

Governor-elect Kim Sigler Tuesday won one of the most outstanding political victories in Michigan history. The campaign of grafters, shysters, political takers and their like against him seemed to help swell his great vote. Left to right: Mr. Sigler, Miss Madalen Sigler, Mrs. Sigler, and Mrs. Byron Slattery whose husband, Lieut. Slattery, is in Japan with the Army.

IT'S AMERICA! OUR AMERICA! Thank God we live in America, where the people have a right to express their opinion about the way our government must be administered. By the election results Tuesday, we know that our American ideals are to survive, that the rule, ruin and kill doctrines of European dictators will not be adopted in America.

THANKSGIVING DAY. Thanksgiving Day, this year, and every year hereafter in Michigan, will fall on the fourth Thursday in November. That definitely fixes the date for Thanksgiving in Michigan this year as Thursday, November 28.

I GUESS WE DON'T WANT ANY OF THEM. If the so-called "displaced" people of Europe who are exploding bombs under public buildings, destroying property, killing and injuring people, because they do not agree with them, have any idea that it is helping their cause, they had better make another guess.

LET'S GET RID OF THAT DEADLY CURVE. Although he had served in the army in the Far East for over two years and had returned home safely, the life of a young Plymouth lad was suddenly terminated a week or so ago when an automobile he was driving crashed into a tree on a bad curve in the Northville-Plymouth road.

PLEASE FORGIVE AND FORGET. Over a period of years The Plymouth Mail has had occasion to say a complimentary word now and then for and in behalf of Drew Pearson. We gained a favorable impression of him through his radio discussions.

Firemen Save Store Stock From Heavy Loss

For the first time in several years Plymouth had a second-floor fire in the downtown area last Saturday night without the heavy water damage to store stocks below, thanks to the prompt action of the firemen in using the department's new fire salvage covers.

The fire originated in the hallway on the second floor of the Plymouth United Savings bank building occupied by the Davis & Lent store and offices on the second floor by Dr. John Olaver and Dr. Ross and Dr. Rehner.

When discovered at 10:50 p.m. by Plymouth police officer Lou Westfall, the flames had consumed a partition between the lounge and another small room and was spreading into the attic and creeping along a joist into the Davis & Lent store below.

Officer Westfall was making his rounds and in passing up the alley back of the building he smelled smoke and then saw it curling up from a ventilator. He turned in an alarm and then ran around to the front and up the stairs to determine just where the fire was.

While part of the firemen rushed hose lines direct to the blaze the remainder entered Davis & Lent and spread waterproof salvage covers over all exposed merchandise and all cases and shelves. This action saved the clothes store.

New President Of Burroughs Adding Machine Company Assumes Duties

John S. Coleman President

Plymouth residents, many of them who are employed in the big Burroughs Adding Machine Company plant in this city, will be interested in knowing that John S. Coleman has been named president of the company, succeeding Alfred J. Doughty who resigned as president and director upon advice of his physician.

This important change has already become effective and the new president has assumed his duties. Mr. Coleman, a graduate lawyer, had been a vice-president and director of Burroughs since May, 1944. Although only 49 years old, he brings to his new assignment more than 26 years' experience in Burroughs marketing and manufacturing.

Alfred J. Doughty had been closely connected with Burroughs machines over a period extending back to 1884 when, as a boy, he became associated with William Edward Burroughs in the invention and assembly of the world's first practical adding machine. He was vice-president and a director from 1923 to 1943 and president from 1943 until his resignation.

Mr. Coleman, the youthful new president, interrupted his law studies to enter the army in the First World War. He completed his pre-legal training following his discharge, then joined with the Washington, D. C. branch

of the Guaranty Trust Company. Later, he served with the Federal Board of Vocational Guidance before being graduated in law and admitted to the bar.

He began his Burroughs career in March, 1920, as a junior salesman at the Company's Washington branch. His outstanding sell-

Plymouth Helps State and Nation to Clean House

This Locality Gives Kim Sigler Better Than 6 to 1 Vote—Judge Sexton Is An Easy Winner

Plymouth, and western Wayne county, long famed for its substantial type of citizenship, voted overwhelmingly for a new type of state and American leadership in the election Tuesday.

This little city gave to Kim Sigler, the Republican candidate for Governor who really opened his primary campaign in Plymouth when he was a guest before an open meeting of the Rotary club last spring, carried Plymouth by a vote of 1654 to only 282 for ex-Gov. Van Wagoner. This is better than a 6 to 1 vote in behalf of the fearless, determined and learned Governor-elect.

Few cities in Michigan gave him such an overwhelming vote as did Plymouth and surrounding townships.

United States Senator Arthur Vandenberg, who has led the nation in its world peace drive, with weak opposition, was as fortunate as Mr. Sigler.

