

LIGHT VOTE AT ANNUAL SCHOOL ELECTION; CREATE BUILDING-SITE FUND

SEVERAL BUSINESS PLACES ROBBED MONDAY MORNING

THEEVES GET OVER THREE HUNDRED DOLLARS AND AUTO-MOBILE.

Sometime in the early hours of Monday morning several places in the Hotel Mayflower building were robbed of sums of money. The cash register of the hotel netted the thieves \$100.00, while the cash register in the Hotel Mayflower food department, operated by William Matthews, was touched for \$30.00. A watch owned by Mr. Matthews was also stolen from the kitchen. At the Mayflower Drug Co. the thieves got \$270 for their efforts.

Local Telephone Manager Talks To Kiwanis Club

The club listened to a fine talk by one of its own members, Roy E. Crowe, at the Mayflower last Tuesday. His subject was "Television," one of the many new discoveries that the Bell Telephone Laboratories are working to perfect so they can be brought into practical use. He started with a description of the human eye, its mechanism, functions and limitations, and explained how by the use of the telescope the eye can overcome to some degree the limitation of distance. The telescope is also limited as to distance, so something else is required to view the distant scene and transmit its observations to the brain of the distant observer. He went on to describe the development of the Electric Eye which does the looking for us and how the picture is transmitted to us. It seems very likely in the not distant future that we can answer our telephone and see the person to whom we are talking.

State Appropriates \$1,600,000 For Roads In Wayne County

In addition to the large mileage of concrete roads, grade separations and bridges planned by the Wayne County Road Commission for 1930, the State Highway Department has appropriated approximately \$1,600,000.00 for similar activities in Wayne County, stated Road Commissioner Edward N. Hines, yesterday.

Plan Get-Together For Friday, June 20

In making plans for the alumni banquet program, the committee has tried to arrange one which would permit classmates to have the largest amount of time to devote to good old time chats. Two short talks have been arranged for and the committee desire to announce at this time that they have been successful in securing a very capable toastmistress, two local speakers of real ability, who have forewarned us that their talks would not take over fifteen minutes, and our good friend and song leader, Carlin Whipple, has agreed to lead some group singing. Two other special numbers have been added which will add to the spice and interest of the program.

Northville Plans For Two-Day Celebration

Plans are rapidly being perfected for the American Legion two-day Fourth of July celebration that is to be held in Northville, July 4th and 5th. Marvin Sloan, long in charge of the trotting races for the Northville Wayne County Fair association, has been selected by the Legion to take charge of the trotting races which will feature both the Friday and Saturday programs.

Death Takes Fred Grissel

Fred Grissel died at his home in Plymouth, May 25, 1930, at the age of 75 years, six months and ten days. He was born in Canton township, Wayne County, Michigan, on November 15, 1854. He was the eldest son of Frederick and Sibilla Grissel. On December 24, 1881, he was united in marriage to Miss Adella Brown, who departed this life, ten years ago, June 23.

Store Opening At Rosedale Gardens

McKinney & Hoffman announce the opening of their super-store at Rosedale Gardens, Saturday, June 14th. They have moved into the double store just west of their former location on the Plymouth road. They carry a large stock of groceries and meats, and have a complete drug store. They are offering some special bargains for opening day. Souvenirs for everyone. See their ad in today's Mail.

Salem Farmers Club Held Interesting Meeting

The Salem Farmers' Club met at the pleasant home of Mr. and Mrs. Burt Nelson, on Wednesday evening, June 4. The 4-H club members or the Salem Junior Farmers' Club members as they are also called, also met with them and gave the program. There were 114 present to enjoy the evening, the excellent program that was given, and also the fine refreshments that were served.

An Auto Accident

An automobile accident occurred on the Golden road near Newburg, Sunday night at about 11:30 o'clock, when an auto driven by Bennie Oosterbaan and John A. Renner as a passenger, both of Ann Arbor, collided head-on with a car driven by Albert Dull of Detroit. Both Oosterbaan and Renner received cuts on the forehead while Mr. Dull escaped injury. Both cars were badly wrecked. Oosterbaan is the famous football player of the University of Michigan.

D. A. R. To Meet

The next regular meeting of the Sarah Ann Cochran Chapter will be held at 2:30 o'clock, June 16th, at the home of Mrs. Tracy McMurtree, Wayne, Michigan.

Will Hold Dental Clinic At Garden City

The children's fund of Michigan, an organization founded by Senator Couzens's gift of ten million dollars, to promote the welfare of the children of Michigan, is opening a dental clinic in Garden City this week, to care for the children of Rural Wayne County. Garden City is at Middle Belt and Ford roads. Dr. J. L. Olaver of Plymouth, is a member of the Dental advisory committee formed to assume responsibility for carrying on the clinic and to cooperate with Miss Georgina Reed, head county school nurse, in arranging transportation to and from the clinic, and other matters of its operation. Dr. H. I. Miller will be in charge of the clinic at Garden City. According to Dr. Miller the fund will give dental examination and cleaning to all children, but will do fillings and other corrective work only for children who could not otherwise afford dental care. (This is the 24th county clinic to be established in Michigan.)

Gas Company Manager Resigns

H. K. Wrench, who has been manager of the local office of the Michigan Federated Utilities and also district manager, has resigned his position with that corporation. C. W. Hauser, who was formerly assistant manager will take Mr. Wrench's place as manager of the local office, while E. A. Anzley of Muncie, Indiana, will be the new district manager. Mr. Wrench will spend the summer months at his lake cottage in northern Michigan, and expects to remove from Plymouth next fall. During the four years that Mr. Wrench has had charge of the local gas plant, the sales have increased 1,000 percent. When he took over the management, there were 1,000 meters in operation, and today there are 3,000. Under his supervision, the plant has given splendid service that has been appreciated by the patrons. Harry has always taken a keen interest in the progress of Plymouth, president of the Chamber of Commerce, and his many friends will be sorry to learn of his decision to leave Plymouth.

NAME 1930-31 TEACHING STAFF FOR LOCAL PUBLIC SCHOOLS

The following is the teaching staff of the Plymouth public schools for the next school year, which begins next September: George A. Smith, Superintendent; HIGH SCHOOL John R. Emus—Principal; Ethna M. Allen—Assistant principal and English; Gertrude Fiegel—History; Elman Winkelman—English and Public Speaking; Neva Nye—French and Latin; Claude J. Dykhouse—Science and Band; Carvel Bentley—Science; Helen Wells—Mathematics; Avena Crumble—Mathematics; Jason Day—Commercial; Ursula Cary—Commercial; Hawley C. Cobb—Civics and Vocations; Delight H. Berg—History; Helen Stevens—English; Marjorie Perkins—English; Vivian Smith—Mathematics; Helen Moorhead—Arithmetic, Reading and Spelling; Winnifred Ford—Dramatics, History and Biology; Alice Cadaret—English and History; Delight H. Berg—History; Blanche Adcock—History and Geography; Christine Gray—Geography and Home Economics; Mary L. Cooper—Drawing; Gladys Schrader—Music; Thelma E. Dykhouse—Home Economics; Theodore Carr—Manual Training; Kenneth Matheson—Physical Training; Luella Mae Kees—Physical Training; CENTRAL GRADE SCHOOL Nellie E. Bird, Principal; Gertrude Willmore—Kindergarten; Anna B. Root—First Grade; Marie Mitchell—First Grade; Dorothy Welman—Second Grade; Marie Weatherhead—Third Grade; Jessie Dixon—Third Grade; Carol D. Field—Fourth Grade; Nellie Holliday—Fourth Grade; Florence Holt—Fifth Grade; Eunice Fenner—Sixth Grade; Mae Halaban—Sixth Grade; STARKWEATHER GRADE SCHOOL Florence Wilcox—Kindergarten; Margaret Stucker—First Grade; Florence E. Stader—Second Grade; Hazel E. Wilcox—Third Grade; Ruth Parmelee—Fourth Grade; Clella Moles—Fifth Grade; Eleanor Thompson—Fifth and Sixth Grade; Adella Lee—Sixth Grade.

Summary of The Village 1930 Budget

Following is a summary of the 1930 budget of the Village of Plymouth as adopted by the commission at its regular meeting held last week: FUND APPROPRIATION General \$26,945.96 General Bonds and Interest 18,512.25 Highway 14,675.00 Sewers and Sewage Disposal 6,000.00 Street Lighting 13,300.00 Police 8,200.00 Fire 3,425.00 Sp. Assessment Sinking Fund 6,250.00 Total \$97,308.11

Local Kiwanians Put On Program

A number of the local club motored to Chelsea for a dinner at 6:15 Monday night. Lieutenant-Governor Robert J. Joffe gave a talk on Kiwanis duties as applied to reforestation and the general activities of the club. President Fred Lendrum gave a short talk on his experience as U. S. Vice-Consul in Mexico.

Big Shipment of New Shoes

Willoughby Bros have just received what is probably the largest single shipment of shoes ever received in Plymouth. Over six hundred pairs of the popular Enna Jettick make of shoes for women are now being placed upon the shelves of the Willoughby store. These shoes combine all the latest styles and colors from a quadruple E to a quadruple A. In certainly is a splendid showing of footwear.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Albert B. Schroder announce the engagement of their daughter, Marion Anna, to Herbert Ellis, of Redford. The wedding will be an event of late summer.

Father's Day, June Fifteenth

Next Sunday, the country over, will be observed as Father's Day, and on this occasion the head of the house will be honored in the home and in the church, over the radio and on the stage. Women folk will give toasts for him and thousands will wear flowers in his honor. It's going to be a great day for dad.

Former Citizen Dies

Porter Trucks, formerly of this place, passed away at his home in Baldwin, Michigan, Monday evening, June 9th, after ailing in health for two years. He is survived by five sons: Ray of Baldwin, Glen of Detroit, Fred of Flint, Kenneth of Port Huron, and Max of this place, and several grandchildren. Funeral services were held Thursday at the Riverside cemetery, where interment was made. Rev. E. Hoenecke officiated.

Reddeman-Krauter

St Peter's Lutheran church was the scene of a quiet wedding Wednesday evening, June 11, at six o'clock, when Elsie M. Krauter, daughter of Mr. and Mrs. Christ Krauter of Plymouth, became the bride of Floyd L. Reddeman, son of Mr. and Mrs. William Reddeman, also of Plymouth. Rev. Hoenecke performed the ceremony. Attending the bridal couple were Irene Krauter, sister of the bride, and Elmer Reddeman, brother of the groom. The bride chose for her wedding a gown of white chiffon with a veil of white net, and carried a shower bouquet of white roses and lilies of the valley. The maid of honor wore coral chiffon and carried pink roses. After the ceremony, dinner was served to the immediate families at the home of the bride's parents. Following a trip to central New York, Niagara and Vermont, Mr. and Mrs. Reddeman will be at home on Blunk Avenue, Plymouth.

RURAL SCHOOLS GRADUATE 298

COMMENCEMENT AND FIELD DAY IS HELD AT TRENTON.

Diplomas were presented to 298 eighth grade graduates of Wayne County rural schools at their seventh annual commencement and field day at Elizabeth Park, Trenton, Friday. Self-reliance was urged on the graduates by the commencement speaker, Dr. H. Clyde Ford, of Michigan State Normal College, Ypsilanti. Ebor W. Yost, county commissioner of schools, was chairman of the program and Fred C. Fischer, deputy commissioner, presented the diplomas. Health awards were also distributed, badges being given to the pupils on points of correct weight, correct posture, care of teeth and immunization against smallpox and diphtheria. Georgina J. Reed, Lorena J. Murray and Marjorie Carr, school nurses, presented the health awards.

Plan Get-Together For Friday, June 20

The following is the teaching staff of the Plymouth public schools for the next school year, which begins next September: George A. Smith, Superintendent; HIGH SCHOOL John R. Emus—Principal; Ethna M. Allen—Assistant principal and English; Gertrude Fiegel—History; Elman Winkelman—English and Public Speaking; Neva Nye—French and Latin; Claude J. James Gallimore and Russell Roe Elected Trustees For Three Years

Only 130 taxpayers of School District No. 1, Fr., took the opportunity to cast their ballots at the annual school election held last Monday. The following is the vote given each candidate for Member of Board of Education for a term of three years: James Gallimore—47; Esther Hillman—59; Glenn M. Jewell—52; Russell Roe—76.

Will Present Trumpet Solo

Blanche Weaver of the Detroit Conservatory of Music, Detroit, will present Charles B. Duryee in a trumpet recital, Saturday evening, June 14, at 8:15 o'clock, at the Young Women's Christian Association auditorium, Withheld St., corner Montclair, Detroit. Mr. Duryee will be assisted by Rose Burdick Kulitz, soprano; Harland Stricker, violinist; Edna Burger and Dorothy Green, accompanists. A very cordial invitation is extended to each and every person.

