## HELL DO A GOOD JOB.

The selection of David M. Martin, prominent Flint Democrat, as a member of the state liquor commission is good news to Michigan people who know Mr. Martin, and especially the writer. Mr. Martin is a former member of the state legislature, serving during the Frank Murphy administration. We were seat mates in the legislative halls at that time and it is but natural that we became well acquainted with the views and ideas of each other.

With one or two possible exceptions, Mr. Martin proved to be the most alert, progressive and pro-Michigan representative the big city of Flint has had in the legislature in the past twenty or more years.

While a strictly party man, his votes on legislative measures were always cast in the way he believed to be for the best interests of the entire state, irrespective of his political beliefs.

Michigan is fortunate in the type of liquor commission it now has. Mr. Martin's selection by the Governor is an outstanding one. We congratulate Michigan as well as Mr. Martin.

## RING DOWN THE CURTAIN.

G. Mennen Williams of Detroit who thinks he knows something about Michigan's government and problems as the result of serving on the liquor commission for a few months, has made his maiden campaign speech for the Democratic nomination for Governor. If he's the best that the Democrats can trot out, they'd better ring down the curtain now and call it a day. Something besides wise-cracking criticism is needed to get anywhere. We failed to read a single worthwhile timely suggestion in any of the newspaper reports of his first political address.

## THE LANSING SPIRIT.

By more than a three to one vote, the citizens of Lansing recently voted additional taxation upon themselves to provide a building fund of one and one-half million dollars for its public school system. Lansing like all other growing cities of the state, has been in serious need of additional school facilities for a number of years. When the voters were asked to do their part, they did so with an enthusiastic vengeance. It indicates that Lansing thinks highly of its public schools and the efficient way they are conducted.

## Assembly of God Church Building Nears Completion

The congregation members of the Plymouth Assembly of God will soon have a church of their own.

Completion is expected to be reached in approximately a month on the new church building now under construction at East Ann Arbor trail and Riverside drive. The cost is believed to be in the neighborhood of \$10,000.

## New Drug Store Will Open Soon

Cinderblock is being used in the construction of this building, which will measure 30 by 50 feet when completed. The basement has been planned so as to provide for Sunday school facilities. According to the Rev. John Walaskay, pastor of the church, the members of the congregation are donating a considerable amount of the labor.

A distinctive feature of the new church will be a glass block cross in the front gable, to be kept illuminated at night.

The Plymouth Assembly of God was started as a home missionary project by the Berea Tabernacle of Detroit in 1933. It was known as the Berea Chapel until it was organized with the general council of the Assemblies of God.

Services are now being held in the Jewell and Blitch hall on Ann Arbor trail.

Mr. and Mrs. Burton B. Johnson of Knoxville, Tennessee have returned to Plymouth for the summer.

## City Hall Street Light Will Be On for Summer

City commissioners ordered the turning on of the stop light located in front of the city hall for the summer months.

Formerly, the light has been turned off during the summer months while school is not in session.

It previously was turned off when it was felt that the amount of time held up on Church street with the light off, was negligible compared to that on Main street with the light on.

## New Drug Store Will Open Soon

Carl A. Peterson, owner of the drug store to be located in the new Atlas Finance building on Ann Arbor trail, this week expressed the hope that the opening date of the new concern will fall within 30 days.

He described the interior of the new building, as modern in design and decorations. In addition to the pharmacist supplies, the new store will feature a soda fountain and lunch counter.

In sketching his background, Mr. Peterson tells that he was born and raised in Manistique. It was here that he graduated from high school and first went to work in a drug store, in the capacity of an apprentice.

After a year and a half he left for a Detroit drug store where he was also situated as an apprentice. He attended pharmacy school at the same time, becoming a pharmacist.

## Rev. F. G. Poole is New Minister for Methodist Church

The Rev. Dr. Frederick G. Poole, newly appointed to the ministry of the First Methodist church, will occupy the pulpit for the first time Sunday morning, June 27, at 11 a.m.

The new minister was appointed to the office at the closing session of the annual meeting of the Methodist churches of the Detroit Conference, to replace the late Rev. Clifford Doty. The post has been vacated since February, the time of the former minister's death, and since then has been temporarily filled with visiting speakers.

The conference at which the Rev. Poole's appointment was made was held in Detroit June 16 to 20.

A native of Canada, the Rev. Poole was graduated from McMaster university in Toronto. During World War I he served as chaplain with Canadian forces becoming affiliated with the National Council of the Y.M.C.A. upon his return. It was in 1923 that he left for Detroit as associate pastor with Dr. Lynn Harold Hough and minister of education at Central Methodist church.

The Rev. Poole spent the years intervening 1928 and 1948 as director of religious education, and later as executive secretary, of the church.

(Continued on page 6)

## City Will Invest Project Funds

Funds set aside for the city's water work construction will be invested in U. S. Treasury certificates. The move was sanctioned by city commissioners at their Monday evening meeting, June 21.

A total of \$450,000 will be invested in this manner, until it is needed for the payment of construction costs and materials. City officials expect that the amount will yield one percent interest.

## Perlongo Moves To New Quarters

Attorney Nandino Perlongo will move into his new office in the Penniman Allen building on Penniman avenue on July 1, 1948. Mr. Davis will retain the present offices that the firm now occupies in the Professional building on Ann Arbor trail.

The firm decided to expand their offices so that each could better serve their clients in the future. They will practice as private attorneys, each from his office, but will continue to collaborate on professional matters where each of their services is necessary.

## Cass S. Hough Presents Bronze Plaque to Daisy Founders

Pictured above are, left to right, Cass S. Hough, C. H. Bennett and Edward C. Hough. The photo was taken at Meadowbrook Country Club last Monday night when the Daisy Manufacturing Company paid tribute to its oldest employees on the event of the company's 60th birthday. The bronze plaque was presented to Mr. Hough and Mr. Bennett and will be placed on the wall in the Daisy reception room.

## Daisy's Oldest Employee Has Seat of Honor at Banquet Tells Daisy Story

Pictured directly in the center of the above photo are Mr. and Mrs. Arthur Burden. Mr. Burden has been a Daisy employee for 53 years. At the right of the couple are Mr. and Mrs. Rano Papini. Mr. Papini is president of the Independent Daisy Employees Association. Other guests at the table are, from left to right, Edward A. Hauss, Mary Kimble, Edward C. Hough, Cass S. Hough, Charles H. Benne, Mrs. Cass S. Hough, Ernest Good and Pauline Peck.

## Sutherland Voted as School Board Presiding Officer

Highest school board honors were conferred on Donald Sutherland Thursday evening, June 17, when his colleagues elected him to the office of president, during a meeting held following graduation exercises.

Mr. Sutherland, who succeeds Sterling Eaton in office, formerly acted as board vice-president.

The office of vice-president was bestowed on Kenneth Hulsing, and Mrs. John Paul Morrow was elected secretary to succeed Mrs. Sidney Strong. Dr. A. C. Williams was re-elected as treasurer, and board members chose Robert Wesley as trustee.

## Work Begins on Water Project

First work on Plymouth's new water improvement plans started last week when workers began jacking a conduit under the railroad tracks on Sheldon road. City Manager Harold Cheek informed this week.

The conduit will later carry the 16 inch water mains, he explained. Work is being supervised by Ray Baker of Detroit.

City officials expect that it will be September before any major construction on the project begins.

## Over 3,000 View New Ford at Wiedman's

Over 3,000 people attended the showing of the new 1949 Ford car on display at Paul J. Wiedman, Incorporated last Friday and Saturday.

Mr. Wiedman reports that the number includes both residents of Plymouth and the entire surrounding territory.

Mr. and Mrs. Sam Spicer, Mrs. Jesse Tritton and Mrs. Louise Hutton attended the Southern Michigan Grange picnic on Sunday at Hillsdale.

## Has Good Luck With Strawberries

When it comes to raising strawberries Leonard Millross claims to be a rank amateur, but the products he raises will make old strawberry growers sit up and wonder. On display in the Mail office window throughout the week were some of the largest and most beautiful Cardinal King berries that the writer has ever seen.

At his home at 10540 Ann Arbor road, Mr. Millross has a berry patch of about a third of an acre and at the present rate of picking hopes to have about 700 quarts this season.

## Class Observes 35th Anniversary

Memories of 35 years ago came to the fore Friday evening, June 18, when 60 Plymouth High school graduates of the class of 1913 and their friends gathered for anniversary celebrations at a dinner in the Hotel Mayflower.

On the following day 35 attended the picnic which, due to rain, had to be held in the Central Grade school auditorium.

This class is remembered in the annals of the high school as one composed of 32 seniors, the largest class to that date. The members produced the first junior-senior party, gave the first senior play in the high school, and published the first annual.

(Continued on page 6)

## Local Concerns Awarded Bids

Two Plymouth concerns have been awarded bids by city commissioners, for further work on the water works improvement program.

A bid was accepted from Burger and Dobbs for well houses, valve control house, and an underground vault. It is in the amount of \$8,634.

The second bid accepted was that made by the Corbett Electric company for electrical work in the new improvement plan. This will total \$7,952.12 in cost.

## Zoning Ordinance Still Protects City Water System

No action was taken by the Northville township board at their Tuesday evening meeting on the proposed change in zoning of property adjacent to the Beck road well field.

This property, which hinges on the site of Plymouth's future water supply, is owned by the Northville Sand and Gravel company. The latter has proposed a project calling for the removal of gravel from their property, which zoning regulations now prohibit.

Present ordinances, therefore, protect the city's water project from such action. Only a revision of the ordinance would make it possible for the concern to enter upon such a plan.

Members of the township board postponed further discussion or any action on the situation until a future meeting.

## Hi-12 Club Picnic to be Wednesday

Hi-12's annual picnic was the topic of discussion at the regular Wednesday evening meeting, June 23. This year's event will be held next Wednesday evening in Riverside park, south of the Mill street entrance.

President Edwin Schrader tells that it will begin at 5 p.m., although games for the children are scheduled to begin at 3 p.m. Plans are being made for between 250 and 300 people, and in case of rain, they will assemble at the Masonic Temple.

On behalf of the entire organization, Mr. Schrader has expressed appreciation of the following merchants in donating gifts for prizes:

Taylor and Blyton, Paul Wiedman Inc., Willoughby Shoes, Dunning's, Jones Standard Service, Kimbrough's Electric, West Bros. Inc., Graham's Ladies' Apparel, Allison Chevrolet, Com-

(Continued on page 6)

Robert O. Wesley, director of sales and advertising at Daisy, opening the first page of the animated book which told the story of the Daisy founding and its progress through the last sixty years.

## Theft Reported at Mastick Company

Merchandise valued at \$74 and \$125 worth of tools were stolen from the Earl S. Mastick company on the night of June 19, a report from the Sheriff's road patrol cites.

Entrance to the concern, located at South Main street and Ann Arbor road, was gained by breaking a window.

Merchandise taken included a paint sprayer motor and hose, together with a spray gun. The tools also stolen were in a workman's tool box, and were owned by an employee of the company.

## City Fire Trucks Getting New Paint

Should any fire break out within the next week, the township's new, modern engine would be the one used to answer the call.

Township officials have loaned their truck to the city, while the latter's two fire engines are being repainted. It is being kept in the city hall.

Fire Chief Robert McAllister divulges that something new in Plymouth fire truck fashion will be viewed when they are returned from the paint shop. Although the most part will remain traditional red, the top portion of the truck, including the cab and hood, will be covered with white paint.

## Golf Tourney is at Half-Way Mark

As the half-way mark was met in the 72 hole medal tournament at the Plymouth Country club, Roy Crane of Detroit emerged as low man with a score of 142, two above par.

Following Crane in the list of leading scorers is Lou Campbell, last year's winner, with a 146. The tournament will be concluded.

(Continued on page 6)

## Daisy Celebrates 60th Year of Toy Manufacturing

### Officials Pay Honor to Employees of 25 Years

The Daisy Manufacturing company paid tribute to C. H. Bennett and E. C. Hough, and 26 other employees who have served the company for over 25 years, at Meadowbrook Country Club last Monday night. With the employees and their wives in attendance, were also stockholders and the company department heads and their wives.

An elaborate dinner started the celebration which was also in commemoration of the Daisy 60th anniversary being celebrated this year. After the dinner Cass S. Hough, vice-president of the company, introduced the 80 guests present at the meeting and gave incidents which brought about the association of the old employees and the company. He told the date each started to work at the Daisy and briefly described the things they have done while with the company.

