WE HOPE IT IS UNTRUE.

The United States News in a recent issue declared that, as things now stand, one worker in every ten may be job hunting next year. If that prediction is true, then the Democratic labeled "Hoover depression" will be but a drop in the bucket compared to the Truman depression. We hope that the pessimistic statement of the famed Washington publication is untrue, but the trend of the times indicates that our national business condition is not good.

USING ROUGH WORDS.

The Multi-Lakes Conservation Association, a group of several thousand Oakland county conservationists, issues a publication called "The Retriever." In a recent issue it branded every person guilty of violating a game law in Michigan as a "stinker." As we see it, "them thar" are strong words, but maybe he's right in the emphatic phraseology he uses.

GOOD SERVICE TO MICHIGAN.

While some certain selfish groups with personal gains as objectives—and grudges to settle—have been somewhat critical of the work of the present Michigan state legislature, it is our opinion that the legislature as a whole has served the people of Michigan well.

There has been some criticism because of its failure to adopt "Governor Williams' program" whatever it might have been.

The legislature did a commendable service in killing his entire mess of political "bunk." He wanted more of the dollars of honest workers to give to the lazy, indolent, no-good bum who refuses to work when given an opportunity to do so. He wanted more of your savings to give to the welfare cheaters who have robbed the state of millions of dollars. He wanted more of what you have legitimately earned to give to additional armies of useless political job holders.

His entire "program" was one that, if adopted, would have led directly to the "police state" that President Truman so emphatically damned a couple of years ago.

Yes, the legislature has done a pretty good job. And it would not be one bit amiss to say that probably the outstanding member of the present session is Speaker Victor Knox. By his leadership he has kept both the house and senate on a pretty even keel. He hasn't been afraid to expose the quackery whenever it raised its ugly head—and he hasn't been afraid to point out the dangers of a lot of the questionable legislation that was offered. All in all, the people of Michigan have profited well by the present session—notwithstanding some of the fool things that even some Republicans offered along with the New Deal mess of "hooley" that was considered.

STATE AID FOR PLYMOUTH SCHOOLS.

Much has been said recently about school financing for the Plymouth school district. In fact there has really been more discussion of the question since the bond issue was voted than there was before the voters so overwhelmingly favored the badly needed expansion of school facilities.

It will be an eye-opener to many to know just how much state aid the Plymouth school district does receive. Upon request The Plymouth Mail has received from the state department of education the following information as to how much money the Plymouth school district has been receiving during the past two or three years from the state, and what it may be expected to receive during the next year:

1946-47—Primary	\$ 30,619.55
Sales Tax	12,714.00
State Aid	134,167.00
	\$177,501.19
1947-48—Primary	\$ 40,470.42
Sales Tax	44,519.56
State Aid	166,454.65
	\$251,444.63
1948-49—Primary	\$ 42,239.55
Sales Tax	51,600.00 (Est.)
State Aid	169,716.00 (Est.)
	\$263,555.55
1949-50—Primary	\$ 42,000.00

Falling Cornice Being Repaired

Workmen are busy this week replacing the cornice on the roof of the Hotel Mayflower. A chance discovery last weekend by Manager Ralph Lorenz of the hotel revealed the fact that a crack some ten feet long had developed between the cornice and the bricks that supported it.

A repairman was called the next day and when he and Mr. Lorenz again inspected the crack it was found that it had widened to some 80 feet along Ann Arbor trail and that the whole cornice had shifted some two inches out of place over the sidewalk.

Immediate action was then necessary to prevent the front from falling to the sidewalk. Giant cable hooks were tied to the front of the cornice and then roped to the back of the hotel building to hold it in place until it could be repaired.

Patchen PTA Meeting is Set for Tomorrow

Tomorrow, Friday, is the day set aside for the next meeting of the Patchen PTA. It will get underway at 7 p.m.

A pot luck supper has been planned. Members are asked to bring a dish to pass, and their own table service.

OPTIMISTS MEET MONDAY

According to Optimist President Howard Carson, club members will have a musical treat next Monday night at the Hotel Mayflower.

The Wadsworth Musical Revue, well known in Detroit for its performances at the State Fair each year, will provide the entertainment for the evening.

Positions Open in Local Post Office

The expansion of facilities in the Plymouth post office necessitates the hiring of additional personnel. Postmaster Thomas Brock reported this week.

Positions open are chiefly clerical, he pointed out, and all the work will be steady in nature.

Persons applying for the jobs must be high school graduates, must be veterans, must desire a permanent position, and will be expected to pass a civil service examination after entering the office.

Forecasting questions on wages, Postmaster Brock stated employees will start at \$1.29 an hour.

