

C. OF C. MEMBERSHIP CAMPAIGN NOW ON

Committees Have Been Appointed and The Campaign Started This Morning.

Plymouth Needs the Chamber of Commerce and Every Citizen's Loyal Support.

The annual membership campaign of the Plymouth Chamber of Commerce will get under way this Friday morning. Committees have been appointed with term captains, and a systematic canvass for memberships will be undertaken. The membership fee has been reduced from \$50.00 to \$25.00, and this can be made in easy payments.

The team captains and committees are as follows:

- W. T. Pettigill—E. O. Huston, A. E. Blunk.
- E. C. Lough—A. J. Koenig, C. H. Bennett.
- F. D. Schrader—Paul Hayward, Edward Gayde.
- E. J. Allison—William Wood, J. M. Larkins.
- Allan Horton—Paul Wiedman, J. B. Hubert.
- Carl Shear—Roy C. Streug, Roy Crowe.
- Paul Kutting—G. H. Robinson, C. O. Ball.
- Frank Rambo—A. Bakewell, H. F. Hamill.
- Russell A. Roe—R. J. Jolliffe, A. J. Richwine.

On the success of this membership campaign depends the future existence of the local Chamber of Commerce. We cannot afford to be without an organization of this kind. What it has accomplished in the past has more than recompensed the expense that it has been to its membership. With a larger membership fee a great deal more can be accomplished.

We do not stop to think of the many things the Chamber of Commerce has done for Plymouth. It might be well to state that they were back of the paving program of last year, the new window shade factory now in operation, the new textile factory now in course of construction, innumerable other smaller matters that have been brought to Plymouth through the efforts put forth by the officers of the C. of C.

Just what we get out of the Chamber of Commerce depends upon what we put into it. We need this organization, and it is up to every business man to get back of it and give it the loyal support it should have. Join the Chamber of Commerce and help put across a program of progress and prosperity for Plymouth.

Business Places to Close Wednesday P. M. During Summer Months

At the last regular meeting of the board of directors of the Plymouth Chamber of Commerce, the matter of closing the business places on Wednesday afternoons during the summer months, was brought up for discussion. It was the consensus of opinion of all those present that this was a good thing to do and the matter will be presented to all business houses in the form of a petition. The petition may be signed at the Chamber of Commerce office or if you wish someone to call on you just telephone number 497.

A list of all houses that will close will appear in next week's Mail. The business houses that wish to close are requested to advertise that they are closing in all of their advertisements from now on, so that the public will know about it in plenty of time. Closing signs will be furnished you by the Chamber of Commerce.

MRS. FRANK MILLER DIES IN FLORIDA.

Mrs. Frank Miller, who has been ill in the hospital at Orange, Florida, since February 13th, passed away Thursday afternoon, May 2nd. Funeral services were held from the Baptist church, Thursday afternoon at 2:00 o'clock, Rev. Donald Riley officiating. Interment in Kinson cemetery. An obituary will be published next week.

PLYMOUTH MERCHANTS OPEN SEASON HERE

LOCAL TEAM HAVE ENTERED INTER-COUNTY LEAGUE AND WILL PLAY OPENER WITH CLARKSTON NEXT SUNDAY.

The opening ball game of the Inter-County League of which Plymouth is a part, will take place at Burroughs field next Sunday, May 12th—Clarkston vs. Plymouth Merchants, at 3:00 p. m. sharp.

At a meeting of the baseball fans of Plymouth, Sunday, May 5th, a board of directors was elected to have supervision of a real ball team as Plymouth's representative in the Inter-County league, consisting of the following teams: Clarkston, Boice Bros. Pontiac, West Point, Northville, Athletic Supply Pontiac and Plymouth Merchants.

The board of directors consists of the following prominent business men and baseball fans: Edward M. Plachna, president; Arthur Eckles, secretary-treasurer; Robert S. Todd, advertising manager; John Quartel, Ezra Ratnour, B. E. Giles and Chester Burley. The board of directors will endeavor to see that Plymouth will have a team befitting the town.

They now have a good number of real ball players under contract, and all they ask is the loyal support of the fans of Plymouth.

The Plymouth Merchants have entered into the Inter-County League at a considerable expense, and only through the fans' support and loyalty will they be able to put Plymouth back on the baseball map. The schedule will be published in next week's Mail.

Make plans to attend this game, and support your team loyally. The general admission to all games will be 35c.

An Unusual Party

A most attractive and unusual party was held at the Park residence on East Ann Arbor street, Saturday, May 4th, when Miss Thelma Peck and Mrs. William Wood entertained at a bridge tea in honor of Miss Ruth Shattuck.

Forty guests were assembled to try their "luck" with several games of bridge, after which a most dainty and delicious "tea" was served.

Toward the end of the afternoon, the hostesses brought forth a beautiful solid Honduras mahogany spinet desk and chair, a gift from the friends assembled to "Bonnie," our bride-elect. Then, too, there was a gift, a desk set in lovely pastel shades of green, to go with this piece of furniture.

Useless to say that "Bonnie" was made tremendously happy.

Memorial Day

Memorial Day will be fittingly observed in Plymouth as in other years. The program will be under the auspices of the Kiwanis and Rotary clubs and they in turn will have the cooperation of the G. A. R., Ex-Service Men's Club, Ladies' Service Organization, Police and Fire Departments, fraternal and all other organizations in making the occasion really an impressive tribute to those whom we commemorate. The committee in charge are: Kiwanis Club—Raymond Hills, Freeman Hoyer and Paul Nutting; from the Rotary Club—Dolph Koenig, John Blickenstaff and Edward Plachta.

As in previous years, the Boy Scouts, band and music department will cooperate in furnishing the program and decorating the graves. The complete program, including the speaker of the day, will appear in the Mail at an early date.

LIST OF CRIMES BY THE SCORE

CHIEF OF POLICE SPRINGER AND OFFICER STANLEY MAKE IMPORTANT CAPTURE.

The capture of Kenneth Gladdeau, 32 years old, by Chief of Police Springer and Officer Fred Stanbury at Brighton last week Wednesday morning, after an all night search brought to justice a man being wanted by the authorities. Gladdeau's home since he was ten years old has been in reformatories and penitentiaries, will solve scores of crimes in various parts of the country, department of justice officials say. Gladdeau was lodged in the local jail until Robert M. Roberts, Deputy U. S. Marshall came for him.

Arraigned immediately afterward before J. Stanley Hurd, United States commissioner, he pleaded not guilty to one of the charges, violation of the Mann act, and was sent to the county jail when he could not raise \$5,000 bond. The other charges, transporting a stolen car between states and forging a treasury check will be pressed when the Mann act charge is disposed of.

Long Distance Runner.

Gladdeau is said by officials to have been the longest distance liquor runner working out of Ecorse. He is said to have delivered liquor to Oklahoma towns on a regular schedule. Officials are checking to find if they can obtain evidence enough to bring a prohibition charge against him in addition to the others.

In Adair, Okla., he met Myrtle Baldwin, 18, and she returned with him to Ecorse. The charge on which he is now being held is based on this incident.

Has Prison Record.

Gladdeau served a year in Jackson prison for holding up a Detroit bank. He served two and one-half years in Kansas state prison for bigamy.

Some of the names he has given when arrested are John Richard, George J. Roberts, Kenneth Verdurn, James D. Stanley and William J. Cutler.

Chief Springer has communicated with police departments in leading cities to determine where Gladdeau is wanted and for what crimes.

The local officers are to be congratulated upon making this important arrest.

Frank Loomis Passes Away

Frank W. Loomis passed away at his home at 238 East Ann Arbor street, Monday, May 6th, at the age of 66 years. Mr. Loomis had been ill for the past five months. He leaves a wife and a son and daughter.

The funeral services were held from the Schrader Bros. Funeral Home, Wednesday afternoon at 4:30 o'clock, Capt. Wright of the Salvation Army, officiating. The remains were taken to Scottville, Michigan for interment.

A Tourists Romance

A group of people from the West Lawn Methodist church, Detroit, are putting on a three-act comedy, "A Tourist's Romance," at the Methodist Community Hall, next Friday evening, May 17th, at 8:00 o'clock. Proof that it is a very good play, is the fact that they have been requested to, and have already "put it on" seven times, for other societies. A former Plymouth girl, Mabel Smith Morrow, and her husband and daughter are included in the group.

Harriet Hustle, the seamstress of Raymond Center, finds business very slow. She decides to accommodate tourists. All the neighbors help her to prepare for her guests. The tourists arrive: Grandma Peppercorn, who is hard of hearing; Madam Squallini, who thinks she is a prima donna; Moses Aronson, the secondhand man, and various other amusing characters. The last one to arrive is Horace Hostetter, Harriet's old sweetheart. Her dreams have at last come true. The guests all help to prepare for the wedding and make the occasion a festive one.

There will be music and extras between the acts and a splendid evening's entertainment is promised for the popular price of 40c for adults and 25c for children. Come and have a good laugh and help the L. A. E.

Girl Drives in Endurance Test

Next Saturday morning at 10:00 o'clock, Miss Billy Lee, champion girl automobile driver, will drive a De Sota car up in front of the Plymouth Mail office, on an endurance test which starts Wednesday, May 8th, and continues for 72 hours. Miss Lee will be handicapped to the steering wheel by Chief O'Brien of the Ann Arbor police department.

At all times Miss Lee has been under strict observation so that the public will know that she is fulfilling her part of the bargain to drive 72

hours without stopping. The only time the car is brought to a halt in the long grid, is to safeguard the lives of pedestrians, or to obey traffic regulations. While Miss Lee is a daring driver, she is a safe one.

Miss Lee has taken no solid food during her drive, her only nourishment being three quarts of certified milk.

As above stated, Miss Lee will be in front of the Mail office next Saturday morning at 10:00 o'clock.

KIWANIS CLUB SPONSORS THIRD ANNUAL BIRD HOUSE CONTEST

Success Due to Kiwanian Ernest J. Allison Chairman for Three Consecutive Years in This Constructive Work.

The bird house building contest, now carried on for the third time in the Plymouth public schools and sponsored by Plymouth's Kiwanis Club, bespeaks for itself the enthusiasm and interest which the pupils have manifested in this undertaking.

Sixty-seven houses were built and exhibited by the seventh and eighth grade pupils, which prove the keen competition in these young people in constructive bird house building.

These houses ranged in size from the large pigeon and dove apartment to the tiny wren house. Those who saw the display in "Jolly" Jolliffe's store window at 322 Main street, can vouch for the workmanship and skill these students displayed in bringing these many models to perfection.

The winners of each grade were given checks in the amounts of three, two and one dollars. The pupil who built four houses. These four houses were judged first, second and third prizes before it was known they belonged to one boy. It was, therefore, decided to give him a special prize of \$2.00.

The Kiwanis Club's appreciation and thanks were accorded the superintendent of our schools, George A. Smith, and Theodore Carr, the manual training teacher for the great help they rendered in bringing this contest to a successful termination.

Those who visited the manual training department where these bird houses were built, and saw the judges, namely: Mrs. Frank J. Burrows, Manna Blunk and Kiwanian Charles L. Finlan devoting much time on deciding the winners, felt that Chairman Allison's choice in appointing these judges was just right.

It is hoped that Kiwanian Allison's bird house contest will be carried out each year, with a great benefit to those who participate in the buildings and to the birds who are fortunate

BAD AUTOMOBILE ACCIDENT SUNDAY

SOUTH MAIN AND GOLDEN ROAD SCENE OF ANOTHER AUTO COLLISION.

Mr. and Mrs. Rufus Samoz and daughter, Mary, narrowly escaped serious injury last Sunday evening, when their auto collided with one going north at the intersection of South Main and Golden roads.

Mrs. Samoz received severe cuts above both eyes and a concussion of the right side of the head. She was immediately taken by passing motorists to the office of Dr. Peck, where the necessary surgical attention was given. Both cars were smashed up considerably in the mix-up.

MARTIN STORE IS GOING OUT OF BUSINESS

BIG CLOSING OUT SALE WAS INAUGURATED WEDNESDAY MORNING; SALE A BIG SUCCESS.

On another page of this paper will be found a full page announcement that O. P. Martin, who has conducted a dry goods store here for the past ten years, is going out of business. The announcement that Mr. Martin was going out of business, came as a great surprise to his many friends and patrons, because the Martin store has always enjoyed a splendid business.

Mr. Martin is desirous of engaging in some other line of work, and it is for this reason that he decided to close out his business.

The sale opened Wednesday, and the store was crowded with an eager crowd of buyers all day. The Martin store has always endeavored to carry a high class of merchandise, and this fact no doubt drew many buyers to the store on opening day.

The sale which is being conducted by the T. K. Kelly Sales System of Minneapolis, Minn., with W. L. Stromberg in charge, will continue until the big stock of merchandise is closed out. Fifteen additional clerks have been added to the regular force. The store closes every night at six o'clock, with

Plymouth Girl Honored At Kalamazoo College

Miss Josephine Schmidt, Plymouth, a student at Western State Teachers College, has been elected to membership in Tau Kappa Alpha, a national honorary foreign fraternity, Election by Tau Kappa Alpha, a chapter of which was organized at Western State last June, is the first from those debaters who have participated in at least three inter-collegiate debates, and who have a sponsor standing at the College.

Miss Schmidt is a sophomore at the college in the senior high school curriculum. She is a member of the Sigma Xi women's tennis society. She was a member of the team which defeated three men from leading Canadian universities this winter.

Miss Schmidt will be initiated at the initiation banquet to be held June 5. Other initiates include: Russ Tiffany, Athens; Idah White, Scotts; Viola Rible, Muskegon Heights; Bernard Knittel, Dowagiac; and Joseph Wepman, Grand Rapids.

Proctor-Carley

The marriage of Miss Vera Mae Proctor, daughter of Mr. and Mrs. Harvey Proctor of Salem, to Harold Carley of Detroit, son of Mrs. Fred Stevens of Merriekville, Canada, was held at her home, Wednesday evening, May 1st. Rev. Kirth of Ann Arbor, officiated at the ceremony, which was performed at 8:00 o'clock.

The dining room and living room were beautifully decorated with pink and white roses and palms. Miss Proctor was gowned in white satin, trimmed in pearls, with a beautiful veil. She carried a bouquet of cream roses with lilies of the valley. The bride was attended by her sister, Mrs. Charles Barnsdale, wearing a gown of pale pink silk crepe. Mrs. Johnson, niece of the groom, wore a white silk crepe gown. They carried red roses. Harry Johnson and Charles Barnsdale assisted the groom. The bride's little sister, Emma, carried the ring in a rose bud. She wore a pink tulle. Her little cousin, Betty Hawkins, carried the veil. She wore pink silk crepe.

