What I Think and Have a Right to Say

By *Eaton R. Eaton*

It Might Help

We note by the newspapers that Governor Kelly has picked a committee composed exclusively of lawyers to study legislative procedure as it has prevailed in the Michigan legislature, and after the members have completed their study, to point out what they think is the matter with the system.

We will name at once two things for the committee to study: (1) lawyers, and (2) legislative conference reports.

No, we do not mean to say that all lawyers make bad legislators. That is not true. A few do make exceptionally good legislators. Our chief gripe against lawyers in the legislature is found in the fact that so many of them permit their "clients" to control what they do in the legislature. Many a time have we heard the assertion made by a lawyer-legislator, that he represents certain interests.

Well do we recall our amazement during the fight on the small loan racket bill. A lawyer member of the house we had supposed would support our fight against some provisions in the bill, stated openly and without shame that he was "counsel" for the company in the city where he resided.

For years a very influential lawyer served in the house. Then he retired—and it developed that he had been on the payroll of a great corporation that had a keen interest in legislation.

No—not all lawyers seek legislative positions in order to serve their clients, but many, many of them do. They can be "retained" by special interests and big corporations and not get their fingers burned by accepting "retainer" checks. A layman member of the legislature (someone not a lawyer) could be sent to jail for accepting a "retainer" check—and it begins to look as though a lot of them are on the way to the hoosegow, where they belong for having betrayed the people of Michigan.

Our No. 1 gripe against lawyers is found in the fact that many of them seem to think they have some super-human qualification for boards and commissions that are appointed by the governor.

We chalk up as one of our "accomplishments" the defeat of a measure back during the days of Frank Murphy which, if enacted, would have made the labor and industry commission a board controlled by lawyers. It was a narrow escape for the people of Michigan, as there was only one vote to spare.

We would like to suggest to this committee of lawyers, that it recommend to the governor that every lawyer member of the legislature be required to post conspicuously above his legislative desk a complete list of all companies, special interests and other groups that pay him "retainer" fees; or ever had paid him "retainer" fees.

We do not agree with the draft officials in Washington and the war manpower commission that this "lawing" business is a non-essential industry.

We think lawyers do have a place in modern life. Neither do we regard them as a necessary "evil." We think they are of benefit to humanity—BUT we DO NOT think they should have too much to say about legislative matters, especially when they are "retained" to say it. Just why the governor should appoint a committee composed entirely of lawyers to study this question only the governor and lawyers can tell.

We will have more to say at some future time about the present obnoxious legislative conference report business, where much conniving goes on, and maybe more about lawyers in the legislature.

The President Returns

The nation welcomes the glad news from Washington that President Roosevelt has entirely recovered his good health and is now back on the job. There have been rumors that he was seriously ill, but these rumors have been discounted by press dispatches. There is no "indispensable" man, but it is far better for the nation that our president remain in good health so that he personally may direct the affairs of the nation until his Republican successor takes over at the beginning of the new year. We are facing some tremendously important military operations and America needs the president, whether we do or not agree with him politically. Yes, the country needs the aid of EVERY man, woman and child in the trying months that lie ahead!

The Fate of Japan

News from across the Pacific continues to be of a most encouraging nature. The might of Uncle Sam is slowly but surely beginning to strangle the lifelines of the sneaking Japs. Already reports say that the natives of the islands are beginning to feel the pinch of our navy. The Japs asked for it—now let them get the full fury of the angry might of a kindly neighbor who had his hands nearly torn off while petting the brutes.

Colonel Nowack and His Income

The "kindly" gentleman best known to his host of Cuban friends as the "Col. Ed A. Nowack of Michigan," who ran afoul of the federal law a while back and has been indicted on a charge of racketeering in gas rationing coupons, has more trouble on his hands, it seems. Uncle Sam, for some reason, believes that "Colonel Ed A. Nowack of Michigan" has had a very sizable income on which Uncle Sam thinks, maybe, he can collect more income taxes. So when "Colonel Ed" comes home from Cuba in a few weeks to say "Not guilty" or "Guilty" before some federal judge in Detroit, he's got to go over to the internal revenue office and do some figuring with the tax experts, say newspaper dispatches.

In this troubled old world, we do not wish for anybody any more trouble than ordinarily comes to an individual during his lifetime, but in the case of "Col. Edward A. Nowack," he has no one to blame for his worries but himself. He has invited all the trouble he is in—and our only surprise is that one who has conducted himself as he has in the last 15 or 18 years, wasn't caught up with a long time ago.

As long as the income tax experts are going to delve into some of his financial dealings, might we also suggest that they check the alliance between Gerald L. K. Smith and the "colonel" who has been indicted for gas coupon stealing. The "colonel" was one of the "worshippers" at the feet of Huey Long's puppet preacher. It would be interesting to know if this worshipping apostle placed a financial consideration upon his part in spreading the gospel of the notorious Gerald L. K.

"The Big Show"

Some evenings ago we heard a radio commentator refer to the impending invasion of Europe by the Allies as the "forthcoming big show." Maybe it is alright to refer to the invasion as a "big show," but for some reason we just didn't like the expression. We shudder with fear as to what will happen when it takes place. We personally know hundreds of the boys who will face death. We know large numbers of them will never return home. We know that other large numbers will return maimed for life. And we just do not like to have the event referred to, in which so many of these good boys are going to make the supreme sacrifice, as "the big show." Far better to refer to it as America's sacrifice to save the world from a condition America did not create.

Surgical Dressing Workers Are Needed

Volunteer workers are badly needed to assist in preparing surgical dressings at the Red Cross work room at Stark-weather-school. The work room is open Tuesdays and Thursdays between the hours of 10 o'clock and 3:30.

There is a most urgent call at present for all the surgical dressings that can be produced by the Plymouth Red Cross work room. But workers are needed. Just report with thimble and needle—and go to work.

No More Houses Can Be Built, Says Government

William Birt Says
He Has Only Few
Left for Sale

At least for the time being there will be no more houses built in Plymouth.

This was the information supplied by William G. Birt, home contractor, and other sources of information as a result of new rulings by the war production board in the Detroit area.

Mr. Birt has already built 45 houses in the Plymouth area, and has sold all but six of them, but for the time being no more can be built, he states.

According to information supplied by the contractors and other sources, if you had all the material necessary for the construction of a new home, you couldn't build it now, and if you built it anyway, you would be subject to fine or imprisonment or both or something else equally as dire.

The thing is that according to the government figures, there now is sufficient housing for white families in the Detroit area. There is insufficient housing for the colored families, with the result that only homes for colored residents may be built. The government will issue permits to colored families desiring to build.

The labor shortage, the material shortage and the judgment of the government officials is responsible for the edict.

Mr. Birt pointed out that the trend is for people to move to the smaller communities where they have more living room and better facilities for their children. The result is that his houses, and those of other builders in the Plymouth area, have been sold, while many of those built in Detroit are still standing empty.

When the restrictions will be relaxed so that more homes can be built is not known. It will depend, the builders believe, on when more material becomes available, especially lumber.

Brothers Meet in New Guinea

Although some nine or ten thousand miles away from home, Robert Blundell, petty officer on an American troop transport, had the pleasure of meeting his brother, Sgt. Stanley Blundell, somewhere on the island of New Guinea, a few weeks ago.

Mrs. William Simpson, mother of the two boys, has just received a letter from the boys telling of their happy meeting on this far-away island. "Bob," as he is best known to his Plymouth friends, knew that his brother was in personnel work on New Guinea and when his boat stopped for a brief period he went ashore and soon found his brother, located some 18 miles from where his ship was anchored.

Stanley has been in the Pacific southwest for more than 26 months.

According to information in the letters Mrs. Simpson has received, the boys thoroughly enjoyed their brief visit.

Detroit School Men's Club Honors Charles E. Brake

Charles Brake, deputy county superintendent of schools, who resides in Plymouth, has been elected president of the Detroit School Men's club, which is composed of all of the male employees of the various boards of education in Wayne county. Mr. Brake has long been active in public school affairs and is one of the best known educators in this part of Michigan. He is also chairman of the newly created Wayne county board of health.

Register Now for Blood Bank Unit Visit

Plymouth Boy, in
Far Pacific, Tells
of Its Benefits

Wednesday, May 31, the blood bank unit has been scheduled for its regular visit to Plymouth. The energetic women of Plymouth are seeking 283 registrants who will donate blood to be used in saving the lives of wounded American fighting lads.

No words we can use, nothing we can write, will convey to the good men and women of Plymouth the necessity for this blood donation more emphatically than two brief sentences in a letter from one of "OUR BOYS" that The Plymouth Mail received this week.

It is from G. L. Shoemaker, with the fighting U. S. marines somewhere in the South Pacific.

"Due to the many injuries that take place when invasions are made, we pharmacists are very busy giving blood plasma and making the injured live. I am sure that the majority of the people of Plymouth are doing their best by giving blood."

What more need be said? Here are the words of a Plymouth lad who is helping dying American boys by pouring into their veins some of the very blood that you may have donated at some time in the past!

Have you registered yet? If not, it is suggested that you call the Beyer drug store, 211, of Mrs. H. R. Penhale at phone 252W. You can also register at the city hall.

Store Hours To Be Discussed

In an effort to determine just how satisfactory the Saturday evening store closing plan has been, the officers of the Plymouth chamber of commerce have sent a questionnaire to each merchant asking a number of questions.

It is for the purpose of determining whether the stores will remain open on Friday or Saturday evenings, or both.

The plan inaugurated sometime ago calling for the opening of the stores on Friday evening and closing on Saturday evening, has not worked out any too well, according to some of the merchants.

The chamber of commerce officials have asked if the merchants would prefer to remain open Friday evening or Saturday evening, or both. They also have asked if the merchants desire to close any afternoon during the summer months.

It is hoped to have these answers back by Thursday evening so that a decision can be reached at that time. If merchants desire to attend the meeting, they can be present and discuss the matter, even though they have already mailed in their answers to the questionnaire.

Poppy Day Saturday, May 20

Poppy Day
Saturday, May 20

Ray Danol Home on Brief Visit

EM/3c Ray Danol of the U. S. navy, arrived home Sunday for a brief leave of absence following the completion of his course at Whapeton, N. D., where he has been stationed for the past few months. He has been studying to serve as electrician's mate. Monday he will leave for the Pacific coast, but whether he will be stationed somewhere in California or be sent to the South Pacific, he has not been definitely advised.

Spends Day Greeting Old Friends on Her 90th Birthday

Monday, May 8, Mrs. Ella Chaffee of Church street celebrated her 90th birthday—and the event proved to be one of the happiest in many, many long years for this well known and prominent Plymouth lady.

Dressed in a new silk print gown and looking more like one around the age of 50 or thereabouts, Mrs. Chaffee spent the day greeting hosts of friends she has made during the years. A few of her close intimates remained for dinner in the evening.

Although lacking but 10 years of having rounded out a full century, Mrs. Chaffee remains as keenly alert and as active as one much younger.

School District and City Unite on Play Program

Recreation Planned
for Both Adults
and Children

The city commission and the Plymouth board of education at their separate meetings Monday night approved plans for an extensive recreation program for the city of Plymouth during the coming summer.

Under the agreement of the two groups, they will use all available facilities for the recreation program, and will divide the cost of it, which it is estimated will be about \$1,200.

The program will be administered jointly by Superintendent of Schools George A. Smith and City Manager Clarence Elliott.

A number of innovations over previous programs are planned, it was announced, but the entire program will follow the more or less set plan which has been used over the past several years.

The various neighborhood playgrounds will be utilized through the summer for youngsters 12 years old and younger. These playgrounds will be supervised by high school girls, who will in turn be under the direction of a paid woman director. The woman director will also direct afternoon activities for the 13 and 14 year old youngsters, it was announced.

The evening program, which will include an industrial baseball and softball league, and a junior league for the boys and girls, will be under the direction of a paid man director. It is also expected to conduct classes in archery, tennis and horseshoe pitching.

The innovations for the summer will include a continuation of the Friday night high school dances which have been so popular during the winter months. The age limit for these dances was placed at 21, to include the young men who are at home on leave from the armed services.

Then there will be two street dances for the entire population. It is planned to hold these around the community center on Church street.

And then, it is planned to foster the band under the direction of Clarence A. Luchtman. The high school band will be used as a nucleus for the city band, but adults also will be permitted to participate. It is planned to have at least five concerts during the summer months.

Fix May 20 as 1944 Poppy Day

May 20 is a day to be marked on the calendar—this year of all years.

May 20 is "Poppy Day," a day which since the first World War has been held sacred for the men who went to war and returned to a hospital.

May 20 will be on Saturday, and on that day the members of the Myron H. Beals post of the American Legion and the auxiliary, and members of the Ex-Service Men's club and its auxiliary, will sell poppies on the streets of Plymouth, poppies made by disabled veterans. And the funds obtained from the sale of the poppies will be used by the American Legion and other such organizations for the rehabilitation of these men who sacrificed everything but their lives for the rest of the nation.

May 20 is really a date, this year of all years, to be marked on the calendar, and a few coins saved up to drop in the poppy cans.

More Victory Gardens Will Be Planted Here

Chairman Jolliffe
Expects a Ten
Per Cent Increase

Robert Jolliffe, city chairman of the victory garden program for this year, reported this week that there will be a 10 per cent increase in the number of gardens this year as compared with last year.

And in making the announcement, he pointed out that now is the time to get the early vegetable seeds into the ground. This includes radishes, lettuce, early cabbage and other green plants which will not be damaged by the possibility of early frosts.

Some trepidation is felt for the garden program, however, despite the glowing report from the chairman. Seed dealers report there is a material drop in the volume of seeds sold this year. One dealer reported a third less sales to this time. Another dealer reported a 20 per cent drop.

Some of this loss may be attributed to the fact that many gardeners had seeds left over from last year, and some of the drop is attributable to the cold, wet spring, but the spring has not been as cold or as wet as last spring.

It is urgent to plant gardens this year. Despite the plentiful supply of vegetables at the present time, there is no certainty that there will be a plentiful supply next winter. The current plentiful supply is directly traceable to the successful victory garden campaign of last year. Failure this year in the victory garden program can very well bring a big shortage next spring.

