

Final Rites For Rev. Walter Nichol Held

Presbyterian Pastor Dies After Many Months Of Illness

From the portals of the stately, beautiful church edifice that will stand through future years as a memorial to his tireless and inspiring efforts, the remains of Rev. Walter Nichol were carried to their final resting place Monday afternoon by sorrowing members of his congregation.

Side by side with them and the other hundreds of members of his congregation, the good minister had labored through distressing years of misfortune to rebuild the Presbyterian house of worship that had been destroyed by flames.

But his years of service to mankind from its new and beautiful sanctuary, were exceedingly brief ones. In a few short months after the construction obligation had been paid in full and the church debt had been wiped out, he became ill.

For months after he was stricken he strove to carry on his ministerial activities, against the wishes of his family, but early this year attending physicians ordered him to give up all work. Death came to relieve his sufferings at the Nichol home, 985 Church street, last Friday evening.

Tributes came from men of God, who serve humanity in other church pulpits, at the final rites Monday afternoon, which reflected the esteem the entire city of Plymouth and the Presbyterians had for Rev. Walter Nichol.

Rev. T. Leonard Sanders of the First Methodist church, expressed well the sentiments of the community.

From Wyandotte came Rev. Warren Hall, for more than a quarter of a century a close friend and associate of Rev. Nichol, to tell of the high regard in which the Presbyterian denomination had always held him.

Rev. Henry J. Walsh, successor to Rev. Nichol, conducted the services in the spirit that typified the life of his predecessor.

The passing of Rev. Nichol was not the only sorrow that came to the family last week. A younger brother, David, a resident of Priceville, Ontario, died at his home on the day following the death of Rev. Nichol. He, too, had been ill many months.

It was nearly 17 years ago when Rev. Nichol and his family moved to Plymouth from Ecorse, where he had been pastor of the Presbyterian church of that place. These years were happy ones, because they were years of outstanding accomplishments.

No other pastor during the long history of Plymouth ever served any church of the community over such a long period of years. And never once during this time did Rev. Nichol ever fail to occupy the pulpit of his church on a Sunday until forced to retire during the past year by illness.

To him there were no denominational boundary lines. He regarded it his duty to serve all, believer or unbeliever, Protestant or Catholic, it made no difference to him what a man professed. If he could do good or bring comfort to the distressed, he was pleased.

It was on February 18, 1926, when he was officially installed as minister of Plymouth's Presbyterian church, founded in this city more than a century ago.

Rev. Nichol was born in Grey county, Ontario, December 1, 1875, the son of John and Christina McNichol. He received his master's degree from the University of Toronto, where he was awarded a traveling scholarship. Later he studied at the Universities of Marburg and Berlin and was ordained to the ministry October 29, 1907. His first pastorates were at St. Mary's and Dundas, Ontario. He accepted a call to the Ecorse church in February, 1926.

He was a member of the Plymouth Rotary club and active in civic and community affairs. In 1911 he married Anna M. Cummins of Conneaut, Ohio.

Mrs. Nichol and five children survive. David M. Nichol, the only son, is the well known newspaper correspondent of the Chicago Daily News at Moscow, Russia.

City To Vote On Gas Franchise December 13

Present Agreement Has Expired—New One Necessary

A special election for the people of the city to vote on the new gas franchise will be held December 13, it was decided at the meeting of the City Commission last Monday night.

The date of the election was set following the passage of the franchise by the City Commission at third reading.

One article in the new franchise specifies that it will not become operative until it has been approved by three-fifths of the voters voting on the franchise itself.

The Consumer's Power Company, which receives the rights through the franchise to deliver gas in the city of Plymouth, posted \$500 with the city to pay for the costs of the election.

Without the special election, which must be paid for by the company, the franchise would not appear on the ballots until the next regularly scheduled election.

The franchise will take effect thirty days after its passage by the voters.

Registration of voters for the election will be open until Nov. 23, for all persons who are not now qualified electors.

Any registered voter may participate in the election.

Under the terms of the franchise, the Consumer's Power Company is granted the right to pave the streets and alleys in Plymouth for its gas mains for a period of thirty years.

The franchise is not necessarily exclusive, and provides for readjustment of rates at the request of either the company or the city.

Hundreds Honor School Leaders

25 Years Of Service Recognized

Hundreds of persons attended the reception Tuesday night at the High School and many for three teachers in the public schools, who have given 25 years of faithful service to the community.

They were Superintendent George A. Smith, Principal Mrs. Nellie Bird of the Central Grade School and Miss Edna Allen, assistant principal of the high school, and head of the English department.

Silver trays were presented to the three by the faculty, which sponsored the reception.

Cake, coffee and tea were served to the guests throughout the evening who wished the three teachers continued good fortune.

Charles Blair and George Martin haven't any fears of the future, that's one thing, sure. They are so confident that every thing is going to be O.K. in every way that they have gone into business. These well known citizens have opened up a poultry market at the corner of East Ann Arbor Trail and Stark road. It is their plan to expand the market as rapidly as possible.

Miss Barbara Kanke celebrated her eighth birthday Tuesday by inviting 15 of her classmates and friends to her home on Ann Arbor road for games and refreshments.

Plymouth Plans Thanksgiving Union Services

Churches Unite In Observance Of Historic Holiday

Thanksgiving will be generally observed in Plymouth next Thursday. Banks, stores and some factories will be closed down for the day.

Plymouth Methodists, Episcopalians, Baptists and Presbyterians will unite for a union Thanksgiving Day service.

It will be a different Thanksgiving than have been those of the past. Almost every home of the community will have one or more empty chairs—and thoughts of those at home will be of the boys and young women in the armed services of the nation far away.

Because of the solemnity of the day it is expected that the union services beginning at 9:30 o'clock in the morning at the Presbyterian church will be one of the largest attended in years.

Pastors of all four churches will take part in the service, with the Reverend Francis Tetu reading the psalter and leading the prayer of Thanksgiving, the Reverend George Rothery reading the Scripture of the day, and the President's Proclamation, the Reverend T. Leonard Sanders preaching the sermon, and the Reverend Henry J. Walsh presiding. The sermon will be on the theme, "The Grace of Gratitude."

The choir of the First Presbyterian church will sing Maunders' anthem, "Song of Thanksgiving," under the direction of Mrs. Mac Blankenhagen. All people of the community, of all denominations or creeds are welcome to this service.

An offering will be taken. All of the money collected will be given to the Red Cross and the Plymouth Canteen fund.

Selects Cast For First Play

Little Theater Group Begins Work

Mrs. Edward Devine, director of the community play, "Sing Nowell," which will be presented at the high school auditorium by the newly formed Civic Choral society and Little Theater group, announced this week the cast.

Mrs. Devine will direct the play itself, and Robert Lascomb will direct the musical portions.

The cast is as follows: Scrooge, Joseph Witwer; Fred, his nephew, Olivia Williams; Master of the Revels, Earl Markham; Sir Geoffrey, A. Lincoln Lantz; Lady Elmore, Mrs. William Morgan; Sir Harry, O. M. Valiquette; Kate, Jo Armbruster; Lady Rose, Mrs. Harold Kussel; Sir Percival, Floyd Fleming; Marge, Phyllis Nichols; Nan, Joanne Walsh; Betty, Melissa Roe; Mig, Bessie Sallow; Biddy, Irene Truesdell; Lady Clara, Mrs. Frank Dicks; Dr. D. Elizabeth Neal; Will, the Smith, William C. Smith; Lady Maude, Mrs. Dean Saxton; Child in picture, Norma Froh; Artist from Italy, Mrs. John Birchall.

The singing groups include the numbers, the poor, the Yule log, baggers and dancing groups will be provided by the high school gymnasium classes.

The choral society members who will participate in the play, will be announced later.

Mrs. Devine said that she is badly in need of a make-up crew, electricians, scenarists and costume makers for the show, which will be the first presented by the combined societies.

Anyone wishing to participate in the combined groups, should get in touch with Mrs. Devine, or if interested in the singing groups with Mrs. M. J. O'Conner.

Goodfellows Day December 18

Seek Funds For The Unfortunate

The Plymouth Goodfellows have announced that their annual sale of the Plymouth Mail will be held on Saturday, December 18 from ten in the morning until four in the afternoon.

Although it is hoped that the demand for the Goodfellows this year will be less than ever before, they are going ahead with the sale in order to provide a fund against future years.

At the same time, it was pointed out that although the Goodfellows operate principally at Christmas time, they also operate the year round, providing relief for needy families whenever the occasion arises.

All of the surplus of the Goodfellows is being placed in war bonds against that future rainy day.

Early Copy—Please!

In view of the fact that next week Thursday, publication day of The Plymouth Mail, is Thanksgiving Day and a day of rest for Plymouth's efficient postal force, it is necessary for The Plymouth Mail to be printed on Tuesday for circulation on Wednesday instead of Friday. This will necessitate early copy from our advertisers and our readers. Kindly send your news items to The Mail office not later than Monday, if possible. It will help greatly if you can get some of your copy to The Mail office Saturday of this week. Thanks in advance for your cooperation.

Pastor Finds Way To Keep Boys Busy In Useful And Profitable Activity

St. Paul's Boys Club Now Reaping Benefit Of An Active Summer

All it takes is an idea. The Rev. Edgar Hoenecke, pastor of St. Paul's Evangelical Lutheran church had the idea last spring, and here is what happened.

What, thought Mr. Hoenecke, will keep our boys busy? What will occupy their spare time that is useful, fun and productive? The answer: Gardening, but not just ordinary gardening. This must be something which will attract the boys. This must be something for which there is a goal. Potatoes, for instance.

