

NORTHVILLE FAIR WILL START NEXT TUESDAY

Officials Declare It Will Be Far Superior to Any Other That Has Taken Place.

Thursday Has Been Designated as Plymouth Day and the Whole Town Will Go.

For the first time since the inauguration of fairs in this part of Michigan, the Northville Wayne County Fair when it swings its gates open next Tuesday, September 18th, for its twelfth annual fair, will admit the public free of charge. For five days from Tuesday until Saturday night, the thousands of people in southeastern Michigan will have an opportunity of visiting, without cost, what officials of the association say will be the best of all fairs ever staged in Northville. That they have decided to open free to the public all the exhibits was a decision reached only after careful consideration and investigation.

The fair will, to a very great extent, be conducted along the lines of the great Jonia county fair, probably the greatest county fair held in the state. There is only one place where a charge will be made, and that will be for grandstand seats.

According to entries made and information received there will be the greatest number of entries in the various departments that has ever been made. The poultry show will be far superior to that of the state fair.

The new cattle barn will provide room for a greater number of entries than has been possible in past years. In fact so great has been the demand for room on the fair grounds that the officials have found it necessary to provide for the parking of machines outside the grounds. Numerous parking spaces have been provided and special police have been engaged to assist in watching the cars.

Each night there will be fireworks at the park in addition to numerous special attractions. For the first time there will be five days of racing instead of three. Entries for the trotting and pacing events will be the best that the association has ever had, declares Marvin Sloan.

To the ladies, the biggest of all events, the baby show, will take place on Wednesday afternoon at 2:00 o'clock. Mrs. Flora Larkins, who has this event in charge, states that never has there been so much interest as this year. The Hetter Baby Contest will begin at 10:30 a. m.

And, of course, with the veteran ball player, Harry German living in Northville, it would never do to have a fair without a baseball tournament in connection. So there has been arranged a series of games between the fast De-Ho-Co, West Point, Milford, Plymouth, Dearborn, and Northville teams.

Thursday has been set aside as Plymouth day. Plymouth has in past years always proved a big and liberal supporter of the fair. This year there have been more inquiries than usual from Plymouth about the various exhibits, and Secretary Floyd Northrop is expecting a large number of exhibits from Plymouth and vicinity.

Friday will be Redford and Farmington day. Both of these communities, like Plymouth, have turned out in big numbers on days set aside especially for them.

But as President Nelson Schrader declares, every day is a special day for every community around Northville—and a special invitation is extended to Plymouth, South Lyon, Salem, Novi, Walled Lake, Farmington, West Point Park, Dearborn, Wayne, Milford, Brighton and Redford, and all other places to come and enjoy with Northville one of the best little fairs in the country.

It begins next Tuesday morning bright and early and will end Saturday night, September 22nd, when the last big firecracker is set off just before twelve o'clock.

To its thousands of friendly neighbors, Northville extends a most cordial invitation to come and enjoy five days of hospitality and merriment.

Word has been received from Mrs. Evered Julliffe, who left the latter part of August by motor with her three children for their new home in Oklahoma City, telling of their safe arrival there. She motored 1,164 miles in four days without mishap, making 345 miles the last day.

KING MFG. CO. EMPLOYEES HELD ANNUAL PICNIC.

The employees of the King Manufacturing Co., their families and friends to the number of over one hundred enjoyed a picnic at Elizabeth Park last Saturday. During the forenoon various athletic events were pulled off and prizes awarded with the compliments of the company. One of the pleasing features of the day's program was the pot-luck dinner at the noon hour. During the afternoon there was an interesting ball game between the married men and the single men, with the single men on the long end of the score. It was a most enjoyable event, and those who were present are looking forward with keen anticipation to next year's picnic.

MAY SUPPLY GAS TO GARDEN CITY.

P. H. Deal, assistant manager of the local plant of the Michigan Federated Utilities, attended a meeting of the village commission of Garden City Monday evening, where he presented a request to that body for a franchise to supply gas to that community. The application for the franchise will lay upon the table for two weeks and twenty-one days later the proposition will be submitted to a vote of the electors.

Our neighboring village will never be sorry if they give the Michigan Federated Utilities a franchise to operate in that village for better service could not be rendered by any company.

LOCAL PLANT CHANGES HANDS.

A business deal has been consummated whereby H. R. Penhale, of Dearborn, has purchased a majority of the stock of the Diamond Sash & Door Co., of this place, and has taken active charge of the business. Mr. Penhale was formerly a member of the firm of Kendit & Penhale, lumber dealers in Dearborn and also served as mayor of that city.

The Mail welcomes Mr. Penhale to the business circles of Plymouth and immediate vicinity.

LEAGUE OF WOMEN VOTERS.

The Plymouth League of Women Voters is planning a series of important meetings for this autumn preceding election November 6th. There will be a citizenship school the last of September, a meeting addressed by Representative Michener, and a candidate meeting the last of October. All Plymouth women who are interested in voting intelligently this fall are urged to attend these meetings at the Hotel Mayflower.

The Wayne County League is planning a very important Field Finance day at the Dearborn home of Mrs. Henry Ford. Admission will be by card for League members. The meeting will be held the first week in October, and it is hoped that a goodly number of our Plymouth women can enjoy Mrs. Ford's hospitality.

Further notices of all these meetings will appear later in the Mail.

TAKE CARE OF THE DOGS.

Dr. G. H. Gordon, assistant state veterinarian, has received notice from the state department of agriculture at Lansing that the department is sending state police here to shoot all dogs that are not vaccinated or are not kept tied up. Owners of dogs will do well to see that their dogs are vaccinated or kept securely tied up.

Through the efforts of Postmaster R. E. Giles, a mail box has been placed at the corner of Main Street and Penniman Avenue, near the Plymouth United Savings Bank, for the convenience of the public.

A CLINIC FOR CRIPPLED CHILDREN

WILL BE HELD AT DEARBORN LIBRARY, FRIDAY, SEPTEMBER TWENTY-FIRST.

A crippled children's clinic for Wayne county will be held in the Dearborn Public Library on Friday, Sept. 21, according to an announcement received by Dr. R. E. Cooper, chairman of the crippled children's committee of the Plymouth Rotary club. The clinic will be in charge of the Michigan Crippled Children Commission. The clinic will begin at nine o'clock in the morning and there are no charges for the examinations. Any parents who have crippled children they desire to send to the clinic should communicate with Dr. Cooper at once, as well as any physician in the district who may know of cases that might be benefited by such an examination. The Plymouth Rotary club will furnish conveyances to and from the clinic for parents and children by informing Dr. Cooper of their wishes. These clinics are being held throughout the state and a great deal of good is being accomplished.

ROTARY CLUB HEAR MISS JULIA BARKER SPEAK.

The Rotary club members heard an interesting talk by Miss Julia Barker, prominent real estate operator of Detroit, at last Friday's luncheon of the club. The remarks of Miss Barker conveyed to the club members some idea of what to expect Wayne county's growth would be in 1940. Rotarian Dick Valentine favored the club members with two vocal solos in his usual pleasing manner. He was accompanied at the piano by Miss Hanna Strason.

DETROIT EXECUTIVES HOLD PICNIC HERE.

The members of the Detroit Executive association, of which H. S. Lee is a member, to the number of sixty held their annual outing in Mr. Lee's woods in the rear of his beautiful home on the Ann Arbor road west last week Thursday afternoon. A bounteous dinner was served by Walker, the Detroit caterer, and his corps of assistants, after which athletic sports and stunts were indulged in, and the members all enjoyed themselves immensely.

The Detroit Executive association is composed of the most prominent business leaders in their particular field in the city of Detroit.

Plymouth Day at the Northville Fair

As has been the custom here for several years, everybody in Plymouth will make a special effort to attend the fair at Northville on Plymouth day, Thursday, Sept. 20. The schools will close at 11 o'clock. The High School band will assemble at Kellogg park at 12:30 and at 12:45 the procession will leave for Northville, and it is hoped that there will be a big turnout of citizens. All autos accompanying the band will be given free parking space at Northville. A committee, composed of J. M. Larkins and J. B. Hulbert of the Kiwanis club, is arranging for cars to transport the band.

WAYNE COUNTY COUNCIL OF PARENTS AND TEACHERS WILL MEET.

Wayne Council of Parents and Teachers will meet on Monday afternoon and evening of September 17 at the Oxford school at Dearborn. The speaker for the afternoon session, at 2:30 o'clock, will be Miss Ottilla M. Frisch, county school commissioner of Saginaw and state chairman of Rural Life for the Michigan branch, National Congress of Parents and Teachers. Miss Frisch will have many helpful suggestions for rural and village work.

A pot-luck supper will be served at 6 o'clock, followed by an evening program, directed by William G. Robinson, of Jackson, Michigan, representative of the Playground and Recreation Association of America. Mr. Robinson will speak on the subject of "Play in the Home and the Importance of Recreation in the Community" and will give a demonstration of games.

You are cordially invited to attend these meetings. Take Michigan avenue to Telegraph road, turn south on Telegraph to Oxford avenue, then turn left to the Oxford school.

Good Prospects for Foot Ball Team

LOCAL HIGH SCHOOL ATHLETES ARE ALREADY OUT FOR PRACTICE.