Eaton Petitions Have Been Filed

Petitions bearing the maximum number of signers have been filed with the county clerk qualifying Elton R. Eaton of Plymouth as a candidate for the Republican nomination for state representative from this newly created district. In view of the fact that petitions sent out were returned completely filled, many more names were returned than could be filed. "A sincere thanks to all who so willingly took the time to have the petitions filled out," stated Mr. Eaton.

Vandals Destroy Store Awning

Someone, and there is no way of finding out just who, but someone is unconsciously a saboteur.

Someone, and it probably will never be discovered just who, tossed a lighted cigaret Sunday night about midnight into the rolled up awning at the Taylor & Blyton Main street store.

The cigaret set the awning afire, and destroyed it. Before the fire department arrived, the blaze had become hot enough to crack the large plate glass window in the front of the store.

The damage amounted to about \$400, according to John Blyton, manager of the store, but there was more than just money damage by insurance. But help is scarce. Awnings don't grow on trees. They have to be made. Big plate glass windows don't grow on trees either. They have to be manufactured.

And the men who used to make awnings and plate glass windows have gone to war. And the business of manufacturing a new awning for Taylor & Blyton, and a new plate glass window, constitutes a drain on the available manpower, which injures the war effort.

June 3 Last Day to Register

Saturday, June 3, is the last date that voters can register for the school district election which takes place on June 12. The office at the high school will be open between 3 o'clock and 8 o'clock in the evening on June 3 for the convenience of voters.

Petitions are in circulation for Michael J. Huber, who is at present serving as president of the board; Sterling Eaton, who was appointed to fill the vacancy caused by the recent death of George E. Fischer, and for Don Sutherland, a former board member.

LIVING MEMORIAL!

To honor the memory of Lieut. Robert H. O'Connor, son of Mr. and Mrs. Allan M. Giles, who gave his life for his country, the Gustaf Lundquist, Harvey Springer and R. A. Kirkpatrick families have arranged with the state of Michigan for the planting of an acre of pine trees in the Five Lake state forest located on M-137 near Sherman. Mich. Lieutenant O'Connor was recently killed in action while on a bombing mission over Germany.

Students to Run City Affairs Friday, May 19

James Latture
Has Announced List
of the Officials

By invitation of the city commission, the Plymouth high school government class will take over and operate the city Friday, May 19.

The class will be under the direction of James Latture and City Manager Clarence Elliott.

Succeeding Mr. Elliott in the city manager's chair for the day will be Ed Strong, it was announced by Mr. Latture. At the same time, he announced the list of other city officials, including a woman mayor—Shirley Lutermoser.

Other members of the city commission besides Miss Lutermoser will be Irene Niedospal, Valeria Kolin, Kenneth Brinks and Sanford Burr.

City treasurer will be Betty Spicer.

Five secretarial jobs were given to Elizabeth Karns, Norma Robinson, Lucille Zielasko, Joyce Whitehead and Catherine Trinka. Chief of police will be Robert Dale. He will have only one officer with him—Jack Vershure.

Other city officials for the day will be:

Fire chief—Wilfred Aubrey.
City engineer—Robert Schultz.
Health officer—Bernard Burt.
Cemetery Sexton—Arnold Phillips.

City mechanic—Ewart Gladstone.
Milk inspector—Warren Barget.
Meter reader—Robert Bingley.
Assessor—Robert Majors.

The commission meeting will be held at 1:30 p.m., but so far there has been no dominant issue for the commission to consider as there was last year, when there was a long debate on the issue of a recreation program.

Baccalaureate Plans Are Made

The Rev. George Rothery, pastor of the First Baptist church, will deliver the baccalaureate address for the Plymouth high school senior class, it was announced this week.

The baccalaureate services will be held in the high school gymnasium on the evening of Sunday, June 11. Commencement will follow that week.

Assisting in the baccalaureate services will be the Rev. Leonard Sanders, pastor of the Methodist church, who will issue the call to worship, and will deliver the benediction; the Rev. Francis Tetu, rector of St. John's Episcopal church, who will make the pastoral prayer, and the Rev. Henry Welch, pastor of the Presbyterian church, who will read the scripture.

Rev. Rothery has taken as his subject for his sermon, "Victorious Living."

Dr. Kelly Moves to Deer Street

Dr. John R. Kelly, who for the past nine years has practiced medicine at 249 South Main street, has moved his residence and offices to 543 Deer street.

His new location is an excellent one, located just a block south of Kellogg park and one block west of South Main street. In his former location on Main street, recently adopted city regulations prohibited parking on either side of Main street.

In his new location there will be parking space available for his patients who desire to call at the office. Dr. Kelly took over the practice of Dr. Patterson, following the death of the former well known Plymouth physician.

Plan For War Bond Drive

Plymouth Asked
to Buy More
Than Ever Before

Faith comes before Victory! While millions of American troops await the signal to start the final knock-out blow of the war in Europe and Japan, Plymouth's war bond workers are preparing to conduct the most energetic drive ever made in this or any other community for funds to back up our fighting boys on the battle fronts of the world.

Monday, Mrs. Walter Kellogg Sumner, general chairman of the U. S. treasury women's war bond committee of Plymouth, and Elton R. Eaton attended a meeting in Detroit of all the war bond committee executives from the vast metropolitan district. They heard State-Chairman Frank N. Isbey outline details for the tremendous drive that will be launched June 1.

They heard the demand that the Fifth war loan drive must be the most successful of all the war bond campaigns that have so far been conducted.

And they heard the war bond battle cry, "We don't stop buying until our boys stop dying!" For more than three hours every detail of the fifth war bond campaign was discussed.

"The quota is a big one this time—but we are going to make it," declared Chairman Isbey.

"The people have the money. And they know there is no better investment in the world than the purchase of war bonds. Every penny that goes into a war bond not only directly helps our boys at the front, but it helps to provide for our own security in the years that lie ahead," stated Mr. Isbey.

Like in all previous campaigns, the bulk of the work will fall upon the women. As a result, Mrs. Sumner is not wasting any time in preparing for the big drive.

She has requested Mrs. Kenneth Gust, chairman of the V-women committee, to enlarge her group because of the fact that there will be more work for this committee to do in the forthcoming drive than in the last drive.

Superintendent George A. Smith and his teaching staff have already started the school drive, which must precede the major bond drive because of the early closing date of the schools.

Ferndale Mayor Kiwanis Speaker

"As long as we retain the right to vote in this country, I am not fearful of a dictatorship," Mayor Carl Forsythe of Ferndale told members of the Plymouth Kiwanis club at their meeting Tuesday evening. Mayor Forsythe, a well known attorney of Oakland county, was invited to address the Plymouth Kiwanians by Roy Clark, an active member of the organization. The theme of his interesting address was based on the belief that out of the present turmoil, America will emerge a better and greater country.

Many members of the local Kiwanis club attended the divisional meeting at South Lyon Thursday evening. The district governor was present at the session.

Wallace Eckler Is Home on Visit

Wallace Eckler, yeoman 2/c in Uncle Sam's navy, is at present at home enjoying a 15-day leave with his parents, Mr. and Mrs. William Eckler, and his many friends. The young navy man, who has been stationed somewhere in the Caribbean during most of the time in the last two years, is looking much better than he did when home on sick leave a year ago. He has entirely recovered. On his return to duty he expects to be a guest in Washington of Chaplain Clinton Wunder, one of the best known religious leaders in the naval service. Wallace was employed for a time in the chaplain's office when he was stationed in the West Indies.

How Charles Schultz of Northville Built Garage in Less Than Two Weeks

When a good neighbor is in distress and he needs help that cannot be hired, what do they do over in Northville? Does everybody sit around and whine that it's just too bad, poor fellow, we feel sorry for him—and do nothing about it? Not on your life!

Some weeks ago a fire of unknown origin completely destroyed the garage belonging to Charles Schultz.

It is as impossible in Northville to hire help as it is in Plymouth. Mr. Schultz was plainly worried. He could get the materials to rebuild—but the necessary labor—that was the big problem.

Some eight or ten of his friends and neighbors got their heads together. They told Mr. Schultz to get the necessary materials on the ground.

Farmers, fruit growers, retired business men, all decked out in work clothes, showed up one fair morning and before Mr. Schultz fully realized what was going on, the entire foundation for the new garage had been laid. By the end of the week, the cinder block walls had been laid, the roof was on and the windows had been placed.

It was impossible to buy the type of doors needed for the garage, so the friendly workers decided to build the type of doors needed. Within two weeks from the time these workers started on the job, the entire building had been completed—and the only thing that Mr. Schultz had to pay to his friends was a mere thank you—but it was a thank you direct from the heart, you may know that.

Local News

Mr. and Mrs. Jack Taylor were hosts to their club Tuesday in their home on Sunset.

Mr. and Mrs. Eldon Biery of Northville were guests Saturday evening of Mrs. Kenneth Martin.

Cpl. Rhea Marquis, WAC, sister of SK3/c Norman Marquis, has written to relatives here that she has arrived safely in England.

Mrs. James Winterhalter (Charlotte Jolliffe) has returned from Boston, where she has been visiting her husband, Ensign Winterhalter.

Sgt. Jack Warkup left this week for Camp McClellan, Ala., after spending three weeks with his family, Mr. and Mrs. John Warkup.

S2/ Clarence Kincaid Jr., son of Mr. and Mrs. C. E. Kincaid, was home on a week-end leave from Great Lakes, Ill. He returned Sunday evening.

Mrs. R. D. Merriam will spend the week-end with her daughter, Margery, at Bowling Green State university. The university is observing a special week-end celebration in honor of Mother's day.

Pvt. Maurice C. Ferguson returned to the Aberdeen proving ground, Maryland, last week-end, after spending a 21-day furlough with his wife and son in Plymouth.

The Sarah Ann Cochrane chapter, DAR, will meet at the home of Mrs. Harry Deyo, 808 Church street, on Monday, May 15, at 2 o'clock. This will be the annual meeting and tea for the DAR award winners.

The Tuesday Contract club held its final meeting Tuesday evening, when the losers of the year entertained the winners at a late supper at Chateau Rousseau. Mrs. George Burr was elected president of the club for the coming year. Mrs. Smith is the retiring president.

The Woman's Society of Christian Service of the Newburg church met in the church hall Wednesday. A pot-luck luncheon was served. After the luncheon the meeting was called to order by the president, Mrs. Robert MacIntyre. The program consisted of a splendid paper by Mrs. Arnold Nolte about Austria and her early life there. Mrs. Dale Liscum gave a preview of the book, "The Silent Billion," by Frank C. Laudbach.

Mrs. M. A. Arnold, chairman of the Plymouth group of the Red Cross canteen aide announces that a 10-hour practice class, with 10-hour practice work, will begin Monday, May 15. Anyone interested in the course may call Mrs. Arnold, phone 1057-W, or Mrs. Harry Hudson, 389-J.

Mrs. Robert Gotts and Miss Betty Brown gave two anniversary dinner parties last Saturday and Sunday in honor of their parents, Mr. and Mrs. Harry Brown, who have been married 25 years. The celebrations were held in the Brown home on Maple avenue.

Signalman 2/c Marvin Kleinschmidt spent the week-end with his wife, Lois, and his parents, Mr. and Mrs. Walter Kleinschmidt. Sunday a dinner was given for him at the Kleinschmidt home. The guests were Mrs. Marvin Kleinschmidt, Mrs. Kenneth Kleinschmidt and son Carl, Mrs. Charles Coyle, Mr. and Mrs. W.

F. Taylor and Mrs. William Ridley.

Mr. and Mrs. George Farwell entertained Thursday evening in honor of F/3c Ray Danol, who is home on leave. The guests were Mrs. Danol, Mr. and Mrs. Frank Walsh, Mr. and Mrs. Howard Wood, Mr. and Mrs. Kermit Smith, Mr. and Mrs. Walter Anderson, Mr. and Mrs. J. Stremich, Miss Helen Klaska and Mrs. Kenneth Gust.

A farewell surprise party, arranged by their friends, was given Sunday to Mr. and Mrs. William Simpson, who are leaving Plymouth next week. The Simpsons recently sold their business and home and intend to reside most of the year at their Houghton Lake summer residence. A pot-luck dinner was served during the evening, and a very acceptable gift was presented them by their friends. Included in the party were Mr. and Mrs. Walter Harms, Mr. and Mrs. Manna Blunk, Mr.

and Mrs. Ralph Lorenz, Mr. and Mrs. Floyd Wilson, Mr. and Mrs. Ken Corey, Mr. and Mrs. William Rose, Mr. and Mrs. Gus Lundquist, Mr. and Mrs. Lon Brocklehurst, Mr. and Mrs. Halvar Blomberg, Mr. and Mrs. Knute Anderson, Mr. and Mrs. Lynn Felton of Rochester, and Mrs. R. S. Chamberlain and daughter of Detroit. Mrs. Chamberlain is a sister of Mrs. Simpson.

The home of Mr. and Mrs. Herbert Rorabacher on Pacific avenue was the scene of a very pleasant gathering on Saturday, April 29, when the Sunset circle held its regular pot-luck supper and game night. The attending members were Mr. and Mrs. Lee Turbett, Mr. and Mrs. Louis Straub, Mr. and Mrs. John Chaney, Mr. and Mrs. Harlow Williams, Mr. and Mrs. Donald Munro, Mr. and Mrs. Allan Schreuer and Mr. and Mrs. Manford Becker.

Church News

Hours of services and notices of church organization meetings.

FIRST METHODIST — T. Leonard Sanders, minister; Mrs. O. Conner, director of music. Sunday, May 14, is Mother's Day.

10 O'clock Church School with classes for all, classes for children of all ages, and young people, a Booster Bible class for adults. Wesley Kaiser, Supt.

11 O'clock Morning Worship with special Mother's Day music by the Choir. Subject "Home In a Changing World."

The Youth Fellowship will have a Mother's Day Bookmarker for each mother present. Plan to attend—Bring your mother.

8:30 Youth Fellowship Hour. Monday 3:30 Girl Scouts; 7:30 Boy Scouts.

Thursday, 8 O'clock Adult Choir Rehearsal.

Keep in mind—The sanctuary of the church is open every day from 9 o'clock in the morning until 9 o'clock at night for those who wish to enter for rest, prayer and meditation.

