

## STATE BEGINS REGISTRATION FOR POLL TAX

### Every Person Over 21 Must Pay \$2 To State Each Year

Prepare Mr. and Mrs. Plymouth, all you who are over 21 years of age, to pay another tax.

This tax is the \$2 a year poll tax that the state will begin collecting each year from now on for all persons over the age of 21 years and to be used to pay chiefly salaries of new political office holders and disburse the remaining amount left among people of the state over 70 years of age who are destitute.

The new \$2 tax must be paid by every person over 21 years of age, no matter whether you have an income, no matter whether you have the \$2 or no matter how much tax you might be. No exemption has been made in the law for those that are paid from public welfare funds. They too must pay the new poll tax.

Letters have just been sent to all county clerks and county treasurers in the state requesting them to immediately register every person over 21 years of age in the various counties of Michigan. The county clerk must do the registering and the county treasurer must do the collecting of \$2 each year from every person in the state over 21 years old.

Miss Evelyn Mershon, recently appointed director of the state welfare department by Gov. Cooch, in letters sent to the officials stated that registrations of those liable for payment of the poll tax must be made by November 15.

In her letter to all county clerks in the state, Miss Mershon stated that the welfare department is now in the process of building an adequate and efficient system that will assist the clerk and the county treasurer in handling the registration and in the collection of the head tax.

The state welfare head said, "The details are considerably greater than originally anticipated and it has been found that there are some 60,000 pounds of paper to be printed in forms for use in the county systems. Also the filing equipment must be purchased and delivered to the counties. This problem alone will take the greater part of September. Therefore please do not plan to start this registration or collection of the tax until you receive your equipment and printed forms."

"All the better counties will be interviewed by a member of the staff of this department who will explain in detail the system to be followed."

The state now intends to set aside five cents per registrant for registering those liable to payment of the tax and for the collection of the tax. One cent per registrant is to be set aside to cover the cost of collection. The balance of four cents per registrant is to be set aside to cover the cost of registration of all persons over the age of 21. The tentative plan in counties the size of Ingham is to pay two cents per name to the county clerk and two cents per name to be an enumerator appointed by the county clerk.

Because of the prior doubt that the old age pension law would be enforced there has been delay in formulating a system of registration. The statutory date for completion of the registration is October 1 but the state welfare department has extended the time to November 15.

Some county clerks urge applicants for pensions to delay making application until after October 15. They say that there will be no forms available until that time. According to the state welfare department no applications will be considered until January 1, 1934, when a Wayne County Old Age Pension Board will be established. The board will be made up of the county welfare agent, who will serve as chairman, a judge of probate, and a woman to be appointed by the board of supervisors.

The maximum pension under the law is \$30 a month. All pensioners must be above 70 years of age and must have resided within the state for 10 years prior to making application for a pension. No one other than a citizen of the United States is eligible to receive a pension.

No pensions will be granted to persons confined in prison, jails, insane asylums or other public correctional institutions. A husband has deserted his wife or a wife has deserted her husband for a period exceeding six months during the 10-year period prior to application no pension will be granted. Husbands or wives who are without just cause, withheld support from their children under 16 years of age during the 10-year period will not be given pensions. No professional tramp or beggar may become eligible until he abandons his trade for at least a year.

Parents having children or other persons under the laws of the state responsible for their care and more will not be able to obtain a pension. If a person has deserted himself of property so that he could qualify for the pension, the pension shall be denied.

## Rev. Matt Mullen To Preach Here Sunday

Rev. Matt Mullen, former pastor of the First Congregational church, Port Huron, Michigan, and now a member of the Detroit conference will be the guest preacher at the Methodist Episcopal church in Plymouth Sunday morning at ten o'clock. Rev. Mullen is a speaker of unusual force, and members of the local congregation are looking forward with pleasure to his message.

## Pays To Advertise Declares One Who Did With Results

Does it pay to advertise? L. W. Price, manager of the Michigan Federated Utilities of Plymouth, knows that it does.

The gas company recently inaugurated a sales campaign in Plymouth of gas water heaters.

For several weeks the company carried in the Plymouth Mail advertisements of the Water Heater special sale. It followed a campaign up with a sales drive and as a result it was necessary a week ago to end the campaign as the entire stock of gas water heaters had been disposed of and the company had to make additional immediate deliveries.

Even though times seem hard and there is to talk except slow business and NRA, the gas company found it most profitable to conduct this newspaper advertising campaign.

It pays to advertise, no matter how slow business seems to be.

## Home Demonstration Programs To Start

Wednesday, Sept. 20, is the Rally Day which begins the work for the County Home Demonstration program for the year. It will take place in the gymnasium of the Flat Rock High School. Women from all townships of the county will gather for the luncheon which starts the program for the day. Groups are already organized and enrolled in the Clothing, Home Furnishings, Nutrition, Home Nursing and Dramatics Projects.

Following is the program for the day:

11:00—Arrival of all members to set tables.

12:00—Luncheon, served promptly.

1:00—Community Singing, Margaret Eckhardt, 4-H Club Agent.

1:15—Report of Farm Women's Institute at East Lansing, Mrs. Perry Campbell, Canton Center.

1:40—Program for 1933-1934.

2:00—Duties of Members and Officers, Miss Edna V. Smith, State Home Demonstration Leader.

2:30—Using the Wayne County Library, Miss Lolla Dawson, Wayne County Librarian.

2:45—"High Lights of the World's Fair and Vacation Days in the West," Emma DuBord.

3:15—Native Bush Seed Demonstration for Chair, Mrs. H. J. Schrandt, Flat Rock Group.

4:00—Closing Song.

## Gasoline Prices Continue To Rise

More taxes! Higher prices! That seems to be about the every day schedule of Plymouth buyers these days.

During the past week, automobile drivers have been confronted with increased prices in gas prices.

The first came during the middle of the week. Not much, but a half cent or so.

Then came along another increase Sunday morning of a full cent a gallon.

Gas dealers declare they have no knowledge of where it is all going to end. They fear that before now gas prices will be much higher than at present.

Henry Sage, one of the well known gas dealers of Plymouth, states that there is a new regulation now which requires gas dealers to advise their customers in advance whenever they know of an increase in price.

## Many Violators of Game Laws Arrested

When Victor Langford of Detroit was brought before Municipal Justice Herald Hamill the other day by Conservation Officer Wilson of Detroit, he was the ninth game law violator brought before Justice Hamill since he assumed office.

Langford was found by Officer Wilson down by Phoenix lake with a number of underpaid fish in his possession. He paid a fine of \$5 and costs of \$2. Lynn Smith was brought before Judge Hamill by local officers on a second charge of speeding on the streets in Plymouth and he paid a fine of \$5 and costs of \$2.

## SCHOOL YEAR BEGINS NEXT MONDAY MORN

Everything is in readiness for the opening of Plymouth's public schools next Monday morning. The building is ready, supplies and other materials on hand, and teachers are returning from their several homes about the state, all looking ahead with the boys and girls to an enjoyable year in 1933-34.

There will be one new face among the corps of teachers in 1933-34, caused by the resignation of Mr. Cobb who continues his work in Harvard University. Miss Irene Waldorf will be the new teacher.

There will undoubtedly be a large attendance again this year, due to the fact that the NRA keeps many minors out of employment which are otherwise absorbed in industry. Boys and girls who are unable to go to work will find the best advantages for them in the high schools, and the most of them will be there enjoying the opportunities of additional study.

The Board of Education this year will have in the auditorium tables where those having second-hand books and those wanting to buy second-hand books can meet and make exchanges, the same as was done last year.

The bus company has arranged its schedule to make it possible for those boys and girls on the Plymouth Road to have the same convenient service that was provided a year ago.

The ninth grade pupils are practically all classified, and a number of new pupils have enrolled in the high school grades.

The sounding of the gong at eight-thirty Monday morning will find pupils and teachers cooperating for a successful year.

## Welfare Aid Falls Off Over in Nankin

There were only 3 families in Wayne township receiving welfare aid Sept. 1, according to Peter J. Snyder, supervisor of Nankin township.

Figures supplied by the Nankin Township Community showed that 235 families in Nankin township received welfare aid during the month of August. Of this number 110 men were engaged in road work, while 125 families were receiving direct aid without making an exchange of labor.

The number of families receiving assistance is about the same as a year ago, according to the supervisor's office. It is anticipated that with the ending of the garden season and fewer odd jobs, such as men are able to pick up in the summer time, there will be more requests for welfare aid.

## Long Illness Ends Life of Frank Boyle

Frank J. Boyle, 54, lifelong resident of Salem township and former deputy sheriff of Washtenaw county, who had many friends in Plymouth died Saturday night at an Ann Arbor hospital after an illness of several months.

He was born April 22, 1879, in Salem township, the son of the late James and Margaret Boyle. He was an auctioneer.

He is survived by a brother, James of Toledo; two nieces, Mrs. Tessie Jones and Mrs. Ray Savery, both of Ann Arbor and two nephews, Louis Boyle of Toledo and John O'Hara of Royal Oak.

Funeral services were held from St. Patrick's church in Northfield at 10 o'clock Wednesday morning, and interment was in St. Patrick's cemetery. The members of the sheriff's department acted as pallbearers.

## War Veteran Widows Must Pay Sales Tax

Widows of war veterans who have in past years been given exemption by congress and legislative bodies, have been entirely forgotten by the state of Michigan in the administration of the new sales tax.

Numerous inquiries resulted in Secretary Bern Moore of the Plymouth Chamber of Commerce in writing Managing Director James E. Morgan of the State Board of Tax Administration in Lansing, and asking if widows of war veterans were exempted from paying the sales tax.

"Managing Director James E. Morgan" wrote Mr. Moore that war veteran widows are not exempted under the sales tax law and they have got to see some of the money the government gives them for their support for the payment of the sales tax.

Not only must these widows pay the sales tax, but soon the state is going to exact another \$2 from them in the form of a poll tax. The state has announced that this tax collection will begin shortly.

## Judge Brennan To Address Kiwanians

Judge John V. Brennan of the Recorder's court of Detroit, will be the speaker at next Tuesday evening's meeting of the Kiwanis club of Plymouth. Attorney David Harbough who invited Judge Brennan out to Plymouth, states that the subject of the address will be on the subject, "The Constitution." Judge Brennan has for years been regarded as an authority on the basic law of the nation and his address to the local club will without question prove of more than ordinary interest. The members of the Wayne Kiwanis club as well as a number of Detroit Kiwanians will be present.

## MORE OPENINGS IN FOREST WORK

The welfare department of the city of Plymouth has been advised by Mr. Baileger, superintendent of Welfare for the city of Detroit that a new quota of boys between the ages of eighteen and twenty-five will soon be available for enlistment in the (Civilians Conservation Corps).

A meeting of welfare officials of Wayne County will be held on Thursday afternoon, September 14th, at which time their program will be outlined and information given relative to the enlistment.

The quota for the city of Plymouth for the last conservation enlistment amounted to eighteen men. It is hoped that a similar number will be allowed at this time. Any one interested in enlisting in this work should call at the city hall the latter part of this week or early next week to obtain any data which we may have at that time.

## Plymouth Prepares To Pay Sales Tax

Prepare, you business men of Plymouth to dig down deep in your pockets today and mail to the state the money you have been forced under the law to extract from the consuming public.

Today, September 15, is the final day for your returns for the month of August.

No one has any idea as to the total amount paid by Plymouth to the state in the form of sales tax but it must run into the several thousands of dollars each month.

