

Loan Officials Collect Fabulous Salaries from Interest Earnings Paid by People Financially Distressed

Plymouth Representative Reveals Some Interesting Data to Members of the State Legislature

When an effort is made to do something for the poor fellow who now and then thinks it is necessary for him to borrow money for some needed purpose it seems that all the powers in the world are brought down in opposition to any attempt to help him. Last week there was before the state legislature a bill to regulate the conduct of small loan outfits operating in Michigan. The writer sought by amendment to reduce the exorbitant amount of interest these concerns take out of the pockets of the poor people who become their victims. To back up the contention that this interest rate could be lowered the writer of this article presented facts as to the salaries and bonuses paid the many of the high-up officials of these loan companies who do not even live in Michigan.

Would it surprise you to know that during the year 1936, the last year the figures are available, that B. H. Henderson, president of the Household Finance Corporation, received a total income of \$102,400 for the year? Mind you, this sum does not include any dividend checks he received from the company.

That is \$27,000 per year MORE than we pay the President of these United States!

Think of it! All made out of interest money paid by the poor devil who at times actually goes hungry in order to meet his interest payment on small loans.

When a person at the head of some industry, some concern that manufactures something, produces something for the good of the people, runs a factory or some concern that creates a product as well as labor, a high salary for the fellow with enough brains and initiative to do these things does not seem out of place.

But when such outrageous salaries are paid out of "earnings" (Continued on Page 2)

Rev. Enss Speaks to Kiwanis Club

Dr. G. H. Enss, of the First Baptist church of this city, was guest speaker at the regular Tuesday evening meeting of the Kiwanis club, held in the Mayflower hotel, Earl Kenyon, in charge of the program for the evening, introduced Dr. Enss, who chose the very timely subject, "Europe Today."

"There is more day dreaming and wish-thinking on international affairs in America than in any other country," Dr. Enss said. "It is time that we speak of facts, which, in the end, will mean more to us than some correspondents' fancies, and the sooner we learn to reckon with facts, the better for America," he declared.

England and France have definitely lost contact in western Europe, while Germany and Italy, with the support of Japan in the east, have taken over the guidance of European affairs. A new corroboration of this fact must be seen in the present events in central Europe, where Germany at this very moment is indicating its terms to Czechoslovakia. The helplessness of the European democracies was recently emphasized by Dictator Stalin when he made his overtures to Hitler seeking his friendship. Significant also was Franco's decision in favor of Germany and Italy when he was offered the friendship of England and France. Apparently, he found this the safer thing," Dr. Enss said.

"It is not the question whether we are in sympathy with dictatorships. We have no need of borrowing forms of government from other nations. Our historical heritage will not permit the establishment of dictatorship in America. We are historically conditioned and it is best for us to remain true to our traditions. But that need not hinder us to deal commercially with dictator nations. For that reason it seems unwise to antagonize nations with whom we might have developed the most profitable trade relations. Our present administration has missed great commercial opportunities because it has misjudged the situation in Europe. Our nations, our cotton might have been sold with profit and instead of a depression we might be enjoying prosperity if we had faced facts rather than fables. Instead of saving so-called European democracies we might do better by saving our farmers and factory workers," concluded the speaker.

Shriners Plan Dinner Dance

Under the capable direction of Fred D. Schrader, chairman of the Suburban Shrine club entertainment committee, plans are being formulated for a dinner dance on Friday, April 14, in announcing plans for the affair, Club President Joe Messel said that he hopes to have one of the finest parties ever held in Plymouth and expects all Shriners in this locality to attend.

Chairman Schrader stated that the music and entertainment for the evening will be furnished by Haze Bennett, of Dearborn, and that it promises to be a real surprise. Tickets will be on sale this week-end. The party will be held at the Mayflower hotel and will be informal.

Dr. and Mrs. John K. Olavson are hosts for the dinner and club members, Tuesday, March 21, at the Mayflower hotel.

Plymouth Gun Club Defeats Northville

Members of the Plymouth Gun club again defeated Northville in a shoot at the Northville club on Beck road last Tuesday night. Two teams were entered by both clubs and both classes A and B teams of Plymouth walked off with high points. Plymouth's A team shot a 400 with Michaels shooting 83, Foster 81, Pankov 80, Collins 79, and Rice 77. The B team shot 326 with Ray turning in 72, Bassett 67, Sully 64, Rocker 64, and Patterson 59. Northville turned in 369 and 329.

L. B. Rice of Plymouth was high scorer for the evening hanging up an 87 in the open shooting. Fred Hicks Jr., of Northville, had the highest team shooting mark of the evening when he scored an 84.

Use Candles When Sleet Breaks Power Lines

City in Path of Storm in Years

Plymouth and southern Michigan last Saturday and Sunday suffered from one of the worst sleet storms this part of the state has ever known.

Not only were telephone and power lines down, but a number of highways were temporarily blocked as the result of falling trees and limbs.

While the greatest damage suffered was by the Detroit Edison company and the Michigan Bell Telephone company, more than a half of the residents of Plymouth Sunday night went to bed by candle light.

Shortly after noon Sunday a number of power lines went out of commission and notwithstanding the fact that linemen worked during the entire day and night, it was not until the middle of Monday afternoon that service had been restored.

Not only did the terrific weight of the ice break many lines, but falling trees and limbs took down wires as well as hundreds of telephone and power line poles.

Linemen of both companies worked all day Sunday, Sunday night and Monday in an effort to restore service as rapidly as possible.

There were not many traffic accidents reported due to the fact that few automobiles drivers ventured onto the highways and restricted vision caused by ice forming on windshields slowed driving down to a snail's pace.

Monday when the ice began to thaw several had narrow escapes from slight injury when ice started falling from buildings and trees.

The storm was general throughout southeastern Michigan and northern Ohio, but it did not extend north of Saginaw or Lansing, according to newspaper reports.

Local residents declare that probably only once before in their memory was there a more severe storm than that which continued for nearly two days and ended Sunday night after having caused thousands and thousands of dollars worth of damage to power and telephone lines and young trees.

Residents of this area who were without telephone service during the storm and the few days following, during which repairs were being made, were notified by the phone company that adjustments would be made on their bills for the time they didn't have service. The telephone company has been busy all week replacing that which was down and it was only yesterday that they were able to restore all of their service.

Daisy Breaks Ground for New Addition to House Shot Plant

Will Add 5,000 Square Feet of Floor Space

Announcement was made this morning by officials of the Daisy Manufacturing company of the immediate construction of a new addition to their present plant to make room for the American Ball company which they are moving to this city.

The new addition will be 35 feet long and 45 feet wide and will be three stories high. It will be built on the northwest end of the new building erected by the Daisy company three years ago.

It is planned to operate the shot plant as a separate unit of the company and in order to do this the new building became a necessity.

Plans are now under way to start the moving of the Minneapolis plant and within the next three or four weeks workmen will start pecking the machinery in that city for shipment here. It is anticipated that it will be ready to move before the plant will be in full operation in its new quarters.

Wildlife Dinner is Set for Next Wednesday

Stamp Sale Will Continue Until March 25

The Western Wayne County Wildlife association will hold its first birthday party next Wednesday during the annual celebration of National Wildlife Week. The party, which will be held in the Crystal dining room of the Mayflower hotel at 6:30 on March 22, will feature a smelt dinner.

C. A. Paquin, chief of the division of education in the conservation department, will be the main speaker of the evening and he will show wildlife movies to illustrate his address. Reservations for the dinner may be made with President B. E. Champe or Lisle Alexander.

Wildlife Week which is planned to mark the public conscious of the needs of wildlife will be marked by the sale of a new series of Wildlife stamps. Dr. B. E. Champe, who is the chairman of the sale in western Wayne county, said today that he has received 600 sheets of stamps which are now on sale at the postoffice.

All pictures on the seals are exceptionally good likenesses of the birds, animals and flowers found in the United States, say conservation officers. The stamps come in two sizes, the larger ones selling for two cents and the smaller for one cent, but blocks of 100 in assorted sizes sell for \$1.00.

Sample sheets of the new seals and posters bearing the slogan "Stamp the Way to Restoration" are on display in the windows of several buildings in the business district. A new feature this year is the introduction of an album, large enough to hold both last year's and the new stamps, which may be purchased from the postoffice, Dr. Champe, or Lisle Alexander.

George Burr, who resides on Sheldahl street and is Benjamin of Wayne, were both badly burned Tuesday when gas exploded in a new sewer they were inspecting. The sewer, a Wayne county project, had just been completed near the city of Wyandotte and the two men had just entered it to inspect it.

Other employees of the Wayne County Road commission took them to the Wyandotte General hospital where doctors report that they are resting comfortably. Burr, who is believed to be in a serious condition although they will be confined to the hospital for a week or so.

W. C. Brown Buys Penniman Market

Announcement is made elsewhere in this issue of The Mail of the re-opening of the Penniman Quality Market, located in the Penniman-Allen theatre building on Penniman avenue.

W. C. Brown, of Detroit, who has been in both the wholesale and retail grocery and meat business for the last 15 years, has purchased the stock left in the store and is bringing more new merchandise to Plymouth for the opening Saturday. Mr. Brown intends to carry only quality merchandise in the store and in his announcement invites Plymouth residents to come in and get acquainted on his opening day. Mr. and Mrs. Brown have moved to Plymouth and are residing on Penniman avenue.

The annual honors convocation recognizes students receiving awards from organizations interested in furthering high scholastic achievement. All students elected to honor rolls were honored by last night's program.

Honor students and their parents received special invitations to attend the convocation which was addressed by Clare Griffen, dean of the school of business administration, University of Michigan.

Local Students Honored at State

Edith Jane Mettetal and Russell A. Kirk, both graduates of Plymouth high school were honored by Michigan State college at a special convocation last night as two of the 34 students who received special awards won during the last school year.

Kirk received two awards: the Kirk-Lawson Prize Essay Contest award of \$25 and one of the three prizes in the Short Story Writing contest.

Miss Mettetal received the Mu Phi Epsilon award of a \$25 scholarship given annually to an outstanding woman student in music.

The annual honors convocation recognizes students receiving awards from organizations interested in furthering high scholastic achievement. All students elected to honor rolls were honored by last night's program.

Churches Plan Tre Ore Service

The Ore community services will be held in the Methodist Episcopal church on Friday, April 7, at 8 o'clock. The service will be held at 8 o'clock so that devotionals can be held.

No definite program has been announced yet but Rev. Stanford S. Closson has arranged a seven-part service based on the last words of Jesus. Local ministers will take part in the services and the short devotionals will be given by the local ministers.

Two Prominent Citizens of This Part of County Instantly Killed in Auto Collision During Sleet Storm

Spring Luncheon of Garden Club Has Attendance of 94

There were 94 ladies present at the annual spring luncheon held Monday jointly by the Plymouth and Northville branches of the Woman's National Farm and Garden association in the Presbyterian church, Northville. The luncheon tables were gay with their vases of spring flowers, daffodils, snapdragons and phlox in pastel shades. The guest speaker, Sally Baker Hewitt, of Jackson, took those present on a pleasant tour to Europe, visiting Scotland, Italy, Germany and Switzerland. She gave many interesting facts about each country and played musical numbers appropriate to each.

The next on the program for the garden club members is the flower show to be held in Convocation hall, Detroit, from March 25 to April 2, inclusive. Advance sale of tickets is in the hands of Mrs. Paul Wiedman. Anyone may purchase them from her until Friday evening, March 24, at reduced rates.

School Heads Go to Lansing

Several school board members and Superintendent C. A. Smith are attending the annual state-wide meeting of school board members in Lansing today. The meeting which is scheduled to start at 10:00 o'clock will be held in the West Junior high school auditorium of Lansing, with C. H. Runciman presiding.

The meeting will be opened with a band concert by the West Junior high school band with E. J. Millington, of Cadillac, will address the assembly at the conclusion of the concert.

On the six-point program, the first speaker is to be H. Franklin Donner of Garden City. His subject is "Building Program Legislation and Constitutional Amendments to the 15-Minute Limitation." Arthur Valade of River Rouge is to speak on "The Emergency Appropriation of \$4,500,000." "Liberalizing the Borrowing Powers of School Boards" is to be the topic of J. W. Stalward, of District No. 8 of Wayne county. Dr. A. J. Phillips, executive secretary of the Michigan Educational association, is to speak on "Guaranteed \$45,000,000 State Aid for Schools." Next point in the program will be the presentation of resolutions and the last subject will be a discussion of the constitution led by Wesley E. Thomas, Michigan Educational association director of field service.

A 15-minute address by Governor Frank D. Fitzgerald is scheduled for 1:30 and will be followed by community singing. The conclusion of the session will be devoted to the adoption of resolutions and the election of officers for the year.

Mr. Fuller was born in Woodstock, Canada and came to Northville more than 45 years ago. During the last 10 years he has been employed as maintenance superintendent at the William H. Maybury sanatorium. When the Northville-Wayne County fair was organized nearly a quarter of a century ago he became a member of the board of directors and had served in that capacity until his death.

He was appointed by Alex J. Groesbeck a member of the state fair board and served on that board until a few years ago. Up until two years ago he had assisted in conducting the poultry show at the fair where he, too, was just notified that he would again have his old place back at the show.

Miniature Stagecoach Displayed in Bank

A tiny stagecoach drawn by four diminutive horses is on display this week in the window of the Plymouth United Savings bank. Ray Ellerholz, of 8437 Gray avenue, off Joy road, made this replica of an early express coach in his spare hours last year.

Following news sent him by the Detroit News, he cut the coach out with a coping saw and carved, by hand, the life-like driver and guard who sit on top of the wagon. The horses were also hand-carved and real horse hair was used in the making of their manes and tails. The dappled appearance of the skin was done with a wood-burning implement. Mr. Ellerholz said. This coach and four-horse team, which resembles the one pictured in the postoffice mural, is complete with reins, harnesses and bridles made of a soft leather strips fastened with tiny buckles.

Did You Know That

You can have your old shades cleaned, or purchase New Mohas Shades, made in Venetian. Blinds, Drapery Rods, and Linoleum at the National Shade Company? Phone 530 for Estimates.

