

# What I Think and Have a Right to Say

By Elton R. Eaton

## FOR GREATER TRAFFIC SAFETY.

The year just ended rang up the most alarming traffic accident toll in the history of the country. The solution is not a problem for traffic officers alone. They just cannot stop the carnage. It is up to every person to do his bit in bringing to an end the terrific toll that automobile accidents are taking. We can do our part by driving carefully, heeding all traffic warnings and taking no chances whatsoever.

## PRICES ARE TUMBLING.

Quite a drop took place during the past few days in food prices, as well as in some clothing articles. It seems that the OPA had nothing to do with this reduction in the cost of living. Pray tell, who is it that we can give credit for this bit of help to humanity, now that the New Deal cannot claim it?

## CONGRATULATIONS FOR A GREAT WORK.

Our hats are off again to the Goodfellows of Plymouth. Not only were they successful in raising the greatest amount ever collected for charitable purposes during their last drive, but they saw to it that there was not a single person in this entire area overlooked at Christmas time. Goodies for the children and necessary articles for those in need were provided. The Goodfellows have sufficient funds to carry their work over into the new year so if any needy cases are known, kindly advise Roy Jewell, the energetic president who directed the last successful drive.

## DETROIT'S GREATEST NEED.

A few evenings ago Mayor Edward Jeffries of Detroit invited members of the recently elected Wayne delegation to the state legislature to meet with the city council of Detroit to discuss Detroit's legislative program for the present session of the legislature. The Mayor also suggested that he thought the meeting would, too, provide an opportunity for the city officials and the newly elected state officials to become better acquainted, which would be to the mutual advantage of both groups. Not only would it create a friendly acquaintance, he said, but it would be a step towards the creation of good will.

We applaud the Mayor's good intentions towards the establishment of good will with the state legislature.

But might we suggest that the first and most important step would be to gag blabbering Councilman Edwards. He is the braying jackass, with the soap-box technique of a Gerald L. K. Smith, who before election made a blanket charge of bribery against every member of the legislature in a discussion of a proposed constitutional amendment over radio station WJR.

Edwards rose to "fame" in Detroit politics by becoming an outstanding leader in the Communist inspired sit-down strikes that disgraced Michigan and the nation back in the days of Frank Murphy. More recently he is reported to have given his old side-kicks in the CIO the flip-flop.

It was the political mob that he was running with down in Detroit that sent to the legislature, with its endorsement, the vast majority of the thieves and grafters who brought shame to the name of Michigan.

He had the nerve to try the other night, to claim that the biggest number of the grafters caught up with by the grand jury were from out-state.

The contention is as false as his radio declaration. Nearly every one of the grafters were among those endorsed by the CIO outfit that Edwards was so active in up until he became acquainted with the so-called "ruling class."

The vast majority of the members of the legislature, are respected citizens who are strictly honest and honorable. They seek election to the legislature for the opportunity it gives them to do something for Michigan, the glorious state they are proud to call their home.

It was Councilman Edwards who originally helped to send the bums, and the god-for-nothings of Detroit to Lansing who turned out to be the worst mess of grafters and short-change artists ever to get into a legislative body.

Now he indicts the entire law-making body of Michigan as a "grafting legislature."

Edwards knows now, and he knew when he made the statement that it was a DELIBERATE falsehood.

But isn't that a part of the Stalin technique he (Stalin) has adopted in helping to destroy the American form of government? Isn't it all a part of a vast scheme to create distrust, to give the impression that under our system of government that ALL of the people we elect to public offices are thieves, misfits and are not to be trusted?

Sure it is.

The sit-down strikes in which Edwards took such a prominent part, was a part of the same plot to help destroy the American way of life.

In our own mind we have always thought that ANY person who took part in a sit-down strike, thereby seizing and holding property which did not belong to him, should have been arrested, tried, convicted and sent to prison for this ILLEGAL seizure of property belonging to other people.

Mr. Jeffries, we are just as anxious as you are to have good will and mutual cooperation between, the so-called out-state and the city of Detroit.

But how can you expect to have it when such blabbering officials of Detroit as Edwards, makes such false, vicious and uncalled for assertions as he did over radio station WJR during the campaign last fall?

Might I suggest, Mr. Mayor, that you and the other members of your council can help this good will campaign you are so vitally interested in, by kicking out of public office the political nincompoop with the big voice who so detrimentally claims to represent your city?

## NOT FOR POLITICAL MACHINES.

We have never been in favor of political machines, bosses or anything that tinges of dominant authority over the actions and desires of the common voter.

We opposed the McKay political machine from the day it was created.

But we agree with former Governor Grosbeck that there appears to be another political machine in the making in Wayne county which has apparent intentions of taking the place of the old McKay machine. It is seeking to say to public officials that you have "got to appoint John Doe because he belongs to our organization."

That's what McKay did. No one, unless he had obeyed the dictation of McKay and his cohorts, could get a public position by appointment of any kind.

There has been a growing belief in Wayne county that the original had for its intent the destruction of the McKay political machine, now has a desire to become the political power within the county.

Former Governor Grosbeck, one of the few great Governors this state ever had, and a life-long opponent of political machines and bosses, the other day issued a statement in which he, too, made reference to the development of this new political machine in Wayne county.

The Governor, in discussing political rumors pertaining to his own possible appointment to some political job because he had helped nominate and elect Kim Sigler governor, said:

"I am not seeking or thinking of receiving any job or appointment from Kim Sigler or those connected with him."

"I am not out of breath trying to be on the Civil Service Commission. I think Judge (Lester S. Moll) Moll should be re-appointed, as he has rendered good public service. That is what the people want, as I understand their attitude."

"It is interesting the way absurd stories about jobs and appointments are circulated after elections."

"For instance, the press has carried numerous articles intimating that I was trying to dictate to Kim how and by whom his jobs should be filled."

The object was to make it appear that I was an old job hunter or job dictator. It is my information that the political concoctions were generated by the puerile precinct machine and its affiliates."

"As you will recall, they fought Kim to a standstill in the primaries and spent thousands to defeat him in Wayne county."

"Some of them openly made fun of and insulted him. Now they address him by another name—their 'pal.'"

"To again clear the atmosphere and brush the fog away, let me say in the kindest way that never occurred during the primary, when things did not look too hot for Kim, did he or I even mention or talk about jobs."

"His supporters, and there were many of us, were busy trying to smash machine rule in Michigan. Whether that was accomplished is another matter."

"The fact remains that right now, as always, so far as I am concerned, Kim is as free as a bird in a tree, by gum, by gee—to any job and all of them as will best serve his plans and purposes. My New Year's wish is that there will be enough to go around."

Mr. and Mrs. Edward Permen and children, Larry, Carol Ann and John Bruce, and Mr. and Mrs. Herman Haske and daughters, Gail & Susan, all of Detroit, were the Sunday dinner guests of Mr. and Mrs. Peter R. Miller, of East Ann Arbor Trail.

The Sunshine Club will hold its January meeting at the home of Mrs. Crystal Sherwood on Joy road, Wednesday, January 8. Mrs. Frances Carter will be co-hostess. Birthday guests of the month are Mrs. Pearl Richie and Mrs. Mary Ann Gardner.

# The PLYMOUTH MAIL

Vol. 59, No. 18

Plymouth, Michigan Friday, January 3, 1947

\$2.00 Per Year in Advance

## Pere Marquette Gives Plymouth More Car Space

Plymouth, seemingly, is a "favored child" of the progressive Pere Marquette railway system.

