\$2.00 Per Year in Advance

What I Think and
Have a Right to Say
By *Egon R. Eaton*

WHAT WILL PLYMOUTH DO?

Yes—OUR BOYS have captured Rome. Now they are invading Europe! Nearly 10,000 of them were killed as they advanced on the Eternal City.

Over 55,000 have been killed or wounded since we landed our forces on the Italian coast.

We shudder to think how many hundreds of thousands will perish as they fight desperately to liberate Europe from the rule of Hitler's killers.

We know vast numbers of OUR BOYS will never come home. We know thousands of them will return maimed and crippled for life.

And what are we doing about the Fifth war loan?

Are we waiting in our offices, waiting in the factories, waiting in our homes for some person to come to us and beg us to invest our money in war bonds? And when we sign up, are we doing it willingly, and in the same spirit that OUR BOYS are dying on foreign fields of battle?

We have asked before, and we ask again, WHY is it necessary for any one to be "high pressured" in connection with a war bond transaction? OUR BOYS suffer and die without complaint. Why put our neighbors and friends to the necessity of calling upon us to urge us to do our duty in the tremendously important Fifth war loan drive? Why not take our dollars, go down to the postoffice or one of the banks today and say to the busy clerks, "Here's my cash. Give me my war bonds?"

Let's try it out during the next two weeks. Let's see if Plymouth can't make its quota of more than half a million without a lot of ballyhoo and high pressure salesmanship. And wouldn't OUR BOYS when they receive their copies of The Plymouth Mail in all parts of the world, be delighted to say "Look here, Buddie, see what my good old town of Plymouth did in the Fifth war loan drive!" What do you say? Let's DO IT!

Recreation Program Starts On June 19

The summer recreation program will open in Plymouth on June 19, and probably will be the most extensive and comprehensive ever offered in the city.

John E. Tomshack, director of athletics in the Plymouth high school will be in charge of the evening program; and Mrs. Chris Witwer will have supervision of the neighborhood playgrounds for the younger children.

The music program under the direction of Clarence Luchtmann will be extensive also, and will provide an outlet for almost every type of instrumental music.

City Manager Clarence Elliott and superintendent of schools George A. Smith, who are actively handling the details of the program, said that they hoped that this year's program will encompass almost every type of activity both for youngsters and oldsters.

Mr. Tomshack will have charge of the various softball leagues and more of them are anticipated this year.

It also is planned to have neighborhood softball games in the evening for the older men.

Tennis, shuffleboard and horse-shoes also are contemplated.

As a matter of fact, Mr. Elliott said this week that the program will be entirely complete except for swimming, and that apparently no provision can be made for that.

To Honor Rev. Edgar Hoenecke

Members of St. Peter's Evangelical Lutheran church will celebrate on Sunday, June 11, the fifteenth anniversary of the pastorate of the Rev. Edward Hoenecke.

A committee composed of Wesley Sheere, chairman, Mrs. Carl Hartwick, Mrs. George Peterson and Mrs. Walter Schultz, has chosen the Rev. Karl F. Krause of Lansing as the principal speaker at a reception planned in the church for Sunday evening, but no special arrangements have been made for the morning service.

Mr. Hoenecke's service not only to the church but to the entire community has been outstanding during his fifteen years in the church.

It was pointed out that the congregation has outgrown its present church facilities, and plans already are underway for the construction of a new church on Penniman avenue as soon as priorities can be obtained.

Rev. Hoenecke has been especially outstanding in the field of youth leadership. He also has interested himself in national affairs of the church, and is a leader in Lutheran missionary work among Indians in the southwestern section of the country.

Mrs. William Coe Otwell of Barrie, Ontario, who has been overseas with the Canadian Women's army corps for the past two years, arrived Tuesday for a weeks visit with her husband's aunt and uncle, Mr. and Mrs. William A. Otwell.

Few Changes In Teaching Staff Of The Schools

Superintendent George A. Smith announced this week that all but three teachers have signed new contracts with the board of education for the coming year.

The three teachers who are leaving the school system are James Thompson, general shop instructor, who is retiring from the teaching profession; and Mrs. Laura Lickfeldt and Mrs. Dorothy Tefft, both of whom plan to attend school next year.

It is a more or less annual reflection on the calibre of the Plymouth schools that teachers return here year after year. It is also a reflection of the working conditions here.

There never has been any indication of dissatisfaction on the part of the teachers, such as resulted in strikes at Pontiac and Flint during the past few weeks.

The teacher list for next year was announced by Mr. Smith as follows:

High School: Claude J. Dykhouse, principal; Edna M. Allen, Irene Waldorf, Ethel Killham, Neva Lovewell, Roselle Wisley, Muriel Gilder, Edwyna Anderson, Gwendolyn Niles, Gertrude Fiegell, Winnifred Bixler, Maxine Saffell, Genevieve Carey, Doris Hamill, James Latture, Roberta Blunk, Sarah Lickly, Walter F. Goodwin, Helen Thoms, Ross Hedrick, Dorothy Schultz, Alita Hearn, Harry E. Reeves, Bernard Stadtmiller, Harry Fountain, Mary J. Schlossstein, Ingrid Costa, William Campbell, Robert Ingram, Beatrice R. Highfield, John E. Tomshack, Ingeborg Lundin, Christyna Soule, Moreen Hecox, Evelyn Gorton, Clarence Luchtmann, Virginia Olmsted, Florence Gravelle.

Central Grade School: Nellie E. Bird, principal, third grade, Frances Adams, Elinor M. Page, Vaun Campbell, Elizabeth Lucas, Bertha Anderson, Marion Fischer, Edith Clute, Dorothy Sly, June Hadley, Marion Gale, Grace Robinson, Thelma Holt, Verie Odesa Crawford, Irma M. Forshee, Ruth Eriksson, Nancy Holliday, Dorothy Ager, Mary Jane Shields.

Starkweather Grade: Jewell Bell, Prin., Special Education; Mary Lyon, Marie Thompson, Florence Stader, Hazel Parmalee, Marjorie P. Norman, Joyce Rorback, Kathryn Bock, Helen Farand, Luella Finkbeiner, Dorothy Ager, Mary Jane Shields.

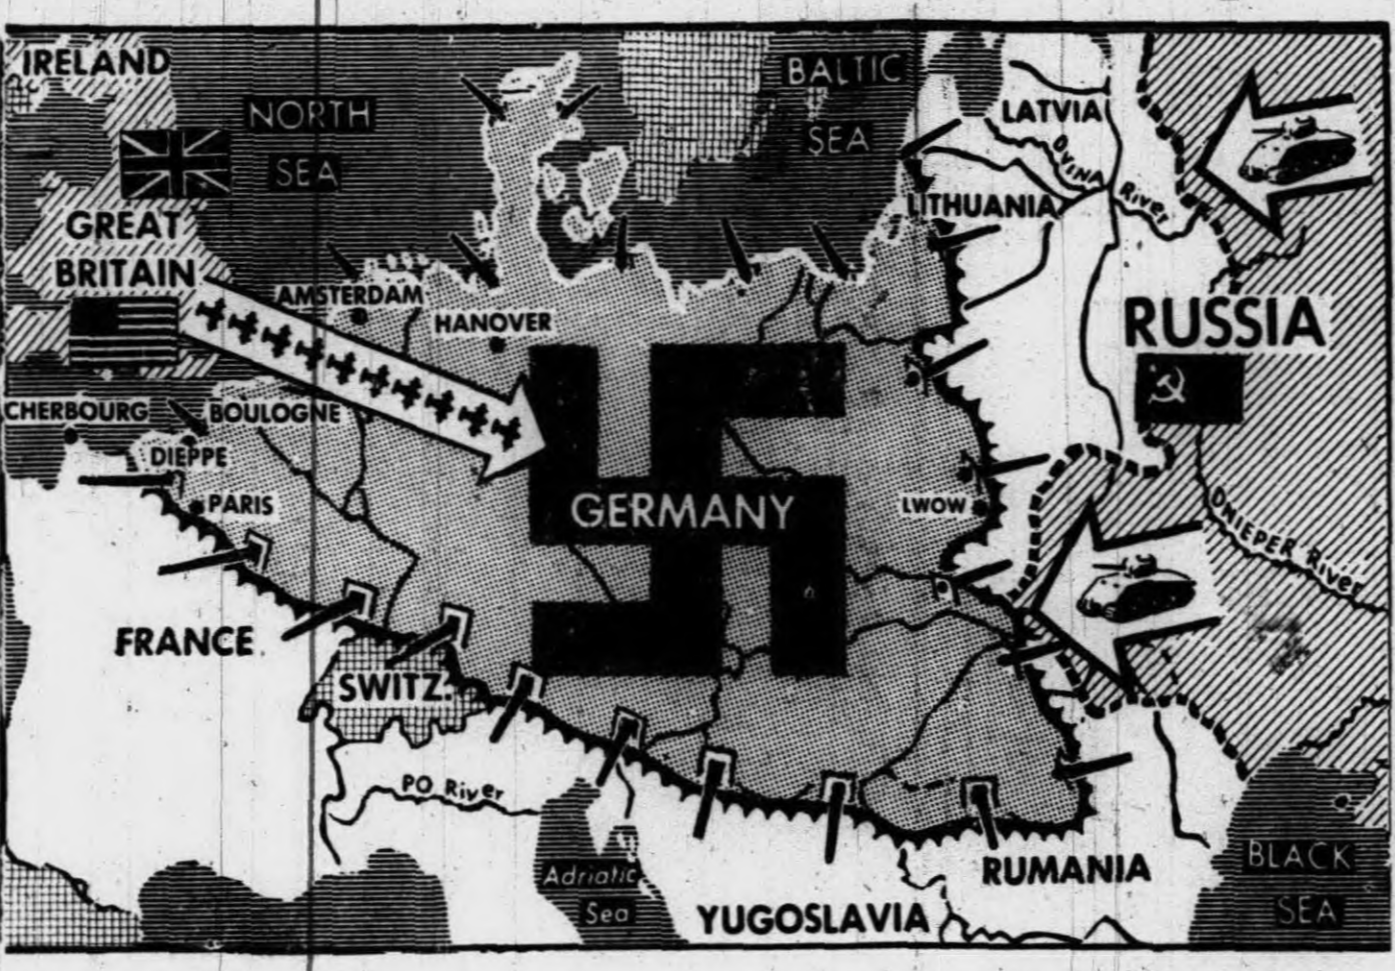

School Nurse: Mary L. Straesen, high school and grade.

First National Has Bond Booth

For the convenience of war bond buyers, First National bank, president of the First National bank, has opened a booth in the bank where war bond buyers can be given immediate attention. During the Fourth war loan drive, this cooperation proved of exceptional benefit to Plymouth war bond buyers and had much to do with the ultimate success of the drive.

Mrs. Frank Grant of Marmora, Ontario, is spending two weeks with Mrs. Charles Westfall, Holbrook ave.

Double-Barreled Smash at 'Fortress' Europe

Plymouth Churches Filled As The Invasion Starts

News of the invasion struck Plymouth as it did all other towns throughout the United States.

Here was the real thing. Here was the start of the biggest battle the world had ever known.

Scores, perhaps more, of Plymouth young men would be engaged in that battle. Some of them undoubtedly would be casualties.

Relatives and friends had waited so long for the day that it had really become important.

Perhaps for the first time since the start of the war there was a genuine feeling that this country is in a war.

Factories reported a sobering effect. Men and women worked with more seriousness. They were making the tools the men in France would need.

Most establishments observed a few minutes of silence for the men in the service and the victory which would be theirs.

The Methodist and Presbyterian churches were open throughout the day for meditation, and scores of persons visited the churches singly and in small groups throughout the day.

The Methodist church held special services at ten in the morning and again at eight in the evening. The Presbyterian church in conjunction with St. John's Episcopal church held services at 7:30 in the evening and there were large congregations at all of the services.

Plymouth did not participate in the statewide blowing of whistles and sirens. It was the contention of the city officials that blowing of whistles and such modes of information added carnival to the solemnity of the day, and that it was not a day for carnival.

City Taxpayers Face Heavy Penalty

City Commission Fails To Adopt Budget Monday Eve

The city of Plymouth still has not adopted a budget.

In an acrimonious session of the city commission last Monday night, the minority composed of Mrs. Ruth Whipple and Carlton Lewis refused again to pass the budget, which sets up the funds for the conduct of the city's business during the next fiscal year, beginning July 1.

Until the budget is adopted the tax rolls of the city cannot be spread, and the tax rate figured. Until the tax rate is figured, no taxes can be collected, and when it is collected, the taxpayers will be faced with a cash penalty for something for which they are not responsible.

The city now has sufficient funds to operate for a few weeks, but unless taxes are collected at approximately the normal time, the city will be forced to borrow against future tax collections in order to meet its payroll and other expenses.

City Manager Clarence Elliott in a letter to the city commission explained the mechanics of figuring tax bills. He told the commission how a certain amount of time is necessary, and how the time is now shorter than is required. After his letter was read, and the city commission still failed to pass the budget, he said that his effort had failed to reconcile the differences of opinion among the commissioners.

Mayor Stanley Corbett opened Monday night's budget proceedings by reading a statement which he had prepared, explaining the position of the majority of the commission, and holding that the position of the minority is inconsistent either with past performances or with the facts.

Mr. Corbett said in part: "I believe there is some misunderstanding regarding the employment of a city attorney, which I would like to clarify by giving a brief resume of the situation as it is."

"The charter says that the mayor SHALL appoint a city attorney, a treasurer and other certain officials."

"This is an order in the charter which the people of the city set up as a set of rules by which business of the city must be conducted."

"The framers of the city charter certainly thought it was necessary to have a city attorney or they would not have made it mandatory that the mayor appoint one."

"The appointment, therefore, is not a whim or fancy on the part of the commission or mayor. It is a direct mandate and the fact that one or two other mayors did not appoint an attorney has no bearing upon the case."

"It resolves itself into a question of whether we are going to obey the entire charter or just the parts of it that we wish to obey."

"At an informal meeting we held recently, Commissioner Lewis remarked that he would feel much more satisfied if we had an attorney sitting in at our meetings. The remark was concurred in by the majority of the commissioners."

"We have appointed an attorney and his appointment has been confirmed. I feel we have been very fortunate in finding a man so well qualified by his training for our particular kind of work."

