What I Think and Have a Right to Say

ELTON R. EATON

The PLYMOUTH MAIL

Vol. 59, No. 14

Plymouth, Michigan Friday, December 6, 1946

\$2.00 Per Year in Advance

THE FIRST BIG JOB.

It will not be many days before Kim Sigler will become the Governor of Michigan. He will have many important duties confronting him immediately. But as we see it, his biggest and most important task is to clean up and FINISH the work of the state grand jury.

Mr. Sigler freely said during the campaign, that there was plenty for the grand jury yet to do, that its important work had not been finished. His work as special prosecutor placed him in a position to know what he was talking about.

A Michigan Governor has tremendous power under the constitution of this state, a power far greater than most people realize. As the chief executive of Michigan, he has direct command over ALL law enforcing agencies, and while only the legislature can remove circuit judges, the Governor is in a position through the attorney general's department to see to it that justice is not cheated.

We believe, in view of Mr. Sigler's campaign and the vote of the people of Michigan, his first and most important duty is to finish up the work of the grand jury and get the grafters that Mr. Sigler declares have not yet faced the bar of justice.

MR. PEGLER AND GEN. EISENHOWER.

Westbrook Pegler, who writes an interesting column in The Detroit Times three or four days a week, makes it quite clear that he does not approve of the palaver done a few days ago by General Eisenhower when he spoke before the CIOers at Atlantic City.

Said Mr. Pegler in part: "Gen. Eisenhower couldn't have done his job in Europe if he had had to ask his armies to do as he planned, instead of commanding them."

"But the President of the United States has no power to deal with men who want to starve the country and wreck the government, and still the people expect him to do his job."

"There was no necessity for Eisenhower to go to the CIO convention at all, having gone, to belittle his own honesty and intelligence."

"If he is suffering from political ambitions it is so much the better that he made a spectacle of himself so early, though the demolition of a Man Who Was will bring no pleasure to those who know him thus far only as a military hero for history."

"Eisenhower told the CIO that American labor 'rightly shares in the laurels won by American troops on the battlefield,' which is the damndest nonsense of the season and certainly violates his own information."

"American labor got enormous wages in the so-called war effort and loafed, malingered and squandered money on booze, entertainment and jewelry and the record of those very unions to which he addressed this idiotic flattery was so disgraceful that even the very men whom he tried here to woo must have been contemptuous."

"These unions struck over childish causes, such as the color of the ice cream and the pop on the hokey-pokey wagons, they slowed down and stalled, they profiteered and racketeered and the rank and file, the workers, enjoyed the highest wages in history while the troops were winning their laurels on the battlefields."

THE TAX PROBLEM.
 Because of the diversion of nearly two thirds of the state's general fund income to local units of government, including school districts, many state officials express the fear of increased state taxes. The voters also decided to pay a bonus to Michigan veterans of World War II. This also adds to the state's complicated financial picture.

The state has a very substantial income, and before we vote for new taxes we are going to find out whether there is a proper distribution of the tax moneys already being collected. We can see no sense in letting hundreds of townships that do not need a penny of state aid, getting more state aid. We can see no reason why the severance tax money should go to the townships. Yes, we are going to ask a lot of questions before voting for new taxes.

Many Stores To Open Evenings For Shoppers

For the accommodations of the thousands of Christmas shoppers who find it difficult to come into Plymouth to do their Christmas shopping during the day time, nearly all of the stores of Plymouth have announced that their outlets will be open evenings, beginning on Friday, December 13.

Sponsor Benefit For Club Aid Fund

The Michigan Farm and Garden association will hold their annual Christmas tea for the benefit of the scholarship fund on December 9 at 2:00 p.m. at St. Johns Parish house. A musical program has been arranged following a gift and bake sale. Mrs. T. G. Hegge will be chairman, assisted by Mrs. Frank Dunn, Mrs. Sterling Eaton, Mrs. Clarence Elliott, Mrs. John Scheel, Mrs. William Hartmann, Mrs. Roy Scheppe, Mrs. Edwin Scott, Mrs. Carl Shear, Mrs. John Henderson, Mrs. Leroy Jewell, Mrs. Samuel Spicer, Mrs. A. Stecker, Mrs. Walter Sumner, Mrs. J. M. Sweetles, Mrs. Louise Von Stein. President, extends a cordial invitation to the public to attend this meeting from 2:30 to 6 p.m.

Col. Cass Hough Named Chairman

Announcement was made in Lansing Wednesday by Chairman John Wagner of the Republican State Central committee that Col. Cass Hough of this city had been named chairman of the inaugural banquet committee for Governor-elect Kim Sigler to be held in the Olds hotel in Lansing on January 1. The banquet will be followed by the inaugural ball in the Masonic temple.

Beals Post Asks Christmas Aid

The good people of Plymouth and vicinity are invited to join with the Beals Post No. 32 of the American Legion and its Auxiliary in remembering every sick or disabled war veteran in Michigan on Christmas this year.

There are 80 hospitals in the state now caring for these veterans, 12,000 of them in all—for whom the war has not ended. It is proposed to give each of them a Christmas gift box. This project, called "Gifts for the Yanks Who Gave," is now being sponsored by the Legion and Auxiliary for the third successive year. It is nationwide in scope, and constitutes the biggest Christmas Party on record.

Goodfellows To Provide Happy Christmas For All

"No kiddie without a Christmas"—that's what the members of the Plymouth Goodfellows decided again this week at a meeting held at the city hall.

At another meeting to be held Sunday morning at 9 o'clock when a picture of the entire group will be taken for the Goodfellow edition of The Plymouth Mail, there will be a discussion of Christmas plans and the work that must be done in order to make the Goodfellows Christmas the same outstanding success it has been in previous years.

Sunday morning's meeting will also be at the city hall. Later officers and committee members will be named for the 1946 Christmas period.

Goodfellows will accept old or new toys or clothing for distribution at Christmas time. These articles can be left at any time at the city hall.

The Goodfellows also request that if you know of any needy children the names should be left at the city hall so that proper inquiry can be made previous to Christmas as to the actual needs of these children.

Not only do the Goodfellows plan to see to it each year that there is "no kiddie without a Christmas" but they will see to it that if clothing and food is needed, that, too, will be provided.

The date of the annual Goodfellows paper sale will be announced next week.

St. John's Church Has New Organ And Entrance

During the past year there has been much activity at St. John's church, the result of which is a new Hammond organ, completely paid for, is soon to be consecrated and the church has been beautified with a new front entrance.

In addition to these improvements has been excavated by the men of the Parish and friends of the church, the ladies have made a substantial contribution, states Mrs. Lisle Alexander, treasurer of the Community Fund board.

Both Mr. Bennett and Mr. Hough have stated that they believe that the services of a visiting nurse are badly needed, and have announced their intention of doing all they can to help.

When finished, the ladies will have a most convenient kitchen and dining room for their activities. This dining room will be utilized by the children of the Parish for Sunday school and Junior choir and for various other church activities.

The new entrance will enlarge the seating capacity of the church and will also provide a Rector's study and a choir room.

In the near future it is hoped that pews will be available as this is the next project which will be undertaken as soon as the remodeling is completed.

