

What's that Noise, Man with the Ax? Mrs. Turk Asked Mr. Gobbler

These are days of worry for Mr. and Mrs. Gobbler—some five or six thousand of them in the vicinity of Plymouth. They sit all night on their roosts—and worry about every noise they hear — fearing that it's the man with the ax.

All of these turks know that they are nice and fat and ready for the roasting pans — and that their days are numbered. So why shouldn't they worry?

Mr. and Mrs. A. B. Hersh of 47097 Joy road, among the early pioneer growers of turkeys in this vicinity, have over 1500 turkeys on their range this fall.

"Never saw turkeys look better," said Mr. Hersh the other day. "They've raised a big crop of turkeys every year for many years — with the exception of one year."

That was the year after the OPA decided to crack down on some one — and Mr. and Mrs. Hersh being well over 70 years of age, why shouldn't they be held up as the horrible examples for the New Dealers to look at?

The upshot of it was that the aged couple were so annoyed by OPA snoopers that the last year of its existence they refused to raise any more turkeys. But now that the OPA is a "dead turkey" they are back in the business with as fine a crop of turkeys as was ever raised.

The Clinton Gottschalks of North Territorial road and other turkey growers in this vicinity also have as fine a crop of turkeys as they have ever raised.

Feed has been expensive this year and turkeys for Thanksgiving will probably cost a bit more than last year.

By state law Thanksgiving now falls on the last Thursday in November and New Deal meddlers no longer can muss up the date in Michigan.

World Education Conference Held at University

Progress has been accompanied by man's ascent from citizen of a city through citizen of a nation. Today, this same progress makes it imperative that man become a citizen of the world. To do this, it is necessary that men understand the peoples of other nations and develop an appreciation of their contributions to civilization.

This was the theme of the 18th annual Parent Education Institute which was held in Ann Arbor on November 5 and 6. The world education program was under the sponsorship of the University of Michigan.

"Atomic Power or Atomic Bombs?" was the opening address of the general sessions. It was pointed out that since war started in the minds of men, their minds must also direct atomic power into constructive channels.

Congresswoman Emily Taft Douglas, former representative at large from the state of Illinois, and member of the house committee on foreign affairs, spoke of a "United Nations Between Two Worlds." Her appeal was that there is no way for America to handle the present situation except to care for the famine stricken countries first, and help them to get back on their feet. She voiced many of her experiences in Europe in a plea for the help which is needed in saving Europe. The speaker was also the one woman on a 7 man committee which studied UNRRA in Europe following V-E Day and is one of the persons serving on UNESCO.

James K. Pollock, senior representative in the American zone military government in Germany, spoke on "Will There Be Peace in Germany?" He explained to the group the many reasons why progress is slow and related the dangers we face in helping rebuild Germany.

Smaller group sessions dealt with the British Commonwealth, world labor and economics, world citizenship, parent education, disarmament, Russia, the Balkans, the Far East, Latin America, and the family throughout the world.

Harry A. Overstreet, Preston W. Slosson, Mrs. Mark Starr, (Continued on page 2)

Meeting Held of Leaders in TB Survey Work

A meeting of the neighborhood planning committee for the TB survey project was held last Thursday, November 6, at the home of Mrs. Joseph Witwer. Plans were formulated at that time for the calling groups.

These groups will take over the responsibility of bringing information and educational material concerning the state TB association and work of its mobile unit into each home of the community.

Mrs. Horton Booth and Mrs. Witwer are co-chairmen for the committee. They have announced the precinct chairmen and the dates on which the sub-committees will meet.

Precinct 1 is under the supervision of Mrs. Clarence Jetter and Mrs. Vivian Keith. They will meet with the precinct workers at the home of Mrs. Jetter next Wednesday afternoon, November 19, at 2 p. m.

The Women's Society of the Lutheran church will assist Mrs. Otto Beyer, who is chairman of Precinct 2. Mrs. Hoencke, who is a member of the Wayne County Public Health department, will also report to that group meeting at Mrs. Beyer's on Wednesday evening.

In Precinct 3 Mrs. Leo Arnold and Mrs. Henry Hees, chairmen, will meet with their planning committee Wednesday morning at 10:00. Chairmen of Precinct 4, Mrs. L. R. Von Stein and Mrs. Alfred Vincent, will meet with their groups next Thursday at 10 a. m. at the home of Mrs. Booth.

The various members of the precinct committees will attempt to call on each home in the city and explain the purpose of the mobil X-ray unit and its value in the community.

Scout Leaders to Attend Meeting

Girl Scout leaders of Plymouth troops will attend the state conference in Lansing tomorrow, Saturday, at the Hotel Olds.

A panel discussion on girl scouting has been planned as a portion of the morning program. A report will also be given on the international scout camp which was held last summer at Camp Berry in Pennsylvania.

The luncheon speaker will be Miss Edith Conant, program director of the national organization of Scouts. Following the luncheon, discussion groups will be held on Brownies, Intermediate and Senior Scouting.

Leaders attending from Plymouth include: Miss Jean Jackson, Miss Elizabeth Brake, Miss Carolyn Goodale, Miss Avis Zander, Mrs. Dorothy Finney, Mrs. Elsie Ascott, Mrs. Ellen Arnold, Mrs. Jennie Donnelly, Mrs. Pauline Soule, Mrs. Thelma Parrish, Mrs. Agnes Ronayne, Mrs. Teresa Capon, Mrs. Vern Keeth, Mrs. Helen Smith, Mrs. Lois Zimmerle, Mrs. Henrietta Dobbs, Mrs. Jean Latture, Mrs. Gladys Bowen and Mrs. Chris Witwer.

Kimbrough Plans Television Party

Richard Kimbrough of the Kimbrough Appliance store on Forest street has scheduled for today and tomorrow, and the evenings of both days the widely heralded General Electric Television party.

Mr. Kimbrough invites everyone to attend the event, which will be free of charge, with free parking in the vicinity of the store. There will be a constant showing of the new television and an explanation of its operation, he states.

Movie on Railroading Shown to Hi-12 Members

A motion picture on the progress of locomotives and railroading since 1846 was shown at the Wednesday night meeting of Hi-12, according to Edwin Schrader.

The program was under the chairmanship of Clarence Schuler, and was presented by Fred Bevis, of the Detroit Creamery.

The PLYMOUTH MAIL

Vol. 60, No. 11

Plymouth, Michigan Friday, November 14, 1947

\$2.00 Per Year in Advance

Several Hundred Witness Center Dedication

In spite of cold November winds and a sky overcast by dark clouds, several hundreds of Plymouth residents Sunday afternoon attended the formal dedication of the Plymouth District Veterans' Community Center on North Main street.

Named the Mariette Hough Memorial in tribute to the family who made possible this excellent meeting place and club house for Plymouth veterans, the hundreds who came to witness the dedication ceremonies also had the honor of being the first citizens of Plymouth to inspect and see what an ideal Center has been created for the use of the veterans.

As the Plymouth high school band led the parade of veterans and patriotic groups from Kellogg park to the Veteran's Community Center, and as the crowd stood silently during brief addresses, Plymouth had a brief glimpse of the intense patriotism that has always existed in this part of Michigan when the nation has been threatened by enemies from without.

Dr. Henry J. Welch of the First Presbyterian church, who presided at the ceremonies, presented the Rev. Father William P. Mooney of Our Lady of Good (Continued on page 2)

To Be Printed at Later Date

For many years it has been the practice of the Plymouth Mail to print the names of the deer hunters from this vicinity who have gone north on their big hunting "excursions."

At the request of many, The Mail will omit the publication of this list until after the deer season is over. This will enable The Mail to secure the names of all the hunters who get their licenses too late for inclusion at the time the list is usually printed.

City's Growth to Force More School Building

For some unknown reason, the families who are moving into the Plymouth school district have more children than those who are moving out of this district. This is more than just an interesting fact, according to Helmar Nelson, superintendent of schools. It is a fact which spells future trouble for the Plymouth schools.

The figures seem to prove that Plymouth is fast becoming a city of young people. A corollary statement would be that the schools are fast becoming overcrowded. Superintendent Nelson explained.

Two years ago high school officials refused to take any additional pupils from Livonia, allowing however, those enrolled at that time to finish. Mr. Nelson stated. Three years ago 400 students from Livonia were attending Plymouth high school.

One class has been dropped each year since then, but, when the final Livonia students graduate a year from next June, officials expect to have as many enrolled as there were when the (Continued on page 6)

The Symphony Holiday Concert to be December 7

The Plymouth Symphony Orchestra Society takes pleasure in announcing the first concert by the Plymouth Symphony Orchestra and assisted by the Civic Messiah Chorus on Sunday, December 7th at 4 p. m., in the high school auditorium. The program will be under the joint direction of Paul T. Wagner, Musical Director of the Symphony Orchestra; and Fred Nelson, Director of the Civic Messiah Chorus.

At present the orchestra personnel numbers about 45 members, musicians from Plymouth, Northville, Ypsilanti, Ann Arbor, Livonia, Redford, River Rouge and Detroit. From all indications, the orchestra will be much larger and will present a program far superior to that offered last year. The Messiah Chorus at present has a membership of 60 voices and it is hoped that there will be more citizens of Plymouth and near-by communities who will avail themselves of the opportunity and attend rehearsals on Monday evenings at the high school, beginning at 7:30 p. m. Musicians who play stringed instruments are encouraged to attend regular orchestra rehearsals every Monday evening in the high school band building, beginning at 8 p. m.

A fine program of symphonic music has been planned for the first half of the program, including the Symphony in B Minor by Franz Schubert, which is commonly known as the "Unfinished Symphony". The second number will be for stringed orchestra, "Song for Spring" by Edvard Grieg. The "Chit-Chat Polka" by Johann Strauss will conclude the first half of the program.

Following intermission, the Plymouth Symphony Orchestra, (Continued on page 3)

Will Organize City Basketball Leagues Monday

All team managers or representatives are asked to appear at the city hall in Room 204 at 7:00 p. m. on Monday, November 17, to organize basketball leagues.

This season of 1947-48 there will be four leagues, as follows:

1. Class A Men (over 18 years old).
2. Girls League.
3. Class C (under 18 years old).
4. Class D (under 16 years old).

Boys playing on the High school reserve or varsity teams are ineligible to compete.

The Detroit House of Correction is making a regulation basketball court and has given the Plymouth Leagues the use of it on three different evenings a week. Games will also be played on Wednesday evenings in the High School gymnasium.

Uniforms are not demanded in any league. Teams must only post their entry fee, the sum of which, will be determined by the number of teams entered.

Ralph H. Johnson, recreation director stated that league games will begin the first week of December with officials, game balls, and awards being furnished by the Plymouth Recreation Commission.

The date of the initial meeting was erroneously stated in last week's issue of The Mail as November 10. It is hoped, however, that the players who met at the city hall at that time will be present for this meeting.

PTA to Observe Fathers' Night

The dads will be honored at the Thursday, November 20, meeting of the Starkweather PTA. It has been proclaimed as "Fathers' Night" and two colored motion pictures have been secured for the program which will begin at 7:30 p. m.

The first picture is entitled "Wings To Ireland" and will depict an airplane trip to Ireland. The second, "Battling Bass", deals with the art of fishing for that variety.

A recreation social hour will follow the motion pictures. Ralph Johnson, recreation director, will be in charge of this portion of the evening's program.

A plant will be awarded the room with the most fathers present, Mrs. Jewell Bell has announced.

Mrs. Floyd Burgett entertained fourteen guests at dinner Tuesday evening in honor of the birthday anniversary of her husband.

Youth Director Here for Service

The people of Plymouth are invited to attend a special evangelistic service at The Salvation Army this coming Sunday, November 16th, at 7:30 p. m.

The speaker for this service will be Brigadier Dallas Leader of Chicago, Illinois. Brigadier Leader is the director of all Salvation Army youth activities in the eleven central states, and the members of the Salvation Army feel greatly honored in having him and Mrs. Leader in Plymouth this Sunday.

The Brigadier is one of America's outstanding youth leaders as well as being an accomplished soloist and preacher. There will also be a dedication of infants in this service.

Publisher Spoke to Rotary Club

A meeting termed as "Ladies Night" was held by members of Rotary club last Friday evening. The program took place in the Hotel Mayflower, and Thurman "Dusty" Miller was guest speaker.

Mr. Miller spoke to approximately 130 members and their guests, relating a number of humorous experiences which were sprinkled with philosophical twists. The speaker is not a stranger in Plymouth, as he appeared here several years ago. At that time also, he was a guest of the Rotary club.

Bloomington, Ohio is the home of Mr. Miller and he is professionally listed as a newspaper man. He is not only the publisher of a Bloomington paper, but a total of nine newspapers are under his ownership.

Improvement on Water System is Still Halted

No action can be taken on the city's water supply until the citizens of Plymouth vote on whether or not they wish city officials to issue revenue bonds for the remaining suggested improvements, according to Harold Cheek, city manager.

A petition which has been filed with the city commission warrants the election. It is expected that people will get an opportunity to vote on the issue at February's primary election.

If, at that time, the voters designate that they wish the city to issue revenue bonds, work will begin following the election. The improvements which have been suggested consist of an additional 16 inch supply main over a new route, from the Beck road water farm, the laying of 12 inch feeder mains, and an elevated storage tank.

It has not as yet been ascertained what the monetary value of the bonds must be to back such a venture, Mayor Jack Taylor has stated.

A total amount of \$600,000 was estimated to be needed if the water softener were included in the improvement plan, but the city commission has not as yet announced the expenditures needed for the remaining work.

Meanwhile Plymouth residents continue to drink probably the worst tasting water in Michigan and they will continue to do so for sometime to come, it appears.

Community Fund Drive Extended for Another Week

Although the Community Fund drive was originally planned to terminate Wednesday, the Plymouth committee in charge has extended the time of contributions for a week to ten days, due to the shortage of volunteer solicitors, James Gallimore has announced. When the group met Wednesday, it was announced that \$5,287 has been collected to date in the campaign.

When the committee set the \$9,000 goal previous to the drive, they were allowing for a minimum amount needed by Plymouth red feather groups, according to chairman Gallimore. During the campaign, however, the number of solicitors was so small, that only a comparatively few number of people could be contacted personally for their donations.

The volunteers will continue to solicit for a week to 10 days, but it is extremely doubtful whether they can reach all the remaining people in Plymouth during this time. It is hoped, therefore, that those wishing to contribute, who have not done so as yet, will turn their contribution to Blyton's Department store or to Mrs. Lisie Alexander at the Plymouth United Savings Bank.

Mr. Gallimore has stressed that donations made to the Plymouth campaign, remain in Plymouth. The funds are used by the Boy and Girl Scout troops, the visiting Nurses, and for recreation. He has stated that since these are worthwhile civic organizations, he and the committee hope the entire city will back them in their efforts.

Memorial Center Open to Visitors

The Veterans' Memorial Center has been open the past week from 2 until 5 in the afternoon for the benefit of those who were unable to be present at the open house last Sunday.

Monday afternoon the Navy Mothers acted as hostesses to those who wished to take a tour of the building. The women in charge were Mrs. E. J. Mulry and Mrs. Erland Bridge. Representative of the MOMS club who acted as hostesses on Tuesday were Mrs. Jesse Tritter, Sr., and Mrs. Mildred Hower. On Wednesday members of the Garden club acted as hostesses. The women receiving visitors were Mrs. Otto Beyer and Mrs. Andrew Vargha.

Mrs. John Henderson and Mrs. Ada Murray, of the Woman's club, acted as hostesses yesterday, Thursday. This afternoon, Friday, Mrs. Marvin Partridge and Mrs. Kenneth Perry, representing the Junior Chamber of Commerce auxiliary, will be in charge of the open house. Members of the Business and Professional Women's club will receive guests tomorrow. Mrs. Arthur Mills and Mrs. George Merryweather are in charge of the activities for the final day.

Flowers were donated by the following groups for the dedication ceremonies which took place last weekend: MOMS club, Navy Mothers, Woman's club, Garden club, Shores Greenhouse, William Bartel and Sons, Hiede's Greenhouse, and Plymouth Floral Service.

The Foundation committee members wish especially to thank all of the women who did so much to help make the opening such a success. They also desire to thank the various organizations and women who provided food and made donations to make the Sunday afternoon tea possible.

TB X-rays Will be Taken by Double Bar Seal Group

The National Tuberculosis association, which is sponsoring the X-ray survey in Plymouth next month, is the organization which sells the double bar seals. Miss Catherine Vavra stressed at the recent meeting which was held with volunteer workers, Miss Vavra is health educator with the T B and Health Society of Wayne County. A Detroit organization, which is in no way affiliated with the national organization, is also backing a sale of seals. The latter can be identified by the single bar.

The commencing date for the survey here has not been finally set as yet, although it is expected to begin either December 8 or December 15. A similar program was staged in Plymouth about 18 months ago, but the majority of those X-rayed at that time were school children. Miss Vavra has stressed that it is equally important that adults have the test, so that the positive cases in Plymouth can be caught as soon as possible. Only by hospitalizing and treating the victims, can the community and county be cleaned of the scourge.

