Vol. 59, No. 52

Plymouth, Michigan Friday, August 29, 1947

\$2.00 Per Year in Advance

ABOUT THE STATE HEALTH COMMISSIONER.

There has been some talk going around that an effort is being made to induce Governor Sigler to replace the present state health commissioner, William DeKleine.

We do not care so much about the talk—but we do care a whole lot about Dr. DeKleine. He has made a splendid record for the state and he should be retained in his present capacity. His record over a long period of years has been outstanding. He is pro-public minded and he gives his full time and attention to the health needs of the state.

With one or two exceptions, Michigan has been most fortunate in the selections of its health administrators. At the time Dr. R. M. Olin, Michigan's first health commissioner was organizing the department, we became especially interested in its work. When former Governor Groesbeck created the department, Dr. Olin had the responsibility of setting up the right type of a department for the state. The work Dr. Olin started has been continued and expanded until Michigan now has one of the best health departments of any state in the Union.

Dr. DeKleine is doing a splendid public service and he should be retained in his position, irrespective of what the politicians want.

Incidentally, Plymouth residents will be interested in knowing that Richard M. Olin of the Willoughby Shoe store is a son of the state's first health commissioner.

A PUBLIC OFFICIAL BECOMES A PUBLIC NUISANCE.

If there is any one public official in Michigan who ought to know something about the serious state hospital situation that exists in Michigan that person is Lieutenant Governor Eugene Keyes of Dearborn.

He lives in the metropolitan district where the hospital situation is so critical. He advertises himself as a "doctor" and any doctor, including horse doctors, must know how great is the need for additional hospital facilities in this part of Michigan. He contends that if the state builds a new hospital it would be better to erect the hospital somewhere else than in this locality, because of the high cost of caring for patients in Wayne county.

The doctor, through his position, should know that the "high cost" of caring for patients in Wayne county is confined entirely to Wayne county institutions where appointive members of the board of supervisors who couldn't be elected even as dog catchers run the operating costs of these institutions for the benefit of misfit, lazy and don't care political job holders.

The Northville hospital is going to be a state institution, operated by a state board that is under the domination or control of no political group. It is unfair and misleading for Doc Keyes to make a comparison of costs between state institutions and Wayne county institutions. If he knows anything at all, he knows that such a comparison is misleading and creates a false impression.

There was a time when we thought that Doc Keyes might prove to be a good public official. We had some sympathy for him when former Governor Kelly refused to have anything to do with him. Apparently Governor Kelly "got his number" before a lot of other folks did.

For over ten years we have worked diligently to get the state to build a hospital somewhere in the metropolitan area of Detroit. Now that the site has been selected and work actually started on this badly needed hospital, Doc Keyes is doing all that he can to prevent its completion.

Right on top of his vote to stop the construction of the Northville hospital which is for the benefit of Detroit and the entire metropolitan section, publicity-seeker Doc Keyes induced Detroit papers to print a statement that the state is to blame for the over-crowded condition of Detroit hospitals. Can you figure out any rhyme or reason to such a statement as that?

Fortunately, for the good of Michigan, not another member of the state administrative board voted to stop the building of the Northville hospital, which is for the very purpose of relieving the crowded condition of the mental hospitals in the metropolitan area.

Instead of becoming even an average-rate public official, Doc Keyes has become a first-rate public nuisance and his political activities should be returned to the good city of Dearborn where they would be in keeping with what goes on in that city most of the time.

Fortunately, for Michigan, Kim Sigler is the first governor the state has had, in a score of years or more, who is determined to solve the hospital problem.

THE MICHIGAN LEGISLATURE AND THE UNITED STATES SENATE.

During the recent few days of the inquiry being conducted by the senate committee into alleged war contract grafting, political side-kicks of those being subjected to inquiry, hissed, hooted and applauded at will. They made the members of the senate committee look like a lot of school boys who were trying out a new toy of some kind.

Senator Ferguson made numerous assertions that he would "clear the hall" if there was more of this confusion and hissing. But the farce continued just the same.

Up in Lansing last winter there was a hearing on a bill that wild-eyed radicals did not like.

They packed the legislative halls during a public hearing. As witnesses began testifying, they started to hiss and hoot, just as they did down in Washington.

The house member who was presiding turned to the crowd and said another outburst of any kind and the hall would be cleared immediately of all except the witnesses.

In a few minutes there was another outburst.

What happened? Did the Michigan legislator permit the hearing to go on with this kind of confusion, hilarity and hissing?

Not for an instant.

He ordered the sergeants at arms to clear the hall, and it was done immediately. The hearing continued for two hours thereafter in peace and quiet. What a contrast to the farcical thing that has been going on down in Washington!

Shows Latest Ladies' Styles

Fall, 1947—shows greatest changes in milady's wardrobe for many a decade—that is, for such a short period of transition. From head to foot—there is more elegance, more drama, more style—a greater sense of delight in wearing clothes. Milady's clothes have gone from slim to wide or tapered—from short to long. It is definite that longer skirts are accepted. In coats, there is much evidence of the larger collar, the rounded shoulder and accented hips—and many are 47 inches long. Suits are more gracious—with feminine curves now basic. Illustrating the new trend in

fashions—is the current window at The Graham store, on West Ann Arbor Trail. Just as they appeared in September Good Housekeeping, famous Betty Rose coats and suits are now on display at Graham's. You are invited to see them and learn the "Inside Story."

There will be a meeting of the Plymouth Recreation Ladies' League next Wednesday, September 3, at 8 o'clock in the Plymouth Recreation alley. Any-one wishing to bowl may call 9187 or 766-W and leave her name.

Approximately 250,000 board feet of three inch decking is required for the flight decks of Essex class aircraft carriers.

Stores Will be Closed Monday for Labor Day

All of the stores in Plymouth will be closed Monday, Labor Day, except the drug stores, which will be open during the forenoon, so that the employes can enjoy the final long weekend holiday period of the year.

All of the local factories, when they close tonight, Friday, will be down until next Tuesday morning, giving hundreds of workers a chance to also enjoy a long weekend vacation.

Plymouth merchants urged shoppers to do a sufficient amount of buying to last over the holiday period.

Gas dealers report that sales of gasoline indicate that a very large portion of Plymouth residents plan to make weekend trips to Canadian points as well as northern Michigan. Some are planning Chicago and Cleveland trips.

But this Labor Day will be different than those of past years. People who go up north or on extended trips with their children will not be forced to rush home on Labor Day night in order to get their children into school the next morning.

The school authorities have decided that it will be to the advantage of the school as well as the parents and children if a more orderly opening can take place than in past years, when large numbers did not enter until the second week.

Lutherans Open New School on Monday, Sept. 8

Wesley Sheere, chairman of the Lutheran School Board, has announced the completion of the first unit of the new Lutheran school on the corner of Penniman avenue and Garfield street in time for the formal dedication service on September 7, at 2:30 in the afternoon, and the first day of school on September 8.

The school has been built and will be supported by the members of St. Peter's Lutheran church for the elementary education of the children of the parish and of others who will meet the entry requirements set up by the school board. Children of non-members will be required to pay a tuition fee.

At the present time the applications for enrollment exceed the school's capacity of 60 children. Fifty-six of those enrolled are children of members. This represents an unusually good response, since the congregation has but 59 children eligible for the Kindergarten and first six grades. Plans call for the building of an additional classroom and the engaging of a third teacher next year to accommodate the seventh and eighth grades.

The congregation has been fortunate in securing two excellent teachers for the approaching school year, Gerhard Mueller of Appleton, Wisconsin, as principal, and Mrs. Helen Roehler of Wayne, as primary and kindergarten teacher.

Mr. Mueller is the son of a florist of Appleton, Wisconsin. He has (Continued on page 3)

Jaycees to Hear State President

Highlighting the first of a series of fall meetings to be held at the Hotel Mayflower, Wednesday evening, September 3, Junior Chamber of Commerce members will hear George C. Fraser, state Jaycee president from Port Huron. Dinner will be served at 6:30 o'clock.

Members are urged by their president, George Todd, to make every effort to attend this important meeting. Guests are invited.

Cloverdale Meets Sport Shop Next

Riverside Park will be the scene of a baseball game Sunday afternoon, August 31, at 3:30 between the Cloverdale Dairy nine and the team sponsored by the Plymouth Sport Shop. As the season draws to a close the Plymouth Sport Shop team is one game out of first place while the milkmen are trailing them with two games out of first place. Both teams appear to be in good condition and so Sunday afternoon promises to bring to the diamond two well matched groups in a contest of thrilling baseball.

Football Team Starts Practice

Plymouth High School football candidates will meet Monday for their first practice session. According to coach Eddie Bender prospects for the approaching season look especially bright.

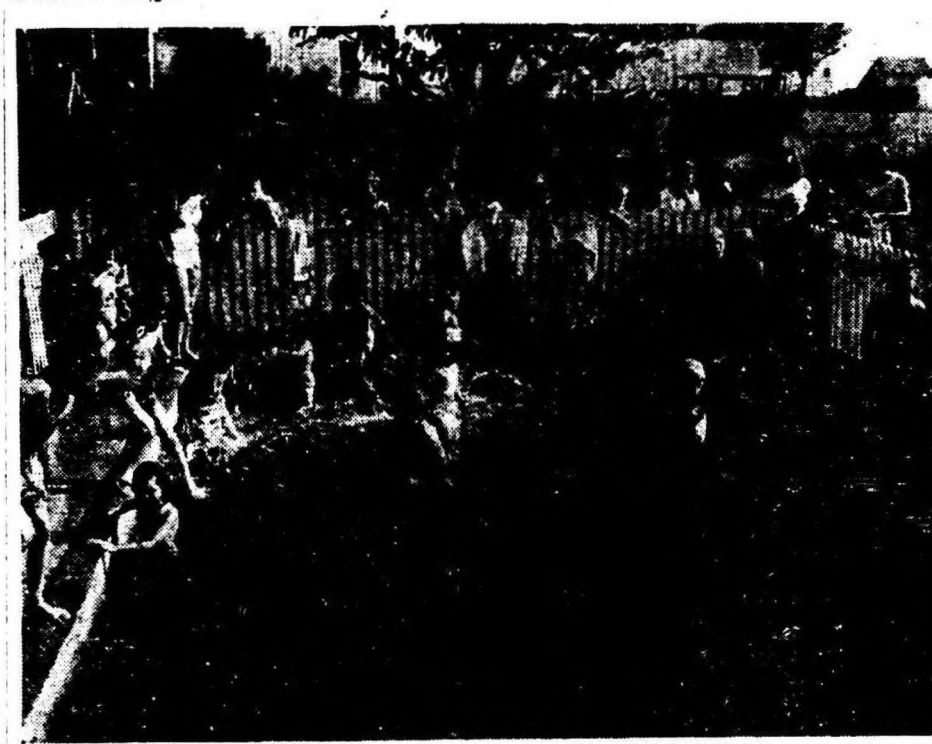

A meeting held last week to acquaint the new coaching staff with team members brought out 34 of the local gridiron players who were anxious to don their moleskins for the first practice session on Monday.

The Plymouth Mail Want Ads bring results.

Hilltop Farm Camp for Children to Close Summer Season August 30

Evered Jolliffe plays and leads songfest among children at Hilltop Farm camp.

New swimming pool opened this summer at Hilltop Farm camp.

Ninety-eight children who have made Hilltop Farm Camp a most active and happy place since its opening for the present season on June 22, will be returning home on August 30, when the camp closes for the present year. This is the 13th season the Hilltop camp has operated.

Mr. and Mrs. Evered Jolliffe, owners and operators of the camp, state that although the enrollment for this year is somewhat less than the total for 1946, their five counselors and other helpers are as busy as they care to be during these hot summer days.

"Where children are happy" is the slogan at Hilltop. The children range in age from five to ten years, most of them coming from Detroit. With a variety of playground apparatus, swimming pool, saddle horses, picnics, games, hikes and sings, the children surely enjoy happy as well as healthful weeks at this farm camp.

Held by Police on Arson Charge

John Papile, who occupied the house on South Jener place, near Brush street that was nearly destroyed by fire last week Wednesday night, has admitted to officers that he set the house on fire.

He has been charged with arson by the police and when arraigned last Friday before Municipal Justice J. Rustling Cutler, was held for the circuit court.

The young man explained to officers that he had been served with some divorce papers and that he didn't want any one else to have anything he had.

The house was so badly burned that it is beyond repair. This is the second fire that has taken place at the same house during the past year. The first fire did not do the damage that the last one did.

Army Names Fund Chairman

Final plans are shaping up for the Salvation Army annual fund raising drive which will start on September 8. Mrs. Lisle Alexander, has been named finance chairman and Fred Mallard is in charge of the industrial solicitation section again this year.

A corps of workers from the Detroit office will participate in the drive which will feature a house to house canvass.