Thomas Moss, a vestryman of the church, has kindly given of his time and ability towards the supervision of this work. He has had the loyal support of the men of the Parish who have worked tirelessly with him in this project.

The organizations of the church, the Guild, the League, the Altar Guild, the Women's Auxiliary, the Northville Guild and the Men's Club feel that the fine results of their efforts are due in part to the aid given them by the community at large which is deeply appreciated.

Plymouth Native Dies at Pontiac

Funeral services were held November 26 at Clarkston for August Julius Micol, 76, a native of Plymouth, who died Nov. 24 at St. Joseph Mercy Hospital, Pontiac. Burial was in Lakeview cemetery, Clarkston.

Mr. Micol, born in Plymouth, Oct. 28, 1870, was the son of Peter Micol and Elizabeth Kohlasch. He attended the Plymouth public schools and was a member of the Baptist church here. He formerly was a butcher but later turned to farming.

Evans Products Company Starts Erection of New Office Building

Construction has been started by the Evans Products Company of an office addition to the big plant located on Eckles road. Contractors hope to have it finished in February.

The new structure will add something like 3,500 square feet to the office space of the company, which has been badly crowded for several months past.

The employment office, purchasing department and possibly one other department will be housed in the new structure when it is finished.

While no statement has been made by any official of the company, it is generally believed that if future growth is not hampered by disturbed industrial conditions throughout the country, the next two or three years will see much more construction at the Evans plant. The structure was built originally for a machine gun manufacturing plant and used by the Kelsey-Hays Machine company during the war.

Substantial Gift To Community Fund Helps Prospect For Visiting Nurse For This Vicinity

Through the gift of another \$500 check from the Daisy Manufacturing company to the Plymouth Community fund, prospects are now exceedingly bright for the establishment of a visiting nurse service for Plymouth and Plymouth township.

The total contributions have gone considerably over \$5,000, leaving less than \$2,000, to reach the \$7,000 goal fixed as necessary to carry on a highly important health work in this vicinity.

In spite of the tireless efforts of the board it has been impossible to reach the total sum needed. The contribution of a second check by Charles H. Bennett and Edward C. Hough of the Daisy company for \$500, plus the first check given by the Daisy company for \$500 has given the board new encouragement and a determination to reach the \$7,000 goal.

The Daisy service boys have made a substantial contribution, states Mrs. Lisle Alexander, treasurer of the Community Fund board.

Coal Strike Hits Mailing

Effective immediately, due to the coal strike and the elimination of train services, the Plymouth postoffice, states Postmaster Harry Irwin, can accept no package for mailing that weighs over five pounds. Neither can mail be accepted for any foreign country, except to men in the armed forces.

Auto License Sale Is Brisk

Michigan's 1947 auto license plates went on sale in Plymouth last Monday. Frank Rambo, manager of the license bureau, said the sale was brisk the first two days. More than 100 Plymouth motorists obtained their new plates the first 16 hours they were on sale, he said.

The plates for 1947 are "very dressy looking", Mr. Rambo stated. They are black lettering on an orange background and can be seen for a long distance. Plymouth's allotment of plates started with the series—CR 2951 and runs up.

Mr. Rambo said the office is open daily from 8 a.m. to 4:30 p.m. and that should anybody give him a call he'll wait overtime to accommodate any motorist. Later he will keep the office open in the evenings, he reported.

Mr. and Mrs. William C. Hartmann and children Beatrice and William, and their guests, Mr. and Mrs. Orville Ross and son Robert of Benton Harbor Rosemary Guthrie and Graham Laible attended the opening performance of Sonja Heine review last Saturday evening.

More Library Patrons in Plymouth Than There Are Homes — Library Has Unusual Growth

Plymouth, a city that can lay claim to nearly 1400 homes, has the unusual distinction, according to a check of records just made at the Plymouth library, of having more library patrons than it has homes.

Librarian Ada Murray stated yesterday that the check showed 1590 active cards, plus 151 additional cards that were in transit to the main library, but which are cards in constant use. This makes a total of nearly 1750 regular users of the Plymouth library who live within the city limits of Plymouth.

The townships of Plymouth and Livonia have 1139 regular users of the Plymouth library and there are 150 residents of Canton, Nankin and the south end of Northville townships who are regular patrons of the Plymouth library.

Small Babe Is Found Dead In Riverside Park

Discovery in Riverside Park of a newly-born male child wrapped in bloodsoaked Detroit papers and a towel bearing the name Hotel Franklin, Tuesday noon, has Plymouth all agog.

The bundle was found quite by accident by Dillard Wick, 20, of 344 Amelia street, an employee at Allen Industries. He was cutting through the park after inspecting his trap line near the Plymouth city dump.

It lay in the grass just off Edward Hines drive in the park near the Plymouth road viaduct. Wick said he was attracted to it by the sight of freshly blood stained papers. He moved the box with his foot, he said, and out rolled the dead child.

Wicks ran to the home of Harvard Norgrove, 262 Plymouth road, telling Mr. and Mrs. Norgrove what he had found and asking them to call police.

Capt. Carl Greenlee responded to the call. He saw what Wick had stumbled onto and noted it was outside the city so he summoned officers of the county road patrol from Wayne.

Deputies George LaForest and Alexander Fella responded. The bloody bath towel in which the baby was found was wrapped in copies of the Detroit News and dated Wednesday, Dec. 1.

Everything indicated the package had been done up in a hurry and probably while the child was still alive.

There also was definite evidence that the birth had not been attended by a physician, the officers stated.

They also believed the box was thrown from a speeding automobile as it neared the bridge on Plymouth road just east of the city limits.

Coroner's officers, who were three hours reaching the scene, were of the opinion that the child had been alive at 11 a.m. Tuesday and perhaps was alive when the box was tossed into the park.

New Express Rates Due Dec 13

Leonard Millross, Plymouth agent for the Railway Express, has announced that new increased rates interstate shipments will go into effect Dec. 13.

They were authorized by the Interstate Commerce Commission. Mr. Millross said, to help the company meet higher operating costs, wages and taxes.

Generally speaking the increase covers shipments weighing 100 pounds or more at the rate of twenty cents per hundred pounds for first class rate and fifteen cents for second class.

Shipments less than 100 pounds will be covered by increases based on graduate charges. The new rates also provide for an increase of thirty cents in minimum charges covering many items.

The emergency charge of ten cents is cancelled except on returned empties, Mr. Millross said. He also pointed out that the increases do not affect shipments that move wholly by Air Express.

Used Car Stolen from Allison Garage Lot

A 1942 Chevrolet coach which had been sold to Jerry Leach, of Detroit, was stolen sometime Tuesday from the Allison Garage parking lot, according to Plymouth police.

The garage, Plymouth's official Chevrolet sales and service agency, reported that the car was missed Wednesday morning, police said.

Landon Home Scene Of Minor Roof Fire

Plymouth firemen were summoned to the home of Louise Landon, 592 South Harvey street, last Friday, to extinguish a small roof blaze.

Fire chief Robert McAllister said the damage to the roof would amount to \$15. He blamed chimney sparks from the fire.

Gulf Service Station Changes Management

Announcement is made this week of a change in management of the Gulf service station located at the corner of Starkweather and North Main streets, by the new operators, Leo Carley and Iver (Bud) Wilson. The establishment will be known as Carley and Wilson Sales and Service.