Funeral Saturday For Roy G. Clark

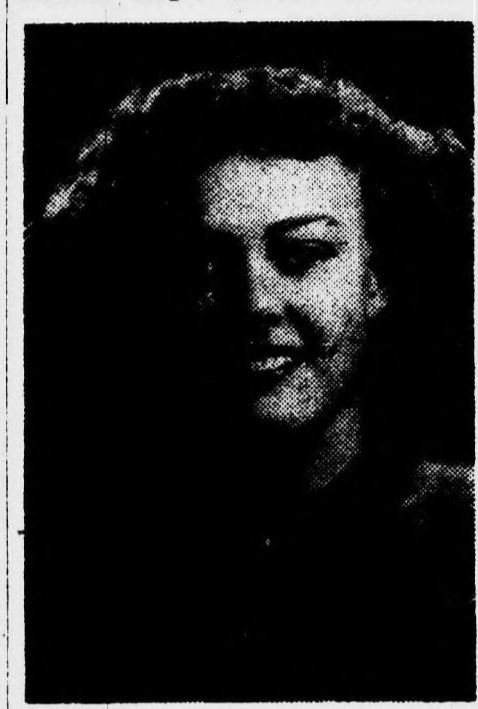

Funeral services will be held Saturday, June 4 at 2 p.m. from the Schrader Funeral Home for Roy G. Clark who passed away at his home, 236 Union street, on Wednesday morning, June 1, after a long illness.

Mr. Clark is survived by his widow, Mrs. Ethel A. Clark; his daughter, Mrs. Bernice Gildart of York, Pennsylvania; and his son, Lloyd E. Clark of Plymouth. He has been a resident of Plymouth for the past 14 years. Mr. Clark was a member of the Plymouth Rock Lodge No. 47 F. & A. M., and a member of the First Methodist church of Plymouth. He was a retired rural mail carrier of Northville.

Rev. Frederick Poole will officiate. Interment will be in Riverside cemetery.

Symphony Society Awards First Scholarship to Doris Waldecker

Doris Waldecker is the recipient of the Plymouth Symphony Society's first scholarship award. Formal presentation will be made at the first concert by the orchestra next fall.

Miss Doris Waldecker

Among the special awards she received while a student here was membership in the all-state band on a competitive basis for two years. For two years she was also a member of the Plymouth Symphony orchestra, and for two years she was also winner of the district and state contests in baritone and trombone.

During high school Miss Waldecker was a student of high scholastic standing, and she has maintained better than a "B" average during her first year at the

Conservatory of Music. The scholarship board, the agency that directs the presentation of the awards, is headed by Dr. J. H. Todd as chairman, and members are Mrs. Frances Kellogg and Harold VonBergen. They announce that this first scholarship presentation was made possible by the \$100 gift received from the Plymouth Woman's club for this fund.

The board members further disclosed that the presentation of the scholarship was open to all members of the Plymouth Symphony orchestra who have participated with the orchestra for at least one year. To be qualified for the award a person must be interested in making music his or her life's work, board members announce. The scholarship will be awarded annually as far as funds are available, members of the board point out.

This source will be a continuing scholarship as long as the student maintains a "B" or better average, scholastically.

The student must also show merit and need before he is qualified, and he must receive adequate recommendations which would warrant his receiving such an award.

Over 100 Planes Expected June 26

Well over 100 planes are expected to land at Mettetal airport on June 26; date of the Lions club sponsored Dawn Patrol.

In announcing current plans for the patrol, officials of the club this week disclosed that approximately \$750 in prizes, including a television set, will be awarded to fliers and the general public at that time.

When the out-of-town pilots land on the Plymouth field, a delegation of wives of Lions club members will drive to meet them and transport them to the hangar. All will proceed from there to the Hotel Mayflower for breakfast, at which all residents of Plymouth are eligible to attend. The entire program is open to the public, a report discloses, beginning with viewing the arrival of planes from the field in the early morning.

Following the breakfast, a program of entertainment will take place at the airport.

Anyone wishing transportation from the airport to the hotel will be accommodated, according to Lions club members.

Coaster Derby Boys Will Meet Tuesday

Boys planning to enter racers in this year's Coaster Derby will meet again Tuesday night at 7:30 at the high school.

Entry blanks and official rule books are expected to be made available at that time. In any event, every boy expecting to build a car for the race is urged to attend the meeting.

Record-Breaking Crowd Attends Memorial Events

One of the largest crowds to ever attend a Memorial Day program in Plymouth turned out for the one held Monday.