"Now as to the compensation of the job. The attorney asks a retainer fee of \$600 per year for which he agrees to do certain duties. One commissioner objected to paying an attorney \$25

(Continued on Page 7)

Taxpayers Plan Action

Taxpayers of the city of Plymouth may be called upon to solve the budget problem that has arisen because of the inability of the city commission to get enough votes of members of the city commission to pass it.

As the matter now stands the city will not have enough money to pay its police, firemen, street workers and city hall force after August. On top of this the charter requires a two percent penalty upon all Plymouth taxpayers if the city taxes are not paid before August 10. Neither can the city borrow money upon which to operate if the budget is not adopted.

It was learned yesterday that a group of taxpayers are planning the circulation of petitions which call for the submission to the voters at the July 11 primary the question of changing the city charter so that a majority vote of the commission can adopt the budget which has been prepared for the ensuing year. If this is done, City Manager Elliott states that it will require immediate action in order to get the proposed

(Continued on Page 6)

Lieutenant Marvin Criger Wins Combat Honors

Plymouth's most decorated soldier is home on an extended leave after almost a year of combat duty in the central Pacific.

Ladies and gentlemen, meet First Lieutenant Marvin Criger, former employe of the Plymouth Mail, winner of four air medals and two distinguished Flying Crosses!

Lieut. Criger is the son of Mrs. Adella Criger of Dodge street.

His story, that part of it which can be told, reads like a story book, but getting Lieut. Criger to talk about his work is like asking General Marshall the date of the invasion before it happened.

He just doesn't talk.

But after much questioning; after many promises not to publish this and not to publish that, you can come up with some information.

For instance, Lieut. Criger is a navigator. There is no secret about that. He is a navigator on a liberator bomber.

Then a reporter naturally asks, for what did you receive your decorations?

And Lieut. Criger replied, "For making some bombing runs."

It was simple as that. Lieut. Criger doesn't care to tell you just where those bombing missions were made, except that he did say that he participated in the invasion of Tarawa and Kwajalein, and a few other campaigns.

The reporter managed to draw from the reticent lieutenant the information that he has been in the Pacific since last August and in the actual combat zone since November.

His plane has been shot up a number of times, but Lieut. Criger escaped wounds on every occasion.

His plane was a part of a flight of planes which made the longest overwater hop ever made. It was 2,769 miles, which is a lot of water, but Lieut. Criger estimates that in the thirty bombing missions in which he has participated, he has flown over 65,000 miles of

Lieut. Marvin Criger

Plymouth Plans Quick and Decisive War Bond Drive

Keeping in step with the hundreds of thousands of American boys who have invaded Hitler's Europe, Plymouth will Saturday morning at 9:30 o'clock start its great Fifth war loan drive to help support the American army now fighting for America on the European mainland.

The Junior Chamber of Commerce parade will start from the corner of Starkweather and Liberty streets at 9:30 o'clock Saturday morning. It will march down Main street, circle Kellogg park and then set up headquarters as in past years at the corner of Main and Penniman avenues where bonds will be sold from one of Ed Sinta's buses during the day.

Wendell Lent of Davis & Lent yesterday announced that there are already eight entries in the Plymouth war bond queen contest. Many more are expected within the next week. If you desire to know more about the details for this contest, see either Wendell Lent, or James Hauk at the Fisher shoe store.

The entries are:

Esther Rowelson, Dona Becker, Kathaleen Thompson, Beth Livingston, Doris Langendam, Nina Jean Lawson, Violet Brown, Mary Williams.

Any girl between the ages of 16 and 20 years, inclusive, can enter the contest. Every \$25 war bond counts as one vote. A \$100 war bond means four votes.

And if the girls and their friends knew what a list of prizes were being donated, every girl in town would be in the contest before nightfall. The list of prizes will be published in next week's issue of The Mail. So you had better get in that contest right NOW.

Ballois for use in the NOW Bond Queen Contest can be secured from the Davis & Lent store, James Hauk at the Fisher shoe store or either of the two banks.

But do not for one minute think that the big drive to be made Saturday by the Jaycees is all there is to this all-out effort to put Plymouth over the top in the war bond drive.

Mrs. Walter Kellogg Sumner, general chairman of the U. S. Treasury woman's committee for this part of Wayne county, has perfected a new group of workers for this drive. Mrs. Russell Powell is making available a number of workers of her salvage committee and Mrs. Kenneth Gust has been able to secure a number of additional workers for the Volunteer women.

These women workers wish to advise every one taking part in the war bond campaign that the bonds they sell can count for some favorite in the War Bond Queen contest. So you see its easy to do two things at the same time, help OUR BOYS fighting on the battle fronts in all parts of the world, and help your favorite win the Plymouth War Bond Queen's contest.

As above all — HELP PLYMOUTH GO OVER THE TOP in the great Fifth war bond drive.

Soldier Honored For Gallantry In Action

Private First Class Milo V. Bliss, son of Mr. and Mrs. Jay Bliss, 9017 Northern avenue, killed in action in Italy some weeks ago, has been awarded the Silver Star posthumously, for gallantry in action, according to a news bulletin sent The Plymouth Mail from the Bureau of Public Relations of the War Department. He was serving with the Third "Marne" Division on the Allied Fifth Army's Anzio beachhead in Italy.

The War Department bulletin said: "During the initial stages of operation, Bliss, while on outpost duty, observed an enemy armored half-track about 300 yards from his position.

"He moved 25 yards across open, flat terrain to the edge of the road, with his bazooka gun in readiness. He was exposed to machine-gun fire and machine pistol fire which struck the ground around him.

"As the vehicle came within 10 yards of his position, Bliss fired his weapon from a standing position and registered a direct hit which halted the vehicle and seriously wounded the driver. As a result, Bliss' buddies closed in and destroyed the enemy personnel who had dismounted from the vehicle.

"The Plymouth, Michigan soldier was killed in a subsequent action."

This friendly, mild-mannered Plymouth youngster, was first reported missing in action by the war department. A few days after the first report was issued, his parents were advised he had been killed. He was barely 20 years of age and had been in service less than a year. He was a graduate of the Plymouth high school.

MILO BLISS

Fifth War Bond Proclamation

The U. S. Treasury department has fixed the period between June 12 and July 8 as the time for the Fifth war loan drive. Between these dates the people of our country will be called upon to invest in our government the greatest amount ever sought in any one war bond campaign.

Our armed forces have invaded Europe. A desperate effort is being made to force an early and decisive victory over our enemies. It requires vast sums of money to carry on such great military campaigns as have been forced upon our country.

As mayor of the city of Plymouth, I commend every effort being put forth to raise the quota that has been fixed for this city.

The Junior Chamber of Commerce and all of the other organizations active in making the Fifth war loan drive a success have decided to start the Plymouth campaign on June 10 instead of June 12. In this plan, the city of Plymouth offers its fullest cooperation and requests the patriotic citizens of our community to put forth every effort to make the Fifth war loan drive the most successful of any so far conducted, and prove to our armed forces that we who remain secure in our homes have faith in our fighting forces and our country and that we are willing to back our faith with our dollars.

STANLEY T. CORBETT, Mayor.

Tag Day For The Salvation Army

Saturday—tomorrow, June 10, its tag day in Plymouth for the Salvation Army, states Robert D. Willoughby, general chairman of the campaign to raise funds for the Plymouth branch.

"We know of the good work the Salvation Army workers do in Plymouth and we hope to secure a substantial sum so they can maintain the same high type services they have always given Plymouth," stated Mr. Willoughby, yesterday.

We Need You!

The demand for surgical dressings for American soldier boys is increasing daily, say members of the Plymouth Red Cross.

Word has been received from the American Red Cross headquarters, urging Plymouth to increase its production.

We have the material, but not the workers. If you have had instructions, please return. If you have not, come anyway. Just wear a wash-dress and bring a cloth covering for your head—that is all that is necessary.

We need you.

Hours are from 10 a.m. to 3:30 p.m., Tuesdays and Thursdays, Starkweather school.

Mrs. Leon Huston who has been confined to her bed for the past few months underwent an operation last Saturday morning at St. Joseph hospital, Ann Arbor. She is recovering quite satisfactorily. She is not yet, however, able to see visitors.

School Election Monday, June 12

A light vote is expected at the school board election to be held next Monday.

Polling will be at the high school only, and the polls will be open from 7 o'clock in the morning until 8 in the evening.

Sterling Eaton is the only candidate for a two year term to fill the vacancy caused by the death of George Fisher.

For the full three year term, Donald Sutherland is opposing the incumbent Michael J. Huber.

The voters also will vote on the question of transferring \$25,000 from the general fund to the building fund to increase its production.

The annual meeting of the school district will be held in the high school auditorium at 8 o'clock in the evening, but it was learned that there is no important business to be transacted.

John Jacobs Hurt When Vault Falls

John Jacobs, 743 Virginia, will be confined to his home for several weeks due to the loss of four toes on his right foot Monday when a concrete burial-vault slipped and crushed four toes of his right foot so badly that doctors were forced to amputate them. The large toe was injured, but attending physicians say that this can be saved. The vault slipped as it was being loaded on a truck.

Commencement Programs Begin Sunday Evening

Time was when the end of school was a joyous occasion. But somehow or other times have changed. The change can't be blamed on the war either, for it is more deep-seated than that, and was evident before the start of the war.

It seems that the high school students of today are a bit more mature than they used to be.

There is always something of a let-down feeling as commencement rolls around. Classes are split up. Old friendships melt away as this student goes one way, and that student goes another.

Perhaps it is a fact that more youngsters are going to college.

At any rate, commencement time in the Plymouth high school is here again.

Commencement week begins this Sunday night, with the baccalaureate address by the Rev. George Rothery, pastor of the First Baptist church. The baccalaureate will be held in the high school gymnasium, and there will be no reserved seat for the occasion. Music for the services will be under the direction of the Baptist choir.

Class night will be held Tuesday evening, and will be entirely a class affair, although parents and friends are invited. Most seats will be reserved for friends and relatives of the class, but there will be about 400 seats open to the general public without reservation.

Commencement will be Thursday evening, with the Rev. Edgar DeWitt Jones of Detroit delivering the address.

Following are the programs for all three services:

Class night program Tuesday, June 13, 1944, Plymouth High School Auditorium, 8:00 P. M. Processional Robert Bartel Master of Ceremonies Warren Mason Valerie Kolin, Leader

Events Stunt Night Joyce Tarnutzer Dorothy Rowland

Bob Weaver Hurt In Naval Action

Mrs. Louise Leadbetter of 831 Wing street, has been informed by the navy that her son, Bobbie Clarence Weaver, has been injured in action.

The navy expressed the regret of the department over the incident, and added that the extent of the injuries have not been received.

Young Weaver is an aviation ordinance man first class, but Mrs. Leadbetter by instructions of the navy department, is unable to list the type of ship he is serving on, or where he is located at last accounts. Mrs. Leadbetter also has another son, Ray Hix, in the navy at sea.

Go Sightseeing On Horseback

Where there's a will, there's a way — that is what a large group of horseback riders in this part of Wayne county recently decided, when they made up their minds that they wanted to see some of the beauties of western Wayne county in springtime.

They met at the Miller Bros. 101 Ranch on Ann Arbor Trail, took a forenoon ride through Riverside park, then enjoyed a picnic dinner at one of the beauty spots.

Following the dinner, they continued their horseback-sightseeing trip through the park.

These in the party were: Leona Bakhaus, Mr. and Mrs. Jack Beckman, Mr. and Mrs. James Hunt, Mr. and Mrs. Jim Payton, Mrs. Al Dowling, Miss Kay Moore, James Sherman, Marvin Miller, Jack Miller, Jr., Jack Miller, Sr., Rolland Jarskey, Mrs. Dorothy Miller, Mr. and Mrs. George Meckling, Bud Engel, Mrs. Dorothy Engel, Miss Bonnie Berger, Miss Donna Tillotson, Miss Helen Mosley, Miss Marjorie McKinstry, Sanford Leslie, Miss June Forsburg, Miss Dona Kelley, Ralph Beeman, Mr. and Mrs. Ted Taylor, Kenny Gates, Pat Patterson, Orville Garner, Mrs. Ralph Keger, Mack Medaugh, Al Campbell, Ivan Campbell, Don Korte, Mr. and Mrs. Louis Shotka and John Mecklingburg.

Church Guild Holds Hobby, Antique Show

Last Thursday afternoon and evening, St. John's Guild held an antique and hobby show which brought together articles of much interest. Mrs. Walter Sumner loaned a candle floor lamp which was brought over from England in 1636 by William Sumner, an ancestor of Senator Charles Sumner. Mrs. Katherine Micol loaned a Confederate newspaper printed on the back of wall paper dated July 2, 1862 at Vicksburg, Mississippi. Mrs. Alfred Innis contributed a deed signed by President Van Buren assigning to a Horace Purdy by sale public land in Branch county and dated May 1, 1839. Mrs. Paul Ware displayed a button collection in which there were over nine hundred buttons. She also loaned a child's dress made from a wedding garment which was brought from England and was over 225 years old. It was home spun and stamped. Mrs. Saxton contributed a family hobby of photographs in which members of her family had a part. Mrs. Helen Thams, Mrs. Garnett Baker, Mrs. Clara Mooney, Mrs. Herbert Felton, Mrs. Eda Jewell, Mrs. E. C. Vealey, and Mrs. Alice Robertson loaned articles. James Henry loaned a splendid collection of toys which he made.

RUBBISH DUMPING IS NOW PROHIBITED

Depositing of rubbish on private property or anywhere else in the city is forbidden under a new city ordinance which was passed by the city council last Monday night. The new ordinance gives the city control over dirty spots which have been developing in the city, and provides fines for those who violate the ordinance.

Legals

Attorney: Frank S. McKinnon, 1015 Ford Bldg., Detroit, Mich., ss 305,743

The porcupine Mountains, to be administered by the conservation department as a recreational area, rise to an extreme elevation of 2,023 feet above sea level.

The Farmer Buys War Bonds

by O. B. Jesness
Chief, Division of Agricultural Economics
University of Minnesota

FARMER Brown does not have to ask himself whether he ought to buy War Bonds. He knows that every citizen with an income should lend part of it to the government to help win this war. The real question which Mr. Brown and all his fellow farmers must decide is how large his investment should be. The simplest and best answer to this is "buy all you can."

But what are some of the points which a farmer needs to weigh in deciding what that amount is in his particular case? Farm income certainly is one. Most farmers are receiving considerably larger cash incomes because of the war. Some of the increase may be needed to pay pressing debt. Higher taxes will take some. But most of it ought to be salted away in War Bonds for future use.