The bride's sister, Mable, played the march, and she and her sister, Florence, sang "I Love You Truly," with Mrs. Johnson at the piano. Following the ceremony, a buffet supper was served.

Mr. and Mrs. Harold Carley will make their home in Detroit.

Death of Mrs. Marcellus Kenyon

Mrs. Marcellus Kenyon died suddenly at her home at 240 North Mill street, Sunday, May 5th. She was a lady greatly beloved by all who knew her and her sudden death came as a shock to all.

The funeral services were held from the Schrader Bros. Funeral Home, Wednesday afternoon at 3 o'clock, with interment in Riverside cemetery. A more extended notice will appear next week.

PLYMOUTH PRODUCTS ON DISPLAY IN DETROIT.

The Chamber of Commerce, through the courtesy of Roy E. Crowe, manager of the Michigan Bell Telephone Co., has a very interesting display of Plymouth-made products in the Washington Blvd. window of the old Bell Building in Detroit. The following industries are represented:

- Daisy Mfg. Co.
- King Mfg. Co.
- National Window Shade
- Trenton Fibre Products
- Lee Foundry
- Plymouth Tube Works
- Plymouth Plating Works
- Dunn Steel Products
- Hamilton Mfg. Co.

A picture of the Hotel Mayflower and a display card inviting the public's attention to Plymouth, were also used. The citizens of Plymouth are invited to view the display, which will be continued until May 22.

Pythian Sisters Entertain Visitors

On Tuesday, May 7th, Plymouth Temple Pythian Sisters entertained the District Convention at their annual session. Our grand chief, Eva

O. P. MARTIN

the exception of Saturday night. Mr. Martin and Mrs. Martin who has been active in the conduct of the store will be missed from the business circles of the village, but we are glad to state that they will continue to remain residents of the village.

DEATH OF CALVIN E. THOMAS

Calvin Eliphalet Thomas, aged 75 years, a life long resident of Waterford, died May 2, 1929, after a long illness.

Mr. Thomas, who was especially well known among the older residents of this community, was born April 3, 1854, in Waterford, and spent practically all of his life here. Mrs. Thomas died some fourteen years ago. Six children survive him: Jesse of Newburg, William Ira of Highland Park, Mrs. Lucy Perkins of Pontiac, Mrs. Charles Steinbebel and Charles Edgar both of Waterford, and Mrs. James Natron of Plymouth; nineteen grandchildren and eight great-grandchildren.

The funeral services were held from his late home, Sunday afternoon, May 5th, at 8:00 o'clock, Dr. F. A. Lendrum officiating. Interment in Waterford cemetery.

A RIDING NATION
 By way of showing how rapidly a good thing can grow, we believe our readers will be interested in figures just compiled revealing the growth of motor bus lines in the United States. Although their development began only with the World War, they already have surpassed the nation's railways in the total mileage covered by their routes. The survey shows bus routes now total approximately 270,000 miles, as compared with 237,000 miles of railroad track. More than 88,000 buses, operated by 22,611 companies, make up this newest nationwide network of transportation, made possible by motors and good roads. Their rapidly mounting number of passengers is now in excess of 7,000,000 daily. Railroads, interurban and city street railway companies, which in the beginning fought desperately against the inroads of the buses, have now become probably the biggest factor in the development of bus transportation.

"THE SUCKER LIST"
 How many Plymouth citizens have, on receiving a circular in the mail advertising a get-rich-quick scheme asked themselves the question: "How did they ever get my name?"
 You've probably had experience along this line, so it should interest you to know you are not alone in receiving this class of mail. Uncle Sam knows you're getting it, though he may not know who sold your name to the concern that mailed the stuff to you. Sometimes a score of concerns buy the same list to which to mail their literature. The government calls it the "sucker list" because these mail-order stock sharks consider every man on the list a probable "sucker." It is said the names of at least twenty million Americans are on the mailing lists of fake stock operators.
 We pride ourselves on being a money-wise race, and yet we are contributing five billion dollars yearly to crooked stock salesmen. Where the salesman once had to meet his victim face-to-face with his schemes, he now uses the mail, telephone and telegraph. At least 50 gangs are operating in New York and once your name is secured they peddle it around until they are caught and put out of business, or you have long since passed away. Selling names for mailing lists is getting to be a profitable business in itself, but don't feel honored because yours is among those being peddled. On the other hand, just remember that the men who buy it and address mail to you have you rated as a "sucker." That ought to be reason enough for tossing these alluring get-rich-quick offers into the wastebasket or the stove.

A GLUT IN WHEAT
 A report from Washington that should interest every Plymouth resident since it touches the dinner-table is to the effect that a serious situation now faces wheat growers in the Middle West. Terminal elevators are still partially filled with last year's grain. In Kansas it is estimated the carry-over is 40 million bushels as against an April average of 12 to 15 millions. Prospects are good for the coming crop. More "combines" and tractors will be used in harvesting than ever before. That will mean a rush of new grain to market, just what the grain-gamblers want, since it gives them an excuse for depressing prices.
 Experts are urging growers to store a big part of the new crop, instead of dumping it onto the market from the

field. It will save country elevators from congestion, avoid a car shortage and, most of importance of all, check the flood of grain that will ruin the market and drive prices to the point where every wheat grower in the country will lose money.

GETTING AUTO WISE
 The time has passed when an auto maker can change a rear hub cap or add another painted stripe to the hood and call it a complete new model or "the perfect car." We're wiser to the mechanics of the auto now than we were a dozen years ago, and any Plymouth motorist will tell you that even the most unsophisticated purchaser now insists on seeing "under the hood."

Of course a lot of bunk is still being unloaded, and it always will be. But since the public has learned auto language, knows what a car should do and should not do, and can do a little thinking for itself without being confused by technical terms and salesmanship talk, auto makers are afraid to turn out anything that will not pass muster. The result is we are getting, taking the entire field as a whole, far better cars now than ever before. The auto dollar is buying more actual value today than at any time since Elwood Haynes and Henry Ford started in to prove that it is a practical means of transportation.

Of course, when you talk to a friend or neighbor, he'll tell you the car he is driving is the best on earth. That's natural, and you'll be the same way, if you are not that way now. But in buying a new car it's a good idea to do your own thinking. The salesman is honest, all right. But look into the car yourself, study its chief features, and then weigh the claims of its makers against the claims of others. You'll be better satisfied in the long run, and much better off financially.

WORTH WATCHING
 Wonder how many owners of radio sets around Plymouth are aware that this new blessing, bringing as it does so much that is worth while into our lives, now threatens to start an agitation in this country second only to the "wet and dry" argument. Yet a battle is looming, and all because the big chain broadcasting companies are putting a lot of cigarette propaganda on the air. Ministers and laymen who see danger in the spread of cigarettes to the ranks of the fair sex, argue that the radio was not intended to encourage girls and women in the home to take up the habit, or to advise them of the joys to be gained by smoking. And now a nation-wide crusade against tobacco in all forms promises to get under way most any day. Already there is an organization promoting the fight against tobacco, working along the same line followed by the Anti-Saloon League in its fight upon liquor. And they say that the tobacco people, having seen what happened to the liquor industry, are not inclined to laugh it off, as the liquor people did to their sorrow. It is going to be worth watching.

NEWBURG
 Next Sunday will be Mother's Day. A special service in honor of Mother will be observed.
 On account of the pastor not feeling well, Newton Youngs conducted the services last Sunday.
 In spite of the rainy evening, the hall was filled to capacity for the "Womanless Wedding," last Thursday evening. The men certainly showed and acted how they thought the women and girls ought to appear. There was an uproar of laughter from start to finish. The ladies wished to thank all who so kindly assisted to make this a success, especially the Whipple brothers in their comic song, "Brothers From Hickville," also Messrs. Roach and Levee, who gave a splendid rendition of Amos and Andy. A better Butler and Bishop would be hard to find than Fred Geney and Bill Lomas; in fact, they were all worth going to see and hear.

Mrs. Clyde Smith is to be congratulated as chairman of the entertainment.

A very pleasant afternoon was spent by the L. A. S. at the home of Mrs. Donald Ryder, last Wednesday. The fancy work committee handed out several articles to work. Mesdames Gilbert and Johnson had charge of the program, which consisted of Bible questions and answers. At the June meeting, the contest will be brought to a close. All members are to tell how they earned their money.

Mr. and Mrs. Claude Grow of Detroit, called on Mr. and Mrs. Clark MacKinder, Sunday afternoon.

Mr. and Mrs. Ira Carney called on their cousin, Miss Faith Fitzpatrick in Ann Arbor hospital, Sunday afternoon.

Mr. and Mrs. Jesse Thomas and family attended the funeral of the former's father in Waterford, Sunday afternoon.

Mr. and Mrs. Donald Ryder called on Rev. and Mrs. Paul Havens in Pontiac, Sunday evening.

Mr. and Mrs. Clyde Smith spent the week-end with relatives in St. John's.

Mrs. Ella Wight of Wayne, spent the week-end with her sister, Mrs. M. Eva Smith.

Mr. and Mrs. Warren Brown of Milford, called at the Ryder home, Sunday afternoon. Mrs. Day Dickerson called there Monday afternoon.

The quarterly conference held at the church Monday evening, with Dr. Martin presiding, brought out the fact that a change of pastors will be made the 23rd of June. Rev. Johnson will go to Manchester, Mich. Rev. Purdy will be sent here. Newburg charge will be sorry to lose Rev. and Mrs. Johnson. However they will rejoice with them in their promotion to a better charge.

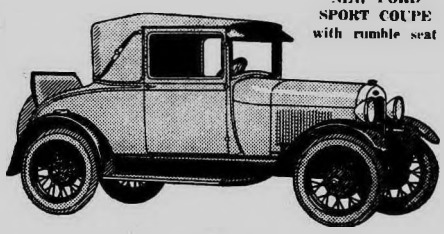

Mrs. Emerson Woods and mother, Mrs. Ada LeVan, were callers at the Ryder home Tuesday evening.

The community was shocked Wednesday morning to hear of Newton Youngs' being badly hurt Tuesday evening. When he was hurrying to catch a car to get the last bus for home, an auto struck him, breaking his right arm, also a compound fracture of the leg, and his head being badly hurt. He was taken to the Receiving hospital. Fortunately, he was conscious, and had them send for his brother, Ed, at Reelford, and Misses Anna and Ada Youngs, who hastened to the hospital. They have the deepest sympathy of their many friends.

FORCED TO SLEEP IN CHAIR—GAS SO BAD
 "Nights I sat up in a chair, I had such stomach gas. I took Adlerika and nothing I eat hurts me now. I sleep fine."—Mrs. Glenn Butler.
 Even the FIRST spoonful of Adlerika relieves gas on the stomach and removes astonishing amounts of old waste matter from the system. Makes you enjoy your meals and sleep better. No matter what you have tried for your stomach and bowels, Adlerika will surprise you. Beyer Pharmacy and Dodge Drug Co.

Three Reasons for the SAFETY of the New Ford Cars

\$550
 (F. O. B. Detroit, plus charge for freight and delivery. Bumpers and spare tire extra.)

1. Fully enclosed six-brake system
2. Strong frame and body
3. Triplex shatter-proof glass windshield

The new Ford is a great car to drive not only because of its acceleration, smoothness, speed, comfort, reliability and economy, but also because of the safety resulting from the sturdy frame and body, the fully enclosed six brake system and the Triplex shatter-proof glass windshield.

This shatter-proof glass windshield is an especially important safety feature because it eliminates the danger of flying glass—the cause of 65% of automobile injuries.

It is furnished without extra cost and is just another indication of the quality that has been built into every part of the new Ford.

By all means, see the new Ford car and arrange for a demonstration. You will know then that it gives you everything you will want or need in a modern automobile.

Among its features are—beautiful low lines and choice of colors . . . quick acceleration . . . 55 to 65 miles an hour . . . vibration-absorbing engine support . . . Alemite Chassis lubrication . . . theft-proof ignition lock . . . four Houdaille hydraulic two-way shock absorbers . . . low first cost and economy of operation . . . typical Ford reliability and long life.

SALEM

Mr. and Mrs. Fred Ryder, with Mr. and Mrs. Laverne Lewis were Sunday guests of Mr. and Mrs. Sherman Hartman, of Stockbridge.

Mr. and Mrs. H. Atchinson, called on friends in Ann Arbor, Sunday.

Mr. and Mrs. H. Whitaker are visiting relatives at Edmore.

Mrs. Julia Williams spent the

week-end with her daughter, Mrs. Chester Lewis and family.

The Misses Ruth and Dorothy Foreman of Detroit, spent the week-end in South Lyon, with Mr. and Mrs. Merrill Benwick. They were afternoon callers of their parents.

Mrs. G. C. Foreman accompanied Mr. and Mrs. James Dickie and Mr. and Mrs. M. Renwick of South Lyon, and Ruth and Dorothy to Detroit, Sunday evening.

Mr. and Mrs. Glenn Lyke entertained Sunday, in honor of her mother's birthday. Mrs. Mertle Murray, the following guests: Mr. and Mrs. A. Blunk, little son and daughter, Zerapha, and Miss Fern Murray of Plymouth, and Mr. and Mrs. G. D. Roberts and daughter, Ivah. A delicious dinner was served.

B. E. Stanbro was in Pontiac, Tuesday.

The Misses Ann and Ruth Halliday of Delaware, Ohio, and Miss Elizabeth and friend, and James Tait of Detroit, spent the week-end at the Francis Ryder and G. D. Roberts homes.

Rev. J. J. Halliday accompanied his daughters home, Sunday afternoon, and will remain in Ohio this week with his wife and family.

Mr. and Mrs. G. D. Roberts and daughter, Ivah, visited Mrs. Harry Sheffield at Durand, Tuesday.

Mrs. Lida Tennant is spending some time at the B. Atchinson home.

Mr. and Mrs. Carl Sage of Plymouth, were Sunday callers of her parents, Mr. and Mrs. N. Brockaw.

Mr. and Mrs. B. E. Stanbro were Sunday guests of Mr. and Mrs. R. B. McKnight of Walled Lake.

SALEM SCHOOL NOTES

Mr. Lord made his last visit at the school for this year, last Tuesday. He gave the children their spring reading test, which proved that much progress had been made in their reading since the fall test.

Glenn Burnham visited the school last Tuesday.

