

## ROAD PROGRAM IS UNDER WAY

THREE MAJOR PROJECTS ALREADY STARTED BY WAYNE COUNTY BOARD.

### WORK ON SCHOOLCRAFT

With a large road improvement program laid down for 1930, the Wayne County Road Commission already has started work on three major projects whose completion is scheduled for this year. Edward N. Hines, county road commissioner, announced recently.

Schoolcraft 204-foot superhighway is to be completed from Telegraph road westward to Ridge road, a distance of approximately nine miles. This road is being built under the Covert Act, whereby a portion of the cost is paid by the benefitted property, a portion paid by the townships through which the road passes, and the balance paid by the county at large.

In addition, one-half mile between Outer Drive and Telegraph road, which is a county road, will also be paved.

### Bridge Is Built

Between Outer Drive and Telegraph road three quarters of a mile, approximately, has been graded on both sides, a bridge has been constructed on the north side and the channel of the River Rouge has been changed from the Lambere road, westerly about one-quarter of a mile. The channel change and the bridge have both been completed. This section of road will have a 40-foot stretch of concrete pavement to be completed at an early date on the north side. West from Telegraph road to Farmington road, a distance of five miles, two 20-foot concrete slabs will be built on the 204-foot right-of-way. Grading and the installation of drainage structures is being carried on at the present time and the building of concrete road will begin at an early date, Mr. Hines said.

The remaining section from Farmington road to Ridge road, four miles long, is under construction at the present time. One and one-half miles of 20-foot concrete road has been completed on the north side.

### Under Covert Act

Inkster road is also being built under the Covert Act. The section being constructed extends in a northerly direction from Ecorse road to Schoolcraft road, a distance of approximately nine miles. The width of right-of-way is being widened to 120 feet in accordance with the Master Plan widths on section line highways. Grading and the installation of drainage structures has been under way for some considerable time.

### Ford Again Cuts Prices of Cars

REDUCTIONS ON 35 MODELS MADE ON 13 DEALERS.

Reductions in the prices of Ford cars and trucks, ranging from \$5 to \$25, were announced Sunday by the Ford Motor company. The new prices will take effect immediately. The new prices, f. o. b. Detroit, and the amounts of the reductions, follow:

Standard fordor, \$900, reduced \$25; cabriolet, \$925, reduced \$25; delivery, \$870, model AA panel delivery, \$780, reduced \$20 each; town sedan, \$600, deluxe sedan, \$640, station wagon, \$640, model AA chassis, \$510, reduced \$10 each; standard coupe, \$495, sport coupe, \$525, tudor, \$495, de luxe coupe, \$545, model A chassis \$545, pick-up delivery with open cab, \$425, pick-up delivery with closed cab, \$475, de luxe delivery, \$545, reduced \$5 each. No reductions were made in the phantom or roadster.

"These reductions in prices are made in accordance with the policy of the Ford Motor company of lowering its prices from time to time in order to pass on to the public the benefits derived from economies in manufacture," said the announcement.

The most recent reduction in Ford prices was last November. Up to May 20 of this year \$10,000 cars and trucks were delivered to purchasers.

## WAYNE CO. AIRPORT NEARLY COMPLETED

Work on the Wayne County Airport at Goddard and Middle Belt Roads is rapidly nearing completion, stated County Road Commissioner, Edward N. Hines, yesterday.

The work of developing this airport was placed in charge of the Wayne County Road Commission by the Board of Supervisors.

With the completion of the concrete floor of the new hangar building all major items of construction have been practically finished with the exception of the concrete runways and aprons. Work is in progress on these runways, etc., and will be finished shortly.

## NOTICE!

School Election and Annual Meeting in Plymouth District No. 1, Fr., Plymouth, Wayne County, Michigan, at Plymouth Central High School Monday, June 9, 1930.

The board of election inspectors will conduct the annual school election between the hours of 8 A. M. and 7 P. M. for the purpose of selecting two members of the Board of Education for a period of three years.

## ANNUAL SCHOOL MEETING

The annual meeting of the qualified electors will be held in the High School auditorium Monday, June 9, at 7:30 P. M. for the purpose of receiving the annual report from the Board of Education and the consideration of such other topics which may legally come before the electors at that time.

Signed,  
CLAUDE H. BUZZARD  
Secretary,  
Board of Education.

## PROMINENT LOCAL BUSINESS MAN DIES

RUSSELL ALGER WINGARD

Funeral services for the late Russell A. Wingard, who died suddenly at his home here early Tuesday, May 27, 1930, were held at the Schrader Bros. Funeral Home at 4:30 p. m., May 29. In accordance with what had been Mr. Wingard's wish, services were conducted in the absence of the local Masonic fraternity of which he had long been a member. The Rev. Frederick Lendrum, representing the Methodist church, of which he was also a member, officiated at the funeral home, while the beautiful Masonic rites were masterfully and impressively rendered by Karl W. Hillner at the graveside.

This is believed to have been one of the most largely attended funerals ever held in Plymouth. Something like sixty floral pieces were in evidence, each piece usually representing a group of individuals. Several pieces arrived the next day after the funeral by persons who doubtless had been informed on the date. It had also been the wish of Mr. Wingard that his old friend and schoolmate, Karl Starkweather, be delegated to write his obituary. The obituary appears in another column.

Among the out of town friends and relatives who either called at the house or attended the services are the following: Mrs. J. H. Trump, Sausdusky; Mrs. William Centre, Grosse Pointe; Mrs. Alta Packard and Mrs. Fred Packard, Saginaw; Mrs. W. A. Maxson, Clarence Maxson and Mrs. George Angers, Bay City; Mr. and Mrs. (Geo. Aldrich) Monroe; Mrs. A. R. Dickerson and Mr. and Mrs. Clarence Chandler, Highland Park; Mr. and Mrs. Claude Robinson and son, Donald, and daughter, Jean, Northville; Mrs. Emily Smltherman and daughter, Mrs. Ethel Rice, Ann Arbor; Mr. and Mrs. Margaret Tressler of Wayne; Mr. and Mrs. John W. Barley, Dexter; and the following named who came to the funeral from Detroit: Mr. and Mrs. W. D. John, Mr. and Mrs. George McLean, Mr. and Mrs. Frank Stroh, Mr. and Mrs. Frank Blakely, Mrs. J. D. Denn, Mrs. Ethel Emerson, Mrs. J. W. O'Bryan, Mrs. C. McClester, Mr. and Mrs. Rufus See, Clarence O'Bryan, Mrs. Vina Wingard and son, Clifford, Miss Ada Baggett and Mrs. Asa Gillette and son. Also Mrs. John Johnson of Denison, Texas, arrived in time to attend the funeral, and returned the next day.

(Continued on page Six, Column Three)

## Talks To Rotarians

The Rotary Club met last week on Thursday at the Hotel Mayflower. The program was in the hands of a committee of ex-service members of the club, Floyd Eckles, Paul Hayward and Bill Wood. They arranged to have as speaker, Rotarian Rev. Thos. R. Tibbourn, D. D. of Trinity M. E. Church, Highland Park. Dr. Tibbourn comes from a family which has given service in several American wars. His address was full of interesting references to the Civil War, the Spanish-American War, and particularly to the great World War in which he himself served as an officer of the Y. M. C. A. He paid a fine tribute to the sacrifice, the heroism, the loyalty of American men. The meeting was much enjoyed by all.

## Will Observe National Ford Truck Week

The Plymouth Motor Sales Co., local Ford dealers, announced yesterday that they would unite with Ford dealers throughout the United States in staging a national Ford truck week here and that during the week they will arrange special demonstrations of the new four-speed Model AA truck.

National Ford truck week will open Monday, June 9, and continue through Saturday, June 14. During that time the display room of the local dealer will be open from 8 a. m. to 9 p. m.

To familiarize truck users with the mechanical improvements of the Ford, the local dealers will have in their display room chassis on which the new features will be painted in aluminum. In this way the new transmission, the special spiral rear axle, the larger front brakes, the heavier front spring, the front axle nearly twice as strong as formerly, the power takeoff opening and the enclosed dual rear wheels will be readily apparent.

About fifty ladies attended the Lutheran Ladies Aid meeting at the home of Mrs. M. Waldecker. After the business meeting a social hour was passed and a delicious lunch was served by the hostesses, Mesdames Waldecker, Meyers and Houseman.

## Alumni Banquet Here June 20th

PLYMOUTH H. S. ALUMNI ASSN. TO STAGE BANQUET AT 6:30 P. M. AT HIGH SCHOOL AUDITORIUM.

A fine program is being planned with the idea of having a real get-together without the usual lengthy speeches. Reservations for tickets should be obtained without delay from Elsie Stamen, Margaret Dunham, Jack Taylor or Elton Ashton. Due to the large number in this year's graduating class, there is a possibility that reservations will have to be limited. The tickets are \$1.00 each.

The Committee urges particular groups or classes to get together in their reservations so that arrangements can be made whereby they can be placed at the table together. The Committee has been informed that the Class of 1930 has a beautiful gift to present to the Alumni. Mark the date—Friday, June 20th, 6:30 o'clock P. M. at the Plymouth High School Auditorium.

## Plymouth As Seen From The Air

In next Sunday's Rotogravure section of the Detroit News there will appear a bird's-eye view of Plymouth taken from the air. This will be of interest to Plymouth citizens who desire to see how the old town looks from the air.

## COMMISSION REDUCES VILLAGE TAX RATE TEN PER CENT

VILLAGE TAX RATE DROPPED FROM \$15.00 TO \$13.50 PER \$1,000 VALUATION; BUDGET REDUCED \$11,277.41.

At the regular meeting of the Village Commission held last Monday evening, the budget of the Village of Plymouth for the ensuing year was reviewed and adopted.

The budget as confirmed totals \$97,309.11, a decrease of \$11,277.41 from the total for 1929. This reduction in the budget total will mean a corresponding reduction in the tax rate for village purposes from \$15.00 to \$13.50 per \$1,000.00 of assessed valuation.

In deciding to bring about a reduction in the tax rate for the current year, the commission has given recognition to the present economic depression with its attending widespread unemployment, thus affording a measure of relief to Plymouth taxpayers. The cut has been made possible because of the existence of a substantial balance in every budget fund at the close of the last fiscal year. It is the belief of the commission that by continuing to follow their past policy of rigidly controlling expenditures and exercising every possible economy in the conduct of village business, it will be possible to carry through the work of the coming year under the reduced budget without either seriously curbing the program of public services to our citizens or incurring deficits in operating funds.

It is indeed a commendable action on the part of the commission to give recognition to the existing economic depression by extending financial relief to our citizens through a tax cut at this time; and without doubt the tax reduction will be very favorably received by our taxpayers when tax collection time arrives.

## Kiwanians Hear Interesting Talk

The Kiwanis Club and invited guests including a number of the members of the local Rotary Club, had the pleasure of hearing a splendid talk by Harold Emmons, late police commissioner of the City of Detroit, last Tuesday at the luncheon of the club. Mr. Emmons was introduced by Ernest Allison, chairman of the public affairs committee.

Mr. Emmons prefaced his talk with a few remarks regarding the days when he came to Plymouth to play baseball. He said he felt perfectly at home and recalled with much pleasure those happy bygone days and the especially good dinner that always followed the game. The speaker alluded to his connection with the Detroit Police Department and paid a splendid tribute to the efficiency of that organization.

Mr. Emmons' talk was along the line of law observance and its enforcement, and he gave some of his ideas as to the corrective measures that will bring about a better condition of things generally. Mr. Emmons' talk was thoroughly enjoyed by all present.

## Van Atta Reunion

The Van Atta reunion was held at the Walker church, Decoration Day, there being forty-one present. Two of the families were represented by four generations—Mrs. Carrie Ovenshire, Mrs. Dora Nelson of Salem, Mrs. Charles Frey and Charles M. Junior Frey of Northville, represented one of the families of the four generations. Mrs. Ovenshire, at the age of 85 years, is the last member living of the J. B. Van Atta family, which consisted of eleven children. The other family representing the four generations present, consisted of Perry Austin, Will Austin of Pontiac, and Mrs. Spring and two small sons also of Pontiac. Mr. Austin having passed the age of 90 years, is also the last member of his family.

Relatives were present from Lansing, Haselet Park, Detroit, Northville, South Lyon, Clarkston, Pontiac, Wall Lake, Ypsilanti and Grand Rapids.

In the afternoon the regular Decoration exercises took place at 3:00 o'clock. Rev. Fred Burnett of Italy, delivered an excellent address to a full house. Mrs. Etta Johnson very ably gave the welcome. Fine music was furnished by the Federated Choir. The day was enjoyed by all present, and especially because of the place it was held in, the old church. It was the first time since the war that so many relatives and friends are laid to rest.

The June meeting of the Plymouth League of Women Voters will be held at 12:00 o'clock, Monday, June 9. A pot-luck picnic at Cass Benton Park is being planned if the weather permits. If not, the picnic will be held at the home of Mrs. William Petz, who is hostess for the day. The speaker will be furnished by the Wayne County League. All league members are urged to attend this meeting as following it there will be an adjournment until September.

## Annual School Election Monday

The annual school election for District No. 1, Fr., will take place Monday, June 9. The election will be held in the high school auditorium, and the polls of the election will be open from 8:00 a. m. until 5:00 p. m. The following nominations have been made: James Gaffinger, Esther Hillman, Glenn M. Jewell, Russell Roe. Two are to be voted for.

## New Bell Telephone Directory For Plymouth

The Michigan Bell Telephone Company is distributing the June 1930 directory this week. The new book contains a list of one thousand four hundred and twenty names that are connected to the Plymouth exchange for service. This is an increase of forty-seven during the past year.

