PLYMOUTH BOY WINS SECOND IN INTER-STATE TRACK MEET

(From Pilgrim Prints.)

At the sixth annual Interscholastic Indoor Track Meet held in Yost Field House, University of Michigan, at Ann Arbor, last Friday and Saturday, Marvin Bannerman of Plymouth High School, placed second in the shot put.

Plymouth scored three points in the meet. This meet being an invitational one several other suburban league teams were entered and as they failed to score a point, this gives Mr. Day encouragement as to the prospects for track. Nearly all the other teams had been practicing during the winter and this speaks well for the Rocks as this is their first competition.

ART OF BEING HAPPY.

To be bright and cheerful often requires an effort; there is a certain art in keeping ourselves as happy; this respect, as on others, we require to watch over and manage ourselves almost as if we were somebody else.

THE HIGHWAYS OF SPRING.

The United States department of commerce sounds a warning that the most hazardous days of automobiling are just ahead. This warning is based on a survey made of 78 cities during 1929 showing that auto deaths per 100,000 population jumped from below 17 in February to 21 in the period covered by March and April.

There are many reasons for this appalling increase in motor fatalities during these months, experts say. Spring fever is in the air, the itch to see how fast the old machine will travel seems to affect many drivers who have been forced to submit to several months of enforced caution due to bad driving conditions. This use to throw judgment to the winds, coupled with faulty car conditions, results in a veritable avalanche of accidents, most of which are the result of criminal carelessness.

How easy it would be to stop all this useless slaughter if only ordinary precaution was exercised. Before starting out in the spring motorists should see that their cars are in perfect mechanical condition. Tires, brakes, lights, and other equipment should be examined with care, traffic rules should be observed and driving at an excessive speed curtailed to a minimum. In other words, the application of just a little common sense would bring amazing results.

FLOWERS HELP, TOO.

It takes a lot of hard work to make and tend a garden. But everyone around Plymouth who makes a practice of it can tell you that it pays big dividends on the investment. That's why we take the opportunity every year, as we are taking it now, to urge everyone who has a few feet of spare ground to do some gardening. Only this time we want to suggest that they go a step farther and use the space around the front part of the house. Set out a few plants, or make a bed or two and sow them with flower seed. They will not need as much attention as the garden, but they will pay dividends in beauty—and that's something no town, community or individual home has too much of. A few pennies spent for flower seed and those seed planted about the premises will help to brighten the lives of all whose eyes fall on the flowers later on. Try it this year and see if the suggestion isn't a good one.

SOLVING THE PROBLEM.

It looks as though they are about to find the answer to what to do with old autos when they serve their time and there isn't enough of them of value to pay a junker for handling them. After years of dickering manufacturers and dealers have finally come to an arrangement whereby they are going to split up the expense of junking the cars. Within the next 12 months they expect to spend \$15,000,000 to scrap at least 400,000 old and decrepit vehicles. That's common sense, since getting rid of these rattle-traps will not only make our highways safer, but be of value in reducing traffic to a large extent. Many a car, about on its last legs, should be condemned as dangerous and sent to the public junk pile. We have a number of that kind around Plymouth. No one would be the loser. On the other hand, every man who owns a good car would enjoy that much more protection. We sincerely hope that the campaign includes this section when the junking gets under way.

LESS ROAMING AROUND.

The total farm population on January 1 was estimated by the Bureau of Agriculture at 27,222,000, or a decrease of 269,000 from the estimate made on January 1, 1928. Both the shifting of population from the town to the country and the movement from rural to urban centers has shown a decrease in the past two years. Whether it is because the farmer has come to know that competition is keener in the city than it used to be, or whether the city man finds the lure of country life not what it is cracked up to be, we do not know. But we do know that it is a hopeful sign when people are content to stay where they are. We always encourage young men to strike out for themselves, of course. But never until they have fully decided that the time will not come when they could do better at home. There is still a lot of truth in the old statement that "a rolling stone gathers no moss." There are still plenty of reasons why the man or boy now happily located should stay put. And the figures given out by Uncle Sam seems to bear out that statement.

"COVERED WAGON" YEAR.

A proclamation calling on the people of the U. S. to observe the period from April 10 to December 29 of this year as the "Covered Wagon Centennial" has been issued by President Hoover. We do not know how other communities will celebrate it, but so far as Plymouth is concerned it offers an excellent opportunity for parents and teachers alike to explain to the younger generation that it was the great tide, transported by the old covered wagons, which established civilization across the continent. The significance and importance of it should never be lost sight of by the American people; it should be perpetuated from generation to generation.

Those of mature years who know the hardships undergone by pioneer fathers and mothers who blazed the trail to the Northwest 100 years ago owe it to the younger generation to see that they, too, learn the story. They know at what a tremendous cost that vast domain was made safe for humanity, but in modern days, and with so many other events to think of, the younger generation may develop a tendency to minimize it.

The "Covered Wagon Centennial" is a happy thought. And while on the subject we might mention that it would be an ideal time for auto owners east of the Mississippi to turn their cars westward and learn more about the part played by the covered wagon in American history. And those residing west of the Father of Waters can profit immensely by extending a welcome to them.

TIMELY ADVICE.

Tuning up the "old family fivver" is the order of the day all over the country just now, and it will be but a few weeks until main-traveled highways will be carrying the heaviest traffic in history.

With considerable unemployment in the larger cities, though it promises to be generally reduced as the building season opens, this is going to mean one thing for a certainty—there are going to be more canvassers, agents and professional pan-handlers roaming the country than ever before. And there have always been too many. New schemes for separating the public from its hard-earned cash will be plentiful. New sales talks that profit only those who make the talks will be heard on all sides. The "fivver" will be the agency used by the army of easy-money recruits to get them over the ground.

The Plymouth housewife and her sisters out in the rural section may as well make up their minds now that they are going to answer a good many knocks at the front door. They should, therefore, be prepared with a little speech to offset the smooth one they will be asked to listen to. It need be of but few words—and you can get it in ahead of the stranger, so much better—but speak it. Just save yourself time and annoyance, and good hard cash by making your speech sound something like this:

"We find we can get everything we want and need from our neighborhood stores."

Municipal Notes

BY THE MANAGER

It may sometimes be wondered whether citizens now value the voting privilege as they should, and as they did in the early days of the state and nation. Reflecting upon the fact that only 506 Plymouth citizens went to the polls to vote last Monday, while Northville, with half the population of Plymouth, cast 1179 ballots, it would almost seem that it requires an issue that turns the community topsy-turvy to get out anything like a complete vote. Plymouth should be able to register and poll 2,000 votes if each and every eligible voter exercises his right of franchise. Is it not therefore true that our public business is being controlled by a minority of voters? Why not REGISTER NOW for future elections?

Cady

The spelling champions of our school are: Bernita Tynel, 5th grade; Helen Vincent, 6th grade; Bertha Gruner, 7th grade; Robert Vincent, 8th grade. Russell Bakewell is ill at his home with measles and mumps.

Miss Eckert came to our school Thursday and gave a music memory contest. There were six perfect papers in our room.

We have a new pupil in the fifth grade. His name is Frank Stull. Miss Gwinn visited the school on Thursday.

Hazel Reed has re-entered the third grade.

Alfred Welland is home, due to gland trouble.

Ten pupils from Mrs. Truesdell's room are absent on account of measles or mumps.

The eighth grade is very busy with their work books "Citizenship Through Problems."

The seventh grade is busy with the story of "Sandy MacDonald's Man."

There will be an exhibit at the Cady school Wednesday, March 26th.

Achievement Day for the 4 H clubs will be held Monday afternoon, March 24th. Parents are cordially invited.

The children in the first grade have been busy making a circus border in connection with their reading. They have completed four large circus pictures, and several jointed clowns, bears, and elephants.

We hope the boys and girls who are ill with measles and mumps will be back soon.

