Of Plymouth and For Plymouth

This reckless driver and his companion were speeding crazily through a thickly populated residential area, endangering the lives of dozens of people. Fortunately their wild ride ended before they had involved anyone else. The car went out of control on a medium curve and slammed into a gasoline pump, hurling its occupants onto the pavement. The driver was killed; his passenger floored—after many months in the hospital. Speeding was a reported violation in one out of every four motor vehicle fatalities last year. Strict enforcement of speed laws, and aroused public opinion are needed to prevent accidents of this type.

FAIR IN THE LIGHT OF MEMORY SHINES
MICHIGAN
My **MICHIGAN**
ELTON R. EATON

Kendrick Kimball of The Detroit News is one of the most enthusiastic conservationists in Michigan—as well as one of Michigan's best writers. He was the first president of the Michigan Outdoor Writers Association and over a long period of years he has had been most influential in creating a more general statewide interest in the preservation of Michigan's natural resources. During recent weeks there has appeared in numerous conservation publications about the state an article written by Mr. Kimball that should be of interest to every automobile driver in Michigan. Doubtless many of the readers of this column have time and again when making a trip about the state started to count the number of rabbits, pheasants, and other wild animals and birds that were lying dead on the paving, have been killed by speeding motorists.

Few realize the tremendous "kill" of Michigan's wild life—in this way.

In his recent and most timely article Mr. Kimball says:

If conservation is to expend into every phase of our existence—as it should—we must somehow plug a leak that enables a large portion of our wildlife to dribble away at a senseless and wicked loss.

It is the toll taken by the motorist, the irresponsible gasoline assassin, who strews our highways with mangled bits of fur and feathers as symbols of man's frightfulness to the little creature of field and forest, whose lives he should spare in behalf of human decency, if nothing more.

The toll is proportionately greatest in the thickly settled areas where wildlife is the most valuable. We believe sincerely that more rabbits, squirrels and pheasants than are harvested by gunners particularly when we consider that every loss during the breeding or nesting season is a multiple loss.

Indeed our highways are becoming gloomy corridors of death rather than pathways to adventure. Such scenic elements as sunsets, stretches of rank forest, rivers and meadows spangled with flowers are obscured by the tragedies of the road, whose evidence lies grimly and accusingly

along almost every mile.

Here is a squirrel that frisked adventurously upon the right-of-way of a few moments ago. Here a crow plucks at the remains of a cottontail. Here someone plowed into a brood of pheasant chicks. And here rests a hound in his last sleep which came to him amid a clashing of brakes as, stirred by dreams of old conquests and old trails he wandered blinking into the sunlight on eager but stiffened legs.

Highways, yes. Arteries of communications, monuments to progress, yes. But cemeteries also. Cemeteries with stains on the pavement, shreds of fur and tufts of plumage that convey the same dread sense of oblivion as headstones.

How can we curb the toll? The answer is not readily forthcoming.

Perhaps a broad educational program will contribute to a solution—undo some of the damage caused by decades of advertising which stresses the power, speed and mechanical perfection of the automobile, and neglects altogether its capacities for destruction.

Speed, acceleration, performance, miles that whisk into nothingness—such attributes and catch-phrases are merely insidious invitations to disaster, for nowhere do we hear of the driver's responsibility to society.

True, the courts and his instinct of self preservation have made him reasonably aware of traffic hazards, particularly in connection with pedestrians and children along the road. But with a clear pavement ahead he roars on to his destination with a serene disregard of his peril to other perhaps invisible life.

And if in his haste he kills some bird or animal he shrugs off the incident with a "Well, it shouldn't have gotten in the way."

We wish the motorist could see the result of his transgressions and grasp their implications. We can never forget the fawn we found upon a sand trail leading to the Manistee River. Its spine had been broken by a hi-and-run fisherman, who apparently fled the scene of his guilt as rapidly as possible. Resplendent in its spotted coat the little fellow dragged itself across the sand, blotting piteously through a month flecked with foam.

We had a job to do, and it was our toughest and most heart-rending assignment that of dispatching the little fellow with a club, the only available instrument, while hoping it would not turn its frightened and perhaps pleading eyes upon us as we performed a humane act.

And as the blow struck home how we wished the responsible motorist could have heard that last despairing bleat, for in it was contained the cumulative protest down the ages of all the dumb or wild creatures that have been sacrificed senselessly and uselessly by the inhumanity of man.

So it follows that our objective is the awakening of the motorist while driving through the countryside to the same alertness and awareness he employs in heavy traffic. He must be made game conscious. His evaluation of life must be broadened to include all of it.

He must be cognizant of the lesser hazards along the way, slacken when he encounters them, anticipate their confusion and do his utmost to spare them.

He must realize and accept his obligation to the outdoors, and his duty in its perpetuation. And when he extends ordinary driver caution to its little creatures our highways toll will have decreased 90 per cent, and one of conservation's greatest leaks will have been plugged.

Fortunately nearly every hamlet has its sign at the outskirts—"Drive slowly—spare our children."

But that is not enough!

A postscript should be added in bold and enduring letters in behalf of the wandering fawn, the cottontail zigzagging before headlights and the pheasant with her brood of chicks.

"How about us?"

OBITUARIES

Artie Ernest Johnson

Funeral services were held Wednesday, June 25th from the Schrader Funeral Home at 2 p. m. for Artie Ernest Johnson who passed away Monday, June 23 at the age of 77 years. Mr. Johnson was a former employee for the Wayne County parks, was a former resident of Romulus, for the past three months has resided at the home of his sister, Mrs. George W. Richwine at 47660 West Ann Arbor road, Plymouth township. Mr. Johnson was the husband of the late Almira Johnson who preceded him in death five years ago. Surviving is his sister, Mrs. George W. Richwine, a host of relatives and friends. Rev. Clifford E. Doty officiated. Two beautiful hymns were rendered on the organ by Mrs. M. J. O'Connor. The active pallbearers were Messrs. Perry W. Alton J.; Walton and Perry J. Richwine, Wilfred Wilson and Bruce Pullen. Interment was in Romulus cemetery.

Mrs. Greta E. Williams

Mrs. Greta E. Williams, wife of Homer N. Williams who resides at 9409 Oakview, passed away Wednesday, June 25th at the age of 58 years. Besides her husband she is survived by six daughters and five sons, Mrs. Marion Finnegan of Plymouth, Mrs. Hazel Trumbull of Attle Creek, James, Roy, Harold, Elton, Dorothy, Shirley, Donna and Sally Williams, all of Plymouth and Robert Williams of Detroit also surviving are 16 grand-children and one brother, Leon Willett of Detroit; a host of other relatives and friends. Rev. Benjamin L. Eicher will officiate. Interment will be in Riverside Cemetery. Mrs. Williams was brought to the Schrader Funeral Home. At this time funeral arrangements are not completed. For further information call 781-W.

Mrs. Christeen Elizabeth Housman

Christeen E. Herzog Housman who died Tuesday was born in Monroe, Michigan on March 31, 1875 to John and Sophie Herzog. She spent her childhood days in Maybee. On November 4th, 1897 she was united in marriage to Ernest A. Housman at Maybee, Michigan. To this union two sons and one daughter were born. Mr. and Mrs. Housman has resided in Plymouth for the past 22 years. Mrs. Housman passed away Tuesday evening, June 24th at

the age of 72 years, at her home 431 Ann street.

Surviving are her husband, Ernest, two sons and one daughter, Myanard Housman of Ypsilanti, Dallas Housman and Mrs. Margaret Rimer both of Plymouth, four grand-children, Jane Housman of Ypsilanti, Paul Housman, Nancy Lee and Gray Housman, all of Plymouth, two sisters, Mrs. Marie Shasberger of Toledo, Ohio and Mrs. Minnie Huebner of Detroit, a host of other relatives and friends. Her parents, a brother and a sister have preceded her in death. Mrs. Housman was a member of the Plymouth Rebekah Lodge No. 182, of which she was Past Noble Grand.

Funeral services will be held this Friday, June 27th from the Schrader Funeral Home at 2 p. m. under the auspices of the Plymouth Rebekah Lodge No. 182 with Rev. Lucia M. Stroh of Salem officiating. Two beautiful hymns will be rendered by Mrs. J. T. Chapman, accompanied by Mrs. M. J. O'Connor at the organ. The active pallbearers will be Messrs. William Roach, Lloyd Kennedy, Earl Gray, George Mott, Fred Wagenschutz and Harry Hunter. Interment will be in Grand Lawn Cemetery.

In Brooklyn, three police cars rushed through the streets on a tip that a woman was "yelling for help," found a perspiring man changing an auto tire—with his voluble wife trumpeting advice.

LOCAL News

The engagement of Lillian Dorothy Ballentine to Orlyn C. Lewis, son of Mr. and Mrs. Carlton R. Lewis, of Plymouth, is announced by the bride-elect's parents, Mr. and Mrs. John S. Ballentine, of Baylis avenue, Detroit. The bride-elect was graduated from the University of Michigan where she was a member of Zeta Tau Alpha. Her fiance attended General Motors Institute and the University of Oregon. At present he is a Senior in the Engineering College at the University of Michigan and a member of Phi Sigma Kappa.

Carolyn Kirk and Rosemary Ray have returned from a week's vacation in New York city, after their graduation from Michigan State College.
In Auburn, Mo., three hook-playing schoolboys headed for a good fishing stream thought they had a chance to catch a large one, but got a fish—only a small one—superintendent of schools.

One in a Million!

In Cincinnati, Ohio, the 1946 Safety Award for grocery truck fleets was won by Kroger drivers with a record of only two minor accidents in two million driving miles.
All Kroger drivers appreciate the importance of safety and courtesy, as well. We believe there are no better drivers on the road today.

