Service Center Will Move To New Location

Canteen Club Plans Various New Features

Arno Thompson, temporary chairman of the Canteen Club of Plymouth, has announced that the Club has leased the rooms formerly occupied by Bill's Barber Shop, above the new Taylor and Blyton store, for a service men's center and war club headquarters.

"For some time," stated Mr. Thompson, "the center has been located in the Mayflower hotel, but the arrangement has not worked out satisfactorily and response to the center has been poor. The Canteen club feels that by moving to the new location and adding other recreational features to the center, it will have more to offer in the way of diversion for service men who come to the community. One feature we are adding is pool tables.

"The facilities of the club," continued Mr. Thompson, "will be at the disposal of all service men free of charge. Canteen Club members may use the center by paying a nominal fee. "Taking on this new project means the expansion of the Canteen Club's finance plan which now consists of monthly contributions of twenty-five cents by many residents of the community. Funds obtained from this plan will be used for the rent and upkeep of the center. It will be serviced by the Moms Club and the Navy Mothers Club," added Mr. Thompson.

A nominating committee, comprised of the presidents of the Moms Club and Navy Mothers Club, Mrs. Horace Thatcher, and Mrs. Raymond Beldor, has been appointed by Mr. Thompson for the purpose of nominating new officers for the Canteen Club. At present, George Burr, as treasurer and Earl Gray as secretary, are assisting Mr. Thompson with the project.

Blood Bank To Be Here October 18

Registrations Now Being Accepted

There is no war program which deserves more public support than the Red Cross blood bank, which will be in Plymouth on October 18 at the Masonic Temple to take blood for use on the battlefields.

Statistics have shown that hundreds of lives have been saved with blood plasma on the battlefields as a result of the efforts of the Red Cross in collecting blood from donors all over America.

It is really a privilege to give a pint of blood, and yet it appears to be difficult to get donors to appear.

The blood bank will be at the Masonic Temple from 3 until 7:30 p. m., on October 18. Doctors and nurses will be in attendance to take the pint of blood, which in no way affects the life of a normal healthy person, and sufficient tests are made by the doctors and nurses before the blood is taken to assure the donor that he will suffer no ill effects.

Registrations have been made by delegations from the three nearby plants of the Ford Motor Co., and the Kiwanis club. Other delegations and individuals may register either at the City Hall or at Beyer Pharmacy.

The Plymouth chapter needs three hundred donors for the visit of the blood bank. There should be a thousand from Plymouth alone.

After the proper tests have been made, the blood donor is given a glass of orange juice to drink before the blood is drawn. A physician inserts a needle into the donor's arm and the pint of blood is allowed to drain into the proper receptacle, after which the blood is placed on ice for shipment to the laboratories where it is made into plasma for shipment to the battlefield, where it is used to save lives.

Concrete Job Done On Fralick Avenue

The contracting firm of Mc-Ivian and Porath has completed the main job of pouring the concrete on Fralick avenue, and Farmer street, and is now engaged in pouring the curb and gutters on Fralick, Roosevelt and Auburn.

The contract for the new streets was handed to the Detroit firm because of the shortage of help locally. The streets would normally have been laid by the city engineering department.

On Fralick avenue, the northern strip was left vacant until after the war in order that new water mains may be laid there.

Hallowe'en Plans In The Making

Frank Walsh Heads Committee This Year

The time isn't far off when the goblins 'll get you if you don't watch out. Yes, Hallowe'en is approaching, and the civic committee is meeting this week to make plans to do something about it, and plans this year will be a bit more difficult than they have been in the past.

For some reason unbeknownst to this writer, or to any one else, the devilment of the kids is sanctified on Hallowe'en, and has been for time eternal. There were days not so long ago when the men who are governing this and other cities were doing the very things (or worse) than the boys of today do on Hallowe'en.

No end of gates have disappeared from their accustomed fences. No end of buggies have been moved, and livestock itself has been transferred from one place to another, but the crowning achievement of those bygone days of Hallowe'en pranks has been eliminated mostly by modern plumbing.

But boys being boys, there are always new achievements, and the civic committee thinks that much of the prankishness has been eliminated by the community parties, and it has. Records reveal that 98 per cent of window soaping has been eliminated in Plymouth as a result of the public parties, which are held for the children of school age in the schools and the Masonic Temple.

More than ninety per cent of other troubles which date back to the establishment of the village, also have been eliminated, and the city officials and civic leaders are convinced they can't eliminate all of the trouble.

But despite rationing, they are going ahead with the parties that have been held in the past. Small grade children will be entertained (eats and all) at the Central and Starkweather grade schools, the older children at the high school, and the high school kids at the temple.

Frank Walsh heads the committee making plans for the evening.

Help Shortage Being Felt Here

Plants Need All Available Workers

Day by day in every way, the manpower problem is getting worse and worse.

And regardless of whether it's the government's fault, the army's fault, the draft board's fault, or whatever it may be, the fact still remains that—

Day by day in every way the manpower problem is getting worse and worse.

There are those who will tell you that some of the emigrant war workers from other sections of the country have saved enough money that they can go home and hibernate for the winter.

There are those who will tell you that there have been too many essential workers taken into the army.

There are those who will tell you that the women have been quitting their jobs to return to their homes.

There are those who are certain that school boys have returned to their classes.

But whatever the reason, Plymouth war plants are short of help, and they'll take what they can get for as many hours as a person wants to work.

At least two of the Plymouth war plants have been reduced to one shift a day because of the shortage of help, and they are appealing for more people to work an extra half shift at the plants in order that the war work can be turned out on time.

Pilgrim Products and Wall Wire, among others, are badly in need of help, and any person or any group of persons who wish to do an extra share in the war program, are asked to get in touch with the personnel managers.

Kiwanis Ticket Sale Underway

The annual Kiwanis "Night Club" will be held at the Masonic Temple on Tuesday evening, October 26, it was announced this week by Ernest Allison, general chairman of the program, which is held each year to finance the Kiwanis Club's activities for crippled and underprivileged children.

The dinner will be cooked by the men themselves, and entertainment will be offered on a night club basis. Tickets are \$1.75, which includes dinner.

Outstanding entertainment, including the Hayes Bennett orchestra has been arranged, and will be announced in detail later.

Floyd Campbell Wins A Citation For Services

Plymouth Soldier Under Fire, Performs Outstanding Duty

For outstanding during services performed in the South Pacific area, Corporal Floyd L. Campbell, son of Mr. and Mrs. William H. Campbell, has received a special commendation.

Well deserved, it reads "Your performance of outstanding services has been noted by the Commanding General, United States Army Air Forces in the South Pacific area, and the following commendation is extended in official recognition thereof: "Commendation: Corporal Floyd L. Campbell, Coast Artillery, United States Army, for outstanding conduct during the period from January 8 to April 22, 1943. During this period, as a member of an eight man communications section, he assisted in the performance of work equivalent to that expected of two communications sections of ten men each. The tactical situation required his battery to maintain two entirely separate fire control systems, each of which entailed the same communications care as that of an entire battery. Undeterred by the narrow escape from death by drowning of one of their number, he continued to swim the flood-swollen branches of a river in order to keep the telephone system in operation, and often went out voluntarily during enemy aerial attacks to mend the lines. It was largely due to his efforts that perfect liaison was maintained between two tactical batteries and adjacent sea-coast units under the threat of enemy naval attack."