After his introduction of the 26 oldest Daisy employees, Mr. Hough paid special tribute to the wives of these men, saying it was his belief that only through the wholehearted cooperation of these women was it possible for both the employee and the company to enjoy such loyalty.

The third feature on the impressive program was an illustrated history presentation by sales and advertising director Robert O. Wesley. A large book, telling the story of Daisy's growth, was opened and each page was described by Mr. Wesley.

(Continued on page 6)

## Graduation Held on Athletic Field for First Time

An audience of parents, friends, and relatives, numbering close to 2500, witnessed the awarding of diplomas to the largest graduating class in the history of Plymouth High school, at ceremonies held Thursday evening, June 17.

The class not only had the distinction of being the largest, totaling 211, but also the first to be graduated during commencement exercises held on the new athletic field.

Highlight of the evening was the awarding of gold certificates to Norman Miller and George Pooler, graduates of Plymouth High school 50 years ago. Not only was it 50 years ago, but to the day and perhaps within minutes of when the two received their original diplomas.

Seniors were presented their certificates of graduation by Donald Sutherland, newly elected school board president, whose daughter was a member of the graduating class. Speaker of the evening was John L. Emens, former principal of Plymouth High school, now president of Ball State Teachers college.

Superintendent Helmer Nelson in commenting on the service, voiced the opinion that it was an "asset" to be able to hold commencement on the athletic field. The field makes it not only possible to hold the service on the school grounds, but to use school facilities as well. "This well proves the fact that the field is for more than just football," Nelson emphasized.

## Rotary Officers Installed Today

Recently elected Rotary officers will be installed during a service slated for this noon's meeting at the Hotel Mayflower.

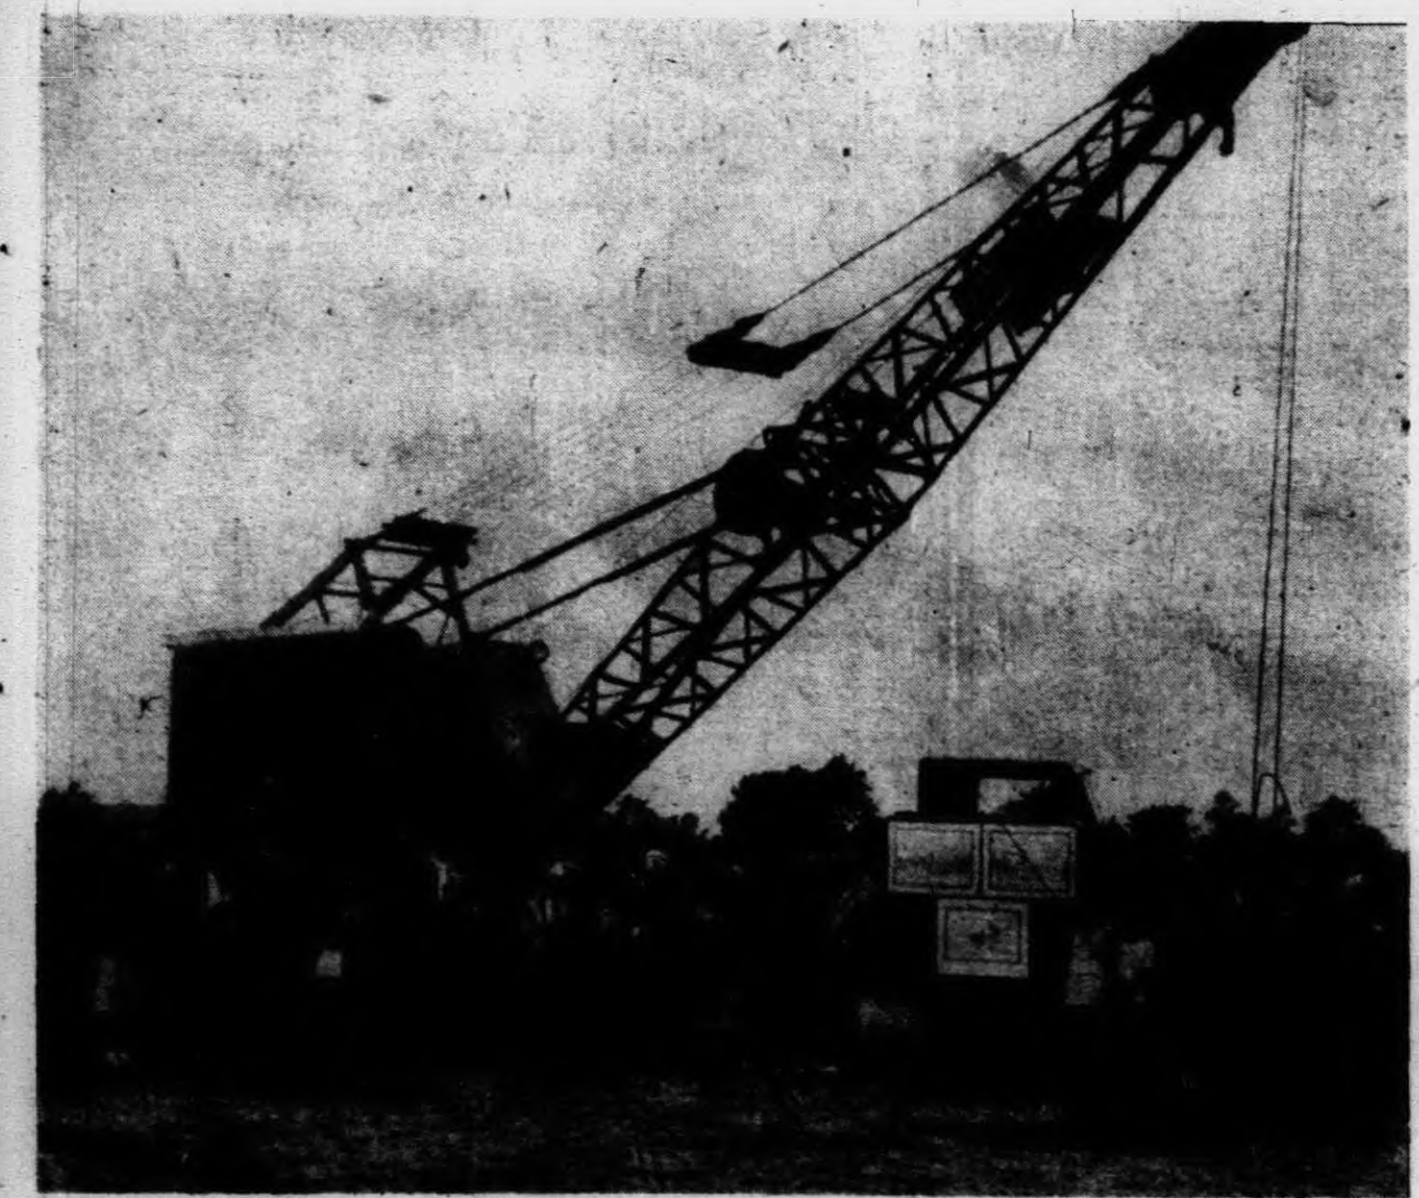

During the ceremonies, presidential duties will be assumed by Edward Gardiner. Frank Henderson will be installed as vice-president, Robert Willoughby as treasurer, and Everett Jolliffe as secretary.

At the time of the official election of officers, Anthony Matulis was re-elected as secretary. Following his accepting the post of Belleville school principal and planned change of residence, however, Mr. Jolliffe was elected to replace him on the officer roster.

Further business of today's meeting will deal with the reading of reports.

Mr. and Mrs. Walter Isbell of Howell were the guests of Mr. and Mrs. Austin Whipple, last Friday and Saturday.

## Ground Broken on New Plant Site

Ground was broken last Saturday morning on the site of the Whitman-Barnes division of the United Drill and Tool Corporation's new \$3,000,000 plant on Plymouth road, east of Burroughs. The ceremony was executed by M. J. Kearns, president, who is pictured in the steam shovel cab. Although no official announcement has been made as to the date operations will begin in the plant, it is believed it may be early next year. The company, one of the largest industrial plants of its kind in the country, manufactures cutting rings and tools.

Miller of Russell street were Mr. and Mrs. Carl Miller and sons, Bobby and Carl and Mr. and Mrs. John Harvey of Saginaw, Mr. and Mrs. George Treis of Detroit, Mr. and Mrs. Frank Miller and daughter, Joan, Mr. and Mrs. Arthur Watters and family, Mr. and Mrs. Howard Schryer and family, Mrs. James Williams and Mr. and Mrs. Peter R. Miller.

Mrs. Phila Underwood of Penniman avenue will be hostess to 16 friends at luncheon and bridge at Rotunda Inn today. Her guests will be Mrs. Cora Power of Pontiac, Lucy Baird, Mrs. Frank Burroughs, Mrs. Will Pettigill, Mrs. Autie Cranson, Mrs. Nellie Green and Mrs. George Green of Birmingham, Mrs. Austin Whipple, Miss Rose Hawthorne Mrs. R. E. Cooper, Mrs. Winston Cooper, Mrs. Frances Dudley and daughter, Mrs. Ilene Vetter, Mrs. Emma Henderson, Mrs. Bessie Dunning and Mrs. Howard Sharpley.

A reunion of the Meyers family took place last Sunday at the home of Mr. and Mrs. Earl Meyers of North Harvey street. The guests included six daughters and their families, Mr. and Mrs. Richard Gray, Mr. and Mrs. Ray Toll, Mr. and Mrs. Franklin Wiltse of Artesia, New Mexico, Mr. and Mrs. Donald Hendricks of St. Joseph, Mr. and Mrs. Ralph Stiff of Walled Lake and Mr. and Mrs. Robert Nolan of Dearborn. Also, their son, Albert, Mrs. Meyer's sister and husband, Mr. and Mrs. Max Skinner of Niles, her father, Burt Putnam of Niles and Mr. and Mrs. Charles Putnam of Lapeer. Dinner was served to 31 guests.

## Recent Bride

Mrs. Glenn Harold Schroeder

Margaret Irene Jackson, daughter of Mr. and Mrs. Godber Jackson of Amelia street, became the bride of Glenn Harold Schroeder at a service held in the First Presbyterian church Saturday evening, June 19. Mr. Schroeder is the son of Mr. and Mrs. G. H. Schroeder of Royal Oak. A further account of the ceremony appears on the Woman's Page.

Burt Putnam of Niles has been visiting his daughter and husband, Mr. and Mrs. Earl Meyers of North Harvey street for the past two weeks.

Peter R. Miller attended a banquet at the Hotel Fort Shelby on Thursday, celebrating the 25th anniversary of the University of Detroit High school, class of 1923.

Mr. and Mrs. David W. Mather of Evergreen street announce the birth of a son, Charles Walter, weight 7 pounds, on June 21 at St. Joseph's hospital in Ann Arbor.

Mr. and Mrs. Samuel Virgo and children, Victoria Ann and Billy of Kalamazoo spent four days last weekend with Mr. Virgo's parents, Mr. and Mrs. Seth S. Virgo of South Harvey street.

Mrs. Floyd Bekles, Mrs. A. K. Brocklehurst, Mrs. John Sugden and Mrs. G. A. Lundquist had lunch at Dearborn Inn last Thursday.

Mr. and Mrs. Harry Weyer-miller and sons, Frederick and Philip of Birmingham were the house guests of Mr. and Mrs. George Keeping of Irvin street for a few days last week.

Mr. and Mrs. Austin Whipple of Penniman avenue entertained Mr. and Mrs. Elmer C. Huston of Birmingham and Mr. and Mrs. Edson O. Huston at a family dinner on Father's Day.

The class of 1913 of the Plymouth High school celebrated their 35th anniversary last Friday evening at a reunion dinner in the Crystal room of the Hotel Mayflower. There were 60 guests present including 19 members of the class of 1913.

There will be a band concert in Kellogg Park on June 30 at 8:15 p. m. by the Ann Arbor Civic band, under the direction of Clarence Roth. On the same evening, the Plymouth Civic band, under the leadership of Paul Wagner, will play in the West Branch park at Ann Arbor.

Joyce Marie Everett, daughter of Mr. and Mrs. Frank Everett, celebrated her third birthday last Wednesday afternoon at a party for 15 of her friends. Her playmates enjoyed lawn games and a lunch of ice cream and birthday cake. In the evening, the immediate family joined in the celebration and included, Mr. and Mrs. George Hesse, Mr. and Mrs. Kenyon A. Olds, Duane Olds, Mr. and Mrs. Mark Everett and Mr. and Mrs. Jack Stroll.

