Veterans, Civic Groups Will Present Parade, Special Program on Monday

Memorial Day will be officially recognized in Plymouth on Monday, May 31, when veterans, members of auxiliaries and other civic organizations form a parade in North Plymouth, and at 10:15 begin a procession down Main street to Kellogg park. Here, a special commemorative service is scheduled to take place.

The parade formation will take place at 9:30 a.m. at the corner of North Main and Mill streets. William Langmaid, parade grand marshal, asks that all service organizations urge the veterans to participate, attired in uniform if possible. Mr. Langmaid is being assisted in organizing the parade by Don Peck.

Preceding the parade procession, the Navy Mothers will stage a ceremony in memory of their sons and next of kin at 10 a.m. This will take place in Riverside park, where it has been held in previous years.

The high school band will lead the parade. Mr. Langmaid states, and will be followed by the Veterans of Foreign Wars, Mayflower Post No. 6695 and the auxiliary, American Legion Posts and auxiliaries, Myron H. Beals No. 32 and Passage-Gayde No. 391, Ex-Service Men's club and auxiliary, Gold Star Mothers, GAR Widows, Spanish American War Widows, World War I and II Widows, Navy Mothers clubs, MOMS club, Daughters of America, Red Cross, Salvation Army, Boy Scouts, Girl Scouts and Cub Scouts.

Upon reaching the park, the Memorial Day program will ensue. Kenneth Gust, senior vice commander of the VFW Mayflower Post, will act as master of ceremonies for the service. The Rev. Alexander Miller of St. John's Episcopal church will deliver the invocation, followed by the pledge of allegiance to the flag by the assembly.

Honoring of the plaque on Plymouth Rock will next be performed by three members of the Ex-Service Men's club, John Jacobs, Harry Mumby, and Arno Thompson, trustees in care of the rock.

Highlighting the service will be the address by the Rev. Henry McKenzie from Saline, Michigan. The Gettysburg Address will next be repeated by Ronald Witt, followed by a wreath ceremony, during which commanders of all veterans' posts will place a wreath on the memorial, honoring all servicemen who lost their lives.

The morning program further includes the playing of the Star Spangled Banner by the high school band, and volleys by the firing squad. The benediction will be delivered by the Rev. Benjamin Eicher.

In case of rain, Mr. Langmaid reports, the service will be held in the high school auditorium, beginning at the same time.

Girl Scout Field Day to be June 5

Girl Scouts of Plymouth and their leaders will assemble at the tennis courts of Riverside Park, Saturday, June 5, at 10 a.m. for the annual Spring Rally.

It will be a field day, with regular field events, relay races, and contests. Brownies are also making special plans for a program to present at that time.

The Scouts are asked to bring a nose-bag-lunch. In case of rain, the program will be staged in the high school gymnasium. In case of the latter, it will last only a couple of hours, and it will not be necessary to take a lunch.

New Model Television Installed in Taproom

The latest in RCA Television equipment has been installed in the Hotel Mayflower's taproom.

The set features the largest screen of any model in the line. Ralph G. Lorenz, hotel manager, invites residents of Plymouth and the vicinity to stop in and enjoy the programs.

The model was installed by the Kimbrough appliance company.

Erdelyi Chosen as Jaycee President

Photo by L. L. Ball Studio
Bayliss J. Erdelyi

Results of the annual election held by the Junior Chamber of Commerce Wednesday night, May 19, revealed that Bayliss J. Erdelyi will serve as the presiding officer during the forthcoming year.

This election meeting was held at Hilltop Golf club. William Ottwell has been elected chairman of the board of directors, John Palmer as first president, and Wayne Marzoff as second. The position of secretary was filled by Phillip Theobald and James Ross is the newly named treasurer.

The latter four were all newly elected members to the Jaycee board of directors. The membership of the board further consists of Erdelyi, who was reelected, Lee Turckett, Marvin Partridge, Alfred Schuster, and Sanford Knapp, out-going treasurer.

Retiring members of the board are: George Todd, immediate past president; Donald Rank, former vice president; John Gaffield, who previously acted as secretary; and Alfred McClew.

Business enacted during the meeting consisted of passing an amendment to the by-laws, authorizing a raise of the yearly dues.

Business Women Receive Citations

Nine members of the Plymouth Business and Professional Women's club attended the organization's state convention in the Hotel Pantlind of Grand Rapids last weekend, and learned that the local club was the recipient of two state citations.

They received a first honorable mention for sponsoring the local symphony orchestra, and a second award for sponsoring the Northville club which has a membership of over 100.

Those from Plymouth in attendance at the convention were: Mrs. Leslie Taylor, Mrs. Edmund Watson, Mrs. Harold Johnson, Miss Dora Gruebner, Miss Doris Johnson, Miss Beulah Wagen-schutz, Miss Florence Gabelman, Mrs. Roderick Cassidy, Miss Neva Lovewell, Mrs. Beatrice Carlson, president of the Northville club, accompanied the group.

Approximately 600 from the state attended the convention. Plans were made at that time for the biennial meeting in Fort Worth, Texas, which will be attended by Miss Lovewell of Plymouth.

The state convention opened on Friday evening, and concluded with brunch Sunday noon. The main address of the weekend meeting was delivered by Dr. Walter Lewis, superintendent of the White Cross hospital of Columbus, Ohio, Saturday evening.

Mr. and Mrs. Thomas Williams and children, Carol, Ann, Bill and Kathy of Detroit, formerly of Plymouth, were the Saturday dinner guests of Mr. and Mrs. Lloyd England and children of Sunset street.

Four Candidates Enter Race for School Board

Four petitions naming candidates for the two expiring offices on the Plymouth board of education had been turned in when the deadline fell last Monday, May 24.

They named the following as nominees for office: Mrs. Sidney Strong, who is seeking reelection, Harry Fischer, Mrs. John Paul Morrow, and Robert O. Wesley.

A second member of the board whose term on the board is also expiring with the coming election, is Sterling Eaton, president, who had declined to run for reelection. The final day of registering for the school election is Saturday, June 5. Registrations will be accepted by Mrs. Sidney Strong, present secretary of the board, or at the school office. On the final day the office will be open from 8 a.m. to 8 p.m. to accommodate all qualified persons wishing to register.

Election day will be June 14, and the voting will take place at the school. The polls will be open from 10 a.m. to 8 p.m.

At the present time there are 1,025 voters registered to take part in school elections. This number is said to be far below the actual number qualified to vote.

Term of office on the school board is three years. The largest problem confronting present and future members is the critically over-crowded condition existing in Plymouth schools.

Band, Chorus Will Present Concert Next Thursday

The annual spring concert presented by members of the Plymouth High school band and chorus will take place Thursday evening, June 3, in the auditorium, beginning at 8 p.m.

A highlight of the evening will be when Dr. William D. Revelli, director of the University of Michigan band, takes over as guest conductor for the school band.

Band numbers on the program include "Cheerio", a march by Goldman; "Bells Across the Meadows", by Kettelby; "Southern Cross", by Cross, featuring a trombone solo by Doris Waldecker; "Panis Angelicus", by Franck; Williams' "folk song suite, including "Seventeen Come Sunday", "My Bonny Boy" and folk song from "Somerset". The band's portion of the program will be concluded with "His Honor" by Fillmore, Paul Wagner, director, announces.

Fred C. Nelson, vocal director, has announced that the choral portion of the program will be presented in four parts. The girls glee club will open the vocal program with: "O Divine Redeemer", by Gounod; "I Heard a Forest Praying", DeRose; and "Beautiful Dreamer", Foster.

Members of the girls octet are slated to sing: "Lift Thine Eyes", from "Elijah" by Mendelssohn; "Serenade" from "The Student Prince"; Romberg; "Dancing in the Dark", Schwartz.

The boys' glee club will include the boys' glee club which will present: "Beautiful Saviour" arranged by Rejger; "All Through the Night" by Owen. The program for the mixed chorus will be the following selections from "Oklahoma": "O, What a Beautiful Morning"; "People Will Say We're in Love"; "Surrey with the Fringe on Top"; and "Oklahoma".

VFW Post Presents New Flag for Park

A new American flag to be flown in Kellogg Park has been presented to the city by the Veterans of Foreign Wars, Mayflower Post No. 6695.

It was raised Sunday morning at 10 a.m. in memory of Plymouth servicemen who were killed while in the service of their country.

Plymouth Youth Breaks Leg During Ball Game

Lawrence Tibbitts, age 14, is now in Sessions hospital suffering from a broken leg which he incurred during a baseball game Tuesday evening.

He is the son of Mr. and Mrs. Floyd Tibbitts of Ann Arbor trail.

The accident occurred when the boy attempted a slide into base. The game was taking place in the field situated at the corner of Hamilton and Ann Arbor trail.

Mr. and Mrs. Robert R. Smith and Mrs. Mrs. Robert Whit-taker drove to Holland last weekend to attend the Tulip Festival.

Orchestra Soloist

Rose Suzanne der Derian

Guest soloist with the Plymouth Symphony orchestra at next year's winter concert will be Rose Suzanne der Derian, star of opera, concert, oratorio, and radio.

The concert will be presented in February. Mrs. Harry Fischer announces. The latter is president of the Plymouth Symphony Society, the organization sponsoring the orchestra.

Miss der Derian is a lyric-dramatic soprano, who has received much recognition in this area for extensive appearances. Her home is in Detroit, and she is a graduate of the University of Michigan school of music. There she studied under Hardin VanDeursen and Floyd Worthington.

Following her graduation last June she went to New York where she began voice study with Frantz Poschowski. In August she undertook concentrated study in opera coaching with Mr. Bamboschek of the Philadelphia La Scala Opera company in preparation for her appearance with the company in the role of Micaela in the opera "Carmen". It was presented in Detroit last October. In April of this year she appeared as semi-finalist in the Metropolitan Opera Auditions of the Air. She also has represented the state of Michigan in a January concert at Carnegie Hall.

Carnival Slated for June 21-26

Six days of carnival will take place in Plymouth from June 21 to 26, members of the sponsoring organizations, Myron H. Beals and the Passage-Gayde posts, reveal.

