\$1.50 Per Year In Advance

Midnight Show Sunday Night At Penniman-Allen

Mgr. Lush Plans Plenty Of Fun For Plymouth On New Year's Eve

Books Big Vaudeville Troupe And Some Of Best Pictures Of Year Starts At 11 P. M.

Plymouth residents will find it necessary to get up at 11 o'clock to see their first opportunity of attending a New Year's show at the Penniman-Allen theatre. Manager Harry Lush has booked only some of the best attractions available, but he has secured the vaudeville troupe of 25 people who travel under the stage title of "The Hollywood Revue." With these 25 singers and dancers there is a master of ceremonies who will inject into the program plenty of fun and merriment.

The show will run for two hours or more. It is Manager Lush's desire to have everyone enter into the spirit of the occasion. Come down to the Penniman-Allen theatre and enjoy as fine a program of New Year's entertainment as ever presented anywhere.

The midnight show will be no less than a gala affair with the usual shows on Saturday and on Sunday evening at 7 and 9 o'clock.

The big New Year's show does not start until 11 o'clock Sunday night. The program will be filled with variety and fun after the clock strikes the midnight hour. There will be plenty of fun injected into the evening's entertainment.

Plymouth residents will not find it necessary to go to the trot or elsewhere to find something to do New Year's eve, they can find it right at the Penniman-Allen.

The original plan to have a show at the theatre and later a dinner dance at the hotel has been abandoned and it is for this reason that Manager Harry Lush has made an extra effort to provide as good a midnight show as can be seen anywhere.

In this connection it might be stated that a delicious turkey dinner will be served at the hotel and the best motion pictures produced in years. Among them will be "Alice in Wonderland," "Man's Castle," "The Soup," "Dancing Lady," and many others.

Rotarians Hosts To Youngsters At A Christmas Party

For one hour and ten minutes happiness reigned supreme for 32 children who were fortunate enough to be special guests at last Friday's meeting of the Plymouth Rotary club. Santa Claus that ever graced any Christmas party did more than his bit to make the day a merry one for the children present and old Santa was one other than Harry Robinson who can make any unhappy child happy.

From the minute that President Cass Eberhart sang the song there was delight supreme for the little guests. Manager Clair Maben of the Mayflower had prepared a delicious turkey dinner as the hotel ever served. And didn't the youngsters thoroughly enjoy it!

Each Rotarian was required to provide a Christmas present for the youthful guests and the club added another one for each child and how the bright clear eyes of the children gleamed as Harry Santa Harry Robinson handed out some pleasant as he handed out the gifts.

Plymouth Resident Sanatorium Santa

Who do you suppose that good looking Santa Claus was that brought so much happiness to the children of the William H. Maybury Sanatorium Christmas Day? Of course all called up to him as he was in long whiskers, a red Santa hood and all the other fixing that Santa must wear. Friends could not possibly recognize Nell B. McClellan of Plymouth. Mr. McClellan has for many years been the good old Santa that has made so many children happy out at the Sanatorium.

Did You Know That

If you have not yet received your 1934 calendar call at the Schrader funeral parlors on Main street.

Miss Marie Porter of Cleveland, Ohio, was the guest of her parents, Mr. and Mrs. M. T. Stone, Christmas Day.

Mr. and Mrs. Richard Olin were dinner guests Christmas Day of his parents, Dr. and Mrs. Olin, in Lansing.

Mr. and Mrs. Carl Helds entertained at a family dinner Christmas Day at their home on Main street.

Big New Year's Dance at the Masonic Temple, Friday night, Dec. 29. Everyone welcome.

Letters That Bring Cheer Into The Mail Office, Encouragement Too

Editor Mail: "A change you have made in The Plymouth Mail is a big improvement and helps the looks of the paper. Much easier to read. Too. I am feeling considerably better."

F. W. Samsen, Willoughby, Ohio.

This note from Mr. Samsen is especially appreciated as for over thirty years he has been publisher of The Mail and he has a wide knowledge of the printing business.

Editor Plymouth Mail: "I cannot help from writing you to say how much we enjoyed that editorial in your paper last week about the men working on the CWA. I am glad there is some one who will not call them welfare workers and I am glad that some one can see how hard it is for some of these men to do this work. My husband is a CWA worker. He just had to take the work in order to keep things going. He has never done outside work before. Because of the children we did so hard to have him called a welfare worker. I wish everybody could read that article in your paper. 'Give Them Your Cheers.' It was so good and true. Please do not use my name. My husband wanted me to write and thank you."

Mrs.-----

Dear Mr. Eaton: "It seems to me, with a copy of your issues for November 17 and 18 for December 1 before me, that our subscribers and readers are having a right to feel highly pleased with the decidedly improved appearance you have given the Mail. The new dress is much more attractive and easier to read than the old, for which your readers should be and undoubtedly are, grateful. We have done outside work before. Because of the children we did so hard to have him called a welfare worker. I wish everybody could read that article in your paper. 'Give Them Your Cheers.' It was so good and true. Please do not use my name. My husband wanted me to write and thank you."

Mrs.-----

My congratulations on the enterprise shown by you, and all good wishes for the future.

We plan to refer to your change of dress in an early issue of our publication, which, as you know, goes to virtually every printing and publishing plant in North America.

Yours truly,

John E. Allen, Editor
The Linotype News,
Brooklyn, New York.

Cornet Soloist Delights A City

Plymouth Residents Hear Christmas Carols At Night

"Silent night, holy night,
All is calm, all is bright,<
In the still of the night,
His first and last born, his only Son,
On this day, his firstborn,
To us and his people,
He came, He came,
He came, He came,
To be with us and his people,
To be with us and his people,

As the notes of the cornet carried the new hope of joy and triumph of "Come, All Ye Faithful," the faint music of the accompanying musicians could be heard.

Never before had all of Plymouth heard such wonderful cornet solos of sacred music. Never before had they found their way into every home of the community.

Never before has there ever been such a wonderful cornet soloist in Plymouth as is Captain Edward Eberhart, a young man who led his little band of real charity workers from home to home so that all who can hear could enjoy Christmas carols as well as their favorite songs. Both music and his work can produce.

Plymouth residents hope that the great Salvation Army will make Christmas Eve a permanent resident of this city and Plymouth in return plans to give this organization the support it is entitled to.

Sub-Zero Weather Prevails In State

From eight to ten degrees below zero was the cold wave record established in Plymouth early Wednesday morning. Other reports told of the mercury standing at four below and one report said it was six below. Early risers declared that it was ten below, at any rate it was frightfully cold and those who found it necessary to travel about suffered severely from it.

Mr. and Mrs. Austin Whipple entertained at their annual skating party Tuesday evening at their home on Penniman avenue. Some of the guests skating on Newburg Lake some playing bridge or shuffle board. Guests included Mr. and Mrs. William Wood, Miss Czarina Penney, Miss Julia Wilcox, Lyle Eiserman of Royal Oak, Ralph Francis, Earl Gremel and Russell Sanderson of Detroit.

Canton Center Home Furnishings Group met with Mrs. Colburn Dennis Friday, December 28. Mrs. Dennis enjoyed the 12:30 o'clock potluck dinner, following which Mrs. Stevens presented the review lesson collection of material for the coming year. Mrs. Stevens gave an interesting discussion and demonstration of the making of slip covers.

