

# School District Ends Year With Over \$15,000 Surplus

Announcement was made yesterday by board of education president Sterling Eaton that the school district will end its fiscal year this month with a balance of approximately \$15,000 left in the treasury. This balance is the result of care and thoughtful expenditure on the part of the board and administration, in spite of the purchase of two new school busses and increases in salaries of school employees.

Last year at the close of business on June 30th the school had a balance of \$2,787.72. Plymouth, according to county and state school administrators, is in an unusually enviable position as far as finances are concerned. It was pointed out by board treasurer, Dr. A. C. Williams, that the balance of \$15,000 does not include the amount raised each year for retiring the bonds on Central and Starkweather grade schools which must be paid in 1955. At present there is \$61,000 on hand for this purpose, but the funds for the same will be completely accumulated and available for payment in 1950. The serial bonds cannot be paid until they become redeemable even though the school district has funds on hand to pay the same.

The district at the present time owns and operates six school busses. This has resulted in a considerable saving to township taxpayers who previously had to pay for transportation for their children. The entire cost of these busses will eventually be paid for by the state, which also pays for their operation and maintenance.

In announcing the financial condition, the board pointed out that other districts in this area were border-line as far as being in the black was concerned. Wayne has been faced with a \$45,000 deficit, which it hopes with state aid to avoid, and Northville hopes to just be out of the red if nothing unforeseen happens before the close of school. Farmington will end the year with a balance of nearly \$6,000 and Livonia will close the year with a deficit of some \$20,000. Superintendent Johnson of Livonia stated that the Livonia deficit was due mainly to the tremendous growth that the school district was undergoing and that each year it was necessary for the schools there to accommodate about 400 new students.

The local school board is faced with a similar problem as far as growth is concerned and they are already making plans for future building. The growth in Plymouth and Plymouth township is from kindergarten up, and the first local need is a new grade school. It has been the thought of a new building that has necessitated economy during the past year.

According to the board there are still many things to be done in the present buildings and every consideration has been given future growth and improvement. Teachers salaries have been adjusted as fast as the board thought they could afford to do so and they hope to raise the present base from \$2,300 to \$2,400 so that local teachers' salaries will be in conformance with others in this area. The board pointed out that their future planning for new buildings had been helped by the cooperative attitude of the teachers in their lenient and reasonable salary demands.

It was further pointed out by Dr. Williams that the total school budget will be approximately \$450,000 and that, from a taxpayers standpoint, they actually receive more for their money when it is spent for educational purposes than in any other way.

Plymouth, Michigan, Friday, June 11, 1948

Three Sections

\$2.00 Per Year in Advance

## Polls for School Election to Open at 10 a.m. Monday

Two issues will lie before school voters when they go to the polls Monday, June 14.

They first will choose two candidates to fill the two expiring terms of office on the school board, and secondly, will determine the fate of the Hanford school area. Voters must at that time decide whether or not to include this section in the Plymouth school district.

Polls for the election will be open at the high school between the hours of 10 a.m. and 8 p.m.

Board members whose terms are currently expiring are Sterling Eaton, present board president, and Mrs. Sidney Strong. The latter is running for re-election, but Mr. Eaton has declined. Other candidates are: Harry Fischer, Mrs. John Paul Morrow, and Robert O. Wesley.

The second ballot to be given voters will deal with the Hanford school district, located in the southwestern corner of the township. A total of 23 students from this area now attend the Plymouth High school. Should school voters reject the proposal to include them in the district, enrollment will be closed to these pupils.

When registration closed last Saturday, June 5, approximately 200 additional residents had become eligible to take part in the balloting. This brings the total number of qualified school voters to 1,100.

## Kiwanis Features Awards and Film

Featured on the program of the Kiwanis club Tuesday evening, June 8, was the awarding of the attendance tabs, and a film presented by Ashley Clague of Ann Arbor.

The motion picture entitled "Education Through Play" showed children at the University of Michigan hospital and their recreational facilities. The top floor of this hospital is entirely equipped by Kiwanis clubs throughout the state.

Members to whom Roy Fisher awarded the tabs for perfect attendance records coming due during the first six months of (Continued on page 4)

## City's Affiliation With Recreation Group Revealed

Mrs. John Henderson has been chosen by the National Recreation association as their representative for Plymouth.

The city's affiliation with the organization has been recommended by former recreation director Ralph Johnson, in view of the benefits that can be derived.

Included on the list of benefits available, is the fact that once every six weeks a representative from the national office will come to Plymouth to train and aid the local recreation director in planning adequate programs, and make recommendations.

The association will assist in any and all phases of recreation developments, Mrs. Henderson explained, "keeping this commu- (Continued on page 4)

## Flower Arranger to be Club's Guest

Plans for the final meeting of the fiscal year for Plymouth's branch of the National Farm and Garden association will center around a flower arrangement program, presented by Mrs. Ernest V. Knoblock.

The meeting will take place in the Veterans' Community Center next Monday, June 14, Mrs. Carl Shear, president, reports.

The day's guest, Mrs. Knoblock, has a wide reputation in the field of flower arranging. Mrs. Shear explained. She is known as a creative flower arranger, and last year was in charge of the flower judging school in Detroit. Members are not to bring ar- (Continued on page 4)

## Electors To Choose School Board Members Monday

Photo by L. L. Ball Studio

**Harry Fischer**  
Plymouth township is the home of Harry Fischer, one of this year's candidates in the school board election race.

He both grew up in this area and received his high school diploma from the local high school. Following graduation Mr. Fischer entered the University of Michigan where he studied metallurgical and chemical engineering, receiving his degree in 1940. At the present time he is superintendent of finishing at Wall Wire Products company, having been employed with the firm since last November.

Mr. and Mrs. Harry Fischer (Continued on page 4)

Photo by L. L. Ball Studio

**Mrs. John Paul Morrow**  
Mrs. John Paul Morrow, known to many as the former Marian Bennett, is a native of Plymouth.

Following her graduation from Plymouth High school, Mrs. Morrow attended Michigan State college from where she received her degree in home economics. She has been affiliated with the school systems in Howell and Highland Park, serving as high school instructor. Since that time Mrs. Morrow has also taken extension work at Wayne university.

Mr. and Mrs. Morrow and their three children make their home at 1376 West Ann Arbor trail. The children are students in the fourth, fifth and tenth grades of Plymouth schools.

Locally, Mrs. Morrow is affiliated with the Woman's club and the Episcopal church, serving the latter's auxiliary. She is the daughter of the late Paul L. Bennett, and granddaughter of Sewell Bennett, both former members of the Plymouth school board.

## Baccalaureate to be Held Sunday

The Baccalaureate service for this year's graduating class of Plymouth High school is planned for Sunday evening at 8 p.m. in the school auditorium.

Ministers of three Plymouth churches who will take part in the service are the Reverend Alexander Miller of St. John's Episcopal church; Captain William Roberts of the Salvation Army, and the Rev. Benjamin Eicher of the First Baptist church.

The Rev. Miller will deliver the evening's sermon, "Take Christ With You". He will be assisted by Captain Roberts who will read the opening sentences, and the Rev. Eicher, who will read the scripture.

Music will be furnished by the Plymouth High school 40 voice chorus. Their selections will be "Break Forth O Beauteous Light" by Bach and "The Lord Bless You and Keep You" by Lutkin. Marjorie Tait will be the pianist.

## New Classroom Will be Added to Lutheran School

The Lutheran school on Penniman avenue will be one room larger when the students return for classes next fall.

Work has already begun on the construction of this third classroom, which is slightly larger than the others, and which is to serve as a primary or kindergarten room. The construction will be carried out, as far as possible, by volunteer labor on the part of the members of St. Peter's church.

The new classroom is a part of the expansion program planned by the congregation. Having be- (Continued on page 4)

## Thursday Ball Games Cancelled

All baseball games in the city's recreation league, scheduled for Thursday, June 17, on the high school field, have been postponed. Graduation takes place that evening, the explanation revealed.

This will cancel three games, but that slated for DeHoCo will be played as scheduled.

Photo by L. L. Ball Studio

**Mrs. Sidney Strong**  
Re-election is being sought by Mrs. Sidney Strong, who has served on the Plymouth school board for a total of nine years, or three full terms.

In addition to her duties as a secretary on the local board, Mrs. Strong is a member of the Wayne County Association of School Board Members, and has been since its organization in May of 1947. She holds the office of secretary-treasurer on this group, which represents as large a group of school children as any in the state.

The Strong family has lived in Plymouth for 28 years, and pre- (Continued on page 4)

## First Meeting of Derby Entrants Held Tuesday

Nineteen boys attended the first meeting of coaster derby entrants Tuesday evening, June 8, and many more are expected to be present at the future gathering, co-chairman Marvin Partridge and Wayne Marzolf reveal.

The derby race is scheduled for July 31, and as last year will be held on Wilcox road, east of Edward Hines drive.

All entrants will make their own derby racer, limited in cost to six dollars. Each boy is usually sponsored by a Plymouth businessman, the chairman announce. The race is held mainly for the benefit of boys living in the city and township, but boys in the en- (Continued on page 7)

## Jaycees to Meet Next Wednesday at Hilltop

Newly elected Junior Chamber of Commerce officers will direct their first meeting next Wednesday, June 16, at Hilltop golf course following the golf league.

It is expected that president-elect B. J. Erdelyi will make numerous committee appointments at that time, and announce plans for the coming year.

Photo by L. L. Ball Studio

**Robert O. Wesley**  
Another candidate in next Monday's school board race will be Robert O. Wesley, who came to Plymouth to make his home 12 years ago.

Since that time his active participation in local projects has included the Junior Chamber of Commerce, for which he served as president when it was first organized, a two year membership on the Plymouth Board of Commerce, and a one year term as president of the Chamber of Commerce.

His list of affiliations further reveals that four years ago he was a member of the Recreation commission, and the fact that at one time he served on the Detroit Area Council of Boy Scouts.

This school board candidate is now employed at the Daisy Manufacturing company, as director of sales and advertising.

Schools he has attended include Northern High school of Detroit, from where he received his high school degree, Albion college, Wayne university, the Detroit School of Fine and Applied Arts, and the Detroit School of Arts and Crafts.

Mr. and Mrs. Wesley and their three children reside at 505 McKinley. Next fall the Wesley children will be enrolled in kindergarten, fifth, and seventh grades of the Plymouth schools.

## Directors Needed for Playgrounds

Anyone interested in applying for the position of playground supervisor for the summer, is asked by members of the recreation commission to appear for an interview tomorrow morning Saturday, at 10:15 in the city hall.

The positions are open to anyone interested in the work, it was emphasized, including high school students.

The commission met Wednesday evening, June 9, and interviewed applicants for the city's recreation director post. As yet no permanent appointment has been made.

## City to Have New Telephone Office Manager Reports

Location of the new Michigan Bell Telephone company business office will be on Penniman avenue, next to the Penniman-Allen theater building and across from the post office, John Saxton, manager, announced this week as work on the structure began.

The property on which the building will be erected has been purchased by Dr. William W. MacGregor of Detroit from Perry W. Richwine. The former will lease it to the local company.

Construction will follow plans drawn up to fulfill the concerns special office needs. It is hoped by Mr. Saxton that the building can be occupied in 60 days.

Upon completion, the structure will be 25 by 100 feet, and one story in height. It will be faced with brick with a plate glass front.

The present building used by the company will in the future be reserved exclusively for equipment. In line with this, Mr. Saxton announced that the installation of \$47,000 worth of equipment was recently made to increase the telephone capacity in Plymouth from 3,700 to 4,000.

This expansion program, which will give the local branch more working space, is being planned by the company to allow better telephone service to the Plymouth customers, Mr. Saxton states.

## Students Eligible Now to Graduate are Announced

Names of students eligible at the present time to receive their diplomas at graduation ceremonies to be held June 17 were revealed this week by Louis Schmidt, principal.

The list includes: Shirley Frances Adams, Shirley Aitchison, Gerald Byron Allen, Neva M. Anderson, David Ward Arigan, Richard Taylor Arlen, Charles Alvin Arnold, Mary Jean Arthurs, Theodore Bailey, Elizabeth Louise Baker, Philip D. Barnes, DeWayne Manford Becker, Patricia Ann Bell, William Allen Benjamin, Arlen Blackford, Lois Jeanne Blankenhagen, Kathleen Fae Bloxson, Irene Mae Bond, Colleen Marie Bothwell, Joanne Carolyn Bovee, Nancy Louise Brannan, Irwin L. Brink, Donald Robert Brose, Barbara Ann Brown, Beverly Brown, Robert F. Brunner, Marion Norma Bruny, George T. Buddy, Alfred E. Butler, Elizabeth Ann Cadot.

Jack Richard Campbell, John R. Carney, Rosalyn Marie Case, Roderick Baker Cassidy, Joseph Angelo Cicirelli, Lonnie Coburn, Jr., Beatrice Joanne Cochrane, Tom Spencer Corey, Robert Leland Cramb, Bentley Arthur Crane, Roderick K. Daane, Jay D. Daggett, Barbara Ann Daniel, Inez Grace Daniels, William Davison, Elizabeth Rose Dely, Irene Margaret Dely, Daniel Dwight Dettling, Conrad Dietrich, Jack (Continued on page 4)

## Cigarette Believed to be Fire Cause

A cigarette is believed to have started the blaze which broke out in the home of Andrew Yorck, 43916 Joy road, Monday morning.

When members of the fire department arrived, the mattress and wall in one of the bedrooms were ablaze. Fire Chief Robert McAllister reports that damages were slight.

The second call received by the department this week turned out to be a false alarm. They received the alarm Wednesday morning.

## Farm Bureau Meeting Planned for Tuesday

Members of the Wayne County Farm Bureau will act as hostess to representatives from groups throughout six counties of district three on Tuesday, June 15, at 8 p.m.

The meeting will be held at the Sheldon church house, located at the corner of Michigan avenue and Sheldon road.

All board members and chairmen of committees and members are asked to be present.

## Township to Have Fire Department

Plymouth township officials were authorized by voters in the Tuesday, June 8, election to purchase fire fighting equipment and housing for use in that area.

Seventy-four township residents voted for the proposition, and nine indicated their opposition.

The measure voted on stated that the cost of the new fire department will not exceed \$10,000. At the present time officials expect approximately \$8,000 will be needed. Buying of the equipment will be made as soon as possible.

The issue of the township organizing and maintaining its own fire department developed when the city of Plymouth recently decided to charge a flat \$2,000 yearly rate for the use of its fire fighting equipment and force, in addition to a regular charge for each call.

## John Emens to Speak at Graduation

Some 30 years have passed since the office of superintendent of Plymouth schools was filled by John R. Emens, the man who will return here June 17 to deliver the commencement day address to this year's graduating seniors.

Graduation will take place on the athletic field at 8 p.m. next Thursday. In case of rain it will be held in the auditorium. Floral decorations for the graduating service will be furnished by the Plymouth Garden club.

Mr. Emens, present president of Ball State. Teachers college spent his early education career in Michigan. Here he climbed to the ranks of a leader. He began in a one room school house, advancing to high school teacher, principal, instructing at colleges, and holding state education offices. He served in Plymouth for one year.

At one time Mr. Emens served as state director of teacher certification and education, and deputy superintendent of public instruction of Michigan. He held the position of director of personnel for the Detroit schools until he resigned in 1945 to take his present post as college president.