We have groceries every Saturday night at Odd Fellow hall, 19-H-C. The Catholic Men's club is sponsoring a dance this Saturday night at the Grange hall on Union street. There will be both modern and old time dancing and cards for those who wish to play.

The Run-a-Bout Book Shelf now has its headquarters at 229 South Main street. Come in and look over the new books. Rental three cents daily.

Dr. and Mrs. F. A. Lindstrom, of Hudson, Michigan, were guests of Mrs. Beatrice M. Schaefer and her mother, Mrs. J. J. Schaefer, at their home on Hill street.

Board Planning to Purchase Land for New Schools

Propose to Erect Several Rooms a Year

"Plymouth schools need more class room and larger playgrounds for the expected increase in school population during the next ten years," said H. Hamill, president of the school board, after the monthly meeting Monday.

Speaking for the board, Mr. Hamill told of the proposed ten-year land buying and building program.

Suggested by Raymond Hill Wilcox in his survey of the school in 1937. Mr. Wilcox, a town planner, revealed in his survey, many facts which pointed to the need of increased acreage. First the city of Plymouth occupies only about one-quarter of the school district (Continued on Page 2)

Mrs. Kate Harmon Buried Tuesday

Funeral services were held Tuesday at the Schrader Funeral home for Mrs. Kate Harmon, well-known former resident of Canton township, who died last Friday in Springfield, South Dakota.

Mrs. Harmon was born January 11, 1850 in Monroe, the youngest of nine children and was Katherine A. Batty before her marriage to William Harmon in 1869.

After the death of her husband in September of 1920, she left to make her home with her son, Dr. Theron Harmon in Watertown, South Dakota where he was superintendent of schools. In 1927 her son went to Aberdeen, South Dakota as head of the psychology department, and here his mother made many friends in several callers.

President of Southern Teachers' college at Springfield, South Dakota. He died suddenly on September 9, 1934 and his mother continued to make her home there with her daughter-in-law.

Springfield is a pleasant village of 1000 people who loved Mrs. Harmon and she was "Grandmother" Harmon to the entire community. She remained active up to the last few months of her life, frequently attending four or five social affairs in one week on the day of her death she entertained several callers.

Her grandson, Theron Harmon, a teacher in Jefferson South Dakota, was killed in a school accident in January of last year, two weeks before he would have been 25 years old. This tragedy hastened her death because it was her fondest hope that there would be a grandson to live on the family property near Canton Center, and with the death of her only grandson these hopes were destroyed.

She is survived by her daughter-in-law, Mrs. Flora Harmon, of Springfield, South Dakota; her granddaughter, Mrs. Virginia Lewin of Riverside, Illinois; a great-grandson, Travis D. Lewin; a niece, in Columbus, Ohio; a niece, Mrs. A. N. Walker, of Farmington, Michigan; and a sister-in-law in Daisy, North Dakota.

The following friends from out-of-town attended the funeral: Mrs. Flora Harmon, of Springfield, South Dakota; Mrs. Virginia Lewin of Riverside, Illinois; Allan Radcliffe of Oklahoma; and Robert Whitney of Benton Harbor. Services were conducted by the Rev. Walter Nichol and interment was made at Riverside cemetery.

BOARD OF REGISTRATION TO MEET NEXT SATURDAY

All residents who wish to vote in the April 3 election were reminded by the board of registration will be received at Saturday, March 25. The board of registration will be in session at the office of the clerk in the city hall from 9:00 a.m. until 8:00 p.m. on that day. Every week the clerk will be in the city hall to receive registrations of qualified electors from 8:00 a.m. until 5:00 p.m. in his office.

WOMAN'S CLUB LUNCHEON AT ART INSTITUTE TODAY

The Woman's Club of Plymouth is meeting at 1:00 p.m. today (Friday) at the Detroit Institute of Art for luncheon. About 50 reservations have been made. The luncheon will be served in one of the period rooms of the institute. Following this, Dr. Richardson of the institute staff will lecture on "Modern Art."

The next meeting of the club will not be held until Friday, April 14, a month later.

Peggy Foster, daughter of Mr. and Mrs. T. Foster, entertained with her friends, Wednesday, for luncheon.

Mr. and Mrs. I. Robbins and family, have recently moved to the Home farm in Grand Rapids and will move to Leontine in April.

Mr. and Mrs. I. Robbins and family, have recently moved to the Home farm in Grand Rapids and will move to Leontine in April.

Board Planning to Purchase Land

(Continued from Page 1)

yet two elementary schools and one high school are taking care of all students in the district, according to Mr. Wilcox. These schools are suitable at present but are being rapidly outgrown and the playground facilities are not adequate even now.

Figures show the increase in city and school population during the last three decades and the expected increase in the next ten years. In 1910 the city population was only 1600, but it doubled in the next ten years and is now nearly 5000 and Mr. Wilcox predicts an increase of 45 per cent by 1947. The school population was approximately 1180 in 1927, 1550 in 1937 and Mr. Wilcox foresees a 47 per cent increase by 1947, making a total of about 2240 students.

The plan is to start buying land and building now so that when the need for extra room is pressing, the school will be adequately prepared. The buildings can only be constructed at the rate of a few rooms a year for the board expects to work on a pay-as-you-go basis. Such a program is being followed on the high school building at the present time. Expansion work being done with WPA help on this building follows a master plan which allows for changes and the addition of extra rooms to continue as the enrollment in the high school increases.

It is hoped that eventually the high school will occupy the pres-

ent Central grade building as well as the additions planned on the high school building itself. When the Central grade school is taken over by the high school, new grade school buildings will be necessary. It is the building of these schools that the board is contemplating now.

Mr. Wilcox's survey indicates that the best location for the new buildings would be one on the northwest section and the other in the southwest section in the general areas of Sunset to Arthur to Blanche to Tonquish Creek, and of Byron to Sutherland avenues respectively. In choosing these sites, board members are reminded that at least five acres is necessary in each case in order to give room for adequate playgrounds lacking in the present schools. It is a generally recognized fact that the acreage of an elementary school should be at least five acres and of a high school 15 to 20 acres.

Mr. Hamill spoke of the land buying program and how it will co-ordinate with the city planning commission's program so that the buildings will be situated well in accordance with the needs of the school and the city. The board hopes to make some land purchases this year so that building on these projects can be started within the next few years before the need for extra room becomes too pressing. The board does not anticipate an increase in the school tax rate in carrying out this program because the expansion will be distributed over a period of years. Members also feel that by acquiring now the land that they will need for future expansion before improvements have increased the valuation of the land that they are saving the taxpayers money.

Loan Officials Collect Fabulous Salaries From Interest Earnings Paid

(Continued from Page 1)

made from money lending, it is nothing more than an insult to the people of this state and nation!

But that one income of more than one hundred thousand dollars per year is not all.

Ten other officials during the year of 1936—and that was during a year when taxpayers spent more than \$26,000,000.00 in Michigan to keep people from going hungry—received a total of more than \$224,900.00 in salaries and bonuses. That is an average of more than \$20,000.00 per year for each one of these officials. That is twice as much as we pay our United States senators.

What about the other personal finance concerns operating in Michigan?

The Beneficial Industrial Loan Corporation of Delaware is the holding company for most of them.

Charles H. Watts, who gives his address as Clearwater, Florida, is the president of this concern.

His salary for the year during 1936 was \$86,300.00!

O. W. Casperman, vice president and a resident of Andover, New Jersey, received a salary of \$41,399.00.

Clarence Hodson II, another vice president who resides in Hemet, California, has a salary of \$23,100.00 from the holding company.

These staggering figures were made known to the members of the legislature by the writer. A very slight reduction in the interest rate was forced, but it could be lower and SHOULD be lower.

Notwithstanding all of this bunk about the New Dealism and its benefits to the average citizen, it just seems impossible to get the things done that WILL ACTUALLY HELP those who need help.

Maybe SOME DAY in SOME WAY something will happen so that the vast majority of people of this and other states will get the right kind of a break.

There is rapidly developing around the great cities of the nation a new type of "community." It is the permanent trailer camp. In Wayne county one would be surprised to know that there are several of these places, with permanent population of several hundreds of people. Many of these families have school children and the taxpayers of the district are forced to pay for the education of these youngsters. In order to require the "home-trailer" to pay just a small portion of the expense in educating these children, the legislature is considering a measure which will require a monthly fee of 75 cents for each trailer located in these camps during the school year from October to May. There seems to be no opposition to the plan.

There's a lot of chuckling around Lansing since the introduction in the legislature of a bill which seeks to limit the number of judges to live in Ingham county during the term of office to which they have been elected. It seems that Judge Thomas McAllister who has spent most of his time in Washington since election to office, has suddenly reappeared in Lansing and is now right on the job most of the time. The mere introduction of legislation sometimes, apparently, brings about as much good as does its enactment. His former home was in Grand Rapids.

When Governor Frank Fitzgerald assumed office the first of the year he tried to find out something about how state finances stood. He had numerous consultations with Budget Director Harold Smith and his staff. Weeks rolled along and nobody knew whether the state balance was "off or on" notwithstanding the fact that some dozen or more employees were hired during the last two years to "set aright the state finances." Financially in desperation the Governor called upon the former state budget director, George Thompson of Detroit, to come to Lansing to help straighten out the mess in the budget director's office. The big laugh of the day around Lansing is the fact that "Budget Director" Harold Smith, who has served the state for the last two years, has been appointed budget director down in Washington. If he does as good a job down there as he has in Lansing, maybe a hundred years from now some one will know something about how much the federal budget is out of balance.

Greatest Need Is Religion

(Continued from Page 1)

useless because "Nobody can tell just where we are today; that we are on our way is the important thing," he said. "What good is one man's opinion on world affairs? Tomorrow's papers will refute anything we say today, anyhow."

Rev. Eva said that he thought the only purpose in traveling is to gain convictions. Those who travel only for the scenery might as well stay home; but if the traveler comes back from his trip with convictions which he had not felt before, his travel has been worthwhile. The conviction that Rev. Eva brought back from Europe this summer was that we are better off than any nation in the world today, but that we lack the courage to make a moral protest against the things that are happening in less fortunate countries. He told the audience that the most feared and least-used force in the world today was the power of moral protest.

Warning his congregation that "paganism is on the march," he said that Christianity must arouse a conscience against the evils of dictatorship. He spoke of the 2000 ministers who are in German concentration camps because they dared to make a moral protest against a system of government that they think is wrong. Toscanini's exile from Italy for daring to defy the Fascist government was another evidence of moral strength that Rev. Eva cited. He concluded his remarks with the thought that the greatest crime in the United States is our tolerance of crime and that if we were to turn to our last line of defense we would be strong enough to make a moral protest against the wrongs of European governments.

Helen Wolfrom to Marry Saturday

The wedding of Helen Wolfrom, daughter of Mr. and Mrs. Frederick Wolfrom, of Middle Belt road, to Alton Wilson Matevia, son of Mrs. Frank Westfall, of Plymouth, will take place in the home at 8:00 p.m. on Saturday, March 18, the Rev. Stanford S. Closson, pastor of the local Methodist church, performing the ceremony, in the presence of 100 guests.

The bride will wear a wedding gown of white satin made in princess style with short puffed sleeves and fingertip veil. She will carry white roses. Her maid of honor will be Eileen Coon, of Dearborn, who will be gown in light blue net, and carry pink roses. Her bridesmaid will be Kathleen Wasmund, of Rosedale Gardens, and she will wear pink lace and carry yellow roses.

The bridegroom will have as his best man, Clyde Matevia, a brother, and Glenn Matevia, another brother will usher.

A reception will follow the ceremony. Palms and gladioli will be used in the decoration of the home. The bridal table will be centered with a tiered wedding cake having a miniature bride and bridegroom on top. The cake will be flanked by tall white tapers and bowls of sweet peas.

The young couple will reside in the apartment of the Wolfrom home on Middle Belt road. They have the sincere wishes of their many friends in and about Plymouth for a long, happy wedded life.

Julius Caesar put 31 days in his birth month and 30 in the following one, but Augustus Caesar, who was born in that month, would not be outdone by Julius and so he put another day on his natal month and called it August.

Lebrun to London

Important international significance is attached to the state visit of French President Albert Lebrun to London. Lebrun will leave Paris Tuesday, March 21 to visit King George, Prime Minister Chamberlain and other British notables.

PLATING AND DAISY TEAMS LEAD BASKETBALL LEAGUE

Community basketball league playoffs will be held during the next two weeks. Four of the eight men's teams will compete for the championship and the two remaining women's teams will play each other off for first place.

The men's teams in the elimination rounds will be Plating (1938 champions), Daisy, Blunk's, and Wilkie; the girls' teams will be Daisy (1938 champions) and Red and White. These teams came out on top when the 1938-39 regular basketball schedule ended Wednesday night. In the last game of the season, on Wednesday night, Hi-Speed and Coolman girls and Chevrolet and Perfection boys played the last of a 14-game schedule in the league.

The play-off schedule follows:

Monday, March 20: Wilkie vs. Blunk; Daisy vs. Plating.

Wednesday, March 22: Loser vs. Loser; Winner vs. Winner.

Thursday, March 23: Daisy vs. Red and White.

Wednesday, March 27: Daisy vs. Red and White.

Both divisions have shown marked improvement over last year according to official reports. Edwin (Bud) Schrader and Art (Iron Horse) Kreeger are the only players left in the league who played in 1933-34, the first year of the competition.

O. Egloff of Blunk's team was high individual scorer for the men and J. Durham of Coolman's was high for the women. Team standings are:

	Boys	W	L	Pct.
Plating	13	1	929	
Daisy	12	2	857	
Blunk's	9	5	643	
Wilkie	8	6	571	
Schrader	5	9	357	
Chevrolet	5	8	385	
Perfection	3	10	231	
Wild's	0	13	000	
	Girls	W	L	Pct.
Daisy	12	2	857

Only two species of swan are native in North America, the Trumpeter and the Whistling Swan.

Scientists believe a dog buries a bone in order to obtain salts and minerals absorbed from the soil which are necessary to maintain life.

Six are Named "Best Spellers"

Six dictionaries were won by Plymouth students last Friday in the first of eliminations in the Detroit News spelling contest.

