at Mr. and Mrs. Otto Bohling's next Friday evening.

The Hansen children are sick. Charles Van Aken was seriously injured at his work in South Lyon last week. Several ribs were broken and one of his lungs punctured.

Henry Rawling, of Grand Rapids, visited at Coda Savery's last week.

## NEWBURG

Mr. and Mrs. Russell Shields of Detroit, were Sunday, and Mr. and Mrs. Wm. Farley of Plymouth, Wednesday visitors at the C. E. Ryder home.

Robert Jones of Springfield, Mass., spent Tuesday evening at the home of his aunt, Mrs. C. E. Ryder.

I will have a special showing of hats for early spring wear, all next week, and will make a special for \$3.95, and \$6.00 and \$8.50 hats for \$5.00. Don't miss this sale. Mrs. C. O. Dickerson, 122 North Harvey street.

## THE PRIDE OF FINE LINENS

Fabrics that are fine deserve the best of laundry care. For years we have been doing the bedrooms of Detroit families.

Lingerie, silks and laces, exquisitely done. Shirts, frocks, children's clothing, correctly finished. Linens, straight, smooth, lovely. Curtains, blankets, quilts, pillows, Rugs.

Pick-up and delivery Wednesdays. Call Detroit Randolph 8890, or drop us a card, care Plymouth Mail, Box X, and our driver will stop.

## The Crawford Laundry Co.

707 East Jefferson, Detroit

## CHERRY HILL

Mr. and Mrs. Allan Bordline and Mr. and Mrs. John Bordline and son, of Detroit, were Sunday guests of Mr. and Mrs. Lloyd Bordline.

Wilbert West has returned home from Capac, where he has been ill for some time.

Mr. and Mrs. Roy Franklin, of Fowlerville, are spending a few days with Mr. and Mrs. Milo Corwin.

Mr. and Mrs. Earl Dentline and son have gone to Indianapolis, Ind., for an indefinite time.

Miss Lilah Harrison, of Capac, was a week-end guest of Miss Bernice West.

Irving Hank is very ill with influenza.

Mrs. A. C. Dunstan and O. E. Trowbridge have been on the sick list.

Herbert and August Schultz are driving new Buick cars.

Howard and Harlow Wagnushitz, of Plymouth, spent Sunday afternoon with Lester and Melvin Corwin.

A father and son banquet will be given at West's hall Friday evening, February 3rd. The Ladies' Aid society will serve the supper. Dr. Phelps will be the main speaker of the evening. Special music has been prepared.

Mr. and Mrs. Milo Corwin and Mr. and Mrs. Roy Franklin spent Wednesday with Mrs. Earl Hamilton, of Detroit.

The Ladies' Aid society served supper to the B. Y. club of Ypsilanti Wednesday night.

## WATERFORD

Those neither absent nor tardy for the month of January were: Howard Ebersole, Arthur Finney, Chester Finney, Marguerite Finney, Dortha Finney, Catherine Gibson, Robert Gots, Albert Rosek, Kathryn Waterman and Donald Waterman.

The Parent-Teachers' association will be held the evening of February 8th. No lunch will be served but a good health program will be given. Mrs. Sharp, supervising nurse, has planned the program for us. Let's give our support.

The zone meeting will be held Saturday at Plymouth High school. In the afternoon Professor Pray, from Ypsilanti, will tell history stories.

Everyone is invited. If you can't come, send the boys and girls. It will be instructive as well as entertaining.

The Waterford Community club was pleasantly entertained at Mrs. Celia Herrick's, in Plymouth, last week Thursday evening, and will meet with Mrs. Ella Waterman next week Thursday, at which the club will honor Mrs. Howard Bowring (nee Helen Herrick) with a miscellaneous shower.

Mr. and Mrs. Arthur Gots and family motored to Detroit Sunday and were guests of Mr. and Mrs. Robert Bechtel, of Lincoln Park.

Wednesday we were visited by Miss Jameson, helping teacher; Miss Read, nurse; Miss Carlett and Mr. Carr, county 4-H club leaders. Miss Jameson was very much pleased to find a great amount of interest shown in Michigan history and geography.

She picked some note-books which showed extra good work, those of Catherine Gibson, Harriet Gibson, Arthur Finney, Helen Holden and Raymond Denton. These will be taken to the zone meeting Saturday.

Mrs. Bail, of Plymouth, delivered to our school a first aid kit filled with supplies, as a reward for selling Christmas seals.

Mr. and Mrs. Percy H. Gray motored out from Detroit Sunday and were dinner guests of Mr. and Mrs. W. H. McKeerghan.

Mr. and Mrs. Edmond Watson and Miss Edith Peck were Sunday guests of Mr. and Mrs. L. D. Peck in Washington.

Miss Marjorie Peck and Catherine Brown, who are attending Ypsilanti Normal, spent the week-end at Edmond Watson's.

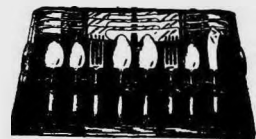

Mr. and Mrs. Charles Waterman and family and Mrs. Ida Hughes were Sunday guests of Mr. and Mrs. John Jasky in Farmington.

Mr. and Mrs. L. G. Steiner and son and Ernest Kellogg, of Detroit, were Sunday dinner guests of Mr. and Mrs. Clarence Ebersole.