Plymouthite is Named Aid

Michigan Democrats will have as their new office manager a young Plymouthite, Thomas Brock, who was named to the position Monday. Appointed by state chairman John R. Franco to fill the vacancy created by the resignation of Marguerite Moore, Brock will serve as head of the office and executive assistant to the chairman.

The position became available when Miss Moore resigned the same last week in protest of Franco's leadership and maintained that she and other employees could not carry on their work since the party finances were gone.

Brock is the stepson of Plymouth postmaster Harry Irwin and graduated from Plymouth high school in 1927. He attended Albion college and is a veteran of World War II. He has been a director of the Young Democratic Organization of Michigan for the last three years.

Start Work on New Bakhaus Business Block

Excavation for the new Herman Bakhaus building on Forest street which will house both an ice cream parlor and an ice cream manufacturing plant is expected to be finished within the next week and construction of the building started at once.

Cinder blocks which will be used for the outer walls have been delivered to the site and builders hope to have the walls entirely laid within the next 30 days.

The original plans have been slightly changed in order to provide for a 30x30 foot basement. The earth from the excavation will be used for filling the remainder of the lot, which is slightly below street grade.

The building will be 50x70 feet and will be of a most modernistic type. It will be of one story construction. The decision to place a small basement under the structure will enable Mr. Bakhaus to place his heating unit and other similar utilities in the basement.

Mr. Bakhaus has been somewhat delayed in getting his building under construction due to the request of property holders along the street for its widening from 50 to 60 feet. This was originally recommended by the city planning commission and has now been approved by the city commission. The city commission has also designated a 20 foot strip running from Ann Arbor Trail to Wing street back of the new Bakhaus building for future alley purposes.

Present plans call for the completion of the new Bakhaus building by the end of December. Mr. Bakhaus hopes to have his new ice cream manufacturing plant in operation by that time and his ice cream parlor open to the public.

Lightning Takes Local Girl's Life

Ten year old Joanne Wilkins of this city lost her life Sunday when she was struck by lightning while running for shelter at Nankin park. At the park with her mother for an afternoon of fishing the pair were caught in a thundershower and in attempting to reach the shelter of a tree were struck by a bolt of lightning which took the life of Joanne and seriously injured her mother, Mrs. Andrew Wilkins.

Doctors at Wayne County General Hospital said Tuesday that Mrs. Wilkins was recovering and that she had regained consciousness that morning.

Joanne was the daughter of Mr. and Mrs. Andrew Wilkins who reside on Gold Arbor road. Mr. Wilkins is part owner of Cavalcade Inn which is located on Northville road.

Funeral services were held Thursday at 9:30 a.m. in Our Lady of Good Counsel church under the direction of the Wilkie Funeral Home. Burial was at Holy Sepulcher cemetery. Besides her mother and father and many young friends Joanne leaves two sisters, Patricia and Phyllis to mourn her loss.

Everything Set For Corn Roast

Everything is in readiness for the Conservation Club's annual corn roast to be held Sunday September 14. The affair scheduled for 2 p.m. promises to be a big event according to club president B. E. Champe who says that more tickets have been sold at this time than ever have been sold before at a club undertaking.

In addition to the food which will be served, several things are planned in the way of entertainment. A rifle shooting exhibition will be one of the main events with Roy Crites doing the shooting.

Everyone is invited to attend the affair which will be at the Club's headquarters on Joy road and children will be given special attention if they accompany their parents to the roast.

Plans for the party were made under the direction of Jim Gothard and his committee consisting of Joe Elliott, William Morgan and Roy Crites.

Joyce, Gloria and Marlin Chaney returned Monday evening from a week at Youth Haven Camp, near Muskegon. The trip was sponsored by the Voice of Christian Youth association and directed by their uncle, Edward T. Darling of Detroit.

Marquis Fine Foods Opens Tuesday

Opening Tuesday will be Marquis Fine Foods, owned and operated by Mr. and Mrs. Norman Marquis, well known Plymouth couple. Located at 333 N. Main street, the Marquises will feature home-baked pies, cakes and breakfast rolls and their menu will carry a selection of full course dinners as well as short orders and sandwiches.

The public is cordially invited to attend the opening of the new restaurant Tuesday and inspect the remodeled, redecorated building.

Did Willoughby's 60 Day Corn Live Up to Prediction

Here's one for the corn experts to decide.

Was the corn that Robert Willoughby planted on June 27 ready for cutting on August 26?

Remember back when during the cold, rainy days of last June everybody was worried about the corn crop? It had been so wet and cold that many farmers had been unable to plant any corn.

Remember the day when "Farmer" Robert Willoughby said he had planted more than a hundred acres of "60 hybrid corn"—corn that would grow and actually be ready for cutting just 60 days from the time the seed was put in the ground?

That figured out that "Bob's" corn crop would have to be ready for the corn knife on Tuesday, August 26.

Well Tuesday, August 26, has come and gone—and "Bob's" corn is still there, growing like rag weeds.

Maybe it was ready for cutting on last Tuesday, and maybe not. Only the farm experts can tell. But one has got to admit that the 60 day corn does look mighty good and it surely has grown just like Topsy.

Maybe, MAYBE if it hadn't been for the wet, cold weather that prevailed for ten days or two weeks after the crop was planted, the corn would have been ready for cutting—and maybe the corn was all filled out and ready for the corn knife last Tuesday at midnight.

Better go out and see for yourself. The corn fields are located right next to Bob's house on Ann Arbor trail, which is the former Harry Lee place. At any rate you will see, a mighty fine field of corn.

Will Play Donkey Ball on Tuesday

Donkey baseball, that popular sport for spectators and players alike, is scheduled to make its annual appearance in Plymouth Tuesday evening, September 2. The game, sponsored by Plymouth's Junior Chamber of Commerce, will be played on the Daisy diamond at the rear of the manufacturing plant on Hamilton street.

Tickets are now on sale for the event. Proceeds are earmarked by the Jaycees to be used in their drive for funds to purchase high school band uniforms. A balance of approximately \$400 is needed and it is hoped this project will end the campaign.

A feature of the evening will be a softball game, scheduled to start at 7 o'clock and will bring together two rivals in the city's Industrial league. Daisy will play the Detroit House of Correction team, for the fourth time this season. Two of the games have resulted in ties, one scoreless and the other 2-2. Daisy just won the league Class B title and DeHoCo meets Oldsmobile for the class A championship tonight, Friday.

The donkey game will begin at 8 o'clock and will be played under lights. Scheduled to participate will be teams of Jaycees vs. Rotarians and Kiwanians.

Gerald (Jake) Shoemaker is general chairman of the Jaycee committees making arrangements for the event. Tickets may be obtained from members of the young businessmen's organization in advance of the date, or Tuesday evening at the gate to Daisy field.

Members of the Plymouth Kiwanis club were entertained last Tuesday evening by William Hartmann, Plymouth, who showed colored movies of his recent trip to the west.

Mrs. Clara Todd spent last week with her niece, Mrs. Edward McVay at Haelybury, Ontario.

Police Take Over Maintenance of Parking Meters

In an effort to eliminate all complaints against the use and operations of the new parking meters, the city has turned complete control of the maintenance and operations of the meters over to the police department.

There have been numerous complaints in the last two or three weeks that many of the meters have been found to be out of order when people went to park their cars.

The police department requests that if you find a meter that is not working properly, to notify the police department at the city hall at once, after you have moved your car to some space where the meter is working.

The meters were installed so that the limited area for parking space on the downtown streets could be shared among all the people who find it necessary to park their cars downtown.

The police also request that when you park your car, if you are not thoroughly familiar with rules, to read the instructions printed on the meters.

The meters are effective on all week-days from 9 o'clock in the forenoon until 6 o'clock in the afternoon, except on Fridays when they are effective from 9 o'clock in the morning until 9 o'clock in the evening.

Because of the seriousness of the parking situation in Plymouth, the police ask for the fullest cooperation on the part of the users of parking spaces on the streets.

Lock Fights to Keep Golf Title

The Second Annual Golf tournament draws to an exciting close with a series of 36 hole matches slated to begin at 10 a.m. tomorrow August 30 as the eight finalists in the four divisions seek to take the first place honors and awards that will be presented the winners at the Victor's Dinner Dance at the Saddle Ridge club by Mayor Jack Taylor tomorrow night.

In the Championship flight will be Tom Lock, '46 champion seeking a repeat performance as he tees off against George Todd, challenger. Both Lock and Todd arrived at the finals after a series of hard fought matches, and while the aid of experience rests with the defending champion, it is the general belief that Todd may force an upset.

Seeking the crowns in the other three divisions will find Rockwell Smith playing against Jerry Egan in the first flight, Jake Shoemaker against Jack Palmer in the second flight, and Joe Martin against Frank Davison in the third flight.

The quarter and semi-finals played last weekend were studied with thrills and upsets as the field of 32 that began last Saturday morning narrowed down to the eight finalists playing tomorrow.

The following are the results of the matches played last Saturday:

Championship Flight: Tom Lock drew bye over Wm. Morgan; Robert Ritchie def. Jack McAllister; George Todd def. Robert Oakley; William McAllister def. Elwood Russell.

First Flight: Jake Shoemaker def. C. Burkhardt; A. Owens def. Robert Johnson; Jack Palmer def. A. Robinson; Larry Bentley def. (Continued on page 4)