The Kindergarten and first grade children are making plans for a "grocery store." Several boxes are

here, and we think the store will be open next week.

We have started a bird book. Several children have roids, blue birds, and red winged black birds posted in their books. As we see the birds we paste the pictures in the book opposite the date the bird was first noticed.

In the Training Camps
Bats are Slashing Again!

"THUMP"—and a speedy pitch bangs into the catcher's mit. Smash—and the next one "sails a mile." Winter kinks are being ironed out of throwing arms. Sharp-eyed batters are getting a line on the ball again. Veterans and recruits alike are "playing ball" with everything they have—to win and hold their berths.

In this business of winning a way in the world, it seems that one "training camp" follows another for each one of us. Each offers the chance to learn things of value for the season ahead.

Music Department Entertains At Salem

The orchestra played Thursday, March 13, at the Salem Baptist church. This is the second time the Plymouth High school music department has entertained there, under the direction of Miss Schrader. The program was received so well that the minister publicly asked Miss Schrader and her assistants to play again at a future date. The soloists were Joseph Blinn on the mouth organ, Arthur Moe on the clarinet, and Robert Champe, vocal.

Spanish Echoes

Who could visit Spain without going to a bull fight, even though they be? Anyhow our Travel Club could not. Margaret Sackert was the guide in sunny, picturesque and shall we say fiery Spain. Naturally, they visited the Alhambra, the beautiful castle of the Moors in Spain and then colorful, old-fashioned Seville.

Right about then, the members liked off to their bull fight. Perhaps the bulls were not quite so ferocious, or more lazy, but the club left without being overly thrilled or disgusted, although as every one knows, bull fighting is not what it used to be.

Of course, they did not miss seeing the pretty, manfille Spanish girls and their accompanying cavaliers. It may be that they even caught the echo of a serenade at which the hearts of the feminine members would go pit-pat, while the boys—well probably they thought only of the rheumatism, heavy debts might bring to such foolish romanticists.

TORCH CLUB HOME MEETING

The fourth home meeting for the 1929-1930 period was held at the home of Harold Brown on Wednesday, March the twelfth, and twenty members attended. Preceding the regular meeting the inner circle met. A business meeting was then held, followed by discussion, led by Harold Brown. Five hundred and checkers, intermingled with selections from our "Male Quartette," were next in order. Following this entertainment, refreshments, consisting of cocoa, sandwiches, salad, and wafers, were served, and the fellows then departed for home.

The fellows of the Torch Club certainly appreciate each other's hospitality as was shown them by Mr. and Mrs. Brown and wish to take this opportunity to thank them.

Class Volleyball

It seems as though the minute the classes finish one sport, the coach, Beef Matheson, thinks of something else for them to do. This time it is volleyball, a game played with eleven men on a side, to win which a team must get twenty-one points. The schedule starts Tuesday, March 18, and will finish toward the end of April. There are four teams in the junior division and five in the senior division. The teams are as follows:

- No. 1—Freshmen.
- No. 2—Sophomores.
- No. 3—Juniors.
- No. 4—Seniors.
- No. 5—Faculty.
- No. 6—Seven B.
- No. 7—Seven A.
- No. 8—Eight B.
- No. 9—Eight A.

League of Nations Examination

The fourth National Competition examination for high school pupils was held Friday morning, March 14th, at the home of Miss Madelon Shingleton, Jean Strong and Martha Schultz participated in this annual contest. The time allotted was two and one-half hours.

The National prizes are:

- First—Trip to Europe.
- Second—Cash prize of \$100.
- Third—Cash prize of \$50.

The Michigan State prizes are:

- First—\$25.
- Second—\$10.
- Six prizes—\$5.

The contest is sponsored by the League of Nations Association of New York City. The purpose is to interest the people in the importance of world peace.

Junior Girl Reserves

The Junior Girl Reserves had a cabinet meeting Friday, March 14th, at which they planned their program for the semester. Miss Stell, outer belt secretary from Detroit, helped the girls plan the program which follows:

- March 21—General meeting—a song meeting for the purpose of teaching the new girls songs.
- March 28—Cabinet meeting for setting certain standards a girl must follow to attend Camp Cavell in June.
- April 4—General meeting which will be a World Fellowship discussion in which a play on the Philippines will be given.
- April 11—Song meeting.
- April 28—General meeting which will be a Detroit Camp meeting.
- May 2—Cabinet meeting for the purpose of writing an installation ceremonial.
- May 9—Service meeting.
- May 16—Song meeting.
- May 23—Second and nature program.
- June 6—Cabinet meeting to nominate officers.
- June 13—Election of officers.

Starkweather Notes

One of the new comers in the Starkweather Kindergarten, the gold fish named Pinky, died last Wednesday. The children hope the others live for a long time. Kindergartners made Dutch girls, windmills, the three bears, and the queen of hearts for the bulletin board.

The first A's are making books from their silent reading books. They have windmills and bird houses with birds for decoration. The first A and B pennantship drills are neat and well made. The children heard the story of the Gingham Dog and the Calico Cat and now they have these well known pets in their room.

In the second A, Helen Jay Jones Ivan Packard and Evelyn Stewart, have stars on the reading club chart. Ten children have perfect teeth. They have tulips and butterflies along the blackboards.

The third grade has started bird study. Booklets are being made with stories and pictures of birds in them.

The children of Mrs. Mole's room are starting bird study work. The drills for the Palmer company are to be sent in the last week of March. The children of our school who are in the Ann Arbor hospital are improving.

The fifth A's are taking a trip to Norway and Sweden; they expect to visit many interesting places. These they are going to list in a book of travels. The five A's, five B's, and four A's sent birthday cards and presents to Audrey Hartzog. The children have started work on their pennantship drills. Bird studies have been started and they are enjoyed by the children. The children of Miss Finn's room won the Health Builder's banner for the month.

Business Colleges Accredited By The State

The Department of Public Instruction has issued a certificate of approval for 1930 to 19 business schools. The purpose of the annual inspection of business schools is, frankly, to raise the standard of these schools, and to make it possible for anyone interested, to be able to determine between the school which is doing an educational work and the school whose standards are not sufficiently high to merit approbation.

The following Business schools have been inspected by the Michigan Department of Public Instruction and each holds a certificate of approval issued by that department for the year 1930:

Acme Business College, Lansing; Baker Business University, Flint; Bay City Business College, Bay City; Cleary College, Ypsilanti; Cloverland Commercial College, Escanaba; Davenport-McLachlan Institute, Grand Rapids; Detroit Business University, Detroit; Ferris Institute, Big Rapids; Grand Rapids Commercial College, Grand Rapids; Hamilton Business College, Ann Arbor; Howell's School of Business, Muskegon; Jackson Business University, Jackson; Lansing Business University, Lansing; Michigan Business & Normal College, Battle Creek; Parsons Business School Kalamazoo; The Business Institute, Pontiac; The Business Institute, Saginaw; and Twin City Business College, Benton Harbor.

Campfire Birthday Week

This has been Birthday Week for the Campfire Girls. The Campfire girls had to work for their presents. In fact they were not really presents at all but birthday honors which every one worked hard to win. The requirements for these were based on Indian lore relating to the Indians who used to live in districts around the various Campfire groups. The girls learned stories of the tribes around Plymouth, practiced dances and songs, and copied handcraft designs.

The birthday party was held at Jean Strong's, Wednesday, March 19th, and turned out to be a very elaborate and beautiful ceremonial.

This 1930 Birthday week celebrated the eighteenth birthday of the Campfire organization, and Campfire programs were broadcast all over the world in honor of it. The most outstanding of these were the Indian music played by Roxey's Symphony Orchestra, Sunday, March 16th, over station WJZ, and two programs broadcast, Thursday, from station KFDM and WSBT.