Cpl. Campbell attended the junior high school in Plymouth. He enlisted in 1940. An older brother, Harold, who is a Plymouth High School graduate, is in Washington, D. C. The Campbells resided in Plymouth until about a year ago when they moved to East Seven Mile road in Northville. The father was employed at the Daisy Manufacturing Co. for nearly 15 years.

Planning Board Urges Action

Suggests Two Parking Sites

The parking problem reached the City Commission Monday night with a recommendation for establishment of another parking lot in the city by the City Planning Commission.

The planning commission had recommended that property on the north side of Fralick avenue, property to the rear of the Ford garage and property at Ann Arbor Trail and Elizabeth streets be used as parking lots and recommended their purchase in that order.

The City Commission agreed to inspect the sites before making a decision, and also indicated a desire to obtain public reaction to a suggestion of the planning commission that the parking lots be installed on a fee basis as a means of paying for the upkeep and the capital investment involved.

It was pointed out that while the parking lots will be city-owned, it is anticipated that a large portion of the motorists using the parking lots will be non-taxpayers either from within or without the city.

At the same time, it is admitted that about 35 per cent of the Plymouth shopping is done by non-residents, and there is a question whether or not some of these shoppers would be driven away from the city by the establishment of a parking fee.

Girl Scouts To Hear Miss Miriam Hall

Miss Neva Lovewell, head of the Girl Scout Council in Plymouth announced this week that Miss Miriam Hall, executive director of the Detroit office of Youth Hostels, Inc., will speak before an open meeting of the Girl Scouts at the Central Grade school on the evening of October 11.

The public is invited to attend the meeting, at which movies will be shown of the hostel movement.

Miss Lovewell said that the movement is hopeful of establishing a hostel in or near Plymouth which will operate much on the principal of the one now operating near South Lyon.

The Youth Hostel movement was started to provide cheap travel for persons who want to see something of this country at low cost.

Under the system, a person who is a member of the group can stop at a hostel overnight and purchase food at the hostel, which they may cook for themselves.

W.S.C.S. Celebrates Third Anniversary Wednesday, October 13

The Third Anniversary of the founding of the local Women's Society of Christian Service of the Methodist church will be observed by members Wednesday evening, October 13, at 7:45. An anniversary tea will be given over there with the Newburg Methodist church as guests. Later, a play entitled, "The Budget Committee Meets," describing all phases of the organization's work, will be presented under the direction of Mrs. Henry Jensen, program chairman for the evening. Mrs. Harry Fisher will sing several solos. The cast of the play consists of Mrs. Howard Bowden, Mrs. Miller Ross, Mrs. Donald Sutherland, Mrs. H. H. Davis, Mrs. Clifford Noll, Mrs. Robert Lidgard, Mrs. Bernard Curtis, Mrs. Celia Hubert, Marilyn Oldenburg, and Bill Bate-

First Meeting Of St. John's Parish To Be Held October 13

The first parish meeting of St. John's Episcopal church following its organization as a parish instead of a mission, will take place Tuesday evening, October 13. The eventful meeting will be preceded by a pot luck supper at 6:30 o'clock. At the session a vestry will be elected and the incorporation papers will be signed. Archdeacon Leonard Hagger of Detroit will be pres-

Tomshack Named Football Coach

Fills Vacancy Left By Matulis

John Tomshack, who has been an instructor in the industrial arts department, has been made high school athletic coach and director of the department of physical education succeeding Lt. (j.g.) Anthony Matulis, who has been called into active service with the navy. Tomshack will serve in his new capacity for the duration, when the post will be resumed by Mr. Matulis.

The appointment was announced by Superintendent of Schools George A. Smith and Principal Claude Dykhouse along with other changes in the school system.

Harry Reeves, head of the geography department at the high school will take over the vocational guidance department which has been headed by Carvel Bentley, who will enter the army.

A successor to Melvin Blunk, head of the mathematics department, who also enters the army, has not been announced. Other shifts will be made within the teaching staff, it was announced to take care of the classes.

Tomshack played football at Michigan State Normal at Ypsilanti and at the University of California at Los Angeles. He coached football at Parma high school and at St. Thomas high school in Ann Arbor, and has served as assistant to Mr. Matulis on the local staff. He also has played both college and professional basketball and has been baseball coach at the high school here for the past year.

Mr. Smith said that every effort will be made to continue the high standards of the local schools, but that teachers are almost impossible to obtain, especially men teachers, and that the school will go ahead and do the best it can for the duration. Competent women teachers will be hired as the need arises and the teachers become available, Mr. Smith said.

Announce Dates Of Demonstration And Collections

PAPER DRIVE

The Public Schools will conduct a paper drive on Monday, Tuesday and Wednesday of next week. Persons with a large amount of paper are requested to take it to the brick garage at the Central Grade School, to the Starkweather school, or to give it to any school child. The money obtained from sale of the paper will be used to finance Junior Red Cross activities.

Information received in Plymouth is that there is another shortage of paper to make paper boxes.

DEMONSTRATION

Miss Emma DuBord, Wayne County Demonstration Agent, will be at the Plymouth High School auditorium on Monday, October 18 at 1 p. m., to give a demonstration on the home tanning of chickens. All persons with chickens to can are urged to attend.

TIN SALVAGE

There will be another tin can collection on October 23, it was announced this week by Salvage Chairman Esther Powell. All persons are asked to have their cans ready at that time for collection.

City To Plan For Jobs When War Comes To End

Working on the theory that there are prospects of mass unemployment at the close of the war, City Manager Clarence H. Elliott has sent invitations to the managers and presidents of the manufacturing firms in and around Plymouth to meet with the City Planning Commission on October 13 for a discussion of plans for the future.

Mr. Elliott pointed out that what the city wants to know primarily is what will be expected of city facilities after the war is over. "As an example," said Mr. Elliott, "if we are planning now to install a sewer or water main to a district especially an industrial district, and we learn now that that sewer or water main will be inadequate to meet future plans of a factory, it would be foolish for us to go ahead with our present plans when the work would have to be done again in five years time. That would be added expense, and unnecessary added expense."

Mr. Elliott said the planning commission is anxious to find out from the industrial leaders how the city can be of help to them but that the city wants to know now so it can make its plans accordingly.

At the recent national convention of the City Managers Association, held in Chicago, it was pointed out by Paul G. Hoffman, president of the Studebaker corporation, that after the war is over there will be demands for jobs twenty-five per cent greater than the demand before the war.

Stag Day Is Sunday, October 10

Annual Stag Day will be observed at the Plymouth Country Club Sunday, October 10. Features of the day are golf, good food, and prizes.

29 More Enter Armed Services Of The Nation

Several Well-Known Young Men To Leave Saturday

Plymouth will Saturday, October 16 bid Godspeed to another group of its young men being sent to the United States army and navy.

In the group are a number of prominent young married men who have been active in community affairs in the past few years, an indication of what lies ahead not only for Plymouth but the entire country. Two on the list have occupied important places on the Plymouth school faculty.

