What I Think and Have a Right to Say

By ELTON R. EATON

The PLYMOUTH MAIL

Vol. 58, No. 41 Plymouth, Michigan Friday, June 14, 1946 \$2.00 Per Year in Advance

VOTE NEXT TUESDAY!

A priceless right of all Americans is the right to vote and aid in the selection of our public officials and the formation of our public policies.

Unfortunately very large numbers of our citizens fail to exercise that right—the most valuable one of all.

Next Tuesday, June 18, is primary election day. It is the day we select the candidates of the various political parties for the final election next fall.

Sometimes we think the primary is more important than the final election, at least, it is as important.

We urge the residents of this section of Wayne county to show to Michigan and the nation that we regard our vote as among our most valued possessions and that we will not miss the opportunity to express our wishes pertaining to the candidates to be selected.

Let's make it a 100 percent primary vote next Tuesday in western Wayne county!

WHAT THE JUDGES SAY.

It is probably needless to say more about that phoney report issued by that phony senate "investigating" committee pertaining to the costs of the state grand jury. But so that readers of The Plymouth Mail may know what Supreme Court Judge Carr and Circuit Judge Coash, the two judges who have been in charge of the grand jury, say about Mr. Sigler's expenditures, The Plymouth Mail is publishing statements made by them.

Following is what Supreme Court Justice Leland W. Carr, who conducted the grand jury investigation until he was appointed supreme judge, says about the grand jury expenses: "ANY CLAIM OF WASTAGE OF GRAND JURY FUNDS IS WHOLLY WITHOUT FOUNDATION. AN ERRONEOUS CONCLUSION BASED ON A PREJUDICED INVESTIGATION OF THE FACTS." JUSTICE CARR SAID. "IT IS OBVIOUS THAT THE SENATE COMMITTEE'S PURPOSE IS TO TRY TO DISCREDIT STEPS NECESSARY TO RID MICHIGAN OF CORRUPTION.

"GRAND JURY MONEY WAS SPENT ONLY FOR LEGITIMATE EXPENSES. WE HAD A DUTY TO FIND THE FACTS BEHIND RUMORS AND CHARGES OF CORRUPTION. TO FULFILL THAT DUTY, WE HAD TO HIRE INVESTIGATORS AND ENGAGE THE ASSISTANCE TO THE INQUIRY.

"THE PEOPLE OF MICHIGAN ARE ENTITLED TO A FULL INVESTIGATION. THE SOLE PURPOSE OF THE GRAND JURY WAS TO MAKE SUCH AN INVESTIGATION AND I BELIEVE THE PEOPLE KNOW IT WAS BEING MADE."

Early in April when asked by newspapers about the grand jury expenses, Judge Coash, who is now running the grand jury, said:

"I HAVE CHECKED THE EXPENSE VOUCHERS THING ILLEGAL. AND HAVE NOT FOUND ANY FRAUD OR ANY."

A SAFE VOTE — A GOOD VOTE.

When you go to the polls Tuesday to help nominate the candidates for various public offices, you will be casting a good vote, a safe vote when you mark your ballot for Howard Nugent for lieutenant governor. During four terms as speaker of the house of representatives he created a record for fairness and carefulness that justifies a continuation in public service. Mr. Nugent is an excellent public official and merits approval.

HATS OFF TO THE PM.

R. J. Bowman, president of the Pere Marquette railway, has announced that a rule has been put into immediate effect on the PM which prohibits dining car waiters from accepting tips from patrons.

Amen! Let's hope that that racket is ended forever — and thanks to Mr. Bowman for doing something about it.

"We have set up," said Mr. Bowman, "what we regard as a satisfactory groundwork on which to venture an experiment aimed at a 'tyranny of custom', already too deeply rooted in the field of railroad transportation.

"A start has to be made, sometime and somewhere, to abate the increasing inroads on the pocketbook of the average traveler, who is oftentimes deterred from riding on trains because of 'extras' in the form of tips for various services that should be performed as a matter of course.

"The incidentals of railroad travel, including the services of porters and waiters, should be implicit in the ticket the passenger buys. Railroads might well take a leaf from the notebook of the air lines in this respect, as has been advocated repeatedly by Robert R. Young, Chairman of the Board of the Chesapeake and Ohio Railway Company.

"The Pere Marquette is sufficiently impressed with this suggestion," Mr. Bowman continued, "to be willing to be the 'guinea pig' in a 'laboratory experiment' involving dining car tipping. We do this in the hope that it may lead to a trend that will result in much larger relief for the harassed traveler. It will, if the traveler himself is sufficiently adamant in resisting the tipping habit."

The rule against gratuities will apply on all passenger diners operated by the Pere Marquette, including those on the new de luxe streamliners to be commissioned in service on the Detroit-Lansing-Grand Rapids run, this summer.

A BUSINESS MAN'S LETTER ABOUT THE OPA.

Readers of The Plymouth Mail, we are sure, will be interested in the views of Dave Galin, a Plymouth business man, pertaining to the miserable failure of the OPA and the confusion it has brought about in this country.

Mr. Galin in a recent letter to Senator Arthur H. Vandenberg, expressed his views clearly and most emphatically. We are sure his letter will be read with general interest by residents in this part of Wayne county. It follows:

"I am taking the privilege of writing you because, many years ago I visited you in behalf of the payment of the soldier's bonus and you turned me down flat, stating that you have to be shown first where the money will come from. Last year I had the pleasure to see and hear you in Detroit at the Latin Quarter, where you delivered that history making speech and, I was convinced then, as I am now, that if and when you decide on a national issue, you would take the initiative and speak and fight with the same sincerity and forcefulness as you did on that international issue and, that we the American people would live up behind your leadership, now as we did then.

"The subject of my letter is the O.P.A. as a food dealer in Plymouth since 1927 and also a food locker operator since 1940, I come in close contact with city and farmer folks who freely express their thoughts, likes and dislikes. My remarks are based on facts and are as follows:

"Since the inauguration and during the entire existence of the

(Continued on 2nd section, page 2)

Fire Department Self-Control To Be Ended Soon

Upon the recommendation of special committee of Plymouth business men appointed last year to make a study of the fire department problem in Plymouth and to recommend such changes as the committee deemed advisable, the city commission has taken steps to place the fire department under the control of the commission and city manager.

Few people in Plymouth probably knew it, but many years ago an ordinance was passed which made the fire department governmental unit subject to no control of the city administration. It hired and fired its own help and the members of the department were subject in no way to the control of the city manager. It has been an unusual condition, probably different than that of most any other city of this size in the state.

The special committee, composed of John Blyton, Robert Lidgard, and Cass S. Hough as chairman, recently made the following comprehensive report which is being acted upon favorably by the city commission.

Your Fire Department Study Committee has made further search and study in connection with Plymouth's Fire Department, and the following is based on that study:

1. It is our opinion that the Fire Department should be organized exactly as other city departments are organized, and that the channels of administration and responsibility should be the same. To be explicit, the Police Department is headed by the Chief; the Chief's responsibilities include all the matters pertaining to the operation of his department and he is responsible to the City Commission through the City Manager. It should be the same with the Fire Department.

2. It is our opinion that any intra-department organization that in any way has regulatory powers, or the powers of hiring and firing within the department, is definitely prejudicial to the welfare of the department itself, and to the City and the department serves. As now constituted, operating under its own constitution and by-laws, the group constituting the Fire Department

Bread Recipe Prize Goes To Mrs. H. D. Ingall

"I've picked what might be called the winner out of a lot of winners" declared Frank Terry of Terry's bakery yesterday when he said he had selected the recipe entered by Mrs. H. D. Ingall, 10483 My road as the winner in The Plymouth Mail bread recipe contest.

"Never before did I realize that there were so many excellent bread recipes. Every one was a good one. I presume some other person might have selected any one of the many others as a winner, and they would have been right. But the recipe entered by Mrs. Ingall just happened to meet my fancy. I did pick one or two others for first place, but as I reviewed them, I thought for the best general household purposes the one I selected would meet with general approval," said Mr. Terry.

"I wish you would give me space to say that every one of the recipes was an excellent one. Its too bad you couldn't make each one of them a prize winner, because they are all excellent," added Mr. Terry.

Other bread makers in the city think so, too. The Mail has been

(Continued on 3rd Sec., Page 2)

Big Air Circus Here on Sunday

Barring inclement weather, the Civil Air Patrol Sunday will stage a gigantic air circus at Mettetal Airport in an effort to stimulate the lagging army recruiting drive in Wayne County.

More than 200 CAP and former army air force pilots will participate in the program of air-antics. A feature of the show will be a mass parachute jump by the CAP parachute squadron of Dearborn. Admission is free. Spectators wishing to park on the airport parking lot will be charged a nominal fee.

Celebrities who have promised to be present for the show include Mayor Robert Lidgard, of Plymouth; Mayor Hubbard, of Dearborn; Col. F. S. Evans, head of the Michigan Department of Aeronautics and Col. Ray Baker, CAP head, of Detroit. The new Plymouth Community Band also will make its first public appearance at the show.

Mr. and Mrs. W. V. Clarke and daughters left Thursday for Bradford, Pennsylvania, to visit Mrs. Clarke's parents.

THE FLAG SPEAKS

Born during the nation's infancy, I have grown with it, my stars increasing in number, the domain over which I wave expanding until the sun on my flying folds now never sets.

Filled with significance are my colors of red, white and blue in which have been woven the strength and courage of American manhood, the love and loyalty of American womanhood.

I am the badge of the nation's greatness and the emblem of its destiny.

Threaten me and millions will spring to my defense.

I AM THE AMERICAN FLAG.

Greek Victims of German Army Thank Plymouth Benefactor

Like hundreds of other Michigan residents, Mrs. Ernest Wilson of 455 Maple street, who donated considerable clothing a year and a half ago in Plymouth's big drive to collect garments for the war victims of Europe, has often wondered what became of the coats, dresses and suits sent overseas.

Now she knows.

Not only does she know, but she is delighted over the information that has come to her direct from one of the suffering families of suffering Europe.

When Mrs. Wilson prepared the garments for the drive, she wrote her name on a piece of paper and enclosed it in one of the packets.

The other day there came through the mail a letter from far-away Greece. It was written in the Greek language.

Over in Northville she found a young girl, a high school student, who was able to translate the letter.

Every person in Plymouth who has donated clothing or shoes in these various drives to help the victims of the terrible war, will be interested in knowing about the information the letter contained. It is therefore being published in full, as follows:

"Excuse writing in Greek. I do not know the American language. Thank you very much for the coat I received. It pleased me. Things are very hard over here on account of the way the Germans did. They have taken everything and left nothing.

"The things American men and women send not only help me, but all the people over here. We owe you a lot. The people are still suffering.

"I am a young lady and my husband is in the army. He fought in Albania and he was a prisoner of the Germans. They stole our home, not only ours, but everyone's.

"Three months ago my father died from starvation. I have only my mother and two little boys left. Because of the war they are unable to go to school.

"Thanks again for everything and we are waiting for a letter.

"Love and kisses,
"Kiri, 15.
"Kiri's, Macedonia, Greece."

The name was signed on the outside of the envelope.

So when you are asked again to donate food or clothing for the suffering of Europe, you may know that the people in distress are receiving your gifts.

It will be recalled that Mrs. Jeha Henderson had a similar experience two years ago when she enclosed a card in some clothing that was sent to England. The English family that received some of the garments are still corresponding with Mrs. Henderson.

Burley Tells Aims of Foreign War Veterans

Members of Post No. 6695, Veterans of Foreign Wars, will participate in discussions of the many vital questions which will be aired before the annual encampment of the Department of Michigan, V.F.W. to be held in Grand Rapids on June 21, 22, 23, Post Commander Robert Burley has announced.

The 1946 convention is going to be by far the biggest and most important in the history of the department of Michigan. It will be marked by the presence of a large number of World War II men who will get their first chance to participate in such an event.

The Veterans of Foreign Wars now has a membership of well over a million and a half overseas veterans. Of this number, well over a million are World War II men who are vitally concerned with the problems that will come before the convention. These younger veterans will be encouraged to take an active part in the proceedings, for after

(Continued on Page 3)

Father and Son Banquet Is Held

The St. John's Mens Club had their regular monthly meeting and dinner Thursday, June 6th, with a Father and Son banquet welcomed by fathers and sons alike.

