HOMES FOR THE VETS.

Here's a bit of advice to the veterans who need homes and can't get them built because of labor racketeers, material shortages and high costs, due to Washington administration bungling.

Build your own house. Buy a No. 2 shovel. Dig the basement by hand. Mix the concrete for the wall, pour the mixture into forms you have made yourself.

Then lay the bricks—and even though you are inexperienced, you will probably lay twice as many in a day as you could hire done.

Then buy a hammer and saw and some lumber if you can find any. After the lumber is delivered to your lot, load your shotgun, because the delivery of lumber is the signal for goon squads to hover around like a lot of hungry buzzards.

If the goon squads begin to break up your lumber, and use pieces of 2x4s they have broken up to jam the walls in that you have laid, then use your shotgun. We recommend the use of buckshot, as it might reduce the goon population.

After you have driven off these human buzzards, you can proceed with your construction work and maybe by the time the New Deal is dead and buried, you'll have a house to live in. That will be after November, 1948, so there's really no use to hurry.

WAS IT A MISTAKE?

Some three or four years ago when Hitler's hordes were pounding at the door of Moscow and Stalin was crying for help from the United States and Great Britain, one frequently heard the suggestion that it might be well to permit Hitler to complete his conquest of Russia before the English speaking races crushed Hitler to earth.

It was Russian trickery, Russian suspicion and Russian hatred and mistrust of the United States and England which gave rise to such suggestions.

The United States and England saved Russia from utter defeat by shedding the blood of thousands and thousands of our young men and sending war munitions and food to Stalin's country.

Now that Hitler is dead and Germany lies prostrate in defeat, what do we find Russia doing?

Nothing, except threatening the peace of the world just as did Hitler. In fact, Stalin's treachery and seemingly defiant attitude towards his benefactors, seems more threatening to world peace than was Hitler's conduct before he drenched the soil of Europe with the blood of millions of people.

Time and again we have tried to make ourselves believe that Stalin was not an enemy of peace, that he wanted the world to go forward in harmony and good will. But his every word and his every act makes it difficult for us to believe that he has any peaceful intentions.

Russia's attitude appears to be that of the hungry cur dog that came whining to the door. We fed it and then it snarled and bit us.

We hope sincerely that this is not the case, but there is nothing in the news to indicate that it is otherwise.

So It's PETTY CRIME!

Speaking in Detroit a few days ago before members of the Kiwanis Club, Murray D. Van Wagoner said:

"There is a lot more to the governorship than the ability to send a few PETTY THIEVES to prison. Michigan has acquired a national reputation as a crooked state. Basically Michigan has honest government despite the headlines and despite the conviction of public officials."

So it's a PETTY CRIME, is it Mr. Van Wagoner, for members of the legislature to take bribes for their votes — for special interests seeking the enactment of laws which will be of FINANCIAL benefit to their own pocketbooks to pay bribes to state legislators and other public officials — for law makers to seek bribe money for the highly important votes that the people have trusted them with — for public officials to enter into conspiracies to sell the people of Michigan down the river for filthy, crooked dollars?

So, all of this is PETTY CRIME, is it Mr. Van Wagoner? It is difficult for us to believe that you really meant what you said — but apparently it does represent your views, and if so, then you are not entitled to the vote of a single honest citizen of this state.

Don't you know, Mr. Van Wagoner, that all of the other states in the Union regard bribery and the acceptance of bribes, and conspiracy against the public as such serious crimes that a public official convicted of accepting a bribe of ANY KIND, is not only sent to prison, but is FOREVER prohibited from holding any public office again?

Don't you know, Mr. Van Wagoner, that under the law in Michigan a PETTY CRIME constitutes such offenses as traffic violations, the theft of a candy bar or a newspaper from a store counter, over-indulgence to the extent that you may stagger if you walk down a public street — in other words just plain drunkenness? Sometimes in some places it's a petty crime if you own chickens and they should get out into the street.

These are petty crimes, Mr. Van Wagoner, minor infractions of the law that people frequently commit without realizing for the moment that they are breaking some ordinance or law.

And you class as a PETTY CRIME the most serious offense a public official can commit, the acceptance of BRIBE MONEY for selling to the highest bidder his SACRED LEGISLATIVE VOTE!

And you class, too, as a petty crime the failure of public law enforcing officials to perform their sworn duty because some racketeer, some law violator, PAYS THEM GRAFT MONEY for not enforcing the laws of the state! While taking graft money to permit racketeers to openly violate the law, these same thieving public officials pounce upon some poor, helpless person who through environment and circumstances breaks some law, hold the poor fellow up to public scorn and rush him off to prison. WHY? Because the poor devil hasn't got enough money to pay these crooked officials their price.

Under your classification of "petty crime" you apparently include the conspiracy that resulted in the murder of Senator Warren Hooper the day before he was to appear as a witness before Kim Sigler's grand jury court hearing.

You know, Mr. Van Wagoner, that four or five notorious Detroit hoodlums were convicted of having a part in this murder conspiracy — and they were sent to prison, but they had MONEY, BIG MONEY, and they hired expensive lawyers and they appealed their case to the supreme court and they have been able to get out of prison on BIG bail money, pending a re-hearing of their case.

We presume, too, that this case is nothing more than just "petty crime."

Basing our judgment upon your own assertions made in the political talk you gave before the members of Detroit's Kiwanis club, if you get one vote for governor, you are getting one more vote than you should get.

No Celebration In Plymouth On Labor Day

Summer is fast drawing to a close. For those with children of school age it will end officially on Labor Day, Sept. 2.

Children of not, Labor Day really marks the end of carefree days for most of the people. It will mark the last time many Plymouthites will have an extra day at home for the numerous repair jobs that plague all home-makers.

It is the last summer holiday and the final "long, or lost, weekend" for the white collar guys and gals and all others who work for a living.

For many the Labor Day weekend will be the signal for a final fling at swimming, picnicking, boating, taking a trip, visiting (Continued on page 6)

Plymouth Schools To Open Sept. 9; Need 2 Teachers

More than 2,500 students are expected to enroll Monday, Sept. 9, when the Plymouth Public Schools open for the 1946-47 term.

Superintendent Helmer A. Nelson said all grades would assemble at 8:30 a.m. Junior High school enrollees will meet at 8:30 a.m. also in the Central High gymnasium.

Enrollees in senior high school grades, nine through twelve, will assemble in the gymnasium also, at 9:30 a.m. Full schedule will be maintained the first day up to 2:30 p.m. Supt. Nelson said.

With the exception of two teachers the public school faculty is complete. The vacancies probably will be filled before school opens.

Supt. Nelson said the students in junior and senior high school classes would be greeted by bright new decorations in most rooms. Workmen have been refurbishing most high school classrooms throughout the summer and restoring the floors and wood work.

New teachers on the high school faculty roster this year are C. E. (Continued on page 2)

Three Pictures in Acceptance

Although not many residents of Plymouth are familiar with the fact, L. B. Rice, manager of the Plymouth office of the AAA is one of Michigan's outstanding photographic artists.

At the recent 15th annual Detroit International Salon of Photography which took place at the Detroit Institute of Arts, three of his exhibits were accepted for exhibition purposes.

When one realizes that many hundreds of pictures were submitted and that the work of only 22 amateur photographers of Michigan was accepted, a pretty good idea can be obtained as to the high standard of Mr. Rice's work.

Of the total of 1035 prints submitted, 281 were accepted. This total represents 20 overseas contributions, 118 domestic contributors and 19 of the Detroit U.S.O. Photographers.

The Salon is open to all amateur and professional photographers in the world and each entrant must submit four prints. Of the number that Mr. Rice submitted, three were accepted.

They were entitled "Lad," a picture of the dog by that name owned by Dr. and Mrs. Frederick Bentley of this city, "Dune Grass," a picture taken along the sand dunes of Western Michigan and "Harbor Fog."

Predicts Heavy Labor Day Traffic, Chief Sackett Urges Safe Driving

Chief of Police Lee Sackett, anxious to see to it that as few traffic accidents as possible happen, has issued a special warning pertaining to the Labor Day holiday period when highways will be crowded with pleasure seekers.

In spite of the lack of new automobiles, highway traffic seems the heaviest in years. Not only is it heavy, but careless driving seems to have increased by leaps and bounds, with traffic accidents reaching a near high in this and all other states.

Chief Sackett declares that if drivers will observe the following rules, they will do much to reduce the number of accidents:

1. "Take It Easy!" Don't weave in and out of traffic. Maintain a steady driving pace without excessive speed or racing spurts in traffic.
2. Don't drive on the wrong side of the road. Keep to the right, particularly on curves.
3. Don't pass on hills, curves or at street intersections.
4. Get an early start, going and coming, to avoid tension in crowded traffic. Rest when necessary to overcome fatigue.
5. Slow down at sundown; don't overdrive your headlights.
6. Watch for cars coming out of side roads, particularly after dusk; and obey all traffic signs calling for a "Full Stop."

Legion Posts Planning Joint Installation

New officers of Myron H. Beals Post, No. 32, and Passage-Gayde Post, No. 391, American Legion, will be installed at joint ceremonies scheduled for 8 p.m. Tuesday at Newburg Hall.

The famous ritual team of the Pontiac Vulture, 40 & 8, will conduct the installation rites. The public of Plymouth is cordially invited to attend. Refreshments will be served.