Mr. and Mrs. Ebersole and son, Wilber, were Sunday guests of Mr. and Mrs. John Nelson, Orchard Heights.

Mr. and Mrs. Clarence Ebersole and family and Wilber Ebersole were dinner guests Wednesday of Mrs. Ida Stephens and family.

## They Challenge Comparison with the Proudest

Dodge Brothers magnificent Seniors have already achieved a unique and enviable distinction.

By delivering a quality of power unknown to their price class, they are no longer thought of in their price class, but challenge constant comparison with the proudest names in motordom.

Records of Senior brilliance are daily pouring in from all parts of America, and invariably the trend of owner enthusiasm runs the same—

"No car at any price can surpass Senior performance" . . . "I have owned several cars that cost more, but have never so thoroughly enjoyed driving" . . . "I should like to broadcast my impression of your new Senior. It is splendid!"

Once take the Senior wheel and you will understand why business men, unsolicited, are writing letters of this character to Dodge Brothers.

**HIGH SCHOOL LOSES TWO MORE GAMES**

Last Friday, January 27th, the High School Cagers went to Farmington to win, but lost a very hard fought game. This game was needed to put Plymouth in the lead in the league. We are in second place now.

Farmington has a very good aggregation in the field, in fact they have the same team that has played together for three years.

Our boys played a very good game, but owing to the small floor and low ceiling, which they were not acquainted with, gave way to a team of experience and adapted to the conditions. For a new team, Plymouth is playing wonderful basketball.

**PLYMOUTH FARMINGTON**  
E. Knapp F. H. Oils  
A. Crumm F. Cap. Catherman  
C. Foster C. H. Middlewood  
R. Sockow G. W. Starkey  
C. Beagle G. G. Rozenboom

**Field goals:** Plymouth—Crumm 1, C. Foster 4, Knapp 1; Farmington—Oils 5, Catherman 5, Middlewood 4, Starkey 1.

**Foul goals:** Plymouth—Crumm 1, Partridge 1; Farmington—Middlewood 4.

**Substitutions:** Plymouth—Johnson, Partridge, Packard, Brady, E. Foster; Farmington—E. Rozenboom.

**Score:** Plymouth 14, Farmington 34.

Tuesday night, January 31, they played Howell, a team having three years of experience together, and last year were runners-up in the state championship Class B.

Our boys wanted to win this game, and were out to try and do it. They played the hardest and fastest game of the year. They were in the lead all through the game until the last few minutes, when a foul called upon the crowd for cheering while the ball was in possession of Howell in play. This tied the game, 23 all. The last minute of play, Howell's guard dropped the winning basket to win the game, 25 to 23. No doubt this foul won the game for Howell.

**PLYMOUTH HOWELL**  
E. Knapp F. Terhune  
A. Crumm F. Rogers  
C. Foster C. Wiltse  
R. Sockow G. Sweet  
C. Beagle G. Roberts

**Field goals:** Plymouth—Knapp 4, Crumm 5, C. Foster 2; Howell—Terhune 1, Rogers 1, Sweet 4, Roberts 3, Strobel 1.

**Four goals:** Plymouth—Crumm 1; Howell—Rogers 1, Wiltse 2, Sweet 2.

**Substitutions:** Plymouth—None; Howell—Strobel.

**Score:** Plymouth 23, Howell 25.

Friday night, our boys play Roosevelt High here. Another league game.

Come and watch your boys perform, and help them win by your presence.

They can tie for championship by winning the rest of the games. How can they do it? By your support wherever they go to play. Let's go Friday night, February 3rd. Game starts at 7:00. Admission 35c. Seven o'clock, second team; eight o'clock, first team.

**THREE DIE AS AUTO SINKS IN LAKE.**

Crashing through the ice of Walled Lake last Sunday afternoon, an automobile carried two women and a boy to their deaths.

The dead are Mrs. George Mosher, of 1025 Park street, Royal Oak, her adopted son, John Thomas Upham Mosher, and Mrs. Cora Sloch, a roomer in the Mosher home.

Mr. and Mrs. Mosher, Mrs. Sloch and the boy drove to the lake Sunday to fish through the ice and also to visit at the home of Mrs. Mosher's sister, who lives near Walled Lake. After the four had fished for a time they saw a spot of ice some distance from shore that had been swept clear of snow. Mosher decided to drive to the spot in his car and resume fishing. He saw a number of persons skating at that point and judged the ice was safe.

Mosher and the boy sat in the front seat of the automobile, while the women occupied the rear seat.

As Mosher drove his car onto the patch of bare ice he heard the ice crack. Opening the doors of the auto he pushed the boy out on the ice and leaped out himself as the ice gave away and the car sank, taking the women to the bottom in 40 feet of water. Mosher reached firm ice, but the boy was dragged under by the suction as the auto sank.

The place where the car went down had been open water until the last cold spell, and although frozen over sufficiently to permit skating, was not strong enough to support the car.

Mrs. Mosher was a sister of Charles Strehbins, who resides in Plymouth township.

**A CORRECTION**

In the item in last week's paper, regarding the automobile accident at Golden and Whitebeck roads, in which Thomas Price was injured, there was an error made. The item said Mr. Price was driving out of his yard, but this was a mistake. He was about to drive into his yard when he saw a car approaching him and another car, the one that hit him coming behind, and he slowed up for these cars to pass him before turning into his driveway, when the car behind crashed into his car, throwing him into the ditch.

