

PLYMOUTH GETS ANOTHER FACTORY

NATIONAL WINDOW SHADE CO. WILL LOCATE IN PLYMOUTH

Ground Was Broken Last Saturday for Modern Factory Building in East Lawn Subdivision.

We are glad to announce this week that Plymouth is to have another industrial plant added to her list. The National Window Shade Company of Detroit and Minneapolis broke ground last Saturday for a new factory building on a site which they have purchased just north of the plant of the General Machine & Iron Works, Inc. and on the Toledo division of the Pere Marquette railroad.

The first unit of the new plant will be 50x240 feet, with a wing 100x40 feet, the whole to contain 15,000 square feet of floor space. The buildings will be of concrete and steel construction and will be modern in every particular, with ample space for offices, laboratory and work shop.

The company will manufacture the nationally known Mobas brand of window shade cloth, which finds a ready sale over the entire country. The company operates sales branches in Birmingham, Flint, Minneapolis, St. Paul and Detroit.

The owners of this new industry are Oscar A. and Frel W. Sabom. The Mail takes pleasure in welcoming these gentlemen to the industrial circles of Plymouth.

The bringing of this new industry to Plymouth was brought about through G. A. Bakewell, Plymouth industrial realtor. Mr. Bakewell has worked indefatigably upon this project and to his own personal efforts Plymouth is largely indebted for the bringing of this new industrial enterprise to the village. Mr. Bakewell is a go-getter and he is deserving of much credit for his efforts.

Roy Strenz, general building contractor, has the contract for erecting the new building and he has a large force of men rushing the work to an early completion. Mr. Strenz has erected a number of splendid homes in Plymouth and vicinity and his work has been highly satisfactory, and he is to be congratulated in securing the contract to erect this modern factory building.

The General Machine & Iron Works, Inc. has the contract for the steel work.

It is expected that the new plant will be ready to commence operations by the first of the year.

YES, THERE IS A "PILGRIM PRINTS" PAGE.

Madelon Shingleton.

A few nights ago one of the members of the "Pilgrim Prints" staff was in a real estate office and overheard the following conversation: "Gee, I'd like to find out about that debate. I'm interested in the 'ship subsidy' problem."

The member of the staff on hearing this said:

"Why, you can find anything concerning debates or anything else relating to high school activities in our 'Pilgrim Prints'."

"Pilgrim Prints? Why, what's that?"

So, in a few words, this will be explained. The "Pilgrim Prints" is a page in the Plymouth Mail. This column appears every week on the second page of Section Two and always has the same heading. So if you ever want any data concerning the school just remember that there is more than one page in the Plymouth Mail and "Pilgrim Prints" is one of them.

NEW BAKERY WILL OPEN

W. J. Stevenson will open a new bakery in the Conner building on Penniman avenue, Saturday, October 20th. Mr. Stevenson is an experienced baker and has conducted a bakery at Walled Lake for the past ten years. He will have at all times a full line of baked goods and will make a specialty of home-made bread. Mr. Stevenson extends a cordial invitation to the public to call and see him on opening day. See ad in today's Mail.

Mrs. Ola Stowel, of Lansing, visited Mrs. Sheldon Gale, of Palmer avenue, last week-end.

Officers And Teachers Banquet At Mayflower

STATE SUPERINTENDENT OF PUBLIC INSTRUCTION PIERCE MAKES PRINCIPAL ADDRESS.

The school officers and teachers of Zone B, Wayne county schools, held the third of a series of five get-together banquets at the Hotel Mayflower Wednesday evening, over one hundred school officers, their wives or guests and teachers sat down to the handsomely appointed tables in the crystal dining room at 6:45 o'clock. A splendid dinner was served, during which time the Plymouth High school orchestra rendered several selections in a most pleasing manner. Fred C. Fischer, deputy county school commissioner, presided as toastmaster over the program, the keynote of which was "Progress."

The principal address of the evening was given by State Superintendent of Public Instruction Pierce, of Lansing, who gave a very interesting and timely talk on "Progress Through Fellowship." Others who responded to talks were Miss Hazel Reddeman, of the Newburg school, on "Progress Through Co-operation"; Harry Wolf, of the Pierson school, on "Progress Through Understanding"; and Superintendent George A. Smith of the Plymouth school on "Progress Through Appreciation." Miss Sarah Pollock, of the Pierson school, rendered several piano selections that were especially pleasing.

Next Tuesday evening the school officers and teachers of Zone A and their guests will hold another banquet at the Hotel Mayflower.

KIWANIS CLUB CIRCUS COMING

UNDERPRIVILEGED CHILDREN TO RECEIVE BENEFIT OF ENTERTAINMENT ON NOV. 7 AND 8.

Albert Gayde, chairman of publicity for the event, in an interview today stated that the club had recently completed negotiations with Jack Flanz, of Ypsilanti, to assist them in an entertainment to be known as the Kiwanis Circus. The program will consist of several circus features by professionals with a wide reputation, assisted by the students of the Ypsilanti Normal school and several local Kiwanians.

Mr. Gayde went on to say that each year the club undertakes to provide the necessities and a limited amount of good things for the less fortunate children of the community. The entire profits of the effort, together with other funds to be raised, will be used for this worthy purpose. The club feels that the citizens of Plymouth are behind them in this work, and that they will lend their hearty support by attending one of the two evening shows to be given.

LOCAL FIRM SECURES AGENCY FOR OIL BURNER.

H. A. Sage & Son announce in a full page advertisement in today's Mail that they have secured the agency for the Noiseless Nokol oil burners for Plymouth and vicinity. The American Nokol corporation operates in Chicago the largest plant in America devoted to the making of automatic oil heating equipment. They manufacture all models of automatic oil heating equipment and can therefore give assurance that the installation in your home will bring all the comforts, conveniences, economies and benefits of automatic oil heat. The American Nokol corporation is the pioneer in the automatic oil burner industry.

H. A. Sage & Son will be pleased to give full information regarding the "Noiseless Nokol" to anyone who is interested. See the ad.

Brae Burn Golf Course One of Best In State

CLUB ESTABLISHES OFFICE IN PLYMOUTH, WHILE THE WORK OF CONSTRUCTION GOES ON.

The Brae Burn Golf and Country club has opened an office with Richard Bros. in the Tompkins Temple building on South Main street, Howard Hall, secretary of the club and a former Plymouth boy, is looking after the office, and expects to soon become a resident of Plymouth. Mr. Hall is very enthusiastic over the new course, which is now well under way of construction. The property is located at the west end of the Five Mile road, directly facing the county line of Wayne and Washtenaw counties, easily accessible by Five Mile road, Seven Mile road and other main thoroughfares. Sixteen fairways are now under construction, eleven being completed and seeded.

Brae Burn's golf property is exceptional. It has grassy dunes with water hazards, both as streams and a lake; fairways running beside heavy woods with long rolling contours, high plateaus and lovely little valleys to play through and cross as hazards. It is a superlative and practically ideal golf terrain. This feature is most important, because no matter how carefully one may lay out the various holes and diversify them, nevertheless, one must get the real thrill from nature. The made courses cannot compete with the natural ones.

Brae Burn's club house will be modern in every detail, giving the members and their families the cozy cheerfulness of the well-appointed country club without massiveness. It will include a large lounge, dining room, lunch room and facilities for dancing, card parties and other entertainment. In the locker room there will be a well-appointed locker lounge, while the ladies' locker room will have many individual features for their comfort.

The officers of the club are: J. N. McLaughlin, of the Detroit Steel Products, president; Hoyt Frasher, of the Fenester Steel Construction Co., Detroit, vice-president; Howard Hall, of the Peters Cartridge Co., secretary; Harold Bloom, of the Northville State Savings bank, treasurer; J. L. Johnson, of the Mayflower Drug Co., Plymouth, director.

The club now has a membership of one hundred members and eventually the membership is expected to reach three hundred and fifty.

Plymouth Hockey Club At Dearborn

R. Roe, manager of the Plymouth hockey club, last Sunday journeyed with his boys to the Olympia to play the first game of the season. The boys looked very snappy in the uniforms donated by the various Plymouth merchants, and the club wishes to thank them all for the interest shown them. The turnout of spectators was very large, and all agreed the game was a real battle for so early in the season. The boys feel they have a real town to play for and will do their utmost to keep Plymouth up at the top throughout the season. The score was 4 to 2 in favor of Dearborn. Douglas and Rutherford doing the honors for Plymouth. Lineup: Goal, Adelson; defense, Dobbs, Rutherford; forwards, Douglas, Gurdett; center, Block. Substitutes: Quirk, Farrell, Arnold. Plymouth will play the same team next Sunday morning, October 21, at Detroit Olympia. Game called at 11 o'clock. Let's go.

REBEKAH NOTES.

The Rebekahs that have birthdays in the months of October and November are giving a supper at 6:30 p. m. Friday, October 26, for all other members of the order. Please come on time and attend lodge afterward. There will be initiation and drill. The menu captain will be in charge.

Menu for supper: Fricassee of veal, mashed potatoes, creamed carrots, with peas, cabbage salad, pickles, coffee and assorted pies.

A pleasant evening was spent last Sunday at the home of Mrs. Fred Standish on North Harvey street, the occasion being her birthday celebration. Dinner was served at 6 o'clock. Those present from out of town were Mr. and Mrs. Miller, of Lansing.

Be sure to attend the Halloween party at the Masonic temple, Plymouth, Friday, October 26.

FIRST NUMBER ON LECTURE COURSE

RESERVE SEATS GO ON SALE AT COMMUNITY PHARMACY FRIDAY AND SATURDAY, OCTOBER 19-20.

The Junior Class in charge of the entertainment course announces the first number, John B. Ratto, nationally known impersonator, on Monday evening, October 22nd.

Mr. Ratto's programs are full of action and life with not a dull moment. Each impersonation naturally and logically follows the preceding one, making a panorama of associated characters.

John B. Ratto (Top) and a Group of Ratto Characters

He presents his characters in make-up penciling in full view of the audience, telling an appropriate story the while. Pencil finished, he turns to the table mirror, adjusts his wig and faces about to surprise his audience with the accuracy of a character distinct in appearance, speech and actions, and with a personality all its own.

John B. Ratto's impersonations are a platform attraction which will be long remembered in the community.

Reserve seats are obtainable at the Community Drug store, Friday and Saturday.

MUNICIPAL NOTES BY THE MANAGER

At the commission meeting held Monday evening a water main was ordered installed in Pacific avenue from Junction avenue to Farmer street, with a fire hydrant at the latter corner.

Plans, specifications and estimates were approved by the commission for the drainage of the area on high side of South Harvey street from Wing street to the creek. It is planned to have bids opened upon this project Monday evening, November 5. It is hoped to have this drainage in before the spring rains set in.

A dog ordinance requiring the licensing of all dogs, and the rigid control of all vicious and noisy dogs was given its first and second reading at the meeting Monday evening.

Figures presented at the commission meeting Monday evening indicate that as a result of the policy adopted by the commission last spring, to have all water gate manholes upon streets being paved constructed by the village instead of the contractors, a net saving of \$1,326.19 was brought about. This is but one of many instances that might be cited to indicate the watchfulness of the village administration over expenditure of public funds.

NEW TAILOR SHOP.

Mark J. Burkman has opened a new tailor shop in the Hough building on Penniman avenue. Mr. Burkman has had 25 years' experience in tailoring, and for the past 12 years has conducted a business in Ann Arbor. He will carry a nice line of goods in stock, as well as a large line of samples to select suits and overcoats from. He will also do dry cleaning and pressing. See his ad in today's Mail.

Annual Red Cross Membership Drive

PREPARATIONS NOW BEING MADE FOR OPENING OF THE ANNUAL RED CROSS CAMPAIGN.

On Monday, the 29th of this month, the annual drive for memberships in the American Red Cross will begin here in Plymouth as usual, and in addition thereto our citizens will be given the opportunity to contribute their fair share to the fund now being raised throughout the entire United States to care for the relief and suffering of those unfortunate people throughout the storm-stricken areas of Porto Rico and parts of Florida. This is a terrific need and one in which we feel certain every person in this prosperous community will be glad to contribute their share. In next week's issue of the Mail will be given a more detailed account of Red Cross activities, just where the booths will be located and by whom handled.

Mrs. C. H. Bennett, who has served as local chairman of this work for the past several years, has again consented to serve in this capacity for the coming campaign.

DEATH OF MRS. DAVID WEST-FALL.

Anna C. Marshall, daughter of Mary and Henry Marshall, was born in Canton township, September 23, 1846, and died at the home of her daughter, Mrs. George Hunter, Friday, Oct. 12. She was one of a family of four girls, all of whom preceded her to the great beyond. On December 31, 1864, she was united in marriage to David West-fall, of this place, and moved to Plymouth, where she spent the remainder of her life. To this union one daughter was born, Mrs. George Hunter. She was a lady of sterling character, and although closely confined to her home on account of ill-health, she was always powerful as the flowers that sway; thinking always of others rather than herself. She belonged to the Methodist church, of which her parents were followers. She leaves one daughter, Mrs. George Hunter; one granddaughter, Mrs. David Taylor, and one great-grandson, Vaughan Taylor; two nieces, of North Dakota, and a host of friends.

Funeral services were held Sunday afternoon at 3 o'clock at Schrader Bros. Funeral Home, Dr. F. A. Lendrum, of the Methodist church, officiating. Interment was in Riverside cemetery.

DEATH OF AN INFANT.

