## LOCAL News

Mrs. Ralph G. Loreaz entertained a group of ladies at a bridge luncheon at her home on Ann Arbor Trail last Thursday noon. Nels Nelson of Los Angeles returned Monday after visiting his sister and husband, Mr. and Mrs. Ernest Wickstrom of this city.

Dr. Harold Brisbois, Ralph Lorenz, Stewart Dodge, S. T. Coburn and Raymond Hill attended the funeral services for P.H. Deal in Saginaw last Wednesday.

City manager Harold Cheek and Mayor Robert Lidgard are participating in a ten minute radio broadcast about Plymouth in Ann Arbor Sunday.

Ellen Daane, daughter of Mr.

and Mrs. R. M. Daane is entertaining a group of her sixth grade friends at a valentine party at her home Friday night.

Mr. and Mrs. Richard Vealey of North Harvey street spent last Sunday in New Hudson where they were guests at a joint-birthday celebration for their son-in-law, Franklin Knapp, and their grandson, Jack.

Cub Den No. 1 of Pack P 5 attended the Shrine Circus in Detroit Friday evening of last week. Three of the Den Dads, Jim Ryder, Leonard Milross, and Charles Huebler accompanied the boys. The following boys enjoyed the performance immensely: Den Chief, Donald Houghton, Richard Huebler, Robert Ryder, Ronald Dunson, Peter Leemon, James Nelson, and Leonard Milross, Jr.

Mr. and Mrs. Albert Pint of

Schoolcraft road were guests at a party Tuesday evening of last week at the home of Mr. and Mrs. Herbert Winters of Wayne. The guests of honor were Mr. and Mrs. Charles Loomis of Plymouth who left Wednesday, Feb. 5, for Winfield, Kansas where they will make their home. Mr. Loomis was active in the Kiwanis Club and Mrs. Loomis was a member of the Plymouth Woman's Club.

The general meeting of the W.S.C.S. of the Methodist Church will be held next Wednesday, Feb. 19, in the church parlors. There will be a paid luncheon at 12:30 o'clock. Day Unit 1 is hostess of the day. Mrs. E. B. Rea will present the devotions. Mrs. H. Jensen is program chairman of the day and will introduce the speaker of the afternoon who is Mrs. N. F. Kennedy of Ypsilanti. Mrs. Kennedy is an active worker in the Council of Religious Education and her topic will be "Children and their Church".

The members of the J. C. C. Auxiliary and their guests enjoyed a dinner meeting 7 o'clock Thursday evening at the Plymouth Country Club. The program topic for the evening was "Music Appreciation". Miss Geneva Nelson, assistant professor of music education at the University of Michigan, was the speaker. She illustrated her lecture on "Music Appreciation" with phonograph records.

Mr. and Mrs. Harold Jolliffe, Mr. and Mrs. Everett Jolliffe, Mr. and Mrs. Elmore Whipple, Mr. and Mrs. Calvin Whipple, Mr. and Mrs. Alfred Smith, Miss Czarina Penney, Dr. and Mrs. A. E. Van Ornum of Plymouth and Mr. and Mrs. Arthur Whipple of Detroit were Sunday dinner guests of Mr. and Mrs. Austin Whipple at their home on Penniman avenue honoring the birthday anniversary of Austin Whipple.

The following women attended the annual Lincoln Day tea at the Book Cadillac in Detroit to hear Mrs. Kay Kennedy Brown, the national Republican vice chairman; Mrs. Harry Deyo, Mrs. Maude Bennett, Mrs. Karl Starkweather, Mrs. Cliff Levering, Mrs. Homer Burton, Mrs. Austin Whipple, Mrs. Arthur Mills, Mrs. Henry

## What's Behind a Valentine?

**LOVERS, BEWARE — THAT VALENTINE**  
YOU SEND TO THE 'ONE AND ONLY' HAS A HIDDEN MESSAGE TUCKED AWAY BENEATH ITS SATIN AND LACE. EACH SYMBOL HAS A MEANING ALL ITS OWN....

**Q. ROSE.**  
FOR EXAMPLE....  
TWO YEARS AGO...  
TOSSING ONE AT SOMEONE'S FEET MEANT YOU'D LIKE TO BE IN HIS OR HER ARMS AS WELL AS A ROSE ON A VALENTINE MEANS THE SAME THING

**A FAN**  
HAS BEEN USED FOR AGES TO KEEP A MAN GUESSING (IN A GIRL'S EMOTIONS). ON A VALENTINE, IT MEANS 'OPEN UP YOUR HEART'

**A RIBBON**  
IS A SOUVENIR OF THE DAYS WHEN 'KNIGHTS WERE BOLD, ETC.'...  
WHEN A KNIGHT ROSE AWAY TO BATTLE, HE GAVE HIS LADY FAIR A SILK RIBBON TO WEAR IN HER HAIR...  
—MEANING SHE WAS 'TIED UP' UNTIL HE RETURNED

**A HEART**  
HAS BEEN THE SYMBOL OF THE LOVE VERSE SINCE THE FIRST EVER SINKER VALENTINE PENNED THE FIRST ONE 17 CENTURIES AGO....

**THIS YEAR — ON FEBRUARY 14<sup>TH</sup> FROM HEART TO HEART AND FRIEND TO FRIEND MILLIONS OF VALENTINES CARRYING THESE WELL LOVED SYMBOLS WILL TELL AMERICA'S LOVE STORY**

**FACE** COMES FROM A LATIN WORD MEANING 'SMILE' OR 'MOOSE' — GET THE IDEA?

## WEDDINGS

### Katheryn Pino Is United In Marriage To Emery Seestadt

The home of Mr. and Mrs. Austin L. Pino of West Ann Arbor road, Plymouth, was the scene of an afternoon wedding on Saturday, February 8, when their daughter, Katheryn, became the bride of Emery M. Seestadt, son of Mr. and Mrs. H. F. Seestadt of Romulus, Michigan, and Miami, Florida. The ceremony was read at 3:00 p.m. by the Rev. Robert Hudgins of Romulus, before a setting of white draperies and candleabra with tall white tapers. The bride wore a traditional gown of white, fashioned of crepe and with a yoke and skirt of marquisette. She wore a fingertip veil of illusion. Her sister, Marjorie, who attended her as maid-of-honor, wore a floor-length gown with a black velvet basque waist and skirt of white net. She wore a corsage of yellow carnations, and the bride's bouquet was of white carnations and snapdragons. The bridegroom's mother chose a street-length gown of grey, trimmed in royal blue, while Mrs. Pino wore a silver-grey dress with lace trim. Each wore a corsage of red roses.

The Lohengrin wedding march was played by Mrs. James Dixon of Romulus. Mrs. Dixon also played several traditional piano selections before the ceremony.

Mr. Dixon, a life-long friend of Mr. Seestadt, served as best man. Immediately after the ceremony, the young couple greeted their guests and led them to the bridal table where the bride's cake and traditional fruited groom's cake were served by Mrs. Francis S. Schwarz, Jr. a cousin of the bride, Mrs. R. H. Pino of Detroit and Mrs. Paul Christensen of Plymouth presided at the coffee table. The table was decorated with pink carnations and white tapers. An ancestral silver coffee service accented the setting. Miss Eleanor Fort of Detroit, a college friend of the bride assisted in serving the guests. Friends and relatives from Romulus, Unionville, Walled Lake, Milford, Jackson, Lansing, and Detroit attended the wedding.

Mrs. Seestadt is a graduate of Hillsdale College, Hillsdale, Mich., and has taught in South Lyon and Romulus. The groom was graduated from the University of Miami in Coral Gables, Florida, and is now the manager of the Seestadt Foundry in Romulus. Mr. and Mrs. Seestadt have left for a two week's honeymoon at an undisclosed resort, after which they will make their home in Romulus.

Hees, and Mrs. Milton Laible, Brownie Troop No. 9 and their leader Caroline enjoyed a valentine party at Starkweather school Tuesday afternoon. The Brownies planned the entertainment and refreshments which were much enjoyed. Twenty-one members were taken into the Brownies troop.

Mr. and Mrs. William C. Hartmann and daughter, Beatrice, entertained at dinner last Saturday evening. Their guests were Mr. and Mrs. W. A. Schonschack of Wyandotte, Mr. and Mrs. George Moeller of Detroit, Mrs. M. A. Heft and Graham Laible.

Mr. and Mrs. Earl Baker, Mr. and Mrs. Charles Minehart, and Mr. and Mrs. Edmond Watson of Plymouth, Mr. and Mrs. Charles Wilson of Rosedale Gardens, and other guests from Wayne were entertained at a cooperative dinner last Sunday evening in the home of Mr. and Thomas Russell in Wayne.

Lynn Wilson F. I. C. who has been in the Pacific area for over a year is spending a 30-day leave with his mother, Mrs. Pearl Wilson. He witnessed the atomic bomb tests at Bikini last summer. Said he, "If I should attempt to tell people what I really saw, they would not believe me." He leaves March 6 for Norfolk, Virginia for overseas duty.

The Friendship Circle held their supper of the month at the Pen-Mar Saturday evening. The following members attended: Mr. and Mrs. Kenneth Gates, Mr. and Mrs. Harlow Williams, Mr. and Mrs. Manford Becker, Mr. and Mrs. Joseph Pace, Mr. and Mrs. John Chaney, Mr. and Mrs. Martin Jones of Arthur street were host and hostess for the evening.

**New Periodicals Now at Library**

Four periodicals added to the Plymouth branch library for 1947 are now being received. Mrs. Ada Murray, branch librarian, announced this week. The new subscriptions are for Hunting and Fishing, Ladies Home Journal, Design, and the Detroit Free Press. "We now take 68 periodicals at Plymouth, many of which are not available at local news dealers," Mrs. Murray stated. Among these are American Marchinist, American Photography, Consumer's Union Reports, Etude, Hobbies, Mechanical Engineering, Model Airplane News, Modern Plastics, Plays, Radio News, Science News Letter, and Travel.

"We keep the latest copies of magazines in the library so that anyone coming in can read them here but back numbers may be borrowed on one-week loans for home heading," Mrs. Murray said.

Many of the magazines are kept for several years for reference purposes, according to Mrs. Murray. The library has a published index to periodicals. "It is through this index that we locate the magazine reference material," Mrs. Murray explained.