More recently, he has been a member of the president's commission on higher education, president of the north central association of colleges and secondary schools, and member of the 1948 year book commission of the American association of school administrators.

## Mayor Discusses City's Problems

City problems, and future developments of Plymouth were discussed by Mayor Frank Henderson at the Hi-12 meeting Wednesday evening, June 9.

The mayor explained how the city commission and the city planning commission are jointly trying to plan for the city's future, to keep it up to date with developments.

Among the points discussed were parking, paving of streets, sewage, and the water bond issue. In connection with the latter he stated that the issue was picked up within one week's time, because of the fine financial condition of the city.

The proposed widening of Main street was discussed by Mayor Henderson. He stated it is the hope of city officials that the project can be completed within a few years time. Last year he (Continued on page 4)

## Cancer Society's Drive Reaches \$3,337 Total

When all contributions to the Cancer Society's recent fund raising campaign were received from residents of Plymouth and Livonia townships, it was discovered that the total for this vicinity is \$3,337.56.

Announcement of the total was made by Mrs. Austin Stecker, chairman, and Mrs. Frazier Carmichael, vice chairman.

In a breakdown of the total sum, Mrs. Stecker reported that \$2,213.79 was collected in the house-to-house canvass; \$130.78 through the Livonia and Plymouth schools; \$110 from clubs (Continued on page 7)

## Interest Shown in Historical Society

Nineteen Plymouth residents met with Dr. Lewis Beeson, secretary of the State Historical society, at the library last Tuesday, June 8, indicating interest in the formation of a similar organization in the city.

A steering committee was appointed at that time, to act until officers can be elected next October. They were: Mrs. Phila Underwood, Mrs. Austin Whipple, (Continued on page 4)

## Plymouth Graduating Seniors Take Trip To Niagara Falls

Photo by Detroit Times

The pictured Plymouth High school seniors left Detroit on Friday evening, May 28, for a boat trip to Niagara Falls. They returned the following Sunday.

Forty-two members of this year's graduating class sailed down the Detroit river and into Lake Erie Friday evening, May 29, off on their weekend trip to Niagara Falls. Upon reaching Buffalo, New

York on Saturday morning, a bus was available to take them on a tour of the falls. During the trip, places of interest on the Canadian side were pointed out by a guide, as well as sites on the American side.

Following breakfast on Sunday the group arrived back in Detroit. They returned to Plymouth in the school bus which had also transported them to the Detroit docks. A commendable report was forwarded by representatives of

the D & C Boat line and members of the Van Dyke Tours Inc. on the excellent cooperation shown by the students during the trip. The group was chaperoned by Mr. and Mrs. Robert Tucker of Plymouth and Walter Goodwin of the high school faculty.

## Catholic Women Choose Officers

Members of the 32 parish councils in this area, among them St. Michael's in Rosedale Gardens and St. Raphael's in Garden City, have elected new officers to head the western deanery of the Detroit Archdiocesan Council of Catholic Women.

Mrs. Fred J. Tenbusch heads the group as president; Mrs. Wilbert Vanderworp, Mrs. John Lynett and Mrs. Clarke Oldenburg are vice presidents; Mrs. Theodore Beaugard, recording secretary; Mrs. Henry Zinger, corresponding secretary, and Miss Eileen Houlihan, treasurer.

The D.A.C.C.W. is a federation of all Catholic lay women's organizations and is affiliated with the National Council.

## Reunion for Class of '13 is Friday

A class reunion is now being planned for members of the Plymouth High school class of 1913, whether they graduated or not, and all members of the classes near 1913. It is slated for next Friday, June 18, at 7 p. m. in the Hotel Mayflower.

The deadline for reservations is Wednesday, June 16. Anyone planning on attending must send a self-addressed stamped envelope to Rose Hillier Hostein, 157 Rose street, before this time for tickets. The price of the dinner is two dollars.

A pot luck picnic is planned for Saturday, June 19, at 1 p. m. at the old picnic ground. In case of rain it will be held in the Central Grade school auditorium.

## Deanery Women to Meet Sunday

Approximately 250 women will attend the quarterly meeting of the Ann Arbor Deanery of the National Council of Catholic Women next Sunday, June 13, at Our Lady of Good Counsel parish house, Miss Elizabeth McDonald, president of the local organization, announces.

Women will attend from parishes in Monroe, Lenawee, Washtenaw counties, and Wayne, Northville, and Plymouth parishes of Wayne county.

Speaker at the meeting will be the Rev. John C. Ryan, archdiocesan director of Confraternity of Christian Doctrine. As his topic he chooses, "What About the Future of Our Children?"

Mrs. John Marvin of Adrian, deanery president, will preside over the meeting. Quarterly reports of all standing committees will be given and a short program will be presented by children of catechism under the direction of the Sisters.

A wee-glow table-and-chair set has been designed to grow along with a youngster and be usable between the ages of 2 and 8. Strongly constructed of maple or birch, the height of chair seat and table top can be increased as the child grows. The table top can be tilted for drawing or crayoning, and a strip of soft wood one inch wide is inlaid across the top of the table so the child can thumb-tack paper to it.

## Miss Plymouth

Mrs. Cass Denski

Traffic employees of the Plymouth Michigan Bell Telephone company chose Mrs. Cass Denski to represent the local office as "Miss Plymouth" at the May festival sponsored by the C. W. A. union of the company.

The festival was held May 21 in Detroit's Fort Wayne hotel. A special feature was the beauty contest in which Mrs. Denski was an entrant.

Mrs. Denski is formerly of Detroit. Mr. Denski, whom she married two years ago, has lived in this vicinity for many years.

## LOCAL News

Mrs. H. M. Oren of Peniman avenue will spend this weekend in Grand Rapids and Muskegon.

Mr. and Mrs. Theodore Box and son, Roger attended the commencement exercises of Phyllis Box Woods who was graduated from Ohio Wesleyan college in Delaware, Ohio last Sunday. Mrs. Wood's was graduated with honors and is a member of Phi Beta Kappa, national honorary fraternity.

Mr. and Mrs. Oscar Lehman and Mr. and Mrs. Albert Groth and daughter, Barbara Molly attended the graduation exercises of their son Robert who was graduated from Michigan State college last Sunday. They were also the Sunday dinner guests of Mr. and Mrs. Valbert Groth in Owosso.

The Lutheran Woman's club met at the home of Mrs. George Bartel last Monday evening. Following the regular business meeting, Mrs. Norman Goebel entertained the group with piano selections. Refreshments were served by Mrs. Maurice Garchow, Mrs. Russell Egloff and Mrs. Vincent Forshee.

Mary Louise Richwine, daughter of Mr. and Mrs. Perry W. Richwine of Burroughs street, was hostess to a group of friends at their cottage on Rush Lake last weekend. Her guests were Cynthia and Betty Lou Baker, Joyce Frisbie, Lois Osgood, Virginia Olmstead and her sister, Dorothy Richwine.

April Mitchell celebrated her third birthday last Saturday afternoon at a party given by her mother at the home of her grandmother, Mrs. Steven Spitz on Merriman road. The guests were Vicky Lynn Drews, Larry Claire, Johnnie and Claudette Davis, Patsy Mae Owens and Sharon Barnes.

A party was given for Joanne Pankow, daughter of Mr. and Mrs. Clarence Pankow, by her mother, in honor of her tenth birthday last Saturday afternoon. They played games and lunch was served to the following guests, Joan Donnelly, George Ann Bauer, Grace Olin, Suzanne Stecker, Sande Cutler, Angeline Ribar, Geraldine Minehart, Nancy Gothard and Janet Mahrley.

Pickers Needed for Strawberries

John R. Vloch, farm labor specialist for this area, reports that in 10 to 15 days strawberries will be ripening in Wayne county and four or five of the larger growers of strawberries have already reported a need for adult pickers, when picking starts.

Most of the growers prefer woman or family group pickers. Anyone interested in this type of work should contact immediately the Michigan State Employment Service at 1319 North Washington street, Wayne or phone Wayne 3725 for full particulars.

Mr. Vloch or Mr. Mitchell, who handles farm placements, will be glad to give all the information and assistance anyone might need. These growers also report that pickers will have the opportunity to pick and buy back berries for their own use.

The good man imparts knowledge and unknowingly goodness; but the evil man also exhales consciously and unconsciously his evil nature—hence, be careful of your company — Mary Baker Eddy

Bad weather always looks much worse through a window. A frown is just a smile upside down.

Interest Shown in Historical Society

(Continued from page 1) Mrs. Ada Murray, Warren Hull, and Arthur Mills. During the afternoon session, Dr. Beeson explained some of the benefits of having a historic organization within the city, telling that it is important to preserve and keep interest in past events alive. He pointed out that a museum would attract tourists to a city, and would also preserve records which would be useful to school children.

Mrs. Arthur Mills was named as acting secretary for the meeting, and she reports that it is expected that membership will be open to all residents of Plymouth and the township, and it is their hope when the by-laws are drawn up, she states, that non-resident membership will be available.

Those attending the meeting included: Mrs. Mary Hillmer, Mrs. Phila Underwood, Mrs. Maxwell Moon, Miss Eleanor Klix, Mrs. Whipple, Mrs. Lucy Ware, Mrs. Avis Waldecker, Warren Hull, Miss Pauline Peck, Mrs. Norma Cassidy, Mrs. Maude Bennett, Mrs. Harriet Wilcox, Mrs. George Burr, Mr. and Mrs. Arthur Mills, Mrs. Wier, Mrs. Ada Murray and Mrs. Milton Laible.

Electors to Choose School Board Members Monday

(Continued from page 1) and their four sons live at 42461 Clemmons road. Two of the latter will be in school next fall. Mr. Fischer's father was a member of the school board up until the time of his death in 1944, following approximately six years of service.

This candidate is a past president of the University of Michigan club of Plymouth and a member of the official board and treasurer of the Methodist church. During the war he served as a lieutenant commander in the Naval reserve.

Mrs. Sidney Strong recently resides at 1274 Williams street. All of their five children were graduated from Plymouth High school.

Mrs. Strong received her education at Kalamazoo college and the University of Chicago, receiving an A. B. degree.

Local organizations in which Mrs. Strong has a membership include the DAR chapter, with which she has been affiliated since its inception, the Plymouth branch of the National Farm and Garden association, and the Episcopal church.

City's Affiliation With Recreation Group Revealed

(Continued from page 1) nity abreast with national trends and standards. "They will furnish special bulletins and correspondence service, training of personnel, assistance with special institutes, and the promotion of recreation activities, program, and facilities," she further states.

Plymouth residents will be asked for contributions to maintain the service, "but the city will get back everything they put into the organization," Mrs. Henderson assures. Belonging to the association might be compared to a local club holding membership in a state or nation-wide setup where obvious benefits are available. The chairman emphasizes that the association, in addition to being a service agency, is set up on a non-profit basis.

News In The World of Religion

By W. W. Reid Protestant churches, choirs, and musical and worship groups and classes throughout the English-speaking world are being urged by the Hymn Society of America, Dr. T. Tertius Noble, president, to observe the year 1948 as a "Watts Year", marking the two hundredth anniversary of the death (November 25, 1748) of Dr. Isaac Watts, "the father of modern hymnody." The observance will take the form of hymn festivals by local churches or groups of churches, programs of Watts hymns in regular church services, special programs of Watts hymns in schools or by community choruses, special local radio programs of music and comment, exhibits of old hymnals and related materials in libraries, and study groups especially within women's societies and church schools. Dr. Lindsay B. Longacre, formerly of the Iliff School of Theology, is chairman of the celebration committee. Communities planning observances should communicate with the executive secretary, Dr. Reginald L. McAll at 2268 Sedgwick avenue, New York, N. Y.

Former Ambassador Horinouchi, who represented Japan in the United States years before the War, is now in Tokyo as head of a training institute preparing the young men who will be the future ambassadors and ministers of his nation in many foreign capitals. Mr. Horinouchi has long been known as a staunch Christian. Recently the senior class of the institute—men who have already passed their exams and are in the service of the Foreign Office—asked that as a part of their English language study they be taught the rudiments of the Christian faith. For this task Mr. Horinouchi selected the Rev. Rowland Harker, of Los Angeles, Cal., an experienced Methodist missionary in Tokyo. Not only does Mr. Harker teach them in class, he goes hiking with them into the mountains on vacations and holidays "when one gets closer to them than in formal studies."

Judson College, famous American Baptist pioneer educational institution in Rangoon, Burma, has given two of its alumni to the new cabinet formed by Thak-in Nu: U Ba Gyan, minister for Commerce and Supply; and Mahn Win Maung, minister for Industry and Labor. A third councillor, San Po Thin, minister for Education, is a Baptist Christian and a graduate of Redlands University.

Your opinion of others is apt to be their opinion of you. Elephants sometimes live to be 130 years old.

Nutrition Aids from the American Red Cross Nutrition Service

Those inexpensive canned peas being offered in most Plymouth stores at the present time offer excellent value for the money. They're available at such low prices because there's a record stock on hand for this time of the year.

Like many of the canned fruits and other canned vegetables peas are graded according to quality as "A" "B" or "C". The grade in which they fall depends on uniformity of size and color, degree of maturity and absence of defects.

You'll find these bargain priced peas in the lower grade. The liquid in the can is likely to be cloudy and there will be quite a bit of variation in size and color. In many cases the can will contain at least a portion of the ripener vegetable so the flavor is not quite as sweet and delicate as that of the more expensive grades.

But they're still bargains. As far as food value is concerned they're just as good as the more expensive grades and if they are to be served combined with other ingredients in a dish they are a good choice. For serving dressed with melted butter or in any dish when appearance is of great importance most women prefer the choicer grades.

The Nutrition Service of the American Red Cross suggests some appetizing ways of serving the lower grade peas. CREAM OF PEA SOUP One No. 2 can peas, 1/2 cup finely chopped onion, 2 tablespoons fat, 2 tablespoons flour, 1 tall can evaporated milk, 1 1/2 teaspoon pepper, 1/4 teaspoon paprika. Heat peas and liquid to boiling point. Remove from heat and force through strainer. Cook onion in fat until tender and a light brown. Add flour and when blended stir in milk diluted with water to make 3 cups. Cook until boiling, stirring constantly. Add peas and seasonings. Heat just to boiling. Serve at once garnished with chopped parsley or pimento or bits of crisp bacon. Makes 6 servings.

This is a good main dish for a lunch for hungry youngsters. Serve toasted peanut butter

fying main course. Finish the meal with plain white or yellow cake topped with sliced fruit and a scoop of ice cream.

Eastern News

The June special will be held Tuesday the 15th. The meeting will be preceded by a public memorial at 7:30 p.m. to which any visitors who would like to attend are invited. A luncheon will be served in the dining room following the meeting. This will be the last meeting until September.

June 6 was the annual Villa Day at Adrian and a large number of visitors were present. Those attending from Plymouth were: Dr. and Mrs. Kershaw, Dr. and Mrs. Hughes-Harry and Myrtle Brown, Leroy and Mary Danielson, and Charles and Leilia Huebler.

The box social held Tuesday evening June 8, in the dining room of the Masonic Temple. There were many gaily and originally decorated boxes and all present enjoyed this old fashioned party. The proceeds are to be sent to the Grand Chapter for their project to care for the aged members of Michigan chapters.