The two veterans' organizations are planning the six-day event to obtain funds to use in child welfare.

As last year, the carnival will take place at the proposed site on Farmer street, behind the high school. From eight to ten different rides will be set up, including a merry-go-round and ferris wheel.

Jail Suspect in Girl Assaults and Robberies

A ball game was broken up last Tuesday, May 25, when members of the sheriff's department appeared at the Daisy ball park and arrested Robert White, 23, of 8904 Oakview, as a possible solution to the recent string of burglaries and attempted attacks.

During recent months a string of burglaries and attacks, one of which ended in rape, have been reported in the Plymouth-Rose-dale Gardens vicinity. Following White's arrest, patrolmen state that he admitted the rape.

A search of White's home revealed carloads of looted goods. Among the assortment were 15 cameras, several radios, and several thousand dollars in other merchandise.

He has been employed as a lineman with a construction company. At the present time White is being held in the Wayne county jail for investigation of burglary.

Elect Directors of Land Company

At the annual meeting of the stockholders of the Wayne Conservation Land company, holders of the real estate used by the Western Wayne County Conservation club as its headquarters on Joy road, held Wednesday night, the following directors were elected for the ensuing year: Kenneth Gust, Fred Rhead, Roy Crites, Joe Elliott, Byron Murray and John Oldenburg.

The officers hope to finish up the club house during the present year and enlarge the parking lot facilities as well as make other improvements about the grounds.

Legal Holiday to be Observed in Plymouth Monday

Most of Plymouth will close shop Monday, in recognition of the legal holiday which was recently proclaimed by Governor Kim Sigler in honor of Memorial Day.

A majority of the stores will stay locked all day, as well as the schools, city hall, and banks.

Highlighting the day's observance of Memorial Day will be a parade of numerous local veterans and service organizations.

Livonia Wins Site for State's New Racing Plant

Announcement of the optioning for immediate purchase of more than 300 acres of land along Plymouth and Middlebelt roads by highly responsible Michigan and eastern coast financial interests for the purpose of building one of the finest running race plants in America is expected to be made within the next two or three days.

The land involved consists of 200 acres owned by Mrs. Howard Sharpley of Plymouth and now partly used as an airport, five acres owned by Herbert Hawthorne and 22 acres owned by Lester Shore, all lying south of the Plymouth road. The transaction does not include the Shore greenhouses, which lie along the thoroughfare.

Along the north side of the road lying between the Pere Marquette tracks and the Plymouth road, 38 acres owned by Mrs. Carpenter, 20 acres owned by Harold Zucke and 17 acres owned by Richard Smith, are included in the pending transaction.

The purchase of this land will permit commuter service from Detroit to the track. In addition to the railway service which will be available, no section of the metropolitan district has better highway connections to all parts of Detroit than this excellent location. The Plymouth, Schoolcraft, Six and Five Mile roads as well as east and west thoroughfares

Winners of Music Scholarships Are Named at Banquet

Names of senior and junior high school students winning music scholarships were announced at the annual spring banquet staged by band members, Tuesday evening, May 25, in the Methodist church dining room.

The following five high school students have been awarded specified amounts to use towards fees for Interlochen Music camp this summer: Robert Johnson, \$20; Louis Vargha, \$20; Jeanine Stillwagon, \$40; and Connie Pascoe, \$40. Junior high students winning scholarships for expenses at the Baldwin-Wallace Band Clinic are: James Brinks, trombone student, \$15; Marilyn Walsh, clarinet, \$30; and Lynn Osen, trumpet, \$15.

Other high school students who will also be attending Interlochen are: Wesley Potts, trumpet; Nancy

George Smith is Kiwanis Speaker

George A. Smith's belief that tomorrow's problems or happiness depend on the present generation, was voiced at the Kiwanis club meeting Tuesday evening, May 25, when he appeared in the role of guest speaker.

Discussing his conviction that "All Problems of Today Were Created Yesterday", he told Kiwanians that he believes practically all present political and economic problems can be blamed on the preceding generation.

Mr. Smith is well known to Plymouth residents, having served for many years as superintendent of schools. At the present time he is governor of the 153rd Rotary district.

Existing relations among the Rotary, Kiwanis, and Lions clubs was another point the guest speaker forwarded. He reminded Kiwanians that all such organizations are interested in service; performing worthwhile projects for both themselves and the community.

This program was planned by Roy Fisher.

Conservation Club President Goes Fishing Up in the Tree Tops

Dr. Brick E. Champe

Ever see a man go fishing up a tree?

Well, if you haven't ever seen such a sight, here's a photograph taken by one of The Plymouth Mail's alert ex-officio staff photographers, Ross Heilman, which displays photographic proof that the hard-boiled president of the Western Wayne County Conservation club when he goes fishing, doesn't even stop to climbing trees in an effort to get the fish he is after.

It was bright and early on the morning of the day that the trout fishing season opened for the year of 1948.

PRESIDENT Champe and a number of his associates hurried to their favorite fishing stream up near Mio.

All decked out in their fishing togs, they hurried down to the brook-side. Of course all good Plymouth Mail photographers always have ready for instant use their rapid-fire kodaks.

So when Ross Heilman saw Brick Champe going up a tree after that trout, he was Johnny-on-the-spot with his trusty kodak and the above picture is the result. Interesting, too, is the fact that when President Champe looks upon the above picture of himself shinning up a tree after a trout, it will be the first time he has seen the picture or even knew that it was taken.

The well-known Plymouth conservation official got his fishing tackle untangled, but no one knows even to this day whether he got the trout that he was after, which was hiding under that log which shows just below his left foot.

Skaters Win Top Honors at Contest

Plymouth roller skaters walked off with more than their share of honors at the Michigan State Championship USARSA meet held in Muskegon last Saturday and Sunday, May 22 and 23, with approximately 30 qualifying for the national championship competition slated for June 28 to July 4 in Washington, D. C.

The members of Riverside Figure and Dance club were awarded a trophy for totaling the greatest number of points in the state contest, and a second award for earning the most points for the dances.

All three top awards in the juvenile girls' singles went to Plymouth skaters: Nancy Massine, Arline Wanat, and Judy Laury. Mickey Brown and Ellen Fron-rath were uncontestated in the junior men and ladies singles.

Wayne Smith and Charlotte Roden were awarded first place in the juvenile dance; James Mazei and Barbara Kempainen took second; Billy Petrazesky and Nancy Massine placed third. The novice ladies singles was won by Zel Massine, with Barbara La-May and Joan Stammitz following.

Irma Barnard and Mickey Brown were uncontestated in the senior mixed pairs. Doug Milne and Dean Busch placed first and second, respectively, in the novice men's singles; Irma Barnard took first in the senior ladies singles and Loretta Ruehle, second. Doug Milne and Elizabeth Green placed second in the novice dance, and Dean Busch and Joan Tate won first in the novice mixed pairs.

First place in the junior dance went to George Eade and Barbara LaMay, and third to William

New Seminary Now Under Construction

Construction has started on the erection of St. John's Pro-ventual Theological Seminary on Phoenix road, just east of Sheldon road, which when completed, will be one of the largest and most important institutions of higher education maintained by the Catholic church in Michigan.

The grounds have been made ready for the new buildings and construction on foundations will be rapidly pushed to completion. The cost of the new school will run in excess of \$4,000,000, and when the structures are completed there will have been added to the Plymouth area another institution of which this part of Michigan will be proud to possess.

The new school will be devoted chiefly to higher education of college graduates who are preparing themselves for the priesthood. In fact, it will be a school of philosophy and theology, in charge of the Sulpician Fathers.

It is hoped to have the school sufficiently completed so that at least 150 students can be admitted by September in 1949. Ultimately there are prospects that the enrollment may exceed 500.

The site is a most desirable one for such a purpose. It is located directly on top of the hill on Phoenix road across from the Wayne County Training school. While the highway leading from the Plymouth-Northville road to the site is closed at present due to flood damage to the paving, access is easy over the Sheldon road. Entrance to the institution will be from the Phoenix road.

The institution will serve the dioceses of Detroit, Grand Rapids Lansing, Saginaw and Marquette.

Parents with children who will be entering kindergarten next fall, are invited to bring them to the PTA sponsored "Spring Round Up" planned for Central Grade school on Tuesday, June 1, and at Starkweather on Thursday, June 3, from 9 a.m. to 3 p.m.

Children will be registered for fall term at that time. The nurse and other members of the staff will be available for advice, and will present the mothers with health blanks and leaflets.

Many parents have been contacted and advised of the Round-Up, but any who have not, are urged by Mary Strasen, school nurse, to also attend. Often times, she remarked, the school does not have a complete list of children who will be eligible to begin school in the fall.

The children will register at Central Grade or Starkweather school, depending on which school area they live in.

Fireman Injured in Tuesday Fire

A Plymouth fireman was injured early Thursday morning in a fight against the blaze which broke out in a warehouse filled with raw material at Allen Industries.

The fire fighter, Raymond Welch, suffered a dislocated shoulder when he slipped on one of the bales in the attempt to clear the warehouse.

Although the damages were slight, it was a three hour fight for the Plymouth police department. All the bales had to be removed and wet down, Chief Robert McAllister explained.

A possibility as to the cause of the fire was forwarded by an official of the company. He believes a spark from the machine during the baling process may have dropped in the material.

The W. S. C. S. of the Newburg Methodist church will meet on Tuesday, June 1, at the home of Mrs. Guy Taylor, 35100 Ann Arbor trail. A potluck dinner will be served at 12:30 p.m. and members are asked to bring thankful money to this meeting.

Jaycee Auxiliary Dance is Tonight

Saddle Ridge club has been chosen as the scene for the Junior Chamber of Commerce auxiliary's annual Spring Frolic. It will take place this evening, Friday, beginning at 9:30 p.m.

Mrs. Sanford Knapp, auxiliary president, states that it is an open dance, and anyone wishing to attend is welcome. Tickets may be obtained from any member of the auxiliary, and will also be on sale at the door. She reminds that this is the organization's final project before summer vacation.

