

Many Plymouth Boys Members Of Pacific Fleet

No Word Received By Relatives From Any of Them

The fate of many Plymouth boys, who are known to be members of the Pacific fleet suddenly attacked Sunday morning by the Japanese navy and air forces, is still unknown by relatives and friends. The fact that no advices have been received, indicates that all are probably safe.

Albert Miller, better known to his host of Plymouth friends as "Red," a Plymouth high school graduate and former "printer's devil" on The Plymouth Mail, enlisted some years ago for services in the U. S. submarine fleet. He has been stationed at Pearl Harbor, Hawaii for the past three months. His parents are Mr. and Mrs. John A. Miller of Irwin street.

Stanley Passage, son of Mr. and Mrs. Tracy Passage of Rose street, is also stationed with the Pacific fleet at Pearl Harbor. His parents report that he was last heard from on November 15 after returning from the Philippine Islands. A member of the crew of the U. S. battleship "Phoenix," Passage has been in the navy for two years.

Donald C. Boyd, son of Mrs. Grace Boyd, has been stationed at Pearl Harbor for the last two years. Sergeant Victor E. Wessling, son of Mr. and Mrs. Peter Wessling of Pine street, is stationed with the 31st bombardment squadron of the army at Pearl Harbor, Hawaii. A machine-gun mechanic, Sergeant Wessling enlisted in the army three years ago and is believed to be on active duty "somewhere in the Pacific."

Edward Keller, son of Mr. and Mrs. Paul Keller of Five Mile road is a U. S. navy seaman, second class, and is believed to be in the vicinity of Guam Island in the Pacific. Joe Merritt, son of Mr. and Mrs. Richard Merritt of south Lilley road, was last reported at San Francisco in the army air corps with orders to proceed to the Philippine Islands. His parents were recently advised that he had landed at Manila. Edward is the son of Mr. and Mrs. Roy C. Lostutter, of Livonia, is another local boy stationed at Pearl Harbor, Hawaii.

Jack R. Gordon, son of Dr. and Mrs. G. H. Gordon, is a sergeant of Service Co., 31st Infantry, Caurlte De Espana, at Manila in the Philippines.

Elmer Shelton, son of Mr. and Mrs. Brooks Shelton, Plymouth road, went to California about a year and a half ago where he enlisted in the navy. The last letter his parents received from him said that he was on the U.S.S. Hampton, then stationed at Pearl Harbor. No word has been received from him since the Japanese attack upon Hawaii.

There are also numerous other Plymouth boys in the navy and army forces along the Pacific. It is not known where many of them are stationed.

Debaters End Winning Streak

Team Qualifies For State Eliminations

Seeking to repeat last year's league championship, the debate team of Plymouth high school, after winning five consecutive decisions, lost a debate decision to River Rouge Wednesday afternoon at the local high school. Plymouth's debate team, under the leadership of Coach James Latture, is qualified, however, to enter the state eliminations tournament which will begin after the first of the year.

Plymouth may still tie for the league championship if Escorse, pace-setter of the league, drops its debate the end of this week. If Escorse wins over Dearborn, Plymouth will finish the season in second place in the Twin-Valley league.

The affirmative debate team, composed of Nancy McLaren, Malcolm McGregor and Louise Powell, were defeated by River Rouge largely because they failed to capitalize on the latest war developments. The league debate question this year is "Resolved, That all able-bodied male citizens should have one year of full-time military training before they reach the present draft age." A similar proposition is scheduled for consideration in Congress soon.

Plymouth's record of five victories and only one defeat is remarkable, however, for a fifth of the season's league debaters are newcomers. The school's debaters who have participated in league contests this year are Miss McLaren, Miss Powell, McGregor, Dorritt Straus and Joe Brisbois. Plymouth has defeated debate teams from River Rouge, Ypsilanti and Dearborn this season.

Machine Gun Factory to Go on 24 Hour and Seven-Day Week Schedule

Beginning Monday, the machine gun production of the Kelsey-Hayes plant will be stepped up by a third or more, as the company plans to go on a 24-hour, seven-day a week production. During recent weeks the output of the plant has been growing steadily, but officials hope to reach capacity production in the immediate future. This big factory is fast becoming one of the busiest places in Wayne county.

Old Newsboys Sell Goodfellow Papers Dec. 20

Parade Will Precede Annual Street Sale For Christmas Aid

The Old Newsboys will be on the streets Saturday, December 20 conducting their fourth annual sale of Goodfellow papers to provide a happy Christmas for all needy families. Sale will begin with a parade of Plymouth's Old Newsboys which will form at the corner of Starkweather and Liberty streets at 8:30 on Saturday morning.

The Plymouth high school band, under the direction of Clarence Luchtman, will lead the parade which will proceed from Starkweather to Main street and disband at Kellogg park. When the parade formation reaches Kellogg Park, the band will play a final selection, "Onward Christian Soldiers," and members of the Old Newsboys' and Goodfellows' association and spectators will join in singing the hymnal. From that point the Old Newsboys will disperse to their assigned posts to sell papers. The Goodfellows hope to exceed their sales record of last year when \$800 was raised for the distribution of food, clothing and toys to needy families in Plymouth and vicinity. Robert Jolliffe is general chairman of the Goodfellow committee. Harry Brown is president of the Old Newsboys' association and James Latture is chairman of the parade program.

The assignments of posts for Old Newsboys members are as follows: Main street at Plymouth United Savings bank; Harry C. Robinson, 9 to 12; George A. Smith, 11 to 2 and Merton Wilste, 2 to 5; Penniman avenue from Main to South Harvey street; Dr. H. J. Brisbois, 9 to 12; Harold Anderson, 11 to 2; Melvin Latture, 2 to 5; Conner hardware & postoffice; Robert Todd, 9 to 12. (Continued on page 2)

Fire Destroys Township Home

Vern Forshee Family Loses Farm Homestead

The home of Vern P. Forshee and family, West Ann Arbor Trail, in Plymouth township burned to the ground last Saturday morning at an estimated loss of \$2500. The home was located on the Root farm property. The Plymouth fire department was able to remove part of the furnishings from the blazing home and worked for an hour and a half to save other buildings near by, threatened by the high wind. The fire which destroyed the home is believed to have started in the roof.

City Employees Plan Yule Party Dec. 18

The annual Christmas party for city employees and their families will be held in the recreation room of the city hall next Thursday evening, December 18 at 8 o'clock. The committee on arrangements for the evening, is composed of Miss Marilyn Martin, chairman; Miss Linnea Vickstrom, entertainment; Mrs. Rosemary Lyke, refreshments; J. Rusing Cutler, decorations and Arthur Vernon, construction. Dancing will be enjoyed during the evening.

Kennedy Pushes Road Work At Bomber Plant

Highway Official Plymouth Visitor On Monday

State Highway Commissioner Donid Kennedy was a Plymouth visitor Monday. Called here to check various highway projects under consideration in the Plymouth state highway office, Mr. Kennedy and a number of engineers from the department left immediately after completing their work for a detailed inspection of the important road construction jobs around the new Ford bomber plant.

The highway work going on some 10 or 12 miles south of Plymouth is probably one of the biggest "rush" jobs ever carried on in the state. Miles and miles of new roads are being constructed seemingly almost overnight.

Commissioner Kennedy stated that he was confident every foot of it would be laid and ready for use weeks ahead of the schedule originally fixed by the department.

We are going the limit to keep ahead of the immediate needs. In spite of the slight delays occasioned by the thousands of sight-seeing cars that have toured every highway around the bomber plant for weeks, we are ahead of time on the job," he stated.

After inspecting the bomber plant highway projects, Mr. Kennedy checked over some other highway work being rushed in this part of the state. He stated that he was highly satisfied with the progress being made on all the jobs.

Civic Christmas Program Tonight

Santa Claus to Give Candy to Children

All is in readiness for Santa Claus' visit to Plymouth Friday night (tonight) at the annual Christmas tree lighting ceremony to be held in Kellogg park at 7 o'clock. The program will open with a Christmas selection by the brass ensemble of the Plymouth high school band after which "St. Nick" will arrive to the tune of "Santa Claus is Coming to Town."

Frank Walsh, of the Junior Chamber of Commerce, who will preside as chairman of the civic Christmas celebration, will introduce little Carol Clarke, daughter of Mr. and Mrs. William Clarke, and Sheldon Smith, son of Mr. and Mrs. Rolfe Smith, who will pull the switch to light the large decorated tree in Kellogg park.

The remainder of the program will include songs by the sixth grade chorus of Central and Starkweather grade schools, under the direction of Miss Georgio Zemer; selections by the brass ensemble of the band; Christmas carols by the glee club of the Woman's club, directed by Mrs. Gerald Hondorp; community singing led by Mrs. Hondorp and the distribution of candy to all children in attendance by Santa Claus, assisted by the Boy Scouts of Plymouth. A sound truck will broadcast Christmas carols over a loudspeaker on the streets of Plymouth before the program in Kellogg park.

Masons Elect New Officers

Claude Rocker Is New Lodge Master

This (Friday) evening, members of the Masonic lodge and their friends will witness the installation of the newly elected officers of the lodge.

The ceremonies will take place in the Masonic temple, beginning at 7:30 o'clock. The public is invited to attend.

Blood Donors to Report for Duty Friday Afternoon

Red Cross Mobile Unit To Be Stationed at Plymouth I.O.O.F. Hall

The American Red Cross mobile unit will visit Plymouth this Friday afternoon to receive contributions from volunteer blood donors. The truck and hospital equipment will be stationed in front of the I.O.O.F. hall and Kroger store on Main street from noon through the afternoon.

Only 63 persons registered in Plymouth, Northville and surrounding vicinity to participate in the blood donor program. Those who have not registered and are willing to contribute a pint of blood for their country's defense may come direct to the mobile unit and receive an appointment after 10 o'clock Friday morning. Seventy-eight persons volunteered to donate blood in the registration for civilian defense in Plymouth several weeks ago and all of these persons are requested to report Friday.

The I.O.O.F. lodge of Plymouth and the Rebekah lodge are cooperating with the American Red Cross in the local program to recruit blood donations. The Red Cross and the Rebekahs will serve lunch at the mobile unit. Persons contributing blood donations are requested to refrain from eating any food containing fats for three hours previous to their appointment. Blood donations will be transported to Indianapolis immediately Friday night to be processed into a dry plasma form and later shipped to war ships and army camps throughout the country for emergency need.

"Your country is now at war. You may help in the defense of your country by donating a pint of your blood which may save the life of some boy in the service of your country. Report at the Red Cross mobile unit Friday to offer your bit," announced Harry Hunter, co-chairman of the local program.

Council Appoints Committee for Hospital Study

Fact-Finding Board To Study Financial Problems of Project

The city commission at a special meeting last Monday evening appointed a fact-finding committee to study the possibility of a hospital project in Plymouth. The committee appointees include Dr. W. W. Hammond, Jr., Edward C. Hough, Dr. Luther Peck, Clarence H. Elliott, Mrs. Otto Bayer, Mrs. Harry Fountain and Dr. Carl Janney.

The committee has been instructed to investigate the necessity for a new hospital, the cost of financing the project and report on the administration of hospitals in other cities throughout the state.

The fact-finding board will study the possibility of obtaining a grant either from the government or a philanthropic foundation, for the building of a hospital and financing the balance of the project by individual memorial contributions from local citizens.

Woman's Club To Meet Dec. 19

Glee Club to Present Christmas Musicale

The glee club of the Woman's club, under the direction of Mrs. Gerald Hondorp, will present a program of Christmas music at a meeting of the club in the First Presbyterian church on Friday, December 19. A business meeting, to be held in the church parlors at 2 o'clock, will precede the musical program.