Recently it was called to the attention of one of the officials of the company that prospective passengers from this city to Detroit could not secure seats on the streamliners because of the fact that the entire seat allotment for Plymouth had been taken.

The Pere Marquette has advised The Plymouth Mail that beginning immediately the agent at Lansing will advise the Plymouth agent of all un-sold seats out of Lansing for Detroit, and they will be allocated to Plymouth passengers to Detroit.

The morning streamliner leaves Plymouth one minute before 10 o'clock for Detroit. This action, it is believed, will provide Plymouth with more seats for Detroit than can be used, as it does make available, for Plymouth all of the unused car spaces out of Lansing, plus the seats formerly set aside for Plymouth patrons.

## Many From Here Use Willow Run Air Service

Plymouth residents are finding the new metropolitan airport terminal at Willow Run a much more convenient place than the Detroit airport over on the east side of the city, who is superintendent of maintenance at the big Willow Run passenger airport.

"It is surprising to see the number of people from Plymouth who drive over to Willow Run to take a plane to some place around the country. Rarely a day goes by without some one from this city leaving Willow Run or landing there from an airplane," he said.

"It is just a little over 12 miles from Plymouth to the rapidly growing Willow Run airport," he said.

"The most direct route to the airport is over Canton Center road to Michigan avenue, west on Michigan avenue to the Ecorse road, then west on the Ecorse road to the west entrance to the Willow Run airport. There is plenty of free parking space, a good lunch counter and a good place to wait, says Mr. Virgo.

There are four major airlines now operating out of Willow Run and it is expected that three more will soon be using Willow Run instead of the Detroit City Airport. Many can secure a plane to any part of the country from the nearby airport. It takes only two hours and 20 minutes to fly from here to New York city and only one hour and 18 minutes to Chicago.

It takes a force of more than 400 people to maintain the airport and service the planes now using the Willow Run airport. Many Plymouth residents are full time employees at the place.

While no public announcement has yet been made, it is known that a large sum will be spent during the next year in expanding the facilities and accommodations at the airport, which is fast becoming one of the most popular in the country.

## Invite Rotary To Wayne Event

Attorney Matt Tinkham of Wayne, who was president of the Wayne Rotary club when it sponsored the organization of the Plymouth Rotary club more than 20 years ago, attended the Plymouth Club meeting last Friday.

He brought with him an invitation from the Wayne club to all Plymouth Rotarians and their wives to attend the silver anniversary celebration of the establishment of the Wayne club on January 15.

It is expected that nearly the entire membership of the local club will attend the 25th anniversary event in Wayne's Rotary existerance.

## Couple Killed In Auto Accident

An automobile collision near Frains Lake claimed the lives of Mr. and Mrs. Alvin Richter of 92 Holbrook street Tuesday afternoon. The Richters were on their way to Ypsilanti to visit friends when the accident occurred. Mrs. Richter was killed instantly and Mr. Richter was taken to St. Joseph's Hospital in Ann Arbor where he died that night.

Mr. Richter was an employee of the Evans Products company. Both bodies were taken to Grayling, Michigan, their former home, where funeral services will be held this weekend.

There are about 3.45 ounces of steel in a No. 2 tin can.

## "Holiday in Mexico" Best Picture of Year, Runs Until Saturday Eve

"Holiday in Mexico," one of the best motion pictures ever produced, which is being shown this entire week at the Penniman-Allen theatre, has been attracting almost capacity houses every night.

How Harry Lush was able to secure this outstanding picture for Plymouth so quickly after its first showing in Detroit, hasn't been explained, but motion picture patrons of Plymouth are most appreciative of the fact that he has been able to secure the picture for an entire week's showing in this city.

The picture runs for over two hours. An interesting, clean story is interspersed between numerous outstanding musical numbers. To get the full benefit of the picture, one should be in their seat promptly at the beginning of the picture.

## Living Costs in Plymouth in 1870 Higher Than At The Present Time

Does it cost more now to live in Plymouth than it did back in 1870?

Supervisor Carl Shear thinks he has found the answer.

The other day while rumaging through some old papers he came across a grocery bill that had been made out to Harry Wills, a resident of Plymouth many years ago.

The groceries were purchased at the Holbrook & Bradner store, who were then dealers in "Ready-made clothing, gents' furnishing goods and all kinds of choice family groceries."

The store was located, according to the bill, "the first door south of Dr. A. B. Colman's drug store, Plymouth, Michigan."

Four pounds of brown sugar costs Wills 50 cents. Two pounds of white sugar cost him 30 cents, the prevailing price at that time being 15 cents per pound.

The price of sugar today is only 9 cents per pound, when you can find any to buy on your ration card.

Mr. Wills also bought one half pound of tea and it cost him 88 cents. A half pound of tea today costs 55 cents.

Flour, however, was cheaper then than it is at present. He purchased a 50 pound sack for \$2. Flour now is mostly sold in 25 pound sacks. Prices vary slightly, but a good grade of flour can be purchased for around \$1.30 in 25 pound sacks. That makes the price of a 50 pound sack of flour cost something like \$2.60, but nearly all flour is now sold in 25 pound sacks.

A box of salt which can now be purchased for about 10 cents

was sold for 25 cents a box then sold for 25 cents a box. The only item on the entire list that cost less than at the present time was flour. All prices average much more than the prevailing prices of today.

Supervisor Shear wonders how people got along in those days when their wages averaged a dollar a day and living costs were so high.

"Workers get from \$6 to \$9 a day now, pay less for groceries than they did in 1870 when they got a dollar a day and everybody says they just can't get along now on what they get. How did they do it then? There's something screwy somewhere in our present set-up," he declared.

## Job Conference On January 15

Consultants have been asked to furnish information which will acquaint Plymouth High school juniors and seniors and their parents with the kinds of jobs actually held by young people under 22 years of age; employment and educational opportunities and the kind of preparation they will need for the future at the job.

Not because of any personal dislike, you understand, but when painters go to work the upheaval in routine is something not to be reckoned with lightly. The post-office suffered just as any home owner would, only more so.

However, Postmaster Harry Erwin and his crew said it was worth the inconvenience to have Uncle Sam's property brightened up. Everything that was paintable, from fireplace to furnace room, got a fresh coat.

Postmaster Erwin's office received special attention. The floor was refinished along with the matching woodwork and furniture. Other woodwork in the office also was refinished. The basement "sewing room" where the male employees change their clothes and shoot the breeze with each other also was done over.

The white walls and ceiling in the office proper makes for a much brighter appearance and reflects more light which eases the tasks of both clerks and carriers sorting mail. The whole place looks just like a man with a fresh shave.

Postmaster Erwin also pointed out that beside repainting job the office also had undergone minor repairs. New front doors have been installed and all masonry inside and out has been renovated and repaired where needed.

A new fire wall on the roof has been built and all woodwork on the outside checked for new decay, repair and paint. The lamp posts at each side of the front entrance also have been repaired and repainted, the postmaster said.

Minor repairs to the tile flooring in the postoffice have been completed along with other minor patching jobs here and there.

## City Honored At State Inaugural

To Col. Chas. S. Hough of this city fell the unusual honor of serving as master of ceremonies at the inaugural of Governor Kim Sigler Wednesday forenoon in Lansing.

Before a crowd of several thousand who stood in near zero weather in front of the Capitol Col. Hough presented to Supreme Court Justice Leland Carr the new governor and other state officials as they were sworn into office.

Mrs. Hough and daughter Enmy Lou were present and also attended the first inaugural banquet held in a number of years. Over one thousand were present at the event which took place in the Hotel Olds.