FIRST CHURCH OF CHRIST SCIENTIST, Sunday morning services, 10:30 a. m. Sunday school, 10:30 a. m. for pupils up to 20 direct orders now, as they were

years of age. Wednesday evening, testimony service at 8:00 p. m. "Christian Science" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, June 29. The Golden Text (Matt. 10:8) is: "Heal the sick, cleanse the lepers, raise the dead, cast out devils; freely ye have received, freely give." Among the Bible citations is this passage. (Matt. 23:5) "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (P. 138): "Jesus established in the Christian era the precedent for all Christianity, theology, and healing. Christians are under a 10:30 a. m. for pupils up to 20 direct orders now, as they were

75 Girls Attend Scout Day Camp

About 75 girls have registered to attend the Girl Scout day camp this year from June 25 to July 1, inclusive. Because of the persistent wet weather the site of the camp has had to be changed from the Wildlife Conservation area to a spot out on Haggerty Highway and Parkway Drive, some 29 acres, the use of which was donated to the girl scouts by Ernie Henry.

School buses leaving the Central School at 10 o'clock in the morning and returning at 4 o'clock in the afternoon provide free transportation for the youngsters. Activities will include weaving with grass, whittling, singing, folk dancing, lashing, dramatics,

and the 'making and flying of kites. Friday, Mrs. Jack Smith will teach sketching to the different groups at the camp.

It is the aim of the camp director, Mrs. Arthur Donnelly, that the girls have a good time but experience real camping, so there will be a lot of outdoor cooking. All crafts will be done with the natural materials at hand. There will be at least one adult to every eight girls so there will be plenty of adult supervision. A nurse will be present at all times.

Working with Mrs. Donnelly on the camp are her committee, composed of Mrs. Ed. Dobbs, Mrs. Alex Lloyd, Mrs. Neil Bowen, and Mrs. Carl Finney.

In White Plains N. Y., Furman F. Fordham led a choral group through *Nobody Knows de Trouble I've Seen*, was presently arrested backstage on a paternity charge

In Berwick Pa., Mrs. Hensyl Garrison absently dropped her diamond ring into one of the 300 bags of potato chips she was filling, shipped it off to an unknown nibbler. In Weatherly, Pa., Mrs. Emory J. Miller irritably attacked a clogged drain with a suction plunger, brought up the \$175 ring that she misplaced 20 years ago.

The chemical composition of a food does not always indicate its maximum nutritive value, because this value may be increased by other foods eaten with it. For example, when consumed with milk, the nutritive value of the proteins in potatoes is raised 23 per cent, in white flour 50 per cent and in corn about 95 per cent.

BABSON SAYS

Babson Discusses Air Transportation

BABSON PARK, Mass., June 27.—In these days of helicopter taxicabs it is hard to believe that seventy-five years ago we could count on taking twelve to fifteen minutes for going a mile by horse and buggy. Unless we could afford to spend four hours "commuting" each day, we did not live even ten miles away from our work; twenty miles was out of the question. Today, with modern transportation, it is not uncommon to live in one state and work each day in another.

Old and the New

The automobile now with us over half a century and still furnishing speedy transportation on the country highways, has already become slow and ineffective in many ways. For example, to get from the heart of Boston to its Logan Airport is now such an uncertain process by automobile that a helicopter has been making flights direct to the airport from a roof at the Boston Bus Center. The time involved has been between one and two minutes. A suburban delivery service by helicopter was started by one of Boston's department stores some months ago. Now, a fleet of air-taxicabs is being predicted.

We are appearing to develop air transportation, useful in peace or war, on an immense scale. A new troop transport plane is planned to carry fifty tons of cargo or four hundred troops. Without refueling, it will fly more than eight thousand miles. The future promises enormous planes which will "go through" in any weather, flying high above the storms because of their pressurized cabins.

Safety Increasing

The four recent severe plane crashes have dimmed the safety record of the airlines but remember that as of December 1946, seven airlines in this country had a record of no deaths from accidents in the past decade. Our airlines know that their very existence depends on constantly reducing risk of accidents. The National Safety Council announced in May of this year that not a single death occurred in 1946 during the scheduled passenger flights of sixteen U.S. airlines.

They are on the way to better safety records with radar devices as an aid to landing and in preventing collisions. Recently, Howard Hughes of Trans World Airlines, offered to put his new anti-collision safety device at the disposal of other companies as well as his own. A new type propeller

will permit fast emergency stops. General Electric puts out a recorder which automatically records a flight. This will help to find out the cause of accident. It will reveal actions of the pilot and the plane. It is said that most recent plane crashes have stemmed from errors in human judgment. This means even greater care is needed in selection of pilots. For they must combine qualities of character, high skill and responsibility.

Health Regulations

Air transportation develops new health problems. Our health regulations can not be too strict. Just one flea, louse, or mosquito can carry such diseases as yellow fever, or typhus. We have heard in the past of the traveler to China returning with a rare Oriental disease. Today we are all open to foreign plagues. The Mexican importer who this Spring brought smallpox into N. Y. traveled by bus. Supposedly, he was examined by U.S. health authorities as he came into the country.

Infections in the very early stages are not easily recognized. Our health regulations and inspections must be especially strict in the future. For men and women on business or pleasure going from one country to another by rapid air travel can well be the carriers of infection.

Conclusions

So each development in transportation brings with it not only its technical problems of operation, but problems of human safety and health. In the small developments and in the million responsibility to see that scientific and commercial progress be directed more and more to the end of truly serving human health and happiness. The time is approaching when certain airplane "securities" should be an attractive purchase.

WAR NURSE

—NICK KENNY
Copyright, 1947 by Nick Kenny

She was born in War's grim garden,
A rose of the battlefield,
Baptized under hell and fire
While the world around her reeled.

She stayed at the front against orders
And when GI gripes began
One Joe cried "If she can take it,
I am sure we soldiers can!"

Mercy's angel in a helmet,
She knew many a prison hell;
She lived and died like a soldier.
To the wounded she was "Swell!"

With the war she's been forgotten
Like the strains of "Over There,"
But each soldier boy remembers
Some brave War Nurse in his prayer.

The poem WAR NURSE was written especially by Nick Kenny of the New York Daily Mirror as a contribution to the \$2,000,000 fund raising drive for the construction and endowment of the Nurses National Memorial Home in Washington, D. C.

News of Interest

Hold Final Elm P.T.A. Meeting for Year

The final meeting of the current term of Elm P.T.A. was held at the Elm School June 6 at 7:30 p. m., with the meeting opened with the flag salute led by Harry O. Johnson, School superintendent. Following a very active business meeting, at grand talk was given by Mrs. Emma Dubois on Extension classes.

Gardenias were presented to each teacher, as the room count was taken, for their cooperation and fine programs in the past two years.

A very lovely installation ceremony was conducted by the installing officer Mrs. Bock. Refreshments were served at the close of the meeting and the best of luck was offered to the new officers.

Near Binghamton, N. Y., on the 100th anniversary of Alexander Graham Bell's birth, snowbound Francis Slater listened carefully to the doctor's telephoned instructions, efficiently delivered his wife of a healthy, 8 lb. 3 oz. boy.

In Brooklyn, a seeress accepted a \$1 fee, cheerfully assured her customer that his troubles were over, realized too late her own were; just beginning when the customer showed his badge, hauled her in to pay a \$100 fine for fortune telling.

A five-plaster postage stamp that has been issued by the Anglo-Egyptian Sudan for 48 years was found recently to contain a misspelled word. In its Arabic inscription, the singular instead of the plural form of the word "piasters" was used, an error that was finally noticed by an American.

LOCALS

Conrad Hector of 3173 West Chicago boulevard, Rosedale Garden, has just returned to work after an illness of two months, an illness he contracted while in the armed forces serving in New Guinea and the Philippines. He was on the Veteran's hospital in Dearborn for a month.

The annual Masonic-O. E. S. picnic is to be held Sunday, June 29 at 1:00 p. m. at Riverside Park. The meeting place is at the willows near the tennis courts. Each family is to bring their own sandwiches and drink and a dish to pass. Rainbow girls and their families are cordially invited to attend. In the event the weathermen seem to provide a sunny day the group will meet at the park but if it rains members are asked to meet at the Masonic Temple. The committee promises ice cream and has planned games with prizes for the winners.

Driver of the car in the ditch failed to yield the right-of-way, even to an ambulance. He ran through a plainly visible stop sign, directly into the path of the ambulance, and was knocked across the road. Driver was killed, and a passenger was injured. Emergency vehicles always have the right-of-way—but at other times, too, it pays to be courteous at intersections. Failure to grant right-of-way ranked second as a cause of motor vehicle deaths in 1946. National Conservation Bureau advises: when in doubt, always yield the right-of-way.

Although nine months have passed since the second atomic bomb was exploded at Bikini, the ships are still so radioactive that the men now conducting new experiments on them cannot safely remain aboard longer than an hour or two a day.

In Spokane, Frank Bunker received from WAA 60,000 yards of thread, 50,000 shirt buttons, a barrel of laundry ink thinner, wondered what puzzled laundry was opening up the pipe, rivets and steel he thought he had ordered.

In St. Louis, Policemen John E. Rooney and John V. Cunniff fumed at their radio as it blared out orders to investigate an open manhole—at the moment their squad car was stuck in it.

In Long Branch, N. J., Maurice Podell, who as a little boy used to fiddle with his food instead of eating it as he should attained fame of a sort as a sculptor in yve bread.

In Scranton, Pa. Florence E. Dolph, 100, celebrated her birthday, as she has been doing for the past 79 years, by taking a slide down the banister.

The influence of music in the prevention of juvenile delinquency is suggested by the records of The Music School Settlement in New York, which provides musical instruction at low cost for the less-privileged children of the city. During its 43-year existence, this school has enrolled 45,000 students, not one of whom has ever been charged with delinquency in a juvenile court.

IN MEMORIAM

In loving memory of our dear beloved mother, Martha E. Wheeler, who passed away 7 long years ago this June 1, 1947.

Church Village

In the little town of Cholula, Mexico, populated by no more than 3,000 persons, there are at least 300 churches—of all sizes and styles.