Special guests will include the entire roster of district officers and Plymouth's own Lyle Alexander, Michigan department adjutant.

The officers-elect of Beals post are John Jacobs, commander; Russell Daane, senior vice commander; Eddie Zielasko, junior vice commander; E. L. Shipley, sergeant-at-arms; Dean F. Saxton, chaplain; Don Ryder, Jr., historian; and Chauncey Evans, treasurer.

Passage-Gayde post's new officers are William Langmaide, commander; Paul Keller, senior vice commander; Gilbert Rhode, junior vice commander; Stillman Warner, adjutant; Paul Hummel, historian; Vern Miller, chaplain; and Barney Laskey, sergeant-at-arms.

Bus Line Gets 3 New Coaches

The Plymouth Coach Company is now operating nine buses. The line recently took delivery on three new vehicles too. In addition they have repainted all buses in a new blue and grey color scheme.

Edward Sinta, manager of the line, said the buses all had been put in tiptop mechanical condition to be ready for the increased traffic the opening of school will bring. He said the new color scheme would prove more popular and break the monotony of the traditional all green paint jobs.

Tom Locke is the new amateur golf champion of Plymouth. He won that title last Saturday afternoon on the Hilltop course by defeating Rockwell Smith in the championship final match as Plymouth's first annual City Golf Tournament drew to a close.

With the title went the Plymouth Mail trophy and a set of PGA irons. Tom will retain the trophy for a year at least. To win permanent possession of it a golfer must win the city golf meet three times.

Bud Archer defeated Bill Choffin for the first flight championship. Paul Richards posed out George Farwell for the second flight honors while Bill Morgan triumphed over Bob Hunt to take the third flight title.

Trophies and prizes were presented to the winners by Mayor Robert Lidgard, Saturday night, at a special dinner dance at Saddle Ridge. Following the presentation ceremonies more than 50 couples spent the remainder of the evening dancing.

Wayne Rotarians Plan Big White Horse Show

Something new and different in the way of entertainment will be presented in Wayne Sept. 6-8, when the famous White Horse Show rides into this city's neighborhood to the south under the auspices of the Wayne Rotary Club. At fairs and horse shows throughout the Middle West it has been pronounced one of the finest entertainment and education programs playing the fairs.

The show at Wayne features 25 beautiful Albino horses from the famous Cal and Ruth Thompson White Horse Ranch at Napier, Nebraska. These marvelously trained animals and their expert riders present a series of highly entertaining routines that include all sorts of difficult tricks, many of them originated at the ranch. The horses have been pictured in the movies and were featured in Life Magazine.

In addition to the horses and their riders, the show has been augmented with outstanding novelty acts, clowns, music, singing and other features and is presented in a special unique setting, with colorful lighting effects. It is educational as well as entertaining, and has been heralded as (Continued on page 2)

Social Band Concert Postponed Due to Polio

Due to the prevalence of polio in Wayne County, the joint Stark-weather PTA ice cream social and final concert of the Plymouth Civic Band, originally scheduled for Wednesday night this week, was postponed indefinitely.

The combined affair was to have been held on the school grounds. It will be re-scheduled and the new date announced later in The Mail. That means there will be another open air concert by the Civic Band here.

Plymouth Boy's Model Airplane Sets New Record

Eight sanctioned world speed records were set at the Redford Fair at Edgewater Park last weekend in the tethered power model airplane contest.

The records are sanctioned by the Academy of Model Aeronautics, Washington, D. C.

Among those setting new world records with their miniature craft was Lewis Mettetal, 17-year-old Plymouthite.

His ship established a new record of 104.65 miles per hour in the senior division of Class C for models with .6 cubic inch displacement motors.

Lewis competed against entries from Detroit, Royal Oak, Highland Park and Grosse Pointe.

But winning prizes and honors in power model airplane meets is no new experience for Lewis, son of Mr. and Mrs. Raphael Mettetal, of 8425 Lilley road.

Lewis has been in the power model plane business for the last two years. He has participated in meets all over Detroit and at Battle Creek and Flint.

He is now planning to enter another meet at Ford Airport on Sept. 15. Lewis revealed that the plane he set a new record with at Edgewater Park has two silent partners. They are his brother, Marvin, and a pal, Jack Bucknell.

Lewis reports that he hopes to begin flight training next spring. He is naturally very interested in aviation. His family own the Mettetal Airport.

Lewis makes his own model craft and buys the motors for them. He hopes to become an airlines pilot some day.

Woman Police Officer Resigns

Mrs. Geraldine Jacobs, who has served as Plymouth's woman police officer for several years in a most satisfactory manner, has presented the city with her resignation and will leave the department on September 15.

She will become associated with her husband, Louis Jacobs, in the operation of the Music Manor which has enjoyed a very rapid increase in business in recent months.

Grid Call Given By Coach Falan

Coach Wayne Falan has requested all Plymouth High school football squad candidates to meet with him in Central High gymnasium at 9 a.m. Tuesday, Sept. 3, the day following Labor Day. Practice will begin at once.

Plymouth Men Plan New Store at Walled Lake

Effective Wednesday, Sept. 11, Don Horton and Earl Mastick will open a farm implement, home appliance and hardware store at Walled Lake opposite the Grand Trunk Western depot.

It will duplicate their Plymouth store as nearly as possible. To insure the maintenance of their efficient service, Horton and Mastick, will transfer a nuclear staff of their present skilled personnel to the Walled Lake store.

The Plymouth pair have operated a farm supply, implement and hardware business here for the last eight years. Both are prominent in the Wayne County farm implement business world and their integrity as merchants is well known.

Their Walled Lake store was decided upon due to the increased tempo of business from Southern Oakland County farmers, particularly in the section which has Walled Lake as its hub.

As does their Plymouth store the new one at Walled Lake also will offer a complete line of farm implement parts and expert mechanical repair staff.

The grand opening of their new (Continued on page 2)

Fire, Water Ruin Truck's Cargo

Plymouth firemen were summoned to the intersection of Highway US-12 and Ridge road at 7:45 a.m. Wednesday where a truck trailer loaded with Celotex rock wool was afire.

Fire chief Bob McAllister said his men removed two-thirds of the load before reaching the center of the blaze. The rock wool itself will not burn but the cardboard boxes it was packed in were readily consumed by the blaze.

The trailer was owned by Henry J. Vroom & Sons, of Detroit, and was enroute from Detroit to Ann Arbor. The driver, whose name was not learned, said the rock wool was loaded while hot. That led firemen to believe it started through spontaneous combustion.

Most of the load was ruined by water. The fire destroyed only the packing cases carrying the rock wool. The driver smelled smoke and stopped his truck to have a look. It was then he discovered the blaze in the trailer. He disengaged the tractor and then called firemen.

Cub Scouts Day Camp Held at Riverside Park

More than 20 Cub Scouts of Plymouth participated last week in a daily camp program at Riverside Park, sponsored by the Plymouth Kiwanis Club and the community's ex-servicemen.

Programs were held Monday through Friday from 9 a.m. to 4 p.m. The week closed Friday evening with a potluck dinner and the parents of the participating Cubs as special guests.

Jaycees Prepare Many Interesting Meetings For Next Few Months

Programs for the next nine months have been planned by the Plymouth Junior Chamber of Commerce. Meetings will be held each month on the first Wednesday night.

The topic for September's meeting next Wednesday night is public safety. Bob Fisher is the chairman. October's topic will be fire prevention with Lee Turbett as the chairman of the program.

Public health will be discussed by the Jaycees in November, along with city planning. Dcwey Taylor will direct the former and Henry Lorenz the latter.

Sanford Knapp has been made chairman of the JCC Christmas activities and the December meeting.

In January the group will discuss sports and membership. Rockwell Smith and Casey Partridge will handle the athletics while Ralph Taylor conducts the membership panel.

Only 20 Percent Have So Far Registered In Plymouth Township

All voters in the townships and villages of Wayne county must register before October 16 if they vote in the fall election on November 5.

Norman Miller, clerk of Plymouth township, warns that up to today, less than 20 percent of the voters of Plymouth township have registered for the fall election.

Voters in the city of Plymouth will not have to register, as this city adopted the permanent form of registration now required by law several years ago.

Previous to this year it was only mandatory that cities of over 5,000 population adopt the permanent registration system. But now all villages and townships come under the state law.

This makes it necessary not only for the voters in Plymouth township, but in Northville, Canton, Livonia, Redford, Nankin and all other townships in Wayne county as well as other counties of the state to register for the fall election.

This registration must be completed before October 16, which is 20 days previous to the November 5th election date.

Registration on election day is (Continued on page 6)

Willoughby To Direct Drive For Salvation Army

Robert D. Willoughby has been named general chairman of the Salvation Army's annual financial campaign, by the Plymouth Advisory board.

The annual appeal for funds for the Salvation Army service program will get under way, September 9th, and the quota to meet the budget requirements has been set at \$2,750.00 for 1946-47.

Mrs. Lisle Alexander, the local board treasurer, will serve as campaign treasurer, and will receive and disburse all funds raised locally.

Fred Mallard, will serve as chairman of the Industrial division for employed groups.

City's Amateur Tennis Tourney Is Nearly Over

Play in Plymouth's amateur tennis tournament is fast drawing to a close in the singles division.