Mr. Richard Bartholomen of Northville entertained with his extraordinary feats of magic, which were very enthusiastically welcomed by fathers sons alike.

A very fine turkey dinner was served by members of the Women's League.

Plymouth Seniors of 1896 Talked For Themselves

In 1896—50 years ago—commencement ceremonies for the graduates of Plymouth High School—all six of them—were different in many ways. Samuel B. Spicer, prominent Plymouth farmer, one of the three surviving members of that class, related the facts.

Mr. Spicer said in the first place the graduation rites were held in a church because the school had no auditorium. Each graduate wore "what they had". Caps and gowns weren't known then. Instead of inviting a celebrity in to do the talking for the graduates, each graduate in those days had to write and recite an oration on an assigned subject.

"We did our own talking," Mr. Spicer said, "nobody paid anyone to come in and do it for us."

There wasn't any class night 50 years ago, although they did have a baccalaureate service the preceding Sunday. There was none of the current formality either, but no one minded.

In that class, 50 years ago June 19, there four boys and two girls. Surviving beside Mr. Spicer is George Lee, a prominent hardware dealer in Highland Park, and the former Anna McClumphia, now married and a resident of California.

Mr. Spicer long has been prominent in state grange activities and is a past president of Plymouth Grange.

He can recall much about Plymouth's early school history. Mr. Spicer said the first brick structure was built without interrupting class because the original frame school was moved between the two churches and school continued while the new building was being erected.

He recalls that the year following his graduation the senior class consisted of two boys, both of whom still reside in Plymouth.

In those days the school had no superintendent or principal. "We knew them only as professor and preceptress," Mr. Spicer laughed.

Asked about his oration for graduation night, Mr. Spicer said it was on "Advancement of People." One line in particular he recalled had to do with people traveling so fast on bicycles.

"Fifty years is a long time to remember what went on," said Mr. Spicer.

School Days Are Over for 187 Boys and Girls

Gone are the school days for another Plymouth High School graduating class. The last tie with dear old Plymouth high was broken Thursday night for the 187 members of the 1946 senior group.

It was a proud moment for 187 families Thursday night as each graduate was presented a diploma. For some it represented years of toil, deprivation and hard earned money. But, whatever the price, these families in general appeared to think it was worth it all.

Commencement ceremonies brought to a close a delightfully busy week for most of the graduates. It was a week they had all planned on and awaited with much anticipation. For some the week was much happier than others, but in general it was a gala period for all.

The baccalaureate rites Sunday night opened the "graduation week." Then on Tuesday night the traditional class night program put on by the students proved very entertaining to all.

That program was presented under a musical theme and proved to be a grand success. Many of the class demonstrated talents that have made them outstanding in their class throughout high school.

Graduation rites Thursday night were very formal. Guest speaker for the occasion was Dr. Paul Sangren, president of Western Michigan College of Education, Kalamazoo.

Helmer A. Nelson, superintendent of Plymouth public schools, introduced the graduates and Mrs. Sidney Strong, president of the Board of Education, presented the diplomas. It was a very colorful and impressive ceremony.

Now that their high school days are behind them, many of the Plymouth graduates will start planning their college careers. Others will go directly into jobs they have been working part-time at during school. And of course a few will become housewives within a short time.

Once more the vacation days have descended upon Plymouth schools and for a few short weeks the daily procession of free American youths will be but a memory. Next fall, however, a new group of seniors will set out over their final year and the whole joyful program will be repeated once more.

Willoughby Is Re-elected

The Salvation Army Advisory Board met at the Officers' new quarters, June 10, at 7:30 P. M. The annual election of officers was held. The present officers of the Board were re-elected as follows:

Robert Willoughby, president; Mrs. Nell Curry, vice-president; Mr. Perry Richwine, secretary; Mrs. Alexander, treasurer.

Mrs. Major Agre, of the public relation department of Detroit, was a special guest.

After several items of business had been discussed the meeting was adjourned. Refreshments were served.

Kiwanis Delegates Return This Week

Kenneth Corey and Ernest L. Henry have been attending the annual convention of Kiwanis International this week at Atlantic City, New Jersey, as delegates from the Plymouth Kiwanis club.

They are expected to return home about Sunday. It is understood that the final session of the convention was Wednesday night.

Mr. Corey is a past president of the local club. Mr. Henry, superintendent of mail at the Plymouth post office, also is a past president and present secretary of Plymouth Kiwanians.

Mrs. Henry accompanied her husband on the trip. They traveled by auto. Mr. Corey went by rail on the special Kiwanis excursion out of Detroit on the Baltimore and Ohio.

Tuesday is Primary Election Day - Vote

Night Raids Nets Auto Parts Gang 3 Wheels

Police Chief Lee R. Sackett reports that three Plymouthites, all in the same neighborhood, had wheels stolen from their cars during the early morning hours last Friday.

Chief Sackett believes the same person or persons pulled all three jobs. In each case a pile of yellow bricks was used to block up the cars so the wheels (rim, tire and tube) could be removed.

Wheels were taken from the cars of Helen Farren, 252 East Ann Arbor Trail; John Urban, 251 East Ann Arbor Trail; and Peter Zylstra, of 637 South Mill Street.

One wheel was removed from each car, Chief Sackett reported. No clue to the identity of the guilty party or parties has been ascertained yet. All cars were parked either in front of the owners' homes or in the yard, according to police.

Playgrounds To Open Monday

Playgrounds will open Monday morning at Central School and Starkweather School. Complete programs have been prepared and leaders selected.

Boys in charge of the grounds are Bob Brink, Jay Daggett, Irwin Brink and Donald Heese. Girls include Beverly Brown, Barbara Daniel, Jo Ann Bovee, Barbara Gorge, Joan Dipboye and Pat Packard.

Most of the girls have worked in the program as leaders or helpers during previous summers. The boys all are active in scouting and athletics.

The playgrounds will operate from 10 a.m. to 8 p.m. daily except Sunday. The evening hours will be used for adult and family group activities.

Tot lots will be placed in operation June 24 at Riverside Park and Junction and Sunset for the very small kiddies who cannot come to the playground. They will operate Monday, Wednesday and Friday from 9 to 5 p.m. throughout the summer.

Inasmuch as this is the first year of operation on the anticipated scale there will have to be a gradual improvement of grounds and facilities.

Bible School For Children to Start Monday

Monday, June 17 will be a big day for the children of Plymouth for that is the day the Union Bible School starts, continuing through June 28, Monday through Friday from 9:00 to 11:15 a.m.

All grades meet in the Presbyterian church, except the Primary department which meets in the Methodist church.

The program is planned to give knowledge and pleasure to all children and young folks from three years through 14. There will be Bible study, worship, in the church and out of doors, hand work by the child for himself and for European children; games outdoors; and dramatization of Bible stories.

The school is a co-operative venture staffed by church and Sunday school leaders from the Baptist, Presbyterian, Methodist and Presbyterian churches.

The beginners department and Kindergarten are led by Mrs. Charles Loomis, Mrs. Willard Lickfield, assisted by Mrs. Lewis Goddard, Miss Caroline Goodale, Mrs. Dave Mather, Mrs. Kennitz, Mrs. Paul Long and Mrs. Andrew Jeffrey.

The Primary department is headed by Mrs. George Cramer, Mrs. Dow Swope and Mrs. Steve Wall, assisted by Mrs. Marvin Terry, Mrs. Horace Johnson, Mrs. George Elliott, Mrs. Russell Daane, Mrs. Edward Dent and Miss Ruth Borsos.

The Junior department personnel are the following: Mrs. Robert Mettetal, Mrs. Ray Correll, Mrs. C. B. Evans, Mrs. Alan Read, Miss Helen Lord, Mrs. James Rossman and Mrs. Albert Borsos who is also dean of the school.

Mrs. Maurice Woodworth will play the organ for the worship service.

All children will register in the Presbyterian church.

Mr. and Mrs. Howard Cochrane announce the engagement of their daughter Marie June to James W. French, son of Mr. and Mrs. William W. French.

Every One Urged to Exercise Rights As Citizens

Tuesday, June 18, is one of the most important days of the year—it is primary election day.

It is the day that EVERY American citizen who is a legal voter of Plymouth and vicinity should go to the polls and help select the candidates of the various political parties for the forthcoming fall election.

The primary is just as important as is the fall election. It is the time when parties decide who will be on the tickets—and in many cases the nomination is equivalent to election.

Preservation of the voting system in these United States of ours is one of the things for which the war was fought and won.

If Hitler had won, there would have been no more elections. But Hitler didn't win. This is the first primary election held in the state since the end of the war.

There's a lot of kicking about the way things are going down in Washington. There's a lot of talk about graft up in Lansing. There has been plenty of proof of bungling in Washington and there's been plenty of proof of graft in Lansing.

Every voter can do his part in remedying these situations by his vote.

Ninety-five percent of all the troubles in Washington and in Lansing could be remedied by the voters.

It isn't a question so much as to who you vote for, but if EVERY ONE voted there would not be much of a chance for the bunglers and grafters to long continue in office.

The polls will be open at 7 o'clock and remain open until 8 o'clock Tuesday evening. That gives every one a chance to vote.

City Manager Clarence Elliott has announced members of the various election boards for Tuesday's election. They are:

Precinct Number 1—J. Rusling Custer, chairman; Miss Verne Rowley, inspector; Mrs. Oral Rathburn, inspector; Miss Mabel Spicer, clerk; Mrs. E. H. Scully, clerk; Mrs. Anna Richards, clerk.

Precinct Number 2—Mrs. Ralph West, chairman; Mr. Harry Laible, inspector; Miss Winnie Joliffe, inspector; Mrs. Marie Polley, clerk; Mrs. Grant Simpson, clerk; Mrs. Edwin Reber, clerk.

Precinct Number 3—Mrs. Sidney Strong, chairman; Mrs. Fred Thomas, inspector; Mrs. E. C. Drews, inspector; Mrs. Jessie Squires, clerk; Mrs. Jennie Mills, clerk; Miss Ada Daggett, clerk.

Precinct Number 4—Mrs. Harry Mumby, chairman; Mrs. Clarence Jeter, inspector; Mrs. F. Earl Reh, clerk; Mrs. E. C. Vealey, clerk; Mrs. William Arscott, clerk; Mrs. Dora Wood, clerk.

Clothing, Shoes Sent to England

Plymouth Rotarians this week shipped 2,133 pounds of used clothing and shoes to the Rotary club at Plymouth, England.

Among the 4,000 items collected by the local rotarians from the Plymouth residents were 90 pairs of shoes.

The drive here for clothing and shoes to aid the war-ravaged populace of the stricken English city was inspired by John Blyton, a local merchant, who made a postwar visit to England. He saw first-hand the pitiful condition of the city and suggested to the Rotarians here that they sponsor such a drive. All of the clothing collected in Plymouth, Michigan will be given direct to the people of Plymouth, England.

As in days of war the Plymouthites responded nobly to the cause and went over the top to lend a hand to the less fortunate. It's a privilege to be part of such a community.

Lt. Owens Post Plans Carnival

The Lt. L. J. Owens Post No. 3941 Veterans of Foreign Wars will sponsor a carnival to be held June 18th to 23rd inclusive at Plymouth and Merriman roads. The net proceeds of this carnival will be used as a building fund for the Past and Ladies Auxiliary. We invite the support of all residents of the community to make this carnival a success.

LOCAL News

Mr. and Mrs. Charles Rowland, brother of Murray Rowland, Sr., and daughter Charlene, were guests Tuesday evening of Mr. and Mrs. Murray Rowland Sr.

Tuesday evening last week, Mr. and Mrs. John Bunyca celebrated their golden wedding anniversary, Mr. and Mrs. Wilford Bunyca celebrated their eighth anniversary, Mrs. John Bunyca celebrated her seventy-third

birthday, and George Mott celebrated his birthday with a dinner at 6:30 for fifty-five guests. The honor table was decorated with a large wedding cake with yellow candles. Guests were from Wayne, Bellville, Carlton, Northville, Detroit and Plymouth.

Mr. and Mrs. G. W. Baker, of Main street, are going to Chicago to see their son Jack, discharged from the Navy.

