## GALLUP POLL BUNCOMBE

Let's see—didn't the "Gallup poll" indicate a couple of weeks ago that Maine was a "doubtful" state?  
And didn't the same "Gallup Poll" a couple of years ago indicate that there would be few if any changes in the halls of congress?  
Maine's "doubtfulness" turned out Monday to be a rout for Sidney Hillman's party.  
Harking back a couple of years, when the Gallup poll said there would be no changes in congress—wasn't there elected nine new Republican senators and 42 new Republican members of the house of representatives?  
It begins to look as though these Gallup election polls are either a lot of buncombe or unadulterated political propaganda.

## WHAT OF THE FUTURE?

Seemingly every one these days, is speculating as to what the future will bring.  
I am doing my share of it.  
I predict:  
That if the present Washington administration is defeated, our country will enjoy the greatest period of prosperity and development in its history. It will not be a temporary boom period. It will run a cycle of generations, the happiest and most progressive in all history for all the people of our country.  
I predict:  
That if the Nudalers are retained in power, the American form of government as we have known it, will be ended, that the regulations forced upon the individuals will be tightened and nearly all of our daily activities will be under bureaucratic dictation.

The "glorified" dole system will be expanded and millions of our people will spend the rest of their lives living off hand-outs dished out by sassy, lazy, impudent, cigarette puffing, political social workers. There will be no contentment. There will be no prosperity, except for those in political control, and there will be no progress. There will be class conflicts, discord and dissatisfaction, the seed for which has already been sown.

I predict:  
That the people will settle this question in a most emphatic way when November 7 rolls around—and it will be settled by plowing under the crop of hate and corruption that the Nudalers have sown!

## NOT WHAT THE SOLDIERS WANT

A heading over a recent so-called "Gallup poll" said that 83 percent of the people favored giving government compensation to soldiers unable to get jobs. It should have been 100 percent.  
But government dole checks are not what the soldiers want. They want jobs, good paying jobs; and they are entitled to these jobs! The officials in Washington should be giving their attention to ways and means of helping industry and helping employers to create JOBS—good paying jobs—for the returning veterans instead of planning a dole system for OUR BOYS.

Every soldier who has called at our office upon his return from the fighting fronts, says that the soldiers do not want government dole—they want jobs, steady jobs. They want to settle down, own their own homes, raise a family and be left alone by the government snoopers.  
It is about time that we gave some thought to this problem, because OUR BOYS are so anxious to get home that they are going to lick the day-lights out of the Germans and Japs just as quickly as they can. And when these VICTORIOUS lads come home, we had better be prepared to see to it that they GET JOBS and HAVE GOOD JOBS—or else they may stand us on our heads and ask WHY!

## THIS SUGAR BUSINESS

For months and months everybody in Michigan knew that there was going to be a tremendous fruit crop this fall, unless some calamity happened before it ripened.  
Now that the biggest fruit crop in years is being harvested, there isn't a pound of sugar to be had for the canning of this crop!  
A local resident went out the other day and bought four bushels of peaches. His wife had planned to can peaches for the first time in years. The next day he went to the stores and tried to buy some sugar. He couldn't get an ounce of sugar for his wife to use in canning those peaches!  
The plight of this family is the plight of thousands of families throughout Michigan.  
This sugar mess in the height of the fruit canning season is typical of the type of bungling that has taken place in this country since the advent of the Washington administration of "class-room" economists and the beneficiaries of inherited wealth who have glorified shiftlessness and all that is contrary to the ideals of America.  
Local grocerymen say they are advised that the warehouses are filled to overflowing with sugar. They say that they are told that the trouble lies in the labor and transportation situation.  
The labor situation and the transportation problem is not new. We all have known about it for a long time.  
Knowing these facts, why under Heaven's name didn't the "planners" plan to do something about it before the emergency arose?  
As we see it, it is about time that this sort of bungling be ended, and ended quickly.

## A PROPER KIND OF TAX REDUCTION

There has been some discussion in recent weeks pertaining to some type of tax reduction which will provide relief for the small wage earner and others who find the payment of a small sales tax a real burden. It is pointed out that the tax revenues of the state are in excess of the needs, and therefore the sales tax should be abolished entirely.  
The repeal of the sales tax law eliminating all sales tax revenue from the state at this time would do more damage than good, as we see it.  
The sales tax is bringing into the state treasury each year almost a hundred million dollars—but the state does not retain all of these funds. Much of it trickles back to the various governmental units of the state as well as the school districts.  
It is true that the income from the sales tax is far in excess of what its advocates thought it would provide when the law was enacted. But so have the needs of the state increased.  
We have felt, however, that some real benefit to a large number of people who find the payment of a sales tax a burden would result from the elimination of the sales tax from all food and clothing items, as well as materials which enter into the construction of new homes.  
In fact the writer advocated an amendment to the present sales tax law some years ago which would eliminate the sales tax on all foods and clothing.  
Because of the necessity of the immediate construction of new homes, as soon as materials are available, to house hundreds of thousands of families now living in near-squalor, we

## New Legion Chief Shot 'Em Down During The First World War

John M. McCollough  
Commander Myron H. Beals  
American Legion Post

During the past eight years, John M. McCollough has been one of the active members of the Plymouth American Legion organization. He has served as chaplain and first vice commander and now he is the new commander.  
Commander McCollough saw plenty of tough service during the first World War. He was commissioned a second lieutenant and first assigned to the 312 field artillery at Camp Meade, Maryland. Then he was transferred to the air service as an artillery observer.  
In August 1918 he went to France and served with the 18th squadron operating from Toul and Manqueville. Three months later he was given official recognition for shooting down a German Fokker in aerial combat. Shortly after this he was recommended for promotion for "meritorious service in the A. E. F."  
After the war he located for a time in Oklahoma and at Lawton, Oklahoma he became a charter member of the American Legion post, organized at that place in 1919.  
In October 1 of this year he will have completed 25 years of service with the Socony-Vacuum Oil Company, Inc., makers of Mobilgas and Mobiloil. His present position with the company is that of regional automotive sales manager for the state of Michigan.  
The McColloughs are active members and supporters of the Newburg Methodist church. Their home is on Holstead road, just north of the Eight Mile road, east of Northville.

## Two Women Hurt In Auto Crash

Mrs. F. A. Wickens and her sister, Mrs. Elizabeth Thelan, who were painfully injured in an automobile crash at Farmington and Six Miles roads a few days ago, are recovering from their injuries. Their machine was struck by a driver who failed to stop his car at the intersection. The Wickens car was knocked down the paving for a distance of nearly 75 feet before it came to a stop. It was completely demolished.  
The two injured women were rushed to a hospital. Mrs. Wickens has been able to return to her home, but her sister will be confined to Mt. Carmel hospital for a number of days. Mr. Wickens operates the Specialty Feed company's plant on Hagerty road.

## Detroit Judge Is Kiwanis Speaker

Common Pleas Judge Frank Ferguson was the speaker at the weekly meeting of the Kiwanis club Tuesday night. He discussed the constitution of the United States, its start, its possibilities and the Bill of Rights in the Amendment.  
This week is universally recognized as constitution week by the Kiwanis clubs all over the world.

## Howard Hood, Jr., Now At Keesler Field

Private Howard Hood, Jr., son of Mr. and Mrs. Howard Hood of Maple street, reported to Keesler Field, in Mississippi, August 30 for his basic training in the army's air force. He writes that he is now studying for pilot tests.

would add to that proposal the elimination of the sales tax from all materials that are necessary in home building.  
This would save something like a hundred dollars or so on each new home built, and a hundred dollars is a lot of money, except possibly to those who have been making that much, or more, each week out of some war job.  
The elimination of the sales tax from food, clothing and building materials would not cripple the income of the state to such an extent that any state activity would suffer.  
As we see it, even with these items taken off the sales tax list, the income of the state would doubtless grow by leaps and bounds after the war. We are optimistic enough to believe that there lies ahead one of the greatest booms the country has ever known, unless we strangle it before it is born by retaining the Nudal bureaucrats in Washington. And we do not believe that the people of the country are going to be foolish enough to do anything like that.

## Plymouth Lad Captures 9 Prisoners Is Dubbed the 2nd 'Sergeant York'

Since Infantryman Fred Millard, Jr., former Plymouth high school boy and son of Mr. and Mrs. Fred Millard of 11325 Berwick avenue, herded nine German prisoners he had captured into his outfit the other day, the youngster has been dubbed the "Second Sergeant York."  
"I was plenty scared at first, but it wasn't so bad as you might think for," he wrote of his experience in taking the nine prisoners.  
Soldier Millard is with General Patton's hard-hitting army that has swept through France and is now cracking through the German strongly defended border lines.  
Young Millard was badly wounded during the early stages of the Italian invasion. After his recovery he was sent to England, went through the Normandy invasion and is probably now in Germany. He's wearing the purple heart, a combat infantry badge, a battalion presidential citation as well as a good conduct medal.

Pfc. Fred Millard, Jr.

## Thought Daisy Company's Popular 'Buck Rogers' Gun Was Booby Trap

## Burroughs Co. Wins New Army-Navy 'E' Award

Word has been received in Plymouth that a renewal of the Army-Navy "E" award has been granted to the Burroughs Adding Machine company. A new "E" flag with one star affixed will shortly fly over the company's plant in Plymouth as well as in Detroit.  
In a letter to A. J. Doughty, President of the Burroughs company, Admiral C. C. Bloch, U. S. N. (Ret.), Chairman of the Navy Board for Production awards, wrote "The men and women of Burroughs have achieved this high honor by continuing their splendid production in such volume as to justify renewal of their award. In the first instance it was difficult to win the Army-Navy 'E' and by meriting a renewal, the management and employees have indicated their determination and ability to support our fighting forces by supplying the equipment necessary for ultimate victory."  
"The Navy Department extends its hearty congratulations and desires to express a fervent hope that future production will be even more outstanding."  
In acknowledging this further award, President Doughty said, "The men and women of Burroughs are glad of the opportunity to make a telling contribution to the war effort, and I am confident that this additional award will inspire all members of our organization to continue their record of uninterrupted production to help hasten Victory and Peace."

## Car Overtakes, 4 Escape Injury

When returning from Detroit last Friday evening, George Rathbun, Beatrice Radtke, Corinne Rathbun and Raymond Danley, 52c, had a narrow escape from serious injury when their car left the road, went through a fence and over turned three times before coming to a stop.  
"Not one of the occupants were seriously injured, although all of them did suffer slight bruises and cuts. The car was badly demolished."

## Wilma Lounsbury Joins Nurses Corps

Miss Wilma Lounsbury, daughter of Mr. and Mrs. R. C. Lounsbury, has joined the Cadet Nurses Corps and has left for Phoenix, Arizona where she will take her initial training course. Miss Lounsbury is a graduate of the Plymouth high school class of 1944. Since graduating she has been employed by the General Motors in Detroit.

## How To Get 'B' And 'C' Cards

All "B" and "C55 gasoline ration coupons are now being mailed from the central mileage and rationing board in Detroit. It was announced this week by Bill Wood chairman of the Plymouth war price and rationing board. Previously the coupons were issued directly from the local office.  
Under the present arrangements applications for "B" and "C" rations are submitted in the usual manner to the local board. After the applications are approved, these are then sent to the central rationing board, where the coupons are kept, and are mailed to the recipient from there.  
Plans had been made some time ago to make this change but difficulties were encountered, and the action was postponed until the present time.  
Under the new system, it requires at least two weeks to process the application from the time it is presented to the local board until the new rations are mailed out.

## U. S. Marine Digs One Up On Coast of Guam After Its Re-Capture

Maybe a sailor has a sweetheart in every port, maybe the sun never sets on the British Empire—neither is there a place in the world where a product of the Daisy Manufacturing company of this city cannot be found, even if one thinks the contraption might be a booby trap.  
A newspaper dispatch from Agat Bay on the island of Guam, recently recaptured by American fighting Marines from the Japs, follows:  
AGAT BAY, Guam (Delayed)—A Marine on this beachhead, digging in for the night, suddenly stopped his labors and looked in alarm at an object his shovel had unearthed. At his feet lay a strange-looking weapon about the size of a pistol, unlike anything he had seen before.  
Leaping out of the hole, he shouted: "Lieutenant! Look at this!"  
An officer ran over. "What is it?" he asked the excited youth.  
"I don't know," came the answer. "Maybe some new Jap weapon."  
The officer stepped into the foxhole and picked up the object gingerly after searching the area for a possible booby trap. He examined it for a minute, and then swore.  
"It'll be darned! A Buck Rogers toy rocket pistol!"

In the year or so before Col. Cass Hough joined up with Uncle Sam's fighting forces, the "Buck Rogers" toy rocket pistol was one of the big-sellers of the Daisy company. Cass had conducted a most energetic sales campaign, with the result that hundreds of thousands of these little Buck Rogers play pistols were shipped to all parts of the world.  
The other interesting feature of this story is found in the fact that Private Marian Shinn of the U. S. Marines, who is now stationed at Norman, Oklahoma, clipped the newspaper dispatch about the Buck Rogers story from an Oklahoma paper at the time the Daisy company was swamped with orders for these Buck Rogers pistols. Marine Marian Shinn was an employee of the Daisy company helping in the production of this popular little play gun. Miss Shinn is a daughter of Mr. and Mrs. T. H. Shinn of Union street.

