PROF. LATIMER JONES had played golf with two of the trustees of Beta college. He had had luncheon with six others and now, after an hour's converse with the chairman of the board, there seemed no longer reason to doubt the fact that he would be the future president of the flourishing little Beta college.

ATTEND DEDICATION OF THIRTEEN COLONIAL ELMS.

## NEW GRANDSTAND WILL BE CONCRETE SAYS COMMITTEE

WORK TO BE STARTED EARLY IN  
SPRING—TO BUILD CATTLE  
BARN.

One of the finest fire-proof, concrete grandstands that can be built will be erected this summer at the Northville Wayne County fair grounds, the committee in charge has decided. The committee, appointed at the recent annual meeting of the fair association, composed of Harry Clark, Ray Richardson and A. C. Balden, has informally considered the question and just as soon as weather permits, construction will be started.

The material from the old grandstand will be used in erecting some badly needed cattle barns. It is believed that there will be sufficient lumber from the old grandstand to erect one of the finest cattle display barns there is in the state.

The new grandstand will occupy the present site and while the committee does not propose to make it longer than the present one, it will run up in the back higher and will provide room for something like 4,000 or 5,000 people.

There will be concrete floor erected between the stand and race track similar to such spaces at most big race tracks. The space under the grandstand will be cut off into places for concessions of various kinds.

The committee believes that the new grandstand will aid greatly in the promotion of the fair and that in view of the fact that the fair will be a free one, a higher grade list of attractions can be secured.

The stand will cost somewhere between \$12,000 and \$15,000. One of the big advantages of the action of the association lies in the fact that work will be provided for many residents.—Northville Record.

## ELMER WILLETT PASSES AWAY

Elmer Willett, the second son of Van Ransaeler and Sarah Murdock Willett, was born in Livonia township, Jan. 2, 1881, and died February 16, 1928. He was married April 15, 1883, to E. Worden, who survives. This union was born three children: Byron Willett, Mrs. Eva Burdette and Clyde who died April 6th. Mr. Willett had lived the greater part of his life in Plymouth, making his home for a few years in Genesee county.

He was an honest, upright citizen, and leaves besides his wife, son and daughter, two sisters and two brothers; Mrs. Jessie Hench of Benton Harbor; Mrs. Myra Collins, Edward and Myron Willett of Plymouth. A brother, Harry, preceded him in death October 3, 1899.

The funeral services were conducted Saturday, February 18th, at 2:30 o'clock, from the home of his son, Byron, on Holbrook avenue. Rev. Donald W. Riley, pastor of the First Baptist church, officiated. Interment in the family lot in Riverside cemetery. Relatives and friends were present from Detroit, Benton Harbor, Owosso, Pontiac and Flint.

Mr. Willett had serious stomach trouble for several years, which affected his heart, and he grew gradually worse following a stroke of paralysis which occurred four years ago. He suffered a second stroke a year ago, but kept up until a few days before his death, which came quite suddenly after a few hours of severe suffering.

Those from out of town who attended the funeral of Elmer Willett last Saturday afternoon, were: Mrs. S. C. Hench of Benton Harbor; Mr. and Mrs. Sidney Willett and son, Leo, of Owosso; Leon Willett, Rose Willett, Mr. and Mrs. Frank Passage and son, Frank, Jr., Mr. and Mrs. George Gramell and son, George, Jr., Mr. and Mrs. F. J. LaCroix and Mrs. Ella Cooby of Detroit; Mrs. Elba Downing of Pontiac, and Jacob Frisch of Flint.

## SOUTH SALEM

Mrs. Myra Renwick of Detroit, is visiting her sister, Mrs. Nelson.

Norma Savery entertained ten of her girl friends, Saturday afternoon, at her home. They played games, and then a delicious chicken supper with salads and everything nice, was served. They wished Norma many more birthdays.

Mr. and Mrs. Korinek of Ypsilanti, spent Sunday evening at Mr. and Mrs. John Hansen's.