Semi-finalists scheduled to battle it out this weekend include Joe Martin vs. Henry Baker; William Bateman vs. Mike Huber; Laurence Fest vs. Austin Whipple; and Claude Gebhardt vs. John Angel.

They will play on any court suitable to both with a third tournament player as umpire. The best two out of three sets will determine who continues as a title contender.

The Labor Day weekend also will mark the opening of play by teams in the doubles division of the tourney. First round matches have been scheduled as follows:

William and T. P. Bateman vs. Earl Mastick and Paul Simmons; John Angel and Laurence Fest vs. Joe Martin and Robert Birt; Mike Huber and Ray Warner vs. (Continued on page 6)

Opal Miller Marries John Jackson In Church Ceremony

At a quiet ceremony in the First Presbyterian Church, at ten o'clock on the morning of Aug. 24, Rev. Henry J. Walsh joined in marriage Miss Opal Miller, daughter of Mr. and Mrs. W. A. Miller of Samburg Tenn., and John Reece of Jackson, veteran of three years' service in the Pacific theatre of war and now an employee of the Bell Telephone Co. of Plymouth.

The bride was lovely in aquamarine with white accessories and white roses. Her maid of honor, Miss Ann Van Every, wore teal blue. The groom was attended by David Ingall as best man.

After a wedding breakfast the newlyweds left on a motor trip through the North, and upon their return will make their home in Plymouth.

Betty Knowles Becomes Bride in Candlelight Ceremony Saturday

After their marriage in the First Presbyterian church Saturday, Mr. and Mrs. Thomas M. McPhail, Jr., motored to North Bay, Ont., for their honeymoon. The bride is the former Betty Knowles, daughter of Mr. and Mrs. Herbert J. Knowles of Plymouth and her husband's parents are Mr. and Mrs. Thomas McPhail of Detroit.

Lighted tapers in tall candelabras, bouquets of white gladioli and palms decorated the altar for the ceremony performed by Rev. Henry J. Walsh.

Given in marriage by her father, the bride wore a white satin gown made with sweetheart neckline, button-trimmed bodice, long sleeves and a full skirt extending into a long train. Her veil of net was of fingertip length and was caught to a halo of orange blossoms. She carried a bridal bouquet of white roses.

Mrs. Joseph Scarpulla, her sister's only attendant, was matron-of-honor. She wore pale yellow organdie. Talisman roses formed her bouquet.

The best man was Edward Phillip, of Detroit and Joseph Scarpulla and John Arasin acted as ushers.

Mrs. Knowles wore a light blue gown with a corsage of pale pink roses. Mrs. McPhail wore a beige gown with red roses. Flowers in pastel shades and lighted tapers in silver candelabras flanked the wedding cake served at the reception held in the church parlors.

The young couple will make their home in Detroit.

the most unusual attraction playing the fair circuits.

The majority of performers are boys and girls from 10 to 17 years old who have been trained in the Thompsons' ranch school.

The first show will get underway at 8 p.m. Sept. 5 and will continue through Sept. 8, with Sept. 7 and 8. On Sept. 6 the matinees Saturday and Sunday, troupe will present a special show to hospitalized veterans at Dearborn Veterans Hospital. The performance here will be given on and in front of a 140-foot stage on the south side of Michigan avenue, just west of the Wayne County Sheriff's road patrol station in Wayne.

store, according to Mr. Horton, will be marked by a day long festival featuring music and free movies until 10 p.m. There will be many door prizes. They will consist of coupons allowing the holder to purchase FOR IMMEDIATE DELIVERY such items as an electric refrigerator, electric ranges, garden tractor, lawn mower, washing machine and enamel steel sink.

In addition to a full line of Hot Point home appliances the new store will represent the following power, farm and garden machinery manufacturers: Allis-Chalmers, Fairbanks-Morse Water Systems, DeLaval Milking Machines and Cream Separators, Pape Silo Fillers and Hammermills, Starline Barn Equipment, Simplicity Garden Tractors and Cooper Power Lawn Mowers.

The store is new from the ground up—all ultra-modern equipment and fixtures. It will be truly a store to supply every farming and home appliance or hardware need.

While hundreds of formations on the moon, such as craters, mountains and seas, have been named and renamed in the past 300 years, only 520 of these names have been retained. 200 of the most commonly used having been chosen by one man, the Italian astronomer, Riccioli, in 1651.

In Memoriam

In loving memory of my dear
husband, Ernest Guldner, who
passed away 1 year ago Septem-
ber 2, 1945.
The blow was hard,
The shock severe
I never thought his death so near
Only those who have lost can tell.
The pain of parting without fare-
well.
Sadly missed by his
wife Emma.

In loving memory of our dear
wife and mother, Mrs. Edith Gow,
who passed away 1 year ago Sep-
tember 4, 1945.
The depths of sorrow we cannot
tell.
Of the loss of one we loved so
well,
And while she sleeps a peaceful
sleep
Her memory we shall always
keep.
Sadly missed by her husband
William
and daughter, Emma Guldner

CARD OF THANKS
I wish to thank my many
friends for their shower of birth-
day greetings. Their messages
were very delightful.
Mrs. Ida Livrance,

CARD OF THANKS.
We wish to express our deep
gratitude for the kindness of all
our friends and neighbors who
gave us sympathy and assistance
during our bereavement.

Marion and John Shinn
Doris Lodge.

CARD OF THANKS
Our heartfelt thanks to all who
extended comforting sympathy
and help in our recent sorrow.
For the beautiful service by Mr.
Schrader and his staff, the floral
offerings, and other kindnesses,
and to Rev. Hoenecke and the
organist, we are deeply grateful.

NO CELEBRATION IN PLYMOUTH ON LABOR DAY

(Continued from Page One)
relatives or perhaps attending a
ball game.

At any rate most people con-
sider Labor Day as the end of
summer vacation days even
though warm weather hangs on
for an additional six weeks.

As in previous years Plymouth
will not offer any type of com-
munity celebration. There may be
a ball game or two over the
weekend at Riverside Park but
that remains to be learned. Sev-
eral local families are planning
special parties for the occasion
while others will take a final
motor trip or excursion to a fa-
vorite recreation spot.

Many more Plymouthites are
viewing the coming holiday week-
end with an eye to resting and
relaxing an extra day in prepara-
tion for a busy fall and the long
winter season ahead.

More practical parents view
Labor Day as the start of their
vacation because it means school
will soon open. Plymouth public
schools will open the day follow-
ing Labor Day, Sept. 3.

Plymouthites planning motor
trips over the holiday should
drive with caution and exercise
a great deal of care on the high-
ways as the death toll each Labor
Day seems to be greater than the
previous year's. Tragedy always
is a poor way to wind up a sum-
mer or observe a holiday.

Let's celebrate Labor Day in
any manner we choose and to
the fullest measure but do it
wisely and live to tell about the
grand time you enjoyed.

Cutting off trees at their base with a new type of giant tree shears is nearly as easy as cutting the stem of a rose with a pair of scissors. Mounted on a special tractor and exerting a pressure up to 60 tons, the blades of this instrument can cut down a tree 2 1/2 feet in diameter in 10 seconds.

For 200 years, before the first steam automobile was built in 1770, a number of strange mechanical vehicles were developed in Europe. Several were propelled by one or two men who turned the axles with treadles or winches; while others employed sails or kites. But the oddest of all these cars had its wheels geared to a windmill erected on its roof.

Roes Back From Trip To West

Travel conditions to the Pacific coast, if you go by automobile, are improved over what former reports said they were, according to Mr. and Mrs. William Roe and their daughter who recently returned from a trip to the west.

"We found little difficulty in securing good lodging places at nights. There are many excellent automobile courts, tourist homes and some hotels where accommodations can be secured" said Mr. Roe.

"The trip was a most pleasant one and some of the difficulties we expected to find, did not exist" he added.

They made a tour to most of the interesting places along the Pacific coast and were greatly interested in the Oakland Irrigation District, located some 100 miles east of San Francisco. The locality is called the "Winter Sports Paradise of the Sierras" and has an area of over 63,000 acres now under irrigation. The winter sports programs take place in the mountains near the city of Oakland, which is only 160 feet above sea level and the climate is excellent the entire year.

Farm Bureau Picnic Is Very Successful

More than 80 persons attended the Wayne County Farm Bureau picnic last Saturday at Riverside Park.

There was a ball game, races and a dinner of fried chicken as the main attractions. Several prizes were distributed to winners of the various races. Prizes were donated by Plymouth and Wayne merchants.

The picnic committee consisted of George Grissell and William Masterson. Mrs. James Swegles was chairman of the dinner.