It will be guest day for the Woman's club and members' children over 10 years of age have been especially invited to attend. The children will be excused from school at 2:30 o'clock to attend the program. Mrs. William McAllister is program chairman for next Friday's meeting and Mrs. Russell Daane is tea chairman.

Did You Know That

The Cassidy shop, 842 Penniman avenue, has reserved Monday and Tuesday evenings, December 15 and 16 for men shoppers only. Check the list in our ad on page 6.

Ora Frazer, Michigan chairman of the blood donor campaign, will be heard over radio station WTOL of Toledo at 5:45 in connection with the campaign to secure the donation of blood for hospital use in connection with the war.

The Starkweather P.T.A. held a most successful bridge party last Wednesday evening. There were 80 ladies in attendance.

Plymouth Residents Decide to Buy Plymouth Made Machine Guns For Our Boys in Service

Beginning Monday, December 15, Plymouth citizens are going to start buying machine guns. They are going to buy from one to a dozen or more a day! They are going to buy them from the Kelsey-Hayes plant, so that every Plymouth boy called into the service of the government will have something he can use with which to defend himself when attacked by treacherous enemies!

This is the way the citizens of Plymouth are going to buy those Plymouth made machine guns—every time they get an extra 25-cent piece or a few extra dollars, they are going to go over to the postoffice or to the banks and buy defense bonds.

When they buy these bonds they are going to say to the postmaster or to the bank cashiers:

"Here, Mister, is some money I want Uncle Sam to have so he can buy machine guns for the Plymouth boys and all the other boys that have been called into army service. We know those machine guns they're making out at the Kelsey-Hayes plant are the best in the world. We know that when our boys get in a tight spot that their machine guns are not going to fail them. Take these dollars and tell Uncle Sam that I want him to use them in buying machine guns for our boys."

That's exactly what Plymouth residents are going to say

Plymouth's New Theatre - - The Penn

Since its opening, last week Thursday evening, Plymouth's beautiful new theatre, built and owned by Harry Lush, has been doing a splendid business. Opening night, two capacity audiences filled the big auditorium. The public is highly pleased with the additional amusement house that has been provided the city.

Local Postoffice Extends Hours

Extra Clerks and Mail Carriers Hired

The Plymouth postoffice will remain open until 6 o'clock in the evening on the next two Saturdays preceding Christmas, according to Postmaster Harry Irwin.

The parcel post and stamp windows will be open for postal patrons December 13 and 20. Five extra clerks and eight extra mail carriers have been hired to help during the Christmas rush. Each of the four city mail carriers will have an assistant on his route, there are two extra carriers on the parcel post route and two extra temporary helpers on the rural routes.

If the present rate of increase continues, this year's business will exceed all previous records, states Postmaster Irwin. The postoffice reports a large volume of advertising for Christmas in the mails and a large amount of parcel post.

An early indication of big business for this Christmas season is the number of money orders being issued for gift ordering. The heaviest day last year was December 2 when 270 money orders were issued. This record was nearly doubled on Monday, December 1, the busiest day this year when 492 money orders were written. Because of the increased buying and volume of Christmas mail this year, postal patrons are requested to prepare all packages for early mailing and to observe the mailing dates set up for various zones as displayed at the postoffice.

Red Cross To Organize Work Room and Courses

In response to a flood of inquiries from persons wishing to prepare for national defense and wartime emergencies, Miss Pauline Peck, local director of the American Red Cross in Plymouth, announced yesterday that a work room for sewing will be organized as soon as possible and a course in preparing surgical dressings will be offered.

Details of these plans will be announced in The Plymouth Mail later and all interested persons will be asked to register. If a sufficient number of persons are interested, the American Red Cross will provide a paid instructor from Detroit to conduct first aid courses.

Mrs. F. M. McCormick entertained the Past Matron luncheon group of the Eastern Star Order Wednesday in the home of her mother, Mrs. Fred Kidman, on Blunk avenue.

Defense Classes Begin New Term

Night School Trainees To Register Monday

Registration for a 10-weeks' course in preparedness training for defense industry will begin at the night school session of Plymouth high school Monday evening, December 15 at 7 o'clock. The defense training program enters upon its second term Monday evening following the completion this week of the first 10-weeks' course.

Two sections of classes in machine shop are offered from six to nine o'clock on Monday and Wednesday and on Tuesday and Thursday nights. Classes in shop, mathematics and blue-print reading meet from seven to nine o'clock on Monday, Tuesday and Wednesday evenings. Approximately 30 night school students have been enrolled in each of these defense training classes during the first term. The regular night school will commence its second term of study on January 12.

Ex-Service Men Elect Officers

Lee Sackett Elected As New Commander

The Ex-Service Men's club of Plymouth held its annual election of officers Tuesday night and Lee Sackett was elected commander for the ensuing year. Other officers include Carl Blaich, vice-commander; Arno Thompson, secretary; Harry Mumbly, treasurer and Thomas Campbell, officer of the day.

The stancing committee, chairman and historian, will be appointed in January. The newly elected officers will be installed into office on January 13. George Gottschalk, retiring commander, announced that members of the Ex-Service Men's club will send a Christmas letter of cheer to all men in service from this district.

Mrs. Frank Russell was called to Walpole, Massachusetts, Wednesday of last week, by the death of her mother, Mrs. Sarah B. Cook. The funeral was held on Thursday in Walpole. The body was brought to Royal Oak where the burial took place with brief services at the grave.

from now on when they buy defense bonds!

We are going to feel as though every penny, every dollar that we turn over to Uncle Sam when we buy a defense stamp or a defense bond, is going to be used for the purchase of Kelsey-Hayes machine guns for our boys who have been called to the front.

After we have bought enough machine guns to equip all of the boys from Plymouth, then we are going to give Uncle Sam enough money so that he can start buying more Kelsey-Hayes machine guns for the boys from Northville, from Wayne—from all over Michigan.

Henceforth, Plymouth dollars are going to be used for the purchase of Plymouth made machine guns!

Let's see how many machine guns we can buy for our boys in the service during the next 30 days!

The executive chairman of the Plymouth Defense Savings committee states that there will be published in The Mail each week a total of bond purchases so that there can be an accurate record kept of just how many Plymouth made machine guns we have bought for Plymouth boys in service.

Plymouth Citizens Rally One Hundred Percent to Nation's Call for All-Out Aid to Win War

Local Schools Close Dec. 24 Until Jan. 5

Plymouth schools will close Wednesday, December 24 and will remain closed until Monday, January 5 for the Christmas vacation recess. It was announced by the board of education this week. The ten-day vacation period will permit teachers to spend the holidays on trips or at their homes.

Defense Council Asks Volunteers To Register Now

Civilians Needed for Training and Duty in War-Time Emergency

The Civilian Defense Council of Plymouth, following the nation's declaration of war on Monday, renewed its plea for civilian defense volunteers to prepare for war-time emergencies. The registration of volunteers for defense training and emergency duty will continue daily at the city hall in Plymouth from 8 to 5 o'clock.

"With the nation now on a full war-time footing, every community must organize for emergency conditions. Only 200 persons enrolled in the general registration of civilian defense volunteers a month ago. We have seen the suddenness with which the enemy attacks and a united America must now stand prepared to face emergencies with an efficient civilian defense organization," declared Clarence H. Elliott, coordinator of the local civilian defense council.

The local council has held several organization meetings and completed plans for the defense of all vital services. It is expected that the program will swing into immediate action when orders are received from national civilian defense headquarters. Citizens of Plymouth and vicinity are urged to register for volunteer duty immediately at the city hall and ask to be stand ready for call into service in the local community.

Canteen Club Meets Dec. 15

Seek Christmas Gifts For "Boys in Service"

The Canteen club of Plymouth will hold an important pre-Christmas meeting on Monday evening, December 15 at 8 o'clock in the city hall. Chairman, Melvin Alquire states that the club plans to send special canteen packages to local boys in service. Contributions from local organizations and the general public will be accepted at the club's meeting next Monday or by George Burr or Melvin Alquire. It is hoped that Plymouth will respond generously to this program to remember the boys in uniform for Christmas. Persons wishing to "adopt" boys in service for Christmas may call Arno Thompson at the city hall any day to secure their names.

The management and the AF of L union of the Wall Wire Products Company are taking the lead in the campaign. The joint management-union group will send to each boy in service from the Wall Wire plant \$5 for Christmas. Approximately 20 former employees, now in the armed forces of the country, will receive the cash Christmas gifts.

Community Acts As One Big Unit

City to Put Forth Every Effort to Help Uncle Sam Win

Plymouth, one of the nation's one hundred percent American cities, swung into step Monday with Uncle Sam's army of men, women and children out to win the war that has been forced upon this nation.

Although it has long been active in defense and other patriotic endeavors, the city has lost no time this week in checking over its activities to see if there is anything more that can be done that is not already under way.

City officials, community leaders, in fact, EVERY person in and about Plymouth, have offered their time and their all to the defense of the nation they are determined to maintain.

Members of the American Legion called together a group of citizens to prepare for civilian defense of the community. Outlines of steps to be taken will be published in the next issue of The Mail.

There has been an immediate quickening in the sale of defense bonds and stamps. Seemingly large numbers of people who had a few extra dollars in their pockets, went to the postoffice and to the banks and purchased bonds.

Plymouth, like most other active, patriotic cities, it has been found, is a little over "organized." Numerous committees and groups have sprung up, all willing and anxious to do their part in the problem confronting the country. But it has been stated that during the coming weeks, these efforts will be co-ordinated so that there will be no conflict in the many tasks that confront the city and county.

Chief of Police Vaughan Smith, a graduate of the FBI school in Washington, is one of the valuable contact officers between this important governmental agency and western Wayne county.

Up to the present time, to the everlasting credit of Plymouth, there has been found no evidence of suspected disloyalty upon the part of any individual. While Chief Smith is anxious to secure any information that might prove of value to the government, he warns against any effort to smear the reputation or standing of a person by insinuating that "he bears watching." During the last world war false charges of this nature were hurled against many loyal citizens.

It is quite evident, from a thorough check of local sentiment that here is one American city that is not going to "follow" the example of others in steps to aid and save the nation—it is going to LEAD.

Mayor Ruth Huston Whipple, yesterday made the following statement pertaining to defense activities in Plymouth:

In answer to many queries about what Plymouth is doing in the present emergency, the following statement is made: I, Mr. Cushman, commander of the American Legion called an emergency meeting of the American Legion for Thursday evening, December 11, at Legion hall. This meeting was ordered by the State Commander.

