

## EDITORIAL

Tuesday is primary election day. To Michigan citizens, it is a most important event for at that time the voters will select candidates for important public duties. Some of these candidates will be elected at the November election to conduct our state for the next two years.

Never before have there been so many candidates for all the offices—and never before has the task of selection been such an important one.

The Plymouth Mail can urge but one thing—that each voter select with care the candidates favored for public service.

The governorship is the all-important place on the ticket. To our Republican readers we commend without hesitation the nomination of Alex J. Groesbeck. It is needless to review all of the reasons why for the good of Michigan he should be nominated and elected. Fearless and without ties to any clique or political gang, he has the spirit of leadership and the driving ability that the state so badly needs in these trying times. And he has the brains.

For our Democratic readers the task is not so easy. Governor Comstock has been handicapped for numerous reasons but some of his failures cannot be charged directly to him. His opponents have offered Judge Arthur Lacy, a lawyer, and a student of public affairs. For the Democrats who do not favor the record of Governor Comstock they have another candidate to turn to.

By this time the voters have their minds pretty well made up. All we can do is urge every one, no matter to what party you belong and no matter who the candidates you favor might be, is to go to the polls Tuesday and aid in the selection of the candidates. It is your duty to your government. If you do not take part in the nomination and election of your public officers, you have no right to complain of the conduct of public affairs. Vote—and vote early!

## Ground Broken For New Ford Plant At Newburg—To Rush Completion

Ground was broken Wednesday afternoon at the new Ford factory that is to be erected on the north bank of the newly created Newburg lake just north of Newburg.

The excavation will have been entirely completed before the end of the present week and construction of the foundation will be started early next week.

The factory, it is expected, will be in operation within the next sixty days, giving employment a greater portion of the year to about 25 or 30 people.

The building will follow in general design all of the smaller factory buildings that the Ford Motor Car company erects. It will be a most attractive structure and the grounds surrounding it will be landscaped by the company.

As the Ford company owns practically all of the land between the new Ford plant and the Newburg dam, the beautification of this locality will add greatly to the general appearance of the park entrance.

The company will manufacture twist drills that are used in all of the new Ford plants.

The new factory will be the fifth that Mr. Ford has erected in this locality in recent years.

## City To Ask You To Help Select Work Projects

A list of proposed public work projects for Plymouth will be on display in the commission room during the dedication ceremony Saturday and guests will be requested to indicate their choice of the types of projects to be undertaken by the City under this program.

Under the present CERA program no materials are being furnished by the state and federal government, therefore it is necessary to confine the activities to projects requiring little or no material. It has been felt for several months past that there are certain types of projects which would be of local benefit to property owners and they might be willing to finance the cost of materials. Projects of this type include concrete curb construction, sewer construction, water main construction, etc.

This proposed list of projects will be posted in a conspicuous place in the commission room and each project or type of project will be assigned a number so that persons desiring to indicate their choice may do so by showing only the number, rather than writing the entire description on the ballot which will be provided.

These ballots will be deposited in a ballot box and will later be tabulated and analyzed by the commission. This will be a great assistance to the commission in approving projects to be undertaken during the coming fall and winter months when it is expected the number of employees on CERA projects will be considerably greater than at the present time.

The commission hopes that the visitors at the city hall will take an interest in this part of the program in order that they may be assisted in selecting worthwhile and proper projects for future work.

The actual construction work was under the supervision of Neal McClellan, an old time resident of the city of Plymouth and a man who has had many years of construction experience with some of the largest building contractors in the State of Michigan.

Mr. McClellan has been a construction superintendent with the Wood company of Detroit for more than twenty years and has handled some of the larger construction jobs in the State, including the Maybury Sanitarium, The Wayne County Training School and the Detroit House of Correction.

Mr. McClellan has given many hours of untiring work to the City Hall project in order that it could be completed as early as possible and in a good and substantial manner. The painting and decorating work has been done under the direction of John Lusk, a resident of the city of Plymouth and a painter with a great many years of experience.

In addition to the services rendered by the above mentioned persons we should not forget to mention the many men who have been engaged on this project under CWA and CERA because these men have rendered a valuable service to the City of Plymouth and have taken a great deal of interest in the work.

It is hoped that they could produce something of value and of a permanent nature to which they could point with pride in future years.

## Public Invited to Visit Plymouth's Beautiful City Hall Structure, Entirely Re-modeled With CWA Funds, Is Now Modern Public Building

Well Known Local Designer Perfected Excellent Arrangements

Work On Structure Under Direction Of Neal McClellan—The CWA Provided Labor

The architectural work on the city hall, including all of the details in arranging the office space and designing the various features of the building, was done by Thomas Moss, an architect living in the city of Plymouth. Mr. Moss was engaged about a year ago by the city commission to prepare plans for proposed changes in the city hall at the time the matter of providing space for the library was under discussion. Mr. Moss spent considerable time in preparing the original sketches, which were to be submitted as a PWA project. Later the idea was abandoned because it was felt that additional details should not be added on the city under present circumstances.

At the time the CWA program was under discussion Mr. Moss was again called in to prepare tentative plans for rearranging the City Hall. After considerable study and thought, Mr. Moss worked out the plan which has been put into effect during the past few months.

The actual construction work was under the supervision of Neal McClellan, an old time resident of the city of Plymouth and a man who has had many years of construction experience with some of the largest building contractors in the State of Michigan.

Mr. McClellan has been a construction superintendent with the Wood company of Detroit for more than twenty years and has handled some of the larger construction jobs in the State, including the Maybury Sanitarium, The Wayne County Training School and the Detroit House of Correction.

HOW THE MUNICIPAL BUILDING LOOKS  
—Photo by Ball.

## Taxpayers Will Have Opportunity On Saturday Afternoon To See Its City Government Function

A regular itinerary will be mapped out for all visitors at the city hall so that there will be no confusion in going from place to place in the building. Immediately after entering the building each guest will be asked to register after which the souvenir coin will be presented. After registering the guests will be escorted through the city clerk's office, city treasurer's office, police department, public works office, then to the second floor where the new offices, assembly room, commission room and fireman's quarters will be shown.

The guests will then be escorted to the first floor and into the basement where the storage vault, milk testing laboratory, jail cells, etc., will be shown.

The employees of the city will be on duty in their respective offices to discuss with any guest of the duties or procedures followed by the city. The city treasurer's office will have on display the procedure followed in making up the two tax rolls which are necessary each year, also the forms and procedures used in preparing the water bills and other miscellaneous duties of this office.

All mechanical office equipment used in the city offices will also be on display. The most interesting of these machines are the addressograph, graphotype, and dictaphone. The addressograph machine is the one which prepares the names, addresses, and property descriptions, and prints them on the tax rolls. This machine also stamps the name and address of water consumers

on the water bills. The Graphotype is the machine which makes up the metal plates which are used on the addressograph by means of which the printing is done. These machines, since being installed in the city offices, have saved many times their cost.

The dictaphone is a machine to which a person may dictate and which inscribes upon a record the words spoken by the person doing the dictating. The roll is taken from this machine to another machine by the stenographer who listens to the words spoken by the person doing the dictating, and as she listens the letters or reports are typed in the ordinary way. By this method the time of the stenographer taking the dictation is shortened and a better organization plan can be worked out for the work of both the person doing the dictating and the stenographer transcribing the dictation onto letters.

The milk testing equipment will also be on display and someone available to explain the procedure followed in making the regular milk inspections in the City. Plenty of opportunity will also be given to inspect the fire equipment which the fire department has on duty to make any explanations desired by the visitors.

The city commission will be at the city hall to greet the guests and will be only too glad to spend such time as is necessary in going over any of the activities or functions of the municipal government.

The result of the controversy was an injunction which was finally settled by Judge Reiley of Detroit. Later on these same minstrel boys put on a play and used the proceeds to buy scenery and furnish the stage.

In those days Plymouth was noted for her exceptional theatrical talent and many splendid entertainments were given in the City. The only change made in the seal was the change in the word "Village" to "City." Mr. McCandlish has rendered this seal very artistically on the wall in the downstairs lobby opposite to the entrance of the City Manager's office.

Mr. McCandlish is also painting two murals in the Commission Room. The one on the south wall represents a scene in the early history in Michigan. The scene depicts a team of oxen plowing in the rough fields of this State many years ago. In the background is a clump of woods and a log cabin with two men chopping wood. Near the cabin the oxen is a pioneer woman and child bringing a lunch to the workmen in the field.

The mural to be painted on the north wall in the Commission room will show the various activities of the municipal government. This mural has not as yet been started, but will be commenced within the next week or two.

All of the paintings done by Mr. McCandlish have attracted considerable amount of attention and it is not uncommon to find a good sized audience watching Mr. McCandlish at work each day while engaged in the painting of these murals in the city hall. Every visitor attending the dedication of the building should not miss the opportunity to see the work of Mr. McCandlish.

Miss Edith Markey of Saginaw is the guest of her cousin, Mrs. R. A. Kirkpatrick.

## Public Invited to Visit Plymouth's Beautiful City Hall Structure, Entirely Re-modeled With CWA Funds, Is Now Modern Public Building

Everyone Invited On Saturday Afternoon And Evening To Inspect Work That Has Been Done—  
Officials Will Be Present To Take Visitors  
Through The Offices

## First Village Hall Built 1889

On March 18th, 1889 the village clerk presented to the village council a petition, signed by the leading taxpayers and voters of our village, praying the council to submit to a vote, on April 8th, at the regular land on the question of raising a loan of \$2,000 to be added to an existing building fund and used to erect a building to be used for a Village Hall, Council Room, and Lock-up.

At the meeting of the council on April 24th, it was decided to appoint a committee of three to select a site and receive bids for such a building. On May 16th this committee reported on five pieces of property that had been offered as sites, at prices ranging from \$700 to \$2,000.

After several meetings and considerable discussion and voting, a piece of property on Main street occupied by a roller skating rink and owned by Bentley and McClellan, was decided upon. Later it was decided to purchase from O. H. Polley land on the north of the rink site, to make the lot square. The entire site cost \$750.

On June 26th a proposal of the building committee to make the Village Hall 45 feet front and 80 feet deep was adopted by the council.

In August, building plans submitted by Architect M. G. Malcomson of Detroit were accepted, and on Sept. 30th, 1889 the contract was entered as follows: All work except mason work, cut stone, slate spring galvanizing, iron work \$2,230. Excavation, stone work, brick work, and cut stone, \$1,843. Slatting, tin, and galvanized iron work \$446. Making a total building cost of \$4,519. The building to be finished by Dec. 1, 1889.

At the meeting of the council on January 6, 1890, the building committee reported to President Michael Connor that the contractors had finished the Village Hall and recommended that the council accept the same. The Village Hall project was considered and after being approved by the city commission the project was submitted to the county commission and state commission where the CWA surplus stock then the remodeling job required an extensive amount of labor, all of which was furnished through the County Emergency Relief Administration. It was not possible to secure all of the material necessary through the CWA surplus stock, therefore the city had to obligate itself to purchase the necessary materials which could not be obtained from the county warehouse.