Greatest Musical Event of Season June 18, 19, 20

OLYMPIA IS BEING REMODELED TO ACCOMMODATE MAMMOTH AGGREGATION OF TALENT.

FIRST ANNUAL 4-H CAMP

The Boys and Girls 4-H Clubs of Wayne County are having their first annual 4-H Camp June 22-28 at Camp Popponoon, ten miles south of Flint. Any boy or girl from the ages of 10 to 20 who has completed a winter project of clothing, handicraft, and hot lunch, or is taking a summer project of gardening, nature study or canning is eligible to attend. The cost of the camp will be \$1.00 for registration and \$1.00 per day for food, making a total of \$6.00—transportation will be furnished. For further information, correspond with Margaret Eckhardt, County Club Agent, 126 W. Michigan Ave., Office 303 Dearborn Bldg.

Death Takes Young Mother

The friends and relatives in Plymouth of Mrs. Stanley Simmons were greatly shocked and grieved to hear of her sudden death last Thursday morning in Sessions Hospital at Northville. Mrs. Simmons had not been very well for about a year, but the seriousness of her trouble was not realized until she was brought from her home in Chicago, two weeks ago to her parents' home in Detroit, from where she was taken two days later to the hospital and operated on for appendicitis, Tuesday, May 27. She apparently gained rapidly for a week and hopes were held for a permanent recovery, but on Wednesday morning, June 4, there was a sudden change for the worse from which she did not rally.

Guests at Redford

Mrs. Leroy Naylor and Mrs. Charles O. Ball were guests of the Redford League of Women Voters at a luncheon meeting at the Western Golf and Country club on Friday, June 6. Charles Boyd, of the Detroit Board of Commerce gave a talk on "The St. Lawrence Waterway." Mrs. Jennie Osborn, of the Detroit Board of Education spoke on the Detroit school problems, and Mrs. Beth Fay Adams gave a brief talk on "Wayne County's Horse and Buggy Government." This was a final meeting of the Redford League until September.

Former Plymouth Boy Dies Friday

Funeral services for G. D. Eaton, author and editor of Plain Talk magazine, who died Friday in St. Mark's Hospital in New York, were held at 8:00 p. m. Monday in the home of his mother, Mrs. Horace Day, 14911 Woodmont avenue, Detroit. Burial was in Grand Lawn Cemetery.

Important Notice

Display spaces for Plymouth's first Home Complete Exposition will be placed on sale at the Chamber of Commerce office beginning promptly at 9:00 o'clock, next Monday morning, June 16th.

CARELESS DRIVING

No longer can we blame the truck driver, or the pedestrian, or thoughtless youngster, or even the railroads for the great increase of fatalities due to automobile accidents. For last year, the National Safety Council finds, the 10 per cent increase of such deaths in 1929 were due for the greater part to our own careless driving.

This conclusion was made after a thorough survey of all states and a study of the accident statistics of the country. It is a sad reflection on us who had all this time been complaining of jay-walking pedestrians, of playful children and of unguarded railroad crossings. It leaves us without an alibi for our own disregard of the same rules of driving.

Speed, say the highway authorities of many cities and states, is the chief cause of our major accidents today. Others lay the fatalities to the mixture of intoxication and speed. Still others blame the accidents on inadequate enforcement.

Whatever the cause, however it is the driver who is to blame for the increase of auto fatalities in this country. It is the man who weaves in and out through heavy traffic, who cuts corners to the left, who spurts ahead before the light has turned green, who stops short quickly, who disregards all but himself—it is this driver who is to blame for our street accidents.

Let us be more careful, more considerate, and we shall avoid having a gruesome accident toll upon our heads.—Akron (O.) Times.

—O—O—

"WORK AT HOME" FAKES

Organizations throughout the country known as Better Business Bureaus, and there are branches in every city, are striving hard to weed out the fake "want ad" promoters now reaping a rich harvest through mail order papers. The government can't stamp out all of them so these bureaus are lending a helping hand. They are giving particular attention to the little ads that promise women easy money for work done at home. They find that in almost every instance the woman is asked to pay for an "outfit" with which to do the work, the cost of which is more than she will ever be able to get for whatever work she might do. Hundreds of thousands are fleeced every year by this type of advertising, and we feel sure residents of Plymouth and surrounding territory have contributed their share to such fakes. The ads are alluring; they sound good, and usually the promoters manage to stay just within the law. But there is one sure way to avoid being "gypped" by them. That is to follow the advice of the Better Business Bureaus of the country and "Investigate before you invest."

—O—O—

TIME TO WAKE UP

We read that in a neighboring state a short time ago a young man invited his mother for an auto ride and a little later suffered an accident in which she was badly injured. Her attorney promptly sued the son for damages and the insurance company in which he had a policy covering personal injury to others had to settle. Of course it was a frame-up, yet it was legitimate in the eyes of the law. It doesn't make any difference who you invite into your car, or to whom you extend the hospitality of a ride—you are running the risk of a damage suit in case they are injured. The same thing applies to extending rides to hitch-hikers along the highways. The lowliest hobo has a legal claim for damages against you if he should be hurt while riding with you, and there are lawyers in every community ready to take such a case and split the judgment with their client. Isn't it about time to wake up, you motorists around Plymouth and ask yourself if it pays to give the unknown hitch-hiker a ride?

—O—O—

WHO SPENDS THE MONEY?

According to the census, one-fifth of the women of the U. S. are gainfully employed—that is, they are paid for the work they do. One-fifth of the women employed in industry are married. Something like 40 percent of the wealth of the country is owned, in title at least, by women. Stores are largely planned for women, and women do more than 50 percent of the buying. Our newspapers and magazines are written to a great extent for women readers, and our autos are designed to please their eyes and provide them with the comforts they insist upon. With that in view we can't understand why the retail merchant who wants to make money doesn't "get wise" to the need for catering to the women by telling them through the home-town paper—which she always reads—just what bargains are being offered. If you think there isn't more profit in catering to the trade of the fair sex you can find out by using the advertising columns of this newspaper.

—O—O—

WATCH FOR AGITATORS

In the hope of forestalling propaganda now being scattered by Russian Communists in the larger cities of the U. S., literature is being mailed to newspapers in the smaller towns of the country warning them to be on their guard. In brief, the warning is to the effect that residents of our smaller towns, where there is little foreign-born population, are soon to hear a good deal more of the Communist argument.

We do not believe the doctrine of Communism—which is just another name for anarchy—will ever gain a foothold in Plymouth. And yet it is just as well that we be on our guard, ready to discourage by turning a deaf ear on the first man or woman who comes along preaching class hatred. These agitators shout against the "capital class" when there is no such class in this country. They call anybody who works and saves and accumulates a capitalist. What they really stand for and what they are really preaching is: "Down with Boy Scouts; down with churches; down with morality; down with the home and the right to vote your sentiments. That, in a nutshell, is exactly what Communism stands for, and you have an example of its effect in Russia today.

We do not believe the small towns of the country will stand for the preaching of such doctrine. Maybe the big cities can't help themselves, and have to tolerate a certain amount of such preaching. But the small town doesn't have to, and we believe the Communist gang is due to find that out in a hurry.

—O—O—

AUTO GUARANTEES

Announcement by the manufacturers of one of the country's leading motor cars that henceforth every car leaving its factory will be guaranteed for one year ought to be of interest to everyone around Plymouth who owns a machine. No matter whether it is of that particular make or not, it should interest you, because it means that ere long practically every other manufacturer will be forced to do the same thing. And with a guarantee covering an entire year, instead of 90 days, as cars have long been sold, it ought to be the means of saving motorists many dollars that were heretofore paid out for repairs after the 90-day guarantee was up and before the car was a year old.

It must also mean that they are going to make them better, and that is also of interest. But we doubt if they will be able to make them any safer. The fact of the business is that no piece of machinery being assembled today is safer than the auto. It's the way it is used that makes it dangerous. Take any 100 accidents in which an auto figures and you'll find that in at least 98 of them the accident was the fault of the driver and not due to the defective working of the car itself.

Auto makers can turn out a perfect car, but they can't make their product fool-proof. If a driver is careless, accidents will happen, no matter if he is driving the best car in the world. And it's a good thing to keep this in mind now that we are starting on what will doubtless be the greatest year of auto travel in our history. Your auto is only as safe as you are careful.

PERRINSVILLE

A Trip

The four eighth grade graduates of Perrinsville school, Martin Kubie, Elmer McKee, Melvin Snyder and Helen Brown, accompanied by their teacher, Mrs. Ernest Sweet, left early Monday morning for Niagara Falls, going by way of Canada and return through the States, Thursday.

Callers at the Peter Kubie home during the week, were: Mrs. Henry Kubie and children, Mr. and Mrs. Gordon McGregor, Mr. and Mrs. Edward Sell, Mr. and Mrs. George Stove and family.

Miss Leona Beyer of Detroit, spent the week-end with her father and grandparents.

Mr. and Mrs. George Baehr spent Thursday afternoon with Mr. and Mrs. John Kubie of Wayne.

Badelt-Dwyer

A quiet wedding took place Thursday morning, June 5, at St. Mary's parsonage, when Ella Dwyer, daughter of Mr. and Mrs. A. Roeder of Wayne, and Roy Badelt, son of Mr. and Mrs. Paul Badelt, were united in marriage by Rev. Father Roark.

The bride was lovely in a frock of peach chiffon, fashioned in long lines and adorned with a chic shoulder cape. Mr. and Mrs. Badelt were attended by Mr. and Mrs. Peter Gardinski.

Immediately following the ceremony they left for a motor trip to Niagara Falls. On their return a reception for the immediate families and a few friends was held at the home of the bride's parents on Main street, Wayne. Mr. and Mrs. Badelt are at home to their friends at 9 North Sophia St., Wayne.

With the average family refusing to make any distinction between luxuries and necessities we had just as well start building additions to the poor-houses.

This and that

There were 5,677,500 motor vehicles in use on farms in the United States at the end of 1929, the National Automobile Chamber of Commerce reports. This is a 100 per cent increase over 1919, when there were 2,146,512 in use.

There is one gasoline station for every 72 automobiles in the United States, according to the National Automobile Chamber of Commerce. Altogether there are 320,000 filling stations.

Since the 40-mile speed limit on Indiana roads was lifted, accidents on rural roads increased 60 per cent, according to R. L. Fumes, chief of the State Police Department. He advises the setting of a 50-mile limit to cut this accident increase.

National Air Transport pilots are now able to talk to ground stations as they fly through recent installation of radio voice transmitters in planes. Radio communication on this line is now a two-way system.

The increasing importance of sheet metal operations in the manufacture of automobiles is shown by the fact that the Oakland Motor Car Company now turns out 514 different sheet metal parts for use in the assembly of the Pontiac Big Six and the Oakland 8.

Los Angeles, fast growing in importance as the leading automotive city of the west, is now ranked second to Akron in rubber production in the U. S.

Motorists spent more than \$930,000,000 for motor vehicle taxes during 1929 according to the National Automobile Chamber of Commerce.

Henry Ford should go down in history as the man who made the horse-fly extinct in America.

Sport Light.

"Stars of Hollywood."

Vacation Days

When Hopes Turn Into Real Events

From weeks of Planning, of dreaming, of working and of saving, come the greatest thrills for each one of us.

Vacation time may be "just around the corner." Hopes are becoming realities—soon you will be on the way to the grand adventure that a few months ago was only a dream. It's worth while to turn dreams into real happenings!

Or it may be something even more important than a vacation trip. Purchase of a new home, refurnishing one you now have, sending a boy or girl to college, buying a business of your own, getting a new car—these and other dreams of equal rank come true for those who combine thrift with work and hope.

No matter what dreams you have in mind—a growing account here will help to make them realities! Try it.

Commencement Week Program

The following shows the program for commencement week:

- COMMENCEMENT JOURNAL**
 Publisher's Notice—Fred Shear, Gale Kenyon
 Editorial—Russell Wallace
 Turning Back the Pages—Martha Schultz
 Poet's Corner—Madelon Shingleton
 Solo—Ted Baughn
 Local—Doris Jewell
 Sporting Page—Blake Fisher
 Legal Department—Carl Denton
 Quartette
 Ads—Richard Smith
 Statistics—Charles Root
 Lost and Found—Helen Bridge
 Musical Notes—Catherine Nichol
- BACCALAUREATE SERMON**
 Invocation—Rev. Kiley
 Scripture Reading—Rev. Lendrum
 Sermon—Rev. Nichol
 Music—Presbyterian Choir
- COMMENCEMENT PROGRAM**
 Invocation—Rev. Seitz
 Salutatory—Catherine Nichol
 Music—Quartette
 Valedictory—Evelyn Ash
 Song—Class
 Address—James B. Edmonson (Dean of Education, U. of M.)
 Presentation of Diplomas—Supt. George A. Smith
 America—Audience

Tennis Team Defeats Ypsi

Again the racket-wielders of Plymouth High won another victory when they defeated Ypsi Central, 5-1.