Bill Thomas' orchestra has been obtained to provide the dancing music until 1 a.m. Mrs. Rockwell Smith and Mrs. Marvin Partridge are chairmen in charge of planning the dance, and they announce that dress is optional.

"Night of Champions" is Planned by Roller Rink

A "Night of Champions" will be held at the Riverside Roller rink next Thursday at 8 p.m., to help the champions of last week-end's state contest go to the na-

tional skating meet in Washington June 28 to July 3. There will be regular skating that night, it has been revealed, and the winning skaters will present special numbers during intermission periods.

Cakes Make 3,000 Mile Trip Intact

Joan Crandell, right foreground, views the cakes which were sent all the way from California for her Saturday May 22, wedding. Pictured with her are Mrs. Crandell, standing behind her daughter, and Mary Holtman, left, her roommate from the University of Michigan who acted as maid of honor.

"Two wedding cakes sent from California have just arrived at our office in perfect condition," was the gist of the telephone message received from an agent of the Plymouth Railway Express office last Thursday, May 20.

Unbelievably sounding as it may be, it was nevertheless true. The cakes were addressed to Jean Crandell, 974 Church street, whose marriage to William Upton took place Saturday. The bride is the daughter of Mr. and Mrs. John Crandell.

Mr. and Mrs. Earl Crandell, uncle and aunt of the bride who live in Los Angeles, California, had sent the cakes for the wedding reception. Their niece later discovered that her aunt had not only done the baking, but the

decorating as well.

The frosty looking, highly decorated cakes were shipped the entire 3,000 miles by Railway Express, causing no end of excitement at the local office, which was probably equalled at all stations along the way. They were shipped in cardboard cartons, topped with heavy transparent cellophane, making the contents visible to all.

A more extensive examination revealed that the only portion of the cake damaged in any way was a delicate heart of lattice design, bearing the inscription "I love you", which had broken from the cake. Otherwise, not a grain of the sugary frosting had changed its position since it was sent on the previous Monday.

Cars Collide, One is Burned Up

In the week from May 17th to May 23rd, inclusive, there were 37 traffic accidents reported to Sheriff Edward Behrendt's Road Patrol. There were no fatalities. In these accidents, one pedestrian was injured and 17 others were hurt. The Road Patrol issued 26 summons for traffic violations, 13 of them in non-accident cases and 13 as the result of accidents. It is interesting to note that on Thursday, May 13th, there were no accidents on the county highways and on Thursday, May 20, there was only one.

In one accident on Six Mile road, just east of Northville road, Northville township, a car was completely destroyed by fire as the result of a collision Friday, May 21. The car belonged to A. J. Root, Jr., 21 years, 28508 W. Seven Mile road, Farmington, who was driving east on Six Mile road, when he was struck in the rear by John Clark, 37, of 40685 Six Mile road, Northville. Root's car caught on fire and before the Northville fire department reached the scene, the car was in flames. Betty Armstrong, 18, of 19520 Gaylord, Detroit, a passenger in Root's car, suffered head injuries and cuts on her right leg. Clark, who drove the second car, suffered third degree burns on his back, arms and chest, in attempting to extinguish the flames. The injured were removed to the Wayne County General hospital.

Plymouth Men are Club's Guests

Honored guests of the Stinson Management club at the meeting held Wednesday, May 19, in the Warren Valley Country club were Cass Hough and F. A. Vollbrecht, both of Plymouth.

Mr. Hough is vice president of the Daisy Manufacturing company, and well known throughout the state for his aviation activities. At the present time he holds the chairmanship of the Michigan Aeronautics commission.

Mr. Vollbrecht, president of one of Wayne's industries, Industrial Wire Cloth, is recognized locally for his leadership in civic affairs.

At this meeting Mr. Knowlton of the Aluminum Company of America presented educational motion pictures entitled "This is Aluminum" and "Unfinished Rainbows".

Other honored guests included Preston P. Scott, district manager of the N. A. F., who has been assigned to this area to work with H. Eugene Oisten, Stinson N. A. F. National directors, S. Rougeux, C. Neel, R. A. Rohn, G. V. Craighead, all of the Aluminum Company of America, Detroit and Jackson, and Chester Roland, Stinson Aircraft 20 year employee.

Howard Raaflaub, of Plymouth, chairman of the program committee, was assisted by M. Parker and J. Hendry of Wayne in planning the program.

A novelty cup is brought out designed to increase children's desire to drink milk and fruit juices. A nontoxic, non-corrosive plastic that can be boiled, it shaped like an elephant and filled through the head. The youngster sips through the trunk.

Winners of Music Scholarships Are Named at Banquet

(Continued from page 1)
Mastick, baritone; David Green, trombone; Walter Hammond, Jr., flute; Beverly Balsley, clarinet. Of the scholarship winners, Jeanine plays the alto saxophone; Connie, clarinet; Louis, obbe; and Robert, trumpet.

Plymouth students will attend the music camp at Interlochen from July 19 to August 1, while the junior high musicians will spend from June 27 to July 6 at the band clinic in Berea, Ohio.

The students are chosen, Paul Wagner, music director, stated, by a committee, with the decision based on their achievement during the year. The scholarships are made possible in part by proceeds from Tag Day, which was staged in Plymouth last Friday afternoon by members of the band. Approximately \$200 was donated by townspeople at that time, Wagner states. They deserve the thanks

for the success of the program, he added.

Guest speaker at the Tuesday Band banquet was Dr. William Revelli of the University of Michigan. He spoke on "Building a Better Band", including highlights of how he developed the famous Hobard, Indiana band. Dr. Revelli has been selected as the guest conductor of the spring band concert to be presented next Thursday, June 3.

Band directors from this entire section of the state were guests at the banquet, as were the parents of the band members, who were each in turn introduced by their son or daughter.

Students planned the entire banquet, including menu, the serving, cleaning up, and program. During the evening the band activities for the 1947-48 season were reviewed. The following were included on the list: seven football game reviews, four parades, guest band for homecoming festivities at Michigan State Normal college in Ypsilanti, guest band for homecoming festivities at Baldwin-Wallace college of Berea, Ohio, dedication of the Hough War Memorial, annual Christmas concert, Goodfellows Day parade, midwinter band festival, band concert for MEA district meeting at Redford Union, district band festival at Grosse Point, district solo and ensemble festival at Royal Oak, band concert for annual cancer drive, band concert for rural school music festival, state solo and ensemble festival at East Lansing, state band festival at East Lansing, 6-B league festival at Trenton, annual spring music festival to be presented next Wednesday, the weekend Memorial Day parade, and the outdoor concert to take place at Starkweather school on June 8.

Students who have served as officers for the band organization during the year are: Doris Waldecker, president; Allyn Williams, vice president; Robert Johnson, treasurer; Louis Vargha, property manager; Jeanine Stillwagon, librarian; Beverly Balsley, assistant; and Mary Therese Waters, publicity.

Men's Group to Present Picnic

Picnic planning is now underway by the Men's Brotherhood of the First Presbyterian church, for the meeting to be Thursday, June 10, at 6:30 p.m.

The picnic will take place in Riverside park, across the bridge from the tennis courts, Anthony Matulis, chairman, announces.

Games for the evening will be supervised by Alvin Balden, Philip Barney heads the food committee, assisted by Harold Curtis and Art Schufelt. Harold Kellogg and Claude Gebhardt are in charge of the tables, and George Kenyon, the tableware. James McLain has been named as the master of ceremonies.

All men of the church are invited to attend, Mr. Matulis states. He also announces that soft drinks will be provided, and anyone wanting coffee will have to bring their own.

Skaters Win Top Honors at Contest

(Continued from page 1)
Hansar and Joyce Karker. Joan Kay and Joan Stammitz took a first in the senior ladies pairs, as did Bob Perl and Ellen Fronrath in the senior dance. Another pair who were uncontesteds were Doug Milne and Loretta Ruele in the junior mixed pairs.

In the speed skating events, Charlotte Roder won and Judy Laury placed third in the competition among midget girls. Arline Wanat was winner of the juvenile girls race, and Wayne Smith of the juvenile boys. Billy Petrazewsky placed second in the latter. Larry Barnes came in third for the race between junior boys.

The trophies won by the club will be on exhibit in Willoughby's window, shortly.

Wallace Laury, president of the local organization, and also state president, states that the top three in every event are qualified to go to the national competition. Other officers of the Plymouth club are: Douglas Milne, vice president; Pat Rolunson, secretary and Tina Scavo, treasurer.

Walled Lake Park to Feature Fireworks

Gigantic firework displays will be nightly features on both Sunday and Monday, May 30 and 31, at Walled Lake Park for Memorial weekend celebrations.

The first evening will feature new set pieces and a number of comedy effects, in addition to the soaring rockets and high explosive bombs. The program for the following evening will include patriotic characters, with "Battle in the Clouds" as the concluding number.

All rides and amusements will be ready for the crowds and additional picnic tables and benches have been provided for family and picnic parties. Baseball, bathing, boating, roller skating, and games will also be among the amusements offered for the Memorial weekend.

Skinny Ennis and his orchestra will begin a two week engagement at the New Casino ballroom this evening, May 28.

Livonia Wins Site for State's New Racing Plant

(Continued from page 1)
south of Plymouth road, provide ideal highway transportation facilities. The plans, it is stated, call for a subway under Plymouth road west of Middlebelt.

It is planned to start work early in July and to have the track ready for a race meet during 1949.

It is stated that no other site in the state will have a more attractive or beautifully laid out racing plant than the one to be built in this vicinity. While New York, Kentucky, California and Florida have some attractive racing centers, those backing the Michigan venture have planned to far exceed all that has been accomplished in other states.

It became known sometime ago that options had been taken on a proposed site near Plymouth, which took in the Ryder farm and adjoining property near Newburg. Options were also taken on the Livonia site. After a careful study of ground conditions and a desire to have the plant nearer Detroit, the Livonia site was finally selected.

Those in a position to know say that the location of the racing plant in Livonia will be of tremendous financial value to both Livonia township and the Livonia school district, as well as the state. The Board of Managers of the State Fair grounds and the Governor have stated that the state fair grounds in Detroit will not be leased again for racing purposes and it is for that reason that racing interests have selected a new racing site.