Used For French Mouth

Sulfathiazole has been found to be very effective in the treatment of gingivitis, or trench mouth. The drug is held in contact with the tissues for as long a time as possible.

Historic Rock

More than 5,000 names of explorers, trappers, emigrants and others are carved on Independence Rock, the "Great Record of the Desert," raising out of historic Sweetwater valley in Wyoming.

Sugar Lace

If you prefer a sugar lace topping on your cake put a paper doily over the top layer, sift powdered sugar over the cake, then lift off the doily. Result: A lace patterned frosting fit for any party.

Orange Wine

Orange juice can be converted into an alcoholic wine. Two wineries in Louisiana are turning out 20,000 gallons a year of this citrus vintage. It runs from 18 to 20 per cent alcohol by volume.

Tenderizing Meat

Methods of tenderizing the tougher meats include grinding or cooking with vinegar or tomatoes. If cooled in the broth for an hour or so, it will be much juicier.

Patch Hole

A hole in a pot or pan can be patched temporarily with a dress snap fastener. After inserting fastener, flatten stud to make container watertight.

Ironing Clothing

Cardinal rule in ironing clothing, especially shirts, is: first iron those parts of the garment which will be least matted by handling.

Clears Wall

A tiny cork tacked on the back of the lower part of the picture frame will prevent a dark line forming on wallpaper.

Removes Bulk

Eight pounds of dehydrated Irish potatoes are equivalent to a bushel of raw potatoes weighing 60 pounds.

Clays Papers Merging C&O-Perc Marquette Railways

Robert J. Bowman, President of the Chesapeake and Ohio and Pere Marquette Railways, is shown above as he signed the papers for merging the two lines into one system. Unification will link the eastern seaboard with the lower Michigan peninsula.

The driver of this car was killed because he was driving "too fast for conditions." Rounding a curve on damp, slippery pavement, his machine skidded off the road and rolled over and over down the side of a steep embankment.

Grape Soil: Grapes prefer sandy to sandy loam soils, and some varieties require a rather long growing season to mature a crop. This must be borne in mind in making variety selections for planting in areas which have short growing seasons.

Scratched Furniture: Small scratches can be obscured by rubbing them with the meat of a pecan nut. With deep scratches, touch very lightly with quick-drying varnish stain, or white shellac put on with a finely pointed camel-hair brush.

Mexican Cattle: Mexico was one of the first American countries into which cattle were introduced after discovery of the new world. Today Mexico is one of the chief exporters of cattle to the U. S. A.—an average of about 500,000 head a year.

Rural Electrification: There are still six million farm and rural homes without electricity. The Rural Electrification Administration has a three-year postwar plan which calls for an expenditure of about \$85 million dollars over a three-year period.

Pork Sausage: Good sausage contains no meat other than pork and should consist of three parts lean meat to one part fat. For 25 pounds of meat use one cup salt, three tablespoons pepper, three tablespoons sage, one-half tablespoon red pepper.

Tight Plugs: It's a simple matter to make electric plugs fit tighter if need be. Just spread the prongs apart a little with your fingers. Be careful not to use too much pressure, of course—"gently" does it.

Mother's Milk: Mother's milk is the food best adapted to the new-born baby. Statistics show that breast-fed babies have a better chance of surviving than do babies fed on other foods.

Potato Cakes: If there are mashed potatoes left over, make neat little potato cakes of them the next day and fry. Chopped parsley or grated onion gives a most enjoyable flavor.

Primitive Butter: Butter was made by some tribes in Tartary by filling a skin bag with milk, tying it to a saddle and dragging it over rough ground by way of churning.

Philippine Exports: The principal exports of the Philippines are sugar, coconut products, abaca or manila hemp, tobacco products and lumber.

Cover Crops: Small grain-winter legume mixtures are good winter cover crops, preventing soil losses from leaching and erosion.

U. S. Resources: The United States possesses about 413 million acres of crop land and about 379 million acres of pasture and range land.

Dangerous Snakes: Of about 205 species and varieties of snakes in the United States less than 15 per cent can be considered dangerous to man.

Big Freight Haul: To have handled in a single shipment all army and lend-lease freight converging monthly on east coast ports prior to V-E Day would have required a train extending from New York to Muncie, Ind., or a distance of 760 miles.

Divorce Grounds: Using cosmetics before marriage was grounds for divorce in colonial Pennsylvania. A statute in 1770 stated that a marriage could be annulled if it could be proved that the lady had used cosmetics during courtship.

Washing Afghan: Wash an afghan in cool suds, working between fingers until afghan is clean. Do not rub, since this stretches and breaks the yarn. Rinse two or three times in cool water. Dry on a curtain stretcher in a cool place.

Onion Flavor: You can impart onion flavor to potato salad by dropping an onion into the pot when boiling the potatoes. Some onion fanciers put an onion in the pot no matter what vegetable they are cooking.

Kills Chigger: When you go berrying put nail polish on chigger bites. United States troops in the South Pacific have discovered that the nail polish makes an airtight seal over the swelling and kills the chigger inside.

Close Fastener: When washing a garment that has a side fastener, close fastener to keep it from cutting into the cloth and to prevent fastener from becoming clogged.

Pump Shelter: For a cheap, waterproof housing for a pump motor, cut one end out of a 50-gallon gas barrel and cut a slot in the side for working parts of the jack.

Old Lace: To renew old lace, squeeze in hot soapy water, then in cold clear water, and finally in milk to stiffen it. Press on the wrong side.

Potato Seed: In cutting potato seed for planting, the most important requirement is to have one good eye on each seed piece.

Lay More Eggs: The average pullet lays from 20 to 25 more eggs in a year than a yearling or older hen of the same breeding.

Cover Bedsprings: A cover for the bedsprings will prevent sheets from being torn, and will keep dust away from the springs.

Wrapper Leaves: Outside (wrapper) leaves of cabbage and lettuce contain more vitamins than the head.

Preserved Eggs: Preserved eggs are suitable not only for cooking and baking but also for table use.

Holds Fench Mat: A piece of wire screen tacked under a porch mat helps to hold it in place.

Developed Perfume Art: In France, the modern art of the perfume was developed.

AUCTION: 20 head of 500-600 lb. Purebred Hereford Heifers. Calftlood vaccinated. A few whiteface steers. Large quantity of Calves, Hogs, Cows, Fat Cattie, Horses and Feeder Pigs. Area Boys May Be Ball Stars

Plymouth boys 18 or younger who are interested in baseball will have the opportunity of a lifetime next week, according to an announcement made yesterday by Ralph Johnson, city recreation director. Their big chance will be a bid to play on an all-star team game in Briggs Stadium, Detroit, late in July. From that game two players will be designated to travel to New York for the National "Esquire" all-star game in Yankee Stadium.

none will be eliminated until it has been determined that there are more proficient players for the same position on the field.

Elimination contests for the Detroit event will be played in Plymouth with the first slated for Wednesday evening, July 2, at 5:30 o'clock. At that time boys from Plymouth, Wayne, and Farmington will play on the Daisy diamond; and at Central high school, entrants from the Livonia, Northville and Redford, localities will take place at 1:00 o'clock, Saturday afternoon, July 5 with players from Wayne, Plymouth and Farmington competing at Central high school diamond; and from Livonia, Northville and Redford, play will be at the House of Correction.

The final contests, locally, will be on Wednesday evening, July 9, at 5:30 o'clock with Wayne, Plymouth and the Farmington boys playing at the Daisy field, and the Livonia, Northville and Redford boys meeting at Central high school.

One team will be chosen from each group and a game will be played on Monday, July 14, 6:00 p. m. at the House of Correction. Baseball scouts from Detroit will be present and will select three boys to play in the Briggs Stadium game. They will be on a team composed of players from Dearborn and Royal Oak areas and will meet a "nine" from the Metropolitan Detroit area. The game is scheduled for Saturday, July 26. From this game, two boys will be selected to represent Michigan in the Yankee Stadium game.

City Recreation Chief Johnson feels that it is a distinct laurel that Plymouth has been chosen as the scene of tryouts for this area. He says that 18 years is the age limit and any boy reaching his nineteenth birthday before January 1, 1948 will not be eligible.

Boys interested in trying out for the teams will report to their respective fields on July 2, at 5:30 p. m. and register with the clerk, giving name, birth date and position played.

The event is sponsored annually by a Detroit daily newspaper.

Plymouth Has Dealer For New Stoker Line
To better serve their coal customers Eckles Coal and Supply company announces this week that it has been appointed authorized representatives in this district for the "Link-Belt" line of automatic coal stokers. This includes the company's domestic, commercial and industrial sizes of stokers. It is one of the world's largest builders of coal preparation equipment with headquarters in Chicago, Illinois.

The Eckles company anticipates another unsettled winter as far as home heating is concerned, and for that reason have taken on the particular stoker line which is known to burn efficiently any kind of low-cost stoker coal. By this method they feel that any family can enjoy the comforts of automatic heat at the lowest possible cost.

Eckles is equipped to make the stoker installation, and as a further service to Plymouth vicinity home owners, will maintain a 24-hour service during the heating season.

WEDDINGS

(Continued on Page 7)

Geraldine Gienap and Richard Behler Wed Wednesday, June 18

The lovely garden of Mr. and Mrs. Ray Pfeiffer's country home provided the setting for the marriage of their niece, Geraldine, daughter of Mr. and Mrs. Carl Gienap of Plymouth and Richard Behler, son of Mr. and Mrs. Harold Behler, also of Plymouth. The ceremony took place on Wednesday, June 18th.

The bride chose for her wedding, a gown of chantilly lace and imported tulle. The fitted bodice of the gown extended to the hip line joining a circular skirt measuring almost thirty yards around the hemline. The skirt ended in a short sweep. The bride wore a mantilla of chantilly lace scalloped around edge and her long gloves matched the lace of her gown and mantilla. Her bouquet was a large lace fan with three gardenias at the base, ending in satin streamers tied with baby mums.

