Plymouth School District Holds Election Monday

Voters To Elect Two Board Trustees And Vote Land Transfer

Qualified voters of Plymouth school district No. 1 fractional will go to the polls Monday, June 8 to elect two members of the board of education for terms of three years and also vote on a special proposal for the transfer and exchange of school property. Polls will be open at the Plymouth high school from 7 a. m. to 8 p. m.

Candidates for the board of education are Dr. Harold J. Brisbois; George S. Burr, incumbent and treasurer of the present board, and Howard W. Stark. Dr. Brisbois has been a resident and practicing physician in Plymouth for 17 years. He is chief medical examiner for the local selective board, ex-president of Kiwanis club, a member of the Myron H. Beals post of The American Legion and a member of Our Lady of Good Counsel church. George Burr, civil engineer for the Wayne county road commission, has served on the board of education for the past eight years. Howard Stark has lived in Plymouth for the past 14 years, was formerly manager of the local A & P store, and is a member of the Plymouth Rock Masonic lodge and the First Methodist church.

The special proposal concerns the transfer of a 10-foot strip of land to widen the alley at the rear of Adams street to the city, in exchange for which the school district is to receive a 10-foot piece of land at the rear of lots on Blanche street which are now owned by the school. The city also proposes to close Karmada street from Blanche to the present school property.

Members of the school election board are B. E. Giles, Mrs. Ada Murray, Miss Ada Daggett and Miss Mabel Spicer. The annual meeting of the electors of Plymouth school district will be held at 8 o'clock Monday evening at the high school.

16-Year-Old Girl Loses Sight Of Eye In Tragedy

Police Hunt Young Hoodlums Who Threw Beer Bottle In Car

Tragedy marred the holiday week-end for Miss Wanda Jobe, 16-year-old, of Pickford avenue in Livonia township, when a group of young drunken hoodlums tossed a beer bottle into the car in which the girl was riding. Flying pieces of glass caused the loss of sight in the girl's left eye. The accident occurred on Edward Hines drive near the Plymouth road viaduct about 1:30 Sunday morning.

Companions in the car were Albert Ringle, 18, of Stark-weather avenue in Plymouth, who received a deep gash in his wrist; Carlton Hardesty, 18, of Salem, driver of the car; and Patricia Graham, 16, of Northville.

Five cars were parked under the Plymouth road viaduct in the parkway during the Saturday night rainstorm, according to young Ringle, and a group of about 20 young men and women were gathered around the cars. As Hardesty's car passed the group, several beer bottles were thrown and one struck the front door of the car, a sport convertible with the top down. The glass splinters struck Miss Jobe and Ringle, cutting a gash in the girl's left eye and cheek and Ringle's wrist. Both were given emergency treatment at the Plymouth hospital and the girl was later taken to University hospital in Ann Arbor. Following an operation, doctors expressed hope that they may save the sight of her other eye.

The Wayne county sheriff's office issued a broadcast to all road patrol cars to be on the lookout for the suspect's car. Sheriff's officers obtained fingerprints from the beer bottle to aid in the search.

O.E.S. Holds Annual Picnic On June 10

The annual picnic of the Order of the Eastern Star will be held Wednesday, June 10. Members and guests are to meet at the Masonic Temple at 8 p. m. and proceed to the wading pool in Riverside park. Mrs. Gustav Lundquist, worthy matron, requests members to bring their own dishes and silver and a dish to pass. In the event of rain, the meeting will be held at the Masonic Temple.

New Baptist Pastor

REV. GEORGE ROTHERY

The Rev. George Rothery of Detroit has been called to fill the pastorate of the First Baptist church of Plymouth and will occupy the pulpit here Sunday, June 7.

The young minister, 23 years old, is a native of Michigan and was graduated from Southeastern high school in Detroit. He was an undergraduate student at Wayne University for several years while he was employed as an X-ray technician in a Detroit hospital. He later entered the Day school of the Moody Bible Institute of Chicago, where he led a group in Chinese missionary endeavor and student war relief during 1939-40.

After completing his work at the Moody Bible Institute, Rev. Rothery found a ready ministry of supply pastorate work in Kansas, Nebraska, Iowa, Missouri and Illinois. During this ministry, he continued his studies at William Jewell College in Liberty, Missouri. He comes to the local pastorate following a series of recent meetings in northern Illinois.

The young man was recommended to the pulpit committee of the local Baptist church by Thomas Campbell, a member of the board of trustees, and the Rev. Arnold H. Kehrl, brother of Floyd Kehrl of Plymouth and pastor of the Beulah Baptist church in Detroit of which Mr. Rothery is a member. He will temporarily use the study in the Baptist parsonage and plans to make his residence in Plymouth in September. Rev. Rothery succeeds Dr. G. H. Enss who retired from the ministry and the local pastorate a month ago.

Power Wires Demolish Auto

Wind Storm Disrupts Lights And Phones

The automobile of Ellwood Russell, son of Mrs. Sadie Russell of South Harvey street, was demolished by fire when three high-tension primary wires of the Detroit Edison company lines were blown down in a rain and wind storm Saturday night. Young Russell, an employe of the Kelsey-Hayes plant, had returned from work and parked his car at the curb across the street from his home just five minutes before the electric power lines fell across the automobile. Witnesses claim the high voltage wires snapped under the weight of heavy tree limbs in the storm. The car and tires were a complete loss along with a golf bag which was burned inside the car.

Plymouth experienced a partial blackout on Friday night's most severe gale. Manager Harry Lush cancelled the second show at the Penn theatre when lights went out there. Lights in the city hall and residences along Union and Main streets were out for four hours while the wind disrupted power and communication lines all over the city and outlying areas. The Detroit Weather bureau reported gusts of wind reached a velocity of 70 miles an hour in this area. A heavy rain fell as the wind abated. A city clean-up crew worked late Friday night and all Saturday morning clearing debris from the streets and cleaning plugged sewers and overflowing catch basins.

Next Draft Call Will Be June 15

Board Re-classifies Men In Class 3-A

The next draft call for local board No. 61 in Plymouth will be June 15 and the quota is one of the largest in this district. As draft quotas continue to increase and Congress is considering the enactment of an allowance and allotment law for men with dependents, many Class 3-A registrants in this area have indicated interest in the Volunteer Officer candidate program.

Class 3-A registrants may apply at the local board office and submit signed waivers from dependents for approval as officer.

Ration Board Appointed For This Vicinity

Board Given Full Authority For Local Requests

Announcement of the appointment of Plymouth's first official rationing board was made Tuesday by Clarence Doyle, secretary of the state rationing board in Lansing. Members of the Plymouth board are Eugene Orndorff, Mrs. Otto Beyer and William Wood. Oaths of office were filed for these members in Washington the early part of the week.

Their authority became effective immediately and temporary offices are being established on the second floor of the city hall. The three members will serve without compensation and have the final authority for the Plymouth district, which is bounded by Base Line road on the north, Napier road on the west, Telegraph on the east and Joy road on the south.

The board's number is 82-18 and it will be directly independent of the Wayne county board except in the case of its rationing.

Derailed Train First Accident Here In Years

Engine Injured; Boy's Frank Causes Freight Accident

The engine and first car of a Pere Marquette freight train, on an extra run from Toledo to Detroit, were derailed and overturned on the bank at the railroad siding near the Daisy Manufacturing company at 7:30 Monday night. Chester Huff of Toledo, train engineer, suffered a broken leg and possible hip injury and was taken to Grace hospital in Detroit. Damages were estimated at \$1,000 for track repairs and at least \$1,500 for mechanical repairs to the engine.

Two boards, placed on the track by a four-year-old boy, caused the front lead truck wheels to jump the tracks near Ann Arbor Trail and Frick streets. The wheels bounded over the ties for more than a quarter of a mile.

Theaters To Sell Bonds And Stamps

Box-Office Sales Will Open Saturday

Manager Harry Lush announces that War Savings bonds and stamps will be placed on sale at the Penn and Penniman-Allen theaters in Plymouth and Northville Saturday in cooperation with a national campaign of the motion picture theaters to contribute toward victory. Patrons may now buy entertainment and a share of victory at the box-office of local theaters.

Applications for war bonds of all denominations will be accepted at the theater and checks will be forwarded to the local post-office for issuance of bonds. Patrons may buy war stamps at the same time they buy theater tickets.

"Every time you attend the movie, invest something in war savings bonds and stamps. You will enjoy the show more after doing your bit for victory. Help preserve for yourself and your family the right to live as a free man, to enjoy your favorite radio programs and to attend the kind of movie you like. If you value these privileges, do your bit to safeguard them by buying bonds or stamps at your movie theaters," declared Manager Lush.

Fish In Rouge River Poisoned

Did some one dump poisoning in the Rouge river that killed thousands of fish in the river, and in Wilcox and Newburg lakes that are fed by the Rouge river is a question Plymouth-Riverside park attendants are asking today.

Wednesday evening people playing tennis near the Rouge river saw large numbers of fish floating down the stream.

Some of them were dead, others were alive, but floating helplessly on top of the water. There were bass, suckers, bluegills and some trout. Many of the people took some fish that were alive. Park attendants say that there is no contamination of any kind which flows into the Rouge river or any of the lakes which would poison the fish. It is probable that an investigation will be made.

Joe Merritt's Last Letter Told Of Beauties Of Philippine Islands

Joseph Merritt, son of Mr. and Mrs. C. V. Merritt, reported last week by the United States army, as "missing in action" in the Philippines, wrote the last letter received by his parents shortly after he had arrived in Manila during Thanksgiving week.

It was a letter that told in great detail of the beauties of Manila and the surrounding country—of his especial interest in the old part of the city, which he had studied about in his school days.

Joe, an enthusiastic collector of stamps, asked his parents to be sure and save for him the stamp that was on the envelope of the only letter they have so far received from him since his landing in the Philippines.

There is a possibility that both Joe Merritt and Jack Gordon, another Plymouth lad reported as "missing in action" have been taken as prisoners by the Japs and that it will be sometime before their parents will know exactly where the boys are being held. Early press dispatches stated that several thousands of the American fighters had been taken prisoners.

The accompanying picture of Joe is taken from a kodak picture made just a few months before he enlisted in the army.

City Passes Milk Amendment At Monday Meeting

Local Dealers Prepare Petitions For Local Vote

Members of the city commission passed the proposed amendment to the milk ordinance at their regular meeting last Monday night. The amendment as approved reads as follows: "Raw milk or cream for delivery, sale or consumption within the city of Plymouth shall be delivered to a milk plant for pasteurization. All sources of supply must be inspected by the milk inspector of the city or inspectors approved by the commission. All rules, regulations and requirements of this ordinance shall be complied with before any milk plant, store or route is approved for license under this ordinance. The milk inspector shall furnish to the applicant for license a certificate showing that the farms, milk plants and dairy stores and

(Continued on page 7)

Victory Notes

The Tuesday evening class for air raid wardens completed its tenth lesson May 26 and had its final examination June 2. Carvel Bentley, instructor, announced that 25 of the 32 members enrolled finished the course.

The Thursday afternoon Red Cross first aid class held its third meeting June 4 with 25 present. This class is taught by Mrs. Helen Burgett as is the Monday evening Red Cross first aid class.

The first aid class for Kelsey-Hayes employes had two meetings this week from 4:30 to 6:30 on Monday, June 1 and Thursday, June 4. This class meets at the city hall and is taught by Carvel Bentley.

The Plymouth Fair Rent committee, consisting of Chairman Roy Fisher, Mrs. Lawrence Lyons and Mrs. Carolife Dayton met Thursday evening to hear complaints. They are planning an open-forum meeting on rents later this month.

A description of Plymouth's air raid signal follows: For an air raid or blackout warning, the fire siren starts at a low pitch, ascends for 30 seconds, stops in 20 seconds and remains off for 5 seconds. This cycle is repeated four times. In contrast, the siren for a fire call goes up and down and does not halt until the end of the warning. For the all-clear signal, the siren remains at a sustained level for two minutes. In addition to the siren, a blackout is announced by police car sirens and the news is spread by the block wardens.

The Plymouth Defense Council will meet at the city hall Tuesday afternoon, June 9 at four o'clock.

High School Girls To Sing On WXYZ Today

The girls' triple trio of Plymouth high school, under the direction of Clarence Luchtman, will sing over radio station WXYZ (Friday) afternoon from 4 to 4:15 o'clock. The program will be presented with Marguerite Werner at the studio organ. Members of the local triple trio are Lois Ridley, Joan Steinhurst, Marie Ann Miller, Ruth Keefe, Allene Parmalee, Margaret Jean Nichol, Shirley Bassett, Esther Mettetal and Ruth Drews. The group received an invitation to broadcast from the King-Trendle corporation following a successful audition on April 26.

JOE MERRITT

Greyhound Lines Start Willow Run Bus On Saturday

Plymouth Route To Aid Transportation For Workers In Area

A network of motorbus routes through Wayne, Washtenaw and Oakland counties to the Willow Run Bomber plant will be in operation starting Saturday (tomorrow), according to P. L. Radcliffe, general traffic manager of the Great Lakes Greyhound Lines, Inc. In addition to Greyhound Lines service, several private bus companies will make connections with Greyhound.

The network will solve the transportation problem for Willow Run workers residing in the Plymouth area and other communities of southeastern Michigan outside of Detroit. All routes were laid out by officials of the private operators and the D. S. R. cooperating with Thomas H. Nichol of the Office of Defense Transportation.

The route which will serve the Plymouth area beginning Saturday will operate from Pontiac via Orchard Lake road through Sylvan, Keego Harbor, and Orchard Lake to Farmington junction, thence via Grand River to Farmington. The bus will continue over Farmington road and Seven Mile road to Northville and Plymouth. From Plymouth, the bus will go over Main street to Joy road to Canton Center to Michigan avenue and the Willow Run plant.

Every route has been numbered for passengers' convenience and busses on the Plymouth route will carry No. 1. Since many smaller plants engaged in war production work are located on many of the new routes, Mr. Radcliffe suggests that working hours in these factories be staggered to enable employes to take advantage of bus schedules to and from work to conserve tires.

Other bus lines which connect with the Greyhound service are the Plymouth road bus operated by the Dearborn Coach company and the Seven Mile road bus of the Biddle Coach company from Grand River to Northville.

Farmers' Market Opens Saturday

Urge Patronage Of Merchants, Citizens

Plymouth's first public market will open Saturday morning (tomorrow) at 7:30 o'clock in the parking space at the rear of the city hall. Local merchants are urged to take advantage of the opportunity to purchase farmers' produce at the wholesale market during the first half hour period.