It is stated that the transaction which will mean so much to Livonia financially was conducted by Harry Wolfe and Carson Johnson, well known real estate dealers of Wayne county. When they learned that there would be a possible opportunity to secure such an outstanding institution for this part of Wayne county, they put forth every effort to bring about a favorable decision on the proposal. Not only will Livonia profit by the development, but this entire section of Wayne county, it is stated, will derive benefit from it, judging from experiences of other states.

OBITUARIES

Mrs. Mary Maria Schroeder
 Mrs. Mary Maria Schroeder, 71, died at her home, 879 Forest avenue, Thursday, May 20. She was a former resident of Farmington, having lived in that vicinity for 40 years. She was the widow of the late Herman Schroeder and is survived by one daughter, Mrs. Alice E. Smith; two sons, Floyd W. and Roy H., all of Plymouth; 12 grandchildren, seven great grandchildren, and one sister, Mrs. Ida Beyer of Plymouth. Funeral services were held at the Salem Evangelical and Reformed church at Farmington, Monday, May 24, with the Rev. Schultze officiating. Interment was made at Grand Lawn cemetery, Redford.

Roman S. Listwan
 Funeral services were held on Thursday, May 27, at 2 p.m. from the Schrader Funeral home for Roman S. Listwan, who passed away Monday evening, May 24, after a long illness at the age of 63 years. Mr. Listwan resided at 6844 North Territorial road, and has been a resident of Washtenaw county for the past 18 years. He had been employed by the Hoban Manufacturing company of Salem. Surviving are his widow, Mrs. Victoria Listwan; two sons, John R. Listwan of Dearborn and Anthony Listwan of Detroit and three daughters, Mrs. Ray Hook of Dearborn, Mrs. Fred Hook of Plymouth and Mrs. Frank Durham of Milford, also surviving are eight grand-children and a host of friends. Rev. John I. Paton officiated. The active pallbearers were Messrs. Kinait, Martin, Sitko, Jenzak, Koval. Interment was made in Riverside cemetery.

Horse Show Will be Held in July

Northville's Rotary club is currently making plans for a horse show to take place at the Northville Stables from July 30 to August 1, Roy Elliott, chairman, announces.
 The show is being sponsored as a means of raising money to go into a fund for a community swimming school, he further reports.
 Stakes offered at the show are the second largest in the state, from the prize money standpoint. All are at the \$500 mark.
 Horses of both western and English classes will be shown, Mr. Elliott reveals. Concessions are planned, as are parking facilities and good stabling.

School Officials Tell of Problems

Those who attended the Thursday, May 20, meeting of Starkweather PTA left with an idea of the immediacy of school problems in Plymouth.

At the meeting a panel composed of Helmer Nelson, superintendent of schools; Kenneth Hulsing and Mrs. Sidney Strong of the school board, and Mrs. Jewel Bell, Starkweather principal, answered questions on the local school situation.

A large portion of the discussion centered around the lack of school rooms and the overcrowded condition. The comparatively large audience which turned out for the meeting, was reported to be a helpful audience, striving to fully comprehend the present situation and do what ever they could to remedy it.

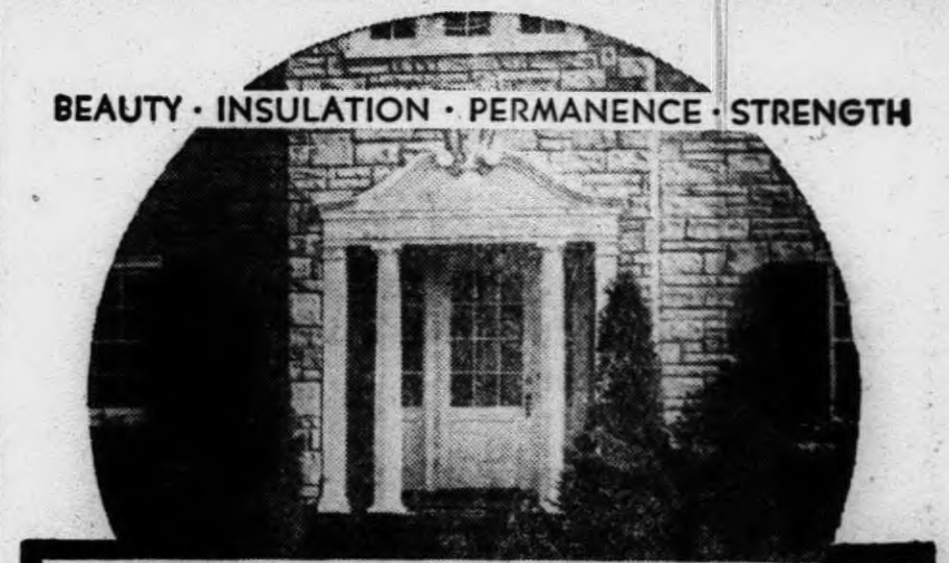

Thorough discussion also ensued on the petitions which are out at the present time calling for a change from the present two-third vote on school problems to a majority.

Only the KAISER and FRAZER have it!

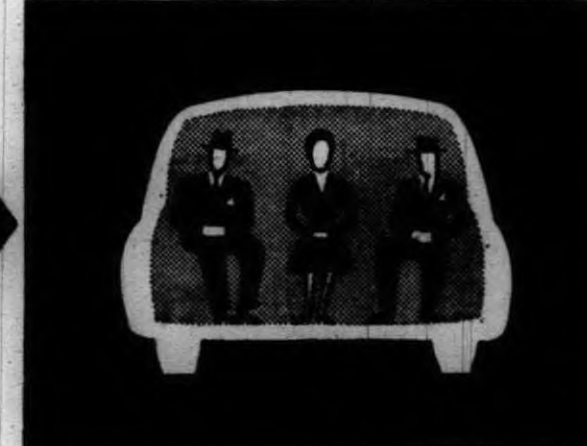

Some "NEW" cars are like this

and some "NEW" cars are like this

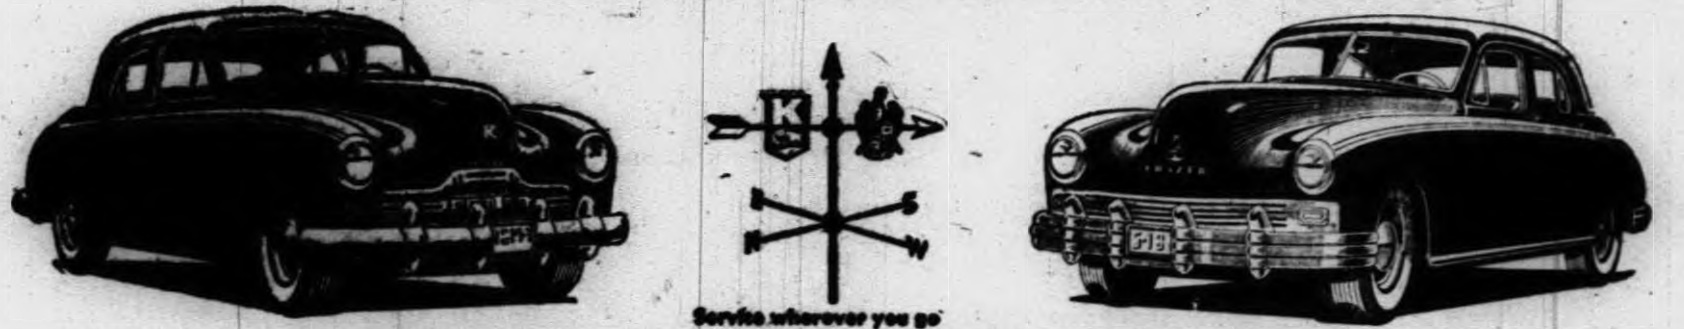

but only the KAISER and FRAZER are like this

plenty of headroom! plenty of seatroom!

TRUE FUNCTIONAL DESIGN

True Functional Design is beauty with a purpose. For example, the STREAM-THRU fenders of the Kaiser or the Frazer are a style feature others have attempted to copy. But the real reason for the design has been overlooked. The true function is to provide more usable space without increasing over-all width. Only the Kaiser and the Frazer have more usable space. MORE SEAT WIDTH! . . . MORE HEAD ROOM! . . . MORE LUGGAGE SPACE! The Kaiser and the Frazer aren't the same old girls in a new dress—they're new from the road up! Best of all these modern cars from Willow Run are yours at no increase in price!

Rainbow Officers Installed to Office

Plymouth Assembly No. 33, Order of Rainbow for Girls, held their ninth installation ceremony Monday, May 24, at the Masonic Temple, turning the office of worthy advisor over to Doris Ryder.

Honored guests attending the ceremony were: Mrs. E. Alberta Colburn, supreme inspector order of the Rainbow for Girls in Michigan, and Miss Jean Jack, grand worthy advisor of the grand assembly for Michigan.

The address of welcome was presented by Mrs. Mary Kershaw, worthy matron of Plymouth chapter of the order of the Eastern Star. The Rev. Verle Carson gave the invocation.

Installing officers introduced were: E. M. Keeping, Ann Cadot; installing chaplain, Ellen McAnich; installing marshal, Marilyn Karnatz; installing recorder, Allyn Williams; installing pianist, Marjorie Tait; installing soloist, Mrs. Robert Shire; opening drill leader, Nancy Gerst.

Officers installed were: Doris Ryder, worthy advisor; Pat Wickens, worthy associate advisor; Jean Agosta, charity; Sandra Walch, hope; Donna Hunt, faith; Marilyn Brooker, drill leader; Gloradean Rood, chaplain; Sally Rupp, love; Sara Ann McConnell, religion; Nancy Kendeigh, nature; Barbara Woodard, immortality; Emily Boulter, fidelity; Gloria Holman, patriotism; Isabel Logue, service; Betty Stone, confidential observer; Gloria Chaney, outer observer; Joyce Smith, musician; Shirle Hopkins, choir director; Elaine Lietz, flag bearer; and Nancy Gerst, prompter.

Following the installation, Mrs. Gladys Ryder, mother advisor of Plymouth, presented Elsie Mae Keeping with a past worthy advisor's pin.

