

## SPECIAL ELECTION WEDNESDAY, APRIL 18

### BOND ISSUE OF \$40,000 IS VILLAGE SHARE OF PAVING PROGRAM

#### Paving of Adams, Harvey, Ann, Blunk and Arthur Streets and on Kellogg and South Sides of Kellogg Park is Dependent on Bond Issue.

A special election has been called for Wednesday, April 18th, that is of the utmost importance to every citizen in Plymouth. The village commission, acting upon the request of petitions which have been presented to that body, has called this special election to submit to the qualified electors a proposition for borrowing the sum of \$40,000 and issue bonds therefor, for the purpose of paying for the paving of street intersections and for one-third of the cost of constructing storm sewers in connection therewith, for the proposed paving of certain streets named in the petitions, signed by the abutting property owners, asking that the paving improvements be made and for which they pay the full cost, with the exception of street intersections and a third of the cost of the necessary storm sewers as above mentioned, which must be paid for by the taxpayers at large, which makes necessary the bond issue. The streets upon which the proposed paving is asked are as follows:

Arthur street from the north line of Penniman avenue to the south line of Blanche street; Blunk avenue from the north line of Church street to the south line of Farmer street; Ann street from the north line of Williams street to the south line of Junction avenue; Harvey street from the north line of Penniman avenue to the south line of Farmer street; Adams street from the north line of Church street to the south line of Farmer street; Penniman avenue from the east line of Main street to the intersection of Ann Arbor street; Ann Arbor street from the east line of Main street to the crosswalk at the intersection of Penniman avenue.

Due to the fact that the village has to bear one-half of the expense of paving on the north and south sides of Kellogg Park, which is public property, and must be paid for by the village at large, the bond issue is necessarily larger than it would be were this private owned property.

One thousand dollars of this bond issue is also required for paving in front of property owned by the school district on Adams street, which being public property, is not assessable for this purpose.

From the sentiments expressed by many of our citizens, there are not a great many who would not like to see the pavement on both sides of the park. If this improvement is made, it will make a vast difference in the appearance of this part of the business section of Plymouth, and one that will enhance to no small degree, the beauty of Kellogg Park, to say nothing of the cost of upkeep on these streets, upon which there is a great deal of traffic, in their present condition.

It would seem that if there was ever an argument in favor of paved streets in Plymouth, it has been the past winter and right now. Adams, Arthur, Blunk and Harvey streets, the streets which it is proposed to pave, have been in a horrible condition the past winter, which, of course, was largely due to the putting in of sewers on these streets last summer and fall. But these streets will have to be graveled and put in condition, if not paved, which means a considerable expense, and then after they are in good condition again, they must be kept that way, and that is a continued expense. The cheapest way in the long run, is the paved way. It is a permanent and economical improvement.

Take a look at the streets in Plymouth that are paved. Would the people who live on them want them taken away for twice their cost? We should say not. It will be the same on other streets when they are paved.

The recent change made in the village charter, which now makes it possible to extend the time of paying for paving improvements over a period of ten years, is not going to make the cost of the proposed paving program a great burden upon property owners. Another thing to be taken into consideration is the enhanced valuation of property upon a paved street.

It is up to the people whether Plymouth starts a program of paving improvements that will place our village in line with other communities of this size, who have made rapid progress in this respect during the past several

years. These improvements are bound to come sooner or later, and we may as well make the start now, and do some every year until every street upon which there is any amount of traffic is paved. Let's get out of the mud.

Remember the election! next Wednesday, April 18th. The polls of the election will be open from 8:00 o'clock in the forenoon, until 7:00 o'clock in the afternoon, eastern standard time.

The board of registration will be in session at the village hall, Saturday, April 14th, from nine o'clock in the forenoon, until eight o'clock in the evening, for the purpose of registering the qualified voters of the village.

Be sure you vote Wednesday, April 18th.

### Death Of A Former Resident

Mrs. Elizabeth Fisher Martin was born February 21, 1843, at Plymouth, Michigan, and in 1886 she was married to William Martin, the couple living on a farm north of Wayne for many years. Recently she had been residing at the home of her niece, Mrs. Jerry Parre.

She was the oldest member of St. John's Lutheran church of Wayne and at the golden anniversary of that church some time ago she was the guest of honor. Surviving are two sisters, Mrs. Rebecca Curtis, of Wayne, and Mrs. Carey Deckinger, of Edwardsville, Ill.; a brother, Christian Fisher, of Dearborn, and a sister, Mrs. Jerry Parre, of Wayne.

Funeral services were held from St. John's Lutheran church on Thursday afternoon at 2:30 and interment was made at Glenwood cemetery, Rev. Peters officiating.—Wayne Dispatch.

### Ypsilanti Players Will Appear Here

WILL PRESENT ENTERTAINMENT AT PENNIMAN ALLEN THEATRE, WEDNESDAY EVENING, APRIL 18TH.

Following a very general request of many people in Plymouth, the Ypsilanti Players, one of the most interesting dramatic organizations in the country, will make their only appearance outside Ypsilanti at the Penniman Allen theatre the night of Wednesday, April 18th.

The Players are completing their thirteenth season under the direction of Daniel L. Quirk, Jr., as director, and the character of their work has steadily improved until they are recognized as one of the unique organizations of their kind in the entire country. They bring to Plymouth a program made up largely of comedies and featured by two scenes from Shakespeare presented in modern dress. These are "The Merry Wives of Windsor" and "The Taming of the Shrew." "Post Mortem" is a clever description of how a bridge game should have been played, while "Billy" is an extremely interesting commentary on how the boy problem may be handled. "Dancer," the fifth sketch, is unusual in that no one of the three characters appear before the audience. The scene is laid in a coal mine.

### Plymouth Boy Receives Honor

MAYNARD J. LARKINS WILL ATTEND ORCHESTRA CAMP THIS SUMMER.

Maynard J. Larkins, one of our high school students, has been chosen and has passed the requirements to enter the National High School Orchestra camp. Maynard is the first violinist in the high school orchestra and solo cornetist in the high school band.

The National High School orchestra, consisting of three hundred of the foremost juvenile musicians of America, will gather for a profitable outing at a camp situated 12 miles south of Traverse City, in Michigan's beautiful lake region. The camp site, consisting of three hundred and fifty acres, will be divided into two sections, one for the girls on Green Lake and one for the boys on Duck Lake, about a mile distant. On this property is a natural depression, which will be converted into an amphitheatre capable of seating more than 20,000. In this bowl concerts, operas and recitals will be presented. On Sunday there will be

MAYNARD J. LARKINS

two concerts given, one in the afternoon by the band and one in the evening by the orchestra, to which the general public is invited.

This project, a dream of Joseph A. Manly, who is supervisor of music in the public schools of Ann Arbor, and is a member of the faculty of the University School of Music of that city, was heartily endorsed by the board of the National Federation of Music Clubs held in New York city.

The project is under the auspices of and direction of the National High School Orchestra association. Mr. Harry Baehner, dean of the school, in the University School of Music and chairman of the public school of music in the National Federa-

### Plymouth Has New Village Manager

A. J. KOENIG, FORMERLY ASSISTANT MANAGER AT PONTIAC, TAKES POSITION HERE.

NEW MANAGER HAS HAD SPECIAL TRAINING AND PRACTICAL EXPERIENCE.

At a special meeting of the village commission held last Thursday afternoon, A. J. Koenig of Pontiac, was hired as village manager to take the place made vacant by the resignation of William Welner.

Mr. Koenig comes to Plymouth highly recommended, and the commissioners feel that they were fortunate in securing his services as village manager. He was graduated from the Saginaw High school in 1909. From 1909 to 1912, he was a teacher in the rural schools of Saginaw county. In 1914, he was graduated from the Central Michigan Teachers' College at Mt. Pleasant. From 1914 to 1923, he served as superintendent of schools in several Michigan towns.

In 1925, Mr. Koenig was graduated from the University of Michigan, with a Master of Arts degree in municipal administration. After his graduation from the University, he took the position of assistant manager at Pontiac, where he has since been. In his work at Pontiac, he has come in contact with every phase of municipal work, and this practical experience together with a splendid training, especially fits him for the managership in Plymouth.

Mr. Koenig is a very courteous, pleasant gentleman to meet. His family consists of his wife and two young sons. He will move his family to Plymouth very shortly.

### New Postmaster For Plymouth

Among the Michigan postmasters who were nominated by President Coolidge, Tuesday, was Burton E. Giles of Plymouth, to succeed the present incumbent, M. G. Hill.

tion of Music Clubs, has been chosen as an advisor of the girls' division. Mr. Pennington, an experienced camp director, will have charge of the boys' division.

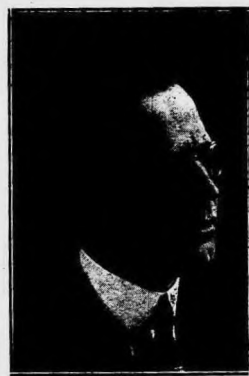

Maynard will leave on June 24th for camp, to be gone eight weeks. During this time he will be under the instruction of Ossip Gabrilowitsch, Detroit Symphony orchestra; Frederick Spick, Chicago Symphony orchestra, and Edwin Franko Goldman, of Goldman's band.

### Will Be Candidate For Re-election

REPRESENTATIVE J. L. JOHNSON WILL AGAIN BE CANDIDATE FOR LEGISLATURE.

Representative J. L. Johnson of this village, will be a candidate to succeed himself in the state legislature from the fifth district, of which Plymouth is a part. Mr. Johnson has served the district for two terms with great credit, and at the present writing it looks as if he would have no opposition for the office.

During the time Mr. Johnson has served in the legislature, he has been very active in every matter that pertained to the welfare of his district, and has been honored with assignments to important committees. At

REPRESENTATIVE J. L. JOHNSON

the present time he is a member of the Ways and Means committee, one of the most important in the House of Representatives.

Mr. Johnson's many Plymouth friends will be pleased to know that he is to be a candidate for re-election again, and he will have their solid support. In all parts of the district, there is a feeling that Mr. Johnson's splendid service to his district entitles him to another term, and his candidacy is receiving hearty support.

### Dearborn Minstrels

On the evening of April 27th, the Dearborn Minstrels, from Christ Episcopal church, Dearborn, will bring their entertainment to the Penniman Allen theatre, for their second annual appearance here. As last year, this show is sponsored locally by the Men's Club at St. John's church. Full details will appear in later issues of the Mail.

### LOCAL TALENT WILL GIVE MUSICAL COMEDY, "ALL ABOARD"

Over One Hundred Plymouth People Will Appear in This Popular Musical Comedy.

Will Take Place at High School Auditorium Thursday and Friday Evenings, April 19-20.

That the musical comedy, "All Aboard," is going to be one of the best laughing hits a home talent crowd ever presented, is assured if one can judge from the laughter caused by the first few rehearsals of the play. Everyone attending rehearsals is kept in a constant uproar by the ludicrous lines and clever situations involved. And as for the musical score, the general comment is that it is the prettiest and most catchy music ever heard.

Harold Hubert has been cast to play the principal role of Billy Brady, and by the way he is taking his part, his conception of it is perfect. Miss Virginia Giles will be seen as Dorothy Brady, the breezy little college girl who will sing and dance herself into popularity. Miss Ruth Forsythe is taking the part of Beatrice Shome, Billy's sweetheart.

MISS FORTYTHREE is expected to sing heavily with her solo, "Bashful Bee." Johnny Grady, Billy's pal, is being taken very equably by Elmore Carney. Orlan Williams as Alexander C. Plome, the black face, and Miss Mena Bolton as Jeany, the Swedish stewardess, help the fun along considerably. Others taking principal parts are Mrs. Ada Murray, who will be seen as Mrs. Shome, mother of Beatrice, and Forest Hubert as Captain Kidd. Lisle Alexander and Jack Taylor are working in a comedy duo of "Tarmy Kell" and "Bull Works."

The action for "All Aboard," takes place on the good ship S. S. Florida, which is bound for Pleasure Bay. Things sail along smoothly until poor Billy loses his set of false teeth, and from then on many stormy scenes follow. The fun he kicks up over those molars is fast and furious, and things do not clear up until the very last minute.

Some of the important passengers to be on board this ship, and who will entertain on the deck of the S. S. Florida are: Elmore Whipple, Austin Whipple, Harold Jolliffe, Forest Hubert, Mrs. William Baker, Miss Ruth Shattuck, Mrs. Carl Shear, Mrs. Maxwell Moon, Mrs. Elda Stevens, Ida Mae Bennett, Miss Hadley.

The John B. Rogers Production Company is presenting this musical comedy at the Plymouth High School auditorium, April 19 and 20, under the auspices of the M. E. Ladies' Aid. Miss Lynch, the director from the producing company, has been in Plymouth holding rehearsals since April 5.

Mrs. F. W. Hillman, chairman of the local committee, has worked very hard and should be complimented on her splendid results of getting the one hundred people, who are in the show, out to rehearsals, and the financial end of the play to the developed point where it now stands. She has been ably assisted by her committee, Miss Mabel Spicer, Mrs. Fannie Doerr, Mrs. Borek, Mrs. Marie Whitney, Mrs. Clyde Arnold, Mrs. E. B. Kenyon and Mrs. Ioxie Smith, as well as other members of the M. E. Ladies' Aid. Miss Gladys Schrader, Miss Margaret Wood and Miss Carlin Penney are being very faithful, playing for the rehearsals.

Those who will take part in the choruses are:

**CABIN BOYS**  
Marion Jolliffe, Vera Woods, Vaughn Campbell.

**SAILOR GIRLS**  
Janet Bickenstaff, Thelma Smith, Dorothy Hubert, Kathryn Hill, Mary McKimmon, Irene Livingston, Maurine Dunn, Lestle Rowland.

**SAILOR BOYS**  
Clare Willett, Gale Kenyon, Louis Straub, Elton Knapp.

**YACHTING GIRLS**  
Hazel Rayner, Rachel Steele, Marian Hadley, Imo Campbell.

**SEA NYMPHS**  
Eleanor Kline, Helen Clark, Delores Warner, Delores Hackett, Jean Hadley, Ruth Kirkpatrick, Betty Mastick, Bernice Meeker, Eleanor Bliss, Bernice Lawson.

**BASHFUL BUMBLEBEES**  
Betty Griffith, Inez Curtis, Betty Housley, Doris Bridge, Barbara Hubbard, Delight Taylor, Jean Jolliffe, Eileen Drayton.

**WATER WITCHES**  
Jean Hamill, Leona Mast, Margaret Helntz, Charlotte Jolliffe, Patsy

SWITCHMEN'S UNION WILL GIVE DANCE.

The first annual ball given by Lodge No. 27, Switchmen's Union of North America, will be given at the I. O. O. F. temple, Plymouth, Friday evening, April 20th. Prizes will be given to the best dancers of the waltz and fox trot. Schaffer's orchestra will furnish the music for the occasion. Dancing from 8:30 until 12:00 o'clock. Admission \$1.00 per couple, extra lady free. A cordial invitation is extended to the public to attend the party.