Those neither rarely nor absent during the month of April, are: Elmer Beemer, Laverne, Louis and Marion Franklin, James and Mary Geraghty, Roy Jeffrey, Leta Maul, Ralph Burtemore and Shirley Burnham.

There was no school Friday, on account of Field Day, which took place at Yost field house at Ferry Field. This annual event was much enjoyed

by the children. Thanks to those who so kindly assisted the teachers in conveying the children there.

De-Ho-Co Loses Opening Game

DE-HO-CO LOSES OPENING GAME TO BUICK MAJORS, SCORE 7 TO 4.

In a hotly contested game at De-Ho-Co Park Sunday afternoon, the De-Ho-Co baseball team, champions of the Inter-County League last year, went down to defeat at the hands of the Buick Majors. It was a very interesting game from the start to the finish, and despite the chilly weather a very large crowd was at hand numbering about 700.

As an opening ceremony both teams marched around the field keeping time to the music of the Detroit Police Band, and while Old Glory and the large purple and white championship pennant was raised everyone stood at attention while the band played the "Star Spangled Banner."

At the start of the game, it looked like the De-Ho-Co team was to win, but as the game progressed, the Buicks kept fighting until the breaks of the game favored them, and these breaks resulted in the reversal of the score.

Local fans were promised a real game, and the promise was kept, as not until the last man was out did the battle lapse. Rowland on the mound for De-Ho-Co, was opposed by the Buick hurler, Nolkemper. In the sixth, Nolkemper gave way to Piechote and in the seventh, due to a rather heavy barrage laid down by the Flint boys, Rowland gave way to Hartner, who was rather cold and not at his best through the rest of the game.

Six two-base hits and a home run featured the game; also several fast double plays and one stolen base enlivened the proceedings.

Manager Prough has booked one of the strongest and classiest semi-pro baseball teams in Michigan to entertain the local fans next Sunday, May 12th. Kellogg's of Battle Creek, is the attraction, and the fans are advised not to miss this one.

Prices will be 50c general admission; no reserved seats.

Following is the box score of the Buick-De-Ho-Co contest:

BUICK MAJORS—	A	B	H	C	E
Nutter, r. f.	3	1	0	0	0
Fox, c. f.	5	1	2	0	0
Dilts, l. f.	5	1	2	0	0

Struck out by Rowland, 1; by Nolkemper, 3; by Piechote, 3.

Stolen bases—Denniston.
Base on balls off Rowland, 2; off Hartner, 1; off Nolkemper, 1.

Double plays—Smith to Denniston, Hill to Kelly to Blum.
Umpires—Richardson and Kollo.
Scorer—Long.

It's all right to paddle your own canoe, but the first thing to do is to learn to recognize a snag when you see it.

"Before prohibition," asserts Dad Plymouth "ginger ale was used to spoil good whiskey, and now it's used to improve the bad kind."

Dad Plymouth insists that a good time to stay out of the kitchen is when the wife discovers that the fluffy biscuits she is making don't fluff.

Waterford

Mrs. Eva Johnson of Northville, and Mr. and Mrs. Frank McGraw of Plymouth, were Sunday afternoon callers at the Charles Waterman home.

Mrs. Lewis Cable of Plymouth, called on Mrs. Ida Hughes and Mrs. Charles Waterman, Friday afternoon.

Mr. and Mrs. Claud Finney and family, spent Sunday with Mrs. Finney's mother at Lincoln Park.

Mr. and Mrs. James Wilson of Fordson, spent Sunday with their parents, Mr. and Mrs. Elmer Perkins.

Mr. and Mrs. Edmond Watson spent Sunday with the latter's parents at Goodrich.

Mrs. Fred Gotts and Mrs. Harold Merrithew and son of Northville, and Mrs. John Waterman were callers at Charles Waterman's, on Tuesday.

Ada Watson and Iva Minehart attended the annual rural teachers theatre party at the Detroit Civic theatre, Saturday.

Mr. and Mrs. C. H. Ebersole and children spent Sunday at Mr. and Mrs. R. D. Taylor's, it being a birthday party for Mrs. Taylor. Eighteen relatives were present for pot-luck dinner.

Status of Reindeer Meat Made Clear

Washington.—A statement on the status of reindeer meat under the federal meat inspection act by a joint committee of the Department of the Interior and the Department of Agriculture on the reindeer industry of Alaska, has been made public.

The statement is prepared to make clear to state and municipal health officers, consumers and game commissioners and the general public that reindeer are not included in the federal meat inspection act, but may be received into the United States and shipped interstate and that, when marked for identification, they may be received and handled in federally inspected plants.

House Plants Require Soap-and-Water Baths

New York.—House plants should receive regular baths of soap and water, but it is to be noted that they differ from small boys in one important respect. The soap and water should remain on the plants two days before rinsing.

The advice on bathing house plants is from H. W. Becker of the New York botanical garden. Bathing replaces the effects of rain in cleansing plant pores of dirt. The soapy water should not be permitted to run into the soil, for it burns roots. During the wash the plants should be kept out of sunlight for two days.

OUR SILK HOSE

you'll say, have more beauty, even more character than ever. Bright, colorful, even gay... but without being one bit "loud." Wilson Brothers Style Committee blended the colors for perfect good taste. We priced the hose for splendid values.

FIRE DEPARTMENT BUSY DURING THE PAST WEEK.

The past few days have proven busy ones for the village fire department, three calls having been responded to from last Sunday to Wednesday.

Last Sunday noon the department was called out to subdue a rather bad roof fire at the old Plymouth Hotel. The roof was afire along the Ann Arbor street side of the structure, and upon arrival of the firemen, was found to be gaining considerable headway, due to the strong wind blowing. The fire was extinguished with chemicals with only nominal damage.

Tuesday afternoon at about 5:45 o'clock, an alarm was turned in for a roof fire at 323 Maple avenue. The fire was extinguished with a garden hose before arrival of the firemen, with little consequent damage.

Wednesday morning, the department was called to the home of Bert Gil, 880 South Mill street, where a fire was found to have started around the chimney over the kitchen, and to have done considerable damage by the time the firemen reached the scene. Chemicals and hydrant streams were required to subdue the blaze. Much damage was done the kitchen wing of the house by fire, smoke and water. It is practically certain that but for the timely arrival of the fire department, the fire would have entirely destroyed the structure.

NOTICE OF PUBLIC HEARING

Notice is hereby given that at a regular meeting of the Village Commission to be held in the commission chamber at the village hall, Monday, May 20, 1929, at 7:00 p. m., a public hearing will be held for the purpose of hearing objections to the construction of the following proposed public improvements:

1. Lateral storm sewer in Sutherland Ave., from S. Harvey St. to S. Main St.

2. Lateral storm sewer in Palmer Ave., from S. Main St. westward to end of street.

It is deemed that the following lots and parcels of land will receive a particular benefit from the construction of the proposed improvements and are proposed to be included in the special assessment districts to be assessed for the costs thereof, to wit:

1. Sutherland Ave. District: Lots 5, 6, 7, 8 and lots 76 to 102 inclusive, Puritan Holm Addition; also lots 7 to 12 inclusive, William McKay Sutherland's Addition.

2. Palmer Ave. District: All lots and parcels of land abutting upon Palmer Ave. from S. Main St. to the end of the street; also lots 2, 3 and 4, Puritan Holm Add., and lots 70 and the north half of lot 69, Sunshine Acres Sub.

A. J. KOENIG, Village Clerk

A CARD—P. B. Whitbeck wishes to thank ninety friends, who sent birthday remembrances on May 4. They were sincerely appreciated.

A CARD—We wish to thank the many relatives, friends and neighbors for their many acts of kindness and sympathy in the time of our sorrow; to the ones who furnished cars, and to the lovely flowers. Especially do we thank Dr. Lendrum for his comforting words, and Mr. Whipple for his singing.

Mr. and Mrs. Jesse Thomas and family, Ira Thomas and family, Mrs. Lucy Perkins and family, Mr. and Mrs. Chas. Steinhel and family, Mr. and Mrs. James Nairn and children, Edgar Thomas.

IN MEMORIAM

In loving memory of Beniah L. Jewell, who passed away one year ago, May 11, 1928.

The month of May is here, For us the saddest in the year. Her memory is far dear today, As in the hours she passed away. Sadly missed by her daughter, parents, sisters and brother.

IN MEMORIAM

In loving memory of our dear mother, Bertha Schmidt Reinbold, who passed away four years ago, May 8, 1925.

She bore her pain, she bore it well; Oh, what she suffered none can tell. Frequently sleeping, resting at last, She did not know her weary rest. Her heart was true and tender; She did not leave her those she left, That's something to remember. Some may think we are not lonely When we think of her, but we are. Let us do her memory the honors that we owe her all the while. Sadly missed by all her children.

PYTHIAN SISTERS ENTERTAIN VISITORS

(Continued from page One)

Miss Mix honored us with their presence. C. Vrooman and District Deputy Minnie. There were also five other grand officers present. We regret very much the inability of our supreme chief, Addie Kemp of Adrian, to be with us.

The morning session opened in the usual manner. The address of welcome was splendidly given by our Most Excellent Chief Minnie McConnell, which was graciously responded to by the Manchester Temple.

Reports of the year's activities were given by the representatives of the various temples, which indicated a substantial increase both in membership and finances. The district deputy expressed complete satisfaction at the past year's developments.

At 11:30, the kindergarten class presented a little program of music and singing for the entertainment of our guests. The little tots performed their parts well, and won the hearty applause of their audience.

After the children's entertainment, memorial hour was observed, the work being done in a splendid manner by the Manchester Temple, and at the close of this the charter was draped by Brooklyn Temple. This particular part of the work was very impressive, and reflected much credit upon the temples taking part.

At the close of the forenoon session, the ladies went to the Methodist dining room, where a delicious dinner was served by the Ladies' Aid. The tables were attractive in the colors of the temple, and a red carnation was placed at each plate. The local Sisters are very grateful to the Methodist ladies for their part in the day's program. During the serving of dinner, music was rendered by a local orchestra of five pieces.

Immediately after lunch, when all were assembled again at the temple, East Side Jackson Temple produced a short playlet which induced much merriment as the afternoon sewing party of five Irish "biddies" was interrupted by the arrival of a weird looking fortune-teller, who proceeded to tell their fortunes, past and present, regardless of whose dignity might be injured. However, the fortune teller turned out to be none other than a cousin of the hostess, who saw the opportunity of playing a practical joke upon the little party.

A paper was read by Maud Steidel of Milan, which portrayed in story form, Pythian Sister ideals and endeavors. Rose Temple No. 64 of Milan, then exemplified the opening and closing of Temples, which was very splendidly done and won many compliments.

Arbor Temple of Ann Arbor, exemplified the initiation ceremony, assisted by Ypsilanti staff. The candidate was furnished by Plymouth Temple.

At this time the "Sophomore Cabaret" arrived from the high school, and presented their little stunt, which proved very entertaining. The singing by the two boys and the music were especially enjoyed.

The ballot and challenge were then exemplified by Chelsea Temple, after which the grand chief gave a general review of the year's work. This was followed by a discussion of various interesting subjects by officers and members.

Manchester Temple extended an invitation to the district convention to come to their little city next year, and it was promptly accepted.

Milan Temple then gave the closing ceremonies and the Sisters retired to the dining room where a delightful buffet lunch was served by Plymouth Temple.

These conventions are conducted annually, and Plymouth Temple is fortunate to have had the opportunity to be hostess to this splendid assembly of over two hundred ladies.

CANTON CLOTHING CLASS MET

The Canton Clothing Class met at the home of Mrs. Anthony Fleiger, Thursday afternoon, May 2, with nine ladies present. The subject of the lesson was "Personal Grooming." A budget for clothing was also discussed. The lesson was very interesting, and was enjoyed by all. There will be one more meeting which will be held with the Home Furnishing Class, at which time the work of both classes will be completed. It is hoped that all members will have their note books finished.

Joseph Campbell, who has been the manager of the Donovan Accessories store since it was started here, has resigned his position, and has accepted a responsible position with the Fromm Accessory Stores of Detroit. During the time Mr. and Mrs. Campbell have been residents of Plymouth, they have made many friends who will regret their leaving, but will wish them success in their new home.

CANTON CENTER

Mrs. J. M. Swegles spent Tuesday afternoon at the home of her daughter, Mrs. Myron Sherman, in Northville.

Cady Hix had the misfortune to have his house catch fire Tuesday afternoon. Some of the roof was burned and some damage was caused to the interior by the water used to extinguish the blaze.

Mr. and Mrs. L. E. Kaiser were Detroit visitors Tuesday afternoon and evening.

FRAIN'S LAKE

Mrs. Charles Freeman was at home to the regular monthly meeting of the Dixboro Free Church Woman's Foreign Missionary Society meeting Wednesday. Mrs. Freeman and Mrs. Fred Fishbeck served a delicious supper at the close of the meeting.

Mrs. William Grammel and sister, Miss Beatrice Douglas were in Detroit, shopping, Saturday.

Mr. and Mrs. Roy Lyke and son, Earl, were recent supper guests of the former's father, Will Lyke.

Mr. and Mrs. Fred Fishbeck entertained the P. T. A. of Frain's Lake school. During the meeting, which was conducted by the president, Mrs. LeForge, it was voted to extend an invitation to Dixboro P. T. A. to meet with this organization. After the business meeting, cards were enjoyed. Mrs. Gus Lidke and Raymond Lidke won high score. Light refreshments were served.

Mr. and Mrs. James Sullivan and Miss Livingston of Detroit, were weekend guests at the home of Mr. and Mrs. Herman Nauke.

Mr. and Mrs. Gust Eschels and children, Mr. and Mrs. Harlow Ingall and family, Mrs. Gordon Gill and son, Donald, and Mrs. Fred Fishbeck and son, Murray, attended the annual boys' and girls' 4-H club achievement day which was held at Ann Arbor. Will Lyke and daughter, Mrs.

George Lyke, were callers Monday at the home of John Nairy, Superior. Mr. and Mrs. Ernest Klavitter and sons, Ernest, Jr., and Russell of Ypsilanti, were Sunday evening callers at the home of Mr. and Mrs. Carl Hengert.

Mrs. Fred Fishbeck and son, Murray were recent callers at the John Jensen home, Ypsilanti.

A large crowd attended the Geer P. T. A. dance at the home of Mr. and Mrs. Herman Nauke, Saturday evening.

Newburg School Notes

Ruth Schmidt

Miss Reid visited our school last week, and gave us our Health and Hygiene and Lunch sturs. We now have ten sturs, and hope to get the other two very soon.

Our new library books and supplementary readers have arrived.