The new governor extended the courtesy to Col. Hough because of the aid given him in both the primary and final election. The famed Plymouth pilot flew Mr. Sigler about the state on numerous campaign trips.

Present at the banquet also were Mr. and Mrs. Robert Simmons of Plymouth. Mr. Simmons last summer was designated chairman of the Republican organization for the Plymouth district.

## Basketball, Dancing Schedules Are Listed

Persons representing teams entered in the Municipal Men's Basketball League are requested to meet next Wednesday night, January 8, at the Plymouth High school gymnasium with Virgil C. Knowles, recreation chief.

The girls' league teams will meet in the Methodist church gym on Tuesday night, January 7. This will be the chance for girls not now on a team to join one.

Mr. Knowles also reminds that square dancing classes will be resumed Thursday night, January 9, at 8:30 in the Central Grade school gymnasium. The charge is 30 cents per person for instruction.

## Storm Damages Edison Station

Christmas candles proved most handy last Friday night. Many Plymouth residents experienced an old-fashioned hour by candle light while busy Edison employees were rushing to repair a damaged sub-station.

Atmospheric conditions caused a break down of the Edison power station on Farmer street about 6 o'clock last Friday evening and threw the entire city into total darkness for a period of 50 minutes. Haggard mothers spent most of that time lighting and relighting candles intermittently while the lights would flash on momentarily when they got out.

Repair crews of the Edison company toiled for many hours making repairs, which company officials say, was considerable.

## Rotary Enjoys Annual Program

Members of the Plymouth Rotary club enjoyed their annual Christmas program provided by the Wayne County Training School last Friday. The event, one looked forward to by the membership, was presented several years ago for the first time through the courtesy of Dr. Robert Haskell to the club and has now become a yearly feature.

Children of the school, who each Christmas present a beautiful pageant at their own institution, furnish several of the feature acts of their presentation to members of the local club. There were 48 children from the Training School that participated in the program.

A family dinner party was held Sunday, December 2, at the home of Mrs. D. E. Felt, on North ... road. The guests included Mr. and Mrs. William Smith and family, of Wayne, Mr. and Mrs. Harold Brown and family, of Plymouth, and Mr. and Mrs. Kenneth Brown.

## Community Fund Nears Goal, Thank Workers

The Plymouth Community Fund board of directors announced this week that the 1946 drive will go over the top. They are within \$30 of their goal of \$7,000, and have yet to collect the Plymouth percentages of the donations from Burroughs, Evans and the four Ford plants in this vicinity.

In making their announcement, the board of directors wished to thank all those who have helped the 1946 campaign along its road to success. They feel that the goal would not have been reached, this year, without the time and efforts spent by many Plymouth citizens who were not, officially, members of the drive committee.

With the goal in sight, the Community Fund Board is making immediate plans to instigate a visiting nurse service in Plymouth and Plymouth township. A meeting is being held on January 8 at which Miss Georgian Reid, director of Public Health Nursing of the Wayne County Health Department, will explain the different types of visiting nurse organization which are now in effect in other communities. The Community Fund board of directors promises to make public all definite plans for the visiting nurse service as soon as is possible. They realize that the success of the service in Plymouth is wholly dependent on the public understanding of its scope.

## Postoffice Gets All Painted Up, New Front Doors

Things have returned to normal once again at the Plymouth post-office. The painters completed their work recently.

The personal at the office were more than happy to see them go. Not because of any personal dislike, you understand, but when painters go to work the upheaval in routine is something not to be reckoned with lightly. The post-office suffered just as any home owner would, only more so.

However, Postmaster Harry Erwin and his crew said it was worth the inconvenience to have Uncle Sam's property brightened up. Everything that was paintable, from fireplace to furnace room, got a fresh coat.

Postmaster Erwin's office received special attention. The floor was refinished along with the matching woodwork and furniture. Other woodwork in the office also was refinished. The basement "sewing room" where the male employees change their clothes and shoot the breeze with each other also was done over.

The white walls and ceiling in the office proper makes for a much brighter appearance and reflects more light which eases the tasks of both clerks and carriers sorting mail. The whole place looks just like a man with a fresh shave.

Postmaster Erwin also pointed out that beside repainting job the office also had undergone minor repairs. New front doors have been installed and all masonry inside and out has been renovated and repaired where needed.

A new fire wall on the roof has been built and all woodwork on the outside checked for new decay, repair and paint. The lamp posts at each side of the front entrance also have been repaired and repainted, the postmaster said.

Minor repairs to the tile flooring in the postoffice have been completed along with other minor patching jobs here and there.

## Former Resident Highly Honored

Older Plymouth residents will be interested in knowing that citizens of Port Huron recently conferred distinct honors upon Rev. John Mealey, superintendent of schools in Plymouth from 1899 to 1904. On his 85th birthday, Port Huron residents held a big banquet in his honor.

In addition to his long time community activities in Port Huron, he was acclaimed the "oldest Boy Scout" in that city. He was the organizer of the first Boy Scout troop in that city and has remained as active in Scout work as his advancing years would permit.

He left school work to enter the Methodist ministry after the death of a child. At one time he served as pastor of the Dixboro Methodist church.

## Installation Set For Masonic Club

Newly elected officers of the Plymouth Hi-12 Club will be installed next Wednesday night, January 8, at a special induction dinner scheduled for 6:30 p.m. at the Masonic Temple.

The officers to be seated during the ceremonies are Fred Erb, president; Ed Scott, first vice president; Edwin Schrader, second vice president; Walter Rensel, secretary; Charles Smith, treasurer; R. A. Kappayrick, international representative; Al Hubbs, Arthur Haar, Charles Huebber and Henry Grimm, directors.

## NOTICE

The New Year is with us—so are more problems for The Plymouth Mail and all other newspapers.

We have been advised that our newspaper paper allotment for the first six months of 1947 has not only been drastically reduced but that the price has again been advanced.

It will be necessary for The Mail to reduce the number of its pages to the limit. For that reason you will note that there have been some changes made in the format of this issue.

We hope this is not a permanent solution and that by the end of the present year we will again be able to purchase the amount of paper we need.

We thank you in advance for your cooperation and ask that you bear with us meanwhile.

## No Half Year Auto Licenses Will be Issued

Don't delay your purchase of a license plate for 1947 for your automobile, expecting that you will later be able to get a half-year license plate.

There will be no half-year license plates for this year.

Elton R. Eaton, state representative from this district, introduced a bill in the legislature two years ago to abolish this additional expense to the state as well as the needless waste of badly needed steel.

While the measure was not finally adopted, it did call sufficient attention to a situation that needed official attention.

Mouday a joint statement was issued by Secretary of State Herman Dignan and the newly elected Secretary, Frederick A. Alger, stating that there will be no half-year license plates issued this year. They gave as their reason the same ones. Representative Eaton advanced when the bill was introduced.

Besides saving the state something like \$60,000, the elimination of the half year plates will make available for manufacturing purposes hundreds of tons additional steel plating.

Frank Hambo, who has charge of the Plymouth office of the secretary of state, stated that he was at a loss to understand why no half-year plates had been received. The statement issued by the secretary of state's office provides the reason.

## Postmaster Is Going to Florida

Postmaster and Mrs. Harry Erwin are leaving this weekend for St. Petersburg, Florida, where they plan to spend the next two months. The trip is being made for the benefit of Mrs. Erwin's health. She has been slowly recovering from a very serious illness she suffered more than a year ago. The trip is being made by train. This is the first real vacation the well-known postmaster of Plymouth and his wife have taken since he was appointed postmaster of Plymouth.