Mr. and Mrs. Robert Baughn and Mrs. Annie Henderson spent Christmas at the home of Mrs. Nellie Birch, South Main street.

Mr. and Mrs. James Dale spent Christmas with their son Eugene at Ann Arbor.

TO OUR CCC BOYS

Last summer and early fall when President Roosevelt provided those splendid jobs for you out in the open, The Plymouth Mail offered to send to each one of the Plymouth boys the home town paper until January first. We did this because we knew that many of the boys had never before been away from home, that they might become a bit homesick, and the weekly visit of The Mail would do much to content them up north in the woods. At this time we wish to announce that this offer is extended for another six months. If some of the boys are not now on the list, send their names to the office and they will be added.

No Sidewalk To Park, Asks One

Project Recommended
As Excellent One For
CWA Work

With one of the most beautiful parks in the country lying next door to the city hall, and not a sidewalk of any kind to it! In fact if one desires to visit the park, the trip must be made by automobile or take chances on foot with motor traffic.

Glenn Smith recommends as one of the projects the city can accomplish under the CWA program the construction of a sidewalk not just an ordinary everyday sidewalk, but one that will be properly ornamented with shrubs and flowers to the park. This walk can be built from Main street east to the entrance of the Plymouth-Riverside park along both sides of the Plymouth road or on one side of it. As the park now extends to the north of the highway, possibly a sidewalk could be built on both sides of the street.

While the weather is too cold to permit the laying of concrete, all of the excavation, grading of the sides of the street, necessary fillings made, in fact practically all of the preliminary work could be done during the winter weather.

Here is a project that could go to the next work allotment that Plymouth city officials should ask. It is a worthy project and one that should be completed during the coming year.

Miss Genevieve Bird
Weds Wayburn Dodge

Miss Genevieve Bird, younger daughter of Mrs. Nellie Bird of this place, was united in marriage to Weyburn M. Dodge, son of Mr. and Mrs. H. P. Dodge of Whitcomb, on Christmas Eve at the M. E. parsonage at Farmington by Dr. Frederick Lendrum.

The bride chose as her matron of honor, her sister, Mrs. Walter Eberhart, and as bridesmaids, her brother of the groom, assisted him as best man.

The bride was lovely in a gown of Bittersweet Crepe with contrasting white trimmings. Her hair was styled in the style of the late Mrs. Green with star cloth trimmings.

After the ceremony the bridal party returned to the home of Mr. and Mrs. H. P. Dodge where a delicious dinner was served to them and the members of their immediate families.

The bride is a well known girl being a graduate of the local public schools and of the University of Michigan. The past four years she has been engaged as a teacher in the Harrisville school.

The groom is a graduate of the Ann Arbor high school and the University of Michigan, being a member of the Phi Kappa Psi honorary fraternity in the school of engineering. He is at present employed at Bay City.

Plymouth people extend best wishes to the bride and groom for a happy married life.

Those attending the reception from out of town were Mr. and Mrs. H. F. Dodge and son Harlow of Whitcomb, Pa., and Mrs. Genevieve Smith of Salem.

Mrs. L. M. Prescott of Dixon, Illinois, is expected the latter part of next week for a two day visit with her parents, Mr. and Mrs. F. D. Schrader.

Mr. and Mrs. Walter Dethloff of Robinson subdivision entertained Christmas Eve Mr. and Mrs. Henry Klatt and Mr. and Mrs. William Dethloff, daughter Marie and son Sidney, Mr. and Mrs. Paul Dethloff, and Mrs. Harvey Dethloff and baby. Mr. and Mrs. Walter Preston.

A family gathering was held at the home of Mr. and Mrs. Louis Schaal on Christmas Day. Guests included Mr. and Mrs. Paul Dethloff, Mr. and Mrs. Charles Prom of Detroit, Mr. and Mrs. James Gates, Mr. and Mrs. Albert Gates, Mr. and Mrs. Ross Gates, Mr. and Mrs. Ernest Robinson and children, Ernestine and Lewis of this city.

City engineers in St. Louis, Mo., are experimenting in an effort to develop non-skid paving to lower the number of automobile accidents. One of the simple experiments involves the rolling in to the surface of asphalt streets a granular or gritty material.

Environment counts much more than heredity.

George J. McGill of Detroit and Mr. and Mrs. G. G. Hull of Lansing were Christmas guests of Anna McGill at her home on Harvey street.

The many friends of Miss June Jernegan will be glad to know that she has returned home from the Grace hospital, Detroit, greatly improved in health.

George J. McGill of Detroit and Mr. and Mrs. G. G. Hull of Lansing were Christmas guests of Anna McGill at her home on Harvey street.

CWA Payroll Now Over \$5500 Week In This Section

Total Includes Office Help, City And Two Township Payrolls

There Are 120 Men Working On Projects Within City Limits— 400 In Vicinity

A total of five thousand, five hundred dollars is being paid into Plymouth, Plymouth township and Canton township each week as the result of the CWA work being carried on in this territory.

There are now employed on work within the city limits of Plymouth over 120 men. A large number of local men also are being employed on work within the city on improvements being made in Plymouth-Riverside park and the Tonolowich creek sewer.

The Ann Arbor has been engaged in this work since its refusal. Its banks widened and all obstructions removed down through Plymouth township, Canton and to the point where it meets to the south branch of the Rouge.

Practically 400 men are now on the CWA payroll. However there are new registrations nearly every day at the city hall, and City Manager Cookingham, who is also deputy administrator for the relief commission in Wayne county, says he is not certain whether these additional men can be given work. He hopes that places will be found for them.

Administrators hope that by the end of another month or so pointed by Governor Comstock men so that the few that were not called and who have registered since the CWA started its work will be able to find employment.

There are quite a few men who have not been able to get on the payroll, their names not being drawn. Plymouth officials regard conditions here as most fortunate in view of the fact that so many have been given work.

Elect Crandell Board Official

New County Farm Debt Committee Has Been Organized

The County Farm-Debt Administration Committee recently appointed by Governor Comstock for Wayne County held an organization meeting in Detroit Wednesday afternoon of this week.

The following officers were elected: Peter Schoenher, chairman; George M. Stellwagen, vice chairman; John L. Crandell, secretary; Mrs. Grover C. Taylor of Detroit and Ben R. Bell of Belleville, complete the personnel of the committee. The function of this committee is expressed by the Farm Credit Administration at Washington in the following language:

"It is our thought that such a committee will serve as a material assistance to both debtor and creditor in an effort to arrive at a friendly, sensible and fair solution of the debt problems, and that such efforts will tend to conciliate many problems of the debtors and creditors which have heretofore resulted in unnecessary foreclosures. It is likewise hoped and expected that these voluntary committees will serve in the future as a basis of developing harmony between conflicting interests in various localities of the State."

The local committee, in order to avoid any misunderstandings as to its duties, wishes to make public the following statement concerning its work:

Any debtor or creditor seeking readjustment in the debt relationship in one with the other, may ask this committee to investigate and make recommendations to either or both parties for the purpose of effecting a satisfactory solution of any existing difficulties.

Application blanks will be furnished to either the debtor or creditor seeking adjustment. These blanks supplied by members of the committee may be used to request the aid of the committee.

This committee has nothing directly to do with the actual financing of farm loans under the Federal farm relief program. Such relief being obtained through the Federal Land Banks.

In commenting on the work of the committee, Mr. Crandell stated that obviously if the local committee is to accomplish its purpose, it must be given authority for the guidance of both parties in their efforts to reach a friendly and mutually satisfactory settlement of their problems.