Plymouth Ready to Back Seal Drive

Residents of Plymouth and vicinity will next week do their part in the fight against the tuberculosis plague which has reaped hundreds of thousands of lives and cost this nation billions of dollars.

Mrs. Clara Alexander, general chairman of the Plymouth committee which has charge of the campaign in this locality, has arranged to have booths in convenient places next week where TB Christmas greeting stamps may be purchased. Superintendent Helmar Nelson has also arranged to time the school campaign with the local drive.

Mrs. Pearl Lundquist will have charge of the Christmas greeting stamp booths in the postoffice from Monday, December 9 to Saturday noon, December 14.

She has named the following members of the Eastern Star Order as her co-workers: Evelyn Brocklehurst, Doris Leitz, Irma Hughes, Helen Ingram, Ara Fehlig, Lillian Hartmann, Ann McGeorge, Clella Smith, Myrtle Brown, Cora Springer, Burl Tremaine and Gertrude Thrope.

Mr. Alexander will have charge of the booth at the Penn theatre each evening next week, with Mrs. Helen Conley and Mrs. Ann Summer assisting in the sales.

W. J. Scripps of Detroit, president of the Tuberculosis and Health Society of Wayne county, recently declared that nearly three and a half million dollars in tax money was spent last year for the treatment of tuberculosis patients in Wayne county.

"Since Christmas seal funds" he said "no longer are needed to finance the treatment phase, and because official welfare agencies such as the Detroit Department of Public Welfare and the Bureau of Social Aid stand ready to extend financial aid to keep families of the tuberculosis together, our society spends its Christmas Seal revenue to support the case-finding, rehabilitation and health education programs necessary to a complete tuberculosis control effort."

"Today in Michigan treatment is free to tuberculosis patients unless the state commissioner of health and the county department of social welfare can prove an individual's ability to pay."

"Our society sells the familiar double-barred cross Christmas Seal as its only source of revenue. Accomplishments of this fund in the past year include:

"Rehabilitation—Training for jobs after cure is offered to patients and out-patients at Herman Kiefer Hospital, one of the nation's largest sanatoriums.

"Case-finding—X-ray surveys have been conducted with the Wayne County Health Department, reaching 25,000 children and adults in a six months period. Of those examined, 25,855 persons had the reassuring news that their lungs and heart were okay."

"Health Education—Dissemination of information about the disease and the diagnostic and treatment facilities available in the community—in the belief that knowledge is the best weapon against the fear held by many people."

No Fuel Worry For Plymouth's Public School

Plymouth school officials are more than thankful now for the installation of the new oil burners in the High School heating plant. The coal strike will not interfere with any of the local schools until at least next March according to Superintendent Helmar Nelson, who says a sufficient oil supply is on hand for the High School and Central Grade school buildings to last through February.

Starkweather school also has enough coal on hand to run through to March Mr. Nelson stated. If coal or oil are the only two necessities to keep school open during the coal strike, Plymouth students will be able to finish the first semester without interruption.

The recent explosion of a boiler in the Baroda, Michigan school, which claimed the life of a boy, also gave school officials another reason to be thankful that they had replaced their badly worn boilers. Plymouth's boilers were condemned early last summer. The Board of Education replaced the boilers with three new oil burners which are now in operation.

City Record Set By Daisy Keglers

Members of the Daisy Air Rifles bowling team, which already has been entered in the National ABC tournament at Los Angeles, Tuesday night rolled the highest series ever recorded in history of Plymouth.

With individual averages of more than 200, the team chalked up a total score of 3,034 for the three games at Plymouth Recreation alleys.

Members of the team and their individual scores for the series are Lee Butler, 619; Harvey Shaw, 567; Bud Archer, 600; Packer McAllister, 618; and Doyle Rowland, 630.

The Daisy Co., took care of entering the team in the National ABC series and will send the keglers there to show 'em how its done in Plymouth.

Postoffice Open Two Saturdays

For the accommodation of Plymouth postal patrons, Postmaster Seal has announced that the postoffice will be open all day Saturday, December 14 and Saturday, December 21. Postmaster Irwin urges every one to do their Christmas mailing EARLY.

The home of Mrs. George Britcher of Wilcox road was the meeting place of the Lutheran Women's club, Monday evening. Miss Katherine Ashley of the Wayne County Library gave a very interesting talk on what type of books to buy for the home.

**Reta Gene Daggett
And Robert Birt
Wedded November 29**

The Kate Allen home on Penniman avenue was the scene of a pretty wedding Friday, November 2, at 8 p.m. when Reta Gene Daggett and Robert Phillip Birt spoke their vows in the bay window of the large living room which was decorated with candles,

bras, palms and chrysanthemums. Father Mooney of our Lady of Good Counsel church officiated. The bride chose a double breasted suit of beige gray, with a small Peter Pan collar, and a hat of winter white. She carried white gloves. Her only jewelry was lily-of-the-valley ear rings of gold set with small pearls. A corsage of lavender orchids completed her costume. Mrs. Jack Crisp, her only attendant,

wore a grey suit and grey hat trimmed with ostrich plums. She carried a white prayer book and her corsage was of red carnations. Bernard Birt, brother of the bridegroom, was best man. Jay Daggett, brother of the bride, William Shavey and Blair Bedient, A. T. O. fraternity brothers of Albion were ushers. Mrs. Harold Daggett wore a grey silk crepe dress with rust hat and accessories to match. Her corsage was of bronze mums. Mrs. William Birt chose a navy silk dress with brown accessories and she wore white gardenias. Robert, a student at Albion college will resume his studies, after a brief honeymoon. The music was furnished by Misses Ruth Campbell and Mary Roien.

**Church Wedding For
Frances Arlene Warkup
And Lawrence Grimes**

The Plymouth Methodist church was the scene of the marriage Friday, November 29 at 7:00 p.m. of Frances Arlene Warkup, daughter of Mr. and Mrs. John Warkup of Adams street and Lawrence Grimes of Tennessee, son of Mrs. Ethel Grimes. The Rev. C. A. Doty, pastor officiated. For her wedding the bride chose an air force blue wool suit with black accessories and wore a corsage of white mums and white carnations. She also wore a string of pearls, a gift from the groom. Marie Warkup, sister of the bride was bridesmaid and wore a gray wool suit and a corsage of white mums and white carnations.

Robert H. Grimes, brother of the groom was best man. A reception following the ceremony was held at the home of the brides brother, Carol Warkup

for members of the immediate family and intimate friends after which the couple left for a trip to Canada. They will reside on Ann Arbor trail.

**Shirley Jean Hitt
Becomes Bride of
Monte Gordon Hines**

At a double ring ceremony in the First Presbyterian church of Plymouth, Saturday evening Shirley Jean Hitt spoke her marriage vows to Monte Gordon Hines. Rev. Henry J. Walch officiated.

The altar was decorated with several baskets and vases of large white mums with a background of many lighted tapers in tall candelabras.

The bride, who is the daughter of Mr. and Mrs. Ira O. Hitt, of Sheridan avenue, was given in marriage by her father. She wore a white satin gown, the bodice having sequins outlining the yoke and a full skirt extending into a train. Her matching sequin trimmed coronet held her lace bordered double fingertip veil of net. A white orchid centered her bridal bouquet of white roses.