FIRST PRESBYTERIAN — Rev. Henry J. Walch, pastor, 737 Church street, phone 138. Sunday, May 14, Church school at ten o'clock, with classes for all. Morning worship at eleven o'clock, with the pastor preaching a Mother's Day sermon. The Children's Choir, under the direction of Mrs. Gerald Honorp, will sing an anthem based on Tschaiakowsky's "None But the Lonely Heart."

The Senior Choir, under the direction of Miss Loretta Petrosky, will also sing. The Youth Fellowship will have a Mothers' Day program at 6:30 o'clock, to be followed by a tea for the mothers and the group, in the parlors. The Ready Service Circle will meet on Tuesday, May 16th, at 12:30 p.m. in the home of Mrs. C. Lueke, 1108 Beech street. The Sunday school teachers and officers will meet on Wednesday evening, May 17, at 7:30 o'clock, promptly, for their May meeting with the superintendent, Mr. Steve Wall, in charge.

CALVARY BAPTIST—Ann Arbor trail at Elizabeth street; Lynn B. Stout, pastor. As you read this notice, the two weeks of special evangelistic services are nearly over. Tonight—Friday—our evangelist will be speaking upon a "Wild Night in the Capitol" or "Sin in High Places." You should be in to this service. This Sunday

will be his closing day—speaking at both morning and evening services. There has been a steady increase of attendance during these meetings with nearly every seat taken last Sunday night. Monday—last night—was a very rainy night yet the attendance was double of the preceding Monday. We are expecting you in to these closing services.

ST. JOHN'S EPISCOPAL—Maple and South Harvey streets; Rev. Francis Tetu, rector. Sunday morning services: Church school at 9:45 a.m. Morning prayer with sermon at 11 a.m. Mother's Day program will be observed.

BEREA GOSPEL CHAPEL (Assemblies of God Church)—Corner of Ann Arbor trail and Mill street; Rev. Sanford Cook, pastor. Sunday school, 10 a.m.; morning worship, 11 a.m.; junior church, 11 a.m.; evening service, 7:45 p.m.; mid-week service on Wednesday evening at 7:45. Sunday is Mother's Day. Come and enjoy the services with us. Golden Text, "The Son of Man is come to seek and to save that which was lost" (Luke 19:10).

SALEM FEDERATED — C. M. Pennell, pastor. Sunday morning worship, 10:30 o'clock. The pastor plans to bring a Mother's Day message on the subject, "The Better Part." Bible school, 11:45 a.m.; Sunday evening Hymn Sing, 8 o'clock. Geraldine Oliver, leader. Cottage prayer meeting Wednesday evening, 7:30 o'clock.

NEWBURG METHODIST — Minister, Verle J. Carson, 9614 Newburg Rd., Plymouth 860W4—Sunday morning worship 10:00 a.m. The minister will speak on "Praying Mothers." This will be a Mother's Day service. The Sunday School meets at 11:00 a.m. under the direction of Mrs. Donald Ryder as superintendent. We have a fine Church School. You will enjoy our fellowship. The young people will have their service at 6:30 p.m. They are inviting their mothers to worship with them this Sunday evening. Wednesday: Annual Mother and Daughter Banquet at the hall at 6:30 p.m. The speaker will be Mrs. Wilbur Ale of Detroit. Tickets may be obtained from any member of the Fidelis Class. Our annual meeting will be on Wednesday evening of May 24.

ST. PAUL'S EVANGELICAL LUTHERAN — Corner Farmington and Five Mile roads; Theodore Sauer, pastor. Divine service, 10:30 a.m.; Sunday school, 9:45 o'clock. You are cordially invited to attend.

ST. PETER'S LUTHERAN—Edgar Hoeneke, pastor. Sunday services, 10:30 a.m.; Sunday school, 9:30 a.m.; mid-week Lenten vespers, Wednesday, 7:30 p.m.

FIRST BAPTIST — North Mill and Spring streets; George W. Rothery, pastor, telephone 1043. Sunday school, 10 a.m.; morning worship 11 o'clock; evening service, 7:30 p.m.; mid-week service, 7:30 p.m. Wednesday evening. If you have no church home, you are welcome at any of our services, one block north of Plymouth road on North Mill street.

LIVONIA COMMUNITY — Farmington road near Five Mile road; Rev. Albert J. Luibrand, pastor. Sunday school, classes for every age, 10:30 a.m.; morning worship service, 11:30 a.m. This is children's Sunday. Bible study and prayer meeting, Thursday evening, 7 p.m.; choir practice, Thursday evening, 8 p.m.; Friendship circle, Wednesday, May 17, 1 p.m.; evening worship and song service at 7:30 p.m. last Sunday of each month. Young people's meeting at 7 p.m. last Sunday of each month. This is for young boys and girls of the community from 12 years on up. This is an undenominational church and everyone in the community is cordially invited to attend.

ROSEDALE GARDENS PRESBYTERIAN—John B. Forsyth, minister. Sunday, May 14, at the 11 o'clock Mother's day service, the mothers of our service men are especially invited to be guests. The Christian Youth league will meet at 6:30 and Mrs. Arthur Bixler, teacher at Plymouth high school, will speak. All high school young people are invited. The board of trustees will have its regular meeting tomorrow (Thursday) evening at 8 o'clock in the church basement. The church school staff will meet Monday evening, May 15, at the home of Mrs. Tony Mepians, 32206 West Chicago.

FREE METHODIST MISSION—1058 South Main street; Fred Highfield in charge. Sunday school, 2:30 p.m.; preaching, 3:30 p.m.; prayer meeting, Tuesday, 7:45 p.m. Welcome to all to worship with us.

ST. PETER'S LUTHERAN—Edgar Hoeneke, pastor. Sunday services, 10:30 a.m.; Sunday school, 9:30 a.m.; mid-week Lenten vespers, Wednesday, 7:30 p.m.

Gloria Jones Becomes Bride of Coast Guardsman Fowler

Gloria Jones, daughter of Mr. and Mrs. Grayson Jones of Church street, was united in marriage to M.M. Fowler Jr., son of Mr. and Mrs. William Fowler of Plymouth road, on Wednesday evening, May 10, at 8 in the Methodist church.

Rev. T. Leonard Sanders read the service.

The bride, given in marriage by her father, was becomingly gowned in a white crepe street length dress with pink accessories. Her corsage was of pink rosebuds, sweetpeas and lilies of the valley.

Miss Carolyn Castle acted as maid of honor and Miss Catherine Micol as the bridesmaid. Both girls were dressed in aqua street length dresses, and their corsages were of carnations.

Pfc. Grayson Jones Jr., brother of the bride, home on furlough from Camp Pickett, Virginia, was best man.

Richard Jones, another brother of the bride, was usher.

The bride's mother was dressed in a flowered silk jersey and wore a corsage of white sweetpeas. Mrs. Fowler wore a two-piece blue crepe dress and a corsage of gardenias.

The young couple left Thursday for Virginia, where the bridegroom is stationed. Mr. Fowler has been in several major battles and will soon receive the Distinguished Service Cross.

Lovely Gifts for a Lovable Lady—Your MOTHER

Remember MOTHER She's a Hero, Too

All honor to mother for the heroic way she's smiled through the heartaches and hardships of wartime. Honor her with gifts that are gay and cheerful... gifts that are lovely tributes to a lovely lady. We've ever so many such gifts from which to make your selection... economically priced, but rich in beauty and loving thought. "Mom's the word" this Sunday, so let a gift from Dodge's speak volumes for your devotion to her.

MEMORIES OF MOTHER'S DAY

This day we think of Mother. Whose Heart was kind and true. For we, the pride of Mother's Heart. Who could all our sorrows share. It was Mother who rocked the cradle, And watched her darling sleep, And prayed to God in Heaven Her little one to keep. And in Dear Mother's prayer were The guiding words of life. —Contributed.

Legals

Weddings

LAWSON-FOLSOM
Jacqueline Lawson, daughter of Mr. and Mrs. Jack Lawson of Richland road, became the bride of Ernest E. Folsom of Plymouth Saturday afternoon, May 6, at 5 o'clock.
The ceremony was performed by Rev. John E. Contway of St. Michaels parish, Rosedale Gardens.
The bride wore an afternoon dress of pale rose with white accessories and a corsage of white gardenias.
Marian Lawson, the bride's sister, was maid of honor, wearing a dress of light blue and a corsage of pink carnations.
Charles Folsom, the bridegroom's brother, was best man.
A dinner was served at the bride's home for the immediate families, following the ceremony and a reception was held in the evening with 50 guests attending.

Obituaries

John O. Wiley
Funeral services were held on Tuesday afternoon at the Becker funeral parlors, Detroit, for John O. Wiley, who passed away Sunday morning at Henry Ford hospital. Deceased was for many years an inspector in the body plant department of the Ford Motor Car company. Surviving are two daughters, Mrs. Frank Dorsey, Detroit; Mrs. William Thornton of Nevada, and a sister-in-law, Mrs. Nellie Greenlaw of this city. Mrs. Wiley passed away in the year 1935. Interment was in Grand Lawn cemetery, Detroit.

Archie Howel Johnson
Funeral services were held on Wednesday, May 10, at the Schrader funeral home at 2 p.m. for Archie Howel Johnson, who had resided at the Mayflower hotel and held the position as hotel clerk for the past 15 years. Deceased was born on June 13, 1869, to Isaac and Sarah Johnson, in Northville township, and passed away Monday afternoon, May 8, at the age of 74 years. He was the brother of the late Milo Johnson of Northville, who preceded him in death a few months ago. Surviving are his sister-in-law, Mrs. Lida J. Johnson, and a cousin, Mrs. May Dean, both of Northville; several other relatives and friends. Rev. Henry J. Welch officiated. Services were under the auspices of the Northville Masonic lodge. Two hymns were rendered on the organ by Mrs. M. J. O'Conner. The active pallbearers were Messrs. Arthur Frost, Carl Shear, Ernest Allison and Paul Wiedman. Interment was in Rural Hill mausoleum, Northville, Mich.

William Bakewell
Funeral services were held on Thursday, May 11, at the Schrader funeral home at 2 p.m. for William Bakewell, who resided at 40676 Plymouth road for many years and passed away Monday evening, May 8, at the age of 78 years. Surviving are his widow, Mrs. Minnie Bakewell; two sons and one daughter, G. A. and Nelson Bakewell, and Mrs. Beatrice Cochran, all of Plymouth; 12 grandchildren and two great-grandchildren; two brothers, Chris Bakewell of England, and Herbert Bakewell of Wayne, and a host of other relatives and friends. Rev. Francis Tetu officiated. Two hymns were rendered by Mrs. J. T. Chapman, accompanied at the organ by Mrs. M. J. O'Conner. Active pallbearers were nephews of Mr. Bakewell. Interment was in Riverside cemetery.

Mrs. Bertha C. Sherwood

Following a long illness, Mrs. Roger Lewis Sherwood of 14290 Northville road died Monday evening, May 8, in Harper hospital in Detroit, where she had been taken on March 18 for treatment. Mrs. Sherwood was born October 31, 1881, in Byron Center, Mich. Her parents were Mr. and Mrs. Clark Ide of that place. She was married to Roger L. Sherwood in 1900. It was some eight years after their wedding when they moved to Wayne, where they resided for 21 years. In 1930 they moved to Lewiston. During their residence in Wayne, Mrs. Sherwood was active in the Collins Rebecca lodge, serving in its various official positions. She was also a member of the Atlanta chapter of the Eastern Star. She joined the Congregational church in Lewiston and served as president of its Ladies Aid for three years. Surviving is the husband, her mother, Mrs. Sarah Ide, both of Plymouth, and a daughter, Mrs. Selma Goudy of Detroit, and a host of other relatives and friends. Funeral services will be held at 2 o'clock today (Friday) from the Schrader funeral home, Rev. T. Leonard Saunders officiating. The pallbearers will be Floyd Reiser, Lon Kleiver, Floyd Taylor, Albert Harrison, Lloyd Townsend and Forest Calkins. Interment will be in Riverside mausoleum.

FIRST CHURCH OF CHRIST, SCIENTIST — Sunday morning service, 10:30; Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service, 8:00.

NOTICE TO BIDDERS

Sealed proposals will be received by the Board of Education, Plymouth, Michigan, up to 8:00 P.M., Eastern Standard Time, June 5, 1944, at the Board of Education offices, at which time and place bids will be publicly opened and read for the Painting and Decorating of the interior of the Central High School, Plymouth, Michigan.

Specifications under which work is to be done may be examined and copies obtained at the office of the Superintendent of Schools, Church St., Plymouth, or Thomas W. Moss, architect, 1279 W. Ann Arbor Trail, Plymouth.

Each proposal shall be accompanied by a certified check for five (5%) per cent of the amount of bid submitted, payable to the Board of Education, Plymouth, Michigan, as security for the acceptance of the contract. A Bid Bond similar in form to the United States Government Standard Form of Bid Bond by a Recognized Surety Company drawn in favor of the Board of Education may be furnished in lieu of a certified check.

No bidder may withdraw his bid within 30 days after date set for the opening thereof.

The right is reserved by the Board to reject any and all bids, and to waive irregularities in any bid in the interest of the Board.

HOWARD W. STARK, Secretary, Board of Education.

Sunday Morning 11:00 BIBLE EXPOSITION Sunday Nite - 7:30 GREAT CLOSING EVANGELISTIC RALLY

Message on: "SOWING and REAPING"

Can You Picture MICHIGAN without its War Activities?

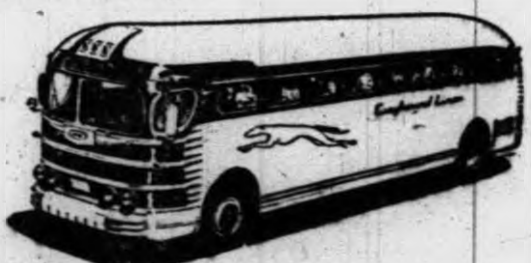

War is a long way from Michigan — but in so many ways it's mighty close to us. Our men are fighting all over the world — our factories and farms are producing an endless stream of supplies our troops depend upon. But even that isn't all — it wouldn't be enough!

We have so much more to do right here in Michigan — jobs that are up to all of us, jobs that must be well done. In the 4th War Bond Drive, for instance, we in Michigan bought \$585,000,000 worth — 33% above our quota — but we're keeping right on buying more and more! We've gladly given our money and more than 374,000 donations of our blood to the Red Cross — and hundreds of thousands of hours of our time to making surgical dressings and kits for our men overseas.