Following is the complete list of the 29 young men who will leave for the army Saturday or have already left to join the navy and other branches of military service:

Army—(Leaving for Fort Custer)—Carvel M. Bentley, 1381 Sheridan avenue, Plymouth; Robert J. Reed, 464 Grace street, Northville; Melvin I. Blunk, 419 Irving street, Plymouth; Edwin R. Bond Quota Is Exceeded By Nearly \$50,000

Plymouth Went Way Over The Top In Great Drive

\$581,521.00! Nearly \$50,000 more than Plymouth's big quota in the Third ward loan drive, was the final result of Plymouth's remarkably successful drive in the bond campaign that ended last Thursday night.

When The Plymouth Mail went to press last week, the city had gone over the top by something like \$20,000. But buying continued up to the very last minute, with the result that the quota was far exceeded.

It was the postoffice where the last big rush came—and how every member of Postmaster Harry Irwin's staff did work during the drive that ended so successfully!

Mrs. Beatrice Schultz, assistant postmistress, who has direct charge of the postoffice bond sale, was enthusiastic over the final results.

The total for the postoffice alone exceeded \$155,000. In addition to this amount, there was a total of \$3,501 in war stamps sold at the postoffice.

The total of the American Legion drive amounted to \$6,525 announced William Rose, chairman of the Legion bond committee.

Probably no campaign in recent years resulted in such a spontaneous and enthusiastic reception as did the Third ward loan drive in Plymouth.

Plymouth First On Concert Tour

Detroit Symphony Here Wednesday

A program of fine music from the world's most popular composers will be presented by the Detroit Symphony at a free concert to be given at the high school auditorium next Wednesday afternoon at 2:30.

The concert will be under the direction of Ilya Schkolnik, celebrated concert master of the Detroit orchestra, composed of 90 musicians.

The concert in Plymouth is one of the first in the nation arranged by the American Federation of Musicians, in which it is planned to take celebrated orchestras to smaller, outstanding communities for good will concerts.

It is anticipated, of course, that the stimulation of the finer music will increase interest on the part of small town audiences to attend the regular concerts of the orchestra which will be given at the Masonic Temple in Detroit. Both season and individual performance sales of tickets are now underway.

The Plymouth program was arranged between Mayor Carl Shear and Jack Ferentz, president of the Detroit Federation of Musicians.

The program is entirely free, and the musicians are being paid by the musicians' union. It is anticipated that the union will spend about a half million dollars to take the orchestras to the smaller communities.

Civic leaders here are enthusiastic over the visit of the Detroit orchestra because of the cultural uplift which even one such concert will give to the community. The concert which has been arranged to suit all lovers of music, is as follows:

Overture to "Der Freischutz" by Weber; second and third movements from the Fourth Symphony by Tchaikowsky; overture to Tannhauser by Wagner; four movements from the "Peer Gynt" suite by Grieg; Gold and Silver waltz by Lehár and Neapolitan scenes by Massenet.

Slacker Given Prison Sentence Of Five Years

Sidewalk Pest Of Plymouth Given Limit Under Law

There is one less Jehovah Witness blocking the sidewalks of Plymouth. He's started "doing time" in a federal prison, because he refused to turn a hand to help the nation win its war against our enemies who seek the destruction of America.

Claty L. Willoughby, a 37 year old convicted slacker, and Plymouth sidewalk pest, was sentenced last week by Judge Arthur J. Tuttle in federal court in Detroit, to serve five years at hard labor in a federal prison. That is the maximum penalty.

"Claty" not only refused to appear for induction when called to the army, but he refused to go to a conscientious objectors camp when ordered to do so by the Plymouth draft board, stated Chairman Walter Harms yesterday.

But he found time each week-end, with a dozen or so others of his kind to occupy sidewalk space in Plymouth trying to sell an alleged religious publication to the busy war-working people of this city.

Judge Tuttle declared after sending seven of these Jehovah Witnesses to prison, that he could "not understand the point of view of any man claiming to be an American, who refuses even to serve humanity to the extent of succoring the wounded." It was the refusal of Willoughby and his associates to accept such non-combat duty as even caring for the wounded, which prompted the Judge's declaration.

Willoughby lived at 474 North Main street. He came here a little over a year ago from Farmington and is in no way related to the well-known and prominent Willoughby family of this city.

There are about a dozen of his kind who pester the people of Plymouth each week-end by occupying sidewalk space and trying to sell their magazines.

And you are asked not to pay above ceiling prices for anything.

If these pledges work, the black market can be broken.

And the black market still exists.

Woman's Club Begins Activities

Full Program Is Scheduled For Season

The Woman's Club of Plymouth began its club year with a meeting Friday, October 1. The subject of the day was "Interesting Women" on which Betty Roberts gave an address.

The club has planned a very active season with interesting talks, an organ recital, husband's night, and a box social on the program. Civic activities include helping the war effort, taking part in Girl Scout affairs, and aiding the Red Cross. Special committees have been appointed for these activities.

Officers of the club include Mrs. John Henderson, president; Mrs. William Otwell, first vice president; Mrs. Vaughn R. Smith second vice president; Mrs. James Latture, recording secretary; Mrs. Edwin Bolton, corresponding secretary; and Mrs. Paul Christensen, treasurer. The executive board consists of the officers, Mrs. F. R. Hoheisel, Mrs. Carlton Lewis, and Mrs. William Clarke.

The next meeting of the organization is scheduled for Friday, October 15, at which time the program will feature an interview with a W.A.C. and a talk on the military front by Mrs. Ruth Huston-Whipple.

Religious School Opens On Monday

Classes Cover 5 Week Period

The Ninth Annual School of Religion of this district which comprises Northville, Plymouth, Rosedale Gardens and Newburg will begin Monday, October 11 at the Northville Methodist church and continue for five Monday nights. On Monday evening, October 11 at 6:30 there will be a Fellowship Pot Luck Supper.

The classes will start at 7:30 with two classes each evening, one from 7:30 to 8:20, the second from 8:40 to 9:30.

The following classes are offered: 1. World Friendship to be taught by Rev. Sayre, who for some time was missionary in Africa.

2. Understanding Children to be taught by Mrs. Alice Goddard of the Detroit Council of Churches.

3. Winning Others to Christ. Rev. John Dexter, associate pastor of Ward Memorial Presbyterian will teach this class.

4. Lessons in Finding God. Rev. Marshall Hoyt of Trenton Methodist church will teach.

Reported Missing, Is In North African Base Hospital

Staff Sergeant Robert Schultz, former resident of Plymouth, previously reported missing in action, is now reported wounded in the Battle of Salerno and is confined to a base hospital in North Africa.

Sergeant Schultz is the son of Stephan Schultz of Grosse Pointe and a brother of Mrs. George Straub of Brush street. He attended junior high school in Plymouth.

New Legion Officers Have First Meeting

The first meeting of the Myron H. Beals Post of the American Legion was held Tuesday night under the new officers, headed by Commander C. C. Cushman.

Speakers were Capt. P. A. Lent of the military procurement office who spoke on the "Duties as Legionnaires and Americans," and District Commander Leon Church talked on comradeship.

Commander Church presented W. A. Rose with a past commander's pin. Mr. Rose retired as commander of the Beals post this year.