## Wounded Plymouth Soldier Writes of the Hopes of Our Boys

Somewhere in a hospital in England suffering from terrible shrapnel wounds received during a smashing drive made by American troops in France on August 6, lies Rockwell Smith, a well known Plymouth young man.  
So badly was he wounded that army doctors had him flown directly from the battlefield to a hospital in England for emergency treatment.  
Reports from the hospital to Mrs. Smith indicate that he is now recovering nicely.  
But many weeks spent in a hospital provides one with plenty of time to do a lot of thinking.  
Apparently "Rocky," as he is best known to his many Plymouth friends, has been doing his share of it.  
In his first letter to The Plymouth Mail since he was wounded, he states clearly what the soldiers are thinking about, what their desires are and what their opinions are of things "back in the States."  
His views are of such special interest to every mother, father, wife and war worker, that most of his letter is being published. It follows:  
Dear Editor:  
I'm just reading an article where it said 68 per cent of women employed in factories do not want to quit their jobs, the other 32 per cent don't know what they want to do. This happened in Indianapolis.  
"Will there be anything for the soldiers to come back for?"  
"There seems to be quite a discussion about jobs, who is going to keep them and who isn't. Well, it seems the soldier doesn't get anything to say about it, and over here there is quite a discussion about it. For one thing it should be kept out of the papers over here."  
"In 'The Stars and Stripes' paper we read where it said that about half the women want to keep their jobs."  
"It seems to me they do not know what the boys are fighting for. But if they had to go through what we boys and the people of Europe have to go through, all of them would be only too happy to give their jobs up to a soldier and go back to making a home, where rightfully a woman belongs."  
"In fact maybe a few bombs dropped over there would wake people up and cause them to think about getting this war over with soon and quit arguing over jobs and money."  
"The soldier is not interested in jobs, money or politics."  
"We do not expect anything after this war, and we do not want anything except just to get out and back to our families, wives and children and our sweethearts. Printing that stuff in the big papers does not help build our morale up at all."  
(Continued on Page 7)

## Mayor's Daughter, Now WAVE in Navy, Honored By Friends

Miss Lorraine Corbett

Miss Lorraine Corbett, daughter of Mayor Stanley Corbett, who sometime ago enlisted in the WAVES, has been enjoying a brief leave of absence at her home in this city. She left Monday for Norfolk, Virginia where she has been assigned to the big U. S. Naval base at that place.  
Last Thursday evening at the Corbett home on Blunk avenue an open house was held in honor of Miss Corbett. Scores of her friends called to congratulate her and wish her well in her career in the navy.  
Miss Corbett has for many years been an instructor in the public schools of Detroit. She has been granted a leave of absence from her school duties during the time she will be in the navy.

## Award V-Women Honors For 5th War Loan Work

United States Treasury department certificates of special merit have been awarded to 15 members of the Plymouth V-Women's war bond workers by State Chairman Frank Isbey as the result of the splendid work they did in helping to make the drive such an outstanding success.  
The certificates were presented to these tireless workers by Mrs. Ann Summer, chairman of the U. S. Treasury Woman's Committee for Plymouth, at her home last Friday evening.  
All of them sold more than a thousand dollars worth of war bonds. The total sales made by all of the Plymouth V-women workers in the last drive was \$64,425, according to the final check just made at the state headquarters.  
This, like their previous record, is an especially good one. The V-Women have the hardest job of all. They do the "clean-up" work in the war bond drives. They ring the door-bells, canvas the factories and make repeat call after repeat call to catch the delinquent war bond buyer.  
There is no glamour about their work. Their job is the hardest of all.  
Those who qualified for special certificates of merit because of the outstanding work they did in the Fifth war loan drive are: Mrs. David Mather, Mrs. Mae West, Mrs. Erma Mclean, Mrs. O. M. Valiquette, Miss Bonnie Barger, Miss Elizabeth Sutherland, Mrs. F. Earl Reh, Mrs. Olive Reiman, Mrs. Olin Martin, Mrs. Charles C. Cushman, Mrs. Harry Terry, Mrs. Ethel Holten, Mrs. Harold Curtis, Mrs. William Pettigill, Mrs. Julia Innis, Mrs. Kenneth Gust and Mrs. Walter Kellogg Summer.  
There are 62 members of the V-Women's committee, Mrs. Gust being the chairman of this special group of patriotic war workers.

## Gerald Hondorp Has Praise For U. S. Hospitals

Gerald Hondorp, son of Mr. and Mrs. Henry Hondorp who was seriously wounded when American troops began their big push from the Anzio beachhead in Italy on May 22 is spending a few weeks in Plymouth with his wife and little son and his parents previous to going to a rest center at Miami Beach, Florida.  
The youthful soldier will not be required to be in Miami Beach before September 30 and it is his hope to be able to take Mrs. Hondorp and their little son with him at that time.  
He does not expect to be in Miami Beach more than two or three weeks.  
Gerald, who landed in Italy and went into combat barely a year from the time he was inducted into service, states that he was out of action on the first day of the big push against the Germans from the Anzio beachhead.  
"Shrapnel hit me on the left side. Two slugs pierced my left arm and another went into my left lung. I was taken to a hospital in Naples. The doctors and the nurses gave me the best of treatment. As soon as I was able to leave the hospital they put me on a ship and sent me home. I do not know where I will go after I leave Miami Beach," stated Gerald yesterday.  
Previous to entering the service, he was in charge of the plating works of the Plymouth Plating Company.

## Plan Ways To Help Soldiers

Under the direction of Arno B. Thompson, who has been made temporary executive secretary by the Plymouth steering committee of this city's proposed Council of Veterans' Affairs, plans are being worked out for the program of assistance that will be offered to returning veterans of the present world war.  
Mr. Thompson, accompanied by Judge Rustling Cutler, visited Lansing a few days ago and were given first hand information by both state and Ingham county officials pertaining to the proper steps to take in forming the new agency.  
It is realized that it will not be many months before large numbers of soldiers will probably be given discharges from the army.  
Many of them will immediately desire information pertaining to allotments, some of its more elaborate opportunities for returned soldiers, vocational training and employment.  
They may also need information as to where they may secure legal, medical and other services.  
Mr. Thompson has been authorized to submit to a general meeting of citizens who are interested in these matters a program for adoption that will fit into the needs of this city.

While in Lansing, the two made special inquiry pertaining to the Ingham county set-up, which is regarded as one of the best in the state. While the Lansing set-up is for a large city, Mr. Thompson believes that by the elimination of some of its more elaborate provisions, that it can be made to apply very nicely to Plymouth. He hopes to have all details worked out shortly.

## Public Schools Will Open On Monday Morning

After a two weeks delay because of the infantile paralysis scare, Plymouth schools will open Monday morning.  
It is expected that more than 3,100 students in all grades and from all areas will attend the opening of school.  
For the most part the new high school students already have been registered.  
Superintendent of Schools Geo. A. Smith said that as a result of careful planning by the faculty that the schools of Plymouth will teach the same course of study for the remainder of the year as would have been taught in the two weeks which were lost.  
In other words, none of the time lost will be made up, but the work will be.  
The high school building is in the best shape it has been in a number of years. A new roof was installed during the summer, and the building was partially rewired. Most of the halls and classrooms were repainted.

## Larry Johnson Dies In Reed City

Lawrence Johnson, former well known Plymouth druggist and state representative from this district, died at his home in Reed City Wednesday night. He had been ill some time. The funeral will be held at the Schrader Funeral Home in Plymouth Saturday afternoon.

## Many Register For Election

Registrations for voting in the November election are exceptionally good. City Clerk Clarence Elliott reported this week.  
More than 100 persons have registered in the past two weeks, and three hundred new ones are reported since the last election.  
The interest in registering voters is an indication of the interest in the forthcoming election.  
Under the law, registrations expire if they are not used over a two year period, but these may be renewed merely by telephoning the city hall. However, no person may vote without first registering.

## Canton Township Board Seeks Names Of All Canton Residents In Service

The township board of Canton township is requesting the names of all of the residents who have been or are in the military services of the country during the present war. It is desired to have these names so that they can be placed on the Honor Roll board at the Canton township hall. Send all names to Andrew G. Smith, township clerk, R. F. D. No. 4, Belleville, Michigan.

### Local News

Mrs. Allen Burke of Royal Oak was the week-end guest of Mrs. Edwin Mallett, Farmer street.

The Misses Gertrude and Dorothy Fulton left Saturday for Pennsylvania where they will visit relatives and friends.

Mr. and Mrs. C. V. Chamber were in Fenton last Friday to visit their daughter and husband, Mr. and Mrs. H. F. Vosburg.

Mr. and Mrs. Joseph Tremain had as their house guests last week-end, Mr. and Mrs. James Cavis of Traverse City.

Mrs. Howard Stark and son Charles are visiting her parents, Mr. and Mrs. M. J. Steward in Arcadia.

Mr. and Mrs. Wilbur Thompson and daughter Shirley Ann of Highland Park were Sunday visitors in the home of Mr. and Mrs. Paul Thompson.

James A. McLean, son of Mrs. Erma G. McLean of Oakview avenue is attending Georgia Military Academy at College Park, Georgia.

Mr. and Mrs. Richard L. Van Atta of Elizabeth street are the parents of a baby girl weighing 7 3/4 pounds, born Saturday, September 9 in St. Joseph's hospital, Ann Arbor. Doctor Charles Westover was the attending physician. Both mother and babe are doing nicely.

Staff Sgt. Robert Shepard was home on a few days furlough from Grand Island, Nebraska. He visited with his wife here and his parents in Wayne. Sgt. Shepard has been in England, serving with the army air corps. He has been flying one of the country's big B-29's, the biggest plane ever made.

Miss Helen Gilbert of Penniman avenue has accepted a position as teacher of English and speech in the high school at Auburn Heights, Portia. She returns to teaching after several years in publications work on the Michigan Bell Telephone company, and as associate editor of publications for Argus, Inc.

Mr. and Mrs. Ford Flaherty entertained at a family reunion in their home on Sunset avenue last Sunday in honor of her parents, Mr. and Mrs. Otto Stutzman who have been visiting them the past three months. Sixty eight relatives were present. Mr. and Mrs. Stutzman are leaving for their home in San Diego Sunday.

Miss Elaine DePlanche entertained at a personal shower last Saturday evening in her home on Tecumseh avenue, New Detroit, in honor of Miss Ruth Granger. Fall flowers, a miniature bride and a marine formed a centerpiece on the dining room table which was lighted by candles. Her guests were, Mrs. Donald Granger, Mrs. Perry Lacy, Mrs. Irene Eglott, Mrs. Lenna Eglott, Elayne Walters, DeRus DePlanche, Marlette Martin, Gerry Gienap, Mazie Bakewell, Lois Hoffman, Barbara Litzinger, Carol Hubbell and Miss Sipeo.

### Plymouth Girls Winning Judges

(By Ada Watson, County Club Agent)

The state 4-H Club show held at East Lansing was a great success. 4-H members have achieved many fine results during this past year due to the fine cooperation of parents and local leaders.

The winners in Wayne county are to be congratulated on their wins during a year as busy as this one.

Iola and Shirley Fritz of Romulus who demonstrated "How to Care for Wool Sweaters and Skirts" won the state award for clothing demonstrations. The award will be a \$25 war bond or a trip to the National Club Congress at Chicago.

Sally Spence of West Dearborn entered a loaf of cereal bread in the General Foods Corporation of the State Scholarship Award which is in the form of a \$100 war bond.

The Wayne county vegetable judging team consisting of Doris Waldecker, Marie Duthoo and Donald Brinks, all of Plymouth, were the winning team in the Lower Peninsula of Michigan. We hope that they will have a chance to attend the National Junior Vegetable Growers Meeting in Rochester, N. Y., in December.

Ten individual vegetable garden baskets were entered, eight of the ten received blue ribbons and the other two, red. The baskets made up our Wayne county exhibit and it received a blue ribbon. Those entering baskets were: Harold Wood, Yvonne and Shirley Johnson, Robert and Vivian Moore of Romulus; Patricia Spence and Jean Curry of Dearborn; Barbara Daniels of Livonia Center; Carol Schatz of Garden City; Sally Macintosh of Canton Center; and Muriel Buege and Gloria Laginess of Martinsville. The Woodville Club won a blue ribbon with their flower garden exhibit.

Three county canning exhibits were entered: In first year project the following members sent cans of fruit: Betty Dasher, and Virginia McKee of the Walker School; Dolores Wolin of the Atonement Lutheran School in Dearborn and Marion Amrhein of the Kenyon School near Plymouth.

Second year canning: Barbara Daniels, Inez Daniels, and June Venus all of Coventry Gardens.

Third year canning: Jeanne Tuck of Plymouth, Sally Spence and Jean Curry of West Dearborn. All three projects won red ribbons.

Eleven year old Betty Ann Wixon of Livonia Center entered a plate of three muffins. Barbara Spence of West Dearborn entered a cake in the general foods contest, and Hazel Prince of Belleville a plate of rolls; all received red ribbons.

Esther Mettetal of Plymouth entered her wool suit and coat, and received a red ribbon; Frances Gordon of Walker School and Nancy Schultz of Newburg School each received a white ribbon for their clothing exhibit.

Jean Vant, poultry project member, Waltz exhibited a dozen white eggs for which she received a white ribbon.

The Wayne county dairy judging team consisting of Dale Wisley, Kenneth Brinks, Donald Korte, and Gerald Salow all of Plymouth and Elwood Reame of West Dearborn, came out seventh in a group of approximately seventy-five participants.

Kenneth Brinks entered his two Guernseys. His cow placed third in its class. His Junior Yearling Heifer placed fifteenth.

Donald Vetal entered his two Jerseys. His four year old cow placed second and his senior heifer calf placed eighth.

Lois and Donald Vetal of Plymouth took part in the Citizenship Ceremony in which Governor Kelly was the speaker.

Esther Mettetal of Plymouth took a part in the Style Show which was held on Thursday evening in Meeklin Field before a background of evergreens. Esther tied with another delegate for runner-up to the State Award winner, Carol Warwick of Calhoun county.

### Saxton Sells At Northville

Sixteen years ago Dean Saxton and his father started a badly needed feed store in Northville. Yesterday he announced the sale of his Northville store to Sam Brown of that place.

Mr. Saxton plans to expand his Plymouth and Redford stores, being able to give more time to these places as the result of his disposal of the Northville store.