MRS. NORMAN WILSON PASSES AWAY.

Mrs. Norman Wilson passed away at her home on Penniman avenue, Thursday morning, after a long illness. Funeral services will be held Sunday afternoon at 2:00 o'clock, from the Schrader Bros. Funeral Home. Rev. Walter Nichol officiating. A more extended notice will be given next week.

Edward Barber died Thursday morning at the home of Mr. Wilkinson, in Canton township. At the time of our going to press, funeral arrangements had not been completed.

### THE ANNUAL BATTLE

Fairly force their goods upon him, or get them into his hands before he knows what is going on. It has been held that the recipient of such merchandise can legally use it without payment, or throw it into the ash can; but when he does he may be sure of getting a series of threatening letters. It is the fear of such letters that prompts him to either buy or return the goods. Uncle Sam has plenty of evidence and copies of the letters; and he is fixing to set his foot down hard on this kind of merchandising. He proposes to stop this thing of sending goods through his mails that have not been ordered, even though the shippers are expected to look up with a still newer scheme by the time he has done so.

### THE FIVE-DAY WEEK

Two days of rest in every week for every workman in America is not far away, if we are to believe such men as Henry Ford and John J. Raskob, the latter a high official in General Motors. They foresee the day when machinery and the inventive genius of man will have so reduced the element of time that enough can be done in five days to supply the world with all its needs. And they are confident, according to interviews they are now giving, that the five-day week will become general in the next few years. They say it will apply to workers in every line of industry, though they have a doubt that the rural resident will share in it so widely, since there will always be livestock to look after, insect pests to battle and sunny skies to be taken advantage of as nature sends them. They may be right; we don't pretend to say, but whatever comes we have an idea that it won't add to some people's happiness any, for we know quite a few who are not content with loafing seven days in a week.

### Better Home Plans Almost Completed

With only two weeks before the Better Homes Campaign week, April 22-28, the plans for the Wayne county campaign are almost completed. Although the house, which is located in the Maplecroft subdivision and is being built by the contracting firm of Crumley & Wood, is not yet finished in every detail, there is no question but that it will be complete both inside and out and ready for its occupants of a week. The plants and shrubs for the outside will be planted April 16-17, and the furniture will be moved into the house on the 18th.

This is the tentative program for the Better Homes week: On Sunday it is expected that the campaign will be presented from the pulpits of the various churches of the county. Monday afternoon there will be a program of music and a speech on "Child Health" by Dr. Carr of the Michigan State Department of Health, and in the evening there will be a program broadcast from radio station WKAR at Lansing, Michigan. Tuesday the program consists of talks on architecture, home financing and a motion picture entitled "The Mission of the Pines." Wednesday there will be explanations of home lighting and of the evening there is a special program featuring the trio of the Grinnell Bros. Music House accompanied by Duo-Art reproducing piano. Thursday there will be talks on gardens and birds, also a program of child recreation. Friday is Achievement day for the home furnishing and home management groups of the county, and in the evening Mr. Hastings of the State Conservation department will show his wild life pictures. On Saturday there will be more about planning and planting the home garden. Watch this paper for a more detailed copy of the program.

### STARKWEATHER P. T. A.

The regular monthly meeting of the Starkweather School Parent-Teacher association will be held next Wednesday evening, April 18th. A very interesting program for the fathers is planned. Mr. Leonard, superintendent of Farmington schools, will talk on "When Dad Visits Schools." Since this is a program for fathers, we especially invite the fathers and all others who are interested in school. There will be special music and the usual business meeting.

### PLAN FURNISHINGS FOR "BETTER HOME."

The women of the House Furnishing and Home Management classes from all parts of Wayne county are busy with plans for furnishing the "better home" in Plymouth that will be open to the public the week of April 22nd to 28th. Details of color, arrangement, essentials in labor-saving equipment and comforts for a family of five are all being taken into account. Have everything in your own home suit you? If not, how have you overcome obstacles? Everyone has problems. Come and see what these women have accomplished during Better Home week. Merchants of Plymouth have been splendid in co-operating and helping to make this house what everybody expects it to be.

### COMMISSIONER'S NOTICE

No. 138270  
In the matter of the estate of Amnon B. Water, deceased.  
We, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the Plymouth Trust Savings Bank, Plymouth, in said County, on Saturday, the 26th day of May, A. D. 1928, and on Thursday, the 26th day of July, A. D. 1928, at 2 o'clock P. M. of each of said days, for the purpose of examining and allowing said claims; and that four months from the 26th day of March, A. D. 1928, were allowed by said Court for creditors to present their claims to us for examination and allowance.  
Dated, March 26, 1928.

### BRIGGS SCHOOL NOTES

By Evelyn Rutenbar. See Treas.

Our Citizens Junior Club had a birthday party for March and April on the sixth of April in honor of Billy Garrett, Joe Bayer, Rose Steingasser, Ray Kline, Wilbur Lane, Amy Dism and Everett Sawlow. We gave them each a little present in remembrance of Briggs school. We had two birthday cakes and Easter eggs with our lunch.

Our school spelling champion is Evelyn Rutenbar of the seventh grade. Mrs. Watson and Evelyn Rutenbar went to the News Building, Saturday, and got the dictionaries.

Edward Whitney, a guest of Elmer Hanneman, visited school Friday. Frank, Rose and Katherine Steingasser and Billy Garrett are absent this week, on account of illness.

### SOUTH SALEM

Mrs. Don Bouton has been very ill the past week. Her mother, Mrs. Mack, has been caring for her.

The Jarvis P. T. A. will meet this Saturday evening, with Mr. and Mrs. Cooper.

Miss Sarah Kuhl gave her pupils a very pleasant surprise last Monday morning, when she gave each one an Easter egg with his name on it. She also had a jar of jonquills out of her own garden, and a pot of hyacinths.

Miss Alta Fisher and Mrs. Glenn Bonwick were callers at the Jarvis and Frattis Lake schools last week.

Mr. and Mrs. Otto Bohling went after their son, Louis, and his Easter dinner with Mr. and Mrs. Houton at Redford.

Louis Bohling spent from Friday until Sunday with his cousin, Edward Kirehoff.

Mr. and Mrs. Schmid of Redford, and Mr. and Mrs. Hanson of Detroit, spent Easter with their cousins, Mr. and Mrs. John Hanson.

Mr. and Mrs. Clyde Smith and daughters, Mr. and Mrs. Floyd Nelson of Plymouth, spent Easter afternoon and evening with Mr. and Mrs. Ed. Smith.

### CHERRY HILL

Miss Florence Shuart, of Ypsilanti, spent Easter with her parents, Mr. and Mrs. Bert Shuart.

Miss Alice LeVan has been spending a few days with Harriet Corwin.

Mr. and Mrs. Loyd Bordine and family were Sunday guests of Mr. and Mrs. Allen Bordine, of Detroit.

Glen Deveson is spending some time with Mr. and Mrs. A. C. Dunstan.

Mrs. Robinson and son, from Maine, are spending some time with her sister, Mrs. Jennie Hank.

Mrs. Wesley Elliott and Arlie were guests of relatives in Detroit Easter.

Mrs. Elam Moyer, Mrs. August Schultz, Mrs. Bert Shuart and Miss Maud Dennis attended the Home Furnishing class at Mrs. George Everett's last Tuesday afternoon.

Mr. and Mrs. George Gill attended the funeral of Mrs. Charles Truesdell of Wayne last Wednesday.

Mr. and Mrs. Henry Deamer, of Fordson, were Sunday guests of Mr. and Mrs. Ed. Gotts.

Miss Callie LeVan spent the past two weeks at Mr. and Mrs. William West's.

Mrs. A. C. Dunstan and Glen Deveson spent last Wednesday with Mr. and Mrs. Thomas, of Highland Park.

Mr. and Mrs. Otha Daly and family, of Detroit, were Sunday guests of James Burroll and family.

The Ladies' Aid society served supper at West's hall last Wednesday evening for the B. Y. club of Ypsilanti.

The Easter exercises at the church Sunday morning were well attended. The school was closed last week, as the teacher, Mrs. Reno, was ill.

The P. T. A. was held at the school house Monday evening. After the program ice cream and cake were served.

The Ladies' Aid society met with Mrs. Walter Wilkie Thursday afternoon.

Mrs. Alice Gardner, of Detroit, spent a few days with Mrs. A. E. Cole. She has returned to the home of James Burroll for an indefinite time.

### Night Coughs

Quickly Relieved

Stopped in 15 Minutes With Thoxine

Most coughing is caused by an irritated, inflamed throat or bronchial tubes which cough syrups and patent medicines do not touch. But a famous physician's prescription recently discovered called Thoxine goes direct to the cause, relieves the inflamed membranes and stops the cough almost instantly. One swallow does the work and the remarkable thing about it is that it contains no dope, chloroform or other harmful drugs. Pleasant tasting. Safe for children. Once used the whole family will rely on it. 35c, 60c and \$1.00. Sold by Dodge Drug Co. and all good drug stores.

[SEAL] R. A. Fisher, Notary Public, Wayne County, Michigan.

(My commission expires April 12, 1930.)

## Michigan's First Lighted Highway

Michigan's first lighted airway from Detroit to Cleveland is under construction and should be ready for operation within a month or six weeks, according to word received by the Michigan Public Utility Information Bureau at Ann Arbor. It is the initial section of a system of beacon-marked aerial pathways that will within a few years, it is expected, connect all the leading cities of the lower part of the state with each other and with the remainder of the country.

The lighted airway runs from Toledo to Detroit by way of Monroe. Installation of the beacons is under the direction of the Airways Division of the Bureau of Lighthouses, U. S. Department of Commerce. When put into service they will be maintained by the Bureau of Lighthouses, with current furnished to three of them by the Detroit Edison Company, to one by the Toledo Edison, and to one by the Ford company.

The airway will conform to the standard set by the Department of Commerce which calls for lighted intermediate landing fields at 30-mile intervals and beacon lights at 10-mile intervals between these fields. The intermediate landing field is being established one mile west of Monroe. It will have a beacon and about 30 green lights to mark the limits of the field. Lights probably will be placed, also, on obstructions near the field. One beacon light will be on the Newport road, one-half mile from Telegraph road, one on the Ford water tank at Rockwood, and one near Eureka and Telegraph roads. The Detroit end of the airway will be the Ford Airport at Dearborn.

The beacons and field, it is announced by the Airways Division of the Bureau of Lighthouses, will be kept lighted from dusk to dawn every night of the year "to the end that night flying may be accomplished with maximum safety to pilots and passengers." The airway is established under the Air Commerce Act for encouraging and fostering commercial aviation. This act provides among other things, for the construction and maintenance by the Department of Commerce of a system of airways which, when completed, will link together all the principle cities of the United States in a network of aerial routes.

Various cities of Michigan are looking forward to the time when the lighted airways will be extended to them. Consumers Power company has been asked to consider the matter of beacon and landing lights for airports at Jackson, Saginaw, and Muskegon. Preparations along this line will be greatly encouraged by the actual establishment of Michigan's first lighted airway.

Dumb: "Don't the football players ever have their suits washed?"

Dora: "Sure; what do you think the scrub team is made for?"

In our minds we know the value of money... In our hearts we sense the worth of flowers!

### PROBATE NOTICE

No. 125693

STATE OF MICHIGAN, County of Wayne, ss.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-eighth day of March in the year one thousand nine hundred and twenty-eight.

Present, George M. Read, Judge of Probate. In the matter of the estate of Daniel Bentley, deceased.

Russell A. Wingard, administrator of said estate having rendered to this Court his final account.

It is ordered, That the first day of May, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account.

And it is further Ordered, That a copy of this order be published three successive weeks previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

GEORGE M. READ, Judge of Probate.

(A true copy) Theodore J. Brown, Deputy Probate Register.

# FROM OLD KENTUCKY

'Way down in old Kentucky,  
Much famed in tale and song,  
They mine a coal called Blue Bird,  
Which helps that fame along.

Clean handlin'—easy lightin',  
It warms you through and through.  
Least ash, or slack or clinkers—  
Say, man—you'll like it, too!

Next time you buy—get Blue Bird;  
No further need you to roam.  
All winter long you'll sing this song:  
"Blue Bird Makes Home Sweet Home."

AND WITH THIS WE INTRODUCE TO YOU  
**BLUE BIRD KENTUCKY COAL**

Our other grades of coal, Velvet Pocahontas, in egg and stove sizes; Solvay Coke and D. L. & W. Hard Coal, are just as good.

Let us figure with you on that repair job of remodeling the home, building a new home, re-roofing or anything that you use lumber on.

# Wall Paper

The new designs in wall paper now on display. Thousands of rolls at 4c and up.

## Why You Should Buy Your Wall Paper at Our Store

Buying wall paper from small samples is like selecting a suit of tailor-made clothes from a small swatch of cloth—the finished effect may be different from what you expected.

The most satisfactory way to buy wall paper is to see it in the roll or put two rolls together and lay over the border. Then you see it exactly as it will look on your wall.

When you come to our store you can see the paper in the roll. Then, too, we help you figure the proper amount needed—if you run short we are close at hand to supply the missing paper; if you have some paper left over you can return the full rolls and get your money back.

We invite you to make our store your headquarters when you are down town. You'll find this a friendly place to shop. We're always glad to show you anything and you'll not be urged to buy.

### NORTH VILLAGE HOME FURNISHING CLASS.

The North Village Home Furnishing class met April 11th at the home of Mrs. George Holstein. The projects taken up under the leadership of Mrs. West and Mrs. Murray were "Window Treatment" and "Flowers and Pictures in the Home." All the other lessons have formed a foundation for this final one. It would be very difficult to tell which subject in the course was found to be the most interesting, as all were enjoyed so much. We regret that more did not avail themselves of this splendid opportunity. The lesson which completed the course was especially interesting and of great importance.

In the study of window treatment we learned that plain shades are much better than those which have fringes and lace on them or those made with the lower edge in the shape of scallops. We have also learned to know what materials are suitable for glass curtains when overdrapes are used and when they are not used. Ruffled curtains are used to best advantage in colonial houses or simply furnished rooms, such as bedrooms and breakfast rooms. We are glad to know what materials are suitable for overdrapes and when to use them. Design and color are important factors in both glass curtains and draperies. We now know how to find the correct depth for a valance, which is better to have across the entire curtain space rather than between the side drapes. There are many points to be considered in the hanging of curtains. The color and finish of the woodwork has much to do with the length of the drapes. The proportions of a room may be apparently changed by the window treatment used.

Our study of pictures in the home covered the selection, framing and hanging of pictures. There are cases when light colored pictures need mats.

Did you ever stop to think that there should be a feeling of balance, rhythm and good proportion in the arrangement of flowers? They may have three decorative elements—line, form and color. Flowers are most attractive if grouped with something else in the room so that they become an essential part of the decoration rather than an isolated spot. It is considered poor taste to paint or gild seed pods.