The friends of Mr. and Mrs. Frank Everett were deeply grieved the first of the week to hear of the death of their little infant daughter, Virginia Charlotte, aged seven months, who passed away at their home on West Ann Arbor street late Tuesday afternoon, October 16. Little Virginia had been ill for several weeks, and everything possible was done, but to no avail, as she grew steadily worse. She had been under treatment in Ann Arbor hospital, in fact, Mr. and Mrs. Everett only returned home with her Tuesday. Funeral services will be held this (Friday) afternoon at 2 o'clock from their home. Burial in Riverside cemetery.

God has taken home our darling. Placed another rose bud among His flowers.

He has taken back the child he lent us To a brighter, happier home than ours.

SPECIAL ATTRACTION AT LOCAL THEATRE.

The Penniman Allen theatre announce another big stage show for Sunday and Monday, October 21st and 22nd. The attraction will be Talbert, Kirby and Bryan in "Gobs" of Songs and Laughter. These artists are coming to Plymouth highly recommended as entertainers and a splendid evening's entertainment is in store for all who attend. The feature picture is Chester Conklin in "Taxi 13."

BOWLING.

G. Britcher is still leading for October prizes with 237; William Lomas, second, with 233. Other high scores rolled this week are: William Coddington, 230; William Freund, 231; Britcher, 232; E. Klinkay, 230; G. Pankow, 224; William Schlauf, 222; E. Melow, 222; D. Grow, 222. Five-man teams start their league next week, and a hot 12-team two-man starts the following week.

"ROSETIME," A MUSICAL COMEDY WITH A REAL PLOT

Will Be Given at High School Auditorium Tuesday and Wednesday, October 23-24.

Fire At Detroit Piston Ring Company's Plant

DISASTROUS FIRE BROKE OUT LAST FRIDAY AT THE NOON HOUR.

THREE FIRE DEPARTMENTS FIGHT BLAZE TO BRING IT UNDER CONTROL.

A most disastrous fire occurred last Friday at the noon hour when fire broke out in the north gable of the cupola room at the Detroit Piston Ring Company's plant. The local fire department responded quickly to the alarm, but, aided by a strong wind, the flames made steady headway in spite of the efforts of the firemen. It was at first thought that the fire could be confined to the north side of the plant, but the flames soon got into the roof of the main building and the front part of this was almost completely destroyed.

The fire departments of Northville and the Detroit House of Correction farm responded promptly when called upon for help, and both made quick runs to Plymouth, and upon their arrival here did splendid work in fighting the stubborn blaze.

Considerable damage was done to patterns and the interior of the plant.

The fire throws about fifty men out of employment temporarily. The plant will be rebuilt at once, which will be good news to the citizens of Plymouth.

Demonstrates Bullet-Proof Vest

LOCAL POLICE DEPARTMENT PURCHASES BULLET-PROOF VEST

A startling demonstration of the effectiveness of a new type of bullet proof vest, to be worn by police officers, was staged before the village commission and a sizable audience in the commission chamber Monday evening by A. J. Colby, of Detroit, a salesman for manufacturers of the vest. With no protection over his shirt for his body above the hip-olther than the vest which he was demonstrating, he asked George Springer, chief of police, to shoot him at a point just above the heart with his powerful 38 calibre service revolver. Though somewhat hesitant, Chief Springer complied with the request, shooting point blank at the spot indicated. The bullet merely penetrated the canvas covering of the flat sheet of very thin, tough steel which affords the required protection. As a result of this demonstration the commission authorized the purchase of one of these vests for the use of our police department.

MEETING OF THE D. A. R.

About twenty-two ladies of the Sarah Ann Cochran chapter of the local D. A. R. were present at the lovely home of Mrs. C. H. Bryan, in Northville, on Monday, October 15. This meeting was especially favored by the presence of Miss Gracie B. Krum, of the Burton Historical library in Detroit. Miss Krum gave a very instructive talk on "The Revolution of the Michigan Pioneer to the Revolution," which one of her position alone can give and make forecasting by the little episodes gleaned from this remarkable collection of books. After Miss Krum's talk Mrs. George Wilcox gave a report on the state conference held at Ypsilanti, which interested everyone present.

Tea was very prettily served by our gracious hostess and a very pleasant social time followed the meeting.

SURPRISE PARTY

T. B. Davis, one of Plymouth's oldest citizens, who resides with his daughter and husband, Mr. and Mrs. J. B. Pettigill, North Williams street, pleasantly passed his ninety-first birthday last week Thursday, October 11th. Late in the afternoon while driving with L. B. Warner, a company of relatives and friends gathered at his home, and on his return a surprise dinner was awaiting him. Mr. Davis received many post cards and other small gifts in remembrance of the occasion, among them being two large birthday cakes. Guests were present from Plymouth, Wayne, Trenton, and Fordson. During the evening, parlor picture shows were enjoyed and at a late hour the guests departed wishing him many happy returns of the day.

The Ladies' Auxiliary of the Ex-Service club will be entertained on Wednesday afternoon at the home of Mrs. Walter Ebert on Farmer street. All members are privileged to invite guests.

The musical comedy, "Rosetime," will be given by the Alumni association of Plymouth High school Tuesday and Wednesday, October 23 and 24, at the High School auditorium. The annual presents the comedy, knowing that it will be the hit of the season. The cast has been very carefully chosen and, under the direction of Miss Arthur, a very successful play is assured.

The leading roles will be in the hands of two of our most talented young artists, Virginia Giles and Harold Hubert. Ma and Pa Perkins, Jerry Hunter, Percy, Sam and Progs produce most of the humor, keeping the audience roaring through the entire evening. Others who will supply fun will be the town gossips, Julia Jones and Gail Tuttle-tale, Lizzie Brown. The role of movie actress will be played by Jacqueline, J. Dillingham Jones, manager of the Film Producing company, will receive special applause. The ladies of the ensemble will be there in great number and 16 choruses girls in all.

"Rosetime" is truly an outstanding success in every way, and those who are fortunate enough to see and hear it will agree with many other towns that it is easily in the class with "The Georgian Girl" and "The Pink Lady." Too much cannot be said of this wonderful production, and you cannot afford to miss it.

The audience may come prepared to witness a real performance and not just an ordinary show. You will be astonished at the splendor and variety offered in this play. The story really possesses a remarkable plot, that keeps the audience keyed up to the last. The play is filled with rare and delicate humor, as well as beauty and romance. The musical score has real melody and sweetness and most appropriate costumes.

The cast of characters is as follows:

Pa Perkins	Lawrence Rentonbury
Ma Perkins	Regina Polley
George Perkins	Virginia Giles
Jerry Hunter	Harold Hubert
J. Dillingham Jones	Willbur Murphy
Miss Jacqueline Deauxville	Evelyn Schrader
Props a Reilly	Jack Emens
Babe Burnett	Gladys Schrader

COUNTY-WIDE CLOTHING MEETING, OCTOBER 23.

Every woman enrolled in the clothing extension course with Miss Lois Corbett, home demonstration agent, is expected to attend the county-wide clothing meeting October 23 at 1:30 p. m. in the Episcopal church at Wayne.

Miss Irene Taylor, clothing specialist from the Michigan State college, will discuss "Standards of a well-dressed woman, how to know color, sources of color and design related to color." Miss Taylor will illustrate her talk with pictures, fabrics and garments which it would be difficult for the local leaders to obtain. Will you therefore make a special effort to come to Wayne on Tuesday to meet co-workers in the clothing project and hear Miss Taylor's discussion of the first lesson of the year?

DE-HO-CO WINS FINAL GAME OF SERIES.

By downing Ecorse State Bank, winners of the Down River league championship, by the score of 7 to 2 Sunday, October 14, at De-Ho-Co park, the De-Ho-Coltes brought to a close the series arranged to determine the champions of Wayne county. It had been previously erroneously reported that the series was to be two out of three games, while in reality the plans called for three out of five. However, De-Ho-Co, by defeating Ecorse in three consecutive games, ended the series and proved that they are the "Yankees" of Wayne county.

Ecorse, who had put up such a good fight the previous Sunday, only to finally succumb to a 7 to 5 score, came here determined to win the third game and prolong the series. However, they soon found out that they didn't have a hurler who could successfully cross up the De-Ho-Co heavy artillery, and after using three pitchers, finally became resigned to their fate.

The weather was too cool to be conducive to good baseball, and after the game "Cap" Denniston, manager of De-Ho-Co, stated that no more games would be played at De-Ho-Co park this year.

The Intercounty league is sponsoring a banquet, to be held at the Hotel Fort Shelby, Detroit, Saturday, October 27, and the members of the De-Ho-Co team are to be the guests of honor in commemoration of their winning the league championship. Tickets for the banquet may be purchased from A. B. Thompson, secretary of the De-Ho-Co team, at the Detroit House of Correction farm, Phoenix road, Plymouth, the charge being \$2.50 per plate.

NETHEM SWAMPS CHAMPIONS, 14-6.

Last Sunday, October 14, Nethem defeated the strong Motion Picture Operators' baseball team at Newburg. By doing this Nethem kept up its reputation of beating the strong teams and losing to the poor teams.

After giving his arm two months to get in condition, Remus hurled a eight-hit game and set ten men down on strikes in eight innings, when he was relieved by Coye.

Our boys were in a hitting mood, getting 17 hits. Johnny Schomberger and H. Coye each had three hits out of five times at bat, while R. Levandowski had two hits out of two times at bat and three walks.

As we understand, Sarp, who opposed us, is going to get a tryout with St. Louis, of the National league, so our boys can be proud of their victory.

By winning this game Nethem closed its season with 15 victories and 12 defeats and one tie game.

The Woman's Christian Temperance Union will meet Thursday, October 25, at 2:30 p. m. with Mrs. Clara Patterson Todd, 207 Ann Arbor street. The program will be in charge of Mrs. Phoebe Patterson, and it is expected there will be a speaker for the day. After the meeting a pot-luck supper will be served and the usual collection will be taken. Members are asked to please bring plate, cup, fork and spoon and thus lighten the work of the committee.

The Michigan Union of October says: "We are approaching November 6th, when the citizenry of the nation, which includes Christian people of all sects, will vote, and upon their ballots may depend the result of the election. Great issues are at stake, and there is need of prayer for Divine guidance. We are interested

in a just and fair solution of the problems at which political parties are at variance, but over-towering in importance is 'What will be the fate of prohibition in the coming election?'"

PERRINSVILLE

A good number from this vicinity and Newburg visited the Old People's Home at Chelsea Sunday, taking a good supply of vegetables and canned fruit. All enjoyed the services and the visit with the old ladies, who seem so happy.

Mr. and Mrs. Alonzo Hanchett and Mrs. Julia Pettibone attended church at Newburg Sunday.

The Ladies' Aid held a very pleasant meeting last Wednesday with Mrs. Nellie Byer.

Mr. and Mrs. Wallinger are driving a new Graham-Paige.

Mr. and Mrs. George Bachr and son, Clinton, spent Friday evening at Carl Hjerpie's, Detroit.

Frank Baird does not improve as fast as his friends wish for. He is in a hospital in Ann Arbor, where he is being treated for cancer.

Mrs. Martha Hix, Mrs. John Dethloff and Elmer Dethloff spent Wednesday with Mrs. Charles Wall.

Mr. and Mrs. James Cousins, of Wayne, spent Wednesday with Mr. and Mrs. John Byers, attending the Aid meeting.

Mrs. Anna Tate and Mrs. James Cousins called on Mrs. Julia Wolf on Wednesday, finding her improving as well as can be expected after her operation for cancer.

Mr. and Mrs. Elmer Dethloff, of Flint, and Mr. and Mrs. John Dethloff spent Sunday with Mr. and Mrs. Charles Wall.

BRIGGS SCHOOL NOTES

By Sec.-Treas., Nellie Vorbeck

Mr. Fisher was a caller at our school last Tuesday.

Mrs. Wolfe appointed a committee to make Halloween window decorations. The decorations consist of grinning Jack O' Lanterns, fierce looking black cats, and bats.

This month we are emphasizing our nature study and the pupils have brought in crickets, grasshoppers, caterpillars and we also have an aquarium in which we have two tadpoles, two bullheads and a pike; also other insects, for observation. The children enjoy nature study very much. At our meeting we moved and seconded that we have a Halloween party on the afternoon of October 31, 1928.

Gloco Liquid Hair Dressing

For Men, Women and Children

Gloco is far better than Brillantine as an aid to dressing the hair. Just a few drops on the brush makes the hair soft, lustrous and keeps it in place. For women can be used before a curl or marcel. If troubled with dandruff, apply liberally to scalp before a shampoo.

HOMES HOME BUILDERS

Are you thinking of building? Are you considering a house or a HOME? A house may be a shell, consisting of walls, floors and a roof, which represents only shelter and privacy without offering the owner any of the comforts of a home. The A-A-HOME is the result of thoughtful and careful planning and brings to you a house that represents all that the word HOME means in its truest sense.

LIVONIA UNION CHURCH NOTES.

A musicale and entertainment will be given at the Livonia Union church Friday evening, October 19. This entertainment will be given by the choir and glee club of the Thompson Avenue Baptist church (Negro), of which there will be about twenty-five in number. You should hear this entertainment, as it will be a rare treat to hear these Negroes sing the old plantation songs and melodies. Admission is only 35 cents for adults and 15 cents for children.

The Ladies Aid society will hold the next meeting at the home of Mrs. Jay Mills, on Sophia street, Thursday afternoon, October 25. As this is the annual meeting, it is sincerely hoped all members will be present to help elect new officers for the ensuing year.

