

## NEW VILLAGE COMMISSION GETS UNDER WAY

### President Henderson Makes Some Appointments at Monday Evening's Meeting.

### Several Applications for Position of Village Manager Have Been Received By Commission.

The village commission met in regular session Monday evening. After the regular routine of business was transacted, President J. W. Henderson made the following appointments: Health Officer—Dr. A. E. Patterson; Assessor—A. V. Jones; Members Board of Review—H. A. Smith, Martin Stringer; Board of Cemetery Trustees—Carl Hilde.

President Henderson—Carl G. Shear; Auditing Committee—Paul J. Nutting, Henry J. Fisher. The president has several other appointments to make, which will be made later.

A number of property owners residing on Penniman avenue and Church street west of Harvey street, were present for the public hearing regarding the acceptance of an assessor's plat of that section. The matter was explained to the satisfaction of those present, and as there were no objections, the plat was accepted by the commission, and the same will hereafter be used for assessing purposes.

Several applications for the position of village manager have been received, but no action was taken on the matter at this time. Carl G. Shear was appointed acting clerk until a new manager has been hired.

P. H. Deal, representing the Chamber of Commerce, was present, and asked the commission to join with the Chamber of Commerce in entertaining an association of about sixty-five police chiefs from as many municipalities of this vicinity at the May meeting of their association. The commission voted unanimously to join with the Chamber of Commerce in this movement. The visiting officials will be given a luncheon at the Hotel Mayflower after which they will have a program and business meeting. Chief of Police Springer made a few remarks in which he spoke of the work of the association and its helpfulness to the police departments of every town represented in the association.

A petition was received by the commission asking that the name of Ann Arbor street be changed. The name suggested by the petition was that section of Ann Arbor street known as West Ann Arbor, be changed to University Way West, and that section known as East Ann Arbor, be known as University Way East. The petition was granted.

## Plymouth Girl Honored

### MISS GRACE HAWKINS ELECTED TO MEMBERSHIP IN HONOR GROUP OF U. OF M.

Miss Grace Hawkins, a former teacher in the Dearborn school system, who is now completing her education at the University of Michigan, was recently elected to membership in the Phi Kappa Phi society, an honorary group in the College of Literature, Science and the Arts.

Miss Hawkins, who is a cousin of Mrs. Clyde M. Ford, of Dearborn, was a 1925 graduate of the Michigan State Normal school at Ypsilanti. The following two years she taught in Dearborn, leaving there to resume her studies at the university. She is to be congratulated on having attained such an honor, which was bestowed at the Helen Newberry dormitory this month.

## Donovan Handles Goldsmith Sport Goods

Donovan's accessories store announces in this week the observation of National Base Ball week, April 2nd to 9th, during which time the American league season will open and this great national sport will be in full swing in every city, town, hamlet and country-side throughout the length and breadth of the land.

The Donovan store also announces that they have in stock a complete line of the Goldsmith sporting goods, famous the world over. The addition of this line to their already complete stock of sporting goods gives the people of this community a wide selection to choose from, at the very lowest prices, and will make Donovan's the largest sporting store in Michigan.

## TWO MORE BOY SCOUT TROOPS HERE

### PLYMOUTH ROTARY CLUB WILL SPONSOR TWO ADDITIONAL TROOPS.

### HERALD HAMILL AND ELLIOTT WEIER WILL BE SCOUTMASTERS FOR NEW UNITS.

The Plymouth Rotary Club will sponsor two more troops of Boy Scouts. Troop No. 1 has a membership of 34 active scouts, under the leadership of Sidney D. Strong, its scoutmaster. There has been a large number of boys in the village who have been eager to join the scouts, but Troop No. 1 has been full, and there has been no opportunity for these boys to get the great training that comes from being a Boy Scout, and it was to give these boys this splendid training that the Rotary Club has taken the responsibility of sponsoring the two additional troops.

The Rotary Club will finance the two troops in the way of procuring proper equipment, etc.

Herald Hamill will be scoutmaster of Troop No. 2, and Elliott Weier for Troop No. 3. The two troop committees from the Rotary Club are composed of the following Rotarians: Troop No. 2—Cass S. Hough, chairman; R. E. Valentine, Rev. Walter Nichol, Dr. R. E. Cooper, Troop No. 3—Donald Sutherland, chairman; Robert Willoughby, Dr. H. E. Champe, Glenn Jewell, Wm. Wood.

The Boys' Work Committee of the Rotary Club, composed of the following Rotarians, has had the details in charge in planning and arranging for the organization of the two additional troops: Carl G. Shear, chairman; Dr. R. E. Champe, Harry R. Lush, Dr. H. E. Cooper.

The Rotary Club, in sponsoring these two troops of Boy Scouts, has done a real service for the boys of Plymouth, and are to be commended for their interest in the welfare of the boys, and their willingness to give of their time and efforts in promoting this most worthy movement.

The auditorium at the Starkweather school will be used by the two new troops as a meeting place.

## WILL OPEN STORE ON MAIN STREET

### THE GREAT ATLANTIC & PACIFIC TEA CO. HAVE MOVED FROM PENNIMAN AVENUE TO MAIN STREET.

FRIDAY AND SATURDAY, APRIL 6 AND 7, ARE OPENING DAYS.

### WILL ADD MEAT DEPARTMENT TO THEIR GROCERY IN NEW LOCATION.

The Great Atlantic & Pacific Tea Co. have moved their store from its former location on Penniman avenue to the store formerly occupied by H. W. Murray's confectionery store at 354 Main street.

On account of the increased patronage which the store has been receiving, the Penniman avenue store was found to be inadequate to meet the needs of their growing business. It has also been the desire of the company to add a meat department to their grocery and this they have been able to do in their new location.

On another page of this paper will be found an announcement of the opening of the new store today, Friday, April 6th, and Saturday, April 7th, at which time special bargains are offered for the occasion.

## WILL HAVE BALL TEAM

### PLYMOUTH MERCHANTS RE-ORGANIZE FOR COMING SEASON.

### A NEW GRANDSTAND WILL BE ERECTED AT BURROUGHS FIELD.

A meeting of the Plymouth Merchants base ball team was held last Sunday morning for the purpose of formulating plans for a good ball team to represent Plymouth on the diamond again the coming season. The following officers were chosen:

Manager—Chester Burley  
Coach—Homer Williams  
Sec. Treas.—Arthur J. Eckles

With practically all the members of last year's team available again this spring, together with several new players, there is every prospect of putting a winning team in the field this season.

The grounds which have been located on the property owned by the Burroughs Adding Machine Co., will be available again this year, through the courtesy of the Burroughs company, and some needed improvements will be made. A new covered grandstand which will have a capacity for several hundred people will be built and ready for use for the opening game of the season, which will be announced later.

Plymouth base ball fans are assured of a fast team this season, and they can look forward to some very interesting games.

One of the important things necessary in producing a winning team, is the wholehearted support of those of our citizens who are interested in our great national sport, and most everybody is. So let's get back of the team this year, and let the boys know we appreciate their efforts to put Plymouth in the list of those towns who maintain a good ball team, which does much to advertise the town which they represent.

## New Casino Shores Pavilion Will Be Opened April 9

### "BROADWAY COLLEGIANS" ORCHESTRA TO BE AT WALLED LAKE FOR ENTIRE SEASON.

Opening of the New Casino Shores Pavilion at Walled Lake, with a new orchestra of national reputation, is announced for Monday evening, April 9, by Louis Toletone, proprietor. Preparations for the opening are being carried forward rapidly and new decorations and other features will be ready soon.

Engaged for the season at the New Casino Shores are the "Broadway Collegians" of New York City, selected after months of investigation by Mr. Toletone. Mr. Toletone returned only recently from Toronto, where he journeyed to close the negotiations with the "Broadway Collegians," who were playing a special engagement in the Canadian city.

"I believe that what patrons want more than anything else is first-class music," said Mr. Toletone in announcing his opening date. "We already have what we believe is America's finest summer resort ballroom, beautiful surroundings, and a convenient location. To this we have added this year an orchestra that has won the name of the kings of jazz and comedy. After a long search and at considerable additional expense, we have secured this splendid orchestra for the entire season, and we believe our patrons, on hearing them once, will agree that they rank with the best."

## Purity Market Installs New Equipment

The Plymouth Purity Market is installing several of the very latest refrigerating counters on the market. These dry-cold counters have three thicknesses of glass, and are guaranteed to keep meat in perfect condition and are absolutely sanitary. The Plymouth Purity Market has built up a wonderful business since they have been in Plymouth, and it is growing steadily.

Through the courtesy of Armour & Co., they will conduct a demonstration of the famous Armour Star ham and Cloverbloom butter, Saturday, April 7th. The public is most cordially invited to attend this demonstration.

## WILL OBSERVE GOOD FRIDAY

In pursuant to a custom established here several years ago, the greater number of the business places in the village will close from 12:00 noon until 3:00 o'clock in the observance of Good Friday, today.

## Rotarians Will Visit the Ford Airport

### PLYMOUTH CLUB MEMBERS TO BE GUESTS OF DEARBORN ROTARIANS.

President William Wood of the local Rotary Club, read an invitation from the Dearborn Rotary Club last Friday, inviting the Plymouth Rotarians to visit that city on the afternoon of Wednesday, April 11th, as guests of the Dearborn Club at the Ford airport.

Not only will the local Rotarians have an opportunity to inspect the plant where the Ford planes are built, but they will be taken for a ride in some of the large passenger planes which are made at the Dearborn plant.

It is needless to say the club members accepted the invitation, and that there will be a good representation of the local club present at Dearborn. We understand several of the neighboring clubs have been invited also.

## Will Hold Oratorical Contest

### FOURTH SUB-DISTRICT OF THE FIRST DISTRICT MICHIGAN ORATORICAL ASSOCIATION.

Plymouth will be represented in this contest in oratory by Franklin Atkinson and in declamation by Ruth Hester. The contest will be held in the high school auditorium Thursday evening, April 22, 1928.

Other schools in the contest will be Northville, Belleville, Wayne, Fordson and Dearborn. The winners in declamation and oration will compete in the district contest held at North-western High School on or about May 11. This promises to be a very closely contested meeting in oratory between the above schools and no one can afford to miss hearing the same.

## Suburban League Base Ball Schedule

The following is the schedule for the Suburban High School League base ball season. The local high school expects to have a good team in the field this spring, and some interesting games are anticipated.