The Parent-Teacher Association gave the boys and girls of the grammar room, a party Thursday night, for the drive they made for membership. Mrs. Thomas served the refreshments, which consisted of jello, ice cream and cake.

A play entitled, "Men Not Wanted," and other features will be given by the young girls club of Newburg, at Newburg L. A. S. hall, May 20,

1929. Everybody welcome, men included. Admission—Adults, 25c, and children, 15c.

Miss Jameson and Miss Reid will be with us on Monday, May 13, when May Health Day will be celebrated in our school. Badges will be given for the health work done during the year. There will be a program, and we hope many parents will be with us. We hope every boy and girl in the grammar room will have a dental slip to present.

We are proud that so many eye corrections have been made this year. In the grammar room, Harold Stevens, Jack Goodsell and Ruth Schmidt have had their eyes fitted with glasses, and Gladys Allen and Alice Bakewell had the lenses in their glasses tested, so we feel our room is 100% in eye corrections.

Our champion speller, Geraldine Schmidt, will meet with 61 other district champions at the State Fair grounds, Friday, May 10, to spell. The winner receives a trip to Washington D. C.

Jackie Thompson, who has been ill for more than a week, will soon be able to be in school again.

The early elementary grades are enjoying their new supplementary readers, "The Wag and Puff Series."

Another thing against owning an airplane is it takes too long to slow one into a back-yard garage.

AUCTION!

Wm. Sallow, Prop.

Century Computation
The Twentieth century includes the years from 1901 to 2000. Thus is because the First century embraced the years from 1 to 100, inclusive. The Twentieth century commenced immediately after midnight December 31, 1900.

World's Smallest State
Vatican City comprising 105 acres or less than one-sixth of a square mile, is the smallest independent state. The population of this territory is estimated at 500.

The Horror of It
Man, the scientist inform us, has lost most of his original sense of smell and is rapidly losing the rest of it, and we have had occasion several times lately to wonder how had the situation in a sleep-club car really is then.—(Ole State Journal)

Considered in Concrete
We note another case of a man who murdered his wife and buried her remains beneath the cement floor of the cellar. Some persons, it has been pointed out, dislike wives in the abstract, but don't object to them in the concrete.—North American Review.

A STONE-SET RING for HIM
—What more appreciated gift could there be

SLIP one of these very beautiful yet masculine stone-set rings on his finger—see the glint of satisfaction in his eyes. Yes, men have vanity, too, but then this type of ring is all the vogue just now—for husband, sweetheart, brother, son.

The stones are exotic, rare, beautiful in their coloring, diversified. And the designing of these rings is along the very latest popular lines. We can recommend W. W. stone-set rings, for their manufacturer is sufficiently proud and sure of them to accompany them with—A GUARANTEE.

Municipal Notes

BY THE MANAGER

Quite a number of our citizens are bringing in unwanted dogs and stray dogs frequenting their premises, to be disposed of by the village. This we are glad to do, and we appreciate the cooperation thus given toward helping us rid the village of stray dogs.

The commission has under consideration, the proposal to defer all paving until another year, and to map out in the near future a paving pro-

gram for 1930. If such a program is arranged, it would be planned to have all sewers, water and other underground services installed this season, in anticipation of awarding paving contracts early in 1930. Parties interested in having their streets paved during the 1930 season are, therefore, requested to file petitions therefor with the commission before the next meeting which is to be held May 20th.

Plymouth I. O. O. F. Entertain Detroiters

On Tuesday, April 30th, about fifty members of Fraternal Lodge, I. O. O. F. of Detroit, and their families paid a welcome visit to Tonquish Lodge. The visit resulted from the fact that Tonquish Lodge bowlers for the first time in three years, lost to the Fraternal Lodge pin spillers, the first two years Fraternal acting the genial host to Plymouth.

After the regular lodge session was completed, Fraternal Lodge and guests followed by Tonquish members and their guests, sat down to a banquet cooked and served in the style by the Plymouth Rebekah Lodge. Following the satisfying of the inner man, the Oddfellows and Rebekahs returned to the auditorium, where a feast of wit and wisdom was provided by the speakers of the evening. Interspersed with the talk, dancing was indulged in, to the strains of Livingston's orchestra.

Grand Master Henry S. Sweeney, I. O. O. F. of Michigan, was introduced by Noble Grand E. Bulson, of Plymouth. The grand master, an accomplished and forceful speaker, delivered an inspirational talk on the state of the order, in particular the recently noted revival of what he termed "Old Fashioned Oddfellowship," and the "trend back to the fundamentals of pure fraternalism."

and the practice of the Golden Rule. Past Chief Patriarch Keppin of the Patriarchal branch of the order, was next introduced. The past chief spoke of the harmony and cooperation existing between the different branches of the order, and the amount of good that has been accomplished in fellowship and brotherhood. Incidentally, he also mentioned of how had the Plymouth boys' bowling "must have been, in order to have been overcome by the Fraternal pin tipplers. Judge Guy Miller of the Wayne Circuit Court, an Oddfellow and a bowler, was next called upon, and in a happy talk, mostly on bowling and athletics impressed the assemblage on the importance of good, clean sport and sportsmanship in relation to fraternalism.

CENTRAL SCHOOL P. T. A.

There will be a meeting of the Central school P. T. A., Thursday evening, May 10th, at 7:00 p. m. Open house will be held from 7:00 to 8:00, and the business meeting starts at 8:00. A dance by Irene Humphries, and stunts by Miss Haddley's physical training class will be features of the evening. The open house is to show an exhibition of the children's work during the year, and we especially urge fathers to come.

LOCAL NEWS

Mrs. Ella Huston of Arthur street, is visiting relatives in Lansing.

Mr. and Mrs. D. M. Willits of Ann Arbor, visited at Dr. Peck's last Sunday.

Born, to Mr. and Mrs. Loyal Akans, a son, William Guy, Wednesday morning, May 8th.

Mr. and Mrs. Charles Roberts of Lapeer, were Sunday guests of Mr. and Mrs. A. K. Brocklehurst.

Roy Streng has the contract for putting new oak floors and other improvements in the Lutheran parsonage.

(Clinton Postiff of South Mill street, son of Mr. and Mrs. Walter Postiff, is seriously ill with broncho-pneumonia.

Miss Virginia Brocklehurst entertained eleven little friends Monday afternoon, the occasion being her sixth birthday.

Mr. and Mrs. Frank Loomis left Tuesday, to motor to Florida, where they expect to live about sixty miles from St. Petersburg.

E. V. Joffile was the guest of his sister and brother-in-law, Mr. and Mrs. E. Wilson, and Miss Winifred Joffile last weekend.

Mr. and Mrs. R. J. Smith and son, Luther, of Baldwin, Mich., are spending a few days with Dr. and Mrs. Luther Peck.

Don't forget the monthly supper of the Ex-Servicemen's Club and Auxiliary, Monday evening at 6:30; Jewell & Blatch hall.

Mr. and Mrs. John Root, who have been spending the winter in Adirau, are again occupying the Root home west of Plymouth, for the summer.

Mr. and Mrs. Edward M. Plachta of 493 North Harvey street, are the proud parents of a daughter, Joan Plachta, born Monday morning, May 8.

Mrs. Nettie Dibble arrived home today, from a three months' trip abroad. Miss Dorothy Dibble, who has been spending some time in Florida, returned with her.

Miss Elizabeth Beyer entertained several guests at her home on Liberty street, Wednesday, at a six o'clock dinner. Out of town guests were six young ladies from the Redford Bank.

Robert S. Schlacks, of the aviation department of the United States Army, stationed at the Panama Canal Zone, is visiting his parents, Mr. and Mrs. J. T. Schlacks of the Ridge road.

In observance of National Music Week, several pupils of Miss Melissa Roe gave a piano recital at her studio, Wednesday evening. Those taking part were: Carol Campbell, Audrea Kreeger, Ireta McLeod, Dorothy McCullough, Coraline Rathburn, Norma Jean Roe, Phyllis Roe, Ernestine Wilson, Pauline and Gertrude Woodworth.

Miss Elizabeth Burrows and Miss Rhea S. Peck, complimenting Miss Margaret E. Asman, one of Plymouth's popular teachers, entertained sixteen young people at Miss Peck's home last Wednesday evening. Bridge was enjoyed. After dainty refreshments were served, the young people showered Miss Asman with many beautiful and useful gifts.

Mrs. O. F. Beyer attended a dinner at the Maybrook Tea Shop in Ann Arbor, Tuesday, May 7th, at which her daughter, Marion, and fifteen of her friends entertained in honor of their chaperone, Mrs. Bannish. The guests were seated at small tables which were attractively decorated in pink and white. The favors were rosebuds, to which were fastened dainty place cards bearing the names "Marion and Bill." Miss Beyer had taken this opportunity of delightfully surprising her friends with the announcement of her engagement to Wm. S. Mason of Hancock, Mich.

ENTERTAIN AT LUNCHEON.

(Continued from page One)

also been extended to Mrs. Siegel Judd of Grand Rapids, president of the Michigan League.

In addition to the luncheon itself there will be a musical program. Miss Cleland and Mrs. Beattie are the program committee, acting with Mrs. Hobson.

Since this is the only distinctly social occasion which the Wayne County League has enjoyed this year, it is expected that there will be a large attendance. It is not often that an organization has an opportunity to honor one who has meant as much to it as has Mrs. Stofens to the Wayne County League.

The next meeting of the Plymouth League of Women Voters will be at the Hotel Mayflower, Monday afternoon at 2:30, May 13th. After the business meeting, Mr. Emens, principal of the Plymouth schools, will address the league.

Saving is a stepping stone to prosperity. Home owning is a stepping stone to saving and responsibility. Responsibility broadens and enriches the views of man and assures prosperity. Experience. 1p

NOTICE TO THE PUBLIC!

In view of the serious accident which occurred when the Village fire trucks collided while enroute to a fire Monday night, which accident was directly traceable to the failure of certain motorists to give right of way to the fire trucks, it becomes necessary for the Village to strictly enforce the provisions of our traffic ordinance dealing with this situation.

Notice is therefore given that hereafter all motorists failing to give right of way to Village fire trucks or police cars, or who closely follow fire trucks to a fire, or who park their cars within a block of fire trucks on duty at a fire, may expect to be cited for violation of our traffic ordinance and to answer to the charge as in the case of any other traffic violation.

A. J. KOENIG, Village Manager.

NOTICE!

All kinds of electrical utensils repaired at 614 Deer Street. 25c2p

LEARN TO DANCE

Dancing taught in private, by the Dancing Ballet's, formerly on the stage, and also teachers in the eastern part of the New England states. Come and give us an interview. Call at 936 West Ann Arbor. We guarantee to teach you. 24c

WANTED—BIDS!

Sealed proposals for carpenter work will be received by Julius Forath & Son, 14801 Fullerton Ave., Detroit, Mich., for the erection of a barn at Salem, Mich., until May 8, 1929, at 10:00 a. m. Specifications and plans can be examined at above address or a deposit of five dollars (\$5.00) will be required for the return of plans in good condition. 1c

RAILROAD ENLARGES TERMINAL FACILITY WITH NEW QUARTERS

Thirteens in Abundance
The quarter dollar has thirteen stars, thirteen letters in the scroll in the eagle's beak, thirteen feathers in the eagle's tail, thirteen parallel bars on the shield, thirteen horizontal stripes, thirteen leaves on the olive branch, thirteen arrow heads and thirteen letters in its name "quarter dollar"—an amazing collection of thirteens!

Women Real Rulers
Women rule the home of the Pueblo Indian cave men, in Santa Clara, N. M. There is no individual land ownership, but each man is allotted a piece of land which he can cultivate as long as he works at it industriously. When the crops are harvested and stored in the house they become the property of the wife.

Provision of Nature
The seeds of the sand-box tree or "monkey's dinner bell" are contained in separate capsules which explode with a report like a cap pistol. In this way the seeds are scattered so that the new plants will not be crowded together.

Beginning of Wisdom
The beginning of wisdom is the realization that the thing you are anxious about today won't seem important tomorrow.—Buffalo News.

Use for Apricot Pits
Apricot pits, disposed of formerly as fuel by California canners, are now made into various industrial ingredients such as oils, perfumes and flavorings.

DEMANDS OF LOCAL TRADE NECESSITATE EXPANSION BY LOCAL DIVISION OF NEW YORK CENTRAL LINES.

That the new produce terminal development of Michigan Central railway will be completed and opened for business by May 15 was stated yesterday by Louis J. Brinkman, general freight agent. The new terminal lies between Third street on the east, Twelfth street on the west, West Jefferson avenue on the north and the Detroit river on the south.

New Facilities Needed.

The unprecedented growth of Detroit has demanded increased movement of perishables, and to meet the situation the Michigan Central railway materially increased and improved its perishable team track facilities. Later, expansion in auction facilities became necessary. A two-story brick and concrete building was completed in August, 1927. An up-to-date sales display building, 1,250 feet in length by 115 feet in width, covering approximately 2 city blocks, is being erected and will be ready for occupancy May 15. It will be served by four parallel tracks depressed even with the driveways, running the entire length of the building, having a truck capacity of 100 cars and ground floor capacity of 300 carloads. Covered platforms of convenient width parallel the tracks on both sides of the building. The platforms are fully lighted and furnished with electric outlets at each door to expedite handling during the fall and winter months.

Buyers' and sellers' rooms with bulletin boards and other facilities are located in the lower floor of the new building. The building also contains offices for the Produce Terminal Agency, Merchants Dispatch Inspection bureau and an up-to-date restaurant. The second floor includes numerous offices for the trade, tomato packing rooms and other storage facilities.

Tigers' Schedule At Home

May 10, 11, 12 with New York.
May 13, 14, 15 with Philadelphia.

June 24, 25, 26 with Chicago.
June 27, 28, 29, 30 with Cleveland.
July 6, 7, 8, 9 with Washington.
July 10, 11, 12, 13 with Boston.
July 14, 15, 16, 17 with New York.
July 18, 19, 20, 21 with Philadelphia.
Aug. 10, 11, 12, 13 with Philadelphia.
Aug. 14, 15, 16, 17 with New York.
Aug. 18, 19, 20, 21 with Boston.
Aug. 22, 23, 24, 25 with Washington.
Sept. 2, 3 with Chicago.
Sept. 4, 5 with Cleveland.
Sept. 22, 24, 25 with St. Louis.
Sept. 28, 29 with Chicago.

