Whether you can have more sugar and if so, how much you can have.

After these ration books are issued, no consumer can buy any more sugar than the stamp is good for and without a stamp he cannot buy any sugar at all.

Registration officials estimate that approximately 9,000 persons will register during the four-day period with more than 2,000 registrations each day. There will be a registrar staff of 25 volunteers at the Central grade school and 15 at the Starkweather school.

Every consumer of sugar is required to apply for a ration book which contains 28 war ration stamps. From 7 a.m. to 5 p.m. the Office of Price Administration may issue orders rationing certain other products. The first four stamps in the book have been designated for the purchase of sugar.

A housewife may register and receive a ration book for each member of her family unit. Each person in a family is permitted to have two pounds of sugar on hand for which no stamps will be removed. Stamps will be removed at the rate of one stamp for each pound in excess of this limit. War ration books will not be issued to any person possessing more than six pounds.

Each individual may purchase one pound of sugar with each of the first four stamps. Sugar ration books are to be presented to the grocer at the time of purchase and he will remove the necessary amount of stamps from the ration book. If it is absolutely necessary for a person or family to have more sugar for home canning, illness or some other special reason, application may be made to your local rationing board. America answers the call

MILLIONS UNDER ARMS—the fastest, hard-hitting fighting machine the world has ever known! That is the goal, as America's youth rallies to the call . . . hurrying from farms, towns, and cities all the way from Maine to California, from the Great Lakes to the Gulf.

There's Tom, from down the block . . . Bill, and George, and Jack, who left good jobs . . . your friends, neighbors, brothers, sons. They're going . . . going eagerly so that America, our free America, will remain forever free.

And YOU, who'd like to join them, and can't . . . what about you? You can help by working harder than ever before and by buying Bonds to the very limit of your powers.

So let's all answer the call with every last dime and dollar that we can, even if it means going without things . . . remembering that we will go without everything, including our cherished freedom, if the Axis is not crushed, now and for all time!

Marvin Criger Is Aviation Cadet

Local Youth Trains At California Post

Taking the first step toward winning his wings as a pilot, navigator, or bombardier, Marvin J. Criger, 22, son of Mrs. Adelia R. Criger, of 648 Dodge, Plymouth, has become an aviation cadet at the air force replacement training center at Santa Ana, California, according to army officials.

During his stay at the replacement center, Cadet Criger will undergo various physical and aptitude tests designed to demonstrate the specific branch of

the airforce for which he is best suited.

Also included in the aviation cadet program are "refresher" courses in subjects that Criger will encounter as he "wings" his way toward a second lieutenant's commission. Directing the A. F. R. T. C. flying program that draws future air force personnel from 11 western states is Lt. Col. W. A. Robertson, commanding officer of the post.

Virginia Reed and Alvin Krizman Wed Saturday, April 25

Reed, and Alvin Krizman, son of Mr. and Mrs. Gustave Frum of this city, took place Saturday evening, April 25, at 8 o'clock in the rectory of Our Lady of Good Counsel church, in Plymouth, with the Rev. Father Renaud officiating.

The bride wore a gown of white tulle with a train and a full skirt with train. She wore a fingertip veil which was caught to a corsage of satin. Her bridal bouquet was white anemones and gardenias.

Lucile Reed, a sister of the bride, was maid-of-honor and wore a blue marquisette with white in blue, while Patricia, another sister, was bridesmaid, wearing pink marquisette with a matching sash. Their bouquets were sweet peas in pastel shades.