**Mrs. Olivea Faeorster**  
Funeral services will be held Sunday, February 16, 10 a. m., from the Schrader Funeral Home, 1000 E. Main St., by Rev. Fred Pillon. Mrs. Faeorster was born in Michigan and resided in Plymouth for many years. She is survived by her husband, Walter Faeorster, and her son, Ernest W. Faeorster, who resides at 15839 Ann Arbor road, Superior Township. She is survived by her husband, Walter Faeorster, and her son, Ernest W. Faeorster, who resides at 15839 Ann Arbor road, Superior Township. She is survived by her husband, Walter Faeorster, and her son, Ernest W. Faeorster, who resides at 15839 Ann Arbor road, Superior Township.

**George Albert Baehr**  
Funeral services will be held Saturday, February 15, at 2 p. m., from the Schrader Funeral Home for George Albert Baehr, who passed away Tuesday evening, Feb. 11, at the age of eighty years. Mr. Baehr was a former resident of Plymouth and has resided at the home of his daughter, Mrs. Fred Pillon at 14727 Wilfred st., Detroit. He was the husband of the late Isobelle Baehr, and is survived by three daughters and two sons, Mrs. Erland Bridge of Plymouth, Mrs. Carl Hjerpe of Williamston, Howard Baehr and Mrs. Fred Pillon, both of Detroit and Clinton Baehr of Belleville, three grand-children and nine great-grand-children, other relatives and friends. Rev. Francis Wilson of Garden City will officiate. Two beautiful hymns will be rendered by Ranze Johns of Garden City, accompanied at the organ by Mrs. M. J. O'Connor. Interment will be in Maple Grove cemetery.

**Linda Louise Schultz**  
Linda Louise Schultz, baby daughter of Mr. and Mrs. Ray Schultz, born April 19, 1943, passed away on February 3. Funeral services were held Wednesday, February 5, at Casterline's Funeral Home in Northville, with interment in Riverside cemetery. Pallbearers were Melvin Schultz and Julius Saner, Jr.

**Mrs. Schultz** is the daughter of Mr. and Mrs. Julius Saner of Powell road.

daughter, Sharon, his parents, Mr. and Mrs. Ora Leckrone of Grass Lake, Michigan and his sister, Mrs. Mary Bowman of Grass Lake, a host of other relatives and friends. Rev. Verle Carson of Newburg will officiate. Two beautiful hymns will be rendered on the organ by Mrs. M. J. O'Connor. Interment will be in Cadillac Memorial cemetery.

**Roller Hockey Makes Bow Here**

Plymouth's Riverside Skating Arena was the scene of one of the liveliest sporting events ever to be seen around Michigan last Monday night when a game of roller hockey was played. The game was a contest between the local Riverside Grange Hockey Club and the London (Ontario) Tecumsehs. The Plymouthites lost by a score of seven to zero. Lionel LaMay, manager of the arena, points out that roller hockey is rated as one of the fastest of all sporting events, and spectators verify that assertion. Pile-ups were frequent, including an unusual melee when all but one player in action were packed into the Plymouth goal.

The game is a forerunner of many to come. Schedule for this season is not regular, but Mr. LaMay hopes to have Monday nights next year devoted to the games of an eight team league being formed in southern Michigan.

Attendance at the game Monday was between 550 and 600 people. Plans for future contests call for greater seating capacity by utilizing more of the huge arena for bleachers. This can be done and still leave ample room for a full size playing area.

**Alaska, Subject Of Forum Feb. 18**

Rev. H. Fredsell, of Northville who served two years with the army chaplains in Alaska will show colored motion pictures at the Plymouth Public Forum Tuesday evening, Feb. 18 at 8 o'clock, sharp.

Since Alaska will likely be the next state of the union and has been regarded as our most important outpost for defense, Alaska is more important than ever. The admission is free to all.

**A NECESSITY**

A man named Nicodemus came one night to the Lord Jesus Christ in order to satisfy his mind as to who Christ was. Nicodemus was amazed to hear the words, "Ye must be born again." He had culture and education, but these did not fill the requirement. He was an exceedingly religious man, but that did not satisfy the demand. He was a leader in religion among his own people, yet his influence and prestige did not constitute the new birth. His morality was of a high order, but commendable as that was it was not what the Lord said was necessary.

The Lord explained the how and the why of the new birth when He said, "As Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up, that whosoever believeth on Him should not perish but have eternal life." Have you believed this?

# Edison Company Begins Four-year Building Program

The Detroit Edison Company this month began a four-year construction program which calls for the expenditure of \$60,000,000 and which will increase the power-producing capacity of the system by 22.4 per cent. Expenditures for 1947 will approximate \$20,000,000.

Costs of the 1947 program are divided approximately as follows: Power Plants \$4,000,000; Overhead and underground transmission lines 2,500,000; Power lines, transformers, etc. 4,500,000; Fuel gas steam heat 1,000,000; Fuel gas extensions 3,000,000; Labor 2,000,000; Construction and alternative equipment 1,000,000. Here is why the job must be done.

Detroit Edison's total production in 1947 was 21 1/2 per cent over 1946 production. Twice in 1947 the output hit all-time highs. That includes, of course, the heaviest demands of the winter when the great industrial plants were running in full gear shifts around the clock.

customers will be continuing and consistent. Use by industrial customers was record in the early months of 1947, but rose steadily later in the year and is expected to increase sharply early this year.

That is no boast. It is a statement of policy and procedure. We believe that unless we act now we may find ourselves unable to meet the demands of the not too distant future. Obviously it is our obligation to provide for a year or two years later. We are not expanding our productive capacity because we have a surplus. We are making a speech about the future of the Edison Company of Southeastern Michigan. We are prepared to spend nearly \$25,000,000 a year for the next four years because of our expansion program.

# Old State Maps Misleading

Not until railroad and streamboat lines began to cross and go around Michigan did the state "take shape" in the minds of map-makers, papers in the University of Michigan Historical Collections show.

A series of early maps of the Great Lakes area has been secured by the Historical Collections to show how the state of Michigan developed on the drawing board. Originals of some of these maps are owned by the Collections, by the Clements Library, which is also on the University campus, and by the British Museum.

# What To Look For When Buying New Refrigerator for Home

What to look for when buying a new refrigerator is a mystery to most of us. Household equipment specialists of the U. S. Department of Agriculture and Michigan State college say the first rule is to buy from a reliable manufacturer.

When you are buying an electric, gas, or kerosene refrigerator, look for the seal of the Underwriters' Laboratories. This seal means that the refrigerating system and electrical connections are safe. If it's a gas refrigerator, look also for the AGA star of approval. This symbol of the American Gas Association means that it meets certain standards of construction and performance.

# School Buses Are Paying Their Way

Buses of Plymouth's school system have now transported pupils a total of nearly a half million passenger miles without an injury. Of the 2,000 pupils within our own school district 451 have been carried daily. Expense is borne by the state up to \$40.00 per pupil per year. However, the efficiently operated Plymouth system will cost far less than this amount.

February 15 was the date of the annual Roman festival, the Lupercal. Associated with the feast was a lottery in which young men drew from a box the names of young women partners.

# From Your Valentine

St. Valentine, patron of the amorous who died a martyr on February 14, 270 A. D., for refusing to denounce his faith in Christianity, was known for his kindness and charity. While in prison awaiting his execution he befriended the jailer's blind daughter and left her a farewell message signed, "From Your Valentine," thus setting a phrase for valentine greetings which has carried down through the years.

# St. Valentine Day

If you have any items of interest about your family or friends please call Plymouth 6.

## O.E.S. News

Plymouth Chapter No. 115 will hold a special meeting for purpose of initiation Tuesday, February 18, in the Plymouth Masonic Temple. This is the annual Friends Night of the chapter. It will open at 4:30 p.m. with a covered dish dinner served at 6:30 in the dining room. The evening meeting will open at 8:00 p.m.

An officers practice is called for Monday, February 17, 7:30 p.m. at the Temple.

A red and white color scheme

decorated the dining rooms of the Redford Masonic Temple with Victoria Chapter No. 230 entertained past masters, past patrons, charter, life and honorary members at the forty-sixth anniversary birthday dinner of the chapter, January 28. Gaily decorated snow-mn. red candles, white place cards with tiny red crepe paper mittens served to carry out the wintertime motif.

The chapter opened in the afternoon, the degrees of the Order being exemplified by the officers of Victoria Chapter. A delicious dinner was served at 6:30 p.m. Degrees were exemplified at the evening meeting by the past masters and past patrons of Victoria

chapter. Present through the afternoon, dinner and evening meetings were Mrs. Kathleen Nicol, Mrs. Myrtle Brown, Mrs. Pearl Lundquist, Mrs. Leola Huebler and Mrs. Bessie Evans. Mrs. Brown is an honorary member of Victoria Chapter.

Attending the dinner and evening meeting were Mrs. Mary Kershaw, Mrs. Helen Ingram, Mrs. Edna Hughes, Mr. and Mrs. Joan Lutz, Mr. and Mrs. Oral Rathbun, Mr. and Mrs. William Smith, Maurice Evans, Harry Brown, and Charles Huebler.

## Paper Collection To Be Feb. 22

A drive for the collection of waste paper is to be conducted by Boy Scouts of Troop No. 1 on Saturday, February 22. House to house canvassing will be done on that date. Local residents are asked to have old papers bundled and tied for the boys. In this campaign the scouts will cause many basements to be cleaner and safer, and at the same time will enlarge their fund for the many projects that they are planning.

## Silver Beavers to Be Presented at Annual Meeting

Dr. Albert E. Iverson

The Annual Council and Scouters Fellowship Meeting of the Metropolitan Detroit Area will be held at the Wardell Sheraton hotel, Thursday evening Feb. 13. Guest speaker is Dr. Albert E. Iverson of the National Boy Scout Council. Dr. Iverson, a member of the Division of Relationships, has had wide experience in many phases of the Scouting program. He has been a Cubmaster and a Scoutmaster, and also served on several Regional and National Committees. He is a graduate of St. Olaf college at Northfield, Minnesota and the Theological Seminary at St. Paul, Minnesota.