## Bus Fare Rates Have Certification

Certification of newly established rates charged by the Plymouth Coach company has been made by the Michigan Public Service commission, Floyd L. Bradford, bus line president, discloses.

The fare change was effected May 30, he reminds, as he lists the various zones and the charges for each.

He emphasizes that the minimum fare is 15 cents, and that for this amount a passenger may ride from any point in a rate zone to any other point in that zone or the next.

Zone No. 1, Mr. Bradford announces, begins at Outer Drive and U.S. 12 with a 15 cent charge, as it is to the end of zone No. 2, at Telegraph road and U.S. 12.

The fare jumps to 20 cents in zone No. 3, Inkster road and U.S. 12, and goes to 25 cents in the next zone, Merriman road and U.S. 12.

The fare total to zone No. 5, located at Wayne and U.S. 12, is 30 cents, and 35 cents to the end of zone No. 6, which is Eckles road and U.S. 12. The charge to the end of zone No. 7, which is Plymouth, is 40 cents.

A similar fare setup is followed on the return trip, with the charges rising correspondingly in the zones near Detroit.

## Society Chooses New Secretary

Acceptance of a resignation and election of a new officer to fill the vacancy, was business on the agenda at the recent board of director meeting for the Plymouth Symphony Society.

The resignation was received from Mrs. William Clarke, former secretary. Mrs. Edwin Rice was voted to succeed her in office.

Additional business of the meeting was discussion of the membership drive currently underway for the society. The organization's membership committee is composed of: Mrs. Gregory Clemmons, chairman, Mrs. William Bake, Mrs. Henry Penhale, Mrs. Joseph Witwer, and Mrs. Arthur Donnelly.

## Girl Scouts Fill 18 Kits of Clothing

Eighteen kits of clothing have been gathered and readied for shipment overseas by four Girl Scout troops in the city.

Troops taking part in the project are numbers one, three, four and six. The scouts followed a list suggested by the national headquarters, and every kit has a complete outfit for a boy or girl scout overseas. Included are a coat, suit or dress, underclothing, stockings and some shoes.

The local Girl Scout council is paying the cost of shipping the kits to Chicago, and a portion of the overseas costs. National will bear the remainder of the expenses.

Troop one lead in the project by filling a total of nine kits. Leaders of that group are: Miss Jean Jackson and Mrs. Dorothy Finney. Leaders of other troops participating are: troop three, Mrs. Elsie Arscott, Mrs. Kate Henderson; troop four, Mrs. Ellen Arnold and Mrs. Opal Belobradic; troop six, Mrs. Chris Witwer, and Mrs. Henrietta Dobbs.

If you have a social item you desire published in The Mail phone 1755.

## Plymouth Anns is New Club's Name

"Plymouth Anns" was selected as the name for the new organization of Rotary club members' wives, during a luncheon meeting held by the women Monday, June 21, in St. John's Parish House.

Speakers selected for the day's meeting were Mrs. Bernice Wiedman and Mrs. Wilma Patterson. The former described a similar group organized in Birmingham, and Mrs. Patterson, incoming president of the Dearborn Rotary-Anns, explained the functioning of that organization.

Plymouth president, Mrs. Mary Arlen announces that the meeting time of the Plymouth Anns has been changed from the third to the fourth Monday of every month. The next meeting is scheduled for October 25.

An election was held during this meeting to fill the vacancy on the officer list which will be caused by the change of residence of Mrs. Louise Matulis, present secretary. Mrs. Grace Jolliffe was elected to this post, and Mrs. Mary Arlen was voted as a member of the executive board to fill another vacancy.

In addition to a few guests present for the session, the following attended Monday's meeting, which was one of the first held by the new organization:

Mrs. Madge Baker, Mrs. Mary Beyer, Mrs. Mary Arlen, Mrs. Belle Butler, Mrs. Ruth Curtis, Mrs. Mary Gardiner, Mrs. Vivian Haar, Mrs. Ferne Henderson, Mrs. Louise Matulis, Mrs. Marion Mohrmann, Mrs. Francis Owens, Mrs. Anne Penhale, Mrs. Clella Smith, Mrs. Ruth Smith, Mrs. Clara Taylor, Mrs. Rose Thatcher, Mrs. Bernice Wiedman, Mrs. Grace Williams, Mrs. Camille Wimsatt, Mrs. Marie Zittel.

## McFarland Receives Master's from Chicago

Robert McFarland was one of 17 Michigan residents receiving degrees from the University of Chicago during ceremonies held June 18.

The entire class numbered 1,461 and were graduated in the largest convocation in the 57 year history of the university.

In Plymouth, Mr. McFarland resides at 784 South Main street. He received his master's degree during the June 18 service.

# Plymouth Sporting Events

## Bank Nine Loses At Northville, 4-3

Sunday the Bank team went to Northville to be defeated by a score of 4-3 in ten innings. Jim Miller pitched, and George Molnar relieved him in the ninth inning, losing his first game this season. Duncan Bone was behind the plate.

Next Sunday the First National Bank team plays E & L Transport at Nankin Mills park. The game is scheduled for 3 p.m.

## Playgrounds Are In Full Swing

Playgrounds at Central, Starkweather, Arthur, Sutherland and Forest are now under the direction of both a man and a woman leader, both selected to insure proper supervision of the children.

Farmer will have one man in charge. Recreation assistant, Miss Delores Loewe, announces that the new Tot-Lot is located at Forest and Sutherland.

## Swim Program Begins Tuesday

Next Tuesday, June 29, is the day a swimming program for the children of Plymouth will get underway at the River Rouge pool.

Play periods will be open Monday through Friday from 10 a.m. to 5:30 p.m. Adult activities and league games will continue, beginning at 7 p.m.

A variety of activities will be provided for the children during the day such as: apparatus play, various games, sandbox, story telling, dramatics, folk dancing, and arts and crafts. The kindergarten room at Central and a room at Starkweather are to be used for arts and crafts.

Street showers will also begin soon. They will be held from 2 to 3 p.m.

Each Tuesday and Thursday following that date school buses will leave at 9:15 a.m. from the high school and return at approximately 1 p.m. A fee of 55 cents will be charged for those over 16 years of age, and 25 cents for those under, which will include the bus, swimming, locker service, towel, soap and suit if necessary.

Parents are advised not to send their children if they have cuts, or abrasions which show any signs of infection. This also applies to any skin disease such as eczema or athlete's foot. Should any of these conditions be noticed at the pool, the children will not be permitted to take part in the swim.

Competent instructors and lifeguards will be on duty during the entire period. The minimum age for children is eight years old. The new recreation assistant, Miss Delores Loewe, will be the swimming instructor, assisted by two playground leaders, Beverly Brown and Bob Brunner. There will be instruction given to all of the children, no matter what their swimming ability is, Miss Loewe reports.

She cited the aim of the program is to have at least 100 children taking part in the program each time.

## Collins Tells of AMA Purpose

Meetings are held monthly by the Washtenaw county chapter of the Automotive Maintenance association of Michigan, president Alvin Collins explained this week, for the purpose of discussing problems which have arisen during the past month.

The last meeting was held June 15, he reported.

In addition to his office with this group, Mr. Collins is also executive secretary of the state organization, and has held the post for one year. He has served as president of the Washtenaw county chapter for three years.

Affiliation of the association has also been made with the Michigan State Safety conference, Mr. Collins stated, since proper maintenance of automotive vehicles is felt to be "most important from the standpoint of protection of lives."

Membership in the organization of garage owners is limited to independent garage owners, super-service stations, new car dealers, parts jobbers, and manufacturer's representatives. The Michigan organization now has a total of 700 members, with eight local chapters representing 76 cities and communities.

## Delegates Plan for Church Camp

Waldenwoods will be the destination of six juniors from the First Presbyterian church, next weekend, for a week long session at camp.

They are: Virginia Bower, Jon Brake, Ruth Campbell, Dick Huebler, Martha Raum, and Julie Simmons.

In addition to these camp delegates the church will also send senior high students to camp. Dorothy Curtis has been named as one of the latter group that will attend, and Sandra Walch has made application, although notice of her acceptance has not been received.

Other conferences to which the church congregation hopes to send representatives are the leader's training conference at Wooster college, Wooster, Ohio, and the Princeton choir school for directors.

Deadline for classified ads, Wednesday 5:00 p.m.

### New Director Calls Meetings

Your recreation director would like to meet you all personally, and it is especially urgent that we work out a few things together at this time in order to keep the ball rolling for the remainder of the season. Please check the following schedules and be among those present at your scheduled meeting, in the city recreation office, at the city hall. If you cannot be there personally, please send a suitable representative.

Meeting dates as follows:  
Monday, June 28, 7 p.m. Old Men's league.  
Tuesday, June 29, 7 p.m. Open Men's league.  
Wednesday, June 30, 9 p.m. Girl's league.

Herb Woolweaver  
Recreation Director

A 1-OWNER low mileage beauty
that runs like new, is this 1941
tu-tone gray Buick sedanette.
Factory installed radio that is a
credit to the electronic profession.
Air conditioning is included for
your maximum comfort. Gleaming
white wheel rims add to the
graceful interior appointments.
The motor is a dual carburetor
type that runs like a fine precision
watch. The over-all streamlined
appearance of this car is defini-
tely modern times. For real lux-
ury and motoring pleasure see it
today at only \$1095. Joe Stadnik,

YOUR heart's desire, the motor car you've longed to own is this perfect product of the designer's art. A really smart and handsome 194 Mercury sedan coupe that almost defies detection from a 1949. Gleaming chrome trim and accessories including a custom built radio and a blower type heating system for positive air control. A high lustre of hand rubbed teal blue is the exterior finish blended with a nice upholstered interior. All other custom accessories make for real snugness and driving comfort. It is important too that this car is a one-owner automobile that we would like to sell locally to make us new friends. Marked at only \$1095. See Joe Stadnik 203 So. Main. 1tc

HOWDY POLKS: A noted scientist says that the secret of health is to eat raw onions—but he doesn't tell us how to keep it a secret.

A little boy was saying his prayers in a low voice. "I can't hear you, dear," whispered his mother. Said the small one firmly, "Wasn't talking to you."

"That is the one thing I like about my girl." "What's that?" "The guy she goes with."

Well, he may be bragging but we're not when we say your car will run smoother than ever, after we service it. We really know the kind of attention it should have. For the best in gas, oil and lubrication, drive in regularly.

The Golden Text (Isaiah 2:5) is: "O house of Jacob, come ye, and let us walk in the light of the Lord." Among the Bible citations in this passage, (Isaiah 9:2): "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined."

**FIRST PRESBYTERIAN CHURCH**  
Rev. Henry J. Walch, D.D., min.

Morning worship at 1 a.m., with sermon by the pastor. This is the last service before we begin our summer series of union services with our neighbors of the Methodist church. Beginning with Sunday, July 4, the Presbyterian and Methodist congregations will worship together for the summer. The services will be held in the Presbyterian church during the month of July and the first Sunday in August, with Dr. Poole, the Methodist minister and the Presbyterian staff taking over. On August 8th, the services will move to the Methodist church with Dr. Walch and the Presbyterian staff taking over. The Senior high Fellowship will hold their farewell meeting of the summer on Saturday afternoon and evening, and Sunday morning, on Youth Island, White Lake. The group will stay on the island over night on Saturday, and return home Sunday afternoon. This will be the last meeting with Mr. Matulis. All young people, teachers, officers or leaders going to summer conferences or training schools will be commissioned in the morning worship service this coming Sunday, at which time they will also receive expense checks for the various groups they will attend. The Sunday church school will be closed until September 12th. The Daily Vacation Bible school will continue each week-day morning from 9:00 to 11:15 through Friday of next week, with closing exercises on Friday night.

**How to keep a Champ in Trim!**

**YES** sir, there's a championship caliber all through that Buick of yours.

It's caliber that calls for mighty little "conditioning"—if the attention it gets adds up to really knowing and understanding care.

For instance, these Fireball cylinders will keep on packing all the wallop they should, if you let us compression-check them in the Buick way. Steering will stay easy and light, tire wear will stay at the minimum, if you keep your wheels lined up on our special tracking gauges.

Skilled service men—Buick to their finger tips—know how to bring out all the Fireball zip and go.

And when wear does take its inescapable toll, we have the parts—Buick-engineered for their job—that restore factory-new standards of performance.

Even our tools are specially designed to do a typical Buick job—and for the personal, interested, specialized attention that tops off

genuine Buick care, you simply can't beat the Buick specialists in our shop.