Odds and Ends

Frosting the instant way is now possible. Just mix the powder in water—there's icing for a dozen cupcakes, two dozen cookies, or a cake. Not a chance you'll get it too thin or thick; it's always smooth and creamy. The secret? Shortening coats every sugar particle, banishes lumpiness, keeps the spread moist 48 hours at least. Inexpensive, the icing comes vanilla, chocolate, or strawberry for your choice.

Now they're cremogenizing corn. What's that? A canning trick that turns out creamed corn with never a trace of cob or silk, ever present in ordinary packs. The difference: In old-style packs, knives slice half-kernels from the cob, then scrape it clean, silk and all. Cremogenizing lifts whole kernels off the cob, then floats them clear of silk.

Like to make mashed potatoes in 10 minutes flat—no scrubbing, no peeling, no mashing? Break out a can of speed spuds, precooked, quick-dried, and rice. Simmer 8 minutes; beat smooth, add butter and milk, and whip fluffy. Don't tell the family; they won't know the difference, it's so close a double to homemade in flavor and looks.

Thomas Register for 1948 is Now Available

Business people of the city can now find the 1948 Thomas Register at the Plymouth branch of the Wayne County Library, a report from Mrs. Ada Murray, librarian, revealed this week.

The register gives rating of capital, not credit, Mrs. Murray states. The listings, she reminded, are done by the name of the manufacturer, not the manufacturer.

Civil Service Posts at Great Lakes Are Open

An announcement received from the U. S. Naval Training Center, Great Lakes, Illinois, reveals that applications will now be accepted for positions as electronic equipment specialists.

It states that applications will be accepted until the needs of the service are met.

These positions pay entrance salaries from \$2,394 to \$3,201 a year, with periodic increases for satisfactory work. No written test is required. Applicants will be rated according to the education and experience shown in their applications.

Further information and application forms may be obtained from the Recorder at the above address; or the Secretary, Board of U. S. Civil Service Examiners at any first or second-class post office.

Food Locker Group Meet in Plymouth

Plymouth was the scene of the Wednesday, May 26, meeting of members of the Michigan Frozen Food Locker association. They gathered at the Hotel Mayflower at noon for lunch and discussion.

In attendance were David Galin, Clarence Lidgard, Milton Orr, and George A. Smith who appeared as guest speaker.

Ways and means of bettering locker service to the public was discussed, and displays of up-to-date locker supplies were presented.

Maccabee News

There will be a penny supper at the Grange Hall on June 2, serving from 5 to 7 p.m. The public is invited.

Glad to hear that Grace Howard is home and able to be about.

Ethel Emerson is seriously ill at Henry Ford hospital. She is in Unit F, room 203.

Glad that Mary Curtis is recovering nicely. She is now at home.

The juniors will have their regular meeting June 2. All are asked to be there. A penny supper will be served following the meeting.

Your family goes for oatmeal cookies but you hate the muss of mixing? Look forward to a quick-mix all ready to add water and bake. Put out by a firm you know well, it's on test now in the East. No telling, though, when it will go national.

STEEL MEN PLAN AHEAD

The 56th General Meeting of American Iron and Steel Institute is being held this week in New York City. It is an occasion upon which steel men meet to discuss major problems of mutual interest . . . growing steel capacity, supplies of raw materials and technical research.

Today's research goes deep into the secrets of the iron atom. It embraces every product the industry makes. It is carried on inside and outside the industry with the cooperation of research organizations, technical schools, colleges and universities all over the country.

A complete list of the problems for which the steel industry is seeking answers would run into the thousands. But here is a bare handful of projects that are currently under way: Testing behavior of steel at 70 below zero . . . searching for material substitutes to eliminate dependence on imports . . . use of oxygen to make more steel in existing facilities . . . testing locomotive axles, railroad rails to provide even better, even safer transportation. . .

It all adds up in the long run to better steel, or better ways to use steel products, or a way to produce more steel with present equipment.

It adds up to progress in steel for the benefit of all.

AMERICAN IRON AND STEEL INSTITUTE
350 Fifth Avenue, New York 1, N. Y.

There are more than 92 member companies of the Institute with plants in 166 American communities. They produce 95 percent of the country's steel.

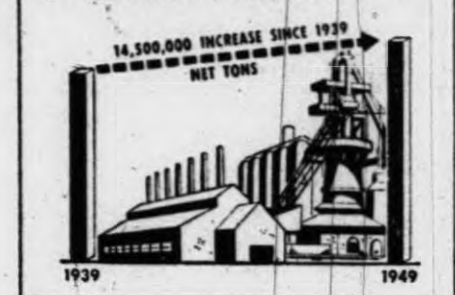

TO SERVE YOU EVEN BETTER

Record breaking peacetime production is only part of steel's story. For the industry's contributions to our economy go much deeper than that. For instance: Steel wages are at record

totals; Steel consuming industries are operating at high levels; Steel capacity is being further increased and improved; Steel prices are relatively low.

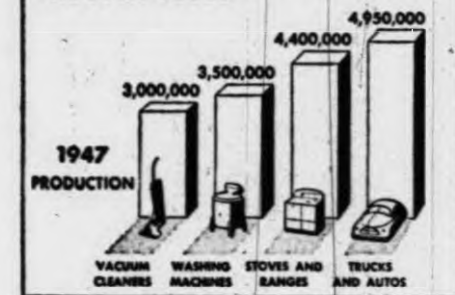

Here is Steel's record at a glance:

INCREASED CAPACITY

Steel's biggest peacetime expansion has been under way for three years. Total cost will exceed \$1,700,000,000 by the end of 1949. Steel-making capacity will then have been increased by about 14,500,000 tons since 1929. Steel capacity is now so large as to tax available raw materials.

RECORD USES

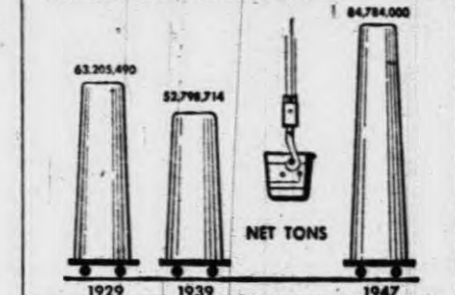

Large steel production in 1947 made possible peak levels of production and employment in steel-consuming industries. Production records were set last year in trucks, washing machines, ranges, stoves and some farm equipment; near records in other fields.

HIGH WAGES

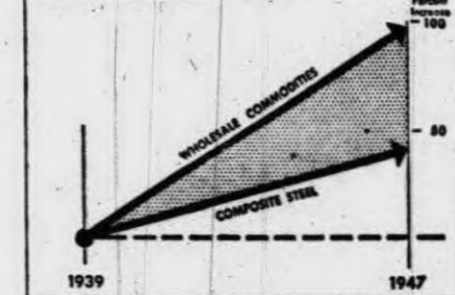

Last year the 525,000 wage earners employed by steel companies were paid almost a billion-and-a-half dollars—a record-breaking payroll. In January 1948, they earned an average of over \$40 per week, double the average weekly pay in 1929, and well above the average for all industries.

PEAK PRODUCTION

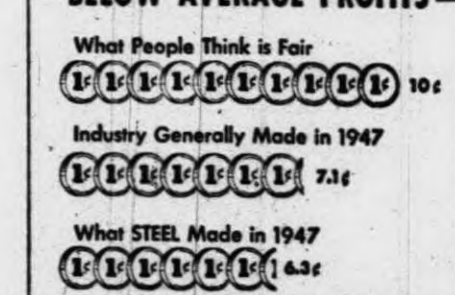

Peacetime record was set last year at 84,784,000 tons of steel. U. S. production was about 53 per cent of world total. First three months of 1948 was at even higher rate with production at annual rate of 88,000,000 net tons of steel.

LOW PRICES

Average price of steel has gone up about 40 percent in the last nine years. Prices of most other metals, general commodities, foodstuffs and the cost of making steel have risen far more than the price of steel.

BELOW AVERAGE PROFITS

The public believes that a ten cent profit on the sales dollar would be "fair." Steel profits last year were 6.3 cents—well below what the public thinks is fair. Profits last year were LESS than the amount spent by the industry for expansion and improvement.

Daisy Swamped by Bank Team

The First National Bank baseball team beat Daisy 25-5 in Sunday's game.
 George Molnar started for the Bank team, allowing three hits in seven innings. Jim Miller relieved him in the seventh inning and allowed two hits. Duncan Bone was behind the plate.
 It was a close game for three innings when the Bank team started a rally. Daisy used five pitchers to try and check the Bank team, but failed.
 The Bank team will play two games this weekend. Sunday they travel to Lincoln Park to play Lincoln Park Merchants. Their diamond is on Southfield and Dix.
 Monday, they play Sellgrim Buick at Nankin Mills. Both of the games are scheduled for 3 p.m.

Scholarship Fund Gets Response

Some time ago a request was sent out to leading business and professional men and women in Plymouth for contributions to a fund which would make available Madonna college scholarships for high school graduates of Plymouth.
 The following have responded in the amount of the \$146: Drs. J. A. Ross and L. E. Rahner, Eger-Jackson company, Dr. J. C. McIntyre and two signed as "a friend."
 Officials of the college have expressed their appreciation of the above. It is their hope that at least one scholarship can be offered to a girl of Plymouth.

When graduation time comes throughout the United States, only 10,000 elementary school teachers will be graduated this year. This is an appallingly small number. Something like 150,000 more are needed to "man" grade schools and to increase educational facilities.

Parade Includes Six From Here

When Michigan's Patrol captains marched in a parade down Constitution avenue in Washington, D. C., Saturday, May 15, they were led by the Plymouth high school drum corps and two majorettes.
Drummers were: Robert Johnson, Ann Cabot, Joyce Carson, and Russell Maxwell. Joyce Frisbie and Janet Millross were the majorettes.

The students were guests of the Automobile club, leaving the Thursday previous to the parade on a special train, arriving in Washington Friday morning. They were entertained on sight-seeing tours, and were guests of Edgar Bergen at the Sylvan theater. On their return trip they are reported to have stopped at Harper's Ferry for a couple of hours. The group arrived back in Plymouth Sunday morning.