Miss Vavra also voiced the importance of food handlers being surveyed. The association will present all those working in a place of business where food is served with a certificate stating they have been checked for tuberculosis and, on the basis of the results, have been found (Continued on page 2)

Scandal Mongers Start Vicious, Untrue Stories in Assault Cases

One of the most unfortunate and vicious stories of defamation ever circulated in Plymouth growing out of the recent house-breaking efforts and attacks upon women has resulted in Chief of Police Lee Sackett issuing a general warning to residents of the city.

The names of not one but several business men have been linked with these alleged assaults. The stories go so far as to say that one or two of these well known business men have been locked up by the police.

Chief of Police Sackett declares that there is not one word of truth in any of these stories. No one has been arrested and no one charged with any offense, states Chief Sackett.

"While we have worked constantly, so far we have found no clew of any kind and it is exceedingly unfortunate that some misguided person or persons should start such a story" says Chief Sackett.

In the beginning only one person was named in these stories. Tuesday these tongue-wagging gossips had the names of three or four business men involved—all of them without the slightest basis of fact.

While this character assassination has been a common thing in local politics in Plymouth, this is the first time that gossips or some evil minded person has sought to deliberately injure the good names of various people in business.

It is a crime to insinuate directly or indirectly that any person is involved in such an affair, and unless these stories are immediately ended some of the people circulating them may find themselves involved in both criminal and civil action.

Myrtle Labbitt Tells of Recent Trip to Europe

Waitresses, cab drivers, telephone operators—"The Little People of Europe"—were described by Mrs. Myrtle Labbitt when she spoke here last night, Thursday, in the Hotel Mayflower. The program was sponsored by the Junior Chamber of Commerce Auxiliary.

The speaker, who is women's commentator on CKLW, returned recently from a six weeks' trip to England, Holland, Belgium, and France. While there she made a point of talking to the common people concerning their opinions, views, and beliefs.

Mrs. Labbitt touched on the subject of food rationing in England, as well as the food in the hotels. She described the threadbare and patched clothing of the people, which even the officials of the BBC, the British network over which she presented a broadcast, wore.

In view of the acute food situation in England, the speaker told the group that farming in that country is so intensive, 80 bushels of wheat are being produced per acre. Not only this, but plans are being made to try and produce 90. Following harvesting, gleaners can be seen going over the fields and picking up grains which have dropped. Mrs. Labbitt reported. She stated that no food is wasted and that Brits over five years of age go without milk, butter, or cheese.

In Amsterdam she attended the first post-war conference of the Associated Country Women of the World to which she was a delegate. Much of the discussion involved the possibility of an international language, which, she said, the congress went on record as supporting.

The Hollanders also have little to eat, Mrs. Labbitt continued, but they are especially adept at preparing the food they have. She described the immaculate cleanliness of Holland, and, concerning their exports, stated that they export their butter without keeping any for themselves. The speaker said also that the Dutch crops were being ruined by a salt condition in the soil, and asserted that the black market is in full operation in that country.

Mrs. Labbitt stayed with a Netherlands doctor and wife whose possessions had been plundered by the Germans while they were in a concentration camp. The doctor's wife, she said, has had only one dress in several years and that had been sent by Americans.

Belgium, on the other hand, is in a much different position, since that country possesses a metal that is vitally needed in the United States. In this country, there are no restrictions on buying and no black market.

The French people on the other hand, are struggling along on almost nothing, Mrs. Labbitt stated. She declared herself in favor of the Marshall plan, but added that the United States needs a better propaganda machine to let the countries we are helping, know where the help is coming from. Some of the Europeans are led to believe the aid is from Russia, she stated.

Considering the disastrous bombings, the plunder and horrors the European have been through, it is Mrs. Labbitt's belief that the people are making a great comeback. They are all working hard and doing all they can, she stressed.

Mrs. George Springer entertained her 500 club at her home on Mill street Saturday evening, November 8.

Kiwanis Members and Guests Hear of Polio Cures

"Infantile Paralysis Research" was the theme of the lecture and motion picture which were presented Tuesday evening for members of Kiwanis club and their guests. Mrs. Beatrice Wright was featured as speaker for this Ladies Night program.

Authoritatively speaking as a member of the Infantile Paralysis Foundation of Wayne County, she stated that 50 per cent of the money donated in this county, through the march of dimes, remains in the county. It defrays the expenses of study and research which are constantly being carried on. The motion picture, accompanying the lecture, illustrated cures and the present physiotherapy which is used in treating the disease.

According to Mrs. Wright, only 5 percent of the stricken patients die from the disease. Fifty per cent, she reported, fully recover. The speaker also related that approximately 400 cases were reported in Wayne county last year.

Mrs. Wright has visited 22 Kiwanis clubs and presented a similar educational lecture on polio.

Speaker Tells of Life in Turkey

Conditions in Turkey were described by Mrs. Jessie Berkan when she told of her trip to that country at a meeting of the Newburg W.S.C.S. which was held Wednesday, November 5. The meeting took place at the home of Mrs. Robert MacIntyre.

Mrs. Berkan reminded the group that Turkey has been a Republic for 24 years. Although a portion of the population live primitively, she stated that many sections are modern or fast becoming so. The speaker told the group that the country is chiefly agricultural at present and that the Republic hopes to become self sufficient. Mrs. Berkan said that seven years of education is compulsory, and stated that the youth do not cling to the Mohammedan religion, although the older people still do.

While in that section, she made a tour of Haifa, and, in connection with this, related the many improvements the Jewish people have accomplished in their section.

Mr. Berkan is a chemical engineer in Ankara. Soon after the first of the year, Mrs. Berkan plans to return to Turkey with her infant daughter who was born six weeks ago. At present she is with her parents, Mr. and Mrs. F. L. Roberts of Joy road.

To Fill Vacancy at Postoffice

Warren Perkins, secretary of the postal civil service department for the Plymouth postoffice, has just been advised that an examination has been called to fill a clerk-carrier vacancy in the Plymouth postoffice.

Any one who desires to seek this position can secure from Mr. Perkins at the general delivery window in the postoffice the necessary blanks. The blanks should be secured immediately as it is a desire of Postmaster Harry Irwin to fill the position as soon as possible.

The Patchen Community club will meet Wednesday, November 19 at 8 p. m. at the school house.

Hear Governor While in Lansing

Clarence Lidgard and Dave Galin were in Lansing one day last week to attend a meeting of the Frozen Food Locker Association of Michigan.

They took sufficient time off while there to visit the state legislature and hear Governor Sigler's message on the prison situation in Michigan.

Mr. Lidgard looked about, recognized the faces of two or three old time members of the house, then commented that some 22 or 23 years ago he was a page boy in the house.

"That was when Lynn Gardner of Livingston county was active in state affairs. He later became speaker of the house. It was a great experience for a youngster, one that I have never forgotten" said Mr. Lidgard.

The former legislature page boy and Stanley Smith of Pontiac have been appointed assistants to Director Dave Galin of this district for the Food Locker Association.

Waitresses, cab drivers, telephone operators—"The Little People of Europe"—were described by Mrs. Myrtle Labbitt when she spoke here last night, Thursday, in the Hotel Mayflower. The program was sponsored by the Junior Chamber of Commerce Auxiliary.

The speaker, who is women's commentator on CKLW, returned recently from a six weeks' trip to England, Holland, Belgium, and France. While there she made a point of talking to the common people concerning their opinions, views, and beliefs.

Mrs. Labbitt touched on the subject of food rationing in England, as well as the food in the hotels. She described the threadbare and patched clothing of the people, which even the officials of the BBC, the British network over which she presented a broadcast, wore.

In view of the acute food situation in England, the speaker told the group that farming in that country is so intensive, 80 bushels of wheat are being produced per acre. Not only this, but plans are being made to try and produce 90. Following harvesting, gleaners can be seen going over the fields and picking up grains which have dropped. Mrs. Labbitt reported. She stated that no food is wasted and that Brits over five years of age go without milk, butter, or cheese.

In Amsterdam she attended the first post-war conference of the Associated Country Women of the World to which she was a delegate. Much of the discussion involved the possibility of an international language, which, she said, the congress went on record as supporting.

The Hollanders also have little to eat, Mrs. Labbitt continued, but they are especially adept at preparing the food they have. She described the immaculate cleanliness of Holland, and, concerning their exports, stated that they export their butter without keeping any for themselves. The speaker said also that the Dutch crops were being ruined by a salt condition in the soil, and asserted that the black market is in full operation in that country.

Mrs. Labbitt stayed with a Netherlands doctor and wife whose possessions had been plundered by the Germans while they were in a concentration camp. The doctor's wife, she said, has had only one dress in several years and that had been sent by Americans.

Belgium, on the other hand, is in a much different position, since that country possesses a metal that is vitally needed in the United States. In this country, there are no restrictions on buying and no black market.

The French people on the other hand, are struggling along on almost nothing, Mrs. Labbitt stated. She declared herself in favor of the Marshall plan, but added that the United States needs a better propaganda machine to let the countries we are helping, know where the help is coming from. Some of the Europeans are led to believe the aid is from Russia, she stated.

Considering the disastrous bombings, the plunder and horrors the European have been through, it is Mrs. Labbitt's belief that the people are making a great comeback. They are all working hard and doing all they can, she stressed.

Mrs. George Springer entertained her 500 club at her home on Mill street Saturday evening, November 8.

Kiwanis Members and Guests Hear of Polio Cures

"Infantile Paralysis Research" was the theme of the lecture and motion picture which were presented Tuesday evening for members of Kiwanis club and their guests. Mrs. Beatrice Wright was featured as speaker for this Ladies Night program.

Authoritatively speaking as a member of the Infantile Paralysis Foundation of Wayne County, she stated that 50 per cent of the money donated in this county, through the march of dimes, remains in the county. It defrays the expenses of study and research which are constantly being carried on. The motion picture, accompanying the lecture, illustrated cures and the present physiotherapy which is used in treating the disease.

According to Mrs. Wright, only 5 percent of the stricken patients die from the disease. Fifty per cent, she reported, fully recover. The speaker also related that approximately 400 cases were reported in Wayne county last year.

Mrs. Wright has visited 22 Kiwanis clubs and presented a similar educational lecture on polio.

Speaker Tells of Life in Turkey

Conditions in Turkey were described by Mrs. Jessie Berkan when she told of her trip to that country at a meeting of the Newburg W.S.C.S. which was held Wednesday, November 5. The meeting took place at the home of Mrs. Robert MacIntyre.

Mrs. Berkan reminded the group that Turkey has been a Republic for 24 years. Although a portion of the population live primitively, she stated that many sections are modern or fast becoming so. The speaker told the group that the country is chiefly agricultural at present and that the Republic hopes to become self sufficient. Mrs. Berkan said that seven years of education is compulsory, and stated that the youth do not cling to the Mohammedan religion, although the older people still do.

While in that section, she made a tour of Haifa, and, in connection with this, related the many improvements the Jewish people have accomplished in their section.

Mr. Berkan is a chemical engineer in Ankara. Soon after the first of the year, Mrs. Berkan plans to return to Turkey with her infant daughter who was born six weeks ago. At present she is with her parents, Mr. and Mrs. F. L. Roberts of Joy road.

To Fill Vacancy at Postoffice

Warren Perkins, secretary of the postal civil service department for the Plymouth postoffice, has just been advised that an examination has been called to fill a clerk-carrier vacancy in the Plymouth postoffice.

Any one who desires to seek this position can secure from Mr. Perkins at the general delivery window in the postoffice the necessary blanks. The blanks should be secured immediately as it is a desire of Postmaster Harry Irwin to fill the position as soon as possible.

The Patchen Community club will meet Wednesday, November 19 at 8 p. m. at the school house.

WEDDINGS

Miss Linnea Vickstrom and Everett Salow Spoke Marriage Vows Saturday

At 2 p. m. on Saturday November 8, in St. Peter's Lutheran church of Plymouth, Linnea Vickstrom, daughter of Mr. and Mrs. Charles Vickstrom, became the bride of Everett Salow, son of Mrs. Elsa Salow and the late Louis Salow. Reverend Edgar Hoenecke read the service before an altar decorated with white mums.

riage by her father. She wore a light blue gown with a satin bodice and chiffon skirt and a blue shoulder-length veil. Her head-dress and corsage were of bronze mums and talisman roses.

The bride's only attendant was her sister, Mable, who wore a fuschia taffeta gown with head-dress and corsage of yellow mums and gloria roses.

Charles Salow, brother of the groom, was the best man and seating the guests were Gerald Salow, another brother of the groom and Melvin Vickstrom, brother of the bride.

For her daughter's wedding Mrs. Vickstrom chose a navy blue dress and wore a pink rose corsage. Mrs. Salow wore a black

24.95

For winter blasts or Jack Frost days, it's always warm as toast.

Norma Cassidy

dress with black accessories. Immediately following the ceremony a reception for 25 guests was held at the home of the bride's parents on Blunk avenue. After a week's honeymoon in the Smoky Mountains and Washington, D. C. the young couple will live in Plymouth.

Mr. and Mrs. Kalmbach Announce Engagement of Their Daughter

Mr. and Mrs. R. E. Kalmbach, of 11027 Cranston, Rosedale Gardens, announce the engagement of their daughter, Marilyn Jane, to Robert R. Reh, son of Mr. and Mrs. F. Earl Reh, of Plymouth.

The bride-elect is a graduate of Plymouth High school. Mr. Reh is also a graduate of Plymouth High, and is now attending Meinzing Art school, in Detroit. A wedding date has not been set.

Miss Cecelia Drews and Harold Rossow Repeated Wedding Vows Saturday

Miss Cecelia Theresa Drews, daughter of Mr. and Mrs. Max Drews, 259 E. Ann Arbor Trail, became the bride of Harold William Rossow, son of Mr. and Mrs. Herman Rossow, also of Plymouth, on Saturday, November 8. The double ring service took place at Our Lady of Good Council church at 9 a. m. with Father Mooney officiating.

For her wedding, the bride wore a white satin gown styled with a train and long sleeves that ended in a point over the wrists. It was also fashioned with a round neckline trimmed with seed pearls which matched her tiara. She carried a bouquet of white roses and white bebe mums, with baby mums also attached to ribbons.

Maid-of-honor was the bride's sister, Miss Marguerite Drews. She was gowned in aqua taffeta, styled with a full skirt and three-quarter length sleeves. In her hair she wore a matching head-dress of feathers and flowers. The maid-of-honor's bouquet was of red roses and bebe mums.

Miss Leona Esch was the bridesmaid. For the wedding she wore a wine colored taffeta dress, fashioned with a full skirt and three-quarter length sleeves also. Her head band of feathers and flowers was in a matching color, and she carried a bouquet of yellow roses and bebe mums.

As his best man, the groom chose Joseph Prentiss. The groom's brother, Raymond Rossow, was usher.

A breakfast for the bridal party immediately followed the ceremony. At 2 p. m. the immediate family attended a dinner. The reception was held in Newburg hall at 8 p. m. with a buffet lunch. Approximately 150 guests attended.

The couple will return from their honeymoon the latter part of this week, and will make their residence on Garland street.

Sales, Service Staffs Are Feted at Dinner

As a result of the largest amount of business done at his store during any one month, R. L. Kimbrough recently feted members of the sales and service staff and their families at a turkey dinner. It was held at the Kimbrough home on South Main.

Those attending were Mr. and Mrs. George Shrake, Mr. and Mrs. Clyde Carter, Miss Virginia Elliott, Mrs. Thelma Cushman and daughter Barbara, and Mr. and Mrs. O. M. Kimbrough.

The charities that soothe, and heal, and bless, lie scattered at the feet of men like flowers.

LOCAL NEWS

Mr. and Mrs. Steve Siddell of Baldwin were weekend guests of Mr. and Mrs. Wayne Falan at their home on Six Mile road. Saturday they were the guests of the Falan's at the Michigan-Indiana game at Ann Arbor.

A "Well Baby" clinic will be held in the Health room of the high school, Wednesday, November 19 from 10 a. m. to 12 noon. Any mother with a baby or preschool child is welcome to attend for advice.

Mr. and Mrs. Nellis Hammond announced the birth of a baby daughter, Karen Elizabeth, weighing seven pounds and eight ounces, on November 11, Armistice day. Both mother and baby are doing nicely.

A thrift shop will be held at St. John's Episcopal church on November 20 through November 22. Clothing can be taken to the church office on those days and Friday evening, or to Mrs. John Marrow at 1376 West Ann Arbor Trail.

Last week Thursday Mrs. Howard Hunt and Mrs. U. R. Suttin as hostesses entertained at a pre-holiday luncheon at the Hunt residence on Holbrook avenue. Guests included Mrs. Archie Herriek, Mrs. M. W. Hunt and son Dennis, Mrs. William Markham and daughter Diana of New Hudson, Mrs. Douglas Miller of Detroit, Mrs. Jack Kahal and daughter Sharon and Carol of Romulus and Mrs. Howard Ebersole and son Howard Jr. of Ann Arbor.

Several Hundred Witness Center Dedication

(Continued from page 1)
Council church, who offered the prayer—a prayer for peace and good will and happiness throughout the world.

Mayor Jack Taylor read the Armistice day proclamation, a proclamation that was a call to a more intense patriotism.

It seemed especially fitting that to Col. Cass S. Hough, a veteran of the fighting forces, should fall the honor of presenting the former homestead of his grandmother to the veterans of Plymouth and vicinity for their use and enjoyment.

