Newburg

"Mothers of the Bible" was the very fitting sermon which Rev. Carson chose for his congregation on Mother's Day. The Misses Jean and Joan McCullough sang "Sweet Hour of Prayer." Sunday school attendance for the day was 140. Mrs. Harry Gilbert of Newburg road received a greeting in the form of a cablegram from her son, Louis, who is in New Guinea. Willford Green, a marine from San Diego, California, made one of the longest and briefest Mother's day trips in the country in order to spend Sunday with his mother, Mrs. Willford Green. He had only a four day leave, arriving late Saturday and returning to the Pacific coast Monday. Mrs. Edna Kennedy of Traverse City is spending a few weeks with her daughter, Mrs. George Boyd. Mr. and Mrs. David Geney entertained at a family dinner on Mother's Day honoring Mr. Geney's mother, Mrs. Fred Geney. Mrs. Emma Ryder spent Mother's Day with her daughter and family, Mr. and Mrs. Clyde Smith. Mrs. Floyd Smith who has sufficiently recovered from her recent operation was a dinner guest in the home of Mr. and Mrs. Henry Mielbeck on Mother's day. Soldier boys from Newburg and vicinity who were home over Sunday for Mother's day, did not forget Mrs. M. Eva Smith, who is recovering from injuries received in a fall. Five of these lads called at her home for a brief visit.

Floods Sweep Valley

(Continued from page 1)

The ground will find some loss, it was predicted by one of the best gardeners in this region. Although the flood struck with a sudden fury, the constant rains of the past two weeks had been saturating the ground. The rains which began falling shortly before midnight on Monday then had to run off the surface. Tonquish creek broke out of its banks at the point where it goes underground at Harvey street. City officials said that the Rouge river was so high that it was unable to absorb the water of the creek. Scores of telephone calls were received at the city hall from residents whose basements were flooded. In one section of the city the sanitary sewer as well as the storm sewer was flooded. The parking lot below the Phoenix plant was covered by a foot of water. All of the automobiles had been removed before the water began to cover the lot. Edward Hines highway was blocked by more than two feet of water under Plymouth road. The drives through Riverside park also were blockaded by the county highway department. Elsewhere throughout the length of the Rouge valley, there were flood conditions. All of the country around the Newburg and Nankin Mills dams were flooded. Farther east, water covered the road at the intersection of Plymouth and Middle Belt roads, but traffic was not blocked. The situation of course was temporary and the water flowed away with the cessation of the rain, the farmers in the end being the principal sufferers.

Husband Killed In North Africa

Wife Advised Of Fatal Air Crash

Mrs. H. G. Stange, 437 Blunk street, an employe of the Bell Telephone Co., has received a message from the secretary of war telling her that her husband, Lieut. H. G. Stange died in an air crash April 3. But Mrs. Stange is unconvinced that her husband is dead. "I just know deep down in my heart that there is a mistake somewhere," Mrs. Stange said she last heard from her husband, who was a fighter pilot, in a letter dated March 24. At that time he was in North Africa. She said she had been accustomed to hearing from him every week, but had had no letter since that time. The message from the war department gave no details, but said a letter would follow. Lieut. Stange first enlisted in the Canadian air corps three years ago, and transferred to the U. S. Army Air corps in February. He had been a fighter pilot in England before the transfer, and was sent directly to North Africa after his transfer to the forces of this nation. Mr. and Mrs. Stange were Chicagoans. Mrs. Stange came here after her husband entered the service in order to be near his sister, Mrs. Lena Hembrey, who resides at 397 Blunk street.

Canton Township Needs Wardens

Canton township is in serious need of more air raid wardens, it was revealed at the meeting held Monday night in the Canton Center school, according to Mrs. E. Dent, 41922 Ford road. Following the test alert last week it was reported that nearly 90 homes in the township had to be requested to extinguish lights. The air raid wardens of the township have served notice that hereafter second and third offenders are to be reported to proper officials. Any one wishing to become an air raid warden in the township or join the township's auxiliary police force should call phone 881J2. It is a public service which is greatly needed at the present time.

Mrs. Douglas Miller left last week to join her husband at Camp Roberts, California. He is attending Officers' Candidate School at Camp Roberts.