Citizens of Plymouth are urged by city officials and representatives of the Chamber of Commerce to visit the market Saturday and purchase fresh fruits and vegetables in Plymouth's own market from Plymouth's nearby farms. Farmers wishing to reserve stalls are asked to call the city hall or the Chamber of Commerce office.

The commission, approved by the city council upon the request of local merchants and farmers, will be held every Saturday during June and July between the hours of 7:30 a. m. and 1 p. m. Stallholders are required to unload their wares by 7:25 at the latest, and to load and leave the market by 1:30 o'clock. Assignment of each of the 25 stalls will be made by the city manager. The price of stalls will be based on location and the fees are not to exceed 75 cents and not less than 35 cents. The market will be inspected regularly by the city health officer.

Friends of Mrs. Thomas Moss and their children, numbering 20, gathered in the Moss gardens for a picnic dinner, Saturday evening.

U. S. Naval Service Reports Peter Gayde as Missing

Word was received in Plymouth Tuesday that Peter Gayde, son of Mr. and Mrs. William Gayde of Holbrook avenue, is "missing." He was aboard the ship, Atik, which sailed from an Atlantic port some weeks ago. He is the third Plymouth serviceman reported "missing in action" during the past two weeks. The announcement came to the family from the Navy Relief society in Washington, D. C. through the local Red Cross.

U. S. Naval Officer Gayde, 36-year-old son of one of Plymouth's oldest pioneer families, was chief storekeeper aboard ship. He has been in the Naval service for 19 years. No details of the fate or location of the ship were given in the Navy Relief society report and no information has been received from the U. S. Navy department. The communication was delivered to the officer's wife by Mrs. Lawrence Lyons, in charge of the home service unit of the Plymouth

Red Cross chapter. The Gaydes have two young children, William Frederick, seven years old, and Lorilee, five.

Both the army and navy recently adopted the plan of reporting as "missing" army and naval fighters when there is uncertainty as to their fate. It is possible that he might have been taken prisoner or have been rescued and landed at some unknown port. It may be a year or more before definite information is received as to his fate.

ON THE OFFENSIVE AMERICA!

Wars are won by attacking, not by sitting in a fort!

And today America is taking the offensive against the Axis with hard-fighting, non-stopable men and materials!

We're taking the offensive, too, against the enemy at home—the inflationary 6th column that blows prices sky high.

You can help in both fights by saving at least 10% of your money in U. S. War Bonds every pay day. Attack the Axis with your dollars today.

You can start with as little as a 10c War Stamp and you can get a \$25.00 War Bond (maturity value) for only \$18.75—at your local post office, bank or other convenient sales agency.

U. S. Treasury Department

Commencement Week Activities To Start Sunday

Rev. W. Nichol To Give Baccalaureate Talk; Graduation Is June 11

Baccalaureate services Sunday evening, June 7, at 8 o'clock in the Plymouth high school auditorium will mark the opening of commencement week activities for the 139 graduates of the class of 1942. The Rev. Walter Nichol will deliver the baccalaureate address and the Presbyterian church choir, under the direction of Dr. N. C. Kephart, will furnish music for the program.

Class night will be held at the school Tuesday evening, June 9. The program will open with a professional by Margaret Jean Nichol at the piano followed by the "selection of draftees" by the local draft board, composed of Jane Lehman, Lessie Jean Ebert and Betty Jewell. Topic titles of talks and musical selections will spell out the "Victory" theme as follows: "Values," "I Am An American," "Crosswords," "Tom-bom-bom" Solo, "Oil, the Record," "Reels of '42" and "Youth Looks Ahead." Following the pledge of allegiance, members of the graduating class will sing the class song, an original composition by Ruth Drews, and Margaret Jean Nichol will play the recessional.

"This Freedom" will be the topic of the commencement address by Kenneth Bartlett, Plymouth high school alumnus and (Continued on page 7)

Church Observes Children's Day

Special Methodist Service To Be Sunday

The annual Children's Day service of the First Methodist church will be held Sunday morning, June 7, at 11 o'clock. The combined service of the church and Sunday school is held a week in advance this year because of the early closing of school.

The special service will begin with the formation of a floral cross, followed by the Cradle Roll procession. The Rev. S. S. Closson will conduct the baptism of infants and young children and a group of 40 probationers, who have been in training since Easter will be received into the church membership.

Following the object sermon for the children, the Sunday school members will present a play, "Children of Galilee," under the direction of Mrs. Rockwell Smith. The young people's choir, under the direction of Mrs. M. J. O'Conner, will furnish the musical portion of the service. The children's day offering is contributed each year to the student loan fund of the church. The public is cordially invited to attend and parents are requested to bring their children to the service.

Wild Lifers Plan Barbecue On Sunday, June 21

Bait Casting Contest Scheduled For June 17

At Monday night's meeting of the Western Wayne County Wild Life association, plans for two important events in the immediate future were made.

First, according to Dr. Brick Champs, will be the annual bait and fly casting contest to take place in Plymouth-Riverside park on Wednesday, June 17. The contest will begin at 6 o'clock. Prizes will be awarded.

The second big event will take place on Sunday, June 21, when the first goat, pig and beef barbecue will take place at the Powell recreation field back of the Russell Powell residence on Penniman road.

Because of the fact that so many of the members are working in war industries, it was deemed advisable to fix the time (Continued on page 7)

Kiwanis Club To Collect Metal

Members Plan "Junk" Expedition Tuesday

Plymouth's Kiwanis club will conduct a "Junk Collection Expedition" next Tuesday evening to aid the salvage drive for Victory. All Kiwanis members are to report at the hotel in their old clothes. A number of trucks will be available for the collection of scrap metals.

William Hartmann, chairman of the Kiwanis program and in charge of the city's scrap metal drive, urges all citizens to welcome the Kiwanis "junk dealers" Tuesday night and plan to contribute articles of metal for the campaign.

Ernest Allison was the speaker at last Tuesday's meeting. He related the experiences of a recent trip to Detroit in an old Model T Ford of 1911 vintage. His colleagues on the trip were Carl Shear and Paul Wiedman. Orson Atchison was taken into the club last week as a new Kiwanis member.

Building Fund Selected As Beneficiary Of Patriotic Sacrifices Of Members

Plymouth's St. Peter's Evangelical Lutheran church, the first and only church in Plymouth to invest its funds in America's war bonds, again steps out in first place among Plymouth's religious organizations in support of America's fight for victory.

Every member of the church and every boy and girl who attends its services and Sunday school, is being urged to invest his or her nickels, dimes and dollars in war stamps and bonds and name the church building fund as the beneficiary of such purchases.

Some two years ago the church congregation decided that a new house of worship was necessary for the fast growing organization. They created a building fund and had expected to start building soon.

But then the war came—and instead of starting a new church edifice, the building fund was used to purchase war bonds. The fund raised to purchase a new church organ was also converted into war bonds.

The beautiful site, located at the corner of Penniman and Garfield, will be held by the church until after the war, before a new church is erected. Meanwhile every penny the church can secure is being invested with the United States government—the government that assures its citizens the right to worship in any church of their choice.

Building Activity Lags During May

Only One New Home Under Construction

War-time government restrictions on building and essential materials were reflected in the sharp decline in building activity in Plymouth during the month of May. Only one building permit was issued for the construction of a new home. Other permits were issued for new garages, re-roofing and minor repairs and alterations to present buildings.

May's total building valuations total only \$9,853 in comparison with \$38,773 for the same month last year. Construction was started on 16 new homes in the Plymouth area last May in sharp contrast to this year's single new home construction.

Contractor Daniel S. Mills is building a new house, 28x24 feet, with four rooms and bath of frame construction, at 1052 Ross street between Harvey street and the subdivision limits, at an estimated cost of \$5,000.

B.P.W. Clubs Hold State Conclave

Three Members Of Local Club Attend

Three members of the Plymouth Business and Professional Women's club attended a convention at the Wenonah hotel in Bay City where the Michigan Federation met for its annual state conclave from May 22 to May 24. Most of the fifty-four Michigan clubs were represented in the group of about 350 women who were in attendance. The delegates from the Plymouth club who attended were Mrs. Margaret Woods, Miss Elizabeth

Sutherland and Miss Hanna Strasen. The hostess clubs were Flint, Saginaw, Midland and Bay City.

The convention opened on Friday evening with a dinner at the Midland Country club for the members of the state board. Later on Friday evening the Midland club gave a "Pioneer" party for all guests in the ball room of the Wenonah Hotel. Saturday morning at 7:30 the "Early Birds Breakfast" which was in charge of the Flint club started off the day's activities. At 9 o'clock the convention was formally opened by President E. Margaret Siebert of Lansing.

At the "Victory" luncheon at noon, arranged by the Saginaw club, Mrs. Dorothy McAllister of Washington was the speaker. Mrs. McAllister has been appointed by President Roosevelt

to serve on the National Advisory committee. Her topic was "Mobilizing Women for Victory." Saturday afternoon, a membership forum was conducted by three state federation officers with participation from the floor. Reports given by several clubs revealed the many ways in which the business and professional women of Michigan are doing their part in the war effort. Among other things they are giving unselfishly of their time and energy as well as their money to make life a little more pleasant for the boys in our Michigan camps.

On Saturday evening the large dining hall of the Consistory Cathedral was the scene of a formal banquet. The tables were centered with large varicolored crepe-paper bonnets filled with garden flowers. At each place stood a crepe-paper doll holding a flower in one hand and an American flag in the other. Approximately 385 women attended this banquet. The speaker was Pauline E. Mandigo, publicity director of the National Federation of Business and Professional Women's clubs.

Early Sunday morning, coffee and doughnuts were served in Wenonah park prior to the sunrise service. At the close of Sunday morning's business meeting, "brunch" was served and the new state and district officers were installed. Mrs. Neyan Watts-Stevens was the speaker at this final event of the convention. Mrs. Stevens, granddaughter and daughter of outstanding diplomats, spoke on "America, Can Shape the World's Destiny."

FIRST CHURCH OF CHRIST Scientist. Sunday morning service, 10:30. Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service 8:00.

"God the Only Cause and Creator" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, June 7. The Golden Text (Acts 4:24) has: "Lord, thou art God, which hast made heaven and earth, and the sea, and all that in them is." Among the Bible citations is this passage (Psalm 33: 6,8,9): "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth. Let all the earth fear the Lord; let all the inhabitants of the world stand in awe of him. For he spake, and it was done; he commanded and it stood fast." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 502): "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are sons and daughters of God."

MILK ORDINANCE

Section 1. The first paragraph of Section 1, page 21, shall be amended to read: Raw milk or cream for delivery, sale or consumption within the City of Plymouth shall be delivered to a milk plant for pasteurization. All sources of supply must be inspected by the Milk Inspector of the City of Plymouth or Inspectors approved by the Commission of the City of Plymouth. All rules, regulations and requirements of this Ordinance shall be complied with before any milk plant, store or route is approved for license under this Ordinance. The said Inspector shall furnish to the applicant for license and a certificate showing that the farms, milk plants and dairy stores and sources of supply have been approved. It is further provided that each license shall inform the Inspector when any farm or source of supply is discontinued or added within a period of one week after elimination or addition.

Section 2. Section 5 (sub-section a) shall be amended to read: For maintaining a milk plant within a radius of five miles of the corporate limits the sum of Twenty-Five Dollars (\$25.) shall be charged. For a milk plant located more than five miles and less than fifteen miles from the corporate limits the license fee shall be fifty dollars. For a milk plant located more than fifteen miles and less than twenty-five miles the license fee shall be seventy-five dollars (\$75.). However, in no case shall a license

for a milk plant outside of the five mile radius be granted unless approved by the City Commission. For each dairy store the license fee shall be twenty-five dollars (\$25.). For each and every wholesale or retail delivery route the sum of ten dollars (\$10.) shall be made. A route that combines wholesale and retail delivery shall be considered as two routes.

Sub-section b of Section 5 shall be repealed.

Section 4. The time of any person licensed under the provisions of said original milk ordinance, being Ordinance No. 91 of the City of Plymouth, for complying with the provisions of this amended ordinance relative to pasteurization, may by action of the City Commission be extended by resolution. In all other respects such person shall, during such extended time, be governed by the provisions of Ordinance No. 91 as hereby amended.

Section 5. This ordinance shall take effect 23rd day of June, 1942. Made and passed by the Commission of the City of Plymouth this 1st day of June, 1942.

Local Churches

ST. PETER'S EV. LUTHERAN church.

Edgar Hoenecke, pastor. Sunday school at 9:30 a.m. Confirmation of 20 children, Sunday, June 7, at 10:30 a.m. Holy communion, Sunday, June 14, 10:30 a.m. Monthly meeting of voters, Tuesday, June 9, 8:00 p.m. An Instruction Class for Adults in the Fundamental Doctrines of our Christian Faith is being conducted every Wednesday evening, from 7:30 to 8:30. The confirmation of this class will be private and will take place some time in July or August. It is not too late to enroll. Eight are enrolled at present. No memory work is demanded; the discussions are in the form of informal lectures. The children who will be confirmed are the following: Arthur Weiland, George Weberlein, Kenneth Rohde, Donald Brinks, Julius Sauer, Heinz Hoenecke, Kenneth Truesdell, George Johnson, Charles Wegenschutz, Robert Wagenschutz, William Schwartz, Beth Loughlin, Leola Loughlin, Marion Fisher, Marion Johnson, Mary Helen Swanson, Ruth Gottschalk, Maxine Martin, Mabel Vickstrom. Our congregation has purchased four lots, 336 by 165 feet, on the corner of Penniman Avenue and Garfield. Although no definite plans have been made for the building of a new church, the congregation is encouraging our members to purchase United States Defense Bonds in the name of St. Peter's Ev. Lutheran church, Plymouth, Michigan, and to turn the same over to the Building Fund committee for our eventual church building. It is our patriotic privilege thus to help our government, while we also help our church.

FIRST METHODIST, Stanford S. Closson, minister. The Probationers' classes will have their final meeting Sunday morning, the Juniors meeting at 9:30 and the Intermediates at 10:20. The Sunday school will meet at 10 a.m. as usual, 11 a.m. Children's Day observance with a combined service of the church and Sunday school. Many special features will include formation of a floral cross, a civic roll procession, baptism of children, reception of Probationers into full church membership, object sermon by the pastor, a play by the Sunday school, and a special offering for the Student Loan Fund. The public is cordially invited, 8 p.m., baccalaureate service at the high school. For this reason the Epworth League will not meet Wednesday, 7:30. Choir rehearsal at the church, Wednesday, 7:30. Boy Scouts, Troop P-1 at the church. A Vacation Bible school will be held jointly with the Presbyterian church in the Methodist building for a period of two weeks, June 22 to July 3, for children from four to 14 years.

