HOW TO GET LOWER PRICES.

Plenty of time is being wasted by Washington politicians—and plenty of newspaper space is being devoted to the question of HOW to get lower prices for the necessities of life. The answer is the simplest one in the world. All we have got to do to get prices reduced is put forth an honest day's work for the dollars we are now paid. Eliminate the time spent in "beefing", loafing and chiseling and produce as we should, there would be plenty for all and at prices within the reach of all.

DREW PEARSON — THE FAKER.

The very conservative Saturday Evening Post in a recent issue published a brief editorial in which it strongly insinuated that Drew Pearson says things in his Sunday night broadcasts that are not true. That's a surprising thing for The Post to find out after all of these years.

Some two years ago Pearson in his efforts to control the Michigan gubernatorial election, made certain charges about Governor Sigler. The Plymouth Mail pointed out at that time, with facts, that Drew Pearson had made false charges over the air—in other words he had resorted to cheap faking in an effort to defeat a Republican for election as Governor in Michigan. Now it appears that he is up to his same old tricks in an effort to beat the Republican nominee for President.

But judging from public sentiment in this part of the country, Pearson will wake up with an awful headache after election—as Dewey will win by one of the biggest majorities any president ever received, no matter how much faking is done over the radio.

It is about time that congress gave some consideration to the use of radio time by paid political propagandists. Pearson made his charge against Michigan's governor just two nights before election, not leaving time for the facts to be told over the radio. Maybe it would be well for congress to require fellows like Pearson and Winchell and Gerald L. K. Smith to file with the proper government agency a copy of what they propose to say to influence an election, so that the condemned candidate can give his rebuttal at the same time. As it is now, the radio is a deadly instrument at election time because of its indiscriminate and unfair use by the Pearsons, et al.

WHAT COULD YOU EXPECT FROM A TIN PAN MUSICIAN?

Mrs. Artie Shaw of New York charged the other day in divorce legal papers she filed in the courts of that state that her husband kept her awake nights threatening her if she didn't join the Communist party. Why should any one be surprised that the possessor of a brain who produces the type of music that Artie Shaw inflicts upon the public would be anything else but a Communist or a Communist sympathizer?

AN INKLING OF WHAT IS TO COME.

Announcement of the cancellation a few days ago of the Sunday afternoon concerts by the Metropolitan Opera company of New York because of union demands, is just an inkling of what is in store for this country of ours. This will be the first time in over half a century that this famed American orchestra has not been able to provide the music lovers of this country with regular concerts.

Unless something is done to eliminate so-called "feather-bedding" in connection with the various activities of the day, much that has brought enjoyment and advancement to this country, will be something of the past.

One of the metropolitan newspapers a few days ago published an article which told something of the way this "feather-bedding" practice operates. It follows:

"Despite all that has been published about J. Caesar Petrillo and his diabolical few people realize how he operates. The recent one-man tour of Maurice Chevalier is a typical example, making a fool of laws supposed to curb "workless work" imposition by labor organizations.

Chevalier sings with an accompanist at the piano. He does not use any other instrument at all, cannot work effectively otherwise.

But in Chicago, he was ordered to pay seven stagehands (he uses no scenery) and 12 musicians.

He would not have an overture before his appearance, as a dozen musicians followed by one pianist would make his music seem flat and thin.

But the stand-by musicians, who had a bit of ham in them, and were tired of playing gin rummy backstage, insisted that if they wouldn't take music before, he'd get it after—in the form of an exit march at the end.

Chevalier wanted none. His was a concert, not a revue.

The union business agent told him he'd have an exit march or a strike. So Chevalier's manager read the contract. He found, in small type, a clause permitting him to designate where in the theater, the musicians should play.

The only condition thereto was that it must be in a "sanitary" place. So the manager selected the men's lounge. . . . There was no music.

THE WAY TO DO IT.

There's been a lot of talk about what to do with Americans who turn Communists or give aid and comfort to these human rodents. The answer is not such a difficult one—the only question is—will we do it?

When it is found that ANY American citizen has joined the Communist party or has contributed financial or other aid to the Communist cause, his American citizenship should be immediately cancelled and he should be deported to Russia.

Oh yes, that would require a constitutional change, but we in America have frequently found it necessary to make constitutional changes. So let's do it and rid this country of that type of humanity that seeks to create only turmoil and trouble.

Bid Accepted on Tank Foundation

During the past week the city received bids on the construction of water tank foundations, and announcement of an acceptance has been made by City Manager Harold Cheek.

The accepted bid was made for \$6,680, which is under the engineers original estimate, from the Henry deKoning company of Ann Arbor. The next lowest was for \$6,950 from the Friedrich and Heinrichs Construction company of Detroit.

This marked the third time that bids had been taken for the project. Those previously made were turned down as the price was not satisfactory.

City Manager Cheek states that the water tower will be constructed next summer.

Mr. and Mrs. Frank Nair, Sr., returned Sunday from their two weeks' vacation spent with their son, Frank Nair, Jr., and family in Detroit, and their daughter, Mrs. Neil C. Talmadge, and family in Birmingham. Their granddaughter, Virginia Nair, returned with them for a visit.

E. A. Nash Purchases, Daggett Radio Service

An announcement made this week discloses that E. A. Nash, owner of the Rolling Radio Service, has purchased the Daggett Radio Repair Service.

He bought the Daggett service stock, and will operate the concern under the name of Rolling Radio Service.

Mr. Nash will also continue the mobile repair unit which has proved such a unique success in the last two years since he returned from the service.

Junior Firemen Spend Weekend Camping Out

Twenty junior firemen camped out last weekend in a field on Charles Miller's farm on Ann Arbor road, according to Fire Chief Robert McAllister who was in charge of the outing.

They slept in tents, he disclosed, played ball, went swimming and attended the DeHoCo mixed softball game at the House of Correction.

Patricia McGorey and Kathleen Harriman have returned from a week's vacation at Cedar Lake Girl Scout camp at Chelsea.

John Chapman Funeral is Today

John T. Chapman

Exactly six months to the day following his wife's death, John T. Chapman passed away at Detroit's Henry Ford hospital on Wednesday, August 11.

Mrs. Chapman's death occurred on February 11. Funeral services will be held this afternoon, Friday, in the Schrader Funeral Home at 2 p. m.

The death of Mr. Chapman followed a week's confinement in the hospital. He was 62 years of age. He had lived in Plymouth for many years, residing at 1192 West Ann Arbor trail, and was employed as a bookkeeper at Collins garage. He is remembered by many as a former Plymouth resident.

Kiwanians Hear of Plymouth's Building Needs

"Planning now for future building in Plymouth is the only way the beauty of the city can be protected, and the only way the community can retain the title of the 'City of Homes', as the city seal reads."

This contention was made by William Leininger when he spoke to Plymouth Kiwanians Tuesday evening on the subject of "Crisis in Home Building."

Mr. Leininger is president of the Leininger Industrial company, president of the Leininger Home Supply company, president of Evans Industries, a member of the Detroit Board of Commerce, and a member of the Detroit Commission for Economic Development.

During his evening's discussion (Continued on page 6)

Watch Out! It's Friday the 13th

If you can stay home all day, sit, and merely do nothing, do it. The outside world will simply offer pitfalls and gloom, for today is Friday the 13th.

Those who must venture out, however should give serious thought to the more common snares which await them, such as crossing the boss or wife. Avoid walking under any and all ladders, and letting a sinister black cat cross your path would only be asking for a double dose of unhappiness. Better not drive the car except in any emergency, and it would be a good idea to cancel all trips for at least another day.

Yes, Friday the 13th lasts for 24 full hours, so be on your guard until the clock strikes midnight.

George A. Smith Heads Board of Training School

At the annual meeting of the Administrative Board of the Wayne County Training School held recently, George A. Smith of this city was elected president and Fred C. Fischer of Belleville, vice-president.

Mr. Smith retired several years ago as Superintendent of Schools of Plymouth and has recently completed a term of office as District Governor of Rotary.

Mr. Fischer, is well known as the Superintendent of Schools for Wayne County.

Mr. Smith succeeds Mrs. Fred R. Johnson of Detroit who had been President since July 1947.

The Board is made up of the following members: George A. Smith, Fred C. Fischer, Joseph A. Murphy, Arthur Dondineau, Carl Schweikart, George O. Cornell, Mrs. Fred R. Johnson, James Fitzgerald and Henry S. Hulbert.

Wagner Reports on City's Music Organizations

Attendance at concerts presented by Plymouth's Summer Community band picked up tremendously as the season progressed, according to Paul Wagner, director, in a review of the concluded concert series.

An average of 42 musicians made up the band, he continued, and they presented eight concerts, including an exchange. Last summer's musical organization was much smaller and he expressed great satisfaction over the fact that the Plymouth group, which is one of the only community orchestras in this section of the country, is becoming increasingly popular with both musicians and audiences alike.

Looking ahead to the Plymouth Symphony orchestra's forthcoming season, Mr. Wagner announced that four concerts are scheduled, each with an outstanding (Continued on page 6)

Rotary Club and Plymouth Mail Staff See Tigers

"Kill the ump!" screamed the crowd as Detroit lost to Cleveland Monday night, and hollering louder than anyone else in Briggs stadium were members of the Plymouth Mail staff and Rotary club.

Many were seeing their first game under the new lights, and all declared that although the Tigers didn't come out on top, it was worth the trip just to see the better-than-daylight system.

Two Grass Fires Reported at Once

The old, old adage of it never raining but what it pours, was exemplified to Plymouth's fire department last week.

After a period of comparative silence, two alarms were received by the department on Thursday within 45 seconds of each other.

The first truck was dispatched to Blunk street at the railroad tracks to extinguish a grass fire, while the other one was sent to the scene of the second grass fire at General drive and Ann Arbor trail.

Plymouth is First City Saluted by Downs

Mayor Frank Henderson is shown with the trophy which he presented to the driver of the longest priced horse to date in the current Northville Downs season on Plymouth Trot night. Shown with him are two track executives who have become well known to many in the city through their residence in the Hotel Mayflower, Harold Dennison, left, president and general manager of the Downs, and Earl Reed, right, vice president of the track.

When Northville Downs began its series of trots named in honor of Michigan communities last Thursday evening on the fifth night of the racing season, Plymouth headed the list of the saluted cities with the evening's list of events coming under the title of the "Plymouth Trot."

Among numerous city officials present for this program were Mayor Frank Henderson who presented a trophy, and City Manager Harold Cheek who presented the floral tribute to the winner of the second heat, F. Siefert, trainer and driver of Highlawn Miller, owned by R. H. Emmons of Jackson.

Furtherance of the Plymouth night theme was carried out when the two track officials who make their home in the Hotel Mayflower also took part in the ceremonies. They were Harold B. Dennison, president and general manager, and Earl Reed, vice-president.

Another high point of the evening's events was the victory scored in the second division by Highlawn Milly, a trotter coupled in the mutual field which paid \$84.80 to win, the best two dollar mutual pay-off so far in the 60 night meeting.

The first section of the Plymouth fixture was captured by Tommy Winn for a purse of \$2,000. A resident of this section, drove the Marigold Stable's Worthy Eblis, a Michigan horse from Holland. His mutual price for straight* two dollar tickets was \$4.40.

In the sixth race, which was the second half of the Plymouth Trot, Tommy Winn had the misfortune to see the horse break at the start and lose lengths of valuable ground. He got his mount back into the goit, and to the surprise of the crowd, finished third with Worthy Eblis.

4-H Fair Attracts Members in City

Wayne county's 4-H fair which is slated for August 18-21 is expected to attract approximately 15 members of the organization from Plymouth who will include their projects among the exhibits.

The fair will be held on the same site as last year's fair, at Quirk road and the Expressway.

Among those from the city who are expected to contribute to the exhibits are: Don Brinks, James Brinks, David Brinks, Don Korte, Gerald Sallow, Clifford McClumpha, Bob Wagenschutz, Dale Wilkins, David Wilkins, Sally MacIntosh, Doris Waldecke, Ann Waldecke, Marion Amrhein, Margaret Amrhein and Melvin Korte.

Exhibits will deal with dairying, electricity, and handicraft. Those taking honors in the county fair will be qualified to take part in the State 4-H show to be held at Michigan State college in East Lansing. Last year several from Plymouth were represented at the state show.

Historian Calls For Local Help

Did you know Plymouth used to have the best county fairs in these parts? That schools and stores closed for the fair and all the townspeople took part in races, contests, and even harness racing?

This, and the stories about it, are a part of the old Plymouth history we've already received from local people. But we still don't know enough about these fairs, or the other entertainment of the last century. Nor do we have any information about what Mrs. Average Plymouth did without our electricity, running water, and all our modern conveniences. We need more stories about every phase of life in our city from its founding to the present time.

Will you help us collect information about our city? Just take a minute to remember the good old tales, jot down the details or phone them to us here at the Plymouth Mail and let all Plymouth enjoy them when they're printed this fall.

Mr. and Mrs. Miller Ross and daughters, Betsy and Beverly drove to the Methodist camp on Lake Huron and en route visited Mr. and Mrs. Garry Stephens and family in Port Huron. Beverly with Nancy Beegle, Anne Vincent, Rita Ottensman, Marilyn Karnatz and Gloria and Joyce Chaney are spending the week at the camp. Mrs. Stanford Closson is director of the camp which at present has 120 girls.

First Church Unit Officials View Plymouth Trot Nearly Completed

Current progress on construction of the Church of God church at Plymouth and Newburg roads, indicates that the first unit may be ready for occupancy by the middle of September, according to a report issued by the Rev. John Walaskay.

This initial portion of the structure will consist of an auditorium to be used for church services, and a recreation hall and space for Sunday school classes in the basement. When the second unit is added, expected at the present time to be two years in the future, the auditorium will serve as a recreation and fellowship room, with the church services being moved to the new section.

The portion of the building now under construction measures approximately 44 by 24 feet. The second unit is planned for 53 by 37 feet. The church building is of brick and designed to follow a colonial design, the Reverend Walaskay reports.

The church's building committee is composed of the board of trustees. They are: Harold Smith, president; Howard Harder, secretary; Harold Shaw, building fund treasurer; Walter Majors, church treasurer and John Proctor, vice-president.

Dog Thought Mad Reported in City

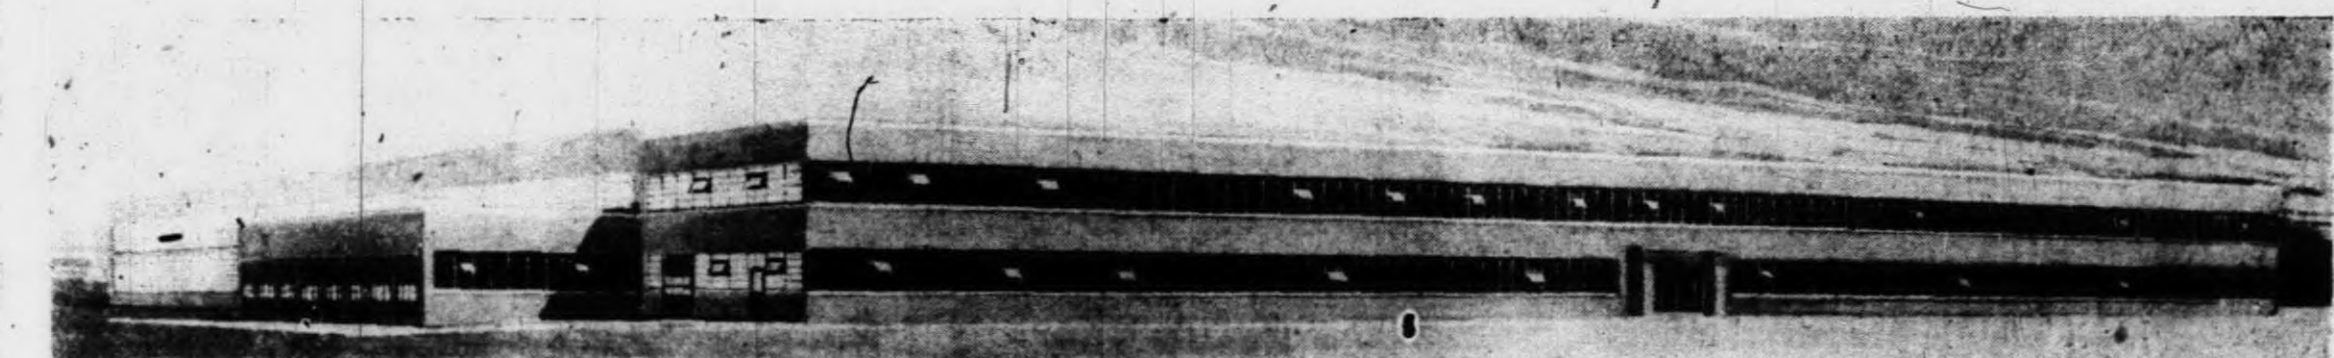

A dog suspected of being mad is reported to have bitten about a dozen dogs in the north end of the city Wednesday.

It is not known who the owner of the animal is, officials disclose, but action was taken to dispose of the dog.

Police department officials requests dog owners whose pets come in contact with the animal to call them immediately.

With the occurrence of this incident residents are again reminded to have their dogs vaccinated once a year, and to avoid touching a stray or sick dog. Stray dogs should be reported to the police, and any dog bitten should be treated immediately.

General Motors Plant to Be Constructed Near Plymouth

Destined to be one of the largest and finest plants in the Plymouth area is the building which the General Motors corporation plans to begin work on immediately, between Middlebelt and Inkster roads on Plymouth road. Announcement of the corporation's expansion plans was made Monday by Jesse Ziegler, Livonia township supervisor.

A release from the corporation states that the new plant will be "a new unit of the Detroit Transmission division of General Motors, containing about a quarter of a million square feet of floor space."

V. A. Olsen, general manager of the division disclosed that the unit will function for the present as a feeder for the main plant. The release further read that "There is area at the new site for further expansion when necessary."

"Detroit Transmission, producer of the Hydra-Matic transmissions used widely on Cadillac, Oldsmobile and Pontiac cars, has been manufacturing them at a rate of 2,000 per day. Increasing demand has made it necessary

to expand plant space facilities. "In the nine years of its operation on Hydra-Matic, Detroit Transmission division has produced 900,000 units."

"The main manufacturing section of the new building is to be of one-story construction, with two stories on the front to accommodate offices. Receiving and shipping docks and railroad sid-

ing with overhead cranes will be located on the west side of the plant. "Every attention will be given to facilities for employees, such as a modern plant hospital, cafeteria, locker rooms and ample parking space. Approximately 1,500 will be employed in the new unit."

Louis Schmidt Resigns To Take Clarenceville Superintendency

Louis E. Schmidt, principal of the Plymouth High school, has been named superintendent of the Clarenceville School District, to fill the vacancy created by the resignation of M. J. Beiser, it was announced Monday evening.

The announcement was made following the regular meeting of the Clarenceville Board of Education held Monday evening at the Clarenceville High School. A large group of residents of the Clarenceville School District attended the meeting.

Beiser's resignation was accepted by the Board of Education following his appointment as superintendent of schools at Eaton Rapids, Michigan, where he will fill the position once held by Helmar Nelson of this city.

Schmidt has been principal of the Plymouth High School for the past three years. He is 39 years old, is married and has two youngsters. Schmidt served in

Principal L. E. Schmidt

the Navy during the last war, rising to the rank of Lieutenant. He served in the Navy educational branch during the war. At the present time Schmidt is working on his doctor's degree at the University of Michigan. He is expected to take over his new duties August 15.

A reception for the new Clarenceville superintendent will be held August 19 at the Clarenceville High School. The reception is being sponsored by the Clarenceville Parent Teachers Association.

In Springfield, Illinois, Symphony Conductor Constantine Johns, raising his arms for the opening chord of Faust, dislocated his back, spent the next six weeks in the hospital.

Township Clerk

LOCAL News

Mrs. Merrill Walker returned to her home in Owosso Wednesday night after spending several days with her parents, Mr. and Mrs. Thomas Moss of Ann Arbor trail.