Biology Classes

The study of plant and animal life, Biology, is one of the most interesting subjects in school or college and these are some of the interesting things the girls are doing in Miss Ford's class. Each girl has started making a flower notebook. It will be graded according to the variety of flowers obtained, the classification of them.

They are also going to analyze these flowers by taking them apart, studying each section, placing and labeling them in the notebook. In a large box filled with soil, corn, beans and peas have been planted so that students can watch and draw the different stages of development. In this the laboratory system is being used. That is, while studying seeds, they also have laboratory work on seeds so that each part is taken thoroughly before beginning something new. As a special project each girl is planting a seed at home, watching it grow, attending to the moisture and temperature it requires. When this plant reaches an interesting stage it will be brought to class and they will discuss the growing process.

The boys in Mr. Bentley's class are studying animal life more in detail. They are watching the arrival of the birds and insects and are planning to go on a field trip soon in order to see animal life in its natural surroundings. Last week the boys close topics on plant life and gave reports on them telling their value as food, clothing and drugs.

Poster Contest Winners

The prize posters advertising National Business Women's Week are now on display at Paul Hayward's and those of honorable mention in Schrader Bros. furniture store. "A Better Business Woman for a Better Business World," was the slogan used. The judges Mrs. Paul Hayward, Mrs. Maude Cooper and the Reverend Oscar Stetz determined the posters according to originality, neatness and arrangement.

Thelma Smith won first place; Louise Doherty, second place; Mary McKinnon, third place. The prizes were \$2.50, \$1.50 and \$1.00 gold pieces. The winners are students in Miss Cooper's Art class.

Central News

There are forty-nine children in the Kindergarten now. Richard Virgo entered March 3.

Fern Bower and Glen Hall left March 17.

The first B grade is very proud to be the honor room for this month and have the pretty blue banner which tells us we have strong and healthy children in our room.

Fourteen people in this room received gold stars on their papers for good writing. We are working each to write better and to keep on the line so that later they may receive silver star pins for good writing.

Group one has learned one hundred new words, group two seventy-seven and group three fifty words since the first of this semester.

Many children have seen robins, so we have pictures of them around the room and in our nature study book, for which Miss Cooper helped us to make a nice cover.

There are ten people in the first A that have perfect teeth.

Bernice Blinn and Eugene Shipley have visited the dentist and now have gold stars on the tooth chart. We have thirteen people whose teeth are O. K.

Dale Ostlund is a new boy in our room. This makes our enrollment thirty-three.

We are starting to read a new book, "Johnny and Jenny Rabbit." We like it very much.

Miss Weinmann's room has started the study of Holland and the Dutch people. They are reading the story of "The Dutch Twins" and have started Dutch booklets for language.

The first A's have finished "Johnny and Jenny Rabbit" books and are now starting the book "In a Windy Land."

Lola Schaefer's spelling won the week by seven points.

Paul Thomas received the highest score on the spelling test given last week.

Alberta Bronson and Ruth Hobbs have enrolled in the fourth A.

We are drawing maps of the North Central States.

Eleanor Oline had the highest rating in the spelling test and also spelled the whole room down.

One section is making furniture posters for Grand Rapids and Rockford.

In hygiene we are making posters.

The fifth and sixth grades in Miss Fender's room have been using extra time for spelling. Betty Jane Housley won the sixth grade championship and Thomas Brock the fifth grade championship.

The fifth graders won in the room points with the sixth graders. The fifth grade girls won the arithmetic contest with the boys.

Bernice Blinn has been absent for the last few days.

Miss Halliday's room has been making maps of Asia and South America. Clyde Ernest has entered our room.

Our spelling team consists of Bruce Richard, Kenneth Kelley, Ellen Mulry, Winifred Smith, Irwin Prouph, Laura Belle Wilsen and Billy Brown.

Mrs. G. A. Shearer visited. Miss Hallahan's room Tuesday afternoon.

Roland Rhead's team is ahead of Jack Kinsey's team in spelling. Their percentages were, for last month, 94% and 92% respectively.

Floyd Thompson has been absent for several days because of illness.

We are enjoying the victrola very much this month.

Wednesday afternoon after school, Mr. and Mrs. Bichy, gave a lovely birthday party in the room for Ruth. There were forty-five present and we enjoyed the splendid lunch very much.

In physical training, Jack Gordon's team is ahead of Harold Wagen-schultz's team.

General Assembly Sees The "Pearls"

The Drama Club gave a one-act play, "Pearls" by Dan Tabor. The cast was as follows:

Peggy Lewis—Zerolpa Blinn.
Polly Lewis—Margaret Holcomb.
Ted Lewis—Milton Moe.
Mr. Brown—Lester Daly.

These two girls and a boy were orphans taking care of themselves. Ted has been saving for a whole year to buy his sister, Polly, a pearl necklace. Of course, his sisters did not know his intentions. Therefore when a string of pearls had been stolen, Polly and Peggy were certain that Ted must be the thief. The rest of the story is concerned with the misunderstanding of the sisters of Ted's character and Ted's disappointment to see that his sisters could have thought of him as a thief.

The comedy portrays a real life, such as naturally would have been lived by these persons. Pathos and humor intermingled. The pleasant as well as the sarcastic remarks of the brother and sister were well shown. In all troubles, they felt sure that their mother would have found a way out.

Senior Girl Reserves

A joint song meeting of all the Girl Reserves was held Friday, March 14th in the Methodist church gymnasium. Miss Perry, who conducted singing at the state convention in 1929, led the girls in different songs. One song in particular caused much fun, it was called a Swiss Todel song and the words and tune were very musical and "peppy." The meeting ended with "Follow the Glean" which is the Girl Reserve song.

Golf Notes

Having sent out the first call for golf candidates, Mr. Emens was pleasantly surprised to have about fifteen men report. This is quite a large quota to pick from as the golf squad will probably consist of six men. The first practice was scheduled for Monday night, but as the weather was bad, it will probably be played Wednesday or Thursday.

Night Coughing Quickly Relieved

FAMOUS PRESCRIPTION GIVES ALMOST INSTANT RELIEF.

Night coughs, or coughs caused by a cold or by an irritated throat are usually due to mucus which cough syrups and patent medicines do not touch. But the very first swallow of Thoxine is guaranteed to stop the most stubborn cough almost instantly. Thoxine is a doctor's prescription, working on an entirely different principle. It goes direct to the internal cause.

Thoxine contains no harmful drugs, is pleasant tasting and safe for the whole family. Sold on a money back guarantee to give better and quicker relief for coughs or sore throats than anything you have ever tried. Ask for Thoxine, put up ready for use in 35c, 60c, and \$1.00 bottles. Sold by Dodge Drug Co. and all other good drug stores.

Chevrolet announces A NEW SERVICE POLICY

The Chevrolet Motor Company and its dealers are pleased to announce a new service policy—one of the most liberal ever offered on a low-priced automobile.

Put into force as a written agreement given to the purchaser by the Chevrolet dealer when the car is delivered—it offers the following provisions:

- 1 Every Chevrolet owner receives his car from the dealer in perfect condition—thoroughly lubricated, properly adjusted, and ready to operate efficiently from the first mile of ownership.
- 2 Every Chevrolet owner is entitled to free inspection and adjustment of his car at the end of the first 500 miles of usage.
- 3 Every Chevrolet owner is entitled to free inspection of his car every 1000 miles thereafter, so long as the car is in operation.
- 4 Every Chevrolet owner is entitled to free replacement of any part which may prove defective in workmanship or material, within the terms of Chevrolet's standard warranty. This includes both parts and labor.
- 5 Provision number 4 will be carried out by any Chevrolet dealer in the United States. As a result, the Chevrolet owner may travel to any part of the country, with assurance that the guarantee on materials and workmanship will remain in force.

This new policy constitutes proof of Chevrolet's high quality—for such liberal provisions could only be made in connection with a car built of fine materials to exacting standards of workmanship.

Back of this policy, and assuring its successful operation, is one of the most complete and efficient service organizations in the world.