FIRST BAPTIST CHURCH.—

Church at 10 a.m.; Sunday school at 11:15 a.m. This Sunday will be the beginning of the pastorate of our new minister, Rev. George Rothery and we will have evening services from now on until further notice. We hope every member of the church and Sunday school will make a special effort to be present this Sunday. Children's Day will be the third Sunday in June and we wish all children who want to take part to be present at Junior choir practice and Sunday school. Tuesday night the Palmer Bible class will have a potluck supper at the church at 6:30. Thursday night the ladies' aid will meet at the church at 7:30. At this meeting we will find out who our Capsul Sisters have been for the year.

BLUNK & THATCHER

Invites You to a Special Showing of

KINDEL Reproductions

Kindel Reproductions in Mahogany give to your bedroom that personalized individuality and dignified elegance that graced the fine Colonial homes of early America. Each piece is a replica or adaptation of a treasured original, representing the best designs of the 18th Century masters. The cabinet work is of meticulous quality, with an exclusive finish that imparts the rich patina of a mellowed heirloom.

KINDEL Reproductions sold exclusively at

BLUNK & THATCHER

FIRST PRESBYTERIAN church.

Walter Nichol, pastor, 10 a.m. Sunday school; 11 a.m. church worship. The Sunday morning services continue as usual. There is an invitation to all to Sunday school and church. Division 4 is to have a picnic meeting in the park Monday at 6:30 p.m. They will meet at the tennis courts. Mrs. Lloyd is chairman. The plans of the meal and meeting will be as usual in this group. The Women's Auxiliary will meet with the Northville Presbyterian women at Northville Presbyterian church on Wednesday, June 10 at 2 p.m. Mrs. Marvin Terry will tell of her teaching experiences in the Southern mountains. Mrs. Rice will lead the devotions. Mrs. George A. Smith is chairman for the day. All women who would like a ride to Northville are asked to be at Plymouth Presbyterian church at 1:30 p.m. The Northville women provide refreshments. The pastor and choir of this church will lead the baccalaureate service at Plymouth at school Sunday at 8 p.m. Children's Day is Sunday, June 14. Special program and baptism of children. The hour will be 11 a.m. Vacation Bible school, June 22 to July 3.

BEREA CHAPEL. On Thursday, June 4, there will be a prayer meeting at 8 p.m. for all who wish to attend. The three services on Sunday, June 7, are as follows: Sunday school, 10 a.m.; morning worship, 11 a.m.; Evangelistic service, 7:45 p.m. Each Tuesday at 8 o'clock the women gather in different homes for special prayer meetings. Rev. Peter Paul Romantum will be in charge of the services and a cordial welcome will be given to all. We are also happy to announce the date for our Daily Vacation Bible school. The opening session will take place on June 29, and the school will extend for two weeks.

NEWBURG METHODIST church

Verle J. Carson, minister, 9614 Newburg road, Plymouth 860W4. Sunday morning worship at 10 a.m. "Home Is Where You Make It." Sunday school meets immediately after the worship service at 11:00 a.m. Classes for everyone. J. M. McCollough, superintendent. The Epworth League will meet at the church at 7 p.m. to go to the baccalaureate service at the Plymouth high school, Tuesday. Red Cross sewing class at the church hall during the afternoon. Boy Scouts meet in the evening.

SALEM FEDERATED CHURCH.

C. M. Pennell, minister. Sunday morning worship, 10:30 o'clock. The pastor will bring a message for all of us on the subject: "The Work That He Gave Us To Do." Bible school, 11:45 a.m. Sunday evening hymn-sing, 7:30 o'clock. Bring your Bible.

ST. MICHAEL'S CATHOLIC church.

Father Contway, pastor. Rosedale Gardens. Masses at 8 a.m., 10 a.m. and 12 noon.

CALVARY BAPTIST CHURCH.

Holbrook and Hardinberg, Lynn B. Stout, pastor. Notice! We are very happy to tell the boys and girls that Rev. Richard, "Dick" Neale of Wheaton, Illinois, is going to conduct our Daily Vacation Bible school again this year. The dates are June 15 (Monday) to June 26 (Friday). Remember the good time last year? Well, it is going to be better this year. Mothers and fathers, will you help us by reminding the "kiddies" and sending them every day? Just about one month ago the ground was broken for our new church. To some it may look like slow work, but when you consider that the majority of the work is being done by volunteer labor—the long hours the men are working now, it is quite remarkable the progress that has been made. The wall about Jerusalem was built in "troubled times." (Dan. 9:25; so, why should not the walls of a church go up in days of trouble? Good services at regular times next Lord's day. You will not only profit by attending, but enjoy it.

Rev. Fredsell Is Rotary Speaker

Pleas For Spiritual Life Of Nation At War

France stands out today, as a nation which is physically strong, but spiritually corrupt. This statement was made Friday by the Reverend Harold F. Fredsell, pastor of the Northville Presbyterian church at the annual Memorial Day service of the Plymouth Rotary Club.

One thing we might learn from history, the speaker declared is that might has never guaranteed any real victory in terms of a lasting peace. "The American Revolution of 1776 and the French Revolution of the

same period were part of the tidal wave of liberty. But in France men turned their back on the church and instituted what they called "the age of reason." Liberty soon degenerated into license, the streets of Paris ran red with blood, and the way was paved for the dictator, Napoleon. In America, it was pointed out, we had a different story, the Puritans of New England, the Quakers of Pennsylvania, the Roman Catholics in Maryland and the Scotch-Irish in the West-ern Reserve all held high their religious faith in the supreme Fatherhood of God.

Six basic documents of "Americans" were then reviewed briefly, the Mayflower Compact, the Declaration of Independence, the Constitution, Washington's Farewell Address, Lincoln's Second Inaugural and Wilson's Road Away from Revolution. Each of these monumental works in Am-

erican history were presented to show that they were fundamentally religious in essence.

"Democracy is recognized as a child of the Christian Church," said Rev. Fredsell, who added that "the dead shall not have died in vain," when we as a "nation under God" support and strengthen the Christian Church. Only by maintaining our spiritual heritage can we keep ourselves with a sense of common purpose and unity which are vital to the winning of the present war, he concluded.

The Reverend and Mrs. Fredsell came to Northville a year ago after being at the Old First Presbyterian church in Jamaica, New York for over five years. Rev. Fredsell is a graduate of New York University, with a master's degree from Teacher's College, Columbia University, aside from his B. D. from Union Theological Seminary. Both have been active leaders in the Christian Endeavor movement and the denominational young people's conferences. The Rotary meeting was in charge of the Rev. Walter Nichol.

Legals

To the Highway Commissioner of the Township of Livonia, Wayne County, Michigan.

Sir: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did at a meeting of said Board held Tuesday, May 26, 1942, decide and determine that the certain section of road described in the minutes of said Board, heretofore taken over as a County road, should be absolutely abandoned and discontinued as a public highway. The minutes of said meeting fully describing said section of road are hereby made a part of this notice, and are as follows:

"Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Barlum Tower, Detroit, Michigan, at 10 a.m., Tuesday, May 26, 1942.

Present: Commissioners Wilson, O'Brien and Breining. Commissioner O'Brien moved the adoption of the following resolution:

WHEREAS, this Board has received a petition from seven freeholders of the Township of Livonia, for the abandonment and discontinuance of the alley, 20 feet wide, in the rear of Lots 216 to 274, inclusive, of Coventry Gardens Subdivision, part of the southeast 1/4 of Section 16, Town 1 South, Range 9 East, Livonia Township, as recorded in Liber 55 of Plats, Page 35 of Wayne County Records, said alley being a County road under the jurisdiction of this Board; and

WHEREAS, pursuant to said petition and in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the state of Michigan for the year 1909, and amendments thereto, this Board did, by resolution dated the 28th day of October, A.D. 1941, resolve that a hearing be held on said petition on the 25th day of November, A.D. 1941, at 11:00 A.M., at 3800 Barlum Tower, Detroit, Michigan, to determine the necessity or advisability of abandoning and discontinuing said alley; and

WHEREAS, pursuant to the above mentioned statute, this Board did, as appears by the return of Frank W. Lindemann, filed with this Board on the 25th day of November, A. D. 1941, cause a notice of said hearing to be served upon all of the owners and occupants of lands intersected by or adjoining said alley; and

WHEREAS, the said hearing was held at the time and place appointed by said resolution and this Board did then proceed to view the premises in accordance with statute; and

WHEREAS, it appearing from the said hearing and view of the premises that the public will have no further use for the alley in said subdivision so petitioned to be abandoned and discontinued, but it is desirable to maintain therein a public utility easement for the use and benefit of the public;

NOW, THEREFORE, BE IT RESOLVED, that the public alley, 20 feet wide, in the rear of Lots 216 to 274, inclusive, of Coventry Gardens Subdivision, part of the southeast 1/4 of Section 16, Town 1 South, Range 9 East, Livonia Township, as recorded in Liber 55 of Plats, Page 35 of Wayne County Records, being 0.225 miles of alley, be and the same is hereby abandoned and discontinued as a public highway, upon the express condition that there be and hereby is reserved an easement in the land now occupied by said alley for the installation and maintenance of sewer, water, gas, electric, telephone, and all other public utilities for the use and benefit of the public and all persons, firms or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities.

BE IT FURTHER RESOLVED, that this Board believes it to be to the best interests of the public that said alley so abandoned and discontinued should be absolutely abandoned and discontinued as a public highway, reserving therein the easement as herein set forth.

The motion was supported by Commissioner Breining and carried by the following vote: Ayes, Commissioners Wilson, O'Brien and Breining; Nays, None.

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.

In testimony whereof, I have

Start Campaign To Save Fuel

Local Lumber Dealers Take Action

The Roe Lumber company and The Plymouth Lumber and Coal company announce a joint campaign to impress upon Plymouth residents the necessity of insulating their attic spaces and thereby reduce fuel consumption

needed for the war effort. The resultant lower fuel consumption also means less wear and tear on tires and trucks in fuel deliveries while the home owner is making important cash savings through smaller fuel requirements annually.

Summer comfort is also another important byproduct of attic insulation. Temperatures are often reduced as much as 18 degrees during hot periods of the summer season.

Balsam Wool vapor proof blanket insulation is featured during this campaign. It is the

oldest blanket type of insulation on the market, and is sold on a money back guarantee of complete satisfaction.

A special saving is offered during this drive in the form of a 10 percent discount from regular prices in an effort to interest home owners in doing this important work now. This offer is good from June 5th to June 13th inclusive.

According to Mr. Mather and Mr. Roe, owners of the two lumber companies sponsoring this drive, insulation is just one of the many improvements that home owners can make. Many bulletins have emanated from Washington lately which have left the impression with the consumer that no materials are now available for any building, remodeling or repair purpose. No limitations whatever have been placed on repairs and maintenance of any existing structure, whether it be residential, agricultural or commercial. Re-roofing, re-siding, painting, re-flooring, repairing walls and partitions, insulating and similar jobs are therefore permissible without limit.

Remodeling means adding or changing a dormer, porch, rooms, construct an attached garage or similar jobs. This type of work is limited in any 12 month period as follows: \$500 on residential, \$1000 on agricultural buildings, and \$5000 on commercial and other restricted construction.

occasion after which the bride-to-be was given many beautiful gifts. The luncheon table, which was covered with a beautiful cut-work cloth, was centered with a bowl of yellow iris and spirea flanked by crystal candleabra holding yellow tapers. Each guest had a yellow and green favor at her place.

Those present besides Miss Sackett were Mrs. Arden Sackett, Mrs. Louise Rewald, Mrs. Anna Melow, Mrs. Leslie Evans, Mrs. Fred Melow, Miss Abbie Melow, Mrs. Elvin Bowman and son, Ralph, Mrs. Fred Thompson, of Northville, Mrs. Albert Schroder, of Newburg road, and Mrs. Herbert Meredith of Grosse Pointe Woods.

ROBINSON-COOPER

Ernestine Robinson, daughter of Mr. and Mrs. Ernest Robinson, became the bride of Gerald Cooper, son of Lester Cooper, of Middle Belt road, and Mrs. Margaret Thomas, of this city, at a double ring ceremony performed Thursday, May 2, in Napoleon, Ohio.

The bride wore blue chiffon, with rose accessories, and the bridegroom, who is a private at Fort Sill, Oklahoma, wore his military uniform.

The young couple was attended by the bride's mother and grandmother, Mrs. Ernest Robinson and Mrs. Albert Gates, of Plymouth.

Mr. and Mrs. Cooper motored to Mackinac Island for their honeymoon.

Weddings

GOEBEL-WAARA

The Lutheran church, in Plymouth, was the scene, Friday evening, May 29, of the wedding of Jessica Goebel, daughter of Mr. and Mrs. Henry Goebel, of this city, and Frederick Waara, son of Mr. and Mrs. Andrew Waara, of Calumet. The service was read at 7 o'clock by the Rev. Edgar Hoenecke in the presence of about 30 relatives.

The bride wore a street-length dress of white dotted material with white hat and accessories. The young couple was attended by Mr. and Mrs. Dewar Taylor.

A reception followed the ceremony in the home of the bride on Mill street.

Mr. and Mrs. Waara spent the week-end in Chicago, returning to Plymouth Monday evening.

SACKETT-MELOW

A wedding of interest the past week was that of Margaret Sackett, daughter of Mrs. Mary Sackett to Glenn Melow, son of Mr. and Mrs. William Melow, of Northville, on Friday evening, May 29, which took place in the Lutheran parsonage, in Northville, the Rev. E. E. Rossow performing the ceremony.

Miss Sackett wore a jacket dress in the new blue grey shade with accessories in navy. Sweet peas and talisman roses formed her corsage.

The bride and bridegroom were attended by Mr. and Mrs. John Schroder, of Plymouth, and Mr. and Mrs. Fred Thompson, of Northville. Mrs. Schroder wore a street length dress in navy and white with navy accessories and Mrs. Thompson blue with beige. Both wore corsages of pink snapdragons and sweet peas.

Following the ceremony a reception and dinner were held in the home of the bride on Ann Arbor Trail, west, in Plymouth. Later Mr. and Mrs. Melow left for Benton Harbor and other points of interest. They will reside on Wilcox road when their new home is completed.