Use New Source Of Water Supply
(Continued from page 1)

within the next month. Already the city has been able to locate an adequate pump and an adequate motor to take care of the pumping. However, it has been necessary to exercise war priorities in order to obtain necessary electrical equipment, and these priorities have not cleared the war production authorities in Detroit. The equipment to be used will make operation of the pump entirely automatic, and dependent on the water pressure within the mains. In effect it means that the more water the city uses, the more the pump will take from the underground source. The new building which will be located at the site of the present booster station will be of brick construction, and will be about 12 feet by 16 feet in size. It will house all of the equipment. The engineering firm of Pate and Hirm of Detroit has been in consultation with local authorities for more than two weeks and has worked out definite plans for connecting the new supply to the old system. The engineering firm advised the city to keep the old system in operation, pumping about 200 gallons of water a minute. This will reduce the necessary pumping of the new supply to about 750 gallons a minute. The supply is available up to more than 3,000 gallons a minute, and it is estimated there is sufficient water at the new source to take care of a city twice the size of Plymouth. The latest test of the water showed that it is as fine as any in the state. There is very little, if any, iron content in the water. The total cost to the city of the new well including the drilling operations and the installation of equipment will be less than \$9,000.

Dressmaking Ability Shown

An unusually large number of people attended the Art Exhibit, and the Style Show by the Home Making Department May 6 in the high school. The program began with the piano solo "Impromptu" by Shirley Luttermoser, followed by a playlet named "Ghost Story Time" by the 7A Home Making class, showing the right and wrong way to give first aid. A play entitled "Daisy Mae Scragg Comes to Town" was given by the high school girls to show the clothes they had made. As each garment was shown, the maker, the pattern, the amount of material and the total cost were given. The garments consisted of cotton dresses and suits, sports clothes, blouses and skirts, suits, better dresses, house coats, and aprons made without patterns by the seventh grade class. "Let's Have Vegetables," a play by the 8B Home Making class girls, dressed as vegetables, told the best way to prepare themselves for eating. The Girls' Double Quartet sang "Me and My Gal" and Donald Montgomery played two accordion solos, one of which called "There's a Longing in My Heart, Dear," he wrote himself. Miss Lundin, Mrs. Soule, and Mrs. Hecox were the teachers who planned this program. In mortal experience, the fire of repentance first separates the dross from the gold and reformation, bring the light, which dispels darkness.—Mary Baker Eddy.

New Billing Plan Adopted

Use of a new postal card type of monthly statement by Consumers Power company in the Plymouth area began today, it was announced by R. S. Smith, local manager. "Postal card statements are being used successfully by utility companies in many parts of the country," Mr. Smith said. "Their adoption seems particularly appropriate at the present time because of the savings in material and handling which they make possible. This will tend to offset a small part of the increase in taxes and many other items of expense which have occurred since the war began." Experimental use of a postal card-type of bill began some months ago in some areas served by Consumers. The bill now has been revised to incorporate improvements suggested by customers and public officials. "Our new bill," Mr. Smith said, "is simple, concise and clean cut. It is easy to read and handle. The customers who have seen it have liked it very much." The postal card bill replaces the large type of statement which in some areas was sent in envelopes through the mail and in other areas delivered by messenger in envelopes specially designed for hanging on doorknobs.

City Planners Would Clean Up Fralick Avenue To Make Revised Recommendations To New Commission Members of the city planning commission at its regular meeting a few days ago decided to make another study of the Fralick avenue situation for the purpose of preparing revised recommendations to the new city commission. For several years past the planning commission has been endeavoring to convert Fralick avenue into a respectable looking thoroughfare and check once and for all the development of a junk wrecking scrap pile in the very heart of the city. A previous recommendation made a year or so ago to the former city commission was tabled. Fralick avenue, the only remaining downtown street that has never been improved, not even with gutters or sidewalks, has gradually been developing into a civic "eye sore." Although it is the purpose of the new commission to see to it that there isn't any unnecessary expenditures of tax funds, the Fralick avenue problem is believed to be one that merits immediate consideration. Especially is this true since the need of additional parking space made necessary by the elimination of all parking on Main street between Fralick avenue and the Pere Marquette tracks. The city planners have previously recommended that Fralick avenue might be developed in such a way that considerable additional parking space might be provided.

Garden Club Plans Picnic June 14 The May meeting of the Plymouth branch of the Woman's National Farm and Garden association was held Monday in the lovely home of Mrs. R. G. Levin on North Territorial road, with 25 present. A box luncheon was enjoyed. Mrs. R. R. Lindsay, president, gave a report of the council meeting of the state presidents held in the Hotel Statler on the evening of May 5. Mrs. Frank Dunn gave a report of the state meetings which followed on May 6 at the hotel when Mrs. Henry Ford, and others were speakers. Mrs. William Yeager, chairman of the victory gardens in Dearborn, speaker for the afternoon, was then introduced by the program chairman, Mrs. R. D. Merriman. Mrs. Yeager gave a talk of real interest on "Gardening for Victory." The group appreciated her talk and also the generous hospitality of their hostess, Mrs. Levin. The June meeting on the 14th will be a picnic in the park. Members will tell their best garden stories.