Mr. and Mrs. Floyd Reddeman celebrated their sixteenth anniversary wedding with a dinner at the Dearborn Inn. Their guests were Mr. and Mrs. Elmer Reddeman and Mr. and Mrs. Joseph Rowland. Elmer Reddeman and Mrs. Rowland were the attendants at Mr. and Mrs. Floyd Reddeman's wedding.

Mr. and Mrs. Rolland Allenbaugh and son Robert, and Mr. and Mrs. James Bently spent a few days last week at Port Austin and Pointe Aux Barques and on their return trip visited friends in Mt. Pleasant for a day.

Mr. and Mrs. Murray Rowland, Sr., and Mr. and Mrs. Charles Rowland and daughter Charlene were guests of Mrs. Louva Waterman and daughter Claudine, of Northville, Wednesday. Later an open house was held in honor of Claudine who is graduating from Northville High School.

Petty Davidson and Jackie Bothwell had forty boys and girls from their class out to Petty's cottage at Cedar Island for their school picnic Wednesday. They played baseball, swam, picniced, roasted some weiners and then they all went to Walled Lake.

The Business and Professional Women's Club held their annual picnic Monday evening at the home of Belle Young, with about thirty members present. Four new members were admitted: Evelyn Bryan, Ruth Cooley, Florence Gablemann, and Neva Lovell. Meetings will be resumed in September.

There will be a special meeting of the Plymouth Chapter 115 O. E. S. on Tuesday evening, June 18, at 8 P. M. This will be preceded by a covered dish dinner at 6:30.

Mrs. Jewel Bell and Mrs. Frank Pierce were guests of Mrs. Carl Hartwick for luncheon, Tuesday afternoon.

OBITUARIES

Jennie E. Marshall
Jennie E. Marshall passed away at her home, 456 North Holbrook June 6. She was born October 26, 1871 in Salem township, the daughter of Peter and Mary Van Voorhis residents of that place. A brother, Albert, preceded her in death four years ago.

She had lived in and around Plymouth for more than 40 years and had a wide circle of friends who mourn her passing. She is survived by a nephew, Melvin Van Voorhis of Hendallville, Indiana and her many friends.

Funeral services were held at the Wilkie Funeral home, with Rev. T. Leonard Sanders officiating. Burial was in Riverside cemetery.

Judy Ann Mandler
Judy Ann Mandler, infant daughter of Jerad and Viola Mandler, passed away Saturday morning, June 8th. Mr. and Mrs. Mandler resided at the home of Mrs. Gertrude Garnett at 1055 Williams street. Besides her parents she is survived by her grand-father, Wesley Mandler of Cosby, Mo., also several aunts and uncles. Judy was brought to the Schrader Funeral Home. Interment was in Riverside Cemetery, Monday, June 10th.

**Softball League
Begins 5th Week**

Play is progressing nicely in the Twilight Industrial Softball League of Plymouth. The new policy of each team playing twice weekly seems to be working out very well. The fifth week of play starts next Monday.
Games next week include Cavalcade vs. Wall Wire, north diamond, and Daisy Air Rifles vs. Merchants, track diamond, Monday night; Merchants vs. Atchison Gulf, north diamond, and House of Correction vs. Wall Wire, at House of Correction, Tuesday night; Burroughs vs. VFW, north diamond, and Wall Wire vs. Oldsmobile, track dia-

mond, Wednesday night; House of Correction vs. Cavalcade, at House of Correction, and Gulf Atchison vs. VFW, track diamond, Thursday night.

**Dr. Anderson Heads
Wayne Optical Staff**

Dr. A. H. Anderson, a graduate of the University of Michigan with 20 years of specialty work in his background, heads the modern, fully-equipped Optical Department of the McDougall Optical company, 34619 Michigan avenue, Wayne. Dr. Anderson supervises all eye testing and fitting of glasses for the optical concern both at its Wayne and Monroe offices. They specialize in careful, prompt service and emphasize that all glasses are ground in their own laboratory at Monroe.

Anxiety is a word of unbelief or unreasoning dread. We have no right to allow it. Full faith in God puts it to rest. — Horace Bushnell.

Minister Tells Graduates How They Can Win

Before an audience that overflowed the high school auditorium, Rev. T. Leonard Sanders, pastor of the First Methodist church, Sunday evening gave some wise and timely advice to the 187 Plymouth high school graduates of 1946.

His sermon subject was "You Can Win and he used for his text the following quotation from the Philippians: "I can do all things through Christ who gives me strength."

In part Rev. Sanders said: "No man is defeated until he thinks he is. The world may lay waste his lands and break through his outer fortifications, but as long as the inner citadel of his life remains unshaken he can win the battle."

Adversity comes in varying form to all men, but some men have the ability to turn misfortune to advantage. James Russell Lowell wisely "Mishaps are like knives that either serve us or cut us as we grasp them by the blade or the handle" The secret of winning in life is to get a firm hold on the handle.

You may think every evening he face to face with critical problems, or you may be bearing heavy burdens and responsibilities and perhaps you are a bit discouraged, if not overwhelmed. But you are not going to be defeated. Press deeper into your spirit and there you will find an indomitable, glorious conqueror nothing in this world can overcome. It is utter folly to expect to achieve victory on the basis of your own strength. No man, however resourceful, or smart is a match for so great an adversary as a hostile world.

You cannot win over life by mere possessions. Many who have attained these objectives are still the unhappy victims of fear and anxiety, harassed by feeling of inadequacy and constantly in fear of being unequal to the demands put upon them. They are haunted by possible failure. Having put their faith in material things, they are obsessed with the possible tragedy of losing these values.

NOW what are some of the things we must do to win? FIRST: We Must Look At OURSELVES. So often we are too anxious to look at others. But life begins for the person who looks at himself. At whatever age this great event occurs, life deep and full wells up and from that time on it can truly be said one lives.

Strangely enough, multitudes of people are born, spend their days, and die, never having really known themselves. Looking at ourselves what do we see? Is there ENVY? The meanest, slimmest and most seductive sin is envy. Every other sin has some pleasure to it, or will admit an excuse; envy alone is devoid of both.

Looking at ourselves again do we find Hate. The person with hate in his heart will go down to defeat. We can win with LOVE and not with hate. Jesus said: "By this shall all men know ye are my disciples, if ye have love." Looking at ourselves do we

find DISCIPLINE? Self control has not been characteristic of our generation. Have we in this country been a disciplined people? In our personal morals, in our respect for law, in our family, in any regard that you can think of have we been a self-controlled people?

Jesus said that a loose, sprawling, meandering course never wins, but only the disciplined and dedicated life.

The second thing we will have to do to win is: Take time to live. A story is told of some Americans who were making their way through Africa. They had employed a group of natives at the seaport and had told them they were in a great hurry, as Americans usually are.

The first day they went with rapid progress through the jungle. They continued the relentless pace the second day. The third morning, when they were hurriedly preparing for another day of rapid travel, they found the savages squatting under the trees and refusing to move. When they bewilderment and helplessness they asked them why they would not start, they said simply "We shall rest today to let our souls catch up with our bodies."

To day our interests betray the surface character of our being. We are interested in things but not in ideals, in methods rather than meanings. We win we must take time to live. We must learn that the spiritual comes first and is "Reality".

I cannot do it alone. The waves run fast and high, and the fogs close chill around. And the light goes out in the sky; But I know that we two Shall win in the end—

Jesus and I
"Coward and wayward and weak, I charge with the changing sky. Today so eager and brave, To-morrow not caring to try; But He never gives in, So we two shall win— Jesus and I" Of course you can win.

Hilltop Men's Golf League

The Hilltop Men's golf league is now in its fifth week of play. Team standings follow:

McCannel's Barbers	13
Terry's Bakery	11½
Plymouth Mail	11
Todd's Market	9
Box Bar No. 1	2
Davis & Lent	6
Box Bar No. 1	4
Michigan Bell	1½
Fisher Shoe Store	1

High point men are the following with three points: Art McCannel, Pat Patrick, Jack Beckman, John Gaffield, Rocky Smith and Bob Ross.

The league plays every Wednesday evening with the starting time from 5:00 to 6:30 o'clock.

In Pueblo, Colo., police spotted a stolen car, found the driver was 1) a small boy at the wheel, 2) another small boy squatting on the floor operating the clutch and accelerator.

To eliminate passenger congestion, a big driver in Kentucky chides his riders thusly: "Move to the back—just like you were in church."

Fathers Day Founded At Spokane in 1910

The beautiful custom of Mothers Day suggests the question, why not a Fathers Day? This question is further emphasized by the celebration in our Sunday schools of Childrens Day.

A Fathers Day would call attention to such constructive teachings from the pulpit as would naturally point out: the father's place in the home; the training of children; the safeguarding of the marriage tie; the protection of womanhood and childhood.

MRS. JOHN BRUCE DODD

sent by Mrs. John Bruce Dodd, when asking the people of her home city, Spokane, Wash., to observe Fathers Day.

Robert Reh, A. S., was home from Great Lakes for over the week-end.

Mr. and Mrs. Earl Russell, Mr. and Mrs. Harold Dittich and Dr. and Mrs. W. F. Grant of Birmingham were at Saddle Ridge Club Wednesday evening for dinner.

Safety Patrol Youths Are Feted by Police

Plymouth's safety patrol boys and girls were given a special treat by the police department during the carnival's stay in the community.

Police Chief Lee R. Sackett reported that 103 of them were transported to the carnival grounds and given free rides on the merry-go-round and ferris wheel and treated to other entertainment.

"It wasn't much, Chief Sackett remarked, but it was the first time in a long while that we've been able to show our appreciation for their faithful efforts."

A nationwide 50-city price tabulation shows the service station price of gasoline to average 20.21 cents a gallon, including an average tax of 6.05 cents.

"Michigan and the Old Northwest"

In 1702 the priests at St. Joseph mission reported Miami-English trade.

Refusing to come to Detroit, the Miami moved to Indiana (Ft. Wayne area?)

From 1690 to 1708 Fr. Claude Avenue ministered to Miami at St. Joseph.

Fr. Chardon labored there among Potawatomi, 1705-12, until the Fox war.

Fair in the Light of Memory Shines

MICHIGAN, My MICHIGAN

BY • ELTON R. EATON

We are going to give a lot of space this week to a letter from Harry D. Ruhl, director of the game division of the Michigan Conservation department, pertaining to the question of feeding Michigan's vast deer herds during long, hard winters.

Early in May some comment was made in this column pertaining to the reported success of deer feeding in our neighboring state of Wisconsin. We suggested that Michigan might try the Wisconsin experiment if and when conditions justified it.

The hundreds of deer hunters in this locality will be interested in Mr. Ruhl's letter. We are therefore devoting our entire "Michigan My Michigan" space this week to Mr. Ruhl's discussion of the subject. It follows:

The Director and I were very much interested in your editorial of May 3, 1946, regarding the Wisconsin program of purchasing deer yards and feeding deer, and he suggested I write you on the situation and its lessons for Michigan.

We have been interested in following the situation in Wisconsin and sent the assistant chief of the Game Division, J. H. Stephenson, and I. H. Eartlett, our deer investigator to Wisconsin during the past winter to observe conditions there. These men visited the Wisconsin projects, and talked intimately with the men in charge of those activities in the field.

Conditions differ considerably in the two states. Michigan started acquisition of deer yard lands years in advance of Wisconsin, using the \$1.50 funds set aside from each deer license by the legislature to finance such acquisitions. In addition, considerable amounts of land valuable for deer have become state owned because of tax reversion.

In all, over 3,000,000 acres of land in northern Michigan is now under state ownership, and about 25 percent of this, approximately 750,000 acres, is swamp land suitable for winter deer yarding. In addition 68,000 acres of good deer yard land has been purchased and dedicated for this purpose outside of other state owned areas. This makes something over 800,000 acres of deer yards under state ownership, as compared to Wisconsin's 27,000 acres.

These deer yarding areas in Michigan are already under management designed to produce a maximum of deer food through cuttings of browse on a rotation plan. We are convinced that maintenance of our deer herd must depend upon natural food supplies during winter periods, and this can be provided only through long range management browse growing in the deer yarding areas and control of the deer herd itself.

We do not agree with the secondary scheme attempted by Wisconsin, the artificial winter feeding program, and most of the men in the U. S. who have had experience with similar conditions are agreed on it.

Stephenson and Bartlett visited the areas where Wisconsin fed deer last winter, and were not impressed with the results. Few deer were lost in the feeding areas, but few deer were lost in areas not fed either, and few deer were lost in Michigan where no feeding at all was done.