The team order has been reversed to some extent. Clemens is now playing first man, with Moe, Ball and Knapp, respectively, playing in the above order.

Wednesday, the team plays Grosse Pointe, and with this game the team winds up the season.

The scores for the Ypsi Central match are as follows:

Plymouth, 5; Ypsi Central 1
 Singles—Clemens (P) defeated Mohler (Y) (1-6) (6-2) (6-3); Moe (P) defeated Iuker (Y) (6-2) (6-3); Ball (P) defeated Handy (Y) (6-0) (6-0); Bronson (P) lost to Dutton (Y) (5-7) (4-6).

Doubles—Clemens-Fritz (P) defeated Mohler-Baker (Y) (6-3) (6-4); Knapp-Randall (P) defeated Weir-Dutton (Y) (6-3) (6-2).

Annual Girl Reserve Election of Officers

The Girl Reserves held a special meeting Wednesday, June 4, for the purpose of electing new officers for next year. The results were as follows:

President—Amy Blackmore
 Vice-President—Marlan Tefft
 Secretary—Viola Lutermoser
 Treasurer—Marlan Gust
 Inter-Club Councilor—Doris Hollaway
 Corresponding Secretary—Marjorie VanAmburg

Freshmen Win Girls' Baseball Tournament

After having the Juniors leading in all other baseball reports, the freshmen clinched out of second place at the very last and won the tournament. The places are: freshmen, first; Juniors, second; sophomores, third; and seniors, fourth. In the Junior high tournament, the 8-A's were first and the 7-A's, second.

Freshman Speakers Meet

Eight first year students from four high schools met here Wednesday, June 4, in a freshman declamation meet. Miss Cary of the Commercial Department, was chairman, and after Herbert Saylor favored the group with two saxophone solos, introduced the speakers. The contest was non-decision. The value of such a contest is conceived as preparatory, a stimulus to forensic effort among freshmen, and an additional feature to make the speech program more complete. Two representatives were chosen from each school for this meet. The freshman class of this school was represented by Irene Humphries who gave "The Martyrdom of Joan of Arc," and Odene Hitt whose declamation was "The New South." Individual ribbons were presented to the participants at the close of the program.

Starkweather

In the kindergarten room, Louis Smith and Laurie Jones have been neither absent nor tardy this semester. June is circus month in this room, for circus animals are pasted on the windows.

This room had the opportunity to decorate the bulletin board in the hall this week.

The children started to work in their seatwork color pads and they expect to finish four lessons before the closing of school.

All children are awaiting a good time at the annual picnic which will be held in the park across the street on Wednesday.

Plans are made for a picnic by the pupils in Mrs. Moles' room. Most votes were cast to have it at the Riverside Park.

Reviews are now near the end. In Miss Hunt's room the children have been studying hard for the final examinations. They now feel that they are ready to take them.

The visiting of this room by Miss Hunt's sister, is eagerly awaited.

The fourth and fifth graders have finished their arithmetic reviews.

Ann Arbor Shuts Out Plymouth Hi

Ann Arbor took the "night-cap" of the season from Plymouth last Friday, over at Ann Arbor, by a 11-0 score. No men were out. A player was on second and one was on first. Hix was at bat for Plymouth. That was the scene in the first half of the seventh inning. The out-come was very different than could be supposed. Hix promptly lined to Jennines at short who tossed to Pegan at second, forcing Ferguson and he, Pegan, got Towle at first with a fast throw. Thus the side was retired and the game was ended.

After the game the Ann Arbor coach was heard to remark that a triple play was a good way to end the season. He was right.

Had Postiff been taken from the game earlier the score might have been different. He "blew up" in the first, allowing six runs. This was too much to overcome, and though Plymouth had quite a few hits they failed to bunt them to any success.

Menefree, the opposing pitcher, had the Blue and White players baffled by his change of pace. His fast ball, followed by a slow drop, fooled them all.

FIRST INNING
 Towle was called out on strikes. Hix flied to Cope. Gates singled to left. Lanker flied to Dunnack. No runs, 1 hit, no errors.

Mayfield singled and stole both second and third. Clark and Cope walked. Ware got an infield hit, scoring Mayfield. Jennines singled, scoring Clark and Cope. Pegan walked. Menefree was safe on Postiff's error, scoring Ware. Dunnack was called out on strikes. Cave flied to Gates. Mayfield was safe on Gates' error, scoring Jennines and Pegan. Clark was called out on strikes. Six runs, 3 hits, 2 errors.

SECOND INNING
 Bassett was called out on strikes. Burley singled. Gordon grounded out. Pegan to Ware. DePorter struck out. No runs, 1 hit, no errors.

Cope singled and went to second on Burley's error. Ware was out, Lanker to Bassett, when Lanker dropped the third strike. Jennines was safe on Towle's error, scoring Cope. Pegan walked. Menefree singled, scoring Jennines. Dunnack flied to Hix, and Pegan was out at home. Hix to Lanker. Two runs, 2 hits, 2 errors.

THIRD INNING
 Postiff flied to Dunnack. Towle flied to Cope. Hix was out. Mayfield flied to Ware. No runs, no hits, no errors.

Cave flied to Gordon. Mayfield was called out on strikes. Clark got an infield hit and stole second. Cope was out. Postiff to Bassett. No runs, 1 hit, no errors.

FOURTH INNING
 Gates flied to Cope. Lanker singled. Bassett struck out. Burley singled. Gordon was out. Menefree to Ware. No runs, 2 hits, no errors.

Ware was out. Bassett unassisted. Jennines singled to left. Pegan singled, went to second on Burley's error, scoring Jennines. Menefree singled, scoring Pegan. Dunnack singled. Cave was out. Gates to Bassett, scoring Menefree. Mayfield flied to DePorter. Three runs, 4 hits, 1 error.

FIFTH INNING
 DePorter singled. Postiff forced DePorter at second. Jennines unassisted. Towle walked. Hix singled. Gates was safe on a fielder's choice, Postiff being out at home. Jennines to Cave. Lanker was out. Jennines to Ware. No runs, 2 hits, no errors.

Ferguson now started pitching for Plymouth. Clark walked. Cope singled. Ware was safe on Towle's error. Williams took Gordon's place in left. Jennines was called on strikes. Pegan struck out. Menefree flied to Gates. No runs, 1 hit, 1 error.

SIXTH INNING
 Bassett was out. Menefree to Ware. Burley singled. Conover took Mayfield's place at third. Williams was called out on strikes. Wagenschutz batting for DePorter, forced Burley at second. Jennines to Pegan. No runs, 1 hit, no errors.

Jackby, hitting for Dunnack, was called out on strikes. Cave struck out. Conover flied to Bassett. No runs, no hits, no errors.

SEVENTH INNING
 Ferguson walked. Towle walked. Hix lined to Jennines who threw to Pegan, doubling Ferguson at second and Pegan got Hix at first to complete a triple play. No runs, no hits, no errors.

Plymouth—0 runs, 7 hits, 6 errors
 Ann Arbor—11 runs, 11 hits, 0 errors

Travel Club Will Picnic

The last event of the Travel Club is to be a pot-luck picnic some time during the last week of school after examinations are finished. Considering this little fact, it will probably be a very gay occasion for some if not all.

It is to be held at the home of Mrs. Miller Ross, the former Miss Asman and galde of the club. The alumni of the club, seniors who graduated last year, will be invited.

Honor Banquet

The second annual Honor Banquet of the Plymouth High School will take place in the high school auditorium on Friday, June 13th, sponsored by the Student Council.

PROGRAM
 Introduction of Toastmaster—Catherine Nichol
 Toastmaster—George A. Smith, Superintendent
 Toast to Honored Guests—Miss Allen
 Response—Lester Daly
 Music—A. Moe (clarinet)
 Address, "Paths to Success"—Prof. G. L. Deansore, University of Michigan

Song—"America"
 Music—Junior Orchestra

Girl Reserves Have Farewell Party

The Girl Reserves held a senior farewell at the home of Mary Haskell, Tuesday, June 10th, at 7:00 o'clock.

Each senior was given a lighted lantern, and the girls, two by two, with a senior and a junior together, wended their way, singing "Follow the Gleam," to a little hollow near the Training School. They sang a few songs, one of the prettiest being "There Are Girls in California, China, Australia, India, etc." during which some juniors gave a pantomime in the respective costumes.

Mrs. Juanita Coe Sutherland, the first president of the Girl Reserves, gave a talk on the growth of the Plymouth organization, and then presented white ribbons to the girls who have been members one year, rose to those who have belonged 2 years, blue to members for three years, and gold to those for four years.

Then the seniors gave their lanterns to their junior partners and went in the house to eat ice cream and little cakes with the Girl Reserve triangle on them in blue sugar. Altogether the ceremonial was very beautiful and impressive.

Have you read the want ads today?

The Pilgrim Prints Staff

The staff which this year consisted of seventeen pupils, two of whom did not classify the second semester, exceeded the staff of last year by three.

Since the school page was published to inform the parents as well as the general public what the pupils in the schools were doing, the editors tried their best to make the accounts as interesting as possible.

There really is a tingling pride in the chests of the members of the staff when they see that their aim has borne fruit. Nothing interests the staff more than seeing the public absorbing the thoughts of the writers.

It is the hope of these writers to see the Pilgrim Prints page thrive even more successfully than it has this year.

Central Notes

In Miss Weiman's room the children have brought some pollywogs for their aquarium.

Richard Randall has scarlet fever, and everyone wishes him a swift recovery.

Grade 2-B has finished the Elson reader and is now reading stories. The required spelling words have been covered and review has begun.

In Miss Richard's room the children have been bringing flowers to school and learning their names. For art they have been making designs and the best ones have been put on the blackboard.

Group II is starting the "Young and Field Literary Reader," and Group III is beginning "Under the Story Tree."

In Mrs. Root's room Nancy Dunning will receive a present next Tuesday afternoon, if she is not absent, nor tardy, for having a perfect record during the semester.

The children can hardly wait for picnic day. They have brought many flowers to make the room happy and bright.

Group I is reading "Under the Story Tree," and Group II, the "Child Literary Primer."

In Miss Weatherhead's room Harold Wilson moved away last week. The children were very sorry to have him go.

The children in this room, also, have been bringing many pretty flowers to school.

Lovell Hitt is the only child in the room who has been neither absent nor tardy this semester.

Mrs. Bird observed the third grade reading classes last week, and the children all hope that she will come again.

In the kindergarten the children made Mother Goose pictures, and are now making circus pictures.

F. C. Toft has moved to Fowlerville.

Doris Warner broke her arm and has been absent for several days.

In Miss Hallahan's room the boys and girls have had baseball games in review.

The fifth grades had a note of thanks for the lovely plant and bouquet of cut flowers sent to Mrs. Holliday during her illness. They were glad, also, to know that she is improving.

The 5-B and A grades are having spell-downs as a review in spelling, first, rows against rows, then classes against classes, and girls against boys.

Bruce Richards had a T score of 55 in the spelling test. Erna Bridge had a T score of 50. The average of the B class was higher than the A.

Ellen Milroy, Jessica Goedel and Winifred Smith all received 55 as a T score in reading test in the A group. David Hale and Bruce Richards received 55 in the B group.

Band Held Their Annual Picnic

The band held their third annual picnic last Tuesday at the Cass Benton Public Park. After their arrival a game of soft ball was started in which the cornet, horn and sax sections led by B. Curtis, challenged the drum, bass, trombone and baritone section, whose captain is A. Gates.

After the game they ate a fine lunch prepared by the girls. The dessert was furnished by Mr. Dykhouse, the instructor.

Plymouth Takes Third In League Track Meet

With a total of 24½ points, the Plymouth track team took third place in the suburban league meet held at Ypsilanti, Saturday, June 7.

Dearborn took first with a total of 78½ points, with Wayne a not very close second with 39. The rest are in order: Lincoln Park, 12; Northville, 11; and Farmington, 9.

Plymouth took two first first places, one in the 220-yard dash and the other in the shot-put. Straub, captain, took the 220, and Bannerman, as usual, took first in the shot with a heave of 44½ lbs. The rest of the team did very well in taking as many places as they did. There were two new records established, one in the pole vault

by Hansen of Dearborn, who cleared 16'8½". The other was made in the mile by Capules of Wayne, who ran this distance in 4:44.1.

The outlook for next year is quite promising as not many men are lost through graduation.

A summary of events follows:

100-yard dash—Won by Enor, Wayne; second, Bailey, Lincoln Park; third, McCully, Farmington; fourth, Wagenschutz, Plymouth. Time 1:1.2.

220-yard dash—Won by Straub, Plymouth; second, Martin, Wayne; third, Wagenschutz, Plymouth; fourth, Uley, Farmington. Time 2:5.3.