Northville at Farmington  
Ypsilanti at Dearborn  
Wayne at Plymouth  
Farmington to Ypsilanti  
Dearborn at Wayne  
Plymouth at Northville

## Big Picture Coming To Local Theatre

### RICHARD BARTHELMUSS WILL BE SEEN IN "THE PATENT LEATHER KID," APRIL 10, 11, 12.

The management of the Penniman Allen theatre announces another big picture coming to that popular playhouse. It is no other than Richard Barthelmuss in "The Patent Leather Kid," which had such a spectacular run in all the large cities, where it thrilled great audiences. It will be here Tuesday, Wednesday and Thursday, April 10, 11, 12. It ran sixteen weeks on Broadway at \$2.20; seven weeks in Chicago at \$1.65, and six weeks in Detroit at \$1.65. It will be seen at the local theatre at their regular prices of admission, no advance.

Press notices give very flattering reports of this great picture and proclaim it to be one of the very best in which Barthelmuss has appeared, and it is one of his latest offerings.

## MANY SEE "ONE MINUTE TO GO"

The free moving picture, "One Minute To Go," given by Willoughby Bros. at the Penniman Allen theatre, Wednesday afternoon was largely attended. Robert Champe took the part of Robin Hood, in an interesting prologue and epilogue, in a splendid manner.

## COMMITTEES ARE NAMED

### BETTER HOMES WEEK SET FOR APRIL 22-28.

### PROGRAM IDEAS FOR PARENT-TEACHER ASSOCIATIONS.

During "Better Homes Week" we have an opportunity to give particular attention to the study of the home. This is a broad subject; it includes standards of construction, furnishing, equipment, maintenance, budgeting and financing on the material side, and home music, play and reading, home crafts and character training on the spiritual and social side.

This is the sort of home movement with which the Parent-Teacher associations can feel well justified in co-operating, for there is no phase of the home with which both the parent and the teacher are not vitally concerned, and the better homes movement not only stands for making attractive, comfortable houses accessible to families of modest income, but it stands for education in all that goes to make up home life. It is directly and vitally concerned with the development of the child.

A child from a happy home will be more successful in school, as in life, than one whose home life is not united, wholesome and happy.

Suggestions for April P. T. A. program for stimulating interest in ways of making home life happier by the development of:

1. Home music.
2. Home library, good reading.
3. Home play.
4. Home arts and crafts, boys' handicraft club, home workshop for boys, girls' sewing club.
5. Special study and discussion of character building, citizenship club ideals.
6. Encourage making of home gardens, home playgrounds, community day, "clean-up day," improvement of school grounds and planting shrubs, vines and trees.
7. Essay contest on home improvements (reading of the winning essay).
8. Open-house speakers on home making subjects, budgets on various levels of family incomes, food requirements for family, market lists, clothing budgets.
9. Special exhibits and demonstrations by boys' and girls' clubs, girls' wardrobe on display by girls' sewing club.
10. Posters, home improvements, advertise better homes campaign.

From these suggestions and others which come to your mind you may carry out a program for your community.

The "Better Homes" campaign is being arranged for in Wayne county with a newly-built house on the edge of Plymouth, in the Maplecroft subdivision, furnished and landscaped, which will be used as a demonstration center during the week. General meetings, at which various phases of home improvement will be discussed, will be held in Plymouth schools during the afternoons and evenings.

The "Better Homes" campaign is not a commercial undertaking, but a piece of community work, in which all organizations and public-spirited people are willing to give their services. The committee, conducting the Wayne county campaign and co-operating organizations are:

Campaign committee—Mrs. George Bentley, chairman; Mrs. Glenn Renwick, secretary; Mrs. Arthur Huston, treasurer; Mrs. Thelma Dyckhouse, Mrs. Clyde Frank, Mrs. G. H. Gordon, Mrs. Herman Schradt, Mrs. Nell Gosnell, Mrs. S. W. Sider, William Wood, John Hubert, Charles Fisher, W. R. Shaw, Miss Lois Corbett, Ralph Chubb.

Finance committee—John Hubert, William Wood, Charles Fisher, Mrs. Arthur Huston.

Equipment, furnishing and reception committee—Miss Lois Corbett, home demonstration agent; Mrs. G. H. Gordon, home furnishing classes; Mrs. Glenn Renwick, home management classes.

Program committee—Ralph Carr, county agricultural agent; Miss Loretta Dawson, library service; Mrs. Thelma Dyckhouse, home economics; Mrs. Lois Sharpe, health and recreation; B. J. Holcomb, agricultural clubs; A. G. Peterson, boys' activities; Mrs. P. J. Cover, girls' activities; Miss Genevieve Gillette, garden clubs; John Hubert, banking; Miss Ruth Forsythe, art; Miss Gladys Schradt, music; Russell A. Roe, Kiwanis club; Dr. F. A. Lendrum, ministers; E. L. Mills, electric service; Percy H. Deal, gas service; David Nichols, publicity; William Wood, Rotary club; George Gill, Community clubs; S. W. Spicer, Grange; William Bristow, Farm Bureau; Mrs. R. E. Cooper, Woman's Club; Cass Hough, Chamber of Commerce; Mrs. George Bentley, Parent-Teacher association; W. R. Shaw, Building and Loan; Crumlie & Wood, builders.

W. M.—Clara Alexander  
W. P.—C. H. Rancher  
A. M. Lucile Buzzard  
Con.—Nellie Shattuck  
Asso. Con.—Mae Borck  
Sec.—Ada Murray  
Treas.—Florence Fuhrman

The installation of the newly elected officers will take place on Tuesday evening, April 17th.

## SPRING ELECTION IN PLYMOUTH AND VICINITY

### Only One Ticket in the Field—A Small Vote Polled Monday.

### Road Lighting Proposition Defeated, Also Eloise Hospital Bond Issue Lost Here.

The annual township election held here Monday, did not attract a very large number of voters to the polls, although there were several propositions up for the consideration of the voters. There were only a few citizens present for the annual town meeting held at 1 o'clock in the room on the second floor of the village hall. Supervisor Charles Rathburn called the meeting to order and presided, and Miss Lina Purdie acted as clerk. The following propositions were made for the various funds:

General Fund	\$4,500
Highway Fund	4,500
Poor Fund	2,000
Library Fund	200
Community Nurse	1,200

A petition was presented asking that the sum of \$300 be appropriated to pay for the services of constables who are summoned outside the village, and for which services these officers have heretofore received no remuneration. The matter was left for the township board to decide.

It was voted to transfer \$1,500 which has remained in the Master Plan fund, and not used to the highway fund. The election results in the two precincts are as follows:

Eloise hospital building bond issue of \$200,000—Yes, 201; No, 225.

The presidential preference, primary ballot:

Herbert Hoover, Republican	391

## State To Build Highway Through Plymouth

### STATE BOARD AND COMMITTEE APPROVES EXTENSION OF M-56.

Final action by the state administration board and the highway committee Tuesday added three hundred miles of state trunk line highway system and placed a number of other important projects on the construction program for 1928. Among the routes placed upon the trunk line system was the extension of M-56 through Plymouth, Northville, Novi, Walled Lake to Pontiac belt line, a distance of thirty miles.

## Inter-County Base Ball League Formed

The Inter-County Base Ball League has been organized with the following teams: Pontiac, Lake Orion, Mt. Clemens, West Point Park, Holly, Rochester, Utica and the De-Ho-Co team at the Detroit House of Correction Farm. The officers of the league are:

President—Thomas F. O'Mara  
Vice-Pres.—Edward Denniston  
Sec. Treas.—Violet E. Johnston

The opening game of the league season will take place on May 13th.

The De-Ho-Co team, which won the championship of the league last season, will have a fast team in the field again this season, and will be a strong contender for the pennant the coming season.

## Northville Honors Eddie Stinson

Eddie Stinson, holder of the world's airplane endurance flight record, and his companion, George Haldean, were given a banquet at the Northville Presbyterian church Tuesday evening. The affair was sponsored by the Exchange club and was attended by 200 men and women. Many who desired to honor their fellow townsman were unable to get within the building.

### THAT CHILDISH THRILL

We are wondering how many parents around Plymouth are taking the children into consideration while planning or starting work on this year's garden. Somehow many of us forget, as we grow older, the things that gave us happiness in our younger years. Parents quickly lose sight of the thrill they used to get out of a few garden seeds and a few feet of soil entrusted to their care. Yet, when reminded of it, they are as quick to realize that their own children would find the same privilege equally as thrilling. So why not set aside a few seeds and certain row, or a special spot, in the garden for the children? Let them feel that they, too, are doing something to share the responsibility of providing the dining table with life-sustaining food. It isn't expensive. It is far from being a waste of time, and anyone who knows the thrill that comes to a child permitted to have a hand in garden-making knows its real value to them in contentment and happiness. Take the children into consideration—let them have a garden, too.

### SPEND IT HERE

Any good town like Plymouth stands for a wonderful amount of effort, energy and public spirit in past years. It is due to the energy and devotion of a host of people through the years since its foundation. They toiled to make a good community, and we get the benefit. When we are tempted to dwell on this or that defect it is better to think of all the comforts, advantages and attractive features and of business and working opportunities which we get the benefit of daily. A little more eye for the doughnut and less for the hole will always prove a big help. If your home town is good enough for you to live in it is good enough for you to loyally support it and talk in its favor. If you expect your home town to support you, help support it by spending your money here at home where you earned it.

### ANOTHER GOOD REASON.

These are busy days throughout the land, as the carpet-bearer, mop, broom and dust-rag are being worked to the limit. From coast to coast and lakes to Gulf Uncle Sam's daughters are busy in the great annual drive on rubbish, dirt and disease germs, and members of this vast army in and around Plymouth are joining in the campaign.

We've often called attention of the value of cleaning up the premises from the standpoint of health and community beautification; but here is one reason for house cleaning we've never mentioned. We hasten to do so now that the great clean-up drive is under way. We refer to the danger arising from spontaneous combustion. Last year, insurance men estimate \$15,000,000 worth of property went up in smoke in America from this cause alone. Piles of rags, no matter where they are located, are apt to break into flame at any moment through spontaneous combustion. It is just as apt to happen in one of our homes as it is in a home located in some far distant state. And the result is the same wherever it happens—a costly blaze that could have been avoided.

Cleaning up the premises is a health measure: ridding the attic or cellar or garage of rags is direct protection from fire. Keep that in mind. Get rid of the rags now, and then don't wait until another spring to repeat the performance, but keep your eye on them all through the year.