## Legion Convention A Huge Success

The American Legion convention which was held here last Sunday, was a most successful event. The weather was ideal for an occasion of this kind and there was a good representation of members of the Legion Posts of the Second Congressional district, together with the ladies of auxiliaries in the district.

The business district was well decorated with the National Colors in honor of the visitors.

At 2:00 o'clock, a parade was formed at the high school building and marched to Main street, which had been closed to traffic from Penniman avenue to Ann Arbor street in front of Kellogg Park.

The first feature of the afternoon was a drill by the Monroe fire department and bugle corps. This organization was splendidly uniformed and executed the various evolutions of their drill with precision and skill.

After the business meeting a splendid chicken dinner was served in the Masonic temple by the ladies of the O. E. S. This was followed by a varied and interesting program at which Major Basil D. Edwards, professor of military tactics at the U. of M. was the principal speaker. Alton J. Richwine, commander of Myron Beals Post No. 32, Plymouth, presided over the meeting.

The visiting Legionnaires were loud in their praise of the entertainment afforded them by the members of the local Post.

## CHRISTIAN HERALD LUNCHEON

Mrs. A. J. Koenig of the Booster Class of the Plymouth Methodist church today announced a unique bit of entertainment in the organization's program for June 25, 1930. A Christian Herald luncheon will be held at the church on Thursday at 1:00 o'clock. This luncheon is one of a series of similar affairs which Christian Herald is offering to church organizations throughout the country as a part of its service work. So far as is known this is the first time anything of this sort has been done.

Christian Herald with the cooperation of its advertisers, will provide the entire luncheon, complete in every detail, to be served by a demonstration, without any cost to the church itself. The demonstrator, with the assistance of the ladies of the class will prepare and serve the luncheon and give a food demonstration showing how some of the dishes served are prepared and introducing new ways of using familiar food products.

The ladies of the group are selling tickets for the luncheon, the entire proceeds of the affair going to the organization for the church work.

Mrs. Koenig of the Booster Class, who is in charge of the tickets, states that 100 tickets can be accommodated. It will be well for those desiring to attend this luncheon and demonstration to purchase their tickets early, as it is planned not to sell any tickets at the door.

The menu will be:  
Pineapple  
Molded Beet Salad  
Tea Biscuits  
Weecheddar Cheese  
Ginger Bread  
Loaf Cake  
Coffee Bavarian  
Apple Butter  
Coffee

The tables will be attractively decorated with asters of different shades. The predominant note being purple, the ecclesiastical color. The dining room committee under the chairmanship of Mrs. Koenig, will serve the luncheon and will be attired in the Christian Herald uniform of purple and white.

Mrs. Koenig urges all who plan to attend to be on time as the luncheon will be served to all the guests promptly at 1:00. The demonstration will follow the luncheon.

## PLYMOUTH HONORS MEMORY OF HER SOLDIER DEAD

Soldiers of the Civil War Were Honored by Younger Comrades in Observance of Memorial Day.

Many Citizens Heard Splendid Program in Penniman Allen Theatre; Sergeant John S. Gilmore Gave the Address.

The observance of Memorial Day, 1930 took place last Friday morning at the Penniman Allen Theatre under the auspices of the citizens committee, public officials and ex-service men.

The observance of this ceremony in a building was an innovation in Plymouth, the exercises in previous years being held in Kellogg Park. The attitude of reverent attention fitting for an occasion of this kind and the ability of everyone actually interested in paying homage to our soldier dead to bear the services, actuated the committee.

Promptly at 9:45 a. m., the Plymouth School Band, Claude Dykeman directing, played appropriate musical numbers in front of the theatre and at 10:15 the Ex-Service Men's Club and the American Legion, Myron H. Beals Post of Northville, and the Lloyd Green Post of Plymouth, formed at the Ex-Service Men's Club rooms and marched to the theatre. Within the building those who had come to honor the nation's dead were seated, and amid a reverent assembly, the National Flag, and the G. A. R., Ex-Service Men's Club, American Legion and Boy Scout Colors passed in review to take their places on the stand. Up on the stage as guests of honor were seated two Civil War Veterans, they with one who was absent, being Plymouth's last survivors of '63. Beside them sat the Gold Star Mothers privileged and honored participants in a memorial service that to them had more than usual significance and meaning.

The service opened with the singing of "America" by the assembly, led by Calvin Wildipe. A picked detail of Plymouth Boy Scout Troops next recited the Pledge of the Flag, a pledge that every Scout knows and which every person should know.

"I pledge allegiance to the Flag of the United States and to the Republic for which it stands, one Nation indivisible with Liberty and Justice for all."

Following the invocation by the Rev. Oscar J. Seitz, the chairman, Comrade Hoyer, introduced Miss Zephora Blunk who very ably and effectively told us the story of "The Unknown Soldier."

Next in order on the programme came the song of children's patriotism, "The Flag I Love," beautifully rendered by the Plymouth School Fifth Grade chorists under the direction of Miss Gladys M. Schrader.

"Banner's Field," the epic of the World War soldiers' devotion and duty, a flaming message from the dead to the living comrades was strikingly portrayed by Harold Stevens. The Plymouth High School Quartet, quite with a song appropriate to the occasion was next followed by the speaker of the day, Sgt. John F. Gilmore.

Sgt. Gilmore was a soldier of the 125th Division in France and Germany and is now Judge Advocate, Department of Michigan American Legion. His talk from beginning to end held the audience by its virile quality, everyone present knowing that before them was one who had backed up his assertions of patriotism by patriotic action on the field of honor. Know that he really meant the words of pity he spoke to the mothers, wives and dependents of the slain comrades, because he was there when they fell. He realized that when he eulogized those last veterans of the host of Lincoln's men, he was linked with them in the chain of memories extending from '63 to '18.

He spoke of the nation's present efforts on behalf of the disabled ex-service men and of the further duty it owes to those thousands who bear not a scratch or scar upon their bodies, but whose minds are irrevocably wrecked by the shock and horrors of modern war.

He expressed his hatred of war, a hatred based on actual experience, and a hatred shared by all his comrades who passed through the glare and glitter of its veneer to the purplish core of it. He also said that it would be foolish to believe that all wars can be abolished. The solution he declared, as far as America is concerned, is adequate preparation and through ability to rapidly conscript and mobilize all of our resources, men, money and materials to the end that no nation would dare to war with us.

The programme in the theatre was then concluded by the singing of "The Star Spangled Banner" by the entire assembly.

The line of march from the theatre to Riverside cemetery was participated in by the following:

## HELPING THE FARMER

California has started this year on a program of side-road improvement that will cost \$70,000,000. It is planned to cover the immediate needs of the most prosperous parts of the state and when completed hundreds of miles of good roads will have been added to the mileage.

New York is considering a large bond issue for the same purpose. So are other states. In these progressive states it is realized that good side-roads play a big part in farm relief. The prosperity of rural districts hinges on road construction. Better prices for farm products can be of little value if the farmer lives on an unimproved side-road and can't get his stuff to market quickly and at the lowest possible cost.

This country needs low-cost, year-round, waterproofed surface roads linking up every farm with the principal highways. No taxpayer that we know of around Plymouth would want to see the state go into a wholesale bond issuing business, of course. No one would expect to have all the roads that are needed constructed within a single year. But there should be greater progress than is now being made. Direct taxes not paid by the farmers of America total more than \$900,000,000 a year. The farm still is the backbone of the nation. For that reason it should be the business of all states to see that farm roads are improved as rapidly as is economically possible and that the roads that are already improved are kept in shape for travel in all seasons of the year.

## OWNING A HOME

In recent months many thrifty citizens have given up thoughts of home owning after they have embarked in it, and others have been discouraged from making any effort to own their own homes. This is not good.

The home should come first, with every family. At times the burden of carrying it under mortgage may appear to be very heavy. At such times the faint heart surrenders what it has won by thrift and self-denial. On the other hand, the strong carry on with determination and very often win out. They have a home to show for their pains in the end.

While it may appear to many that it is cheaper to pay rent than to own the individual home, as a matter of fact it is not, if all things are considered. It is cheaper if one is willing to live in a cheaper house and in a cheaper neighborhood. It is not if a good house in a nice neighborhood is demanded. Rents, like mortgage payments, mount up with the value of the investment. Dollar for dollar, the owned home will cost less and in the end the thrifty and determined saver will have something substantial to show for his money. Plymouth is a political subdivision in which the percentage of home ownership is very high. It should be kept so. Every town's strength lies in the homes of its people. These homes are a first mortgage on prosperity after the debt is paid. They should be given up only when there is no other alternative. If you have been planning to build, go ahead and carry out those plans and be sure that you will be showing good judgment when you do so. Every minute delay counts against you and leaves you with less in the long run.

## THE BAREFOOT SEA

This is the season when young America suffers its greatest number of outdoor mishaps and when bandaged feet and toes are numerous. So it is timely to call the attention of Plymouth parents to the fact that it is dangerous to look on minor injuries too lightly. We cannot forget that the death of a young son of former President Coolidge was due to an infection which followed a tiny blister on the heel. The first thing to do for a flesh wound is wash it in clean water and soap to remove all dirt and foreign matter. Then apply two percent strength iodine. If the skin is broken or torn, a small dressing of cloth should be applied. Dye and germs from stockings may be carried into the wound so it is necessary to keep the injured places covered and free from infection. Many scuff at small cuts and burns and permit the children to run the risk of infection. That is a mistake. No matter how small a wound or bruise may be it should receive immediate attention.

## FUNNY THINGS HAPPEN

Don't let your auto bump an engine off of the track. It sounds like a foolish warning, yet we'd advise every motorist around Plymouth not to look at it in the light of a joke. A few weeks ago Frank Cordera, of Benld, Ill., drove his car in front of a Big Four engine. The engine turned over when it hit the auto, and the engineer was killed. The engineer's widow sued Cordera and the court gave her \$5,000 damages. On top of that the railroad company sued Cordera in federal court and was awarded \$10,000 for damages done to the engine. Another motorist, driving over a railroad track at Oberlin, Ohio, had his car struck by a locomotive. The car became wedged under the engine, causing the train to leave the track. Passenger coaches turned over and two were killed and several injured. The railroad company sued the owner of the auto, and the case will probably eat up the car owner's home in lawyer's fees before it is finally decided. You can't tell what's going to happen at a grade-crossing. A flivver that isn't worth ten dollars can cause a wreck that may cost the lives of train passengers and thousands of dollars in damages to the railroad company.

## A PETROLEUM PICNIC

Wonder how many of our readers ever pause to consider that there is far more to crude oil than gasoline for the auto and kerosene for the lamp. They ought to be interested in learning that, according to one of Uncle Sam's recent bulletins, more than 200 products of commercial value are now being made from crude oil. And science is at work trying to produce, in addition to the 200 products already secured, artificial rubber, a butter substitute, synthetic leather, dyes, inks and paints. Government experts say the day will come when you can go on a picnic, the motor power in your car and the tires on which it runs supplied by petroleum; wearing rubber boots and rubber coats for use in case of rain, made from petroleum; your sandwiches spread with butter made from petroleum. And when you have finished your picnic dinner you will be able to wash your hands with soap made from the same substance.

## PERRINSVILLE

The Ladies' Aid Society will meet Wednesday afternoon, June 11, at the home of Mrs. Henry Klatt, on Warren avenue. Everyone is invited.

Mr. and Mrs. Henry Klatt entertained Mr. and Mrs. Alvin Houk and family, Friday evening; and on Sunday Mr. and Mrs. Claud Tapp of South Lyon, Mr. and Mrs. Joe Bock and family called on them.

Mr. and Mrs. Fred Mecklenburg spent Sunday with friends at Utica, Michigan.

Mr. and Mrs. Peter Kubic and Margaret called on relatives at Ypsilanti, Friday.

On Monday evening, about forty friends and relatives surprised Mrs. Henry Kubic, at her home on Merriman road, to remind her of her birthday. The evening was spent playing luncheon. Honors were awarded to Mrs. Alex Murdock, first; Laurabelle Murdock, second, and Margaret Kornfske, consolation; Harold Holmes, first; Henry Sell, second, Edsel Holmes, consolation. Mrs. Kubic received many useful gifts. A lovely luncheon was served, and the guests left wishing Mrs. Kubic many more happy birthdays.

Mrs. Albert Kornfske, Margaret and Edna, Mrs. Henry Kubic and Marvin, Mrs. Carl Theuer and Evelyn, Mrs. Peter Kubic and Margaret attended the wedding of Miss Josephine Prokop and Charles Urbank at the St. Mary's church at Wayne, Saturday morning.

Mr. and Mrs. Berger of Wayne, called on Mr. and Mrs. Fred Mecklenburg Sunday evening.

On Monday, the professional golf match, Chicago vs. Detroit, was played at Hawthorne Valley. Each team was made up of twelve players. The Chicago team was winner over the Detroit team by one point. Hundreds of spectators followed the players around the beautiful hills and valley courses. The proceeds are for the benefit of Michigan Society for crippled children.

Mr. and Mrs. Paul Badelt entertained their son, William and family of Wayne, Sunday.

Mr. and Mrs. Edward Sell of Detroit, called on Mr. and Mrs. Peter Kubic, Sunday.

Miss Leona Beyer of Detroit spent Memorial Day with her father and grandparents.

Ethel Bennett, of Newburg spent the week-end with her cousins, Norah and Gladys Badelt, of Middle Belt road.

The Sunday School is planning a children's day program to be given at the church, Sunday evening, June 15.