440-yard dash—Won by Laitner, Wayne; second, Meinsinger, Northville; third, Fisher, Plymouth; fourth, Gearhart, Dearborn. Time 2:13.8.

Mile run—Won by Caplis, Wayne; second, McClelland, Dearborn; third, Hayes, Dearborn; fourth, Newell, Dearborn. Time 4:34.1 (new record).

880-yard dash—Won by Emery, Dearborn; second, Vignean, Lincoln Park; third, Leckins, Dearborn; fourth, McGuire, Dearborn. Time 2:13.8.

120-yard high hurdles—Won by Alton, Wayne; second, Humphrey, Dearborn.

You Don't Keep THE handcrank OUT IN FRONT

The handcrank has practically become a museum relic. Many motor oils are just as out of date. But not Shell Motor Oil. Drivers of modern cars have welcomed Shell Motor Oil because they know it keeps pace with every development in the automobile. Shell Motor Oil is ready now for the car you may buy next year. Shell's low-temperature refining brings it to you rich in all the protective qualities of Nature's best-balanced crude. No wonder that owners of all types of cars are changing to Shell. They insist upon the extra margin of safety—the smooth, trouble-free performance of Shell Motor Oil. Have you tried it?

STOP AT THE SIGN OF THE SHELL . . . MILLIONS DO

WHY BE SATISFIED WITH LESS THAN 1930 lubrication?

Be up-to-date, Shellubricate

THE SIGN OF THE SHELL IS ON THE AIR . . . Every Monday Night, 8:30 Central Time

JAMES AUSTIN OIL CO., PLYMOUTH, MICH.

AROUND ABOUT US.

THE Dearborn Press recently celebrated its thirtieth anniversary.

Washenaw County Fair directors plan to construct an extension to the grandstand to provide seating for an additional 800.

During the past five years, the acreage in parks in Ann Arbor has been increased from 143 to 360 acres, and is valued at \$500,000.

University of Michigan enrollment figures for an entire year has, for the first time, passed the 15,000 mark. When classes opened in 1929, 53 students enrolled.

Test borings for the new bridge over the Michigan Central railroad at the east city limits of Ypsilanti, have been taken and found satisfactory. Contract for building the bridge has not yet been let.

One hundred fifty-three seniors will receive diplomas June 18, from the Redford High School.

A parcel of land in Livonia township containing 3,191 acres, has been added to the park property of Wayne County.

The Ambler Furnace and Foundry Works of Northville, is now putting on the market a new guaranteed warm air furnace, which will be known as the "Pioneer."

Two skeletons of Indians were found on the south side of Pleasant Lake in Freedom township, by Elmer Dertling and Louis Vogel, who were working in a gravel pit.

The Globe Furniture Company of Northville, recently shipped to Chicago 1,000 chairs and 300 settees that are to be used in some of the hospitals for World War veterans.

President A. A. Bruder of the Michigan Affiliated Exchange Clubs, has invited Rev. William Richards, pastor of the Methodist church of Northville, to conduct the Sunday services on the Great Lakes cruise to be taken by the Exchange clubs of Michigan, June 15 to 17. The trip will be started at Detroit and the boat goes to Duluth.

The Fowlerville Review reports that seven privately owned wild life sanctuaries, having an aggregate acreage of 1,221 acres, were accepted by the Conservation Commission at its regular May meeting. The largest of these is in Livingston and Oakland counties and contains also a 500-acre plot in Charlevoix county.

Wayne County has acquired 9,279 feet of land to be added to the right-of-way of many roads in this section which are being developed by the Wayne County road commission.

Baptist churches at Howell, West Highland, Hickory Ridge and Millford have decided to unite in the support of a pastor and his assistant. Rev. Carney of Rockford has been selected as pastor. The assistant pastor will be a woman.

The Wayne detachment of state police made 101 arrests during May, of which there were 81 convictions, 19 cases pending, and one release. The recent rumor that the local post would move its quarters to Dearborn seems to have blown over.

Livingston county is making great plans for a celebration on July 4 that will be the centennial of its settlement. Each township has been assigned some part in the affair and will have a part in the parade which will be led by a team of oxen and ox-cart, the latter being more than a century old.

NEWBURG

The Ladies' Aid held a splendid meeting at the home of Mrs. Harry Gilbert on Wednesday of last week. Mrs. Ida Thomas was made chairman of the finance committee.

Children's Day will be observed next Sunday, the program taking the time of the regular service at 11:00 o'clock. Charles Ryder Jr., is recovering from an attack of measles.

Rev. Purdy and family went to Albion Monday, to attend the graduating exercises of the college.

Harry Gilbert and family, and Mr. and Mrs. James McNabb drove to Albion, Tuesday. Alice and Joy returned with them.

Sunday callers on Bert Paddock were Mrs. Mary Paddock, Mr. and Mrs. Eugene Kunkel of Highland Park; Mrs. Henry Grimm and children, Virginia and Bobbie, Mr. and Mrs. Wm. Smith, Mr. and Mrs. Clyde Smith and son, David, Mrs. Emma Ryder, Newton Youngs and Marshall Purdy.

Harry Gilbert was surprised Monday evening by a number of relatives and friends from Rosedale Park, coming in to help him celebrate his birthday.

Donald Ryder of Chicago; Mrs. Clyde Smith and son, David, Miss Virginia Grimm and Mrs. Emma Ryder visited Mrs. Ryder's cousin, Mrs. Mary Jesse of Stockbridge on Tuesday of this week.

A college professor says the respect children used to have for their parents 50 years ago is not in evidence today. Maybe it's because the old folks are so wild.

The Plymouth girl who seeks a model husband should always remember there are two kinds—a working model and a sport model.

The fond old days in Plymouth were those when switches regulated children instead of electricity.

Looking Over The Cars

THE things one can find out about automobiles by observing closely enough. For instance, Graham products boast of the widest fan belts in use on passenger cars. Those on the sixes are 1 1/2 inches wide; those on the eights, 1 3/4 inches. There are thousands of specifications in cars that only engineers ever know about.

And now Willys has an eight. What chance does one have really to keep up with what is happening? Things happen entirely too fast.

Remember when a "thin dime" was good enough to measure the spark plug gap? But what would be the good of a thin dime today, for instance, in giving a Nash owner the proper gap setting. It is supposed to be .020, one of the finest.

The vast majority of straight eights fire 16258374. Hupp's order is 17385264.

The Duesenberg is a big car in other ways than that 265 horsepower engine and that huge wheelbase. Its exhaust pipe diameter of 4 1/2 inches is about twice the size of any other stock car's. There's plenty of gas to be dispelled in such an engine.

The maximum charging rate of the Studebaker Dictator is 3800 revolutions per minute of the armature. That occurs at a road speed of 18 miles per hour.

Unless they have changed recently, Stutz, Blackhawk and Kissel are the only cars not using double-flameless headlight bulbs.

Packard products have both names and numbers as designations. The last two numerals of the 726, 740 and 745 indicate the wheelbase length. Just substitute a "one" for the seven and the wheelbase length in inches is revealed.

Another difference between the larger and smaller Auburns, the minor one, is that the 125 has a chain-driven generator as against belt drive for the six and smaller eight.

Last December, Ford was the only name in the below \$500 class. Now there are Whippet and Chevrolet, and, pretty soon, Austin.

Trunk racks are standard equipment on all the Le Luxe Derants.

How many motorists with cars fitted with thermostatically controlled shutters know the temperature at which the shutters opens fully? Most of them are around 165 degrees. Franklin is 200. Air-cooling explains the difference.

By the way, the automatic radiator shutter on the Gardner line opens at a temperature of 150 degrees, the lowest we know of among passenger cars.

The Cadillac V16 may have twice as many cylinders as the Cadillac V-8 but the latter has the larger carburetor. It is a two-inch device against the 1 1/2-inch one on the larger car.

How much do bumpers add to the length of a car? In the case of the De Soto eight, the answer is 14 inches. Without the bumpers, the length of the car is 163 inches. With them, it is 177 inches.

Packard, Pierce-Arrow and Stutz recently have been busy with the most special of special cars for oriental potentates. They represent custom work to the tenth degree.

The wheelbase lengths of the Marquette and small Buick are 114 and 118 inches respectively.

Those valance guards on the big Marmon are made of rubber. They combine appearance and service-ability to a nice degree, too.

Road clearance of the Pontiac Big Six is 8 3/8 inches; that of the Oakland Eight is 8 1/8 inches.

A 1929 model Pontiac Six recently beat the best railroad time by 30 minutes on the 628-mile trip from Oak Park, Ill., to Bedford, Pa. The driver was Harold W. Filtercraft, executive of an Oak Park life insurance company.

NOTICE TO THE PUBLIC

The attention of the public is hereby called to the provisions of Ordinance No. 86 of the Village of Plymouth, now in full force and effect, governing the care and maintenance of public alleys.

Property owners within the village are required to keep the public alleys abutting their premises free and clear of all ashes, rubbish, etc., and must clear away any existing accumulation at once. Citizens are therefore requested to look after the removal of such rubbish, etc., at once, so that alleys may be restored to a presentable condition with a minimum of delay.

A. J. KOENIG, Village Clerk.

Actual choice of tone..

..from deepest bass to highest treble by a simple turn of the
TONE SELECTOR

A world-famous orchestra broadcasts a program you've waited hours to hear—wouldn't you like to capture every shade of melody almost hidden in the ebb and flow of the deep, deep basses... every crystal clear, delicately pure note from the soloist's violin?

If you own a new General Motors Radio you can enjoy radio at its supreme best—for these superb instruments are equipped with the Tone Selector. To emphasize either low or high notes, simply turn the Tone Selector toward either "bass" or "treble" on the tone-indicator. At your finger tips is actual choice of tone—radio as you prefer to hear it—the most

enjoyable interpretation of every kind of entertainment that goes on the air!

Come in to see the new General Motors Radio—in handsome period cabinets, which are meant to be permanent possessions. You can buy them with the prospect of years of ownership ahead—for

new developments in a future chassis or speaker will be designed so as to permit installation in the cabinet you buy today.

Come in today for a complete demonstration of the new General Motors Radio with its remarkable Tone Selector... Any model may be purchased on the liberal GMAC plan of convenient payment.

OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION

Plymouth Michigan
May 5, 1930
A regular meeting of the Village Commission held in the Commission Chamber of the Village Hall, May 5, 1930 at 7:00 P. M.
Present: President Robinson, Commissioners Hoover, Kehrl, Munnack and Wiedman.
Absent: None.
The minutes of the regular meeting held April 21st were approved as read.
Mr. Berg D. Moore, representing the Plymouth Chamber of Commerce, appeared before the Commission and presented for their approval a tentative design for a road sign to be erected at suitable locations upon highways leading into Plymouth. Upon motion by Comm. Wiedman, supported by Comm. Kehrl the tentative design was approved and authorization was given to have two such signs constructed and installed at the expense of the Village.
This was the time set for a public hearing relative to the proposal to install a sanitary sewer in Blank Ave. and the alley parallel thereto, immediately to the east of Blank Ave. north of Junction Ave. The president called for objections. No objections were presented.
The following resolution was presented by Comm. Wiedman, supported by Comm. Kehrl:
WHEREAS, a public hearing has been duly held and all objections heard relative to the proposed installation of a sanitary sewer proposed to be installed for the benefit of all property on both sides of Blank Avenue and the west side of Ann Avenue north of Junction Avenue; and
WHEREAS, after the holding of said public hearing the Commission still deems the proposed sanitary sewer a necessary public improvement for the property proposed to be benefited by same; therefore be it
RESOLVED, that the Commission hereby declares its determination to proceed with the installation of the said sanitary sewer; and be it
FURTHER RESOLVED, that the Manager be directed to have the said sanitary sewer installed by the Department of Public Works of the Village in accordance with plans now on file in the office of the Clerk. Carried unanimously.
This was the time set for a public hearing relative to the proposed installation of a storm sewer in Farmer St. from Adams St. to Karmada St. and of a lateral storm sewer in Karmada St. from Farmer St. to Junction Ave. The President called for objections. No objections were raised. The Clerk however presented a letter from the owner of three vacant lots upon Karmada St. objecting to the proposed installation as being unnecessary at this time.
The following resolution was proposed by Comm. Wiedman and supported by Comm. Hoover:
WHEREAS, a public hearing has been duly held and all objections heard relative to the proposed installation of a storm sewer in Farmer St. from Adams St. to Karmada St. and of a lateral storm sewer in Karmada St. from Farmer St. to Junction Ave.; and
WHEREAS, after said public hearing the Commission still deems the proposed storm sewers to be an essential and necessary public improvement for the property proposed to be benefited thereby; therefore be it
RESOLVED, that this Commission declares its intention to proceed with the installation of the proposed storm sewers in accordance with plans now on file in the office of the Village Clerk. Carried unanimously.
The Manager presented the matter of petitions which had been presented and approved by the Commission during the past winter covering the proposed installation of a storm sewer and water main in Beech St. from S. Harvey St. to the west line of lot 7, Wm. Eckman Sub. Upon motion by Comm. Kehrl, supported by Comm. Hoover, the Clerk was directed to advertise a public hearing relative to the proposed improvements to be held in the Commission Chamber May 19, 1930 at 7:00 P. M.
Upon motion by Comm. Munnack, supported by Comm. Wiedman, the Commission decided to disapprove the petition of L. Ferenczi, pool room proprietor, to be permitted to keep his place of business open for one half hour beyond the time set by Village ordinance.
The petition of Mr. Fred Reiman, presented at the last regular meeting of the Commission, to be relieved of the cost of a water tap and sewer connection installed to his property upon order of the Village Commission during 1927, was presented by the Manager. It was moved by Comm. Wiedman and supported by Comm. Kehrl that the petition be denied and the assessment permitted to stand. Carried unanimously.
The Treasurer called the attention of the Commission to the fact that in the past the sum of ninety dollars has been collected from owners of lots in Riverside Cemetery as the amount to be collected for the perpetual care of a single cemetery lot regardless of size. It was his recommendation that the Commission limit the area for which the ninety dollars payment is to apply to a single lot whose area does not exceed 300 square feet; and that a further payment of ninety dollars be required in each case where the area exceeds this limit by 300 square feet or fraction thereof. It was moved by Comm. Kehrl and supported by Comm. Hoover that the recommendation of the Treasurer be accepted, and that ninety dollars be collected for the perpetual care of each 300 square foot or fraction thereof contained in any single cemetery lot. Carried unanimously.
The report of Judge Oliver Loomis for the month of April was presented for approval of the Commission. Upon motion by Comm. Munnack, supported by Comm. Kehrl the report was accepted and ordered placed on file.
A petition was presented by the Manager signed by a considerable number of citizens requesting that a suitable ordinance be drafted and be put into effect to control the handling and distribution of milk, cream and other dairy products in the Village. After some discussion of the question it was moved by Comm. Wiedman, supported by Comm. Kehrl that the Manager and Attorney be authorized and directed to draft a suitable milk ordinance and present same for consideration of the Commission at a future meeting. Carried.
The Manager recommended the purchase of a power lawn mower for use at the Cemetery and in our public parks, as being a more economical means of cutting grass than by the use of small hand mowers. Upon motion of Comm. Hoover, supported by Comm. Kehrl the recommendation of