So, Rev. Hoenecke called his boy's club together. How, he asked, would they like to raise spuds during the summer, the boy's club to get the money which would come from growing potatoes?

The boys would, Robert Bartel, as president of the club, was the supervisor of the entire project. The boys rented a piece of ground, about an acre in extent,

just behind the church. It wasn't the best land in the world. But it was good earth, and it would raise potatoes.

They purchased their seed, fertilizer and bug eradicator. They plowed the plot themselves, narrowed it and planted it. Then, on lazy summer evenings, when other boys might or might not be doing things better left undone, the St. Paul's Boy's club went out with hoes.

They had their fun. There were times when convenient clouds found their mark. There was bantering and even chasing. And there was fun in the work. But in the end, the boys harvested more than fifty bushels of potatoes, which at \$2 a bushel added funds to the club treasury.

The boys have already ordered some sweaters, for which they will pay half, and the potatoes will pay half. They intend to see a hockey game this winter. But most important, they reached their goal—they raised spuds.

Eight Leave For Army On Nov. 27

Ten Others Join Navy And Marines

Saturday morning, November 27, eight more young men from the Plymouth induction district will leave this city for Fort Sheridan, Illinois, where they will enter Uncle Sam's army.

This is the smallest number inducted into military services in many months.

Ten others have joined up with the navy and the marines. The complete list follows:

Eastern Star Plans 50th Anniversary Installation

The fiftieth installation of officers of Plymouth Chapter No. 115, Order of Eastern Star, will be held Tuesday evening, November 23 at eight o'clock in the Masonic Temple.

Worthy Grand Matron Viola I. Gram of Lansing will be the installing officer. The ceremony is public and friends and relatives of members, retiring officers and officers elect, will be welcome to attend.

Following are the officers elected for the coming year: Worthy Matron, Alice Rathbun; Worthy Patron, Harry Brown; Associate Matron, Julia Innis; Associate Patron, William Michaels; Secretary, Clara Taylor; Treasurer, Carol Birch; Conductress, Myrtle Brown; Associate Conductress, Kathleen Michol; Marshall, Clara Mumby; Chaplain, Clara Todd; Organist, Lillian Hartmann; Adah, Martha Davis; Ruth, Mildred Smith; Esther, Mary Kershaw; Martha, Harriett Spring; Electa, Minnie Ray; Warder, Barbara Karnatz; Sentinel, Maurice Evans; Color Bearers, Alma Freeland, Mena Williams, Aldea Riley, Solesis, Alta Woodworth and Lillian Birchall.

The regular meeting of the Daughters of the American Revolution, which was postponed last Monday because of the funeral of Rev. Nichol, will be held next Monday at the home of Mrs. Harold Stevens.

Rosedale Church Seeks \$30,000 Building Fund

Presbyterians Plan To Get Cash Before Starting Structure

A two weeks campaign to raise a \$30,000 building fund for the Rosedale Gardens Presbyterian church, will be inaugurated at a meeting of the workers Friday evening at the church. Dinner will be served to the workers.

The campaign is under the chairmanship of Harry Burton, who already has selected his block workers. Verne Steele was elected treasurer of the building fund.

Rev. John B. Forsyth, pastor of the church, also is taking an active part in the campaign.

He pointed out that the church building now being used is inadequate to provide for the needs of the community. The church is the only Protestant church within a radius of two miles, and serves all denominations.

The plan is to obtain pledges for the \$30,000 edifice, which would be paid off over a period of three years, with construction to start after the war, and materials become available.

No plans have been made for a church structure, Mr. Burton said that after the war is over and the materials become available, that the church will elect a committee which will work with a competent architect to build the church. It has not been decided whether the present building will be torn down, or whether it will be used as an auxiliary structure.

It is planned to buy series R and G war bonds with the money raised as rapidly as it is paid into the treasury.

Mr. Forsyth pointed out that the church now lacks many required facilities. For instance, he said, three church school groups now meet in the Rosedale Gardens community club house on Sunday mornings. Many persons who attend the church have pointed out that it just doesn't seem they are in a church. The dining facilities are far inadequate, and the church leaders feel that an auditorium with a stage for programs and plays are a necessity. There also is a great need for a parlor for women's activities, and a choir robing room, as well as adequate offices for the pastor and choir director.

It is pointed out by the leaders of the campaign that the church almost from its inception has operated free of debt, and it is the desire of the present leaders to continue that program.

Thus, they feel that the money for the new edifice should be raised, and the cash should be available, when it comes time to erect the new building.

Thief Caught Trying To Sell Plunder He Stole From Garage

Through the alertness of Melvin Viekstrom, one of the attendants at the gas station of Roy Crites, corner of Main and Frick avenues, Plymouth, police last week were able to nab Robert Jones, on a charge of larceny. Jones had stolen numerous articles belonging to Oran Rude-sill, employed at the Allison garage.

A few hours later he attempted to sell his stolen plunder to young Viekstrom. The gas station attendant became suspicious, called the police, who found Jones in a beer garden. He confessed the thefts and is now serving 30 days in the Detroit House of Correction while Chief Thumme checks his record back in Texas where he came from.

Jane Dodge Becomes Bride Of Sergeant John J. Canning, Jr.

Mr. and Mrs. Stewart Dodge, Blunk avenue, announce the marriage of their daughter, Jane, to Sergeant John J. Canning, Jr., son of John Canning of Detroit. The ceremony was performed Friday evening, November 12, at 6:30. Mr. and Mrs. Cecil Owens, West Ann Arbor Trail, attended the young couple. Sergeant Canning is with the U. S. Army stationed at Panama City, Florida.

Annual Christmas Sing Festival On Wednesday, December 8

The annual Christmas sing of the music department of Plymouth high school will be held this year on December 8, it was announced this week by Clarence Luchtman, supervisor of music, who will conduct the concert.

The Christmas sing is an annual event in the high school, and attracts a large number of people.

Canton Township Raises \$900

When residents of Canton township decide to accomplish a purpose, they generally do it. Called upon for the first time to act as a unit in the recent war chest drive, the committee went to work with a determination that produced results. While the goal of \$1,000 was not quite reached, the residents of this strictly rural section raised over \$900 in cash. A card party benefit under the direction of Mrs. Irving Tiltonson of Lilley road, assisted by Mrs. Perry Hix and Mrs. Delbert King, raised a substantial amount. The committee wishes to thank all of the workers who gave their time and all others who so generously contributed.

Plymouth Mom's Club Plans Benefit

The Plymouth Mom's Club is sponsoring a card party Friday night, November 19, at 8 o'clock. The party will be held at the Jewell & Blach Hall instead of in the new service men's center above the Taylor & Blyton curtain shop, as repairs have not yet been completed.

The Saturday Night Dinner Bridge club held their first gathering of the season at the home of Mr. and Mrs. Gustav Lundquist on Auburn street. Dinner was enjoyed by the following couples: Mr. and Mrs. A. K. Brocklehurst, Mr. and Mrs. Wm. Downing, Mr. and Mrs. Frank Terry, Mr. and Mrs. Knut Anderson, Mr. and Mrs. M. McCormick of Northville and the host and hostess.

Plymouth Tops County In War Chest Drive

Final Total To Exceed \$8,000 Even Navy Lieut. Wires Contribution To Help Swell Fund

Plymouth went over the top in the drive for funds for the National War Chest, and according to reports from county headquarters, it is the only town, village or township outside of Detroit that equaled or exceeded its quota.

Under the direction of Mrs. Catherine Henderson, the entire city gave generously of its time and efforts to amass a grand total of something over \$8,000, about \$7,000 of it in cash.

The great bulk of the total was contributed by local people, who dug into their pockets for small amounts, ranging from \$1 to \$20 and \$25.

The Ex-Service Men's Club raised \$223.26 at their party, for which the Ex-Service women baked cakes and doughnuts which were auctioned off.

The Neighborhood war clubs collected a total of \$3,156.82, of which \$2,550.71 was contributed inside the city and the remainder in the township. Twenty-six women worked on the project, collecting anywhere from \$26 to \$658 each.

The Minute Women, an organization which canvassed the business district, turned in a total of \$875.

And Lt. Warren Worth of the navy, a former city commissioner, read in the Plymouth Mail that the city was faltering in its campaign, and wired a check for \$25.

The Girl Scouts of Mrs. Margaret Hough's troop collected \$80.06 in a Saturday tag day.

In addition to the cash and pledges received from local sources, Mrs. Henderson also received a small amount of money as contributions from the out of town industries, including the utilities and some of the factories, which have offices in Detroit. The local industries, also were contributors.

Mrs. Henderson expressed her thanks for the generous contribution in time and effort put into the drive by all who participated in it.

"I know," she said, "that it would have been impossible for us to reach and surpass our goal of \$7,000 if the people of Plymouth had not responded, not only with cash, but in their efforts to raise that cash."

Several Cases Of Scarlet Fever

No Epidemic, But Warning Is Issued

City Health Officer Luther Peck said this week that there are nine cases of scarlet fever in the city, but that there is no reason whatever to fear that an epidemic has set in.

Dr. Peck warned, however, that all persons who are quarantined, must stay in the house, except the wage earner, who is permitted to come and go.

One example of where the quarantining was not obeyed was called to his attention, he said, and it was necessary to explain that no person held in quarantine can leave the house, except the wage earner. This includes any other employed persons in the house.

Senior Prom On December 3

Robert Deyo Named General Chairman

The annual Senior Prom of Plymouth high school will be held on the evening of December 3, it was announced this week by Robert Deyo, the general chairman.