Football prospects in Plymouth High school are fairly promising this year. 36 players having reported for practice, 10 veterans and 26 without experience.

The practice each night is confined to conditioning exercises, such as tackling, blocking, etc. Coach Matheson feels well satisfied with the physical condition of the boys and believes that with development a team from the present material will represent Plymouth High school in a creditable manner.

The schedule this year is one which will challenge the boys' efforts of the team representing Plymouth and a successful season will mean great credit to the coach and all the boys on the squad because any high school, in order to win, must have a sufficient number of players competing for positions to give those players who take part in games opposition during the practice sessions or else the development of a successful team is impossible.

There will probably be a practice game played in Plymouth Friday, September 21, and after that the schedule will be played as follows:

- September 28—Evanston, there.
- October 6—Dearborn, there.
- October 13—Fordson, here.
- October 20—Roseville, there.
- October 26—Farmington, here.
- November 2—Northville, there.
- November 9—Wayne, here.
- November 16—Belleville, there.

Mrs. Maggie Sherman Passes Away

Mrs. Maggie Sherman, widow of the late T. P. Sherman, passed away at an early hour Monday morning at her home on Penniman avenue. Mrs. Sherman had been ill only a few days and her death came as a great shock to her many friends. Apoplexy was the cause of death. Mr. Sherman died two years ago. She is survived by five brothers and one sister.

Funeral services were held from her late home Wednesday afternoon and were largely attended. Rev. Walter Nichol conducted the service. The interment was made in Riverside mausoleum.

MEETING OF CENTRAL SCHOOL P. T. A.

The first meeting of the year of the Central School Parent-Teachers' association will be held in the High School auditorium on the evening of Monday, September 17, at 7:30. This is to be an informal "get acquainted" meeting, so let's all be there and help to make this, the first meeting of the school year, a hearty welcome to the new teachers and a renewing of pleasant acquaintance with the old. They are giving their best for our children's welfare; therefore, let's show our appreciation by co-operating with them to the best of our ability during the ensuing terms.

From the close of the school year last June up to the present time the membership of the association has increased from 64 to 151, due entirely to the untiring efforts of our capable and energetic president, Mrs. C. H. Buzzard. This is no small achievement, and she deserves much credit for the record she has made by dint of perseverance and unlimited time and effort. So with this fine start as an incentive, let's all do our share through the coming year to make Central P. T. A. a credit to our community.

The program committee for the coming meeting has promised us some special music for the occasion, and Professor Smith will speak on the subject, "Know Your School." There will be light refreshments and all are assured a pleasant evening.

"So parents, teachers, mothers, fathers, Let's forget our cares and bothers On the evening of September seven-teen. Come and join our friendly party, Where there's welcome true and hearty, And we're sure that you will find enjoyment keen. Now, the hour's half after seven: You'll be home before eleven (Which we think you will agree is late enough). Only come out, one and all, Big and little, short and tall, And we'll prove that Central P. T. A.'s the staff."

OPENING NEW HAND BALL COURT

PUBLIC IS INVITED TO INSPECT PLYMOUTH ATHLETIC ASSOCIATION'S NEW COURT, TUESDAY EVENING, SEPTEMBER EIGHTEENTH.

The Plymouth Athletic association's new handball court, located on the second floor of the Sherman building on Main street, is now completed and will be officially opened on Tuesday evening, Sept. 18, when exhibition matches will be played in both singles and doubles, in which national champions will participate.

Among some of the players secured for these exhibition matches are the following: Joseph Griffin, of Detroit, national singles champion; William Kinnison and Albert Schaufelberger, who are national doubles champions; also Harry Bell, a prominent Detroit player. Hermin Dworkman, who is one of the members and who, together with Joseph Griffin, hold the national Y. M. C. A. doubles championship, will also participate.

The club will hold open house on this evening, and not only all members are invited, but anyone who may be interested is privileged to come.

The club has constructed a court which is second to none, and not only the playing court, but also the apartments, such as showers, locker and club rooms. The membership is composed of a selected group of prominent Plymouth business men.

BRAE BURN GOLF CLUB TO GIVE DINNER.

The members of the Brae Burn Golf Club will give a dinner at the Mayflower Hotel, Plymouth, at seven o'clock, Tuesday evening, September 18th.

The officers of the club are: J. N. McLaughlin, General Manager of the Fenestra Construction Company, Detroit, President; Hoyt L. Fracher, Office Manager, Detroit Steel Products Company, Vice President; H. B. Hall, of Detroit, representative, Petera Cartledge Company, Secretary and Harold Bloom, of the Northville State Bank, Treasurer; Lawrence Johnson, of Plymouth, State Representative and F. E. Hills, of Northville, Directors.

Brae Burn Golf Club is located just west of Fenkel and north of Plymouth on the Five Mile Road and is in Washtenaw County, facing the Wayne County boundary line.

It is patterned after the newer type of country clubs near large centers of population that serve the needs of the smaller suburban cities.

The membership is composed of residents of Detroit, Northville, Plymouth, Ann Arbor, Ypsilanti and neighboring cities.

NO PICTURE SHOW NEXT THURSDAY NIGHT.

On account of next Thursday, Sept. 20, being Plymouth day at the Northville Wayne County fair, the management of the Penniman Allen theatre announce that there will be no picture show at that theatre on that evening. This is in accordance with a desire on the part of Plymouth citizens and business men to co-operate in every way possible with our neighboring village to make their fair a splendid success.

On account of the above arrangement, the Thursday show will be given on Wednesday evening, September 19th.

SOUTH PLYMOUTH HOME ECONOMICS CLASSES.

An important meeting of the South Plymouth Home Economics classes will be held Monday, September 17, at 2:15 p. m., at the home of Mrs. Glenn Gordon, 707 Maple avenue. At this meeting the project to be studied this year will be chosen and new leaders and new officers elected. Every woman who is interested in this work is urged to be present.

FOUNDRY WORKER IS INJURED.

Louis Adrian, who is employed at the General Machine & Iron Works, had the misfortune to be hit in the jaw by a piece of steel while operating a grinder at the plant Wednesday forenoon. The jaw was broken lengthwise for about two and one-half inches. Drs. R. E. Cooper and B. E. Champe rendered the necessary surgical attention.

Mr. and Mrs. James Hopley, of the Housley Beauty Shop, attended a permanent waving demonstration at the Book-Cadillac hotel, Detroit, Thursday, Sept. 13.

SCHOOL WILL HAVE ENTERTAINMENT COURSE

The Course is Sponsored By the Junior Class and Promises to Be One of the Best Ever Presented Here.

The Juniors of Plymouth High school are offering to the public this season an entertainment program, one that is varied and unique in every respect. In securing the entertainers particular attention was given to their ability to entertain, for it is the desire of the Junior class to bring to the citizens of Plymouth the very best program possible.

John B. Ratto, the impersonator, will appear on the program October 22. His programs are full of life and action. They consist of the types of characters one meets in the average American community and of noted men, past and present. He is scrupulously careful in the selection of his program material and in its faithful presentation. Mr. Ratto insists that the characters must be true and genuine, never falling short of dignity and refinement—the kind one laughs with, not at. In fifteen years Mr. Ratto has filled over 3500 engagements and has earned an enviable record of achievement.

On December the fifth the Brown-Meneley Entertainers will fulfill their engagement here. Each of these young men have enjoyed an extended and successful career in this particular field of entertainment before combining their talents in the organization of a company duo. As the Brown-Meneley Entertainers, these young men have built a program that is unique and gratifying in the extreme consisting of vocal solos and duets, piano solos, reading, costume sketches, and featuring musical numbers played on beautiful cathedral pianos. Whole-some humor, force and "snap" are plentiful in their program which draws great praise from audiences everywhere.

The outstanding number of the entire program is scheduled for January 29 when Lew Saret, poet, woodsman and forest ranger, university professor and lecturer, and who is one of the unique literary figures of America will give his programs. His life is kaleidoscopic. He came out of the forests of the Lake Superior country as a boy. In Chicago he was a news boy, a bundle carrier and a worker in a sweatshop. He knew poverty, loneliness, and hunger. Later he found his way back to the North; in turn he became a life-saver, a teacher of woodcraft in sportsmen's camps, a naturalist, a guide in the Canadian North, and a U. S. Ranger in the Rocky Mountains. After he received his education on funds that he earned. In part by his work in the woods—at the University of Michigan, Beloit College, the University of Illinois, and Harvard University, he became first an instructor at the University of Illinois, and later a professor at Northwestern University. It would require volumes instead of the few inches of space available, to tell the story of his rise from obscurity to his nationwide distinction as one of the most notable poets of this generation. Out of this colorful life grew Lew Saret's poetry. Lew Saret takes the platform dressed generally in his woodsman's garb. After a description of "the world's most busy corner" and the city's feverish, milling crowds, he raises the oldest and the newest questions in the world. He answers them by embarking on a philosophy of the woods as refreshing as a cool wind.

He turns from serious discussion to the colorful pioneer types of the frontier, the Indian, the French-Canadian voyager, and the lumberjack. He tells the story of a canoe-cruise among the Indians of Canada; describes a Chippewa Give-away Dance; impersonates bucks and squaws dancing; and, accompanying himself on the piano, he sings a thrilling Squaw dance.