## Plymouth Kiwanians Plan to Attend The Bay City Convention

Several members of the Plymouth Kiwanis club are planning to attend the annual state convention to be held in Bay City September 27 and 28.

Musk is going to play an important part in the sixteenth annual district convention according to Clarence Dusenberry, of Pontiac, chairman of the district music committee. For the first time, this year a state music contest will be held Thursday afternoon, Sept. 28, in a Michigan Kiwanis club eligible to compete.

Clubs will send vocal quartets and soloists, orchestras, bands, and instrumental specialty groups to take part in the contest, which will be judged by Troy Williams, a member of Kiwanis. A beautiful silver trophy will be awarded to the winner by the Michigan District, and two years' winning gives the holder permanent possession of the trophy.

The Owosso singing club will hold the musical spotlight at the act of taking apples from the orchard of John Sullivan, near North Lake. He had a large steeltaker with a four-wheel trailer on the rear. The men were in the trees picking apples when Sheriff Thomas Knight, Dennis George Atkinson and Alex Schlupe arrived.

Thirty-five bushels of apples were stolen from this orchard last week Thursday and it is believed the job was perpetrated by the same men.

Others arrested with Pace are John Voden, 49; Sam Nicita, 35; Carl Anderson, 31; Alex Ray, 33; A. R. Swope, 32; Roy Crisp, 38; Henry Lucas, 52.

## Detroit Communist Held as Apple Thief

John Pace, 35, Lincoln Park well known Communist leader who figured prominently in the disorder at the Ford Motor company plant more than a year ago and who has given authorities considerable trouble at Lincoln Park and other places was arrested by Sheriff Jacob B. Andres deputies of Ann Arbor Sunday morning in Lyndon township west of Plymouth for stealing apples.

Pace with seven others, all of Lincoln Park, was caught in the act of taking apples from the orchard of John Sullivan, near North Lake. He had a large steeltaker with a four-wheel trailer on the rear. The men were in the trees picking apples when Sheriff Thomas Knight, Dennis George Atkinson and Alex Schlupe arrived.

Thirty-five bushels of apples were stolen from this orchard last week Thursday and it is believed the job was perpetrated by the same men.

Others arrested with Pace are John Voden, 49; Sam Nicita, 35; Carl Anderson, 31; Alex Ray, 33; A. R. Swope, 32; Roy Crisp, 38; Henry Lucas, 52.

Charles Robertson and daughter, Miss Dorothy, and Orlina of Goderich, Ontario, visited at the home of Mr. and Mrs. E. J. Cutler over the week-end, arriving Friday evening and leaving Sunday afternoon. They spent Saturday morning at Greenfield Village and enjoyed an airplane ride at the Ford flying field.

## WORKERS BEGIN CLEANING OUT CREEK SEWER

### County Drain Official Places 25 Men At Work Within City

On Monday of this week twenty-five men assigned by the city of Plymouth county drain commissioner started the work of cleaning out Tonquish creek. Another group of men working for Plymouth township started at Moreland avenue and are working northward cleaning out the creek in Plymouth township. The men from the city of Plymouth began work at Moreland avenue and are working eastward. At the present time they have cleaned out and dressed up the bank on approximately one and one-half miles of the creek.

The work will continue until about the 18th of September, at which time the schedule for this month will have been completed. A new schedule will be arranged for October and a like number of men will be engaged in this work during that month.

It is hoped that the entire ditch running through the city can be cleaned out and improved before the end of the work can continue as long as federal funds are available for unemployment relief. The city is also planning a number of men to be used on county road work under the same plan.

According to the city manager, no arrangement has been made with the county relief administrator whereby the men can also be used on their wages paid out of federal funds.

During the month of October the persons receiving welfare aid will be scheduled to work on the county roads, county drain and for the city of Plymouth. The regulations of the federal government require that families engaged in this work shall be in need and are handled as regular welfare aid. It is necessary that a complete history of the family be written up and an estimate made of the minimum requirements. This estimate is converted into dollars and work is scheduled for the family in accordance with the estimated requirements of the family. Payrolls are paid by Wayne county and at a later date reimbursed by funds received from the federal government.

There has been some local misunderstanding about the work being done by the county drain commissioner. All of the men engaged in this work are regular welfare clients and the regulations of the federal government require that only such persons as are in need of relief be engaged in this work. The work being done is not assessed against any property in the city of Plymouth, but is merely undertaken to provide work instead of outright aid for the needy families. No money is engaged in this work in any way near a full time basis, the average being approximately eight days per month. It is estimated that a considerable amount of improvement work can be done during the coming season, no matter what the weather, both inside the city of Plymouth and other parts of the county by use of this labor on city and county projects. No definite plans have as yet been made for handling relief during the winter months when outside work is not available. Information relative to this program will be furnished by the federal administration and the Wayne county relief committee within a short time.

## Champions Fall To Local Quoit Player

Bobby Hill, Plymouth's champion quoit player, has taken down to defeat two more quoit pitching stars. Down at the state fair Sunday in the tournament arranged for the best players in Michigan, Bobby defeated Joseph Bennett, winner of the men's tournament, the youthful Plymouth player taking two straight games from him. Mr. Bennett was state champion of Illinois in 1932.

In the next game Bobby defeated Miss Sarah Shultz of Hartsville, Illinois, world champion woman quoit player. The youth defeated her by a score of 50 to 47. He threw 22 double ringers in this game. Over 4000 people witnessed the contest.

Bobby will defend his junior title at Northwestern field in Detroit tomorrow and on Sunday he will play at the Orange street courts in Detroit.

## D. A. R. Will Meet Monday Afternoon

The opening meeting of the Sarah Ann Cochran chapter D. A. R. will be held at the home of Mrs. Royal B. Larkins, 204 Easton Drive, Northville, on Monday, September 18, at 2:30 o'clock.

This is Magazine Day and a very interesting program under the direction of Mrs. Sherwin A. Hill, concerning the National Magazine of the D.A.R. will be given.

## Maccabees To Honor A Charter Member

On Wednesday evening, Sept. 20th at 8:30 o'clock, the Lady Maccabees will entertain at a dinner honoring Lady Alma Pinckney, a member of the Maccabees, who with her family plan to move to Mt. Pleasant in the near future.

There will be no business meeting, the entire evening being devoted to a social time. Any information regarding the dinner may be obtained from the chairman, Mrs. Estep, phone 343.

## Vacuum Machine Thieves Are Busy

Chief of Police Vaughn Smith believes that women of Plymouth are being victimized by a vacuum sweeper thief who has been making calls at some homes in the city. The scheme is to call and ask if the vacuum sweeper is in good working order, and if it is not, they ask to be permitted to take it away and repair it, offering to do the work for an exceedingly small sum. But the vacuum never comes back. Chief Smith states that housewives should write the companies direct if they think it necessary to have vacuum machines repaired.

## Hospital Notes

Miss Jean Mining of Ann Arbor Street underwent a tonsil operation Monday.

Kathleen Christner was removed Wednesday to the home of her brother in Detroit.

Miss Jean Christner returned Tuesday to her home in Reed City. Mrs. John Furman remains about the same.

Richard Calais of Palmer street was dismissed Tuesday.

Jean and Marie Durant were recent guests of relatives in Detroit.

## Pledge Cards for Rural Routes

Plymouth rural mail carriers will Monday leave in every box on the rural routes out of Plymouth NRA consumer pledge cards, states Postmaster Bert Giles, a member of the Plymouth NRA executive committee. Patrons of the rural routes are requested to sign these cards and leave them in the boxes the next day, with the flag up, so that carriers will know that the boxes contain the signed pledges. NRA stickers will be left where pledge cards are signed. Rural route patrons are strongly urged to sign these pledges.

## President Insists On Price Advances

A Washington dispatch says: "The president has made it plain that he wants a steady, gradual rise in prices and that he would take whatever steps were necessary to bring this about."

## Prisoner Held For Trial For Robbery

Through the work of Robert Moore, finger print expert connected with the sheriff's office, Chief Vaughn Smith was Tuesday able to secure sufficient amount of evidence to hold over to Detroit court, John Wilson, 23 years of age, address unknown, on a charge of breaking and entering in the night time. Wilson is accused of having attempted to rob the Towle & Roe place of business a few nights ago. The arrest of Wilson came as the result of his inquiry for the automobile he had left near the Towle & Roe place. Because of the fact that the car had been left apparently abandoned for some time, the Wilsons removed it to the city hall. Meanwhile the attempted robbery of the lumber office was discovered. When Wilson called for his car he was arrested and a finger print check produced evidence of the fact that he had been in the place Judge Herald Hamill following the hearing found him over to Detroit court.

## Women Complete Consumer Pledge Campaign In Plymouth

Under the direction of Miss Alice Safford, chairman of the committee elected to direct the campaign in Plymouth to secure signers to the NRA consumer pledge cards, Plymouth has emerged with practically one hundred per cent enrolled in the NRA membership drive.

Dozens of Plymouth women cooperating with Miss Safford covered every section of Plymouth. Where people were found to be slow the NRA workers returned to the homes the second and third times in order to secure signatures. There were but 46 in the city who requested additional time to know more about the purposes of the NRA and in nearly all of the cases they were elderly women who had not had an opportunity to become thoroughly acquainted with the NRA consumer campaign.

Miss Safford was highly pleased over the fine cooperation given by the large number of women who assisted in this work. She requests that if there is any one in Plymouth overlooked by the committee that they call at the postoffice and ask Postmaster Bert Giles to provide consumer pledges. These pledges can now be signed at the postoffice. The total number of homes signed was 835.

## Masonic Members Will Meet Tonight

Members of Plymouth Rock Masonic lodge of Plymouth have been summoned to an important meeting to be held this evening (Friday) at 7:30 at the Masonic temple, A. K. Brocklehurst, Worshipful Master, in his notice to the members of the lodge, he stated the purpose of the meeting, but he strongly urges every member to be present and take part in the deliberations. The local lodge is one of the oldest in this part of the state.

## New Officers To Be Installed Tonight

The American Legion organization will install their new officers this Friday evening at the Mayflower hotel, the Northville Legion will hold their annual convention on Saturday at 7:30 at the Masonic temple. A. K. Brocklehurst, Worshipful Master, in his notice to the members of the lodge, he stated the purpose of the meeting, but he strongly urges every member to be present and take part in the deliberations. The local lodge is one of the oldest in this part of the state.

## Club Members Told Of Sales Tax Law

Members of the Kiwanis club Tuesday evening heard an interesting talk on the new sales tax law, many of its perplexing problems being answered by Edward Scully, field representative of the state board of tax administration.

Mr. Scully gave local automobile dealers a surprise when he told them that the state expected them to pay a state sales tax on the federal tax that the dealer has to collect from the buyer when he sells an automobile. The dealer is computing his state sales tax must add the sales price of the car, the federal tax and the state sales tax together and then pay the state a three per cent tax of this amount. A good portion of the evening was spent by Mr. Scully in answering numerous questions that were asked him.

## De-Ho-Co Has Picnic

The picnic held Sunday in Riverdale Park by the De-Ho-Co social club, under the general chairmanship of George Jarratt, Sr. was a huge success, having an attendance of between four and five hundred present.

The day was ideal and the guests began arriving by nine o'clock in the morning with their baskets of good things to eat and many remained until the same hour at night enjoying the beauties of the park and its many advantages. The club had made many plans for the entertainment of their guests having races for the children with prizes for those competing, two baseball games, a tug-of-war, horse-back pitching and a putting contest for the older ones. In the latter A. B. Thompson making a hole in one at twenty feet.