The dance will be semi-formal, and will be open to the public through invitations by members of the Senior class. Invitations may be obtained from any of the seniors.

Music for the evening will be provided by Wally Stall's orchestra from Detroit. The theme of the decorations will be "Toyland."

Members of the Women's National Farm and Garden Club met Tuesday evening at the Mayflower Hotel to make plans and name committees for the benefit bridge. The affair will be held at the Episcopal church Monday evening, December 13.

Lieutenant John Winthrop Powell, 21, of Fargo, N. D., was killed last Thursday afternoon when his fast pursuit plane crashed about 100 yards west of Ray Mettetal's greenhouse, south of Plymouth.

Metttetal was working outside the greenhouse when the crash occurred, and watched the plane fall.

Lt. Powell has been attached to the air service command of the Army base on Middlebelt road since July 25, 1943, as a test pilot. He was returning to the base from a routine flight when the crash occurred.

Mr. Metttetal said the plane went into a flat spin when it reached a point just west of his greenhouse. Experienced air pilots say it is almost impossible to get any place out of a flat spin. The pilot apparently knew this, for one of the doors of his plane was found several miles away. He apparently had attempted to get out. His safety belt was unfastened, indicating that he had tried to get out of the plane, but had been held by force of gravity to his seat.

He was thrown clear of the plane when it crashed.

Mr. Metttetal called the Army air base immediately after the crash, and a military guard was placed around the crashed plane. No one was allowed near it.

The pilot had cut the switches before the crash and there was no fire, and the plane was not badly damaged, and can be repaired.

A flat spin is caused by a loss of power. The army gave no details on what may have happened to Lt. Powell's plane, but it could have been that he ran out of gasoline, or that there was some difficulty with the engine itself.

The army pointed out that the fast pursuit ships are more likely to get into flat spins after a loss of power than the smaller or larger commercial planes.

LaVerne Donaldson Becomes Bride Of Hal A. Hooker

Miss LaVerne Donaldson, daughter of Mr. and Mrs. J. B. Donaldson of Pacific avenue and Hal A. Hooker of Seattle, Washington, were united in marriage Saturday, November 13th. The ceremony was performed in the home of the bride's parents at seven-thirty in the evening with Rev. Clifford Carlos Funk, pastor of the Church of God officiating. During the ceremony, Miss Wilma Whitney of Anderson, Indiana, sang "Because."

The bride wore a white satin dress and a finger tip veil. She carried an orchid on a white Bible veil, white satin streamers attached.

Mrs. Robert English, sister of the bride, was matron of honor wearing a pink satin and chiffon dress and a corsage of gardenias. Robert English assisted the bridegroom as best man.

For her daughter's wedding, Mrs. Donaldson wore a moss green dress and a corsage of white chrysanthemums.

The young couple expect to make their home in Seattle, Washington.

## Obituaries

**Donald Proctor**  
Donald Proctor, age 30 years, a former resident of Plymouth, passed away in Mt. Carmel Hospital, Detroit, November 10. Deceased was born September 10, 1913 in Redford township. He was a graduate of Plymouth High School, class of 1932, and will be remembered by many of his classmates. During his residence in Plymouth, he was employed in the Atlantic and Pacific food store and the Kroger Grocery. His recent home was at 11670 Abington, Detroit, and he was employed by the Farm Crest bakery. Surviving are his wife Winifred Seeley Proctor, two sons, Dennis and Edward; his mother, Mrs. Elva Proctor; two brothers, Floyd and Roy; four sisters, Mrs. Frank Bock, Mrs. Byron Pace, Mrs. Ward Riley, and Shirley. He will be sadly missed by his many relatives and friends.

**Don Horton Brown**  
Funeral services were held Friday, November 12 at 2 p. m. at the Schrader Funeral Home, Plymouth, for Don Horton Brown, who resided at 9350 Brookville road, Salem township, and who passed away Wednesday evening, November 10 at the age of fifty-seven years. Mr. Brown is survived by his widow, Mrs. Helen J. Brown, Rev. Cora Pennell of Salem officiated. The active pallbearers were Messrs. A. B. Van Aken, Kenneth Rich, Al White, Arthur Lyke, Paul Baumgartner and Glen Whittaker. Interment was made in Lapham's Cemetery, Salem.

**Otto Wagenshutz**  
Otto Wagenshutz was born February 8, 1872, the oldest son of Karl and Minnie Wagenshutz. His early life was spent in the vicinity of Farmington, the family moving to Plymouth when he was a young man where he resided until five years ago. He then moved to Williamston to make his home where he resided at 324 E. Church street. He passed away at an early hour Monday morning, November 15th after a long illness. Mr. Wagenshutz is survived by his widow, Mrs. Augusta Wagenshutz and daughter, Mrs. June Rutian, two grandsons, Duane and Gary, all of Williamston, one brother and four sisters, Mrs. Amelia Ford of Northville, Mrs. Arthur Marsh of Ann Arbor, Mrs. Melburn Partridge of Tecumseh, Mrs. Luella Partridge and Frank Wagenshutz, both of Plymouth, one brother, Charles having preceded him in death, and a host of other relatives and friends. Funeral services were held Wednesday, November 17 at the Schrader Funeral Home, Plymouth, at 2 p. m. Rev. T. Leonard Sanders officiating. Two beautiful hymns were rendered by Mrs. J. T. Chapman, accompanied at the organ by Mrs. M. J. O'Conner. The active pallbearers were nephews of Mr. Wagenshutz, Marvin, Lynn and Owen Partridge, Harvey, Carl and Laverne Wagenshutz. Interment was made in Riverside Mausoleum.

**Charles H. Burch**  
Funeral services will be held Saturday, November 20th at 2 p. m. at the Schrader Funeral Home for Charles H. Burch, who resided at 768 Fairground avenue and who passed away Wednesday evening, November 17 at the age of eighty-four years. He was the husband of the late Grace V. Burch who preceded him in death on June 17, 1943. Mr. Burch is survived by his sister, Mrs. Frank Durham who resides at 151 Amelia street, Plymouth, also nieces and nephews. Rev. T. Leonard Sanders, officiating. Two beautiful hymns will be rendered by Mrs. J. T. Chapman, accompanied at the organ by Mrs. M. J. O'Conner. Interment will be made in Riverside cemetery.

Scaled proposals will be received from registered contractors in Room 426, 4th Floor, State Building, Lansing, Michigan, until noon A. M. on central standard time, Wednesday, December 1, 1943, for the construction of this project located in the City of Dearborn, Wayne County, Michigan.

The proposals will then be publicly opened and read. Proposals may be mailed to Room 426, State Office Building, Lansing, Michigan. Net classification required for this project is 27 F.

The work will consist of constructing a reinforced concrete grade separation structure, grading and paving on Miller Road, and incidental work.

Plans, specifications and proposal blanks may be examined at the district office of the Michigan State Highway Department, Plymouth, Michigan, and at the Metropolitan Office, Detroit, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but will be furnished only from the office of the Contract Engineer, Room 424, State Highway Department, Lansing, Michigan. Plans and proposals may be secured up to 4:00 P. M. (S.W.T.) of the day preceding the formal opening of bids. A charge of three dollars, which will not be returned, will be made for plans and/or proposals furnished for each project.

Special provisions governing subcontracting or assigning the contract and the employment and use of labor will accompany the proposals for the work. Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as follows: Skilled labor \$1.50 per hour, intermediate labor \$1.00 per hour, unskilled labor \$0.90 per hour. Other rates as listed in the proposal.

A certified check in the sum of \$13,500.00, made payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. The checks of the three lowest bidders will be held and will be returned as soon as the contract has been executed. The checks of all except the three lowest bidders will be returned promptly.

The right is reserved to reject any or all proposals.

**CHARLES M. ZIEGLER,**  
State Highway Commissioner.

Every great and commanding movement in the annals of the world is the triumph of enthusiasm.—Emerson.

## Science Church Plans Thanksgiving Services On Nov. 25

As is customary in all Christian Science churches, a special Thanksgiving service will be held on Thanksgiving Day in the church edifice, corner Main and Dodge streets, Plymouth at 10:30 a. m.

Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

The Golden Text from Psalms (116:12, 17), will be very appropriate for the occasion and reads: "What shall I render unto the Lord for all his benefits toward me? . . . I will offer to thee the sacrifice of thanksgiving, and will call upon the name of the Lord."

Among the citations from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, will be the following: "The rich in spirit help the poor in one grand brotherhood, all having the same Principle, or Father; and blessed is that man who sees his brother's need and supplicateth it, making his own in another's good" (p. 518).

The cause of Freedom is the cause of God.—Bowles.

## Amy Blackmore, WAC, Home On Furlough From Texas Air Field

Up at six a. m. for a session of calisthenics and Pfc. Amy Blackmore's busy day has begun. Amy, who is the daughter of Mr. and Mrs. J. W. Blackmore of Canton Center road, is a member of the WAC and is stationed at Lubbock Army Air Field, Texas, with the air corps.

Pfc. Amy has a full schedule during the day—she works in the offices at the field, showing training films to the cadets, helping the supply sergeant, and editing the war news. She is definite proof that a woman can be discreet for during the day.

many a military secret comes her way.

As yet, Amy hasn't experienced any of those terrific dust storms for which Texas is famous and she likes the weather there. She's been enjoying a 15 day furlough, but is anxious to get back to her duties which are bringing victory so much nearer.

If the true spark of religious and civil liberty be kindled, it will burn. Human agency cannot extinguish it.—Daniel Webster.