L. Ivimy Gwalter is Elected Director of the Mother Church

The election of Miss L. Ivimy Gwalter as a director of the Mother church, The First Church of Christ, Scientist, in Boston, Massachusetts, to succeed Mrs. Nelvia E. Ritchie, deceased, has just been announced.
Miss Gwalter, a native of New York, studied abroad and upon her return to this country, graduated from the Musical Art Institute, New York City. For a number of years she contributed to the Christian Science weekly and monthly periodicals and for the past year has been Associate Editor.

Plymouth Visitor

Col. Ben S. Kelsey

One of the outstanding speakers for the Third Annual Michigan Aeronautic conference being currently held in Lansing, Col. Ben S. Kelsey, deputy chief of staff, U. S. Air Force, is spending the weekend in Plymouth as the guest of Mr. and Mrs. Cass Hough.

Mr. Hough and Colonel Kelsey were stationed together in England throughout World War II, collaborating on technical problems during that time. The Colonel addressed the conference delegates last evening, Thursday, following a banquet.

The featured speaker owns a record of some 40 fighter combat missions all over Germany, and is reported as one of the planners and participants in the first shuttle raid, England to Russia to Italy to England, during World War II. Colonel Kelsey wears the Distinguished Service Cross, Distinguished Flying Cross, Legion of Merit, French Croix de Guerre with palm, and has five battle stars on his ETO ribbon.

Mr. Hough, who is chairman of the Michigan Aeronautics commission, acted as general chairman for the conference which convened yesterday, and concludes this afternoon, Friday.

Discussions have been planned of many of the major problems confronting Michigan's Aviation industry today. They are under the direction of men nationally recognized as authorities in their particular fields.

Many people believe that the poison oak is a tree. The poison oak, however, is a shrub and belongs to the same plant family as the poison ivy. Oak trees are not poisonous.

Don't Neglect Lunch

If You Want to Stay Full of Pep, Health

ARE YOU ALONE at home for lunch so that you don't bother to prepare something for yourself? Or does the family come home, and you simply rummage around the refrigerator and don't know what to serve?

These are frequent situations in many homes throughout the country. Lunches of this type—or none at all for the homemaker alone at home—don't help pep, vitality and health. If you get a lag in the afternoon and wonder what's wrong with you, check your luncheon habits.

Physicians and nutritionists are of the opinion that if you skip a meal, it places too much of a load on another meal. Let's say you've skipped lunch and eat a very full and simple dinner. Do you feel like doing anything but flopping into bed and wasting the evening? And have

You may be busy, but you can prepare cottage cheese with oranges, grapefruit and berries in season with a buttered muffin and a glass of iced tea for a lunch that's healthful and balanced.

you ever thought of what it does to your digestive process to have it called upon suddenly to digest a big meal after having been lazy for many hours?

It's much better to try to distribute your calories evenly throughout three meals during the day. In between you won't feel an energy lag and you will keep your system in good working order.

Don't give the excuse that you think lunch unimportant and simply don't feel like bothering with it. Even if you're alone at noon, it doesn't take much effort to prepare a nice cottage cheese and fruit salad and a glass of milk with roll or toast. Or, if the youngsters are at home, it's simple enough to cream some leftover vegetables into a piecheese, serving it with fruit and cookies for dessert.

Planning will give you plenty of the right foods on hand from which to choose a nutritious and well-balanced lunch. And if you value your health and well-being, you'll certainly not count half an hour at noon much to give up to it.

HERE ARE SOME HOT DISHES from which to choose for lunch if there are several of you at home. They are made from "planned" leftovers and are quick and easy to prepare.

Corn Scramble (Serves 5)

1 cup cubed leftover ham
2 tablespoons fat
2 beaten eggs
Salt and pepper
1 No. 2 can cream style corn
1/4 cup green pepper, cubed

Brown ham in fat and then mix with other ingredients. Mix thoroughly. Cook over low heat, stirring constantly until the eggs are set.

Creamed Meat in Potato Nests (Serves 4 to 6)

Combine one 10 1/2-ounce can of condensed cream of mushroom soup with 1/2 cup milk. Blend and heat. Add 1 1/2 cups of diced, cooked turkey, chicken, roast veal or pork, ham, or fish and 1/2 cup of diced pimiento. Add some of this hot sauce to 1 egg yolk and stir into remaining sauce. Heat thoroughly and serve in nests of reheated, mashed potato.

Beef Rice Croquettes (Makes 12)

Combine 1 cup seasoned white sauce with 1 cup ground leftover roast beef, 1 cup cooked rice and

Manufactured a giant-size slip-on bath towel. Wit a neck opening in the middle, it slips on easily, fastens around the waist. Among suggested uses: for male shaving and female powdering while dressed; for rushing out from your bath to answer the telephone; for beach wear.

LYNN CHAMBERS' MENU

•Cheese-Vegetable Pie
Date Muffins with Butter
Wedge of Melon with Lime or Bowl of Fresh Peaches or Berries with Cream
Beverage
•Recipe Given

1/2 tablespoon chopped onion. Form into croquettes. Dip into beaten egg and water, then in bread crumbs. Fry in shallow fat.

•Cheese Vegetable Pie (Serves 6)

Pastry for 1 crust
1 cup freshly grated American cheese
1 cup milk, scalded
2 eggs
1 1/2 teaspoons salt
1/8 teaspoon paprika
1 teaspoon Worcestershire sauce
2 1/2 cups mixed, cooked vegetables
2 fresh tomatoes

Blend 1/2 cup of cheese with dry ingredients when making the pastry. Roll out and place in pastry tin. Bake in a hot oven for 10 minutes. Meanwhile, add milk to beaten eggs; add seasonings and vegetables, except the tomatoes. Pour into pie shell. Cut tomatoes into eighths and arrange on top. Sprinkle with remaining 1/2 cup of cheese. Bake in a moderate (350 degree) oven for about 30 minutes or until a knife inserted in the center comes out clean.

•Salmon Macaroni Salad (Serves 6)

1 8-ounce can of salmon
2 cups canned peas, drained
1 cup shell macaroni, cooked
1/3 cup mayonnaise

Drain salmon, removing bones and skin. Combine with remaining ingredients and season to taste. Serve on crisp lettuce. Garnish with slices of hard-cooked eggs.

•Asparagus-Ham Luncheon (Serves 6 to 8)

20 stalks of canned or cooked asparagus
6 slices of cooked or cold ham
1 can of mushroom soup
1/2 cup cream
6 slices buttered toast

Mix mushroom soup with cream. Heat thoroughly. Place ham slices over toast, top with a few stalks of asparagus. Pour soup over all and run under the broiler for a few minutes.

If the family is home for lunch, it doesn't take long to prepare delicious and nutritious cheese, vegetable pie and serve it along with fresh fruit and berries for a vitamin-rich lunch.

•Stuffed Onions (Serves 6)

Cook 6 large Bermuda onions in boiling salted water for 30 minutes. Remove center and stuff with following: Combine 1 can of pork and beans with 1/2 teaspoon dry mustard, 1/2 teaspoon salt, 2 tablespoons chopped onion centers. Stuff onions. Sprinkle each with 1 teaspoon brown sugar and heat through.

•Stuffed Baked Tomatoes (Serves 6)

Scoop out center of six large tomatoes. Brown 1 tablespoon of chopped onion, 2 tablespoons chopped green pepper in 2 tablespoons of butter. Add 1 1/2 cups corn cut off the cob, 2 beaten eggs and 1/2 cup bread crumbs and season to taste. Stuff tomatoes and sprinkle with grated American cheese. Bake in a moderate oven for 25 minutes. Chopped leftover ham or crumbled bacon or cubed sausage may be added to the corn if so desired.

Another good stuffing is canned macaroni or spaghetti. Stuff the tomato and bake until the tomato is done.

As you sit and plan what kind of new summer shoes you want... I'll bet you entirely forget the third member of your family who might need them just as badly. I'm referring to none other than the trusty family car which has been rolling around on the same tires... for how long now? Boyer's Haunted Shack has the answer to your car's shoe problem... in the form of new super quality, safety treaded Brunswick tires. You can get them on credit if you have an honest face... and can prove it.

I don't know why it's so easy for normal people like us to put things off until the last minute. For instance... the ordering of flowers and plants for Memorial Day. This is one time, though, that it isn't too late... thanks to the Sunshine Greenhouse... for there you will still find a wide and beautiful assortment to choose from. The greenhouse is situated at 37524 Ann Arbor trail, with hours fixed to suit everyone's convenience... from 7 a.m. to 10 p.m. Go there for your flowers and I promise you'll be glad you did.

How would you like a sparkling new, modern looking kitchen... in any color of your choice? Or maybe you'd like to modernize the appearance of your bathroom? But I'm not just trying to entice you with the impossible... quite the contrary. Do you know that the Roy Lindsay, right here in Plymouth, handles a line of really smart looking aluminum tile for any type of walls. He offers to give free estimates, so why not take him up on it. You can reach him at phone 131. (All borders and trims will be done without extra charge too.)

You've heard of old Mother Hubbard going to her cupboard, only to find it is bare... but what kind of a situation would you be in this weekend if the family should decide the weather is perfect for a picnic... or if some friends should drop for whom you want to prepare a really nice lunch. Both are probable during this extra-long weekend... so maybe you'd better stop in at Goodale's Grocery Store either today or tomorrow. (The stores will be closed Monday, you know.) Believe me, at Goodale's you'll find the answer to every food situation.

Even cows wear clothes in England. Mrs. Barbara Woodhouse, of Buckinghamshire, England, owns 16 cows. She says she gets regular and unvarying supplies of milk by dressing her cows for the weather. During the summer, the cows wear cotton. In winter they wear rugs. The creatures don raincoats in wet weather.

Plymouth Couple Wed Saturday

Doris Arlene Dawson, daughter of Mr. and Mrs. Paul T. Woodward of Ravine drive, became the bride of Elmer T. Shoemaker, son of Mr. and Mrs. Harry Shoemaker of Pacific avenue, Saturday evening at the Methodist church. The Reverend Hughes officiated at the double ring service.