### OUR GASOLINE BILL

It is not uncommon to hear someone in Plymouth express the wish he

had all the money spent for gasoline in the U. S. on a single day. And now that we have come across Uncle Sam's official figures on the subject, we can join in wishing the same thing.

Last year 11,563,400,000 gallons of gasoline were used in this country, or an increase of 12.4 over 1926. California led, using 1,017,081,000, while New York, Ohio, Illinois and Pennsylvania followed in the order named, though none of them reached the billion gallon mark. The average cost of this gasoline was 13c a gallon, so you can go ahead and do your own figuring. Personally, we have never acquired the habit of figuring money in such large denominations.

But if you had even the revenue that was paid in taxes by the motorists on last year's gas consumption you would have no excuse for complaint. The tax on gas, now paid in every state but four, reached the staggering total of \$200,000,000 in 1927. It's a great bill the American people are paying, but never have they obtained more for their money in the way of business, health and general satisfaction. It is a bill that means progress and prosperity for all in some measure. So instead of holding up your hands in horror at such an expense we really ought to be clapping them for joy.

### HOW PARENTS CAN AID.

We have as few auto accidents around Plymouth as in any other community of like size in the country, and yet there is as much need here for exercising care as anywhere else. The season is here when children can again play outdoors, and this means more of them will be on the streets and highways. They are apt to grow careless in their play and take dangerous chances. Only by warning them of the danger that lurks in carelessness, and by impressing them with the deadliness of an automobile, can we hope to keep them out of fatal accidents. Parents who neglect this are in a way responsible for any mishap that befalls their offspring. Warn them in terms they can understand; make it as strong as you possibly can. Point out that the motorist cannot avoid injuring them if they are careless. We've a pretty fine record in this community so far as the prevention of accidents is concerned. Help to keep it so by warning your children against using the streets or highways for playgrounds.

A CARD—We wish to express our sincere thanks and appreciation for the many acts of kindness extended to us in our recent bereavement; especially do we wish to thank those who sent the beautiful flowers and those who furnished automobiles.

### OBITUARY.

Catherine Louise Simpson, daughter of John and Emeline Simpson, was born March 10th, 1842, in Canton township, where she spent her childhood. On the 7th of October, 1866, she was married to Horace E. Truesdell, of Canton; to them a son was born, Fred Owen. A few years after the death of Horace Truesdell, she married Henry Walker. After living a short time in Leslie, Michigan, they moved to their home west of Plymouth in 1882. In 1898 Mr. Walker died and since that time she lived with her son. She led a very active life until her recent illness, which resulted in her death Tuesday evening, March 27th, at the age of 86 years and 17 days. She is survived by her son, Fred; one sister, Mrs. Sarah Winsor, and many other friends.

**PERRINSVILLE**

Mrs. Esther Wolf of Detroit, spent the week-end with Mrs. Belle Baehr. Mrs. May Noble and daughter, Margaret, Mrs. Walenger and Mrs. Baehr called on Mrs. James Cousins and Mrs. Eva Smith, Monday. Easter vacation in high schools this week. Mr. and Mrs. Walenger and Miss Mildred Lawrence spent the week-end

in Toledo, and attended their nephew's wedding. Mr. and Mrs. Holland have returned from St. Louis. Mr. Holland's motor is not much improved. Mrs. Belle Baehr and son, Clinton, spent Saturday with Mrs. Erland Bridge, in Plymouth. Mr. and Mrs. George Edwards of Eloise, called at George Baehr's Tuesday. Mr. and Mrs. Carl Hoppe and family and Mrs. Charlotte Noll of Detroit,

spent Sunday at the home of Mr. and Mrs. George Baehr. Mr. and Mrs. Tom Yehus have taken up their abode at Perrinsville. Welcome back to the old home town. **LIVONIA UNION CHURCH NOTES.** Attendance at Sunday school last Sunday was eighty-seven. Collection, \$8.50. The Ladies' Aid society held a very pleasant meeting at the home of Mrs.

E. C. Smith in Dearborn last Thursday afternoon. About forty were in attendance. The special meetings which are being held at the church this week are being very well attended. No meeting Saturday night. There will be a special Easter service next Sunday morning. Several children are to be baptised. Several new members are to be taken into the church. Everybody most cordially in-

vised to attend all services of this church. **BEECH** Easter services next Sunday. A special program is being prepared. Everybody is cordially invited to attend. The annual Easter bazaar and supper will be given at the church Thurs-

day evening, April 12th. Supper will be served from 4:30 o'clock, until all are served. Everybody invited. Supper, 50c. The L. A. S. met with Mrs. DeLoe last Wednesday for dinner. There was a good crowd, and a fine dinner was served by the hostess at noon. Mr. and Mrs. Harold Turk have sold their home on the Plymouth road, and are going to move to the city. We are very sorry to lose them from this community.

**LOCAL NEWS**

School will reopen next Monday after a week's vacation. Miss Mary Conner entertained the Plymouth Bridge Club, Thursday. Born, March 29th, to Mr. and Mrs. Fred Anderson, a daughter, Vivian Lucille. Huston & Co. have commenced work on an addition at the rear of their store. It will be of brick construction and two stories.

Circle No. 3 of the Methodist Ladies Aid will meet in the church parlors, Thursday afternoon, April 12th. Harold Sage and family of Detroit, have moved into the house at 145 Union street. Orley Wood and lady friend of Detroit, were Sunday guests of Mr. and Mrs. Harry Wiseman. Harry L. Peck of Hubbardston, Mich., is visiting his cousin, Dr. Peck and family, this week.

Mrs. Charles Albrecht of Adrian, is spending the week with her daughter, Miss Bernice Albrecht. Miss Helen Beyer spent Tuesday and Wednesday in Ann Arbor, visiting her sister, Miss Marion Beyer. Born, Monday, April 2, to Mr. and Mrs. Roy Bower, a daughter, Shirley Mae. Mrs. Bower was formerly Miss Thelma Williams.

The Ladies' Aid Society of Livonia will hold a meeting at the home of Mrs. Louis Sator, Wednesday, April 11th. Everyone welcome. Born, at the residence, to Mr. and Mrs. Earl W. Wellman, of 473 Adams street, a daughter, Dorothy Sarah, Thursday morning April 5th. Mrs. C. V. Chambers spent last Thursday afternoon with Mrs. Will Cardy, and was a supper guest of Mr. and Mrs. James Chambers at Wayne.

The greenhouse business which has been conducted under the name of William Sutherland & Son has been changed to the Sutherland Greenhouse, Inc. Edward Gayde and Oliver Goldsmith were elected delegates to the Republican county convention to be held in Detroit, April 11th, at the caucus held last Saturday.

Mrs. H. S. Lee delightfully entertained about twenty-five ladies at a bridge luncheon at her home on University Way West, Wednesday, at 12:30 o'clock. About twenty-five ladies attended the thimble party given by Mrs. Carlson and Mrs. Wm. Gayde, Wednesday afternoon. After a social hour refreshments were served.

Miss Clara Tyler and Miss Gladys Clemons, students at the M. S. C., who have been spending their spring vacation at their homes here, returned to East Lansing last Sunday. The Ladies' Auxiliary of the Ex-Service Men's Club will give an Easter dancing party at the Masonic temple, Wednesday evening, April 11. Livingston's five-piece orchestra will furnish the music. Bill \$1.00 per couple; extra ladies, 25c.

Mr. and Mrs. William Wood, Rev. and Mrs. Walter Nichol, Mr. and Mrs. George A. Smith, Dr. and Mrs. B. E. Champ, Mr. and Mrs. H. K. Wrench and Mrs. and Mrs. William Lavers attended the Rotary Inter-city meeting held at Monroe, Monday evening.

Mrs. Mary Owell, mother of Mrs. T. E. Chilson, died at her old home, south of Belleville, in Sumpter township, last Sunday morning, April 1st. She was 81 years of age. During her visits at the home of her daughter, she made many friends here, who will regret to learn of her death.

Mrs. P. A. Miller of East Ann Arbor Trail was pleasantly surprised at her home, Monday, when about twenty-five of her friends from Detroit and Plymouth, came with well filled baskets, it being her 57th birthday. Cards were played and all left late in the evening, wishing her many more happy birthdays.

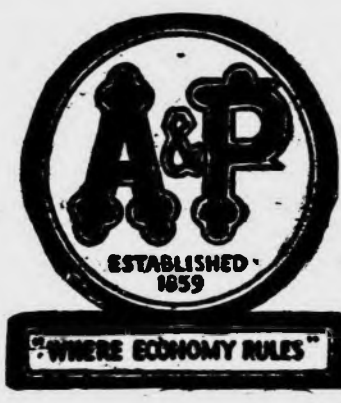

Douglas Jamison, vice-president of the Union Trust Co. of Detroit, was the speaker at the luncheon hour of the Rotary club last Friday. Mr. Jamison told in a most interesting manner of a tour he made of South American countries. His description of the country, the people and their customs, was very interesting and instructive.

About 5:30 o'clock Tuesday morning, during the electrical storm, the fire department was called to Rosedale subdivision on the Plymouth road. The boys made a quick run of the several miles, but when they arrived there they could not find any fire. After the first alarm had been turned in and the boys had left, the operator at Central was called and told that the fire was out.

The Pleasure Club held their final meeting Wednesday evening. After a delicious dinner at the Plymouth Cafe, the party was entertained at the home of Mr. and Mrs. J. J. Wollgast. Honors for the evening's entertainment of progressive peddle, were awarded to Mrs. Wm. Felt and Ralph Cole, while Mrs. Wollgast and Earl Grey were consoler. Mr. and Mrs. Wollgast received the season's honor. At a late hour, all departed for their several homes, to meet again next fall.