Many Wisconsin conservationists are skeptical of the artificial feeding program, including members of the Conservation Department, such as, Prof. Leopold of the University of Wisconsin, noted conservation authority and a member of the Wisconsin Conservation Commission. Maybe you would want to get his reaction direct and I think he would feel free to tell you what he knows about it.

We feel that our deer program will stand comparison in every way with that of Wisconsin or any other state except that the legislatures of many states have authorized their State Conservation

agency to manage the deer herds as well as the deer habitat. In this respect Wisconsin has definitely outstripped us. We thought that your editorial was fair, and that the quotation from the Wisconsin Conservation Commission pretty well supported our own conclusions. We appreciate your interest and concern over this situation, and your urging that Michigan do something more on it.

A copy of Messrs. Stephenson and Bartlett report is enclosed for your information.

New Camp Brady Being Installed

Old Camp Brady, located near Waterford, Michigan, owned and operated by the Detroit Area Council, Boy Scouts of America, for over 27 years, has been sold to the Detroit District Nursing Association. Another Camp Brady, new and fresh, and much larger than the old, is now being installed on the 575 acre Charles Howell Boy Scout Reservation, near Brighton, Michigan.

For several years the local council realized its limitations in conducting a successful Scouting program on the old Brady site. The minimum required camping space according to authorities, is at least one acre per person. The old Camp, named in honor of the donor, the late George N. Brady, former chairman and civic leader, became famous as a Scout camp during its 27 years of continuous operation. Old Brady was one of few camps in this part of the country to be recognized by the American Red Cross for its outstanding waterfront safety program. An official Red Cross pennant always flew along side the Stars and Stripes, from the tall flag-pole down near the dock.

All tents, cots, tables, boats, canoes, and other program equipment of the old Brady site have been moved to the Scout Reservation, donated by the late Charles Howell, several years ago. A most magnificent dining lodge, constructed of northern pine logs, from the Ford Motor Company's Forest Reserve, will be ready to accommodate about 250 Brady campers and staff counselors who open for eight periods of one week each, closing Sunday, August 25th.

David Beauvis, Health Education teacher, who has been in Council Summer Camps for the last ten years will again serve as

Rodeo Feature Of Ann Arbor Show

A real western rodeo is coming to Wine's Field, Ann Arbor, on June 14, 15, and 16. The bronco-busting event is to be the first annual attraction of the Optimist club of Ann Arbor, and will feature many leading national rodeo riders, cowboys and cowgirls with their beautiful performing horses, real old-fashioned roping with wild cattle, headed by the famous Grahma bulls. There will be four shows starting Friday morning, Saturday matinee, Saturday evening and Sunday matinee.

In addition to the chuckful two hours of solid entertainment, each program will be preceded by a band concert featuring high school bands of Washtenaw County, and special riding formations by the Saddle Ridge Riding Club. Highlight of the three day engagement, is an old-fashioned parade on the streets of Ann Arbor, to be held on Saturday afternoon at 5 o'clock.

The Optimist Club of Ann Arbor, whose slogan is "Friend of the Boy", will use all the proceeds from the rodeo to further its work among boys, such as Boy Scout trips, University Fresh Air camp, Student Driver Training and many other contemplated boys work projects.

Henny Youngman claims he had the first Walkie-Talkie — his mother-in-law.

JUNE 30 ← **A BIG DATE FOR ARMY MEN!**

If you have been discharged from the Army—if you held a grade and wish to retain it—if you have dependents—then act now. . . . June 30, 1946, is the last day on which you can enlist in the Regular Army and still take advantage of two important benefits . . . retention of your old grade and family allowances.

Family allowances for your dependents will be continued throughout your enlistment only if you enter the Regular Army before July 1, 1946. If you have been discharged from the Army and wish to re-enlist at your old grade, you must enlist within 90 days after your discharge. And before July 1, 1946. Think it over. Act now.

ENLIST NOW AT YOUR NEAREST U. S. ARMY RECRUITING STATION
TUESDAYS CITY HALL

A GOOD JOB FOR YOU
U. S. Army
 CHOOSE THIS FINE PROFESSION NOW!

HE INSPIRED FATHERS DAY
 . . . Mrs. John Bruce Dodd conceived the idea of Fathers Day on the birthday of her father, June 5, 1910, and drew up the first petition for the creation of this important American event. Inspired by the love and sacrifices of her father, William Jackson Smart, a Civil war veteran, who reared his motherless family of six children, Mrs. Dodd won the interest of the Spokane, Wash., ministers' alliance and the YMCA. In 1910 all of Spokane set the day aside to honor fathers.

(Continued from Page One)
 O.P.A. the worst boner that they pulled is the recent curtailment of slaughtering to the 1944 quotas in order to combat the black market. What they actually did is throw the gear in reverse in order to go ahead. They created the worst black market we have ever known. The farmers, already provoked over the recent increase in price of animal feeding, are now tempted by the public to sell them quarters of beef and sides of pork for as high as 35 cents per pound. Those farmers who honestly believe that they are not getting a square deal in the present O.P.A. set-up, are or will sell meat direct to the public who are sick and tired of waiting in long lines in the markets only to be told that a little luncheon meat or fish is all that they can get. With the coming of summer and warm weather, the animals will be slaughtered on the farms under unsanitary conditions and unexperienced supervision. The hides that are so badly needed because of the leather shortage and a big percentage of the edible offal will be buried in the ground to conceal the evidence, even portions of the animal will go to waste because of the inadequate facilities of storing and keeping the meat. In short, one family will be over fed and wasteful, while many will still line up in front of empty counters.

"Since this recent O.P.A. created shortage, it is impossible to buy poultry for slaughtering direct from the farmers, as they are offered for sale for 'breeding purposes,' only at \$4.00 or even as high as \$5.00 per head. The public and especially the farmers have lost all faith and respect in the O.P.A. and delight in disobeying their impractical rules and regulations such as, the ceiling price on ducks, live 36c and dressed 37c per pound, which means at least a 12c loss, plus the labor of dressing, on a 6 pound duck.

"Now for the merchants side of the same story, Mrs. Smith a good steady customer for years was alone with her husband in 1944 and used very little meat. Now she comes with the good news that her son or both of her boys are out of service and home, they are a little thin and she wants to give them a real meal like only mother can prepare. As a faithful merchant and a father, whose son is in service I fully understand how she feels, but I have to say to her, 'Sorry Mrs. Smith, but I am getting even less meat now than I did when your boys were in service and were fed by the government, you'll just have to wait until the O.P.A. allows me more meat.' Now, my dear Senator, how long can I, and others facing the same situation, keep on disappointing the public and especially the returned veterans and their families? Is the O.P.A. holding down the cost of living or are the creators and breeders of racketeering, ill-will and disappointments? Have we really lost all confidence in American enterprise and the leaders of our essential industries? Aren't they the same men we called upon in the hour of darkness and distress for a maximum of vital production and didn't they come through in the good old American style. Is it good sound practice or fair sportsmanship to tie a ball players legs and ask him to hit a home run?

"As an alien during the first World War, I offered my life by enlisting in the U. S. armed forces. I was amply rewarded when I was given my American citizenship. To me and millions like myself, it is the finest gift and reward a free country can give men who believe in love and freedom. You, Mr. Senator, can take the leading roll to restore this freedom to the American people, unshackle industry and ask them to go ahead and I am sure they will not disappoint you. The farmers, the workers and the merchants will, under the old basic rule of fairness, supply and demand, plus competition bring about an abundance of greatly needed foods and all other essentials that will result in prosperity and better living for all of us, as well as those abroad, whom we are so eager to help.

"We are looking to your leadership now as we shall in 1948. God Bless You."

HONOR OUR VETERANS

**GIVE THANKS
 "THIS FATHER'S DAY"
 JUNE 16**

**Honor Our Veterans
 Give Thanks This Father's Day**

There's an air of jubilation this Father's Day. For after too many years, fathers are once again united with their families — rollicking with the youngsters they dreamed of in their foxholes. To all our veterans — but especially those who are the parents of our new generation — we owe more than a debt of gratitude. It is our time now to show by tangible means how deep every turn as they gradually acclimate themselves again to civilian life. Offer these men a good job, a good home a good community for the security of their American home. Let us honor and give thanks to our valiant veteran-fathers on this commemorative Father's Day, June sixteenth.

and sincere is our appreciation. Let us give them a helping hand at

BUT WHEN THE DAY'S WORK IS DONE THE FAMILY THAT ENJOYS AN AUTOMATIC Gas Water Heater says...

Oh Boy! now for a good Hot Bath

They know from experience that there is nothing like a glorious, warm shower bath to soothe and relax their tired, aching muscles. They know too, that even though they have used many gallons of steaming hot water to aid them in their cleaning work that their automatic gas water heater will have an ample supply of hot water on tap for that soothing bath they look forward to with so much anticipation.

For better living, better health and greater cleanliness, plan now to install an automatic gas water heater as soon as possible.

GAS THE WONDER-FUEL DOESN'T COST...IT PAYS

1508 CONSUMERS POWER COMPANY

May Sue Sheriff For Damages

Sheriff Baird and some of his quick-on-the-trigger deputies face the prospects of a damage suit unless Frank W. Schultz of Wayne changes his mind. And if a jury gets the facts as he relates them, there might be some big paying for the sheriff to do for slapping a man into jail who has committed no crime. The police department of Detroit is also involved in the alleged false arrest.

It seems that Mr. Schultz, who is a civil service employe at the Norwayne federal housing project and bears an excellent reputation, some months ago purchased a second hand automobile.

Last week some one in Detroit had his car damaged by some one who drove a car of the same model as the one owned by the Wayne resident.

The Detroit police in an effort to find the driver of the car that caused the damage, called up various car dealers in Detroit and asked them if they had sold a car of the model involved in the accident.

One dealer advised them that some months ago he had sold a car of this type to Mr. Schultz. The police then secured the license number of the Schultz car.

They called the sheriff's office and asked them to "get" Schultz. While Mr. Schultz was at his home, the Sheriff's out-county patrol took Mr. Schultz from his home and said they wanted to see him in Detroit for a few minutes. He was not even given the opportunity to put on his coat.

When they reached the county jail, the Detroit police were called, and Mr. Schultz was locked in a cell over night without explanation.

The next morning, he says, an officer came to him and demanded that he "confess" to being responsible for some automobile accident that had happened in Detroit the previous day.

When he told them that he had not been in Detroit for weeks, he declares that they threatened to beat him up, even to "shoot him full of holes" if he didn't admit being the guilty one.

He was refused the use of the telephone to call any one out-

side and again during the afternoon, was put through the third degree by the police in an effort to get him to confess to an accident he knew nothing about.

Finally the second evening, the police brought in the owner of the car that had been damaged.

"He's not the man and it wasn't his car that hit me" said the victim of the accident.

Meanwhile the police had refused Schultz the use of his glasses and when they were returned to him, he found that they were broken.

Residents in Nankin township are enraged over the treatment accorded to Mr. Schultz and most of them who have heard the facts feel that he should sue Sheriff Baird for false arrest.

Phila de Porter is Bride of Ralph Burch

Miss Phila de Porter of Plymouth daughter of Mr. and Mrs. Charles Ferguson and Ralph Burch, also of Plymouth, were married at six in the evening on Monday, June 10, at the Methodist Church in Plymouth. The ceremony was performed by Rev. T. Leonard Sanders.

The bride's attendant was Miss Eleanor Sackett and Albert Foege was best man.

After the ceremony, the wedding supper was held at Rosseau's. The couple then left for a honeymoon in Northern Michigan.

Four new manuals on bacteriology have been published by Dr. F. W. Fabian and Dr. Claude S. Bryan, of the school of veterinary medicine, Michigan State College.

DR. McWhorke SHOES FOR MEN
 Style L206

No other shoes in the world have all the features designed by the famous Canadian specialist. No other shoes offer the same combination of arch support, equalized weight distribution, and extra "comfort space." For Dr. Locke shoes are built for *comfort first* and always—comfort that relieves fatigue and puts new vigor in your stride. This good-looking straight toe oxford is one of many Dr. Locke styles for men who want to keep their feet feeling young. You owe it to yourself to try on a pair. Black calf.