There are more than 10,000 Authorized Chevrolet Dealer Service Stations in the United States alone. Each employs skilled mechanics thoroughly trained at Chevrolet Service Schools. Each has specially designed tools and machinery developed exclusively for Chevrolet service work. And each has on hand, at all times, an adequate stock of genuine Chevrolet replacement parts.

Chevrolet's flat-rate charges, including both parts and labor, are the lowest in the industry on many service operations!

In considering the purchase of a low-priced automobile, think what this service means—in terms of lasting satisfaction, as well as in increased economy.

Chevrolet cars range in price from \$495 up, f. o. b. factory, Flint, Michigan

MOTION PICTURE PROGRAMS

BURNING UP

Richard Arlen, the lovable young hero of "Wings," "Manhattan Cocktail," "The Man I Love," and recently in "The Virginian," will be the stellar attraction at the Penniman Allen theatre, Friday and Saturday, March 21 and 22, in "Burning Up." Mary Brian is his sweetheart in his first starring picture, and an able supporting cast, including four of the most popular character actors on the screen, carry the colorful subordinate parts.

Since "Wings," Arlen has been received by the motion picture public with all the acclaim of a star. His wholesome, winning personality and his great acting talent have always assured audiences of first-rate entertainment in any picture in which he appears. He brings all of these enjoyable qualities to his first starring picture.

"Burning Up" is a fast action-romance with Arlen as a youthful automobile racing demon. Mixed up with a gang of crooked race promoters and in love with Mary Brian whose father is marked as a victim by the gang, Arlen defends his reputation, defeats the gang, and wins the girl in one of the most thrilling climaxes ever seen in either a silent or talking moving picture.

The dialog in "Burning Up" far from retarding the action, actually speeds it up and makes the story a gripping reality which holds the attention at fever heat as it mounts and mounts in ever ascending climax. The love story is thoroughly human and likeable. Everybody will love this lovable pair of sweethearts.

"GLORIFYING THE AMERICAN GIRL"

Florenz Ziegfeld, Mary Eaton, Eddie

Cantor, Helen Morgan and Rudy Vallee—picture these names in association with an all-talking moving picture, and you have some idea of the impressive magnitude and spectacular magnificence of "Glorifying the American Girl," Paramount's singing, dancing, musical production which will appear at the Penniman Allen Theatre Sunday, Monday and Tuesday, March 23, 24 and 25.

Florenz Ziegfeld's "Glorifying the American Girl" Eddie Cantor appears in an inimitable Cantor comedy skit in a revue sequence of the picture in which appear also Helen Morgan of "Show Boat" fame, who sings a typical blues song while seated on a piano in the best Morgan manner, and Rudy Vallee, of radio and stage fame, who croons a typical Vallee tune.

Much of the dazzling spectacle of the production is presented in the full colors of the improved Technicolor Process.

The show is a breath-taking extravaganza of livish-handed showmanship. There are gathered for the edification of both eye and ear the most beautiful girls in America in what is said to be the most gorgeous array of singing and dancing the movie world has ever seen. It is a picture that you must see if you would be up on your New Show World.

"THE LAUGHING LADY"

Clive Brooks, who was Ruth Chatterton's leading man in "Charming Sinners" is to be seen and heard in support of the Paramount star for the second time when "The Laughing Lady" comes to the Penniman Allen

Theatre Wednesday and Thursday, March 26th and 27th.

In this comedy-drama of society life which deals with wealthy New Yorkers, their lovelies and doxies, Miss Chatterton is the wife of a wealthy banker who thinks more of his Wall Street than he does of his home sweet home. She becomes the innocent victim of a scandal at Southampton, fashionable seaside resort, and when her husband learns of it through the press, he divorces her without further ceremony.

Clive Brooks is the friend of the husband and the lawyer who effects the victory for him against his wife in the divorce trial.

The subsequent proceedings are alternately humorous, dramatic and romantic.

The story is derived from Alfred Sutro's play of the same name which had a great success on Broadway. Bartlett Cormack and Arthur Richman adapted the story for the talking screen.

Victor Schertzinger directed the picture. He made "Redskin" and "Nothing But the Truth." One of his earlier successes in the old silent days was "Forgotten Faces," a picture which, paradoxically enough, few movie fans have forgotten.

Around About Us

All required frontage for the widening of Grand River in Farmington has been secured by the State Highway Department, with the exception of seven lots.

Historical Gog and Magog, famed giants of early Roman days, have been moved from London to Henry Ford's museum.

The American Legion at Lowell will plant approximately 30,000 pine trees on a 30-acre plot this spring and fall, in the north-eastern part of Lowell.

698 patients have been admitted to the Redford branch of the Receiving hospital since its opening last September.

President George H. Gerbatdt was re-elected at Wayne Monday night by an overwhelming vote of 619 to 238 as received by Jerry Parre. Harry Barrow received 49 votes.

Mrs. Linus Burns, of Santa Clara Ave., Redford, is going to line a comforter with a piece of calico she purchased some 40 years ago, at the price of 5c a yard.

Theresa broke into the Walled Lake Fur company office a couple of weeks ago obtaining 180 skins valued at about \$1100.

The American Legion Post of Milan has been given \$2500 of the World War fund raised more than 10 years ago and plans are being discussed for a Legion home.

An association of Detroit men are seeking oil and gas leases for 10,000 acres of land in the township of Milford, Highland, Commerce and White Lake.

Flames in the roof and second floor of the Pi Kappa Alpha U. of M. fraternity last Friday resulted in damage estimated at \$1000. Delay in calling the fire department resulted when none of the occupants had a five cent piece to make the call.

Mrs. Elizabeth Foote, Brighton's oldest resident, having lived there more than 92 years, passed away March 3, at the home of her son.

The Dearborn City council gave its agreement last Tuesday night to a six weeks' trial of a new form of sewage disposal system which is expected to save the city \$500,000 the first year and several thousand dollars annually thereafter.

Announcement has been made of the purchase by Henry Ford of the famous old Vallambrosa plantation, 14 miles west of Savannah, Georgia, with its 4000 to 5000 acres at a price said to be \$150,000. The plantation will be used in aiding Thomas Edison's experiments in making rubber from golden rod.

LeRoy Manning, chief test pilot of the Ford Motor Co., recently tested the ability of a tri-motored plane to stay aloft with one of its engines cut out. While flying 2000 feet above Dearborn, he cut out one of the motors and maintained a speed of 133.5 miles an hour.

Dad Plymouth says he would like to have been in business back in Methuselah's time and had the exclusive contract for furnishing the candles for the old gentleman's birthday cakes.

We often wonder what life would have been for some of our Plymouth girls if nature hadn't provided them with noses to powder.

Some people are born failures, others have misfortunes thrust upon them, and still others believe they can beat Wall Street.

Just think of it! There are 70 active geysers which spent in Yellowstone Park and never have to worry about re-election.

If husbands bought their wives, hats for them we'll bet the milliners would have a hard time keeping the wolf from the door.

Adam rendered great service, if only by demonstrating that a man with a soft snap is primed for devilment.

Conscience is that little thing which makes a Plymouth married man rail his wife something he is afraid she is going to find out.

KONJOLA ENDS AGONY CAUSED BY RHEUMATISM

LADY SUFFERED FOR FIVE YEARS—FEARED RELIEF WOULD NEVER BE HER POSITION.

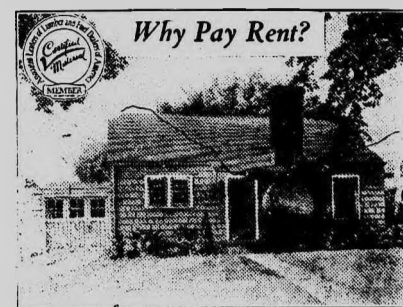

MRS. MAGDELENA ROBERTS

Don't have the fear that there is no escape from rheumatism, even through medicine after medicine, treatment after treatment has failed. But your faith in Konjola, as did Mrs. Magdalena Roberts, 10109 Forest Avenue, East, Detroit. Think of her joy when she uttered these glad words:

"No wonder I am grateful for Konjola. For five years I endured agonies: at time the pain in my back were so terrible that I was sick all over. The pain attacked every part of my body. My stomach was in bad condition too. Nothing helped me, and I was about to give up in despair when I heard of Konjola and its amazing success.