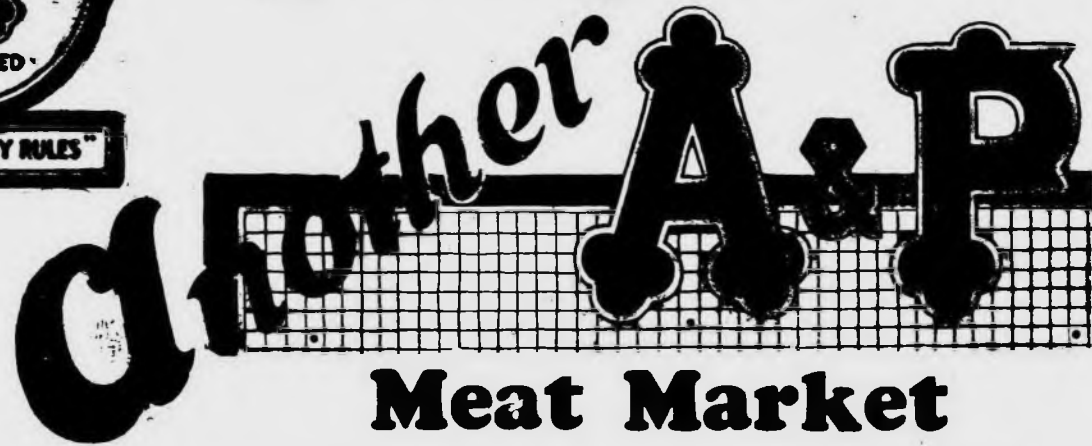

**An Easy Fancy Salad**

From a famous chef comes this recipe for Coronation Pear Salad: Fill hollows of canned pears with cream cheese or creamy cottage cheese; top with red currant preserves. Serve on lettuce with dressing made by mixing a cube of cream cheese with 3 tablespoons sweet cream. Season with salt, paprika, juice of 1/4 lemon and a teaspoon currant preserves.

**Dr. Frank Crane Says**

**THE BATTLE OF THE BUGS**

In a pamphlet called The Forest Primer, issued by the American Tree Association, are some interesting statistics about one of man's greatest enemies.

It appears that there are some two hundred thousand kinds of tree-attacking insects and that these little insects cause far greater losses to forests than do fires.

If unbridled these insects would destroy thousands of acres of valuable forests a year.

In one section of Oregon these pests have destroyed enough trees to build eight thousand houses at \$10,000 each. Birds are one of the best preventives of insects. In a way they are our best friends. Some insects prey upon others, thus protecting the trees.

But man must be constantly vigilant. He must fight the pine beetles, borers, timber worms. Bark beetles attack the trees of the Adirondacks.

The larch is the victim of the sawfly worm. The pine between is well at the top of the list of insect enemies.

In addition to this trees have diseases, although their powers of resistance to disease are greater than their resistance to insects.

Dr. L. O. Howard says that if man does not succeed in combating insects they will destroy man.

One of the greatest insect enemies is the termite or white ant. It penetrates the wood of floors, walls and foundations. Hence we must not only

fight to save the lumber, but to save the buildings.

There must be no let-up in the fight against insects.

We must either pay out more money to protect the forests or pay ever-increasing prices for lumber, and in the end see the forests disappear.

Much has been done in forestry in the last five decades, but much remains to be done, and the care of the trees should be taught in every public school.

Who can fully describe the benefits of the tree? It is not only a thing of beauty that enhances the landscape, but it is useful. We get from it the material for our houses, for many of our utensils, and for many other useful things.

Charles Lathrop Park, who has devoted his life to the trees, and spent much money at this work, deserves great credit.

Every town ought to have a municipal forest in its environment and ought to do something for the trees of the country.

What good is the world to a man when his wife is a widow?

A novel young noble of Munich dressed up in suits and a unique This Fashion debasement. Caused unbounded amazement. His ideas were so really unique.

**SALEM SCHOOL NOTES**

Those neither absent nor tardy dur- ing the month of March, in the pri- mary room, were Raymond Ackerman, Edward, Alvin Bauman, Shirley Burn- ham, Mary Balden, Mary Geraghty and Lindsay Lewis.

Victors at school during the past week were: Mrs. Currier Olive Bowers, Doris Herrick, Hugh Foreman.

Mr. Lord, Miss Hollman, Miss Belz, helping teachers, visited school Thurs- day forenoon. The children showed them the newspapers they had made during the month. The upper room called their "Salem's Ups and Downs," and the lower room called their "The Salem Times." We wish that the parents could have seen the work in these papers.

Saturday was an all-day zone meet- ing at Salem, and the last one of this year.

The forenoon was devoted to teachers meeting. The benefits of the news- paper for the boys and girls, were dis- cussed. Miss Belz pointed out the parts of the newspapers which were especially well done. In each paper one could see how carefully they had planned their paper and how well they had written up the material. Special care was taken in punctuation, pen- manship and spelling. Reading was necessary before some of the stories could be written. There was also some geography and civics information needed.

This month nature study is the sub- ject to be emphasized, and the teachers discussed the best ways of presenting material and what to teach. There were two demonstration lessons. One showed how much children received from last month's work in language; the other was a nature study lesson on the bluebird.

Everyone who came brought some- thing for dinner. Only a few of our friends from our zone could come, due to the bad condition of the roads.

At 1:30 the program opened with singing by the Salem Chorus. Each school presented a play, a song or a recitation. Mr. Leonard, Supt. of Farmington school, gave a very in- spiring and helpful address, "Dad's Visit to the School."

After the talk, each school teacher or a patron of school, told what pro- gress their school had made during the year. Reports showed that every school had been very busy during the year.

Everyone left with the feeling that they had received something from that last meet.

**WATERFORD**

James Wilson, while on his way to work in Detroit Monday morning, met with an auto accident on the Plymouth and Telegraph road.

Mrs. Mary Loid had for her guest Friday afternoon Mrs. Edward Johnson, of Northville.

Mr. and Mrs. Glen King are putting in new shelving and other improve- ments which will add very much to the appearance of the store.

Mrs. Sam Grove, of Plymouth, spent Wednesday at Mrs. Elmer Perkins. Mr. Grove coming for the evening.

Pearl Denton celebrated her fifth birthday Sunday, April 1. She re- ceived among other presents a lovely birthday cake.

Mr. and Mrs. Arthur Gots motored to Detroit Saturday evening.

Mr. and Mrs. Elmer Perkins at- tended the twenty-fifth anniversary of the former's sister in Detroit last week.

**GRANGE NOTES**

The meeting of the Lily Club is postponed one week on account of the hull being rented for that night, and will be held the third Tuesday instead of the second, which will be Tuesday evening, April 17th.

Grange will be held on Thursday evening, April 12, with initiation in the first and second degrees. All can- didates be present at 7:30 o'clock.

**Today's Reflections**

There are a lot of ways for an old man to make a fool of himself without taking dancing lessons.

A bully is a man who gets through life because he knows that most people would rather be imposed on than en- gage in a fight.

If knowledge is power, then how does it come that a prize fighter gets \$4,000 an hour and a school teacher has to be satisfied with \$40 a month?

Many a Plymouth man who thinks his wife couldn't get along without him would be surprised if he knew that she simply endures him for the chil- dren's sake.

There are times when a man needs a new hat and doesn't want one. But it's different with his wife.

The United States and Mexico are now on capital terms, with Mexico needing the capital.

And you can also lead a flapper to a longer skirt but you cannot make her wear it.

Our idea of the happiest home in Plymouth is the one where mother doesn't kick about having to put dad's shaving set away.

### Death of Budd H. Shefpo

Budd H. Shefpo, son of Robert and Ida Shefpo, was born March 29, 1897. He was married May 22, 1923, to Ruby Webber, and to them was born one son. He has lived in the vicinity of Plymouth for the past ten years, and died at his home in Canton township, March 30, 1928, after an illness of several weeks. He leaves to mourn his death, his wife, Ruby Shefpo, and one son, Marvin, aged three years; also his father Robert Shefpo; mother, Ida Shefpo; one brother, Carl Shefpo, and four sisters, Mrs. Carl Hogue, Anna, Doris and Lena Mae Shefpo, all of Farmington, besides a host of relatives and friends.

Funeral services were held at Farmington Monday afternoon, where interment was also made.

A friend, a brother, husband and son; His smiles are over, his joys begun; He left a memory so good and dear; It will be a comfort to those left here.

### Charles Gentz

#### Passes Away

Charles Gentz was born October 14, 1843, in Mecklenburg, Strelitz, Germany, the son of Mr. and Mrs. Wm. Gentz. In the old country he was baptized and confirmed in the Lutheran faith, after attending the parochial school. In 1847, he came to this country and to New Boston. In 1874 he moved to Plymouth, and married Mrs. Caroline Fisher, nee Raunberg, and therewith became the stepfather of four sons and one daughter. The union of Mr. and Mrs. Gentz was blessed with three children, two sons and one daughter, one son losing his life by drowning.

Mrs. Gentz died twelve years ago, and since that time father Gentz has made a home for himself. For several years he has been very feeble mentally and the end, when it came Friday morning, was a blessing for him.

He attained the age of 84 years, five months and sixteen days, and besides his two children and five step-children, leaves a number of grand-children, one brother and other relatives and friends.

Funeral services were held from the Schrader Bros. Funeral Home, Sunday afternoon, at 3:00 o'clock, Rev. Charles Strasen officiating.

### Will Build Tanks

#### In Many Counties

FURNISH SATISFACTORY AND ECONOMIC MEANS OF FARM SEWAGE DISPOSAL.

An ever increasing interest in the use of septic tanks for the disposal of farm sewage has caused the agricultural engineering department at Michigan State College to schedule meetings in 31 Michigan counties to show how easily these tanks can be installed.

The department has records where tanks have been in successful use for the past fifteen years. The cost of building is low and little or no attention is required after the installation.

At each of the demonstration meetings, a set of forms for the concrete work of the tank will be built during the forenoon and the concrete will be poured in the afternoon. The forms are made so that they can be removed and used to build additional tanks in the community.

Specialists at the meeting will explain the best methods for constructing the septic tanks, and also will answer questions on the use of concrete for other purposes on the farm.

Meetings during April will be held in Lennox, Hillsdale, Cass, Calhoun, and Ingham counties. Washtenaw, Midland, Alcona, Alpena, Chippewa, Luce, Schoolcraft, Delta, Menominee and Dickinson counties are to be visited in May.

The June meetings are in Iron, Gogebic, Ontonagon, Houghton and Marquette counties; and Emmet, Charlevoix, Antrim, Missaukee, Wexford, Manistee, Oceana, Newaygo and Mecosta farmers will see the tanks in July and August. Other counties on the list for later in the year are Ottawa, Kent, Oakland, St. Clair and Sanilac.

### Plymouth Auctioneer Conducts Big Sale

HARRY C. ROBINSON OFFICIATES AT LARGELY ATTENDED SALE IN OAKLAND COUNTY LAST WEEK THURSDAY.

Harry C. Robinson, local auctioneer, conducted an auction sale last week Thursday, that was of more than usual interest. The sale was held on the big Oakland county farm known as Warbeck, owned by Senator James Conzans. The farm has been operated by Williamson Ross, and the auction sale represented one of the final chapters in the business relationship of Senator Conzans with his tenants, Mark N. and Frank H. Williamson, whose occupancy of the farm soon will come to an end.