The Saxton feed store in Plymouth is located on Ann Arbor Trail just at the east end of Kellogg park. It was in 1928 when he started the Northville store, the first of the three places he started.

### Starkweather P. T. A. To Meet On Sept. 21

The annual dinner and first meeting of the Starkweather Parent-Teachers' Association will be held Thursday evening, Sept. 21 at 6:30 o'clock in the school auditorium. The faculty of the school will be the guests of honor and Mrs. Jewell Bell will address the parents and discuss with them the plans and problems of the new school year.

All parents and friends of the school are invited to attend and bring their own dishes, rolls and one dish of food to share.

### D. A. R. To Meet September 18

The Sarah Ann Cochrane chapter of the D. A. R. will hold its first meeting of the season at the home of Mrs. Sherwin Hill, Northville, on Monday, September 18 at 2:00 o'clock.

The program is under the direction of Mrs. Ralph Taylor and will be an outline of the work of the D. A. R.

Mrs. Thad Knapp of Northville will give a short talk on the life of Sarah Ann Cochrane and other members will contribute to the program.

Mrs. Sterling Eaton will present a group of songs and Tulane German, dressed in colonial costume, will play her grandmother's music box.

Prospective members are invited guests of the chapter and tea will be served.

By purifying human thought, this state of mind permeates with increased harmony all the minutiae of human affairs.

### Farm and Garden Ass'n Has Meeting

A regular meeting of the Plymouth branch of the Woman's National Farm and Garden Association was held at the pleasant home of Mrs. Harvey Whipple on Reservoir road last Monday afternoon. Mrs. Jesse F. Tritton, program chairman for the afternoon, introduced the speaker, Mr. O. I. Gregg of the extension service of the M. S. C. who talked on the storage of "Fruits and Vegetables for Winter Use." Following his talk there was an informal discussion on the cultivation of flowers and vegetables and at the close of the meeting, tea and waters were served.

**BUSTER BROWN SHOES FOR BOYS AND GIRLS**

Buster Browns are right for lively school-going feet. They allow plenty of toe-freedom and provide proper support. That's because they're built over "Live-Foot" Lasts based on true-to-life proportions of children's feet in action. And these shoes will stand lots of knocking around... their uppers are of the best quality leathers now available and their soles are tested for durability.

### Church News

Hours of services and notices of church organization meetings.

**FIRST METHODIST CHURCH.** T. Leonard Sanders, Minister. Mrs. O'Connor, director of music. You are always welcome to attend any or all our services. Sunday, September 17, 9 o'clock, retreat for all teachers and officers of the Church School. This service will close with Holy Communion. 10 o'clock, Church School, Wesley Kaiser, Sup't. Last Sunday the Church School got off to a fine start. 11 o'clock, morning service and sermon. Special music by the choir under the direction of Mrs. O'Connor. Subject: "Are you getting a thrill out of your religion?" There will be a nursery for small children, also primary and junior church. The pastor will have a short talk for the children. 6:30 Youth Fellowship. The service will center about the theme: "Our Hands". All youth invited. When the war ends, we are all hopeful that the war in Europe may soon come to a close. On this day of good news two union services will be held in the Presbyterian Church at 10:00 a. m. and 8:00 p. m. Plan now to join in these services of prayer and meditation. Keep in mind: Sunday, September 24 is Rally Day and Sunday, October 1st is World Wide Holy Communion Sunday. If you have not started back to church yet this fall, start next Sunday.

**FIRST BAPTIST CHURCH.** Bible School 10 a. m. Morning worship service 11. Mr. Wm. Black, speaker. Evening worship 7:30 p. m., Mr. Clifford Auld, speaker. Wednesday evening prayer meeting, 7:30, Mr. Allenbaugh. Choir 8:30.

**FIRST PRESBYTERIAN CHURCH.** Church street, Rev. Henry J. Walsh, pastor, 737 Church street, phone 138. Sunday, September 17, Church School at ten o'clock, with classes for all. Morning worship at eleven, with the sermon on the theme, "The Fact and the Symbol." The choir will sing, under the direction of Miss Loreta Petrosky. The Youth Fellowship will meet at six-thirty in the evening, in the parlor, to discuss the year's program and work. The choir meets for rehearsal on Friday evenings, at eight o'clock, in the parlor. All who are interested in singing are asked to contact Miss Petrosky. The Sunday School teachers and officers are to hold their first meeting of the fall on Tuesday evening, September 19th, at eight o'clock, in the parlor. In the event of the coming peace, will you remember that we shall have a union service with the people of the Methodist Church, and any others who care to participate, at ten o'clock in the morning and eight

in the evening, in the Presbyterian Church.

**CALVARY BAPTIST CHURCH.** Ann Arbor Trail at Elizabeth street again extends a cordial welcome to all to both its morning and evening services on Sunday and to the prayer meeting Wednesday evening. A large congregation both morning and evening listened attentively to the searching messages of our retiring pastor, the Rev. Lynn B. Stout, regretting that these must be his last instructions to us. In the evening service Mr. and Mrs. Jack Cochrane also gave their farewell messages before leaving next week for a Bible School in Minneapolis. Mr. Cochrane has been our song leader in the evening services. Next Sunday, Rev. Kenneth Farnsworth of Detroit will occupy the pulpit, a candidate for the pastorate. The membership of the church should make special effort to be present. The Missionary enterprise is not the Church's afterthought; it is Christ's forethought.—Henry Van Dyke.

**NEWBURG METHODIST CHURCH.** Minister, Verle J. Carson, 9614 Newburg Rd., Plymouth 860W4. Morning Worship at 10:00 a. m. The minister will preach on "Courage For Convictions." The Church School will meet at 11:00 a. m. under the direction of our superintendent, Mr. Roy Wheeler. We will all meet in the church sanctuary at 11:00 a. m. for the promotion exercises. Brief class periods will follow and we will return to the church sanctuary for the installation of our officers and teachers of our Sunday School. An Intermediate League will be formed this Sunday evening at 5:00 p. m. The

Epworth League will meet at 7:00 p. m. Both will meet in the hall. The Epworth League will have their business meeting and election of officers, Monday, September 18, Church Board will meet at 7:30 p. m. There is some important business to be transacted. Friday at 6:30 p. m. First of our Family nights. This will be Community night. Potluck supper. Bring own table service and a dish of food to pass.

**Berea Christian Assembly** (formerly Berea Chapel), Rev. Sanford E. Cook, Pastor. At a business meeting held on August 25, 1944, it was decided that the name of Berea Chapel be changed to Berea Christian Assembly. From this date we shall be known as the Berea Christian Assembly. We extend the heartiest of invitations to each and everyone of you to come and join us in worship and prayer. Our services are as follows: Sunday School, 10:00 a. m.; Morning Worship, 11:00 a. m.; Young People's Meeting, 7:45 p. m.; Evening Evangelistic, 7:45 p. m.; Wednesday Prayer service, 7:45 p. m. We also have children's church for the children, while the Sunday morning worship service is in progress. Won't you come and bring your children.

**FIRST CHURCH OF CHRIST, SCIENTIST** — Sunday morning service, 10:30; Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service, 8:00. "Matter" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, September 17. The Golden Text (Proverbs 23:5) is: "Wilt thou set thine eyes upon that which is not? for riches

certainly make themselves wings; they fly away as an eagle toward heaven." Among the Bible citations in this passage (Matthew 6:24) "No man can serve two masters; for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (167): "To have one God and avail yourself of the power of Spirit, you must love God supremely. There is but one way—namely, God and His idea—which leads to spiritual being."

**ST. JOHN'S EPISCOPAL CHURCH.** Maple and S. Harvey streets. Sunday Morning Services. Morning Prayer with sermon at 11 a. m. The Sunday School of St. John's Church will start its sessions on Sunday morning, Sept. 24th at 9:45 a. m. It is expected that there will be five or six teachers in the Sunday School and an improved system of instruction. Rev. Francis Tetu, Rector.

**CHURCH OF CHRIST**—188 West Liberty street. Bible school, 10:15 a. m.; worship, 11 a. m.; preaching and song service, 7:30 p. m.

**SALVATION ARMY SERVICES.** Sunday School, 10:00 a. m. Morning Worship, 11:00 a. m.; Young Peoples Meeting, 6:30 p. m.; Open

air, 7:30 p. m.; Evening service, 8 p. m. Wednesday, 8 p. m. prayer service.

**FREE METHODIST MISSION**—1058 South Main street; Fred Highfield in charge. Sunday school, 2:30 p. m.; preaching, 3:30 p. m.; prayer meeting, Tuesday, 7:45 p. m. Welcome to all to worship with us.

**OUR LADY OF GOOD COUNSEL**—Rev. William P. Mooney, pastor. Masses, 6:00, 8:00, 10:00 and 12:00 noon.

**ST. MICHAEL'S CATHOLIC**—Rosedale Gardens; Father Conway, pastor. Masses at 5:45 a. m., 8 a. m., 10 a. m. and 12 noon.

**Special Meeting To Be Held By Eastern Star**  
On Tuesday evening, September 19, members of the Order of Eastern Star will hold a special meeting and memorial with a covered dish dinner at 6:30. Advanced officers will exemplify the degrees at 8 o'clock. Officer's practice Sunday, September 17, 6 P. M.

Wayne County Association of Order of Eastern Star will hold the first meeting of the year Monday, September 18 as guests of the Detroit chapter, opening at 2 o'clock, dinner at 6:30 and initiation at 8 o'clock by officers of various Wayne County chapters.

Business MEN AND EXECUTIVES: LAND bought Now

and Backed with a War Bond Building Fund... Can Bring You Future Security--

Thoughtful investors recognize the soundness of land investments and ownership especially under the conditions existing today. Many are planning on new homes after the war, holding present property for rental later.

PLAN NOW FOR PEACE

Your plans for peace may well include a new home... with all the modern features of construction and convenience that will be brought out after the war. Land can be bought now for a future some-site at low price levels. It can be developed at low cost ready for your after-the-war home.

CARD OF THANKS
We wish to express our appreciation and heart-felt thanks to all those who have been so kind to us during the past month. To the Church of God for their gift of flowers; to the Independent Daisy Employee's Association for their many acts of kindness; to those who called and others who sent cards; as well as those who made gifts of fruit and flowers and other items.
Ernest Burden and family.
About 80 per cent of the material used for construction in the United States is lumber.
I'd almost as soon be struck dumb as be cursed with a gift of gold.
Mrs. Ella Shaw and daughter, Miss Carolyn Shaw, formerly of Plymouth, are guests in the Coello Hamilton home for a few days. They are enroute to their home in Bowling Green, Ohio after spending a few weeks at Black Lake.

### Washington Bureaucrats Blamed For Canning Sugar Shortage

Ladies, just in case you don't know it, there is a serious shortage of sugar for canning or any other purpose.

Occasionally, a few pounds are to be had, but for the most part the shortage is very acute, and comes at a time when the farmers are offering their greatest fruit crop since the start of the war.

As a matter of fact, the demand for fruit is now reported to have reached such a low ebb that prices have been cut far beyond what the farmers had hoped to get for their crop.

The shortage of sugar is blamed by the Office of Price Administration on the shortage of help in the refineries. There appears to be ample raw sugar in the country to meet the demands, but raw sugar is worthless until it has been processed.

The Grocer's Spotlight, a trade journal of the grocery industry, reported from Washington this week that the refinery bottleneck is due to the "lack of vision of the government agencies last spring when they curtailed production, first by not asking for adequate shipping of raw sugar from the Caribbean area, and second by allowing too large "set aside" for alcohol, which since proved to be unnecessary."

No large scale relief from the shortage is expected before October 15th, when most of the fruit will be out of the way.

As was expected, the "Grocer's Spotlight," reported that the administration will ease all rationing just before the election, including gas rationing.

### To Feature Golf Handicap Sunday

The Hilltop Golf Club Sunday will feature the Men's Championship, and Kicker's Handicap, an 18 hole medal play tournament in which entrants can compete both for the title of champion and the prizes being featured for the Kicker's. Although the biggest share of Plymouth's better golfers are now in service, the contest promises to bring out some fine golf from the remaining low handicap players.

Starting time is at 9 a. m. and will continue until all entrants have teed off. Registration will be accepted up until starting time.

In true championship form Elizabeth M. Demel carded a medal score of 49 strokes to win the Ladies championship Golf Tournament at the Hilltop Golf club

last Sunday. Close on her heels, but unable to overtake the new champion, was Norma McAllister who carded a score of 54. Both the winner and her runner-up had trouble in the earlier stages of the round but played remarkably well other than that over regulation yardage from the back tees.

### Salvation Army Plans Rally Day

Sunday has been set aside as rally day for the Plymouth branch of the Salvation Army, 281 North Union street. Colonel H. Burtenshaw, territorial prison chaplain of Chicago, will be the guest speaker at the evening service, starting at 8 o'clock. At the Sunday school beginning at 10 o'clock, souvenirs will be given every one attending.

### Weddings

#### Bennett-Clark

In the Federated church at Salem on Thursday evening, September 7th, at 8 o'clock, the wedding ceremony was read uniting in marriage Miss Helen June Bennett, daughter of Mr. and Mrs. George W. Bennett of Salem to Cpl. Ray E. Clark, Jr., son of Mr. and Mrs. Ray Clark of Ypsilanti. The double ring ceremony was performed by Rev. Cora M. Pennell, pastor of the church. The altar before which the young couple stood was decorated with palms, baskets of flowers, and tall lighted tapers.

Preceding the service Mrs. Eltha Hardesty of Salem sang "I Love You Truly" and "At Dawning". The wedding march was played by Mrs. Ronald Lyke.

The bride, given in marriage by her father, wore a gown of white ivory satin and lace fashioned with tight fitting bodice, sweetheart neckline, and row of pearls down the front of the waist. The sleeves were long and tight fitting. Her long net veil fell from a tiara of pearls. She carried an all white colonial bouquet tied with white satin ribbon.