OFFICIAL MINUTES OF THE PLYMOUTH BOARD OF EDUCATION
The postponed regular August meeting of the Plymouth District School Board was held August 20, 1946 at 7:30.
Present: Brisbois, Eaton, Stark and Strong.
Absent: Sutherland.
The minutes of the meeting of July 26 were read and approved as carried. The minutes of the special meeting of August 5 were read and approved as read.
Stark moved and Brisbois seconded the motion that bills in the amount of \$2619.69 be paid.
Ayes: Brisbois, Eaton, Stark and Strong.
Nays: None.
Strong moved and Stark seconded the motion that school

open Sept. 9 in conformity with other Wayne County schools.
Ayes: Brisbois, Eaton, Stark and Strong.
Nays: None.
Stark moved and Brisbois seconded the motion that a contract be let for grinding out and caulking all joints in the entrance, and doors of the High School Building. These joints and other openings are in bad condition and with new automatic heating the board felt that all heat leaks should be stopped to prevent loss of heat.
Ayes: Brisbois, Eaton, Stark and Strong.
Nays: None.
Mr. Nelson reported that Federal funds are available for food for school lunches and may also include equipment. This would result in a cheaper lunch for the children. Since his information was not complete, the board delayed action until more can be learned.
Mr. Nelson also presented the Westinghouse Plan. This suggests the installation of several items of Westinghouse equipment for the use of the Home Economics Dept. at about a 50 per cent cost and the replacement of it yearly for five years at the cost of installation. Some of the suggested equipment was felt by the board to be of little use to us and Mr. Nelson was asked to find out whether all of it had to be included and reported to the board later.
The Tax Allocation Board has set the rate for Plymouth Township School tax at \$9.099.
Strong moved and Stark seconded the motion that the teachers' health certificates be reviewed by a committee of local doctors to determine their physical fitness to fulfill their contract obligations.
Ayes: Brisbois, Eaton, Stark and Strong.
Nays: None.
Brisbois moved and Stark seconded the motion to adjourn. The motion carried and the meeting adjourned at 10:10.
Alice V. Strong, Sec'y

Nays: None.
Carried.
The following resolution was introduced by Commissioner Shear and supported by Commissioner Taylor:
RESOLVED, that a special city election be ordered to be held in the City of Plymouth, Wayne County, Michigan, on the 16th day of September, 1946, for the purpose of submitting to the vote of the electors of said City voting at such election, the question of approving the franchise ordinance adopted by the Commission of said City at its meeting held on the 5th day of August, 1946, which said ordinance is entitled as follows:
AN ORDINANCE granting the Detroit Edison Company, its successors and assigns, the right and authority to construct, maintain and operate in the public streets, highways and alleys, and other public places, in the City of Plymouth, Wayne County, Michigan, all needful and proper poles, towers, masts, wires, pipes, conduits, and other apparatus requisite for the transmission and distribution of electricity for public and private use, for a period of thirty years.
Ayes: Mayor Lidgard, Commissioners Corbett, Davis, Shear and Taylor.

The following Resolution was introduced by Commissioner Shear and supported by Commissioner Taylor:
RESOLVED, that Charles H. Garlett and Miss Evelyn Stanible are hereby appointed to act with the City Clerk as a Board of Registration.
RESOLVED, FURTHER, that the City Clerk be directed to give notice of the submission of said question to the electors at said election in the manner required by law, and that on the twenty-seventh day of August, 1946, immediately prior to such election, the said Board of Registration shall review the registration and shall register any qualified electors who are not registered and who shall appear and apply therefor, notice of such registration to be given in the manner required by law and the City Charter.
RESOLVED, FURTHER, that the City Clerk be and is hereby directed to prepare and supply necessary ballots for submitting such question, which said ballots shall be substantially in the following form, to-wit:
OFFICIAL BALLOT
Shall the ordinance duly adopted by the Commission of the City of Plymouth upon the 5th day of August, 1946, entitled as follows:
AN ORDINANCE, granting the Detroit Edison Company, its successors and assigns, the right and authority to construct, maintain and operate in the public streets, highways,
WHEREAS, the City of Plymouth, Michigan, has expended the sum of \$2,000.00 dollars for the preparation of Planning Documents for Project, State Reference No. 82-C-110-4, and
WHEREAS, the plans, specifications and estimates of cost have been fully completed,
NOW, THEREFORE, BE IT **RESOLVED**, that the City of Plymouth, make application for reimbursement from the State in the amount of \$1,000.00 which constitutes 80 percent of the total grants approved by the State Administrative Board for this project.
Agreements between the City of Plymouth and Maude S. Schrader and Edwin A. Schrader; City of Plymouth and Burton E. Giles and the City of Plymouth and Oddfellow and Rebekah Lodges concerning the rental of lots for public parking were read to the City Commission.
It was moved by Commissioner Shear and supported by Commissioner Corbett that the City man-

ager proceed with the leasing of these lots in accordance with the terms in the agreements. Carried.
It was moved by Commissioner Shear and supported by Commissioner Taylor that the City Manager offer the War Assets Administration \$375.00 for all listed property on O. C. D. P. Form No. 310.
Ayes: Mayor-Lidgard, Commissioners Corbett, Davis, Shear and Taylor.
Nays: None.
Carried.
It was moved by Commissioner Corbett and supported by Commissioner Shear that the name of Harold R. Cheek, City Manager, be submitted as nominee from the City of Plymouth for the retirement board of the Michigan Municipal Employee's Retirement System.
Ayes: Mayor Lidgard, Commissioners Corbett, Davis, Shear and Taylor.
Nays: None.
Carried.
A letter, dated August 5, 1946, addressed to the City Commission, from Edward C. Hough was read.
It was moved by Commissioner Shear and supported by Commissioner Corbett that the City Manager call a special meeting of the Cemetery Board and if the cemetery board approves the proposal made by Mr. Hough, and if it is legally possible then the City shall proceed with the improvement.

Air Races to Draw Many From Here

Speed! That might well be the heart of the magnificent aerial spectacle hundreds of Michiganians will witness the four days and nights beginning with August 30 and ending with Labor Day midnight.

The spectacle is the great National Air Races in Cleveland, shelved during war days, but now revived into a vastly more spectacular exhibition than in pre-war years. More spectacular this year because there will be full Army, Navy and Marine Corps participation, with jet-propelled planes, lightning-fast fighting planes with orthodox power, and

with a gripping parade of the last word in military and commercial aircraft. At the same time the great and near-great in flying men will be doing their best to gather in their share of the lucrative prize money offered in the various events.

Michiganians are extremely fortunate in being able to reach Cleveland so easily, either by highway or by the D. and C. ships between Detroit and Cleveland, the ships actually serving as hotels at a time when accommodations are traditionally difficult to obtain. The overnight service between Detroit and Cleveland offers excellent transportation, because ships arrive in Cleveland at 7 a.m. and depart on the return trip to Detroit at 11 p.m., giving passengers the full day for the aviation spectacle.

After a long, thrilling and spectacular series, interrupted in 1939, National Air Races return to Cleveland to unfold the amazing developments of the past seven years and a glimpse into aviation's fantastic Buck Rogers age just ahead.

A revival of the great Bendix Trophy Race opens the competitive program on Friday, August 30. The long-distance classic will be flown this year from Van Nuys, California, to Cleveland Airport. A \$25,000 purse, \$10,000 going to the winner, has brought out a record entry list.

As many airplanes in the 1946 Bendix will rate 450 miles per hour or better, the existing record set in 1939 by Frank Fuller at 7 hours, 14 minutes will be broken by a full two hours.

And here comes super speed again, for in the race-will be four of the Army's jet propelled P-80 Shooting Stars. At the appointed instant they will scream into the air to inject the Buck Rogers touch.

The Halle Trophy Race will put extra punch and thrill into the Friday program. This closed course race for women pilots is the first competitive event for women since 1937. The race is a 75-mile event over a sharply cornered 15-mile triangular course. The \$5,000 purse, 2,500

Be Careful of This On Labor Day

This smashed and bloodstained car is typical visual evidence of the danger which lurks Michigan streets and highways when motorists are obsessed with "haste and hurry." Three persons were killed in this recent crash—just three more reasons why Automobile Club of Michigan is asking motorists and pedestrians to "Take It Easy" over the Labor Day weekend.

to the winner, sets the stage for keen competition between some extremely fast airplanes flown by experienced service-trained ex-Wasps and some of the "big name" entries of the past.

Saturday's feature will be the first Soho Trophy Race, commemorating Cleveland's Sesqui-centennial. The Soho will give spectators their first glimpse of present-day closed course speeds. This unlimited free-for-all brings to the starting line 12 airplanes which will have been qualified during the time trials at a minimum of 240 miles per hour. A \$15,000 Soho purse, \$8,000 going to the winner, guarantees bitter competition.

Sunday will be dominated by the Army's astounding P-80 jet planes. After a display of high-speed high and low level stunting and acrobatics by 24 of these amazing new ships, a selected group will participate in a series of measured distance straight-away speed trials for the Weatherhead Trophy and \$25,000 to be directed to Army and Navy Relief Societies.

The Thompson Trophy Race renewal on Labor Day will be classic. Recognized as the "big race," the international championship speed event this year will be sensational compared with past Thompson's great as they were. A record-breaking field of prospects will have been whittled down to 12 in the speed trials preceding the races. All will be converted fighters from the fastest categories, including Mustangs, Lightnings, Kingcobras, Black Widows and Corsairs.

A total purse of \$40,000 the Thompson Trophy and championship rating, provide all the necessary incentive for a terrifically fast, bitterly contested battle. A 30-mile course opens up the opportunity for all out speed, dominating Roscoe Turner's 1938 record of 283 miles per hour, with a new champion walking off with the \$15,000 winner's purse and the \$2,000 Ludlum Award for a new record.