Nearly 1,500 farmers from surrounding counties assembled for the sale. The bidding started on by the efforts of Mr. Robinson was lively.

Fifty-eight head of dairy cattle, five horses, 190 chickens, a quantity of hay and grain and miscellaneous farm machinery and tools brought a total of \$11,273.

The 58 head of cattle sold for \$7,615, an average of \$131 apiece. There were eight Holsteins, six Durams, 29 Jerseys and 15 Guernseys. Of these a Guernsey bull, three Holstein cows, two Jersey cows and one Guernsey cow were registered. In addition, three senior calves and one junior yearling were eligible for registration. The rest were grades. Included in the number sold were six baby calves.

The top price for a cow was \$250, paid by J. B. Lurie of Northville. The bull brought \$123.50.

One team of horses sold for \$440, another for \$325, and a single horse for \$177.50. The chickens brought \$237.50, or \$1.25 apiece.

Other prices paid were as follows: Oats, 250 bushels at 67 cents, \$167.50; straw, 14 tons at from 88.25 to 88.75 a ton, \$1,237.50; outfit, \$77.50; tractor plow, \$80; two wagons, \$18 and \$17.50; manure spreader, \$110; tractor, \$500; mowing machine, \$30; three-horse cultivator, \$40; corn binder, \$112.50; cream separator, \$25.

### All Michigan Shares in List of Winners

#### STATE YOUNGSTERS AWARDED CHAMPIONSHIPS IN 4-H CLUB WORK.

Championship awards made by 4-H club leaders at Michigan State College show that merit is not confined to any one section of the state.

The state champions in each of the five classes of canning clubs were: Alice Roberts, Washtenaw county; Veda Wheaton, Emmet county; Ellen Sylvania, Alger county; Eva Raser, Jackson county; and Mary Richmond, Saginaw county.

In food study clubs, Mand Burrows, Wolverine; and Sophia Jungtisch, Saginaw, were winners.

Gordon Doneth, Manistee county, and Ray Warner, Osage county, were the class of the potato growers; Laurence Crozier, Eaton county, produced the best corn; and George Bersten, Gratiot county, showed the best of the boys how to grow beans.

Lothie Drascheit, Wayne county, was champion gardener. The winners in the four classes of poultry clubs were: Walter Ross, Muskegon county; Ingrid Mattson, Iron county; Oscar Aue, Muskegon county; and Gustave Aue, also from Muskegon.

Charles Simkins, Cass City, was the best calf raiser; Harold Becker, Escanaba, had the best heifer; Harold Strange, Grand Lodge, won in the dairy production class; and Edbert Talsma was the most successful in herd management.

The champions in baby beef clubs were: James Milligan, Cass City; Lester Anderson, Barryton; Fred Dowdle, East Aue; and Willie Stark, Springport.

Willard Graf, Salline; Claude Mitchell, Decker; and Raymond Gilback, Salline, won first honors in their classes as pork producers. The champion junior shepherds in the state were Olney Outwater, Chelsea; and Edward Delamater, North Adams.

Wild Oats! What a multitude of sins are committed in thy name.

Why don't you ask Tom to lend you that five? "I'm broke."  
"Well, I did, and he told me to go to the devil."  
"What did you do?"  
"Naturally, I came here."

### BETTER HOMES WEEK

Better Homes Week will soon be here, April 22-28th. Did you know the women of Wayne County who have been studying about the management of the home and the furnishing of the house through the Extension Courses from the Michigan State College are going to supervise the furnishing of a home in Plymouth? Plan to visit Plymouth during Better Homes Week

and see what these women are doing. Women of Wayne County who are just completing their home economics courses conducted by the extension department of the Michigan State College are holding their All County Achievement Day on Friday, April 27th, at the Starkweather school in Plymouth. Remember the day, and watch the papers for further developments.

An extension of street car service to the city limits on Grand River avenue, was placed in operation by the Detroit Street Railways system last week-end.—Hartford Record.

The Wayne House, Wayne's new hotel, located in the new theatre building, is now ready for occupancy. Twenty-five rooms have been comfortably and artistically furnished.

About seventy business and professional men of the City of Dearborn were guests of the Dearborn Exchange Club Monday noon at a meeting in honor of the 17th birthday of the organization.

Ypsilanti Kivansians will plant 200 acres of land with trees, it was decided at a meeting of the board of directors of the organization last week. The land is on the Anzable River about 100 miles north of Bay City and part an international Kivans' reforestation project.

The Clarenceville Central school was ransacked by intruders Tuesday night who received only slight rewards in the way of booty for their visit. Entrance is thought to have been gained after midnight. About a year ago the building was robbed of \$70.—Hartford Record.

The tenth annual Round Table of Librarians conducted by the Michigan Library Association will be held in the Dearborn Public Library on March 30. Attendance is not limited to Wayne County or to librarians. Anyone interested in the subjects under discussion is welcome.

The electors of the Ann Arbor city school district overwhelmingly defeated the proposed school bond issue of \$600,000 in a special election last week, 1,546 to 754. It was one of the largest elections ever held and proved a bitter defeat for those favoring the program and a decisive victory for those against it.

The first few days of spring that were greeted with favor by all brought forth the opening of Hawthorne Valley Golf Club Saturday. Although only short notice was given to the public concerning the opening of the course, the management reported that 346 players made use of the course on the opening day.—Dearborn Press.

Announcement has been made by officials of the Stinson Aircraft Corporation that production will be started soon on a new type three-place (3000) monoplane. For some time past Eugene Stinson has been working out the details of the new plane, and he has now developed it to a point where it can be placed in production at an early date.

The City Council of Fordson awarded contracts for the erection of a new police and justice court building and a new signal alarm building at their meeting Wednesday evening. The total cost of the buildings will be \$240,197. The police and justice court building will cost \$198,888 and the signal alarm building \$41,317. Gallagher-Fleming Co. of Detroit, were awarded the contracts.—Dearborn Press.

Quite a little excitement was caused on the 31 Burgess farm, 1 1/2 miles north of Hartland on U. S. 25, a few days ago, when a fine deer was chased and brought down by a dog in one of the Burgess pasture fields. The animal, a doe weighing probably about 125 pounds, is thought by game wardens killed to the scene to have come down from the north, as it sustained half healed wounds and showing marks of long travel.—Brighton Argus.

Ground was broken Wednesday by the Schulte Amusement Co. of Detroit, for a new \$100,000 theatre in Howell. Thus, S. Leith, of Brighton, being the contractor in charge, the new building will occupy the former residence property of C. E. Marsdon on East Grand River and has a frontage on Grand River of 66 feet, extending back south 140 feet. The theatre is to consist of brick, drop-proof throughout, two stories, housing two stores and three apartments, and will have a seating capacity of approximately 1,000.

Scampering at mile-a-minute speed over the smooth concrete of Base Line road, like a frightened animal, a new Ford roadster on Saturday afternoon left far behind a Buick driven by Harley Warner of Farmington, and settled, for a time at least, the question of supremacy in a mile race from a standing start. The result surprised most of the crowd of some 100 lined lining the pavement between Farmington and Middle Belt roads, which saw the smaller car leap away to a commanding lead and hold it tenaciously to the finish. About 150 feet separated the cars as they roared across the line, travelling nearly 70 miles an hour.—Farmington Enterprise.

### RENO—MASTER MAGICIAN

What an excellent title for Reno—the Master Magician. He certainly deserves this name as everyone will agree. His mysterious moves are impalpable and fill everyone with overwhelming curiosity.

Last Thursday evening at eight o'clock in the high school auditorium, magic cloths, sticks, bird cages, a derby and all the magic tools which were to be used, Lawrence Rattenbury, president of the senior class of '28, proceeded to announce Mr. Reno. The large audience waited breathlessly expectant, to see the much talked-of magician.

Mr. Reno stepped from behind scenes attired in a full dress suit and his hands encased in a pair of immaculate white gloves. He came forward to greet his audience, meanwhile taking off his gloves. He hung one glove toward the ceiling, never to be seen again—and immediately the other followed. The first mystery had presented itself—the people in the audience looked at one another, then at the spot where the gloves were last seen. The gloves certainly had disappeared in mid-air.

Much to the amusement of the spectators, Reno next summoned a small boy and girl from the audience to assist him in the numerous tricks. The little girl's name was Phyllis, by which name the magician called her for the rest of the evening. The boy was addressed as "Emerson, old pal," and Mr. Reno said "the most wonderful boy in the United States." The children bore honor to the whole performance in connection with Reno's witty phrased conversation with them.

The mystic tricks were certainly bewildering. How is that bowl of water produced out of mere nothingness? Where did that bird disappear? How is that glass and that bottle transported from one table to another? These are only a very few of the many questions which the spectators were asking themselves or their neighbors. It was impossible to begin to comprehend the mysteries that were performed before their very eyes.

How can a simple everyday derby hat contain such a magnificent amount of articles? Everything within bounds of imagination was produced from that small hat, even to a real live bunny.

The whole audience beamed with delight as the lights went on after the performance. Many of them declared to themselves that they were going straight home and endeavor to master some of the tricks.

This magic number was the last on the Redpath Lyceum course, which this year's senior class has sponsored. The class is extremely gratified by the success which they have met throughout the year in giving these entertainments.

Next year's juniors have signed up for a five-number course, and it is hoped that they will receive the same cooperation that has been given this year.

### SOPHOMORE DANCE

Last Friday evening, March 30th, the sophomore class sponsored its second dance of the school year. Even though our neighbors, the juniors of Northville, give their J-Hop the same evening, the auditorium was filled with dancers. Schaffer's orchestra furnished the music for the evening.

The sophomores worked incessantly selling tickets before the dance, in all the assembly halls and after school. They were rewarded for their efforts by the large crowd present Friday evening. The "waltzes" and "circles" created much excitement and merriment for not only the dancers, but also the spectators.

This is about the last informal dance of the year, the next affair being the senior prom, after which each class will have given two dances for the year, except the freshmen, who have given only one.

Each and every person present has reported an excellent time and regrets that there cannot soon be another.

### EXTEMPORANEOUS SPEAKING CONTEST

Each year these contests take place to determine the champion extemporaneous speaker of the high school. Only three students participated this year, those being Margaret Dunning, Elizabeth Strong and Franklin Atkinson. Five minutes before speaking, the entrants were given slips from which to draw three. They were allowed to choose a suitable topic from the slips given on the slips, and had to be able to speak fluently on the topic which they had selected. There is no preparation allowed. This sounds rather difficult, and it really is, but each one of the three gave excellent talks on their subjects.