Inmates Plan Holiday Program

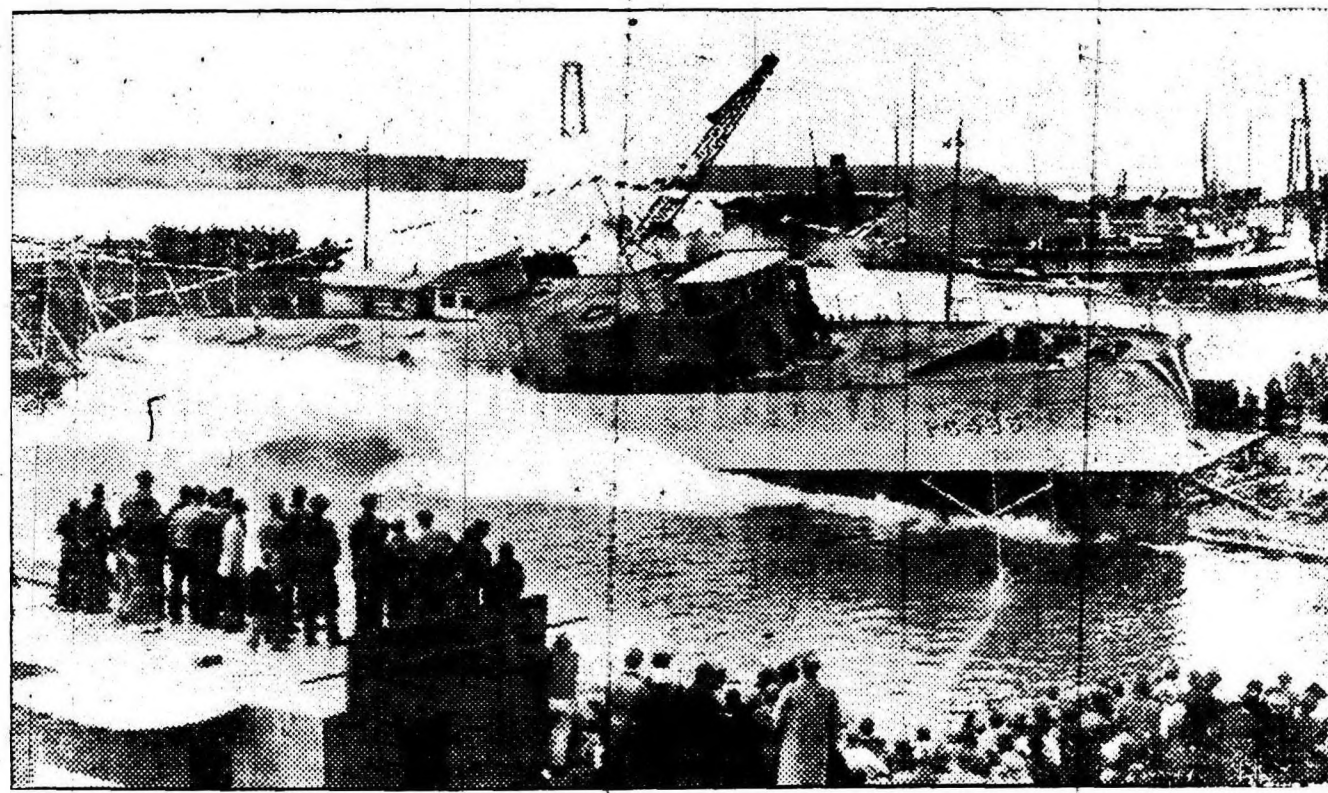

Women's Division to Present Yule Tableau

A tableau, "Peace of All Nations," will be presented for the annual Christmas program of the Women's Division of the Detroit House of Correction on Wednesday afternoon, December 24 in the auditorium. A cast of 25 characters will appear in the tableau for which special lighting effects have been arranged. Women inmates of the institution have constructed all scenery

and made all the costumes for the presentation. Following the afternoon program, the women inmates will march around the grounds to each of the cottages singing Christmas carols. The Salvation Army of Plymouth will also make its annual Christmas Eve visit at the institution Wednesday night. The administration building and each of the cottages have been decorated with lighted Christmas trees, candles and poinsettias. A special movie, "The Christ Story," will be shown in the auditorium during the week following Christmas.

Garden Club Enjoys Movies

Views Feature Flower Show and Gardens

Movies of the 1940 Plymouth flower show, the James Gallimore gardens in Plymouth and the gardens of Mrs. William Thompson in Bloomfield Hills were shown at the December meeting of the Plymouth branch of the Woman's National Farm and Gardens association held Monday afternoon in the Hotel Mayflower.

Mrs. Gerald Hondorp showed the group of movies which also included pictures of many Plymouth club members taken during a box-lunch party in the lovely gardens of Mrs. Thompson's home one day last summer. Mrs. James Gallimore was hostess for the afternoon. Following the business meeting and program tea was served by Mrs. Harold J. Brisbois and Mrs. Max Trucks, from tables decorated in holiday motif with red candles and silvered branches. Other interesting features of the afternoon were the lovely displays of Christmas supper, breakfast and mantle decorations planned by members of the group with Mrs. L. R. Von Stein as chairman.

Next Thursday, December 18, members are invited to gather at the home of Mrs. Thomas Moss at 10 o'clock to make the Christmas decorations. All are asked to bring a box lunch, a drink will be served.

Townsend Club To Discuss Emergency

At the meeting of the Townsend club to be held Monday evening in Grange hall on Union street, there will be a general discussion of the club pertaining to future plans of the organization.

The national emergency which has arisen, state local officials of the club, necessarily will take place in their program. The results of the recent election will also be made known.

Bear hunters in Menominee, Baraga, Missaukee, Leelanau and Ogemaw counties where bear are unprotected the year round must have a small game hunting license in small game season, a deer hunting license during deer season, and a small game license and a gun permit when both small game and deer seasons are closed.

Dairy Farmers To Meet Monday Eve

Another meeting of the United Dairy Farmers has been called to consider the milk problem in this locality. It will be held Monday evening, December 15 at 8 o'clock at the Canton Center town hall.

The committee suggests that farmers and members bring their wives to the meeting if they desire to do so. The by-laws will be reviewed and there will be a general discussion of the milk situation.

Plymouth Citizens

(Continued from page 1) The Wayne County Defense council has been called for 4:00 o'clock Friday, December 12. The Mayor of Plymouth is a member of the council by appointment of the Governor, and will attend the meeting. 3. City Manager Clarence H. Elliott has called an emergency meeting of the Plymouth Defense council at the city hall, Saturday, December 13. Our local Defense Council was one of the first organized in Wayne county. On August 21, 1941 the city commission passed a resolution authorizing the creation of the local Defense Council according to the plan sent us by the National Defense Council office at Washington. This Plymouth Defense Council sponsored the Volunteer Defense Registration which is still in effect, and has been only waiting for orders from the state defense council at Lansing before proceeding further. There will be another definite statement in next week's paper.

Reports Survey Of Graduates
Majority in College or Gainful Employment
A survey of the graduating class of June, 1941 has just been completed by Claude J. Lykhouse, high school principal, and Carvel M. Bentley, vocational coordinator. The purpose of this survey is to determine what the graduates are doing their first year after completing high school. The results of the survey give the school board and the administration an opportunity to discover if the opportunities offered in the school curriculum are properly training the boys and girls so that they can take their place in the world after graduation.

There were 162 boys and girls in the graduating class last June and the following is a summary of what the graduates are doing as of December 1, 1941: Forty-six members of the 162 graduates, or about 29 percent, are continuing their education in some institution of higher learning. Of the eight apprentices who graduated last June, four have not as yet completed their training programs and are working in local shops or places of business full time and attending night school at the high school four hours a week in order to complete their apprentice training.

High honors for 4-H Club work were awarded to this happy group of the International Livestock Show. Left to right: Orlo E. Ruppert, Nokomis, Ill., and Beth Gill Nesbitt, Miss., achievement winners; Margey Habbuelzel, St. Joseph, Mo., and Wayne Thorndyke, Lambert, Okla., named first in leadership.

WILLIAM JUDSON LYKE
William Judson Lyke, who resided at 7521 Lamb road, Manchester township, passed away Monday afternoon, December 8 at the age of 81 years, two months and 20 days. He was the husband of the late Carrie S. Lyke. He is survived by three sons and one daughter, Theron W. Lyke of Plain's lake, Roy E. Lyke and Mrs. Mabel P. Loomis, both of Plymouth and George E. Lyke of Manchester. He was the father of the late Glenn W. Lyke; also surviving are eight grandchildren and five great grandchildren. Funeral services were held Thursday, December 11 at 1 p.m. at his home in Manchester. Rev. J. Bunny of Manchester officiated. Two beautiful hymns were rendered by Miss J. T. Chapman of Plymouth. His grandson acted as pallbearer. Interment was made in Lanham cemetery, Salem.

School Presents Christmas Music

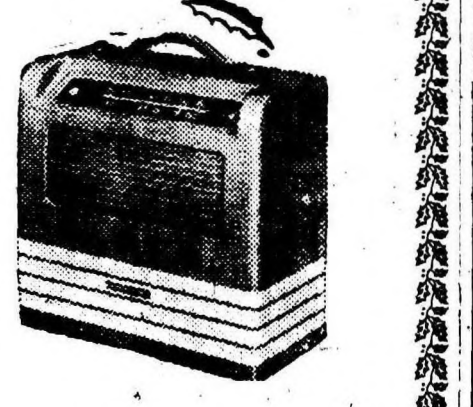

The music department of Plymouth high school presented a concert of Christmas music before an appreciative audience at the high school auditorium Wednesday evening. The brass ensemble of the high school band opened the program with a prelude, "Carols of the Year." The brass ensemble includes William Upton, William Schoof, Donald Vanderveen, Harry Krumm, Louis Kolin, Robert Bachelder, Valerie Kolan, William Wooster and Harry Wooster. The Plymouth high school orchestra, under the direction of Clarence Luchman, played several selections including "Progress of Youth," "Two Guitars," featuring Glenn Frederick; "Evening Reveries" and "At Christmas-Tide." The vocal part of the program included "Beautiful Savior" and "Carol of the Shepherds" by the girls' chorus; "O Come All Ye Faithful," by the mixed chorus; "Virgin Slumber Song," by the girls' double quartet; "Come Hither Ye Children," by the mixed chorus; "It Came Upon a Midnight Clear," by the girls' chorus and "Silent Night" and "Break Forth O Beautiful Heavenly Light," both by the mixed chorus.

Attorneys Honor Judge Picard

Suburban Bar Makes Him Honorary Member

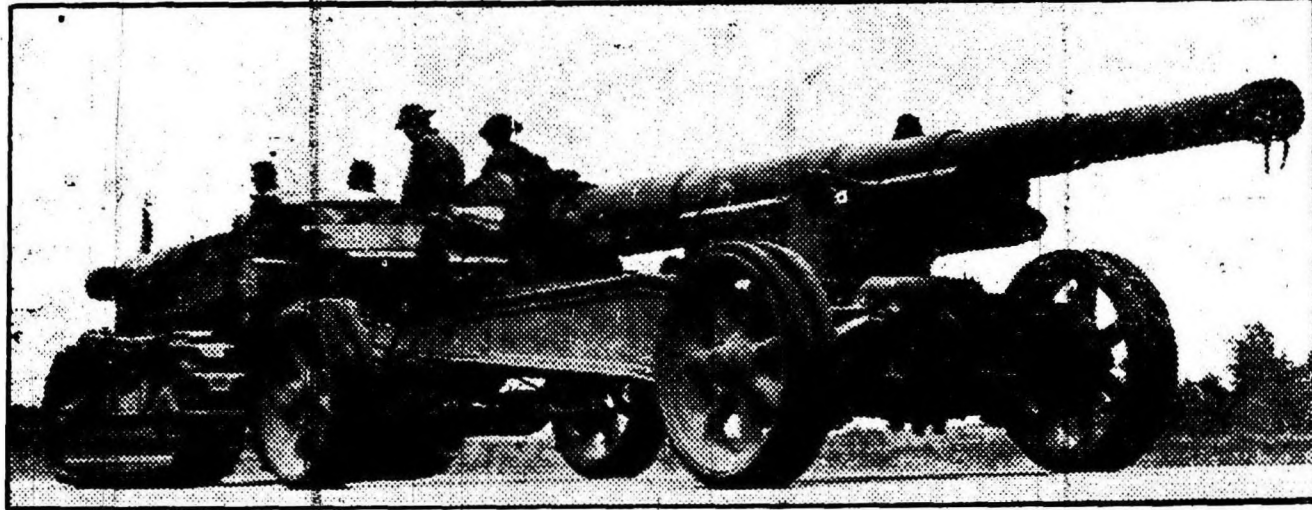

Judge Frank A. Picard of the United States federal court in Detroit, was a guest Wednesday evening of the Wayne County Suburban Bar association at its regular monthly meeting held in the cottage on Attorney Perry Richwine's horse ranch located on Ann Arbor road.