Record Crowd At The Training School

The Christmas program given at the Wayne County Training school was attended by a record crowd that ever visited that institution in one day. Nearly 2000 people crowded into the halls. Last year there was an attendance of about 350. The previous year the crowds were much smaller. Dr. Robert Hasckell believes that the improved business conditions had much to do with the large attendance at the Christmas exercises. Cars were parked for nearly a quarter of a mile in every direction from the school.

Idyl Wyld Golf Club Plans For New Years

John Patterson and his son Don, are planning for a happy New Year's event out at the Idyl Wyld golf club on the Five Mile road. At midnight there is going to be a big Christmas dinner, dancing and a general good time such as goes with any New Year's event.

HAPPY NEW YEAR!

The Plymouth Mail wishes to its family of readers the best of good fortune for the year of 1934. The past year has had many gloomy days and weeks, days when there seemed nothing but darkness ahead. But we all can now truthfully say that it looks as though we are headed in the right direction, that the New Year holds for every one a brighter and better year than the past one has been. Business is better. The public health is good. The old happy fighting spirit is back. We are on the way to better times. Again The Plymouth Mail extends to everyone its best wishes for the New Year.

Charles H. Bennett, President Dalsy Manufacturing Company—"The reasons why I think business is improving and will continue to improve during the coming year are many. First, the Federal treasury is being tapped in order that in many ways our unemployment may be put to work and thus be able to spend money as heretofore. The government is also in the market to furnish needed funds to the manufacturers in order that the manufacturers may continue to function and hire more help. Taxes on farms will be lowered to the vanishing point, thus giving the farmers more cash to spend. Retail stocks throughout the entire United States have not been replenished for three years past and are the lowest in the history of recent years. These retail stocks are about due to be purchased and the next twelve months labor is sure to have more than one hundred manufacturers and business men during their thirty days, and my view of the 1934 business outlook is shared by most of them."

Paul Nutting, Manager Lee Foundry—"The business outlook for 1934 is indeed bright. We have 100 per cent in hand right now for our Universal power sprayer than we had a year ago. That means that the farmers have more money. It means too that with the money they are getting, they are going to buy what they need. Using our own business as an index of what 1934 promises, I can truthfully say we can all expect a much better business."

Ed Wilson, Northside Hardware Dealer—"Business during 1934 can't be anything else but better. There is everything to indicate that it is going to be. I have had a nice steady increase during the present year. My business has been much better than it was a year ago. The trade coming to my store from every section of Plymouth and the surrounding country. It is no longer a place just for north side trade, and I thoroughly appreciate the new business that has come to me during the year 1933. For the year 1934 I cannot help but see much better business. I am sure that the increased amount of business we enjoyed during the quiet year of 1933 is going to be much larger during next year and that everyone is going to benefit by all that is being done to make business better."

Fred D. Schrader, Furniture and Undertaking—"I believe that the period of readjustment is now a thing of the past. I can see no reason why things should not be better in Plymouth than in every other part of the country. We seem to be profiting by what is done, so why should not the rest of the country gain by it? Yes, I not only hope but believe that 1934 will be a far better year for all of us than was 1933."

Charles Fisher, President Plymouth United Savings Bank—"I cannot see anything but better business for next year, it has been out quite a bit lately and there is much better feeling existing. I am sure that we will all experience better business during the next year."

Floyd-Eckles, Eckles Coal and Supply Company—"Business is not only going to be better, but it is already better. Not for years have we had so few orders for welfare coal as during the past two or three weeks. In fact I think there have been only three welfare orders in the past two weeks. There is no longer a plus work if they have a chance, and they are being given the chance to work now. When they work, they much prefer to buy their own supplies. We all have reason to be pleased with the outlook for 1934. It just cannot help being a good year for business."

Perry W. Richwine, Attorney—"The year of 1934 will represent a year of experiment in government supervision. Unemployment will decrease, big business will increase, with the small merchant paying the price as usual."

Earl Mastick Dodge—"I expect 1934 to be a much better year than 1933 has been. In talking with people it is easy to note that they all are expecting better things in the future. The automobile industry is the best indication of what the next year is going to be. And we all know that the automobile plants are being rushed right now."

John Bickenstaff, druggist—"Yes, we have every reason to believe that business is going to keep right on getting better. It has been better during the past few weeks and every one has a right to expect that we are now on the way up."

Andrew Dunn, Dunn Steel Products Company—"Business in general is going to be better. I do not know just what the future holds for our own line of business but on the whole business will be better."

Russell Roe, Lumber Dealer—"We are hopeful that the new year will bring better business. We know that there is much repairing and remodeling to be done and I believe that with the money being turned direct into the hands of the workers, we will see a better business for the lumber industry next year."

Harry Robinson, Auctioneer and Used Furniture—"Yes sir, things are going to be better next year. It makes me think of the feller who was leading a calf. The calf was taking him at a merry pace down the road. Some one asked him where he was going. 'Why ask me, I don't know, ask the calf.' Well maybe that isn't just it, but we are being led into better things for 1934. You can see it everywhere. You can sense it. It seems to be in the air. Sure, I think things are going to be better in 1934."

Plymouth Business Men See Much Better Conditions During The Next Year Than Have Existed In Past

Both Manufacturers And Retailers Have Much To Base Their Favorable Comment Upon—Better Spirit Prevails In All Circles

What of the New Year? What can Plymouth residents expect in the way of better business? There is no better way to secure this information than to get it directly from those in business.

The following interviews will answer most optimistically the above questions.

Mayor Freeman B. Hoyer—"The city of Plymouth has every reason to believe that 1934 is going to be a much better year than we have had during the past two or three years. We have already passed the gloomy and most optimistic feeling. CWA money has had good results already. It is going good in the right places. But with increased business and more money in circulation, we should be cautious and not assume new obligations that cannot be met. We should realize that we have all got to go to work and work hard. And we have got to get over the idea that the world owes us a living. We have got to give an honest day's work for an honest day's pay. Under the new order of things we have all got to do our part. The President and no other man can do it all alone. But with our help, with our good will, there is bound to be better times during 1934."

Charles H. Bennett, President Dalsy Manufacturing Company—"The reasons why I think business is improving and will continue to improve during the coming year are many. First, the Federal treasury is being tapped in order that in many ways our unemployment may be put to work and thus be able to spend money as heretofore. The government is also in the market to furnish needed funds to the manufacturers in order that the manufacturers may continue to function and hire more help. Taxes on farms will be lowered to the vanishing point, thus giving the farmers more cash to spend. Retail stocks throughout the entire United States have not been replenished for three years past and are the lowest in the history of recent years. These retail stocks are about due to be purchased and the next twelve months labor is sure to have more than one hundred manufacturers and business men during their thirty days, and my view of the 1934 business outlook is shared by most of them."

Paul Nutting, Manager Lee Foundry—"The business outlook for 1934 is indeed bright. We have 100 per cent in hand right now for our Universal power sprayer than we had a year ago. That means that the farmers have more money. It means too that with the money they are getting, they are going to buy what they need. Using our own business as an index of what 1934 promises, I can truthfully say we can all expect a much better business."

