

Leaders Expect USO Drive To Go "Over The Top"

Preliminary Report Indicates Campaign Will Exceed Fund Goal

The drive for funds for the United Service Organizations in Plymouth and surrounding districts promises to go "over the top" according to a preliminary campaign report from Frank Walsh, district treasurer.

The campaign, conducted by volunteer committees in a house-to-house canvass of Plymouth, Northville and Livonia townships, will conclude Saturday. Persons who have not been contacted in the canvass and who wish to contribute to the USO program for men in the armed forces may send donations directly to Frank Walsh at the Blunk and Thatcher store in Plymouth.

The fund drive is expected to exceed the district's goal of \$1500 with contributions already received and complete reports to be submitted by committee chairmen. Total contributions from each community in the district will be published next week.

The local USO branch will underwrite the expense incurred in the "send-off" demonstration to be staged by the Junior Chamber of Commerce and Plymouth Canteen club for recruits leaving Plymouth next Monday. The USO actually expends funds for the direct benefit of Plymouth sons in service.

Fluelling Has Recap Equipment

Offers Service For Eligible Applicants

Two new machines for the recapping of tires, the only electrically-operated equipment in this vicinity, were installed last week at the Fluelling, Hi-Speed service station on South Main street and are now in operation for eligible applicants.

The re-cap mold equipment was obtained by the local service station on an A-10 priority rating from Washington, stated Manager Earl Fluelling. All recapped tires are guaranteed under federal regulations which provide that motorists must not exceed 40 miles an hour. Recapped tires will furnish service for several thousand additional miles.

The entire recapping operation requires about three hours. Steps in the recapping operation include buffing the tire to clean the rubber surface; brushing a coat of cement on the tire surface; applying a strip of camel-back rubber over the cement and vulcanizing the rubber to the tire body in the mold machine at a heat of 285 degrees for one hour.

Odd pieces of rubber are trimmed from the tire after the heat treatment and the tire is completely recapped. The machines, each of which weigh 6000 pounds are operated by thermostat control and will accommodate tire sizes 600, 500-17 and 700-15.

Applications for tire recapping should be made at the office of the local ration board at the city hall. Those eligible will be issued priority numbers and certificates for recapping. The following vehicles shall be eligible for recapped tires: Licensed jitney, taxi or similar transportation service to the general public; transportation of persons to enable them to render construction or mechanical, structural or highway repair and maintenance services; transportation of executives, engineers, technicians and workers to and from establishments essential to the war effort, such as power generation or transmission facilities, transportation facilities, agricultural, industrial or military and naval establishments.

Transportation on official business of federal, state or local government employees engaged in the performance of government business; transportation of produce and supplies to and from the farm; transportation of traveling salesmen engaged in the sale of farm, industrial, food or medical supplies; transportation of newspapers for wholesale delivery. Due to the critical shortage of rubber available for the manufacture of recapping materials, only a small number of tires can be recapped and the burden of establishing need rests on the applicant, according to local ration officials.

Red Cross Plans Class In Surgical Dressings

Registrations are now being accepted by Mrs. Winston Cooper for a class in preparation of surgical dressings to be offered by the local chapter of the Red Cross in September. Mrs. Harold J. Brisbois will be the instructor for the new class.

War Plant Manager

WILLIAM A. MAHER

Precision Plant Re-Opens Office

Plymouth Unit To Coordinate War Work

The engineering department of the Precision Products company has moved from Detroit and re-opened offices in the company's former plant at North Mill and Amelia streets in Plymouth. The plant was built by the Precision Products company in 1937 for metal plating operations and was closed four years ago.

President and manager of the company, re-established in Plymouth, is William A. Maher, who is also vice-president of the Kalamazoo Plating Works and sales development engineer of the Precision Castings Company of Syracuse, New York. The Plymouth engineering office will serve as an auxiliary unit for war work in the other two plants. President Maher will direct material control and supervise jobs between the Syracuse and Kalamazoo plants where munitions parts are manufactured, coordinating production with the Army Ordnance department in Detroit. Actual plant operations will be started in Plymouth at a later date.

The Plymouth plant of the Precision Products company, of brick and concrete construction, includes a floor space of 14,000 square feet. The office has been completely remodeled and former plating equipment remains in place in the plant. The office staff also includes John Morrison, secretary, and Ray Ledford, technical expert, transferred here from Kalamazoo. The company maintains its sales office in the Book Building in Detroit.

American Legion Collects Records

Proceeds To Supply New Discs For Camps

The American Legion, working in cooperation with a group of nationally eminent musical artists, will launch a campaign to collect old phonograph records for scrap as a means of providing a steady supply of new records to America's fighting men for the duration. The Myron H. Beals post and auxiliary has established recording stations for record donations at the Plymouth Hardware store and the Blunk and Thatcher furniture store.

The campaign will extend from July 31 to August 8. Proceeds from the disposal of old records as scrap will be used in the purchase of new discs and phonograph players for shipment to front camp, base, post and battle station where there are Americans in uniform.

Records For Our Fighting Men, Inc., a new non-profit agency, was organized early in June by Kay Kyser, Kate Smith, Sigmund Spaeth, Fritz Reiner and Gene Autry, acting as the original incorporators. Some one hundred outstanding band leaders, symphony conductors, singers and instrumentalists have already pledged their full support to the drive.

Instead of asking for funds, the Legionnaires and auxiliary members are calling upon neighbors to search attics and cellars for old phonograph records. It is estimated that more than 200,000,000 old records are accumulating in thousands of American homes. The idea for supplying records to the fighting forces originated in a message from an American air corps squadron commander in Australia. "If somebody at home wanted to do something for the boys who are fighting this war, he would see to it that every squadron had a first class phonograph and records so that there would always be available good jazz and classical music. There is no better morale builder." The Legion has taken up the challenge and urges your cooperation.

Annual Report Shows Increased Postal Business

Receipts Are \$96,800; Money Orders, Parcels And Mail Service Gain

The annual report for the past fiscal year shows increases in all branches of postal business in Plymouth. The total postal receipts for 1942 amount to \$96,896.41 which is about the same as for the previous fiscal year, but postal business in the department of money orders, registered letters and parcels show increases of a third more than the previous year.

Postmaster Harry Irwin, reporting the growth of postal business, appeals to the public to furnish correct and complete addresses with streets and numbers on all mail to facilitate postal service. "Plymouth used to be a small postal office where mail carriers and postal employees were acquainted with most patrons and their addresses, but there are so many new residents and new employees unfamiliar with delivery routes that complete addresses are essential for prompt and efficient delivery service," said the postmaster in response to complaints of delays in delivery.

Money orders issued at the Plymouth postoffice from July 1, 1941 to June 30, 1942 amounted to \$633,000 in comparison with only \$426,000 in the previous year. The report represents an increase of a third during the last year and double the amount issued two years ago. There were 6,000 parcels insured for mail from Plymouth this year in comparison with 4,000 parcels during the previous year.

The great increase in incoming registered letters is attributed to mail from industries applying for bonds on the payroll deduction plan and most of the outgoing registered mail is probably dispatched to boys in army training camps throughout the country.

Tag Day Nets \$390 For China Relief

Expect Fund Drive To Exceed \$750 Goal

The United China Relief fund drive in Plymouth is going "over the top" with \$397.39 received in last Saturday's Tag Day sale and \$377.07 received to date from chain letter solicitations and direct donations. The Plymouth drive for China Relief will continue until August 1 and contributions may be sent to Miss Margaret Dunning or Russell Daane at the Plymouth United Savings bank or any member of the general committee.

A corps of 16 young women sold tags decorated with the flag of the Chinese Republic and solicited donations in China Relief canisters all day Saturday. The local committee was assisted by four Chinese students from the University of Michigan who appeared in native costume on Plymouth streets Saturday afternoon. They were Miss Catherine Choy, Miss Lois Wong, H. Yuch and Mr. Chang. The men wore grey costumes and the girls wore attractively garbed in dark dresses, trimmed with embroidery. They bought direct reports of the suffering and loss of life and property in China and also a measure of appreciation to Americans for their help.

The young women who aided in the Tag Day sale were Patricia Cassidy, Gloria Jones, Kathryn Micol, Rose Nicosopol, Nina Jean Lawson, Nancy McLaren, Kye Moon, Marie Ann Miller, Marian Goodman, Barbara Miller, Charlotte Jolliffe, Ione Stuart, Virginia Moss, Beth Hobeisel, Dorritt Strauss and Carol Hubbell. Plymouth's goal for the entire drive is \$750 and total funds received to date are \$774.46 so it is expected that with additional contributions this week the community will exceed its goal after nominal expenses are paid.

Mail Employee In Army Hospital

Grandfield Yankey Hurt In A Fall

Grandfield Yankey, one of The Plymouth Mail composing room boys who enlisted for military service some months ago, is in a military hospital at Camp Leonard Wood in Missouri, suffering from injuries received in a severe fall.

While details are lacking, it is stated that he fell for a distance of more than 25 feet, breaking one of his ankles and receiving other severe bruises.

He will be out of training service for a number of months, according to information that has been received in Plymouth. His parents reside in Carlton.

District Governor Sends Praise To Local Rotarians For Hospitality

"You will be intrigued to know that as a host club you made a most excellent impression, your many courtesies and the extreme friendliness made a deep impression on the visiting Rotarians. Many favorable comments were expressed to me during the day. Tell all the members how much I appreciate what they did," wrote District Governor Alex Moore, of Wayne, to President Blake Gillies of the Plymouth Rotary club a few days ago pertaining to the district conference held last week Thursday in Plymouth.

It was the first time Plymouth had ever entertained such a distinguished group of Rotary officials. All of the club presidents, vice-presidents and secretaries in this Rotary district were present, many coming from Canada.

Naturally President Gillies and members of the Plymouth club were highly elated to know that the meeting in Plymouth was so pleasing to the visitors.

Brothers Separated 50 Years Ago When Mother Died, Re-United Here

Fifty years ago, two little boys in knee pants, lived on a farm in Clay county, Iowa. Their mother died, and when Mother passes on, it always changes the world for the children.

It did for these boys. One was adopted by his grandparents and went to California. The other came to Michigan to live with other relatives.