Mr. Daane said the two monstrous marble writing stands now in the lobby, also could give way to the marble and walnut combination with fluorescent lights. The new cages also will have special lighting from fluorescent tubes concealed in the walnut paneling.

The whole project, Mr. Daane explained, was originally planned in 1941. When the war came all was shelved.

## Sugar Stamp 53 Good, Says OPA

Is your sugar supply low, Mrs. Plymouth? If so, sugar stamp No. 53 is now good at any store where you can find sugar. Some Plymouth stores have had a small amount of sugar on hand. Others have seen weeks when they didn't have enough on hand to go around. Most of them right now have a fairly good supply. The new stamp is now good until April 30, but maybe by that time the new Republican congress will be able to get at the bottom of the sugar racket and end the New Deal farce that has permitted our sugar supply to be shipped to foreign countries.

Kay Ingram, daughter of Mr. and Mrs. Robert Ingram, of North Territory, entertained some of her friends at a toboggan party at her home Monday afternoon, December 29. After the tobogganing the guests were invited indoors where they enjoyed some moving pictures and played games. Refreshments were served by Mrs. Ingram and Kay.

Dr. and Mrs. E. A. van Ornum were in Ann Arbor Sunday, December 2, where they were the dinner guests of Dr. and Mrs. E. W. Gulden.

# WEDDINGS

## Shirley Irene Bender Becomes Bride of Morris McConnell

At 3 p.m. Saturday, Dec. 14, Shirley Irene Bender, daughter of Mrs. Mildred Bender, Ypsilanti, became the bride of Morris McConnell, son of Mr. and Mrs. Lee C. McConnell, of Plymouth. The double ring ceremony took place

in the Presbyterian church at that, and a corsage of white carnations. The bride-elect has been attending Michigan State College but will leave her studies for employment in Lansing. Her fiancé, a Navy Air Corps veteran, is a sophomore at Michigan State College. The wedding will take place next summer.

Young People Are Entertained Here  
The young people of the Presbyterian Church of Detroit were invited in the Presbyterian church last Friday at their annual Christmas Rally. Skating, and what snow sports were possible, were included in by the group, and many joined in the folk-dancing held in the gymnasium of the Methodist Church, loaned for the occasion by that church. Some two hundred and forty youngsters of high school age made up the group. A hot meal at noon and supper at night were served by the women and young people of the Presbyterian Church. An impressive worship service by members of the Youth Presbytery was held in the sanctuary preceding the supper. Miss Barbara Daniels, moderator of the Detroit Youth Presbytery, and Mr. Anthony Matulis, director of Senior High Youth activities in the Plymouth Presbyterian Church, were the committee in charge of arrangements, assisted by members of the Plymouth Youth Fellowship.

## Jean Elizabeth Minehart Becomes Bride of Robert Clayton Elliott

The Presbyterian Church of Plymouth was the scene of the wedding Saturday evening, December 2, of Jean Elizabeth Minehart, niece of Mr. and Mrs. Charles Minehart, of Main street, and Robert Clayton Elliott, son of Mrs. Hazel Elliott, of Cherry Hill road. The wedding ceremony was performed by the Rev. Henry J. Walsh.

The wedding vows were spoken before an altar banked with evergreens and decorated with vases of white gladioli and mums. Lighted candles completed the setting.

The bride was given in marriage by her uncle, Mr. Minehart. Her corsage of white satin featured a high neckline with the yoke outlined with a lover's knot design in silk braid. The full skirt was of net and marquisette over satin. Her fingertip veil of illusion fell

## Plymouth Veteran to Wed St. Louis Girl

Announcement of the engagement of Miss Kathryn Gilmore, daughter of Mr. and Mrs. Schmar F. Gilmore of St. Louis, to Donald E. Reh, son of Mr. and Mrs. F. Earl Reh of Plymouth was made at a tea Friday afternoon at the Gilmore home in St. Louis. Fifty guests attended.

The engagement was known as guests entered the dining room where the table was decorated with a large round mirror resembling a skating rink. Two skaters, a girl and boy, had written "Kay and Don" in imitation snow flake letters.

The table was decorated with a Christmas design and crystal-ware and a silver tea service were used. Punch was also served from a large crystal bowl. The theme of the Yule season was seen in the other decorations in the home.

Those who presided at the tea table were Mrs. Everett Roslund of Anna, Mrs. William Henry, Mrs. Health T. Goodwin, and the bride-elect's aunt, Miss Meta Gilmore of St. Louis.

Hostesses at the tea were Mrs. Reh of Plymouth, Mrs. Fred Passenger and Mrs. Charles Bloss of Phac, Mrs. Orson Koyl of Riverdale, Mrs. D. Earl Fisher and Mrs. Edwin Whitmore of Shepherd, and Miss Jean Stewart of Sag-

These Double Advantages Make

## BALSAM-WOOL AMERICA'S NO. 1 INSULATION VALUE!

**DOUBLE sealing**—Balsam-Wool is completely protected by a tough, permanent covering.

**DOUBLE moisture lining**—providing an efficient and lasting moisture barrier—stop wind infiltration—prevent chilly drafts.

**DOUBLE air spaces**—to increase insulation efficiency—allow the walls to breathe.

**DOUBLE bonding**—Balsam-Wool is doubly bonded to the side of bricks to prevent slipping or packing down.

**DOUBLE fastening**—Balsam-Wool is doubly and plastically fastened in place, completely eliminating settling. Balsam-Wool is fire-resistant and termite-treated.

When you insulate you want your comfort to last. You want low fuel bills for all the winters to come. That's why you should have the DOUBLE benefits of Balsam-Wool applied by the famous Minnesota system. For only Balsam-Wool gives you ALL these benefits to provide lasting satisfaction. Read the "DOUBLES" which have enabled Balsam-Wool to establish its amazing performance record in more than 250,000 homes through 20 years of use.

### No Accidents Police Report

Plymouth welcomed in the New Year without a traffic casualty according to Police Chief Lee Sackett. According to police records this is one of the first years in a long time that the "police blotter" didn't record at least one traffic violation.

### Four Boys Involved In Ypsilanti Crash

Four local youths were badly shaken up Tuesday evening when the car in which they were driving became involved in an accident in Ypsilanti. Most seriously injured of the group were William Hokenson who suffered a broken leg and Raymond Nowry who received serious face lacerations.

The other two occupants of the car Raymond Nicol and William Pasco escaped the accident without serious injury.

### James K. Pollack Here January 10

The annual "Husband's Night" of the Plymouth Woman's Club will be held January 10 at 8:30 o'clock in the Presbyterian church. Dinner chairman is Mrs. Thomas Phillips reservations at \$1.65 per plate are to be made with Mrs. William Clarke at 1215 or with Mrs. Kenneth Hulsing at 1596 before 6 o'clock on January 8.

Mrs. Austin Whipple, who is program chairman, will introduce James K. Pollack, the guest speaker. Mr. Pollack, who is a professor in Political Science at the University of Michigan, will talk about his year in Germany. The hospitality committee consists of Mrs. James Latture, Mrs. Anthony Matulis and Mrs. Eugene Benson. Music for the evening will be furnished by John P. Morrow, Edwin Campbell, Albert Glasford and Walter Brown.

The area of Continental United States in square miles is 3,738,392.

### Davidow to Speak At Rosedale Club

It was announced this week that the newly organized Men's Club of the Rosedale Gardens Presbyterian Church had secured as their first speaker Larry Davidow, prominent Detroit attorney and counsel for the U. A. W.-C. L. O. for Tuesday, January 7 at 8 p.m. at the church.