Congressman George A. Dondero was given a boost in his campaign by the very ones who sought to hurt him. Bitter attacks upon him by a PAC group lifted his average vote much higher than it was two years ago. There is one thing sure, the voters have a detest for anything that looks like or smells like the PAC. They made that evident by their votes Tuesday.

With the Republican sweep in state, congressional and legislative districts, they came nearly carrying all Wayne county offices. Plymouth's own Probate Judge James Sexton was helped by this part of Wayne county by a substantial vote that would please any candidate. He was re-elected for both the short and long terms by more than 100,000 votes. Judge Veno Saeco who was appointed at the same time Judge Sexton was named, unfortunately lost to a name candidate.

Plymouth voters made it evident that they favored a bonus for the boys who served during the world war, that they also favored the proposed state program for airport and lakeport development, but they rejected the split in sales tax, believing that both the schools and city would be better off with continued increases from state legislative appropriations. All three proposals, however, were adopted by the state at large. It will probably be late spring before the state can set up the bonus payment machinery. It will bring thousands of dollars into Plymouth and vicinity, and prove of untold aid to many of the boys who haven't been so fortunate since their discharge from the services.

Not in years has there seemed such a satisfied feeling over the outcome of an election as there is for the one that took place Tuesday.

Here's how the city of Plymouth voted on state, national, legislative and county tickets:

Table showing election results for Plymouth. Columns include Candidate Name, Pct. 1, Pct. 2, Pct. 3, Pct. 4, and Total. Candidates include Kim Sigler (R), Van Wagoner (D), Lieut. Governor Keyes (R), Secretary of State Alger Jr. (R), Bannigan (D), United States Senator Vandenberg (R), Lee (D), Member of Congress Hicks (D), State Senator Reid (R), Biggers (D), State Representative Eaton (R), No opponent, Prosecutor McNally (R), O'Brien (D), Sheriff Behrendt (R), and Beard (D).

How Plymouth Voted on State Amendments

Former Resident Dies in Belleville

Mr. and Mrs. William T. Pettigill and Mr. and Mrs. Czar Penny went to Belleville last Friday afternoon to attend the funeral of Herbert E. Milsbaugh, cousin of Mrs. Pettigill, and a former resident of Plymouth.

Mr. Milsbaugh will be remembered by older residents of the city as a former prominent business man of Plymouth. For many years he conducted the undertaking business here, later selling to the Schrader Bros.

The funeral services were held in the Roberts Bros. funeral home in Belleville, the Rev. Ralph G. Durlap officiating. Interment was in the family lot in Sheldon cemetery.

Wild Lifers For Higher Licenses

Members of the Western Wayne County Conservation Association went on record Monday night as favoring the proposed increase from \$1.00 to \$2.00 for small game licenses and a similar increase for fishing licenses.

They also voted to oppose any increase in the deer hunting license and also a higher license for bow and arrow hunters.

Numerous sportsmen organizations about the state as well as the Michigan Conservation department have recently suggested that increased funds are necessary if Michigan is to maintain a ranking place among the states as a section of the country where fishing and hunting is tops.

Mr. Peter Munster and Mrs. Steve Veresh attended the seventeenth annual meeting of the Parent Education Institute at Ann Arbor, Wednesday afternoon.

Mr. William Farley entertained Sunday for dinner, Mr. and Mrs. Willard Lickfeldt and children, Brenda and Richard.

How They Voted In Townships

Following are the township election results in this part of Wayne county. In Canton township, where there are probably more independent voters than in any other township in the state, where they generally vote Democratic in township elections and Republican in state and national elections, the township went Republican heavily.

It gave Kim Sigler a smashing big vote. They told Congressman John Lesinski that they did not like the way he has been doing in congress and gave Candidate Riddering a big vote.

Livonia went strongly Republican and there was a big march of voters in Plymouth township to the polls.

Both Plymouth township and Livonia gave Congressman Dondero a much larger majority than he received two years ago.

The following tabulations show the trend of the township votes:

Table showing township election results. Columns include Candidate Name and Total. Candidates include Kim Sigler (R), Van Wagoner (D), Lieut. Gov. Keyes (R), Sec'y of State Alger (R), Bannigan (D), Atty. General Black (R), Doyle (D), State Treasurer Brake (R), Kozarek (D), Auditor General Aten (R), Coon (D), United States Senator Vandenberg (R), Lee (D), Congress Dondero (R), Hicks (D), State Senator Reid (R), Biggers (D), and State Legislature.

Frank Terry New Kiwanis President

Members of the Plymouth Kiwanis club have elected Frank Terry, one of their most active members, to serve as president of the organization during the ensuing year.