The Federated church fish supper was largely attended last Friday evening. The home-talent play was very well rendered, and enjoyed by all.

Mr. and Mrs. Floyd Nelson spent Friday night with Mrs. Smith and Beryl.

Mr. and Mrs. L. D. Hunt are the parents of a little girl, born Sunday morning.

Coda Savery has the intestinal flu, and is very sick and under the doctor's care.

## PARENT TEACHER MEETING WELL ATTENDED

The February meeting of the Central School Parent-Teacher Association was held in the kindergarten room of the high school, on Thursday, February 16th, with a splendid attendance. After the opening song, the club was entertained with two selections by the girls' glee club, both of which were pleasingly rendered and much enjoyed.

A group of six pupils from Miss Fenner's 6-A grade, gave a very unique radio entertainment, featuring stories from the life of Lincoln. Those who took part were: Robert Champe, announcer, Daniel Carmichael, Delight Taylor, Sheldon Baker, Aileen Drayton and Catherine Dunn. Each showed great poise in their first public appearance, before the microphone, and without doubt will be well known in the radio world ere many years.

Following the program, a business meeting was held, at which several new members were enrolled, bringing the total membership to thirty-nine.

It was decided to hold the regular monthly meetings hereafter, on the first Monday of each month, at 7:30 p. m. The next meeting will be held March 5th, at which there is to be an election of officers, and a large attendance is desired.

## W. C. T. U.

The W. C. T. U. held a tea meeting on Thursday, February 16th, at the home of Mrs. Ernest Burden on Adams street. There was a good attendance and everybody enjoyed the Frances Willard memorial program. Mrs. Doerr read a paper on "Our Territorial Unions," and Mrs. Bartlett read one on "Oklahoma's Outstanding Organization Work."

Ruth Hamilton, dressed in costume, read "What I Gonna Do?" Miss Evelyn Thomas played a very beautiful piano solo, and later, a duet with young Hildar Burden.

The next meeting will be held at the home of Mrs. Doerr, 447 Hurvey street, on Thursday, March 29th. Prof. George A. Smith will be the speaker for the occasion.

## BRIGGS SCHOOL NOTES

By Evelyn Rutenbar, Sec. Treas.  
Mrs. Watson and the seventh and eighth graders gave a farewell surprise party, Friday evening, for Harold Rutenbar, at his home. We had a very enjoyable time. Games were played, after which refreshments were served.

We can now use our school water, as it is safe at last.

We have a very small attendance this week. There were only twenty pupils present at school Tuesday.

Irene and Mary Bauer are back to school again.

Evelyn Rutenbar and Henrietta Vorbeck are even in Courtis tests, on Lesson 28.

Long Distance Rates Are Surprisingly Low

For Instance, After 8:30 P. M.

You can call the following points and talk for THREE MINUTES for the rates shown. Rates to other points are proportionately reasonable.

Table with columns: From Plymouth to: Station, Night Station-to-Station Rate. Includes Baltimore, Boston, Buffalo, Chicago, Cleveland, Columbus, Flint, Grand Rapids, Jacksonville, Kalamazoo, Lansing, Marquette, New Orleans, New York, Philadelphia, Pittsburgh, Toronto.

The rates quoted above are Station-to-Station night rates, effective from 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one that is made to a certain telephone, rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

Day rates, 4:30 a. m. to 7 p. m., and evening rates, 7 p. m. to 8:30 p. m., are higher than night rates.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.

Additional rate information can be secured by calling the Long Distance operator

AN INTERESTING LETTER FROM CALIFORNIA

Los Angeles, Calif., Feb. 16, 1928.

Dear Folks: Feeling that some of you might like to know what kind of a time we are having in sunny California, we take this means of writing you all.

And when we say sunny California we mean it. Folks admit here that it is not always so sunny, and that last year it was pretty rainy, but the sun has shone every day since we arrived at Christmas time, and seems bound to make us like southern California.

We picked our first oranges at Gyde's orange ranch in Riverside and had a most pleasant time there. The air was fragrant with perfume of rose and orange blossoms and the fruit was luscious.