You traverse the world in search of happiness, which is within the reach of every man; a contented mind confers it all.—Horace.

There will be a cheery group around the Thanksgiving table, as usual, this year—even though your own boy or girl may be far away in the service of your country for those very principles symbolized by this great national holiday. Our successes on the various battle fronts across the seas give us an incentive to be grateful on this Thanksgiving Day and may we offer our sincere prayers that this will be the last Thanksgiving Day to be darkened by war clouds. There is a possibility that your feast may not be as elaborate as in peace-time days, but there will be plenty of good things still to be thankful for.

We have prepared our stocks with all the good things still available to make your Thanksgiving dinner a huge healthy and joyous one. Just drop into our store and see what we have secured for you.

**Local News**

Mr. and Mrs. Sam Pickard of Northville, left Monday for their winter home in Florida. They will stay until early summer.

Mr. and Mrs. Roy Clark spent last Friday in Ann Arbor as the guests of Mr. and Mrs. Robert Gildart.

The Wednesday Night Contract Club met at the home of Mrs. William Stratton on Blunk avenue, November 17. A delicious supper was served. Mrs. Max Trucks will be hostess to the group Wednesday, December 1.

Word has been received by Mr. and Mrs. Roy Clark of Union street that their son, Private Lloyd, has arrived in Italy.

Mrs. Margaret C. Jones of Garnett, Kansas is a guest in the home of Mr. and Mrs. Paul Christensen. She leaves this week end to visit her son in Buffalo, New York.

A seven pound and seven ounce son was born to Mr. and Mrs. J. George Koelzer of Sutherland avenue on Tuesday, November 16 at Providence Hospital, Detroit.

There is growing proof of the faith, number and strength, and the activity of (French) patriots, said the Commissioner of the Interior of the French National Liberation Committee, in an interview upon his return to London. "Although winter is coming on, positions in the mountains are being held. There are nearly 80,000 men organized in hideouts at lower altitudes than during the summer. Thanks to the tremendous efforts which have been made to provide them with clothing, provisions, and means of heating, we are hoping that they will get through the bad season in conditions which are more or less bearable."

Word has been received by Mr. and Mrs. Roy Clark of Union street that their son, Private Lloyd, has arrived in Italy.

Mrs. Margaret C. Jones of Garnett, Kansas is a guest in the home of Mr. and Mrs. Paul Christensen. She leaves this week end to visit her son in Buffalo, New York.

A seven pound and seven ounce son was born to Mr. and Mrs. J. George Koelzer of Sutherland avenue on Tuesday, November 16 at Providence Hospital, Detroit.

There is growing proof of the faith, number and strength, and the activity of (French) patriots, said the Commissioner of the Interior of the French National Liberation Committee, in an interview upon his return to London. "Although winter is coming on, positions in the mountains are being held. There are nearly 80,000 men organized in hideouts at lower altitudes than during the summer. Thanks to the tremendous efforts which have been made to provide them with clothing, provisions, and means of heating, we are hoping that they will get through the bad season in conditions which are more or less bearable."

Uncle Sam Asks You to Use Less Gas

Your Government is now making a nation-wide appeal for greater conservation of GAS, ELECTRICITY, COAL, OIL, WATER, COMMUNICATIONS and TRANSPORTATION.

All are vital, and if everyone will conserve wherever possible, the contribution to our war effort will be immeasurable.

HERE'S HOW YOU CAN HELP

- 1. Cook whole meals in oven. Cook "one-dish" meals on top burners.
2. Don't use running hot water for washing dishes, hands or for shaving. Repair leaky faucets. Heat no more water than necessary.
3. Never leave refrigerator door open. Cool cooked foods before placing in refrigerator.
4. Don't use oven of gas range for heating kitchen.
5. Winterize your home now by insulating and weather-stripping. It not only keeps your home warmer in winter but cooler in summer.

Today, Alaska is in the midst of a war boom. But that, says its perennial champion, Anthony M. Diamond, is only a taste of things to come. This last frontier on American soil, he says, has possibilities greater than those of Norway, Sweden and Finland, which have a comparable climate and comfortably support 13,000,000 people against the few tens of thousands in Alaska today. Be sure to read the complete article by the delegate to Congress from Alaska. It appears in This Week, The Detroit News Sunday Magazine.

Wesley Kaiser, superintendent; 11 o'clock, morning worship, subject, "The Amazing Inconsistency of God's Love"; text, "I am found of them that sought me." Isa. 65:1. Special music by Chorus and congregation. 6:30, Youth Fellowship, subject, "What Is An American?" Monday, November 22, 4 o'clock, Girl Scouts, Mrs. Wittwer, leader; 7:30, Boy Scouts, Robert Lidgard, leader; 8 o'clock, Unit No. 2 will meet at the home of Mrs. Donnelly, at 312 Irwin. Thursday, November 25 (Thanksgiving Day) 9:30, Union Thanksgiving at the Presbyterian church. Plan to attend.

**FIRST PRESBYTERIAN.** Church school at ten o'clock in the morning. Morning worship and sermon at eleven o'clock, with the pastor, preaching on "The Beatitudes." Blessed Are the Merciful." Youth Fellowship meets at six-thirty in the evening in the parlour. The first offering toward our quota for the War Time Service will be received after the morning service on Sunday morning. Boy Scouts will meet in the church on Monday evening, instead of Tuesday hereafter. The Bowling Group will meet on Tuesday evenings in the alleys of Parkside Recreation. The Union Thanksgiving Service will be held in our church this year. Services are at nine-thirty in the morning, with Methodist, Baptist, Episcopal and Presbyterians uniting in our worship.

**FIRST BAPTIST CHURCH,** corner N. Mill and Spring streets, George W. Rothery, pastor. Telephone 1042. You are cordially invited to the services of the church each Lord's Day morning. Sunday school 10:00 a. m., morning worship service 11:00 a. m., evening service 7:00 p. m., Baptist Youth Fellowship 6:00 p. m. You are also cordially urged to attend our Mid-Week meeting each Wednesday evening at 7:30 p. m. Remember World Parish Day and plan to be with us.

**NEWBURG METHODIST Church**—Minister, Vorie J. Carson, 9614 Newburg road, Plymouth 860-W4. Sunday morning worship at 10:00 o'clock. Message, "The Church of Christ." Music by our Youth Choir. The gates of our church will be opened for any or all who desire to unite with our Christian fellowship. All over Michigan Methodist churches are receiving men and women into the fellowship of the church on this Sunday. The church school meets at 11:00 a. m. under the leadership of Mrs. Donald Ryder as superintendent. Classes for everyone. You will enjoy the fellowship of our church and church school. The Youth Fellowship meets at 6:30 p. m. in the basement of the hall, Wednesday, 7:30 p. m. Our annual Thanksgiving service will be held in the sanctuary. "Come, let us be thankful." Friday, Fellowship class meeting.

**BERFA GOSPEL CHAPEL, ASSEMBLIES OF GOD CHURCH,** corner of Ann Arbor Trail and Mill street. Rev. Sanford Cook, Pastor. Sunday school, 10:00 a. m.; morning worship, 11:00 a. m.; Junior church, 11:00 a. m.; evening service, 7:5 o'clock. Ladies'

prayer meeting Tuesday evening at 7:30 p. m. Mid-week service Thursday evening at 7:45 p. m. Golden text: "Thy people shall be my people, and thy God my God." Ruth 1:16B.

**CALVARY BAPTIST CHURCH** Ann Arbor Trail at Elizabeth street, Lynn B. Stout, Pastor. "Aunt Sophie," a converted washer woman who was really a soul-winner, was accused of talking to a wooden Indian in front of a cigar store about Christ. She replied, "I may have done it, my eyesight is not good. But talking to a wooden Indian about Christ is not as bad as being a wooden Christian and never talking to anybody about Jesus." You are urged to bring your Bibles always when coming to Calvary church. We are studying "The Epistle of Jude" in our morning service. Next Sunday at 11:15 a. m., subject: "Contending for the Faith." Bible school meets at 10:00 a. m., evening service at 7:30 o'clock. Earl Gilmore of the Rural Bible Mission, and now working in the rural schools of Wayne county, will be the evening speaker. Prayer meeting every Wednesday night at 7:30 o'clock. A Chinese proverb reads, "He who strikes first acknowledges that he has run out of ideas," which reminds us of the comment that he who resorts to habitual profanity has a limited vocabulary. —Watchman Examiner.

**ST. JOHN'S EPISCOPAL**—Maple and S. Harvey streets. Sunday morning services: Church school at 9:45 a. m., morning prayer with sermon at 11:00 a. m., Thanksgiving Day service 9:30 a. m. at the Presbyterian church. At the age of discretion or in adulthood, a communicant of the Episcopal church is confirmed through the laying on of hands of the bishop. This rite of Confirmation originates in the action of the Apostles who laid their hands on those who had been baptized, after which they received the gift of the Holy Ghost. When the faithful are baptized they promise through the godparents to give up Commandments. In Confirmation they publicly declare their intention to do all these things. Through the gifts of the Holy Ghost the faithful receive strength to carry out these sacred promises. Some one said that in Confirmation God calls us and we respond to Him. Confirmation instruction will start at St. John's after Christmas and the Bishop will confirm on Feb. 23. Rev. Francis Tetu, Rector.

**CHURCH OF THE NAZARENE,** Holbrook at Pearl, Robert A. North, Pastor. Phone 749-W. The Victory Jubilee Gospel Quartette are conducting services nightly except Saturday at 7:45, November 16 to November 28th. You will hear them at both services Sunday and also over WEXL at 5 o'clock. All are invited to attend.