WILLOUGHBY BROS.
 WALK-OVER SHOE STORE
 322 S. MAIN STREET

A picture of you and your telephone

NO, NO, NOT THAT! We certainly do not suggest that you include your telephone's photo in the family album. But you may welcome a picture of your telephone service—and how we plan to make it bigger and better. So here goes.

Right now we are working at top-speed on a 5-year \$150,000,000 expansion and improvement program. Our first objective is to supply service to the thousands of families who are still waiting for telephones. But this program is intended to do much more than that. It will enable us to care for future growth and give everyone the *kind of service wanted when and where it is wanted.*

And Michigan Bell's earnings are in the picture, too, for *good telephone service depends on adequate earnings.* Thousands of thrifty people have their savings invested in Bell System securities. Their money makes good service possible. In fact, Michigan Bell's \$150,000,000 post-war program will be financed largely by these and other investors. And that program will provide more and better telephone service for you.

So you see, telephone rates—such a small part of your monthly budget—must be maintained at a level which will keep our earnings adequate. Otherwise, investors would not put their money into the telephone business, and the future quality and extent of your telephone service would suffer.

We believe our customers want *good telephone service, even if it costs a trifle more than inferior service.*

Technical improvements over the years have brought rates for *good service down* and have kept them down in the face of rising costs. But if the recent rapid rise in costs continues, rate increases may become necessary. In any event, Michigan Bell wants rates no higher—and no lower—than necessary to insure *good telephone service.*

**Champe, Elliott
Are Delegates**

President Brick Champe of the Western Wayne County Conservation Association and Joe Elliott, one of the directors of the local Association, have been elected delegates to the annual state convention of the Michigan United Conservation Clubs to be held at Bellaire on June 21, 22 and 23.

President Champe is also a director of the state association and one of the active members of the state organization. He has the endorsement of the local club for re-election to his state post.

Business sessions will open Saturday at 9 a.m. and continue until 5 p.m. The agenda includes many questions relating to game and fish laws, proposed changes to the M.U.C.C. by laws and new proposals for financing; many of which are highly controversial and lively debate is anticipated.

The annual banquet, feature of the convention, will be held Saturday evening and, because of the large number of reservations, two banquets will be held; one at Fisherman's Paradise Lodge and the other at the Community Building. A lively after-dinner program, the same to be given at both banquets, has been arranged. Convinced that the delegates will have their fill of serious business for the day by the long business sessions, the committee has included no speaker in the program but instead booked the Michigan Lumberjacks, Earl Parchman of WJIM, Bud Shaver of Detroit, and other entertainment features of singing, dancing and music.

No events are scheduled for Sunday forenoon but the business session will reconvene at 1 p.m. to complete discussions. The annual election of officers and directors, which is this year indicated by reports will provide lively contests in some offices, will close the convention Sunday afternoon.

Walter Kirkpatrick, Antrim County agricultural agent and general chairman, reports that many delegates have made reservations for several days ahead and plan on fishing the popular lakes and streams in the district. While anticipating the largest crowd that Bellaire has been called upon to provide for, Kirkpatrick stated that all arrangements are complete and everyone would be well taken care of.

Mr. and Mrs. Bob Grossnickle of Middlebelt Road were in North Manchester, Indiana over the weekend of June 1 and 2 to visit Mr. Grossnickle's parents, Mr. and Mrs. Ira Grossnickle.

Mr. and Mrs. Von D. Polhemus attended the recital of Carol Rosenberger, talented twelve-year-old pianist, at the Art Center Music School in Detroit last Tuesday evening, June 4.

**Devotion of Devereuxs—Dad
And Son—An American Trait**

"PADDY," the 11-year-old son of the famous marine defender of Wake Island, Col. James P. S. Devereux, lost his mother while his father was a prisoner of the Japs.

Typical of sons of American heroes, "Paddy" knew his Dad would return and that he would be waiting for him, to make up for not only the hardships the Wake hero had suffered, but in part fill the vacancy caused by his mother's death. Photo shows "Paddy" admiring his father's Navy Cross, received for distinguished and heroic conduct.

Millions of "Paddys" have set June 16th aside to show in their small way the love and devotion they hold for their dads.

Ask Wild Lifers to Give a Lift

So you are a member of the Western Wayne County Conservation Association, are you?

Like to talk about it to your friends?

Like to go to their "big feeds" and eat more than you should?

O. K.—But now the time has arrived to do something for the club.

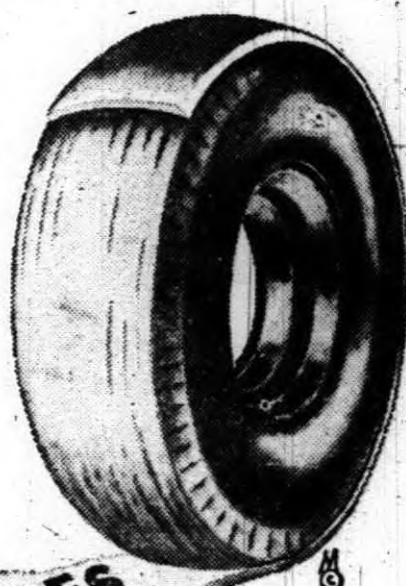

When you get up Sunday morning, put on some old work clothes, go out to the new club house on Joy road and prepare to help put it in order for the annual meeting and fish dinner on Wednesday, June 13.

That's the big day—but there are many things yet to be done around the club house.

Russell Powell, with his big bulldozer, did a swell job in grading the grounds last week. The wiring is in, but President Brick Champe says there are dozens and dozens of little jobs that must be done.

There are the tables to put up, the seating to be arranged, windows to be cleaned and this thing carried somewhere else and something else put in some other place. So prepare to finish the job up Sunday morning—and when you eat those fish that Barrister John Crandall will fry for you on the night of the 19th, you will enjoy them

all the more.

Just another item—Dishes and knives and forks have been coming in pretty good. Ken Groth and Glenn Smith helped to lift the burden to a very large extent by donations of many dishes.

But the President has it all figured out that if EVERY member brought two old knives, two old forks, two old spoons—tableware that the wives refuse to use any more—the silverware problem will be solved.

"Brick" didn't say so—but the "fish editor" says you might flatter yourselves by having your names painted on the plates, cups and saucers just as you used to see the shaving mugs all dolled up with your names painted in fancy letters years and years ago, and then take them out to the new club house and leave them there.

No—there will be no fancy shelves to put your painted dishes on, like they used to line up the shaving mugs, but any way, your name will shine forth like a sore thumb and it will mean some extra dishes for the big dining room, where President Champe expects to feed not less than 300 hungry fishermen on the night of June 19.

Sees All Great Lakes From Air

When some one from Plymouth flies an airplane, it's not news, but the other day one of the city's young men, while flying back from an Upper Peninsula fishing trip, saw something which not very many others have had the good fortune to view . . . and this includes pilots, passengers and even air force men who did a good deal of flying in all parts of the world during the war.

"I love to fly," declared Don Lightfoot, 337 Joy street, "but last Sunday afternoon I had an opportunity to appreciate flying even more."

This statement brought to light the fact that Lightfoot had seen a panoramic view of the entire state of Michigan, the Great Lakes and parts of Canada, Ill., and Ohio. And all of this from one place as he circled over the Straits from an altitude of about 3500 feet.

"One can't imagine the thrill of seeing Michigan . . . all of it . . . from the air. It was the most beautiful flying weather, with best visibility, I have ever experienced," he said.

Lightfoot, flying the plane, and a passenger, Thor Marsh, from Ypsilanti, took off from Hartsell airport, just east of the city, Decoration Day morning, heading for Munising, up in Northern Michigan.

"The weather wasn't so good on the way up," the Plymouth pilot stated, "but we arrived in plenty of time to go fishing that afternoon in Lake Superior."

They visited Marsh's parents who live on a small lake up there, and before they headed their little plane back Sunday had fished in the big lake for lake trout and in streams around there for Brooks, Browns and in the little lake for pan fish.

"Also, we had time for a little trolling Sunday morning before we started back," he said. "But it wasn't until we had crossed the Straits that I noticed the wonderful visibility."

"We were cruising along at about 2500 feet and I looked out ahead and saw a big city; and at first I couldn't believe it was Detroit. But it was and we were 200 miles from it."

It was then Lightfoot recalled that he circled and gained altitude up to 3500 feet. From there he could see the ships on the Lakes Superior, Michigan, Erie, Ontario and Huron; pick out all the islands in Saginaw Bay; see Detroit very plainly and also Toledo, Cleveland and Chicago.

Lightfoot has lived in Plymouth most of his life, is associated with the Plymouth Lumber and Coal company and is a member of the Junior Chamber of Commerce, having served for the last year as chairman of its Aviation committee.

Don't have a single-track mind at railway grade crossings. A train may be coming on the second track too, warns the National Safety Council.

The value of property destroyed by fire in 1945 was \$455,000, 000, or 7 per cent more than in 1944, the National Safety Council reports.

RE-ELECT . . . YOUR PRESENT STATE SENATOR CLARENCE A. REID
18th District REPUBLICAN

Will Send Four Boys to Camp

Sidney Strong, long a high executive in the Boy Scout organization, Charles Miller, an active Scout master and Supt. of Schools Helmer Nelson have been named as a committee of three by President Brick Champe of the Western Wayne County Conservation association to select four boys from this part of Wayne county to attend the state conservation training school during August at Higgins lake.

The club pays all of the expenses of the boys, who are given first hand information and schooling about the importance of conserving the natural resources of

the state and the development and protection of wild life.

One boy will be selected from Plymouth, another from Northville, one from Livonia township and one from Wayne. The membership of the club include: all of these places.

Coal mine deaths totaled 1,034 in 1945 or 17 per cent fewer than were reported in the same months of 1944, says the National Safety Council.

By "Dutch"

HOWDY FOLKS: Hark to this lament:
 Somehow it seems I cannot think
 Until I've had a little drink.
 And when I've had a little drink,
 Somehow it seems I cannot think.

"I never kiss a girl except on great occasions." "What do you call great occasions?" "Whenever I kiss a girl."

Fisherman: "I tell you it was that long. I never saw such a fish."
 Friend: "I believe you."

And we suspect the reason they call money "jack" is because it takes such a load off a fellow.

BY CHARGING LESS "JACK" FOR BETTER SERVICE, WE TAKE A LOAD OFF YOUR MIND. GAS, OIL AND LUBRICATION, AT ROCK-BOTTOM PRICES, MEAN THAT IF YOU BRING YOUR CAR HERE REGULARLY, YOU'LL HAVE MORE "JACK" TO SPEND FOR OTHER THINGS.

(Continued from Page One)

advised by a number of good bread makers that the recipes are remarkably good.

Two more recipes were received after the list had been turned over to Mr. Terry. These are being published at the end of this article. They are also declared to be good recipes.

A check for \$5.00 is being mailed to Mrs. Ingall. We advise you to try her recipe and see how good it is.

We are reprinting Mrs. Ingalls recipe again, as follows:

Two-Hour Bread

I have a 2-hour recipe for making bread that I have used for several years, which is quick, and easy, and very good, we think.

2 cakes compressed yeast, Red Star or Fleischmanns
2 cups milk, scalded and cooled to lukewarm
2 Tablespoons sugar
4 Tablespoons melted shortening
6 cups sifted flour
2 teaspoons salt
Dissolve the yeast and sugar in the lukewarm milk
Add 3 cups of the flour and beat until perfectly smooth
Add the shortening, salt, and remainder of the flour
Knead well and place in a greased bowl. Cover and let rise

until double in bulk, about 1 hr. Take out on a lightly floured board, knead down, shape into rolls, and let stand until double in bulk.

Bake in 350 degree oven, about 20 minutes.

1 yeast cake can be used, but it takes a little longer.

This will make 2 1/2 dozen rolls, or 1 loaf of bread and a dozen rolls, or 2 loaves.

In printing the recipe sent in by Mrs. Edith Ebersole, 615 Starkweather avenue, a line was dropped out in the make-up. The corrected recipe follows:

Favorite Bread Recipe

1 cupful milk, scalded
1 cupful water, boiled
6 cupful flour, sifted
3 teaspoonsful lard
2 teaspoonsful butter
2 tablespoons sugar
2 1/2 teaspoonsful salt
1/2 yeast cake, dissolved in 1/4 cup of lukewarm water.