At the close of this pleasant afternoon refreshments were served by our hostesses, Mrs. James Gallimore and Mrs. George Holstein.

You who did not enter a class this year be sure to do so next fall if another home furnishing class is offered in order that you may get all of the details. You will then realize how very interesting and helpful these lessons are. We who took up the study this winter found the work in preparing the lessons well worth the time and effort.

### WATERFORD

Local Achievement day for the Base Line, Kenyon, DeKay and Waterford schools was held at the Waterford school Tuesday. The boys and girls exhibited the articles made in the Handicraft and Sewing clubs. From Waterford school Louise Steinhel placed first in the quality of sewing and Raymond Denton in handicraft work. The girls were given a chance to wear their dresses. Louise Steinhel also placed first in this. Health champions were also picked. Cora and Cassie Rowland for the girls and Raymond Denton for the boys. The champions will compete at Dearborn May 12th. Try and be there. Much credit is due Miss Corbett and Mr. Carr for their untiring efforts. All the boys and girls are to be congratulated for their fine work.

Mrs. Charles Waterman attended the meeting at school Tuesday morning.

Mrs. Comstock also deserves much credit for her effort in being the local club leader of both clubs. She has spent much time in helping her children in this work.

Vaccination will soon be given the school children. This is a prevention against any epidemic of smallpox. Protect your children and cooperate with the health department.

Arthur Marguerite, Lenora and Dorothea Finney took part in the Easter Sunday program at the Friends church in Willis, Mich.

Mr. and Mrs. Jacob Warren and Mr. and Mrs. Claude Finney motored to Warren, Mich., Saturday on a business trip.

Mr. and Mrs. Jacob Warren were Easter Sunday guests of Mr. and Mrs. Milt Walker, of Northville.

Mr. and Mrs. John Schmidt, of Royal Oak, were Easter Sunday guests of Mr. and Mrs. Glen King.

The Friends Genesis class met last week at the home of Mr. Wilcoxson at Willis. This week's lesson is postponed until next week.

Mrs. Ralph Gotts and children, of Ypsilanti, were Saturday visitors at Mrs. Arthur Gotts.

Mr. and Mrs. Edward Watson and nephew, Harold Loring, and the Misses Edith and Marjorie Peck spent Easter with their parents near Ortonville.

The Waterford Community club met with Mr. and Mrs. Fred Jackson in Plymouth last week Thursday evening. A pot-luck dinner was served, after which Pedro furnished the entertainment of the evening. Mrs. Ada Watson and Harold Merithew won first prizes; Fraser Smith and Mrs. Glen King were consoling.

Charles Steinhel, Jr., has been on the sick list for several days.

Mr. and Mrs. Percy H. Gray, of Detroit, were Easter Sunday guests of Mr. and Mrs. W. H. McKerraghan. Mrs. Lawrence Comstock spent Easter Sunday in Detroit.

The Waterford Community club will meet Friday evening, April 20, with Harold Merithew in Northville.

Corporal Sandhurst was one day drilling a batch of raw recruits.

"Why is it," he said to a bright-looking chap, "that the blade of your sabre is curved instead of straight?"

"The blade is curved," the recruit answered, "in order to give more force to the blow."

"Nonsense," said the corporal.

"The blade is curved so as to fit the scabbard, you idiot!"

"While I do not positively assert that Jones is a dishonest man," said Jones' acquaintance, "I strongly recommend people who shake hands with him to count their fingers carefully when he leaves go."

# USED CARS

"with an OK that counts"

Because we are delivering more new Chevrolets than at any other time in our history, we are offering a number of exceptional values in reconditioned used cars.

Our used cars carry an official O. K. tag which is reproduced on this page. Attached to a used car by a Chevrolet dealer it signifies that every vital part of the car has been inspected, properly reconditioned and where worn, replaced by a new part. This plan enables anyone to select a used car with absolute confidence as to its satisfactory operation, and that the price is absolutely fair and right.

### Reasons why you should buy your used car from a Chevrolet dealer

- 1—Chevrolet dealers have been selected by the Chevrolet Motor Company on the basis of their financial responsibility and dependability.
- 2—Chevrolet dealers offer used cars on a plan originated and endorsed by the Chevrolet Motor Company.
- 3—Chevrolet dealers have the necessary tools and equipment to properly recondition used cars.
- 4—Chevrolet dealers desire the good will of used car buyers the more so they may enjoy their own car buyers.

## A few of our exceptional Used Car values "with an OK that counts"

<b>CHEVROLET SEDAN, 1927</b> Late model. Extras. Good tires. Duce finish. Practically a new car at used car price and guaranteed. A. D. MILES ANN ARBOR Phone 7912 Evenings 6658

SOME OBJECTIONS TO CHANGING NAME OF ANN ARBOR STREET.

At the last regular meeting of the village commission a resolution was passed to change the name of Ann Arbor street east and west to University Way East and University Way West. Since this action was taken by the commission, some opposition has arisen by people who reside on that thoroughfare, and a petition has been circulated in opposition to the change and will be presented to the commission at its meeting, Monday, April 16. The reason for the change of name was occasioned by the fact that great confusion has resulted over the re-naming of Golden road by the county road commission to Ann Arbor road west, and what was called the Ann Arbor road to Plymouth road. It would seem that something should be done to relieve the confusion in names either by the county or the village.

ACHIEVEMENT DAY.

The Home Furnishing classes in the extension work conducted by the state college will hold their Achievement day on April 27th, Friday. There will be an interesting program at the auditorium of the Starkweather school following a dinner served at noon by the Baptist Ladies' Aid in the church basement, at which members of the Home Furnishing groups all over the county will be present.

After the program the groups will go in a body to inspect the model house in Maplecroft subdivision.

The leaders of the groups in the county, assisted by some of the group members, are choosing the furnishings for this model house, putting to practical use the things learned in the course of six lessons they have studied this year.

Furnishings are being loaned by the various merchants in Plymouth and the ladies are choosing the best available in color and design.

"MOTHER MAUREE" AT FOX WASHINGTON THEATRE, DETROIT.

Following "Sunrise" which has created a new record for Detroit by running at the Fox Washington Theatre for nine weeks, "Mother Mauree," another of the long run of super productions turned out by William Fox, and which opened its engagement on Saturday "Mother Mauree" is based on the original story by Rida Johnson Young, and has been hailed as one of the finest achievements of the screen.

It is an epic story of Irish mother-love and sacrifice, but is rather universal in its scope as it is of mothers everywhere.

The role of "Mother Mauree" is played by Belle Bennett, who, those who have seen the picture say, excels her splendid work in "Stella Dallas." Victor McLaglen, the Captain Flagg of "What Price Glory," as the Kilkeney Giant. They are supported by the following players: Philippe DeLacy, Ted McNamara, Eulalie Jensen, Constance Howard, Neil Hamilton and Ethel Clayton.

The entire production has been scored on "Movietone" by the Roxy Symphony Orchestra, and in this production had some rather unusual angles. The supporting program presents Raquel Meller, the Spanish artist, and Beatrice Lillie, star of "She's My Baby."

In addition, there is an entirely new issue on the "Fox Movietone News."

### NEWBURG

There was a large crowd on Easter Sunday. The church was beautifully decorated with plants and flowers which were brought by Mr. and Mrs. Jesse Jewell. The music by the choir was especially good, as was the Easter sermon by the pastor. The following children and ladies were baptized: Donald, Neil, Mary Ellen and Philip Allen Leonard, Evelyn and Kenneth McMillan, Ruth Marie Chilson and Edna Hartling.

The L. A. S. held their regular meeting and dinner at the hall, last week Wednesday.

Miss Ardith Voeglin of Detroit, has been the guest of Mrs. Melvin Guthrie the past week.

Mr. and Mrs. Melvin Guthrie ate Easter dinner with Mr. and Mrs. Clyde Smith.

The Hot Lunch Club of the school entertained twenty-six guests last Thursday evening, at a six o'clock banquet. Miss Mildred Gilbert was toastmistress of the evening, and a most interesting program was enjoyed by those present.

Mr. and Mrs. Robert Chappel of Plymouth, were recent callers at the home of Mr. and Mrs. C. E. Ryder, Warren Stevens, brother of Edgar Stevens of Newburg, was in an automobile accident a week ago, and is still in a critical condition in a Detroit hospital.

Mrs. Cook and family moved into the new house last Wednesday.

Marian Taylor spent last week with Ruth Roehane at Homer, Mich.

Charlotte Leonard visited at Orion, last week.

Mr. and Mrs. Jesse Thomas called on the latter's father at Waterford, last Sunday.

Mrs. T. J. Levandowski visited at Bay City, last week.

Miss Bernice West of Cherry Hill, was a weekend guest at the Jesse Thomas home.

On April 28 and 27, a play will be given at the Newburg hall, by Newburg talent. The name of it is, "Mrs. Tobias of Shanty Town."

Lawrence Holmes is home, recovering from an auto accident he was in last week.

The P. T. A. held their regular meeting at the school house, Tuesday evening. The election of officers resulted as follows: President, Fred Heurt; vice-president, Mrs. Olson; secretary, Hazel Roddeman; treasurer, Mrs. Harmon Gates.

Mr. and Mrs. C. E. Ryder called on Mr. and Mrs. Frank Ryder, Friday afternoon, at Salem.

Rev. and Mrs. F. I. Walker called on Mr. and Mrs. Ryder, Monday morning.

Mr. and Mrs. Ed Bolton spent Tuesday evening with Mr. and Mrs. Henry Grimm, Jr.

Mr. and Mrs. John Campbell have gone to keeping house on the Stroh place.

### LOCAL NEWS

Special election, Wednesday, April 18th.

Mrs. Harry Wiseman visited relatives in Detroit last Saturday.

Mrs. Albert Rutenbar was taken to Harper hospital, Tuesday, to undergo an operation.

Mrs. Arthur Warren of Calumet, Mich., is the guest of her cousin, Mrs. Charles O. Ball.

Miss Genevieve Bird, who is a student at the University of Michigan, is home for the spring vacation.

George Schryor, who has been ill at his home for the past week, was taken to Ann Arbor hospital, Monday evening.

Mr. and Mrs. Julius Wills of Grand Lodge, have been guests of Mr. and Mrs. W. T. Pettigill a few days this week.

Mr. and Mrs. Vito Simonetti and children are spending two weeks in St. Louis, Mo., with the former's brother and family.

Mrs. Charles O. Ball and son, Charles, Jr., and nephew, Kingston Ellis, of Detroit, spent part of last week with friends in Jackson, Coloma and Benton Harbor.

Mr. and Mrs. Oliver Goldsmith attended the drama, "She Stoops to Conquer," by Oliver Goldsmith, at the New Detroit Opera House, last Saturday. Goldsmith wrote this drama in the 18th century. Mr. and Mrs. Goldsmith especially enjoyed the role of Mrs. Hardcastle, played by Mrs. Leslie Carter.

On Monday, April 9th, at the Grange hall, the Ex-Servicemen's club and the Ladies' Auxiliary held their regular monthly meeting. A pot-luck supper was served and immensely enjoyed by all. Their jovial mood was shown after supper by the number of old-time community songs that were sung. Singing was followed by business sessions, at which final plans were discussed for conducting the dancing party given by the ladies on Wednesday evening, April 11th. One new member was added to the roll, M. Alguire.

### NORTHVILLE R. A. M. WILL OBSERVE SIXTIETH ANNIVERSARY.

Northville chapter Royal Arch Masons have completed arrangements for the sixtieth anniversary banquet to take place in the High school building in that village. Roswell Tanager, of Plymouth, is high priest of the chapter. Musical numbers will be furnished by the Hudson male quartet and the Plymouth High school orchestra and other organizations. Grand Lecturer Ladd, of Marshall, will give an illustrated lecture on the "Holy Land."

### SPECIAL ELECTION NOTICE

At a meeting of the Village Commission held at the village hall on Monday evening, March 26, 1928.

The following resolutions and resolutions were offered by Commissioner Shear, who moved their adoption, supported by Commissioners Nutting.

RESOLVED, by the Commission of the Village of Plymouth, State of Michigan, that WHEREAS, this Commission hereby declares it to be expedient and a public necessity and a necessary public improvement, that Arthur St. from the north line of Penman Ave. to the south line of Blanche St.; Blunk Ave. from the north line of Church St. to the south line of Farmer St.; Ann St. from the north line of Williams St. to the south line of Junction Ave.; Harvey St. from the north line of Penman Ave. to the south line of Farmer St.; Adams St. from the north line of Church St. to the south line of Penman Ave.; from the east line of Main St. to the intersection of Ann Arbor St.; Ann Arbor St. from the east line of Main St. to the crosswalk at the intersection of Penman Ave., be paved and the necessary storm sewers for the drainage of same be constructed.

AND WHEREAS, this Commission has determined to pay out of the funds of the Village the cost of paying all the expenses and for the Village share of the paving slabbing on all parks and public property, and one-third the cost of constructing necessary storm sewers.

AND WHEREAS, from the estimates made it has been determined that the cost of that portion of said improvement to be paid by the Village of Plymouth, will be in excess of the sum of forty thousand dollars.

AND WHEREAS, it is necessary for the Village of Plymouth to borrow the said sum of forty thousand (\$40,000) dollars for the purpose of paying its part of the expenses of said public improvement and to issue its bonds therefor.

NOW, THEREFORE, BE IT RESOLVED, that a special election of the qualified voters of the Village of Plymouth be, and the same is hereby called for the eighteenth day of April, 1928, for the purpose of submitting to said voters the proposition of borrowing the sum of forty thousand (\$40,000) dollars for the purpose aforesaid, and issuing the bonds of said Village therefor for the purpose of paying the part of the expenses of said paving and said storm sewers to be paid by said Village at large.

BE IT FURTHER RESOLVED, that said election shall be held at the village place in the said Village of Plymouth town, at the Village Hall in said Village on April 18, 1928, and that the polls shall be open from eight o'clock in the forenoon until seven o'clock in the afternoon, eastern standard time, of said day.

BE IT FURTHER RESOLVED, that the form of ballot shall be as follows:

"Shall the Village of Plymouth borrow the sum of forty thousand (\$40,000) dollars and issue its bonds therefor for the purpose of paying for that part of the expense of paving Arthur St. from the north line of Penman Ave. to the south line of Blanche St.; Blunk Ave. from the north line of Church St. to the south line of Farmer St.; Ann St. from the north line of Williams St. to the south line of Junction Ave.; Harvey St. from the north line of Penman Ave. to the south line of Farmer St.; Adams St. from the north line of Church St. to the south line of Penman Ave.; from the east line of Main St. to the intersection of Ann Arbor St.; Ann Arbor St. from the east line of Main St. to the crosswalk at the intersection of Penman Ave., which is the cost of paving the intersections thereof and for one-third of the cost of constructing the storm sewers in connection therewith?"