Mrs. Russell Dettling, Mrs. Irene Bocik, Mrs. M. G. McGraw and Mrs. Sed Donovan will return this weekend from a month's motor trip to California.

Nancy Colwell, daughter of Mr. and Mrs. Clayton Colwell of East Side drive, celebrated her fifth birthday with a party Wednesday afternoon when about 12 little friends joined her in games and dainty refreshments.

Henry Lorenz and daughter, Dorothy, returned Sunday from a two weeks' visit with relatives in Langdon, North Dakota.

Mrs. C. B. Levering entertained at tea Thursday of last week Mrs. Clarence Moore, and her house guests, Mrs. C. Moore and Miss Aspell of Newton.

Mrs. Miller Ross has returned from Cavanaugh lake where she was the guest of Mrs. B. R. Donaldson of Dearborn.

Mr. and Mrs. Arthur Rogers and daughter, Marion and son, Kenneth, of Washington, D. C., are visiting in the home of her sister, Mrs. Colvin Cooley and family for three weeks.

Mrs. E. M. Moles, who with Mr. Moles has spent the summer in the home of her sister and husband, Mr. and Mrs. Jack Taylor, and who will soon be returning to their home in Bradenton, Florida, was the honored guest at a luncheon Thursday given by Mrs. Taylor and sister, Mrs. Ralph West in the Taylor home on Sunset avenue.

Mr. and Mrs. Harold Granger are motoring in the east visiting Philadelphia, Washington, New York and Boston, where his sister resides.

Mr. and Mrs. Hugh Archer, who have resided in Plymouth the past few years, have moved to Pontiac where they formerly resided.

Mrs. Milton Curtis and daughter, Sharon, who had visited in Irvin, Kentucky the past three weeks, arrived home Saturday with Mr. Curtis, who joined them there for a few days. Before returning they visited the Smoky mountains.

Mr. and Mrs. Lawrence Egland of Wyandotte and Mr. and Mrs. Orlyn Lewis of Ypsilanti spent the weekend with their parents, Mr. and Mrs. Carlton Lewis.

Mr. and Mrs. T. J. Rice, who have been spending the summer months at their cabin on Fife lake, recently entertained Mr. and Mrs. Earl Beckel and children of Northville.

Mr. and Mrs. Charles Sawyer and children of Columbus, Ohio, plan to spend the weekend with her parents, Mr. and Mrs. O. E. Rooker.

The birthday anniversary of Harold Young was celebrated with a porch supper and theater party, Monday evening, when Mr. and Mrs. Miller Ross were hosts to both Mr. and Mrs. Young.

Mr. and Mrs. Randall Schuett, Mr. and Mrs. Jack Selle and Mr. and Mrs. Russell Powell enjoyed dinner in Detroit Tuesday evening in celebration of the latter's ninth wedding anniversary.

Mr. and Mrs. Ray Covell and daughter, Brenda Jane spent Sunday with his parents, Mr. and Mrs. Byron Covell in Britton.

Mrs. Lottie Jones has been spending this week with her son in Coleman.

Mr. and Mrs. Chris Wessendorf of Toledo, Ohio, were guests Sunday of their cousins, Mr. and Mrs. O. E. Rooker, on Sheridan avenue.

Ruth Campbell, U. of M. student, will spend the weekend in Cleveland, Ohio, attending the wedding of her sorority sister, Pat Hayes, and James O'Connor, both U. of M. graduates. The service will be read on Saturday in the Episcopal church and Miss Campbell will be the soloist.

Mr. and Mrs. Russell Travis entertained Saturday evening at a picnic supper, having as their guests Mr. and Mrs. Ray Covell, Mr. and Mrs. Henry Holcomb and Mr. and Mrs. Harry Christensen.

Mr. and Mrs. Fletcher Campbell have been touring northern Michigan the past week returning by boat from Alpena.

Mrs. Ada Heintz and daughter, Virginia, plan to leave Monday on a two weeks' motor trip through the western states.

Mr. and Mrs. Lee Sowles will spend the next two weeks in northern Michigan.

Mr. and Mrs. Miller Ross spent Friday evening in Jackson.

Mr. and Mrs. Lloyd Horn and children of Pennville, Indiana, will arrive Tuesday to be the guests of Mr. and Mrs. Jack Taylor at their summer home at Base lake.

A farewell supper was given by Mrs. Albert Minehart and family in honor of Rev. and Mrs. E. R. Stuempfig and family of Clarenceville. The former has accepted a position in an Iowa church. After the supper the young people of the church met for a weiner roast at the Log Cabin. Other activities of the evening were swimming and boating on Lake Karen on the Colony Farm. The young people were the guests of Delores and Lois Minehart and Charles and Raymond Finney.

Stores Display New Trophies

At the conclusion of their play-offs, trophies will be given to the winners in the men's open softball league and to the winner in the girls' league. Mayor Frank Henderson will award the trophies to the winning teams.

The men's trophies are on display in the window of the Davis and Lent men's store and the girls' trophies are on display in the window of the Norma Cassady women's store.

A team trophy, the Evan's trophy, will be given to the sponsor of the winning team in the men's league. Beglinger Oldsmobile received the trophy last season.

In the near future medals will be given to the Harold Dietrich club of Wayne, the winner of the Class D Western Wayne league. These medals will be on display before too long.

Family Tells of Tomato Results

"There is no excuse for each family not having their own tomatoes for table use if they have a sunny spot in their yard."
This is the belief of Mr. and Mrs. Clifford Smith of Dewey street who have 18 plants, which have been trimmed and staked, and which are producing more than daily needs in an area two and a half feet by 12 feet.
Several of the plants are over even feet high, and are still reported growing. They were planted April 26, and kept covered in a few of the cold nights. Current results have been made possible by use of a tub of fertilizer, old leaves, a handful of milorganite for each plant, and careful tying up to stakes with narrow strips of cloth, the Smiths report.
This is the fourth year the plants have grown on the same spot, which is between the driveway and the south side of the brick house.

NEW INDIAN STAMPS . . . The new free and independent government of India is wasting no time in catching up on the personal touches of government. Stamps for the country were ordered in Switzerland. Above, a Swiss artist is shown giving the stamp design the finishing touches before the stamp is sent to the engravers.

Plan Steaks For 62nd Anniversary

Monday, Mr. and Mrs. Harry Robinson are going to celebrate their 62nd wedding anniversary. "But there's going to be no roast turkey, no young chicken, no duck, for our wedding feast," asserted Mr. Robinson yesterday. "We're going over to Harrow, Canada, down on the north coast of Lake Erie where they serve the biggest, tenderest, juiciest steaks you can find on this side of Cheyenne, Wyoming. Then after we eat those big, juicy steaks, we are going to roll up in some big easy chairs and snooze for three days. The only person we are going to have at our big celebration is Miss Rose Hawthorne. She's going along to see that the old bus doesn't go into the gutter," explained the groom of 62 years ago.

Old timers recall the wedding of Plymouth's "rising young lively stable owner" to one of the most popular country girls in this part of Wayne county as one of the big social events of the year 1886. The couple have always lived in Plymouth or near here.

From the Philadelphia Inquirer: "Knowles had been in a hospital for the last month as an habitual alcoholic. Police issued orders for his arrest."

Production Starts on Frostguards

Production of the "Evans Frostguard" got underway at the Evans Products company's Plymouth plant on Monday, August 9, an announcement from officials discloses.

The Frostguard, described in an article which appeared in a recent issue of The Mail, utilizes infra-red rays to prevent frost damage to vegetation.

R. B. Evans, executive vice-president, said that sufficient materials are now on hand for an initial run of 2,000 units, with 10,000 scheduled to be built in the next six months.

Developed by Michigan State college after several years of experimenting with all known methods of frost control, the "Frostguard" applies the deep heat principle of physical therapy to plant protection and in hundreds of field tests over a ten-state area has provided protection without failure down to temperatures of 26-degrees F and lower, college officials state.

MSC has assigned patent rights to Evans Products who will produce the machine for Evans Industries, headed by William H. Leininger, in the National Bank building as the distributing company for the unit. Priced to retail at \$350, MSC receives a royalty on every unit for further agricultural research.

Heart of the control apparatus is a stainless steel combustion chamber mounted on tubular steel supports twelve feet above the ground. Kerosene pumped to the chamber from drums on the ground generates heat up to 1500 degrees F. or higher. By the design of the combustion chamber, radiant energy from the lower section flows directly to nearby crops, while rays from the upper chamber strike an overhead canopy-type aluminum reflector and are "bounced" to outlying vegetation. One Frostguard protects an area of approximately one acre.

Mr. Leininger stated that first production units were being assigned to distributors, who have already been signed up for approximately half the domestic territory, in time for crop protection against early autumn frosts. A sizeable export market is also indicated, Mr. Leininger said.

Lions Committees, Speaker Named

Immediate past district governor of the Lions club, Jack Gilliland, will speak to members of the Plymouth club at their next regular meeting, on Thursday, August 19, in the Hotel Mayflower.

As his topic Mr. Gilliland has chosen "Projected Books". Officials of the local club have pointed out that it has been through his efforts that Lions clubs have been so highly active in obtaining ceiling projectors for invalids and shut-ins.

President Norman Marquis has also announced the following committee appointments. In the administrative group he listed Allan Giles chairman of the attendance committee; Nandino Perlongo, constitution and by-laws; George Witkowski, convention; James Edelbrook, finance; Bruce Richards, membership; Myrn Smith, program; and Carl Eby, publicity and bulletin. The various activities committees and their chairmen are as follows: Harvey Cooper, boys and girls committee; William Fehlig, citizenship and patriotism; Max Todd, civic improvement and community betterment; Albert McClow, education; James Jones, health and welfare; Clarence Denhoff, safety; Randall Schuette, sight conservation and blind; Jack Beckman, greeting committee; George Witkowski, United Nations committee.

Last Thursday, August 5, 24 members of the organization and their guests and families held a picnic at Cass Benton park. Following the dinner, a baseball game between the Cooper and McClow teams ensued. The latter team won 9-8. Upon conclusion of the game, community singing and games took place.

In Fargo, North Dakota, a meeting to discuss the advisability of road improvement was postponed when delegates were kept home by muddy roads.

In Culver City, California, seven firemen on a fire truck dashed to a manhole fire, stood by as their captain, Bob Lowry, put it out with his hat.

Real Estate
\$800 Down, 4 Room Home
You won't believe it but it's true. For the above amount paid-down your renting days are over. The house was built in 1943. Having a living room, kitchen, 2 bed rooms and a 80 by 125 lot size. Total price is \$3200.

Beautiful Brick Ranch Home
A home that will reap a tidy profit. At present it is not yet finished. Owner wishes to get his equity and that is accounting for just materials. When you see it, you will be able to appraise it. "L" shape living room, 2 bed rooms, bath, kitchen, picture window, sand stone fireplace, large utility room, attached garage. Nice size lot. Cement drive to the house. THE PRICE IS \$6500 CASH.

\$1000 Down will
buy you a home out of town. 6 rooms in all. The house needs repairs but for the total price of \$4300, your money will be well spent. A new utility room has recently been built that consists of a hot air furnace, lavatory, laundry tubs, and bed room. A small cement 3 room house is also included in this price. Take a look and see the possibilities.

7 ROOMS, OIL HEAT
Just out of town where living is wholesome. The house itself is in excellent condition. Consisting of a living room, dining room, 2 bedrooms, kitchen and an enclosed small porch on the first floor. 1 large bedroom and bath on the 2nd. Full basement with automatic hot water heater, tubs, and compartments. 2 car garage. The lot size is 129 by 205.

4 Bedrooms, GAS HEAT, Over 1 Acre
Frontage is 153 ft. on Newburg Road. 30 apple and pears, fruit trees. Large chicken house, 1 car garage. The house has all large rooms. Modern kitchen, dining room with bay window, 14 by 26 living room, 1 bed room on the first floor, 2nd floor having 3 large bedrooms & bath. Basement has lavatory, tubs, automatic hot water heater and compartments. Contract will be held by the owner. Call us about this super listing. Price \$11500.

4-H WINNER . . . Richard Hedstrom, 13-year-old, of Mankato, Kans., won top honors this year in the Kansas state finals of the extended "Chicken-of-Tomorrow" contest. The youthful 4-H club member is here shown with trophy presented to him by A. & P. food stores, sponsors of the competition to produce a quicker-growing, meatier bird.

In Goldsboro, North Carolina, Brantley Rose was sentenced to 13 years in prison, managed to get one year knocked off when he protested that he was superstitious.

You can send a message around the world in one seventh of a second, yet it may take years to force a simple idea through a quarter inch of human skull.

From the Wallate, Idaho Press Times: "Japanese welcomed their new constitution by happily mobbing Emperor Hirohito while their band played the famed U.S. military march Stars and Strikes Forever."

LEGALS

Atty. J. Rusting Cutler, 193 N. Main St. Plymouth, Mich. STATE OF MICHIGAN, COUNTY OF WAYNE, ss. No. 351,372

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-first day of July in the year one thousand nine hundred and forty-eight.

Present Thomas C. Murphy, Judge of Probate.

In the Matter of the Estate of WILLIAM BARTEL, Deceased.

George Bartel, Administrator of said Estate, having this day rendered to said court his first and final account in said matter and filed herewith his petition praying that the residue of said estate be assigned to the person or persons entitled thereto.

It is ordered, That the ninth day of September, next, at ten o'clock P.M. in the forenoon before Judge James H. Sexton, at said Court Room be appointed for examining and allowing said account and for hearing.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

THOMAS C. MURPHY, Judge of Probate. (A true copy) THOMAS F. McMILLAN, Deputy Probate Register. July 30 - Aug. 6-13, 1948

Youthful Golfers

Score Upsets In City Tournament

Results of the first round of match play in the third annual city golf tournament last Sunday at Hilltop golf club, has thrown the spotlight on two of Plymouth's younger golfers who scored victories over opponents that had been earmarked as favorites by most of the spectators.

Tom Lock, city champion of 1946, was defeated by Harold Schultz, to score the first upset of the day. Lock had taken low medalist honors with a par 72 during the qualifying rounds last Saturday, and was a heavy favorite to go through to the finals.

The other upset occurred when Larry Bentley, youthful golfer from Rosedale Gardens, defeated Jack Palmer, another favorite. Bentley was two down at the end of the first nine holes of play, but blazed around the next nine with a spectacular 33, three under par, to win 2-1 for the 18.

Defending champion, George Todd, was successful in his first match in defeating Sam Coffee, one-up. Todd and Coffee were all even going into the 16th hole, when the defending champion rammed down a 15 ft. putt for a birdie, three to go one up, and halved the 17th and 18th with par fours to end the match.

Other matches in the championship flight found Al Owens winning over Larry Moe, one up in 18 holes; Robert Oakley defeated Jack McAllister, 5-4; Herbert Burley defeated James McAllister, 2-1; Robert Johnston defeated James Meyers, 2-1 and Ellwood Russell defeated William McAllister, 4-3.

First flight results were as follows: William Morgan defeated Beryl Bolin, 2-1; Carroll Lee defeated George Dennis, 2-1; Elton McAllister defeated Don Burleson, 2-1; Rockwell Smith defeated Jake Shoemaker, 1 up; Al Richards defeated Alston Robinson, 1 up; W. Woods defeated Russell Egloff, 2 up; Gordon defeated H. Bowers, 1 up and G. Lancaster defeated Richard Daane, 4-3.

In the second flight Dick Erlin defeated Earl Markham, 2 up; George Kenyon defeated Frank Heike, 3-2; Lee Card defeated Walter Patrick, 3-2; Al Krizman defeated Marvin Partridge 5-4; Paul Richards defeated Hugo Russell, 3-2; Vaughan Smith defeated Andrew Wedge, 1 up; Jerry Engle defeated Bob Ross, 4-3; Clifford Swarbrick defeated E. K. Patrick, 4-3.

Third flight results were Douglas Jetter defeated Jerry Walch, 4-3; Bill Waite defeated C. A. Hoffman, 4-2; Marvin Terry defeated William Ottwell, 1 up in 20 holes; Warren Hoffman defeated James Wellman, 7-6; Robert Norgren defeated L. B. Rice, 2-1; Jack Beckman defeated C. M. Hoffman, 4-3; Joseph Martin defeated William Kaye, 2-1; and John Gaffield defeated Douglas Miller, 1 up in 19 holes.

Fourth flight winners were Alfred Crain who took a bye for the first match; Donald Johnson defeated William Erdelyi, 6-5; W. S. McAllister defeated Harold Villerot on a bye; Carl Groth defeated Henry Jensen, 1 up; Bill Darnell defeated Douglas Sutterfield, 1 up; Robert Stewart defeated Jerry Veitese, 5-4; James Belobraydic defeated Harold Carson, 3-2; Henry Levering defeated Walter Jendrycka, 3-1.

The second and third rounds of the tournament will be played tomorrow, Saturday, August 14, and Sunday, August 15. The finals will be played the following, Saturday, August 15.

Pairings for the matches tomorrow starting at 12 noon will be as follows: Championship flight, Harold Schultz vs. Robert Oakley, Herbert Burley vs. Al Owens, Robert Johnston vs. George Todd, and Ellwood Russell vs. Larry Bentley.

First flight, William Morgan vs. Carroll Lee, Elton McAllister vs. Rockwell Smith, Al Richards vs. W. Woods, Gordon Moe vs. George Lancaster.

Second flight, Richard Erlin vs. George Kenyon, Lee Card vs. Al Krizman, Paul Richards vs. Vaughan Smith, Jerry Engle vs. Clifford Swarbrick.

Third flight, Douglas Jetter vs. William Waite, Marvin vs. Warren Hoffman, Robert Norgren vs. Jack Beckman, Joseph Martin vs. John Gaffield.

Fourth flight, Al Crain vs. Don Johnson, W. S. McAllister vs. Carl Groth, William Darnell vs. Robert Stewart, and James Belobraydic vs. Henry Levering.

Hilltop golf club has extended a cordial invitation to all who would like to view the matches, and announces that the course will be closed from 12 noon until 4 p. m. for the tournament.

In Los Angeles, Raymond Bobbitt was arrested by Detective Elva Bartlett for stealing a box of chocolates in the Thrifty Drug Store, was sent to prison, served 18 months, got out, was presently arrested by Detective Elva Bartlett for stealing a box of chocolates in the Thrifty Drug Store.

Social items can be phoned to 1755.

Kiwians Hear of Plymouth's Building Needs

(Continued from page 1)

he emphasized that the city must have control over its building codes, and added that it will, in all likelihood, be necessary to extend the city limits to alleviate the possibility of mushrooming housing growths around the factories which are closing around the city.

Also, by giving the working man a stake, meaning a home, in the community, it will give him a sense of security in the city which nothing else do, Leininger contended.

Charles Beegle was in charge of the meeting, and the evening's speaker was introduced by Charles Lindstrom, president of the Chamber of Commerce. Special guests at the meeting were members of the city commission, and board of directors of the Chamber of Commerce.

After a year of experimentation with private lines, Jackson and Balch asked Thomas A. Watson, Bell's assistant, to come to Detroit to advise them on technical problems regarding the organization of an exchange. This Watson did and later personally arranged for the shipment of a small switchboard from Boston.

From such modest beginnings, Michigan Bell has enlarged its facilities to serve over 1,600,000 telephones. It has grown as much in the last eight years as in the preceding 62 years. With its five-year, postwar construction program of \$220,000,000 at the half-way mark, the company has succeeded in cutting its waiting list from a high 127,000 at V-J Day to 30,000 today while meeting the greatest demand for new service on record.

The Plymouth library exhibit has been prepared so that everyone who is unable to visit the Freedom Train may have an opportunity to study these historic papers. An abundance of fact is brought to attention in the chronological arrangement of the documents on display.

First of the documents is the letter Christopher Columbus wrote in 1493 to the noble Lord Raphael Sanchez, treasurer to their most invincible Majesties, Ferdinand and Isabella, King and Queen of Spain. The display at the library ends with the Proclamation of the Independence of the Philippines, signed by President Harry S. Truman in 1946.