For her attendants, Geraldine chose Mazie Sheahan of Adrian, as her maid of honor, and the bridesmaids were Mrs. Robert Hitt, sister of the bridegroom, Mrs. Thomas P. Lacy and Miss Marion Bakewell. The girls were gowned alike in white silk jersey. Their high neckline cap sleeves gowns were fitted and pencil slim, with a hip drape ending in a perky taffeta lined bustle. On their heads, they wore white jersey hats with pom-poms of flowers on either side. They carried bouquets of American beauty roses, daisies, and blue delphinium, tied with American beauty ribbon.

Victor L. Stater, Jr. of North-

ville served as best man. Ushers included Richard Virgo and William Keefer of Plymouth and Richard Pierce of Dearborn.

Bouquets of iris decorated the aisle extending from the back terrace to a flower banked arbor overlooking an artificial lake just beyond. Rev. Walsh of Plymouth officiated at the ceremony. Immediately after the ceremony a receiving line formed in front of the beautifully decorated fireplace of the Pfeiffer living room.

Mrs. Gienap chose a pink and black silk print and large black lace hat, for her daughter's wedding. Her corsage was of pink carnations and blue delphinium. Mrs. Behler was dressed in a black and white print. Her corsage was a large gardenia set in a spray of bachelor buttons. Mrs. Pfeiffer wore a rose and black dotted gown.

The bride's table was laid with a white linen cloth, around which a double ruffle of pale pink tulle extended to the floor. The centerpiece was of pink and white carnations, with white tapers in crystal candelabra were placed on either side.

For traveling, the bride wore a pink gabardine suit with a pencil slim skirt and peplum back. The gardenias of her wedding bouquet formed her going away corsage. Her accessories were brown and white.

After a motor trip through Chicago and northern Michigan the couple will reside at the bride's family home. In the fall they will move to Lansing where the groom will continue his studies.

Church Wedding for Dorothea Petschulat and Richard Erdelyi

In candle light glow, Dorothea Fern Petschulat, daughter of Mr. and Mrs. Victor Petschulat, Rosedale Gardens, became the bride of Richard L. Erdelyi of Plymouth last Saturday in the First Presbyterian church of Plymouth.

The church was beautifully decorated with white peonies and palms and the eight large candelabras, four on each side of the chancel gave to the bridal party that air of mystery and great beauty.

The double ring ceremony was read by Rev. Henry Walsh, and solos were sung by Alexander Dalton of Detroit, first, "Because," followed by, "I Love Thee."

Dorothea was beautifully dressed in a wedding gown of white lace with pointed tipped sleeves and scalloped neckline. The simplicity of the gown was touched off with a bustle made of lace

Plymouth, Michigan
Phone 455

and her veil was of imported French illusion with a crown of seed pearls. She carried white roses, centered with white orchids.

Victoria Petschulat sister of the bride, was her maid of honor and was very lovely in a gown of fuschia net, likewise adorned with a bustle and her flowers were yellow roses and aqua delphiniums.

Alice Erdelyi of Plymouth and Nancy Thornton, Rosedale Gardens, bridesmaids, wore identical gowns to that of the maid of honor with the color being aqua net and carried yellow roses with purple delphiniums. The dresses were set off with arm gloves of net and head crowns of matching color.

Mrs. Petschulat chose for her daughter's wedding a gown of ivory crepe with lace trimming on the sleeves. Her hat was matching in ivory net crowned with toast colored flowers and pink roses. A corsage of orchids adorned her shoulder.

Richard Erdelyi was assisted by Jerome Frisbie as best man and the ushers were Kenneth Erdelyi and Arnold Phillips of Plymouth.

The wedding reception was held at the Mayflower Hotel, where the wedding party formed the receiving line and greeted the many invited guests. After being received by the honor party, the guests were ushered to the beautifully decorated ballroom, where refreshments were served. The ballroom later became the scene of gaiety and dancing.

The bride tossed her bouquet and it was caught by Nancy Thornton. Mrs. Erdelyi chose navy blue with white accessories and wore white carnations on her shoulder.

Out of town guests were Mr. and Mrs. Harold Smith, Mr. and Mrs. Arthur W. Evers, Mr. and Mrs. Harvey Walters and Mr. and Mrs. Roy Cattle. Also included were George Petschulat, Nuebert Petschulat, Mr. and Mrs. Ralph G. Blue, Mr. and Mrs. Miles Howk, Miss Joyce Howk and Victor G. Howk all of Sturgis, Michigan.

Other out of town guests were Mr. and Mrs. A. S. Pederson and Mr. and Mrs. S. J. Bierly of Chicago, Mr. and Mrs. Douglas Faulkenburg of Cleveland, Ohio, Miss Virginia Westphal of Battle Creek, Mrs. Marion Osborne and Mr. and Mrs. Lyle Osborne of Elkhart, Indiana, Mr. and Mrs. Harold Faulkner of Coldwater, Frank Vermelyia of Racine, Wisconsin, Mr. and Mrs. C. Leroy Baker and Miss Donna Mathes of Ypsilanti.

The bride wore a traveling suit of white gabardine and her accessories were aqua with a corsage of white orchids on her shoulder. They are spending their honeymoon at Clinger Lake, Michigan.

Mr. and Mrs. Petschulat held open house on Sunday at their home on Hubbard Avenue, Rosedale Gardens.

In the new Congress, Veterans constitute 43.9 per cent of the representatives and 45.8 per cent of the senators. . . . During 1947, the sale of phonograph records is expected to reach 275,000,000, or 34 times the number sold in 1930.

In Seattle, Patrolman John H. Davis was assigned to the waterfront to round up sleeping vagrants on the docks, was eventually rounded up himself and suspended for 30 days, for sleeping on the docks while on duty.

**Wanda Rorabacher
 Becomes Bride of
 Kenneth Kwiecinski**
 At ten o'clock Saturday morn-
 ing, June 14 Wanda Rorabacher,
 daughter of Mr. and Mrs. Carl
 Rorabacher of Niagara Avenue,
 Wayne, became the bride of Ken-
 neth Kwiecinski, son of Mr. and
 Mrs. Walter Kwiecinski of Willow
 Road, Willis, Michigan.
 Wanda and Kenneth were mar-
 ried at the home of the groom's
 brother, with Judge George Ell-
 worth of Willis, a close friend of
 the groom officiating. Attending
 the bride as maid of honor was
 Patricia Rorabacher, sister of the
 bride. The bridesmaids were
 Helen Kwiecinski, sister-in-law of
 the bridegroom and Miss Dorothy
 Evanski of Ann Arbor. The best
 man was Dick Evanski, of the
 U. S. Marines, who is stationed in
 Maryland. Vernon Rorabacher,
 brother of the bride and Russell
 Kwiecinski, brother of the groom
 were attendants.
 The bridegroom wore a white slip-
 per satin and net was fashioned
 with sweetheart neckline with
 short sleeves and the bodice was
 beaded in white with a full length
 skirt. Her veil of illusion fell from
 a high crowned head piece and
 she carried a bouquet of white
 roses with gardenia center. The
 maid of honor and bridesmaids
 wore gowns of pale pink and light
 blue taffeta and carried pink car-
 nations and sweetpeas.
 For her daughter's wedding,
 Mrs. Rorabacher wore a blue
 crepe dress trimmed in white with

 se City.
 The cubbers and parents of
 Dens 1, 2 and 2 of Pack P 5 held
 a picnic pack meeting Thursday
 evening at Riverside Park. The
 boys played various games cen-
 tering around their pack theme
 for the month of June.
 Last week, Mrs. Erma G. Mc-
 Lean of Oakview avenue, had as
 guests her mother Mrs. Ida
 Lashua of Ewart, Michigan and
 her sister-in-law, Mrs. Barbara
 Taylor of San Francisco. Over the
 weekend they enjoyed a trip to
 Chicago by plane.
 Mrs. George Matthews of
 Schoolcraft road, entertained the
 Holland Rebekah Lodge from De-
 troit, Tuesday, June 24. A hot
 luncheon was served and games
 and cards were played in the
 afternoon. About 50 of the mem-
 bers attended. A good time was
 had by all.
 Mr. and Mrs. William Keefer
 entertained Mr. Keefer's sisters
 Mrs. Sue Ray, Mrs. Anna Lowe
 and Mrs. Will Roundy of Three
 Oaks, over the weekend. On Sun-
 day they were joined by Mr. and
 Mrs. Alexander Ray, Glenn and
 Sue and Mr. and Mrs. Earl Haab
 and Janie of Ann Arbor.
 Mrs. Jessie Roberts of Powell
 road entertained at Sunday din-
 ner Mr. and Mrs. Fred Collins and
 son Dale, Mr. and Mrs. Homer
 Smith of Flint, Mr. and Mrs.
 Robert Emerson of Detroit and
 Mr. and Mrs. James Roberts and
 son of Plymouth. Afternoon guests
 included Mr. and Mrs. Charles
 Barlow of Detroit, Mr. and Mrs.
 Henry Hill, Mr. and Mrs. Westley
 Kitchen, Mr. and Mrs. Kenneth
 Jobe, Mr. William Jobe, Mr. and
 Mrs. Robert Roberts of Wayne
 and Mr. and Mrs. Tom Roberts
 of Plymouth.
 On June 9, Mrs. William Mar-
 tin of Newburg road opened her
 beautiful home and garden to the
 Moms Club of Plymouth for a
 pot luck dinner after which the
 annual election of officers was
 held. Installation was held Mon-
 day evening of this week at the
 club room on South Main street,
 following the regular business
 meeting. Mildred Hewer of the
 state board was the installing
 officer assisted by Venita Alguire
 and Hazel Norgrove. Past presi-
 dents and officers for the ensuing
 year are: president Ellen Tritten,
 vice-president, Maude Anderson,
 secretary, Mabel Warkup, cor-
 responding secretary, Evelyn

te at a miscellaneous shower at
 the former's home on Avon road
 in Detroit for thirty-five guests.
 Mr. and Mrs. E. J. Lewis parents
 of the bridegroom will give the
 rehearsal dinner at the Detroit
 Yacht Club on Wednesday even-
 ing, July 2nd.