YES ( )

"Shall the Village of Plymouth borrow the sum of forty thousand (\$40,000) dollars and issue its bonds therefor for the purpose of paying for that part of the expense of paving Arthur St. from the north line of Penman Ave. to the south line of Blanche St.; Blunk Ave. from the north line of Church St. to the south line of Farmer St.; Ann St. from the north line of Williams St. to the south line of Junction Ave.; Harvey St. from the north line of Penman Ave. to the south line of Farmer St.; Adams St. from the north line of Church St. to the south line of Penman Ave.; from the east line of Main St. to the intersection of Ann Arbor St.; Ann Arbor St. from the east line of Main St. to the crosswalk at the intersection of Penman Ave., which is the cost of paving the intersections thereof and for one-third of the cost of constructing the storm sewers in connection therewith?"

NO ( )

BE IT FURTHER RESOLVED, that any elector desiring to authorize the Commission to borrow the said sum and issue said bonds therefor, shall place a cross (X) within the bracket following the word "Yes" on said ballot, and any elector desiring to vote against the borrowing of said sum and the issuing of said bonds therefor, shall place a cross (X) within the bracket following the word "No" on said ballot.

BE IT FURTHER RESOLVED, that the Clerk of the said Village of Plymouth be, and he is hereby authorized and directed to give notice of such special election to the qualified voters of said Village of Plymouth, called for Wednesday, April 18, 1928, by causing copies of these resolutions to be posted at the polling place for said election and in ten other of the most public places in said Village, at least fifteen (15) full days before the day set for said election and by causing a copy of said notice to be published in the Plymouth Mail newspaper printed and published in the said Village of Plymouth, at least twice, the first publication to be at least fifteen (15) full days prior to the date of such election.

BE IT FURTHER RESOLVED, that the Board of Registration of the Village of Plymouth shall meet at the Village Hall in said Village on Saturday, April 7, and on Saturday, April 14, 1928, from nine o'clock in the forenoon until eight o'clock in the afternoon of said days, eastern standard time, for the purpose of completing the registration of voters of said Village qualified to vote at said special election of April 18, 1928.

BE IT FURTHER RESOLVED, that the Village Clerk be, and he is hereby authorized and directed to give notice of the meeting of said Board of Registration, together with and at the same time, and in the same manner that he gives notice of said special election of April 18, 1928, which notice of meeting of said Board of Registration shall be substantially as follows:

NOTICE OF REGISTRATION FOR SPECIAL VILLAGE ELECTION OF THE VILLAGE OF PLYMOUTH OF APRIL 18, 1928, FOR VOTING FOR THE BORROWING OF FORTY THOUSAND (\$40,000) DOLLARS AND ISSUING ITS BONDS THEREFOR FOR THE PURPOSE OF PAYING FOR THAT PART OF THE EXPENSE OF PAVING ARTHUR ST. Dear Friends:

A man brought his wife into the store here the other day—or maybe she brought him in. Anyway, they came in to select a birthday present for her.

He wanted to buy her a wrist watch but she wanted a pearl necklace. So they compromised and she got the necklace.

I noticed that the boss stayed out of the argument. He shows good judgment sometimes.

TICK.

P. S.—If any of you Plymouth ladies can manage to get your husbands into the store here you'll find that they just can't resist some of these beautiful birthday gifts that Mr. Draper has in stock.

See our line of Ladies' and Gentlemen's Wrist Watches

## MICHIGAN BELL TELEPHONE CO.

Long Distance Rates Are Surprisingly Low

For Instance:

for \$1.25

or less, between 4:30 a. m. and 7:00 p. m.

You can call the following points and talk for THREE MINUTES for the rates shown. Rates to other points are proportionately low.

From Plymouth to:

Rate	Day Station-Station
\$1.10	ALPENA, MICH.
1.05	CADILLAC, MICH.
1.05	COLUMBUS, OHIO
.95	ORE PA
.95	HOLLAND, MICH.
.85	GRAND HAVEN, MICH.
1.10	MICHIGAN CITY, IND.
1.00	MUSKOGON, MICH.
1.00	WYOMING, WYO.
1.20	TRAVERSE CITY, MICH.
1.05	YOUNG TOWN, OHIO
1.15	LOGANSPORT, IND.
1.10	LAKEVILLE, OHIO
1.10	J. J. S. P. MICH.
1.25	WISCONSIN, W. VA.

The rates quoted above are Station-to-Station Day rates, effective from 4:30 a. m. to 7:00 p. m.

Evening Station-to-Station rates are effective from 7:00 p. m. to 8:30 p. m., and Night Station-to-Station rates, 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one that is made to a certain telephone number rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same as all hours.

Additional rate information can be secured by calling the Long Distance operator

## Local News

Dr. and Mrs. J. H. Kimble have returned from their winter home in Miami, Florida.

Miss Helen Carruthers spent last week-end in East Lansing the guest of Miss Grace Banks, at Chi Omega House.

The many friends of Justice Phoebe Patterson, who has been ill for several weeks, will be pleased to learn that she is now convalescent.

The Plymouth Fire Department will give their annual dancing party at the Masonic temple, Friday evening, May 4th. Music will be furnished by the WWJ String Pickers. Tickets, \$1.00; extra lady, 25c.

Roy Streng, contractor and builder, has the contract to build a new house for Herbert Livrance. Mr. Streng is also building a new house for Perry Richwine at the corner of Farmer street and Blunk avenue.

The Ready Service class of the Presbyterian Sunday-school will have their usual monthly meeting at the home of Miss Bertha Warner, Ann street, Tuesday, April 17. Pot-luck dinner at noon, followed by business meeting and sewing.

Misses Vivian Woodward and Eudora Birch gave a miscellaneous show-er for Mrs. Howard Houghton, at the home of Miss Woodward, 287 Arthur street, Monday evening. Mrs. Houghton was formerly Miss Naomi Gelpin of this place. The guest of honor received many pretty and useful gifts.

About twenty local Kiwanians and their wives attended a dinner-dance in the crystal room of the Book-Cadillac hotel, last Tuesday evening, at which Henry J. Helz, International President of the organization, was the honored guest. The affair was the opening wedge in the Metropolitan District Kiwanis committee's campaign to secure the 1929 International convention for Detroit.

Mr. and Mrs. Ivan Cash were guests of relatives at Pennington, Ind., last week-end.

Mr. and Mrs. A. J. Baiser and family visited with relatives near Deckerville last week-end.

Mr. and Mrs. Terry Miller, of Jackson, were Sunday guests of their aunt, Mrs. Viola Merrylees.

Mrs. G. S. Vincent, of Coldwater, is a guest at the home of her daughter, Mrs. Sidney D. Strong, and family.

Mr. and Mrs. C. V. Chambers spent last Sunday with their daughter and husband, Mr. and Mrs. Emory Holmes, in Detroit.

Claude Bennett, who has been visiting relatives here since his return from Florida last week, left Sunday for Seattle, Wash.

Mrs. Oliver Martin, who has been visiting relatives in Tippecanoe City, Ohio, for the past two weeks, returned home last Saturday.

Mrs. Lawrence Johnson and Mrs. Frank Burrows entertained Thursday, at a bridge luncheon at the former's home on Penniman avenue.

Mrs. Irene Parrott, who has been visiting at the home of her son, R. R. Parrott, and wife, returned to her home in Centerville, Ind., Tuesday.

Mrs. F. W. Hamill went to Chicago Monday, to attend the funeral of her brother, James Davidson, who died at his home in Detroit, last Saturday.

The Sarah Ann Cochran Chapter, D. A. B., will hold their regular meeting, Monday, April 16th, at 2:30 o'clock p. m., at the home of Mrs. H. S. Doerr.

Mr. and Mrs. Charles Livrance and Mr. and Mrs. Herbert Livrance have returned home from Florida, where they have been spending the past few months.

Mrs. Merle Rorabacher and little daughter, Velda, and Byron Becker spent last week-end and over Sunday with Mr. and Mrs. Ford Becker at Pittsford.

Mr. and Mrs. Dustin Thomas and little daughter, and Charles Butterfield of Detroit, were Sunday guests of Mr. and Mrs. George Miller of East Plymouth.

Mr. and Mrs. Don Voorhies and children, Don, Jr., and Mary Louise, of Detroit, spent Easter with Mrs. Voorhies' mother, Mrs. Eli Nowland, at her home on Harvey street.

Last Thursday's meeting of the Plymouth Bridge club, which was to have been held at the home of Miss Mary Conner, was postponed because of the illness of Miss Almida Wheeler.

Mr. and Mrs. Louis Frederick entertained the following guests Easter Sunday: Mr. and Mrs. J. T. Duplessis and sons, of Tilbury, Ont.; Mr. and Mrs. William Dupuis, of Detroit; and Mr. and Mrs. J. T. Frederick and children, of Redford.

Mrs. Cooley of Bozeman, Montana, called on a few Plymouth friends last Sunday. Mrs. Cooley, who will be remembered as Miss Elsie Paddy, was en route to New York city, where she and Mr. Cooley were to sail for a year in Europe and Africa.

Last Friday evening's copy of the Detroit News contained a picture of Dorothy June Whipple, of Detroit, in the act of receiving one of the spelling championship dictionaries. Dorothy June is the daughter of Arthur Whipple, a former Plymouth resident.

The Mail has received an announcement of the opening of an office at 911-912 Harvey building, West Palm Beach, Florida, by C. W. Fisher & Co., accountants, auditors and tax consultants. Mr. Fisher is a former resident of Plymouth, and his many friends here will wish him success in his new undertaking.

The Police Chiefs' association of Wayne county, will meet here on Thursday, May 3rd, for their regular monthly meeting. There will be about sixty-five chiefs from nearby communities and they will be tendered a banquet at Hotel Mayflower at 12:00 o'clock noon by the Chamber of Commerce and the Village of Plymouth.

A group of Louis Sherman's friends surprised him at his home on north Harvey street last Thursday evening, the occasion being his birthday. Progressive pedro and music furnished the entertainment of the evening, and dainty refreshments were served at a late hour. All had a delightful time, and wished Louis many happy returns of the day.

Dr. and Mrs. Freeman B. Hoyer spent the Easter week-end visiting relatives in Ohio.

Mrs. S. J. Showers, who has been spending the winter at Grand Rapids, has returned home.

William Last and daughter, Mrs. Clifford Smith, attended the funeral of a relative at Dewitt, Michigan, Tuesday.

A number of Plymouth people attended the dance given by the Purline club in Northville Tuesday evening.

Mr. and Mrs. Lloyd Fillmore and son, Wellman, were Sunday guests of Mr. and Mrs. C. C. Fillmore, at Petersburg.

Mr. and Mrs. F. C. Muxlow of North Main street, have moved to their daughter's, Mrs. John Garner's, at Dryden.

Mr. and Mrs. Lawrence Froeland and daughter, Shirley, of Niles, are guests of their parents, Mr. and Mrs. O. W. Showers.

Mrs. H. S. Lee entertained a number of ladies at a second bridge luncheon at her home on University Way West, Wednesday of this week.

## Livonia Community Church Moves to New Location

Dr. Helen R. Phelps, who has been pastor of the Livonia Center Community Church for the past three years, has planned, with her congregation, to branch out in a much larger field of work, and has accordingly moved from the Five Mile and Farmington Roads location to the Five Mile and Telegraph Roads.

The brick church was the scene of a beautiful Easter service, with large crowds attending both morning and evening services. A superior program of music, both instrumental and vocal, was furnished from the Detroit Conservatory of Music, aided by local talent.

Mrs. L. Smith, the superintendent of the Sunday-school, was greeted with a splendid attendance. Special exercises had been arranged, appropriate to the day.

Morning and evening services and Sunday-school and prayer services will be maintained. The pastor and people are rejoicing in a very hopeful outlook in a larger field of usefulness. The church has just re-decorated and re-furnished the building.

### CHELSEA KIWANISS ENTERTAIN LOCAL CLUB.

The Chelsea Kiwanis club presented the program at the regular luncheon meeting of the local club last Tuesday. The principal speaker was the Rev. Dr. Potts, pastor of the Chelsea Congregational church. Dr. Potts proved to be an entertaining speaker and held the interest of his auditors with his ready wit and logic.

The Plymouth club will return the compliment by putting on a program at Chelsea on April 30th.

### Local Notes

Colon Hench, who has been visiting Mr. and Mrs. Archie Collins, has returned to his home in Benton Harbor.

Mr. and Mrs. George Holstein and Davis Hillmer spent Easter at the home of Mr. and Mrs. Homer Hubbard at Wayne.

E. V. Jolliffe leaves today, Friday, for Oklahoma City, where he will be connected with the Chrysler organization. His family will follow later.

Born at the home of Mr. and Mrs. Martin Rice Simmons, on East Ann Arbor Trail, Nowburg, a son, Donald Martin, Wednesday morning, April 11.

Born at the residence of Mr. and Mrs. Dan O'Leary, corner of Harvey and Carroll streets, on Tuesday morning, April 10th, a daughter, Lettie Louise.

Mr. and Mrs. Charles Thumme and son, Kenneth, and Mr. and Mrs. Carl Pinnow, Jr., were weekend guests of relatives at Saginaw, Bay City and Selenawing.

Mr. and Mrs. Harry Simmons are moving from Lockwood, Ohio, to Pittsburgh, Pa. Mr. Simmons is the son of Mr. and Mrs. E. J. Simmons of this place.

Mr. and Mrs. Wyman Bartlett entertained their neighborhood five hundred club at their home Tuesday evening. Mrs. Parker and Miss Stella Werve were awarded first honors.

Mr. and Mrs. Robert Chappel introduced their new daughter to several relatives and friends Saturday evening. Five hundred was indulged in, and the bride was showered with tea towels.

Mrs. Louise Stewart and granddaughter, Phyllis Stewart, returned home Wednesday, from a ten days' visit at the home of the former's sister and husband, Mr. and Mrs. W. S. Roberts, at Lansing.

Mr. and Mrs. Guy Fisher and family and Mr. and Mrs. Blake Fisher and daughter, Dorothy, were called to Brown City, Mich., Thursday, by the serious illness and death of their father, Albert E. Fisher.

Mrs. E. A. Kimmell entertained eighteen guests at a dinner at the Hotel Mayflower, Easter Sunday. The out of town guests were H. B. Bennett and family and Miss Edsall of Walkerville, Ont., and R. R. Ellenwood of Chicago.

J. K. Shontz, formerly of Dundee, Mich., has been appointed local branch manager for the Holland Furnace Co. His residence and office is at the corner of Ann Arbor road west, formerly Golden road, and Main street. See his ad in today's Mail.

The Ladies' Auxiliary of the Ex-Service Men's Club will hold their next silver tea party at the home of Mrs. H. Terry at Redford, Thursday, April 19. We hope everyone can go. If you have no way of transportation, call 222W, and we will provide one.