As the entry field forms, "big names" of past racing begin to show up. There is, for example, Paul Mantz, one of the really big names in aviation, widely known for his flights with the immortal Amelia Earhart, for whom he acted as technical adviser. After long and notable service as a Colonel in World War II, Mantz returns to National Air Race competition this year with two entries in the Bendix Trophy Race. Both ships are fast P-51 Mustangs, one to be flown by Mantz and the other by Tommy Mayson.

Earl Ortman and Tony LeVier, two names synonymous with speed racing, will be back to renew their closed course rivalry. Both big money winners in the '30's, they will compete again in the Thompson Trophy Race on

Labor Day. Ortman is a double entrant, with a fast P-38 Lightning for the Bendix Trophy Race and a Mustang for the Thompson. LeVier has a converted P-38.

But the main background against which this great racing program will be staged is an all-out demonstration of military might. The Army Air Forces, the Navy and Marine Corps have simply opened the book for the 1946 renewal. In addition to the large representation of the Army's amazing new jet planes, the daily schedule of the Army's participation stretches over a full 90 minutes. The Navy's program includes ground-controlled "drone" plane fighting.

Town Hall Series Starts Oct. 9

Dougherty and Ruzicka, one of the nation's top ranking duopiano teams will open the eighth consecutive season of Detroit Town Hall, Wednesday morning, October 9th at eleven o'clock in the Fisher Theatre.

The Series of 20 Wednesday mornings, featuring music, entertainment and lectures by speakers of world reputation will end March 12th 1947 with the first concert appearance in Detroit of Miliza Korjus, former singing star of "The Great Waltz." Another important local debut will be a program to be given December 11th by Mata and Bari, clever dance satirists formerly starred performers with the Trudy School Ballet, and Olsen and Johnson's, "Laffing Room Only."

The Town Hall management will bring the following speakers to the Forum during the fall and early winter: Sidney Montague, spell binding Canadian "Mountie," Oct. 16; Richard Harkness, Washington commentator, Oct. 23; Randolph Churchill, son of Winston Churchill, Oct. 30th; George Freedley, New York drama critic, Nov. 6; William Slater, and Lisa Sergio, popular radio speakers, Nov. 13, and Nov. 20; Rumar Goshal, author and authority on India, Nov. 27; Kathryn Turney Garten, book reviewer, Dec. 4th.

Scheduled for lectures after the holidays are: Dr. Will Durant, famous philosopher; Maurice Hindus, expert on Russia; Maxine Berlitz Vollmer, witty grand daughter of the Founder of the Berlitz School of Languages, Kirtley Mather, Harvard University scientist; David Seabury, eminent psychologist; Erika Mann, brilliant writer and correspondent recently returned from Germany; Madame Louise Brune, dress designer and color psychologist; Ray Joseph with an uncensored report from South American.

Reservations for the Series are available at Detroit Town Hall Headquarters, Room 220, Hotel Statler, Cherry 5617.

In Chicago, homeless ex-Army Pilot Henry Trochowski got desperate, had a friend fly over the city, drop 15,000 leaflets, hoped his propaganda would get him an apartment.

In Lafayette, Ind., Spanish-American War Veteran Robert E. McCann, who had paid his way home from the Philippines in '09, finally got a Government travel check for \$378.

Cloverdale Gets Chance at Title

Plymouth's Cloverdale nine is within one game of the Michigan Inter-County Class A Baseball League championship.

That one game is with Northville and will be played at 4 p.m. Sunday at Riverside Park.

Both Cloverdale and Northville defeated Garden City at Riverside Park last Sunday in the semi-finals windup of the loop. Garden City went into the twin bill undefeated in the league playoffs.

Northville won, 2-1, while limiting Garden City to six hits. In the second tilt Cloverdale trailed until the ninth. Then they scored two runs on Clarence Hoffman's double to triumph, 4-3. The game was marked by repeated clashes between players, deliberate fouling of base runners by Garden City basemen and personal bitterness.

Cloverdale now finds itself in the same position it was in last season when they lost the league championship in the final game. This year the squad hopes things turn out differently. They have lost but one game in the playoffs. The winner of this weekend's game will participate in the National Baseball Federation tournament at Youngstown, Ohio.

In Lawrence, Mass., Mrs. Dorothy Conant advertised: "For Sale, my husband's \$50 puppies for \$25. Tel. 34744. If a man answers, Please hang up."

HELP YOUR CHILD Make the Grades

No child can make good grades in school if his health is poor or if he is handicapped by poor eye-sight or faulty hearing. So put the two "D's" before the three "R's" and take your child to the doctor and dentist before sending him to school this term. By doing so, you'll help him avoid "school daze" and give him a better start toward better grades. As a matter-of-medical fact, the finest health protection you can provide for children is to take them to your doctor and dentist regularly for thorough physical examinations.

NOW, MORE THAN EVER BEFORE THE ARMY HAS A GOOD JOB FOR YOU!

NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS

GOOD jobs in non-commissioned grades are being offered now by the Regular Army to qualified former servicemen!

Veterans discharged on or after May 12, 1945, who enlist or reenlist for 3 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 400 designated military occupational specialties in which enlistment is now desired.

Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages! These are in addition to free food, housing, clothing, medical and dental care, low-cost insurance.

There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station.

Highlights of Regular Army Enlistments

- Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
- Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may reenlist at any age, and former service men depending on length of service.
- A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
- A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Offices.
- Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
- Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
- GI Bill of Rights benefits assured for men who enlist on or before October 5, 1946.
- Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

Our cupboards' mighty bare, too!

EVERY family knows there are dozens of things it needs and would like to get right away, but under present conditions they are just not to be had.

Well, we're facing exactly the same situation in the telephone business.

To keep our telephone household going, and to expand our plant and facilities to meet the great demand for telephone service, we need large supplies of lead, copper, textiles, steel, rubber, lumber, brass and many other basic materials.

In some cases we can get only a limited quantity. In fact, a great many of the materials vital to the production of telephone equipment are in short supply for one reason or another.

Even so, we're hopeful that most of the orders for telephone service received before January 1, 1946, can be filled by the end of the year. In some areas, of course, we expect to complete many orders received this year. But it may be late 1947 before we can return to a "ready-to-serve" basis everywhere.

You can depend on this—we're moving just as fast as existing conditions permit and, as supplies improve, we'll speed up the job.

Chief Operator On Solo Flight

Plymouth's chief operator for the Michigan Bell Telephone exchange here, Mrs. Owen C. Jones, made her solo flight after having only six and one-half hours instruction.

She is extremely proud of the fact because it's better than any Plymouth man has done so far. Most students are not able to solo until they have eight hours instruction. Even then some refuse to solo until they have more training.

Mrs. Jones wasn't afraid, she said, but on the contrary she was very confident. She was given instruction by her husband. Most of her lessons were given in the early morning before she went to work.

Herricks Attend Jewelers Meeting

Deane Herrick, prominent Plymouth jeweler and secretary of the Michigan Retail Jewelers Association, and Mrs. Herrick were in New York last week attending the forty-first annual convention of the American National Retail Jewelers Association.

They were accompanied by Howard Dostader, of Lansing, president of the state jewelers association, and Mrs. Dostader. The men were official representatives of their association at the convention. They were among 11,000 jewelers from all over the country who attended.

The convention lasted four days. All sessions were held at the Waldorf-Astoria Hotel. One of the features was the welcome given the delegates by Mayor William O'Dwyer.

Following the convention the Herricks and their Lansing friends spent two days at Oneida, N. Y., touring the mammoth plant of the Community Silver Plate Company. They also were overnight guests of the firm at the century-old Mansion House.

Mr. Herrick reports that the silver outlook is very encouraging and that lots of it is being made. The reason so little of it is seen on shelves and in windows is the tremendous backlog of orders that causes a demand which almost exceeds the current supply.

While there the Herricks had the privilege of attending the first commencement ceremonies of the Bulova School of Watchmaking at Long Island. The graduates all were veterans of World War II who are disabled.

The school is built especially for veterans and is for the purpose of giving them an education in watch making and repairing. The school is so constructed, Mr. Herrick reported, that there are no steps and all floors are of cork so canes and crutches cannot slip.

Mr. and Mrs. Herrick traveled to the convention by boat from Detroit to Buffalo and then by train to New York. On the return trip they traveled the entire distance by train through Canada and enjoyed a delightful sight-seeing trip in the bargain.

Tells Rotarians of India Problem

"When England withdraws from India, Russia steps in" Howard Pitt, former president of the Ferndale Rotary club and a former citizen of England who was born in Ceylon, told members of the Plymouth Rotary club last Friday noon.

Mr. Pitt, who became an American citizen a number of years ago when he moved to this country from the British Empire, declared that the troubles between the Moslems and Hindus of India is of a religious nature and that it will not be settled in our generation or for generations to come.

The speaker spent many of his youthful as well as adult years in India and knows well the problems of that country. He declared that England would like to get out of India, but that if it did so, Russia would move in immediately and increase the threat to world peace.

The individual point leader remains the same. Don Rank still holds undisputed position with 11 points.

Tournament For Basketballers

The various Plymouth industries and merchants who are interested in having entries in a city basketball tournament should be looking around for players, according to Virgil C. Knowles, Plymouth recreation chief.

Mr. Knowles hopes to start the league about Sept. 15 and would like to have all the teams planning on taking part be in shape to get underway by that time.