The Hough name has for years been associated with all that represents civic, community and industrial progress of Plymouth. He briefly told of the selection of the Foundation committee and its aims some two years ago.

"In the beginning we had in mind the creation of a civic center which would include a swimming pool, auditorium and a greatly needed meeting place for civic organizations", he stated.

"But after several months work we came to the conclusion that some project of this nature was needed. The other can come at some time in the future."

Hereafter a resolution passed by the Memorial Foundation organization expressing to Mary Hough Kimball and Edward C. Hough, the daughter and son of the late Mariette Hough, the appreciation of the veterans for the donation of the old Hough homestead to them.

Cpl. Hough then presented the keys of the building to Navy Lieut. Kenneth A. Gust, who had been selected by the Veterans Allied Council for this honor.

In his remarks he reflected the hometown loyalty and pride of all of the Plymouth boys and young women who donned the

uniforms of the armed services during the war.

"On behalf of all the veterans of Plymouth and vicinity I am pleased to accept these keys which symbolize so much to us. It is just another proof to us that the finest people in all the world live in and around Plymouth. It certainly made us feel good when we were away from home to get the news that Plymouth had done more than its share in the various efforts you were putting forth to help win the war. We shall forever appreciate what you and the givers of this property have done for us", said Lieut. Gust.

Congressman George A. Dondero, the member of congress from this district, said he felt honored to have been asked to have a part in the program.

"As long as men and women can come together in the kind of spirit that prevails here today, this nation will never die", he said.

Briefly he told of the efforts of our nation to create peace and understanding throughout the world in an effort to see to it that our children and the children of our children could live in a world of peace and contentment. "But I regret to say, however, that there is one nation which seems determined that there is no peace in the world.

"There is no mistake about it, we are threatened both from within and from abroad.

"We should see to it that there are millions for the defense of our own land, but we should also see to it that in our sacrificing efforts to help others that we do not deplete our land for the benefit of some other country."

"The preservation of liberty of our own country is the last hope of mankind."

The Veteran's Memorial Foundation Executive Board, appointed by former Mayor Carl G. Shear, is composed of the following:

- Cass S. Hough — Chairman
 - Sterling Eaton — Vice Chairman
 - Russell M. Daane — Treasurer
 - Marian M. Taylor — Secretary
 - Dr. Henry J. Walch — Publicity
 - Rebecca R. Erdelyi, Wendell J. Lent, Ralph G. Lorenz, David W. Mather, Edwin A. Schrader, Jack E. Taylor and Camille I. Wimsatt.
- The open house committee had the following members:
Mrs. John S. Wimsatt — General Chairman
Mrs. Harold J. Brisbois — Tea Chairman
Mrs. Paul J. Wiedman — Floral Arrangements

Cast-Iron Stoves

Although they had been used in Germany since the beginning of the 16th century, the first cast-iron stoves ever seen in the Colonies were brought here by the pioneer emigrants from that country. Made of five castiron plates, clamped together to form a box which rested on legs of iron or stone, they were scored by most of the inhabitants of New England who condescended only to use foot stove.

John Bull, as a popular synonym for the English people, was first given currency in John Arbuthnot's famous "History of John Bull," a satire, published in 1712, on the duke of Marlborough and the War of the Spanish Succession. John Bull is well known as a burly country squire, impetuous, honest, narrow-minded, and dogmatic.

Rule of Thumb

This originally meant actually measuring with the thumb, and was extensively used in the middle ages by tailors and carpenters, the breadth of the average thumb being one inch. The phrase has since grown into its present meaning of rough practical measurement.

Swiss Steak

Serve Swiss steak often with variations. For full rich beef flavor brown well and add hot water for a brown gravy. Or for added flavor use hot tomato juice, lemon sauce, fruit juices, onions, whole vegetables, pickle relish or horseradish sauce.

Grass Widow

A woman separated from her husband is called a grass widow. The origin is unknown but is traceable to the Middle Ages. It is believed to be a corruption of "grace widow" meaning widow by grace or courtesy.

Facing Hem

When lengthening a girl's sheer wash dress where there is no self material for facing the hem, use gauze bandage. Being pre-shrunk, the gauze does not pucker during laundering.

Bar Soapsuds

To make bar soapsuds more quickly, rub soap into flakes on a kitchen grater, or make it into a soap solution or jelly by dissolving a bar in a quart of hot water.

Drying Dishes

Dishes can be dried quickly if you have a dry towel in each hand. If the towels are slightly smaller than the conventional size, they are easier to handle.

French Word

The term biscuit is a French word meaning "twice cooked." The bread was baked a second time, expelling all moisture, thereby increasing its keeping quality.

World Education Conference Held at University

(Continued from page 1)
Eduard C. Lindeman, Ernest M. Ligon, Lionel H. Laing, and Samuel J. Eldersveld, were among others taking part in the conference.

Those attending from Plymouth included: Mrs. Jack Taylor, president of the Central Grade Parent-Teacher association, Mr. and Mrs. Henry Hees, Mr. and Mrs. Foster Calahan, and Mr. and Mrs. Roy Pursell.

TB X-rays Will be Taken by Double

(Continued from page 1)
safe to handle food.
Plans are being made to take the X-ray unit to industries in town, so that as many of the workers as possible can be checked. In connection with this, it was stated that the employees will not receive the results of the employees tests. They will be either sent to the individual involved or that person's doctor.
The test is not only important from the standpoint of checking against tuberculosis, Miss Vavra stated, as many other ailments can be checked by the test. For example, numerous heart conditions are often detected through these X-rays.
Since there is no charge for the

X-ray, it is hoped by those in charge that people will take advantage of the survey. It takes only a few minutes, and then, Miss Vavra stressed, the person can be assured that he or she is free of tuberculosis. Even though a person had an X-ray last time the organization representatives were in town, they should have one taken again, as a yearly checkup is needed to keep a positive check on the disease.

No book can be so good as to be profitable when negligently read.

Books are the true levelers. They give to all, who will faithfully use them, the society, the spiritual presence, of the best and greatest of our race.

—W. E. Channing

Thankfulness is an art that must be acquired. It is a conscientious balance of the ledger between blessings bestowed and favors accounted for which were properly received. The appreciative personality seeks with microscopic scrutiny the recognition of such blessings to serve humanity.

OBITUARIES

Ethel Killham
Funeral services will be held tomorrow, Saturday, for Miss Ethel Killham who died November 11. The services will take place at the Gorsaman-Runciman Funeral Home, 900 E. Michigan avenue, Lansing, at 2:30 p.m.
Miss Killham was born in Chicago in 1913. She graduated from East Lansing High school in 1930, and from Michigan State college in 1934. She received her Master's degree from the University of Michigan in 1943.
In 1936, Miss Killham came to Plymouth high school to teach languages. Her address here was 512 N. Mill street.
She was a talented singer and sang in the Choral Union at Ann Arbor. She was also a member of several honorary societies.
The pallbearers will be Walter Goodwin, Anthony Matulis, Robert Ingram, James Latture, William Campbell, and Harry Fountain.

William O. Welton officiating. Hymns were rendered by Mrs. Helen Shoebright and Mrs. Donna Houghtaling, accompanied at the piano by Mrs. W. O. Welton. The active pallbearers were: Messrs. Marvin Reeder, Andrew Banta, Forest Olson, Clinton Foreman, Earl Foreman and Lloyd Carson. Interment was made in Riverside cemetery.

MRS EMMA C CALVER
Following an illness of two weeks, Mrs. Emma Catherine Calver, 68, of 36 Sout street died in Pontiac General hospital November 5.

Born in Plymouth, September 16, 1879, she was married to William Calver at Detroit in 1909. She had lived in Pontiac 38 years.
Besides her husband, she is survived by three sons, Edward T. Calver of Ellenberg, Wash., Robert B. Calver of Birmingham, James L. Calver of Tallahassee, Fla.; two brothers, Albert Stever of Plymouth, Carl H. Stever of Detroit, and four grandchildren.
The funeral was held Friday at 2 p.m. from the Sparks-Griffin chapel. The Reverend Ivol I. Curtis of All Saint's Episcopal church officiated. Burial was in Riverside cemetery of this city.

The Symphony Holiday Concert to be December 7

(Continued from page 1)
Assisted by the Plymouth Civic Messiah Chorus, will present excerpts from the oratorio, "Messiah," by Frederick Handel. There will be three soloists featured with the orchestra and chorus.
This is the first concert in this year's series, and others are planned for February and April, with outstanding soloists to be announced at a later date.
Many Plymouth residents have supported this cultural undertaking by obtaining sustaining memberships in the Plymouth Symphony Orchestra Society and to date, there are about 125 active members. Memberships are being solicited by the Professional Women's Club of Plymouth and other civic organizations. All concerts will be free to the public and a capacity audience is expected.

Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech. —Mary Baker Eddy

Fire Losses
During the war fire losses have risen steadily, as they did in the last war and several following years. The highest annual loss in history was \$561,980,751 in 1926. In 1942 loss was \$314,295,000, and in 1943 \$373,000,000. For the year ending October 31, 1944, the loss was \$420,360,000 as compared with \$361,485,000 for the year ending October 31, 1943, and the largest loss for a similar period since 1931.

City Rises
Only in America could a city arise from wild prairie in an afternoon, yet that is what happened September 16, 1893, in Oklahoma. That morning six million acres of Cherokee Outlet were raw, uninhabited land; at noon the United States opened it to white settlers and 3,000 camped where Ponca City stands now.

Heating Iron
If your iron is slow to heat, it may be that you've connected it to a light socket or extension cord. For best results, connect the iron directly to a wall outlet. When you've finished ironing, let the iron cool before coiling the cord about it. Heat is injurious to the cord and will shorten its life.

Loose Knobs
Loose wooden knobs on dresser or table drawers can be held tight with sandpaper washers, cut slightly smaller than the knob. Just slip two pieces of sandpaper over screw holding the knob, with one rough surface facing knob, the other against drawer.

Paper Plastic
A new laminated paper plastic, called "papreg," is suitable for non-structural aircraft parts and other commercial uses. Papreg has a smooth, hard surface and unusual decay and moisture resistance. It lends itself to low-pressure molding.

Zoot Suit
Although no one seems to know exactly where the term came from it is probable that "zoot" is a corruption of the word "suit," with a special pronunciation peculiar to ardent "rug-cutters" when speaking of their favorite garb.

Cooking Vegetables
Put vegetables into boiling water. When the water resumes boiling, turn the heat low—just high enough to keep up the active steaming. This method speeds the cooking, keeps the color bright, the flavor fresh.

First Insurance
In 1752, Franklin helped to establish the first mutual fire insurance company in this country. It is still in existence and has only 8 years to go to round out 200 years of service for its members.

Like Doughnuts
Bird lovers say bluejays like nothing better than stale doughnuts, a real treat for them during cold winter weather. Instead of taking a crumb or two, they try to carry off the whole doughnut.

Utilize Space
Paper shipping sacks most nearly approach unpackaged bulk shipments in efficient and economical use of available storage space.

Quench Thirst
In hot dry countries, people sometimes carry cucumbers to eat and quench their thirst, as they are approximately 96 per cent water.

Farm Tenants
Nearly half of the nation's farmers rent the land they use, according to the U. S. department of agriculture.

Major Industry
Brick and tile production is a major Kansas industry. Ceramic clays are present in many parts of the state.

Fox Bag
Trappers and hunters take about 25,000 foxes annually in New York state.

Nut Bread
Peanuts are excellent and inexpensive when used in bread.

When is a shoe a sensation?

When style plays a starring role, but good fit is not forgotten... when the shoe looks like a "custom-made" and bears the Walk-Over name... lady, this is it!

"INVESTIGATE BEFORE INVESTING"

No. One—\$8500—Carefully constructed newer home. Consists of lovely, large living room with bay, dining room with picture window, 2 nice bedrooms with closets, full bath with shower and linen closet, cheerful modern kitchen in yellow and white, combination utility and wash room with porcelain tubs, floor oil furnace, 2 car cement-floored garage, chicken coop, on a 60x135 ft. lot, 3 blocks from bus line. This house is delightfully decorated, and will take terms.

No. Two—\$7500—A very presentable possibility for Willow Run employees. Six year old house on 2 1/2 acres. Living room, 11 1/2 x 20 ft., dining room 10 x 12 ft., downstairs bedroom 10 x 10 ft., kitchen 10 x 16 ft., full bath, (85 ft. electric well). Two comfortable loft-type bedrooms up, for the youngsters, cellar with cement floor, cement block garage with storage space, 2 chicken houses. Oil circulating heater, for cozy comfort. Terms.

No. Three—\$12,000—Attractive ranch home on generous 108x220 ft. tract, close to town. Large, lounge-type living room with corner glass windows, clean, convenient kitchen with numerous cupboards and counter space, 2 bedrooms, tile bath, the usual sunny breezeway; oil forced air furnace, gas H.W. heater, 2 car garage with Berkeal doors. Holds present G.I. mortgage at 4% for lucky purchaser.

No. Four—\$2750—1/2 acre with small home, at edge of town. Apartment-size, with living room, bedroom and kitchen. Asbestos shingle siding. Handy and cozy.

No. Five—\$6800—Newly built, to be decorated to new owner's taste. Two downstairs bedrooms, stairs to second floor for optional two bedrooms up. Living room, kitchen-dining combination, full bath, oak floors, floor-oil furnace, oil instantaneous H.W. heater. Lot 50x140 ft., in town. A most modern little home. \$2500 down (Less to G.I.)

No. Six—\$10,500—Distinctively designed suburban country home, on one full acre. A "must see" for the discriminating buyer. Large pine-paneled living room with brick fireplace. Double grooved Bruce oak floors. Delightful dining room. Ultra modern tiled kitchen. Master bedroom. Utility room. Screened front porch with rolled awnings. Full tile bath. Oil, forced, air conditioned, furnace, 2 1/2 car garage. A split rail fence adds to total charm. Terms.

No. Seven—\$7650—Newly conditioned 3 bedroom home, with a most modern interior. Located southeast of Plymouth, house consists of six cheerful, comfortable rooms, with plastered oval arch doors, hardwood floors, handy kitchen with attractive adequate cupboard space, full bath and basement with good furnace. Sets on lovely, lush and dry 70x140 ft. lot. One tax. Terms will take it!

No. Eight—\$14,500—This improved property offers very definite income possibilities from both a housing and commercializing standpoint. Semi-modern, insulated 8 room home, easily converted into two family flat. Large size living room, square 15x15 ft. dining room, 9x12 ft. kitchen with ample cupboard and work space, full bath. Three finished rooms, up. Elec. pump, storm windows, basement, gas, various outbuildings such as 2-car garage, tool shed, 2 chicken houses, brooder, pig pen, all in A-1 condition; also 20x30 ft. cement block building outfitted with counter, kettle, scales, etc., etc., for dressing poultry. Just south of Plymouth road, the location is right for operation. Worth real consideration, with poultry at present premium. Investigate!

No. Nine—\$8650—In West section, desirable 5 room home, with charming modern interior. Immediate pre-war construction. Offers large living room, attractive tile-walled kitchen and bath, 2 nice standard sized bedrooms down, large studio type bedroom, and hall up, clean, complete basement with furnace, and recreation room. Sets on 55x130 ft. city lot. Terms.

No. Ten—\$4900—Real dollar-for-dollar value on a newer, smaller home on 1/2 acre, just 10 minutes from town. Living room, modern kitchen and bath, 2 finished bedrooms, with third roughed-in, up. Electric pump. Early occupancy. Trees. Terms.

No. Eleven—\$9000—Quality constructed to present point. Take over from here, and have yourself a fine family size home, bordering town. Now very livable, house is styled in Insul-filled stone siding, on a fenced 1 1/2 acre tract. Interior keynoted by lovely, large 12x28 ft., living room; has modern kitchen with cupboards, new sink, incomplete bath, one downstairs bedroom; unfinished upstairs space for 2 nice bedrooms, hardwood floors, oil heat with 500 gals. fuel oil, 2 car garage. Weathersaled, 5 h.p. garden tractor and tools.

ANNOUNCEMENT to clients who have been contacting C. A. Luchtman for homes: As Mr. Luchtman is no longer connected with this office, kindly call in person or telephone our office for better real estate service.

HOMESITES—acreage—business and subdividing properties, in all sections and directions. Investigate!

Presenting "HOUSES ON PARADE"

\$1000 for a Dream Home
If I told a lie I would be sued for libel, if I tell the truth no one believes me. BUT, spare me 10 minutes and I will show you the cutest house in this side of Hoboken. It's only 6 months old and the decorations are perfect. Kitchen, living room, bath, 2 bed rooms (one is small, ideal for a nursery). Oil heat. Payments will be \$46 monthly.

Completely Furnished Home

For only \$6500. By gosh I sure would like to sell you this place. It is so unusual that I do not feel up to describing it. Living room is extra large with dining space at one end. Kitchen is modern, 2 bed rooms, lavatory, utility room and oil heat. Just out of town, next to transportation and stores.