**THIS WORM
 TURNS A BIG CAR**
 A Buick steers with a finger touch.
 Part of the secret is a stream of
 66 steel balls that circle the worm
 on the steering column. With these
 balls there is so little friction that
 steering is feather-light — so little
 wear that the gear stays taut and
 firm without frequent take-ups.
 Your Buick dealer lubricates this
 gear with just the lubricant Buick
 intended. Anything heavier would
 make steering stiff in winter —
 anything lighter fails to give full
 protection against wear.
 It's another instance of how Buick
 care keeps Buicks best. And the
 car needs — lube job, tune-up,
 major or minor repair.

News Briefs From Plymouth's Numerous Recreation Activities

Oldsmobile Upset
Going into the game against the House of Correction on Thursday, June 19, Oldsmobile was holding first place in the Industrial League with four victories against no defeats. Closely behind in a tie for second place were Cavalade. Plymouth Merchants and the House of Correction with one defeat against three victories. But, softball being the game it is has caused these four teams to remember June 19. The House of Correction jumped on pitcher Wicker for three runs in the first inning and were never worried as they won from Oldsmobile 4 to 1.

On diamond number 2 at Central High school field, Daisy, who had dropped their first four games, suddenly came to life and dropped Cavalade to third place by handing them a 9 to 2 licking. Don Leichtweis, Cavalade pitcher, issued seven passes to first base, and this along with some timely clutch hitting by Daisy caused his defeat.

At the same time on Central number 1 the Plymouth Merchants playing Wall Wire, who were almost in the cellar with one victory against three defeats, played an extra inning game. Going into the last of the seventh inning they were down 11 to 10. Verne Stephenson of Wall Wire, connected with Jim Weilmann's fast ball and sent it between the outfielders for a home run to tie the score. The Merchants started the ninth quietly with Art Gillis grounding out. Then Bill Nerter drew his second base on balls of the game and went to third on Roberts hit. The crowd moaned as Jack Dobbs hit a short fly on which no one could advance but came forth with a mighty yell as Lee singled in the winning run.

The scheduled games for Monday, June 30, are: Daisy against Oldsmobile at Daisy, Cavalade versus Wall Wire at Central, Plymouth Merchants against V. F. W. also at Central and House of Correction plays Evans Local at the House of Correction.

Teams Needed in New League
The Department of Recreation is endeavoring to create more interest in the new softball league for men over 30. The games will be played on the Central High school field and it is hoped that enough will respond so that the first game may be the evening of July 2. Only those men who are 30 years of age or older will be eligible to participate in this league. In an effort to make the game more interesting slow pitching will be one of the rules. There is no entry fee for this group and no prizes will be given. Those men who turn out will be playing strictly for the fun and exercise. Phillip Barney is the man who has begun this movement and has already formed a team. More teams are needed however, to make the league a success.

Interest in Baseball School Good
For the last two weeks the average attendance at the newly organized baseball school has been good. Approximately 40 boys have attended the daily practice and instruction periods which are held at the Central High school field each morning from 10 to 12 o'clock. Three teams of fellows 14 years old and younger have been formed along with three teams whose is 14 and under. One more than is needed in each division in order to schedule a good number of games. It is not necessary for those boys who wish to participate to have or belong to a team. If you are interested in learning and improving your baseball skills you are urged to attend the school. Those who wish to play will be placed on a team.

Handcrafters Respond
A great many boys and girls have been attracted to the Craft classes which have just been

inaugurated under the direction of Mrs. Highfield shop instructor at Central school. These classes are in session from 1:00 p. m. to 4:00 p. m. at the Central school on Wednesday, Thursday and Friday of each week and at Starkweather school on Monday and Tuesday during the same hours. There is still plenty of room for more boys and girls to come in and learn to fashion useful and attractive articles with their hands.

Outdoor Festival Planned
Plans are now being formulated for the presentation of a city wide pageant which will be held outdoors sometime in July. This festival will include folk dancing, choral work and dramatics. Every child in Plymouth is urged to take part in this, the first children's civic project.

The whole action will be based on and wove about the old nursery rhyme of "Peter, Peter Pumpkin Eater." Folk dancing and the vocal selections will play a most important part in its presentation. The folk dancing will be under the direction of Mrs. Saxton, and instruction periods will be held every Wednesday afternoon from 1 to 2:30 o'clock at the Starkweather school and 2:30 to 4:00 o'clock at the Central school. Choral work will be taught at each of the playgrounds every day. Work on the dramatic portion of the program will be held on Wednesday and Thursday afternoons from 3:00 until 5:00 o'clock.

The Recreation Department feels that there are many talented youngsters in Plymouth and result in other cities where programs of this nature were undertaken were gratifying.

Stolen Tent Has Been Returned

Whoever it was that stole the tent being used by the Livonia Girl Scouts down on Boy Scout hill in Plymouth-Riverside park, after reading of the offense in The Plymouth Mail, decided that they had better return it or get into serious trouble.

As a result, a night or so after the paper had been issued, the tent was returned to the place from where it had been taken and shoved under some bushes. Unfortunately the poles were not returned.

The Livonia Girl Scout leaders were pleased to know of the return of the tent, but regret that the girls were deprived of its use for a part of the time the day camp was being maintained.

In Chicago, Frieda Orlovsky won a divorce when she explained that her husband's Army poker experiences had soured him on all card games, ruined their pleasant evenings of pinochle. In Los Angeles, Marie C. Bauman, calling an end to her 50-year marriage, complained that her parson-husband had abandoned his pulpit to play the ponies with his own "mathematical and scientific method."

WEDDINGS

(Continued from page 8)

Ruth Harrison and Emmet Eves Wed in St. Michael's Church

St. Michael's church, Rosedale Gardens was the scene of a very pretty wedding Saturday, June 21, at 10 a. m. When Ruth G., eldest daughter of Mr. and Mrs. Ed. Harrison, Merriman road became the bride of Emmet J. Eves only son of Mr. and Mrs. Emmet Eves, Merriman road, at a double ring ceremony. Father John Conway officiated at the nuptial High mass.

The bride was given in marriage by her father. Her gown made of white Japanese silk sent the bride by the bridegroom while he was stationed in Japan, featured a high neckline tight bodice with deep picot ruffle trim and very full skirt with an overskirt extending into a long train. The train length veil was lace trimmed and caught by a tiara of seed pearls. Her only ornament was a strand of pearls. She carried a bouquet of white carnations with rose corsage center.

Loretta Toupin was maid-of-honor and wore a gown of yellow marquisette and carried a bouquet of blue carnations. The bridesmaids were sisters of the bride Frances wearing blue marquisette and carrying yellow carnations. Winnifred wore apple green marquisette and carried pink carnations. All had headpieces matching their dresses.

Hal Young was the best man, other attendants being Douglas Burkholder and John Siterlet. The ushers were Arthur Jepson and Lester Ostrander.

The wedding music was rendered by Prof. Baker and the mass was sung by Mrs. Cylk.

During the ceremony Josephine Cicerilli sang "Ave Maria" and "On This ay Oh Beautiful Mother."

Immediately following the ceremony the wedding breakfast was served in the parish hall to the bridal party and relatives. A reception was held in parish hall at 7:30 for 150 guests. For her daughter's wedding, Mrs. Harrison chose navy blue with white accessories. Mrs. Eves wore gray with white accessories and both wore corsages of pink carnations.

Mr. and Mrs. E. J. Eves left amid showers of confetti for a honeymoon in Muskegon, the bride traveling in peach colored linen suit and white accessories. On their return they will reside in Plymouth.

Guests attending from out of town were Mr. and Mrs. Herman Oswald, Mr. and Mrs. Chas. Meno, Mr. Pat Carabin and Miss Frances Rath, all of Minden City, Michigan; Mr. and Mrs. Henry Bruseau, Roseville, Michigan; Mrs. Merritt Lyle and son Wm. of Grosse Pointe, Michigan; Mr. and Mrs. Stanley Beacock, Wyoming, Ontario; Mrs. L. A. Beacock and son Fred Elmvale, Ontario; Mr. and Mrs. Clarence Tebby, Wasaga Beach, Ontario; Mrs. Wm. Brooks, Southampton, Ontario; Mr. Layman Murdock, Midland, Ont.; Mr. and Mrs. Arthur Jepson and family of Pontiac, Michigan.

Ruth Drews Becomes Bride of Lawrence Shipman of Birmingham

St Paul's Lutheran church of Ann Arbor was the scene of a lovely wedding Friday evening, June 20, when Ruth Chritine Drews, daughter of Mr. and Mrs. Edward C. Drews of North Harvey street, became the bride of Lawrence Archer Shipman of Birmingham, son of Mrs. John T. Graesch of Indianapolis, Indiana. The Rev. C. A. Brauer of Ann Arbor, assisted by Rev. E. E. Rossow of Northville, performed the impressive candlelight ceremony before an altar decorated with palms and bouquets of white gladioli and peonies, flanked by candelabra.

The bride was given in marriage by her father. Her dress of white satin was fashioned with a tight bodice with sweetheart neckline trimmed with seed pearls and long fitted sleeves which came to a point over the hands. The full skirt fell into a long train. Her fingertip veil was held in place by a band of orange blossoms. She carried a cascade bouquet of white roses and Stephanotis, centered with her going-away corsage of white gardenias.

The maid-of-honor was Frances Ann Weed who wore a gown of pale green marquisette and carried a bouquet of yellow rosebuds. Mrs. Ruth McGraw, who was to have been the bridesmaid, was taken ill and her place in the wedding party was filled by Mrs. Harrison L. Wheeler of Ann Arbor. Mrs. Wheeler wore yellow marquisette and carried a

bouquet of cavalier roses.