The candlelight ceremony was performed at an altar decorated with spirals and purple iris. Miss Dawson was given in marriage by her father. Mrs. Mike O'Connor accompanied Keith Jolliffe in two songs, "One Alone" and "Because".

The bride chose an ankle length blue dress with white accessories and carried a bouquet of white roses.

Joyce Watts, sister of the bridegroom, was matron of honor. She wore a gray two-piece dress with pink accessories. Her flowers were pink carnations.

The brother of the bridegroom, Gerald L. Shoemaker, was best man and Bruce McAllister served as usher.

Jean Crandell and William Upton Wed In Sat. Rites

At an afternoon wedding on Saturday, May 22, Jean Rice Crandell, daughter of Mr. and Mrs. John Logan Crandell was joined in marriage to William Ray Upton, son of Mr. and Mrs. Clyde Ray Upton.

The ceremony took place in the First Presbyterian church, before an altar decorated with palms, lighted candles in candelabra and vases of white flowers. The Reverend Henry J. Walsh performed the service.

The bride, who was given in marriage by her father, wore a floor length gown of Chantilly lace over ivory satin fashioned with a fitted bodice and full skirt with a small train. Roses cut from the lace of the gown were applied on the nylon yoke. A hood of Chantilly lace with roses of the material applied around the edge held the fingertip veil in place. The dress was designed by the bride's mother. She carried a bouquet of white roses and lilies of the valley.

Miss Crandell's maid of honor was Mary Holtman of Grosse Pointe, who has been her roommate at Martha Cook, at the University of Michigan. She wore a gown of lilac organza over lilac satin, matching gloves and hat with a shirred brim of organza. She carried a bouquet of red roses.

Lee Beck of Dearborn was best man and the ushers were Jack Kenyon and Arthur Robinson.

Mrs. Crandell wore a water pink crepe dress with black accessories and an orchid corsage. Mrs. Upton, mother of the bridegroom, chose a powder blue crepe dress with navy accessories and an orchid corsage.

A reception for the members of

the families and close friends was held in the church parlors following the ceremony.

The couple will reside in Plymouth, after a trip to northern Michigan. For traveling, Mrs. Upton chose a navy blue gabardine suit with navy and pink accessories. The bride and bridegroom are graduates of the Plymouth high school and the University of Michigan. Mr. Upton is a member of Sigma Alpha Epsilon.

Madonna College Scene of Tribute

On Sunday, May 16, on the campus of Madonna college, the annual procession to pay honor to Mary, the Blessed Mother of God, took place.

Members of the clergy, all the nuns residing at the local convent on Schoolcraft, Polish legionnaires, Blue Star Mothers, students of many Detroit and neighboring city high schools, and the general public in hundreds, participated.

The procession, during which the rosary was said and hymns were sung, began on the back campus near a patch of woods. It followed the band and majorette corps of Mt. Carmel High school to the front campus, and proceeded around the circular drive, terminating before the chapel entrance. Here a sermon was delivered by the Rev. V. Szymanski of Detroit. Mary Ann Zukosky, assisted by the crown bearer, Joanne Walsh crowned the picture of the Blessed Virgin Mother which was borne on an elaborately adorned float.

MILK IS RICH IN VITAMIN "A"

rich in profits, too, when you use **MODERN COOLING METHODS**

There's more money in your milk, say successful dairymen, when you use an electric milk cooler. Electricity quickly tumbles the milk's temperature to 50° or lower. Electricity circulates refrigerated water around the milk cans, with particular attention to the slow-to-cool milk at the top of the cans. Electricity slashes the bacteria count, steps up milk quality, increases your profits.

Properly installed, milk coolers are durable, designed to give years of carefree service. Operating costs are low. They will cool 500 quarts of milk for the average wholesale price of eight. For further up-to-date, impartial information, see your Edison Farm Service Advisor.

BY ELTON R. EATON

(Contributed)
Preservation of wilderness conditions in some areas is imperative if America is to save certain wildlife species from extinction. Sig Olson of the Quetico-Superior Wilderness Council informed the Wildlife Management Institute today.

There are some species of mammals that find it difficult, if not almost impossible to conform to changes in their primitive status. Moose, caribou, timber wolves, marten, fisher, and otter are of this type. As soon as the loggers moved in and cut the timber that sheltered the lichens upon which the caribou fed, these animals moved to the north. When the pines that were the hunting grounds for the pine marten went down, these furbearers were forced into virgin territory. The moose, while not deprived of food, seemed to leave areas where man roamed too frequently. The timber wolf though not greatly disturbed by man's proximity, suffered because of a new method of hunting against which it had no protection—the airplane.

Over 100 wolves were killed in Superior Forest in 1947, mostly by airplane hunting. This is triple the usual toll, and it is doubtful if the great gray timbers can stand such a drain for long. This species, indigenous to the north, is a balancing factor to the herbivores on which it preys. Wolves should be given enough protection from the new menace so

that, at least, it can hold its own, Olson states.

The same applies to the other species mentioned. These types cannot survive except under true wilderness conditions. Small reservations are not enough. These species need expanse and room to travel, need buffer areas to insulate them from the effects of encroachment. Such retreats as the wilderness lake country of the Quetico-Superior are ideal for this purpose, but they must be zoned against roads, planes, and commercial developments or their true worth will be nullified. Wilderness wildlife brooks no compromise. There is no half-way wilderness for them. Unless their environments stay wild, in the true sense of the word, they soon will be lost to us forever.

The establishment of the Quetico-Superior International Forest will insure the preservation of wilderness conditions along the border lakes. From the standpoint of wildlife management, preservation will be a conservation victory of great value.

In basing seasonal hunting regulations on current conditions, Colorado has made an extremely progressive change in big-game management, the Wildlife Management Institute stated today. The innovation, made possible by an unusually flexible game law, permits varying lengths of seasons, extra local seasons, and open seasons on either sex of a species at the discretion of the state game and fish commission after full reports on range conditions are received.

Regulations now will be formulated only after meetings are held with representatives of the Forest Service, the Bureau of Land Management, the National Park Service, and sportsmen's and stockmen's groups to determine range conditions.

"These meetings," said Director C. N. Feast of the state Fish and Game Department in reporting the first meetings, "were held in the interest of land-using groups for the purpose of discussing the condition of big-game ranges in Colorado. The facts brought out were presented to the Commission by the state Department of Fish and Game and served as the basis for setting equitable and biologically sound seasons and limits on deer, elk, and other big game."

The new system will benefit stockmen and landowners as well as hunters and the game itself. By permitting removal of surplus animals from overstocked ranges, the state will avoid disastrous local over-populations. Conversely, overshooting and depopulation of understocked ranges will be obviated. This undoubtedly is one of the most efficient systems of big-game management adopted by any state and might well be emulated by others.

A new booklet, "Hunting and Fishing Canoe Trips in Canada," available free at all Canadian National Railroad passenger offices in the United States, will

prove a valuable aid to those planning trips into the Dominion, the Wildlife Management Institute believes. The booklet contains thumbnail sketches of hunting and fishing regulations of all provinces, Canadian customs laws and lists of outfitters and guides in outstanding sporting regions. Maps and outlines for 50 canoe trips are included.

A bill to authorize spending of federal duck-stamp funds to help protect migratory waterfowl outside the territorial limits of the United States has been introduced by Senator A. Willis Robertson of Virginia, the Wildlife Management Institute reported today. The proposed bill, S. 2482, also would increase the price of the Migratory Bird Hunting Stamp to \$2 and would strike out the clause limiting the amount that can be spent for waterfowl protection.

This bill is similar to the Kersten Bill, H. R. 3802, which has been tabled temporarily in the House Committee on Merchant Marine and Fisheries, except for the clause permitting use of funds outside the country. All phases of this bill are needed urgently for a well-balanced waterfowl program. Increased protection is needed badly in view of the increased post-war hunting pressure. Management costs have increased proportionately with other costs, and more funds are needed to preserve and increase the waterfowl populations. Permitting the Fish and Wildlife Service to spend funds in cooperation with Mexican and Canadian officials would supplement the work of Ducks Unlimited in Canada and assure safe wintering grounds in Latin America. Under both bills up to 25 per cent of federal refuge areas could be opened to public hunting when duck populations are increasing.

A series of four bird charts which will prove valuable to the hunter, amateur ornithologist, teacher, or nature student has been issued by the Pennsylvania Game Commission, the Wildlife Management Institute disclosed today.

Individual charts, the work of the famous bird artist, Jacob Bates Abbott, show winter birds, summer birds, birds of prey, and game birds of the Keystone state. Although prepared for use in Pennsylvania, the charts show birds common through most of the East and are suitable for use as identification or teaching aids anywhere in that region. The charts measure 24 by 30 inches and are available, in full color, for \$1.50 a set from the Pennsylvania Game Commission, Harrisburg.

Spring Clean-up Saves Housing

Through our carelessness every year we are depriving many young couples of a home of their own, Fire Chief Robert McAllister declared in a statement calling for support of Plymouth citizens in ridding their homes of fire hazards for Spring Clean-Up.

The housing shortage is the worst the United States has ever experienced. Still fire, generally caused by negligence, damages 350,000 homes and in addition destroys enough timber and lumber every year to build 140,000 five-room houses, the chief pointed out.

Think of those homeless couples, the Chief urged, the next time you're off on a jaunt through the woods and are lighting a cigarette or leaving a fire. Make sure the match is completely dead before throwing it away, he cautioned, and the fire's cold ashes smothered with dirt before leaving it.

He also warned householders that all rubbish, papers and bric-a-brac from closets, halls, basements and attics should be cleaned out. Throw out everything you're not going to use, he said. Also, check all fuses, stoves and heaters to safeguard your home against fire. Avoid forcing more persons into the crushing competition for few available houses.

A guide of self-inspection prepared by The National Board of Fire Underwriters, may be had at fire department headquarters.

FINAL PROGRAM PRESENTED BY JUNIOR ROTARIANS

At the Junior Rotarian meeting held on May 21, the program began with an invocation by the Reverend Henry Walch followed by introduction of guest Rotarians and Rotarians' guests by John Guettler.