They also elected Robyn Morrison as vice-president, William Hartmann as second vice-president, Ernest Henry as secretary and George Burr as treasurer.

The club has been very active during the past few years and the membership has been most successful in conducting its various projects. Roy Fisher is serving as president at the present time.

Local Shoe Shop Expands; Grand Opening Today

For 32 years Blake Fisher has helped heel and sole the citizenry of Plymouth. Now he has decided to quit and just sell boots and shoes leaving the repair of them to somebody else.

This week Blake announced that from now on Fisher's Shoe Store would be just a modern retail outlet for all types of footwear. Its floor space and stock has been enlarged, new fixtures installed and the whole place renovated to make the store more attractive and better able to supply the needs of Plymouthites.

Yes, Blake Fisher and James Hook, partners in the retail shoe and boot and shoe repair business here the past several years now are in the retail footwear business only, but in a new and grand style.

Mr. Fisher's shoe repair business has been purchased by Marvin (Mike) Kleinschmidt and moved into the former flower shop next door to Fisher's Shoe Store. Mr. Kleinschmidt is an experienced shoe repairman well

Red Cross Sewing Room Is Open

Plymouth women who are interested in doing work for charity and the afflicted will be interested in knowing that the Plymouth Red Cross sewing room will be open Tuesday and Thursday, from 1 o'clock in the afternoon until 4 o'clock.

The sewing room is located in the basement of the postoffice building on Pennington avenue, which is well lighted and heated. Any one interested in sewing for the Red Cross will be most welcome.

Grid Tilt to Mark Field Dedication

Northville's new ultra-modern community athletic field, complete with lights for nocturnal football or softball contests, will be officially dedicated at 8 p.m. Friday, Nov. 15, when Plymouth High School gridders travel there for a game with Northville High School.

Bands from both schools also will be on hand to lend melody and color to the special occasion. It will be a gala night for Northville, win or lose. The new field was made possible through efforts of the Northville Exchange Club.

Most of the Plymouth High school student body are expected to attend to cheer the team and the band. During the half there will be formal dedicatory ceremonies and both bands will march and execute the usual maneuvers.

Mrs. Mariette Hough Dies Soon After Celebrating 100th Birthday

Mrs. Mariette Baker Hough, who celebrated her 100th birthday on August 17, died suddenly at her home 173 North Main street, Wednesday forenoon. She had not been ill and during the morning came down stairs from her room, ate breakfast but soon after returning to her room, she died very suddenly.

She was probably the only person to ever have lived more than a full century in this locality, where she was born.

The name of her family is closely linked to the early history of this city and this part of Wayne county. Her father was Samuel Baker, a cooper, who operated his shop two miles west of the little settlement called Plymouth out on Territorial road, at a place that has been known since pioneer days as Coopers Corners. Here were made the barrels used by farmers in which to ship and store the products of their farms. He migrated to the territory of Michigan from New York state in 1835 and lived here

Swanson Opens New Quarters

Herb Swanson is opening a new retail outlet today, Friday, at 459 South Main next to the Consumers Power office, that will be known as Swanson's Home & Auto Supply.

The new quarters will provide Herb with larger and better facilities to serve the needs and desires of Plymouthites. He declares that his selection of toys, which the new quarters will feature, are the largest in his history as a merchant.

Herb said the selection would abound with new available items such as trains and chemistry sets which are the first to reach Plymouth since before the war.

The usual line of home and auto supplies, equipment and accessories still will be maintained, but in better and brighter surroundings. Of course the selection there will be larger too.

The present salesroom maintained by Herb will be used as a display and sample room from now on, he informed The Mail.

Herb plans a gala opening of his new retail outlet today, Friday, and is extending a sincere and hearty welcome to all to come out and see him and his new quarters and get some ideas for your Christmas shopping which must be started soon.

Dave Galin Is Celebrating

This week is an important week to Dave Galin. It marks the beginning of 20 years in business in Plymouth, twenty years in which he has never missed an issue of The Plymouth Mail with an ad.

Not only has his Purity meat market flourished and prospered, but this is also the completion of his first year in the household appliance business in connection with his son. This business, too, has developed most rapidly.

But that is not all. Dave has the third reason to celebrate. He was the first in this locality to operate a food locker service, and now that the OPA is about to receive a final, good swift kick, Dave is tickled to death. It's the third reason he is celebrating this week, and who wouldn't?

COOKING that cooks the food AND NOT THE COOK

The most perfectly modeled features can be spoiled by a dull, faded complexion. And, ladies, when you subject the delicate texture of your skin to the searing heat of old-fashioned cooking methods—when you stand for hours in a stuffy hot kitchen—you are helping to destroy your complexion and beauty.

Don't let the drudgery of preparing meals three times a day over an old-fashioned range steal your charm and line your face beyond repair. Famous beauty experts say it isn't the years but a dry skin that ages a woman.