Symphony Director

Ilya Schkolnik is the concertmaster who will direct the Detroit Symphony Orchestra when it appears at the concert to be given Wednesday afternoon, October 13, in the Plymouth High School Auditorium. The orchestra will play for the students between 2:30 and 3:30 and for the general public between 3:30 and 4:30.

Black Market Pledge Underway

House To House Canvass To Be Made

Ladies, you are to be asked to sign a pledge that you will not patronize the black market, and that you will observe price ceilings.

The pledges will be taken to your door by the women of the neighborhood war clubs.

And when you sign it, you are asked not just to sign it and forget about it. You are asked to remember what you signed, and what you have pledged to do.

You are asked to remember that if you are offered a pound of butter (which you won't be) for which you will have to give no ration points, that you must not accept the butter, for it is a violation of rationing.

And you are asked not to pay above ceiling prices for anything.

If these pledges work, the black market can be broken.

School Boys Give Aid To Farmers

Fall Corps Being Rapidly Harvested

Farmers who want help in the harvesting of their fall crops have been advised that considerable "boy" power is available in the schools of the county. Many of the boys and girls in the Plymouth area are already helping with harvest, and still more have volunteered.

Farmers should make application to the principal or head teacher in the schools in Plymouth and surrounding territory, advising what type of work they have available the rate of payment he will make, and the time anticipated for employment.

Farmers already have received help from the Stark, Newburg and Livonia Center schools, and volunteers are reported available at Clayton, Hicks, Treadwell and Hale schools.

Scholarship Winner Begins Studies At East Lansing

Carolyn I. Kirk, Plymouth high school graduate, is among 80 freshman holders of Michigan State College Alumni scholarships who began their classes on the East Lansing campus last week.

Miss Kirk was awarded the scholarship on the basis of her scholastic ability while at Plymouth High. Her scholarship will be continued at the discretion of school officials.

Weddings

BURKHARDT-METTETAL

Miss Elma Burkhardt and Eli Mettetal were married at the Bethel Baptist church of Detroit Saturday, October 2, at two o'clock in the afternoon. The Reverend Owen Miller performed the ceremony.

Miss Burkhardt is the daughter of Mr. and Mrs. Joseph Burkhardt of Detroit. Mr. Mettetal is the son of Mr. and Mrs. Raphael Mettetal of Plymouth.

Given in marriage by her father, the bride was charming in a gown of white satin and lace and wore a long veil also edged with lace. She carried a bouquet of white carnations from which fell long white satin streamers. Her maid of honor, Catherine Aiello, was gowned in royal blue. The bridesmaids were Mitzi Brucks, Betty Bertridge, Irene Bechtal, and Ester Mettetal. They were dressed in gowns of pastel pink and blue. All the attendants of the bride carried bouquets of red roses.

Assisting the groom were Sergeant O'Brien as best man and Sergeant Hines, Jackie Koerner, William Peirson, and George Henerhouse as ushers.

For her daughter's wedding, Mrs. Burkhardt wore a blue dress accented with white gardenias. The mother of the groom chose a royal blue suit dress and also wore a corsage of gardenias.

A reception was given at the Burkhardt residence on Beniteau avenue in Detroit at 8 o'clock Saturday evening. The newlyweds left Tuesday for a honeymoon.

MOMS' CLUB NOTES

The next regular meeting of the Mom's Club will be held Tuesday, October 12, at 1:30 p. m. at the Grange Hall. All members are urged to be present and bring cotton and wool patches and needle, thread, thimble and scissors.

Moms, be sure and let Mrs. Dorothy Olds, phone 9147, or Mrs. Lucinda Archer, phone 437, know the correct address of your son.

Wednesday and Thursday of last week a group of Moms went to the Military Police Camp at Rouge Park and did sewing for the boys at the camp. They were entertained at lunch in the mess hall and were shown around the camp later. The Moms enjoyed their day very much and hope to do it again soon.

Local News

Mr. and Mrs. Albert Glassford has as their week-end guest, Mr. Glassford's sister, Miss Gladys Glassford of Detroit.

Dr. Walter Hammond spent the latter part of last week in Palmerton, Pennsylvania, where he visited his parents.

The next meeting of the Woman's Club will be held Friday, October 15. The program for the day consists of an interview with a WAC and an address by Mrs. Ruth Huston-Whipple.

There will be a Girl Scout Council meeting at the high school Friday evening (tonight) at 8 p. m. All adult Girl Scouts, troop leaders, assistants, and committee members are urged to be present.

An article from the Kansas City Star, sent to The Mail by Walter Bronson, former resident of Plymouth, states that L. K. Cookingham, city manager, is recovering from a siege of influenza. Mr. Cookingham is a former city manager of Plymouth.

Pvt. Thomas P. Lacy returned last Thursday to San Diego, California, after a short furlough with his parents, Mr. and Mrs. P. A. Lacy, of Sheridan avenue. Pvt. Lacy will enter the ground school of aviation for mechanics there.

The Presbyterian Women's Auxiliary will entertain the women of the Methodist and Baptist churches Wednesday afternoon, October 13, at 1:30. The devotions and a message of welcome will be given by the Reverend Henry J. Welch. Following this, the entire party will attend the Detroit Symphony concert to be given at the high school auditorium that afternoon.

Fireman First Class John Langendam left last Tuesday for New London, Connecticut, where he is taking further training as a member of Uncle Sam's Navy. He spent a week's leave with his wife, Mrs. Marjorie Langendam of Pine street.

Miss Rebecca Obsniuk is spending the week with her family in Redford. She also plans to spend several weeks in Spokane, Washington, where she will visit Petty Officer Ernest Carl Baney, who is stationed at Camp Farragut, Idaho.

To become better acquainted, members of the faculties of Central, Starkweather and the high schools were entertained at the annual Board of Education party given at the high school Monday evening. Guests enjoyed a social evening of old time dancing and folk games.

Mr. and Mrs. John Paul Morrow were pleasantly surprised at their home Sunday evening when the Pireside Group honored them at a housewarming. A delicious pot luck supper was enjoyed by the guests. Present were Mr. and Mrs. George Burr, Mr. and Mrs. Claude Dykhouse, Mr. and Mrs. Robert Willoughby, and Mr. and Mrs. George Chute. The Morrrows recently moved into the Warren North residence on Ann Arbor Trail.

Mr. and Mrs. L. H. Goddard of 1227 W. Maple street are the proud parents of an eight and one half pound baby girl, Sarah Elizabeth, born early Monday morning at Plymouth Hospital. Both mother and daughter are doing nicely.

The Allan Home Economics Extension group held their first meeting of the season Thursday, September 30, at the home of Mrs. John Amrhein on West Ann Arbor Trail. The project for the year will be a Refreshers Course. The leader, Mrs. Carl Caplan, gave the lesson on dehydrating food. Mrs. Amrhein held a demonstration on dehydrating carrots and green lima beans. The next meeting will be held at the home of Mrs. Frank Bradsell on Joy road Thursday, October 28.

Wednesday evening at 8:30 o'clock the choir will meet for rehearsal. Thursday evening at 7:30 o'clock the first of a series of five hymns and fellowship nights will be held. The first part of the evening will be devoted to the story of great hymns of the church, and the singing of those hymns. The second part of the evening will be a period of folk-songs, folk-games, and recreation.

Everyone who likes to sing and play is invited to come.