The meeting will commence with dinner at 6:45 o'clock. An election of officers to serve for the current year will take place. High point of the evening will be the presentation of the Silver Beaver Award—the most coveted Service Award—to twelve of the most outstanding volunteers of this area. Silver Beaver recipients will not be aware of the honor, bestowed upon them, until their name is announced that evening. All tribulations of their services to Scouting, and information concerning applications to the National Council for the Award are sent confidentially by the Silver Beaver Committee, which meets in secret to make their recommendations.

Prentiss M. Brown, Local Council President, will preside at the annual meeting. Statistical reports will be made by chairmen of the various Operating Committees, most important of which will be a report on the Camp Expansion Fund Drive which was officially opened February 1.

A drive to raise for increasing year-round camping facilities for Boy Scouts of the Detroit Metropolitan area starts this week under the auspices of more than 400 Detroit business leaders.

President M. Brown, president of the Detroit Area Scout Council, and Edwin A. Tomlinson, chairman of the Camp Expansion campaign, announced that the goals, as accepted by the various District chairmen, total \$109,000. Proceeds will be used to develop the Volunteer Leaders' Training Center and to increase the number of Troop camp sites at the Charles Howell Scout Reservation near Brighton, Michigan.

During 1947, Scouts of the Detroit Area enjoyed a total of 119,210 Scout days in camp. Mr. Tomlinson pointed out, however, that

only 25% of this camping was done on Scout reservation sites. The current financial drive aims at expanding these Scout Reservation sites by one-fourth in addition to increasing the Training program for volunteer adult leaders.

The Brighton camp project started in 1937 and now about half completed, is expected to gain additional equipment and buildings through the drive to provide sites to 12,700 more days of outdoor camping during 1947.

Mr. Brown declared that of the 165,000 boys, ages 9 to 19, who live in the Detroit area, a survey shows 123,000 of them want to become Scouts. Civic leaders have thrown their support behind the drive to help make greater opportunities for membership possible.

## New Plumbing Firm to Open

The Plymouth Plumbing and Heating Company announces the opening of their store at 149 Liberty street. This complete plumbing and heating concern is to be operated by Lee Ray who at present resides in Redford. As soon as housing is available, Mr. Ray and his family will move to Plymouth.

Mr. Ray has had thirty years experience at this type of work and assures his patrons of an efficient sales and service organization.

Robert W. Harris, formerly of the Michigan Tank and Furnace Corporation will be associated with the new store as sales manager.

## Veterans Take In New Members

Mayflower Post No. 6559 of The Veterans of Foreign Wars held their regular meeting at the Conservation Club's building on Joy road last Thursday, February 6. At this meeting fourteen veterans of the Plymouth area were accepted as members. They were Lee Sackett, John Schultz, Alfred Porritt, DeForest Parks, Wilfred Dodge, Dick Neal, Jess Tritton, Joe Merritt, Hendrix Gross, Charles Truax, Alfred Schuster, Fred Byrd, Oris Combs and Peter Zarka.

Plans were discussed relative to obtaining a site for a building for the organization, to be located in Plymouth.

The next meeting is to be held February 23 at the Western Wayne County Conservation club quarters, Milton P. Miller, the membership committee chairman, says he expects a good attendance for this event.

## Roy Streng Dies From Heart Ailment

Funeral services were held Wednesday, February 12 at 2 p.m. from the Schrader Funeral Home for Roy Carl Streng who passed away suddenly early Monday morning, Feb. 10 at the age of forty-eight years. Mr. Streng resided at 1159 S. Harvey street. He lived in Plymouth his entire life and was a graduate of the

Plymouth High School. He was the son of the late Joseph M. Streng and Mrs. M. Streng was born in Plymouth in 1898. He was an active painter in Plymouth until a few years ago when he became a maintenance foreman at the Warren Run Airport. Surviving are his widow, Mrs. Ila F. Streng, his mother, Mrs. Bertha Streng and his sister, Mrs. Margaret Streng. A. Streng and brother of the late A. Streng, and brother of the late A. Streng, also surviving are a host of other relatives and friends. The services were held at the Schrader Funeral Home, 1159 S. Harvey street, at 2 p.m. on Wednesday, February 12. Two beautiful hymns were sung.

Rev. Henry J. Wall, pastor of the Plymouth Methodist Church, officiated. The services were also in the presence of the Ex-servicemen. The casket will be in state at the funeral home until 10 a.m. on Friday, February 15. Burial will be in the Plymouth cemetery.

## NOTICE OF BOARD OF REVIEW

Notice is hereby given that a meeting of the Board of Review of the City of Plymouth, will be held in the Commission Chamber at the City Hall on Friday, February 21, 1947, from 9:00 A.M. until 5:00 P.M. at which time the following Special Assessment Roll will be reviewed.

Roll No. 145 Amelia Street, Storm Sewer District, described as follows:

That area benefitted by the Amelia Street storm sewer described as follows: That area, in the City of Plymouth, bounded on the north by the centerline of the Pere Marquette Railway right-of-way, also being the North line of Sec. 26, Plymouth Twp., Wayne Co., Michigan, T. 1 S. R. 3 E.; bounded on the west by the centerline of the right-of-way of the Toledo-Plymouth Division of the Pere Marquette Railway; bounded on the south by the centerline of Church Street and Union Street, said centerline being also the South line of the N.W. 1/4 of said Section 26; bounded on the east by a line parallel with and 150 feet Northeast of the East line of Amelia Street, between Mill St. and the alley behind Lot No. 2 of "Gravel Hill Subdivision"; also bounded on the east by the West line of Starkweather Ave., between said alley and Blanche St., further bounded on the east by the East lines of Lots No. 11 to No. 17, inclusive, of "Assessor's Plymouth Sub. No. 2"; said lots abutting Starkweather Avenue; further bounded on the east by the East lines of Lots No. 43, 44, 45 and 50 of "Assessor's Plymouth Plat No. 4"; further bounded on the east by the East line of Lots No. 1 to No. 6, inclusive, and Lot No. 9 of "Geo. A. Starkweather's Addition to Plymouth Village"; and further bounded on the east by a line parallel with and 175 feet west of the centerline of Mill Street, thru Lot No. 54 of "Assessor's Plymouth Plat No. 4"; across Division St. and thru Lot 55-a of "Assessor's Plymouth Plat No. 4" to the centerline of the Pere Marquette Railway, being the North line of said Sec. 26; also those lots abutting Holbrook Avenue described as Lots No. 1 to No. 14, inclusive, of "H. W. Jolliffe Subdivision"; Lots No. 1 to No. 21, inclusive, of "Park Subdivision"; between Plymouth Road and Union Street; also those lots south of Union Street abutting Holbrook Avenue and Park Avenue, described as Lots No. 31 to No. 49, inclusive, of "Park Subdivision No. 1".

Any property owners deeming themselves aggrieved by the assessment will have an opportunity to be heard.

Any person dissatisfied with the decision of the Board of Review, may appeal to the City Commission at its next regular meeting after the completion of such review by the Board.

Methodists join with the Presbyterians for the Ash Wednesday service at 7:30 Feb. 19. All choirs as usual. Laymen's Sunday, Feb. 23.

**CHRISTIAN SCIENCE CHURCHES.** "Soul" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, February 16. The Golden text (Psalm 35:9) is: "My soul shall be joyful in the Lord; it shall rejoice in his salvation." Among the Bible citations is this passage (Psalm 42:1): "Why art thou cast down, O my soul? and why art thou disquiet-

ed within me? Hope thou in God: for I shall yet praise him who is the health of my countenance and my God." Correlative passage to be read from the Christian Science textbook, "Science and Health with key to the Scriptures" by Mary Baker Eddy, include the following (p.125): "Ash human thought changes from one stage to another of conscious pain and pathlessness, sorrow and joy,—from fear to hope and from faith to understanding,—the visible manifestation will at last be man governed by Soul, not by material sense."

**ROSEDALE GARDENS PRESBYTERIAN CHURCH.** Hubbard and West Chicago — Rev. Woodrow Wooley, minister—Sunday, Feb. 16, 9:30 a.m. church school. Classes for all ages through high school, 11 a.m. Nursery for children ages two to 6. 11 a.m. Brotherhood Sunday, Church service, 3:30 p.m. youth league. The young people of the Methodist Children's Village have been invited as guests, Wednesday, Feb. 19, 8 p.m. Ash Wednesday service at the church. The girls' choir will sing.

Of the 75 new books for children recently added to the Plymouth library, 28 were for the youngest readers.

**Organize To Get Voters Out**

The Plymouth chapter of the Junior Chamber of Commerce launched a campaign this week to get voters out to the polls in the National Organization's "Americanism Month". February has been designated by the group as the month for the "Get-out-the-vote" drive.

Plymouth Jay-Cees have elected Fred Warra to serve as chairman for this committee. Mr. Warra is co-ordinating the program with the local high school speech classes where the students are preparing orations on the topic. Subject matter is to pertain to "Get-out-the-vote", without mention or thought of political affiliation or bias. The students who write and present the best pieces in the subject will be chosen to appear before the general membership of the Chamber for an elimination contest. Winners will be selected by a group of judges chosen from prominent Plymouth citizens.

The art department of the high school is also co-operating by making posters pertinent to the importance of the drive and using as a theme "get-out-and-vote". These posters will be shown in conspicuous places between now and election day.

Another phase of the Jay-Cee program is to place stickers at store fronts as reminders to vote in the primaries on February 17, Monday. Merchants are also planning to use stickers on packages taken from their stores just previous to the polling date.

Final plans for the campaign were made at the Wednesday evening meeting of the local Junior Chamber of Commerce.

**Girl Scouts Have Valentine Party**

Girl Scouts of Troop 4, Plymouth, under the supervision of Scout Leader Mrs. Leo Arnold and Mrs. Robert Ingram met for a Valentine's party in the Central Grade School Monday afternoon. Light refreshments were served to the twenty-seven attending members.

An eye wink takes a quarter of a second—but a lot longer to explain to the wife.

**Plymouth Visitor Will Join Husband in Europe**

Mrs. Walter T. Vetter who has been visiting her Mother, Mrs. F. L. Dudley, and brother and family, the Van Dudleys, at 292 South Main street left this week for New York on the first leg of a journey which will take her to Bremen, Germany. There she will join her husband. While in New York awaiting passage on the S.S. America she will visit relatives.