Agency Gives Information.
A terminal agency will be established on the ground floor of this building with entrance from Twelfth street, for the exclusive use of the produce industry. Here, direct wire information will be furnished the trade, giving cars rolling, trains handling, arrival and full information to permit reassignment or diversion, as well as prompt placement. Mechanical devices, modern to the last degree, will insure prompt unloading and sorting, affording receivers ample time for inspection, Mr. Brinkman explained.

The fruit auction and office building, in operation since August, 1927, is 600 feet long and 800 feet wide, is fully heated, lighted and provided with suitable ground floor space to insure proper display of 50 carlots, at the same time allowing ample aisle space to permit easy access to each carlot independently for inspection and delivery. The same facilities obtain in the new private sales building.

Auction Seats 216 Buyers.
Two parallel tracks of 28-car capacity serve the platform floor of this building. The second floor is fitted with a commodious auction sales room with seating capacity of 216 persons and is equipped with elevated rostrum, clerks' tables, desks and seats, all sloped as in theatre construction so that all present have a clear view of the auctioneer.

Other facilities in this terminal include 24 tracks with 700-car placement, and reached by paved driveways extending throughout the entire terminal from Twelfth to Third street. Team trucks adjacent to the new private sales display building are provided for the handling of juice grapes, watermelons and other bulk commodities up to 400 cars, and protected by the latest automatic re-icing facilities. A banana shed of 25 or more car capacity is to be built immediately, Mr. Brinkman said.—The Detroit Free Press.

**WHOOPIING COUGH CALLED
VERY DANGEROUS DISEASE**
Washington.—Whooping cough still ranks as a deadly disease, in spite of efforts to check it. The general belief is that it is merely an annoying but necessary evil of childhood is all wrong. Scientists and public health officials are warning mothers not to take it lightly and to be ready to guard their children against the usual spring and summer outbreaks.

"No other common infectious disease of childhood takes so large a toll of life among children under two years of age," said Dr. Matthias Nicoll, Jr., New York state commissioner of health. Whooping cough is dangerous in itself and also because it is frequently followed by pneumonia and tuberculosis.

Various vaccines and sera for preventing the disease have been developed. None of them has been entirely satisfactory, although some physicians have reported success with them. One of these which does not entirely prevent the disease, does reduce its severity and the fatalities resulting from it, and is recommended by health officials.

The best prevention still consists in keeping the children away from those who have whooping cough. This is difficult because the characteristic whoop does not develop until a week or more after the onset of the disease. Consequently, one must keep the children away from those who have colds or coughs, to be safe.

Reduction of whooping cough has lagged far behind reduction of other communicable diseases chiefly because of the popular attitude that it is not a serious disease.

"Deaths from whooping cough occur just as often as they did twenty-five or thirty years ago," stated Doctor Nicoll.

The cause of whooping cough is generally accepted as being the Bordet-Gengou bacillus, named for the two Frenchmen who isolated it in 1906. It has been the basis of most of the attempts to produce an anti-toxin or preventive vaccine. Ultraviolet and X-rays, alkalia, blood serum and even ether have been used more or less successfully in the effort to find a cure or preventive of the disease.

How Old is Your Iron?

A Liberal Allowance

ON YOUR OLD ELECTRIC IRON, TOWARDS THE PURCHASE OF A NEW IRON

NATURALLY, an old, worn-out iron fails to do the satisfactory work of its prime. It cannot function as efficiently as when it was new. If your iron is in this condition, it should be replaced with a new iron.

AMERICAN
BEAUTY

8.95

Convenient payments
may be arranged

The modern electric iron, with automatic heat control, has numerous points of superiority. It is safe and economical; it is faster, and enables you to iron in less time. Automatic heat control eliminates the danger of overheating. When the iron gets too hot, a cut-out shuts off the current—automatically. The modern electric iron relieves hand ironing of much of its drudgery, and will give years of faithful service.

BIG LOSSES OCCUR IN SHIPPING HOGS

PROPER LOADING WOULD SAVE
MANY ANIMALS DURING
NEXT THREE
MONTHS.

More hogs die when shipped during
April, May and June than during any
other three months of the year, and
the animal husbandry department at
Michigan State College warns shippers
of livestock to use extra care in load-
ing animals for shipment.

Figures obtained by the Michigan
Livestock Loss Prevention Associa-
tion show that a car of hogs from
Michigan which reached the Buffalo
yards April 8, 1929, contained 24 dead
hogs. Another car from Michigan
which went to Buffalo the same day
contained 25 dead animals.

The 49 dead hogs weighed nearly
8000 pounds and at the market price
on the day when they reached the
market would have been worth \$1,000.
If they had been received in good con-
dition. Dead hogs are practically
valueless so the shippers lost approx-
imately \$500 a car on these hogs.

The Loss Prevention Association
urges shippers not to overload the
cars, to allow the hogs to cool before
loading them, to place no feed in the
cars, to use sand bedding during the
summer, to use ice in the car if the
weather is hot, and to see that all
car partitions are strong and that no
nails protrude in places where the
hogs can come in contact with them.

The association also recommends
that the following load limits be used
in filling a 36 foot single deck car:
100 dogs weighing 150 pounds, 70 hogs
weighing 200 pounds, 68 weighing
250 pounds, 59 weighing 300 pounds,
or 47 weighing 400 pounds.

SEE HARD TIMES AHEAD FOR GOLD-DIGGING DIVORCEES

Five States Now Allow Alimony to
Husband, More Deny Support
to Active Ex-Wives.

New York.—It looks like a hard fu-
ture for those gold-digging wives who
obtain divorces chiefly for the sake of
easy living which alimony will bring
them. The tables are turning rapidly
in favor of the husband, who, until
recently, has been compelled almost
universally to support his ex-mate, no
matter which was to blame for the
marital rift.

Five states already have passed
laws allowing courts to grant alimony
to husbands where the wife is at
fault in the divorce and where there
are children to be supported, several
others now deny the wife the right to
recover alimony where she is to blame
for the divorce, and now a national
agitation is under way to abolish al-
imony where the wife is young, able-
bodied, childless, and particularly
where she is responsible for the di-
vorce.

Joseph P. Pollard, widely known
lawyer and writer, points out this
change in an article written for the
current North American Review in
which he characterizes the present di-
vorce laws of a majority of the states
as archaic.

A big percentage of divorcees, he
maintains, are traceable to wives who
deliberately bring them about in order
to insure themselves a livelihood with-
out either work or marriage obliga-
tions.

"Wives now are able to control and
dispose of their own property, the
same as if they were single," he points
out. "They are able to enter the busi-
ness with the same facility as their hus-
bands. They are entitled to vote, hold
political positions, serve on juries and
do countless other things forbidden
under the old laws. But where rights
have emerged from the statute books,
the corresponding duties have not. For
the purpose of winning financial profits
from marital strife, she still can
jump back on her ancient pedestal
and strike her ancient pose."

But, the North American Review
writer believes, the situation is due
for a rapid change for the better. He
points to Wisconsin where the law
now enables the husband to exact al-
imony where the wife is at fault and
there are children to support. In Cal-
ifornia the new order goes even fur-
ther; a husband can be granted al-
imony if he is the innocent party, even
though there are no children. Similar
laws are now effective in Oregon,
Ohio and Iowa, while in Washington a
wife can be held equally responsible
with the husband for the support of
the children.

Picked Up About Town

Dad Plymouth says he has learned
on good authority that you can't refer
to the collection plate as "a thing of
the passed."

Another way to start an argument
is to tell an Irishman that the Irish
potato was discovered by the Span-
iards.

"I can remember," declares Dad
Plymouth "when they got gold out of
a gold mine but now they organize
a company and get it by selling stock."

Reading that omnibus on one South
Sea Island eat tax collectors, Dad
Plymouth says there seems to be some
justice in the world after all.

Dad Plymouth says we're all fam-
iliar with the "seven ages of man,"
but that a woman has only two ages—
the one that's real and the one she
says is hers and sticks to it.

With a cigarette
as good as Camels
the simple truth
is enough

CAMEL CIGARETTES

WHY CAMELS
ARE THE BETTER CIGARETTE

Camels are made of the choicest to-
baccos grown—cured and blended
with expert care.

Camels are mild and mellow.

The taste of Camels is smooth and
satisfying.

Camels are cool and refreshing.

The fragrance of Camels is always
pleasant, indoors or out.

They do not tire the taste nor leave
any cigarette after-taste.

**Fuel at \$150
a Ton**

"FINE for the fire," is the householder's remark as he gathers the short ends of lumber and the split boards left by the builders. Fuel at \$150 a ton for the consumer! And as if to match this waste, the lumber industry of a single state—which produces less than 3% of the nation's total lumber output—discards at the production end in a single year, enough wood to fill 28,000 freight cars.

In everyday life, the same waste of an individual's resources may prevail. Little extravagances—that bulk large at the end of the year! A need for conservation—particularly in handling money!

Here at this community-owned and community-minded bank, we offer you cooperation which may show the way to get more out of your income. Let's talk it over—right now.

FARMERS SAVE MONEY BY USING M. S. C. SOIL TEST

METHOD PERFECTED AT COLLEGE DETECTS ACIDITY OF MICHIGAN FARM LANDS.

Michigan farmers have saved thousands of dollars during the past six years through the use of a simple test for soil acidity which was perfected by a member of the soils department at Michigan State College, according to the records of the soils department.

The department has sold 40,000 of the testing outfits, since its invention at a price of 75 cents less than the commercial companies charge for the same outfit when it is sold in other states.

Soils had to be sent to some laboratory for testing before the present method was developed, and the determination of the degree of soil acidity took several hours. Now the farmers can test his own soil in a few minutes, and, as Michigan soils are of many different types, this is a marked advantage because the farmers will test all the soil types on their farms.

A great deal of the farm land in the State needs lime but it is often found that some parts of a field need a heavy application of lime while others of the same field need none. The simple testing method makes it possible to make many tests and to avoid wasting lime by applying it where it is not needed.

County agricultural agents carry a supply of the testing outfits and will test soils for farmers who have not bought materials for making the tests.

OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION

Plymouth, Mich., April 15, 1929.

A regular meeting of the Village Commission held in the Commission chamber of the village hall, April 15, 1929, at 7:00 p. m.

Present: President Robinson, Commissioners Kehrl, Nutting, Shear and Wiedman.

Absent: None.

The minutes of the regular meeting held April 3, 1929, were read and approved.

President Robinson announced the following appointments for the ensuing year:

Attorney—Roger J. Vaughn
Board of Review—Frederick Thomas, Walter Smith
Health Officer—Dr. A. E. Patterson

Upon motion of Commissioner Nutting, supported by Commissioner Kehrl, the appointments as announced were approved by unanimous vote of the commission.

The following resolution was proposed by Commissioner Wiedman and supported by Commissioner Shear:

WHEREAS, John S. Dayton has faithfully served the Village of Plymouth in the capacity of village attorney for the past several years; and

WHEREAS, the said services have always been rendered in a thoroughly capable and satisfactory manner and at all times in a spirit of full cooperation with the village administration; therefore be it

RESOLVED, that this commission express by resolution its appreciation and that of the citizens of Plymouth to the said John S. Dayton, of the term of faithful public service performed by him for this community; and be it further

RESOLVED, that a copy of this resolution be included in the Journal of Proceedings, and that a copy be forwarded to Mr. Dayton by the clerk on behalf of this commission.

Resolution unanimously approved. The manager presented a communication from the Michigan Inspection Bureau, Detroit, offering to send one of their engineers to Plymouth to put on a two-day school of instruction for our fire department, at no expense to the village except for reimbursing members of the department for time lost from their regular employment. It was recommended that the village avail itself of the opportunity thus offered to improve the efficiency of our fire department at very little expense.

It was moved by Commissioner Nutting, supported by Commissioner Shear, that the recommendation of the manager be approved and that he be directed to arrange with the Michigan Inspection Bureau for the putting on of the school of instruction by their engineers. Carried.

A petition was presented signed by owners of property abutting upon Pine street south of Wing street requesting that a sanitary sewer main be ordered installed in Pine street for a distance of one block south of Wing street. It was moved by Commissioner Nutting, supported by Commissioner Shear, that the petition as presented be approved, and that the clerk be directed to have published a legal notice of a public hearing to be held at the next regular meeting of the commission, May 6, 1929, at which objections to the construction of such sanitary sewer will be heard. Carried unanimously.

The following resolution was proposed by Commissioner Shear and supported by Commissioner Kehrl:

WHEREAS, It is recognized by this commission that the opening of William street from Arthur avenue westward to Evergreen avenue, is a necessary public improvement; and

WHEREAS, It is the thought of this commission that such extension of William street westward from Arthur avenue to Evergreen avenue should be undertaken without unnecessary delay; therefore be it

RESOLVED, That this commission declare its intention to take the necessary steps incident to the opening and improvement of said William street to Evergreen avenue; and be it further

RESOLVED, That this commission take the necessary steps to secure title to the parcels of land required for said street opening. Unanimously carried.

It was moved by Commissioner Shear and supported by Commissioner

Wiedman that the removal of the existing land stand in Kellogg Park be approved, and that the manager be directed to have the work done by the department of public works. Carried.

Mr. Fred H. Lee, 392 South Harvey street, presented verbal petition that the village take steps to improve the parking space between the sidewalk and curb on South Harvey street, along side his property. During the discussion of the petition, it was pointed out to Mr. Lee that the village had not in the past undertaken such improvement where similar requests have been made. Upon motion by Commissioner Shear, supported by Commissioner Kehrl, the commission approved granting to Mr. Lee permission to construct a low retaining wall behind the curb along his property if he so desired.

It was moved by Commissioner Kehrl and supported by Commissioner Wiedman that the assessor be authorized and directed to have the following described area within the village properly surveyed and incorporated into an Assessor's Plat, same to be known as Assessor's Plat No. 4 of the Village of Plymouth, to-wit:

Beginning at the intersection of the center line of Mill street with the north line of Section 26, T. 1 S. R. 8 E., Village of Plymouth, Michigan, running thence southerly along the center line of Mill street to the center line of Spring street, thence westerly along the center line of Starkweather avenue, thence southerly along center line of Starkweather to center line of Farmer street, thence westerly along the center line of Farmer street to the east line of the Amelia Starkweather Add., thence northerly and easterly following along the easterly line of said Amelia Starkweather Add. and the east line produced to the north line of Sec. 26, thence easterly along said north line of Sec. 26 to the place of beginning, excepting therefrom land which has been formerly platted in the Geo. A. Starkweather Add.

Carried unanimously.