Fifty years is a long, long time. It's a half century. Maybe it was this long separation of the two brothers, Clarence Pelley, 63-year-old Plymouth resident, and his brother, G. E. Weaver, 57, of Fresno, California, which made their first meeting this week after their separation following the death of their mother, such a happy one.

Mr. Weaver, who took the name of his grandparents, is president of the Fresno Lion's club. He was elected its delegate to the annual convention of this service organization held last week in Toronto, Canada.

When he started East he determined to look up the brother in Plymouth he had not seen since the day he left his Clay county home in Iowa to live with his grandparents.

It is needless to say that the reunion of the two brothers has been a happy one.

Mr. Pelley, the eldest of the two, declared that while he had not seen his younger brother in all of these years, he could see a resemblance to the youngster he was separated from when just a little over 12 years of age.

Mr. Pelley has resided in Northville, Livonia township and Plymouth for over 40 years. He has a large circle of friends in this part of Wayne county. For eleven years he was employed by the Pere Marquette but now is working at a service garage in Waterford. Mr. Weaver operates a Nehi bottling plant in Fresno and is a well known business man of that city. There are two other brothers and three sisters in the family.

Truly, these have been happy days for the two brothers.

Bakery Installs New Fixtures

Modern Supply Case Encloses Baked Goods

Modernistic light-finish fixtures have recently been installed at the Terry Bakery shop on Penniman avenue. The white enamel supply case matches shop cases installed previously and completes the modern appearance of the store.

The case has sliding doors at the rear where freshly baked goods may be placed as soon as it leaves the ovens. The racks hold 40 large trays of baked goods and on either side of the case are windows which provide an open shop in which customers may view the bakery operations in the rear of the store. Manager Frank Terry explains that the shop's baked goods are entirely enclosed within glass.

Tire Committees For War Plants

Only Defense Workers Eligible For New Tires

War production plants in the Plymouth area this week appointed three-month committees to organize "share the ride" group transportation and to determine the eligibility of employe applicants for tire rations. The advisory transportation committees are set up in war production plants which employ 100 or more workers.

Transportation committees include Wall Wire Products, Ross V. Heilmann, Thomas Cramb and Albert Seguin; Kelsey-Hayes Plymouth plant, B. J. Edward, Maynard Purcell and Stanley Nowicki; Ford Waterford plant, Henry Inhenk, R. Micol and Harold Stevens, and Ford Northville plant, Carl Bryan, Edward Wood and Leslie Philbin.

The local Ford plants are considered as a department and will be under group rationing as a unit of 100 or more employes. The committees include appointments by the plant management, by labor and the third is appointed by the other two members.

The local ration board will accept the recommendations of the plant advisory committees regarding the eligibility and essential role of the applicant in the war effort. Applicants' tires must all be inspected by inspection stations approved by the local ration board unless the plant has inspection facilities. Only defense workers are eligible for certificates for grade two new tires and tubes and there exists only a limited supply of grade two tires.

Herbert Schmidt of the Detroit regional office of the OPA in a talk before local defense plant representatives Monday stressed the necessity for conservation of existing tires, and stated that by the end of 1943 millions of automobiles will be out of use on account of the rubber shortage. The OPA field representative recommended that local war plants organize a parking lot check for proper inflation of tires by plant committees.

Local Canteen Unit Serves At Army Show

Members of the Plymouth Canteen corps will participate in the Army War Show at the U. of D. stadium in Detroit Friday (today). Under the general direction of Mrs. M. A. Arnold, the canteen unit of the local Red Cross chapter will serve cake and coffee Friday afternoon and evening to 1200 soldiers. The show, presented by more than 2,000 expert combat troops and 72 officers, is sponsored for the benefit of Army relief for families of service men.

Lutheran Church Holds Park Picnic

Over 200 Members Attend Gathering

More than 200 members attended the twelfth annual picnic of St. Peter's Ev. Lutheran church in Riverside park Wednesday afternoon and evening. The children's program and contests were held in the afternoon under the direction of the Sunday school teachers and the program of entertainment for post-confirmation members of the congregation was held following the picnic supper.

The picnic guests enjoyed a cafeteria style supper after they were forced to move from the customary site of their annual picnic gathering by a picnic party of 500 from a Detroit business concern that came in and crowded them out.

The grand finale of a program of contests for adults was a bicycle race. Mrs. Earl Melton won the women's bike sprint and Steve Veresh won the men's bicycle contest. The committee in charge included Louis Ribar, chairman of entertainment, assisted by Edward Van Loo; Mrs. William Bartel Jr. and Mrs. Oscar Lehman, food chairmen.

Trees And Wires Fall In Storm

Interrupts Electric And Phone Services

Storm damage resulting from the heavy rain and gale early Wednesday morning included much more than fallen trees and branches, electrical and telephone wires in the Plymouth area. Detroit Edison repair crews were kept busy Tuesday night and Wednesday morning answering calls about fallen wires and the Bell Telephone company reported service was interrupted in many sections by water in cable lines and wires that had been broken down by falling trees.

Electric power lines were torn down at Wing and Forest streets and residents of West Ann Arbor Trail, west of Harvey street, were without lights for a short time. Many large trees and branches were blown over. One of the largest was the 100-year-old oak tree at the front of the Wilkie funeral home property on North Main street. The tree was blown down the middle when lightning struck it shortly after midnight.

Recruits Leave Plymouth Aug. 3

JayCees Plan Public Send-Off Program

More young men from Plymouth and neighboring communities will leave civilian life for Army training camps next Monday, August 3 and the Junior Chamber of Commerce is planning a rousing send-off in which the public is urged to participate. The recruits inducted will report for assembly and roll call at the local headquarters at 2:45 Monday afternoon.

The Plymouth high school band, under the direction of Clarence Luchman, will provide a musical send-off for soldier recruits, and the Junior Chamber of Commerce will distribute cigarettes, candy bars and cold pop to the service men. The JayCee committee will be assisted by the local Red Cross Canteen corps under the direction of Mrs. M. A. Arnold.

The recruit group led by the high school band will march from the draft headquarters to the Pere Marquette depot to board the train at 3:20 o'clock. This will be the first recruit group to leave Plymouth by train. All citizens are urged to attend the afternoon send-off demonstration at the draft headquarters and join in the march to the railroad depot. These young men have sacrificed much in leaving civilian life and will sacrifice much more in the fight to preserve your freedom. It is little to ask of the townspeople that they give a half an hour of their time Monday afternoon to give the boys a happy departure from their home town. Merchants are also asked to display flags for the occasion.

The JayCee committee in charge of the demonstration includes Ray Danol, general chairman; J. R. Cutler, Frank Walsh, John MacLachlan and James Hauk.

Consider Change In Auto Parking

May Park Parallel On Penniman Ave.

Parallel parking on Penniman avenue was discussed at a meeting of the planning commission this week, but no action or recommendation was taken. A survey of merchants and business men is proposed.

A traffic engineer of the AAA of Michigan, in a report submitted to police and city officials recently, recommended adoption of a parallel parking system on Penniman as a safety and traffic control measure. Accident reports in police files corroborate the necessity for improved traffic control on Penniman where business traffic and parking is extremely heavy at certain rush hours and on Saturdays.

Penniman avenue's business block where angle parking is now in effect extends for a distance of approximately 600 feet from Harvey to Main streets. Angle parking permits one car to each nine feet of space and parallel parking will require 20 feet or more for each car. It is believed that while parallel parking will reduce available parking space on Penniman avenue, there are many store customers and merchants who can make use of available parking space in the municipal lot at the rear of business property.

Former Urban Car Workers To Meet

Motormen And Aides To Hold Picnic

The old interurban car gangs are not going to clang, neither is the air whistle familiar to old timers going to blow, but conductors and motormen who in the long ago were paid good American dollars to run the interurban cars are going to meet again and talk over old times. Back in those days most folks would pay good money to run a street car.

The annual picnic of the former interurban workers is going to take place Sunday, August 9, in Prospect Park in Ypsilanti. Conductor Charles Thumme says there are quite a number who plan to go from Plymouth. At one time Plymouth had quite a large "colony" of one-time interurban employes.

The pot-luck basket picnic will take place at 1 o'clock and the afternoon will be spent in reminiscing about old times.

Conservation Club To Hold Skeet Shoot

The Western Wayne County Conservation club will hold an outdoor meeting with skeet shoot and refreshments at Russell Powell's residence on North Territorial road Monday night, August 3 at 8 o'clock. Charles Messmore, chairman of the evening's program, asks all members to bring guns for the skeet tourney.

In Great Britain

MAJOR CASS S. HOUGH

Word was received in Plymouth this week from Major Cass S. Hough that he has arrived safely in Great Britain and is well and happy. Major Hough cabled his father, E. C. Hough on Tuesday of this week.

The former vice-president and sales manager of the Dais Manufacturing company has been an active duty in the army air corps for over a year. He won his majority commission shortly before he left this country.

Plymouth Fidos Causing Trouble

Some Dog Owners May Face The Judge

If you don't look out, poor little Fido is going to get you in trouble!

Yes sir, that dog of yours running up and down the street, is leading you directly before his majesty, Judge J. Rusling Cutler. Chief of Police Charles Thumme says he doesn't like to get warrants out for folks, but he is surely going to do it if Fido isn't chained up for the duration of the summer.

"I've warned folks as pleasantly as I know how. But it looks as though the police department has got to use the big stick—and we don't like to do that. But dog owners can rest assured that if their dogs are not kept off the streets, they are going to pay a penalty in court," declared Chief Thumme yesterday.

Not only does the dog owner face a possibility of going to court, but poor Fido might be locked up in Plymouth's dog concentration camp for the rest of the summer, and maybe forever.

Look out this time—the police are not fooling.

George A. Smiths Visit Isle Royale

Report Activity At Copper Mines

Superintendent and Mrs. G. A. Smith returned this week from a two weeks' vacation trip which took them through the copper country of northern Michigan and to beautiful Isle Royale for a six days stay. After motoring to Copper Harbor in the Upper Peninsula, they crossed Lake Superior in a tug boat to Isle Royale, proceeding from Rock Harbor to Lake Ritchie, a few miles inland. Of special interest was the view of the beautiful Tahquamenon Falls. "Fisherman" reported a good run of lake trout in the many deep bays along the shore.