Yes, give your champ real Buick care—Buick know-how, Buick parts, Buick interest in keeping your car at its peak. Costs no more than ordinary attentions—but what a whale of a difference it makes!

**Lubricare Matched-to-mileage maintenance for Buicks**

★ Lubricare is specified for your Buick by the engineers who built the car—with the right kind and the right amount of lubricants carefully chosen for just one reason: they are best for your Buick.

★ Lubricare is matched to the mileage your Buick has traveled—including a thorough inspection, a report of anything needing attention and a record of the service for future reference.

★ Lubricare adds thoughtful care to complete lubrication. For protection and smooth performance, your Buick deserves Lubricare regularly.

★ SEE YOUR BUICK DEALER EVERY 1000 MILES FOR LUBRICARE

**Farm Women Meet Next Month**  
 Nearly 1,000 Michigan homemakers are expected to leave their household duties from July 19-23 for a week of recreation and education at Farm Women's Week at Michigan State college, East Lansing.  
 Rachel Markwell, state home demonstration leader at the college, reminds that anyone wishing to attend the annual event, should apply for registration by July 1. Applications are available at the county extension offices.  
 Michigan State college is making all its facilities available and has planned a top-flight program. Extension, Farm Bureau and State Orange members and any homemaker, rural or urban, who wishes to attend is welcome. If you have attended before, you are still eligible to come again. Rooms and meals will be arranged in college dormitories.  
 Nationally known speakers and outstanding Michigan personalities will appear on the program. Theme of the event is "The Homemakers Part in the World Today". A style revue and a garden party will be the featured social events. Tours of the campus are planned. The Michigan Home Demonstration Council will hold its annual business meeting and elect new officers.  
 Half of each morning's program will be devoted to class work with Michigan State college faculty instructing. A choice of 19 different classes will be open to each person. Music, geography, conservation, parliamentary procedure, art appreciation, poultry management, gardening, rural health and flower arrangement are among the subjects to be offered.

**Vacation School Features Trips**  
 Field trips comprise an important part of the summer program planned for the Junior department of the Vacation Bible school, explains the Rev. Alexander Miller, director of the school.  
 On Tuesday, a group of 24, accompanied by five teachers, went to Ann Arbor to inspect St. Andrew's Episcopal and St. Nicholas' Greek Orthodox churches. Teachers making the trip were Mrs. J. R. Cutler, Mrs. Robert Edgard, Mrs. Douglas Hamjial, Mrs. Vincent Magretta, and the Rev. Alexander Miller.  
 While at St. Andrew's church, the young people were addressed briefly by the Rev. Henry Lewis, STD, rector, on the distinctive features of the Episcopal church. At the Greek Orthodox church, Father Sophocles explained the many unusual sights.  
 Future trips will include the First Presbyterian and First Methodist churches, the St. Thomas Roman Catholic church, and the Jewish Synagogue. The entire program is designed to give the participants a broader understanding and appreciation of churches other than their own.  
 The Rev. Miller estimated this week that 100 Plymouth children are enrolled in the Bible school, with 56 taking part in the primary department program.  
 The concluding services for the Bible school will be held on Thursday evening, July 1, at 7:30.

**Union Services Will Begin July 4**  
 Summer Union services for the First Presbyterian and Methodist churches will begin Sunday, July 4, a report issued by the Rev. Henry J. Walsh disclosed this week.  
 The first five services of the Union series will be held in the First Presbyterian church, with the newly-named Methodist pastor, the Rev. Frederick Poole, in charge.  
 Beginning August 8, the Rev. Henry J. Walsh and the Presbyterian staff will direct a five weeks series of services in the First Methodist church. The Union program will be concluded the Sunday before Labor Day.

Bagozzi's Everjoy Chop House

**Chop House Has Anniversary**  
 The giant double celebration at Bagozzi's Everjoy Chop House, marking the second anniversary of the popular chop house and the opening of the brand new 100 seat dining room, proved to be even more successful than was hoped. Hundreds of people flocked to the Joy Road "mecca of hospitality" to congratulate owner Ben Bagozzi on the anniversary and also to rave over the beautiful new room which will be in service whenever needed and which was built especially for private parties, weddings and banquets.  
 Throughout, the chop house is equipped with the most modern furnishings and equipment. Every bit of furniture, from the spacious booths to the thick carpeting, was custom made for the place. A huge air-conditioning plant assures complete comfort the year around. The kitchen is a post-war dream of shiny, sterile equipment for the sanitary preparation of food. The vast storage and aging rooms in the cellar are replete with the finest wines, liquors and meats obtainable.  
 Bagozzi's Chop House is open seven days a week and features entertainment by the popular organ and piano team of Ray Sothorn and Mary Ingram nightly, with no amusement tax at any time.

**Firemen Attend College Program**  
 Plymouth's two full time firemen attended the State Firemen's college in the Rackham building last week, while Fire Chief Robert McAllister represented the city at the meeting of the South-eastern Fire Chief's association.  
 The two firemen who attended the college from Tuesday through Friday were George Schoemann and Edgar Voss. The program was sponsored by the University of Michigan extension service and the state school for vocational education.  
 Chief McAllister reports that Emmett Cox, field representative for the Western Actuarial bureau from Chicago spoke at the Thursday meeting of the Fire Chief's association. As his topic he chose, "How Important is Our Fire Department and How We Can Improve It."

**Model is Featured in Sunday's Horse Show**  
 Patricia McElroy, a Harry Conover model, was a featured rider in the L and J ranch horse show last Sunday, June 20.  
 Her picture appeared on the cover of a recent issue of Woman's Home Companion, and has also been used in Charm, Cosmopolitan, Mademoiselle, and Vogue magazines.  
 Miss McElroy, who is from Austin, Texas and New York, rode a palomino in Sunday's show.

**WHY "Stepping Down" IS SO IMPORTANT TO YOU**

Hudson among motor cars world by using vital "step-down" zone—not available in any other car—to bring you riding qualities and safety beyond anything known before!

Word's going 'round—and fast, too—that Hudson gives you a "sweet," smooth, safe ride that is a new high in motor-car performance!

Perhaps you've heard pleased and proud Hudson owners talking about this exciting new experience, but here's something you may have missed hearing:

The key to this amazing new ride lies in that area just under the floor of the average car, which in the New Hudson becomes the "step-down" zone—as illustrated in the sketches at the right.

This "step-down" zone is all-important, because experience has shown that the lower to the ground a car can be built, the better it will handle, the more stability it will have, the safer it will be, and thus the more enjoyable and comfortable will be your ride.

Hudson, and Hudson alone, has accomplished a near miracle of low-built streamlining and smooth, safe, comfortable riding with a new type of base frame which surrounds the passenger compartment, and thus permits the floor to be lowered down within it. Recessing the floor creates the "step-down" zone and a center of gravity that is the lowest

in any American stock car—yet road clearance is ample!

That's why Hudson has a hug-the-road way of going, even in cross-winds, and on every conceivable kind of highway. When you see how this car takes even the sharpest curves, it will spoil you for any other type of automobile! You sense this delightful conformity to the road the minute you begin your ride; and this stability, plus the protection of riding encircled by a sturdy box-section steel frame, gives you a grand feeling of safe well-being.

Sitting in this car is as downright satisfying as stretching out in your favorite easy chair. You ride on seats that are lowered and cradled ahead of the rear wheels and, even with its low silhouette, this breathtakingly beautiful motor car gives you more head room than any other mass-produced car built today! Hudson's use of the vital "step-down" zone in its exclusive, all steel Monobilt body-and-frame is a development that required years of engineering work, and millions of dollars in highly specialized new plant investment. Perhaps this explains why Hudson alone offers this new design principle today.

The nearest Hudson dealer has a booklet—yours for the asking—which explains how "stepping down" brings you advantages beyond anything known before! Hudson Motor Car Co., Detroit 14.

*\*Trade-mark and patents pending.*

**OTHER CARS**—Here you can see that any car with floor on top of the frame, as shown above, fails to utilize that all-important space between frame members (hereafter wasted by placing floor on top of the frame). This results in a high center of gravity, and either a high roof line or insufficient head room.

**NEW HUDSON**—Here the important space between frame members, shown above, becomes the "step-down" zone—a highly useful addition to interior passenger roominess that creates a new, lower center of gravity, which in turn permits greater safety, improved roadability and ride, a low, streamlined silhouette.

**This time it's Hudson**

### LEGISLATION

TO THE HIGHWAY COMMISSIONER OF THE TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN: Sir: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on May 20, 1948, decide and determine that the certain tract described in the minutes of said Board, heretofore taken over as a county road, should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination. The portion of the minutes of said meeting fully describing said street are attached hereto and made a part of the notice, which is given under and by virtue of Act 263 of the Public Acts of 1939 as amended.

WHEREAS, this Board has received a petition from eleven householders of the Township of Plymouth for the abandonment and discontinuance of all of MACUMBER ROAD, 66 feet wide, as proposed, and 120 feet wide, as proposed, said road being located in the north 1/2 of Sec. 29, T. 1 S., R. 6 E., Plymouth Township, Wayne County, Michigan, the center line of said road being coincident with the north and south 1/2 line of said Sec. 29, and extending south 1/2 mile more or less from the north 1/2 corner of said Sec. 29 to the northerly right-of-way line of North Territorial Road, 120 feet wide, as proposed, and 120 feet wide, as proposed, said road being under the jurisdiction of this Board; and WHEREAS, pursuant to said petition, and in accordance with the provisions of Section 18 of Chapter 4 for Act No. 263 of the Public Acts of the State of Michigan for the year 1939, and amendments thereto, this Board did, by resolution dated March 19, 1948, resolve that a hearing be held on said petition on April 29, 1948, at 11:10 a.m., eastern standard time, at 3800 Barham Tower, Detroit, Michigan, for determining the necessity or advisability of abandoning and discontinuing said road; and WHEREAS, pursuant to the above mentioned statute, this Board has served a notice of said hearing upon all of the owners and occupants of lots intersected by or adjoining said road and published a copy of said notice in the Detroit Evening News, a newspaper published within the County of Wayne, on April 2, 1948; and WHEREAS, the said hearing was held at the time and place appointed by said resolution and this Board did then proceed to vote on the premises in accordance with the statute; and WHEREAS, it appearing from said hearing and review of the petition that the public will have no further use for the road in said township so petitioned to be abandoned and discontinued, but it is desirable to maintain therein a public utility easement for the use and benefit of the public;

NOW, THEREFORE, BE IT RESOLVED, that all of MACUMBER ROAD, 66 feet wide, being part of the N. 1/2 of Sec. 29, T. 1 S., R. 6 E., Plymouth Township, Wayne County, Michigan, the center line of said road being coincident with the north and south 1/2 line of said Sec. 29, and extending south 1/2 mile more or less from the north 1/2 corner of said Sec. 29 to the northerly right-of-way line of North Territorial Road, 120 feet wide, as proposed, be and the same is hereby abandoned and discontinued as a public highway upon the express condition that there be and hereby is reserved an easement in said Macumber Road, 66 feet wide, for the installation and maintenance of sewer water, gas, electric, telephone and all other public utilities for the use and benefit of the public, and all persons, firms, or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities. BE IT FURTHER RESOLVED, that this Board believes it to be to the best interests of the public that said road so abandoned and discontinued should be absolutely abandoned and discontinued as a public highway, reserving therein the easement as herein set forth. The motion was supported by Commissioner Brown, and carried by the following vote: Ayes, Commissioners Wilson, O'Brien and Brown; Nays, None. June 11-18-25, 1948.

STATE OF MICHIGAN, IN THE PROBATE COURT FOR THE COUNTY OF WAYNE. No. 359,087. In the Matter of the Estate of MARY E. INGHAM, Deceased. Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon RALPH G. LORENZ, Executor of said estate, at 48885 Ann Arbor Trail, Plymouth, Michigan, on or before the 1st day of September, A.D. 1948, and that such claims will be heard by said court, before Judge JAMES H. SEXTON in Court Room No. 527, Wayne County Building in the City of Detroit, in said County, on the 1st day of September, A.D. 1948, at 2:30 o'clock P.M. in the afternoon, and in the case of a surviving spouse, the court will also at that time determine whether and to what extent claims and administration expenses are payable out of community property or out of separate property of the deceased. Dated June 21, 1948. JAMES H. SEXTON, Judge of Probate. Published in The Plymouth Mail once each week for three weeks successively, within thirty days from the date hereof. June 25, July 2-9, 1948.