At first it was not planned to replace all of the plaster in the building but, as the work progressed, it was found that the plaster was the old type material, approximately thirty or forty years old, and in many cases was pulled loose from the lath. It became apparent that the old plaster would have to be removed and the building replastered throughout. The only room in which the old plaster was not torn off is the assembly room on the second floor.

The commission room on the second floor, which was used as the Municipal Court Room, has been given the most complete change of any part of the building. In this room there were three different types of plaster and plaster board and the ceiling consisted of six inch yellow pine. The ceiling which had pulled apart in many places so that as much as a quarter inch gap was evident. The commission room was entirely replastered and a curved ceiling was erected. The walls were also replastered and a plaster molding put up at the point where the walls and the ceiling meet. The commission room is the most beautiful room in the building and it being further ornamented by the painting of murals on each end of the room.

The plumbing in the building was reconditioned and in many cases the old inadequate piping and fixtures were removed and modern standard equipment installed. Likewise the electrical work in the building was all gone over and modernized. The old building was wired with inadequate and unsafe wiring and fixtures. These were replaced with modern conduit and cable which eliminates, to a great extent, the fire hazard created by the old electrical wiring.

## Public School Enrollment Is City's Highest

Total To Exceed 1400  
Before End Of The  
Enrollment Period

Classes Are Organized  
And Work Started For  
Year Without Slightest  
Delay

Plymouth's public schools opened Tuesday with a record first day enrollment of 1,348, which will mean that the school will probably reach close to the 1400 mark for attendance when all have become enrolled.

The corps of teachers for the school year contains two changes from that printed a couple of weeks ago. Miss Winifred Hornbeck of Grand Rapids and Miss Jeanette Detwiler of Owosso teaching at the Central Grade School as the result of the resignations of Miss Fenner and Miss Erleben.

Classes are all organized, and school is running well and should be hoped for at this time.

The committee of the Parent Teachers Association of the Central School, consisting of Mrs. Crandell, Mrs. Humphries, Mrs. Roe and Mrs. Hamill, has been doing a wonderful service in assisting the principals, Miss Hornbeck and Miss Fenner, in the exchange of second hand books in the auditorium.

Plans are under way for the dental survey, and in fact, every curricular and extra-curricular activity has been organized.

## Voters League Meets Monday

The League of Women Voters of Plymouth opens the fall and winter program Monday, Sept. 10th when they hold their meeting in the Community room of the City Hall. This room was formally used as a storage room and has been converted into an attractive room for community meetings and the League especially is thankful to those responsible for the conversion of the room into our city hall in general.

A study of candidates in the primary election, Sept. 11th will be made and an effort is being made to have speakers representing the Probate Judge, our state representative, prosecuting attorney, sheriff and a speaker for at least two candidates running for governor.

Their messages will be brief but will outline their policies which will be very interesting. The League cordially invites all the women of Plymouth who are interested to be present at the meeting at 2:00 p. m. next Monday.

Mrs. Paul Perini, wife of the chef of the Mayflower hotel, is recovering from serious injuries she received Monday night when she fell down a stairway at the home of Ed Baker on Holly and avenue where they were spending the evening. The light happened to be turned off at the head of the stairs, and she did not know that she was walking into a stairway. Her back was injured, several ribs broken and one arm was fractured. She was rushed to Plymouth hospital in Schrader's ambulance where she is being attended by Dr. Howell.

## Eckles Co. Adds New Associate

Announcement was made this week by the Eckles Coal and Supply company that Floyd Shafer, for years a well known business man of Northville, who has many friends in Plymouth, has purchased an interest in the Eckles business and that he will from now on be permanently connected with the company.

Mr. Shafer's son, Harry, will conduct the Shafer Electric store in Northville, so that Floyd Shafer is able to devote his entire time to his new position in Plymouth.

Increasing business has for some time required additional duties to those who have been long associated with the Eckles company and some time ago it was felt that it would soon be necessary to secure additional assistance in the conduct of the business.

Mr. Shafer's many friends in Plymouth will be pleased to welcome him to the business circles of this city. Previous to establishing the electrical business in Northville, he was for many years connected with the Michigan Bell Telephone company and in this connection he became well acquainted with numerous residents here who will be glad to know that he will from now on be active in local business circles.

## Women Organize Health Classes

The Michigan Department of Health, sponsored by the Parent Teacher Association, will conduct a series of six health classes for women. These talks will be given by Dr. Ida Alexy.

There will be talks on anatomy, physiology, personal hygiene, nutrition and preparation of foods, prevention of communicable disease, correction of physical defects, and child management.

The meetings will be held in the dining room of the Plymouth high school. The first lecture will be held at 7:30 p. m. on Thursday, September 13, and the course will continue on each successive Thursday at 7:30 p. m. The last meeting will be held on October 18.

These talks will be of interest to all women. Come prepared to ask questions.

## GRANTED DIVORCE

Judge Marcher in circuit court in Detroit recently granted to Mrs. Pearl Coffman, a former resident of Plymouth who now resides at 72 Smith street, Detroit, a divorce from her husband, Wilbur. The decree was signed on August 30.

Mrs. William Smith of Dearborn visited her parents, Mr. and Mrs. Richard Brown, Wednesday.

## Did You Know That

Mobas window shades are hand painted in your home town, latest colors at a reasonable price. Extension of time for the payment of taxes without penalty. Another 1 per cent will be added after Oct. 10th making a total penalty as of that date of 4 per cent. All persons who are in a position to pay their city taxes should make the effort to do so before September 10th. The penalties added by the city of Plymouth are in no case cancelled by any state laws, therefore there is no possibility of having the tax penalty eliminated by any future action of the state legislature. Penalties are added to the original tax at the time the taxes are returned to the county treasurer as delinquent.

## Tax Penalty Is Added Sept. 10th

According to provisions of the city charter, after September 10 an additional penalty of 1 per cent is added to all unpaid city taxes.

Because of the fact that this provision is written into the city charter, according to city officials, it is impossible to make any extension of time for the payment of taxes without penalty. Another 1 per cent will be added after Oct. 10th making a total penalty as of that date of 4 per cent. All persons who are in a position to pay their city taxes should make the effort to do so before September 10th. The penalties added by the city of Plymouth are in no case cancelled by any state laws, therefore there is no possibility of having the tax penalty eliminated by any future action of the state legislature. Penalties are added to the original tax at the time the taxes are returned to the county treasurer as delinquent.

### HOW QUICKLY WE FORGET

It is probably a good thing that people forgive and forget quickly in the little dealings of every day life. And while we are quick to forget about the trials, we apparently practice the same thing when it comes to public affairs.

We are right now in the midst of an important primary election campaign. Candidates are running up and down the state telling how they have saved the taxpayers money and how the salvation of the people depends upon their success at the polls. With all the plavering and promising going on, you hear nothing of important scandals of the past year or so from any of the candidates—Republicans or Democrats. But it is all due without question, to the easy way we have of forgetting the past.

It is interesting to run back over some of the newspaper clippings pertaining to state affairs during the past two years.

Last year on June 23 the Detroit Free Press published the following Associated Press story from Lansing pertaining to prison and parole policies, and in which one of the outstanding Democrats of Michigan freely charged that the policies of the state government were being dictated by "scoundrels." The dispatch said:

"My first experience with the present Prison Commission, however convinced me that co-operation was not wanted," he said. "A policy emanating from some mysterious source—of which I believe Gov. Comstock has little if any knowledge—balked every effort I made to put the prisons on an economical and self-sustaining basis."

"The appointment of Mr. Leebow to make a survey of Michigan prisons—a thing I believed within my field and that I had already accomplished—came as a surprise to me. The activities of Mr. Leebow in connection with the prisons and, as seemed to me, in determining the policies of the Commission, made it difficult to accomplish my purpose of reducing prison costs."

"I am unwilling that control of prison industries and the prisons themselves should pass into the hands of a man who has shown no sincere interest in the welfare of any human being except himself."

"That Gov. Comstock has lately seemed to be under the influence of the most subversive and dangerous element in our population is a circumstance for which I cannot account."

"I still believe Comstock will be a good governor—but that will not happen until he clears his household of the scoundrels who now shape the policies that should be shaped only by the Governor or himself and the officers of the State."

Now comes the notorious Auditor General who spent thousands of dollars of the people's money fixing up a palatial office for himself in the capital building, promising to do all sorts of things for the voters if he could only be elected governor. Well let's for the moment read just one brief article that the Detroit News published on November 21, 1933 from W. A. Markland, the Detroit News Lansing correspondent about Mr. Stack's alleged economy:

It seems that John K. Stack, Jr., Michigan's most brilliant performer in returning the inflated expense account, has fumbled the ball on his own five-year line. The Legislative Council recovered and is just going into its jurisdiction. The play is certain to be an attempt at a cut-back.

When the Legislature passed the Sales Tax Act it created the State Board of Tax Administration and a director thereof, whose salary, the Legislature said, "shall be \$4,000 a year."

James E. Mogan, former business associate and fellow-townsmen of Aud.-Gen. Stack, is the director and he draws from the State not \$4,000, but \$6,000 a year.

Rep. Martin R. Bradley, Speaker of the House, and other members of the Legislative Council, confess that they experienced a feeling akin to irritation when they learned of this. They called Mr. Stack in to explain. The explanation possesses the priceless virtue of brevity, if nothing more.

"That is a big job," the auditor-general says. "It has to be a good man. Mr. Mogan is worth more than \$4,000. I took the matter up with the Governor and the finance committee of the State Administrative Board. Since then I have been putting through an expense account for Mogan at the rate of \$2,000 a year."

Speaker Bradley takes the attitude that Mogan will draw \$4,000 and not a cent more, if the Legislature has anything to say about it, and he feels confident that it has.

"It is time for us to find out if the laws we pass mean anything," Bradley said. "We pointed out to Mr. Stack that the bill never could have been passed if the director's salary had been fixed at \$6,000, or at \$4,000, with \$2,000 added for expenses. It was the will of the Legislature that he receive \$4,000, no more, and this is a plain attempt to circumvent the law."

Here you have the picture of Auditor General Stack openly flaunting the laws of the state so that he can pay with the taxpayers money a bigger salary to his political friend and associate. Of course you hear nothing of that in the campaign.

Official friends of the administration, with the customary watchfulness of the taxpayers' interest entirely forgotten. A Lansing dispatch to The Times on November 28 said:

Brokers, Inc., middlemen in sales of materials and supplies, received \$4,874 from the state for sale of automobile tires between last May 12 and August 22.

The tires were sold without competitive bids. As were 5,500 tons of coal, which the State Purchasing Department bought from Broker's Inc.

Agent of the company is J. B. Whitely. Comstock campaign worker and former real estate man who was refused renewal of a broker's license by the State Securities Commission.

The tire purchases were made through J. G. McGrath, buyer under B. J. Abbot, purchasing agent, secretary of the administrative board, prison commission chairman and budget director.

A rule of the administrative board is that purchases involving more than \$3,000 must be submitted to the board's purchasing committee. The orders for the tires came at intervals of from four days to a month, so no single purchase order was for more than \$1,200.