A personal shower was given for Miss Shirley Reamer Monday night by Miss Annabelle Becker in her home on Pacific avenue. Bunco was played by the guests the Misses Allene Parmalee, Nancy McLaren, Phyllis Nichols, Virginia Garrison, Ione Stuart, Wanda Hepler, Mrs. Dale Curtis, Mrs. Otto Reamer, and Mrs. Manfred Becker. The honored guest received many lovely gifts. A buffet luncheon was served.

Weddings

SMITH - CAVENDER

A wedding of interest to the young people of Plymouth took place Saturday night in Newport, Rhode Island, when Miss Merle Smith became the bride of James J. Cavender, Phm. 2c, U.S.N.R. of 25 Tyler avenue, Highland Park. The wedding took place in the Memorial Chapel, Seaman's Church Institute, at 3 o'clock. The Chaplain, Joseph Crowley, Lieut. J.G., U.S.N.R., performed the ceremony.

The bride wore a long dress of white marquisette, lace trimmed and the finger tip veil of illusion was caught to the head with a sweetheart cap. She carried an old fashioned bouquet of white roses and white snapdragons tied with long ribbons. Her matron of honor, Mrs. Margaret Zayti, of Northville, wore a long dress of blue marquisette and carried a nosegay of yellow daisies.

Mr. Cavender was attended by a fellow sailor, Phm. 2c, Ray J. Campbell. The wedding dinner

was in the Viking Hotel, Newport.

Miss Smith has made her home for many years with her sister and husband, Mr. and Mrs. Elijah Frank Blackshear, Northville Road, and has been employed in the offices of the Daisy Co.

Mrs. Blackshear and a little niece, Caroline Ruth Smith, Miss Kitty Armitage of Detroit, Mrs. Otto Evans, an aunt of the bridegroom and his mother, Mrs. Marcella Cavender, of 25 Tyler avenue, Highland Park attended the wedding. The young couple will be home at 32 Pelham, Newport, Rhode Island.

FISHER-BARRINGER

Miss Camilla Fisher, sister of Mrs. J. W. Kaiser, and a former resident of Plymouth, was united in marriage Sunday, May 9, to Robert Barringer of Detroit. The ceremony was performed in the home of the bride's sister, Mrs. Alex Lyke of Center street, Northville. The Rev. Leslie A. Williams of Northville read the service before the immediate families.

Mrs. Barringer wore an orchid floor-length gown and a shoulder corsage of yellow roses. She was attended by her sister, Miss Alta Fisher of Dearborn who wore a gown of teal blue. The bridegroom was attended by the brother-in-law of the bride, Alex Lyke of Northville. Miss Dorothy M. Fisher, niece of the bride, played the wedding march.

A reception was held for the families and close friends immediately following the ceremony. Mrs. J. W. Kaiser poured. The couple will reside in Highland Park near where they are employed.

Newburg Society To Entertain Many Today

The Newburg Woman's Society of Christian Service will be hostesses to guests from the Woman's Societies of Garden City, Northville, Plymouth and Wayne at a tea on this Friday, afternoon at 2:30 p.m. Mrs. John Martin of Adrian will be the speaker and Mrs. Laurence Taylor of Garden City will give several piano solos. The tea will be held in the Newburg church hall on Ann Arbor Trail at Newburg road.

Mrs. Martin, who is the secretary of mission study of the Detroit Conference W.S.C.S., will speak on "The Basis for a Christian Democracy." An accomplished speaker, Mrs. Martin has studied both in America and in Europe.

Mrs. Taylor, now living in Garden City, is a musician of note. A graduate of the Eastman School of Music, Rochester, New York, she has been teaching at Adrian College for the past year.

D.A.R. Annual Meeting At Mrs. E. Mastick's Home

Sarah Ann Cochrane chapter of Daughters of the American Revolution will hold its annual meeting and tea with Mrs. Earl Mastick Monday afternoon, May 17. Mrs. Mastick will be assisted by Mrs. Walter Hammond and Mrs. Wallace Osgood. At this meeting awards will be announced.

Why butter won't melt in Africa

AS EVERYBODY KNOWS, butter will melt unless you keep it cool. And the African desert isn't cool.

Nevertheless, the Americans who are fighting there carry butter—and it doesn't melt.

It doesn't melt because it's fortified with a fat which has a high melting point. The result is a butter which can be packed in a can, like beans or beef, won't melt, and will keep indefinitely.

You might think our soldiers could get along without butter. They could. But—they don't have to! Butter is good for them—and Uncle Sam is seeing to it that American soldiers are the best-fed, best-equipped, best-cared-for soldiers in the world!

Of course, it takes money to do that. So much money that, to help pay the bill, every one of us must loan every dollar we can to Uncle Sam through War Bonds.

War Bonds are a swell investment. They pay you back \$4 for every \$3. Save part of every paycheck with U. S. War Bonds!