The officers, matrons and many guests present were from Plymouth, Northville, Detroit, Pontiac and Mt. Clemens.

## ROAD BOARD FAIR TO ALL IN WORK PROGRAM

### Men Outside Detroit Get Same Hours and Same Pay As City Workers

Recent complaints that the Wayne County Road Commission was showing favoritism to workers from Detroit over those from the towns and communities outside Detroit in Wayne county are without basis.

A few days ago some of these complaints came to the Plymouth Mail office in which it was said men from Plymouth and Northville got only half the amount of work as men from Detroit.

Inquiry was immediately made and it was found that the county road commission is giving, in consideration outside of Detroit the very same consideration as men in Detroit.

The commission has set up an excellent completion plan that provides the same amount of work for men in the county as received by men in the city, with the same schedule of pay for both.

The response of Mr. J. K. Norton, road engineer of the commission, was that the commission has made for handling this situation in part it follows:

"We have three classes of men on our payroll which are as follows: 1. Men who have been in our employ for more than three years. They are designated as 'regular employees.' 2. Men who have been placed on our payroll in the promotion of our work relief program. These men are designated as 'work-relief' men. 3. R. F. C. men—this group is assigned to us by the supervisors of welfare departments of the various governmental units of Wayne county.

"Class No. 1 composed of regular men, is given five days of work at eight hours per day each week. Class No. 2, the work-relief men, is given four days of work at eight hours per day each week. Class No. 3, R. F. C. men, is given from two to ten days of work per month in accordance with their needs as determined by the supervisor of the welfare department of the township or municipality from which they come."

In word of explanation of the meaning of R. F. C. men—township or municipalities needing welfare relief make application to the Federal Government for funds to carry on this relief. The money so received is then put out in straight dole or may be worked out in several ways.

"This commission is cooperating with these various governmental units in supplying a place for the men to work. The townships or municipalities sending us those men are given the full amount which has been previously been assigned over to us. In other words, we make no charge for supervision, machinery rental or overhead costs. Therefore, you can readily see that the total relief we are carrying upon the welfare lists of the various agencies amounts to the same sum as if it were given out in straight dole. This, of course, we believe is more satisfactory as a method of distributing this U. S. relief money."

"Referring directly to your letter in which you state that it is alleged that men from Northville and Plymouth are discriminated against, these men probably fall into the class of R. F. C. men who are carried on their payrolls at 45 cents per hour for eight hours per day. The number of days allotted to them is scheduled by their supervisor in accordance with the relief they are entitled to. In some cases, this would amount to four days per week; in some cases, ten days per month; but it is entirely up to the supervisor as to how much consideration they need.

"Our other two classes are regular and work-relief men who are given five and four days work respectively regardless of where they come from."

## Did You Know That

Congleton Gold Seal Hugs e special prices. See samples at National Window Shade Factory. Yes we clean and repair window shades.

Joseph L. Arnet & Son, Ann Arbor, manufacture from the raw material direct to the consumer, of the largest lines of Memorabilia in Michigan. Everything in stone. Represented by B. R. Gilbert, 955 Pennington Ave., Plymouth.

## ROOSEVELT OUR HOPE

Amid all the clouds of misgivings and fear, of doubt and uncertainty that seems to envelope our land at the present, there stands out as clear as the sun in the sky one hope upon which we can pin our faith in the justice of all that the government seems to be doing at the present time—and that one hope is President Franklin D. Roosevelt.

Sometimes when we see certain things that look unfair and testify of favoritism to the mighty we wonder after all if the struggle is worthwhile. We wonder if there is any use in trying to maintain a government that was in its beginning dedicated to all the people. When we see the richest men of the nation escape the payment of income taxes aided and abetted in their schemes by the officials of the government and when we note the tremendous tax refunds made by the government to the special few and the constantly increased tax burden heaped upon the little fellow, it is but natural that faith in the administration of this government "of the people" is shaken.

But this is not the first time in our history when a similar condition has prevailed—and always there has been some one to arise and lead the nation back to its original purpose of equality.

President Thomas Jefferson at a time when the democratic form of government was questioned made it exceedingly clear by his administration of the affairs of the nation that this was and is a government of the people.

Then came President Lincoln who fought a war in order to maintain the supremacy of the rights of the majority and Grover Cleveland faced a panic just as critical as the one of today and he kept the nation headed in the right direction through it all.

At a time when greed and graft was seeping its way into high governmental places came the clean fighting, hard hitting Theodore Roosevelt.

What a tragedy that he was not elected president again at the time he headed the Progressive Party movement! As one reviews his administration and his hopes, we wonder if he had been victorious in that great fight if we today would have been in the plight we are in?

We doubt it because Theodore Roosevelt knew full well the dangers this nation confronted and he knew HOW TO FIGHT THOSE DANGERS.

For several months the nation has watched closely the actions of another Roosevelt—yes of the same family—with the same high ideals that the other famous President Roosevelt possessed. His hands are not tied. He is free to act. No power in great financial circles can tell him what to do, no more than it could his illustrious cousin predecessor.

His subordinates have made mistakes and will make mistakes and play favorites but the President has made it clear that he has but one course—and that is straight ahead for the goal of equality. The future of the nation lies in the ability of President Franklin Roosevelt to carry out his program that has no place for unfairness or favoritism. May he be successful in his great patriotic work.

## WHAT FOOLS THERE BE

Probably never in the history of Michigan or any other state has there been collected together under one roof such a bunch of misfits and nitwits as are attempting to run the affairs of the state of Michigan at the present time.

This fact was forcibly brought out again during the past few days when the newly created state board of tax administration mailed out the licenses that people doing retail business in Michigan must have. There are no objections to the licenses but can you conceive of such a fool requirement as that issued by the commission when it insisted that these licenses be pasted up on the display windows of a store or on the entrance door to your place of business?

"In case of removal, broken window, etc., remove license number as evidence, with sharp knife or razor blade and mail to the state board of tax administration, with the request for a new license, together with TEN CENTS to apply on cost of handling," reads some of the instructions mailed with the license.

Who but some inmate of the Lapeer School for

covers about 20 per cent of all payrolls, the total amount of which approximates \$200,000 to \$225,000 a month.

When asked as to his opinion of the amount of business normally coming here, but now going to other towns, due principally to the fact people spend where they cash their pay checks, Mr. Reiser answered: "It is not only my opinion, but the opinion of many business men with whom I have talked over the critical situation facing all of us in Wayne today, that we are suffering a 50 per cent loss because there is no open bank in Wayne."

"The loss of trade to Wayne merchants and business directly or indirectly affects every citizen in this vicinity, due to the fact that 80 per cent of all payrolls must be

cashied where banks are located," said Mr. Reiser.

Among the leading companies and institutions that pay by check are Graham-Paige Body Plant, Stinson Aircraft Corp., Eloise Ironworks and Hospital, Wayne County Road Commission, Industrial Wire Cloth Products Corp., Enot Foundry, Austin Oil Co., Imperial Pipe Line Co., Detroit Edison Co., Michigan Bell Telephone Co., Michigan Central Railroad, Pere Marquette Railroad, Ripley Manufacturing Co., Decelesco Inc.

**West Plymouth**

Mr. and Mrs. George Richwine of Golden Road attended Mrs. Richwine's family reunion (The Johnson family) at Ypsilanti, Labor Day.

Mr. and Mrs. C. T. Aldrich with their three children of Monroe and B. D. Geer of Ypsilanti were callers at J. F. Root's on Ridge road Sunday.

Mrs. George Richwine spent last Saturday with her daughter, Mrs. Wilford Wilson at Ann Arbor.

Mrs. Alton Richwine and children have spent a month at the Soo. They returned last Monday and Tuesday they with Mr. Richwine visited the latter's parental home.

Mr. and Mrs. Carmen Root who are spending the month at Otsego Lake have written that the forest fires were within six miles of them.

Mr. and Mrs. J. F. Root entertained Labor Day Mr. and Mrs. C. Root and little son and Mr. and Mrs. C. T. Aldrich and children of Monroe at a dinner which commemorated both the wedding anniversaries of their guests.

Fay Williams of Williamston came Sunday for his wife and children who have been spending two weeks with Mrs. Williams' parents Mr. and Mrs. Lewis Reed. Mr. and Mrs. L. H. Root entertained in Riverside Park the family and Mr. and Mrs. H. C. Root in honor of Mrs. Williams' birthday.

Some scientists claim that the curious pit between the eyes and the nostril of the "pit-viper" (copperheads, rattlers, moccasins, etc.)—is the seat of the sixth sense, the nature of which it is impossible for the human mind to comprehend.

## Rambling Around With Michigan Editors

### FORD HAS NOT SIGNED UP

Last week we spoke of the authority which Dictator Hugh S. Johnson is attempting to execute against Ford.

We have never been any particular admirer of Ford and in fact there have been many things which have not excited our admiration at all. Back in 1914 he startled the whole world by announcing a five dollar day minimum wage in his factory. In 1929 or 30 when business was slipping at a fearful rate and President Hoover made an appeal to employers to keep their wages up, Ford even advanced his to comply with the national request and to do his part in keeping the buying power up as high as possible. Now a code for automobile manufacturers has been determined upon. It has been determined not with Ford's consent or cooperation or consultation. Mr. Ford evidently did not care to sign this code so the great Dictator immediately commences to hang Ford's hide on a limb. Mind you, Ford had till last Tuesday to sign this code but Johnson couldn't wait but had to start in early to do his dirty work and proclaiming the punishment that he was going to wreak upon Ford for not signing the NRA code. When President Hoover petitioned Ford, he went further than Hoover asked. Would it not have been pretty good if he had merely to have consulted with Ford and if possible gotten his support of the NRA program rather than to immediately swing the big club and to tell what they were going to do to him?

On the other hand, if the critics of the NRA are correct that this is a stupendous scheme to put the small businessman out of business and give it all to the big man or to Wall Street—if this is true, then Mr. Johnson is taking the correct way, knowing full well, of course, that Ford will not be brow beaten and hoping that by means of his opposition, they will be successful in breaking him. If this should be the case, the insincerity and the transparency of this insincerity will certainly be more clear than ever. Ford today is paying more and exacting less of his laborers than the NRA code calls for. And if the newspaper reports are correct, he proposes to even do still better by his workmen. Hence if any more are situated against Ford (and there has been plenty already) it will show very clearly that the NRA program which has been boosted from coast to coast and from the great lakes to the gulf, as a recovery program, is sheer nonsense. The only thing that would be an irrefutable, incontestable and thoroughly proven fact.

It therefore appears to us that directors of the National Recovery Act better climb down off from their great pedestal and try to do something to help business and in spite business recovery rather than try to club it into a broken mass of subservience.—Frank Bryce in The Grand Lodge Independent.

**TAXES**

Fifteen of 33 counties in Michigan have 80 per cent of the wealth reports the State Tax commission, which has recommended to the State Board of Equalization that these 15 counties be permitted to pay the following percentages of the state property tax this year.

Wayne, 48.96830 per cent; Oakland, 4.670334; Kent, 4.587479; Genesee, 3.996702; Ingham, 2.682462; Saginaw, 2.039108; Jackson, 1.862800; Kalamazoo, 1.798077; Washtenaw, 1.717425; Berkeley, 702062; Macomb, 1.537872; St. Clair, 1.504421; Bay, 1.304570; Muskegon, 1.249288; Monroe, 1.122421.

Each percentage represents the ratio between the valuation of the county, as the commission sees it, and that of the state as a whole. The commission believes that \$5,000,754,000 is a fair valuation for the state as a whole this year, although the 1932 figure was \$6,614,306,000.