### Camp Counselors Are Announced

Throughout the summer months many Plymouth Girl Scouts will be attending sessions of the Cedar Lake Girl Scout camp which opened last Sunday. The camp, which is sponsored by scouts in this area, this year welcomes a counseling staff from seven colleges or universities in five states. They were officially welcomed by members of the Area Camp committee last Saturday with a supper at camp, following a four day pre-camp training by the counselors. Heading the staff as director is Miss Frances Young, Ypsilanti Girl Scout executive, beginning her third season as camp director. She recently returned from a Girl Scout training course for camp directors held at Rockford, Illinois, and has previously taken training at Camp Edith Macy, New York. Miss Young also holds degrees from Michigan State Normal college, University of Michigan, and has studied at Northwestern university. Safeguarding the health of the campers will be Dr. Nan Kyung Koh, graduate of the University of Tokyo, and at present a student at the University of Michigan where she is working for her Ph. D. degree in public health. A graduate of the University of Michigan, Miss Jo Ann Bush will head the all important, water front staff, assisted by Barbara Wright and Nancy Barenow of Ypsilanti.

At Juniper Knoll, the unit for the newest campers, Miss Dorothy Small, Michigan State student from Detroit, will be assisted by the following counselors: Betty Leevy, Purdue university student from Lafayette, Indiana; Dolores Yaeger, Monroe; Eleanor Hammett, Ann Arbor music student at the University of Michigan, who will also be song leader; and Misses Wright and Barenow. Jane Lang, an Olivet college student from Wakefield, Massachusetts, is returning to Cedar Lake for her second season and will serve as unit head for Oak Ridge. She will be assisted by Catherine Huston of Ypsilanti who will have charge of nature study, Betty Stevens, and Betty Shenk.

### Fisher's Your Family Shoe Store

At Greenwood, where the oldest and most experienced campers are placed, Doris Hopps of Berkley will be unit head. She is a counselor in the women's residence halls at Michigan State college. Other counselors for Greenwood are: Joanne Crawford of Ithaca who has had special training in camp craft and will lead activities in that field; Pat Harrison, Dearborn, a Michigan State Normal college student; and Mary Del Gilling, Appleton, Wisconsin, who is majoring in dramatics at Northwestern university. The staff is completed with Marie Arnet, Ypsilanti, in charge of the dietetics and Leo Clark, Ypsilanti, handyman. Miss Arnet will be assisted by two girls each camping session who will be known as "Salt and Pepper" and who will work half days and be campers half days. The first session of camp opened June 20th, and the camp will continue throughout the summer.

### HOUSEHOLD MEMOS... by Lynn Chambers

#### It's Time to Turn Luscious Berries Into Tender Jellies

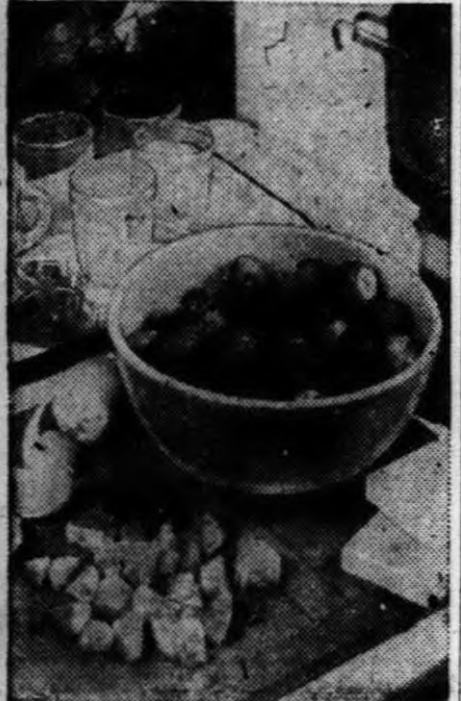

WHEN ORCHARDS are covered with snow and vineyards no longer are bursting with their luscious berries, the best way to bring them back to the table is to serve, flavor-fresh, delicately tinted jellies made from the berries at their peak of the season.

A good idea is to make a sort of canning plan. Decide what your family likes most, figure out about how much they ate last year, and make up a program for the next year.

Sort out your canning supplies, buying any necessary equipment before you start the work.

When you make jellies and jams, try to work with small batches only. It seems to take less time, but far more important than that, the results are better. The jellies are tender and more colorful, and there is less chance of error.

If you have fruits and berries with small pectin content of their own,

When making jams and jellies, assemble your equipment and materials before you begin cooking the fruit.

use a commercial product for quick work. You'll save color and flavor as well as time and energy.

For fruits and berries that have a naturally high pectin content, use small batches and cook quickly to have a perfect product.

IF YOU'RE STARTING to make jelly now, the following fruit and berry combinations are excellent for appetite appeal. They are also in season in most parts of the country so that you can make them readily:

1. Blackberry and rhubarb
2. Boysenberry and rhubarb
3. Dewberry and rhubarb
4. Loganberry and rhubarb
5. Raspberry and rhubarb
6. Youngberry and rhubarb

Here is the recipe for jelly made from any of the above combinations:

- 3 cups juice
- 4 cups sugar
- 1 box powdered fruit pectin

To prepare juice, crush thoroughly or grind about one quart of fully ripe berries. Cut into one-inch lengths (do not peel) about one pound of rhubarb, and put through food chopper. Place fruits in jelly bag or cloth and squeeze out juice.

Measure sugar and set aside until needed. Measure juice into a three- or four-quart saucepan and place over hottest fire. Add powdered fruit pectin, mix well and continue stirring until mixture comes to a hard boil. Pour in sugar at once, stirring constantly. Continue stirring, bring to a full rolling boil, and boil hard one-half minute. Remove from fire, skim and pour quickly into seven six-ounce glasses. Paraffin hot jelly at once.

ARE YOU FOND of unusual jellies? Here's an old-fashioned one with a lovely and unusual delicate flavor:

#### Rose Geranium Jelly

Select tart, sound apples. Wash and cut off blossom ends. Do not remove peeling or cores. Cut into quarters and barely cover with water. Cook until fruit is tender. Strain juice through a jelly bag and measure. Bring to boiling point and add three-fourths cup of sugar for each cup of juice. Boil rapidly to jelly stage (dip spoon into syrup. As the boiling mass nears the jelling point it will drop

#### LYNN CHAMBERS' MENU

- Creamed Potato Salad
- Sliced Ham
- Tomato Wedges
- Carrot Sticks
- Biscuits with Currant Jelly\*
- Melon Beverage
- \*Recipe Given

from the side of the spoon in two drops). When almost done, immerse in the boiling jelly two or three rose geranium leaves. These will quickly and give off their flavor. Tint with rose vegetable coloring. Pour into sterilized jelly glasses and paraffin at once.

HERE ARE TWO PERFECT berries for jelly making. You'll be delighted with their fresh fruit flavors and beautiful colors:

**\*Currant Jelly**  
Select currants that are not over-ripe. Remove leaves but do not stem. Mash with potato masher. Add one-half cup of water to each two quarts of berries. Cook 10 minutes stirring frequently. Strain through jelly bag. Use three-fourths cup sugar for each cup of juice. Heat juice, add sugar and stir until it dissolves. Cook until the syrup sheets off the spoon. Seal in hot, sterilized glasses.

**Red Raspberry Jelly**  
(Makes 12 6-ounce glasses)  
3 quarts red raspberries  
1 1/2 cups sugar  
1 bottle fruit pectin  
Thoroughly crush raspberries; place in jelly bag and squeeze out juice. There should be four cups. Heat juice; add sugar; bring to boiling, stirring constantly. Add fruit pectin. Bring to a full rolling boil; boil one-half minute. Remove from heat; skim; seal in hot sterilized glasses.

HERE ARE TWO very special recipes which you will enjoy having for they are perfectly delicious and make wonderful accompaniments to any meal, breakfast, lunch or dinner.

**Deluxe Strawberry Preserves**  
2 pounds capped berries  
4 tablespoons lemon juice  
5 cups sugar

Mix berries with sugar. Let stand three to four hours. Place over low heat until simmering point is reached. Add lemon juice. Boil rapidly for 10 to 12 minutes or until berries are clear and the syrup thick. Cover and let stand over

Berries, which are making their appearance now, should be converted into jams and jellies before they get too ripe.

night. Pack cold into hot jars and process 15 minutes at simmering (in hot water bath).

If you're making watermelon rind preserves, do so at the early part of the season for the rind is thicker on watermelon.

**Watermelon Rind Preserves**  
2 pounds watermelon rind  
1 tablespoon ground ginger  
4 cups sugar  
2 lemons  
2 quarts of water  
Cut off all green peel and pink part. Then cut rind into one-inch squares. Soak two to three hours in lime water. Freshen in two or three more changes of water. Sprinkle ginger over rind. Cover with water and boil one and a half hours. Drain and drop into cool syrup made with sugar, water and lemon juice, of one lemon. Boil gently one hour. Add second lemon, sliced thin. Continue boiling until the rind is tender and the syrup thick. If syrup gets too thick before rind is tender add a little more water. Let stand several hours. Pack into hot jars, and process in a water bath for 15 minutes at simmering temperature.

Released by WNU Features

"Don't Fence Me In" may be good advice for cowboys, but don't apply it to children. Safety experts of the Accident Prevention Department, Association of Casualty and Surety Companies, warn that toddlers of 1 to 4 years are killed by automobiles in increasing numbers during the

months of May and June. The reason: Parents let them outdoors to play, because of warmer weather, and they wander into the street. Keep small children in fenced yards or keep your eye on them constantly, the Department warns.

### Marjorie Kahler Becomes Bride At Church Ceremony

Marjorie June Kahler, daughter of Mr. and Mrs. Vern Kahler of Morgan street, became the bride of Harold W. Schultz, son of Mr. and Mrs. Walter G. Schultz at a candlelight ceremony on Saturday, June 19 at 8 p. m. at St. Peter's Lutheran church.

The Reverend Edgar Hoenecke conducted the double ring service before an altar decorated with palms and flowers. Organ music was provided by Mrs. E. Salow and Miss Mabel Vickstrom sang "Because" and the "Lord's Prayer."

The bride wore a gown of white slipper satin designed with a fitted bodice and yoke of marquisette trimmed with a bertha effect of Alencon lace. Her bouffant skirt ended in a long train. A fingertip veil of illusion net was held in place by a tiara of crystal beads and seed pearls. She carried an arm bouquet of white roses and snapdragons tied with white satin ribbons.

Matron of honor, Mrs. Marion Newton, was dressed in pastel yellow taffeta. Long taffeta gloves and a head dress of yellow net trimmed with seed pearls completed her costume. Her flowers were salmon carnations tied with yellow satin ribbons.

Bridesmaids, Mrs. Beverly McAllister and Ellen Schultz, sister of the groom, wore gowns of aqua taffeta fashioned after that of the matron of honor and matching headresses. They carried bouquets of yellow carnations tied with yellow satin ribbon.

The bride's twin sisters, Barbara and Bernice, were the junior bridesmaids. They were gowned alike in long dresses of white organdy and carried yellow roses and pale yellow carnations tied with aqua satin. Their headresses were of matching stiffened net starred with sequins.

Bruce McAllister was best man and Duane Johnson and James McAllister served as ushers.

The bride's mother wore a print dress of white, aqua and black with white hat and accessories and a shoulder corsage of white carnations. Mrs. Schultz, the bridegroom's mother, chose a black and white striped jersey dress with white accessories and a corsage of white carnations.

Following the ceremony, a reception was held in the Newburg American Legion hall. Friends and relatives were present from Georgia, Detroit, Northville, Dearborn, Portlock and Sault Ste. Marie, Canada.

A dress of navy blue crepe with navy and white accessories and a corsage of white roses was worn by Mrs. Schultz for traveling. They will live on Morgan street in this city after June 27.

The couple are graduates of the Plymouth High school. At present Mr. Schultz is taking a course in pharmacy at Wayne university.

Prior to her wedding, Mrs. Schultz was entertained at showers by Mrs. Marion Kahler, Mrs. Beverly McAllister, Joan Town, Mrs. George Newton and Mr. and Mrs. Bruce McAllister.

### Dancers Present Saturday Recital

Under the general theme "Stars of Tomorrow", students of the Kennedy School of Dancing presented a recital in the Plymouth school auditorium, Saturday evening, June 18.