The following bills were approved by the auditing committee:

M. E. Beals	\$ 20.84
W. C. Brown	14.77
Detroit Edison Co.	1,250.58
Mich. Bell Tel. Co.	22.80
R. K. Parrott	51.75
Wm. B. Petz	24.15
Edw. M. Plachta	36.23
Plym. Bulk Sales Co.	9.40
Plymouth Mail	47.35
Red Indian Oil Co.	84.50
Sherwin-Williams Co.	2.02
Allen M. Safford	70.91
Robert H. Warrner	34.25
R. A. Wiggard	10.78
Wm. Wood Ins. Agency	704.80
Beecher, Peck & Lewis	11.80
Bennett Mfg. Co.	70.00
Craze Co.	25.89
International City Mgrs.	7.50
McBee Binder Co.	45.06
Northwestern Typewriter Ex.	45.00

Total \$2,526.19

The following checks written since the last meeting were also approved:

Administration pay roll \$457.16

Cemetery payroll 201.50

Fire pay roll 55.00

Police pay roll 327.70

Total \$1,041.36

Upon motion by Commissioner Kehrl, supported by Commissioner Wiedman, bills and checks were passed as approved by the auditing committee.

It was moved by Commissioner Nutting and supported by Commissioner Shear that the Plymouth United Savings Bank and the First National Bank, both of Plymouth, be designated as the depositories for the funds of the Village of Plymouth for the term ending March 31, 1930. Carried unanimously.

It was moved by Commissioner Wiedman supported by Commissioner Nutting that the Deputy Clerk and Office Assistant be bonded in the amount of one thousand dollars each, the village to pay the bond premium. Carried.

Upon motion by Commissioner Nutting, supported by Commissioner Shear, the commission adjourned.

GEO. H. ROBINSON, President.

A. J. KOENIG, Clerk.

Turtle After 30 Years Finds Its Way Home

Cricket, Calif.—King Solomon, a turtle, has returned to its home here after an absence of thirty years. Back in 1897 J. K. Jensen adopted the turtle as a pet and carved his initials and the date on its shell. Two years later King Solomon disappeared. That was the last seen of the turtle until it was found in front of the Jensen home one day recently.

Harry Lauder Almost Loses Hand and "Tip"

Sydney, Australia.—Sir Harry Lauder, Scottish comedian, narrowly escaped loss of his right hand to a shark in New Zealand waters recently. He was fishing in the Bay of Islands and hooked a swordfish.

Apparently attracted by its deadly enemy a shark of medium size was lurking in the vicinity. No sooner had Sir Harry cast his line again than a terrific tug unbalanced him and would have carried him into the water had not the boatman grabbed him. The shark fought frantically for half an hour, and when it was brought in snapped viciously at Sir Harry's hand.

Sir Harry dryly said it would have been a terrible thing if the shark had taken his hand, for he was holding a 3 penny bit in it with which to tip the boatman for saving his life.

Chinese Characters

In old Chinese the number of characters runs up into many thousand. This language, however, has been simplified recently, and the proposed language consists of only 1,300 characters. The new language is being broadcast throughout China in the form of millions of primers.

Middle Age

Middle age is that period in life when you begin to be unable to find your glasses when you need them.—Ohio State Journal

Sunday-school at 11:30.

ST. PETER'S LUTHERAN CHURCH
Services Sunday, May 12, at 2:30 p. m., will be held by Rev. Hoopecke of Detroit. We welcome you to these services.

SALVATION ARMY

We are sorry to have to inform the people of Plymouth that the services which were to have been held in the Metropolitan M. E. church, Detroit, where Commander Evangeline Booth was to speak, has had to be cancelled until a future date.

The following services are to be held in our own hall, 292 Main street: Tuesday evening, 6:30, young people's service; Thursday, 8:00 p. m., public praise service; Saturday, 8:00 p. m., salvation meeting; Sunday 11:00 a. m., holiness meeting; 1:30 p. m., Sunday-school; 3:00 p. m., praise meeting; 8:00 p. m., salvation meeting. Everybody invited. Capt. and Mrs. E. W. Wright in charge.

Christian Science Notes

"Everlasting Punishment" was the subject of the Lesson-Sermon in all Christian Science churches on Sunday, May 5.

Among the citations which comprised the lesson-sermon was the following from the Bible: "Afterward Jesus findeth him in the temple, and said unto him, Behold, thou art made whole: sin no more, lest a worse thing come unto thee." (John 5:14).
The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Divine science adjusts the balance as Jesus adjusted it. Science removes the penalty only by first removing the sin which incurs the penalty. This is my sense of divine pardon, which I understand to mean God's method of destroying sin." (p. 40).

METHODIST NOTES

"All things therefore whatsoever ye would that men should do unto you, even so do ye also unto them."—Matt. 7:12.

Wednesday is circle meeting day. Mrs. Honey's circle will meet with Mrs. George Card, 1179 West Ann Arbor street, at 2:00 p. m. Mrs. Partridge's circle meets with Mrs. Arthur White on Canton Center road, and will have a cooperative dinner at one o'clock, followed by a program and a surprise for all present.

Mrs. Passage's circle is invited to her home on East Ann Arbor Trail for a cooperative luncheon at one o'clock, followed by a social time. All L. A. S. members having coin cards are to bring them in to these meetings.

Wednesday evening, 7:15 to 8:00 o'clock, is family worship night. We are having a surprise speaker. Come and enjoy the meeting with us.

Sunday is Mother's Day, when we should all either write to or visit our mothers.

We are to have a great treat, Friday evening, May 17th, when a group of people from the West Lawn Methodist church in Detroit, comes to the community hall to put on a three-act comedy, "A Tourist's Romance." Tickets may be secured from Mrs. Passage's circle.

Sunday is the last day of the Sunday-school contest. All come at 11:30, and learn who will eat beans.

CATHOLIC NOTES

Sunday is Mother's Day. A kindly thought for mother is always in order, but particularly on Mother's Day. Do not forget a flower or plant for the church, so as to adorn the altar, in respect toward mother.

The men are urged to receive holy communion next Sunday, Holy Name Sunday.

The Nethem ball team indulged in a slugging match last Sunday, against the boys from the St. Francis Home, the latter winning 17-19.
Next Sunday our boys cross bats with the strong and fast Liberty A. C. of Detroit, at Newburg. Games are called at 3:00 o'clock.

It is gratifying to learn that so many have made provisions for themselves and their families in Holy Sepulcher cemetery.
"Money talks," said the nickel to the dollar, "you go out and work awhile. I've been handled long enough."

BAPTIST NOTES

The Ladies' Aid Society will hold its monthly meeting Wednesday afternoon, at the home of Mrs. E. J. Dreyer, 383 Blank avenue.

The B. Y. P. U. of the Plymouth Baptist church is glad to welcome the young people of the Wayne church Sunday evening, May 19. The thirty-eighth convention of the B. Y. P. U. of America will be held in Detroit this year. The young people of the Detroit Unions are enrolling as many of the outside Unions as possible. Wayne has high hopes of winning the contest, they now stand next to the top. We trust a large number of the Plymouth Union will attend this convention.

Sunday morning, April 27th, the people and pastor were greatly pleased to see the newly decorated pulpit and upholstered pulpit chairs. They were given by the Ladies' Aid Society.

EPISCOPAL NOTES

The treat of the season comes next Wednesday night when in connection with the usual splendid supper, we are privileged to present a program of musical numbers, sponsored by Mrs. Harry Bacher, dean of the University School of Music at Ann Arbor.

This is a program that you cannot afford to miss. It deserves the utmost support from people of the congregation and community at large. Help us make this a real success!

Sunday afternoon at 2:30 o'clock, children of the church school and others planning to attend the Presentation Service for the Lenten and Birthday offerings, to be held at St. Paul's Cathedral, will meet at the church. We should like to have four or five "car loads" to represent our parish. Volunteer drivers are requested.

Do you want to buy a good farm or a good house? See today's Classified Section on Page 4.

NUMBER XXX

NOTICE!

Mr. Lindquist, teacher of typewriting and shorthand, is quite ill in an Ann Arbor hospital. A week ago Saturday he escorted fifteen people from Plymouth High School to the contest at Pontiac. After the contest he stayed to help look over the various papers, and worked on these for fully three hours or more. Monday he did not feel very well, his eyes bothered him, and Tuesday morning he left his classes to see the doctor. Friday he was taken to the hospital. There it is said he has pneumonia.

STARKWEATHER NOTES

Italyann Matts, Ivan Packard, Robert Smith and Jimmy Aregan of the Starkweather kindergarten, have been neither absent nor tardy this semester. The second grade has finished the Elson reader, and are reviewing. In Miss Stader's room all except two of the pupils received either a gold or silver star button for perfect papers in Paltner penmanship. They are making correct posture books for health work. The first grade has finished the required spelling material for this term. A review of the words will be followed by their use in forming sentences.

A RADIO PARTY

It was the turn of the Central and Starkweather grade teachers to entertain the rest of the force, and they gave one of the most interesting and enjoyable of the three parties planned for the year last Wednesday evening, May 1. Each was given a gaily decorated basket with potato salad, sandwiches, pickles and celery, and then for the first time most of us realized that this was May day. We were told to walk to the Starkweather school, but only the pious who always do as they are told, like Miss Hadley and Miss Birkenhauser really did so. At the Starkweather school, we found the gymnasium with a May pole in the center, and streamers of gay colors leading to small tables on each of which was a May pole and place cards. Here coffee and dessert were added to the contents of our baskets.

AMATEUR HOME-MAKERS

How many of you have visited different homes and, viewing them, found something indefinable, that was out of harmony? Maybe the outside decorations seemed in discord with the flowers or the shrubbery, and perhaps the living room seemed side-heavy. At any rate, no one will ever be able to say such words as "this is lovely" in the center of yellow houses with green shutters, if there were red and purple floral families blowing defiantly together in the front yard.

MUSICAL

Over six hundred people gathered at the local high school, Friday evening, May 3, to enjoy a pleasant evening of music. Among those taking part were the orchestra, band, glee club, junior chorus, and two rather special numbers. Those were Laurence Livingston, who gave a very beautiful saxophone solo, and Robert Clampe, who rendered two vocal selections, and recited much applause for his efforts. Robert, as you probably know, is our youthful soloist. He has a very good voice for one so young and his captivating smile when on the stage makes friends of everyone in the audience.

HLY

The HLY fellows had a feed and a good meeting at the Methodist church, the food or feed consisting of hot dogs, cocoa and various picnic eats. Before they were served, a kicking contest was staged, and a standing high jump. A great deal of fun was gained from both and the winners of each were lauded on their particular merits. After the "dinner," every fellow had to wash his own dishes and then adjourn to one of the Sunday-school rooms. There Alvin VanBonn called the meeting to order, and the question of serving for the Mother and Daughter banquet was brought up. The requisite number of boys was recruited, and some rather business was quickly gone through. Then the club came back to school.

BIRD CLUB NOTES

Robin Redbreast Wins the Election All hail the robin! The state-bird contest has closed with a victory for the robin. The state Audubon Society award a prize of 100.00 votes, out of which the robin received 37,036. Mrs. Edith C. Munger, president of the Michigan Audubon Society, will soon take measures to have a bill introduced into the legislature asking for official recognition of this choice. Last Friday the club met in the Physics lecture room, where they enjoyed the bird-slides sent out by the state university, showing our common birds, natural habitat, nesting habits, means of attracting birds, economical value, and their common enemies. Great interest was shown at our last meeting in a talk upon our common fungi, the mushrooms. We learned the parts of a mushroom, how they grow, the oyster in which they were held by the ancient Greeks and Romans, legends concerning some of the species, how they vied with the wild flowers in beauty of coloring, their habits, how to obtain spore prints and how to recognize some of the most poisonous varieties. The following birds have been seen and heard about the city during the past week: Robins, grackles, meadow larks, killdeers, crows, starlings, song sparrows, chipping sparrows, cardinals, quail, wrens, martins, orioles, cow birds, hermit thrushes, red-winged blackbird, warbling vireo, red-eyed vireo, goldfinch, white-throated sparrow, golden crowned kinglet, blue jay, sapsucker, mourning dove, flicker, screech owl, myrtle warblers, cat birds, yellow warblers, phoebe, towhee, brown creeper, blue bird and brown thrasher. Weather permitting, we expect to make a field trip this week, and hope to add to our list of wild flowers, birds, mushrooms and reptiles. Billy Henry, President.

GENERAL ASSEMBLY

Mr. James Breakey, a lawyer of Detroit, played a few selections for the assembly last Wednesday. Mr. Breakey's first two numbers were so much enjoyed that he was obliged to give an encore. His selections were Mozart's "Rondeau" and Liza's "Sleigh Rhapsody." Mr. Breakey is also a member of the faculty of the Michigan State College, Conservatory of Music. Mr. Ament, a student at the conservatory sang for us "The Wayfarer's Night Song," "The Nomad," and as an encore, "Thank God For a Garden." Every year a contest is held by the Kiwanis Club of Plymouth for the judging of the bird houses made by the seventh and eighth grade manual training classes. Mr. Allison, representing the Kiwanis Club, presented the prizes to the boys. In the eighth grade, first prize was awarded to J. D. McLaren; second to Melvin Blum; third to Rupert Hadley; and in the seventh grade first prize to Wilbur Kincaid; second prize to Matthew McLeellan, and third prize to Harold Schmidt.

LOS GITANOS

The Travel Club had a very interesting program Thursday, May 2. Helen Bridge, one of the members, gave a talk on her European tour. To make this still more vivid to the others, pictures and snapshots of various places were shown. The first stop was in England. Something which might seem queer to us is that all traffic conducted there is on the left side of the street. Oxford College is quite an old timer; it is composed of twenty-two colleges, eighteen for men and four for women. Napoleon's tomb in France, the Blarney Stone in Ireland, Shakespeare's home in Stratford-on-Avon in England, were places not only of interest, but of historical importance. This coming week it is hoped that Helen will continue this talk, for it is more than thrilling to those who have not had the opportunity of going to other lands.

ALL CITY HIKE

Several members of the Girl Reserves met other club members of Detroit at the Windsor Ferry, Saturday, May 4. Having crossed into Canada, they hiked about five miles. Each girl brought her own lunch and enjoyed it with many other wanderers. The remainder of the time was spent by playing various games such as baseball and treasure hunting. 'Twas a merry affair, but the day was rather cold.