Brokers, Inc., was agent for Dunlap tires and tubes. It delivered 406 sets of tires and tubes at an average price of \$12 per unit. May 12 the firm was given an order for \$729, May 21 for 1,161, June 15 for \$1,182, July 7 for \$656, July 11 for \$279, July 21 for \$285 and August 22 for \$542.

In the same period Goodyear received \$6,027 worth of business. Firestone \$11,002.

"Tire prices are standard," McGrath said, "and there would be no use in bidding. When one or another of the state institutions puts in a requisition for tires, we call in a representative of a tire company and give him the business."

"Purchase orders go out at as little as four-day intervals," McGrath said, "because we order the goods whenever a department or institution requisitions it, which is at irregular times."

Brokers, Inc., was incorporated last May 11 with Whitely as president. W. Wright Gedge, political commentator for WMBC, declares however, that he is president of the firm. The company's mailing address is the office of State Senator Joseph C. Foster.

From the taxpayers' point of view these are all interesting news articles that were quickly forgotten about—and candidates are not anxious to remind you of them at this time. Let's all hope that the time will come when people WILL give thought to such matters.

### WHY A COMMUNITY NEWSPAPER?

Contest Sponsored by Adrian Van Koeveling of Zeeland, Michigan.

By ELLIS R. MARTIN, Dearborn, Mich. (Favorable Mention)

"Good morning, Mr. and Mrs. Citizen. Let me introduce myself. I am your newspaper, the authoritative voice of your group."

"I bring you the news of what is happening in your city. I tell you the progress of your schools, your churches, your service clubs, your athletic organizations, your social groups. Through me you may learn what your friends and acquaintances are doing."

"I advise you of the action of your political bodies. It is I who warn you when your chosen officials betray you, or are about to engage in legislation opposed to your best interests. It is I who point out the advantages of proposed measures, or the disadvantages. I show you how your tax monies are being spent."

"I keep you informed of the affairs of your state and nation, of the progress of justice, Life, death, marriage, birth and divorce are all recorded in my columns for your information, and to be a memorial of your times when you and they have forever passed away."

"I am the defender of religion, morality and education. I advocate the success of the poor and the unfortunate. I lead in movements for the advancement of civic improvement. Without me, your town would be a nest of conjecture and repellent gossip."

"I help to form public opinion, and set the tone of your group by my choice and treatment of material available for publication. I can quiet the noise of slander or rouse the still small voice of conscience. I commend the worthy and reprove the wayward."

"Through my columns you may see foreign lands and peoples, and it often happens, may derive much profit in comparing them with your own country. You have the advantage of comparison of groups within the city, the possibility resulting in healthy competition and definite growth of social and business activities."

"I show you where you may spend your money to best advantage and encourage trade and worthwhile enterprise. I uphold business ethics and square dealing. I shame the coward and the slacker, the community drone who lags while others press forward."

"What other agency devotes more time to the pressing economic problems so important at present, or better cooperates with relief bodies in the city? Who else has a better grasp of local conditions, a better knowledge of people's needs, than the newspaper?"

"I can tell you how to use the new leisure in a worth while way. Indeed, through my columns you may learn devices that will fill your empty hours, bringing them special services in addition to information."

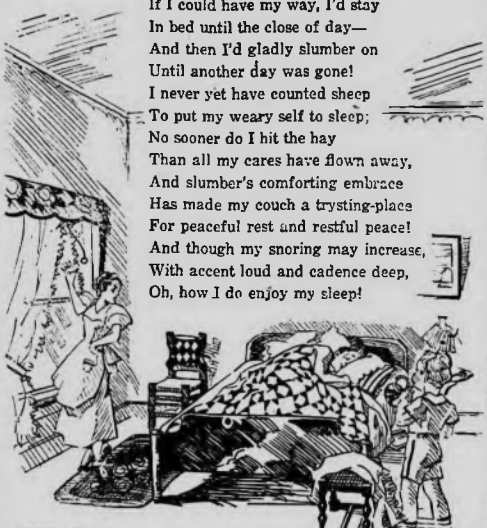

"I am the link that ties to the home town those who go forth into other fields. I strengthen relationships with the city, and make strangers welcome. I help to preserve the old landmark while encouraging beauty in the new. I urge cleanliness, sanitation and high standards of physical and intellectual life."

"I believe in the joy of the work, the pleasure of achievement, for individuals as well as for communities. I champion the cause of young and old, the latter for the good they have done humanly, the former for the high hopes we have for them."

"I save the community from the fatal inertia of indifference, the sleep that precedes civic death. Without me you cannot go forward, and in civic life there is no standing still. I carry the banner of normal, healthy progression, trusting in you to follow. Without the newspaper, the community is nothing; without the community, the newspaper is nothing. They are mutually inter-dependent."

# Slumber Song by Lawrence Hawthorne

I like my sleep! I don't know what  
Is better than a downy cot;  
If I could have my way, I'd stay  
In bed until the close of day—  
And then I'd gladly slumber on  
Until another day was gone!  
I never yet have counted sheep  
To put my weary self to sleep;  
No sooner do I hit the hay  
Than all my cares have flown away,  
And slumber's comforting embrace  
Has made my couch a trusting place  
For peaceful rest and restful peace!  
And though my snoring may increase,  
With accent loud and cadence deep,  
Oh, how I do enjoy my sleep!

### Rambling Around With Michigan Editors

#### INSURANCE VS. A DEAD BABY

Picture if you can a small boy of three years walking along the side of the highway—happy, healthy and with laughter on his lips and joy in his baby heart. Suddenly there is a roar, a screech of rubber tires on concrete, a thud coming out of a cloud of dust and the agonized scream of a mother. People rush to the spot. A driver gets out of a car with an expression of stricken guilt on his face, yet with a sort of bravado and relief of the person who feels lucky he himself is uninjured.

Tender hands pick up the crumpled little form. There is still life. The first thought is to get the child to a hospital. The mother takes him in her arms. She is given a rear seat in the killer's car. Repeatedly she is admonished to quiet her hysterical grief with the assurance, "You don't need to feel so bad. We have insurance." A few minutes ago we say that baby boy lying on a couch—cold and dead—waiting for the tiny casket which will house him in his last resting place. A few minutes ago we heard the mother almost incoherently beg of us to "write something that will prevent other mothers' babies from being killed." Great choking sobs seemed to be tearing her heart out as she pleaded for us to "write something."

Dear woman, mother of the poor, crushed little form, we wish that we could write something, say something, or do something that would make crazy drivers realize the agony and terrible suffering caused by their murderous speed. This newspaper and thousands of other newspapers have published hundreds of columns and published many pictures in an attempt to bring sanity and caution to drivers. Nor are the drivers all at fault. Irresponsible little folks should be kept away from these concrete speedways which the people have demanded—speedways where high-powered projectiles weighing from one and one-half to two tons screech and roar their way along—dealing death for anyone who inadvertently gets in their way—even innocent baby boys like yours.

"You don't need to feel so bad. We have insurance." Insurance indeed! What if it were possible to pay that mother \$50,000, or \$500,000—what would it mean? Is there a dollar-and-cent value on the life of your baby boy? Is there a monetary value for any child—yours or mine? What would the mother of the driver, himself, say if someone mentioned "insurance."

#### DE FOE IS RIGHT

The irritating thing about the present liquor set up, as we see it, is the way youth is encouraged to drink. In the old days minors were kept out of saloons while today youngsters of high school age are potential customers. —Muriel De Foe in The Charlotte Republican Tribune.

#### VOTED ONE GANG OUT, ANOTHER IN

Two years ago the people voted for a change. A change to what? Even the most ardent democrat would hesitate to insist that the people merely wanted partisans of one party substituted for those of another. Certainly it cannot be argued that the voters of 1932 asked to have nearly 1500 new jobs created, as the records of the auditor general, recently made public, indicates has happened since January 1, 1933.

As the Conlin editor of The Crystal Falls Diamond Drill ably points out, the people thought they were getting rid of a "gang" when they voted Comstock in. Instead they merely voted a "gang" of democrats in.

It is to be wondered at then that there is less of flag waving and fewer hurrahs, and a waning enthusiasm in 1934? The people are disappointed. They know they have been flimflammed. They are not encouraged in the hope that better treatment for them is ahead.

Maybe it's the Tigers. Maybe it is not the Detroit baseball team but an alert tiger lying in wait, with tail lashing its emaciated and tortured sides, lying in wait to pounce upon a lot of political candidates who have nothing better to offer than platitudes, slogans and happy phrases. Maybe the tiger has been plagued beyond further endurance.—Vernon

As one gazes upon the efforts of various governments to bring order out of disorder, one is reminded of that strange paradox of the cow: How can a brown cow eat green grass and give white milk with yellow butter in it?—George Averill in The Birmingham Eccentric.

#### ALL ALIKE

In his talk here last Saturday John K. Stack, Jr. called attention to the fact that the three men on the liquor commission of this state are at the head of a \$25,000,000 business and never had a day's experience in business in their lives. The men are Fieard, Gormley and Richel. This same condition exists in the national administration. We have a president, cabinet and a brain trust. The income of almost all of them coming either from legacies or property left to them by their ancestors or from payroll jobs met by tax money. If some of these men had to meet or make good by paying a payroll out of the product they produced things would differ differently upon the nation's sereen—Thomas Conlin in The Crystal Falls Diamond Drill.

Mr. and Mrs. William Farley accompanied their daughter, Miss Van Campbell, to Almont Monday where she has accepted a position as teacher of the second and third grades in the schools of that city.

#### William Thams is spending a few weeks at Detroit Lakes, Minn.

Miss Margaret Stephens of Ypsilanti and John Gafield of Detroit were guests of Mr. and Mrs. C. G. Draper Sunday and Monday. Edward Kohler of Northville who recently returned from California, was also their guest on Monday.

### Society News

A most enjoyable party and "kitchen shower" was given Saturday evening at the home of Mr. and Mrs. Alfred Bakewell on the Plymouth Road in honor of her brother and wife. Mr. and Mrs. Elton Ashton, of this city, about forty relatives gathered there to wish them well and a happy evening passed playing buncos and other games. Later in the evening a delicious repast was served by Mrs. Bakewell to which all did full justice. The "shower" was a complete surprise to the happy couple and they were generously remembered, receiving innumerable lovely and useful gifts for use in the kitchen. They are now pleasantly located in the library apartments on Main street.

On Sunday evening a group of fourteen young ladies were entertained at a garden party and supper by Miss Jane Whipple at

her home at Meads Mills. The guests included the members of the Junior Octette bridge club, Rosemary West, Margaret Buzzard, Catherine Dunn, Miriam Jolliffe, Evelyn Rorabacher, Cora-line Ratbourn, DeWitt Taylor and six other guests. Jane Platt, Betty Snell of Detroit, Jean Jolliffe, Ruth Meurin, Helen Rubar and Elizabeth Whipple. Jane leaves Wednesday for Antioch, Ohio, where she will enter college.