CALVARY BAPTIST CHURCH. Ann Arbor Trail at Elizabeth street, Lynn B. Stout, Pastor. It is a little early to make an infallible prophecy as to the outcome of the evangelistic services now in progress, but from the response thus far, everything points to the best services that Calvary church has ever had. Tune in to WCAR every morning at 8:45 o'clock, and then come to church at night at 7:30 to see and hear the one, Jimmie Mercer, who has spoken to you in the morning. The special services continue every night this week and next with the exceptions of Saturday night. Next Monday night is Sunday school night when every member of the Sunday school is expected to be present. If you love to sing, come. You choose the songs and we sing them together.

Plymouth Did a Grand Job in "Backing the Attack" With the Third War Loan Drive

When the people of Plymouth were given their quota of bonds to sell in the Third War Loan Drive the figure looked terrific, but everyone put forth an "all out effort" to attain that which they had been assigned to do. Thanks to everyone the job was done in the real American way by the voluntary purchase of bonds in this vicinity.

DURING THE THIRD WAR LOAN DRIVE THE PEOPLE OF THIS COMMUNITY PURCHASED AT THIS INSTITUTION THE SUM OF

\$251,275.00

MATURITY VALUE UNITED STATES OBLIGATIONS THAT WERE OFFERED IN THE DRIVE

These Bonds were sold to 1026 Individual Customers

PLYMOUTH HAS REASON TO BE PROUD OF THE JOB IT DID IN "BACKING THE ATTACK" AND WE, TOO, ARE PROUD OF THE NUMBER OF BONDS WE ISSUED DURING THE DRIVE.

Bennett Scores First Touchdown Of Year

Bill Bennett, left end on the Plymouth football squad, scored the team's first touchdown for the year, Friday, October 1 in the game with Ecorse on the local field. The local team showed its spirit of play when they held on the one-foot line for four downs.

The scoring was started by Plymouth in the beginning of the third quarter with a twenty-yard pass to Bennett from Hunt. Ecorse scored soon after this with a series of passes and an off tackle run by Schuler. They scored again in the first of the fourth quarter on a long pass to Oleksinski, Ecorse's left end.

During the first half Plymouth outplayed Ecorse and was in scoring territory twice, once on a twenty-yard pass to Bennett, only to be brought back because of a clipping penalty. Ecorse had the Plymouth team down to their own one-foot line, but the Rocks line held for four downs. Hall punted out of the dangerous territory.

The Plymouth passing combination, Hunt to Bennett, worked very well throughout the game, with a total gain of about fifty yards.

The starting lineups were for Plymouth at LE, Bennett; LT, Montgomery; LG, Wisley; C, Rock; RG, Moffett; RT, Livermore; RE, Johnson; RH, Hall; QB, Brink; FB, Scheppele; LH, Hunt; For Ecorse: LE, Oleksinski; LT, Davis; LG, Schonefeld; C, Wroblewski; RG, Kromrel; RT, Scott; RE, Stockinger; RH, Leblanc; QB, Whitefield; FB, Hickey, LH, Schuler.

Scoring by Bennett, LE, Plymouth; Schuler, LE, Ecorse; Oleksinski, RH, Ecorse; extra point after touchdown, Hall, RH, Plymouth.

Senior Sketches

Reading and collecting odd buttons are the hobbies of Margaret Ann Brown, daughter of Fay and Erma Brown, who lives at 243 N. Mill street. She is taking a commercial course. Margaret's pet peeve is people who always look on the dark side of life. She has been a member of the Girl Reserves for five years. Her chief aim in life is to learn to fly.

Ivan Campbell, son of Perry and Elsie Campbell of 7917 Canton Center road, has been very active in athletics. He played football three years, was on the track team one year, and was basketball manager. He was on the J-Hop construction committee, and was in the Junior play. He is pursuing a general course. Ivan's pet peeves are conceited girls and people who don't know what they want out of life. His hobby is airplanes, and he plans to join the Army Air Corps as a pilot or gunner.

Mary Brandt, daughter of Norman and Jessie Brandt, is completing a college preparatory course. She has been a member of the orchestra, Pilgrim Prints, J-Hop committee, Girl Reserves, Junior Red Cross, is now secretary of the Senior Class, is vice-president of Girl Reserves, a member of Lams Service Club, member of Library Club, and has earned her sports letter. Her hobbies are sports, music, and cooking. Her pet peeve is waiting for buses in general, but especially alone on a cold, dark night. She has no special plans for the future except to be useful.

Josephine Armbruster, the daughter of Mr. and Mrs. Mike Armbruster, lives at 625 Blunk avenue. She is taking a combined college and commercial course. Josephine has been a cheerleader three years, a member of Drama Club one and one-half years, of Leaders' Club two years, and took part in stunt night and one-act plays. Her hobbies are drama and sewing. Her pet peeve is the war. After graduation she plans to take a radio course at Wayne University and she would like to learn how to fly.

William E. Baker, known as Bill, the son of Mr. and Mrs. Henry Baker, lives at 1373 Sheridan avenue. His hobbies are photography, archery, and playing the mouth organ. He has been very active in P.H.S. during his four years by taking part in basketball, tennis, camera club, Junior play committees and Student Government. Bill's pet peeves are people who act as if they know everything and do not. After school he plans to go into the Naval Air Corps, or if the war is over, he will go to college and study to be an engineer.

Anna Louise Blessing, daughter of Harry and Mary Blessing of 766 York street, is completing a general course. Her accomplishments have been Girl Reserves, Senior Girls' Glee Club and two years of pentathlon. Her hobbies are bowling and the collection of novelty pins. She says her pet peeve is girls who wear anklets and pumps together. She has nothing special in mind but to be happy and enjoy life.

Judges Choose 8 Cheerleaders

Eighteen students of P.H.S. went out for cheer leading and were judged by faculty members and student class representatives in the grade school gym, Monday, September 27. The regular cheer leaders chosen were Sally Austin, Lois Vetal, Phyllis Thompson, Bernice Whyatt, Peggy Hart, Bill Sexton, Ralph (Bud) McDowall and Merl Parsons. Janet Strachan will be their student coach.

Here And There

Haywagons, and forty kids were seen at the Torch Teens Hay Ride, held in the Diamond Dude Riding Stables, Saturday night, October 2. After the ride the whole crowd made a bee-line for the Rosedale Gardens Civic Association Club House to dance, play ping-pong, or just to gab. They were served coke, potato chips, and apples.

Ivan Campbell, regular tackle of the Plymouth High School football team, left Tuesday for the Army Corps where he hopes to become a pursuit pilot. If he flies a plane as he plays football he will be good.

Joan Gillis was the hostess at a "coke party" following the Hard Time dance last Friday. Those present were George Simmons, Mitzie Jacobson, Paul Zimmerman, Rose Miller, Bob Minock, Bette Arnold, Jim Wilkie, Jackie Dalton, Ralph Bachelder, Marilyn Vershere, Jack Schraider, Audrey Livermore, Bernard Bert, Audrey Neale, Carl Hale, John Hopkins, Eleanor MacDonald, Ray Runkel, Juanita Pacy, and Edith Nolte.

Reta Daggert, "Mac" MacGregor, Dorothy Rowland and "Bud" Mason hiked out to Dorothy's home last Sunday afternoon, and followed the hike with a weenie roast.