The copper mines have been re-opened and are in full operation again for the first time in many years due to the war needs. The mines at Calumet, Hancock and Houghton are all being worked. The Smiths visited the Quincy mine shaft where the copper ore yield is about 32 pounds per ton at a mine depth of 8,500 feet and the stamping mills where copper is separated from stone.

Patriotism Aplenty Along Rose Street

Rose street jays claim to the honor of Plymouth's most patriotic neighborhood. There are only 10 houses on the street which extends one short block between North Mill and Amelia streets and American flags are displayed from the front of eight of those houses.

There are also five Plymouth sons in service from homes on Rose street. Two homes display service flags with two stars each and another has one service star in the window. Mr. and Mrs. Tracy Passage have two sons, Stanley and Elmer, and Mr. and Mrs. William W. McClain have two sons, Roger and James, in service. The service star at the home of Mrs. Bert Toncray is for her son-in-law, Archie McCullum.

The leather in a pair of men's oxfords would make an officer's pistol holster.

Retail Bond And Stamp Sales Total \$6,300 For July

Citizens' Purchases In Plymouth Stores Average \$1500 A Week

Plymouth's retail merchants have sold a total of \$6,322.58 in war savings stamps and bonds since the retail stores' campaign started July 1, according to General Chairman John Blyton. Purchases of stamps and bonds by customers of local merchants has averaged more than \$1,500 a week for the four-week period and it is hoped that when bond and stamp sales are compiled by banks and the postoffice next week, Plymouth will have exceeded its July quota of \$83,700.

A large factor in this month's success of the retail sales' drive has been the high school majorette corps. High school majorettes have sold stamps on the sidewalks in the business district for the past two weeks and will continue through Saturday, August 1.

The current week's sales totaled \$1,453.40 of which \$56.25 was purchased for three \$25 bonds and \$1,397.15 was purchased in war stamps of all denominations. The sales report for the month is as follows: Week of July 6, \$1,252.15 for stamps, \$506.25 for bonds, and \$1,758.40 grand total; week of July 13, \$1,203.70 for stamps, \$237.50 for bonds, and \$1,441.20 grand total; week of July 20, \$1,632.08, stamps, \$37.50 for bonds and \$1,669.58 grand total; week of July 27, \$1,397.15 for stamps, \$56.25 for bonds and \$1,453.40 grand total.

Plymouth's "Commandos of Main Street" have performed a great job in salesmanship and Plymouth citizens can make no better investment than in a share of freedom for their country.

Canteen Club To Solicit Funds

Provides Gift Boxes For Draft Inductees

The Plymouth Canteen club has organized a drive for funds to insure continuation of its work in distributing gift utility kits to selectees leaving for service from Plymouth and vicinity. Arno B. Thompson, secretary of the Ex-Service Men's club, will act as director of the fund drive.

Captains, to be appointed from each church, service organization, women's club and industrial groups in the community, will collect 25 cents from each of ten persons in their group every month. The approximate cost of each gift box is \$2.50 and each captain is to collect contributions from ten persons or more.

The Canteen club plans to purchase from present funds kits for the draft group leaving Plymouth August 3 and it is hoped that pledges obtained in this drive will insure funds for future draft calls. Chairman Thompson explains that the Canteen program will not replace or conflict with the fine work of the Junior Chamber of Commerce. The JayCees furnish cigarettes and refreshments to draftees, and the Canteen club will furnish permanent boxes of utilities for use in service.

Each utility box includes a shoe shine kit, military sewing kit, writing tablet, canteen purse, tooth brush, tooth powder, brushless shave cream, nail file, razor, shaving lotion, toilet soap and box, toothbrush and paste or powder, candy bars, lifesavers, gum, pencils, bandage set, comb, shoe laces (khaki), Kleenex tissues, laundry soap, a box of cookies and crackers.

The Plymouth Canteen club originated with the Ex-Service Men's club in October, 1941. After a series of public meetings with representatives of churches, service and women's clubs, it was decided that the work of the Canteen unit should be a community enterprise and all citizens should be offered an opportunity to participate. At the beginning of this year, the local Salvation Army post took over the task of preparing and distributing gift utility kits to the homes of local selectees before leaving for service. The Canteen club through pledges from organizations and citizens has provided most of the funds and the Salvation Army contributed its share from church collections.

More and more boys from Plymouth are leaving every month for training camps and pledges allotted so far are not sufficient to carry on this work.

Officers of the Canteen club are Melvin Aigue, president; George Burr, treasurer; and Miss Betty Brown, secretary. Captain Helen Arnold of the Salvation Army will supervise distribution of the gift boxes.

The "World of Pleasure Shows," sponsored by the Ex-Service Men's club, has attracted many spectators this week and will continue through Sunday, August 2. The show includes a variety of entertainment and tent shows on the four-acre site at U.S.-12 and Sheldon roads. There are more than 480 performers in the show. One of the thrilling features is a dive from atop of a 100-foot ladder by Miss Ella Carver, world's champion lady high fire diver. Proceeds from the show will benefit welfare funds. War Savings stamps are sold every night in the marquee show entrance by members of the ladies' auxiliary of the Ex-Service club.

**Nankin Team To Meet Inkster Club**

**To Play Saturday Afternoon At 6 O'Clock**

Saturday afternoon at 6 o'clock in Plymouth-Riverside park the Nankin Mills All-Star baseball team will play the Inkster Super Service team.

The players on the Nankin Mills team are all former Plymouth high school baseball players. Gordon Robinson, plays at second base; William Pelton, left field; Chas. Skutitz, at center field; Wes Hoffman at third base; Earl Lyke at first base; Warren Todd at right field; Bob O'Connor and Bob Barton, pitchers.

The Nankin team has won two games and lost one and tied one this year.

**McLellan Team Wins All-Star Tilt**

**League Play-offs To Start August 10**

Matt McLellan's team defeated Ray Gilder's nine in the annual All-Star softball game by a score of 6 to 4 last Wednesday evening. The McLellan team scored nine hits with one error and the opponents tallied with five hits and three errors.

Four pitchers were called into service by the winning team and three pitched for the Gilder team. Don Pankow pitched one hit ball with no runs scored in three innings; T. Goralski allowed six hits and six runs in the next three innings and Gilder finished allowing two hits and no runs. Don Leichtweis started for the McLellan stars and allowed two hits and one run in three innings; Ronayne pitched no-hit ball for the next three innings and all three runs were scored in the one inning in which Olick was on the mound. Captain McLellan allowed one hit and no runs in the last two innings of the game. Managers of the All-Star teams expressed their appreciation to the umpires for their services and also the Plymouth Mail for donating window cards.

The Atchinson Gulf team continues in first place in the Industrial Softball league with ten wins and two losses with the start of play-off games only a week away on Monday, August 10. The four highest teams will compete in the play-offs. Last week's results were as follows: Thursday, Kelsey-Hayes 8, Plymouth Park Motors, 6; Monday, Plymouth Hardware 12, Bell Telephone 3; Tuesday, Wall Wire 7, Plymouth Hardware 1. Next week's schedule includes Monday, Heide vs. Wall Wire; Tuesday, Plymouth Park Motors vs. Plymouth Hardware; Wednesday, Kelsey-Hayes vs. Atchinson Gulf and Thursday, Wall Wire vs. Bell Telephone.

**OUR DUTY**

I'M ALL FOR THE QUOTA PLAN FOR WAR SAVINGS BONDS!

SWELL IDEA! NOW EVERY COMMUNITY KNOWS THE MINIMUM IT SHOULD CONTRIBUTE FOR OUR WAR VICTORY!

SURE! BUT WE'RE OVER OUR QUOTA ALREADY! --AND STILL GOING STRONG!

LET'S KEEP IT UP! MORE WAR SAVINGS BONDS MEAN MORE PLANES AND TANKS AND GUNS TO BEAT THE ENEMY!

HONEY! EVERYONE IN OUR FIRM IS BUYING WAR SAVINGS BONDS WITH AT LEAST 10% OF EVERY PAY CHECK!

IT'S GOING TO COST A LOT OF MONEY TO WIN THE WAR! -- BUT THE COST WILL BE FAR GREATER IF WE LOSE!

RIGHT! -- WE MUST WIN! AND EVERY LOYAL AMERICAN CAN HELP BY BUYING WAR SAVINGS BONDS REGULARLY EVERY PAY DAY!

I'M LOYAL TOO, POP -- LOOK AT MY WAR SAVINGS STAMPS!

**Meet The Bride -- Abe Goldstein**

**Vacationers Stage Mock Wedding For USO**

Meet the SMILING BRIDE! Yes sir, the "smiling bride" this time is a he—none other than big, good-natured Abe Goldstein, fresh back from a brief vacation spent at South Haven along the sandy shores of Lake Michigan, where he was "married" last week.

It seems that some of the reporters staying at one of the popular hotels in that city, decided to do something to raise some money for the USO.

What better way, they figured, than to hold a mock wedding.

So our own "Abe" became the bride and Alex Goldberg of Detroit was the "bridegroom."

David Lampert of Chicago was the "rabbi" and Loub Ingber of Detroit was the "rabbi's assistant."

David Matross of Chicago was the "mayor" and Sydney Ray Ingber of Chicago played the part of the "bride's daughter."

The show was so good that over \$40 was raised and presented to the South Haven USO—the money to be sent from there to American army camps all over the world to help bring a little gladness into the hearts of American fighting lads wherever they are.

Michigan cherries constitute more than 50 per cent of the national pack.

**Society News**

George M. Chute made a business trip to Schenectady, New York, this week.

Mrs. Fraser Carmichael will be hostess to members of the Mayflower bridge club, on Tuesday, for luncheon and bridge.

Shirley Hitt, Audrey Neale, Mary Livingston and Beverly Files spent this week in the Files cabin on Saginaw bay.

Mrs. Harold Brisbois entertained members of her Birthday club, Monday, at a luncheon bridge honoring the birthday anniversary of Mrs. Paul Wiedman.