SALEM

Miss Frances Anderson was pleasantly surprised when a large number of friends gathered at the home of Mr. and Mrs. George Roberts, Friday evening. A fine luncheon was served, games were played, and she was presented with a lovely silk umbrella, as a token of friendship.
The last meeting of the Poultry Club was held at the home of Mr. and Mrs. Irving Johnson last Thursday afternoon. A dainty luncheon was served, and the very competent leaders, Mrs. Nelson Bender and Mrs. Means, were presented with beautiful gifts for their kind services as teachers.
Sunday visitors at the Henry Whitaker home were Mr. and Mrs. Clifford Crockett and daughter, and their guest, Miss Parsel, and Mr. and Mrs. Claude Sellers and family of Howell, and Mr. and Mrs. Frank Hollis of Salline.
The funeral of Mrs. Mira Renwick of Detroit, was held Sunday afternoon at 2:30 o'clock at Warden church, Rev. Jacobs of Detroit, officiated. She was a former resident of Salem, and leaves a large circle of relatives and friends.
Mr. and Mrs. Merrel Renwick and family and Mrs. James Dickie of South Lyon, were Sunday visitors at the G. Foreman home.
Miss Frances Anderson closed a very successful school year Friday, with a picnic at Cass Benton Park. About one hundred partook of a delicious potluck dinner, with ice cream. On account of the rain in the afternoon, the company gathered at the town hall in Salline, and the program was held there. /Mrs. Rice very efficiently entertained the children and also the "grow-ups" with games and all kinds of acts and stunts, etc. All spent a pleasant day. Miss Anderson will attend the State Normal at Ypsilanti, next year.
Mrs. Addie Zolman visited Mrs. Myrtle Larkins of Northville, Sunday. Ira Reed of Birmingham, spent Monday and Tuesday at the Bradley Burnham home.
Mrs. Henry Whitaker is some improved from her recent illness.
Miss Helen Lounsbury of Chelsea, spent the week-end with Miss Doris Herick.
Mr. and Mrs. George Roberts and Ival and Miss Frances Anderson, were Sunday guests at the Frank Ryder home.
Mr. and Mrs. E. Geraghty attended a Rural Carriers' meeting, Saturday evening at Salline.
Mr. and Mrs. W. McCullough and daughter of Plymouth, were Sunday visitors at the John Herick home.
Miss Shirley Burham spent Monday with Miss Betty Curtis of Northville, and visited the Northville school.
Mrs. Frank McEwoll of Pittsford, visited Mrs. Henry Whitaker, Thursday.

Today's Reflections

The scientist who is seeking a temperature of 450 degrees below zero might try stepping into a bank and asking for a loan of \$300 without security.
Dad Plymouth is wondering what became of the old-fashioned housewife who could hold six or eight clothespins in her mouth while hanging out the family washing.
One thing that is the matter with this country is that too often the car parked in front of the home is worth more than the house itself.
Chicago has more telephones than all France. Maybe that accounts for so much "phony business" there.
Dad Plymouth says it is no wonder the country is getting warped—being dry on one side and wet on the other.

WEST POINT PARK WINS 3-1

Sunday, June 8th, in a fast game, West Point Park won from the Lincoln Park team by a score of 3 to 1.

West Point Park has a regular George Hile by the name of Carl Goers. Carl pitched a game like the Tiger pitcher, allowing only 29 men to bat in the nine innings of play. He

allowed only four hits and struck out four of the Lincoln Park team.

The pitcher for Lincoln Park pitched good ball holding West Point Park to three hits while he retired five men on strike outs.

Two of the West Point Park runs were made in the third inning, on a single by Roy Wolfson and a pair of errors by the Lincoln Park infield. The other run was scored in the fourth when Clint Treadway tripped and scored on Hammerschmidt's clean single to left center. No further hits were made off Pedley in the game.

Lincoln Park gave the home boys a good, clean game and made them play hard every minute to hold the lead they had obtained by the errors in the early part of the game.

We do job printing.

Mansfield.

MASONS BEAT "ROBINS" 8-7

HIGH SCORE TEAM MEETS DEFEAT IN TEN INNING GAME

Baker, pitching a good game for the Masons, allowed the hard-hitting Robinsons only ten hits for a total of seven runs. Egloff, pitching for the "Robins," pitched a no run game until the sixth inning, when 3 runs were scored altogether. Fifteen hits were made off his delivery for a total of eight runs. A home run by Knapp in the eighth with one on put life in the Masonic cause.

					Rob. Sub.	0	2	1	0

The Masons, by defeating the Robinsons, became the leading team in the Playground Ball League.

Up to the fourth it looked like a one-sided game with the Todd All Stars leading by six runs. But the Rocks, the team that never gives up, kept after the old apple until they conquered their opponents.

In the ninth inning, when the Rocks came to bat, they were one run behind. Bill Curtis, the first man up, got on on an error. Fisher then forced Curtis at second, but he was safe on first. Orr then came through with a clean double, sending Fisher to third. Matheson then got the final hit of the game, scoring both Fisher and Orr, which made the score 8 to 7 in favor of the Rocks.

ROCKS DEFEAT TODD'S 8 TO 7

The Rocks, by defeating the Todds All Stars, Wednesday night, became the leading team in the Playground Ball League.

Sport Notes

Southern colleges have filed a protest with Judge Landis over the activity of big league scouts among the college players before their school careers were finished.

George Wheeler, of Detroit, was one of the members of the freshman track squad at Ohio Wesleyan to receive a sweater and numeral in recognition of his work on the freshman team this spring. Wheeler will be a candidate for the varsity squad next year.

Walter Johnson's son, Walter, Jr., has almost recovered from serious injuries he received in an automobile accident in March. For a time it was feared he would be a cripple for life.

Glenn Hermeson, who starred in foot ball and basket ball at Purdue, is now one of the best base ball players there.

Members of the San Francisco police department are competing in a handball tournament at the South End Rowing Club. The winners will challenge the fire department to engage in a championship tournament.

Gilbert Pyka has been undefeated three years pitching for Breckenridge high school of San Antonio. He will get a job with the Card chain this summer.

John Gallanos, errorless second sacker of the University of California, has signed with Oakland of the Pacific Coast League.

Joe Crouin, star shortstop of Washington, was up for his first trial in the majors in 1925 though he is now but 23.

Sam Rice, who took the leadership in batting this year in the American league, one season hit only slightly above 200 until August because his drives all angled toward fielders.

Dave Danforth, former American league and Southern association south-paw hurler, was released unconditionally last Sunday at Dallas, Texas, by the Dallas League club.

Six games for Harvard's 1932 football team already are scheduled. The Crimson will play Pennsylvania State College, Oct. 15; Dartmouth, Oct. 22; Brown, Oct. 29; West Point, Nov. 5; Holy Cross, Nov. 12, all at Cambridge, and Yale at New Haven, Nov. 19.

Veterans of the big leagues, particularly pitchers, are in demand. The Braves were glad to get Tom Zachary and the Giants jumped at the chance to take Clarence Mitchell. There has been lively bidding for Burleigh Grimes all season, first with the Pirates and later with the Braves.

SERVING MANY BUSINESSES

Experience of large fleet owners reveals the unusual reliability and economy of the new Ford

A SIGNIFICANT TRIBUTE to the value of the new Ford is found in its increasing use by Federal, state and city governments and by large industrial companies which keep careful day-by-day cost records. In most instances, the Ford has been chosen only after exhaustive tests of every factor that contributes to good performance—speed, power, safety, comfort, low cost of operation and up-keep, reliability and long life.

Prominent among the companies using the Ford are the Associated Companies of the Bell System, Armour and Company, The Borden Company, Continental Baking Corporation, Firestone Tire and Rubber Company, General Electric Company, Goodyear Tire and Rubber Company, Kellogg Company, Knickerbocker Ice Company, Morton Salt Company, Pillsbury Flour Mills Company, The Procter and Gamble Company, and Swift & Company.

Each of these companies uses a large number of Ford cars and trucks. The Associated Companies of the Bell System use more than eight thousand.

Modern business moves at a fast pace and it needs the Ford. Daily, in countless ways and places, it helps to speed the production and delivery of the world's goods and extend the useful service of men and companies.

Constant, steady operation over many thousands of miles emphasizes the advantages of the sound design of the Ford car, its high quality of materials, and

unusual accuracy in manufacturing. Beneath its graceful lines and beautiful colors there is a high degree of mechanical excellence.

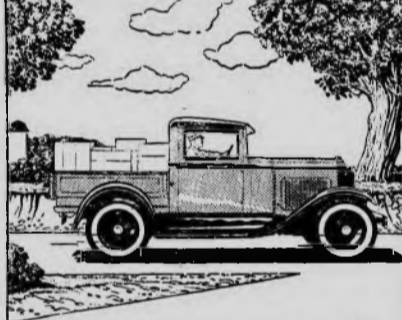

An example of the value built into the Ford is the use of more than twenty ball and roller bearings. They are hidden within the car and you may never see them. Yet they play an important part in satisfactory, economical performance. Their function is similar to the jewels of a fine watch.

Throughout the Ford chassis, a ball or roller bearing is used at every place where it is needed to reduce friction and wear and give smooth, reliable mechanical operation.

At many points, as on the transmission counter-shaft, clutch release, fan and pump shaft, and front drive shaft, these ball and roller bearings are used where less costly types of bearings might be considered adequate.

Additional instances of the high quality built into the Ford are the extensive use of steel forgings, fully enclosed four-wheel brakes, Rustless Steel, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, chrome silicon alloy valves, torque-tube drive, three-quarter floating rear axle, and the Triplex shatter-proof glass windshield.

The Ford policy has always been to use the best possible material for each part and then, through large production, give it to the public at low cost.

Two important reforms in conducting track meets at Michigan State College are contemplated for next year by Ralph H. Young, director of athletics and head track coach. Use of starting blocks in all track events and a change to night meets are strong possibilities at Michigan State for 1931, Young said. Night track meets will follow a decision on the time for foot ball games. State is considering the possibility of staging its gridiron games at night. Should the project go through, the same revision will be made for track.

Charley Griffin's masterful pitching brought the same old base ball story at East Lansing last Saturday as M. S. C. defeated Ypsilanti by a score of 9 to 3.

Muskkrat hides are worth around \$1 each but it cost a Bay-City hunter \$110.25 to bag one last week. The hunter was convicted on two counts: killing a muskrat out of season and killing it with firearms.

SALEM CONG. CHURCH
Rev. Lucio M. Stroh, Pastor.
Rev. Cora M. Pennell, Ass't Pastor.
Morning Worship, 10:30 a. m. Bible School, 11:45 a. m.