Recently we spent a few days seeing San Diego and La Jolla. The caves and peculiar rock formations at the latter place particularly interested us. We also paid a few hours' visit to Tia Juana, Mexico, and found it up to its reputation.

A day spent on the battleships and steamships at San Pedro interested us, and while there we saw the new ship "California."

Mt. Lowe, southern California's wonder trip, proved particularly thrilling, and as the day happened to be very clear, one could see over the mountains and ocean to Catalina Island and Santa Barbara.

Camp Baldy, nestled high in the mountains, is also a fine place to visit and rest.

We are not missing much, folks. We're on the go every day, enjoying to the fullest the noisiness of the mountains and the ocean. Time is passing very quickly for us—almost too quickly—and soon we will be packing for the trip home. Plan to see Catalina Island in a week or so.

"East, west, home's best," so they say, but we will take our hats off to southern California gladly.

With kind regards to our hometown folks, we are, sincerely,

Mr. and Mrs. Charles E. Holmes, Mrs. P. Errington.

CANADA OUR FRIEND.  
ANTI-THIRD TERM.  
ULTRA, SIMPLE DIVORCE.  
MUSSOLINI—"I WILL."

Secretary of State Kellogg has been in Canada, well received, and heard Canadian statesmen say there is no danger of our country trying to annex Canada. That annexation idea is old and foolish. The United States is glad to have a good peace-maker and finds it in the people of Canada.

Also, Canada is our best customer, buying here more than the British mother country buys. For several months in 1927 Canada was the best customer we had in the world.

We helped the Canadian northwest, as we did all countries, by supplying a short cut through the Panama canal. Canada reciprocates by buying of us.

When the St. Lawrence canal goes through both nations will be better off. Friendship, co-operation, constructive competition should be the program.

The Senate will pass some kind of anti-third term bill, making two terms the law, instead of a tradition. It should be two ELECTED terms. A man elected once should have a second term in mind. No matter how good he is, that makes him a better president.

Gratitude is a sense of favors to come.

Senator Borah advocates only one term a mistake.

It takes a president one term to get over the excitement of being president and get down to real work.

Two terms by election of the people would be a good rule.

Germany proposes a law to make "a simple wish" sufficient ground for divorce.

It would not be necessary to prove guilt. Wife or husband can say "A continuation of my married life has become impossible." That will end it.

The couple must live apart one year before getting the divorce. When no guilt is proved there will be no alimony. The richer of the two will be expected to help the poorer.

That makes our "companionate" marriage quite conservative.

Mussolini continues simplifying Italy's government which in substance is the expression of Mussolini's "I will." Only one political party is to exist. Only those will vote "who contribute to the progress of the nation."

The number of deputies will be reduced from 560 to 400. It would be simpler to let Mussolini cast one vote for the whole nation. That is what happens in reality.

If a dog bites a man we ignore it. If a man bites a dog that's news. Amos Cummings said it long ago and Dr. Wood said it before Cummings did.

Often you read of a dog killed, defending his master, shot by a burglar, etc. That is hardly news. Now you read that Vincent J. McCarthy was killed by stab wounds while defending his dog. That is news.

"My ancestors came over on the Mayflower."  
"It's lucky they did. The immigration laws are a little stricter now."

#### MEMORIAM

In loving remembrance of our dear son, Kenneth M. Collins, who passed away two years ago, Feb. 22, 1926:  
We had a little treasure once,  
He was our pride and joy.  
We loved him, ah, perhaps too well.  
For soon he slept and died.  
All is dark within our dwelling.  
Lonely are our hearts today,  
For the one we loved so dearly  
Has forever passed away.  
His loving Mother and Father.

#### A CARD

Such a flock of birthday cards as was showered upon Arthur D. Stevens, February 18, was both surprising and intensely gratifying. He wishes to express through the Mail his hearty thanks for these evidences of good will and friendliness, and hopes that every heart may thrill with the joy that comes from a good deed.