The State Board of Equalization will hold a meeting in Lansing today.

The state tax levy this year will not exceed \$4,700,000, the sole purpose being to raise \$3,500,000 net for the University of Michigan and the Michigan State college.

The Tax commission's estimate of the wealth of Washtenaw county is \$106,138,000, eighth in the state with Wayne county first and Kent second. C. H. Homans, tax assessor in the Washtenaw County Tribune.

**RIGHT! THEY WONT**

It has been suggested, in the testimony of Judge Arthur J. Lacy to the Detroit grand jury investigating the bank closing, that eastern financial interests were aided by government officials to obtain possession of Michigan's banking system. That is a matter that concerns not only Michigan, but every state, since the bank depositors in every area were affected by the bank holiday that started here. The Detroit News in commenting on the matter, believes that the U. S. Senate, when it convenes in January, should investigate the whole thing. We agree with the News. If Judge Lacy's intimation bears fruit, then somebody or other ought to rot in a nice federal prison. But they won't in all probability.—George Averill in The Birmingham Eccentric.

**BING!**

Detroit newspapers should demand that only one grand jury session be held at a time. Newspaper readers become confused over the two probes now underway. There is also the danger that witnesses may make a mistake and offer back testimony before the judge conducting the jail probe.—Vernon J. Brown in The Ingham County News.

**A BOOB GOVERNMENT**

Between Gov. Wm. A. Comstock and Atty. Gen. Pat O'Brien, the country at large will get the idea that Michigan is a state of boobs with a boob government! If one put can be a bigger nut than another, O'Brien looms in the superlative size! His wife to Pres. Roosevelt instructing the president what to do in the enforcement of the NRA was so absolutely crazy that the New York Evening Post treated it editorially as follows:

Statements like those reported to have been made by the Attorney General of Michigan do no credit either to him or to the recovery program which he sponsors.—Frank Bryce in The Grand Lodge Independent.

### 25 YEARS AGO

Interesting bits of news Taken from Plymouth Mail

Miss Kate Passage has left for Stanton where she will teach school.

The past two days has been very hot for this time of the year. Vegetation is drying up fast as the result of no rain.

Charles Allen has sold his house on Oak street to Mr. Dagget and expects to move to California soon.

And now the paving job is held up because of the non-arrival of brick from Ohio. It seems that the business men up in this end of the town are very, very tired of the long continued breaking up of the street and they are anxious to have something done soon.

Miss Mary Conner has received \$120 as a sick benefit from the National Protective Legion.

The court house bosses have decided that the "Big Four" Christian, Green, Gaston and Golley, must be nominated at the primary, September 23. It remains to be seen whether the Republican electorate of the county is sufficiently under the control of the bosses to do their bidding. The primary is the time and place to "turn the rascals out."

The Republican township caucus last Friday elected delegates to the county convention. P. W. Voorhies was chairman, F. W. Samsen, secretary. The delegates elected were Samuel Ableson, P. W. Voorhies and Charles Bradner.

I. B. Samsen has sold the South Lyon Herald and gives possession of it to his son-in-law.

A small puppy owned by Sylvester Ostrander of Newburg was attacked by a cow and one of its front legs was broken. Floyd Ostrander put splints and bandages on it and the dog is doing nicely.

Donald Ryder returned from his home in Newburg Sunday.

**When A Feller Is Out of a Job**

By James Whitcomb Riley

All nature is sick from her heels to her hair.

When a feller is out of a job, She is all out of kilter and out of repair.

When a feller is out of a job, Ain't no juice in the earth an' no salt in the sea;

Ain't no ginger in life in this land of the free.

An' the universe ain't what it's cracked up to be

When a feller is out of a job.

What's the good of blue skies an' blossoms then?

When a feller is out of a job?

When your boy has large patches on both of his knees,

When a feller is out of a job? Them patches, I say, look so big to your eye

That they shet out the lan'scape and cover the sky,

An' the sun can't shine through 'em but it can try.

When a feller is out of a job.

For you're jest lost bolt with the crowd.

When a feller is out of a job; And you feel like a dead man, with nary a shroud,

When a feller is out of a job. You are crawling around, but you're out of the game.

You may bustle around, but yer dead just the same—

Yer dead with no tombstone to pull up yer name.

When a feller is out of a job.

Ev'ry man that's a man want to help sub the world.

But he can't if he's out of a job; He is left out hehnd, on the shelf he is curd.

When a feller is out of a job, Ain't no juice in the earth an' no salt in the sea;

Ain't no ginger in life in this land of the free.

An' the universe ain't what it's cracked up to be,

When a feller is out of a job.

At a public meeting, citizens of Monroe approved the project and urged the city commission to hasten its action to eliminate sewage from River Falls, eliminate the flood nuisance, remove the paper mill waste, beautify the river, and provide employment for the jobless. This action further crystallizes a plan which has been discussed for years, and may be carried out at a cost of \$500,000.

William J. Odum, of Sault Ste. Marie, has been appointed superintendent of the Soo plant of the Michigan Northern Power Co. to succeed the late Arthur W. Dawson.

After being idle for two years, the Rochester knitting mill has resumed. The mill will produce overcoat fabric, yarn and knit goods.

# SPECIALIZED SERVICE

When you bring your business problems here you may be certain that the counsel you receive will be suited to your individual needs. Every phase of your affairs that have a bearing on the matter in hand will be considered. And at the same time you will profit by the broad knowledge of current affairs this bank can offer; a knowledge that makes the counsel we can give of real value. Let us aid in the solution of your problems.

## Rotary "Grand Jury" Ferrets Out Guilty And Ends Crime Wave

Plymouth notorious "crime wave" came to a sudden end last Friday noon when a Rotary Club "grand jury" through immediate investigation of the local situation returned indictments naming the guilty ones. "Punishment" was meted out at once by Justice Herald Hamill, "Rotarian Judge" for the occasion.

Maybe Prosecutor Harry Toy and Attorney General Patrick O'Brien think they are shrewd in tying up witnesses, confining them and then bringing spectacular admissions of wrongdoing by their clever way of asking questions. But they have nothing on Superintendent George Smith of the Plymouth schools who acted as special prosecutor—no, prosecutor—for this special occasion.

The investigation and trial, a result of the vivid imagination of President Cass Hough of the club and Herald Hamill provided the members with one of those out-of-the-ordinary meetings that go to break up the monotony of things now and then.

The regular program of the day was set aside for the affair. Only those who had been delegated certain "court" responsibilities knew what was forthcoming as Justice Herald Hamill mounted the "bench" with a number of law books under his arm.

Then Harry Robinson, as court officer, proceeded to summon 17 "good and true" citizens as members of the grand jury.

Justice Hamill read the call of the grand jury investigation—pointing out the fact that during Plymouth's great crime wave Otto Beyer at a meeting of the club three weeks ago had lost his coat.

It was finally returned to him after Harry Ayers, Edward C. Hough, and Charles Bennett had all been questioned about it. It was to find the guilty in this group that the grand jury was called.

So thorough was the inquiry that even the leading members of the medical profession of the community, physicians who have made a careful study of crime and brains, were summoned as witnesses. As they answered hypothetical questions Dr. Robert Haskell and Dr. Paul Butz cited numerous famous authorities, all tending to show that not one but all involved in the coat deal must have been guilty to some extent.

The witnesses, stammering and confused, through admissions of their part in the deed as the result of the clever questioning of George Smith, were not only indicted, but found guilty and sentenced by the jury as it deliberated less than 40 seconds. The work of the jury was not a speed record for the finding of quick justice. No jury in the history of crime has ever been known to reach a conclusion as quickly as this one did.

The sentence imposed upon the two guilty ones, Edward C. Hough and Harry Ayers, was suppressed by the court. Even the files and records in the case as well as all testimony taken have disappeared from the docket room.

But at any rate Plymouth's recent great crime outbreak is over and there is peace and quiet once more, and Detroit need no longer think that it is the only place in the world where a grand jury investigation can hold the spotlight.

## Corn Crop Is Badly Damaged By Borer

J. H. Sayre who lives near South Lyon, says his corn is afflicted with twice as many corn borers this year as last, and thinks the pest has no doubt multiplied in all fields in this locality. He says farmers should take it upon themselves to do all possible in warding against the spread of this destroying insect. It would help a lot he says if farmers would do away with all corn stalks and stubble, as well as all other pithy or hollow-stalked weeds or plants. Early corn, including sweet corn, seems to be the worst afflicted. Farmers near Plymouth have made similar complaints.

Two-headed living snakes have frequently been noted. Dr. Dittmars says of one that he observed: "The writer has examined a remarkable two-headed individual of this species, which creature fed upon very young mice. However, the two heads had energetic quarrels for priority in swallowing."

## THE SCOPE AND PURPOSE OF THE PRESIDENT'S EMERGENCY RE-EMPLOYMENT CAMPAIGN

The President's Emergency Re-employment Campaign may be described briefly as a plan to add from 5,000,000 to 6,000,000 persons to the nation's payroll within the next six weeks or so through agreements made with the President of the United States by some 5,000,000 concerns or individuals, employing two or more persons each.

In order that this number of jobs may be made available it will be necessary, of course, for employers in many cases to shorten working hours. The plan also provides for certain minimum wage scales which also in many cases will mean added labor costs for the employer.

The President's Agreement, however, includes a pledge of cooperation from the consuming public, and it is thus anticipated that the employer, while undertaking a larger expense as the direct result of his agreement with the President, will gain added patronage as the just reward of his public spirited attitude.

The fact also is to be borne in mind that where all employers act together to put people back on their payrolls or to raise wages, no employer as the President himself has pointed out "will suffer because the relative level of competitive cost will advance by the same amount for all."

It is to be understood that this plan is supplementary to the plan of code adoption by various industrial and trade groups which has for its purpose the elimination of unfair competition, the establishment of more equitable rewards for labor, the spread of employment and the control of production. This plan for speeding business recovery, launched under the provisions of the National Recovery Act passed by the last Congress, is rapidly being made effective, and there will be no let-up on the drive to make its adoption widespread.

The President's Emergency Re-employment plan will bridge time and bring the nation out of the depression more rapidly than if the code adoption plan were depended upon exclusively. The President's Agreement also covers many business groups that would not be amenable to any of the code arrangements.

And what is still more important, perhaps, the President's Emergency Re-employment campaign carries certain psychological values that are as priceless as patriotism at this juncture of our economic history. The President himself made this quite clear in his recent radio address to the nation when he said: "On the basis of this simple principle of everybody doing things together, we are starting out on this nationwide attack on unemployment. It will succeed if our people understand it—in the big industries, in the little shops, in the great cities and in the small villages. There is nothing complicated about it and there is nothing particularly new in the principle. It goes back to the basic idea of society, and of the Nation itself, that people acting in a group can accomplish things which no individual acting alone could ever hope to bring about."

Thus we have all the power and potency of mass attack directed along sound lines of organization and system. Here, briefly, is an outline of this organized attack on unemployment: In every community, organizations are formed along military lines, which is fitting enough, because the President's Emergency Re-employment campaign is Uncle Sam's war on unemployment and the nation is rallying to the colors just as loyally as though we were actually engaged in a war against a foreign foe.