Mrs. Dudley will join her daughter in New York next week, and remain with her until sailing time.

Mrs. Vetter will sail the last of the month for Cherbourg, France, where she will be met by Mr. Vetter, a former Army Intelligence Corp officer. After receiving his discharge from the army Mr. Vetter returned to his position with the Coca-Cola Export Corporation. It is the performance of his duties with this company that has taken him to Germany at this time. The Veters expect to remain in Europe for about three years.

**Warn Motorists To Use More Care**

School bus drivers have reported at their daily meetings forty-two violations of traffic laws by passing motorists, in which school buses have been involved. The most flagrantly unheeded rule is passing a standing school bus on the highway. The drivers point out that when a red, white and blue school bus is standing on the road with the yellow arm protruding to its left that state law requires motorists not to pass.

Another reported infringement of the law is the passing of buses (or any other vehicle) on dangerous curves.

Autoists are asked to remember that school buses carry one of the most precious cargoes that ever travel our highways. The bus drivers do their best in safely conveying the children over their various routes, but they say that cooperation by other motorists will greatly ease the responsibilities that they have assumed with their work.

**Plymouth Vets Given Job Aid**

John W. Boomer has been named field assistant by the Veterans Employment Service for Plymouth, according to Clarence Jetter, manager of the Michigan State Employment Service.

Mr. Boomer's task will be to promote job opportunities in this area for veterans. He'll visit employers regularly to stimulate the hiring of veterans and will co-operate closely with the Plymouth office of the Michigan State Employment Service.

When he obtains orders for jobs he'll refer them to that office for placement. In addition, Mr. Boomer will assist in securing and maintaining current information on available employment in public works, private industry and business. When he knows of competent veterans available for employment he will advise employers.

He also will be expected to develop job opportunities for disabled veterans, Mr. Jetter pointed out.

Mr. Boomer will have office space here. He is a native of Ypsilanti and a veteran of World War I. He was in the European Theatre with the Army Air Forces.

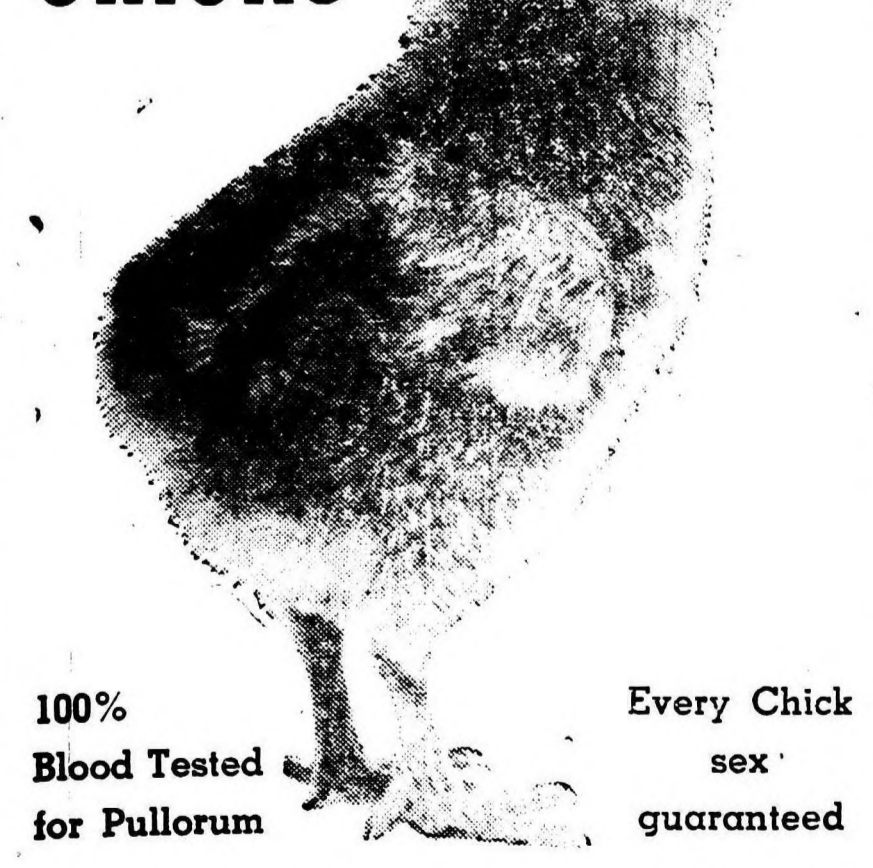

If you have any items of interest about your family or friends please call Plymouth 6.

**Military Order Plans Fund Drive**

Veterans of Foreign Wars Military Order of proxies, Pup Tent 44 held its first meeting and initiation on Saturday, February 8, at the Western Wayne County Conservation club quarters on Joy road. Membership is 27 men at present.

Topics of discussion at this first meeting included the veterans' hospital fund and the Orphan's Home at Eaton Rapids.

At the present time the local "Pup Tent" is starting a hospital fund drive. All proceeds from the campaign are to go to disabled veterans in Michigan hospitals.

Discussion of the compensation received by veterans while hospitalized was held at the meeting. It is pointed out by club members that hospitalized veterans's compensation is cut to \$12.00 while institutionalized. The local "Pup Tent" wishes to supplement this small sum by putting on a drive locally to raise money for the men in so unfortunate a position.

Friday, Feb. 14 the local "Pup Tent" is going to a "grand Scratch" (Cootie language for "meeting") The "scratch" will be at 8 p.m. at Lieut. Hoffman Post of the V.F.W., Pup Tent No. 12. At this meeting the local men will be presented with their "cootie" pins and caps by the Grand Commander.

A woman six feet two had to sleep on a jail bed six feet long. The charge was intoxication—maybe the hang-over was premature.

If you have items of interest about your family or friends for publication in these columns please phone them to number 16.

**MACCABEE NEWS**

The Lady Maccabees are planning a series of penny suppers, to which the public is cordially invited to attend.

The first penny supper will be served Wednesday, Feb. 19 at the Grange hall, with a supper every third Wednesday of the month. Supper will be served from 5:30 to 7 o'clock.

There will be a card party following for which a small donation will be asked.

**Junior Maccabees**  
Court director Mrs. Dorothea Curtis asks that all Juniors please be present Wednesday Feb. 19 at 5 o'clock so as to get your court activities started.

Most people want the spark of ambition to burst into flames, but many of them make the mistake of blowing too hard.

Sam said the other day the only thing that will turn a man's head quicker than money is a skirt.

No. 411-48.  
EVERETT SALOW, Plaintiff  
vs.  
NITA SALOW, Defendant.  
ORDER OF PUBLICATION  
At a session of the Court, held in the  
Wayne County Court Room in the City of  
Detroit, Michigan, on the 13th day of  
February, A. D. 1947.  
Present: Joseph A. Murphy, Judge of  
Probate.  
On reading and filing the petition  
of Lloyd A. Hordine praying for adminis-  
tration of the estate of John S. Davison,  
deceased, and for the appointment of  
James E. Chenot as administrator of  
said estate, it is ordered, that the twenty-  
fifth day of February next, at ten o'clock  
in the forenoon at said Court Room be  
appointed for the hearing of said petition.  
It is further ordered, that a copy of  
this order be published once in each week  
for three weeks consecutively previous to  
said time of hearing in the Plymouth Mail,  
a newspaper printed and circulating in said  
County of Wayne.

William S. Thomas, "Bill" to  
his many Plymouth friends, is the  
new manager of the Boyer Store  
on Main street. Mr. Thomas has  
been with the firm since early in  
1940, except for the three years he  
spent with Uncle Sam's fighting  
forces. After his return to  
civilian life he was appointed  
credit manager of Boyer's Detroit  
Store.  
The new manager is delighted  
now to be working in Plymouth  
where he took up his new duties  
this week. He has been a resident  
of this city most of his life, and  
is the son of Mr. and Mrs. Fred J.  
Thomas of Blunk street. Mr.  
Thomas graduated from Plym-  
outh High School with the class  
of 1940.

**City Receives  
Over \$11,000.00 In  
Gas Tax Money**

The Wayne County Highway  
Engineer, today announced that  
a check in the amount of \$763.56  
was mailed to the City Treasurer  
of Plymouth, which makes a total  
of \$11,423.08 Plymouth received  
as its share of the 1946 Weight  
and Gasoline Tax collections.  
This amount constitutes the ap-  
portionment of weight and gaso-  
line tax monies Plymouth is en-  
titled to under Public Act No. 302  
of Michigan. The Engineer point-  
ed out that this money is car-  
marked for specific expenditures  
in the following order of priority:  
A—Payment of Plymouth's  
share of State trunkline and Fed-  
eral maintenance costs.  
B—Payment of Plymouth's ob-  
ligations on highway projects  
undertaken jointly with the  
State Highway Commissioner.  
C—The improvement, repair or  
maintenance of streets and high-  
ways, or the construction and  
maintenance of bridges or grade  
separations, or general street or  
highway purposes.  
D—Payment on bonds, interest  
on bonds or other obligations is-  
sued or incurred by Plymouth for  
the cost of widening, opening or  
improvement of any street or  
highway or for bridge or grade  
separations within Plymouth.  
E—Refunding without interest to  
the taxpayers of Plymouth all or  
any portion of any special assess-  
ment or assessments levied in  
Plymouth for the cost of opening,  
widening or improving any State  
trunkline, highway or any other  
thoroughfare located within Plym-  
outh, which was levied as a special  
assessment.  
The county engineer pointed  
out that the penalty for failure to  
comply with the above order of  
priority of any municipality to  
devote the funds to the above  
purposes is the forfeiture by such  
municipality of its share in the  
Weight and Gasoline Tax return  
for one year.

## Man Finds Famous Movie Horse Is One He Rode Many Times Overseas

Weeks after the showing of "Gallant Bess" and months after the Reader's Digest printed "A Sailor and His Horse" about an episode of heart touching appeal in the south Pacific war this story finally comes out. A very modest Plymouth naval Lieutenant "forgot" to mention to his friends that he knows the story first hand. And, what's more, can append some very interesting anecdotes to the yarn.

The movie version and the Digest story give substantially true reports with only such changes in names and other variations as are necessary to the production of motion pictures, states the lieutenant.