On Sunday, August 26, about thirty relatives gathered in Riverside Park for the Ashton reunion honoring Mrs. Nettie Lowe of Spencer, Iowa. Guests were present from Iowa, Detroit, Ypsilanti and Plymouth. It was voted at this time to make it an annual event so elected officers as follows: President, Sidney Ashton of Detroit; secretary, Mrs. Alfred Bakewell of Plymouth; treasurer, Mrs. William Fuller of Ypsilanti. They plan to meet at the same place next year on the second Sunday in August.

Mrs. A. A. Taft had as her guest last week her sister-in-law, Mrs. L. Kellogg of Detroit. On Friday the latter's son and wife, Mr. and Mrs. Douglas Kellogg of Jackson spent the day and enjoyed dinner with them that evening. On Saturday another son and wife, Mr. and Mrs. Harry Kellogg, of Detroit joined them for the day and dinner. Mrs. Kellogg accompanied them home that evening.

The Willett, Herrick and Eckles families enjoyed a picnic in Riverside Park Sunday. Out of town relatives present were Mr. and Mrs. L. A. Dougherty, Mr. and Mrs. Hugh Loney and sons, Jack and Richard of Elkhart, Indiana, Mr. and Mrs. C. J. Teutel, daughters Jo Ann and Doris, Mr. and Mrs. A. L. Miller and daughter, Ruth, of Rochester.

Eddie Kincaid, son of Mr. and Mrs. C. E. Kincaid, was greatly surprised Saturday afternoon when ten of his friends joined him in celebrating his ninth birthday. The children played various games after which Mrs. Kincaid served them a dainty lunch. Eddie received several lovely gifts in remembrance of the occasion.

Miss Martha Latz of Logansport, Indiana, Miss Dorothy Sanders and Wendell Lent, of this City were dinner guests of Marvyn Terry last Thursday evening at his home on North Harvey street. Miss Latz has returned to her home in Logansport after spending some time with Miss Sanders.

Mr. and Mrs. George Jarratt and their son and wife, Mr. and Mrs. Norman T. Jarratt of Detroit will leave Friday on a week-end cruise on the yacht "Merlo" owned by the former Mrs. Jarratt's brother, Commodore R. H. Ross of Detroit.

Mr. and Mrs. E. J. Brown and Mr. and Mrs. Elmer E. Austin were in Weston Sunday to attend the golden wedding anniversary of Mr. and Mrs. Noah Brown. They went from Weston to Blissfield where they spent Labor Day with relatives.

Mr. and Mrs. Earl Mastick entertained a few guests at dinner at the Dearborn Inn Friday including Mr. and Mrs. C. L. Rowe and John Rowe of Gary, Indiana, and Mr. and Mrs. W. B. Helsler of Cleveland, Ohio.

Mr. and Mrs. F. E. Terry were members of a house party over the week-end at the home of friends at Bloomfield Hills.

Mr. and Mrs. Edwin Campbell and son, Teddy, were dinner guests Sunday of his brother and family at New Hudson.

The Live Wire reunion will be held at the home of Roy Lane at Belleville on Saturday, September 8.

### Ordinance No. 95

AN ORDINANCE TO PROVIDE FOR THE ISSUING OF LICENSES TO THE OWNERS OR KEEPERS THEREOF TO OBTAIN AND PAY FOR SUCH LICENSES TO REGULATE THE RUNNING AT LARGE OF DOGS; TO AUTHORIZE THE KILLING OF ALL DOGS NOT LICENSED, OR RUNNING AT LARGE IN VIOLATION OF THE PROVISIONS OF THIS ORDINANCE; TO PROVIDE FOR THE ESTABLISHMENT AND OPERATION OF A PUBLIC POUND; TO PROVIDE A PENALTY FOR THE VIOLATION OF THIS ORDINANCE; AND TO REPEAL ALL ORDINANCES IN CONFLICT HEREWITH.

THE CITY OF PLYMOUTH ORDAINS.

Section 1. It shall be unlawful for any person to own, possess, or harbor any dog in the City of Plymouth, Michigan, without first having obtained a license therefor from the City Clerk and compliance with the provisions hereinafter set forth.

Section 2. Upon application filed with the City Clerk giving the full name and address of the applicant and a complete description of the dog to be licensed, and upon payment of the license fee as hereinafter provided, the City Clerk or his authorized agent, shall issue to the applicant a license to own or harbor such dog for a term commencing at the date of issuing such license and termination the 31st day of May following.

Section 3. At the time of issuing such license, the City Clerk shall deliver to the licensee a tag made of copper, brass, or other durable metal, containing the number of the license and stamped or engraved thereon the year when issued, the words "Licensed, Plymouth, Michigan." The shape and style of said tag shall be changed on June 1st of each year. For each license the City Clerk shall at the time of issuing the same collect from each applicant and pay into the City Treasury the sum of Four Dollars. Provided, however, that if a certificate of vaccination for rabies, signed by a licensed veterinary surgeon, certifying that the dog to be licensed has been immunized against rabies, shall be presented, and such certificate shall not be dated more than two years prior to the expiration date of the license, the fee for said license shall be One Dollar. Provided further, that the licensing provisions of this ordinance shall not apply to any dog under the age of six months. Provided further, that for each license issued after June 1st of each year, except on dogs which have been six months of age subsequent thereto but not more than thirty days prior to filing application with the City Clerk for such license, and also excepting those dogs acquired subsequent to June 1st but not more than thirty days prior to filing application for license, the City Clerk shall charge fifty cents in addition to the regular fee. With each license tag issued the City Clerk shall furnish a certificate showing the description and age of the dog, name and address of the owner, the fee paid and on the reverse side of such certificate, this ordinance shall be copied in full.

Section 4. A kennel license may be obtained upon proper application to the City Clerk. Such license shall be in lieu of the individual licenses provided for in this ordinance, and shall entitle the licensee to keep any number of dogs, not exceeding the number specified in the license. With such license the Clerk shall issue tags equal to the number of dogs authorized for the kennel. The fee for such license shall be Five Dollars for a kennel of five dogs or less, and fifty cents for each dog in excess thereof. Provided, that on all kennel licenses issued after June 1st of each year, except on kennels acquired subsequent thereto but not more than thirty days prior to filing application for license, the City Clerk shall charge a fee of Two Dollars and Fifty cents (\$2.50) in addition to the regular fee for licensing the kennel. Provided further, that dogs of a properly licensed kennel which have been immunized as provided before in this ordinance shall be permitted outside the limits of the kennel temporarily and in leash, and may be transported in conveyances to other places for purposes of breeding, trial or show.

Section 5. All licenses granted under this ordinance shall expire on the last day of May following their issue. Provided, that when licenses are issued for a period of less than one year for a newly acquired dog, there shall be collected only a pro rata portion of said license fee. Provided further, that no license shall be issued for less than fifty cents.

Section 6. No license issued under the foregoing provisions shall apply to any dog other than the one for which it was issued. No tags shall be used on the collar of any dog other than those hereinafter provided for, and no person shall remove the tag from any dog without first having obtained the consent of the owner or the party in lawful possession thereof. Duplicate tags, in case of loss, shall be issued by the City Clerk at the expense of the applicant.

Section 7. No person owning, possessing, or harboring any dog shall permit the same to run at large without a substantial collar of leather, or other durable material, to which shall be securely attached the license tag above required. Provided, that during the months of June, July, August and September of each year, no such person shall permit any dog in any streets, alleys, commons, or other open or public spaces of the City, unless the dog is securely held by leash.

Section 8. No person shall harbor or keep any dog, which, by loud and frequent or habitual barking, yelping, or howling, shall cause serious annoyance to the neighborhood or to people passing to and fro upon the streets.

Section 9. Any person allowing any dog habitually to remain and be lodged or fed within his or her house, store, building, inclosure, or premises shall be considered as harboring or keeping the same within the meaning of the ordinance.

Section 10. Any person who shall have in his or her possession a dog which has contracted rabies or which has been exposed to the same or which is suspected of having rabies or which has bitten any person, shall, upon demand of the Police Department or of the Health Department, be held for observation and treatment as hereinafter provided. It shall be the duty of every person owning or harboring a dog which has been attacked or bitten by another dog or other animal, showing signs of rabies, to immediately notify the Police Department or the Health Department that such person has such dog or other such animal in his possession. Whenever a dog is brought to the pound after having bitten a person, the Police Department may, if deemed necessary and advisable, after holding such dog a sufficient length of time to meet the requirements of the Health Department for investigation, cause such dog to be destroyed.

Section 11. No person shall permit a bitch in heat to run at large at any time; and the Chief of Police or any authorized representative of the Police Department may destroy such dog forthwith, if the same cannot be immediately caught and confined in the City pound. The Chief of Police or any authorized representative of the Police Department may also destroy any apparently vicious dog found in the streets, alleys, commons, or other open spaces in the City. Provided, however, that reasonable efforts shall first have been made to catch and impound such dog.

Section 12. The Chief of Police shall provide and operate a pound in which shall be confined all dogs that may be found running at large contrary to the provisions of this ordinance. He shall give a receipt for each dog to the party delivering the same, describing the dog and stating the date of delivery. It shall be the duty of every member of the Police Department of the City of Plymouth and of every other person who may be appointed by City authority for that purpose, to promptly seize and place in the pound all dogs that may be found running at large contrary to the provisions of this ordinance.

Section 13. The Chief of Police shall keep a record of all dogs received by him, with descriptions thereof, the date and hour received, and the disposition of the same. On Monday of each week he shall pay to the Treasurer all moneys received by him for the impounding, release, or sale of dogs during the previous week. He shall also file with the City Clerk on the first day of each month a report showing the number of dogs impounded during the previous month, the date when received, the disposition of the same, and a statement of all

### Old Interurban Employees Meet

Many old time employees of the defunct D. J. & C. Interurban company that operated cars in and out of Plymouth for years, will be interested to know that through the efforts of Charles Thumme, the 1935 reunion of former traction workers will be held in Plymouth-Riverside park.

Mr. and Mrs. Thumme attended the annual meeting held last week in Ypsilanti and met many old time friends that were working on the line that Mr. Thumme was a conductor on for over 16 years.

One of the addresses of the day was made by A. H. Cady, a former well known resident of Plymouth who worked his way up from a minor position with the company to become its general manager during the last few years of its existence. Mr. Cady, now a resident of Ann Arbor, was promoted rapidly from conductor to assistant dispatcher, then dispatcher, later as assistant superintendent, then superintendent and finally general manager of the entire system. His address was entitled "Looking Back Over 50 Years."

There are many residents in Plymouth who worked at various times for the old interurban. Among them are Titus Ruff, William Pettinling, Clark Sackett, George Groth, Paul Groth, John Blackmore, Clarence Patterson, Asa Lyons and Charles Thumme.

Officers were elected as follows: A. F. Gochonour, president; Horace Fields, honorary president; Charles Scott, vice president and Robert Christen, secretary and treasurer. All the officers are Ypsilanti men.

Mr. and Mrs. Maxwell Moon have returned from a week's motor trip through Illinois and northern Michigan.

Miss Alice Walker is spending ten days with her father and sister at Bay City.