Flower Arranger to be Club's Guest

(Continued from page 1) rangements to this meeting, as they were previously asked to do, the president reports. The meeting set aside for this will be held in the fall, at which time constructive suggestions will be made to the members on their floral arrays.

Although this is to be the final official meeting of this year, Mrs. Shear tells that garden tours to be taken throughout the summer months will be announced at a later date.

Hostesses for next Monday's meeting will be: chairman, Mrs. Harold Brisbois, Mrs. Otto Beyer, Mrs. Edwin Bolton, Mrs. Floyd Burgett, and Mrs. Gertrude Burton.

New Classroom Will Added to Lutheran S

(Continued from page 1) gun the school with kindergarten and six grades last September the seventh grade will be this fall. Also, the enrollment the present time is pretty to capacity, with 30 children in classroom, and many more for September already in the hands of Wesley S. chairman of the school board. This reason it has been thought wise to provide the extra space rather than to reduce the efficiency and high standard of the work required at the school, a report reveals.

Completion of the additional room will give the school a capacity of about 90. Applications are still being received and may be sent to Gerhard Mueller, principal, 1309 Penniman avenue, or to Joseph Rowland, secretary of the Lutheran school board, 419 Blunk street.

The church's planning committee is headed by Frederick Waara, George Bartel is chairman of the building committee, and Edward Schacht is at the head of the building finance committee.

The present term at the Lutheran school closes today, Friday with a picnic at Riverside park. The fall term will begin September 8.

Mayor Discusses City's Problems

(Continued from page 1) reported, \$17,000 was received from the parking meters, and he continued, it is hoped that in the future these funds can be used for streets and to alleviate the parking situation.

An announcement made at the meeting concerning the Hi-12 picnic, revealed that it will be held Wednesday, June 30. President Edwin Schrader reports. It will begin at 5 p.m. at Riverside park, and games, refreshments and prizes will be featured.

Official Proceedings of the City Commission of the City of Plymouth, Michigan

The regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, May 17, 1948, at 3:30 p.m.

Present: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Absent: None.

The minutes of the regular meeting of May 3rd and the special meeting held May 7th, 1948 were approved as read.

The minutes of the special meeting held May 12, 1948 were corrected to include, "with the exception that one department head wished to discuss the salary schedule," following, "No objections were voiced at the hearing."

The Clerk presented the following report: Veteran's Information Center report for April.

It was moved by Commissioner Goddard and supported by Commissioner Whipple that the above report be accepted and placed on file. Carried.

A delegation consisting of the following were present to protest against the assessment on the Pacific Avenue pavement: Lee Turcott, Mr. and Mrs. Manford Becker, Lawrence Farnwald, Mrs. Nina Blunk, Lorene Hammler, R. B. Fenton, James Gibbs, Harry Shoemaker, Herbert Rorabacher, Elvin Taylor, Knut Anderson, Lee Jacke, and Paul Anno.

It was moved by Commissioner Whipple and supported by Commissioner Goddard that any further decision about the Pacific Avenue pavement be postponed until the meeting of June 7, 1948. Carried.

It was moved by Commissioner Goddard and supported by Commissioner Whipple that the City Manager be authorized to purchase 2,016 feet of 6-inch cast iron pipe from James B. Clow & Son at \$1.59 per foot, in view of the fact that it is the only firm, price and the shortest delivery date.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Goddard and supported by Commissioner Whipple that the City Manager be authorized to purchase 2,016 feet of 6-inch cast iron pipe from James B. Clow & Son at \$1.59 per foot, in view of the fact that it is the only firm, price and the shortest delivery date.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Goddard and supported by Commissioner Whipple that the City Manager be authorized to purchase 2,016 feet of 6-inch cast iron pipe from James B. Clow & Son at \$1.59 per foot, in view of the fact that it is the only firm, price and the shortest delivery date.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

The following resolution was offered by Commissioner Whipple and supported by Commissioner Latture:

WHEREAS, there may now be in and may hereafter from time to time come into the hands of Charles H. Garlett, Treasurer of Plymouth, Michigan, certain public moneys, belonging to or held for State, County, other political units of the State, or otherwise held according to law, and WHEREAS, under the laws of Michigan, this Board is required to provide by resolution for the deposit of all public moneys including tax moneys coming into the hands of said Treasurer, in one or more banks, hereinafter called banks, to be designated in such resolution.

NOW, THEREFORE, BE IT RESOLVED, that said Treasurer, Charles H. Garlett, is hereby directed to deposit all public moneys, including tax moneys now in or coming into his hands as Treasurer in his name as Treasurer, in the following banks:

- Plymouth United Savings Bank
First National Bank, Plymouth
Ann Arbor Savings Bank
Commonwealth Bank, Detroit
Depositors State Bank, Northville
Detroit Bank, Detroit
Farmington State Bank
Manufacturers National, Detroit
National Bank, Detroit
National Bank of Ypsilanti
Peoples State Bank, Belleville
State Savings Bank, Ann Arbor
Wayne State Bank, Wayne
Ypsilanti Savings Bank
Wabec Bank, Detroit

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

The following resolution was offered by Commissioner Latture and supported by Commissioner Goddard:

RESOLVED, that the salary and wage schedule, as approved in the 1948-49 Annual Budget, be made effective as of May 1, 1948.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Latture and supported by Commissioner Whipple that the matter of exchanging a 12-foot strip of land for the widening of North Main Street, for a new sidewalk and repair of driveway entrances, be taken from the table.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Hartmann and supported by Commissioner Latture that the City accept the offer of property owners on North Main Street from Church Street to, and including, Mr. Harry Robinson's Lot No. 107, to give a 12-foot strip of land along Main street in exchange for a new sidewalk and repair of driveway entrances; work to be completed by the City not later than May 30, 1951.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Whipple and supported by Commissioner Goddard that the matter of the agreement with the Village of Northville for fire protection be referred to the City Attorney for study and recommendation. Carried.

Communications were received from the Myron Beals Post, American Legion; and the Rotary Club of Plymouth concerning the installation of flag retainers in the business area.

It was moved by Commissioner Whipple and supported by Commissioner Latture that the City Manager be requested to get the holes for flag retainers drilled as soon as possible, with the understanding that the merchants, in front of whose places holes are placed, will pay \$2.00 and the City will pay the balance.

Ayes: Mayor Henderson, Commissioners Hartmann, Latture and Whipple. Nays: Commissioner Goddard.

The following resolution was offered by Commissioner Whipple and supported by Commissioner Goddard:

WHEREAS, a public hearing has been held for the purpose of determining whether or not to construct concrete curb and gutter and appurtenances thereto on Harding Street, and WHEREAS, no objections have been received by the City Commission, and

WHEREAS, the plan, profile and estimate covering the proposed improvement is now on file in the office of the City Engineer, and is hereby accepted.

THEREFORE, BE IT RESOLVED, that the estimated special assessment will be paid to the City Treasurer before the making of the improvement.

BE IT FURTHER RESOLVED, that the Assessor be directed to prepare an assessment roll covering the cost of the improvement.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Latture and supported by Commissioner Hartmann that the City Manager be authorized to take bids to lay an 8-inch sanitary sewer and a 6-inch water main in Hough Subdivision.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Whipple and supported by Commissioner Hartmann that action on the petitions asking for the resignation of the City Manager be postponed until the meeting of June 7, 1948. Carried.

The Clerk read proposed Ordinance No. 144, an ordinance to amend Ordinance No. 108 known as the Zoning Ordinance.

It was moved by Commissioner Whipple and supported by Commissioner Latture that proposed Ordinance No. 144, an ordinance to amend Ordinance No. 108 known as the Zoning Ordinance, be passed its first reading.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Latture and supported by Commissioner Whipple that proposed Ordinance No. 144 be passed its second reading by title only.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Goddard and supported by Commissioner Latture that proposed Ordinance No. 134, an ordinance to amend Ordinance No. 108 known as the Zoning Ordinance, be passed its first reading.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Latture and supported by Commissioner Whipple that proposed Ordinance No. 134 be passed its second reading by title only.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

It was moved by Commissioner Whipple and supported by Commissioner Latture that the City Attorney be requested to draft an appropriate resolution to voice Plymouth's protest to the Michigan Public Service Commission concerning the request of the Consumer's Power Company to discontinue the supply of natural gas for commercial and industrial purposes in excess of 25,000 cubic feet.

Ayes: Mayor Henderson, Commissioners Goddard, Hartmann, Latture and Whipple. Nays: None.

Bible School Gets Underway June 21

Three Plymouth churches are currently making plans for the Community Vacation Bible school which begins Monday, June 21, and continues until Thursday, July 1.

The Rev. Alexander Miller, chairman, states that the participating churches are St. John's Episcopal, the First Methodist, and First Presbyterian churches. The school will be held at the latter two churches, with the faculty drawn from all three.

All children of the city between the ages of five and twelve are eligible to attend. Curricula have been worked out for each age group, with the general theme devoted to a study of the churches, including the historic development.

Superintendent of the school will be Mrs. Helen Van Orsdale, and she will be assisted by the following section leaders: Mrs. Don Bovee, kindergarten; Mrs. Lester Daly, primary. Other teachers in the three grades will be: kindergarten: Mrs. Anthony Matulis, Mrs. Richard Daniels, Mrs. Eva Smith, Mrs. B. L. Bolin, Mrs. Dorothy Smith, and Miss Lois Hunter.

Primary department: Mrs. Charles Smith, Mrs. John Montviet Mrs. Bernard Curtis, Mrs. Violet Paulger, Mrs. Rose Kemnitz, and Mrs. Robert Stewart.

Junior department: Mrs. Vincent Magretta, Mrs. Harry Fischer, and Miss Jean Jackson. Nursery facilities will be handled by Miss Janyce Henry, Miss Molly Groth and Miss Pat Green.

Betty J. Richwine Wins Scholarship

Betty Jane Richwine has received notice that she has been accepted for a scholarship to Western State Teachers college at Kalamazoo.

The student, who is the daughter of Mr. and Mrs. Perry W. Richwine, 790 Burroughs, was awarded the scholarship on the basis of her B scholastic average which she has retained throughout high school.

Activities in which Miss Richwine has participated while in high school include: cheer leading, president of Commercial club, vice president of Hescoes, Library club, the junior play, and the all-school play.

Poisons, Medicine Cited as Hazards

Don't overlook the family medicine chest while doing your spring housecleaning, warn safety experts of the Accident Prevention Department, Association of Casualty and Surety Companies. The advice goes for career girls and bachelors as well as housewives, because a sip from the wrong bottle can be fatal.

Two main rules to remember regarding your medicine chest or the shelf where you keep the family dosages is (1) keep poisons away and (2) discard leftover medicines as soon as you stop using them.

Most adults are careful enough to keep medicine chests high enough to be out of reach of small children, the Department reports, but there remains the danger of adults grabbing the wrong bottles when they sleepily reach for something in the middle of the night. A lethal bottle of poison may feel like the cough medicine in the dark, but the results get rid of you as well as the cough.

Always turn the light on when getting something out of your medicine chest, warns the Accident Prevention Department, and take the double precaution of marking poison bottles, no matter where you store them. One good method is to tightly tie on the tops of poison bottles with double knotted cord. This makes opening the bottle difficult enough to cause even the sleepest person to glance at the label.

Old medicines should be thrown out because they are often either useless or dangerous. Some lose their strength in time and may prolong or aggravate your illness. Others—tincture of iodine, for example—become too strong as a result of evaporation of water or alcohol. Besides, if medicines are not thrown away when you are through with them, there is a dangerous temptation, next time you are ill, to take a few more swallows without first consulting a doctor to see if you are suffering from the same ailment.

With the exception of tooth pastes, shaving lotion and other such harmless toilet articles, nothing should be put into the medicine chest without the advice of your physician. He'll advise you that boric acid, vaseline, a good ointment for burns and aromatic spirits of ammonia are considered good standbys to have on hand for emergencies. Adhesive tape and sterile gauze might also be placed in the medicine chest. But remember that after the wrapper is broken the gauze is no longer sterile.

Pretzels get a new twist. No longer limited to beer and skittles, they're being groomed to team with ice cream, a taste-match' long a favorite of Pennsylvania Dutch. So look for pretzels spoon-shaped to scoop the cream bite-size. And count on pretzels you can store for emergencies, bakery-fresh and unbroken. That's the claim of a Philadelphia firm, which uses special machines to pack the brittle twists into cartons, and triple-wraps them to keep moisture out, flavor in.

Later, when the cultivator is used, the ground should be well covered, but the cultivator run only deep enough to kill weeds without disturbing plant roots.

Newly Wed Couple to Make Home in Chicago

Evelyn Schomberger, daughter of Mr. and Mrs. Stephen Schomberger of Hartshorn street became the bride of John McNamara son of Mr. and Mrs. John McNamara on Saturday morning at the Our Lady of Good Counsel church.

The bride chose a white suit and carried white roses. Her sister, Patricia, maid of honor, was dressed in a pink suit with a corsage of pink roses.

George Lavelle of Chicago served as best man.

Out of town guests were Mr. and Mrs. John McNamara and daughter, Patricia, Mr. and Mrs. George Lavelle and Mr. and Mrs. Michael Lanahan of Chicago. Other guests were the immediate families.

Following the ceremony, a reception was held at the home of the bride's parents.

The couple will take a wedding trip to Beverly Shores, Chicago and will make their home in Chicago.

No Traces Found of Three Convicts

No traces have been found of the three convicts that escaped from the Detroit House of Correction Monday morning, June 7, a report from the prison reveals.

The men, Conrad J. Mikulin, 31, William Collins, 21, and Edward Reilly, 28, made their getaway in a car owned by Mona Burrows which was in the officers garage at the prison. They took the keys from the porter, using adhesive tape to tie him. The men were armed with a knife.

Mikulin was serving a 25 to 50 year term for armed robbery, and Collins' term was for 3 to 5 years for unlawfully driving a car away. Reilly had been sentenced to between six months and 20 years, also on an armed robbery count.

Patrol Recovers Trailer and Car

A house trailer and car stolen in this vicinity, have been recovered by the Wayne County Sheriff's road patrol.

The house trailer was reported missing by C. W. Rathburn, 945 Sutherland, as stolen on Saturday, May 29. It was recovered in a field at the rear of 13340 Hanon road.

A car, presumably stolen, was recovered by the road patrol on Saturday, June 4, at Ann Arbor trail and Levan roads. It was found in good condition, but the keys had been taken. This case is pending further investigation.

Correct Cultivation is Highly Important in Producing Row Crops

Cultivation is an important part of producing row crops, but A. G. Weidemann, soil science research specialist at Michigan State college, warns that it must be done correctly to be effective.

Control of weeds is the main reason for cultivating row crops, he points out. Cultivating allows water to enter the soil. If soils have a tendency to crack when they dry out, cultivating will aid in preventing cracking which may otherwise sever plant roots and permit water to escape by evaporation between the cracks.

Weidemann advises that cultivation should be only deep enough to control weeds. Excessive cultivation is wasteful of time and energy and may even cause damage by cutting off the feeding roots if done too deeply.

Experimental work in Illinois has shown about a 16 percent reduction in corn yield from pruning the roots to a depth of four inches with a knife. Cultivating too deep could have the same effect.