Before her marriage Mrs. Melow was honored with a miscellaneous shower and luncheon by Mrs. John Schroder when nearly 20 were present. Guessing games formed the entertainment for the

MARTIN-MOE

Of interest to many in Plymouth, is the wedding of Dorothy Jean Martin, daughter of Mr. and Mrs. Russell Martin, of Detroit, and Lawrence J. Moe, son of Mr. and Mrs. Martin Moe, of Plymouth, which took place Saturday evening, May 30, at 8 o'clock in Christ church, Cranbrook, the Rev. William C. Hamm officiating.

The bride wore a gown of white marquisette with an extended silvery lace bodice fashioned with full bishop sleeves. A Juliet cap of the same lace with tulle of lilies of the valley, held the folds of her long tulle veil. Her bouquet was a fan-shaped arrangement of blue cornflowers, lilies of the valley and gardenias.

Hazel M. Straw, of Detroit, as maid of honor, wore a gown of yellow marquisette and lace, patterned after that of the bride with matching Juliet cap, and the bridesmaids, Mrs. William F. Cox and Jean Mallory, also of Detroit, were similarly gowned in aqua. They carried marquisette baskets filled with yellow and white daisies, tea roses and delphinium. Gale Stillman, of Lewisburg, Pennsylvania, a niece of the bridegroom, was the flower girl. She wore a floor length dress of aqua and carried a dainty yellow marquisette basket from which she scattered rose petals.

Arthur Moe, of Pontiac, brother of the bridegroom, was best man and the ushers were William F. Cox of Detroit, and Roy McAllister of this city.

Mrs. Martin, the bride's mother, wore a rose-pink gown with matching hat and Mrs. Moe, the bridegroom's mother, chose a soft blue lace gown with a veil hat of a deeper shade of blue.

Each wore an orchid corsage. Following a reception at Rounta Inn, Pine Lake, Mr. and Mrs. Moe left for the Pennsylvania mountains. For traveling the bride wore a flowered print suit, yellow and white predominating, with white accessories.

Among the guests from out-of-town were Mr. and Mrs. Donald G. Stillman, of Lewisburg, Pennsylvania; Mrs. E. Brobin of Ely, Minnesota; Mr. and Mrs. Ernest G. Straw, of Pittsford, New York; Miss Ruth Moe, of Jamestown, New York; Mr. and Mrs.

Builders Get Go-Ahead Signal

The long awaited signal to Plymouth builders to resume full scale construction of wartime housing has come. President Roosevelt signed the bill authorizing an additional \$500,000,000 in war housing insurance under the Nation Housing Act F.H.A. Title VI is again ready to go permitting the purchase of a home by war workers with a reasonable down payment and an increased payment per month for the first 30 months to make up the balance of required total down payment. The mortgage limit has been extended to \$5400 and the terms from 20 to 25 years. The F.H.A. is again accepting applications from war workers for priority aid and permission to build houses they intend to occupy as owners. This has not been possible for some time.

Valuable time has been lost waiting for a situation which would enable builders to construct homes for civilian soldiers. The building industry started this year, like last year, in an all-out attempt to supply the demand for homes to shelter war-plan workers. Each time, before builders were fairly under way causes beyond their control, featured by the confusion of conflicting orders issued by various governmental bureaus practically brought building to a standstill.

"Now, with these new orders from WPB and FHA and the assurance of financing through Title VI, we virtually have a green light for the building of these homes, and Plymouth is fortunate in that it has a good stock of lumber with which to build," said a well known Plymouth contractor yesterday.

Her fiancé attended a technical school in Chicago and is employed in the Detroit Edison office at Wayne.

Love is the hardest lesson in Christianity; but, for that reason, it should be most our care to learn it.—William Penn.

What Every Graduate Should Know About Clothes Care

What Every Graduate Should Know About Clothes Care

In order to make a fine appearance in business . . . your clothes must be letter-perfect in neatness. First impressions are most often lasting . . . and it's here that the condition of your wardrobe counts more. Never lose out socially or in business because you were careless. For expert cleaning and pressing, call on us.

Gas Rationing and your Automobile

Should gas rationing soon become a reality... just what would it mean to you? Naturally your gallonage will be reduced and you would have to confine your driving to only the barest number of miles possible.

We wonder if SOUND REASONING when you consider your present transportation doesn't reveal some rather interesting facts. Whether you drive an old car or one of newer vintage both are going to burn gasoline. Its sound logic to assume the newer car will give better mileage and cost less to operate and run much longer.

From a safe INVESTMENT standpoint we wonder if you wouldn't make a wise move now, if while better cars are available, you bettered your present transportation.

Certainly an investment, such as a car, would be small in relation to present day buying power and you would have a tangible possession when rationing days are over.

By acting now you will find there are many good automobiles that can be purchased at reasonable prices. Priced so that your investment will not be out of line for dependable and economical transportation. We refer to the list of good used cars advertised above and urge you to consider this suggestion. We invite your inspection of our used cars and again urge you to make an investment in future transportation by purchasing a better used car while they are still available.

Probably the most remarkable linguist the world has ever known was Giuseppe Caspar Mezzofanti, who was born at Bologna in 1774, created a Cardinal of the Church in 1838, and died at Rome in 1849. The list of languages and dialects which he acquired reached the astonishing total of 114.

Gluck is said to have been the first to discover the musical possibilities of glasses filled with water. An advertisement published in London in 1746 announced that the composer would play a concerto for 26 glasses tuned with water, with orchestral accompaniment.

Scene in typical State Park. There are 12 within an hour of Ann Arbor. Trips to vacation spots must be short. It is fortunate, therefore, that within some 50 miles of Ann Arbor, there are a dozen State Parks, where facilities for fishing, swimming and just plain loafing are made convenient, and where you will be welcome, for a week, a week-end or a day.

No Increase in Price

Let us tell you a few facts. Defense operations have increased our costs even as your family costs are rising. But—

Our prices have not risen. We do not intend to make false profits in a national emergency at your expense. Nor will we cheapen in any way or form the service which you expect from us.

We, too, are Americans—and your neighbors.

Society News

William Ransom of Waterloo, Iowa, is visiting his brother, Rolland Ransom.

Mr. and Mrs. Bruce Peabody and son were dinner guests, Saturday, of her mother, Mrs. Martha Weinmann, in Chelsea.

Mrs. William Farley and daughter, Yvonne, entertained at dinner, Tuesday, Miss Ingeborg Lundin and Mrs. Gerald Disbrow.

Mr. and Mrs. Floyd Wilson will be hosts to members of his bowling team and their wives, Saturday, at a cooperative dinner, in their home on Arthur street.

The members of the Plymouth bridge club were guests Thursday afternoon of Mrs. Donald Neil McKinnon, of Detroit, in the home of Mrs. E. V. Jolliffe at Hilltop.

Mr. and Mrs. I. N. Innis and her mother, Mrs. J. L. Hunt, were entertained at dinner, Sunday, in the home of Mr. and Mrs. E. C. Vealey on South Harvey street.

Mr. and Mrs. Robert Willoughby entertained at dinner, Wednesday evening, Mr. and Mrs. Austin Whipple, Mr. and Mrs. J. Merle Bennett and Mr. and Mrs. Rolfe Smith.

Marvin Wilson arrived Wednesday from Fort Benning, Georgia, on a leave from the officers' training camp. He will visit with his parents, Mr. and Mrs. Thomas Wilson and friends.

A tea honoring Lieut. and Mrs. John H. Jordon, of Omaha, Nebraska, will be given by Mrs. Beatrice Schultz, mother of Mrs. Jordon, Sunday afternoon, in her home on Sheridan avenue.

Mr. and Mrs. Allan Bernash were hosts at dinner, Monday evening, to Rev. and Mrs. Walter Nichol and Mr. and Mrs. Edson Huston, in celebration of the Bernashes' seventh wedding anniversary.

Mr. and Mrs. Clifford Wolf, of Benton Harbor, were week-end guests in the home of Mr. and Mrs. I. N. Dickerson and also called on other Plymouth friends. Mrs. Wolf was formerly Hazel Rayner.

Maurice Evans, who had been home from University hospital for about a week, was taken worse and on last week Thursday returned for more tests, hoping to find out what is causing his illness.

Mr. and Mrs. George Howell will be hosts to members of their "500" club at a co-operative supper and evening of cards, Saturday evening, at their summer home at Base lake. This will be the final meeting of the season.

Mr. and Mrs. Raymond Latta and daughter, Joann, have moved from Wheeling, Virginia, to Wilmette, Illinois. Mrs. Latta will be remembered as Gladys Schroeder, daughter of Mr. and Mrs. A. B. Schroeder of Newburg road.

Mrs. Geneva Bailor entertained at dinner, Sunday, at Hillside, honoring the seventh wedding anniversary of Mr. and Mrs. Allan Bernash. Covers were laid for Mr. and Mrs. Bernash, Mrs. Ella Chaffee, Mrs. Blanche Daniels and Mrs. Bailor.

Ernest Frank, of Evergreen avenue, was given a pleasant surprise Saturday when 70 relatives and friends met with him and with Mrs. Frank in celebration of his birthday anniversary. The guests came for the day and brought plenty of food and also presents for the honoree.

Lieut. and Mrs. John H. Jordon, of Omaha, Nebraska, arrived Sunday for a two weeks' visit with her mother, Mrs. Beatrice Schultz and family. Lieut. Jordon holds his commission with the Medical Administrative Corps and is a senior at Creighton University school of medicine in Omaha. Arriving this week-end from Minneapolis, are Lieut. Jordon's parents, Mr. and Mrs. H. Lloyd Jordon.

J. Rusling Cutler, Attorney 416 Evergreen Avenue, Plymouth, Michigan, STATE OF MICHIGAN, County of Wayne, ss. 300,268

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-seventh day of May in the year one thousand nine hundred and forty-two.

Present Joseph A. Murphy, Judge of Probate.

In the Matter of the Estate of LEWIS H. ROOT, Deceased.

On reading and filing the petition of Mable C. Williams, praying that administration of said estate be granted to herself, or some other suitable person:

It is ordered, That the twenty-ninth day of June, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing in The Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

JOSEPH A. MURPHY, Judge of Probate.

(A true copy) Alfred L. Vincent, Deputy Probate Register, June 5, 12, 19, '42.

Obituaries

LYNN MARLOW DePRIEST. Lynn Marlow DePriest, infant son of Mr. and Mrs. Willard DePriest, who resided at 42155 Schoolcraft road, Plymouth, passed away Friday, May 29. Lynn was brought to the Schrader Funeral home and later taken to the St. Joseph church at Maybee, Michigan where prayers were said. Interment was made on the family lot.

MRS. MAY BENNETT The funeral services for Mrs. May Bennett, widow of Dr. J. E. Bennett, took place Tuesday in the Clay funeral home, in Dearborn, with burial in the Glenwood cemetery in Wayne. Mrs. Bennett was the daughter of Alfred and Elizabeth Bennett, and lived in Plymouth until her marriage on July 23, 1891. She passed away on Sunday in the home of her son, Dr. Harold Bennett, in Dearborn.

MELVIN DUNCAN Melvin Duncan, former resident of Plymouth, passed away at his home in Hartford, Michigan, at the age of 78 years. The deceased spent his early life in and around Plymouth and will be remembered by many of the older residents. He was a life member of the Masonic lodge. He married the late Mary Renwick, who preceded him in death nearly 15 years ago. Funeral services will be held Saturday from the Phillips funeral home in South Lyon at 2 o'clock. Interment will be in Riverside cemetery, Plymouth.

MRS. HATTIE A. BAKER Mrs. Hattie A. Baker who resided at 363 North Main street, passed away Friday evening, May 29 at the age of 76 years. She was the widow of the late Chauncey E. Baker. She is survived by her daughter, Mrs. Roderick A. Cassidy and her son, Henry E. Baker, both of Plymouth and six grandchildren, her sister, Mrs. Mary Woodard of Cadillac, Michigan. The body was taken to the Schrader Funeral home, and later taken to her home, from which place funeral services were held Monday, June 1 at 2 p.m. Edward Bolton, Christian Science reader, officiated. The active pallbearers were Messrs. Robert Jolliffe, David Mather, James Sessions, William Congdon, Williams Holdsworth and Floyd Eckles. Interment was made in Riverside cemetery.

WILLIAM SMITH Funeral services were held Thursday, June 4th at 2 p.m. at the Schrader Funeral Home for William Smith who passed away suddenly Tuesday morning, June 2nd at the age of sixty-nine years at his home, 39100 Plymouth Road, Livonia Township. He was the husband of the late Hulda Smith. He is survived by his daughter, Mrs. Lillian Moon of Plymouth and was the father of the late Mrs. Catherine Standley, also surviving are his granddaughter, Mrs. Iris Hatcher.

great grand-daughter, Barbara Ann and his sister, Mrs. Elizabeth Seigh of Johnstown, Pa. Rev. Walter Nichol officiated. One beautiful hymn was rendered by Mrs. Felix Cylkowski accompanied at the organ by Mrs. M. J. O'Connor. The active pallbearers were Messrs. Walter Leitheiser, Walter Harter, Clayton Koche, William Bartel, Norris Hunt and George Schmidt. Interment was made in Riverside Cemetery.

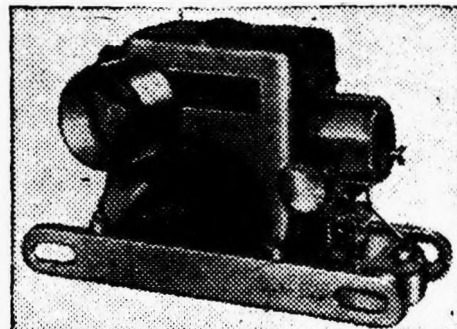

MARK H. WELLMAN Mark H. Wellman was the son of Roswell and Margaret Wellman. He was born in Ontario, Canada on January 31, 1867. He was married in 1898 in Omaha, Nebraska to Sarah Sucamore, also of Canada, and lived in the west a number of years returning to Detroit thirty-nine years ago. Ten years later he bought a home at 11114 Stark road, Livonia Township. He lived in Plymouth for a number of years. Ten years ago he returned to his home, from which place he passed away on Saturday, May 30th. He leaves to mourn his widow, Sarah, and son, Earl Warrington Wellman, and two grand-

children, Ruth and James Wellman, three brothers, Joseph of Windsor, Wellington of Detroit and Eli of Saginaw, also several nieces and nephews. Funeral services were held Monday, June 1st at 4 p.m. at the Schrader Funeral Home, Plymouth. Rev. Stanford S. Closson officiated. Two beautiful hymns were rendered on the organ by Mrs. M. J. O'Connor. Mr. Wellman was a member of the Masonic Order. Members of the Plymouth Rock Lodge No. 47, F. & A. M. acted as pallbearers, James Nairn, Walter Smith, Merritt Crumbie, Walter Essick, Claude Rucker and Richard Straub. Interment was made in Riverside Cemetery.