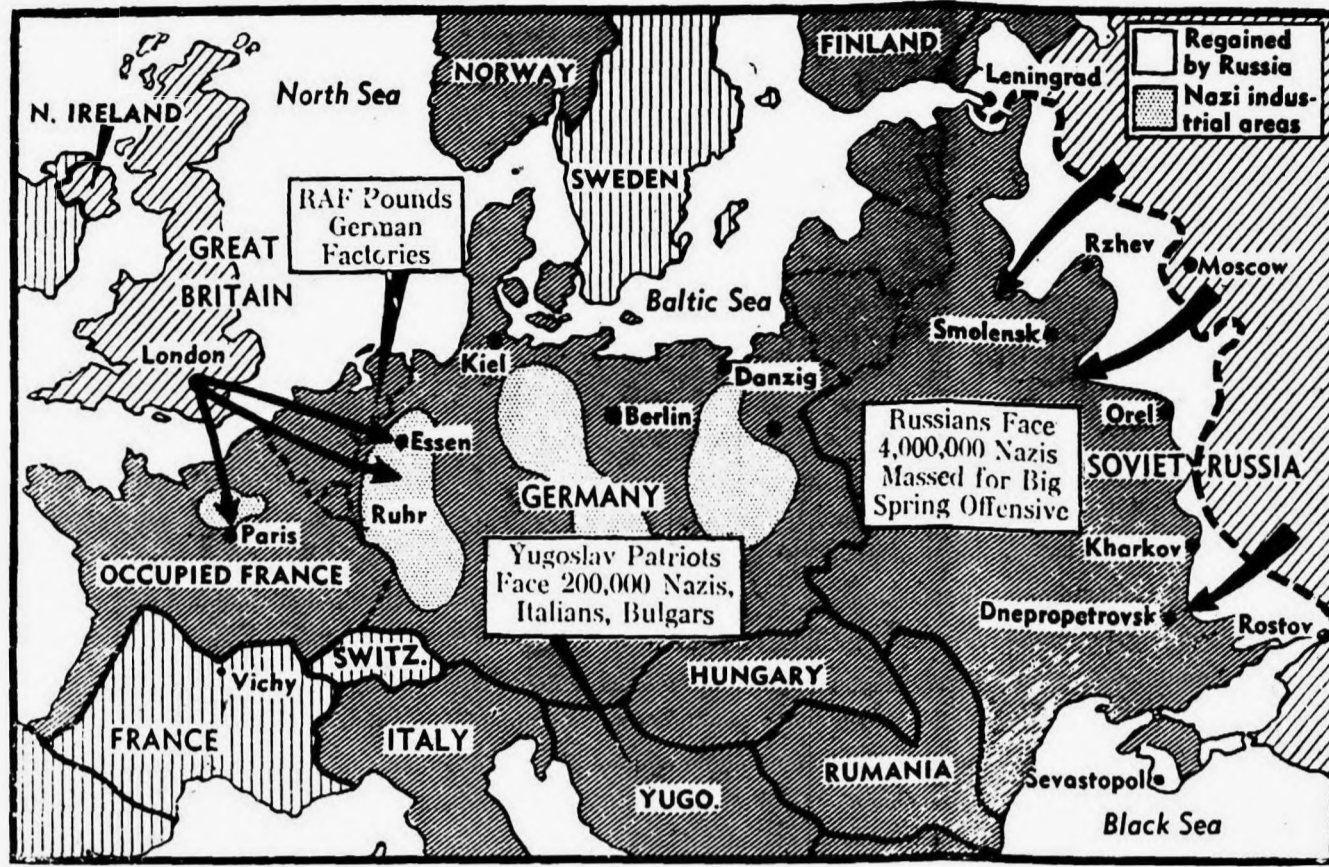

The bridegroom was attended by Clarence Reed, as best man and Warren Ford as usher.

The bride's mother wore a teal blue dress with corsage of yellow roses and Mrs. Frum wore a light blue print with corsage of pink roses.

The bride is a graduate of the Northville high school and the bridegroom of Plymouth high school. They will reside at 624 Maple avenue in Plymouth.

Mr. and Mrs. Krizman have returned from a short wedding trip to Chicago and Grand Rapids. For traveling she chose a beige suit with brown accessories. Her corsage was talisman roses.

The Pattern of Europe's Spring Offensives

Fighting desperately to keep the Nazis in check, Russia's Red army faces 4,000,000 men, massed for Hitler's promised spring offensive. Meanwhile, British raids on industrial centers in Germany and occupied France may present an attempt to establish a second front. Still fighting bravely, 150,000 Yugoslav patriots are locked in a death struggle against 200,000 axis soldiers.

No Oil Available For Dust-Laying

City To Use Calcium Chloride On Streets

In cooperation with the war effort, the city of Plymouth will not use oil for dust-laying purposes on streets this year. City Manager C. H. Elliott declares that oil cannot be obtained without jeopardizing the supply for essential war industries.

The use of calcium chloride as a substitute for oil was started last Friday. In order to get the maximum efficiency, calcium chloride should be sprinkled in a light coat on gravel streets once or twice a week. Citizens are urged to cooperate by driving not more than 15 miles an hour on gravel streets to avoid stirring the dust.

Dearborn Beats Plymouth, 7-4

Rocks Lose On Weak Pitching

The Rocks could get but three hits for four runs while Dearborn pushed across seven runs with the help of 13 walks, four wild pitches, one error, two passed balls, and eight hits. Ross was the starting pitcher for Plymouth, but was relieved in the third by Wood after allowing three hits and eight walks for three runs. Dearborn's other four runs came in the fourth frame. Chaddock started the rally with a triple to deep center followed by walks to Wiseman and Wagner. After Keeney and Sheffely were put out Nieland singled scoring Chaddock and Wiseman. Arksey walked and Marshall singled. Wagner and Nieland scoring.

Hancock obtained one of the Rocks' hits in the second when he smashed a single over the infield. Woods sacrificed him to second and after Schwartz had walked and Sheppard struck out, Hunt and Newton walked freeing Hancock. Schwartz scored when the Dearborn catcher walked to the bench with the ball thinking there were three outs. The Rocks rallied for two runs in the seventh period; Schaufele batted for Woods and walked. Schwartz then tripled scoring Schaufele. When Marshall booted Sheppard's grounder, Schwartz scored. Hunt then struck out.

The fielding play of the game was Hancock's running one handed catch of a fly to deep center.

Police Issue Bicycle Warning

Prohibit Traffic On Business Sidewalks

The police department has issued a warning and rules for bicyclists following two recent accidents. The past week a pedestrian was injured in a fall over an improperly parked bicycle and a young boy was slightly injured in a collision with an automobile.

Parking of bicycles against buildings in the business area is strictly prohibited; they should be parked either at the curb as automobiles are parked, or at the rear of business places. It is also unlawful to ride on sidewalks in the business section, but cyclists may ride on the sidewalks in the residential section, if they give the pedestrians the right-of-way. These provisions are made to protect children and to prevent accidents.