Weeds can be controlled, to some extent, more economically by working the soil before crops are planted, the specialist points out. After planting, when plants are still small or just coming up, most of the weeds in the rows as well as between the rows can be destroyed by use of a culti hoe, spike harrow or weeder. On soil that is not too badly crusted, the weeder will probably be more serviceable and economical. These implements will kill weeds without much damage to most crops but will not kill grass. For killing weeds in the row this is a good substitute for expensive hoeing.

Later, when the cultivator is used, the ground should be well covered, but the cultivator run only deep enough to kill weeds without disturbing plant roots.

Pretzels get a new twist. No longer limited to beer and skittles, they're being groomed to team with ice cream, a taste-match' long a favorite of Pennsylvania Dutch. Senior Awards Are Presented

Outstanding seniors of Plymouth High school received special recognition at the annual honor assembly held recently in the auditorium.

The program included the presenting of honor keys, scholarships, and awards by Louis Schmidt, principal. During the program the class motion picture was also shown, narrated by Jay Daggett, and the president's address by Martin Kreger was presented.

Honor keys were won by the following students: Suzanne Maddox, art; Betty Simpson, commercial; Dick Daane, English; Nancy Brannan, history; Doris Puckett, Spanish; Sally Gustafson, science; John Rogers, mathematics; George Hitter, vocations; Wilma Smith; home-making; Pat Packard and Jay Daggett, activities; Betty Baker and Jack Dobbs, athletics; Barbara Daniel, dramatics; Barbara Lorenz and Elsie Mae Keeping (school paper), and Lydia Finetti (annual), journalism; Doris Waldecke, music; Joe Cicirelli, vocal music; Bently Crane, scholarship; and Sally Gustafson and Bill Stout, citizenship.

For the first time this year, Ethel L. Killham awards were presented to the most outstanding Spanish and French students. They were received by Kathleen Blossom and Doris Puckett.

Three students with perfect scholastic averages were all awarded a year's subscription to the Reader's Digest. They were: Nancy Brannan; Sally Gustafson, and Mary Rolan.

The Danforth foundation awarded a book to Betty Baker and Jack Dobbs, and Sally Gustafson won the Bosch-Lomb science award. It was announced at that time that Geraldine Henderson had received a scholarship to Madonna college, and Betty Richwine to Western Michigan college of Education. Virginia Elliott and Bently Crane won the University of Michigan scholarships.

Who feels injustices; who shrinks before a slight; who has a sense of wrong so acute, and so glowing a gratitude for kindness, as a generous boy? —Thackeray

Cancer Society's Drive Reaches \$3,337 Total

(Continued from page 1) and organizations; industry donated \$206.49; business, \$665.50; miscellaneous, \$9; and Detroit solicitation \$32.

The chairman voiced her personal thanks to all workers and donors in this campaign, adding that she is more than pleased with the returns.

An explanation as to the channels in which the funds will be put to use reveals that 60 percent will remain in the southeastern division, which includes Wayne, Macomb, and Oakland counties, 25 percent is allocated for nation research program, and 15 percent goes to the national office for nation wide education, service, fund raising, and administration.

Anyone desiring any information on the Cancer Society or with any questions, may contact Mrs. Stecker.

First Meeting of Derby Entrants Held Tuesday

(Continued from page 1) tire surrounding area desiring to enter, will be considered, they further report.

Meeting of the entrants will be held every Tuesday night in the city hall, and discussion will be planned on the construction of the racers, and any problems that might be incurred.

Entrants are still open, and any other boys interested in entering the derby are urged to attend the future meetings.

Last year 24 took part in the competition, and the winning boy was Bruce Besse. This year's derby is being planned and conducted by the members of the Plymouth Junior Chamber of Commerce. As co-sponsors they have E. J. Allison, local Chevrolet dealer, and the Plymouth Mail.

CONGRESS SHALL MAKE NO LAWS ABRIDGING THE FREEDOM OF THE PRESS

*What I Think and have a Right to Say*

ELTON R. EATON

**PRAISE FOR THIS ONE.**

Announcement has been made by the Governor of the appointment of Budget Director John Perkins as the new controller of the recently created, but unnecessary, administrative department. We do not know of a more acceptable person in the present administration for this new position than Mr. Perkins. In the brief time he has been budget director he has proven a public spirited official.

We still believe, however, that the Governor could have utilized the energies and abilities of Mr. Perkins just as well under the state administrative board act as under the new law passed by the legislature.

We differ strongly with the Governor as to the necessity of creating a new state department, which always means more jobs and more expense. But we do not in the slightest disagree with him pertaining to the individual who has been selected to head up the new department. Mr. Perkins is the type of official that the state needs and needs badly. There is one thing sure—he will put forth a determined effort to make good, and that is something.

**DECREASE ALREADY NOTED.**

During the recent session of the state legislature, the writer pointed out the fact that the time was near at hand when there would be manifest a decrease in the number of world war veterans enrolled in the various educational institutions of Michigan and the nation.

At the time this statement was made we did not know that the veteran student attendance is already on the toboggan.

The number of World War II veterans enrolled in educational institutions in Ohio, Michigan and Kentucky has decreased 11 per cent in the past year, Veterans Administration tri-state branch office in Columbus, O., reported recently.

The total attending schools and colleges under the G.I. Bill and Public Law 16 in the three states on May 1 was 497,569, compared with 221,904 at the same time last year.

The May 1 enrollment this year and the numerical decrease during the past year by states were: Ohio, 98,306, 10,266; Michigan, 78,289, 5,612; Kentucky, 20,974, 8,457.

The state is spending millions to complete additional buildings at Michigan State and the University of Michigan to care for veteran student enrollment. These buildings will not be completed for a year or more and already the necessity for all of these additional structures seems to be fading.

Yet through the conniving and political scheming of the Lieutenant Governor funds for the completion of a badly needed institution for the care of the thousands of mentally sick people of the state, have been held up. And this fellow wants to be governor! As we see it, he isn't entitled to a vote to hold the job of a dog catcher.

**Rotary-Anns Use Gay '90's Theme**

Handle bar mustaches painted on the faces of Plymouth Rotarians and costumes of the 1890 period worn by their wives, set the gay nineties theme which prevailed at the dinner program presented by the Rotary-Anns Friday evening, June 4.

Special guest of the evening was Myrtle Labbitt who told of her "18 Years Before the Mike". She recounted her experiences with the British Broadcasting company, comparing them to those with WWJ and CKLW. Mrs. Labbitt is woman's editor of the latter station.

Near the conclusion of the program she donned a maid's costume and proceeded to render a monologue appropriate to her garb, making reference to Plymouth residents present.

Group singing was led by Mrs. William Roberts, and further music was furnished by the Vagabond quartet, composed of high school boys, who rendered true blubber shop songs.

Plans for the evening's program were supervised by Mrs. Paul Wiedman, wife of the president of the local club, and she was assisted by wives of members serving on the board of directors. They are: Mrs. Charles Brake, Mrs. Ed Gardiner, Mrs. Frank Henderson, Mrs. Horace Johnson, Mrs. Anthony Matulis, and Mrs. Robert Willoughby.

**Field Day Events Featured at Rally**

Girl Scouts and Brownies turned out between 70 and 80 strong to participate in the annual spring rally, which this year featured a field day at Riverside Park last Saturday, June 4.

Patty Roberts was the Scout who compiled the highest score for the day's numerous events, and Nancy Worth received the second place award. Brownie Scout, Susan Daly, received the third award of the afternoon.

Co-chairman of the field day program, Mrs. Robert Wesley and Mrs. Joe Witwer, state that this was the second time such a project has been presented, and reported that the venture was highly successful.

Among the various contests in which the Girl Scouts and Brownies participated were: shuffleboard, volley ball, broad jump, kick-ball, seize-the-bacon relay races, and baseball games.

Read the classified pages.

**Goodale to Appear on Radio Programs**

Loren Goodale will appear over radio station WKAR in East Lansing on Tuesday, June 15, at 3 p.m., in connection with the current Security Loan drive.

He will be accompanied by R. R. Penhale of the Treasury Department Savings Bond division in Detroit.

Since many counties in this area have not achieved their quota, local retailers are being chosen to aid in the drive. Since it was launched on April 15, residents of the state invested \$41,529,828 or 41 and a half per cent of Michigan's quota as of May 21. The drive will continue through June 30.

**Officers Chosen for U. of M. Club**

Kenneth Hulsing will head the University of Michigan club as president during the forthcoming year, an announcement made following the recent election by the board of governors reveals.

The vice presidency was delegated to James Scott, and Miss Elizabeth McDonald will act as secretary-treasurer.

The election meeting was held at the home of Mrs. C. Hamilton last Wednesday, June 9.

Retiring members on the board are Wallace Laury, Marion Gale, Kenneth Greer, and Mrs. John Kordon. In addition to the newly elected officers, the following are now also serving on the board: Mrs. Maurice Woodworth, Dr. Walter Hammond, David Mather, Thomas Bateman, John Perkins, Evered Jolliffe.

He who is afraid of being too generous has lost the power of being magnanimous. The best man or woman is the most unselfed.

The person who stole six chickens from Mrs. Clarissa Brown, in Des Moines, Iowa, beheaded the hens and left the heads behind.

HOWDY FOLKS: Did you ever hear of the wife who sued her husband who manufactured garters. She charged non-support.

Constable: "No swimming allowed in this lake."  
 Young lady: "But why didn't you tell me before I undressed?"  
 Constable: "There ain't no law against that."

And then there were the two friends who agreed to tell the other all his faults. But it did not work out. As a matter of fact, they have not been friends since.

While we don't especially like to hear about our faults, when there is something to criticize here, please tell us—and tell us fast. We are mighty anxious to satisfy and please you in every possible way. And that is how we make friends. Stop in and get acquainted. We think you, too, will like us.

**OBITUARIES**

**Dr. H. Albert Mason**  
 Dr. Albert Mason passed away at his home on Auburn avenue, Detroit, Friday morning, May 28, following a short illness. The deceased was born nearly 78 years ago on a farm near Farmington. He practiced dentistry in Detroit for 42 years, and two years ago retired. About 20 of those years Dr. and Mrs. Mason resided in Plymouth on North Territorial road. Funeral services were held on Tuesday afternoon, June 1, in the McCabe Funeral Home on Grand River in Detroit. Interment was in Riverside cemetery.

**Irving W. Hamilton**  
 Sunday afternoon, June 6, funeral services were held for Irving W. Hamilton, who passed away Thursday evening, June 3, after a brief illness at the age of 93. Mr. Hamilton was born in a log and frame house on a site just east of the present family home on Five Mile road. In 1879 he was married to Lina A. Whipple, who died in 1899. Their two daughters, Carrie and Edith Young also preceded Mr. Hamilton in death. In 1911 he and Lucile Curtis were united in marriage. He is survived by Mrs. Hamilton; his sons, Curtis and Edwin; three grandsons, Douglas Ray, David Edwin, and James Curtis Hamilton; and his sister, Mrs. Adelbert Walker of Ann Arbor. Mr. Hamilton's

body lay in state in the Phillips funeral home until Sunday afternoon when a memorial service was held in the Salem Federated church, officiated by his pastor, the Rev. C. M. Pennell. Interment was made at Worden.

**Mrs. Louise J. Wollgast**  
 Mrs. Louise J. Wollgast, who resides at 1008 Holbrook avenue passed away Thursday morning, June 10, after a long illness, at the age of 68 years. She is the widow of Julius J. Wollgast who preceded her in death on November 23, 1943. She is survived by two daughters, Mrs. Fern Karker and Mrs. Julia Hoffman, and one son, George Wollgast, all of Plymouth. Also surviving are nine grandchildren and four sisters, Mrs. William Hawley of Howell, Mrs. George Trinka, Mrs. Carl Rohde, Mrs. Henry Yatzek, all of Plymouth.

Funeral services will be held this Saturday, June 12, at 2 p.m. from the Schrader Funeral Home with interment in Riverside cemetery. Rev. Edgar Hoenecke will officiate. Mrs. Wollgast will lie in state at her home, 1008 Holbrook avenue, until 10 a.m. Saturday.

Marketed a portable electrocutor for mice, rats, flies and night insects. Baited and placed in natural runways for mice and rats, the device performs a neat job of execution. With a few ounces of milk spilled over the electrocuting grids, it attracts and dooms flies. Placed outdoors at night with a light bulb in it, the mechanism attracts and kills mosquitoes and other night-flying insects.

Fair in the Light of Memory Shines

BY • ELTON R. EATON

A few days ago the writer of this column was a guest with some 35 other Michigan editors and reporters of the Ontario Lands and Forests division of the Ontario province. The visit to our friendly and progressive neighbor to the east and north was the purpose of securing first hand information pertaining to the vast conservation program being conducted by Ontario as well as visiting the new Ontario Forest Ranger school located some 75 miles east of Parry Sound.

Michigan in a small way has in recent years conducted a training school for the state Conservation department up at Higgins lake, but what Michigan is doing in a comparative way is a mere nothing besides the masterful efforts being put forth by the Ontario Lands and Forests division.

One should not construe this comparison as a criticism of the Michigan Conservation department. Our conservation department has done well in view of the fact that its nearly every move towards advancement has been subject to criticism, abuse and questioning. Not so long ago a high state official branded the Higgins Lake Training school as a "glorified hotel in the woods" maintained for the exclusive use of department executives and their friends. He has never visited the place. A previous state official started an effort to have the school abolished. He made a surprise visit to the school and came away amazed at what he had learned and saw being accomplished with the limited facilities Michigan makes available to the department. His visit changed his mind completely.

The Ontario Forest Ranger school is not yet completed, but just one of its three buildings now in use, is of sufficient size to house the entire Higgins lake school, with plenty of room left

to take care of more schools like it. Superintendent Russell Martin who has charge of Michigan's school was in the group that visited the Canadian institution. He expressed amazement to think that a Canadian province with so much less to do with than Michigan, should have stepped out so far in advance in connection with conservation problems so vital to both Ontario and Michigan.

The school is located in the heart of a vast forest area, just as is Michigan's school. The University of Toronto aids in setting up proper courses of instruction. The instructors are highly intelligent, alert men who have devoted most of their lives to reforestation, forest fire fighting, game conservation and law enforcement. Conservation to them is almost as vital a part of their existence as is religion to a Methodist missionary. They receive pay for their work but much less than do the workers in Michigan—but from our observation we believe that from the interest they displayed in their responsibilities and duties, they would continue their work if the income from their positions was barely sufficient to keep soul and body together.

In forest protection work students are instructed in the use of various type of forest fire pumps, how to organize fire fighting crew factors affecting forest fire behavior and the laying out of a fire line.

There is a course for the study of forest insects, how to detect them and control them. In fish and wildlife studies the courses are most complete. Students are instructed in rudiments of surveying, tree identification, tree measurement and cruising. One is instructed in how to saw a file, how to make soil analysis, how to use radio wave sets, the migratory habits of birds, how to determine the flow in cubic feet of water in a creek or river and the right way to set up a tent camp in the woods. These are but a minor part of the courses taught at the Canadian school.

Ontario operates 30 planes in its wild life forest protection service. Michigan has two.