Right now he is arranging for places to play and for the teams to practice. It seems the school gymnasium will not be available because of the increased tempo of school activities which will demand the gym more than usual.

Mr. Knowles also hopes to organize a junior and senior cage league among Plymouth churches. He also has plans underway for organizing a volley ball league in the community. Both men and women could have a division if enough players turned out. Churches, clubs and lodges might even form separate divisions if enough interest is displayed.

For further information or suggestion call Mr. Knowles at 93.

CHURCH OF CHRIST. 188 W. Liberty St. Almon P. McAllister, minister. Sunday services Bible school 10:00 a.m. followed by worship and sermon.

NEWBURG METHODIST CHURCH. Minister, Verle J. Carlson, 9614 Newburg Rd., Plymouth 761-J. Sunday morning worship at 10:00 a.m. "Report from Christendom". Sunday school meets at 11:00 a.m. under the direction of Mr. Roy Wheeler, our superintendent. Sunday afternoon three of our juniors leave to attend the Junior Camp at Lake Huron Methodist Camp.

Ex-Lieutenant To Attend U. of M.

The many Plymouth friends of former Lieut. Howard Ebersole, who flew the big "Plymouth Mail" bomber during the world war until its historic career was ended when it crashed into the North Sea, has enrolled as a student at the University of Michigan for the fall term.

The former lieutenant and his wife are residing at present in Willow Run Village. He has been employed as a radio technician by the PCA and at the same time attending the Veteran's Institute in Ann Arbor.

Members of the crew who flew the big bomber during the war with the former Plymouth aviator named their craft in honor of "The Plymouth Mail." Although Howard was the only Plymouth boy in the crew, all of his associates became regular readers of "The Mail" that Howard received regularly and when it came to selecting a name for their craft, they designated it "The Plymouth Mail."

OBITUARIES

Mrs. Grace Delia Shinn
Funeral services were held Friday, August 23rd at 3 p.m. from the Schrader Funeral Home for Mrs. Grace Delia Shinn who passed away Wednesday evening, August 21st. Mrs. Shinn resided at 311 Ann Street.

She is survived by her husband, Theodorus H. Shinn, two daughters, Miss Marion Shinn and Mrs. Doris Lodge, and one son, John Shinn, all of Plymouth, also surviving are two brothers and four sisters, Steven Watkins of Bloomington, California, Guy Watkins of Petoskey, Michigan, Mrs. Willard Charles of Utica, N. Y., Mrs. Roy Leonard of Detroit, Mrs. Sam Craddock and Mrs. Edwin Coveyou, both of Petoskey, and a host of friends.

Rev John I. Paton officiated. The beautiful hymn "Rock of Ages" was sung by Mrs. Cameron Lodge, accompanied by Mrs. J. T. Chapman at the organ. Interment took place in Greenwood Cemetery, Petoskey, on Saturday, August 24th at 2:30 p.m. with Rev. George Weaver of Petoskey officiating. Rev. Weaver officiated at their marriage of Mr. and Mrs. Shinn thirty-five years ago on July 27th, 1911. The active pallbearers were Messrs. Arthur, Donald, Ralph Coveyou, James Craddock, Edward Foster and Ralph Peters.

Walter Smith
Walter Smith who resided at 45100 W. Ann Arbor Trail passed away Wednesday, August 21st at the age of seventy-three years. Mr. Smith was brought to the Schrader Funeral Home. Services were held Friday, August 23rd at Novi Cemetery at 11 a.m. with Rev. Henry J. Walsh officiating.

George Edward Arthur
Funeral services were held Saturday, August 24th at 2 p.m. from the Schrader Funeral Home for George Edward Arthur who passed away Thursday morning, August 22nd. Mr. Arthur resided at 371 N. Harvey street. He is survived by his widow, Mrs. Anna E. Arthur, his brother Chester A. Arthur of Plymouth, two nieces, Mrs. James Luttrell of Greenville and Mrs. Walter Hizer of Dundee, other relatives and friends. Rev. Edgar Hoenecke officiated. Two beautiful hymns were rendered on the organ by Mrs. M. J. O'Conner. The active pallbearers were Messrs. Louis Gerst, Albert Groth, Henry Redeman, Roy Pursell, William Michaels and Roy Lyke. Interment was made in Riverside Cemetery.

One of the greatest cases of bibliomania on record was that of Antoine Boulard of Paris in the early 19th century. Unlike others affected with this uncontrollable passion for acquiring books, not for reading but for mere possession, Boulard was not interested in quality, rarity or subject matter—only in quantity. Being wealthy, he retired from business at the age of 49 and devoted the last 20 years of his life to this mania, during which time he secretly bought and stored in five empty houses more than 800,000 books.

American race-horse breeders are now attempting to break the monopolistic influence of Britain's General Stud Book which alone still refuses to recognize the stud books of other countries, although it is the only one recognized by all nations. Thus, by declining to list thousands of the world's best thoroughbreds because they are not descended from three English horses, this registry has long been a damper on international sales.

Ready For National Air Races

Tony LeVier and his converted P-38 Lightning will be one of the highlights in the great National Air Races in Cleveland Aug. 30—Sept. 2, as LeVier renews his speed rivalry with Earl Ortman, another of the country's speed demons.

Former Railroad Trips to Detroit From Plymouth Made Via Wayne

Sixty one years ago it was necessary for a passenger to carry a railroad ticket seven and one-half inches long to make a round trip between Plymouth and Detroit. In addition they had to change trains at Wayne. Today a ticket that long will carry you across the nation and you can stay right on the same train for the entire distance.

It was on Aug. 17, 1885, that William Burrows, father of Plymouth's Frank J. Burrows, purchased a round trip ticket for that trip. For some reason he never used it. His son recently came across the ticket and brought it to The Mail office.

The passage is well preserved and clearly imprinted with the ticket agent's name, C. A. Warren, and the date. It was issued by the Flint & Pere Marquette Railroad but was good on the Michigan Central too.

One portion of the ticket was for passage between Wayne and Detroit on the Michigan Central, another was for the return trip between those stations. There was another portion good for passage on the Flint and Pere Marquette from Plymouth to Wayne and still another section for the trip back from Wayne to Plymouth. Just why Mr. Burrows' father never used the ticket is unknown. But, the ticket today is a curious and valuable memento of the days gone by.

It demonstrates that the present Pere Marquette tracks between Plymouth and Wayne is the original PM right of way, a fact that still causes many arguments in Plymouth today. The double track system between here and Detroit is comparatively new.

No Dust From Sheldon Road

Residents along Sheldon road between Ann Arbor Trail and the Pere Marquette tracks are highly pleased over the black-topping of that highway by the county road commission.

The clouds of dust that have swept over the western side of the city each year since this section of Sheldon road has become heavily travelled are no longer in evidence.

Supervisor Carl Shear, who brought about this improvement, states that it is the first step towards the permanent development of Sheldon road. Mr. Shear says that County Road Engineer LeRoy Smith is not yet ready to announce the definite plans he has in mind, but that eventually Sheldon road will be as good a thoroughfare as there is in Wayne county.

Although the United States has been the world's largest producer of cheese for many years, it has originated less than half a dozen of several hundred varieties, among them being Liederkranz, Monterey Jack and Pennsylvania Pot Cheese.

Spray away Weeds on LABOR DAY

WITH THIS SIMPLE CONTROL
SCOTTS 4-X

Right now Plantain, Buckhorn, Dandelions and similar weeds easily succumb to a spraying of Scotts 4-X. Almost like magic they disappear, roots and all—while the grass is not harmed.

Scotts 4-X is quick, easy to use. Simply empty packets in water or apply with sprayer or sprinkling can. The cost is trivial.

LAWNS: For greater, stronger and healthier root growth, a richer green and more surface protection for the coming winter—use Ra-Pid-Gro NOW . . . (2 pounds to each 20x50 foot area) . . . and water well weekly as usual.

HOW ABOUT YOUR PLANTS?
All living things require regular feeding . . . plants, animals, and humans alike. In the case of your plants, nature provides them with food through the soil. However, before they can use any of that food, it must be dissolved by rain or watering, for plants live on a liquid diet. Then, too, most soils are deficient in one or

more of the elements the plant needs for healthy growth. That is the reason why you should feed them regularly with RA-PID-GRO. That is why they thrive and bear so miraculously on a regular diet of RA-PID-GRO.

To those who are awaiting delivery of their New Oldsmobiles

A Word of Appreciation... and a Suggestion, too!

We know how anxious you are to get your new Oldsmobile. And there's nothing we'd like better to do, right now, than to say to every Oldsmobile buyer: "Your car is here. Come get it!"

But frankly, it just isn't possible to do that. There still aren't enough new Oldsmobiles to go around. Due to shortages in materials and unavoidable limitations on production, the output of new cars still is behind schedule. And our allotments are far below the figures that we originally anticipated.

We want to assure you, however, that everything possible is being done, both here and at the factory, to get your car in your hands promptly. And we'd like to take this occasion to thank you sincerely for the patient and considerate way in which you have borne with us during this period of waiting.