Dorothy J. Fisher and Geraldine Burgett gave a weenie roast last Saturday evening. Their guests were Larry Rotarius, U. S. Navy; Bill Zimmerman; Lester Zimmerman, U. S. Navy; Dorothy Dale of Wayne; Jean Shepfo; Jim Rotarius; Phyllis Lee; Al Parritt; Kathleen Thompson; Mervin Mayer, George Rathburn; Donna Becker; Gordon Nulty, and Margie Wilson.

Frank Lodge visited school last while home from Wyoming on a furlough. Joyce Tarnutzer, Frank Lodge, Ramona Wilson and Jerry Jarzsky saw "Mr. Lucky" at the Michigan last Tuesday night. We wonder why Eddie Laurain never can remember to get his absence excuse before coming to mathematics class. It's too bad the seventh graders have to get zeros because they can't remember.

Why didn't more students wear their brightest socks at the Soph's Sox dance? Those who did ranged all the way from the senior girls' brightly colored knee socks to Bill Saxton's red ones. Nat Reitzel's might have come from a lumberman's dream. Marvin Mepyans thinks the noon hour is the best time to vote, especially when Nan B. and Bunny W. are giving a side show in the gym.

Betty Solberg celebrated her sixteenth birthday on September 25, by a large party in her home. Those from Plymouth were Rosemary Davis, Bonnie Galamore, Connie Neely, Margaret Jenkins, Madeline Simpson, Donna Underhill, Viola Gould, John Kilpatrick, Keith McKinney, Lorraine French, Irene Newman, Marian Lawson, and Don Wade, together with several from Detroit. The crowd played games and danced to the music of a juke box, after which a luncheon was served.

Merlin Datcher is now the eleventh grade vice-president. The junior class voted a second time to break the tie between Merlin and Don Rock, who ran for vice-president.

Pat Hudson, who was a school visitor last Thursday, left for Albion College last Sunday. Elaine De Planche gave a picnic at Riverside Park last Wednesday night. Her guests were Joyce Tarnutzer, Frank Lodge, Betty Jewell, Cameron Lodge, Virginia Woods, Wendell Johnson, Yvonne Sawyer, Norm Solomonson, Nancy Baker, George Rathburn, "Jeep" Hart, and Downling Jewell.

New Library Staff Chosen

Miss Gravelle announces that the library has a group of new books. There are seats for 110 pupils each period of the day, but about 90 are in attendance for study.

The recently chosen library staff has among its duties keeping order, the cataloging of books and maintaining orderly shelves, taking lessons in library science, and helping prepare new books for circulation.

The new librarians are Annabel Heller, Dorothy Fisher, Clarence Hoffman, Dorothy Rowland, George Valrance, Helen Bowden, Russell Downing, Barbara Butt, Mary Brandt, Virginia Woolsey, George Newton, Dorathea Petschulat, Jane Ann Lyons, and Peggy Hart.

Book on Welding By Mr. Chute

Mr. George Chute, Application Engineer and Research Assistant for General Electric Company, Detroit, author of "Electronic Control of Resistance Welding," a recent publication, has presented a copy to the Plymouth High School Library. Welding has become important because it is used for guns, ships, planes and therefore in mass production enterprises. Mr. Chute's book, an outgrowth of his teaching experience, was written so that the factory foremen who may not have college training can understand welding. The book will be used as reference material for the science and industrial arts department.

Mr. Chute has one son in Plymouth High School, Robert, who is a sophomore and one son, George, who graduated in '42 and is attending the University of Michigan in the College of Engineering.

New Officers Take Oath At Assembly

Bob Scheppele, the new mayor, opened the assembly Monday, September 27 at which the new officers took their oath. Mr. Luchman led the student body in singing the national anthem. Bill Baker then led in pledging allegiance to the flag. Gordon Vetal, the ex-mayor, turned the gavel over to Bob Scheppele, the new mayor. The new Chief Justice, Warren Mason, introduced the new judges—Virginia Woolsey, Norma Robinson, Jim Baker, George Valrance, Fred Weinert, and Edward Strong. Malcolm MacGregor, the chief of police, announced his lieutenants, Dick Daniels, on the third floor; Bill Schoof, on the second floor; and Harold Todd, on the first floor. The new officers were sworn in to office by Mr. Dykhouse. The assembly closed with the students singing their Alma Mater.

Hard Time Dance Given By Seniors

The Seniors hard-time dance was a grand opportunity for those who complain about "having nothing to wear" to make use of their old clothes. About fifty per cent of the crowd did wear flannel shirts and the like at this dance held in the gymnasium Friday, October 1.

Corn stalks, corn, autumn leaves and scarecrows were the decorations. To complete the evening a few square dances were led by Kathryn Thinka and Joyce Whitehead. Mr. Stadtmiller and his orchestra supplied the music.

Hi-Y Sponsors "Sponge Dance"

The Hi-Y will sponsor a "Sponge Dance" tonight, October 8, in the high school gym. At this dance the girls take the part of the boys for the evening and do all the inviting. Tom Houghton's band will provide the music. The committee chairmen are publicity, Bill Sexton; refreshments, George Gdancic; tickets, Donald Hessler; decorations, Jack Schoof; floor, Warren Mason; chaperons, Hugh Harsha; and calling of square dances, Bill Saxton.

Class News

Mrs. Soule's 8B Home Making class made scrapbooks to summarize their work on personal grooming. Among the better ones were those of Betty Baker and Allyn Williams. The second hour class made posters on personal grooming.

The 7A Home Making class, in charge of the exhibit case for a week, displayed the correct type of centerpieces for the breakfast table.

The seventh grade math classes are trying a new plan. Every week a helper, who passes out papers and takes care of the blackboard, and an assistant, who takes roll call and dismisses classes, are appointed. Everybody in class will have a chance to serve.

The third and sixth hour math classes are studying the arithmetic of house contracts, and finding them quite difficult. Many seventh graders are attending the ball room dancing classes held Thursday after school in the grade school gym.

A deep sincerity is sure of success, for God takes care of it—Mary Baker Eddy.

Senior - Freshman Reception Held

About three hundred attended the Senior-Freshman reception held Friday, September 24 in the high school gym. As the freshmen and seniors walked in the door tags were handed out. The seniors were given mortar boards and the freshmen were given freshmen caps, and all had a small booklet to use in collecting autographs. The senior girls exchanged autographs with the freshmen boys, and the senior boys with the freshmen girls. Then they played games after which Annabel Heller, as senior president, welcomed the freshmen and Terry Hitt, freshman president, gave the response. Nina Lawson led group singing and school yells. After a grand march refreshments were served. Malcolm MacGregor played several pieces of popular music. Then the freshmen and seniors danced to records. The ones in charge were Jack Schoof, general chairman; Nina Lawson and Malcolm MacGregor, song chairman; Jack Schoof, decorations; Janet Strachan, games; and Genevieve Kisabeth, refreshments. The masters of ceremonies were Annabel Heller, Barbara Butt, Wayne Hohl, and Bob Deyo. Miss Gravelle was general advisor.