E. C. Hough and C. H. Bennett leave Sunday for Biloxi, Miss., where they will attend a joint meeting of the American Hardware Manufacturers' association and the Southern Hardware Jobbers' Association, held next week at the Elgewater Hotel at that place.

A number of Rotarians went to Dearborn Wednesday afternoon, where they were the guests of the Dearborn Rotary Club at the Ford airport. The members report a most interesting trip. Some of the boys had the pleasure of riding in one of the large Ford passenger planes.

Ed. Gayde and Oliver Goldsmith attended the Republican county convention at Detroit, Wednesday. Mr. Goldsmith was named as delegate to the state convention April 25th, to be held at Detroit. Messrs. Gayde and Goldsmith also were named as delegates to the congressional convention to be held at Adrian on the 18th.

**Unusual Service Wins Recognition**

Three employees of Michigan Bell Telephone Company awarded the Theodore N. Vail medal for outstanding and noteworthy acts of public service during 1927.  
 Reading from left to right they are: Hugh C. Boyle, Traverse City lineman, resuscitated man overcome by gas; Mrs. Doris Hurfall, operating agent at Clarkston, awarded her second Vail medal for preventing serious damage by fire in that village; Phillip Colasanti, now plant chief at Sault Ste. Marie, credited with saving the life of a 16-year-old Bessemer boy.

**Start Road Work Earlier**

Wayne County Road Commissioners Begin Almost A Month Ahead Of Time.

The mild weather of last March having driven the frost out of the ground, the Wayne County Road Commission will be able to start the 1928 road construction program about a month earlier than usual. Among the 1928 road construction projects planned are the widening of Plymouth road on the north side of the road, from Grand River to Telegraph road, providing a 40-foot wide pavement. The widening of the road was begun last year by the State Highway Department, and a new 10-foot strip on the south side of the road was constructed.

On the completion of this section, an addition 10 feet wide will be built on the south side of the Plymouth road as far west as the Ann Arbor-Plymouth fork, approximately seven miles. The widening of this road will improve the heavy traffic conditions which have heretofore existed, as this route is used very extensively by motorists traveling out of Detroit for Ann Arbor and points west.

The widening of the Wayne road south from Wayne, to Romulus. This road will be widened to a width of 40 feet.

Operations will start April 16th, completing the unpaid section of Six-Mile road from Grand River to Telegraph road, which gives a complete pavement 36 feet wide, as far west as Telegraph road, and from that point to Middle Bell road, three miles of 20-foot pavement.

**Business Had Start In Prehistoric Trade**

Local Bank In Folder Tells Of Early Methods Of Barter.

Telling the story of the very beginning of money and trade back in prehistoric days, a new folder, "Up From Savagery," has just been issued by the Plymouth United Savings Bank. This is the second number in the bank's series dealing with the history of Money and Civilization and the fascinating story of the development of these two forces along parallel lines gets in full swing in this number.

With a striking picture in colors, representing the first contact between savage tribes for the purpose of bartering goods, the folder brings home vividly the fact that trade has been a great civilizing force in the world. A number of finely executed pen-and-ink sketches depicting trading methods in early days illustrate the inside pages.

That money in itself is a tool that makes trade easy is emphasized in this folder, text of which is based upon a searching scrutiny of history.

Far greater than the money profits that trade has brought are the spread of new ideas, the creation of new needs, the opening of new markets by which each nation has been able to dispose of its own surplus products in exchange for goods that it cannot produce itself, but which added materially to its own happiness and comfort. This is the influence that raised ancient peoples from savagery to civilization.

The steps through which gold came to be the world's standard of value is a fascinating development which has held the attention of peoples of all races and nations. Herbert Spencer told how primitive man loved ornaments and how clothing was first worn not for warmth but as a means of decoration. Flowers were a common form of ornament, and so was gold. It was this elementary and universal love for the yellow metal that gave gold its first vogue. Then after centuries of use it was found that it could always be used as a medium of exchange, even when there was no demand for other commodities. Coinage of gold followed and gold now is the universal standard of value in nearly all civilized nations.

There are few people who would concur in the opinion of Thomas Edison, world-famous inventor, who urged the world to discard gold as of no practical value "except to fill teeth and decorate picture frames." Economists and bankers, as well as the people at large, appreciate that gold is practically indestructible, limited in supply and, above all, accepted everywhere in trade.

Having launched the story of Money and Civilization, the subsequent folders issued by the Plymouth United Savings Bank, will discuss the origin, growth and use of credit money and the principles of banking that have made possible the growth of trade through the ages. Each folder is fully illustrated, and the series represents an exhaustive study of the history of money.

**Local Notes**

Miss Aleta Hearn returned to her teaching at Cary, Ohio, Monday after spending her spring vacation with her parents, Mr. and Mrs. Anson Hearn, of University Way West.

A number of the members of the Plymouth Rotary club attended an inter-city meeting held at Highland Park, Monday evening, at the Masonic temple in that city, where the clubs from surrounding towns were guests of the Highland Park club. Arthur Sapp, president of Rotary International, was the guest of honor and made a splendid address.

**Rotary Club Elects New Board Directors**

At the regular meeting and luncheon hour of the Rotary Club last Friday noon, Rotarian Walter Nichol, pastor of the First Presbyterian church of this place, gave a short talk to the members on the significance of Good Friday.

The annual election of a board of directors took place at this time, and the following members were chosen to serve on the board for the ensuing year: William Wood, Allan Horton, William Pottingill, Harry Lash, E. K. Bennett, Edward Gayde, Carl Shear.

The new officers do not take office until July 1st, at which time the officers of the club will be elected from the directorate.

**Beautifying Grounds Around Mausoleum**

Under the supervision of the members of the cemetery board and Charles Dethloff, superintendent, the grounds surrounding the new Riverside mausoleum are being graded and put in proper condition for seeding. A new cement walk will be built on the west side of the plot of ground set aside for the mausoleum, across the front and continuing around on the east side of the lot, and then to the stairway that leads into the public receiving vault in the basement of the mausoleum. Shrubbery will be set out and two beautiful flower beds will grace each side of the main walk leading from the driveway to the mausoleum.

When these improvements are all completed, it will add greatly to the beauty of the building itself.

The new mausoleum is one of the finest to be found anywhere in the country, and excites the highest commendation by all who have inspected it since its completion.

### AROUND ABOUT US

James Cooley, of Redford, has been appointed a member of the Wayne county board of supervisors by the Detroit city council.

J. Carleton Covert, superintendent of schools in South Lyon, has been appointed to a place on the faculty of the Pontiac schools for the coming year.

The Redford Country club will open the season of 1928 on its new course this spring, located a half mile west of Franklin village, where greens on 400 acres are owned by the club.

In co-operation with the need expressed by Joseph B. Graham, of Graham-Paige, for homes in Wayne Smith & Smith, realtors, announce that they will build fifty houses in that village.

Sylvester Shear, present Redford township supervisor, running on slips, won at the general spring election last Monday, when he totaled 494 votes. His opponent for the office of supervisor, Robert B. Murchie, received 400 votes.

Establishing of a branch distributing station of the Gabel Creamery company in Redford has been announced, following the purchase of a site for the new station on Six Mile road, a half block from the Grand River avenue intersection.

Catholics of Brighton and Oecola are making plans for the erection of an up-to-date auditorium, to be built some time in the future. Dimensions are to be 120x90 feet, with a ceiling height of 15 feet. All creeds will have the privilege of using the building.

Farms in the northern part of Oakland county and the southern extremity of Lapeer county, totaling approximately 11,000 acres, have been leased or sold as a game preserve. Options have also been secured on several thousand acres more. A hunting club is being formulated which will make the largest of its kind in the world.

Floyd Bennett, who flew with Byrd over the Atlantic and who plans to go with him on his South Pole flight, was in Northville visiting at the Stinson plant last week. He had come and left town before it was generally known that he was here. Commander Byrd is going to use a three-motored Ford machine in his flight over the unexplored regions of the south. Bennett was high in his praise of the Stinson machine, declaring it one of the best made.—Northville Record

### PROMINENT WOMEN SPONSOR TRAINING CAMPS

Mrs. Helen B. Joy, of Groesse Pointe, Mich., prominent club woman and social leader, and Mrs. William J. Chittenden, Jr., of Detroit, vice-chairman of the committee, have named some of the most prominent women in Michigan to assist as sponsors for the campaign to enroll young men for the Citizens' Military Training camps to be held at Camp Custer and Fort Brady from July 20 to August 25.

"Women from all over Michigan will play an important part in this year's campaign to enroll 1,878 young men for the two training camps in Michigan this year," Phelps New-

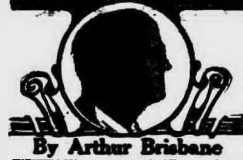

MRS. HELEN B. JOY

berry, civilian aide for Michigan to Secretary of War Davis, announces. "The members of Mrs. Joy's committee will be called upon to help in every county in the state. It is imperative that Michigan gets its quota this year, and I hope to see every county in the state enroll its quota. Every boy in Michigan who is physically sound, of good character, and between the ages of 17 and 24 years is eligible for this summer's camp. All the expenses for 30 days' training is paid by the government, and every boy will be given every attention possible so that when he leaves camp he will be a bigger, better and broader young man, and know something of American citizenship and its responsibilities."

All information regarding the two training camps in Michigan and application blanks can be had by addressing or calling on Phelps Newberry, civilian aide to Secretary of War Davis, 433 Book Tower, Detroit, Michigan.

She—"What do you suppose I did when father told me you were here?" He—"Oh, I suppose you colored up a bit." She—"Sir!"

### This Week

#### A REVIVAL OF HOPE.

PROSPERITY FOR FARMERS. IMPORTANT "CROP NEWS." NATURE'S WISDOM.

There is revival of the hope that President Coolidge will consent to run for a second election this year. Everybody knows he meant it when he said "I do not choose." Everybody knows he means it when he says now he does not want any of his friends to lift a finger to nominate him.

Cotton "pickers and strippers," replacing human fingers with machinery, are now working in northwestern Texas.

This is good news. Prosperity for farmers depends on machinery, on doing with the earth's products what Ford, first, did with automobiles.

In the Gary rolling mill half a dozen men roll out steel rails that ten thousand could not have produced with old sledge hammer methods. No human hand touches the iron, until a tall young Scandinavian runs his keen blue eye along the finished rail and signals another man, who straightens it. Machines dig the ore, put it in ships, unload it, handle it, cold and hot.

Six men, some day, will run a 1,000-acre farm, and multiply its crops by ten. Don't worry about over-population.

The infant death rate is down in Pennsylvania and New York. And that's the most important "crop news" this year.

If only civilization took as much interest in babies as it does in young calves, pigs, boll weevil and corn borer.

Consider Nature's limitless fecundity.

Mr. Ringling shows you this year a sea-elephant weighing four tons, that eats five percent of his weight, or 400 pounds of herring, at one meal.

Any one of a dozen fishes in one generation would fill all the oceans and seas of the world solid with fish if they and their descendants all survive. The elephant, on the other hand, lives a hundred years and only has two or three children at most. Wise nature.

Tom Wise is dead, Shepherd of the Lamb's Club, and a good actor. Years ago William A. Brady asked this writer to see Tom Wise in a play called "A Gentleman from Mississippi" that Brady was producing.

This writer told Brady, "You have a first class play, and there is in it a young actor playing a minor part, jumping over chairs, etc., that is going to make a success. You ought to make a contract with him." The young man's name was Douglas Fairbanks.

What Cooper wrote about the last noble red men will soon be written of the last wild horses. Not long afterward, thanks to the motor truck, will come the last of the tame horses.

In the State of Washington a thousand wild horses recently were being driven toward Yakima, their hides to be sold, their flesh fed to fox farms, or fed to dogs and chickens. The carcasses are worth \$3 each.

A big candy factory is closed in New York City, called "a menace to health" by Commissioner Harris.

Buy pure candies from shops and manufacturers with established reputations. All sorts of trash is fed to children. A certain clay mixed and flavored and a little inferior chocolate is sold for pure chocolate. That crime should mean twenty years in jail.

MORNING - NOON & NIGHT

USE PLYMOUTH DAIRY FOODS

At Night—  
A Glass of Plymouth Dairy Milk.

When the evening shadows fall and you are ready to tuck the children in bed and have a little chat yourselves before retiring a glass of milk for each. It's an idea.

# Millions of Model T Fords are still in active service

For nearly twenty years the Model T Ford led the motor industry and it still is used by more people than any other automobile. More than eight million Model T Fords are in active service today—an indication of their sturdy worth, reliability and economy.

Because of the tremendous investment which people have in these cars and because so many of them will be driven for two, three, and even five more years, the Ford Motor Company will continue to make replacement parts until, as Henry Ford himself says, "the last Model T is off the road."

For the Ford Motor Company has always believed that its full duty consists not only in making a good automobile at a low price, but also in keeping it running efficiently for you as long as possible at a minimum of expense.

No matter where you live, therefore, you can still buy Model T Ford parts with the same assurance as formerly, knowing that they will give you the kind of service you have a right to expect, and at the same time protect the money you have invested in your car.

All Ford replacement parts, as you may know, are made of the same materials and in the same way as those from which your car was originally assembled, and are low in price because of the established Ford policy.

So that you may get the greatest use from your Model T Ford over the longest period of time, we suggest that you take the car to the nearest Ford dealer and have him estimate on the cost of any replacement parts which may be necessary. You may find that a very small expenditure will maintain the value of your car and will be the means of giving you thousands of miles of additional service.

# Hints for the Home

by Nancy Hart

Two serving secrets that are time-savers for the home-maker may be summed up in these few words:

Prepare foods beforehand whenever possible, so all the fussy work is done during the "cleaning-up" part of the day. Then when ready to serve, one need only lift the dishes out of the oven or refrigerator and place them on the table.

Escalloped and casserole recipes, meat loaf, custards and tapioca desserts lend themselves well to this scheme.

Another short-cut is offered by the compartment plate. Meat, potatoes, a green vegetable and a salad can be artistically arranged on the plate. Then when dessert is in order there is but one dish to remove from each place. This adds tremendously to the efficiency of a meal, and makes easy, pleasant service for all concerned.

**Ham and Chicken en Casserole**  
In a well-buttered casserole put diced chicken and ham. Mix with cream sauce; cover with grated cheese and crumbs and brown.

For cream sauce use: 2 level tablespoons of butter or margarine, same of flour, 1 cup milk, salt and pepper. Blend as usual.

**Try These New Easter Eggs**  
Amber, emerald and rose-colored eggs of jelly are the latest things in the nest. To make them, "blow" the contents from uncooked eggs and seal one end with paraffin. Dissolve flavored gelatin as usual; when cool pour into egg shells and allow to set. To serve, remove the shell from the filling; garnish with whipped cream and maraschino cherries.

**Does Your Oven Scorch Cakes**  
If bread, cakes and biscuits have a habit of scorching in your oven, set a small pan of salt under the tins and note the improved baking.