The article also said the car which hit him contained 135 quarts of liquor, but it should have read 135 gallons of liquor.

**SALEM**

**SALEM FEDERATED CHURCH.**  
Minister, Rev. A. J. Parker.  
Services Sunday, February 5th.  
Morning worship at 10:30. Music by the choir. School at 11:45.  
Evening pictorial service at 7:30. Collection.

Prayer meeting Wednesday evening at 7:30.

Church night Friday, February 17th. Fish supper and special musical play. Orchestral music and scenic lights. Book the date.

Students from East Lansing State college and People's church paid a special visit to Salem Federated church on the occasion of the monthly young people's night, which was held on Saturday, January 28th. The evening commenced with a musical program, which was contributed by Miss E. Taylor, pianoforte solos; Miss A. L. Pearce, recitations; Messrs. Bert and Leslie Dole, duets; recitation, C. Lovewell.

Put-luck supper was served in the basement, after which the friends from East Lansing took charge of games, assisted by Jack Bradbury. A large number of young men and women assembled and a very happy evening was spent. On Sunday morning, January 29th, the service was conducted by the students, addresses being given by Howard Linscombe and Carlyle Lovewell; lesson and prayers by Miss Nova Lovewell; music by Miss Taylor and the Dole brothers. The visitors also took part in the session of the social which was held after the service.

The visit of the students proved a source of inspiration to other young people and their happy and helpful service was much enjoyed.

**Salem School Notes.**

Children neither absent nor tardy in the primary room were Alvin Bauman, Edward Bauman, Mac Garnett, Mary Garnett, Mary Geraghty, Frank Golins, Helen Golins, Ruth Golins, Richard Hale, Lindsay Lewis and Raymond Lewis. Our per cent of attendance was very low, only 83.5, due to so much sickness.

Visitors during the past week were Mrs. Crutshank and Shirley Jean Burnham.

Mr. and Mrs. Nathan Brookaw celebrated their forty-third wedding anniversary Saturday, January 28th, at the home of Mr. and Mrs. Edwin Smith of Ann Arbor. Mr. and Mrs. Harry Archison were among the other guests present. A bounteous dinner was served and an enjoyable evening was spent.

Mr. and Mrs. Glenn Burnham and Shirley Jean spent Sunday afternoon in Detroit.

Mr. and Mrs. E. Stunbro of Stockbridge, were dinner guests of Mr. and Mrs. Bert Stunbro.

Miss Haulah Merritt, of Fordson, and Miss Hazel, of Detroit, with their guests, spent the week-end with their parents.

The Ladies' Aid society of the Federated church met in the church Thursday, January 26th. Although the weather was severe, there was a good attendance. A delicious port-luck dinner was served and the usual interesting program followed.

Mr. and Mrs. Glenn Lyke were Sunday visitors at the W. J. Lyke home, near Frain's Lake.

Miss Frances Anderson and friend attended the auto show in Detroit Saturday.

Mr. and Mrs. Harry Archison and sons and Mr. and Mrs. Carl Sage, of Plymouth, were Sunday guests of Mr. and Mrs. Nathan Brookaw.

Mr. and Mrs. Glenn Lyke were Thursday visitors of Mrs. Mertie Murray, of Plymouth.

The Home Management class will meet at the home of Mrs. B. Archison Tuesday, February 7th.

The Parent-Teacher association will hold their meeting in the town hall this Friday evening, February 3rd. There will be a speaker and a special program is being prepared. Everybody welcome.

I will have a special showing of hats for early spring wear, all next week, and will make a special price for early buyers. \$5.00 hats for \$3.95, and \$6.00 and \$6.50 hats for \$5.00. Don't miss this sale. Mrs. C. O. Dickerson, 122 North Harvey street.

**FRAIN'S LAKE**

Mr. and Mrs. Eugene Staebler, of Willis, were dinner guests of Mr. and Mrs. Albert Staebler Friday.

Mr. and Mrs. Herman Nankoe spent Friday in Detroit visiting relatives.

Fire destroyed a barn on the old Ed. Chase farm, now owned by Charles Kaiser, early Thursday morning. Mr. Kaiser lost his Nash car and tractor, which were in the barn.

Gust Lidke is driving a new car. Mr. and Mrs. Gust Eschels and children were callers at the J. Meinsinger home Monday evening.

The January meeting of the P. T. A. was held at the home of Mr. and Mrs. C. H. Freeman Saturday evening, with about 40 in attendance. It was voted to hold a dance soon, the place and date to be announced later.

Gladys Freeman, of Detroit, was a week-end guest of her parents here.

The Waldecker family are enjoying their Delco lights.

Mrs. Carson and daughters, Adele and Marion, of South Lyon, were

visitors at the Charles Kaiser home Saturday evening.  
George Lyke is ill with the mumps. Mr. and Mrs. Gust Eschels and Mrs. John Root were in Plymouth Monday afternoon to attend the funeral of Mrs. Kaiser.

**New Face Powder Popular**

MELLOGLO is a wonderful new shade of youth color. Perspiration hardly affects it and it will not leave the skin dry and drawn. Try this new French Process Face Powder and enjoy its marvelous beautifying qualities. Sticks well, stays on longer and does not clog the pores. You will surely love MELLOGLO. Community Pharmacy. "We serve you right."