We've supported and worked for the U.S.O. and various war relief groups.

We've built and maintained an efficient Civilian Defense organization. We've collected scrap and rubber, tin and fats. Whatever has been asked, Michigan has done — and then some!

The men and women of the Greyhound Lines, like their fellow-citizens of Michigan, have shared in all of these activities. They've also shared in the vital job of moving wartime manpower — in uniform or in work clothes. Greyhound buses — by making near neighbors and good neighbors of all the communities they serve in this State — by linking cities, war plants, farm centers, and military camps and bases — are helping to keep Michigan's war efforts rolling toward Victory!

- Sun Dial Gift Box \$3.50.

COMMUNITY PHARMACY

Present Church A Service Flag

The Rev. Henry Walch, pastor of the First Presbyterian church, told his congregation Sunday that he is behind the war effort because if we should lose the war, then there is no hope for moral or political freedom for the next 1,000 years.

Rev. Walch preached a patriotic sermon in connection with the presentation of a service flag to the congregation; an American flag and a troop flag to the Girl Scout troop of the church and a troop flag to the Boy Scouts.

The Woman's auxiliary of the church presented the congregation with a service flag, which had the stars sewed on the white field in the shape of a cross. Under the cross of stars is the figure "85," which represents the number of men from the church congregation who are now in the armed services.

After the flag was consecrated with a prayer, it was received on behalf of the service men by Lieut. Lawrence Arnold of the army, and Naval Cadet James Measel.

In his sermon, Rev. Walch said that he represents the views of the conscientious objectors to war, but that he doesn't necessarily agree with them.

This war, he said, is a struggle to conquer destiny. We have, he went on, a moral stake in the war, because if we lose the war, we will have lost all hope for political or moral freedom for the next 1,000 years.

The war, he said, is a consequence of bad international relations. Those who are against the war, he declared, are those people who want to eat their cake and have it, too.

It is possible, Rev. Walch asserted, to have a just and durable peace, if we build on the values of wisdom and intelligence, and not on the values of taking whatever may be wanted by anyone who has the power to take it. We must have our wills controlled by intelligence.

Tells Best Methods in Preserving Garden Products

The Plymouth branch of the Woman's National Farm and Garden association met last Monday afternoon at the home of Mrs. George Chute on Garfield avenue with about 35 members present.

Mrs. Emma DuBord, Wayne county home demonstration agent, talked on "Deep Freeze and Gardening for Vitamins." She gave many helpful suggestions as to the best vegetables to freeze and the best for canning, and how to prepare vegetables for each process.

To retain vitamins in vegetables, speed is one of the principal requirements. "One hour from the garden to the jar" is urged as a good slogan.

At the close of the meeting tea and cake were served. The June meeting will be held at the home of Mrs. Austin Whipple.

Removing Prunings
With a tractor-mounted brush pusher, one man can remove heavy prunings from 10 acres of orchard in a 10-hour day.

Neck Plumage
Hackle is the neck plumage of male birds formed from the long narrow feathers that are peculiar to males.

Psychiatric Rejections
Up to April, 1943, almost half a million men had been rejected for psychiatric reasons.

STATE OF MICHIGAN
County of Wayne, ss.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit on the seventeenth day of April, in the year one thousand nine hundred and forty-four.

Present, Joseph A. Murphy, Judge of Probate.

In the Matter of the Estate of MARRSHALL GLEASON, Deceased.

On reading and filing the petition, duly verified, of Ivah G. Bentley, executrix of the last will and testament of said deceased, praying that she may be licensed to sell certain real estate of said deceased deceased for the purpose of paying the debts of said deceased and the charges of administering said estate:

It is Ordered, That the fifteenth day of May, next, at ten o'clock in the forenoon, at said Court Room be appointed for hearing said petition, and that all persons interested in said estate appear before said Court at said time and place, to show cause why a license should not be granted to said executrix to sell real estate as prayed for in said petition. And it is further Ordered, That a copy of this order be published three successive weeks previous to said time of hearing, in The Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

JOSEPH A. MURPHY, Judge of Probate.

(A true copy)
ALFRED L. VINCENT, Deputy Probate Register.

Apr. 28, May 5-12-44

TO THE HIGHWAY COMMISSIONER OF THE TOWNSHIP OF NANKIN WAYNE COUNTY, MICHIGAN:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held Thursday, April 13, 1944, decide and determine that the certain section of road described in the minutes of said Board, heretofore taken over as a County Road, should be absolutely abandoned and discontinued as a public highway. The minutes of said meeting fully describing said sections of road are hereby made a part of this notice, and are as follows:

"Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Barlum Tower, Detroit, Michigan, at 10:00 A.M., Thursday, April 13, 1944.

Present: Commissioners O'Brien and Brown.

Commissioner Brown moved the adoption of the following resolution:

"WHEREAS, this Board has received a petition from seven freeholders of the Township of Nankin, for the abandonment and discontinuance of that part of Dorsey Road, 66 feet wide, in the northeast 1/4 of Section 27, Town 2 South, Range 9 East, Nankin Township, Wayne County, Michigan, as beginning at a point on the south line of said road, said point of beginning lying north 0°35'45" east 1281.95 feet along the east line of said Section 27, and north 89°43'27" west 1364.93 feet along the south line of said Dorsey Road from the east 1/4 corner of said Section 27; thence continuing along said south line of Dorsey Road north 89°43'27" west 710.44 feet; thence north 61°29'36" west 65.42 feet; thence north 66°02'15" west 87.26 feet to a point on the north line of said Dorsey Road; thence south 89°43'27" east 924.57 feet along the north line of said Dorsey Road; thence south 52°57'27" west 108.87 feet to the place of beginning, being in all 0.156 miles of road.

WHEREAS, pursuant to said petition and in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the State of Michigan for the year 1909, and amendments thereto, this Board did, by resolution dated the 30th day of November, A. D. 1943, resolve that a hearing be held on said petition on the 4th day of January, A. D. 1944, at 11:00 A. M. at 3800 Barlum Tower, Detroit, Michigan, to determine the necessity or advisability of abandoning and discontinuing said road; and

WHEREAS, pursuant to the above mentioned statute, this Board did appear with the return of Bernard M. Burk, filed with this Board on the 4th day of January, A. D. 1944, cause a notice of said hearing to be served upon all of the owners and occupants of lands intersected by or adjoining said road; and

WHEREAS, the said hearing was held at the time and place appointed by said resolution and this Board did then proceed to view the premises in accordance with the statute; and

WHEREAS, it appearing from said hearing and view of the premises that the public would have no further use for the said petitioned to be abandoned and discontinued; and

NOW, THEREFORE, BE IT RESOLVED, that the portion of Dorsey Road, 66 feet wide, in the northwest 1/4 of Section 27, Town 2 South, Range 9 East, Nankin Township, Wayne County, Michigan, and being more particularly described as: Beginning at a point on the south line of said road, said point of beginning lying north 0°35'45" east 1281.95 feet along the east line of said Section 27, and north 89°43'27" west 1364.93 feet along the south line of said Dorsey road from the east 1/4 corner of said Section 27; thence continuing along said south line of Dorsey Road north 89°43'27" west 710.44 feet; thence north 61°29'36" west 65.42 feet; thence north 66°02'15" west 87.26 feet to a point on the north line of said Dorsey Road; thence south 52°57'27" west 108.87 feet to the place of beginning, being in all 0.156 miles of road, be and the same is hereby abandoned and discontinued as a public highway.

BE IT FURTHER RESOLVED, that this Board believes it to be to the best interest of the public that said Dorsey Road so abandoned and discontinued should be absolutely abandoned and discontinued as a public highway.

The motion was supported by Commissioner O'Brien, and carried by the following vote:

three months from the date of this order, and that in default thereof said Bill of Complaint will be taken as confessed. It is further ordered that within thirty days said Order shall be published in The Plymouth Mail, a newspaper published in the County of Wayne, and that such publication be continued therein at least once in each week for six weeks in succession and that a copy of the Order be served on said Defendant by registered mail, as required by law.

ARTHUR WEBSTER, Circuit Judge.

Possum Killed on Main Street

Guess there isn't much question about the country being headed right back to the Indians!

Who'd ever believe in these days of civilization folks would be running over possums right here in Plymouth with their automobiles, but that is just what has happened.

A nice, big, fat possum, good enough for any man's kettle, was flattened out on the paving at the corner of Main and Church streets Saturday night just as flat as any pancake that ever came off the griddle.

Hunters say that possums are getting so thick around here that they are wondering if they have also caught the migrating fever.

Veterans to Get Phone Co. Aid

George M. Welch, president of the Michigan Bell Telephone company, has announced the adoption by the company of a comprehensive job plan for its employees returning from military service in World War II.

A statement under Welch's signature, the announcement said, is being sent to all of the company's 2,800 employees now in the armed forces, both at home and abroad, advising them of the details of the plan for their re-employment.

The plan provides for: Prompt attention to the case of every veteran.

Individual interviews and medical examinations in order that veterans be placed in work for which they are best qualified.

The same basic wages or salaries as they had when they left, plus any general increases during their absence, for those returning to their old jobs at the same or similar locations.

Sickness disability benefits, under the company's employees' benefit plan, for the temporarily disabled, pending their recovery sufficiently to return to work.

Special training to fit handicapped veterans into work in which their qualifications best can be utilized.

Assistance in contacting the best governmental agencies for the permanently disabled, incapacitated for work of any kind.

"As a matter of policy," Welch said, "we intend to live up to and beyond the spirit of legislation covering the reemployment of veterans returning from military service. Our employe veterans will resume work on the same basis and will be accorded the same treatment as all other regular employes of the company, and an effort will be made to place each in the job that will bring out his maximum capacity and best further his well being. With that as the objective, the physical examination of the returning employe and all interviews, with him are directed toward proper placement."

Mrs. Murray Will Be Starkweather PTA Speaker on May 18

Mrs. Belle Farley Murray will be the guest speaker at the Starkweather PTA meeting Thursday evening, May 18, at 7:30 p.m. in the school auditorium.

Mrs. Murray needs no introduction to Plymouth, as this is her home town and she is nationally known as an authority on child care and lectures throughout the middle west from the University of Michigan extension course.

Girl Scout troop No. 8, sponsored by Starkweather PTA, and Mrs. Lidgard's Brownies and their parents will be special guests that evening in honor of Mother and Daughter month.

The new officers for the coming month will be installed. The public is cordially invited.

Erect Monument to Famed Relative of Plymouth Resident

Stanford Stubblefield, manager of Wolf's market, was amazed the other day to notice in the questions and answers column of a Detroit newspaper a reference to his cousin, Nathan B. Stubblefield of Murray, Ky., who is credited with having experimented with broadcasting.

A monument has been erected to his memory at Murray State Teachers college, and the information supplied in the article says that he made his first broadcast in Philadelphia in 1902.

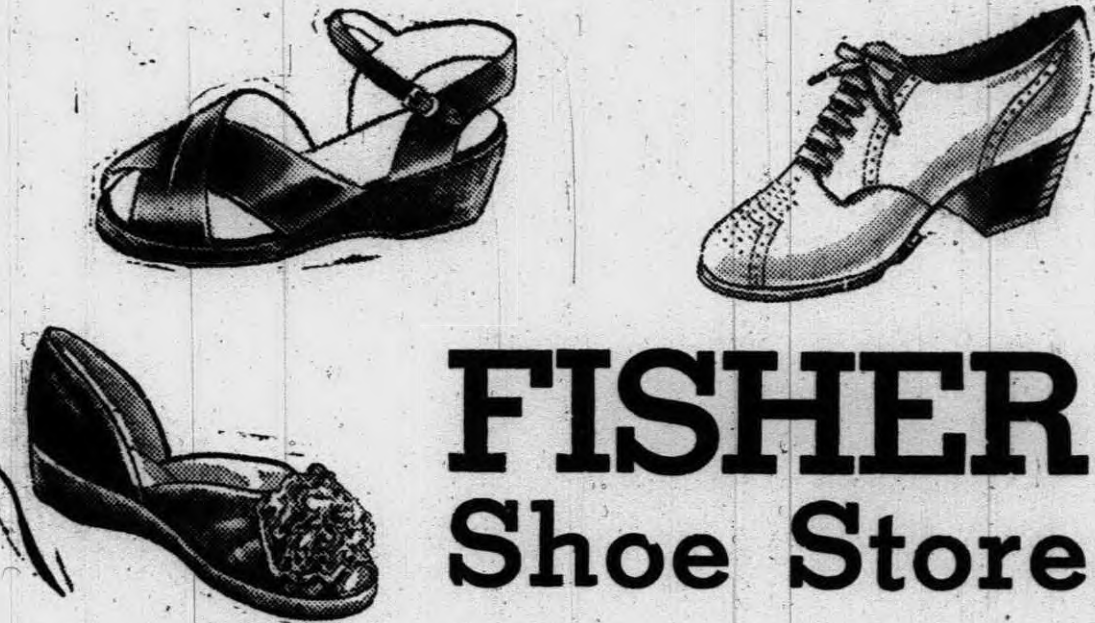

Patents were not issued, however, until six years later.

May 14th is

MOTHER'S DAY

Why not remember "her day" by presenting her with a pair of our pretty boudoir slippers . . . or our smart shoes . . . rationed or unrationed? Nothing would please her more.

FISHER Shoe Store

MOTHER'S DAY

Sunday is the day we pay a special tribute to the mothers of America and truly isn't it the mothers who are making the great sacrifice today?

Yes, we admit we have very little for mothers and that our business is with the fathers and their sons . . . but even so, we appreciate the great sacrifices being made by American mothers and we want them to know we're thinking about them and extend to them our sincerest congratulations on this day.

Principal's Office Center of Activity

Although an enormous amount of business for the school is taken care of in the main office, Mr. Dykhouse's office also is a scene of much activity.

The classifications of all students are taken each spring for the following year and a record of every boy and girl in school at present is on file. These cards show where the student is every hour of the day. Whenever schedules are changed, it is here that they are recorded. Also, when new students enroll, Mrs. Bentley sends a request to the school they last attended for their credits and scholastic record. Likewise, when students move to other districts, their records are sent to the schools.