Ed Wilson, Northside Hardware Dealer—"Business during 1934 can't be anything else but better. There is everything to indicate that it is going to be. I have had a nice steady increase during the present year. My business has been much better than it was a year ago. The trade coming to my store from every section of Plymouth and the surrounding country. It is no longer a place just for north side trade, and I thoroughly appreciate the new business that has come to me during the year 1933. For the year 1934 I cannot help but see much better business. I am sure that the increased amount of business we enjoyed during the quiet year of 1933 is going to be much larger during next year and that everyone is going to benefit by all that is being done to make business better."

Fred D. Schrader, Furniture and Undertaking—"I believe that the period of readjustment is now a thing of the past. THE NEW YEAR

In three more days when the sun rises in the early morn we will have entered into a New Year—a new year filled with more hope, and promise than we have had in many years. We believe that for the average individual there are better things in store, that many of the heartaches we have been forced to endure through no fault of our own, that the uncertainty of it all are all part of the past.

Rightly we can look to the New Year with greater hope, greater faith than ever before and possessed of a knowledge that henceforth that which we rightly make shall not be taken from us unjustly.

We have got to work and work hard, there is no question about that. But by working as we have never done before, making the little things count that in the past have been ignored, we can enjoy a greater security and a greater degree of satisfaction than in many years past.

The New Year is filled with promise. It is the wish of The Plymouth Mail that its entire family of readers enjoys all the benefits that can come from a happy and successful 1934!

MEN MAKE CITIES

Cities are what men make them. What men demand they shall be: Slothful, sloven, and sleeping. Progressive, beautiful, free. If the hearts of the builders are noble. In our day and the need. They will build into grandeur and greatness. For so it was decreed.

—From the Rotarian.

THIS NEW DAY

We are not breeding pioneers today. All of us are soft from too much ease, slothful with too much life. We have lost the iron in our blood and the imagination and high purpose in our souls. We have not carried the torch our forefathers threw us. It is not our fault. It is simply because it is another day and another generation, but out of it all, we are sure, will come better things for every person, when we assume the responsibilities that belong to us.

ICKES IS RIGHT

The future of conservation lies in the power of the federal government to keep our natural resources out of the clutches of the mighty. In a recent interview Secretary Harold Ickes of the department of interior declared that there is pending a law before congress which places certain rights over western grazing lands under the interior department. A joker has been written into the bill that these certain restrictions must first be approved by state legislatures. Therein lies the dirty hand of the politician and exploiter. The Plymouth Mail hopes that when this measure comes before the lower house of congress that Congressman George Dondero will see to it that his vote is right—that it is a vote for all of the people and not the land-grabbing barons of the west.

SIGNS OF THE TIMES

For six months The Plymouth Mail has believed that better times are in store for the people of Michigan, that a year ago we sank to the lowest level in business as well as in public affairs. There is much in the air these days to confirm our belief that we are on the upgrade. It is going to be a long hard pull, but we firmly believe that we will make the climb and once again when at the top, life for the AVERAGE man and woman in America will be better than ever before. Yes, the signs of the times are most favorable.

CONGRATULATIONS

News dispatches from Cheboygan tell of the candidacy of Al Weber, editor of the Cheboygan Observer, as a candidate for the Republican nomination for the state senate. We hope that Mr. Weber is nominated and elected. He is the type of citizen Michigan needs so badly today in its legislature. Not only is he honest, square and progressive, but he is one of the leading conservation advocates of the state. In fact Mr. Weber has probably done more for the development of conservation in northern Michigan than any

one other individual. A keen student of this tremendously important question, a question that means so much to Michigan and its northlands, he will be able to bring to Lansing a new inspiration for those who have battled so long to bring the conservation department up to a point where it means something to the state. We hope not only for the good of the senatorial district in which he lives, but for the good of ALL MICHIGAN that Al Weber is nominated and elected to the state senate next fall.

SO THAT PEOPLE MAY KNOW

Two years ago Representative Vernon J. Brown of Ingham county, one of the best posted and brainiest men ever to grace the legislative halls of Lansing, wrote a series of articles for the newspapers of Michigan in which he revealed the shortcomings in the conduct of public affairs at Lansing. Mr. Brown is an outstanding Republican, a Republican of the type who believes that the duty of a political party is to set up a platform that pledges certain high standards in the performance of public business, and then live up to these ideals. Because some of the things Mr. Brown revealed in his articles hit the Republican administration in power at that time, some party men who place party above government, severely criticized Mr. Brown's revelations. But he stuck to his task and he rendered to Michigan a public service that won for him a national newspaper award for what he had done in behalf of the public.

The time is again at hand for you, Mr. Brown, to take pen in hand and write another series of articles about affairs in Lansing so the people MAY KNOW of what is going on, so they may know of the development of new rackets and schemes that have for their one and only purpose the bleeding of an innocent and unprotected public. You owe it to Michigan, to your profession and to the group of men in the legislature who have vainly tried to do something worthwhile for their state.

FIRE THEM ALL!

It is persistently rumored that the administrators of the public works fund in Jackson city are insisting that men who take positions with the government under the CWA program sell their automobiles. If men who have been given employment on these jobs are found to possess an automobile, it is stated that they are discharged. If this is true, and it is impossible to believe that it is, then the officials in Washington should step into the picture and FIRE every one of the officials in Jackson who have had anything to do with the issuance of such an order. Hundreds, thousands, yes hundreds of thousands of men who have enjoyed a fair degree of prosperity in the past, purchased automobiles and still possess them, have through no fault of their own been forced to a position of reduced circumstances. Now to require them to sell a necessary mode of transportation in order to continue on a minor public position is nothing short of an outrageous and ordinary fool knows that if one must sell a used automobile at a forced sale today, it would be at a frightful sacrifice to the owner. The administrators of the CWA fund or any other fund set up by the government to relieve unemployment are in no different a class than the man who uses the pick and shovel out in the street. Both are on the public payroll, one getting a bit more of government "pay" than the other, that is all. If such an order has been issued, the government should discharge every one in Jackson or anywhere else in Michigan who has had anything to do with such an unfair requirement.

WHAT A LAUGH

Michigan is being treated to one of the big laughs of the season just at present. A delinquent dilly-dallying governor is endeavoring to make it appear that a leaderless legislature is responsible for all the heartaches the people of a great but suffering state are patiently enduring. Possibly this "what the h--- do I care" governor is so short minded that he cannot recall numerous visits made to him by Senator Francis Kulp of Battle Creek, outstanding western Michigan Democrat, accompanied by other Democratic leaders during the regular session in which they not only urged but begged of the governor to do something worthwhile for our state. Now because the legislature did not pass one or two bills during the special session that the governor advocated and in which there is just cause to doubt their merit, he wants the people to "burn up" legislative members.

It is true, of course, that because of the desire a year ago of the people for a "change" in the weakest legislatures, as well as a governor as for that matter, Michigan ever had was elevated into power. But there are a number of patriotic and outstanding representatives and senators in both major political parties who have pleaded and begged the state administration to do something men like Senator Kulp, Senator Flynn of Cadillac, Representative Vernon J. Brown, Speaker Bradley, a Democrat and others, but only ridicule and wise-cracking on the part of the governor greeted their suggestions and efforts. Yes, what a laugh the governor is now providing the state.

Plymouth Business Men See Much Better Conditions In The New Year

Walter Harms, General Insurance—"I can't see anything but better times for us during 1934. We've already started that way. There has not only been a general improvement locally but reports that come to my office show that there is improvement in all parts of the country. Collections are far better than they have been. It is easier to sell new business. Not only has there been a steady increase during the past few weeks, but there has been a rapid increase in business. Many people who dropped their insurance policies are now restoring these policies. Yes, I am confident that next year is going to be a far better one than the year of 1933."