From the rollicking humor of these songs he swings to the tragic beauty of Indian council-talks. He describes Indian councils and gives a brief council-talk in the Chippewa language; then he reads his poem, "Bear's-Heart Talks," and impersonates the old Indian chief delivering his dramatic monolog in pidgin English dialect.

He passes on, and to the logger and the courser de bois narrates French Canadian stories that rock the audience with laughter. He concludes this section with his own whimsical poem, "Courtin' Tam in de Woodland." He discusses the Mysterious Power a woodsman senses in Nature.

On the ground that it is impossible to express in didactic argument this feeling of an imminent power, he sets out to communicate it by re-creating before the audience, a typical wilderness at dusk with its wild animal life. He paints the background of sunset with his poem "God is at the Anvil"; and for twenty minutes, with whistle and wait and wild animal cry, by the use of voice and arm and body and leg, he transports the audience to lonely Pine-wood Lake. He mimics the drumming of grouse, the chattering of squirrels, the call of mallards in the wild rice; imitates a moose feeding among the lilies, its snorts and its moose-calls; impersonates the droll shuffle and amble of an old black bear and her cub in a blackberry patch, and reproduces their language of grunts, whines, and moans. He describes the coming of evening and the flash of fireflies in the swamp; gives the pump-handle croak of the bittern; reproduces the calls of many frogs and the music of the Frogville Symphonized Orchestra. He gives the cries of the jay, the loon, the owl, and the timber wolf. He mimics the calls of the brown thrasher and the white-throat, and the flight of the swallows; and closes his lecture by reading his poem, "Wind in the Pines."

"Show Smoke," his lecture, is more than a lecture; it is a beautiful experience. On the theory that a lecture should be in a sense the flowering of a man's life, his experience, his philosophy, Lew Saret formulated his lectures. He brings to the platform not only his creative talent, skill in the use of vivid English, originality, freshness of material, and a stimulating outlook on life, but also skill as an orator, unusual dramatic power, a sense of humor and personal charm. As a consequence his lectures are so unique that, like the man himself, they defy classification.

The delightful interpreters of the music of the South seas will be with us February 5th. Vierra's Hawaiians under the direction of Albert Vierra, first appeared in this country at the San Francisco Exposition where he and his company were accorded an enthusiastic reception.

Mr. Vierra is a splendid baritone and bull-dog singer. His associates are equally popular as singers, and players of Hawaiian instruments. A typical press comment is, "Vierra's Hawaiian players have a varied program, for the most part descriptive of the exciting, haunting melodies of their native land. They were most enthusiastically received, and the thunderous applause recalled the performers to many encores. Many who heard the offering called it the best performance of Hawaiian music that they had ever heard."

IRA WILSON THANKS VOTERS FOR SUPPORT.

Ira Wilson, Republican nominee for sheriff of Wayne county, Tuesday issued a formal statement thanking the electors for their support, saying:

"To be counted worthy of the confidence of the majority of the voters of Wayne county as the Republican nominee for the high office of sheriff is an honor greatly to be esteemed. My utmost of ability and years of experience will be devoted to the limit of my capacity to administer the office, so that at no time in the present, nor in the future, will I do anything to cause any citizen to regret his choice of me.

"Without respect to race, color or creed, even though you may have differed with the majority, I thank you for your confidence."

KIWANIANS ATTEND STATE CONVENTION.

Local Kiwanians and their wives to the number of about fifty attended the annual convention held at St. Joseph and Benton Harbor, Wednesday and Thursday of this week. Wednesday was devoted largely to entertainment. Banquets were held Wednesday and Thursday nights.

Two of the most important addresses were delivered by Dr. Preston Bradley, of Chicago, and Thomas Hendricks of Cleveland. Samuel Cummings, international president of Kiwanis was on the program Wednesday.

A GREAT TRIBUTE

The Unknown Soldier whose tomb under the Arch of Triumph in France has received a perfect tribute.

Many have been the decorations of that tomb, but none more sincere, none more touching, than that placed on it by the farmers of Rheims.

These farmers, having good crops, deposited a sheaf of wheat ornamented with white grapes on the tomb.

The inscription on the tribute was worded as follows:

"From the peasants of Rheims who owe their harvest to your sacrifice."

VACATION IS OVER

The glad summer season of play is over for our children, and they are again creeping, as the Immortal Bard of Avon phrased it, "unwillingly to school." Yet not as "unwillingly" as in the days of the Bard of Avon. Taken by and large it seems to us that school is a rather pleasant place these days.

The days of the rule of the rod are pretty generally over. Teachers of today are sympathetic, interested in the problems of youth. They want to instill knowledge, not to inspire fear.

This is far from being a belittlement of the teachers of days gone by. Many of them were wonderful men and women who were an inspiration and a guide to all their pupils. There were a few, however, who relied on force and lung-power rather than on patience and tact. Now, luckily, the number of cantankerous, up-in-the-air teachers has dwindled considerably.

This is because new systems of training children have been devised which are based on a true understanding of the childmind. The pioneer work of a number of distinguished educators has had its effect on every school the country over. We know now that the best weapon of a teacher is kindness: the one most likely to defeat its purpose, cruelty.

In addition, new and interesting studies have been added to the curriculum, and in most cities and towns there is ample provision for healthy recreation in the form of athletics, which are an integral part of the school course.

Educational methods, as well as educators, are progressing so rapidly that in the near future people reading Shakespeare simply won't understand how he came to use the word "unwillingly."

WILDERNESS FOREVER.

It gives both the pedestrian and motorist a thrill to learn that the government is setting aside in the national parks "wilderness areas," which will be accessible only to hikers and horseback riders. The motorist will be glad to find something besides hot dog stands at the end of a journey: the pedestrian will be happy to be where he can't be hit by autos.

The first "wilderness area" has been staked off in Ranier National park. They are to be preserved in their natural state. No wagon or auto roads will be built; no tourist hotels to spoil the landscape. The wanderer can come in on foot or horseback, pitch his tent and rough it in earnest. The "wilderness areas" in Mt. Ranier have long been famous for their natural beauties. John Muir, one of the founders of our national park system, once described the spot as a perfect flower paradise, the richest of its kind he had ever seen.

The knowledge that modern civilization will never be permitted to encroach on this virgin territory and that other such areas are to be set aside at various points in the United States is good news to every Plymouth lover of outdoor life. There always will be a sanctuary to which a fellow can retire when the crowded cities and towns commence to "get on his nerves."

OUTLAWING WAR.

We haven't heard much talk around Plymouth of the new pact, recently signed by more than a score of nations, seeking to abolish war; and yet it ought to be widely discussed. Its importance should stamp it as a topic of discussion on the streets here and everywhere. The fact that the United States signed up with all the others to outlaw war, and that this country is really responsible for the agreement being drawn up, should make it of even more interest here than abroad. Yet it is the opposite, for they are talking of nothing else over there and we are discussing everything else over here. Can it be possible that the average man doesn't believe that war can be averted? Or is it that we think electing someone to the presidency of the United States for four years is more important than the prevention of war? Whatever the answer may be, the signing of the new peace pact ought to cause a lot of rejoicing, as we believe it is certain to do in the years to come when it is put to its first test.

THE RADIO SEASON.

Although radio is only ten years old, as a popular diversion it has already developed its peculiarities. One of them is that winter weather provides better conditions for transmission than summer. Recent development has made the radio set as good now, in the hottest weather, as it used to be in the winter time; but every "radio fan" around Plymouth knows there is something that keeps his set from giving as satisfactory service in hot weather as in cold. For that reason those who place much store in radio are not sorry that cooler weather is approaching. They are glad to see the return of fall and winter because it means far better radio reception, and naturally more and better entertainment at no increased cost.

YOUNG ROOSTER LAYS EGGS.

Atlantic City, N. J.—The prize exhibit at the Atlantic County Fair is a young cockerel who crows, has a rooster's comb and is reported to lay eggs. J. J. Wood, of Elwood, who found the peculiar bird in a hatch this year, said he will preserve the eggs and incubate them.

A SUCCESSFUL SIX NOW WINNING EVEN GREATER SUCCESS

SPECTACULAR SUCCESS
is proving it *Chief of the Sixes*

In the tremendous success which Pontiac Six is enjoying is ample reason for designating this great General Motors car "Chief of the Sixes." Never has any new car risen so rapidly in the estimation of motor car buyers for during the first six months of 1928, over 136,000 Pontiacs were sold—the largest volume ever achieved by any car during the first half of its third year in production! This great public acceptance tells more of what Pontiac offers at \$745 than even the most complete listing of such features as Fisher bodies, 186 cu. in. engine, the G-M-R cylinder head, cross-flow radiator, foot-controlled headlights, coincidental lock, etc., etc.! Come in for a ride today and learn why its sales sweep ever upward.

2 Door Sedan, \$745; Coupe, \$745; Sport Roadster, \$745; Phaeton, \$875; Cabriolet, \$795; 4 Door Sedan, \$825; Sport Landau Sedan, \$875; Oakland All-American Six, \$1045 to \$1265. All prices at factory. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.

THE THEATRE

"FOOLS FOR LUCK"

Police to the right of him, prison bars to the left of him, danger behind him and trouble before. So W. C. Fields shoots his way out in the Paramount picture, "Fools for Luck," which comes to the Penniman Allen Theatre Sunday and Monday, September 16 and 17th.