Don't forget the O. E. S. dance at Masonic temple, Friday evening, February 10th.

A CARD—I wish to extend my sincere thanks to the friends and neighbors, who have been so kind to me during my illness.  
Mrs. J. C. Peterhans.

**ONE MORE WEEK OF SLASHED PRICES**

Our Trade Expansion Sale has been such a wonderful success that we are going to continue for one week extra. We went out after 1,000 new customers, which we are confident we got, according to our records. We had dozens of people in our store from all the neighboring towns, as Wayne, Ypsilanti, Farmington, etc. Some of these people have come back the second time to share in the many bargains we have to offer. REMEMBER, we do not have room in an ad of this size to give you only a very small percentage of the many bargains we are offering. So we urge you to come in and look around. ONE THING WE WANT TO ASSURE YOU: You are always welcome to our store, if it be to just look around or to make purchases. We want you to make our store your headquarters and ask you to use any service that we might be able to give you.

**MORE BATTLESHIPS.  
21 AMERICAN NATIONS.  
THE FIRST AEROPLANE.  
A GREAT BEAR FIGHTER.**

The Government proposes to spend \$120,000,000 every year for twenty years on battleships of different kinds, including fast, necessary cruisers. This means a total investment of two billion, five hundred and eighty million dollars in new ships.

The country can afford it and such a program will impress other countries.

We could also afford flying machines to protect those fighting ships, which, in modern war, without flying machine protection, would be as helpless as sheep among wolves, without shepherds or sheep dogs.

One hundred and four delegates, representing twenty-one nations of North and South America, including the United States, are gathered in a great conference hall in Havana. These twenty-one nations are the greatest power for peace in the world, also the greatest power for war. They stick together.

Canada, without relinquishment of loyalty to the British Empire, should be a leader in the conference. Canada's interests are in these American continents, their independence and their future.

El Imparcial and other newspapers in Spain are displeased with President Coolidge's warm reception in Cuba, natural because this country took Cuba from Spain and gave the beautiful island to the Cuban people. El Imparcial says this country has reserved rights in Cuba. It has reserved only one, the right "to intervene for the preservation of Cuban independence." We not only made Cuba independent, but guarantee that she shall remain so.

The original Wright brothers' air machine, first plane that ever carried a human being through the air under human control, is boxed up for shipment to England. It ought to stay here in the Smithsonian Institution.

The Smithsonian Institution should have Lindbergh's trans-Atlantic plane also, and the Government should pay Lindbergh enough for it to make him independent for life. If Lindbergh got \$1,000,000 for that machine, he would get less than one per cent of what this country owes him. The Spirit of St. Louis, despite all Lindbergh's good care, must be getting old and worn, and a brand new machine, best and safest the world can produce, should take its place.

Human beings as a whole, like individuals, do only ONE thing really well. The work of the human race today is scientific and industrial, making new discoveries in science, applying them to man's material welfare. Today scientific workers are like builders installing plumbing, heating and other conveniences in a big building; later families move in and live comfortably.

After a few years, or centuries, of industrial, scientific development, this nation will move into the finished structure and find for amusement something better than bootleg whiskey, crime waves, prize fights and struggling to get more money than it needs.

Uzendum, a Basque imported from the Pyrenees for prize fighting, as they used to import fair-haired Northerners for gladiator fights in Rome, "walks all over Ed Keeley, of Boston, batters him into submission in two minutes and fifty seconds." Rather a come down for Uzendum, playing hired thug. His ancestors used to harpoon whales in the rough Atlantic, off the west coast of France, two thousand years ago.

Anthony Rousch MILLS is dead, age seventy-seven, at Sundance, Wyoming, and is probably in heaven now talking with Lahire, that famous French bear fighter of centuries ago.

Thirty-eight years ago MILLS, turning a sharp corner in the Black Hills, came face to face with a silver tipped grizzly that knocked his gun out of his hand, bit off his nose, seized him by the calf of the leg and dragged him along the trail. Rousch pulled his knife, stopped the bear's flight by holding on to a tree, and cutting its jugular vein, killed the bear.

It was a good bear fight.

Old Lahire's first is made memorable by this first prayer that Lahire had ever uttered: "Lord I do not ask you to help Lahire. I only ask you not to help this bear." The prayer was answered and Lahire won.

**THE FOUR MILLIONTH CHEVROLET PRODUCED**

Added impetus was given the swift pace set for 1928 by the Chevrolet Motor company in Detroit today with the announcement by W. S. Knudsen, president and general manager, that the four millionth Chevrolet unit rolled off the assembly lines of the Flint plant on January 11th.

The record model—a 1928 coach—was built only 363 days after the three millionth car had been turned out at the same factory.

This brief interval between production of the two epoch-making cars reveals the tremendous volume of the company the past year—when it was the world's largest automobile manufacturer—and shows the rapidity with which new cars are now being built to supply dealers in all parts of the world with an adequate number for prompt delivery.

Production for the year just ended exceeded the program of a million units by 1,800 cars and accelerated production this January over January a year ago, necessitated by the splendid reception accorded the new line, made possible the building of the four millionth car two days less than a year after the three millionth unit had been produced.

Various dates in the life of the Chevrolet Motor company on which the millionth car mark has been passed furnish a graphic picture of the rapid strides made by the company to its position of leadership in the industry.