Miss Emily Saner of this city was maid-of-honor wearing a fuchsia color chiffon dress with a headdress of yellow net, and shoulder length veil. She carried and arm bouquet of yellow roses.

The Misses Betty and Vera Clark, sisters of the bridegroom, were bridesmaids, each wearing gowns of pale blue chiffon with shoulder veils of peacock blue net. They carried bouquets of pink rose buds tied with satin ribbon. The groom was attended by his brother Kenneth. Ushers were Elmer Bennett, brother of the bride, Paul Meyers and George Knaggs of Ypsilanti. Donald Green of Northville seated the guests.

The little Misses Joyce Williams and Gale Baker of Salem were flower girls wearing pink taffeta dresses and carrying bouquets of pink rose buds tied with long white streamers. Jimmie Tanager and Murray Lyke carried the rings on a white satin pillows. They were dressed in soldier's suits.

The bride's mother wore a gown of white flowered chiffon and corsage of white roses. Mrs. Clark, the bridegroom's mother wore a dress of Copenhagen blue and a corsage of red roses.

A reception for two hundred people was held in the church dining room following the ceremony. The bride's table was centered with a large 4 tiered wedding cake topped with a miniature bride and a groom dressed in soldier uniform. Lighted tapers were placed at each end of the table.

The young couple enjoyed a short honeymoon. Cpl. Clark left Thursday for Drew Field, Tampa, Florida where he is stationed.

Mrs. Clark is a graduate of Plymouth high school and is employed at the Burroughs Adding Machine Company. Cpl. Clark is a graduate of Ypsilanti high school.

#### Saner-Balko

The wedding of Miss Sophia Saner, daughter of Mr. and Mrs. Julius Saner, of Powell road and Fred Balko, Jr., son of Mr. and Mrs. Fred Balko, of Northville, was solemnized Saturday evening, September 9, in the St. Peter's Lutheran church. The double ring ceremony was read at 8 o'clock by the Rev. Edgar Hoencke.

Helen Goebel sang, "I Love You Truly" and "Because" before the bridal party took their places at altar, which was decorated with tall standards holding white gladioli and tall tapers.

The bride, given in marriage by her father, wore a white marquisette gown with inserts of chantilly lace. The fitted bodice had a sweetheart neckline and the sleeves were close fitting with points over the hands, her full skirt fell into a train. The full length veil of imported illusion was fastened to a coronet of seed pearls with orange blossoms on either side. She carried orchids and white roses.

The bride, attended by her four sisters, Emily, Matilda, Madeline, and Shirley Ann, Emily, as maid-of-honor, wore a blue gown with bodice of satin and skirt of net. Her sleeves were bracelet length and the skirt very full. The head-dress was of matching net with shoulder length veil. She carried pink briarcliff roses.

Matilda and Madeline, the bridesmaids, wore similar gowns in pink and green satin and net with corresponding headdresses of net, while Shirley Ann, the flower girl, was daintily gowned in white imported net stitched in silk and a pink slip. It was made with a sweetheart neckline and short puffed sleeves, lace trimmed. Her white heart shaped bonnet was trimmed at the center with orange blossoms and she carried Johanna Hill roses. The bridesmaids carried talisman roses.

Howard Balko, of Northville, brother of the bridegroom was best man and Harry Kreeger of Northville, and Julius Saner, Jr., a brother of the bride, seated the guests.

Mrs. Saner and Mrs. Balko wore military blue dresses with red rose corsages.

A reception was held in the American Legion hall in Newburg where 200 friends and relatives of the young couple gathered. The buffet lunch was served from a table centered with a four-tiered wedding cake, and lighted tapers on either side. The Edward Webber orchestra furnished music.

Mr. and Mrs. Balko spent a few days in northern Michigan. They will be at home on Eight Mile road near Napier road.

### Jumbo—a U. S. Signal Corps Man

A member of the American signal construction outfit is shown repairing a line from the back of an elephant. These slow-moving, patient animals are used to very good advantage in the swamps and in Assam, India, by native and Allied troops. The signal corps, under unusual conditions, have managed to install and keep open communication lines.

### Local News

Mrs. Julius Willis visited friends in Grand Rapids last week.

Mr. and Mrs. Clovis Ferguson of Detroit spent the Week-end with Mrs. Fred Schaufele.

Mr. and Mrs. Byron Becker and children were Sunday supper guests of Mrs. Ralph Lorenz.

Mr. and Mrs. Perry Hix spent Sunday with Mrs. Gladys Britt in Detroit.

Private Harold Hills left Sunday evening for Camp Bowie, Texas, where he will be stationed.

Mrs. Henry Tanger entertained members of her 500 club Wednesday afternoon at the first party of the fall season.

The Mission Society of the Lutheran church will meet at the home of Mrs. Gust Eschels, 5435 Gotfredson road Wednesday, September 20 at two o'clock. Those having birthdays are: Mrs. Carl Rengert, Mrs. Fred Ballen, Mrs. C. Drews, Mrs. G. Kaiser, Mrs. Amelia Esch, Mrs. Leo Shultz, Mrs. Charles Rengert and Mrs. O. F. Beyer. This being the annual meeting all members are urged to attend.

### Nazi Prisoners in France

German prisoners of war, 10,000 strong, are herded into their new enclosure as they prepared for a visit as guests of the Allies. They were taken in Allied pinners drive in France. The total number of prisoners taken, it is believed, will exceed by far any previously captured by American and British units.

Miss Miriam Jolliffe of Ann Arbor and Mrs. Robert Champe and son, Johnny, of Detroit have been visiting at the home of their parents, Mr. and Mrs. E. V. Jolliffe while their brother Lieut. Keith Jolliffe was home on leave from Spence Field, Georgia.

The Trombley family reunion was held Sunday at the home of Mr. and Mrs. Clyde Trombley, West Ann Arbor Trail. About thirty-five members of the family from Detroit, L'Amoy City, Farmington, and Dearborn attended.

Yoeman 2nd Class and Mrs. Stanley Schiewe and baby son, Grant, returned to Cleveland Thursday, after a ten day visit in Plymouth and Muskegon. While here they were guests of Mr. and Mrs. Charles Westfall.

Doctor and Mrs. B. E. Champe entertained a group of friends at their home Saturday evening. Guests included Mr. and Mrs. Vaughn Smith, Mr. and Mrs. Earl Russell, Mr. and Mrs. William Rose, and Mr. and Mrs. Russell Powell.

Mrs. Edward Bascomb of Detroit, and Mrs. Alfred Jones of San Diego, California have been visiting their cousins Mrs. O. F. Beyer and Miss Amelia Gayde. Mrs. Jones will leave Sunday for her home after a three month's visit with relatives in and around Detroit.

Mr. and Mrs. William Martin gave a family dinner Tuesday evening in honor of their two daughters, S/Sgt. Marilyn Martin who is on a ten day furlough from the Army Air Base at Boca Raton, Florida and Miss Marlee-tta who leaves Sunday for Michigan State College, East Lansing.

### Mom's Club To Meet Monday Afternoon

Members of the Mom's club will meet Monday afternoon, September 17, at one o'clock at the service men's center to tie lap robes. They are badly in need of woolen pieces to be used in making the robes, which will be sent to hospitals all over the United States to be used by our wounded service men. Anyone having woolen pieces or clothing that could be cut into squares please leave on the porch of Mrs. Wilbur Gould's home at 432 W. Ann Arbor Trail.

Free from interruptions, any executive could do his day's routine work in two hours.

Mr. and Mrs. O. M. Valliquette entertained at a dinner party Saturday evening honoring Mr. and Mrs. B. C. Spitzley of Vero Beach, Florida.

Mr. and Mrs. Gordon Cannis, and Mr. and Mrs. Fred Brown of Capac spent the first part of the week with Mr. and Mrs. Dewey Smith.

Mr. and Mrs. Harry Kendall of Detroit were dinner guests Thursday of last week in the home of Mr. and Mrs. Orr Passage on Maple Avenue.

Young Keith Miller, Robert Blackford and Richard Anderson enjoyed the double header baseball game in Briggs stadium last Sunday.

Mrs. Robert McFarland was the guest Thursday evening of Miss Marjorie Glynn in Detroit at a rarewell party for several of their co-workers at Chrysler Engineering Laboratories.

Mrs. Joseph Measel urges all Navy Mothers to turn in any changes in their son's addresses immediately, as the Christmas boxes must be mailed very soon. Her telephone number is 152.

A lawn party was held Labor Day at the home of Dr. and Mrs. B. E. Champe on Harding St. when they entertained the following guests: Mr. and Mrs. William Clark, Mr. and Mrs. L. B. Rice, Doctor and Mrs. Fred Bentley, Mr. and Mrs. Jack Selle, Mr. and Mrs. Hugh Horton, Doctor and Mrs. E. B. Cavell, and Mr. and Mrs. C. C. Wiltse.

### Gets Word From Far-away Husband

It was a happy telephone call that Mrs. Ralph Lorenz received a few evenings ago from Lieut. Gowan, who has just arrived in this country from the south Pacific—because the returned officer had direct word to Mrs. Lorenz from her husband, Lieut. Ralph Lorenz. The former manager of the Mayflower hotel has been stationed in the south Pacific for nearly a year and this is the first word that Mrs. Lorenz

has had directly from him by any one who has been with him since he left the California coast. Lieut. Gowan stated that Ralph was feeling fine and had gained weight on the army diet.

Approximately one-half of the lakes in Michigan are less than 10 acres in surface area and only 19 lakes have more than 5,000 acres, while the average size of all lakes is about 66 acres.

Robert J. Mohrman, nineteen year old son of Mr. and Mrs. Harry Mohrman, returned home this week after receiving his wings at the air field in Frederick, Oklahoma. He will report September 24th at San Angelo, Texas for further training.

Beatrice Radtke and George Rathbun, S1/c were dinner guests of Mr. and Mrs. Calvin Simon in Detroit last Tuesday evening. Later they attended the Wilson theatre. On Wednesday they were guests of Dr. and Mrs. Myron W. Hughes at a family dinner at Topinkas in Detroit.

Mrs. John Birchall, Sr. and Mrs. John Birchall, Jr. recently returned from an Eastern trip the first week of which was spent in Boston at the Black Hawk summer resort. While there Mrs. Birchall's son, Ensign James Birchall joined them for the week end. They also spent some time in Montreal where they attended the Sunday morning services at the Notre Dame cathedral, and visited other historical places of interest in and around the city. The remainder of the trip was made several interesting tours to nearby places.

Master Richard Root celebrated his eighth birthday, Thursday September 7th, with an evening party. The guest list included Charles Dykhouse, Jon Brake, Robert Stout, Gordon Champion, and Ronald Dunson. Games were played from seven to nine, and refreshments of ice cream and birthday cake were served.

Chief of Police Charles J. Thumme is swelling his chest again. Birth of an eight pound daughter to Mr. and Mrs. Kenneth Thumme has been announced. Mr. Thumme is principal of the schools at Elkton, Mich., and the young granddaughter of the Plymouth police chief has been named Annette Marie.

A shower honoring Charlotte Jolliffe Winterhalter was held Monday evening at the home of Mrs. Rockwell Smith. Guests included Mrs. Walter Schaffer of Detroit, Mrs. James Edlebrock, Miss Cathlyn Scott, Mrs. Roy McAllister, Mrs. Jack Selie, Mary Catherine Moon, Mrs. Owen Martin, Mrs. LeRoy Simmons, Mrs. Harry Shoemaker, Mrs. Earl Lewis, and Miss Patricia Cassidy.

Brake Going To Washington

Charles Brake of Plymouth has been named as one of 200 delegates of the United States who will convene at the White House in Washington as the guests of Mrs. Franklin Roosevelt to discuss rural education problems. The conference to be held under the auspices of the Rural Education Association's War and Peace Committee will feature the charting of a course for rural education during the next ten years. Mr. Brake is the president of the Michigan Rural Teacher's Association and will serve on the committee for the conference that will study the question of "Rural Education in the Structure of Democracy."

Mrs. Roosevelt will be host to the group meetings which will all be held at the White House on October 3rd, 4th and 5th.

A conservation department fire warden, Louis Scalucci recently killed a 40-pound bobcat with one shot from a 22-caliber pistol at 100 yards. The big bobcat was shot near Crystal Falls in the Ottawa National Forest.

End of a Nazi Submarine

This official U. S. navy photo shows Nazi sailors cringing around the conning tower (arrow points to Germans) of a U-boat under attack by U. S. army and navy planes. A few minutes later this sub sank under the hail of bombs from army Mitchell B-25 and navy Liberators. Nazi submarines are becoming scarce articles these days.

Obituaries

Mrs. Caroline Wiedman Mrs. Caroline C. Wiedman, age 80 years, passed away Sunday morning at her home, 515 Washington street, Ann Arbor, after an illness of several years. She was born July 12, 1864 in Washtenaw county and had resided in Ann Arbor since the year 1919. She was the widow of Fred J. Wiedman, who preceded her in death, November 7, 1940. Surviving are three sons, Paul J. of Plymouth, Fred O. of Ann Arbor; Emanuel G. of Ypsilanti; one daughter, Mrs. Julius Hutzel of Ann Arbor; and five grand children. Funeral services were held Tuesday afternoon at 3:30 o'clock from the Muehlig Funeral Home, Ann Arbor. Burial was in Oak Grove cemetery, Manchester.

Barbara Thayer Funeral services were held at the Wilkie Funeral Home Monday, September 11 for Barbara Thayer who resided at 751 Arthur street. Deceased was born in Ferndale, February 19, 1936. Surviving are her mother and father, Mr. and Mrs. Randolph Thayer; two brothers, Roger and Marvin. Rev. Garrett of Garden City, where the family formerly resided, officiated at the services.