In the Central grade school, Marjorie Elliott, fifth grade, won on the word "omitted" and Richard Erdelyi, sixth grade, won on "appetite." Heinz Koenecke, fifth grade, Starkweather school, spelled the rest of his classmates down on "scarce" and Betty Lou Arnold, sixth grade, won with the word "pursue."

Junior high school students in the seventh grade were defeated by John McClain whose word was "feminine" and eighth graders by Dolores Wilson with "scarred."

This is the 15th year that the Detroit News has been conducting metropolitan and national spelling bees. In the grade contests held on Friday, fifth, sixth, seventh and eighth graders competed for the title of grade champions and for the award of a thin paper edition of Webster's collegiate dictionary. These dictionaries will be distributed as soon as the names of the winners have been printed on the covers. It was announced that the next elimination spelloff will be March 31.

Sixty fire towers in the state will be equipped with radio units for the coming season.

Michigan Man Science Trustee

Michigan friends of Francis Jandron, Christian Science lecturer, and formerly a member of Christian Science committee on publication for this state, are congratulating him upon his appointment as trustee of The Christian Science Publishing society, in Boston, Massachusetts. Mr. Jandron will take up his new duties at once, succeeding W. Stuart Booth, who has just been elected to The Christian Science board of directors, in place of William R. Rathvon, who passed away March 2.

Mr. Jandron was formerly treasurer and assistant general manager of the Packard Motor Car company, which post he resigned to become a Christian Science practitioner. Mr. Jandron is well known to editors and publishers in Michigan because of his work as Christian Science committee on publication, which position he held for many years, until he was appointed a lecturer in 1935. Mr. Jandron was born in Canada, but received his education in England, and at the University of London.

Mr. Booth, who assumed his duties as a member of The Christian Science board of directors immediately, was well known as a lecturer on Christian Science before he joined the editorial staff of the religious periodicals of the Christian Science organization, a position which he held until May, 1935, when he was appointed a trustee.

Euche Contestants in Sixteenth Round

The Canton Center-Cherry Hill Euchre club has played its 16th round now with Freddie-Buckner upsetting Wagonschultz and R. Waldecker seven games to six. Zeigler-Johnson were beaten by Hix-Cash nine games to four, so now the Hix-Cash combination has a chance of making fourth place. C. Finnegan-Elliott lost another game seven to six to Waldecker-Theisen, who are in fourth place by a slim margin of four games and Gots-Blackmore gave the West boys the worst beating of the year. The score was 11-2.

Ski Champs Vie at International Open

Peter Radacher of Salzburg, Austria, instructor at the Sun Valley, Idaho, ski school will be one of the leading European contenders for the coveted Harriman cup at the third annual Sun Valley international open tournament opening Friday, March 24 at the western winter resort. Radacher is caught above in fast action on powder snow.

Dondero Tells Why He Opposes TVA

(By Cong. George A. Dondero)
When the Independent Offices Appropriation bill, 1940, H. R. 37-43, was under consideration in the House, I discussed various features of the bill, particularly that appropriating funds for the construction of Gilbertsville and other dams in the TVA system.

H. R. 3743 provides appropriations for the executive office and other independent bureaus, boards, commissions and so forth, and these proposed appropriations amounted to a staggering sum. When we are called upon to vote on a bill of this nature, no voice is left a member except to vote "yes" or "no" on the entire measure.

There is a number of items in the bill which have my full approval. The appropriations for the Veterans' Administration, the Civil Service Commission, the Home Owners' Loan Corporation, and many more. There are others which I cannot support. There is an increase of more than \$250,000 for the National Labor Relations Board and \$16,000,000 for the TVA which I cannot support. It was to this latter subject that I directed my attention.

One of the questions occupying the minds of the people today is how long can we continue to authorize \$9,000,000,000 budgets in the face of \$5,000,000,000 tax receipts? How long can this government continue to function with annual deficits of nearly \$4,000,000,000? How far beyond a national debt of \$45,000,000,000 can this country go before it reaches the brink of national bankruptcy? How much further can we strain the credit of the nation before that credit is exhausted? How much further can we plunge this nation into debt before we face inevitably either inflation or repudiation?

There is a limit even to the credit of the nation, and that limit may be nearer than many members of the House realize. There is no attempt being made by the administration to economize, and every effort on the part of the House is met by rebuke and criticism from those high in the councils of the Federal administration.

Economy in government is a necessity that we, as representatives of the people, must recognize. This is one of the big issues before the country today and this Congress cannot discharge its duty unless it is willing to face the issue courageously. It is my judgment that to continue the course on which we are now embarked will be fatal to American institutions and insolvency will be the final result.

On two former occasions the House refused to grant an appropriation of approximately \$300,000 to begin construction of the Gilbertsville Dam. At a time when many members who were opposed to the project were absent from the House, it was brought in a third time and passed by the slim margin of seven votes. It is here again, this time asking for approximately \$12,500,000, and two new dams are contained in the bill. What a bar for \$4,228,000 and \$2,000,000 for \$220,000, or a total of more than \$17,000,000.

A vote for these items does not mean a vote for seventeen million dollars alone. It means a vote for 166 million dollars; the estimated cost to complete the three projects.

It seems to be the theory that once the Congress votes to embark upon a costly folly the Federal government is compelled to complete it. At least in two instances the Congress refused to follow that course in denying further appropriations for the Florida Ship Canal and Panama-quoddy, and it is not too late for this Congress to stop the construction of the Gilbertsville Dam. These amounts may be saved to the American people by abandoning the present plan to build these costly power dams and construct navigation dams instead.

In the debate on the bill it was pointed out that the Gilbertsville

Your Michigan—And Mine

GENTLE CRASH
Constantine (MPA) — LeRoy Knisely experienced an auto accident here recently that was gentle and yet not too gentle. His car ran into an electric light pole when he turned to avoid what he thought was another car. The crash did not jar the ashes off his cigar but it did break the front axle on his car. What he saw through the frosted windshield was not another car, but an elm tree.

HE'S OVER 21
Dearborn (MPA)—When Harry Schall of Fremont, Ohio, applied for a marriage license at police headquarters here, officers questioned him about his age. "I'm over 21," he said. Later when he admitted he was born in 1918, he proved he was not lying in his previous statement. Taking off one of his shoes, he revealed a slip of paper inside, with the numerals "21" written on it.

Seniors Give Up Stunt Night Skit

The eleventh annual stunt night of Plymouth high school will be held in the auditorium at 8:00 p.m. on Friday, March 24. For the first time in the history of this annual affair, the twelfth grade students will not participate. Seniors, who felt that they had too many other things to do, relinquished their right to a place on the program to the eighth graders.

Four 15- or 20-minute sketches are being planned by the classes and the Student Council will give prizes for the best skits as determined by the audience and two outside judges.

BUILT FOR ETERNITY

Riverside Mausoleum is constructed on the same principle as the most famous mausoleums. The outer walls of the building are practically two feet thick and one of the strongest ever built for its size.—Stone, Reinforced concrete, interior faced with the finest grade of marble.

It enables us to perpetuate the memory of our loved ones.

Gladiator said, "Show me the man in which a nation cares for its dead and I will measure with mathematical exactness the trend of the sympathies of its people and their loyalty to ideals."

Inspect this building and the new addition yourself. We will be glad to call on you, giving you all particulars without any obligation on your part.

Tom Brock Wins Albion Contest

Thomas Brock, of 2000 Canton center, Plymouth, won first place in the local peace oratorical contest held on the Albion college campus Friday afternoon, March 10. Brock's winning oration, entitled "They That Take the Sword," was an appeal for idealism in America's responsibility for world peace.

As winner in the contest Brock received the \$50 first prize and will be the Albion representative participating in the state peace contest to be held at Mt. Pleasant on April 14. State peace contests are being sponsored throughout the United States by Misses Mary and Helen Seabury, New Bedford, Massachusetts. One hundred dollars in prizes are divided among the first four place winners.

Brock is a sophomore at Albion college, and a mainstay on the Albion varsity debate team.

Vegetable growing has become a billion dollar-a-year industry. The income derived from vegetables grown during the last five years having averaged approximately twenty-two per cent of the United States farm income.

Egypt's Princess Weds Iran Crown Prince

Princess Fawzia (left) of Egypt, fair sister of popular young King Farouk, was married Thursday, March 16 to Prince Mohamed Riza, heir apparent to the throne of Iran (Persia). Photograph at right shows King Farouk discussing the wedding with the venerable Sheikh El Maraghy, religious head of all Islam, who performed the wedding ceremony.

Official Proceedings Of The Commission

Plymouth, Michigan
March 7, 1939

A regular meeting of the City Commission held in the City Hall on Tuesday evening, March 7, 1939 at 7:30 p. m.

Present: Mayor Hondorp, Commissioners Blunk, Robinson, Whipple and Wilson.
Absent: None.

The minutes of the regular meeting of February 20 were read and approved.

The following reports were read by the Clerk: traffic violations, police, municipal court city ordinance and civil cases and health.

It was moved by Comm. Wilson and supported by Comm. Blunk that these reports be accepted and placed on file. Carried.

Messrs T. Glenn Phillips and J. M. Bennett, representing the Planning Commission, requested that the City Commission authorize two hearings for the purpose of determining the advisability of presenting the Zoning Ordinance and Maps to the City Commission.

It was moved by Comm. Whipple and supported by Comm. Wilson that the City Planning

Commission be authorized to hold two hearings. One, at the Starkweather School on April 10; and Two, at the City Hall on April 24 at 7:30 p. m.

BE IT FURTHER RESOLVED that the City Clerk be instructed to prepare and have printed the necessary information. Carried.

This was the night set for the public hearing for an eight inch sanitary sewer on Pacific Ave. between Farmer and Junction.

The following resolution was offered by Comm. Robinson and supported by Comm. Blunk:

WHEREAS, this Commission has declared it necessary to construct eight inch sanitary sewer on Pacific avenue, between Farmer and Junction for the benefit of the owners of property abutting the improvement and WHEREAS, the plan, profile and estimate covering the proposed improvement have been accepted and are now on file in the office of the City Engineer, and

WHEREAS, a public hearing has been duly held covering the proposed improvement and no valid objections have been received thereto.

THEREFORE BE IT RESOLVED that the Assessor be directed to prepare an assessment roll covering the total cost according to the frontage of each owner abutting this improvement.

Ayes: Mayor Hondorp, Commissioners Blunk, Robinson, Whipple and Wilson.

Nayes: None.

The following is a tabulation taken from the Poll Books and Statement Books of the several precincts of the City of Plymouth showing results of ballots cast at the Municipal Primary Election held March 6, 1939:

Roll No. 68-Concrete Pavement-Church street.	City's Share	\$ 499.61
Assessed to Property	Owner	\$ 499.61

The following resolution was offered by Comm. Whipple and supported by Comm. Robinson:

WHEREAS, this Commission has canvassed the returns of the Primary Municipal Election held in the City of Plymouth on March 6, 1939 by reviewing the poll and statement books prepared and certified to by the Election Boards of the several precincts and has found the results to be the same as reported by the City Clerk of this date.

THEREFORE BE IT RESOLVED, that this Commission approves and confirms the report of said Primary Election Boards and determines from such canvass the results of said Primary Election as follows:

That Harold P. Anderson, Henry J. Fisher, F. (Phil) R. Hoheisel, Geo. H. Robinson, L. E. (Ed) Wilson, and Warren J. Worth were duly nominated as candidates to the City Commission.

Ayes: Mayor Hondorp, Commissioners Blunk, Robinson, Whipple and Wilson.

Nayes: None.

Mr. A. R. West requested that Main Street be closed to Traffic on Thursday, March 9, 1939 between Deer St and Main St.

It was moved by Comm. Wilson and supported by Comm. Whipple that the appointment of Arlo A. Emery as City Attorney be approved. Carried.

It was moved by Comm. Whipple

ple and supported by Comm. Robinson that the consideration of the approval of Plat No. 14 be taken from the table and approved; and further, that the Assessor and City Clerk be instructed to sign the same and have the Plat recorded. Carried.

The Board of Review reported that Assessment Rolls No. 61-71, inclusive, have been prepared and reviewed in accordance with the Charter. No property owners raised any objections.

The following resolution was offered by Comm. Whipple and supported by Comm. Wilson:

RESOLVED, that Special Assessment Rolls No. 61, 62, 63, 64, 65, 66, 67, 68, 69, 70 and 71 as approved by the Board of Review in the corresponding amounts as shown below, be and the same are hereby confirmed.

Columbus first sailed on his adventure from Palos, Spain, on Friday, discovered America on Friday, got back to Spain on Friday and first saw South America on Friday. The Pilgrims landed on Friday, Washington was born on Friday, both Burgoyne and Cornwallis surrendered on Friday and the Declaration of Independence was signed on Friday—a fair refutation that Friday is unlucky.

Henry Hondorp, Mayor
C. H. Elliott, City Clerk

The Bureau of Standards says that an inward dent in pail reduces its capacity.

Notice is hereby given that the Board of Registration for the City of Plymouth will be in session at the office of the City Clerk from 8:00 a. m. to 8:00 p. m. on Wednesday, March 15, 1939 and Saturday, March 25, 1939 for the purpose of receiving registrations of qualified electors.

Registrations will also be taken at the office of the City Clerk each week day between the hours of 8:00 a. m. and 4:00 p. m. up to and including Saturday, March 25, 1939.

No registrations for the Regular City and County election, to be held on April 3, 1939, will be received after Saturday, March 25, 1939. Qualified electors who are now properly registered with the City Clerk will not have to re-register.

RESOLVED FURTHER, that the assessments shown on the said rolls be divided as follows: Sewers, Sewer Taps, Curb and Gutter and Sidewalks—three years; water mains, five years; and pavement, 10 years in equal installments, with interest at 6% on the unpaid balance and payable on April 15 of each year beginning 1939, and that the said City Clerk transmit said rolls to the City Treasurer with the Mayor's warrant for collection accordingly.

Ayes: Mayor Hondorp, Commissioners Blunk, Robinson, Whipple and Wilson.

Nayes: None.