Plan now to put an end to "pot watching" and cooking drudgery with a modern step saving . . . health saving . . . time saving modern gas range.

Louise Peck Bride Of Keith Baughman

Tuesday noon, November 5, Miss Louise Peck, daughter of Mr. and Mrs. Charles E. Peck of Goodrich, Michigan, was united in marriage to Keith Baughman, son of Mrs. Margaret Baughman of Copemish, Michigan. The cere-

mony took place in the First Presbyterian church in Plymouth. The Rev. Henry Welch officiated. The bride chose an apricot suit with brown and aqua accessories and a corsage of talisman roses. She was attended by her sister, Mrs. Earl Becker, who wore a brown suit with aqua accessories and a corsage of coral carnations.

The bridegroom was attended by William Guldner, the two served in the Marines for three years.

Immediately following the ceremony and wedding breakfast the couple left for a brief wedding trip through the south. Upon their return they will reside on Merriman road at Warren avenue.

Mrs. Becker owns and operates the Mirror Beauty shop on South Main street.

O.E.S. News

Mr. and Mrs. Maurice Evans, Mr. and Mrs. William Michaels and Mr. and Mrs. Ivan Grey were present at the ceremonies when Walled Lake Chapter received its charter, October 28. Genevieve Nauman, grand secretary of the grand chapter of Michigan, O.E.S. presented the charter as representative of the Grand Chapter of Michigan.

Orient Chapter No. 77, Northville, held its 55th installation of officers Friday, November 1, at the Northville Masonic Temple. Those from Plymouth attending the ceremonies were, Mr. and Mrs. Harry Brown, Mr. and Mrs. Charles Rathburn, Mr. and Mrs. Maurice Evans, Mr. and Mrs. William Hartmann, Mrs. Garnet Young, Mrs. Geneva Scott, Mrs. Lillian Birchall. Also present were Mrs. Alice Rathburn, Mrs. Mary Urquhart, Mrs. Mary Kershaw, Mrs. Gertrude Thorp, Mrs. Burlie Tremaine, Mrs. Leillia Huebler and Mrs. Erma Hughes. Mrs. Hartmann was installing

organist for the occasion. Mr. and Mrs. Oral Rathburn, Mr. and Mrs. Maurice Evans and Mrs. Erma Hughes attended the 35th installation of officers of Star of Zion chapter, No. 398 held Saturday, November 2, at the Eastern Star Temple, Detroit. Marian I. Knight, Junior Past Grand Master of the Grand Chapter of Michigan, O.E.S. was installing officer for the ceremonies. A reception for the new officers and the installing staff was held in the dining room of the Temple following the installation. A special practice for the officers of the chapter is called for Tuesday, November 12, 7:30 p.m. in the chapter rooms of the Masonic Temple.

Club Plays Are Well Received

Two plays recently presented by members of the Woman's Club Players of Plymouth in the Central grade school auditorium were well received. Much credit was expressed to both the directors and the cast.

One of the plays was directed by Mrs. John Henderson, the cast of characters being Mrs. Harry Christenson, Mrs. O. H. Williams, Mrs. Floyd Burgett, Mrs. Myron Anderson, and Mrs. E. J. Cutler. Accompanied by Mrs. Frederick Bentley, Mrs. Cutler also appeared in a song and dance.

The other play was directed by Mrs. Wallace Laury. Those taking part in this play were Mrs. Charles Neal, Mrs. Harry Hudson, Mrs. John Morrow, Mrs. John Birchall, Mrs. William Morgan. The announcer was Mrs. Milton Laible and the stage director, Mrs. Charles Sawyer. Mrs. Edwin Campbell had charge of the programs. Mrs. Frederick Bentley provided the music between the plays.

New Legion Auxiliary To Install Officers

Installation of the officers of the recently organized Woman's Auxiliary of the American Legion Passage-Gayde post will be held Thursday night, November 14 at 8 o'clock.

Mrs. Hazel May, the 17th district president, will officiate at the installation, assisted by Miss Agnes Barnes, a past president of the organization.

A special invitation has been extended to members of the Myron H. Beal Post Auxiliary to attend the installation. Wives, mothers, sisters and friends of Legion members are also invited.

STRETCH YOUR COAL PILE WITH INSULATION

Your fuel supply won't actually get bigger, but it will go down much slower if you insulate now with Baldwin-Hill black Rockwool.

B-H black Rockwool is a quality insulation, naturally fire-proof and water repellent, that acts as a barrier against the escape of furnace heat.

Savings up to 40 per cent of your fuel bill are possible—and out of these savings you can pay for the insulation.

Give us a call today.