"How glad I am that I put this wonderful medicine to the test. Why, the very first bottle did me a lot of good, and then the improvement was rapid. In just six weeks the rheumatism was conquered and my digestion was restored. I'm feeling just fine, and I think it my duty to tell the world what this remarkable medicine, Konjola, did for me."

Konjola is sold in Plymouth at the Community Pharmacy, and by all the best druggists in all towns throughout this entire section.

Efficiency PLUS!

ELECTROCHEF combines—for the first time—SPEED, ECONOMY and BEAUTY in an electric range. Electrochef's principle of focused radiant heat makes it low in operating cost, well within reach of the modest family income. By means of polished Chromeplate reflectors, the heat from the electric element is concentrated on the cooking utensil.

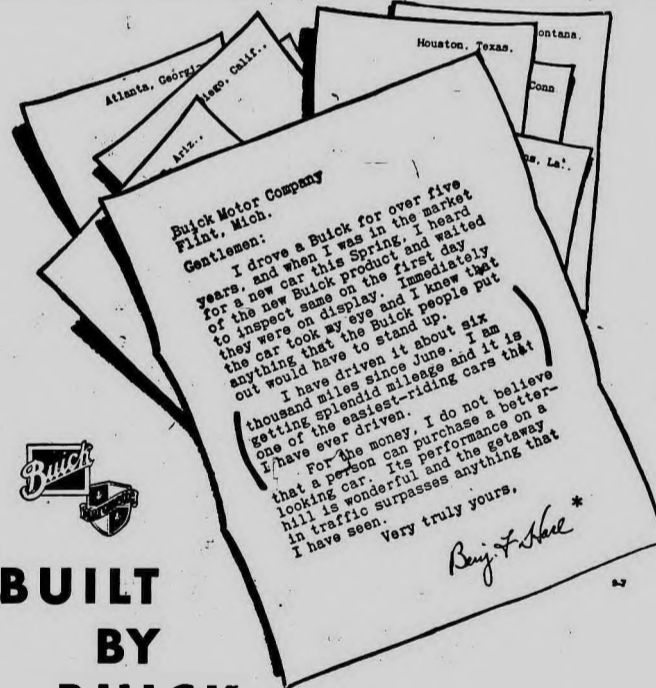

The Electrochef oven, equipped with thermostatic heat control, comes up

to 400 degrees in less than five minutes. The whole inner shell, made from a single sheet of steel, has a mirror-like Chromeplate finish. The oven has no vent—it is semi-sealed; this makes for quicker cooking, less heat loss, and conserves the natural juices of cooked meats.

Electrochef's low initial cost is a revelation; mass production methods make it possible to offer this full-sized electric stove at a price much lower than that of any other electric range!

SUNDAY NIGHT SUPPER

ASPARAGUS RING WITH COMBINATION SALAD
2 1-Pound cans asparagus tips
2 Whole cloves
2 Slices Onion
1/4 Teaspoon Salt
1/4 Teaspoon Paprika
3 Slices Carrot
2 Tablespoons gelatine
1/2 Cup cold water
1 Cup Whipping Cream
2 Hard Cooked Eggs
Drain asparagus, reserving liquid. Cut stalks the height of the ring mold. Cook remaining asparagus in asparagus liquid with cloves, onion, salt, paprika and carrot 20 minutes. Press through a coarse sieve. There should be 1 1/2 cups asparagus pulp and liquid. Soak gelatine in cold water, soften over hot water and add to the asparagus mixture. Set aside to cool, stirring occasionally. When mixture begins to thicken, fold in whipped cream. Arrange slices of hard cooked egg on bottom of mold and cut asparagus stalks around the outer edge, turning the tips down. Pour the asparagus mixture into the mold and set aside several hours or until perfectly firm. Unmold on a serving plate on a circle of crisp lettuce leaves and fill the center with combination salad.

COMBINATION SALAD
1 Cup cubed, cooked chicken, veal, canned salmon or tuna fish
1 Medium sized cucumber sliced or 1 Cup finely chopped celery
1 Slice onion
2 Tablespoons chopped parsley
1 Teaspoon salt
1 Cup green peas
Mayonnaise or bottled salad dressing. Mix ingredients in order given.

SHADOW POTATOES
Wash and pare 2 pounds potatoes. Slice thin. Allow to stand in a bowl of cold water about two hours, changing water twice. Drain, plunge in a kettle of boiling water and boil 1 minute. Drain again, and cover with cold water. Take from water and dry between towels. Fry in deep fat at 400 degrees F. until brown. Drain on paper and sprinkle with salt.

REFRIGERATOR ROLLS
1 Cake compressed yeast
1/2 cup lukewarm water
2 Cups scalded milk

1/2 Cup butter
1/2 Cup sugar
1 1/4 Teaspoon salt
1 Egg
8 Cups general purpose flour
Scald the milk and add butter, sugar, salt and when lukewarm add yeast that has been dissolved in lukewarm water. Add flour to make soft dough and egg. Then add remainder of flour and place on floured board and knead. Place in refrigerator overnight. Remove from refrigerator, allow to stand at room temperature for one-half hour. Place on slightly floured board and knead. Cut in half and place part in refrigerator to be used later. The other part roll to 1/4 inch in thickness, cut with round cutter. Brush over each piece with melted butter and fold over. Brush the tops with melted butter. Cover, allow to rise until double in size. It will require 3 to 4 hours depending upon the temperature of the room. Bake at 425 degrees F about 18 to 20 minutes.

STRAWBERRY MOUSSE
1 Pound chilled strawberries
2 Tablespoons sugar
2 Tablespoons lemon juice
1 Tablespoon gelatine
2 Tablespoons cold water
1/2 Pint Whipping Cream
Crush strawberries or put them through a potato ricer and add sugar and lemon juice. Soak gelatine in cold water, then dissolve over hot water. Add to strawberry mixture and place in refrigerator until it partly thickens. Fold in whipped cream and pour into 2 automatic refrigerator trays and allow to freeze about five hours.

CHOCOLATE ICE BOX COOKIES
1 Cup brown sugar
1/2 Cup shortening
1 Egg
1/2 Teaspoon Soda
1 Teaspoon baking powder
2 Cups pastry flour
1 Square chocolate
Cream shortening, add sugar and egg well beaten. Add chocolate which has been melted over hot water. Sift flour, measure and sift again with soda and baking powder and add to above mixture. Roll in a roll and allow to stand in refrigerator overnight. In the morning slice and bake in a 375 degree F. oven about 9 minutes.

Call Helen Taylor, Home Service Director if you would like help in preparing the above recipes.

ROSEDALE GARDENS EPHEMERALS

J. W. WALKER

The Boy Scouts had a little trip to Paris, Amiens, Rochefort, Lille and Verdun, France. Scenes before, during and after the war, were shown in the auditorium, last Friday evening from 8:15 to 9:30 at which time the meeting was adjourned to meet again tonight. Possibly Brier Folsom or Walbridge will entertain the boys soon with some interesting views.

The snow on Tuesday was a surprise to everyone, and the three shovelers had several hours work clearing walks and streets. Then, when the snow had melted somewhat Messrs. Al. Art and Walt manned the pumps in low gear.

Miss Pearl Bailey promises that chicken dinners will soon be the order of the afternoon and evening, though opening date for the famous Rosedale chicken dinners has not yet been set. It is evident it will be in the not distant future, as the signs of activity about the old homestead are pronounced, and the only things missing, apparently are the "open" signs, the "bright lights" and the "luscious odors" of well-cooked and tasty fried chicken.