There are no jobs for the under-taker in this rollicking W. C. Fields - Chester Conklin team comedy, however. For Fields uses a pool cue instead of a gun.

He arrives in Huntersville in a borrowed automobile with two cubes of pool chalk in his pocket. The driver of the car eats four dollars worth of food and hands the check to Fields. A policeman loiters outside the door, picking his teeth, and the situation looks desperate.

Then Fields has an inspiration. He challenges Chester Conklin, proprietor of the restaurant, to a game of pool for the meal check, double or nothing, at stake. And Chester turns out to be pool champion of the town!

A fascinating love theme story adds heart interest to the thrills and laughs provided by the escapades of the slick promoter in this hilarious comedy of small town life, a comedy in which there is absolutely no distortion of characters but a wealth of richly humorous situations woven into a strong and highly interesting story.

Fields takes the part of the promoter who keeps himself out of the poor house by his wits and out of jail by the same method. Conklin is the substantial citizen of the small town whose chief interests are his wife, his beautiful daughter and his pool championship.

Sally Blaine, the beautiful girl, who took the feminine lead in the Wallace Berry-Raymond Hatton comedy, "Wife Savers," has the role of Conklin's daughter, belle of the town. Jack Lunden plays the juvenile male lead and there is a strong supporting cast including Arthur Housman, Mary Allen, Martha Mattox, Robert Dudley and Eugene Palette.

"FLYING LUCK"

Not all of the drama, tragedy or sentiment connected with a motion picture is mirrored on the screen for an audience to see. There are always little human touches behind the camera which are shown to fans only as they influence the emotional reactions of the players.

Such an incident was the use in "Flying Luck," the aviation comedy Monty Banks has just made for Pathe, of a parachute which had once belonged to Charles Nungesser, the famous French ace who was lost in attempting to fly across the Atlantic.

Monty Banks had known Charles Nungesser for some years, both in America and Europe. Several of the French air hero's friends in Hollywood were aware of this, and when Monty announced his intentions of making an aviation picture, one of them, Paul Whittier, presented him with the Nungesser parachute for use in "Flying Luck."

The parachute was given to Whittier by Nungesser when he left Hollywood at the conclusion of his last visit here, as a memento of their friendship. On the inside of the flap, Nungesser wrote his name with pen and ink, as well as the date of the presentation to Whittier, a wealthy young Californian who is greatly interested in aviation and is an officer in the National Guard Air Service in California.

Whittier's offer touched Monty greatly and in all sequences of "Flying Luck" which required a parachute, he used the one which had served Nungesser in many flights. In several of the scenes it is photographed at close range, and audiences will be able to distinguish it clearly.

While "Flying Luck," which will be seen at the Penniman Allen Theatre, Wednesday, September 19, is said to be one of the funniest comedies ever filmed, it has managed as well to treat the subject of aviation with a befitting dignity destined, according to reports, to do much toward furthering public interest in flying.

"HEART TO HEART"

A "ghost city" was restored not only in form, but in life, for use in First National's comedy-drama, "Heart to Heart," which comes to the Penniman Allen Theatre, Saturday, September 22.

Only one old-fashioned cottage survived fire, flood and salvage, and remained on First National Studio property to represent the little San Fernando village of Lynch, which has been "dead" for twenty-five years.

Now, with new buildings, representing an Eastern village for "Heart to Heart," Lynch has arisen again. Mary Astor, Lloyd Hughes and Louise Fazenda, featured players in "Heart to Heart," a lively comedy-drama, were its citizens. So were Thelma Todd, Raymond McKee, Lucien Littlefield, other members of the cast, about a hundred "extras," and, off-scene, Director William Beaudine and his production crew.

Lynch originally consisted of several cottages, a general store, and a fuel and grain market, on a "cross-roads." It was cut off from wagon-road connections by a flood that shifted the bed of the Los Angeles River. When the road was rebuilt to Burbank and Glendale, nearby towns, it missed

Lynch by a mile. So the "City" was sold to a rancher, and it became known as the Marth ranch.

Part of its buildings were sold, part burned in a fire. The motion picture village was built around the surviving relic and landmark of the original settlement.

Quality Stressed In Fair Exhibits

An exhibit which features the profit to be obtained from producing quality farm products is being shown at many local and sectional fairs by Michigan State College.

Six college departments have co-operated in preparing this exhibit which will be at St. Joseph, September 17-22; Ottawa and West Kent Fair, Marne, September 18-21; Muskegon, September 24-29; and the Upper Peninsula State Fair, Escanaba, September 17-22.

The production of quality meat, the importance of sanitation in making good butter; the need for proper soil treatment to grow high class grain, the importance of excellent seeds, the results of proper selection in livestock breeding, and the best methods of caring for the farm woodlot, are featured in the exhibit.

SHORT COURSE OPENS AT COLLEGE OCTOBER 29th.

Farm boys who can not leave the farm to attend the regular sessions at Michigan State College have an opportunity to learn the theoretical side of their business by attending the sixteen weeks short course which opens Monday, October 29th.

This course, which extends over two years, is designed to meet the needs of those who are actually operating a farm and who intend to continue that line of work.

THINKING out loud

Finally all the candidates have been notified of their nominations. We think it was a shame to keep them in suspense so long.

A taxicab company is considering going into the airplane business. We guess the company got the idea of high flying from studying the figures on its own tax meters.

Mr. and Mrs. Joseph Newman, of New York, have named their new twin boys Alfred and Herbert. Evidently taking no chances on this election.

A man in Chile who had been married fourteen times died the other day at the age of ninety. He should be laid to rest with military honors.

Tests prove that a man cannot fall faster than 118 miles an hour. What a relief!

They are wearing rubber bathing suits at Deauville now. Probably a concession to the rubbernecks.

Three young men who set out for Spain in a thirty-two-foot boat returned after going a short way because their water supply went bad. Well, they could have bathed in the ocean.

Farm relief is still the most frequent subject of political discussion. It seems as if the nation's leaders are afraid to do anything about it, for fear the solution of the problem will leave them with nothing to talk about.

As to the talking movies, the companies that are advertising their first "sound" pictures may be making an idle boast!

Ruth Elder is going into the movies now. We think she ought to feel quite at home among the stars.

A man put in jail in New York recently has quite a problem. He is a strict vegetarian, and so will not eat any of the food supplied by the prison. It has got so all the other prisoners are afraid he will start chewing their cauliflower ears!

"What's troubling you, little boy?"
"Ma's gone and drowned all the kittens."
"Dear Me! That's too bad."
"Yep, she—hoo-hoo—promised me I could do it."

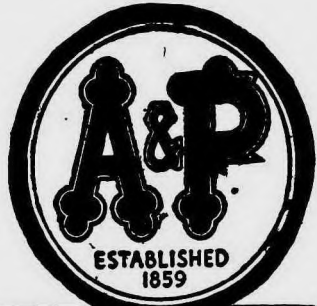

First Salesman—"Didn't the flies bother you up in your room last night?"
Second Ditto—"No, I put a piece of limburger cheese in the corner and parked them there all night."

FORCED TO SLEEP IN CHAIR—GAS SO BAD

"Nights I eat up in a chair, I had such stomach gas. I took Adlerika and nothing I eat hurts me now. I sleep fine."—Mrs. Glenn Butler.
Even the FIRST spoonful of Adlerika relieves gas on the stomach and removes astonishing amounts of old waste matter from the system. Makes you enjoy your meals and sleep better. No matter what you have tried for your stomach and bowels, Adlerika will surprise you. Beyer Pharmacy and Dodge Drug Co.

Owning a Home is a Great Thrill
Time to Start is Right Now

A strange and wonderful experience comes to a man who, for the first time, owns his home. So many people hope to own their own home eventually, set that as a goal in their lives, but set it too late. So if eventually why not now? Being in debt may seem a dangerous state and yet it is the healthiest possible state for a man with good health and normal brain if he gets in debt for such a necessity as a home. Thereafter he has a constant spur to his ambitions; he has a point on which he can focus his expenditures so that they bring him the greatest in health and happiness.

MERCHANTS WIN ANOTHER. TAKE PARKER-WEBB IN CAMP. 6-1.

Last Sunday Plymouth Merchants added another game to their long string of victories, but they had no easy time in doing it, as the Meat Packers were up and doing every minute.

Ziegler pitched for Detroit and allowed our boys nine hits for six runs.

With Walker on the mound for Plymouth, allowed the visitors only seven for four runs. Only in one inning did the Detroit boys look dangerous; this was in the sixth, when they scored three runs on three hits, but the old snail never left Ward, and with good support they were checked and never had another chance.

One of the features of the game was a nice catch by "Spike" and his timely hitting.

This coming Sunday, Sept. 16, the Merchants cross bats with the strong Birmingham Merchants out at Burroughs field at 3 p. m. The Birmingham boys are a strong class A team, so a good game is expected.

DE-HO-CO SWAMPS ROCHESTER.

Sunday, Sept. 9, Rochester went down to a crushing defeat at the hands of De-Ho-Co at De-Ho-Co park by the score of 17 to 2.