**ROSEDALE GARDENS PRESBYTERIAN CHURCH,** John B. Forsyth, Minister. Sunday, November 21 will be observed as Thanksgiving Sunday at the 11 o'clock service. The Married Couples Group will meet in the basement at 8 p. m. with Mr. and Mrs. Carl A. Holth as hosts. All who are to work on the Building Fund campaign are invited to a complimentary dinner in the Bears, wolves, wolverines, and

foxes have staged such a comeback in Norway during the past three years that they have become a plague to the Norwegian farmers. Stripped of their firearms by Nazi order, the Norwegian church basement Friday evening, November 19th, at 7 o'clock when final plans will be announced and the campaign officially opened.

### Coal Situation Improves Here

#### Dealers Keeping Everybody Warm

Here is the coal situation in Plymouth: Dealers here have received a little more coal during the past week. One or two firms reported the receipt of one car each, which won't go very far, but the dealers are rationing the coal on the basis of one ton to a family, when there is less than a ten day's supply of coal on hand.

One of the dealers here said they are having no trouble in delivering a ton at a time when it is ordered, if the people will just give two or three days' notice. It is impossible to state just when the coal situation will be relieved in order that orders for filling a coal bin can be delivered. It depends a lot on when the miners really get back into production after their almost disastrous strike.

City Manager Clarence Elliott, who was appointed to write priority orders for the delivery of coal, said that he had had no requests, which is an indication that the dealers have been able to fill the orders as they come.

Most of the dealers at this time are attempting to deliver two, three or more tons into a given community, which saves wear and tear on trucks and tires, but more important, it saves the time of the coal truck men. They thus are able to make one trip serve the purpose of two or three.

For that reason, the coal dealers are asking that a little more time be given for the delivery.

### Garden Association Of Rosedale Plans Christmas Sale

A Christmas sale will be featured at the next meeting of the Rosedale Gardens Branch of the Women's National Farm and Garden Association December 14. To be held at the Community House beginning at 2 p. m., the sale will include various Christmas novelties.

The annual Membership Tea will also be observed at the meeting.

Approximately 20 members of the Garden Club attended the lecture by Louis Bromfield at the Rackham Building in Detroit last Wednesday evening. They met at the Wardell for luncheon and a brief business meeting after which they attended the lecture as a group.

### New Regulation Helps Bowlers

#### 15 Year Old Boys Can Now Set Pins

Boys 15 years old and older may now get working permits to set pins in the bowling alleys, adjacent to Plymouth, but there are certain restrictions, laid down by the State Board of Labor and Industry, and improved upon by Superintendent of Schools George A. Smith.

Under the plan, boys may set pins in the alleys, providing they do not work on successive days, or later than 11:30 at night.

The Livonia recreation alleys, and the two Plymouth alleys have both signed agreements that they will abide by the rules laid down by the school. When each boy applies for a permit to set pins, he is given a card, which must be punched by the bowling alley operator.

The plan serves to keep the alleys operating, and at the same time provides a little additional money for the younger boys.

Previously, a boy should be 16 before a working permit was issued.

Contentment is a pearl of great price, and whoever procures it at the expense of ten thousand desires makes a wise and a happy purchase.—Balguy.

#### AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the streets, alleys and other public places, and to do a local gas business in the CITY OF PLYMOUTH, WAYNE COUNTY, MICHIGAN, for a period of thirty years.

THE CITY OF PLYMOUTH ORDINANCES:

SECTION 1. That whenever the word "Grantee" appears in this ordinance, it is intended to designate, and shall be held to refer to the Consumers Power Company, its successors and assigns.

SECTION 2. The right and authority is hereby granted to said Grantee, its successors and assigns, to lay, maintain and operate gas mains, pipes and services on, along, across and under the streets, alleys and other public places, and to do a local gas business in the City of Plymouth, Wayne County, Michigan, for a period of thirty years.

SECTION 3. No street, alley or public place used by said Grantee shall be obstructed longer than necessary during the work of construction and maintenance, and shall be restored to the same good order and condition as when such work was commenced.

SECTION 4. All pipes and mains shall be laid in a careful and proper manner so as not to injure persons or property. The Grantee shall at all times keep and save the City free and harmless from all loss, costs and damage to which it may be subject by reason of the construction and maintenance of the mains, pipes and other equipment the installation, erection and maintenance of which are hereby authorized.

SECTION 5. The Grantee shall be entitled to charge said City and its inhabitants for gas furnished herein, the rates which have been approved by the Michigan Public Service Commission or its statutory successor, to which Commission the authority and jurisdiction to fix, regulate and alter gas rates and rules regulating such service in said City are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time, upon petition therefor being made by either the City of Plymouth, acting by its City Commission, or by said Grantee.

All bills for gas service shall be payable monthly, unless otherwise mutually agreed upon by the City Commission and the

Grantee. The Grantee may collect the minimum charge as specified in its rate schedules. It shall also furnish and maintain commercially accurate meters to measure the gas furnished. Said Grantee shall at all reasonable times have access to the premises of its customers for the purpose of reading, inspecting, removing and replacing such meters.

SECTION 6. The Grantee shall provide gas service within said City, and shall extend its gas distribution system whenever the amount of gas to be furnished thereby shall provide an adequate and reasonable return upon the cost of providing such service.

The said Grantee shall, before entering upon any street, highway, alley or other public place for the purpose of constructing or installing any mains, pipes, gas works or other apparatus, notify the City Manager in writing of the proposed construction or installation and obtain a permit therefor, and shall if the City Manager so requires, file with the City of Plymouth a sufficient plan and specification, showing the nature and extent of the proposed construction or installation.

SECTION 7. The rights, power and authority herein granted are not exclusive.

This franchise shall not be leased, assigned or otherwise alienated except in the manner and subject to the conditions imposed by the Michigan Public Service Commission or its successors.

SECTION 8. Said Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to gas service in said City.

The grant of this franchise shall be subject to the right of the City to make all regulations which shall be necessary to secure in the most ample manner, the safety, welfare and accommodation of the public, including among other things, the right to pass and enforce ordinances to require proper and adequate extensions of the service of such grant in the manner heretofore provided, and to protect the public from danger or inconvenience in the operation of any work or business authorized by the grant hereof, and the right to make and enforce all such regulations as shall be reasonably necessary to secure adequate, sufficient and proper service, extensions and accommodations for the people, and insure their comfort and convenience.

SECTION 9. This ordinance shall become effective immediately upon its being accepted in writing by said Grantee, which acceptance shall, within thirty days from its passage by the City Commission, be filed with the City Clerk. The grant hereof shall be subject to ratification by the affirmative vote of at least three-fifths of the electors of said City voting thereon at a regular or special municipal election to be held in the manner provided by law.

SECTION 10. Nothing in this grant shall be construed to alienate the title of the public in and to any street, alley or public place, or any portion thereof, neither shall anything herein be construed in any manner as a surrender by the City of Plymouth of its legislative power with respect to any other matter whatsoever; nor as in any manner limiting the right of said City of Plymouth to regulate the use of any street, avenue, highway or public place within its jurisdiction.

We hereby certify that the foregoing ordinance was duly enacted by the City Commission of the City of Plymouth, Wayne County, Michigan, on the 15th day of November, A. D. 1943.

## Juniors Order Class Rings

The Junior Class Executive Board selected their class rings Tuesday, November 9. The style agreed upon is a modern design of 10k. gold and white gold. The large style more suited for the boys costs \$11.30, the medium, \$10.17, and the small \$9.04. This includes federal and sales tax. Pins are \$7.35 with chain and guard; without it they are \$5.65. The rings and pins were ordered from Weyhing Brothers of Detroit. Mr. Tabbert, representative of the company, was here to take orders Wednesday, November 17 when the juniors paid \$4.00 down on the balance to be paid to Herrick's Jewelry Store, when the order is completed in the middle of January.

The Seniors of '44 who wished class rings ordered the same design as the Juniors with '44 on them instead of '45. There will be no re-orders for next year or at any other time because of an OPA restriction against them.

## Rev. Mr. Walch Speaks To G.R.-Hi-Y

The Rev. Mr. Walch of the Presbyterian church spoke at a joint meeting of the Hi-Y and Girl Reserve Clubs last Wednesday noon. His subject was the two constants and a variable in each person's life. The life of each person is governed and limited by two constants—heredity and environment. These give us our physical appearance, habits, tendencies, and intelligence. There is one variable in life—education. Everyone must put in his time in school either in studying or just in drifting through. What each one does with his chance for education depends upon the individual. Although not everyone is a genius, everyone may fully develop his ability.

## Senior Prom Held December 3

The Senior Prom is to be held Friday, December 3 from 9 p. m. until 1:20 a. m. Wally Stahl, who played at the J-Hop last year, will furnish the music. The dance will be informal and the girls may wear semi-formal or formal gowns. The theme of the prom is to land, and the gym is to be decorated with huge toys and blocks. All people outside of school wishing an invitation should turn their names in to Ruth Hoysradt, 7126-F2 Northville; Miss Allen, 687-W Plymouth; Miss Fiegel, 228-J Plymouth. The admission price will be \$1.65 a couple.

## Here And There

Edith Nolte gave a party last Saturday night. Those present were Bernard Birt, Joan Gilles, Jean Livernois, Bob Minock, Rose Mary Miller, Bob Rorabacher, Betty Arnold, Red Melbourn, and Jim Wiltzie.

The senior class sold over \$200 worth of Christmas cards of which approximately forty per cent is profit. Norma Robinson and Annabel Heller were the best salesmen.