Part of the current cash income represents wear and tear on machinery and equipment. War shortages prevent farmers from buying machinery or building sheds. Less money can be spent for these purposes now, but more cash will be needed later on because of this. Each farmer ought to figure the amount which this involves. The best storage place for the money which prudent farmers will set aside for this use is War Bonds.

Farm homes will need new equipment as well. Electricity has recently been installed in many farm homes and more will get this service as soon as possible. Funds saved up now can be used later to buy things to add to the comforts of the home and to ease the drudgery of farm work.

War prices will not last forever. The future will bring years of low prices or bad crops as well as good years. Some of the present income will come in mighty handy in times of low return. Farmers also are saving for educating their children, for old age and for a proverbial rainy day. Each family

should think about all of these needs and set aside money to meet them. There is no safer place for such savings than War Bonds.

Should debts be paid before Bonds are bought? Each farmer must answer for himself. Due and pressing debt should be paid. If necessary, long-term debt should be reduced to a point where it can be carried. After that, available income better go into Bonds. Your own conscience will tell you when you are using debt merely as an excuse for neglecting to do your share in buying Bonds.

What about buying land? Can you handle more land profitably? Is it worth the price asked? Can you pay for it out of earnings when prices drop? A speculative boom in land may get out of hand. Better buy Bonds than speculate in land.

What about the farmer who says "I prefer to keep my funds in cash"? Stop to think, brother, how smart is that? Do you believe it good business to have idle dollars lying around? If they are hid away somewhere, they may get lost, stolen or destroyed. Put them to work and make them produce a return for you. War Bonds are the safest investment available. They are backed by the same government as the dollar. One is as safe as the other. While farmers buy Bonds intending to hold them, the E. F. and G. bonds ordinarily bought by individual investors can be redeemed for cash if need arises. Unlike the liberty bonds of the last war, these cannot be sold on the open market and, hence, will never sell for fewer dollars than they cost.

Farmers have done a good job in buying War Bonds. They can make an even better showing if each one will buy all he can. Remember, you help yourself as well as your country.

FIX RATES FOR CITY TAXI FARES
The city commission has approved by ordinance and resolution the current fares being charged for taxi service in Plymouth. These fares are 35 cents for one passenger within the city limits, and 15 cents for each additional passenger going to the same destination. Ten cents shall be charged for each three minutes of waiting time. Under the new taxi ordinance, fares may not be changed without approval of the city commission.

ORDINANCE NO. 121

AN ORDINANCE TO PROTECT THE PUBLIC HEALTH AND TO PROVIDE FOR THE SANITARY AND EXPEDITIOUS REMOVAL OF HOUSEHOLD OR MUNICIPAL RUBBISH.

Section 1. Definition. "Rubbish" shall be construed to mean the waste materials from normal household or living conditions and business operations, exclusive of garbage and yard rubbish as hereinafter defined; it shall not include rubbish from industrial plants of any character or waste material from building, construction or repair, or paper. In general, rubbish is defined to be rags, bottles, tin cans, ashes, worn out clothing, furniture, excelsior and the like.

"Yard rubbish." Yard rubbish shall be construed to mean garden and lawn rakings, leaves, dead garden plants, clippings from bushes, and tree limbs from the normal premises, which must not be included in rubbish.

Section 2. Collection of rubbish. The City of Plymouth shall establish schedules and methods of

collection of rubbish and shall, by appropriate means, provide the citizens of the City of Plymouth with information concerning the same. Provided, that the collection of rubbish shall not commence before 6 a. m., not be continued after 2 p. m., except where, for the protection of public health, the department in charge of operations may require the extending of the time limit herein fixed.

Section 3. Rules and Regulations Governing Collections from households and other places.
(a) During intervals between collection days, rubbish shall be kept and stored in containers provided by every householder and other person, firm and corporation served. All rubbish containers shall be maintained in good, clean condition by the owners thereof, and promptly replace when no longer fit for use. The combined weight of any container and its contents shall not exceed 100 pounds; Provided, however, that containers for rubbish shall not be so small that it requires several containers for each household or business concern. No more than four (4) containers shall be used by any householder or business concern.

(b) Reuse containers shall be kept in an inconspicuous place on the premises of householder or business concern during intervals between collection days. On the regular collection days the rubbish shall be placed at the curb or other convenient place off the premises of the householder or business concern to be designated by the City and the rubbish collector shall not be required or permitted to enter upon private property to collect rubbish. Said containers shall be removed by the householder or business concern to private premises within twenty-four hours after they have been emptied by the rubbish collector.

Section 4. Containers to be Provided. It shall be the duty of the occupant of premises in the City of Plymouth to provide proper rubbish containers in proper condition. Notice to occupants of premises who fail to provide containers or fail to keep containers in proper condition shall be given by the Department of Public Works of the City of Plymouth, and failure to comply with the requirements of such notice within three (3) days shall constitute a violation of the provisions of this ordinance.

Section 5. Seavenging and Private Collections. It shall be unlawful for anyone other than the owners, tenants or occupants of the premises on which rubbish containers are stored, or the regularly authorized employees or licensees of the City of Plymouth to disturb or refuse containers or to remove their covers or any of the contents thereof, or to cause such refuse containers or their contents to be strawn or scattered on the lawns, sidewalks, alleys or streets, or to pick over or remove from said rubbish and items of items therefrom.

Section 6. Special Sanitary Provisions. The removal of wearing apparel, bedding or other rubbish from homes or other places where highly infectious or contagious diseases have prevailed shall be performed under the supervision and direction of the Health Officer of the City of Plymouth.

Section 7. Deposit of Rubbish. It shall be unlawful for any person to deposit, throw or place any rubbish in any alley, street or upon any Public Property; it shall also be unlawful for any person to deposit, throw, or place any rubbish upon any private premises unless it is in accordance with the provisions of this ordinance.

Section 8. Penalties. Any person, firm or corporation violating or assisting in the violation of the provisions of this ordinance shall be punished by a fine of not exceeding one hundred (\$100.00) dollars, or by imprisonment in a penal institution for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the Court. Each day that a violation of this ordinance is permitted to exist shall constitute a separate and distinct offense and shall be so punishable.

Section 9. Severability of Parts of Ordinance. This ordinance and its various parts, sections and clauses are hereby declared to be

separable, and should any part hereof be declared unconstitutional, or invalid, it is hereby provided that the balance of this ordinance shall not be affected thereby.

Section 10. Repealing Clause. All other ordinances or parts of ordinance in conflict herewith are hereby repealed.

This ordinance shall take effect on and after the 26th day of June, A. D. 1944.

Made, passed, and adopted by the City Commission of the City of Plymouth this 24th day of June, A. D. 1944.

S. T. Corbett, Mayor.
C. H. Elliott, Clerk.

Church News

Hours of services and notices of church organization meetings.

FIRST METHODIST CHURCH. T. Leonard Sanders, Minister, Mrs. O'Conner, Director of Music, Sunday, July 11 is Children's Day. At 10 o'clock the children of the church school will present a program. Plan to attend. 11 o'clock, Morning Worship with baptism, recognition of Methodist Young people who will graduate from the Plymouth high school and reception of new members. The pastor will speak on "Right Standards." Text "How much then is a man better than a sheep." Matthew 12-12. Special music by the choir. 8 o'clock, Baccalaureate sermon in high school. Preacher, Rev. George Rothery. Monday 3:30, Girl Scouts, 7:30, Boy Scouts, Thursday, 8 o'clock, adult choir rehearsal. Keep in mind Sunday June 18 is Father's Day. The daily vacation school of the Presbyterian-Methodist churches will start Monday morning, June 19, at 9 o'clock. The school will have four departments, Beginners, Primary, Junior and Junior High. The place will be the Methodist church.

FIRST PRESBYTERIAN CHURCH—Church street, Rev. Henry J. Walsh, Pastor. Sunday June 11, we will have a combined service of worship for church school and morning worship, meeting at ten thirty o'clock in the sanctuary. "And he took a little child and set him in the midst of them." We shall give the worship service over to the children of the church school, who, under the direction of Mrs. Edwin Rice, will present a service of worship and consecration. The children's choir, under the direction of Mrs. Gerald Hondorp, will sing the music of the service, and all the departments of the Sunday School will have a share in the service. Please notice the hour of change in the service for this Sunday morning from eleven o'clock to ten thirty. There will be no meeting of the Youth Fellowship on Sunday evening, due to Baccalaureate services; but the young people will hold their final meeting of the year on next Sunday, when a picnic outing and election of officers will be held. The Women's Auxiliary will meet on Wednesday afternoon, at two o'clock in the church parlors. The speaker for the day will be Mrs. Robert Tweedie, of Woodward Avenue Presbyterian church. Mrs. Earl Reh will sing a soprano solo in connection with the service of worship. The parents of all school age children are reminded of the annual Daily Vacation Bible school to be held this year in the Methodist church, from Monday, June 19th, to Friday, June 30th, each week-day morning, from 9 to 11:30 a.m. All school age children are welcome. The date for our annual Church and Sunday School picnic will be Wednesday, June 21st, from three o'clock on, in Riverside park in the area around the wading pool. We shall have games for the children in the afternoon, and we shall have a buffet style hot-luck supper at six thirty o'clock in the evening. All the children of the Sunday School, and people of the church are asked to attend. The Sunday school teachers and officers will meet on Tuesday evening, June 13th, at 7:30 p.m. for

a most important meeting, in the parlors. All teachers and officers are asked to attend.

THE FIRST BAPTIST CHURCH—corner Spring and Mill streets, George W. Rothery, pastor, telephone 1043. Sunday, June 11, we will hold a special Children's Day combined program. Both the church and Sunday school will participate under the direction of the Children's Day committee. The program will begin at 11:00 a.m. In the evening we will participate in the Baccalaureate service of the Plymouth high school. The Baccalaureate service will begin at 8:00 p.m.

ST. JOHN'S EPISCOPAL CHURCH—Maple and S. Harvey streets. Sunday morning services. Church school at 9:45 a.m. Morning prayer with sermon at 11:00 a.m. On June 10th, St. Barnabas is remembered in the morning service, since it is St. Barnabas day. He was the good man who had a part in saving St. Paul for the Christian Church. Rev. Francis Tctu, Rector. Tel. 1137.

NEWBURG METHODIST CHURCH—minister, Verle J. Carson, 9614 Newburg road, Plymouth 360W4. Sunday Annual Children's Day service at 10:30 a.m. This will be a combined service of both worship and School sessions. The children will participate in the service of praise and joy, 7:30 p.m. The Youth Fellowship will attend the baccalaureate service in the Plymouth High School. Meet at the church. The sessions of the Detroit annual Conference of the Methodist church will be held in Jefferson avenue Methodist church of Saginaw, Michigan, from Tuesday, May 13 through Sunday June 18. Reverend Carson will be in attendance.

CALVARY BAPTIST CHURCH—Ann Arbor Trail at Elizabeth. Lynn B. Stout, Pastor. As these notes are being written the radio and press are both stating that this is "D" Day. Many have stopped in response to our Governor's appeal and prayed; but as you are now reading these notes, "D" Day is past—have you prayed today. Come to church this Lord's day. Bible school at 10:00 a.m. Bible message by the pastor at 11:00 a.m. Young people 6:30 p.m. Rev. John E. Hendricks of Worlds Faith Missionary Ass'n. will be the evening speaker.

CHRISTIAN SCIENCE CHURCH—"God the Preserver of Man" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, June 11. The Golden Text (Jeremiah 30:11) is: "I am with thee, saith the Lord, to save thee." Among the Bible citations is this passage (Ps. 121:3): "The Lord shall preserve thy going out-and thy coming in from this time forth, and even for evermore." Correlative passages to be read from the Christian Science textbook, "Science and Health with key to the Scriptures," by Mary Baker Eddy, include the following (p. 224): "The power of God brings deliverance to the captive. No power can withstand divine Love."

BEREA GOSPEL CHAPEL ASSEMBLIES OF GOD CHURCH, corner of Ann Arbor Trail and Mill street. Rev. Sanford Cook, pastor. Sunday School, 10:00 a.m. Morning Worship, 11:00 a.m. Junior Church, 11:00 a.m. Evening Service, 7:45 p.m. Mid-week service on Wednesday evening

JOHN M. CARLISLE to Report from England

Exclusively in The News

JOHN M. CARLISLE, staff reporter of The News, whose investigations led to the Ferguson Grand Jury investigations of city-wide graft and conviction of Mayor Reading and other officials, is now in England to give his impressions of conditions and events abroad.

Carlisle, who is also well-known for his human-interest stories, will also offer interviews with servicemen of Detroit and Michigan in which they reveal their innermost thoughts on their experiences and anticipations of D-Day.

CARD OF APPRECIATION

I wish to express my sincere appreciation to my friends and neighbors for the many flowers and cards sent me during my illness and stay in Ford hospital. Detroit. I am especially grateful to the employees of the Phoenix Ford plant. W. Frank Taylor.

CARD OF APPRECIATION

With sincere gratitude I wish to thank all my friends and neighbors for their kindness during my recent illness. Mrs. Chas. E. Pummill.

CARD OF THANKS

We wish to express our deep appreciation to all of our neighbors and friends, and others who did so much to aid and comfort us during our recent sorrow. We most especially wish to thank Rev. Sanders, Mr. Schrader, the Plymouth Tube Co., and also the employees of the Plymouth Tube Co., and Bovee and Wagonschutz and employees. Mrs. Vern E. Pelley and family. Mr. and Mrs. Clarence E. Pelley.

CARD OF THANKS

I wish to express my sincere appreciation to all my friends and neighbors who were so kind to me during my recent bereavement. Urbin R. Sutfin.

PERE MARQUETTE TO HELP PAY WATER BILL

The Pere Marquette railroad has advised the city commission that it will pay fifty percent of the cost of installation of a new water main near the Pere Marquette tracks. The new water main is needed to supply the engines with water, and also will provide better service for the residents of the area.

Obituaries

Mrs. Loa Sutfin
Mrs. Loa Sutfin, 55 of Plymouth, former Ann Arbor resident, died June 2 in St. Joseph's hospital in Ann Arbor after a brief illness. She was born Feb. 4, 1889, in Carleton, Michigan, the daughter of Peter and Cora Batway. She was married in 1920 to Urbin R. Sutfin and resided in Jackson at that time. Later they moved to Ann Arbor, where they lived for several years until moving to Plymouth five years ago. The residence is at 647 Maple Ave. Surviving are her husband, a daughter, Mrs. Oren Cissen, of Ann Arbor, and sister, Mrs. Charles Terry of Jackson. Funeral services were conducted at 1:30 Monday in the Muehlig funeral chapel in Ann Arbor with Rev. Charles W. Brashares, of the First Methodist church, officiating. Burial was in Washtenong Memorial park.