### Carl Shear Brings To Town This Week's Record Fish Story

Will all the Plymouth Isaac Walton's please take notice! Carl Shear returned from Base lake after Labor Day with a fish story that shatters all known fishing records of that lake.

Decorating a tree out back of the Shear cottage is the head of a Great Northern pike caught by Mr. Shear in Base lake that measured 27 1/2 inches. There were no scales convenient at the time, but good fishermen estimate that the pike must have weighed close to eight pounds.

"Anyway it was the biggest pike anybody ever caught out of Base lake," states Mr. Shear.

Fishermen will note that he does not make the claim that his story is the "biggest fish" story. He just claims that the fish he caught is the biggest one taken out of Base lake as far as any native in that locality knows.

Miss Alice Walker is spending ten days with her father and sister at Bay City.

Mr. and Mrs. Maxwell Moon have returned from a week's motor trip through Illinois and northern Michigan.

Officers were elected as follows: A. F. Gochonour, president; Horace Fields, honorary president; Charles Scott, vice president and Robert Christen, secretary and treasurer. All the officers are Ypsilanti men.

# MARY LOU GOES SHOPPING

SHE is only eight, but even at this tender age Mary Lou is a daily customer at the neighborhood stores. Perhaps it is a package of crackers, and a pound of coffee at the grocer's. Perhaps it is some tooth-paste or toilet soap at the drug store.

Of course Mary Lou doesn't decide on what she is going to buy. Her mother writes a list—this brand of crackers, this brand of coffee, this make of tooth-paste, this kind of soap. She knows the prices, and gives Mary Lou just enough money, with an extra penny or two, perhaps, to spend for herself.

Buying is just as simple and easy as that because of just one thing—Advertising.

Advertising has given all of us a lot to be thankful for.

Because of advertising, people in Texas know about and buy Michigan motor cars. People in New Hampshire buy oranges raised in Florida and California. Because of advertising, merchants and manufacturers are forced to improve their products. It has standardized quality. It has increased consumption and thereby keeps dealers and merchants wide awake to secure for you the most for your money.

But best of all it writes "Finis" on the business career of any merchant or manufacturer who attempts to fool the public or give them less than value received.

**Enforce Liquor Laws Says State**

Because of the rapidity with which violations of the new liquor law regulations are being reported, Chief of Police Vaughn Smith and all other officers of Michigan have received special directions from Chairman Frank A. Picard of the Liquor Control Commission that they are empowered to strictly enforce state liquor laws and rules.

The following notice has just gone to all the police officers of the state:

"The Liquor Control Commission desires to direct your attention to Section 1, Act No. 6, P. A. 1933, Extra Session, popularly known as the 'Liquor Act,' which provides as follows:

"The sheriffs of the several counties and their deputies and the village marshals, constables, officers or members of the village or city police and members of the department of state police, and inspectors of the commission, are hereby empowered and it is hereby made their duty to see that the provisions of the act and the rules and regulations made or authorized by said commission are enforced within their respective jurisdictions. It shall be their special duty to use their utmost efforts to repress and prevent crime and the violation of any of the provisions of the above enumeration who shall wilfully neglect or refuse to perform the duties imposed upon him by this section shall be guilty of a misdemeanor and upon conviction shall be fined not to exceed five hundred dollars or imprisoned not more than ninety days in the county jail or both.

"So that there may be no question in your mind, the Commission restates its position that municipalities have full control over the enforcement of our licenses within their jurisdiction, 85 per cent of the money which we receive for licenses is returned to the municipality. We believe that every municipality ought to have a special force to see that the provisions, rules and regulations of the Liquor Act are enforced. The Liquor Control Commission will cooperate with you 100 per cent, but the enforcement is as much a part of the duties of your police force as the detection and prevention of other crimes.

"We are furnishing, under separate cover, to be used by the enforcing departments, reports which should be made direct to this office upon which the Commission will not hesitate to act. It is apparent that it was the intention of the Legislature that municipalities were to assume a burden in this enforcement. Some municipalities have not taken this provision of the law seriously. Some enforcing officers have not. The Commission expects to hold to strict accountability all the enforcing officers of this state.

"If there is some place in your community that you feel is a menace or a nuisance, and can advance possible reasons to this commission why the license should be revoked, this Commission will not hesitate to revoke that license. In other words, if you will aid us by performing your part of this responsibility we certainly will perform ours."

Mr. and Mrs. Fred Schaufele and daughter Miss Louis, and Mr. and Mrs. Jack Reamer spent last week-end at Niagara Falls.

**Local News**

Harold and Glyde Wood spent Sunday at Walled Lake.

Mr. and Mrs. Maurice Evans are visiting relatives in West Virginia.

**Consumers Special**  
**Gas WATER HEATER**  
**SPECIAL OFFER**  
Until the coming of this new gas water heater, automatic hot water service was beyond the reach of many home budgets. Science found means to eliminate the waste of fuel that made hot water expensive. Today there is no cheaper way to have 24 hour dependable hot water than by this automatic gas water heater. Buy it on easy monthly payments averaging less than 10c a day.  
**Economy**  
"Built like a Thermos Bottle"—Keeps water hot for hours. Pin-point gas opening cuts cost to figure never before possible!  
  
DON'T GO THROUGH ANOTHER WINTER WITH YOUR OLD FURNACE COIL  
It's a nuisance—a money waster—a fuel eater—gives unsatisfactory hot water—and hurts your furnace heating ability. We will make an allowance for your old heater and furnace coil on this purchase. Save fuel. Tests prove you waste one shovelful of fuel out of every five with a furnace coil. In many cases, fuel savings alone pay for the heater. Sell us your coil and heater break your home for less money—and enjoy low cost, ever-ready hot water.  
**TRADE YOUR FURNACE COIL AND OLD HEATER**  
Make this bargain opportunity even better—old coils and heaters taken in trade as part payment. Save money during this sale.

**METHODIST CHURCH**  
10:00 a. m. Morning Worship.  
11:30 a. m. Church School.  
Under the direction of the special committee composed of William Farley and Alfred Smith the Parsonage has been painted and the interior of the church auditorium has been redecorated. The public worship service will be resumed next Sunday morning. Dr. A. J. Halmhuber, District Superintendent of the Ann Arbor District will preach.  
Evening services will be resumed in October, and Epworth League meetings will be resumed at the same time.  
This fall marks the one hundred fiftieth anniversary of the founding of Methodism in America. It marks the one hundredth anniversary of the appointment of the first minister to the Methodist church in Plymouth. Plans are under way for appropriate recognition of these facts in the program of the coming months.  
A very cordial invitation is extended to all to be present next Sunday for the first public service of worship of the fall in the newly decorated auditorium.

**NAZARENE CHURCH**  
Robert A. North, Pastor  
Bible school, 10:00 a. m. Morning worship, 11:15 a. m. Young People, 6:45 p. m. Evangelistic service, 7:30 p. m. Prayer and Praise, Wednesday, 7:30 p. m.  
"For I know whom I have believed and I am persuaded that he is able to keep that which I have committed unto him against that day." (II Tim. 1:12.)  
The great need today is for men and women that really know Jesus Christ in his saving and sanctifying power. Jesus will settle the sin problem in your life if you will give him a chance. The Angel announced "Thou shalt call his name Jesus for he shall save his people from their sins." (Matt. 1:21) Do you know Him?  
"When you see Jesus understand when you accept his loving hand  
A happy morn will dawn for you  
When you know Jesus too."

**ST. PAUL'S EV. LUTHERAN CHURCH**  
O. J. Peters, Pastor.  
No services in this church on Sunday, September 9. All our members are cordially invited to attend services at Wayne.  
Confirmation class will begin on Saturday, September 8, at 1:15 p. m. Lectures for adults beginning Monday, Sept. 10, at 7:45 in the school hall at Wayne.

**ST. PETER'S EV. LUTHERAN CHURCH**  
Regular Services Sunday, 10:30 a. m.  
Illustrated Lecture on Indian Missions by former Director of the Mission, Frederic Stern, Sunday, September 16th, at 3:00 p. m. Sponsored by the Ladies' Mission Society.  
Annual Mission Festival on the last Sunday in September. Two services: 10:30 and 2:30. The pastor preaches in the morning, while George Luetke, outstanding pulpit orator from Toledo, will give the sermon in the afternoon. Potluck dinner at noon.  
Special Sunday School Mission Festival on the last Sunday in September, at 9:30. Albert Rohde, Sunday School Superintendent, will deliver the lecture on Negro Missions. The children are saving their money the month of September for the Negro Mission with an aim of reaching the \$18.00 quota this year.  
Sunday school and Bible class every Sunday morning at 9:30.  
Sunday school teachers' meeting Friday evening, September 7th, at 7:30-8:30.  
Young People's Society meeting Tuesday, September 11th, from 7:30 to 9:30 p. m.  
Enrollments are now being taken for the Confirmation Classes of the season 1934-1935. See the pastor now, beginning during latter part of September.  
The congregation extends their gratitude to Mr. and Mrs. Wm. Bartel for the beautiful new altar and pulpit hangings, placed into formal use and donated Sunday, September 2nd.  
During September: When you pray the Lord's Prayer, saying: "THY KINGDOM COME," think of our September Campaign throughout the church for Home Missions; think, speak, and ACT.

**NEWBURG METHODIST CHURCH**  
P. Merle Townsend, Pastor  
10:00 a. m.—Church worship and Holy Communion. This will be the last Communion service of the conference year and every member is urged to be present.  
11:00 a. m. Sunday school. Everybody is invited to study with us. These lessons on the Old Testament prophet are helpful and interesting.  
The Detroit Annual Conference will convene in the Jefferson Ave. M. E. Church, Saginaw, on Sept. 19. That means that there are only these two Sundays remaining in this year. We hope that every member will be present at each service.

**PERRINSVILLE METHODIST CHURCH**  
10:15 a. m. Sunday school, 11:15 a. m. Church worship and Holy Communion. Every member ought to be present to partake of this last Communion service of the conference year. There will be a baptismal service during this hour also.  
**BEECH M. E. CHURCH**  
Morning worship, 9:30 a. m. 10:30 Sunday school.

**CHURCH OF THE OPEN DOOR**  
Independent Baptist  
"This Sunday we invite you to hear our pastor, Richard Neale, preach on two subjects which have proved to be of deep interest to Bible studying Christians everywhere.  
The first topic, "The Coming Personal Anti-Christ," will be Mr. Neale's theme at the morning service at ten o'clock. This will deal with the Apostle John's vision of a symbolic "beast" arising out of the earth to deceive men's souls with a new religion, leading to literal man worship. The so called "mark of the beast" is explained in this thirteenth chapter of the Revelation, verses 11-18. It pays to know the whole truth about these vital matters. Christians live more like Christ if they know what the future holds. Every man that hath this hope in him purifieth himself, even as He is pure." (I John 3:3).  
In the evening at 7:30 the pastor will preach on, "The Present Value of Prophetic Truth."  
The evening service will continue our usual, unusual Gospel music.