The bazaar and chicken supper will be given December 12.

CATHOLIC NOTES

Sunday is Holy Communion Sunday for the ladies of the parish.

Next Wednesday night the ladies will sponsor a Bunco Party in the auditorium. An invitation is extended to all, October 24th at 8 o'clock. Come yourself and bring your friends.

Last Wednesday night the ladies entertained the men.

Instruction is given the children each Saturday morning at 9 o'clock. Dorothy Fish and Edwin Campbell will be united in marriage October 31st. Florence Miller and Arthur Watters were united in marriage and are now living in Detroit.

Mrs. Anthony Fleiger is confined to Providence hospital with a serious illness, but is slowly recovering.

The Rev. Thomas R. Carey has been appointed pastor of St. Thomas Church at Ann Arbor, to succeed the late Rev. R. J. Command.

Nethem conveniently downed the champions of the theatrical league last Sunday at Newburg.

The coal collection is being taken up during the month.

Nethem has entered a five men team in the bowling league.

There will be a meeting of all the young people next Monday night in the Mahogany room to arrange for the winter program of social events. Make every effort to be there.

Do not forget to register so you can vote on November 6th.

PRESBYTERIAN NOTES.

The joint meeting of the Northville Woman's Union and the Plymouth Woman's Auxiliary last week proved a great success. The attendance was large and the program presented by the Northville women was a real inspiration.
The Ready Service class held a very enjoyable meeting at the home of Mrs. August Haak, Perrinsville road, on Tuesday of this week. There was the usual excellent dinner, followed by a brief business meeting which showed the class to be in a very healthy condition financially. Then the women sewed for the bazaar. Scissors, needles and thimbles worked merrily until going home time. Much work was accomplished and all left feeling that the day had been well spent and that Mrs. Haak is an excellent hostess.

METHODIST NOTES

"God is the most potent quickener of personality the world has ever known."
As the Italy day services last Sunday morning, a splendid number of boys and girls were promoted from the Junior to the Senior department of the Sunday school and a class of boys and girls, from the primary to the Junior department. A number were also transferred to the Beginners' department from the Cradle Roll.

Dr. William H. Phelps, editor of the Michigan Christian Advocate, will preach Sunday morning.

According to the usual custom, we are again observing Church Training night every Wednesday evening, beginning with a cooperation supper at 6:30 followed by a Mission Study class under the leadership of Dr. Lendrum, a class in Bible study with Mrs. Whitney as leader, and a children's class under Mrs. Doerr. We have delightful times together and it is hoped that many families will join in this happy fellowship.

The Junior Missionary boys and girls will meet at the church next Wednesday immediately at the close of school. As we are starting our contest at this meeting it is hoped that all the boys and girls will be there.

Mrs. Passage's Circle L. A. S. is having a public Halloween Chicken dinner next Thursday evening, October 25th. A number of the High School orchestra will play for us during the dinner. See advertisement for menu.

EPISCOPAL NOTES

Supper will be served by the Women's Guild on Wednesday, October 24, at 6 p. m. Reservations should be made early.

The sacrament of holy baptism will be administered at 8:10 o'clock this Sunday.

Parish Halloween party Wednesday, October 31, at 7:30 p. m. Come and bring a friend.

Children's class in confirmation instructions Friday afternoons immediately after school, at 4 p. m.

How old should a person be before he is confirmed? That, of course, depends upon the individual. In most cases it is safe to say that as soon as a child expresses a real desire to take this step of fuller membership in the church he should be given the necessary instruction. Sometimes the child cannot be sure in his own mind until after he has begun his instructions. Usually any time after the age of 11 or 12 children are ready for confirmation. This does not mean that they are able to understand everything which the church has to teach. We are never able to do that, but we can begin at a very early age to grow into this knowledge, which becomes more complete through an earnest use of the sacraments of the church. The desire for confirmation should never be suppressed by parents because of the youth of a child.

School Notes.

The pupils of the Salem school have been very busy so far this year. They are all very much interested in their school work, and aside from that they have attended the autumn festival at Ypsilanti, also the first football game at Ann Arbor. They sang at Warden October 5, and the school girls gave Mr. Phillips a surprise. The choir is very busy practicing and an orchestra has been organized, consisting of seven pieces.

Eighteen new books have been added to the library in the primary room and Miss Anderson and her pupils wish to thank the school board for the gift. The pupils surely enjoy reading them.

Two new pupils have entered school. They are Charles Mallock and Pauline Kiser.

There was no school Thursday and Friday of this week on account of the teachers' institute at Detroit.

STARKWEATHER P. T. A.

On Wednesday evening, October 17, the second meeting of the Starkweather P. T. A. was held in the auditorium of the grade school.

The meeting was called to order by the president, Mrs. Ralph West, who announced we would open by singing "Our State P. T. A."

Mrs. Miles has the largest number of representatives present for her room, so the fifth grade will hold the banner for November. Two short plays were presented by the pupils of her room, which was an added incentive for mothers and fathers to come.

After the minutes of the September meeting were read the program was in charge of the Messrs. Starkweather, Kelpo, Stevens and Miles. The program was as follows:

Plano solo by Evelyn Starkweather.

"Carelessness Play," by several boys.

Violin solo by Dorris Hamill.

"Columbus Play," by several boys and girls.

Picture study and slides by Mrs. Ralph West.

Plano duet by Dorris Hamill and Evelyn Starkweather.

The November program is in charge of the Messrs. Springer, Kambou, Woodworth and Miss Balfour. The program committee announced that Miss Quinn, a social worker, who has just returned from Europe, would speak. Miss Balfour's pupils are going to put on a health play and there is to be special music.

We hope to see as large a crowd or larger at this November meeting.

CENTRAL SCHOOL P. T. A.

The Central School P. T. A. were hosts Monday evening, October 15, to the members of the Starkweather P. T. A. at a meeting held in the auditorium of the high school.

The meeting was called to order by the president, Mrs. C. H. Buzzard, and after a few preliminary remarks, was turned over to the second vice-president, Karl Hillmer, who welcomed the guests on behalf of the association. There was community singing by the audience and two very enjoyable vocal solos, "Memories" and "Rainona," sung by young Wendell Martin, whose clear young soprano voice is very pleasing and shows much promise.

The speaker of the evening, Mrs. J. K. Pettigill, president of the State Branch of Parent-Teachers' associations, gave a very enjoyable and interesting talk on the object of the parent-teacher movement, and all who heard her feel well repaid for their attendance at the meeting.

Following her address everyone enjoyed a short social hour, after which light refreshments were served.

NEWBURG

Sunday was a red letter day at the Newburg church, the occasion being the harvest festival. The altar was beautiful, surrounded with flowers, sheaves of corn, fruit and vegetables of all kinds, and 30 quarts of canned fruit. Mrs. Thomas had charge of the decorations. Rev. Johnson preached a fine sermon. Misses Anna and Ada Youngs sang two beautiful selections. Mrs. Johnson playing the organ. At 2 o'clock P.M. old and young gathered at the church with autos to carry the donations to the Old People's Home at Chelsea. Bidding the building that makes a home for 80 old people truly a beautiful place. A short program was given. Prayer and talk by Rev. Johnson; singing by Misses Anna and Ada Youngs. Mrs. Gladys Ryder gave an interesting reading, entitled, "The Wool-gathering," after which a social time was spent; also shown, over the building. There are only three rooms that are not taken. Altogether it was a very happy occasion.

About 70 attended the first entertainment given by the boys' club last Friday at the L. A. S. hall. Those young lads did fine in their music and singing and funny stunts. Mrs. J. McNaught and Mrs. Joy helping them out. They cleared \$11.45. They are anxious to organize the Boy Scouts. Quite a bit of amusement was created over the item in last week's Mail in regard to the committee for the fair. It should have read Mrs. Gladys Ryder, Mrs. Benish Smith and Miss Ada Youngs in charge of the dining room instead of the dining room.

Don't forget that the L. A. S. fair and homecoming will be held at the Gleason hall, just south of the L. A. S. hall, Friday, October 26. Let all of the old friends know about it. Chicken dinner will be served. See notice on front page.

Mr. and Mrs. Frank Meyers, Jr., of Detroit, were Sunday guests of Mr. and Mrs. Melvin Guthrie. Mrs. C. E. Ryder took lunch with Mrs. Bessie Dunning last Thursday and also called on Mrs. Tauch. Miss Alice Gilbert attended the Girl Reserves' setting-up conference at Talbot camp, near Brighton, over the weekend.

Miss Jay McNaught, of Albion college, spent the week-end at the parental home.

Donald Ryder, of the U. of M., spent over-Sunday at the home of his grandparents.

Mr. and Mrs. Melvin Guthrie called on their nephews, Freeman and James Gannell, Sunday afternoon, who are attending school at Monroe.

Mr. and Mrs. A. Kroeger are moving to Garden City this week. Their many friends are sorry to have them leave.

Mr. and Mrs. Melvin Clement have moved in to one part of the Horton house.

Mr. and Mrs. J. J. Wagoner of Garden City, spent the week-end with Rev. and Mrs. Johnson.

Mr. and Mrs. Frost, of the northern part of the state, were guests of Mr. and Mrs. Robert Holmes last week.

Special for this week Saturday, from 2 to 4 o'clock. One lot of felt hats for \$1.98. Good styles and wonderful quality. (For two-hours only.) Mrs. C. O. Dickerson, 122 N. Harvey street. 4811p

NEWBURG SCHOOL NOTES.

By Yvonne Horn.

The fifth grade have finished a poster on fire prevention.

The third, fourth and fifth grades have learned the poem, "Trees," by Joyce Kilmer.

Miss Youngs is coming to the school on Tuesday to play Indian music for the children.

Sarah Jane Allen has been out of school three days with a cold.

The upper grade room observed fire prevention week by making posters and giving reports. The room was divided into four groups. The pupils in the group that made the best poster in the time given were Geraldine Schmidt, Evelyn Suttner, Alice Bakewell, Marjorie Schoffer and Charles Padlock.

Clarence Levantowski and Alice Bakewell gave reports on "Causes of Fire and Fire Prevention."

Everyone had a very enjoyable evening at the parent-teachers' meeting last Tuesday evening. At the next parent-teachers' meeting Mr. Rounds, of the Detroit Automobile club, will be present. He will show pictures and talk on "Safety First in the School." He will also sing for us. We are hoping a large number of the parents will be present.

The early elementary grades are enjoying a study of the autumn leaves in nature study.

Charles Ryder is able to be in school again after a two weeks' absence.

Now All Accepted Models of Oil Burners to Meet the Heating Requirements of Every Home

Smiling faces . . . pride and joy
 . . . their own home at last . . .
 with clean automatic oil heat to
 protect their future health and
 happiness!

REALIZING that no one model of oil burner can adequately meet the heating requirements of every home, the American Nokol Corporation now offers all accepted models of Automatic Oil Heating Equipment in the complete Noiseless Nokol Line.

Model R

Few homes are exactly alike in their heating requirements. What may give your neighbor complete satisfaction may place a handicap on your heating system.

Manufacturers have in the past compelled their dealers to base their claims on one particular model of oil burning equipment, which naturally allowed prejudice to enter into their recommendations.

In the past few years many successful methods of burning oil satisfactorily have been developed.

But never before have all accepted models of oil burners been offered to you by one manufacturer. The American Nokol Corporation is in the unique position of being able to make recommendations without prejudice in favor of one particular model.

Our recommendations are based only on your actual heating requirements, for we have all accepted models of oil

burning equipment. With a Noiseless Nokol you are assured that you have the correct burner for your particular needs, a burner backed by twelve years of successful engineering development.

The American Nokol Corporation is the pioneer in Automatic Oil Heating Equipment for the home, and is the world's oldest and soundest manufacturer of automatic oil burners.

There is a Noiseless Nokol for every home and for every commercial heating requirement, at a range of price to fit every purse.

The Noiseless Nokol is quickly and easily installed. Out come the grates of your present furnace—in goes the burner.

No delay or inconvenience. Mail the coupon below for our attractive FREE book on modern home heating, and complete information on how easy and inexpensive it is to enjoy automatic oil heat.

A regular meeting of the Woman's Club will be held Friday, October 19th at 2:15 o'clock, at the Hotel Mayflower. New Shores and Ellis Island are main topics. An interesting program is promised.

Mr. and Mrs. Frank Loomis left this week for Washington, D. C., where they will spend the winter. Their grandchildren, Mr. and Mrs. Russell Hicks, motored from Washington to make the trip with them.

Mrs. Laura Thompson and son Thomas, of Northville, and Mr. and Mrs. Harry Sisson, of Novi, and Mrs. Belle Drayton and daughter Eileen spent Thursday evening with Mr. and Mrs. W. S. Thompson of Ward avenue, Detroit.

The Pythian Sisters are giving a public card party next Tuesday evening, October 23, at the new K. of P. hall, Ann Arbor street. Both five hundred and polo will be played. Refreshments will be served and prizes for winners. Don't forget the date. Everyone come and bring your friends.

Mrs. George Farwell entertained three tables at bridge Monday night at her home on Fairground avenue. When the hostess awarded the prizes she presented Mrs. Jacob Strench, who was Miss Margaret Strong before her recent marriage, with a surprise basket of shower gifts. The basket was covered with autumn leaves and contained a delightful assortment of kitchen utensils.

CANTON CLOTHING CLUB MEET.