The cinema scenario enhanced the romantic angle by making the central figures younger and portraying the devotion of the animal for her master. As played in the movie, the main theme is of a young rancher's obsession for the ownership of horses, and his trials in overcoming navy discipline to have it in his possession, thus bringing out a typical American story of love and kindness even during the stress of war.

The locale of the story was in the New Hebrides on the island of Esperito Santo, Lieutenant Elmore Carney of Penniman avenue, Plymouth, who "forgot" the incidents here mentioned, landed on the island after a plane trip from New Caledonia. At Esperito Santo to Mister Carney was to serve as executive officer of the receiving station, an advance base for reserve navy personnel.

The harbor was a scene of much activity, surrounded by heat, a good beach and the usual south sea island palm trees and other appropriate and picturesque decorations. On shore an enclosure for officers had been built. Within this area were two "hollys", or light weight structures for living quarters. One was occupied by the Captain in charge of operations, while the second was shared by Lieutenant Carney and Chief Boatswain's Mate Parker, ("Sparky" for short) "Sparky" was a Regular Navy man of about forty-five years of age, and was the real hero of the "Gallant Bess" Saga. His mother owns a ranch in Mona. Mister Parker had established the receiving station and built the necessary enclosures with camouflage around it in good navy fashion. And beyond navy fashion he had included many comforts such as showers, a lighting system and a refrigerator.

Association with these kindly young Americans both horses were becoming great pets. To complete the menage there were two dogs of "Sparky's" and one chicken.

Among the incidents recalled by Lieutenant Carney is the time that "Flicka", or "Gallant Bess", fell about thirty feet over a cliff and was severely hurt. Mr. Parker hurried to the base of the cliff to find the horse cut and bleeding badly. His influence on the horse was such that the stunned animal exerted itself to rise and docilely place its nose under his arm and follow him up the circuitous course back to the enclosure. Here the gentle Bess's Mate nursed her back to health.

Regardless of the animal's fame today, Dr. Carney says he remembers not loving her for a brief moment one dark night when she nudged him out of bed during a sound and much needed sleep. A frightening experience, indeed, says the ex-officer.

It wasn't until much later that the Plymouth man found out that the horse had been transported to the United States and a path of glory, but he knows that "Flicka", or "Bess" deserves its fame along with Chief Boatswain's Mate Parker, and is glad that the companionable pet which he rode for hours on Esperito Santo is well taken care of.

The Lieutenant "forgot" these interesting incidents, but he didn't forget to express his admiration for the American who loved animals, and the horse who was loved. To the men on the island "The Sailor and His Horse" are unforgettable immortals.

#### CANTON EXTENSION GROUP MEETS WITH MRS. SIMMONS

The Plymouth Canton Extension Group met at the home of Mrs. Paul Simmons February 6. The members discussed making their reservations for Walden Woods. The leaders Mrs. Wayne Bowyer and Mrs. Paul Simmons gave the instruction on mending woollens. Each member went home with many hints and helps on mending those worn articles at home.

The next meeting will be on "Curtaining Windows." It will be at the home of Mrs. Ernest Plant on Ford road, March 13 at 1:30.

## Fox Hunters Are Getting Results

Members of the fox-hunters of the Western Wayne County Conservation Association, have been doing their bit to help eradicate the red fox pest that has been raising havoc with pheasants and chickens in this part of Wayne county.

Sunday's hunt was participated in by William Rambo, Ernest Kincaid, Dr. Brick Champe, Clyde Smith, Estel Rowland, Byron Champion, Joe Elliott, Lewis Ford, James Gothard, William

Morgan, Fred Rhead, and Howard Hearn.

They got one big fox Sunday, making a total of eleven that have been killed by the fox hunters since the first of the year.

All of the fox have been tracked down between Sheldon road and Napier road, west of Plymouth.

Surprising as it may seem, the fox hunters have picked up fox tracks on the outskirts of Plymouth right along the Sheldon road. Some of those killed apparently have been raiding chicken coops within the city limits.

The Plymouth Mail Want Ads bring results.

An automobile is the most dangerous when the nut at the steering wheel gets oiled. A good driver is one who knows his own limitations and attempts to allow for those of others.

Howdy Folks:  
 By LEO & BUD

Why is a mustache like the installment plan? You know—a little down and then a little more each week.

Bessie had a Nickel. Her father suggested that she give it to charity.

"I thought about that," said Bessie, "but I think I'll buy an ice cream cone and let the druggist give it to charity."

Wife: "Was the train crowded when you came home tonight, dear?"  
 Husband: "No—I had a strap all to myself."

You don't have to worry about being a strap-hanger or a pedestrian if you'll let us care for your car. We feature the finest quality gasoline and oil—and offer you thorough, conscientious lubricating service. Start using our services today.

### SCHOOL NEWS

#### BAND NOTES

Six members of the band have formed a brass sextette, under the direction of Mr. A. H. Fitzgerald, a student at the University of Michigan. Mr. Fitzgerald already has his Bachelor of Music degree and is working on his Masters degree. Members of the sextette are Douglas Burkholder, bass horn; Mary Anne Bonnette; Sally Gustafson, french horn; Doris Waldecker, trombone; and Mary-Therese Watters, baritone horn.

The Clarinet Quartette, (Bill Bateman, Marjean Penhale, Allyn Williams, and Beverly Balsley,) played several selections at the dedication services of the Patchen School on Sunday, Feb. 9. Doris Waldecker also played the "Volunteer", a trombone solo, accompanied by Margie Tait.

#### CONTRIBUTIONS RISE FOR FOOTBALL LIGHTS

The drive for Plymouth High School's football field has been successful so far. The student and club contributions are as follows:

Leaders Club	\$25
Hecos Club	15
Lams Club	15
Varsity Club	25
Varsity Club	55
Band	50
Freshman Class	25
Student Council Dance	60
Total daily contribution	220.76

Plymouth High School's goal for the football lights is one thousand dollars. If any club or person is interested in contributing to this drive he may contact a student council member or the high school.

#### FRENCH CLUB HOLDS ANNUAL MARDI GRAS

The French club is holding its annual Mardi Gras, tonight, Friday Feb. 14 in the high school gym. The valentine theme is worked in to the decorations along with the regular floats. During the intermission members of the club will present skits and musical numbers. Chairmen of the dance committees are:

Dorothy Jean Richwine, ticket; Barbara Van Dyke, refreshments; Patricia Pine, decorations; Bill Osgood, floor; Bruce Deyo, cleanup; Beverly Rousseau, entertainment; Kathleen Bloxson, chaperones; Mary Ann Cyk lighting.

#### SENIOR PLAY IS MYSTERY FARCE

"Ramshades Inn", a three act mystery combined with comedy, by George Batson, has been selected for the Senior play. Dick Stisko, Maxine Martin, and Bill Bateman have the leading parts. The production will be staged on the nineteenth and twentieth of March.

The cast, chosen by Miss Louise Spence, who will direct the play, is as follows: Paton, Dick Stisko; Arbuthnot, Dick Palmer; Joyce Rodgers, Joanne Walsh; Mame Phillips, Mary Ann; Constable Small, Bill Farrant; Belinda Pryde, Maxine Martin; Commodore Lucious Towser, J. Hanna; Gail Russell Anne Hopkins; Alice Fisher, Flora Fallot; Dr. Russel, Bob Todd; Bill Phillips, Bill Bateman; Mr. Temple, Dick Palmer; Mary Temple, Phyllis Christenson; Gilhooly, Chuck Finlan; and Rod Highfield as Fred Porter complete the cast.

Be methodical if you would succeed in business, or in anything. Have a work for every moment, and mind the moment's work.—W. Matthews

It is safest to look twice to see whether it's opportunity or temptation.

### WOLVES MEET SOXERS IN BASKET "BRAWL"

Hank Greenburg may have the spotlight in the baseball world but Wagner and Bentley of the Faculty "Wolves" captained by Latture took first place with the PHS students when they led their team to a smashing victory over Mel Blunk's "Bobbysoxers" ("Faculty men, by the way") in a cagers' brawl in the gym on Monday, Feb. 9. The game, held to encourage contributions to the Football and Field Fund, ended in a 21-0 victory for the Wolves.

Don Rank led the scoring for the underdogs with 5 points while Fritz Johnson tallied 4 points to make the entire score for the Soxers. Nelson of the Wolves started his team on their scoring spree early in the game when he tossed field goal for his team. In keeping with his lower rank Louie Schmidt then captured a free throw, thus spurring his team to greater action.

Numerous fouls were called and many more remained uncalled and uncalled for with Matulis, Latture, and Nelson taking top honors here. Those who saw action were:

Wolves	Bobbysoxers
Latture	Blunk
eBrtley	Janson
Matulis	Rank
Nelson	Falan
Alford	Kramer
Brown	
Wagner	

Cheers for both teams were led by the trio: Lickley, Olmstead, and McDonald. "Kon" Moiso announced the game. Contributions to the Fund amounted to \$182.11.

#### ROCKS TIE FOR FIRST PLACE; TOP BELLEVILLE

Aided by the Redford Union five the Plymouth Rocks vaulted to a first place tie with Trenton when the locals whipped Belleville Friday night and Trenton lost to Redford Union. Plymouth rallied a 44-33 score against Belleville; Trenton's loss, their first of the season, was chalked in the last quarter, Redford Union winning 38-33.

The Rocks started fast leading by 6 points before the Tigers could score. Never behind, the Rocks led 11-10 at the quarter and 26-15 at the half. DeWayne Becker came near to a scoring record ringing up 16 points to bring his season's total to 108 points. Jack Dobbs tallied 14 points. Late in the game Becker left the floor with a bruised ankle but he will probably be able to be in the line-up tonight.

The Reserves lost their tilt 31-28 although they were in the lead 18-9 at the half. Jack Scheel joined Larry Finney on the shelf because of an ankle injury. Ron Hees led the young Rocks with 10 points.

Tonight the Rocks encounter the Ypsi Braves at Ypsi, and Tuesday the battle for the Orange and Black ball will take place at Northville when another good game is promised.

Women often get tired — but never too tired to ask questions.