As we made a collection of the printed matter issued by the Ontario government in the promotion of its tourist business and in providing its own people with information as to what is being done by the Ontario government to protect its forests and develop its natural resources and wild life, we could not help but think what a miserly job Michigan has done in this connection. Try and get from any single department

of the state government having to do with the development and growth of this state a single piece of printed matter that will provide you with any real information about your state or what your state is doing. Oh yes, the state park division will provide you with a cheap looking map of some special state park you might ask about, but that is the extent of it. Later on we plan to have considerable to say on this subject, as well as discuss with our readers the type of printed matter we are providing the tourists who leave more cash in Michigan during the summer than is derived from any other source—yes, they come here in spite of ourselves and what we do.

**Fixing of Tractor Will Aid Plymouth Farmers in Saving on Fuel Bill**

Plymouth farmers can cut their tractor fuel bills as much as ten percent by making certain that carburetors are properly adjusted.

E. C. Sauve, agriculture engineer at Michigan State college, reports that field surveys indicate that the average tractor wastes from 50 to 150 gallons of fuel each year. This is costly to the farmer and aggravates the supply situation which is expected to be tight this year. Adjustment of the carburetor is the most common fault, but overloading and overspeeding, worn carburetor parts, spark plugs and valves worn or out of adjustment, low radiator temperatures, and improper intake manifold temperatures may also cause high fuel costs.

**AWNINGS and CANOPIES MADE TO ORDER**

**AWNING REPAIRS**  
**KELLEY & DAHL**  
 Awnings, Tents and Covers Residential — Commercial Industrial  
 PHONE Northville 903-W3  
 7440 Salem Road — Northville

To overcome these causes of waste, Sauve recommends that Plymouth tractor owners (1) check carburetor setting—if the tractor can be driven without stalling in half a minute after starting a cold engine, the setting is too rich. (2) Keep the engine properly tuned. (3) Avoid overloading and overspeeding. (4) Follow directions in the operator's manual for adjusting the load or high speed needle valve and proper operating temperature. The approaching summer work season will put a heavy demand on tank wagon deliveries. Plymouth farmers can help to assure themselves of an adequate fuel supply by increasing storage capacity on the farm and placing orders with dealers for delivery anytime supplies and storage space permit.

## FIRST PRESBYTERIAN CHURCH

Rev. Henry J. Walch, D.D., min.

Special attention is called to the combined church and Sunday school service this week, which will be held at 10:30 a.m. in the church proper. The occasion for this change is the celebration of Children's Day, and the youngsters aided by the young adults will offer the program. Our pastor, Reverend Walch will preach the Sermon to the Children and will be welcomed back happily by his people. Westminster Fellowships will meet on Sunday, the Juniors Hi's at the church at 1:45 p.m. The Senior Hi's will, for this meetings program, attend the Baccalaureate at the Plymouth High School. They will attend in a group, Wednesday, June 16th, will mark the date of the Trustees meeting which will take place at Charles Bennett's recreation room at 7:30 p.m. It is expected to be a brief but important meeting and every trustee is expected to be present. Sunday, June 20th will recognize and present Promotion Day in the Sunday school proper. Certificates of promotion will be awarded and the service will be held at the regular hour of 9:45 a.m. Members and attendants of church will want to note the celebration of the Lord's Supper on the 20th also. New members will be taken into the church on this date. The church service will be at the regular hour of 11 a.m. Of special interest to the parents of our church and those in the Community is the Inter-Church Daily Vacation Bible School to be held in the Presbyterian church beginning Monday, June 21, at 9 a.m. and running for nine more days through July 1. All youngsters are welcome to attend.

## CHURCH OF CHRIST, CHURCH

188 West Liberty St.  
Almon P. McAllister, minister  
Bible School for all ages, 10 a.m. Worship Sermon, 11 a.m. Evening Service, 7 p.m.

## Better Now than Ever!

# Lowe Brothers HIGH STANDARD HOUSE PAINT

There is no finer house paint made anywhere at any price, than Lowe Brothers High Standard House Paint. Is known everywhere for its unsurpassed quality! Because it has good body, extreme durability, unusual covering capacity, brilliancy and color permanence, High Standard is economical to use. High Standard will require fewer gallons and give more years of wear, because it covers solidly more square feet of surface. Thus you use less paint per job and per year.

\* Every High Standard Color is selected as a result of nation-wide research which determines the colors most desired and used today in exterior decoration.

Attorney: Davis & Perlongo  
Professional Center  
Plymouth, Mich.

**STATE OF MICHIGAN, COUNTY OF WAYNE**  
No. 354,981  
At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Fourteenth day of May, in the year one thousand nine hundred and forty-eight.

Present James H. Sexton, Judge of Probate.  
In the Matter of the Estate of ROBERT T. WILLOUGHBY, Deceased.  
Robert T. Wiloughby, Administrator of said estate, having rendered to said Court his first and final account in said matter and filed therewith his petition praying that the residue of said estate be assigned to the person or persons entitled thereto.

It is ordered, That the Fifteenth day of June, next, at ten o'clock P.M., in the forenoon at said Court Room, be appointed for examining and allowing said account and hearing said petition. And it is further ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

JAMES H. SEXTON  
Judge of Probate  
(A true copy)  
JOSEPH F. O'SULLIVAN  
Deputy Probate Registrar  
June 28, June 4, 11, 1948

### TO THE HIGHWAY COMMISSIONER OF THE TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN

Sir: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on May 20, 1948, decide and determine that certain street described in the minutes of said Board, heretofore taken over as a county road, should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination. The portion of said road, under said meeting fully describing said street are attached hereto and made a part of the notice, which said notice is given by virtue of Act 283 of the Public Acts of 1909 as amended.

### ROAD JURISDICTION DETERMINATION

Commissioner O'Brien moved the adoption of the following resolution: WHEREAS, this Board has received a petition from eleven (11) freeholders of the Township of Plymouth for the abandonment and discontinuance of all of MACUMBER ROAD, 66 feet wide, being part of the N. 1/2 of Sec. 29, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, the center line of said road being coincident with the north and south 1/2 line of said Sec. 29, and extending south 0.12 mile more or less from the north 1/2 corner of said Sec. 29 to the northerly right-of-way line of North Territorial Road, 120 feet wide, as proposed, said road being under the jurisdiction of this Board; and WHEREAS, pursuant to said petition and in accordance with the provisions of Section 18 of Chapter 4 for Act No. 283 of the Public Acts of the State of Michigan for the year 1909, and amendments thereto, this Board did, by resolution dated March 19, 1948, resolve that a hearing be held on said petition on April 29, 1948, at 11:10 a.m., eastern standard time, at 3800 Barlum Tower, Detroit, Michigan, to determine the necessity or advisability of abandoning and discontinuing said road; and WHEREAS, pursuant to the above mentioned statute, this Board has served a notice of said hearing upon all of the owners and occupants of lands intersected by or adjoining said road and published a copy of said notice in the Detroit Legal News, a newspaper published within the County of Wayne on April 2, 1948; and

WHEREAS, the said hearing was held at the time and place appointed by said resolution and this Board did then proceed to view the premises in accordance with the said statute; and WHEREAS, it appearing from said hearing and view of the premises that the public will have no further use for the road in said township so petitioned to be abandoned and discontinued, but it is desirable to maintain therein a public utility easement for the use and benefit of the public.

NOW THEREFORE BE IT RESOLVED, That all of MACUMBER ROAD, 66 feet wide, being part of the N. 1/2 of Sec. 29, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, the center line of said road being coincident with the north and south 1/2 line of said Sec. 29, and extending south 0.12 mile more or less from the north 1/2 corner of said Sec. 29 to the northerly right-of-way line of North Territorial Road, 120 feet wide, as proposed, be and the same is hereby abandoned and discontinued as a public highway upon the express condition that there be and hereby is reserved an easement in said Macumber Road, 66 feet wide, for the installation and maintenance of sewer, water, gas, electric, telephone and other public utilities for the use and benefit of the public, and all persons, firms, or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities.

BE IT FURTHER RESOLVED, that this Board believes it to be in the best interests of the public that said road so abandoned and discontinued should be absolutely abandoned and discontinued as a public highway, reserving therein the easement as herein set forth.  
The motion was supported by Commissioner Brown, and carried by the following vote:  
Ayes, Commissioners Wilson, O'Brien and Brown;  
Nays, None.  
June 11-18-25, 1948

## Plymouth Sporting Events

### Rocks Sophomore Hurler Shuts Out Northville Mustangs With Four Hits

Dave Reitzel, prospective sophomore pitcher, shut out the Northville Mustangs Friday, June 4, allowing but four hits and giving Plymouth their sixth victory of the season at Northville's home diamond with a score of 2-0.  
Jay Daggett accounted for all of the Plymouth runs, clouting a home run with Phil Barnes on base. Reitzel not only hurled a brilliant performance but hit safely his two times at bat, including a two bagger.  
This game concluded the baseball season for the Rocks and gave them an all around record of 6 wins and 3 losses. In non-league competition, Plymouth had four wins against no defeats.

### Three Straight Won by Utilities

The Utilities Line Construction company baseball team is currently reported as the hottest team in the White division of Inter-County league.  
In their last three games, the players have battered opposing pitchers for a total of 41 runs and 47 hits. "Curveball" Kelley, in his last start against Wolverine post, had the batters swinging at the air as he limited the Wolverines to a single hit.  
Kelley will be on the mound Sunday when Utilities go after their fourth straight win against Rogers at Daisy field. The game will start at 3 p.m.

Just causes usually triumph in spite of propaganda issued to support them.  
Plymouth Mail Want Ads will get you fast results.

### Wanted

Reporter wanted to cover and write local sporting events for The Plymouth Mail. This is to be considered a part time job and applicants will be interviewed at The Plymouth Mail office.

### Golfers Defeat VanDyke Squad

Plymouth High school's golf team defeated the squad from Van Dyke High school on Monday, June 7. The match was staged at Maple Lane Golf course.  
The scores were as follows: Bill Benjamin, 80; Larry Bentley, 81; Elt McAllister, 84; Dick Daane, 85.  
The final game of the season was held Wednesday, June 9, at the Plymouth Country club. At that time they also met the Van Dyke team. Results of the match will be announced later.

### Bank Ball Team Downs Red Birds

The first National Bank ball team beat Rippy's Red Birds Sunday, June 6, at Riverside park by the score of 11-4.  
George Molnar was the hurler for the entire game and Duncan Bone was behind the plate.  
Jack Dobbs and Duncan Bone were the leading hitters of the day, each getting three hits at 5 times at bat. The highlight of the game was a three base hit by Warren Bassett, the manager, with 2 men on in the fifth inning. Jack Dobbs hit a home run with no one on base for the longest hit of the day.

The bank team displayed a very good brand of defensive baseball on two good plays at home plate, cutting off two runs. Next Sunday the bank team will play the Romulus Fighter Group from Wayne County airport at the Riverside diamond at 3 p.m. This should be good to watch as both teams have displayed powerful hitting attacks in previous games.

### Piano Recital to be Next Friday

Piano pupils of Miss Hanna Strasen will be presented in a recital on Friday afternoon, June 18, at 7:30 p.m. in the Penniman Allen theater.

The following names will appear on the afternoon program: Donald Alstro, Margaret Amrhein, Janet Denhoff, Brenda Jane Covell, Kay Dobbs, Joan Ebersole, Joanne Erb, Madelyn Fedell, Donald Fleming, Patricia Krump, Barbara Goodale, Patty Gronowick, Hugh Kelly, Janet Lanerand, Peter Lee-mon, Ann Morrow, Anna Jean Munster, Joyce Nagy, Carol Paton, Ruth Paton, Shirley Place, Shirley Preston, Carol Rakowski, Clifton Raum, Ann Sambrone, Marilyn Sheere, Betty Simmons, Mary Simmons, Wesley Smith, and Albert Williams.

Miss Strasen announces that the recital is open to the public and she invites anyone interested to attend.

Canned vegetables soon will arrive in fancy dress fit for any party. For packers have thumbed through the cook-books, tried dozens of recipes, then canned the foods, precooked. Among them: asparagus with egg sauce, creole corn, peas and mushrooms, Harvard beets, and two salads—tomato aspic and vegetables with mayonnaise. Ready now for preview showings but not yet for you.

## Public Hearing City of Plymouth

Notice is hereby given that a public hearing will be held in the Commission Chamber of the City Hall on Wednesday, June 23, 1948, at 7:30 p.m., for the purpose of considering the re-zoning of the following from its present classification to "Local Business District":

The south 182 feet of G-6 in the northeast 1/4 of Section 34, Wayne County.

The south 182 feet of G-2 in the northeast 1/4 of Section 34, Wayne County, except that portion at the northeast corner of Sheldon Road and Ann Arbor Road which is now zoned as Local Business District.

The two above described parcels of land are situated on the north side of Ann Arbor Road between S. Harvey Street and Sheldon Road in the City of Plymouth.

All property owners whose property abuts the proposed change, and other interested parties, will be given ample opportunity to participate in such hearing.

H. R. CHEEK  
City Manager

11-18

## LOCAL News

Mr. and Mrs. Frank Dicks and Rose Floyd attended the funeral of Mrs. Dicks' cousin, A. J. Schultz in Ypsilanti last Friday.

Care should be taken when spraying with 2, 4-D. Even a small trace of it drifting over to valuable plants can cause serious damage to them.

In giving, a man receives more than he gives, and the more is in proportion to the worth of the thing given. — George MacDonald

## Use of Fireworks Governed by Law

Recent accidents with fire crackers and other explosive missiles has called attention to an existing law governing the use of such.

A report from the police department reveals that anyone selling, using, exploding, or causing any blank cartridge, fire-cracker, torpedoes or other fire works to explode is guilty of a misdemeanor. Persons found guilty can be punished by a fine not to exceed \$100, imprisonment exceeding 90 days, or both.

The cause for concern was brought on by one boy severely injuring his hand while playing with fireworks, and other reports of them being thrown towards people, and near gas stations, where fire could easily result.

## Library Features Vacation Plans

Browsing through new travel and vacation materials in the Plymouth branch library is like taking a quick trip from coast to coast and border to border. Featuring planned vacations, Mrs. Ada Murray, branch librarian, has collected travel information from every state in the United States and some from Canada.

Maps giving highway routes and points of scenic and historic interest may be inspected at the library together with pamphlets which tell about recreational facilities and describe places to visit and things to see. Also included are descriptions of the national and state parks.

Among the more specialized booklets may be found information on canoe trails in Michigan and Ontario, fishing streams, camping, camp cookery, and summer games and sports.

Primarily of value to those planning a trip, many of the handsome brochures with color illustrations also will be of interest to persons who once traveled or lived in the locality.

Vacation planning will be featured at the library during June, according to Mrs. Murray.