Rochester, who had defeated De-Ho-Co in their last meeting by the score of 4 to 2, were confident they could again take the measure of the Farmers. However, it didn't take long for them to realize the error of this idea. De-Ho-Co started out with a savage attack on Kage, Rochester's opening hurler, and found him for six hits and three runs in three and two-thirds innings. Cox then replaced him, with two out in the fourth, but the Farmers took an even greater liking to his offerings and scored four more runs off a base on balls, three singles and a home run before the third man could be retired. This ended the efforts of Cox as a pitcher, and Keyes came over from third to relieve him and finish the game. Keyes didn't fare much better, allowing nine hits and 20 runs in the last four innings, but he was the best that Rochester had left to offer.

While the De-Ho-Coites were fattening their batting averages at Rochester's expense, Constenneau, De-Ho-Co's hurler, was pitching a masterful game. He allowed but one base on balls, four hits for two runs and struck out ten men.

Next Sunday, Sept. 16, Holly, who are in second place in the inter-county league, just a game and a half behind De-Ho-Co, will make their first appearance at De-Ho-Co park. These teams have clashed twice previously, on Holly's home grounds, and honors were even. The first game ended 5 to 1 in favor of Holly and the second 5 to 2 in favor of De-Ho-Co.

De-Ho-Co must win this game if they are to retain the top berth, and the manager, realizing this will be no easy task, has ordered extra practice sessions, so as to insure the Farmers putting forth their best efforts. A large crowd is expected and it will be well for the local fans to be on hand early to insure good seats.

An interesting bit of information came to hand when it was learned that International league scouts were in the stands when De-Ho-Co played at the Livingston County fair at Howell last week, and that they were so impressed with the work of "Smiling Whitley" Martin, De-Ho-Co's star second sacker, that they offered him a contract to report to the Toronto Maple Leafs in the spring. It is understood that Martin will accept the offer.

Following is the box score of the Rochester-De-Ho-Co game and the inter-county league standings after Sunday's results:

The 2 GREATEST SEDAN VALUES

WORLD'S LOWEST PRICED SEDANS
 NOTABLE FOR QUALITY AND PERFORMANCE

If definite dollar-for-dollar value there are no 4-door 6-cylinder cars on the market comparable to the Whippet Four and Whippet Six Sedans.

This is true not only because these smart Sedans are the lowest priced in the world, but because they represent the most advanced ideas in automotive engineering, both mechanically and artistically.

The perfected Whippet Four offers such desirable features as full force-feed lubrication, silent timing chain, extra leg room and powerful 4-wheel brakes. The new Whippet Six, in addition, provides a 7-bearing crankshaft, in-line-strut pistons and other advantages.

Such notable values are possible only because of the skill and experience gained in the production of more than 2,000,000 motor cars.

Mr. and Mrs. L. L. Brown and son from Detroit, spent Thursday evening at the home of Mr. and Mrs. W. H. McKerrigan.

Mr. and Mrs. Arthur Johnson and children from Ypsilanti, were Sunday dinner guests of their parents, Mr. and Mrs. W. H. McKerrigan.

Miss Edith Peck and Wilbur Ebersole motored to Goodrich Sunday, spending the day with the former's parents, Mr. and Mrs. Chas. Peck.

Mrs. Jacob Warren entertained some friends Sunday in honor of James Silen, of Wayne. The occasion being his birthday. There were thirty-three present. Dinner was served and a good time was had by all.

The Waterford Ladies' Community Club met with Mrs. Laura Waterman last Thursday afternoon with about ten ladies present. The next meeting will be with Mrs. Mary Lou in three weeks, September 27th, the regular meeting date falling on Fair Week.

Mr. and Mrs. R. L. Briggs, Mr. and Mrs. Edwin Briggs, of Lonia; Mr. and Mrs. Glen Ward and daughter Jean, Mrs. Mary Ward, Mr. and Mrs. Loren Briggs and sons, and Mrs. Somersby and daughter, of Detroit; Mr. and Mrs. Luther Briggs, of Pontiac; Mr. and Mrs. Frank McGraw, Plymouth; and Charles Waterman and family, of this place, celebrated Mrs. Ida Hughes' birthday by having a picnic Saturday in Cass Benton Park.

It is better to be satisfied with your friends as they are than to be satisfied with yourself.

The man who is a good whistler never does much fretting about the tramps destroying the country.

PERRINSVILLE

Mr. and Mrs. Fillmore Myers and family called at George Bach's Sunday.

Mr. and Mrs. Wall and daughter and Mr. and Mrs. Holland and daughter spent Sunday at Huron Lake, catching three gold fish.

Mr. and Mrs. Howard Bach and Mr. and Mrs. George, of Detroit, spent Sunday with Mr. and Mrs. George Bach.

The Perrinsville M. E. church held their reunion Sunday, it being a great success. The ladies prepared a wonderful dinner, to which all did justice.

The ringing of the old bell called all to a wonderful service. The old choir took their places, with Mrs. Bertha Melstrom at the organ. Mr. Johnson opened the services with "Blessed Be the Tie That Binds," after which Mr. Stradman, former pastor, preached from the word "Struggle," which was understood for the occasion, "Old friends from Laingsburg, Birmingham, Strattonmoor, Northville, Plymouth, Wayne, Newburg, Brighton, Inkster and Detroit renewed old times. About 135 were in attendance. Giles Foster, of Laingsburg, came the farthest—85 miles. The oldest member present was Brother Foster, brother of Detroit, sang two beautiful songs, with Mrs. Landry and Mrs. Winchester accompanying on the organ. At the close all sang "God Be With You Till We Meet Again," which we hope will be next year.

Funeral services were held at Ann Arbor, September 12th and interment was made at Sherwood, Michigan.

Shell Motor Oil

Shows the Way to Carefree Motoring

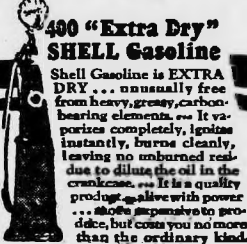

No matter where you drive or how you drive... it protects against friction and heat.

Only when you have complete confidence in your motor oil can you really enjoy today's high-speed motors and high-speed motoring. Such confidence comes as a matter of course when your crankcase contains a full measure of Shell. Drive for an hour or four for a week, you know that there is no need to worry about lubrication... that this sturdy, dependable oil will be a constant protection against heat and friction.

Shell Motor Oil meets modern requirements with ample in reserve. Crude oils, selected for their rich lubricating properties, form its base. The Shell refining process preserves intact all the natural heat resistance of the crude because no extremely high temperatures are employed. The result is an oil of just the right body... it flows freely, yet "stands the gaff." For carefree motoring use Shell Motor Oil exclusively.

NEWBURG

There will be no church service or Sunday school next Sabbath.

Rev. and Mrs. Johnson left Monday morning to attend the general conference at the Soc. They are motoring through.

Some changes have been made in the Sunday school. Mrs. Gilbert is teacher for the adult Bible class; Mrs. Carter, the boys' class; Sarah Lillian Carter is to have charge of the missionary program for the ensuing year. The yearly reports were very satisfactory. Collections for the past year amounted to \$294. The primary department, under the leadership of Mrs. Melvin Garbrie, is doing fine. Joy McNabb, who has been her assistant, is leaving for Albion college next Monday. She will be greatly missed in the various departments of the church.

A very pleasant afternoon was spent by the members of the L. A. S. last Wednesday at the home of the president, Mrs. Mac Stevens. Election of officers resulted in the re-stating of the past officers. They plan to hold their annual fair and home-coming Friday, October 26.

The Epworth Leagues of the district are to hold a festival at North Lake Saturday, the 29th. The young people are to furnish towels and the older people quinn fruit to be sold, the proceeds to go to the Bronson M. E. hospital at Kalamazoo.

Mrs. Mary White, of the Arnold Home, Detroit, spent the week-end with her niece, Mrs. J. Gansolly.

The Donovan family have returned to Detroit after spending the past three months at their summer home here.

Mr. and Mrs. George Oldenberg are acting as caretakers for the winter at the Donovan farm.

Mrs. C. E. Ryder called on Mrs. Sarah Wheeler at Plymouth last Saturday.

Mr. and Mrs. William Marvin have returned from their honeymoon and are living at Wayne.

Mr. and Mrs. J. F. Rousseau and daughter, Angeline, have been on an extended trip to Montreal and Quebec for the past two weeks.

Several from here attended the funeral of Mrs. Maggie Sherman Wednesday afternoon in Plymouth.

Back Home After Long Wedding Tour

MR. AND MRS. HARRY RACKHAM WILL MAKE HOME IN DETROIT.

Mr. and Mrs. Harry Rackham have returned to Northville, after an extensive wedding tour through the western states, where they visited a large number of interesting and historic spots.

Mrs. Rackham will be remembered as Miss Hattie Pagel, the daughter of Mr. and Mrs. Robert Pagel, of Plymouth, although for years she has made her home in Northville with her sister, Mrs. Floyd Shafer.

The young couple were married in Bowling Green, Ohio, August 8th, and the news of the event will come as a surprise to their hosts of friends both in Northville and Plymouth.

The bride is a graduate of the Northville high school in the class of 1913. For a number of years she has been employed in the Pere Marquette railway offices of Detroit, where she was chief manifest clerk in the operating department.

Mr. Rackham formerly lived on the Base Line road, but since selling his farm he has made his home in Detroit with his mother. He has been active in fair work in Northville for a number of years, due to his knowledge on fruit and his ability to arrange exhibits.