The local committee is made up of the active heads of the leading business and civic organizations, and includes also the mayor. These committees in the thousands of cities and towns throughout the country were formed following telegrams and letters sent by General Johnson to the presidents of Chambers of Commerce or similar trade bodies in every section of the United States. These local committees elect a general to have charge of the city campaign and a lieutenant general who is a woman. The general selects three colonels, each of whom is to take over a certain part of the campaign work. For example, Colonel No. 1 has charge of the "man-power" or organization department. Under his direction block-to-block canvasses will be made to check up on compliance with the President's Agreement, and to make a survey of the unemployed, as to adaptability by experience as to trades-and industries and thus be able more readily to help in the processes of assimilation of labor by expanding industries. Colonel No. 2, briefly, has charge of newspaper publicity and kindred activities; and Colonel No. 3 has the training and direction of public speakers under his charge.

Each of these three colonels has seven or more majors on his staff, and each major has about the same number of captains. Each captain has seven or more field workers. All of the local organizations are of course, constantly supplied with educational and inspirational material of all kinds from the National Recovery Administration in Washington. Literally tons and tons of printed matter has been shipped to every nook and corner of the country.

The N.R.A. emblem, known popularly as the Blue Eagle, is one of the most interesting and vital features of the campaign. All employers who sign the President's Agreement are entitled to display the Blue Eagle with the initials N.R.A. and the words "We Do Our Part." Merchants, manufacturers and all others who have the right to display the insignia by reason of their having complied with the President's Agreement, are permitted to hang it on their walls, or in their windows, or on trucks and cars, and, if they so desire, to stamp it on their products or merchandise. It is, in fact the desire of the Recovery Administration that all make liberal use of this badge of patriotism.

Any person in the United States who wishes to cooperate in the President's Emergency Re-employment Campaign and be considered as a member of the N.R.A. may go to the authorized establishment in his locality and sign a statement of cooperation as follows:

"I will cooperate in re-employment by supporting and patronizing employers and workers who are members of N.R.A."

Any such signer will then be given and may thereafter use the insignia of consumer membership in N.R.A.

Every phase of the progress of this mighty campaign will be flashed in the newspapers of the country and announced constantly over the radio. In this way everyone will be in a position to know just what the campaign is doing from day to day in actually putting people back on the payrolls and adding to the mass purchasing power of the country.

While, as has been stated, it is desired that liberal use of the insignia be made by employer and consumers it is to be remembered that the official N.R.A. emblem is the property of the United States Government and may not be used or reproduced without authority of the National Recovery Administration.

The lists of all employers who sign the President's Agreement are displayed in local post-offices and it is urged that all employers who have not yet signed the agreement do so immediately and deliver them to their local postmaster.

With some minor exceptions the terms of the President's Agreement with employer are briefly as follows: Any employer of a factory or mechanical worker or artisan must not pay him less than 40 cents an hour or work him more than 35 hours a week except that if the employer were paying less than 40 cents for that kind of work on July 15 the employer can pay that rate now but not less than 30 cents an hour. As to all other employes—those on a weekly rate—the employer will pay not less than \$15 a week in a city of over 500,000 population; or \$14.50 a week in cities of between 250,000 and 500,000; or \$14 a week in cities between 2,500 and 250,000 population; or \$12.00 a week in cities of less than 2,500 population and the employer agrees not to work this class of workmen more than 40 hours a week. As to employes who were getting a higher wage, the employer must not reduce their wages because of a reduction in their hours and he should generally keep the usual pay differences as between the lower and the higher paid employes. And after August 31 he must not work children under 16 years of age. There are, of course, some other rules which apply to special cases, but the terms of the agreement as here outlined cover the large bulk of cases.

## Nearby Towns Plan Improvements With Use of Federal Money

Plymouth is not the only community in Wayne county to be seeking Federal funds for public improvements. The village of Northville has under advisement the request of a loan of \$15,000 or more for water department improvements. Application of a loan for \$12,000 from the Federal Government for the construction of two filtration beds at the Trenton filter plant was authorized by the Trenton council at its meeting last Tuesday night. The loan, under the Public Works division of the National Recovery Act would stipulate a 30 per cent grant by the government with a 70 per cent loan bearing 4 per cent interest. First payments of principal to begin in 1936 with \$2,000 payable yearly thereafter.

While the application is for a loan of \$12,000, actual money borrowed would total the cost of construction which would approximate that amount.

With the granting of the loan, work on the project would be started about the first week in October and would take from 30 to 45 days to complete. Local labor would be used in the project where possible, employment of labor coming under the federal stipulations for such work.

Completion of the two filtration beds would double the capacity of pure water of the Trenton plant raising it from one million gallons to two million gallons. At the present time during certain periods of the year, the plant capacity of a million gallons is nearly reached in one day 806,000 gallons of pure water were pumped to consumers which is near the peak load of the present system. For the past year, a daily average of 350,000 was pumped from the plant.

Leslie A. Down, village engineer, has prepared the project plan and outline, passed by the council. Application for the loan is to be made this week.

## Now is The Time To Save Lilac Bushes

It's lilac time in Michigan for the lilac borer, and the insect remembers the popular song by showing a marked preference for French lilacs and other fancy and imported varieties of the plant, according to the entomology department at Michigan State College.

The borer is a native insect which fed on native shrubs and trees but the injuries were not serious enough to cause much damage. Now that it has developed an appetite for expensive ornamental plants its tastes are a threat against the landscape artist.

The insect is a small transparent-winged moth which deposits its eggs on the stems of the lilac in the day time. The eggs are placed near the ground but above the point where the lilac was grafted on the root stock. Larvae of the insect enter the stem and build tunnels in their search for food.

Presence of the insect can be detected by observing particles of sawdust adhering to the lilac near the openings to tunnels, or the sawdust may accumulate on the ground at the base of the plant.

The burrowing larvae can be killed by spraying for several months a mixture of one pound of paradichlorobenzene in two quarts of cottonseed oil. If fresh sawdust is detected on the stem after one treatment, apply the mixture again. The remedy should not be placed on parts of the plant not affected.

If only a small number of plants are to be treated, reduce the quantities of material but keep the same proportion in mixing them. A policy of the Ford commissaries to assist families for several months or a year and adjust their affairs meanwhile in preparation for a return to a regular working schedule.

## Will Aid Families Until They Get Pay

Ford Motor Company officials this week confirmed the report that all "dollar a day" men who have been receiving help through the Ford commissaries at Inkster, Garden City and Dearborn township have been placed on a regular pay basis. It was announced at the same time that the families will continue to be assisted through the commissaries for the next two weeks or until such a time as the men draw their first regular pay.

The commissaries in Inkster and Garden City have been in operation for nearly two years, while that in Dearborn township was established several months ago. The operation of the commissaries in Inkster and Garden City during the past two years has cut the burden of the Nankin township welfare department more than half. The establishment of the commissaries in Dearborn township practically solved the welfare problem there as far as the township government was concerned.

There has been no indication whether or not the commissaries will be closed. A Ford official, however, has been quoted to the effect that it is the established

YOU MUST have HOT WATER

A constant, abundant supply of hot water makes housekeeping easier and more pleasant. It has many uses—in the kitchen, the bathroom and the laundry. Now you can have electric hot water service, day and night at \$4 a month (for 60 gallons per day). Consider these advantages of electrical hot water service:

- (1) An electric water heater is completely automatic, and needs no attention whatever. Once it is installed, you can forget it. Day and night, summer and winter, year in and year out, it furnishes a constant supply of steaming hot water, instantly available at a turn of the faucet.
  - (2) It is dependable. It ends forever the annoyance of finding only lukewarm or cold water in the pipes. It ends running up and down stairs to light the tank, and waiting for water to heat. Built like a thermos bottle, its thoroughly insulated walls keep the heat inside and ensure an abundance of hot water when you want it.
- We will gladly give you further information about electric water heaters. Come in today and learn the full particulars about this modern convenience.
- AS LITTLE AS \$10 FIRST PAYMENT (balance in convenient monthly payments) allows an electric water heater in your home.

### Find Part of Woman's Body Near Road Just Outside Northville

Part of the body of Mrs. Aureore McCann was found Monday afternoon, nearly a week and a half after her murder, lying at the side of Taft Road, two miles north of Northville. The head was missing and officials from Oakland and Wayne counties immediately started a search for it nearby.

The discovery came within a few hours after a warrant had been signed in Detroit, accusing her husband Edward of the murder and dismembering.

Although the body had been within plain sight of the highway—only 10 feet from it—it had not been noticed by scores of motorists who passed by. Eren G. Salow, thirty-eight-year-old farmer who made the discovery, passed once, looked and did not suspect that it was a body. He drove on to Farmington, Mich., and got to thinking of the object he had seen, and remembering the murder decided to investigate. He stopped on his return trip and then communicated with Oakland County deputies.

After the issuance of the warrant Monday, Inspector John I. Navarre, of the Homicide Squad of Detroit revealed that police had learned that McCann's brother had been reconstruction of crimes and the perfecting of criminals' escape.

Former customers in his beer flat said that he read much fiction concerning criminals and constantly discussed crimes. Whenever a murder was committed and the slayer captured, they told police, McCann would reconstruct the crime, point out the criminal's error and perfect a plan by which he might have escaped.

Navarre said that McCann apparently had worked only to disposing of his wife's body and had not the limbs were discovered when they were, police might not have been able to identify her by her fingerprints. The possibility of making a rapid identification from other points portions of the body or even the fingerprints within a few more days would have given McCann time to perfect his escape.

Lev Voorhees, Oakland County coroner, said that the torso had been left beside the road about Labor Day, the same day on which the limbs were found in a lot at Lyndon and Northville Aves.

There was no covering over the body and police believe that the comforters in which McCann is supposed to have wrapped the body—three of them are missing from his home—were removed subsequently and buried. A portion of cloth, which might have been a piece of flannel nightgown, were found nearby. That the torso was not readily distinguishable as a body was shown by the fact that three sons of George Guntzville, whose farm is nearby, picked pearls from it and took them to the body on Friday and did not see it.

With the issuance of the warrant and the discovery of all but the head of the woman police redoubled the search for McCann. Inspector Navarre said that police had reconstructed the entire crime through evidence uncovered and the recent statements of witnesses, who earlier feared McCann and hesitated to tell what they knew.

She was slain early Friday morning when a neighbor family was aroused by her cries, McCann, he said, then locked the bedroom door, went downstairs and slept on a cot. He did not dismember the body until the next evening and then drove out scattering the portions. Meanwhile he gave out the information that she had gone to the World's Fair.

Like an octopus, special taxes upon the motorist and the automobile industry have so enveloped us that they threaten to stifle the very life blood of Michigan's principal industry. The Automobile Club of Michigan is marshalling forces throughout the state to fight unfair automobile taxation. Despite fewer cars and less driving this year, motorists of Michigan will pay the greatest amount of taxes in their history. Even if driving does not increase, and if registrations continue at their present low figure, there will be another increase in 1934.

### Coming Attractions At Penniman Allen

**"THE WRECKER"**  
What is a man to do when he discovers that he controls the destinies of two people he hates—his unfaithful wife and the false friend who has stolen her? Shall he allow them to perish, or shall he use the knowledge that only he has to save them from death?

This is the perplexing problem that confronts Jack Holt in "The Wrecker," the dramatic photoplay appearing at the Penniman Allen Theatre, Friday and Saturday, September 15 and 16. Cast as the erring pair are Genevieve Tobin and Sidney Blackmer.

The devastating earthquake that shook Southern California early last March provides the powerful climax to the screen story and furnishes the highly dramatic setting for the situation.