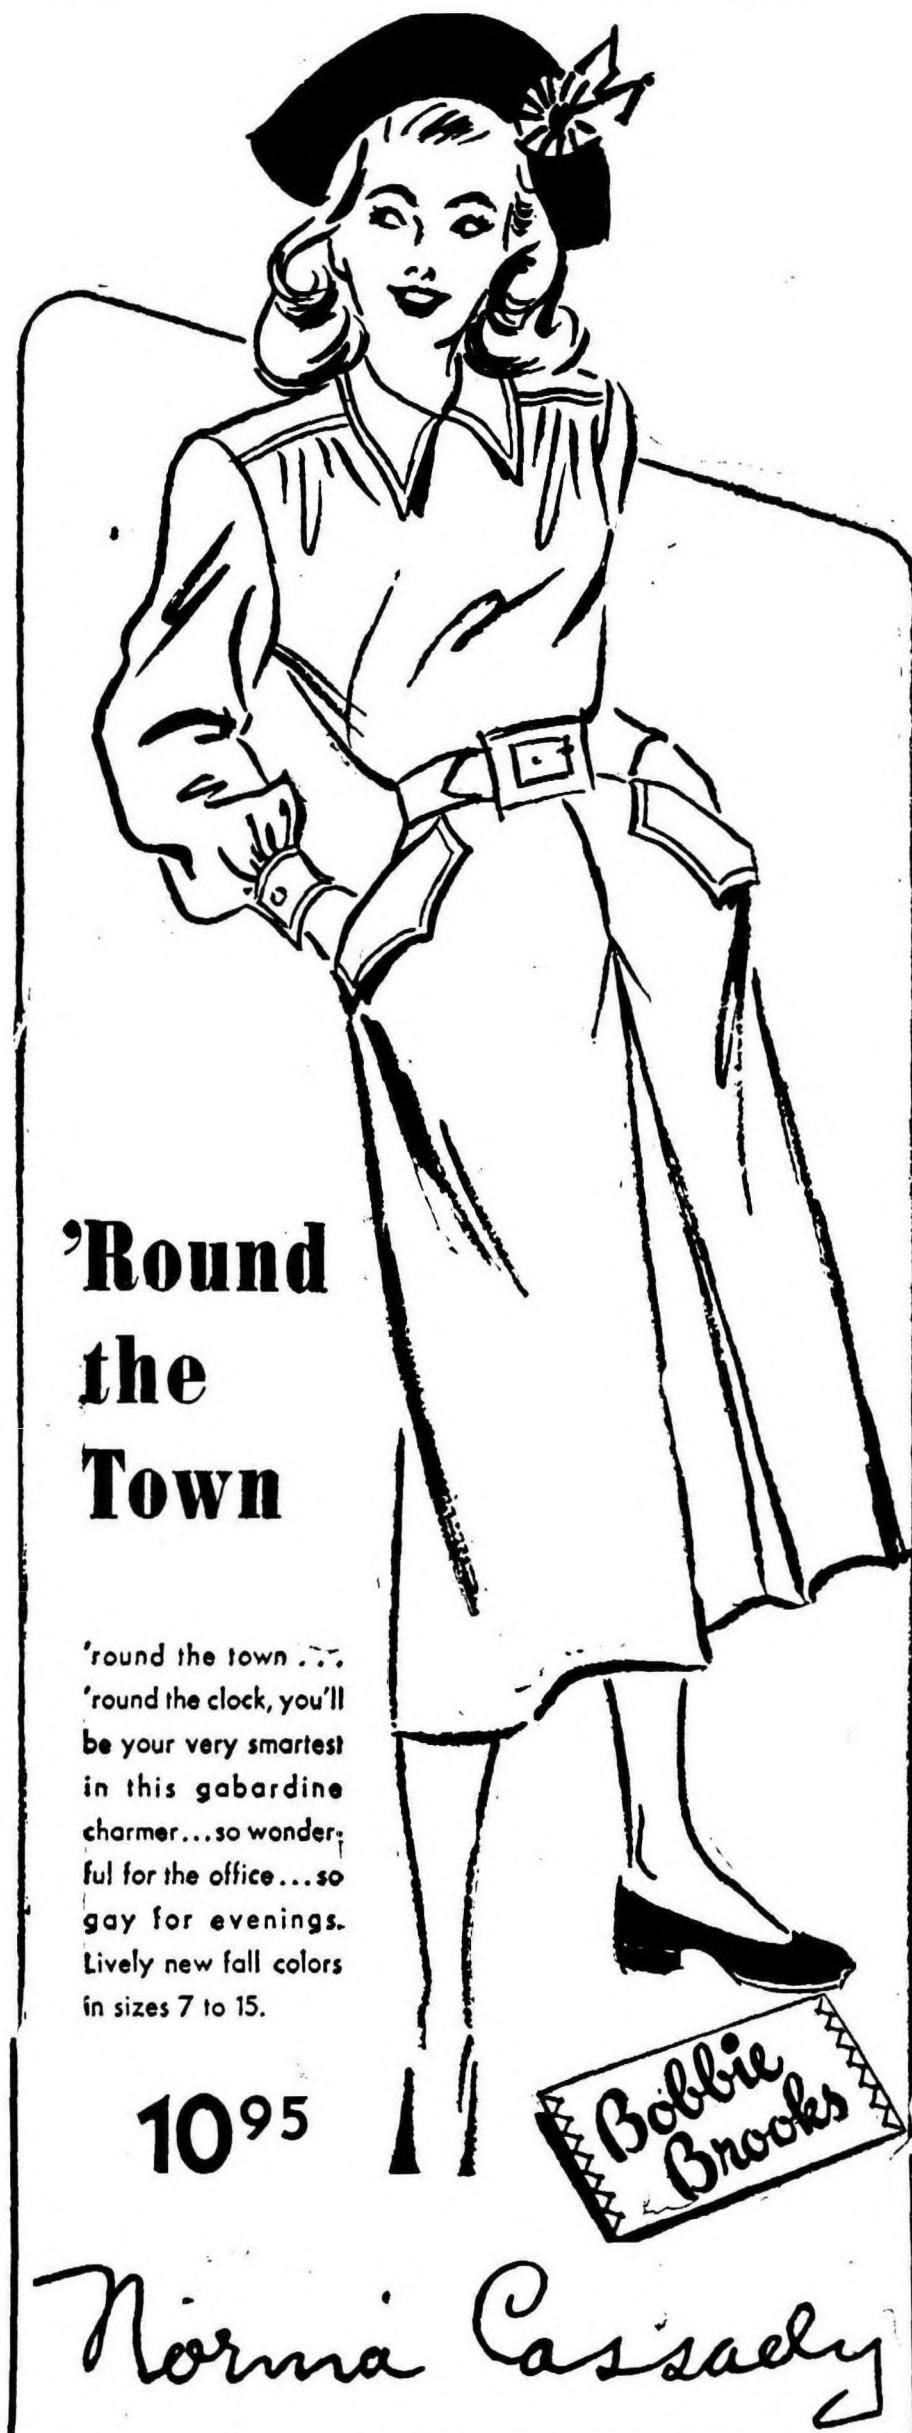

Coach Company Adds Service

Once again announcement is made of additional bus service for residents in and around Plymouth. According to Edward Sinia, manager of the Plymouth Coach Company, five trips daily from Plymouth to Telegraph road via Scholearcraft will be added to the service in that area.

Service on Plymouth and Five Mile road will also be enlarged upon by the addition of several more trips by the local coaches.

A full schedule of all bus trips and fares is published elsewhere in this issue of The Mail for the benefit of local residents and it is suggested that it be clipped and saved for future reference.

In line with other coach companies in this area a slight rate adjustment is also announced in the schedule. The new service becomes immediately available to people living in the area served.

'Round the Town

'round the town... 'round the clock, you'll be your very smartest in this gabardine charmer... so wonderful for the office... so gay for evenings. Lively new fall colors in sizes 7 to 15.

Hoyt Mills Marries Carol Salmonson of Dearborn, Michigan

Lighted tapers cast a soft glow over the altar of the First Methodist church of Dearborn Saturday afternoon August 23, when Carol Salmonson, daughter of Mr. and Mrs. Albe Salmonson of 1425 S. Mason street, became the bride of Hoyt D. Mills, son of Mr. and Mrs. D. S. Mills of Plymouth. Dr. Gordon Phillips performed the ceremony assisted by the Reverend Neal Dow Kelley of Dearborn.

During the ceremony Lyla Clay rendered two vocal solos, "Because," and "Prayer Perfect." The bride was given in marriage by her father. Her white satin gown featured a pleated bodice with a yoke of illusion net and the full skirt ended in a long train. Her fingertip veil was of white illusion net and she carried an arm bouquet of white gladioli centered with a purple orchid.

Dilys John of Ypsilanti was the maid of honor and was attired in a light blue nylon taffeta gown with matching mitts. The flowers in her hair matched her arm bouquet of pink gladioli.

The bridesmaids were Alice Miller of Grundy Center, Iowa, and Mrs. Kay Voss, sister of the groom, of Howell. Both wore orchid taffeta gowns and carried bouquets of yellow gladioli with matching flowers in their hair.

The junior bridesmaid, Sally Ann Salmonson, wore a gown of white dotted swiss over orchid and carried a colonial bouquet of gladioli and yellow roses.

William Korman of Smithmill, Pennsylvania, was the best man and the ushers were Valbert Groth of Owosso and Kay Voss of Howell. Gale Mills, youngest

brother of the groom, was the junior usher.

For her daughter's wedding Mrs. Salmonson chose a blue crepe gown with a corsage of red roses. Mrs. Mills was attired in light blue crepe with a corsage of yellow roses.

Following the ceremony a reception for 150 guests was held in the church social rooms. Mabel Salmonson, an aunt of the bride, acted as hostess and pouring were Mrs. Neil Rosso and Mrs. Everett Stewart, aunts at the groom.

Out of town guests were present from Howell, Plymouth, Lansing, Ypsilanti, Ferndale, Rochester, Armada, Royal Oak, Port Huron, Tecumseh, Brighton, West Branch, and Lincoln Park.

The young couple left for a honeymoon on Long Lake in Northern Michigan. For going away the bride chose a yellow linen dress with navy accessories and the orchid from her bridal bouquet served as her corsage. Upon their return they will make their home in Plymouth.

LOCALS

Mr. and Mrs. James Thrasher and David visited friends in Sarnia, Ontario Tuesday.

The Patchen PTA will hold their first meeting on Friday, September 5, at 8 o'clock at the Patchen school. Everyone is urged to come.

Mr. and Mrs. Howard Sharpley and Mr. and Mrs. Floyd Sharpley are leaving Sunday for an extended tour of the west coast.

Mr. and Mrs. John Chaney of Pacific avenue spent last Sunday visiting Mr. Chaney's parents, Mr. and Mrs. Joseph Baker at Leslie.

Bill Farrant, a graduate of the Plymouth High school of 1947, has joined the armed services and left Monday for Fort Knox, Kentucky.

Saturday guests at the home of Mr. and Mrs. James Thrasher of Lakeland Court were Mr. and Mrs. Robert Mason and Mr. and Mrs. Norman Constine of Detroit.

Lutherans Open New School on Monday, Sept. 8

(Continued from page 1)
completed the seven-year course, required for teaching in the Lutheran church, studying at the Dr. Martin Luther College at New Ulm, Minnesota. After one year of teaching vicarage at Manitowoc, he was graduated from his school with honors last June.
Mrs. Helen Roehler, wife of the principal of the Lutheran school at Wayne, is an experienced Kindergarten and Primary teacher in her own right. A graduate of the Milwaukee Lutheran high school, she continued her studies at the Wisconsin State Normal college at Milwaukee and subsequently held primary teaching positions for a number of years in three Milwaukee schools.

The curriculum of the Lutheran school will offer the same subjects as those taught in Plymouth schools with the addition of a thorough training in religion. The textbooks are identical in many subjects. As much as possible the school calendar will follow that of the Plymouth schools. The Plymouth board of education and Supt. Helmer Nelson have extended valuable assistance and advice.

The public is invited to inspect the new school either on the day of dedication Sunday, September 7 or on the following Sunday afternoon. However, no additional applications for enrollment can be considered by the Lutheran school board at this time, since the capacity of the school is already exceeded.

Watch the columns of The Plymouth Mail for further particulars about the dedication and school opening ceremonies.

The Plymouth Mail Want Ads bring results.

Deadline on Want Ads is 5:00 o'clock Wednesday afternoon.

A new kind of tire is One Year Old today!

No Tire in History Has Made Such a Dramatic Improvement in Driving.

It takes just one mile to discover what the U. S. Royal Air Ride has done for driving.
From the moment you take the wheel, you recognize a luxurious new comfort in riding, an amazingly responsive "feel" and stability in the way any car—large or small—handles, there's why:
Softer Cushions Smooth the Bumps
The new Air Ride principle provides more air volume at lower air pressure. You ride on bigger, softer cushions of air that smooth out the roughest roads—bring new rolling luxury to every mile. And, the trim Air Ride tread makes steering easier—keeps you in instant driving command.

Air Ride Design Makes Tire History
Car-owners are buying more U. S. Royal Air Rides than any other extra-quality tire in history. The tire industry has recognized in the Air Ride tomorrow's pattern for tire performance.
But there is only one way to be sure of all the extra comfort and control the Air Ride principle brings you. See your U. S. Distributor for U. S. Royal Air Rides.

There Is Only One Air Ride— And Here's What It Does for Driving!

UP TO 14% MORE AIR—MORE COMFORT More air volume at less pressure gives you a smoother, air-cushioned ride.	SHORTER STOPS—STRAIGHTER STOPS Famous "U. S." Brake Action Tread leaves the tire against every skid.
PERFECT BALANCE—PERFECT CONTROL Trim tread makes steering easier, control surer.	RUNS COOLER, SAFER, LONGER Elimination of non-working rubber reduces heat—adds miles.

Small Car! Large Car! You'll Find New Comfort Your Very First Mile.

Lock Fights to Keep Golf Title
(Continued from page 1)
Frank Heike.
Second Flight: Rockwell Smith def. Paul Richards; George Farwell def. Larry Freeland; Jerry Engle def. Hugo Russell; Estel Rowland def. F. Pratt.
Third Flight: Joe Martin def. E. Patrick; H. Schultz def. C. Wolfe; John Gaffield; def. L. B. Rice; Frank Davison def. Jerry Vettese.
Results of the semi-finals on Sunday were as follows:
Championship Flight: Tom Lock def. Robert Ritchie, 4-3; George Todd def. Wm. McAllister, 1 up.
First Flight: Rocky Smith def. George Farwell, 2 up; Jerry Engle def. Estel Rowland, 3-2.
Second Flight: Jake Shoemaker def. A. Owens, 2-1; Jack Palmer def. Larry Bentley, 3-2.
Third Flight: Joe Martin def. Harold Schultz, 3-2; Frank Davison def. John Gaffield, 1 up.
Following the matches there will be the Victor's Dinner Dance to be held at the Saddle Ridge club at which time Mayor Jack Taylor will officiate at the presentation of awards and prizes to the winners after which there will be an evening of dancing. Tickets to this affair are available to all who would like to attend and may be procured at the Hilltop Golf club.

OBITUARIES
Robert E. Robinson
Funeral services were held last Saturday for Robert E. Robinson, aged 21 of Northville, at the Casterline Funeral Home in that city. An invalid since 1941, when he was injured in an automobile accident, death came as a result of injuries sustained at that time. Burial was made at Oakland Hills Memorial cemetery with the Rev. A. K. MacRae officiating. Surviving the deceased besides his parents are three brothers and four sisters, one of whom, Mrs. June Wilmet, resides in Plymouth.

Mrs. Della N. Tickner
Mrs. Della N. Tickner, who has resided at the home of her son, Earl D. Kenyon at 45410 W. Ann Arbor road, Plymouth Township for the past ten years, passed away Sunday, August 24 at the age of 79 years. Besides her son, Mrs. Tickner is survived by four grandchildren and three great-grandchildren, other relatives and friends. Mrs. Tickner was brought to the Schrader Funeral Home and later taken to the Paul Bellows Funeral Home at Durand, Michigan where funeral services were held Tuesday, August 26 at 2 p.m. Interment was in Vernon cemetery, Vernon, Michigan.