**FIRST BAPTIST CHURCH**  
Loyla Sutherland, Minister  
10:00 a. m. We resume the messages on the old Testament Saints that side-stepped. Come and hear about Jacob. Our Junior choir will appear again this Sunday in their vestments and will be seated on the platform. These girls are doing splendid work and will be heard at each Sunday morning service. The adult choir will also sing.  
11:15 Church School.  
8:00 At this hour we are to organize a new Intermediate Society for young people. There will be a social period in connection with the service and Miss Westphal our District Pres. will assist in the organization of the society.  
7:30 The pastor continues the sermons on the Second Coming of Christ—At this hour the second part of the message—"Is Jesus Coming Again?"  
An unusual meeting of the Aid Society will be held next Thursday afternoon. It will be the time of the opening of the coin cards, of which a large number are out among the friends of this church. It will be a joyous day for all, and the Aid will be guests of Mrs. Sutherland at the parsonage.  
Mid-week prayer service on Wednesday evening at 7:30.

**ST. MICHAEL'S CHURCH**  
Masses: Sundays 8:00 and 11 a. m. Holy Days 7:30 and 9:00 a. m. Wednesdays 8:00 a. m. Confessions before each Mass. Catechism class after first Mass. Benediction after second Mass. Baptism by appointment.  
**FIRST CHURCH OF CHRIST SCIENTIST**  
Sunday morning service at 10:30 a. m. Subject, "Christ Jesus."  
Wednesday evening testimony service, 7:30. Reading room in rear of church open daily from 2 to 4 p. m., except Sundays and holidays. Everyone welcome. A lending library of Christian Science literature is maintained.

**CATHOLIC CHURCH**  
Sundays — Mass at 8:00 and 10:00. Confessions Saturday nights at 7:30, and before each Mass.  
Week-days—Mass at 7:30. This hour makes it convenient for the children to attend on their way to school. All should begin the day with God.  
Societies—The Holy Name Society for all men and young men. Communion the second Sunday of the month. The Ladies' Altar Society receives Holy Communion the third Sunday of each month. All the ladies of the parish are to belong to this society.  
Children of Mary—Every child of the parish must belong and must go to communion every fourth Sunday of the month. Instructions in religion conducted each Saturday morning at 9:30 by the Dominican Sisters. All children that have not completed their 8th grade, are obliged to attend these religious instructions.

**FIRST PRESBYTERIAN CHURCH**  
Walter Nichol, Pastor  
10:00 a. m. Worship, 11:30 a. m. Sunday school.  
The attendance at Sunday school was well maintained throughout the summer. With the vacation months past the superintendent, offices and teachers are anticipating a considerable increase. September is rallying month for the church and church school. Come and meet your old friends and gain new ones.  
"Moral Twilight" is to be the subject of the sermon Sunday morning. You will find a hearty welcome in this church and helpful worship.  
The Woman's Auxiliary will meet Wednesday, September 12th at 2:30 p. m. The meeting will afford an opportunity for a reunion after the vacation. The program is to be of unusual interest. Detroit has promised a speaker and the committee wants a fine attendance at this first meeting of the autumn.

**BEREA CHAPEL**  
Jas. A. Davis, Pastor  
Sunday school, 9:45 a. m. Morning worship, 11:00 a. m. Evening Evangelistic, 7:45 p. m. Wednesday Y. P., 7:45 p. m. Friday Prayer meeting, 7:30 p. m. Children's Saturday school, 1:30 p. m.  
We are closing our district services this Saturday and having in its place a Saturday school for children. We wish to reach as many as possible with the gospel story and feel a great burden on our hearts toward the children of Plymouth. We feel that children today do not get the necessary opportunities to study about the Bible and we are trying to put the gospel story before them in such a plain and simple way that it will always stay with them. We invite all mothers and fathers of children near Plymouth to send their children to this Saturday school. It will be interesting and profitable to the children. Suffer little children to come unto me for of such is the kingdom of heaven. These are the words of the Lord so give the children a chance to learn about the Bible.

**SALEM FEDERATED CHURCH**  
"The Law of Christ" will be the theme for the worship service at 10:30 o'clock on September 9.  
For Bible school at 11:45 the subject is "Hezekiah Leads His People Back To God." A good preparation will be the reading of chapters 29, 30 and 31 of Second Chronicles. Memory text, "God is gracious and merciful." 2 Chronicles 30:9.  
There will be a South Circle Penny Supper on Friday evening, September 17. Plan to stay for the program.  
The ladies of the North Circle are asking donations for a rummage sale to be held in Ypsilanti in the near future.

**NEWBURG M. E. CHURCH**  
P. Merle Townsend, Pastor  
Church service, 10 a. m. Church school, 11 a. m.

**A PRAYER IN HARVEST TIME**  
By ANNE CAMPBELL  
LORD, breathe upon thy meadows.  
Thy cool and tranquil breath,  
The cornfields need the silver Of rain to stay their death.  
The fields are parched and swooning,  
Beneath the sun's fierce heat.  
The woodland green is fading,  
Scorched by the noonday heat.  
Lord, fan the clover blossoms  
That faint beneath the sun,  
And save the climbing roses—  
They will wither night be done.  
Set clouds above my pathway  
Where now the hot sun stings,  
And spread above the highway  
The shadow of thy wings.  
Lord, send a cool breeze blowing  
Across the city street,  
And on the dusty roadways  
Where town and country meet.  
Send down thy rain to bless us—  
And lift thy sacred hand  
To comfort with thy blessing  
A thirsty, weary land.  
J. T. Frederick and family of Redford were guests of his brother Louis Frederick and family last Thursday.

**25 YEARS AGO**  
Interesting bits of news taken from Plymouth Mail  
Carl Hillmer has moved into Mrs. L. H. Root's house on Harvey street.  
George Gittins has finished his duties in Detroit and is again behind the counter in the store.  
Arthur White and Albert Gates are taking their vacations from their duties as mail carriers.  
Mrs. J. H. Patterson, Mrs. Robert Mimmack, and Mrs. W. T. Rattenbury spent the latter part of last week at Cass lake.  
Roy Lane has moved into his new house on Sutton street. Mr. Wiers of Salem has moved into the house vacated by Mr. Lane.  
Mr. and Mrs. P. W. Voorhies left Saturday for a trip to Montreal and other eastern points. They will be gone about a week.  
The Conner family came home from Walled Lake Saturday where they have been spending the summer.  
Fred Bogert has concluded that "life is not worth living in Detroit" and has concluded to remain in Plymouth.  
The council has passed an ordinance which prohibits the running at large of all fowls. The people who have been imposed upon by their neighbors with the chicken nuisance will now have some redress, if only to their injured feelings. The ordinance is published in full elsewhere.  
Dr. Peck and Dr. Pelham were driving home from Walled Lake last Friday night and this side of Northville they were run into by an automobile driven by E. Simmons. One of the wheels of the truck was crushed. The gentlemen were not thrown out of the buggy and no injuries were sustained except to their feelings, which were very much ruffled.

**WEST PLYMOUTH**  
Mrs. Fay Williams and little daughter Clarabelle, daughter and granddaughter of Mr. and Mrs. Lewis Root, are still confined in the St. Lawrence Hospital at Lansing, and will be for some time. Mrs. Williams would be very pleased to hear from any of her former friends here. Address her Room 403, Fourth floor.  
Mr. and Mrs. Henry C. Root, with Mr. and Mrs. Frank Pitman and sons of Ann Arbor attended the World's Fair in Chicago over the holiday.  
Mr. and Mrs. C. T. Aldrich with their four children were guests in the J. F. Root home Sunday, celebrating their tenth wedding anniversary. In the afternoon Mr. Aldrich's mother from Clayton, his aunts and uncle and Mr. and Mrs. Hugh Cope, his aunt Miss Susie Schurman, and cousin Miss Martha Ann Schurman from Detroit were luncheon guests. The same decorations as were used at the original ceremonies are used each successive year, a bridal party with the wedding doll dressed as was the bride ten years ago.  
Paul Flood, brother of Mrs. Sarah Ross, and Hamilton Neal of Cleveland visited at the Miller Ross home Sunday on their way to Louisville, Kentucky.  
Mr. and Mrs. W. J. Asman of Ann Arbor were guests Labor Day at the home of Mr. and Mrs. Miller Ross.  
Norman Spangler returned this

**NEWBURG**  
The garden party sponsored by the Young Married People's class last Friday evening was a great success both socially and financially. The committee headed by Mrs. Roy Kidston, is to be congratulated and they, in turn, wish to thank all those who in any way contributed. Everybody enjoyed the feature attractions of Bobby Pitt's exhibition of horseshoe pitching and the music of the Plymouth band. There were out of town guests from Plymouth, Northville, Ann Arbor and Detroit.  
Next Sunday there will be a Communion Service. Election of officers in Sunday School. John and Robert Fitch of Shanghai, China, sons of Rev. Townsend's sister, who is a missionary in Shanghai, have been visiting at the parsonage and are now visiting their grandparents

### City Makes Use Of Liquor Stills

In the days before repeal it was not uncommon for the police department to confiscate stills and other equipment in their prohibition raids. Most of the materials and equipment confiscated were destroyed in due time, but for some reason or other a few old copper stills and boilers were on hand at the city hall when the remodeling work began.

As the work progressed and an occasional need for copper sprung up, the superintendent began to cut up the old stills. All of the flashing on the front of the city hall and around the roof was done with copper taken from the stills which were secured in the prohibition raids.

"Little did we think," says Chief of Police Vaughn R. Smith, "that we would ever be using the materials in these old stills for the improvement of the city hall. However at the present time, he continued, "we are satisfied that the material has been put to better use than before coming into our possession."

### Return From Auto Trip Through Ontario

Mrs. Ernest Burden, her two sons, Arvid and Haldor, William E. H. and Mrs. Haldor, and Mrs. Herman E. returned last Monday from a week's tour through Ontario, Canada.

The party visited the Jack Miner Bird Sanctuary located at Kingsville, and had the pleasure of meeting the owner of this fine 130 acre refuge for wild fowl.

From Kingsville they motored on to St. Thomas where Mrs. Burden's brother, Samuel Rasmann, resides. After making the Rasmann home their headquarters, the party visited London, Port Stanley and surrounding territory, returning by way of Sarnia and Fort Huron on Monday.

### Young People Wed In Lutheran Church—To Reside In Plymouth

The marriage of Miss Margaret Schoof, daughter of Theodore Schoof of this city and Wesley Sheere of Detroit was quietly solemnized Saturday afternoon, September 1, at four o'clock in the Lutheran church in Reverend Edgar Hoenecke officiating, before a small assemblage of relatives and friends. Baskets of white gladiolus were the only decorations.

The bride was becomingly attired in a brown ensemble of wool with brown accessories and carried yellow roses. Her maid of honor, Miss Margaret Wells, of Detroit wore a dress of green wool and carried tallisman roses. The groom was attended by his brother, William Sheere, of Detroit.

The happy couple left immediately on a two week motor trip to Dodge City and Council Grove, Kansas. Her father who is visiting relatives there will accompany them home.

They will reside with Mr. Schoof at 186 Rose street. Best wishes are extended to Mr. and Mrs. Sheere by their many Plymouth friends.