Mr. and Mrs. Frank Everett entertained at a lawn picnic Sunday, having as their guests, Mr. and Mrs. Samuel Ford and daughter, Charlotte, of Detroit.

Mrs. W. S. Martin, of Ludington, is expected to spend from Saturday until Monday with her sisters, Mrs. Donald Patterson and Mrs. Ragnar Blomberg.

Denzil Himes, who has been at Patterson Field in Ohio, the past six months, is visiting his sister, Mrs. I. O. Hitt, and family and other relatives in Plymouth and Detroit during his furlough.

Mr. and Mrs. George Hance entertained in their home on Maple avenue Thursday evening, July 30 in honor of their daughter, Dorothea, who will become the bride of Dale Curtis, on September 18. The invited guests

were Mesdames Orlyn, Henry and Glenn Whittaker, Mesdames Leslie, Cleo and Leon Curtis, Joseph Hal, Harold Adams, Shirley Kubik, Ezra Rotnour, Clarence Pelley, Lee Sowles, Irving Hamilton, Arthur Hance, Thurlow Masters and John Jordan; Misses Dorothy Ebersole, Rosemary Kinsler, Wanda Hepler and Abbie Melow.

Mr. and Mrs. Edwin Highley of Philadelphia, Pennsylvania, have been guests the past week of their cousins, Mr. and Mrs. Frank J. Pierce at their home on the Northville road.

Mr. and Mrs. Clifford Tait, Mr. and Mrs. Harold Stevens, of this city, Mr. and Mrs. Vernel Sevey, of Ypsilanti, and Dr. and Mrs. M. L. Shady of Pontiac, enjoyed dinner together, Saturday evening, in Pontiac.

Mr. and Mrs. James Sessions entertained at a garden supper, Sunday evening, having as their guests, Mrs. Lillian Keller and Mrs. Sarah King, of Detroit, Mr. and Mrs. Charles Olds and Mr. and Mrs. George Hillmer of Plymouth.

Drs. Ed and Alta Rice, Chiropractors, X-ray service, 747 West Ann Arbor Trail, Ph. 122—Adv.

Be Patient

and Take It Smiling!

That's our friendly advice to our good customers these days.

We know it is disappointing when you walk into our market and ask for some kinds of meat and other goods we do not have.

We too are disappointed because there are many things we no longer can get for you. We would like to have everything you need, but it is getting so so we just can't get all that we order.

We have got to take it and like it—like it because we know that if we can't get it, our fighting boys at the front are getting it.

They can't get along without meat, good meat. Let's gladly take what we can get—and thank Uncle Sam for it.

Yes, we do have lots and lots of war savings stamps to sell. Come in and we will give you the best of the meat we have, and sell you a lot of war stamps.

There will be our specials marked in our window and counters for the week-end—good specials, too.

**CARD OF THANKS**  
I wish to thank my many friends for their kind remembrances on my recent birthday. Frank Durham.

**IN MEMORIAM**  
In loving memory of our dear mother, Lida Maynard, who passed away July 28, 1941. The midnight stars are shining upon your silent grave; Beneath it sleeps the one we love. And the one we could not save. Sadly missed by her children.

**Two Youths Enlist As Aviation Cadets**

Two Plymouth youths enlisted Tuesday for aviation cadet training in Detroit. They are Harold D. Granger, 19, of Canton Center road, and LeRoy C. Kolin, 22, of Plymouth. They will both be sent to duty shortly.

Granger, son of Mr. and Mrs. Don M. Granger, graduated from Plymouth high school in 1939 and has been employed as a telephone installer for the Michigan Bell Telephone company. Young Kolin, son of Robert Kolin, graduated from high school at Sault Ste. Marie and attended the University of Michigan. He has been employed by the Ford Motor company.

Michigan's 1941 peach crop was more than 50 per cent in excess of the ten-year average.

**McCULLOUGH-RANSOM**  
Dorothy Luella McCullough, daughter of Mr. and Mrs. William D. McCullough, of this city, became the bride of Lieutenant Lawrence O. Ransom, of Fort Knox, Kentucky, son of Mr. and Mrs. Alfred Ransom, of Evert, at a ceremony performed at 3 o'clock Tuesday evening, in the Methodist church by the Rev. P. Ray Norton, of Strathmore, formerly pastor of the local church.

Baskets of white gladioli, snapdragons and lighted tapers decorated the church altar for the wedding.

The bride, who was given away by her father, wore a floor length gown of white marquisette trimmed in lace and made with a square neckline and long sleeves with bands at the wrist. Her veil of net was fastened to a sweetheart shaped headdress centered with a cluster of flowers. Her arm bouquet was of white roses.

Mrs. Roy Rew, a cousin, attended the bride wearing a yellow gown with lace trim. She wore a coronet of flowers and carried a sheaf of talisman roses. Nancy Lock, daughter of Mr. and Mrs. Thomas Lock, was the little flower girl and was gowned in a floor length model of blue organdy with shoulder length veil caught with pink forget-me-nots.

The bridegroom was attended by his brother, Willard, and the ushers were Roy Rew and Jerry McCullum.

A quartette from the choir, of which Mrs. Ransom is a member, and Mrs. James Sessions sang "The Voice That Breathed O'er Eden."

A reception for 60 guests was held in the church parlors where red, white and blue were used in the decorations, flowers surrounding tall white tapers and the three-tiered wedding cake. Lieut. and Mrs. Ransom are visiting in northern Michigan. She wore a suit of yellow with white accessories for going away. The bridegroom was graduated from the officers training school at Fort Knox on Saturday and will return there August 4. The bride is a stenographer at the Wall Wire Company.

**Society News**

Mrs. Arden Chilson entertained 14 ladies at a lawn party, Wednesday afternoon, at her home on Ann Arbor road.

Mr. and Mrs. George Todd and son, Donald, returned Sunday from a two weeks' vacation at Portage Lake.

Lieutenant and Mrs. Norman Kincaid of Pendleton, Oregon, are visiting with Mrs. Kincaid's parents, Mr. and Mrs. Fred A. Hearn.

Mr. and Mrs. Fred L. Siggins of Granville avenue, Detroit, were dinner guests Tuesday of Mr. and Mrs. R. D. Nesbitt at

**LEWIS GREEBLING**

Lewis Greebling, a life-long resident in and around Plymouth, died at the home of his niece, Mrs. Ray Dye of Northville, last Thursday. He was born in Livonia township April 1, 1870, the son of Karl and Isabel Greebling. His home was at 685 Deer street in Plymouth. Funeral services were held Saturday afternoon from the Casterline Funeral home in Northville with the Rev. Walter Nichol of Plymouth officiating and burial was at the Livonia Center cemetery. Survivors include his niece, Mrs. Ray Dye of Northville and a nephew, Sheldon Nowry of Plymouth.

**TAKE NOTICE**  
**HEALTH OFFICER**  
**INSPECTS ALLEYS**

During the past week the Health Officer has made a routine inspection of the city's alleys and find that many are needing a clean up. This public notice is to advise citizens to keep rubbish out of alleys and to place all cart-away material in galvanized containers. Consumable materials should be burned and property bordering alleys should be kept clean as frontage property. Incidentally — Keep your hedge trimmed.  
Signed,  
**LUTHER PECK, M.D.**  
Health Officer.

The army gets priority on transportation, so if you're counting on keeping warm this coming winter you'd better order your tonnage requirements now! We've all got a war to win... and you've got a home to keep healthfully heated... so keep us busy now!

**BIG ENOUGH TO GET IN THERE AND PITCH**

Who knows?—How much sooner will it help win Victory, how many lives will be spared, because this Company and other utilities were on the job and ready with the power and gas for industrial war production?

Who knows?—War activities are a military secret, but this you do know: There is a flood of material pouring to the front—material that will help tell the story of the terrific drive for Victory.

And this you may know, too: Consumers Power Company has met and supplied every local industrial gas and electric need for turning out the war stuff to put in the hands of our boys (and for backing up jobs of workers in industry). It's a 24-hour job—7 days a week. Our plants and lines are part of our country's war production forces.

We've kept our minds on our work. We've gone ahead building and strengthening facilities. So today, with America facing a crisis, when "size" of a business may be your salvation, we're able to do our part—big enough to get in there and pitch, for home and country, and our boys. Isn't that worth plenty to you right now?

**CONSUMERS POWER COMPANY**

She will soon be going back to school...

Why not make sure she will be on time this year. There will never be a better opportunity to present her with a wrist watch than right now.

Volunteer Begins Training in Custer

Edward Landau, son of Mr. and Mrs. Herman A. Landau of 215 East Spring street, has the kind of bull-dog determination this Army needs to win the war. The young man "stole a march" on his family when he enlisted in the Army last week. His family and friends all thought he had been drafted when he left with a group of draft inductees for physical examination in Detroit last Tuesday. After making almost daily trips to the recruiting offices of both the Navy and Army, young Landau was accepted as an enlisted recruit and left last Tuesday for Fort Custer. His parents received a phone call from him Monday reporting his assignment to a permanent base in Texas where he intends to make a career for himself as well as help Uncle Sam finish the job in Tokyo. The young man has many friends in Plymouth whom he formerly served when employed at the Purity Market.

Mr. and Mrs. James Latture now live. Mrs. Earle Lewis who has been in San Diego, California, since her marriage on April 8, left for Plymouth Monday, visiting many places of interest enroute. She will remain here with her parents, Mr. and Mrs. C. H. Buzzard for the duration of Sergeant Lewis is on duty out of the states. Mr. and Mrs. Floyd Burgett and her mother, Mrs. O. F. Beyer, returned home Thursday of last week, from their vacation in northern Michigan. Mr. and Mrs. Burgett left Saturday for Port Huron to spend the week-end with his parents, Mr. and Mrs. George Burgett.

"Tough luck, old man—my money's all in nontransferable War Savings Bonds."