## Wayne Road News

Mr. and Mrs. Earl Merriman and two children have moved into the Wayne Lawn Sub.

Mr. and Mrs. Frederick Mecklenburg are now living in Perrinsville.

Mr. and Mrs. Clifford Smith are the proud parents of a new baby. The mother is getting along nicely.

Mrs. Robert Schmittling spent last Thursday with Mrs. Leonard Thomas in Detroit.

Miss Jean Thomas of Detroit, spent last week Monday and Tuesday with Miss Angelina Schmittling.

Mr. and Mrs. George Hix called on Mr. and Mrs. George Mecklenburg last Friday evening.

Mr. and Mrs. John Mecklenburg entertained several friends last Sunday afternoon and evening.

Anyone wishing to contribute news for the Wayne Road News column, please notify Mrs. Robert Schmittling and she will be very glad to add to the news.

## Reduce Tolls On Ambassador Bridge

New reductions in Ambassador Bridge tolls went into effect Thursday, May 29, will benefit especially those operators of passenger cars using the bridge frequently and all trucks hauling commercial loads, according to announcement by J. L. Fozard, vice president and general manager of the Detroit International Bridge Co.

The new schedule gives the private motorist a twenty ticket book for five dollars (\$5.00) good for one a full month from date of issue. Formerly it was necessary to buy a sixty ticket book to receive the 25 cent toll charge, and the tickets were accepted only during the calendar month in which the purchase was made.

The new rate on motor trucks and motors with trailers is one and one-quarter cents (1 1/4 cents) per 100 pounds for the first unit of ten tons, instead of the former price of 2 cents per 100 pounds of gross weight. This saving also applies to horse-drawn vehicles.

We've about come to the conclusion that a Plymouth wife is a good deal like an auto. If her husband takes good care of her he won't have to get a new one.

WANT ADS bring BIG RESULTS.

# Do You Belong

## To The

# 2%?

Ninety-eight per cent of all Americans are living from day to day on their wages—loss of their jobs would mean pauperism. That's what creates so much distress when eras of depression swell the unemployment list.

The more provident 2% who bank a portion of their incomes regularly save worry and distress while they save money. They do more. They treat themselves to the thrill and satisfaction of knowing they have a bank account to draw on when opportunities appear—and the interest we pay makes the savings account an investment.

#### DEFEAT NORTHVILLE ON DECORATION DAY 6-0. TO PLAY LINCOLN PARK SUNDAY.

Last Sunday in one of the most exciting games ever played on West Point Park field the home team defeated the fast Highland Park team by a score of 3 to 2 in a thirteen inning game.

For twelve innings both teams put up a great fight, holding the score to a 1 to 1 tie. West Point scoring one in the second and Highland Park scoring one in the third inning.

In the first half of the 13th, Ryckman, catcher for Highland Park, walked. Whitlock struck out. Glazebrook singled, advancing Ryckman to third. Ryckman scored on Johnson's sacrifice fly to left field. Hodges was out on a grounder to Hobbins at first, retiring the side.

West Point then were up for their half of the thirteenth, with the score 2 to 1 in favor of Highland Park.

Ray Wolfson, first up, hit a long fly to left field. Hobbins was safe on the hot grounder to second. Knock got a clean single to left center, advancing Hobbins to second. Charlie Wolfson hit a fast grounder through second base. Knoch advancing to second and Hobbins scoring. Clement up with a count of 2 balls and 2 strikes, hit a single to right center scoring the winning run.

Jay-ska, pitcher for West Point, allowed only seven hits, and retired nine men with their bats on their shoulders.

Johnson, for Highland Park struck out five and allowed nine hits.

Over a thousand spectators witnessed the game.

West Point Park won another great victory over Romulus, who represented Northville, on Decoration Day at Northville by a score of 6 to 0. West Point scored 2 in the first, 2 in the fifth and 2 in the 8th innings.

Goers, pitching for West Point, held the Romulus team to six hits, while West Point collected fourteen hits from Romulus. The boys are playing great baseball, so let's all come out and give them our support.

Sunday West Point Park will play Lincoln Park at the West Point Park grounds.

#### 100-Mile Race At Detroit Sunday

Speed kings of the world in their new two-men race cars are headed towards Detroit for the first time for the 100 mile A. A. sanctioned 100 mile race which is scheduled for the Michigan state fair track Sunday, June 8th. Practically the entire crop of starters in the Indianapolis 500 mile race has signed up for the Detroit race in which 14 cars are to start—all of them with a driver and a mechanic, this for the first time in speedway or any race track since 1922.

There is greater interest in the Detroit race than ever before and there is an international complexion to the speed battle for the only two foreign entrants at Indianapolis—riding in an eight and a 16 cylinder Masterati Special—are coming to this city. They are Italians and banking them will be the colorful Peter De Paola and the astute Tony Gulotta, who are American born sons of Italy. Not since the halcyon days of the popular Ralph DePalma has there been one or more son of Italy in the race.

Michigan will have an added interest in the race because there are four drivers from Detroit who are sure, barring accidents, to be in the qualifying field. They are Shorty Canton, Wilbur Shaw, Chet Miller and Louis Schneider. Canton, Shaw and Miller are favorites with state auto race fans. They have known them and their heavy footed ability to drive for many years. This is the first time that Canton or Miller or Shaw will have started in an Indianapolis 500 mile-up behind cars that were built to stand up. Canton last fall won the state title at Flint, Mich.

W. D. Edenburn, chief steward at Indianapolis, and who will run the Detroit race for the contest board has decreed that all qualifying trials will be held the morning of race day starting at 9 o'clock which means that early arrivals at the track can see the whole show.

In addition to the 100 mile championship for which there are 570 points and approximately \$10,000 in prize money there will be a 25 mile race with 10 starters open to state cars and drivers.

All tickets are now on sale at the auto clubs in the state, at Macomber-Smiths and Fort Shelby Hotel and Spauldings in Detroit and indications are that an audience of 45,000 will view the race which starts at three o'clock.

#### PLYMOUTH WINS FROM LIBERTY

Plymouth won their fourth straight start of the season Sunday by defeating Liberty A. C. of Detroit 8 to 3. The locals started bad in the first inning and for this reason they were in a shaky position. After the first inning the boys found themselves and played real ball and with the fine pitching of Maskey turned in another good ball game.

Maskey allowed five scattered hits and struck out nine men, allowing only two bases on walks, while the boys were giving him million-dollar support.

G. Dornin, of Liberty, was their leading man with the stick getting 2 hits in 3 trips to the plate.

Strasen led the locals with 2 hits in 5 times at bat, while Spaulding came through nicely with his double in three times at bat.

Next Sunday Plymouth will play Spreckell Cartage of Detroit. This team has had the same line-up on the field for four years and should prove a strong barrier in the local's battle for a string of 5 straight victories.

#### DE-HO-CO BEATS ROMULUS 11 TO 4

Harry German of Northville, the grand old man of baseball, with the pick of the Romulus and Northville players, attempted last Sunday to add to his long list of 41 years of successful pitching to do what he has never done yet, defeat De-Ho-Cos. He was opposed by Rowland for the Farmers, who after being a little wobbly to start settled down to pitch one of the best games of his career as a De-Ho-Co.

Romulus noted as a slugging bunch, succeeded in getting but four scattered hits off Rowland while the De-Ho-Co nine pounded German for 11 in 6 innings and retired him to the side lines in favor of Koester. Romulus scored 3 in the second on three passes, one fielders choice and a double and an error by Denniston hit by Mulwood scored in the third. This was as far as they got.

De-Ho-Co started working on German in the third and scored two each in the third and fourth, and three in the fifth.

Koester who succeeded German, retired Dutch German on a fly over to left hander Anderson one in his favorite spot and Anderson making a home run. In the 8th on a combination of infield outs, two hits and one pass, De-Ho-Co scored three.

Next Sunday, June 8th, De-Ho-Co will play Bay City at De-Ho-Co Park.

June 11, 12, 13—New York vs. Tiger's at Navin Field, Detroit.

#### HAGGERTY A. C. Nethem Loses To TRIMS DE-HO-CO

#### THE CONQUERORS EASILY OUT-PLAYED THE FARMERS THROUGHOUT THE CONTEST.

Haggerty A. C. out-classed the De-Ho-Co nine last Friday forenoon and ran their string of victories to three, finishing on the end of a 8 to 3 count. The game was played at Canton Park. A surprise was banded the visitors that can't easily be wiped off their records. "Dolly" Hobbins' pitching proved effective and his team-mates played an air tight game. The Haggerty A. C. were even better on the batting side, collecting fourteen well-earned hits.

The locals, after cutting loose with a vicious attack to score two runs in the first inning, were soon on the road to a victory. They pushed another counter across in the third, and then came back with a fine rally in the fourth that netted four more runs. The final tally came in the seventh. De-Ho-Co scored one in each the first, second and fifth innings.

Decoration Day in the afternoon a disappointment was handed the Haggerty A. C. when Chelson sent an experienced team to oppose them. A good team was expected to oppose the Haggerty Club, but the final score of 25 to 4 easily decided they were no match for our home boys.

Again on Sunday the picked team from Ypsilanti failed to put in an appearance at the Park. This should have been a good contest for the fans. Sunday, June 8, the Haggerty A. C. promises that they will make up for the disappointment, when they clash with the strong Tun Beta Y. M. C. A. club of Hamtramck. They call themselves good and that is just what Haggerty A. C. likes to meet up with. Canton Park will be the scene of the contest and the time being 2:30 p. m.

#### ROBINSON SUB. NINE LEADING PLAYGROUND LEAGUE

By winning their third game last Thursday evening from the Dunn Steel nine, the Robinson Sub. team advanced to first place in the standings. The "Robins" got off to a good start in the first inning, securing four runs. Six more in the third, and five in the fifth inning, placed the "Robins" in what they thought was a safe lead. "Howdy" Schryer, the "Robins" pitcher, allowed but four hits up to and including the fifth inning. In the sixth and seventh, however, Dunn's pounded out ten hits which brought their tally up to where it was uncomfortable for the "Robins."

The "Steel" boys secured two more in each of the eighth and ninth, and had the bases loaded when Lorenz and Sweeney hit for home runs in the ninth, the final tally would have been somewhat different.

Tonight for the Robinson Sub. squad, evened up for his two games when he landed a home run in the fifth, with the bases full.

#### Behind the steady pitching of Horvath, Nethem hit in the pinches to defeat Liberty A. C. last Friday.

Schultz lost a hard earned victory when his mates failed to hit in the pinches. The Nethem boys left fifteen men on the bases, once they had bases filled with none out, but failed to score. In the seventh and ninth inning Schultz was left stranded on second base with one and none out, respectively, when a hit would have brought a victory to him, which he deserved, because the young pitcher let the Detroit Police down with nine hits, and he struck out thirteen sluggers.

H. Horvath was the hitting star of the game when he gathered four hits out of six.

The largest crowd of the current season was present to witness the heavy weights of the Detroit Police, Pruitt, the winning pitcher was the biggest man on the team, his weight was about two hundred and fifty.

Next Sunday the boys will take on the strong C. F. Smith team from Detroit, and will try to start a new winning streak at Newburg.

Oakland County Road Commission has renewed its campaign to rid the county highways of advertising signs. State highway laws prohibit the placing of commercial signs of any kind on poles, trees and fences within or bordering the right-of-way.

### "Beau Bandit"

**RADIO** Pictures' answer to the demands of motion picture fans for an outdoor production filmed in natural locale instead of within the narrow confines of a studio sound stage, comes with "Beau Bandit," all-talking outdoor drama which will be shown at the Pennington Allen Theatre, Friday and Saturday, June 6 and 7.

Tiring of the traditional drawing room dramas, musical revues and backstage films, audiences have created a real demand for a new type production. "Beau Bandit" was filmed almost completely in outdoor locale.

The action takes place in the Mojave desert country of Arizona, and the story of the old west done in full dialog and sound, is said to prove a most welcome departure. Rod La Rocque, one of the most capable of talking picture players, is seen in the leading role. Doris Kenyon, beautiful star of both silent and dialogue films, plays the feminine lead. Miss Kenyon, an actress of outstanding ability, adds a new accomplishment in the film by singing the song bit, "Just a Little

Kiss," the work of Harry Tierney, noted composer. Miss Kenyon's voice, trained by two years of concert stage work in the east during the past two years, is said to be unusually fine.

Lambert Hillier, director of the greatest successes of William S. Hart, Harry Carey, and other outdoor stars, directed "Beau Bandit." He assembled a great supporting cast for the film, including scores of veteran cowhands and western rodeo champions. Well-known featured players in the cast include: Mitchell Lewis, Walter Long, Charles B. Middleton, George Duryea, Barney Furey and Bill Patton.

### "The Big Pond"

**MAURICE CHEVALIER**, who, with the Statue of Liberty, is one of France's greatest gifts to America, will be seen and heard in an entirely new type of characterization (for him) when "The Big Pond" comes to the Pennington Allen Theatre Sunday, Monday and Tuesday, June 8, 9, and 10.

In this production, based on a famous play by George Middleton and A. E. Thomas, the M. Chevalier (M.

stands for Magnifique) is cast as a young Frenchman who meets a group of Americans while serving as a guide in Venice. Through their influence he is brought back to America where he is given a position in a chewing gum factory. The job is a very minor and menial one, but the indomitable Maurice sticks to his arduous tasks and by dint of ambition and inventive genius climbs the ladder of success until he becomes "the whole works" in the chic factory.

Of course there is a heavy romance—with Claudette Colbert furnishing the feminine half of it. She is a French-born actress who has made a rapid success on the Broadway stage. She was featured recently with Walter Huston in "The Lady Lies."