Mrs. Jayson Day of East Detroit attended her sister as matron of honor wearing a gown of forest green crepe and carried a colonial bouquet of yellow roses.

The bridesmaids were Mrs. Odene Hitt, of Washington, D. C. sister-in-law of the bride, and Mrs. Robert Filer, who were gowned alike in rose faille and Barbara Kreit of Detroit and Jean Norgren, who wore pink faille. They carried colonial bouquets of tulle and roses and wore a matching rose in their hair. Sharon Hitt, of Washington, D. C., a niece of the bride, acted as flower girl wearing a floor length highwaist-

ed gown of pink faille with shoulder length veil attached to a dainty headdress of pastel flowers.

Monte is the son of Mr. and Mrs. Francis E. Hines, of this city. He was attended by Terrence Hitt, brother of the bride, and ushers were Odene Hitt, of Washington, D. C., another brother, Robert Filer, David McIntosh and George Nulty of Plymouth.

The bride's mother, Mrs. Hitt, wore a street length dress of grey crepe with black sequin trim and a matching headdress of sequins. Mrs. Hines chose a brown and beige crepe with matching accessories. Each wore a corsage of pink roses.

A reception followed in the dining room of the church, the wedding party being seated at one long table flanked by several other tables where the guests sat. Baskets of white mums and a four tiered wedding cake elaborately decorated, added to the setting.

Later Mr. and Mrs. Hines left by motor on a honeymoon to Washington, D. C., after which they will reside on Northville road. A brown shagskin suit with brown accessories and her white orchid from her wedding bouquet completed her costume for traveling.

**Eleanor Hart Weds
Clifford Wilkin In
Church Ceremony**

The Plymouth Methodist church was the scene of a pretty wedding, Saturday evening, November 23, when Miss Eleanor Hart, daughter of Mr. and Mrs. Stanley Hart became the bride of Clifford Wilkin, son of Bryon Wilkin, Rev. C. A. Doty officiated.

Given in marriage by her father, the bride was attired in a white satin dress made with a bodice and a flared pleum. The skirt extended into a short train. Her finger tip veil fell from a coronet and she carried white roses and baby mums. Lois Vetal, as bridesmaid wore a pale blue gown with her shoulder length veil. She carried

yellow mums. Tom Robertson of Plymouth served as best man. Donald Vetal and Bryon Wilkin Jr. seated the guests.

Mrs. Hart, mother of the bride, wore a blue crepe with matching feathers on her hat and a corsage of mums in fall color.

Immediately following the ceremony a reception was held in the church parlors. For traveling the bride chose a gold color suit with black accessories. The happy couple spent their honeymoon in Washington, D. C. They will reside on Ford road.

**Patricia Wissinger
Weds Russell Bell**

Monday evening November 25 at 8 o'clock Patricia Mae Wissinger and Russell Bell were united in marriage at the Lutheran church of Archdale by the Rev. A. S. Sommer.

The bride chose a white wool jersey street length dress trimmed with gold sequins. She wore an orchid corsage. Miss Cunningham, the bridesmaid wore a blue crepe street length dress with white accessories and she wore a corsage of baby mums.

Walter Berrington of Detroit was best man.

The bride's mother Mrs. Helen Wissinger chose a brown crepe suit dress with gold trim and wore a corsage of brown mums.

The bride's sisters Mrs. Alice Parker and Mrs. I. Cruse gave a reception following the ceremony. Niagara Falls and then spend the remainder of their three weeks in Connecticut. On their return they will reside in Detroit.

Mr. and Mrs. G. E. Taylor entertained at a family dinner Sunday at their home on Ann Arbor trail, the latter's sister, Mrs. Thomas Davey, who is leaving soon for Florida. Mrs. Floyd Bassett of Laporte, Indiana, Mr. and Mrs. Harry Bassett of Wayne, Mr. and Mrs. Thomas Davey, Jr. of Rochester and Mr. and Mrs. James Bassett.

OBITUARIES

George Ernest Travis
Funeral services were held Tuesday, December 3 at 2 p.m. from the Schrader Funeral home for George Ernest Travis who passed away Sunday, December 1 at the age of 64 years. Mr. Travis resided at 6910 Canton Center road, Canton township.

He is survived by his widow, Mrs. Adeline Travis, three sons and one daughter, Russell, Clair and Stanley, all of Plymouth, and Mrs. Zetta Drayton of Waterford, and 12 grand-children. Also surviving are his sister, Mrs. Ella Rowe of Canton township, three brothers, Juel Travis of Big Bear City, California, Sylvester Travis of Canton township and Harvey Travis of Long Beach, California.

a host of other relatives and friends.

Mr. Travis was a member of the First Presbyterian church of Plymouth for many years.

Rev. Henry J. Walch officiated. Two beautiful hymns were rendered on the organ by Mrs. M. J. O'Conner. The active pallbearers were Messrs. Charles McKeever, Earl Doletzke, Ronald and Gerald Bush, George Backus and George Hamilton. Interment was in Riverside cemetery.

Patchen School PTA Meeting

The Christmas meeting of the Patchen PTA will be held at the Patchen school, this Friday evening, December 6, beginning at 8 o'clock.

Guests will be Miss Catherine

Ashley of the Wayne County Library school division who will discuss books as gifts to children for Christmas. A program will also be provided by the children of each room of the Patchen school. Refreshments will be served.

The PTA also announces that dancing lessons for teen age children of the school will be sponsored by the parents and teachers every Monday evening from 7:30 to 9:30 o'clock. Norman Cook will teach round dancing and Frank Kehrer square dancing.

Says Lumber Is All Down South

Harold Finlan who recently returned from a trip through the southwest with Mrs. Finlan, says that if lumber dealers and builders in this part of the country want to know where all the lumber is going, all they have got to do is go down in Texas or any of the other outwestern states and look at the lumber piles.

"Millions and millions of feet of lumber piled everywhere. And that is not all, there are more business blocks, more homes, more big buildings being built in the cities of the southwest than were built back here in the good old boom-days," said Mr. Finlan.

"How they are doing it is something I did not ask about, but if you want to see lots of lumber, building materials and new buildings under construction, just take a few days off and take a trip through the southwest," he added.

LEGALS

EARL J. DEMEL, Attorney, 690 South Main street, Plymouth, Michigan.

STATE OF MICHIGAN, County of Wayne, ss. 302,967—At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the nineteenth day of November, in the year one thousand nine hundred and forty-six; Present PATRICK H. O'BRIEN, Judge of Probate. In the Matter of the Estate of ANDREW PIDO, also known as ANDRO PIDA, a mentally incompetent person. EARL J. DEMEL, Guardian of said ward, having rendered to said Court his fourth annual account in said matter: It is ordered, That the seventh day of January, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

PATRICK H. O'BRIEN, Judge of Probate.
(A true copy)
RICHARD H. WERNETTE,
Deputy Probate Register.
December 6, 1946.

STRETCH
YOUR COAL PILE
WITH
INSULATION

Your fuel supply won't actually get bigger, but it will go down much slower if you insulate now with Baldwin-Hill black Rockwool.

B-H black Rockwool is a quality insulation, naturally fire-proof and water repellent, that acts as a barrier against the escape of furnace heat.