Nearly twelve years elapsed after its organization—on November 3rd, 1911—before the one millionth car was built. That record day was February 27th, 1923.

There followed an interval of two years and five months before, on July 20th, 1925 the two millionth car was produced. Between the two and three millionth cars was a period of a year and six months, the three millionth unit having been built on January 13th, 1927, while from that date to the building of the four millionth unit was 363 days.

Like the three millionth car, the four millionth one was equipped with a coach body. The one and two millionth models both were touring types.

Little ceremony attended the production of the four millionth car. Mr. Knudsen, C. F. Barth, vice-president in charge of manufacturing, and C. E. Wetherald, Flint plant manager, inspected it and shortly afterward it went with the millions of others produced to date to the loading docks for prompt shipment.

Only a few seconds after the record model had left the production line number 4,000,001 rolled off, and the ceaseless activity evident at all Chevrolet plants since the middle of December continued its record-setting pace.

**Picked Up About Town**

Our idea of the champion absent-minded motorist is the one who ran down a pedestrian, took him to the repair shop and then drove his car to the hospital.

From the way a coal pile melts down," says Dad Plymouth, "a cold wave is about as expensive as a permanent wave."

Mr. Trotsky is getting some of the medicine he compounded a few years ago, and he doesn't like the taste of it a bit.

Dad Plymouth says it sometimes makes father as mad for mother to drop a hint as it does mother for him to drop a dish.

There are times when we feel the world would have managed to get along fairly well even if there had been no other perfume than that furnished by the flowers.

According to Dad Plymouth, a woman worth while is one who can smile at the price of expensive things in the store and then go back and buy the ones she can afford.

"Young folks don't mind letting conscience be their guides," declares Dad Plymouth, "so long as it guides them the way they want to go."

Dad Plymouth says the meanest man he ever heard of was the one who applied for a divorce but told the judge he wanted to part good friends with his wife so she could still do his laundry work.

**Sore Throat**

Sure, Quick Relief  
No Gargle

No longer is it necessary to gargle or to choke with nasty tasting patent medicines or gargles to relieve sore throat. One swallow of a famous physician's prescription called Thoxine is guaranteed to relieve within 15 minutes. It goes direct to the cause; is far superior to gargles.

Thoxine does not contain iron, chloroform or dope. It is pleasant tasting; is harmless and safe for the whole family. Sold under money back guarantee of quick relief. 35c, 60c and \$1.00. Sold by Dodge Drug Co. and all good drug stores.

**You Simply Can't Beat Excess**

Excess is always destructive. Over-eating, over-exercising, under-development, starvation—each is an excess beyond the health line.

There are, besides the healthy persons, two distinct groups of people in this world. Those who are overly-vital and those who are suffering with a lack of vitality. Both groups are paying the penalty of excess.

The overly-vital person may exercise a great deal to work off this excess. The other may begin taking dope, tonic, oils or something of that sort to regain his vitality.

Excesses are hazards. The overly-vital person will find relief in Chiropractic. The person suffering from a disease which is a form of under-development will find just what he wants in Chiropractic.

Chiropractic is not an excess method of relieving people. It is fundamentally sound and proven right. Take adjustments.

## FIRST PRESBYTERIAN CHURCH

10:00 a. m., Morning Worship  
7:30 p. m., Evening Worship

Walter Nichol, M. A., Pastor

11:30 a. m., Sunday School

10:00 a. m.—"The Lure of the Wilderness"

7:30 p. m.—"Blessedness"

11:30 a. m.—Sunday School

6:30 p. m.—Young People

### CATHOLIC NOTES

The meeting held last week Thursday night was well attended, and everyone present was glad to learn that we are now able to open the large and beautiful auditorium in the basement of the church to the public. It was decided to hold the grand opening on Valentine's day, Tuesday, February 14, with a dance. The committees on arrangements for this affair comprise the following: Door committee—J. F. Rousseau, T. Levandowski; floor—J. VanBonn, T. Mullaney; punch and wafers—Mesdames H. Minthorn, J. Berter, J. VanBonn, F. Ewing; music—Misses E. Lehman, E. Ernst, F. McLellan, Mrs. J. Rousseau and Charles Osberg; tickets and posters—Joe Schomberger, M. Yuchasz, E. Kilinski. The general admission is \$1.50 per couple, giving all a chance to come and to be with us for the opening night. Patterson's orchestra will furnish the music for the evening, a five-piece orchestra, snappy and full of pep. This opening is for the public, bring your friends and let them know that we have a first class auditorium, the best in town.

The Nethem club will meet next Monday night.

The choir will again resume its regular Friday night practices at 8:00 o'clock in the church.

A very handsome gift has been given to the church by F. D. Schrader, in the shape of the inlaid tile linoleum in the front and center aisle of the church. For this we are very thankful. The sanctuary, too, has been carpeted at the expense of the parish.

During the past week the pastor has made his annual call upon the business men, and each responded very nobly to the "Good book, or black book." A neat sum has been collected, and for this we are deeply indebted to the business men.

Sunday the financial report of the parish will be read, and the annual report of 1927 will be given.

The sick are gradually convalescing. Mrs. H. Lehman and Mrs. A. Yuchasz are still confined to the house, but we hope will soon be around, enjoying health.