### Miss Catherine Lois Caldwell Is Bride Of Howrad F. Dicks

A wedding of interest to many Plymouth people took place Thursday, August thirtieth, at one o'clock at 1630 Plymouth Rd., when Catherine Lois Caldwell, daughter of Mr. and Mrs. J. Frank Caldwell of Detroit, and Howard F. Dicks, son of Mr. and Mrs. Frank Dicks of Plymouth were united in marriage by Reverend Thomas M. Pryor of Newburg, in the presence of the immediate families, before a background of garden flowers and candelabras.

The bride wore a close fitting gown of white satin with a three-quarter length jacket and carried a small bouquet of white roses. Her matron-of-honor, Mrs. William Meier (Katherine Tuck) of Detroit wore green organza and carried a bouquet of tallisman roses. Mr. Meier was best man to the groom.

A reception to the bride and groom was held at 10365 Cedarlawn avenue, Detroit, the bride's home, immediately following the ceremony with only the wedding guests present.

The happy couple left late that afternoon for a honeymoon "at the Abbey" at St. Clair. Mrs. Dicks chose one with brown accessories for her going away costume.

After September fifteenth the young couple will be at home to their many friends at 1630 Plymouth Road.

Both Mr. and Mrs. Dicks are well known in Plymouth where they have many friends who wish them a long, contented, wedded life.

**HOSPITAL NOTES**  
A daughter was born to Mr. and Mrs. Oley at the Plymouth hospital on August 25.

Miss Bernice Clark, of 233 Linden street, Northville, who underwent a major operation at the hospital, August 27, has sufficiently recovered to be able to return home.

Mrs. Pauline Friedman is gaining slowly after a severe illness.

Samuel Harding has been released, after having entirely recovered from his recent illness.

John Harwood of West Ann Arbor Trail who was hurt on Sunday, August 26 in an accident, is gaining slowly.

Kenneth Truesdell has been released from the hospital after entirely recovering from a recent emergency operation.

E. M. Moles of 1335 Northville Road, recently underwent a tonsil operation.

Mrs. Clarence Smith of West Ann Arbor Trail, underwent the hospital, Wednesday morning.

Mrs. Pearl King who underwent an emergency operation Sunday afternoon is making a good recovery.

**Former Sheriff Is Visitor Here**  
Former Sheriff Thomas H. Hill and Mrs. Hill with Mrs. Wright of Tawas City have been the guests for a few days this week of Mr. and Mrs. George Springer. The friendship between the former Isoco county sheriff and Mr. Springer started over 25 years ago when Mr. Springer was marshal of Plymouth. They have hunted deer together nearly every fall since.

During his visit in Plymouth, Mr. Hill recalled the hunting trip of a number of Plymouth residents some 30 or 32 years ago when John Streng, a member of the hunting party, became lost in the woods. He was found by Mr. Hill after an all day search.

Mr. Hill, typical of all northern residents, is a great booster for that country. He declares that some of the best hunting and fishing in Michigan can be found in Isoco county.

"We've got the best shore line, with nice sandy beaches, of any place in Michigan," said Mr. Hill. "They plan to visit with a number of other friends in this part of the state before returning home."

Joe Brisobols son of Dr. and Mrs. H. J. Brisobols left Plymouth Wednesday for administration. Their legal divorce "Child School" at Monroe where he will attend school during the coming year.

### Pingree's Desk In New City Hall

Some time ago the city purchased from Harry Robinson, local dealer in antique furniture, the desk used by Governor Pingree both in his office in Detroit and in his office in Lansing during his term of office as governor of the State of Michigan.

This desk is now being used in the office of the chief of police. During the dedication ceremony the desk will be moved to the lobby where the registration book will be kept and where guests will be asked to register.

This will give everyone visiting the city hall an opportunity to use, even if only for a short time, the mammoth oak desk formerly used by one of the most outstanding governor's of the State of Michigan.

The reason for asking guests to register, which is no way compulsory, is to record in the records of the city the names of those who came out to look over the newly remodeled building. The registration book will be filled away with other records concerning the opening and dedication of the building.

### Wins Robinson Horse Show Cup

Displayed in the most prominent part of the home of Dr. and Mrs. E. B. Cavell in Northville is the beautiful trophy offered by Harry Robinson of Plymouth for the winner of the children's saddle pony class of the Northville fair horse show that took place during the recent fair, the prize having been won by little Miss Marilyn Cavell.

The award was made by the judges of the horse show committee in one of the closest contests that has marked the juvenile horse show in a number of years.

The cup that Harry Robinson offered was a surprise to every one, as it had not been the practice to offer such attractive prizes for the children's part in the horse show program.

Little Miss Cavell won the greatest number of points in the saddle pony contest for children—and just as the presentation of the trophy to the winner was made, a news reel operator happened to catch it all and during the present week, Plymouth's well known auctioneer's cup and the prize winner have been featured in some of the big motion picture theatres in Detroit.

To say that Marilyn prizes the trophy highly is but putting it mildly.

**Name Problem To Confuse Voters**  
Unfortunately and for the first time, the voters of this state senatorial district are confronted with one of those "double name" problems that have so many times elected unknowns to office in Detroit and defeated very worthy candidates for office.

As everyone knows John W. Reid is the state senator from this district. He is a candidate for the Republican nomination for another term. Based upon his excellent record during the one term that he served in Lansing, the majority of voters think he should be re-nominated and re-elected.

But along comes another fellow named Reid, one entirely unknown in this end of the senatorial district at the least, seeking the place that Senator Reid has filled so well.

Republican friends of Senator John W. Reid are especially urged to keep in mind his first name as it will help you in picking his name out on the ballot. There are ten Republican candidates and ten Democratic candidates in this district, few of them having ever been heard of before.

**Antique Shop To Be Opened Here**  
Mrs. Paul R. Dalley, widow of one of Detroit's prominent young attorneys, is preparing to open up on the Plymouth road just this side of the entrance to Plymouth River park, a shop where antiques will be sold. She has an excellent collection of old time glassware, china, and other articles that antique lovers are greatly interested in.

The home that Mrs. Dalley and her mother, Mrs. William F. Barr, will occupy, is best known about here as the old Glman. Beals place. Mrs. Dalley is entirely remodeling the house, putting in a new steam plant and in many other ways improving it. She plans to make the place into one of the most attractive in this locality.

Mrs. Dalley has an especially large acquaintance in Detroit. It will be recalled that her husband was associated with Martin Ligtleton in the Newburg defense case that was tried in Grand Rapids during the Woodrow Wilson administration. Their legal divorce "Child School" at Monroe where he will attend school during the coming year.

### Here's a Plant That Dines on Insects

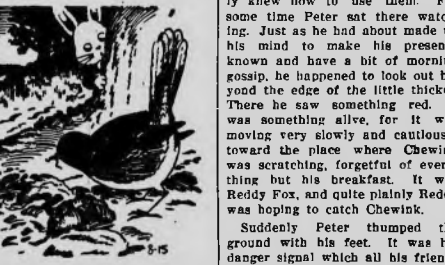

MISS RUTH TODD of Los Angeles is shown feeding flies to "Darlingtonia," a carnivorous plant also known as the "fly trap" and the "cobra plant." The strange plants, found in swamps, have a peculiar attraction for insects, which fall prey by entering a cavity in the flower and becoming entangled in a hollow bristle-lined stem.

### "Little Stories for Bedtime" by Thornton W. Burgess

**PETER SAVES A FRIEND**  
PETER RABBIT sat in a thicket of young trees on the edge of the Green Forest. So far as he knew he was all alone. It was very quiet there and it wasn't long before he was dozing. Now, Peter is a light sleeper, as all little people who never know when they may have to run for their lives must be. By and by he awoke with a start, and he was very wide awake. Indeed, something had awakened him, but just what it was he couldn't say.

For a few minutes he heard nothing and saw nothing. Then, near

It was Chewink, the Towhee, sometimes called the Ground Robin.

the other edge of the thicket, he heard a great rustling of dry leaves. For just an instant Peter was startled, but only for an instant. His long ears told him at once that that noise was made by some one scratching among the leaves, and he knew that no one who did not wear feathers could scratch like that.

"Now, who can that be?" thought Peter, and stole forward very softly. Presently he saw the brown leaves which carpeted the ground fly this way and that, and in the midst of them was an exceedingly

### Fred Fisher Makes Gain In Congress Race

FRED C. FISHER  
Fred C. Fisher, well known in this locality because of his long time association with School Commissioner Yost in the conduct of the rural schools of Wayne county, is making an excellent run for the Republican nomination for congress in the 16th district and his friends predict that he stands an excellent chance of winning the nomination.

Mr. Fisher has resided for a great many years at Belleville. He was born near New Boston and has spent his entire life in Wayne county.

He has served as Deputy County School Commissioner, 20 years; Village Councilman, Belleville, three terms; Village President, now holding the third term; President of Michigan Association of County School Commissioners; five years a member of Board of Directors, Michigan Education Association; two terms Chairman of the First District, Michigan Education Association.

### Society News

Mrs. Blake Fisher of Karmada street and Mrs. Carl Greenlee entertained at a shower at the home of the latter on Elizabeth street Friday afternoon, August 31, in honor of Mrs. Helen Jaynes Beegle of Joy street. Other guests were Mrs. G. E. DePoe, Mrs. C. J. Jaynes, Miss Delphine Jaynes and Miss Frances Jaynes of Redford, Miss Jane Johnston of Detroit, Mrs. Maurice Ferguson, Mrs. Gilbert Williams, Mrs. Baron Pace, Miss Marie Beegle and Mrs. Guy Fisher of Plymouth. Lunch was served with Mrs. Williams at the home of Mrs. Fisher pouring, Miss Delphine Jaynes received first prize in playing bunco, Mrs. Pace, second and Mrs. Charles Beegle the consolation.

Mr. and Mrs. Albert Logan and son and her mother, Mrs. C. W. Gill, of Ann Arbor, Mr. and Mrs. Edson O. Huston, Mr. and Mrs. Austin Whipple and son, Edson, and Oscar Huston plan to have a steak roast this evening at Riverside Park.

Mr. and Mrs. R. A. Kirkpatrick and family and her mother, Mrs. Josephine Brown, spent Labor Day with his parents at Unlonville.

Mr. and Mrs. Ray Gilder and Mr. and Mrs. Harold Throop spent from Saturday until Monday evening at Indian Lake near Howell.

Mr. and Mrs. R. R. Parrott and Mr. and Mrs. Albert Stever spent Sunday and Monday at Ambassador Beach on Lake Erie near Colchester, Canada.

Miss Helen Wilson, who had spent the past few weeks at the home of Charles Bichy and family returned to her home in Royal Oak Friday.

Miss Frances Jaynes of Redford and Miss Jane Johnston of Detroit spent the week-end at the home of Mr. and Mrs. Carl Greenlee on Elizabeth street.

Mrs. J. Merle Bennett was hostess Thursday evening to the members of the Wednesday evening bridge club.