### AROUND ABOUT US

Inkster has a full compliment of police, a chief, a sergeant and six patrolmen.

Nelson Schrader has again been re-elected president of the Northville Auto Club.

The Monday Literary Club of Milford, will sponsor a public library in that village.

James R. Hoole, aged 82, for many years a prominent citizen and business man of Wayne, died at his home in that village, February 15th.

Building activities have begun at Northville within the last few days when seven new cellars for homes were begun and foundations are being laid.

Twenty clowns from the Shrine circus entertained over 100 children at the Wm. H. Maybury children's hospital near Northville, last week Wednesday.

More than a thousand men are now employed at the Graham-Palge Motor Company body plant at Wayne. The output reaches one hundred bodies daily.

Holly will have a homecoming this summer, and the Holly Herald offers a life-long subscription to the person who comes the greatest distance to attend the event.

Henry Ziegler of Wayne, has been named by the civil service commission as postmaster at Wayne. J. B. Murphy, the present postmaster, has held the office for the past twelve years.

Birmingham citizens are studying the situation as to whether it will be advisable to change from the present village rule or to adopt a city charter. The matter will be decided at the village election March 12th.

The final arrangements of the program for the spring meeting of the Michigan State Horticultural Society have been announced by the secretary, H. D. Hootman. The meetings will be held in the ball room of the Hotel Roosevelt, Pontiac, on February 28 and 29.

The ways and means committee of the Wayne County Board of Supervisors has voted to call a special session of the Board this month to place a proposal to build a \$550,000 hospital unit of the Wayne County Home at Eloise on the ballot at the April 2nd election.

The Northville Chemical Co. has consolidated with the Dot Products Co. of Detroit. The new company will be located in Northville, and will continue under the name of the Northville Chemical company. The company has already started work on a new building which will be four times as large as the one occupied at the present time.

Parish boundaries established recently for Our Lady of Sorrows church in Farmington, give to the new Catholic church a large area in that section. The boundaries extend eastward as far as Berg road, northward as far as Orchard Lake road, westward through Novi, and include a large territory to the south and southeast as far as Middle Belt and Six Mile roads. Rev. E. J. O'Mahoney, pastor of the church, has announced.

The widening of Grand River Ave. from Farmington Junction to the west line of the Farmington Lumber & Coal Co.'s property has been approved by the state highway authorities, and Farmington citizens are now securing official releases from property owners for a 120-foot right of way in the city limits and 170 feet in the open country. It is expected those will be readily secured and the widening accomplished this summer.

Edward Mills, district manager of the Detroit Edison company, again proposes to place before officials of Northville township the question of lighting three main highways leading out of the city. He is going to suggest that the township light the Plymouth road to the township limits near Phoenix Park, that the Seven Mile road be lighted from the Plymouth road to Livonia township line, and that the Base Line road be lighted from Northville to the Livonia Township line—Northville Record.

#### Night Coughs

Quickly Relieved

Stopped in 15 Minutes with Thoxine

Most coughing is caused by an irritated, inflamed throat or bronchial tubes which cough syrups and patent medicines do not touch. But a famous physician's prescription recently discovered called Thoxine goes direct to the cause, relieves the inflamed membranes and stops the cough almost instantly. One swallow does the work, and the remarkable thing about it is that it contains no dope, chloroform or other harmful drugs. Pleasant tasting. Safe for children. Once used the whole family will rely on it. 35c, 60c. and \$1.00. Sold by Dodge Drug Co. and all good drug stores.

### "If I Were Only Rich--"

Have you ever said, "If I were only rich," because you wanted to help those less fortunate than you?

You do not have to be rich to help others. Richness that counts is the kind that is made up of tolerance, sympathy and a real desire to help others.

If you want to be rich get the Chiropractic idea and then begin to give it to others. Realize that thousands of people need Chiropractic but they have not met a person such as you who has told them how it can restore them to health.

Tell your friends who are sick to try Chiropractic. Help those you care for with this great idea—it will accomplish more than all the riches you might dispense. Take adjustments.