Battle cruisers of the Hawaii class use approximately 76,000 board feet of two inch decking.

FIRST CHURCH OF CHRIST SCIENTIST. Sunday morning services, 10:30 a.m. Sunday school, 10:30 a.m. for pupils up to 20 years of age. Wednesday evening testimony service at 8:00 p.m. Christ Jesus will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, Aug. 31. The Golden Text (John 3:17) is: "God sent not his Son into the world to condemn the world; but that the world through him might be saved." Among the Bible citations is this

Drs. Rice & Rice, Chiropractors are reopening their offices Thursday, Sept. 4th.—Adv.

passage, (John 14:5,6): "Thomas saith unto him, Lord, we know (not whither thou goest; and how can we know the way? Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 25): "Jesus taught the way of Life by demonstration, that we may understand how this divine Principle heals the sick, casts out error, and triumphs over death."

FIRST BAPTIST CHURCH. N. Mill at Spring St. Rev. Benjamin L. Eicher, pastor. Sunday School, 10 a.m. Harold Compton, Supt. Worship Service, 11:10 a.m. Subject: "A Wise Choice." The Baptist Youth Fellowship 7:00 p.m. The Covenant meeting of the church, 7:30 p.m. Wednesday.

STARK GOSPEL MISSION 9958 Laurel road corner Laurel and Pine Tree Roads. Sunday Services: Sunday School, 1 p.m. Church Service, 2 p.m. Wednesday evening prayer meeting, 8 p.m. Ladies' prayer meeting, Thursday afternoon, 2:30 to 4:30. This is a cottage prayer meeting. Pastor, Orville Wendell.

Presenting "HOUSES ON PARADE"

Gas Station, Grocery Store, Living Quarters

Located on Five Mile road. Dissention among partners is the reason for selling. Both the station and grocery are completely equipped. Taxi license with one cab (1942 Pontiac) go with the sale. Three rooms and bath are in the back for living. Books will be shown to interested party. Three year lease with option to buy. Price is \$5300.

\$1500 Down, \$6500 Total Price

If you are in dire need of a home to move into, why not look into this very livable house? Built 6 years ago, the condition is near perfect. Kitchen is massive with ample cupboards, dining room, living room, two bedrooms, bath, one room on 2nd floor for storage, full basement with hot air furnace, laundry tubs and fruit cellar. Four lots are with the house, fruit and grapes. Immediate possession.

10 Acres, Four Rooms

Located near Plymouth. House contains living room, one bedroom down and one large double room up, complete bath, kitchen 12x14 ft. Modern in every detail except for gas. Basement is only large enough for furnace, water heater and fruit. Utility room is handy for washing clothes. Two car garage is 24x22 ft. Ideal for small shop. Land has not been worked this year due to lack of a tractor. Price is \$8,000. This well worth it.

\$8500 Ranch Style Home

Located just off Wayne Rd. Living room, 2 bedrooms, modern kitchen with dinette, utility room, 2 1/2 car garage, all on one floor. Second floor has 2 bedrooms finished in paneling, 4 lots with swings for youngsters, and a barbecue pit. IMMEDIATE POSSESSION. Restaurant In Northville. The gross intake is \$40,000. To do a business such as this both the location and good will must be superb. You may take over immediately. Cash \$11,000 or terms \$11,500 with \$6,000 down.

ATTENTION VETERANS

Why not take advantage of the offer that the government gives you in purchasing a home? We have government inspected homes that gives you a choice of tile in both bath room and kitchen, and your color scheme throughout. To buy these homes you will have to pay \$1200 down. Consult us for further information.

WEDDINGS

Russell Ash Marries Ferndale Girl at Livonia Church Wedding

St. Paul's Lutheran church of Livonia was the scene of the wedding of Virginia Jean Zink, daughter of Mr. and Mrs. Frank Zink of Ferndale, to Russell Ash, son of Charles Ash of Caster avenue, Plymouth, at 8 o'clock Saturday evening, August 16. The Reverend Theodore Sauer performed the double ring ceremony and the bride was given in marriage by her father.

During the ceremony, Linnea Vickstrom sang "Because" and "The Lord's Prayer." Mrs. Carl Ash of Redford, a sister-in-law of the groom, was the organist.

The bride wore a gown of

white marquisette over satin, fashioned with a fitted bodice, long pointed sleeves and ruffled train. The rounded neckline was edged with an off-the-shoulder ruffle and her full length veil of illusion was held in place by a tiara of orange blossoms. She carried a bouquet of white roses and carnations.

Helen Adolph of Ferndale, sister of the bride, served as matron-of-honor and her dress was of aqua marquisette designed with a sweetheart neckline and full skirt. Her flowers were pink carnations. La Donna Conklin of Detroit, Ellen Hooper of Wayne, Mildred Hennigan of Centerline, the bridesmaids, wore gowns of pastel pink, yellow and orchid marquisette and carried contrasting carnations. A niece of the bride, Sallie Sharon Cramer, was the flower girl. Her floor length dress was of blue taffeta and she carried a basket of pink rose petals. The bride's nephew, Richard Cramer, acted as ring bearer. Mrs. Zink, the bride's mother, chose a black and white print dress and corsage of red roses for the ceremony.

Arnold Ash, brother of the bridegroom, was best man, and the ushers were Charles Salow, Edward Ash and Robert Zink.

Following the ceremony, a reception was held at the Rosedale Community house. Guests were present from Ferndale, Monroe, Detroit, Centerline, Wayne, Ann Arbor, Plymouth, Saline, Cherryhill and Brighton. The bridal couple spent a week at Niagara Falls, Canada and New York. They will make their home in Plymouth.

marriage by her brother, James Lawrence Johnson of Reed City, wore a gown of ice blue net and taffeta with a fingertip veil adorned with medallions. The gown was caught at the neck with an old cameo which had belonged to her grandmother Pinckney, a former Plymouth resident. She carried a bouquet of white roses.

The maid of honor, Sylvia Nalbant of Detroit, chose a pink net gown trimmed with blue net bands, and carried delphiniums and pink Briarcliff roses. Thomas Walters of Elgin, Illinois was best man. The ushers were Frank Vilpski of Minneapolis, Minnesota and Thomas Williams of Detroit.

Tall white gladioli were used in the decorations and the traditional wedding music was played by Mrs. Maurice Woodworth. Little Gary Packard, as ring bearer for the double ring service, bore the rings in a beautiful white lily. Sisters Carol and Judy Fabin served as flower girls, attired in pink and blue costumes with Pinocchio roses and baby mums.

For her daughters' wedding, Mrs. Johnson chose a blue crepe gown with white accessories, and wore a corsage of pink roses. Mrs. Platt, an aunt of the bridegroom, wore a black gown with pink accessories and a corsage of pink roses.

The bride, a graduate of the University of Michigan has been teaching in Detroit. The bridegroom graduated from the University of Detroit, and is now attending the Detroit College of Law. He served with the Third Army in Europe.

The young couple left on a wedding trip to the Smoky mountains and North Carolina, returning by way of Washington, D. C. Mrs. Ponder wore a toast colored suit with brown accessories.

They plan to live in Detroit and Mrs. Ponder will continue to teach while her husband finishes his law course.

Former Plymouth Girl is Married at Presbyterian Church

Ann Lorraine Johnson, daughter of Mrs. J. L. Johnson and the late James Lawrence Johnson of Reed City, became the bride of William Nelson Ponder of Detroit, on Thursday, August 21, at a candlelight service at the First Presbyterian church. Reverend Henry J. Walch officiated. The bride, who was given in

City Engineer Marries Plymouth High School Teacher

Sanford Besse and Beatrice Highfield were united in marriage at the Methodist church Sunday morning by the Reverend Henry J. Walch. Both principals in the pretty ceremony, attended by friends and relatives, are well known throughout the city.

Mr. Besse has been city engineer here for several years and Mrs. Besse has been a teacher for four years in Plymouth High school. They were attended by their sons, Roderick Highfield and Stanford Leland Besse.

After the ceremony a wedding breakfast was served in the church parlors. The couple left for a trip through northern Michigan and will be at home after September 8 at 283 N. Harvey street.

LEGALS

STATE OF MICHIGAN, COUNTY OF WAYNE, ss.

No. 343,620
At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twentieth day of August in the year one thousand nine hundred and forty-seven.

Present James H. Sexton, Judge of Probate.

In the Matter of the Estate of ROSABEL M. TORRE, Deceased.

Frank Henderson, special administrator of said estate and executor of the last will and testament of said deceased, having rendered said court his combined first and final account in said matter and filed therewith his petition praying that the residue of said estate be assigned in accordance with the provisions of said will.

It is ordered, That the thirtieth day of September, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and for hearing said petition.

It is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

JAMES H. SEXTON,
Judge of Probate.

Deputy Probate Register

Aug. 29, Sept. 5-12, 1947

STATE OF MICHIGAN, THE PROBATE COURT FOR THE COUNTY OF WAYNE, ss.

No. 351,114
In the Matter of the Estate of MARTIN ANDERS, Deceased.

Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon EARL J. DEMEL, Administrator of said estate, at 46225 North Territorial Road, Plymouth, Michigan, on or before the 5th day of November, A.D. 1947, and that such claims will be heard by said court, before Judge Thomas C. Murphy in Court Room No. 308, Wayne County Building in the City of Detroit, in said County, on the 5th day of November, A.D. 1947, at two o'clock in the afternoon, and in the case of a surviving spouse, the court will also determine at that time whether and to what extent claims and administration expenses are payable out of community property or out of separate property of the deceased.

Dated August 25th, A.D. 1947.
THOMAS C. MURPHY,
Judge of Probate

Published in the Plymouth Mail once each week for three weeks successively, within thirty days from the date hereof.

Aug. 29, Sept. 5-12, 1947

The weight of the largest (Iowa class) battleship's screw is approximately 49,000 pounds.

WHY SUFFER FROM ATHLETE'S FOOT?

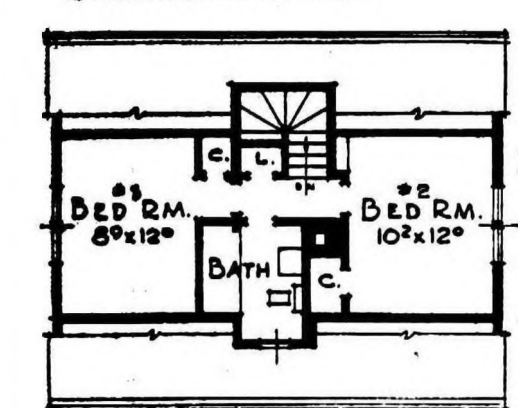

Get quick, proven relief from the discomforts of "Athlete's Foot." At the first sign of this skin irritation apply the same solution many doctors recommend — Trichophytosis Lotion. On sale at Beyer Pharmacy. Adv.

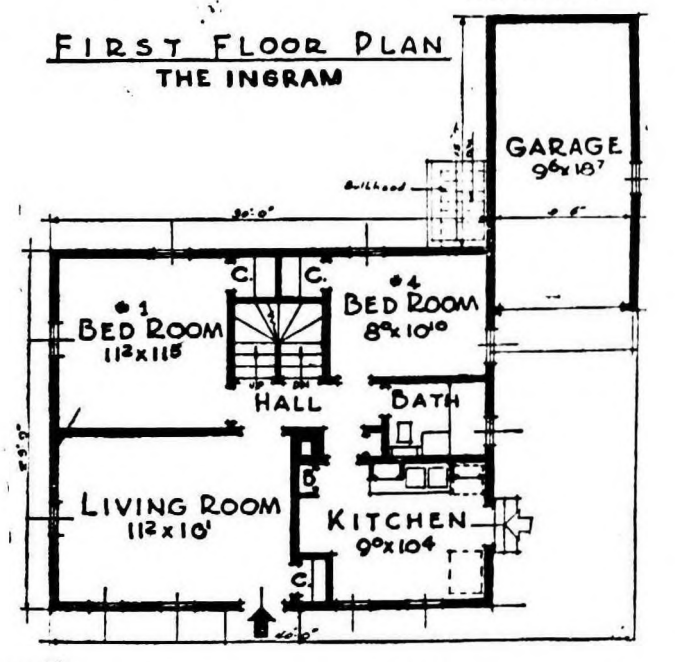

THE INGRAM

© HOUSING PLAN SERVICE, Inc.