A very interesting talk is anticipated which is to be followed by an open discussion. Joseph Korfelder, one of the Charter Members and Director of the Communist party in Russia, is accompanying Mr. Davidow. Mr. Korfelder was educated at the University of Leningrad.

### More Parkway Land Purchased

Land for extending the Middle Rouge Parkway in the valley of the middle branch of the Rouge River from Newburg road near the city of Plymouth southeasterly to the northwest limits of the city of Dearborn, a distance of about 13 miles, has been acquired by the county road commission.

The land has been cleared of debris, undesirable brush, etc. service drives constructed, and the construction of one bridge and two highway separations are under way in preparation for extending the Edward N. Hines Drive easterly from its present terminus at Newburg road. Plans for full development of this new parkway area are practically complete and will provide Plymouth with a new direct parkway drive eventually all the way from this city to Dearborn.

### Yule Decorations Winners Named

In spite of the pre-Christmas "brainiac" results of the Junior Chamber of Commerce-sponsored home decoration contest were gratifying, and winners were announced this week. First prize went to the Roy Rew family, of Harding street. The second place winners the Carl Hartwicks, of Northville road. Cash prizes of \$20.00 and \$15.00 were presented. Judges for the contest were

Mayor Robert Lidgard, Jack Taylor, Alfred Schuster and Marvin Partridge. The Plymouth Federal Savings and Loan association, Plymouth United Savings Bank and First National Bank of Plymouth contributed the prize money.

"Next year, provided there is no reason why Plymouth residents can not go ahead with home decoration plans, they should be many more entries in this division of our Christmas activity project," declared Partridge, chairman of the contest. Many families did not plan outside home decorations because of the government's restriction caused by the coal strike.

Jaycee President Charles Wolfe said, "I would like to take this opportunity to publicly thank everyone who aided us in making this year's Christmas activities program so successful. We fully intend to sponsor a similar project next year and we believe it will be even better than this year's profiting by mistakes learned and in knowing, much more about organizing it."

### Sends Greetings From Heidelberg

The Plymouth Mail received an unusually beautiful Christmas card this last week from L. W. M. Holdsworth who is stationed in Heidelberg, Germany with the U. S. occupation forces. He is the son of Mr. and Mrs. Wilbur G. Holdsworth who reside on Penniman avenue.

L. T. Holdsworth mentioned in a brief note on his card that he was looking forward to an exceptionally fine Christmas in view of the fact that his wife and three children were expected in Heidelberg for the holiday. He said that he knew his family would like Germany where they will live for the next two years and he was especially anxious that The Mail extend his best wishes to his many friends in Plymouth.

What is taught in the Sunday schools of today is the code of morals for tomorrow.—Woodrow Wilson.

The importance of iodine in the diet for the control of certain types of human goiter has been one of the outstanding developments in recent medical science.

### Farm Bureau to Seek Members

A number of people have been appointed to take part in an intensive drive for new members for the Wayne County Farm Bureau.

George Matevic has been appointed chairman for the drive. He will be assisted by Harold Fischer of Plymouth township, Harry Vetel and Frank Hasselbach of Canton township and Glenn Miller of Sampter township.

George H. Guiss, of Lotz road has been named chairman of the publicity committee.

### Austin Expands Taxi Service

Through the untiring efforts of Elmer E. Austin, Plymouth and Northville and the surrounding territory now have around-the-clock taxi service every day in the year.

In addition, six of the eight cabs in operation are 1946 models designed to give the passengers more comfort and safety. Further, 15 drivers working for Austin's Taxi Service are all honorably discharged veterans of World War II.

Within a few weeks Mr. Austin will be able to offer a complete fleet of 1946 cabs as he is replacing the two other models as soon as possible. Few taxi services in much large communities can boast an entire fleet of 1946 models or an all-veteran personnel.

Mr. Austin began operating a taxi service in Plymouth and Northville about four years ago. Taxi service then in the local areas was something new and seldom demanded. Mr. Austin reports:

He offered reliable service at normal rates and when the war-wrought gas rationing was imposed his service was the one bright spot in the transportation problems of hundreds of residents in the Plymouth-Northville area.

By the time V-J Day rolled around, Plymouth and Northville residents and those folks in between and on all four sides had grown to rely considerably on Austin taxis.

They were always available for reaching places bus lines did not serve and at hours when there was no municipal transportation available.

Business grew by leaps and bounds after the war. Mr. Austin finally purchased the business, equipment and good will of his only competitor, the Veterans Cab Co.

In addition to his 15 all-veteran drivers, Mr. Austin employs three part time drivers and five women in the offices.

He plans to continue his policy of sparing no expense or effort to provide the latest and most complete taxi service for persons in the Plymouth-Northville area 24 hours a day, every day in the year.

### OBITUARIES

Mrs. Minnie Ray Gares Funeral services were held Monday, December 30, for Mrs. Minnie Ray Gares, age 83, who passed away Thursday evening, December 26 after a long illness. Mrs. Gares was born in Michigan and she is survived by her husband, William Gares, her two sons, Arthur and Irving Gares, both of Plymouth, Michigan, one sister, Herman Krumm of Fowlerville, Michigan, Krumm of Detroit, Louis and Bert Krumm, both of Plymouth, Michigan, Krumm of Northville and Mrs. Bert Kahl of Plymouth, a host of other relatives and friends.

Mrs. Gares was Past Noble Grand of the Plymouth Rebekah Lodge No. 182. She was a member of the lodge for over 30 years. Rev. Henry J. Waich officiated. The active pallbearers were Roy Wheeler, Fred Wassenaar, Oscar Matts, Earl Gray, George Mott and William Roach. Interment was made in Riverside cemetery.

Mrs. Phyllis Losey Witt Funeral services will be held this Friday, January 3 at 2 p.m. from the Schrader Funeral Home for Mrs. Phyllis Losey Witt who died almost instantly Tuesday, December 31 resulting from a head injury in a train accident near Ann Arbor. Mrs. Witt resided at Whitmore Lake, Michigan. She is survived by her husband, Louis Witt, five sons and two daughters, David, Jean, Glenda Mae, Irvin, Bernard, John Robert and Phyllis. Mrs. Witt was a beautiful woman and will be missed by her relatives and a host of friends. Rev. Clifford D. Doty will officiate. Two beautiful hymns will be rendered by Mrs. J. T. Chapman, accompanied at the organ by Mrs. J. O'Conner. Interment will be made in Grand Lawn cemetery.

John West Funeral services will be held Saturday, January 4 at 2 p.m. from the Schrader Funeral Home, Plymouth for John West of Cass, Michigan, who died suddenly Wednesday, January 1 at the age of seventy-eight years. Mr. West was a former resident of Cherry Hill. He is survived by his sister, Mrs. Fannie Beach of Vassar, several nieces and nephews, other relatives and a host of friends. Rev. Clifford D. Doty will officiate. Two beautiful hymns will be rendered by Mrs. J. T. Chapman, accompanied by Mrs. M. J. O'Conner. Interment will be made in Kenyon cemetery.

### Navy Plans Officers Training Programs

The United States Government is offering to all young men between the ages of 17 to 21 two officers training programs, the NROTC and the NACP. The requirements for entering these programs are:

- a. Male citizen of the United States.
  - b. If a minor, consent of a parent or guardian.
  - c. Agreement to accept a commission in the Navy or Marine Corps.
  - d. Agreement to remain unmarried while in the program.
  - e. Physically qualified.
- The program includes four years of college education and the remainder of the six years spent in active duty. The candidates are given a choice of 32 colleges with tuition, fees, and text books furnished by the government plus necessary uniforms and a retainer fee of \$600 a year. They are required to wear uniforms and observe Navy discipline only while in drill or in Naval Activities. It is also required to make two summer cruises and one summer period of aviation indoctrination.