The first chapter of the Canton Clothing club was held at the home of Mrs. Orrin Blackmore Wednesday, October 17. Mrs. Frank Palmer and Mrs. Perry Campbell were chosen as local leaders; Mrs. Sam Spicer, chairman; Mrs. J. M. Swegles, secretary-treasurer. The subject of the lesson was "The Well-dressed Woman." It was given by Mrs. Frank Palmer. The next meeting will be an open meeting for all who are interested in the work and will be held at Wayne in the Episcopal church Tuesday, October 23, at 1:30. Miss Taylor, of the Michigan State college, will be instructor.

A Halloween party will be given at the Masonic temple, Plymouth, Friday, October 26. Patterson's five-piece orchestra will furnish the music.

Mrs. Antle Cranson spent the week-end in Northville.

Mr. and Mrs. Oliver Goldsmith are making a motor trip through Kentucky, visiting at various points.

Mr. and Mrs. G. D. Roberts and Miss Frances Anderson spent the week-end at Marlette, guests of the latter's parents.

Helping The Dollars Roll In For Hoover

WHEN Mrs. Alfred G. Wilson took office as Chairman of the Wayne County Committee of the Hoover-Curtis Legion, Frank W. Blair, Chairman of the Michigan Finance Committee of the Republican National Committee, and Claude S. Briggs, Chairman of the Michigan Committee for the Legion, were present. Miss Mae Stuart, a stenographer, made the first contribution to Mrs. Wilson for the Legion. Mr. Blair is on the left and Claude S. Briggs and Miss Stuart on the right. From the first day, dollars began to roll in to the Legion fund, and Mrs. Wilson is confident of having Wayne County's quota more than subscribed in short order. The photograph was taken in Mrs. Wilson's offices, 1718 Buhl Building, which are headquarters for the Committee.

"Clipping" and "Sweating" IN FORMER TIMES GOLD COINS WERE THUS ROBBED OF PART OF THEIR VALUE.

Did you ever clip a coin? Probably not, but doubtless our ancestors did. Thrifty people not so many years ago rarely let a gold coin go through their hands without filing off some of the metal. They "sweated" coins, too, by shaking them in a bag for hours, afterwards collecting the tiny particles that became detached. The goldsmiths did a thriving business in "clippings and sweatings" which they were always

ready to buy. Of course, the currency suffered, but not the consciences of those who abused it. What every one did, every one condoned, with the exception of the storekeepers, who weighed each piece, accepting it not at its face value, but according to its weight.

The colored illustration that features the fifth folder in the "Money and Civilization Series," which is being distributed by the Plymouth United Savings Bank manages to tell this entire story at a glance. It has been said that the degree of any people's civilization can be told by their money and how they use it. Coins have been in existence for thousands of years, but the money of civilization belongs to the present. Only recently has it been controlled, and only within a comparatively few years has it been so universally accepted and believed in that

we no longer think of it—we take it for granted.

The long story of the slow and gradual development of money is being splendidly told in this series of folders. The relation of money to progress is too little understood. It takes a war or a social catastrophe such as some nations of Europe have been through in the last few years to make us appreciate the soundness of our money and the relation that it has to our peace of mind and our prosperity. No one can read these articles without a clearer and a more intelligent idea of this every-day subject that touches all of us so closely.

A barber supply dealer says men's characteristics may be told by the shade and thickness of their hair. Now only the bald man will be able to escape having his "hair read."

Searches Holy Land

for Ark of Covenant
Jerusalem.—A. F. Futterer, president of the Edendale Bible Institute of Los Angeles has ended a fruitless quest of two years for the Ark of the Covenant. He is engaged in one final exploration before returning to the United States. He says he will organize a more complete expedition to the Holy Land at a later date. Meanwhile, he has arranged with a powerful chief of the land of Nebo to continue the search.

STARK NOTES

There will be a special meeting of the Stark Parent-Teachers' Association Thursday, October 25th at 8 o'clock. Important business is to be discussed and every member is urged to come. A Halloween party will be given at the Stark school Wednesday, October 31st. Members and friends are cordially invited to come masked. Prizes given for the best costume.

Thinking Out Loud

We are also approaching the season when the only trouble with the sun is that it's too prodigal.

We read that an author has written an 80,000 word poem about war. Sherman was right when he said "War is hell."

Our idea of what modern business men call a "go-getter" is a fellow who has to go seven squares to get the auto he parked.

Any man in Plymouth could get a better job than he has if he could only use his obituary notice as a recommendation.

It's remarkable how city folks began to realize that the farmer needed better roads when the auto came into general use.

The last lap of many a joy ride is taken in either a hearse or a patrol wagon.

AROUND ABOUT US

THE Seven Mile road is now electric lighted all the way from Northville to Detroit.

Mrs. Charles Lasher, Sr., of Redford, recently celebrated her 93rd birthday.

After continuous service for over a quarter of a century as village clerk of Northville, Thomas Mordock has resigned the office.

A petition has been filed for a franchise to operate a bus line from Pontiac to Ann Arbor, the route to pass through Walled Lake, Wixom, New Hudson and South Lyon.

The members of the Northville Exchange and Rotary clubs were guests last week Wednesday of the Wayne County Training School, at the dedication of the new dining hall in the nurses home, which has just been completed.

An offer to provide a five-acre park in Farmington township, located east of Orchard Lake avenue, near 13-Mile road, was received by the Farmington township board at its meeting Tuesday night. The offer came from the "Playground and Recreation Association of America."

The Stout Air Services, Inc., announces that a new aerial taxi service has been inaugurated at the Dearborn airport. The service will operate from Dearborn to any point in the United States and Canada. Tariff will be based on a rate of \$1 per air mile, including the return trip to Dearborn, without charge for a 12-hour layover.

The village council of Milford has ordered four house-size placards to be placed at main intersecting roads leading to Milford. The signs will read: "Milford, in the heart of Huron River Valley. Paved streets, sanitary sewers, city water. Home of the General Motors, World's Largest Proving Ground."

W. B. Hodges, of Milford, is developing quite a business in potato sorters on which he secured a patent in 1914. Something like 300 are now said to be in use. The sorter is a simple arrangement of screens that not only sorts potatoes to size, but directs the sorted ones into sacks and the small ones into crates.

Workmen are demolishing the remaining walls of the old Bell Branch school house that burned down last May. It is expected that they will find the cornerstone to the building, formerly the Baptist church of Bell Branch. Historical and interesting documents would be brought to light if a cornerstone is located.—Redford Record.

Several sections of old log water pipes, laid 100 years ago in Detroit, were unearthed recently by workmen while digging in Larned street. The logs were tamarack and were bored with a three-inch hole in the center for the water to run through. The logs were laid in sections about ten feet long and joined with iron clamps.

China Curbs Dowry Costs

in Drive on Communism
Shanghai.—The Nationalistic government has decreed that mothers of marriageable daughters are entitled to no more than \$150 from future sons-in-law.

If the girl is a widow the limit is \$100. Nationalist authorities took action after examining evidence of profiteering by mothers, particularly in South China. Much of the Communist trouble, they say, has been due to the fact that spung men are attracted in large numbers by the Communist plea for free marriages.

By controlling the marriage market they believe they are striking indirectly at communism.

Shorter Names Would Save Business Millions

Paris.—The Society for the Saving of Time, a newly founded French efficiency organization, is for the shortening of names.

The group would like to see parliament pass a law limiting family names to five letters and Christian names to two. They figure that in the business world alone millions of dollars could be saved annually in salaries of typists and wear on machines if names were held down.

They suggest that Jo, Ed, Al, Lu, and Jk are just as high sounding as Joseph, Edward, Albert, Lucien and Jack.

Stowaway Cured

New York.—Betty Simpson of Ada, Okla., whose claim to the girls' stowaway championship is undisputed, is cured. Back from England, where she spent a month in jail for her specialty, she received word that George Brogan of Galena, Ill., was waiting to marry her.

The "whispering campaign" seems to have given way to a "roaring campaign."

OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION

Plymouth, Michigan October 1, 1928. A regular meeting of the Village Commission...

The minutes of the regular meeting held September 17th were read and approved.

The following report of the Board of Review was presented by the Manager:

Meeting of the Board of Review held in the Village Hall, September 22, 1928, from 8:00 o'clock A. M. to 5:00 o'clock P. M.

Present: Village Assessor, Arthur V. Jones; H. A. Smith; M. S. Strinzer. Absent: None.

This was the time appointed for review of the following special assessment paving rolls:

Roll No. 1. Street Location Amount. Adams-Church to Farmer \$11,927.46

Upon motion by Commissioner Shear supported by Commissioner Nutting, the Commission approved acceptance of the report and confirmation of the several rolls by the following vote:

Ayes: President Henderson, Commissioners Nutting, Pierce, and Shear. Nays: None.

The following communication from the Board of Review was presented by the Manager:

The Honorable Village Commission, Plymouth, Michigan. A review of the storm sewer roll covering the Harvey Street Storm Sewer Assessment district...

It has been determined that Lots 9, 10, 11, 12, and 13, of Kate E. Allen's Addition to Park Place...

It was moved by Commissioner Shear, supported by Commissioner Nutting that the determination and recommendation of the Board of Review...

It was moved by Commissioner Nutting, supported by Commissioner Shear, that the determination and recommendation of the Board of Review...

It was called to the attention of the Commission that the proceedings as concerns the assessment levied this summer are defective in that complete descriptions of the districts to be assessed were not contained in the publication of notices of public hearing...

The Manager called to the attention of the Commission the fact that through a clerical error contained in the minutes of the special meeting of September 10, 1928 the description of the pavement limits upon Ann Arbor street did not properly agree with the distribution of costs covering same.

It was moved by Commissioner Nutting, supported by Commissioner Shear, that the determination and recommendation of the Board of Review...

ing Ann Arbor street was improperly determined in that there was no division of the total costs of paving as between the portion of the street paved to a width of 42 feet and that paved to a width of 36 feet; and

WHEREAS, since approval of said minutes it has been determined that the Village share of the cost of paving East Penniman Avenue should properly be increased from \$774,933, as specified in said minutes, to \$1,038,329; and

WHEREAS, the determination of the costs of paving North Mill Street, as appearing in said minutes of September 10, 1928 was based upon a paving width of forty (40) feet, as originally planned, instead of a width of thirty-eight (38) feet as actually ordered installed, which alteration of plans necessarily requires a downward revision of total costs of paving and a redistribution of same as between the Village and the district to be assessed; therefore be it

RESOLVED, that this Commission should and hereby does correct the distribution of costs of paving as appearing in said minutes of September 10, 1928, as concerns the streets and portions of streets above mentioned, to read as follows:

Ann Arbor street, South Main Street to East Penniman Avenue (a) Total cost \$7,467.01 Village share 1,003.43

To be assessed \$6,463.58 Ann Arbor street, East Penniman Avenue to Hamilton Street, (b) Total cost \$10,487.79 Village share 2,467.22

To be assessed \$8,020.57 East Penniman Avenue, South Main Street to Ann Arbor street Total cost \$7,780.87 Village share 1,038.30

To be assessed \$6,742.46 North Mill street, North Main street to Starkweather Avenue. Total cost \$45,001.62 Village share 7,378.96

To be assessed \$37,622.66 To be assessed \$6,742.46 To be assessed \$6,742.46

RESOLVED, that this Commission does hereby accept and confirm the above determinations and distributions of paving costs in lieu of those appearing in said minutes of September 10, 1928, and does hereby direct the Village Assessor to assess those portions of the above detailed costs of pavements which are defined as being properly assessable against lots and portions of land deriving a particular benefit from said pavements, against the lots and parcels of land included in each of the said special assessment districts as nearly as may be in proportion to the benefits which each such parcel of land may receive by reason of the construction of such pavement, the amounts to be levied against each such special assessment district to be as follows, to wit:

Ann Arbor street Special Assessment District (a) Total chargeable to frontage \$6,463.58 Chargeable to Village (Park frontage) 2,891.75

Assessed to District (Difference) \$3,571.83 Ann Arbor street Special Assessment District (b) \$8,020.57 North Mill street Special Assessment District \$7,780.87

East Penniman Avenue Special Assessment District. Total chargeable to frontage \$6,742.46 Chargeable to Village (Park frontage) \$2,364.68

Assessed to District (Difference) \$3,507.78 To be assessed \$6,742.46 To be assessed \$6,742.46

RESOLVED, that the above special assessment rolls, same being rolls numbered 10 (a), 10 (b), 15 and 16, respectively, be reviewed by the Board of Review on Saturday, October 20, 1928, from 2:00 o'clock to 5:00 o'clock P. M. in the Commission Chamber at the Village Hall.

were read by the Clerk. It was moved by Comm. Pierce, supported by Comm. Shear that the reports be accepted and filed. Carried.

Mr. P. H. Deal, of the Michigan Federated Utilities, was present and extended an invitation to the members of the Commission and other Village officials to witness a demonstration of an inhalator Thursday evening, October 4th, same being a device to revive persons in danger of asphyxiation from gas, smoke, etc.

A request was presented by Betty Ruth in behalf of a client that the Commission order the vacating of a short street crossing west Pearl St., west of Starkweather Ave., said street not being used by the public nor likely to be in the future. Upon motion by Comm. Nutting, supported by Comm. Shear, the matter was referred to the Manager for investigation and report at the next meeting.