Between these dates come important papers attesting to the acts and thoughts of the men of American history. John Peter Zenger in 1735 and George Hay in 1799 utilized the might of their pens to defend the freedom of the press. George Washington did not stand alone when he wrote, "to bigotry no sanction, to persecution no assistance." In the course of history other documents and other names testify to the persistence over many years of faith for the preservation of our freedoms.

Such names as Benjamin Franklin, Thomas Paine, Thomas Jefferson, John Paul Jones, Francis Scott Key, Susan B. Anthony and Elizabeth Cady Stanton find representation in these documents of freedom along with George Washington and Abraham Lincoln.

Members of the library staff will be glad to give assistance in finding the answers to any history questions which library visitors may have about the documents, and Mrs. Ada Murray, branch librarian, urged that children be encouraged to take this opportunity to see the display.

Wagner Reports on City's Music Organizations

(Continued from page 1)

solist. The potential membership is 60, he estimates, a number which is between 12 and 14 larger than last year's. The first rehearsal will be held on September 27.

The initial rehearsal of the civic chorus will be held in all probability the latter part of October, Mr. Wagner states. This year they will present the "Messiah" at Christmas time for the second presentation.

Questioned on this year's high school band, Mr. Wagner forwarded the belief that it will be the largest in this area, with 81 musicians making up the marching band. This number is 10 larger than last year's organization. Already invitations have been received from three colleges, asking the band to play during football games, Mr. Wagner announces. They were extended by the University of Toledo, Michigan State Normal at Ypsilanti, and Wayne university. An extensive program is being planned already for the marching band at numerous high school games. Whether the college invitations will be accepted or not, depends on Plymouth High school's football schedule, Wagner explained.

The whole secret of life is to be interested in one thing profoundly and in a thousand things well.

Bell Observes 70th Anniversary

The Michigan Bell Telephone company is quietly observing the 70th birthday of the telephone in the state, while engaging in the largest construction and improvement program in its history.

J. R. Saxton, manager in Plymouth for the company, pointed out that the first telephone exchange serving 53 subscribers was opened at Detroit on August 5, 1878, by the Telephone and Telegraph construction company, direct ancestor of Michigan Bell.

Five weeks later, the first directory of subscribers to the "speaking telephone" system was published. It listed 133 customers but no numbers.

The license to operate a telephone company under Alexander Graham Bell's patents was obtained by William A. Jackson and George W. Balch through direct negotiation with the great inventor himself and Gardiner G. Hubbard, Bell's father-in-law and business agent.

After a year of experimentation with private lines, Jackson and Balch asked Thomas A. Watson, Bell's assistant, to come to Detroit to advise them on technical problems regarding the organization of an exchange. This Watson did and later personally arranged for the shipment of a small switchboard from Boston.

From such modest beginnings, Michigan Bell has enlarged its facilities to serve over 1,600,000 telephones. It has grown as much in the last eight years as in the preceding 62 years. With its five-year, postwar construction program of \$220,000,000 at the half-way mark, the company has succeeded in cutting its waiting list from a high 127,000 at V-J Day to 30,000 today while meeting the greatest demand for new service on record.

Maccabee News

All members who are interested in an anniversary banquet the last of September are asked to come to the meeting on Wednesday, August 18, to discuss the program. If you are interested in securing a ticket, call Mrs. Granger or your group leader.

In Murfreesboro, Tennessee, Herman Robertson sued Clyde Hunter for \$1,500 damages, declared that Hunter had bitten off his lip, and that consequently his plow mule no longer understood his directions.

In Tokyo, Pfc. William C. Smith, an MP on duty at the war crimes trials, contritely apologized for sticking chewing gum in former Premier Hideki Tojo's earphones.

John Chapman Funeral Is Today

(Continued from page 1)

mouth-DeSoto dealer in the city. The Rev. Henry J. Walch, D. D. will officiate at this afternoon's funeral, and hymns will be rendered on the organ by Mrs. Alta Woodworth. The active pallbearers will be Alvin Collins, Lloyd Carson, Frank Davis, Francis Karker, Vern Miller and Romeo Wood. Interment will be in Riverside cemetery.

Surviving Mr. Chapman are his two sisters, Mrs. Anna Dowley of Spring Harbor and Mrs. Nina Vintz of Jackson; three nieces, Mrs. Beulah Sealock and Mrs. Alice Garb, both of Texas City, Texas; and Mrs. M. M. Moore of Alvin, Texas; three nephews, J. R. Cornwall of Kansas City, Kansas; C. L. and C. S. Cornwall both of Texas City, Texas; other relatives and many friends.

Patrol Recovers Stolen Motorcycle

Last weekend a thief made off with a motorcycle parked directly in front of the home of its owner.

On Saturday evening, August 7, Laverne Rutenbar, of 142 Pearl street, reported to Sheriff Edward Behrendt's road patrol that his Harley Davidson motorcycle had been stolen between the hours of 10 and 11 p. m. He had left it, he explained, in front of his home.

The road patrol later recovered the motorcycle on Van Born road in Nankin township, where it had been abandoned by the thief.

Saxton Announces New Service for Rural Telephone Customers

(Continued from page 1)

The letter and following numeral, called a ringing code, tells the operator how to signal the correct party on a line.

New numbers would be effective early in October when a new Plymouth telephone directory will be distributed. Saxton said. New number plates for all telephones also will be mailed at that time.

The closing date for information to be included in the next directory is August 23.

Daisy Girls and Rosedale Gardens Meet in Finals at 7:30 Monday Eve

The finals of the Girls league will be played Monday evening at 7:30 on the high school diamond, between Daisy and the Rosedale Gardens Beauty Shop. Daisy has not lost a game in the playoffs as yet while Rosedale has lost one contest to Daisy. If Rosedale wins Monday night another game will be played Wednesday, August 18, at 7:30, otherwise the season will be concluded with Daisy the champion.

Rosedale lost their initial game of the playoffs on Thursday, August 5, when Daisy tallied a run in the ninth inning to win 7-6. Betty Ross, Daisy first baseman, led off the victorious ninth inning with a long smash to the track in right field for an automatic double. Irene Sowa then drove a hard grounder to the left of the second baseman Siluiski who batted the ball down. While this was occurring Betty Ross sped home for the winning run.

Betty Ross and Irene Sowa highlighted the offensive fireworks for Daisy, each collecting three hits including one triple and two doubles. Marge Sowa held the losers to four scattered hits to win this all-important contest.

Last Monday evening at DeHoCo Daisy won their second playoff victory 15-5 to advance into the finals. Three homers were hit by Daisy, one each by Irene Sowa, Betty Ross and Pauline Shields.

The four divisions of the tournament are boys junior, 17 and under, girls open age, men's singles, and men's doubles.

The deadline for entries is tomorrow, Saturday. Those desiring to enter can call Wayne 3605 by tomorrow or be at the recreation office tomorrow morning from 10:30 to 11. The following information has to be given; the division you are entering, name, address and telephone number.

To the winners will be given trophies and to the runner-ups will be given medals.

Sunday Win Puts Utilities Nine in Division Lead

The regular Class B Inter-County season was concluded Sunday with Plymouth Utilities taking the number one position in the Red division. Utilities stopped Al Rogers 4-0 last Sunday, with Hartner pitching eight hit ball for the victory.

Although Allen Industries lost to Wayne 6-5 Sunday, they are in the playoffs with an 8-8 record which is good enough for fourth place in the Red division. Gil Perry was the losing pitcher for Allen.

In the Class A playoffs Sunday, Local 142 was eliminated by Sellgren Buick 4-3. The winners tallied two runs in the ninth to remain in the playoffs. Local 142 muffed a chance to tie the game in the ninth when one of their players missed second base on his way to third. After the game was over the player and the umpire had a little fist-cuffs with the contest being called a draw. The player was sure he had touched the base.

The player who attacked the umpire after the Sellgren Buick-Local 142 contest is Jack Piscopink, an outfielder. Piscopink has been handed a stiff punishment for his pugilistic instincts on Sunday afternoon. He has suspended from the league for one year and from all athletics for about the same length of time. This was a serious offense and was handled accordingly.

The Rippy, Red Birds, were dropped out of the playoffs by E & L Transport, losing 8-2. Romulus Air Base defeated UAW 600, 6-2 to remain on top in the playoffs tied with Eddie's.

The men's league has concluded its regular season with three teams, Nick's, DeHoCo, and Olds entering the playoffs which started this past week.

Two significant games were played in the last week of the regular season. Nick's stopped DeHoCo, 2-0 to become the pennant winner of the league and Olds edged Daisy 2-1 Tuesday, August 10, to keep the latter out of the playoffs.

Playing before a crowd of approximately 2,000 on Friday evening at DeHoCo, Nick's and DeHoCo put on quite a battle before Nick's won in the eleventh inning on a home run by Bill Beutal. Bill Ball of DeHoCo and Tom Woods of Nick's pitched shut out ball for ten innings before the homer in the 11th. Ball had the better of the pitcher's battle for only two hits were collected by Nick's while DeHoCo had seven hits off of deliveries of Woods.

The fateful game for Daisy was also a close tilt as Don Leichweiss outpitched Wellman to give Olds the victory. Daisy tallied their only run in the fifth inning. Olds scored one run in the first when Harold DeWulf singled, and went around when Doug Egloff was hit by the pitcher and on a fielder's choice by Leichweiss. The winning run came in, in the fifth stanza on singles by Folino and Bonji plus Willie's ground out. Each team had but three hits but Olds put their hits together in the fifth to score the deciding tally.

The playoffs began this past Wednesday on a two game knock-out basis and continue Monday, Wednesday and Friday. Nick's will play either Olds or DeHoCo Monday.

Olds Drops Daisy From Playoffs

Playing before a crowd of approximately 2,000 on Friday evening at DeHoCo, Nick's and DeHoCo put on quite a battle before Nick's won in the eleventh inning on a home run by Bill Beutal. Bill Ball of DeHoCo and Tom Woods of Nick's pitched shut out ball for ten innings before the homer in the 11th. Ball had the better of the pitcher's battle for only two hits were collected by Nick's while DeHoCo had seven hits off of deliveries of Woods.

Plymouth Team Plays in League in Northville

The only Plymouth squad entered in the Northville men's league is the Plymouth Local 1312 I. A. of M. of Wall Wire.

Managed by Ken Norry, the Plymouth team is in fourth place in the Northville league. They finished their regular season in fourth place and they are now in the midst of their league playoffs.

Inter-County A-B Playoff Slated

This Sunday there will be a full schedule of playoffs.

In Class A the two teams that are undefeated thus far, Eddie's and Romulus Air Base, meet at Recreation park in Ypsilanti at 3 p. m. Other Class A games on tap are Local 600 and First National Bank on the Riverside diamond at 3:30 p. m., and E&L Transport is at Nankin Mills to play Sellgren Buick at 3 p. m. The last four mentioned teams have a 1-1 record in the playoffs.

The Class B Red and White division begin their playoffs Sunday. Wayne is at Plymouth Utilities at 1 p. m. on the Riverside diamond. Plymouth Allen travels to the Clarenceville High school diamond at 3 p. m. to play Clarenceville. Other games are Trenton vs. Grandale at Cass Benton at 2:30 p. m. and Garden City vs. Rogers at Inkster park at 3 p. m.

Bankers Lose Sunday Game

The first National Bank team lost the first game at the playoffs on Sunday, August 8, to Eddie Lounge by a score of 17-5.

George Molnar was the starting hurler and Don McSween and Jim Miller relieved him. Martin Smith was behind the plate.

It was a bad day for the pitchers, reported to be caused by numerous errors in the field.

Sunday the team will play the Ford All-Star Local 600 at Riverside Park at 3:30 p. m.

Class D Officials Asked To Meet

Herb Woolweaver, recreation director, has announced that there will be a meeting of the Western Wayne league managers Monday, August 16, at 7 p. m. in the recreation office in the Plymouth city hall.

This meeting is for the purpose of selecting an all-star team to play on August 24 in Plymouth. Wayne will also be awarded the medals on that evening. Managers are asked to send a representative if they can not possibly be present at this meeting.

The recreation department announces that the playgrounds will close Friday, August 20, for the remainder of the summer.

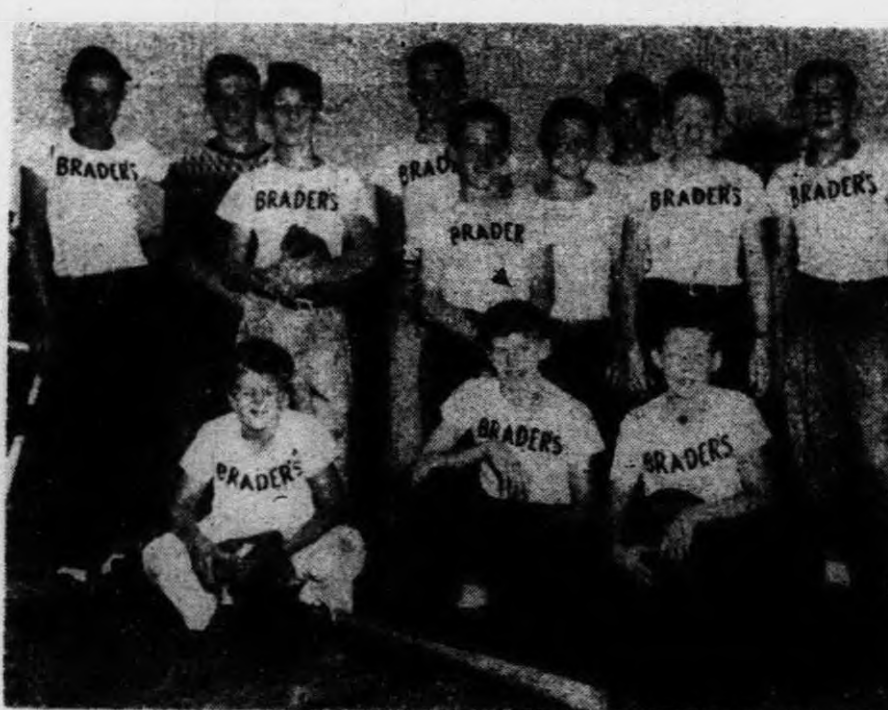

In Wichita, a two-pound package from China arrived, bearing postage of \$1,195,000 (Chinese), was held up in the postoffice for lack of sufficient postage (15c more).

Teen-Age Dance Deemed Success

"The teen-age dance was a huge success," states Miss Dolores Loewe, assistant athletic director. The dance, the second of the summer sponsored by the recreation department, was held in the high school gym on Wednesday, August 4. It was at first to be held on the tennis courts by the high school but cold weather halted that plan.

The third dance of the summer will be held in the high school gym on Wednesday, August 18. Evelyn Woods and her orchestra will furnish the music for the dance which is from 8:30 p. m. to 11:30 p. m. Admission will be 40 cents.

Little Rock Leaders

Northville Braders, first row, left to right: Eugene Rebitzke, Karl Rossow, Gary Hix. Second row: Kenneth Rowe, Lynwood Bastley, Eugene Boniovanni, Donald Graham, Weston Fitzpatrick, Tom Moshimer, Charles Rebitzke, Dennis Curl, and Tom Wick.

The leader of the youngest league in the Plymouth recreation program is pictured above. The Northville Braders of the Little Rock league have a powerful club, defeating most of their rivals by a lop-sided score.

The featured team of the week is entered in the Class F tournament to be held in Pontiac next Tuesday, Wednesday and Thursday. Entering the tourney with a record of ten victories and two defeats, the Northville squad is a strong contender for the championship honors.

To promote baseball among the younger children is the purpose of the Little Rock league.

Schedule of Games

Old Timer's League		
Tuesday, August 17	Dunn Steel vs Plymouth Grill	7:00 p.m. high school
	Liberty St. Hdwe. vs Bud Wilson	8:20 p.m. high school
	Allen Industries vs Contractors	7:00 p.m. high school
Thursday, August 19	Dunn Steel vs Contractors	7:00 p.m. high school
	Bud Wilson vs Plymouth Grill	8:20 p.m. high school
	Liberty St. Hdwe. vs Allen Industries	7:00 p.m. high school
Little Rock League		
Monday, August 16	Arscott vs North. Braders	10 a.m. high school
	Great Americans vs Firemen	10 a.m. Daisy field
	Yanks vs Plymouth Mail	10 a.m. high school
Thursday, August 19	Braders vs Great Americans	3:00 p.m. high school
	Yanks vs Arscott	3:00 p.m. Daisy field
	Plymouth Mail vs Firemen	3:00 p.m. high school

Final Benefit Program Carded for This Evening

The last benefit night games will be held tonight on the high school diamond, starting at 7:30 p. m. Plymouth teams have had great success on these benefit programs, winning the majority of the games against out-side opposition.

Tonight Nick's, the pennant winner of the men's league in Plymouth, will meet the Sergeant Stanley Romowski Pgm VFW team of Detroit at 7:30 p. m. The latter is in the Class A softball league.

Following the men's contest will be a girl's game, pitting Rosedale Garden's against the Willie Burns Atomics of Pontiac. The Willie Burns outfit is said to be one of the best teams in the Pontiac league.

Recreation Notes

In the shuffle board tournament held at the Central playground recently, Larry Wilhelm walked off with the honors. He defeated Bobby Stout in the semi-finals and then proceeded to whip Jim Wells in the finals. "The boys played a good brand of shuffle board," states Bill Farwell, Central playground supervisor.

Swimming at the Rouge pools will be concluded for the Plymouth group on Tuesday, August 24. On Tuesday and Thursday of last week, 85 and 110 children were in attendance. When there is cold weather such as last week the children will have to stop their swimming early.

This afternoon on the Central playground from 1 to 5 the children's Play Day will be held. A parade of the children is the first event, with prizes going to the children with the funniest, prettiest, and most original costumes. Following the parade will be several games and contests for the children 14 and under. Included among the games are Noah's Ark, team dodge ball, an orange battle and kick ball. Also on the docket will be an arts and crafts contest, a paper doll contest and a bubble gum contest. There will be other forms of entertainment for the youngsters.

Once again this fall six man football will be played. Herb Woolweaver, recreation director, is planning two weight groups known as Class A and Class B. Class A is 100 pounds or over and Class B is 99 pounds and under. All boys in the eighth grade and under are eligible for this type of football. There are 12 men on a squad. Coach Eddie Bender, mentor of the Plymouth High Rocks, will be the final judge on rules and type of play to be used.

Daisy Finally Stops Cardinals

It took four long, tedious years, but the Daisy boys team never said die and they finally defeated the Wiedman Cardinals twice in recent days.

On Wednesday, August 4, Daisy defeated the Cards for the first time 6-5. Max Stevens was the winning pitcher and Dewayne Becker the loser. George Hunter, Daisy left fielder, smashed a triple to left in the sixth to drive in the winning and tying runs. Tuesday evening, August 10, Daisy again took the measure of the Cardinals with Max Stevens again the winning pitcher. Stevens, who started pitching in mid-season for Daisy, won all three games for them. He aided his own cause in this tilt with a home run in the first inning with two mates aboard. Jack Scheel was the losing pitcher.

As the Cardinals went down, Wayne and Livonia Recreation advanced. Wayne stopped the Red Sox to clinch the league crown and a trip to the Class D Dearborn tournaments. Recreation went into second place last Tuesday as the Cards lost and Rec defeated the Red Sox 15-2. The previous night the Red Sox lost also to Recreation 8-5.

The winning Wayne squad took the championship rather easily and they ought to be in a good position to make a capable showing in the tournaments. Good ball clubs are supposed to be strong down the middle and Wayne certainly is that. Pitching is handled by Bill Bidwell. Behind the plate is heavy hitting Denny Piscopink and the second base combination is Norm Shedd and Bill Smith. Center field is patrolled by either Tooley or Bidwell depending on which is pitching.

Wayne Carded to Play Port Huron In Tournaments

The drawings for the Class D tournaments to be held in Dearborn, Tuesday, Wednesday and Thursday, August 17, 18 and 19 was held Monday morning in Dearborn. The opponent of the Western Wayne league representative, Wayne, was drawn and the diamond was selected for their game.