The girls' quartette was very interesting in their rather Spanish surroundings, and their songs were well liked. The girls' double quartette carried out the idea of Spain and they sang "Carmenita." They were very beautifully dressed in formals, and held Spanish shawls about them in the true Spanish fashion. The boys' glee club quite obviously enjoyed singing "The Bull Dog" song, and the audience enjoyed hearing them. The girls' glee club was very pretty as they stood before the footlights, their various colored formals making a rainbow across the stage. Their selections were very well liked. The junior chorus is so very large that it should receive an extra bit of commendation for the wonderful work it has done. Everyone seemed to enjoy their songs and their youthful voices were very well trained in their selections. The band, under Mr. Dykehouse's direction, played some very wonderful selections. This is one of the major things that Plymouth High has to be proud of, and we are proud of it—and all of the rest of the music department, aren't we, Plymouth High?

THE STYLE SHOW

The curtain arose upon a garden scene which had for the background a lovely arbor with flowers entwined in the lattice work. Many colored Japanese lanterns cast a soft glow on the models as they entered. A little girl clad in a most becoming flowered frock, made the announcement that this fashion show is presented by the ninth, tenth and eleventh grade girls. And also that the three best dresses were to be judged by Mr. Martin, and sent to New York to the Borden Fabric Co. for the national competition. We thought at first our eyes were deceiving us, and we were seeing double, but we were soon reassured. Christine and Elizabeth Nichol were showing their frocks. The girls who had dresses of the same material and pattern, modeled them together. The jacket type appeared to be the choice. Many sport dresses, mostly made of plaited fabrics were shown. Some very becoming school and street dresses were also modeled. After the girls had shown their dresses, they came down in white chairs arranged around the side of the stage, and engaged each other in conversation, making it really seem as though we were viewing a regular garden party. A very dignified white dog, led by his mistress, caused quite a little laughter among the audience. Dresses were not the only article displayed. Some lovely pajama ensembles were shown. Many were of figured material, trimmed with plain, also some were of plain material with flowered coats. Punch was served in the sewing room, to the audience. The winners of the contest were: Marian Birch, first prize; Elleen Jordan, second prize, and Mary Urban, third prize.

PLYMOUTH PLACES THIRD IN DISTRICT CONTEST

Plymouth's declaimer, Harold Stevens, placed third in the district declamation contest, which was held May 1, at the Detroit City College. Helen Farkas of Southwestern, giving "A Vision of War," placed first. Our orator, Alvin VanBonn, did not fare so well. He placed fifth in the oratorical contest, while Wilbert Hindman of Highland Park, speaking on "The Futtie Flame," placed first. Both contests were judged by Melvin A. Hart, principal of Birmingham High School; Eva A. Moore, debate coach at Royal Oak High School, and Otto W. Hedges of the University of Detroit.

PLYMOUTH LOSES TO YPSI FROSH

The Plymouth Rocks went down to defeat April 20, before the Ypsilanti Normal College freshmen, 11-6. For six innings, the Rocks played like a real ball team, but in the seventh the freshmen scored five runs to complete their victory. However, only cheers can come from this game, as Ypsi has a good ball team, and from the showing Plymouth made with a patched line-up, we are due for a successful season.

FIRST INNING: For Ypsi—Terrell

first to Collins; Sweet walked; Owen fouled to Herick; Sweet stole second and third; Kaiser fled to Postiff. No runs, no hits, no errors. For Plymouth—Atkinson rolled to the box; VanBonn singled to right; Collins reached first on Jackson's (2b) error; Smith singled to left, scoring VanBonn and sending Collins to third; Herick sacrificed Collins home and Smith to second; DePorter walked; Smith stole third; Hix fled to Jackson. Two runs, two hits, one error. SECOND INNING: For Ypsi—Lucas singled to center; Budd singled to center, advancing Lucas; Jackson fled to Smith; Heimlerdinger and Stracham struck out. No runs, two hits, no errors. For Plymouth—Sockow singled to left; Sockow stole second; Postiff walked; Atkinson sacrificed to the box, advancing Sockow and Postiff; VanBonn fanned; Collins walked; Smith fled to the box. No runs, one hit, no errors. THIRD INNING: For Ypsi—Torrell fled to third; Sweet walked; Owen reached first on a fielder's choice; Kaiser tripled to center, scoring Sweet and Owen; Lucas singled, scoring Kaiser; Jackson fanned; Lucas stole second; Budd fanned. Three runs, two hits, no errors. Substitutions: For Ypsi—Huglin for Terrell; Kirke for Sweet; Neclatts for Owen; Gledlin for Kaiser; Annabel for Jackson; Warner for Budd; Benson for Heimlerdinger; Bradley for Stracham. For Plymouth—Herick grounded out to second; DePorter and Hix fanned. No hits, no runs, no errors. FOURTH INNING: For Ypsi—Benson reached first when Herick erred; Bradley got two bases when the second baseman fumbled; Benson stopping at third; Huglin fled to left; Benson scored; Kirke fanned; Neclatts grounded out to Herick. One run, no hits, two errors. For Plymouth—Sockow singled to left; Postiff struck out; Sockow stole second; Atkinson fanned; VanBonn was hit by pitcher; Collins walked; Smith reached first on pitcher's error; Sockow scored; Herick beat out an infield hit; Atkinson running for Van Bonn, scoring; DePorter walked; forging in Collins; Hix was hit by the pitcher, forging in Smith; Sockow fanned. Four runs, two hits, one error.

error. Smith singled to left, scoring VanBonn and sending Collins to third; Herick sacrificed Collins home and Smith to second; DePorter walked; Smith stole third; Hix fled to Jackson. Two runs, two hits, one error. SECOND INNING: For Ypsi—Lucas singled to center; Budd singled to center, advancing Lucas; Jackson fled to Smith; Heimlerdinger and Stracham struck out. No runs, two hits, no errors. For Plymouth—Sockow singled to left; Sockow stole second; Postiff walked; Atkinson sacrificed to the box, advancing Sockow and Postiff; VanBonn fanned; Collins walked; Smith fled to the box. No runs, one hit, no errors. THIRD INNING: For Ypsi—Torrell fled to third; Sweet walked; Owen reached first on a fielder's choice; Kaiser tripled to center, scoring Sweet and Owen; Lucas singled, scoring Kaiser; Jackson fanned; Lucas stole second; Budd fanned. Three runs, two hits, no errors. Substitutions: For Ypsi—Huglin for Terrell; Kirke for Sweet; Neclatts for Owen; Gledlin for Kaiser; Annabel for Jackson; Warner for Budd; Benson for Heimlerdinger; Bradley for Stracham. For Plymouth—Herick grounded out to second; DePorter and Hix fanned. No hits, no runs, no errors. FOURTH INNING: For Ypsi—Benson reached first when Herick erred; Bradley got two bases when the second baseman fumbled; Benson stopping at third; Huglin fled to left; Benson scored; Kirke fanned; Neclatts grounded out to Herick. One run, no hits, two errors. For Plymouth—Sockow singled to left; Postiff struck out; Sockow stole second; Atkinson fanned; VanBonn was hit by pitcher; Collins walked; Smith reached first on pitcher's error; Sockow scored; Herick beat out an infield hit; Atkinson running for Van Bonn, scoring; DePorter walked; forging in Collins; Hix was hit by the pitcher, forging in Smith; Sockow fanned. Four runs, two hits, one error.

FIFTH INNING: For Ypsi—Gledlin hit a homer over left field fence; Lucas tripled to center field fence; For Plymouth, Pankow was substituted for Postiff as pitcher. Annabel hit to third, who erred; Warner sacrificed, advancing Annabel; Benson hit to center, scoring Lucas; Annabel was out at third; Bradley hit to the pitcher, who touched him out; Benson stole third; Huglin fled to center. Two runs, three hits, one error. For Plymouth—Pankow reached first on the third baseman's fumble; Atkinson fanned; VanBonn was hit for the second time; Collins reached first on shortstop's error; Smith fanned; Herick fled to first. No runs, no hits, no errors. SIXTH INNING: For Ypsi—Kirke was hit by the pitcher; Neclatts grounded out; Pankow to Herick; Gledlin fled to short; Lucas grounded out. Hix to Herick. No runs, no hits, no errors. For Plymouth—DePorter fled to first; Hix singled to center; Sockow singled to center; Hix was out stealing third; Pankow walked; Sockow and Pankow executed a double steal, going to third and second; Atkinson fanned. No runs, two hits, no errors. SEVENTH INNING: For Ypsi—Annabel fled to center; Warner singled to center; Benson singled to left; Bradley hit to shortstop, who erred, scoring Warner; Huglin walked; five bases loaded; Kirke hit a home run to right field; Neclatts fanned; Gledlin fled to third. Five runs, three hits, one error. For Plymouth—VanBonn reached first on shortstop's error; Collins sacrificed; Smith rolled to the box; Herick fled to left field. No runs, no hits, one error. Score by innings: Ypsi—0 0 3 1 2 0 5—17; Plymouth—2 0 0 4 0 0 0—6. Winning pitcher—Bradley; losing pitcher—Postiff. Pitchers—43Mara.

COMMISSIONER'S NOTICE 148816 In the Matter of the Estate of DANIEL A. JOLLIFFE (D. A. JOLLIFFE) Deceased. We, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the Plymouth United Savings Bank, Plymouth, Wayne County, Michigan in said County, on Tuesday the 16th of June A. D. 1929, and on Saturday the 17th day of August A. D. 1929, at two o'clock P. M. of each of said days, for the purpose of examining and allowing said claims, and that four months from the 16th day of April A. D. 1929, were allowed by said Court for creditors to present their claims to us for examination and allowance. Dated April 18, 1929. ERNEST J. ALLISON, WILLIAM J. STURGIS, Commissioners.

Advertisement for Polarine and Iso-Vis motor oils. Includes an image of a car and a large circular logo with the text 'Polarine MOTOR OIL' and 'STURDY AND RICH'. Below the logo is another circular logo with 'ISO-VIS' and 'STANDARD OIL COMPANY (INDIANA) MOTOR OIL'. The text reads: 'Trust Your Engine to POLARINE or ISO-VIS'. 'Your engine will be safe with either of these two rich and sturdy motor oils. Both Polarine and Iso-Vis will stand up under the trying conditions of country driving. They are sturdy! Both Polarine and Iso-Vis will protect every bearing surface with emulsifying films of oil. They are rich! Polarine is an economical motor oil. Only because of the large volume produced it is possible to sell Polarine at anything like the low price you pay for it. And only because it gives such satisfactory service is such a large volume demanded. Iso-Vis is the sensational motor oil that wears and wears! Motorists say they can't wear it out! It maintains a constant body and constant lubricating efficiency—many are able to drive for 1000 or 2000 miles without draining the crankcase. Buy the special grade of Polarine or Iso-Vis made for your car. Ask any agent of the STANDARD OIL COMPANY (Indiana)'. There is also a small image of a car at the bottom left of the advertisement.

Your Thoughtfulness is Mother's Joy

How better can love, loyalty and reverence be expressed than with your tribute of Flowers on Mothers' Day. How happy you will make her.

SUGGESTIONS

All Flowers are Appropriate

Sweet Peas, Snap Dragon, Roses, Stocks, Carnations and Daisies.

An attractively arranged box or basket of any of the above Flowers, as well as any of the season's blooming Plants, will beautifully express Mothers' Day sentiment. REASONABLE PRICES.

BILK HOTELS BY NOVEL METHODS

Various Devices Employed by Dishonest Patrons to Swindle Hostels.

New York.—Hotel managers' need of vigilance in protecting themselves against dishonest patrons was illustrated recently by the arrest of two middle-aged women charged with defrauding the Hotel Ambassador of \$661, the amount they owed when they were alleged to have taken "French" leave. They also took with them their black cat, Babette, said for the last two years to have been their companion.

Hotel "dead heats" are not so numerous as they used to be. It is said by hotel detectives that the two sisters charged with swindling the hotel in Park avenue came from Chicago. They emerged from the quiet of boarding houses in that city into the bright lights and luxury of the best hotels in Manhattan. Their story was the same wherever they stopped, and certainly enough it seemed true to be convincing. One was a graduate physician; the other a dietitian. They had invented an army ration biscuit filled with whole wheat and rye flour and pork and beans—a kind of hard-baked porce. One biscuit was warranted to keep hunger away for 24 hours. It was good for men and dogs and especially cats.

Sued for Infringements.

The sisters had brought suit against various persons and corporations for infringements of their patent, the defendants including leading packing houses of Chicago and biscuit bakers of New York. Recently Senator Cope land, by request, introduced a bill asking the government to pay them \$900,000 for the use of their patents during the World war. They had lawyers here and in other cities to whom they referred.

On their arrival a month or so ago at the Ambassador the sisters conducted themselves with an aloof dignity. It was several weeks before any of the hotel employees knew about the black cat. That ebony charm did not arrive in a pet carrier, one of those imitation valises with wire-covered ventilators at either end. Otherwise the rules about keeping animals in rooms might have been enforced against her.

When the women disappeared, according to the complaint, a circular about them was broadcast among hotel men. Through a lawyer, who had been mentioned by the women as their adviser, an address to which their mail was being forwarded was obtained. It was a private mail box in a little store, but alert shadowing resulted in tracing one of the women to a hotel near Broadway where also were found her sister and Babette.

Beating hotels was once a wide-spread practice, especially before they were organized into associations and had bureaus for sending out warnings. Adventurers with scant luggage, and that consisting of only a few shirts and collars, with bricks for ballast, used to visit the hotels regularly.

They had good rooms and the best meals the house afforded for several days, then disappeared, usually leaving their cheap bags or worn tele scopes with their worthless contents. Sometimes they lowered even their slatby luggage by a rope from a window and retrieved it.

Bellboys Give Hint.

Bellboys are supposed to give a hint if they suspect anything sinister about an "arrival." Some of them can tell from the weight of a handbag that an investigation may be warranted. The smart "bellhop," standing just behind the prospective patron, communicates his suspicions to the clerk by a look and slowly tips the bag a little forward. That signal means "Skipper Baggage." The diagnosis may not always be correct, but the signal usually results in the new guest being asked to pay in advance or being informed that there is no room for him.

Possibly the credit manager of the hotel, on seeing the "S. B." symbol after the name of the suspect, a mere triangle perhaps, or a circle, will take a glance and wait three days before the man gets a bill. Meanwhile the guest and his baggage are being carefully watched. His room may be entered and his baggage examined.

If there is evidence of intended fraud the keyhole of the door of his room is plugged to make it impossible for the unwelcome sojourner to enter. He may complain about this if he is a good bluffer, but the reply is merely a demand that he pay his bill. If, after three days, he cannot meet his score he is liable to arrest under the innkeeper laws of most of the states. Credit managers, however, do not use such drastic methods as this unless, through reporting agencies and from confidential bulletins forwarded, they are reasonably sure of their ground.