Mrs. Mariette Hough Dies Soon After Celebrating 100th Birthday

(Continued from Page One) Elevator was sold to the McLarens, who still own it. When Mr. and Mrs. Hough first moved into Plymouth from their Canton township farm they purchased the Mary Davis home which stood in the early days where the Plymouth Mail building is now located. This home was later sold and the Henry Bennett residence on the west side

of North Main street just south of the Pere Marquette tracks was purchased. Later Mrs. Hough purchased the T. C. Sherwood homestead at 173 North Main street, where she lived when she died. It was on her 90th birthday when Mrs. Hough enjoyed her first airplane ride as well as a ride in the rumble seat of an automobile, an experience she had often expressed a desire to have after witnessing a number of young people enjoying rides of this kind. Funeral services will be held

this, Friday, afternoon at 4 o'clock at the Schrader Funeral home with W. G. Holdsworth of the Christian Science church officiating. Burial will take place in the Hough family lot in Riverside cemetery. Mrs. Hough had been a member of the Science church since its organization in Plymouth. Surviving are, the son Edward C. Hough and daughters Mary H. Kimble and Mrs. Marguerite Olsvater, also six grandchildren, Cass S. Hough, Athalia Archibald, Corette H. Cahn, Jack Olsvater, Mary Jane Showalter and Barbara Jean Walter. There are six great grandchildren.

became a vice-president and director the following year. He continued all during this time his important war contract duties and, in fact, broadened his responsibilities to also include coordination and adjustment of Burroughs production facilities to meet the changing war-time picture. This was no small task, since those facilities were being asked to produce large quantities of both bombsights and accounting and figuring machinery.

In addition to the resignation of Mr. Doughty and the appointment of Mr. Coleman, Burroughs also announced a number of other executive changes from within its own ranks. These changes involved promotion of:

Laurence V. Britt, former executive vice-president, to chairman of the board of directors and chairman of a newly-formed executive committee. John L. Stewart, formerly vice-president and treasurer, to the position of executive vice-president. Mr. Stewart now combines the duties of executive vice-president and treasurer.

Thomas G. Long, Burroughs legal counsel for the past 30 years, to the board of directors filling the vacancy there caused by Mr. Doughty's retirement. Raymond G. Bower, director and general factory manager, to vice-president engineering.

Ray R. Eppert, sales manager, to vice-president marketing. Sheldon E. Hall, former special representative in Washington, to assistant secretary and assistant treasurer.

It gave Republican candidates overwhelming majorities. Following are the results: For Governor Kim Sigler (R) 1154 Van Wagoner (D) 267

For U. S. Senator Vandenberg (R) 1201 Lee (D) 204 For Congress Dondero (R) 1091 Hicks (D) 283

State Senator Reid (R) 1135 Biggers (D) 235 Representative Eaton (R) 1369 (No opponent)

Northville gave majorities for all of the amendments. On No. 1 (Airports) Yes, 812 No, 393. No. 2 (Sales tax split) Yes, 750 No, 545. No. 3 (Soldier Bonus) Yes, 802, No, 524.

Local Shoe Shop Expands; Grand Opening Today

(Continued from Page One) qualified to operate the business sold him by Mr. Fisher. He is a Navy veteran.

Fisher's Shoe Store will hold a grand reopening Friday and Saturday, today and tomorrow, to mark the business change and modernizing of the store. Free gifts will be available to all who visit the new and enlarged bootery those two days.

Jim and Blake said "tell them to bring their kiddies too, we like children and we'll have gifts for them as well as their parents." The partners are very happy over the new setup and are confident they will be better able to serve the community than ever before. They also wish to thank Plymouth for their generous patronage over the past years.

Jim and Blake always try to supply what the customer wants and needs. If they can't get it then it just isn't available. They also feel that customers are people upon whom they are dependent rather than people who are dependent upon their store. It's stores like theirs that make it unnecessary for Plymouthites to go shopping in Detroit.

Firemen Save Store Stock From Heavy Loss

(Continued from Page 1) eral thousand dollars by eliminating all water damage, Chief McAllister reported. The blaze had made considerable headway, firemen said, before being discovered. The heat was terrific and blistered the paint in adjacent rooms, firemen reported.

The office proper, workroom and all of Mr. Olsvater's fixtures and equipment escaped damage. Firemen were of the opinion, however, that the office quarters as a whole might have to be redecorated because of the dense smoke. One partition will have to be rebuilt.

Davis & Lent report that with the exception of sweaters and hats which were dropped in the water, not a single item was damaged either by smoke or water. They have little damaged merchandise thanks to Plymouth's very efficient firemen and their use of salvage covers. All soiled and wet merchandise was immediately removed from stock and replaced with items from their warehouse. The clothiers praised the firemen's efforts and credited them with saving their store and stock from severe water damage. They also publicly thank all

those who aided in helping to clean the store the following day so that it could be opened for business Monday morning. In one and one-half days, 185 man hours were needed to put the store back on a business basis.