Myron Douglas Wall Myron Douglas Wall, age 12 years passed away Sunday at Childrens Hospital, Detroit, after a three year illness. Surviving are the parents, Mr. and Mrs. Sydney Wall and two brothers, who reside at 15645 Park road, Plymouth. Services were held at the Wilkie Funeral Home on Wednesday, September 13. Interment was in the family lot in Parkview Memorial. Rev. Garrett of the Garden City Baptist church officiated.

Charles F. Barnes Charles F. Barnes was born in Redford township on March 25, 1876 and passed away suddenly at his home on Thursday, September 7, 1944. He was the youngest son of Seth and Mary Barnes. On November 3, 1898, he was united in marriage to Carrie Rattenbury and to this union was born a son, Harold. Besides his widow and son he is survived by a granddaughter, Marilyn and a brother, Henry of Detroit. He also was a brother of the late George Barnes of Redford.

The deceased was a member of the Presbyterian church and the Plymouth Rock lodge No. 47 F. O. M.

Funeral services were held at the Schrader Funeral Home on Sunday, September 10. Rev. Henry J. Walsh officiating. Two hymns were rendered by Carl Bryant and Ray Van Valkenburg of Northville accompanied at the piano by Mrs. M. J. O'Connor. Active pallbearers were nephews, Messrs. Harry and Clyde Barnes, Peter and Lloyd Croft, Herman Scheel and Hugh Richardson. Masonic rites were conducted at the grave. Interment was at Riverside cemetery.

Jane Helen Burr Funeral services were held Saturday, September 9th from the Schrader Funeral Home for Jane Helen Burr, 16 year old daughter of Mr. and Mrs. George S. Burr.

of Sheridan avenue. When school resumes this fall, Jane would have been a member of the Plymouth high school junior class, she was also a member of the Leaders club, the Girl Scouts and the Majorettes, also active in her church work at the First Methodist church. Besides her parents, she is survived by her brother, Sanford, one sister, Margaret Ann, two grandmothers, Mrs. Maude Bennett and Mrs. Anna Burr; her great grand-mother, Mrs. Mary Robinson, all of Plymouth. Rev. T. Leonard Sanders officiated. Two hymns were rendered on the organ by Mrs. M. J. O'Connor. The active pallbearers were Jack Kenyon, David Nilson, Robert Chute, William Moon, Tom Sanders and William Bateman. Interment was in Riverside cemetery.

Ladies Bowling League Opens Season Sept. 20

The Parkview Ladies Bowling League will start to play on September 20, it was announced this week. There are still some vacancies on some of the teams, and any one interested in participating is requested to call Gladys Rheiner (No. 1334).

Wounded

(Continued from Page 1) the papers want to print that kind of stuff, keep it over there. "We are only interested in getting this thing over and getting back to our homes. "Since when should politics have the right to tell the soldier what he should do? After all, what are we fighting for? We are beginning to wonder. "Another thing that was said in that article was that when the women were needed they took their places in the factories and are doing a good job. But they forget when the boys were needed they, too, came over here to do a job and are really doing a wonderful job. "Many are dying for something they believe in, so I do not see any comparison in what those back home are doing, and what the soldier is doing for their country over here. "I am speaking for myself and the other boys in this hospital ward who want to get back to our sweethearts, wives and children. There will be some fellows who will remain in the armed forces. They have found a place in life, but for myself and the others, we want to take care of

our wives and children and make a home for them. Our wives are doing the job of two people, being a father, a mother, and trying to support the family until we return. It is hard for them to keep this pace up. "My wife is none too well, but she and many others are doing a wonderful job of keeping our homes and bringing up our children until we return. The boys on the front and in the hospitals do not have time to worry about jobs, raises, and strikes, but they still get wounded and killed. We are fighting to get this war over with so we can return to our loved ones and our families as soon as possible and we are fighting for nothing else."

IT RAINED So they had their picnic at The Ship Ahoy Clubrooms 585 West Ann Arbor Trail "First come, first served" Call Plymouth 174 for reservations.

### Hilltop Camp Closes Season

After a very busy summer, Hilltop Farm camp closed September 3. During the eleven week vacation period the camp had an average of fifty children per week. Just about half of this number were in camp all summer, while the others came for two, four or six week periods.

"Where children are happy" has been the Hilltop slogan for ten years, and it was surely in evidence this summer. The swimming pool, ponies, hikes, picnics, games, etc., arranged by Mrs. Jolliffe and her seven competent helpers, were all enjoyed to the limit. Among the counselors this past season were three young ladies from the University of Michigan, one experienced counselor from Detroit, and one counselor and swimming instructor from Northwestern University.

### Name Mary Moon As Counsellor

Miss Mary Catherine Moon has been appointed counsellor at the "Music Box," the official name given to the recreation hall now being prepared by the students of the high school.

Miss Moon is a graduate of Ohio Wesleyan University, and has served as a camp counsellor during previous summers.

It also was announced this week that the formal opening of the "Music Box" will be held about two weeks after the opening of school, but the date has not been definitely decided.

At the present time, the house has been entirely redecorated, and many new lighting fixtures have been installed. A piano and some little furniture has been added to the house, but there is still a need for more furniture.

The expense of operation of the Music Box will be underwritten to the extent of \$80 a month by the City Commission until such time as it places itself on a paying basis. From the \$80 a month will be deducted the rent of the house, which is placed at \$30 a month and is owned by the city.

The house will be open each day from 3:30 in the afternoon to 10 o'clock at night, and on Friday evenings will stay open until 11 p. m. The house will not be open on Sunday.

The counsellor will be on duty at all hours when the house is open.

### Need Players In The School Band

Going to school this fall? Want to play in the band? Then see Director Clarence Luchman the first chance you have during the first part of next week.

Mr. Luchman has several openings in the band for both boys and girls, and those who make their applications first will be given the first opportunities to fill the vacancies.

Then, too, there is another reason for your quick decision as to whether you desire to play in the band. Instruments are going to be hard to get—so see Mr. Luchman Monday, Tuesday or Wednesday.

### Waste Paper Problem Solved

Mrs. Russell Powell, general salvage chairman for Plymouth and vicinity, believes that she is on the way to a solution of the paper collection problem in Plymouth.

At a meeting at her home Tuesday evening with Scout leaders, it was decided that all scout troops should take part in collecting scrap paper so badly needed by the army and navy. Details as to the ways the collection will be made will be worked out by a meeting of the four scout leaders with Mrs. Powell at the city hall Tuesday evening.

Waste paper has become the number one salvage problem. When the scouts took over the collection, it was agreed that they should have all the revenue from the sale of the paper.

But for some unexplainable reason it has been next to impossible to get waste paper collected in this city.

The scouts have now been delegated the full responsibility for this most important war project and it is hoped that there will be more satisfactory results as a result of their renewed efforts.

How a reader's sentiments fluctuate as he scans the varied headlines in the morning paper!

### Furnace Cleaning

Let us vacuum your furnace and also clean the hot and cold air pipes in your home.

### Women Observe Anniversary

Last Monday evening, the Business and Professional Women's club observed its 16th birthday and the 25th anniversary of the National Federation of Business and Professional Women's Clubs. It was a dinner meeting at the Episcopal Parish house. The table was centered with a large birthday cake which was decorated in blue and gold, the club's colors, and tall tapers in silver candle sticks were placed at each end. Individual bouquets of fall flowers in unique containers marked each member's place.

Miss Kay Fisher, who was sponsored by the club, gave a very interesting report of her week at the Girls' State, University of Michigan. Group singing was enjoyed and as a part of the program each member told of her summer activities.

Rebecca Obsniuk, president of the club, announced the appointment of the following standing committees for the ensuing year: Legislation—Bess Sutherland, Hazel Diack; Membership—Lee Terry, Jerry Champe, Doris Johnson; Program Co-ordination—Ada Murray, Jean Rank, Sarah Gayde, Margaret Woods; Public Affairs—Alice Blyton, Hanna Strassen Fleming; Publicity—Jennie Mills, Hyacinth Wilskie; Education—Florence Stader, Belle Young; Finance—Margaret Lundin, Winifred Wolfe; Health—Marian Gale, Helen Klaska; International Relations—Ruth Whipple, Thelma Holt.

The meeting was in charge of Hanna Fleming, Hyacinth Wilskie and Jennie Mills. The next meeting will be held on Monday, October 2nd.

### Teachers Issue New A Books

Teachers at the Plymouth public schools spent Wednesday and Thursday in issuing new "A" gasoline ration coupons.

The schools were crowded from the opening at 9 o'clock until through the night, indicating the need for more gasoline.

Many of those persons who appeared for new rations had no "A" coupons left in their books, while others had several.

All those with old ration coupons were relieved of them when the new ones were issued.

### ST. PETER'S EVANGELICAL LUTHERAN

Edgar Hoenecke, Pastor. The opening of Sunday School will be postponed to September 17th, 9:30 a. m. The children will receive gold crosses on this day. The Sunday School building fund banks will be turned in with the summer's savings.

The Sunday School now has 23 banks and \$15.18 in the fund for the new church and school. Holy Communion will be celebrated on September 17th. The Annual Mission Festival will be held on the last Sunday in September. Pastor Alvin Baer of Adrian, Michigan will deliver the sermon in the evening service at 7:30 on the Mission Festival. The "One Hundred Plus" Club needs your \$5 for a share now. Please see one of the members of the Building Finance Committee: Louis Ribar, Edward Van Loo, Joseph Rowland, Joseph Schultz Jr., A. Perry Wood, Jens Petersen, and Walter Tacia.

Labeling Jars  
Jar labels from an envelope: If you can't buy adhesive labels for jars, try using the adhesive part of an envelope. One envelope of ordinary size can be made into four to six very satisfactory labels.

Aid Navigation  
One of the first jobs undertaken by this government of ours was the construction and maintenance of aids to navigation. The ninth act of the first congress, on August 7, 1789, made provision for such work.

College Degrees  
Of the 30,586 degrees awarded by the Pennsylvania State college since 1855, 24,502 have gone to male students. Until the present war men graduates traditionally outnumbered women, four to one.

Leave Skins On  
When skins are tender, scrub and serve these vegetables with the skins on: summer squash, cucumbers, carrots and tomatoes. Leave skins on apples for salads, fruit cups and applesauce.

Fast Milking  
A new system of fast milking based on new knowledge of milk secretion consists of a hot application to the teats and floor of the udder of a dairy cow to prepare her for quick and thorough milking.

Labor Saver  
Good tools kept knife-edge sharp are the greatest labor saver any gardener can produce. Five minutes spent in sharpening the hoe, lawn mower, or even the shovel before work will save hours of time in the job, and the back won't be so lame the next day.

Cool Storage  
Cut tops of root vegetables to two inches to save storage space and keep vegetables in cool, well-ventilated place. Cover potatoes and onions with a paper or bag to keep out light and keep them dry and cool. Sweet potatoes and squash also need a dry and cool storage place.

Needs Large  
An estimated 22,500 man-hours are required to build an average American bomber, and at least 50,000 men on the ground and from 7,000 to 12,000 in the planes are required to send 1,000 four-engined bombers on a heavy invasion raid.

Species Cross  
Melons and cucumbers are of the same genus, but they do not cross unless the particular varieties are of the same species. In other words, the cucumber is cucumis sativus, while the muskmelon is cucumis melo. The watermelon, on the other hand is citrullus vulgaris and is a cucurbit.

Inverted Eyes  
Have you ever pulled the tip of a finger of your glove down inside? That's the way the eyes of some creatures work up and down, according to the Better Vision institute. Eyes of such creatures are mounted on the tips of hollow tentacles, and are drawn in when the tentacles are inverted.

Gets No Air  
Clay holds plenty of water and minerals but no air. This month, as soon as clay soils become moderately dry after the spring rains, they should be broken up to a depth of eight or ten inches so that air can get into them. Plants must breathe just as humans and animals but, because they have no lungs, every cell has to breathe. Thus the roots as well as the tops must get air.

Shallow Cultivation  
Cultivation should be shallow to kill the weeds when they are small. This is best done with a scuffle hoe, or wheel hoe with scuffle attachments, which work the top layer of soil, getting the little weeds and not injuring the roots of the crop plants. This saves much hand weeding along the rows, because the little fellows are killed by slight covering with soil.

### General Talks With His Men

Gen. Dwight D. Eisenhower, supreme Allied commander, is shown in center of circle as he addressed men of the First division in Normandy. The general made a special trip to France to decorate 24 men for valor in the field. Despite his many duties he usually finds time to personally inspect all troops under his command and to listen to their problems. His popularity at the front has proven as great as on the homefront. Hundreds of American homes have received letters from General Eisenhower telling of good work done by their GI boys.

Shallow Cultivation  
Cultivation should be shallow to kill the weeds when they are small. This is best done with a scuffle hoe, or wheel hoe with scuffle attachments, which work the top layer of soil, getting the little weeds and not injuring the roots of the crop plants. This saves much hand weeding along the rows, because the little fellows are killed by slight covering with soil.

Species Cross  
Melons and cucumbers are of the same genus, but they do not cross unless the particular varieties are of the same species. In other words, the cucumber is cucumis sativus, while the muskmelon is cucumis melo. The watermelon, on the other hand is citrullus vulgaris and is a cucurbit.

Sunburn Reaction  
Sunburn is a delayed reaction just as readily acquired on a day with a low temperature and a cool breeze as on a hot day. The amount of heat sensation experienced at the time of exposure is no indication of the painful burn and blisters which may develop overnight.

Treat Shoe Soles  
Some manufacturers already are treating shoe soles with wax or oil. They can be recognized by the slightly darker color of the soles and their lack of high shine on the bottoms. The army buys all its leather shoes for both soldiers and WACs so treated.

Labor Saver  
Good tools kept knife-edge sharp are the greatest labor saver any gardener can produce. Five minutes spent in sharpening the hoe, lawn mower, or even the shovel before work will save hours of time in the job, and the back won't be so lame the next day.