The attorneys feasted on venison. Municipal Justice Rustling Cutler "presided" over the cook stove. Expressions of satisfaction over the results of his culinary art indicated that even critical lawyers can sometimes be pleased.

Judge Picard was the guest of President Earl J. Demel of the association. The Judge in a brief and interesting talk, related some of the interesting events that have transpired through the high and dignified federal courts. He was elected an honorary member of the association.

President Demel stated that he believed the time had come for the attorneys of Michigan to take off their coats and go to work for Uncle Sam. He pointed to the seriousness of the situation that confronts the country and said that lawyers can do much in aid

Big Gun Retreats in First Army Maneuvers

ing the government.

The association approved of his recommendation for the appointment of one of their members to assist in the sale of defense bonds. He appointed Attorney Perry Richwine as representative of the lawyer group for this part of Wayne county.

The next meeting of the association will be held in the Mayflower hotel.

Prison Starts Athletic Program

House of Correction Organizes Teams

The winter athletic program for inmates of the Detroit House of Correction was started Friday evening in the auditorium of the institution under the direction of Officer George Gillies, assisted by Officer E. Frank.

A volleyball league of six teams was organized along with badminton and table tennis teams. Boxing bouts will be conducted and prizes will be awarded winners of all contests. Over four hundred inmates took part in the activities the first evening.

One hundred and sixty-one days after 185 northern pike fry less than an inch long were put in an experimental pond liberally stocked with minnows of all sizes at Drayton Plains state fish hatchery, the pond was drained and just 10 northern pike were removed. These 10, however, averaged more than 12 and a half inches long. According to the conservation department's institute for fisheries research, this remarkably rapid growth is approached by only one other fresh water fish, the northern long nosed gar.

In the last 20 years Michigan has put nearly four million dollars into Christmas seals in an intensive effort to prevent tuberculosis; yet the disease costs the state more than that amount every year for sanatorium care for tuberculosis victims.

Goodfellow Fund Needs More Dress

Campaign for Dresses Closes Next Saturday

Five more dresses were received this week by the Goodfellow fund for Christmas gifts to little girls of needy families in the community. Contributions were received from Mrs. Otto Beyer, Mrs. L. J. Hughes, Miss Amelia Gayde and the women's auxiliary of St. John's Episcopal church. These gifts bring the fund to a total of 31 dresses to be distributed before Christmas by the Goodfellows. Many more dresses are needed to clothe and make a little girl happy at Christmas time.

be delivered to the city hall by Saturday, December 20 to permit the committee to sort and gift wrap the dresses before Christmas eve. The sizes most needed are for eight, ten and 12-year-olds. Groups and individuals who have pledged donations to the fund are urged to purchase or complete making the dresses as soon as possible and deliver them to the city hall by next week-end.

Let the motive be in the deed and not in the event. Be not one whose motive for action is the hope of reward.—Kreeshma.

Giant Power Plant Opened - - Governor Pleased

Gov. Murray D. Van Wagoner congratulates D. E. Karn, vice president and general manager of Consumers Power company, after throwing a switch which gave the signal to put the company's new and biggest electric generating unit "on the line." Located in the Bryce E. Morrow

plant near Kalamazoo, the new unit has a capacity of 50,000 kilowatts—more than enough for a city of 100,000 persons. It feeds into the Consumers statewide transmission system. In his dedicatory remarks, Gov. Van Wagoner expressed satisfaction that

there has been no lack of electric power for defense production in Michigan. Left to right in the picture are Col. Robert T. Phinney, post commander, Fort Custer, Mr. Karn, Gov. Van Wagoner and Justin R. Whiting, president of Consumers.

Pennies spent on Christmas seals save dollars on taxes, according to the Michigan Tuberculosis association. Its intensive educational work to prevent tuberculosis has seen Michigan's death rate cut 66 per cent. To finance this preventive work nearly four million dollars have been put in Christmas seals over the past 20 years. Yet the same amount is spent every year to care for those tuberculosis has attacked.

Bowling League Standing

Parkview Classic League
Thursday, December 4, Hudson Motors continued their hold on first position by swamping Plymouth Country club and winning four points. Super Shell No. 2 split 2 and 2 with Purity Refrigerated Lockers and remained in a 2-way tie for second place with Todd's Market, who won 3 points from Perfection Laundry. J.C.C. No. 1 dropped into third place by losing 3 points to Plymouth Hardware who now rests in fourth place. Walter Harms Insurance moved up two notches by virtue of a 4-point forfeit from Oldsmobile Sales. High 3-game series were plentiful-being topped by Herb Burley 618; George Ball 617; Warren Todd 614; and Tom Levy, 604. Other high series included 599 by Bill Rudick, 596 by Burdes, Max Todd by 371, H. Marriott and Bill Aluia each 586, Harvey Springer and Clyde Smith each 556 and Earl Lyke and Roy Wheeler each 553.

School Changes Dance Policy

Board Votes to Expand Scope of School Dances

The board of education at its meeting Monday evening voted to enlarge the scope of dances at Plymouth high school to render a greater service to the community. The changes in dance policy were approved by the board of education on the recommendation of Principal C. J. Dykhouse and Superintendent G. A. Smith.

The major change provides that students may bring girl companions or gentlemen escorts from outside of school to senior high school dances and graduates of the last year's class may attend with outside escorts.

The new rules adopted by the board of education are as follows:

All high school dances shall be divided into two groups, junior high school, grade 7 to 9 and senior high school, grades 10 to 12.

Junior high school dances are to be chaperoned by six parents and two class advisors.

Senior high school dances are to be chaperoned by six parents, one member of the board of education, one class advisor and either the high school principal or superintendent of schools.

At senior high school dances, a student may bring a companion or escort from outside of school. Also graduates of the last year's class may attend with outside escorts.

Students and alumni are personally responsible for the conduct of their escorts or companions.

The hours of the junior high school dances shall be from 7:30 to 10 p.m.

The hours of the senior high school dances shall be from 8 to 11 p.m.

The hours of the junior and senior prom shall be 9 p.m. to 1 a.m. Admission for the junior high school shall be 10 cents plus tax. Admission for the regular senior high school dances shall be 25 cents plus tax. Admission for the J-Hop and the Senior Prom shall be \$1.50 plus tax.

All attending the junior and senior high school dances shall remain within the school building until leaving for the remainder of the evening.

All attending will refrain from smoking during attendance.

Further rules and regulations may be added at any time with advice and consent of the board of education.

Kiwanians Enjoy Patriotic Program

Speaker Discusses Defense Savings Bonds

A special patriotic program was presented at Tuesday night's meeting of the Plymouth Kiwanis club by Program Chairman Chauncey Rauch. John McBrien of Detroit, guest speaker of the evening, spoke on "Defense Savings Bonds and Stamps."

Two club Scouts of the local Cub Pack, Edison Whipple and David Henry, in uniform, presented the colors in an appropriate ceremony with the flags of the United States and Canada. Kiwanis members enjoyed group singing of martial and patriotic songs with Miss Linnea Vickstrom accompanying at the piano.

Harold Groth Takes Grand Rapids Bride

At a wedding ceremony performed at the lovely Klise Memorial chapel in Grand Rapids, Geraldine M. Fik, daughter of Mr. and Mrs. Harry J. Fik, of that city, became the bride of Harold Paul Groth, son of Mr. and Mrs. Paul Groth of Plymouth. The service was held Friday evening, December 5 at 8 o'clock by Dr. John A. Dykstra, of the Central Reform church.

The chapel was decorated with white chrysanthemums and was lighted with seven branch candelabra. Organ music was softly played throughout the ceremony.

The bride, who was given in marriage by her father, wore a white dress fashioned with a brocade basque, sweetheart neckline and scalloped pleat flaring out over a full white net skirt. Her fingertip veil of bridal illusion was held in place by a band of white carnations. She carried a bouquet of white roses and chrysanthemums.

June Huffer, of South Bend, Indiana, was the bride's only attendant, and wore a full-skirted gown of peach taffeta. She carried blue and white chrysanthemums and pink roses.

Harry Fik, Jr., brother of the bride, attended the bridegroom as best man. The ushers were Ted Derks, of Lansing and Harris Verachure, of Holland.

Following the wedding a reception was held at the home of the bride on Edison avenue.

There were guests from Plymouth, Ann Arbor, Lansing, Holland, South Bend and Grand Rapids.

Ford Plants Aid In Bomber Parts

Local Units Engage In Defense Production

Sixty independent firms in the Detroit area and 12 Ford village plants in the state have been assigned a large share of the tool design and engineering work preparatory to production of bombers at the new Willow Run plant of the Ford Motor company. It was announced this week.

The Ford village plants in Plymouth and nearby communities including the Plymouth, Newburg, Nankin Mills and Waterford plants, are now devoting 80 per cent of their production to defense and have extended their work hours to 40 hours

on week-days and six hours on Saturday.

Engineers and draftsmen are busily engaged at the Dearborn plant of the Ford Motor company turning out blueprints for the design of tools, dies, jigs and fixtures, many of which are produced in the local Ford plants. Meanwhile, manufacture of small parts already has begun in the completed portion of the new bomber plant at Willow Run near Ypsilanti and work is under way on the first 10 four-motored bombers which are to be assembled in the old airplane factory at Ford Airport.

Sunday dinner guests in the Byron Wilkin home on Ford road were Mr. and Mrs. Columbus Wilkin and sons of Beck road. Mr. and Mrs. Marcel Duthoo and daughter Marie of Ford road; Mrs. Ruth Thompson and sons of Ypsilanti and Wilbur Nixon also of Ypsilanti.

Mr. and Mrs. Roy Lyke were hosts Saturday evening at a party for their son, Earl, and his fiancée, Nancy McLemore, whose marriage will take place December 13. There were about 20 present who enjoyed playing bunco for a time after which they presented the young couple with several lovely gifts. Guests were present from Ann Arbor, Detroit, Salem and Plymouth.

The Birthday club will have its annual turkey dinner and Christmas party, Thursday evening, in the home of Mrs. Harold Brisbois. This club has been organized many years and has always made this the outstanding party of the year. Those who will enjoy Mrs. Brisbois' hospitality will be Mrs. Paul Wiedman, Mrs. George Cramer, Mrs. Raymond Bacheider, Mrs. Ernest J. Allison, Mrs. Arthur White, Mrs. John A. Miller, Mrs. Josephine Fish and Mrs. Christine Van Poppelen.

Training School Plans Program

Pageant to Open Christmas Activities

A week of special programs for the Christmas holiday season at the Wayne County Training school will open with a Christmas pageant, "The Nativity Story," to be presented in the school's auditorium Sunday afternoon, December 21 at 2:30 o'clock. The story of the Nativity as related by Luke will be told in pageant form, augmented by a vested choir. The program on Sunday afternoon is given for the pleasure of the families of young people at the Training school and all friends of the school.

On Monday afternoon, December 22, at 2 o'clock in the Cub Cottage at the Training school, "It Happened After All," the story of Santa's visit by the Puppet club of Cub cottage will be presented for the younger children. "Santa Claus and Merry-bells," an operetta, will be presented for day school children and their specially invited juvenile guests on Tuesday, December 23 at 2 o'clock in the auditorium of the Training school. A Christmas story hour will be held for the youngest children at the school in the library at two o'clock Wednesday preceding Christmas and a general assembly of the Training school family will sing familiar Christmas carols before the creche on Christmas eve.

Each cottage will be festively decorated for the Yuletide season and families will visit children in the cottages on Christmas day from two to four o'clock in the afternoon. "The Nativity Story" pageant will be repeated on Sunday, December 28 for the children of the Training school and their invited juvenile guests in place of the usual Sunday afternoon visiting by parents. Movies and a Boy Scout presentation ceremony and rally will be held in the week following Christmas and a special show program by the Buffalo Cottage will be presented December 31 for New Year's.