Detroit Secretary Addresses Hi-Y

Mr. Boyd Walker, the Executive Secretary from Detroit, spoke last Wednesday on objectives that the Hi-Y boys may work toward. Some of these were better citizenship, service to the school, youth's part in post war world, war time services, the Red Cross bond drive, and cooperation with other youth organizations. The boys then discussed some of these objectives. Twenty-one new members have been admitted.

Mother Visits School Cafeteria

The school cafeteria serves about 120 students and 20 teachers for full meals besides the pupils who buy only one or two items. A mother who had heard about the luncheon from her small son was pleased when she visited it to see the variety of foods served daily. The Lam's Service Club helped in the luncheon one day because of the shortage of help. The new cashier is Phyllis Lee, a sophomore.

Bill Schoof Editor of Annual

Bill Schoof was elected editor of the Senior Annual at a meeting held Monday night after school, with Warren Mason as assistant editor. Although there are over thirty-five seniors working on the annual, only those who will be recognized on the committee who work at least five hours on it. The students may work on the committee they prefer—art, typing, makeup, photography, or copy. The editor will choose the chairman for each committee. Mrs. Tefft is general advisor. The students who were interested in working on the class movie met with Mr. Keeslar Wednesday night to get organized.

LAM'S Elect Officers

The LAM Service Club elected Peggy Hart, president; Janet Strachan, vice president; Barbara Butt, secretary; Irene Neidospal, treasurer at the meeting Monday, September 27. This club meets every Monday noon in the study hall with Miss Lovewell as faculty advisor. Last year these girls were troopers in the halls, helped in the cafeteria, and in the lost and found department. This year they have been of service by helping in the cafeteria when it is short of workers and in the nurse's office.

B-G PLUS

For More Eggs

Feeding Cost **6c** a day per One-Half **100** Hens

Here is a positive answer to your feeding problems brought on by the milk shortage. When compared with milk in "pen against pen" tests on the largest poultry farm in Illinois, B-G PLUS (Vitamin B Complex concentrate extract from fish) increased egg production... increased hatchability... and decreased mortality at a cost of only 6c per day for 100 hens, one-half the cost of condensed milk used in this test.

STATE OF MICHIGAN - ORDER OF THE CONSERVATION COMMISSION - MINK. The Director of Conservation, having made a thorough investigation of conditions relative to mink, recommends certain regulations.

Railroad approval. Request Railroad approval from H. A. Cassil, Chief Engineer, Pere Marquette Railway Company, Detroit, Michigan.

The work will consist of construction and removal of temporary railroad trestles, removal and reconstruction of existing tracks, the construction of an underpass grade separation structure and incidental work.

Plans, specifications and proposal blanks may be examined at the district office of the Michigan State Highway Department, Plymouth, Michigan, and the Metropolitan Office, Detroit, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but will be furnished only from the office of the Contract Engineer, Room 424, State Highway Department, Lansing, Michigan. Plans and proposals may be secured up to 4:00 P. M., C.S.W.T., of the day preceding the formal opening of bids. A charge of three dollars, which will not be refunded, will be made for plans and/or proposals furnished for each project.

Special provisions governing subletting or assigning the contract and the employment and use of labor will accompany the proposals for the work. Full operation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as follows: Skilled labor \$1.50 per hour. Intermediate labor \$1.00 per hour; unskilled labor \$0.90 per hour. Other rates as listed in the proposal.

A certified check in the sum of \$28,000.00, made payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. The checks of the three lowest bidders will be held and will be returned as soon as the contract has been executed. The checks of all except the three lowest bidders will be returned promptly.

The right is reserved to reject any or all proposals. CHARLES M. ZIEGLER, State Highway Commissioner. Oct. 8, 1943

MR. MERCHANT: Please. As a wartime measure to save coal, transportation, manpower, and critical materials, the War Production Board has requested a nationwide conservation of electricity in these categories: LIGHTED SIGNS, SHOW WINDOWS, DECORATIVE AND ORNAMENTAL LIGHTING, SHOWCASES, BUILDING ENTRANCES, INTERIOR ILLUMINATION, AIR CONDITIONING. This program is voluntary. But its importance cannot be emphasized too strongly. Thousands of tons of coal each day are required to manufacture electricity, and when you save electricity you save coal and other war materials. Desired savings in light and power can be obtained by turning off lights and equipment which are not necessary. In our Company there is no shortage of generating plant or distribution facilities. But saving electricity today is a patriotic obligation. This nationwide voluntary program includes ALL public utilities—gas, telephone, water, transportation—as well as electricity. Your help and the help of all our customers will make the Government's conservation program a success. The Detroit Edison Company. "Hi, Mom it's Joe!". The call home means a lot to a man in the service. Most of the time he's too busy to get near a telephone, but between 7 and 10 in the evening he sometimes has a chance to make a call. You can imagine what a disappointment it is for him if he finds all the long distance lines are busy. By avoiding the use of long distance during those hours—7 to 10 P. M.—you're giving soldiers and sailors a break they surely deserve. And if you have a man of your own in the service, remember it's better to let him do the calling. If you place the call, it may be difficult to locate him. MICHIGAN BELL TELEPHONE COMPANY. Seek the Answer with War Goals!

ARE WE SENDING GAS TO JAPAN?

The following editorial appeared in a recent issue of The Christian Century, one of the widest circulated religious publications in the country:

"Ordinarily, we disregard rumors concerning the war which are no more than rumors. But when a rumor is published in an administration organ, over the signature of a journalist who is known to be close to high figures in the government, it acquires more standing than mere gossip. For that reason we believe that an article which appeared on the 'feature page' of the Chicago Sun on September 17 reported more than passing attention. The Sun is the morning paper founded in Chicago about two years ago to support the administration.

This article, (by the Washington bureau), carried the name of Bascom N. Timmons, a journalist who is on terms of closest intimacy with Speaker Rayburn. Jesse Jones and other southern party leaders. It reported a (rumor) that the United States "is getting rubber regularly from Japan" in return for American gasoline to keep Japan's planes flying.

According to this rumor, ships built in America are manned with Russian crews and started across the Pacific for Russia, loaded with lend-lease goods, mostly gasoline. Japanese pilots guide these ships through Japan's mine fields, for Japan is not at war with Russia. Japan takes off as much gasoline as it wants and fills the emptied cargo space with rubber. The rubber goes on to Russia and thence, in part, finds its way to Russia's ally, the United States.

"Here, it would certainly seem, is something which should be made the subject of congressional inquiry. It was bad enough to furnish Japan with aviation gasoline before the war, but to go on doing so now, thus making it possible for Japanese planes to shoot down American flyers, would be too horrible to contemplate. If the rumor isn't true, then official denial should put a quick end to its circulation."

OUR GOOD FARMERS BETTER WAKE UP

Last Monday morning it became necessary for housewives to surrender 16 rationing points for just one pound of butter. That cuts the use of butter in the average home to just a few ounces per week. But what about oleomargarine? It takes only four points to get a pound of this uncolored, "manufactured" butter.

We are wondering if a country editor has the right to ask WHY this favoritism on the part of New Dealers to such a powerful group as the makers of imitation butter? We would like to ask, too, if this isn't a part of a scheme to punish the farmers of America for their hostility to all that is going on in Washington?