The following resolution was offered by Comm. Whipple and supported by Comm. Wilson:

WHEREAS, this Commission declares it a necessity to construct a curb and gutter on Spring street between Starkweather and Holbrook immediately in front of Starkweather School and Centennial Park; and also, a concrete pavement on Spring street from Starkweather east to the end of the street, and

WHEREAS, this is a special benefit to the property owner abutting the said improvement;

THEREFORE BE IT RESOLVED, that this Commission will meet and consider any objections thereto on Monday evening, March 20, 1939 at 7:30 Carried.

It was moved by Comm. Wilson and supported by Comm. Whipple that bills in the amount of \$5,367.66 be approved.

Ayes: Mayor Hondorp, Commissioners Blunk, Robinson, Whipple and Wilson.

Nayes: None.

Petitions were presented from seventy-three names requesting that the City Commission turn Main Street over to the Wayne County Road Commission, and further that the proposition be placed on the ballot permitting voters to advise the Commission of their wishes in the matter.

It was moved by Comm. Wilson and supported by Comm. Blunk that the City Manager be instructed to attend the winter meeting of the City Manager's group in Lansing, March 8-10, 1939. Carried.

It was moved by Comm. Blunk and supported by Comm. Wilson that the meeting be adjourned. Time of adjournment—9:15 p. m. Carried.

TWO O'LEARY CHILDREN GUARD BROKEN WIRES

After notifying the police department and the Detroit Edison company of broken live wires dangling in the street at the corner of Sutherland and Harvey streets, Dorothy and Bud O'Leary directed traffic away from them for better than two hours during the storm last Sunday.

At the same time several boys were taking the same precautions for motorists on the corner of Mill and Pearl streets where wires were also broken by the ice.

The young people were all relieved of their jobs when help arrived and the wires were tied and placed out of the way of traffic.

German Expounds On "Dunking"

Points Out Rules Of Technique

Maybe Harry German, who was at one time mayor of Northville but now runs a bank down in Carleton, has pitched more baseball games than any other man that ever lived, but nobody knew until just the other day that he claims to be the country's best known "authority" on "dunking and dunkers."

Hesitatingly he recently prepared for The Plymouth Mail a special article on "Dunking." For those who follow the profession and meet every forenoon over at Smitty's to do a little dunking, Dunking Expert German's article will be of especial interest. It follows:

"Dunkers may come and dunkers may go, but the dunker that can hold his social standing in 1939 in a dignified manner will be known as the Dunker of Dunkerville, and irrespective of our State Treasurer Miller Dunkel's ability as a fried cake submerger.

"Dunking probably originated just after the Civil war when our old comrades came marching home after eating hardtack for a number of months. Hardtack was bad on the teeth. After crunching this stone-like food during the war, the old soldiers' food cutters became sore and they took to the softest edibles that one could find, hence the dunking business started. Bread, fried cakes, cookies, etc., then suffered if the immersing of them in tea, milk or coffee was the drowning of their career.

"Comparing the old dunker with the modern one of today, we would without hesitation

say that the old man is a better dunker than the son or grandson. Perhaps it is because it became a business during the war generation of 1875 while today the sons are only carrying on a habit that was inherited. Dunkers are more shy in their work today and do not take it as an art. They do not seem to realize that socially it must be made an art. One should be professional enough to hide his dunking from a hostess as baptizing of doughnuts etc. and biting their heads off by degrees is embarrassing to her. She imagines the food is out of order and to the dunker's standpoint, she may think he has left his false teeth at home. The modern dunkers may be good at the trade but grandpappy is the old boy who can get away with it whether graceful or not. When he dunks, he submerges often the entire morsel, and then, if necessary, reaches with heart, soul and hand to the bottom of the cup to retrieve the sunken tidbit. The modern man uses his finger tips, and, rather feminine like, allowing the little finger to point to the opposite side of the dining room, thus directing attention away from his work as a dunker.

Those dunkers are very self-conscious and much different from the old school who may be known as the Don't-give-a-damn dunker. He dunks and retrieves both at the same time, thus eating while the feed is going and coming and in that way never misses a chew.

"The self-conscious rookie nibbles all around a fried cake hole after immersing several times, then finds his prey has sunk to the bottom. This forces him to retrieve same by sticking his finger in the hole of cake and let it revolve about his digit to his mouth. This is really not etiquette as the spin of the soaked morsel often shoots liquid across the table thus spoiling a boiled shirt or the satin waist of some blond.

"For more thorough knowledge and history about dunking we refer you to either State Treasurer Miller Dunkel or some genuine dunker from Dunkerville."

After six years' work, two scientists in the department of Vertebrate Paleontology in the American Museum of Natural History in New York, recently finished assembling the skeleton of a dinosaur which had been broken into 20,000 pieces.

But It's True

Stephens, trying to raise funds for the Confederacy, stayed with friends on Fifth avenue, New York, walking at random, was not recognized. The Wild river flows so fast before it reaches Broadminster that the impetus sends the water uphill.

Your University

PERSONS, PLACES AND ACTIVITIES YOU HAVE HEARD OR READ ABOUT AT THE UNIVERSITY OF MICHIGAN

Director of the University of Michigan's Department of Engineering Research since 1920, Dr. Albert E. White has been a leading figure in American metallurgy in both civil and military fields and in the field of administration of research in engineering.

The Department of Engineering Research, of which he is the head, was established by the University of Michigan to meet the needs of industrial concerns for fundamental research in engineering. The staff of experts in various engineering fields, the laboratories and the equipment of the University's College of Engineering are made available to industry through the Department. The expenses of this research are carried by the firms for whom the research is done. About 1,200 industrial problems have been brought to the Department for investigation, and, during the last full year of operation, 301 projects were worked on by the Department. Aside from administration, 249 persons participated in the technical aspects of the research. Department activities, of whom 47 were members of the teaching staff, 10 were full-time research workers, and 192 were assistants.

Besides its research activities, the Department sponsors various conferences of the technical workers in industry. Dr. White, the Department's director, was educated at Brown and Harvard Universities, receiving his Doctor of Science degree at the latter in 1926. During the World War he served in various technical capacities for the United States Army as head of the Metallurgical Branch of the Inspection Division

and later as head of the Metallurgical Branch of the Technical Staff. At present he is a Lieutenant Colonel in the Ordnance Department of the Reserve Corps. Author of over 40 technical papers dealing with metallurgy and the administration of research, Dr. White has served as President of the American Society for Metals and the American Society for Testing Materials. He has been a member of the Materials Research Committee of The American Society of Mechanical Engineers, the National Research Council, and the Engineering Foundation.

DR. ALBERT E. WHITE

City Manager Attends Meet

Clarence H. Elliott returned Saturday from Lansing where he attended the convention of Michigan city managers. The program included a talk on social diseases by Health Commissioner Gudakundst. The commissioner discussed ways that city managers could help the state health department in fighting contagious diseases and took them on a tour of the state health laboratory.

Legislation, new laws and the scavenger tax sale were some of the matters discussed. On Friday Dr. Clarence Ridley, secretary of International Organization of City Managers outlined the proposed plans for the convention of this group to be held in Detroit from October 8-12 next fall. At the last meeting of the city managers on Friday, they visited the state budget director's office and observed the state system for controlling the budget.

The muskellunge is the largest game fish found in Michigan.

The first excavations at Pompeii in the eighteenth century were undertaken mainly to dredge up art objects which could be sold.

Over 90 tons of butter were seized recently in Chicago by federal Food and Drug officials, who found samples adulterated with mineral oil or short in butterfat.

D. A. R. Awards Contest Winners

In order to arouse considerable interest in the history of the flag of the United States and bring about more careful attention to its correct use and care, the State Daughters of the American Revolution have been conducting a flag essay contest. The state board has authorized a prize for the most outstanding paper received and the state chairman of the flag committee will give an award as second prize.

The Sarah Ann Cochrane chapter D.A.R. of Plymouth has referred a cash award to each of the three schools taking part in this contest. The local judges were Mrs. Ada Murray, Mrs. Harold Stevens and Mrs. Willard Geer and as a result of their judging the best essay submitted in the Northville high school was that of Mary Foster of the eleventh grade and in the Plymouth high school Joyce Tamitzer of the eighth grade. The Miller-Geer rural school of Superior also took part in this contest and the four eighth grade pupils worked together and compiled a very attractive booklet illustrated in color and pen and ink. This book contained an interesting preface by the four pupils and essays written by Betty Grammel, Beverly Eschel and Billy Mudge also pen and ink sketches by Ted Sherman.

This booklet, together with the two essays from Northville and Plymouth have been sent to the state committee to be judged.

The writings of these essays bring out family discussions during the search for material and thereby reach many more than the students participating.

Police Warn Dog Owners

The police department today warned all dog-owners that unvaccinated dogs which are allowed to run at large will be picked up and impounded. When a dog is taken to the pound, he is kept for 48 hours and if not claimed at the end of that time, is shot. Police, who are forced to shoot several dogs a month, refuse to be sentimental about pets because they feel that if the dog's owner does not claim him within two days, he never will. If a resident does wish to retrieve his pet from the pound it costs him one dollar. Owners were further reminded that even if their dogs are vaccinated and licensed they can be picked up if they become public nuisances. Police Chief Vaughan Smith suggests that all dogs in town be confined during the spring months as a precaution against the spread of rabies.

Mrs. Victoria Clafin Woodhull was nominated for president of the U. S., in 1872 by the Equal Rights party.

The beaver in primitive times occupied suitable habitats throughout almost the entire extent of North America, excepting the region north of the tree limit and the arid western deserts.

Brook trout bury their eggs in beds of clean gravel in autumn, generally in spring-fed head-water streams.

Phyllis Rotnour, an April bride-to-be, was the guest of honor at a most delightful, miscellaneous shower and games Saturday afternoon when Mrs. Henry Tanager entertained about 30 in her home on Maple avenue. Following the playing of 500 and Chinese checkers a dainty lunch was served. Later Miss Phyllis was the recipient of various gifts from those present. On Thursday evening of last week she shared honors with Mrs. Gertrude Bailey Mangon, a bride of two weeks, when the women employees of the Plymouth office of the Bell Telephone company entertained at a miscellaneous shower in the office lounge. Previously Eleanor Rosstock of Detroit and Evelyn Dennis of Grosse Pointe entertained at two showers for Miss Rotnour.

This (Friday) evening Hazel Rathburn will honor Dora Gallimore with a miscellaneous shower in her home on Penniman avenue. Suitable decorations for the luncheon will be carried out in green and white. The invited guests are Mrs. James Gallimore, Mrs. Henry Handorp, Mrs. Edward Dobbs, Mrs. Charles Rathburn, Mrs. Harold Turner, of Detroit; Mrs. Gale Kenyon, of Lansing; Marion Tefft, of Ypsilanti; Luella Meyers, Mrs. J. Rusling Cutler, Clarice Hamilton, Mrs. Howard Dicks, Mrs. Charles Root Jr., Clara Tyler, Aleta Hearn, June Jewell, Vaun Campbell, Mrs. Ralph Taylor, Mrs. William Foreman, of Northville; Mrs. Lynn Fraser, of Peapack; and Mrs. Sam Strater, of Flint.

A complete surprise was perpetrated upon Mr. and Mrs. Knut Anderson, Saturday evening, when 14 of their friends walked in on them and gave them a housewarming in their new home on Pacific avenue. The guests came in time for dinner and brought it with them. Following this hearty meal cards were played after which a lovely gift was presented to the surprised hosts. Those enjoying Mr. and Mrs. Anderson's hospitality were Mr. and Mrs. Halvar Blomberg, Mr. and Mrs. Ragnar Blomberg, Mr. and Mrs. Gus Lundquist, Mr. and Mrs. John Carlson, Mr. and Mrs. George Peterson, Mr. and Mrs. Fred Ballen, of Plymouth; and Mr. and Mrs. Eric Anderson of Farmington.

When Mrs. Robert H. Reck was hostess to the Tuesday afternoon contract bridge club at a dessert luncheon the guests were entertained in her recreation room, where the table was beautifully set in St. Patrick's green, table cloth, napkins, nut cups and cake being carried out in that color. Each guest found an Irish name in her nut cup which she used during the afternoon, creating a jolly atmosphere.

Notice to Property Owners Curb & Gutter Pavement

Notice is hereby given that a public hearing will be held in the City Commission Chamber at the City Hall on March 20, 1939, Monday evening, at 7:30 p. m.

The said hearing will be held to determine whether or not to construct a curb and gutter on Spring street, between Starkweather and Holbrook avenue and on Holbrook avenue, in front of the Starkweather School and Centennial Park. Also, the construction of a pavement on Spring street from Starkweather avenue east to the end of the street.

Any property owner abutting the said improvement may appear at this meeting where ample opportunity will be given to participate in such hearing.

C. H. Elliott, City Clerk

Tawas Winter Sports Park

Tobogganers finish the half mile natural toboggan run at Tawas Winter Sports park, popular with winter sports enthusiasts.

A dozen friends of Mrs. J. L. Hunt, mother of Mrs. I. N. Innis, were entertained at a delightful luncheon bridge party, Saturday, in the latter's home in honor of the 84th birthday anniversary of Mrs. Hunt. Luncheon decorations were in green and white. The guests were Mrs. Robert H. Reck, Mrs. M. G. Partridge, Mrs. C. G. Draper, Mrs. Floyd Wilson, Mrs. E. M. Moles, Mrs. Albert Stever, Mrs. James Stevens, Mrs. William Jennings, Mrs. James Bentley, Mrs. B. E. Giles, Mrs. Ernest Vealey and Mrs. LeRoy Jewell. Mrs. Hunt was the recipient of several lovely gifts in remembrance of the day.

Mrs. William Martin entertained several young folks, Friday evening, in her home on Ann Arbor Trail, to help her son, Edson, celebrate his 16th birthday. Games and dancing furnished the evening's entertainment after which refreshments were served. Those present were Jane Lehman, Leslie Jean Ebert, Beatrice Schuski, Ruth Kiefer, Patricia Evans, Lila Seile, Grace Squires, Jack Baker, Douglas Lorenz, Albert Donovan, Bayliss Erdelyi, Robert Sessions, Robert Marshall; Don Naylor, of Ann Arbor; Jerry Wesley and Joe Zichichi of Detroit.