Wm. Bake was selected as chairman of the contest, and Miss Allen, Miss Asquith, Mrs. Shawley as judges. The time limit was warning at four and stop at six minutes. Chase Willett acted as timekeeper. Room 30 was chosen as audience.

Franklin Atkinson was the first speaker on the program, and his topic was "Outlawry of War." Franklin presented excellent thought, statistics and delivery, and was able to talk fluently on his subject for five and three-quarter minutes.

Margaret Dunning was the next speaker introduced. Her subject was "What is Wrong with Our Policy." Margaret also gave a fine speech for not having had any preparation. Her thought and delivery were fine. Her speech concluded at three and one-half minutes.

Elizabeth Strong was the last speaker. Her topic was one of every day discussion—"Hoover vs. Smith."

### THE ORCHESTRA

The members of the high school orchestra have all been doing "double duty" this past week. For an organization which is made up of students who have to do all of their school work besides, much work has been done with the assistance of Miss Schrader.

"You and I" the senior play, which has caused so much favorable comment, used the orchestra for entertaining between acts. Then the following Monday night again the orchestra entertained the Parent-Teacher meeting at the Starkweather school. All of these appearances required practice in order that different pieces might be played. Is it any wonder that

we said that the orchestra has been doing "double duty"?

In most of the assemblies this year, the orchestra has played either before or after. Now it is taking a new step. The orchestra is buying music with which it can accompany the singing which plays a large part in all assemblies.

### GRADE NOTES

**Starkweather School**  
The citizenship club of the fifth and sixth grades met last Friday afternoon. At each meeting a special admittance paper is read which was written by one of the pupils. Last Friday the paper was written by Doris Lockwood on "The Making of Rope and Twine." For entertainment, a group of special songs of the different nations was given. Each person who sang was dressed in the costume of the nation he represented.

The honor citizenship club pupils are: Helen Ribar, Mary Kincaid, Wilbur Kincaid, Margaret Molnar and Billy Swadlow.

As one passes through the halls of Starkweather school, one notices honor rolls hanging on the different doors. Here are a few of the honor students winning on their conduct while in school. Mrs. Lee's room: Wilbur Kincaid leads the boys, while Jean Cassidy and Mary Kincaid lead the girls. Mrs. Mae Jones leads Mrs. Mols' room, and Jeanette Bannan and Lawrence Kincaid tie for honors in Miss Balfour's room.

After a long illness Fred Hetzer is again back to school. Being well liked by his schoolmates, he was missed during his absence, and was heartily welcomed back to school.

Miss Balfour's 4-A reading class has been reading how to weave rugs and carpets. They became so enthused about the art of weaving that each child built a small wooden frame on which to weave. Weaving has kept them busy during the past week.

Doris Compton, Jessica Goedel, Irene Beckwith, Alice Beeman, Patricia Cassidy, Anna Daley, Jennette Brown, Norma Jean Roe, Clyde Morgan, Jewell Starkweather, and Kenneth Klepschmidt are on Mrs. Wilcox's honor roll in spelling, in the third grade.

Miss Stader has a "help" class in which she helps the pupils who have been out or are not up in their studies, in order that they may keep up with the rest.

After trying all year, all the fifth grade pupils of Mrs. Mols' room received A-pluses in spelling on March 28th. Surely their motto has been "If at first you don't succeed, try, try again."

### Central School

Miss Wilmore has two time charts in the kindergarten room. Those who were on time during March, were: George Felton, James Keiser, Martha Horvath, Harvey Wrench, Fern Foregren, Ruth Kirkpatrick, Marjory Lewis, Caroline Ossensheimer, Alice Reinholz and Catherine Spitz. Catherine Spitz has neither been absent nor tardy this semester.

Barbara Zisch, Isabel Nairn and Geraldine Plachta are such good first grade readers of Mrs. Root's room, that they are now ahead of the others, and are reading in Child Library Readers, having finished Book 1.

Miss Weatherhead's second and third grade pupils were weighed last week, and ten children were given white slips for having perfect weight.

Mrs. Holliday is losing one of her pupils, as Beth Northrop is moving away.

In Miss Farrand's room Jack Gordon won the box of candy given by Miss Farrand to the pupil who got 100 words correct in spelling. Jackie said that the candy tasted good.

Margaret Horvath was absent on account of the fall she had near the Hotel Mayflower.

Myra King and Betty Jane Housley spelled Miss Severs' room down last Friday.

The pupils of Miss Severs' room wrote some stories about Easter.

### 6-A Boys' Baseball Teams

Miss Fenner's 6-A boys have organized two baseball teams, one called the Giants and the other the Black Hawks. As the spirit of spring has entered into these boys, and they have had some rather lively games on the diamond. At present the Black Hawks are ahead, having 67 points to the Giants' 31 points.

### Miss Lynch Visits the Grades

Last week Miss Lynch, a health nurse from Detroit, visited the lower grade rooms of both the Starkweather and Central schools. She told several health stories that were enjoyed by the children, and taught them a health song to the tune of "It Ain't Gonna No More." She also left a number of songs which are being learned by the children.

### Pennmanship in the Grades

Good writing is an asset to everyone, no matter what his work may be. Now-a-days pennmanship is taught from the first grade on through the twelfth. During the past week, pennmanship drills have been sent to the Palmer Method Company by the different grade rooms of the two schools. Those pupils who sent in pennmanship drills have hopes of getting either a silver or gold star button or a progress pin according to their improvement in writing.

### Easter Parties

Last Friday afternoon, in the different rooms of the Starkweather and Central schools, Mr. Bunny visited the pupils. Such bright happy faces as were seen by anyone visiting the rooms.

In some rooms the bunny left little Easter baskets filled with candy, while in others he left little bunnies and eggs. In one room, a regular feast of pop corn, candy and apples was had, and did the children enjoy it? You bet they did. Seeing those happy children brought back the time when we were in the grades and enjoyed Easter parties, too.

### Spelling Contest

Last Friday morning, the second step to the final spelling bee was held, at which the school champions were picked. Helen Ribar of the sixth grade won the championship of the Starkweather school, while June Nash of the same grade was proclaimed champion of the Central grade school. The next bee will be the district bee held sometime in the future at Plymouth, at which the champions of several schools near Plymouth will spell to see who shall represent the district at the final bee.

### DISASTER RELATIVELY MILD. POPULATION GROWING. GIGANTIC "HOOK-UP." INDIFFERENCE TO CRIME.

The bursting of a dam, part of Los Angeles water supply in San Francisco Canyon, cost hundreds of lives, reasons are given for the dam giving away, but no adequate excuse. "Water, seeping into the earth at each end of the dam, weakened the hold of the great concrete wall." It should be someone's business to learn why the dam was built that way—and what danger there is at other dams. Why fragments of broken concrete crumbled in the fingers.

Compared with familiar disasters, by flood, California's accident is fortunately mild. There was the big flood that drowned all but Noah's family. The rainbow guarantees against a repetition of that wholesale calamity, but small floods have wrought havoc. Five hundred years ago in Holland 100,000 were drowned, and at Kaifong, China, nearly three hundred years ago, 300,000 lost their lives; 200,000 were drowned at Bengal, in India, fifty years ago. Many times in history eruptions of the sea, river floods and similar disasters have taken 100,000 lives and more at a time. This country can congratulate itself upon the fact that the Mississippi flood of last year, destroying hundreds of millions in property, cost only two hundred lives. That was due to admirable work done by the army and navy, and to prompt scientific direction by Herbert Hoover, chosen by President Coolidge in the emergency.

The Census Bureau says United States population on July 1 next will be 120,013,000. At the end of this century, if births, deaths, immigration and health run along as at present, the population will be 200,000,000. If the larger per cent of that number know how to think it will be quite a nation. In the last eight years population has increased 14,302,380. The annual arrival of babies exceed by one million the number of deaths. That is good news for the editor publishing an up-to-date paper. Bill Carley, formerly of Chicago, now of New York, used to say, "Every birth is a new reader for my paper, every death of an old man means a reader forever lost to the opposition." And it was true.

A gigantic "hook-up" of radio stations will enable 8,000,000 Americans to hear all that goes on in the Democratic and Republican conventions. From the first announcement of Alabama's choice, to final bowling when the winner is announced, everything will be heard. However, said to relate, many of the 8,000,000 that might listen to the convention will not listen. They will tune in for jazz music, sad heart-rending songs, or daily dozens to keep thin. In this nation, where only half vote that might vote, there is little deep interest in politics.

Speaking of slush funds, bribes, etc., you should read the book written by Judge Kavanaugh, of Chicago, after thirty-three years on the bench. Three hundred and fifty thousand individuals make their living, partly or entirely, by crime in our happy country, he says. Last year they contributed 12,000 murders to the nation's news items.

Public indifference is to blame, says the Judge. Each country gets as much crime as its indifference deserves. Judge Kavanaugh favors use of the whip because "No crime leader retains the respect of his gang after he has wined under the lash. The hoodlum and racketeer fear the cat of nine tails more than prison. Our 250,000 criminals steal yearly enough to build the Panama Canal."

We have some millions of farmers that would like to run this country, partly, but they don't know how to go about it. No real organization for one thing. Next fall they will get wonderful promises and then think it over four more years.

Prof. (to Student): I think you would have passed this history if you had paid a little attention." Student (sagittively): "I paid as little attention as possible, I'm sure."

"Well, I guess I'm all in, granted Jonah as he finished his subway journey to the whale's interior."

## Picked Up About Town

Dad Plymouth says he has noticed that many people who don't know one note from another are pretty good at blowing their own horns.

It is said the average woman can now dress in 55 seconds. And some of them look like they did it, too.

"Every now and then," declares Dad Plymouth, "we meet a girl who looks as though she was trying to win a prize for putting the most powder on her nose."

"One of the first things a man learns after he is married," asserts Dad Plymouth, "is that a wife is someone he spends a lot of time waiting for him when he gets ready to go somewhere."

Dad Plymouth declares that the lay of the spring poet doesn't interest him as much as the lay of the spring hen.

A lot of outstanding politicians are going to be standing out in the cold a few months from now.

According to Dad Plymouth, the old adage to "love your neighbor as yourself" is responsible for a lot of fellows getting into the divorce courts.

The Plymouth man who wants to have a garden all his neighbors will notice should raise his weeds in rows.

Your friends think you are right, and your enemies think you are wrong—but you have to show the rest of the world.

Advertising your business builds it up and adds to it. And advertising your troubles will do the same thing.