Savings up to 40 per cent of your fuel bill are possible—and out of these savings you can pay for the insulation.

Give us a call today.

Booth Insulation Co.
Detroit

Ph. Ply. 1040—Northville 106

God Did It All was in readiness for the birth of the Messiah but for one thing—it looked as if he would be born in Nazareth instead of Bethlehem as foretold by Micah. Joseph and Mary made their home in Nazareth, and since they were among their friends it seemed normal that her Child be born in that place. But over a thousand miles from Nazareth, Caesar found his treasury low, and decreed that all the world should be taxed. Word of this finally reached Nazareth, and as the clock of prophecy ticked out its few remaining minutes, Joseph began his arduous journey with Mary to Bethlehem, the town of his fathers. As the clock of God struck the hour, "A Child was born, a Son was given." At the first Christmas, the world was turned upside down in order to get two people from Nazareth to Bethlehem that the Word of God might be fulfilled.

Richard Olin Jr., who is at present stationed at Fort Bragg, North Carolina, has been home on a brief furlough for a visit with his parents and friends.

Mr. and Mrs. Glenn Smith have returned home after spending several weeks at their cottage near Baldwin. Mr. Smith brought back with him the "remnants" of the big buck he killed on the opening day of the deer season.

Mr. and Mrs. Jack Chapman entertained relatives from Detroit, Redford and Birmingham for the Thanksgiving holiday.

Mr. and Mrs. Hugh Law and family spent Thanksgiving day with Mr. Law's father of Grosse Pointe.

Freeman Hover spent the Thanksgiving holiday with his parents, Mr. and Mrs. W. C. Schoof.

David Otto of Grand Ledge was a week-end guest of his aunt and uncle, Mr. and Mrs. W. C. Schoof.

Mr. and Mrs. Fred Kohler entertained the following guests on Thanksgiving day: Mr. and Mrs. Ronald Hesse and little son Ronnie of West Warren road, Ypsilanti, Frank Magraw and Mrs. Lois Frederick of this city.

Archery Club To Be Organized

At a meeting of the Western Wayne County Conservation association, Monday night at the club house on Joy road, a group of members of the club took steps to organize the first archery club in this part of Wayne county.

Robert Meeker of the Detroit Archery club was present and gave some interesting data as to the proper steps to take in organizing a club, as well as a junior club for sons and daughters under 16 years of age of club members.

Tentative plans call for the establishment of a field of 14 targets. The terrain of the club grounds was called ideal for a target field. Those present at the meeting who signified an interest in the archery club were Gar Evans, William Curtis, P. E. Allen, J. N. Allen, Robert Wesley, Douglas Blunk, Richmond Roberts, Virgil Knowles, William Rambo, William Keefer, James Schomberger, Al Hohl, Richard Daane, Claude Root, Milton Moe, Charles Minthorn, Dr. J. M. Robinson, William Bateman and Ernest Henry.

If there are others who are interested in joining the club and who were not present at the meeting, they can secure additional information from William Rambo at the Sports Shop.

Mr. and Mrs. Allen Mathson and Suzanne of Leamington, Ontario were guests over the Thanksgiving holiday with relatives in this city. Among those they visited were Mr. and Mrs. Donald Sutherland, Mr. and Mrs. William Sutherland and Mr. and Mrs. William C. Smith.

Miss Elizabeth Sutherland who has been staying in Leamington, Ontario will spend the winter with Mrs. William G. Smith.

History Tells Us . . .

THE GREEKS FIRST REGARDED THE GAS FLAME AS A MIRACLE
 They marveled at the steady blue flame, and so they built a stately temple around it. Today this temple is remembered as the "Delphic Oracle."

THE DUTCH FIRST LOOKED UPON THE GAS FLAME AS A SPIRIT
 When they first saw the quiet blue flame they ran in fear and amazement. They called it "Geest" meaning "Ghost" or "Spirit."

But Today
 THE MAGIC OF GAS BRINGS GREATER COMFORT AND CONVENIENCE INTO THE HOME

From automatic gas cooking . . . right down the line of gas service in the home, you will find that GAS is dependable, fast and economical. Homemakers like its dependability . . . Youth thrills at its speed . . . the wage earner likes the thrift and the bride likes its automatic control. And so it goes. People everywhere are turning more and more to this magic flame to bring them happier, easier, cheaper, better living.

If you, like thousands of other folks these days, plan to build or remodel your home, be sure to include the magic Gas Flame in your plans. It's a dependable, economical household servant that goes hand in hand with modern, better living.

Homecoming at Newburg Church

The Newburg Methodist church will hold its annual Homecoming service and program Sunday, December 8. An all-day program has been planned by the homecoming committee. A former minister, the Rev. Robert Treney, will be the guest preacher during the morning worship service. The time of this service is 10:00 a.m. His message will be "Eyes—But They See Not." The choir will sing Cowley's "Let All Things Now Living."

Mr. Treney served the Newburg church from 1939 to 1941. During his pastorate the present Newburg church hall was built. After serving a pastorate in western Michigan he entered the chaplaincy of the United States Army. Stationed in the United States during most of the war he was sent to Japan with the occupation forces. He is now attending the Hospital Chaplaincy school at Wesley Memorial Hospital in Chicago, Illinois.

The Sunday school will meet at 11:00 a.m. Classes are to be held as on any other Sunday. It is expected that Mr. J. McCollough will return to teach the Fidelis Class. The Junior Choir under Miss Rosemary Gutherie's direction will sing at this time.

A potluck dinner will follow the Sunday school hour. Guests are requested to bring table service and a dish to pass. The Woman's Society will serve coffee, and are in charge of the general arrangements.

Mr. Treney will lecture on "Japan" during the afternoon program at which Mr. Jess Bennett will preside. Other features of this program will be some movies of "ye olden days" at Newburg, an informal song service led by Mrs. Fred Wilson, and most important—an announcement of some future plans for the Newburg church.

Old friends of the church are invited to renew their acquaintances by joining with the Newburg church in celebrating this occasion.

SENIOR PROM IS HELD TONIGHT, DECEMBER 6

Jerry Edwards' nine piece orchestra will play at the Senior Prom in the high school gym this evening, Friday, December 6 from 9 p.m. till 1 a.m. The price is \$2.50 a couple and only persons in grades ninth through twelfth are invited. Outsiders will be admitted only if accompanied by a Plymouth student or if they have an invitation.

The committees have worked hard and now everything is in readiness.

Cub Scout and Scout Troop to Hold Pack

The Cub Scout Pack and the Scout Troop sponsored by the Ex-Servicemen's Club of Plymouth are to hold a joint pack meeting and Troop Court of Honor at the Plymouth Grade School gym this Friday evening, December 6, at 7:30 p.m.

The public is invited, one and all, and the parents of the Cubs and Scouts are most sincerely urged to attend in support and recognition of the program.

If you have sons of Cubbing or Scouting inclination this is a good time for you and the family to see something of the programs and to meet with the unit leaders in view of future memberships.

Come on out! See what red-blooded American boys can do. It might surprise you!

In San Francisco, a thief stole a car, drove it 18 blocks, abruptly abandoned it when he found that he had a coroner's wagon plus corpse.