Mr. and Mrs. Stewart Rambo of Logansport, Indiana, are the parents of a baby daughter born Saturday, July 25. Stewart is the son of Mr. and Mrs. Frank Rambo. Mr. and Mrs. C. W. Schuler, of Penniman avenue, entertained Dr. and Mrs. L. Woodenden, of Detroit, to a birthday dinner for Mrs. Woodenden last Sunday evening. Howard Towne, son of Mrs. Alice Towne, who has enjoyed the month of July at the Buddy-Poppy camp at Union Lake, will spend August with his grandmother, Mrs. A. R. Towne, in Port Lambton, Ontario. On Thursday, August 6, the Degree Staff club of Rebekah lodge will hold their monthly meeting at Riverside park. A potluck dinner will be held and members are requested to meet at the home of Mrs. Reka Mining to go to the park in a group. Mary Catherine Moon leaves Saturday for a month's visit with her former roommate at Denison University, Barbara Tighes, in San Francisco, California. Enroute she will be the dinner guest of Mr. and Mrs. Jay Walters in Chicago that evening. The Ladies' Aid society of the Lutheran church will meet at 3 o'clock Wednesday afternoon, August 5, at the home of Mrs. William Ash. At 6:30 a potluck supper will be enjoyed by members and their families. Mrs. George Prieskorn will assist Mrs. Ash as hostess. Mr. and Mrs. Charles Neale, who have been residing in Murphysboro, Illinois, plan to return to Plymouth, some time next week to make their home. Mr. and Mrs. James Herter who have been occupying Mrs. Neale's home, will move to their house on North Harvey street in

in the United States buses and street, elevated, subway and railway cars. There are 145,000 buses; street, elevated and subway cars number 35,000, and railway coaches, sleepers and lounge cars account for the remaining 78,000. An armored division may use up as much as 600 tons of ammunition in a single day of fighting—an amount which, loaded into freight cars, would require a train of 17 cars. Your home is a "front line" on the war front and the production front. Every dollar you save on your household budget, invested in War Bonds, is a Victory dollar added to your county's quota. There is only a total of 208-000 public transportation vehicles

Local News Mrs. George Cramer is spending a week at Higgins lake. Mary Catherine Moon visited Mrs. John Spencer, in Detroit, three days last week. Mr. and Mrs. J. W. West plan to leave Saturday evening for a week's stay in Marengo. Mr. and Mrs. Henry H. Hees and children spent Sunday with her brother, Howard Edward, at Trail Wood, Port Huron. Mrs. Paul Wibel, of Detroit, was the guest of her sister, Mrs. Maud Bennett, Thursday of last week. Harold Grainger, son of Mr. and Mrs. Don Grainger, who recently enlisted in the army, left Tuesday for Fort Custer. Mrs. Robert Soth and son, of Cleveland, Ohio, are spending two weeks with her parents, Mr. and Mrs. Perry Hix. Mr. and Mrs. Hugh Law and family plan to leave Saturday, on a two weeks' vacation at Robertson lake in northern Canada, near the Goulais river. Mr. and Mrs. Edson O. Huston were guests of Mr. and Mrs. Elmer C. Huston of Birmingham, at their summer home on Lake St. Clair.

Life Preserving Boat Cushion \$1.69. Swanson's Super Service 853 W. Ann Arbor Trail

Interesting Four single-bed size sheets use as much linen as goes into the wings, fuselage and ailerons of one type of training plane. The leather in a single steer hide would provide all the leather articles required to outfit six soldiers for a whole year. Out of a little more than 144,000 buses in the U.S., 87,500 are school buses, 36,500 carry passen-

FOR HUGE FRESH STOCKS OF FINER FOODS — VISIT A&P GET ALL YOUR FOODS UNDER ONE ROOF — AND SAVE TOO! Before the war, it was a matter of thrift and good sense to put A&P first on your shopping list. Today, it is important to the conservation of tires and gasoline. For, in addition to taking more time and more energy—store-to-store shopping often means extra stop-and-go driving. These are the things we must avoid in our wartime way of life. And A&P can help you. Here, are all your food needs under one roof—all at A&P's everyday low prices. So, share your car with your neighbors and drive to your A&P Food Store—today!

### Rosedale Gardens News

Mr. and Mrs. R. D. Labbe entertained at a family dinner Sunday, honoring their house guests, Mr. and Mrs. George Hill and family, of St. Louis, Missouri. Mrs. Hill is a sister of Mr. Labbe.

The V. H. Smale family enjoyed the week-end at Clear Lake.

Mrs. C. E. Wenger of Ottawa, Ontario, is visiting her daughter, Mrs. Ralph E. Baker, and family.

Mr. and Mrs. Richard Brand and family were dinner guests.

Sunday, of Mr. and Mrs. Francis Merriam. The Brands are moving next month to St. Clair. Their home will be occupied by her brother, Donald Clark, and family, of Newburg.

Mrs. William King was a luncheon bridge hostess to members of her Thursday bridge club, which includes Mrs. Stanley James, Mrs. Robert Bruce, Mrs. John Perkins, Mrs. William Morris, Mrs. Carl Groth, Mrs. Ernest Wooster, of the Gardens, and Mrs. Urban Dugan, of Dearborn. On Thursday Mrs. James entertained the same group for the day at her summer home at White Lake.

Mrs. Robert Bruce entertained two tables Wednesday at a luncheon bridge honoring Mrs. Frank Merizon and Mrs. Ruth Kelley, mother of Mrs. Lyman Hedden.

Mrs. Ralph E. Baker, Mrs. Q. McLellan and Mrs. George Hamilton were in East Lansing on Wednesday and Thursday of last week, attending the Parent-Teachers' association leadership course, held at the college.

Mrs. Elmer G. Ross is entertaining a large group of ladies at tea this (Friday) afternoon honoring Mrs. William King, who with her family will move the middle of August to Ontario; for Mrs. Richard Brand, who with her family will move to St. Clair for a time; Mrs. Milton Stover, who is visiting here for the week-end from Webster Grove, Missouri; Mrs. Frank Merizon, who will soon leave for New Orleans, after spending July here, and the mothers of Mrs. N. P. Oakes and Mrs. Lyman Hedden, who are Mrs. Anna King, of Milwaukee, Wisconsin, mother of Mrs. Oakes, and Mrs. Ruth Kelley, of Tarrytown, New York, mother of Mrs. Kelley.

On Thursday Mrs. Harold M. Page entertained about 25 guests at a tea in Mrs. Stover's honor. Mrs. Stover and daughters, Barbara and Mary, who have been at Camp Cavell, for a month, will return home on Sunday.

Mr. and Mrs. Ralph E. Baker recently attended a farewell dinner party in the home of her brother and sister, Mr. and Mrs. C. Wenger in Pontiac, before they leave for Washington, D. C., where Mr. Wenger has been made a communication analyst of the W.P.B. He was formerly chief engineer at WCAR radio station in Pontiac.

Love is the hardest lesson in Christianity; but, for that reason, it should be most our care to learn it.—William Penn.

Though 29 different species of fish are caught in non-trout waters, conservation department random creel census records for 1941, as compiled by the institute for fisheries research, indicate that nine species make up 94.7 per cent of the catch. Among 27,352 anglers interviewed by conservation officers on patrol the composition of the catch was in these proportions: Bluegills, 43.4 per cent; perch, 24.6 per cent; pumpkinseed, 5.6 per cent; rock bass, 5.4 per cent; black crappie, 5.1 per cent; northern pike, 2.8 per cent; smallmouth bass, 2.7 per cent; walleyes, 2.6 per cent; and largemouth bass, 2.5 per cent.

### SPEAKING OF BONDS

### Newburg News

Mr. and Mrs. Fred Geng were guests, Sunday, for the day of Mr. and Mrs. Jake Longhopper, in Dearborn. Shirley Longhopper is visiting Mr. and Mrs. Geng for the week.

Rev. Carson gave a fine tribute to Martin Luther in his sermon, Sunday, in the Methodist church. During the service Mrs. Harry Gilbert read a most interesting letter from Mrs. Sara, a missionary in the Belgian Congo. Africa. Mrs. Sara and her husband have arrived in America after four weeks travel and at present are in Dearborn. While here they will visit Newburg for an evening's entertainment bringing moving pictures with them. Mrs. Sara graduated from Albion College with Alice Gilbert and Joy McNabb who are now Mrs. John Kordon of Detroit and Mrs. Richard D. Brewer of Dearborn. Rev. Denton Johnson will fill the pulpit while Rev. and Mrs. Carson and family are on their vacation in northern Michigan. They will return August 12.

Mr. and Mrs. Mark Joy have returned from their vacation at Boyne City.

Mrs. Anthony Kreeger and Mrs. Roy Wilcox have been attending Farm Women's Week at Michigan State college.

The Fidelis class of the Methodist Sunday school will sponsor an ice cream social this (Friday) evening in the church hall.

Melvin Guthrie and daughter.

### What You Buy With WAR BONDS

Tractors and motors will never wholly replace the Army Mule as a factor in the mobile units of our army. The Army Mule is a tradition and the "mule skinner" is a breed unto himself. Army Mules are used by the Field Artillery and the Cavalry in areas where the terrain is rough and tractors cannot operate.

Pack trains in mountainous sections are often necessary and here the mule, slow but sure-footed, plays an important role. Our Army buys thousands of mules paying from \$175 to \$190 for each. The mule eats less, carries more, and some declare is smarter than the horse. Your purchase of War Bonds and Stamps helps pay for these Army Mules. Invest at least ten percent of your income in War Bonds every pay day. U. S. Treasury Department

### WHY COOL MILK?

Quality in milk, cream, and all the other dairy products is closely related to cooling by approved methods. McCormick-Deering milk coolers eliminate waste and assure top prices on the market.

We will be glad to help you select your size.

**A. R. West**  
507 S. Main St. Plymouth Phone 136

Mr. and Mrs. Robert McIntyre and family were entertained at dinner, Saturday, in the home of Mr. and Mrs. William McInnes in Grosse Pointe.

Keep 'em rolling! We mean dollars! Buy U. S. Savings Bonds and Stamps.

Every penny is a patriotic penny if it hastens the privileges of peace. Every dollar you invest in War Bonds will shorten the months of the War. If your state meets its quota this month, peace may be a month closer.

The war materials saved by halting manufacture of almost all musical instruments could be used in making 11,500 6-ton army trucks, 83 medium tanks, 49,000,000 rounds of .30 caliber cartridges and 40,000 aircraft flares.