**"SHE HAD TO SAY YES"**  
The movies lay bare another racket in "She Had to Say Yes," a First National production which is an attraction at the Penniman Allen Theatre Friday and Saturday, September 15 and 16. This picture with its all-star cast headed by Loretta Young, Lyle Talbot, Regis Toomey and Whinnie Lightner, reveals the adventures of "customers' girls," which is always a pretty, though lightly principled lure, used by certain firms of big business to extract orders from out of town buyers.

Loretta Young plays a secretary to Regis Toomey, an enterprising young salesman for a large concern, who is her sweetheart as well as her boss.

**"HER FIRST MATE"**  
Slim Summerville and ZaSu Pitts are back in town. This delightful comedy pair appear at the Penniman Allen Theatre Sunday and Monday, September 17 and 18 in "Her First Mate," their latest Universal co-starring vehicle, and to say that they have outdone their previous efforts is to put it mildly. The picture is a positive riot of merriment.

Summerville and Miss Pitts are presented as a married couple living in a "hick town" on the shore of Long Island Sound, with the husband dreaming of a career as captain of an ocean-going freighter—and working in a menial position on an Albany River night boat. The fun begins in real earnest when his wife, in an attempt to satisfy his longing, secretly spends their entire joint savings to buy for him the little ferry boat which operates out of their town, notwithstanding the fact that the ambitious Slim regards the ram shackle tub with lofty contempt.

**"WHAT PRICE INNOCENCE?"**  
The price of innocence is very costly according to the theme of the Columbia picture "What Price Innocence?" coming to the Penniman Allen Theatre Wednesday and Thursday, September 20 and 21.

A poignantly dramatic story is written about this false conception of innocence in this picture conceived by an all-star cast, which includes Willard Mack, Jean Parker, Ben Alexander, Minna Gombell, Betty Grable, and Bryant Washburn. Willard Mack, who plays a prominent role, wrote and directed the story.

Real estate for the new Cadillac Brewing Co. has been acquired and building operations will start soon. F. C. Schmeke, general manager and secretary-treasurer of the Riverside Brewery Co. in Canada, is president and managing director of the new company.

Information received from the Michigan Committee for Team Recovery by the city of Big Rapids indicates that the proposed municipal natural gas distributing plant can be built with a government loan to obviate the necessity of a bond issue.

Julia: Do you think it's unlucky to postpone a wedding?  
Frank: Not if you keep on doing it.—Boston Transcript.

### Wiley Post To Land Today At Airport

Friday, (today), at about 10:00 a. m. Wiley Post, flying the ship, Winnie Mae, in which he flew around the world will appear over the Detroit area following an escort in formation.

After making a short flight over the city of Detroit, he will land at the Wayne County Airport, and after an official welcome will proceed to the Detroit city hall headed by an American Legion band to receive a welcome by the mayor.

After a luncheon given by the Detroit Board of Commerce at the Book-Cadillac Hotel, he will return to the Wayne County Airport with his escort and again fly over Detroit.

Those wishing to see Wiley Post when he lands should be at the Wayne County Airport at about 10:30 a. m. today.

Wayne County Airport is located on Middle Belt Road where the Walsh Railway crosses about three miles south of Michigan avenue.

### Chevrolet Sales Show An Increase

Domestic retail sales of Chevrolet cars and trucks as reported by dealers for August were 68,650. This is an increase of 30,420 units, or 134 per cent over the same month in 1932, according to Ernest Allison, Plymouth dealer who has been given the figures by the general sales manager of the company.

Total sales for the year to September 1 were 441,406 units. Total sales for all of 1932 were 378,811. Thus the sales for eight months of 1933 exceed those of 12 months of 1932 by 62,594 or 16.5 per cent. A new quota, well above the 500,000 mark was set in June by Mr. Klinger when it became apparent that the upward trend of May and June was being sustained.

Not only did August distinguish itself by surpassing every month in 1932, but it was the fourth best August in the long history of the company, being exceeded only by August of 1927, 1928 and 1929.

Particularly gratifying was the definite rise over July, indicating a continuation of the strong demand from the public which set in in May and peaking August in second place for the year. Thus far it has been exceeded only by June.

### Pankow Pitches a No-Hit Game, First During The Season

Harold Pankow, Plymouth's "star" southpaw, had to wait until the baseball season was nearly over to get a shut-out, but the opportunity finally came last Sunday at Plymouth-Riverside Park, when he held Huron County to a lone one hit for an 8 to 0 victory.

Good fielding helped Pankow to blank the visitors. The lone hit came in the first inning with two out, when Franke drove a hard liner over first base, and he continued on to third as the ball rolled into deep left field. He was left on third when V. Penozo fouled to Wittenberg at first.

Timely hitting accounted for Plymouth's eight tallies. Borg, Plymouth's catcher, tallied for the Smith, G. Simmons and L. Simmons collected eight of Plymouth's nine hits.

Jackson will oppose Plymouth in a double header Sunday, Sept. 17, at Plymouth-Riverside Park. First game at 1:30 p. m.

### Newburg

Rev. Thomas Pryor took his text from Matthew 6:25 this being the last Sunday before conference. All are hoping for his return. There will be preaching services as usual next Sunday, with a supply from conference. There were 90 in Sunday school. Epworth League will attend the lecture of Stanley Jones in a body Sunday night at Ypsilanti.

The following officers were installed Sunday evening by Rev. Pryor: pres. Viola Luttermoser; first vice pres. Charles Thompson; 2nd and 3rd vice pres. Henrietta Winkler; fourth vice pres. Mildred Gilbert; secretary Myra Vanhook; treasurer Isabel Winkler. The candle lighting service was most impressive.

The L.A.S. meeting at the home of Mrs. Bertha Joy last week Wednesday was well attended. The same officers were re-elected for the ensuing year.

Jean Thomas has been very sick with an abscess of the throat.

Mr. and Mrs. Fred Herz and daughters, Yvonne and Dorothy spent from last Tuesday to Sunday at a Century of Progress.

Mrs. James Norris is quite ill with heart trouble.

The annual men's business party with their wives and children were entertained at the home of Mr. and Mrs. Melvin Guthrie last Saturday afternoon and evening. Melvin Guthrie and Farwell Brand were hosts for the occasion.

Mr. and Mrs. Albert Zander and son, Albert of Detroit were dinner guests of Mr. and Mrs. Mark Joy last Saturday.

Mr. and Mrs. O. S. Johnson and Miss Macia Parker of Grand Rapids were over Sunday visitors at the McNabb home.

Miss Joy McNabb returned to her office to resume her duties in the high school.

Miss Margaret Clemens commenced teaching last week Tuesday where she taught last year in the Allen district.

The Young Married People's Sunday school class held their first party Tuesday evening with a picnic supper at Riverside Park, after which they returned to the home of Mr. and Mrs. Donald Ryder for the evening.

### Funeral of Dr. Homer Safford To Be Held Today in Detroit

Funeral services will be held at 1 p. m. today at the Church of Our Father, W. Forest and Cass Aves. in Detroit for Dr. Homer E. Safford, 63 years old, 815 Taylor Ave., psychiatrist, who died at his home late Tuesday night. Burial will be in Ann Arbor.

Known as the "father" of mental hygiene clinics in public schools, Dr. Safford had devoted a large part of his life to the study and treatment of juvenile delinquency. His clinic at the Highland Park Public Schools was the first one of its kind in the country and has been widely copied. He also was consulting psychiatrist for the Children's Aid Society and probate court. He was the author of several papers on the problem child and the prevention of juvenile delinquency.

Born in Plymouth, Dr. Safford studied medicine at the University of Michigan, obtaining his degree there in 1906. After serving as an instructor there for a year he came to Detroit where he spent the remainder of his life with the exception of his services as a captain in the psychiatric division of the American medical corps during the World War. He was a member of the American Medical Association and the Detroit Academy of Medicine.

Surviving are his widow, Gertrude, residing at Safford, three daughters, Mrs. Clifford M. Tooby and Miss Mildred H. Safford, of Detroit, and Mrs. Oran M. Arnold, of Madison, Wis.; a son, Truman S. Safford, of New York City, and a sister, Miss Ada Safford of Plymouth, who is now teacher in Grose Pointe, and other relatives in Plymouth.

Mrs. Joseph Cateron of Brooklyn, New York was a guest of Mrs. S. E. Cranson for a few days last week, while enroute to the Century of Progress.

### Cherry Hill

Miss Olive Worden of Traverse City is visiting Miss Eawn Hawker. Mrs. A. C. Dunstan and George spent Saturday afternoon with Mr. and Mrs. Louis Thomas of Highland Park.

Mr. and Mrs. Winkle of Detroit spent Monday afternoon with Mr. and Mrs. Walter Winkle.

Mr. and Mrs. Chas. Wagenschütz of Plymouth spent Monday afternoon with Mr. and Mrs. Milo Corwin.

Mr. and Mrs. Chas. Burrell and Ruth of Rossford, Ohio spent Sunday evening with Mr. and Mrs. J. G. Burrell.

Mrs. Willie Hauk entertained her two sisters last week.

Mr. and Mrs. James Burrell and family attended a Burrell reunion at Riverside Park last Sunday.

There will be no church service on account of conference.

Preparations are being made at the Blissfield plant of the Great Lakes Sugar Co. for operations in the fall. The refinery will take the output of 13,500 acres, 1,000 more than last year.

Mr. and Mrs. Thomas Willson and family spent Wednesday and Thursday at Lake Orion.

### District Schools Are Told of Zone Set Up

County School Commissioner Eber W. Yost has set up the district school zones of Wayne county for the ensuing school year. All of Plymouth township, Northville township, Canton township and district No. 3 in Livonia township have been set up as Zone A for the year's program in the supervision of health and recreation.

Mary S. Jameson will be the supervising teacher and Georgina Reid will be the school nurse for this part of Wayne county. The other division of northern Wayne county is made up as follows:

Zone B—All of Livonia Township, except No. 3, Redford No. 9, Nankin No. 1, No. 1 Frl. and No. 3, Dearborn No. 3.

Central Division, Edith L. Welver, Supervising Teacher; L. Jane Murray, School Nurse.

Zones C and D—Nankin No. 2 Frl. No. 4, No. 7, and No. 8, Dearborn No. 2, No. 4, Romulus No. 2, No. 3, No. 3 Frl. No. 4 and No. 7 Frl. Taylor No. 2, No. 4, No. 5, and No. 6, St. John's Lutheran, Wayne.

Note: Zones C and D, Lower Zones C and D, Upper.

### Wheat Growers Are Receiving Blanks

All wheat growers in Wayne county are receiving the necessary blanks to fill out and fill with the County Committee in order that they may meet the requirements to obtain Federal compensation for acreage reduction.

If help is needed in filling the blanks the county committee or Ralph Carr, County Agricultural Agent will advise them either at his office or at the meetings which are to be held probably in each locality.

It is impossible to see each grower personally but the committee is anxious that each one have a clear understanding of the program and cooperation of the grower and committee is urged.

Non-venomous and one of the gentlest of snakes, is the hog-nosed snake also called spreading viper, puff adder, flat-headed adder, blow snake, blowing viper, and sand viper. However, when disturbed this snake can make itself look more terrible to the average person than any venomous snake in the world. It has a habit of playing possum and is frequently mistaken for the copperhead though this tough customer looks very innocent beside it.

It has been reported recently from Canada that unusual sharp-tailed grouse migrations have occurred from the James Bay territory to Northern Ontario, and even as far south as North Bay and Sudbury. Similar recorded migrations occurred in 1926, 1934, 1908, and 1922.