"Paper workers," that is, those who impose on the hotels by forging bad checks, are really to be feared and their capture is important. They are thieves and forgers, compared to whom the "skippers" are petty operators.

Checks Sometimes Cashed.

In theory, hotels do not accept paper. Most of them have signs over the cashier's desk or cage reading, "No checks cashed." That may be taken largely in a Pickwickian sense. There are conditions under which it is practically impossible for hotel keepers to refuse this service. If a customer is able to convince the credit managers that he has important business connections, or if he is known at the hotel, he can get accommodation for which he asks.

"Paper workers" make their clean-ups by offering checks for amounts much in excess of their bills and getting the balance in cash. Some of them have plenty of working capital and pay their scores in real money. Then, in a casual way, they ask to have a check cashed which they pro-

cess to have just received.

It is against such as these that the American Hotel association, the Hotel Keepers' Protective association and other agencies issue their warnings, and it is for the detection and arrest of such that they spend money liberally.

The "paper operator" is dreaded by hotel credit men. If he has played his game boldly and by his appearance and manner impressed the management, and especially if he has obtained some local reference, the "paper worker" forestalls inquiries about himself. His check may not come back for three or four days or a week.

Often he has protected himself or at least made conviction difficult. If caught, by giving a check signed by some one else. He indorses it and if there is a "come back" he maintains that he took the paper in good faith.

Just how much hotels lose by such operations is hard to estimate, as many such losses are not reported. Even the protective associations and the detective organizations do not get complete returns, as the proprietors do not like to admit they have been imposed upon. One authority estimates the bad debt losses at from 1 1/2 to 2 per cent of the gross receipts. Others think it is much more than that. The losses are decreasing, owing to the persistence with which dangerous "paper operators" are pursued, while vigilance is exercised in watching out for signs of the less dangerous yet most annoying "skippers" of both sexes.

Judge Sets Up Golden

Rule as Guide for Jury

Kalamazoo, Mich.—Jurors drawn on panel for Circuit court under Judge George V. Welmer of Kalamazoo were admonished to follow the golden rule in reaching their decisions.

"Do as you would be done by and you can't go far wrong," Judge Welmer told the 28 who reported for the spring term. "Each of you ought to make the same fair, conscientious effort to give the litigants in every case a square deal, as you'd expect from the jurors if you had a case on trial."

Another departure from customary dealing with jurors has been adopted by Judge Welmer. Instead of requiring everyone on the panel to appear in court and remain there during the entire session daily during the term, Judge Welmer calls in only those whose service are expected to be required, and permits them to absent themselves from the courtroom at all other times.

Today's Reflections

Another good way to keep Plymouth a good town is to remember that idle gossip is the busiest thing in the world.

Men and fish are alike in one respect—they are both apt to get caught if they don't keep their mouths shut.

It has been our observation that the only time some fellows get a following is when they are riding in a hearse.

Most any man in Plymouth can recall when mere words were uttered and less said in a barber shop than any place in town.

In some countries the high forehead is a sign of intelligence but over here you can't tell whether the owner is a professor or a bum.

The country wasn't any worse off in the old days when pickles were the only things kept in a stone jar in the cellar.

Now and then you'll run into a Plymouth married man who feels Sherman must have been talking about matrimony instead of war when he made his famous remark.

The man who yells because it takes his wife a long time to dress yells twice as loud if she doesn't look as nice as other women.

A president of the United States is back in private life when he has to go to the postoffice to get a stamp the same as the balance of us.

Any Plymouth mother of a six-year-old feels sure that the rising generation is getting to be smarter than the old one.

If looks count for anything, it's hard to believe that modern girls are putting as much money into clothes as they used to.

It isn't until along later in life that a young man realizes there are no shade trees or hammocks on the road to success.

One thing you can say for Plymouth girls of today—they're not marrying hard-fisted old misers just to keep from being old maids.

Why is it that when a husband loses his memory and wanders off he always remembers the address of the other woman.

A free country is one that passes laws to please its conscience and then breaks them to please its appetite.

The greatest difference the average Plymouth motorists notes between the auto and the buggy is that in the auto you can't wrap the lines around the whip and take a nap.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

In The Theatre

"LOVE AND THE DEVIL"

An unusual murder trial is seen in First National's "Love and the Devil," starring Milton Sills, coming to the Penniman Allen Theatre Sunday and Wednesday, May 12 and 13.

The defendant sits in a huge steel cage, twelve feet square. He is attired in a correct afternoon dress, frock coat, wing collar and striped trousers.

A half dozen red-uniformed gendarmes guard him, with rifles ever ready.

The attorneys wear long flowing gowns, and the judge has a college graduates cap perched on his head.

There are only six men on the jury instead of twelve.

It is quite an unusual murder trial to everyone but Italians, for the trial is supposed to take place in Venice, and all the old Venetian courtroom customs are carried out, to the smallest degree.

Sills, who portrays an English explorer, is on trial for the supposed murder of his wife, an Italian prima donna. This role is taken by beautiful Maria Corda, the European actress.

The court scenes provide some of the big dramatic moments of this romantic story, which has a continental flavor, and which moves rapidly from Africa to Venice, from Venice to London and then back to Venice again.

Alexander Korda directed, and the big supporting cast is headed by Ben Bard, former vaudeville favorite, who plays the rival for the prima donna's hand.

"Love and the Devil" is a spectacular and interesting picture, according to all reports, and provides an unusually brilliant role for Sills, who is becoming more and more popular with each picture.

"THE CASE OF LENA SMITH"

It took Josef von Sternberg, himself to make a picture to surpass his world-famous masterpieces, "Underworld," "The Last Command," "The Drag Net" and "The Docks of New York." His great triumph, "The Case of Lena Smith," will be shown at the Penniman Allen Theatre, Wednesday, and Thursday, May 15 and 16, and it is Von Sternberg at his finest.

None of his former great pictures has had the variety, the lavishness,

the great emotional power of this story of a Hungarian girl's fight for her child. It has the universal appeal of motherhood portrayed with all the reality for which this director is famous.

In the superb emotional role of Lena Smith, Esther Halston has truly the finest characterization of her career on the screen. It has depth and power. Starting with a prologue in 1914, the scene goes back to the girlhood of a mother who watches her son march off to war. It pictures her love affair, her strivings, her sufferings and sacrifices for her son and the picture ends where it began.

An excellent cast supports Miss Halston, chief of whom is that popular young actor, James Hall. Fred Kohler has another important role and such well-known players as Lawrence Grant, Gustav von Seyffertz and Emily Fitzroy are in the cast.

A wealth of research went into the making of "The Case of Lena Smith" and the Vienna scenes of 1894 are particularly enlightening and interesting.

"MANHATTAN COCKTAIL"

Sparkling Broadway could sparkle no more than Paramount's latest production "Manhattan Cocktail" which is coming to the Penniman Allen theatre Saturday, May 18. "Manhattan Cocktail" has all of the bright lights, the thrills and the mystery of Broadway itself and, in addition, it has two exceptionally bright stars leading its cast, Nancy Carroll and Richard Arlen.

"Manhattan Cocktail," the story of New York backstage life, is the vehicle chosen to co-star this young pair of Paramount's young players and both the young players and the story do justice to the selection. The flashing personality of Nancy Carroll and the sympathetic figure of Richard Arlen alone would have added lustre to any picture. The combination of the two in this dashing piece produces an exceptionally fine picture and an enjoyable entertainment.

In the early sequences of the picture, which deals with the efforts of a young college girl to break into the stage racket, Marian Morgan's dancers perform beautifully in several allegorical scenes. Throughout the picture, the life behind the scenes on Broadway is revealed in all its reality. "Manhattan Cocktail" is, if anything, a realistic picture but it is also a moving, thrilling melodrama.

Taxpayers Take Notice

The Assessment Roll of the Village of Plymouth for the year 1929 is completed and ready for inspection of the public. Every taxpayer is urged to examine the assessment upon his real estate and personal property. The Assessment Roll may be examined at the office of the Assessor in the Village Hall during office hours between May 1st and 11th to see that assessments are fair and reasonable. Remember that no changes can be made after the Assessment Roll has been confirmed by the Board of Review and the Village Commission. All transfers of property during the last year should be reported to the Assessor at this time.

We are desirous of giving all tax payers an opportunity to register any complaint against unjust or unfair assessments.

GEO. W. RICHWINE,
Village Assessor.

Notice of Board of Review

Notice is hereby given that the Board of Review for the Village of Plymouth will meet at the Village Hall in the Village of Plymouth May 9, 10, and 11, 1929, from 9:00 A. M. until 5:00 P. M., Eastern Standard Time, for the purpose of reviewing the Assessment Roll for the year 1929.

All persons interested will be heard at that time.

GEO. W. RICHWINE,
Village Assessor.

GOOD HAY DAYS MAKE "BAD BALING WEATHER"

SHATTERED ALFALFA SUFFERS PRICE CUT ON EASTERN MARKETS.

Dry, windy weather which brings smiles to the farmer's face during baling time actually damages hay which is baled during such weather conditions, is the statement made by one of the leading eastern buyers of alfalfa hay.

This buyer advised the farm crops department at Michigan State College that his company bought hay which had been baled in cold, windy weather at two dollars a ton less than they paid for the same grade of hay which was baled on warm, damp days.

The alfalfa which is handled in cold, dry weather is brittle and the leaves shatter badly, and, as the leaves contain a high percentage of the feeding value of the hay, such alfalfa is less valuable on the eastern markets.

Michigan has become the leading alfalfa producing state east of the Mississippi and sales of hay now represent a considerable item in the agricultural income of the state. Two dollars deduction in price on each ton of alfalfa hay sold out of the state means many thousands of dollars lost.

The farm crops department at Michigan State College believes that Michigan alfalfa which is cut in the early bloom stage and properly cured should bring the top of the market. As baling hay is usually an odd time job, days with proper weather conditions should be selected for doing the work.

PERRINSVILLE

Mrs. Klatt, Mrs. McCracken, Mrs. George Hix and Mrs. Rouch attended a surprise party on Mrs. Agnes Parrish, Wednesday, at her home near Whitbeck corners.

There will be an old time dance at the well known hall of Perrinsville, Saturday evening, May 18. Everybody welcome. Don't forget the place and date. Old friends and new

friends, come and have a fine time together, with lots of music, Gents, 75c, ladies free; also a nice supper free. Wm. Sherwood will act as toastmaster. Welcome everyone on Saturday, May 18th.

Robert McKee's new barn is being hurried right along, in spite of rainy weather. It is nearly enclosed and shingled.

Quite a number from west Warren road attended the "Womanless Wedding" at Newburg hall, Thursday evening.

Mrs. James Cousins entertained the Perrinsville Ladies Aid at her home in Wayne, Wednesday. A good attendance and a nice dinner were enjoyed by all. The meeting was called to order after the dinner, and adjourned to meet with Mrs. Klatt on West Warren road the second Wednesday in June.

Mr. Lowe and Mrs. Joe Roach and son of West Warren road, entertained about one hundred people at the home of Gust Eschel, near Pralin's Lake, Saturday evening. Dancing was the greater event of the evening. The money realized, was used to purchase a new piano for the school in their district.

Mrs. Belle Bachir spent Saturday and Sunday with Mr. and Mrs. Hobart Buehr in Detroit.

Those who missed the "Womanless Wedding" sure feel disappointed, for it was the best out, especially Amos and Andy.

Renting Bees

It is an accepted fact that bees are essential at blossom time for those fruits which require cross-pollination, says an article in the Farm Journal. If the supply of wild bees is insufficient it may be necessary to bring hives of honey bees into the orchard. Some beekeepers make a business of supplying bees to orchardists during the blossoming period.

Useless Worry

The man who brings forward tomorrow's anticipated troubles and carries over yesterday's regrets so overloads today's duties that he is already sick at heart when the sun rises.—Sir Thomas Horler.

GRANGE NOTES

The last regular meeting of Plymouth Grange No. 389, was held at the Grange Hall last Thursday evening, May 2nd, and regardless of the rainy weather, there was a large attendance, seventy-eight being present. After the business meeting a fine program was presented by the following:

Songs by Joseph Tracy
Reading—Jane Oliver
Songs—Ross Gatos
Violin Solos—Kenneth Groer
Recitations—Walter Postiff
Music—The Harmony Trio
Sketch, "Going to the Movies"—Mrs. John Kenter, Mrs. L. Fillmore
Closing Song, "Good Night Patrons"—By the entertainers.

The refreshment committee then served sandwiches, cake and coffee which was enjoyed by everyone. The next regular meeting will be the evening of June 6th, and will be the young people's night. Any of the young people having something to offer on the program, please call the lecturers.

The Lily club will meet at the hall next Tuesday evening, May 14th. A large attendance is desired.

The degree team will meet in the afternoon of that day for practice. Each member of the team is expected to be present or furnish a substitute, and will have their supper at the hall.

Blind Physician Sits as Keystone Legislator

Harrisburg, Pa. Witness is regarded as no handicap to Dr. Charles Lose, of Montoursville, Pa., who is attending his first session of the Pennsylvania legislature as a representative from his district.

Losing his sight while he was head of the Lock Haven State Normal school, Doctor Lose for several years has toured Pennsylvania as a lecturer.

His first try at politics was his candidacy for the house of representatives, and he won.

Education, welfare and conservation of natural resources are the subjects on which Doctor Lose works in and out of the legislature. His daughter, Mrs. Margaret Lose Carpenter, acts as his secretary.

Suggestion
Reach for a future instead of a past.—New York World.

King Cotton
The express on "Cotton Is King" was used by Senator James Henry Hammond of South Carolina on the floor of the United States senate in 1858 in reference to the cotton crop bringing in such a large sum of money.

PROBATE NOTICE

STATE OF MICHIGAN,
County of Wayne, SS.
144380

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the seventh day of May in the year one thousand nine hundred and twenty-nine.

Present EDWARD COMMAND, Judge of Probate.

Pasteurized Milk has more "kick" in it than any other drink!

Does that sound strange? It may but it is nevertheless true. There is more substantial nourishment in pasteurized milk than in any other food drink. Healthy people drink pasteurized milk because, in addition to its fine taste and its thirst-quenching power, it helps them to keep healthy. Sick persons are advised by physicians to drink pasteurized milk in order to regain their strength.

Yes, pasteurized milk has a "kick" to it; and unlike other drinks with a "kick," builds up the bodily tissues rather than tending to break them down.