Jack Warkup Recovers From Tropical Fever

Jack Warkup, 22-year-old son of Mr. and Mrs. John Warkup of Adams street, has returned to his battery in the coast artillery unit at Fort Clayton, Panama, following a recent illness. The Plymouth boy was confined to a hospital in Panama with tropical fever for 50 days but is now recovered.

NOW IN EFFECT

NEW WARTIME SCHEDULES

The transportation needs of America-at war have made it necessary to change Greyhound schedules. This new service has been arranged in full cooperation with the wartime program of the Office of Defense Transportation.

Today the important thing is to make every bus work full time—keeping vital traffic on the move. To achieve this purpose, Greyhound is introducing many changes—diverting buses to more essential routes—reducing driving speeds—eliminating Expresses and Limiteds and many "second sections"—unifying service with other bus companies in some cases—conserving tires and vital materials in every way.

Be sure to ask about the new schedules before you take a trip. We hope you will not be inconvenienced, crowded or delayed. But if you are, please be lenient—the war effort comes first with Greyhound as it does with you.

Council Passes Blackout Law

Provides Rules For Citizens And Firms

Plymouth's blackout ordinance was passed by the city commission Monday evening and will become effective within 21 days on June 23. The ordinance provides regulations for blackouts and air raid protection for all individuals, firms and corporations within the city.

The city manager is authorized to carry out blackout and air raid protection measures as authorized

by the Army or Navy including practice rehearsals directed by Army or Navy authorities. From the time the official air raid signal is given until the all-clear signal follows, all lights and illuminations outside or visible from the outside shall be immediately put out. Lights within buildings may be screened in order that they are not visible. No door, window or other exit shall be opened to permit light to be seen from the outside during a blackout or air raid, according to the ordinance.

Manufacturing plants in Plymouth shall observe the same blackout regulations unless they have written exemption from the defense council. Whenever an air raid warning is given, all pedestrians and patrons of mass transportation vehicles shall immediately leave the streets and seek shelter. Display of lights during a blackout constitutes a "public nuisance" and police or other authorized persons may enter a building and turn off lights by force. Any person, firm or corporation violating the provisions of the blackout ordinance shall be subject to a fine not exceeding the sum of \$100 or imprisonment in the Detroit House of Correction for a period not exceeding 90 days or both in the discretion of the court.

Society News

The Wednesday evening bridge club was entertained in the home of Mr. and Mrs. L. D. Worden at Hickory Hill.

Mrs. Arthur White was a luncheon bridge hostess, Tuesday, entertaining the members of the Mayflower bridge club.

Members of the Junior bridge club met Thursday evening in Riverside park for a potluck supper, their monthly get-together during the summer.

Mr. and Mrs. John Blossom plan to attend a party Saturday evening in the home of Mr. and Mrs. E. R. Gorenlo, in Detroit, which will celebrate the birthday anniversary of Patia Wade.

Mrs. George A. Smith is entertaining several guests at tea this (Friday) afternoon to meet Mrs. Charles Brake, a newcomer to Plymouth. Mr. and Mrs. Brake recently bought a house on Ann street.

Mr. and Mrs. George Straub entertained at a family dinner Sunday. Guests were Mrs. Georgiana Pears, Miss Irene Pears, of Detroit and Mr. and Mrs. Floyd Blanchard and daughters, of Adrian.

Mr. and Mrs. William Birt are entertaining 50 guests at a graduation reception and buffet supper in honor of Robert P. Birt, this Sunday evening. Guests are coming from Detroit, Trenton, Wauwatosa and Plymouth.

A supper party was held at the home of Mr. and Mrs. James Dunn, Saturday evening, in celebration of her birthday. Covers were laid for 15. Mrs. Dunn received lovely gifts in remembrance of the day. Mrs. Ann Oakley of Romulus, was the only out-of-town guest.

Mr. and Mrs. Adam Fuhrmann, of Ecorse, celebrated their golden wedding anniversary, Sunday, with an all-day open house in the home of their son-in-law and daughter, Mr. and Mrs. Corbin McGee, in Ecorse. At noon a family dinner was held when the seven children and their families were present. The children are Daniel Fuhrmann, Mrs. Pearl King, of this city, Alfred Fuhrmann, of Detroit, Mrs. Marie Labadie, of Dearborn, Mrs. Thraey Garehow, of Farmington, Raymond Fuhrmann of Pontiac, and Mrs. McGee, of Ecorse. About 40 relatives attended who enjoyed music and dancing. The honored guests were presented with many lovely gifts.

Bus Lines Cut Speed To 40 Miles

Take Action To Save Rubber

Conditions imposed by wartime restrictions on vital materials will affect the schedules of all Great Lakes Greyhound Lines buses June 3, P. L. Radcliffe, general traffic manager of the company declared today.

In co-operation with the Office of Defense Transportation, Mr. Radcliffe said that a speed limit of 40 miles an hour would be in effect and it will be necessary to curtail service where there is the least demand for it to release buses for heavily traveled lines since additional buses cannot be purchased.

He added that second sections of regular schedules will not be operated unless there is a sufficient number of passengers to justify it, and charter coaches are available only for movements authorized by the war department. Unless on business or in an emergency, people are asked to travel on Tuesdays, Wednesdays and Thursdays.

Mr. Radcliffe also expressed the hope that passengers will remember that wartime travel cannot be "travel as usual," and that they would make allowances if inconvenient, crowded or delayed.

Local Chef Cooks Half Million Hamburgers

Bert Swadling turned over Hamburgers No. 500,000 on the griddle in the kitchen of Bert's Place on North Main street, last Saturday. "Bert" claims he has fried a half-million hamburgers since he came to the restaurant business in Plymouth 14 years ago. He averages 25 pounds of meat a day and he makes six hamburgers per pound. His order sheets show that the customers consume 800 pounds of hamburger each month.

The local chef who furnishes coffee and doughnuts to the "doughboys" who leave the local draft headquarters each month, has two wood plaques on display in his restaurant bearing the names of 58 Plymouth boys, former patrons of Bert's Place, who are now in service.

Police Issue Dog Warning

Owners To Obtain Licenses In June

The police department issued a warning this week that during the months of July and August no dogs are allowed to run at large. Dog licenses expire May 31 of each year and dog-owners are requested to pay dog license

fees during the month of June. An additional fee of 50 cents will be charged after July 1 and the police department will make a house to house canvass after that date.

According to the city ordinance, it is unlawful for any person to own a dog within the city without first obtaining a license from the city clerk at a fee of \$1 and no dogs are permitted to run at large without a collar to which the license tag is attached. The licensing provision does not apply to any dog under the age of six months. Owners are not allowed according to the ordinance to keep dogs which annoy neighbors by barking or appear threatening or vicious to passersby. The police may destroy any apparently vicious dog found running at large provided that reasonable efforts have been made to first catch and impound the dog. No dogs are released from the dog pound unless the owner pays a \$1 impounding fee. Dog owners are urged to cooperate in the enforcement of these rules and regulations.

Rebekah News

The regular monthly meeting of the Degree Staff club has been postponed and will meet on Wednesday, June 10 with Mrs. Roka Mining of 763 West Ann Arbor Trail as hostess.

A pollock dinner will be served at noon. All Rebekah members are cordially invited to attend.

Store Features Daisy Rifle Exhibit

Taylor and Blyton's window display for the "Michigan Days for Michigan Prosperity" campaign last week featured an exhibit of Daisy air rifles, Plymouth's own product. The display included Daisy defenders, projector pistols, the Red Ryder rifle and other models manufactured at the local Daisy factory.

Veterans Stage Record Parade

Many Attend Service In Kellogg Park

More than 300 members of veterans' organizations, civilian defense and Red Cross units, fraternal organizations, Girl and Boy Scouts and other young people's

groups with the Plymouth high school band, marched Saturday in Plymouth's largest Memorial Day parade. More than 20 cars and a girls' mounted patrol followed the line of march which extended about four blocks long.

Carl C. Matheny, director of the Boys' State of the American Legion, delivered a plea to all citizens to "carry on" the principles of democracy as outlined in Lincoln's Gettysburg address, in the Memorial Day address in Kellogg park following the parade. "This war is one not only of the men in service but of all the citizens on the home front," declared the speaker.

Highlight of the program in Kellogg park was the community pledge of allegiance led by Mrs. Harry Hunter of the Ex-Service club auxiliary. The Plymouth high school band, under the direction of Clarence Luchman, played "The Star Spangled Banner," "The Battle Hymn of the Republic," "King Cotton" and "America," and the high school double quartet presented a medley of songs of the Civil, Spanish-American and first World War campaigns. Shirley Bassett and Jack Kenyon, high school students, presented two recitations. At the close of the program, wreaths were placed at the monument in the park of all war dead. Preceding the parade, special services were held at the bridge over the Rouge river commemorating the sailor dead.

Sentence Burglars In Two Local Thefts

Frank Irving Thompson, convicted on a burglary charge in Plymouth, was sentenced last Friday by Judge Joseph A. Moynihan in circuit court to serve a term of 10 to 15 years in Michigan State Prison at Jackson. The burglar confessed as emptied robbery from the residence of Harold Jacobs on Holbrook avenue. The court complimented Police Chief C. J. Thumme upon his splendid work in preparing the case. Richard Clarence Lyntz was sentenced a week ago in Washtenaw county court to serve 10 to 15 years in Jackson for burglary from the residence of Edwin Schrader in Plymouth.

City Holds Public Hearing June 15

Propose Curb And Pavement Projects

A public hearing will be held at the commission rooms of the city hall Monday evening, June 15 to consider a construction project for curb and gutter installations on Hamilton street, between Union and Ann Arbor Trail and Dewey and Roosevelt streets between Burroughs and Edison.

The proposed project was previously approved as a WPA job but since the WPA program has been curtailed, the city has been unable to undertake the work, according to the city manager. The estimated cost of the work will be 90 cents per lineal foot.

A petition was presented at Monday night's commission meeting requesting pavement on Franklin avenue between South Main and Harvey streets. The petition will be considered at the next meeting June 15 also.

Cheer the boys in uniform. Buy U.S. Defense Bonds.

Garden Club To Meet Monday

Program To Follow Picnic Luncheon

The Plymouth Branch of the Women's National Garden association will meet at Garden association will meet at the home of Mrs. Harvey Whipple on Reservoir road Monday, June 8 at 12:30 o'clock. Members are asked to bring box lunches, beverages and money for ice cream which will be furnished. If it rains, there will not be a picnic but the regular meeting will be held at 2 o'clock.

The program for the day includes a round-table discussion on "Spring Flowers and Flowering Shrubs," to be led by Mrs. Ruth H. Whipple. Other participants were Mrs. Otto Beyer, Mrs. W. Cooper, Mrs. R. Haskell, Mrs. William Pettinill, Mrs. Paul Wiedman, Mrs. Floyd Wilson and Mrs. William Wernett.

Salem News

There was a good attendance at the Federated church Sunday to hear Rev. Thomas Copland of a mountain mission church near Williamsburg, Kentucky. A collection of \$50.00 was given to Rev. Copland for use in his work.

Grant Taylor and Mrs. Myra Taylor were at New Hudson Sunday to attend the burial of the former's brother, E. B. Taylor of Detroit.

Mrs. Jennie Schiff of Alma, Mrs. Leta Ostrander of Pontiac, and Mrs. Emma Taylor of New Hudson were Monday dinner guests of Mrs. Myra Taylor. During the day they visited the Willow Run bomber plant.

Little Marjorie Proctor of Chelsea returned home Sunday after spending a week with her grandparents, Mr. and Mrs. George Bennett.

Mr. and Mrs. Clifford Crockett and son, John, of Lansing, were Sunday visitors of Mr. and Mrs. Henry Whittaker.

Mrs. Leona Dunn and daughter, Frances, visited relatives in Detroit Sunday.

Wesley Wilson and daughter, Mildred Gydé, visited at Robert Wilson's Saturday.

Mr. and Mrs. Frank Huff and son, Clements, of Ypsilanti, were Thursday evening callers of Mrs. Anna Youngs.

Mr. and Mrs. Earl Moyer of Detroit spent Sunday at the home of Mr. and Mrs. Ernest Liggett.

Mr. and Mrs. Charles Payne, Mrs. Burdenard and Arlene Atchison spent Sunday evening at the home of Mr. and Mrs. Revitzer of Northville.

Mr. and Mrs. Bert Stanbro spent last week at their cottage at Henderson lake, returning home Sunday.

Mrs. Lucy Wagonschultz, Mrs. Minnie Pankow, Mr. and Mrs. Ray Sackett of Plymouth and Miss Marie Buers of Maybury sanatorium were callers at the Frank Buers home Saturday.

Art Clinansmith and Knowles Buers attended the ball game at Detroit Sunday.

Mrs. Mary Mankin and daughter, Evelyn, of Northville, spent Thursday and Friday in the home of Mr. and Mrs. Charles Payne. Mr. and Mrs. Ray Covell of Northville were also Thursday evening callers.

Mr. and Mrs. C. E. Clark of Lansing spent the week-end with Mrs. Julia Foreman. Other Sunday dinner and supper guests were Mr. and Mrs. John Johnson of Lansing; Mr. and Mrs. Merrill Renwick and family of South Lyon; and Mr. and Mrs. Z. A. Foster of Detroit.

Mr. and Mrs. Alva Wilson were Wednesday afternoon visitors at the home of their son-in-law and daughter, Mr. and Mrs. Clarence Cappen of Detroit.

Mr. and Mrs. Frank Henderson of Plymouth were Saturday evening supper guests at the George Roberts home.

Mr. and Mrs. Ben Hausen of Detroit and Miss Ruth Pennell of Ann Arbor visited at the R. L. Pennell home Sunday.

Saturday visitors at the A. C. Wheeler home were Mr. and Mrs. Calvin Wheeler of Ypsilanti, Mrs. Fred Webb and Mrs. F. J. Sober of Detroit.

Mr. and Mrs. John Smith and family spent the week-end with relatives in Portland.

Mr. and Mrs. George Tanner and son, Jimmie, were at Chelsea Sunday visiting Mr. and Mrs. Kenneth Proctor and family.

Miss Helen June Bennett attended the junior senior banquet at Plymouth high school Friday evening.