Mr. and Mrs. Chas. Burrell and Ruth of Rossford, Ohio spent Sunday evening with Mr. and Mrs. J. G. Burrell.

Mrs. Willie Hauk entertained her two sisters last week.

Mr. and Mrs. James Burrell and family attended a Burrell reunion at Riverside Park last Sunday.

There will be no church service on account of conference.

Preparations are being made at the Blissfield plant of the Great Lakes Sugar Co. for operations in the fall. The refinery will take the output of 13,500 acres, 1,000 more than last year.

Mr. and Mrs. Thomas Willson and family spent Wednesday and Thursday at Lake Orion.

### Harms Qualifies As Greatest Duck Hunter

Luck hunters—try and beat this one if you can! "Down on the Mississippi near where I used to live," said Walter Harms, Plymouth insurance man, the other day to Frank Coward and Lyle Alexander, two well known Plymouth bankers and duck hunters, "we don't use guns to hunt ducks. That is we don't always have to do it.

"You see it is like this. We got an old scow and push her out in the stream and then we float down stream. We carry a good long broom stick instead of a gun. We usually go out on foggy mornings. As we glide slowly down stream, suddenly we run into a flock of ducks. Sometimes they are so thick that we have to get out and shove the boat out of the flock.

"Well about the time we think we had ought to begin loading up with game, we take the broom stick and begin swinging right and left and in a few minutes we have got all the ducks the law says we

can take. We don't shoot them. We just knock them out with the broom stick. I dare say there are more ducks along the Mississippi down near Cairo than in all the rest of the world," stated Mr. Harms.

Who can beat that one?

### Plymouth Artists Win Fair Honors

Mrs. E. J. Cutler and Miss Sarah Cutler each had two pictures accepted and hung in the professional group at the art exhibit at the Michigan Farm and Industrial Fair. This is a great honor as hundreds of pictures are turned down every year.

One of Mrs. Cutler's pictures, "Girl in Red Beret," was reproduced in a Detroit Sunday paper of September 3.

Miss Cutler will resume her studies at the art institute of Chicago next week, probably remaining for the duration of the fall term. Mrs. Cutler will act as substitute for her, continuing the art class in Plymouth which Miss Cutler started last fall.

Forty-six relatives were in attendance Sunday at the Vick reunion held at the home of Mrs. Paul Bennett on Golden road. A cooperative dinner was greatly enjoyed at noon, followed by a ball game. Guests were present from Detroit, Highland Park and Plymouth.

Miss Dorothy Hubert, with a group of Detroit friends, attended the Symphony Ball given Tuesday evening at the Grosse Pointe Yacht club.

Mr. and Mrs. Charles Draper, Mr. and Mrs. Wyman Bartlett, Mr.

and Mrs. Albert Stever, Dr. and Mrs. Carl January, Mr. and Mrs. Albert Gayde of Plymouth, Mr. and Mrs. N. F. McKinnay and little daughter, Patricia Colleen, of Northville, Mr. and Mrs. Isaac Gussolli of Newburg, Mr. and Mrs. C. H. Goyer, Mr. and Mrs. Jack Henderson, Mrs. Esther Newhouse and Mr. and Mrs. Floyd Hillman of Detroit had a most enjoyable cooperative picnic dinner Sunday at Belle Isle, Detroit with Mr. and Mrs. Hillman as hosts for the day.

Mr. and Mrs. Ralph Jewell of Benton Harbor, announce the marriage of their daughter, Doris to Charles A. Root, Jr., son of Mr. and Mrs. Charles A. Root of Maple Lane Farm on the Ann Arbor road, at South Bend, Indiana on September second. The young couple will reside at 1207 Millard street, Ann Arbor, while Mr. Root completes his senior year at the University of Michigan.

Mr. and Mrs. W. E. Bredin of Ross street has as their guests Sunday, Mr. and Mrs. W. C. Brown of Milford, Mr. and Mrs. E. V. Brown of Farwell and Mrs. Mary E. Brown of this city, the occasion being the birthday anniversary of Mrs. Bredin.

Mr. and Mrs. O. F. Beyer entertained Monday evening at a family dinner at their home on Liberty street, honoring the former's birthday anniversary. Covers were laid for twelve and an evening of bridge followed.

Forty-six relatives were in attendance Sunday at the Vick reunion held at the home of Mrs. Paul Bennett on Golden road. A cooperative dinner was greatly enjoyed at noon, followed by a ball game. Guests were present from Detroit, Highland Park and Plymouth.

and received from her the cheery word she always has for everyone.

A short business meeting was held with the president, William McCullough of Plymouth presiding. Mrs. Sarah Cohen Wolfe of Detroit, secretary, read greetings from Will Dolph and Norrie Clarkson Merritt of California, Minnie and Roy Smitherman of Florida, Vern Judson of New Jersey, Lynn Northrop of Lansing, Mr. and Miss Padock of Detroit and Mr. Starkey of Ewart, the last three being pupils of "Miss Covert" when she taught in Ewart. One cannot appreciate the pleasure those greetings gave Mrs. Adams unless present but if each one who sent greetings could have heard the wonderful talk given by her that afternoon they would realize it was worth their time and effort in remembering.

Ward Cook of Duluth, Minnesota, who will be remembered by many, took pictures of Mrs. Adams and also of the group which all will enjoy having as memento of the day.

The pupils attending from out of town were William McCullough, Plymouth; Sarah Cohen Wolfe, Nellie Thomas Barker, Gertrude Wilkinson, Violet Crocker Evans, Seth Crocker, Jessie Butler Sackett, Roy Sackett, Grace Brigham Brown, Perry Brown, Blanche Whitehead LeBeater, Lottie Perks Passare, Eugene DesAntels, Fred Woodman, Hazel Judson Small, Guy Filkins and Frank Holt of Detroit; Eva Little Slater of Brooklyn, New York; Ward Cook of Duluth, Minnesota; Gertrude McCutcheon Adams of Toledo, Ohio; Mabel Harrington Gilbert of Ferndale; Vassel Wilson of Windsor, Ontario; Mabel Freeman Dick-

and Pearl Little Dunn of Plymouth; Norma Matthews Willis and Ralph Willis of Redford; Mabel Stark Checketts of Farmington; Eva Allen Evans and Walter Evans of Ypsilanti; Clara Johnson Clark of Novi; Charles Sessions of Ann Arbor; and William Simmons of Pontiac.

Those present from Northville were Zoe Little Balden, Lora Bristol Barry, Lottie White Jackson, Beth Wheeler Blackburn, Lucille Calkins, Beulah Jackson Levagood, Gene Williams Wilkinson, Bert Wilkinson, Lilla Dolph Tewksbury and Thomas Carrington.

The reunion will be held in the same place, Cass Benton Park, Northville, next year the same as in the past few years.

## Society News

Mr. and Mrs. M. M. Rowland and family, Mr. and Mrs. Russell Travis and daughter and Miss Irene Krauter attended the annual Rowland Reunion held in Swanton, Ohio, Sunday.

The basket picnic and reunion of the "Five Wire Club" held Saturday in Riverside Park was a great success having an attendance of forty. This was the first reunion for many years and it was planned at this time to make an annual event of it meeting next year at the home of Roy Lane at Belleville. It will be a potluck affair and it is hoped that more will be present then.

A very unusual party was given Thursday evening at the home of Miss Mary Lorenz on South Harvey street when the entertained a group of young people numbering eighteen at a "child's" party, the guests coming dressed as little girls and boys. The evening was spent in playing "kid" games and refreshments were served in keeping with their age. The guests included Elaine and Mary Jane Hamilton, Janet Blickenstaff, Camilla Ashton, Virginia Woodworth, Zerepha Blunk, Gladys Zietseh, Marion Gust, William Bask, William Kirkpatrick, Howard Truesdale, Bruce Miller, Hugh Horton, James Stimpson, Jack Gilles, Frank Allison and Ralph Lorenz.

Miss Dorothy Hubert, with a group of Detroit friends, attended the Symphony Ball given Tuesday evening at the Grosse Pointe Yacht club.

Mr. and Mrs. Charles Draper, Mr. and Mrs. Wyman Bartlett, Mr.

## Belle Covert Pupils In Annual Reunion

Another reunion of the Belle Covert Pupils Association is passed but not in the minds of those who were present for it will live on as a pleasant memory for time to come Saturday was an ideal day for such an occasion and by supper time pupils and their families to the number of seventy-five, coming from far and near, had greeted Mrs. Adams, formerly Miss Covert

## Graphic Outlines of History By Schrader Bros.

The Louisiana Purchase Exposition, St. Louis

This exposition, opened in April, 1904, commemorated the centennial of Louisiana Purchase in 1803. Here, for the first time in the history of international exhibitions, the educational exhibit had a building exclusively for itself.

Those whom we have served appreciate the tactfulness with which we administer each ceremony.

**World Wheat Supplies and Price**

BUSSHES MILLIONS SUPPLY PRICE CENTS PER BU

1923 24 25 26 27 28 29 30 31 32 33

This representation of what the world will offer the wheat farmer for his wheat shows clearly the relationship between supply and price. Since 1923, when the world supplies of wheat first became burdensome the price has been low for the most part. The picture at the top of the chart show that when the supply is low, the world will pay a good price for wheat, but when supplies are too big, the world won't pay as much. As the supplies (shown by the black bars) have climbed, the price (represented by the shaded parts) has sunk lower. The wheat administration seeks to bring the wheat supply of the United States into line with demand by reducing acreage, and thus to make the price nearer parity, that is, the point at which the return from a bushel of wheat will buy as much as it did in the pre-war period, 1909-1914. The 1932 crop year is not far enough advanced to show definitely what prices will be.

**METRODIST NOTES**  
10:00 Morning worship.  
11:30 Church school.  
The regular September meeting of the Sunday school board will be at the church at seven-thirty Tuesday night.

**FIRST BAPTIST CHURCH**  
Loyal Southland, Minister.

10:00 a. m. Morning worship. Our subject is "Seeing Things." In both the physical and spiritual we see what we look for. "The lamp of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light; but if thine eye be evil, thy whole body shall be full of darkness. Great is the question facing the church in this hour. What are you looking for and what do you see in this present day? Splendid music by both the adult and junior choirs.  
11:15 a. m. Bible school, Holland, Ellenhauch, Supt.  
7:30 p. m. "Some Common Sense About the Bible." This is the second of a series of sermons on common sense about Christianity. What about a book that has been translated into more than six hundred languages, has attracted a circulation of more than thirty million each year, millions of copies given away, is reported to be the best seller every year, millions of men and women and children organized to study it, and has come and heard about it Sunday evening. Male quartette and the usual fine song service.  
This Thursday our Aid Society are the guests of Mr. and Mrs. Honeywell on Ann Arbor road. It is to be a potluck supper with the mid-week prayer service will be held following the supper. On Sept. 20th we are to have a congregational meeting, all officers of the church and teachers of the Sunday school and the entire membership with friends of the church are asked to be present, when plans will be presented for the year's work. This is a very important meeting.