Wayne, which easily won the Class D Western Wayne league crown, is scheduled to play Port Huron at the Fordson High school diamond at 5 p. m. on Tuesday, August 17. The winner of that contest will play the victor of the Detroit-Roseville tilt on the Geer field Wednesday at the same time. The winner there will play the winner of the Van Dyke, Pontiac, Ecorse and Dearborn playdowns at Levagood diamond on Thursday at 5 p. m. The winner is the Class D champion of Michigan and will enter the national-D championships which will be held later in the summer or early fall.

Wayne now has the opportunity to select three battymen from the local league. Last season the Wiedman Cardinals, the league's second place club this season, went to the Class E tournament in Dearborn and lost an exciting battle to Inkster 8-7.

Week Schedule For Playgrounds

Monday: Central, Starkweather, Forest-Sutherland, 10 a. m. to noon, free play and sandbox; 1 to 2 p. m.; story hour; 2 to 3 p. m. street showers; 2:30 to 4:30 p. m. arts and crafts in recreation office; Central, 10 a. m. to noon, shuffleboard, class F organized baseball league; Starkweather, 10 a. m. to noon, baseball; 3 to 5 p. m. baseball and organized games, arts and crafts; Forest-Sutherland, 3 to 5 p. m. volley ball and horseshoes.

Tuesday: Central, Starkweather, Forest-Sutherland, 8:45 a. m. to 1 p. m. swimming at Rouge pools, free play at playgrounds; 1 to 2 p. m. story hour; 2 to 3 p. m. street showers; 3 to 5 p. m. arts and crafts, organized games, baseball; Forest-Sutherland 3 to 5 p. m. volley ball, horse shoes; Starkweather, 3 to 5 p. m. arts and crafts, organized games and singing.

Wednesday: Central, Starkweather, Forest-Sutherland, 10 a. m. to noon, sandbox and free play; 1 to 2 p. m. story hour; 2 to 3 p. m. street showers, arts and crafts, baseball, organized games, singing, volley ball at Forest-Sutherland.

Thursday: Central, Starkweather, Forest-Sutherland, 8:45 to 1 p. m. swimming, free play on playgrounds; 1 to 2 p. m. story hour; 2 to 3 p. m. street showers; 2 to 5 p. m. arts and crafts, baseball, organized games and singing.

Friday: Central, Starkweather, Forest-Sutherland, 10 a. m. to 2 p. m. story hour; 2 to 3 p. m. street showers; 2 to 5 p. m. arts and crafts, baseball, organized games and singing.

Wayne Carded to Play Port Huron In Tournaments

The drawings for the Class D tournaments to be held in Dearborn, Tuesday, Wednesday and Thursday, August 17, 18 and 19 was held Monday morning in Dearborn. The opponent of the Western Wayne league representative, Wayne, was drawn and the diamond was selected for their game.

Wayne, which easily won the Class D Western Wayne league crown, is scheduled to play Port Huron at the Fordson High school diamond at 5 p. m. on Tuesday, August 17. The winner of that contest will play the victor of the Detroit-Roseville tilt on the Geer field Wednesday at the same time. The winner there will play the winner of the Van Dyke, Pontiac, Ecorse and Dearborn playdowns at Levagood diamond on Thursday at 5 p. m. The winner is the Class D champion of Michigan and will enter the national-D championships which will be held later in the summer or early fall.

Wayne now has the opportunity to select three battymen from the local league. Last season the Wiedman Cardinals, the league's second place club this season, went to the Class E tournament in Dearborn and lost an exciting battle to Inkster 8-7.

Northville Enters Class F Tourney

A tie still exists in the Little Rock league with the Northville Braders and the Yanks tied with a 10-2 record. However, there is some question on the eligibility of one of the Yank players, with the result that the Yanks might have to forfeit a few games.

With that in mind the recreation department is sending the Braders to the Class F tournament to be held in Pontiac Tuesday, Wednesday and Thursday, August 17, 18 and 19. Northville has drawn a bye for the first round.

On Thursday, August 5, the Braders lost by forfeit to the Firemen, when the former used an ineligible player. Northville originally won 14-3. Also Thursday the Great Americans forfeited to the Yanks and the Plymouth Mail won by forfeit from the Arscott squad.

Winning 26-11 over the Plymouth Mail on Monday, the Braders stayed in a first place tie with the Yanks, who defeated the Firemen 9-0. Rorabacher hit a home run for the Yanks. The Firemen were only able to gather two hits off of the deliveries of David Finney, McGarry and Cowan were the hit getters.

Although Great Americans crushed Arscott Monday 33-1, they still lost by a forfeit because Bill Bingley had not transferred to the former. Bingley tossed the first no-hitter of the season in the Little Rock league in this game. Besides this titanic feat, Bill hit for the cycle including an extra home run. He had a single, double, triple and two homers in five trips to the plate. It was quite a performance for Bill, although his team lost by forfeit.

Class B Tourney Schedule is Set

The schedule for the state Class B softball tournament to be held in Plymouth, August 27, 28 and 29 has been set. Nine teams are scheduled to play on a two game knock-out basis.

The first round will be Friday, August 27, at 5 p. m. The second round will be Friday evening at 7 p. m., 8:15 p. m. and 9:30 p. m. The third round will be Saturday at 1 p. m. and 3 p. m. The finals will be on Sunday.

The Plymouth representative of the men's league will play Marshall in the first round. Other first round pairings are Ypsi and Garden City, Albion and Allen Park, Monroe and Melvindale. Mt. Clemens drew a bye for the first round.

Contractors Stay on Top as They Stop Bud Wilson for Third Time

Joe's Jottings

by Joe Miller

Everybody from the butcher and the baker to the sportswriter and the sportscaster is getting into the act, so we might as well give our opinion on the question of the day in the area, "What's wrong with the Tigers?" Because the Detroit metropolitan area has the best fans in the land the Detroit papers are swamped with letters from fans wanting to know what is exactly wrong with the Detroit Tigers.

The first thing the Tigers have to do is acquire a new general manager, one who will trade players and show some aggressiveness. The present general manager, Billy Evans, has accomplished but a few notable achievements. Those being the writing of two small pamphlets, "What's What in Baseball," and "Tiger Feats," plus getting rid of Rufus Gentry, the North Carolina coon hunter turned pitcher.

Before coming to the Tigers in his executive capacity, Evans was the general manager of the Boston and Cleveland clubs in the American league. If Evans is any good at all why didn't those clubs keep him? It is the first time we have ever heard of one man being general manager of three ball clubs.

Another thing that would help the bengals is the squeeze play, a forgotten art in most of the major league teams. Manager Steve O'Neil, an old time catcher for the Cleveland Indians, would do well to use this play. There are several instances in recent weeks where the Tigers had a chance to tie or win the game simply by squeezing the runner in from third base. Slout Stephan is a good manager, however, he also should acquire some aggressiveness which might inspire his players to try a bit harder.

If the Tigers do not pull out of their doldrums before long, the Detroit fans will see a second division club for years to come and the best fans in the world do not deserve that kind of baseball. The Tigers should have a top-notch team for they are one of the richest clubs in baseball.

In a few years the new farm system will start to pay dividends, but what of 1949 and 1950? That depends on Evans and O'Neil. If they play their cards right the Tigers might have an opportunity to finish in the first division, but in the eyes of the writer they do not have a chance to win the pennant before 1951.

Week Schedule For Playgrounds

Monday: Central, Starkweather, Forest-Sutherland, 10 a. m. to noon, free play and sandbox; 1 to 2 p. m.; story hour; 2 to 3 p. m. street showers; 2:30 to 4:30 p. m. arts and crafts in recreation office; Central, 10 a. m. to noon, shuffleboard, class F organized baseball league; Starkweather, 10 a. m. to noon, baseball; 3 to 5 p. m. baseball and organized games, arts and crafts; Forest-Sutherland, 3 to 5 p. m. volley ball and horseshoes.

Tuesday: Central, Starkweather, Forest-Sutherland, 8:45 a. m. to 1 p. m. swimming at Rouge pools, free play at playgrounds; 1 to 2 p. m. story hour; 2 to 3 p. m. street showers; 3 to 5 p. m. arts and crafts, organized games, baseball; Forest-Sutherland 3 to 5 p. m. volley ball, horse shoes; Starkweather, 3 to 5 p. m. arts and crafts, organized games and singing.

Wednesday: Central, Starkweather, Forest-Sutherland, 10 a. m. to noon, sandbox and free play; 1 to 2 p. m. story hour; 2 to 3 p. m. street showers, arts and crafts, baseball, organized games, singing, volley ball at Forest-Sutherland.

Thursday: Central, Starkweather, Forest-Sutherland, 8:45 to 1 p. m. swimming, free play on playgrounds; 1 to 2 p. m. story hour; 2 to 3 p. m. street showers; 2 to 5 p. m. arts and crafts, baseball, organized games and singing.

Friday: Central, Starkweather, Forest-Sutherland, 10 a. m. to 2 p. m. story hour; 2 to 3 p. m. street showers; 2 to 5 p. m. arts and crafts, baseball, organized games and singing.

Week Schedule For Playgrounds

Monday: Central, Starkweather, Forest-Sutherland, 10 a. m. to noon, free play and sandbox; 1 to 2 p. m.; story hour; 2 to 3 p. m. street showers; 2:30 to 4:30 p. m. arts and crafts in recreation office; Central, 10 a. m. to noon, shuffleboard, class F organized baseball league; Starkweather, 10 a. m. to noon, baseball; 3 to 5 p. m. baseball and organized games, arts and crafts; Forest-Sutherland, 3 to 5 p. m. volley ball and horseshoes.

Daisy Girls and Rosedale Gardens Meet in Finals at 7:30 Monday Eve

The finals of the Girls league will be played Monday evening at 7:30 on the high school diamond, between Daisy and the Rosedale Gardens Beauty Shop. Daisy has not lost a game in the playoffs as yet while Rosedale has lost one contest to Daisy. If Rosedale wins Monday night another game will be played Wednesday, August 18, at 7:30, otherwise the season will be concluded with Daisy the champion.

Rosedale lost their initial game of the playoffs on Thursday, August 5, when Daisy tallied a run in the ninth inning to win 7-6. Betty Ross, Daisy first baseman, led off the victorious ninth inning with a long smash to the track in right field for an automatic double. Irene Sowa then drove a hard grounder to the left of the second baseman Siluusi who batted the ball down. While this was occurring Betty Ross sped home for the winning run.

Betty Ross and Irene Sowa highlighted the offensive fireworks for Daisy, each collecting three hits including one triple and two doubles. Marge Sowa held the losers to four scattered hits to win this all-important contest.

Last Monday evening at DeHoCo Daisy won their second playoff victory 15-5 to advance into the finals. Three homers were hit by Daisy, one each by Irene Sowa, Betty Ross and Pauline Shields.

Sunday Win Puts Utilities Nine in Division Lead

The regular Class B Inter-County season was concluded Sunday with Plymouth Utilities taking the number one position in the Red division. Utilities stopped Al Rogers 4-0 last Sunday, with Hartner pitching eight hit ball for the victory.

Although Allen Industries lost to Wayne 6-5 Sunday, they are in the playoffs with an 8-8 record which is good enough for fourth place in the Red division. Gil Perry was the losing pitcher for Allen.

In the Class A playoffs Sunday, Local 142 was eliminated by Sellgren Buick 4-3. The winners tallied two runs in the ninth to remain in the playoffs. Local 142 muffed a chance to tie the game in the ninth when one of their players missed second base on his way to third. After the game was over the player and the umpire had a little fist-cuffs with the contest being called a draw. The player was sure he had touched the base.

The player who attacked the umpire after the Sellgren Buick-Local 142 contest is Jack Piscopink, an outfielder. Piscopink has been handed a stiff punishment for his pugilistic instincts on Sunday afternoon. He has been suspended from the league for one year, and from all athletics for about the same length of time. This was a serious offense and was handled accordingly.

The Rippy Red Birds were dropped out of the playoffs by E & L Transport, losing 8-2. Romuigus Air Base defeated UAW 600, 6-2 to remain on top in the playoffs tied with Eddie's.

Olds Drops Daisy From Playoffs

The men's league has concluded its regular season with three teams, Nick's, DeHoCo, and Olds entering the playoffs which started this past week.

Two significant games were played in the last week of the regular season. Nick's stopped DeHoCo, 2-0 to become the pennant winner of the league and Olds edged Daisy 2-1 Tuesday, August 10, to keep the latter out of the playoffs.

Playing before a crowd of approximately 2,000 on Friday evening at DeHoCo, Nick's and DeHoCo put on quite a battle before Nick's won in the eleventh inning on a home run by Bill Beutal. Bill Ball of DeHoCo and Tom Woods of Nick's pitched shut out ball for ten innings before the homer in the 11th. Ball had the better of the pitcher's battle for only two hits were collected by Nick's while DeHoCo had seven hits off of deliveries of Woods.

The fateful game for Daisy was also a close tilt as Don Leichweiss outpitched Wellman to give Olds the victory. Daisy tallied their only run in the fifth inning. Olds scored one run in the first when Harold DeWulf singled, and went around when Doug Egloff was hit by the pitcher and on a fielder's choice by Leichweiss. The winning run came in, in the fifth stanza on singles by Folino and Bonji plus Wilkie's ground out. Each team had but three hits but Olds put their hits together in the fifth to score the deciding tally.

The playoffs began this past Wednesday on a two game knock out basis and continue Monday, Wednesday and Friday. Nick's will play either Olds or DeHoCo Monday.

MEN'S FINAL STANDINGS

Nick's Inn	19	1	.950

South Side	4	16	.200

Class D Officials Asked To Meet

Herb Woolweaver, recreation director, has announced that there will be a meeting of the Western Wayne league managers Monday, August 16, at 7 p. m. in the recreation office in the Plymouth city hall.

This meeting is for the purpose of selecting an all-star team to play on August 24 in Plymouth. Wayne will also be awarded the medals on that evening. Managers are asked to send a representative if they can not possibly be present at this meeting.

The recreation department announces that the playgrounds will close Friday, August 20, for the remainder of the summer.

In Wichita, a two-pound package from China arrived, bearing postage of \$1,195,000 (Chinese), was held up in the postoffice for lack of sufficient postage (15c more).

Little Rock Leaders

Northville Braders, first row, left to right: Eugene Rebitzke, Karl Rossow, Gary Hix. Second row, Kenneth Rowe, Lyward Bartley, Eugene Bongiovanni, Donald Graham, Weston Fitzpatrick, Tom Moshimer, Charles Rebitzke, Dennis Curl, and Tom Wick.

The leader of the youngest league in the Plymouth recreation program is pictured above. The Northville Braders of the Little Rock league have a powerful club, defeating most of their rivals by a lop-sided score.

The featured team of the week is entered in the Class F tournaments to be held in Pontiac next Tuesday, Wednesday and Thursday. Entering the tourney with a record of ten victories and two defeats, the Northville squad is a strong contender for the championship honors.

To promote baseball among the younger children is the purpose of the Little Rock league.

Schedule of Games

Tuesday, August 17	Dunn Steel vs Plymouth Grill	7:00 p.m. high school
Liberty St. Hdw. vs Bud Wilson	8:20 p.m. high school	
Allen Industries vs Contractors	7:00 p.m. high school	
Thursday, August 19	Dunn Steel vs Contractors	7:00 p.m. high school
Bud Wilson vs Plymouth Grill	8:20 p.m. high school	
Liberty St. Hdw. vs Allen Industries	7:00 p.m. high school	
Monday, August 16	Arcscott vs Northv. Braders	10 a.m. high school
Great Americans vs Firemen	10 a.m. Daisy field	
Yanks vs Plymouth Mail	10 a.m. high school	
Thursday, August 19	Braders vs Great Americans	3:00 p.m. high school
Yanks vs Arcscott	3:00 p.m. Daisy field	
Plymouth Mail vs Firemen	3:00 p.m. high school	

Final Benefit Program Carded for This Evening

The last benefit night games will be held tonight on the high school diamond, starting at 7:30 p. m. Plymouth teams have had great success on these benefit programs, winning the majority of the games against outside opposition.

Tonight Nick's, the pennant winner of the men's league in Plymouth, will meet the Sergeant Stanley Romowski Post VFW team of Detroit at 7:30 p. m. The latter is in the Class A softball league.

Following the men's contest will be a girls game, pitting Rosedale Gardens against the Willie Burns Atomics of Pontiac. The Willie Burns outfit is said to be one of the best teams in the Pontiac league.

Recreation Notes

In the shuffle board tournament held at the Central playground recently, Larry Wilhelm walked off with the honors. He defeated Bobby Stout in the semi-finals and then proceeded to whip Jim Wells in the finals. "The boys played a good brand of shuffle board," states Bill Farwell, Central playground supervisor.

Swimming at the Rouge pools will be concluded for the Plymouth group on Tuesday, August 24. On Tuesday and Thursday of last week, 85 and 110 children were in attendance. When there is cold weather such as last week the children will have to stop their swimming early.

This afternoon on the Central playground from 1 to 5 the children's Play Day will be held. A parade of the children is the first event, with prizes going to the children with the funniest, prettiest, and most original costumes. Following the parade will be several games and contests for the children 14 and under. Included among the games are Noah's Ark, team dodge ball, an orange battle and kick ball. Also on the docket will be an arts and crafts contest, a paper doll contest, and a bubble gum contest. There will be other forms of entertainment for the youngsters.

Once again this fall six man football will be played. Herb Woolweaver, recreation director, is planning two weight groups known as Class A and Class B. Class A is 100 pounds or over and Class B is 99 pounds and under. All boys in the eighth grade and under are eligible for this type of football. There are 12 men on a squad. Coach Eddie Bender, mentor of the Plymouth High Rocks, will be the final judge on rules and type of play to be used.

Wayne Carded to Play Port Huron In Tournaments

The drawings for the Class D tournaments to be held in Dearborn, Tuesday, Wednesday and Thursday, August 17, 18 and 19, was held Monday morning in Dearborn. The opponent of the Western Wayne league representative, Wayne, was drawn and the diamond was selected for their game.

Wayne, which easily won the Class D Western Wayne league crown, is scheduled to play Port Huron at the Fordson High school diamond at 5 p. m. on Tuesday, August 17. The winner of that contest will play the victor of the Detroit-Roseville tilt on the Geer field Wednesday at the same time. The winner there will play the winner of the Van Dyke, Pontiac, Ecorse and Dearborn playdowns at Levagood diamond on Thursday at 5 p. m. The winner is the Class D champion of Michigan and will enter the national D-championships which will be held later in the summer or early fall.

Wayne now has the opportunity to select three batters from the local league. Last season the Wiedman Cardinals, the league's second place club this season, went to the Class E tournament in Dearborn and lost an exciting battle to Inkster 8-7.

Northville Enters Class F Tourney

A tie still exists in the Little Rock league with the Northville Braders and the Yanks tied with a 10-2 record. However, there is some question on the eligibility of one of the Yank players, with the result that the Yanks might have to forfeit a few games.

With that in mind the recreation department is sending the Braders to the Class F tournaments to be held in Pontiac Tuesday, Wednesday and Thursday, August 17, 18 and 19. Northville has drawn a bye for the first round.

On Thursday, August 5, the Braders lost by forfeit to the Firemen, when the former used an ineligible player. Northville originally won 14-3. Also Thursday the Great Americans forfeited to the Yanks and the Plymouth Mail won by forfeit from the Arcscott squad.

Winning 26-11 over the Plymouth Mail on Monday, the Braders stayed in a first place tie with the Yanks, who defeated the Firemen 9-0. Rorabacher hit a home run for the Yanks. The Firemen were only able to gather two hits off of the deliveries of David Finney, McGarry and Cowan were the hit getters.

Although Great Americans crushed Arcscott Monday 35-1, they still lost by a forfeit because Bill Bingley had not transferred to the former. Bingley tossed the first no-hitter of the season in the Little Rock league in this game. Besides this titanic feat, Bill hit for the cycle including an extra home run. He had a single, double, triple and two homers in five trips to the plate. It was quite a performance for Bill, although his team lost by forfeit.