The election procedure is: First: Nation wide aptitude test. Second: Physical examination and interviews. Third: Final assignment to colleges.

### WHO IS HE?

Colonel Robert Ingersoll asked his friend General Lew Wallace to write a book which would discredit Jesus Christ and undermine men's faith in Him. The book was written and is known as "Ben Hur." And this is the testimony of Wallace.

"After six years given to the impartial investigation of Christianity, as to its truth or falsity, I have come to the deliberate conclusion that Jesus Christ was the Messiah of the Jews, the Saviour of the world, and my personal Saviour."

It was this knowledge that made Peter cry out, "Thou art the Christ, the Son of the Living God." Happy is the man with this knowledge. Do you have it?

### Dutch Send Book of Thanks For Aid Jaycees, Bosses Meet Wednesday

Local Presbyterians received a beautifully bound acknowledgment in the form of a book from their Dutch friends in Holland this week. The book was sent to Rev. Henry Waich to present to the members of the church in appreciation of the many articles of clothing sent from Plymouth by his congregation.

All of the families, totaling over 100, which have received articles from the local Presbyterians had signed their names in the book as a thank you to the charitable undertaking.

Rev. Waich revealed that the children of the Presbyterian Sunday school here had also contributed their pennies that they might have spent for candy to a fund for candy which was also sent to the Netherlands Church.

### Jaycees, Bosses Meet Wednesday

Plymouth Jaycees will be entertaining their employers when they meet for their regular January meeting, Wednesday evening, January 3, at the Hotel Maywood. Dinner will be served at 6:30 o'clock. "Bosses' Night" is an annual affair, and this year reservations are being made for 65 places.

The program being arranged by the sports committee, headed by Marvin Partridge and Rockwell Smith, will prove interesting as movies of the Michigan-Ohio State football game will be shown. A member of the University's athletic department will conduct that portion of the program. All Jaycees and their bosses, or a guest, are expected to attend.

**This is COLD WEATHER**

**GUARD YOUR HEALTH**

Colds and respiratory diseases are prevalent. Take care! Guard against infection. Build good body resistance. Avoid fatigue. Avoid getting chilled. Stay away from those who have colds. Keep out of crowds. If you catch a cold, get after it right away with tried and proven home treatments. Stock your medicine chest with cold relief now so that you will have them ready at a moment's notice when most at the first warning sneeze or sniffle. If a cold begins with chills followed by fever, call your doctor immediately.

**LOCALS**

Mr. John Spencer, of Detroit, and Mr. and Mrs. Clendenning and Miss Mary Connor, of Plymouth were the guests of Mr. and Mrs. Maxwell Moon, of Pennsylvania, on New Year's day.

Mr. and Mrs. D. S. Mills, of South Main, will have as their weekend guests Miss Alice Miller, of Ann Arbor, and William Korman, of Smithmill, Pennsylvania.

Mr. and Mrs. M. C. Gussell and son, Richard, and Mr. and Mrs. Douglas Lorenz, all of Northville, were the dinner guests New Year's day of Mr. and Mrs. Ralph Lorenz at their home on Sheridan.

Mr. and Mrs. Ken Kehl and son, Herbert, left Tuesday, December 31, for Hillman, where they will enjoy themselves fishing. They will return to Plymouth Sunday, January 5.

Mr. and Mrs. Henry Baker and family, of Sheridan, had Christmas supper with Mrs. Baker's sister and brother-in-law, Mr. and Mrs. Wilbur Ostrander, in Stockbridge.

Mr. and Mrs. Walter Dzurus and sons, Walter and James, of Livingston, Illinois, were the dinner guests of Mr. and Mrs. A. M. Keeping, of Irwin, Saturday evening, December 28.

Mr. and Mrs. Carroll Haas announce the birth of a son, James Hamilton, on Christmas day, at St. Joseph Hospital, Ann Arbor. Mrs. Haas was formerly Elaine Hamilton.

Rosemary Guthrie, daughter of Mr. and Mrs. Melvin Guthrie, of Newburg road, was hostess at an open house at her parents' home, after the Lamb's Dance at the Masonic Temple New Year's Eve.

Mr. and Mrs. Frank Hokenson, of Williams street, had as their guests during the holidays, Mr. and Mrs. Walter Dzurus and sons, Walter and James. The Dzurus returned to their home in Livingston, Illinois last Sunday.

Mr. and Mrs. William Ryan left Plymouth Thursday for Miami, Florida where they will spend a short vacation, flying their own plane. They were members of the Gulf Oil Tour on the trip to the Southland.

Mr. and Mrs. Clyde Williams and mother, Mrs. C. M. Specs, have returned home after spending Christmas day with Mr. and Mrs. Weston Noble in Defiance, Ohio.

Mr. and Mrs. Merrill Walker, who are both attending Michigan State College at East Lansing, are spending the holidays with Mrs. Walker's parents, Mr. and Mrs. Thomas Moss, of Ann Arbor Trail.

John F. Hoffman, of 10520 Wayne Road, Plymouth, announces the engagement of his daughter, Shirley Ann, to Neil M. Appicelli of Duluth, Minnesota.

The Get-Together club met at the home of Mrs. Gladys Luffin, December 13. The next meeting will be on Tuesday, January 7 at the home of Mrs. Walter Klein-schmidt.

Mr. and Mrs. J. Frederick Shear were hosts at a buffet dinner Sunday evening, December 29, at their new home on Sheridan Drive, Ann Arbor Hills. Their guests were Mr. Shear's parents, Mr. and Mrs. Carl G. Shear, and Mrs. Sylvester Shear and family, and Mr. and Mrs. Albert Shear and family.

Mr. and Mrs. Henry Baker, of Sheridan street, will entertain their Dinner-bridge Club at their home Saturday evening, January 4. Their guests will be Mr. & Mrs. Harold Sims of Birmingham, and Mr. and Mrs. William Morgan.

Mr. and Mrs. Carvel Bentley, Mr. and Mrs. Louis Truesdell, Mr. and Mrs. Austin Whipple, and Mr. and Mrs. Phil Heisehl, all of Plymouth.

Jane Pierce, daughter of Mr. and Mrs. Frank Pierce, of Northville road, invited some of her friends to a skating and skiing party Monday afternoon, December 30. Her guests were Nancy Morrow, Cynthia Baker, Verna Jean Rice, and Hazel Darnell. After the outdoor sports, the girls went to Jane's home where they enjoyed refreshments.

Mr. Earl Reh was a guest at a holiday tea at the home of Mr. and Mrs. Selmar Gilmore in St. Louis, Michigan. Mr. and Mrs. Gilmore announced the engagement of their daughter Kathryn to Donald Earl Reh, son of Mr. and Mrs. Earl Reh of Plymouth. The young couple are both attending Michigan State College.

Mr. and Mrs. H. A. Nelson and sons, James and David, Mr. and Mrs. Louis Schmidt, and daughter, Barbara, and Mr. and Mrs. A. J. Alford, and daughters, Nancy Lou and Marjorie, were the guests of Miss Neva Lovewell at a spaghetti dinner at her home on Pacific Sunday evening, December 2. After dinner the guests enjoyed themselves playing table tennis and seeing the slide pictures of Miss Lovewell's travels.