Many beautiful gifts will grace their home in Detroit, which will be opened for the reception of friends after October 15th. The best wishes of a wide circle of acquaintances in this community are extended to the happy couple. Northville Record.

LOCAL NEWS

The biggest "drive-away" in the history of airplane making took place in Northville Tuesday, when six giant Stinson monoplanes left for Mexico, where they will be entered into Mexican government commercial and mail service between Mexico City and Laredo, Texas. The planes were given their final tests Monday, and for hours they hummed over this vicinity. They are expected to reach Mexico City by the end of the present week. Dispatches from that point state that the planes will go into regular mail service on October 1.—Northville Record.

NEWBURG SCHOOL NOTES.

By Sara Jane Allen.

We opened school Sept. 4 and have three new teachers. Miss Viola Hartgrave is teacher in the primary room; Miss Meryl Buhel is teacher in the intermediate room, and Miss Maudie Harrison is teacher in the grammar room. The boys and girls were glad to get back to their studies and also to meet their new teachers.

Miss Jameson visited us Wednesday, Sept. 5.

We had our first citizenship meeting in the upper grade room Friday. We elected as officers: Lester Bassett, president; Irene Zielasko, vice-president; Arnold Zielasko, secretary and treasurer; Clarence Lavandowski and Geraldine Schmidt, health officers; Gladys Allen and Irene Zielasko were appointed as librarians and Sara Jane Allen was appointed to write school notes.

The first meeting of the Newburg P. T. A. was held Tuesday, Sept. 11.

Arline Gerhardt has been doing fast work.

We have two new pupils in the upper grade room. They are Geraldine Schmidt and Ruth Schmidt, of the Stark school. We are very glad to have them with us.

Everybody is enjoying the work with the new teachers and are beginning at once to study in earnest to make this a successful school year.

"The first of the month is one time," declares Dad Plymouth, "when every man ought to be tickled to death. It's not a bigamist."

Our Advertising

PERHAPS you have noticed, there are two kinds of advertising. One that offers enormous "bargains" at any and all times—the other, quiet and sincere, that tells the simple truth. We do not indulge in the loud or noisy kind. We do not believe that Barnum was right—people don't like to be fooled. Our advertising, like our merchandise is reliable and represents things exactly as they are; it does not have to be discounted to arrive at the truth.

Wrist Watches for Athletic Men

NOT only good looking watches but also the kind that are unaffected by the strenuous activity of the golfer and man who indulges in other sports.

ATLANTIC & PACIFIC REDUCES PRICE OF BREAD.

The Great Atlantic and Pacific Tea Company have reduced the retail price of bread, the new prices going into effect Wednesday, September 5th.

According to information from the Executive Offices in Detroit this step was not taken with the thought of price cutting in mind, but it is a condition brought about by a somewhat drastic decline in the Flour Market within the past few weeks, which enables them to manufacture their loaf at further savings to the consumer. This company is the first to make this announcement.

Some people are foolish because they were born that way, some because they can't help it, and still others because they are trying to ape someone else.

EPISCOPAL NOTES
Sunday, Sept. 16, is designated as home-coming day, a day when all people of the congregation who have been away during the summer or who for other reason have been absent from church are urged to come together in fellowship and worship at the beginning of our fall work. Last Sunday's congregation was one of the largest since Easter.
All children of the Sunday school are urged to come for a rally and hear of some of the new things we are doing and planning.
Our first young people's service was held last Sunday, with a small group present. This week we hope to have many more. The service will be brief and is followed by a social hour. Those who attended last week seemed to have a very good time, but we want more present. The hour is 5 o'clock. Those over 14 are eligible.
Boys and girls who have been making things for the children's corner are to bring them to Sunday school this week—crosses, prayer desk covers, whatever they have finished. The little children are asked not to forget to look for pictures of Bible stories; they can be found in many of the magazines. We want to be able to use our corner soon. Last week we put up five pictures.

PRESBYTERIAN NOTES.
The evening service was resumed last Sunday with an encouraging attendance. Next Sunday evening the subject is "Public Spirit" and should be of special interest to the young people.
The Ready Service class will meet at the manse on Tuesday, Sept. 18. After a pot-luck dinner the afternoon will be devoted to business and serving.
The Presbytery of Detroit meets in the new church at Brighton Monday and Tuesday of next week.
Rally day will be observed Sept. 30 in the First Presbyterian church.

METHODIST NOTES

"Study to show thyself approved unto God, a workman that needeth not to be ashamed."

Dr. and Mrs. Lendrum and Mr. and Mrs. First Lee, who have been attending general conference at Sault Ste. Marie this week, will be home tomorrow (Saturday) and Dr. Lendrum will preach as usual on Sunday.

The work in the different departments of the church is well under way now that vacation is over. There was a splendid number at the L. A. S. meeting last Wednesday, and the new president, Mrs. George Richwine, appointed the leaders of the circles as follows: No. 1, Mrs. James Honey; assistant, Mrs. William Utter; No. 2, Mrs. E. H. Partridge; assistant, Mrs. Arthur White. No. 3, Mrs. Luther Passage; assistant, Mrs. Ivan Gray. The circles will have their first meetings next Wednesday, Sept. 19, at the homes of their respective leaders, except circle No. 3, which will meet with Mrs. Ivan Gray.

The Missionary society met this week Wednesday at the home of Mrs. Jessie Nash. A fine co-operative dinner was served at noon and at 2:30 the president, Mrs. L. N. Dickerson, conducted the business meeting. This was followed by an interesting program in charge of the officers, who told of the work carried on by the society in Japan, India, the Philippine Islands and in the United States. Methods were outlined for meeting our opportunities for the ensuing year.

We are again having the mid-week prayer and praise service from 7:15 to 8 o'clock. They are very interesting as well as profitable and all who possibly can should attend these meetings.

PERRINSVILLE M. E. CHURCH
Rev. Wm. A. Johnson, Pastor
Tel. Plymouth 7103F5
Residence, Newburg.

The Home-coming of the Perrinsville Methodist Episcopal Church, scheduled for Sunday, September 16th, 1928, was a great success.

The invitation to "all who had ever attended" met with a response that was more than gratifying to the pastor. Those living of the former choir, were in their respective places, with Mrs. Harvey Meldrum at the organ. Frank Brown performed his old time duty of calling the people together by knocking the old bell put out her welcome.

Words of welcome by the pastor, Rev. Wm. A. Johnson and a short sermon by the former pastor, Rev. Steadman, were followed by a baptism.

Dr. Thad T. Smith, D. O., sang two selections, "The Road that Leads to Home," a poem by Edgar Guest set to music by Mrs. Junita Winchester Landry. Mrs. Landry played the accompaniment; also "The Little Old Fashioned Town" accompanied by Mrs. J. M. Winchester.

Through the untiring efforts of Mrs. H. Klatt and Mrs. M. Steindauer everything was in readiness at the church and grounds for this home-coming.

Giles Foster, of Laingsburg, and Frank Brown, the two oldest people there, took up the collection.

Rev. Steadman, the former pastor, cited the names of some of the faithful parishioners who have passed on, among whom were Mrs. May Fox, Leander Meldrum and Wm. Schunk.

Services are held at this church every Sunday at 7:30 P. M. Special Music.

CATHOLIC NOTES

The mission conducted by the Rev. C. Flynn, C. S. C., solemnly closed last Sunday night in the presence of a very large congregation and a number of the neighboring clergy. The departure ceremony is one that is most impressive and very dramatic in its effect. The church was beautifully decorated with flowers for the entire services, and much credit must be given to Miss M. Mertens for her lasting solicitude. A word of appreciation is hereby given to all for their faithfulness in whatever charge they were placed—the organist, choir, ushers, servers, janitor and the faithful. It is truly an inspiring sight to see the large numbers turn out for all the exercises. Loyalty is now the watchword.

The high masses will again be resumed from next Sunday on.

The ladies will receive holy communion next Sunday.

The children attending the grammar schools will resume their catechism and Bible history next Saturday at 9 o'clock. Let all be present.

The Ember days are next week, Wednesday, Friday and Saturday—days of fast and abstinence.

Nethem defeated the East Side Cleaners last Sunday at Newburg by the score of 17-2.

OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION

Plymouth, Mich., August 29, 1928. A regular meeting of the Village Commission in the village hall August 29, 1928, at 7:00 p. m.

Present: President Henderson, Commissioners Fisher, Nutting and Shear. Absent: Commissioner Pierce.

The minutes of the regular meeting held August 6 were read and approved.

A motion was presented by Comm. Shear, supported by Comm. Nutting, that paving assessments covering 42-foot pavements on the north and south side of Kellogg park be computed, as far as private property owners are concerned, on the basis of a 40-foot width. The village to meet the cost of the extra width. Carried.

A petition was presented by property owners residing upon Kellogg street south of Wing street requesting the extension of a water main in said street from Wing street one block south. It was moved by Comm. Nutting and supported by Comm. Fisher that the petition be approved and the main ordered installed. Carried.