The Plymouth representative of the men's league will play Marshall in the first round. Other first round pairings are Ypsi and Garden City, Albion and Allen Park, Monroe and Melvindale. Mt. Clemens drew a bye for the first round.

Joe Miller sports reporter Phone 521-J

Contractors Stay on Top as They Stop Bud Wilson for Third Time

Joe's Jottings

by Joe Miller

Everybody from the butcher and the baker to the sportswriter and the sportscaster is getting into the act, so we might as well give our opinion on the question of the day in the area, "What's wrong with the Tigers?" Because the Detroit metropolitan area has the best fans in the land the Detroit papers are swamped with letters from fans wanting to know what is exactly wrong with the Detroit Tigers.

The first thing the Tigers have to do is acquire a new general manager, one who will trade players and show some aggressiveness. The present general manager, Billy Evans, has accomplished but a few notable achievements. Those being the writing of two small pamphlets, "What's What in Baseball," and "Tiger Feats," plus getting rid of Rufus Gentry, the North Carolina con hunter turned pitcher. Before coming to the Tigers in his executive capacity, Evans was the general manager of the Boston and Cleveland clubs in the American league. If Evans is any good at all why didn't those clubs keep him? It is the first time we have ever heard of one man being general manager of three ball clubs.

Another thing that would help the bengals is the squeeze play, a forgotten art in most of the major league teams. Manager Steve O'Neil, an old time catcher for the Cleveland Indians, would do well to use this play. There are several instances in recent weeks where the Tigers had a chance to tie or win the game simply by squeezing the runner in from third base. Stout Stephan is a good manager, however, he also should acquire some aggressiveness which might inspire his players to try a bit harder.

If the Tigers do not pull out of their doldrums before long, the Detroit fans will see a second division club for years to come and the best fans in the world do not deserve that kind of baseball. The Tigers should have a top-notch team for they are one of the richest clubs in baseball. In a few years the new farm system will start to pay dividends, but what of 1949 and 1950? That depends on Evans and O'Neil. If they play their cards right the Tigers might have an opportunity to finish in the first division, but in the eyes of the writer they do not have a chance to win the pennant before 1951.

Class B Tourney Schedule is Set

The schedule for the state Class B softball tournament to be held in Plymouth, August 27, 28 and 29 has been set. Nine teams are scheduled to play on a two game knock-out basis.

The first round will be Friday, August 27, at 5 p. m. The second round will be Friday evening at 7 p. m., 8:15 p. m. and 9:30 p. m. The third round will be Saturday at 1 p. m. and 3 p. m. The finals will be on Sunday.

The Plymouth representative of the men's league will play Marshall in the first round. Other first round pairings are Ypsi and Garden City, Albion and Allen Park, Monroe and Melvindale. Mt. Clemens drew a bye for the first round.

The challenge of Bud Wilson in the Old Timers league was tossed aside by Contractors last Tuesday evening when the latter won 7-3. This win gave Contractors a two game lead over Bud Wilson. With this defeat Bud Wilson has lost three games and all to the league leading Contractors.

Contractors started fast Tuesday with three runs in the first inning. They scored the runs in this manner: Stevens walked and after Gilles had struck out, Kin-kade blasted a double and Bud Curtis singled for two runs. The third run went across the plate on a single by Rorabacher, a walk to Norman, and a fielder's choice. Contractors kept the lead from then on as Rorabacher held Bud Wilson to three runs throughout the contest. Rorabacher was the winning pitcher and Art Jenkins was the losing hurler.

In other games this past week Liberty Street Hardware defeated Barney's Grill, 11-5 and Dunn Steel stopped Allen 9-4 behind the six hit pitching of Hick's.

OLD TIMERS STANDINGS

THE "REPUBLICAN" CONGRESS

YOU'VE got to hand it to the New Deal—or what is left of it. They always manage to gather into their fold the best propagandists in the country. They may lack a certain dignity we could use in Washington, but they never want for ways and means of fooling John Q. Public. Their latest dish for John Q's consumption is the balderdash about the "Republican Congress" being responsible for practically all the woes which we have to undergo today. The high cost of living is blamed on it because it wouldn't allow the President to revert to that scarcity-creating practice which should only be invoked in time of war—government control of prices—the very practice which, coupled with no wage control, inaugurated the still prevailing upward spiral in costs.

The Congress is excoriated for not having passed Mr. Truman's education and social benefit bills, and the Taft-Eliender housing bill, all of which require vast inflation-making expenditure.

A wave of public indignation over the utter disregard for the welfare of the people, by a small number of labor czars, brought into being the eightieth congress. That congress was instructed to pass laws which would forestall national servitude to the foreign union labor. It obeyed the orders of its employers—the American people. It has passed much essential legislation—it has prevented much costly legislation. But it couldn't—and hasn't—stopped the New Deal inflation-fostering habit of "spend and spend!"

For fourteen long years we had been economically mismanaged. Money had lost its value in the eyes of our government. Fear was prevalent that taxes on the people could never be reduced—only increased. In just two years time this congress has given the country hope that the nation does not necessarily have to be bankrupted by its government. But, two years is a short time in which to rectify the mistakes of fourteen years.

This writer is a mugwump. Mugwumps vote for whichever side they consider best for the nation. We doubt if many will be cajoled again by the crowd which has run our debt up to 250 billion and has brought on, and carried on,

In Cleveland, Ike Lee admitted selling policy slips, tried to defend himself by quoting Scripture—Daniel 8:25. "And through his policy also he shall cause craft to prosper in his hand."

Deadline for classified ads. Wednesday 5:00 p.m.

Far West

This imposing vista of the Medicine Bow mountains in Wyoming might well be titled "Crest of the Continent." Just a few miles to the northward is the transcontinental "lifeline," where air, rail and highway travel cross the barrier of the Rockies.

By the Old AAA Traveler

The Old West still lives—a land of cowboys and Indians, color and romance, history and legend.

There is so much of that western country that anything like a detailed yarn would require volumes instead of a mere limited column, so we'll just hit a few high spots.

No one, of course, should even think of the West without considering Colorado, for that state is packed to the gunwales with interest, from Mesa Verde on the south to Estes Park to the northward, and from Colorado Springs and Denver on the eastern edge of the state to Grand Junction, with its Colorado National Monument on the eastern edge. The old mining towns—Garden of the Gods—Pikes Peak and Seven Falls—Mount of the Holy Cross and Grand lake—the grave of Buffalo Bill Cody and the Black Canyon of the Gunnison—on and on and on—a state in which one might easily spend six months instead of a mere two week vacation.

You move immediately north out of Colorado and you are in colorful and picturesque Wyoming, with its Cheyenne and Laramie, its Yellowstone National park and the Grand Tetons, unforgettable little Cody and Devil's Tower National Monument. Right in the center of the state you'll find Hell's Half Acre and just to the west you will climb to the crest of the Continental Divide.

Move on to the northward and you are in rip-roaring Montana with its Glacier International Peace park, its mountains and its valleys—its old mining towns and its mining towns of today, such as Butte and Anaconda—and, of course, its Indians and cowboys. An absolute "must" for a Michiganiaan is a visit to the

Custer Battlefield National cemetery, just outside the Crow Agency, for here George Armstrong Custer and his little detachment of the Seventh Cavalry were wiped out by the Sioux and Cheyenne under the leadership of Crazy Horse and Gall.

Here was exemplified to the very highest degree the courage and fortitude of the American soldier, for here men died that the Far West might become the great playplace it is today.

If time permits, of course, you will want a quick look-see at Oregon and Washington and the Puget Sound country, and probably a swing down through California. That Pacific coast country is a story in itself, so we'll be content to merely say it is color-plus.

And don't neglect Utah, Nevada, Arizona and New Mexico, for those states are the very epitome of brilliant interest. Utah has its Salt Lake City and its unforgettable Bryce Canyon and Zion National park, Cedar Breaks and Rainbow Bridge, Dinosaur National Monument and its Great Salt Lake. Utah, in my opinion, is one of the most beautiful states in the Far West and certainly seen by too few visitors.

Jumping into Nevada you'll find high color again—Las Vegas and Reno and rip-roaring old towns of Goldfield and Tonopah—Boulder Dam and Lake Mead and, of course, again mountains and rollicking streams—again cowboys and again Indians, although Indians are not in the volume you will find when you move eastward into Arizona and New Mexico.

Arizona, of course, is my favorite playground, for it was in a little cavalry post almost on the Mexican border that I first saw the light of day. Arizona, however, is truly brilliant, for it is packed with highlights. Grand Canyon and the Petrified forest—Painted desert and Walnut Canyon—magnificent Canyon DeChelly, Sunset crater—ancient cliff dwellings and historic Apache trail—Superstition mountain, with its legends of the Lost Dutchman gold mine, and a score of areas set aside by a thoughtful Government for the pleasure of the vacation thousands. There is Tombstone, the town "Too Tough To Die", and colorful Tucson, famous San

Xavier del Bac, the most beautiful of all the old missions and Wickenburg, dude ranch capital of the world. You will find Indians and cowboys all over Arizona, for Arizona has been touched comparatively little by the ruthless hand of civilization.

You cross into New Mexico and again you are in the vacationists' paradise, what with ancient Santa Fe and old Taos, Alamogordo and Carlsbad Caverns, cliff dwellings and Indian reservations—and a climate and a clarity of atmosphere you will find nowhere else in the world.

Yes, my friends, anywhere you travel in the Far West you will find your heart's desire in the unusual, and I give you my word you'll return to your homes considerably prouder of being an American.

Circle D Horse Show is Success

The third annual Western Horse show, held on August 1 at Circle D ranch, was a huge success.

Wilma Walker led the grand entry of about 200 of the finest horses in this part of the country. The judges were: Alma Shoemaker of Galion, Ohio, Leo A. Dunne of Detroit, and Harry Sessions of Plymouth, who did an admirable job. Trophies, cash prizes and ribbons were awarded the winners in some of the events as follows.

Betty Dudley of Plymouth won the trophy donated by Lucille Snyder in the spotted horse class; Bob Fox won the trophy donated by Mason's restaurant in the men's bending race; Van Polhemus of Perry won the trophy donated by Mr. and Mrs. Marvin Miller in speed and action; Fred Campbell won the trophy donated by Dick Wilson in the cigar race.

Eddie Asher of Northville won the trophy donated by the Walkers and Sam Dunlap of Diamond D in the Western pleasure class; Leona Hull of Plymouth won the trophy donated by the promoters, Orville Dudley and Jack Miller, Jr., in the women's bending race; Ronald McMullen won the trophy donated by Dan and Jean Fleming, Kay Carr and Moe Shaughnessy in the pack race.

Van Polhemus won the trophy donated by the Walkers and Sam Dunlap of Diamond D in the junior horsemanship; Orville Garner of Plymouth won the trophy donated by Peter's Sports Goods store in the potato race; Van Polhemus won the gold horse show given by Peter's Sports Good store for the horse winning the most blue ribbons.

The promoters, Orville Dudley of Circle D and Jack Miller, Jr., of Millers Brothers 101 ranch, wish to thank everyone who helped make the show one of the highlights of the season. Plans are now in the making for another show on September 12.

In losing 897 aircraft in combat during World War II, the U. S. Navy was making a record of losing only one plane to every 18 lost by its Japanese enemy, according to a recent study.

Andrew, the Man Who Brought Others.

Lesson for August 15: John 1: 37-42; Mark 1:16-18; John 12: 20-32.

Memory Selection: John 1:42. TO Andrew belongs the distinction of being able to bring men to Jesus. Two examples of this are given in the lesson.

When Jesus went to John the Baptist at Jordan, the eyes of two of John's disciples were turned toward Jesus, and they followed him with the desire to become his disciples. One of them, who is not named, was evidently John, who tells the story. The other was Andrew, Simon Peter's brother.

Andrew first sought his brother and told him of finding the Messiah. Thus both were prepared to follow Jesus when, as he walked by the sea, he saw them and invited them to come after him and be made fishers of men.

When the shadow of the cross had already fallen athwart the pathway of Jesus, he must have been greatly heartened to learn that the first of the Gentiles were seeking him. Andrew was the man to whom the request of the Greeks to see Jesus was referred, and Andrew and others told Jesus.

Andrew is preeminently an example of personal work in bringing men to Jesus. Of all the millions who need Christ, they must be reached one by one. See, then, how urgent is the work of bringing men to Jesus, by those who know Him, and who love others because they love Him.

FIRST BAPTIST CHURCH North Mill St. at Spring St. Rev. Benjamin L. Eicher, pastor

The Sunday school, 10 a. m. Harold Compton, superintendent. The Worship Service, 11:10 a. m. Subject: "The Pearl of Great Price". The Loyal Daughters meet on Tuesday evening. The Palmer Bible class will meet with Mrs. Cook, 16931 Franklin road, Northville, on Tuesday, 6:30 p. m.

News In The World of Religion

By W. W. Reid

The Methodist church of Mexico, one of the daughters of the mission work of the Methodist church in the United States, and now an independent denomination, is celebrating the diamond jubilee of the entrance of Methodism in that land. From August 3 to 8, special festivities were held in Trinity Methodist church, Mexico City, marking the anniversary of the establishment of missions there in 1873 by Dr. William Butler of the former and by Bishop John C. Keener of the Methodist Episcopal church, South. Several hundred Methodists from "north of the border," including representatives of the Board of Missions of the Methodist church, attended the celebration, and the series of associated gatherings. Bishop Eleazer Guerra, head of the Mexican church, was in charge of the jubilee, and the principal guest of honor was Miss Clementina Butler, of Boston, Massachusetts, a daughter of Dr. Butler, and a sister of Dr. John W. Butler who arrived in 1874. She herself is a veteran missionary from India.

A number of Protestant and Catholic and Jewish organizations, some of them established within the past year or two, are now busy working with various American communities in finding homes and occupations for the displaced persons who are now entering the United States, and the numbers who will be coming even more rapidly in the immediate months ahead. Church World Service has placed some 2,200 persons in satisfactory American surroundings in recent months; these persons are coming with the assistance of Protestant and Orthodox church bodies. Even larger numbers are being cared for in well-organized units of the Roman Catholic church; and rabbis and other Jewish leaders are caring for their own people. Many of these people are skilled workmen and professional experts, and many others will go into the agricultural belt to help in farming the world's crops. American communities are said to be receiving them well.

"The Christian obligation of Americans in world terms demands that responsibility be considered as two-fold in character," said Bishop Henry St. George Tucker, of the Protestant Episcopal church, recently. "Our Christian love must include satisfying the immediate material needs of many of the world over. But if our obligation is to achieve any long-range and lasting effect it must develop the latent potentialities of nations so as to qualify their people to citizens of the world and of the Kingdom of God. . . . This responsibility cannot be fulfilled by material relief or the four freedoms alone. Only Christian love in the sense of extending to men everywhere the privilege of knowing God and entering into fellowship will enable us to fulfill the debt of the gospel. It must be made available to everyone."

The post-war mayor of the port city of Nagasaki—the city upon which the second atomic bomb fell in Japan—is an active Christian and a member of the Methodist church there. Mayor Matsumoto was educated at Ken-

tucky Wesleyan college, Winchester, Kentucky, and later did graduate work at Northwestern and Columbia universities. His wife was elected recently to the perfect assembly. The new principal of Chinzai Gakuin, Methodist college in Nagasaki, Dr. Chiba, is also American-trained; he holds degrees in arts from Ohio Wesleyan university, and in divinity from Garrett Biblical Institute. Mayor Matsumoto and Dr. Chiba have recently selected a new site in Nagasaki for the erection of a church and a social settlement. The old church was destroyed in the bombing; and buildings of Chinzai Gakuin were destroyed also, but the college has been reorganized in temporary quarters, a former military hospital in Isahaya.

"New York City presents the greatest missionary challenge of any city or territory in America or the world," in the opinion of Dr. Mark A. Dawber, executive secretary of the Home Missions Council of North America. Dr. Dawber says that surveys show that of the 7,908,000 people in New York City, at least 3,500,000—a population equal to that of the city of Chicago—are without active membership in any Protestant or Catholic church or Jewish congregation. "New York City is now approaching the point in its history where secularism is destined to become the majority faith," he says. Describing the recent history of Protestantism in New York City as "one of retreat and retrenchment," he urges home mission boards of all denominations to pool their resources in a "carefully planned, courageous program to win the multitudes from paganism to Christ." Protestantism, Catholicism, and Judaism are all "minority groups in New York City," Dr. Dawber asserts.

MALTESE CHAMPS . . . Electa Brio (left) and Electa Laila, maltese terriers, champs throughout Europe in their class, are pictured in the radio room of a TWA cargo ship while en route to their new owners, Dr. and Mrs. Vincenzo Calvaresi, of Concord, Mass.

In reviewing cases of Navy and Marine Corps Personnel discharged during the war with less than honorable discharges, a Navy board has found that about one-third of those who requested a review are entitled to a better grade than they actually received. The Navy urges all with this type of discharge to request such reviews.

LOCAL NEWS

Mr. and Mrs. Harold Johnson and son, Dicky, of West Unity, Ohio spent Friday and Saturday in the home of her sister, Mrs. Henry Agosta and family on Ann street. They were accompanied home Saturday by Jean Agosta who plans to visit them for two weeks.

On Saturday, August 7, Mrs. Albert Minehart, Mrs. C. Finney, Delores and Lois Minehart, Barbara Leadbetter, Mary Lou, Delores and Jimmy Merriam and Charles and Raymond Finney, enjoyed a boat trip to Bob-Lo.

Mr. and Mrs. Frank Allison will be hosts at a potluck dinner Thursday, August 19, at the summer home of her parents, Mr. and Mrs. John W. Blickenstaff at Base lake, when members of their club will be present. The guests will include Mr. and Mrs. Kenneth Hulsing, Mr. and Mrs. James Meyer, Mr. and Mrs. Jack Gilles, Mr. and Mrs. Edwin Taylor and Mr. and Mrs. David Mather.

The Get-Together club meets at Mrs. Oliver Herricks' home on Bradner road Tuesday, August 17.

Mr. and Mrs. Frank Terry and Mr. and Mrs. Marvin Terry and family returned Thursday of last week from a vacation at Sonoma Lodge at Higgins lake.

By Bud
HOWDY FOLKS: A noted scientist says that the secret of health is to eat raw onions—but he doesn't tell us how to keep it a secret.
A little boy was saying his prayers in a low voice. "I can't hear you, dear," whispered his mother. Said the small one firmly, "Wasn't talking to you."
"That is the one thing I like about my girl."
"What's that?"
"The guy she goes with."
Well, he may be bragging but we're not when we say your car will run smoother than ever, after we service it. We really know the kind of attention it should have. For the best in gas, oil and lubrication, drive in regularly.

SET YOUR THERMOSTAT at 72°-75° AND STILL SLASH YOUR HEATING BILL BY 1/2

Are you concerned with exorbitant and ever-rising oil costs? Are you worried about your oil supply and whether your family will have to suffer because of lack of heat this winter? Do you want automatic heat and still have fuel security at less than half the cost for oil or gas?

THEN INSTALL A WINKLER
A Winkler Fully Automatic Stoker is your best bet for automatic heat—for a Winkler burns coal—the most dependable and safest fuel—the most economical fuel by far. For low cost, automatic heating at its best you can depend on Winkler. Install a Winkler now and erase your worries about fuel shortages, heating costs.
FULLY AUTOMATIC TRANSMISSION
Only Winkler has the famous "Inter-Plan" Transmission which has no shear pin—the extra power drive which assures trouble-free operation and long life. Arrange for a Winkler Stoker installation now and let the savings in fuel costs pay for it. Winkler Stokers are available in hopper and self-feed models in all sizes from small home models to industrial units for large factories, apartments, etc. Phone us today and arrange for a demonstration and free heating survey.

and get Top Production Top Profits too!
You can't get sustained milk production . . . nor top profits . . . from your cows unless they're in top condition. To safeguard their condition, they need the full nutrient balance that Larro Dairy Feed provides. It builds strength and vitality . . . it helps cows develop husky calves and produce their full inherited capacity of profit milk. Thousands of actual Herd Check Profit Records prove that Larro, fed the Larro Way, pays a handsome profit over feed cost. Let us show you how to get these extra dollars from your cows.