The following resolution was offered by Commissioner Nutting who moved its adoption, supported by Commissioner Shear:

WHEREAS, it has been called to the attention of the Commission of the Village of Plymouth that there is an omission in the records of the regular meeting of the twentieth day of June, 1927, in that the minutes of said meeting there is an omission of the following records:

"This being the time called for the leaving and proof of notice of said hearing held on the 10th day of June, 1927, vacating, discontinuing and abolishing all that parcel of land, platted as Blanch Street, according to the recorded plat of the William A. Blunk Addition, duly recorded in Liber 27 of Plats on Page 59, Wayne County, Michigan, Records, and vacating said street, a motion was made by Commissioner Henderson, seconded by Commissioner Hendorp, to confirm the vacating, discontinuing and abolishing of all that parcel of land, platted as Blanch Street, and this Commission does hereby declare said Blanch Street closed, vacated, discontinued and abolished, EXCEPT that said vacating, discontinuing and abolishing is not to affect, in any way, the streets and alleys intersecting the same, immediately upon the delivery to the Village of Plymouth, by the proper owners thereof, to-wit: William A. Blunk and Minnie M. Blunk, his widow, and Charles A. Fisher, a single man, of agreements to execute deeds conveying to the Village of Plymouth, the land actually taken, accepted, used and improved, and on which there has been public municipal labor and expense incurred, by said Village of Plymouth, as follows: Blanch Street, and also a parcel to be used as part of an eighteen foot alley, all to be dedicated in said deeds to said Village for street and alley purposes.

Ayes: Commissioners Henderson, Hendorp, Pierce and Learned and President Fisher. Nays: None.

THEREFORE BE IT RESOLVED, that the minutes of said meeting of June 20, 1927, be and the same are hereby amended to include the portion of the record that had been omitted, as above set forth.

Ayes: President Henderson, Commissioners Nutting, Pierce, and Shear. Nays: None.

Jim's Change of Luck

By ADALAI D. HUFF (Copyright)

ELIZABETH McNAIR rushed up the long narrow flight of stairs to the room in the boarding house. With quick movements she tossed her hat on a chair, slid her dress over her head and flung it on the bed, then stepped out of her high-heeled pumps and wriggled into floppy bedroom slippers, at the same time throwing a gay kimono around her slim young shoulders.

"Only nine minutes to bathe and dress," she said to herself as she patted swiftly down the hair. She sat down she splashed around in the tub—singing for pure joy—for this was her night, hers and Jim Newson's. For the time they forgot that she was a stenographer and he an unworldly salesman in Waring's underwear.

He doimed his tux and she her one little evening dress and they fared forth together laughing like the two happy children they were. They generally went to Beamans, a very modest restaurant where they slong like two gay butterflies.

On this particular evening her happiness died in her heart at the very first glimpse of Jim's face. "Jim Henry, what's the matter?" she asked.

"Nothing," he answered half-heartedly as he took her in his arms, "only I—I—don't want to tell you."

"You'll have to tell me why," she answered, her eyes dark with apprehension. "My lord, Betty," he said brokenly, "I'm a hot-headed fool. I ought to be shot, but—well, that dub of a floor-walker in my department at the store doesn't know his business and I tried to show him and I'm fired."

"Good gracious, I thought you'd killed somebody at least. What's losing a job! You can get another tomorrow. Come on. Let's go out. I'm starved."

He still hung back, but he could no longer resist, and soon they were seated at their little table in the restaurant. "Now this is pate de foie gras," she said, her eyes dancing as, with her fork, she tapped the edge of the dish that contained a stinky portion of plain, ordinary, beef liver.

"Maybe so," he said half-heartedly, "but I wouldn't know pate de whatever-you-call-it if I saw it."

"Neither should I," but I laughed Elizabeth lightly, "but I know from my two years of French in high school that foie means liver, and this is liver, isn't it? And I've heard rich people in books order it at their meals. And we are rich, you know."

"Very," he replied bitterly, with a catch in his voice. Her dark blue eyes shone with tears and he was quick to apologize. "Forgive me, Betty, but I can't help feeling sore. It's all my fault. I don't seem to be any good."

His voice was husky with feeling as he spoke and Betty wanted to slip around the table and put her arms about him. He always looked so tragic when he talked of money, but tonight he was worse than ever. He was almost desperate.

"Everything's going to turn out all right," she said softly. "See if it isn't. Now, let's plan our little bungalow all over again. I thought about something else in the night. Jim, we want to have little diamond-paned casement windows and I'm going to have red geraniums growing in them and wear a little blue-checked gingham apron, just like the pictures in the women's magazines. Won't it be darling?"

"My God, Betty, how can I play?" he asked desperately. At last the meal was over and they left their little table and started out. When they reached the door a big, well-dressed man spoke to Jim.

"This is Tom Connor, owner of the Connor department store," he explained. "I've found out who you are and where you work. I'm looking for some one to take charge of my men's department. You'll think I have peculiar business methods, but they work. I've got all my best men just in this way. When you find a fellow going to a moderately-priced restaurant with a nice, sweet-looking girl, you know that chap's got something in him. I've seen you come in here every Thursday for several weeks. If you take the job you'll be the third man I've got from here. Would you be interested? My store isn't as high class and exclusive as Waring's, but there's a good chance for promotion."

Connor waited, Newson was too staggered to speak, but Betty jumped into the breach. "Jim, couldn't you go down at lunch time tomorrow and talk with Mr. Connor?" she suggested.

"Why, yes," stammered Jim, "if it suits him."

"That'll be fine, Newson. I'll look for you at 12:30. Good-night," said Mr. Connor pleasantly, turning away. And as Jim and Betty walked home that evening everyone on the street seemed to be dancing for joy. At the corner Jim stopped suddenly.

"Betty, I hear bells," he said. "Don't you?"

And over the roar and din came the faint, interrupted sound of St. Mary's chimes heralding the coming of a new hour.

"Wedding bells," laughed Betty as she looked up into Jim's happy face. The site of the city of Plymouth, which was razed by Philip of Macedon in 400 B. C., has been found.

Ruth and Henry, the Twins

By AD SCHUSTER (Copyright)

RUTH and Henry Willis, twins, graduated from high school in the same class and together they made their plans for college. Then came a family disaster which separated them, ended the dream of college, and put them to work in distant cities. Each felt it was a particularly hard blow to the other.

Ruth was given a job as a stenographer. She lived with a relative, paying her board, and tried hard to be happy.

"It is all right for me," she said; "a girl doesn't have to be so well educated, but Henry ought to go to college. I wonder, if at the end of two years, he would quit work and take up studies again."

She said two years because in her businesslike way she had figured it would take her that long to save enough to help him through the first year. If it occurred to her that countless other young men were earning their own way through college, she dismissed the thought with an allowance for Henry who, doubtless, was working because he believed it to be his part.

"He will try to refuse," she decided, "because he won't wish to go to school while I work, but I'll make him accept."

She wrote to him telling how happy she was in her work and when she was made secretary to the manager, her message conveyed the impression that her highest ambition had been achieved.

"And I guess it is," she tried to convince herself, "only I wish they would not keep telling me I ought to cultivate my voice." At a club of young women in her church the voice was discovered. Ruth was made to sing and thus attracted the attention of those who saw the promise of real talent. Suddenly she knew she had found out what she wished to do above all else but the joy in the discovery was dampened by the realization of the obstacles.

It cannot be said she never thought of using the money she had saved for a musical education, but she put the thoughts aside, telling herself she was selfish. Henry could make better use of the money. He was of the sort that demand full mental equipment to do big things. In high school he had gone far enough to realize what was before, had been stimulated to high ideals, and then had been put to work in a shop. In a few years there would be nothing left of his ambitions and the man who could have become a leader would be a little less than an ordinary workman because he would have no heart for his task.

He could not be making much money or he would have told her. She pictured him struggling along with the vision of his youth fading away and the lines of work and discontent appearing on his face. Her Henry, the feeling of one twin for the other, Ruth stinted the harder and added to the store.

Two years passed and fall approached with the opening of college. The conservatory would open, too, and she had been offered a course there at half the regular fee. Ruth smiled as she sealed the envelope containing the drift to Henry for the sacrifice added to the pleasure of giving. She mailed the letter with a lighter heart than had been hers since the day of their graduation.

In the hall when she returned was a letter from Henry—Henry who would tell her of hard work and the hopes for success. He would not know she was reading between the lines. Pretty soon he would have her letter.

When she opened the letter she gasped for out of it fell a check, and for the same amount as the draft she had enclosed for him.

"I am making, sis, honest," he wrote. "I am making good and really have more money than I need. I thought, maybe, you could use this to go on with your studies, you know, like we planned."

"Easy." She pictured him saving on food and clothing to give her this and she knew now why he had not gone to college to earn his way through. He had planned this all the time and had kept it a secret and the girl who had done precisely the same thing for her brother vowed she had never heard of anything so wonderful.

"I'll use his money and he'll use mine," she said, "and we will put each other through college."

A dictionary has been compiled that is said to contain all the words used in business. We know some they wouldn't dare put in!

Civic Pride, a statue near New York's City Hall, gave threats of toppling over and causing an accident until a bronze bracelet was riveted to her arm. Just like a woman!

THE THEATRE

"TAXI 13."

Thrills—the real, breath-taking sort that keep you on the edge of your theatre seat—interspersed with hilarious comedy that makes you slink back against the cushion while you wipe tears of laughter from your eyes—suspense that holds the interest taut and induces you to really care what is going to happen next to the characters in the photoplay.

These are the elements, it is universally admitted, that make for success in a screen presentation and it is these that have been cleverly woven together by the masterly direction of Marshall Neilan in the FBO comedy drama, "Taxi 13," attraction coming to the Penniman Allen theatre Sunday and Monday, October 21-22.

With Chester Conklin, leading film comedian of the day, in the featured role of Angus MacTavish, a brow-beaten taxi driver with eleven children and a yearning for a new taxicab that leads him into underworld paths of danger, the high lights of the comedy situations are in capable hands. And Conklin is aided in the fun making by Lee Moran, the lanky star of many successful comedy films, and Martha Sleeper, who has gained a large following through her work in previous FBO offerings.

Ethel Wales plays Mrs. MacTavish. Aside from the comedy element, the thread of romance is handled by Miss Sleeper and Hugh Trevor. Charles Byer and Jerry Milley are in underworld roles, and the story, by W. Scott Darling, has an original and interesting theme developed by Director Marshall Neilan.

"CHARGE OF THE GAUCHOS."

Announcing that they have booked the "first real Gauncho picture ever filmed," "Charge of the Gauchos," a massive production, the Penniman Allen theatre is to run this spectacular feature, presented by FBO, and depicting the birth of the Argentine republic, Wednesday and Thursday, October 24-25.

This production is a massive super-feature, filmed with the co-operation of the Argentine government, who threw their historic archives open to the makers of the film, and its cost is said to have run up to a staggering figure. Not only was a large company, headed by Francis X. Bushman and Jacqueline Logan, transported to the South American republic, but thousands of soldiers and horsemen were enlisted for the epic battle scenes depicted in the film.

The high spot of the picture is said to be the thundering charge of the Gauchos, who, with bores a whirl, sweep down on the hosts of Spain in the far flung battle of Tucuman which witnessed the overthrow of the Spanish regime. To obtain these Gauchos who are widely scattered over the rolling pampas of the Argentine, FBO officials were obliged to recruit the services of the government and send scores of riders out in all directions for a thousand miles. These were obliged to make the most liberal inducements, to win the confidence of the Gauchos and to go into the most painstaking and prolonged negotiations with the chiefs of these hardy plainsmen before they could be finally won over to foregather at the film locations. Barracks were especially constructed to house the "extras" and in fact, a town practically built for their accommodation.

In addition, it was necessary to establish a pack train to convey the food and cameras and other accessories to the various locations which ranged over a territory of a thousand miles. Five hundred ponies were hired for this job and it was an inspiring sight to see them leading the pack train of over 2,500 miles in the march for picture thrills.

"POWER."

Romantic, thrilling comedy drama is William Boyd's new Pathe star vehicle, "Power," which comes to the Penniman Allen theatre on Saturday, October 27. Like Boyd's previous star picture, "Skyscraper," it is a big human story, but in no sense epic. That is the view of Ralph Block, producer of both productions named.

"We might easily have made an epic of this story," said Mr. Block recently, "but we believe that the public taste is for everyday characters, which theatre-goers appreciate best rather than the ideal characterizations which predominate in epic pictures. Husky and Handsome in this picture are two aerial workers who regard their perilous jobs as mere routine, their chief interest being in their relations with the softer sex. Their friendship splits apart, indeed, they indulge in some mutual gun-play, over Lorraine La Rue, a small town charmer; but in the end adversity brings them together again as they discover that the vamp has fooled 'em both."

Mr. Block was delighted with the production, the "rushes" of the Pacoima Dam scenes being spectacular in the extreme. Included in these scenes is the big thrill of Husky saving Handsome's life as the latter is about to fall off a boom at a great height into the reservoir below.

Director Higgin and Cameraman Marley filmed it from an overhead basket suspended from the high-line

cable that crosses the Pacoima gorge about 550 feet above the bed of the dam.

The company worked for several days at Gardena, where the amateur adventures of Husky and Handsome were filmed. William Boyd stars as Husky, Alan Hale as Handsome and Jacqueline Logan the vamp. Others in the cast are Jerry Drew, John Bennett, Carol Lombard and Pauline Curley. Tay Garnett wrote the story.

A REAL KING.

THE RIGHT ANSWER.
LADY ASTOR RETURNS.
AMERICAN ENGLISH.

King Zogu, of Albania, pulled down the flag of the republic and made himself king. A stalwart Albanian of the old kind that used to chase travelers with bear hounds, Zogu has modern ways, with a neat little moustache, clipping on both sides in the modern fashion, and more medals than Marshal Foch ever had.