Meanwhile, we have an important suggestion: **Don't neglect the car you drive today.**

The war has taught us all the importance of careful upkeep and regular service. While you're waiting for your new Oldsmobile, therefore, be sure to take advantage of our factory-authorized Oldsmobile service program. We are offering every kind of modern automotive service—from lubrication to major overhauls. Regular servicing of your car will safeguard your investment and assure you of safe, dependable transportation until that great day when your new Oldsmobile is here!

Group To Attend Cleveland Racers

Twenty-nine Plymouthites have made plans to attend the National Air Races at Cleveland, Ohio, on Labor Day. They have reserved an entire block of seats and also will travel to the races in a body.

The group have chartered a twin-motored C-47 (troop carrier) for the trip. The plane, owned by a company of veterans engaged in charter air service, will take off from Willow Run airport. As the plane can carry only 27, two of the group, Alford and Virginia Schuster, will make the round trip by boat.

Some of those who will make the plane trip include B. K. McOskill, Mr. and Mrs. Everett Worth, Roy Hartman, Mr. and Mrs. Robert Nichols, Marvin and Lewis Mettetal, Mr. and Mrs. Clifford Cochrane, Glenn Cogsdill, Mr. and Mrs. Howard Cochrane, Mr. and Mrs. William Ryan, Mr. and Mrs. Dwight Cook, Mr. and Mrs. G. H. Shetterloe, Thomas Dudley, Virgil Osterhout, Chase Willett, Mrs. Pomelson and Mr. Francis.

Nearly every member of the group is a Plymouth pilot, student pilot or aviation enthusiast.

Fair in the Light of Memory Shines

MICHIGAN, My MICHIGAN

BY • ELTON R. EATON

Some ten or twelve years ago during an automobile trip through the New England states, we attended one evening a summer theater production staged in the community where we had stopped for the night. The affair proved to be one of the most delightful incidents of the entire trip.

This interesting New England stop came vividly to mind the other evening when up at East Tawas we attended a performance given at the newly started summer theater in that Lake Huron resort.

Progressive residents of East Tawas have given to Michigan its first summer theater, and the initial season, which ends this week, has proven a far greater success than its most enthusiastic supporters had dreamed possible.

These Tawas City residents had vision as well as the desire of accomplishment and they have given to the hundreds of Michigan vacationists who spend the summers in that delightful part of the state a new "tourist attraction" that is bound to grow in popularity and patronage as the years go by.

The "Lake Huron Playhouse" used for the popular summer theatrical attractions is the East Tawas Community building, centrally located in the park where hundreds of tourists "camp" each summer in their trailers or their tents.

Fortunately for the first and opening season, the promoters were able to secure a cast composed of outstanding talent.

Our prediction is that it will not be long before other resort communities of the state will be following the example of East Tawas and Michigan will have more than one summer theater.

Plymouth is only 17 miles from the University of Michigan, but not until a news item came from the University news service a few days ago did we know that there is a zoo at the University which houses representative specimens of every fur-bearing animal that inhabits the state of Michigan.

The little zoo is almost hidden by shrubbery in back of the famous University of Michigan Museum building.

The present population includes four black bears, four red foxes, three badgers, and three raccoons. Also included is a wolverine, but actually this resident hails from Alaska and is not a Michigan native.

Money from a man in Detroit who desires to remain anonymous made it possible, back in 1929, to create the zoo. University President Alexander G. Ruthven had been insisting a museum should have living animals. The zoo is a center of interest throughout the week but on Saturdays attendance jumps to about 150 and Sundays bring 300 or more spectators.

Brother and Sister, two huge black bears, are chief attractions at the zoo. Miss Crystal Thompson, curator at the University Museums, has an interesting story to tell about Brother and Sister. She has seen them grow from tiny black balls of fur that could be held in the palm of her hand to their present rather formidable proportions—Brother weighs 800 pounds and Sister 500.

Brother and Sister arrived at the University in February of 1933 with their eyes still closed and weighing less than a pound apiece since they were less than a month old. Their trip to the campus resulted from a visit to Luther, Mich., by one of the Museum employees. His father, a conservation officer, had the two cubs which had been turned over to him by two woodchoppers.

For eight weeks, Miss Thompson had to bottle feed the cubs taking them home with her each night, since the milk had to be given them every two hours. Finally, Brother and Sister were big enough (18 inches tall) to be put in the animal house. But they still insisted on bottle feeding and were indignant over an attempt to switch a larger size bottle to eliminate some of the work of filling from 10 to 12 nursing bottles at one feeding.

But one day Brother saw the 14-quart pail of hot milk which was brought to the zoo for the bottle filling project at each feeding. He dropped his bottle and stuck his head into the pail. That ended the bottle feeding. Since then, the bears have thrived on admiring attention and a varied diet of bread and milk, carrots, apples and green corn with some candy and raisins for their sweet tooth. Miss Thompson reports Brother and Sister, despite their huge size, actually have dainty manners in eating.

Sunday school picnic leader Walter C. McGill of Lynchburg, Va., will think twice before he again befriends a wild animal—especially if said animal is black and wears a white stripe down its back. Here is the story of his sad experience as related by the Sportscastrer and passed on by the Sportsman's Service Bureau.

Several children brought up a skunk in distress, its head caught in a jelly jar. Compassionate McGill cracked the jar with a rock. Mistaking his motive the skunk took steps. P.S.—McGill didn't!

The recent rains gave an additional boost to the peach crop in most of the peach growing areas of Michigan and, more than likely, will help Michigan break all peach production records this season. Charles Figy, Director of the State Department of Agriculture states that according to the Federal-State Crop Reporting Service, last year's record peach crop of 4,400,000 bushels, which broke all previous records, is expected to be exceeded this year. Their estimate as of August 1 shows 4,428,000 bushels. If this record production materializes, it will be 70 per cent over the 10-year average.

This year's crop will be of especially good quality. New methods have been developed which have aided materially in the control of brown rot of peaches, and the dry weather has helped control insect pests and diseases.

The early peaches are now being harvested. The harvest of the major portion of the crop in southwestern Michigan usually starts this week, with the peak of the season around Labor Day. Now is the time for consumers to be making plans to secure their supply of quality Michigan peaches.

Urban real estate prices are rising more because of actual shortages of housing and commercial buildings than because of inflationary "boom" factors, believes Dean Russell A. Stevenson, of the University of Michigan School of Business Administration.

Land prices have gone up sharply in urban areas, but there is little indication that real estate debacles, like that of the Florida land boom of the twenties, are in the making, he commented. Today's prices are based upon demand from people who wish to build homes and business establishments and not upon demand from speculators, he explained.

Land-owners may be encouraged by the fact that assessments rise more slowly than land prices, but usually drop almost immediately after prices fall, the dean said.

Jamaican Priest Visitor In City

One of Plymouth's recent distinguished visitors was the Rev. Leo T. Butler, S. J., of Jamaica, British West Indies, who spent a few days this week with his cousin, Mrs. Gayle M. Donnelly of Harvey street. He was accompanied on his trip by two cousins, Frank Mara, and Staff Sgt. Frank Mara, Jr., who is on furlough following re-enlistment in the Armed Forces.

During the visit here, the out of town members of the family who came to see him were Mr. and Mrs. Leo Gable of Detroit and Mr. and Mrs. Bernard MacChargie of Ypsilanti. Following a family dinner, movies of Father Leo's visit five years ago were shown at the home of Mr. and Mrs. Mac J. Donnelly on Sunset avenue.

Father Leo is superintendent of all Catholic parochial schools in Jamaica and a member of the Jesuit order. He was formerly from Boston, Massachusetts.

Upon leaving here, he went to Chicago where he took the plane for Mexico City to visit relatives there before flying back to Jamaica. He plans to return to the U. S. in three years to celebrate the golden jubilee of his entrance into the priesthood.

Of the some 100 persons who have attempted to swim the English Channel, 11 women and 14 men have succeeded, the fastest time being made by Venceslas Spacek of Czechoslovakia who swam it in 10 hours and 45 minutes in 1927. The only one to cross it in both directions was an Englishman, E. H. Temme, who swam it from France in 1927 and from England in 1934.

HOW'LL YOU HAVE YOUR EGGS?

This weather-beaten trouble-shooter isn't worrying about your eggs—or whether you want 'em soft boiled, fried, scrambled—or if you like eggs at all.

But he is worrying about keeping your electric service flowing along as usual. If that means eggs for your breakfast, okay then, that's why he's up on a storm-lashed power pole.

And, he'll stay there till he gets your line repaired—in spite of rain... lightning... thunder... and a high wind howling.

You don't have to send him a check for his trouble. You won't pay any more on your electric bill—to cover his hard, wet work and the materials he uses. Chances are you'll never even know a line went out.

Fortunately we don't have storms every day, but when we do, Detroit Edison line crews are ready—day or night.

On reading and filing the bill of complaint in said cause, filed in accordance with the provisions of Sections 9b and 13a of Act No. 238 of the Public Acts of 1897, as amended by Act No. 170, Public Acts of 1941, and the affidavit of Archie C. Fraser, from which it satisfactorily appears to the court that Bankers Trust Company of Detroit, a Michigan Corporation, has in its possession certain monies due to and belonging to the hereinabove enumerated defendants, excepting the Bankers Trust Company of Detroit, which funds have been due but unpaid, unclaimed, uncalled for or abandoned by the said defendants, excepting the Bankers Trust Company of Detroit, their unknown heirs, devisees, legatees and assigns, for a period of upwards of 7 years last past, and praying for an order to declare such property abandoned and for decree escheating such funds to the State of Michigan and transferring same to the State Board of Escheats of the State of Michigan as Trustee, pursuant to said statute, and that the defendants as above enumerated, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendants in the above entitled cause, and

IT FURTHER APPEARING that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants, excepting the Bankers Trust Company of Detroit, are living or dead, or where any of them may reside if living, and if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants, excepting the Bankers Trust Company of Detroit, are unknown, and the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees or assigns, cannot be ascertained after diligent search and inquiry.