"Garden of the Moon," Junior-Senior play held December 16 and 17, is a romantic comedy written by Arthur Jearue who also wrote "Mignonette" which was given here several years ago. The first and third acts take place at the present time; and the second act goes back to the nineteenth hundreds.

## Shop Boys Make Christmas Gifts

One would never dream that the metal gifts the junior high boys are making in Mrs. Highfield's shop classes are made from tin cans. Some of the boys have peened metal salvaged from discarded tin cans with a ball peen hammer and a wood block to form candle sconces. Others have peened metal, rounded the metal to form a bowl, and crumpled the edge making bon bon dishes closely resembling in design expensive ones to be found in some jewelry stores. Peened book ends with decal transfers of dogs, sailboats, Mexican figures, and many other designs make attractive Christmas gifts.

Edson Whipple made an original bon bon dish with legs bent from wire binding obtained from newspaper bundles.

William Vincent patterned his bud vase from a lovely copper piece. The class is utilizing tin cans, since war had made copper unavailable.

Jack Scheel designed an original hurricane lamp from a condensed milk can top.

Donald Oppenheim used his originality to design a metal neckerchief slide for his Boy Scout uniform.

Several boys are bending strap or band metal to form various table and pin-up lamps. Bruce Besse is combining metal, wood, and cactus to make an exceedingly novel reading lamp for his room.

The boys have also made ash trays from flat sardine cans with cigarette holds soldered in place. Out of baby food cans they have made adorable little cups painted in dainty colors with decal designs that would please any little girl when Santa comes.

## Class News

The 8B science classes are finishing the study of the heating of homes, use of refrigerators, and relative values of various fuels. The 8A classes are finishing the study of artificial light, the breaking down of sunlight into color by means of prisms. They also studied the reason for rainbows and northern lights.

Some chemistry students are beginning to work by themselves in the laboratory as extra work beside their regular class work. The 7A home making classes are having tests on breakfasts and are using scorecards to judge their own results.

Mrs. Soule's home ec. I class is working on main dishes among them such things as baked beans, spaghetti and meat. These are being served in a lunch with green salad, hard rolls, and fresh fruit.

The seventh grade home making classes have voted on the style and color of aprons they will make for next semester's food class. The aprons will be white trimmed in any color, just so they match the color of the girl's partner.

Miss Lundin's home economics class three has divided into five groups: nutrition, laboratory upkeep and the management of the laboratory, records and supplies for groceries and rationing, work in the lunchroom, and department, school, and community projects.

The ninth grade home-making class has completed the first half of their outfit and will start on the other half. They are also working on home projects. Some are baking, others are working out and serving wartime meals and some are taking care of children.

Mr. Stadtmiller's world geography class has been sketching different types of clouds while studying the atmosphere.

Mrs. Bixler's Spanish and dramatics classes gave two plays November 9 for the Ex-Service Men's Club for the War Chest drive. George Waters, Agnes Moncreiff, George Valrance and Raymond Runkel gave an original Spanish play, while Betty Jean Duff, Lorraine Nichol, Elizabeth Neal, and Joan Gilles

of the dramatics class presented the "Faithful Four."  
 All of the Spanish students are taking part in a play. Beverly Broman is working out a telephone conversation in Spanish and George Simons is learning the Lord's Prayer in Spanish.  
 Mr. Stadtmiller's seventh grade geography classes are now making scrap-books about Japan like those they previously made on China and are comparing the two countries.

## War Chest Totaled \$240

Almost \$240 was collected for the War Chest in the high school. Some teachers collected money by making students contribute if they were late, chewed gum, or talked.

A stamp booth has been made by the art and shop departments with materials furnished by the student council. Its purpose is to give each organization a chance to aid the war effort. Each organization, such as Girl Reserves and Hi-Y will take charge of it for a week.

Many of the classes had programs Thursday morning for Armistice Day. Some of the classes sang patriotic songs, some played records, and some told of their friends and relatives in the service both here and overseas.

Miss Lundin, in charge of the Salvation Army fund, collected over thirty-seven dollars.

# Can You Picture MICHIGAN without Newspapers?

Every hour of the day headline news of overwhelming interest to every person in Michigan is being made all over the world. But without our modern communication systems and particularly our newspapers it would be next to impossible to find out what's going on.

Getting even closer to home, we wouldn't know what local boys are back on furlough—who's getting married and when—what's happening in the comic-strip world—what events are taking place all over town.

All of us should feel proud of the fine job newspapers are doing to keep Michigan in touch with the times. It's a strong and free press, serving free people—one of the first things the dictators would suppress if they had the chance! And it would be hard to over-estimate the part

played by Michigan's 56 daily newspapers and 366 weekly newspapers in furthering the war effort. More than two and a half million people buy these papers—far greater numbers read them—the whole State relies upon them for information and inspiration.

For this reason Greyhound depends upon such newspapers as this one to carry its information on bus service to those in Michigan who travel. Greyhound, in turn, carries many newspapers to rural areas not served by any other transportation system.

As fellow citizens of this State, the Greyhound Lines take much pleasure in helping to make near neighbors and good neighbors of all the communities we serve in Michigan—linking them to each other and to the rest of the country, as newspapers do.

Cheerleader Sally Austin, who lives at 9830 Fremont, is the daughter of Brock and Jennie Austin. She is taking a commercial course. Sally's "pet peeve" is unfriendly people. Her hobbies are letter writing and collecting everything in general. She plans to get work in a war plant after graduation. When the war is over, she would like to take a training course at a business school.

Model aircraft is the hobby of Chris G. Blanchard, son of Mr. and Mrs. Ward Blanchard of 36255 Cowan road. He is completing a machine shop course. Chris intends to be a farmer after school. His pet peeve is woman drivers.

Drug store complexion are the pet peeve of Fred Bird, son of Fred and Frances Bird of 36451 Ann Arbor Trail. Fred plans to attend Michigan State College if Uncle Sam does not have a better plan. He is completing a college preparatory course. He was on the baseball team in 1943. Fred's hobbies are hunting, horseback riding, and trapping.

Collecting miniature dogs is the hobby of Josephine Cicereilli, daughter of Joseph and Angelina Cicereilli. Josephine of 33605 Plymouth, has been taking a college preparatory course and plans to take training later on to become a nurse. Her pet peeve is sarcastic people.

"Airplanes are my future," said Ed. Curmi when asked what his plans were. "I would like to fly for some large Air Way and if planes are needed after the war, I should like to pilot one of them." Ed. is the son of Mr. and Mrs. Anthony Curmi of 41167 Ann Arbor. His father was born on the island of Malta. Ed has been taking a college preparatory course and has participated in H-Y, basketball, football and tennis. His hobby naturally is sports. "Girls and their ways" are Ed's pet peeve.

**Baldwin Now T.V.A.A. Champs**

The Plymouth football team finished the season on the bottom of the pile with the Birmingham team winning the championship and Ypsilanti standing second and Wayne a close third.

The Rock opposition piled up 201 points to the Plymouth score of 21 points. Bob Hall was leading scorer with eight points, Bill Bennett and Ron Brink next with six points each, and Dan Wisley, drop-kicker, one point.

At one of the recent coach's meetings it was suggested that the T.V.A.A. be abandoned and the league rebuilt so that the size of the schools would be more nearly equal. The schools in this proposed league would be Redford Union, Farmington, Plymouth, Walled Lake, Northville, Wayne, and Ypsilanti. Eorse and Dearborn would go into the athletic league with Fordson and other schools in that territory; Birmingham would then go into the league with Redford High School and others in that territory.

**Wayne U. Offers Scholarships**

Scholarships to Wayne University are offered to students graduating from each accredited Wayne County High School. These will entitle the student to free instruction at Wayne University for one year and will continue through the remaining years provided his marks remain "A"s and "B"s. This does not include the payment of a student activity fee of \$5.00 and a student health fee of \$1.50 each semester.

The principal may recommend three students for the award, rating them "first, second, and third choices." From this list the University will select one person who will be entitled to a scholarship for one year. Taken into consideration is the pupil's scholarship (although a person with highest scholarship need not necessarily be selected to represent the school), seriousness of purpose, ability, promise, personality and such other factors as he deems essential to determine the most worthy person to represent his school.

Dorothy M. Fisher, daughter of Clyde Fisher, was selected from the class of '43 to represent Plymouth High School.

**E. J. Burt Heads Taxpayers' Group**

On Wednesday, November 10, the Livonia Taxpayers Association held its annual election officers at Livonia Town Hall on Five Mile road. In spite of the weather a nice crowd was present.

The election of officers were as follows: President, E. J. Burt; vice-president, C. E. Cooper; secretary, Mrs. Claudia Burns; treasurer, Charles Thomas; board of directors, Lucien Rhodes, William Frensko, Mrs. Charles Cooper, Farrand Perry; social secretaries, Mrs. Gladys Klaren and Mrs. Clara Moore.

After the business meeting, Carson Johnston, chairman of the War Chest drive in Livonia township, gave a fine talk on the drive and how the money is used, and the Livonia Tax Association made a liberal contribution to Mrs. A. T. Peterson toward the goal of the \$3,700 to be raised by the township.

R. K. Davis, the retiring president, was presented with a beautiful silk American flag with a holder, in honor of his faithful work for the past two years. The meeting was adjourned and chop suey, rolls and coffee were served.

**Good Teams Come From The Experienced**

If boys expect to go out for a sport, it is the suggestion of the athletic department that they go out in their freshman year and then every following year.