Russell M. Daane, vice president of the Plymouth United Savings bank, recently returned from New York City where for three days last week he attended the regional conference of the American Bankers' association. The conference was held in conjunction with a meeting of the savings division Mr. Daane, who is a two-year member of the committee, spoke to the group on "Uniform Real Estate Mortgage Procedure." Mrs. Daane accompanied him on the trip to New York.

Mr. and Mrs. J. Rusling Cutler were hosts at a supper party and shower, Sunday, in their new home on Evergreen avenue, honoring Dora Gallimore and Gerald Handorp, who are to marry in April. The invited guests were Mr. and Mrs. Gale Kenyon, of Lansing; Mr. and Mrs. Kenneth Rathburn and Mr. and Mrs. William Foreman, of Northville; Mr. and Mrs. Charles Root Jr.; Mr. and Mrs. Ralph Taylor, Hazel Rathburn and Clarice Hamilton, of Plymouth.

The monthly business and fellowship meeting of the women's Bible class of Calvary church was held at the home of Mrs. Walter Postiff, Thursday evening, March 9, with 13 members and four guests present. Following supper and business meeting which included a season of prayer and discussion of plans for cleaning the church building, a shower was given for one of the ladies of the church and a song service closed the evening.

Mr. and Mrs. Marvin E. Terry arrived in Plymouth the latter part of last week from their wedding trip. They are residing with the former's parents, Mr. and Mrs. Frank Terry, until their new home is built on Evergreen avenue, where the bridegroom purchased a lot some time ago. The young couple have the very best wishes of a host of friends for a long, happy wedded life together.

Mrs. Albertina Olsen, of Denmark, who arrived Sunday to visit her daughter, Mrs. Soren Pedersen, and family, is leaving Saturday, accompanied by her grandson, Niels Olsen Pedersen, for a visit with relatives in Iowa and California.

Circle 4 of the Women's auxiliary of the Presbyterian church met Monday evening and planned to have a series of benefit parties. Among the hostesses will be Mrs. Carl Caplin, Mrs. Harold O. Burley, Mrs. William Arscott and Mrs. David Mather.

Mr. and Mrs. Frederick Schimmel, daughters, Margaret and Lillian, and son, Reinhart, and Rose Watson of Detroit, joined Mr. and Mrs. Roy Hood and Mr. and Mrs. William Hood, Sunday, in celebration of the latter's wedding anniversary in their home on Penniman avenue.

Mr. and Mrs. John Henderson will be hosts to the following guests at 500, Tuesday evening, in their home on Virginia avenue, Mr. and Mrs. Oral Rathburn, Mr. and Mrs. George Evans, Mr. and Mrs. Howard Shipley, Mr. and Mrs. George Gottschalk and Mr. and Mrs. Norman Peterson.

Mr. and Mrs. E. J. Allison entertained at bridge, Monday evening, Dr. and Mrs. John McIntyre, Mr. and Mrs. William C. Atwell, Mr. and Mrs. Raymond Bachelder, Mr. and Mrs. Robert Joffile and Mr. and Mrs. L. D. Worden.

Mr. and Mrs. Arthur Blunk entertained at dinner Tuesday, Mr. and Mrs. Henry Handorp, Mr. and Mrs. C. H. Elliott, Mr. and Mrs. George Robinson, Mr. and Mrs. L. E. Wilson and Mr. and Mrs. Austin Whipple.

Mr. and Mrs. Don Patterson and son, Donald, returned Monday, from their sojourn in Fort Lauderdale, Florida. They were entertained at dinner Tuesday in the home of her sister and brother-in-law, Mr. and Mrs. Ragnar Blomberg.

Mr. and Mrs. Ralph West, Mr. and Mrs. E. M. Moles, Mr. and Mrs. Roy C. Streng, Mr. and Mrs. Jack Taylor and Mr. and Mrs. Jayson Lyke will motor to Holly Sunday, where they will join their uncle, Milton Briggs, in the celebration of his birthday.

Mr. and Mrs. Benjamin Gilbert and daughter, Helen, have returned from their sojourn in Florida. On Wednesday, Mr. and Mrs. William T. Pettinelli returned from Miami, where they have been enjoying the sunshine the past five weeks.

Mr. and Mrs. E. M. Moles will be hosts at dinner, Saturday, having Dr. and Mrs. Carl January, Mr. and Mrs. Glenn Jewell, Mr. and Mrs. Harold Stevens, Mr. and Mrs. Harvey Springer and Mr. and Mrs. Ralph West as guests.

Mr. and Mrs. L. D. Worden were hosts to their contract bridge group Saturday evening in their home on Main street. Their guests were Mr. and Mrs. William C. Otwell, Mr. and Mrs. D. A. Blair and Mr. and Mrs. Raymond Bachelder.

Several friends surprised Harry Davis, Saturday evening, in celebration of his birthday anniversary. Bridge was played and luncheon served by Mrs. Davis. The guest of honor received several lovely and useful gifts in honor of the occasion.

On March 22 Mrs. John Henderson will be hostess to her bridge club, entertaining Mrs. Carl Schlenderer, Mrs. George Farwell, Mrs. Leonard Curtis,

Il Duce Celebrates

With a new message for the world, Italy's Premier Mussolini will have a big day Thursday, March 23. The new chamber of fasses and corporations will be inaugurated, succeeding the Italian chamber of deputies. The date also marks the twentieth anniversary of the founding of the first "Fascio di Combattimento," Mussolini's storm troopers.

Mrs. J. J. Stremich, Mrs. Howard Woods, Hildur Carlson, Cordula and Hanna Strasen.

The auxiliary of the Ex-Service Men's club will have a cooperative dinner at 12:30, Wednesday, March 22, with Mrs. O. P. Martin on the Ann Arbor road. Anyone wishing transportation may call Mrs. John Jacobs, phone 339W.

Mrs. Thomas W. Moss and Mrs. George A. Smith were joint hostesses, Friday, at a 1:00 o'clock luncheon for the members of the Slitch and Chatter group, in the former's home on West Ann Arbor Trail.

On Thursday, March 23, at 2:00 p.m. a meeting of the political science group will be held in the home of Mrs. Milton Laible on North Harvey street. The guest speaker will be Mrs. Grace Thayer Krowlik of Detroit.

On Thursday, Mrs. Gus Lundquist and Mrs. John Henderson, members of the Signet club, entertained Mrs. Leola McCormick at a luncheon at the Masonic Temple in Highland Park.

Mr. and Mrs. Arthur Haat entertained at dinner, Sunday, Jane Freese and the former's cousin, Louis Smith, of Detroit. In the afternoon the young people visited Margaret Buzzard, a sorority sister of Miss Freese.

Mrs. Florence Webber and Mrs. Carl January will entertain at dessert luncheon and bridge several guests both Thursday and Friday afternoons, March 23 and 24.

SPRINGTIME

Motor problems are readily adjusted here..

Motorists who make an effort to keep their cars in perfect running order are as particular about the spring check-up on the car as they are of the one in the fall... Any car should be serviced regularly to get the best out of it... Let us change the oil and change the grease in your car today...

Plymouth's Most Modern LUBRITORIUM is at your service

When you get ready for that new set of tires, let us give you a trade-in on the old ones.

To St. Patrick

Local Irishmen join with fellow sons of the Emerald Isle to celebrate the day honoring St. Patrick, who by legend drove the snakes out of Ireland. This statue of the patron saint has just been erected on a hill at Silve Patrick, near Sault in County Down, where the saint landed on his mission in 432 A. D.

Mrs. Jack Albrecht and Mrs. Catherine Reber, of Detroit, spent Friday with the former's brother and wife, Mr. and Mrs. William Albrecht.

Mr. and Mrs. Otto Wagenschutz and Mr. and Mrs. George Ruttan of Williamston were recent visitors in the home of Mrs. Ella Partridge.

Mrs. A. Ray Glider and Mrs. Ralph G. Lorenz attended the formal initiation and luncheon of the Pheta Lambda Sigma sorority Friday held in Ypsilanti.

The annual P.E.O. luncheon was held Monday with Mrs. Collette Hamilton on Hamilton avenue.

Mrs. Ella Wyers, of Decker-ville, who has been spending the winter with her daughter, Mrs. James Honey, is very ill in the Honey home.

Rev. and Mrs. Edgar Hoenecke and family were entertained at dinner Sunday in the home of Mr. and Mrs. William Gayde on Holbrook avenue.

Mrs. Robert Mimmack arrived home Tuesday from a two months' vacation in Miami, Florida, where she visited her cousin, Ethel Sutherland.

Several ladies of the Presbyterian church attended a luncheon, Thursday, given by the ladies of the Presbyterian church in Rosedale Gardens.

Mrs. Goodwin Crumble entertained the members of the Junior contract group, Thursday evening, in her home on Arthur street.

Mrs. Winfield Scott returned Tuesday from a two and a half months' stay with her son, G. V. Scott and family at Worcester, Massachusetts.

COLDS MAKE YOU ACHE?

THIS REFRIGERATOR PAYS FOR ITSELF WITH SAVINGS!

Here's why: ITS FREEZING SYSTEM HAS No Moving Parts—

The SERVEL ELECTROLUX Refrigerator

FREEZING with no moving parts saves you money in the first place because there's no wear, and secondly because you get the same low operating cost year after year.

Then, too, you'll find Servel saves you more on food... thru better protection, leftovers saved, permitting you to buy at quantity prices without risk of waste.

These savings total up to an amount which usually more than pays your monthly installment. Come in—see Servel Electrolux, the gas refrigerator, today!

- NO MOVING PARTS in its freezing system
- PERMANENT SILENCE
- CONTINUED LOW OPERATING COST
- MORE YEARS OF DEPENDABLE SERVICE
- CONTINUED SAVINGS THAT PAY FOR IT

Do You Need Money?

Borrowing money on a businesslike basis is a businesslike way of meeting obligations, effecting a readjustment in your budget, or making important business or home improvements. To properly manage your affairs it may sometimes be as important to borrow wisely as it is at other times to save money or to live within your income.

Our new Personal Loan Service offers you an opportunity to borrow from \$50 to \$1,000 on a businesslike basis and favorable terms.

Our service is designed to be satisfactory to you and is as complete as we can make it. It includes the newest development in the field of personal loans—automatic life insurance covering the unpaid balance of your loan.

Don't hesitate to come in and talk it over with us. You need not be a depositor in this bank to obtain a loan here.

Scouts Work on Spring Plans

These are busy days for Scouts as officials who have planned a number of activities for local troops. Two of the Plymouth troops plan over-night hikes to the Wayne County Training school cabin in the near future. P-4 has reserved the cabin for March 25-28 and P-2 for April 15-18. On

March 31, Ernest Henry, cubmaster of Pack 620, has a parents' night scheduled.

The district competitive rally originally scheduled for April 6 has been postponed to April 13, but will still be held at the Wayne County Training school gym. The next monthly leaders' meeting has been advanced to Wednesday, April 19 and the place of meeting will be announced later.

A new Scout troop, the 12th in the Plymouth district, will be installed early in April. This troop, sponsored by the Plymouth Gardens Improvement association, will meet at the Stark school prior to installation. It will be known as S-1 and will have Clifford Swarbrick for scoutmaster. Mr. Swarbrick is training himself for the position by attending a class in the elements of Scout leadership at the "University of Scouting," held weekly at Detroit Central high school. District Commissioner Sidney Strong is also enrolled at the school; he is taking a course on the principles of Scout leadership.

If the larva of a house-fly all lived, one fly would have about 7,000,000 descendants in 40 days.

No Photo Finish in This Race!

University of Detroit's annual "Turtle Trudge" race is scheduled Friday, March 31 when turtles from schools throughout the United States competed for a somewhat dubious honor. Photograph shows last year's Turtle Trudge, with the turtles "racing" from center to edge of the circular track.

Big Demand for Pheasant Eggs

Applications for pheasant eggs received this month by the game division of the department of conservation more than equalled the total expected output for the entire coming season, according to H. D. Ruhl, division head.

In order to take care of all persons sending in applications, the division has placed a limit of 500 eggs on each application. No more than 500 will be issued to any person or group. Ruhl pointed out that only through this scheme of distribution can all applicants be sure of getting some eggs.

Emphasizing the planting of pheasants as being of minor importance as far as the pheasant population of an area is concerned, Ruhl said that the allotment limit will result in no significant reduction in the pheasant supply of any area.

Conditions of food and cover distribution are the fundamental factors which influence game population, Ruhl said. Artificial stocking has never proved of much importance after the initial establishment of a species in an area.

So large has Brazil's coffee production been in recent years that much of it has been burned. Food, fuel, oil, soap, glycerine and fodder for cattle are already being produced from coffee, as a result of efforts now being made to find industrial uses for the excess crop.

Dentist Gives Hygiene Plan

Dr. Kenneth Easlick, specialist in the care of children's teeth at the University of Michigan clinic, stressed a six-point dental hygiene program at the Stark-weather Parent-Teachers' association meeting last week.

The first point on his program is good dental practice for a child. Under this heading he included early visits to the dentist, periodic visits thereafter, the practice of having all cavities filled when small, of having all infected teeth removed and adequate care of the first set of teeth.

That children should eat a normal diet to supply materials for good teeth and bones was the second rule he urged. The right kind of diet will keep sugars low, for these cause tooth decay quickly. Thirdly, the child should have proper instruction in brushing teeth. The fourth most important item in the care of a child's teeth is the prevention of bad mouth habits. A child who bites his lips or sucks his thumb is apt to have malformation of the teeth as a result.

Dr. Easlick reminded mothers that dentifrices should be used only on a doctor's advice. For the safest mouth wash and tooth-powder a 3-1 mixture of salt and soda is the most effective. He spoke of the inability of popular mouth washes to kill germs.

In conclusion, Dr. Easlick stressed the fact that mothers can and should do much in building up a friendly attitude in the child toward the dentist.

Farmers Attend Annual Party

More than 500 farmers and their families were guests, on Thursday evening, at the annual party of A. R. West Inc. in the Oddfellows hall.

Nine amateur acts were presented and Jimmy Shetterlee carried off first prize with his tap-dancing. Drawings were held for a large number of prizes, donated by the companies that West Inc. represents in Plymouth and five reels of motion pictures were shown by the International Harvester company. The rest of the evening was spent in square and round dancing. The first block of Maple avenue was roped off to permit the display of farm machinery and trucks. It was one of the largest and most interested crowds that had ever come to Plymouth to see a display of farm implements.