George Wolfram

George Wolfram who resided at 12102 Merriman road, Livonia township, passed away early Sunday afternoon, June 4th after a long illness at the age of sixty-three years, seven months and twenty-five days. Deceased was born in Redford township on October 10, 1880 and has lived in Redford and Livonia townships all his life. Besides his widow, Mrs. India I. Wolfram, he is survived by three brothers, William, John and Fred, all of Livonia township, and a host of other relatives and friends. The body was brought to the Schrader Funeral home, Plymouth, and later taken to his home, from which place funeral services were held Wednesday, June 7th at 3 p. m. Rev. Henry J. Welch of the First Presbyterian church of Plymouth officiated. Two hymns were sung by Mrs. Earl Reh. Active pallbearers were Messrs. Carl and Sylvester Shear, Roy Losey, Walter Wilkie, August and John Hauk. Interment was in Riverside mausoleum.

Mrs. Emma Florence Place

Funeral services were held Tuesday, June 6th from the Schrader Funeral home, Plymouth at 2 P. M. for Mrs. Emma Florence Place, who resided at 6401 Canton Center road, and passed away early Saturday afternoon, June 3rd at the age of eighty-three years, three months and thirteen days. Deceased has resided in Canton township for a number of years. She was the widow of the late Edwin O. Place who preceded her in death in 1941. Surviving are six daughters and one son, Mrs. Harvey Proctor of Tecumseh; Mrs. George Maynard of Williamston; Mrs. William Rice of Wayne; Grover C. Place of Whitmore Lake; Mrs. Charles L. Wilson and Mrs. William Thompson, both of Detroit; and Mrs. Owen H. Schrader of Plymouth; thirty grand-children; and

forty-one great grand-children; three sisters and two brothers; Mrs. Minnie Truesdell of Petoskey; Mrs. George Bell of Detroit; Mrs. Clarence Place of Lowell; George and Grant Carpenter, both of Wayne; and many relatives and friends. Rev. T. Leonard Sanders officiated. Two hymns were rendered by Mrs. J. T. Chapman, accompanied at the organ by Mrs. M. J. O'Conner. The active pallbearers were Messrs. Stanley Proctor, Claude Maynard, Alton Matevia, Tyrus Place, Stanley Wilson, and Ora Chilson. Interment was in Riverside cemetery.

THANKS COMPANY FOR AID GIVEN THE CITY

The city commission has instructed City Manager Clarence Elliott to write a letter of appreciation by the city to the Dunn Steel Products company, and to Horace L. Johnson, an official of the company, for services rendered to the city in the creation of a device to control the pumping of water at the new well.

When all the concerns of humanity are threatened, is the common humanity of man present to the minds of all.

Kiwanis Told Of Scout Work

Members of the Plymouth Kiwanis club Tuesday evening heard much about the Scouting movement in Plymouth and vicinity and were surprised when informed by Miss Neva Lovewell that there are 235 various Scout organizations in the city of Plymouth. There are 20 leaders who are devoting much of their time to this good work, said Miss Lovewell. "The war effort is being aided by these young people and their activities have proven a real inspiration to us older folks. They are in need of a site and log cabin with fireplace for overnight hikes and are working towards this and feel certain Plymouth people will lend a helping hand as in the past. The scouts are doing a fine work to kindle fires of friendship between boys and girls all over the world," said Miss Lovewell. The program was in charge of Robert Lidgard, who had as his guests several members of various scout groups. The double quartet of the high school presented a pleasing musical program under the direction of C. A. Puchtman.

Archery Fans Open Season

The first official archery shoot of the 1944-45 season was held on Monday, June 5th, on the archery range adjoining the Club house in Rosedale Gardens. Hereafter, regular competition will be held on each Monday evening, 7:30 to 9:00 p. m., throughout the season. Visitors are welcome. In cooperation with a suggestion from P. T. A. and in order to provide an activity to help occupy some of the idle time of juveniles it has been voted to include all the young people who wish to join from age 9 upward. This expansion is conditioned on the strict ruling that no young person, below age 18, shall be permitted to shoot on the range at any time except when supervised by at least one adult. Such adult is responsible for safety and correct behavior, and may be either a parent, friend or adult member of the club. Three targets will be provided, spaced at suitable angles, to serve junior, intermediate and senior groups. Teams will be formed as evenly matched as possible, for spirited competition through the summer season, and a tournament will be planned for the fall. See either Lester Bookout, Roger Cooper, George Hamilton or Martin Pitts pertaining to membership.

Corp. William Thomas Home On Furlough

Corporal William Thomas, son of Mr. and Mrs. Fred Thomas of Blunk avenue, arrived home this week on a two week's furlough from Camp Cook, California where he has been stationed for nearly a year. The youthful army tank operator is fully convinced after seeing much of the southern and western country, that there is no place like Michigan. "They can talk about the weather out there, but I'll take Michigan, its rain, snow, wind, sunshine and warm summers any day in preference to California or anywhere else. We are located right on the Pacific coast, and during the winter it rained most of the time and now its cloudy weather. But you can tell them all, I am glad I am in Plymouth and to be able to see my friends, who are still at home," said Corporal Thomas yesterday. He expects to return to the Pacific coast on June 20.

Mrs. Harry Devo and Mrs. Richard Olin, Jr., entertained Wednesday, in honor of Mrs. M. A. Arnold who is leaving the city to reside in Cleveland. The luncheon for twenty-two guests was held at Chateau Rousseau.

Mr. and Mrs. Kenneth Corey have purchased the former Hal Wilson home near the corner of Golden Road and Ann Arbor road. They have already moved into their new home, one of the most attractive in that vicinity.

Ensign James Sexton has now completed his training in Chicago, and is spending a fifteen day leave with his parents, Mr. and Mrs. James Sexton, before leaving for San Diego, where he will take additional training with the Navy air corps.

Mrs. Claude Dykhouse, Mrs. George A. Smith, Mrs. Carl January and her mother Mrs. Webber, and the guest of honor Mrs. Harry Reeves, were entertained at a luncheon given by Mrs. Charles Brake, Saturday, in the dining room of the Michigan League, Ann Arbor.

The Misses Margaret Jean Willoughby, Nancy Mastick, and Betsy Ross will attend the C. A. R. conference, at Jackson this Saturday. The conference will be held at the Hotel Hayes, where Margaret will be a pageant, Nancy a delegate, and Betsy will be the State flag chairman.

Invitations have been received by friends in Plymouth of the forthcoming marriage of Miss Grace Ellen Collins, daughter of Mr. and Mrs. William Collins of Linden, Michigan to Charles D. Hurd of Lilley road. The ceremony will take place on Saturday, June 17 at the Linden Free Methodist Church.

Mr. and Mrs. Dow Swope and Mr. and Mrs. Robert Wesley held open house Wednesday evening at the latter's home for some forty guests and friends of Lieut. and Mrs. R. M. Daane who returned to Plymouth Tuesday from Charleston, S. C., where Lieut. Daane is stationed at the Navy Yard.

Lieut. and Mrs. Russell Daane and children are in Plymouth for a brief visit, having arrived Wednesday from Charleston, South Carolina where Lieut. Daane is stationed at the U. S. navy yards. They left today for Grand Rapids where they will spend the remainder of the week with the parents of Lieut. Daane. His father has been in ill health for some time.

Weddings

SPRINGER - PAESCHKE

On Saturday afternoon, May 27th at three o'clock, Miss Helen Jane Springer, daughter of Mr. and Mrs. Harvey Springer of Auburn street was married to Robert Charles Paeschke of Detroit. The ceremony was performed by Lt. Butler, Naval chaplain in the Breezy Point Chapel, Naval air station at Norfolk, Virginia. The couple were attended by Mrs. Laurel Kimmel and her husband, William Kimmel, photographer in the Naval Air Force, attended the groom.

The bride was given away by her father, who with Mrs. Springer and the groom's parents went down for the wedding. A four course wedding dinner was served at five o'clock at Hotel Monticello in Norfolk.

The couple flew to Washington for a short honeymoon, it being necessary for Mr. Paeschke to return to the base on Wednesday. Mrs. Paeschke will stay in Norfolk for a month and then return to her work at Kelsey-Hayes Wheel Company.

FLAHERTY - KNAPP

Miss Dorothy Flaherty, daughter of Mr. and Mrs. E. M. Flaherty of Strawberry Lake and Northville, and Elton Knapp, son Mr. and Mrs. George Knapp of South Harvey street were united in marriage Saturday evening at 7:30 o'clock in the Presbyterian church, Northville. Rev. Harold Fredsell performed the ceremony. The bride who was given in marriage by her father, wore an ice blue taffeta and net gown. Anna Jean Flaherty, sister of the bride was bridesmaid wearing a peach net dress. Sanford Knapp was his brother's best man. The ushers were Marvin Sackett of this city and John Flaherty of Northville. Mrs. Flaherty, mother of the bride wore a dusty rose dress and a corsage of white carnations. Mrs. Knapp, the groom's mother wore a navy blue and white dress and a corsage of gardenias. A reception was held in the church house following the ceremony. The couple left for an eastern trip, the bride wearing a luggage tan suit with green accessories. They are planning on making their home in Syracuse, New York where the groom is employed as an engineer. Mr. Knapp is a graduate of Plymouth high school and the bride attended Fordson high school.

SAVAGE - HORN

In the chapel of Central Woodward Christian church, Detroit on Monday, June 5th at five o'clock in the afternoon, Miss Virginia Savage, daughter of Mr. and Mrs. Elwood Savage of Stark road became the bride of Donald E. Horn, son of Mr. and Mrs. Alfred Horn of Plymouth road. The ceremony was read by Rev. Edgar DeWitt Jones pastor of the church. The bride wore a floor length gown of white marquisette and a finger tip veil. Her bouquet was of white carnations and delphiniums. Her attendant, Miss Caroline Leurck of Stark road wore a floor length dress of coral chiffon. Her flowers were carnations and delphiniums. A bow of coral velvet served the purpose of a cap and long white gloves completed her costume. Ph. M. 1/c Alfred Henke who has been stationed in North Africa the past 15 months, but is now home on leave, was best man, the two young men having enlisted in the navy at the same time. Mrs. Savage chose a blue crepe dress for her daughter's wedding and she wore a pink corsage. The groom's mother wore a beige crepe and a corsage of yellow flowers. Following the ceremony a dinner was served at the home of the bride's parents and in the evening a reception was held for about 100 guests. Mr. Horn left today (Friday) to return to his ship. Mrs. Horn will remain with her parents for the duration. Out of town guests at the wedding were, Mrs. H. W. Seward and daughters, Carolyn and Kathleen of Pendleton, Indiana.

Two young sandhill cranes, seen constantly in the company of the parents, are the first that are known to have been hatched at Rose Lake wildlife experiment station near here. The offspring now are about a foot tall, their bodies about the size of half-grown chickens, and their coloring decidedly reddish brown. Five adult sandhill cranes are seen frequently in the vicinity of the station this spring.

Iceland Servicemen See Revue

Four young dramatic actresses, under USO camp shows auspices, present "The Doughgirls and the Drunkard" for the enjoyment of servicemen stationed in Iceland. The girls played a six-month engagement in Iceland.

Taxpayers

(Continued from Page 1) amendment on the ballot in time for the July 11 primary. This situation has arisen because of the refusal of two city commissioners to approve a \$600 per year salary for a city attorney. They believe the salary should be fixed at \$450, and the charter requires four votes of the five members for adoption. It is proposed to change this vote to a majority vote of the commission. If this proposal is submitted and approved by the voters, the taxpayers escape the second and third tax penalty, but some regard it doubtful if the tax collection can be made in time to escape the first tax penalty.

Corrects Data On Dog Regulations

City Manager Clarence Elliott has called attention to an error in the city's advertisement in last week's issue of The Plymouth Mail concerning dogs. The advertisement said that no dog is permitted to run loose in the City of Plymouth from September 1 to June 1 unless they have been vaccinated against rabies. The advertisement should have said from October 1 through May 31, dogs are not permitted to run loose unless they are vaccinated. At the moment, a state quarantine prevents any dog from running loose, and there likewise is a city ordinance governing the control of dogs during the summer months.

Buy War Bonds

Carry Heavy Loads

Some tankers now carry, in addition to their gasoline loads, as much as 38,000 barrels of fuel oil. Normal deck loads are often made up of ambulances, planes, jeeps and trucks.

Yellow Flame

Flame color is one indication of how efficiently a kerosene stove is operating. Yellow flame is a sign of inefficiency and should not be allowed for any length of time.

Factory Production

In September, 1939, there were 548,000 factory employees in Australia; now there are 712,000, and of that total 72 per cent are making munitions and war supplies.

Cellophane Packs

Cellophane is no novice in the packaging of products at sub-freezing temperatures. In the field of quick-frozen foods it has been used almost from the start.

Good Nutrition

An egg a day is the minimum set for good nutrition. Next to milk, eggs are the most nearly perfect food.

Mineral Extraction

In the last 40 years the world has extracted more minerals from the earth than in all preceding history.

Modern China Began in 1911

Modern China began when Sun Yat-Sen in 1911 overthrew the last Manchu emperor.

Keep Best Cold

Eggs keep fresh longest if they are not only kept cold but also covered.

Livonia Red Cross Has New Canteen Aid

A graduation and mobile cook-out was held June first at Cass Benton Park. Livonia has twelve new canteen aids to work with thirty one canteen corp making forty-three active canteen members. The new canteen aids are: Mrs. Clyde Carey, Mrs. Chas. Cook, Mrs. Chas. Diddam, Mrs. Geo. Kudla, Mrs. Hugh Johnson, Mrs. Marian Waterworth, Miss Eunice Smith, Mrs. Clara Smith, Mrs. Gustav Muth, Mrs. James Wilson, Mrs. Stafford Leteker, and Mrs. Theodore Masters.

Mrs. Myron J. Anderson, canteen chairman, welcomed the aids to the canteen and has assigned them to duties at the Romulus Service Center and Blood Bank. The new motor corp members were guests at the graduation. Mrs. Philip Longley, chairman of motor corp, has been awarded her Sgt. stripes.