Some asked will Zogu be a real king. But no more doubt. He arrested 200 conspirators against his throne, hanged eleven and will probably hang more.

The answer by President Coolidge and Secretary Kellogg to the French, British plan for a naval agreement notifies Europeans, none too soon, that this is an independent country, not a British or French dominion.

It is refreshing and reassuring to read in the plainest kind of English that the United States "cannot consent to proposals which would leave the door wide open to unlimited building of certain types of ships of a highly efficient combatant value (to France and England), and would impose restrictions only on those types peculiarly suitable to American needs."

This nation should now build what ever it NEEDS. Cruisers, submarines and airplanes, especially the last two. "We have the money," as Britain used to say, and should outbid France and Britain combined.

Lady Astor, born in Virginia, busy now in the House of Commons, returns to the United States saying, "The women of the world are organizing for peace." They have always been organizing for peace, and many factoring sons for war.

American "talking movies," seen and heard in England, arouse enthusiasm and prediction that the silent picture is doomed.

British critics suggest that American actors should "cultivate Oxford accent." They don't like our brand of English.

Perhaps the talking movies will teach them to like the American language, just as they have been taught by our silent movies to like American clothes and some other things.

Alcoholic drinks under prohibition are various. In the South "white milk," powerful alcohol made of corn, is popular.

In the Middle West, "neaded" beer is drunk by workmen. It is "clean" beer, originally containing no alcohol, but brought up to a high alcoholic percentage by "needing" it with alcohol, procured by redistilling denatured alcohol bought at gasoline stations.

New York City speakies, surrounding newspaper and other plants, sell "smoke," a deadly alcohol with a little ether added to give the cloudy, "smoke" effect. This drink is well described as follows: "Three shots and you know nothing until next day."

Doctors in New York discuss "How to fight old age."

Dr. Vincent says doctors "concentrate on old people after they are ill, instead of keeping them well."

Luigi Corruero solved his problem, starting at forty, when given up to die by doctors. He lived to one hundred and two, mounting his horse without assistance at ninety-five, and wrote to the Pope: "I had to live to be ninety years old to know that the world is beautiful."

He limited his diet to twelve ounces of solid food and fourteen ounces of light Italian wine per day. Think how long he might have lived if he had eliminated the fourteen ounces of wine and substituted fourteen ounces of good, pure, healthy, sparkling ice water.

Now that Gene Tunney is definitely married, he may achieve part of his wish to avoid publicity. The female element of the population is already evidencing a marked loss of interest in his doings.

COUNTY BOARD TO CONTINUE CONSTRUCTION AS LONG AS WEATHER PERMITS.

While officially the year of activities of the Board of County Road Commissioners closes September 3, road construction work is to be continued as long as weather conditions permit.

"Since making our annual report to the Board of Supervisors, we have poured 238,289 square yards of high concrete during September, adding seven and a half miles of new concrete road to our system and widening four and six-tenths miles from 16, 18 and 20 feet of concrete to our ultimate minimum width of 40 feet," Edward N. Hines, county road commissioner, said Saturday.

"If this new concrete were laid in a continuous stretch of roadway, 20 feet wide, it would total more than 20 miles of new concrete."

Commenting on the program laid out by the commission, Mr. Hines said:

"Widening of the Seven-Mile road from Grand River to Farmington road has been completed, and after the usual curing period the road will be opened on the new width for traffic. This formerly was an 18-foot road which has been widened to 40 feet, making a continuous stretch of 40-foot concrete road, 13 miles long, west from Woodward avenue to Farmington road.

"The Seven-Mile road, west from Farmington road, will be widened to 40 feet to the Village of Northville early in 1929. This will add approximately six miles to wider Seven-Mile road.

"The Six-Mile also has been widened from 20 feet of concrete to 40 feet from Wyoming avenue west to the Telegraph road, a distance of six miles.

TELEGRAPH WIDENED

Telegraph road, north from Flat Rock to West road, a distance of three and one-quarter miles, has been widened from 18 feet to 40 feet of concrete, and will be opened in its entire length shortly. This is a Federal Aid Road, partially financed by the State of Michigan and the Federal Government. We are urging its widening to 40 feet

north from the West road to Base Line road, an approximate distance of 2 1/2 miles.

"The Gibraltar road, extending from the intersection of Allen and Ford roads, west to the Village of Flat Rock, has been completed and will be opened shortly. Gibraltar road is a 20-foot concrete road, 40-foot over all, on a 120-foot right-of-way. It was built under the Covert Assessment District Law, whereby a portion of the cost is assessed against the benefited property owners. It forms an extension of the Will Carleton drive coming into Flat Rock from the west along the boundary lines of Monroe and Wayne counties.

"The Pelham road, another Covert Act road, has also been completed from the intersection of Goddard and Allen roads north to Oakwood boulevard, in the vicinity of the Ford airport, a total distance of five and one-half miles.

ADD TO SIX-MILE STRETCH

"An additional two miles of 20-foot concrete road, 40 feet over all, on a 120-foot right-of-way, also has been completed on the Six-Mile road, extending west from Middle Belt road to the Farmington road. This section on Six-Mile road will be opened to traffic shortly.

"The laying of two 36-foot pavements on the Outer Drive, north from the Rouge Park at the Plymouth road, has been completed to the Lusher road, just south of Five-Mile road. Trimming up the center space, planting trees and installing ornamental lights will be started at an early date, to make this beautiful boulevard truly representative of Detroit.

"Two mixers are also busy pouring concrete on the section of the Outer Drive from Warren to Ford roads, and we expect to complete this job late this month. The section of Outer Drive from Chalmers to Gratiot avenue has also been completed with respect to the concrete pavement. This section will also be planted and lighted at an early date.

"Ten miles of concrete has been completed and opened to traffic on the south side of the Base Line road from Van Dyke to Division road.

"The grading and installation of drainage structures is in progress on Base Line road, at the present time east from Van Dyke to Mack road, a distance of approximately six miles.

"With a few more days of Indian summer weather, we expect to com-

plete our entire 1928 road program. Work on bridge and grade separation structures is carried on continuously throughout the year, and numerous projects of this character are underway." —Detroit News.

Carrying Message of Safety to Children

The message of Safety was carried to more than 62,000 Michigan people during the month of September, by members of the Safety and Traffic division of the Detroit Automobile Club, according to a statement of H. O. Rounds, director of the Safety work.

In more than fifty cities and villages in southern Michigan, in the area covered by branches of the Detroit Automobile Club, the representatives of the Safety and Traffic division addressed meetings of Parent-Teacher associations, groups of citizens and thousands of school children.

Eighty-six safety clubs were organized and 148 patrols sponsored. At the meetings, moving pictures promoting safety education were shown, and eager interest manifested by the children in safety club work was very gratifying.

The idea of safety work in school is to train children to be unconsciously careful, to the end that child accidents and child fatalities may be reduced to a minimum. The children who form a safety club, pledge themselves not to play in the roadway; to stop and look both ways before crossing a street; to walk, facing traffic on the left side of a highway, and to refuse rides with strangers. These are considered fundamentals. In addition class work, supplemented by play and picture and safety talks make interesting programs for child club discussions.

The work will continue until every school in southern Michigan is organized. Mr. Rounds is assisted by Miles Bristol, organizer in the southeastern district, and Howard G. Arutz, in charge of the work in southwestern Michigan.

BEFORE THE TIME OF BANKS

In the 17th century the merchants of the city of London, having no banks in which to deposit their money, were accustomed to keep it in the Tower of London.

This was all very well until Charles I, finding himself in need of funds, forthwith appropriated 120,000 pounds of his subjects' money from the Tower.

With the facilities of this institution at your disposal, your funds are safe and always freely at your disposal. We invite you to open an account.

CLASSROOM EDITOR Evelyn Bailey

EDITORIAL

The staff hopes to become settled after while, but the athletic editor has found it a rather hard job to write down every play that is made during a football game, and so Lester Daly has volunteered to help him.

THE REASON WHY

Because of two assemblies the week of October 5, no assembly was held last week Wednesday. It was supposed to be a Senior High assembly but the fifth hour was used as a study period instead.

THE TRAVEL CLUB

Already the club has started traveling: two weeks ago the members traveled with Heloise Travis and Nettie Hawkins to the Catskills of Virginia and the country surrounding them, mainly the Shenandoah Valley.

It was decided that as we had already started with Virginia and as that was the first colony settled in America, we would continue just as America was developed. After the Virginia colony came the Pilgrims at Plymouth, Massachusetts, and so October 11, with Miss Asman and William Hake as leaders the club lived over again the landing of the Pilgrims and their hardships.

A YELL WRITING CONTEST

The H-Y are sponsoring a yell writing contest for the school—something that has not been done before in this town. There will be a prize for the best yell and possibly a separate one for both boys and girls.

OH, WHAT FUN!

It is the custom each year for the old teachers to initiate the new ones. This was done at a teachers' party given October 3 after school at Cass Benton park.

First the new teachers were initiated. Miss Caderet favored the crowd by singing "Looking Through the Knot-hole on Grandpa's Wooden Leg." Mr. Emens had to give his interpretation of the "Dance of Pan." He used a rod for Pan's Pipes. The boxing match between Miss Cooper and Miss Spiegleberg, refereed by Miss Caderet, was full of excitement.

Then came the supper of baked beans, baked sweet potatoes, buttered rolls, pickles, olives, coffee, cantaloupe and watermelon. Even if the pupils could not help eat the supper they smelled the ham while it was baking. After everyone was just as full as he could be, a treasure was staged. It started from a sign, went from there to a garbage can, then to some stepping stones, across a bridge, to a bridge post, a waste basket, an arrow, to a walk and then back to the sign. The treasure was hid near the sign and was found in an oven by Mrs. Wilcox. The treasure was good—a two-pound box of Mary Lee candies. And then as darkness was rapidly falling the party broke up and went home, each full of good eats and tired from laughing.

HISTORICAL CHARACTERS CLUB

The members of the Historical Characters Club, one of our new associations, are all working on a contest in the "Current Events" now. It is a contest dealing with all the presidents of the United States. The pictures are given and the students have to name these pictures and give various other information about each president. We hope that someone from our school will win one of the cash prizes offered.

OF THE STUDENTS, BY THE STUDENTS, FOR THE STUDENTS.

A most essential spoke in the wheel of school is the Student Council, the means by which the student body settles its social, financial and some disciplinary problems.

The council is formed after the major clubs and the classes elect one of two students which the officers of that club or class have recommended as capable of handling such affairs as will come up during the year.

This year the council consists of the following members: Senior class, Velda Letz; Junior class, Gerald Dondorp; sophomore class, Maurine Dunn; freshman class, Hugh Horton; eighth grade, Albert Miller; H-Y, William Hake; Senior Girl Reserves, Margaret Dunning; Forensic League, Harold Hubert; Commercial club, Leroy Simmons; football, Charles Beagle; faculty, Edna M. Allen, John R. Emens, James Perrine, Kenneth Matheson and George A. Smith.

MORE INITIATIONS.

We had about twenty babies in school last Wednesday and the queer thing was that they left their bonnets on all day. They wore half socks and carried baby bottles filled with milk. This was what the girls in the ninth and tenth grades, who were joining the Junior Girl Reserves, had to do.

On Thursday evening the formal initiation was held in the auditorium, and this was serious in tone. The club has taken for its motto for the year, "Highways are Happy-grams" and the girls are planning programs for the year following this idea.

A BRAND NEW MODEL OF 1858!

Yes, sir, James A. Williams brought to Miss Lyke's history class the other day an ancient pistol bearing that date which had been found in an old Indian graveyard. Needless to say, President Wilson took a back seat for the queer firearm. Who wouldn't rather recite today's lesson tomorrow when one can discuss "Injuns"? At first it was thought that it was at least two hundred years old, but closer inspection revealed the inscription, "Farmington and Colington, New Model, Sept., 1858." That leaves plenty of scope for indignation, however, if it is stretched a little. Can't you see in a dim forest dusky fingers clutching the clumsy revolver with its fluted barrel carrying lightning and thunder? A "paleface" hist him and his dark comrades carry him back to their encampment, burying him the next day with his weapons. Years later a farmer plowing his fields in a peaceful little town up-roots it long after the rest have become earth. And, then, rusty and dirty with a chamber missing, it is brought to school to be examined and discussed. Isn't this a mighty funny old world after all?

BRYANT AND FRINGED GENTIAN

English and flowers seldom cross so opportunely as this. It seems that the English eleven class studies American literature the first semester of the year and advanced composition the second. Just as they were studying one of our well-known writers of the Knickerbocker group, William Cullen Bryant, and his poem, "To the Fringed Gentian," our teacher came across a whole patch of gentians and brought a bouquet to school. As they are seemingly rare around these parts it was quite a surprise and one of them was passed around to be examined and studied. Of course, all the classes held that day in the room had

to be told all about them and why they were brought to school, and so a number of us let English rest and entered into a nature study. I do not mean in a "biological" way, but just in general, about the preservation of flowers so that they would multiply, and so on. There are many, many different kinds of gentians and these bloom only in the fall, about September and later. The closed and fringed varieties seen this year to be unusually plentiful for this teacher found acres of them and this was the first time she ever had found enough to dare to gather a bouquet. "Thou waitest late and comest alone. When woods are bare and birds are flown. And frosts and shortening days portend The aged year is near an end." Bryant.

FORDSON BARELY WINS.