**Milk Brightens Silver**  
The silver will be much brighter if you add a little milk to the water in which it is washed.

**When the Pans "Stick"**  
Never scrape a scorched pan. Just sprinkle baking soda over the spots and set aside for a while. The food

will soon loosen up and the pan may be easily cleaned.

**Pictures Invade the Kitchen!**  
Since kitchen and cooking equipment have become so colorful, pictures have come into the kitchen, too. Cheery scenes they are—a sunny road winding over country hills; a glimpse of an old-fashioned garden; a holiday at the beach, perhaps. They help wonderfully—during working hours.

**For Sparkling Windows**  
A few drops of vinegar added to the water when washing windows gives a fine brilliance to the glass.

With spring cleaning just around the corner, we look forward to changes and additions here and there about the house.

Let us not forget that a delightful element of newness can be brought into rooms by simply arranging the pictures in a different way. When re-hanging them this year, change their location and see how interesting they become in new surroundings.

The best height for pictures is eye-level. Where pictures hang from the molding, two vertical wires or cords should be used (peaked wire are quite passe). Smaller pictures are always hung "blind"—that is, with nail and wire concealed behind the picture.

**New Way to Thicken Gravies**  
Instead of using starch or flour for thickening gravies, use 2 level tablespoons quick-cooking tapioca for each pint of liquid, boiling mixture until clear. Tapioca does not lump, nor do sauces made with it require straining.

**Sweet News**  
Through steady improvement of its manufacturing process, beet sugar now ranks among the best sugars made. It produces as excellent results in preparing marmalade, jellies and preserves as does cane sugar—which is good news, since it usually has a little the advantage in price.

**To Determine Radio Terminals**  
Dissolve a little salt in a glass of water and connect wires to both terminals and dip the two ends in brine. Bubbles will form around the negative wire, while the positive will show no change.

**Keeping Eggs**  
To keep eggs, pack fresh eggs small end down, in salt, but do not let the eggs touch each other. In the bottom of the box small holes should be made to allow the moisture to drain off.

**For a Lasting Furniture Polish**  
Before applying polish to furniture, wipe each piece with diluted vinegar, adding ½ cup of white distilled vine-

gar to a quart of water. After drying, apply polish as usual, and you will find the furniture takes on a finer, more lasting lustre.

**Making a Night Lamp from a Candle**  
Pack salt around the wick of an ordinary candle as far up as the blackened part. In this way a mild steady light may be obtained all night.

**Making Coal Burn Longer**  
After the kitchen fire is made, sprinkle a little salt over it and it will keep going for hours without requiring attention.

**To Protect Carpets from Moths**  
Underneath chests, behind davenport and in dark corners moths love to nest on carpets and upholstered furniture. Checkmate them by applying gasoline freely to the carpet or fabric by means of a sponge, brush, atomizer or sprinkler.

**Driving Out Ants**  
Clean the floors and shelves thoroughly and cover with fine salt to rid a pantry of ants. Allow the salt to remain for a time—and the ants will disappear.

## Picked Up About Town

The honeymoon is over when the bride wants a heater in the coupe to keep her warm.

"I suppose in a few years," says Dad Plymouth, "the modern mother will go out in the yard to find her boy and be told by a neighbor that he and another boy just started on a flight to Paris."

Felt hats may come and straw hats may go, but the "high hats" seem to live on forever.

Dad Plymouth says he enjoys good singing over the radio, but that he hates to run into the female who sounds as though she was hitting on only one tonsil.

"I'm not so sure about the evil of it," says Dad Plymouth, "but money must be the root of something the way we have to dig for it."

The medal goes to the boy who in using the word "diadem" wrote that people who drive onto a railroad crossing diadem sight quicker than those who stop, look and listen.

Dad Plymouth says the fellow who keeps his nose to the grindstone six days in the week may not be a hero, but he's a darned good husband and dad.

## Business Outlook Is Very Good

### Chevrolet Officials Enthused Over Industrial Outlook For Summer And Fall.

Detroit, Mich., Apr. 3—Keen enthusiasm over the industrial outlook for the coming Summer and Fall was voiced here today by officials of the Chevrolet Motor Company upon their return from country-wide dealer meetings that brought them into direct contact with representatives of every city, town and hamlet in the United States.

Thirty-six such meetings, held at as many key centers during the past ten weeks, afforded the Chevrolet executives an excellent opportunity to see and study at first hand the various factors that determine the business future.

Confidence that the abnormal prosperity enjoyed last year would continue in accelerated measure well into 1928 was expressed both by R. H. Grant, vice-president in charge of sales whose official party traveled throughout the East; and H. J. Klinger, general sales manager, who headed a second group that covered the West.

Among the favorable factors noted were: Small and relatively few areas of depression; no disturbing political issues; widespread employment, with unemployment at normal; a Winter and Spring advantageous to the farmer; large building and construction programs under way; and a general realization that the "presidential year" luncheon is purely a mental hazard and not a deterrent to business.

The Middle West farmer is in a particularly advantageous position, Mr. Klinger reported. "Farm prices are now for the first time since the War, on a level with other commodities; the weather this Winter and Spring is favorable to good crop yields, and inflated land values have generally subsided. Farming is now on a stabilized, healthy, normal basis. The farmer is prosperous and his prosperity, because of the basic nature of the industry, is reflected throughout our economic system."

"In the Rocky Mountain and the Pacific Coast states industry is humbling; curtailment of over-production of oil and lumber has had a healthy and a stabilizing effect in the South and Northwest sections, and crop prospects are everywhere excellent. Coast exports also are growing. Huge building projects under way throughout this district, and the unqualified optimism of the people backing them, show the tremendous importance which the West Coast is destined to have in our national growth and welfare."

Similar healthy undertones of optimism prevail throughout the East, Mr. Grant said. He pointed out that New England made such a phenomenal recovery from the several natural calamities which befell it last Fall that during the early part of 1928 New England led the entire United States in percentage of Chevrolet sales over quota, with

every indication that the fundamental economic soundness that made that showing possible would continue.

Reports of unemployment in the North Atlantic states were discounted by the Chevrolet sales head on the basis of personal observation and from reports of Secretary of Labor Davis stating that there are 42,000,000 people gainfully employed in the United States.

Mr. Grant paid high tribute to the South for the forward programs that are bringing that section rapidly to the front in national importance. This was recently evidenced by the Chevrolet Motor Company with the opening of regional headquarters at Dallas and Atlanta to maintain more intimate contact with the section, and with the building at Atlanta of a \$2,500,000 assembly plant to supply cars exclusively to the Southern market.

Among the favorable factors noted by Mr. Grant were huge road building programs that will bring increased wealth to the South, crop diversification, and opening of textile mills and other industries that are giving the South a manufacturing character.

In line with these enthusiastic predictions, the Chevrolet Motor Company is proceeding with the heaviest production and sales schedules it has ever undertaken. Old records have consistently fallen every month so far this year, while the 1928 program calls for a substantial increase over even the record outlet of a million cars and trucks in 1927.

## A Boon To The Young Girl

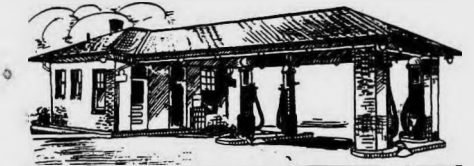

Wouldn't you, too, like a face powder that will keep shine away—stay on longer—spread smoothly—not clog the pores—and always be so pure and fine? It is made by a new French Process and is called MELLO-GLO. It is surely a wonderful Face Powder. Just try MELLO-GLO, Community Pharmacy. "We serve you right."

## Miles of Smiles with INDIAN GAS

Passenger: "A man ought to be paid for riding in such a miserable bus."  
Bus Conductor: "I am!"  
H. A. Sage & Son say: A cheerful disposition is to a man what plenty of the right oil is to a car—less wear and tear makes it work better.

SERVICE STATION  
MAIN ST. AT P.M.R.R.

## THE HUMAN MAIN SHAFT

You may be skeptical of the statement that 95 per cent of so-called Disease is caused by subluxations (displacement) of the vertebrae (small bones of the spine). Just picture the main shaft of a machine capable of the various movements of the vertebral column and subject it to the same number of twists and wrenches that the spine has to endure. You will then be no longer astonished when shown so many vertebrae that have slipped out of place. Is not the human body much more liable to have its parts racked out of their proper positions and the resultant consequences more severe and lasting than those of an inanimate machine? The Chiropractor is the human Machinist. He finds out what vertebrae are displaced, then adjusts same and everything is in running order again. The logic of the Chiropractic theory cannot be denied. The next time you are sick consult your Chiropractor and see what he can do for you. The Neurocalometer locates the Nerve Pressure. Chiropractic Adjustment relieves the Nerve Pressure.

### THE BREAKFAST

Monday, April 18th, the eighth grade cooking class prepared a breakfast. There were sixteen students in the class, and these were divided into four groups. One of the groups was to be served by the other three, and it was decided that drawing numbers would be the easiest way of deciding which would be the lucky one. Mrs. Dykehouse passed out slips to each girl. Then one of them drew a slip; the four with that number on their slips were to be the honored ones. They were not only served in grand style, but also ate in the dining room.

The three groups that were to serve next had to prepare a menu. It was decided upon and subjected to Mrs. Dykehouse's approval. She O. K'd it, and then everything was ready to begin to prepare the breakfast. One girl from each group was appointed to do one thing toward the morning meal.

The four privileged persons who partook of this lovely meal, were: Marjorie Clay, Tracy Wilson, Andrea Kreeger, and Eileen Jordan. The menu was as follows: Sliced oranges, buttered toast, scrambled eggs and corn. Maybe you think it rather unusual to serve water with your beverage, but, of course, it is the proper thing to do, as water is essential for the body.

How many of us wish that we could also have been served in this manner. The knowledge of little events like this makes everyone desirous of studying Home Economics.

### PRESENT YOURSELF

Sure, the public will be at the first baseball game of the season, at Ypsilanti Central High, Friday, April 23. Plymouth is not superstitious, and so that is a lucky date for all concerned. All baseball people will be there, so be sure that you appear in person. —By the promoters of Spring Sports.

### STUDENT ASSOCIATION TICKETS

All students and many alumni know about the new association formed in P. H. S. this year, namely, the Student Ticket Association. It has been heard that some people do not know what this is for, claiming that it was just something else to take money. This, however, is a mistake. This saves money for the student rather than causing a huge expenditure.

The plan is as follows: Each semester the members of classes 9, 10, 11 and 12 are asked to buy association tickets at the cost of fifty cents; while other members of the school below the ninth grade may get them for twenty-five cents. These tickets entitle a person to see all football, basket ball and baseball games, track meets, debates, oratorical and declamation contests. As is well to see if any person attended only two football games, he will have paid enough to have bought a ticket giving him the right to attend all the rest of the activities for the year. Even if he only attends one other, this will mean twenty-five cents saved. Consequently it must save students money, and through them saves the parents' money.

No one who has bought one of these tickets has offered any complaint. No one in the future who will buy, will have any complaint. This is merely a money saving device instituted by the Student Council, for reasons given below:

1. It saves for the students.
2. It assures large crowds for the different activities.
3. It gives the student council a little surplus at the beginning of the year to control school expenses.
4. It gives everyone a fair chance of seeing all games and contests.
5. It saves the parents' money.

In the face of these five things, the members of the Student Council fail to see why anyone would have an objection to the student association ticket, and hope that they may have the cooperation of everyone.

### SENIOR GIRL RESERVES MEET

"Etiquette" was the topic of discussion in the Senior Girl Reserve meeting this week. Hazel Rayner was the

A way, and ways, and a way:  
And the high soul climbs the high way,  
And the low soul gropes the low,  
And in between on the misty flats  
The rest drift to and fro.  
But to every man there openeth  
A high way and a low;  
And every man decideth  
Which way his soul shall go.  
The Mother and Daughter banquet will soon be here. As the school events keep coming and going, one realizes how fast the year flies. Irene Krauter was appointed as chairman of the committee to get bids from the different church organizations of Plymouth for the banquet. Of course, there will be decorations, so Pauline Deal is to be the Senior Girl Reserve representative to that committee. The girls of the high school are hoping to succeed with their banquet this year as well as others have years before.

### WOMAN'S CLUB TO ENTERTAIN HIGH SCHOOL GIRLS THIS EVENING

Last year, it will be remembered, the Woman's Club of Plymouth entertained the two Girl Reserve clubs and the Campus girls at the Peninsula Allen theatre. At that time, Miss

Jessie Bonstelle spoke to the girls and the club. To hear a speaker of Miss Bonstelle's standing in the theatrical world, was an honor which the girls appreciated and enjoyed. Now this year again the Woman's Club is to entertain the girls. This time it is to be at the Hotel Mayflower. Nothing definite as to what is to be the program for the evening, has been announced yet, but the girls feel certain that when they gather in the hotel this Friday evening, they will enjoy the entertainment as much as they did the one the year before.

### HOW I SPENT MY SPRING VACATION

Vacations are usually interesting things to tell about, as nearly all school people enjoy them. The Better Speech club of Miss Cadore's 8-B English class thinks so evidently, as their program for this Friday is to consist of short talks on "How I Spent My Spring Vacation." The president of the club, Christine Nichol, is unable to be in school for a few weeks, as one of the family has scarlet fever. The other members of the club are sorry to lose her leadership for even a few weeks, and are hoping for her early return.

### HOME MADE BREAD.

cake, biscuit and pie—who does not love it, especially when made from PEEPLESS FLOUR, the best for home baking. A bag of our flour goes farther and lasts longer, besides making the lightest and purest of bread, cake, pastry, etc.

## AT THE THEATRE

### "RED HAIR"

Three splendid character portrayals are featured by three of the best known character men of the screen, William Austin, Lawrence Grant and Chas. King, in Clara Bow's new Elton Glyn story, "Red Hair," coming Sunday and Monday, April 15 and 16, to the Penniman Allen theatre. The American judge, lawyer and doctor are the subjects studied by these three actors and they introduce an added comedy note to the hitting story which features Miss Bow.

The story of "Red Hair" is the story of a man who, after a busy career as a "gold digger," meets the "right man" and gets into difficulties because of her past activities. The story was written by Elton Glyn for Clara Bow, the outstanding movie star of the screen, and was directed by Clarence Badger, the director of "It," the former Elton Glyn story in which Clara Bow made an outstanding hit.

Lane Chandler supports Miss Bow in the leading role and brings to the play a fresh personality for which great things have been predicted by motion picture experts. He is a tall, red-haired westerner, whose previous appearances for Paramount in "Love and Learn" and "Legion of the Damned" disclosed an exceptional native ability.

Several of the sequences are carried out in technicolor, an unusual feature which is very effective in "Red Hair." Colorful scenes at sea-side resort are used for these sequences and furnish a pleasing background for the startling vision of Clara Bow's red hair, so long known to movie fans in the unrelenting medium of black and white.