It is good discretion not to make too much of any man at the first, because one cannot hold out in that proportion.—Bacon.

Only 2 Gas Coupons Left for This Month

How do you suppose we can call for your laundry, and deliver it with only two coupons left in our book?

We would like to, but for the present it is necessary that we call upon our good customers to bring their work to our laundry and come and get it when it is ready. Thanks for your cooperation.

Perfection Laundry & Dry Cleaning Co.

GAS toughens our SHELLS

Every one of the millions of shells which are being turned out by our war plants is heat treated to "toughen" it. Much of this vital heat-treating process is done in high automatic GAS furnaces. Yes, ladies, the same clean blue flame that is used to cook those tempting, tender steaks also makes metals tough. That is why more and more gas is needed in our war plants. That is why Uncle Sam asks everyone to use it wisely and sparingly. GAS IS AN IMPORTANT WAR FUEL—DON'T WASTE IT IN YOUR HOME.

Gas is on the front production line. It is helping to bring the day of victory sooner by aiding in turning out more and better fighting equipment for our men. This silent, dependable blue flame will also work just as hard to make your home and your life more enjoyable as soon as this war is won.

To All Dog Owners in Canton Township

The undersigned has been advised by the County authorities that a census of the owners of all dogs will be forwarded to the Prosecuting Attorney for necessary proceedings against such owners, and a copy of the list will be furnished to the Sheriff and State Police, who are required by law to kill all unlicensed dogs.

Difficulty can be avoided by purchasing a license for your dog from the undersigned without delay.

Ina J. Woolger, 43127 Michigan Ave. Belleville, Mich.

A large advertisement for the 5th War Loan. At the top, it says '5th WAR LOAN' in large, bold letters. Below this, it reads 'TREASURY DEPARTMENT DEFENSE SAVINGS STAFF'. The main body of the ad is a letter addressed to 'Dear Friends' and contains the following text: 'THIS IS IT! The 5th WAR LOAN is on! It started with the day of invasion! The zero hour the world has waited for has arrived. The big push for which we have waited so long is here. The greatest battle in the history of the world must be matched by the greatest War Loan in the history of the world. They, in the front lines, are throwing in everything they have. We, behind the lines must do the same. "WE HAVE FAITH" is the Michigan Bond slogan. It means "We have Faith in our government, Faith in our fighting men, Faith in Victory." Our boys are trying to win the battle of life or death. We have Faith that they give their lives for us. Let's show our Faith now by lending our money more than ever before.' The letter is signed 'Yours for VICTORY' and 'Frank N. Isbey, Chairman U. S. Treasury Michigan War Finance Committee'. At the bottom of the ad, there is a photograph of two young boys in military uniforms, one standing and one kneeling, and the slogan 'WE HAVE FAITH' in large, bold letters.

City Taxpayers

(Continued from Page 1)

when we commission members only receive \$5 for each meeting we attend. I do not believe this is sound reasoning because a commissioner is not here to make a living, but to perform a public service. An attorney sells his services as an attorney. I do not believe former Mayor Shear got an average of 5 cents an hour for all the time he gave to the city last year."

Mayor Corbett then pointed out that even though in past years the city had paid its city attorney only \$300 per year, his extra charges had made his income al-

most \$600 per year, and some years much higher. He stated that during 1940 the salary and fees paid the city attorney exceeded \$1500 and in 1941, the total was \$867.41. Commissioner Whipple who is now objecting to the \$600 salary, was mayor during these two years.

After the reading of the statement, Commissioner Whipple moved, and was supported by Commissioner Lewis that the budget make an allotment of \$450 a year for the city attorney instead of \$600.

On the basis of that motion, Mrs. Whipple had given in by a matter of \$150 over her previous stand that the city attorney should be paid only \$300.

She said it is not the \$600 that she is objecting to, but rather it is the question of the legal ability of the city attorney who has been appointed by the Mayor. The city attorney appointed is Claude Buzard, attorney for the Pere Marquette Railroad, attorney for the First National Bank, and a number of other concerns, and generally recognized as one of the best legal minds in Wayne county.

"I think," said Mrs. Whipple, "that we ought to put him on probation for six months and see if he is worth \$600, and if he is, then we can pay the other \$150 out of the contingent fund."

Mayor Corbett replied that the objection to payment of the salary is petty and picaresque, and that the suggestion of putting \$150 in the contingent fund to pay the attorney is subterfuge, and that payment of the attorney could be blocked at some future time by the same process now being employed by the minority.

Before the commission could act on the original motion by Mrs. Whipple, Commissioner Carl Shear proposed a substitute motion that the budget be adopted as it now stands. This motion was seconded by Commissioner Henry Hondorp. On the vote on the substitute, the motion was lost by a 3 to 2 vote.

The original motion by Mrs. Whipple then lost by a 2 to 3 vote, and the commissioners had accomplished nothing.

Commissioner Hondorp then moved to adjourn, which was seconded by Commissioner Shear. And on that motion, Mrs. Whipple and Mr. Lewis voted "no," but the majority seeing that nothing was to be accomplished approved the adjournment.

Following the meeting, City Manager Elliott said that it was merely a question of the \$150 now involved that he would be glad to have that amount of money taken from his salary and added to that to be paid to the city attorney.

"I'll do anything possible to get this budget passed," said Mr. Elliott, "but this is now a question of principle on the part of the majority and the minority, and no 'give' is in sight."

"I'll be glad to entertain any suggestions or ideas as to how to get this budget passed. That is an important thing. And I'll call an immediate session of the commission if there is any sign or hope that the budget can be passed."

City Manager Elliott's letter to the commission on the necessity of adopting the budget follows:

June 5, 1944

Dear Madam and Gentlemen:

"In accordance with the City Charter your Budget Committee, composed of former Mayor Carl G. Shear and myself, presented to you the Annual City Budget April 4, 1944. In the annual budget message, it was stated that the 1944-45 budget should be approved by the commission as early as possible in May so that the tax could be spread, and tax notices prepared and in the mail in June of 1944. It was further recommended that a public hearing be held May 8, 1944, to determine the wishes of the public concerning the various items in the budget. At no time was there any protest concerning the various items from any citizen. At least two other meetings have been held by the Commission at which the budget was up for consideration. As yet this budget is not passed by the necessary majority.

"In section 27 of Chapter 10 of the Charter extending the taxes by the Assessor and not later than the first Monday of June in each year, the Assessor shall cause said assessment roll, certified under his hand, to be delivered to the Treasurer, with the warrant of the Mayor of the City annexed thereto, directing and requiring him to collect from the several persons named in said roll the several sums mentioned therein opposite to their respective names." You note, therefore, that we are violating the City Charter in that the tax has not yet been spread.

"May I be permitted to point out to you the mechanics of spreading the taxes in the City of Plymouth? There are approximately 3800 tax descriptions and 2900 owners of property. In order to spread the tax it takes approximately one week of uninterrupted time; this is assuming that there are no mistakes. If mistakes creep in, which is not unusual, it may take a longer time than that. After the Roll has been balanced it is taken to the City of Detroit to the Bureau of Taxation. This Bureau runs the tax bills for us through an add-ressograph and billing machine. They have informed us that they can do their work in a period of a week! After the Roll is returned to the City Treasurer it is necessary to check the tax bills against the tax roll, properly number the tax bills and sort the tax bills for mailing; this phase of the work takes a week. It is therefore apparent that the work will take at least three weeks to accomplish, but to be safe we must estimate 3 1/2 to 4 weeks.

"I wish to point out further that in accordance with Section 28 of Chapter 10, there is a very serious penalty clause: 'Immediately upon receiving the Tax Roll, with the warrant thereto annexed, as provided in the preceding Section, the Treasurer shall proceed to collect the taxes levied therein according to the direction of said warrant. A collection fee of 2% shall be charged on all taxes collected after August 10.'"

"The tax bills should certainly be in the hands of the taxpayer between July 1 and July 10. It is mandatory on the part of the Treasurer to collect the 2% penalty after August 10. If the taxes are not spread and placed in the mail in time for the taxpayer to make prompt payment of his taxes before August 10, he is penalized to that extent.

"The approval of the budget presents a matter which is one of the greatest of public interests.

The establishing of a salary for a City Attorney is entirely the province of the Commission. However, this matter has now effected the entire administrative phase of Municipal Government within the City of Plymouth. It is needless for me to point out that we are competing in the labor market with industry and mercantile establishments. Within the last twelve months we have lost at least four employees. I have attempted to employ other men, by advertising through the local news paper and contacting individuals, that might possibly be interested in Municipal work. It is true that we have employed four men, but out of the four it was necessary to release two of them before they had worked one full week. Failure to pass the budget will certainly tend to lower the morale of all of the employees. If employees leave the service, the City would be the loser, because it costs money to obtain and train new employees. Failure to pass the budget will impair the credit of the community. Without the money, we cannot complete negotiations for property which has already been approved by this Commission; the option on this property expires July 15.

"May I be permitted to state further that the City Commission is in entire agreement concerning the administrative part of the budget, but in order to uphold the services which you as a City Commission expect, the services which I expect to be standard practices for a community like Plymouth, and to uphold the ideals of public service which the citizenry of Plymouth has, it is vitally necessary that the budget be adopted.

"These are hectic days in which we are living. It is true that all are living under a great deal of stress and strain, but our boys and girls are fighting for the true spirit of democracy and we who are on the home front should certainly uphold the democratic way of life. It is only by working together with a spirit of complete cooperation, with a spirit of the best interests of our community at heart that we can be well judged by our fellow citizens.

"In closing may I say that I have given this matter careful consideration and it is with great humility, and a deep sense of public responsibility that I implore

you to pass the budget immediately."

KEITH MILLER ON 7TH GRADE HONOR ROLL

In the honor roll of the 7th grade published in last week's issue of the Plymouth Mail, the name of Keith Miller was omitted due to a typing error. The Mail is pleased to see to it that Keith is properly credited with the honor he has won because of good school work.

Official Proceedings

of the Plymouth City Commission

The regular meeting of the City Commission was held in the Commission Chambers of the City Hall on Monday, June 5, 1944, at 7:30 p.m.

Present: Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

Absent: None.

The minutes of May 15 and May 22, 1944, were read by the Clerk. Commissioner Whipple requested that the minutes of May 15, after "It was suggested by the Mayor that the City Commission go into executive session to review various items of the budget," there be inserted a statement that Commissioners Hondorp, Lewis and Whipple objected.

The minutes as corrected were approved.

It was moved by Commissioner

Shear and supported by Commissioner Hondorp that the bills in the amount of \$12,561.50 as audited by the Auditing Committee be approved. In this amount there was included bonds and interest for sewage disposal plant and sanitary sewer in the amount of \$5,743.75.

Ayes: Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

Nays: None. Carried. The following reports were read by the Clerk: Health Officer's report, Police report, Violation bureau, Fire, Building inspector, Municipal court and City Treasurer's report.

It was moved by Commissioner Whipple and supported by Commissioner Shear that these reports be accepted and placed on file. Carried.

Mr. Francis Walsh requested the City Commission to make an appropriation of one hundred twenty five dollars for the ensuing year for the purpose of providing the Girl Scout council of Plymouth funds to hire professional services.

It was moved by Commissioner Lewis and supported by Com-

Reconditioning Program Reclaims Wounded

The function of the England General hospital at Atlantic City, N. J., is the reconditioning of convalescent soldiers and officers before being sent back to duty. In picture at top, Sgt. Vic Ghezzi, former national PGA champion (1942) instructs a class, using golf clubs for exercises. Lower left: Two soldiers, both wounded in Sicily, exercise on the pulleys. Each was recipient of the Purple Heart and other decorations. Circle: Sgt. Sam Goldman of Cleveland, Ohio, leads a class of soldiers in abdominal exercises.

missioner Shear that the matter be referred to the City Manager for his recommendations, which shall be made at the next regular meeting.

It was moved by Commissioner Shear and supported by Commissioner Whipple that the Junior Chamber of Commerce, be permitted to hold a parade on the streets of Plymouth in connection with the bond sale, Saturday, June 10.

A communication was received from the P. M. R. R. accepting an assessment of four hundred fifty dollars for the construction of the water main on West Pearl street.

WHEREAS, a public hearing has been held covering the proposed improvement and no valid objections have been received, and

WHEREAS, the plan, profile and estimate covering the proposed improvement has been accepted and is now on file in the office of the City Engineer.

THEREFORE, BE IT RESOLVED that this Commission approve and declare its intention to proceed with the construction of a 6" (six inch) water main on West Pearl street between Starkweather and the Pere Marquette Railway property.

BE IT FURTHER RESOLVED that the assessor be directed to prepare an assessment roll covering the total cost of the improvement.

Ayes: Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

Nays: None. Carried.

The City Clerk read a communication from the Planning Commission relative to the recommendation of the Planning Commission for two planning projects for Postwar. One of these projects was for the plans and specifications for storm and sanitary sewers in the subdivided area of the south part of the city, the city's share on this project would cost \$1,050.00. The second project was for plans and specifications for a new storage tank and distribution lines; the city's cost of the second project would be \$700.00.

The Planning Commission also recommended that the City Commission inform the State Planning Commission that it was the intention of the City of Plymouth to use all available funds so provided by Act 57 of the Special Acts of 1944.

It was moved by Commissioner Whipple and supported by Commissioner Lewis that this Commission adopt the report of the two projects and inform the State Planning Commission that it was the intention of the City of Plymouth to use all available funds provided under Act 57 of the Special Acts of 1944.

Ayes: Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

Nays: None. Carried. A communication was also received from the Planning Commission recommending the vacating of Blanche street between Amelia street and the Pere Marquette railway be vacated.

It was moved by Commissioner Shear and supported by Commissioner Hondorp that the report of the Planning Commission concerning Blanche street be accepted and placed on file. Carried. The City Manager made a report concerning the Peoples Community Hospital as requested by the City Commission at the last regular meeting, in which it was stated that of the eight Doctors contacted, only one felt that the City of Plymouth should make a contribution.

It was moved by Commissioner Whipple and supported by Commissioner Hondorp that the informal report be summarized in the minutes, accepted and filed. Carried.

The following schedule of charges are made for taxicab services within the City of Plymouth:

- \$.35 for one passenger.
\$.15 for each additional passenger; providing that the passengers are all proceeding to the same destination.
\$.10 for each three minute wait.

It was moved by Commissioner Shear and supported by Commissioner Lewis that the taxicab rates as presented be approved.

Ayes: Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

Nays: None. Carried.