Pass Charter Amendments

All seven proposed changes in the city charter Tuesday were given substantial majorities by the electors of Plymouth. There had been a little under-cover opposition to these recommended changes, but when the votes were counted, it is apparent that the voters were favorable to them.

Proposal No. 1, pertaining to qualifying petitions for candidates for the city commission, passed by the substantial vote of 1269 to 326 opposed.

Proposal No. 2, pertaining to signatures of city nominating petitions for the city commission, passed by a vote of 1205 to 369 opposed.

Proposal No. 3, pertaining to voting for city commissioners, passed by a vote of 1162 for and 391 against.

Proposal No. 4 which has to do with the conduct of affairs of the city commission, was approved by a vote of 1250 to 355 against.

Proposal No. 5 which pertains to city charter amendments and the city budget, passed by a vote of 1162 for and 418 against.

Proposal No. 6 pertaining to city officials and their qualifications, passed by a vote of 1125 for to 399 against.

Proposal No. 7 which has to do with the assessor and board of

review passed by a vote of 1173 to 354.

The proposals came as a result of a careful study of the city charter as it applies to the conduct of city business, and were recommended by Mayor Lidgard and the city commission.

Will Represent Plymouth High

L. E. Schmidt, principal of the Plymouth high school, will represent this city at the 18th annual Principal-Freshman Conference to be held at the University of Michigan November 14.

Principals from 143 Michigan high schools will be present to talk over college adjustment problems with their former students and also to discuss reports on their first five weeks of study at the University. Deans from several junior colleges in the state also will be present to meet with their former students who have transferred to the University.

The visiting principals and deans will meet with University personnel having contact with the freshmen at a luncheon meeting. Dean Ralph A. Sawyer, of the University's Graduate School, will be the speaker, discussing the atom bomb tests at Bikini. Students attending the University from Plymouth to be interviewed are: Robert Chute, Robert Chute, Roswell Fralick, Carl Groth, Charles Hebeisel, Emily Hough, John Moon, Marion Price, Edward Strong and Richard Tarnutzer.

Radio Commentator Next on Town Hall

"The Buck Passing American Parent" is the subject chosen by Williams Slater, popular radio commentator for his lecture at Detroit Town Hall in the Fisher Theatre, Wednesday morning, November 13, at 11 o'clock.

"Bill" Slater has had a large radio following for many years. He first became known for his graphic accounts of major football games, presidential inaugurations, and national highlights, for NBC. Recently the commentator's broadcasts have been chiefly concerned with the problems of modern youth.

After graduating from West Point, Slater became Readmaster

for the Adelphi Academy in Brooklyn. Along with his educational activities he broadcast sport and national events, acted as the genial quizmaster on "Uncle Jim's Question Bee," and voiced Paramount News for the movies. With the outbreak of war, the former Westpointer entered the army, serving on staff duty in Washington with the rank of Lieutenant-Colonel.

Advance reservations for the Slater lecture may be made at Grinnell's Music House, Ra. 1124.

It is not enough to have great qualities. One must make good use of them.

OUR DEFINITION OF A CUSTOMER

"A Customer is the most important person ever in this institution—in person or by mail.

"A Customer is not dependent on us—we are dependent on him.

"A Customer is not an interruption of our work—he is the purpose of it. We are not doing him a favor by serving him—he is doing us a favor by giving us the opportunity to do so.

"A Customer is not an outsider to our business—he is part of it."

New Secretary For City Manager

City Manager Harold R. Cheek has secured a new secretary after several weeks of doing without or working under temporary clerical help setups. Even after he secured this girl he was forced to wait two weeks until she was finished with her former position.

The new young lady to greet all comers bent on seeing Mr. Cheek is Miss Margaret Ann O'Reilly, 24, who has had six years similar experience with the Novi Equipment Co., at Novi. She is making her home with her sister, Kathryn, also a secretary in Plymouth.

If you have any items of interest about your family or friends please call Plymouth 6.

Parking Space For North Side

Some slight aid to the north side parking problem will be suggested to the city commission by the planning commission in the near future.

At its last meeting the planning commission approved of a recommendation to create a parking lot out of the piece of land owned by the city on the east side of Starkweather avenue, lying along the north side of the Pere Marquette tracks.

It has been suggested that, if the city commission approves of the recommendation, the parking arrangement of the cars be of such a nature that they will in no way obstruct the view of the railway crossing of drivers coming from the north. The city lots are between Al's Italian restaurant and the Pere Marquette tracks.