226 AUG. '47

FINISHED ATTIC PLAN
THE INGRAM

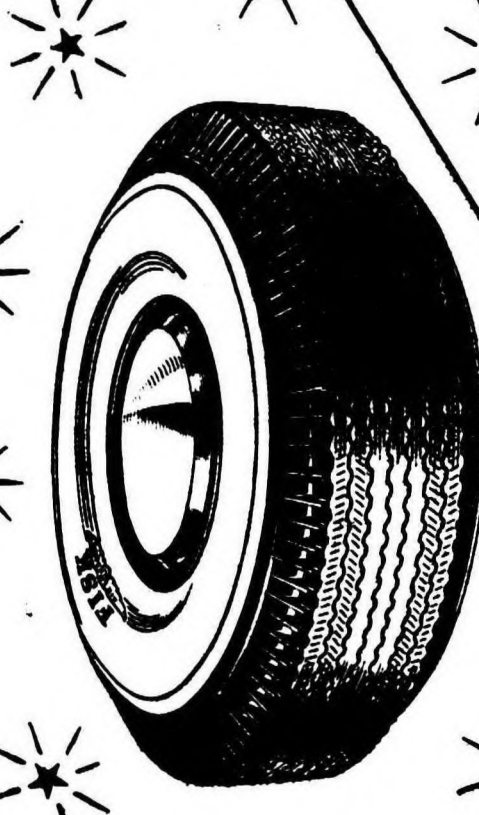

FIRST FLOOR PLAN
THE INGRAM

THE INGRAM—The home that can grow with expanding family needs serves a real function in these days of high costs and housing shortages. The most economical expandable house is one that can grow upstairs when more rooms are needed, and that in the meantime provides all the comforts and needs of a complete home on the ground floor.

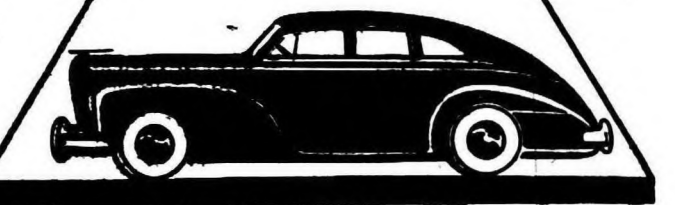

The Ingram is this intelligent and economical type of "expandable" house. In a floor area approximately 24 feet by 27 feet, it offers a complete four room and bath home on the first floor. Two additional rooms and second bath may be finished upstairs either at the

time of the original building or at a later date. Every downstairs room has two way ventilation. The house lends itself readily to the construction of an attached garage which of course, might be left off in the interest of economy. The exterior, with its dignified entrance, louvred shutters, black capped chimney and dormer window makes an attractive picture. The Ingram conforms to FHA standards and its electrical plan carries the approval of the National Aerequet Wiring Bureau. Blueprints and specifications may be obtained. Further information is available at our office.

LOCAL News

John H. Olsaver, stationed at Tokyo with the Medical Detachment of the Eighth Cavalry regiment, has received his T4.

Mr. and Mrs. T. H. Roberts announce the birth of a son, Joseph Peterson II, on July 19 at St. Joseph's hospital in Ann Arbor.

Mrs. R. D. Nesbitt of The Knoll on McClumpha road entertained at luncheon Friday in honor of her mother, Mrs. Roy Moore of Detroit.

Cynthia and Ritchie Dattendorff and Sam Showalter of Wheaton, Illinois spent the weekend with Dr. and Mrs. John Olsaver.

Mr. and Mrs. William Hawk and their daughter of Willoughby, Ohio, are spending the weekend with Dr. and Mrs. John Olsaver.

Mrs. Charles Sawtelle and daughter, Doris, of Rosedale Gardens left last Friday by airplane for a vacation at Dover Plains, New York to visit Mrs. D. C. Searies, aunt of Mrs. Sawtelle.

Mrs. Sam Showalter and daughter, Judy, have returned to their home in Wheaton, Illinois, after spending ten days with Mrs. Showalter's parents, Dr. and Mrs. John Olsaver of Maple avenue.

Mr. and Mrs. William H. Thams and daughter Vicki, of Midland, Texas, are visiting at the home of their parents, Dr. and Mrs. S. N. Thams, who is a geologist with the Anderson-Pritchard Oil Corporation. With their parents and Mr. and Mrs. Paul Thams and daughter, Helen, they will spend the weekend at the Thams cabin near East Tawas.

Mr. and Mrs. Robert Malloy of Cincinnati, Ohio, have been visiting her parents, Mr. and Mrs. Gerald Hix, for the past two weeks. While they were here they all enjoyed a motor trip to Chicago. Mr. and Mrs. Malloy returned to Cincinnati this morning, taking Mrs. Malloy's brother, Glen Hix, with them for a week's vacation.

A group of ladies from the Loyal Daughters Class of the First Baptist church went to Adrian on August 19 to hold their regular meeting at the home of Mrs. Nelson Bakewell. Those present were, Maud Anderson, Metta Hamill, Edna Campbell, Esta Pritchett, Eleanor Schraufnagel, Alice Arnold, Florence Cline, Edna Humphries, Hazel

Figures Misprinted in School Report

Through error two sets of figures were jumbled in last week's issue of The Mail in the annual school financial report. The figures stating the total receipts and opening balance should have been \$344,163.76 and the figure showing the disbursements as per schedule should have been \$341,375.81. Subtraction of the second figure from the first left \$2,787.95 balance on hand June 30, 1947.

The Passage-Gayde Post 391 Auxiliary held a business meeting Thursday, August 14 to elect new officers for the coming year. Mrs. Maxine Kunz, president; Mary Raybill, first vice-president; Mrs. Phillips Hewer, secretary; Mrs. Thelma Flannagan, treasurer; Mrs. Helen Poczik, chaplain; Mrs. Rosemary Keller, historian; Mrs. Mary Hoffman, sergeant-at-arms. The annual reports were given during the meeting.

Veterans Administration operates its own canteen service for benefit of patients confined to each of the nine VA hospitals in Ohio, Michigan and Kentucky.

1,155 United States Marines participated in the War of 1812, with casualties amounting to 111 men.

LOCALS

Mr. and Mrs. Mark Ellenwood who reside on Commerce road north of Walled lake, announce the birth of an eight pound, 12 ounce boy, named John Mark. The birth took place on August 20. Both mother and babe are doing nicely. Mrs. Ellenwood is the former Eva Scarpulla of this city.

Mr. and Mrs. H. E. Canning and their children Nancy, Sally, Elaine and Mary are back at home on Schoolcraft road, after a three weeks' vacation. They visited New York City, the Statue of Liberty, Boston, Massachusetts, Bangor, Maine, St. John's, New Brunswick and visited relatives.

at Diligent River, Nova Scotia. They were guests at a clam bake on the Bay of Fundy, fished for flat fish and salmon and swam in the salt water of the Atlantic Ocean.

Another Plymouth man is back in uniform while taking his annual two weeks training duty it was announced today by Captain W. D. Anderson, commanding officer of the Naval Air Station Grosse Ile, Lt. (j.g.) Donald E. Reh of West Ann Arbor Trail reported aboard for active duty. Reh, the son of Earl R. and Frieda Reh, spent five and one half months in the Pacific during the war for which he received an Air Medal and the Fleet Unit Citation while serving with VF-80, VF-7 and VF-103.

A dinner was given in honor of Mrs. Cora Brown on her 84th birthday at the home of Mr. and Mrs. W. D. Brown of Sheridan avenue. Mrs. Brown is visiting here for the summer from Delmar, New York. Those present at the dinner were Mr. and Mrs. Robert J. Stetsen, Robert, Jr., and Beverly Diane, Mr. and Mrs. Alvin Fricke, Mr. and Mrs. Warner Brown of Royal Oak, and Beverly Brown of this city, grandchildren and great-grandchildren of Mrs. Brown.

LEGALS

STATE OF MICHIGAN — ORDER OF CONSERVATION COMMISSION — POINTE MOUILLEE STATE GAME AREA — MONROE AND WAYNE COUNTIES.

The Conservation Commission, by authority of Act 17, P. A. 1921, hereby orders that for a period of one year from September 15, 1947, it shall be unlawful to use the lands and waters within the Pointe Mouillee State Game Area in Sections 23, 24, 25, 26, 35, and 36, T 5 S, R 10 E, Sections 1, 2, and 11, T 6 S, R 10 E, Sections 30 and 31, T 5 S, R 11 E, as posted—except under the following restrictions—

To facilitate the orderly management of public hunting and other recreational activities the Pointe Mouillee State Game Area shall be divided into three units described as follows:

CONTROLLED HUNTING AREA:
 The Controlled Hunting Area may be described as starting at the north-west corner of Section 23, T 5 S, R 10 E; thence easterly along south bank of Huron River to Pointe Mouillee canal in the SE 1/4 of said section; thence southerly along said canal to the west line of Section 31, T 5 S, R 11 E; thence south along said section line to the shores of Lake Erie; thence southwesterly along shore line to the most westerly part of Cripple Point in the SW 1/4, Section 1, T 6 S, R 10 E; thence west to the north in the south quarter line of Section 2, T 6 S, R 10 E; thence north to the center of Section 35, T 5 S, R 10 E; thence east 1/4 mile more or less; thence north to the point of beginning as posted; except the portion set aside as a waterfowl refuge.

WATERFOWL REFUGE:
 Beginning near the mouth of the Huron River at the intersection of the canal and Veit's Channel with the Huron River as posted; thence S 32° W 13 chains along the east side of Veit's Channel; thence S 22° E 12 chains to the northeast corner of Section 36, T 5 S, R 10 E; thence S 19° W 13 chains; thence S 30° W 24 chains; thence S 5° W 20 chains; thence S 62° W 18 chains; thence S 28° W 24 chains to the west side of Jackson's Island; thence S 65° E 31 chains to Lake Erie shore; thence northeasterly 68 chains to the "break through" to the canal in SW 1/4, Section 31, T 5 S, R 11 E; thence N 61° W 4 chains to the west bank of the canal; thence northerly 94 chains along the west bank of the canal to the point of beginning.

UNRESTRICTED HUNTING AREA:
 All remaining lands purchased by the Department of Conservation from the Pointe Mouillee Shooting Club not included in the CONTROLLED HUNTING AREA and WATERFOWL REFUGE as posted and as described above.

It shall be unlawful in the Controlled Hunting Area as herein described and posted:

- To enter or leave during the waterfowl hunting season without first registering with the duly authorized representative of the Conservation Department.
- To fish during the waterfowl hunting season.
- To hunt after 4:00 P.M., Eastern Standard Time.
- To operate motor boats or outboard motors during the waterfowl hunting season.

It shall be unlawful in the Waterfowl Refuge as herein described and posted:

- To hunt, fish, trap, or disturb waterfowl, or without written permission to enter the refuge for any purpose during the open waterfowl hunting season.
- To leave cans, bottles, papers, rubbish, refuse, or garbage on the ground or in the waters.
- To remove or injure live trees, shrubs, or plants or to remove sand, gravel, marl, clay, or other minerals without written permission.
- To remove, deface, or injure any building, equipment, improvement, sign, or other public property.
- To place or distribute advertising signs or literature; to solicit membership in any group or organization; to conduct raffles; or to promote business enterprises of any kind without written permission.
- To engage in trap shooting or conduct organized trap shoots except by prior arrangement with the Department's authorized concessionaire who shall have direct supervision over all trap shooting activities.

PENALTY
 Violation of any rule or failure to perform any act set forth in the rules is punishable by a fine of not more than \$100 and costs of prosecution, or by imprisonment in the county jail for not more than 90 days, or by both fine and imprisonment in the discretion of the court.

By order of the Michigan Conservation Commission this fourth day of August.

DONALD B. McLOUTH
 Chairman, Conservation Commission
 P. J. HOFFMASTER

Step lively?

You bet it will!

ACTION'S what you bought, sir — and smoothly satisfying action's what we're prepared to give you when you drive a Buick.

Whether it is spanking new or has thousands of miles of faithful service on it, there's nothing like Buick care and Buick "savvy" to keep your Buick baby delivering right up to the hilt.

We know what your Buick can do — so we know when it's at its best. We can split a second into hundredths to get the timing of your Fireball engine right on the nose — sensitive, Buick-approved bubble glass gauges help align your wheels to keep steering true

and taut, and finger-tip responsive.

When time finally does take its toll, we have genuine Buick-engineered parts with which to make replacements. If it's just a case of a well-tuned car spotting what to do to keep your car in the pink, we have mechanics who are Buick specialists and who know your Buick baby from the inside out.

It's a grand car you've got there, so why risk missing out on all it can deliver by giving it just ordinary service? Treat it to real Buick care, made up of Buick savvy, Buick tools, Buick parts — and get all the happiness and satisfaction you should be getting from it.

BUICK CAR CARE MEANS

MEN
 Buick men know Buicks — know how to keep yours at its best.

PROPER EQUIPMENT
 Special Buick tests and Buick tools make certain everything's right up to snuff.

CORRECT PARTS
 When replacements are needed, you get genuine Buick-engineered parts.

AUTHORIZED Buick SERVICE

DeHoCo vs. Oldsmobile
The Class A championship will be decided tonight, August 29 at the High school field. DeHoCo and Oldsmobile each having suffered a defeat by the other will meet at 6:15 p.m. Immediately after the game the winning team and Daisy Air Rifles will be presented with their trophies.