Mr. and Mrs. S. Machine are receiving felicitations upon the birth of a boy, Samuel, Jr.

### METHODIST NOTES

"Jesus organized the church, which is His vineyard. He commands all to go into the vineyard and work."

### NEXT WEEK'S CALENDAR

Tuesday, after school—Boys class plays basketball, under leadership of Dr. Lendrum.

Tuesday evening—Official board meeting at the church.

Wednesday—Missionary society cooperative luncheon at 12:30, at the home of Mrs. Fred Lee, corner of Ann Arbor and Harvey streets. At 2:40 p. m., business session, followed by a program. Mrs. Whitney will review the home missionary study book, "The Adventure of the Church." All the women of the church are invited. Bring your own dishes.

Wednesday evening, 7:15 to 8:00—The mid-week prayer and praise service at the church. All are cordially invited to join us in this service. It will help you to "carry on" better.

Sunday—The usual services. Be sure to be in your place for these. Dr. Lendrum is convalescing, and will preach for us.

The Junior missionary band had a fine time last week. There were forty-three boys and girls present. After the business meeting and Mrs. Doerr's lesson story, Mrs. Card took charge of the social time. Two of our girls had birthdays, so we had birthday cakes with candles, and had hot cocoa to drink. Forty-two of the children have paid their dues, and we hope to have them all paid by the next meeting, in February.

### BAPTIST NOTES

Coming Sunday, the Barnea string quartet from the Highland Park Baptist church. They will be with us for the evening service only. Remember the hour, 7:00 p. m. Come expecting a treat. You will not be disappointed.

The quartet which was with us last Sunday evening was enjoyed by a very fine congregation. Those present considered it a splendid treat.

Along with the fine music the pastor's theme will be "The Christian's Guarantee of a Bodily Resurrection." Do you believe in a bodily resurrection? Come and let us think this over together.

### EPISCOPAL NOTES

The men of St. John's held their annual business meeting Wednesday evening. A list of the new officers will appear next week. The February supper has been changed from Tuesday to Wednesday night, and will be held the 15th. In order to avoid conflict with other local doings, The Michigan Bell Telephone Company will put on the program for this occasion. A demonstration of switchboard service will be given, and several reels of very interesting moving pictures will be shown. These will probably include scenic views of the work of getting out cedar poles from the forests of the northwest, and the methods of transmitting photos by phone, and also a comedy picture, "Treat 'Em Right."

## MICHIGAN BELL TELEPHONE CO.

Long Distance Rates are Surprisingly Low . . . For Instance

for 70¢

Or Less, After 8:30 P. M.,

You can call the following points and talk for THREE MINUTES at the rates shown. Rates to other distant points are proportionately low.

From Plymouth to:

Night Station-to-Station Rate

|                   |     |
|-------------------|-----|
| CHICAGO, ILLINOIS | 60c |
| COLUMBUS, OHIO    | 50c |
| GRAND RAPIDS      | 35c |
| MUSKEGON          | 45c |
| PITTSBURG, PA.    | 70c |
| TRAVERSE CITY     | 55c |
| TORONTO, ONT.     | 70c |
| FORT WAYNE, IND.  | 45c |
| MILWAUKEE, WIS.   | 65c |

The rates quoted above are Station-to-Station night rates, effective from 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one that is made to a certain telephone, rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

Day rates, 4:30 a. m. to 7 p. m., and evening rates, 7 p. m. to 8:30 p. m., are higher than night rates.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.

Additional rate information can be secured by calling the Long Distance operator

Belief and fact are separated by the bridge of Performance. That bridge brings a builder to this lumber yard."

—Says Practy Cal.

## Local News

Mr. and Mrs. F. L. Becker are attending Farmer's week at Lansing, this week.

Mr. and Mrs. Sam Machine are the proud parents of a baby boy, born Wednesday, January 25th.

Mr. and Mrs. Elmer C. Hunton and Mrs. Jennie Ballard of Birmingham, were guests of Mr. and Mrs. Edson O. Hunton last Sunday.

Mr. and Mrs. Lloyd Fillmore and son, Wellman, were Sunday guests of Mr. and Mrs. Frank Fillmore in Detroit.

O. B. Borck left last week Saturday for Chattanooga, Tenn., and other southern points, where he will spend about ten days.

Mrs. Harold W. Link of Stark-weather avenue has just returned from the northern part of the state, where she was called on account of the illness of her mother.

Mrs. Fred Schaufele of South Main street pleasantly entertained seven little girls, January 21st, in honor of the seventh birthday of her daughter, Lois. A dainty luncheon was served by the hostess.

The Six O'clock Dinner Club met with Dr. and Mrs. Fred Stauffer on Penniman avenue, Monday evening. Five hundred furnished the entertainment for the evening. Mrs. Harvey Segnitz and Fred Ballen won first prizes, while Mrs. Arthur Johnson and Harvey Segnitz won the consolations.

Pierre Kenyon of this village, has been chosen for one of the four leading roles in the Michigan State College Union production, the musical comedy, "Spanish Moon." Miss Winifred Draper, also of this place, has a part in the production. The leads will be supported by eight choruses, three of which will be male. More than one hundred students will make up the total cast.

Mr. and Mrs. George Hesse left last Friday, for a week's trip to Texas.

Mrs. Sheldon Gale was a Lansing visitor last week Monday and Tuesday.