METHODIST NOTES

"Whatever things are true, whatever things are honest, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report; if there be any virtue, and if there be any praise, think on these things." Philippians 4:8.

"As final counsel to the Philippians, Paul admonishes them to think on the things which are highest. He has just said to them that the peace of God, which passeth all understanding, shall keep their hearts and minds through Christ Jesus. Then he adds this admonition: God will do His part, but we must do ours; and it is our part to think on things high and holy."

Last Sunday, the anniversary of Pentecost, may not have been as wonderful as that day so long ago, but it was surely a day of great blessings. It was a beautiful sight, those fifteen splendid boys and girls taking the vows of the church and partaking of the Holy Communion, and it is our duty and privilege as older Christians, by our example and prayers, to help them to be faithful to their vows. May God abundantly bless them and keep them pure in heart.

Next Sunday, June 15th, at 10:00 a. m., will occur the yearly Children's Day program, consisting of songs, recitations, and music by the children. All are cordially invited to come and enjoy the children. It is always a delightful time. Those having infants that they wish to have baptised, please communicate with Dr. Lendrum.

The evening service at 7:15, with a song service preceding the sermon. Last Sunday night, we enjoyed songs, recitations, and music by our junior choir. If you were not there you missed a treat. We hope to have them again very soon.

Family night mid-week service, Wednesday night, 7:15 to 8:00 o'clock. Every family in the church should have at least one member present at this meeting.

CATHOLIC NOTES

Sunday is Holy Communion Sunday for the ladies of the parish. The priest's retreat for the diocese of Detroit, will be held next week and the week after—the pastor will be numbered among those of the first week.

The Rev. F. C. Lefevre will assist at the first solemn High Mass of the Rev. Eugene E. Padlock, Sunday, June 15, at St. Boniface church, Detroit, and deliver the sermon.

Sunday, June 22, the Rev. E. Padlock will sing a solemn High Mass in our church at 8:00 o'clock, and impart his blessing to all.

Mrs. Anna Gorman, the sister of Mrs. P. Miller, is seriously ill at the Miller home on Ann Arbor Trail.

Nethem lost a very close one last Sunday to the C. F. Smith boys, Detroit, 1-0. Next Sunday, Nethem, vs. Plymouth, on the latter's grounds. Nethem boys wore their new uniforms last Sunday for the first time.

The sympathy of the parish is hereby extended to Angus Heoney and Mar Bind, at the loss of a brother and mother; both were buried last Friday morning.

The pastor assisted at the funeral of his cousin last Monday, at the Gesù Parish, Detroit, and on Saturday, June 21, he will assist at the wedding of a cousin in New Baltimore.

Do not forget to give your M. C. envelope, Sunday.

Christian Science Notes

"God the only Cause and Creator" was the subject of the Lesson-Sermon in all Christian Science Churches on Sunday, June 8.

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Let Israel rejoice in him that made him: let the children of Zion be joyful in their King." (Ps. 146:2).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God, Spirit, dwelling in infinite light and harmony from which emanates the true idea. It is never revealed by sight, but the good." (p. 503).

PRESBYTERIAN NOTES.

Children's Day exercises will be held in the church at 10:30 next Sunday. This program is always of general interest and this year promises to be fully up to standard. The Sunday-school will be in charge, and all are cooperating in the preparations.

There will be a number of children dedicated to God in the sacrament of baptism, Sunday morning. Parents who wish to present their children are asked to communicate with the pastor.

The Busy Beavers class with Mrs. R. H. Reck as leader, enjoyed an evening at the home of Mr. and Mrs. Ben Blunk, Tuesday.

The Ready Service Class meets Tuesday, June 17th, at the home of Mrs. L. H. Galpin. There will be the usual cooperative dinner at noon, and no one will want to miss the program.

The congregation will join in the annual baccalaureate service at Plymouth High School Sunday evening at 8:00 p. m. o'clock.

EPISCOPAL NOTES

A fish supper will be served by the Woman's Guild, tonight (Friday). This is the final supper to be served until fall; and the support of the entire congregation is requested by those in charge. The members of the Guild have worked faithfully this year and deserve your help. Plan to patronize the supper tonight!

Last Sunday, Pentecost, brought out a good attendance at the two communion services. Why not plan to be in church every Sunday? If you go out of town go to church wherever you may be! God knows no vacation.

A few volunteer workers were on hand on Friday and Monday nights, to clean up the church grounds and begin painting. Ewe the weather couldn't stop them. If you weren't there, where were you? There is still plenty of work for those who are willing and interested. Offer your services for a couple of hours. You will take pleasure in the improved appearance of your church home.

Don't forget the fish supper, tonight!

Christian Science Church Holds Annual Meeting

At the annual meeting of The First Church of Christ, Scientist, The Methodist Church, in Boston on Monday, announcement was made that eighty-two new churches and societies of the denomination have been formed during the past year, twenty-one of these are in Europe. More than six thousand Christian Scientists attended the meeting.

Duncan Sinclair of Boston was appointed president for the ensuing year. He was formerly a lecturer on Metallurgy and head of the science department of Glasgow Academy. New members of the Board of Lectureship are Miss Ethel M. Whitcomb of Boston, formerly Second Reader of The Mother Church, and Ralph B. Scholfield of London, who served as captain in the British Army in France and Belgium during the Great War, and was afterwards an employee of Lloyds, London.

The treasurer's report showed a balance on hand of \$215,384.01 in the general fund, and \$322,761.74 in trust funds. Expenditures for the year were \$1,887,536.01, which included \$794,096 spent in construction of the Sanatorium of the Christian Science Benevolent Association at San Francisco.

More than 3,000,000 persons attended public Christian Science lectures during the year. It was reported: Relief funds were expended to aid sufferers from the hurricane in Florida, and from floods in Vermont, Kansas, the Mississippi Valley, and in Tasmania. Relief work in the Government hospital for disabled veterans at Oreen, N. C., has continued, as has some work in Germany, and contribution recently was made to China Child Welfare, Inc.

Increases in the circulation of all the periodicals of the denomination were noted. The circulation of the weekly Christian Science Sentinel is now 161,000.

Mrs. Anna M. Knott, a member of The Christian Science Board of Directors, formerly of Detroit, called attention to the substantial number of Christian Scientists who are now devoting their entire time to the healing work which is a fundamental part of the Christian Science religion, founded in 1850 by Mary Baker Eddy.

JUNE L. T. L.

The regular monthly meeting of the Plymouth T. L. Society will be held on Saturday, June 14, at 2:30 p. m., at the home of the director, Mrs. E. C. Vealey. Let all the members be present if possible, and bring a new recruit with you. We will take some pictures that day and we must also hold our election of officers to serve for the next six months. We shall have in plan for July plans to let us have 100 percent attendance that day, June 14.

Mrs. E. C. Vealey.

Relief From Curse of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."
But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Sp. suffer from chronic constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. Beware of cheap imitations.

FOR SALE

Modern home on Penniman avenue. English style of architecture. Well kept grounds. House has all modern conveniences. Two-car garage. For particulars inquire of L. B. Samsen at the Plymouth Mail Office.

MOTION PICTURE PROGRAM

"Girl of the Port"

"Girl of the Port," Radio Pictures' Fiji Island story, to be seen at the Pennington Allen Theatre, Friday and Saturday, June 13 and 14, is an intense drama rivened at logical intervals with hilarious dialog from the lips of saucy Sally O'Neil.

These occasional breaks in the serious narrative, lifts it from the melodramatic strata of the John Russett short story to a place among the most interesting talking films of the season. Through the network of villainy, native cunning and the general indelicacy of the tropical port of Suva, Fiji, shines the spirit of regeneration, the salvaging of a human soul.

Sally O'Neil, in part of Josie, is well cast. Through her screen efforts, Sir James Jamison, known by his departed cohorts as Whiskey John, is restored to his former estate—mentally and morally. What an ideal motive for a story!

Of unusual interest is a graphic depiction of "fire walking" as practiced by religious fanatics of the isolated islands of the Fijis.

Also a demonstration of the use, in actual warfare of German flame throwers provides a thrilling highlight in the earlier scenes of the story.

Reginald Sharland, leading man, reveals a decided talent for dramatic work. Sally O'Neil capably handles what may be considered the best role of her career.

Others in the cast are Mitchell-Lewis, the villain; Duke Kahanamoku as Kalita, Fiji's chief; Donald MacKenzie, Renee Macready, Arthur Clayton, Gerald Barry, Harrie O'Daniels, John Webb Dillon, William Burt and Hugh Crumplin.

Bert Glennon directed; Beulah Marie Dix wrote the dialog and adaptation; Frank Reicher directed the dialog; Max Hausman advised on native "fire walking" feats and Bertram Milhauser, RKO associate producer, supervised.

"Framed"

PROVING to be one of the most effective and gripping talking screen dramas seen here this year, "Framed," the feature presentation at the Pennington Allen Theatre, Sunday, Monday and Tuesday, June 15, 16 and 17.

"Framed" is based on a most powerful story of activities in metropolitan gangland. This type of story has been done before in pictures, to be true, but never more effectively than in this offering. "Framed" has a double-surprise climax that puts it definitely in a class by itself. Local audiences have no advance conception of the plot twist and the wind-up will come as a definite surprise.

Evelyn Brent, that superb actress who secret so sensationally in "Inter-

ference" and "Slightly Scarlet" is the central figure in this drama of gangland intrigue. Miss Brent would all but walk away with the show if it were not that Radio Pictures have supplied an unusually capable supporting cast.

Legis Toomey, who gained screen fame in "Alibi," appears opposite Miss Brent and gives a performance admirable for its restraint and understanding. Perhaps the greatest surprise performance is given by a new-comer to the screen—half Harold, veteran player from the legitimate stage, Harold's performance in the "heavy" role is one of the finest ever to grace the talking screen.

Minor roles are well handled by Maurice Black, William Holden and Robert Emmett O'Connor. George Archambaud, the director, has given the film an atmosphere of tenseness and suspense that does not lag for a moment.

"Framed" is a talking screen achievement that should not be missed.

"Slightly Scarlet"

SUPPORTED by a remarkably strong cast, Evelyn Brent and Olive Brook come to the Pennington Allen Theatre, Wednesday and Thursday, June 18 and 19, in their first co-starring picture, "Slightly Scarlet." These stars made an outstanding hit in Paramount's first all-talking picture, "Interference." They are tremendously effective in this New Show World talking picture filled with fast action, romantic thrills, dangerous adventure and wholesome laughs.

"Slightly Scarlet" keeps audiences on the qui vive every second. Each new situation is a surprise situation, an unexpected plot twist that's hard to guess. There's not a dull moment in the whole show from the time that beautiful Miss Brent sees handsome Olive Brooks in Paris and wishes she could know him. They finally meet, and then the real excitement begins. Each has a secret he dreads revealing to the other.

Author and director have built up a clever suspense angle throughout the story. And yet "Slightly Scarlet" is not a mystery story. It is romance, adventurous romance, in every sense. The tenseness of its situations makes for unusual suspense, however.

Paul Lukas, the graceful sophisticate, is seen in "Slightly Scarlet" in another of those delightful menage roles which have made him so popular with film audiences everywhere. And laughter-provoking Eugene Pallette struts andOOMs in dress clothes. The cast includes Henry Wadsworth, the sailor in "Applause"; Morgan Fairley, seen with George Bancroft in "The Midget"; Virginia Bruce, a beautiful blonde recently placed under contract by Paramount.

Sophomores Win Girls' Track Meet With 29.1 Points

At an exciting track meet held Monday night, the sophomores won first place with 29.1 points; juniors second, 21.7 points; seniors third, 16.2 points; freshmen fourth, 7 points. The individual places won were: Relay—first, sophomores; second, sophomores; third, freshmen; fourth, seniors. Baseball throw—first, E. Kuesera, a sophomore; second, N. Savery, a junior; third, L. Dolery, a sophomore; fourth, B. Cole, a freshman. The distance, 135 feet, gained. High jump—first, K. Pennell, junior; second, W. Keuter, senior; tied for third, E. Hamilton, sophomore, K. Hill and D. Hollaway, juniors, D. Gallimore and R. Smith, seniors. Distance, 4 feet 5 inches.

Shot-put—first, E. Kuesera, sophomore; second, B. Wank, freshman; third, A. Carson, junior; fourth, M. Dunn, junior. Distance, 25 feet 5

inches. Broad jump—first, D. Gallimore, senior; second, J. Blickenstaff, sophomore; third, N. Savery, junior; tied for fourth, M. Urban, sophomore, and M. Dunn, junior. Distance, 13 feet.