The box matchers are going stronger than ever, and the boys are out to meet all comers hereabouts for a little exercise, recreation and fun. It is claimed that "it" grows' boy, Cal Roberts is a coming champion with his mitts, while others are looking forward to a moon plecter contract, or something. Ask Harry Hanson, he knows.

Masters Dunlop, Dick Porteous and the Misses Helen Johnston, Shirley Munson and Marlow Walker are reported as having some sort of feverish fever which usually comes at times of year when frost is leaving the ground. Nothing serious, though very "trying" for mothers, who appear more upset than the kiddies.

The summer atmosphere brought out the base ball gang on Sunday afternoon. The old ball game of singles was played 'till dark by some of the "big boys," all to the tune of the Hanson's radio.

A young matron, who was looking over the Arden 88 Model Home the other afternoon, was heard to remark (by Bill Dooley, the "Irish" Painter's apprentice) that she had "a panacea for an old rose breakfast neck." Bill says his mother has an iron fryin' pan and the pan cakes can't be beat. It is reported that \$1,001,167,455 will be expended in road building this year, all but the last digit (\$5) will be spent elsewhere than Rosedale. Though Schoolcraft road, a mile north of us, will get a proportionate share, as the concrete curbs are all set to go, down at the Marquette Manor Sub. Several of the Boy Scouts are earning an extra dollar or two down on the new Hawthorne Valley links. They are planning to save for a good vacation this summer, school books, scout paraphernalia, ectra.

to the day and memory thereof. In the evening the Athletic Club gave way to the Bodley orchestra and the gang all danced, jigged and sang. Messames Folsom, Winkler, Engleston, M. Mason, Kinahan and some others all went to Plymouth, Our Lady of Good Counsel church, and Mrs. Folsom returned home with the first prize at Bridge—a beautiful vase.

One of the enterprising lumber salesmen came out the other day and finding Chief of Construction MacKenzie busy directing the work at remodeling the "Green" luncheonette on Ingram Avenue, asked Mack when he was going to start them there two hundred homes, more or less. To which Mack just replied by shaking his head east and west. However, explained the Chief, "I hope to swing my head north and south in another ten days or so." So the L. S. went on his way, rejoicing having promised to return for his order in a few days.

The Hunchett home on lower Berwick and Shoemith on middle Ingram are entertaining the kind thoughts of the paint splashes, and will soon be ready for their owners and landscapers.

A number of Gardentes are surveying their lot, or lots, taking courage from the only lead of the Welbri's and Cornells, we have a notion that many gardens will be fenced in this year to save flowers, shrubbery, etc. from ravages of straying cows, puppy dogs and other wild birds and beasts.

Between the Bodley Dance gang on Saturday night, last, and the thirty crowds on Plymouth road Sunday afternoon, the local vitamin "B" counter completely sold out of ice cream and ginger ale before dark Sunday. Local Gardentes and Sunday visitors had to content with whatever could be found to quench thirst and serve as a treat after Sunday evening dinners.

DEPENDABLE GREYHOUND

Plumbing Quality Important Factor In Home Building

CHARACTER OF CONTRACTOR IS AMONG CHIEF FACTORS IN ASSURING SATISFACTION FOR THE OWNER.

If you expect to take advantage of the present low building costs (the lowest in the last 10 years) and build a home this spring, here are some of the points with reference to the selection, planning and installation of your plumbing equipment which it will be worth while for you to know.

In the first place, you will find it the best policy to deal with a plumbing contractor who has been in business long enough to have won a reputation for good work. In dealing with a man who has built up a good reputation over a period of years, you need have no fear about the quality of the workmanship. A very important part of plumbing is hidden in the walls and under the floors of the building. If this part of your plumbing should fail to stand up under the rigors of daily use, you would be subjected to considerable expense and inconvenience in having it replaced. If properly installed, it will last the life of the house.

Care Is Needed. Suppose several plumbing contractors are bidding on the plumbing for your house and one man is considerably lower than the others. It would be inadvisable for either you or the general contractor to close with the low bidder without first determining if he proposes to install the same grade of fixtures that the other man figured on. Nine times out of ten, such an inquiry will reveal that the low man is low because he intends, in some way to substitute inferior materials to the detriment of the best interests of the home builder. Not only should this contractor be questioned closely, but inquiry should be made among home owners for whom he has done work. It would not be unreasonable to ask him to submit a list of homes and clients for whom he has installed fixtures.

Consult a plumbing contractor before you have the plans drawn for your house. Get his advice on the location of your fixtures and on the quality of fixtures that should be specified. A good plumbing contractor knows plumbing as no one else does. He is in touch with the newest things in the industry and in these days when plumbing fixtures are being constantly improved it is to the interest of every home-owner to know the results of his experience by having fixtures that are satisfactory with respect to beauty and utility.

Virtually every plumbing contractor will be glad to give advice on plumbing without any obligation on the part of a prospective home builder.

Attitude Changes. There was a time not so long ago when little attention was given to the

WOULD LOWER RECORD

An especially posed photograph, portrait of Kaye Dun, British racing driver, who is to attempt at Daytona Beach, Fla., to shatter the existing world's land speed record for automobiles of 231 miles per hour, established last year by Maj. H. O. D. Segrave, also of England.

With the entry of colored fixtures into the home, the public attitude toward the bathroom has changed. With colored fixtures, the bathroom takes on a new beauty and the family has a new pride in a room which hitherto had a purely utilitarian appeal.—Detroit Free Press.

Death of Mrs. Caroline Landau

Mrs. Caroline Landau, passed away at the home of her son, Julius Landau, at 232 South Harvey street, Wednesday, March 19th. Funeral services will be held today, Friday, at 2 p. m. from the Livonia church, with interment in the Livonia Center cemetery.

St. Peter's Lutheran
LENTEN NOTICE
Willy-nilly, being a child of Adam and Eve, and therefore a sinner in need of the Grace of God, every human being must at some time or other before the door of death close the opportunity of salvation for him, answer for himself the question of "Thee." "What shall I do then with Jesus, which is called Christ?" There is no loop-hole here for evasion; the answer will be either Simon Peter's: "Lord, to whom shall we go; thou hast the words of eternal life. And we believe and are sure that thou art that Christ, the Son of the living God,"—or that of the Jew's: "Let Him be crucified."

Lent affords you an excellent opportunity to hear the Message of Pardon, to behold the Savior in His Glory; His sufferings and Death—and to prepare your heart to answer the question favorably. The theme-songs for our Lenten meditations which are to be held every Thursday evening during Lent, beginning at 7:30, is to be found in Philipplans 2: 5-11.

The sermons are as follows:
March 27th—Our Savior Denied—Luke 22: 54-62.
April 3rd—Our Savior Accused and Condemned to Death—Luke 22: 66-23: 25.
April 10th—Our Savior Bewept by the Women of Jerusalem—Luke 23: 27-31.
April 17th—Our Savior Forsaken of God—Mark 15: 33-38.
April 24th—Our Savior's Death on the Cross—Luke 23: 46-49.

German Lenten Services every Sunday evening at 7:30. Good Friday, April 18th at 10:30 a. m. with Holy Communion. Holy Communion in the English on Easter Morn.

EPISCOPAL NOTES
The experiment of the five o'clock vesper and fellowship hour seems to be justifying itself. A large number of our people have indicated that it is filling a real place in their Sunday plans, adding some very definite enjoyment to the day. If you have not attended one of the first two, come next Sunday.

Our neighbor, the Rev. W. R. Blachford, rector of St. John's church, Wayne, and formerly of Royal Oak, will be our guest speaker this Third Sunday in Lent.