1 Acre, 1 House, 1 World (by Henry Wallace)

The acre and house I have for sale. The world will be yours if you will only take a peek at this place. 5 rooms and utility room on the first floor. Full basement with automatic water heater, hot air furnace, and compartments, work shop in the breezeway, 2 car garage, all under the same roof. The land is the best around here (my boy told me so). Owners wish to move soon so if you don't react quickly, whizz, goes your acre.

CARD OF THANKS
I sincerely wish to thank my friends, Methodist church, Unit 3 ladies, for the beautiful flowers and many beautiful cards, sent me during my recent illness at Harper hospital and after my return home. They were very much appreciated. Oral Rathbun 1tc

LOST
LADY'S green billfold containing valuable papers, Monday night in Penn theatre. Phone 1200 Personnel office. 1tc

Rake Lawn
Rake the lawn to remove clippings and fallen leaves. Such materials form a mat on the lawn, which often kills the grass during the dormant winter period. Furthermore, a thorough raking will scarify the surface soil, enabling bare and thin spots to better absorb plant food and providing a good base for re-seeding.

Special Dessert
For a special dessert, peel tangerines, keeping sections together. Place each tangerine on plate, partially separate sections at top forming open petal effect. Fill center with chopped raw cranberries, cranberry or currant jelly, finely crushed fondant mints.

Fluffy Omelet
Don't risk collapse of fluffy omelet just because the family won't come to the table instantly. Instead, dissolve a quarter tablespoon of cornstarch in a tablespoon of milk and beat into the egg yolks for a three-man omelet.

Selective Breeding
Almost a half pound of extra wool per fleece of cleaner and longer wool has been obtained by selective breeding of sheep in Idaho, says the U. S. department of agriculture.

New Use for Bottle Caps
Bottle caps are being used to cover openings in tubes, pipes and other aircraft materials, which must be kept free of foreign substances until the plane is assembled.

Coal Horizons
As new horizons for coal develop, they embrace more than 200,000 by-products, such as chemicals, sulfur drugs, synthetic rubber and plastics.

Elevated Area
South Africa as a whole is an elevated region, with 40 per cent of its area being more than 4,000 feet above sea level.

School Lunches
More than 4 million school children in the United States eat balanced hot school lunches at school every day.

Dairy Cows
One million, one hundred thousand dairy cows in Illinois produce annually 5 1/2 billion pounds of milk.

Mexican Navy
The Mexican navy was born during the struggle for independence from Spain which began in 1810, when sea-going patriots employed tiny sailboats to run arms and supplies to their fighting comrades on land. But it first emerged as a fighting force when Gen. Jose Maria Morelos took Fort San Diego, in the Pacific seaport of Acapulco, and carried off as prizes the Spanish schooner Guadalupe and 11 armed rowboats. Shortly after, the little navy had its baptism of fire in the waters off Coatzacoalcas. In a brief, but sharp, encounter, the Mexican ship La Patriota vanquished the Spanish man-o-war La Numantina and sailed it triumphantly into port.

Make Blouse-Slip
Make a blouse-slip by using a half worn slip. Cut off the worn top of a slip and discard it. Sew the skirt part to a blouse and you have a blouse-slip in which the shirrtail stays put. It may be necessary to fit the blouse to the skirt by stitching in small pleats around the hips and extending the blouse opening with a placket in the skirt. Skirts and shirts are popular these days, and the skirt-blouse twosome is comfortable, practical and saves on laundry.

Balanced Meals
You get thiamine in small amounts from a large variety of foods, if you eat well-balanced meals, and these small amounts ordinarily will add up to the amount of thiamine you need in a day. The body cannot store large amounts of B1 or thiamine, so you need to get a constant supply to make sure of having enough. Nursing and expectant mothers need more thiamine than other people.

Mix Liver
If you have trouble getting your children to eat liver try preparing it this way: Buy a pound and freeze it and when ready to use it grind a small amount at a time and add it to different foods—scrambled eggs, soup, meat patties, gravy. Freezing makes the liver easier to grind and the children never know they're eating it.

Shipping Needs
Each serviceman in the Pacific requires 16 tons of shipping for the first 30 days and about 6 tons each month thereafter, says the navy. Atmospheric and other conditions in that area require more careful wrapping to protect from humidity, rot, vermin and other pests.

Discovery of Mississippi
Hernando de Soto, an early Spanish explorer, discovered the lower course of the Mississippi river in 1541. The Spaniards did not follow up his discovery and there is no further record of white men on the river for 132 years.

Spills Fish
A few hours at room temperature will spoil fish and all other sea foods. If you can't cook the fish as soon as you get it home, wrap it in waxed paper to keep the odor from other foods and place in the freezing unit of your refrigerator.

Use Leftovers
Make good use of leftovers—grate hardened cheese and use in cooking cheese dishes; simmer chicken or meat bones or chicken feet to make broth; use stale bread for french toast or cube and make croutons.

Dry in Shade
You can keep your best cotton clothes looking new longer if you will hang them in the shade to dry after they are washed. Bright sunlight fades the color and deteriorates the fiber of cotton goods.

Trapshooting Ace
From 1923 to 1944 inclusive, Fred Tomlin, Glassboro, N. J., shot at 70,635 clay targets and broke 69,112 for an average of .9784. This is an all-time high professional trapshooting record.

Keep From Foods
Do not keep sodium fluoride or other household insecticides where foods are stored and see that they are distinctly marked. This will avoid possible mistakes, such as using insecticides for baking powder.

Poultry Storage
Poultry keeps longer if stored whole rather than cut in small pieces. It should be washed thoroughly before being stored in the refrigerator.

British Footthold
Madras, on the eastern coast of India, was the first territorial possession of the British East India company.

Protect Eyes
When you mix or apply insecticides, take extreme care to keep ingredients out of the mouth and eyes.

Northern Lights Near to Earth
The lower fringes of the Northern Lights are about 50 miles above the earth.

Recapping Tires
Tires should be recapped when they have worn smooth but before the fabric shows.

Wash After Spraying
Wash face and hands thoroughly, after using any insecticide.

Dry Roads
Drier roads in summer are more abrasive on tires.

Pride, the most dangerous of all faults, proceeds from want of sense, or want of thought.

Lubricate Stoker
One of the most important things for a stoker owner to remember is that a stoker needs to be lubricated, just like an automobile, if it is to function at top efficiency. Because stokers are located in basements, submitted in many cases to the action of rust, moisture, to say nothing of floods in certain instances, stokers must be inspected, cleaned and lubricated at least once a year. This work should generally be performed by a dealer's service man who is properly trained and equipped.

Vitamin Losses
Recent studies show that vitamin A is not the only loss from mineral oil, but that the body is cheated also of vitamin D, the "sunshine vitamin," and of calcium and phosphorus. Rats taking mineral oil needed three times as much cod liver oil to supply vitamin D as rats given no mineral oil. Puppies fed mineral oil could not use the calcium and phosphorus in their food to build normal bones.

Divide Room
If you live in a one room apartment, and pine and sigh for the convenience of a bedroom, hang a huge blind to segregate living and sleeping quarters. It creates a niche for the bed and makes an acceptable background for living room furniture.

Handling Insecticides
Take extra precautions in handling and using insecticides especially the more poisonous ones such as: arsenicals—calcium arsenate, lead arsenate, and paris green; fluorine compounds, such as sodium fluoride, sodium fluosulfate, and cryolite; and nicotine compounds.

Shoe Storage
Keep shoes up and out of the way. The only time they need to be on the floor is when you are wearing them. A shoe bag or cabinet or shelf will save them from being stepped on or kicked around to collect dust and dirt.

Cream Butter
To cream butter quickly place a heated mixing bowl over the butter to be creamed for sandwiches or baking purposes and after a few moments it will be found to cream with little effort.

Switching Tires
Switch tires in this rotation—spare to right front to left rear to left front to right rear to spare. If spare is in worse shape than other four tires—don't use it when you switch.

Help Cleaner
Pin on a note to help your cleaner identify spots. He can analyze any stain, but it's simpler to be told just what the stain is. Especially mark tea, coffee, fruit juice, catsup and mustard stains.

Archery Record.
The longest distance an arrow has been shot by a woman archer in "regular flight" shooting is 1,190 feet and 9 inches. The record was made in 1941.

Early Explorers
New York state is said by some to have been discovered by Verrazano, a Florentine in the French service, in 1514—and rediscovered by Henry Hudson in 1609.

Get Out of Line
Car wheels have a tendency to get out of line and toe in, toe out, or develop camber trouble (wheels not parallel).

Separated From India
Burma was formally separated from India in 1937, and became a separate unit of the British commonwealth.

John Jay First Chief Justice
John Jay, first chief justice of the United States, served for six years. He was appointed by Pres. George Washington.

Home-Spilled Meat
Most spoilage of home-dressed meat results from delayed or incomplete chilling.

Gas Mask
The army has developed a special gas mask to protect men with head wounds.

Roads Hotter
Road surfaces are 20 degrees to 30 degrees hotter than atmosphere—tar melts at 130 degrees.

City's Growth to Force More School Building

(Continued from page 1)

400 Livonia students were attending. In other words, Mr. Nelson explained, the local enrollment is growing at the same rate Livonia students are decreasing. He stated that by not taking outside students, the high school will be large enough for a few years, providing too many families with children of high school age do not move into Plymouth. Gymnasium facilities, however, are far from adequate, and have been for several years. Mr. Nelson affirmed. Many schools have refused to play basketball with the Plymouth team since the gym is so small that the floor does not measure up to state standards. In addition to this, he related that the seating capacity for basketball games is so small, only a very few citizens, outside of high school students, can see a game. By extreme crowding on the stage, bleachers, by standing, and opening the windows to the halls on the second floor, approximately 500 can see a game. The seating capacity for high school assemblies, plays, civic functions is also around the 500 mark. It is, therefore, only possible to get half of the student body in at one time. Several worth-

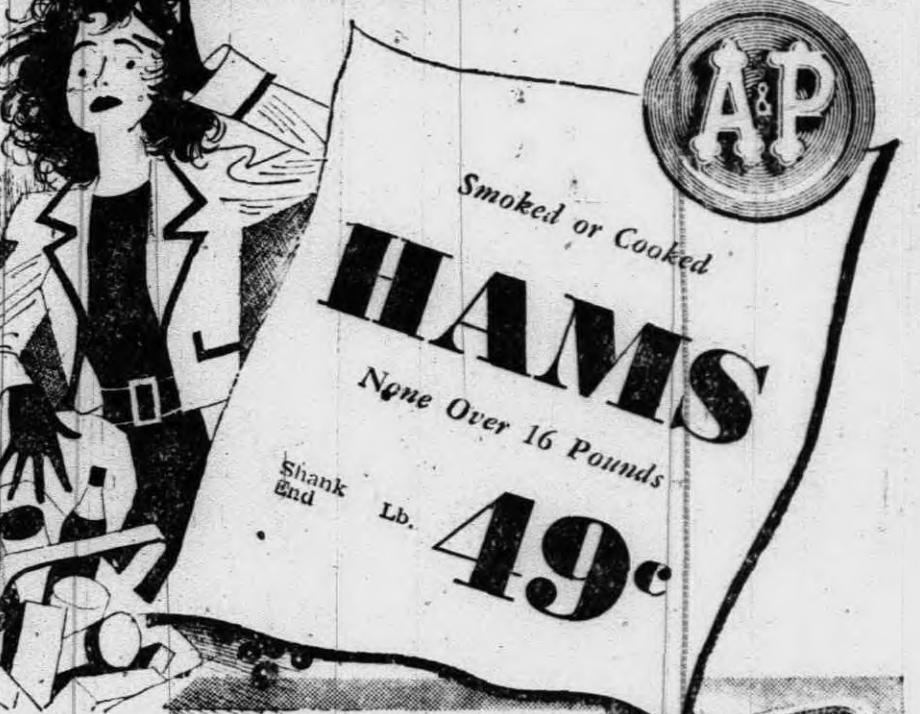

while programs have had to be omitted since they all could not be accommodated at one time. The gym serves also as the only auditorium in town, and consequently, civic organizations have to be refused the use of it frequently, since it is used most of the time by the school. During the fall and winter the gym is used every hour from 8 a. m. to 10 p. m. five days a week, as well as Saturday morning. The grade schools are feeling the pressure of enlarged enrollments even greater. This fall, Mr. Nelson stated, an increased enrollment of 180 was expected in the kindergarten. At the present time, 210 are attending. From all estimates, the kindergarten enrollment next year will be in the neighborhood of 250, and all the rooms are filled to capacity at the present time. The superintendent said that it is very plausible they will have to look outside the school for housing the children. In view of this fact, the board of education is making a thorough study of the situation to determine the future building needs for Plymouth, as they will be obviously needed. A built-in battery tester developed for hearing aids makes possible for the user, at any time, an accurate checkup on the number of "hearing hours" remaining before new batteries are necessary.

The night when you can drive without colored glasses to fend off that "blinkety blank so and so" with the blinding headlights may arrive sooner than you expect. A report from the electrical manufacturing industry predicts that it won't be long before every automobile is equipped with an electric eye to dim the lights automatically when another car approaches. In Atlanta, Willie Ward was jugged for drunkenness but soon released; Willie, 115, had been arrested twice before, but had a good clear record for 100 years.

LOCAL News

If you have any local items for the Plymouth Mail please call Mrs. Alford, telephone 1667-R.

Mr. and Mrs. A. M. Wileden of Pine street visited relatives in Oxford and Stony Lake Sunday.

The executive board meeting of the Methodist W.S.C.S. will follow the Study class on Monday, November 17, at 3 p.m.

Tom Guthrie, son of Mr. and Mrs. Melvin Guthrie of Newburg road, is recovering from a tonsillectomy.

Mr. and Mrs. Don Packard expect to leave for Tucson, Arizona this weekend where they will spend the winter.

Mr. and Mrs. David Mather will entertain at dinner and bridge this Saturday evening at their home on Evergreen avenue.

The Study class on "World Evangelism" under the leadership of Mrs. Miller Ross will meet at 1:30 next Monday, November 17, at the Methodist church.

Mr. and Mrs. Clyde Williams of Plymouth road have a new granddaughter born to their daughter and son-in-law, Mr. and Mrs. Weston Noble, of Defiance, Ohio on Sunday, November 9.

Donna McKinley and Lovan Zimmerman, two Plymouth residents who are enrolled as students at the Western Michigan College in Kalamazoo this week attended the seventh annual Principal-Freshman conference held at the college.

Orin Passage was guest of honor at a birthday party Saturday evening in the home of Mr. and Mrs. Passage on E. Maple street. Guests included Mr. and Mrs. James Dunn, Mr. and Mrs. Frank Dunn, Mrs. F. G. Stocken, Mr. and Mrs. Ivan E. Baldwin, Mrs. Catherine Davis and family, and Miss Verne Rowley of Plymouth and Miss Mary McGuire of Detroit.

The general meeting of the W.S.C.S. of the Methodist church will be held next Wednesday, November 19, at the church. There will be a paid dessert at 1 p.m. followed by the business session and election of officers. Spiritual Thanksgiving is the theme of the program under the direction of program chairman Mrs. D. S. Mills.

Scout Troop P-1 celebrated its 25th anniversary with a dinner Monday evening at the Methodist church. William Baker, scout leader, was the program chairman and the food committee consisted of Mrs. Harold Stevens, Mrs. Raymond Bachelder, Mrs. Austin Whipple, Mrs. Walter Hammond, Mrs. Carl Cowgill and Mrs. Neal Bowan. A gift was presented to Sidney Strong from the scouts and their parents, in honor of his 30 years of scouting, 25 of which were spent with Troop P-1.

Mr. and Mrs. Charles Root and son Dick, Miss Dorothy Richard and Don Jewell attended the Michigan-Indiana football game at Ann Arbor Saturday.

Mrs. Leo Crahe, Mrs. F. Earl Reh and Mrs. Charles J. Neal are entertaining forty guests today at a bridge luncheon at "Neal's Knoll" on Bradner road.

Last Saturday evening Mrs. James Thrasher and son, David attended the annual fall festival at Kingswood School in Cranbrook.

The members of the Priscilla club were guests of Mrs. Paul Christensen at a Scandinavian breakfast Tuesday morning at her home on Blunk avenue.

Mr. and Mrs. James Gates of Detroit were guests Saturday evening of Mr. and Mrs. Frank Allison at their home on Church street.

Mr. and Mrs. Don Packard were in Berlin Heights, Ohio over the weekend where they were the guests of Mr. and Mrs. John Schatz.

Mr. and Mrs. Willard Lickfeldt who left for Tucson, Arizona some time ago are now at home at 301 East Pastime road, Tucson, where they will spend the winter.

Last Tuesday Mrs. O. M. Valliquette, Mrs. Lincoln Lantz, Mrs. Kenneth Gust and Mr. and Mrs. James Thrasher attended the Fred Waring broadcast at the Art Institute in Detroit.

Mr. and Mrs. Wayne Smith of Roosevelt avenue spent Sunday at Birmingham where they were the guests of his brother and sister-in-law, Mr. and Mrs. Roy Smith.

Mr. and Mrs. William Smith Jr. of Flint were weekend guests of Mr. and Mrs. Carl Hartwick at their home on Northville road. William Smith, Sr. of Pollard Arkansas who was a guest last week at the Hartwick home returned to Flint with his son and daughter-in-law.