Hurdles—first, W. Keuter, senior; second, M. Dunn, junior; third, D. Hollaway, junior; fourth, H. Rathburn, senior. Time 7.6 seconds. Fifty yard dash—first, J. Blickenstaff, sophomore; second, V. Woodworth, sophomore; third, C. Nichol, sophomore; fourth, A. Postiff, freshman.

The judges were Mrs. J. W. Blickenstaff, Mrs. Chapman, Mrs. McKinnon and Mrs. Rathburn. The people taking charge of it were Mr. Day, Mr. Matheson, Mr. Emens, L. Straub, B. Cline, Mr. Bentley, E. DePorter and J. Randall.

CHERRY HILL

Children's Day will be observed at the church Sunday, June 15th. A fine program is being prepared.

Rev. and Mrs. Zoller, and son, George, spent last week with the latter's mother, Mrs. M. Isomman, at Strator, Illinois. Miss M. Richardson and Miss M. Echert of Dixon, Illinois, returned with them.

Miss Lila Harrison of Capue, and William West of this place, were married at Detroit, Monday, June 2nd.

KONJOLA ENDS SUFFERING OF THREE YEARS

BATTLE CREEK MAN EAGER IN PRAISE OF NEW MEDICINE—KIDNEY AND LIVER TROUBLES BANISHED.

MR. CHARLES GARRET

with the pangs of kidney and liver trouble," said Mr. Charles Garret, Route number 10, Battle Creek. "The more medicines I tried the worse my condition became. I had nausea and dizzy spells and was forced to rise often at night. I felt tired and worn out all the time and took little or no interest in my work. Back pains and bilious attacks brought on severe headaches and my nerves were becoming badly shattered.

"I had tried so many medicines without benefit that I hesitated when Konjola was recommended. Almost from the beginning of the treatment with this new medicine life took on a different aspect for me. One by one the organs of my body became normal. Back pains vanished and my kidneys functioned as they should. My liver was no longer torpid and sluggish and I was free from headaches and bilious attacks. I am in better health today than I have been since childhood."

Konjola is designed to give thorough and lasting relief. Like any worthwhile treatment it should be taken over a period of from six to eight weeks in most cases. Results after such a treatment will amaze you as they have countless thousands of men and women.

Konjola is sold in Plymouth at the Community Pharmacy and by all the best druggists in all towns throughout this entire section.

SPEND YOUR VACATION IN MICHIGAN

Happy Days Are Here Again

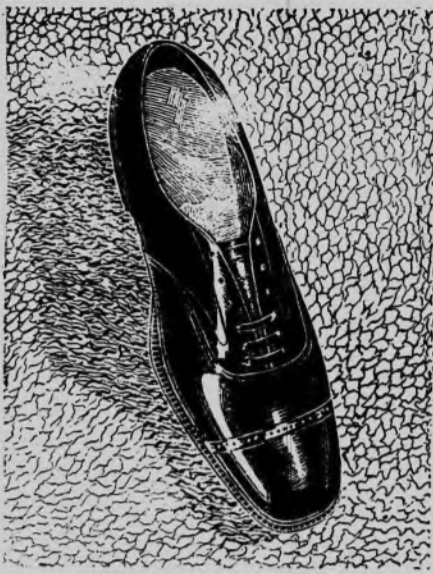

June sees the start of that happy throng of motorists on their annual pilgrimage to the out-of-doors. On your trip this summer, remember that you can keep in close touch with home and business by Long Distance telephone. Wherever you go, you will find a telephone from which you can call home quickly and at small cost. Make it a point to call home every day or so, and to telephone ahead each day for reservations for the night.

Now is the Time to Paint!

Get the paint job off your hands now before the insects get to flying about. We can do the work for you and furnish a high grade paint too. We have everything in paints at bed-rock prices. Let us give you an estimate on your work.

ASK ABOUT SIGLS WITH THE MAIN SPRING ARCH

Rosedale Gardens

By J. W. WALKER

Roses are in season about our gardens and at Plymouth road street and the "stranger within our gates" marvels at the many unique designs and placements of the numerous rare and old-fashioned roses blooming in the door yards.

The grasscutters had to stop mowing grass Friday, to stand by storm sewer pumps during the four four-minute thunderstorms.

The McBowell house on lower Ingram avenue is being finished quite rapidly and the folks expect to move in this coming week.

Now that there is no school we have to have another one of them these "holidays." Flag Day, so let's get out the Old Glory and show them we, too, are Americans, even if we do live here in these days of storm and strife.

And the ball storm Sunday, after meridian, stop the boys ball game, and recalled the grasscutters only to find the sewer pumps had functioned perfectly and the hall had moved over to the State Fair grounds for a good big cry.

Nothing, the Rosedale Garden Inn is now serving fish, frog, steak, chops and spaghetti dinners in grand style, in keeping with the traditions of the development, so when tired and hungry too, you know what to do without saying it.

The Camp Fire Girls are planning a Grand Party for all Gardenites and vicinities. Said party to be for the sole purposes of bridegrooms and five hundreders. At 10 or about 10:00 p. m., Thursday, the nineteenth instant. The postholders "Adult" a Couple, are six bits a row. There will be tables for all, and the girls are preparing surprises for all. So come and give the little girls a hand. "If you have no partner, they'll supply one."

We also have a new clock in the pill emporium window—note the time—the decorations whilst waiting for Chester's fully-hat.

Bill Townsend is here for the summer Sunday week, so don't forget to see him. Next Sunday at eleven of the clock, and we don't mean maybe.

Clas B. (Chuck) Duryse has been passing out dimes for to go to the Y. W. C. A. and on the corner of Main and W. Howell, Detroit, Monday evening. Having a wife on hand, he is a fellow on a team such place, but we are glad the reading matter on our newspaper was so it is for a trumped medal by said Chuck, and the admission fee says "for two". Not wishing to take a gentleman friend, guess the best thing to do is to wind up the silver tower on a Saturday, the 14th instant, and take the office. H. E. Goring, better see Chuck, and get a postcard for two.

We have good trees, beautiful sights, drinks, dog-and cats and other will outdoors and things that on the outside of cars traveling over U. S. 12. But one, Saturday, certainly takes the Eskimos' electric fan this pasted. Even was an old-fashioned foot pedal fan, but it's out of the front bumper and up and against the radiator.

And who is the next to fall into evil ways. But Schaeffer with plus-fans and polished bow ties. Next thing we know Bud will be using perfume on his hands and will be munching at J. J. beans of something. When dress, think Mrs. S. goes out with him, the boys want splash-dirty water on him, or some such thing. We might suggest that spats will kinda break the severity of any ankle digging the boys have a mind to do. Oh, Joy!

And did you play at tennis behind the schoolhouse? And in connection therewith, if it is, by, as the case may be, did you see those curious, independent tennis balls that the chief capsule staffer (Buck Huron) brought out?

And again—Buck makes a wicked chocolate malted milk, if you don't believe us, or even if you do, it won't hurt to ask for a sample of same. Five pennies change out a two-bit piece.

Speaking of parsimony, well have you seen them snappers and phox?

There comes here one Jason B. Polson who says Frankie Wagner may be chumped in a yard golfer, but that he (Polson) beat he (Wagner) out at least two games last week, and the one was 21 to 0. In both games, that is, about that. So it always goes to show even Frankie is not unbeatable, which proves nothing. Not even Sparkplug.

And for the tenth time today, the kiddies are hanging around in hopes they will be given a job for which to earn a nickel for another ice cream cone at "R".

A number of chickens came one Sunday with various appetites, poor things, the country air makes them that way. However, Rosedale chicken dinners sent them away feeling much better for the experience.

Now, number will out—we could not understand why the Nationalistic wayies were swooping down on and about the schoolhouse, but we found they were copying the fence of the Due Adamses, and one will see it enlarged down by Middlebelt corners. The only difference being the boys have entrance and exits.

Mildred Male now has a wading pool and spray and all. All the kiddies are invited to partake of a shower or hot afternoons.

And there came another dizzy salesman who couldn't understand why all the lady folks in Rosedale laughed at him. It was admitted by the observer that he was just the usual type of man, but he was trying to sell them a "muburn machine with not a cloud in sight and the thermometer at "R" registers registering 107 degrees in the shade, even the sun-tanned kiddies were playing quietly in the shade of the garage or down in the woodlands between the trees. So that was the reason gardenite mothers had to laugh and his too!

Mrs. Susan Bach has been added to the staff, and is mixing the beverages at the vitamin "B" counter, whilst Doctor Johnson sniffs capsules or counts the pills.

A little lady comes along and says we "forgot to mention our teachers" sometime back. If we did it certainly is a case of malfeasance of office of school historian. So, we have here with names in abc order of the "most beautiful, the most popular and the most teacher"—that is only the four most: Miss Ethel M. Belden, Mrs. Knill, Miss Margaret Rowe and Miss Doris Smith; as it was a trying year for all with so many stormy days and so many chicken poxes and mump poxes and measles poxes, etc. the aforesaid teachers worked hard with our little wild Indians, and at holiday and other festival times always presented a wonderful program. So now we hope they all have a wonderful and restful vaca-

tion. And, another thing, we are going to send some more to Plymouth Hills School this fall, viz. I. E.—Frances Cooper, Frank Schrader, Betty Snell, Marie Desmond, Herbert Kalmbach, Clark Cookley and Willis Huron. And the picnic last week was a huge success even if the weather was cold. And that's that!

"R" New Emporiums

The courteous atmosphere of the west corner of U. S. 12 and Blackburn for milady gardenite to do her shopping by day, and a place for checker tournaments by fire for Battermillers, cannot be beaten this side of Eden's storehouse. The task of tearing down "R" old store and moving the various cuisine inroads to the new location was all accomplished in the dark hours of Saturday night, the grocery departments were all ready for business as usual Sunday night. The meats department (including cheese) was moved Monday. Don't forget tomorrow! Day of days! The grand opening of our new emporiums will be held in all their glory then. Telephone number the same as heretofore—seven one one six farmers line four. So milady may shop in inclement weather and plenty of parking space for the fever or baby buggies in dry weather. Meet us at the fountain!

We made a formal call on Sir Lloyd R. Huron, M. B. C. (Member Buttermill club), in D. C. and found him in a direful quandary. Interrogating for an answer, were informed that it was "tres dubious" that his quandy was dogmatic on the subject of being unable to find a he-male boy or a she-male girl in this neighborhood who would come up to the urgent requirements for a Saturday session in the saddle club of R. C. Huron. Buck has been looking for two weeks for the ebbler who does not like ice cream to be an asset to Mr. "Tom Arlie" Mayes in giving away samples of feed cream, so now Buck has to play the best part himself, besides giving away balloons, samples for Milady Gardenite as well as playing host to all comers this Saturday afternoon. And for Daddies gardenite there is chewing gum and possibly a stick of candy. So a he-male and all, and if you are not on the mailing list, you'll be surprised!

Call G for Want Ad taker.

CADY NEWS

Helen Vandecar, Allee Tyrosky, George Prokop and Herman Wieland have had perfect attendance the past year.

The entire eighth grade were successful in their examinations. The class consists of Harry Dittmar, Allee Tyrosky, Irene Schrader, Hugo Rosenfisch, Frieda Gruner, James Zoumlaris, Edna Frost, Frances Zoumlaris and Robert Vincent.

School closes June 13th with a party in each room.

Trevor and Ella Aldridge left our district to live on Stellwagon road.

The Cady school is a gold star school this year. Each room earned its twelve points.

The teachers for the coming year at Cady will be Mrs. Truesdel, kindergarten and first grade; Mrs. Glenn second and third grades; Miss Uter, fourth and fifth grades; Mrs. Ames, sixth, seventh and eighth grades.

Local News

Mr. and Mrs. C. V. Chambers and son Stanley, spent Sunday afternoon at Pontiac.

Mr. and Mrs. Frank Westfall spent Sunday afternoon with Mr. and Mrs. George Tye, in Willis.

Mrs. O. F. Beyer was taken, last Sunday to Ford hospital, Detroit, where she is under observation.

Miss Marjorie Baker of Wyandotte, spent the week-end with Mr. and Mrs. Fred Patton on the Whitebeck road.

Mr. and Mrs. Robert Taylor have returned from Phoenix, Arizona, where they have been for the past few months.

Mr. and Mrs. Frank Westfall were Sunday evening callers at the home of the latter's parents, Mr. and Mrs. E. O. Place, in Canton.

M. G. Hill, formerly postmaster of this village, was married to Mrs. Cynthia Haynes of Ann Arbor, at Plymouth, Indiana, Saturday, May 31st. They will make their home at Culver, Indiana, where Mr. Hill has a home on Lake Maxinkuckee.

The annual picnic of the Business and Professional Women's Club was held on Tuesday evening, June 10th, at the new Plymouth Riverside Park. The committee in charge had provided a very delicious supper. Formality was dispensed with and every one enjoyed to the fullest extent the beauty of the new park, the companionship of the club and the hospitality of the hostesses. Lila Tegge, Irene Brown and Josephine Freeman. A short business session was held after which the gathering darkness compelled the return to town. The final meeting of the year, "Pal Night" will be held on June 24th.