4-H Show at Training School

Members of the 4-H club in this district will hold their Achievement Day on Friday, March 17 at the Wayne County Training school gymnasium under the leadership of Miss Margaret Eckhardt, county club agent.

Since this will be St. Patrick's day and the emblem of the club is a clover, a huge green clover leaf will guide visitors to the exhibit.

Winter 4-H club work is started in the month of September and is completed in March. Around 1100 boys and girls of Wayne county with the assistance of 200 local leaders are completing their winter projects. These projects are habitable clothing and hot lunch club work and some of them will be on display in Wyandotte high school on Thursday and in Dearborn high school on Saturday. The local clubs will exhibit at the Training school as part of their Achievement Day program.

The program, as planned, will begin in the gym at 7:30 p.m. with music under the direction of Leslie Lee, of Northville. A dress review will be displayed by the Patchin 4-H club before Dr. Easlick's welcome to the visitors. Several remarks about the club work by Miss Margaret Coe, county agent, will be made before the appearance of the main speaker of the evening, Fred C. Fisher, Wayne county school commissioner, who will speak on "Rural School Co-operation." The report on the boys' club work will be given by Nevils Pierson and on the girls' club work by Miss Alice Bates. Both of these leaders are assistant state club leaders.

Summer project work will be organized the first of April and will consist of gardening, crops, canning, food study, poultry, conservation and livestock. The achievement program for summer work is held at the Northville-Wayne county fair in August.

The public is invited to attend.

Has Notices of Civil Service Openings

Mrs. Beatrice M. Schultz, secretary of the federal civil service commission, has been notified that examinations are soon to be held for a number of positions in federal services. There are vacancies in the public health service department, and in various other departments. Inquiry made to Mrs. Schultz at the post-office will provide such additional information as may be desired.

They Served Two Terms Each as President

James Madison was born March 16, 1751, in Virginia. He contributed to the framing and adoption of the constitution and maintained our dignity on the seas. He died June 28, 1836.

Andrew Jackson was born March 15, 1767, in North Carolina. He won the battle of New Orleans from the British in 1815, our only land victory in the war of 1812; invaded and seized Florida from Spain in 1818; was first elected president in 1828. As president he introduced, unfortunately, the spoils system into American politics. He was called "Old Hickory." Jackson died June 8, 1845, and was buried at the "Hermitage" near Nashville, Tenn.

Grover Cleveland was born March 18, 1837, in New Jersey. He was the only president who held two terms with an intervening president. He stood like a rock for civil service, against free silver, and sternly warned Great Britain against encroachment in Venezuela. He died June 24, 1908.

Finest opportunities for observing Michigan ducks are encountered during the spring migrations, from March 1 to April 15, when the ducks are in full plumage and are less timid than during the fall hunting season.

New Treatment For Old Malady

(By O. F. Beyer, of Beyer Drugs)

Erysipelas has afflicted human beings for a very long time. Medical science has discovered new treatments for this old and painful and disfiguring malady.

Isolation is important. Erysipelas is a contagion of the first rank. The smallest abrasion or cut will admit the germ with the long scientific name.

Serum, a "cold ray" light, hygienic cleanliness, all figure in the treatment and cure. Consult your physician for expert advice— isolate the afflicted member of the family—use the utmost care to prevent a spread of the disease.

Take all prescriptions to a qualified druggist. This is a disease which demands the utmost skill and knowledge to combat.

This is the 23rd of a series of Editorial Advertisements appearing in this paper each week. Copyright

In attack, the weasel usually attempts to clamp its jaws at the base of its victim's head, leap on its back and kick and claw it with hind feet, or to aim for the jugular vein in a frontal assault.

WASTEFUL DUPLICATION OR UNITED EFFORT

SUPPOSE the Michigan Bell Telephone Company maintained its own separate research laboratory in which to develop improvements in telephone service. And suppose each of the other 23 telephone companies of the Bell System did the same.

All these laboratories probably would be trying to solve the same problems; this would be wasteful duplication of effort and expense which would increase the cost of your telephone service.

In the Bell System, Bell Telephone Laboratories does the research work for all. Each company pays only a fraction of the cost, but gets full benefit of a research program that no one company could afford to maintain.

This economy is one of the advantages of our membership in the Bell System. It is an important reason why all America, including you in Michigan, enjoys the best, most reasonably priced telephone service in the world.

MICHIGAN BELL TELEPHONE COMPANY

You are cordially invited to visit the Bell System exhibit at the Golden Gate International Exposition, San Francisco, California.

Nothing means more than— "BUILT BY CADILLAC"

LA SALLE

\$1240 AND UP, delivered at Detroit, subject to change without notice. Transportation, state and local taxes (if any), optional equipment, accessories—extra.

Joy Farms News

Mr. and Mrs. Harold J. Ions of Ferndale spent last week-end at the home of Mr. and Mrs. Walter Keil.

The Friendly Socialites met at Mrs. Jessie Roberts' home Thursday, March 9, with ten members present and Mrs. W. Keil as guest.

Mrs. Beard, who has been very ill at the home of her daughter, Marie LaCone, is able to be up around the house. She received a basket of fruit from the Friendly club.

Mrs. Esther Cook and son, Edwin, stayed over the week-end with her sister, Mrs. William Burdick.

Mrs. Ellis Avey entertained last Friday in honor of her son, Bruce's birthday. After playing games for a while, cake and jello were served to 12 little guests. Mrs. Stella Shaw of Detroit spent Sunday at the home of

Mr. and Mrs. Wilcox on Gray avenue.

The annual family dinner celebrating the birthday of three generations of Kregers, father, Alfred W. son, Anthony, and grandson, Martin, was held this year at Anthony Kregers' on March 12. Guests were there from Royal Oak and Plymouth.

Mr. and Mrs. Duncan Burk had as their guests Sunday, Mr. and Mrs. Arthur Glass, of Plymouth.

Mr. and Mrs. Russell Cox of Detroit visited the Roberts family over the week-end.

I. Avey, Mrs. Will Burdick and daughter Barbara, were in Detroit last Saturday.

M. L. Horton of Newburg visited at the Kregers residence last Thursday.

Wilma Burdick is still on the sick list.

Of 42 ducks shot over grain baited waters in 1938 in Michigan, only one had grain hulls in its gizzard to show that it had been feeding in the baited area.

Stark School News

The Stark school boys were given the privilege of playing a basketball game with a junior high school team on their good floor recently. The boys appreciated the opportunity very much. They have been playing on their own outdoor court whenever possible. They have played on the Fischer school floor many times this winter, and have done well.

The last game that they played there ended in a tie score of ten all after an overtime period. The boys showed the benefit of this indoor practice when they played the game at Plymouth. The game at Plymouth ended in favor of Plymouth with a score of 29-24. The Plymouth boys are reported to have told the Stark boys that what the closest they had come to being beaten this winter.

The winners in the Detroit News spelling contest were as follows: Fifth grade: Raymond Schmaedeke, sixth grade: Marjorie Stokes; seventh grade: Stella Phillips; eighth grade: Shirley Hoffman. These pupils are to be congratulated. The boys and girls who lost are also to be congratulated for their exceedingly good sportsmanship in their defeat.

Ray Clave spent the week-end with Mrs. Claves at St. Clair Shores.

Miss Mildred Morse of Metamora was a week-end guest of Miss Bessie Wieden.

Goodwin Crumie was home from Traverse City for the week-end.

Mr. and Mrs. Carl Theur spent Saturday evening with Mr. and Mrs. Emory Holmes, in Detroit.

Mrs. John Bioxson, who was ill with flu last week, is able to be about again.

Mrs. George Cramer spent Tuesday with friends in Huntington Woods.

Work has been on the new home which Harvey Springer is having built on Auburn avenue.

Mrs. James Bentley is the guest of Dr. May James in Detroit, this Thursday and Friday.

Mrs. Lee McConnell will entertain her luncheon 500 group, Thursday, March 23.

Mrs. C. H. Buzzard will spend Friday with her cousin, Claire Allen, in Jackson.

The Happy Helpers of the Lutheran church met Wednesday with Mrs. Floyd Burgett on Mill street.

Harold Sage and sons, Jimmy and Dick, of Chicago, visited Plymouth relatives Saturday and Sunday.

Mrs. Lula B. Smith of Dearborn is spending the week with Mrs. Beatrice M. Schultz and her mother.

Mildred Loper, of Pontiac, was the guest of Mr. and Mrs. Henry Fisher, from Friday until Sunday.

Mr. and Mrs. Milan Franks announce the arrival of a son, Kenneth John, on Monday, March 13, weight twelve and a half pounds.

Mr. and Mrs. J. C. Weed were in Oxford, Wednesday, to attend the funeral of Mr. Crawford, father of Dr. E. A. Crawford of that city.

Eventful Year

Sunday evening. Those with wells supplied their neighbors with drinking water.

Audrey Morris helped to celebrate the 13th birthday of Arlene Van Tassel March 12.

Mrs. John Livernois and friends enjoyed the Shrine circus Thursday, March 3.

Sunday found Mr. Newstead and Mr. Beck, both of Orangelawn shooting a rifle in the air—at what? Could it be that they wanted more rain?

Mark Joy is improving nicely and is expected home some time next week.

Mr. and Mrs. Edgar Stevens and daughter, Elizabeth, visited their son, Russell Stevens, and family, in Highland Sunday.

Roger Lee Stevens accompanied them home for a two days' visit.

Mr. and Mrs. William Schoultz of Detroit called on their parents, Mr. and Mrs. George Schoultz, Sunday afternoon.

Rev. and Mrs. Clifton G. Hoffman were dinner guests, Saturday, of Mr. and Mrs. Don Ryder.

The Fidelis class plans to have a hard time party and box social Friday, March 31 in the L.A.S. hall.

Melvin Blunk was home from Decatur over the week-end.

Catherine Moss has been ill with flu this week.

Ray Clave spent the week-end with Mrs. Claves at St. Clair Shores.

Miss Mildred Morse of Metamora was a week-end guest of Miss Bessie Wieden.

Goodwin Crumie was home from Traverse City for the week-end.

Mr. and Mrs. Carl Theur spent Saturday evening with Mr. and Mrs. Emory Holmes, in Detroit.

Mrs. John Bioxson, who was ill with flu last week, is able to be about again.

Mrs. George Cramer spent Tuesday with friends in Huntington Woods.

Work has been on the new home which Harvey Springer is having built on Auburn avenue.

Mrs. James Bentley is the guest of Dr. May James in Detroit, this Thursday and Friday.

Mrs. Lee McConnell will entertain her luncheon 500 group, Thursday, March 23.

Mrs. C. H. Buzzard will spend Friday with her cousin, Claire Allen, in Jackson.

The Happy Helpers of the Lutheran church met Wednesday with Mrs. Floyd Burgett on Mill street.

Harold Sage and sons, Jimmy and Dick, of Chicago, visited Plymouth relatives Saturday and Sunday.

Mrs. Lula B. Smith of Dearborn is spending the week with Mrs. Beatrice M. Schultz and her mother.

Mr. and Mrs. Milan Franks announce the arrival of a son, Kenneth John, on Monday, March 13, weight twelve and a half pounds.

Mr. and Mrs. J. C. Weed were in Oxford, Wednesday, to attend the funeral of Mr. Crawford, father of Dr. E. A. Crawford of that city.

Two Local Women Open Rental Library

The Book Shelf, Plymouth's new rental library, opened Wednesday at 289 South Main street with a supply of 250 of the latest books. Mrs. Edward L. Ham, who has discontinued the services of the Book Cellar in Rosedale Gardens, is managing the new enterprise in partnership with Mrs. Ward Jones of Penningman avenue. Both the latest fiction and non-fiction works are available and new books will be added each month. Mrs. Ham also announced that the services of the Run-a-Bout Book Shelf will be continued.

TOWNSENDITES WILL HEAR LECTURE ON LEGISLATION

Local Townsend club members will meet Monday evening at 8:00 o'clock in the Grange hall to discuss the resolution which the legislature recently passed concerning the Townsend plan. All members are urged to attend every meeting and lend all possible assistance in organizing new clubs in other localities. Members are reminded that much hard work will be required of them when the club's bill comes before congress for consideration. Thorough discussions on this bill will be a part of future meetings for the benefit of all persons wishing to learn more about it. Many other Townsend clubs in the state are holding this type of informative meeting successfully and it is hoped that local response will be good. The bill will be voted out on the floor of congress in the near future by the ways and means committee before which body hearings have been held on the bill.

Records of Life Today are Being Stored in a Vault at Oglethorpe University, not to be opened until 8113.

Motion picture films, newspapers, records of music and objects like gum and canned peaches will be preserved as a record for scientists 6,000 years hence.

Mr. and Mrs. Charles Rathburn will entertain the Friday evening bridge club, March 24, in their home on East Ann Arbor trail.

The Order of Eastern Star will hold a special meeting to exemplify the degree of the order on Tuesday evening, March 21 at 8:00 p.m. There will be a covered dish dinner at 6:30.

Mr. and Mrs. Wileiden received word of the death of her uncle, Dr. Charles Rorabacher on February 19 at his home in Los Angeles, California. His sister was Mrs. Wileiden's mother, who preceded him in death six months ago.

Mr. and Mrs. Franklin Knapp, Jr., of New Hudson, announce the arrival of a son, Gerald Franklin, at Plymouth hospital, Monday, March 13, weight, seven and a half pounds. Mrs. Knapp will be remembered as Geraldine Vealey.

On Wednesday evening, March 8 Miss Kathleen Wasmund honored Miss Helen Wolfram with a kitchen shower. Guests were present from Plymouth, Dearborn, Rosedale Gardens and Belleville.

Mr. and Mrs. Carl Theur spent Saturday evening with Mr. and Mrs. Emory Holmes, in Detroit.

Mrs. John Bioxson, who was ill with flu last week, is able to be about again.

Mrs. George Cramer spent Tuesday with friends in Huntington Woods.