Compare the Values!...
Compare the Prices!...
—see why

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR

COMPARE the values; compare the prices! . . . Do this and you'll know that now more than ever before CHEVROLET AND ONLY CHEVROLET IS FIRST in Big-Car quality at lowest prices, just as it is first in nationwide demand for the total 17-year period, 1931 to date!
To compare the values is to know that only Chevrolet brings you the Big-Car riding-smoothness of the original and outstanding Unitized Knee-Action Ride . . . the Big-Car performance and dependability of a world's champion Valve-in-Head engine . . . the Big-Car beauty and luxury of the enviable Body by Fisher . . . the Big-Car safety of Fisher Unisteel Body-Construction and Positive-Action Hydraulic Brakes . . . plus many another major quality advantage still not available in any other motor car in its field.
And to compare the prices is to know that Chevrolet prices are the lowest in the field . . . and that Chevrolet value continues to be the highest in its field!
That is why more and more people in all parts of the country are deciding, more and more enthusiastically, that only one is Number One, only Chevrolet is first.
That is why we believe you, too, will make this same decision when you compare the values and compare the prices . . . for you win in every way with Chevrolet!

FIRST in Riding-Smoothness!
You just can't beat the genuine Unitized Knee-Action Gliding Ride for real riding-smoothness—real traveluxury—over any and all kinds of roads, from boulevard to byway; and, remember, this famous "Knee-Action" ride is exclusive to Chevrolet and more expensive cars.

FIRST in Thrills with Thrifit!
There's nothing like Chevrolet's world's champion Valve-in-Head engine for thrills and thrifit. It holds all records for miles served, owners satisfied, and years tested and proved. It embodies that extra-sound, extra-dependable Valve-in-Head design, found elsewhere only in costlier cars.

FIRST in Tasteful Beauty!
You will be perfectly sure of your car's beauty-leadership when you own a car with the world-famous Body by Fisher; and this most desired and desirable of all car bodies—supremely beautiful from every angle, inside and out—is available only on Chevrolet and higher-priced cars.

FIRST in All-Round Safety!
You and your family will enjoy extra safety, too, the triple safety protection of Fisher Unisteel Body-Construction, the Unitized Knee-Action Gliding Ride and Positive-Action Hydraulic Brakes—another combination of features found only in Chevrolet and higher-priced cars.

CHEVROLET — and Only CHEVROLET — IS FIRST!

LOCAL News

Dixie Lee, Carol Schaufle, and Ardith Albard spent last week at Cedar Lake Girl Scout camp at Chelsea.

Mary Alice Schuster was guest of honor at a dinner party and personal shower Saturday evening in the home of Marjorie Horie on Middlebelt road. The guests were school friends of Miss Schuster.

The Rev. and Mrs. Henry J. Walsh, daughter, Sandra, and son, Ralph, have returned from a month's vacation during which they spent some time at Lake Teccon near Gaylord, East Tawas on Lake Huron, and visited relatives in Indiana and Chicago. While in Chicago they had an opportunity to see many original masterpieces being shown in the art gallery in that city.

The birthday anniversary of Mrs. Paul Wiedman was celebrated Tuesday when Mrs. Harold Brisbois entertained members of the Birthday club at a luncheon bridge in her home on Sheridan avenue.

Miss Marion Knudsen of Philadelphia, is an expected guest Saturday in the home of Mr. and Mrs. Paul Christensen on Blunk avenue.

Goldie Nagy, who makes her home with the Raymond Bacheldors, has returned from a tour to California. She was gone 24 days.

On Wednesday evening Mr. and Mrs. George Chute entertained at dinner Mr. and Mrs. H. E. May of Toledo, Mr. Chute's sister and brother-in-law, his mother, Mrs. George M. Chute, Sr., of Babson Park, Florida, who has been a guest in the May home all summer, Marjorie Pino and Marion Price.

Mrs. William Morgan and daughter, Sally, visited friends in Buffalo and Rochester, New York for a week recently. They then were joined by Mr. Morgan and his mother and Mrs. Percy Morgan of Macon, and all visited the summer home of his sister and brother-in-law, Mr. and Mrs. Darwin Smith at Seneca Falls, New York. They returned home on Saturday.

Last Saturday evening Mrs. Frank Lecomis traveled to Ft. Wayne to spend two weeks with her mother and sister.

Their cottage at Morrison lake will be the destination of Mr. and Mrs. Harry Beeley when they leave today, Friday.

Mr. and Mrs. Harold P. Anderson of Culver City, California were visitors in the city this week. The Andersons are former Plymouth residents and returned to Michigan to attend the graduation ceremony of their son, Harold J. Anderson who received his degree in engineering from the General Motors Technical school in Flint last Friday.

If you have any items of interest about your family or friends please call 15.

BRITAIN'S RICHEST MAN WEDS . . . Most brilliant function of the year in London was the marriage of Lord Derby, known as Britain's richest man, to Lady Isabel Miles-Lade. The royal family were among the 1,500 guests. The newly-weds are shown leaving after the ceremony at Westminster Abbey.

Mrs. Annabelle Disser and son of Ft. Wayne, Indiana were visitors at the Frank Lecomis home last week. Mrs. Disser is a sister of Mrs. Lecomis.

Paul Wagner left Tuesday for a two weeks' vacation in Calumet. From there he will travel to Akron, Ohio to organize a city orchestra which he will conduct in the fall. While there he will join Mrs. Wagner and their son and daughter who have been spending the summer in Berea, Ohio with both Mr. and Mrs. Wagner's parents. Mr. Wagner plans to leave the first of September for a few days stay in New York.

"EASY DOES IT"

By HELEN HALE
CANTALOUPE BALLS and pitted dark cherries make an excellent combination for a fruit cup whether it's served at the beginning of the meal or as dessert.
Watermelon balls, honeydew melon balls, with bananas and blueberries in lime juice make a sparkling and colorful fruit cup.
Make your melon balls ahead of time, sprinkle them with a bit of lime or lemon juice and keep them in covered jars until ready to use in the refrigerator.
A BIT OF GINGERALE poured over a melon ball fruit cup is refreshing and tantalizing.
If there's some fruit in the refrigerator that's starting to shrivel, such as peaches, make them quickly

RECIPE OF THE WEEK
Peach Crisp
(Serves 8)
3 cups sliced fresh peaches
1/2 cup flour
1/2 cup brown sugar
1/2 teaspoon salt
1/2 teaspoon cinnamon
1/2 cup butter
Mix flour, sugar, salt and cinnamon. Cut in butter until mixture is crumbly. Place peaches in a shallow baking dish and sprinkle crumbly mixture over fruit. Bake in a moderate (350° F) oven for 40 minutes. Serve warm with thin cream.

into a cobbler or a pudding with a crumbly topping so there won't be any waste.
Any large fruit such as pineapple, or melons may be made into a fruit basket, filled with good sized pieces of other fruits and berries, and served for a buffet salad.
FRUIT BASKETS will look prettier if their handles are twined with red currant or little green grape clusters.
Any molded fruit salad you make will be prettier if it is surrounded by a few peaches, pears or apricots with cream cheese balls rolled in chopped nuts placed in their hollows.
Many a fruit cup is enhanced if you place a scoop of icy cold creamy sherbet on top to serve.
In Paris, Alfredo Bindi tried, but failed, to commit suicide by devouring his suspenders.

LOCAL News

Stewart Unger left by motor Tuesday morning for a few days visit with his sister in Allentown, Pennsylvania. While there Mr. Unger will be joined by other sisters and a brother for a family get-together.

Mr. and Mrs. Gray Flippen and daughter, Peggy, have returned from a two weeks' vacation with relatives in Martin, Tennessee.

Mr. and Mrs. William Wood of Rosedale Gardens and Mr. and Mrs. Horace L. Johnson of Northville left Wednesday morning on a four-day trip up the Saguenay river, going to Montreal, Quebec by motor, then from there by boat. They will return to Montreal then travel through the New England states.

Mr. and Mrs. Dow Swope and family plan to return home Saturday for their annual vacation at Crystal lake near Frankfort.

Mr. and Mrs. C. J. Dykhouse and sons of Carbondale, Illinois are expected as guests Monday, in the home of Mr. and Mrs. G. A. Smith on Sheridan avenue. They will also visit other friends before going to Grand Haven where they will visit Mr. Dykhouse's brother and family. From there they plan to go to Bay View and later into Canada.

Mr. and Mrs. Earl Russell were hosts at a family picnic dinner Sunday in Riverside park, when the following were present: Mr. and Mrs. Royce Macaulay and children of Detroit. Mr. and Mrs. W. C. Hintz and children of Berkeley and Mr. and Mrs. G. A. Gosney of Farmington.

Garry Hees, Larry Jolliffe, and Richard Jackson were among those from Plymouth who are on an educational tour to New York, Washington, Annapolis and West Point, etc. A fleet of cars leaving Ann Arbor took 75 boys from various cities on this planned tour. Later in the month other boys from Plymouth will have the same opportunity. All in all 32 have been chosen to go during the summer.

Expected guests in the home of Mr. and Mrs. H. H. Bond on West Maple avenue, next Monday, are their cousins, Mr. and Mrs. William Robins, and two daughters, Betty and Florence, of Wilkes Barre, Pennsylvania, who will be their guests for ten days.

Mr. and Mrs. H. H. Bond, daughter, Irene and son, Harold, spent Sunday in the home of Mr. and Mrs. Frank Young in Highland Park.

Larry Boyd has been visiting his uncle and aunt, Mr. and Mrs. Kenneth Kahl, the past few weeks. Larry will return later on to his home in Traverse City.

Mr. and Mrs. G. E. Merkel, who came for the wedding of their cousin, Pauline Wiedman and Robert Minoock, left Thursday last week for their home in Milwaukee, Wisconsin after spending several days in the Paul Wiedman home on Blunk avenue.

Mr. and Mrs. Horton Booth and Mr. and Mrs. Walter Dzurus and sons attended the Cleveland-Detroit baseball game Monday evening at Briggs stadium.

Mr. and Mrs. Charles Gow and son, Robert, have spent this week on Indian river in northern Michigan, joining her parents, Mr. and Mrs. Bert Krumm, and the Gerald Krumms, who have vacationed there for two weeks. On Sunday they were joined by Mrs. Ernest McBride and children and Mrs. Arthur Dickie who remained with them until Tuesday.

On Saturday, Mr. and Mrs. Fred Melow, Mr. and Mrs. A. B. Schroder and daughter, Harriett were dinner guests of Mr. and Mrs. L. C. Schroder at Cass lake. On Thursday of this week the Schroders and Harriett were guests of another daughter, Mrs. Herbert Meredith and family at their home in Grose Pointe Woods.

On Wednesday afternoon the birthdays of David and Jimmy Beglinger, sons of Mr. and Mrs. Walter Beglinger, were celebrated by about 15 of their friends. The theme of the decorations in the recreation room was a circus. The ceiling represented a tent, and there was a circus wagon, a clown, parade and on the refreshment table, two cakes, one topped with a merry-go-round and the other with a name on each individual piece. Favors of balloons were also given each child. Later, movies of Mickey Mouse were shown. Those invited to this affair were Johnny Wolfe, David Smith, Bobby Anderson, Bobby Jenkins, Jean Ann and Johnny Johnson, Cindy Lou Evey, Barbara Diekmann, Dawn Peck, Ronnie Schuett, Margaret Sue Terry of Plymouth and Lee and Allen Black of Wayne.

Read the classified pages.

Mrs. Edith Thiele, Mrs. Clyde Williams and mother, Mrs. Speese, Mrs. George Hake, Mrs. Harmon Gates and Mrs. A. B. Schroeder motored to Silver lake Tuesday, where they were house guests of Mrs. Evelyn Fisher and Mrs. Anna Chappell.

Mr. and Mrs. Elmer Wieland of Brimley in the upper peninsula, announce the arrival of an eight pound son on Sunday, August 8. Mrs. Wieland was the former Carol Hammond, daughter of Mrs. C. H. Hammond of Ann street.

Mrs. Harrison Moore entertained her Neighborhood bridge club Tuesday evening in her home on Dewey street.

Read the classified pages.

Margie Ann Gretzinger of Huntington, Indiana is visiting her parents, Mr. and Mrs. James Gretzinger for several weeks.

Mrs. Frank Sanders has been entertaining her sister, Mrs. Frank Latz, and her daughter, Mrs. Ray Jones, and two children of Longport, Indiana for the past ten days. They also visited in the home of Mr. and Mrs. Wendell Lent. They returned home on Tuesday.

STEVENS WINDOW SHADE

THIS WEEK IN Washington

PRESIDENT TRUMAN'S inclusion of the international wheat agreement ratification in his message to the special session of congress has started anew the bitter debate which marked consideration of this issue during the regular session.

The President urged ratification by the senate to "guarantee American farmers an export market of 185 million bushels of wheat at a fair price during each of the next five years."

Although the limit for ratification of the wheat agreement expired July 1 of this year, the President asserted that he has good reason to believe that it still can be made effective if it is ratified promptly.

Briefly, this agreement would slide wheat prices by yearly stages for the 185 million bushels earmarked annually for export to 33 nations from \$1.50 to \$2 per bushel for 1948 to a minimum of \$1.10 in 1950.

Canada and Australia would make similar agreements with the same nations, but two big exporters, Argentina and Russia, have refused to ratify.

The government would make up the difference between the export price and the current domestic price to U. S. growers. During the debate on the question at the regular session, Sen. William E. Jenner (Rep., Ind.) declared the pact would cost the government a billion dollars.

Pressure groups in favor of the pact set some farmers and millers against the big farm organizations, American Farm Bureau federation, Farmers Union Grain Terminal association, National Federation of Grain Cooperatives, National Farmers union, National Grange and the Pacific Northwest Farmers council have taken a stand in favor of the international agreement. On the other hand, such organizations as Millers National federation, Flour Millers Export association, Cooperative exchange, U. S. Chamber of Commerce, are bitterly opposed to the agreement.

According to the opinion of observers here, the international wheat agreement is just one of several issues which might touch off sparks which might endanger the bi-partisan policy established by two major parties. Both Democrats and Republicans have said that "where foreign policy is concerned, politics ends at the water's edge." It is pointed out, however, that Democrats already attacking the house of representatives' attempts to cut appropriations for the Marshall plan and the Republicans are pointing to Teheran, Yalta and Potsdam, charging the Democratic leadership with grave errors there before bi-partisan control was established.

Another instance is the President's urgency of the 65 million dollar appropriation for the United Nations headquarters building in New York. Scores of citizens organizations have taken a stand in favor of the appropriation but Republicans have lent a cool but respectful ear.

Admission of more displaced persons is another issue over which debate in an intensely hostile political atmosphere might set off the spark to endanger the bi-partisan foreign policy. The President charged that the bill to admit 200,000 displaced persons in two years, passed at the regular session, was "anti-semitic and anti-Catholic" and he urged these restrictions be eliminated and that the bill call for 400,000 persons in four years.

In the meantime, it appeared that the special session would be used as a sounding board for political speeches and a southern filibuster and that little if any of the President's program calling for action to bring down high prices, construction of low cost rental and for-sale housing, his civil rights program or his other recommendations would see passage.

Sen. Robert A. Taft (Rep., Ohio), chairman of the GOP steering and policy committee, said in effect that he was willing to have the 80th congress rest on its record and have the people decide who was right at the polls in November.

Then there is considerable talk about gold and the gold standard bringing debate on this controversial issue back into the news. Congressman Howard Buffet (Rep., Neb.) has introduced a bill to coin gold to fight inflation. Congressman Clarence J. Brown (Rep., Ohio) who was Senator Taft's presidential campaign manager, says restoration of the gold standard "probably would mean the end of inflation." But President Truman told a press conference that the country has been on the gold standard all the time since the dollar is backed by the world's largest stock of gold.

LOCALS

Miss Cordula Strazen has been in Bay City during the past week visiting friends.

Frank Lecomis and his mother will spend this weekend in Lansing visiting Mrs. Lecomis' niece and family.

Wednesday, August 4. Mrs. Doris Smith Sabourin returned from a trip to Minnesota and Superior, Wisconsin. She left by plane the preceding Friday to visit a friend who is critically ill.

Visiting Mrs. W. O. Welton of Ann Arbor trail this week were her brother, Albert Fitzgerald of Ottawa, Illinois, and Frank Fitzgerald, her nephew, who just received his discharge from the Navy. Frank has been in the Navy for the past six years and served in nearly every theater of war, beginning with the African campaign. He is now on his way home to Washington, D. C. to join his wife and family.

Mrs. Norman Atchinson entertained a few friends of Mrs. Jack McAllister at cards Thursday evening at her home on Evergreen.

Last Sunday, Clifford Duston returned from a week's vacation spent at a lake situated near Brighton.

Mr. and Mrs. Theron Pauline will spend the weekend at Torch lake.

Mrs. Harold Lannon of El Paso De Robles, California was the guest of Mr. and Mrs. Harry Beeley of Sunset on Sunday and Monday.

Mr. and Mrs. J. F. Eckert and son, Joseph, Jr. of Detroit and the former's sister, Mrs. Charles Gebhardt of Baltimore, Maryland, were entertained at supper last Saturday in the home of their nephew and niece, Mr. and Mrs. Ivan E. Baldwin on West Maple avenue.

**Couple Honored
35th Anniversary**

The children of Mr. and Mrs. Conrad Olson honored their parents on their 35th wedding anniversary Wednesday, August 4. The children arranged for a supper at 6:30 p. m. at Riverside park. This occasion brought the family together for the first time since the war.

Guests were: T/Sgt. and Mrs. Howard A. Olson, their daughter, Joan, from Sacramento, California, Mr. and Mrs. Charles E. Olson and their son, Chuck from Plymouth, Mr. and Mrs. Donald Walbridge of Redford, Mr. and Mrs. Gene Priest of Plymouth, Mr. and Mrs. Donald Nickerson, their children, Patty, Donald, Shirley and Connie of Plymouth, Gerald Olson and Jean Abby, Willard Olson, Ina Olson of Plymouth. The Olson's who live on Brownell, were presented with a set of luggage by their children.

**Litton - Hough
Wedding Rites
Held Sunday**

Miss Joan Litton, who recently arrived by plane from England, became the bride of Stanley Hough of Plymouth last Sunday, August 8, in the First Presbyterian church.

Miss Litton is the daughter of Mr. and Mrs. John T. Litton of Barksides, Essex, England and Mr. Hough is formerly of London, England.

Edward Dent gave the bride away at the 3 p. m. marriage service which was officiated by the Rev. Henry Walch. For the ceremony the bride wore a teal blue street length dress, with a pink feather hat and white gloves. Her bridal bouquet was of red roses.

Miss Charlotte L. Walker was Miss Litton's only attendant. She was attired in a street length dress of pink crepe, a white feather hat, and white gloves. Miss Walker's bouquet was also of red roses.

The guests were seated by David Dent of Windsor, Canada, and Douglas Catline of Warren, Ronald Catlin, also of Warren acted as Mr. Hough's best man.

A reception for 40 guests was held in the home of the bride and groom at 40106 Gilbert, following the service.

For her going away outfit, Miss Litton chose a brown gabardine suit with brown accessories. The couple left on a Georgian Bay cruise.

News of Engagement, Wedding

Miss Cathie Ratti

Mrs. Robert Minock

October 9 has been set, as the wedding date of Miss Cathie Ratti of Ann Arbor and Harvey Rotarius of Plymouth, according to an announcement by her parents, Mr. and Mrs. James J. Ratti. Mr. Rotarius is the son of Mrs. Frank Cook.

The engagement was revealed to 30 guests at a party in the home of Mr. and Mrs. Ratti recently. Pink and white predominated in the flowers and decorations used for the event.

Miss Ratti is a graduate of Ypsilanti High school, and Mr. Rotarius was graduated from Plymouth High school. He served 16 months in the Army, 13 of which were spent in Japan.

The wedding ceremony will be performed in the St. Thomas Catholic church.

Newly Arrived...