On Motion, of John R. Dethmers, Attorney General of the State of Michigan, Archie C. Fraser, Assistant Attorney General, and Percival R. Piper, Assistant Attorney General, representing the plaintiffs,

IT IS HEREBY ORDERED, That the 25 day of October, A.D. 1946, be and the same hereby is fixed as the day for hearing of this bill of complaint, and all persons hereinabove identified as defendants, and their unknown heirs, devisees, legatees and assigns, and all persons claiming, by, through or under them as may have a claim or interest in said uncalled-for, unclaimed or abandoned monies now in the possession of the Bankers Trust Company of Detroit, defendant herein, are hereby required to enter their appearance in writing with the Clerk of this Court within three months from the date of this order, or to appear before this Court on said date at 2 o'clock in the afternoon, and at such hearing show cause, if any there be, why the prayers in said bill of complaint should not be granted, and in default thereof said bill of complaint shall be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns, and decree and order thereon be entered as prayed; and

IT IS FURTHER ORDERED, That service of notice of hearing of said bill of complaint be made upon the hereinabove enumerated defendants, excepting the Bankers Trust Company of Detroit, their unknown heirs, devisees, legatees and assigns, and all persons

claiming by, through or under them, by causing a true copy of this order to be published in The Plymouth Mail, a newspaper printed, published and circulated in the County of Wayne, within 40 days after the date hereof; and that the publication be continued once each week for six (6) successive weeks; and that plaintiff cause a copy of the bill of complaint and of this order to be personally served upon the Bankers Trust Company of Detroit, defendant herein, and upon any of the other defendants whose names or whereabouts may be ascertained by the plaintiff during the running of this order, at least 20 days before the time prescribed for the hearing of said bill of complaint.

Aug. 23-30, Sept. 6

To the Highway Commissioner of the Township of Livonia, Wayne County, Michigan.

Sir:
You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did at a meeting of said Board held Thursday, August 8, 1946, decide and determine that the certain streets and alleys described in the minutes of said Board, heretofore taken over as County roads, should be absolutely abandoned and discontinued as public highways, reserving therein the easement as herein set forth. The minutes of said meeting fully describing said streets and alleys are hereby made a part of this notice, and are as follows:

"Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Barlum Tower, Detroit, Michigan at 10:00 a. m. Eastern Standard Time, Thursday, August 8, 1946.

Present: Commissioners Brown, Wilson and O'Brien.
Commissioner Wilson moved the adoption of the following resolution:

WHEREAS, all that part of Cranston (formerly Edward Avenue) adjacent to Lots 116 to 145 inclusive, also all that part of Blackburn (formerly John Avenue) adjacent to Lots 157 to 208 inclusive, also all that part of Ingram (formerly Lillian Avenue) adjacent to Lots 209 to 260 inclusive, also all that part of Elsie Avenue extending easterly from the east line of Cranston (formerly Edward Avenue) to the west line of Berwick (formerly Peck Avenue), also all of the public alleys in the rear of Lots 53 to 81 inclusive, Lots 116 to 286 inclusive, as dedicated for public use in Livonia Park Subdivision of the northwest 1/4 of the northeast 1/4 of section 22, Town 1 South, Range 9 East, Livonia Township, Wayne County, Michigan, as recorded in Liber 51 of

Plats on Page 92, Wayne County Records, being in all 0.745 mile of subdivision streets and 0.671 mile of alleys, be and the same are hereby abandoned and discontinued as public highways upon the express condition that there be and hereby is reserved an easement in the land now occupied by the public alleys for the installation and maintenance of sewer, water, gas, electric, telephone, and all other public utilities for the use and benefit of the public, and all persons, firms or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining, or operating any of said public utilities.

BE IT FURTHER RESOLVED, that this Board believes it to be to the best interests of the public that said streets so abandoned and discontinued should be absolutely abandoned and discontinued as public highways; and that said alleys so abandoned and discontinued should be absolutely abandoned and discontinued as public highways, reserving therein the easement as herein set forth.

The motion was supported by Commissioner O'Brien, and carried by the following vote: Ayes, Commissioners Brown, Wilson, and O'Brien; Nays, None.
THIS NOTICE IS GIVEN UN-

DER AND BY THE VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.
In testimony whereof, I have hereunto set my hand at Detroit this 15th day of August, A.D. 1946.

BABSON

Babson Discusses Next 10 Years
Babson Park, Mass., August 30. —The usual Business Forecasts are as follows: Two or three years of good business, carrying us to about 1950, after which there will be a severe slump. Under this theory we could have a good stock market for twelve more months; but the stock market usually turns downward before business turns. Such a forecast is on the assumption that the Democrats will squeak through in 1948. If, however, 1948 should give a Republican victory this should lengthen the period of prosperity, full employment and high wages.

Perhaps Forecasters Are Wrong
The above, however, does not recognize that the whole world is in the throes of a people's revolution. It assumes that the old market rules are still reliable. This may be, or may not be, true. Perhaps, Peace Conferences may upset business and stock market traditions as well as political and military. Perhaps the world is entering a new era such as occurs only once in 150 years.

The fights now going on in Paris, supplemented by fears of an "atomic-biologic-supersonic-gaseous-hemispheric-Artic and Sub-Artic war," may bring about a people's World Government with the elimination of present tremendous military expenditures and unnecessary national barriers. If so, the resulting stimulation in foreign trade, reduction in taxation, increased production, lower world prices and better living standards for everyone could give us ten or twenty years of great prosperity.

Big Boom or Chaos
It is certain that there will be no half-way program. The old ten and twenty-year Cycle Theory can be discarded. The business outlook depends upon the Big Four in Paris, and not upon Wall Street or Congress or Labor Leaders. Secretary Wallace talks about "Boom AND Bust." I say that we are facing either "Boom OR Bust." Secretary Wallace's advisors are making a big mistake.

If so, now is a time—during this "international scare" for 1946—to buy securities as it was smart to buy stocks during the depression scare "of the 1930's"; and again during the "real estate collapse" of a few years ago. On the other hand, unless the Big Four get together to give the people a World Government and eliminate militarism, we are headed for World War II.

This could come within five or ten years and would surely result in wiping out the big cities of the world. Boston, New York, Philadelphia, Baltimore, Washington, Pittsburg, Buffalo, Cleveland, Detroit, Chicago, San Francisco and Los Angeles could be smashed in the first twenty-four hours of the war. Hence, I say we are headed either for Great Prosperity or else Terrible Chaos. What Shall U. S. Investors Do?

For once the people of our small rural communities, especially in the South and Central West, away from large cities, are in an enviable position. They need now only invest in a diversified list of well-selected industries which—like certain chain store companies—have their assets distributed in several hundred interior communities. Then if World Peace comes, they should greatly profit thereby; while if Chaos comes they will have saved their lives.

People of large cities should also have their funds in such securities as above outlined. These securities should be kept in atomic bomb-proof safe deposit vaults or else in a vault of some safe rural bank. Photostatic copies of wills and important contracts should surely be deposited with some safe country bank. If Chaos comes, corporations having most of their assets in large cities will greatly suffer; but securities indicated above should be fairly safe.

Buy a "Little Home in the West" INVESTORS: LIVING IN LARGE CITIES, HOWEVER, SHOULD BUY SOMETHING MORE THAN STOCKS AND BONDS. THEY SHOULD NOW BUILD A SMALL HOUSE, WITH LAND SUFFICIENT FOR A KITCHEN GARDEN, IN SOME SMALL COMMUNITY IN THE CENTRAL WEST OR SOUTH WHERE RELATIVES OR FRIENDS NOW LIVE. I BELIEVE IN LIFE AND FIRE INSURANCE, BUT THE MOST IMPORTANT INSURANCE TODAY FOR CITY DWELLERS IS TO LEARN A TRADE AND TO HAVE A SAFE REFUGE TO WHICH THEY CAN RUN IF WORLD CONDITIONS GET TOO BAD.

"Glad" Grower Is Named Editor

Sach E. Holmes, of Plymouth, was named editor of publications, by the Michigan Gladiolus Society at its seventeenth annual show and election of officers last Sunday at Ann Arbor.

There were 10,000 blooms on display from 75 exhibitors. The show was called the best ever held in the United States by Mark Hogan, an official of the New England Gladiolus Society.

Tax?

If the Federal Excise tax on furs or fur-trimmed coats is abolished before Jan. 1, 1947, we will refund the tax paid on any coat purchased after July 1, 1946. If the tax is reduced, we will refund the difference.

Very New, our Silver-Blu Bon-Mouton

and very luxurious! Just imagine that thick, deep-piled mouton lamb with a new, definitely silver cast. Added attractions: those full, ballooning sleeves, Skinner lining.