## Herma Taylor Attends Meetings in Chicago

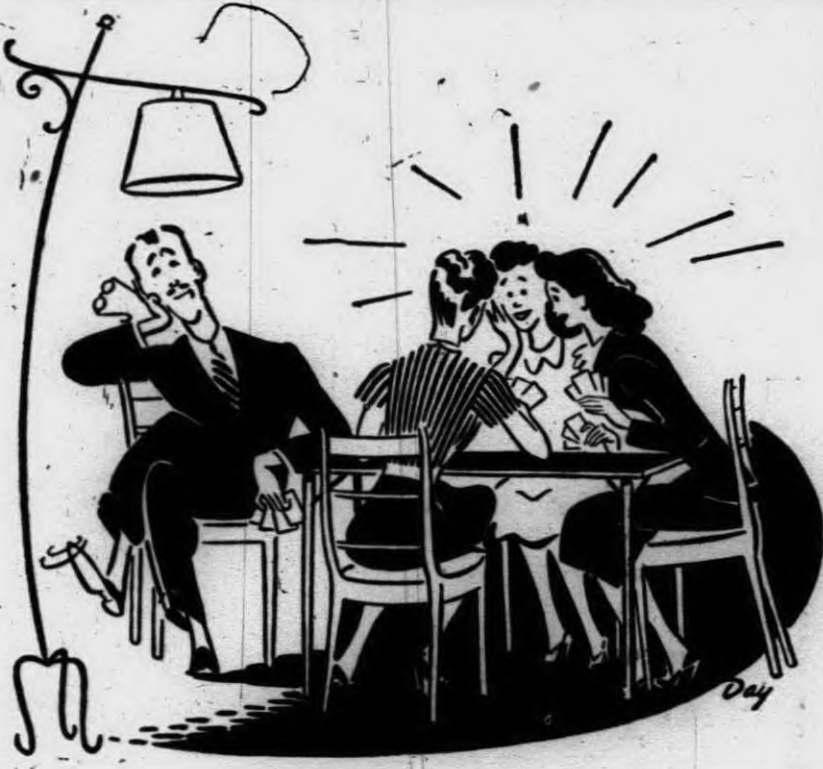

Mrs. Herma Taylor, field worker and secretary of the Wayne Out-County chapter of the Michigan Society of Crippled Children and Adults, attended meetings in Chicago last week, June 1-5, relative to her post with the organization.

The first was the meeting on May 31 of the American Association of Crippled Children executive secretaries, held in the La-Salle hotel. The next day, on June 1, summer institute meetings of the national society began and were also attended by Mrs. Taylor, as was a meeting of the American Nurses Association.

A recent analysis of U. S. Navy personnel figures shows that over 46 percent of the present Regular Navy officers are former enlisted men.

## First in quality and LOWEST-PRICED LINE in its field!

Today, when real value means most to every American family, Chevrolet continues to offer the lowest-priced line of passenger cars in its field as well as the only line of cars giving BIG-CAR QUALITY AT LOWEST COST! Yes, Chevrolet gives more value, any way you look at it, any way you

figure it. That's why more people buy Chevrolets —and more people drive Chevrolets—than any other make of car. That's why we believe you, too, will agree that CHEVROLET AND ONLY CHEVROLET IS FIRST in dollar value as it's first in registrations.

### SPECIAL EXTRA-LOW PRESSURE TIRES

on Wide-Rim 15 inch Wheels\* (24-lb. pressure only—all around)

Chevrolet offers you the fire of tires for easy, restful riding. Remarkable new extra-low pressure tires that give a much safer, more comfortable ride; absorb road shocks instead of transmitting them to you and your car. \*Optional at small extra cost.

## CHEVROLET

-and ONLY IS FIRST!

Serve Stuffed Cauliflower for Dinner  
(See recipe below)

### Meat-Shy Meals

IF YOU CAN'T GET the meat variety you want for meals, or if you just want to serve something different, glance over the main dish ideas I've planned for you today.

These are all protein-rich foods and will do nicely for a main course either for a luncheon or simple supper. All recipes have flavor-value plus, and many of them will teach you new cookery tricks with foods that are real treats when properly prepared.

If you are serving heavy eaters with these dishes, plan a calorific dessert that will completely satisfy the appetite. These dishes go well with rich, tasty pies, cakes and whipped cream desserts.

THIS CAULIFLOWER DISH makes a complete meal and turns out pretty on a platter when served with broiled tomato halves and choice mushroom caps, also broiled.

### Stuffed Cauliflower

- 1 large head cauliflower
- 5 tablespoons butter or substitute
- 3 tablespoons flour
- 1 1/2 cups hot milk
- 1 tablespoon prepared mustard
- 1/2 cup shredded American cheese
- Salt, pepper
- 2/3 cup chopped mushrooms
- 1/2 cup soft bread crumbs
- Broiled mushroom caps
- Broiled tomato halves

Cook the cauliflower in boiling, salted water until tender. Melt three tablespoons butter in top of double boiler, blend in flour, then milk, gradually, stirring constantly. When thickened, add mustard, cheese, salt and pepper to taste. Sauté the chopped mushrooms in two tablespoons butter. Add the crumbs and two tablespoons of the cheese sauce. Place the cooked cauliflower on a round platter, spread the flowerets apart and fill with stuffing. Pour remaining sauce on top of cauliflower and garnish the plate with the broiled tomatoes and mushrooms.

### Tamale Loaf

- 1 large onion, chopped
- 1 clove garlic, minced
- 2 tablespoons salad oil
- 1 quart canned tomatoes
- 1 1/2 cups corn kernels
- 1 tablespoon butter
- 1 tablespoon chili powder
- 1 tablespoon salt
- 2 cups milk
- 1 1/2 cups yellow cornmeal
- 3 eggs
- 1 cup ripe olives, seeded and chopped.

Brown onions and garlic in oil. Place in large, heavy pot with tomatoes, corn, chili powder, butter and salt. Mix milk and cornmeal and add. Cook until very thick, about 20 minutes, but stir occasionally being careful not to scorch. Then beat in whole eggs, one at a time. Turn half the mixture into a loaf pan or baking dish. Top evenly with chopped olives and cover with remaining cornmeal mixture. Cover and bake in a moderate (350 degree) oven for 45 minutes. Cool slightly in pan. Cut into thick slices and serve with a well-flavored tomato sauce.

The tamale loaf will make a complete meal when served with a tossed green or tossed citrus salad with Roquefort cheese dressing.

The left is never right. That's not a political slogan, it's a warning by safety experts that careless driving is dangerous. Last year 2,600 persons were killed in traffic accidents as a result of driving on the wrong side of the road. Over 260,000 were injured, many of them permanently disfigured.

### LYNN CHAMBERS' MENU

- Chilled Tomato Juice
- \*Baked Crab Salad
- Molded Pineapple-Carrot Salad
- Bran Muffins
- Honey Chocolate Cream Pie
- Beverage
- \*Recipe Given

Add 1/4 cup of the crumbled cheese to each 3/4 cup of well seasoned French dressing.

HERE IS A PERFECTLY DELICIOUS way to prepare that delicacy, egg plant. The tomatoes and cheese add a rich, meaty flavor making this suitable for a main dish.

### Egg Plant Parmesan

- (Serves 6)
- 1 medium-sized egg plant
- Cracker crumbs
- 1 egg, beaten, diluted with 2 tablespoons water
- 1 pound ground beef
- 1 onion, chopped
- 1 1/2 cups tomatoes
- 1 teaspoon sugar
- 1 cup grated Parmesan cheese

Slice the egg plant into quarter-inch pieces. Peel. Dip in crumbs, diluted egg and in crumbs again. Fry on both sides in a little fat until browned. Season ground meat with salt and pepper. Form into small balls and fry. Cook onions in fat until browned. Add well-drained tomatoes and sugar. Season to taste with salt and pepper.

Place a layer of egg plant into a buttered casserole, then the meat balls. Sprinkle with half the cheese, and pour over half of the tomato mixture. Cover with remaining egg plant, cheese and tomato mixture. Bake in a moderate (350 degree) oven for one hour.

### Spinach Luncheon Dish

- (Serves 2)
- 2 strips bacon, chopped
- 1 cup cooked, drained spinach, chopped
- 2 eggs, slightly beaten
- 1/2 teaspoon salt
- 1 tablespoon grated American cheese.

Cook bacon until crisp, drain off fat. Arrange spinach evenly in skillet over the bacon. Add salt to eggs and pour over spinach. Sprinkle with grated cheese, cover and cook slowly over low heat for five to seven minutes. Serve at once.

### \*Baked Crab Salad

- (Serves 6)
- 1 large green pepper, chopped
- 1 small onion, chopped
- 1 cup finely cut celery
- 1 can crabmeat, shredded
- 1 can shrimp, cleaned
- 1 cup mayonnaise
- 1/2 teaspoon salt
- 1/8 teaspoon pepper
- 1 teaspoon Worcestershire sauce
- 1 cup bread crumbs, mixed with 2 tablespoons butter

Combine green pepper, onion and celery. Remove all tendons from crabmeat and shred or flake. Remove black line from shrimp and cut in small pieces. Mix fish with vegetables. Add mayonnaise and season with salt, pepper and Worcestershire sauce. Place in buttered ramekins or in greased baking dish. Cover top with buttered crumbs. Bake in a moderate (350 degree) oven until top is nicely browned, about 30 minutes.

Released by WNU Features

Drive right, warns the Accident Prevention Department, Association of Casualty and Surety Companies, and you won't be left for the undertaker.

Treat yourself to a good time and take your wife along—occasionally.

### Kathryn Renner Becomes Bride at Saturday Service

Kathryn Renner became the bride of Melbourne Clement of Ann Arbor on Saturday, June 5 at a candlelight ceremony at the Federated church in Salem. The service took place before an altar decorated with iris baskets, roses and spirea. The Reverend Cora M. Pennell officiated.

The bride chose a dress of old rose with white hat and accessories with a corsage of white roses. Mrs. William Fox, matron of honor was dressed in gray with a pink hat and accessories. Her corsage was of pink roses.

Assisting the bridegroom, as best man was William Fox. William Renner and Alex Sokolowich seated the guests.

Following the ceremony, a reception was held at the Grange Hall for about 150 guests from Chicago, Illinois; Hammond, Indiana; Traverse City, Detroit, Salem, Northville and Ann Arbor. A color scheme of pink and white was carried out in the hall and at the bride's table which was decorated with a wedding cake and baskets of iris.

The young couple will make their home in Ann Arbor.

### Engagement Revealed

Miss Beatrice Lillian Hartmann

Mr. and Mrs. William C. Hartmann of 383 Blunk avenue announce the engagement of their daughter, Beatrice Lillian, to M. Graham Laible, son of Mr. and Mrs. Milton R. Laible, 107 South Main street.

The bride-elect is a graduate of Plymouth High school and now attends the University of Michigan. Mr. Laible graduated from Cranbrook school, and now attends Hillsdale college. No date has been set for the wedding.

### Myrn Smith to Attend Convention Next Week

Myrn Smith, one of the directors of the Michigan Association of Small Loan Companies, will attend the organization's convention in Traverse City on June 17 and 18.

One of the outstanding speakers scheduled for the convention program is Donald L. Barnes, president of the American Investment company, and former owner of the Saint Louis Browns. Others include Charles Gerhardt, president of the national association, and Linn Twinem, noted sales analyst.

### Plymouth Girl Is Recent Bride

Mr. and Mrs. Loren Zimmerman announce the marriage of their daughter Eloyce to Staff Sgt. Ben Peoples, June 2, at Yuma, Arizona. Mrs. Peoples is a graduate of Plymouth high school and at present a nurse at the White Memorial hospital, Yuma. Sgt. Peoples is attached to the U. S. Marine Corps.

### Lois Vetal Announces Engagement on Parents' Wedding Anniversary

Mr. and Mrs. Harvey G. Vetal announce the engagement of their daughter Lois Jean, to Donald C. Eby, son of Mr. and Mrs. Ezra Eby of Napoleon. The engagement was announced on her parents' 25th wedding anniversary.

The couple are students at Michigan State Normal college. Lois has accepted a teaching position at the High school in Flat Rock and Donald will continue his studies at Michigan State Normal college next fall.

No date has been set for the wedding.

### Ad-Libbing.....

with "Liz"

by Elizabeth Corry

Science is really wonderful. For instance, now buying a water softener to be able to enjoy the benefits of soft water is a thing of the past. It's just as outmoded as buying a cow to get milk, buying a generating plant to get electricity, or buying a gas plant to have gas. As the jingle says, "Soft water the modern way is soft water the Culligan way". It's furnished here by Bill Clarke, and you can find out more about it by calling him at 707, or by paying him a personal visit at 1376 South Main.

Although money is the practical thing to give as a gift, do you ever have the feeling that it might look as if you didn't care to take the time to pick out something special? If you have the answer to your problem lies in the Plymouth United Savings Bank where you can get special gift checks for almost any occasion, as attractively decorated as the prettiest wrapped gift. Why not stop in and get all the details and then send one to that graduate, bride, or to Dad on Father's Day (which is June 20)?

You might really be sorry if you don't take advantage of the special now being offered at Tait's Cleaners, especially when the cold breezes begin to blow and the thermometer drops way down. Then you're really going to need those nice warm wool blankets which the moths might right now be feasting on. But do you know that at only \$1.95 you can have two blankets cleaned and sealed in bags at Tait's? A dollar more per blanket will moth proof them for five years too. But what ever you do, do it soon. The moths aren't going to wait.

Keeping cutting parts sharp keeps up the work capacity of farm machinery say MSC agricultural engineers.

### Plymouth Girl Becomes Bride In Church Rites

The marriage of Genevieve E. Czajkowski, daughter of Mr. and Mrs. Frank X. Czajkowski of Cowan road and Charles Ray Starnes, son of Mr. and Mrs. R. Starnes of Bogalusa, Louisiana took place Saturday morning, June 5 at St. Michael's church in Rosedale Gardens.

The bride who was given in marriage by her father, wore a gown of white slipper satin. Her fingertip veil of illusion fell from a bonnet trimmed with orange blossoms. She carried a white satin prayer book with an orchid and stephanotis.

Lorraine Gowdich, cousin of the bride, was her maid of honor and the matron of honor was Virginia Mijal, sister of the bride. Bridesmaids were Leona Mijal and Helen Sineveck. They were dressed in pastel ribbon taffeta gowns with matching net picture hats and mitts and carried baskets filled with garden flowers.

Lois Mijal served the bridegroom as best man and Ted Michalak and John Sineveck were ushers.

Mrs. Czajkowski chose a dress of aqua crepe with brown accessories and a corsage of red roses. Mrs. Starnes wore a black and white crepe dress with black accessories and her flowers were also red roses.

The wedding breakfast took place at the Hotel Mayflower. Following the reception the couple left for New Orleans. For traveling, Mrs. Starnes chose a blue silk print with white accessories.

### LOCAL News

The Men's Brotherhood of the Presbyterian church held a picnic last Thursday night.

Mr. and Mrs. Raymond Davis of Detroit were the weekend guests of Mr. and Mrs. J. M. Swegles on Ford road.

Mrs. William Farley of Adams street was the Sunday dinner guest of Mr. and Mrs. Earl Fox of Maple avenue.

Mr. and Mrs. A. Lincoln Lantz of Union street left Tuesday for a two week's motor trip to the Smokies.

Word has been received that Iretta McLeod Gaynier and Marian Gordon arrived in Coronado, California last weekend.

Mr. and Mrs. Earl Reh and son, Michael of West Ann Arbor trail were the weekend guests of their son and daughter-in-law, Mr. and Mrs. Donald Reh of Lansing. While there, they attended the Water Carnival.

Mrs. Earl Demel of North Territorial road entertained Mrs. Edwin Schrader, Mrs. Seth Virgo and Mrs. Walter Hammond at a bridge luncheon at the Meadowbrook country club last Wednesday afternoon.

Cheryl Ann Fisher, daughter of Mr. and Mrs. William Fisher of Forest avenue has returned from the University hospital in Ann Arbor, where she underwent a brain operation and has been confined for the past month.