Members of the office staff of Dr. Ralph H. Pino of Detroit and their families, were guests at an office dinner. It was held in the log cabin at Plymouth Colony Farms Saturday evening. Group singing around the fireplace followed the supper, and square dancing was later held in the groups returned to the cabin barn. Following the dancing the where they were served refreshments.

Last Monday evening Mr. and Mrs. Floyd Burgett entertained 12 guests at a dinner honoring William Smith, Sr. of Pollard Arkansas who was a guest of the Carl Hartwick's on Northville road. Thursday evening Mr. Smith was guest-of-honor at a dinner given by the Hartwicks and on Saturday evening Mrs. O. F. Beyer entertained 14 guests in his honor at her home on North Mill street.

Cadet Roger Corey, son of Mr. and Mrs. Kenneth Corey, 46736 West Ann Arbor road, has been selected a staff member of the Trumpeter, student newspaper, at Wentworth Military Academy at Lexington, Missouri. Capt. John Pirhalla, Jr., public relations officer, announced. Corey has been designated a reporter on the school paper. The Trumpeter is a member of the Missouri Inter-scholastic Press Association. Staff members who excel are awarded medals for journalistic proficiency at the end of the school year.

Mr. and Mrs. Robert Lidgard and Mr. and Mrs. Glen Fraleigh spent the weekend in Lansing, Saginaw and Frankenmuth. Sunday they stopped in at Owosso to pick up the Lidgard daughters, Patsy, Roberta, and Ruth Ann, who spent the weekend there with their grandmother Mrs. Ida McWilliams.

Mr. and Mrs. Harold Cook and son, David, left Monday for their home in Perris, California after a ten day visit with her parents, Mr. and Mrs. Peter A. Miller. Among those who entertained at dinner in their honor were Mr. and Mrs. Peter R. Miller of Plymouth, Mr. and Mrs. Edward A. Rutt of Grosse Pointe and Mr. and Mrs. George Treis of Detroit.

The Lutheran Mission Society will meet at the home of Mrs. O. F. Beyer, 725 North Mill street, on Wednesday evening, November 19, at 8 p.m. Plans for the mission work at Eloise will be discussed and entertainment has been planned. Every lady of the Lutheran church is a member of the Mission Society and should plan to attend this important meeting.

James M. Scott, Jr. and David M. Scott, sons of Mr. and Mrs. James M. Scott, of Sunset street, were christened on Sunday, November 9, at St. Andrews Episcopal church in Ann Arbor. The Reverend Henry Lewis officiated. Professor and Mrs. Irving Day Scott, grandparents, gave a dinner following the service for the godparents and relatives.

Accidents and Crimes Keep Sheriff Busy

A man described as 30 years old, 5 feet 8 inches in height and weighing about 175 pounds, with dark hair and dressed in dark work clothes, is reported to have attacked a woman at 4 a.m. on November 2 in a woods near Cherry Hill and Wayne roads, Nankin township. As reported to Sheriff Edward Behrendt's road patrol, the woman and her husband had been on a party, drank too much and on the way home had an argument. The husband ordered his wife out of the car and she was walking on the highway when approached by the above described man. This man said he would drive her home and instead drove her into the woods where she was beaten and raped. The sheriff's road patrol took the woman to Wayne General Hospital for an examination.

Some time during the night of Sunday, November 2, thieves broke into the drug store of Charles Peacock, 45030 Beech road, Redford township, according to the report made to Sheriff Edward Behrendt's road patrol. Stolen were one .32 caliber, 7-shot pistol valued at \$30, one .22 caliber rifle valued at \$35, one .22 caliber rifle valued at \$8, a cigar box containing 30 silver dollars and 15 one dollar bills, a cash box containing \$10 or more in change, and in addition, a postage stamp machine was stolen. Entrance was gained through the front door.

Sheriff Edward Behrendt's road patrol discovered a stolen car on Joy road just east of Farmington road, Nankin township. The car was a 1947 5-passenger Plymouth. Found inside the car was a warranty registration for an auto radio made out to Russell J. Etzel, 428 School street, Harbor Beach. Someone had re-

moved the engine, heater and radio from the car, as well as a 600x16 Goodyear tire. Under the hood were seven 70-pound bags of Peerless cement. In the trunk of the car license plates from a reported stolen car were also found.

Fire believed to be of incendiary origin was discovered Sunday night, November 2, in the garage of J. P. Nolan, 40530 Ann Arbor Trail, Plymouth township. The fire was extinguished by Walter Schiffler. The fire was reported to Sheriff Edward Behrendt's road patrol who made an investigation. It was reported to the patrol that the odor of fuel oil was very apparent and that rags and paper had been wrapped together.

Wedding of the Year

November 20 is the day of days for Princess Elizabeth, heiress apparent to the throne of England. For on that date, at 11:30 a. m., she will be wedded to Lt. Philip Mountbatten, formerly Prince Philip of Greece, the ceremony to take place in Westminster abbey. As husband of Princess Elizabeth, Mountbatten will be Britain's first prince consort since Prince Albert of Saxe-Coburg, Queen Victoria's husband. All of England has been looking forward eagerly to the princess' wedding day ever since the engagement was announced on July 10.

The sheriff's road patrol was called to the Detroit House of Correction, Plymouth township, Sunday, November 2, to question William T. Dunn, of 300 Griswold street, who was found in the cow barn at the House of Correction in a rather dazed condition. Dunn reported that he had been drinking in a bar in Detroit and had been robbed of a wallet containing \$17 and personal papers, also a blue reversible corduroy coat and a blue hat. Dunn did not know how he got to the House of Correction.

LEGALS

STATE OF MICHIGAN, THE PROBATE COURT FOR THE COUNTY OF WAYNE.

In the Matter of the Estate of WILLIAM BARTEL, Deceased. Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon GEORGE BARTEL, Administrator of said estate at Plymouth, Michigan on or before the 15th day of January, A. D. 1948, and that such claims will be heard by said court, before Judge James H. Sexton in Court Room No. 327, Wayne County Building in the City of Detroit, in said County, on the 15th day of January, A. D. 1948, at two o'clock in the afternoon, and in the case of a surviving spouse, the court will also at that time determine whether and to what extent claims and administration expenses are payable out of community property or out of separate property of the deceased.

Dated November 3rd, 1947. Published in The Plymouth Mail, once each week for three weeks successively within thirty days from the date hereof.

JAMES H. SEXTON, Judge of Probate, Nov. 7-14-21, 1947

If a man has a right to be proud of anything, it is of a good action done as it ought to be, without any base interest lurking at the bottom of it. —Sterne

to attend a series

of

REVIVAL MEETINGS

Nov. 16 thru Nov. 30
AT 7:30 P.M.

The Guest Speaker will be

MR. ROBERT OZ

Minister

of the Church of Christ
9 Mile Rd. & Van Dyke Ave.

Mr. Oz is a young man of unusual ability and is determined to preach nothing but the Gospel of Christ. Therefore we do not hesitate to invite you to attend these meetings.

Brother Robert Oz

If your telephone grew in SIZE the way it's growing in VALUE...

It's a good thing we don't have to make your telephone bigger every time we make it possible for you to call more people. You'd have to move out of the house to make room for the telephone.

Except for the increasing size of your telephone directory, you may not realize how the telephone system is being enlarged. We're adding thousands of new telephones every month.

Each of these new telephones means someone else you can call. It may be a butcher, a baker, a hardware store, a doctor or lawyer or druggist. Or it may be a friend or relative you've not been able to reach until now.

The point is that each new telephone means more errands your telephone can run for you... more jobs it can do for you. It's getting more valuable every day.

MICHIGAN BELL TELEPHONE COMPANY

Couple Observe 49th Wedding Anniversary

The 49th wedding anniversary of Mr. and Mrs. Fred Palmer was celebrated Sunday, November 9, at a family dinner given in the home of Mr. and Mrs. Howard Salley of Ford road.

All the living children and grand children were present. They are: Mr. and Mrs. Warren Palmer and Richard, Mr. and Mrs. Russell Palmer and David, Mr. and Mrs. Theron Palmer, Dean and Marianne, Mr. and Mrs. Elmer Witt, Ronald and Gladys, and Mr. and Mrs. Howard Salley. Guests were Mr. and Mrs. Clarence Ripper, Dorothy and John of Dearborn.

The honored couple were presented with a carved walnut chair and desk set.

Michigan State college poultrymen urge the use of more green feeds to conserve grain. For example, place alfalfa hay in a rack in the poultry house and put the birds on range whenever possible. Good range will save a lot of grain next summer.

Eastern Star News

The open house date for the O.E.S. fraternal home in Detroit will be early in December. All members donating canned fruit or vegetables should bring them to the next meeting. For further information call Julius Innis chairman at 1089-M.

In the last O. E. S. news the list of officers names for the ensuing year was not complete. It should have read as follows:

Worthy matron, Mary Kershaw; worthy patron, John Lietz; associate matron, Erna Hughes; associate patron, Arnold Williams; secretary, Clara Todd; treasurer, Gertrude Thorpe; conductress, Leila Huebler; associate conductress, Mildred Smith; chaplain, Alice Rathbun; marshal Marian Taylor; organist, Lillian Hartmann; Adah, Janice Williams; Ruth, Gladys Colgan; Esther, Lucille Smith; Martha, Doris Lietz; Electa, Vanita Alquire; Warder, Wilma Finrock; sentinel, Loren Goodale.

The associated positions are held by: Joan Huebler, American flag bearer; Hazel Grimm, Christian flag bearer; Kathryn Hartman, Eastern Star flag bearer; Sarah Dent, soloist; Pearl Lundquist, assisting marshal; Kathryn Wickens, assisting warder; John Lietz, scripture.

The November special meeting for the purpose of exemplifying the degrees of the Order will be held November 18, with a dinner at 6:30. Reservations can be made with Mrs. Clara Todd, secretary, before Sunday November 16. The evening meeting will be called to order at 7:45 p. m., in the chapters room.

An officers practice is called for Monday, November 17, at 7:30 p. m., in the chapter room.

Nankin chapter No. 238, held their installation of officers Wednesday, November 29, in the Masonic Temple at Wayne. Those attending from Plymouth were Mr. and Mrs. John Lietz, and Mrs. Gertrude Thorpe.

The Ann Arbor chapter No. 122 held their 1947 installation of officers in the chapter room of the Masonic Temple on Wednesday, October 22. Mrs. Leilla Huebler attended the ceremonies in which her sister, Mrs. Edna Koch, was installed as worthy matron.

Orient chapter No. 77 held its 56th installation of officers Friday, November 7, at the North-

ville Masonic Temple. Those present for the ceremonies from Plymouth were, Mrs. Mary Kershaw, Mrs. Mary Urquhart, Mrs. Lillian Hartmann, Mrs. Mildred Smith, Mrs. Martha Helt, Mrs. Erna Hughes, Miss Wilma Finrock, Mrs. Gertrude Jarvis, Mrs. Burlie Tremaine, Mrs. Gertrude Thorpe, Mrs. Jennie Murry, Mrs. Pearl Lundquist, Mrs. Evelyn Brocklehurst, Mrs. Julia Innis, Mrs. Lucille Smith, Mrs. Kathleen Micol, Mrs. Mary Danielson, and Mr. and Mrs. Harry Brown. Mrs. Lillian Hartmann was installing organist.

LOCAL News

Mr. and Mrs. George Chute will attend the Set Svahnholm concert at Hill auditorium this evening.

Mrs. G. E. Keeping spent last weekend with her daughter, Mrs. H. Weyerhiller, at Birmingham.

Mr. and Mrs. Earl Price and family of Utica, visited at the home of his parents, Mr. and Mrs. Harry DeBar.

Mrs. Joseph Druila of Detroit is spending a few days with her parents Mr. and Mrs. Harry DeBar.

The Library Book club will meet Tuesday evening at 7:30 p. m. at the home of Mrs. Sam Spicer at 41800 E. Ann Arbor Trail.

Orr Passage, 543 Maple avenue, celebrated his 79th birthday Saturday. Sixteen relatives were present for the evening celebration.

Mrs. Harry Shoemaker and daughter, Joyce, attended the Michigan State-Santa Clara football game in Lansing, Saturday. Gerald Shoemaker who attends Michigan State college was host.

Jeanne Schuler of Arthur street spent the weekend with her former roommate and friends at Hillsdale college. She also attended the Hillsdale-Alma football game.

Mrs. Roy Jewell has returned to her home on East Ann Arbor road from Harper hospital where she recently underwent an operation. Her many friends will be pleased to know that she is getting along nicely.

A personal shower was given by Mrs. Godber Jackson last Thursday evening in honor of bride-elect Velma Evans. The guests present were those she has worked with at the Michigan Bell Telephone office.

M. M. Roland took a business trip to the southern part of Ohio the latter part of last week. On his return he stopped in Lyons, Ohio where he looked over the water situation, and called on Mrs. Roland's sister, Mrs. Belle Burgess, and her brother, Frank Brown.

Mr. and Mrs. Austin Whipple were hosts at dinner and bridge last Saturday evening at their home on Penniman. Their guests were Mr. and Mrs. William Morgan, Mr. and Mrs. Henry Baker, Mr. and Mrs. Louis Truesdell, Mr. and Mrs. F. R. Hoheisel, Mr. and Mrs. Carvel Bentley, and Dr. and Mrs. A. E. Van Ornum of this city, and Mr. and Mrs. Harold Simms of Birmingham.

Holland Builds For the Future Says Langendam

"The people in Holland are cheerful, hopeful of the future, and at present working hard for recovery," Moritz Langendam said yesterday, following his recent trip to Holland. Mr. and Mrs. Langendam returned to Plymouth last Saturday, concluding the first visit to their native land in 35 years.

Upon arriving in Holland, they found it to be in much better condition than England, where they stopped briefly enroute. Mr. Langendam stated that if one has the money, he can eat almost anything desired. This contrasted sharply to the retort he received in England after requesting pancakes and eggs for breakfast. The waitress good-humoredly told him that she hadn't even seen an egg in six months.

"The whole inside of Rotterdam is bombed flat, but the outside area is beautiful," Mr. Langendam reported. He related that great buildings are going up all over, and went on to add that they had seen none in England. Continuing with a description of huge excavations in the ground for foundations for future building, he explained that since the ground is so swampy in that country, particular care is taken in laying this portion of any building. The foundations are built on approximately 30 foot cement poles which are driven deep below the basements.

Prices are high and everything is still being rationed. The American dollar, he stated, is valued at \$2.85 in Holland money. When questioned about the workman's wage, he answered that it was approximately \$55 a week.

Whole fields of graves of American soldiers were described by Mr. Langendam. There are white crosses on all, and he said they are well taken care of and

covered with flowers. The German graves, which the couple saw, were distinguished by black crosses.

Mrs. Langendam's sister and her family still live in Holland, as well as Mr. Langendam's brother and sister and their families.

"We had a nice time, but all in all we were glad to get back to the old U.S.A.," Mr. Langendam concluded.

Brings Back The First Deer

Edward Brown, better known to his many friends as "Curley", is believed to be the first Plymouth deer hunter to return home with a nice young buck, although the hunting season in Michigan does not open until Saturday.

But "Curley" is entirely within the law. He got his deer up in Canada, hunting near the Montreal river area along the north shore of Lake Superior.

His buck was not a big one, but that makes it all the better, declares "Curley." It will be nice and tender, that's one thing sure, he stated. The Canadian deer season opens two weeks earlier than in Michigan.

One should never put on one's best trousers to go out to fight for freedom.—Isben

FIRST PRESBYTERIAN CHURCH, Rev. Henry J. Walsh, D.D., minister. Sunday, November 16: Church School, 9:45 a.m. with classes for all. Morning Worship, 11 a.m. with our annual service of Consecration wherein we shall make our pledge to the support of the church for the year 1948. A special congregational meeting to approve the budget will be held in this service. Junior High Westminster Fellowship, 4 p.m. in the youth parlor. Senior High Westminster Fellowship, 6:30 p.m. in the church parlor. Fifth and Sixth grades will meet every Friday night right after school in the youth parlor. On Sunday, November 23, we shall observe the Tenth Anniversary of the dedication of the present church edifice. In the morning service the Mimmack Memorial parlor will be dedicated, and appropriate services will be held. We shall have open house in the church, under the auspices of the Women's Auxiliary, from 3 to 5 p.m. At 5 p.m. we shall have a special vesper service, with music by the choir. Dr. John Vissert, minister of the Westminster Presbyterian church of Detroit, will preach the sermon in this service. Tea and coffee and light refreshments will be served in the dining room, following the service, for everyone. A program, with reminiscence of the early days of the church, movies of the dedication procession to the church, and a play, "The Founding of Our Church" will be given. All people of the community are welcome to all the services, and to the events of the day.

STARK BIBLE SCHOOL—CHURCH OF GOD, Morning Worship, 10:00 a.m. Sunday School, 11:00 a.m. Evening Service, 7:30 p.m.

Scout Troop is Honored on Event of 25th Birthday

Last Monday evening was a big day in the calendar of Scouting in Plymouth at the Methodist Church. Troop P-1 celebrated its 25th anniversary. About a hundred and fifty people sat down to a wonderful dinner and then saw a unique program. The dinner was prepared under the supervision of Mrs. Austin Whipple with the assistance of the scout mothers and the program was developed by the Scoutmaster William Baker.