Any athletic team should be composed of about eighty percent sophomores and juniors, with the rest seniors. The football team last year was fifty-seven percent seniors and this year's team was sixty-four percent seniors. When the team reported for practice in September, thirteen seniors reported who had never played varsity football and only four members had played any varsity football. Every year a coach should have an experienced returning team. There should be a constant supply of recruits, and replacements should be drilled from their freshman year.

**Listening In On P.H.S.**

When Wayne H. was asked why he was wearing Margo's Girl Reserve pin since he was not a member, he answered, "I am the Girls' reserve."

Stamp sales increased rapidly after Shirley displayed the sign "A kiss with a stamp."

Clayton seems to be working in the band again. This time in the drum and majorette section; it seems that Audrey and Bill aren't objecting are they?

In Spanish the other day the class was learning new words, one of which was marry. The literal translation is "to enhouse yourself." A bright pupil asked, "F. H. A. plan?"

Bob Deyo's advice to boys is: "Don't let the girls know you don't have a date for the Prom if you don't want them to start chasing you and holding your hand."

After Norma R.'s nose bled one day, Annie told her to come to the washroom and she would wash Norma's neck.

Some people have odd nicknames—especially Pearl Van Meter.

Did you know that the girls in journalism class cheered last week when Dale walked in minus his mustache.

**Livonia Party Is Huge Success**

An evening of fun and laughter was enjoyed by the people of Livonia who attended the Mom's Club card party given last Thursday evening at the Town Hall.

Mrs. Grace Chaffee, national president of the Moms of America was present to tell the audience what the organization stood for and what its principles were. She expressed the thought that the foundation of the Moms was prayer and that no organization could fail with that faith to strengthen it. Another speaker was Carson Johnson, chairman of the Livonia War Chest drive, who urged bigger and better contributions this year than ever before.

An added attraction of the evening was the auctioning of a five pound fruit cake by P. A. Venus for which George Teahan was the highest bidder. To Mrs. Edith Westfall, of Plymouth, was given an afghan which the Moms had made. Table prizes were given at each of the 21 tables and door prizes were awarded to Mrs. Whitehead, Dearborn; Mrs. E. Novak; Mrs. Irene Shely; Mrs. Irene Wolfe; Mrs. J. Bayes; Florence McGregor; Mrs. D. W. Donnelly; Mrs. Garnet Potter; Mrs. M. Clark; Ida Thomas; P. A. Venus; Garnet J. Potter; Edith Westfall; George Teahan; Mildred Butler; C. Hillman; George Chaundy; Myrtle Ault; and Lucille Nacker.

Approximately 90 people from Livonia, Plymouth, Farmington, Detroit, and Dearborn were present and voted the party a success as the serving of refreshments closed the evening's activities. Mrs. M. Arnold, Mrs. R. Labbe, Mrs. C. Smith and Mrs. W. F. Hinbern served.

Door prizes were donated by Jahn's Market, Livonia Hardware, Huston's Hardware, Bert McKinney, Del's Market, Allen's Market, Harry Wolfe Real Estate, Stanley Products, The Livonian, Mrs. George Chaundy, Mrs. Pat Carey, and the Mom's Club.

The Moms wish to extend their thanks and appreciation to everyone who donated and for their cooperation in making the affair one of the best of the season.

Whoso looketh into the perfect law of liberty, and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed.—James 1:25.

**ELECTRICITY**  
is NOT rationed —  
*Let's keep it that way by*

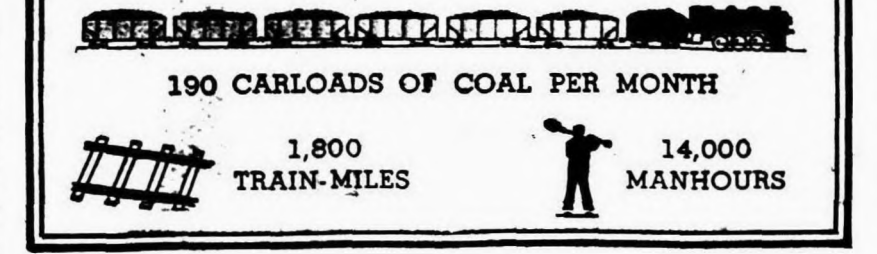

**VOLUNTARY CONSERVATION!**

Electricity is cheap and unrationed and there is no shortage of electricity in this area. But because there is an urgent need to save coal and manpower and transportation for war, the Government is asking for VOLUNTARY conservation. This means turning off all lights not actually in use. It means remembering to turn off the ceiling light and the porch light and lamps in unoccupied rooms. It means the careful use of electric appliances. It means keeping lamp bulbs and reflectors dust-free, and "sharing the light" wherever possible by making one reading lamp serve two people.

If you and every other American will do these things, thousands of tons of coal will be saved every day—coal critically needed NOW. No one wants electricity added to the list of things rationed. All of us would rather save VOLUNTARILY. Here is a chance to prove that voluntary, self-imposed rationing will work. The Detroit Edison Company.

**JOHN McCLAIN ATTENDS TORPEDO SCHOOL AT NORFOLK, VIRGINIA**

While walking down the streets of Norfolk, Virginia, seeing the sites of that southern city, John McClain, seaman second class in the Navy, met another Plymouth lad, also in the Navy. He's Danny Lagan. Of course, the boys had a little get-together, talked over old times, and were mighty glad to see each other so far away from home.

John is attending torpedo school and finds the study of submarine torpedoes very interesting. He'll be taking that course for ten weeks and will then be transferred to New London, Connecticut, for further study of the mechanism of submarines. With eight hours of study and plenty of homework, John's time is limited so he's taking this chance to say "hello" to all his friends here.

**GOOD NEWS FROM HOME MAKES SOLDIER WANT TO FIGHT FOR HIS COUNTRY**

For several weeks, Pvt. Harvey Shaw has been on maneuvers in Louisiana and writes that, at times, it gets pretty rugged. The weather has been chilly, even down there, according to Harvey. The success of the recent bond drive and other campaigns in Plymouth has served as an inspiration for him which he confirms in this statement. "It makes a fellow feel like fighting for his country when he reads about his home town of Plymouth going way over the top in the bond drive and other things to speed victory for the United Nations." Always keep that feeling, Pvt. Shaw!

**CPL. GILBERT WILLIAMS DOES MILITARY POLICE WORK AT MIAMI BEACH**

While Plymouthites walk around here with cold noses, Cpl. Gilbert Williams is enjoying the sunny clime of Florida and likes it. He's doing military police work and has been stationed at the Nautilus Hospital in Miami Beach since last November.

Gilbert writes that after he finishes reading The Plymouth Mail, it is taken into the day room of hospital "so other fellow soldiers can read about our nice little town of Plymouth and the happenings there." He adds that though the weather is nice and the people wonderful at Miami, "it is still not like good old Plymouth."

**COMMANDING OFFICER AT SOUTHERN CAMP IS FORMER RESIDENT**

A former resident of Plymouth and well known here, Lt. Riley F. Lynch, has been named Commanding Officer at Cookeville, Tennessee, base for the 46th College Training Detachment.

Lt. Lynch was an instructor at Plymouth high school, teaching agriculture and biology from 1936 to 1939. He reported for active duty in April, 1942 and since that time, has served at various southern air fields before being transferred to Cookeville.

**GRADUATES FROM PRE-FLIGHT SCHOOL GOES TO ANOTHER STATION**

Bayliss J. Erdelyi, having successfully completed his three months ground school, military and athletic training at St. Mary's Pre-Flight, was graduated with the 31st Battalion at St. Mary's College, California, and transferred to the Naval Air Station at Livermore, California. There, he will receive his primary flight training.

As part of the graduation ceremonies, Cadet Erdelyi participated in a regimental review which was received by Commanding Officer Clyde W. King.

At Pre-Flight, he studied celestial navigation, essentials of naval service, advanced aerology, advanced recognition of ships and planes, communications, seamanship, gunnery and first aid and also underwent an intensive physical condition course.

**GREAT LAKES NAVAL STATION IS SWELL SAYS JERRY NELSON**

Busy with his "boot" training is Jerry Nelson, son of Mr. and Mrs. John K. Nelson of Stark-weather avenue, who is stationed at Great Lakes. He called his mother on his eighteenth birthday last Monday and told of some of his adventures as a member of the mighty new U. S. Navy. He said that Navy chow was putting a few extra pounds on him and that it was good. Jerry already wears a white strip for guard duty and was one of 20 fellows from his company picked to attend the Great Lakes-Camp Grant football game recently. All in all, he said he thought the Navy was O. K.

**RAY HARRISON WOULD LIKE TO HEAR FROM ALL HIS PALS**

Air Cadet Ray Harrison managed to find a few stray moments in his busy schedule to write: "I've been classified for pilot training and am going to Pre-Flight training from here. At present, I'm stationed in Nashville, Tennessee. Was stationed

what's going on over here, but the work I'm doing is almost the same as what I did in Plymouth. I'm working in a carpenter shop and as most of my friends know, construction work seemed to be my ambition.

"Keep up the good work in the defense factories and above all, don't stop sending the Mail to me every week as I really enjoy reading of what is going on back there at home."

**TIME IS PRECIOUS TO SEAMAN ATTENDING CHICAGO COLLEGE**

Recently given the rating of Seaman second class was Russell A. Ash, who is attending Wright Junior College in Chicago. He's taking pre-radio training in preparation for becoming a radio technician.

Studying with him at the college is Dick Neale, a private first class in the Marine corps, and when the boys have a bit of spare time, of which there seems to be a shortage, they have a

session of talk about old times and acquaintances. Russell wrote that he would be at Wright for just four weeks and by the time he finishes his training, he will have received four years of college education in 10 months.