Our suggestion is that the farmers had better wake up, or the differential in favor of the "olie" makers will put an end to the dairy farming business and we'll all be eating "olie," whether we like it or not.

DID HE WANT HER TO STAY?

Editor William Berkey in The Cassopolis Vigilant says he has noted much criticism of the use of large amounts of badly needed gasoline to take Mrs. Roosevelt to Australia. "Personally we do not criticize the use of gasoline to take her there" comments Editor Berkey. He fails to mention any mention of his ideas pertaining to the return trip.

25 Years Ago

News items of a quarter of a century ago taken from the files of The Plymouth Mail.

That the cry of the cold and starving people of Belgium is reaching Plymouth and vicinity, is attested by the quantity and quality of clothing being sent to the Belgium Relief room in charge of the Plymouth Branch of the American Red Cross in the Tighe building on Penniman avenue.

The big Fourth Liberty Loan drive opened in Plymouth last Saturday morning, which was the first of three days that had been designated as volunteer days of the campaign. The weather was ideal in every respect, and the early afternoon saw a large crowd of people upon the streets. Everybody seemed anxious to volunteer their subscriptions and get one of the volunteer buttons.

The pupils of the intermediate department of our public schools will hold an exhibition of the fruits and vegetables raised in their war gardens Friday afternoon in the auditorium. A short program will be given at 2:30 p. m.

It is the opinion of the representative citizens who picked out

the attractions for the Citizens' Entertainment course this winter that no better entertainments have ever been booked in Plymouth. The general patronage of the course last year has made it possible to buy a more expensive series of attractions for this season, including more popular musical numbers.

Fifty young people enjoyed the evening's fun provided by the "Draft" social given by the Epworth League at the Methodist church last Friday evening.

Owing to the scarcity of paper, the merchants are now obliged to sign paper slips, the same as the public does for sugar.

The ladies of the Waterford workrooms of the Plymouth Branch of the American Red Cross have completed the following articles for the month of September: 20 comfort kits and housewives, 16 men's short underdrawers, 20 pairs socks, 3 sweaters, and 2 helmets.

From "Somewhere in France" there came a letter to Mr. and Mrs. William A. Blunk from their son Irving, who was then soldiering in France. "We were issued tobacco tonight, three packages of Bull Durham pipe, of course we can't buy ice cream and candy, but things are very reasonable here when we get a chance to buy them. I can see where the money I have in Liberty bonds is doing a lot of good.

BONDS OVER AMERICA

Deep within San Francisco's Chinatown lies St. Mary's Park, a mere speck on the city map, but it is here that a new landmark greets the eye of the visitor. It is an heroic statue of Dr. Sun-Yat-Sen, first president of China.

Years ago the French erected a statue to Dr. Benjamin Franklin, economist, scientist, humanitarian. One of the first acts of the Nazi conquerors of France was to remove this memorial to this American statesman.

I suppose you have had your Fourth Liberty bond drive there by this time. If you can see all the good your bond money is doing over here you would think we have had a dozen Liberty loan drives," said Irving in his letter from "Over There."

There were about fifty present at Free Church last Friday evening at the patriotic rally held to celebrate the launching of the Fourth Liberty Loan. It was during this same week 25 years ago when the fourth big Liberty loan drive was being made in Plymouth. The largest bond advertisement appearing in The Mail was a half page ad paid for by Plymouth Rock Masonic lodge.

George White has taken the contract of wrecking the T. P. Sherman and the Shafer Pettin-gill stores, which recently collapsed. He has had a force of men working there for the past week.

F. D. Schrader is making some extensive changes and improvements in the house formerly occupied by Dr. A. E. Patterson on Main street. When completed, the building will be occupied by the Schrader Bros. with the undertaking department of their business. The building will include a morgue, salesroom, and chapel, besides living rooms for an assistant. It will make a big improvement on Main street.

Babson Says - - Postwar Interest Will Be Higher

New York City, Oct. 8.—From the December, 1941, low in 19 cities of 2.40% as the average rate for top-notch commercial loans to bank customers, interest rates have been gradually creeping upward. In August, 1942, the average bank rate was 2.48%. By June of this year, rates were up to 2.76%. Currently the bank rate for commercial loans is averaging 3%. Rates for prime commercial paper now average 3 1/4%. These are up over the average for 1942 but unchanged from the average for 1942. I believe that after the war all interest rates will be higher.

Up to the time of the New Deal, economists considered the actual hard-earned savings of individuals as the primary source of capital. In the past, out of such accumulations were financed our railroads, public utilities and other great enterprises. The rate of interest depended upon the amount of such capital available at any given time and the faith of the owners thereof that it would promptly be paid back when due with money of equal value. In other words, upon the old law of supply and demand, we depended for interest rates.

Now under our "managed currency" system the picture temporarily is changed.

Because of the large current supply of money, rates for commercial bank loans, for commercial paper and the yields on short-term, high-grade bonds are absurdly low. Dollars are being multiplied very rapidly through the expansion of bank credits. But the rapid rise in the quantity of dollars has been at the expense of their intrinsic value. If the Federal Reserve Authorities should change their policy and tighten the supply of money, we could have sharply rising interest rates. This may become necessary in order to attract investors' funds to government bonds and notes in any really substantial amount.

Economic principles cannot always be depended upon to hold water consistently. Their course can be diverted to some extent by wars, legislation and perhaps by human nature. The old "quantity" theory of money is that increasing the amount of gold or silver money always causes higher commodity prices and/or lower interest rates. The new conception of the "quantity" theory of money is as follows: Any increase in its quantity, however derived, will lower rates; also that all forms of new bank credits, although perhaps basically dangerous, can be a real source of capital. In other words, these quantitative professors believe that the money market may be manipulated so it is no longer necessary to wait for individuals to accumulate or save capital.

Both the old and amended money theories assume that the faith of the lenders will remain 100% and constant. Loss of faith by the lenders will offset the effects of more available money and credit. If lenders come to believe that the money which they are to get five or ten years hence in payment of their loans will be poorer money and will have less purchasing power, then these lenders will demand a higher rate to compensate for this risk. Fearing this "loss of faith" factor is the reason why I expect higher interest rates after the government takes off its control which some day it must do.

All of us have some capital. It may be represented by the clothes we wear or the stocks, bonds and real estate which we own. Capital is primarily derived from work or production.

VICTORY'S SONS

Sgt. HARRY H. TULLY

OVER the side of a transport cumbered Platoon Sergeant Harry Tully, 60-foot Nebraska, leading the marines into a landing boat. Gavru, mile-long island fortress in the Solomon, was the objective.

A beachhead was established under withering machine gun fire. Marines were dropping all around Tully. His commanding officer was badly wounded. But they pressed on up the hill. Dead-shot Tully picked off Jap after Jap. Under murderous fire he worked forward to new positions. Dust, settling down in the tropics, marked a glorious night—the Stars and Stripes floating over the top of the hill.

Under cover of night Japs tried to slip in from other sides. Some swam in, pushing logs ahead of them. Of those Tully's deadly rifle took its toll. One Jap landed very near—behind a log. The Jap never budged for 10 minutes. Tully did Tully. Then the Jap retreated. At that precise moment he had his illustrious ancestor.

Sgt. Tully was the first enlisted marine to be mentioned in the marines' official dispatches from the Solomons.