Stewart Dodge, Druggist—"I am confident business is going to be better. We have enjoyed a much better holiday trade than a year ago. But there is much yet to be done and I think it is going to be done. Yes, I firmly believe that business is on the upgrade."

John Hubert, President First National Bank—"The year of 1933 has been a year of readjustment that we all hope will bring better business and better times to all of us. The indications are brighter than they have been in years. The complex problems that have bothered the country are being solved and we have a right to predict and expect much better conditions. In fact I am sure we are headed in the right direction."

Edward Scully, Field representative of the Michigan State Tax Commission—"During the past few months I have been thrown in direct contact with all lines of business. People are more contented and more confident. They seem to be satisfied with what is being done to make business better. They are all looking forward to 1934 with a new hope and are expecting business to pick up over what it is today. Financing is going to be easier for business. More men are going back to work. Payrolls are going to be bigger and more steady. We all have a perfect right to look to 1934 as the best we have enjoyed in years."

Clare Maben, Manager Mayflower Hotel—"Just as an indication as to how business is improving, we have had an increase during the past few days of nearly two-thirds of what it was a year ago. Every traveling man that has been here in recent weeks has told of increased business experienced by the companies they represent. They also say that their concerns are putting more men on the road. In fact I have been informed that some companies that have not had men out in over a year are going to send their representatives out after business immediately after the first of the year. Well this all indicates a good business for 1934, a better business than we have had in a long time."

Paul Weidman, Plymouth Motor Sales Company—"Our best index of what business for 1934 is going to be is what the Ford Motor company is doing. From all that we can see and learn it looks as though Mr. Ford was planning for a greater business during the next year than has been enjoyed in a long, long time. We have already in Plymouth seen indications of better times. It has been months and more the same. We have here so many good prospects for cars as we have now. We are delighted with the outlook for 1934."

Dave Galin, Purity Meat Market—"We have had a much better year than we experienced during 1932. Our business during the last part of 1933 has increased month by month and our holiday trade exceeded that of the past three years. With farmers getting better prices, with nearly every man in Plymouth working and getting good pay, we cannot help but know that 1934 is going to be a better year for everybody."

Edward Gayde, Grocer—"Business is on the upgrade, there is much to indicate it. I feel more encouraged over things now than I have in a long, long time. The new year certainly does look better."

NEWBURG

There was a good attendance at the Church service Sunday morning. Rev. Merle M. Townsend sent a splendid Christmas peace message followed by the White Gift exercises, which consisted of a Christmas Pantomime of the Christ Child and the wise men bringing their gifts. Victor Lutermoser taking the part of the Spirit of Christmas dressed in white and carrying a lighted candle, Stella Pederson taking the part of the Madonna, Howard Holmes, Harold Stevens and Oscar Lutermoser, the Wise Men followed by the children bringing their gifts. Then the older classes with money and fruit all for the children's homes. The Young's girls led the chorus singing in the chapel.

Christmas day, Mr. and Mrs. Henry Grimm, Jr., entertained the following at dinner Sunday: Mr. and Mrs. H. Grimm, Sr., Mr. and Mrs. Raymond Grimm, Mr. and Mrs. John Campbell and daughter, Donna-Jane, Dr. C. J. Kershaw and Mrs. Emma L. Ryder. Also in the evening there was a beautiful Christmas tree. Mr. and Mrs. Clyde Smith also had several guests Christmas night with a Christmas tree. Mr. and Mrs. James McNabb daughter Joy, Mr. and Mrs. Mark Joy and daughters Lydia and Betty, Mrs. Vina Joy and Mrs. Weed also Mr. and Mrs. James Joy of New Hudson all had a lovely Christmas dinner at the home of Mr. and Mrs. Warren Joy at Farmington.

Old Santa made a lot of fun for the youngsters at the Sunday school Christmas party at the Hall last Thursday evening.

The teachers in Newburg school Miss Root and Miss Hargrave can be seen at the state fair program carried out last week Friday evening in their new auditorium. Old Santa was all that could be desired.

Mrs. Emma Ryder had as Christmas guests Wallace Moors and Esbert Paddock and sons Charles and Dwight.

Mr. and Mrs. John Campbell of Detroit spent Christmas day with their son John and family.

Mr. and Mrs. Raymond Grimm entertained at a family dinner

NEW YEAR'S GREETINGS

We extend to all our friends the Joys and Blessings of a Happy 1934.

Let us also express to you our appreciation of your patronage.

Woodworth Co.

Happy New Year!

Now and in the bright days to come, may Joy and Good Cheer be plentifully yours.

Walter A. Harms

PLYMOUTH, MICHIGAN

Our Churches

ST. MICHAEL'S CHURCH
 Masses: Sundays 8:00 and 11 a. m. Holy Days 7:30 and 9:00 a. m. Week days, 8:00 a. m. Confessions before each Mass. Catechism class after first Mass. Benediction after second Mass. Baptism by appointment.

CHRISTIAN SCIENCE CHURCHES
 "Christian Science" was the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, December 24. Among the Bible citations was this passage (Isa. 52:7): "How beautiful upon the mountains are

the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!" Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, included the following: (p. 146): "Divine Science derives its sanction from the Bible, and the divine origin of Science is demonstrated through the holy influence of Truth in healing sickness and sin. This healing power of Truth must have been far anterior to the period in which Jesus lived. It is as ancient as 'the ancient of days.'"

ST. PETER'S EV. LUTHERAN CHURCH
 Rev. Edgar Hoencke, Pastor
 English New Year's Eve Service, 7:30 p. m. Sunday, December 31st, with Communion. English morning service, Sunday, Dec. 31st, 10:30 a. m. German New Year's Communion Service, 9:30 a. m. English New Year's Day Service, 10:30 a. m. Announcements for Holy Communion Friday and Saturday. Congregational Meeting, January 10th, 8:00 p. m. All members are expected to attend. No Sunday school Sunday. Merry Christmas and a Blessed New Year to you all!

CATHOLIC CHURCH
 Sundays: Mass at 8:00 and 10:00. Confessions Saturday nights at 7:30, and before each Mass.
 Week-days—Mass at 7:30. This hour makes it convenient for the children to attend on their way to school. All should begin the day with God.
 Societies—The Holy Name Society for all men and young men. Communion the second Sunday of the month. The Ladies' Altar Society receives Holy Communion the third Sunday of each month. All the ladies of the parish are to belong to this society.
 Children of Mary—Every child of the parish must belong and must go to communion every fourth Sunday of the month. In strict religion conducted each Saturday morning at 9:30 by the Dominican Sisters. All children that have not completed their 8th grade are obliged to attend these religious instructions.

BEECH M. E. CHURCH
 Morning worship, 9:30 a. m. 10:30 Sunday school.

FIRST CHURCH OF CHRIST SCIENTIST
 Sunday morning service at 10:30 a. m. subject: "Ancient and Modern Nomenclature, Alms, Mesmerism and Hypnotism Denounced."
 Wednesday evening testimony service, 7:30. Reading room in rear of church open daily from 2 to 4 p. m., except Sundays and holidays. Everyone welcome. A lending library of Christian Science literature is maintained.