Since the inauguration of the Streamliner train service it has been noted that many people from Ann Arbor, Dearborn and other places come to Plymouth to secure train accommodations. In addition to this increased parking demand on the north side, is also a rapid increase in business parking requirements in that part of the city.

Mayor Robert Lidgard has frequently suggested that more parking space should be made available for that section. The planning commission's recommendation is in line with the Mayor's wishes.

Golfer in rough: "Never mind my ball, Caddie. Come and find me."

Elmer Smith Is Named Director

Elmer Smith, well known Northville and Plymouth real estate operator, has been elected a director of the Northville-Wayne County Fair Association and the Northville Driving Club to fill the vacancy caused by the recent death of Adolph Balden.

Mr. Balden was a lifelong resident of Northville and has served as a member of the board since the organization of the Northville Fair Association more than a quarter of a century ago.

Mr. Smith is also a past president of the club, having retired from the board a few years ago because of the press of business at that time. The Northville Downs racing group operates under a lease from the Driving Club.

Basketball Teams, Referees Sought

The Plymouth Recreation Commission is anxious to learn how many adult basketball teams are in the process of organization or already are organized.

Virgil C. Knowles, recreation head, desires that information so he can better arrange for facilities and play. He suggests that those persons interested in basketball leave their names and addresses and team sponsor with the recreation department at City Hall.

Players who have formed a team but have no sponsor still should register their team. Likewise any person or firm wishing to sponsor a cage squad also should contact Mr. Knowles.

Mr. Knowles also is looking for referees. Persons who are qualified and willing to donate their time as a cage referee are asked to contact him or call and leave their name with the recreation department at 93.

At long last you slip behind the wheel of your very own Buick.

You look around a minute — straighten your tie — grin a little at the handsome picture you know you must be making.

You turn the key. Step on the starter-treadle. Feel those eight big Fireball cylinders take silken hold.

Easy as a breeze, you slip away in two agile tons of steady-going levelness — and right then and there a lot that was dark is clear.

You see why this car is the most wanted automobile in America today.

You see why this doubles the problem posed by industry-wide slowness of parts and material flow.

You see why Buick production men are gladly putting every waking hour into ceaseless battle against such log-jams, so that they can supply these automobiles to the greatest number.

You see how quickly a

Halloween Party Is Huge Success

A crowd of over three hundred attended the Halloween party sponsored by the band in the High School auditorium Thursday, October 30. Prizes were given to Bob Newsted and Marion Lawson, Douglas Blunk and Nan Gerst for the best dancing couples. Jack Campbell received a prize for the best costume. A box of candy was given to each one.

General chairman and chairman of tickets and refreshments, was Bill Bateman; chairman of advertising, Ed Sawyer; chairman of decorating, Mary Waters; chairman of floors, Marjean Penhale; and chairman of lights, Allyn Williams.

Come to the Sadie Hawkins Day Dance

Girls! Drag your man to the Sadie Hawkins Day dance Friday, November 8, sponsored by the Leaders Club. The general chairman is Dorothy Jean Richwine. The committee chairmen are: Tickets, Beth Anne Sutherland; Decorations, Elaine Tait; Orchestra, Phyllis Christensen; Publicity, Ann Cadot; Refreshments, Lois Osgood; Floor, Betty Baker. The decorations will be on all Lil'Abner Comio characters. Refreshments will be served in the lunchroom. The teachers in charge are Mr. Matulis, Miss D. Schultz, Mr. P. Wagner, and Miss V. Olmsted. The chaperones are Mr. and Mrs. D. Sutherland, Mr. and Mrs. O. Williams, Mr. and Mrs. H. Baker, and Mrs. Bassett.

Custodian Force Is Reorganized

The custodian force of the school has been reorganized in order to carry out a plan for cleaner schools and to do the much needed repair work in these buildings. Mr. Edward Stewart who previously headed this group will be relieved of some of his former responsibilities so that he may devote more of his time to the heating system.

Mr. Leo Kowalick, who now heads the staff of custodians, says, "I think the boys and girls are OK and enjoy working around them, although I wish they would realize that the things they destroy in school are paid for by their Moms and Dads."

Reserves Triumph Over Wayne 6-0

The Rock Second Stringers finally broke their consistent losing streak by beating Wayne 6-0. A long completed pass and a run from the 2 yard line by Bob Durham brought the only score of the game.

The Rocks have improved greatly since their last game, the improvement being shown especially by better teamwork and more blocking. Those deserving special mention are Max Stevens, Robert Benjamin, Robert Durham, Bruce Besse, Wm. Newsted, and Tom Hopson.