Mr. Dykhouse's office is responsible for sending out the report cards of everyone to the teachers. There are 1,075 cards, all of which are filed in the office and at the end of each marking period the attendance records are marked on them by the office staff. In addition, if at the end of five weeks a student has been absent 8 per cent of the time, his excuses other than those for illness are sent home to be examined by his parents. In fact, the duplicate absence excuses of every student are kept for a semester and then discarded.

Every day the girls who work in the office take notices to the teachers third and sixth hours. These girls must be in their second year of shorthand in order to receive credit for office experience, but a few girls work merely for the experience alone. It takes the better part of an hour, about 40 minutes, to collect all absence sheets, and it is not until noon the following day that the recording of daily attendance is completed.

Records of teachers' absences and time put in by substitutes are handled by Mrs. Bentley and then the payroll is taken care of by the main office.

The general bank account for all clubs and classes in school must be directed by the upstairs office and checks and deposits for these are made through this office. Supplies of hall permits and teachers' absence sheets are also kept by the principal's office and sent out regularly.

On file in the office are cards showing the English class book reports given by each student. These enable English teachers to decide what is the reading level of every student and serve as a check against book reports being duplicated; they are retained for six years. Record sheets of the IQ scores of all Plymouth high students are held here and all eligibility sheets for sports events are found here. These eligibility sheets are filed out before each sports event listing the players of the teams and showing their eligibility. Then the sheets are sent to whatever school is competing against Plymouth, and our high school in turn receives identical sheets from these schools.

The semester marks of every one of Plymouth's high school students are, too, recorded on permanent cards and filed forever in the fireproof safe in Mr. Smith's office.

Mrs. Bentley's biggest headache is a great deal of telephone traffic and so many students who don't remember to get excuses from one of the four teachers who have charge of giving them out. In the afternoon all tardy slips are issued by Mrs. Bentley and Mr. Dykhouse, and besides these many students come in requesting special permits to be excused from school.

The school calendar is also charted by the office.

Ypsi Braves Take Rocks, 71-32

The 10-man team taken to Ypsilanti April 28 for the track meet stood up well even with the lack of runners, losing, 71-32. Johnson, Wisley and Daniels took first places in the 440, 220 and half mile, respectively.

Odds and Ends

The sixth hour physics class is thinking of taking up a collection to buy Paul Zimmerman a pillow or some no-nods.

Dick Daniels has been asked to check his camera as he enters physics class. His "clicks" were quite disturbing.

Spring is definitely here! Or haven't you noticed all the pretty new pinafores with lots of ruffles and lace? And what about the pigtailed with big ribbons?

Why is it that when Ella can't go out Chuck W. escorts her ex-boy friend to the show?

What are the English classes coming to when Miss Allen looks up with a start as Juanita P. uses correct grammar?

What junior boy is it that eats pablum (baby food) three times a day? Ask Doris Sawtelle if you can't guess.

If you see Virginia Woods looking glum this week-end it's because Wendell is getting a leave the week after the J-Hop. Too bad, kids, but the navy is no respecter of persons.

Mr. Latture announced, "The government classes will run the city May 18 with misgivings," and one bright lad asked, "Who's she?" To secure a cemetery sexton for the day the government classes run the city, Mr. Latture uses the following for a sales talk. He tells the prospective sexton he will be over a lot of people and people are dying to get into the cemetery.

It seems Norma Jean Bauman didn't get the dictation in shorthand, but she read it anyway. What is it, a good memory?

Here And There

Last week-end the recreation center committee, Norma Robinson, Annabel Heller, Carol Cushman, Harold Todd, Janet Strachan, Bob Chute and Bob Deyo visited the recreation center in Royal Oak to get ideas for the center in Plymouth.

Last Friday Donna Day, Kathleen Tompson, Norman Curtis, Dick Witaker and "Jeanne" Burnette spent a gay time at the Walled Lake amusement park.

A backward dinner was given by Shirley Luttermoser before the J-Hop last Friday for Bill Schoof, Irene Niedospal and Donald Montgomery. They started by eating generous portions of jello, ice cream and cake. Next came the spaghetti, pickles, olives, salad and biscuits. The meal was topped off with tomato soup with tomato juice for the cocktail.

Annabel Heller, Norma Robinson, Helen Bowden and Libby Neal played tennis and had a picnic in the park last week.

Betty Spicer and Eugene Cockran, AOM3/c, went bowling and saw "Lifeboat" and "What a Woman" in Dearborn last week.

After the J-Hop Adeline Tandbergh, Don Shely, Pauline Wiedeman, Bob Minock, Mickey Schuster and Norma Robinson had dinner at the Hopkins home.

Wilma Lounsbury, Ruth Popovich, Barbara Martin, Barbara Stover, Margery Livingstone and Helen Bowden saw "A Guy Named Joe" at the United Artists Friday night.

Current WAVE enlistments indicate there will be approximately 75,000 in service toward the goal of 100,000 by next July 30, second anniversary of the Women's Reserve of the Navy. There were 27,000 WAVES last July 30.

Rocks Lose Close Game

The Rocks traveled to Farmington Wednesday, May 3, only to be beaten, 6-5. The Plymouth team took the lead in the second inning on Hessler's triple to deep left, scoring Shely, who had gotten on an error. Huebler scored Hessler from third on a single to left. Farmington got a run in their half of the second, making the score 2-1, Plymouth.

In the last half of the third Farmington made five runs on five hits, two walks and two errors. With two men on and one out Banghart of Farmington slammed a single to center which got through Hessler and scored three runs with two more soon following. The Rocks collected two runs in the fourth, making the score 6-4, Farmington. In Plymouth's half of the seventh, Hall got a single, Schwartz struck out, but was safe on first when the catcher dropped the ball. Shely and Hessler fled out and Hall scored on Hessler's sacrifice. Rock came to bat with Schwartz on third but was unable to hit him in when Willie was caught off third for the last out, ending the game, 6-5, Farmington the victors.

2 Delegates Attend Home Economics Conference

The Hescos (home economics student club organization) sent two delegates, Betty Lou Arnold and Rosemary Miller, to the Michigan Home Economics association conference May 12 and 13 in Grand Rapids. The conference began with a mixer at which members and advisers from all over Michigan met. After the mixer there was a tour of the city and in the evening there was a formal banquet at the Park Street Congregational church, where Miss Amy Loomis spoke on "Opportunities for Service Men in the War." A party concluded the evening's program. The next morning Miss Gladys Wyckoff, field secretary, American Home Economics association, spoke on "Opportunities in Home Economics." After a style show, the conference ended with the installation ceremony of new officers.

Student Council Honors Officers

To honor 20 members of the student government the student council provided funds for a theater party at the Penn last Tuesday for the captain of troopers, Martin Mepyan, and his troopers, Yale Cummings, Shirley Schockow, Eleanor McDonald, Tom Robertson, Donald Brinks and Marie Warkup; Chief of Police Bill Schoof and Philip Elliott, Sanford Burr, William Brown, Robert Zielasko and Jack Burke; Chief Justice Shirley Cramer, James Thornton and Lois Vetal; Mayor Shirley Luttermoser and student council representatives Hugh Harsha, Bill Sexton and Marilyn Vershure.

Ten Girls at MSC on Home Economics Day

Rozanna Mieden, Virginia Hall, Beverly Ash, Barbara Pace, Doris Oldenburg, Maxie Penn, Ruth Hoysradt, Caroline Trockee, Elaine Mahoney and Audrey Noble attended the Michigan State college high school home economics day Friday, April 28, in East Lansing. About 1,200 girls from all parts of the state attended. The girls were shown the highlights of the college campus. They were taken through the home economics, chemistry and home management buildings. There was a reception in one of the new dormitories, where they met several leaders, among whom was Dr. Marie Dye, dean of the home economics department.

Eight Girls Attend Play-Day at Ypsilanti

Eight girls from Plymouth high attended the Playday for junior and senior girls from high schools all over Michigan at Michigan State Normal college at Ypsilanti May 5-6. The girls stayed in dormitories on the campus Friday night, participating Saturday in swimming and other sports. They had luncheon at noon on the campus. The Plymouth girls attending were Lois Vetal, Irene Niedospal, Annabel Heller, Norma Robinson, Helen Bowden, Barbara Stover, Jenne Schuler, Jeanne Minehart and Lois Mills.

Student Council Sponsors Dance

The student council is sponsoring the dance held tonight in the school gym. It begins at 8 and admission is 30 cents. Chairmen of the different committees are: Chaperons, Marilyn Vershure; publicity, Bill Sexton; floor, David Johnson, Kay Fisher and Nancy Gerst, and orchestra, Bob Chute.

Senior Sketches

In our school is a talented girl who makes chalk drawings, although few people know it. She is Phyllis Joan Schryer, who lives with her grandparents, Mr. and Mrs. George Schryer of 150 South Union street. Her pet peeve is unfriendly people and her hobbies are reading, hiking and, of course, drawing.

Ruth Natalie Popovich has been one of the most active members of the senior class, as is evident by her long list of committee and club memberships. She has been a member of the senior annual, junior-senior play, prom and J-Hop committees and she has been a member of these clubs: Girl Reserves, Junior Red Cross, band, orchestra, glee club, Pilgrim prints and Majorettes. She has also been a court judge for one semester. She is taking a college preparatory course and plans to be a nurse. Her hobbies are dancing and sports, while girls who smoke are her pet peeves. She is living with her aunt, Mrs. Lillian Moon of 39100 Plymouth road.

Girls who believe there is a critical man shortage in Plymouth or elsewhere and also girls who smoke are Donald Montgomery's pet peeves. Donald is the son of Arthur and Mildred Montgomery of 47777 Ford road. Don has taken a general course and plans to be an aeronautical engineer or draftsman in aeronautical engineering. His hobby is sports, although he is quite a good musician. He is in the boys' chorus and has served on various music committees. Don plays the accordion and piano, having been inclined toward the world of music-making for 10 years or so. He won second place last week in the music department's contest for original music with his song, "Thoughts of You," played at the spring concert. Other accomplishments of Don's consist of playing football, helping with the J-Hop, and being a member of the Hi-Y. He has also traveled extensively through Kentucky, Illinois, Ohio, Indiana and throughout the upper and lower peninsulas of our own state.

Audrey Morris has been drum major throughout the year. She has worked on the J-Hop, senior prom and senior annual committees and has been a member of the senior Girl Reserves, chorus, majorettes, and has won her 1,000-point letter. Audrey is taking a college preparatory course and plans to go to college. She is peeved by girls who wear anklets with high heels, while her hobbies are sports. Audrey is the daughter of Mr. and Mrs. W. Morris of 10217 Stark road.

Tom Skelly, who at present is stationed with the marines in San Diego, Calif., is the son of Mr. and Mrs. Leo Skelly, 25050 Plymouth road. Tom, a January graduate, said his pet peeve in civilian life was the flat tires on his car. He took a general course while in high school. His hobbies are swimming and skating.

Class News

Miss Killham has been reading the daily news to her first and second year French classes in the French vernacular.

Jack Huebler is at present putting French words to our popular music of today and several years ago.

The Spanish class has chosen a name for its newly founded club. It is "La Burrada," which means "A Drove of Donkeys," and is considered by the members as very appropriate. George Waters is president; Connie Moncreiff, secretary; Raymond Runkel, vice president; and George Valrance, treasurer. Two dollars have already been collected because whenever a member speaks in English during the session of the club, he is fined 1 cent and the fine is doubled for each additional offense.

George Waters and Connie Moncreiff are learning the Spanish tango and Lorraine Nichol and Adelma Tandbergh are doing exhibition dances such as the Mexican hat dance, called jarabe.

Did you know that our high school library obtains through the Junior Literary guild two new books each month?

The boys of the industrial arts classes have designed a fine selection of novelty pins which they are painting in various bright colors. Birds, rabbits and puppies are only a few examples of these lapel

pins the fellows have made as gifts for their girl friends and relatives. Jack Scheel has constructed a clever cigar holder in the form of a violin. His job plan was an excellent one and his work has been extraordinary. Ray Vershure is completing a tie holder on which he has glued his name.

Has anyone noticed the attractive spring accessories on display in the front showcase? These were designed and made by the advanced home economics students.

The seventh and eighth grade English classes have been writing original stories and poems. Arlene Tennant, Lois Osgood, Sally Freely and Patsy Gallego have contributed outstanding work in this field. Some of the poetry has been submitted to the Detroit News Young Writers club for publication.

Mr. Latture's government classes are planning to run the city May 18, after Mr. Elliot talks to them about city zoning and planning and after they attend a city commission meeting May 15.

The government classes are also starting work on term papers dealing with government agencies and charts concerned with our system of government.

The chemistry pupils have been smoking up the laboratory rather frequently lately. They have just finished an experiment in which they made alcohol, formaldehyde, esters and soap. Esters are liquids which have either a very pleasant odor or a very irritating, pungent odor. Consequently, some pupils took too deep "whiffs" of the irritating esters. The classes have also finished experiments concerning textiles and carbohydrates. Supplementing the study of textiles, they saw a movie of the uses of cottons.

Have you heard bells ringing or water gurgling or have you seen lights flashing on and off or did you happen to stand on tiptoes and peek into the science room while a movie was being shown? It's all because the physics classes are studying electricity. They have been performing experiments with electric bells, storage cells, electric currents and electroplating. They have seen movies about light, electricity and currents.

From now on the homemaking girls will believe Ken Carpenter (yes, Bing Crosby's announcer) when he tells about the main dishes made of cheese. They have made many main dishes from cheese during the past week.

Seventy girls turned out for baseball last Monday. Six teams were formed, with Doris Wegner, Marilyn Vershure, Helen Bowden and Donna Swarbrick as captains. The remaining two teams have not chosen their captains yet. Thirty seventh graders went on a seven-mile hike last Friday after school and cooked their supper out-of-doors.

Arlene Wesseling found 117 prepositional phrases in a newspaper a few minutes in which the students were timed in Mrs. Gilder's English class, where they are studying prepositional phrases.