Plymouth High suffered their third defeat of the season at the hands of Fordson High, 6 to 0, at the Plymouth football camp last Saturday afternoon. The result was expected, for Fordson is a class A school and had defeated two other class A teams this season. The touchdown came in the first quarter when A. Podlewski passed to Slo to, who made the lone touchdown. Although the home boys were beaten, they played their best game of the season, and if they keep their top form that they have now there is no doubt that they will win the remainder of the games.

First Quarter.

Lyke kicked off to Slo, who carried the ball back to the 41-yard line. Time out for Plymouth. W. Hnatls gained 12 yards through left ground, but lost five yards on an end run. Wolak gained six yards around right end. A pass was tried but fell incomplete. The next play was a pass from A. Podlewski to Slo, for the first down. W. Hnatls hit the line for three yards. On the next play Fordson's backfield was in motion before the ball was snapped and for this act they were penalized 15 yards. A. Podlewski gained four yards through left tackle. A Podlewski passed to Slo, who netted the first touchdown. The place kick did not go over the bar.

Fordson kicked to Miller, who ran it back to the 25-yard line. Fordson intercepted a pass, recovering the ball on Plymouth's 25-yard line. On the next play A. Podlewski carried the ball out of bound for no gain. Slo gained eight yards around end. Wolak made nine yards through the line. W. Hnatls was stopped for no gain. The same play was repeated, but no gain. E. Podlewski gained four yards through tackle. He tries the line again but is thrown for a loss of one yard. Plymouth receives the ball on their four-yard line. Herrick punted to Munnagh, but he fumbled it and Miller recovered. The next play was an incomplete pass, ending the quarter.

Score, Fordson 6, Plymouth 0.

Second Quarter.

Herrick punted out of bound. Fordson's ball on their 36-yard line. Janik is off-side and for this Fordson is penalized five yards. The ball is called back and given to Plymouth. Herrick lost two yards around left end. Lankert punted to Slo, and the ball is called back and Fordson penalized five yards for being off end. Lankert again punted to Slo, who fumbled and was recovered by Straub on the 30-yard line. Herrick lost two yards trying to get around end. Lankert punted to Slo, who was downed for no gain. W. Hnatls failed three times at center. Fordson punted to Lankert and he was stopped for no gain. A pass was tried but was incomplete. Herrick gained four yards around left end. Lankert punted to Fordson and they were held to no gain. E. Podlewski gained five yards on an end run. Plymouth recovered the ball on a fumble. Lankert lost 10 yards on a bad pass. Plymouth was penalized for stalling. Lankert punted to Hnatls. E. Podlewski gained three yards around right end. The same play was used as the first first half end.

Score, Fordson 6, Plymouth 0.

Third Quarter.

Plymouth kicked off to McBride, who ran it back to their 32-yard line. McBride lost one yard trying to break through center. He tried the line again and gained four yards. Fordson lost five yards trying an end run. McBride punted to Beagle. Herrick gained seven yards around left end. The next play was an incomplete pass. Fordson is penalized five yards for being off end. Plymouth fumbled the ball and it was scooped up by Janik, who was pulled down by Gust. This might have netted a touchdown if he had not been tackled by Gust. McBride tried end for no gain; the ball was brought back and Fordson penalized five yards for being off end. McBride netted 10 yards around left end. On the next play he lost three yards. E. Podlewski tried the center

of the line but failed. Fordson punted to Herrick, who gained eight yards. Beagle gained three yards through guard. Herrick made first down. He tried left end and gained one yard. Plymouth was penalized five yards for off-side. Herrick punted just as the third quarter ended.

Score, Fordson 6, Plymouth 0.

Fourth Quarter.

A. Podlewski tried to slip through guard, but was stopped for no gain. Fordson punted to Plymouth's 38-yard line, but the ball was called back. Fordson received a penalty of five yards for being off end. Fordson punted past the goal and then Plymouth kicked to Slo. Fordson failed to gain after trying three times at the line. Lankert received Fordson's punt, and carried it back to their 28-yard line. Herrick punted out of bound. Wolak ran 30 yards around right end. He tried to go around left end but was stopped for no gain. McBride gained nine yards through center. Fordson again tried line but the ball was brought back and Fordson penalized five yards for off end. A pass was knocked down. Plymouth's ball on their 32-yard line. Plymouth tries a pass and it fails incomplete. Herrick hits line for no gain. Herrick tries end run and loses nine yards. Beagle punted. Fordson receives ball on the first play tries to pass, but it is knocked down. McBride tries center of line and he fails to gain. E. Podlewski cuts through the line for two yards as the whistle ends the game.

Score, Fordson 6, Plymouth 0.

PLYMOUTH AT YPSI ROOSEVELT.

Plymouth will journey over to Ypsilanti to play their second league game of the season Saturday, October 20, at 10 o'clock. The strongest line-up of the season will face the Ypsi boys and it promises to be one of the best games yet to play. Let's try and support that team and make it the first victory for Plymouth High this fall.

BURN, FIRE, BURN.

Among the Campfire Girls this year we find Elaine and Mary Jane Hnatilton, Elizabeth and Christine Nichol, Janet Blickenstaff, Esther Egge, Jean Strong, Margaret Haskell as treasurer, Irene Humphries as secretary. Vera Woods as publicity chairman, Carrie Gorton as advancement chairman, and Zephora Blunk in charge of equipment.

The girls who are working for the Torch Bearer rank have organized Bive Bird groups, which are very active at the present time. Campfire headquarters, which are at Phoenix, Arizona, were burned last summer. A fund known as the Phoenix fund has been established to help pay for the new building. As their contribution the girls of the Plymouth club have sent twenty dollars.

At the home of Margaret Haskell the first ceremonial was held recently. After the fire fighting ceremony Indian legends were told and honors awarded. Gladys Zietsch obtained the Fire Makers' rank and Madeline Blunk and Ruth McConnell became members.

Plans for the coming year have been discussed, and it was decided that the girls will help the children of one of the free hospitals of Detroit. They will do this by making scrap books and paper dolls and sending them to the youngsters.

In the camp record book this year each girl is to design her own individual page. Camp averages range from 85.27 per cent to 93.6 per cent, which is higher than they ranged last year for the first marking period.

AND THE G. R.'S GO HIKING ALONG.

"Ninety-nine miles to go, ninety-nine miles to go. We'll walk a mile and rest a while; We've ninety-nine miles to go." Last Saturday morning ten Girl Reserves, with Miss Allen and Miss Asman, left the high school for the Girl Reserve camp, which they supposed was near Chelsea. They left in the gayest of spirits, planning to arrive about in time for dinner. On reaching Chelsea they inquired for Clear Lake and Camp Talahi, and obtained directions. They drove innumerable miles, noon-time passing and hunger staring them in the face, and still no camp. They finally decided to stop at a little store and call headquarters for necessary information. While Miss Allen put in the call the famished girls purchased nearly the entire stock of the small store. The "y" office informed them that the conference was being held at Lake Chillon, near Brighton. What discouraging news! But as the crowd had started for camp "a-camping they would go." After driving over beautiful stretches of country road for many miles, Camp Talahi was reached at five-thirty in the afternoon. What a tired but thankful delegation! Respective cabins found, the girls joined the many others in the lodge. The confer-

SENIOR CENSUS

Table with columns: Name, Present, Future. Lists names of students and their current/future roles.

There was being closed for the afternoon by an interesting discussion of the symbol. What is a symbol? It is something which produces an idea—an idea of finer and better things. The Girl Reserve, the pin, ring, uniform, all of these are fine examples of symbols.

At about six-thirty the supper gong sounded and the tables were immediately filled with chattering girls, all eager to eat. The meal was certainly enjoyed by the Plymouth members because it was their first meal since early morning except for pretzels, cheese crackers and Graham crackers, which are not wholly satisfying. All during the meal different tables led in singing, which lent much interest to the group. After supper the girls were given leave to go to cabins until seven-thirty.

A party was in store for the evening of that everyone was positive, and they looked forward to it with the greatest anticipation. At last the time had come. At one end of the big hall was an immense fireplace, which was exceedingly attractive with its flames of friendship ever burning. Games and dancing ensued for a time, during which everyone became acquainted. Later refreshments were served, consisting of fried cakes and cider. A very impressive ceremonial ended the evening's fun. All objects were carried out by torch light. After this everyone started for her cabin. (To-be) but it was cold. Blankets galore, but still chilly and nevertheless fun for all. After the girls finally settled down, snuggled in the camp and all was quiet.

Only two noon morning arrived and with it the noisy laughter and talking of the girls planning what they were going to do during the day. As breakfast wasn't to be served until eight-thirty, most everyone decided to like about and explore the unfamiliar countryside. Just a few took a morning plunge in the lake. At eight-thirty everyone was back, clamoring for food. Breakfast tasted so good after being out in the brisk morning air. A free period came after this meal, which lasted until seven-thirty, at which time a church service was held.

The large fireplace was decorated with beautiful autumn leaves and on the mantle among the leaves a tall, white candle gleamed. It was very beautiful and impressive. A choir chosen from girls at camp sang a special number and Miss Anderson of Detroit, gave a fine talk on the beautiful side of a Girl Reserve's life. At one o'clock Sunday dinner was served—the last meal in Camp Talahi. All were feeling sad to think of leaving dear Camp Talahi and all the fine new friends, but immediately after the meal good-byes were said and one of the finest, most inspirational conferences was at an end.

CENTRAL SCHOOL.

Madelon Shingleton. The kindergarten has lost two members, Leila Ornis and Dale Ostlund, who have moved away.

The first graders of Mrs. Root's room are divided into groups one and two. Group one is working hard to finish reading so as to read in the new Elson Primer. They are now reading the story entitled "The Good Rain."

In their silent reading seat work and they are checked on phrase recognition, given training on completion of sentence with correct phrases and tested on work recognition and comprehension. In their hand work they are cutting and coloring pretty Halloween decorations for the room. They have also made a border for the blackboard of a little girl with pumpkins and brownies hopping over the jack-o-lanterns.

There are six boys and girls in this room who have not been absent for tardy this semester. All who have a perfect record at the end of the term receive a reward. Miss Weatherhead's 2-A has a new pupil, Richard Halgey. Betty Mastick spelled the room down last week. Mrs. Halblay's 5-Bs have been making booklets concerning the life of Columbus and have learned many incidents concerning him. Joe Merritt received the highest in the reading test. Miss Orr's room has two clubs in hygiene to see which will have the best about and tardy. Miss Halblay's 6-A's have current events every Thursday. They have been making product maps of South America. A club dealing with citizenship has been started and all are very interested in it. Miss Schrader is teaching the boys and girls Halloween songs.

CLASS NEWS

At a class meeting of the seventh grade held recently, the following class officers were chosen: President, Bernice Delvo; vice-President, Robert Champ; Secretary and Treasurer, Rose Mary West. Daniel Chalmers was appointed by the newly elected officers to represent the 7th grade on the Student Council. The Junior class is giving the first dancing party of the season on Friday the 19th at eight o'clock in the high school auditorium. The six upper grades are invited, and tickets, which are twenty-five cents, are now on sale. Come on, folks, let's rush and give the Juniors a success. Music by Shaffer's orchestra. The senior class members, as a whole, are more than delighted with the results of last week which was picture-taking week. The fun derived from exchanging will soon be enjoyed.

INTERESTS OF DOMESTIC ART

The Wright Bias Binding Company sent an attractive exhibit of undergarments and dresses for use in the Home Economics classes. This exhibit showed possibilities of using bias tape for trimming. Included among the things exhibited was an undergarment wardrobe consisting partly of night-gowns, vests, slips, and slippers, made of pongee and trimmed with silk bias; also a pair of pajamas and negligee coat with over-night case made from silk broadcloth and trimmed with black buttons. The dresses were three of Japanese crepe, printed cutting and gingham, which were indeed good to look at.

STARKWEATHER NEWS

Madelon Shingleton. Frank Tombrello, of Miss Stader's room, has returned to school.

There are twelve children in this room having perfect teeth. Virginia Forshee has entered the second grade from Dixboro. The 4th A of Mrs. Moles' room have been learning the products of the Middle Atlantic States. The 7 B's are making maps of South America. Here is a poem that Miss Johnson's 6th A class have composed all by themselves:

To Mother In Autumn

The leaves are all scarlet and brown, Mother. The sky is a soft azure hue. The woods in warm colors abound, And you are as always so true. The roses are all dead and gone, Mother. The pleasures of autumn have flown, The chestnuts are all falling down, Mother. The sunset's a purple and wan, Mother. The robins has left with the rest, Mother. The cornstalks are crisp and snar, The wind plays the tune I like best, Mother. The glories of autumn is here.

WITH THE MUSIC CLASSES

Madelon Shingleton. The pupils in the sixth, seventh, eighth and ninth grades are beginning the Music Memory Contest. Miss Schrader plays different records on the phonograph and the pupils learn them home of each piece and the pupils write the title of it and the composers in the folders given to them. Those receiving perfect papers are awarded a gold pin, and the school having the most perfect papers wins ten dollars. Our own school won this two years ago. The first concert will be held October twenty-fourth. The seventh grade music classes are very interested in Current Events. The first part of each period is spent in the discussion of them and the last part in singing. The Girls Glee Club are working on the songs, "Annie's Honee," and "By The Waters of Minnetonka." The Boy's Glee Club are learning some of the good favorite Michigan songs.

THE ORCHESTRA

The first orchestra has fourteen members, several of which are new. Howard Dicks in place of Allan Strong at drums, Meredith Kahler in place of Louis Libber at Saxophone, Edwin Weber is playing Soprano saxophone and Norval Ayers is playing second violin. The second orchestra has fifteen members and they are very enthusiastic over their work.