The increased attendance at the children's service last Wednesday was very gratifying; it should continue. Those who have perfect attendance until Easter may look forward to an attractive reward. A great deal depends on the cooperation of the parents. We invite them to visit these services.

The Lenten call is heard on every side, via radio, press and pulpit. Are you answering it? Plan to attend church at least once each Sunday till Easter. There are two excellent opportunities every Sunday. Others are enjoying them. Why deprive yourself of these privileges?

METHODIST NOTES
"If ye shall ask anything in my name, I will do it." John 14:14.
"Why don't we ask? Prayer, is the program of the Christian life. It was a prayer meeting forty days long than ushered in Pentecost. Prayer is the only thing that can make room in a human life for heaven. It opens the door for God to come in. It would seem that all we have to do is just pray. "If ye shall ask anything in my name, I will do it." Ask and ye shall receive. Knock and ye shall find. Knock and ye shall find. Knock and ye shall find. Pray without ceasing. A life of prayer commands all that God can bestow. Pray."

Next Sunday morning the speaker is to be Dr. Margaret MacKellar, who has spent forty years in India, and is in charge of a hospital at Neemuch, in the Bombay district.

Sunday evening at 7:15 the Junior Missionary children are to have a pageant, "The Light Bearers, and one entitled, "The Way of the Cross." The public is invited to come and encourage the boys and girls and enjoy these pageants. A silver collection will be taken, which will be used to further the Mission work that the children are doing. These pageants are under the direction of Mrs. George Card, Mrs. E. Phellings, Mrs. A. Groth, and Mrs. Doerr, and will be well worth your time. Mr. Ted Baughn will sing the solo part, Blanch and Inez Curtis will sing a duet, Dorothy McCullough will sing a solo, Rowland and Donald Hewitt will play an instrumental duet, and the Junior girls' chorus will sing. Next Sunday evening at 7:15, in the church house.

Wednesday, March 26, the Junior Missionary meeting will be held immediately after school. All the boys and girls are invited to come and meet with us.

Wednesday evening, Church Training night, beginning with a cooperative supper at 6:30, followed by the review of E. Stanley Jones' latest book, "The Christ of Every Road." This is most interesting and no one should miss it. Bring some rolls, or no other dish, and your family and join this happy church family. We have a delightful time together, but we miss you and will expect you next time.

The regular monthly meeting of the Philathea class will be held March 28, at the home of Mrs. William Sturland, South Main street. Every member is expected to be present.

JOHN S. DAYTON, Attorney.
COMMISSIONER'S NOTICE
No. 157160
In the Matter of the Estate of LOUISE STEWART, deceased.
I, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioner to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that I will meet at the law office of John S. Dayton, Plymouth, Mich., in accordance with the provisions of the act of April, A. D. 1930, and on Friday the 26th day of June, A. D. 1930, at two o'clock P. M. of said day, to receive and pass upon all claims and demands against said estate, and that all persons having claims against said estate are to present their claims to me for examination and allowance.
Dated February 20, 1930.
GEORGE A. SMITH,
Commissioner.

Christian Science Notes

"Substance" was the subject of the lesson-sermon in all Christian Science churches on Sunday, March 16.
Among the citations which followed from the Bible: "Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk." Acts 3: 6.
The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures." by Mary Baker Eddy: "Christian Science declares that Mind is substance, also that matter neither feels, suffers, nor enjoys. Hold these points strongly in view. Keep in mind the reality of being—that man is the image and likeness of God, in whom all being is painless and permanent." (p. 414).

SALVATION ARMY.
On Sunday, March 23rd, we are to have with us for the evening service, at 8 p. m., Colonel and Mrs. A. E. Norris, also Staff Captain and Mrs. W. L. Conway.

The Colonel is in charge of the army activities in the 44 eastern Michigan counties, with headquarters in Detroit. Colonel Norris has been an army officer for 35 years.

Mrs. Colonel Norris is an active social worker having complete charge of the women's section of the army's activities in this part of Michigan.

Staff Captain Conway has charge of the special efforts department for eastern Michigan and is well known here in Plymouth, also Mrs. Conway.

Come one and all, also bring a friend along with you to this service. Special music and singing.

Time 8 p. m. Sunday, March 23rd. Place, Salvation Army hall, 796 Penniman avenue.

Don't forget the special concert to be given in the First Baptist church, Plymouth, Friday, March 28th, at 8 p. m., by the Salvation Army Scandinavian String Band. This concert is sponsored by the Ladies' Aid of the First Baptist church of Plymouth. Tickets are 25c. Admission for children will be 10c at the door.

CATHOLIC NOTES
Lenten services are held each Tuesday and Friday nights at 8 o'clock. A cordial invitation is extended to all persons to join in these services, a worthy preparation to the beautiful feast of Easter.

The St. Patrick's party was well attended; forty-five tables were engaged at bridge, five hundred and odd. The "Sons of Erin" pleasingly rendered several Irish songs, and brought the program to a pleasant conclusion. Many beautiful prizes were received by the winners of the games. The door prizes were received by John Mulvey, Walter Klinski, Helen Fish and John Higgins. Thanks to the cooperation of all participants.

The children will kindly report Saturday for their instructions. Sunday is Holy Communion Sunday for the children.

The pastor buried his nephew, Vincent, Jr., Thursday morning, at Mt. Clemens.

The next big event to take place in the history of our parish is the Holy Name Rally, the second Sunday of May.

Do not forget to join in the Lenten devotions—the season of self-recollection and penance.

PRESBYTERIAN NOTES.

The annual meeting of the Woman's Auxiliary was held Wednesday, March 12th. There was a large attendance. The reports of the work of the year told of a year marked by fine cooperation and most successful undertakings.

Mrs. F. D. Schrader, who has in a very gracious and efficient manner, led the organization as president for two years past, asked to be relieved of that office and the meeting regretfully concurred in her request.

The election of officers for the next year resulted as follows: President, Mrs. F. Burrows; 1st vice-president, Mrs. George A. Smith; 2nd vice-president, Mrs. R. E. Clump; 3rd vice-president, Mrs. J. W. Blachford; secretary, Mrs. Arthur Todd; treasurer, Mrs. John W. Henderson; secretary of literature, Miss Bertha Warner; secretary of Missionary education, Mrs. W. Nichol.

The annual meeting of the congregation will be held on Wednesday, April 2nd, at which time reports of the work of the year will be presented and officers elected.

Following the annual congregational meeting the canvass for the budget will be made under the direction of the Board of Trustees and Budget committee.

The Mission Study class will meet on Tuesday evening of next week at the church. There will be a cooperative supper at 6:30 p. m. This will be followed by the annual meeting of the class with reports of the year's work and election of officers. A book review will be given by Miss Zetta Travis.

BAPTIST NOTES
"I must work the works of him that sent me while it is day for night cometh when no man can work."
There will be a baptismal service Sunday evening at 7:30 o'clock. Following this service the pastor will continue his series of sermons on the appearance of Christ after His resurrection.

The Baptist Ladies' Aid will have a bake sale at Rattenbury's store, Saturday.

Starting last Sunday the Wayne evangelistic meetings which will continue for two weeks. Next Monday evening is Plymouth night. A large delegation is expected.

Friday evening, March 28th, the Scandinavian String Band of the Detroit Salvation Army will give a sacred concert at the Plymouth Baptist church. The band comes to Plymouth very highly recommended. They have played in some of the most prominent churches and before large congregations on various occasions at which their program has always met with the highest approval.

Mello-Glo Prevents Shiny Nose
MELLO-GLO Face Powder is preferred by beautiful women because it leaves no trace of pastiness, flakiness or irritation. Sets on long—no shiny noses! Made by a new French process—prevents large pores. Spreads more smoothly—gives a youthful bloom. Very pure. Use MELLO-GLO Face Powder. It's wonderful. Community Pharmacy, "We Serve You Right."