Mr. and Mrs. Roy Duston are the parents of a baby boy, Lloyd, Jr., who was born Friday morning, July 30, weighing eight pounds and twelve ounces. Mr. and Mrs. Duston reside on Orangelawn in Rosedale Gardens.

A seven pound baby girl was born to Mr. and Mrs. Ben Darnell last Sunday night at New Grace hospital. The parents have named her Susan Louise. Mrs. Darnell is the former Caroline Castle of Rosedale Gardens.

At Detroit's Osteopathic hospital on Sunday, July 25, a son, William Craig, was born to Mr. and Mrs. William M. Aluia of Ann street. At birth the baby weighed eight pounds and one ounce. Mrs. Aluia is the former Lila Mumby.

To Mr. and Mrs. Joseph Scarpulla of Sunset was born a baby girl, Susan Jane, on July 22 in the Highland Park General hospital, weighing seven pounds and three and one half ounces. Mrs. Scarpulla is the former Marjorie Knowles.

From a Petersburg, Virginia paper: "The doctor felt the patient's pulse, and admitted that there was nothing he could do."

Insurance companies often come across unique evasions on the forms applicants fill out. One man, in the space asking the cause of parental death, wrote, "Father was taking part in a public function and the platform gave way, ending his life." Subsequent investigation disclosed that his father had been hanged for cattle rustling.

Miss Pauline Dorice Wiedman, daughter of Mr. and Mrs. Paul J. Wiedman, became the bride of Robert Roy Minock, son of Mr. and Mrs. Robert Minock, in a service held in the First Presbyterian church on Saturday, July 31.

Ad-Libbing....

with "Liz" by Elizabeth Corry

Won't be long now till school starts again . . . and with it, the transition from summer cottons to fall clothes. Though summer weather still prevails, don't forget about those woolen skirts, sweaters and dresses, for it's a good idea to get them cleaned now, and all ready for school and the first fall days that aren't too far away. Herald Tri Cleaners is the place to send them if you want a really good job done (and of course you do). Call 110 for delivery service.

Homemakers who use water softened the Culligan way will consider it a feather in their hats as soon as they hear about the findings of a recent survey. It was actually discovered that families using 20 grain water (the grain of Plymouth water) spend 161-percent more money for soap than those who use water softened the Culligan way. When you subtract the cost of the soap saved through using Culligan softened water, you can see immediately that the service is really quite economical, as well as a convenience. (Bill Clarke at 1376 South Main is in charge of the service here.)

Want to know a way to kill two birds with one stone? Next time you go shopping in downtown Plymouth . . . instead of parking just anywhere along the street and bothering with parking meters, drive the car into Charles W. Oliver Nash Sales and Service (next to the Mail office) and leave it for a wash job, lubrication or checkup. When you're through shopping, simply return and pick it up. It's as easy as that, and think how you'll impress the masculine head of the house with your ingenuity.

In Chicago, Mrs. Eleanor Espe sought a divorce, complained that she asked her husband what time it was, and he 1) hit her in the face with a clock, 2) commented, "I always knew your face would stop a clock."

**Couple Planning
October Wedding**

Mr. and Mrs. Luttermoser of Traverse City, formerly of 34350 East Ann Arbor trail, announce the engagement of their daughter, Shirley, to William C. French of Santa Barbara, California. They will be married in Plymouth early in October.

**Miss Ahern
Oscar Auten
Wed Saturday**

Miss Ella Jean Ahern, niece of Mr. and Mrs. Edward Ahern, of Hubbard road, and Oscar Wendell Auten, of Farmington, son of Mr. and Mrs. Ralph James Auten, were united in marriage at the Farmington Methodist church, Saturday evening, August 7 at 9 p. m., with Reverend Stone officiating at the double ring ceremony.

The church was beautifully decorated with gladioli for the candlelight service. Ella Jean came down the aisle gowned in an old-fashioned white satin wedding gown with a sweetheart neckline, long pointed sleeves, and a bustle ending in long train. Her fingertip length veil was held in place by a net crown and she carried an arm bouquet of white roses. Her uncle Edward Ahern, gave the bride in marriage.

June Gilchrist, of Pleasant Ridge, was the maid of honor and she was dressed in a floor length yellow taffeta gown designed with a bustle in back. Her headpiece was of the same material and in shape of a crown. Miss Gilchrist carried a bouquet of gladioli to match.

The bridesmaids, Mrs. Robert Muether, sister of the groom and Miss Florence Konazeski, of Plymouth wore identical gowns of aqua taffeta and their crowns matched the dresses. Their bouquets were of colonial design and were made up of gladioli.

The flower girls, Jacqueline and Colleen Reid, wore pale pink floor length dresses and carried old fashioned bouquets.

Mr. Auten chose his brother, Ralph as best man, and seating the guests were Joe DeVriendt and Cliff Streling, both of Farmington. The soloist, Edith Parker, sang "Because" and "I Love You Truly."

Mrs. Ahern wore a street length orchid dress with white accessories, and her flowers were roses. Mrs. Auten, mother of the groom, wore grey and her accessories were pink, and her corsage was of roses.

Immediately following the ceremony, a reception for 400 guests was held at the American Legion Hall in Farmington. Following a short honeymoon in northern Michigan, the newly weds will make their home in East Lansing, where Mr. Auten will continue his schooling at Michigan State.

LOCAL News

Mr. and Mrs. Roy Duston had Sunday dinner with her parents, Mr. and Mrs. Oris Spencer of Powell road, last Sunday.

Sunday's Detroit Tigers ball game was witnessed by Royce Harrison and Frank Tate.

Mr. and Mrs. Dewey Smith of Northville road had for dinner guests Sunday, Mr. and Mrs. Tom Thompson, Mr. and Mrs. Horace Wise, Mr. and Mrs. Joe Horsch of Detroit, Mrs. Minnie Broome and daughter, Norma Jean, and Mrs. Elizabeth Willis.

Today, Friday, Mr. and Mrs. Dewey Smith, son and daughter, Jack and Jacqueline, and Mrs. Minnie Broome are leaving for a 10 day trip to Grand Marais to visit relatives.

Clifton E. Raum returned from a week's business trip to Washington, D. C. last Friday.

Mr. and Mrs. John B. Hubert of Birmingham were dinner guests Sunday in the home of Mr. and Mrs. Stewart Dodge on Blunk avenue.

Roy Pursell and son, Carl, have returned after spending four days in Chicago.

Mr. and Mrs. George Todd and son, Donald, of Pacific avenue, were Sunday dinner guests of Mr. and Mrs. John Palmer of South Main street.

Sunday callers of Mr. and Mrs. Dewey Smith were Mr. and Mrs. Laval Ruston and two children of Wayne, Mr. and Mrs. Glenn Smith and two children of Detroit, and Mr. and Mrs. T. Maxwell and son, Russell, and Mr. and Mrs. Carl Watts and son, Terry Lee, of Plymouth.

Mr. and Mrs. Howard Cochran, Deanne Herrick, and Mr. and Mrs. Bud Cook flew the Dawn Patrol to Flushing, Sunday. On the return they took a side trip to Wampler's lake and the Irish Hills, returning to Mettetal airport.

Wedding Officiated July 25

Mr. and Mrs. Robert Stevens Lawson

Mr. and Mrs. Robert Stevens Lawson cut the wedding cake during the reception which followed their wedding on July 25. She is the daughter of Mr. and

Mrs. Glenn Osgood of St. John's. Mr. and Mrs. Lawson is the son of Mr. and Mrs. Roy C. Lawson of Plymouth.

**1st Anniversary Sale
Starts Today**

Dear Friends:
You are cordially invited to attend our birthday party celebrating one year in business from August 13 to 21. Your generous patronage and friendliness this past year has far exceeded our hopes.
In appreciation of your business and goodwill we are offering specials in new merchandise and sales in summer stock at bargain prices.
Also, because of your many requests we are HAPPY TO ANNOUNCE THE OPENING OF A YARD GOODS AND NOTIONS DEPARTMENT UNDER EXPERIENCED MANAGEMENT.
Cordially yours,
Dunning's
P.S. There will be souvenirs for all customers during our first anniversary week.

Children Walk When Ready

Mothers and fathers who fret about their young fry learning to walk should relax and let the child take his own time, advises Mrs. Lennah Backus, extension specialist in child development at Michigan State college, in a report to Plymouth parents.

Sometime around the end of the first year a child is strong enough to walk. When his body is ready he will start to walk all of his own accord. There's nothing you can do to speed it up! Better let him set the time and that time may have no relation to when brother or sister or the neighbor's children started to walk.

Once he has his feet firmly on the ground, the right toys may make walking even more fun. Push toys give a beginning walker something to lean against—a little extra support. Of course, many of these toys that help walking make a noise—the engine has a bell, the lawn mower rattles, the wagon squeaks. There is a good reason why some toys are made this way. Children love noise, all kinds of noise. It's up to the parents to learn to take the noise because it seems to give children a sense of power and thus helps them to walk.

When your child begins to walk he will explore everything and you will want him to. Remember things for a time that are apt to keep you saying, "Don't touch." At the same time see that your child has lots of things of his own that he can touch and bang and pile and lug.

It isn't necessary to let children do everything, neither is the solution to say, "no," all the time. Relax and let your child relax. Youngsters grow best when they are with adults who are at ease.

Dale Carnegie
Author of "HOW TO WIN FRIENDS and INFLUENCE PEOPLE"

BEREAVED MOTHER DISCOVERS GOLDEN SECRET

A STORY of how one woman reacted, in an hour of trial, comes from Mrs. Leo Herndon, Abilene, Tex.

She and her husband—almost unaccountably, it seemed—lost their little boy. Her sorrow was so great that she could not eat, life lost its value. A doctor told her that she might become a neurotic if she continued to give way to her grief. But how could she put aside so great a loss?

D. Carnegie

One day, in her depressed nervous state, she began thinking about two friends who also had lost children. One of these women became morose, bitter, said that all her life she had been unlucky.

The other woman had lost five of her six children, yet she was not as unhappy as the former woman. Mrs. Herndon analyzed these two women, and she found that the second mother was continuously doing something for someone else; she was not thinking about herself all the time, as the first woman was doing.

Then Mrs. Herndon counted up the things in her own life that she had to be thankful for, the things which brought cheer and joy into her life. Here is what she discovered as her blessings:

1—She had a devoted husband who was doing all he could to assuage her sorrow. Then she realized that if she did not cease her deep sorrow she would make him unhappy, and this he did not deserve.

2—She was thankful she had had her child even for a short while. "That is more than some women have in their lives," she told herself.

3—Both she and her husband had good health. And she was making an effort to destroy hers, which certainly would react on her husband.

Then she began interesting herself in others, doing something to make them happy. Six months passed and her sorrow began to wane. Her great loss is still there, but she is getting a great deal out of life.

Other sorrowing mothers can benefit by Mrs. Herndon's example. Had she gone on as she started, she would not have benefited in any way, and would have harmed not only herself but all those with whom she came in contact. No one wants to do that.

Check on Child's Teeth Necessary

Included on the list of "musts" for young Plymouth students before they begin the coming school year is an appointment with the dentist.

This need was recently pointed out when the Bureau of Public Health Dentistry of the Michigan Department of Health issued a report to Plymouth parents which revealed that the average five-year old Michigan child has four teeth which need filling. Their findings were recently uncovered in a survey of 7,373 Michigan school children.

Approximately 70 per cent of the five-year-olds need dental treatment, and about 12 per cent are actually under the dentist's care.

The teeth which need filling are first or deciduous teeth which the child should retain for another five or six years, until they are replaced by permanent teeth. Keeping the molars of the first set of teeth is important because they help the child to chew properly the wide variety of foods which are essential to good growth and development. They help the jaw to expand normally to allow sufficient room for permanent teeth to take their proper places.

Good dental care for the child includes an early visit to the dentist at pre-school age and regu-

lar visits thereafter. Many three-year-olds have cavities but with adequate care first teeth can be retained until the child is 11 or 12 years of age. All cavities should be filled when small, and all infected teeth which cannot be successfully treated or filled should be removed. Flourine treatment to reduce decay may be recommended by the dentist.

Good home care of the child's teeth includes furnishing him a good diet to promote normal body development, but keeping his diet low in sugar, desserts, candy and pop to help control tooth decay. It also includes establishing good habits of mouth cleanliness, and helping the child to know his dentist as a friendly health counsellor.

Scrap Iron and Metals

We buy all kinds of scrap iron, farm and industrial machinery.

State Peach Crop Marketed Soon

From now until late September, Plymouth housewives will be busy canning peaches. When to buy and what kind to buy are questions in their minds today.

As a part of the consumer education service of the Michigan State college extension service, G. N. Motts, MSC agricultural economist, suggests a few peach facts that are important to Plymouth's housewives.

Although Plymouth consumers usually have peaches available from Georgia, the Carolinas, Virginia, and Illinois, between 75 and 90 percent of the fresh peaches they use are actually grown in Michigan.

According to the U. S. Crop Reporting Board, Michigan is expected this year to have about 3,700,000 bushels of peaches, which is 10 percent above the 1936-1947 average. The Michigan crop will start moving about August 10 to 15 with Hale Havens and other early varieties, followed by the Elbertas and other good late varieties through most of September.

For those interested in southern peaches, the Georgia crop is only about two-thirds of last year's crop and 20 percent below the average, and the South Carolina crop is only about half of last year's record crop. Illinois has an average production, but below last year. Peaches from these states are not generally expected to be in as good supply here or as good a buy as Michigan peaches.

Growing conditions in Michigan have been such that it is expected that the quality of Michigan peaches will be good and the time of ripening will be at least two weeks ahead of last year, when the season was quite late and considerable frost damage destroyed much of the quality of the Michigan peach crop. Michigan peaches are produced in commercial quantities in Berrien county north to the Traverse City area along the shores of Lake Michigan, around Grand Rapids, and in the territory around Mt. Clemens and Pontiac.

In York, England, the will of the late bald Herbert Wood, who had once caught a nasty cold when he removed his hat at a funeral, considerably directed that the men at his funeral remove their hats "for not more than a few minutes."

Forty Years Ago This Month

On August 8, 1908... forty years ago... The Hoover Company started making electric vacuum cleaners.

This was the first practical portable electric cleaner ever offered the American housewife.

Through the years they have been made better and better.

More than 7,000,000 of them have been made and sold.

The Hoover Company has made more of them than any other manufacturer.

Women like them. They prefer the Hoover over any other make.

Isn't it time you, too, owned a new Hoover?

Come in and see the great new **HOOVER** Cleaners or phone for a home showing. No obligation.

HOOPER RUBY JEWEL
1908-1948
New Hoover Cylinder Cleaner, cleans by powerful suction. Has new idea in dirt disposal, the exclusive Dirt Ejector. Your hands never touch dirt. Complete with cleaning tools in handy kit, including Mothmizer and sprayer, \$79.50

New Hoover Triple-Action Cleaner, with Hoover's exclusive cleaning principle—it beats... as it sweeps... as it cleans... \$69.95 (Improved and only \$1.95 more than its prewar predecessor.) Cleaning tools in handy kit... \$18.00

BY • ELTON R. EATON

Michigan duck hunters who had a faint hope that there would be an extension of the duck hunting season this year, are in for a disappointment. The length of the season will be 30 days, the same as last year, advises the U. S. Department of Interior.

But whether that 30 days shall be in one straight period, or divided into two sections of 12 days each rests with the Michigan Conservation Department commission.

The season will open on October 15 and close on November 13, two days before the deer season opens.

The woodcock season in Michigan will open in the Upper Peninsula on October 1 and continue until October 20. In the Lower Peninsula it will open on October 15 and close on November 3.

Only four ducks can be taken in any one day. The daily shooting hours have been slightly changed. Ducks, geese, brant, coot and rails may be taken daily from one half hour before sunrise to one hour before sunset. On the opening day there can be no hunting before 12 o'clock noon. This regulation was in effect last year.

The Plymouth Mail has left with William Rambo at the Plymouth Sporting Goods store complete details as provided by the department of Interior pertaining to duck and goose hunting in other states. So if you contemplate going to Maryland, Maine, Minnesota, Texas or some other state to hunt ducks this fall, you can get such information as you may need from Bill Rambo.

President Brick Champe has announced that there is going to be plenty of activity during the forthcoming fall and winter on the part of the Western Wayne County Conservation club. He says there are numerous events planned that will interest all of the members and their friends, the first one being the annual fall round-up on Sunday, September 12.

Floyd Reddeman of the Daisy organization, is doubtless the most enthusiastic pike fisherman in Plymouth. He knows, or thinks he knows, where every Great Northern pike in the Alpena fishing area spends its winters, springs, summers and falls. His fishing luck somewhat bears out his contention.

Then, too, he has always contended that there's nothing to the story that pike do not bite well during August because "they are shedding their teeth."

Now comes along the intellectuals of the Conservation department with facts to prove that Pike Fisherman Reddeman is correct in his contentions. Not only did the department sustain Fisherman Reddeman's views but it knocked into a cocked-hat the favorite alibi of many pike fishermen for their generally poor luck during the month of August. There's nothing to the "tooth shedding and sore gum" theory—and it isn't so, report these intellectuals in the current issue of the Department's monthly magazine, Michigan Conservation.

Creel censuses have confirmed the fact that the catch of pike does dwindle in the hottest months of summer. The notion that pike shed their teeth at this season and won't strike at lures because of sore gums while the new set is growing in has become rather well established.

Fisheries men checked the story by catching pike and counting their teeth. They took 188 northern pike, seven muskellunge and six chain pickerel, representing catches in every month of the year but December and February.

The pike's replaceable teeth, they found, are the large canines on either side of the lower jaw. A full set would be 16, but few pike ever had two-thirds of them full grown at any one time. At no season of the year was the pike without an efficient set of them. These teeth simply are replaced when lost, individually, with replacement continuous from youth to old age.

More prosaic but more probable explanations for the lack of good pike fishing in midsummer are that pike retire to cold water or are sluggish in warm water, or have such an abundance of natural food readily available they have no interest in anglers' imitations.

There are few prospects of any changes in the small game hunting regulations this fall, announces the Michigan Department of Conservation.

The squirrel season, for instance, will by act and order be October 15 - November 5 in the lower peninsula only, with a bag limit of five, possession limit 10, season limit 25, and black squirrels still protected. Hunters bagged about 534,000 fox squirrels and 61,000 gray last season, and populations of both species are believed normal.

The cottontail rabbit and snowshoe hare season probably again will be October 1 - March 1 in the upper peninsula, October 15 to January 31 in northern lower Michigan and October 15 - December 31 in southern Michigan, with the daily bag five, possession limit 10 and season limit 50. In 1947 the take was 919,000 rabbits and 235,000 hares, and while there has been little change in cottontail numbers, there are indications of an increase in the number of snowshoes.

Observers agree that raccoons still are at or near peak abundance for this state, and the maximum season again may be: November 1 - December 15 in the lower peninsula and November 1-14 in Delta and Menominee counties for hunting; November 1-30 in Delta and Menominee counties, November 15 - December 15 in northern lower Michigan, and December 1-15 in southern Michigan for trapping. The take of raccoons in '47 was 64,000.

Mink and muskrat trapping regulations have one change this year, a special November 15-21 season in part of the Dead Stream area in Roscommon county, instead of the full November 15 - December 15 season in this region. The abbreviated season is designed to prevent over-trapping of this locality. Otherwise the seasons are the same as before: November 1-30 in the upper peninsula, November 15 - December 15 in northern lower Michigan; December 1-31 in southern Michigan, with additional time allowed, to January 31, in the Lake Erie marshes. Mink hunting—a rather highly specialized sport—is in season November 1 - December 31 in the upper peninsula and November 1 - January 31 in the lower peninsula. Michigan trappers pelleted 357,000 muskrats and 26,700 mink last season.

Woodchuck, badger and skunk seasons also are to continue unchanged, and the opossum continues totally unprotected at any season.

TEAMWORK

Prospective Employer: "I can use a man with your personality, strength and leadership. I'd like to have you on my team."

Grad: "That sounds good, sir. What kind of business are you in?"