On tables were exhibits of handicraft, trophies and flags. There were the personal record sheets of the charter members of 1922. There was the scrap book

containing the history of the first years of the Troop and there were photographs taken all along the line. Especially in connection with this anniversary program were the written minutes of the first meeting—dated November 1, 1922.

The five long dining tables were decorated with silver ribbons and silver vases with yellow mums. On the speakers' table was a birthday cake with candles and figures 25 in silver beads on top. The "oldest Scoutmaster present"—Strong—blew out the candles and cut the first piece of cake.

After the dinner there were short talks by Rev. Doty, by Sidney D. Strong, Field Commissioner and charter committee chairman and the Scoutmaster William Baker. Scout Executive Amos Shields of the Detroit Area Council brought greetings from the council, as did his assistant Walter P. McKenna. Both of these men have been in Plymouth many times and have been very helpful and gracious in the work of building up Scouting here. Their presence at this celebration was much appreciated.

In the life of this Troop it has had eight Scoutmasters—D. D. Nagle, E. N. Snively, Sidney D. Strong, J. Rusling Cutler, W. A. Kirkpatrick, Robert Lidgard, Edward Wingard and William Baker, the present leader. Of these, Strong, Cutler, Wingard and Baker were present Monday

night. Also several of the Troop's Eagle Scouts were there—William Rambo, Stuart Rambo, Melvin Blunk, Orlyn Lewis, Richard Neale and William Baker, six out of the total of fourteen. Dick Neale was the official photographer for the occasion.

There were ten men present who were members of P-1 in its first year. Included were Frazer Carmichael, Bill and Stu Rambo, Dale Rittenhouse, Edwin Schrader, Richard Straub, Alan Strong, William Curtis, Louis Sherman and S. D. Strong. In the absence of the original Scoutmaster Rev. Dow D. Nagle, Commissioner Strong and the "old boys" reproduced the first meeting in 1922, using the written minutes as a text. All of the items in the first session were included—in condensed form—marching drill, the roll call and dues collection, the election of scribe, the investiture of five into the Tenderfoot rank, a review of the Tenderfoot requirements, first and practice, and closing exercises.

It isn't too often that so many old scouts are still in the city in which they had their original membership. Of the twenty-eight first year scouts, three have died, nine are not in this vicinity. So a majority of the sixteen still here were present—and the rest wished they could come.

Incidentally, while on the subject of numbers, about three hundred boys have been members of P-1 in its quarter century of life, and of these at least a hundred and three were in the service of their country during the recent war. There are four gold stars on the honor roll.

The old troop, joined by Mr. McKenna, then put on the melodrama "St. George and the Dragon" after which the present troop took over and presented an investiture service, making Casey Cavell, Gordon Champion, William Cowgill, Gordon Gavigan, Russell Foster and Elmer Whipple members of P-1.

The Scoutmaster, in behalf of the Troop and its friends, presented Commissioner Strong with a set of "Man and the Universe" for his work over the years with this group. An appropriate thought in connection with this gift is that a Scout Leader needs to have some of the qualities of all the speculative, social, political and scientific philosophers whose works are in these books.

Altogether it was a grand evening. The City of Plymouth is much in debt to the Methodist Church for its sponsorship of this Troop during these years. Under this sponsorship and the guidance of the Troop Leaders the Troop has built up a fine record in civic service and in the demonstration of the Scout program in our city.

Purchasing shade or fruit trees from your local nurseryman has its advantages, according to F. L. O'Rourke, Michigan State college horticulturist. They can be planted soon after digging time and this will not allow roots to dry out, freeze or otherwise become damaged before they are replanted.

Woman Billiard Star to be Here

Miss Ruth McGinnis

Miss Ruth McGinnis, outstanding pocket billiard player, and accepted as the top ranking female player of all times, will make a special appearance here Tuesday, November 18, at the Plymouth Recreation. The program will begin at 7 p. m.

Miss McGinnis is known as the only woman in history to master the "Gentlemen's Game" and has a high run record of 123. She has held the title of women's world champion for 25 years, winning it at the age of nine. For years Miss McGinnis has been endeavoring to promote the game of pocket billiards among women of the country. It is her belief that by making personal appearances at the better clubs and billiard establishments scattered throughout the nation, she will thereby introduce the sport to the women.

The lady champion graduated from the State Teachers' College, East Stroudsburg, Pa., in 1932, and since that time she has been touring the country giving exhibitions and lectures. Miss McGinnis shoots left handed, and during the evening she will show a series of trick shots that made her famous in the movie studios.

Discovery of a new electrical insulating material, barium titanate, the insulating value of which is said to be 100 to 1,000 times that of mica, is reported by Soviet scientists.

Things are not always what deceives many; the intelligence they seem; the first appearance of few perceives what has been carefully hidden in the recesses of the mind.—Phaedrus

Roses in November Found in Plymouth

Maybe not roses in December, but roses in November can be acknowledged as having grown in Plymouth.

Last Saturday morning Mrs. Julius Saner, of 48222 Powell road, discovered two of her American Beauty roses in full bloom in her garden. In addition to these, there was a large bud which showed signs of future blossom.

Leave for Visit to Son in Hawaii

Mr. and Mrs. John Miller, 279 Irving street, left Thursday for Hawaii where they plan to visit their son, Albert, who is U. S. navy Chief in charge of the navy postoffice at Pearl Harbor. "Red", as he is best known to his many Plymouth friends, was in charge of the Pearl Harbor postoffice when the Japs made their sneak attack upon that naval base. He has served in the navy for nearly 15 years and during the entire war period.

This will be the first visit Mr. and Mrs. Miller have made to Hawaii, where "Red" has been stationed most of the time during his many years in naval service. They will sail from San Francisco on November 20 and will be met upon their arrival six days later by their son and his family. It is their plan to return to Plymouth late in January.

Few are sufficiently sensible of the importance of that economy in reading which selects, almost exclusively, the very first order of books. —John Foster

Twenty per cent of all automobile drivers involved in fatal accidents last year had been drinking and 23 per cent of all adult pedestrians killed had had one or several drinks, the National Conservation Bureau said today in its oft-repeated warning against mixing liquor and travel. Memorize and remember the slogan: "If you drive don't drink. If you drink don't drive."

Foreign Policy Described to Woman's Club

A verbal picture of America's foreign policy was painted by Dr. Alfred Kelley when he spoke before members of the Woman's Club last Friday afternoon. The meeting was held in the St. John's Parish House.

It is the speaker's belief that the atomic bomb is no longer a secret. Plans in the possession of other governments may not be duplicates of those owned by the United States, but they do have an atomic bomb of some description, he contended.

Dr. Kelley also stated that he believes in military preparedness for the United States. This country should not sit back and wait until someone else declares war before a preparedness program is begun, he asserted. We should be ready to defend ourselves at all times.

Comparatively, this country got off easy in the last war, he contended. Other countries lost many more soldiers. He thus stated that if there should be another war, there is a possibility the United States will have much greater losses.

The speaker is an associate professor of American history at Wayne University, and has been on the staff for 12 years. He has specialized in American diplomatic history and foreign policy.

Worry — it's wonderful!

• The right kind of worry is a wonderful thing. It can save you a lot of grief.
It's the kind of worry that makes you see a problem coming—and then do something to avoid it.
For example:
If you do a little worrying now about getting the money to send your children to college when they grow up, or to take care of yourself in your old age, the chances are you'll start saving regularly—and thus spare yourself many bitter, hopeless anxieties in years to come.
Probably the very best way for the average American to save regularly is to buy U. S. Savings Bonds—either on the Payroll Plan, or the Bond-A-Month Plan for bank depositors.
Both of these plans work automatically. Once you sign up, your money is invested automatically—month after month.
This way, your savings mount up fast. And in just 10 years, you get \$4 back for every \$3 you put in.
If you start one of these plans right now, you'll very likely escape the wrong kind of worries later on.
Why not sign up today?

Save the easy, automatic way—with U.S. Savings Bonds

Let's Bake a Cake That's Feathery Light! (See recipes below.)

Parade of Cakes

Now that the weather is cooler and we're spending less time out-of-doors, there's more call for mother's delicious cakes. A cake somehow seems to top off evenings at home perfectly when the youngsters have their school chums in for an evening or if guests drop in unexpectedly.

Week-ends, too, probably are full of light entertaining if the week is a busy one, and it's time the old custom of baking a cake on Saturday afternoon were reinstated. Then, no matter who comes in that evening or stops for dinner or tea on Sunday, we have a cook's treat to set before them.

There are loads of cakes to please every palate, from feathery-textured spice cakes to delectable combinations of banana and pineapple cake, as well as spiced dark devil's food and light-as-down, delicate whipped cream cake.

First, let's start off with a hot milk cake, easy on the budget and easy to mix. Top it with a broiled icing.

Hot Milk Cake. 2 eggs, well beaten 1 cup sugar 1 cup sifted cake flour 1/2 teaspoon salt 1 teaspoon baking powder 1/2 cup hot milk 1 tablespoon butter

Beat eggs until light and thick. Slowly add sugar and continue beating until very light and thick. Sift flour, baking powder and salt. Fold into egg and sugar mixture all at one time. Melt butter in hot milk and fold into cake. The addition of the flour and milk should take no longer than one minute. Pour into a well greased pan and bake in a preheated, moderate (350°F.) oven for 30 minutes.

Broiled Icing. 3/4 cup brown sugar 1/2 cup butter, melted 1/2 cup cream 1 cup coconut

Combine ingredients, blending well. Frost cake and return to hot oven or broiler just long enough to brown.

Banana Cake. 1/2 cup butter 1 1/2 cups sugar 1 cup banana, mashed 1/2 cup dates, chopped 1 cup crushed pineapple, drained 2 cups cake flour 1/2 teaspoon soda 1 teaspoon baking powder 1/2 cup nutmeats 1/2 cup sour milk

Cream sugar and butter thoroughly. Add bananas, dates, pineapple, and blend thoroughly. Sift dry ingredients three times and mix in nuts; add alternately with sour milk. Bake in a moderate (350°F.) oven for 35 to 40 minutes. Frost with caramel icing:

1 1/2 cups dark brown sugar 1 1/2 cups granulated sugar 1 1/2 cups milk 2 tablespoons butter

Combine sugars and bring to a

LYNN SAYS: Baking Tips Help Give Successful Results

When you buy lamb chops for broiling, select some that are two-thirds to two inches thick. If they are any thinner, they dry out too readily before they are entirely cooked.

A well-cooked roast deserves a rest period of about 30 minutes before coming to the table. The roast will be much easier to carve in uniform slices if it stands a bit.

Animals are such agreeable friends—they ask no questions, they pass no criticisms.—George Eliot

LYNN CHAMBERS' MENU

Broiled Sweetbreads with Bacon Pineapple Garnish Broiled Tomatoes Potatoes Au Gratin Whole Wheat Muffins Whipped Cream Cake Beverage *Recipe given.

boil with the milk, stirring gently. Boil without stirring until 232°F. or the soft ball stage. Add butter, remove from heat and cool to lukewarm. Beat until thick and creamy and of a consistency to spread.

Chocolate Potato Cake. 1/2 cup butter or substitute 2 cups sugar 4 egg yolks, beaten 2 cups cake flour 2 teaspoons baking powder 1 teaspoon cinnamon 1 teaspoon cloves 1/2 teaspoon nutmeg 1 cup milk 1 cup hot mashed potatoes 2 squares chocolate, grated 1 cup walnuts, chopped 4 egg whites Rind of 1 lemon, grated

Cream sugar and butter; add egg yolks. Add sifted dry ingredients alternately with milk. Then add lukewarm potatoes to which the chocolate has been added and allowed to melt, and the walnuts. Fold in beaten egg whites and lemon rind. Bake in layers or in a flat loaf tin in a moderate oven for 35 to 45 minutes.

Spiced Devil's Food. 1/2 cup butter 2 cups sugar 2 eggs, well beaten 1 square chocolate, melted 1 1/2 cups cake flour 2 teaspoons baking powder 1 teaspoon cinnamon 1/2 teaspoon salt 3/4 teaspoon cloves 1 cup milk

Cream butter and sugar thoroughly, add eggs and chocolate. Add sifted dry ingredients alternately with milk. Bake in buttered pans in a moderate oven for 30 to 40 minutes. Frost with mocha icing:

2 cups sifted confectioners' sugar 1/2 cup butter or substitute 4 tablespoons cold coffee 1 square chocolate, melted

Cream together butter and sugar; add melted chocolate and coffee. Beat until smooth and of a spreading consistency. Spread in between layers, on top and sides of cake. Sprinkle with chopped nuts.

Whipped Cream Cake. 1 cup whipping cream 2 eggs, well beaten 1 cup sugar 1/2 teaspoon lemon extract 1/2 teaspoon vanilla 1 1/2 cups cake flour 2 teaspoons baking powder 1/2 teaspoon salt

Whip cream until it holds shape, then fold in eggs and sugar, mixing lightly. Add lemon extract and vanilla. Add sifted dry ingredients. Bake in two buttered layers in a moderate (375°F.) oven for 25 to 30 minutes. Put together layers with additional whipped cream.

Released by WNU Features.

Ham 'n cornbread go a long way toward making any meal a success. Add finely diced ham to cornbread batter before baking. Serve with salads, soups and souffles for a flavor-bright combination.

A never-to-be-forgotten rule when baking cakes, is to allow all the ingredients, especially the fat, eggs and liquid to come to room temperature before mixing. Their "compatibility" is increased tremendously and the texture of the cake improved.

There is a choice in books as in friends, and the mind sinks or rises to the level of its habitual society.—Lowell

Soprano Soloist With Civic Messiah Chorus Is Mary Louise Arlan

Prominent Plymouth soprano, Mrs. Frank Arlan, has been chosen to sing the role of soprano soloist in the "Messiah" portion of the concert to be presented December 7. It will take place in the Plymouth High school auditorium.

For the past month the chorus has been rehearsing Monday nights with director Fred Nelson,

high school vocal music instructor. Mrs. Thomas Lock, pianist, accompanies the 60 voice chorus. In the concert the chorus will be supported by the Plymouth Symphony Orchestra. As a portion of the orchestral program, conductor Paul T. Wagner will feature the sparkling "Chit-Chat Polka" by Strauss.

Our thanks should be as fervent for mercies received as our petitions for mercies sought. —Charles Simmons

NEWBURG GROCERY Announcing NEW Store Hours STARTING NOVEMBER 17 Monday through Thursday, 9 a.m. to 7:30 p.m. Friday and Saturday, 9 a.m. to 8:30 p.m. Sunday, 10 a.m. to 2 p.m.

Well, after a very pleasant post-ponement, autumn weather is here. Time to drag out your wool muffer, your overshoot and your hot water bottle. But before you put your summer things away, let Tai's Cleaners & Tailors (14268 Northville Road) clean them for you. For complete protection against moths, Tai's will moth proof your clothes, or store them for you in their refrigerated vaults, fully insured. Phone 234 for Tai's pickup service—daily in Plymouth and Northville; Monday, Wednesday and Friday in Livonia.

HOUSEHOLD MEMOS... by Lynn Chambers

Serve Fruit Desserts for Meal Contrasts (See recipes below.)

Fruit Desserts
Food studies show that people do not get as many fruits in winter as in summer, and frequently this is thought to be a result of their lack of availability; but a good percentage of fruits available in their fresh form are canned, and thus made available for use.
Then, too, there are a number of fruits more available in the cooler months than during summer—apples are in their prime, and so are pears. Look to the citrus fruits, also, if you want particularly luscious fruits that are scarce in summer. Make good use of the dried fruits like prunes and apricots for they have excellent vitamin and mineral values.
This is the season to make full use of the canned fruits you stored during the warmer months. Serve them chilled with simple cookies for an easy dessert or make them into one of the many delectable puddings such as the following:

Lynn Chambers' Menu
Broiled Hamburgers
Baked Potato with Cheese Topping
Buttered Broccoli - Carrot Curls
Toasted Buns - Chili Sauce
Baked Grapefruit with Peppermint Topping
Beverage

Apricot Manhattan Mousse. (Serves 8)
2 1/2 cups apricots, sieved
6 tablespoons lemon juice
1/2 cup sugar
3 teaspoons gelatin
2 tablespoons cold water
1 1/2 cups whipping cream
1/4 cup confectioners' sugar
1 1/2 teaspoons vanilla

Prunella Pudding. (Serves 6 to 8)
1 cup whipping cream
1 cup milk
1 cup sugar
3 tablespoons cornstarch
1/2 cup milk, cold
1/4 cup butter
1 teaspoon vanilla extract
12 slices soft bread
1 1/2 cups prunes, cooked, pitted and chopped
1/2 cup shredded coconut, toasted

Princess Custard. (Serves 6)
2 large bananas, diced
1 1/2 teaspoons orange rind, grated
6 tablespoons orange juice
3 tablespoons sugar
2 tablespoons cornstarch
1/4 teaspoon salt
1 1/2 cups milk
2 egg yolks, slightly beaten
2 egg whites
2 tablespoons sugar
1/4 cup sweet crumbs (cake, cookie, graham cracker or vanilla wafer crumbs)

Deep Dish Plum Dessert. (Serves 6)
3 cups canned plums
1/4 teaspoon cinnamon
1/4 teaspoon nutmeg
2 tablespoons butter

Caramelized Apples. (Serves 8)
8 apples
16 marshmallows
1 cup butter
1 cup brown sugar
1/4 cup nut meats, almonds preferred

Combine bananas, orange rind and juice. In a double boiler, combine sugar, cornstarch and salt. Add milk gradually and cook until it thickens. Slowly stir into egg yolks. Cook until thick. 2 to 3 minutes. Remove from fire and fold in fruit mixture. Chill. Gradually add sugar to stiffly beaten egg whites, fold into custard. Place in sherbet glasses and sprinkle with crumbs.