Mr. and Mrs. J. C. Weed were in Oxford, Wednesday, to attend the funeral of Mr. Crawford, father of Dr. E. A. Crawford of that city.

Plymouth Gardens News

The meeting of the Improvement association last Friday was well attended. The drainage of Laurel and Richland roads was thoroughly discussed. The council of the association are meeting with the township officers Thursday, March 16 to discuss this matter further. Mr. Britton, of the Elm school P. T. A., also a member of the Township Taxpayers' association, attended our meeting last Friday. He announced that on March 24, there would be a card party held at the Elm School on Middle Belt and the railroad, north of Plymouth road. There will be table prizes and refreshments. All are invited to attend.

At the next meeting of the Improvement association, the second Friday in April, Mr. Karl Jorganson, vocational agricultural teacher at Belleville, will give a very interesting talk on "Gardening." There might be some questions you want to ask him, so be sure to set aside this date and attend the next meeting.

On Saturday, March 18, the Improvement association will hold its first dance in the new Stark school building from 9:00 to 1:00 with Schaffer's Orchestra. The men are still very enthusiastic over their bowling at Wayne. This week teams are being picked and there will be lots of fun. Be sure to come out and join them. Meet at John Campbell's on Wayne road at 8:30 p. m. or at Wayne bowling alleys, every Friday evening.

A birthday dinner was given in honor of William Dethloff to celebrate his 70th birthday, March 6, by his wife. Guests included Mr. and Mrs. Walter Dethloff, Mr. and Mrs. Carl Dethloff, Mr. and Mrs. Harvey Dethloff and sons, Lloyd Trinka, Sidney Dethloff, Marie Robinson and friend. Mr. Dethloff enjoyed his party very much as well as his guests.

March 12 marked a day of great concern for many of our Plymouth Garden residents. Due to the heavy ice, electricity was cut off for several hours. Many were unable to cook or get water. Several went back to the olden days by using oil lamps, lanterns and candles to see with

Registration Notice

To the Qualified Electors of Livonia Township, Wayne County, Michigan

NOTICE IS HEREBY GIVEN THAT

Registration for voters who are not registered in this township under the permanent registration system will be taken every day except Sundays and Holidays, up to and including March 25, 1939, at the new Township Hall at 33110 Five Mile road, 2 blocks east of Farmington road, between the hours of 9:00 a. m. and 6:00 p. m.

On Tuesday, March 14, and Saturday, March 25, 1939, hours of registration will be from 8:00 a. m. to 8:00 p. m.

Also registrations will be taken at my office, 32398 Five Mile road, one half mile east of Farmington road, every day except Sundays and Holidays, between the hours of 9:00 a. m. and 5:00 p. m.

Last registration day is March 25, 1939, for voting at spring election to be held April 3, 1939.

Harry S. Wolfe,
 Livonia Township Clerk

Prime Minister Neville Chamberlain of Great Britain will end his sevenieth—and most eventful—year Saturday, March 18. Since his last birthday the premier has visited heads of all major European governments in pursuit of his "peace in our time" policy.

SEALED BIDS

FOR THE PURCHASE AND REMOVAL OR RAZING OF TWO HOUSES

Sealed proposals addressed to C. H. Elliott, City Clerk, of Plymouth, Michigan, will be received at the City Hall, Plymouth, Michigan, until 7:30 o'clock p.m., March 20, 1939, at which time and place they will be publicly opened and read.

After the bids are opened and read they will be taken under advisement and the award of the contract, if awarded will be made as soon thereafter as practicable.

The right is reserved to accept any bid, whether or not the highest, or to reject any or all bids as the interest of the City Commission may appear to require.

The items to be included in the proposals shall cover the following operations:

The purchase and removing or the purchase and razing of two houses. Said two houses are situated on Lot 264 of Assessor's Plat No. 10 in the City of Plymouth, being numbered 652 Dodge street and 666 Dodge street, respectively.

In either case of removing or razing, the entire structures or parts thereof including all debris shall be removed entirely from the lot line limits of said Lot 264 of Assessor's Plat No. 10.

Bids will be accepted on the purchase and removing or razing of each house individually or on both houses collectively.

Said "removing or razing" as used herein shall be construed as meaning the removal or razing of the entire structures or parts thereof down to the tops of the foundation walls.

Said debris shall be removed from said Lot 264 to the satisfaction of the City Manager.

The contractor shall assume responsibility for the removal of all public utilities. All underground utilities shall be disconnected and left in a manner suitable to the City Manager and to the owners of said utilities.

The contractor shall assume full responsibility for all claims for property damage or for other claims for public liability instituted as a result of operations in connection with said removing or razing of said structures.

Removing or razing operations may begin as soon as practicable after either or both houses are vacated.

The operations of removing or razing of either or both houses, including said debris removal shall be completed not later than May 31, 1939.

Proposals shall state as a "lump sum" the bid on each house individually, stating house number, or on both houses collectively.

A certified check to the amount of twenty-five per cent of the total bid shall accompany the sealed proposal. All checks from unsuccessful bidders will be returned within forty-eight hours.

C. H. ELLIOTT
 City Clerk.

Churches

FIRST PRESBYTERIAN church—Walter Nichol, pastor. 10:00 a.m., Sunday school; 11:00 a.m., church worship; 8:30 p.m., young people. The young people have arranged for a meeting of unusual interest for Saturday evening next. Professor Question is to be the guest of honor and will no doubt live up to his name. The annual canvass in support of the budget for the next church year is now in progress. The men who are at work upon this project will meet in the parlors of the church Monday at 7:30 p.m. when all returns are due to be in. C. J. Dykhouse will check in the returns. The Ready Service class will hold its March meeting at the home of Mrs. Merle Rorabacher, 747 South Main street on Tuesday, March 21. Dinner of the usual co-operative sort will be served at 1:00 p.m. A business and program meeting will follow the dinner. Mrs. Otto Reamer is assisting Mrs. Rorabacher in entertaining the class. C. J. Dykhouse's class will have a potluck supper meeting in the dining hall of the church on Tuesday, March 21 at 8:30 p.m. Dr. J. Harold Todd is president of the class and Miss Dora Callimore is secretary. Mr. Arman. All who attend are assured of a very pleasant evening. The next communion service will be held Sunday, April 2. There will be reception of members at this service. The annual meeting of the church will be held Wednesday, April 5. Reports of the year will be presented, officers elected for the next year and such other business transacted as may properly come before the meeting.

ST. JOHN'S EPISCOPAL church—Corner Harvey and Maple streets. Morning prayer and sermon, 10:00 a.m.; church school, 11:15 a.m.; Ladies' Guild will meet at the home of Mrs. Dorothy McMann, 1083 Holbrook, Thursday, March 23 at 2:00 p.m.

FIRST BAPTIST CHURCH—Rev. G. H. Ess, Th.D., pastor. Unfavorable weather has greatly hindered us in our church work in the last few weeks. That means we must bend all our energies to complete the program before Easter. We appeal to our whole membership to cooperate with us for a full attendance in church and Sunday school. Services as usual. Morning worship, 10:00 a.m.; Sunday school, 11:15 a.m.; B.Y.P.U., 8:30 p.m.; evening service, 7:00 p.m.; Wednesday prayer meeting at 7:30 p.m. Dr. Ess will speak on the morning on the theme, "Why the Cross," and in the evening his theme will be, "The Visions of Daniel." This is a prophetic interpretation of world history. The young people have invited Mrs. Phillips to speak on the Sunday night on her recent travels in England. On Tuesday night, March 21, the Loyal Daughters of the First Baptist church will meet in the church building at 7:30 p.m. There is much activity in our ladies' organizations. The next communion meeting should be of special interest.

CHURCH OF CHRIST—Now meeting in hall above Beyer's drug store. Bible study starting at 10:30 a.m. Classes for all ages. Services and communion every Sunday from 11:00 to 12:00, with preaching the first and third Sunday of each month by Brother Magee, Detroit minister, and the second and fourth Sunday by Robert Johnson of Detroit. Everyone is welcome.

FIRST CHURCH OF CHRIST Scientist. Sunday morning service, 10:30. Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service, 8:00. Matter will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, March 19. The Golden Text (Exodus 20:7) is: "Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh His name in vain." Among the Bible citations is this passage (Matthew 9:35): "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing sickness and every disease among the people." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 227): "If God had instituted material laws to govern man, disobedience to which would have made man ill, Jesus would not have disregarded those laws by healing in direct opposition to them and in defiance of all material conditions."

CALVARY BAPTIST CHURCH—Holbrook and Harding, Lynn B. Stout, pastor. Week by week this notice is handed in and always the party receiving it says, "Thank you." Some how I feel like saying, "Thank you, Plymouth Mail, for receiving and printing these notices week after week without alteration." Truly, Calvary church and pastor appreciate this kind of service. Our Sundays in a row, but the sun always shines at Calvary church. Come around and see for yourself next Sunday. Preaching at 10:00 a.m.; Bible school 11:15 a.m.; B. Y. P. U., 8:30 p.m.; preaching from a large class at 7:30 p.m., cottage prayer meeting at Mrs. Lande's home on Roe street, Friday night, 7:30. Bull's Eye: "Muse" means "to think." "Amuse" means "not to think." The business of every preacher, Sunday school teacher, or Christian, yes, the business of the entire church is to cause people to think, not to amuse people.

ST. PAUL'S EV. LUTHERAN church. Livonia. Pastor, Oscar J. Peters, pastor. Services in English on Sunday, March 19, at 9:00 a.m. Sunday school at 10:00 a.m. English Lenten services every Wednesday evening during March at 7:30.

FIRST METHODIST. Standard S. Clouson, pastor. 10 a.m., church service—family hour, junior church for children and nursery care for little tots. The object-sermon for children will be "Two Alarm Clocks—Church Going Winds up Christians." The regular sermon theme will be "Then Understand I." 11:30, Sunday school. 6:15, Epworth League—All young folks are asked to meet at the church to go to Northville to be the guests of the Northville Epworth League. 6:30 League meeting; 7:30 church service; 8:30 fellowship hour. Transportation will be provided. Monday, 7:30, Circle No. 1 of the Ladies Aid, Mrs. Miller Ross, leader, will meet with Miss Vaughn Campbell, 275 Adams street. Mrs. Nellie Bird will speak on the subject, "Traveling Through Alaska." Wednesday, 6:45: The last of a series of five Lenten potluck supper gatherings. A potluck supper will be followed by a devotional hour. Rev. W. Harry Young of Wayne will preach Thursday, 7:30: Boy Scouts Troop P-1; 8:00, choir rehearsal; Friday, March 17, Booster class potluck supper at the church. Business and a social time will follow. A preaching mission will be held the week of March 26 to April 2. Special services the two Sunday nights, outstanding laymen will bring the messages the five week nights. Details will be announced in next week's paper. A community three-hour Good Friday service will be held in Plymouth this year. Details later.

NEWBURG M. E. CHURCH. Clifton G. Hoffman, pastor. Sunday morning worship will be at 10:00 o'clock. The sermon topic is to be "The Ethical Teaching of Jesus and its Significance for Today." This marks the fourth in a series of Lenten sermons drawn from the life and teaching of Jesus. Sunday school will follow immediately after the worship service with classes for all ages under the supervision of J. M. McCullough, whom the school is happy to welcome back after an absence of a month. Every one is invited to attend the worship service and the Sunday school. You may feel sure that you are welcome and that you will enjoy the friendly spirit of our church. Come out and join in our Sunday school attendance contest as well. We are aiming at an attendance of 200 before Easter and expect to make it. The Epworth League will meet at 8:30 Sunday evening. Carolyn Mae Bowser is to be in charge of the "Prayer." The Boy Scouts of NB-1 will meet on Tuesday night at 7:00 o'clock in the church hall.

CATHOLIC CHURCH. Rev. V. Genua, pastor. Sunday—Mass at 8:00, 10:00, 12:00. Confessions Saturday nights at 7:30, and before each mass. Societies—The Holy Name Society for all men and young men. Communion the second Sunday of the month. The Ladies' Altar Society receives Holy Communion the third Sunday each month. All the ladies of the parish are to belong to this society. Children's Sunday—Every child of the parish should go to communion every fourth Sunday of the month. Instructions in religion conducted each Saturday morning at 10:00 by the Rev. Fr. Sierka. All children that have not completed their 8th grade, are obliged to attend these religious instructions.

SEVENTH DAY ADVENTIST church. Our Sabbath school services begin at 2:00 p.m. every Saturday afternoon. They are held in the Jewell & Blach building on the Ann Arbor Trail. The preaching service begins at 3:15 p.m. Prayer meetings are held every Tuesday evening at 7:30 in the Jewell and Blach building. Young People's Missionary volunteer meetings are held every Friday evening at the home of Mrs. Heller, corner Main and Brush streets.

CHURCH OF GOD. 821 Penniman. Co-pastors: Arno Thompson and Clifford Funk. Sunday services: Bible school, 9:45 a.m.; morning worship, 11:00 a.m.; young people's meeting, 6:15 p.m.; evangelistic meeting, 7:30 p.m. Week night services: Tuesday evening, 7:30 p.m., cottage prayer meeting; Thursday night, 7:30 p.m., mid-week prayer meeting. "I go to prepare a place for you—" We live in a world that forces us to denote a large part of our time, energy and means to "this worldly" activity. But deep in the heart of every Christian is lodged the hope of life eternal. The events and problems of today can be viewed and evaluated correctly only as we relate them to eternity. Dear reader, if you are living an aimless life—with no thought of eternity we would say "Now is the day of salvation." Do not put off any longer so important an issue as life throughout eternity with Jesus.

ST. PETER'S EV. LUTHERAN church. Edgar Hoenecke, pastor. Sunday school, 10:00 a.m.; 9:30 morning prayer; Thursday night, Lenten Vesper services every Wednesday during Lent, 7:30-8:30 p.m. Good Friday memorial service, 1:30-2:30 p.m., April 7.