Methodist Youth Give Special Service Sunday

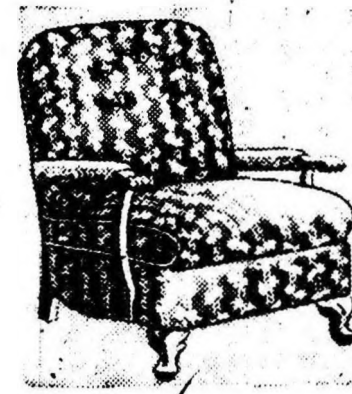

A special candlelight worship service and play with Christmas music will be presented by the youth division of the First Methodist church on Sunday evening, December 14, at 7:30 o'clock at the church. Mrs. Miller Ross is general chairman of the program, which is open to the public, and Mrs. Winnifred Bixler is director of the play presentation.

The Business and Professional Women's club of Plymouth will be entertained Monday evening in the home of Mrs. Norman Marquis, when the annual Christmas party will take place. A buffet supper will be enjoyed. Mrs. Marquis will be assisted by Mrs. Frank Terry and Sarah Gayde.

Big Increase in Use of Phones

Plymouth Manager Tells of Growth

What the National Defense program and resulting industrial upsurge have done to Michigan's telephone service is reflected in the telephone statistics for November, just released by the Michigan Bell Telephone company.

The figures show that through November the company has gained 101,776 telephones since the first of the year, an all time high for the Michigan company and comparing with 68,330 during the same period of 1940. Company officials anticipated an increase of close to 110,000 for the full 12 months of 1941.

During November, also, new local telephone call records were set, the daily average over all of the company's telephones being 4,945,703, compared with an average of 4,408,840 in November, 1940. The company's daily average of long distance calls reached a peak of 78,355 during November, 1941, compared with a daily average of 68,685 in November, 1940.

According to J. R. MacLachlan, manager for the company, if such an increase of demand continues in the face of rising material shortages, the Michigan Bell may find it difficult before long in providing service where and when needed at some of the points it serves.

Farmers Plan Big Crops for Nation Next Year

Unite Solidly Back of "Food for Freedom" Campaign

In spite of numerous handicaps and problems facing farmers next year, the farmers of this country responded wholeheartedly to the "food for freedom" drive recently completed in a farm-to-farm canvass by AAA committeemen, according to County AAA Chairman Fred C. Ernest.

"The farmers in Wayne county, like farmers in the rest of the state and nation, are determined to cooperate to the fullest extent in agricultural defense plans in an effort to produce a record-breaking amount of food next year," Mr. Ernest declared.

The aim of the 1942 Farm Defense Program is to produce in an orderly and planned manner a sufficient amount of food in this country to meet increased domestic demand due to increased purchasing power, to meet the needs for improved nutrition in this country, to help friendly nations, and to build up reserve stockpiles of food to use as a bargaining power at the peace table and to have on hand to help feed starving Europe after the war.

Major problems confronting farmers next year will be an expected shortage of farm labor more drastic than in 1941 and a serious shortage of new farm equipment.

"Even in the face of these obstacles, our farmers have indicated they intend to roll up their sleeves and get the job done one way or another," the AAA chairman said. He pointed out that efforts are under way now to work out a plan to relieve the farm labor situation next year.

"We have been assured by defense priority officials that farmers won't be able to buy all the farm machinery they might ordinarily buy in 1942, so we're making every effort to urge farmers to repair their present machinery to make it so far another year or two. The Office of Production Management has announced that metal will be made available to fill the demand for repair parts for farm machinery."

Mr. Ernest said that farm women will play an important role in carrying out the 1942 Farm Defense Program. The farm wife, he said, is the traditional "poultry specialist" on most farms and will receive much of the credit for increasing egg production as outlined in the 1942 production goals.

He predicted that farm women will probably be out of the house more next spring and summer helping their husbands around the farm because of the labor shortage. In addition to these added duties farm women will continue their responsibility of seeing that farm families are well fed from a nutritional standpoint.

Audience Enjoys Town Hall Series

Dr. H. H. Crane Talks On "Time to Laugh"

"Laughter is the symbol of the inner satisfaction of an integrated philosophy," Dr. Henry Hitt Crane told an audience of 250 persons at the first Methodist church Tuesday evening. The occasion was the second of a series of "Town Hall" meetings sponsored by the Methodist church choir.

Prefacing his lecture on "Time To Laugh" with remarks on the contemporary world events, Dr. Crane, pastor of the Central Methodist church in Detroit, declared that the major concern of the church is the major concern of the nation when it understands itself. "The church must fortify the soul of the nation to endure and to save the world. The church is now called upon to act with daring, humility and purpose. The saving of the soil of a country is superficial without the saving of the soul of a nation."

"The art of life is the art of alternation. All life forces function rhythmically. Nobody can sustain any one thing at one level constantly, either emotionally, intellectually or spiritually," said the speaker. Dr. Crane admonished those "busy people" who are constantly driving themselves. In these times of national defense emergency, he reminded, it is not patriotic for men to so drive themselves that they spend their life energy. "All men need those creative periods in which to re-establish their souls. We can't stay satisfied at the mountain peak of any experience. We must always climb higher. But there are the valleys between; we can't leap from peak to peak. The difficult thing for most to master is the descent essential to a higher climb. The people who remain satisfied with their first early accomplishments become stagnant."

"If you refuse to drive toward new success, you are miserable and if you don't try a more difficult task, you will lose what you have earned," said Dr. Crane in his outline of a working philosophy of life.

Discussing the differences between play, work and drudgery, the speaker said that anything is play if you get satisfaction from it at the time. It is work, he said, if you get satisfaction in anticipation and it is drudgery if you don't get any satisfaction out of what you are doing.

"One may discover the art of transforming drudgery into work and the master artist learns to transform work into play through his imagination. The symbol of that victorious satisfaction is laughter," declared Dr. Crane who advised that the American people should re-define their working philosophy of life which is well-integrated and which in these times of stress will provide an inner adequacy and maintain our elemental courage.

The "Town Hall" audience Tuesday evening was very responsive in its appreciation of the popular lecturer's talk which was dramatically presented with inspired moments of serious thought interspersed with humor.

Legion Delegates Attend Meeting

Plan Get-Together Party Saturday Night

The auxiliary of the Myron H. Beals post No. 32, American Legion, was represented at the mid-winter conference of officers in Pontiac last Saturday by Mrs. Harry Terry, president of the local auxiliary; Mrs. Harold Anderson, district child welfare chairman; Mrs. Douglas Elliott and Mrs. Charles Cushman, Mrs. Mary Murrell, national president of the American Legion auxiliary, gave a splendid talk on national defense at the general session in Pontiac high school.

Mrs. Terry and Mrs. Anderson attended a joint district meeting of the American Legion at Lake Orion on Friday. A get-together party for the post and auxiliary members of the Myron H. Beals post will be held Saturday, December 13 at 8 o'clock in the Legion hall on Newburg road. Members are requested to bring sandwiches.

Plymouth Boys At Stock Show

Northville Fair Pays the Way

On November 29 a group of eight Plymouth boys, Charles Salow, Richard Wiseley, Junior Korte, Donald Korte, Kenneth Brinks, Gordon Vetal, Donald Vetal, Ronald Swegles and Dudley Scott of Romulus all 4-H Dairy Club members made an educational trip to Chicago to attend the International Livestock show and 4-H club Congress.

They were accompanied by Kenneth J. Anderson, county club agent and Ellsworth Besemer, county agricultural agent. The trip was made possible through a fund given by the Northville Wayne County Fair association.

A major incident of the trip to Chicago was when the group stopped a few miles west of Jackson on M-60 and assisted in putting out a farm house fire. Had it not been for the prompt work of the boys the damage would have been very serious.

While in Chicago the boys visited the Ghetto street-market section, the Chinese district, the Chicago Board of Trade, Swift Packing plant and the Livestock show. Sunday night they attended the Chicago Sunday Evening club where 4-H Club delegates had a major part on the program. At the Livestock Show they saw prize winning animals from all parts of the United States and from Canada. In connection with the Livestock Show there were exhibits of hay, grain and wool.

The horse show was held in the evening where exhibitions of riding and driving were given. An exhibition of driving eight ponies hitched in tandem drew applause of the crowd as did the driving of the six horse draft teams.

Probably the most inspiring part of the evening program was when over 1500 4-H club delegates from 47 states and Canada marched into the arena led by two 4-H club bands. These delegates averaged seven years in 4-H Club work and represented the 1,500,000 4-H Club members in the United States.

Woman Botanist Gives Talk

Doctor Clover, well-known woman botanist from the University of Michigan, gave a talk illustrated by three reels of film taken on her trip from Green River, Utah to Boulder Dam and through the Grand Canyon, to the teachers of the city, December 2, at Starkweather.

She stated that the mortality of those attempting the canyon is 50 percent, in other words only three out of six could expect to return alive. This being true she made her trip before leaving.

Their specially made flat boats of five-ply Douglas fir strips with oak bands on the bottom had air and water tight compartments so that they could be nearly full of water and still not sink. The current, which flowed 70,000 feet per second in the flood-stage, carried them swiftly for 42 days to Boulder Dam. The water in the numerous rapids tumbled the boats with such force that the occupants were often helpless and stunned. Dr. Clover's main interest in this trip was to collect prize botanical specimens and to discover what types of vegetation flourished on the floor of the canyon.

Groups Sponsor Yule Program

A Christmas program will be presented by the Girl Reserves and Hi-Y boys Monday evening, December 22 from 8 to 9 o'clock at the Presbyterian church. The public is invited to attend.

The program will be opened by Frances Weed giving the call to worship. Then a pantomime will be presented in five parts. First, "Holy Night" with Marie Ann Miller and the choir; "Hark! The Herald Angels Sing" with Owen Gorton and the choir; Scripture reading by Bill Bartel; "While the Shepherds Watched Their Flocks" with Shirley Bassett and choir; and "The Three Kings of the Orient Are" by the choir boys. Marion Goodman will tell the story of "The Chimes Rang" and Robert Fisher will lead the closing prayer.

Editorial

Are You Fit For College?

If you plan to go to college, have you considered what you are getting into? Are you going because it is the popular and easy thing to do, and because your friends are going; or are you planning to get as much as possible from an advanced education?

In Plymouth graduating class of 1923 students in 1941, 44 went on to higher learning. That was approximately one-fourth of the class, which was actually a good percentage. Of the 44, 37 went to some type of college, the rest going to trade schools, etc. The University of Michigan was chosen by nine students, four selected Wayne University, four Michigan State college, and three chose the Michigan State Normal college at Ypsilanti. Very few went to out-of-state colleges.

Some students are not suited for college and they could do much for themselves in other fields such as in trade schools, business schools and apprenticeships. Before entering college you must decide whether your main interests are centered in academic learning.

There are many things to consider. First, you must be able to work diligently and continuously, and you must enjoy reading and working with books. Concentration is particularly essential as well as perseverance. Another problem will be your financial backing. It is not necessary to have wealth in order to go to college as it is entirely possible that you can work your way through. Scholarships are earned by many students through good scholastic records. But remember it is an expensive proposition. It is important that you make yourself worthy of it.

In choosing a school, do not take it because your friends go there, because it is the cheapest, or because it is the one nearest home. Select a college according to the courses offered, the subjects you are interested in, and for its standing in education, not football. To secure information, visit various campuses, interview your friends and students from those colleges, and read college catalogs; but be critical when making your decision.