Baby Chicks

\$1,250

in Five Months

reports Mrs. Ernst Glawe

If you want proof of the profit-making ability of Hatchery Chicks, let us quote you from a letter written by Mrs. Ernst Glawe, a National Prize Winner. She says: "I bought 800 Hatchery Chicks. From these chicks I raised 474 pullets. They began laying in October and during the next five months I sold 5,125 dozen eggs at 40c a dozen—a total income of \$1,250."
Hatchery Chicks
Order your chicks now
Let us quote you prices: tell you of the splendid breeds we can supply. Send order now for delivery at the time you want the chicks. Also ask for the wonderful book of 10,000 prize letters which will open your eyes to ways of making big profits with poultry. The coupon on a telephone call will bring all this to you—FREE. Let us hear from you at once.

Make big profits with Hatchery Chicks
Our chicks are bred to pay big profits. We give our eggs from carefully selected flocks. These eggs produce heavier, fatter chicks. They have greater strength, greater vitality to resist disease. They grow faster. They develop more quickly into profit-producing flocks. That's why hundreds of farmers and poultry raisers depend upon us for their baby chicks.

To Insure Real Satisfaction

All Jewelry and Silverware should be kept perfectly clean. For flat Silverware we advise the use of the Non-Tarnish boxes, 25c Each.

They will hold about three dozen small pieces. Larger pieces that have not been lacquered can be easily cleaned with "Wright's Silver Cream" which is free from grit of any kind, and leaves the surface in its natural finish. Price 30c a jar.

For Jewelry use SCINTILLA WATER—an absolutely harmless liquid for cleaning diamond mountings, Jewelry, Pearls and other jewels. Price per can, 50c.

A complete package containing: can of cleaner, shaker, box of Boxwood sawdust and brush, \$1.00.

Articles that are hard to clean should be taken to the jeweler for special treatment.

"Shino" polishing cloth is a favorite with many.

SALEM

A surprise party in honor of Mrs. Glenn Whitaker, was given at her home Saturday evening. Refreshments were served, and the occasion will be pleasantly remembered.

Mr. and Mrs. Orville Dudley, with friends from Redford, were Sunday guests of her parents, Mr. and Mrs. R. Kehrl.

The Congregational church was well represented in the Tabernacle at Pontiac Sunday evening. About nineteen attended the service and listened to a very interesting and instructive sermon by Miss Pankhurst.

The Misses Ruth and Dorothy Foreman, and friend, from Detroit, were Saturday afternoon visitors of the former's parents.

Mr. and Mrs. Oliver Dake and family, of Ypsilanti, were Sunday callers of Mrs. Mary Dake and the G. Foremans.

Mrs. Marion Gale is on the sick list.

Mrs. Harry Atchinson was able to be removed from Dr. Atchinson's hospital, Northville, Monday to her home.

Mrs. J. Taylor, who has been caring for her, returned with her and is still caring for her at her home.

Earl Stanbro, of Northville, general sales manager of the Wolverine County Club, spent last week in Ohio, and called on his parents, Mr. and Mrs. B. E. Stanbro, enroute to Grand Rapids and Baldwin, Mich.

Mr. and Mrs. John Herrick and family were Sunday dinner guests of Mr. and Mrs. William McCullough, of Plymouth.

Master James Geraghty, who is ill with pneumonia, was taken to Boyer's hospital in Ypsilanti, and is gaining slowly.

Mrs. F. Buers and Mrs. G. C. Burnham and Shirley were Plymouth visitors Tuesday.

Snyder Bros., of Detroit, were business callers of Mr. and Mrs. B. E. Stanbro, Monday.

G. D. Roberts, assistant mail carrier, has been delivering mail for a few days, during the illness of E. Geraghty's son, James.

Mr. and Mrs. James Dickie and Mr. and Mrs. Merrill Henwick and family were Sunday dinner guests at the G. Foreman home.

Mr. and Mrs. R. E. Stranbro, Mr. and Mrs. R. B. McKnight and Miss Ross of Lowell, were Sunday callers of Mrs. McKnight and Mrs. Stranbro's father, Perry Austin, at Drayton Plains, who celebrated his 90th birthday March 18th. He is still enjoying good health and his many friends are wishing him to spend many more birthdays.

Mr. and Mrs. G. C. Burnham and daughter were in Detroit, Sunday.

Robert Wilson, who has been seriously ill at University hospital, Ann Arbor, is some improved.

Registration Notice Livonia Township

To the qualified electors of the Township of Livonia, County of Wayne, State of Michigan:

Notice is hereby given that in conformity with the Michigan Election Law, I, the undersigned, Township Clerk, will any day, except Sunday and a legal holiday, the day of any election or special or primary election, receive for registration the name of any legal voter in said township not already registered, who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the second Saturday before any regular, special or official primary election and the day of such election.

The day for general registration does not apply to persons who vote under the Absent Voters' Law. (See registration by Affidavit).

March 22, 1930, is the last day for general registration by personal application for the township election to be held April 7, 1930.

Notice is hereby given that I will be at my office at the Livonia Town Hall, on March 18th, and March 22nd, A. D. 1930, from 9:00 o'clock p. m. until 5:00 o'clock p. m. on each said day for the purpose of reviewing the registration and registering such of the qualified electors in said Township as shall properly apply therefor. The name of no person but an actual resident of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at that election, shall be entered in the registration book.

Registration by Affidavit.

Sec. 10—Registering of Electors: Regular Session of 1925—Any absent voter as defined in this act whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the township clerk an affidavit for registration.

Registration of Absentee by Oath.

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall UNDER OATH state that he or she is a resident of such precinct and has resided in the TOWNSHIP TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absences from the TOWNSHIP on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election or primary election. If such applicant shall in said matter wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Dated March 11, 1930.

JOHN EARLAN,
 Township Clerk.

Despite the persistent rumor that the market will be stronger in the spring, some people refuse to take any stock in it.

Census-Takers Will Need World Atlas and History

(Continued from page One)

Turkey while he was born in Russia, but the wise census taker will put down Rumania as the birthplace of both.

By reason of changes brought about by the World War and the Treaty of Versailles, boundary lines in Europe have wavered like ribbons in the wind. On the present day map of Europe there are seven countries and one free city which did not exist in 1914; and the boundary lines of most of the old nations have changed considerably. In the Near East, five new nations have sprung from the territory which was formerly called the Ottoman Empire.

In most instances, the person enumerated will know what government now controls his place of birth for immigrants and their children usually retain a lively interest in the affairs of that part of the old world from which they came. When the person does not know what has happened to the place of his birth, the census enumerator will be expected to be able to supply the information.

In case neither is familiar with the facts in the case, the enumerator will put down the city or province in which the person was born, and the Census Bureau in Washington will insert the name of the country.

If both the person and his parents were born in the United States, the answer will be fairly easy, because all the enumerator will have to do will be to put down the state or territory in which a person was born, and there have been comparatively few changes in state boundary lines or names within the lifetime of people now living. If a person was born in the old Indian Territory, the birthplace should be shown on the census records under Oklahoma, its present name.

A person whose father or mother was born in the old Louisiana or Oregon territory will be asked to name the state in which his parents' birthplace is now situated.

In the white population of the United States as enumerated at the census of 1920 there was 13,712,754 persons who were born in foreign countries; and there were 22,680,204 persons born in the United States whose parents were born in foreign countries. These two classes comprised 38.5 per cent of the total white population; so it may be seen that the census takers may wear out several atlases finding where all these people and their parents were born.

To our foreign-born population Russia contributed a larger share than any other of the countries as they existed before the World War, the total number of persons born in Russia being 2,020,640; Germany ranked next with 1,915,864; then came Italy, 1,615,180; then old Austria, 1,445,141 (of whom about 575,000 were born within the confines of the present Austria); and next Ireland, 1,164,707. The coming census will show the changes that are taking place in the composition of our foreign-born population as the result of immigration restriction and other influences. Census officials have pointed out.