Go through, go through the gates; prepare ye the way of the people; cast up, cast up the highway; gather out the stones; lift up a standard for the people.—Isaiah 62:10

POULTRY PROFITS

with an ELECTRIC BROODER

CHICKS get off to a flying start when you use an electric brooder. It's safer... easier... more economical. Heat is thermostatically controlled—evenly distributed to prevent chicks from dangerous crowding. Air is circulated scientifically to keep litter dry and healthful. There's no soot, no smoke, no worry about fire or temperature variations.

Dozens of durable, reliable electric brooders are on the market now—scaled to fit every farmer's budget. All of them can cut down on slow growth, poor feathering and a high death rate. Ask your Edison Farm Service Advisor to show you an electric brooder in operation on a nearby farm—let you talk costs-and-profits to its owner. You'll find that electric brooding pays for itself!

CHECK-LIST FOR PROGRESSIVE POULTRYMEN

- Electricity can streamline your poultry program in many other ways. How many of them do you need on your farm?
✓ Germicidal Lamps to kill germs, check airborne disease
✓ Electric Water Pumps to save back-breaking labor
✓ Water Warmers keeps chicks' water at the right temperature
✓ Ventilators to eliminate dangerous drafts
✓ De-Beakers to check danger of cannibalism
✓ Sun Lamps for increased health and hatchability
✓ Electric Lights increase hens' work-hours and production
✓ Egg Graders and Candler fast, accurate and automatic
✓ Poultry Pickers another time and money saver

BARBON

Barbon Discusses Real Estate
Barbon Park, Mass., Nov. 8.—The stock market is not the only thing that has had a bump during the past two months. I happen to be vice president of the Newtoy-Waltham Bank & Trust Company with assets of \$65,000,000. Naturally, we take a large number of mortgages. Just before leaving on my Western trip, it looked to me as if the edge is off the real estate market here in the East.

Conditions in the Middle West
Hence, on my Western trip I constantly inquired regarding real estate and found that all cities visited told about the same story. Briefly, this is that the demand continues for small houses selling from \$3,000 to \$12,000; but that the demand for larger houses, even new ones, has fallen off considerably.

Real estate agents tell me that property that has been selling for \$15,000 or over is now being marked down at least 20 percent. This applies to older fairly modern houses and also to new houses. Large houses are actually a drug on the market at the present time in some sections of the country. Veterans are gradually getting located. Rumors are abundant that new houses are being built of green wood, with few nails and poor fixtures, which cause the purchasers to be wary of them.

WHAT ABOUT CEILING?
Sooner or later the cost of living will again decline. If labor pays fairly, it will be willing to take a cut in wages, as living costs decline to offset the increased. But whether or not this happens, labor, before long, will do better work and give much more for an hour's wage. This will apply to all wage workers, beginning with those who cut the trees in the woods for the lumber. Hence, those who can wait before buying a new house, should surely do so. The present \$10,000 ceiling is not helping.

Now, a word regarding rent ceilings. It may be wise to continue rent ceilings on prewar houses although they should be

adjusted to provide for the increased cost of upkeep, etc. But there should be no rent ceilings on new houses built for renting. Otherwise, very few houses will be built to rent and the nation will suffer.

FARM INVESTMENT
The subsistence farm which produces only enough to feed the family, pay taxes and hire a man, but where the owner has a position or business on the outside, is holding firm in price. This is especially true in the case of property within a mile or two of a church, stores, post office, schools, etc. Real estate people are looking up such property with the idea of cutting it up into a subdivision of five or ten acres.

While on my trip, I purchased two 160-acre farms. Both of these I can rent at a figure to pay taxes and give me 4 percent on my investment. This is good enough these days with the security which a good farm offers. In one instance, the farm was within walking distance of a city of 5,000 population. I consider this a safe investment considering the excellent soil, drainage and location on a bus line.

FARMING STATES
During this trip I found an instinctive desire of farmers to want to move in a southerly direction. Farmers in Minnesota are selling and buying farms in Kansas, Iowa and Missouri; while farmers in these Central States are selling and buying farms in Oklahoma, Texas and perhaps Kentucky.

Although the general movement during the past fifty years has been westward, I think it is now directed southward, although, of course, California is the looked-for heaven of most farm housewives. For retired farmers, Florida should not be forgotten; but from an agricultural point of view it is very hard to induce a Midwest farmer to swap six feet of black loam for Florida sand even though Florida has the finest climate in the world!

Cage Teams For Women? Maybe

Inquiries have been received from time to time by the Plymouth Recreation Commission concerning the possibility of organizing girls' basketball teams and perhaps a league.

So far, according to Virgil C. Knowles, these have not been sufficient enough to warrant the formation of a league. But a few teams might be organized if the current interest endures. Mr. Knowles said he would try and organize a league for as few as four teams. All interested parties are requested to call the recreation department -93- and if enough players register, plans will be made for teams and a place for them to play.