The City Clerk read Proposed Ordinance No. 121, and ordinance to Protect the Public Health and to Provide for the Sanitary and Expeditious Removal of Household or Municipal Rubbish.

It was moved by Commissioner Whipple and supported by Commissioner Hondorp that this Ordinance be adopted.

Ayes: Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

Nays: None. Carried.

The City Manager made a brief report concerning the pavement on Wing street between Main street and Forest, recommending that, if the property owners provide the additional money over and above the assessment, the Commission proceed with the paving of this block.

It was moved by Commissioner Lewis and supported by Commissioner Shear that the recommendation of the City Manager be accepted. Carried.

The City Manager presented a bid for the sale of garbage during the fiscal year 1944-45 in the amount of \$900.00 from Mr. C. Sherwood. The City Manager recommended that the bid be accepted.

It was moved by Commissioner Shear and supported by Commissioner Lewis that the recommendation of the City Manager be accepted.

Ayes: Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

Nays: None. Carried. The City Manager recommended that no court action be taken until June 19 concerning the vacation of the Rauch house.

It was moved by Commissioner Shear and supported by Commissioner Whipple that the recommendation be accepted. Carried.

The Mayor requested that the City Commission instruct the Manager to write letters of appreciation to the Dunn Steel Products Company and Mr. Horace L. Johnson thanking them for the services which they performed on the controls of the new dump for the City.

It was moved by Commissioner Hondorp and supported by Commissioner Shear that the Manager be instructed to write letters of appreciation to the Dunn Steel Products Company and Mr. Horace L. Johnson. Carried.

Mayor Corbett then made several remarks concerning the attorney fees as set up in the budget. The City Manager read a communication pointing out the necessity for adoption of the budget.

It was moved by Commissioner Whipple and supported by Com-

missioner Lewis that the budget, after transfer of \$150.00 from the Attorney's salary on page two to the contingent fund (leaving a balance of \$450.00 for attorney's salary) be approved.

It was moved by Commissioner Shear and supported by Commissioner Hondorp to substitute the motion to adopt the budget as it is.

The vote on the substitute motion:

Ayes: Mayor Corbett, Commissioners Hondorp and Shear.

Nays: Commissioners Lewis and Whipple. Motion Failed.

The vote on the original motion:

Ayes: Commissioners Lewis and Whipple.

Nays: Mayor Corbett, Commissioners Hondorp and Shear. Motion Failed.

It was moved by Commissioner Whipple and supported by Commissioner Lewis that the budget, with the exception of the \$600.00 item for attorney's salary, be approved.

Ayes: Commissioners Lewis and Whipple.

Nays: Mayor Corbett, Commissioners Hondorp and Shear. Motion Failed.

It was moved by Commissioner Hondorp and supported by Commissioner Shear that the meeting be adjourned. Time of adjournment 9:00 p.m.

Commissioners Lewis and Whipple voted "No" on the adjournment. Carried.

Son On Surprise Visit To Mother

Ray Hix, son of Mrs. Louise Leadbetter of Wing street who is serving his country on one of Uncle Sam's destroyers, somewhere on one of the big oceans, is home for a brief visit with his mother and old friends in Plymouth.

His visit just at this time is a most timely one, because it was only a few days ago that Mrs. Leadbetter was notified that another son she has in service in the navy has been injured in action.

But the unfortunate news of the injury to her son and the visit of her youngest son, did not keep Mrs. Leadbetter from remaining at her work in the Kelsey-Hayes machine gun factory where she is working to help produce guns for OUR BOYS in all parts of the world. She remained at her position "in the front line" just as the boys are doing on the invasion front in Europe.

No man can be provident of his time, who is not prudent in the choice of his company.—Jeremy Taylor.

Summer Comes to 'Big Town'

Among the hot weather scenes in Bronx zoo, New York, this one (left) was about the cutest. Six-year-old Gordon Gaynor is shown enjoying an ice cream cone as his companion, a "honey bear," enjoys a cone of his own. Right: When the mercury jumped to 88 degrees in Chicago, Jimmy Fiala, two, and his pup, jumped for the water at the beach.

Advertisement for the Fifth War Loan. Features the headline 'The battle for the World is on!' and an illustration of a soldier. Text includes: 'NOW THAT the chips are down... Now that our men are writing decisive history with their blood... There can be no halfway measures for us. The greatest battle in the history of the world must be matched by the greatest war loan in the history of the world. That's what Uncle Sam says... the same Uncle Sam for whom your brothers and sweethearts and husbands are fighting and dying this very minute. They, in the front lines, are throwing in everything they have. We, behind the lines, must do the same. Remember, this is the battle for the WORLD. Our world. And we've got to win it. That's why Uncle Sam expects every dollar, like every soldier, to do its duty. Put this Fifth War Loan over... buy more War Bonds than you think you can!' Includes a '5th WAR LOAN' logo.

BRAVES PLAY HOST, WIN 3-1

The Rocks travelled to Ypsilanti, Friday, May 26, to give the Ypsi Braves a very close ball game, losing 3-1. After the game the Braves gave the Plymouth boys their dinner at Charles McKenney Hall on the college campus.

The Rocks played one of their best games of the year. Although beaten they were able to get three hits and worked many clean plays. This shows the hours of work Coach Tomshack has put into the club, since Tuesday, May 18, when the boys were beaten 14-2.

The hits were got by Rock, Keehl, and Bird. The pitcher, Don Shely, threw a fine game, striking out seven and walking only three.

THE FIFTH GRADE VISITS PLYMOUTH MAIL

The fifth grade in Miss Holt's room went to the Plymouth Mail Thursday afternoon. As they walked into the office they noticed it was nice and clean.

Mr. Eaton's father's gun was hanging on the wall. He used it in the Civil War. It had a very long bayonet.

People who want to put news in the paper bring it to their office. The office girl writes it down and sends it to the linotype machine which sets the type in lines. This machine looks like a typewriter. A man pushes buttons to run it. There are three colors of buttons. One is for capitals, one for big letters and one for small letters. Next the news is printed on a piece of paper and sent back to the office to be proof read. If there are mistakes the whole line must be done over. When the lines are correct it is sent to a man who puts it in a form to be printed.

There is a big press for the Plymouth Mail and smaller ones for little jobs. As the papers are printed a counter keeps count of them. The papers are then cut, folded and sent to girls who stamp names on the ones that are to be sent to the postoffice. Some of the papers are sent to the Plymouth boys overseas.

The class went to a little room where they make cuts or pictures. A mat is sent to an artist to be engraved and treated with water so it will not burn. When the mat is returned he puts it in a machine where molten lead runs over it. When it is hard a mold of the picture is formed.

In this same room they melt lead. They melt lead over and over, but have to put some new in each time.

The class went back and saw the letters used long ago. Type had to be set by hand then. Next to the type is the "morgue" where they keep a print of all the pictures ever used.

The class went back to the office and saw some copies of the Plymouth Mail twenty-five years ago. The Plymouth Mail is fifty-two years old.

TWO G. R.'s RECEIVE RINGS

Ruth Popovich and Ruth Hoys-hadt received their Girl Reserve Rings at Grosse Pointe in the garden of Alger Museum Sunday, June 4. The girls must attend one ring meeting each semester for three consecutive semesters and ordinarily they must complete a Girl Reserve project which will benefit their club, but because of the war this will not be necessary. This is the last time Plymouth girls will receive their rings from the Detroit Y. W. C. A. They will be awarded on the merit system by the Girl Reserve Adult Council. Only three girls have received their rings this year, Shirley Luttermoser having received her's last semester.

LOCALS PLAY U. HI AND ANN ARBOR HI

The Plymouth golf team playing University High at Ann Arbor for a return match of the season on Monday, May 29, lost by 50 strokes.

The boys who represented Plymouth were Hank Schultz, Paul Zimmerman, Ed Thorne and Jack D'haene.

Ann Arbor High came to Plymouth Country Club for a return match on Wednesday, May 31.

Only nine holes were completed before it rained, postponing the remainder of the game.

DEARBORN WINS T. V. A. A. MEET

Lacking the punch to break into the winning column, the Plymouth track team returned home Friday without a point to its credit in the annual T. V. A. A. held at Ypsilanti Friday, May 26. The end of four-hour meet found Dearborn the victors, with Birmingham a close second.

After the meet the team was treated to a chicken-in-the-rough dinner by the Varsity Club.

CLASS A BOYS TAKE ROCKS

The Dearborn baseball team played its last "easy touch" game for this year, defeating the Rocks 17-2. The Rocks were not defeated without a fight, collecting six hits from Hansen, Dearborn's "Youth Club" star.

Shely pitched a slower game than he did last week against Ypsi but still was in there trying all the time. Dearborn, scraped together 11 hits and made only 1 error.

HESCO'S HOLD SURPRISE MEETING

At the Hesco's last meeting Tuesday noon, the members presented their adviser, Miss Lundin, with a token of their appreciation. Juanita Petty and Edith Nolte, who are graduating, and also the president Rosemary Miller, were presented with gifts.

TWO YOUNG HUSBANDS AT GREAT LAKES

George Molnar and Joseph H. Thomas, have entered boot training at the Great Lakes naval training station. Mrs. Molnar is at her home, 13111 South Harvey street and Mrs. Thomas is at her home, 44102 Ford road, while their husbands are wearing the uniforms of their country.

The first impression, made on a mind which is attracted or repelled according to personal merit or demerit, is a good detective of individual character.—Mary Baker Eddy.

Notice, City of Plymouth

At the regular meeting of the City Commission held May 15, 1944, the following motion was offered by Commissioner Shear and supported by Commissioner Hondorp:

"That a public hearing be called on Monday, June 19, 1944 at 7:30 p.m. for the purpose of determining whether or not to vacate Blanche Street between the Pere Marquette Railroad and Amelia Street."

Motion carried.

The City Commission will hear any objections or comments pertaining to this matter on Monday, June 19, 1944 at 7:30 p.m.

C. H. ELLIOTT,
City Clerk.

Notice Of Registration

Township Of Plymouth

Registrations will be taken at the home of the Township Clerk on each week day between the hours of 8:00 o'clock A. M. and 5:00 o'clock P. M. up to and including June 21, 1944, at 12303 Ridge Road.

No registrations for the General Primary Election will be received after June 21, 1944.

Qualified electors who are now properly registered with the Township Clerk will not have to re-register.

NORMAN C. MILLER,
Township Clerk.

Donald Brinks War Bond Winner

Donald Brinks of Plymouth, son of Mr. and Mrs. J. E. Brinks of West Ann Arbor road was today awarded a \$25.00 War Bond by a well known oil company in recognition of his outstanding agricultural achievement.

Regarded as the most prominent 4-H club farm youth in Wayne county for agricultural production, Donald, who is 14 years old, has been in club work for four years. Beginning with garden and electrical projects, Donald in his second year started his dairy club work with a registered Guernsey calf and has since continued in the three projects.

The past year was especially successful and productive for Donald.

Last summer his commercial garden of 1 acre required 250 hours of cultivation and care, but he was well repaid in yield and ultimate profits. The total value of the products amounted to \$1,228 of which \$1,148.70 in profits was netted. Sixty workers aided him in picking of 1,950 quarts of strawberries and 660 quarts of raspberries. He harvested 47 bushels of tomatoes, 6 bushels of cabbage, 1 bushel of beets, 6 bushels of peppers 5 bushels of eggplant, 10 bushels of onions, and quantities of turnips, carrots, melons, cucumbers, parsley and green beans.

His calf project was equally successful. At the Northville Wayne County Fair his Guernsey heifer was judged Grand Champion in the open class.

The company, in making its third annual award of war bonds to farmers for outstanding achievement, is presenting bonds to farmers for outstanding achievement, is presenting bonds to farm men, women, boys and girls in the central west. The presentation of the war bond to Donald was made by Fred Fearg, representative of the company, last Saturday.

Get No Gas For Vacation Trips

Officials of the Plymouth War Price and Rationing Board warned the people of Plymouth and surrounding territory this week that there is no vacation gasoline available.

With the imminence of invasion in Europe, and the forthcoming extensive battles in the Pacific there is little chance that there will be any relaxation of the gasoline rationing regulations.

Orders have been received from the Office of Price Administration that persons caught in northern Michigan will lose their gasoline privileges, and the local board officials, will have no choice in the matter.

Again this summer, the OPA will have investigators checking the motor cars through the northern resort areas.

Fishing Season Opens June 25

Hook-and-line fishermen should have better-than-ordinary luck with the opening of the bass and bluegill season June 25, according to conservation department fish authorities.

Department spokesmen, however, are even more happy to report that recent warmer-than-normal temperatures should have advanced the hatching of bass and bluegill spawn, with consequent likelihood that spawning fish may be off the beds, except in northern lakes, by the opening day of the panfish season.

Factors which should have contributed to increased panfish populations in Michigan lakes, according to department authorities, were relatively high temperature levels of the last winter and consequent reduction in "winter kill" of fish which die from lack of oxygen in water when heavy ice and snow surfaces on lakes shut off the sun's rays, the present relatively higher lake levels, and the fact that war's restrictions have limited fishing in recent seasons.

Scholarships Are Awarded

Three outstanding students from this year's graduating class at Plymouth high school have been awarded scholarships at the University of Michigan, it was announced this week.

The annual "list" scholarship which is awarded to one student from every high school in the state, went to Warren B. Mason. The award is made on the basis of high scholastic record, proved leadership, good citizenship and evident ability. The scholarship pays all fees for the winner's first year in the university, and will be renewed each year on the basis of record.

Two alumni association scholarships were won in Plymouth. The winners were Dorothy Woodbury and Juanita Petty.

These scholarships are a duplicate of the list scholarship, except that they are awarded only in those communities where there is an active alumni club of the University of Michigan.

All three of the students selected had the approval of the high school faculty and also of the alumni committee, which was composed of Clarence H. Elliott, George Burr, and Dr. John Olsaver.

CITY STREETS NOW IN GOOD CONDITION

The streets of Plymouth are now in as good condition as can be expected until they are paved.

A whole carload of calcium chloride has been spread on the gravel streets of the city to lay the dust through the summer months, and more will be spread through the summer as it is needed.

The graders have been most active through the spring, and the wet spring season has made possible the better grading, although it did require a longer length of time than ordinarily.

Plan Sewers For South Side

The City Planning Commission has approved the vacating of the unused portion of Blanche street from Amelia street to the Pere Marquette railroad and has so recommended to the city commission.