**SERGEANT'S RANK GIVEN TO RICHARD DELVO**

At an undisclosed base somewhere in the Pacific, Richard Delvo of the Marine corps was recently promoted to sergeant's rank and proudly wears his newly acquired stripe. While in Pearl Harbor recently, Sgt. Richard met Edward Keller and the boys managed to get in several hours of conversation about "back home." It was the first time in three years of service that Keller had seen a fellow Plymouthite. Richard is the son of Mr. and Mrs. Peter Delvo of South Harvey street.

They called it the  
*"Pursuit of Happiness"*

THEY TELL you it's over there, where the guard stands on watch. So you walk expectantly over the marble floor, hearing your footsteps shatter the hush and the quiet all about you. And then, suddenly, there you are—peering at it.

And there are the famous signatures—John Hancock. Charles Carroll, of Carrollton. Samuel Adams. Button Gwinnett.

The words, scrawled on parchment, are hard to read at first. But you know by heart the opening paragraphs—remember them from your history book in the sixth grade.

*"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."*

You've heard those words, you've seen them—many times. But somehow, standing there before that wrinkled parchment, you become conscious of meanings that used to be only sounds in the music of the language.

Those men who signed that document called it "the pursuit of Happiness." The right that every man was to enjoy in this new country was the right to pursue happiness. To roll up his sleeves and go after it and struggle and win it with his own two hands and his wits.

And because the people who first heard those words understood them—because they realized their right was one of pursuit—they went out with strength and courage and faith to hew quarries out of Vermont rock, to dig mines in the West Virginia earth, to build mills along the rivers of North Carolina.

Their sons, too, understood — and sucked oil out of the sand and harnessed the power in steam and welded one end of the country to the other with rails of steel.

Because of that right—and because they understood it—the people who came to this country, and their sons, made it the richest, most powerful, most restless nation on earth.

Today, there are those who voice other words. Words not of courage or strength or faith. Words of despair. We are too wise, too old, too civilized, they say, to pursue happiness. We have inherited the right to sit back and have happiness brought to us—decked out and trussed up like a roasted turkey on a silver platter. A dead turkey.

The words they speak are not new words. They have been spoken in other nations throughout history, and people

hearing them have been lulled by their golden promise into complacency and submission. And slavery.

They are words that ought to be looked at for their meaning, not just listened to for their music—as all words ought to be scrutinized, including those that have become so familiar, so much a part of our lives, that their wisdom is likely to be lost.

So long as the true meaning of those earlier words is understood, the rights that they proclaim will never be lost.

### VICTORY'S SONS

A 20 mm. shell crashed through the Flying Fortress and knocked out the pilot. Co-pilot Lieut. Stricker took over and kept the big bomber in formation. The objective was a target in Hitler's Europe, and perfect weather was guiding them to it.

Now things began happening thick and fast. Yellow-nosed FW-190's roared up like a swarm of angry hornets. Deadly flowers of ack-ack bloomed all around them. But Lieut. Stricker held to the formation and made the bombing run.

Enemy fighters tore at the Fortress like vultures at a carcass. Within a few minutes after completion of the bombing run six of the ten crew members lay dead, and the Fortress was critically damaged. Although seriously wounded himself, Lieut. Stricker kept in formation throughout the remainder of the flight. A crash appeared inevitable, but through skillful piloting he brought his bullet-riddled B-17 safely to England. He was awarded the Distinguished Service Cross.

### Dictatorship

Now the smart aleck dictatorship boys down in Washington are regulating the length of shirt tails. Might we ask, what next?

### SERVING THE EX-BOOTLEGGERS

Liquor which can be purchased in Chicago by Michigan bars, says Earl E. Koehler, district enforcement officer of the Alcohol Tax Division of the United States Department of Internal Revenue, "IS NOW LARGELY IN THE HANDS OF TWO DETROIT MEN PROMINENT IN BOOTLEGGING DAYS."

What else did any one expect when the state liquor commission let down the bars on out-state purchases of liquor by state dealers?

### IS YOUR VOTE FOR SALE?

If you are in the habit of selling your vote, here's a chance for you to make some "big money" next year. Time magazine carried an article last week in which it said that something like five millions of dollars hijacked out of the pockets of working men through some unAmerican New Deal labor law, are going to be spent in an attempt to buy up the next Presidential election. If you are at all crooked and regard your vote as something to be sold to the highest bidder, get busy and tie in with some of the "boys" who have these millions to spend in the next election. We hope, if you do, that the filthy dollars you take not only burn holes through your pockets, but that they burn your conscience as long as you live. It's high time to inject a little honesty into our elections instead of controlling election results by spending good American dollars to buy votes.

### FROM "THE DEEP SOUTH"

Some New Deal "lefties" have been a bit critical of the editorial policy of The Plymouth Mail. They say that the editor is too one-sided, that he can see no good in anything the New Dealers have done. That's true. There is no good that the New Dealers have done.

For the benefit of these few and far-between critics, let's see what a Democratic editor from way down in the "deep south" has to say about the New Deal.

Clayton Rand runs a newspaper at Gulfport, Mississippi. He's a southern Democrat of considerable fame in this interesting southern state.

Editor Rand recently made a talk before the Rotary club of his home town. He sent a copy of it to the editor of The Mail. Nothing we have ever said can compare with it in ridicule and criticism of the New Deal.

"What will the GROSS NEGLIGENCE of our (New

Deal) government at Pearl Harbor cost the country in blood and treasure?" asks Democratic Editor Rand.

"We hear a lot of loose talk about freedom in these times and actually we have less of it than we have ever known before. There is more talk of security and less security than America has ever experienced." — Yes this southern Democrat said that.

Here's another paragraph from this Democrat's speech: "More recently the catch-phrase of the Four Freedoms has been given currency. \*\*\*\* If we translated these Four Freedoms into their more practical application, under democracy's newer dispensation, they would more likely be freedom for politicians, freedom for spendthrifts, freedom for bureaucrats and freedom for crackpots."

If you want more of these indictments by a real Democrat of the New Deal, write Editor Rand down in Gulfport.

### THE NEXT PRESIDENT

We note by the always timely editorial comment of Editor DeFoe of Charlotte that Senator Vandenberg is for General McArthur for president. Editor DeFoe says that the senior Senator told him he had no second choice. The editor was a recent Washington visitor.

Maybe the Senator hasn't a second choice, but apparently the voters in this part of the country where nearly every one is a Republican, has both first and second choice.

That choice is emphatically for Governor Dewey of New York, a distinguished son of Michigan who has won honor for himself and the state that reared him to manhood.

It has been a most interesting experience the editor of The Plymouth Mail has had during recent weeks. To farmers, business men, workers and others who have called at The Mail office to discuss public affairs, we have at some time during the conversation always asked one question, "Who is the best man for the Republicans to nominate for president?"

The vast majority of answers have been about as follows: "Well, I'm for Dewey but it looks as though Willkie will get it."

There has not been a single Republican in this part of the state who put Willkie or any other prospective candidate in first place. Every one expressed the hope that Gov. Dewey would get the nomination and were emphatic in their opinions.

Senator Vandenberg should come back to Michigan and talk with the voters before repudiating such an outstanding candidate as our own Tom Dewey and committing this state to the support of some prospective candidate of his own choosing. It is about time that people back home had something to say pertaining to the next Republican nominee for the presidency.

### 25 Years Ago

News items of a quarter of a century ago taken from the files of The Plymouth Mail.

Plymouth citizens were awakened before dawn Monday morning to a genuine peace celebration with enthusiasm undampened by the heaped report and the disappointment of last Thursday. With the chrieking of whistles, and the ringing of church bells, came also the firing of guns and revolvers and the shouts of the joyous citizens. The town was awake and in a short time, the streets were alive with people and automobiles. The Millard band appeared and formed a parade. Several edifices of the Kaiser were dragged through the streets and burned at the stake. It was a wonderful day for everyone.

The opening of Plymouth's handsome new playhouse, the Penniman-Allen Theatre, which was to have occurred on October 25, but which had to be postponed because of the influenza epidemic, has been set for Friday evening, November 22.

The buyers of season tickets for the Citizens' Entertainment Course have been promised the full number of entertainments advertised in spite of the cancellation of the first number during the flu ban. The opening number of the course will be given on Thursday evening, November 28th.

Governor Sleeper issued a proclamation designating Sunday, November 17, as Victory Sunday, to be observed by all churches.

In spite of the almost universal attraction in the peace celebration downtown on Monday night, the Royal Welsh Concert Company gave their entertainment before a good audience in the Methodist church to the great delight of all who heard it.

Mr. and Mrs. William Gayde pleasantly entertained a group of Detroit friends at six o'clock dinner Wednesday evening at their home on Mill street.

About 25 ladies attended the thimble party given by the Lutheran Ladies' Aid Society at the home of Mrs. Paul Groth last Wednesday afternoon.

There was great excitement around Newburg last Thursday when the news was proclaimed that peace was declared. The boys rang the school house bell and whooped and yelled like a pack of Indians. Everyone from here dropped their work and hid themselves to Plymouth Monday afternoon to celebrate the most glorious event of peace.

### BONDS OVER AMERICA

Early in the 19th century a storekeeper and gristmill operator at Henderson, Kentucky, took to studying birds as an antidote for ennui and added much to man's knowledge of ornithology. His name is a byword to this day. It is John James Audubon.

Only the knowledge of despotism, destruction, killing, maiming brings one to the surface of Nazism. It has no place for gentle souls; only Himmlers, Schleichers, von Papens, Heydrichs.