State Softball Tournament
Boginger Oldsmobile, Plymouth representative in the State Softball tournament, suffered two straight defeats to be knocked out in the second round.

The luck of the draw made the Olds team meet the Wyandotte Indians, runners-up in the 1945 and 46 tournaments, at 5 p.m. Friday, August 22.

Olds took the lead in the first inning. After Zielasko went out short to first Wilkie walked and when the first baseman erred on Bassett's grounder went to third. Schryver went out third to first but Egloff singled to left scoring Wilkie.

The Indians struck in the last of the third as Gwardzinski and Palamara singled. Zukowski popped to Egloff. Then Gordaz singled to center scoring both runners. Street retired the next two

batters to stop the scoring for the game.

Final score: Wyandotte Indians, 2; Plymouth Oldsmobile, 1.

Saturday morning Plymouth met Jackie's Bar of Detroit in an exciting game which by the fifth inning drew most of the spectators from the other games.

Oldsmobile's failure to hit with men on the bases caused their defeat. In the second inning with Egloff on third and Gillis on second and no one out LaRue of Detroit forced Street to hit to second and then struck out Lynch and Lacy. In the sixth with the same bases occupied and two out LaRue again struck out the batter to retire the side.

Street retired ten Detroit batters before Caloria singled in the fourth. Caloria's hit and singles by Veneri in the fifth and Woznicki in the sixth were all of the infield variety. Up to the first of the seventh a lazy fly to center was the only ball hit out of the infield by Detroit.

Detroit's break came as Verchueren, the clean-up hitter hit a line drive over Egloff's head and as Bassett fumbled the ball he streaked for second, rounded the bag and headed for third. Zielasko's relay got away from a hard slide and the ball arrived at the same time. He got up and started for home as Wilkie retrieved the ball. Wilkie's throw was face high as the runner slid under the tag. This was the deciding play as Olds went out in order in the last of the seventh.

Art Gillis of Merchants, extra player taken by Olds, was the leading hitter getting two out of four. He also brought the crowd to its feet in the fourth inning against Detroit when their centerfielder took his 275 foot drive in a beautiful running catch with his back to the plate.

Detroit was later beaten by Adrian in the semi-finals and Wyandotte suffered the same fate in the finals.

Cardinals at Dearborn
Wiedman's Cardinals, Plymouths class E baseball team, dropped an 8 to 7 game in the last of the ninth to Inkster to be knocked out of the State Tournament.

Inkster scored two runs in the first on an error but the Cards came back to lead in the third 5 to 3. Inkster tied the score but the Cards again took the lead in the seventh 7 to 6. Note: All Class E games are seven inning contests unless tied. The first batter in the last of the seventh singled but went to third as the ball took a bad bounce and went over the centerfielder's head. After Jack Scheel retired the next two batters a single scored the tying time.

In the last of the ninth the center fielder fumbled a single allowing the batter to reach third. Scheel again retired the next two batters. Then, the runner broke for home and scored as Harder dropped Scheel's throw.

Plymouth Field Meet
Everybody is reminded that the Field Meet will be held on Saturday, September 6 at 2 p.m. on the High School field. There will be events for all ages.

Entries or registration is not required as appearance at the field on the day of the meet is sufficient to enter.

The "Moby Dick," the Navy's powerful rocket motor, exceeds by more than one-third the thrust of German rockets used to bomb London.

Earnestness is the best source of mental power; and deficiency of heart is the cause of many men never becoming great.—Bulwer-Lytton.

**Scouts Camping at
Lake Michigan**

The Plymouth Rotary Club Boy Scout troop, P-3, left last Saturday, August 23 to spend ten days camping at the Silver Lake State Park, near Hart, Michigan, in Oceana county.

At the camp site, which is about 230 miles from Plymouth, the boys spend their time swimming, pitching horseshoes, hiking over the sand dunes, playing baseball and fishing. Each Scout will also receive a ten day camping trip award which is worn on the uniform. This is the second year the troop has spent at Silver Lake so many of the boys already have one camping award to their credit.

In order to make the outing the Scouts collect and sell old newspapers during the year. Part of the troop expenses are also paid by its sponsor, the Rotary club.

Bob Miller, Charles Miller, Bill Agosta, Don Mathias, Richard Jackson, Norman Treadwell, John Hancock, Albert Meyers, Robert Olds, Paul Broilet, Danny Lasky, Jack Wall, Jack Helmer, Frank Hokenson, and scoutmaster Ferris Mathias will compose the camp this year.

Like to travel... with expenses paid?

MAYBE it's travel you want—in exotic foreign lands. Or thrilling adventure along new frontiers in electronics, aviation, medical science. Perhaps the chance to learn a useful, modern skill.

If you are 18 to 34 (17 with parents' consent) and otherwise qualified, you can get them all in the Regular Army. Yes, it's true: only 3 out of 5 applicants are good enough to make it. That means you'll serve your country with an outfit you can be proud of.

Study the pay chart below. That pay is clear. You don't pay a cent for food, lodging, clothing. Sound good? Then—get the full facts today at your nearest U. S. Army Recruiting Station.

NEW, HIGHER PAY FOR ARMY MEN

Starting Base Pay	MONTHLY RETIREMENT INCOME AFTER:	
	20 Years' Service	30 Years' Service
Master Sergeant or First Sergeant	\$165.00	\$107.25 \$185.63
Technical Sergeant	135.00	87.75 151.88
Staff Sergeant	115.00	74.75 129.38
Sergeant	100.00	65.00 112.50
Corporal	90.00	58.50 101.25
Private First Class	80.00	52.00 90.00
Private	75.00	48.75 84.38

In addition to column one of the above: 20% increase for service overseas; 50% increase, if member of flying crew; 50% increase, up to \$50 maximum per month, if member of glider crew; \$50 per month for parachutists (not in flying pay status) while engaged upon parachute duty; 5% increase in pay for each 3 years of service.

A GOOD JOB FOR YOU U. S. Army

FAIR IN THE LIGHT OF MEMORY SHINES

MICHIGAN My MICHIGAN
ELTON R. EATON

From the University of Michigan comes information which will be of interest to residents of the Wolverine state who are especially interested in some of the pests that are destroying fish in our Great lakes and providing plenty of it for those who bathe in some of our northern Michigan inland lakes.

Sea lampreys and swimmers itch, vanishing lakes and the best use of marginal land—these and other problems affecting Northern Michigan were studied this summer at the two University of Michigan camps in Cheboygan and Emmet counties.

They are the University Biological Station on Douglas Lake and the Geography Camp at Wilderness Park.

The Biological Station, with 130 students enrolled, provided opportunities to do field work and continue university classes at the same time. Fifty research projects, conducted by advanced students, doctors and educators from the East and Middle West, were under way during the summer.

A Harvard staff member did research on swimmers itch; a Wayne professor gathered new facts on the sea lamprey. Students came from 25 states and eight foreign countries.

Two factors combine to make the Biological Station popular. The University owns 8,007 acres on the south side of the lake, mostly tax lands with no economic value. But those acres are a rich area in plant, insect, fish and animal life.

Of the 23 known families of insects in the world, examples of 22 are found around Douglas Lake, according to Professor Alfred H. Stockard, director of the station.

The other camp is concerned more with what use man can make of the land than with what lives on it. Geography today, as Prof. K. C. McMurtry says, isn't alone making maps; it also appraises what those maps tell so that man can make the best use of the resources.

At the Geography Camp there were 23 students, six of them girls and most of the men veterans. As is the established practice of the University's Department of Geography, it combines field teaching and experience with some work which is of practical value to the Conservation Department of the State.

Ever since 1922 when the Michigan Land Use Economic Survey was launched, the summer Geography Camp has been compiling facts for the Conservation office.

This summer two lakes were

the den. Ammonia seemed scarcely to bother them. Smoke from burning sulfur and burning fuel oil had no better results, so game men at Rose Lake wildlife experiment station still are searching for the chemical that could revolutionize the censusing of small game animals.

For testing purposes an artificial den with one wall of glass for observation and a 30-foot tunnel has been built at Rose Lake, and foxes, woodchucks and muskrats tested in it, with repeated 30-minute doses.

If game men can find the chemical to do the job, they could quickly and accurately count and ear-tag the den dwelling animals in any particular area. At present they must rely on box traps, trapping and time-consuming observation of every sign of the animal's presence.

The ideal gas would be harmless, yet irritating enough to drive the animals from their holes. Appeals to chemical companies have so far failed to unearth any such preparation, and technicians now welcome suggestions from any interested chemist.

The game men realize they are up against a psychological problem. The animal deep in the den probably feels he is safer there than he could be anywhere else. Irritants appear only to increase the fear of leaving; something to relax inhibitions, as well as an irritant, is believed needed.

Don't be afraid of opposition. Remember a kite rises against, not with the wind.—Hamilton W. Mabie.

All these thrills are yours when you own this one car giving BIG-CAR QUALITY AT LOWEST COST

Here are all the major thrills of motoring combined in one outstanding automobile—the new 1947 Chevrolet. Big-Car styling—Big-Car comfort—Big-Car performance—and big savings, too! They're all yours in this only motor car giving BIG-CAR QUALITY AT LOWEST COST.

One look at this smartly styled Body by Fisher will tell you it's the most beautiful motor car body in its field—both inside and out. It's extra-roomy, extra-comfortable, and extra-safe as well. It's one of the many Big-Car advantages found only in Chevrolet and higher-priced cars.