On Thursday afternoon, Mrs. Olive Tröyer and Mrs. William Blunk attended the funeral of Mrs. Blunk's great grandson in Ann Arbor. They were also the weekend guests of Mrs. Blunk's daughter and son-in-law, Mr. and Mrs. Carl Schearle of Ann Arbor.

## New Ford Features More Room and Greater Visibility

The revolutionary new Ford four-door sedan for 1949 is lower, wider, roomier and provides nearly 25 per cent more visibility.

"A precedent has been established in the low-priced automotive field by combining hand-someness and beauty with durability and comfort in the interiors of the 1949 Ford cars," according to Paul J. Wiedman, local Ford dealer.

Ford has broken away from the neutral tones which have been traditional for mass production automobiles as designers have turned to textured fabrics popular in fashions and interior decorating.

Of the three new fabrics, the most unusual is a soft gray tweed mixture with a blue stripe which gives the 1949 Ford interiors a freshly tailored look. It has been combined with a bolster of blue-gray broadcloth to protect the upper section of both front and rear seats.

The same tailored good looks are obtained with the other fabrics—a smooth green striped broadcloth and two new adaptations of mohair in a green and maroon stripe and green and

gray stripe combination. In proper combination, they complement the new Ford exterior colors such as Sea Mist Green, Birch Gray, Arabian Green and Bayview Blue.

The instrument panel of the new Ford has been simplified. All instruments are combined in a single cluster directly in line with the driver's view. Projecting slightly for better visibility, the large figures on a telescoped dial indicate speed, fuel level, rate of battery charge and oil pressure.

The clock dial has been centered on the panel and placed higher. Night glare is eliminated on all instruments by "black lighting."

Chrome trim throughout the car has been reduced. On the panel it is expressed in a neat arrangement of uniform knobs which control choke, windshield wiper, lights, heater and defroster.

On each door, the chrome strip makes a decorative arc over the heavy artificial leather kick pad at the bottom. Flame-shaped center pillar lights provide plenty of illumination for the interior and for stepping into and out of the car.

Interior door handles pull up

instead of down to open the door. This eliminates the possibility of the car doors swinging open if the handle should be pressed down accidentally.

The new Ford's functionalism has been extended to the roomy seats—57 inches wide in front and 60 inches in the rear, plenty of room for six persons.

New windows demonstrate the new trend. The rear window alone is 88 per cent larger—as large as the ordinary windshield. The windshield is deeper and wider. They give a picture window effect to the entire car and greatly improve all around visibility.

## Humane Rescue League to Meet

Persons interested in the care of lost, strayed, and unwanted animals are invited to attend the Tuesday, June 15, meeting of the Humane Rescue League by Mrs. Helen Sherrill, founder.

The meeting will be held at 8 p.m. in the Beech school, between Schoolcraft and Plymouth roads.

Mrs. Sherrill explains that the league is a non-profit, sharing organization, incorporated under the laws of the state of Michigan.

She states that lost, strayed and unwanted animals are a serious problem in every locality. The purpose of the league is to prevent cruelty, alleviate suffering, and provide a haven for lost, injured, or abandoned animals, and to promote humane education.

There is no such organization in this immediate vicinity but there is a definite need, the founder points out. The league was organized last November. At the present time a membership drive is underway to obtain funds necessary for the financing of buildings, badly needed to house the animals.

Mrs. Sherrill can be contacted by phone at Redford 0447 or at her home, 26211 Lynden road.

Lawn mowers should be set to cut at a height of not less than two inches for bluegrass and fescue lawns. This is especially important under shade trees where roots compete for water.

# NOTICE - of - Election and Annual Meeting

Election in Plymouth School District of Plymouth, Wayne County, Michigan, will be held at the high school building Monday, June 14, 1948. Polls open at 10:00 o'clock A.M., and close at 8:00 o'clock P.M.

The qualified voters will elect at said election two Trustees for a term of three years.

Candidates who have filed nominating petitions and whose names will appear on the ballot at said election are:

- Harry Fischer
- Marion Bennett Morrow
- Alice V. Strong
- Robert O. Wesley

The following proposal will also be voted on at said election by qualified voters:

"Shall the Board of Education of Plymouth Township School District of the County of Wayne, State of Michigan, annex Hanford School District No. 2, located in Canton Township, Wayne County, Michigan?"

## Annual Meeting

The Annual Meeting of the qualified electors of Plymouth Township School District, Wayne County, Michigan, will be held in the high school auditorium, Monday, June 14, 1948 at 8:00 o'clock P.M.

Reports of the Board of Education and other business which may legally come before such meeting will be transacted.

Signed  
 ALICE STRONG, Secretary  
 Board of Education

### FINAL EXAMS NEAR; SCHEDULE IS MADE UP

Final exams are coming up next week and here is the schedule for those who are interested.

Monday, June 14: 8:30—11:30 regular classes; 12:45—1:30-fourth hour exam.

Tuesday, June 15: 8:30—10:30-first hour exam; 10:15—12:00-second hour exam; 1:00—2:00-fifth hour exam.

Wednesday, June 16: 8:30—10:15-third hour exam; 10:15—12:00-sixth hour exam.

School will not be in session on Thursday, June 17, but students will return to home rooms Friday, June 18, in the morning for their credit slips.

**CLUBS ELECT OFFICERS  
IN RECENT ELECTION**

New officers for the Plymouth Varsity club are: Larry Bentley, president; Russell Hasselbach, vice president; Jerry Harder, secretary; George Trinka, treasurer; Jim Wagenschutz, sergeant at arms, and Louis Vargha, Jack Pinkerton, and Larry Finney council members. The elections took place June 3 but the officers will not take over until next year.

The Edna M. Allen chapter of the Quill and Scroll Society elected Bruce MacGregor, president; Ronald Hees, vice president; and Ted Thrasher secretary treasurer.

### FIRST PLACE TIE BROKEN IN PLAYOFFS ON MONDAY

"Girls in all gym classes are playing badminton, tennis and shuffleboard these warm days," reports Miss Virginia Olmstead.

Mary T. Watters and Patty Zink are tied for first place in baseball. Final playoffs were Monday June 7, to determine the championship of the years baseball tournament.

### HONOR ASSEMBLY WAS GIVEN IN AUDITORIUM

An honor assembly was held Tuesday, June 8, in the high school auditorium, fourth hour. Presentations were as follows:

James Lature, speech; Paul Wagner, band awards; Miss McDonald, Quill and Scroll; Miss Olmstead, Mr. Bender, Mr. Klingeburger and Mr. Moiso, athletic awards; citation for student government by Miss Walldorf; presentation from mayor of Northville high school.

### SENIORS TO INSPECT U.S. NAVAL AIR STATION

On Friday afternoon, June 11, from 1 p.m. to 5 p.m. an opportunity will be given to high school senior boys, in southern Michigan to inspect the activities of Naval Aviation under actual operating conditions, at the U. S. Naval Air Station in Grosse Ile.

The seniors will see mechanics working on planes, radiomen in the shops, riggers packing parachutes, and ordinance men loading guns. Guides will accompany the students showing them Navy combat planes, Radar ships, action movies, and the largest indoor swimming pool in Michigan. A demonstration of flight tactics by Naval Reserve pilots will also be given.

These various demonstrations are available so as to give the seniors an idea of what they would do if the proposed Universal Military Training and Selective Service legislation is passed by Congress.

### BAND SPONSORS LAST DANCE OF SCHOOL YEAR

"Sherwood Forest" the last dance of the school year will be held this evening in the high school gymnasium from 8 to 11 p. m. Admission is thirty cents.

Music will be furnished by Tommy Michaels and his orchestra, who play at Wayne Rec.

Chairmen of the committees are: Bob Johnson and Louis Vargha, decorations; Mary Therese Watters and Beverly Balsley, publicity; Jeanine Stillwagon, chaperones; Marjean Penhale, tickets; Doris Waldecker, refreshments; and Allyn Williams, floor.

### "PEGGY" PLUMMER SPEAKS AT LAST Y-TEEN MEETING

Margaret ("Peggy") Plummer, a former Y-Teen member, spoke to the Y-Teens Thursday, June 10, about her recent trip to England.

Traveling with her father, Peggy went over on the Queen Mary, the trip taking five days. Arriving in England, she spent six weeks with her grandparents and visiting London, St. Ives, and "many of the places we studied in English." The return trip, made in the same time, she took the Queen Elizabeth.

### NEW GIRLS TO WORK IN BOOK STORE NEXT YEAR

With the beginning of a new semester next September, new faces will be seen at the book-store.

Therese Francis, assisted by Nancy Walton, will take over Betty Hitters place behind the counter. Betty, who is graduating this term, has done an efficient job in the book-store for the last year. During the last three weeks she has taken on Therese and Nancy as "apprentices" and they have been learning the ropes so they can take over next year when Betty is gone.

### RONALD COREY TAKES HONORS IN TWO CONTESTS

Ronald Corey of the ninth grade who received first prize in an essay contest sponsored by the American Legion auxiliary in February on "Our Great American Heritage-Liberty", was just awarded a silver medal for second place in the district contest last week. His essay is eligible to be entered in the state contest.

### Suggested Precautions Insure Safety of Child When Left With Sitter

Is your child safe with a baby-sitter?

Parents who plan an evening away from home frequently fail to take simple precautions which would avoid disaster in unforeseen accidents and fires, warns the Accident Prevention Department, Association of Casualty and Surety companies, nation-wide public service safety organization. Too often the sitter is left holding the bag instead of the baby.

A few simple rules, suggested by the Association, would help insure the safety of your child. Make certain the sitter has the following information:

1. Telephone number where you can be reached, or . . .
2. Name and location of near neighbor who will be home.
3. Fire and police department telephone numbers.
4. Your doctor's telephone number, should that be necessary.
5. That the outside doors should be fastened as you leave.
6. That the door should not be opened to unknown callers.
7. Full instructions on feeding, change of diapers, etc.

The dairy cow holds an important place in a well-balanced farm program. She supplies a large percentage of the food consumed by American families and her influence on their health is probably greater than any other animal.

## News In The World of Religion

By W. W. Reid

Back in 1785, Colonel "Light-horse" Harry Lee presented to George Washington some 12 European horse chestnut saplings which the President planted on his Mount Vernon estate. One tree still lives. From this "friend-ship tree" a number of seeds have been sent to all parts of the United States and to the freedom-loving countries of the world. Several of the seeds are now the beginning of chestnut grove on the campus of mission-supported Hua Chung University, in Wu-chang, China.

The World-famed Allahabad Agricultural Institute, founded at Allahabad, India, by Dr. Sam Higginbottom, Welch American Presbyterian pioneer in agricultural missions, is to have its third principal. He is Dr. Arthur T. Mosher, an agricultural engineer who has been in missionary service since 1933. He succeeds the late Dr. John L. Goheen. The founder, Dr. Higginbottom, is living in Babson Park, Florida.

According to reports from Palestine reaching the Foreign Missions conference of North America, there has been considerable damage to mission work and mission institutions, some of them a century old, carried on from America and Europe in the Holy Land, as a result of Jewish-Arab conflict. For many years the YMCA's, the YWCA's, and the Christian schools were places where all three faiths met on a common ground. But it has been necessary to close most of these institutions, and the groups are not mingling in understanding as heretofore. Dr. Wynn C. Fairfield, executive of the Foreign Missions conference, urges the churches in America to continue their support and understanding of the Christian churches and to pray for the end of conflict.

The American Board of Foreign Missions, Boston, Mass.—overseas service arm of the Congregational Christian churches—has commis-

sioned 18 young missionaries recently for Christian work abroad. They come from 11 different states, while four were born overseas. In the group are: V. Marie Bushong, R. N., of Longmeadow, Mass., going to East Africa as a nurse; Ruby Mae Peters, of Chula Vista, Cal., to Aleppo, Syria, as a teacher; George Helling, Rosemount, Minn., Tarsus, Turkey, teacher; Robert Ramaker, South Glastonbury, Conn., Talas, Turkey, teacher; Edward B. Savage, Prescott, Wis., Tarsus, Turkey, teacher; Mr. and Mrs. Lloyd B. Swift, Wilmington, Del., North China, educational and rural work; Gwendolyn M. Wolsted, Cedar Falls, Iowa, Scutari, Turkey, teacher; Elizabeth J. Lee, Parma, Missouri, Talas, Turkey, laboratory technician; Barbara Ann Burns, Covina, Cal., Izmir, Turkey, teacher; Kenyon E. Moyer, Ely, Minn., Tarsus, Turkey, teacher; Elizabeth I. George, Wells River, Vermont, Izmir, Turkey, teacher; Dr. and Mrs. Victor E. Masters, Kent, England, to Mt. Silinda hospital, Mt. Silinda, East Africa; Leonard Reed, Washington, D. C., Satara, India, special secretarial work; Mr. and Mrs. Arthur A. Lambert, Iowa City, Iowa, Kyoto, Japan, teachers; Edgar R. Sather, Alexandria, Minn., Talas, Turkey, teacher.

The United Christian Youth Movement is planning six regional interdenominational youth conferences to be held this summer, for young people between 16 and 25 years of age, "to help develop a philosophy of skills for interdenominational youth work." The conferences will represent 40

John Foster Dulles, special advisor to the Department of State, Bishop G. Bromley Oxnam of the Methodist church, Bishop G. Ashton Oldham of the Protestant

Episcopal church, and Prof. Reinhold Niebuhr of Union Theological Seminary, are the Americans among 24 leading world churchmen who have been appointed to membership in the Commission of the Churches on International Affairs. This commission, to help promote international justice, goodwill and peace, and to strengthen the United Nations as a center for world peace, has been established by the World Council of Churches and the International Missionary Council. One of its earliest tasks will be the preparation and presentation to the Assembly of the World Council of Churches this summer in Holland of a report on "The Church and International Affairs." Dean O. Frederick Nolde, American Lutheran churchman, is director of the Commission's work.

The United Christian Youth Movement is planning six regional interdenominational youth conferences to be held this summer, for young people between 16 and 25 years of age, "to help develop a philosophy of skills for interdenominational youth work." The conferences will represent 40

## Storm Can Affect Frozen Foods

Lightning and thunder will often spell trouble in the frozen foods department in the next few months. Electrical storms which result in no electric power for a few hours or days can cause us lots of worry about the food in our frozen foods lockers.

Keep the cabinet closed is the first warning of Pauline Paul who is a research worker with frozen foods in the school of home economics, Michigan State college. Don't open the cabinet until the repairs have been made and the unit is operating again.

How long your foods will stay frozen and safe when trouble occurs depends partly on the amount of food in the locker. If the cabinet is loaded, the food will stay frozen from 24 to 48 hours — even when outside temperatures are high. If the cabinet is less than half full, foods may not stay frozen for more than a day.

Unless repairs can be made promptly—within 12 to 24 hours—place dry ice in each compartment just as soon as possible. The amount you'll need will depend on the size of the cabinet, but 50 pounds should hold the temperature in a 20-foot unit with less than half a load for two or three days. In a loaded cabinet, 50 pounds should be effective for three or four days.

If you can't get dry ice, try to locate a locker plant with temporary available space and move the food there, using insulated boxes. Food that has thawed or partially thawed, should not be refrozen.