Buy U. S. Defense Bonds and Stamps, the I.O.U. of the Red, White and Blue!

A bass drum contains enough steel for two bayonets; a trumpet enough brass for 60.30 caliber cartridge cases.

You can find loafers anywhere, but a picnic supper seems to bring out the highest percentage.

Michigan exceeds 43 other states in farms operated by full owners.

**JEWELL CLEANERS**  
Northville Road — Plymouth, Michigan

**DUST STEALS LIGHT— keep your lamps and fixtures clean!**

If someone were robbing your coalpile or raiding your cupboard or stealing valuables, you'd take prompt measures to stop the thief. But there's a culprit who may be stealing electricity right in your own home—and perhaps you aren't even aware of it! Dust on your lamps and fixtures can prevent you from getting all the light you pay for. It can cut down the amount of light in your rooms, 10, 20, 30 per cent—equivalent to wasting that much electricity. And it's easy to overlook because the bulbs are usually hidden under lamp shades or in semi-enclosed lighting fixtures.

Lamp bulbs and reflector bowls should be cleaned frequently with a damp cloth, lamp shades dusted inside and out. Dark-colored shades soak up light and should be replaced with light shades or shades with white linings. This may give you as much as 50 per cent more light. Use the RIGHT SIZE BULBS in your lamps and fixtures—not too large, not too small. Too large a lamp may cause glare, too small a lamp gives inadequate light. Move your lamps closer to the point of use, so that they shed their light more directly on your work. And finally, use adapter shades and linings to modernize your present equipment. They will help you get more light for the same amount of electricity, they cost little, and they are easily installed. They bring good lighting results while conserving materials—important in today's war economy. The Detroit Edison Company.

Local Churches

SEVENTH DAY ADVENTIST church. Our Sabbath school services begin at 2:00 p.m. every Saturday afternoon. They are held in the Jewell-Blaich building on the Ann Arbor Trail with preaching service following at 3:15 p.m.

ST. PETER'S EV. LUTHERAN church. Edgar Hoenecke, pastor. Sunday Services ..... 10:30 a.m. Sunday School ..... 9:30 a.m.

FIRST CHURCH OF CHRIST Scientist. Sunday morning service, 10:30. Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service 8:00.

"Love" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 2. The Golden Text (II Cor. 13:11) is: "Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you." Among the Bible citations is this passage (Jeremiah 31:3): "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love; therefore with loving kindness have I drawn thee."

age (Jeremiah 31:3): "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love; therefore with loving kindness have I drawn thee." Correlative passages to be read from the Christian Science Textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 275): "The starting-point of divine Science is that God, Spirit, is All-in-all, and that there is no other might nor Mind,—that God is Love, and therefore He is divine Principle."

METHODIST AND PRESBYTERIAN churches. The union worship service will be held next Sunday at 11 a.m. in the Methodist church. The choir of the Presbyterian church will lead the praise. Mr. Nichol will preach. The subject of the sermon is "With a Song." All are invited to share in this hour of worship. Rev. Leonard Sanders, minister of the Methodist church, will return to Plymouth next week, and for five Sundays, beginning August 9 will have charge of the union services. He will be assisted by the organist and choir of the Methodist church. These services will be held in the Presbyterian church. Sunday schools will continue to meet in each church at 10 a.m.

NEWBURG METHODIST church—Verle J. Carson, minister, 9614 Newburg road, Plymouth 860W4. Sunday morning worship at 10 a.m. Benton Johnson of the Strathmore Methodist church will be the guest preacher. Sunday school at 11:00 a.m. Mrs. Donald Ryder, superintendent, Wednesday, regular meeting of the W.S.C.S. at the park. Potluck dinner at noon. Today, Friday, Fidelis class ice cream social at the hall.

SALEM FEDERATED CHURCH. C. M. Pennell, minister. Sunday morning worship, 10:30 o'clock. Sermon subject, "A Most Reasonable Command." Bible school, 11:45 a.m. Sunday evening hymn sing, 7:30 o'clock.

CHURCH OF CHRIST.—188 Liberty street. Eugene Holloway, minister. Bible study, 10:30; communion services, 11:30; song services and preaching, 8 o'clock p.m. Everyone cordially invited to all services.

CALVARY BAPTIST CHURCH. Holbrook and Hardinberg. Lynn B. Stout, pastor. Calvary church motto is: "No Foolish Fanaticism, No Frigid Formalism, Just the Old Time Gospel, in the Old Time Way." You will be pleased and encouraged by worshipping with us next Lord's day. We are studying together in our morning service at 10 o'clock. "What the Holy Spirit Prays For." Our Bible school is at 11:30 a.m. Young people, 6:30 p.m.; evening service, 7:30 p.m.; prayer meeting every Wednesday, 7:45 p.m. Always bring your Bible when you come to church. "In one thousand trials it is not five hundred of them that works for the believer's good, but nine hundred and ninety-nine of them, and one besides."—George Mueller.

ST. JOHN'S EPISCOPAL church—Harvey and Maple streets. Morning prayer and sermon Sunday morning at 10 o'clock. Church school will remain closed until September.

SALVATION ARMY. Captain. Helen Arnold; lieutenant, Marie House. Sunday services, Sunday school, 10 a.m. Holiness meeting at 11 a.m. Evening service at 7:30. There will be a special meeting this Sunday evening with LeRoy Gould of Pontiac in charge.

ROSEDALE GARDENS PRESBYTERIAN church. John B. Forsyth, minister. Summer church services are being held in the Youth League chapel in the church basement. The Rev. Allen J. Crooks of Ann Arbor will be the guest preacher at the 11 o'clock service Sunday morning. Church school meets every Sunday during the summer at 9:45.

CHURCH OF GOD.—333 North Main street. Sunday services: Morning worship and Sunday school (a combined service), 9:45; young people's service, 6:30; evening service, 7:30. Week night services: Tuesday evening, young people's meeting, 7:30. Thursday evening, divine healing service, 7:30. Young and old are invited to attend these meetings. Come and bring a friend with you. Rev. L. D. Wright, 474 South Main street.

ST. MICHAEL'S CATHOLIC church. Father Contway, pastor. Rosedale Gardens. Masses at 8 a.m., 10 a.m. and 12 noon.

FIRST BAPTIST CHURCH.—George W. Rothery, minister. The sermon topic of the Sunday morning worship service will be "The Burning Bush." This being the first Sunday of this coming month we will fellowship together at the Lord's table following this morning worship service. The subject of the evening message will be "The Wages of Sin." We trust that everyone will endeavor to attend each service Sunday. Do not forget the great Sunday school hour at 11:15 a.m. and the mid-week service at 7:45 p.m. Wednesday evening. Go to some church somewhere Sunday. Remember you are never a stranger at the First Baptist church!

What You Buy With WAR BONDS

Winter flying jackets for both the Army and Navy Air Corps are regular equipment for our aviators. They cost from \$12 to \$18 and are made of horsehide leather lined with sheep shearing.

Purchase of one \$18.75 War Bond, for which you receive \$25 in 10 years, will pay for one of these jackets so necessary for our airmen flying at high altitudes and in northern climes. So you and your neighbors can do your bit by investing at least 10 percent of your salary every pay day in War Bonds to help pay the cost of this equipment for intrepid American flyers. Join the parade, and help top the War Bond Quota in your county. U. S. Treasury Department

Society News

Mr. and Mrs. C. G. Parmalee will be supper guests, Saturday, of Mr. and Mrs. Floyd Pratt in their home on Elizabeth lake.

Miss Loretta Nuhfer, of New Britain, Connecticut, is spending the week with her uncle and aunt, Mr. and Mrs. E. J. Brown.

Mrs. Naomi Noyes, of Philadelphia, Pennsylvania, is visiting her parents, Mr. and Mrs. James Cranmer, on Maple avenue.

Mr. and Mrs. G. A. Smith, Mr. and Mrs. Coello Hamilton and Miss Grace Stowe arrived home Tuesday, from their vacation trip to the Isle of Royale.

Mr. and Mrs. John Kordon (Alic Gilbert) of Dearborn, announce the birth of a son, Gilbert John, on Tuesday, July 28, at Ford hospital. Weight, seven and one-half pounds.

Mrs. William Rudick entertained members of the Plus Ultra club at a picnic in Riverside park on Tuesday. The ladies enjoyed playing cards in the afternoon.

The officers and chairmen of the Missionary society of the Baptist church had a potluck luncheon, Thursday in the lovely garden of Mrs. C. G. Parmalee on Sheridan avenue.

The Just Sew club will have a potluck picnic luncheon, Wednesday, August 5, in Riverside park in celebration of their eighth anniversary. All members are asked to be present and enjoy the day together.

The following guests will be entertained at dinner in the garden, Sunday, of Mr. and Mrs. C. G. Parmalee on Sheridan avenue: Mr. and Mrs. Cy Leister, Mr. and Mrs. Joseph McRobbie and Mr. and Mrs. William Drevant, of Detroit.

Mr. and Mrs. George Bordine, Mr. and Mrs. Devore Bordine and daughter, Eva Jane, Mr. and Mrs. Curtis Bordine and daughter, Elene, of Carleton, and Lee Thomas of Newport, were entertained at dinner, Sunday, in the home of Mr. and Mrs. Harry Brown.

Plymouth friends of Mr. and Mrs. Charles Biehy, of Detroit, have received invitations to the wedding of their daughter, Ruth Mae, to Howard Herman Fallow, which will take place on the evening of August 22 in the St. James Lutheran church in Detroit. Miss Ruth and her parents are well known here as they formerly lived in Plymouth.

Children Attend Tiger Ball Game Starkweather Wins Shuffleboard Match

Highlight of the summer recreation program was last Thursday's trip to Briggs Stadium where about 85 children saw the Tigers play. More than 60 children went to the Rouge swimming pool Tuesday afternoon and two swimming trips are planned for next Tuesday and Thursday, last week of the summer program. The bus leaves Central grade school at 1 o'clock and stops for others at the Starkweather school.

Starkweather boys played a doubles tournament in shuffleboard with William Stout and Roger McMann the winners. William Stout defeated Dick Farwell in a singles tournament to determine the city championship. The Starkweather team won two out of three games in the doubles tournament defeating J. Elliott and William Farwell from Central school.