### Record Crowds Attend Races

Harness racing at Northville Downs is a success. Twice last week attendance records were shattered, the first time on Labor Day when 5,200 paid admissions were recorded and again last Saturday night when the record showed a total of 5,911, an all time record for the local track.

Two factors outside the splendid racing, have made these records possible. First the night racing schedule allowing fans to see the races after they are through with their work and seeking some form of entertainment. Second, of course, is the pari-mutual betting.

So far during the meeting the record win mutual for a \$2 ticket was \$54.70 on Theodore Dale, driven by Roscoe Putnam. The high daily double was \$91.20.

The meeting will continue through the balance of the month. New stables are still arriving so that it is expected mutual prices will be increased as more and more unknown horses are entered. The leading drivers are Tom Winn of Northville, and Don Miller, of Painesville, Ohio, with eleven victories each. Ernie Hess, of Toledo, is in third place with six wins. All three drivers have won the special prize of a \$100 war bond for winning three dashes in one night. Hess and Winn have each won six dashes in one evening.

As he thinketh in his heart, so is he. —Proverbs 23:7

### Red Cross Plans First Aid Classes

Arrangements are being made to start Red Cross first aid classes in Plymouth. Don Riley will be the instructor. It is requested that all of those interested in taking up this class of work phone Mrs. Harry J. Christensen, chairman of the First Aid group of the Plymouth Red Cross unit. Her phone number is 1231-W.

### Larry Grimes, PT Sailor, Is Home

Following 13 long months of service out on the Pacific in one of Uncle Sam's little fighting PT boats, Larry Grimes of 729 South Main street, is home on a leave to visit his mother and old friends.

Larry is wearing four combat stars on his service bar. If you know what that means when a member of the crew of one of the little fighting crafts has been through that number of engagements, you know that Larry has seen plenty of tough service.

Most of year he was a member of a crew under the famed Commander Kelly, who has had an important part in making naval history in the Pacific.

These little PT boats have been raising havoc with the Jap fleet, but you have got to read about it—as Larry doesn't like to talk of the harrowing experiences he has been through during the past couple of years.

When he returns September 30 to the Pacific coast, he expects to be located at San Diego for a time.

EXCLUSIVE DISTRIBUTORS

**Official Proceedings**  
of the Plymouth City Commission

The regular meeting of the City Commission was held in the Commission Chambers of the City Hall on Tuesday, September 5, 1944, at 7:30 p. m.

**Ayes:** Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

**Absent:** None.

The minutes of the regular meeting of August 21, 1944 were approved as read.

It was moved by Commissioner Shear and supported by Commissioner Hondorp that the bills in the amount of \$12,249.29 as audited by the Auditing Committee be approved.

**Ayes:** Mayor Corbett, Commissioners Hondorp, Lewis, Shear and Whipple.

**Nays:** None.

The following reports were read by the Clerk: Health, Building, City Treasurer, Police Department, Violation Bureau, and Municipal Court.

It was moved by Commissioner Whipple and supported by Commissioner Lewis that the reports be accepted and placed on file.

**Carried.**

This was the night set for a public hearing to determine whether or not to construct curb, gutter and blacktopping on Wing Street between Deer Street and Pine Street.

The City Engineer and City Manager recommended that a storm sewer be placed on this street before the curb, gutter, and blacktopping.

It was moved by Commissioner Whipple and Commissioner Shear: **WHEREAS**, a petition has been filed requesting this Commission to construct curb, gutter and blacktopping on Wing Street between Deer Street and Pine Street, and

**WHEREAS**, it is apparent that a storm sewer is necessary on this street before such construction is made, and

**WHEREAS**, this Commission declares it necessary to construct a storm sewer extending on Wing Street from Deer Street to Pine Street, on Pine Street from Wing Street to Joy and on Joy approximately to a point two hundred feet east of the intersection of Joy Street and Pine Street.

**THEREFORE, BE IT RESOLVED**, that this Commission will meet and consider any objections thereto on Monday, September 18, 1944, at 7:30 p. m.

**Carried.**

The City Engineer submitted a second estimate of work on pavement, curb and gutter of the Oak Construction Company on Harvey Street and Wing Street in the City of Plymouth. The total payment of \$3,950.31 as submitted by the Engineer.

It was moved by Commissioner Shear and supported by Commissioner Hondorp that the final estimate of \$3950.31 as certified by the Engineer be approved and ordered paid.

**Ayes:** Mayor Corbett, Commissioners Hondorp, Lewis, Shear, and Whipple.

**Nays:** None.

The following Resolution was offered by Commissioner Whipple and supported by Commissioner Shear:

**WHEREAS**, William R. Reddeman has now completed 25 years of faithful service to the City of Plymouth, and

**WHEREAS**, Mr. Reddeman has been most conscientious in his work and

**WHEREAS**, he has been a most valuable employee to the City because of his knowledge of water and sewer construction.

**THEREFORE, BE IT RESOLVED**, that this Commission publicly extend its congratulations.

It was moved by Commissioner Shear and supported by Commissioner Whipple that the City Commission extend a Resolution of Sympathy to the family of Douglas Sockow who died in Service and to the family of Harold Leach and of James H. Sexton, Jr., who were killed in service.

**Carried.**

Mr. Robert Jolliffe was present and requested the City Commission to provide a turn out on Main Street in front of the Library in order that ten minute parking might be had.

It was moved by Commissioner Shear and supported by Commissioner Hondorp that the Manager make a study of the plan, and

**Carried.**

It was moved by Commissioner Shear and supported by Commissioner Hondorp that the Manager make a study of the plan, and

**Carried.**

It was moved by Commissioner Shear and supported by Commissioner Hondorp that the Manager make a study of the plan, and

**Carried.**

It was moved by Commissioner Shear and supported by Commissioner Hondorp that the Manager make a study of the plan, and

**Carried.**

make a recommendation at the next regular meeting concerning the project.

**Carried.**

It was moved by Commissioner Whipple and supported by Commissioner Hondorp that the City Manager be requested to make a survey of the Starkweather water main and make his recommendation concerning three possible routes before any further work is done on the main.

**Carried.**

The matter concerning Home Rule in Wayne County was discussed.

It was moved by Commissioner Whipple and supported by Commissioner Lewis that the Commission go on record as opposing the so-called Home Rule amendment, for the following reasons:

1. That it is dangerous to local units of government because it opens the door for direct infringement of City functions by the proposed County unit.

2. Because there is a guarantee of fourteen representatives for the City of Detroit, but no such guarantee for other units of Government.

3. Because the underlying reason of the proposal is to shift taxes from the City of Detroit to the outlying area.

4. Because it takes Wayne County, as an organization, out of the constitution of the State of Michigan.

It was moved by Commissioner Whipple and supported by Commissioner Shear that the vote on the question be postponed until September 18, 1944.

**Carried.**

Mrs. Caroline Dayton was present and spoke to the Commission concerning:

1. Garbage in streets.

2. Howling dogs.

3. Hydrant in front of the Post Office.

It was moved by Commissioner Hondorp and supported by Commissioner Shear that the meeting be adjourned. Time of adjournment 9:20 p. m.

**Carried.**

**S. T. CORBETT,**  
Mayor.

**PLAN FOR THE FUTURE TODAY!**

Now is the time to get those **plans** for the all-gas home out of the drawer and bring them up to date. You can spend many enjoyable and profitable hours going over them during your vacation at home this year. You will want to check and double check the types of materials needed, the arrangement of appliances and, most of all, the benefits, advantages and conveniences your modern all-gas home will provide.

A kitchen that is cool, clean, free from cooking odors . . . with a new Gas Range that's fast, efficient, the last word in precision cooking. A silent Gas Refrigerator that saves hours of meal-  
preparing and merriment. An automatic gas water heating system that will supply all the hot water you need . . . any time of day or night. And when it comes to comfort . . . no matter what the weather is outside, your gas air conditioning unit will keep the entire house cool as an ocean breeze in summer . . . snug and warm all winter long.

You will also find that this is an ideal time to discuss your plans with your architect and your builder. They will help you to get the most for your money. That means good design, good location and, of course, a modern all-gas home.

★ **NOTICE** . . . Like everyone else these days, we are busy with war work, and that comes first. But we can always find time to talk to people who are going to help the postwar employment problem by building a home. We will work with your architect, your builder or with you to make sure that your all-gas home is planned for the future. Come in. Bring your plans with you. This service is FREE.

**BUY WAR BONDS TODAY FOR HAPPINESS AND SECURITY TOMORROW**

**CONSUMERS POWER COMPANY**

*When's the next time you'll be broke?*

**Hard to say, isn't it?**

In fact, you haven't given it much thought. Things are going well now. The job pays fine; and it looks as if it will last forever.

But suppose it doesn't? Suppose, in the years after the war, you find things slowing up. What then?

Sure . . . maybe a good man can always get a job. But isn't it a great thing to have a nice soft cushion to fall back on if and when things don't go right?

And right now, if you're in the Payroll Plan and tucking money away regularly, week after week, you're fashioning the best kind of cushion you can possibly have, a **big wad of money invested in War Bonds.**

- Here's why:**
- War Bonds are the safest investment in the world.
  - War Bonds give you \$4 back ten years from now for every \$3 you invest.
  - War Bonds are your stake in the good things of tomorrow—security, independence, travel; a decent old age.
  - And today, War Bonds give you a chance to put your money into the fight—the best reason of all!

Think that over. And when you get your check . . . chuck a good portion of it into Bonds . . . even though you're buying them already. **Buy War Bonds—and hang onto them.**

## Harvest Show For Livonia

The Livonia Township Harvest Show will be held at the Rosedale Garden Clubhouse on Saturday, September 23rd beginning at 4 p. m. Mrs. A. T. M. Petersen, chairman of the Livonia township Victory Gardens is the chairman of the Harvest Show.

Livonia township wants a Victory Garden Queen and votes will be sold at one cent each. In order to enter for the Queen contest you must have sold or purchased yourself 200 votes. Mr. R. A. Snodgrass, 32190 Myrna, Rt. 3, Plymouth, phone Livonia 2098 is the chairman of the Queen Contest.

You must be between the ages of fifteen and twenty and live in Livonia township to qualify for the contest. There will also be a court comprised of the runners up, September 9th was the closing date for entering the Queen's contest.

There will be an artistic arrangement of flowers and vegetables, home canning, 4-H exhibit and junior entries from their own gardens, entertainment, etc.

Anyone wishing information about the victory garden queen or wishing to deposit money for their votes may do so by contacting the following people in your neighborhood: Mrs. LaVarne Longley, 33884 Richland, Livonia, 3105; W. F. Perry, 15604 Oporo, Livonia 2890; L. A. Humpert, 9260 Cardwell, Livonia 2001; Mrs. Harry Hanson, 11400 Ingram, Livonia 2307; Mrs. George Loudon, 11604 Boston Post road, Livonia 3169; Mrs. E. J. Burt, 27460 Joy road, Evergreen 2931; Lawrence Larsen, 15615 Westmore, Livonia 2842; Dallas Hay, 30425 West Seven Mile road, Farmington 1163 or R. A. Snodgrass, 32910 Myrna, Livonia 2098.

## Knows How To Grow Things

"You can't grow anything on this soil. All you will get will be a lot of weeds" asserted an observing friend early in the spring when Miss Anna Baker started to plant a garden at her home, 1398 Penniman avenue.

"Well, if it will grow weeds, it will grow vegetables too" retorted Miss Baker.

The other day she brought evidence to The Plymouth Mail office that she knew just what she was talking about.

She had in her basket a half dozen of the nicest ripe tomatoes grown in this vicinity during the present year. One or two of them weighed nearly a pound.

"Really if you want to grow things, all you have got to do is just do it—the earth, the sun and the rain will do its part" she declared.

### Mixing Periods

With discretion, periods may be mixed, but to avoid incongruity there are things to remember about the general tone of a house or a room. Color should be the keynote to its mode. Louis XV and other French period furniture is usually ornate and frail in appearance, calling for pastel walls and dainty silk drapery. Flowered chintzes, ruffled curtains and prim walls are proper for Colonial. Modern, Spanish, and Chinese themes express themselves in vivid splashes of color.

### Mending Screen

Small holes in fly screens can be mended by cutting a square patch of screen cloth slightly larger than the hole itself. Ravel out a couple of strands from each edge, leaving about one-quarter inch of the strands clear all the way around the patch. Bend these strands at right angle to the patch, center the patch over the hole, and press the bent wires through the screen. Now clinch these ends inward toward the hole, to hold the patch in place.

## Would Provide More Parking

Suggestion that the city construct a "turn out" in front of the public library was presented to the city commission at its last session by Robert Jolliffe, owner of the building which now houses the library.

The increasing use of the library makes such a "turn out" desirable.

Under present conditions it is difficult for patrons of the library to drive to the vicinity of the building and park only long enough to run into the library and leave books, because parking is forbidden on Main street.

The matter was referred to the city manager for his recommendation, which will be presented to the commission next Monday night.

While there is no intimation as to what the recommendation of City Manager Clarence Elliott will be, it is known that he long has favored the further widening of Main street from Fralick to a point east of the high school.

It is considered likely that he may recommend such widening as an alternative to more construction of a "turn out."

It is the position of the police department that widening of Main street will permit the freer movement of the heavier traffic which is now using the main street of the city.

The rules of etiquette are ignored in the very places one would expect them to be observed.

## "Quake" Set Off Burglar Alarm

This is a delayed "earthquake" story.

Yes, Plymouth with the rest of this part of the country, enjoyed a "shake" a few nights ago, but no one knew anything about it until they read it in the newspapers the next day.

Except one—and he didn't know that it was an earthquake until he put two and two together, and read the newspapers to get the exact timing—and then decided that he was a victim of Plymouth's earthquake.