Here and There

Audrey Neale had several J-Hop goes at her home to have their pictures taken last Friday before the hop. Ice cream and cake were served. Those present were George Simmons, Jean Ann Livernois, Bill McDonald, Lorraine Nichol, Bob Hall, Connie Moncreiff, Jack Labby, Edith Nolte, Bob Sheppard, Joan Gilles, Bernard Birt, Miltie Jacobson, Jim Wiltie, Shirley Nichol, Don Korte, Norma Robinson and Fred Hopkins.

Among those who went to the Bungalow in Dearborn after the J-Hop last Friday night were Connie Moncreiff, Jack Labby, Lorraine Nichol, Bob Hall, Audrey Neale, George Simmons, Miltie Jacobson, Jim Wiltie, Jean Ann Livernois, Bill McDonald, Edith Nolte, Bob Sheppard, Yvonne Sawyer, Norma Solomson, Lois Vetal, Tom Robertson, Gordon Vetal, class of '43, Jean Schuler, Don Vetal, Mary Lou Rowe, Chuck Roe, June Bassett, Kenny Hart, Bev Davis, Cliff Bushe, Julie McGuire of Fowlerville, Gloria Eckels, Russel Downing, Fritzie Van Loo and Bruce MacAllister, class of '42.

Dick Tarnutzer had J-Hop-goes at his home before the hop. Those present were Nan Groth, Jackie Dalton, Ralph Bachelder, Jean Murray, Jim Knight, Nat Reitzel, George Valrance, Cathrine Moss, Bob Chute, Marilyn Vershure, Dick Groth, Emmy Lou Hough, Bill Moon, Carolyn Sayer, Dale Bently, Mary Jane Christensen, Mack Chrysler (from Canada), Jo Ann Delahunte and Chuck Strachan.

Those who went to Bob Chute's after the hop for supper were: Cathrine Moss, Mary Jane Christensen, Mack Chrysler (from Canada), Nan Groth, Dick Tarnutzer, Nat Reitzel, George Valrance, Emmy Lou Hough, Bill Moon, Jackie Dalton, Ralph Bachelder, Marilyn Vershure, Dick Groth, Jean Murray, Jim Knight. About 3:00 the kids decided to take Kit Moss on a "snipe hunt," but it was too foggy for "snipes" so she will go some other time.

Eleanor Bojanzyk Wins Poster Contest

Eleanor Bojanzyk, 12th grade student, won the first prize of \$5 in the 1944 poppy poster contest sponsored by the American Legion; Robert Zielasko, 10th grader, won the second prize of \$3, and Louise Christenson, 11th grader, won the third prize of \$2. Mr. Vallette, Mrs. Saxton and Mr. Wesley judged the posters on the force with which the poster drove home the poppy message, the artistic ability, originality and neatness. The winning posters will be entered in the 17th district American Legion contest, to take place June 1. The winner from there will go to the department of Michigan. The first prize in the finals will be awarded \$25.

Dearest Mother

Tho I travel far and wide
And sail the seven seas,
All my thoughts are that at my side
You will always be.
Tho I meet a host of friends
Ere each journey's through,
I'm always glad when the journey ends
And I'm back home with you.
—Betty Diedrick, 8B.

Acting under government authorization, the Pontiac factory built a supply of functional replacement parts to assure an adequate supply for Pontiac owners. This foresight has resulted in Pontiac dealers having available, at this

writing, virtually all the parts needed to keep your car rolling. So, we can safely say: When your car needs parts... see your Pontiac dealer—first.

5 Points to Remember:

- We still have competent mechanics
- We still use genuine parts
- We still check your car without charge
- We have specially-designed tools to reduce repair time
- We want to be helpful in your transportation problems

THE OLD JUDGE SAYS...

"Glad you dropped in, Judge. I was just trying to explain to Mary what you told us down at lodge last night... about all the grain used to distill war-alcohol not really being used up. She didn't realize it, either."

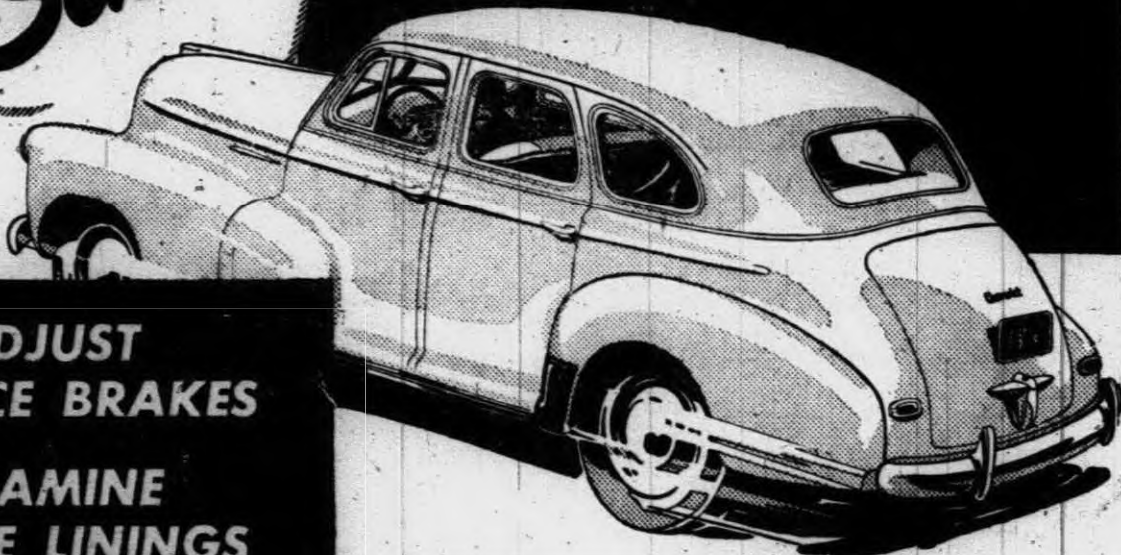

"It's true, Mary. Wherever the government has permitted distillers to purchase the equipment necessary to reprocess the used grain, at least 50% of the feed value (25% by weight) of the whole grain is being recovered and returned to farms like yours in the form of premium-quality live-

stock feed. Only the starch is removed during distilling... the part recovered is a highly-prized concentrate containing valuable proteins, fats and carbohydrates. The distilling industry really has taken a leading part in the development of new cattle and poultry feed products from reprocessed grain... products rich in vitamins B₁ and B₂... so essential to satisfactory growth and production. And the recovery of grain will apply also to the making of whiskey when production is resumed."

BUY MORE BONDS—FUEL THE VICTORY

Produce More and More Michigan Food for War Is Plea to All Citizens

Michigan Plays Leading Role—But Greater Production Is Urgent Request

The month of May has been designated, by proclamation, as "More Michigan Food Month." The purpose of the campaign is to focus public attention on

the battle of production to be fought by growers and producers this year, and to emphasize the importance of retailer and consumer cooperation in utilizing this production to the greatest possible extent.

This campaign, sponsored by the Michigan food council and the Michigan Press association,

follows a series of conferences over the state at which retailers, both chain and independent; wholesalers, growers and processors met to plan increased food industry efficiency this year and to set up the framework of cooperation in postwar programs.

These conferences were held the latter part of April in Grand Rapids, Bay City, Flint and Lansing. "Public realization of the importance of Michigan's role as a wartime food producer, and public cooperation in enabling the food industry to enact this role efficiently is of utmost importance in this year of crisis," the food council announces.

More Michigan Food Month, as designed by food council, press association and state department of agriculture leaders, has three major purposes:

1. To stimulate the grower to make the greatest possible effort to boost production, both in fields and victory gardens, and to call public attention to the pressing needs for farm labor and for machinery parts and repairs.

2. To encourage Michigan retailers to display and sell more quality Michigan foods, and to call public attention to the importance of supporting the state's producers.

3. To acquaint Michigan consumers with the state's diversified food products, and to encourage increased use of Michigan foods. Food council leaders point out that unity of purpose and public cooperation in such a program

must be stressed now, at the beginning of the growing season, instead of this fall at harvest time if practical results are to be achieved.

The council points out that government estimates place the share of all foods earmarked for lease-lend and military uses at 27 per cent. It cites figures showing that the nation's railroads have 600,000 fewer freight cars now than were available in World War I, and that they are operating with 100,000 fewer men than present schedules would normally employ.

"This situation calls for consumption of food as near as possible to the point of production," declares W. G. Armstrong, vice president of the food council and master of the Michigan State grange.

Health benefits especially valuable in wartime are derived also, he added, from use of fruits and vegetables moved quickly from farm to table so as to preserve "garden freshness."

Observance of More Michigan Food Month, which will continue throughout May, is being implemented by means of advertising and publicity in newspapers throughout the state.

The USS WAVE, 50-foot converted motor launch, each morning takes a group of WAVES from their quarters in Coronado, Calif. to the eleventh naval district headquarters and naval air station in San Diego, Calif.

Champe Names New Committees

President Brick Champe, recently reelected president of the Western Wayne County Conservation club, has announced his committees for the ensuing year. They are as follows:

Rod and Gun Club—Hugh Horton, William Rambo, Russell Powell, Charles Messmore.

Refreshments and Seasonal Wild Life Dinners—John Crandall, William Gayde, Ezra Routner, Ernest Henry, Harry Rackham, Floyd Hopkins.

House — Ernest Henry, John Crandall and the president.

Entertainment — William Morgan, Russell Powell and Russell Cunningham.

Membership — Charles Messmore, William Morgan, Melvin Butler and Dewey Smith.

President Champe states that he hopes to have a membership of over 500 before the present year is over. The enrollment at the beginning of this month stood at more than 300.

One of the important projects of the year will be an effort to locate a suitable site for a club house and skeet field within a short distance of Plymouth.

Sgt. Franklin Coward and Detroit Girl Wed in Texas Army Chapel

Many Plymouth residents will be interested in the following article from the Dalhart (Texas) Texan pertaining to the marriage of Franklin Coward, former teller of the First National bank of Plymouth, and Miss Kay Helen Bach of Dearborn, who is a student nurse at Harper hospital in Detroit:

An impressive and lovely wedding took place last night at 8 o'clock in the chapel at the army air field when Miss Kay Helen Bach, daughter of Mr. and Mrs. Carl Bach of Dearborn, Mich., exchanged vows with Sgt. Franklin Coward Jr., son of Mr. and Mrs. Franklin H. Coward of Lapeer, Mich.

The double ring ceremony was read by Chaplain Graydon TerBush, and Cpl. Larry Hardy, organist, played nuptial selections. Baskets of pink carnation and lavender stock were on the altar which was softly lighted with white tapers arranged in candelabra. Mrs. Charles McLaughlin of Westwood, N. J., was the bride's only attendant. She wore a white marquisette frock, pink shoulder length veil and carried a bouquet of Talisman roses.

S/Sgt. McLaughlin served as best man. He is engineer of the bomber crew on the same plane as Sergeant Coward.

The bride, given in marriage by her father, wore a wedding

gown of white embroidered marquisette, made princess' style, with sweetheart neckline and long sleeves tapering over her hands. Her fingertip veil was held in place with orange blossoms and she carried a bouquet of white roses and sweet peas.

The bride's mother wore a dress of eggshell crepe trimmed in lace and a shoulder bouquet of purple sweetpeas and iris.

Mrs. Coward, the bridegroom's mother, wore a soldier blue crepe dress and a corsage of pink carnations and sweetpeas.

A reception for friends followed the wedding at the De Soto hotel. The bride is a graduate of Dearborn high school and attended Michigan State Normal college for two years. She is a member of Sigma Sigma Sigma sorority. She will return to her studies at Harper hospital, Detroit, as a student nurse.

Sergeant Coward, a member of a combat crew at the local field, graduated from Muskegon (Mich.) high school in 1939, and later attended Parsons college in Kalamazoo, Mich. He was employed in the First National bank in Plymouth before entering the army. He is assistant engineer and waist gunner on the bomber crew.

He has completed his course at Dalhart and is now believed to be at some embarkation port, waiting to go overseas. The bride has already returned to her duties in Harper hospital.

Governor Proclaims

STATE OF MICHIGAN Executive Order

In proclaiming the month of May as "More Michigan Food Month" the following objectives during 1944:

1. As consumers—become diversified, quality and thus help relieve over-burdened present anticipated shortages; plant more and larger Victory Gardens.
2. As producers—grow more and better crops; support in its performance as a result of their own efforts.
3. As retailers—purchase more Michigan products.

As 1944 appears to be the year its resources at once to win the one has an essential job to do support in its performance as a result of their own efforts.

Therefore, I, Harry P. Kelly, Governor of Michigan, do hereby proclaim the month of May as "More Michigan Food Month" and direct the State Department of Agriculture to cause to be brought to the attention of the people of Michigan the importance of their accomplishment.

BY THE GOVERNOR: Harry P. Kelly, Governor of Michigan

Reproduced above is a proclamation emphasizing during the month of May, the food industry generally to the war

PACK A NOURISHING LUNCH

Tuck in this Mickelberry's High Protein Sandwich

Make a paste of 1/4 each—fresh Cottage Cheese, Peanut Butter and minced thin slices Mickelberry's Smoked Liver Sausage. Spread on toasted rye or whole-wheat. Add a layer of sliced dill pickle and 2 or 3 slices broiled Mickelberry's "Old Farm" Hickory Smoked Bacon.

We're Marching Into Battle...

"There are nearly 200,000 of us here in Michigan . . . 200,000 dirt farmers and our families marching together. Our battle song is the whisper of the wind among the fruit blossoms, the rhythmic patter of rain on new green leaves, the humming of the tractor as its plow turns over the soft brown earth, the clatter of the seed drill . . .

"Some of our weapons are new as the modern weapons of war, some old as the hills of Judea. For ours is a war that has no beginning, no end. Ours is the battle of food.

"Our sons, like yours, are off to the war of planes and tanks and guns and ships. Many of those who helped our fight now forge the weapons for these valiant sons. To feed them all, our battle must be won.

"To feed you here at home is half the task. To feed our fighting men, to aid our allies whose fields are drenched with blood, to make new friends in countries freed from hate . . . that, too, is half our task.

"We achieved the impossible last summer. Now we must do it again.

"Michigan, the Arsenal of Democracy, might well be called the Cupboard of Democracy, too. No state can match the variety of its foodstuffs, nor outrank it in so many products of the soil.

"We bow in grateful tribute to the food retailers in your own community who have matched our efforts with their own. From the smallest independent to the largest chain store, they fight their battle, too, against well-nigh hopeless odds.