CHURCH OF THE NAZARENE
 Robert North, Pastor
 Bible school, 10 a. m. Morning worship, 11:15. Young People, 8:30. Evangelistic Service, 7:30. Prayer Meeting, 7:30, Wednesday.
 We are coming to the close of the year 1933. We have been sowing seeds of some sort and there will be a harvest by and by. Many are busy scattering the seeds of sin, of unbelief, of wickedness. These seeds will come up and are bound to produce a harvest. Sins do not grow old and die. They live, grow and multiply. The harvest fields extend into the eternities. Men sow the seeds of sin in this world and not only gather thorns and thistles in this life from their wicked actions, but must continue to reap in the world to come. The Word of God is very positive with reference to this matter: "Whosoever a man soweth, that shall he also reap." "And be sure your sin will find you out." (Num. 32:23). What kind of seeds have you been sowing during the past year?

PRESBYTERIAN CHURCH
 Walter Nichol, Pastor
 10:00 a. m. Worship, 11:30 a. m. Sunday school.
 The Christmas Tree entertainment held on Thursday of last week was a fine success. The tree was beautiful, the program presented features of unusual interest and Santa as usual delighted the children.

GREETINGS

The Busy Women's Class will hold the January meeting at the home of Mrs. F. L. Becker, on Ball street on Tuesday January 2nd. The class will meet for cooperative dinner at noon. This will be followed by the program and the social hour which the members enjoy so much.
 The Sacrament of the Lord's Supper will be observed at the regular service Sunday, January 7th. It is meant that Christian people assembled for worship, should begin the new year with this sacrament. Let all members of the church endeavor to attend.

METHODIST NOTES
 P. Ray Norton, Pastor
 10:00 a. m. Morning worship
 10:00 a. m. Children's Church
 11:30 a. m. Church school, 8:30 p. m. Epworth League, 10:30 p. m. Union Service.
 The evening service will be a union New Year's Eve Midnight service beginning at ten-thirty. Music will be by a double male quartet, including the Northwood quartet. The service will close with a union Communion service. Tuesday evening, January 2 will be the January meeting of the Official Board.

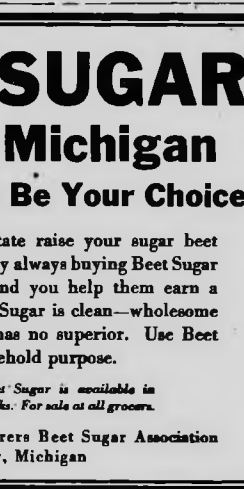

CHURCH OF THE OPEN DOOR
 Independent Baptist
 This Sunday morning, our pastor, Mr. Neale, will continue the study of the Bible book of Nehemiah, beginning with Chapter 6. If you long to know your Bible and to enjoy its food for your heart, meet with us at this 10 o'clock preaching service, or at any of the other meetings. You are always welcome.
 Sunday night brings us to the threshold of a new year. How will you celebrate New Year's Eve? The world will be making merry with little or no thought of eternity and the present offer of salvation from the penalty and power of sin. Many Christians the world over are banding together to spend the evening of Dec. 31st in prayer and fellowship. Our Sunday evening service will begin at 7:30 and close at 8:25; after which we shall drive, weather permitting, to join with a neighboring church in a Watch Night Service lasting till midnight. There will be baptisms, special Gospel music and seasons of prayer and testimony. You are welcome to join us and join us in this interesting service. Monday night the young people will meet to begin the year with God and His Word. They will begin a study of the book of Acts. Wednesday night the mid-week service will bring us to a new series of Bible messages based on the 2nd epistle of Peter, a most

stripping treatment of prophecy. Tonight, Friday, our Cottage prayer meeting will be held at the residence of Mr. and Mrs. Floyd Nelson, 187 Union St.
ST. PAUL'S EV. LUTHERAN CHURCH
 Rev. Oscar J. Peters, Pastor
 There will be no services in this church on Sunday, Dec. 31. English services on New Year's Day at 2:30 p. m. Gerhard E. Peters, student of Theology at Thiensville, Wis., will deliver the sermon. A special offering will be lifted in this service for the support of the work of Synod.
 The annual meeting of the congregation will take place on Friday evening, January 5, at 7:30.
MIDNIGHT MASS AT ST. MICHAEL'S CHURCH
 Rosedale Gardens
 With fervent prayer and devout rejoicing the high mass at midnight in St. Michael's church was celebrated Christmas Eve in the presence of the largest congregation in the history of the parish. The chapel was filled to the doors, and to those who came many miles to be present at the festivity, the parish extends thanks and gratitude, for the sacrifice made to join in the solemnity. The honor paid Our Lord on his birthday by many non-members of the church was deeply appreciated by the pastor. The number of communion attendees the zeal and loyalty of the parish.
 In his brief festive address the pastor, Father John E. Conway, explained the reason of the three masses of the day, at midnight to represent the darkness of the heathen world, at dawn to show the beginning of a better era, and in full day to honor the wide spread knowledge of the ways of God made known by Christ's teaching. The faithful were exhorted to practice the virtue of charity, to show goodwill to their neighbors, and to carry in their hearts the holy joy of the season.
 The remark was made by more than one that at this service there was an extraordinary feeling of unity and happiness as though after the hardships of the past years Christians had learned to fear the weight of the hand of God, and to love Him for his mercies. Certain it is that the congregation assisted with the greatest reverence and devotion, even to tears.
 The decorations of the Altar and Crib, the immaculate linens and vestments, the glittering candelabra and ornaments of the Altars, the profusion of greenery

and flowers so effectively arranged all united to make a picture of beauty not soon to be forgotten. To the ladies of the Altar Society, is due the credit for the hours of effort lavished on this task.
 The musical setting, under the direction of A. E. Baker, M. A. was much enjoyed. Ten carols in English were orchestrated for organ and the following instruments: violins, in three parts, viola, cello, flue, clarinet, oboe and bassoon. The mass selected was Leonard in F, a short and tuneful opus because the late hour forbade a more elaborate mass. Miss Olive Merz, Doctor of Music at the University of Michigan presided at the organ with virtuosity and fine feeling, using the somewhat limited resources of a small instrument with consummate skill and taste. The musicians were members of the Hamtramck high school symphony, under the direction of Mr. Stacy Holmes, it will be recalled that this group for several years has held without dispute first place among the school orchestras of the nation in many competitions. To their flawless attack and fine tone much credit is due. At the first desk, Miss Doris Hamill of Plymouth, now student of letters and music at Michigan, assisted as guest artist, and concert master.
 Various solos were added to the concerted numbers; in fact the music continued almost steadily until 12:50. Miss Evelyn Forteous of Rosedale charmed everyone by her limpid, simple declamation of the First Noel, sung with sincere direct appeal. In the celebrated and difficult Bach-Gounod Ave Maria Mrs. M. J. O'Connor scored another triumph, singing with artistry and splendid intonation. Mr. Ferians of Rosedale gave Bizet's Agnus Dei in a warm resonant baritone, and was a main stay of the choir in the concerted numbers. Mrs. Overend displayed a brilliant soprano voice in the Ave Verum.
 The choir included those named, Mrs. Rotariou, with her specially trained children's choir and Mr. and Mrs. Cece, Mrs. Alta Woodworth, Mr. Hamill and Mrs. Kelly of Rosedale Gardens.