P. E.: "Borax business—I have a 20 mule team."

Season Has Started
It was a bright day, and Eddie was looking out of the classroom window longingly. The geography teacher wanted to get his attention.

"Eddie, where's Cleveland?" she asked.

"Cleveland's in New York to-day," came the prompt answer, "and Bob Feller's pitching."

A TREAT FOR PAT
Pat was determined to pass by his favorite tavern on his way home. As he approached, he became somewhat shaky but, stealing himself, he passed on. Then after going about 50 yards, he turned and said to himself: "Well done, Pat, me boy. Come back and I'll treat ya."

Fall Round-up**

Sunday, September 11, has been fixed as the date for the big annual fall round-up of the Western Wayne County Conservation Association, announces the board of directors of the organization.

It is going to be an old-fashioned picnic for members and their families. Knowing that there will be several hundreds of children present, the committee is arranging a series of events for the afternoon and evening that will especially delight the youngsters. The committees will be announced in a few days, and additional details given to the public at an early date.

President Brick Champe states that the organization hopes to make this event one of the most pleasant ever held by the Association.

Be unselfish. That is the first commandment for those who would be useful, and happy in their usefulness. If you think of yourself only, you cannot develop because you are choking the source of development, which is spiritual expansion through thought for others.—Dr. Charles W. Eliot.

What every woman ought to know about Dynaflo Driving

Don't shy away, ladies, because we're not going to tell you how Dynaflo Drive* works.

Not even going to explain how this wonder-worker does away with both the clutch pedal and the usual low, second and high gears.

All we want you to get is this:

You slip behind the wheel of a Dynaflo Buick, start the engine and set a lever.

From then on, all you do is press the gas treadle and steer.

You move away from a standstill in one smooth, even build-up of power, easy and graceful as the start of a waltz.

You come to a stop light—and simply apply the foot brake. To go again, just feed the gas, without bothering to time your left foot with what the right hand's doing.

You take hills, steep grades, traffic tangles just by pressing down on the gas treadle. And you do all this without even thinking about gear-shifting.

Why—because this drive shifts for you? No—because Dynaflo Drive does away with the need for changing gears in all normal driving.

The power plant does what gears used to do—so only when you first start out, park or back up will you normally have reason to touch the selector lever.

The big bothers of driving are gone. Anyone—man or woman—is a better driver, a smoother driver, with Dynaflo Drive.

If he likes, let your husband inquire into the technical side of Dynaflo.

As for you—just arrange to try it. In five minutes, you'll be saying, "John, whether or not we trade a car, let's see a Buick dealer now and order a Dynaflo!"

**Optional at extra cost on Roadmaster models only.*

When better automobiles are built **BUICK** will build them

YOUR brain budget

- Tempelhof airfield is located in (a) Boston, (b) Chicago, (c) Berlin.
- New giant of the airways, Lockheed Constitution, has spanned the continent in 10 hours, 19 minutes. The 92-ton navy transport is equipped to carry (a) 180 passengers, (b) 58 passengers, (c) 250 passengers.
- The war crimes trial of wartime Jap premier Hideki Tojo and his 24 co-defendants has already continued (a) six months, (b) 18 months, (c) two years.
- Cost of meat is now (a) 3 times pre-war average; (b) 1 1/2 times pre-war average; (c) 2 1/2 times pre-war average.
- Harold Stassen, former Minnesota governor, who was also a candidate for the Republican presidential nomination, has accepted a position as president of a university. He will head the (a) University of Illinois; (b) University of Minnesota; (c) University of Pennsylvania.

ANSWERS

- (c) Berlin.
- (a) 180 passengers.
- (c) Two years.
- (c) 2 1/2 times pre-war average.
- (c) University of Pennsylvania.

ABOVE THE HULLABALOO

THE NEW COMMUNIST PARTY

ONE of two conclusions may be drawn from the recent nightmare at Philadelphia and its resultant abortion—the platform of the "Progressive" Party.—The authors are either full-fledged fellow-travelers or just plain imbeciles. Judging from their speeches and antics in Shibe park on the night of July 24, they might be both.

We know where those who dictated the platform stand, but how about the great mass of innocent Wallace-Worshippers whom they kidnapped? Do these fanatics realize that the communist hierarchy has a platform also; and that its principle objective is "control of all peoples by the Communist Party operated from Moscow?" Do they not find something at least significant in the revolt of Red Tito against absorption by Russia? Possibly not—but nevertheless they are now members of a Party which appears to have in mind a sinister collaboration with the Kremlin which is far more inimical to the American people than even its anti-U.S.A. platform would indicate.

If the policies enunciated in the "Progressive" platform were carried out today, Germany and the balance of Western Europe—Spain possibly excepted—would be in the hands of the Kremlin within six months. Berlin is the heart and nerve center of Germany. Someone who evidently did not realize this held back Patton's army so the Russians could enter it first. If we surrender it now, the Soviet-trained native communist party will immediately call for a united Germany with its capital in Berlin.

Teutonic sentiment and Russian propaganda will prematurely force the issue. A provisional government will request withdrawal of all foreign troops, and the request will doubtless be granted. The result is a foregone conclusion. The German communist party would usurp the reins of government before any other party could organize itself. With the Russian army just across the border there could be no resistance. With Germany in Red hands, the balance of the continent could not hold out against the organized local communist parties.

Do Wallace, dude-cowboy Taylor, Pressman, Gold, Abt, Harry Bridges, Baldwin and Tugwell know all this? Don't ask foolish questions!!

A total of 138 World War II members of the Navy, Marine Corps and Coast Guard were awarded the Congressional Medal of Honor.

NOTICE

A meeting of the County Board of Education of Wayne County, Michigan will be held at the High School in Plymouth, Michigan on the 14th day of August, 1948 at 10:30 o'clock a.m. for the purpose of determining whether or not School District No. 2, of Canton Township, known as the Hanford School District, shall be annexed to the School District of Plymouth Township, Wayne County, Michigan in accordance with Act 269 of the Public Acts of 1947.

The school electors of each district have voted in favor of such annexation, by a majority vote of the school electors present and voting at a meeting called for such purpose in accordance with the provision of Section 294, Chapter 3 of the General School Laws of the State of Michigan of the 1946 revision.

Dated this 2nd day of August, 1948.

President Matthew H. Tinkham
Secretary Fred C. Fischer

Wayne County Board of Education

SHAMPOO SONATA

You ought to hear June croon when she washes her hair these days.

You'd think she was in love.

And she is—with a new, automatic, electric water heater—

A heater that gives all the hot water she needs whenever she turns the tap.

More than that—

It's carefree... with no flames, no fumes, no soot to worry about.

It's clean and quiet and economical to operate.

And it's Dependable—with a capital D. Once installed, you can forget all about it. For laundry, baths and dishes, and a dozen other uses, try water heated electrically, the modern, carefree way. Ask at your nearest Edison office.

No Other Water Heater Gives All These Advantages!

- Cleanliness—No soot or smoke
- Carefree Operation—No flames or fumes
- Efficiency—No waiting or wondering
- Automatic Dependability—Always on the job!

Nutrition Aids

from the American Red Cross Nutrition Service

The high prices on meats in Plymouth butcher shops aren't due to shortages, according to the United States Department of Agriculture. They're simply the results of the homemaker's willingness to pay the price asked.

Meat packers, too, put the blame directly on those of us who do the marketing. They declare that if we would ask for and make use of all of the cuts of meat instead of only demanding the choicer ones it would be possible to reduce the prices of steaks, chops and roasts since there would be a great decrease in waste.

If these experts are right it puts the whole problem right in the laps of the housewife. And she can lick it too, if she makes up her mind to do it.

Meat is such a nourishing food and makes meals so satisfying in flavor that most people like to have at least the main meal of the day built around it. To do this and keep the food budget within reason the Nutrition Service of the American Red Cross suggests making use of the less tender cuts of meat.

They're flavorful and high in food value. Grinding or long slow cooking in moist heat makes them tender. Some of these cuts have a relatively large amount of bone or gristle in them so buy more of them for your family than if you were buying solid meat.

The following chart shows how many fairly generous servings you can expect to get from different types of meat cuts:

Much bone or gristle—a pound yields one or two servings. Shank, brisket, plate, shortribs, spare-ribs, a breast of veal or lamb belong in this group.

Medium amount of bone—a pound provides two to three servings. Whole or end cuts of beef round, veal leg or shoulder, ham with bone in it, steaks, chops or roasts cut from loin rump or rib sections fall in this class.

Little bone—a pound makes three to four servings. Center cuts of beef round, pork shoulder and ham, beef chuck and lamb or veal cutlets are in this group.

No bone—a pound yields four servings. These include ground meat, boneless stew meat, liver and other variety meats as well as all boneless cuts.

Of course by combining these meats with other foods they can be stretched to make more servings. Here are recipes showing what you can do with them.

Jellied Lamb Loaf

Three lamb shanks, weighing about one pound each, 1 onion, bay leaf, few whole cloves, 2 teaspoons salt, water to cover, 1 tablespoon plain gelatin, ½ cup cold water, 1 tablespoon chopped parsley, 1 tablespoon Worcester-shire sauce, 4 hard-cooked eggs.

Simmer lamb shanks with onion, cloves, bay leaf, salt and water for about 2 hours or until

meat is tender. Remove lean meat from bones and put through food chopper. There should be about 2 cups. Skim fat from broth and strain.

Soften gelatin in cold water and add to 1½ cups of hot lamb stock. Chill. When partially set mix with meat, parsley and Worcester-shire sauce. Put half of mixture in loaf pan which has been rinsed with cold water. Arrange hard-cooked eggs lengthwise of pan and cover with remaining meat mixture. Press firmly and chill until set. Serves 6 to 8.

Sausage and Liver Patties

One-half pound beef or pork liver, 1 tablespoon drippings, ½ onion, ½ pound bulk sausage, 1 cup soft bread crumbs, 1 egg, ½ cup milk or meat stock, ¼ teaspoon salt, dash pepper, Worcester-shire sauce.

Fry liver in drippings just long enough to brown lightly on both sides. Put liver and onion through food grinder, using medium knife and combine with other ingredients. Place mixture in greased muffin tins. Bake in moderate oven, 350 degrees, for 1 hour. Makes 4 to 6 servings.

Rolls Stuffed Flank Steak

One pound flank steak, salt, pepper, 2 tablespoons flour, 2 cups well seasoned bread stuffing.

Sprinkle steak lightly with salt, pepper and 1 tablespoon of flour. Pound with meat mallet or edge of heavy saucer until thin. Cut in four oblong pieces and score with sharp knife. Spread meat with favorite bread stuffing and roll tightly. Fasten each roll with skewers or string. Roll meat in remaining flour

and brown in small amount of meat drippings. Add enough water or meat stock to half cover. Cover closely. Simmer from 1½ to 2 hours, or until tender, adding water, if necessary to prevent scorching. Whole potatoes and onions may be added for the last 30 minutes of cooking. Remove meat and vegetables to platter and thicken gravy. Serves 4.

4-H WINNER . . . Richard Hedstrom, 13-year-old, of Mankato, Kans., won top honors this year in the Kansas state finals of the extended "Chicken-of-Tomorrow" contest. The youthful 4-H club member is here shown with trophy presented to him by A. & P. food stores, sponsors of the competition to produce a quicker-growing, meatier bird.

Letter To An Unknown Woman

Trail of the Mounties

PEEK at the STARS

By LYN CONNELLY
NWNS Radio-Screen Editor
In every article, whether a detailed story or brief item, about Vaughn Monroe his name is invariably accompanied by the description, "bald of the year" . . . That is an apt term since this handsome, blond giant has made a amazing strides in his comparatively few years in the business, yet by so doing he has proved emphatically that if you give the people what they want in the line of music, if you have the talent and the ambition, the public is not apathetic.

V. Monroe

Possessing one of the best musical aggregations in the country today, Vaughn has the added appeal of his own fine voice, the accompaniment of the "Moon Maids" and, for variety, the versatility of Ziggy Talent . . . During his recent personal appearance at a Chicago theatre, where he played packed houses, he celebrated his eighth anniversary as a band leader.

Born in Akron, Ohio, he spent most of his early boyhood in the country due to his mother's frail health . . . In his early years as a leader he took active participation by playing the trombone, at the same time developing the singing style that made women, young and old, Monroe-conscious . . . He is one of the top artists in the recording field, his latest hits being "Every Day I Love You Just a Little Bit More" and "It's My Lazy Day" . . . He is considering a deal now to make two musical films a year.

"Vau-gen" (as admirers affectionately refer to him) is 6 ft. 2 and weighs in at 195 lbs. . . Success has not turned his head one fraction of an inch . . . Both he and his very charming wife are completely unaffected, soft-spoken and likeable . . . He pointed out a robe, vividly splashed with a red and blue design which had been the gift of his six-year-old daughter on Fathers' Day . . . "She picked it out herself," he said proudly . . . His hobby is carving miniature trains and he is as clever at it as he is at conducting an orchestra, singing a song or playing a trombone.

Babson

Babson Discusses Politics and Prices

Gloucester, Mass., August 13. It may be safe for investors to assume that Dewey and Warren will be elected in November; but it is not safe for them to believe that under a Republican Administration everything will be "peaches and cream."

Stop Abusing Truman
This constantly increasing cost-of-living must be licked in some way. Mr. Truman has made some suggestions as to how to stop prices rising anymore. Whether or not his recommendations are practical during peacetime is debatable; but Mr. Truman should not be abused for making these suggestions. He is at least trying to get the problems discussed at once before it is too late.

Otherwise, on November third, it will be found that the combined Truman-Wallace popular vote will exceed the Dewey vote even though Dewey is elected. This could easily take the enthusiasm out of the election of the Dewey-Warren ticket. The electoral voting system will help Mr. Dewey this year; but it will not help elect a Republican Congress two years from now. It is very possible that a Democratic Congress may then be elected.

How to Lower Prices
The difficulty with Mr. Truman's proposals for an excess profits tax, price fixing and rationing is that these laws do not produce more goods and goods. He can reduce beef to 50 cents a pound, but the ranches will not ship as many cattle to market. He can fix the price of shirts at \$2.50, but there will be no shirts to buy at this price. In peacetime such legislation would create a tremendous black market.

There are only two ways to lower prices. One of these is to lower wages which very few Congressmen have the courage to do. The other and most practical method would be by monetary means. As the tremendous increase in U. S. money (from seven billions to twenty-eight billion in ten years) is the primary cause of inflated purchasing power. This could be done by curbing government purchases and expenses, by restricting installment buying, and by removing support to the prices both of government bonds and agricultural products.

Has Dewey the Courage?
Mr. Dewey—if elected—may have the courage to propose such a drastic cure, but he would have great difficulty in getting a Republican or Democratic Congress to go along with him. Hence, I visualize prices to continue high until people stop buying and a national bust follows.

Wallace may be very unwise in his Russian attitude; but he may be a better business prophet than either of the other two candidates. I repeat that gross business should hold up for two or three years. It now is a part of the U. S. military strategy to prevent unemployment. This, however, will be accomplished only at a terrible cost. The longer it continues the bigger the bust.

What About Stocks?
This situation I foresaw when writing last December my forecast for 1948. I then feared that net profits would decline during the latter part of this year; even although gross business remained at high volume. I yet see no reason

for changing this forecast even with the probabilities of a Republican victory on November 2nd. I haven't forgotten what Calvin Coolidge once said to me. "Babson, conditions do elect Presidents, but Presidents do not elect conditions."

The above is one reason for forecasting that, during the bulk of this year, the Dow-Jones Industrial Averages will range between 165 and 185. I continue to make this forecast. As the campaign speeches warm up, wise investors will see that the Republicans are to be in a terrific dilemma. If Dewey is determined to reduce prices, this means deflation, lower wages, and the removal of price supports. If the Republicans don't deflate but let high prices ride, they are headed for a bust sometime. Hence, it seems advisable to take profits when the Industrial Averages are around 185.

25 YEARS AGO FROM THE PLYMOUTH MAIL FILES

At the regular meeting of the village commission held Monday evening, a resolution was adopted, calling upon citizens of Plymouth to cease their labor on Friday at 2 p. m. for the rest of the day, that they may join in the memorial services to be held in Kellogg park at 3 p. m. in commemoration of the burial of our late president, Warren G. Harding, at Marion, Ohio.

Stop signs have been placed on both sides of the street, where Penniman avenue crosses Main street. Village Manager Strong informs the Mail that the stop signs have been placed there for the purpose of safeguarding this dangerous crossing and as an invitation to the motorist to cooperate with the village officials in their efforts to make Plymouth streets safe.

Penniman avenue is to have another new business block that will add materially to the appearance of the thoroughfare. Bert Rea of Kenton, Ohio, who owns the wooden building which stands next to the new Huston block, will erect a new building on that site. The building will be a little over 17 feet in width and 75 feet in length. It will be one story in height. Fancy brick will be used for the front. Contractor Fred Rhead will erect the new building.

Mr. and Mrs. Ralph Taylor have gone to live in Pontiac, where Mr. Taylor has a position. Mr. and Mrs. Lloyd Filmore and son, Wellman, spent last week at Petersburg and attended the family reunion at the home of the former's parents, Mr. and Mrs. C. C. Filmore.

Carl Zarn, Fred Ash, and Harry Wagenschutz spent the weekend at Niagara Falls.

Mr. and Mrs. Guy Rorabacher and children were at Island lake, Sunday, attending the Beebe family reunion.

Early travelers on the road circling Mud lake, Monday morning, discovered a Hudson touring car which had been stripped of tires, batteries and other accessories and set on fire. The engine number was still decipherable.

Byron Becker spent Friday helping Roy Jewell move into his new home in Palmer Acres. Mr. and Mrs. Jack Wein and

sons, Robert and Norman, of Detroit, and Howard Waterman of Waterford, were Sunday guests of Mr. and Mrs. Louis Minchhart.

During the past few weeks engineers have been engaged in taking soundings on the Ford flats where it is proposed to construct Northville's new power dam, and as soon as this work is completed it is expected work will start in earnest. Mr. Ford was in Northville Saturday, and gave instruction to start work on the dam as soon as possible and to rush the work to completion with all speed. The new dam will be constructed along Griswold street, and its embankments will form a sort of horse-shoe as they are built from the basin for the storage of water.

The brick work has been commenced on the Huston block. Mr. and Mrs. Harvey Spring returned Sunday, from a two week's vacation.

Mr. and Mrs. Dan Post and Mrs. Root of Detroit spent Wednesday at the William Farley home on Adams street.

C. F. LeFever and family were weekend visitors at Five lakes, near Lapeer.

Carl G. Shear has purchased the residence property of Charles Roberts on South Main street.

Mr. and Mrs. Harold Hamill and daughter, Jean, of Ann Arbor, spent Sunday, with relatives here.

Mr. and Mrs. Arlo Suth and children are enjoying a week's camping trip at a lake in Otsego county.

Miss Thelma Williams spent several days last week in Ann Arbor, the guest of her cousin, Mrs. Harold Hamill.

Mr. and Mrs. Kenneth Cummings of Columbus, Ohio, are spending the week with Mr. and Mrs. C. F. LeFever.

The Lee Foundry and Machine company are building an addition to their plant, made necessary to care for their increasing business.

Mr. and Mrs. O. W. Chaffe of Youngstown, Ohio, visited the former's sister and husband, Mr. and Mrs. L. B. Warner, this week Wednesday and Thursday.

Mr. and Mrs. L. L. Ball and son, Lynton, left Tuesday morning for Hastings to visit friends and relatives. Mr. Ball will return Sunday, while Mrs. Ball will remain several weeks at the home of her brother, C. W. Cutler.

Mr. and Mrs. Arthur Mills and son, Hawley, left Wednesday by motor for Eaton Rapids and other northern points.

Mr. and Mrs. Harmon Gale and children and mother, Mrs. Jennie Smith of Salem were Sunday guests of Mrs. Nellie Bird of Ann street.

Mr. and Mrs. Frank Crane of Salem and Mrs. Emma Jones of Grand Rapids, were guests at the Jolliffe home on Mill street Sunday afternoon.