Plymouth dancers in the show were: Janet Balden, Sylvia Baljen, Ardith Bassett, Marlene Bassett, Sonya Bench, Donna Bennett, Katherine Bernash, Sandra Burns, Dickie Carr, Ruth Ann Carr, Suzanne Carson, Janet Christianson, Maxine Collins, April Kay Corey, Eva Marie Deace, Gail Deace, Joan Ebersole, Betty Finney, Doris Fisher, Mary Jane Fisher.

Geraldine Fulton, Beverly Goodale, Kay Gorton, Patty Gronowick, Richard Holt, Dawn Huebler, Judy Laury, Karen Lent, Linda Lent, Sylvia Lomonot, Betty Kay Margretta, Patty McGorey, Patricia McDonald, Shirley McDonald, Marion Miller, Judy Monteith, Anita Mosher, Geraldine Mosher, Carole Nixon, Patricia Rensel, Lois Schupacher, Diane Sherman, Donna Sherman, Barbara Smith, Carol Stratton, Marion Uyeda, Patty Wilhelmi, Janet Wickens, Carol Wilkerson, Linda Williams, Paty Wilmet, Patty Wingard, Marcia Woodworth, Phyllis Zimmerman.

In Los Angeles, hospital attendants ministered to Leonard Eaton, who got his nose caught in a folding bed.

### Betrothal Announced

Miss Alyce Elaine Soules

Mr. and Mrs. H. A. Soules of Prudenville, Michigan announce the engagement of their daughter, Alyce Elaine, to Edwin M. Wall, son of Mr. and Mrs. S. E. Wall, formerly of Plymouth. As yet, no date has been set for the wedding.

### Plymouth Couple Married In Saturday Rites

A candlelight ceremony in the First Presbyterian church on Saturday evening united Jean Ann Gray, daughter of Mr. and Mrs. Thomas Gray of Dewey street and Robert Postlewait. The Reverend Henry J. Walch performed the marriage.

The bride was given in marriage by her father. She wore a silk lace gown and hand embroidered veil, which was brought her from Venice, Italy by her brother.

Her attendants were gowned alike in blue marquisette. Bridesmaids, Betty Krachenfels and Bernice Simpson had bouquets of pink daisies. Her sister, June Gray, maid of honor, carried blue daisies. Dennis Simpson was ring bearer.

Glen Gapin served as best man and ushers were James Gray and William Gapin.

Both bride and bridegroom's mothers chose gray dresses and wore corsages of yellow roses.

The couple are traveling in northern Michigan and will make their home with the bride's parents at present.

Out of town guests from Royal Oak, Manchester and Akron, Ohio were present.

### Ad-Libbing..... with "Liz" by Elizabeth Corry

Monday is the big day! Every Monday in fact... for that's the day set aside exclusively for us women at Hilltop Golf Club. League or tournament play won't be organized, because the idea is simply to give the women a chance to take the place over for the day... for a bit of golf, lunch and refreshments, or for a social get-together. By the way... you can play all the golf you would like for 50 cents, too. Let one Todd is supervising all details, so call her at the club for more information, phone 9106. (Hilltop is one mile west of Plymouth on Ann Arbor trail.)

No wonder Mary was so contrary... her garden was in a mess. These vegetable plants - flowers and shrubs too - she had spent so much time on, were being enjoyed by the bugs. Too bad she didn't know about the Saxton Farm Supply Store, at 587 West Ann Arbor trail, where she could have had her choice of various kinds of ammunition to kill such garden thieves. Mr. Saxton has powders, liquids, and D.D.T. types of insect killers on hand... all which will do the job of wiping out your garden's enemies.

Wouldn't it be nice if a lawn could be made pretty simply by saying "I wish"? But no... there are certain things just as basically necessary for that, as a tooth brush, comb or curlers to a woman who strives for beauty. The necessities for a lawn... as everyone knows... are a good lawn mower, hose, and rake. But do you know where you can get these... besides at your neighbors... at a good buy? Boyer's Haunted Shack, of course, where you'll also find tires at a better value by miles. Don't get too big a bang out of the Fourth - see the great Brunswick tires at Boyer's today.

Deadline for classified ads, Wednesday 5:00 p.m.

### Jackson-Schroeder Are United In Double Ring Rites

The marriage of Margaret Irene Jackson and Glenn Harold Schroeder was solemnized Saturday evening, June 19 at 7:30 p.m. in the First Presbyterian church.

The bride, who was given in marriage by her father, is the daughter of Mr. and Mrs. Godber Jackson of Amelia street and the bridegroom's parents are Mr. and Mrs. G. H. Schroeder of Royal Oak.

The double ring ceremony took place before an altar decorated with white flowers and lighted tapers with the Rev. Henry J. Walch officiating.

The bride wore a gown of ivory satin. Her long veil of net was held in place by a crown of seed pearls. She carried a bouquet of white roses centered with white orchid.

Cathryn Moss was maid of honor and bridesmaids in the wedding party were Rosemary Bochowicz of Royal Oak, Ruth Schroeder; sister of the bridegroom and Donna White of Detroit.

They wore identical gowns of aqua taffeta. Miss Moss's flowers were talisman roses and her head dress was of talisman rosebuds. The others carried yellow roses.

Fred Schroeder was his brother-in-law's best man. Seating the guests were Richard Belf of Detroit, Paul Jensen of Marlette and Robert Adams, the bridegroom's brother-in-law.

Mrs. Jackson was gowned in light blue crepe and wore a corsage of yellow daisies. Mrs. der chose a yellow print dress and her flowers were carnations.

A reception following the ceremony was held in the church parlors. The bridegroom is employed at the Burroughs company.

### Presbyterian Church is Host During Conference

The Presbyterian church was host to 125 young people from the Detroit area at special evening services last Sunday.

A conference was initiated at that time for the enlistment of full time workers in the church. It was held under the auspices of the Christian Education committee of the Presbytery of Detroit.

Dr. Luther Stein came from Oak Park, Illinois to address the group.

Senior and Junior Westminster Fellowships acted as hosts for the affair.

In Syracuse, N. Y., Chester D. Marcus held hands with Mary Stone at the movies, drew her arm a little closer and broke it.

Deadline for classified ads, Wednesday 5:00 p.m.

### Chorus Will Repeat Concert on Sunday

The concert to be presented by the Rosedale Gardens Civic chorus at the club house, will be repeated Sunday evening, June 27 at 7:45.

Miss Lorretta Petrosky, director, states that tickets may be secured at the door.

The chorus is making its initial appearance in tonight's concert.

Phone local items to 1755.

### Saturday Service Unites Lois Hare, Walter Majors

Lois Hare and Walter R. Majors exchanged marriage vows on Saturday, June 19 in the Hope Evangelical Lutheran church of Detroit at 8 p.m.

The bride is the daughter of Mrs. Charles Hare of Detroit and the bridegroom's parents are Mr. and Mrs. A. E. Majors of Cowan road, Wayne.

The Reverend George L. Majors, brother of the bridegroom and pastor of the South Congress street Church of God, Ypsilanti, performed the ceremony, assisted by the Reverend F. P. Madsen.

The bride was given in marriage by a cousin, Mr. Pearl S. Smith of Detroit. She wore a white satin gown with long pointed sleeves, fitted bodice, round neckline and long train. Her fingertip veil fell from a tiara of beads and she carried a cascade fashioned of white roses and white stock.

Mrs. Gerald Currie was matron of honor. Bridesmaids were Marjorie Majors, sister of the bridegroom and Marjorie Findell of Detroit. Donna and Lorraine Currie, nieces of the bride, served as junior bridesmaids. All were gowned in pastel shades of lace and maline and wore matching hats. They carried bouquets of rosebuds and babies' breath.

Robert Majors, brother of the bridegroom, served as best man and seating the guests were Burt Watson and Hugh Watson, Jr. of Detroit.

The bride's mother wore a gown of grey crepe with a corsage of pink roses. Mrs. Majors chose aqua lace and her flowers were also pink roses.

A reception following the ceremony was held in the church parlors.

The bridegroom is employed at the Burroughs company.

## Nutrition Aids

from the American Red Cross Nutrition Service

An unusually large crop of early potatoes is already resulting in heavier supplies in Plymouth stores. Although this may not bring about greatly reduced prices for the consumer because of the price support law it should assure better potatoes for the money, hence less waste in preparation.

These early potatoes can't be stored for long periods of time so they're not suitable for export. Homemakers who use more than the usual amount of potatoes will help prevent waste of palatable and nutritious food and at the same time reduce the use of cereals which can be exported to help the under-fed children abroad.

Potatoes are good from any point of view. Their bland of flavor makes them popular partners for meat, fish, cheese and other more highly flavored vegetables. For the same reason they can be served twice a day occasionally without boring the family.

New potatoes are waxy, rather than mealy in texture so they're perfect for boiling, creaming and salads. The Nutrition Service of the American Red Cross suggests several ways of varying the preparation of potatoes.

**DUTCH POTATO SALAD**  
Six medium sized potatoes, 2 hard-cooked eggs, chopped, 4

**PRIDE cleaners**

744 Penniman

REASONABLY PRICED

slices bacon, diced ¼ cup chopped onion, 1 egg, beaten, 4 tablespoons vinegar, 1½ teaspoons salt, ¼ teaspoon black pepper.

Boil potatoes in skins until tender. Drain, peel and slice while still hot add chopped eggs. Cook bacon and onion over low heat, stirring constantly until delicate brown. Remove onion and bacon from fat and add to potatoes. Stir bacon fat slowly into beaten egg. Beat well and add vinegar, salt, pepper. Pour over potatoes. Mix lightly but thoroughly. Heat over boiling water. Serve hot garnished with lettuce and watercress. If liked sliced celery or chopped parsley or both may be added to the potato mixture for more flavor. Makes 6 servings.

For a hearty family dinner serve the potato salad with frankfurters, buttered green cabbage, an assortment of raw vegetables and fruit shortcake.

**SAVORY PARSLEY POTATOES**  
Two pounds small new potatoes, 1 or 2 cloves garlic, 1 medium sized onion, 1 small bunch parsley, 2 tablespoons salad oil, 2 tablespoons bacon drippings, butter or margarine.

Scrub potatoes and boil in jackets until almost tender. Drain and peel. Chop garlic, onion and parsley fine and add potatoes. Heat oil and fat in pan. Add potatoes. Cook over low heat until potatoes are lightly browned. If large potatoes are used, cut into pieces after peeling.

Potatoes prepared in this way are delicious with broiled beef patties, and peas heated in the tray under the broiler rack to be flavored with the drippings. Add cole slaw for crispness and top off the dinner with strawberries and cookies.

**STIFLED POTATOES**  
Grease a heavy skillet and in it arrange alternate layers of thinly sliced potatoes and onion, seasoning each with salt and pepper. Add boiling water until it can be seen through the top layer of potatoes. Cover pan closely. Simmer vegetables gently until water is absorbed and vegetables are tender. If water is not absorbed completely remove lid for last few minutes of cooking to allow it to evaporate.

These potatoes are a good accompaniment for golden brown slices of pan-fried fish with stewed tomatoes for a second vegetable and lettuce with French dressing for cool contrast. For dessert serve fruit gelatin topped with custard sauce.

Fir plywood is manufactured only from prime logs of giant, old growth, Douglas firs usually from three to eight feet in diameter. The cross-grain construction of plywood makes it split-proof so nails may be driven near the edge without danger of splitting. Called "not presses" giant machines set the waterproof glues of exterior plywood in about five minutes. The resultant bond is stronger than the wood itself.

## Grass is Basic To Good Nutrition

Figures are often quoted which give the value of cash crops in dollars and cents, but George Brown, head of the animal husbandry department at Michigan State college, says we sometimes overlook the value of that simple crop—grass.

Brown cites the example that 56 percent of our land area would produce no human food without grass which is converted by livestock into meat, milk, butter, wool, cheese, leather, medicinal supplies and countless other aids to health and well being.

During the recent Grass Day programs held throughout the state, many Michigan farmers learned the importance of grass and legumes in a balanced farming program. They saw demonstrations of new hay making methods and learned of improved ways of handling and using these crops. The Michigan State college Cooperative Extension Service, sponsor of the program, worked closely with county agricultural agents and local committees to see that no phase of grassland forming was neglected in the Grass Day programs.

The importance of grass cannot be underestimated, Brown believes. In fact, one of the great differences between a land of plenty and a land of famine is in the amount of food manufactured from roughages which cannot be utilized as human food. The continent of Asia produces within 5 percent as much human food in the form of dry matter as does the United States, but only 2 percent of this food comes from

livestock products in comparison to 25 percent in North America. It will be a great day for American Agriculture and the American people, he believes, when the culture, propagation and fertilization of grass are given the same consideration as other less important crops.