City Cage Loop Opens Practice

Basketball practice prior to the opening of the Plymouth Cage League opened last week Wednesday night at the Plymouth High school gymnasium, according to Virgil C. Knowles, recreation director for the City.

It is hoped, despite the heavy schedule involving the gym, that such practice sessions can be continued every Wednesday night, Mr. Knowles reports.

At the present time two teams in this loop have been entered by Daisy Manufacturing Co., another quintet is being captained by Arthur Johnson, Arthur Gillis has another and Ronald Brink, who is just back from service, is planning a fifth team.

Actual league competition will begin sometime before the holidays, Mr. Knowles said. The date will be announced later.

Let us not pray for lighter burdens, but for stronger backs.

Girl Scout Leaders Elect Officers

The Girl Scout Leaders club was entertained last Monday at a luncheon at the home of Mrs. Edward Dobbs. A report of the national Girl Scout convention in Milwaukee was given by Mrs. Dobbs and Mrs. Henderson who were delegates from this area. The following officers were elected for the ensuing year: president, Mrs. James Latture; vice president, Mrs. Carl Finney and secretary, Mrs. Lee Sowle.

FASHION HIGH-LIGHTS

What the Well-dressed Lamp Bulb WON'T wear!

1. NOT THIS—Too small a lamp shade looks as ridiculous as a pill-box hat on an otherwise stylish stout. Inefficient, too, for only a tiny area is lighted. The moral: Lamp shades with flaring sides are better than straight-sided ones.

2. NOR THIS—The smartest Hattie Carnegie creation is ruined if your slip is showing. And the same is true of your lamp bulbs. They're not only unsightly—their glare can tire eyes and brain—even cause headaches or harmful eyestrain.

3. NOR THIS—One gloom-bug can spoil any party. Don't let your lamp shades be funereal or depressing. They can affect your entire room. Outfit your lamps with light-colored shades, preferably those with white linings.

4. CERTAINLY NOT THIS! Do your lamp shades bulge at the seams? They're flashy and garish—hard on the eyes and on the nerves. Make sure that your lamp bulbs aren't too big for their shade.

5. GOOD HEAVENS, NO! Like any lady with self-respect, a lamp bulb wants to be perfectly groomed—immaculately dressed. Keep bulbs, shades and reflector bowls free of light-stealing dust and grime.

6. IT'S SO EASY TO BE SURE—

Your eyes' best friend is the "Light-Meter", a scientific instrument that tells the quantity of your lighting. With it, your Edison Home Service Advisor can quickly check over your lamps and fixtures... if necessary show how your lighting can be easier on the eyes. Arrange for a Home Service Advisor to call on you today.

Veteran Takes Over Oil Station

Ralph Norton, a new Plymouth resident, wishes to advise the Plymouth public in general that he has taken over the lease of the Standard Oil service station at West Ann Arbor trail and South Main street.

He will be very happy to have the regular customers continue their patronage and invites everyone to come in and get acquainted. Mr. Norton spent three years in the Coast Guard and was recently honorably discharged. He assumed his new business duties last Monday.

In Cleveland, an auto sales company advertised a 1917 Win-ton sedan for \$250, got five prospects.

Christmas Story Hour At Library Dec. 14

There will be a special Christmas story hour at the Plymouth Library on Saturday, Dec. 14, at 10 o'clock a.m. when Miss Charlotte Squires, children's librarian at the Wayne Library, will tell a story with puppets.

Wounded Hunter Back In Plymouth

Lovell Harold Fulton, of 246 Division street, injured in a freak hunting accident Nov. 20 near Roscommon, has been discharged from the Grayling hospital and returned to his home here.

He left the hospital the day before Thanksgiving and is now making rapid progress here under the care of Dr. C. J. Westover.

Mr. Fulton, hunting with a large party of friends, was injured when a companion shot at a deer and the bullet ricocheted. It also split and part of the charge struck in the front part of the left leg above the knee, going through the leg and lodging just under the skin on the opposite side of the leg. The other part of the bullet struck him in the right shoulder and lodged against the shoulder bone.

He was rushed 20 miles to the hospital at Grayling where the bullet were removed and his wounds dressed.

In Hollywood, police got word that David Posada's car had been stolen, with \$1,500 in it. They started a search, soon located the car, found \$2,504 scattered on the floor.

School Children Visit Library

During November over 600 school children visited the Plymouth Library in classes accompanied by their teachers. They came from the Central Grade school, the Starkweather school, the Bartlett school, and the Cherry Hill school, and Mrs. Ada Murray, branch librarian, expressed her appreciation of this response to the invitation to visit the library which she sent out in recognition of Book Week.

Mrs. Agnes Pauline, children's librarian, explained the use of the library to each group and the boys and girls were given an opportunity to browse among the library books and ask questions.

The attendance at the Saturday morning story hour during Book Week was 106 boys and girls, more than a capacity crowd for the children's room in the library.

State Develops New Oat Variety

Eaton, the new oat variety developed by plant breeders at Michigan State college, will be available for general planting next spring.

E. E. Down, farm crops research specialist at MSC, says this new variety has proved outstanding because of its stiff straw and high yield. Over-state tests in southern and central Michigan showed its yield slightly higher than the new Clinton variety.

Since it is resistant to all forms of rust, has white grain and a test weight equal to any other Michigan variety except Huron, Eaton may prove highly satisfactory. Down said, however, it does not

seem to be as well adapted to the upper peninsula as it does to lower Michigan.

Eaton oats grow about four inches shorter than Huron and 4 to 6 inches taller than Vicland. In the first field tests, George Moore of Elsie produced 1,156 bushels of cleaned seed from 12 acres in 1945. In 1946 field tests, the lowest yield was 40 bushels per acre and the highest 109 bushels per acre. The differences were largely due to weather conditions, Down believes.

The Michigan Crop Improvement association is preparing a list of growers of this new seed. After January 1, county agricultural agents will have information as to where seed may be purchased. Farmers interested may also write the Michigan Crop Improvement association, Farm Crops department, Michigan State college, East Lansing.

REBEKAH NEWS

There will be a bazaar at the I.O.O.F. hall on December 6 from 2 to 8 p.m. The next visitation will be December 1 at the Eastern Rebekah lodge. At our last meeting we initiated Mrs. Stevens, Mrs. Pete and Miss Johnson. We were also pleased to have visitors from Jericho. After the meeting there was a lunch served. The lodge, Past Noble Grands Club and degree staff will hold a joint Christmas party on December 20 for all lodge members and their families. There will be a Christmas card box for those who wish to give cards to their friends. This box will be ready at our next meeting, December 13, but will not be opened until December 20.

Nation-Wide Navy Exams Scheduled

The United States Navy has announced that the first nation-wide competitive examination for its office college training program has been scheduled for Jan. 18, 1947, and will be open to all high school seniors.

Successful candidates will be given a four-year college education at government expense and will be commissioned officers of the Regular Navy or Marine Corps or of the Reserve, upon graduation.

Applications on standard forms must be forwarded in time for receipt by Dec. 17. They may be obtained from L. E. Schmidt, principal of Plymouth High school, who has been designated as Plymouth's civilian representative of the Navy.

Mr. Schmidt also can furnish other information about this program including the place of the competitive examination, the age requirements and necessary scholastic qualifications.