# GENERAL PRIMARY ELECTION NOTICE

## City Of Plymouth County Of Wayne

Notice is hereby given that an election will be held in the City of Plymouth, in the County of Wayne and State of Michigan, on Monday, February 17th, from 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon, Eastern Standard Time, for the purpose of nominating candidates for the following offices:

### In the Legislature

By Elton R. Eaton

Miss So-and-So, one of the high officials of a Detroit labor union of county employees, appeared before members of the Wayne county legislative delegation the other night to discuss proposed changes in the Wayne county civil service law.

When she arose to address the group her salutation was: "You-se guys here to fix up this bill!" etc. Her jargon proved somewhat of a shock even to the law-meters from Detroit where they are accustomed to hearing most anything. And surprising as it may seem, she held a good position in one of the courts of the county, which is protected by civil service.

Both on and off the record there is much being said around legislative halls pertaining to the housing problem in Michigan. There is a general feeling that the building program has been put back an entire year by the bungling that took place in Washington right after the end of the war.

There is also a lot of criticism of the type of houses being erected these days.

One member of the legislature declared that few, if any, of the houses being built these days will last much over 15 or 20 years. "There was a time when we built houses that would last for 50 years or more, but there isn't one of the egg-shells they call homes being built now that will be used for homes 20 years from now. They will either blow away or fall down, they're that flimsy," he said.

Not having inspected any of the new homes being erected, we are not in a position to know how accurate is this statement.

There is plenty of fire as well as smoke in the Michigan State college inquiry into Communist activities by a group of students the state taxpayers are spending money to educate.

The so-called "Youth for Democracy" outfit is nothing more than a Stalin "front" organization. There are reports that the anti-American group has also invaded the University of Michigan as well as Wayne University. Do not be surprised to see some drastic legislation proposed before this investigation ends.

You will be amazed to know that the chief agitation back of the enactment of the bill raising the age limit of automobile drivers from 14 to 17 years of age were the fathers and mothers of the boys and girls of this age group. Nearly every member of the legislature had personal calls or letters from parents of children within these age limits urging the legislature to not permit children under 17 years of age to drive automobiles. They apparently can't say "no" to these young children when teasing to take the family car to go somewhere, but they were anxious to have the legislature say "no" for them. That the house of representatives has already done. But this does not mean that children over 14 cannot drive. They can be issued limited permits for special purposes, such as driving cars on errands or for limited uses around town, but not for pleasure. Of course, all of this depends upon action taken by the senate on the bill passed by the house.

If a bill introduced into the senate should be approved by the senate and the Governor people who are drawn to jury service in circuit courts will be paid at the rate of \$6.00 per day instead of \$4.00. The rate of pay is so low at present that judges are finding it almost impossible to get men to serve as jurors.

Once more the state health department is making a drive to force all raw milk off the market. The department made the effort two years ago, but the legislature refused to go to the full extent asked by the department. The bill that has been introduced again is already causing plenty of discussion around the legislature. If the measure should be enacted only pasteurized milk could be sold in this state.

The legislature is beginning to swing into high gear right now. Attended three committee meetings in one day recently. There will be plenty of action from now on.

The house opened the door last week for a supreme court decision on the question of members of the legislature accepting expense

checks. The Governor last fall said it was an outrage for the state to expect members of the legislature to pay money out of their own pockets in order to serve as a member of the legislature. Some weeks ago a bill was introduced which permits legislators to collect actual expenses while attending sessions in Lansing. After the Governor signs the bill, which has now been passed by both senate and the house a supreme court ruling as to its legality is expected to be asked shortly.

Well the mayors are school officials didn't solve the state's financial problems as they had been expected to do. It will be remembered that they said last fall the state had \$173,000,000 on hand that could be used for the operation of the state government and that amendment No. 2 could be passed without the state raising any new taxes. What did they say in their report the other day? The big surplus they talked about last fall dwindled down to the Veterans' Trust Fund of \$50,000,000 which has been set aside for the care of disabled Michigan veterans during the years to come. They also proposed new taxes as well as a state bond issue to provide money for the state's building needs. And of course you know the only way a bond issue is paid off is through taxation. You not only pay back what you borrow but you pay interest on the bonds as well. No, the report was not as helpful as had been anticipated.

If the senate approves a bill which has been passed by the house, circuit court commissioners in Wayne county cannot practice law during their terms of office. It has been pointed out that these officials who get \$10,000 per year have been in the habit of spending much of their time carrying on their regular practice. If this bill becomes a law, they must give their entire time to their jobs.

What we overhear always sounds a lot more interesting than what we hear.

We hold out hope for the man who can look in the mirror and laugh at what he sees.

### Detroit Sorority Meets In City

That coterie of beautiful girls about Plymouth last weekend was a group from a Pan-Hellenic sorority of Detroit. They engaged rooms at the Hotel Mayflower for fifty-four of the girls and their chaperones. The local hotel provided all accommodations for them including meeting rooms for the election of officers and other sorority rituals.

When some people say—"I'll think it over"—they flatter themselves.

### What made Greyhound Grow?

...giving the people good transportation...at low cost...and lots of it!

From puppyhood, Greyhound grew on one good idea: to build a new, "American-style" travel system for THE PEOPLE.

Not mail...not freight...but PEOPLE.

The thing Greyhound knows best is how to get people to the places they want to go...at the times they want to go...at prices they can afford.

And Greyhound does this for more cities, towns, villages and corners than any other transportation system.

What's more, Greyhound makes this "American-style" travel friendly, easy, convenient...stopping in the heart of big cities...at the drug store across from the city hall...or at Pete Jones' farm, if that's where Pete wants to get off.

Why do the people like Greyhound? There's your answer: good transportation...at low cost...and lots of it.

## on Target for '47

STAND back — take it all in — and make sure you don't miss a thing.

For what we've pictured for you here is the whole Highway Hit Parade of 1947 — wrapped up in one glamorous bundle.

Those long, flowing, follow-through fenders — there's a style note you'll see echoed in automotive fashions for a long time to come.

That generous beam amidships — there's the drivingroom you've been seeking, with legroom, headroom, elbowroom all around.

That broad deep bonnet spells power aplenty — eager, lively Fireball power from an engine that seems to stay forever young.

That hug-the-road look means steadiness; coil springs on all four wheels spell matchless, floating ride; wide-swinging doors open on interiors both handy and handsome in arrangement.

In a word — here's a car squarely on target,

whether you go for style or size, performance or value. Here's America's most wanted car — and easily America's most sought-after buy.

So why let the crowd get ahead of you? Why wait—when waiting can only postpone delivery, not hasten it.

Just remember that faint heart ne'er won a fair car like this — and get your order in!

### ONLY BUICK HAS ALL THESE STAR FEATURES

 BY • ELTON R. EATON

Get ready Mr. and Mrs. Fisher man to go after the big ones this year.  
 "It's been a long, long time since Michigan has had such a favorable winter for next summer's fishing," declares Dewey Loomis, who operates a big fishing boat livery up on the back waters of the Manistee river some 10 or 12 miles east of Manistee.  
 "I have watched it for years,

and it never fails, if we have a long, hard winter with lots of ice and snow you always get good fishing the next year. This winter has been an ideal one for the right kind of fishing next summer," declared Mr. Loomis the other day.  
 Many fishermen and tourists living in this part of Michigan have doubtless driven by the "Loomis Landing" on U.S. 55, which stands on the high banks of the south branch of the Manistee river. It has been claimed that some of the biggest pike, walleyes and rainbow trout taken in Michigan come out of the Manistee.  
 There is one thing sure fishermen will know more about the prediction that Mr. Loomis makes pertaining to good fishing next fall than they do now.  
 Although Michigan led all states last year in the number of game licenses issued, it was in third place in the amount of revenue received from those licenses.

nally to discussion of wildlife and wildlife conservation problems, in the schools, from the public platform, in the press and over the radio.  
 This year, emphasis will be placed on the need for greater protection and management of fish and game to meet greatly increased pressure, due in large measure to the interest of millions of returned veterans in hunting and fishing. The usual sheets of colored stamps — by well-known artists, of birds, mammals, fish, flowers and trees, will again be issued.  
 Clubs, schools, other organizations and individuals interested in securing further information about Wildlife Week should address the National Wildlife Federation, 20 Spruce Street, Boston 8, Mass.

The late date at which lakes froze over and the mid-January thaw are making this a much better winter, so far, for southern Michigan's shallow, weedy lakes. A year ago, when heavy snow covered most of them from December 11 to February 15, some 75 lakes suffered "winterkill" of fish from lack of oxygen.  
 In winterkill lakes examined last year by the conservation department's institute for fisheries research, the heavy mortality was found to occur when the dissolved oxygen in the water was less than one part per million. For some species, such as bluegills, mortality was reached when the oxygen content declined to seven or five parts per million.  
 Bass and bluegills were found to be among the first to die of oxygen starvation; perch, suckers and pike are more resistant; bullheads and shiners can survive after other species have turned belly up under the ice. In no lake examined was the kill 100 per cent complete.  
 Years of heavy winterkill, before last season, were 1940-41, 1939-40 and 1935-36. While the current season is starting well, the institute for fisheries research still wants reports of lakes in which any winterkill is observed. In normal years, February is the critical month.

In fast moving water of raceways that seldom freeze on the coldest winter nights, the Michigan conservation department is maintaining a stock of two and a half million brook, brown and rainbow trout — trout that will make up the legal size plantings of 1947 and 1948.  
 Twelve of the 15 hatcheries and rearing stations holding trout over the winter are in northern Michigan, where most of the streams and lakes to be stocked are located. To fill the departments planting order for one million legal size trout in 1947, some 800,000 fish approaching legal size are on hand. The remainder will come from the stock of 1,700,000 fingerling, but most of the fingerling will be left to grow another year, to become legal length (seven-inch) fish for the 1948 plantings. Meanwhile hatcheries are processing three and a half million trout eggs that may not become fish in the anglers' creel until 1949.