Birthday roses were pinned on District Gov. George A. Smith and Ray P. Woodworth by Richard Arlen and Jay Daggett. It was announced that Herald Hamill had completed one year of perfect attendance on May 16. Singing was under the direction of Martin Kreger, Ray Highfield presented a speech on the Boy Scout Jamboree in Paris, France, during July of 1947.

Officers not mentioned before are: Roderick Daane, president; Jerry Allen, sergeant of arms; Jack Dobbs, penny box. Another Junior Rotarian is Bill Stout.

SAPOROUS JABULUM CONSUMED BY ED. ASSN.

Teachers club sponsored a picnic Tuesday, May 24, at 6:30 with hot dogs, potato salad, baked beans, refreshments, ice cream, cake and coffee, prepared and served by Jim Latture.

The committees for the picnic were Miss Virginia Olmstead, Robert Igram, Mrs. Frances Overton, Melvin Blunk, Miss Sara Lickly, Miss Alita Hearn, Jim Latture, Mrs. Mayorie Mackie of Central Grade; and Mrs. Vivian Michelson, of Starkweather. The school board members were the guests.

The Teachers club has elected new officers for next year as follows: James Latture, president; Walter Goodwin, vice president; Miss Betty Brake, recording secretary; Miss Louise Spence, corresponding secretary; Don Rank, treasurer; Mrs. Louise Palmer, Central; Mrs. Pauline Morgan, Junior High; Miss Horland Bristol, Senior High; and Miss Lucile Finkbeiner, Starkweather.

SENIOR CLASS TO GO ON THREE-DAY CRUISE

Mackinac Island will be the destination of the seniors on a three-day cruise.

All seniors wishing to go will pay their own expenses of approximately \$26; plus any added pocket money they may desire. The class of '48 will leave on Friday, May 28, and return on Sunday, May 30.

Arrangements for the cruise were made by the executive board of the class and the Steamship company and chaperones will supervise the trip. Several teachers from the school may go as guests of the company.

Brought out a handle which, when attached to paint can, not only serves as brush holder, but also scrapes off excess paint. Handle may be used to pry can open.

STUDENTS CHOSEN FOR BOYS, GIRLS STATE

Because of her scholastic standing, participation in school activities and leadership ability, Barbara Goodbold has been chosen to represent Plymouth High school at Girls State in Ann Arbor on the University of Michigan campus, June 15-22. She was chosen by the Passage-Gayde auxiliary No. 391.

She will be sent entirely free of charge by the auxiliary and will stay at the U of M dormitory with other girls from all over the state.

Included in the program will be lectures, classes and social activities which will help develop leadership in the girls so that they may take a larger part in school activities.

Kieth Miller and Ted Thrasher will represent PHS at Boys State at East Lansing. They will leave June 17 and stay for one week. Their expenses also will be paid. David Mossman, Richard Wylie and Jack Scheel were chosen as alternates.

Other boys that are going are Kieth Keeth, who will be sent by the Passage-Gayde post, and David Jolliffe, Larry Dettling and John Wiltzie will be sent by the Beals Post No. 32.

WITT COPS TOP HONORS IN HUMOROUS READINGS

Ronald Witt, competing in the annual Humorous Reading contest, Monday, May 24, was awarded first place with his clever satire, "Help, I'm Married!" judged by ten faculty members.

Helen Fisher took second place with "Dress Rehearsal", depicting dress rehearsal of a play pageant including several P.H.S. faculty members. In third place was Sandra Walsh with "Friday Afternoon At Our School."

"My Name Is Milly", a one-act play directed by Mrs. M. Devine, was presented as part of the entertainment by Jack Scheel, Sally Gustafson, Sally Holcomb and Dave Mossman.

Ronald Kidston acted as master of ceremonies, and the band played several numbers, among them the immortal "Panis Angelicus."

The admission charged for the assembly will go into a fund to provide for a Speech Library which will contain material to be used for skits, programs and various kinds of readings.

Commission Affirms Emergency Fire Plan

Fire fighting equipment to supplement that owned by Plymouth can now be obtained from Northville in case of an emergency.

The city commission affirmed the terms of the new protection at the meeting held May 17. It is expected that the agreement will be reciprocated.

Similar arrangements have been made with the Detroit House of Correction and Detroit.

Navy CB's Now Accept Graduates

High school graduates are now being accepted for the Navy Construction Battalion, Recruiter Gerald G. Carlson, GMC, has reported.

Men found qualified are enlisted as driver, surveyor, mechanic, steelworker, builder, utilities man, draftsman or construction electrician's mate. Upon completion of their recruit training, they are sent to the Construction Battalion Center, Port Hueneme, California.

A service school "journalist" has been added to the list of Navy trade schools that high school graduates may pick from, and are guaranteed them upon enlisting in the U. S. Navy.

The Construction Battalion is remembered as the Navy CB's who did much to help win the war by building air fields and overseas' bases with amazing speed and rapidity, GMC Carlson reports.

Anyone interested in obtaining additional information may contact him at the city hall on Tuesdays and Thursdays from 11 a.m. to 4 p.m.

your furnace or stoker is pretty tired

After its 6 or 7 month race with Old Man Winter . . . a good part of it in sub-zero temperatures . . . your coal heating plant is due for a little well-deserved attention.

Remember that coal and coal heating equipment, working efficiently together, comprised the only heating system that won hands down over Old Man Winter . . . without once being lapped by shortages, heat interruption or turned-down thermostats. You'll want to be sure it does an equally good job next year — and it will, if you give it half a chance.

A good thorough cleaning, a complete checkover for worn or defective parts, a careful inspection of flues and heating surfaces — and your furnace or stoker will be ready for next winter's triumph over the thermometer. Facilities are ready now for thorough, unhurried care of this important matter.

Your local coal retailer is the man to consult about cleaning and repair service. Pick up the 'phone and call him now, before you forget.

If your local coal merchant has no facilities for cleaning service, or for emergency service 24 hours a day for your furnace or stoker . . . call CHERRY 4331.

LUBRICARE— tailor-made lubrication for Buicks

It's lubrication made to measure for your Buick by the engineers who built the car — with lubricants carefully chosen for just one reason: they are best for your Buick.

Men who know Buicks thoroughly see that all the different points that need it are properly supplied with exactly the right kind and right amount of lubricant.

You're away knowing your car is protected and set to roll smoothly and dependably with lubrication that has been matched to the mileage you have driven.

SEE YOUR BUICK DEALER
REGULARLY FOR LUBRICARE

NO wonder you grin! There's that zoom again—that go—that flashing spirit that you know is built in Buicks. There's that split-second answer to your call for power, the feather-light response to your finger that makes your two-ton honey handle like a baby buggy.

This is what happens when a Buick is cared for by men who know Buicks best — men who know the height of spirit a Buick can reach and how to bring it out.

Buick men have a way with Buicks no one else can have. That's only natural. Whatever they do, they do as the designers and builders of Buick say it should be done. They use Buick-approved checks and tools. And when

time and miles finally take their toll in wear, they have right at hand a stock of Buick-engineered replacement parts.

Wheel in and they'll sweeten your engine to bring out all its surge and go. They'll steady your car's easy gait and make steering limber. They'll even take out your worn engine and give you new-car zing and power with a factory-fresh Fireball.

See for yourself. Bring your car in and get real, understanding Buick car care. You can't buy it anywhere else — and job for job it doesn't cost you a penny more.

BABSON
 Children for War
 Babson Park, Mass., May 28. Whether or not a war with Russia will materialize, no one knows. It, however, should be realized that the world is going through a great revolution comparable only to the French Revolution of over a century ago. Owing to this conflict between ideologies, those who "have" may be obliged to give up much in properties, securities, prestige, privileges, etc., to those who "have not".

Education of Children
 This is especially important to consider in connection with the education of children. Hence, Mrs. Babson and I have devoted our earnings to help the Babson Institute to train men, Webber College to train women, and Utopia College in "the center of the country" to train both young men and women.

Every reader knows that the most important of all investments are in character, health and education. Everything else, whether stocks, bonds, bank accounts or real estate, can fade away. This is not saying that they will, but through taxation during peacetime and confiscation during wartime, it is constantly going to be harder for children to profit from what money they inherit from us parents. Therefore, we should keep our children in college just as long as we possibly can, and, if necessary, subsidize them in the meantime so that they can get married and have children.

What About Marriage?
 We should perhaps change our ideas as to marriage, support of families and education. The present theory whereby children should get through college as soon as possible and not get married until able to "paddle their own canoe" without any help

The Importance of "Stepping Down"

Here is the story of a new principle of design that has rocked the industry and given Hudson unique beauty not possible in any other type of car.

THE recessed floor in the new Hudson—now widely known as the "step-down" feature—is the talk of the automobile world. And rightly so! This interesting development is the key to a new kind of motor-car beauty never before obtainable.

People everywhere are attracted by Hudson's low, streamlined silhouette and free-flowing lines.

Only Hudson, because of its exclusive recessed floor that you step down onto, is able to offer streamlined, low-built beauty without asking you to give up interior head room.

Let's take a frank look at the motor-car designer's problem. Since streamlining an automobile reduces available head room for rear-seat passengers, to achieve a low silhouette and maintain adequate head room, both floor and seats must be lowered to compensate for the lowered roof. The recessed floor is a necessity.

But it is difficult to lower floors and seats, because in all cars, except Hudson, they are built on top of a frame. Only Hudson has a new, all steel Monobilt body-and-frame*, part of which is a rugged base structure that permits lowering floors and seats down within the frame. The sketches below illustrate this design problem and show how Hudson's recessed floor provides a low, streamlined silhouette, yet preserves head room.

OTHER CARS
 The car above cannot be streamlined because the need for head room above the rear seat (which is built on top of a frame) makes it impossible to lower the roof.

OTHER CARS
 Of course, it is possible to adopt free-flowing lines without recessing the floor, as sketched in the car above, but over-all height must be raised, and this destroys the possibility of a low silhouette, which is the mark of the modern motor car.

This time it's Hudson