USO Receives \$60 From Municipal Court

Last week's Plymouth Mail reported that water consumption reached a peak during the recent heat wave, but it became apparent at Tuesday afternoon's session in municipal court that water was not the only thing consumed during these warm days.

Lawrence Smith, Harry Smythe and Howard Clifford were arraigned on a charge of drunk and disorderly conduct following a disturbance in a local store Monday morning. The three defendants entered pleas of guilty before Judge J. Rusing Cutler in court Tuesday. The judge fined each \$20 and suspended the fines on the condition that they contribute their fines to the USO. In addition to their \$60 contribution...

Mrs. John A. Miller and daughter, Marie Ann, will leave today (Friday) for Flint to attend the wedding of Helen Wright, daughter of Mr. and Mrs. Seymour Howard Wright, of that city, and Donald Miller, son of Claude Miller, of Lake City. It will be a garden wedding Saturday afternoon. Miss Marie Ann will sing at the wedding. The bridegroom to-be is a nephew of Mr. and Mrs. Miller.

Mrs. A. G. Taylor and daughter, Mrs. Jack McAllister, and Mrs. Charles Rathburn and daughter, Mrs. Carl Stringer, of Ferndale, are entertaining at a supper party, Saturday evening, in the home of Mrs. McAllister on Williams street, for Mrs. Edmund P. Yerkes, of Northville, formerly Margaret Buzzard of this city. The guests will include Mrs. Yerkes, her mother-in-law, Mrs. C. H. Yerkes, of Northville, Mrs. C. H. Buzzard, Miriam Joliffe, Jane Whipple, Mrs. Harry S. Davis, Mrs. Jayson Lyke of this city, and Mrs. Albert W. Kettler, of Detroit.

The silver wedding of Mr. and Mrs. Walter Kleinschmidt was celebrated Saturday evening in their home in Phoenix park when sixty relatives and friends met them for the evening. Dancing and a late buffet supper were enjoyed. The dining table was lovely with its snow white linen cover, white tapers and centerpiece of deep red snapdragons. Those from out of the state were Mr. and Mrs. Kenneth Kleinschmidt, of Bay Port, Mr. and Mrs. Alfred Kleinschmidt and four children, of Wauwatosa, Wisconsin; Mr. and Mrs. Harry Kleinschmidt and children, of Elm Grove, Wisconsin; Mr. and Mrs. Kurt Dahm, of Cudahy, Wisconsin; Mr. and Mrs. Charles Toekstein, Fred Kleinschmidt, Mrs. William Schuett, Arthur Gaulke and son, of Milwaukee, Wisconsin. Other guests were present from Detroit, Howell, Wayne and Northville.

Lipstick containers, rouge boxes and miscellaneous brass bottles caps used up 2,800 tons of brass in 1941, or 2,250 tons of copper and 500 tons of zinc.

KEEP THE TELEPHONE HIGHWAYS CLEAR FOR VICTORY! TELEPHONE lines today are crowded as never before. And Long Distance lines between all Michigan points and war production centers are carrying some of the heaviest traffic in the country. War calls must go through promptly. In normal times we'd enlarge the telephone system to handle the increased load. We can't today, because the materials required for sufficient telephone expansion are even more urgently needed on the fighting fronts. What we must do is make the most efficient use of the facilities we now have—with your help. Here are three simple ways in which you can help keep the words of war moving: 1. Make only the most essential Long Distance calls. 2. Keep your conversations as brief as you can. 3. When possible, give the number of the distant telephone you are calling. The same kind of cooperation will improve local service, too. Try to keep your calls short. Look up numbers in the directory, but if necessary to call information for a number, write it down for future use. Everybody can help by saving wires for war! **NOTICE OF MORTGAGE SALE**  
Default has been made in the conditions of a certain mortgage made by JOHN GRANT, widow, to THE WAYNE OAKLAND BANK, a Michigan Corporation, dated February 4, 1941 and recorded in the office of the Registrar of Deeds for the County of Wayne and State of Michigan on February 5, 1941 in Liber 3397 of Mortgages on Page 164.

There is claimed to be due and owing on said mortgage at the date of this notice for principal and interest the sum of Four Thousand Seven Hundred Nine and 25/100ths (\$4,709.25) Dollars. No suit or proceeding at law or in equity has been had or instituted to recover the debt secured by said mortgage or any part thereof. Now, therefore, by virtue of the power of sale in said mortgage contained, and pursuant to the Statutes of the State of Michigan, in such case made and provided, notice is hereby given that on Wednesday, the 14th day of NOVEMBER, 1942, at twelve o'clock noon, Eastern Standard Time, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the County Court House in the City of Detroit, Wayne County, Michigan, (that being the place where the Circuit Court for the County of Wayne is held) of the premises described in said mortgage, or so much thereof as may be necessary to satisfy the amount due on said mortgage, and any sum or sums which may be paid by the undersigned at or before said sale for taxes and/or insurance on said premises and all other sums paid by the undersigned pursuant to law and the terms of said mortgage, with the interest thereon and all legal costs, charges and expenses thereon, including the attorney fees allowed by law, which said premises are described as follows: The portion of land situated in the City of Detroit, County of Wayne and State of Michigan, described as follows, to-wit: The portion of land situated in the City of Detroit, County of Wayne and State of Michigan, described as follows, to-wit: South 37.5 feet of Lot No. Sixty-eight (68) of Subdivision of part of Section 24, Town 1 South, Range 10 East, according to the plat thereof as recorded in Liber 29 of Plats, Page 75, Wayne County Records, together with the hereditaments and appurtenances thereto belonging.

Dated: Detroit, Michigan, July 31, 1942.  
THE WAYNE OAKLAND BANK,  
Mortgagee.

**With Plymouth Boys Defending The Flag**

Private Earl H. Wilson of the United States Marine Corps directed a salute to Plymouth this week from his Marine base at San Diego, California. "I wish to pay due respects to Plymouth on behalf of the boys and myself who are serving in Uncle Sam's forces. Among the volunteers serving here from Plymouth are Roger McClain, Donald Schiffe, "Bud" Krumm, Bill Epps, Neil Curtis, Bill Darnell, Keith Neill, Finch Roberts and Arthur Guldner. We wish to thank Plymouth for the job she is doing in regards to the sale of defense bonds and stamps. We are proud of the drive she has put on as she also knows that every bond sold puts us one jump ahead of the Axis, and if we can keep jumping, it won't be long before we can spring right into Tokio. We especially take this opportunity to thank The Plymouth Mail for its gallant efforts in promoting this drive and for its splendid job of building up the morale of the "Sons in Service."

James McClain of the Air Corps Training detachment is now stationed at the Alabama Institute of Aeronautics in Tuscaloosa. "It is a primary training school for the U. S. air cadets and the Englishmen training in the South," writes young McClain. "It is a fine school and the setting is very picturesque. The white buildings look very much like homes. Our barracks are similar to others. We sleep four to a room in double-decker bunks. We also have individual study desks, large closets and bureaus for our clothes. We have all the athletic equipment we could want. The weather is very hot and close. It's hard to get to sleep nights being so warm but you are so tired that bed feels very good. We are up at five in the morning and lights are out at 9:30. The training I had in

Canada helps me a lot in flying and ground school," concludes McClain who joined up with the RCAF in Canada last October and transferred to the United States air corps in April.

Lieutenant Roland F. Rhead wrote this week from Durham North Carolina: "After graduation from the course given at Fort Benning, Georgia for those officers who held a commission in the Reserve Army prior to the national emergency, I was sent to the infantry replacement training center, Camp Croft, South Carolina. In that company, we trained for the infantry, cooks, armorer-artificers and buglers. After being attached there until July 22, I was assigned to Company E of the 311th Infantry, a part of the World War I famous 78th division, the "Lightning" Division, which is now in the process of being activated at Camp Butler, N. C. This camp is not completed yet; the contractors are still erecting buildings. However, the officers and non-commissioned officers of the division are here getting things ready for the future arrival of troops and the training of those troops. We have Major General Parker as our commanding general. I wish to thank you for sending the issues of the Plymouth Mail. I enjoy reading them very much. It is a fine service to us," writes Lt. Rhead.

Personal troubles excite nobody's sympathy any more.

Mothers Of Service Men To Meet August 5

Plymouth's mothers of men in service are invited to attend an organization meeting for a unit of "Moms of America" to be held at the home of Mrs. Robert Archer of Roe street Wednesday afternoon, August 5 at 2 o'clock.
A representative of the Dearborn unit, originators of "Moms of America," will speak to Plymouth's service mothers.
The organization is interested in obtaining legislation to grant free transportation to men in service from camps to homes and return on furlough, and plans to present mothers' petitions to Congress in this behalf. The organization is also interested in letters and other aid for service men.

ROYAL CHEF SHOWS HOW TO SAVE SUGAR
SO popular have become the sugar-saving recipes of J. P. Morgan, Chef Instructor, Canadian National Railways, the man who was chef to their Majesty King George and Queen Elizabeth during their North American tour, that Mr. Morgan, at the request of scores of American housewives, has prepared an additional number of sugar-saving recipes, already successfully introduced to Canadian National dining car patrons in the United States and Canada.
CORN CAKE
1 cup cornmeal, 1/4 cup molasses, 3/4 cup flour, 3/4 cup milk, 3 1/2 teaspoons baking powder, 2 eggs, 1 teaspoon salt, 1 ounce melted butter. Mix and sift dry ingredients. Mix milk, eggs well beaten, butter and molasses; then add dry ingredients. Bake in hot oven twenty minutes. Makes about 12 servings.
RICE WAFFLES
1 cup flour, 2 teaspoonfuls baking powder, 1/2 cup of cooked rice, 1 dessert spoonful melted butter, 1 1/2 tablespoonfuls honey, one egg, pinch of salt. Mix and sift dry ingredients, work in rice with tips of fingers, add milk, yolks of eggs well beaten, butter and whites of eggs beaten stiff. Cook on waffle iron same as waffles. Makes 24 waffles.
CUP CUSTARD
Served in Cups
One pint fresh rich milk, three ounces corn syrup, three eggs. Beat eggs, honey or syrup well and add milk. Pour mixture into custard cups, set in pan of hot water and bake until custard is set. A variety of custards can be made by adding of chocolate, nut, orange, almond or lemon extracts. Serve cold with star of whipped cream in center. Makes about 8 servings.
Other sugar-saving recipes may be secured by writing Chef Morgan in care of the Dining Car Department, Canadian National Rys., Montreal, Que.