Mrs. Mertie Murray spent several days last week with the Myrlan and Ronald Lyke families.

Announcement is made of the marriage of Esma Opal Phillips and Wallace Graham Savage which took place on May 23 in the Central Woodward Christian church in Detroit. The bride is the daughter of Mr. and Mrs. Oscar Phillips of Lancaster, Indiana, and the bridegroom is the son of Mr. and Mrs. Elwood Savage, of Plymouth.

Father V. J. Renaud On Leave Of Absence

Due to ill health, Father V. J. Renaud, pastor of Our Lady of Good Counsel church, has asked for a leave of absence. Father Oiberding, a missionary priest of the Society of the Most Precious Blood, has temporarily been placed in charge. Masses are held daily at 8 a.m. and each Sunday at 8, 10 and 11:30 a.m. The Novena to Mother of Perpetual Help is held every Tuesday evening at 8 p.m.

Five Phone Co. Men In Service

600 Represent Company In State

Five Michigan Bell Telephone company employees from Plymouth are in military service, according to J. R. MacLachlan, manager of the local office. They are Thomas W. Campion, 11023 Blackburn avenue, Rosedale Gardens; David F. Inzall, 10493 Joy road; Gordon A. Moe, 304 West Liberty street; George P. Skeba, 259 Elizabeth avenue and Walter P. Meyers, 1062 Church street.

There are more than 600 Michigan Bell men in the service from all parts of the state. The company is represented in every branch with many men in the U. S. Signal corps where their special telephone skills are utilized in the construction, maintenance and operation of military communications systems.

The Michigan Bell service flag with a single gold star hangs in the lobby of the company's headquarters building in Detroit. The number on the flag is changed weekly and the figure has been increasing 15 a week or more. The gold star honors Private Robert C. Baker, Kalamazoo, who was killed in a Fort Custer accident.

WPB Releases Heaters, Plumbing Equipment

A new order of the War Production Board releases certain metal plumbing and heating equipment providing it is required for the completion of a building project which was initiated prior to April 10, 1942 or providing that equipment is required for a new construction under priority rating for which there is no other available source of supply. The new ruling releases for sale water heaters, oil burners and other plumbing supplies. Oil burners may be sold until June 15 and plumbing suppliers are given until July 30 to reduce their inventory stocks and deliver material to jobs now under construction, according to Roy Jewell, local plumbing contractor.

Chewing gum manufacturers have indicated that national defense requirements are behind the industry's current move to substitute waxed and combination wrappers for aluminum foil.

If repairs aren't quite as fast BLAME THE AXIS

CONSERVATION of trucks and rubber is vitally important to American Victory. In order to save automotive equipment and tires, Michigan Bell now groups orders for repairs and installations, so that as many as possible can be handled on one trip.

Most people will notice no difference in the quality of their service. But if you find it takes a little longer to have a

telephone installed, a cord replaced, or repairs made, you will understand.

In so far as war restrictions and material shortages permit, we shall continue to provide the best service possible. We look forward to the day when we again can give the kind of service wanted, "when and where wanted." But now, and for the duration, war needs come first.

Pearl Harbor Survivor Returns

Ray Groomer, U.S.N. Reports Dec. 7 Raid

Ray Groomer Jr., of Belleville, the first youth from this vicinity to return from Pearl Harbor, is home for a brief furlough. The 20-year-old fighter, radio operator in a Navy bomber, was on duty at an air station near Pearl Harbor on December 7 when the Jap Bombers attacked Hawaii in the sneak raid that incensed the nation and started the war. A bomb struck within 30 feet of young Groomer as he was carrying ammunition near the hangars of the air field. A piece

of shrapnel pierced his leg and he was hit twice by machine-gun bullets from the low-flying Jap planes. He received first aid emergency treatment at the base hospital and arrived in San Francisco on January 21 where he remained at the Mare Island hospital, a U.S.N. base, until March 29 when he was moved to the Great Lakes hospital.

Groomer enlisted in the Navy service on March 27, 1940, received his basic training at the Great Lakes training station in Illinois and attended radio aviation school at San Diego. He first arrived at the air station near Pearl Harbor on March 1, 1941. He received his early training in radio engineering from his father, Raymond Groomer, chief electrician at the Detroit House of Correction and former radio operator in the U.S. Navy. Before the boy left his home, he studied to establish an amateur radio station and received his radio license.

The young man, a graduate of Belleville high school, praised the relief efforts of the American Red Cross which gave all possible help to the men of the armed forces and donated sweaters and cigarettes to the wounded. He reports that morale among the fighting men of Pearl Harbor is "150 per cent." "Please tell the home folks to keep buying bonds and producing the materials for us to fight with and we'll give it back to the Japs," said young Groomer who hopes to get a chance to return to the war front soon and get a "crack" at those Japs after he completes a hospital check-up in this country.

The cost of living, it is estimated, will be about seven or eight per cent more in 1942 than in 1941.

Local Library Offers Vacation Privileges

Books may be borrowed from the Plymouth library for a three-month period or for any part of that time. This privilege is to accommodate those who will be away from town for the summer and who want to have reading on hand for leisure hours. Mrs. Murray and Mrs. Pauline will be glad to recommend adult or juvenile books for you to pack in your suitcase. The vacation privilege extends from June 1 until September 30.

Horses! Horses! Yes, sir, horses are coming back. No, not the horseless carriages, but old Dobbin, old Joe and Sneezy Liz, with prancing step and braided tail!

Uncle Sam says folks can't have any more gas to feed the horseless buggies and so the buggies with horses are now in style. To wit: Attorney and Mrs. Perry Richwine and their three children, Dorothy Jean, Betty Jane and Mary Louise, sauntered down the country lanes and byways the other day in the first buggy that has rambled over the Seven Mile road, Ridge road and Territorial road in nearly a quarter of a century.

"I thought we had better get used to it, so I bought a buggy, borrowed a horse from Earl Deemel and borrowed a harness from Russell Penny—and away we went," said Attorney Richwine. Little Mary Louise insisted that her father not do all the driving—so Mary Louise drove old Dobbin down the Seven-Mile road to the lane where Dobbin wanted to turn the wrong way. No, sir, no one had to get out to lead old Dobbin around any of the snorting buzzwagons that buzzed by as the horse trotted along the highways. You see the buzz wagons were on earth before old Dobbin was born—and unlike his mother and father, he wasn't afraid of the nosy, smoking things as they buzzed along the road.

Before another year or two, there probably will be plenty of "horses" seen along the highways—providing any one can find any horses.

Drs. Ed and Alta Rice, Chiropractors, X-ray service, 747 West Ann Arbor Trail, Ph. 122—Adv.

Mr. and Mrs. John Henderson and son, John Jr., were guests of Mr. and Mrs. William Kaufmann near Parshallville, Saturday. John Jr. remained for the week-end.

Mr. and Mrs. Floyd Burgett, Mr. and Mrs. William Michael and family and Geraldine Burgett visited relatives in Deckerville and Port Huron over the week-end.

Plymouth Drops Match To Northville

Plymouth dropped the Northville golf match 7 1/2-4 1/2 Monday, May 25. Although the Northville team is not in the Twin Valley League, this is P.H.S.'s second game with them. We won the first 9-3. The Rocks' number one man, Schultz, with a score of 93 lost the first and last nine and tied the eighteen with Faulkner. Zimmerman, Plymouth's second man, with a score of 108 tied the first nine holes, lost the last nine and eighteen to Houghton.

The Rocks' third man, Jackson, shot a 53-46, losing the first nine and winning the last nine and eighteen from Rutenbar Nelson. P.H.S.'s fourth man, with a score of 119 lost the first and second nine holes, tying the eighteenth to Carter.

Annual Assembly Honors Students

In honor of students who have done outstanding work in the different fields of activity of Plymouth high school in the past year, the annual honor assembly was held Wednesday, May 27, in the high school auditorium.

Between the presentation of awards were several selections by the high school band under the direction of Clarence Luchtman.

The student council members for the past year who received recognition include Robert Fisher, Nancy McLaren, Marie Ann Miller, George Chute, Dudley Martin, Dorothy Fisher, Gordon Vetal, Marion Goodman, Annabel Heller, Wendall Johnson, Bill Bennett, Kay Fisher, Arnold Phillips, Hugh Harsha, Beth Laughlin, Marilyn Vershure, Terrence Hitt and Barbara Green.

The judges in the student government were: Russell Ash, Pat Hudson, Bob Bachelder, Frances Weed, Bob Wolfe, Rosemary Rav, Janice Downing, Louise Powell, and Bruce McAllister.

The chief executives on the police force were Bob Birt, Louis Kolin, Bill Birt, Ray Kearney, Junior Russell, and Lois Hoffmann.

Mr. Latture who heads the speech department, awarded medals to Barbara Butt and Shirley Luttermoser for declamation; Dorrit Strauss and Nancy McLaren for oratory; Jim McAllister for dramatic reading, which is new this year, and attracted many students; Carmel Stitt and Jack Anderson for extemporaneous speaking; and Nancy McLaren, Malcolm MacGregor, Louise Powell and Dorrit Strauss for debate. Students in junior high school went out for story telling and extemporaneous speaking. Jacquelyn Dalton and Bernard Birt won honors in these. As a group the speech department won a trophy in the state contest at Ypsilanti, and a wall plaque for debate.

Gloria Cramer was awarded \$5.00 by the American Legion for her prize-winning essay on "The Characteristics of a good American."

This year Phyllis Nichol, who also won her senior 400-point letter, was chosen as the outstanding cheer leader.

The other cheer leaders were: Josephine Ambruster, Nina Lawson, Wilma Lounsbury, Charlotte Flarety, and Sally Haas.

Phyllis was not the only one who won her senior letter. The others were: Pat Evans, Carmel Stitt, Hazel Pankow, Annabel Becker, and Virginia Garrison.

There were 18 girls who won their 1000-point letters. Lois Vetal won hers in the least amount of time—three semesters. Others were: Jean Crandell, Elaine DePlanché, Leona Niedospal, Shirley Jacobson, Pat Mason, Paula Hoenecke, Joyce Tarnutzer, Irene Ingleson, Agnes Zimba, Barbara Stover, Leona Bakhaus, Dorothy Fisher, Irene Kracht, Virginia Dunham, Faith Brandt, Marie Ann Miller and Nancy McLaren.

Mr. Lamiman gave a fine talk on model airplanes in the Junior honor assembly last Thursday. He stated that the government was interested in model airplane builders and he demonstrated a blueprint and showed the students a model airplane. There are many very good model builders in high school now and if their talents are developed at an early age they will be a great deal of help to the government.

Heinz Hoenecke and Betty Scheppelle are the spelling award winners this semester.

The football team ended a well played season in a tie with Birmingham and Dearborn for first place. The team played an eight-game schedule winning six and losing only one league contest. Next fall's schedule has seven games including a regular game with Farmington as an opener and three night games. The senior letter winners are: J. Baker, B. Erdelyi, B. Fisher, D. Folsom, D. Hunter, G. Petrazewski, J. Sequin, E. Sessions, J. Wilkie, and D. Wisely. Letter winners who will be in school next year include: J. Campbell, W. Donahue, C. Ebersole, R. Kearny, J. Nagel, B. Scheppelle, J. Sheppard, B. Thams, and J. Wellman.

Although the Rocks lost all six league baseball games, they did win three of the five non-league games played. All the following boys who stayed out for base-

Although Plymouth lost all of their basketball games, the following boys received honor certificates for their ability and sportsmanship: Wilkie, Hunter, Baker, Gorton, Oids, Birt, Ebersole, Kearney, Donahue, Gillis, Bennett and Sheppard.

This year's tennis team won the school's first Class A regional, by winning the Class A regional. Birt and Martin won medals and will qualify for the state match at Ann Arbor June 5 and 6. Birt and Martin were the only winners in the Plymouth entries.

Tennis letter winners are Bob Birt, Bob Bovee, Ed Curmi, Owen Gorton, Hugh Harsha, Malcolm MacGregor, Joe Martin, Warren Mason and Kenyon Oids.

Entering in the Twin Valley League the golf team played seven league games tying one and losing six. Out of the league, Plymouth shot two games with Northville, winning one and losing one.

The following boys were called to the front for their services as members of the golf team: William Kurtz, Kenneth Hart, Harold Schultz, Paul Zimmerman, Alvin Jackson and Harold Crisp received letters. David Nelson, Sanford Burr, and Elmore Shoemaker were complimented on their participation.

Music letters were presented to 24 students by Mr. Luchtman who decided to whom letters were to be given. Those receiving them were: Robert Bachelder, George Chute, Robert Bovee, Jim Ann Gorton, Owen Gorton, Beth Hoehsel, Valerie Kolin, Louis Kolin, Beatrice McKlusky, Marion McKlusky, Allene Parmalee, Arthur Robinson, JoAnn Steinhurst, Bill Schoof, Bill Upton, Donald Vanderveen, June Van Meter, Dorothy Woodbury, Harry Wooster, Bill Wooster, Malcolm MacGregor, Mike Kleinschmidt, and Glenn Fredricks.

Special medals were given to pupils placing first or second division in the solo contest at Lansing. Bill Wooster, solo cornetist received a blue ribbon first division medal. Louise Carter placed second division in baton twirling and Arthur Robinson also placed second with a violin solo. Harry Wooster and Dorothy Woodbury did not receive medals but were very close with third place divisions.

Robert Rianas, with the highest score of 9340 in the decathlon, won a gold medal, as did the following in order of points: Richard Erdelyi, Donald Rock, Wilfred Aubry, and Hugh Harsha.

Those winning silver medals are George Gnaieck, Jack Labbe, Jack Vershure, Willard Olson, Henry Johnson, Raymond Runkel, Jack D'Haene, George Muir, Ralph Bachelder, Robert Stevenson, Robert Skerbin, David Folsom, Donald Jarvis, Bernard Birt, Theron Herrick, Louie Perkins, and Bill Robinson.