Adult Homemaking Courses Completed

The Adult night school homemaking classes have completed their ten-week courses on cooking and sewing respectively. A new session will begin after the holiday season on January 12.

At the request of several ladies in the December 2 boards' class thermometers and their use in cooking were discussed. The women were especially eager to learn candy making using the thermometer. One of the students brought a Presto pressure cooker, which is the newest model being sold, and demonstrated how to cook potatoes in four minutes. The daily job of the homemaker was analyzed and the women determined that buying groceries was the most difficult task, as there are so many different brands of everything that it is difficult to know which is best.

When a man has not a good reason for doing a thing, he has no good reason for letting it alone.

Gettin' Around

Two places in Ann Arbor seemed to share the popularity last week-end. At the Parrott Virginia Moss, Jack Baker, Nina Jean Lawson, Jim Sexton, Gerry Jenap, Wes Hoffman, Betty Brown, Warren Hoffman, Mary Ellen Dahmer, Art Johnson, Billodean Blackford, and Al Evans made merry and Kiye Tamutuzer, Jack Christensen, Lucy McGreggs, Larry Arnolds, Lois Hoffman, Jake Shoemaker, Signe Hegge, Bob Bachelder, Marion Parson, Orlyn Lewis, Elaine DePlanche, Sheik Erdelyi, De Rue De Planche, Eddon Martin, Elaine Weidner, and Bob Sessions went to the Colonnade after the prom.

Marion Goodman and Graham Laible saw a minstrel show presented by the Dearborn Guild in Dearborn Saturday night.

Elaine Waters was the weekend guest of Elaine De Planche. Elaine De Planche was the guest of Lois Hoffman Sunday afternoon.

Virginia Moss, Jack Baker, Signe Hegge, and Bob Bachelder went bowling Saturday night.

Donna Mayer of Berkley was the Sunday dinner guest of Sally Jean Haas.

Joyce Penny, Dick Behler, Sally Jean Haas, Milton Humphries and Eli Mettetal were entertained at the home of Donna Mayer of Berkley Sunday night.

Ruth Dews, Gordon Ross, Annabelle Becker and Lloyd Clark went to the United Artists theatre Sunday night to see "The Shadow of the Thin Man."

The Ranch House was the stopping place of Ruth Dews, Gordon Ross, Annabelle Becker, Lloyd Clark, Dorothy Ritchie, Lester Simons of Panama, Gladys Davison, Alan Bennett, Marie Ann Miller, Bill Schultz, Marion Goodman, Jack Anderson, Nancy McLaughlin, Bill Wernett, Dorothea Hance, Dale Curtis, Wanda Hepler and Tom Roberts after the prom.

One of the most popular places with the Plymouth young set was Pen Mar in Rosefield Gardens. Among the couples that went there were Phyllis Nichols, Owen Gorton, Marilyn Gussell, Bob Birt, Virginia Shettleroe, Lee McConnell, Wilma Lounsbury, C. A. Hoffman, Gloria Eckles, Ed Curmie, Pat Mason, Ray Kearney, Jerry Dahmer, Junior Korte, Marion James, Bruce McAllister, Dick Fisher, Patty Hudson and Dick Virgo.

Among the Plymouth couples at the Dutch Hut in Redford after the prom Friday night were Connie Daily, Bob Thams, Allene Parmalee, George Chute, Dorothea Penschulat, Elmer Shoemaker, Joyce Penny, Vic Riclit, Jane Lehman, Gus Elliott, Lennie Jean Ebert, Frank Lodge, Jean Judd, Camerson Lodge, Betty Jewell, Bill Brose, Mildred Brose, Fay Pratt, Jack Bickly, Sally Jean Haas, Doug Lorenz, Milton Humphries without loud shirt or socks? C. A. Hoffman not being full of fun? Bob Fisher without something to do? A clean pair of saddle shoes? Peewee Ray being called Rosemary?

Junior Korte being called ??? What is his name anyway? Russell Downing without Gettin' Around news? Dorothy Rowland without a swell personality? A J-Hop without formal? The kids without "cakes"? Anyone getting social news in on time? The halls without monitors? Christmas without carols? First year chemistry without a broken test tube? Jimmy McAllister as a six-footer? The Bennett sisters without red hair? Ruth Granger without Ann Arbor? A senior without his or her picture? Myrtle Schrader without Louise Newmann? Mrs. Bixler walking slowly? Large Crowd At Senior Prom

To the tune of Milton Ross' music, 183 couples tripped the light fantastic for hours last Friday evening at the senior prom presented by the class of '42. The nine-piece orchestra was procured through Mike Falk, agent for a number of well known Detroit bands.

Although all of the costs have not been totaled, about \$20 has been counted on as profit, something seldom expected of such a formal occasion. At the J-Hop, presented by the same class last March, 198 couples were present.

The dance, with Frances Weed in charge, was held in a wintry atmosphere in the gymnasium. The ceiling was of blue and white crepe paper, streamers with blue and white fluorescent lamps shining through.

Behind Scenes

We're stumped. We have less to report about than usual. So, we dragged S.P. No. 3 out of class and threatened, "We don't know what to say for this week. Run around and see if you can't get some more of those 'imagines'."

But before we get into that, we'd like to tell about what we did see. The morning after the latest chapter of the Army-Navy gridiron feud, this was found in a Detroit paper; "Navy Conquers Army 14 to 6." Nothing out of the ordinary there as far as headlines go. The story is concerned, but leave it to the sailors to pull something out of the sea! A lower headline reported, "Sub scores for cadets."

Item: Why are all the girls acting so nice? Could it be Christmas?

Can you imagine: Dorothy Blunk and Marion Goodman having each other's hair? Miss Wells chewing gum? A first year French student without a punishment for being "socially inclined"? Janet Strachen without an original idea? Connie Daily without a cute outfit? Lois Hoffman without a new dance step? Doug Lorenz without a line? The study hall without signs on the blackboard? Mike without his orchestra? Jeanne Judd without a paint brush? Bill Upton without a red hat? Ray Kearney without come-back? Gordon Ross without an idea? Milton Humphries without loud shirt or socks? C. A. Hoffman not being full of fun? Bob Fisher without something to do? A clean pair of saddle shoes? Peewee Ray being called Rosemary?

Junior Korte being called ??? What is his name anyway? Russell Downing without Gettin' Around news? Dorothy Rowland without a swell personality? A J-Hop without formal? The kids without "cakes"? Anyone getting social news in on time? The halls without monitors? Christmas without carols? First year chemistry without a broken test tube? Jimmy McAllister as a six-footer? Report Results Of T.B. X-Rays

Of the 70 people who were X-rayed for tuberculosis only 11 of them, eight boys and three girls, were found to have the primary type, also called childhood T.B. These people do not really have the disease, but at sometime during their childhood they had picked up the germ. On top of the lung a calcium formation was found; this coating surrounds the germ and prevents it entering any further and developing into an adult case.

These students could become afflicted only if in a rundown condition. The tuberculosis society sent out a group of rules for these people to follow. The person should have a check-up every 12 months until he is 21; get sufficient sleep and avoid overwork; have the proper clothing to keep the body warm and dry—especially in the winter; eat simple wholesome food—emphasis should be placed on the necessity of having breakfast before going to school; competitive sports should be avoided; under no circumstances should dieting to reduce be permitted. If the 11 students follow these rules it is certain they will not contract the disease.

Pennies spent on Christmas seals in Michigan save thousands of lives from tuberculosis each year. Use Christmas seals!

ADVISERS

Former Student on College Publication

Ellis Brandt, a former student of Plymouth high school class of '39, now a junior at Michigan State college, is business manager of the 1941-42 student directory and an associate editor of State's newspaper. Besides these activities he writes for several magazines.

His success as business manager is confirmed by the fact the first directories have been sold out and a second batch are on sale.

While a member of our student body, Mr. Brandt was editor-in-chief of Pilgrim Prints and on the staff for several years.

Class News

When reports were being given in Mr. Reeves' 7A geography class, Rose Marie Ericsson told about food conditions and rationing in Sweden. She mentioned that one family was allowed only one pound of coffee each ten weeks and that sugar and meat are cut down similarly.

Another report was given by Danny Hines on seal hunting in the northern areas of Canada.

Several geography classes are bringing in maps of war areas and using these as a basis for studying the influence of geography on war zones on both land and sea.

The biology classes saw the movie "Worms of the Kidneys" Friday, November 28 and "Fertilization" December 3. This was also presented for science classes.

The movie "Boy in Court" was presented for the government classes, and chemistry students saw "Water Cycle" December 2.

Miss Saffell's world history classes have been making maps of Charlemagne's Empire.

Lawrence Eckles and Eddy Good are experimenting with four types of grass seed in Mr. Wallace's biology class.

They are trying to find the type of seed that grows better, and the difference fertilizer makes.

Miss Sweet's 8A English class is studying folk lore.

The Girl Scouts of Troop I are working on their tree finder's badge.

Mr. Goodman's first hour 8B history class has been studying the constitution of the United States.

Mr. Goodman's business mathematics class has finished its work on wholesalers, retailers, and commission merchants.

Home Economics teachers from all surrounding schools met at a fellowship dinner in Redford Union high school December 2.

The purpose was to discuss problems common to all so as to establish a closer relationship between Homemaking departments of different schools.

Mrs. Hecox's seventh grade homemaking classes are preparing Christmas gifts to give to relatives and friends. The girls are making luncheon cloths, hot pads, pot holders, and aprons. The decorations in the home economics room on the second floor were made by the whole homemaking department, each class doing a different part of the entire scheme.

Miss Lundin's Homemaking I class, seventh hour, entertained their mothers at a Christmas tea, December 10. A fine turnout was reported.

Mr. Blunk's business training class has been studying the advantages and disadvantages of the various types of business organization: the partnership and the corporation.

The ninth grade vocation's classes have completed the study of opportunities in the aviation industry and are now concentrating on the occupations in the field of communications.

A little dot, commonly known as the decimal point, has been causing a great deal of trouble in the general mathematics classes!

Thirty-three French students enjoyed a French movie at the Roosevelt high school in Ypsilanti Tuesday afternoon. The picture "Grand Illusion" was one of the best movies made in France before the war.

Miss Killham's tenth grade English classes have been giving their book reports.

Caroly Marion Hall, daughter of Mr. and Mrs. William R. Hall, lives at 7622 Perrin road, Garden City, Born in Detroit, she has also lived for nine months in Pensacola, Florida. Collecting souvenirs is Caroly's hobby. Boys that take girls out and "hand them a line" are her pet peeve. Formerly she has been on the Pilgrim Prints staff. To be an aviatrix is Caroly's aim.

Another one of those long-winded numbers, 29951, is found on the home of Alvin Kechl on Schoolcraft road. This son of Mr. and Mrs. William Kechl was born in Redford township and has lived at several other places before settling down. His hobby is building radios and model airplanes. He says he has some "what he intends to be, but he is sure he does not want to be a farmer. Women who smoke are his prize provosity.

To be a war nurse is the aim of Doris Lee, daughter of Mr. and Mrs. William F. Lee of 1100 Dewey street. Doris was born in Van Wert, Ohio and moved from there to Plymouth. She has traveled to many different parts of the country including California, Florida, Texas and Arizona. Roll-er skating is her chief hobby.

Goodfellows Receive Home Ec Club Help

The Home Economics club has received permission from the local Goodfellows to collect toys and clothing from all students of this school, which the club members are fixing and mending. Then the articles will be given over to the Goodfellows for Christmas distribution. The girls also are to help the Goodfellows pack baskets and boxes a few days before Yuletide, and will accept and urge all pupils to turn in to Mrs. Hecox any clothing or old toys which can be fixed and mended.