## HONOR YOUR FLAG

Written for the NEA Service by Gridley Adams  
Chairman, National Flag Code Committee

The Flag is not just a piece of bright material. It is the symbol of a great Nation. It deserves to be displayed correctly, reverently.

The blue and starry canton (the Union) of the Flag is its honor point. When the Flag is hung either vertically or horizontally, against a wall, the stars are at the Flag's own right hand—that is, to the observer's left.

The Flag should be carried, or placed, at the right of all persons or objects (such as those in window displays), and all other flags should be placed at the left—except in procession, when the U. S. Flag may be in front and in the center.

On platforms, and in the chancels of churches, the Flag (one alone) should always be on its staff at the right of the speaker and slightly in front of him. If the Flag is in the body of a church or hall it should be at the right of the people as they face pulpit or platform.

Never cross two United States Flags against a wall. To do so makes one of them point to its left, or "sinister"—traditionally the "cowardly" direction.

One Flag alone is majestic; more than one is decoration. For draping and decoration in general, use bunting, especially designed for the purpose; always have the blue stripe at the top, or at the observer's left, if vertical. The correct order of the colors is "blue, white, red." Never use the Flag as the covering or unveiling material when dedicating a tablet or monument.

The Flag should never trail in the water, never touch the ground or anything beneath it. It is never laid flat. The only exception is when it covers the coffin of one who has served in our armed services.

The Flag should be half-staffed only for persons who have once offered their lives in its defense—never for any other person except by Presidential authority. For state or city officials, half-staff the state or the city flag.

All persons not in uniform salute a passing or a stationary Flag by holding the right hand over the heart. If out of doors, men should remove the hat and hold it in right hand over the heart—the Lincoln salute for civilians.

When the Flag has become faded, worn or torn, do not throw it away. Burn it, that it may never, by chance, reach ignoble uses.

It is the strict rule of the army to fly the Flag only between sunrise and sunset, and civilians generally follow the same rule. It is permissible, however, to display the Flag outdoors at night when there is some special occasion.

## 25 Years Ago

### In Plymouth and Vicinity—Interesting News of Days Gone By Taken From The Plymouth Mail Files

The draft board for the fourth district of which Plymouth is a part has established headquarters in the village hall at Plymouth. The young men of the fourth district, which comprises the townships of Plymouth, Northville, Redford, Livonia, Canton, Huron, Romulus, Van Buren, Taylor, Sumpter, Nankin, Dearborn and Brownstown, who will be called to join the new national army will be notified to report at the city hall in this village for their physical examinations.

Mrs. Margaret Lutz and Henry Fie were quietly married in Detroit last Monday. They were accompanied to the city by the bride's son and wife, Mr. and Mrs. George Lutz of Pontiac. Mr. and Mrs. Fie are well and favorably known here and they have the best wishes of their friends for happiness. They will reside in the bride's home in north village.

Mrs. Karl Hillmer and children of Detroit are visiting at Louis Hillmer's.

Mrs. William Smitherman and Mrs. Elmer Toncray returned home Wednesday from a few days' visit with friends in Yale and Saginaw.

Dewitt C. Baker of New Rochelle, New York, is a guest at C. H. Bennett's.

Mr. and Mrs. H. C. Robinson and Miss Rose Hawthorne were over Sunday visitors at St. Clair Flats.

Mr. and Mrs. Robert Mimmack were guests of friends at Ionia over Sunday and the first of the week.

C. F. Lefever and family and their guest, Mrs. A. J. Fowler of St. Louis, Missouri, motored to Toledo last Saturday, remaining over Sunday.

Mrs. Mary Chaffee visited relatives at Wayne this week.

Miss Irma Eckles of Detroit

of the Social Security Act should begin to be felt. Tourist travel will rise and again Florida, California, and the South West may find themselves highly prosperous. Speaking of travel, if I were forty years younger I would be awfully tempted to get into the travel agency business. There will be a lot of cheap excursion rates on a world scale when the War is over. Can you imagine how badly Mamma, Papa, and Sister will want then to see the far-away places where their Soldier Boy has been? They'll sure all go over for a "look-see" some day.

In peacetime only a few progressive concerns maintain research departments for the improvement of old and the development of new products. It is difficult to get directors or stockholders of most concerns to vote funds for the maintenance of such departments. In wartime the scientists have a field day. Then, new products and substitutes develop rapidly. Out of them come conveniences and benefits which later peacetime civilian life enjoys. In fact, we enjoy them so much and living becomes so easy that in a short time we become soft and wake up to another war.

In the post-war period, we shall have an industrial facelift. As the armament industry declines in activity, both the old and the new industries will again become active. Substitutes for silk, rubber, fibers, woolen and other products will be in every-day use. The use of steel may decline, but aluminum, magnesium, or some other metal will take its place. Industrial consultants will play an important part in our post-war conversion period. Salesmen will again be in demand to explain new wares to buyers. Advertising will be necessary to acquaint the public with many new items of civilian use. There will be plenty of prosperous businesses and jobs for the nimble-minded who are willing to work hard and save money. Of course, sometime there will be a sad day of reckoning for our present vast expenditures and experiments, but this should not come until after a post-war boom.

If the average family of four saves its tin cans for two weeks, it will have 18, or enough to supply tin for a portable flame thrower; for four weeks, enough to make the bushings of three .30 caliber machine guns.

The two or three dozen industrial plants working for one procurement division of the army will tie up more than 100,000 freight cars a day when working a full production. These cars, needed to haul raw materials to the plants and carry munitions and waste products away, represent about four times as many cars as are usually on the tracks of so large a freight center as New York.

## Roger Babson Says . . .

### There Will Be Plenty Of Prosperity After The War

Babson Park, Mass., July 31—Our first job is to win the war. It would be far better for all of us to concentrate on this task rather than to think about what's coming afterward. However, it is characteristic of our people to look ahead, to move swiftly from one task to another and to continually think up something new to worry about! Hence, already some of the boys in Washington are laying long-range plans and the public itself is concerned over the post-armistice period. Here are my brief thoughts on the subject.

The fighting part of the war may end suddenly. Transportation is still our worst bottleneck. Once that is licked, the weight of our arms and manpower will be felt throughout the world. Hitler naturally is trying to reach his goals before that time comes. Moreover, losses on the Eastern Front may reach a point where both sides will suddenly decide upon an armistice without, however, either Germany or Russia taking a decisive beating.

Hitler's successes in Africa and Egypt were accomplished by only an extremely small fraction of his armed forces. At the same time, they were valuable for home propaganda purposes. Rommel can now lose as well as win. In neither event will the final course of the War be much changed. The real War is being fought on the Russian Front. It is foolish now to forecast the result. We, however, will know much more in four months. Then an intelligent forecast can be made.

Russia has stated that her intent is only to clear her own country of the enemy. Whether, if the time comes, she can or will pass over into German territory is at least questionable. Both sides may, by winter, be worn to a frazzle. If so, an armed truce lasting for years may suddenly be announced. This, however, would not include Japan, but her phase of the War is the lesser. Hitler must first be stale-mated or knocked out.

In this event, we would continue to send men and munitions abroad. Perhaps for years it may be necessary for us to play an important part in the policing of much of the world. Under such conditions our armament industry would by no means reconvert overnight to the manufacture of peacetime goods. A very substantial amount of war material will be lost between now and any armistice period. Fur-

## Conserve Phone Use For War Need

### Restrict Distance Calls To Busy Cities

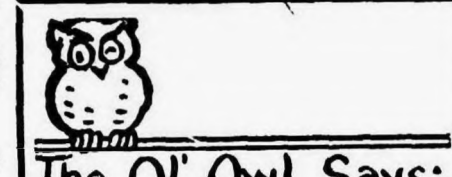

Salesmanship in reverse, in an endeavor to save telephone facilities to help the war effort, is being practiced by the Michigan Bell Telephone Company today, according to J. R. MacLachlan, manager for the company.

That is particularly true with respect to the use of long distance lines, he stated, inasmuch as those circuits are congested with military and war production calls. On all calls, both local and long distance, telephone users also are asked to be brief. Inability of the company to expand its system sufficiently to care for the increasing business because of the scarcity of materials more urgently needed for war is given as the reason.

The lines to Washington are more congested with calls than any others in the country, the telephone manager said, and customers of the company are being requested in newspaper advertising and over the radio not to call the Nation's capital at all unless the particular call directly concerns the war effort.

Service users also are requested to restrict their long distance calls to various other war production localities into which the lines are abnormally busy. Those areas include all Pacific coast points, Albany, N. Y.; Atlanta, Baltimore, Dayton, Buffalo, Columbus, O.; Dayton, Indianapolis, Louisville, Minneapolis, St. Paul, Muncie, Ind.; Philadelphia, Pittsburgh, St. Louis, Syracuse, and Warren, O., in addition to Washington.

Sault Ste. Marie and Mt. Clemens, telephone users also are requested not to make any but important local calls because of congestion of the switchboards.

The Owl Says:

IT'S PATRIOTIC TO KEEP YOUR CAR IN USEFUL SERVICE!

If given proper treatment your car can "take it" for the duration. Frequent check and expert repairing, the answer. Drive in.

## Brown Swiss Wins Howell Show Prize

A Brown Swiss cow, Leona, entered by Claude Boone, manager of the Sherwood Farm on Geddes Road, was awarded first prize in the senior class and made Grand Champion at the Brown Swiss show held in Howell on July 22. Other entries from the Sherwood Farm won ribbons at the show.

It takes 71 railroad trains each with a minimum of 20 cars to move an army division of about 15,000 men with their weapons and equipment. Since troops traveling by rail move at a rate of about 250 miles a day, it would take almost 1,500 cars ten days to move the division across the United States.

Cheer the boys in uniform. Buy U. S. Defense Bonds.