Combine cream, milk and 1/2 cup of sugar in saucepan and bring to a boil. Moisten cornstarch with cold milk and stir into hot mixture. Cook until thickened. Add butter and vanilla. Cool until lukewarm. Remove crusts from bread, cube and toast, under broiler. Combine prunes with bread cubes and remaining sugar. Arrange half in bottom of a large pudding dish. Spread one half of crusted mixture over the prunes. Add remaining prune mixture, top with custard and toasted coconut. Chill 8 to 10 hours.

Combine layers of apples, cut in eighths with marshmallows cut into thirds, butter cut into pieces, brown sugar and nuts in a buttered baking dish. Bake in a moderate oven (350°F.) basting occasionally. Cool. Serve with whipped cream. This may also be served as a side dish with pork, turkey or chicken. Released by WNU Features.

Last Saturday Mrs. Iva Bentley, Mrs. Mary Starkweather and Mrs. Ada Murray attended an "at home" meeting of the Detroit button collectors' group at the home of Mrs. Ethel Bassey in Detroit, where they viewed her fine button collection.

LOCAL News

If you have any local news, club news, or weddings for the Plymouth Mail please call Mrs. Alford, telephone 1667-R before Wednesday noon.

A daughter was born to Mr. and Mrs. Joseph Lach of Northville on October 3. Mrs. Lach is the former Virginia Lanning of Plymouth.

Mrs. George Raviler and son George recently attended the matinee performance of "Anthony and Cleopatra" at the Cass.

Mrs. Kenneth M. Lloyd and daughter, Mary Margaret, of Youngstown, Ohio arrived Monday to visit her parents, Dr. and Mrs. Luther Peck.

The Ambassador club will meet next Thursday, November 20, for dessert and bridge at the home of Mrs. Forest Smith on Liberty street.

Mr. and Mrs. A. J. Alford and Marjorie and Nancy Lou spent the weekend in Lansing where they attended the wedding of his nephew, Curtis Alford, and Marilyn Runyan.

Mr. and Mrs. James Gates, Mr. and Mrs. John Hawk, and Mr. and Mrs. Henry Ehrenberger enjoyed a Halloween euchre party at the home of Mr. and Mrs. William Martin on Newburg road.

Ronald Witt was the winner of the Plymouth Junior Chamber of Commerce speech contest instead of Roland Witt, as was erroneously reported in last week's issue of The Mail.

Mr. and Mrs. Floyd Wilson of Sheldon road entertained Sunday at a birthday dinner in honor of their twin nieces, Sharron Faye and Nancee Kaye Seitz, of Grand Rapids. Other guests included Mr. and Mrs. Lloyd Seitz and sons Lee and Tadd of Grand Rapids, and Mr. and Mrs. Harry Seitz, Mr. and Mrs. Edward Seitz and Mrs. Anna Seitz of Monroe, and the Wilson's son, John.

A daughter, Susan Gail, was born to Mr. and Mrs. Richard Given on November 3 at Mt. Carmel hospital in Detroit. The couple reside on Bradner road in Northville. The mother is the former Shirley George.

Mrs. Howard Stark returned Sunday after spending the past week at her home near Traverse City where she was called because of the serious illness and death of her mother, Mrs. Mark J. Steward.

Mr. and Mrs. Carl Stever and daughter, Jean, of Grosse Pointe and Mr. and Mrs. Herman Goodsmith and daughter, Sally Lynn, of Royal Oak were dinner guests of Mr. and Mrs. Albert Stever Friday evening.

Mr. and Mrs. Charles Hanchett and daughter, Donna Kay, and Mr. and Mrs. Richard Hanchett spent the weekend with the latter's cousins in Owosso, Mr. and Mrs. James Riley and Mr. and Mrs. George Kern.

Mrs. Ira Carney of Yale is a guest this week of her son and daughter-in-law, Dr. and Mrs. Elmore Carney, Wednesday evening Dr. and Mrs. Carney, their two sons and Mrs. Ira Carney were dinner guests of Mrs. Charles Draper at her home on Church street.

Mr. and Mrs. James M. Scott and Mr. Scott's sister, Barbara Rice, of Sunset avenue, attended the Michigan-Indiana game with Mr. and Mrs. Woodward Grove, of Chicago, Illinois. The latter were house guests of the Scott's last weekend, and former classmates at the University of Michigan.

Mr. and Mrs. James M. Scott and Mr. Scott's sister, Barbara Rice, of Sunset avenue, attended the Michigan-Indiana game with Mr. and Mrs. Woodward Grove, of Chicago, Illinois. The latter were house guests of the Scott's last weekend, and former classmates at the University of Michigan.

Detroit Edison Completes Rural Electrification

"By June 1948, all of the 39,000 farms in the 7,600 square miles of territory served by The Detroit Edison Company, will have available the many benefits of central station electric service," according to a statement by E. J. German, Edison's District Manager at Wayne.

"This will mark the completion of a rural electrification program which the Company embarked upon in 1923," Mr. German said, and added that, "The Detroit Edison company is probably the first public service company in the United States serving an extensive rural area to make electricity available to all farm customers in its territory."

Mr. German pointed out that "the company's farm service extension program had to be curtailed during the war because of material and manpower shortages. However, this whole program will be completed in 1948. The company will then have 10,171 miles of power lines in operation to provide electric service for farms."

"From its beginning back in 1923, the job of providing electric service to farms has presented many technical problems that provided a challenge to the company's engineers and management. At that time Detroit Edison under the farmer's supervision made a study on experimental farms of how electric power could be efficiently and economically used on the farm. It was found that electricity could be applied to nearly every operation on the farm and when used for productive purposes could be a self-supporting servant for the farmer and his wife as well. Farmers were quick to realize the value of electricity on the farm, and by the end of 1928, there were 7,707 farms in the company's territory served by means of 1,710 miles of power lines. By 1945, 35,728 farms were electrified and the company had 9,671 miles of farm lines in operation. Detroit Edison engineers developed new methods of line construction which would enable it to build farm lines on an economically sound basis for both the farmer and the company so, from 1928 to 1945, it was able to make several reductions in its customer contribution requirements for the extension of electric service to farms. This low cost development was an important factor in the rapid expansion of electric service in the rural areas during this period.

"As a means of demonstrating to the farmer the many advantages of using electricity, Detroit Edison, in cooperation with Michigan State College, purchased a demonstration truck and trailer to travel the farming area. A complete farm wiring system was installed as one of the exhibits in the truck. In addition, the mobile demonstrator incorporated an electric water system, a small burr and ham-

mer mill feed grinder, a 2 horse power portable motor, a pipe line and portable-type milking machine, deep and shallow well pressure water systems, poultry water heaters and automatic controls for poultry house lighting. Farmers immediately saw by these demonstrations, that electricity is an important farm servant, saving many manhours and dollars. Some of our farmers have been unable to go ahead with their plans for the installation of electrical farming equipment because of the present high cost of equipment. However, as a result of greater use, more efficient production and scientific advancement, it is felt that manufacturers of this equipment will bring it within the means of all farmers.

"Completing the extension of electric power lines to all farms in the territory at the middle of 1948 will not mark an end to the company's activities in the farm field but rather the beginning of an extensive program to expand the uses of electricity on the farm. Farmers are assisted in selecting economical application of electricity for their operations by a staff of experienced and specially trained Detroit Edison Farm Representatives who work with and assist the farmer without charge. Increased use of electricity on farms will mean increased efficiency, more profits and more leisure for the farmer and his helpers", Mr. German added.

It is another's faults if he be ungrateful, but it is mine if I do not give. To find one thankful man, I will oblige a great many that are not so. —Seneca

DAR Members to Hear of Projects

"State Projects" will be the theme of Mrs. Walter Pomeroy's speech which she will deliver before members of the Sarah Ann Cochrane chapter of the DAR at next Monday's meeting. The meeting is scheduled to take place at the residence of Mrs. Allen Buckley in Northville.

The various projects which will be discussed by the speaker include the Marshall scholarship fund for the college students, the Tamasee Laundry, the motion pictures which are being taken by Farrell Herrick, and good citizenship Pilgrims.

At the same meeting a shower will be given for approved schools. Members have been asked to bring old clothing and material. The latter will be used for rug making. Tea will be served the members before the conclusion of the meeting.

A little thing comforts us because a little thing afflicts us. —Pascal

Men Escape Death As Train Hits Car

Two men miraculously escaped death last Thursday afternoon, when the car in which they were riding stalled on the railroad tracks, in the path of an oncoming Pere Marquette streamliner train. The driver of the car was James Traynor, of Northville, while the man riding with him is not known.

The car was pushed off the track by the speeding train, and one of the men was thrown several feet. The vehicle is listed as a 1936 Ford, and damage estimates are around the \$200 mark.

Center of all "Ayes"

White and all colors, as illustrated, available at extra cost.

You look over those long, clean lines, free and flowing as the wind — and you say "Aye!" to that.

You slip behind the ready wheel, settle yourself in deep, soft cushions — and once more the "Ayes" have it.

You finger the little buttons that run the door windows up or down, test out the control that at a touch positions the front seat for you — and those things win your nod.

Now put foot to treadle. There's the quick answer of eight big Fireball cylinders, tossing down a challenge to go adventuring.

Look over the top. A pull on a knob will swing it back out of the way — yet you find it tight and snug against

the nippest of November winds.

Make a little test run, picking out roads not noted for their smoothness.

They're ironed level by four coil springs, cushioned by Safety-Ride rims that get 25-lb. softness from standard 30-lb.-pressure tires.

You test the wheel, the brakes, the room, the road-hugging steadiness. They all win "Ayes" as

America's most wanted automobile shows why it is just that.

Centered here are all the good things you want in a car — including style that stands all alone for sheer beauty and as a forecast of coming things.

So why hold back?

Be as smart as those who've gone before you and get your order in, with or without a car to trade, soon as you can.

A FINGER TOUCH

—and the door window runs up or down automatically. Similar controls raise or lower the top and adjust the front seat.

OUR CHAPEL

More and more people, in recent years, have availed themselves of the use of our chapel, rather than have a funeral conducted in their own homes. Here is an atmosphere of quiet and restfulness, where friends may call and where services can be conducted with dignity and without confusion. There is no charge for the use of the chapel. It is part of our service.

Visit Students at University

L. E. Schmidt, Principal Plymouth High school, and Anthony Matulis attended the 19th annual Principal-Freshman Conference at the University of Michigan, Thursday, November 13.

The high school superintendents and principals had an opportunity to talk over college adjustment problems with former students who are enrolled in the University this fall. Several deans of Michigan Junior colleges were also on the campus to interview former students who have transferred to the University.

Students from Plymouth interviewed were: William Bateman, 1347 W. Ann Arbor Trail; Robert Elliott, 42632 Cherry Hill; Mary Evans, 443 Ann; Nancy Groth, 9615 Cranston; Beatrice Hartmann, 383 Blunk; Patricia Isbell, 365 Pacific; Gerald Joyce, 197 S. Union; Donald MacGregor, 11329 Melrose; Maxine Martin, 9337 Newburg; John Pint, 42445 Schoolcraft; Elizabeth Ross, 50000 Ann Arbor; Mary Rowe, 48422 W. 8 Mile Rd., Northville; William Sexton, 1043 Penniman.

More powerful electric generators are scheduled for automobiles, to operate such robot-age factors as electric windshield wipers and devices to adjust seats and windows, to open the hood, raise and lower the top. The generators are expected to rise in the next few years from today's 35 amp. to 60-85 amp.

Name Members of Neighborhood X-ray Committee

The Neighborhood Committee for the Plymouth Chest X-ray Survey met Thursday, November 6 at the home of Mrs. J. R. Witter, chairman.

Present were co chairmen, Mrs. B. Horton Eooth, Mrs. Henry Hees, Mrs. Verne Keith, Mrs. Clarence Jetter, Mrs. Lee Arnold, Doris Jurgenson, Wayne County Health Department nurse, and Catherine Vavra, Health Educator, Tuberculosis and Health Society.

The four precincts of Plymouth are to be organized into areas to get information about the X-ray survey into every home in town. The area chairmen have set their meeting days as follows: Mrs. Verne Keith and Mrs. Clarence Jetter, co-chairmen of area one, will meet their volunteers on November 19 at 2:00 p.m. at Mrs. Keith's home, 239 Elizabeth; area two chairman is Mrs. Otto Beyers. Her meeting is not yet arranged. Area three chairman is Mrs. Henry Hees and Mrs. Lee Arnold. Their volunteers will meet November 19 at 10:00 a.m. at Mrs. Arnold's home, 650 Auburn. Area four chairman is Mrs. B. Horton Booth, 1325 Sheridan. Her meeting is set for November 20 at 10 a.m. at her home.

Waxing your floors? They may make good training grounds for walking when pavements grow slippery this winter, but both are dangerous, warns the National Conservation Bureau. Accidental falls killed 26,400 persons last year. Many of these were the result of unanchored rugs which slid on waxed floors.

Press-toe!

JUST STEP ON THE GAS AND GO!

... Away out ahead... automatically!

NO CLUTCH PEDAL!

Here's real driving magic. A touch of a toe on the accelerator and you're away. No gears to shift. No clutch to push. In fact, in an Oldsmobile with Hydra-Matic Drive*, the clutch pedal's gone... completely!

It's the smart, modern way to go places... automatically. Gear shifting is fully automatic through four forward speeds. There isn't even a clutch pedal in the car!

Introduced by Oldsmobile eight years ago, Hydra-Matic Drive has been proved in the hands of more than 400,000 enthusiastic Oldsmobile owners... proved in literally billions of miles of driving.

Oldsmobile's smart appearance matches its smart performance, too. The smooth, trim lines of this Style-Leader have everyone saying—"It's SMART to Own an Olds!"

THE FINEST MEAL I EVER COOKED!

That's what Jim said after the first meal on our new electric range. And he's right. Postwar electric ranges are a vast improvement over older models. Ovens are better insulated. Heating units are more efficient. That means even faster cooking... lower cost.

You save extra time, too, with the automatic control that starts and stops your range by itself. Why, you can go shopping all day and have supper ready to serve when you return. And there's no heating up the kitchen... no soot or smoke to bother about.

These easy-to-use electric ranges are in stock right now at your local dealers. Be sure to see them soon.

COLD WEATHER BRINGS ONSET OF HAYRIDES

With the cold weather that comes in November comes also a whirlwind of hayrides. Those clubs planning hayrides at the present time are Service club, November 15, and Commercial club, November 22. Hescos held their hayride November 8, with Gerald Salow driving the wagons. Afterwards the 15 couples, deciding it was too cold to have a weiner roast in the park, returned to the home of Mrs. Barbara Parkes where they had hot dogs and cider. As an additional note, Hescos plan to hold a bake sale sometime in the near future.

FROSH DROP FIFTH BOW TO REDFORD UNION

The frosh dropped their fifth game Thursday, November 6, as they bowed to Redford Union 13 to 6. Bob Gow threw the touchdown pass to George Hunter for a repeat performance of the last two weeks. The freshman season, which consisted of two games with Wayne, two with Redford Union, one with Farmington, in which they scored three times on a pass from Gow to Hunter, ended with this game.

PLYMOUTH DEBATERS WIN

Resolved: "That the Federal government should require arbitration of the labor disputes in our basic American industries" was the topic for debate when the Plymouth teams met teams from Trenton on Wednesday, November 5. A negative team composed of Ronald Hees and Roger Kidston traveled to Trenton with the coach, James Latture. Meanwhile, Plymouth's affirmative team, Sandra Walch and Ronald Witt, played host to Trenton's negative team here. Plymouth teams won both debates.

RESERVES LOSE SECOND GAME TO BELLEVILLE

The Plymouth Rock reserves played the Belleville Tiger reserves for the second time this year and lost again by a score of 13-0. Battling under the lights of Plymouth's football field, the Rocks held their foe scoreless through the half. Although Dick Crocker and John Wiltzie broke loose and scampered off for long gains, the reserves could not get their offense working. A series of penalties and an intercepted pass led to the first Belleville touchdown before the third quarter was five minutes old. The tigers scored again when they recovered a fumble on the 50 yard strip and cracked away at Plymouth's line until they punched over from the one foot line, ending the scoring.

TABLES WILL TURN AT TONIGHT'S DANCE

"Two, please" many a feminine voice will say to members of the ticket committee at the Sadie Hawkins' dance, sponsored by Leaders' club, tonight at 8:00 p. m. in the high school gymnasium. During intermission a Sadie Hawkins' skit will be presented by members of Leaders' club. In keeping with the idea of music and dancing, with Bessie Henry's orchestra, Anne Preston will tap dance and Joe Cicereilli will sing a group of songs including "Because" and "Ah! Sweet Mystery of Life".