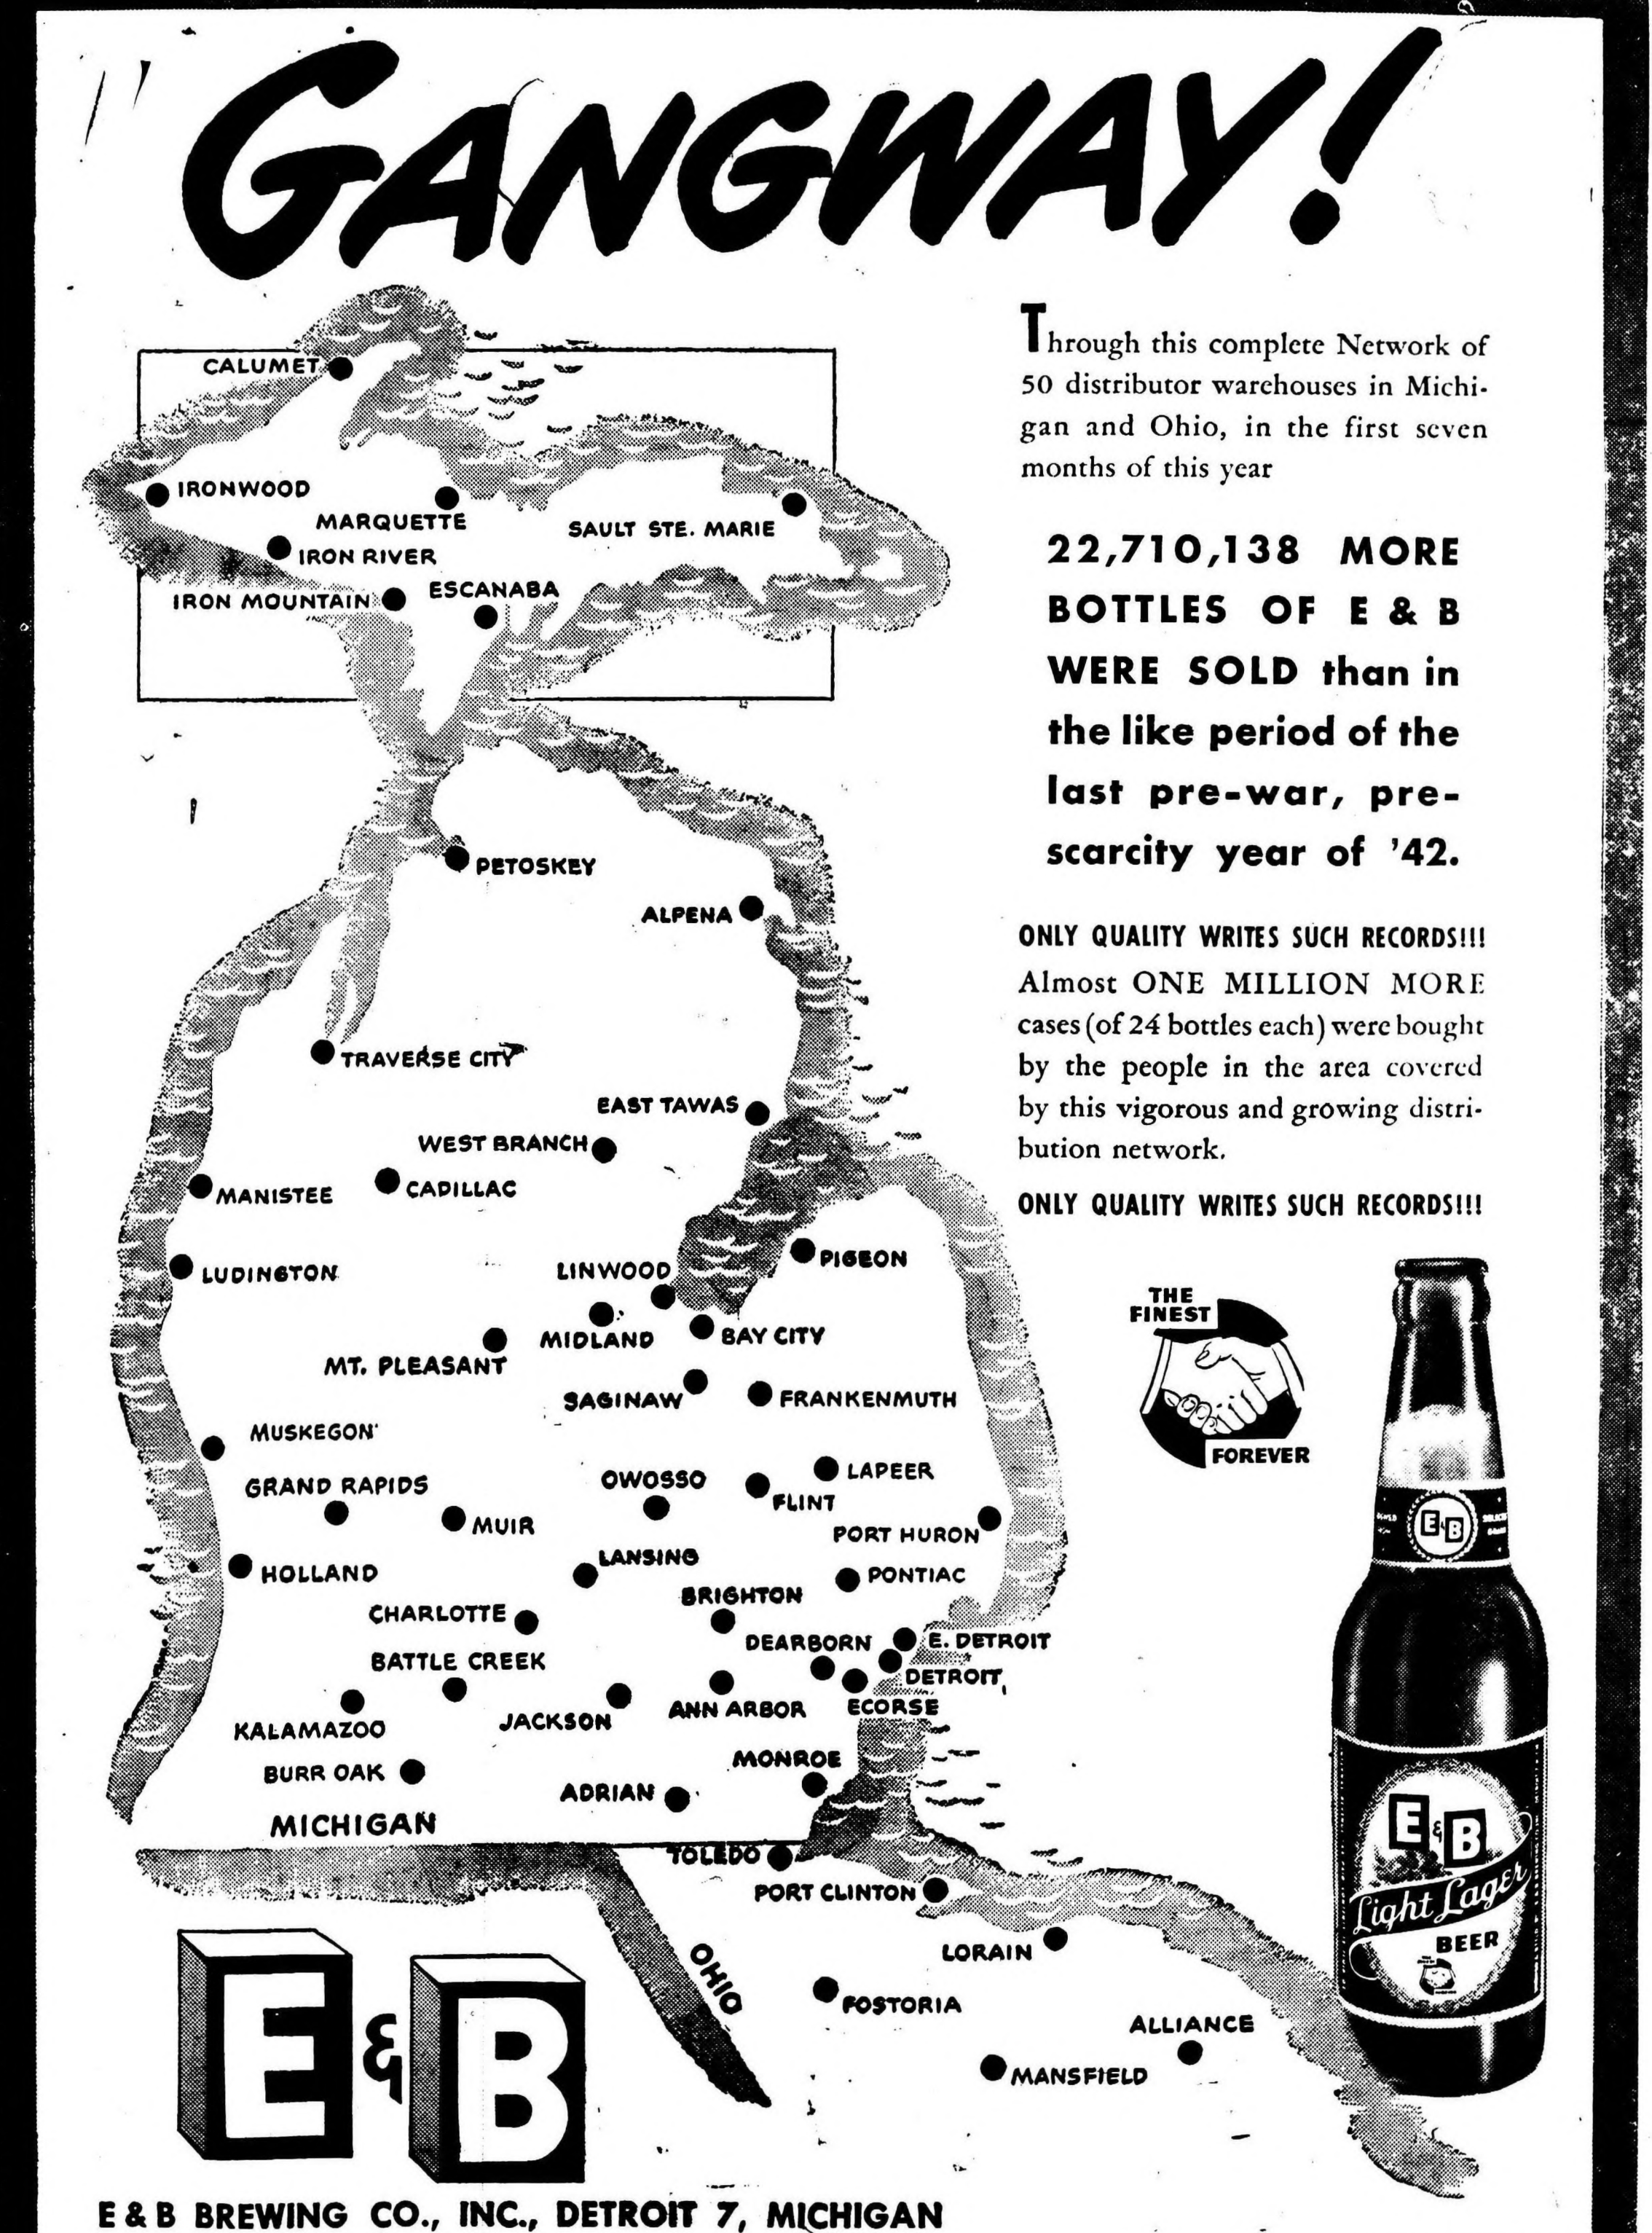

In the new Chevrolet, riding is like cruising in perfect weather. Your trip is so smooth, so steady, so enjoyable! You ride in solid, balanced comfort over all types of roads, with the famous Knee-Action Gliding Ride—exclusive to Chevrolet and higher-priced cars.

Count on having hair-trigger get-away—power for any hill—all the speed you'll ever need! For this new Chevrolet boasts a Valve-in-Head Engine—the extra-efficient type of engine—giving maximum results from every gallon of fuel. Remember—Valve-in-Head performance and reliability are exclusive to Chevrolet in the lowest-price field.

May we suggest that you keep your present car operating efficiently and dependably by bringing it to us for skilled service, new and at regular intervals, until you secure delivery of your new Chevrolet. Come in for a complete service check-up today!

Scout Jamboree Is Great Event

Ray Highfield, Plymouth lad attending the world jamboree of Boy Scouts now being held in France, has written a brief note to The Plymouth Mail telling of the routine of the Scouts in attendance at this famed Scout event.

His letter follows:
Jamboree, France
"Dear Editor—
"We arrived at the Jamboree camp site, August 7, at night and our duffle hadn't arrived and did not arrive until the following afternoon.

"The evening of August 9, we had a 'Grand Opening' in which all the scouts here took part. It was held at the arena from 8:30 p.m. until 12:15 a.m. We marched to the arena where the Drum and Bugle Corps from Madison, Wisconsin, played a few songs. Following in order were floats illustrating the past five Jamborees. We then marched back to camp.

"During the day we have free time except for troop details that arise now and then. With this free time we write letters, trade badges, and other items with foreign Boy Scouts, work for the C.S. (Central Staff), go to the market here in the camp and I am mail orderly for my troop.

"Last night my sub-camp had a council fire and my patrol lighted the two fires with fire by friction and by flint and steel. My patrol, the Detroit area boys, have been practicing this under the direction of Uncle Otto of Detroit."

Cooper Votes To Send Eighth Grade to Livonia

At the general open meeting Wednesday, August 20, the Cooper School District passed by a vote of 46 to 1 to send all eighth grade students to Livonia for the coming year.

The Cooper District will be reimbursed by the State for tuition students sent outside the district. Ninth graders will attend the nearest high school.

The question of transportation and cost is being worked out and it is the understanding of the Board that the State Department of Public Instruction will also reimburse them for transportation costs.

Tuition monies however, are not received until the following year from the State.

Clarenceville Voters Will Go to the Polls Again Sept. 15

Voters in the Clarenceville School District will go to the polls again in September to determine whether or not they will have a new gymnasium, it was announced Monday at the regular meeting of the Board of Education.

A petition was presented to the Board bearing the signatures of 116 residents of the Clarenceville School District, calling for another election at once regarding the increased millage and bond questions. A large delegation of residents attended the meeting.

The Board voted unanimously in favor of resubmitting the questions to the voters. They set the election for Monday, September 15. Registration books are now open and registration will continue until Saturday, September 6, the last day.

Any person 21 years of age, a citizen of the United States and a resident of the state for six months and of the school district 20 days prior to the election, is eligible to register and vote. Registrations are now being taken at the Clarenceville High School on Middlebelt road from 9 a.m. to 3 p.m. daily, or at the home of any member of the Clarenceville School Board. Hours for the last day, September 6, will be announced next week.

Two questions will be voted on as in the previous election held August 4, when the millage question lost by 7 votes. One will be whether or not to increase the millage above the 15 mill limitation and the second will be on the bond issue. The only addition requirement for voters other

Cooper School Starts Sept. 2

Kindergarten will be the same as last year, a morning and an afternoon session. Any child who reached the age of five years on or before October 1, 1947 is eligible for kindergarten. At the end of 30 days if the classes are not too crowded the children whose birthdays fall during the month of October will be admitted.

Everyone is to report on Tuesday, September 2 for school. There will be an announcement next week regarding transportation to school and the times for the various classes to report to the school.

Plans call for a 1000 seat gymnasium with a regulation basketball floor which will occupy the main part of the building. A separate band room and storage place for instruments is also being planned. Hot and cold showers for both boys and girls will be installed. The cost of the proposed building has been estimated at \$116,000. The cost to the district has been set at 11 mills or 1.1 percent for 5 years.

The millage question requires a two-third majority to carry, while the Bond issue requires only a simple majority. Although the bond issue carried in the August 4 election, both issues will have to be voted on again.

At least 7,000 persons board a truckless trolley coach, street car or bus every second of the night throughout the United States and Canada.

Health Tips

(By The Plymouth Health Department.)