BEET SUGAR Made In Michigan Should Always Be Your Choice

State and County Taxes Must Be Paid Prior To January 1, 1934 to Avoid Penalty
 If, for any reason you cannot pay during this month, make application to Jacob P. Sumeracki, County Treasurer, and payment may be extended to January 10, 1934.

EVERY tax dollar that you pay to Wayne County is spent in the proportion shown on the above chart. For instance, 27% of every tax dollar is spent for the preservation of public health and the prevention of contagious and infectious diseases. Look these necessary services over. You certainly would not want to be without them.
 Both State and County Taxes for 1933 were due on December 1st, 1933. However, you may pay them without penalty up to January 1st, 1934. Save that 4% penalty.

Do Your Part—Pay Your County Taxes Now!

Rocks Beat Dearborn 18-14

The Plymouth Rocks won their second league basketball game of the season when they beat Dearborn by a score of 18 to 14. Stevens, Elliott, and Wagenschutz played the whole game. McLellan and Kinsey substituted for Levandowski and Champe who played the biggest part of the game. The contest was not as close as last week's game which Plymouth won from Ecorse by a score of 17 to 18.

First Quarter
Stevens made the first basket of the season when he sunk a long shot from the middle of the floor. Levandowski made a free throw when the referee called a technical foul on the Dearborn stands. Koppitsch made a basket and Albertson fouled Stevens who made one free shot but missed the other. Koppitsch made another long shot and Stevens made two more points for Plymouth. The quarter ended with Plymouth leading 6 to 4.

Second Quarter
Levandowski made another short shot and Koppitsch sunk a long one. Stevens was fouled by Cardner but he did not make the point. Wagenschutz made a free shot after Koppitsch fouled him and Albertson made a short shot. Levandowski missed a foul shot and Roth made two points for Dearborn. McLellan came in for Levandowski and McLean

went in for Cardner. Stevens and Sautter fouled each other. Sautter missing his point and Stevens making his. Roth fouled McLellan who missed the point as the half ended 10 to 10.

Third Quarter
McLellan fouled Koppitsch and was taken out for Levandowski. Stevens made his third long shot of the game and Levandowski followed with one also. Sautter fouled Stevens again but he missed the shot and the score at the end of the period was in favor of Plymouth 14 to 10.

Fourth Quarter
Kinsey replaced Champe and Cardner took McLean's place. Stevens made his fourth long shot from the center of the floor. Albertson went out of the game for McLean who made a basket. Elliott fouled Sautter and Roth made two more points making the score 18 to 14. The score remained the same until the last minute of play when Elliott made a corner shot making the score 18 to 14.

DEARBORN TIES SECOND TEAM

The second team game was very close with two overtime periods. No points were scored in the first quarter and the second period ended with Plymouth leading 6 to 4. The Rocks kept the lead in the third quarter with a score of 8 to 6. The last quarter ended a tie at 12 all. Both teams made two points in the first overtime period. No points were made in the last overtime period and so the game was called a 14 to 14 tie.

New Game Laws To Be Published Soon

Fishermen who aren't sure whether the catch on their hook is a bluefish or a surf fish, or a brown or rainbow trout can now turn to the booklet that was issued them with their fishing license.

The Digest of Fishing Laws for 1934-35 issued by the Department of Conservation with all licenses now contains four pages of pictures of the more common species of fish.

The Digests, issued this month, are about one-third the size of those issued in recent year, with a resulting saving of about \$4,000.

All of the 1,800 license agents of the Conservation Department are now supplied with 1934 gen-

Local News

Golden Wedding Is Celebrated

Mr. and Mrs. Fred Bovee celebrated their golden wedding anniversary on Monday, Dec. 13, at the Plymouth Grange Hall. The occasion was celebrated by their sons Charles and Earl. The color scheme was carried throughout with yellow and white. The front of the hall was banked with palms and yellow mums. Mr. and Mrs. Bovee were escorted by their sons to the strains of a wedding march to the front, where a short ceremony with a reading and a table full of beautiful gifts were presented to them by Mrs. Steve Jewell, after which the relatives and friends to the number one hundred and thirty were taken to the dining room where a dainty lunch of coffee, sandwiches and cake were served. A beautiful wedding cake was presented to the hosts. Dancing and cards were the entertainment for the balance of the evening. A five piece orchestra furnished the music. Out of town relatives and friends were from Belleville, Tecumseh, Wyandotte, Dearborn, Detroit, Ann Arbor, Northville and Fowlerville.

MR. AND MRS. FRED BOVEE

On Wednesday evening, Dec. 13 the Plymouth Grange Hall was the scene of a Golden Wedding Anniversary of Mr. and Mrs. Fred Bovee sponsored by their sons Charles and Earl. The color scheme was carried throughout with yellow and white. The front of the hall was banked with palms and yellow mums. Mr. and Mrs. Bovee were escorted by their sons to the strains of a wedding march to the front, where a short ceremony with a reading and a table full of beautiful gifts were presented to them by Mrs. Steve Jewell, after which the relatives and friends to the number one hundred and thirty were taken to the dining room where a dainty lunch of coffee, sandwiches and cake were served. A beautiful wedding cake was presented to the hosts. Dancing and cards were the entertainment for the balance of the evening. A five piece orchestra furnished the music. Out of town relatives and friends were from Belleville, Tecumseh, Wyandotte, Dearborn, Detroit, Ann Arbor, Northville and Fowlerville.

About 20 per cent of tax revenues collected by the United States government comes from motor vehicle owners and operators. Several rod licenses and all persons over 18 years of age taking fish from the inland waters of the state after Monday, January 1 must be supplied with one of these licenses.

Society Affairs

Mr. and Mrs. Burt Gill entertained at a Christmas dinner on Sunday. Those who enjoyed their hospitality were Mr. and Mrs. George Gordon and daughter, Marian, Mr. and Mrs. Wm. Arcott and baby, Mr. and Mrs. George White, Mr. and Mrs. Ed Bolton and son David, Mr. and Mrs. Chas. Halmes, Andrew Ellenbush, Mrs. Edith Blake of Plymouth. Out of town guests were Mr. and Mrs. A. Williams and daughter, Allyn, Mrs. Louis Erickson and Mrs. Sam Freshney of Detroit, and Andy Blake and Miss May Bush of Saginaw.

Mrs. Ella Warner and daughter Bertha, had for visitors Christmas day Mr. and Mrs. Harvey Warner and daughter Mary and son, Richard, Mr. and Mrs. Ferbert Warner, Mrs. Jennie Crockett, Mr. and Mrs. Isaac Vermulen of Kalamazoo, Mrs. Cora McLaren and Mr. and Mrs. Arthur Warner and daughter, Jeanelle, of Detroit.

Mr. and Mrs. O. Williams of Detroit entertained at a Christmas dinner on Monday. Those who enjoyed their hospitality were Mr. and Mrs. Ed Bolton, Mrs. Edith Blake, Earl Rider of Plymouth, Andy Blake and Miss May Bush of Saginaw.

Interesting bits of news Taken from Plymouth Mail

William Beyer of Ferrisville is overhauling his feed mill, making many changes. He will make it ready for business soon.

Charles Stanbro of Salem quite seriously injured one of his fingers in the machinery at the elevator Monday.

Bonnie Hubbell, the six year old daughter of Mrs. C. O. Hubbell had quite an experience in the crowds in Detroit last Tuesday afternoon. With her mother and sister she had gone down to see Santa Claus and in the excitement when she saw one dressed up on the street she became lost from her mother.