Mr. and Mrs. Frank Burr of Salem, were guests of Dr. and Mrs. Carl January, last Sunday.

Arthur Whipple entertained a party of Detroit friends at the Hotel Mayflower, Monday evening.

Mrs. John Henderson entertained twelve guests at a bridge luncheon at her home on Main street, Saturday.

Thurber Becker of Pittsford, is visiting at the parental home a few days, also calling on his brothers and sisters.

Miss Aleta Hearn, who teaches at Carey, Ohio, was home to spend last week-end with her parents. Mr. and Mrs. Anson Hearn.

Mr. and Mrs. R. R. Parrott visited their daughter, Miss Mary Parrott, who is attending the M. S. C. at East Lansing, last Sunday.

Henry Hutton and his roommate, Bruce Shaffer, of the M. S. C., motored from Howell, Sunday to spend a few hours with the former's mother, Mrs. Louise Hutton.

The Home Management class of Canton, met last Friday afternoon, January 27th, at the home of Mrs. James Gates. A very profitable time was spent by all. The subject was Landscape Gardening.

The annual dancing party of the O. E. S. will take place at the Masonic temple, Friday evening, February 10. Lorenzen's orchestra of Detroit, will furnish the music. The bill will be \$1.50, including buffet luncheon.

A number of Plymouth people attended the debate held at the Masonic auditorium in Detroit, Wednesday evening. The debaters were Judge Ben Lindsey of Denver, and Judge Ira Jayne of Detroit, on "Companionate Marriage."

Mr. and Mrs. S. W. Spicer and daughter, Elizabeth, entertained at a dinner party at their home on East Ann Arbor road, last Sunday, complimenting the former's father, H. A. Spicer, who was eighty-two years old on that day. Others present were Mrs. H. A. Spicer, Miss Mabel Spicer, Mr. and Mrs. H. S. Doerr and son, Phillip.

The first of a series of five hundred parties to be given at the I. O. O. F. temple, was held last Tuesday evening. Prizes for the ladies were donated by Blank Bros., while the prizes for the men were donated by the Plymouth Purity Meat Market. Vocal numbers were rendered by Joseph Tracy, accompanied by Ben Stewart at the piano. Everyone had a most enjoyable evening.

Relatives and friends reminded Mr. and Mrs. J. E. Glass of their 36th wedding anniversary, Friday evening, January 27th, when a party of about thirty walked in with boxes and baskets filled with all the good things for lunch. Flinch and other games were played, and a beautiful poem from Edgar Guest, was read by Mrs. Bentley, entitled "Ma and I." Lunch was served, and the guests departed wishing Mr. and Mrs. Glass many more years of married life. Guests were present from Dearborn, Ann Arbor, Detroit, Beech and Plymouth.

Last Friday evening, Commandery No. 39 of Knights Templar, spent a very pleasant evening at the Detroit Masonic Temple, where they were the guests of Commandery No. 1, by the special invitation of their Commander, Sir Paul Voorbles. A fine banquet was served in the banquet hall, after which the Sir Knights repaired to the very beautiful "Templar's Cathedral," where five candidates were created Knights Templar, the work being executed in fine form by No. 1 Commandery. Knights from Plymouth, Northville, Farmington and Redford were present.

Fred Muxlow, son of Mr. and Mrs. F. C. Muxlow of this place, and Mrs. Theresa Brown of Brown City, were quietly married in Detroit, January 30. Rev. E. J. Parsons officiated. After the ceremony, they returned to Plymouth, where the groom's parents had a sumptuous dinner prepared for them. Thirty relatives and friends from Dryden, Brown City, Detroit and Plymouth were present. The house was beautifully decorated with flowers for the occasion, and music, the radio and games were the entertainment. The guests departed at a late hour, extending their congratulations to the bride and groom.

Mr. and Mrs. James Housley are studying permanent waving in Detroit.

Mr. and Mrs. C. V. Chambers were Sunday guests of the latter's brother and wife in Detroit.

Miss Benlah Fisher and Miss Gertrude Grainger are taking a nurse's training course at Harper hospital, Detroit.

Mr. and Mrs. Henry Steinfetz were in Howell, Sunday, attending the funeral of the latter's sister-in-law, Mrs. LaMott Wilcox.

Miss Leona Becker and Donald Haller of Fenton, were Sunday afternoon callers at the home of the former's grandparents, Mr. and Mrs. F. L. Becker.

Mrs. Elmer Smith, Mrs. Ray Richardson and Mrs. Charles Murphy of Northville, were joint hostesses to a group of about sixty ladies of that village, at a bridge luncheon at the Hotel Mayflower, Monday.

Mrs. Borck's Sunday-school class of the Methodist church, will give a play, "Young Doctor Divine," at the Methodist Community Hall, Thursday evening, Feb. 16. The entertainment will commence at 8:00 o'clock. Admission 25c for adults, and 10c for children.

On January 23, a mad dog wandered onto Edward Stankle's farm, better known as the Mybook place, near Farmington, and bit Mr. Stankle, his two children, a boy and a girl, and his father-in-law, Mr. Mybook. They are all now taking the Pasteur treatment at Ann Arbor. Dr. Jennings of this place was called there Monday, but the farm under quarantine, and is treating suspected cows for rabies.

## How Is the Old Coal Bin?

Sometimes our yard is down on its luck,

And we're having trouble, perhaps, with our truck.