The man who does not look up will look down, and the spirit which does not dare to soar is destined to grovel. — Lord Beaconsfield

It doesn't pay to sow valuable seed in a seedbed that isn't correctly prepared, advises the MSC farm, crops department.

## What's the Nimblest Number on the highway?

THAT's a big question, taking in a lot of territory, and we'd be the last to deny you the right to your opinion.

But, sir — before you slip up behind this tidy SUPER with the idea of giving it the go-by, better figure what you're up against!

It's big, certainly — six-persons roomy and two-tons hefty as it takes to the road.

But take a look at the size of that bonnet — it isn't there just for show! It's filled to the brim with straight-eight power — and a very special kind of power at that.

For Buick's the only car on the

road today that puts Fireball power under your treadle foot.

It's the only car in which pistons are specially shaped to roll each tiny fuel charge into a compact ball that lets loose with extra lift and surge.

And that means that this cleaned-fleetster is exactly what it looks like — a star performer.

A nudge on the gas treadle — and

it's gone with the wind.

A swing of the wheel, and this low-slung carriage takes curves with the ease and sureness of straightaways.

As for rough spots, even they won't slow you down, so smoothly does this beauty take all kinds of going in its stride.

You can see, of course, how steady it is. How the body rides

level and unperturbed while four soft coil springs soak up the jars and jolts.

As for handling, well once you've tried it, we know exactly what you'll do.

You'll see the nearest Buick dealer, with or without a car to trade, and get a firm order in right now.

### BUICK alone has all these features

- \* DYNAFLOW DRIVE (Optional)
- \* VIBRA-SHIELDED RIDE
- \* QUADRIFLEX COIL SPRINGING
- \* RIGID TORQUE-TUBE
- \* DUOMATIC SPARK ADVANCE
- \* TAPER-THRU STYLING (Super and Roadmaster)
- \* HI-RISED FIREBALL POWER
- \* FLEX-FIT OIL RINGS
- \* SOUND-SORBER TOP LINING (Super and Roadmaster)
- \* SAFETY-RIDE RIMS
- \* ROAD-RITE BALANCE
- \* BODY BY FISHER

### Going to Take Dog on Vacation? Get a Permit

In order to comply with the provisions of the dog quarantine, no dog can be taken outside of Wayne county without the owner first obtaining a permit issued by the Sheriff or one of his agents.

For the convenience of dog owners who wish to take their pets outside of Wayne county, Sheriff Edward Behrendt has announced that permits may be obtained at the Sheriff's Road Patrol Headquarters, 35809 Michigan avenue, Wayne, at any time, and at the Dearborn Township Hall, 26807 Michigan avenue, and the Record Bureau, which is located in the County Jail, 525 Clinton, Detroit, from 8:30 a.m. to 4:30 p.m. Monday through Friday.

With the vacation season at hand, the Sheriff looks for a sharp increase in the request for permits. Ten were issued Monday alone.

Before a permit can be issued the owner must present a certificate of vaccination against rabies from a licensed veterinarian, showing that the dog has been so protected, within a period of six months. The owner is also required to produce proof that the dog is licensed.

The home of Mrs. Roy Wolfram, 13729 North Middlebelt, Livonia township, was entirely destroyed by fire Thursday evening, May 20. Mrs. Wolfram was visiting a neighbor, when she saw smoke rolling out of the upstairs windows of her home. The Livonia township fire department was immediately called, but the fire had gained such headway that the house was gutted and all of the furniture destroyed. Loss is estimated at \$5000. Sheriff Edward Behrendt's Road Patrol assisted the Fire Department in trying to save the house. The cause of the fire was believed to have been due to an over-heated stove.

Sneak thieves are still reported raiding cars parked on the highways whenever they can do so without fear of witnesses. Last week, a number of such complaints were made to Sheriff Edward Behrendt's Road Patrol. The largest haul was made from the car of Clifford Voorheis, 5972 Parent, Nankin township. In this case the thieves stole property to the value of \$120, which consisted of parts for adding machines and tools.

Sheriff Edward Behrendt's detective bureau cleaned up a gang of young men who have been breaking into parked cars and stealing whatever property they could find. The three prisoners apprehended — Theodore Burek, 21, Farafut street; Lawrence Bateman, 21, 32209 Ontonagon, and Raymond Blackwell, 23, of 31479 Alcona street — all in Nankin township, were found guilty before Judge John L. Mokersky when they pleaded guilty to the charge of simple larceny. The original charge of breaking into parked cars was modified at the request of the Prosecutor's office, and sentence was deferred pending further investigation. The young men were released to their attorney.

Bicycle owners in the out-county area would do well to register their bicycles, so that they can be identified in the event of theft. There is no fee attached to the registration and blanks are available, according to Sheriff Edward Behrendt, at every school and at the Road Patrol Headquarters, 35809 Michigan avenue, Wayne. During the past week, the Road Patrol recovered two bicycles that had been stolen and received a complaint of a theft of another.

Thieves entered the appliance store of Ben Laitner, 35409 Ford road, Nankin Township, sometime during the night of May 20. They stole \$117 worth of appliances and \$70 in cash. The report was made to Sheriff Edward Behrendt's Road patrol.

### Railroad Officials Issue Warning

Officials of the Michigan Railroad Police association are making appeals through various organizations throughout the state, asking their support in instructing the state's boys and girls not to play or trespass on railroad property.

Trespassing on railroad property is said to be a misdemeanor under both state and federal laws. Playing on the property has resulted in many injuries and fatalities, in spite of previous appeals.

National figures compiled since 1945 indicate an increase in the number of trespassers warned against trespassing. The increase in 1947 over 1946 was 12 percent. During the year of 1945, a report reveals, 1,537 were killed and 4,164 injured. The following year the fatal list reached 1,542, and the injured numbered 1,161. Last year 1,416 were killed and 1,184 injured.

These figures cover the reporting of 75 railroads, and it is reported significant that the total of fatalities and injuries during the three year period were about the same. Trespass fatalities from all causes and the greatest number occurred during the summer months.

### Traveller Says Philadelphia Is Worth Visiting

Probably no city in these United States appeals more to the teacher or the student than glorious old Philadelphia — "City of Brotherly Love" — where the very earliest of American history was put into motion, and where, over many years, the infant country was nursed into strength by its founders. The Liberty Bell is there, of course, and Independence Hall, certainly one of the most hallowed buildings in the country.

Throughout the early summer Philadelphia is the mecca for thousands of educators, as well as the myriad others who thrill to early history, and one could find no more delightful objective for a summer vacation. The city, of course, is the hub about which one finds many other hallowed spots, notably Valley Forge and Gettysburg, and a Philadelphia visit would include these areas.

Philadelphia itself was founded in 1681 by Captain William Markam and a small band of colonists sent out by William Penn. Penn himself followed the next year and it was he who laid out the streets and named the city. By 1685, ninety ships had come to the new settlement, bringing 7,200 people. In the period preceding the Revolution, the city outstripped all others in the colonies in education, arts, science, industry and commerce.

The first Continental Congress met in September, 1774 and the second the following year. Here Washington accepted command of the army and the Declaration of Independence was adopted. The city was taken by the British in 1777 and occupied for many months. During this period, Washington and the Continental army spent the bitter winter of 1777-8 at Valley Forge, now the Valley Forge State Park, about 15 miles west of Philadelphia. After the Revolution, Philadelphia was the seat of the federal government and here the constitution was adopted, and the first mint was established. Today Philadelphia is literally polka-dotted with unforgettable things and places, notably Independence Hall, where you look upon the Liberty Bell and the desk upon which the Declaration of Independence was signed. Immediately joining Independence Hall is Congress Hall, where the first congress of the United States met and Washington was inaugurated for his second term.

### PROTECT YOUR PONTIAC

WITH PONTIAC SERVICE

Care that matches the car!

Most Pontiac owners will use nothing but authorized Pontiac Service — because Pontiac Service is so precisely matched to the fine car they are driving.

Our men who work on your car are skilled mechanics trained by factory experts. To them every part is a familiar part. The equipment they use is all selected especially to service Pontiacs. This assures low cost and accurate work.

And if new parts are required, a large supply of factory-engineered parts is available. Each part fits exactly — just as if it were being used back at the factory.

It's our policy to do only the work you need and order — to do it right and as fast as possible. That saves you time and money and assures you complete satisfaction. Let us serve you regularly.

Washington, D. C., June 11. Anyone who is pessimistic as to the future of sound American stocks, should spend a day at the Patent Office here in Washington and see what is going on. Last month there were about 2500 new patents issued, some of them very revolutionary.

**Foretells Continued Prosperity**  
It is true that many things tend to make one pessimistic today, especially the way labor leaders are acting during these critical periods. With all the rest of the world in ferment, it seems as if our labor leaders would forget their selfish shortsighted ambitions and unite for a stronger and better U. S. Not only are these labor leaders curtailing production here at home, but they encourage our enemies abroad. Remember that our newspapers are read in Moscow. Bankers and investors should also be less selfish and think more of the country's good as a whole. Of these 2500 patents issued last month probably half of them cannot now be used because of lack of capital to manufacture and sell them. As a rule, I am not in favor of Government mixing up with business, but certainly some inventors of good products should in some way be entitled to financial help. Then we must forget the important patents which big companies buy up to smother for fear of competition. This should be prevented.

**Selecting Investments**  
I study patent assignments, that is, patents that have been bought by large companies from the inventors. This list shows what companies are progressive and are spending sufficient sums

on research work; also are watching the Patent Office for new inventions which they can use. I am not advising investors to buy the stock of any "fly-by-night" new outfit, but when selecting investments, it is well to buy stocks of companies which are leaders in research work. Among these I mention merely as illustrations: General Electric & Westinghouse, Union Carbide & Carbon Co., Bendix Aviation, American Cyanamid, Du Pont, Standard of New Jersey, Goodrich and Goodyear.

In scanning over these patents, I noticed that the chemical companies are taking out many new ones; but all classifications are represented. Inventions connected with electronics—like the new kitchen stoves which will cook an entire meal in five minutes—appear to lead. In fact, I believe that the time necessary for every thing from housework to education will greatly be reduced. This will permit more people to enjoy these important features of life. Then there are coming most revolutionary pharmaceutical products which could easily make our grandchildren live to be 100 years of age if they have good habits.

**Opportunity for Churches**  
Last week I was at a church convention where I heard appeals for funds for missionary work. Now I believe in foreign missions of the right kind, such as the great agricultural mission which Sam Higginbottom, recent General Moderator of the Presbyterian Churches in America, founded in India. He realizes that a man's body and soul is one unit and both must be helped together. The medical and educational missions are also doing good work.

If the churches of this country are, however, really serious in helping the poverty-stricken and disease infected millions of foreign countries, they will help such research work as is trying to increase production in these foreign lands. All these poverty-stricken countries have great undeveloped natural resources and a tremendous supply of available labor, but they lack the capital and know-how.

**World Peace**  
I have just been told that 190,000,000 people are suffering from filariasis, which causes swelling of certain tissues; about 20,000,000 are suffering from blindness; and 120,000,000 are suffering from schistosomiasis, which attacks the liver and intestines. Hookworm, which could largely be eliminated with a proper diet, is afflicting 500,000,000 people in the world today. All of the above troubles could be eliminated if the churches would make it their business. I believe in the United Nations and all the work that is being done for world peace, but none of it will amount to much until we offer a fair standard of living for all peoples of the world.

Sudan grass makes good pasture for the hot summer months.

**25 YEARS AGO**  
FROM THE PLYMOUTH MAIL FILES

The home of Charles Mather on North Main street was the scene of a beautiful wedding on Wednesday evening, June 6, when in the presence of 50 relatives and intimate friends, Edna M. Mather, only daughter of Mr. and Mrs. Charles Mather, was united in marriage with Irving Blunk of this village.

A pretty home wedding was solemnized at the home of Mr. and Mrs. Gust Pankow, 424 Main street, Thursday afternoon at 4 p.m., when their daughter, Miss Mary Pankow, was united in marriage to Arlo Hauger of Northville, Rev. Bollens of Farmington, performing the ceremony.

E. O. Hudson will erect a handsome business block on the site now occupied by his warehouse. Fred Rhead has the contract, and the work of moving the warehouse preparatory to commencing the new building has already begun. Fancy brick will be used on the front and modern display windows on both the first and second floors will be used.

Mrs. Winfield Scott returned home last Friday, from California, where she has been spending the past six months.

Born, Thursday, May 21, to Dr. and Mrs. J. L. Olsaver, a daughter, Mary Jane.

Mrs. Harry Daniels of Grand Rapids is visiting her aunt, Mrs. Ella Chaffe, for several days.

Mrs. Charles Munday and children of Phoenix, Arizona, came Wednesday to spend the summer with her parents, Mr. and Mrs. Frank Brown.

A branch of the Wayne county library will open in the Daggett Radio and Electric Shop, Saturday, June 9. All the latest books can be had on request.

Mr. and Mrs. William C. Michaels and family, Mrs. J. E. Robinson, LaFrance Burgett and Miss Mildred Toby motored to Port Huron, Sunday, where they visited friends and relatives.

During the severe electrical storm which swept over this place Tuesday afternoon, a barn on the farm of Frank Reddeman just west of the village was struck by lightning. The bolt struck the end of the building, and set fire to a large quantity of hay which was in the barn. The efforts of neighbors, and the timely arrival of the fire department and others from the village, averted a more serious loss. The end of the barn was quite badly damaged.

The highway commissioner, with a force of men and teams, is improving the Waterford road.

Mr. and Mrs. Roy Lancaster and daughter, June, of Detroit, were weekend guests at the home of Arthur Tillotson.

M. G. Blunk is driving a handsome new Maxwell touring car.

Mrs. C. H. Buzzard is entertaining her mother, Mrs. H. Kennedy of Bay City, this week.

George Robinson reports the sale of eight subdivisions during the past month.

Miss Ruth Slater of Brooklyn, New York, is the guest of her aunts, Mrs. Frank Balden of Northville, and Mrs. Frank Dunn of this place.

The village has completed arrangements with the D. U. R. for using the vacant lot north of the waiting room on Main street for parking purposes.

We understand the Ford interests are going to build a new dam and another plant at Waterford.

Miss Doris Carney and James Turnbull were guests at the home of Mr. and Mrs. Blake Fisher, Monday.

Mrs. Paul Wiedman is entertaining her sister, Mrs. Irving Schuster, and small son, Irving, Jr., of Detroit, for a month.

Mr. and Mrs. Blake Fisher and Dorothy and Mr. and Mrs. O. B. Borck and Ralph spent Sunday afternoon at Silver lake.

While the gasoline tank of an auto was being filled in front of the Hillman and Rathburn garage on Tuesday night, about 11 p.m., a

lantern which set in the car, caused the gasoline the gasoline to ignite, with the result that the blaze left a badly damaged top and cushions.

Miss Dorothy Liverance and Miss Alveta Streng entertained 14 young ladies at a miscellaneous shower on Saturday at the home of the former, in honor of Miss Edna Mather, whose marriage to Irving Blunk occurred Wednesday evening.

He who wishes to exert a useful influence must be careful to insult nothing. Let him be troubled by what seems absurd, but consecrate his energies to the creation of what is good.—Goethe

A hen that isn't laying eggs is only a "boarder" and should be culled from the flock so that she can't waste valuable grain.