Little Sandra Ann Strasen, a cousin of the bride, was the flower girl. She was dressed in yellow marquisette and carried a miniature bouquet of cavalier roses.

Martin Gerigk Strasen, another cousin of the bride, was the ring bearer.

William J. Morrow of Dayton, Ohio was the best man and seating the guests were Harrison L. Wheeler and Marcellus Hebden of Ann Arbor.

The bride's aunt, Miss Hanna Strasen, was the organist at the ceremony and Mrs. Kenneth Person, a close friend of the bride, sang two selections during the ceremony, "Still Wie Die Nacht" and "Entreat Me Not to Leave Thee."

For her daughter's wedding Mrs. Drews chose a floorlength gown of aqua crepe and wore a corsage of red roses. The groom's mother chose coral crepe with a corsage of Johanna Hill roses.

Following the ceremony a reception for one hundred and fifty guests was held in the church parlors. The young couple left that evening for Chicago and from there will go to Menasha, Wisconsin where they will make their home.

Engagement of Edith Nolte Announced

Mrs. Arnold Nolte, who resides on Minehart Drive, has announced the engagement of her daughter Edith to Arnold Buss son of Mr. and Mrs. Harry Buss of Brooklyn, New York, School of Psychology. Prior to his assumption of studies he spent three years in the Medical Department of the Army.

Miss Nolte, who is a graduate of Plymouth High school, is now a senior at Michigan State Col-

FOOD BARGAINS FOR YOU EVERY DAY IN THE YEAR

SAVE MONEY—SAVE TIME WITH A ROOMY HOME-FREEZER

Strawberries picked this week for breakfast next December! That's how a home-freezer makes your meals so tasteful. It's the economy angle, though, that makes such a hit with farm wives. You save money—with fewer trips to market—fewer purchases of out-of-season foods. You save time—with less marketing—less canning and preserving.

Summer-fresh food the year round means greater variety in meals—plus higher vitamin content than is found in meats and vegetables preserved by other methods. The Home Service Advisor at your nearest Edison office will be glad to give you the details, and advise you about the home-freezer best suited to your needs. Or see your local appliance dealer.

Now's the Time to Invest in a Home-Freezer
The pick of the berry crop is ready for freezing now. And it's only a matter of weeks before late-summer fruits and vegetables will be ripe 'n' ready.

The DETROIT EDISON Co.
Hear "Music for Michigan"—7:00 p.m. Tuesdays—WWJ

LOCAL News

Miss Neva Lovewell and her mother, Mrs. Ada Lovewell left this week for Miss Lovewell's cottage on Pine Island in St. Mary's river, near Desharts, Canada. They will remain there until Labor day.

Mrs. Conrad Olson celebrated her birthday last week. Friends from Pontiac who called to see her were Mrs. A. T. Twell, Mrs. Hoyt Joiner, Miss Jean Carr, Mrs. Zelda Badger and Mr. and Donald Nickerson and family of Plymouth.

The Plymouth Navy Mothers served the refreshments at the Donovan-Kennedy wedding reception at Rosedale Garden Community house Saturday evening. The Mothers were proud to be of service to this happy couple inasmuch as the groom was a former Navy man, the bride's mother, a member of the club, and two brothers served in the Marines. The young couple is extended every happiness in their new home.

Mrs. Don Sutherland entertained Thursday at a birthday party for her son, David, who was three years old. The little boys who were David's guests on a trip to the Detroit Zoo were Sammy Dibble, Sammy Steele, Robert Kliniski, Robert Belobraydic, and David Smith.

Mr. and Mrs. Leo Lorenz and daughter, Miss Helen, of Langdon, North Dakota, Mr. and Mrs. Douglas Lorenz of Northville, and Mr. and Mrs. Edward Holdsworth were dinner guests Monday evening of Mr. and Mrs. Ralph J. Lorenz at their home on Sheridan avenue.

Mr. and Mrs. Henry Kirkpatrick of Butternut avenue are entertaining Mr. Kirkpatrick's brother George Kalousek and his wife and daughter from Santiago, Chile, South America. Mr. Kalousek is in the States on a four months vacation and plans to make his home here in two or three years. He is a radio flight officer for Pan-American-Grace Airways.

Recent guests of Mr. and Mrs. Mac J. Donnelly of Sunset avenue were Mrs. Donnelly's mother and sister Mrs. Alfred L. DeWale and Catherine Ann of Bay City. They stopped enroute from Cincinnati where, earlier this month Miss Catherine Ann received her Bachelor of Science Degree in Chemistry at Mount St. Joseph College-on-the-Ohio.

Little Kathleen Keller of Sunset avenue celebrated her third birthday Saturday, June 14 with a party of her youthful friends in the neighborhood. Her guests included Helen and Thomas Belanger, Mary Lou, Ruth, Ann and Danny Earl Morgan; Mac, Gale and Kathleen Donnelly; Ruth Ann Tapanelli; and her little sister Jeanne. She received many gifts from her friends.

Mr. and Mrs. Dewey Smith and Jack and Jacqueline and Mrs. Earl Beals enjoyed a weekend trip which took them to Dryden where they were the guests of Mrs. John Garner and to Brown City where they visited their brother, Fred Muxlow, and Mr. Smith's parents, Mr. and Mrs. Melvin Smith. Sunday they visited an aunt, Mrs. Lee Harbin in Mayville.

Mr. and Mrs. John Sessions of Ithaca, New York are the guests of his grandparents, Mr. and Mrs. Charles Olds, of Mill street. Before returning to Cornell University where Mr. Sessions is associate professor of creative writing they will be able to have a few days' visit with his parents, Mr. and Mrs. James Sessions, who with their daughter, Virginia, were to arrive Thursday from California.

The Library Book Club met at the home of Mrs. Horace Cooke on Warren road Tuesday afternoon, June 17, with a good number of members in attendance. After the program committee reported on the activities planned for next year, Mrs. Ruth Osgood gave a review on important books to read. The new program committee is made up of Mrs. Chris Witwer, Mrs. Ada Murray, Mrs. Harry De Bar, Mrs. Horace Cooke and Miss Ada Daggett.

Mr. and Mrs. Richard Dast of Pigeon and Mr. and Mrs. Kenneth Kleinschmidt and children of Bayport were weekend guests of Mr. and Mrs. Walter Klein-

schmidt. A picnic dinner was held on Sunday at River Side park where Mr. and Mrs. Edward Kochoer of Detroit, Mr. and Mrs. Marvin Kleinschmidt joined them in celebrating the birthdays of Mrs. Frank Taylor, Mrs. Edward Kochoer and Mr. Walter Kleinschmidt.

The 35th Lyke family reunion was held June 22 at the Willows in Cass Benton park, with 45 present at the event. Besides those from Northville and Plymouth there were a number of out of state visitors. They were Mr. and Mrs. H. M. Hurlbert, their son Richard and daughter Carolyn of

Elyria, Ohio; Mrs. Ella Aldrich, Norwalk, Ohio and Arthur Lyke of Topeka, Kansas. A pot luck dinner was followed by the annual election of officers. George

Lookis was elected president Rus-

"Mister, I can lift 'em with my little finger"

Well I'm no Samson, but I can hoist the heaviest hood you ever saw with one finger . . .

And I like to do it, for a lot more reasons than the exercise . . .

There's nothing keeps an engine—old or new—in sweeter shape than Shell X-100. That's the oil with the "X" safety factors . . . and the only way to tell a car needs it is to get a look at the oil bayonet.

So I'm lifting and lowering hoods all day—and I find an average of 4 customers out of 5 need oil and don't know it! But aside from business—which I'm strictly in favor of—there's a real kick in helping make folks' cars last longer.

... Service is my business

Belated Military Honors Are Bestowed on Irvin Prough

Irvin Prough

Irvin Prough, former resident of Plymouth, has recently been awarded the Bronze Star Medal for heroism while serving with the United States Army in Belgium.

Irvin, who is the son of Mr. and Mrs. Grover Prough of 335 North Harvey street, attended the Plym-

outh High school and was a member of the Plymouth Boy Scouts. Prior to his induction into the army he was employed by the Daisy Air Rifle Company and the Plymouth Tube Company. He is now living in Underwood, North Dakota.

During his four years in the army Irvin saw action throughout the European theatre of operations and was a prisoner of war for three months in Germany.

The citation which accompanied the medal was as follows: "Sergeant Irvin E. Prough, a mortar gunner of Company H, 422nd Infantry, 106th Infantry Division, distinguished himself by heroic achievement on 19 December, 1944 near Schonberg, Belgium. Under direct enemy artillery, small arms and automatic fire, he supplied another crew with his mortar ammunition after his mortar had been ordered destroyed. From the bare forward slope of the hill, from a position without cover or concealment of any kind, he continued to supply the gun crew until the ammunition was exhausted.

Painfully wounded, and helping to reorganize the remnants of the unit into groups that fought out of the enemy encirclement, Sergeant Prough demonstrated outstanding courage and leadership that reflect great credit upon himself and the military service."

U. of C. Degree For Helen Penhale

Helen Frances Penhale 659 Burroughs avenue, this city, was among the 1,132 students receiving degrees at the University of Chicago Friday (June 13) in Rockefeller Memorial Chapel in the largest graduating class in the 56-year history of the Midway university.

Six hundred and fourteen of the 1,132 received bachelor's degrees in the College of the university, which, like the university as a whole, had its largest graduating class. The College which accepts students after their sophomore year in high school for a four-year program of general education, is in its fifth year.

Three hundred and sixty of the total number of graduates were veterans of World War II.

President Ernest C. Colwell conferred the degrees and presented the convocation address.

Among the graduates of the College were: Benjamin K. Blackburn, Jr., Baltimore, a 24-year-old veteran who completed his two-year College program in nine months with four of six grades in the A's; Lois Hedberg, 16-year-old girl of Maywood, Illinois, who was the youngest of the graduates; Betty Anne Colwell, daughter of the president of the university; and Chester W. Bowles, Jr., son of the former chief of the OPA.