The old-fashioned Plymouth man who liked to home now has a son who dotes on hard "corn."

Wouldn't this be a great world if all the reformers tried to be as good as they advise everybody else to be?

**A "DOGGY" AFFAIR**

Topoka, Kan.—Little Mary Jane Landon gave a party to her dog Curly on his anniversary. Her playmates brought their pet dogs to the party, and presents were hamburger, blankets and bones.

**ANOTHER WORLD'S RECORD GOES UP IN SMOKE!**

Kansas City, Mo.—John G. Thudum, probably the oldest cigar maker in Missouri, is completing his sixty-fourth year in that trade. He is 83 and says he has made seventeen million cigars by hand.

**YPK'S CHICKENS TALK DUTCH TO HIM!**

Chicago, Ill.—Sixteen chickens in the custody of police presented a problem, as the owner was not known. Ypk Heris, a Hollander, came to claim them. Asked to prove they were his chickens he said "If they're mine they'll talk to me." Ypk was taken to the cell where the chickens were asleep. He spoke to them in his native Dutch. The chickens, awakening, began to cackle and crow in Dutch?) and to flap their wings. Ypk got the chickens.

**TAP, TAP, TAP—SO GOES THE FIDDLER'S FOOT!**

San Angelo, Texas—E. H. Goodwin, dance fiddler of this district, claims a record of half a million taps a year. He said that while he uses the right foot for tapping, the sole of his left shoe always wears out first.

**PERCHES AROUND LIGHTHOUSE TO SAVE BIRDS.**

London—The Royal Society for the Protection of Birds has erected large perches around the tops of various lighthouses, which are on the birds' favorite flying route around the British Isles.

The bright beams of the lighthouses are responsible for the deaths of tens of thousands of birds annually. They are attracted like moths to a candle by the brilliant light, and finding no refuge the birds in numerous instances fly round and round until exhausted and finally drop into the sea.

The same beams now point the way to a haven of rest. Feed boxes are also provided.

**DOG WITH BROKEN LEG KNOWS WHERE TO GO.**

Hoquiam, Wash.—A dog with a broken leg appeared in front of a hospital here, barking around as if he knew what he wanted, and occasionally wailing faintly. He was put on the operating table after being discovered, and his leg was set.

He came back the next day of his own accord to have it dressed in good hospital style.

**BILL WOULD REPAY FARMER FOR AIR MAIL TORCH DAMAGE.**

Sharon, Pa.—Representative Thomas C. Cochran, has introduced a bill which would result in Sam Talt, a farmer in Cool Spring township, being recompensed for the destruction of his barn and crops.

In December, 1926, a torch dropped from a mail plane set the building on fire.

**Hints for the Home** by Nancy Hart

Welcome the new tinted damasks, all year housekeepers! The lesser wrinkles and spots that afflict the family table pass almost unnoticed on these charming colored cloths—and this means a great saving of labor, especially where there are little folks. The pastel tints of the new linens bring a delightful note of color into the dining room, where we appreciate cheerful appointments more than in any other room.

Picture a primrose yellow cloth, a pale sea green or amethyst cloth as a background for your flowered china. Tempting, isn't it?

**Preserving Brooms and Toothbrushes**  
Soak a new broom in hot salt water. The bristles become stronger and wear longer. New toothbrushes soaked in hot salt water will last twice as long.

**For Burns and Insect Bites**

Use damp salt to kill the pain of burns, bee stings, insect bites, rash and bites. Moisten the affected part immediately after a burn or sting and cover with a thick paste of salt. This will remove the pain and soreness.

**For Gardeners**

A little salt added to the water in which they are kept will make cut flowers keep longer. Strong brine thrown around quince trees will cause them to grow and bear in a remarkable way. Salt strewn over asparagus beds, generously, will kill weeds and serve as fertilizer.

Obnoxious weeds may be killed by covering the stalks with salt. Salt sprinkled over the ground will keep down weeds. Snails and earthworms can be killed by sprinkling salt on the sidewalks and damp corners where they thrive.

**How to Clean Silver at Once**

Fill a big enameled ware kettle with water, adding to each quart 1 teaspoon salt and 1 of baking soda. Keep water boiling, placing in kettle a piece of new aluminum ware such as a pie tin or lid. Place silver in water so each piece touches the aluminum or another piece of silver in contact with it. Soak 5 minutes, remove silver to hot suds, wash off tarnish and dry.

# Wall Paper

The new designs in wall paper now on display. Thousands of rolls at 4c and up.

## Why You Should Buy Your Wall Paper at Our Store

Buying wall paper from small samples is like selecting a suit of tailor-made clothes from a small swatch of cloth—the finished effect may be different from what you expected.

The most satisfactory way to buy wall paper is to see it in the roll or put two rolls together and lay over the border. Then you see it exactly as it will look on your wall.

When you come to our store you can see the paper in the roll. Then, too, we help you figure the proper amount needed—if you run short we are close at hand to supply the missing paper; if you have some paper left over you can return the full rolls and get your money back.

We invite you to make our store your headquarters when you are down town. You'll find this a friendly place to shop. We're always glad to show you anything and you'll not be urged to buy.

*First at the get-away*  
*First on the straight-away*

No car in the Victory price class can match the all around brilliance of Victory performance.

The Victory is first at the get-away and first on the straight-away—faster on the hills, faster in traffic—smoother on rough roads.

And accelerates as no other car at the price has EVER done: 5 to 25 miles in 7 1/4 seconds! 10 to 45 miles in 13 1/2 seconds!

The public discovered all this even as the stop watch proved it.

More power per pound of car weight made it possible. Rugged Dodge construction made it practical. And the Victory's unusual design made it SAFE.

For the Victory gravity center is lower and there is no body overhang. . . . The chassis frame is the full width of the body—and the body sills are eliminated.

Exceptional charm of line and more headroom and seat width are further vital results of this unique construction.

Drive the car today and make your own comparisons!

## THE THEATRE

### "SPORTING GOODS"

After two comedy-dramas and four consecutive melodramas, Richard Dix returns to the field of pure farce in his newest starring picture, "Sporting Goods," which will be on the screen at the Pennington Allen theatre Sunday and Monday, April 8 and 9.

With Malcolm St. Clair as director, Dix plays the role of a happy-go-lucky golf "soft" salesman, who is mistaken for a young multi-millionaire and is forced to make good to win the girl he loves.

Two of Dix's most successful pictures—"Womanhanded" and "Let's Get Married"—have been farces. His last four pictures have been melodramas, however, and preceding them he made two comedy-dramas. Now he returns to the farcical theme of mistaken identity for his new picture.

In "Sporting Goods," Dix is surrounded by a cast of supporting players which include several well-known comedy stars. Gertrude Olmstead, former Metro-Goldwyn-Mayer ingenue who is now freelancing, has the leading feminine role. Ford Sterling, veteran Paramount comedian, is the merchant whom Dix tries to argue into the big golf suit order, and Philip Strange, English actor, who has played in several Paramount pictures, is the "heavy." Other players are Myrtle Stedman, Maude Turner Gordon, Charles King, Wade Boteler, Harry Donkison and Ned Sparks.

The two last-named players, Strange and Dix, compose a quartet of players who provide one of the most hilarious sequences in the picture—the crooked poker game episode. In this sequence, the "heavy" and his two companions, without collusion, all cheat while Dix is temporarily absent, and the table with the result that each gives him a deuce in exchange for a card desired from his hand, and he wins with four deuces.

Another high spot is the golf course episode, in which Dix plays with Sterling to demonstrate his golf suit sample. The scene was made on the course of the El Caballero Country Club, one of the sportiest and most beautiful courses in California.

The picture opens on the Mojave Desert near Victorville, Calif., where Dix, traveling cross-country in a battered roadster meets the other characters of the picture. Other scenes are hilarious farce laid in Dix's hotel suite.

### "THE PATENT LEATHER KID"

One of the sweetest love stories ever told, with the World War as a background and with dramatic interest, suspense, tragedy and flashes of clever comedy. This, in a nutshell, describes the great epic of the tank corps, "The Patent Leather Kid," which comes to the Pennington Allen theatre, Tuesday, Wednesday and Thursday, April 10, 11 and 12, following its sensational Broadway hit.

"The Patent Leather Kid" is the first big super-production that First National has sponsored in several years. It was chosen because of the dramatic value of Rupert Hughes' great story, and was carefully cast, with Richard Barthelmess starring and Molly O'Day, a real screen find, playing opposite him.

"The Patent Leather Kid" is an Alfred Santell production and the greatest his successful director has ever produced. It was made under the production management of Al Roeker, who, with his brother Ray, produced "Abraham Lincoln," and who has a number of First National winners to his credit.

"The Patent Leather Kid" is the story of an East Side boxer who fell in love with a cabaret dancer, who was forced into the war against his wishes, but who emerged a hero. As The Kid, Barthelmess does the finest work of his career, and the role again stamps him as one of the finest actors on the screen.

Molly O'Day, a petite and charming Irish lassie, played her first dramatic role in "The Patent Leather Kid," and as the result of her characterization of "The Golden Dancer," is now hailed as a screen sensation.

The war scenes in the picture are sensational. It is the first big picture that deals with the tank corps of the American army. Many tanks and thousands of troops were used in these sequences.

"The Patent Leather Kid" has all the elements necessary for a great screen story and is one of the truly big pictures of the decade. To miss it is to miss the season's greatest picture.

### "THE LEOPARD LADY"

Alan Hale, who won screen prominence as a heavy, and later became one of the leading motion picture directors, definitely has returned to the ranks of the "bad men." Since desisting his directorial post he has played a comedy heavy in "Vanity" and a straight comedy role in "The Wreck of the Hesperus."

Admirers of Mr. Hale will be glad to learn that he plays the leering, wholly unsympathetic role of a Cossack rider in "The Leopard Lady," a great DeMille Studio production directed by Rupert Julian, which will be on view at the Pennington Allen theatre Friday only, April 13th. The characterization is said to be akin to the portrayal which won Hale universal acclaim in "The Covered Wagon."

"The Leopard Lady," a story of Continental life, is a screen version of Edward Childs Currier's successful stage play. It features Jacqueline Logan, Alan Hale and Robert Armstrong.

The plot of "The Leopard Lady" deals with the solution of several mysterious murders following in the wake of a circus in Austria. Miss Logan, as the heroine, solves the mystery in a novel manner. This supporting cast includes among others Hedwig Reicher, James Bradbury, Sr., Sylvia Ashton, Dick Alexander and William Burt.