Put lard, butter, sugar and salt in a large bowl and pour on the boiling water and scalded milk. When the mixture is lukewarm add dissolved yeast cake and five cups of flour.

Stir until thoroughly mixed. Add the remaining cup of flour, mix and turn on floured board, leaving bowl clean.

Knead the ingredients until mixture is smooth and elastic to the touch and bubbles may be seen under the surface.

Return to bowl and cover with a clean towel. Let rise overnight in a temperature of 65 degrees.

In the morning cut down, cutting through and turning over dough several times, with a case knife.

Toss on slightly floured board, knead, shape into loaves and place in greased pans nearly half full. Cover, let rise again until double in bulk, and bake in a hot oven for first 10 minutes, then bake 45 minutes in moderate oven or until bread leaves the sides of the pans. Rub the top with a little butter about 10 minutes before taking from oven. This makes 3 nice loaves and may be baked in 5 hours by using a whole yeast cake instead of the 1/2 cake.

**Mrs. Joe Grinder
Injured in Crash**

Mrs. Joe Grinder of 9910 Blackburn, Rosedale Gardens, was seriously injured last week in a collision on Plymouth road, when a truck driven by Donald Rhoades backed into the path of Mrs. Grinder's automobile.

Mrs. Grinder was taken to the Wayne County General Hospital in a critical condition and it is expected that she will be confined for about three weeks.

Leo Abbot, owner of a trucking firm at 26800 Grand River, was ticketed by the sheriff's deputies for allowing a 17-year-old youth to drive a heavy vehicle without a chauffeur's license. The truck driver was charged with reckless driving.

Quick Bread

2 quarts of flour
1 cup milk scalded then cooled
1 cup hot water
1 cake yeast
1 tablespoon salt
2 tablespoons sugar
1 tablespoon lard

Put milk and water in big mixing bowl. Leave some out to soak yeast. Mix sugar, salt and lard into bowl with liquid. Add yeast. Add enough flour to make stiff dough. Put on floured board and knead, and add more flour until dough is quite stiff and not sticky. Put in greased bowl and let rise in warm place until double in bulk. Then punch down and let rise again. Punch down and put into loaves.

Let rise again and bake at 450 degrees about 10 minutes then 350 degrees for about 45 minutes longer.

I find this is very nice bread.

Mrs. William R. Fox,
9074 Northern

Wholesome bread highly important.

Bread in Four Hours

1 can evaporated milk (dilute with water to make one quart liquid)
1 tablespoon salt
2 tablespoons sugar
1 heaping tablespoon butter or oleo
1 heaping tablespoon commercial shortening
2 eggs, well beaten
2 yeast cakes softened in 1/2 cup warm water.

Heat milk, being careful not to scald. Place butter and shortening in large bowl with salt and sugar. Pour hot milk onto it. Dissolve yeast cakes and whip the eggs while the hot milk melts the fat and cools slightly. Then add the yeast and enough flour to make a soft "ploppy" batter. The flour may be whipped in with an egg beater. You cannot beat it too much. Cover and let stand in a warm place (no draft) for 30 minutes, or until it rises about double its original amount. Stir down and add flour until thick enough to knead. Put on floured board and knead until it does not stick to hands. Be careful not to add too much flour or bread will not be light.

Place in greased bowl and let rise again about one hour. Knead

Thanks to Our Customers!

Thank you for helping us during the coal shortage by reducing your use of electricity.

We thank Governor Kelly and his staff, the Michigan Public Service Commission, Mayor Jeffries, members of the Common Council, the mayors of other cities throughout our territory, and the Board of Commerce for their help. We are grateful for the support of the press and radio in explaining the necessity for saving electricity.

We appreciate the help given us by the Public Lighting Commission of the City of Detroit, Consumers Power Company and Ford Motor Company, from whom we received electricity over existing interconnections. Industry and business and citizens all willingly cut their use of current.

Our Company tapped every resource to stretch dwindling fuel supplies. For example, where possible, coal burning furnaces were temporarily converted to oil. As a result of all this effort it was possible to avoid more drastic curtailment of electric service.

Coal is now being received and barring further fuel interruptions we expect to be able to meet all your needs for electric power and light.

Drive Will Be Made This Fall For Funds for Plymouth War Memorial

Some important decisions affecting the Veterans Memorial Foundation were made by the steering committee at a meeting held Monday noon in the Mayflower hotel. First, and most important, was the actual fixing of the date for the opening of the Fund Acceptance Drive for the Memorial. The date arrived at, after thorough consideration by the committee was Monday, September 16. It was the opinion of the group that this is the earliest possible date for this important event. Plans were formulated in broad outline for a fitting program to mark this day. The specific nature of the ceremonies for this day will be discussed in a future article in this paper.

The second decision arrived at was the nature of the Drive itself. It was agreed upon by the committee that some form of note obligation, or cash, would be the most acceptable manner for the community to participate in the Fund. Specifically, the committee felt that whatever funds were given or subscribed, should become effective on the day when actual construction of the first building is begun. In this way no one would be asked to tie up their money, simply to lie idly in the fund for a long period of time without being used. Thus, if a

pledge was made at the time of the drive, no payment on that pledge would be asked or expected until the first spadeful of dirt on the grounds was turned. This seemed the fairest way to receive funds, and to guarantee their immediate use. Details of the financial plans have been referred to the Finance committee for further study and report. Such details will be reported in full as soon as the committee makes its recommendations, and will be made public in a future report to the people.

Many people are interested in the first units of the Memorial scheduled for priority in construction. The committee feels that when the results of the Fund Acceptance Drive are in, it will then be possible to plan, with some certainty, what can be done. For only then will the possible alternatives present themselves, and a decision be arrived at with any reasonable chance of certainty. Before actual work begins, the available resources must be known, or a sound program cannot be undertaken.

The steering committee will meet in the Mayflower Hotel again on next Monday, at 11:30 a.m., to continue the business before it.

Horticultural Society To Meet on June 21

The Michigan Horticultural Society will hold their annual meeting on Friday, June 21 at 5 p.m. The meeting will take place at the home of Mrs. W. D. Thompson on 13 Mile road near Lahser road. Several prominent speakers will address the meeting on various subjects of horticulture.

Mrs. A. T. M. Petersen, chairman of the Livonia unit urges all members to attend this meeting as it will be very instructive. The members are asked to bring a box lunch for a picnic dinner after which they will tour the Thompson Gardens.

Mr. and Mrs. Ed Barker provided a surprise picnic for the boys of Cub Den 6 Monday, June 3 at Edgewater Park. The occasion was in recognition of the boys' fine workmanship and attendance at meetings since the Den was organized. Every member of the group was present to enjoy the delicious supper prepared by Mrs. Barker.

Plymouth to Send Five to 4-H Event

Wayne county will send 27 of the more than 600 4-H club youths expected to attend the annual 4-H Club Week on the Michigan State College campus at East Lansing, June 25 to 28. Announcement was made today by Marie Wolfe, county 4-H Club Agent who added that two 4-H club leaders also would help make up the local delegation. Five of the Wayne county members are from Plymouth.

The theme of the annual summer conference for the 41 southern Michigan counties will be "4-H in a Changing World." The quota for delegates from each county is based on enrollment and the number of members completing projects.

A feature of the conference this year will be a safe driving clinic for representatives from each county. The Michigan State Police and the AAA are cooperating. In connection, Sgt. Wayne Fernlis, Detroit Police Department ventriloquist and his Jerry Mc-Safety will have a part on the program.

Speakers from the college will include President John Hannah; Dean E. L. Anthony of the school of agriculture; Dean H. C. Rather of the basic college and others. R. J. Baldwin, director of the extension service, will conduct the candlelight service.

Panel discussion groups, style reviews, reports on the national 4-H club camp and other features will be included. Visitors will be housed in the college dormitories.

Those attending from Wayne County will include: Shirley Horsh Wayne; Marjorie Yost, Garden City; Robert Resaume, Inkster; Robert Wagenschutz, Plymouth; Henry Brand, Dearborn; Don Farrington, Dearborn; Albert Fry, Romulus; Gerald Borgert, Dearborn; Jean Auck, Plymouth; Carol Schatz, Garden City; Doris Waldecker, Plymouth; Sally McIntosh, Plymouth; Rosalie Falatine, Carleton; Florence Lasko, New Boston; Nancy McKinney, Wayne; Barbara Nevin, Belleville; Dorothy Bogetta, Wayne; Marie Duthoo, Plymouth; Don Brinks, Plymouth; Patsy Wilkie, Inkster; Marceline Jaynes, Detroit; Paul Miserlian, Detroit; Marilyn Masch, Detroit; Milton Lietchansky, Detroit; Ruth Ehler, Detroit.

issue number three: Increasing the millage to 2.7 percent for a period of five years. This was the most important of the three issues in that this one had to pass in order to build the new high school. There were 923 yes, 220 no and 3 destroyed ballots. A two-third majority vote was required.

Much credit for the fine turnout is due the Livonia Woman's Club who did a fine job of canvassing the Township notifying everyone concerning the election June 6, the various P.T.A.'s for their cooperation in getting the facts and information out to the parents, the Rotary Club for the publicity they put out and to the art classes and their teachers for the many and fine posters that were distributed throughout the entire Township in all the places of business.

The Board of Education wishes to take this opportunity to thank the Woman's Club, Rotary Club, P.T.A.s and all civic and social organizations as well as individuals for their combined efforts and assistance in furnishing transportation and publicity. This no doubt played an important part in the passage of the three measures up for vote.

Voters Pass On All Three Issues

Voters of the Livonia Township School District voted favorably Thursday afternoon and evening on all three issues that were up before the electorate for their approval or disapproval.

Over 1200 voters cast ballots at the polls from 1:00 p.m. to 8:00 p.m. at the Livonia Center Jr. High School. This represents about 25 percent of the eligible voters in the Township and is a very fine turnout in that more ballots were cast at this election than at any other election in Livonia for many years.

1204 votes were cast on the first issue: Shall the Board establish a high school in the Livonia Township School District. There were 1007 yes votes, 194 no and three were destroyed. For issue number two: Shall the Livonia Township School District borrow the sum of \$215,000 and issue bonds, there were 1146 votes with 907 yes, 281 no and 9 destroyed. There were 1146 ballots cast on

Livonia Locals

Mrs. V. A. McIntosh of Berwick St. has her mother, Mrs. Riddle of South Bend, Indiana, visiting her.

Mr. Charles Wilson is in Ford Hospital for an operation.

Friends of Mrs. Joe Grinder, who was seriously injured in an auto accident last week and is in St. Mary's Hospital in Detroit, will be interested to know that she is getting along as well as can be expected.

The Campfire Girls and Bluebirds held their final picnic meeting of the year last Wednesday at Lola Valley Park. The girls and their mothers enjoyed a pot-luck supper and the many games with prizes that had been planned for them. This concludes the regular meetings, but there will be a few get-togethers for the girls during the summer.

The potluck supper held at the Arthur J. Laing's last Tuesday, June 4 turned out to be a surprise farewell party for them. Sixteen guests were there and presented the Laings with some lovely gifts. They plan to move to Ypsilanti June 25.

If anyone would like to have a Persian kitten, call Redford 5558.

The Livonia Junior High P.T.A. is sponsoring a promotion party and buffet supper in honor of the students who will be leaving the Junior High for Senior High, on June 14. Mrs. Bertha Laing is chairman of the affair and will be assisted by Mrs. John Bluth, Mrs. Maxine Bates, Mrs. Betty Carson and Mrs. Edward Hamilton. All the teachers of the school will also be present to assist.

Arnold Snyder, baseball and track star of Newberg School, underwent an appendectomy at Detroit Osteopathic Hospital last Wednesday night and will be forced to miss his graduation exercises at the school. His many friends wish him a speedy recovery.

The Executive Board of the Women's Club of the Rosedale Gardens Civic Association met last Thursday evening at the home of Mrs. William Wood. Plans were made for a most interesting program for fall and winter. Following the meeting Mrs. Wood served a light buffet lunch.

The Tuesday Bunko club met last week at the home of Mrs. Ethel Rouleau of Beatrice St. The group also celebrated the birthday of one of its members, Mrs. Roland Dyer, who received a lovely gift. The traditional birthday cake and a delicious lunch was enjoyed by all. Prizes at Bunko this week went to Mrs. Mary Landroche, Mrs. Helen Cook, Mrs. Margie Young, and Mrs. Alfred Higgins.