John Baze has moved into a part of the house with his mother in Livonia Center and now there is another vacant house in the Center.

Mr. and Mrs. Bert Beyer of Detroit visited his brother O. F. Beyer and family this week. The few days before Christmas were certainly delightful from a weather standpoint. One could not ask for nicer days.

Mrs. Rose Hawthorne is spending a few days in Redford. Mr. and Mrs. C. S. Butterfield left last Saturday for Los Angeles, California, where they expect to make their future home. They took with them little David Wilcox and will stop for a few days at Longmont, Colorado, to visit David's mother, Mrs. John Wilcox.

Plymouth Woman's Recipe Is Winner Of Magazine Prize

Mrs. Edith Eklund, 443 Adams street, Plymouth, has just been awarded a certificate of recipe endorsement by Better Homes and Gardens for her recipe "angel food cake" and "gold sponge."

This certificate, which brings national recognition to Mrs. Eklund is given by Better Homes and Gardens only to distinguished recipes which pass its testing kitchen's tests for dependability, excellence of taste, and family usefulness.

In addition to the signed certificate, Mrs. Eklund also received six copies of her endorsed recipe, each bearing the Better Homes and Gardens stamp of recipe endorsement, which she can give to her friends.

In awarding these certificates, it is the magazine's aim to provide proper recognition for the creative work done by women in their own kitchens, and also to raise the standard of accuracy and dependability of recipes as a whole. No other magazine or institution gives this personal recognition and service to its subscribers.

Mrs. Eklund's endorsed recipe follows: Angel Food Cake. 1 cupful of cake flour, 1 1/2 cupfuls of sugar, 12 egg whites, 1 teaspoonful of cream of tartar, 1 teaspoonful of vanilla extract, 1/4 teaspoonful of almond extract. Sift flour and sugar together 5 times. Beat egg whites until they start to foam; then add cream of tartar and 1/2 teaspoonful of salt. Beat until stiff but not dry. Fold in flour and sugar and extracts. Bake at 325 degrees in a tube pan for 45 to 60 minutes.

Gold Sponge Cake. 12 egg yolks, 1 1/2 cupfuls of sugar, grated rind and juice of 1/2 lemon, 1 1/2 cupfuls of cake flour, 1 teaspoonful of baking powder, 1/4 teaspoonful of salt, 1-3 cupful of hot milk. Put egg yolks, sugar which has been sifted 3 times, lemon rind and juice, and hot milk into a bowl and beat vigorously for 7 minutes. Fold in flour which has been sifted 4 times with baking powder and salt. Bake at 325 degrees for 45 minutes.

It is reported that almost 3,000 visitors are now arriving in Miami, Fla., daily via automobiles. Among the thousands of out-of-state automobiles in the city, license plates have been counted from every state in the union, from Canada and Mexico, and even Alaska.

Thirty-four states in the union have changed the color combinations for their 1934 license plates, and 26 different motifs used.

Going To California? Miss Marie Johnson Of Auto Club Has Secured Map Showing Almost Direct Paved Highway

A fine, fast highway, almost completely all pavement, today connects Plymouth with California via a southern route that leads through areas historically famous and unsurpassed in scenic offering. Miss Marie Johnson, manager of the Plymouth division, Automobile Club of Michigan, outlines the most popular winter route to California in the accompanying map, together with an optional highway that is advisable only in summer months. At this time of the year the motorist begins to plan his winter tours, and already the highways to the semi-tropical regions west and south are literally dotted with the northern tourist.

Lester Daly Tells Of C. C. Experiences In Letter To Old Friends

Lester Daly, one of the Plymouth boys in the CCC service, has written a letter to his old friends in Plymouth, through The Mail, telling of life in the northern camps. His interesting communication follows:

Camp Irons, Dec. 18, 1933. We are located about a mile and a half from Irons, which has a general store, postoffice, gas station and three or four houses. Two trains pass through every 24 hours, one east bound and one west. We are in the Manistee National Forest. Most of the timber around here is scrub oak. Some maple.

The nearest town of any size at all is Baldwin, about 20 miles away. We are a little over 30 miles from Manistee. These two places will probably be the main source of entertainment as there are only two girls in Irons, and one of them is a visitor. About 50 of the fellows went to dance about three miles from camp Saturday night. There were all of seven girls there and the dance lasted half-an-hour. Such a life.

Respectfully, Lester Daly. Become accustomed to driving with the hand throttle instead of the accelerator pedal. It will be found useful to switch from one to the other on long trips.

normal which is 1 point better than for December 1, 1932 but 2 points below the 10-year average for that date.

The United States winter wheat acreage seeded this fall is estimated as 41,002,000 acres or 4 per cent less than the revised figure of 42,892,000 acres sown in the fall of 1932. This is 7.2 per cent less than the 3-year average seeded acreage, 1929-31, of 44,186,000 acres, or about one-half the reduction required of farmers signing contracts. The condition of the United States crop as of December 1 was 74.3 per cent of normal which compares with 68.9 per cent for December 1, 1932 and a 10-year average for that date of 83.5 per cent. This condition indicates a probable winter abandonment of around 20 per cent. The 10-year average loss of seeded acreage for the country as a whole is 12.4 per cent.

The acreage of rye sown for all purposes in Michigan in the fall of 1933 is estimated at 239,000 acres or 15 per cent more than the 208,000 acres seeded last fall. During the past two years, 60 to 65 per cent of the total Michigan rye acreage has been harvested for grain, the remainder being utilized for pasture and plowing down. The condition of that Michigan rye acreage as of December 1, 1933 was 84 per cent of normal, 1 point above that for December 1, 1932, but 4 points below the December 1922-31 average.

A similar increase is shown in the United States rye acreage this, the area seeded for all purposes being estimated at 5,091,000 compared with 4,439,000 acres sown in the fall of 1932. The condition of the United States crop as reported on December 1 was 69.9 per cent or 18 points below the 10 year average December 1 condition, 1922-31.

The spittires are at work already and Jean Harlow recovering from an appendicitis operation, has been forced to deny that she and her husband, Hal Rosson, cameraman, have had a serious quarrel.

Three men are held under bond in Los Angeles on charges of robbing Mae West. The film star alleges that she was forced to turn over to them \$3,400 in cash and jewelry worth \$19,000.

Better vanity in your child than hopelessness.

WHEN - BETTER - AUTOMOBILES - ARE - BUILT - BUICK - WILL - BUILD - THEM

Let her use a new electric range ON TRIAL, and decide for herself whether she likes it. There is one gift—more than any other!—that you can be SURE will win her appreciation. Think for a moment how many times it will help her—with three meals a day, ninety meals a month, a thousand meals a year! She'll bless you for your thoughtfulness every time she uses it. You can give her COOKING HOLIDAYS—to do the things she likes—because she can be away all day and come home to find her evening meal piping hot—and ready to serve. She'll bless you for a brighter and more cheerful kitchen; she'll bless you for the lessened toil of keeping her kitchen walls and curtains clean; she'll bless you for the freedom from drudgery because her cooking utensils remain bright and shiny after long use. She'll find cooking on her new range easier and more convenient, her baking results will be surer and food far more delicious and healthful. You need not buy the range. We will install an electric range without initial charge, and let you use it for six months, removing it without charge if you do not like it. During the trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense. Send in your application for a trial range today.