Those winning bronze medals were: Elmore Shoemaker, John Petrazewski, Vincent Simonetti, Robert Long, Franklin Garrison, Kenneth Kohler, Edward Throne, Alfred Horn, William Harie, Yale Cummings, Dan Detting, Richard Lasslet, Marvin Miller, Fred Bratby, Lyle Davis, Robert Messerley, James Flannigan, Leigh Langkabel, Jerry Shettler, Robert Short, Frank Keith, Richard Bacon, Terrance Lett, Darant Willis, John Hopkins, Richard Tarnutzer, Howard Lown, Jean Thompson, George Schomberger, Gordon Penion, David Keller, Robert Brink, Charles Truax, Duane Olds, Danny Wisely, Charles Spaulding, Robert Chute, Albert Tobin, Carryll Cushman, Fred Hopkins, George Waters, George Johnson, Donald Allen, William Bauman, Paul Miller, Howard Houghton, Robert Wood, David McIntosh, Harry Swahn, Richard Elzerman, James McGraw, Robert Minnock, William Strautz, Frank Elliott, Fredric Fisher, Ralph Diedrich, Merlin Datcher, Charles Stewart, Richard Olin, Lief Johnson, Hector Eithers, Donald Coon, Richard Wall, Arthur Siefolt, Leo Darast, Glen Shaw, Wayne Gladstone, Jack Dobs, Eugene Krachenfels, Clarence Hoffman, Ronald Phillips, William Farrant, Rollin Welch, Richard Horn, Edward Sawyer, Donald Ritenour, Denny Hines, Robert Cayton, Douglas Blunk, Robert Todd, Charles Foster, Charles Strachan, Tom Bruner, James McLean, Douglas Vincent, Edwin Wall, Jerry Welch, Jack Huebler, Robert Rorabacher, Louis Gray, Neil Speers, George Valence, Heinz Hoenecke, Kenneth Truesdell, Robert McClellan, Lee Spears, Teddy Bailey, Teddy Campbell, David Baker, Charles Finlan, Bill Batema, Karl Hoenecke, Marion

What's Buzzing?

Well, dear students, this is the last time you will have the opportunity (?) to skim through "What's Buzzing?" for this semester.

During the last two semesters do you remember:

The confusion around school when we started back last fall?

When E.M. cut her hair?

The excitement at the Birmingham game?

The wonderful football team we had—the basketball team?

First semester exams?

The junior and senior plays?

The Prom and Hop?

"Sig" complaining because of the parts she always got in the play?

Students apparently industriously studying behind a notebook with the edges of "Superman" or the "Bullet Man" comic magazine sticking out?

The reactions in school after the attack on Pearl Harbor and Roosevelt's speech?

The different couples around school? For instance, Ruth and Gordon, Sal and Bob (?), Betty and Johnny, Lincoln and ?, Leslie and Frank, Joyce and Dick, Dot and Hal, Phyllis and Owie, Velma and Kenny, Joan and Bill, Virginia and Jack.

Sometimes this column gets into trouble, for instance, ever since we called Charles Bowdlear "half-dip" he won't give us hardly any ice cream!

Waterford News

Mr. and Mrs. George Tegge were hosts at a picnic Friday evening. Their guests were Ralph C. McClung, of Middleton, Ohio, Aaron Glick, Miss Elizabeth Glick, Mrs. Bertha Beel of Hamilton, Ohio, Mr. and Mrs. Roy Burgin, Mrs. Franklin Philpot and children, Claudette and Franklin Jr., and Mrs. Mary Glick of Detroit.

Mr. and Mrs. A. J. Gotts visited Mr. and Mrs. Robert Bechtel in Lincoln Park, Sunday.

Mr. and Mrs. Elmer Schilawski and daughter, Bonnie, of Detroit, were guests of Mr. and Mrs. Walter Miller, Sunday.

Mr. and Mrs. James Wilson and family of Hillsdale spent the week-end with Mr. and Mrs. Elmer Perkins.

Mr. and Mrs. Robert Morey, Mr. and Mrs. Robert Shaw and daughter, Sandra, Mr. and Mrs. Roy Burgin of Detroit were guests at a picnic given in honor of George Tegge's birthday Saturday.

Mr. and Mrs. Ernest Wilson of Redford were guests of Miss Thelma Grover Saturday evening.

Schools To Hold Election July 13

Elm And Rosedale To Register Voters

The regular election for the qualified voters of all Livonia township school districts will be held Monday, July 13. Voters in the Elm-Rosedale Gardens school district No. 6 will register for the annual election on June 6, 13, 20 and 27 and July 3 at the Elm and Rosedale schools from 12 noon until 8 p.m.

No registration is required in the Pierson school districts including Stark, Livonia Center, Pierson, Wilcox and Newburg. School board trustees are elected at general meetings of the school voters in each of these districts.

In the Elm-Rosedale Gardens school district, two trustees are to be elected for terms of three years. Members of the school board whose terms expire this year are Victor Smale and Wil-

liam Trepagnier. Nominating petitions for candidates to the school board may be filed between June 13 and June 29 at the home of Ralph S. Randall, school board secretary, on Cranston avenue in Rosedale Gardens.

Garden Club's Final Meeting To Be June 9

The Rosedale Gardens branch of the Woman's Farm and Garden association will hold its final meeting of the season next Tuesday, June 9 at 2 o'clock in the community clubhouse.

Mrs. C. Johnson, president of the Farmington Garden club, will speak on "Federated Garden Clubs." Mrs. Lyman Hedden of the local club will give a report of the state convention held in Detroit May 20 and 21. Tea will be served following the meeting. The garden club will resume meetings again in September.

Mrs. William King, president, announces.

Best equipped optometric service in Michigan. Dr. John A. Ross, Plymouth.—Adv.

Boy Scouts Hold Court Of Honor

Two Members Of RG-1 Receive Eagle Award

Two Eagle awards, highest rank in Scouting, were presented at the Boy Scout Court of Honor for Plymouth district held at the Wayne County Training school Thursday evening. The two honor awards were given to Howard Dickie, assistant scoutmaster of Troop RG-1, and Malcolm MacGregor, junior assistant scoutmaster of the same troop, by Sidney D. Strong, field commissioner.

Five year veteran awards were presented to Robert Parmenter, N-1; Carlton Lewis and Fred Thomas, committeemen of Troop P-1. Other Court of Honor awards include second class ranks to Fred Fischer, Charles Finlan, William Guettler, Carryl Cushman, William Bateman and Charles Hoheisel, Troop P-1; Douglas Vincent and Jay Daggett, P-2; Anthony Epling, Arthur Segnitz, James Flannigan, Ralph McDowell and Jack Bucknell, RG-1.

First class awards were presented to Richard Olin, Robert Chute and Charles Strachan, P-1; Gale Wilson, Don MacGregor and James Baker, RG-1. Merit badges were received by Richard Olin, Edward Strong, Charles Strachan, William Keefe, Richard Neale and William Baker, Troop P-1; Joe Measel and Jim Measel, P-2; Harold Young, Harold Todd and Noel Hoyer, P-3; Robert McTigue, N-6 and Malcolm MacGregor, Warren Mason and Howard Dickie, RG-1.

Three members received the Star rank, William Keefe, Edward Strong of P-1 and Noel Hoyer of P-3. Life awards were presented to William Baker, P-1 and Harold Todd, P-3.

Twelve boys of Troop P-1 re-

ceived bars for attendance records and 100 per cent banners were presented to the troop and pack of LV-1 from the Boy's Life magazine. A special feature of the court of honor program was a bicycle riding exhibition by 12 Scouts of Troop P-3 who demonstrated obstacle and figure riding.

A new troop was announced at the Clarenceville high school. The Scouts of the training school troop cut a linoleum block and printed the program for the evening. The Plymouth high school band, under the direction of Clarence Luchtman, furnished music.

George A. Smith, superintendent of Plymouth schools, presided as chairman of the court, assisted by G. E. Silver, field executive; Amos R. Shields, Scout executive of the Detroit area council; Dr. E. A. Rice, district commissioner; Sidney D. Strong, field commissioner, Dr. Robert Haskell of the training school; George Burr, Kenneth Corey, Russell Daane, Russell Ammerman, Austin Van Hove, Clarence E. Elliott and Captain Bentley of the Wayne County Air Corps.

Rosedale Gardens News

Helen Jane Taylor, who will become the bride of Corporal Donald E. Spicer, of Rosedale Gardens, on the evening of June 13, was the honored guest at two lovely parties during the past week, the first being a miscellaneous shower on Friday evening given in the home of Mrs. Robert Overman with Betty Spicer as co-hostess. There were 18 guests present who enjoyed playing games in the recreation room after which delicious refreshments were served. The table was beautiful with its decorations of yellow and orchid. A large paper doll dressed in yellow centered the table with yellow and orchid iris surrounding her and yellow baskets of candy and nuts were at each guest's place. On Wednesday evening of this week Catherine McKinney entertained at a personal shower for Helen Jane when ten guests were present. Games were played throughout the evening and a dainty lunch served. Sweet peas in pink and white decorated the table covered table and the favors and lunch carried out the same color scheme. Miss Taylor was the recipient of many lovely gifts, on both occasions, which she will always prize.

The members of the Arts and Letters Book club had a most enjoyable day, Thursday, when they met with Mrs. Harold M. Page for their annual luncheon bridge. This was also a farewell party for Mrs. Milton E. Stover, a charter member, who soon leaves the Gardens.

Mrs. Elmer G. Ross and Mrs. Frank Johnston entertained 16 guests, Wednesday, at a luncheon bridge at Rotunda Inn, at Pine lake, in honor of Mrs. Milton E. Stover. The color scheme for this delightful party was red, white and blue, very appropriate at this time.

Mrs. Martin Laitur is entertaining at lunch and bridge today (Friday) Mrs. C. M. Young, Mrs. Kenneth Burks and Mrs. Earl Studer, of Detroit.

Mr. and Mrs. John Picard, of Detroit, were guests, Saturday evening, of Mr. and Mrs. Charles L. Cook.

Mrs. G. G. Payne returned to her home in Fulton, Kentucky, Monday, after visiting her son-in-law and daughter, Mr. and Mrs. Harold M. Page, for the last two weeks.

Mr. and Mrs. Frank Johnston spent the week-end at their summer home at Union lake.

Mrs. Clarence Johnson, of Farmington, will speak on "Federated Gardens" Tuesday, June 9, before the members of the Rosedale Gardens branch of the Woman's National Farm and Garden association. Mrs. Lyman Hedden will give a report on the state convention held in May in Detroit.

Joan Laitur visited her grandparents in Ashtabula, Ohio, over the week-end.

Mrs. Stanley James and Mrs. William King were hostesses, Wednesday of last week, at a country luncheon bridge in the home of Mrs. James. There were ten guests. The tables were decorated in red and white with vegetables as a centerpiece.

Mr. and Mrs. Fred Zinn and daughter, Margaret, of the Gardens, and the former's father, A. K. Zinn, of Battle Creek, left Tuesday evening for Scarborough, New York, to attend the graduation exercises of their son, Fred, from the Scarborough school. They also plan to visit a brother in Scarborough, New York before returning on Sunday.

Mrs. A. C. Burton, sons Daniel and Winston, and Betty Stewart, visited the former's parents, Mr. and Mrs. Daniel McQueen, in Port Dover, Ontario, for the week-end.

Mrs. Charles L. Cook, of the Gardens and Mrs. William Cook, of Detroit, were in North Branch, on Thursday of last week to attend the funeral of Mrs. Alex Schoutz, a sister of Mrs. William Cook.

Radio-active elements developed in the University of California at Berkeley are being used in experimental treatment of a giant-celled sarcoma on the leg of a patient. Substances made radio-active by bombardment with "deutrons" or "atomic bullets," are introduced into the blood stream. Here they focus on infected tissues with much the same effect of X-rays, but, because their effectiveness is limited to a short time, without the possible dangers.

Plan Addition To Livonia School

Federal Government Authorizes Annex

Livonia Center school received authorization last week for a two-room building addition from the U. S. Department of Education. The school addition, a definite works project of the federal government, will probably be a frame and concrete block construction.

The school board is seeking a four-room addition to the present building for an enrollment of 300 is expected by fall. The present enrollment at the end of this school year was 215 and the proposed two-room addition will accommodate a maximum of 240, according to M. H. Blankenhagen, treasurer of the school board.

The present Livonia Center school, a four-room brick building, was erected in 1929 and only two rooms were used until 1936. The school bond issue was refinanced last fall resulting in a savings of \$11,719.17 in interest for the taxpayers of the district.

Newburg News

Rev. Verle Carson spoke on "The Church's Task in a World at War," Sunday morning and patriotic songs were sung. The special number for the Sunday school was a talk by Jack McCollough on "Americanism."

Miss Louise Geney was honored on her birthday with a party given by the girls of her Sunday school class, Thursday evening of last week, in the home of Doris Ryder. Various games were played throughout the evening in the recreation room after which delicious refreshments were served. Miss Geney was presented with several lovely gifts in remembrance of the occasion. The birthday cake was made by Donna Jane Campbell, who is 13 years old.

On Tuesday evening of last week Doris Ryder entertained about 28 guests, members of the Junior auxiliary of the American Legion, and their mothers, at tea and bunco.

The many Newburg friends of Mrs. Effie Stark are sorry to learn of her recent accident when she fell and broke her hip. She is residing with her sister, Mrs. Bert Tomlinson on East Ann Arbor Trail.

Mr. and Mrs. John Seymour and daughter, Eleanor, of Detroit, called on their aunt, Mrs. M. Eva Smith, Wednesday of last week.

The Newburg cemetery presented a fine appearance on Decoration Day with its lovely new driveway, fence and gateway, which were provided during the past year by Charles Wilson, of Detroit, son of Ira Wilson. The residents of Newburg feel very proud of it and thank Mr. Wilson for his thoughtfulness.

Mrs. Harry Gilbert and daughters, Mildred and Helen, attended the Memorial services, Saturday morning, in the Bell Branch cemetery in Redford.

Mr. and Mrs. William McInnes, of Grosse Pointe, Mr. and Mrs. John Slavko, and Mrs. Stanley Rosen, of Detroit, were dinner guests, Sunday, in the home of Mr. and Mrs. Robert McIntyre.

The following ladies of Newburg attended the district meeting of the Women's Society of Christian Service in Northville, Tuesday of last week, which was most interesting: Mesdames

Ross and Rehner's ALMANAC

Election and Annual Meeting NOTICE!

ELECTION in Plymouth District No. 1 frl., of Plymouth, Wayne County, Michigan, will be held at the high school building Monday, June 8th, 1942. Polls open at 7:00 a.m. and close at 8:00 p.m.

The qualified voters will elect at said election two trustees for terms of three years.

The candidates who have filed legal petitions and whose names will appear on the ballot at said election are:

**Harold J. Brisbois
George S. Burr
Howard W. Stark**

The electors will vote on the following:

PROPOSAL I

Shall Plymouth School District No. 1 Fractional grant or cause to be granted to the City of Plymouth, Michigan, sufficient land from Lots 99 and 100 of Assessor's Plymouth Plat No. 5 to widen an alley now owned by said City and located in the rear of Lots 1 to 7, both inclusive, and part of Lot 8, of Kate E. Allen's Addition to Plymouth Village, and on the southerly side of Lot 1 of said Addition, to a width of 20 feet; said land to be used for alley purposes only.