Dr. Frank Crane Says

INVESTMENTS

It is often as hard to keep money safely as it is to get it in the first place.

The best rule for an investor is to consult those responsible people who make a business of studying the matter.

Go to your bank or to some established bond house and follow their advice. Don't listen to interested friends. Beware of people that have a sure thing.

The old rule is a good one, and that is that the larger the returns the more risky the investment. Don't imperil the safety of your capital just for the sake of one or two per cent interest.

Americans are said to sink one billion dollars a year in bad investments. This is simply because they act on the advice of friends instead of financial specialists.

In the words of a recent magazine, "Americans who pride themselves on being the most thoroughly money-wise people on earth, are annually putting a round billion dollars into dubious financial schemes, practically all of which is lost eventually."

We know how to make money and probably are the best money makers in the world, but we don't know how to invest it and take care of it.

Men are about as bad as women; in fact, if anything, women are the

shrewder of the two.

Don't go to your grocer or to a successful business friend, but to a financial expert for your advice. This is but common sense. You wouldn't go to your minister for medicine if you were sick. You wouldn't go to your doctor to talk about your soul. And when you want to talk about your money go to an expert.

The investment business is constantly growing more complex. It is impossible for any person of the ordinary type to make intelligent selections himself.

Any modern bank will supply you with an investment expert, and it is a good plan to listen to his advice. He may not offer you securities bringing great returns, but his counsel will be safe.

Even the wisest managers of their own business dare not trust their judgment in the matter of investments. There are so many securities on the market, some of them extremely hazardous and by badly managed concerns, that only one familiar with investments can weed these out and tell you what is safe.

Above all you do not want to imperil your principal, and the more money you have the more necessary it is to consult those who know and not follow your own judgment.

WORK

According to accepted traditions, work was a curse pronounced upon man by the deity when man was expelled from the Garden of Eden.

If this is true, then it is true that the curse of God is better than the blessing of man.

For there can hardly be any doubt that working for one's bread and butter and shelter is about the best thing that ever happened to a man.

Suppose all the teeming millions in New York were idle, that they had nothing to do but amuse themselves. It would not be a week before the city was burned down. It is the fact that most of us have to put in a certain number of hours a day in earning our livelihood that keeps us sane.

The sanest thing on earth is work. Men who devote their time to imagining, to theology, to philosophy, or to other speculations are fertile soil to all kinds of disorder. It is men who have to work that are the flywheel of every nation. As a rule they want things to remain as they are.

And as a rule they are the bulwark of morality. Crime news and divorce court scandals originate largely in the idle classes. Chesterton has said that when a man puts in ten hours a day

at street car driving he is not likely to be tangled up with the wife of some one else. He hasn't time even for his own wife.

The workers are the security of a country and the best guarantee of that country's prosperity.

The greatest menace of militarism is that a large body of men are kept in comparative idleness. If the millions under arms in Europe could be disbanded and go to work it would be the best insurance of peace.

How many a divorce trouble would be avoided if both man and woman were economically independent.

It was not a bad idea of the Jews of old to instruct their children in some useful trade. The best life insurance policy that a man can leave his family is to have them all so trained that they can make their own way in the world.

It is doubted that the man with the hoe, the laborer, should be the object of so much sentimental pity. For after all the man who knows how to use his hoe has a greater prospect of happiness in this world than the man that is left an endowment of a million dollars.

Today's Reflections

The best way yet devised to prevent bleeding at the nose is to keep your nose out of other people's business.

When a Plymouth citizen starts out hunting trouble he never has to carry a search warrant.

Why is it a woman will be perfectly truthful about everything but her age, her weight and the reason she bobbed her hair?

The Plymouth man who shows his respect for his wife by taking her a little candy now and then has it all over the fellow who waits until she is dead and then buys a \$20 floral piece.

Kisses are about the only thing that a woman can throw straight.

The fellow who takes the cake is generally the one who makes the dough.

Now we know what the "home-stretch" means. It's making the average salary cover the household expenses.

Sometimes a Plymouth boy gets tired explaining to his mother why he stays out so late. Then he gets married and spends the balance of his life explaining.

It would be a fine thing if every motorist around Plymouth would always remember when approaching a railroad crossing that a train going 60 miles an hour covers 88 feet a second.

To the 5000 who daily become owners of the new Ford car

THE service obligation of the Ford Motor Company and its dealer organization is now growing at the rate of 5000 cars a day. It is to these new car owners that this message is addressed.

The new Ford is a remarkably fine car for one that costs so little. It is simple in design, constructed of the finest materials, and built to unusually close measurements.

These are the reasons it performs so wonderfully. These are also the reasons its service requirements are so few and the up-keep cost so low.

When you receive your new car, the dealer will explain the simple little things that should be attended to at regular intervals to insure the best performance. He will also tell you something of his own facilities for doing this work promptly and at small cost.

With the purchase of your car, you are entitled to Free Inspection Service by your dealer at 500, 1000 and 1500 miles. This service is done by us and we urge you to take full advantage of it. Proper care during this breaking-in period means a great deal to the life of your car.

Included in the Free Inspection Service is a check-up of the battery, the generator charging rate, the distributor, the carburetor adjustment, lights, brakes, shock absorbers, tire inflation and steering gear. The engine oil is also changed and chassis lubricated.

No charge whatever is made for labor or materials incidental to this inspection service, except where repairs are necessary because of accident, neglect, or misuse.

The labor of changing the engine oil and lubricating the chassis is also free, although a charge is made for the new oil.

We believe that when you see the good effects of this inspection you will continue to have it done regularly throughout the life of your car.

Wherever you live, you will find the Ford dealer very helpful in keeping your car in good running order for many thousands of miles at a minimum of trouble and expense.

He operates under close factory supervision and has been trained and equipped to do this work promptly, thoroughly and economically.

Hints for the Home by Nancy Hart

Against the wall directly above the sideboard all your treasures of silver and glass must show themselves. If it is an uninteresting background, the beauty of each piece is dimmed. So too much thought cannot be given to the decoration of the over-sideboard space.

A fine mirror of color print reproduction of some Old Master painting is always appropriate for this use; a wall hanging of brocade in deep, rich colors makes a delightful background for old silver or porcelain.

But whatever you use, this space deserves very special consideration. For the sideboard is naturally the dominant decorative spot in the room.

SOUTHERN GOULASH

Cook a pound of chopped beef in 2 tablespoons butter for 5 minutes. Add 1 quart canned tomatoes, 1/2 cup quick-cooking tapioca, 1 green pepper and 1 onion, chopped. 2 teaspoons salt and a little Cayenne. Let simmer for half an hour; just before serving add 2 cups grated cheese.

PEACH AND PIMIENTO SALAD

Drain juice from can of sliced peaches; add 1 tablespoon vinegar and enough water to make a pint. Heat to boiling and dissolve in it one package lemon-flavored gelatin. When cool and about to thicken, add the peaches and one shredded pimiento. Mold and serve on lettuce with mayonnaise.

HINT FOR LINOLEUM FLOORS

Before laying linoleum, varnish the wrong side and lay it over a layer of thick brown paper. This will give you a damp-proof floor and makes the linoleum wear longer.

GOOD DISH FOR LITTLE FOLKS

Cook tops of bunch of celery in stock. In separate kettle cook a quantity of rice. When done, add to celery stock until mixture is quite thick. Add a little tomato juice or part of tomato and cook until rice is permeated with meat flavor.

Picked Up About Town

Dad Plymouth says he knows a fellow who thought he had influenza and by mistake took some gasoline for medicine. Now instead of sneezing he hanks.

A candidate never paves the way to office by throwing bricks at an opponent.

Speaking of balances, Dad Plymouth says no one can equal the candidate who carries water on his shoulder and a plat flask on his hip.

The road to heaven is straight enough but a lot of people wobble on the way.

According to Dad Plymouth the people who brag about going to Europe are not the ones who were over there in 1918.

Speaking about remembering things, Dad Plymouth says he can remember the time when the short-change grafter with the circus used to say: "Five and ten are thirty and ten is a dollar."

Shark Chases Fishermen for Two Days Off Havana

Havana.—Three excited fishermen drove a small motor boat into the harbor, rushed to the port captain and told him they had been chased for two days by a huge shark. A rifle squad of customs guards was sent out to give battle to the fish. The men said they were fishing for sharks when the big specimen reversed the procedure. They said the sea tiger had tried to overturn their craft and had nearly succeeded several times.

Dog Sorrows for Master He Accidentally Killed

Hillsboro, Ore.—A pet dog is sorrowing for his master here, but he does not realize that he was responsible for the man's death. All he knows is that William Glader does not come home any more. Mr. Glader and Mrs. Glader were out shooting squirrels. The dog came sniffing around the rifle which the man had placed in some bushes, and it exploded, killing Mr. Glader.

JUNIOR HIGH SCHOOL SOCCER LEAGUE.

Two weeks ago Wednesday the Junior High School Soccer League had its first game, the eighth and ninth grades participating, the eighth grade being the conqueror. In the second game, one week later, the ninth grade beat the seventh grade. The present standings are:

Grade	W.	L.	Pts.
Eighth	1	0	1300
Ninth	1	1	500
Seventh	0	1	000

The soccer league was organized by Coach Matheson for Junior high school students who could not participate in regular high school sports. The boys are much interested in it and are co-operating with the best of spirit and ability.

OBITUARY.

Ida Wilhelmine Procknow, nee Stabenau, was born in Detroit, April 6th, 1858. In her infancy she received the Sacrament of Holy Baptism. She attended catechetical instructions and was confirmed in the Lutheran faith in Immanuel Lutheran Church, Seventeenth and Pine Streets, Detroit. With her parents she then moved to the Ford Road in Nankin Township. Here she was united in marriage with William Hart. This union was blessed with six children, three of whom together with the father, preceded the mother into eternity. In March 1922 she was united in marriage with Fred Procknow. This union was blessed with four children. The greater part of the life of the deceased was spent in Wayne County. She was a member of St. John's Lutheran church at Wayne. She departed this life quite suddenly on Thursday, October 11th at her home near Plymouth. Her earthly pilgrimage was 40 years, 6 months and 5 days.

She leaves to mourn their loss, her husband, Fred Procknow; a father, Ferdinand Stabenau; five brothers, Albert, Otto, Rudolph, Walter and Edward; a sister, Mrs. Emma Procknow; three sons, Clarence, Fred and Arnold; five daughters, Gertrude, Francis, Gladys, Dorothy, and Virginia; besides other relatives and friends.

She was laid to rest on Monday, October 15th from the Schrader Funeral Home with interment in Riverside cemetery, Rev. O. J. Peters, of Wayne officiating.

Old Records Broken by Michigan Horses

CROWDS WATCH HORSE PULLING CONTESTS AT FIFTEEN COUNTY FAIRS.

The world's records for pulling held by Michigan horses last year have been broken this year by other Michigan teams, according to the records compiled from the horse pulling contests held at 15 Michigan fairs.

In the light team class, the new record pull, 2875 pounds, was made by a team owned by Allen Huskins, Ionia. The team weighs 2800 pounds and the record pull was made at the Ionia fair where 10,000 people watched the horse pulling contest.

A pair of pure-bred Belgians owned by the Lansing Excavating Company are the new record holders in the heavy team class. The record, 3175 pounds, was made at the Fowlerville Fair, October 4th.

The pulls are measured by a dynamometer to which the horses are hitched, and the pull made is a dead lift of the load for a distance of 27.5 feet. A pull of 3175 pounds on the dynamometer is equal to that made in keeping a load of 108 tons in motion on a level pavement.

Two dynamometers were needed this year to fill all the Fair dates at which horse pulling contests were scheduled. The contests were supervised by members of the animal husbandry department at Michigan State College who report that there is no decline in the popular interest in equine horsepower.

COMMISSIONER'S NOTICE

In the Matter of the Estate of EDWIN BARBER, Deceased. I, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioner to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that I will be at the Plymouth United Savings Bank, Plymouth, Mich., in said County, on Wednesday the 5th day of December A. D. 1928, and on Tuesday the 5th day of February A. D. 1929, at 2 o'clock P. M. of each of said days, for the purpose of examining and allowing said claims, and that four months from the 5th day of October A. D. 1928, were allowed by said Court for creditors to present their claims to us for examination and allowance.

Dated October 5th, 1928
ROY A. FISHER,
Commissioner.

PROBATE NOTICE

STATE OF MICHIGAN,
County of Wayne, ss.

No. 100612

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the second day of October in the year one thousand nine hundred and twenty-eight.

Present GEORGE M. READ, Judge of Probate.

In the Matter of the Estate of ROSINA G. BRONNER, Deceased.

KING COLOR
comes to decorate your home

Color for home decoration, inside and out, is the fashion. This is the age of color. Not to understand color is to be behind the times. You must know your colors if you would be truly in style.

You cannot afford to choose colors inadvisedly. Only quality paint can be authentic in color—beautiful, enduring, imperishable—the height of good taste and economy.

We are "THE HOUSE OF COLOR" for Acme Quality, the "Home of Color" for over forty years. Every exact, durable shade for inside and outside use is found in the Acme Quality line of paints, enamels, stains and lacquers. Let us help you select colors of enduring quality.

As a further aid see the first edition of the Acme book, "King Color Rules the Home," the last word in color selection and home decoration. Worth dollars. Yours for the mere cost of printing. Ask us to show it to you.