In recent years small pox and diphtheria are almost unheard of in most communities.

Why is this so? Because of advances made in immunizing materials and extensive campaigning to have children protected.

About 20 years ago there was some cause for objecting to the results from immunization against diphtheria. But today the material used is practically without danger of any type of reaction.

The method now used in vaccination against small pox seldom causes any serious trouble, and if properly administered and cared for the result is a very small scar, quite unlike the large ugly scars of years ago.

Until a few years ago, if a child received a wound that would require tetanus antitoxin, he would be almost certain to develop hives from the horse serum reaction.

Now children can be protected with a tetanus toxoid. Then in case of an injury a simple booster shot which causes no reaction is given.

This toxoid can be given alone or in various combinations with diphtheria toxoid or pertussis (whooping cough) vaccine.

Below is a table of immunizations, as worked out by the Michigan Department of Health and accepted by practically all Boards of Health and Medical Societies.

At 3-6 months of age, pertussis. At 9 months, diphtheria. At or before 12 months, small pox vaccination.

At 15 months (or 6 months after last diphtheria injection) A Schick (test is done to check on the results of immunization).

A common practice is to start the combined toxoids in using at 4 or 5 months and one injection per month for three injections is given.

When the child enters school a booster dose of diphtheria toxoid and pertussis diphtheria is advisable.

If all children are protected as above outlined we would not need to worry about epidemics.

The anchor of the aircraft carrier, USS Roosevelt, weighs 40,000 pounds.

A Navy PT boat, operating at maximum speed, consumes up to 500 gallons of gasoline an hour.

Ham and Eggs Help Each Other

Experiments in nutrition are revealing interesting facts about how certain foods are more valuable to the human system when eaten in combination with other foods. For example, the combination of ham and eggs is better than either one of the foods eaten alone. Apparently, the proteins, carbohydrates and minerals of each are more efficiently used by the body when they are brought together than when only one is consumed.

Recognizing the importance of the "ham and eggs" nutrition theory feed manufacturers have been carrying out extensive tests to further improve the quality of poultry and livestock feeds.

Kasco Mills, Inc., manufacturer of farm feeds, have recently announced their new system of "Bio-rating" is a method of selecting the finest quality, most easily digested, most efficient protein combinations usable by poultry and other farm animals. Bio Proteins is the term given to the finally accepted protein combinations used in the particular asco feed.

mash for poultry, has been officially Bio-rated. It contains Bio Proteins and represents the very latest in Kasco research findings. Carl's Kasco Feeds located on Starkweather avenue is the local distributor of Kasco Egg Producer and other Kasco feeds.

The devotion of thought to an honest achievement makes the achievement possible. — Mary Baker Eddy.

Never before such a kitchen for cooking!

"MIXING CORNER KITCHEN" . . . with all the "tools" for easy baking in one central spot. But even more important, this latest "New Freedom Gas Kitchen" makes short work of four big kitchen jobs! 1. Food storage is more convenient with a new silent gas refrigerator that stores a week's groceries plus 60 packages of frozen foods. 2. Cleaning's a cinch thanks to a special ventilating system that catches greasy vapors and unwanted cooking odors at their source. 3. Dishwashing's almost fun now that a new automatic gas water-heater supplies plenty of hot water for a do-everything dishwasher. 4. As for cooking, see your Gas range dealer and get the thrilling details about the new automatic Gas range built to "CP" standards. Come in and order one for your "New Freedom Gas Kitchen"—today!

Join The Parade to TERRY'S

Tops in Flavor and Nutrition

For bread that fairly entices you with its fragrant, home-baked goodness—try ours. Every loaf you purchase here is a baker's masterpiece of wholesome nourishment and taste appeal. Take home a loaf of our bread today.

TERRY'S BAKERY

BABSON

Babson Discusses Europe
Lake Success, N. Y., August 29.—I am in New York City trying to get the low-down on the real conditions abroad. Truly they are very discouraging. It looks much like the case of our neighbor's house being on fire when, if we do not help him to put his fire out, our house will burn down also.

England's Hard Times
Conditions for the ordinary family in England are as bad as during the war although they now have the satisfaction of having fathers and boys safely at home. The best meat is horse meat from Argentina; the best eggs are powdered eggs from China; the best sausages are filled with oatmeal; and the best coffee is made of burnt beans. People moreover, have to stand in line for hours to get even these things with a loaf of black bread.

When I see the waste in hotels, restaurants and most U. S. homes, I feel very much ashamed. Today millions of British people are living in the cellars of ruined buildings or in temporary shacks. It is true that carpenters coming to these wrecked cities are demanding high wages, because they themselves find no places to sleep or food to eat.

What About France?
While talking with those from France, I am told that its trouble is more one of distribution. Northern France has been heavily bombed; but there is a plenty of meat, milk and butter. The highways and railroads, however, are so bombed out, and gasoline and trucks are so scarce that this food cannot get to Paris and the other large cities. There should be enough food in Southern France; but there the Communists are in control and they are doing all they can to cause trouble and unrest.

Even when a Parisian gets out into the country to buy food, the farmer will not take francs in payment except at a big discount. He really wants either American dollars or English pounds. If gold or silver is not available for currency, he wants gold jewelry or silverware or something else which he can use as barter to buy clothes, blankets or machinery. Here is certainly a lesson for all.

U.S. big city dwellers. Keep hidden in your house at all times a certain amount of currency, gold jewelry, silverware and diamonds that you can take with you if you suddenly are forced to escape from some big city at the beginning of World War II. You won't have time to visit your safe deposit box!

Germany Is Gripping
In England and France both the food and shelter problem is very serious but the people of these countries are not complaining. In Germany, however, everyone is gripping. They are mad now and blame all their troubles onto us. They hate our officers and our cornbread. Fats are very scarce as well as coffee, sugar and all imported products. Most farm homes are reported to be in good condition; but the cities are largely in ruins and the housing conditions terrible.

During the war the Germans robbed France, Belgium and Holland of their fine pictures, silverware, imported china, etc. These things were stored in the homes of German politicians and officers. Now these city people are offering these things to the farmers (who will not accept paper money) in exchange for food. This is another illustration of why I am advising U.S. young people to settle in the country or on a small farm away from certain of our big cities which will someday be in the same mess that these German cities are today. United Nations statisticians tell me that, at the present rate of reconstruction it will take 100 years to clear up the debris.

Poland and the Balkans
The Poland and Balkan representatives are terribly downhearted. These people believe that the Allies, the Germans and the Russians have all double-crossed them and stolen from them. Here even the farmers have been robbed of their cattle, horses, carts and what little machinery they had. Still worse, the people of these countries, are fast losing their character, morals and all sense of honesty.

Lying is now recognized throughout all Europe as being normal and right; but in Eastern Europe sexual restraint has been thrown aside and millions are running and mixing like wild animals. If a girl can sell her virtues to an Allied or even Russian soldier for food or clothing the parents say "Well done." Here again conditions are worse in the big cities where prostitution is said to be a major industry. This is another reason for bringing up your family in the country or in a small American city.

Japan Best Off of All
Rural Japan is said to be in good shape. The farmers and fishermen have enough to eat. In fact, most of the poor people of Japan are better off today than before the war. Of course, the wealthy families are down and out. Stocks, bonds and bank accounts have been wiped out. In the severely damaged big cities crime, gambling and prostitution still reign. The principal complaint of the Japanese is "the atomic itch" whatever that may mean.

I talked with a person just back from Hiroshima who says that even its people have no grudge against us Americans. They welcome our occupation and speak well for the behavior of our troops. One Japanese said to me, "Really, Mr. Babson, I think Japan won the war." Upon asking for his reason, he replied "Why you have Truman for a leader and we have MacArthur."

What of the Future?
An unconscious question among the delegates of these fifty nations is: How long can we in the United States continue to "live the life of Riley," wasting on food, bad entertainment, unneeded clothes, beauty parlors, drinking taverns and strike picketing while the rest of the world is starving. You readers can answer this question as well as I. It seems to me, however, that unless there is a voluntary levelling off, the whole world will some-

25 YEARS AGO
FROM THE PLYMOUTH MAIL FILES

day gang up against us. It is believed that a dance on the Penniman avenue pavement will feature the free entertainment for Saturday, September 2. The Millard band will furnish the music, and everybody is cordially invited to come and enjoy both the dancing and the music. Don't forget the date, and tell your friends.

The ladies of the Maccabees gave a very pleasant evening, August 17, to the ladies who had been members of the Plymouth Hive continuously for 15 years or more. The Hive was organized 30 years ago this year, and there were six ladies among the guests of honor who were charter members. Invitations were sent to 25 ladies who were entitled to be guests of honor, 18 of whom were present. The welcoming address was given by Commander Mabel Dicks in the form of a very clever poem, after which several of the guests gave short talks on the earlier days of the Hive.

The Northville Wayne County Fair for 1922 is going to be in the "bigger and better" class again this year. The dates selected are September 27, 28, 29, and 30 and the program arranged for the three days will be crowded full. There will be three ball games for which liberal purses have been provided, and in which teams from Holly, Howell and Detroit will contest with the Northville Foresters for honors. There will be three days racing for which purses amounting to \$1,950 have been hung up, and there will be a number of free attractions each afternoon and evening on the platform directly in front of the grand stand and for the last three nights there will be a fireworks display far exceeding anything ever seen in this section.

The work of laying the concrete on Starkweather avenue is being pushed rapidly forward.

Two hundred bushels of plums are being harvested daily at the F. P. Simmons and Sons' orchard near Northville.

The Gayde family, numbering about 20, enjoyed a pleasant picnic at the Plymouth tourist camp on the flats last Friday afternoon, the occasion being Mrs. Peter Gayde's birthday.

Oscar Alsbro and Arnold Freydl left last Friday on a two weeks' motor trip through Northern Michigan. They will visit Alpena, Cheboygan, Mackinac, Sault Ste. Marie and other places of interest.

A Campbell reunion was held at the home of Mr. and Mrs. Perry Campbell, on Canton Center road, Sunday, August 13. Nearly 70 guests were present and at noon a pot-luck dinner was enjoyed under the trees on the lawn.

Mr. and Mrs. W. R. LeVan, Mrs. C. E. Ryder and daughter, Beulah and guest Miss Harriet Casterline, motored to Belle Isle, early Saturday morning, cooking their breakfast on one of the camp stoves that are scattered here and there on the island. Lovely place to go at any time, but especially so early in the morning.

Theodore Sieloff, Sr., and son, Victor, were on the market in Detroit, Saturday.

Mrs. George Loomis, who has been confined to her home the past week, is able to get out again.

Philip D'Angelo has opened a shoe repairing shop and shoe shining parlor in a part of the new Conner building on Main St.

Mr. and Mrs. Oliver Goldsmith of "Auburn" entertained a party

of friends to the number of 30, at a dance in their new three-car garage, last week Thursday evening. The garage was tastefully decorated in the national colors, with the word, "Auburn" on one side of the building. The time was most enjoyably spent in dancing old-fashioned dances and waltzes, to the tune of a violin and guitar. The guests were refreshed with cool drinks and cake during the evening. All voted Mr. and Mrs. Goldsmith royal entertainers, and left at a late-early hour for their homes.

C. J. Bunyea visited friends in Detroit over Sunday.

E. C. Hough and family have returned from their trip to California and other western places.

D. A. Joffille and Son have sold their general stock of merchandise to Pollock Brothers of Detroit. The new firm will not take possession until October 1.

Mr. and Mrs. C. E. Kincaid and Mr. and Mrs. T. P. Sherman expect to leave by motor the first of September for a month's visit with relatives and friends in and around Kincaid, West Virginia.

Mr. and Mrs. Harmon Gale and son, Russell, of Salem, visited Mr. Gale's parents, Mr. and Mrs. Sheldon Gale, Monday. Harmon Gale and family have just returned from a motor trip around the state, which they enjoyed very much.

The Plymouth Preserving Co., who are operating the tomato pulp factory owned by the Plymouth Agricultural Association, have commenced the season's run on tomatoes. George C. Raviller, manager, has had the plant thoroughly overhauled, and is ready to care for a large quantity of tomatoes.

A miscellaneous shower was given Mrs. Clarence Bullock (Helen Peterhans) by several of her friends, Thursday, August 17, at her home on West Ann Arbor street. Guests arrived laden with goodies and at 1 o'clock lunch was served. The bride received many pretty and useful gifts. Guests were present from Eloise, Wayne and Plymouth.

Fr. F. Lefevre, who has been ill for several weeks, left Wednesday for Albuquerque, New Mexico, hoping that the change of climate might be beneficial to him. Father Lefevre had charge of Our Lady of Good Counsel church here for several months, and during his stay has made many friends, who deeply regret his illness and hope for a speedy recovery.

Electric power plants have received from the British government first call on the nations' annual steel supply of 13,000,000 tons.