In Ecuador, the expectant mother is put out of her house, while the father is coddled, honored and doted until he recovers from the shock of becoming a pappy. In the Sudan in Africa, after at least five children, the wife may return to her parents leaving the children as the property of the father. In the Philippines and in Japan, during the birth of a child, the father must take to his bed and simulate labor.

## Pastor Attending Church Assembly

The quadrennial assembly of the Church of the Nazarene now underway in St. Louis, Missouri, is attended by the Rev. and Mrs. William O. Welton.

Sessions began last Sunday, June 20, and will continue until June 28. Accompanying the couple are their sons, Dale and the Rev. Wayne E. Welton.

Delegates to this assembly come from each of the states, Canada, British Isles, and 23 foreign fields. This delegation makes up the law making body of the denomination.

This session has been heralded as important, due to the death of two of the general superintendents during the past quadrennial. Also, Dr. C. Warren Jones, who has served as the general missionary secretary for the past 12 years, will submit his resignation at this meeting.

According to the Rev. Welton, Dr. Jones has had supervision of these 23 foreign fields and the distribution of one million dollars each year during the past quadrennial.

At the present time a new goal has been set for missionary fields of five million dollars. This will be spread out over the forthcoming four years.

The Welton family will return home through Illinois and Indiana, arriving here July 2.

Mud-fly fishing is a new tactic recommended for use in dead water holes where trout simply refuse to rise to the angler's lures. Take a coachman fly and clip the wings. Then pack mud into a ball about it. Drop the mud-packed fly on the smooth water. As it settles to the bottom, with the water disintegrating the mud into little spiralling swirls, the trout should smash it for curiosity alone.

Sixty per cent of foreign goods enter this country free of tariff duties. Dutiable goods from abroad paid average tariffs of only 25 per cent last year.

### DO NOT PICK THEM!

The Michigan Conservation department has for a long time urged that Michigan people stop picking the showy lady slipper, a rare Michigan native orchid that decreased in numbers so alarmingly that once it was feared the species might disappear.

The flower has recently found a powerful friend in Frankfort's W. G. Waterman, botany professor emeritus of Northwestern University.

After 10 years' work with the rare plant, Waterman reports, in the national magazine of a wildflower preservation society, that he has succeeded in reproducing the plant from seed, bringing up five seedlings. He has 50 transplanted showy lady slippers in his garden, and last season counted more than 200 blossoms on them.

The work requires patience, because it takes 12 to 15 years from germination to flower production. Even in its native marshy habitat, the plant's reproduction is poor, with only 10 per cent of the blossoms producing seed, and only after two or three years in the ground does the germinating seed produce leaves.

The showy lady slipper is one of the wild flowers Michigan law says may not be offered for sale without written permission of the owner of the land, and the conservation department, in its educational work, advises both school children and their elders that picking such plants will kill the individual plant, while persistent picking will wipe out the species.

Car owners from cities and villages chalk up 79 miles out of every 100 miles driven over Michigan thoroughfares, according to "Highway Needs in Michigan," the engineering analysis of road deficiencies recently released by the Michigan Good Roads Federation Highway Study Committee.

Of the remaining 21 miles, rural owned vehicles account for 16 and out-of-state cars contribute six.

"A breakdown showing how the annual travel of urban, rural and out-of-state vehicles is distributed among the various highway systems is important in deciding the distribution of road expenses and revenues," according to Otto S. Hess, Grand Rapids, President of the Michigan Good Roads Federation.

Traffic origin and destination studies completed by the Highway Study Committee engineering staff reveal the following significant facts:

Urban vehicles contribute the major share of the traffic on rural roads as well as on city streets, accounting for 67 out of every 100 miles of travel on all rural roads, 76 out of every 100 miles on rural state trunklines, and 91 out of every 100 miles on urban streets;

Detroit vehicles alone account for 17 out of every 100 miles of travel on rural trunklines, whereas vehicles owned in rural areas contribute only 14 out of every 100 miles of rural trunkline travel;

Residents of cities and villages of less than 5,000 population account for 20 out of every 100 miles of travel on rural trunklines and for the same proportion of travel on rural roads;

Rural vehicle owners, who do three-fourths of their driving on rural roads, contribute 24 out of every 100 miles of the travel on these roads but account for only 7 out of every 100 miles of travel on city streets;

Cars and trucks from the four neighboring states of Ohio, Illinois, Indiana, and Wisconsin contribute an estimated 38 out of every 100 miles of out-of-state travel on rural state trunklines, with Ohio vehicles alone contributing as much traffic as the other three states combined.

Statistical records of the conservation department's fish division confirm both the drastic slump in yellow pikeperch (walleye) production from Saginaw bay and the continued expansion of smelt production from Lake Michigan.

Saginaw bay fishermen took only 64,349 pounds of "yellows" this April, less than half the catch in April, 1947, of 128,919 pounds, and that take in turn was far below the 1946 April harvest of 596,163 pounds. Last year of the rich big hauls that made the bay's spring walleye fishing famous was 1942, when 1,303,438 pounds were brought to the docks.

Bay fishermen blame pollution for much of the pikeperch decline, and weather has been a handicap to production in recent seasons.

The Lake Michigan smelt catch reached 558,892 pounds in the first four months of this year, up from 341,572 pounds in 1947, 59,788 pounds in 1946, 43,483 pounds in 1945, and less than 200 pounds in 1944. Peak smelt production of the lake was 3,019,543 pounds in 1941, just two years after production reached a level a little above that of the current year—612,650 pounds in 1939.

Lake Michigan has the principal commercial smelt fishery of the Great Lakes region, with production centered in Green Bay.

While women's deaths by drowning increased more than 50 per cent in 1947, the fact remains that nine out of ten people who drown in Michigan are men and boys, according to figures released by the Michigan Department of Health.

There were 39 women and girls among the 307 persons who drowned in Michigan in 1947. There were 25 women and girls among the 265 persons who drowned in the state in 1946.

Two thirds of the drownings in the state occurred during the three summer months, June, July and August. However the larger share of deaths during these months did not occur at swimming beaches. Nearly as many occurred in rivers as in lakes.

Rivers took the lives of 83 persons; lakes, 97 persons; boating accidents, 43 persons; and quarries and miscellaneous places, 84 persons.

Nearly half of the river deaths were of children under 15 years of age. Lake deaths were about equally divided among those over and under 25 years of age. Boating accidents were concentrated in the 15 to 45 year age group.

Twenty-three of the 39 women and girls who drowned were under 15 years of age.

First precautions against drowning are: Learn to swim. Swim only on a guarded beach. Do not swim in swift water. Do not swim alone. Do not swim at night. Don't swim within two hours after eating a hearty meal. Don't continue to swim when you are tired. Do not dive into extremely cold water or into water of an unknown depth. Remain seated when aboard small boats. Do not take boats out in swift current or when a storm threatens. Don't show off.

## Hey, Mister!

YOU'RE FORGETTING SOMETHING!

Your summer chores aren't even started until you've done something about your furnace or stoker—had it cleaned and checked over after last winter's long pull and in preparation for next winter's equally demanding task.

Maybe a good cleaning is all it needs—or maybe there's a part or two that's worn and should be replaced. Whatever it needs—this is a job you don't have to tackle yourself, because your local Coal Retailer is ready now to take care of it for you.

If by chance he doesn't have the facilities—call CHERRY 4331—the same number you use for 24-hour emergency service during the heating season. But do it NOW—waiting till fall's cutting it too close!

## Spray Time Calls For Extra Caution

Spray Safely — that's the advice given by Fred Roth, farm safety specialist at Michigan State college, for this time of year when many sprays and dusts are being used on farms.

These materials can be dangerous if handled incorrectly, he warns. Spraying and dusting materials should be stored in closed metal containers away from kitchen food stocks. A respirator should be used when spraying or dusting if the material blows back in the operator's face. Fumes can sometimes be dangerous and the body should be kept well covered—do not spray with the arms or legs bare. Empty bags should be burned, taking care to avoid exposure to fumes.

The many new specialized materials require some additional safety rules, Roth advises. He urges users to read the label on each package carefully, noting its warnings and instructions and to follow them closely.

## Two Plymouth Students Graduate from Wesleyan

Two students from Wesleyan were among the 449 seniors graduated from Ohio Wesleyan university Sunday, June 6, in the largest class in the history of the 106 year old institution.

Local graduates were: Elizabeth Ann Hoheisel, daughter of Mr. and Mrs. F. R. Hoheisel, 232 Blunk street; and Mrs. Phyllis Box Woods, daughter of Mr. and Mrs. Clarence A. Box, 303 West Ann Arbor trail. The former was awarded a bachelor of fine arts degree, while Mrs. Woods, who graduated with honors, received a bachelor of arts.

# PONTIAC

## Adding to its Reputation!

Year after year, Pontiac's reputation grows—as owners spread the good word of its performance and dependability.

This year is certain to add special luster to the Pontiac name—for the great car illustrated here, the 1948 model, is the finest Pontiac ever built.

First, it offers the performance luxury of General Motors Hydra-Matic Drive\*—and it is the world's lowest priced car with this phenomenal advance in easier, more convenient motoring.

It is the most beautiful of all Pontiacs. It is the finest performing of all Pontiacs. It is the most dependable of all Pontiacs.

Consequently, we are certain that those who purchase it will be the most enthusiastic of all Pontiac owners—and their praises will add to an already-great reputation for enduring satisfaction.

Better make your own next car a Pontiac. Regardless of when you get it, you can be sure it will be a great car add a great value.

\*GM Hydra-Matic Drive, Bumper Guards and White Sidewall Tires optional at additional cost.

## State Tax System Cited As Sensitive

Michigan's tax structure is dangerously sensitive to the ups and downs of economic conditions, according to a statement released by Harry Steffens, director of the Michigan Survey, state taxpayer organization.

The sales tax, gasoline taxes and motor vehicle registrations accounted for nearly 80 per cent of the state's total tax revenue in the fiscal year 1947, says Steffens, and all three are acutely affected by prosperity and depression trends.

The sales tax alone yielded 55 per cent of Michigan's tax revenue in fiscal 1947, and of the 23 states levying general sales taxes, only one, West Virginia, drew a higher percentage of its income from this source.

Gasoline and motor vehicle taxes contributed 13 and 11 per cent, respectively, of the state's tax revenue for the same year. Combined taxes on alcoholic beverage sales, property, insurance companies, inheritance and gifts, corporations and pari-mutuels brought in only 19 per cent of the total.

Michigan's sales tax yield took a spectacular jump of 35 per cent in 1947 over 1946, and with collections of approximately \$185 million for the current year, will show an increase of 17 per cent over 1947. Healthy increases of about 10 per cent are forecast for this year in gasoline and motor vehicle taxes.

In the latest report of the state budget director, income from the new 3-cent cigarette tax is estimated at \$19.2 million for the current year, and \$22 million for fiscal 1949.

Commenting on these figures and trends, Steffens said: "The big increases in revenue from the sales tax, gasoline and motor vehicle taxes are a by-product of high incomes and free spending—but what goes up in good times will go down in bad times."

"If Michigan bases future spending programs on such 'sensitive' taxes, accounting for four-fifths of its tax revenue, those responsible for the state's budgets and expenditures should bear this fact constantly in mind."

"It also must be remembered that under the sales tax diversion amendment, 78 per cent of funds from this source are earmarked for cities and schools—the cities getting one-sixth of the total, and schools the other five-sixths."

## News In The World of Religion

By W. W. Reid

"A Positive Program for Peace," outlined by the Federal Council of the Churches of Christ in America and recently presented to President Truman and other government officials, affirms that the American people and the people called Christians "should not tolerate any complacency about war... should combat a mood of hysteria or blind fear... should reject fatalism about war... should press for positive programs which have immediate possibilities for peace and justice... ought each to contribute to a change of mood so as to increase the chance of averting war without compromise of basic convictions"; and the churches "ought to testify with renewed vigor to God's righteous love for all men and the reality of the Christian world fellowship." A positive program that would aid peace and justice, it is stated, "could quickly move toward greater economic well-being throughout the world, greater emphasis on increasing social welfare, greater observance of human rights to check terrorism, and greater use of processes of international conversation and negotiation."