Mrs. Velma Mack of Northville spent last weekend with Mrs. Ethel Rouleau. On Saturday they went on a shopping trip to Detroit, and were on hand to view the Jubilee parade.

The Cooper School is being re-decorated this summer. The building is being painted and the school desks all refinished. The janitor hopes the children will like their "new" desks and will take good care of them in the fall.

Mrs. Nora Cowger, former cook at the Pierson School, is very ill at her home on Seven Mile Road.

Tommy Zopff's tenth birthday was a three day celebration this year. Last Saturday, Tommy's grandmother, Mrs. Clement Seed of Detroit came out for a picnic

supper and brought a cake for him and Mr. and Mrs. M. E. Hammond and family were also on hand for the celebration. On Sunday, Mr. and Mrs. Alex Brain and children, Mary Lou and Robert came from Detroit for a Sunday night supper in Tommy's honor. Monday, being Tommy's birthday, he was honored again at home by his mother and father, the Edward Zopffs, and little sister, Mary.

A group of Girl Scout leaders and interested friends met last Monday evening at the home of Mrs. George Cook to make plans for the securing of leaders for scout troops for next fall.

Thursday morning there was a long line of women in front of Eud's Market on Fenkell road. At nine there were about 25 women and 1 man at nine fifteen, there were three brave males looking very nonchalant.

Wednesday, June 5th Gladys Clark of 16125 Merriman Road celebrated her 25th birthday.

The Duth Mill on Fenkell is having a face lifting with a new white and green paint job.

The many friends of Jacqueline Opper, daughter of Mr. and Mrs. William Opper formerly of Five Mile road, will be interested and pleased to learn she is now a R.N. having graduated from the Harper Hospital School of Nursing.

Lapham Corners

Mr. and Mrs. Art Phillips of Detroit are spending a week's vacation with Mr. and Mrs. Ward Griswold and family.

Mr. and Mrs. Robert Roberts drove to Battle Creek Sunday where Mrs. Roberts' sister, Cadet Nurse Dorothy Ritchie just completed her nurses training. Miss Ritchie returned home with them and will spend a few days with her parents, Mr. and Mrs. William Ritchie.

Mr. and Mrs. Glen Smith and daughter Jane attended a birthday dinner in Mrs. Smiths honor at the home of Mr. and Mrs. Fred Crews in Detroit Saturday evening. Other guests were Mr. George Smith, Mr. and Mrs. Lee Gaeke of Plymouth.

Fred Rich and two children were Sunday visitors at the Kenneth Rich home while Mrs. Fred Rich attended a shower for her sister, Mrs. Gene Fulford in Ypsilanti.

Mr. and Mrs. Jack Gillis of Plymouth were Friday evening visitors at the home of Mr. and Mrs. Dan Barrett.

Mr. and Mrs. Ed Kaner and baby visited Mr. and Mrs. Glen Smith Sunday afternoon. Mr. and Mrs. Kaner were former residents of Lapham district formerly occupying the Nagy home.

Mr. and Mrs. Oscar Albaugh of Detroit were Sunday supper guests at the Ward Griswold home.

Mr. and Mrs. Frank Davis entertained at Sunday dinner Mr. and Mrs. E. L. Davis and son Eddie.

Mr. and Mrs. Frank Davis and family visited the Raymond Ash family in Ann Arbor Sunday evening. Mr. Davis's mother, Mrs. Belle Davis, returned home with them for a short visit.

Mr. and Mrs. William McClain of Plymouth were Thursday evening visitors at the Burton Rich home.

Mrs. Austin Partridge and son Micky visited Mrs. Dan Barrett Monday afternoon.

Mrs. Rosemary Stewart and Dan Stewart of Payne, Ohio, were weekend guests of the Glen

Smith family.

Judy Nagy is spending a few days with her grandmother, Mrs. Boris, in Toledo.

Margery Dix attended a birthday party in honor of Janice Lyke of Salem last Thursday afternoon.

Mr. and Mrs. Peter Baumgartner, Mrs. Stanley Chlansmith, Michael and Tommy spent last Thursday at their cottage at Portage Lake.

Mr. and Mrs. Charles Henry of Detroit were Monday evening dinner guests at the Glen Smith home.

Betty Jane Halling of Rochester, New York, is spending a few days with her aunt and cousins, the Ward Griswold family.

Mr. and Mrs. Arthur Lyke and family visited at the home of Mrs. Frank Davis and also called on Mrs. Helen Brown last Wednesday afternoon.

Judy Henry is staying at the Burton Rich home while her parents, Mr. and Mrs. Ernest Henry of Plymouth attend the Kiwanis Convention at Atlantic City.

Basil and Terrence Barrett are confined to their homes with the mumps.

Mr. and Mrs. Kenneth Rich spent Saturday evening with Mr. and Mrs. Floyd Smith in Ann Arbor.

Mr. and Mrs. Frank Davis visited his sister and family, the Kenneth Conklin's Tuesday evening.

Mr. and Mrs. Leonard King and son Leonard of Farmington were Tuesday evening visitors at the Elmer King home.

Little Eugene Waxman of Ann Arbor is again staying a few weeks at the Burton Rich home, his mother having returned to the hospital for another operation.

School Registration Notice

A new law enacted by the 1945 Michigan Legislature made several changes covering the qualifications of school electors. The former four classifications of school electors have now been reduced to two.

I. GENERAL ELECTOR: This individual may vote on issues not involving the voting of school bonds or taxes. Such issues are:

- Member of the Board of Education.
- Tax Limitation Issues.
- Other General Issues.

The qualifications are:

- Citizen of the United States.
- Twenty-one years of age.
- Resident of the state of Michigan for six months and of the school district for 20 days prior to any special or regular election.

Please note that you need no longer be a parent, guardian or property owner to register as a general elector.

II. TAX PAYING ELECTOR: This individual may vote on any and all issues, including the "Direct Expenditure of Public Money" and the "Issuing of School Bonds".

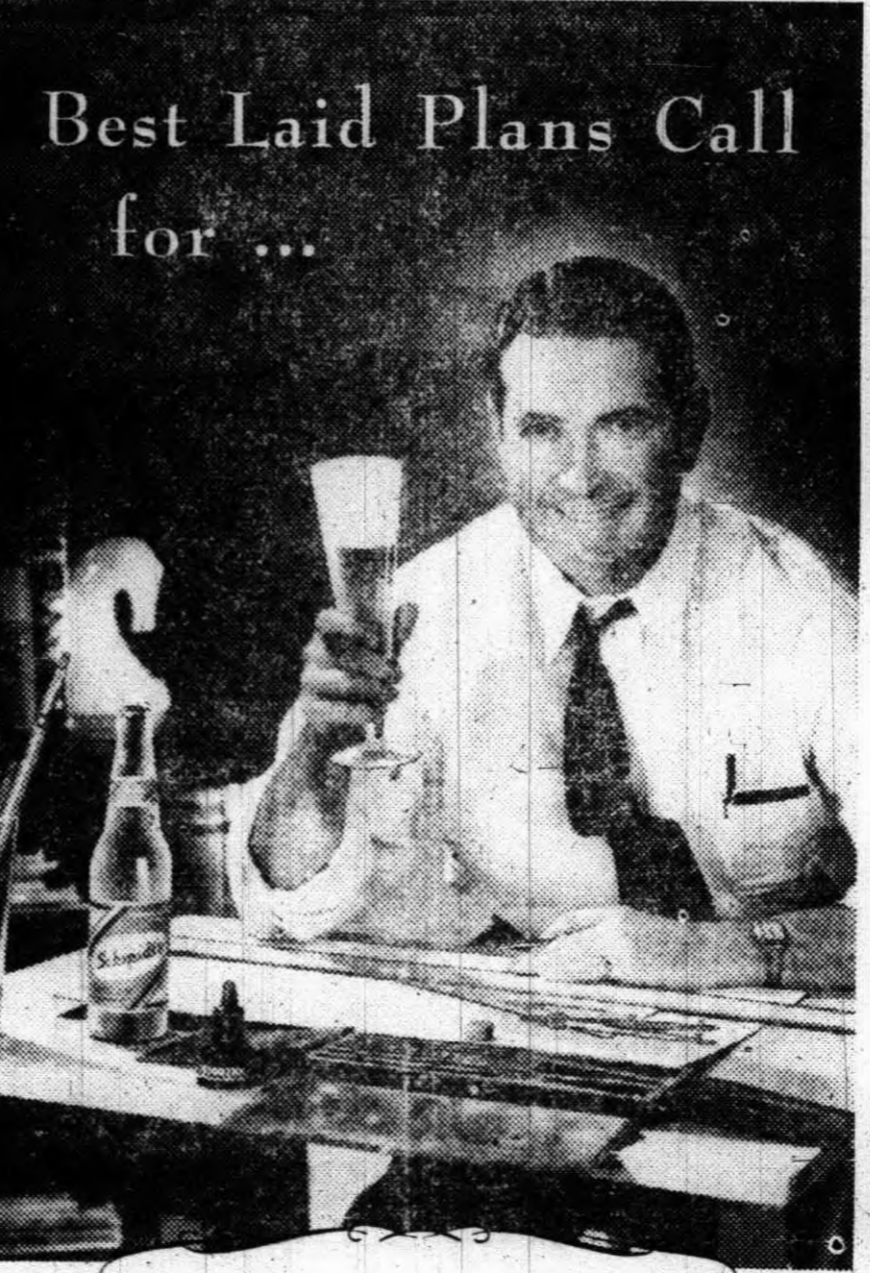

The qualifications are:

- Citizen of the United States.
- Twenty-one years of age.
- Resident of the state of Michigan for six months and the school district 20 days prior to any special or regular election.
- Must be the owner of property assessed for school taxes within the district or the lawful husband or wife of such a property owner.

The enactment of new legislation and the formation of a Township School District makes it necessary for all school electors to register. The old registration has been cancelled. It will be necessary for all school electors to register again.

REGISTRATIONS ARE NOW BEING TAKEN AT THE HIGH SCHOOL, BETWEEN THE HOURS OF 8 o'clock a.m. and 4 o'clock p.m.

STATE OF MICHIGAN IN THE CIRCUIT COURT FOR THE COUNTY OF WAYNE, IN CHANCERY

DEPOSITORS LIQUIDATION CORPORATION, a Michigan corporation, Plaintiff,

vs.
WALTER E. ASH, William S. BAKE, EDWARD H. BOLTON, MRS. LUMINIA COLE, HERBERT C. FELTON, GEORGE F. HILLIMER, JOHN BAZE, JR., NELLIE H. GREENLAW, JOHN C. WILCOX, WALTER J. BEERT, ELMER J. REDDEMAN, MYRTLE C. FISHER, EUGENE ORNDORFF, and PLYMOUTH UNITED SAVINGS BANK, a Michigan banking corporation, Defendants.

No. 378,374
ORDER APPROVING REPORT OF AVAILABILITY OF DIVIDENDS AND PROVIDING FOR ESCHEAT OF UNCALLED FOR SUMS

At a session of the said Court held in the Court House in the City of Detroit, County of Wayne, State of Michigan, this 19th day of April, 1946.

PRESENT: THE HONORABLE JOHN V. BRENNAN, Circuit Judge.

Upon reading and filing the Report of Availability of Dividends and Uncalled For Sums and Petition for Escheat, heretofore filed in this court and cause, from which it appears that Depositors Liquidation Corporation, plaintiff herein and Plymouth United Savings Bank, its agent, have given notice of the availability of the trustee's final liquidating dividend by publication and by mailing in accordance with the Decree heretofore entered in this Court and cause on July 26, 1945, and from which it appears that certain beneficiaries of the trust which is the subject matter of this suit and who were entitled to a dividend under the terms of said Decree have not called for or demanded their dividend within the period provided in said Decree.

IT IS HEREBY ORDERED that the acts of Depositors Liquidation Corporation, plaintiff herein, and Plymouth United Savings Bank, its agent, in giving notice of the availability of the trustee's final liquidating dividend by publication and by mailing be approved and ratified, said acts being pursuant to and in full compliance with the appropriate terms of the Decree heretofore entered in this Court and cause.