In "The Big Pond" Chevalier sings a number of songs in a manner that is delightfully Chevalier-esque.

Hobart Henley directed "The Big Pond." He was the director of "The Lady Lies" and "Roadhouse Nights."

Chevalier's first appearance in talking pictures was in "Innocents of Paris"—a film which created box office panics in many United States and Canadian theatres. His second opus was "The Love Parade"—a musical extravaganza which definitely clinched his claim to fame as one of screendom's foremost personalities.

**"The Midnight Mystery"**  
"THE Midnight Mystery," a detective story that will thrill and

please you, will be shown at the Pennington Allen Theatre, Wednesday and Thursday, June 11 and 12.

If goldenrod isn't all that Mr. Edison desires as a substitute for rubber, he might try fresh peas that have been around the grocery store for a week.

## NEWBURG

(Too Late for Last Week)

**REV. PURDY** gave us a splendid Memorial Day sermon. While we honor our soldier dead and those who offered their lives a sacrifice to their country, it should be our idea today, to educate ourselves to the slogan "No More War."

We were all glad to see Mrs. Emma Ryder back in her pew Sunday morning. Mrs. Ryder returned Saturday morning from West Palm Beach, Florida, where she has been spending the winter and early spring.

Mr. and Mrs. M. I. Horton, who have been spending the winter at Van Nuys, California, returned Saturday afternoon. Their son Don and wife, of Detroit, drove out to bring them home, making the return trip over the Santa Fe Trail in nine days.

Mr. and Mrs. Harry Richardson of Windsor and Mrs. Marion Casterline of Flint were dinner guests of Mr. and Mrs. Clyde Smith Sunday.

Mr. and Mrs. Harry Bassett and Mrs. Ella Wright of Wayne called on Mr. and Mrs. Smith Sunday afternoon.

Mrs. Melvin Gutherie entertained a group of 29 ladies from Detroit at her home Saturday afternoon.

Mr. and Mrs. Mark Joy and family and Mrs. Hattie Ostrander of Wayne, drove to Howell last Sunday.

James McNabb and Howard Holmes

made a business trip to Dundee Monday afternoon.

Mrs. Marlin Simmonds and son, Richard, spent Monday with her parents Mr. and Mrs. Pangborn of Farmington.

Mr. and Mrs. Warren Joy and family of Farmington were Tuesday evening callers at the home of James McNabb.

Dad Plymouth says that middle-aged is the time when the average man is going to begin saving next month.

Maybe the world doesn't change, as some people contend. But we notice fewer cases of hiccups now than we once observed.

**Relief From Curse of Constipation**

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. Beyer Pharmacy.

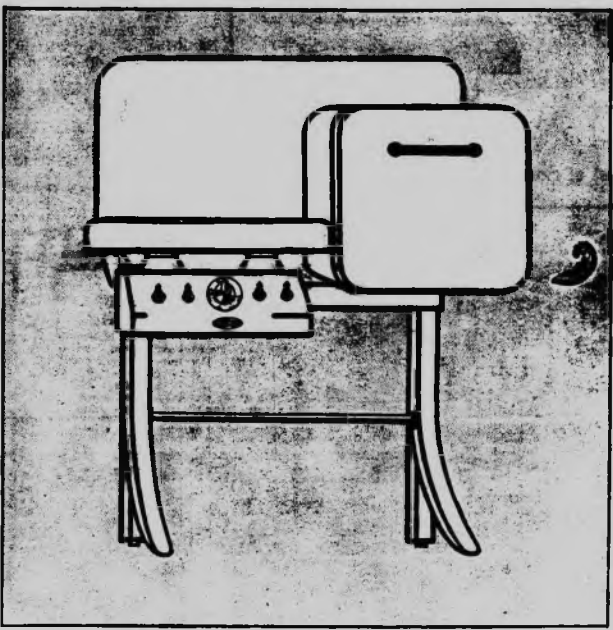

# ELECTROCHEF

DISPLAYED, INSTALLED, RECOMMENDED

BY Corbett Electric Co.

## SPECIAL SPRING OFFER for a limited time only

\$10 ALLOWANCE for your old stove any kind or make

## CHERRY HILL

### Death of Well Known Resident

Mrs. Wesley Elliott passed away at her home here Monday evening, after a lingering illness. She was born here, and had spent her entire life in this vicinity. She leaves to mourn her going, her husband and one daughter, Mrs. Elwood McQuail of New Boston; her aged mother, Mrs. Newton, and one brother, Arthur Newton of Detroit, another brother, Edward, having passed away a short time ago.

The funeral services were held Thursday afternoon from the home, Rev. Blake officiating. Mrs. Shuart sang two beautiful hymns. Burial in Cherry Hill cemetery.

Mr. and Mrs. Walter Wilkie attended the funeral, Sunday of the latter's grandmother, Mrs. Henrietta Muddinger, of Dearborn.

Mr. and Mrs. Will Williams, Mrs. W. O. Stewart, son Wesley, and Ruth Oliver visited Mrs. Jennie Hook and family last week.

A number of young people attended the carnival at Denton, which was given by the Parish League, Monday evening last.

The Young People's Sunday-school class held their usual meeting at Recreation Park, Monday, Alice and Dorothy May entertaining.

Mike Hartje and Charles Hough of Dearborn, have the contract to build the new home of Mr. and Mrs. Knudt Jorgensen.

## NEWBURG

Children's Day will be observed June 15th instead of June 8th. A program to be given by the children is being prepared.

Mrs. Mary Paddock of Highland Park, visited Mrs. Emma Ryder, Saturday. Donald Ryder of Ann Arbor, also spent the week-end at the Ryder home.

Charles Ryder, Jr., is quite ill at this writing.

Raymond Ryder of LaGrange, Ill., made a short call at the Ryder home while on his way to Northern Canada, on a fishing trip.

Frank Knickerbocker has recently endowed two plots in Newburg cemetery.

Mr. and Mrs. Charles Tolson of Eaton, and Mrs. Charles Crutts of Owosso, called on Mr. and Mrs. Mark Joy, Sunday afternoon.

Mr. and Mrs. Dale Liscum and family visited Sunday afternoon, at the home of James McNabb.

Mr. and Mrs. E. J. Cutler and family left Thursday night to visit relatives in Cincinnati, Ohio, returning Monday morning.

Newton Young and sisters, visited their aunt at Kingston over the week-end.

The following eighth graders who took the examinations and passed, will receive their diplomas, at Elizabeth Park next Saturday: Charles Paddock, Harold Stevens, Jack Goodsell, Eldora Bullen, Raymond Armitage, Alice Bakewell, Evelyn Stutzner, Marvin Schmidt, Warren Bassett, Amelia Zielasko and Clarence Levandowski.

Mrs. T. J. Levandowski, Mrs. Zielasko and Mrs. Edgar Stevens called on Mr. and Mrs. M. L. Horton, Sunday.

Mr. and Mrs. D. D. Horton and children of Detroit, spent Decoration Day at the home of their parents, Mr. and Mrs. M. L. Horton.

Mr. and Mrs. Clifford Smithgall of Grandville, also called on Mr. and Mrs. M. L. Horton last week-end.

Mr. and Mrs. Alfred Sears and children, Mrs. R. Hasselbach and Mrs. Hendrielson of Detroit; Mr. and Mrs. A. W. Kregor and children of Royal Oak, called on Mr. and Mrs. Anthony Kruger, Sunday.

Miss Margaret McGregor of Detroit, who has been visiting her cousin, Mrs. Anthony Kregor for the past two weeks, returned home with her parents, Mr. and Mrs. Robert McGregor, who were also Sunday callers at the Kregers.

Mrs. James McNabb attended the meeting of the Detroit Federation of the Woman's Christian Temperance Unions on Wednesday of this week.

### MIDGETS DRIVE ACROSS NATION

USE PONTIAC BIG SIXES WITH SPECIAL CUSHIONS AND PEDAL EXTENSIONS.

The ease with which modern automobiles are operated and controlled is emphasized by the experience of two midget motorists who recently drove Pontiac Big Sixes from the Atlantic to the Pacific on an average schedule of about 200 miles per day.

The midgets are Johnny Winters and Major Arthur, aged 24 and 26 respectively. Johnny weighs 60 pounds and stands three feet, six inches while Arthur outweighs him by three pounds and is one inch taller. They bought two Pontiacs—a cabriolet and a coupe at Orlando, Florida and drove over the Southern Route to Los Angeles.

Before starting the long trip they had the seats and controls altered to fit their diminutive proportions. Special cushions were installed, extensions were placed on the clutch and brake pedals and the gear shift levers were lengthened. No mechanical adjustments were made however. With the controls thus brought within their reach, the midgets proved that they could handle the cars as easily as motorists of normal strength and stature.

To date, each of the little fellows has driven his car about 6,000 miles.

Baltimore doctors removed portions of a man's brain without injuring him. His wife probably continues to do his thinking for him.

Somewhat we can't help feeling that Plymouth people got along better back in the days when horsepower was furnished by the horse instead of by gas.

Right now the average Plymouth father isn't figuring as much on where the vacation will be spent as he is on how much will be spent.

### DECORATION DAY

work is over and I can save you a lot of money now. Try me

**Milford Granite Works**  
MILFORD, MICH.

## Road Program Is Under Way

(Continued from page One)

A quarter of a mile north of Michigan avenue and at another location about one-half mile north of Warren road, Inkster road crosses branches of the River Rouge. At these two locations new bridges are to be constructed to carry this roadway across the stream. A concrete mixer is busy pouring concrete from the Pere Marquette Railroad south to Joy road, a distance of approximately one and one-half miles.

This mixer will continue to pave south as far as the Michigan Central Railroad tracks, near Michigan avenue, and another mixer will be started shortly at Ecorse road, moving north to meet the paving at the railroad, Mr. Hines said.

On the Outer Drive between Dickerson avenue and Alter road the City of Detroit is acquiring the width of right-of-way. As soon as the width of right-of-way has been secured, the County will immediately start to develop this section of the Outer Drive in conformity with previous sections he said.

Two 36-foot concrete pavements will be built on the new 150-foot right-of-way. Trees will be planted and the center parkway will also be developed. Ornamental boulevard lights, the same as have been installed on other sections of the Outer Drive, will also be installed.

Another section of the Outer Drive to be completed this year and on which work is in progress lies between the Lahser road and Fenbush avenue. This section is one and one-half miles long on a 150-foot right-of-way. Part of it will be developed with a 60-foot concrete pavement and the balance with two 36-foot concrete pavements. Grading and installation of drainage structures is in progress.

The building of the drainage structures and grading of a section of Outer Drive between Michigan avenue and Pelham road, a distance of approximately two miles, is in progress. When completed, two 36-foot pavements are to be constructed.

### Action At Early Date

Last year a portion of the west 36-foot concrete pavement on the one-half stretch of Outer Drive between Ford road and Fordson avenue was not completed. Construction work on this stretch is to start at an early date.

Work is also in progress on the Outer Drive between Military and Michigan avenues.

A part of this section, lying between Military and Northview avenues, will be developed with two 36-foot concrete pavements and from Northview avenue to Michigan avenue a single 60-foot concrete pavement will be built. The entire project being approximately 1 1/2 miles in length. Concrete, in addition of drainage structures, and paving is in progress on this section. All these various sections of Outer Drive are expected to be completed and opened to traffic this season.

### Undeveloped Parts

Parts of the Outer Drive on which improvements have not been started follow:

From West Jefferson avenue, Ecorse, west to Fort street; from Dix avenue, northwest to Southfield road; from Five-Mile road, just east of Evergreen, to Six-Mile road, then east to Northwestern Highway and then north to Seven-Mile road; from a point on Woodward avenue, about midway between Seven and Eight-Mile roads, east to Van Dyke avenue, and finally the T-shaped part with its horizontal bar going east from Chalmers avenue to Seven-Mile road in Grosse Pointe Farms, and its vertical branch running south to Jefferson avenue in Grosse Pointe Park.

Outer Drive is being developed under an annual appropriation by the Common Council of \$1,500,000. Leroy C. Smith, engineer-manager of the County Road Commission, explained, "Quite naturally, this money is spent for construction work on parts of the boulevard where we have secured the

necessary rights-of-way which, for the most part, are dedicated by abutting property owners. Indeed, it is up to them how soon the now undeveloped stretches will be improved."

"The acquisition of wider widths of right-of-way in accordance with the Master Plan of Superhighways is a continuous procedure," Mr. Hines said. "Negotiations and condemnation suits are a matter of specialized daily routine. Since the first of January, when major construction activities ceased, our right-of-way on our planned 264-foot superhighways, the 150-foot Outer Drive, and our 120-foot wide section line roads and major thoroughfares. Reduced to miles, this frontage totals 20.01 miles, and is located on Base Line, Fort, Michigan, Mound, Northwestern, Schoolcraft, Southfield and Woodward superhighways; the Outer Drive, Airport Drive, Allen, Coolidge, Dix, Ford, Gibraltar, Goddard, Inkster, Joy, Pelham River

and Van Horn roads which are to be widened to 120 feet.

was acquired by purchase, by the exchange of back property for frontage, by condemnation or by dedication."

A FAMOUS NAME A FINER CAR

# Dependable.... ...YES!

because it embodies features which assure unfailing service

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

**\$745**  
and up, f. o. b. Pontiac Michigan

The Pontiac Big Six enjoys a world-wide reputation for dependability—because it is built on big car principles and to big car standards of quality.