S. A. L. E. M. CONGREGATIONAL church. Lucia M. Stroh, minister. Divine worship, 10:30 a.m.; Sunday school, 11:45 a.m. Peter exhorts to Christian Living, 1 Peter 3: 8-18. Golden Text: But as he which hath called you is holy, so be ye holy in all manner of conversation. Peter 1: 15. Choir practice next Thursday evening in the home of Mr. and Mrs. H. Seaross in Salem. Prayer meeting Thursday evening in the church. Sunday evening, praise and song service begins at 7:30. All are cordially invited. The lessons on the "Letters of Paul" are very inspirational and instructive. Come and bring your family and friends. All are welcome. Mrs. Seaross of 109 Rogers street, Northville, will entertain the Ladies' Auxiliary on Thursday, April 13, at 7:30 p.m. All our friends are cordially invited to a delicious roast dinner dinner at 12 o'clock.

ROSEDALE GARDENS PRESBYTERIAN church. John B. Forsyth, minister. Sunday, March 19, 9:45 a.m., Sunday school for children three years of age through high school; at 11:00 a.m., morning worship, with fourth in a series of Lenten sermons on the Beatitudes, "What It Means to be Merciful." At 6:15 p.m., the Christian Youth League, for high school students, Shirley Mason will lead the discussion on "Frontier Friends in Alaska." Wednesday, March 22: 7:30 p.m., monthly meeting of Sunday school council, church basement; 8:30 p.m., fourth session of class on "The City, the Church, and the Suburbs."

NAZARENE CHURCH. Robert A. North, pastor. Holbrook and Pearl streets. Bible school, 10:00; morning worship, 11:15; young people, 6:30; evening service, 7:30; prayer and praise, Wednesday, 7:30. You will receive a hearty welcome at the "Home-like Church of Plymouth." "Temples of the Holy Spirit" will be the pastor's subject in the morning service. Our evening service is characterized by good singing and music. Mrs. North is training a junior choir at 6:00 o'clock. All Juniors are urged to be present as special numbers are being prepared for Easter. The children's meetings have proved to be a great success thus far. Forty-five were in attendance at the first meeting. These meetings are sponsored by the young people's society and under the direct supervision of Mrs. Ella Kainz, the young people's president. Our prayer meeting, too, will be conducted by the young people next week.

Mrs. Howard Brown Presents Original Skit

Former Plymouth resident, Mrs. Howard Brown of Detroit, presented an original missionary play at the Baptist church here last Tuesday afternoon. Mrs. Brown, who was Grace Campbell before her marriage, is the sister of Fletcher Campbell of Ann Arbor Trail. Her play has been presented in several churches in this vicinity. Twenty-six members of the Birkett Memorial church of Detroit were included in the cast of the skit which had for its theme the work of the White Cross society. The program for the afternoon included vocal selections and a violin solo. Her daughter, Olive Jane Brown, gave several humorous readings and her niece, Ruth Campbell of Plymouth, played two piano selections. After the program, refreshments were served to the large group which attended.

Entered at the postoffice at Plymouth, Michigan, as second class postal matter under the Act of Congress of March 3, 1879.

GOOD WILL, NOT NEW LAWS, THE GREATEST NEED.

Whenever a new law is passed, we are setting up some new regulation or rule for all of our neighbors and associates to abide by. We are creating some restriction of some kind that if violated constitutes an offense against the statutes of the state.

In recent years there has seemingly been an unnecessary demand for new laws for this and new laws for that until it has reached a point where governmental regulations now being forced upon the people are so many and so complex that few of us know when we are really abiding by all the laws. These regulations have gone a long way to create the differences and ill-will that has prevailed.

Now comes an effort to create a new set of laws pertaining to the relations between employer and employe. It is proposed that we establish a set of rules and regulations governing the conduct of those who sign the pay checks and those who receive them. If these rules and regulations proposed in the new law are broken, then the offender becomes a law breaker and must be dealt with like any other law breaker.

The proposed law has been advocated for the purpose, it is stated, of ending labor disputes in Michigan.

Differences between employer and employe cannot and are not ended by the enactment of new laws, any more than we can outlaw the habits of an individual.

Making it an offense against the law for the employer or employe to do certain things or not do certain things is certainly a long step away from the peaceful method of settling labor disputes.

It is acknowledged that our state has passed through a hectic period when the patience of everyone has been severely tried.

These conditions came upon us notwithstanding the fact that we have on the statute books any number of laws that might have been used to terminate the distressing disturbances that flourished in our state. But it is impossible to see how any new regulations offensive to every one involved can in any way help solve this problem.

Two years ago when a similar law was proposed in the legislature, it was opposed because of the same contention. Good will and mutual understanding, a desire on the part of the employer as well as the employe to work together for the benefit of themselves and the public, will accomplish more than all the laws enacted since the days of Moses.

The thing we should do is to join hands in one mighty effort to establish and maintain kindly, mutual relations between employe and employer. A considerate, conciliatory attitude on the part of all of us will do more than the enactment of a hundred new laws to create industrial peace.

There would not be a need for any labor organization or for any employer's organization if everyone, employer and employe alike, would lay aside the spirit of resentment, of ill-will, of greed and distrust and decide that henceforth

our differences will be settled as the differences between all honest men should be settled—justly, friendly and quickly.

What we need and need badly is more good will and fewer laws that serve to create only ill-will.

OMISSION.

I'm sorry, Lord, that I forgot to pray.
The wind across my bed was oh, so sweet
With April bloom; and on my window seat
The full moon paved a white, untroubled way
Where I might see with sleep-contented eyes
The day I loved, with all its humble deeds.
The tramp I fed; my gift of flower seeds;
The dress I craved—and gave as a surprise—
The wind of April blew sweet across my bed
And brought the morning,
Now a mocking bird sings in the maple branches at
my head.
And all the sky with hope is brightly stirred.
So, here beside me is another happy day—
I'm sorry, Lord, that I forgot to pray.

GAMBLING.

There has been much ado in the newspapers in recent weeks about gambling throughout the state. It seems that the gamblers had the idea that the state was open prey to them and they started forthwith to reap their harvest.

It is true that the law says the responsibilities for law enforcement rests with the county law enforcing officers. Many counties have weak-kneed county officials now just as they did when the state constitution was drafted. The framers of the constitution knew it and so they wrote into the basic law of the state a provision whereby the Governor should at all times possess the right to remove county officers who did not do their duty as provided by law. That provision places in the Governor's hands the right to see to it that the laws are rigidly enforced in all counties of the state.

There is but one thing for a Governor to do in matters of this kind—and that is TELL THE LAW ENFORCING OFFICERS of the various counties that if they DO NOT DO THEIR DUTY they will be out on their necks looking for another job. And tell it to them in words that they can easily understand. A firm and frank position goes hand in hand with executive responsibility.

MILK.

There are two facts that have been definitely established in connection with the milk business. The producer does NOT get enough for his product and the consumer pays too much for it.

There is but one thing for the state and county to find out—and that is the REASON why the MAN IN THE MIDDLE gets the most out of the milk business.

Maybe some day some one will come along with a plan which will enable the producer to get his just return for producing milk and let the consumer have it at a price reasonable and fair to all.

HARSH WORDS.

A few mornings ago Editor Bingay of The Detroit Free Press discussed briefly the troubles of Detroit in state affairs. He bluntly declared that it wasn't necessary for Detroit to set itself up in a new state to remedy its plight. It could be done by giving some attention to the election of its state representatives and senators, he said.

Probably it would be better to use Mr. Bingay's own words in finishing up this editorial on a silly issue raised by two or three "leaders of public thought" in Detroit. Said Mr. Bingay in his "Ify" column:

"This movement of our city Fathers to have Detroit secede from Michigan and become a forty-ninth state was started because the lads did not think we were getting an even break from the rest of the state. Now that it has been laughed off the map, why not try something else? The only other alternative is a more novel one: an aroused and intelligent citizenship which will go to the polls and elect to office the right kind of public officials to represent Detroit. If that is ever done maybe it won't be necessary to find ways and means of seceding.

"It's human nature to always want to solve your troubles by getting away from them instead of facing them. Detroit's trouble isn't Michigan. Detroit's trouble is Detroit. We don't send enough intelligent people to Lansing to represent us. That's all."

IT IS WORKING.

Last fall a large number of farmers in this part of Wayne county joined in a movement to help in the regulation of hunting during the open season, and in the development of wildlife.

It was a forward step and as time goes along, it surely will work out to the benefit of farmers as well as sportsmen.

There is no question but what general interest in this plan is becoming much more state-wide than its advocates had ever believed that it would. It is interesting to note that more than 6,000 farmers in Michigan participated in 1938 in cooperative game management activities on their farms.

Projects in which the farmers operated were sponsored through service of the agricultural extension service of Michigan State college and the game division of the Michigan State Department of Conservation.

Cooperatives of farmers were organized under the "Williamston Plan" which has been in operation in the vicinity of that town since 1931.

In the 20 counties which found farmers using the plan last year, there were 450,000 acres of farm lands involved, including the new area around Plymouth and Northville.

Primary reason for organization was to control trespass, but other wild life aids are being followed by the farmer-cooperators.

These include curtailing unnecessary burning and draining of lands that offer cover and feed for game, and the protection of natural growth on unimproved or eroded areas. In exchange for these activities, members of the groups are furnished necessary signs for posting lands, and tickets which may be issued to desirable hunters.

Advice on proper administration by farmers of these hunting areas also is furnished by the college and the co-operating state conservation department. R. G. Hill, college specialist in game management, is aiding in the wider distribution of use of this plan.

LAW ENFORCEMENT

Since the new deal has instilled in the masses a spirit of dependence and thereby crushed to earth that pride of independence that has prevailed since the Pilgrims pulled their boats ashore at Plymouth Rock, even the law enforcement officers of our cities and communities have taken an attitude of dependence on Uncle Sam, and as a result thereof Government is inundated with the task of cleaning up their lawlessness and restoring some of the democratic values that were lost.

even if this gambling racket stuff is allowed to run wild by city and county officers it will just result in killing the goose that lays the golden eggs. The big (?) sports that want the legislature to legalize dog racing are not helped by this attitude of the gambling element, and what has happened with the Detroit Racing Association will not contribute toward making gambling more popular with the public.—Al Weber in The Cheboygan Observer.

DIVORCING PARTY POLITICS FROM RELIEF

Under the first act of any importance passed by the 76th Congress, making \$725,000,000 available for relief purposes, it is made a felony, punishable by a fine of \$1000 or imprisonment for not more than one year, or both, for any person to solicit funds or contributions for campaign purposes from any person on the relief rolls. The act also declares it to be unlawful for any person to deprive, or threaten to deprive, anyone of work under the WPA on account of race, creed, color or political affiliation.

In taking this step, Congress reversed its action of last summer, when the Senate defeated a much milder amendment, offered to the Works Relief Bill by Senator Carl Hatch of New Mexico.

This reversal was due to an aroused public sentiment of nation-wide proportions that could not be denied. The American people have definitely decided that there shall be an absolute divorce between party politics and relief.

The next important step is to see that the provisions of the recent act of Congress are fairly and impartially enforced by the department of justice.—Schuyler Marshall in The Clinton County Republican News.

DRIVE THEM OUT!

We believe there is only one solution to the slot machine problem in Michigan and that is for state and county officials to cooperate in driving every last one of them out of the state and keeping them out. Then the racketeers who own them will get out of the state and take their lobbyists with them, and they will stop trying to corrupt local officials.—William Berkey in The Cassopolis Vigilant.

ONE NEVER KNOWS

We little know what destiny has in store for us. Here is the life story of two Homer men with whom the writer was well acquainted years ago. One was postmaster and held other offices of trust and responsibility, and later became a prominent merchant in Union City. He died recently in the county infirmary. The other one was a poor boy, employed in a printing office. He bought a Louisiana lottery ticket at a cost of one dollar, won \$10,000, quit his job and went to college, and in due time headed one of the banks. He died practically a pauper a few days ago in California. Both men were highly respected.—H. J. Richardson in the Augusta Beacon.

READING PUBLIC OPINION

The average man already feels that we have twice as many office holders as we need; that fully fifty per cent of the persons holding public office are political pay-offs. In other words, the average man is inclined to accept civil service—with all its faults—as an attempt to rectify his thinking with regard to this waste. The Republican legislature wants to keep in mind that the jobseekers do not reflect the thinking of the great mass of voters. The Republican party in junking civil service is toying with the opinions of 100,000 independent voters of Michigan, who can elect or defeat this party in 1940. It is time for some sound thinking on this problem.—Muri H. De Foe in The Charlotte Republican-Tribune.

NO CHANCE FOR ARGUMENT

WHEN FATHER ASKED SON where he was last night, he said that he was out motoring with one of the boys. "Well," father said, "Tell your boy friend that I found his lipstick in your car this morning." We are following the idea that pleasing you will be the only thing that will keep us in business and by treating you the same as we would have you treat us if our positions were reversed.

Plymouth Lumber and

to be built in the north part of the village this spring. A building of this kind would find ready renters in that part of the village, where there is an especially large demand for houses by railroad people.

The new Alter automobile which is to be manufactured in Plymouth was on exhibition in front of the Plymouth House all day Saturday, and attracted a great deal of attention. It is a fine looking car and was highly commented on by Plymouth auto owners. The company will make a few minor changes in the car construction, which will provide for more room in front, and when this is done, the Alter is sure to be a winner.

It is very probable that the coming summer will see an improvement in the condition of Pennington avenue between Main street and Harvey street. A resolution was passed by the council about a year ago, to make this improvement as

requested by a petition of property owners. A survey of the street was made but no further action was taken by the council. There is considerable traffic on this street, and in the spring of the year it is especially bad, and something should certainly be done to improve its condition some way. There are times when it is not sanitary. A petition from property owners asking that Liberty street also should be paved from Oak to Mill street was recently presented to the council.

ONE CENT makes a big splash when used to buy electricity! The price of electricity averages down rapidly as use goes up. For example: If you are now using 10 units per month at the regular residence rate, you can buy the second 10 for less than half the price paid for the first 10:

10 units per month cost	51c
But the next 10 cost only	26c
If you are now using 50 units per month—	
50 units per month cost	\$2.21
But the next 50 cost only	1.12%
If you are now using 100 units per month—	
100 units per month cost	\$4.38
But the next 100 cost only	2.25

And so it goes. It's worth knowing that you can make free and unstinted use of lighting and appliances and not add much to your bill. Prove this yourself by using all the electricity you need.