Signed, Claude H. Buzzard
Sec'y Board of Education

TO ALL GAS CUSTOMERS

CHANGED CONDITIONS MAKE IT NECESSARY TO CHANGE CERTAIN OPERATING METHODS, INCLUDING METER READING. BEGINNING IN JUNE . . . CERTAIN CLASSES OF

METERS WILL BE READ EVERY 2 MONTHS

BILLS WILL BE RENDERED EVERY MONTH

Conservation of materials and manpower make it necessary to change certain operating methods, including meter reading. Beginning in June, meters will be read every two months, instead of monthly.

THIS APPLIES TO RESIDENTIAL METERS AND CERTAIN COMMERCIAL METERS. IT DOES NOT APPLY GENERALLY TO INDUSTRIAL CUSTOMERS.

The plan will be started on June 1, 1942, and the new scheduling of meter reading provides for one-half of the meters to be read in June, and the balance in July, and thereafter bimonthly.

BILL EACH MONTH

- 1.—If your meter is read in June, your bill will cover one month's metered consumption as heretofore.
- 2.—If your meter is not read during the month of June, your bill will, under ordinary conditions, be one-half the bill computed for the previous two months.
- 3.—Starting with July, in those months during which meters are read, (which reading will be for a two months' period) the several blocks of the rate schedule will be applied on a two months' basis. To arrive at the amount of the bill for this one month, the amount billed for the previous month is deducted. The balance is then the bill for the month. (This will all be shown on your bill.) Thus the bill will be automatically adjusted every other month.

DO EVERYTHING TO WIN THIS WAR!

We are all in the same boat. You know the order of the day—no more tires, no more cars, save gas, save everything. Not to mention a growing shortage of manpower in our business. That's why you will understand what we, too, are up against—and why we must conserve in all possible ways to maintain and protect service for war production and vital home necessities.

Your cooperation will be one more help in the biggest and most critical job ever faced: winning this war.

GOOD WORK

It begins to look as though Hitler is getting a little of the same kind of treatment he has been dishing out to the rest of the world for the past three or four years. When the English dumped a few thousand bombs on one of Hitler's great industrial centers the other day, they just gave Mr. Hitler and his Nazi party a little pre-view of what is in the offing before the summer is over. Hitler hasn't been at all sparing in his treatment of the English or of the small nations of Europe. He has given defenseless people a terrible beating. It begins to appear as though the tide is beginning to turn. And there should be no mercy spared as it sweeps forward to crush the military Dictator who has drenched the world in blood.

PATRIOTISM

There is much that goes to make up that something which we call patriotism. News dispatches report that the famous Chesaning showboat will not dock this year at Chesaning for its annual frolic. The committee, according to the Chesaning Argus, states that the nation needs the effort, money and time that goes into this famed production, and therefore it has been decided to cancel all future Chesaning showboat events until the war is won. The effort, money and time required to produce this popular event will go into various war activities. That's what we call true American patriotism.

THE PENALTY

Hitler the other day ordered another group of French hostages shot. They were killed because some one had wrecked a train. Not one of the victims knew of the train wreck. Not one of them had anything to do with it, directly or indirectly—but they were stood up in front of a brick wall and killed just the same. These victims were but a few of the many thousands who have been slaughtered in this vicious way by Hitler's orders.

What should be the penalty the rest of the world must inflict upon Hitler for this barbarian type of warfare? There is but one penalty—the complete annihilation of those who have revived this brutal practice of the dark ages.

GOOD NEWS

Barney Youngblood who has been secretary of Michigan's non-existent state fair, a job that had no work connected with it except the cashing of a state pay check every two weeks for a couple of hundred good American dollars, says he is going to quit. He gives as his reason for the "sacrifice" he is making the constant "hounding" of Auditor General Brown. Well, if the Auditor General can drive useless and expensive public job holders into quitting their jobs, we'll say he is performing pretty valuable services for the state of Michigan. That's the kind of "hounding" the taxpayers like. More power to the Auditor General.

RAMBLING AROUND

With Prominent Michigan Editors
Their Views About Public Problems and Issues

AREN'T YOU PROUD THAT YOU LIVE IN MICHIGAN?

Michigan is a great state. It is a rich state. It is a lovely state. It is a versatile state. Michigan is an empire all by itself. Too many Michigan people do not know enough about Michigan. We are learning some things in these days of war about our state. We are coming to realize that if the United States is the arsenal of democracy, then Michigan is the workshop that supplies a large part of that arsenal. Munitions, materials, tanks, planes, foods, metals, chemicals, and many more come from or are produced in Michigan.

This week many advertisers are featuring Michigan Days. This campaign might be called by any one of several other names. It is designed to impress Michigan people of the vast resources of Michigan and the great advantages gained by Michigan people using Michigan products.

Many things will be upset this year and for the duration of the war. But Michigan's great resources will remain. Even war cannot take away the fertility of Michigan soil. War will not exhaust Michigan's vast resources of minerals. War will not take away the 5,000 plus resort lakes. War will not take away the great waterways formed by the Great Lakes and the vast sources of raw materials that lay adjacent to the shores of those lakes. Michigan's great industrial area is located here for sound reasons. It is not an artificial promotion. Millions of people will always live in Michigan because Michigan is economically sound. It is blessed by nature.

Michigan has grown remarkably in this century because ingenious brains and active imaginations saw the great advantages of this state. All that Michigan needs to go to greater progress, to greater achievements in this war and in the years that are to follow, is to have more enthusiastic Michiganers believe in Michigan. Schuyler Marshall is The Clinton County (St. Johns) Republican-News.

ANSWER THIS ONE.

By living in such a mechanical age and with adding machines at our finger tips, why should anyone's arithmetic get rusty?—R. G. Jeffries in The Lowell Ledger.

A WORTHY CITIZEN.

Received a visit Friday from our friend John W. Blodgett of Grand Rapids, with whom a visit is always an interesting event. Mr. Blodgett was long a foremost

figure in the lumbering industry in Michigan, his interests reaching far outside of his home state. He has always been public minded, and especially interested in good government and the selection of good men to administer government. Naturally he is of the old school which believed that to be industrious and frugal were two of the chief elements which lead to success, and the modern method of learning on the state for support does not appeal to him; and also naturally he does not believe the social revolution that is being brought about under cover of war is good for America. His fund of information, sound sense, and good judgment based on long experience, make him always a welcome visitor. The younger people of today, who know life only under depression or war, little realize the social changes made and in the making and can easily be trained to accept those changes as the natural way of life in a republic, but to the older people, who have known individual freedom with its rewards for initiative, industry and thrift, the new way does not appeal, and to this group belongs Mr. Blodgett.—William Berkeley in The Cassopolis Vigilant.

MINE VALUES GO UP.

A five per cent increase in the valuation of the iron mines of Iron county is a cheering announcement to financially pressed governmental units and to those who have viewed the long range industrial possibilities of the district with optimism. School districts and the county especially will welcome it for the new revenues involved and residents who depend upon mine employment for incomes, either directly or indirectly, will be reassured over the industrial stability reflected in increased values of the iron ore properties.

War demands have had their influence on values for some mines have been reopened, at least one has been developed from a reserve into a producing property, and some drilling has opened new ore reserves. The pendulum has begun to swing back from the depressing news of surrendered leases and restricted operation and we may rightfully anticipate an effort by operating companies to accelerate their production in this high phosphorous and high sulphur field.—Eugene T. Moore in The Iron River Reporter.

Honor to faithful merit is delayed, and always has been, but it is sure to follow.

The carpenter bee attacks roses where cuttings have been made leaving the pith exposed. The bee makes a hole in the pith, killing the ends of the rosebush. The best protection is to put a drop of shellac or white lead on the fresh cut when ever made.

In Plymouth and Vicinity—Interesting News of Days Gone By Taken From The Plymouth Mail Files

W. T. Pettingill, who recently purchased the interest of W. C. Brown in the grocery firm, known for the past 13 years as Brown & Pettingill, has sold a half interest in the business to Fred A. Campbell of Detroit. The firm name will hereafter be known as Pettingill & Campbell.

The last meeting of the second series of the bridge club was held at the home of Mrs. C. L. Wilcox and Mrs. Ellen Nichols on Penniman avenue, Thursday afternoon. At one o'clock a fine pot-luck luncheon was served and later in the afternoon bridge was played.

Plymouth citizens will have an opportunity on Monday, June 18, of voting on the proposition of whether or not they wish to revise the village charter with a view of later adopting the manager type of government.

A quiet wedding took place May 27 at the home of Mr. and Mrs. W. B. Travis, 899 Trumbull avenue, Detroit, when their daughter, Marjorie Amanda, was united in marriage to Eugene Reynolds Campbell of Chicago, son of Dr. and Mrs. S. E. Campbell of this village. Rev. E. F. Farber of Detroit, assistant pastor of the Woodward Avenue Presbyterian church, performed the ceremony. The bride and bridegroom were attended by Miss Grace M. Campbell of Plymouth and Dr. John Hunter Gill of Chicago. Miss Travis is one of Plymouth's most highly esteemed young ladies and also one of Plymouth's most popular high school teachers. Mr. Campbell is an assistant sales manager of the Rand, McNally Globe and Book company.

George Hallum and Miss Iva Harshbarger, both of Plymouth, were married at the Methodist parsonage Thursday morning of last week. They were attended by Miss Nellie Link and Vernon Goodale, and the ceremony was witnessed by a number of relatives and friends. Rev. F. M. Field officiated.

In common with the great patriotic movement that is sweeping over the country, Plymouth citizens have been asked to do their bit toward subscribing for the liberty bonds. Every man and woman who can possibly do so should subscribe for some of these bonds no matter if you cannot take a large amount; your subscription for a small amount will show your patriotism and loyalty and will be just as acceptable. The Detroit committee who has charge of this district appointed E. C. Hough, chairman of the local committee.

Charles Mining is building a new garage at the rear of his residence on East Ann Arbor street.

Henry E. Baker of this place has gone with a party of four senior engineers from the U. of M. to Fort Riley, Kansas, where they were sent by the war department under the management of the G. A. Fuller Construction company to do work along sanitary lines in enlarging the camps there.

The Misses Ethel Gracen, Winnie Jolliffe, Mildred Mills and Mrs. George McLaren gave a miscellaneous shower in honor of Miss Hazel Conner at the home of Mrs. J. D. McLaren last Friday evening. About twenty guests were present and Miss Conner received several nice gifts. Music and a social hour made the evening enjoyable. Light refreshments were served. Hearn & Galpin have moved their grocery store into the build-

Roger Babson Says . . .

City Expenditures Must Be Drastically Reduced

Babson Park, Mass., June 5—While we are reading and hearing a great deal today about our Federal Income Taxes, we must not lose sight of our state and local tax situations. This is now of vital importance to every property holder and even to those who rent houses or other types of city, suburban, and country property. States, counties, cities, and towns will be surprised at the way their income is going to melt away. With nation-wide gas rationing this summer, gasoline taxes will surely decline. This also applies to automobile registrations, garage licenses, building permits, and other sources of local income. Communities which have a large number of automobile owners in relation to

as for older homes may increase. Hence, they may feel justified in valuing them higher for tax purposes. This is a contingency which property owners and renters must guard against. If landlords find their valuations, and subsequently their local taxes, rising, they are going to push rents up wherever possible.

Taxpayers should make certain that local expenses of all kinds are immediately reduced and thus avoid being saddled with unnecessarily increased taxes. The situation is not something that readers need write their Congressmen about. Furthermore, you cannot blame it onto the President! This is one instance where no voter can fairly pass the buck. Only your personal intervention will protect your interests. Any municipal expenses not essential to the protection of life and property should be eliminated. Fire protection and other utility services must, of course, be maintained, but the expense of so-called planning boards and many other peacetime local frills can be cut out.

The bars should also go down on public works construction. Much work of this nature has, in the past, been partially paid for through state aid in the form of bonds. Now, however, states, as well as counties, will be unable to aid cities and towns in the re-building and maintenance of roads or in the construction of new highways. Local taxpayers should insist that only the best maintenance be provided for. Otherwise, as a matter of local pride, and in some instances to maintain employment, local governing authorities may attempt to continue all civic departments and employees, passing the load on in the form of higher taxes.

Today is no time for local extravagance in any way, shape, or form. During recent years municipalities on the whole have done a good job in cutting down their debt obligations. This has done much to offset the rise in national debt. Local officials are to be commended for their efforts in this direction. Now, however, treasurers, auditors, and other city fathers should sharpen their pencils and see what further economies can be made. Such savings may make it unnecessary to borrow in anticipation of tax receipts. Thus, some interest charges may be avoided.

People should realize that their local tax bill does not cover simply the cost of running their own city or town. State and county assessments are usually included. Thus, the whole political structure becomes unsound unless taxpayers get tough and fight rising tax tendencies. While

Punching holes in paper with a bolt of Lightning
...HOW THE "Surge Recorder" helps improve your ELECTRIC SERVICE
Because lightning is a frequent cause of trouble on electric transmission lines, the more we know about lightning the better we can develop safeguards against it . . . and the fewer times lightning will damage the lines and equipment that serve you.
Lightning "surges" travel along transmission lines like a wave in water. The wave rolls along until it strikes a sharp cliff, then dashes high and breaks over it. Similarly, a lightning surge moves along a line until it hits an obstruction—a transformer, generator, terminal substation or whatnot—and may then "flash over" the object that blocks its path. Lightning surges have entered substations and powerhouses, blown up switches, starting disastrous fires and destroying equipment. So it is important that we know as much as possible about the whims of lightning.
The small black box shown above houses a "Surge Recorder" used to measure the currents that flow in a lightning stroke. It is installed on some of the 24,000-volt lines of The Detroit Edison Company. Simply described, it works as follows: A piece of waxed paper is inserted in a gap between two copper blocks. A lightning "surge" jumps the gap, puncturing the paper and leaving a small hole. By measuring the size of the hole, the size of the lightning current may be determined, and valuable data collected on the nature of these destructive surges that wreak havoc on our lines.
The Surge Recorder is one of many developments that are "all in a day's work"—improvements designed to bring you better electric service at lower cost. The two go hand-in-hand. During the last twenty years, the average price per kilowatt-hour paid by our residence customers for electricity has dropped 46 per cent. The Detroit Edison Company.