Its 60-horsepower motor develops maximum power at moderate engine speeds—is never over-taxed, no matter how fast or far you drive. The big main bearings are of the costly interchangeable airplane type. There is definite protection in the full pressure oiling system and crankcase ventilation which prevents dilution of the engine oil. Efficient cooling is assured by the cross-flow radiator. And Pontiac internal-expanding brakes frequently run 30,000 miles before the lining needs replacement.

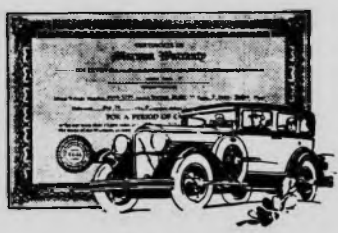

You know, when you buy a Pontiac Six, you are buying a dependable car.

### IN MEMORIAM

In loving memory of our dear daughter, Lorraine Joyce Rutenber, who passed away one year ago, June 9, 1929.

God knew that you were suffering, And the hills were hard to climb, So He closed your weary eyelids, And whispered Peace be thine. Our hearts just ache with sadness, Our eyes shed many a tear, One alone knows how we miss you, As it dawns another year. You left behind some broken hearts, That never have nor never will Forget you Lorraine dear. Her loving parents and brother.

### IN MEMORIAM

In loving memory of my dear husband, Romain Lawrence, who departed this life, two years ago, June 9, 1928. When evening shades are falling And I am sitting all alone, To my heart there comes a longing, If you only could come home. Oft and oft my thoughts do wander To a grave far away. Where I loved my dear husband, Just two years ago today. His loving wife.

### FOR SALE

Modern home on Penniman avenue. English style of architecture. Well kept grounds. House has all modern conveniences. Two-car garage. For particulars inquire of L. B. Samsen at the Plymouth Mail Office.

## Russell A. Wingard

(Continued from page One)

By Karl H. Starkweather

Lord Byron once said that sorrows are our best educators—that a man can see further through a year than through a telescope. So it seems. Too often good friends are accepted for granted. Too often we are apt to give only the minimum of thought to one whose very existence, in one way or another, tends to describe the manner of a wholesome, hearty life. We lose our friend when least expected. Sorrow comes to the living. Through that sorrow we become better educated on the principles which comprise a successful life. The recent life career of Russell A. Wingard affords a worthy example of courage, fortitude and good cheer against overwhelming odds.

Russell A. Wingard was born in Singuaw, Michigan, May 31, 1892. He was the only child of the late Oliver C. Wingard and his widow, Mary Jane (Winters) Wingard. The family came to Plymouth in 1900, and Russell entered the local schools. He proved a bright, active pupil and continued in school through the eleventh grade.

Russell's father had been employed in the telegraph department of the railroad for more than thirty years. It was only natural that the boy should early think in railroad terms. Consequently his first job was that of office boy for H. G. Myers, auditor of disbursements for the railroad company, in the Pere Marquette offices at Detroit. He soon became general file clerk in that office.

After a few months, and at his own option, he transferred his employment to Plymouth. Beginning early in 1910, and for the next two years, he was successively machinist's helper and engine hostler at the local round house.

It was during this period that his hearing became noticeably affected. It was also during this period that he began to give serious thought to things domestic. Life under the parental roof had been harmonious, but he cherished fond dreams of his own quickened hearthside.

The hearing did not improve. It was suggested that it might be beneficial for him to get away from the round house and into a different environment. Subsequently, in February, 1912, he made a sojourn to Denison, Texas, where lived an uncle. The much dryer, more equable climate there seemed to almost immediately improve his hearing. But Denison was not Plymouth, and the home place soon proved a magnet too great for long absence.

He returned to Plymouth. The railroad again afforded means of livelihood—this time in a new capacity. He became billing clerk in the freight department at Detroit. This was in April, 1912. He continued to dream visions about a home of his own. In the same year, he purchased the lot next to his father's home on Starkweather avenue. He had for the lot and also for paying brick with which to construct the basement walls of the proposed new home. He left his post as billing clerk in June, 1913, and was appointed cashier in the Plymouth ticket office of the railroad.

But a building lot and a quantity of paving bricks were not the most important details in Russell's general scheme for more happiness. He decided that a girl was still more important. He found the girl in Miss Vivian Daggett, youngest of the three daughters of Edwin R. Daggett and his first wife, Carrie E. (Tripp) Daggett. In due order the young man plighted his troth and on August 27, 1911, the couple were married. Pending actual building of his own home, the newlyweds resided at the abode of the bridegroom's parents. Exactly two months after the ceremony, or on October 27, 1914, the elder Mr. Wingard died.

Russell served two solid years as cashier in the ticket office. Then, in June, 1915, upon the resignation of Frank Hamill he became the station agent. After six months of this, Mr. Hamill chose to come back to Detroit, and Russell considerably relinquished the position to its former holder. Throughout the year 1916 he continued once more as cashier.

During all this time it was gradually becoming more and more difficult to hear. Much time and money was spent in visits to ear specialists. Good nature and optimism persisted. There was never any indulgence in self pity. During 1915 he built the home on the lot which he had purchased three years before. Aside from being hard of hearing and having a heart affliction he was still physically fit. Russell did not stop at the winning in the construction of his own home.

During the spring and summer of 1922 he established the first regular radio trade in Plymouth. His place of business was located in the real estate office of Roy Parrott. Radio was just coming into its ascendancy and business was brisk. This was the period of crystal sets. Russell bought the parts and assembled his own instruments. Later the same year he sold his business and engaged himself in the selling of real estate and insurance. He opened an office in the small frame building at 139 Liberty street, or where Curly's Barber Shop is now located.

In February, 1923, the office property and the real estate and insurance business of E. N. Passage was purchased. This was said to be the oldest established real estate business along the line of the Pere Marquette railway between Detroit and Lansing. Mr. Passage opened for business on January 1, 1900. Originally located on the bank corner, it had been moved slightly north to 740 Starkweather avenue, or to the site where the north side Kroger stores are now located.

Eventually Russell had sold his home built in 1915 on Starkweather avenue and built a new one at 230 Spring street. In turn this also was disposed of but not before he had arranged for the building of his third and final home at 261 West Liberty street. This was completed during the first week in July, 1923. And now the greatest battle of all lay lurking just around the corner.

One hot day, shortly after the family had moved into their latest home, Detroit, and after some excessive physical labor, Russell collapsed in a paralytic stroke. It looked as though he was going to take the count. After a long struggle, which included winning back lost power of speech, he finally got out into the sunshine in a wheeled chair. The attending physician expressed the opinion that Russell would never leave that wheeled chair. Disconcerted? Not quite.

He released the physician and sought an osteopath. Then, through his own indomitable will and good nature, coupled with the outside aid as an accessory, he got out of his chair and into crutches. He discarded the crutches and took a cane. He practiced walking without the cane and then threw the cane away. His right hand fell limp and useless at his side but he learned to write with his left. Business as usual at the old stand.

For seven years more Russell continued happy, smiling, courageous, attending to business. There were intervening minor breaks but never lasting for more than a few days at a time. His afflictions may have left some slight confusing irregularities, not always apparent, but he fought this condition also. And he exercised his dead right arm and was very gradually bringing it to life again. He had learned to regularly use it for shifting the gears of his automobile and, with difficulty, could again use it to sign his name.

In 1926 Russell sold the Starkweather or vacant office property and built a new office adjacent to his home on West Liberty street. The new office, smaller and more compact, eliminated step climbing and the basement stairway to the hearing plant. In 1926 Russell was largely instrumental in forcing the issue for a north side ward school. Up to April 6, 1926, no definite steps had ever been taken to purchase a school site in that portion of town known as north village. A school was badly needed there.

With no organization but with official opposition north side school prospects were not very bright. Furthermore, on April 8, 1926, the people were to vote on the question of an additional school site for the old central location. Two days before election, and at a price advantageous to the electors, Wingard personally secured an option on the most logical site for a north side ward school. Almost at the last moment he got the proposition put on a separate ballot along with the central site proposition. Then came the short campaign for votes. Central site suffered a good defeat while the north side idea carried by four to one.

Without Russell's initiative at a time when initiative was needed the north side might still be without its present satisfactory and handsome school.

During the last two years of his life he found a most loyal, interested and efficient assistant in the person of Miss Lila Tozge. It is probable that Miss Tozge knew more about his business than any other person.

On the last Thursday of Russell's life he had conversation to cross the street to see his friend and biographer. The usual good natured discussion was indulged. He then repaired to the front room "office" and the book shelves. Among the 700 odd volumes he always found something of interest. This time, and ironic though it may seem, the books he looked at were on longevities. He looked at "The Prolongation of Life," by Dr. Emil Mayer; "Stay Young," by Raymond L. Goldman; "The Art of Living Long," by Louis Cornaro, and others. There were over a dozen treating on the same general subject. He had expected to come back at some future time soon and stay longer.

The last day his biographer saw him was on the final Saturday of his life. He came to the house on an errand. Daughter Evelyn was playing "Happy Days Are Here Again" on the piano. He stole up behind and, in the best fashion he could, began to tip. Evelyn sensed the spirit and began to play louder and faster. Russell had to stop. He caught the odor of cooking fried cakes wafting from the kitchen. He shouted for a fried cake. The unsuspected last glimpse of Russell was as he passed down the steps flanking something brown which he held in his hand. The next Monday he spent with his Dexter partner, John W. Barley, in Dexter. He returned to Plymouth in good time and retired at the usual hour and in usual health. He passed the goal to which all are hastening some during sleep on the early morning of May 27. He would have been thirty-eight years old in four days more. He leaves mother, widow, and others. Two healthy, active sons, Edward Oliver, aged 14, and Robert Alger, aged 12, will be due to perpetuate the identity of the paternal line.

Russell Wingard was a man interested in most everybody and in most everything. He wanted to see things and he wanted to do things. He liked fun. He greatly enjoyed life despite afflictions. It almost seemed that afflictions were his name. Whereas the most of us use only about fifty or sixty per cent of our possible abilities Russell doubtless used ninety per cent of his. It is very difficult for the neighborhood in which he lived to realize that he passed out. He was a character and a fixture. He was a happy individual, public spirited citizen. His spirit cannot be replaced. Plymouth mourns.

A CARD—We wish in this way to thank our friends and neighbors for their many acts of kindness and expressions of sympathy in our bereavement; also those who so kindly offered and furnished cars. Dr. Lendrum and the Masonic Order for their beautiful services. Mrs. Mary Wingard and sons, Mrs. Mary Wingard, and Mr. and Mrs. E. R. Daggett. 1p

## De-Ho-Co Beats Pt. Huron Nine

## Dunn Steel Beats Masonic Nine 13-6

The Dunn Steel team defeated the Masonic team by a score of 13 to 6 Wednesday evening at the Ford Tap diamond.

Pounding out six runs in the second inning, De-Ho-Co handed the Port Huron nine a set back in a Memorial Day game at De-Ho-Co park, 11 to 6. Although both teams were even in the number of hits made, De-Ho-Co pointed the ball the harder, Martin getting a three-bagger and German and Desreano a double apiece. Myers scored Port Huron's initial tally when he stole home in the second inning.

## Rocks Conquer "Robins" 9 to 8

The fast Robinson Sub. team met their first defeat of the season Wednesday night when the Rocks defeated them by the score of 9 to 8. After winning three straight games, Robinson Sub. was sure of defeating the Rocks, who had lost one game so far but by a hit and snappy fielding the Rocks came through victorious.

Home runs were knocked by Orr and Flsher. The winning pitcher was Matheson; the losing pitcher Schryer.

## State License Is Required

Although the Federal Government does not exact any license from fishermen for fishing in any of our national parks, there are a number of these parks where it is necessary to obtain State fishing licenses. This list includes Yosemite, Sequoia, Lassen Volcanic, General Grant, Acadia, Grand Teton, Wind Cave, Zion, Bryce Canyon and Sully's Hill. The others are open to free fishing.

## Sport Notes

When the Legionnaires gather at Boston for their national convention in the fall, one of the features will be a championship golf tournament. Francis Guilmet, internationally known shotmaker, will have charge of the event.

Jack Combs, one time star for the Philadelphia "White Elephants," now is coaching baseball at Duke University.

Will Dickerson will race the Arden Homestead stable at the Brockton, Mass., fair in September.

Three outstanding coaches at Michigan State in the last two years either have been admitted to the bar or have obtained their law degrees. They are: Chief Coach Jim Crowley, Hugh "Gob" Wilson and Glenn M. "Judge" Carberry, former middle west football stars.

Although called an open tournament the field in the 72-hole Rhode Island state open golf championship to be staged in September will be limited to Rhode Islanders. Only professionals connected with clubs within the limits of the state will be permitted to compete.

The veteran pacer, Theodore Guy 2:02 1/2, now is a member of the stable of Walter Cox.

A miniature Golf Course has been constructed at the bathhouse opposite Phoenix Pond at Phoenix.

## Sport Notes

Sixteen years ago Babe Ruth drew \$25 a week playing for the Baltimore Orioles. He was a pitcher.

Georgia Tech, which had one of its poorest football seasons last fall, has been taking it on the chin all year. The Yellowjackets were beaten by their bitterest rivals, Georgia, in every major sport.

North Carolina's track and field squad has won its eighth straight state championship. The Tarheels haven't lost a dual meet in eight years.

William Joyce, of the New York team in the National League, May 18, 1879, batted out four triples in a single game. More than 30 major league hitters have three three-base hits in a game.

In the Texas Conference football season last year not a single tie game was played. Six teams are members of the conference.

When Louisiana State's track and field team lost to Mississippi A. M. it was the Tigers' first conference defeat in seven years.