"They bring you our luscious berries, cherries, melons, peaches, pears, plums and apples from our fruit areas . . . sugar from our beets, millions of gallons of health-building milk, cream and other dairy products for your children and war workers, golden honey, top-grade potatoes in abundance, poultry, eggs and meats from our farms . . . fresh vegetables in never-ending streams and much more packed in our canneries . . . peas and beans and tomatoes and body-building, vitamin-enriched root vegetables . . . carrots, turnips, beets . . . all from Michigan farms and orchards and processing plants.

"With their cooperation we face this new season. We face it uncomplaining and unafraid . . . with resolute courage and the will to win.

"We are marching into battle, we the farmers of Michigan—marching side by side with all who do battle on the home front that Victory on the fighting front may be achieved the sooner."

BUY FOOD PRODUCED IN MICHIGAN TO SAVE VITAL WAR TRANSPORTATION

Michigan Is the Arsenal of Vital Foods!

Sure, Michigan is only one state out of 48. Washington says we're the arsenal of democracy, referring to Michigan-made airplanes and tanks and other munitions for our fighting Yanks and Allies.

But did you know that Michigan is an arsenal of vital foods? Michigan is FIRST in cherries, field beans, cantaloupes, carrots and cucumbers; SECOND in celery, strawberries and peppermint; THIRD in onions, tomatoes, sugar beets, grapes and buckwheat; FOURTH in potatoes, beets and pears; FIFTH in apples, asparagus, and maple syrup . . . just to mention a few. In vital foodstuffs, Michigan

of Michigan, do hereby pro- and request that its of all the people in the

in under my hand and the Great of the State of Michigan, this day of May, in the of our Lord, One Thousand Nine Hundred Forty-four, and of the Honorable, the One Hundred Eighth.

Harry F. Kelly GOVERNOR

Harry F. Kelly calling for statewide importance of Michigan agriculture and of the nation in this "year of crisis."

Heavy Buying of Canned Goods

A check of local groceries shows that people are now buying unrationed canned goods in large quantities. One store reported a run on the merchandise last Saturday, but added that there is plenty available, and that there will be a plentiful supply for anyone who wants it.

Most of the popular canned vegetables have been taken off the ration list in order to dispose of surplus stocks which in turn will make way for the new stocks of vegetables.

The ration point value of butter has been cut to 12 points because of the more or less plentiful supply of the spread.

Plan Dance to Aid Girl Scout Fund

The regular school dance held in the high school gymnasium the night of May 19 will be sponsored jointly by the Girl Scout troops and the Girl Scout council. The funds from that night's dance will be turned over to the Scout camp fund.

Chaperons for the evening will be Mr. and Mrs. Henry Baker, Rev. and Mrs. Henry Walch, Mr. and Mrs. Edward Dobbs, Mr. and Mrs. Robert Lidgard and Mr. and Mrs. Donald Munroe.

Buy War Bonds

Woman's Club Taking Registrations for Education Institute

The Plymouth Woman's club is now making registrations for the annual Adult Education institute, which will be held at the Rackham building at the University of Michigan on May 16, 17 and 18.

Enrollment in the institute through the club can be made without additional expense.

The three-day program of the institute is an ambitious one and includes addresses by Dr. Alexander G. Ruthven, president of the university; Gov. Harry Kelly and Dr. Eugene B. Elliott, state superintendent of public instruction.

Plymouth members of the club who may wish to attend may enroll for the course by calling Mrs. Mary Bolton, at phone 67-J.

EASTERN STAR NOTES

Officers' practice Monday, May 15, 7 o'clock sharp.

Plymouth chapter No. 115, Order of the Eastern Star, golden anniversary celebration, Masonic temple, Tuesday, May 16. Guests of honor will be charter members, life members, honorary members, past matrons, past patrons, Wayne County association officers. Initiation, 4 p.m.; banquet, 6:30. Plymouth officers in charge of initiation at 4:00; past matrons and past patrons presiding in the evening.

Newburg Church Plans Banquet

Mrs. Wilbur Ale of Detroit will be the speaker at the annual Mother and Daughter banquet at the Newburg Methodist church on Wednesday, May 17, at 6:30 p.m.

Mrs. Ale is an accomplished speaker. Active in church circles, she has been president of the Detroit conference Woman's Society of Christian Service of the Methodist Church.

Novelty entertainment will be provided by Happy Hank, the WJR radio star, whose morning program has made him a favorite of children everywhere.

Others on the program will be Mrs. MacIntyre, who will act as toastmistress; Mrs. Kenneth Lockhart, who will give the toast; to the daughters, and Rosemary Guthrie, the toast to mothers. Miss Evelyn Bohj will sing, "When She Tucked in the Covers at Night." Mrs. Anthony Kregger will lead the group singing. Mrs. Adolph Bohj will accompany her at the piano. A children's chorus will also sing.

This banquet is being sponsored by the Fidelis class of the Newburg church.

Mrs. Robert Secord and Miss Dolores Wolf of Detroit spent the week-end in the home of Mr. and Mrs. Frank Oldenberg, Blunk avenue.

Pere Marquette Seeks More Water

The Pere Marquette railroad has petitioned the city commission to construct a six-inch water main on Pearl street from Stark-weather avenue to the property line of the railroad.

The new water main is needed, the railroad informed the commission, to maintain a constant supply of water, at a proper pressure, both for drinking fountains and for a supplementary water storage tank for railroad locomotives.

Hearing on the petition, which has been taken under consideration by the city commission, will be held May 15.

If the water main is constructed, a special assessment will be made against property owners. While the water main is not on any of the property of the railroad, it is expected that the city commission will assess the railroad for a proper percentage of the cost of construction, and it was estimated that this would run about 25 per cent of the total cost.

Bull Added to the Valuable Palmer Herd

A registered Jersey bull has been purchased by Warren R. Palmer & Son of Warren road from W. J. Schneider of Ann Arbor. The name of the animal is D. V. Observer Aim 44234.

Rosedale Gardens Club Plans Flower Show

Members of the Rosedale Gardens branch of the Woman's National Farm and Garden association will hold a spring flower show at the community house in Rosedale Gardens on Tuesday, May 16.

While exhibits will be made only by members, guests will be welcome to this meeting. A musical program has also been planned for the afternoon.

Mrs. E. N. Wooster, president, and several of the committee chairmen attended the annual meeting of the Michigan division, which was held at Hotel Statler in Detroit May 11.

Roller Skaters Win National Honors

Jean O'Meara and George Petrazewski, two Plymouth youngsters who have become proficient in the new art of roller skating, won the top national prize for novice pairs at the national amateur roller skating tournament at Chicago last week.

They were sent to the national tournament by the Riverside Roller Skating club, which is sponsored at the Riverside rink at the intersection of Plymouth road and the Ann Arbor road.

South Canton Center

Mr. and Mrs. Fred Runge, Mr. and Mrs. A. W. Huettner and

Mrs. Syl Kostielney were Thursday evening visitors at the home of Mr. and Mrs. Ray Meyer at Ypsilanti.

Mrs. Edmund Watson was a visitor at the home of Mrs. H. R. Hosier Friday.

The 4-H summer project was organized at the Canton Center school. Mrs. A. W. Huettner and Mrs. Hugh Hosier are the leaders. Twelve children were enrolled.

Mrs. A. W. Huettner spent sev-

eral days with Mrs. Ray Meyer at Ypsilanti.

The infant son of Mr. and Mrs. William Graham has been seriously ill.

Mike Mitchell of Belleville visited last Friday at the A. W. Huettner home.

Pvt. Robert Bennett, son of Mr. and Mrs. Jacob Bennett, is home on a 15-day furlough.

Mrs. George Ketcherside visited Thursday at the home of Mrs. William Graham.

WAS IN INITIAL "WAVE" ON NEW BRITAIN AND STILL IN GOOD HEALTH

It takes a marine to say things in such a way that can be understood. From Howard Couture came a letter the other day from somewhere down in the South Pacific in which he said:

"I was in the initial wave that landed at Cape Gloucester, New Britain. I'm in good health yet."

Which all means that Howard was in the first landing party sent ashore to battle the sneaking Japs that held that important post on New Britain, and that he lived through the fight without injury.

"I have been in the marines for three years now and have been out of the States for a long time. It's been a real pleasure to have The Plymouth Mail follow me wherever I have gone. It is nice to read about the fellows I went to school with in Plymouth. Keep up the good work. The old Mail is doing a real job."

GERALD OLSON HOPES FOR DAY WHEN HE CAN WALK DOWN MAIN STREET

"It's been some time since I have written The Mail. I want you to know that the paper comes pretty regularly. I don't know what I would do without it in this far-away country," wrote Gerald Olson the other day from England.

"I'm looking for the day when I can walk down good old Main street in Plymouth again—the best town in the world.

"The weather over here is rain, then fog and more rain. I did get to see London. It certainly is a very interesting city. I saw nearly all the places I read about while in school. I also saw the part of London ruined by the German bombing. It has been cleaned up now and they are starting to rebuild in some places.

"The American Red Cross is doing a very fine work for the service men over here. Free meals and lodging are provided boys who visit London. They do so many things for us. They helped me locate my brother Charles, but I guess I will have to wait some time before I can see him. He has been just one jump ahead of me, but I hope soon we can meet.

"There isn't much to write about, Mr. Editor, but do you happen to have an extra ice cream cone you can spare a fellow over here in England? Have had some popcorn, but no ice cream since I left the United States. The English sure like to rib us about ice cream. Will sign off for this time, and thanks again for sending The Mail."

AWARDED THE GOOD CONDUCT MEDAL

Pfc. Norman W. Daggett of Plymouth, who has been stationed at McCloskey general hospital, Temple, Texas, since March 13, 1943, has been awarded the Good Conduct Medal as a symbol of service of a year or longer in the army with a character and efficiency rating of "excellent." His home address is 528 Maple street.

SERG. EARL WILSON IN COMBAT MOST OF TIME FOR OVER YEAR

From somewhere in the South Pacific has come a letter of more than ordinary interest from Sergt. Earl H. Wilson, who has seen plenty of action with the "dirty little Japs."

"It follows:

"It has been quite some time since I last wrote, thanking you for your splendid contribution of The Mail.

"A lot of water has passed the 'fan tail' and many things have happened to add to my worldly knowledge. Some of them of course could not be discussed at a banquet, nor would they make a fitting bedtime story for children.

"Next month finds me with a year overseas, and the biggest percentage of that in combat with the 'dirty little Nips.'

"I have been receiving The Mail and though irregular, every copy finds its way throughout the battalion.

"I had the misfortune to miss Art Russell and to have a long talk with him about good old Plymouth, but I did see him from a distance. When I returned to Betio to find him, he had left. We have quite a few men with us from throughout Michigan, but unfortunately I haven't seen a Plymouthite in all my travels to talk to them of home.

"In your last copy of The Mail received, dated March 31, I was more than pleased by Lee McGory's retort to Scabee Plank's letter. Those of us in the marine corps agree that the seabees are a good outfit, like the army and navy, but there is only one marine corps—the finest ever seen. I have eaten with and talked with, and seen the almost unbelievable work of the famed seabees, but when it comes to fighting and making headaches are—as always—first to fight."

"I am also proud to claim James (Bill) Darnell as an example of our corps and to state that Bill and I are the best of friends. Congratulations, Bill, on your meritorious conduct. It is marines like you that are keeping up the standard of the U. S. marine corps.

"One more campaign for a total of three and I am in hopes of seeing all of you soon.

"Keep up the grand job on the 'home front.'"

FINDS ENGLISH PEOPLE "MUCH DIFFERENT"

George Dya, writing to advise The Mail of a change of address, says that he is now somewhere in England and that he has enjoyed seeing much of the country.

"I have visited quite a few places in England and Scotland and find the country and people very interesting, but quite different from our own. I am feeling fine, but like all the other boys, I will feel a lot better when we all get back to the good old United States," he wrote.

CHIEF THUMME GETS HIS WAY—VAN LANDINGHAM IS NOW A REAL MP

Dean Van LANDINGHAM, well known Plymouth lad now serving at Fort Jackson, S. C., declares that Chief Charlie Thumme has at last had his way.

DONALD MIELBECK ENTERS FLYING SCHOOL

Another class of aviation cadets, eager for the second phase of its instruction, has arrived at the Garden City, Kan., flying school from various primary schools in

arm is more than this G. I. can comprehend.

It is hard to visualize that some of the fellows we grew up with, played ball, fought with and against at times, are gone. It makes one stop and wonder."

Mielbeck completed primary pilot training at Chickasha, Okla.

JOHN SCHWARTZ AT LIBERATOR BOMBER SCHOOL

Taking a new step in his army career, Pvt. John Otto Schwartz, son of Mr. and Mrs. John O. Schwartz, 8277 Lilley road, Plymouth, has entered the B-24 Liberator bomber mechanics school at Keesler field, Biloxi, Miss.

For approximately 17 weeks, (Continued on Page 15)

the army air forces training command. Cadets from Michigan who are members of this class include: Aviation Cadet Donald Mielbeck, 22, son of Mr. and Mrs. Mielbeck, 15810 Newburg road, is a graduate of Plymouth high school, class of 1939, where he was a member of the track team two years. He was a student director of the band, a member of the drama club and glee club and was on the staff of the 1939 yearbook. He was employed as a cost accountant in civilian life. Cadet

Mielbeck completed primary pilot training at Chickasha, Okla.

(Continued from Page 14)

Private Schwartz will be trained at this army air forces training command station, learning the intricate details that go into the huge B-24. Here the soldier will learn fundamentals, structures, fuel and electrical systems, propellers, instruments, engine operation, hydraulic systems and airplane inspections as well as undergo a field test training period.

WARREN L. MCGUIRE AT TENNESSEE COLLEGE

Warren L. McGuire, 7984 Beck road, has recently arrived at Middle Tennessee State college, Murfreesboro, Tenn., where he will be given a course in instruction in elementary flying. Warren is a son of Mr. and Mrs. Robert B. McGuire of Farwell, Mich.