Twenty of the graduates were

foreign students, who represented 16 nations.

Miss Penhale received a master's degree in the school of social service administration.

How Pere Marquette's "Pay-On-Train" service irons out your travel troubles

NO MORE LAST MINUTE RUSH—Gone is that annoying, last-minute scurry to pick up and pay for tickets before your train pulls out. Now you can order tickets by phone, climb aboard and get 'em on the train.

NO MORE TICKET LINE WAIT—No more standing in ticket lines for you or your secretary. No more hurried, harried trips for Mom when family travel is planned. Now ticket-buying on the Pere Marquette is as simple as A-B-C.

ALL YOU DO IS PHONE—Just phone for space aboard a reserved-seat coach on Pere Marquette streamliners between Detroit and Grand Rapids, or reserved-seat coaches and parlor cars between Chicago and Grand Rapids. Say you'll pay aboard. A uniformed passenger representative at the gate will tell you your reserved space.

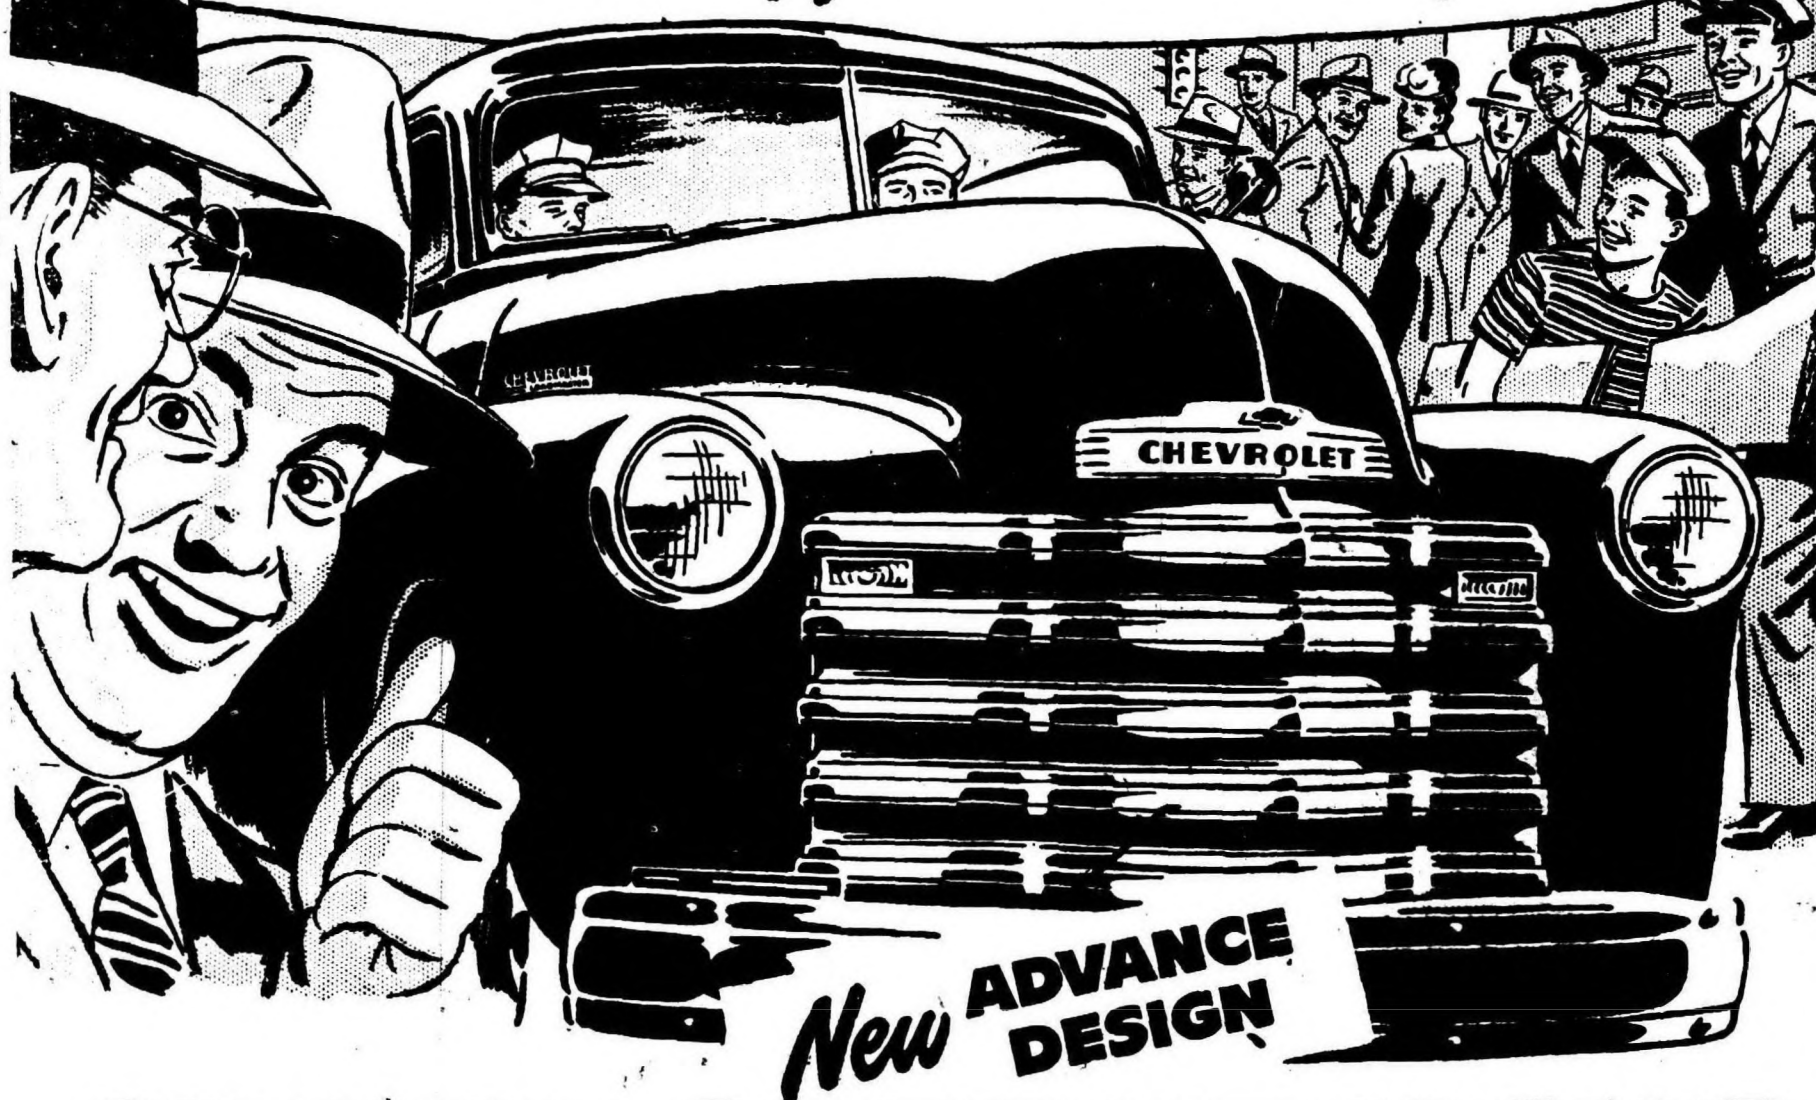

TICKETS DELIVERED TO YOUR SEAT—A passenger representative will bring your ticket right to your seat. Pay him then (or charge it to your C&O Lines Credit Card)... Be sure of a reserved coach seat—use the convenient "Pay-On-Train" Ticket Service. It's typical of the new travel ideas you'll find on the Pere Marquette.

628 S. Main HAROLD YAKLEY, Prop.

**Swimming Pools
Open To Children**

It has been announced by Ralph Johnson, Recreation Director for the city of Plymouth, that swimming has been arranged for the youngsters of the community.

Officials in charge of the River Rouge pools have been contacted and have agreed to make special provisions to accommodate those who wish to take advantage of those facilities. The pools will be opened thirty minutes before the regular opening hour in order to give Plymouth youngsters instruction in swimming. At the conclusion of this instruction period the boys and girls will be able to swim for approximately two hours.

Transportation to the Rouge pools will be furnished by the school buses. The buses will begin loading for the trip at 8:30 p. m. and will return the children at the conclusion of swimming. The total cost for this privilege will be 18 cents which includes swimming, locker service, soap and towel.

Parents are advised not to send their children on this recreational activity if their children have any cuts, or abrasions which show any signs of infection. This also applies to any rash or skin disease such as eczema or athlete's foot. Should any of these conditions be noticed at the pool the children will not be allowed to participate in swimming.

Competent instructors and lifeguards will be on duty during the entire period of the children's activities. The minimum age for the children will be eight years old and those who are younger must be accompanied by a parent. The Recreation Department feels that in addition to providing Plymouth children with hours of healthy, enjoyable recreation this plan will also afford swimming instruction to many who might not otherwise receive this opportunity.

In 1944 in California, an air liner entered a storm cloud and, in less than a minute, broke into several pieces. All 24 persons aboard were killed and the wreckage showed no signs of fire explosion or collision, but the cause of the disaster was disclosed by the instrument that recorded the plane's altitude second by second. Just before the accident, its mechanism had started to run in reverse, which meant that the plane had been turned upside down by the wind and, not having been built to carry a load in this position, had broken apart.

**William Stevenson
Now on Mediterranean**

William H. Stevenson, gunner's mate, second class, son of Robert Stevenson of 323 Maple street, is serving aboard the light cruiser USS Juneau, which is touring the Mediterranean area. The Juneau, one of the newest ships of the Atlantic Fleet, has visited Gibraltar; Venice and Pola, Italy, and Trieste. While at Trieste, crew members were granted leave to visit Switzerland and Paris.