**ST. PETER'S EV. LUTHERAN Spring Street**  
Edgar Hoenecke, Pastor

English service at 10:30 every Sunday morning. Do not deceive yourselves, you who would call yourselves Christians and do not go to church. Christianity is not a mere name. It is a profession and must be practiced. "He that is of God heareth God's words. Therefore ye hear them not, because ye are not of God." And He who speaks that saying know whereof He speaks:—and HE KNOWS YOU. You may deceive yourself—but YOU CANNOT DECEIVE HIM.  
Sunday School at 9:30. Classes for children of all ages; also for grown ups. Come.  
Those wishing to be confirmed this season are asked to enroll with the pastor during the next two weeks. Classes will begin during the last week of this month. For children and adults.  
OUR MISSION FESTIVAL will be held on the last Sunday in September, the 24th, in two services: one at 10:30, with Pastor Hoenecke preaching, the other at 3:00 p. m. with Pastor Karl Kraus of the First Church delivering the sermon. With a special effort and sacrifice on our part we will, with God's Help, make our goal for Home Missions this year. It is \$200. We have invested so much money foolishly in the past, may we now ask you to invest it wisely with your God, in His enterprise? Is there anyone who would give a hundred dollars for this cause, or fifty, or twenty, five, or even ten? God guide you and bless you in your giving!  
The Ladies' Aid Society will serve a potluck dinner at our Mission Festival. Everyone is asked to bring what he can, we'll put it all together and have a good meal with a minimum of trouble for the ladies.  
Our sister church at Scio has invited the congregation to attend the centennial celebration at that church on next Sunday. Services afternoon and evening. Dinner and supper served.  
The Anniversary Celebration of Luther's birth at the OLYMPIA on Sunday, October 8th at 3 p. m.

**CATHOLIC CHURCH**  
Fr. Lefevre, 216 Union St.  
Phone 114

Sundays—Mass at 8:00 and 10:00. Confessions Saturday nights at 7:30, and before each mass.  
Week-days—Mass at 7:30. This hour makes it convenient for the children to attend on their way to school. All should begin the day with God.  
Societies—The Holy Name Society for all men and young men. Communion the second Sunday of the month. The Ladies' Altar Society receive Holy Communion the third Sunday of each month. All the ladies of the parish are to belong to this society.  
Children of Mary—Every child of the parish must bring and must go to communion every fourth Sunday of the month. Instructions in religion conducted each Saturday morning at 9:30 by the Dominicans Sisters. All children that have not completed their 8th grade, are obliged to attend these religious instructions.

**CHURCH OF THE NAZARENE**  
Robert A. North, Pastor

Sunday, Bible school, 10:00 a. m. Morning worship, 11:15 a. m. Young People, 6:45 p. m. Evangelistic, 7:30 p. m. Wednesday, Prayer and praise, 7:30 p. m. Friday, Leadership Training, 7:30 p. m.  
On Sunday evening we will speak on the subject of "Hell and Eternal Punishment." Strangers and visitors are welcome to our services.

**FIRST PRESBYTERIAN CHURCH**  
Walter Nichol, M. A. Pastor.

10:00 a. m. Worship.  
11:30 a. m. Sunday school.  
A group of about fifty young people were guests of the officers of the church at a dinner in the church dining room Wednesday evening, September 6th. Of these, seventeen are going shortly to seven different institutions of higher learning in three states of the Union. The dinner served by the women was excellent and the young people had a happy time. George A. Smith's talk on citizenship will be often thought of and long remembered.  
The Ready service class will hold its September meeting at the home of Mrs. Webber, 1406 Sheridan, on Tuesday, Sept. 19th. There will be potluck dinner at noon and a program will follow. Mrs. Webber, Mrs. Cutler, Mrs. Potter and Mrs. G. A. Smith are the committee in charge of the meeting.  
The Sunday school will observe Rally Day on Sunday, October 1st. Every class will strive to have all its members present.  
James Brown who has been the faithful janitor at the church for the past six years has resigned and will make his home this winter with his son in Detroit and a daughter in South Lyon.

**ST. JOHN'S EPISCOPAL CHURCH**

**CHURCH OF THE OPEN DOOR (Methodist)**  
184 N. Main St.  
Richard Neale, Pastor

All our services will be held at our hall at 184 N. Main St. See complete list of services below.  
This coming Sunday morning at 10 o'clock the pastor will preach again on the subject, "What God Says About The True Church."  
The evening service at 7:30 p. m. will be evangelistic. The music and message will have the Gospel for the theme.  
Next Wednesday night our mid-week services for prayer and Bible study will be resumed. Many people enjoyed this service most of all because each one has an opportunity to take part as often as he desires. The public are welcome to any

of our services. If you have a Bible by all means bring it. That is our only text book.  
Sunday: Morning worship, 10:00. Bible school, 11:15; Evening worship, 7:30.  
Monday: Young Peoples' Meeting, 7:30 p. m.  
Wednesday: Mid-Week Prayer and Praise Meeting, 7:30 p. m.

**CHRISTIAN SCIENCE CHURCH**

"Substance" was the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, September 10.  
Among the Bible citations was this passage (Prov. 22:4): "My humility and the fear of the Lord are riches, and honour, and life."  
Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, included the following (p. 239): "If divine Love is becoming nearer, dearer, and more real to us, matter is then submitting to Spirit. The objects we pursue and the spirit we manifest reveal our standpoint, and show what we are winning."

**BEREA CHAPEL**

Of these, seventeen are going shortly to seven different institutions of higher learning in three states of the Union. The dinner served by the women was excellent and the young people had a happy time. George A. Smith's talk on citizenship will be often thought of and long remembered.  
The Ready service class will hold its September meeting at the home of Mrs. Webber, 1406 Sheridan, on Tuesday, Sept. 19th. There will be potluck dinner at noon and a program will follow. Mrs. Webber, Mrs. Cutler, Mrs. Potter and Mrs. G. A. Smith are the committee in charge of the meeting.  
The Sunday school will observe Rally Day on Sunday, October 1st. Every class will strive to have all its members present.  
James Brown who has been the faithful janitor at the church for the past six years has resigned and will make his home this winter with his son in Detroit and a daughter in South Lyon.

**Newburg Dairy Is Easy Victor Over South Lyon Team**

Newburg Dairy pounded out twenty hits to defeat the strong South Lyon team 17 to 8. This victory marked up made fourteen out of the last fifteen games played. Warren Basset gave up but six hits in the six innings he had pitched for his tenth victory of the season against one defeat. C. Ferguson pitched the seventh, eighth and ninth innings and gave up one run and three hits.  
Lester Basset was the hitting star of the game getting five hits out of six times at bat. While C. Levandowski got two triples and a single in six trips to the plate for a total of seven bases.  
Next Sunday at Newburg the strong Garden City team will be the local attraction. This game is a very important one as each team has won one game and the largest crowd of the season is expected. Come early to get the good seats. On July 16th the Garden City team defeated Newburg Dairy two to one at Newburg and in July at Garden City the Dairy team won twelve to six, so a good game is looked forward to by the fans.

The new team has had a good season, recently winning twelve consecutive victories, and has a season record of seventeen victories against three defeats.

### Judge Healy Talks To Voters League At First Meeting

After a pleasant summer of vacations and relaxations from Club duties the members of the League of Women Voters and a large number of their friends gathered Monday, Sept. 11 at the home of Mrs. Paul Weedman and held the first business meeting of the year. On opening a report was given of the monthly meeting of the Directors of the Wayne county League of Women Voters held in Detroit, Sept. 6th. Mrs. Louise Mulford and Mrs. P. W. Carley represented the local branch and presented an interesting outline of the future meetings. The remarks of the speaker, W. P. Lovett, who is executive secretary of the Detroit Citizens League, Mr. Lovett spoke on the Ruff law which is one of two bills of similar intent considered in the last legislative session and which if allowed to remain will set up a new election system in Michigan. The League of Women Voters, the Detroit Citizens League and representatives of other local and state organizations are now circulating petitions which, if filed at Lansing with 90,000 signatures, will force the Ruff law to be at least until it can be submitted to a state wide vote in Nov. 1934.

The local league are circulating a number of these petitions in an effort to assist this work. The business meeting closed and the ladies listened to a very enjoyable talk given by Judge J. D. Healy of the Wayne County Juvenile Court. Judge Healy took office January 1, 1933 and has had a very busy year as handicapped and retarded children, and conditions in Michigan effected his department immensely he said.

Judge Healy stated plain figures and facts about the cases handled by his Court, such as division and disposition of cases. Boys to the age of seventeen are delinquents and can either be put on probation, sent to farms, to the Ford Republic or to the Boys Vocational Training School at Lansing. From 17 to 20 years of age are termed wayward minors.

Girls of this age may be sent to Adrian or the House of Good Sheppard. There are the dependent children who are either the neglected or the children of parents too poor to provide food and clothing. They are sent to boarding homes.

The mother's pension work comes under this office and although a heavy cut was made in their allowances, Judge Healy is anxious to be sold, to do all he can and has asked for an increase in the financial of this division. Widowed and divorced mothers receive \$3 per child under 15 years old. After the banks closed it was necessary to make a blanket cut of \$3 per week on all families. He also handles the cases of crippled and afflicted children. Adoptions also come before this court.

All delinquent children are treated as sick children instead of criminals and the general public and the various communities should carry more responsibility in regard to helping children, especially boys to find clean amusement and recreation and to bear with them in their erring ways.

He pointed out where the spirit of adventure and even the gang spirit is properly directed was a great help to boys in later life. Judge Healy did not mention girls cases much as they are usually dealt with through the Women's organizations, and stressed the point that he did everything before sending children to institutions.

The ladies had several questions which were gladly answered and Judge Healy left everyone with a much broader understanding of Juvenile Court work.

Thirty-five more permits have been taken out this year by clam diggers than last year, indicating a revival of interest in this work. The price of shells, which has risen from \$15 to \$35 a ton, stimulated the activity.

Old Lady (as car gives jolt): Was that a serious accident, conductor? Conductor: Not to us, madam. The car just ran over a dog. O. L.: Was it on the tracks? C.: No, we chased him up an alley.

Slimmers can be used only on two or three types of automatics—all of them 22c. "The shortest distance between two points is a straight eight."—Garfield Tech. Puppet.

### the nonpartisan system of local government is protected from party controversies.

"The Ruff act will do two things: it will force a partisan definition and alignment into the selection of all election appointees, even in non-partisan elections; and it will impose party distinctions, with the controversies involved, on the conduct of all elections. In actual practice it will create in every election both an atmosphere of partisanship which cannot fail to interfere seriously with the non-partisan administration of local affairs."

Quoting Mr. Lovett again, this time from an article which appeared in a recent issue of the Detroit weekly publication of the Detroit Board of Commerce, "Now certain leading Democrats, and a host of Republicans, throughout Michigan, are doing their best to stop enforcement of the Ruff law by referendum petitions. If 100,000 signatures can be secured by October 15, operation of the law will be suspended till a statewide vote on it can be held in November 1934.

"If you want to help win this battle for good, honest, efficient government help to circulate these petitions or at least sign one." In Plymouth they may be obtained from Mrs. Ruth Huston-Whipple, President of the Plymouth League of Women Voters, or at the chamber of commerce office.

Here lies the body of Ezra Tait: He killed his wife about her weight.

### JOHN H. AMRHEIN

John H. Amrhein, who resided on W. Ann Arbor Road, Plymouth, Michigan, passed away Monday evening, September 11, 1933 at the age of 70 years. He is the husband of Mrs. Della Amrhein. The body was brought to the Schrader Brothers Funeral Home, from which place funeral services were held Thursday September 14, at 2 p. m. Interment in Riverside Cemetery. Rev. P. Ray Norton officiated.

What the average young couple wants is a happy little home painted some bright color and trimmed in some brighter color and with four-wheel brakes and capable of doing eighty miles an hour.

To preserve fish in transit, keep them dry, cool, and protected from air. Clean the fish, wipe it dry, sprinkle some salt inside, and wrap in paper (paraffined, if possible). Don't place fish directly in contact with ice.