The vote of the planning commission on the question was unanimous, except that of Andrew Dunn, whose business will be affected by the provision. He did not vote and Earl Russell was not present.

The planning commission also approved the recommendation of the city manager and the city consultant that plans be drawn for the construction of a sanitary and storm sewer in the south side of the city, and that that project be made the No. 1 postwar project.

It is estimated that the plans for the sewer will cost about \$2,100, of which half will be paid by the city. The planning commission will recommend to the city an appropriation of \$1,050 to pay the city's share of the plans.

The planning commission also voted to recommend to the city commission the appropriation of \$200 to pay for the city's share in drawing of plans for extending the water system, and for the construction of an auxiliary water tank, which was made the No. 2 project. These projects are in keeping with Mayor Corbett's program to make essential public services the major object of his administration.

City Rates High In Safety Work

Plymouth is in the upper one-fifth of the nation in protection of pedestrians and general leadership in traffic safety among cities under 10,000 population throughout the nation.

Notification that the city has been awarded an honorable mention certificate has been received by City Manager Clarence Elliott from the Traffic Engineering and Safety division of the American Automobile Association.

It also was determined that for its size, Plymouth has the best developed playground program in the nation, with eight large playgrounds and eight neighborhood playgrounds.

Being reproached for giving to an unworthy person, Aristotle said, "I did not give it to the man, but to humanity."

Anna Baker Member of Church Choir 63 Years

It was sixtythree years ago, just about this time of year, that a new voice was added to the choir of the Presbyterian church. It was a young voice, perhaps immature as choir voices go. But it was a sweet voice, with musical charm and warmth.

The young voice of the 12 year old girl was the fourth in the choir, for there was only a quartet to sing in those days.

There is no record of who possessed two of the voices, but one of them was that of C. D. Stevens, and the other, that of a 12 year old girl, was Miss Anna Baker.

Mr. Stevens and Miss Baker still sing in the Presbyterian choir.

Over the long span of years, there have been but few Sundays that they have not looked out over the congregation.

They have seen choir directors and preachers come and go. There have been so many that they don't remember all of them without resorting to the records.

Miss Baker will be 75 years old next August 28, and her's has been a musical life, and so for that matter has been that of Mr. Stevens, who today is rated one of the best piano tuners in western Wayne county.

Miss Baker in addition to an almost perfect tonal ear, was a violin instructor for twenty years. Many of the pupils which she started have blossomed into violin virtuosos, and are now playing concert and orchestra work in many parts of the nation.

Miss Baker says she can still tune her violin perfectly without a piano because of her perfect ear for tone, and of course that is true also for Mr. Stevens.

Their voices are almost as strong as they ever were.

They can't estimate the number of times they have sung any given hymn, but they are quite certain that there is more music available today for the church choirs than there was sixty-three years ago. There is more selection. That means better music. They don't

have to sing the same old song over and over again.

Those are the anthems of course. The hymns haven't changed much over the years. The hymns that were popular sixty three years ago, are still popular, and probably always will be. Church music has a lilt to many of the tunes. Others are dry and uninteresting musically.

But it is quite a record. Sixty three years for Miss Baker, Sixty eight years for Mr. Stevens.

Almost seventy years of service to a church and a choir and to music and to the congregation.

Rosedale Cub Scouts Build Waste Paper Collection Wagon

The Rosedale Garden Cub Scouts, Pack No. RG1, have just completed construction of a large two-wheeled cart to be used in the collection of wastepaper on a monthly schedule, beginning Monday, June 9th. The cart will hold about three hundred pounds of paper and it is hoped that with this improvement in facilities the Cubs will be enabled to render a regular periodic collection service.

Each of the four dens will make use of the cart for one week out of every month, assigned as follows: Den No. 1, week beginning with the first Monday of each month. Den No. 2, week beginning with the second Monday of each month, and so on. Call the Den Mother in your neighborhood if the boys happen to miss your house during the regular assigned week.

The lumber and metal wheels for making the cart were donated by Mr. H. O. Hanson. The following Cubs participated in building and painting the cart: Don Carlson, Bobby Mino, Bobby Pitts, Larry Merriam, Eugene McWethy, James Whyatt, Don Geistler, Leon Hall, Carl Holth, Dick Hanson, Clark Heselstine and John Stem. Watch for the grey and gold Cub Scout cart. Save your paper. Tie it in bundles if possible in sizes suitable for boys to handle.

The Plymouth Branch of the Michigan Division of the Woman's National Farm and Garden Association will meet at the home of Mrs. Austin Whipple, 939 Penman avenue, Monday, June 12, at one o'clock. Each member is asked to bring a box lunch and the meeting will be held out of doors, weather permitting. The subject for the afternoon will be "Trees". All members are invited.

Plan Girl Scout Camp July 5-19

Girl Scout day camp will be held again this year from July 5th to July 19th, each day except Saturday and Sunday, at Riverside Park. The director will be Miss Helen Moore. The program will be announced next week with counselors names in the different departments.

The camp committee consists of Miss Neva Lovewell, Dr. Alta and Dr. Edwin Rice, Robert Willoughby, Mrs. David Zink and Mrs. Henry Baker.

Grease Collection Hits All Time High In Plymouth

Climbing higher and higher, the tions continues to skyward in Plymouth and vicinity. Mrs. R. D. collection of grease for war munitions reported yesterday that the total amount collected in this city during May was 2,567 pounds. Chairman Merriam indicated that she is highly pleased with the splendid work being carried on by the Girl Scouts and others who are making possible this excellent showing in Plymouth.

Friends should not be chosen to flatter. The quality we should prize is that rectitude which will shrink from no truth.

News of Our Boys
In Uncle Sam's Fighting Forces
Defending Our Homeland and
Our Liberties:

KENNETH FELT TELLS
OF NEW GUINEA

"Our Boys are certainly giving the Japs a run for their money in this country," wrote Kenneth Felt on April 11 to the Plymouth Mail from New Guinea. His letter, long delayed somewhere in transit, however, is just as interesting now as it would have been if received a day or so after it was written.

"Say Hello to all my friends and neighbors. I can't write everybody, but I know everybody back home will read it, if you publish my letter in 'The Mail,'" wrote Kenneth.

"First thing—let me tell you about the weather here in New Guinea. It is something on one could ever quite forget. During the weeks I have been here, all it has done day and night is rain. The mud is always between six and ten inches deep, and even though it rains most of the time, it gets good and hot.

"When we arrived here, we started life from scratch. We lived in tents, which to me are quite the thing, as we get plenty of fresh air. Life is not very gay here, but it's clean and livable with now and then a show and church on Sundays.

"The work we are doing is hard and lots of it. All of the boys are doing their share, and you never hear any one complain about anything. To me this is a great experience and I shall never forget it.

"The natives on the island are strange, but very interesting. When it comes to being smart, they know just what is up. They like the Americans and go wild over our money. I have bargained with them and got along fine. Bananas are very plentiful here. Lots of other native fruits. From what I read in 'The Mail,' Plymouth is still doing her duty and helping in our troubled world. Permit me to thank all my friends and relatives for their good letters. May everyone back home enjoy the best of health."

BOBBY HITT, HERO OF
TARAWA "WORLD SERIES"

No matter where Bobby Hitt goes, he's a hero, just like he was the hero of the horseshoe pitching contests back in Michigan before he joined up with the Marines and was sent to the South Pacific.

Staff Sergeant William K. Beech of 258 Madison avenue, Akron, Ohio, who is the Marine Corps combat correspondent with Bobby Hitt's outfit, has sent the following interesting story to 'The Mail':

Somewhere in the Pacific—(delayed)—The most popular man in his outfit today is Marine PFC Bobby Hitt, 21, of 266 Irvin St., Plymouth, Mich.

The reason is that win or lose, Bobby was the hero of the Tarawa "World Series"—the series that decided the baseball championship of the Second Marine Division.

Bobby's team, representing an artillery unit saw action on Tarawa, lost the series, but the medium-sized well-built Michigan youngster looked as well in defeat as in victory.

Three times Michigan state horseshoe pitching champion, Hitt was an unknown quantity as a ball player until fellow Marines saw him play shortstop. They agreed that he was the best shortstop in the league, which includes a good many ex-professionals and at least two former major leaguers. He was also one of the best hitters.

When the series started, the artillerymen were faced with a shortage of pitchers. Hitt had always wanted to pitch, but his teammates, surveying his scant five feet eight inches and 150 pounds, said that for one thing he wasn't big enough.

But Hitt pitched the second four hits, and shut out the opposing infantrymen, 2 to 0. He had game of the series, gave up only outpitched a canny oldtimer, Jim Bivin, who hurried for the Pittsburgh Pirates and the Philadelphia Nationals in the 1930s.

In the fourth game of the series, again facing Bivin, Hitt gave up only three hits and won the game, 1 to 0. Confident but cocky, his fast ball working like a charm, he was easily the most colorful ball player on either team.

When Hitt went back to the mound in the sixth game of the seven-game series, his team was trailing by one game. Again his opponent was Bivin. Hitt gave up only three hits and won the game, 1 to 0. Confident but cocky, his fast ball working like a charm, he was easily the most colorful ball player on either team.

When Hitt went back to the mound in the sixth game of the seven-game series, his team was trailing by one game. Again his opponent was Bivin. Hitt gave up only three hits and won the game, 1 to 0. Confident but cocky, his fast ball working like a charm, he was easily the most colorful ball player on either team.

MARIAN SHINN FINISHES MARINE BOOT TRAINING COURSE

Private Marian A. Shinn, daughter of Mr. and Mrs. T. R. Shinn of 173 Union street, has completed her boot training for services in the Marine Corps Women's Reserve at Camp Lejeune, North Carolina. Her first assignment will be at the Marine Corps air station at Cherry Point, North Carolina where she will receive training as a link trainer instructor.

GETS SPECIAL WORK
IN RUBBER PLANT

Private Ivan Campbell, son of Mr. and Mrs. Perry Campbell of the Jersey Bell Dairy of Canton Center road, had a good break recently when he was sent by his officers at Chanute Field, Illinois, to spend two weeks in the U. S. Rubber company plant in Detroit for special work in rubber projects being made by that company for our fighting forces. He was able to visit his home and friends in this city during his stay in Detroit. He returns to the army air corps ground crew forces at Augusta, Georgia. He likes his special work to which he was assigned.

LIEUT. LOUIS KOLIN
BOMBS NAZIS IN ITALY

According to information sent 'The Mail' from Italy, Lieut. Louis L. Kolin, 21 year-old son of Mr. and Mrs. Robert Kolin of North Territorial road, has been assigned as a bombardier with a Flying Fortress group stationed somewhere in Italy. Lieut. Kolin is a graduate of the Plymouth high on March 14, 1943. He received his wings at San Angelo, Texas, school, joining up with theAAF.

October 23, 1943. For a short time after graduating from high school, he was employed at the Ternstedt Manufacturing company's plant in Detroit.

ROBERT MOORE IS AWARDED PURPLE HEART

Robert Moore, 28, son of Mrs. Anna Moore, a former resident of the Northville road at Phoenix, now residing in Ann Arbor, has been awarded the Purple Heart Medal as a result of wounds sustained during the Japs' unsuccessful attack made last March on American army held positions on the northern Solomon islands battle front.

The following information has been sent 'The Mail' pertaining to this award by the U. S. army in the South Pacific:

"The medal, oldest of America's military decorations, was awarded to Moore by Major General Robert S. Beightler, commander of the 37th Infantry Division, in a combat dress review on one of the newly-built air strips here April 15. Colonel John D. Frederick of Springfield, Illinois, also took part in the presentation ceremony.

"Moore, a rifle scout was injured slightly by a mortar fragment that hit him in his forehead. Given first aid in the field, he returned to duty with his outfit at the front the same day.

"Seeing major combat action here for the first time, Moore has been overseas since September, 1942—more than 20 months. He was stationed on the Fiji Islands, the New Hebrides and Guadalcanal before coming to this island stronghold last November with the 37th first army division to invade Bougainville.

Bob attended Plymouth High School and later went to Henry Ford trade school. Inducted in April, 1942, he was trained at Camp Forrest, Tennessee. He is qualified with all basic infantry weapons.

"The Purple Heart is the third award Moore has received since leaving the States. Previously, he was presented with the Soldier's Good Conduct Medal for 'loyal and efficient service' and the Combat Infantryman Badge, the Army's new award for "combat action in a major operation."

"Moore has two brothers and a sister in the armed forces: Lieutenant John E., (24) an Army Air Force flight instructor, at Perin Field, Sherman, Texas; Private Donald B., 30, of the Air-borne Engineers, somewhere in England, and Corporal Mildred E. Moore, a WAC, also in England."

five more weeks of training. We will be sent to one of four places, Chicago, Ill.; New York City, Seattle, Wash.; or San Francisco, Calif. We were informed that after our five week training period, we would then be eligible for overseas duty.

"I certainly have met some fine boys here in the postal service. The country is well represented here in company 'C'. We have boys from 46 states and the District of Columbia. About ninety percent of them were postal workers in civilian life. We have clerks, inspectors, carriers, post-

masters and most everything you could think of in our school.

"I would like to mention the Service Clubs and U. S. O. centers. They certainly are doing a great service for the boys in service. The people that make this possible should know that their money is well spent. I am sure that every boy in service appreciates it.

"The people here in Virginia are certainly good to the service boys. They do everything they can to make us feel at home. It sure does help a lot.

"I would like to say hello to

all my friends and hope to see them soon. I would like to write to all of them, but find that my time is very much limited. I will try to write again soon and tell you about my work in the Army Postoffice.

They helped every one his neighbour; and every one said to his brother, Be of good courage.—Isaiah 41:6.

Confident but cocky, his fast ball working like a charm, he was easily the most colorful ball player on either team.

Former professionals who have seen Hitt's adroit fielding and constant hitting agree that he at least rates a tryout with a major league ball club.

Bobby, who neither smokes nor drinks, said there will be enough time to think about that after the war. Once asked if he thought that his horseshoe pitching helped his baseball by improving his throwing arm, Bobby replied:

"No, but baseball sure plays the devil with my horseshoe pitching."

After nearly two years overseas, nothing would please Bobby Hitt more than to see his young wife, Virginia. They were married only a few weeks before he left the States.