Senior Sketches

"Puttering around with speed-boats" is the pastime of Wallace Dale Eckler. It is probably a carry-over from the days when Wallace lived at Houghton lake before moving to 1071 Holbrook avenue. The birthplace of Mr. and Mrs. William Eckler's son is Farmington. He is still undecided as to what his future occupation is to be but he is taking a machine shop course. This boy, whose pet peeve is girls, has visited New York City and has literally gone over Michigan with a fine-toothed comb.

Ruth Elizabeth Kreefer, daughter of Mr. and Mrs. William Keefe, 2702 Forest avenue, claims Ann Arbor as her birthplace and she has also lived in Mt. Clemens. To roll around on wheels, roller skating to you, is her favorite pastime. She has in the course of her high school years belonged to Girl Reserves for one year, served on the J-Hop committee, participated in girls' sports and sung in the Glee club and double quartet, but she has managed to find time to travel to Niagara Falls and through Illinois. Ruth's pet peeve is people who wear too much jewelry. Her ambition in life is both unusual and unselfish—to save a human life.

G. R. Doings

Miss Cobb, Girl Reserve secretary of the Y.W.C.A., visited the Girl Reserves Thursday, December 4.

At the joint meeting of Junior and Senior G.R.'s, Miss Lickly spoke about the Maories of New Zealand. Shirley Bassett sang one of their native songs in English, and records made in New Zealand by the natives were played.

Marion Kirkpatrick, in charge of the junior high dance to be given by the seventh grade tonight, has engaged Mike Klein-schmidt's orchestra from 7 till 10.

while her pet peeve is talkative people. She has participated in the double quartet and the Girls' Glee club.

Music is the main interest of Ina Jean Gorton, 474 Main street, the daughter of Earl and Nona Gorton. She was born in Remus, Michigan from which she moved recently and entered Plymouth high school on October 6. She plays the piano but likes singing better. It is no surprise then that she wishes to make a career of music. Her pet peeve is people who phone and say "Guess who?"

No person has enough money to protect his family from tuberculosis. It might be caught from a waitress, a school teacher or a relative. It is a community problem—met by the Christmas seal program.

Girls' Basketball Teams Chosen

Those interested in a girls' basketball tournament met and elected captains Monday night. Four freshmen teams were chosen, whose captains are Fisher, Hokenson, Hitt and Becker. The sophomores had the greatest number turning out. Captains for them are Vetal, Bogenshutz, Heller, Stover, Konezski and Niedospal. Martin, Hitt and Brandt were elected by the juniors. The seniors had only enough girls to make up two teams. Their captains are Niedospal and Stitt. The officials will be taken from Leaders' club girls who are studying the rules and soon will be given a test. To be an official a girl must have very high test marks and also pass a test on officiating at a game.

Inquiring Reporter

Bob Birt—I would start praying.

Ruth Granger—Spend my last hour in Ann Arbor (We wonder why.)

Bill Woster—I would probably lie down and die.

Faith Brandt—Wouldn't you be in the hospital?

Bob Fisher—Try to do the most constructive thing for humanity that I could possibly think of.

Ione Stuart—Have a good time.

George Chute—Spend that hour attempting to figure out what to do with it.

Lois Ridley—Think of all the wrongs I have done and try to straighten them out; also I would arrange for a beautiful funeral.

Clare Ebersole—I would volunteer my services for a dangerous experiment that would aid the government of this country.

Virginia Garrison—Arrange to have a symphony orchestra play all my favorite music.

Pinky Folsom—I would take out \$10,000 life insurance to leave to somebody and raise "cain."

Margaret Jean Nichol—do everything bad I've always wanted to do.

Eighth Grade News

The 8B had their first taste of algebra last week—equations. The eighth grade American history class heard some of Miss Lickly's records by the natives of New Zealand.

The girls' eighth grade gym class has started basketball.

The boys are also playing basketball. The class is divided into six teams. The captains are H. Johnson, J. Olsaver, D. Olds, V. Simonetti, J. Dane and E. Shoemaker.

St. Nick's dance sponsored by the seventh grade will be held in the high school auditorium December 12 for the junior high. Mike's orchestra will furnish the music. It will be held at 7:30.

River Rouge Here Tonight

The Rocks' basketball team will meet the River Rouge quintet in the high school gymnasium tonight (Friday). The second team game will start at 7 o'clock and the first team will start at 8 o'clock.

High School Boys Work For Pilots' Licenses

Most young men desire in high school is to learn to drive a car, but Eli Mettetal and Owen Johnson, graduated last year and are now taking a post graduate course, even went farther than that. They learned to fly. Eli has had ten hours solo and eight dual, while Owen has had 15 solo and nine and a half hours dual flying. Both boys are working to get a license. Each of them fly Piper Cub trainer planes and Taylor Craft. Maybe sometime in the future if enough people learn to fly, instead of the school having a parking lot it will have a landing field.

Unless the Christmas seal sale in Michigan realizes a 10 percent increase over last year's, the Michigan Tuberculosis association will be forced to curtail its program of prevention planned for 1942.

The Wonderful No-Horse Shay

Recently during the junior play, a buggy was seen standing in the school park as an advertisement for "Mignonette." Many people have wondered about the ancient vehicle's history and ownership. One of the juniors, Rosemary Ray, is the proud owner.

This summer she happened to notice a broken down wreck that had once been a buggy in a back yard of a house on Mill street. Marching up to the owner she questioned him on the possible value and pedigree of the buggy. She found that it was patented in 1881 and made by the Spiral Spring Buggy company, Grand Rapids, Michigan. Being of no use, it was presented to Rosemary free of charge. By the work of many it was given a new coat of paint, a canvas top, mended with plastic wood, and then a little carpentry changed the survey once more into a thing of beauty. At the present time the buggy is in working order. This was proved when it was taken out on a modern road. By the way—has anyone got a horse?

Guess Who?

Brown eyes and black hair. This sophomore gal has a friendly air. She never-flirts with another. Teddy. Because with Jack she is going steady.

This sophomore lad plays in the band. To his class he's what Roosevelt is to the land. He has blonde hair but would be a fake. If he tried to copy Veronica Lake. (Answer next week)

ROGER BABSON SAYS Higher Freight Rates Not Needed

New York City, December 12.—"I wish I had the pull with the county agent that John Jones on the other side of town has." "The present plan of helping agriculture is very unfair to the honest farmer." "I got a check for \$125 today for doing something which I have done every year for 20 years." "Can't some farm aid plan be devised of which the crooks cannot take advantage, something not only fool-proof but burglar-proof?" "The above are a few extracts from letters recently received. As a result, I have been studying the farm problem. I find that the Federal Government is now returning each year about \$1,000,000,000 to the farmers in the form of various kinds of bonuses, gifts, carelessness, and even mistakes have crept into this distribution. These troubles can be corrected every year until permanent relief is obtained. The distribution of this money can become so complicated and create so much hard feeling—neighbor against neighbor and all against the Government—Congress will sometime lose its patience and wipe out the whole business. It is for the interests of farmers, therefore, to quit the policy. Let's get all we can while the getting is good." Instead they should seek some fool-proof simple method of accomplishing better results with more fairness and less waste. The problem has become further complicated by President Roosevelt allowing the railroad employees a wage increase of \$325,000,000 with the sub-rosa promise to the railroads of a further rate increase when lower freight rates are needed. I, therefore, want to tell of a plan which will save both the farmers and the railroads. I will call it the Prince Plan after the name of Frederick Prince who first suggested it. It should interest every taxpayer as well as every farmer and railroad bondholder. Politicians, however, will not like

it; neither may some county agents and labor leaders. Instead of paying the farmer on the present set-up which encourages him to plant as little as possible, the Prince Plan allows him to plant all he wishes, but gives him a reduction in railroad rates and protection against unfair foreign competition. Interview 100 farmers and 95 of them will tell you that they could make a fair profit on their products if it were not for transportation costs. The difficulty is that the farmers, fruit growers, and live stock raisers are suffering from too high freight rates. In many instances the freight amounts to more than the price of the product at the farm. This plan also gives farmers freedom to raise what they wish and to sell for what they wish. The railroads will reply: "But we are as hard-up as the farmers. Just now we are making money; but after the War we will be in worse condition than ever. We need higher, rather than lower, freight rates. To add to our troubles our railroad employees have now been given a raise which will cost us over \$300,000,000 a year." I reply by saying that we do not want the railroads to lose a dollar. The Government should send the railroads a check each month equal to the amount the railroads reduce their freight rates for the benefit of the farmers and increase their wages for the benefit of the Brotherhoods. As you see, this lower-freight rate plan has several advantages: (1) It treats all farmers alike, whether Republicans or Democrats. (2) It eliminates arguments with the county agents. (3) It greatly reduces the cost of supervision. (4) It saves taxpayers' money. In short, instead of having to get information from millions of farmers and mail millions of checks, it would be necessary for the Government only to mail a few hundred checks. Under this plan all parties—farmers, railroads, labor and consumers would be better off. In the end, the farmers' well-being and the nation's well-being are one and the same thing. Only as more is produced, is there more to divide in the form of wages, salaries, interest on savings accounts, and dividends. The whole system of restricting production to build up prices, or of raising railroad freight rates to increase income, is "sick-eyed." We get richer as a nation only as we produce more and reduce costs, not as we produce less and raise prices, wages, or freight rates. The farmer, who is willing to live out on the prairie away from the advantages of the city, should receive some compensation for doing this. The natural way to compensate him is through raising freight rates, not by raising them. Perhaps my best argument in favor of this plan is the fact that most market gardeners, fruit growers, and others living close to the cities are making money now. In other words, it is the freight rates that are raising havoc with the farmers and now we are talking about raising them more! Some exporting bounty that will protect the farmer from foreign competition should also be considered, perhaps something like the McNary-Haugen bill. This provides a certain rebate, or subsidy, on what is sold abroad below a reasonable price. No politics or unfairness could work into such a program. The Government knows exactly what is being exported and where it is going. They can base checks thereon and distribute the money, as Senator McNary has so well worked out. The details of this I am not now discussing. The two, however, must go together. One is the "lock" and the other is the "key"; one the "hatchet" and the other the "handle."

Billy Clark and Louis Sutton were captains for an arithmetic contest last Friday. Billy's side won. The high scorers were Clyde Parker, sixth grade; Betty Jane Layaz, fifth grade; and Tommy Campbell, fourth grade. Our perfect spellers for last week were Luella Chappell, Clyde Parker, sixth grade; Tom Campbell, Billy Clark, fourth grade; Lynn Hazlett, fifth grade; Denny Winkler, third grade; Bobby Clark and Judy Sechlin, second grade.

The third graders are learning to do harder subtracting problems in which they borrow from one number for another. The fourth graders are learning to multiply by two numbers. Many of the pupils that were absent last week with colds were back to school Monday.

CHRISTMAS TELEPHONE CALLS

PILE UP TOO!

You can shop early and avoid the rush. You can mail Christmas cards early. But naturally you want to place Christmas telephone calls on Christmas Eve and Day. And then our rush is on! Last Christmas the number of long distance telephone calls at some points was EIGHT times normal. This year we expect an even greater "traffic jam." No amount of stretching can expand a normal telephone system eight times its size for one day in a year. It would not be practicable to build that large a system for just one day's use. All available operators will be on duty this Christmas and many new toll circuits will be in use. But there still will be delays on many calls—some may not get through at all. You can help speed your message by calling before 9 a.m. Christmas day and by giving the operator the number of the distant telephone. If there is a delay on your Christmas call, we hope you will understand the situation we face.