A regular meeting of the Women's Auxiliary of the First Presbyterian Church of Plymouth will be held in the church parlors Wednesday, January 8. The Women's Auxiliary of Rosedale Garden Presbyterian Church will be the guests and will present the program of the day. Mrs. Paul Harsha is the program chairman. Mrs. Stafford Francis will have the devotions, and Mrs. S. K. Pope will direct the musical part of the program. Rev. Woodrow Wooley, of Rosedale Garden Presbyterian Church, will lead a discussion on the book "Nowhere to Lay Their Heads", by Victor Gollancz. Following the program the Plymouth Auxiliary will serve tea.

Mr. and Mrs. John Henderson were hosts at a New Year's Eve party at their home on Auburn. Among the guests who gathered there to welcome in the New Year were Mr. and Mrs. William Arscott, Mr. and Mrs. O. H. Williams, Mr. and Mrs. Edward Dobbs, Mr. and Mrs. George Farwell, and Mr. and Mrs. Howard Wood.

**Work Program Is Popular**

Eighty-six former students completed the occupational training program in which they were enrolled while attending Plymouth high. These students, spent a minimum of two years working at some occupation part time while attending school. They not only have a high school diploma but also have an achievement record and diploma, signed by their employer stating that their work on the job was satisfactory. While in school the other half day, they studied subjects related to the occupation they were learning. Mr. C. Bentley, the coordinator, signed their achievement records designating that these related subjects were carried on satisfactorily.

At the present time about forty students are enrolled in the occupational training program.

Robert Willoughby, son of Mr. and Mrs. R. D. Willoughby, of Ann Arbor Trail, celebrated his eleventh birthday, Monday, December 30, by having a dinner and theater party for a few of his friends.

Howdy Folks:  
By LEO & BUD

What this country needs is fewer people telling us what this country needs.  
An angry traveling salesman asked Rock Ridge's only cab driver why they put the depot so blasted far from town. "Wal, stranger," said the driver, "I dunno, less'n it's that they want to get the depot ez close ez possible to the railroad."

Bill: "My wife doesn't understand me; does yours?"  
Jim: "I don't think so. I've never even heard her mention your name!"

But you can be sure that plenty of people are mentioning our name as the place to get real top quality car service. There's no car need that we don't understand. Drive in today.

## Famed Explorer Is Next on Town Hall

Major John D. Craig, gamesterman, explorer, and author will show his latest adventure color movies at Detroit Town Hall, Wednesday morning, January 8 at eleven o'clock in the Fisher Theatre.

The pictures to be presented for the first time in Detroit at Town Hall in conjunction with a lecture were taken by the famous pictureman while he was serving with the Army Air Forces and were recently removed from army censorship. An exciting action story of the combat fliers, the film is said to be one of the most spectacular cinema documents of the first war. This will be the Major's first coast to coast lecture tour following his release from the army.

Major Craig's popular book "Danger is My Business" and the pictures of his adventures as a deep sea diver early established him as one of the country's "first soldiers of fortune." His career has taken him all over the world, and Hollywood where he continued to court danger taking "thrill" shots.

The election of George Washington as the first President of the United States was accomplished by the unanimous vote of only eleven states of the Union. At the time of his election the states of Rhode Island and North Carolina had not ratified the Constitution and, consequently, did not participate.

There is a serious need for cream quality improvement.

A new De Laval Separator provides one sure way to improve the quality of your cream (and your profits, too) because it will:

- Produce smooth, even-textured cream, best for churning.
- Produce cream un-contaminated and undiluted.
- Maintain even, un-varying cream test.
- Produce better butter, fat for better butter—today's urgent need.

WHETHER YOU HAVE ONE COW OR MANY... THERE'S A DE LAVAL SEPARATOR FOR YOU!

There is a De Laval Separator just right for you in size, style and price. Regardless of size or price, each is De Laval quality through and through and will:

- Skim cleaner.
- Earn more.
- Cost less per year of use.

What Other Tire Can Hold a Candle to the **New FISK Air-Flight**

Mile after mile... on any road... this great, new tire makes driving more pleasant, more relaxed... gives you a comforting sense of security. It's the AIR-FLIGHT features that do it:

1. Rayon, the Miracle Cord... Fisk's own lighter, stronger cord brings you the greatest blowout protection yet devised. Used in sizes 6.50 x 16 and larger; Fisk's famous Pre-toughened cotton cord in smaller tire sizes.
2. Strong, Free-flexing Side-walls... cushion your car over the bumps, reduce flexing strain, lengthen tire life.
3. Sickle Edge Tread... cuts through road film for straight-in-line stops, better traction on the curves. Broad and flat for plus mileage.

**LEGALS**

**TO THE HIGHWAY COMMISSIONER OF THE TOWNSHIP OF LIVONIA, WAYNE COUNTY, MICHIGAN.**

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, has at its meeting on said Board held Thursday, December 5, 1946, decided and determined that the certain streets and alleys described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said streets and alleys are hereby made a part of this notice and are as follows:

Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Karlov Tower, Detroit, Michigan, at 10:00 a.m., Eastern Standard Time, Thursday, December 5, 1946.

Present: Commissioners Brown and O'Brien.

It was moved by Commissioner O'Brien that the Board assume jurisdiction over the following streets and alleys in the Township of Livonia, Wayne County, Michigan:

All of Jamison avenue, 60 feet wide; all of London avenue, 80 feet wide; all of Birch avenue, 60 feet wide; all of Henry Road, 43 feet wide; all of Millburn avenue, 70 feet wide; all of Fremont avenue, 60 feet wide; all of Hillcrest avenue, 60 feet wide; and all of the alley, 20 feet wide, in the rear of Lots 124 to 128 inclusive, and adjacent to Lots 335 and 336, Green Acres No. 2, being a subdivision of part of the west 1/2 of Section 23, Township 9 North, Range 9 East, Livonia Township, Wayne County, Michigan, as recorded in Liber 70 of Plats, Page 58, Wayne County Records, being in all 0.662 miles of subdivided streets and 0.064 mile of alley.

The motion was supported by Commissioner Brown and carried by the following:

**STATE COURT FOR THE COUNTY OF WAYNE.**

In the Matter of the Estate of ELLA S. CHAFFEE, Deceased.

Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court in said County and to serve a copy thereof upon JOHN S. DAYTON, EXECUTOR of said estate, at 354 South Main Street, Plymouth, Michigan, on or before the 27th day of February, A. D. 1947, and that such claims will be heard and court action taken on the 27th day of February, A. D. 1947, at 1:30 o'clock in the afternoon in Court Room No. 527, Wayne County Building in the City of Detroit, in said County, on the 27th day of February, A. D. 1947, at 1:30 o'clock in the afternoon.

Dated December 15, A. D. 1946.

Published in PLYMOUTH MAIL, once each week for three weeks successively, within three days from the date hereof.

JAMES H. SEXTON,  
Judge of Probate  
Dec. 20, 1946.

**25 YEARS AGO**

A wedding of interest to Plymouth friends occurred at the home of Mrs. Paul Harrison, Wednesday evening, December 27, when a marriage was celebrated in the parlors of the home at Highland Park. Dinner was served at five o'clock to a few friends and relatives, and at seven o'clock the marriage service was read by Rev. St. Conger Hathaway, pastor of the First Presbyterian church of this place. Later in the evening Mr. and Mrs. Edgewood left for their future home at Highland Park, Monday, January 2, they will leave for a honeymoon trip to St. Petersburg, Florida, where they will remain during the winter months. Mrs. Harrison has been a resident of Plymouth the greater part of her life and is well known here. Her friends wish her much happiness in her newly wedded life.