A petition was presented by owners of property in that part of Sunset Addition lying north of Blanche street requesting that sanitary sewers be installed upon Auburn, Evergreen and Pacific avenues between Blanche street and Junction avenue. Upon motion by Comm. Fisher, seconded by Comm. Shear, the Commission decided to grant the petition conditional upon there being sufficient funds to cover the village share of the improvement. This petition was received from owners of property situated upon North Harvey street between Farmer street and Junction avenue requesting that the pavement being constructed upon Harvey street be extended to the south line of Junction avenue during the present construction season. It was moved by Comm. Fisher, supported by Comm. Nutting, that the petition be approved and the pavement ordered extended, the village to meet the cost of the pavement intersection at Farmer street and the balance to be assessed against abutting property; further, that the engineering firm of Hoag, Ducker, Shoecraft & Drury be instructed to prepare plans, specifications and estimates covering the proposed pavement extension; further, that the village clerk be directed to advertise a public hearing to be held upon same Sept. 17, 1928, at 7:30 p. m. Carried.

This was the time appointed for a public hearing relative to the construction of a cement concrete pavement upon North Mill street from North Main street to Starkweather avenue. The president announced the hearing and called for any objections or suggestions that citizens present might raise relative to the improvement in question. There were no objections.

The Commission approved the opening of bids at this time for the construction of a system of sanitary sewers in Auburn, Evergreen and Pacific avenues, plans and specifications for which were accepted by this Commission at a regular meeting held July 16, 1928, upon motion of Comm. Shear, supported by Comm. Fisher. Two proposals were received and these were referred to the engineer for tabulation.

The manager presented a request from village police on regular night duty that they be given one week of vacation with pay; same being presented with the manager's recommendation that the vacation be granted. Upon motion by Comm. Fisher, supported by Comm. Shear, the recommendation was approved.

It was moved by Comm. Shear, supported by Comm. Fisher, that proposals received for the purchase of \$27,000 special assessment storm sewer and paving general obligation bonds of the village be opened. The following proposals were received:

Detroit & Security Trust Co., interest rate, 4 1/2%; premium, \$52.00.
 Bank of Detroit, interest rate, 5%; premium, \$32.47.
 First National Company of Detroit, interest rate, 5%; premium, \$39.00.
 Stramban, Harris & Oatis, interest rate, 5 1/2%; premium, \$170.10.

Upon motion by Comm. Nutting, seconded by Comm. Pierce, the Commission accepted the bid of the Detroit & Security Trust Co. at 4 1/2%, the \$52.00 premium, by the following vote:

Ayes: President Henderson, Commissioners Fisher, Nutting and Shear. Nays: None. Carried.

The engineer presented a tabulation of the two proposals received for the construction of sanitary sewers in Virginia Park and Marsdale subdivisions. The bids were as follows:
 Frank Eddy, Ypsilanti \$4,720.14
 James Black, Northville \$3,319.50

It was moved by Comm. Nutting, supported by Comm. Fisher, that the bid of James Black, totaling \$3,319.50, be accepted and that the president and

clerk be authorized to sign a contract covering the work upon presentation of proper bonds by the contractor; further, that the bidding check of the unsuccessful bidder be returned to him by the clerk upon his signing a proper receipt. Carried unanimously.

A communication was received from the postmaster calling attention to the fact of a vicious dog being harbored by its owner on North Mill street, same being considered just grounds for the discontinuance of mail delivery to several houses in the immediate vicinity. The communication urged that the commission take steps to enact an ordinance at once to remedy this situation. Upon motion by Comm. Nutting, seconded by Comm. Shear, the Commission voted to file the communication and directed the manager and village attorney to survey the situation from a legal standpoint and report with recommendations at the next regular meeting.

The following bills were approved by the auditing committee:

Fire department	\$ 20.00
Carbide Electric Co.	112.35
Harry Gotschalk	17.55
Harold F. Humill	150.00
H. S. Lee Foundry	32

A. Harvey's Sons	66.80
Imperial Handle Co.	7.11
Kyess-Whitker Co.	12.89
Total	\$2,271.90

The following checks written since the last meeting were also approved:

Geo. W. Richwine, treas.	\$ 8.04
Labor payroll	1,780.48
Administration payroll	380.58
Emergency payroll	201.50
Police payroll	18.00
Ford payroll	287.50
Prod. Stranble	6.00
Ply. United Savings Bank	3,050.03
Total	\$5,721.73

It was moved by Comm. Shear, supported by Comm. Fisher, that bills and checks as approved be passed and ordered paid. Carried.

The clerk presented the minutes of a meeting of the Board of Cemetery Trustees held on August 4, 1928, at 2:15 p. m., for the approval of the Commission. Upon motion by Comm. Shear, supported by Comm. Nutting, the same were unanimously approved. Upon motion by Comm. Fisher, seconded by Comm. Nutting, the Commission adjourned.

J. W. Henderson, President.
 A. J. Koenig, Clerk.

Good picture-framing is a new art which has much to do with the increased popular appreciation of pictures, and the fact that pictures seem to have a new beauty in our eyes.

It has been discovered that the best way to bring out all that is lovely in a picture is to have it properly framed. One that seems dull may only need the right frame to bring it back to favor—perhaps a lighter, more colorful frame, toned to its colors. Instead of the old dull, heavy frame. Before discarding a picture that seems to have no charm, "try on" a more becoming frame, and see what a difference there will be.

MAKE DRAPERIES HANG STRAIGHT.

Sew tapered weights across the bottom of draperies on the inside of the hem and they will always hang trim and straight.

FRESHEN WITHERED APPLES.

Wash and clean withered apples and place in a stone crock filled with salt brine—one handful of salt to every three gallons of water. Change water every six hours until apples appear fresh.

KEEPS OLD POTATOES WHITE.

To prevent old potatoes from turning dark when cooked, add a teaspoon of vinegar to the water when it starts to boil. This will keep potatoes white and leaves no taste of vinegar afterward.

REMOVES WHITE SPOTS ON FURNITURE.

Dip a cloth in scalding water, place on spot, remove quickly and rub over spot with a dry cloth. Repeat, if necessary, and finish with a brisk rub with linseed oil.

SALT KILLS PLANT PESTS.

If you will fork a little salt around the inside of flower pots, baskets or boxes, it will kill any bugs that may be at the roots, and also act as a fertilizer.

EASY ICE-BOX MEALS.

If the ice-box meal is well planned and balanced, almost any family will welcome it once or twice a week—and 'tis a splendid change for the cook. One good menu is—iced cream of beet soup, stuffed pork tenderloin (sliced cold), potato chips, salad of mixed cooked vegetables molded in lemon-flavored gelatin, grape ice-box pudding, iced drink.

IF WAR VANISHED. PAIN AND SUFFERING. ABOLISHING POVERTY. PADLOCKS FOR HOMES.

That pact outlawing war is signed, and for the present, nations seem to take it seriously.

Suppose the improbable SHOULD happen and all nations suddenly abandon war. What would happen?

Earth's population has been regulated by WAR, DISEASE, FAMINE, Machinery and better government have practically eliminated famine.

Science has almost eliminated the plagues that killed wholesale. No more "Black Death." With war gone, what would prevent growth of population greater than the earth could sustain?

Divine Wisdom, ruling the earth, is probably able to solve that problem as it has taken care of others, including the most difficult, how to keep populations GROWING in spite of war, plague and famine.

The Rev. Dr. Amer, who teaches philosophy at Tufts College, says men should not seek to AVOID pain and suffering but to UNDERSTAND both.

That is better than the old theory that God actually wanted men to suffer.

When anesthetics were first used, the clergy of Britain denounced them as interfering with God's wishes.

God wishes us to suffer when we have our legs cut off, and men must not interfere with His plans by using chloroform, thus cheating the Lord, said the preachers.

An ingenious doctor answered to the confusion of clergymen, quoting the book of Genesis, asserting that the Lord was the One to use anesthetic when He "caused a deep sleep to fall upon Adam" before removing one of Adam's ribs to make Eve.

Men should understand pain and suffering, of course, as the reverend philosopher Amer says. But they should also concentrate on eliminating both by scientific means, and especially by abolishing poverty.

The best thing in Herbert Hoover's speech of acceptance, the best thing said by any Presidential candidate since Lincoln, was his statement expressing his hope that by giving every man a job, well paid, poverty may be made to disappear.

In Minnesota prohibition officials threaten to padlock wet homes.

Quite a surprise for the Minnesota ploughman homeward plodding his weary way, or children from the public schools to find the front and back door padlocked and be compelled to sleep in the garage.

One way to kill a thing is to make it ridiculous.

Seven thousand miles happens to be the distance in a straight line across the Pacific Ocean. Planes able to make that trip ought to interest us.

But we haven't any air ministry. Our Government doesn't yet realize that airplanes really exist. This nation, richest in the world, depends on private individuals to develop the airplane. We may pay for that some day and be compelled to call on British airplanes to help us as we had to call on British ships to help us in the big war.

What we are saving now on airplanes may cost us a thousand dollars for some fine day.

DOCTORS TRAIN FOR COOKING DEGREE.

Baltimore, Md.—Dr. George A. Harrop, Jr., has introduced a cooking course in the medical college of Johns Hopkins University.

A good doctor should be a good cook, is the belief of Dr. Harrop.

He believes medical students should know how food should be prepared to make it digestible and palatable, how it increases or diminishes in quantity while being cooked, and what combinations of dishes should be served for a meal.

SOME HORSE RACE!