To the Highway Commissioner of the Township of Canton, Wayne County, Michigan. Sir:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held Friday, November 14, 1941, decide and determine that the certain sections of road described in the minutes of said Board, heretofore taken over as County roads, should be absolutely abandoned and discontinued as public highways. The minutes of said meeting fully describing said sections of road are hereby made a part of this notice, and are as follows:

"Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Barlum Tower, Detroit, Michigan, at 10:00 A.M., Friday, November 14, 1941. "Present: Commissioners Wilson, O'Brien and Breining. ...

"Commissioner O'Brien moved the adoption of the following resolution: "WHEREAS, Brookline Avenue, Elmhurst Avenue, Marlowe (formerly Hawthorne) Avenue, Oakview Avenue, Bertram (formerly Wildwood) Avenue, and all public alleys located in "Wildwood Park," a subdivision of the southwest quarter of Section 10, Town 2 South, Range 8 East, Canton Township, Wayne County, Michigan, as recorded in Liber 61 of Plats, Page 60, Wayne County

Records, are County roads under the jurisdiction of this Board; and

"WHEREAS, an order was signed by the Hon. Henry G. Nicol, Circuit Judge, and entered in the Circuit Court for the County of Wayne, in Circuit Case No. 223,075 on the 16th day of September, A.D. 1941, vacating said Brookline Avenue, Elmhurst Avenue, Marlowe (formerly Hawthorne) Avenue, Oakview Avenue, Bertram Avenue (formerly Wildwood), and all public alleys as above described; and

"WHEREAS, there are no buildings of any character located on said streets and alleys so vacated; and

"WHEREAS, the public will have no further use for the streets and alleys vacated by said order:

"NOW, THEREFORE, BE IT RESOLVED, That Brookline Avenue, 60 feet wide, and 0.248 miles long; Elmhurst Avenue, 60 feet wide, and 0.248 miles long; Marlowe (formerly Hawthorne) Avenue, 60 feet wide, and 0.249 miles long; Oakview Avenue, 30 feet wide, and 0.249 miles long; Bertram (formerly Wildwood) Avenue, 60 feet wide, and 0.244 miles long, being a total of 1,238 miles of streets; and all public alleys, being 0.411 miles of alleys, as located in "Wildwood Park," a subdivision of the northwest quarter of the southeast quarter of Section 10, Town 2 South, Range 8 East, Canton Township, Wayne County, Michigan, as recorded in Liber 61 of Plats, Page 60, Wayne County Records, be and the same are hereby abandoned and discontinued as public highways.

"BE IT FURTHER RESOLVED, That this Board believes it to be to the best interests of the public that said streets and alleys so abandoned and discontinued should be absolutely abandoned and discontinued.

"The motion was supported by Commissioner Breining, and carried by the following vote: Ayes, Commissioners Wilson, O'Brien and Breining; Nays, None.

"THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED. In testimony whereof, I have hereunto set my hand at Detroit, this 21st day of November, A.D., 1941

FORWARD TO VICTORY!

With a cowardly vengeance that outranks in viciousness, brutality and cunning all other crimes in world history, Japan has driven deep into the back of a friendly nation a dagger that has spilled the blood of innocents over a free land.

While Japan talked peace and life, it plotted death and destruction. Using as a shield the courtesy and good will of its tolerant, kindly American neighbor, it moved its armed forces into positions for its deadly blow. It sought to do the greatest damage in the quickest possible time.

Behind its smiling mask was concealed all the pent-up hate, aspirations and jealousies of a crazed war god whose bidding Japan is fulfilling.

The die has been cast. A UNITED AND MIGHTY NATION has been forced into deadly combat.

We will battle until VICTORY is OURS! We will leave no stone unturned until there is permanent peace, until our children and their children can look forward to a life that contains no fear of a monstrous, blood-thirsty nation or combination of nations. We have never lost a war. We will not lose this one.

Even the blindest of men must now realize that our future security depends entirely upon the absolute destruction of our enemies.

These foreign powers seek to make us slaves, but we will not be slaves!

We were born free American citizens and we will remain free Americans, so help us God!

For nearly two centuries we have been building a nation that has been the refuge of the down-trodden people of the world. Our fathers and their fathers came here to escape the hate and the spying and the treachery that has been imbedded down through the centuries in the Old World. We will have NONE of it here!

The United States has never been an aggressor nation. We have NEVER marched forth in a war of conquest. We have made free nations of oppressed people. We have kept our hands off the problems of other countries. All that we ask is that we be left alone to work out the salvation of our own people.

In the flash of a second we have become one UNITED, FIGHTING, DETERMINED AMERICA!

In our effort to keep America for America and to prevent our citizens from becoming the vassals of a combination of nations, we have forgotten our political differences, and we are one VAST ARMY, standing solidly back of our COMMANDER-IN-CHIEF, who is the President of our United States, Franklin D. Roosevelt.

To him we pledge all that we possess, all that we hope to possess!

Our constitution, given to us by our forefathers who fought eight long years to win it, who starved and sacrificed their all so that we might be free and independent, makes our President the leader of our military might in times of peril.

He WILL be victorious in the battle into which we have been driven!

He will be victorious because we, the PEOPLE, are determined that we SHALL win!

We have both RIGHT and MIGHT on our side. The others have only MIGHT and misery.

Each and every one of us will know what it means to deprive ourselves as we have never before been deprived of the necessities of life. We will face suffering. We will face destitution—there is not much question about that.

But a thousand times better to die from hunger and cold than to become the slaves of Japan, Germany and Italy; to see our children grow up in servitude to a group of Dictators who regard human life as something to be used only for the accomplishment of their brutal and ungodly purposes.

We have many handicaps to overcome. We have been shackled like the serfs of old by a lot of

Is It A Communistic Scheme?

In the senate of the United States there has been quietly going on for some time an inquiry into the control of radio stations. The hidden purpose of this inquiry is of vital interest to every American. A large number of newspapers own radio stations. This is due chiefly to the fact that in the early days of broadcasting it was the newspaper publishers who quickly realized the value of the radio as an auxiliary to the newspapers in the dissemination of news, and as a result they built and operated radio stations in connection with their newspapers.

These stations, just as the publishers anticipated, have proved a most valuable agency in providing the public quickly with the important news of the day.

Now certain groups seek to make it illegal for newspapers to operate radio stations, contending that such a condition is not a healthy one for the country as it enables newspapers to control more or less the opinions of the people of the nation.

Unfortunately for America this contention is not true. We believe that our country would be in a much more stable condition and there would be less confusion, less grafting and better government if the ideals of the majority of our newspapers prevailed.

The proposal to make it illegal for newspapers to own radio stations has emanated from certain New Deal sources. Of course they have hidden motives for any such a scheme.

Not so many weeks ago a fellow named Goodwin Watson was appointed Chief Broadcast Analyst of the Federal Radio Commission.

Watson is a known Communistic sympathizer, has written much in praise of the party's organization and belongs to nearly every Communistic "front" organization in America, says the Congressional Record.

Of course the vast majority of American newspapers are intensely American, intensely favorable to continuing the American form of government. What interest, one has a right to ask, have the Com-

munists in this effort to separate newspapers and radios? The Communists have but one idea in view. They aim to destroy Americanism, to liquidate by one method or another every one who believes in Americanism and to confiscate unto themselves everything that belongs to Americans. The control of radio stations would prove of great value to Communists in the spreading of their vicious doctrines.

With the infiltration of Communists into our government as congress sits slyly by, it looks very much as though we are on the way—UNLESS we rise up and put a STOP to all of the rottenness going on down in Washington.

Newspaper controlled radio stations have served the best interests of our nation in a masterful way. It is up to the administration to keep hands off. If anything is done at all, more freedom should be granted to radio stations and the licensing noose held about the neck of the business should be removed.

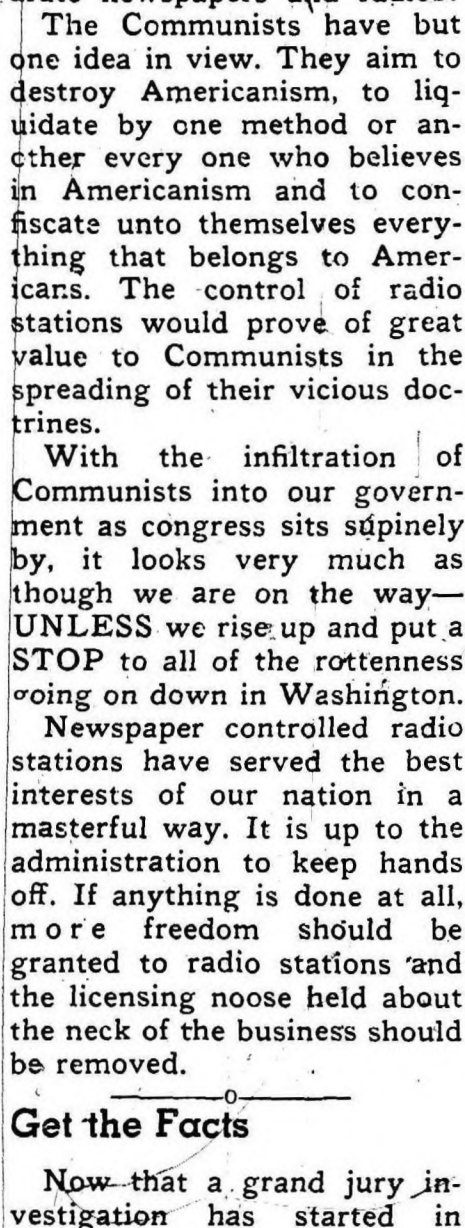

Get the Facts

Now that a grand jury investigation has started in Wayne county governmental affairs, the investigators should go to the very bottom of the thing and reveal to the taxpayers of Wayne county every bit of information as to what has been going on under cover during recent years.

There has been plenty of smoke for a long, long time. Let's get the facts. The inquiry should not be confined only to the county board of auditors. It should include the sheriff's department, the county clerk's office, the coroner's office—everything. If there is nothing wrong except a lot of talk and the miserable shake-down scheme forced upon county employes by their employers and outside racketeers, let's find that out, too.

It would appear that the time is at hand when some steps should be taken to protect the taxpayers who put up the money that is paid by county workers to their bosses by the contemptible shake-down method, another creation of the breed of politicians who have come into power in the last eight or ten years.

Good Tidings for Christmas

25 YEARS AGO . . .

And 50 years ago news taken from the files of The Plymouth Mail. A real community Christmas tree in Plymouth for everybody. That is the program for Christmas, 1916. Under the leadership of progressive women of the Women's Literary club and a number of public-spirited citizens who are cooperating in the plans, Plymouth is swinging into line with thousands of other cities and towns for this beautiful Christmas custom which originated in New York City five years ago and has spread like wild fire all over the continent.

REAL CO-OPERATION

Those who know Romaine McCall, one of the publishers on the Gratiot County Herald, were not surprised to learn of his leadership in the move to save the Gratiot beet and bean crops. Less practical and forthright men would have bellyached to Washington, they would have cried for prison labor, or they would have called a conference and suggested that the beans and beets rot in the fields.

With Prominent Michigan Editors Their Views About Public Problems and Issues

MUST SAVE DETROIT!

We appreciate that there is considerable to be said for re-appointment as the issue is once again being put forward by groups in the Detroit sector. If, however, the revision is merely going to be added political power for the C.I.O. in Michigan—as was demonstrated nationally by John L. Lewis earlier this week—then the issue becomes one of reason rather than a willingness to accept one man control of legislative action.

Miss Sarah Smith and Tracy V. Passage, son of Mr. and Mrs. E. N. Passage of this place, were quietly married in Detroit Wednesday evening, November 29, by Rev. E. E. King, former pastor of the Plymouth Methodist Episcopal church. The ceremony was performed at the home of Rev. and Mrs. King in Detroit. Mr. and Mrs. Passage returned to Plymouth the same evening and immediately took possession of their new home on Union street which had been previously furnished for them.