Miss Elva Magraw, daughter of Mr. and Mrs. John Magraw, of Plymouth, and Mr. Fred Kohler, of Northville, were very quietly united in marriage at three o'clock last Saturday afternoon, December 24, by Rev. A. L. Bell, at his home in Pontiac. The bride is one of Plymouth's best known young ladies, while the groom, who is the son of Mr. and Mrs. Anthony Kohler, is very well known in Northville, and is at present in the employ of the American Bell Foundry Company there. The young couple will reside with the bride's parents on Mill street this winter.

Born, Wednesday, December 27, to Rev. and Mrs. S. Conger Hathaway, a son, Stephenson Conger, Jr.

A large and appreciative congregation witnessed the Christmas pageant, last Sunday evening. The decorations were unusually beautiful and brought great credit to H. J. Green, who designed and arranged them. As a token of appreciation, Mr. Green was presented with a purse of money. C. H. Bennett acted as "Santa Claus" for the Ready Service Class, last Saturday night, and brought great joy to the dwellers in the manse — literally wheeled in it.

One of the finest renditions of Christmas music to be heard in the city was given at the Methodist church, last Sunday night, when the quartette consisting of Miss Foster, Mrs. Blake and Messrs. Roberts and Joliffe, assisted by Miss Winifred Joliffe at the piano, gave the cantata, entitled, "Holy Night." It came as a fitting climax to an ideal Christmas day, and a full house of worshippers went away inspired and happy, and appreciative of the splendid and talented music rendered.

There will be a pedro party at Jesse Zeigler's Saturday evening of this week, (New Year's eve). Mildred Daggett gave a party at her home Tuesday evening in honor of Marguerite Carpenter of Ovid, Michigan.

Born, a daughter, to Mr. and Mrs. Harry Blessing on Holbrook avenue, Friday, December 27. Mr. and Mrs. Clarence J. Teufel of Toledo, Ohio, were guests of the latter's parents, Mr. and Mrs. M. M. Willett over Sunday and the first of the week, returning home, Tuesday.

**MORE LIGHT FOR YOUR MONEY**

ELECTRIC LIGHTS work overtime when the nights are long and the days are dark. They don't do their best work, either, unless the lamp bulbs are kept free from dust and dirt... unless they are the proper size—neither too large nor too small... and unless they have shades that provide maximum glareless light.

Be sure you have plenty of spare light bulbs on hand, too. Your dealer has them or you'll find them at any Edison office—in all sizes—all modestly priced. You can exchange your *burned-out* bulbs at any Detroit Edison office. There's no charge for this service. Just bring an Edison service bill for quick identification.

## BABSON SAYS

**BABSON DISCUSSES JOBS**  
Babson Park, Fla., Jan. 3.—Many letters have come to me from young men and women all over the country asking where the best job opportunities will be found in the next few years.

**Nothing More Permanent than Change**

Several hundred years B. C. the Greek philosopher, Heraclitus, said, "There is nothing more permanent than change." His philosophy still holds good—especially in the world of work. Planning a wise vocational choice is, in some ways, like duck hunting. If you shoot where the bird is at any given moment, you may waste your ammunition. Job opportunities are always in more or less of a flux due to such factors as (1) wars, (2) boom periods, (3) depressions, (4) new inventions, (5) changes in peoples wants and desires.

"Probably the best way to predict the job opportunities of tomorrow is by looking at the trends of yesterday. For example, according to the U. S. Bureau of Census, 23 out of every 100 gainfully employed in 1910 were in agricultural pursuits. Today only 18 out of 100 are so employed. The casualty, for the most part, has been due to technological development. Thirty years from now small farms will be used only for inflation hedges or sustenance purposes. Food is destined to be grown on great farms as surely as shoes are made in great factories.

**Professions or Manufacturing?**

Another illustration: professional workers such as lawyers, engineers, teachers and dentists increased from 4 per 100 in 1910 to 8 per 100 today. While opportunities for professional workers will continue to expand, it is the belief of experts that there will not be enough jobs for all of the young people who wish to enter these fields. My advice is, therefore, that, unless you have a vital interest in and an unusual aptitude for one of the professions, you had better consider other vocations where there will be greater opportunities.

Since 1920 manufacturing and mechanical industries have employed more workers than any other vocational groups. A figure of over 30 out of every 100 has been reached. I visualize that dur-

ing the next thirty years America, and even Eastern Europe and Asia, are headed for a trial of a nearly completely mechanized civilization. Since then, the essentials of life will be taken care of by machine, the greatest vocational opportunities may be for machine builders, machine repairers, machine tenders and technologists.

**Good Opportunities in Transportation, Distribution, Trade Vocations**

These must complement the manufacturing and mechanical industries. People need manufactured goods. They have gone long without them. Someone must transport these goods from the factory, and someone must distribute them to the consumer. The number of workers involved in such pursuits has more than doubled since 1870 and will, no doubt, continue to increase in the years ahead.

For young women the clerical field will probably continue to offer the best opportunities. The number of clerical workers more than doubled from 1910-1945. These jobs will continue strong in order to keep up with the needs of business and industrial, transportation and distributive activities. But as wages increase, young women must seek more and better work. "Any girl" cannot get jobs much longer.

**Babson's Advice to Job Hunters**

It is impossible to have a great war without "payin the piper." Sooner or later we are bound to witness a business depression. Therefore, whether you be laborer, operator, craftsman, salesman, administrator, or what, look for work with (a) a company whose earnings fluctuate a minimum between good times and bad times. A toilet tissue manufacturer would qualify, while a steel company would not. Or (b) work for a company which furnishes a necessity and whose business holds up during a depression. A fire insurance company would qualify, while a hotel would not. Or (c) work for a growing industry such as chemical companies. Or (d) work for a concern that can quickly mark up prices in case of inflation. Chain stores would qualify; railroads would not.

## Public Skating Rink Planned Back of School

The Plymouth Recreation Commission with the assistance of the fire department, DPW and Board of Education is presently working on plans for a public skating rink back of Plymouth High School.

This is planned with an eye to eliminating a long walk for younger children and keep them from having to cross so many streets and railroad tracks to reach natural skating areas.

A small area will first be flooded. If necessity demands it, a larger one will be later constructed.

The state of Illinois contains approximately 12,000 miles of railroads, a larger mileage than has any other state.

## Ross and Rehner

### ALMANAC

## Charles Wilson Heads Road Board

Charles L. Wilson, well known in Plymouth and a member of the Board of Wayne County Road Commissioners since July, 1938, has been elected chairman of the commission for the next year. The other members of the three-man Board are Michael J. O'Brien, who was elected vice-chairman and Prescott C. Brown, the former chairman. Mr. Wilson is a cousin of Mrs. Howard Sharpley of this city.

The board has a progressive post-war program for highway building, airport enlargement, park and parkway extension, etc.

Included in the highway projects is the John C. Lodge Expressway, the first section of which will connect the downtown loop district with the uptown business districts in the vicinity of the Fisher Building.

This Expressway and the Edsel B. Ford (Crosstown) Expressway are being built under an agreement between the city of Detroit, the county of Wayne, the State Highway Department and the Bureau of Public Roads under the Federal Aid Inter-regional Metropolitan Highway Appropria-

tion. The land for enlarging the County's airport at Romulus from its present size of one square mile to nearly four square miles has already been acquired. It has been designated as the Detroit-Wayne Major Airport. Plans for development thereof are well under way and construction work will start soon. The airport expansion program will be carried out on a "pay-as-you-go" basis.

In 1830 Chicago was a log-cabin settlement with less than 100 inhabitants. It was called Fort Dearborn. Its estimated population in 1940 was 3,396,808. It occupies the alluvial plain formed by the Chicago and Colimet rivers.