### OBITUARIES

**WILLIAM HENRY WEST**  
William Henry West who resided at Cherry Hill, passed away at his home Friday afternoon, August 31st, at the age of 68 years. He is survived by his widow, Louise; seven sons; two daughters; three granddaughters and two grandsons; three brothers and two sisters. The body was brought to Schrader Brothers Funeral Home, Plymouth, Michigan. Funeral services were held Monday, September 3rd, at 2 p. m. from the Cherry Hill Church. Interment made in Ypsilanti Mausoleum. Rev. Ainsworth and Rev. Blake officiating.

Col. and Mrs. Ira D. Hough of New York city have been the guests of Mr. and Mrs. Edward Hough and other relatives in Plymouth for the past few days. Col. Hough has returned to his home in New York and Mrs. Hough has gone on to Chicago and Kansas City where she will spend a few days with other relatives and friends before returning to New York.

Mr. and Mrs. Chas. Garlett entertained a party of 10 at the Jean Tavern for dinner last Friday evening.

### Singles Tennis Champs Winners

Helen Ribar and Virginia Woodworth defeated the Hearn sisters, Yvonne and Dorothy with a score of 6-2, 6-1 in the final rounds of the doubles tennis tournament. Woodworth being last year's and Ribar this year's winner of the singles tourney made this team invincible although many singles players are "lost" when it comes to competitive doubles and vice-versa.

Elton Knapp came out again with flying colors when he won a combination racket press and cover, which were given to the winners. This about completes his outfit as comparable with Helen Ribar as they both won a tennis racket in singles just previous to the doubles tournament.

Louis Ribar and Nathaniel Zutshi won a hard three set match from Francis Pierce and Leonard Murphy, 7-5, 3-6, 6-1. Had Mr. Murphy not broken his glasses there might have been an upset although Mr. Zutshi often rallied with strong drives and overhand shots.

John D. McLaren and Melvin Blunk were defeated by William Bake and Elton Knapp 6-4, 6-2. The finals were then in five and won by W. Bake and E. Knapp from L. Ribar and N. Zutshi 6-4, 8-6.

### Public Invited to Beautiful City Hall

(Continued from page one)  
As will be noted from the types of work undertaken at the city hall, many of the skilled mechanics of all classes in the city of Plymouth were given an opportunity to work on the building. During a portion of the time this work was under way it was possible to requisition any type of skilled or unskilled labor and have them assigned without qualifying for work-relief. Later in the program it was necessary that a person be entitled to relief before he could be assigned to a project. This is one of the reasons that the work required such a great length of time because it was not always possible to get the type of person necessary to do the work.

Practically all of the material which it was necessary to purchase with local funds was bought from Plymouth dealers on competitive bids. As stated before a great amount of material used in the city hall was CWA material available at the county warehouse in Detroit.

The citizens of Plymouth can well be proud of the work done by the CWA and the CERA employees on the city hall. The total cost of the work including the material furnished by the city will, when completed, will approximate \$200,000, while the cost of the material to the city will be only a small percentage of this sum. It would have been many years before such an extensive repair program could have been undertaken by the city, therefore every taxpayer should feel proud of the work accomplished at the city hall, which is of a permanent and lasting nature and of benefit to the city at large. This also applies to the extensive construction and repair work done at the Plymouth public schools.

### ALBERT M. BACON, CANDIDATE FOR SHERIFF

Soon all shall have the opportunity of electing a Sheriff for Wayne County. In order that the best interests of our citizens may be most capably served, it is essential that we elect to this important office a man of ability and experience. Mr. Bacon has these qualifications.

He believes in rigid economy and would eliminate all work duplicated by other law enforcing agencies. His determination to apply sound business principles to the administration of the Sheriff's Office attracted the attention of prominent civic leaders who urged him to enter the Sheriff's race.

Thousands of people who have visited the county in the last two years can readily testify to the splendid example of public service exemplified by Mr. Bacon.—Adv.

### BALL GAME

The 28 Dept. Kelvinator Indoor baseball team will play the Daisy Air Rifle team Friday night, Sept. 7 at 5:30 in back of the high school.

Last game of the season an everybody come out.

## Fireflies by Plane for an Emperor

BECAUSE of the Japanese emperor's fondness for fireflies, the first flock of the season was caught by the students of Fukuoka, in southern Japan, where fireflies are largest, and sent by airplane to Tokyo. This photograph shows an officer of the imperial guards receiving the shipment.

## Fall Seed Loans Are Being Made

The Federal Emergency Crop Loan office is now receiving applications from farmers for advances for fall seeding of wheat, rye, or other crops maturing in 1935. The maximum loan is \$2.00 per acre to be used for seed, fitting land, etc. The security is a crop mortgage maturing August 31, 1935. Applications are received at the County Agricultural Agent's office and must be made before Sept. 15. If interested write to Ralph Carr in Dearborn.

## Wins First Prize Over Champion

In the final judging of all entries of Holstein bulls at the Michigan State fair in Detroit, Thursday, Waack's III, owned by the Wayne County Training school, was awarded first place, winning over the all-American bull owned by Frank Anger, prominent Michigan stock breeder. When notified of his victory, Dr. Robert Haskell was more than delighted as it has been due to his efforts that the Training school herd has been built up from nothing to one of the greatest dairy herds in America and the victory he won at the state fair marks the success of years of efforts.

## SALEM

The PTA gave a farewell party for the honor of Mrs. J. Atkinson former teacher of the Salem school. About fifty guests attended and a potluck supper was served. She will teach at Novi this year and her pupils and many friends here regret her departure.

Mr. and Mrs. R. E. Stanbro and son spent the week-end and Labor Day at their cottage at Henderson Lake.

Thursday guests at the B. E. Stanbro home were Mr. and Mrs. Freeman Lincoln, Adrian, Mr. and Mrs. Bert Rich, Detroit, Mrs. Ethel Waterman, Birmingham, Mr. and Mrs. R. B. McKnight, and Mr. and Mrs. J. A. Leveaux, Walled Lake and Mrs. Ted Kar-cher, Los Angeles, Cal.

Mr. and Mrs. Howard Laine and family of North Star, spent the week-end with her aunt Mrs. Earl Atchison and family.

Mr. and Mrs. Harold Tousey, Ann Arbor, visited his mother, Mrs. Dora Tousey, Sunday.

Mrs. Rose Fletcher of Holland is spending several days at the Mankin-Payne home.

C. Durrow attended the State Fair, Monday.

Mr. and Mrs. B. F. Shoebridge entertained relatives from Detroit Sunday.

Mrs. Elmer Helchman, West Point Park was a dinner guest Thursday evening in the Payne home.

Mr. and Mrs. Roy Kehrl and little Dorothy spent several days last week with his parents, the R. W. Kehrls.

Mr. and Mrs. Chas. Payne, and Mr. and Mrs. C. W. Lewis spent Tuesday at Fairgrove visiting Mr. Lewis' uncle, S. Killingbeck.

Mr. and Mrs. C. O. Hammond and family spent Sunday with friends in Northville.

Mr. and Mrs. W. Lincoln spent a few days last week at the home of his brother, Charles Lincoln, at Jackson.

Mr. and Mrs. C. Durrow, accompanied by Mr. and Mrs. J. Kehrl spent Saturday afternoon at Round Lake guests of Mrs. Tracy Groth at her cottage.

Miss Dorothy Foreman and friend of Detroit spent the week-end with her parents, the G. C. Foremans.

Miss Florence Hartman, Petersburg was a recent caller of Mr. and Mrs. Hartman and Mr. and

## Comstock To Win States Learned

Frank Learned, who can go through the remainder of his life with the distinction of having been one of the original Roosevelt delegates in the Democratic convention that nominated Franklin D. Roosevelt for president, has been active among Plymouth friends recently in behalf of the re-nomination of Governor Wm. A. Comstock.

From all that I can learn, I believe that Governor Comstock will be an easy victor in the forthcoming primary. He has been gaining in strength steadily in this locality. Reports show that he has made progress in all parts of the state," states Mr. Learned.

"In this part of Wayne county I see nothing but a big victory for him. "And we are asking his re-nomination upon the record he has made. "The sales tax has taken the place of the property tax under his administration. The head tax for old age pensions is one of the most humane laws ever passed in Michigan. Those who have been criticizing the paroles apparently do not know that the laws of the state definitely fixes the parole system. The Liquor control system instituted in Michigan is regarded as one of the most efficient and the cleanest of any state in the Union. The Democrats have nothing to be ashamed of in the record of Governor Comstock and we are glad to work for his re-nomination and re-election," says Mr. Learned.

## WANT ADS COST LITTLE

## Double Victory Makes 'em Champs

The Plymouth Schrader-Hagerty's two star righthanders, Milton Mott and George Bowers, hurled the Schrader-Hagerty to a double victory over the Plymouth Buick Sales last Sunday, 9 to 6, and 6 to 5, to win the City of Plymouth championship.

The games were played at the Plymouth-Riverside Park diamond. One of the largest crowds of the season was out to watch the two local teams battle for the honor. Of the scheduled five game series, Schrader-Hagerty took three out of the four played, so it will not be necessary to play the fifth game.

In the first game Milton Mott went the route for Schrader-Hagerty holding Plymouth Buick to three hits. Schrader-Hagerty collected eleven hits off Warren Bassett and Clarence Levandowski who were the pitchers for Plymouth Buick.

George Bowers was sent to the mound for Schrader-Hagerty in the nightcap and allowed only six hits, while his team-mates were pounding Andy Gale and Clarence Levandowski for eleven.

The morning game with the Hi-Speed team of Brightmoor, on Labor Day, was called off on account of rain. In the afternoon contest the Schrader-Hagerty's defeated the Hi-Speeds, 6 to 5, in a hard fought game.

Harold Pankow did the pitching for the local club with Ronald Lyke doing the receiving. Pankow held the Hi-Speeds to six hits. Plymouth obtained seven off the services of Jimmy Hawks.

The Michael Korte team of Dearborn, an All-Star club representing Mr. Korte who is running for State Representative of the 5th district, will clash with Plymouth Schrader-Hagerty at Plymouth-Riverside Park Sunday, September 9th, at 3:30 o'clock. Each team has won a game of the three game series, and this is expected to be a very heated contest. Come out and greet Mr. Korte and Mr. Hagerty who are running for state and county offices.

## McCLURE for Senator

John E. McClure, 21378 Karl Avenue, Detroit, who has been a greenhouse operator in the Redford area for the past ten years, was in this community, Thursday, in the interest of his candidacy for State Senator in the 18th Senatorial District, on the Republican ticket.

Mr. McClure is a graduate of the Redford high school, class of 1920, and is an active member of the 17th Congressional District Republican Club. The Redford Business and Professional Men's Club, and the Redford Exchange Club. He served in Company C, 126th Infantry, from February, 1923, to February 1926, and helped organize 107th Vet. Company of Detroit. In 1932, he served the Greater Detroit Greenhouse Growers' Association as treasurer.

In his platform are included the exemption of food, clothing, and fuel from the state sales tax; reduction of small loan interest rates; a more adequate school finance program; a workable method of financing old age pensions; and the exemption of homesteads from taxation within reasonable limitations.
