"Foot Happiness" Comes Back To This City By Popular Request

"Foot Happiness" . . . one of Dr. Scholl's fleet of trailers bringing relief from foot and shoe troubles to thousands of people.

Do you recall the recent visit of this traveling unit to this city? An interesting foot relief and shoe demonstration was conducted at Willoughby Bros.' shoe store, 322 South Main street. That this method of bringing foot happiness to this city was popular is evidenced by the fact that the many persons in this community who have foot troubles and shoe problems and who did not get the opportunity of attending the last demonstration have asked for the return of this caravan of foot happiness to the Willoughby Shoe store. Therefore, a complete foot relief demonstration will be conducted at this store by Dr. Scholl's factory experts direct from Chicago, on Wednesday, April 20. Dr. Scholl's Scientific Shoes will be on display and

filled by X-ray and other scientific devices. These shoes are designed by the world famous foot authority, Dr. William M. Scholl, to keep normal feet healthy and to provide ease for tired, aching feet. There will be included—for the relief of foot troubles—all of the Dr. Scholl's Foot Comfort Appliances and Remedies. This undoubtedly will afford everybody the opportunity of obtaining relief from foot troubles and to be fitted with the type of shoe best suited for the individual's foot. Many people have an unusually long, thin foot, others have a high arch, bunions or a flat-foot. These feet present difficulties with ordinary shoe fitting methods. We welcome Dr. Scholl's caravan of foot happiness.

 "Where Quality Counts"

"MOTHER IS ALL BETTER, THANK YOU"

It is generally conceded that America leads the world in the quality and extent of telephone service.

Important factors in this supremacy are the efforts of the Bell Telephone Laboratories "to find a better thing or a better way," and the experience and skill of the Western Electric Company, the manufacturing department of the Bell System.

Because of our association in the Bell System, every improvement so produced is made available promptly for use in Michigan... a continuing assurance of high-quality telephone service at reasonable cost. That is why Michigan's telephone service is as fine as any telephone service in the world.

And that is why your telephone... although it can connect you with any of 35,000,000 other telephones all over the civilized globe... retains such simplicity that even a child finds it easy to use.

IT SEEMS IT'S A CAR FOLKS WON'T DO WITHOUT!

WE were pretty sure we had a great car when some months ago we checked the final blueprints on the 1938 Buick.

It had the new and mighty DYNAFLASH engine for sparkling action—the sensationally desirable TORQUE-FREE SPRINGING for a lullaby of a ride.

Looking ahead in that promising day, we figured we had every chance of getting our sales share by reason of what this car gave the buyer for his money.

Now, when times are sterner, it appears we built better than we knew—we've got a car folks just won't do without!

This great new Buick was first introduced to the public last fall. Through September, October, November, it sold in steadily increasing volume.

In a period when sales of other cars were sliding off it went ahead, in one month actually outselling one of the Big Three of the lowest-priced field.

It's still going ahead—not car Number Seven or Eight, as one might expect by its price-class, but one of the season's Four Best Sellers!

There is only one explanation of such a record when made by a car in the thousand-dollar bracket.

Such a car is so good—has so much of value in it—people just won't do without it!

They buy it not only in preference to other cars—they buy in preference to waiting for easier times and readier money-to-spend!

That's the convincing sort of car you're about to drive when you first take the wheel of a 1938 Buick.

If you haven't yet handled a new Buick, you ought to—just to see what such a car is like!

"Better buy Buick!"

"Doctrine of Atonement" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, April 17. The golden text, "John 10: 30" is: "I and my Father are one." Among the Bible citations is this passage (Ephesians 2: 13, 18): "But now in Christ Jesus ye who sometimes were far off are made nigh by the blood of Christ. For through him we both have access by one Spirit unto the Father." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 18): "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life and Love."

CALVARY BAPTIST CHURCH. Holbrook and Harding streets. L. B. Stout, pastor. 615 North Mill street. The dark spots in our nation on Sunday nights are not the beer garden, road house, night club, picture shows, etc., but the churches of Jesus Christ. Thousands of churches will declare next Sunday that Jesus Christ is visitor over the grave and the powers of darkness; but Sunday night will be as dark as an Egyptian tomb. May there be raised up a David in each pulpit of the land who will lay off the "armor of soul"—playlets, sermonets, pink teas, etc., and take the stone of faith, in his sling and go out and accept the challenge of this "uncircumcised Philistine"—dark churches—putting on some old fashioned evangelistic meetings on Sunday night. This will do more to darken some of these so-called "bright spots" than all the legislation in the halls of congress. Surely every Christian should be in church Easter Sunday morning; but be sure and come back Sunday night and bring a friend with you.