This unusual gentlemen is none other than Charles LeFever for years associated with the Daisy Manufacturing plant.

Being of a most careful and precautions nature, some years ago Mr. LeFever had a burglar alarm installed on his automobile.

The whistle began blowing when any one tampers with a window or in anyway moves the car after the alarm has been set.

The night of the "big shake" Charles had retired and was sleeping the sleep of the just when suddenly he was aroused by the blowing of his burglar alarm on the automobile.

He immediately investigated—and there was no one in or around the garage.

But firmly convinced that some one had tried to get his car, he called the police. Neither could the police find any evidence of an automobile thief hiding anywhere around. And the surprising thing about the whole affair was in the fact there was nothing to show that any one had tried to get into the garage or had in any way tried to open a door or window of the automobile.

The police officer had made a report that the affair was one of those unsolved mysteries the police so often are called to investigate.

But the next day when Mr. LeFever read about the earthquake, he became convinced that it was the shaking that the quake gave the automobile which had set the alarm off which resulted in the police being called.

The time of the police call and the time of the quake rightly corresponded, so there is no question but what Plymouth's earthquake set off the delicate burglar alarm system that Mr. LeFever has installed on his automobile.

We are now able to fall asleep without waiting for information, please!

Keeps on BALKING the ATTACK with WAR BONDS

There just won't be enough telephone service for everyone who wants it until the telephone system can be greatly expanded. The expansion of the telephone system cannot be started

- until war needs are greatly reduced
- until manpower and materials are available
- until manufacture can be diverted from war

Right now, there is a long and growing waiting list. But orders for telephones essential to the war, or to public health, welfare or security, are filled promptly. As facilities are made available through present users giving up service, other orders are filled under a uniform and fair procedure—provided for in War Production Board

orders and in tariffs filed with the proper governmental bodies.

Looking ahead, Michigan Bell contemplates the largest, most rapid expansion and improvement program in its history. An expenditure of as much as \$120,000,000 may be required for new buildings and additions, cables, lines, central office apparatus and instruments, within a five-year period.

We will welcome the time when this expansion and improvement program can be started. It will provide employment for thousands of people, including our own\* and many others returning from war. It will provide us with the facilities we want—and need—to meet any and every request for telephone service.

\*More than 2,000 Michigan Bell men and women are in the armed forces

## Here's News For Duck Hunters

Duck hunters who cross into Canada from Michigan this fall are advised by the conservation department that Michigan possession limits determine the number of birds they may bring across the border on their return. Canadian possession limits are higher.

A hunter may bring into Michigan from Canada not more than two days' bag limit of ducks in any one calendar week. The same restriction covers woodcock. Shipments from Canada must be accompanied by export permits and Michigan hunters are advised also that identity of birds must not be destroyed.

New regulations for the 1944 season allows Michigan hunters a daily bag of 10 of any kind of ducks and in any combination of all kinds (except American and redbreasted mergansers) but including in such limit not more than one wood duck. In addition to this total of 10, a person may kill five more mallards (not black ducks), or five more pintails, or five more widgeons; or five more mallards, pintails, and widgeons in any combination even though he has these species, or some of them, in his bag limit of ten.

## Public Hearing On Storm Sewer Question

Complications over the paving of Wing street from Deer to Pine streets were encountered at the last meeting of the City Commission.

A hearing has been called to determine whether there were any objections to the paving, but it was determined that no paving could be installed until a storm sewer was first installed.

A hearing has been called to determine whether the property owners want the storm sewer. This hearing will be held on Sept. 18. The storm sewer will have to be installed on Wing street from Deer to Pine street and thence to the Joy Road interceptor sewer.

## Dr. Haskell Article On File In Library

A pamphlet by Dr. Robert H. Haskell, medical superintendent of the Wayne County Training School, detailing mental deficiency over the past 100 years, is now on file at the Plymouth library.

The pamphlet is a reprint of an article which appeared in the American Journal of Psychiatry and traces the course of mental deficiency, and what is being done about it.

Dr. Haskell has made extensive research in his field, and is recognized as one of the most eminent of American psychiatrists.

Read 'DETROIT SPEAKS'

A typical, scientifically chosen cross section of the voting strength of the Metropolitan Detroit area was asked this question in the new Detroit Speaks Poll of Public Opinion.

Since it's a question on everyone's lips, the results of this poll make it of tremendous interest. It's particularly valuable, too, as a barometer of opinion in the coming election since the Metropolitan Detroit area accounts for nearly 50% of the State's voting power.

Watch for Detroit Speaks.

**REMEMBER WHEN**  
—the family album sat on the center table in the parlor? It was a large volume with metal clasp and ornate covers. Tintypes and faded photographs of "relations" in stiff, uncomfortable poses filled the book and made good subjects for reminiscing and discussion of changes of styles in wearing apparel. Remember?

Defending Our Homeland and Our Liberties.

**ALSTON ROBINSON BEEN MADE A SECOND LIEUTENANT**  
Alston C. Robinson, son of Mr. and Mrs. James B. Robinson of Ann street, has recently been commissioned a second lieutenant in Uncle Sam's flying forces.

After 18 weeks of intensive training involving 15,000 miles of practice combat flight in twin-engine training craft, Lieut. Robinson and others in his class, are thoroughly qualified to chart long-distance bombing routes for the AAF's B-29's, B-17's, B-24's, and other big "B's".

By day or night in fair or inclement weather, the AAF combat navigator is adapt with the tools of navigation. He is trained to arrive over the target with split-second accuracy. The stars, terrain landmarks, radio beams and "blind flying" instruments are the all-purpose "skeleton keys" with which he unlocks the doors to Axis nerve centers.

Some of the Hondo Field graduates were officers before entering training. Those who trained as cadets received with their wings, commissions as flight officers or second lieutenants.

**BROTHERS MEET WHEN SHIPS ENTER HARBOR.**  
The world may seem like a pretty big place, but after all it is not so big as it may seem—according to the way things are happening.

Mrs. Gladys Orr who resides at 9301 Haggerty highway, has just received a letter from her sons who are serving on two different ships in the navy, which tells of their pleasure in meeting each other in some distant Pacific seaport.

Wendell, whose boat was in port, had heard that the navy craft on which his brother was serving, was about to enter port. When he saw it coming, he asked the signal officer to inquire and find out if his brother Charles was aboard. Soon the answer came back that he was.

It did not take the two boys long to arrange for a shore leave that was quickly granted by their officers. The occasion, writes Wendell, was one of the happiest he has had since he entered the navy. The boys were employed at the Bendix plant at Burroughs plant before entering the navy.

**JOHN SCHWARTZ ON CHAMPIONSHIP TEAM.**  
Pvt. John O. Schwartz, Jr., son of Mr. and Mrs. John O. Schwartz, Sr. 8207 Lilley road, is a member of the AAF Training Command's champion baseball team, at Keesler Field, Biloxi, Mississippi, following an intra-post baseball tournament.

Private Schwartz plays in the outfield of the all-student nine, representing his training section, which came through the season with 22 consecutive victories. He is one of the team's leading hitters, with a .33 average.

He played baseball four years on the Plymouth High School team, one year with the Plymouth Merchants and one year on the Northville team.

Private Schwartz is now being trained in aircraft maintenance and emergency flight operations in Keesler Field's B-24 Liberator bomber mechanics school.

**MORE PLYMOUTH BOYS AT GREAT LAKES.**  
Orlan Egloff of 522 South Mill street and Frank Elliott of 365 Roe street, have recently entered the U. S. Naval Training station at Great Lakes, Illinois. They will be stationed there for several months.

**RAY DANOL SAYS WEATHER IS HOT OVER IN THE HAWAIIANS.**  
"While I can't comment about the weather on this island, I can say that it compares very much with our weather back home during the hottest time in July," writes Ray Danol, one of the many members of The Plymouth Mail staff serving in the army and navy.

Ray likes The Mail, just like all the other boys who have entered the service.

"Can't tell you how much I enjoy receiving it and reading the news from home. Now you get it straight from one of your employees—it is just like a big letter. Names that you have forgotten suddenly come back to you. It all brings back memories of Main street and its activities," he writes.

"I heard that Hal Horton is located somewhere on this island, but so far I haven't been able to locate him."  
"Most of the people here are Japs. There is quite a mixture of races, Japs, Chinese, Hawaiians, Portuguese and Negro."  
"The town here has an odor that is an odor all its own. I can't explain it, but I guess it is one of the things that go along with the country where we are."

Ray is spending a part of his time helping to get out the station paper, which is printed in the town plant.

**WINS ARMY GOOD CONDUCT MEDAL.**  
PFC James Budd, 15460 Goddard road, with an Eighth AAF Fighter station in England, has been awarded the Army Good Conduct medal, according to information sent The Mail from England.

The Good Conduct Medal is awarded for the completion of one year of active military service during a state of war to enlisted men who have demonstrated "fidelity through faithful and exact service, and performance of duty, the capacity to produce the desired results, and whose behavior has been such as to deserve emulation."

**"HOME TOWN PAPER IS MORALE BUILDER."**  
Harry Wooster, who is taking his advanced fighter plane training at Luke Field, near Phoenix, Arizona, in a note to "OUR BOYS" page says there is nothing like the home town paper to help build up a "good morale" among the soldiers.

"There is nothing which so closely links a man in service with his friends at home as the home town paper. You may know that it is certainly appreciated" he wrote.

**JERRY NELSON GREET'S DUTCH NOBILITY.**  
In a letter to his parents, Mr. and Mrs. John K. Nelson, Jerry, who is stationed at the U. S. Naval Submarine base at New London, Connecticut, states that he was recently made acting petty officer of the day for the purpose of greeting Princess Juliana and a group of Dutch noblemen. It was his duty to escort the famed visitors from the main gate to a Dutch submarine for a tour of inspection of the craft as well as a visit about the submarine base. In regular Plymouth style, Jerry showed his distinguished visitors that he knew what and how to do the honors of the day.

**TWO PLYMOUTH BOYS MEET IN HAWAII.**  
In a brief note from Robert Kenyon to "OUR BOYS" page, he states that he is now located on the island of Oahu, in the Hawaiian group.

"Last week I had the pleasure of spending two days with Art Robinson, who is here. We certainly enjoyed the time discussing home and friends. Some happy days, we decided it will be when we are again "consolidated" at home. Please give my regards to everyone" wrote Bob.

**GEORGE A. BARTZ NOW AT CAMP WOLTERS.**  
George A. Bartz, who joined up with Uncle Sam's fighting forces, recently arrived at Camp Wolters, Texas to begin his basic training as an infantryman. He has been assigned to a battalion stressing specialist training in rifles and heavy weapons. Mrs. Bartz resides at 47010 Maben road, near Cherry Hill.

**SEVERAL PLYMOUTH BOYS NOW AT FORT SILL, OKLA.**  
In a brief note to "OUR BOYS" page from Private Frederick A. Jackson, there are several Plymouth boys now located at the field artillery replacement training center at Fort Sill, Oklahoma. They are Kenneth Anderson, Alvin Butler and Kenneth Hart. The boys will be there about 17 weeks.

**WILL MEET HIS OLD FRIENDS IN TOKYO.**  
Arthur Haar, advising The Plymouth Mail of a change of address, asks that he be permitted to say "hello" to all of his old friends in Plymouth.

"Also tell Lieut. Ken Gust and other Plymouth boys that I'll meet them in Tokyo," he added.

## Local News

Mrs. Andy Taylor spent Friday  
with Mrs. Grace Freeman of Ypsilanti.

Mrs. Effie Howe spent Friday  
with Mrs. Arnold Nolf of Ypsilanti.

Mrs. Charles Draper entertained  
six friends Thursday at a luncheon  
in her home on Church street.

Mr. and Mrs. G. W. Baker left  
Monday morning for a week's  
visit with relatives in the Thousand  
Islands, Canada.

Mr. and Mrs. Peter A. Foster are  
leaving Plymouth next week and  
will make their home in Ann Arbor.

Mrs. Ella Webber of Ionia is  
spending the week with Dr. and  
Mrs. Carl January and Mrs. Florence  
Webber.

Mr. and Mrs. Jack McAllister  
spent Thursday evening in Ann  
Arbor as guests of Mr. and Mrs.  
Thomas Jones.

The Navy Mothers will meet  
Wednesday, September 20th, at  
the home of Mrs. Erland Bridge.  
Please bring scissors.

Mr. and Mrs. Robert Parry of  
Chatham, Ontario are spending a  
few days with their aunt and  
uncle, Mr. and Mrs. Raymond Bach-  
elder.

The "Stitch and Chatter" club  
held a meeting Friday (today)  
with a luncheon at the home  
of Mrs. George Smith on Sheri-  
dan street.

Private Maurice Ferguson, who  
is stationed at Camp Reynolds,  
Pennsylvania, spent the week-  
end with his family at 641 Wing  
street.

Mrs. Arnold Luksche, and Mrs.  
Russell Hutchins and daughter  
Margaret of South Lyon, were  
Labor Day guests of Mrs. Effie  
Howe.

Mr. and Mrs. Milton Laible and  
Mrs. George Cramer entertained  
Tuesday evening at a picnic din-  
ner party. Guests included Mrs.  
Robert Gardner, Mrs. Iva Bent-  
ley, Dr. and Mrs. Edward Rice,  
Reverend and Mrs. Henry Walsh,  
and Mrs. Beatrice Hartmann.

Dr. and Mrs. John McIntyre re-  
ceived word Sunday, that their  
nephew Paul McIntyre, who was  
the bombardier on a Flying For-  
tress that was lost in a raid over  
Germany last February, was dead  
and had been buried in Germany.  
It was known that some of the  
crew had escaped injury in the  
crash, and until now the family  
had hoped that Paul might be  
one of them. His parents live in  
St. Thomas, Ontario.