Under the leadership of Dr. Alfred D. Moore, and with the cooperation of Dr. Frank C. Laubach, world-renowned "apostle of literacy," the Committee on World Literacy and Christian Literature, of the Foreign Missions Conference of North America, is launched on a program to produce, print, and distribute large quantities of Christian books and pamphlets for the peoples of Africa, Burma, China, Korea, Latin America, the Near East, and the Philippines, all in the native tongues of those lands, and mostly written by nationals. Dr. John W. Decker, of the International Missionary Council, recently returned from Asia, says that a "cold" battle is being waged across Asia for the control of men's minds—the contestants being Christians and communists.

When Henry Metzker, a member of the Seventh-Day Adventist church in Sutherlin, Oregon, found himself in the U. S. Navy and assigned to duty in Guam, he looked around for fellow religionists, but found none. So he gathered together a few interested natives and together they studied the Bible. After a while this "unofficial missionary" was able to organize a church with twelve baptized members, and today another group is studying for baptism and membership.

Spearheaded by the Foreign Missions Conference of North America, and participated in by mission agencies of more than 60 Protestant groups in the United States and Canada, a continent-wide "Program of Advance in Foreign Missions" will be pressed this coming autumn "to face the churches with their responsibility and obligation for the missionary cause" and to enlist their financial support in a far greater measure than ever before. The first step will be a "Foreign Missions Assembly" in Columbus, Ohio, in October, with 3500 lay and ministerial delegates, leaders of their various denominations. These leaders are to be "set on fire" for the missionary cause, and sent back to their churches to lead congregations, synods, and conferences in the enterprise. Then, from October 19 to November 19, there will be 32 mass meetings in the United States and four in Canada, all in leading cities, to take the message to the people, and focus the entire communities upon the cause. Coupled with the interdenominational meetings in the cities will be denominational gatherings in the same centers. At the denominational meetings plans will inaugurate to raise and advance missionary budgets for the next few years—"to something commensurate with the needs of the world and the opportunities facing the Christian people." No figure has been set as a financial goal, but someone has estimated that as a minimum the churches in the Foreign Missions Conference should

give \$500,000,000 for foreign missions in the next three to four years. The cities in which the central interdenominational mass meetings are to be held are: Albany, Montreal, Rochester, Harrisburg, Toronto, Washington, Pittsburgh, Cleveland, Indianapolis, Louisville, Detroit, Chicago, Milwaukee, Minneapolis, Winnipeg, Des Moines, Denver, Lincoln, Kansas City, St. Louis, Charlotte, Richmond, Jackson, Nashville, Birmingham, Oklahoma City, Dallas, Houston, Atlanta, Vancouver, Seattle, Portland, San Francisco, Fresno, Los Angeles.

Since Independence Day, July 4, comes on a Sunday this year, the American Heritage Foundation, of which Thomas D. Brophy is president, is asking churches of all creeds and denominations to observe the day as one of "rededication to our American heritage of freedom" by the ringing of church bells and by special sermons and prayers throughout the land. It urges the ringing of bells from 9:55 to 10 a.m. as a "special anniversary chiming commemorating the ringing of the Liberty Bell in 1776."

The first endowed professorship at Oxford was that of divinity, founded by the mother of Henry VII in 1502 and named the Lady Margaret professorship for her.

**Michigan Summertime Scene**

As summer moves in more and more Michigianians will head for the open spaces polka-dotted over the state . . . camping spots . . . trailer camps . . . roadside cooking areas . . . beaches . . . forests . . . all woven into one of the country's greatest summer playplaces.

Michigan is the greatest "out-door" state east of the Rocky Mountains, and right now the blue smoke from campfires is rising skyward as nature-lovers head into the forests and pause beside azure lakes to cook their own breakfasts and lunches and dinners. It may be that your appetite is a bit captious at home, but believe me, when you're in the great outdoors you can always eat—and that's what we're going to talk about.

The joys of camping are multiplied a hundredfold by good food, and the preparation of that food is simple here in Michigan. The state has provided literally hundreds of along-the-highway stoves, so that you may travel in any direction and find places just begging for the preparation of a midday snack. Trailer camps also are adequately equipped, and these days hundreds of outdoor enthusiasts carry their own portable grills.

I would strongly urge that the outdoor enthusiast always carry a bag or so of charcoal to obviate the necessity for scouting fire-wood, and I also would suggest cooking utensils and dishes specifically for the outdoor cooking.

From time to time through the summer months I'll haul off and do a little outdoor cookery yarn, but right now I'd like to pass on a couple of new recipes ideally suited for this roadside luncheon or dinner. The first one is for a super-shish-kabab, a dish providing the main dish for anybody's meal. Here's how:

flakes, this giving you a potato-burger.  
A new egg dish requires 8 eggs, 6 slices bacon, 2 medium tomatoes, 2 small onions, 1 green pepper, 4 T milk or cream and salt and pepper.

Cut bacon into very small pieces and fry until brown. Spread browned bits of bacon over bottom of pan and cut over the tomatoes, onions and green pepper. Beat cream or milk into eggs and whip in salt and pepper. Pour over vegetables, cover tightly and cook until eggs are thoroughly firm. A bit of grated American cheese may be sprinkled over whole after eggs have been added. With this potatoes boiled in jackets. No salad required.

**Bluebird Uses Mailbox For Nest**

There is a mailbox on Territorial road that has been causing considerable interest among the neighbors that pass it once or twice daily.

The box belongs to Russell Walker and has a sign hanging on it which reads, "Rented for the Summer Season". One day last week when Mr. Walker visited the box to get his paper, he was surprised to find a very busy bluebird building a nest in the center of the box. Realizing that housing conditions were still most acute in this area, the landlord decided that he would forgo the convenience of using the mailbox and provide shelter to what he hopes will be a thriving family of bluebirds within the next few weeks.

Sorghum research by the Oklahoma station has yielded information as to the most satisfactory varieties for grain, forage and sirup in various parts of Oklahoma, and more productive forage and grain varieties have been developed. The annual value of this research is estimated at three million dollars for production of grain, six million dollars for forage and one million dollars for sirup.

## Babson Probes the Future

Babson Park, Mass., June 25. During the month of June many important forecasts have been made by scientists in connection with the graduating exercises of the 169 engineering schools of the United States. Some of these seem fantastic; but if we will look back 50 years and compare the things which we have today with what we had 50 years ago, these forecasts will not seem strange.

**Insulation Against Gravity**  
Thus far we have been able to insulate against heat, cold, sound, light and even atomic waves. We, however, have been unable to insulate against gravity. Someday this secret will be discovered. It can be applied to hundreds of things from stair treads to airplanes. It naturally will be rather bearish upon the stocks of certain companies and bullish on others.

We are hearing of all kinds of practical uses for atomic energy; but the one that seems most revolutionary is its use in blowing off mountain tops and in redirecting ocean currents. It would open the way for vast changes in weather conditions making the arid parts of this country and, in fact, the world blossom like a

rose. This might make new irrigation projects unnecessary.

### What We Eat

In the years ahead we certainly will have "no world" or One World. Believing that we then will have One World, we must assume that there will be no tariffs nor further talk about nationalism. Then our food will be raised where God intended it to be raised which is the only way that world peace can be established and maintained. If such a system were adopted at once, it could reduce the cost of agricultural products 50%. Furthermore, if the homes, schools and food advertisers would cooperate to get the American people to eat what and as we should, we all would live to be 100 years old.

Scientists tell us that with every rainfall vitamins and minerals are being washed from the soil. These flow down the streams into the ocean. Hence, while the land and its products are constantly getting poorer, the ocean and its products are constantly getting richer. Today the ocean is controlled only within three miles from the different countries which it borders. When we have One World, this control will apply to the entire ocean. With the same attention given to the fisheries as is now given to agriculture, the products of the ocean could supply sufficient proteins to every man, woman and child on the earth.

### Clothing and Shelter

The weaving of cloth will in all probability be eliminated in the not too distant future. All of our clothing, rugs and upholstery will be made the same as paper is made today. Raincoat manufacturers are already using such material. Our new houses will sometime be pre-fabricated and would be today were it not for the crazy rules of labor unions and the antiquated building codes. Then there will be a reduction in the cost of living from which wageworkers will get a real benefit far exceeding anything which the union labor leaders have thus far given them.

Before too many years a start will have been made towards using water and soil for fuel. Wireless and television will have been developed so as to enable - - for all practical purposes - - the instantaneous transmission or transportation of us as individuals. We will no longer need to take a train, automobile or airplane for a conference a thousand miles away. We can get the same result by sitting in a television booth at or near our home.

**Importance of Decentralization**  
Another very important development will come with decentralization. In fact, I have almost decided to devote the rest of my life to aiding the decentralization of cities, industries and large educational institutions. Not only is decentralization the only defense against atomic and bacteriological attacks, but it is fundamental to efficient, economical and democratic living. We, moreover, must not be content with these material developments but make certain that we progress spiritually as well. The greatest need now is for better mental motivation.

In London, ten-year old Roy Scott asked his mother; "What's a thunderbolt?" got the answer as one hit the roof with a blinding flash. In Montrose, Colo., lightning knocked down Austin Baca, who arose just before and a second bolt knocked him down again.

# 25 YEARS AGO

FROM THE PLYMOUTH MAIL FILES

Promptly at 8 p.m. Tuesday evening, the class of 1923 marched onto the stage to the music of the high school orchestra in the high school auditorium. The young ladies were gowned in white, with a corsage of white roses and green. After a musical number by the senior orchestra, Perry Richwine, president of the class of 1923, gave the president's address in a most able manner. Following this, Martin Strasen gave a history of the class from the freshman year through the high school course. Olivias Williams then came upon the stage carrying the class will, which he read in his usual engaging manner.

The cement work on the Wayne-Farmington road was completed, Monday and the cement mixer was moved to the west end of the Five Mile road, where the laying of cement was started at once. It is expected that the road will be completed to the center this fall and possibly as far east as the Elm road if sufficient material is available.

Hurd McClumpha of Canton, called on Bruce Rorabacher, Friday evening.

The Northville postoffice is to be raised to a second-class postoffice on July 1.

Harry Terry of Pontiac, spent the weekend with his parents here.

George McGill of Detroit, spent Sunday with his sister, Anna McGill, at their home on Harvey street.

The village has ordered a supply of new parking signs.

Several tables have been placed for use of picnickers at the tourist camping grounds. A good well of water has also been provided.

Maurice Woodworth, son of Mr. and Mrs. Roy Woodworth of this village, is one of the graduates of Northville High school

this year.

Mr. and Mrs. Harry Terry and parents, Mr. and Mrs. Herbert Terry and Lorena spent Sunday afternoon at the home of Mr. and Mrs. James House, near Ypsilanti.

Charles Root celebrated his birthday, Saturday, by entertaining several of his friends at a party at his home, afterwards taking them to the picture show at the Penniman Allen theater.

Mr. and Mrs. Wyman Bartlett and Kenneth, Mr. and Mrs. Charles Draper and family, Miss Ann Smith, Mr. and Mrs. Floyd Hillman and Dorothy spent Sunday afternoon at Silver Lake.

Cass Hough, who is attending the University of Michigan, is home for the summer vacation.

Mr. and Mrs. Voyle Becker and family of Fenton, were Sunday guests of the former's sister and husband, Mr. and Mrs. Merle Rorabacher.

Mr. and Mrs. Herbert Baker of Lansing, were weekend guests of Charles F. Bennett.

Mr. and Mrs. Frank Toncrey have purchased the former's mother's home on Starkweather avenue, and have moved into the same.

Nelson Freeman and daughter, Mrs. Mary Switzer of Ypsilanti, were weekend guests of the former's niece, Mrs. Frank Dicks and family.

Mrs. C. J. Teufel of Toledo arrived Tuesday to spend a few days with her parents, Mr. and Mrs. M. M. Willett, and attend the alumni banquet here.

Mr. and Mrs. Alonzo Brocklehurst and children who have been in Wisconsin the past year, returned last week to make their home in Plymouth.

The horse population of the world suffered a decline of more than 20 per cent during the war years. Between 1938 and 1946 the number of horses in the world fell from almost 95 million to about 75 million. Not all these losses were war casualties many more were victims of mechanization.

Social items can be phoned to 1755.

SIT IN COMFORT AT THE BALL PARK OR RACES

Buy Double Seats, Place 2 Together... You'll find sufficient ventilation between the seats to keep you cool. Can't duplicate them less than \$2.50, our price \$1.18 or 59c each. Fold, ready to pack in car. We have a limited supply. You can also use them for gardening, scrubbing floors, laying carpets, painting floors. Come in and ask Paul to show them to you.