Miss Alta Fisher was a guest at a house party at Mrs. Rodney Bacon's, Pontiac, last week-end.

Mrs. A. E. Patterson was a guest of her sister, Mrs. Ross Sutherland, in Chicago, last week-end.

Mr. and Mrs. Julius Wills and Jack Kinsey were guests of friends at Grand Lodge, last Sunday.

Mr. and Mrs. Claude Merritt and family of Detroit, called on Mrs. G. B. Crumble last week Friday.

Dr. F. A. Lundrum has been spending part of the week with his sisters at Wilkes Barre, Pennsylvania.

Mr. and Mrs. B. L. Coverdill have returned home after spending the past week in Indianapolis, Indiana.

Mrs. Julius Wills entertained twelve ladies at a bridge-luncheon at her home on Maple avenue last Friday.

Goodwin B. Crumble, general builder, has the contract for a house and garage for Howard Hunt of Northville.

The members of the T. A. B. bridge club will entertain their husbands Friday evening at the home of Mrs. Robert W. Willoughby.

Miss Dorothy Coverdill of Indianapolis, Indiana, is visiting at the home of her brother and wife, Mr. and Mrs. B. L. Coverdill.

Mr. and Mrs. Harley Norman of Berkley, were Sunday guests of the former's sister and husband, Mr. and Mrs. E. Cummings.

Mr. and Mrs. George Childsey of Highland Park, were Sunday callers at the home of Mr. and Mrs. George Miller at East Plymouth.

Mr. and Mrs. Homer Tefft and children moved from Mrs. Ethel Kincaid's house on South Main St., to Parker's Corners, near Fowlerville.

In the report of the VanAtta reunion given in last week's Mail, it was stated that there were 41 in attendance and it should have read 71.

While Fred Sockow, Sr., was working in a field last week Tuesday, one of a team of horses fell on him, breaking Mr. Sockow's left kneecap.

Mr. and Mrs. Clayton Olsaver and Maynard Hansen of Willoughby, Ohio, were guests of relatives here and in South Lyon, the first of the week.

Mr. and Mrs. C. H. Bennett were in Alma, Mich., last week Friday, where Mr. Bennett attended a meeting of the board of trustees of Alma College.

Mrs. George E. Angell of Alhambra, California, and F. H. Gunn of Pasadena, California, were guests this week of Mr. and Mrs. Caello Hamilton.

The Rebekahs will hold their memorial services at their regular meeting tonight. All Rebekahs, Odd Fellows and their friends are invited to attend.

Mr. and Mrs. J. W. Henderson left Wednesday for Mr. Vernon Wash, where they will visit their son, C. J. Henderson and family for several weeks.

Trackless trolley cars will be placed in operation Saturday on the Plymouth road from Grand River to River Rouge Park. Forty-two passengers may be seated in the electric coach.

Mrs. Andrew Nulfer and Miss Elizabeth Nulfer of Blissfield, and Mr. and Mrs. E. E. Griffin and son, Lynn, of Alhambra, California, spent several days this week with Mr. and Mrs. E. J. Brown.

Guy Welch, who has been manager of the meat department at the Atlantic & Pacific Tea Co.'s store for about a year, has resigned his position, and has gone to Springfield, Ohio. Mr. Welch made many friends during his stay in Plymouth.

On Thursday evening, the American Legion and Ladies Auxiliary had a picnic supper at Cass, Benton Park. There were forty members present. All enjoyed a pleasant evening, and hope to have several more picnics during the summer months.

Mrs. Walter Madsen of the Plymouth Hotel Restaurant, entertained at a dinner party for Mrs. Andalucia VanVleet, who celebrated her 94th birthday last Saturday. Mrs. VanVleet was the recipient of a number of gifts in remembrance of the occasion.

Mr. and Mrs. H. A. Spicer have received an announcement of the birth of a great grandson, Robert Hays Powless, son of Mr. and Mrs. Hays Powless of Detroit, on June 8th. Mrs. Powless is the daughter of Mr. and Mrs. H. Wakely (nee Rhoda Spicer).

Dewey Smith, who resides at 542 Maple avenue, and is superintendent of the H. R. Penhale woodworking plant on Golden road, had the misfortune to have his right foot caught in a shaper at the factory, last Saturday morning, badly cutting the ball of the foot. Mr. Smith will be incapacitated from work for some time.

The Helping Hand Society met Wednesday of last week, with Mrs. Josephine Hix and Mrs. E. E. Pattison on Ford road. There was a good attendance of members and an extra large crowd for supper. The supper collection was \$6.00. The next meeting will be with Mrs. Mauriece Fullerton, and a picnic dinner will be held on Belle Isle. Further notice will be in the Mail later.

Louis Holloway and son, Robert and family, motored through the southern part of Ohio, Sunday.

Last week Thursday evening, the officers of Plymouth Lodge No. 238, Knights of Pythias, for 1929-31 were installed and work in the Second Rank was conferred in a very impressive way.

Mr. and Mrs. R. E. Giles, Miss Virginia Giles, Phyllis Samsen of this place, and Mrs. Elizabeth Christwell of Detroit, attended the graduating exercises of the Dundee High School, Monday evening.

Berg D. Moore, secretary of the Plymouth Chamber of Commerce, was called to Indianapolis, Ind., last Saturday, on account of the death of his grandmother. Mr. Moore returned to Plymouth, Wednesday.

The Ready Service class of the Presbyterian church will hold their regular meeting Tuesday, June 17, at Mrs. Linus Galpin's 207 S. Main St. There will be a business meeting, pot-luck dinner and the usual program.

Mrs. Alice McClumpha closed a very successful term of school in the Kiyon district last Thursday, June 5th. A picnic dinner with an attendance of 50 was held at Huron Park, Ann Arbor. The children presented her with a ready filled fernery. The district is fortunate in securing her for another year.

Every time some Plymouth men have to do a little spading in the garden they carry on as though someone had asked them to dig another Panama canal.

MORTGAGE SALE

Default has been made in the conditions of a certain mortgage made and executed by Fred J. Orr and Lena Orr, husband and wife, of the Village of Plymouth, County of Wayne and State of Michigan, as mortgagors, to Charles R. Carson and Mary E. J. Carson, husband and wife, and to the survivor of either or them, of the Township of Livonia, said County and State, as mortgagees, dated the twenty-second day of February, 1924, and recorded in the office of the Register of Deeds in and for the County of Wayne and State of Michigan, in Liber 1298 of Mortgages, on page 484, on the twenty-fifth day of February, 1924, and said mortgages have elected, under the terms of said mortgage, that the whole amount secured by said mortgage, has become due and payable, on which said mortgage there is claimed to be due and unpaid at the date of this notice, for principal, interest, and insurance premiums the sum of Four Thousand Six Hundred Seventy-Six Dollars and Nine Cents (\$4676.09), and no suit or proceeding at law or in equity has been instituted to recover said money or any part thereof.

NOW THEREFORE, by virtue of the power of sale contained in said mortgage, and pursuant to the statute in such case made and provided, notice is hereby given that on Monday, the eighteenth day of August, 1930, at eleven o'clock in the forenoon, Eastern Standard Time, the undersigned, or the sheriff, under-sheriff, or a deputy sheriff, of said Wayne County, will sell, at public auction, to the highest bidder, at the southerly or Congress Street entrance to the Wayne County Building in the City of Detroit, County of Wayne and State of Michigan, (that being the place where the Circuit Court for the said County of Wayne sits) the premises described in said mortgage or so much thereof as may be necessary to realize the amount due, together with any additional sum or sums, the mortgagees may pay under the terms of said mortgage, with seven (7) per cent. interest and all legal costs allowed by law and provided for in said mortgage, including an attorney's fee, which said premises to be sold as aforesaid are situated in the Township of Livonia, County of Wayne and State of Michigan, and described as follows, to-wit:

Beginning Three Chains and Sixty-seven and one-half links North from the Southwest corner of the West half of the North-west Quarter of Section Thirty-two, T. 1 S., R. 1 E., Michigan, thence running Northwesterly Three Chains and Seventy-three links to the center of the Ann Arbor Road; thence Easterly along the center line of said Ann Arbor Road, Two Chains and Forty-five links thence Southwesterly, parallel with the West line of said Section, Three Chains and Fourteen and One-half links; thence Westwesterly, Two Chains and Forty-six links to the place of beginning. Dated: May 22, 1930.

CHARLES R. CARSON,
MARY E. J. CARSON,
Mortgagees.

John S. Dayton,
Attorney for Mortgagees,
Plymouth, Michigan.

New Ford Car Wins Favor

Ford Phaeton

THE Ford Phaeton, shown above, is equally popular as a family car and as a sport car for young people. The seating arrangement provides for the driver and one passenger in front and three passengers in the rear. Seats are upholstered in two-tone cross cobra grain artificial leather. The top is of the quick collapsing type, easily handled by one person, and folds flat. The windshield, of Triplex shatter-proof glass, is of the folding type and can be laid flat forward. The windshield wings fold over it, emphasizing the sport effect of the car.

Del Mar Beauty School Instructor Talks To Women

Miss Hudson, representative of the Del Mar Beauty School of Detroit, was at the Artiste Shoppe at 274 Main street, to interview women interested in beauty culture, last Saturday. A number availed themselves of the opportunity to learn something of one of the largest beauty schools in Michigan.

Madame Nelle B. Watt, who founded this school at 3067 East Grand Blvd., is one of the pioneers of beauty culture. Many years ago she founded the school in its present location, starting with a very modest beginning until now this school is recognized as one of the foremost, not only in size, but in leadership in the most advanced of subjects and equipment.

Madame Watt is the originator of the "Earn While Learning" system. Every girl entering this school is given the opportunity to make half of all money taken in the work done for customers. The professional parlor enjoys a large clientele and there is ample opportunity for all to gain plenty of actual shop experience and at the same time make good money. Many of the girls have more than made their expenses in this parlor while still a student. They, too, they send the advanced students out on part time employment over the week-end, where they earn from \$7 to \$10.

The Del Mar employs seven instructors, has the very best of modern equipment, and teaches the most advanced subjects. The finger and permanent waves are absolutely works of art. The operator studies the type of each customer and suggests the proper wave needed.

Miss Francis Welmer, who has opened the Artiste Shop is a graduate of this school. Miss Welmer having graduated from the school some years previous.

LOCAL NEWS

Mr. and Mrs. Harry Micol spent Saturday afternoon in Detroit.

Mrs. George Richwine is a patient at the University hospital, Ann Arbor.

BILL, THE BUS DRIVER SAYS

"Look back before you roll back and there won't be no come-back."

(By MARCUS A. DEW.)

A grown-up man stepped out of his house on a bright clear day. It was a quiet street, sun shined, no wind, no rain, no fog. Nothing to get his goat or interfere with his actions. He had two good eyes, was not deaf, was not hughouse—in fact nothin' wring with him whatsoever.

His mental and physical construction was grade A. He wasn't in no particular hurry. Was on his way to a library to get a book for readin' that evening. So takin' everythin' into account he didn't have an alibi to cover what he done. I leave it to you.

He got in his car standin' at the curb, started the engine, throwed it in reverse and without turnin' his head, twistin' his neck or makin' any effort to look behind him, he backed that bus of his into another one standin' right in back of him. The bus he hit rolled down hill and smack into a baby carriage that was bein' wheeled across the street by a twelve-year-old girl and tips it over. There was a six-months-old baby in that go-cart. It landed on its little head! If you know anything about kids you know at the age their heads is kinda soft and tender-like on top. Well, it killed that poor little mite tender than a door nail. Now that guy wasn't speedin'. He wasn't even drunk, though you'd think he must have been cock-eyed.

He was just a plain drivin' fool backin' up a car without lookin' behind first to see what was the lay of the land. Backin' up with a jerk by strappin' on the gas too hard and sudden. He snatched into that car like he didn't give a hoot. And he broke a mother's heart.

I know plenty cases where some poor innocent kid or a unlucky zuy crankin' his bus has got bumped off or crippled fearful by some careless bozo backin' up sudden without lookin'.

Does your shin hurt a little? Let it be lesson to you.

GET 60 PIECES OF GOLD, ONE FOR EACH YEAR WED

Mr. and Mrs. John Monahan, of Green Oak Township, are believed to be the oldest married couple in that vicinity. Their sixtieth wedding anniversary, celebrated Sunday at their home, was attended by 200 persons. The couple was presented with sixty pieces of gold. Monahan, who is 86 years old, was born on his present farm, which was cleared by his father a century ago. Mrs. Monahan is 81. They have a son, three grandchildren and three great grandchildren.

According to Dad Plymouth, the modern girl would rather mend a fellow's ways than his socks.

Since Ananias wasn't in politics, how did the reputation of being the world's greatest liar develop.