Mr. and Mrs. Harry Brown en-  
tertained at a Sunday dinner in  
honor of Pvt. and Mrs. Albert  
Shear and daughter Sally, who  
are spending their furlough in  
Redford. Guests included Private  
Shear's parents Mr. and Mrs. Syl-  
vestre Shear, his sisters Barbara  
Jean and Geradine of Redford,  
Mr. and Mrs. Paul Lee and daugh-  
ter Mary Lou of Saline, Mr. and  
Mrs. William Arthur, their daugh-  
ter Sharon and son Donald Wm.,  
and Mrs. Robert Jameson of Ann  
Arbor, and Mr. and Mrs. Robert  
Gotts of Waterford.

## Good Potatoes Bring Premium

Good quality potatoes are cer-  
tain to demand a premium on this  
year's market, so Wayne county  
potato growers can profit by us-  
ing every precaution in harvest-  
ing and storing this season's dig-  
gings.

County Agricultural Agent E.  
J. Besemer points out that last  
year poor quality potatoes were  
a drag on the market. Much of  
this poor quality, he says, result-  
ed from careless harvesting meth-  
ods.

H. C. Moore, Extension Farm  
Crops Specialist of Michigan  
State college, outlines several  
important points in harvesting  
potatoes to avoid mechanical in-  
jury. For one thing, he believes  
that slow driving of the potato  
digger is essential, thus avoiding  
the bouncing of the potatoes in  
the elevator. Another essential  
step is to get the plow down deep  
enough to avoid cutting the tu-  
bers. This also helps to avoid  
bruising by bringing up enough  
soil to protect the potatoes while  
they are on the elevator.

The crops specialist advises re-  
moving the agitators from the  
the machine and lowering the  
apron so the potatoes have a min-  
imum distance to fall to the  
ground. Care in picking up pota-  
tes is well worth the extra time

consumed. Best method is to use  
half bushel size baskets and avoid  
tossing into crates. It is estimated  
that half or more of the injury  
occurs during the pick-up process.  
Bruising causes potatoes to shrink  
in storage and increases the prob-  
ability that disease may attack.  
In many cases bruised potatoes  
turn dark and virtually unsale-  
able.

Growers generally can avoid  
danger of frost damage by early  
digging, but in case frost does  
come while digging is in process  
it is advisable to wait until the  
ground is thoroughly thawed  
out before continuing harvesting  
operations.

Mr. Moore suggests that the  
fields be watched carefully for  
any evidence of late blight. Plants  
should be kept sprayed with Bor-  
deaux at regular intervals until  
harvest starts. In case blight does  
strike, delay digging until the  
vines are dried up; otherwise the  
potatoes will be infected and will  
rot in storage. The most serious  
tuber rot generally comes when  
blight attacks late in the season.

The most favorable time for  
digging is on a fairly clear day,  
when soil is fairly moist. Plan  
operations so that the digger  
keeps an hour or two ahead of  
the pickers. This gives ample  
time for exposure to the air for  
drying and hardening of the skin.

## Eckles Going To Arizona To Live

The ravages of war are not al-  
ways evident when a war comes  
to an end. Sometimes they are  
not fully revealed until years af-  
terwards.

This fact became evident this  
week when it was announced that  
Mr. and Mrs. Floyd Eckles and  
their daughter Gloris are moving  
to Tucson, Arizona where they  
plan to make their future home.

During World War I, Mr. Eck-  
les was one of Uncle Sam's fight-  
ing men in France.

He was gassed and for many  
months was in a hospital recover-  
ing from the effects of the Ger-  
man poison.

As time went along he got bet-  
ter and was finally discharged.  
Then he came home and for a  
number of years was employed  
in the engineering department  
of the city of Detroit.

A score or more years ago he  
returned to his old home in Plym-  
outh to become associated with  
the well known Eckles Coal &  
Supply company.

During these years he was not  
only most active in business cir-  
cles, but civic affairs as well. He  
served as president of the Rotary  
club, the Plymouth Chamber of  
Commerce and as commander of  
the American Legion.

But the gas poisoning of World  
War I forced him last fall to seek  
relief in a warmer climate than  
Michigan offers. The family spent  
the winter in Tucson, much to the  
benefit of his health.

They returned to Plymouth  
during the summer, but it was  
not many weeks before doctors  
advised Mr. Eckles that he should  
not risk another winter in Michi-  
gan.

Some weeks ago the decision  
was made to move permanently  
to the southwest and next Wed-  
nesday, Mr. and Mrs. Eckles and  
their daughter will leave by auto-  
mobile for their future home.

Both Mr. and Mrs. Eckles are held  
in the highest of esteem, and  
their host of friends in and  
around Plymouth hope that his  
health will be permanently bene-  
fitted by the change they are to  
make.

## The Officers and Directors of the MICHIGAN MUTUAL WINDSTORM INSURANCE CO.

Hastings, Michigan, are deeply interested in the Financial  
protection and security of its many thousands of policy-  
holders, in the matter of damage by windstorm.

The proof of this is demonstrated by the Company's ad-  
ministration of relations with its policyholders during the  
past nearly sixty years, endeavoring to provide equitable  
adjustment of losses and payment of claims with no unnec-  
essary delay.

Nearly 130,000 insured members is evidence of the popu-  
larity of the Company and its business methods. A postal  
card, letter or telephone call will get quick action from  
the Home Office, Hastings, Michigan. Better do it today!

Babson Says - - The Plymouth Mail

Babson Park, Mass., Sept. 15. Investment trusts are useful for small investors. After one buys a home and some life insurance and has a small savings account, I now advise him to divide the balance between War Bonds (Series "E") and some good investment trust stock.

Investment trust stocks, like everything else in this world, have their advantages and their disadvantages. In addition to their advantage of diversification already outlined, there is the advantage of supervision.

Although these managers make mistakes at times, yet you should be much better off in having your holdings watched in this way. Otherwise, you should employ a personal investor in a trust.

Many bankers and corporation officials like to throw mud at the Securities and Exchange Commission who at times are very slow and provoking. On the other hand, I am certain that they are honest and that their intentions are of the best.

The Securities and Exchange Commission is certainly doing much for investors in connection with investment trusts. Some years ago some of the investment trusts did very wicked things.

In order to get this diversification and management, investors must pay a "loading charge". The sponsors of an investment trust or the "manufacturers" so called usually take a commission of 1/4 of 1% plus the cost of the supervision.

If you will be content to buy the stock and hold it, this loading charge is not unreasonable; but if you—say once a year—switch into some other investment trust then you will be paying this loading charge unconsciously every year and it finally could eat up all of your investment.

As soon as a person buys an investment trust stock and it goes up in price, or some other stock goes down, the salesman will come around and want you to switch in order for him to get another commission. There are a hundred different good investment trusts and these salesman watch them all with the eye of a hawk.

A radio performer's wife knows where her husband is at broadcasting time, anyway.

Editor and Publisher: Elton R. Eaton; Business Manager: Sterling Eaton. AN INDEPENDENT NEWSPAPER. Entered as Second Class Matter in the U. S. Postoffice at Plymouth, Michigan.

This Vacation Helped Others

Teachers frequently spend highly interesting vacations—studying at some university, travelling and working at this job and that.

Mr. Lature during the past eight weeks has been the chef and chief cook at the Interlochen music camp at Interlochen, Mich.

Four women helped with the work, and reports from the camp indicate that Mr. Lature's menus, and his private recipes were more than appreciated by the campers and faculty alike.

Not being particularly musically inclined, Mr. Lature has had enough music to last him a long time.

There are scores of private practice rooms, and all day long and even at night, the students are "tooting their fiddles," or "warbling their ahs and ays," and then at night every student must participate in or attend the concerts.

But Mr. Lature points out that any way you look at it, it was a highly interesting vacation.

Twenty Soldier Votes Received

Through the miracle of air mail, and the desire on the part of soldiers to cast their ballots, twenty marked ballots have been returned to the City of Plymouth from members of the armed services.

Some of the ballots returned are from the Pacific theater of war, according to Clarence Elliott, City clerk.

Thus far, 162 ballots have been mailed out to service men from the city of Plymouth, and at least fifty more applications are expected.

None of the ballots thus far returned have been of the federal variety.

The miracle of the whole thing is the fact that these ballots have been returned to the city of Plymouth in less than three weeks some of them from the far reaches of the Pacific theatre of war.

Most popular "foreigners" among Michigan's exotic bird species are the Chinese ring-necked pheasants which roam the farmland of southern Michigan and furnish the only bird hunting for the majority of small game hunters.

25 Years Ago

News items of a quarter of a century ago taken from the files of The Plymouth Mail.

Silo filling is the order of the day at present in Newburg. Corn is drying up so rapidly that everyone is anxious to fill.

While threshing about three weeks ago, Don Packard of West Plymouth had the misfortune to have a barley beard lodged in his throat. Sunday morning he was taken with severe coughing. A physician was called and he was immediately taken to the hospital where he underwent an operation.

Work on the new bank building is progressing nicely. The window lights have been put in and the decorators are at work on the interior.

J. H. Patterson has sold the old Bennett property at the corner of Penniman avenue and Union street to Detroit parties.

Mrs. Annie Ward Foster of the Detroit School of Dramatic Art and Dancing will be at the Penniman - Allen auditorium next Monday afternoon at 3 o'clock, and would be pleased to see all those who would be interested in forming a class for dancing.

The labor shortage is affecting the schools in an unexpected way. Books are difficult to obtain the publishers having more orders than they can fill promptly.

Born, a daughter, Norma Jean, to Mr. and Mrs. George Everett, Wednesday, September 10th.

Born, a little son, Saturday, September 6th, to Mr. and Mrs. Maynard Riley. Mrs. Riley will be remembered as Miss Bess Ol-saver.

Livrance Bros. have their new garage on Starkweather avenue nearly completed and expect to open the same for business some time next week. Clyde Bentley, agent for the Buick motor cars, will have an office and showroom in the new garage.

E. S. Roe has built a new garage at the rear of his residence on Main street.

William Pankow has sold his residence on Penniman ave. to his brother Ed Pankow of Farmington. The former has purchased Will Todd's residence on Amelia Street.

Announcement has been made of the marriage of Albert Drows, son of Mr. and Mrs. Chris Drows of this place to Miss Edna Foreman of Salem. The marriage took place in Detroit, Saturday, August 30th. Mr. Drows is employed at the Millard factory, and they will make their home with the former's brother and wife, Mr. and Mrs. Fred Drows on Fair-ground avenue for the present.

At a meeting of the Home and Foreign Mission society of the Presbyterian church, held in the church parlors last Wednesday afternoon, it was decided to hold a series of Round Robin teas, during the fall and winter. Four ladies will entertain at each series. The first series will be given on Wednesday afternoon, September 24, from 3 to 5, and the following ladies will entertain: Mrs. John Patterson at her home on Penniman avenue; Mrs. L. M. Bicknell at the manse on Main street; Mrs. William Shaw at her home on Union street; and Mrs. George Cramer on Harvey street.

Harry Newhouse has sold his store building, now occupied by Paul Nash's hardware store, to Otto Beyer.

Announcement has been made of the marriage of Charles F. Millard of this place, and Mrs. Josephine Losee of Grand Rapids. The marriage was quietly solemnized at the home of the groom on Maple avenue, Friday evening, August 29th. Rev. F. M. Field, pastor of the Methodist Episcopal church of this place, performing the ceremony. Mr. Millard is well and favorably known in Plymouth, having been a resident here for several years.

Michigan's special archery deer season separate from the gun season was first authorized by the legislature in 1937.

DETROIT EDISON LINES Timely items concerning your electric service, suggestions about cooking, lighting and appliances, and many other things of interest and value will appear from time to time in "Edison Lines." Make "Edison Lines" a reading habit!

BANISHING JITTERBUGS... Jitterbugs may claim the center of attention on the dance floor, but an Edison power house is no place for large, heavy equipment to start doing a jig. When a huge fan mounted a hundred feet above the ground, or a turbo-generator weighing 500 tons, turns jitterbug, something has to be done about it. Excessive vibration may cause damage to the equipment or the building and cause interruptions to service. So one of our engineers goes to work with a remarkable vibration-meter, locates the source of the trouble and measures the amount of vibration. Then he corrects the condition by balancing the equipment or isolating it from the building structure by suitable means.

MEAT-POINT STRETCHER... Our Home Service Department offers this modern version of an old Scotch recipe. It is easy on the ration book! Super Pie 4 tbsp. minced onion 1/2 tsp. salt 1 tbsp. butter 1/2 tsp. pepper 1 lb. ground beef 1 can condensed tomato soup Pie pastry for two-crust pie

Cook onions in butter until soft. Add ground beef and cook until barely brown; then add condensed tomato soup. Sprinkle with salt and pepper and mix well. Line a 9-inch pie plate with short pastry, rolled 1/8-inch thick. Moisten edges of crust with cold water. Fill pie shell with meat mixture. Prick top crust and place over pie, brush with melted butter and bake in moderate oven, 375 F., for one hour, or bake in a hot oven, 450 F., for 15 minutes, and then decrease heat to 350 F. and bake 15 minutes longer. Serves six.

SLIP COVERS FOR LAMP SHADES... If you have a soiled lamp shade and cannot obtain a new shade, try making a "slip cover" using patterned paper of a light color, or cotton cloth (gingham, percale, chambray). Lay the material on the lamp shade, and mark the shape to be cut out. Then sew or paste the edges together and finish with a simple edging or trimming. Slip the new shade over the old shade.

DUST STEALS LIGHT... Dust and dirt collecting on lamp bulbs, reflector bowls and fixtures will often absorb as much as 50 per cent of the light. To get all the light you pay for, clean lamp bulbs and fixtures frequently, also floor and table lamps. Wipe lamp bulbs and bowls with a damp cloth, and be sure lamp bulbs are dry before screwing back in socket. A soft brush can be used for dusting lamp shades. -The Detroit Edison Co.