### "LADIES' NIGHT IN A TURKISH BATH"

Continuous laughter greets the First National picture, "Ladies' Night in a Turkish Bath," co-featuring Dorothy Mackall and Jack Mulhall, which comes to the Pennington Allen theatre Saturday, April 14.

This comedy, produced by Asher, Small and Rogers, who also filmed "McFadden's Flats" and "Gorilla," was directed by Edward Cline from the famous stage success of the same name by Charlton Andrews and Avery Hopwood.

The Turkish bath incident wherein Jack Mulhall and a friend appear in a Turkish bath on a ladies' night while escaping pursuing policemen is beyond

the shadow of a doubt as funny a situation as has ever been presented in a motion picture. The audience simply sits back and roars.

Miss Mackall and Mulhall, who started the fashion of tenning up in motion pictures, give remarkable performances and are ably supported by an excellent cast headed by Jimmy Specially engaged for this production, Finlayson, well-known comedy star, Reed Howes, Fred Kelsey, Sylvia Ashton, Ethel Wales, "Big Boy" Williams, Frank Clark, all favorites, do exceptional work.

"Ladies' Night in a Turkish Bath" is a sure cure for the blues and should not be missed. It is one of the best pictures of the last five years.

It is estimated that during May and June about 60,000,000 girls will be told they are the "only girl in the world."

## IN MEMORIAM

In loving memory of our beloved son and brother, Harry Staman, who passed away three years ago, April 5, 1925. Like ivy on the weathered oak. When all things else decay Our love for you will still keep green And never fade away. Earth has lost its look of gladness. Heaven seems to us more bright. Since the spirit of our dear son Took his homeward happy flight. And we long to cross that river. Long to rest upon that shore. There to see and love him With the Saviour evermore. Sadly missed by his parents, sister and brother.

### Dog Quarantine In Wayne County

The fact has been established that dogs affected with an infectious and communicable disease known as "rabies" have recently been at large in Northville, Wayne and Belleville, Wayne County, Michigan, and are known to have bitten animals and may have come in contact with dogs as yet unknown.

Notice is hereby given that all dogs owned or kept in Wayne County, State of Michigan, unless properly vaccinated against rabies within one year by a qualified veterinarian and tagged for identification, shall be securely chained or otherwise properly confined on the premises of their owner or keeper, or if allowed to run at large shall be securely muzzled to prevent the aforesaid dogs from biting any other animals, or persons. All owners or keepers of dogs are hereby prohibited from removing any dog whatsoever from said county during the period of this quarantine, unless the dog is properly vaccinated against rabies by a qualified veterinarian within one year of, and at least sixty days prior to, date of removal.

The attention of all owners or keepers of dogs in the above named territory is hereby called to the following sections of the Michigan State laws relating to the Bureau of Animal Industry which provide for violations of this quarantine order and read as follows:

Section 6. "Said commissioner shall also have power to declare and enforce a quarantine on dogs in any district of this State in which there is an outbreak of rabies, hog cholera, foot and mouth disease, or any other contagious or infectious disease among the live stock and may order that all dogs in said district shall be securely chained or otherwise confined. Any dog found at large in contravention of the terms of such a quarantine or order may be killed. It shall be the duty of the sheriff of each county in the district affected and of his deputies, constables and other municipal police officers to see to it that such quarantine and orders are enforced. Any officer killing a dog pursuant to the provisions of this act, shall not be subject to any liability therefor."

Section 23. "Any person violating, disregarding or evading any of the provisions of this act, or any of the rules, regulations, orders or directions of the Commissioner of Animal Industry (Commissioner of Agriculture) made pursuant hereto, shall be deemed to be guilty of a misdemeanor and by conviction thereof shall be punished by a fine of not less than ten dollars nor more than five hundred dollars, or shall be imprisoned in the county jail for not more than six months, or both such fine and imprisonment in the discretion of the court. The doing of any act herein declared to be unlawful, or herein forbidden, shall be deemed to constitute a violation hereof."

This quarantine order shall be in full force and effect from and during the period between February 10th, 1928, and May 30th, 1928.

Dated February 10th, 1928.  
HERBERT E. POWELL,  
Commissioner of Agriculture.  
B. J. KILLHAM,  
State Veterinarian.

### Dodge Introduces New Standard Six

FOUR BODY DESIGNS CREATED  
IN NEW LINES; FOURS ARE  
DISCONTINUED.

After over two years of intensive development work, Dodge Brothers, Inc. have officially announced the Standard Six line of passenger cars, priced from \$875 to \$970 and superior in speed and acceleration to any cars selling at \$1000 or less. In these new cars, it is claimed, exceptional riding comfort, economical performance and ability to travel at sustained high speeds have been combined with the sturdiness and dependability for which Dodge Brothers motor cars have always been so well known.

The new cars are displayed in the salesroom of Earl S. Mastick, local Dodge Brothers dealer, at South Main street and Ann Arbor road. The factory is now building the Standard Six in four body types, the coupe, sedan, deluxe sedan and cabriolet, finished in a number of different attractive color combinations. Production of the new sixes is now 1,000 per day and Dodge Brothers schedules call for total output of all types exceeding 1650 per day, the largest production schedule in Dodge Brothers history.

The sweeping graceful lines of the Standard Six gives the impression of cars selling at much higher prices. Although the overall height is low, adequate head-room is provided. High seat backs and wide cushions, both tilted at the correct angle, insure the comfort of the passengers.

The equipment includes speedometer, ammeter, and oil pressure gauge crimped under a single glass, adjustable hooded instrument lamp, carburetor mixture control and ignition switch with theft lock. The throttle and spark control levers are on top of the steering wheel, while the light control switch is on the steering column within easy reach. The cowl ventilator control lever is within easy reach and the ventilator closes against a felt pad. The full vision one-piece swinging windshield is easily adjustable to any position for ventilation and may be opened wide. An automatic wiper is provided.

With the introduction of the Standard Six, Dodge Brothers, Inc. announces the discontinuance of the four cylinder passenger cars, which were priced at approximately the same

level at which the Standard Six is now offered.

The three distinct lines of Sixes now being made by Dodge Brothers include the Standard Six, the Victory Six and the Senior, at a price range from \$875 to \$1,770, and embracing all the popular body types and an unusually extensive selection of color combinations.

Mr. Allenbaugh's class has chosen the following officers for the next quarter: President, Jack Stevens; secretary, Donald Cline; treasurer, Harold Jacobs. In an attendance contest Stanley Passage was elected as captain of the Wolverines, and Donald Fonger as captain of the Fords. The losing side is to furnish a weener roast to the winning one at Quator's Park.  
The Young People's Sunday-School class held their monthly meeting in the basement of the church in a form

of an April Fool party, on the evening of April 2nd. The meeting was held after a very fine lunch. New officers were elected for the next six months.

## METHODIST NOTES

"Blessed is he that cometh in the name of the Lord; Hosanna in the highest."  
Easter Sunday.

A sunrise service will be held Easter Sunday morning at 6:30 o'clock according to the beautiful custom of this church. To come to the House of God in the quiet morning hour, to sing the glad resurrection hymns and to meditate upon our Lord's victory will insure a rich spiritual blessing.

At 10:00 o'clock there will be special music by the mixed quartet and an Easter sermon by the pastor. At 7:30 o'clock the Sunday school is putting on a beautiful pageant, under the direction of Mrs. O. B. Borch.

All who do not worship at some other church are cordially invited to come and enjoy all the services of the day with us.

The regular mid-week service, 7:45 until 8:00 o'clock. In this busy life it is a good thing to spend an hour apart in prayer and praise. Come, it will do you good.

The Missionary society will meet Wednesday at the home of Mrs. Jessie West, of West Ann Arbor street. A co-operative luncheon will be served at 12:30, followed by the business meeting and program. All the women are invited to come.

Mrs. Hillman's circle is very busy with arrangements for the musical comedy they are putting on this month.

## CATHOLIC NOTES

A Happy Easter to me and all. Sunday is Easter Sunday, or in the language of the church, the feast of the Resurrection of Our Lord from the grave. Mass will be offered up at 8:00 a. m. and 10:00 a. m. The children will sing Easter hymns at the 8:00 o'clock mass, while the choir will sing Laetitia's Mass in honor of St. Theresa, for the first time, with Miss M. E. Lehman at the organ. Walter Kilnski and John Schomberger will render solos.

The choir is to be complimented upon their wonderful progress and faithful attendance at rehearsals. Success only comes to those that try and work hard; hence such noble results have been given to the parish, and from this our services have been made interesting and worthwhile.

A happy Easter is hereby extended to each of the members, from the parish and its pastor.

The children, too, are to be congratulated for their noble efforts in assisting in the Holy Week services. They very agreeably surprised the pastor in the rendition of the choir part of the services.

Now that Lent is over, the social functions of the parish will again begin, with various forms of entertainment.  
The side altars are now completed and placed in the church, making it a very desirable asset to the church.

It was gratifying to see the number of business places closed on Good Friday, between the hours of 12:00 and 3:00. This speaks well for the community and the Chamber of Commerce is to be congratulated for this movement.  
The base ball teams will soon be in shape and ready to hear the old familiar sound, "Play Ball!"

We are sorry to learn that Mrs. W. G. Brown of Rosedale Gardens, is on the sick list. Mrs. Hy Lehman is still confined to her room, but seems a little improved.

Mrs. and Mrs. J. Romus are receiving felicitations on the birth of a baby girl, Catherine Mary.  
Easter Bibles will be gladly accepted for the altar; bring them by Saturday noon.

Let all the parishioners receive Holy Communion next Easter Sunday Morn, and receive the special blessings from the risen Lord. This is the day that the Lord hath made, let us rejoice, says the scripture.

A happy Easter to all, are the best wishes from the pastor.

## PRESBYTERIAN NOTES

Easter Sunday will be observed with appropriate services. Flowers, music and sermon will all serve to impress the Easter message of victory and of hope.

The Men's Class is to have another of their well-known dinner meetings on Monday evening next. A fine program is being arranged, and a good time is assured. The dinner will be served at 6:30 p. m., by Mrs. Shaw's class, and the charge will be 75c per plate.

Wednesday, April 11th, the Women's Auxiliary will meet. This will be the first meeting since the election of the new executives. Let all the women manifest by their attendance, their interest in the work of this organization.

The Busy Women's class will meet on Thursday of next week, at the home of Mrs. F. L. Becker, Ball street, Palmer Acres. There will be a pot-luck dinner at noon, followed by business and social meeting.