The Edmonton, Alberta, girls' basketball team, has won the world's championship seven years.

Ray Grimes, first baseman with Fort Worth, last year, was signed by the Mobile Bears at Memphis. He is a twin brother of Roy Grimes, first baseman of the Atlanta Crackers.

Julius Epstein, Penn State boxing captain, started boxing at Erasmus Hall high school of Brooklyn, where Allie Wolff, now a professional, prepared.

Woody Platt, of the White Marsh Country Club of Philadelphia, who beat Phil Perkins, Briton, for the Baltimore invitation cup, has been the victim of heat three times.

Ebbets field, home of the Brooklyn National league team, will be enlarged to seat 55,000 fans. The work will start in the fall and the field will be named Brooklyn Stadium. The stands will be double-decked.

Three sets of brothers are on the lacrosse squad at Penn State. They are Kenneth and Karl Kaiser, Joe and Herman Weber, and Otto and Earl Koth.

The Middle Atlantic League this year adopted a new ball, one with a heavier cover. Now pitchers, hitters and infielders are kicking because it won't act naturally.

Ray Phelps, who advanced from Class B baseball to the majors, made good immediately with the Dodgers. Last year he pitched 303 innings for Jacksonville. Rube Marquard was his coach.

Charles Hyatt, sensational University of Pittsburgh basketball star, registered a total of 900 points in three years of varsity competition.

If all tickets are sold for the Sharkey vs. Schmelling fight the total receipts will be \$1,064,700.

Johnny Buff, who learned his boxing in the Navy and then became a champion, has gone back to the sed.

## Today's Reflections.

The good old days around Plymouth were those when the women folks used more baking powder than face powder.

Who can remember when Hood's Sarsaparilla or St. Jacob's Oil would paint a farmer's barn just to get to put their sign on it?

A dentist is the only fellow we know of who finds its profitable to look down in the mouth.

Little did our grandparents think the day would ever come when girls would do any painting except on china.

In placing the blame for our overcrowded prisons some reformers seem to accuse everybody but the fellows who are doing the crowding.

## Today's Reflections.

Only three men have ever won the Boston Marathon twice, but Clarence DeMar, one of the three, has won it seven times.

Ralston Hensley, catcher for the Pittsburgh Pirates, formerly was a coal miner.

Walter Berger, of the Braves, has two younger brothers playing ball, Fred with Des Moines and Ernest, a semi-pro. All the Berger boys are outfielders.

Torry, Lindstrom and Jackson, of the Giants, are team veterans but young in years.

Anyone can give advice, but the best advice we can give is never to start anything you can't stop.

Speaking of absent-mindedness, how about the young physician who in courtship a girl forgot and charged her two dollars a visit.

## Today's Reflections.

The tariff has been increased on pocketbooks, but then pocketbooks are something we can get along without.

# Michigan Memorial Park

"Our Highest Tribute to Loved Ones Should Be a Last Resting Place of Peace and Beauty."

You Are Invited to Attend  
**THE PUBLIC DEDICATION**  
of Beautiful Michigan Memorial Park  
SUNDAY, JUNE 8, 1930—2:30 P. M.

## As It Looks Today . . . . .

- LOCATION**  
Southwest section of Wayne County. Drive south on Telegraph Road to First Rock then west on Huron River Drive three and one-half miles to entrance.
- SURROUNDINGS AND IMPROVEMENTS**  
Michigan Memorial Park is surrounded with nature's beauty—Huron River to the south, and Huron River Park, which is leased to Wayne County for 99 years, to the west. The ground is rolling, but not hilly; it is partially wooded and has two picturesque lakes. Improvements include an Administration Building of Bedford stone and bronze, completely furnished and in use; a sunken garden and fountain; stately, dignified entrance of Barrie granite; and fences and gates of ornamental iron. The drives are winding and hard-surfaced. A perfect gravity drainage system and underground sprinklers are now being installed throughout the park and will be partially in operation on Dedication Day. This is said to be the world's largest underground watering system. A Masonic Mausoleum as well as a Community Mausoleum is to be built. Many other works of art and beauty are planned.
- FINANCIAL**  
Michigan Memorial Park is probably one of the most substantially financed projects of its kind in the country. Over \$625,000.00 has already been spent for permanent improvements and the solidity of our financial structure insures the completion of every detail of our development program as planned. An established maintenance fund provides for perpetual upkeep. The officers and directors are well known, responsible Detroit business men whose enviable reputations insure the proper supervision of our maintenance fund which will approximate one-half million dollars, a large part of which is now held by the Fidelity Trust Company.
- THE NEED**  
Michigan Memorial Park fulfills the need and desire of the people of Detroit and Wayne County for a last resting place of perfect beauty, peace, and contentment for their loved ones. Numerous interments have been received. Sympathetic, understanding, and courteous attention to all details will be at the disposal of our patrons from this date on.

A German sermon will be preached at 10:00 o'clock.  
Sunday School at 11:30.  
Don't miss the Pentecost services! You are always invited and welcome.

**SALEM CONG. CHURCH**  
Rev. Lucio M. Stroh, Pastor.  
Rev. Cora M. Pennell, Ass't Pastor.  
Bible School, 11:45 a. m.

**Christian Science Notes**  
"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, De-nounced" was the subject of the Lesson-Sermon in all Christian Science Churches on Sunday, June 1.  
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Have ye not seen a vain vision, and have ye not spoken a lying divination, whereas ye say, The Lord saith it: albeit I have not spoken?" (Ezek. 13:7).  
The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Life and being are of God. In Christian Science, man can do no harm, for scientific thoughts are true thoughts, passing from God to man" (p. 103).

**PRESBYTERIAN NOTES.**  
Next Sunday, June 8th, the sacrament of the Lord's Supper will be observed at the morning service. It is the 100th anniversary of Pentecost. Every member who can possibly be present should be on hand.  
June 15th will be Children's Day at the Presbyterian church. A fine program is being prepared and a large attendance is anticipated. The offering will go to the support of mission Sunday-schools in the United States.  
The Busy Women's Class had a fine meeting at the home of the president, Mrs. Foulton, on Tuesday. The day was perfect, the attendance unusually large and all enjoyed a delightful afternoon.  
On Wednesday of this week the women of the Plymouth Auxiliary visited the Northville Woman's Union. The program given by Plymouth consisted of music and a missionary play, "The Blue Cashmere Gown."  
The Busy Beaver Class will meet with Madelyn Blank on Monday evening, June 10th, at 7:00 p. m. o'clock. There will be a short business meeting, followed by a program and a social hour. Light refreshments will be served.

**CATHOLIC NOTES**  
Sunday is the Feast of Pentecost, also Holy Name Sunday. General Holy Communion for the men of the parish.  
John Heene, brother of August Heene, who has been at St. Joseph Mercy Hospital, Ann Arbor, died Tuesday afternoon.  
Rev. Fr. Lefevre was called to Bay City during the forepart of the week to marry a cousin.  
Ordinations of the first class of Sacred Heart Seminary, will be held at the seminary, Sunday morning, by the Rt. Rev. M. J. Gallagher.  
Anyone wishing to bring red flowers for the altars for Sunday, kindly have them at the church by noon, Saturday.  
The boys play baseball on their own diamond at Newburg, Sunday, at 3:00 o'clock. Come and see the new uniforms.  
Saturday is a day of fast and abstinence, the vigil of Pentecost.

**METHODIST NOTES**  
"It filled all the house... It sat upon each one of them... They were all filled with the Holy Spirit." Acts 2:2-4.  
"Next Sunday, June 8th, is the nineteen hundredth anniversary of the coming of the Holy Spirit into our world, and the hearts of all Christians are filled with new joy at the thought of the Comforter whom the Father has sent in the name of the Son. Not even the coming of Christ among men was so blessed an event as the coming of the third person of the Trinity to be with us forever. The coming of the Son meant our salvation; the coming of the spirit meant our regeneration. There is one note in the account of the first Pentecost that should stand out especially in our grateful thought, and that is the fullness of it. Christ had said that He came that we might have life, and have it abundantly. The Holy Spirit is the abounding life of which He spoke. So let Pentecost lift us up into the splendor of Christianity. Let it make heroes and saints of us. Let it transform us forever from the mediocre and the commonplace. Let us be from this day spirit-filled souls."  
The day will be observed with Holy Communion and the reception of members.

Let us all be loyal to the services of the church, even to the point of making a sacrifice of our selfish interests and comfort. It is your church, and it is your privilege and duty to support it by your presence at all the various services. What kind of a church would it be if all the members were like you? Your presence may mean as much as your gift.  
Wednesday, June 11, is the annual business meeting and picnic of the missionary societies, at the home of Mrs. Levi Clemens. Luncheon at 12:30. For those not having cars, the bus leaves at 11:15; get off at LeVan road.  
Sunday, June 15th, is Children's Day.

**EPISCOPAL NOTES**  
The Church's Birthday  
"When the day of Pentecost was fully come, they were all with one accord in one place."—Acts II:1.  
Have you been in church since Easter?  
Will YOU be in your place on Sunday? No one else can fill that place but you!  
It is the intention of the church that every member should be present and make his communion on Pentecost, the great climax of the entire Christian year.  
In order that all may have this privilege, there will be a celebration of the Holy Communion at 8:00 a. m. and a second at 10:00 a. m.  
Tonight, (Friday, June 6) as near 6:00 o'clock as possible, all men willing to give a couple of hours work to the church will assemble with spades, rakes, lawnmowers, or paintbrushes, to clean up and paint up the church and grounds. Will you help?  
The children of the church school have planned to provide the altar flowers for Whitsunday, and the church will be open from 2:00 to 3:00 p. m. tomorrow afternoon, (Saturday) when the children may bring their flowers.  
Celebrate the church's birthday in church next Sunday.  
Fish-supper, Friday, June 13, at St. John's church.

**BAPTIST NOTES**  
The Children's Day exercises which were to be given this Sunday, have been postponed until further notice.

**Picked Up About Town**  
Now that efforts are being made to abolish the eagle on the American dollar Dad Plymouth wants to know how it would do to substitute the bull.  
"Many a good architect," says Dad Plymouth "has discovered after the honeymoon that his wife could make plans too."

Reading that a prehistoric skeleton has been found with its legs wrapped around its neck, Dad Plymouth says he never knew that they had rumble seats back in the early days.

"If a man has an auto it doesn't prove that he has money," says Dad Plymouth. "It only proves that he had money."

**NOTICE OF APPLICATION FOR AN ORDER FOR VACATION OF SUBDIVISION AND PLAT**  
NOTICE IS HEREBY GIVEN that a petition executed by William J. Williams, trustee, the Huron Realty Company, a Michigan Corporation, Minnie Johnson, Fritz Nelson and wife, Edna Nelson, Catharine Dahl and Ethel S. Scott, has been filed with the Circuit Court for the County of Wayne, State of Michigan, praying for the vacation of a part of the subdivision or plat known as Silver Springs Lake Estates, a subdivision of part of the North Half of Section Two, Town Fifteen, North Range Eight East, Northville Township, Wayne County, Michigan, the said plat being recorded in Liber 56 of Plats, on page 52, in the Register of Deeds office, Wayne County, Michigan, on the 14th day of August, 1925, and that portion of said plat that petitioners are asking to be vacated is described as follows:  
All of said Silver Springs Lake Estates Subdivision except:  
(a) All that part of said subdivision lying south of Out-lot A and east of the E. line of Silver Springs Blvd.  
(b) Lots 188, 189 and 190 of said subdivision and all of the public alley north of said lots, and that part of North Crescent Avenue lying between the N. line of Clearview Drive and the N. line of above mentioned alley, if extended westerly.  
(c) Lots 226, 227, 228, 229, 230, 231 and 232 and also the public path lying between the line of Clearview Drive, the line of Out-lot A, the W. line of Lot 230 and the E. line of Lot 231.  
That the application founded on said petition will be made to the Circuit Court for the County of Wayne at the Court House or County Building in the City of Detroit on the twenty-first day of June, 1930, at the hour of seven o'clock in the forenoon of the said day, for an order vacating that portion of the aforesaid subdivision and plat above described, at which time and place any person claiming any interest in the said Silver Springs Lake Estates and any person owning any lots or land immediately adjoining any of the lots or land in that portion of said subdivision or plat to be vacated, may appear and oppose the same.  
Dated this 13th day of May, A. D. 1930, at Detroit, Michigan.

### COMMUNITY PICNIC

LEAVING all syllogism aside, about three score and ten of the young folks and other Gardenites are glad they stayed at home "over the holiday." For we held the first picnic of the season about the Kirk on Pembroke road last Saturday, down in the woods between the trees and the pastures adjacent thereto.

First: Was the baseball game of the Scrubs vs. Rubs. Home runs were conspicuous by their absence. Score was about 30 to 39, favor Scrubs.

Second: Foot races indulged in by the child sex only, competition being very keen: 30-yard race, boys under eight years, won by Master Donald Folsom; 40-yard race, boys from 8 to 12, winner was Master Chuck Snell; 30-yard race, for girls from 8 to 12, won by Miss Margaret Leslie.

Third: Potato races—five spuds—for all the boys and girls: first, Herb Kalmbach, second Betty Snell, third Dickie Porteous.

Fourth: Tug-o-War—Boys and girls of all ages. The "winning team"—Joe Schroeder, Jr., captain; the team: Raymond Dix, Dick Porteous, Betty Schroeder, Bobby Folsom, Don Folsom, Mary Schroeder, Chuck Snell, Betty Snell, Paul Harsha, Jr., Frank Schroeder.