Shirley Hersh Wins Gardening Honors

Shirley Hersh, 17, (35120 Norcene) Route 3, Wayne, was one of the eight national champions in gardening announced last night at the National 4-H Club Congress in Chicago.

Miss Hersh was awarded a \$100 saving bond and will receive a free trip to the National 4-H Club Congress in Washington, D. C. next June.

A. G. Kettunen, state 4-H Club leader at Michigan State college, said Miss Hersh had an outstanding record in gardening for a number of years. She is a freshman at Michigan State college.

Glee Club Will Provide Program

The Christmas program of the Woman's club will be in charge of the Glee club under the direction of Mrs. Gerald Hondorp. The meeting will be at 2 o'clock today, Friday, December 6 at the St. John's parish house instead of the Methodist church as previously announced.

Mrs. Myron Anderson, chairman of the committee on decorations, will be assisted by Mrs. William Pettigill, Mrs. Mowry Arnold, Mrs. Harry Deyo, and Mrs. George S. Burr.

The hospitality committee consists of Mrs. Edwin Campbell, Mrs. J. W. Blikenstaff and Mrs. Clarence Moore. Club members may invite guests.

If you have any items of interest about your family or friends please call Plymouth 6.

Phone Official To Address Hi-12

Neil C. Youngs, Detroit sales supervisor for the Michigan Bell Telephone company, will be guest speaker at the Plymouth Hi-12 Club meeting, 6:30 p.m. Monday at Masonic Temple.

Youngs will discuss mobile radiotelephone service which has been introduced in the Detroit Metropolitan Area. He will also outline Michigan Bell's plans to extend mobile service next year.

NOTICE OF HEARING

To: Property owners of Plymouth Township and parties in interest.

This is to advise that there will be a public hearing held by the Appeal Board of the Zoning Commission for the Township of Plymouth, Wayne County, Michigan, at the Justice George Richwine residence, located at 47640 West Ann Arbor Road, Plymouth, Michigan, on Wednesday, December 11, 1946, at 8 p.m.

This meeting will be held for the purpose of passing upon the petition of the said Paul Nash to re-zone the following area from residential to industrial.

Parcel No. 1 —

Part of the southeast quarter of Section 22, T. 1 S., R. 8 E.; beginning at the intersection of the East line of Sheldon Road with the Pere Marquette Railway Company's northerly property line; thence north on the east line of Sheldon Road, 738.53 feet to a point; thence south 85° 10' 25" East, 2721 feet, more or less, to the East line of said Section 22; thence south on and along said east Section line, 815 feet, more or less, to the Pere Marquette Railway Company's northerly property line; thence westerly on and along said property line 2748 feet, more or less, to the place of beginning; containing an area of 48.35 acres, more or less.

Parcel No. 2 —

Part of the southwest quarter of Section 23, T. 1 S., R. 8 E.; beginning at the intersection of the west line of said Section 23 with the Pere Marquette Railway Company's northerly property line; thence north on the west line of said Section 23, 1475.13 feet, more or less, to a point in the north property line of the undersigned, Paul Nash and Anna Shearer Nash; thence south 85° 53' 10" East, on and along said property line, 254 feet to a point in the Pere Marquette Railway Company's westerly property line; thence south 3° 18' 19" East on and along said property line, 1473.16 feet to a point in the Pere Marquette Railway Company's northerly property line; thence westerly on and along said northerly property line, 257 feet, more or less, to the place of beginning; containing an area of 8.50 acres, more or less.

All persons who are opposed or desire to object to this proposed re-zoning should be present at said hearing.

Norman C. Miller

Township Clerk.

SCHOOL NEWS

Student Press Conference Held

Several students from P.H.S. attended the Annual High School Press Conference at Wayne University on Thursday, December 5.

The session opened with a keynote speech by Mr. Glenn Hanson, editor of the Scholastic Editor. Several exhibitions consisting of school papers, annual, and newspapers were shown to the news-hungry students.

After a luncheon the students listened to speeches and joined in discussions. In the evening a banquet was held in the banquet hall of the Rackham Building. The evening speaker was Mr. C. Yates MacDaniel, Bureau Chief of the Associated Press.

Senior Prom Tonight At School Gymnasium

Plymouth High School students are eagerly awaiting the Senior Prom which is scheduled for Friday night, tonight, at the high school gymnasium from 9 p.m. to 1 a.m.

Jerry Edwards and his orchestra from Ann Arbor will be on hand to furnish danceable rhythms. The band also boasts a girl vocalist.

All students are eligible to attend and may obtain tickets from any of the junior class members. Outsiders may attend by invitation only.

Junior Play Is December 11, 12

Swing Fever, the annual Junior Play, will be presented on December 11 and 12 in the high school gymnasium. The play, directed by Miss Louise Spence, has the following cast:

- Jack Carney Alex Norriss
- Beverly Brown Mrs. Norriss
- Elfredia Krause Polly Becker
- Geraldine Moffet Mrs. Grimm
- Dick Arlen Philip Norriss
- Kathleen Blossom Amy Norriss
- Betty Richwine Tootsie
- Bob Sexton Grandpa
- Sally Gustafson Miss Jones
- Doris Waldecker Miss Slocum
- Bill Vincent Morgan Maxwell
- Don Brose Salce Richard
- Louise MacFarland Penny Palmer

If you have any items of interest about your family or friends please call Plymouth 6.

Cagers Open Season, Dec. 13

Basketball practice is well underway at Plymouth High School in preparation for the first game with Wayne on December 13. This game will be played at the Wayne County Training School gym located on Sheldon Road near Phoenix, two miles north of Plymouth.

Over sixty boys came out for basketball, which started two weeks ago today. Since then two cubs have been made and now the mark is nearer to that which will be carried during the season. The boys have been given equal chance in these practices and have been picked for their ability by coach Ealam.

The schedule below lists ten league games, two with each of the five schools, and two games with Ecorse and the same number with Northville. It is hoped that the Plymouthites show better in the league this year for last year they gained only two victories in the suburban B League.

The schedule is as follows:

Wayne	Here	Dec. 13, '46
Ecorse	There	Dec. 17, '46
Belleville	There	Dec. 20, '46
Northville	Here	Jan. 1, '47
Ypsilanti	Here	Jan. 10, '47
Ecorse	Here	Jan. 14, '47
Trenton	There	Jan. 17, '47
Redford Union	Here	Jan. 24, '47
Wayne	There	Jan. 31, '47
Belleville	Here	Feb. 7, '47
Ypsilanti	There	Feb. 14, '47
Northville	There	Feb. 18, '47
Trenton	Here	Feb. 21, '47
Red. Union	There	Feb. 28, '47

Students Hear Harvey Stowers

An assembly sponsored by the Rotary Club was held Tuesday, December 3, in the high school gymnasium. The guest speaker was Mr. Harvey Stowers, Air Industry Publicist of Los Angeles, California. The topic of his speech was "Cooperation or Confusion in Ten-Mile-a-Minute Travel?"

Debate Decision Goes to Trenton

"That is the last debate we will lose", stated Mr. James Latture after the Trenton-Plymouth debate. The subject debated was: Should the Federal government provide a system of medical care available to all citizens at public expense. Plymouth took the affirmative side with Ronnie Witt and Roger Kidston representing it. The outstanding debater was Ronnie Witt who, the judge said, had the best delivery.