SOLDIER WESTFALL IS BACK FROM ALEUTIANS

Private LeRoy Westfall, son of Patrolman Louis Westfall, who has spent 23 months in the Aleutians, has been enjoying a brief visit in Plymouth with his old friends. When he left the north country a few weeks ago there was over ten feet of snow on the ground in places. During his long stay in the Aleutians, he was with an anti-aircraft outfit. He left last Friday to report back to Camp Hana, in California. The young soldier has no idea where his future assignment will be.

RECEIVE INITIAL NAVY INDOCTRINATION

Melvin L. Vickstrom, the 18-year old son of Mr. and Mrs. Charles M. Vickstrom, 482 Blunt avenue, and James H. Keil, husband of Lillian Keil, who is at present staying at 8347 Gray road, are now receiving their naval indoctrination at the U. S. Naval Training Center at Great Lakes.

SENT TO OFFICERS' ARTILLERY SCHOOL

Second Lieutenant Earl L. Russell, Jr., son of Mr. and Mrs. Earl L. Russell, 287 Irvin street, has been selected to attend the officers' special basic course of the field artillery school at Fort Sill, Oklahoma, according to a news release just made at Fort Sill. It is at this school where men and officers get instructions in the latest artillery tactics and techniques.

4 GOOD REASONS FOR THE TELEPHONE SHORTAGE

This is the inside of a Navy Patrol Bomber. All four men are using telephone equipment. Consider that this country is building over 100,000 planes of all types every year, and you get some idea of wartime telephone needs in the air alone.

Land and sea forces use far greater quantities of communications equipment... must have more and more as time goes on.

Naturally, it has become increasingly difficult to fill telephone service requests here at home. In supplying a quarter of a million more telephones since the beginning of the Defense program, our reserve facilities have been about used up.

Orders for telephones essential to the war effort are filled promptly. Other requests for new service are handled under a definite procedure as present users give up service. But there is a long and growing waiting list.

We are confident you want war needs to be met ahead of all else. If you are inconvenienced, we trust you will understand.

Election and Annual Meeting Notice

Election in Plymouth District, No. 1, Frl., of Plymouth, Wayne County, Michigan, will be held at the high school building, Monday, June 12, 1944. Polls open at 7:00 A. M. and close at 8:00 P. M.

The qualified voters will elect at said election, two Trustees, one for a term of three years, and one for a term of two years.

Candidates who have filed legal petitions and whose names will appear on the ballot at said election are:

Three Year Term
Michael J. Huber
Donald Sutherland

Two Year Term
Sterling Eaton

The electors will also vote on the following proposal:
Shall School District No. 1 Frl., Plymouth and Northville Townships, Wayne County, Michigan, transfer the sum of Twenty-five thousand dollars (\$25,000) from its General Fund to its Building and Site Fund?

Annual Meeting

The Annual Meeting of the qualified electors of Plymouth District No. 1, Frl., Wayne County, Michigan, will be held in the high school auditorium, Monday, June 12, 1944 at 8:00 P. M. Reports of the Board of Education and other business which may legally come before such meeting will be transacted at this time.

Signed:
HOWARD W. STARK,
Sec. Board of Education.

Local News

Aviation cadet Bayliss John Erdelyi arrived home last week, for a twelve day leave.

Mr. and Mrs. Roy Clark have purchased the George Ferguson home on Holbrook for their son Lloyd, who is in Italy.

Air cadet Richard Strong, of Chanute Field, Rantoul, Illinois, is spending the week with his parents. Mr. and Mrs. S. D. Strong.

Mr. and Mrs. Joseph Otto and family of Grand Ledge, were the week end guests of Mrs. Marjorie Hoover.

Ensign Donald E. Reh, son of Mr. and Mrs. Earl Reh, spent a few days last week at his home on Ann Arbor Trail. Ensign Reh who is in the Naval Air Corps has completed his training at Corpus Christi, Texas, and at the termination of his leave expects to be stationed in Melbourne, Florida.

Graham Laible who is attending Cranbrook, is home for a three week's vacation with his parents, Mr. and Mrs. Milton R. Laible.

Mr. and Mrs. William B. Erdelyi entertained thirty-five guests Sunday, at a barbecue supper in their yard.

Mr. and Mrs. Charles Brake gave a dinner Thursday for their daughter, Betty and several of her classmates from Wayne University.

Dennis, son of Mr. and Mrs. Clyde Ferguson, celebrated his third birthday, Friday May twenty sixth, with a party for eleven little tots.

Betty Jane Brake, daughter of Mr. and Mrs. Charles Brake, graduated from Wayne University, Thursday, June Seventh. The graduation exercises were held in the Masonic Temple.

Mrs. William Clark entertained her bridge club members and their husbands at a picnic in Riverside park Wednesday. The group later adjourned to Mr. and Mrs. Clark's home for the evening.

Mr. and Mrs. Lloyd Walker and children of Mio, Michigan, were the week end guests of Mr. and Mrs. Fred Cline. Beverly remained to visit her grandparents for a week.

Yeoman 2nd class, Margaret V. Erdelyi, who is stationed at the Naval Air Base, Minneapolis, Minnesota, arrived Tuesday for a visit with her parents Mr. and Mrs. William B. Erdelyi.

Mr. and Mrs. Roy Clark have as their guests their daughter and her husband, Mr. and Mrs. Robert Gildart. Mr. Gildart who has been employed at the Ann Arbor News, leaves in about a week for Evanston, Illinois, where he expects to take a special course of study at Northwestern University.

Mrs. Burton Rich, Salem road, is entertaining a family gathering Sunday, in honor of her brother Robert Hadley, who has been overseas with the merchant marine for the past year. She expects about thirty-five guests. Robert had the fortunate experience early this spring of visiting his sister Marjorie Ruth Hadley who is with the American Red Cross, in Australia. Marjorie expects to be transferred to New Guinea in the near future.

Music Program For The Summer

Clarence Luchtman, supervisor of music in the public schools, who will have charge of the city's recreational music program this summer announced rehearsal schedules this week.

The band will rehearse on Tuesday evenings at the school. The orchestra will rehearse on Wednesday evenings, the junior band on Monday evenings and the dance band on Friday evenings.

The dance band also will play for the teen age dance to be held each Friday evening at the high school. It is planned to hold a concert every two weeks, and present plans call for concerts to be held on Friday evenings before the dances.

The regular band is open not only to present members of the high school band, but also to townsmen, no matter what their age. The same regulations apply to the orchestra.

Collect 16 Tons Of Waste Paper

Chairman Esther Powell of the Plymouth salvage committee has just received final reports which show that the waste paper collection in Plymouth on May 25 resulted in the shipment of over 16 tons to papermills. Of this total, the city trucks collected nine tons. The Boy Scouts made up the balance, collecting nearly seven tons.

Mrs. Powell hopes to make the June collection a much larger one. The date for this event will be announced in next week's issue of The Mail.

Babson Says - -

Babson Park, Mass., June 9.—I like most insurance stocks, especially those of the good fire companies. I am often asked, however, why I invest my personal money in the Re-Insurance Industry (in addition to my investments in Merchandise Stocks). There are ten reasons:

1. Re-insurance is an absolutely essential industry. The safety of both all insurance companies and all the policyholders of these companies necessarily depend thereon. The more that risks are divided and spread, the better for all concerned.

2. It is a form of insurance which must be used by all kinds of companies,—large and small, foreign and domestic, stock and mutual, "board and non-board", "union" and "non-union", "participating" and "non-participating", and so on ad infinitum.

3. Too much so-called "re-insurance" today consists of swapping policies between large insurance companies and their subsidiaries or between other friendly companies. Some day it may be found that this practice is like a man endorsing his own note. Then there will be a stampede to get bona fide professional re-insurance protection.

4. The re-insurance industry started in Europe; but moved to the United States following World War I. It has been again upped by World War II. After peace comes, the professional U. S. Re-Insurance Companies will not only have an opportunity to hold their present business, but should be able to take on much profitable business from direct-writing, fire insurance companies in Europe, South America and the Far East.

5. Today the stocks of professional fire re-insurance companies are depressed due to present extraordinary high national fire losses. Of the total of 25 such companies, operating in the U. S., only one showed an underwriting profit last year. The entire industry, last year, lost \$4,666,000; that is, incurred losses and expenses were \$50,820,000 compared with premiums earned of only \$46,154,000. As losses have always gone in cycles, the time to buy any kind of insurance stocks is when the losses are greatest and the industry looks darkest.

6. The professional re-insurance companies are not involved with agents or dependent thereon. No one appreciates more than I do what all branches of the insurance industry owe to the agents. Yet, too many direct-writing companies are today so dependent upon their agents that the company officials are not free to do what they think would be best for their company. Re-insurance company officials are wholly free from such entanglements.

7. Our nation is on the verge of great progress in preventing fire, marine, casualty and life losses. After World War II better living conditions, new building codes, increased use of non-combustible materials, extended water supplies with more efficient fire and police departments, combined with sprinkler systems or fire alarm boxes in every building, should materially reduce losses of all kinds. As re-insurance suffers most as the loss ratios increase, so these professional re-insurance companies should profit most as these loss ratios are reduced.

8. The professional re-insurance industry today is disorganized and has an inferiority complex. It is existing upon "crumbs" thrown out by the big companies when it should be the leader of the entire insurance field. In Europe, these re-insurance companies have led and dictated to direct-writing companies the basic policies of fire protection. Some day our U. S. re-insurance companies will enjoy a much more important place in fire, marine, casualty, life and other branches of the insurance industry. Furthermore, the social and political hurdles facing the direct-writing companies should re-act beneficially to the professional re-insurance companies.

9. It is true that this industry is not under a cloud; but I believe it is fundamentally sound. With the co-operation of the National Board of Fire Underwriters, the National Fire Protection Association, the Association of Casualty and Insurance Executives and the Mutual and other associations* the industry can perform a great service to all insurance companies and to the nation as a whole. It needs only organization and better co-operation among its own group and fairer treatment by the direct-writing companies which it is now efficiently serving.

10. Finally, and very important as an inflation hedge, the stocks of most professional re-insurance companies are selling for considerably less than their liquidating value.

Without doubt the fire losses for 1944 will be the largest, excepting 1932, in the history of the United States, namely about \$400,000,000. This compares with an average of \$317,615,500 for the past twelve years. But patriotic people will soon wake up and realize that insurance does not replace losses; it merely distributes them over a large number of people. When a building burns in America, it

hurts America just as much as if it were burned by our enemies. People are now about ready to recognize this and be careful, first by preventing fires, and secondly by immediately going to the nearest fire alarm box and calling the fire department. "There never was a fire which could not have been put out with a pail of sand or water when it first started."

*This list includes the National Association of Insurance Commissioners, National Association of Insurance Agents, National Association of Insurance Brokers, Associated Factory Mutuals, National Association of Fire Chiefs,

National Bureau for Industrial Protection, Chamber of Commerce of the United States, National Industrial Information Committee, National Industrial Conference Board, American Institute for Property and Liability Underwriters, Anti-Inflation Campaign and the Committee for Economic Development.

Every man will have something to do for his friend, and something to bear with in him. Only the sober man can do the first; and for the latter, patience is requisite.—Feltham.

WALNUT Pre-Fabricated BROODER HOUSE

READY NOW FOR PROMPT DELIVERY

If you're going to need a brooder house this season, order it NOW. Material and manpower problems may result in shortage later.

25 Years Ago

News items of a quarter of a century ago taken from the files of The Plymouth Mail.

Earl C. Michener of Adrian, and representative in Congress from the second district, of which Plymouth is a part, has just returned from an extended trip to Europe with members of the house military committee.

The Amelia Starkweather subdivision of the village of Plymouth has been platted by the Starkweather estate, and has been accepted by the village, state and county authorities. This valuable property is situated almost in the heart of the village, and comprises some of the most valuable building lots to be had in Plymouth.

Rev. Frank M. Field, pastor of the Methodist church, did not propose to let the torrid heat of Sunday interfere with the evening service, and so he took the service out-of-doors on the church lawn. There thirty people enjoyed the songs and the sermon in comfort. Some said that the fact of being in God's out-of-doors with nothing but the sky overhead, added to the inspiration of the service.

The new law requiring a license drives an automobile becomes effective in August. Each one in for each and every person who the family who drives a car must have a license, and the feminine applicants have to give their exact age.

Ernest Thrall has purchased the Fred Schuett residence on Blunk avenue, now occupied by B. E. Giles.

Roswell Tanger started last week as the new parcel post man at the postoffice here.

Born a son to Mr. and Mrs. Paul Nash, Monday, June 1st. The members and congregation of the Baptist church wish to thank Schrader Bros. for a goodly supply of fans, which were placed in the seats of the church last Sunday.

Saved From Ship Sunk By A Sub

Mrs. Maggie E. Robinson of 941 Starkweather avenue, is rejoicing over the good news recently received which tells of the arrival of her son, Robert E. Robinson, gunner's mate third class, at New Orleans, after having been saved from an American merchantman sunk by German submarines in the Mediterranean sea.

Fifteen other survivors also arrived in New Orleans with young Robinson, who entered the service some two years ago. The ship was hit by three torpedoes, one early in the forenoon, and two more in the afternoon. It was shortly after the two torpedoes hit, when the crew was ordered to abandon ship. The gun crew remained aboard for a time, thinking the sub might surface. But it did not and the gun crew put off in a lifeboat, to be rescued some time later. Shortly after they left the big ship, it was hit by another torpedo and sunk.

Before going into service, Gunner Robinson was for a time employed in the Plymouth Kroger store and later at the bomber plant.

His brother, Corporal Lester R. Robinson, is at present home on a brief furlough from Camp Calen, California. He was formerly employed by the Cloverdale Dairy and later at the Kelsey-Hayes plant. Both boys went into service through the Plymouth induction board.

VICTORY'S SONS

Lieut. Roy S. Whitcomb, Long Beach, Calif.

IT WAS a big submarine, there could be no doubt of that. Lieut. Whitcomb, flying a Martin Mariner on U.S. Navy patrol duty off the coast of Brazil, swung into position for a bombing run. He saw the U-boat increase its speed and open fire.

Whitcomb came down in a long swoop, crossing the submarine at an altitude of only 50 feet. A moment later the sub was blown out of the water.

Circling over the spot, Lieut. Whitcomb could see, amid the churning foam and brown oil stains, there were seven survivors. He ordered the plane's life raft dropped. Hours later, when a tender had brought the sub's crew in, naval officers recognized that Lieut. Whitcomb had bagged a prize. The sub's commander was among those saved. He was Kapitänleutnant Friedrich Guggenberger, who had been decorated by the Nazis for sinking the famed British carrier, the Ark Royal.