New York, N. Y.—Vincent Scannu, 18, and Peter Canguena, 19, decided suddenly to celebrate with an old fashioned horse race.

The lads rented horses from a livery stable and soon the residents of a staid Brooklyn street were astonished to see two horses galloping at full tilt, "jockeys" riding them. Never had such a thing been seen before on a crowded city street.

The boys were fined \$5 each on the strength of an old ordinance forbidding horse racing on city streets. They were caught by a policeman who dashed after the horses and men in a modern taxicab.

Grain Yields Beat Old Time Harvests

MANY MICHIGAN GROWERS PRODUCE EXCELLENT CROPS OF SMALL GRAINS.

Old time tales of grain yields in Michigan do not sound so imposing when the list of winners in the production classes at the Michigan State Fair is examined.

Warner E. Hamsey, who placed first in the wheat production class, harvested 52.4 bushels of Berkley Rock wheat to the acre, and his crop was computed to be worth \$79.00 per acre. The late Ira H. Butterfield, long time friend of Michigan agriculture, sponsored the production classes at the State Fair.

Another high yield of wheat was 45.2 bushels of American Banner per acre, grown by J. H. Forrel, Charlotte; and other winners in the class were John English, Breckenridge; Fritz Mauney, Fairgrove; M. E. Parmelee, Hilliards; Rostor Peterson, Eaton Rapids; R. V. Beardshee, Owosso; and R. V. Tanner, of Jackson.

A yield of 92 bushels of oats to the acre won first place in the oat class for Charles Becker of A. Joseville. Prizes in this class were also won by Alfred Gruber, Frankmunick; Ralph Collins, Mt. Pleasant; Verne Wheaton, Charlotte; Roy Wright, Butterick; Joseph Deebuck, Montague; E. N. Kuriz, Grand Blanc; W. R. Kirk, Fairgrove, with a yield of 61.2 bushels. The other ribbon winners were: J. A. Thurman, Mt. Clemens; Ralph Collin, Mt. Pleasant; John English, Breckenridge; C. E. Shuley, St. Johns; Elmer Stockley, St. Johns; Fritz Mauney, Fairgrove; and J. H. Forrel, Charlotte.

The high yield of barley, 62.5 bushels per acre, was grown from pedigreed Spartan seed by F. A. Lundy, Coleman. Second place in this class went to W. R. Kirk, Fairgrove, with a yield of 61.2 bushels. The other ribbon winners were: J. A. Thurman, Mt. Clemens; Ralph Collin, Mt. Pleasant; John English, Breckenridge; C. E. Shuley, St. Johns; Elmer Stockley, St. Johns; Fritz Mauney, Fairgrove; and J. H. Forrel, Charlotte.

LOUIE HOP DOESN'T HOP.

San Francisco, California.—Louie Hop has croaked his last. He came from Orange County to participate in the jumping frog contest at the State Fair. He was all hopped up to win, and now his backers claim someone strangled him with a dry, tough Sacramento Valley fly.

Calvarias frog breeders scoff at the murder theory and declare Louie died from mortification after watching a Calvarias entry jump eight feet in practice!

Two Mountain Climbers Die in Alpine Tragedy

Vienna.—Two young Alpinists died and a third was rescued with frozen feet after being marooned for three days and nights as the sheer sides of Dachstein, the tallest peak of its range in the Austrian Alps. Four others in the party were uninjured.

The seven young mountain climbers had ascended about 8,000 of the 9,700 feet to the summit when they encountered a snowstorm.

They took shelter on a ledge. One youth, named Sturm went mad. His companions roped him to the rock, but he freed himself and disappeared over the precipice.

A rescue party climbed above them and lowered a rope. One by one they were drawn up, but as the fifth was being hoisted the rope broke and he was hurled back down the mountain-side to his death.

Before a new rope could be knotted together, night shut down and the last member of the party was forced to remain over another night.

CHANCERY NOTICE

Roger J. Vaughn, Attorney, STATE OF MICHIGAN, IN THE CIRCUIT COURT FOR THE COUNTY OF WAYNE IN CHANCERY. No. 161156

Miriam E. Beals, Plaintiff, vs. Luther Lincoln, Jr., Luther Lincoln, William Bradner, Jeremiah Scott, George W. Dunn, Peter Henries, and their unknown heirs, devisees, legatees and assigns, Defendants.

At a session of said Court, held in the courtroom in the City of Detroit, in said County, on the 8th day of August, A. D. 1928, Present: The Honorable DeWitt H. Merriam, Circuit Judge.

It appearing from the sworn Bill of Complaint herein, and the affidavit on file in this cause that it cannot be ascertained in what state or county Luther Lincoln, Jr., Luther Lincoln, Jeremiah Scott, George W. Dunn, Peter Henries, and their unknown heirs, devisees, legatees and assigns, are now living; and further that after diligent search and inquiry the names of the persons who are included as defendants in said Bill without being named are unascertained.

NOW, THEREFORE, on motion of Roger J. Vaughn, attorney for the plaintiff,

IT IS ORDERED that the defendants, Luther Lincoln, Jr., Luther Lincoln, William Bradner, Jeremiah Scott, George W. Dunn, Peter Henries, and their unknown heirs, devisees, legatees and assigns, and each of them, cause their appearance or appearances to be entered in this cause within three (3) months after the date hereof, and on default thereof, the Bill of Complaint heretofore filed in this cause be taken as confessed by such defendants as shall not have caused their appearance to be so entered, and

IT IS FURTHER ORDERED, that within twenty (20) days of the date of this cause a copy of this order to be published in The Plymouth Mail, a newspaper of general circulation in said County, and that such publication be continued once in each week for six (6) successive weeks.

A true copy DEWITT H. MERRIAM, Circuit Judge.

W. MEYER, Deputy Clerk. This action is brought to quiet title to land in the County of Wayne, State of Michigan, more particularly described as follows, to wit: Lot 1, Block 1, according to the plat of the said Village as recorded in the Register's office for Wayne County in Volume 16 of Deeds on page 301, and more particularly described as commencing at a point on the east line of Mill street 98.20 feet north of the intersection of said east line of Mill street with the north line of Plymouth road in said Village of Plymouth; thence continuing north along the east line of said Mill street 85.04 feet to an iron pipe monument; thence South 13.2 feet to an iron pipe monument; thence South 21.9 feet to an iron pipe monument; thence N. 87° 1' 30" W. 13.4 feet to an iron pipe monument at the place of beginning. Dated August 8, 1928.

The new Buick is the New Style

Graceful contours instead of straight lines—the gleam and sparkle of brilliant colors and chrome plating instead of drab effects... the most beautiful bodies ever built... Buick's masterpiece bodies by Fisher

At a time when motor car beauty was practically standardized—when imitation was the vogue—when there was a glaring lack of originality in body design—Buick has swept far beyond the commonplace and achieved a style which the entire country is acclaiming as the most distinctive and beautiful ever shown!

Fisher, the world's foremost builder of automobile bodies, has cooperated with Buick, the world's foremost builder of fine cars, to create a new mode—a new fashion—and so luminous is the result and so eagerly is the public welcoming it that Buick's great factories have reached new production levels in an effort to keep pace with an ever increasing demand!

Inside and out, the new Buick bodies by Fisher are the most beautiful ever built. Together with the wonderful new standards of performance introduced by the Silver Anniversary Buick, they are winning the greatest demand and the greatest preference ever enjoyed by any fine car!

The new Buick is the new style! And by that is meant, not merely a new type of beauty—not merely a thrilling turning point in body design—but a great countrywide vogue!

To Stand in Another's Shoes

which implies securing another's good fortune, is a saying which came from an ancient Hebrew custom of removing the shoe and giving it to another as the token of the passing of ownership. To stand in WALK-OVER shoes means good fortune for the wearer—real foot comfort. WALK OVER shoes fit well because there is a last for every known type of foot. They are made to hold their shape and they do. Careful workmanship prevents faulty construction and keeps your feet healthy.

Long Distance Rates Are Surprisingly Low For Instance:

for \$2.20

or less, between 4:30 a. m. and 7:00 p. m.

You can call the following points and talk for THREE MINUTES for the rates shown. Rates to other points are proportionately low.

From PLYMOUTH to	Day Station-to-Station Rate
BALTIMORE, Md.	\$2.00
CEDAR RAPIDS, Ia.	2.05
KNOXVILLE, Tenn.	2.20
PHILADELPHIA, Pa.	2.20

WASHINGTON, D. C.	2.05
WILMINGTON, Del.	2.20
READING, Pa.	2.05
ASHLAND, Wis.	2.20
LACROSSE, Wis.	2.05

The rates quoted are Station-to-Station Day rates, effective 4:30 a. m. to 7:00 p. m.

Evening Station-to-Station rates are effective 7:00 p. m. to 8:30 p. m., and Night Station-to-Station rates, 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one made to a certain telephone rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.

Additional rate information can be secured by calling the Long Distance operator

Homes that arouse the admiration of the passer-by—that give the architect and owner the satisfaction of a thing well done—are not common. In such houses the work of the architect is most prominent; it shows hours of applied study in home-planning.

We are pleased to offer for your inspection the A-A-HOME, built from plans executed by an architect of experience, a specialist in home designing. They are attractive and have a very homey interior. See them before building.