The debate team will next meet Belleville on Tuesday, December 10.

If you have anything to sell or rent, try a Plymouth Mail want ad. They bring results. Phone Plymouth 6.

Has Record Yield of DeKalb Hybrid Corn

George Simmons of Canton township raised a field of DeKalb Hybrid corn (464A) this fall which produced 92.96 bushels of shelled corn per acre. The test was made by an official representative, states Robert Waldecker, dealer for the DeKalb Hybrid corn. Mr. Simmons, according to tests made up to the present time, has the fourth highest yield in Michigan.

Passage-Gayde Post Takes Over Dance Hall

A well known dance emporium, "The Barn", on Currie road between Seven and Eight Mile roads will open Saturday, tomorrow, night under the sponsorship of Passage-Gayde Post, No. 391, American Legion.

Featuring the music of Al Strasen and his orchestra, the Plymouth Legionnaires hope to have "The Barn" well under control each and every Saturday night thereafter.

A snack bar, supervised by the ladies' auxiliary of the post, will provide soft drinks, sandwiches and coffee.

Do you think steel profits are big?

Recently in a nation-wide poll most people guessed that steel profits were about 20 cents on each dollar of sales. They said 10 cents would be about right.

Actually, for the past ten years steel company profits have averaged less than 5 cents on each dollar of sales.

Although profits continue low, wages, employment and production are near record levels.

EMPLOYMENT

The number of wage earners is not far from the highest in peacetime steel history—20 per cent above the 1929 level.

PRODUCTION

Despite strikes earlier in the year, steel production in 1946 was headed toward a new peacetime record until the November coal strike.

WEEKLY WAGES

Weekly wages in steel industry in the third quarter of 1946 were 63% higher than in 1939.

STEEL COMPANY PROFITS

Average profit per dollar of sales in 1946 is lower than it was in most good prewar years.

BARSON

Barson Discusses Washington
Washington, D. C., Dec. 6.—My "Prediction of Things To Come" will appear in this paper the last week in December, but in the meantime the following suggestions as to what may be expected from Washington will be interesting. A Republican House should amend the Wagner Act, reduce prices and be fairly liberal to the farmers. The President, however, will still hold to the left believing this is his only opportunity of ever being re-elected.

When Will World War II End?
World War II will formally be ended before the close of the fiscal year June 30, 1947. This means that the President's power to draft men, seize plants, and control prices, rents, etc., may continue throughout 1947. This, likewise, applies to priorities on building materials. The few subsidies which remain will go out the window June 30, 1947. Farm price supports must continue until December 31, 1949. Hence, the Republicans can make no sudden changes.

Minimum wages may be increased from the present 40 cents per hour to possibly 55 cents per hour but this is not probable. On the other hand, Old Age Insurance and Unemployment Insurance may be broadened. The payroll tax for Social Security will remain at 1 percent for both employers and wage workers. The President will make his usual appeals for health insurance, military training, etc., but they will receive no attention.

Republican Foreign Policy
Our foreign policy will not be changed as a result of last month's voting. Russia will continue to work for a control of Europe and the chance are 50-50 that she will ultimately succeed although the United States and England will do their best to head it off. General MacArthur's program in Japan will be backed to the limit and all treaties acceptable by Senator Vandenberg and Secretary Byrnes, will be ratified. Dollar loans will be freely discussed and some will be granted.

KIMBROUGH'S
868 W. Ann Arbor Tr. Ph. 180

The Democrats will try hard to develop some national figure other than Mr. Truman to lead them in 1948; but they have not yet decided who it shall be. It may be some famous general of the late war. Apparently Tom Dewey has the lead among the Republicans, but he is closely followed up by Senators Bricker, Taft and Vandenberg. The Republicans will not dare to pass any severe "anti" legislation in 1947. They will do their best to have fairly good business during the next two years although consumer spending is likely to drop. In view of the above, I am optimistic on 1947 and do not look forward to the "depression", about which so many people talk, coming upon us before 1950. Yet, it should be realized that the country is now operating on a very high volume of business—almost double what it was before World War II. Of course, this cannot continue indefinitely and there will be price recessions and an overproduction of goods in many lines.

WATCH LABOR LEADERS
The most uncertain problem of the next two years will be how labor will act. Will labor kill the goose that is now laying the golden egg? Will labor be willing to have wages reduced as the cost-of-living declines, as it has insisted on wage increases as the cost-of-living has increased? Labor leaders must have sense enough to realize that, irrespective of money wages, what they get in food, clothing and shelter is absolutely proportional to what labor produces. No group can long continue to benefit by producing less per day. Only as more is produced is there more to divide.

his means that the years ahead depend more on the spiritual condition of the country—and of the world for that matter—than upon either wages or profits. When a majority of the people want to "ride in the cart" instead of "pull the cart" we are headed for a business recession. When most people desire to give "full measure, well pressed down and running over", as Jesus talked about, then better times are ahead. Even Washington merely reflects the character, intelligence and desires of the nation's people as a whole. The only way to have a better Washington is to be better people ourselves.

The Federal Government provides reading materials for the blind in Braille books and on talking books, or records played by machines. Call the Wayne County Public Library Department for the Blind, for further information about this service. Temple 1-6910.

In Chillicothe, Mo., a clerk in a haberdashery told Customer Wilbur Dunnington that he was "all out of shorts," offered to buy Wilbur's.

him of his birthday anniversary. An elaborate birthday cake, which was decorated at Bakerite Bakery in Ypsilanti, was presented to Ed, though the cake was most beautiful, but didn't like the number of candles, M. G. Augustus and family, Ralph Lyke, wife and daughter, Betty, Lloyd Lyke and wife of Ypsilanti, and C. H. Freeman and wife were the guests.

It is requested that all persons knowing of destitute or needy families in Plymouth, report the names to any member of the Community Committee, consisting of William Petz, Dr. Patterson, Sidney Strong and Evered Jolliffe.

Miss Nellie Huger, who is attending the Chicago Training school, conducts the protestant service in the Chicago Juvenile Detention Home for delinquent and dependent girls, every Wednesday evening. Miss Huger is also directing the choir for the Arnold Memorial Methodist church in Chicago.

Miss Theo Swegles is attending the International Live Stock Show at Chicago, this week, being sent there by the E. Z. Seal Co., of Wheeling, West Virginia, who gave \$100 to pay the expenses of three Michigan girls belonging to canning clubs, who canned the greatest number of quarts. Miss Swegles canned 458 quarts this last season.

Mrs. Clifford McClumpha and Mrs. Edward Moyer entertained at a miscellaneous shower at the former's home last Saturday evening in honor of Mr. and Mrs. Warren Palmer. This is the second year that Mrs. Palmer has taught in the Hanford school and the residents of the district were the guests. Cards were the entertainment and a dainty lunch was served. Mr. and Mrs. Warren Palmer received many lovely gifts.

Reading materials are provided for the people of the outlying sections of Wayne County by branch libraries located in Belleville, Wayne, Plymouth, Northville, Inkster, Romulus, Flat Rock, Rockwood, Trenton, and Garden City.