The picture is a comedy throughout with its background in everyday American life. The combination of Miss Bow's spontaneous action with that of the three famous character actors who furnish her support amply fulfills the possibilities of the story. Clarence Badger, the director, made a popular success of "It" and has hand-picked his many comedy angles to advantage to make "Red Hair" another outstanding American comedy success.

### "FEEL MY PULSE"

Crammed to the brim with amusing situations and a guaranteed laugh getter, "Feel My Pulse," Belle Daniels' latest Paramount comedy comes to the Penniman Allen theatre next Tuesday, April 17.

What entertainment! Picture the delicious Miss Daniels in a role of an "invalid" whose ideas on health get her into the most embarrassing situations—picture her as the chief of a sanitarium in which all the patients are members of a gang of bootleggers! Imagine the laughs when she finds that she is in the thick of the fight between the bootleggers and hi-jackers. "Feel My Pulse" is made to order for the dashing star.

Miss Daniels is a young American girl who has been brought up to believe that health is the most desirable thing in the world but who spends most of her time doctoring imaginary ailments. She goes to a sanitarium which was left her through the provisions of her uncle's will, and finds it in the possession of a gang of bootleggers who are using it as a base of operations.

Bob takes care of the "patients" and finally finds herself in the middle of a small war between the bootleggers and hi-jackers.

How she gets out of this predicament and how she finally finds romance and health makes one of the most refreshing comedies the Paramount star has ever made.

The love interest of the production is well taken care of by Miss Daniels and her leading man, Richard Arlen, the same who was outstanding in "She's a Sheik." Also in the cast are William Powell, noted for his fine comedy performances in "Senorita" and "She's a Sheik" with Miss Daniels. Powell, in "Feel My Pulse" has the fine comedy role of the leader of the bootlegging gang. Charles Sellon and Helen Conklin also provide many laughs.

### "WIFE SAVERS"

Every time and in every way they make them funnier and funnier. Speaking of Wallace Beery, Raymond Hatton and comedies.

In "Wife Savers," the Paramount comedy which comes to the Penniman Allen theatre Thursday and Friday, April 19 and 20, Beery and Hatton are the two funniest individuals that ever tried out a yodel, or made love to a girl in the Swiss Alps.

Beery starts out as a biscuit maker for the section of the American army that is located on the Franco-Swiss border at the time the world war ends, finds himself an unwilling bridegroom, then a candidate for a cemetery lot as an Alpine guide and winds up a widower.

Hatton begins as a hard boiled lieutenant and an ace high lover and later becomes a dueller.

The action all centers around the little village in the Alps where Beery and Hatton make love, climb mountains and fight their battles.

Before the war Beery is Hatton's head waiter in a Brooklyn restaurant. Hatton wins a second lieutenant's commission and then he gets his revenge for the indignities of other days.

When the armistice is signed Beery blows up the kitchen where he has been converting tons of dough into biscuits and is ready to start home. Hatton, however, details him to remain in the village and guard his (Hatton's) girl from General Favoris, a hard boiled war hero.

Then Beery's attentions begin. He is given a job as an Alpine guide, a job that has already cost 13 other men their lives, next is forced into a marriage with Hatton's girl and tops all that misfortune with some breath-taking adventures while climbing mountains.

The final scene where Beery and Hatton do spectacular but bloodless battle upon the latter's return to the village to reclaim his girl, is one of the funniest sequences ever filmed.

An exceptionally capable cast including Ford Sterling, Zasu Pitts, Tom Kennedy, Sally Blaine, August Toltire and George Harvey support the two comedy kings in this laugh producer.

Ralph Cedar directed the picture from a screen play by Tom J. Geraghty and Grover Jones.

### "BURNING DAYLIGHT"

What is declared to be MILTON SILL's greatest characterization since "The Sea Hawk" is to be seen at the Penniman Allen theatre here Saturday, April 21st, in "Burning Daylight," the First National Pictures version of Jack London's dramatic and spectacular novel of Alaska.

none all over the northland for his daring strength and vision dominates the story with his virile personality. "Burning Daylight" has as its background the frozen north, with the gold-rush to Dawson as its particular setting.

During this spectacular period, Jack London visited Alaska and from it he wrote "Burning Daylight" after the nickname of its principal character. Nowhere in the literature that has been written about the Alaska of those days, could be found a story more easily adaptable to motion pictures, and from it First National has made a sweeping, dramatic story.

Milton Sills, villain hero of many films, plays the starring role in "Burning Daylight."

Doris Kenyon heads the supporting cast in the feminine lead, with such players as Arthur Stone, Jane Winton, Stuart Holmes, Lawford Davidson, Fred Warren, Frank Hagney, "Big Boy" Williams, Jack Macdonald and others in support.

### Oddities

From HERE and THERE

#### Every Dog Has His Day And The Right To Bite Once.

Orange, N. J.—An ordinance prepared here provided that a dog may be termed a "vicious animal" if it bites a person more than once, or if it bites more than one person.

The owner of the dog must pay \$10 for the first bite beyond the dog's legal allowance; \$15 for the second

and after that \$50 per bite per person. The ordinance will also give a policeman the right to kill a dog classified as a vicious animal.

#### Blind Chicken Doctor Relies On Sense of Touch.

Fresno, Cal.—Alexander Kisch is known as the best chicken doctor in San Joaquin Valley. He makes his diagnoses by listening to the feeble cluck of a sick fowl or passing his fingers over the feathers. He cannot look the chicken over, for he is blind, but has developed the sense of touch to an astounding degree.

A sudden explosion left him sightless twelve years ago, when he held the best job in a California sugar mill. He now moves about his small farm without a guide. The plant he designed is capable of producing a thousand fat broilers at a clip, and dozens of eggs daily. He is competing with poultrymen who can see, and many who come to him for advice think him a leader in his field.

#### Somebody Will Have a Big Breakfast

Middletown, N. Y.—At the office of the Dairyman's League here was exhibited an egg laid by a hen in the flock of William Dickerson of Thompson Ridge, which is believed to be the largest egg ever produced in this part of the state. It is three and a half inches long and two and one half inches across.

Special election, Wednesday, April 18th. Don't forget to vote. Read the ads in today's Mail. They contain a message for you.

### OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION

Plymouth, Mich., March 26, 1928. The last regular meeting of the old Commission in the Commission Room of the Village Hall Monday evening, March 26, 1928, at 7:00 p. m.

Present: Commissioners Henderson, Honorary Learned and President Fisher.

Absent: Commissioner Pierce. The minutes of the regular meetings of March 13th and 19th were read and approved.

A motion was made by Commissioner Henderson, supported by Commissioner Learned, to pay Blunk & Dickinson \$320.02, \$244.00 of this amount on the 1927 sanitary sewer contract and \$116.92 on the 1926 sanitary sewer contract. Motion carried.

A motion was made by Commissioner Henderson, supported by Commissioner Learned, that fifty feet of 2 1/2 inch used air compressor hose bought by the Village be turned over to the Michigau Federated Utilities of Plymouth, the price to be decided later. The other fifty feet of hose bought by the Village and not used be returned to the Ingersoll-Rand Company of Detroit.

The Commission then adjourned sine die.

H. J. FISHER, President,  
WILLIAM WELTNER, Clerk.

Plymouth, Mich., March 26, 1928. The first regular meeting of the new Commission in the Commission Room of the Village Hall, Monday evening, March 26, 1928.

The three new Commissioners were sworn in at this time by Mr. Oliver Loomis.

Present: Commissioners Fisher, Henderson, Nutting and Shear.

Absent: Commissioner Pierce. On motion Mr. John W. Henderson was appointed President of the Commission for the ensuing year. Mr. Henderson then took the chair.

A petition for the paving of Penniman avenue from the east line of Main street easterly to its intersection with Ann Arbor street was presented. On motion of Commissioner Fisher, supported by Commissioner Nutting, this petition was granted.

Ayes: Commissioners Fisher, Nutting, Shear and President Henderson. Nays: None. Carried.

A petition for the paving of West Ann Arbor street from the east line of Main street easterly to its intersection with Penniman avenue was presented. A motion was made by Commissioner Fisher, supported by Commissioner Nutting, that the petition be granted.

Ayes: Commissioners Fisher, Nutting, Shear and President Henderson. Nays: None. Carried.

The petition for the paving of West Ann Arbor street from the east line of Main street to the Pere Marquette railroad was tabled until the next regular meeting.

The tabling of the West Ann Arbor paving petition from the east property line of Main street to the Pere Marquette railroad was ordered withdrawn.

A motion was made by Commissioner Fisher, supported by Commissioner Shear, to accept the Ann Arbor street paving petition from the point of the park east to Hamilton street, providing the property owners are willing.

Ayes: Commissioners Fisher, Nutting, Shear and President Henderson. Nays: None. Carried.

The following preambles and resolutions were offered by Commissioner Shear, who moved their adoption, supported by Commissioner Nutting:

RESOLVED by the Commission of the Village of Plymouth State of Michigan that:

WHEREAS this Commission hereby declares it to be expedient and a public necessity and a necessary public improvement that Arthur street from the north line of Penniman avenue to the south line of Blanche street; Blunk avenue from the north line of Church street to the south line of Farmer street; Ann street from the north line of Williams street to the south line of Junction avenue; Harvey street from the north line of Penniman avenue to the south line of Farmer street; Adams street from the north line of Church street to the south line of Farmer street; Penniman avenue from the north line of Main street to the intersection of Ann Arbor street; Ann Arbor street from the east line of Ann Arbor street to the crosswalk at the intersection of Penniman avenue be paved and the necessary storm sewers for the drainage of same be constructed.

AND WHEREAS, this Commission has determined to pay out of the funds of the Village the cost of paving all street intersections and for the Village share of the paving abutting on all parks and public property, and one-third of the cost of constructing necessary storm sewers.

AND WHEREAS, from the estimates made it has been determined that the cost of that portion of said improvement to be paid by the Village of Plymouth will be in excess of the sum of forty thousand (\$40,000) dollars.

AND WHEREAS, it is necessary for the Village of Plymouth to borrow the said sum of forty thousand (\$40,000) dollars for the purpose of paying its part of the expense of said public improvement and to issue its bonds therefor.

NOW, THEREFORE, BE IT RESOLVED, that a special election of the qualified voters of the Village of Plymouth be, and the same is hereby called for the eighteenth day of April, 1928, for the purpose of submitting to said voters the proposition of borrowing the sum of forty (\$40,000) dollars for the purpose aforesaid, and issuing the bonds of said Village therefor for the purpose of paying the part of the expense of said paving and said storm sewers to be paid by said Village at large.

BE IT FURTHER RESOLVED, that said election shall be held at the voting place in the said Village of Plymouth, to wit: at the Village Hall in said Village on April 18, 1928, and that the polls of said election shall be open from eight o'clock in the forenoon until seven o'clock in the afternoon, Eastern Standard time, of said day.

BE IT FURTHER RESOLVED, that the form of ballot shall be as follows:

"Shall the Village of Plymouth borrow the sum of forty thousand (\$40,000) dollars and issue its bonds therefor for the purpose of paying for that part of the ex-

pense of paving Arthur street from the north line of Penniman avenue to the south line of Blanche street, Blunk avenue from the north line of Church street to the south line of Farmer street, Ann street from the north line of Williams street to the south line of Junction avenue; Harvey street from the north line of Penniman avenue to the south line of Farmer street, Adams street from the north line of Church street to the south line of Farmer street, Penniman avenue from the east line of Main street to the intersection of Ann Arbor street, Ann Arbor street from the east line of Ann Arbor street to the crosswalk at the intersection of Penniman avenue, which is the cost of paving the intersection thereof and for one-third of the cost of constructing the storm sewers in connection therewith?"

YES ( )

"Shall the Village of Plymouth borrow the sum of forty thousand (\$40,000) dollars and issue its bonds therefor for the purpose of paying for that part of the expense of paving Arthur street from the north line of Penniman avenue to the south line of Blanche street, Blunk avenue from the north line of Church street to the south line of Farmer street, Ann street from the north line of Williams street to the south line of Junction avenue; Harvey street from the north line of Penniman avenue to the south line of Farmer street, Adams street from the north line of Church street to the south line of Farmer street, Penniman avenue from the east line of Main street to the intersection of Ann Arbor street, Ann Arbor street from the east line of Ann Arbor street to the crosswalk at the intersection of Penniman avenue, which is the cost of paving the intersection thereof and for one-third of the cost of constructing the storm sewers in connection therewith?"

(NO )

BE IT FURTHER RESOLVED, that any elector desiring to authorize the Commission to borrow said sum and issue said bonds therefor, shall place a cross (x) within the bracket following the word "Yes" on said ballot, and any elector desiring to vote against the borrowing of said sum and the issuing of said bonds therefor, shall place a cross (x) within the bracket following the word "No" on said ballot.

BE IT FURTHER RESOLVED, that the Clerk of the said Village of Plymouth be, and he hereby is authorized and directed to give notice of such special election to the qualified electors of said Village of Plymouth, called for Wednesday, April 18, 1928, by causing copies of these resolutions to be posted at the polling place for said election and in ten other of the most public places in said Village, at least fifteen (15) full days before the day set for said election and by causing a copy of said notice to be published in the Plymouth Mail, a newspaper printed and published in the said Village of Plymouth, at least twice, the first publication to be at least fifteen (15) full days prior to the date of such election.

BE IT FURTHER RESOLVED, that the Board of Registration of said Village of Plymouth shall meet at the Village Hall in said Village on Saturday, April 7, and on Saturday, April 14, 1928, from nine o'clock in the forenoon until eight o'clock in the afternoon of said days, Eastern Standard time, for the purpose of completing the registration of voters of said Village qualified to vote at said special election of April 18, 1928.

BE IT FURTHER RESOLVED, that the Village Clerk be, and he is hereby authorized and directed to give notice of the meeting of said Board of Registration, together with and at the same time, and in the same manner that he gives notice of said special election of April 18, 1928, which notice of the meeting of the said Board of Registration shall be substantially as follows:

"NOTICE OF REGISTRATION FOR SPECIAL VILLAGE ELECTION OF THE VILLAGE OF PLYMOUTH OF APRIL 18, 1928, FOR VOTING FOR THE BORROWING OF FORTY THOUSAND (\$40,000) DOLLARS AND ISSUING ITS BONDS THEREFOR FOR THE PURPOSE OF PAYING FOR THAT PART OF THE EXPENSE OF PAVING ABOVE MENTIONED STREETS AND STORM SEWERS IN CONNECTION WITH THE SAME.

Notice is hereby given that on April 7th and on April 14th, 1928, the Board of Registration will be in session at the Village Hall in said Village of Plymouth from nine o'clock in the forenoon until eight o'clock in the afternoon, Eastern Standard time, for the purpose of completing the registration of the qualified voters of said Village under and in accordance with the provisions of the statute of the State of Michigan and the provisions of the Charter of the said Village of Plymouth.