IT IS HEREBY FURTHER ORDERED that the acts of Depositors Liquidation Corporation, plaintiff herein, and Plymouth United Savings Bank, its agent, in making available and paying the trustee's final liquidating dividend be approved and ratified, said acts being pursuant to and in full compliance with the appropriate terms of the Decree heretofore entered in this Court and cause.

IT IS HEREBY FURTHER ORDERED that unless the beneficiaries named in "Exhibit 5" attached to the said Report of availability of dividends and Uncalled For Sums and Petition for Escheat, or their successors in interest, who have not received their dividend shall call for or demand the same within sixty (60) days from the date of this order, said dividends (including those concerning which inquiry has been made but which have not been paid because of lack of proof of right to payment) will be escheated to the State of Michigan, and Depositors Liquidation Corporation, plaintiff herein, and Plymouth United Savings Bank, its agent, will be relieved and discharged of all further liability in connection with the distribution and payment of the trustee's final liquidating dividend.

IT IS HEREBY FURTHER ORDERED that notice of the entry of this order and of the escheat of the uncalled for sums at the end of the sixty (60) day period shall be given by publication of a true copy of this order once each week for six (6) successive weeks in the Plymouth Mail, a newspaper printed and published in the City of Plymouth, Wayne County, Michigan, and by publication at least once of a complete list of the names of all beneficiaries appearing in said "Exhibit 5".

IT IS HEREBY FURTHER ORDERED that upon the expiration of the sixty (60) day period herein fixed, and upon the filing with this Court of an Affidavit of Publication of this order as herein provided, that an order will be entered in this Court directing Depositors Liquidation Corporation and Plymouth United Savings Bank, its agent, to deliver all uncalled for funds to the Michigan State Board of

Escheats.
(Signed John V. Brennan)
Circuit Judge

Detroit Man Dies Of Heart Attack

Harley Gill, age 47, 8905 Pinehurst street, Detroit, died of a heart attack at 32541 Schoolcraft last Friday at 7:57 p.m. while driving on Schoolcraft just east

of Farmington road. He failed to respond to rescue work by the Livonia Township Fire Department and was pronounced dead by Dr. Loris Hotchkiss, Township Health Official. The body was taken to the Redford Receiving Hospital and then to the Wayne County Morgue.

Bay, Leelanau, and Emmet are the only Michigan counties with less than 100 miles of stream each.

A Message To Our Customers

Government restrictions upon flour are to be continued for another year. Starting July 1st, flour mills can produce each month for domestic use not more than 85% of the amount of flour which they delivered in the same month of 1945. This means that we cannot hope to receive more than 85% of the flour we used last year . . . and we may get less. Since we cannot make baked goods without flour, we are forced to cut our production accordingly.

We are doing our best to cooperate in the food conservation program and we are trying to eliminate all waste in addition to cutting down our production. At the same time we are trying to supply you with a reasonable quantity of baked goods. We are willing, as we are sure that you are, to curtail our use of flour and fats as long as these foods go to feed starving people abroad. But we do not believe that emergencies should be used to put through control measures which will be continued long after the emergency has passed; and we are afraid that in the present instance that is what is being done. We are going to watch the situation carefully and ask our Congressmen and Senators to watch it too. If you will also write down to Washington occasionally and ask for the true facts on the food situation, it may help us get back sooner to the American way of life.

Babson

Babson Park, Mass., June 14.—Once every six months I prepare a brief summary of the leading industries. Half of these, I discussed in this paper last week; I am now completing this summary.

PAPER STOCKS: The outlook for the paper industry is good. Just now it is handicapped by a scarcity of pulp, but this should be remedied as soon as the pulp mills of Europe get into full swing.

PETROLEUM STOCKS: Although these stocks have been behind the rest of the market, they may be one of the best purchases. Readers, however, should buy the stocks of companies having large oil reserves rather than the stocks of the distributing companies.

PUBLIC UTILITY STOCKS: These are destined for public ownership. This means that stockholders will be compelled to turn in their securities for cash at a time when cash may not be worth much.

RAILROAD EQUIPMENT STOCKS: The railroads are in great need of new equipment of all kinds from spikes to locomotives. It seems as if such companies should do well for the next few years.

RUBBER STOCKS: The rubber industry has completed its re-conversion problems and earnings for the next two or three years should be satisfactory. Furthermore, the existence of large synthetic plants should make the industry more stable than in the past.

STEEL STOCKS: This country cannot enjoy prosperity without the steel industry benefiting therefrom. Therefore, the investments in the better-grade steel stocks appear justified. Steel plants, however, may especially be subject to bombing in the next war.

TOBACCO STOCKS: The tobacco stocks have many things in their favor but, of course, are much affected by taxation.

TRANSPORTATION STOCKS: Every month the railroads are showing declining earnings compared with the same months of previous years. I don't like this trend. Bus companies, both interstate and local, continue to do well.

GOVERNMENT BONDS: Everyone should have enough cash or government bonds on hand as a good reserve for emergencies or market breaks and to pay estate taxes upon death; but otherwise I see little advantage in governments or "cash in the bank" at this time. This is especially true of those who are in high income tax brackets. It is very clear to me that unless the

world has a spiritual awakening we are headed for another world war which would bring tremendous destruction to the United States. The net result of this could be the printing of currency to pay up all, or most, of the federal debt. Bondholders would get their money; but it wouldn't have much of any purchasing power.

MUNICIPAL BONDS: Most municipal bonds should be as safe as government bonds and, at the present time, are non-taxable; but, of course, are selling at a very low yield. The long-term issues will be paid when due; but may be paid in money which will not buy much. This also applies to many other investments founded upon debt and distant future payment to be received from life insurance companies.

CORPORATION BONDS: The only corporation bonds that look good to me are those selling at a high yield, or due within a reasonably short period of time; or which are convertible into stock on some attractive basis. Holders of long-term, low-interest rate bonds are headed for a severe licking in my humble judgment. Insist that your corporation bonds pay 5 percent.

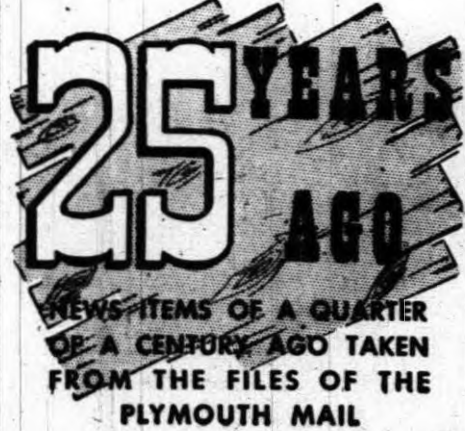

STOCKS: I continue to believe that well-selected stocks are the best investment at the present time (both for safety and yield). Furthermore, as investors look into the situation, carefully and impartially, they will come to similar conclusions. As the supply of good stocks is distinctly limited, this means that they should sell for higher prices than at present. I believe that the stocks of certain companies that yield only 3 percent may be safer over the longer term than the bonds of the same companies.

CONCLUSION: Of course, much care should be exercised in soliciting both industries and individual companies. Do not invest too much of your funds in companies that have most of their assets in large cities—especially large coastal cities. The safest stocks are among those of companies that have their assets distributed throughout the nation, especially in small communities.

Little Damage Done by Buneya Farm Fire
 Plymouth firemen were summoned to the farm home of John Buneya, at 50475 Powell Road, at 10 a.m. Monday. Upon arrival they found a minor roof blaze which was quickly extinguished. Damage was estimated at \$10.

Firemen reported the fire originated from chimney sparks falling on the roof. Eight shingles had to be removed. The scene of the fire was eight miles out of the city.

If you have anything to sell or rent, try a Plymouth Mail want ad. They bring results. Phone Plymouth 6.

A. G. Burnett, who has been seriously ill for several weeks, is rapidly improving and able to get out again.

Born, June 12, a little daughter to Mr. and Mrs. Fred Phillips of Elm. Mrs. Phillips will be remembered as Miss Hazel Sherman of this place.

Mrs. S. E. Cranson of Northville, and mother, Mrs. Caroline Millard, of Detroit, were calling on Plymouth friends last Monday evening.

Mr. and Mrs. Joseph Gates and grandson, Arthur Gates of Livonia, spent Saturday evening at James Kincaid's.

Harry Lush, Mr. and Mrs. F. B. Park and Mrs. Kate E. Allen left Tuesday morning by motor for Sage Lake and other places in the northern part of the lower peninsula.

Rev. and Mrs. F. M. Field and Mr. and Mrs. Frederick Thomas have been in Albion this week, attending the big annual alumni reunion, in connection with the sixtieth anniversary of Albion College. On Wednesday 11 hundred people were given a complimentary dinner by the mayor of the city.

Mr. and Mrs. Havershaw of South Lyon, were supper guests of their son, Earl and wife, Tuesday evening.

J. W. Blickenstaff and family have moved into their new house on Ann Arbor road in Elm Heights.

Dr. B. E. Champe is driving a new Willys-Knight touring car, purchased of Rambo & Macham, local agents.

Mr. and Mrs. S. D. Williams and children of Redford, were guests at William T. Pettingill's, last week Thursday evening.

Mr. and Mrs. Albert Stever entertained the club and several guests at a potluck supper and 500 Thursday evening.

Dr. and Mrs. J. L. Olsaver and little daughter, Barbara Jean, of this place, and the former's parents, Mr. and Mrs. Olsaver of Rushton, left Wednesday morning for a motor trip to Cleveland, Ohio, where they will visit relatives for a few days.

Edward Gayde has gone to Grand Rapids for a two weeks' stay.

Mrs. F. A. Campbell, who has been ill for several weeks, is slowly improving.

Miss Athalie Hough has been at home from the University of Michigan for a few days this week.

Miss Regina Polley's Sunday school class of girls and E. E. Foster's Sunday school class of boys enjoyed a pleasant picnic supper at the home of one of their members, Miss Clara Hauk, south of town, last Tuesday evening. A delightful time is reported by all present.

Cass Sheffield Hough, son of Mr. and Mrs. E. C. Hough of this place who has been attending the Culver Military school at Culver, Indiana, for the past three years, graduated from that institution Wednesday, June 8th. Mr. and Mrs. Hough, daughter

Summer Garbage Pickup Schedule Starts Monday

City Manager Clarence H. Elliott has announced that the City trucks will start their summer schedule of garbage and rubbish collections on Monday, June 17. Garbage will be picked up in precinct 1 every Monday and Wednesday mornings. In precinct 2 it will be collected each Monday and Wednesday afternoons. Residents in precinct 3 will have their garbage removed every Tuesday and Thursday mornings. In precinct 4 the collectors will call each Tuesday and Thursday afternoons.

Stores will be given collections every Wednesday and Saturday. Rubbish in all sections of the community will be collected on Friday and Saturday. This schedule will be maintained throughout the summer months.

Adolph Koenig Goes to Alaska

Adolph J. Koenig, former city manager of Plymouth who has served in a similar capacity in Jackson for a number of years, has accepted a position as city manager of Anchorage, Alaska, and will go to Alaska to accept his new duties during the summer.

Anchorage is one of the fastest growing cities on the American continent. Since the war its population has jumped from a few thousand to a city of over 15,000.

The city decided that it was necessary to hire a city manager in order to take care of the problems that have developed as the result of its sudden growth.

City Manager Clarence Elliott will go to Jackson July 1 to take the place made vacant by the departure of Adolph Koenig for Alaska.

Contrary to general beliefs, the climate of Alaska is not severe in winter time. That locality also enjoys a delightful summer climate.

Standing of Ford Village Teams

The Plymouth-Newburg nine of the eastern division of the Ford Village Industries Softball league took the circuit lead last week by defeating Ypsilanti, 13 to 9. Western division teams were idle.

Following are the standings of teams up to June 3:

Eastern Division			
	W	L	Pct.
Plymouth-Newburg	3	0	1.000
Northville	2	0	1.000
Waterford-Phoenix	0	2	.000
Nankin Mills	0	1	.000
Ypsilanti	0	1	.000
Milford	0	1	.000

Last Week's Results
 Northville 18, Waterford-Phoenix 6, Plymouth-Newburg 13, Ypsilanti 9

Western Division			
	W	L	Pct.
Flat Rock	1	0	1.000
Dundee	1	0	1.000
Brooklyn-Sharon	0	1	.000
Manchester	0	1	.000
Milan	0	0	.000

Corette, and Mrs. L. C. Hough attended the graduating exercises.