Whatever you need, be it soft coal or hard,

"A ton in the bin is worth two in the yard."

## LOCAL NEWS

Mrs. Blanch Hogg and son, Fred Hogg, of Detroit, were visitors at the F. W. Loomis home last Sunday.

Orley Wood, Miss Day and William Wood of Detroit, were Sunday guests of Mr. and Mrs. Harry Wiseman.

The L. A. S. of Livonia will hold their next meeting at the home of Mrs. Charles Ash, in Plymouth, Wednesday, February 8th.

Mrs. F. W. Hillman visited her daughter, Miss Dorothy Hillman, who is attending the M. S. C. at East Lansing, last week Wednesday.

Mr. and Mrs. B. E. Gilles entertained their neighborhood five hundred club at their home, last Tuesday evening. A pot-luck supper was served. Mrs. R. L. Hills and William Kaiser were awarded first honors.

The Corbett Electric company has received the contract for the wiring of the fence and grounds of the new women's prison for electric lighting. They have also secured the electrical contract for the new boiler room and garage at the men's prison at the House of Correction farm.

The members of the Plymouth Rotary Club heard a splendid talk on "Business Methods," by Richard Hart, manager of the Detroit Automobile Club, at the luncheon hour of the club last Friday. Mr. Hart's talk was right to the point, and he held the closest attention of his hearers throughout.

Mrs. Ethyl B. VanEtten, president of the Michigan Federation of Business and Professional Women, and Mrs. Mabel Chapin, president of the Ypsilanti Business and Professional Women's Club, both of Ypsilanti, were in Plymouth last week, relative to organizing such a club for Plymouth's business women.

Miss Gindys M. Schrader will be a guest of Lisle Prescott of Dixon, Ill., at the annual J-Hop at Ann Arbor, February 3. Miss Schrader will attend the week-end house party at Lambda Chi Alpha Fraternity house, at which the following events will take place: Saturday afternoon, a theatre party, and Saturday evening, a formal dinner dance at the fraternity.

About seventy-five members and friends attended the meeting of Plymouth Knights of Pythias last Thursday evening, when the Pythian Shrine, which is an exact replica of the schoolhouse where the original ritual of the order was written, was received from Northville lodge. After viewing the schoolhouse and listening to its history, lunch was served by the Pythian Sisters. Knights not present surely missed something. On Friday, January 27th, Plymouth carried the shrine to Highland Park lodge.

The members of the Plymouth High School debating team were promised a dinner and theatre party by Wilbur Murphy, who was a member of last year's team, if they beat Ypsilanti and won enough points to enter the elimination series of debates. So Thursday evening, Mr. Murphy entertained Ruth Root, Leona Beyer, Harold Hubert, Franklin Atkinson, Miss Ernestine Roe, Mrs. Ruth E. Huston-Whipple and Austin Whipple at a dinner at the Hotel Mayflower, followed by a theatre party at the Penniman-Allen theatre.

The Ladies' Auxiliary of the ex-Service Men's club met last Thursday afternoon with Mrs. Grace Martin at her home in Palmer Acres. Five hundred was enjoyed by all, with first prize being awarded to Mrs. Ruby Terry, and Mrs. Florence Gottschalk was consoled. Refreshments were then served by the hostesses, Mrs. Martin and Mrs. Evelyn Brocklehurst. The bad weather prevented several from being present, but we hope for a good crowd at our next gathering, which will be Thursday, February 9th, at Mrs. Harry Brown's, 698 Maple avenue. We urge all ladies to be on hand next Thursday and enjoy the afternoon.—Cor.

### STOCKHOLDERS, NOTICE!

Stockholders in the Plymouth Community Hotel Corporation, who have paid for their stock and have not yet received their certificates of stock, can have the same by applying to E. K. Bennett, treasurer, at the Plymouth United Savings Bank.

### SOMETHING UNUSUAL

Acquire 4% on down payment 40 acres on Eight-Mile road, \$200 per acre about 11 miles from Plymouth. \$2,000 down. No principal or interest for two years. Taxes paid by seller for right to work land. If you decide it is not a buy at end of two years, your money back with 4% interest. Can you beat it? Road to be paved under Coverd Act. RICHWINE BROS. Phone 123. Plymouth, 923c.

A CARD—We desire to express our sincere thanks and appreciation for the many acts of kindness of neighbors and friends during our recent bereavement. Especially do we wish to thank those who furnished automobiles, those who sent the beautiful flowers and to the business men for their consideration in closing their places of business during the funeral hour.  
Henry Fisher,  
Roy A. Fisher,  
Mr. and Mrs. Fletcher Campbell.

We would appreciate it if you would phone or send news items to the Mail office. We are always glad to get them.

## KEEP YOUR HOME COZY!

## Buy Your COAL NOW!

It's a long time until spring. Three more cold winter months are ahead, and the mercury will shiver down to zero more than once before the flowers bloom again. Have you enough coal to last all winter? Don't gamble with your family's health and comfort. It is much cheaper to buy enough coal than to pay doctor bills. If your bins are full of our high-grade coal your home will be warm and cozy, no matter how the wind blows or how the freezing blasts rage outside. To have plenty of coal in your bins is to be on the safe side. And coal will be no cheaper later. Don't trust a small amount to carry you through. For health and comfort's sake—