LAWRENCE ARNOLD NOW BOMBARDIER GRADUATE

In the class of recent graduates from the world's largest bombardier school, located at Midland, Texas, was Lawrence Arnold, son of Mr. and Mrs. Mowry A. Arnold of 1424 Ann Arbor trail. There were five other Michigan boys members of the same class. The Midland army air field boasts that it turns out the "world's best bombardier-navigators" and all of the successful students must meet the most rigid tests before going on the final tests in their combat training. Before enlisting, Lawrence was a student at the General Motors institute at Flint.

JAMES SINGLETON NOW STAFF SERGEANT

From the U. S. army European theater of operations came a notice this week to The Plymouth Mail that James W. Singleton had been promoted from sergeant to staff sergeant. His mother is Mrs. Maggie Singleton of 1012 North Mill street. Staff Sergeant Singleton has been overseas for some time.

EIGHT MORE BOYS FROM PLYMOUTH START BOOT TRAINING

Eight Plymouth boys are receiving their initial naval indoctrination at the U. S. naval training center, Great Lakes, Ill. Their "boot" training consists of instruction in seamanship, military drill and general naval procedure. During this period a series of aptitude tests will be taken by the recruits to determine whether they will be assigned to a naval service school or to immediate active duty at sea.

Their recruit training completed, these men will spend a period of leave at home. They are Kenneth G. McMullen, 23, 293 Mill street; Walter K. Schwein, 22, 50025 Ann Arbor road; Edward C. Rohde, 19, 12077 Merriman road; John E. Brooks, 23, 34104 Rayburn; John G. Baker, 20, 190 North Main street; George M. Chute, 19, 546 Garfield avenue; Charles E. Bulson, 22, 840 Irvin street; Fred Schmidt, 20, 35603 Plymouth road.

MEETS OLD FRIENDS IN ARMY CAMPS

Pvt. William L. Wood, who was recently transferred from Lowry field to Fort Myers, Fla., declares that he isn't so sure that he likes the Florida climate.

"It is really sunny here and around 2 o'clock in the afternoon it certainly gets hot. Possibly this weather is agreeable to some people, but I prefer good old Michigan weather," writes "Bill" to The Plymouth Mail.

"I've started gunnery school and I can see that it is going to be a grind. The course will take six weeks, and they make a gunner out of you in that time by working 12 hours a day.

"Haven't met anyone from Plymouth down here so far, but hope to before leaving. At Lowry field I got acquainted with Paul Harsha, who was in my squadron. We got acquainted by talking of home and our exploits. Just before leaving there, I met Jim Lockwood, who was stationed at Buckley field. He was supposed to go back to California. Considering all things, I have been lucky in meeting old pals from Plymouth."

AMPHIBIOUS BASE HAS INTERESTING PAPER

William R. Widmaier, stationed at a U. S. naval amphibious training base on the Pacific coast, has sent to the editor of The Mail a copy of "The Ramp-Age," the base newspaper. It is filled with interesting news notes and chatter about the activities of the boys stationed at this base. Splashed all over the first page was a bulletin line giving the date of the next pay day and right above it was a heading, "Bond Buying Booms."

THERON TALLMADGE GETS SEA DUTY

Theron Tallmadge, better known to many Plymouth friends as "Terry," and who has been stationed in New York during the past year, has now been assigned to sea duty, and Mrs. Tallmadge, who has been in the east with her husband, expects to return to Plymouth shortly. "Terry" is now serving as gunner's mate, third class, on one of Uncle Sam's new ships that went into service this year. Mrs. Tallmadge is a daughter of Mr. and Mrs. James Bassett of Ann street. Just before "Terry" left for sea duty, Mr. and Mrs. Tallmadge were visited on Ellis Island by William Norman and Jack Hovey, both Plymouth boys now in service.

MISS MICHIGAN'S COOL SPRING WEATHER

There's one thing that the present war is doing for the boys of Michigan—it is revealing to them what a mighty fine state good old Michigan is, after all.

William Keefer is down in the "heart of Texas" training with the army air forces. The weather is really getting hot down here. How I miss the nice, cool spring weather of Michigan," he writes.

"I know this is a long delayed letter, but you must know that every boy who gets The Plymouth Mail thoroughly appreciates it. It's just like a big letter from the home town. When I get it, I read everything from the first page to the last, including all the ads, even the classified ads, and I can't buy anything.

"I am now classified as an aviation cadet. We have started our pre-flight training. It's a long, tough grind ahead, and I sure hope I can make it.

"I haven't seen many boys from home, but I did run across Hal Crisp here. All of the boys will sure be glad when the war is over, so we can all come home and settle down."

Ruth Chaundy Married Saturday

In the presence of 120 friends and relatives, Ruth Agnes Chaundy, daughter of Mr. and Mrs. George Chaundy, became the bride of Robert Kenneth Garrett, son of Mrs. George Wollgast of Coventry Gardens and William Garrett of Plymouth, at a double ring ceremony at St. Paul's Evangelical Lutheran church, Livonia, at which Rev. Theodore Sauer officiated at 7 o'clock Saturday evening, April 29.

The church was decorated with palms and vases of pink snapdragons, white carnations and yellow daffodils. The bride, who was given in marriage by her father, wore a gown of white rayon chiffon with a flower design made with a fitted

bodice and long sleeves. The skirt was full and formed a long train at the back. She wore a fingertip veil and carried a bouquet of white roses and daisies with a detachable orchid.

The maid of honor, Dorothy Kade of Detroit, wore a gown of pink rayon chiffon with a flowered design and carried a bouquet of yellow roses and daffodils. The bridesmaid, Irene Maul, wore a gown of blue rayon chiffon with a flowered design and carried a bouquet of pink snapdragons and carnations, and bridesmaid Lucille Lanstra wore a gown of

aquamarine rayon chiffon with a flowered design and carried a bouquet of pink snapdragons and carnations.

Mrs. Chaundy chose for her daughter's wedding a dress of orchid crepe and wore a corsage of yellow daffodils and daisies. Mrs. Wollgast was dressed in navy blue crepe and wore a corsage of pink carnations.

Flight Lieut. William Garrett, brother of the groom, was the best man. Gerald Jarski of Plymouth and Arleigh Hamm of Farmington were the ushers.

A reception at the Livonia town hall on Five Mile road followed the ceremony. A buffet luncheon was served to 150 guests.

The bride's table had as centerpiece a seven-tier wedding cake in the shape of a wedding bell and topped with a miniature bride and groom. A seven-piece orchestra furnished music for the dancing that followed. The young couple will make their home in Detroit.

The repair of aerial cameras is one of the newest jobs for which WAVES are being trained.

Mother'll Understand

if you don't call her on
Long Distance this Sunday

Mothers are understanding and patriotic. They know that under the steadily increasing burden of war-created calls, Long Distance telephone equipment is seriously overloaded.

Of course, they'd like to talk with you on Mother's Day, but they'd rather be sure the lines are kept clear for vital war messages.

This year, send your love in a letter. And if you'd like to give your mother a present, she'd truly appreciate a United States War Bond—a gift of fighting dollars to back our boys and girls overseas.

Please make only really urgent Long Distance calls this Mother's Day.

GOOD NEWS! DU PONT HOUSE PAINT

Get good paint now... It pays
In painting your house, protection of the wood is just as important as good looks. Du Pont House Paint forms a tough, durable film—guards the surface against rot, rust, and decay. And its beauty lasts and lasts.

Keeps white houses white
Du Pont House Paint contains titanium dioxide pigment—whiter than snow! That's why, with Du Pont House Paint, you'll have the whitest house in the block. Yes, and this paint stays white, because—

It's self-cleaning
All paints collect dirt on exposure. But, with Du Pont House Paint, "self-cleaning" starts after a few months of normal weather conditions. A fine white powder forms on the surface. Heavy rains wash this away, carrying the dirt with it—leaving the newly exposed surface clean and white again! (Unusual climatic or dirt-collecting conditions in extremely sooty industrial communities may, of course, delay this process.) Because this "self-cleaning" is gradual, the wearing qualities of the paint film are not abnormally affected. Despite this remarkable quality of Du Pont House Paint, it costs no more than other good paints.

DU PONT HOUSE PAINT

Babson Says - -

No Depression Before the 1950's

Babson Park, Mass., May 12.—The country east of the Mississippi will feel first the retarding effects of the German defeat. This will start a demobilization of troops and the cancellation of billions of war contracts. The war will then be over except for parents who have boys in the Pacific. Attention will be focussed on Japan. Business in the west and the southwest states will not be seriously affected until Japan caves in. The interval between the fall of Germany and the fall of Japan may be a good breathing spell. It will give our country a chance to settle down gradually to a peacetime basis.

I am not worrying much about inflation NOW. We have had it for the past 40 years. This may be illustrated by the fact that I went to work for a bank in 1898 for \$6 per week. At that time carpenters were getting \$2.50 a day. When Mrs. Babson and I were married in 1900 we rented a nice single house for \$22 per month. It may be taken for granted that any bank would now pay even an inexperienced boy more than \$16 per week; while the same house rents for \$60 per month. After a few months of readjustment, we should have two or three years of exceptionally good business. After that, some time in the early years of the 1950's, I expect a severe depression. Regardless of the political party then in power we may have a "super" new deal. Then will be the time to fear inflation of a radical kind.

I am bearish on most high-grade bonds, especially "tax-exempt." The best buy for small investors, however, should still be found in series "E" government bonds. My own funds are being invested largely in merchandising stocks, especially good chain store stocks. In the postwar period, the railroads will be the hardest hit of all industries because they will face so many different kinds of competition. Insurance companies should do well if they are treated fairly by the government.

Churchill will not let Germany crack until after the November elections. If the European war so continues, there will then be a Republican congress and a democrat as president. Hence, there is probably no use of now discussing Willkie, Dewey, Bricker or anyone else. The Republicans' opportunity will come in 1948.

Granting Mr. Roosevelt will be physically able to run and the war is still on, he will be re-elected. However, he may later resign in favor of a conservative vice president to become head of a world organization. In this capacity, he could be of great service. The new dealers want Mr. Wallace again as vice president; but the conservative Democrats want someone like Senator Byrd. Private enterprise progressed very well until the introduction of mass production. Then it became difficult to avoid periods of unemployment. Under a capitalistic system, labor is controlled by supply and demand just as are all commodities. It is a mistake now to bring the question of the "open" and "closed" shop into politics. Before long there will be a surplus of labor; then talk about open or closed shops will dry up of itself.

Some day the U. S. A. and England may have to take a leaf out of Russia's book. In Russia, an individual can own a reasonable amount of land or a small business as long as he and his family operate it without hired help. Otherwise all farms, factories and stores are operated by the government. The same thing applies to home ownership; property must be occupied and not rented. No one can take a profit from labor other than his own or his family's. All nations, including our own, will ultimately have troublesome years. We must devise means of meeting unemployment, of competing for world trade, of combating inflation and of preserving our free enterprise system. To some extent, we can rely upon our man-made laws and business integrity. However, unless our efforts are supplemented by a spiritual and educational awakening, we may have difficulty in maintaining the equanimity necessary to see us through these momentous times.

Young people should now insist upon a good education. Wise are those who become EXPERTS in some one line of work. Whatever may happen to the capitalistic system, such experts will have little to fear. The best insurance against radicalism is to be an EXPERT in something useful. For the next six years wise parents will pour money into FOOL-PROOF education. This will be the safest of all investments and pay the biggest dividends.

The indispensable men today in business are the lawyers and accountants. And it looks as though they may become even more indispensable.

25 Years Ago

News items of a quarter of a century ago taken from the files of The Plymouth Mail.

A pretty home wedding took place Wednesday evening at 6 o'clock at the farm home of Albert M. Eckles, when his daughter, Myrtle, was united in marriage to Harry B. Brown. The bride is one of Plymouth's most popular young ladies, being a graduate of the Plymouth high school. The groom is one of Plymouth's well known and promising young business men. After a short wedding trip they will be at home at the residence of the bride's father.

Private installation of the Order of the Eastern Star was held in Masonic hall last Tuesday evening, May 4. Past Matron Maude Pettingill acted as installing officer, with Past Matron Anna Mimmack acting as Marshal.

VICTORY'S SONS

Pvt. Louis Drozinski of Chicago

THEY were clearing out the Japs on Attu that morning in May. A battalion of Americans had landed. Within five hundred yards of shore, the major in command was killed by a sniper. Then Private Louis Drozinski went into action.

"I saw the sniper who got him and picked him off, and another Jap in the same dugout. I got permission to take a machine-gun section around the flank. I found out later that we killed 21 Japs."

"I was shooting tracer bullets with a rifle to guide the fire of the machine guns when four bullets hit me."
"I lay there until dark with bullets singing over my head. I tried to make myself pass out by holding my breath so I wouldn't draw attention, but I couldn't."
"A couple of Yanks crawled up and carried me back about 100 yards. They left me wrapped in a raincoat until the next day when stretcher bearers found me. That was 27 hours after I had been hit." For his gallantry in action he was awarded the Purple Heart.

Your Small appliances do a
BIG job—

give them this special

WARTIME CARE

Your electric servants are built for long, hard use—and they won't shirk their responsibilities if you treat them kindly! But remember, they must last for the duration.

YOUR ELECTRIC IRON—Keep bottom of iron clean. Avoid ironing over zippers, snaps, hooks and eyes. Don't go away to answer the doorbell, telephone, etc. and leave the iron turned on—even for a minute. Keep the cord away from a hot iron. Be sure the iron is cold before putting it away. Be careful not to drop your iron.

YOUR TOASTER—Never dip a toaster in water. Don't jab at it with a fork to remove a piece of toast. Brush off crumbs with a cloth or soft brush. (Many toasters have a removable bottom plate for cleaning out collected crumbs.)

YOUR COFFEE MAKER—Keep inside of coffee maker clean. (Never permit left-over coffee to stand in the coffee maker.) Clean and rinse filter cloth thoroughly after using. Keep filter cloth in cold water between usings.

YOUR FOOD MIXER—Always remove beaters or attachments immediately after using. Wash with warm water, rinse and dry. Clean body of mixer with soap and water, being careful not to get water into the motor. Follow manufacturer's directions as to oiling, operation, etc.

YOUR WAFFLE IRON—Wipe off grids with a dry cloth after use. Use a stiff brush to remove any particles that stick. Never wash the grids. Wipe any spilled batter from outside of waffle iron with a damp cloth. Never put the waffle iron in water.