Fifth: Horseshoes. Of course none other than Brier Frank Wagner won the game and first prize being the City Hall. There was no doubt that harn yard golf has its Wagner, and many have expressed the opinion Frank has a Sparkplug somewhere around the house he must practice on.

Sixth: EATS—Coffee being cooked in the church kitchenette, all had lunch at real tables and real chairs, carried over for the episode.

Seventh: Did we have a good time? Well say we did, and how! And an-

other thing, folks, "its" going to happen again, watch, wait and listen for "IT."

### ANNUAL MAY FESTIVAL

The annual May Festival was held forth by the ladies of our church last Wednesday eve. The folks turned out in great shape, and the serenity of the place was turned into a sort of pandemonium. There was all kinds of good things to eat, and for the lovers of GOOD MUSIC, there was more than a treat. Under direction of Signor Arthur E. Baker, Esq., the orchestra got all fed up on asparagus from the Baker farms on Farmington road, and then came over to our church and rendered their parts and pieces well. If asparagus has anything to do with it, we are going to write to Mrs. Sousa or maybe President Hoover to feed the army, navy and marine corps bands thereon.

Then there was the Campfire Girls, Mrs. Ed. Reindell, Misses Eleanor Straehle, Shirley Kalmbach, Ruth Davis, Judith O'Dea, Gwendolyn Dunlop, Dorothy Metzger and Frances Cooper, who were all done up as Japanettes, or something, in colmonas or Kobomonas and chrysanthemums, and they assisted Mrs. H. P. Adams as hostesses in serving dainty sandwiches and cookies and coffee au lait, all in the prettily decorated banquet hall at tables set for foursome.

Mesdames Harsha, Hodson, Jr., Porteous and Marks were kitchenaidettes or whatever the female chefs de sandwich and coffee are named for such events. The company gathered round about to see, hear and heed the program as follows:

1. Ensemble, Military Symphony—Haydn
2. Miss Lonabelle Rhode and Master

3. Wesley Hoffman—Tap Dance.
4. Mrs. Reek—
- (a) Come to the Fair—Words by Taylor; music by Martin.
- (b) A Japanese Maiden—Words by Alice C. Riley; music by Jessie L. Gaynor.
5. String Quartette—Drink to Me Only With Thine Eyes—Pochon.
6. Miss Evelyn Porteous—
- (a) Sweet Mystery of Life—Victor Horberr.
- (b) The Lilac Tree—George H. Gartlan.
7. String Quartette—
- (a) Old Black Joe—Foster.
- (b) Minuet—Mozart.
8. Jeanne Loftus—
- Piano Solos—Selected.
9. Ensemble—
- Three English Dances—Edward German.
10. Refreshments.

String Quartette—Miss Hamill, Miss Kuebel, Mr. Ellis and Mr. Baker. Accompanists—Mrs. Hodson, Miss Viola McKinney and Mrs. Huron. Pianist—Miss Melissa Roe.

The children on items No. 2 and 7 did their parts wonderfully well (even for Rosedale kiddies who are supposed to be better anyhow), and they brought applause from all. Taken all in all, the printed program as well as the played and acted and acted, were all in keeping with tradition of Rosedale lady fannies. And another thing—patronize our advertisers when next in need.

Boy Scouts Herbert Kalmbach and Joe Schroeder, Jr., are taking their camping (and hiking later on) test by sleeping out down in the West Chicago Woodland cow pasture. Hope some big, mooly cow scares them into keeping in line on next Decoration Day, and if she won't something else!

Mrs. Charles McKinney fell and broke an ankle last Saturday afternoon at the store at Stark and Rough and Ready. After examination and X-ray at the H. P. General, she returned home. No more Sunday golf for Chuck.

From the Ford Hospital comes the announcement that a son was born to Mr. and Mrs. E. G. Brown, 11808 Ber-

wick avenue. A little brother now for Miss Sally C. to play with. Congratulations are in order on the arrival of the first boy this year in Rosedale.

Mr. and Mrs. Lloyd B. Huron and all the little Hurons are "Down Kokomo" way visiting grandpere and granmère Huron.

If any of you Gardenites are eligible for membership in a Fellowship Club will you get in touch with Will Hodson, Jr., or your neighbor who may know of it, or maybe Johnnie Walker.

Without vociferating, or something, how did them there red cans come to be? We know some words of "Volapuk" that some folks have used in describing how beautiful they look, as well as thoughts in the matter. We had an opinion the whole thing was settled, but they appear again, just like dandelions on our front lawns—except color. Gosh! Gee! Wow!

In some quarters the mumps and chicken-poxes are still mumping and poxing, so little folks beware!

The sunp thesaurus because a new robe of white, guess because it wants to be emulating the June brides in dress as well as—gee!

Walter Stevenson farrived with us a few days, having had "leave" from hospital. We are glad to see the ole dear, and hope you soon are well again.

A number of the youngsters are going in for a little ornithology; and great is the opportunity, as our environs abound with every known species, or varieties, of our feathery friends habit of lower Michigan, at the summer periods.

Eleanor Straehle has a few nice kittens for adoption. A kitten or two in place of so many doggies will keep the inevitable field mice further away.

Now that the "month of brides" is here, Rosedale is trying its best to be popular with the happy couples, and many of our roses are in bloom, and the orange blossoms along Berwick avenue are in all their glory.

We know a young feller quite susilaminous, who thinks the baby buggy parade should not take place on our side walks. We are not suffering from any pusillanimity when we tell that just he is of the type that the street would not be half big enough for him

If he had a baby in a buggy to push! Hehaw!

Tomorrow is the day they give cookies away at "R" new emporium's (plural)—cookies and tea cream and everything else for the Gardenites. And also now milady lolly pop may erer her boy friend for a soda and a lo of candy or something as in days of yore. Turn on the radio, Cal, ole top. Nites and Sundays, however, "R" grocery department will be closed for traffic. Safeguarding the portal, tunnel or whatever you may call it, is a substantial envelope from gateway. This latter same was not purloined, or some such thing, from one of our new "iftis" in the village to the southwest, but was built to order for the purpose which it is used.

Those on the inside of the secret have sampled the ice cream sodas and pronounced the "simply nectarous," and hope you will the same, and as a caution of true temperance we suggest you all take in another hole in your belts as a sorta palladium before your arrival for some sed soda creams or Vitamin "Bs."

Wilmer, the new decorator's apprentice just upset a pot of walnut stain on a freshly sanded maple kitchen floor—sed Gus, "and they hang little innocent things like wallpaper!" Which all goes to prove why Wilmer worked all day Sunday at sandpapering, ceitra.

Mr. and Mrs. C. M. Devoe have leased the Walter Stevenson home, 8816 Midrose avenue, and have already moved in and are enjoying the neighborhood.

There appears to be certain young men who think our streets are Indianapolis speedways, and after many warnings, soon "forget." Let all get together and just hang one of them to a sour apple tree as an example to others of the same speedomaniac club. We all have babies and kiddies to watch over, and it would be best to be late for a date a thousand times than sorry just once. So look out, speeding! Go slow hereafter.

## "Konjola Saved My Life," Says Detroit Lady

Nervousness And Constipation of Years Standing Yield To New Medicine—Four Bottles Bring Health.

MRS. MARGARET HAYNES

"Konjola saved my life," said Mrs. Margaret Haynes, 2734 Fourth street, Detroit. "I was a nervous wreck, so nervous that I could not bear to be in the company of my own family. I frequently left the table at mealtime in order to be away from everyone and everything. I was unable to eat and became terribly run down and was losing weight rapidly. No matter what I tried nothing relieved me until I took Konjola."

"Before I took this medicine I was terribly constipated. I was listless, sleepy and unable to do my work properly. This had been going on over a period of fifteen years. I had taken four bottles of Konjola and today my nerves are in much better shape. I have an excellent appetite and am free from the misery of constipation. I cannot say enough in praise of Konjola and I have all my friends taking it."

When given a real trial over a period of from six to eight weeks, Konjola has made a record that would often challenge belief were the actual fact not known and verified.

Konjola is sold in Plymouth at the Community Pharmacy and by all the best druggists in all towns throughout this entire section.

### COMMISSIONER'S NOTICE NO. 160758

In the matter of the estate of CYNTHIA A. ALLEN, deceased.

I, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioner to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that I will meet at the Plymouth United Savings Bank, in Plymouth, in said County, on Saturday, the 19th day of July, A. D. 1930, and on Friday, the 19th day of September, A. D. 1930, at 10:00 A. M. on each of said days, for the purpose of examining and allowing said claims, and that four months from the 19th day of May, A. D. 1930, were allowed by said Court for creditors to present their claims to me for examination and allowance.

Dated May 19th, 1930.

CHARLES A. FISHER, Commissioner.

## We Are Building an Institution in Radio

At the General Motors Radio Corporation we have laid the foundation of a permanent, progressive business—and on this groundwork we are already raising the structure of an institution with ideals and ambitions quite different from those the radio industry has known. The men who represent us to you—our dealers—have met requirements which establish them, beyond doubt, as trustworthy, reputable merchants. Our product is distinctive in its design, in its appearance and in the way it performs. It reflects, we believe, the extraordinary value that our resources and our experience and our manufacturing abilities help us to create. We want you to prefer this product... and to base your preference as much on your confidence in the dealer who sells it and in us who make it, as on your appraisal of the product itself.

The General Motors Radio Corporation has entered the radio field providing more for you as a radio buyer than had previously been offered. Some of the ablest engineers in the radio industry have designed a chassis capable of truly exceptional performance. The Tone Selector gives you actual mastery of tone, with the turn of a knob. General Motors' vast experience in precision methods has created for you, at a moderate price, a product of exceptionally high quality—and one that is dependable and lasting.

The same consideration for the buyer is evident in our policy regarding cabinets. In appearance, the models of the new General Motors Radio are admirable adaptations of authentic period furniture. And in order that you may consider them as permanent posses-

sions—as you would any example of fine cabinetwork—we shall design any future chassis or speaker so that it may be installed in these present cabinets, and you can always enjoy the latest thing in radio at the lowest possible cost.

We have developed these fine instruments... established a reputable, responsible organization of exclusive dealers... instituted national service... pledged ourselves to progressive manufacturing policies and conservative business principles—all, that you may find in radio the same assurance of value, of permanence and of fair-dealing that "Product of General Motors" has come to mean in other fields.

We ask you to judge the sincerity of our purpose and the value of our product by calling on the authorized General Motors Radio dealer in your community. His name appears below.

Circus Days Are Here Again

The circus has come to town! It came Wednesday night in the form of the annual Junior-Senior banquet.

The lion tamer came next (for you know "music bath charms to soothe"), under which title Herbert Saylor played a piece on his saxophone.

Honor Roll For Third Marking Period

- 7th Grade Honor Roll: Fishlock, Doris, 3 As, 4 Bs. Koenig, Duane, 3 As, 4 Bs. Towle, Vivian, 4 As, 4 Bs.

P. H. S. Furnished Music For Memorial Day Program

A very fine program was given at the Pennington Allen Theatre, last Friday, in which a number of high school students took part in representing the music department.

At the close of the program a parade was formed in which the High School Band acted as escort. The band has made marvelous improvement during this last year.

Home Economics Projects

The following girls enrolled: Mae Kramer—Fine Art Needlework. Grace Kramer—Preparation of quick breads.

Mothers and Daughters Will Meet Today

All girls who are interested in any project are invited to attend a meeting with their mothers today, at four o'clock.

Calendar

- June 6.—State Golf Tournament. June 6.—Friday, Baseball, Ann Arbor. June 11.—Wednesday, Tennis, Grosse Pointe.

Class Baseball

With the season half over, the freshmen are leading the classes in the class baseball tournament at the high school.

Table with columns: Team No., Won, Lost, Pct., Total Runs.

Girl Reserve Officials Have Dinner Party

The Girl Reserve advisors, officers, and cabinet had a last reunion, Tuesday, May 27, at 6:30 at the home of their president, Mary Haskell.

Plymouth Continues Her Winning Streak

This victory adds much to Plymouth's percentage and also to Postiff's, the pitcher. One defeat in three games is his record, while Ferguson has one victory and two set-backs.

When Ellwood was removed for Clayton in the sixth, Plymouth failed to get any hits. He depended on a fast ball. Both pitchers were right-handed.

Starkweather School Notes

In Miss Sundberg's kindergarten class the children began studying various animals. To make them as interesting as possible, Miss Sundberg made a circus border.

Juniors Still Leading In Girls' Baseball

The freshmen still have three games to play, and the juniors one game, and then baseball will be over for this season.

Table with columns: Team, Runs, Hits, Errors.

Diabetes

Diet in diabetes being very important, every case should have this scientific diet system, finest ever formulated, used by physicians.

Lessons In Readings

Cards, tea cups, crystal, astrology, phrenology, metaphysical and consultation and

healing

Plymouth Takes Fifth In The Golf Regional

The high school golf team took fifth place in the regional meet held at the Lockpaine golf course, which is just outside of Ann Arbor, on Saturday, May 31.

Table with columns: Par, Out, Score.

Girls' Track Starting Soon

Any eligible freshman, sophomore, junior and senior girl may take part in the preliminary track meet this week.

Robert Wenzel has returned to school after a brief absence. Reviews are being given in all classes. The children are counting the days until the close of school.

Central Notes

In the kindergarten A class those who can count to 50 are Rita Schlaf, Helen Gallatos and Arthur Blum.

Latest Tennis Flashes

Plymouth wins second in regional, also two more matches. By defeating some of the best high school tennis players in this part of the state and losing to others, Plymouth High School racquet wielders were able to place second in the Class A and B Regional Tennis Tourney held at Ypsilanti, last Saturday.