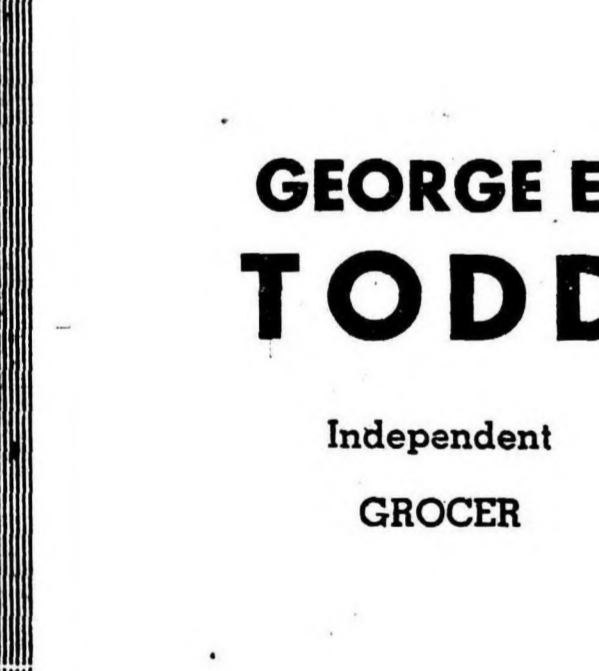

Brown trout predominate in the current holdings, numbering 1,130,000, compared with 950,000 brook trout and 470,000 rainbows. After week-to-week searching during wartime and in the first postwar year for slaughterhouse byproducts that are staple hatchery fish foods, the supply problem has eased considerably. Rising costs, however, have replaced scarcities as a brake on volume production of ready-to-plant fish.  
 Trout are being held this winter at Watersmeet, Thompson and Marquette hatcheries and Cooks Run and Fox River rearing stations in the upper peninsula; at Oden, Harrietta, Grayling and Paris hatcheries and Sturgeon River, Plate River and Baldwin rearing stations in northern lower Michigan; and at Wolf Lake, Benton Harbor and Drayton Plains in the southern counties. Thompson, Marquette, Sturgeon River and Grayling have more than 300,000 trout each.

Advice on child care may be found in books. Visit the nearest branch of the Wayne County Public Library.

PRIMARY ELECTION -- Monday, Feb. 17th  
 (Advertisement paid for by the candidates' friends)

Federal migratory-bird hunting stamps, commonly called "duck stamps", were issued to 1,125,505 sportsmen for use during the 1945-46 season. This is the highest figure on record to that date. During the 1944-45 season, 1,487,029 duck stamps were sold. The Federal stamps at \$1.00 each, in addition to state licenses are required of all waterfowl hunters over 16 years of age.

The 38 Michigan counties that offered bounties on foxes in 1946 paid out \$50,372 for the killing of 13,696 of them, a 26 per cent increase in cost over the year before. In 1945 the counties paid \$39,970 for 11,083 foxes.  
 Local payments vary from \$2 to \$7.50, with different rates in some counties for males, females and pups. There is no state bounty on foxes, but the overall state figure was compiled from county clerks' fox bounty records by conservation department district game managers.

Kalamazoo topped the payment list with \$3,850 expended for 770 foxes. Next in expenditures were Van Buren with \$3,140, Kent with \$2,565, Montcalm with \$2,535 and Cass with \$2,410. High payments did not always bring in the most foxes. Barry county, eighth in cost, got 629 foxes, the second greatest take. Kent county, third in the dollar column, was seventh in the number of foxes bountied. Van Buren bountied 629 foxes, Calhoun 618, Oakland 614.  
 Four counties were added to the bountying list during the year: Berrien, Saginaw, Sanilac and St. Clair. Grand Traverse and Mecosta stopped paying bounties during 1945; Kalkaska and Tuscola stopped during 1946. Three and five dollars are the most popular rates; five counties paid \$2 per fox, three paid \$2.50, 11 paid \$3, three paid \$4, 11 paid \$5, two paid \$6 and our paid bounties varying with the age and sex of the animals.

National Wildlife Week will be observed this year from March 16 to 22, according to its sponsors, the National Wildlife Federation. First inaugurated by President Roosevelt in 1937, National Wildlife Week has been devoted an-

Donald Sutherland are to attend the coperetta "The Desert Song" at the Masonic Temple on March 1.

The members of Hesco are serving a tea on Feb. 15 to the Delta Kappa Gamma, a chapter of Kappa Sorority. Barbara Lorenz is general chairman, Neva Anderson is decorations chairman, and Elaine Tait is food committee chairman.

On Thursday, Feb. 6, at seven o'clock in the high school gym, Leaders' club held their informal initiation. Colleen Bothwell, Patricia Zink, Jane Pierce, Saxie Holstein, Pat Packard, Gerry Heckerling, Verna Rice, Wilma Latture, Carol Lidgard, Nancy Mastick, Nancy Morrow, Patricia Pine, Cynthia Baker, and Connie Pascoe were the girls qualified to become members of the club. On Feb. 12, the old members will serve a pot luck supper and hold a normal initiation for the incoming girls.

Betty Schumacher, president of Girl Reserves, and Alfreda Krause will attend an overnight Mid-Winter Conference at St. Mary's Lodge, Battle Creek, Michigan on Feb. 14 and 15. The girls are meeting to exchange ideas with girls of other clubs and for leadership training.

### Group Forming Old Style German Band

Have you heard the Little German Band? A group of enterprising local musicians have been practicing diligently for the past several months on perfecting the distinctive rhythm of the typical little German aggregations that enjoyed their hey-day several decades back. The Plymouth organization is composed of Carl Groschke on base, Doris Waldecker with her trombone, David Mathers playing first clarinet, Mike Kleinschmidt, second clarinet and the trumpet is played by Tom Houghton.

Orchestrations for this type of music have long since become extinct, but Tom Houghton is making the band's own arrangements. Mr. Groschke says that the actual technique is not hard to master, because it consists primarily of a heavy base and an accentuated up-beat. Never-the-less, it sounds quite complicated to those not initiated into things musical.

Plymouthites will have their first opportunity to hear this unnamed Little German band at the "Kiwanis Varieties" Feb. 26 and 27.

### Girl Scouts Visit Mettetal Airport

Plymouth's Senior Girl Scouts journeyed to Mettetal Airport last week Monday for a lesson in flying with Col. Cass Hough as the instructor.

Col. Hough explained how a plane is able to remain in the air, how to chart a course for flying and the use of various aeronautical instruments. The girls found it all very interesting.

Also last week, the girl scouts had an hour of swimming instruction at the Wayne County Training School pool. It was decided that all the girls needed to become able swimmers in practice. All girl scouts in the Plymouth area will join for a skating party at Newburg Lake Saturday, tomorrow, from 2 to 4 p.m.

### Plymouth Collegian Helps Stage Art Show

Albion College's February art exhibit which opened this week at the Stockwell Library Galleries at the college for the remainder of the month, was made possible by the Kappa Pi, national honorary art society at Albion, of which Doris Fishbeck, daughter of Mr. and Mrs. Howard Fishbeck, of Plymouth, is a member.

The exhibit includes the photography of three outstanding professional cameramen along with modern graphic art, student water colors and biological drawings by Albion students.

It is open daily from 8 a.m. to 4 p.m. and from 3 to 5 p.m. Sundays.

### Form New Group Here to Stimulate Voting

The city's newest civic-minded organization is the "Plymouth Progressive Association". The purpose of the group is to promote the civic, industrial and educational activities of the community, and to overcome inactivity and apathy in the voting public.

At this early date the embryonic civic body already embraces a membership of over fifty men, and is rapidly growing. Prerequisite for joining is citizenship and being a qualified voter of Plymouth or vicinity.

Officers elected to serve during this first year of activity are:

President, Maxwell Todd; vice-presidents, John Gilles, Jr., Donald Lightfoot, Louis Stremick and Stephen Schomberger. The secretary is John Gatfield and treasurer, John Gilles, Sr. Trustees for the association are Ralph J. Lorenz, Francis Walsh, Jack Park and Charles Wolfe.

## HE ADDED YEARS TO YOUR LIVING

This man who was born one hundred years ago this week spent most of those years working to make our lives easier. Today, we are apt to take his achievements for granted--to forget the wondrous changes he made in our daily lives. The stenographer little realizes the drudgery of office routine without typewriter or duplicating machine; the saleswoman can hardly imagine a busy day without gummed wrapping tape.

The list of his achievements is long and varied, but most of us have some special obligation to Thomas A. Edison. Every worker who finds his lunch-time sandwich fresh in its waxed-paper wrapping--every G.I. who crossed an ocean safely with the aid of radar and submarine detection devices--can thank Mr. Edison.

But these specific contributions of the man become small and insignificant alongside his other gifts to all mankind. For every one of us who sends a telegram or rides a street car--everyone who enjoys a radio, a phonograph or a movie--can thank Mr. Edison.

Some of these gifts have made our lives safer. Some have given us more pleasure. Most have made our tasks easier. But all are eclipsed by his gift of electric light. For with that one invention he, in a very real sense, added years to our living. Those years are made up of thousands of evenings . . . and since Mr. Edison's invention of electric light, evenings--with their hours of relaxation, of reading or games or good companionship--have become the best part of our lives.