**Patients Need
Reading Lamps**

If you have a reading lamp that is not in use there is a patient at Maybury Sanatorium who would appreciate having it. Many of the bed patients at Maybury need reading lamps. Through the Wayne County Library, books and other reading materials are provided but the problem of satisfactory reading conditions remains. Eye comfort is even more important during illness than during health.

In co-operation with Dr. W. L. Howard, superintendent at the sanatorium, the libraries in Plymouth and Northville request the gift of reading lamps that clamp onto the iron frame of the hospital-type bed. Frank Wilkinson and Harry Anderson, electricians at Maybury, have offered to recondition any lamps that are donated. They will check the wiring, make repairs, and freshen them with a coat of paint.

Lamps being given in this worthy drive should be taken to the libraries in either Plymouth or Northville.

The Plymouth Mail Want Ads bring results.

**Seek High School
Boys For Army**

Colonel Walter C. Cole, commanding officer of the Michigan Recruiting District, today announced that in a bid for the services of graduating high school youth, the war department has inaugurated a new plan which allows a choice of specialized training in the Air Training Command of the Army Air Corps.

While listing 41 specialized jobs that high school graduates can make direct application for, the War Department stressed that the applicant can submit qualifications for a specialized job. If chosen for one of these highly skilled jobs, the applicant should

write directly to the Commanding General, Air Training Command Barksdale Field, Shreveport, Louisiana, giving full name, address, age, race, civilian occupation, summary of any previous military training, a transcript of high school grades and three review applications and notify applicants of their acceptance or rejection.

Application blanks and full information concerning the new plan may be obtained from the local Army Recruiting Office at the Armory Building, 5th and Ann streets, Ann Arbor.

In Independence, Kans., an ex-sailor walked into the county recorder's office, presented a bad-conduct discharge from the Navy, demanded five certified copies.

Plans Study To Aid Students

Superintendent of schools, Helmar A. Nelson, is one of the 23 school superintendents and principals selected from a less of 1,500 eligibles to take part in the educational tour which is being sponsored by the State Board of Control for Vocational Guidance.

The purpose of this program is to study both labor and industry so that schools can better prepare graduates to fit into life upon completion of their studies. After returning from the tour it will be necessary for the 25 delegates to report the findings of their studies to the various schools of the state.

The proper guidance of students is one of the chief aims and it is felt that by sponsoring such a program those schools which participate will be better able to guide education along lines which would help graduates take their place in the business life of this country.

The group will begin by spending one week in Detroit. During this period they will visit the Chrysler Corporation, the General Motors Corporation, Ford Motor Company and the Michigan Bell Telephone Company. The delegates will then journey to Chicago where they will visit the International Harvester Company, Western Electric and the University of Chicago. Washington, D. C. will be the net stop on their itinerary. The U. S. Office of Education and the U. S. Chamber of Commerce will be visited. An additional feature of the groups' stay in Washington will be a visit to the headquarters of both the C.I.O. and the A.F.L. After a short stay in Philadelphia the educators will look in on the National Broadcasting Company, Bell Telephone Laboratories, Time, Life and Fortune Magazine, the Metropolitan Life Insurance Company and Yale University. At the completion of the New York visit the group will return home.

By making a tour of this nature the delegates will be able to see for themselves what a crying need exists for trained personnel.

Evans Re-elected To Presidency

E. S. Evans, Jr., was re-elected president of Evans Products Company by the board of directors following re-election of the board at the annual meeting of stockholders held recently. Members of the board re-elected are Frank W. Blair, Harry S. Kinkenstaedt, E. S. Evans, Jr., Harvey J. Campbell, Edna M. Groover, Frederick S. Robinson and George M. Slocum. Other officers of the company were also re-elected. The big Evans plant is located on Eckles road.

Ross and Rehner

In Fredonia, Kans., an ex-schoolmarm sent the county school superintendent a check for \$57 (full repayment of the three-month salary she had once drawn) along with a conscience-smitten confession that she had cribbed on her teacher's examination to get the job, 53 years ago.

Lee Danielson Is Antioch Graduate

A former Marine officer, Lee Earle Danielson of Plymouth, received his B. S. degree in education from Antioch College at Yellow Springs, Ohio, last Saturday, (June 21). He is the son of Mr. and Mrs. L. E. Danielson of 15801 Haggerty road.

Danielson re-entered Antioch last fall after a three year absence. He served with the marines as combat observer and later as special service officer on Iwo Jima and Kyushu, Japan.

Civilian job experience for Lee Danielson has been part of his regular college program. Under the Antioch work-study plan whereby all students alternate periods of study on campus with periods of work on regular jobs, Danielson has worked in four states.

His jobs have been as lecturer with the Chicago Museum of Science and Industry; teacher with Howe Military School in Indiana;

meter tester for Detroit Edison Company; assistant to the director of the Children's Home of Chatham County, in Savannah, Georgia, and recreation director at City and Country School in Northbrook, Illinois.

Antioch students cover 30 states or their Antioch work periods. Danielson's classmates include veterans with wives and children as well as co-eds several years younger than the veterans. The 112 seniors gave \$500 to the Antioch Interracial Scholarship Fund as the class gift.

Danielson plans to continue his studies in psychology at the University of Michigan next fall.

**25 YEARS
AGO
FROM THE
PLYMOUTH MAIL FILES**

The class day exercises of the graduating class of the Plymouth school, presented in the high school auditorium, last Tuesday evening were unusually well rendered. The vocal selections presented by the double quartet, the whistling numbers by Wanda Shutts, the class poem by Fay Herrick, the violin and clarinet duets by Harvard Norgrove and Charles Chappel, bespoke of the talent of the young people.

Mr. and Mrs. William Bichy celebrated their sixtieth wedding anniversary and their daughter, Mrs. Carleton Blake's tenth, at the parent's home, "Old Point Comfort," on the Plymouth road, last Friday. The Rev. Charles Strasen of the Lutheran church, gave the invocation and talk, and Archie Bichy of Detroit, and Oliver Goldsmith of Plymouth, gave toasts. Later in the evening, Mr. Goldsmith gave a talk. The couples were the recipients of many handsome gifts and numerous congratulations from their many relatives and friends. The Rev. Charles Strasen gave a special service on Sunday in honor of the rare occasion and the couple were asked to take seats at the altar during the service.

The annual picnic of the Woman's Club was held at the pleasant farm home of Mrs. Carman Root last Friday. Although the morning was a stormy one, it cleared before noon and the day was very pleasant. By one o'clock, a large company had gathered and a fine picnic dinner was enjoyed after which the guest gathered under the beautiful maple trees on the lawn and a short business meeting was held. This was followed by a program consisting of music by the ladies' quartet and a reading by Mrs. Charles Humphries. Miss Ellen Gardiner in behalf of the club presented the retiring president, a basket of cut flowers, who in turn responded in a pleasing manner, and presented the gavel to Mrs. George A. Robinson. Calendars for the coming year's work were then distributed and late in the afternoon, the members returned to town, declaring Mrs. Root a very gracious hostess.

Mr. and Mrs. William Henry entertained twenty-seven relatives at dinner, at their farm home east of Plymouth, last Sunday.

Due to detours and poor condition of the road between Plymouth and Northville, the Highway Motor Bus Company announce a discontinuance of their service between these points.

An assortment of classical and popular albums, REDUCED for clearance; also, a collection of
79c Records reduced to 25c

Charles Root entertained at a party last Sunday, in honor of his eleventh birthday.

Harry Lush has returned home from a few weeks visit with his sister in Minnetoa.

Arthur and Irving Blunk are spending the week in Grand Rapids, attending the Furniture Market, and buying furniture for the new home furnishing department of the new store that will soon be completed.

Mr. and Mrs. E. T. Cope of Penniman avenue, served a garden lunch under the big catalpa tree for seven guests, Sunday evening, after which they adjourned to the music room, where they listened to the Sunday services of St. Paul's Cathedral in Detroit, over the Aeriola Grand.

Raymond Casterline for some years with Schrader Bros. Northville furniture store and undertaking business received notice this week from the state board at Lansing that he had successfully passed the funeral director's examination and that he was now a regular full fledged licensed undertaker. Ray is a fine young man and of special pleasing manner, and his many friends will be pleased to learn of his further success.

Miss Winfred Willett pleasantly entertained the members of the senior class and two teachers, the Misses Helen LeVan and Auda

Gill, who acted as patronesses at a six o'clock dinner, at her home on Holbrook avenue, last week Thursday evening. Roses and pond lilies made an attractive centerpiece for the table, and after the dinner a social evening was enjoyed.

Among the graduates this week at the University of Michigan, we notice the following names which will be of interest to Plymouth friends: Literary Department, Miss Athalie Hough; Mechanical Engineering, Wilbur E. Cook and Fred R. Truck of this place; Renauld Sherwood and Allan Reekie of Detroit, and Miss Dorothy Dubuar of Northville.

Little Archie Baker, daughter of Mrs. Lemon Baker fell from the porch while playing at the home of Charles E. Russell on Union street last Tuesday evening and fractured her left arm below the elbow.

On Tuesday evening, June 20, Mr. and Mrs. Oliver Goldsmith of Auburn, were most pleasantly surprised by the Bichy family, Mr. and Mrs. Charles Merz and daughter Olive, Mr. and Mrs. Carleton Blake and little daughter Lillian, and Mr. Bichy's sister of Buffalo, New York, it being Mr. and Mrs. Goldsmith's twenty-third wedding anniversary. The evening passed altogether too quickly, as it was filled with true friendliness and pleasure. Mr.

and Mrs. Goldsmith were the recipients of beautiful gifts, all of which are very highly prized among them being a handsome reproduction in oil, of a photo of Miss Olive Merz and Duke, the "faithful dog guardian of the fold," at Auburn. The painting is a masterpiece, and Charles Merz the artist is to be highly congratulated. The evening closed with a dainty luncheon and all expressed their sincere wish that Mr. and Mrs. Goldsmith might live to enjoy many more anniversaries.