Assembly

Mr. Emens opened the assembly with the following announcements: Freshman Declaration contest here June 4, in the auditorium at 4:00 p. m.

Those who will represent music are Marguerite Wood, Ted Baughn, Mary Hazel Rathburn, Russell Wallace and Marguerite Wood are the choice for drama.

Here's some good advice on golf

It's this—fill your bag with matched clubs, as quickly as possible. We sell them in sets or one at a time.

We suggest SPALDING'S. For Spalding originated matched clubs. And Spalding patents cover the fine points.

Spalding Kro-Flite Related Irons are the same in pitch, lie and swinging weight—so that an entire set asks you to master only one swing. \$6.50 each.

Kro-Flite Irons in Registered Sets. Set of 6, \$50—of 9, \$75.

Spalding Symetric Irons are made to the same idea. \$3.50 each. The 5 essential irons only \$17.50.

We have everything you need for golf, at prices that don't make it the "rich man's game"

Stanley Chambers was a dinner guest of Mr. and Mrs. Fred Hollaway in Detroit, last week Wednesday evening.

The Ladies' Aid Society of Livonia Center Evangelical Lutheran church will postpone their June meeting until July.

The Washtenaw County Rabbit and Cavy Breeders Association will meet June 12th, at 8:00 p. m., at 19 N. Adams St., Ypsilanti.

V. E. Hill of Dexter, and Miss Josephine Smith of Pluckney were married at Dexter, May 29, and will make their future home in Plymouth.

Born, to Mr. and Mrs. Roy Proctor, on Tuesday, May 27, a daughter, Nancy Lou. Mrs. Proctor was formerly Miss Ruth Waterman.

During the summer months, Miss Nellie Beatrice Huger will devote a part of her time in teaching music here in Plymouth and in Detroit.

L. H. Hollaway and wife motored to Eaton Rapids after memorial services in Plymouth, returning Saturday, after driving 150 miles mostly on M-49.

Mr. and Mrs. Merle Borabacher and children, Velda and Gerald Gene, were week-end and over Sunday guests of Mr. and Mrs. Ford Becker, at Pittsford.

Mr. and Mrs. Frank Westfall were week-end and over Sunday guests of the latter's sister and husband, Mr. and Mrs. George Maynard at Williamston.

Born, to Mr. and Mrs. Martin Mix of Detroit, a daughter, Tuesday, May 27. Mrs. Mix was formerly Miss Marie Rheiner, daughter of Mrs. Rosa Rheiner of this place.

Mrs. Ella J. Mahen of Forrest City, Iowa, arrived last Saturday for an indefinite visit with her son and wife, Mr. and Mrs. Clare Mahen at the Hotel Mayflower.

Mr. and Mrs. Morris Schmidt and Paul, also Mrs. Schmidt's mother of Toledo, and Gerald Simmons, Florence Schmidt, Norman Aetehinson and Ruth Melow spent the week-end at Niagara Falls.

Mr. and Mrs. Frank Hokenson, Mr. and Mrs. James Smith and daughter, Pearl, drove to Niagara Falls, Decoration Day, and returned Sunday. The trip and the glorious sights were much enjoyed.

Glenn Matevia and Miss Dorothy Langley of Detroit, and Clyde Matevia and Miss Marion Birch of this place, were six o'clock dinner guests of Mr. and Mrs. Frank Westfall last Friday evening.

Mr. and Mrs. Alfred Bakewell and daughter, Alice and two sons, Elmer and Wesley, motored to Brantford, Ontario, Niagara Falls, and Buffalo, New York, last week-end where they visited relatives.

Mr. and Mrs. Glen Allen and family of Pontiac; Miss Jennie Healden of Dearborn, Miss Lee Dier of Detroit, and Mr. and Mrs. Guy Simmons of Northville, were guests of Mr. and Mrs. Charlie Simmons on Decoration Day.

Mr. and Mrs. F. J. Slaton who have been the guests of the latter's sisters, Mrs. Frank Balden of Northville, and Mrs. Frank Dunn of this place, for a week, left Saturday for Adrian, where they spent a few days before leaving for their home in Brooklyn, N. Y.

The Holy City Cantata by Gaul will be presented by the chorus choir of the Highland Park Congregational church next Sunday evening, under the direction of Miss Nellie Beatrice Huger. An orchestra of seventy pieces from the Highland Park High School will present a program of instrumental music. The Junior carolers also will sing.

Mr. and Mrs. Allan Horton and three sons left Wednesday morning for Bradford, Mass., where they will attend the commencement exercises of Bradford Academy, of which institution their daughter and sister, Miss Barbara Horton, is a member of the graduating class. They will make a tour of the New England states before they return home.

Mr. and Mrs. Harry Minthorn of Holbrook Ave. were given a very pleasant surprise Friday, May 29th, when twenty-two relatives and friends from Detroit came to help them celebrate their silver wedding anniversary. They came with well filled baskets and also left several presents of silver to remind them of the occasion. They left wishing Mr. and Mrs. Minthorn many more happy years together.

**BOARD OF REVIEW MEETING**  
The Board of Review for the township of Livonia will meet at the Town Hall, corner of Farmington and Five-Mile roads, on Monday, June 9, 1930, and Tuesday, June 10, 1930, for the purpose of reviewing the assessments of the township. Property owners who desire to examine their assessments may do so on these dates. Board will be in session from 9:00 a. m. to 4:30 p. m. of each date.  
JESSE ZIEGLER, Supervisor.

Mr. and Mrs. Floyd Smith and children and David Smith spent the week-end at LaPeer.

Mrs. Alvina Howell entertained her sister, Miss Ada Earle of Detroit, over Decoration Day.

F. W. Samsen visited his son, R. G. Samsen and family at Willoughby, Ohio, last week-end.

Finding the "Ceiling" for Pilots

This man is operating the ceiling indicator in order to supply pilots on the San Francisco-Omaha-Chicago route with important flying information.

Municipal Notes

BY THE MANAGER

Street signs—can anything be done to curb their apparent wanton destruction where they have been placed for the benefit of the public during recent months? Upon a number of our street corners new, fresh street signs, erected during recent months, have been torn down or defaced, for no apparent reason whatever.

Plymouth Honors Soldier Dead

Continued from page one

ed in by the following groups and organizations in order: Plymouth High School Band, G. A. R., Ex-Service Men's Club, American Legion Colors and Color Guards, Civil War Veterans in cars, W. R. Corps and Gold Star Mothers, in cars, Ex-Service Men's Club, Firing Squad and members, Jeeps, Post American Legion, Women Post American Legion of Northville, Ladies' Auxiliary, E. S. M. C., Plymouth Troops, Rosedale Troops, Newburg Troops, Garden City Troops, Boy Scouts, Plymouth Fire Department and Plymouth Police Department.

At the bridge just before entering Riverside Cemetery, Marshall Harry Brown halted the column and the Plymouth Club Firing Squad fired a volley over the waters, while two children dropped a wreath of flowers in memory of those of our country's soldiers who gave up their lives upon the sea.

At the cemetery the Firing Squad fired the volleys of rifle fire and taps were blown over all the graves of our soldier dead. Rev. F. Lendrum then invoked the blessing of the Father, after which comrades placed a joint and flag on the grave of every soldier in Riverside, Newburg, Cherry Hill, Lapham's Corners, Geer and other smaller burying plots.

You were there! We felt the unseen presence

As we bowed in reverence with the man of God.

You were there! Our children and our speakers sensed

A spirit risen, unfettered from the sod

That held the mortal clay.

All creeds are we, all forms and shades of life

Are ours, save only this: we know Thou art immortal in our memories,

and

To your deeds of valor our heads we bow.

This is above all your day.

LOCAL NEWS

Walter Bookwith is quite ill at his home on Mill St.

Rev. Donald W. Riley underwent an operation at Harper hospital, Thursday.

Mr. and Mrs. Coello Hamilton are spending the week at their cottage at Black Lake.

Mr. and Mrs. D. G. Ery and son, David, of Canton, Ohio, spent Decoration Day and the week-end with Mr. and Mrs. Leon Huston.

About twenty relatives and friends of J. B. Pettigill from Plymouth, Wayne and Dearborn, gathered at Phoenix Park last Wednesday afternoon, honoring Mr. Pettigill on his birthday. A picnic dinner was enjoyed.

Mrs. George Springer and Mrs. Harvey Springer of this place, and Mrs. Nettie Stewart of Peru, Indiana, attended the funeral in Detroit, Thursday, of their cousins, Tom H. Hetherington and his wife, Louise B. Hetherington.

Mr. and Mrs. Charles O. Ball and son, Charles, Jr., were guests of Dr. and Mrs. H. E. Thomsen at Mt. Pleasant, Memorial Day. At a golf tournament held at the Mt. Pleasant golf course, Charles, Jr., won second place with the score of 84; the winner of first place having a score of 83.

Kill Devil Hill Anchored for Memorial to Wright

Norfolk, Va.—Kill Devil hill, a rambling mountain of sand ninety-seven feet high, covering twenty-six acres, from which the Wright brothers on December 17, 1903, made the first flight with a motor-driven airplane, finally has been chained down by government engineers to allow erection of a monument and establishment of a government reservation of 500 acres, which will include the hill and a modern airport.

Driven by northwest winds, the hill has moved 500 feet in the last quarter century from its position when the Wrights used it. In the last 250 years the hill has submerged small fishing towns and small forests in its march toward Kittyhawk bay.

Capt. John A. Gilman, constructing United States quartermaster, was given the task of halting down the hill. He placed a strip of wood 9000 feet long, two inches deep and 300 feet wide, around the base of the hill. Fourteen acres were then sown with rye, wild grass and other hardy seed. With the loose sand protected from the wind the hill remained where it was.

The proposed Wright memorial will be fifty-five to eighty-five feet high and will cost \$28,000. A government reservation of 500 acres will be utilized as an airport.

PROBATE NOTICE

STATE OF MICHIGAN, County of Wayne, ss. At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the third day of June in the year one thousand nine hundred and thirty.

Present, ERVIN R. PALMER, Judge of Probate.

In the Matter of the Estate of FREDERICK GRISSEL, deceased.

An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this Court for probate.

It is ordered, That the third day of July, next at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument.

And it is further Ordered, That a copy of this order be published three successive weeks previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

(A true copy) ERVIN R. PALMER, Judge of Probate. Theodore J. Brown, Deputy Probate Register. 2943c

PROBATE NOTICE

STATE OF MICHIGAN, County of Wayne, ss. At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the third day of June in the year one thousand nine hundred and thirty.

Present, ERVIN R. PALMER, Judge of Probate.

In the Matter of the Estate of HOWARD WAGENSCHUTZ, deceased.

On reading and filing the petition of Charles Wagenschutz, praying that administration of said estate be granted to himself as some other suitable person:

It is ordered, That the third day of July, next at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published three successive weeks previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

AIR TRANSPORT IN DOMINION IS HEAVY

Used by Timber, Mining and Fur Industries.

Chicago.—Dispatches from Edmonton, Alta., telling of the opening of a new line from Fort McMurray, a few miles from that city, to Aklavik, 1,500 miles north on the Arctic ocean, call attention to the advances made in air transport in the Dominion in the last few years.

Canada is now, with the exception of a few miles along the northwest border, connected from ocean to ocean and also interlaced from north to south by air lines that tap every great lumbering, fur, fishing and mining center.

One of the features of the air passenger service there that surprises operators in the United States is that the lines are paying expenses and that the travel, although not in all instances as heavy as here, is substantial in spite of much higher rates prevailing.

Miners Want Speed.

The secret of the success of the Canadian lines lies in their utility in a country almost devoid of railroads in many parts and traversed at all seasons of the year by mining and lumbering executives and engineers, amply financed from London and New York and desirous of traveling speedily regardless of cost. The charter business is particularly good in the wilds, where, were mauling and canoe transportation resorted to, weeks would be consumed in trips that now occupy only hours.

Planes on most of the lines are equipped with pontoons in the summer months and skids in the long winter. There are only a few weeks in which planes cannot be used either on the ice or the water, these times being the spring thaws, when the ice is too soft for skids and not sufficient, if cleared out of the lakes to permit the safe use of pontoons.

Through the energy of promoters it is now possible to take a plane in Magdalen Island, at the extreme tip of Nova Scotia, and travel to Montreal, Toronto and Detroit. There is little schedule development directly north of Lakes Huron and Superior, except individual operations and charter services to fur-trading posts and to mining camps.

Line to Far North.

From Winnipeg lines radiate to Chesterfield Inlet, far up along Hudson bay in the northwest territories. Churchill, the new grain port on Hudson bay, is on this far northern line. Simpson, Fort Rae, Fort Reliance and other centers are also reached by routes out of Edmonton and Winnipeg. Few landing fields exist and the lakes are used almost exclusively. Gas and food caches have been placed at convenient intervals throughout the entire country traversed by lines and pilots fly in subzero temperatures with comfort in insulated cabins.

Georgia Tech, Georgia and Florida universities have agreed to number their football players both on their backs and on their chests for the 1930 season.

In the 41 intercollegiate championships that have been held since 1888, when T. G. Shearman, Jr., of Yale, won the pole vault, Eli athletes have won or tied for victory in that event on 24 occasions.

What Plymouth needs is a few less people trying to tell us what we need.

SPECIAL NOTICE

The increase in the number of customers in this community and the surrounding territory necessitates a re-arrangement of our meter reading dates and in some localities a change in the date when electric bills regularly fall due. Your first bill on this new schedule will be delayed from two to three weeks to affect this change.

We trust this change will not seriously inconvenience you.