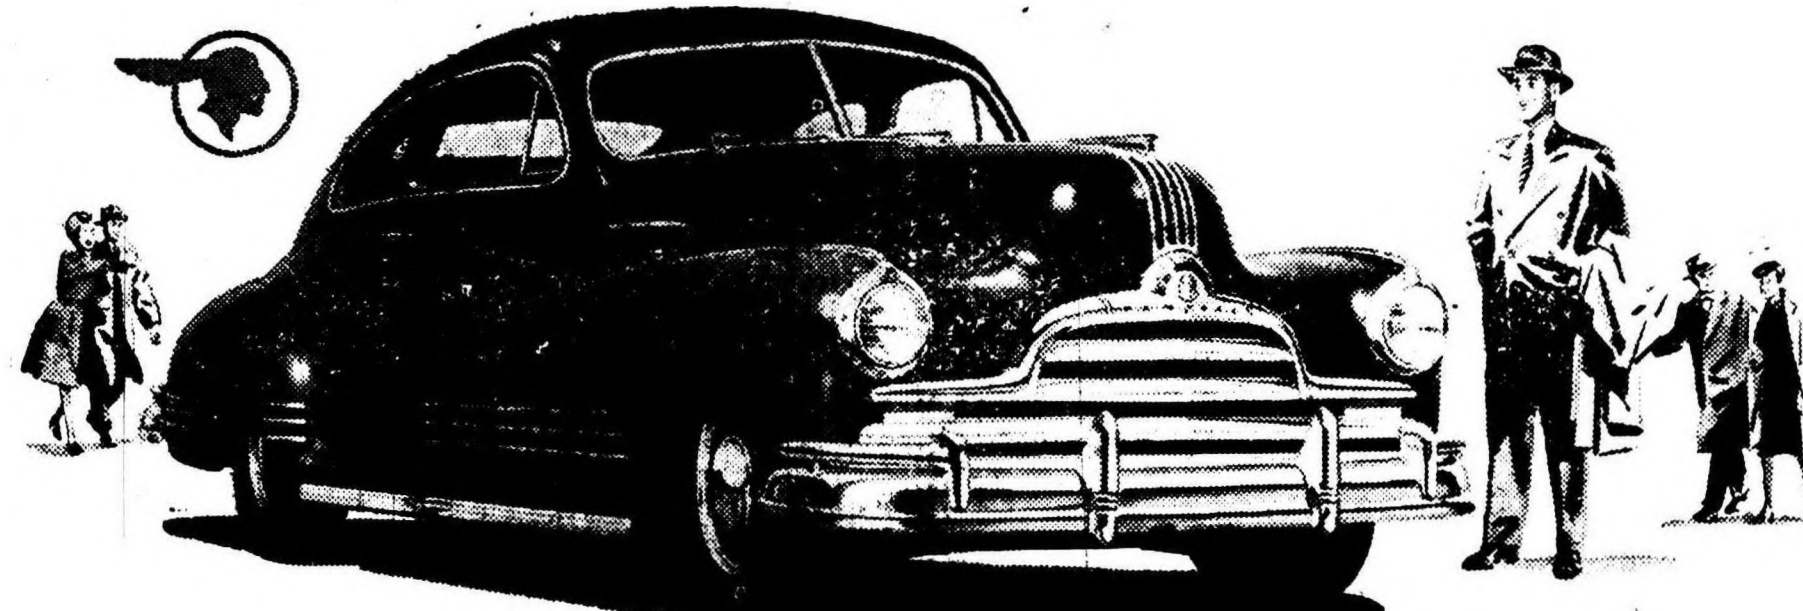

Evenings have also become a time for study. Men and women today, fired by the example of Thomas A. Edison, are using them to continue his research for even better ways of living.

### IN HONOR OF MR. EDISON . . .

The Detroit Symphony Orchestra this week inaugurates a new series of popular concerts each Tuesday night at 7:30 over WWJ.

And don't forget the Edison Institute Museum's special exhibit this week at Greenfield Village. 9 a.m.-4 p.m. daily. Admission 25c. All Edison power plants will also be open this week from 11 and 5-8 p.m. daily, 10 a.m.-4 p.m. Saturday. Call RAndolph 2100 for details.

Product of General Motors

## Here's our picture for '47!

We are proud to present for 1947, the finest car Pontiac has ever produced.

In the new 1947 Pontiac, now in production, all of Pontiac's traditional quality, dependability, stamina, trouble-free operation, ease of handling and downright goodness have been retained. These qualities have made more than a million friends of more than a million Pontiac owners.

Added for 1947 are appearance changes to enhance Pontiac's beauty; mechanical improvements to uphold Pontiac's known reputation for dependable and trouble-free performance.

Pontiac again offers two outstanding series in ten body types. The Streamliner is on the 122-inch wheelbase; the Torpedo on a 119-inch wheelbase. Each is available as a Six or an Eight. Millions of people have learned to expect an outstanding value from Pontiac . . . and the 1947 Pontiac fulfills their expectations in every way. The 1947 Pontiac is a fine car made finer.

THE SOONER YOU PLACE YOUR ORDER for a new Pontiac, the earlier you will get it. So place your order now for future delivery.

Tune in HENRY J. TAYLOR on the air twice weekly

## BABSON

### Babson Discusses Inventions

Babson Park, Fla., Feb. 14—The year 1946 was upset by labor troubles and the current year may see a continuation of labor unrest. This is a form of revolution which has been gathering strength for many years. It is not due to John L. Lewis any more than the rise of Fascism was due to Mussolini; or the rise of Nazism was due to Hitler, Mussolini and Hitler were only symbols, and Lewis is no thing more. When any powerful labor leader passes from the scene, someone else will rise to take his place.

### Importance of Inventions

Both labor and management have their good points. It would be best for all concerned if compromises could more easily be brought about. Remember that it is our great ability to PRODUCE all kinds of goods in large quantities which has made America. Production won World War I, and would have eventually won World War II. The atomic bomb only hastened the end. But this was only one of many very revolutionary developments coming from World War II.

The bomb was conceived, engineered and produced by scientists. This relatively small group of men may become more important industrially in the next decade than labor and management together. You ask, "How?" Let us consider the Auto Industry—our greatest industry and the largest employer of labor—as merely one illustration. Actually, the modern automobile is one of the most efficient modes of transportation, considering the horse power it consumes.

### Revolution in Autos Possible

The earliest electrically-driven automobile was fairly efficient. It was not long successful because, on a given battery charge which was soon exhausted, it could go neither far nor fast. Only one thing held back its continued development and use. That was weight. A storage battery is made of lead, which has an atomic weight of 82. Lithium is the lightest metal known; Beryllium is the second lightest metal known; both are much lighter than aluminum or magnesium.

ask in all seriousness if someday it may be possible for our scientists to construct efficient electric storage batteries out of a very light metal. If so, or if anything else is developed to take the place of lead, we may say good-bye to the automobile as we know it today. Gone will be engine, transmission, hydromatic shifts, radiators and many other "gadgets" with which the present-day automobile is encumbered. Manufacturing and assembling processes would be greatly simplified and reduced. Gasoline as a mode of power might then be ended.

### WHY WORRY?

Other plans and inventions, which may be even more revolutionary, are in drawing boards. Some scientists have great hopes of using atomic energy industrially and displacing boilers and

perhaps engines and or dynamos. I am not suggesting any atomic miracles—even its use to change the brains, shape or strength of our descendants through pre-birth treatments. My object is to urge readers not to worry about Labor or Capital—Communists or Fascists. Rather, pin your faith to the preachers and scientists. The world's living standards will not be raised by politicians in legislative halls, nor by laborites in organized strikes; but by preachers in pulpits and inventors in laboratories.

Both labor and management are needlessly concerned over their troubles today. As I have often said,—strikes will be found futile, but necessary. Labor troubles will always be with us; but they will become less important as religion and science develop hand-in-hand during the years ahead. Therefore, let us not now be too greatly concerned over the industrial and economic conditions which will prevail when our grandchildren grow up!

### Remember Diversification

From an investment standpoint, all the above emphasizes the great importance of diversification. Avoid investing too much in any one industry or any one company. Far greater inventions lie ahead of us than we have yet seen or dreamed of. What companies will first get them cannot now be foretold.

## 25 YEARS AGO

H. W. Hovey has opened his new confectionery store in the Tighe building on Penniman avenue, formerly occupied by Woodworth Bros.

A goodly number attended the regular meeting of the Order of the Eastern Star held in Masonic Hall last Tuesday evening. A short program has been one of the features of the business meetings for the past few months, and has caused considerable interest. At the conclusion of the business session, the members were invited to join in singing old favorite songs, C. H. Rauch leading, and Miss Hall at the piano. A recitation, "Memory," by Elizabeth Murray was enjoyed; also two

piano selections by Corrinne Howell. A pantomime play, "The Old Man's Tea Party," created particular interest. The following ladies participated: Mrs. Clyde Alexander, Mrs. C. G. Draper, Mrs. B. E. Giles, Mrs. Karl Hillmer, Mrs. William Freyman and Miss Anna Baker. Mrs. L. B. Samsen accompanying on the piano. Home made candies and popcorn were served.

Born to Mr. and Mrs. Clarence Eberole of Detroit, Wednesday, Feb. 8, a son, Mrs. Eberole was born to Miss Gladys Herrick. Woodworth Bros. Bazaar is now nicely located in the building, which they recently purchased, and formerly occupied by Pettigill & Campbell on Main street. The store has been nicely redecorated, and presents a fine appearance. The opening day was largely attended.

Mrs. Iva Bentley, sister, Mrs. Harry Lable and her son Milton, who left Wednesday morning for the "Sunny Southland," were given a farewell party at the home of Mrs. Dan Smith on Mill street, last Tuesday evening.

The following pupils in Miss McClanahan's room were neither absent nor tardy during the first semester: Edward Henry, Carrie Gorton, Hazel Rathburn, Ralph Larson, and Vaughn Campbell. H. S. Lee has purchased a lot in Elm Heights and expects to build there this summer.

Sturges Restaurant, which opened February under management of J. A. Strong and Son, is undergoing extensive repairs. A new up-to-date wireless receiving set is being installed for the entertainment of their customers. The News radio concerts will be received each evening, together with market reports and the most important news events of different cities. The music received from Detroit is loud enough to be heard any place in the building. Mrs. Baker, daughter of Mr. and Mrs. Bickly on Plymouth road, was given a complete surprise evening, by about thirty relatives and friends in honor of her birthday. A beautiful dinner was served and games enjoyed. Besides the immediate family, the following from Plymouth attended: Mrs. C. Strasen and daughter,

Cordula, Mr. and William Petz, Mr. and Mrs. Oliver Goldsmith, Mr. and Mrs. William Gayde, Mr. and Mrs. Henry Fisher, Mr. and Mrs. Otto Beyer and daughter, Elizabeth and Marion, and Mr. and Mrs. Edward Drews.

At a special meeting of the village commission, held last week Thursday evening, petitions containing about 400 names were received by the commission, protesting against the showing of motion pictures in Plymouth on Sunday, at the local theatre. The commission instructed the village manager to place the matter before the prosecuting attorney of Wayne county, expressing their desire that the prosecutor take the necessary legal steps to enforce the state law governing the same.

Excellent advice is given on how to cure a cold. Canvassees for good causes have been heard to say that some people needed to be cured of cold feet.

Orrie Bowring of East Jordan spent a few days with his brother, Howard Bowring and family of Bradner road, during the past week.

You can always find time at home — if you have something worth delivering.