Hi-Y HAS NIGHT PROGRAM

To pass away the time the Hi-Y boys, who arrived early at the home of Mr. Harry Reeves on W. Ann Arbor Trail at regular meeting last week played various club games. When the entire club had assembled, Mr. John Jacobs showed pictures taken on trips through the West, East, and Florida.

The formal induction ceremony, through which all new members must pass before they may officially join the Hi-Y, was held. Lunch and games filled the rest of the evening.

Sometime before Thanksgiving, the informal initiation will be held.

Senior Prom Planned

The Senior class will present its prom Friday, December 5, in the high school gymnasium. In keeping with the season a theme of Christmas will be carried out. Ken Norman's popular orchestra will furnish the music. Invitations may be obtained by phoning Beverly Rousseau 1373-R before November 21.

STUDENT COUNCIL ATTENDS CONFERENCE

Student Council representatives and advisers of class A and B high schools of Michigan attended the third annual Michigan conference on high school citizenship entitled "Student Democracy in Action," held on the University of Michigan campus Friday and Saturday, November 7 and 8.

After Friday's registration, the students attended a general assembly, and, after the keynote address was given, divided into sectional groups where discussions of school problems were carried on. Assembling after lunch, discussions were carried on further, after which another general assembly was held and a tour of the campus.

Reassembling again Saturday into the same sectional groups, the main points of the discussion were summarized. These points were later reported to the general assembly. The assembly adjourned at 11:30, after which the members of the conference were guests of the University of Michigan at the Michigan-Indiana football game.

Plymouth student council members attending the conference were Verna Rice, Bill Stout, Jack Scheel, Ted Thrasher, and Miss Irene Walldorf, faculty adviser.

ROCKS LOSE LAST GAME TO MT. CLEMENS BATHERS

Although scoring two touchdowns in the first quarter, the Plymouth Rocks lost the last game of the season to the Mount Clemens Batthers 27-20.

DeWayne Becker, who has done a bang up job at halfback for Plymouth this year, scored the first touchdown, with Bob Dunham kicking for the extra point. Jack Dobbs crossed the goal line for pay dirt twice ending the scoring for the day.

The Rocks ended the 1947 football season minus three regulars who started their first game with Farmington: Jay Daggett, Marino Aquino, and Ray Nowry.

Following is the lineup that started the last game against Mt. Clemens: LE. Veresh; LT. Miller; LG. Sambrone; C. Barnes; RG. Farwell; RT. Kidston; RE. Dobbs; QB. Harder; LH. Becker; RH. Allen; FB. Stevens.

THE BEGINNINGS OF ALL THINGS ARE SMALL.—Cicero

Heading the dance committees: Marilyn Vanhoy, general chairman; Allyn Williams, decorations; Barbara Lorenz, publicity; Connie Bothwell, refreshments; Pat Pine, floor; Helen Fisher, music; Nancy Mastick, clean-up; Rose Ann Ewer, tickets; Beverly Rousseau, entertainment; and Beverly Balsley, chap-erones.

Wisdom does not show itself so much in precept as in life—a firmness of mind and mastery of appetite.—Seneca

JUNIOR RINGS ORDERED

This is the time of year when the general trend of thought among the Plymouth High Juniors is the ordering of their class rings. The committee this year consists of Barbara Finnegan, Marjorie Tait, Joann Erb, Ronald Hees, and Ted Thrasher.

A. P. Terryberry of the H. R. Terryberry company, Grand Rapids, came to the high school to discuss the style and prices of the '49 class rings with the committee. This year there are four different sizes of rings available, tiny, small, medium, and large. There are also pins.

The price range for the rings is—plain—\$11.69 to \$15.38, engraved—\$12.36 to \$16.05 and the plain pins are \$6.03 and the engraved ones \$6.70. Also the students initials will be engraved on the pins or rings.

This year orders for rings are being taken at Simmons Jewelry Store through November 17.

The beginnings of all things are small.—Cicero

CHILD HEALTH

Moves Constantly

Forward in Michigan

Medical care also has its problems of supply and demand. Insofar as this problem relates to child health, the medical profession of Michigan has financed an extensive study which evaluates child health services in relation to needs. It is through such investigations as this, voluntarily initiated and paid for, that the medical doctors of Michigan are continually obtaining factual data on which to act for the greater good of the greater number. Child health is but one of the innumerable fronts on which your medicine is moving in cooperation with all other health workers in Michigan.

MICHIGAN STATE MEDICAL SOCIETY

Leading the Way in Health Progress

IMPROVED Piston Seal now gives you Double Protection!

1 Ordinary motor oils become gummy, "stiff" and heavy in very cold weather. They make engine starts difficult, "over-tax" the battery, don't provide quick protection to grinding parts.

2 Ordinary motor oils thin out when engine temperature rises suddenly, as it often does on a sunny winter day. Thin-bodied oil endangers motor wear.

3 Improved Piston Seal Motor Oil now stays fluid at temperatures far colder than ever before. No sluggish, "dragging" oil around the crankshaft to make your motor hard to start. Just instant lubrication—anytime!

4 Also, to protect your engine, Piston Seal with the addition of an amazing new ingredient resists thinning out as the temperature rises. You get positive, instant lubrication—hot or cold!

Use Fleet-Wing Piston Seal for safe lubrication through every variation in winter temperature. Remember, Piston Seal gives you double protection—extra body for the warm days of winter—extra fluidity when the thermometer nose dives far below zero. For double protection for your motor, use Piston Seal Motor Oil—sold exclusively, under written guarantee, through independent Fleet-Wing stations.

Seal Sale Starts Here This Week

The 41st annual sale of double-barred cross Christmas Seals begins this week and continues until Christmas.

Residents of Detroit and Wayne County will receive sheets of 1947 double-barred cross Christmas Seals in their mail this week, enclosed with letters from the TB and Health Society asking support for its 1948 tuberculosis prevention and control campaign, according to Jay D. Runkle, chairman of the Seal Sale Committee.

The goal of the campaign is \$150,000, the minimum needed, according to Mr. Runkle, to carry on the work of the Society during the coming year.

The services of the Society include health education in the belief that knowledge is the best weapon against the fear of TB; case-finding mass X-Ray surveys throughout Wayne County in cooperation with official health departments which have already been held in such communities as Dearborn, Highland Park, Northville, Ecorse, Inkster, Redford Township, Grosse Pointe, Grosse Ile, Wyandotte, Romulus, New Boston, Belleville, Flat Rock, Rockwood, Wayne, Norwayne, Taylor and Livonia Townships; and rehabilitation offering vocational guidance and retraining to patients at the Herman Kiefer hospital and Maybury Sanatorium and the outpatients at the clinics.

"The TB and Health Society is one of the 3,000 voluntary associations throughout the country affiliated with the National Tuberculosis Association," said Runkle. "Our seal with the double-barred cross of red is the original Christmas Seal, the seal that has been financing a well organized campaign against tuberculosis for 41 years."

Runkle pointed out that of the money raised locally 85 per cent will be used within Detroit and Wayne County. Only 15 per cent of the funds will leave this area. Five per cent goes to the National Association to finance research and 10 per cent is used for State services.

According to the Detroit Health Department, tuberculosis killed 948 Detroiters last year and there were 2,715 new cases of TB reported in Detroit in 1946.

"So there is much work to be done before this enemy is finally conquered," Runkle emphasized. "It kills more people between 15 and 45 years of age than any other disease. We cannot afford to relax our efforts until we have attained final victory over tuberculosis. We urge all to be generous in purchases of the Christmas Seal with the double-barred cross of red in order that the TB and Health Society may continue its work here in Detroit and Wayne County."

Education is a good thing, but it doesn't go far enough. It merely teaches a man how to speak—not when or how long.

Gift Guide to be Available for Children's Books

A Gift Guide to Children's Books prepared by the Wayne County Library will be distributed free at the Plymouth branch library during the 28th national observance of Children's Book Week, November 16-22. Listing 60 books in various editions and prices, the folder will be useful to parents or others who plan to give some child a book for Christmas, according to Mrs. Agnes Pauline, children's librarian. Titles included range in interest from those for the alphabet age to classics for older boys and girls, with one section devoted to new books. Good inexpensive editions are recommended as well as choice volumes illustrated by prominent artists.

Book Week posters on display in the libraries carry the slogan, "Books for the World of Tomorrow," and the week is dedicated this year to obtaining more books for children in public libraries, in school libraries, and in the home. Special emphasis will be given to obtaining books for the children in rural and underprivileged sections of the country through a new campaign, "Treasure Chests U. S. A.," sponsored by the Children's Book Council and co-operating agencies, who claim that as many as 11 million American boys and girls do not have access to books other than "lesson books."

The first Thanksgiving day proclamation ever issued by a President was signed by George Washington, in 1789. The original is said to be in the possession of Rev. J. W. Wellman, who inherited it from his grandfather, William Ripley, of Cornish, N. H.

Kermit Roosevelt to Speak at Town Hall

Kermit Roosevelt, distinguished grandson of President Theodore Roosevelt will tackle both sides of the vital Palestine problem during his lecture at Detroit Town Hall, Wednesday morning, November 19, at 11 a. m. in the Fisher Theatre.

Roosevelt spent most of last summer in the Middle East, acquainting himself with the latest issues involved in the bloody dispute between Arabs and Jews. During the war he traveled extensively both as a civil servant, and as a soldier, in Egypt, Saudi Arabia, Palestine, Iran, and Ethiopia. His first official connection with the Palestine fracas came while he was working for the State Department in Cairo.

A graduate of Croton and Harvard, Roosevelt taught European history, later serving General Donovan at the Office of

Co-Ordinator of Information in Washington until his enlistment in the Army. Released from service in 1946, he headed an official report of war time activities of the Office of Strategic Services.

Advance reservations for the Roosevelt lecture are available at Grinnell's, Ra. 1124.

BABSON SAYS

Babson Discusses Free Educational Opportunities

New York City, Nov. 14. The best insurance against unemployment is education. Every young person who can qualify ought to load himself with as much of this insurance as possible. The record is clear. Education pays off.

Education Pays Off

If you are doubtful, heed these facts. A U. S. Office of Education survey after the last depression found that 99% of the college-educated women, and 98% of the men have never been on relief. A survey by Dean Partch of Rutgers once revealed that for every \$100 earned by a farmer with no schooling, \$375 was earned by the farmer with "short course" college training and \$522 by the farmer with full four-year college training.

Everett W. Lord, Dean Emeritus of Boston University College of Business Administration found in a prewar survey that the college man graduate earned an average life total of from \$160,000 to \$200,000 during his 38 productive years from college to retirement. This was about \$72,000 more, on the average, than the high school graduate's earnings of \$88,000.

G.I. Education Good Job Insurance

The G. I. Bill of Rights was enacted as a job insurance measure for the educational and vocational rehabilitation of World War II veterans. The law provides for free education, equivalent in time to the number of months of active service plus one year, up to a maximum of four calendar years. This is for veterans educationally qualified and honorably discharged. They must have served 90 days or more, exclusive of training in either Army or Navy specialized training programs. Further, to become eligible a Veteran must initiate such course of education not later than four years after either the date of his discharge or the termination of World War II whichever is later. These benefits will continue for nine years after July 25, 1947.

Uncle Sam has agreed to pay a maximum freight bill of \$500 per year for tuition, laboratory, infirmary, and other fees, plus subsistence of \$65 per month for single men and \$90 per month for married men. The law also provides that a man may hold a job while attending school, except that if he earns more than \$110 per month his subsistence is reduced proportionately. The college enrollments of 2,143,000, more than half of whom are veterans, is testimony to the good sense of G. I. Joe. Let me add that my new Utopia College in the center of the U. S. at Eureka, Kansas, will take care of any G. I. of good character unable to get located elsewhere.

If You're Not A G.I. Don't Give Up

But don't give up a college education because you are not a G. I. There never was a better time to work your way through. Most employers generally prefer hiring men who have already developed successful work habits and who know the value of a dollar. If you have to watch your pennies, remember: (a) privately controlled colleges have many full or part scholarships—from \$200 to \$600; (b) state colleges and universities have very low tuition rates—about \$125 per year—and some make no charge for tuition.

Prewar surveys of 611 colleges revealed that half of the men and one-fourth of the women earned part of their expenses, while about one-fifth of the men and one-tenth of the women earned all their expenses, totaling annual earnings of \$32,000, 000! Scholarships and fellowships granted by 864 colleges to deserving students amounted to another \$11,000,000. Job and scholarship opportunities are as good as ever.

Conclusion A college education can't guarantee to make you a millionaire. But, if you take your education seriously, it will broaden your mind, enrich your life, and increase your chances of more rewarding income. How broad, how rich, and how rewarding depends upon you.

25 YEARS AGO FROM THE PLYMOUTH MAIL FILES

Attorney J. S. Dayton is now nicely settled in his new office in what was known for many years as the Fraser home, at 215 Main street. Mr. Dayton has the front part of the residence, which provides him with most commodious and convenient offices. There are three rooms, the waiting room and general office, private office and a large library. Mr. Dayton will be pleased to welcome his clients and friends at his new location.

A regular meeting of the Woman's Club was held in the club room, last Friday afternoon, November 3rd, with two guests and about twenty-five members in attendance. The president, Mrs. George H. Robinson, presided over the business session. Owing to the absence of the recording secretary, Mrs. Coella Hamilton was elected secretary pro tem.

Walled Lake's handsome new consolidated High school was opened last week.

The Sunday guests of Mr. and Mrs. Louis Minehart and family were: Mr. and Mrs. Harry E. Andrews and daughters, June and Virginia, Mr. Andrew's mother, Mrs. H. Andrews, of Detroit,

M. F. Becker of Fenton, Mr. and Mrs. E. J. Musloff of Northville. School district No. 7, has a well one hundred and two feet deep, and plenty of good, clear water.

The ladies of the Helping Hand society met at the home of Mrs. Walter Schifle, and tied off two comforters, one a very pretty worsted one and the other a cotton one. There will also be numerous other articles on sale at the bazaar, such as aprons and fancy work, candy, etc.

Plymouth was well represented at the Michigan-MAC football game at Ann Arbor, last Saturday.

Mrs. Don VanAtta and little son, Don Jr., are visiting relatives and friends in Detroit and Ann Arbor.

Miss Amelia Gayde, with Toledo friends, motored to Saginaw Saturday, returning Sunday.

Charles Roberts has sold his house and lot at the corner of Deer and Wing streets to Leonard Larking.

Mrs. Clarence Ebersole and little son, Howard Royal, of Detroit are visiting her parents, Mr. and Mrs. Archie Herrick.

Don VanAtta tied the first of the week with a party of Northville friends on a deer hunting trip, near Kenton, Michigan.

Mrs. E. F. Rotnour and little daughter Phyllis, returned home Tuesday, from a few days' visit with the former's sister, Mrs. Clarence Teufel, at Toledo, Ohio.

Mrs. Fred Stocken, who recently underwent an operation in St. Joseph hospital, Ann Arbor, is convalescing at the home of her sister and husband, Mr. and Mrs. Orr Passage, on Maple street.

Mrs. Frederick Thomas and small son William S., visited her cousin Mrs. F. M. Field, in Detroit, Friday and Saturday.

Mrs. Nellie Bird and Miss Anna Smith visited Rev. and Mrs. F. M. Field at their home in Detroit the latter part of last week.

The Ford factory at Phoenix, commenced work Monday, with a small force of women, but expect very soon to employ many more.

Mr. and Mrs. Clarence Patterson and family of Detroit, were over Sunday guests of the former's mother, Mrs. M. A. Patterson, and sister and husband, Mr. and Mrs. Arthur Todd.

Mr. and Mrs. George Springer went to Detroit last Sunday to attend the christening of their grand-daughter, Helen Jane,

daughter of Mr. and Mrs. Harvey Springer. The christening took place in the Immanuel Presbyterian church, the pastor, Rev. Martin E. Anderson, impressively reading the service.

The pupils of the church school sure had a fine time last Friday evening, when they met by invitation of Mrs. George Wilcox, at her home on Penniman avenue for a social evening. There were games, story telling and acting, finishing up with refreshment. The party broke up at quite a late hour, and the children were taken to their home in automobiles, but before leaving they expressed their appreciation of the very happy time they had spent by giving three cheers for Mr. and Mrs. George Wilcox.

Albert Groth and his wife motored to Detroit, Sunday, to visit their son and his wife, who is ill and confined to her bed at this time.

Container Company is Being Expanded

The Plymouth branch of the Champion Fiber Corrugated Container company is undergoing expansion at the present time. The company is located at 936 Sheldon road.

The enlarged plant should answer needs for several years to come, company officials have stated. The new addition will measure 100 feet by 200 feet when completed.

Additional equipment will be installed which will add to the present processing setup. Officials hope that it will be completed by December 1, but there is a possibility work will not be terminated until the middle of December. Following the completion of the new addition, more employees will be secured.

After-dinner speaker: A person who has only a few words to say, but who seldom stops when he has said them.