Dated, Plymouth, Wayne County, Michigan, March 26, 1928.  
WILLIAM WELTNER, Village Clerk.

BE IT FURTHER RESOLVED, that the Village Clerk and Commissioners Oliver Loomis, Mrs. Wm. Pettigill and Cora Pelham be and they are hereby appointed to act as inspectors of the election at said Village special election of April 18, 1928.

BE IT FURTHER RESOLVED, that the Village Clerk and Oliver Loomis and George Richwine be and they are hereby appointed as Village Board of Registration for said special election of April 18, 1928.

BE IT FURTHER RESOLVED, that John Quarter and Theodore Chilson be and they hereby are appointed as a Board of Election Commissioners to act at said special bonding election of April 18, 1928.

BE IT FURTHER RESOLVED, that all resolutions and parts of resolutions in conflict with the provisions of this resolution in so far as they conflict herewith be, and the same hereby are rescinded and repealed.

Ayes: Commissioners Fisher, Nutting, Shear and President Henderson. Nays: None. Carried.

Stuart F. Hicks made a verbal resignation to the Village Commission and Manager, to become effective April 1, 1928, which was accepted.

The application of Mr. W. B. Russell for the position of Village Manager was read and ordered placed on file. The Commission adjourned.

WILLIAM WELTNER, Clerk.  
J. W. HENDERSON, President.

## Dr. Frank Crane Says

### HONEST MEN

There are some people who are just naturally honest. They live up to their contracts and do not seek to break them. They are not always considering the letter of the law, but have an inward letter that they obey.

It is refreshing to meet these people. They renew your faith in human nature.

Some one has said the honest man has the advantage over the dishonest one because the honest man knows there is one honest man in the world, while the dishonest man does not know there are any.

A lawyer named Garth McNab died the other day in San Francisco. In his will we find two bequests, one to Mrs. Elkins of thirty-five thousand dollars and another of five thousand dollars to Joseph Finner.

The money was bequeathed in each instance because the people had lost money on account of advice given them by Attorney McNab.

He was under no obligation to return this money, but he just felt better for doing it.

The explanation is simple. The man was honest.

And he wasn't honest because he had to be, but just because he was. The other instance is that of Reuben

H. Donnelly, millionaire head of a publishing company.

Twenty-two years ago Mr. Donnelly's company passed through bankruptcy. He afterwards made good, is sixty-three years old, and has some money.

He has voluntarily made good all the debts that were wiped out by bankruptcy.

Some of the creditors held claims for only small amounts, but they were in the humbler walks of life and in many cases a little money meant a good deal to them.

Now he is taking care of these little fellows.

There was one man who had a claim of eighteen dollars when the house went into bankruptcy. That was in 1905. He got his check for \$38.75, which is plus interest for twenty-two years.

Mr. Donnelly said in his letter to the old creditors, "While the unpaid balance does not constitute a legal claim, I have always considered it a moral one."

It is a comfort to know that there are some people in the world who cannot rest easy until they have discharged all their obligations.

### CANTON HOME FURNISHING CLASS.

The Canton Home Furnishing group met April 4th at the home of Mrs. Griffin, with every member present with the exception of one, and two visitors.

Several projects for the coming year were discussed, but the most interest was centered on second year home furnishing, second year nutrition and second year sewing, the latter project winning by a small margin.

Plans for Achievement day were announced. Twenty-four members and friends plan to attend the dinner given that day by the ladies of the Baptist church. Two members, Mrs. Spicer and Mrs. Griffin, were appointed to act as hostesses at the "Better Home" which will be open to the public the week of April 22nd.

After the review of the previous lesson on design and color in floor coverings and the braided rug and the illustrations were criticized the new lesson on window treatment was taken up. This included roller shades, glass curtains and materials suitable for them when overdrapes are or are not used; draperies, materials suitable for them, color and design, lining, valances and the hanging treatment.

The next and last meeting will be held at the home of Mrs. A. O. Huxton, on Canton Center road, May 1, 1928.

The little moths are never gay. They don't dance at all. I wonder what they do when they attend a campor ball.

### Mammoth New Pipe Organ Being Installed

U. of M. To Dedicate One Of The World's Greatest Pipe Organs At The May Festival.

The blue curtain that has hung over the stage of Hill Auditorium at the University of Michigan, Ann Arbor, during the present year will soon be removed. In its place will appear many rows of great organ pipes, back of which in a large chamber will be the complicated mechanism of one of the world's most perfect organs. It is just being completed at a cost of \$75,000, by the Skinner Organ Company of Boston, and will be dedicated at the first concert of the next May Festival on the evening of Wednesday, May 16th. Palmer Christian, University organist, one of America's most outstanding performers on the "King of Instruments," will officiate appearing with the Chicago Symphony Orchestra with Eric Delamarter wielding the baton over a composition of his own written especially for the occasion.

The size of the largest pipe will be thirty-two feet long and approximately two feet square, whereas the smallest pipe will be about four inches long with the diameter of a straw. In between are innumerable pipes of all lengths and diameters, some of which are conical in shape, some straight tubes resembling a tin whistle; and others with a ball at the top, while still others are triangular and of many off shapes and forms.

The keyboard of the organ will be about as large as a good sized grand piano and may be moved about on the stage. It will be connected with the organ proper by a large cable containing innumerable wires each of which carries an electric current and transmits to the organ and produces the proper sound when the key is struck by the player.

The dedication of this monumental instrument will be one of the attractive features of the May Festival. Other features will be the appearance of a large children's chorus containing hundreds of boys and girls from the Public Schools of Ann Arbor, the University Choral Union of 300 voices, the Chicago Symphony Orchestra of 70 players, and the following concert stars gathered from the world's greatest opera houses: Lenora Corona, Leone Kruse, and Marie Montana, sopranos; Margaret Matzenauer, Merle Alcock and Marion Telva, contraltos; Tudor Davies and Paul Althouse, tenors; Raymond Koch and Mario Bassiola, baritones; Chase Baromeo, bass; Benno Rabinoof, violin; Percy Grainger, pianist; Palmer Christian, organist.

The University Choral and the children's Chorus with the Chicago Symphony Orchestra will offer the following great choral works: Verdi's "Aida"; Piere's "St. Francis of Assisi"; "The Marching Song of Democracy" by Grainger, who will appear in the role of guest conductor, and "The Quest of the Queen Prince" by Hyde, a work for children's voices.

Six concerts will be given beginning Wednesday evening with matinees on Friday and Saturday, the Festival closing Saturday night. Many great musical authorities such as Walter Damrosch, Fritz Reiner, Oscar Steninger and others from all parts of the country have been enthusiastic in their comments on the importance of the event.

### TOOK SODA 20 YEARS FOR GAS—STOPS NOW

Allerika relieves stomach gas and sourness in TEN minutes. Acting on BOTH upper and lower bowel, it removes old waste matter you never thought was in your system. Let Allerika give your stomach and bowels a REAL cleansing and see how much better you feel. It will surprise you! Reyer Pharmacy.

PROBATE NOTICE  
No. 140295  
STATE OF MICHIGAN, County of Wayne, ss.  
At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-eighth day of March, in the year one thousand nine hundred and twenty-eight.  
Present, George M. Read, Judge of Probate.  
In the matter of the estate of Delphine Toncray, deceased.  
An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this court for probate.  
It is ordered, That the second day of May, next at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument.  
And it is further Ordered, That a copy of this order be published three consecutive weeks previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.  
GEORGE M. READ,  
Judge of Probate.

### Today's Reflections

The worst hen-pecked man is the one whose wife makes him drink two or three cups of coffee before going to bed so he won't go to sleep while she's telling him what's what.

The only thing more pleasant to a Plymouth woman than getting the hat she wants is getting the hat some other woman wants.

A tourist is a person who fares forth to see the country and does so by watching his timepiece, his speedometer and a map.

We're back to the season when the biggest fishing liar in Plymouth can't commence to equal the pictures in the seed catalogue.

What we need is a child labor law to keep them from working their parents to death.

South Carolina bought a hundred jack rabbits from Kansas for hunting purposes. Some states don't know when they are well off.

Why is it that when you tell a Plymouth woman she is not looking well she will look triumphantly at her husband.

Paying taxes by mail is a great idea. The taxpayer doesn't have to leave home and walk back in a barrel.

If a Plymouth woman finds out ten things her husband was keeping from her it is safe to bet that she guessed nine of them.

Maybe the president wants the government to get out of the shipping business because of what it doesn't get out of the shipping business.

Even a lawyer doesn't know anything about the art of cross-examination until his wife finds a handful of hairpins in his pocket.

Most Plymouth mothers call it the "Bad Place" when they are scolding the children, but they call it by an entirely different name when they're scolding father.

Possibly the reason the marines have to stay in Nicaragua so long is they can't find any American property to protect.

What has become of the old-fashioned Plymouth man who voted for the candidate that gave him a five-cent cigar?

When a boy gets too old for his mother to wash him his neck and ears never get a good washing until he falls in love.

Just because a fellow's stomach is upset is no reason why he should eat his pie first and his soup last.

There was a young athlete at Penn. The hundred he'd do in flat ten, but the faculty crew. Simply whispered "Skidoo!" When they found in exams he got N.

"What's so artistic about that old pipe of yours?"  
"It draws well."

Friday, April 13th—6:30 p. m. pot-luck supper by the Women's Guild. (Tonight.)

## CATHOLIC NOTES

All parishioners having a self denied bank will kindly return the same next Sunday, enclosed in an envelope, with name plainly written on the same. This offering will be used to defray the expense of the stations.  
The Easter services were well attended, especially the eight o'clock mass; and it was gratifying to see so many approach the communion rail.  
A hearty thanks is hereby extended to all for their generous Easter offering to the pastor.

A convert class will start next Tuesday night, at 8:00 o'clock. Anyone desirous of becoming a Catholic, or anxious to learn about the Catholic religion, is welcomed. Call at the rectory, Tuesday night.

Sunday is ladies' Sunday for Holy Communion. Let all be present.  
A picture of the inside of the church was taken, and will be on exhibition as soon as developed. Anyone desirous of a photo of the interior of the church, can leave their order with the pastor.

Saturday morning there will be instructions for the children; the first communion class will soon be started.  
Mrs. J. VanRonn, who recently underwent an operation at Harper hospital, is slowly gaining, and will return home sometime next week. We are sorry to learn of her illness.  
Mrs. Hy Lehman is still on the sick list, and confined to her room.  
The boys have started their first practice of baseball, and will soon be

ready to open the season. A new ball field has been acquired for the season, the intersection space at the Plymouth and Ann Arbor roads, in the rear of LaForest stand.

Friday, April 20th, the young people, Nethem Club, will sponsor a dance in the auditorium, and a cordial invitation is extended to all.

## PRESBYTERIAN NOTES

The address on "Italy and Missions," given by Rev. Dr. Forrer of Jefferson Ave. Presbyterian Church, Detroit, before the men on Monday evening last, was of exceptional interest. The men all felt themselves privileged to hear it.

The Tedy Service class will hold its regular monthly meeting on Tuesday, April 17th, at the home of Miss Bertha Warner, 287 Ann street. Pot-luck dinner at noon.

Boy Scout Troop No. 2, Plymouth, with Herald Hamill as scoutmaster, will meet each Tuesday night, at the Presbyterian church.

Calvin Whipple has been elected superintendent of the Sunday school. Everyone is delighted to have "Cal" in this position.

## BAPTIST NOTES

Last Sunday evening the service was well attended. Several fine musical numbers were rendered, consisting of two orchestra selections, three choir numbers and a duet. All were in keeping with the Easter season.

The annual church business meeting will be held Wednesday evening, April 25th. Reports of the various church departments will be given, and officers will be appointed for the coming year.

A number of young people will attend the B. Y. P. U. rally, which is to be held at Home, Friday night. A fine program has been arranged. First all will enter into a jolly get-acquainted game; then dinner will be served. The rest of the evening will be spent listening to a debate and discussing the business of the union.

Our mid-week prayer meetings have been well attended the past few weeks. We have been studying together the book of Daniel. Next Wednesday evening, we are to study the seventh chapter. A cordial invitation is extended to the public to meet with us.

## EPISCOPAL NOTES

The Easter services were very well attended, and the church was beautifully decorated with lilies and other seasonable flowers. The congregation enjoyed hearing the Rev. W. O. Raymond again, who has been with us several Easters before. At the school service in the afternoon, the children received Easter cards and small geranium plants.

The men will not have their monthly dinner for April. Instead they will turn their attention to sponsoring the Dearborn Minstrels from Christ Church, Dearborn, who will bring their entertainment to the Promenade Allen theatre on the evening of April 27th.

The Rev. Oscar J. F. Seitz, who will take up his work as rector of St. John's on the first of May, has been in Plymouth twice, looking up a house. Mr. Seitz comes from the Roseville-Halfway missions, and is well equipped to help us with our problems here. The territory he will cover will include the Mystery sanitarium, Wayne County Training school, Northville, and Rosedale Gardens. The congregation looks forward to a period of new growth under Mr. Seitz's leadership. Mrs. Seitz also, will be a welcome addition and inspiration to the church women.

## METHODIST NOTES

"Blessed are all they that put their trust in him."  
The mid-week prayer and praise service, Wednesday night, 7:15 to 8:00 o'clock. Why not form the excellent habit of attending this service each week? It will do you good.  
Mrs. Miller's Circle will meet next week Wednesday, April 18th, at the home of Mrs. Wm. Tait, 522 North Harvey street. Mrs. White's circle will meet with Mrs. Wm. Mosker, 265 Blank street. Mrs. Hillman's circle will not meet, as they are busily perfecting preparations for the musical comedy, "All Aboard," that they are putting on at the high school, Thursday and Friday nights, April 19th and 20th, under the personal direction of the expert producer, Miss Beatrice Lynch.

The singing of the junior chorists at the Easter pageant was enjoyed so much, that they have been requested to sing some of the same numbers again next Sunday night. You are cordially invited to come and hear them.

## LIVONIA UNION CHURCH NOTES.

Last Sunday morning the church was filled to capacity to celebrate once again the resurrection of our risen Lord. Never in its history has the church been more beautifully decorated than last Sunday. The palms which added so much to the decorations were very kindly donated for the day by Mantons Ltd. funeral director, of Wayne. A beautiful white cross about four feet in height was contributed by the pastor, Rev. Paul Taylor, and wife. Many other beautiful ferns, plants and cut flowers were contributed. Several new members were taken into the church and two children were baptised. Several children who were to be baptised were sick and unable to be present, but will be on children's day. At the evening service the congregation presented the pastor with a special Easter gift of twenty-five dollars in appreciation of the splendid work he is doing in our community and the splendid progress the church is making under his pastorate.

Attendance at Sunday school last Sunday was one hundred and one. A Junior choir was organized for the Sunday school. Harmon Kingsley was elected chorister of the new choir. Thirty-seven little tots, ages two to seven, were in the primary class. Mrs. Richard Smith, who is