The initial portion of the day's events was a 10 a.m. service by the Navy Mothers at the Plymouth road bridge. Following was the parade of approximately 250 veterans, auxiliary members, and members of service organizations from the north section of the city to Kellogg park.

The ensuing program featured Dale McIntyre, WJR radio star, as guest speaker. He related the history of Memorial Day. Mr. McIntyre is well known as the narrator of the "Know Your America" program which is broadcast five mornings a week. Mayor William Hartmann acted as master of ceremonies.

The program was concluded with a salute by the firing squad. Commander of Memorial Day observances in Plymouth was Donald Peck, aided by Kenneth Greer.

Class Officers Tell of Graduating Activities

PLYMAIL PHOTO

Plans for Graduation Week activities were drawn up by, from left: Richard Wylie, James Wagenschutz, Alice Reddeman, Philip Bosman, and Melvin Blunk, senior class advisor.

Four of the busiest seniors at Plymouth High school are the class officers, who with Melvin Blunk, class advisor, are directing graduating activities.

Leading the Class of 1949 are Richard Wylie, president; James Wagenschutz, vice president; Alice Reddeman, secretary; and

Phillip Bosman, treasurer. Baccalaureate heads the list of graduation week activities, according to their schedule of events. It will take place June 12, and will officially open the Graduation Week program.

Two evenings later, on June 14, the seniors will gather in the high school auditorium for class

Considered seriously in need of paving is Forest street, which Plymouth Commissioners Lewis Goddard, left, and Frank Henderson, right, survey. The street, leading through the city's newest business block, will be paved if electors approve the \$475,000 bond issue at the June 13 election.

Cyanide Contaminates Tonquish Creek; Fatal to Farmer's Cows

Tonquish creek took the lives of two of Walter Postiff's best registered holsteins last Friday afternoon. The creek, which carries sewage and other deposits of refuse from the city out through the Claude Rocker and Postiff farms, just south of Ann Arbor road, became contaminated with cyanide and as a result Mr. Postiff lost his two cows.

Just where the cyanide got into the creek is a mystery, but several local factories are known to use it in their manufacturing processes. State conservation officers are making a determined effort to halt a re-occurrence of last Friday's affair.

This isn't the first time that the creek has been contaminated and, according to farmers through whose lands the water flows, there is a constant coating of oil along the banks.

Mr. Postiff has offered a reward for information that will lead him to the source of the cyanide and he is determined to keep after conservation officials until such time as he and other farmers can forget their worry over contamination in the creek. He valued his loss upwards of a thousand dollars.

All persons who formerly attended the school are welcome to attend, according to the president. This includes persons living in Livonia, Farmington, Northville and Plymouth. All are to bring their own food. Coffee will be provided.

Beals Legion Post Initiates 17 Vets

Seventeen members were initiated into the Myron H. Beals post of the American Legion during ceremonies on Tuesday, May 24.

All members of the newly initiated group are veterans of World War II.

The floor work was performed by the 49 and 8 ritual team, captained by Ernest Rieckie, past district commander. Guests included George Simmons, past district commander of the 17th district, and Chief De Gare William Holt of Pontiac.

New members are: Glenn Blanchard, Richard Boon, William Borth, Nicholas Cicirelli, Joseph Frank, Robert Grimm, Roy Guenther, Donald Hale, John Healey, James Howard, Jr., Richard Howcroft, Thomas Lewis, Roland Mailloux, Lester Russell, Steve Szeregny, Leo Taubitz, Robert Taylor, George Tillery and Donald Wade.

Refreshments and entertainment were presented after the initiation.

Mrs. James Gallimore entertained the Just Sew club at her home on West Ann Arbor trail on Wednesday afternoon.

Bond Issue, Charter Amendments Necessary for Paving Program

Court to Hear Attorneys In Police Removal

Legal aids for both the city commission and Police Chief Lee Sackett will meet Friday in circuit court in Detroit to hear a decision which will clear the ouster proceedings started here two weeks ago.

Attorneys for both the city and Sackett are basing their actions on interpretations of the city charter in regard to the city manager's right to remove city employees under the charter provisions.

An attempt was made Tuesday by a group of local business men to find a settlement to the problem before the case appeared in court, but since a restraining injunction had already been served on the city, local officials felt they had no alternative other than to make the court appearance.

Last Friday night a group of citizens packed the Veterans Memorial Home on Main street to rally the forces of the various service clubs behind Chief Sackett in his battle to retain his position as chief.

Kenneth Gust was named chairman of the organization and Mrs. Gladys Tillotson was named secretary. Harry Hunter conducted the opening of the meeting.

First action of the group was to undertake the circulation of petitions in the community asking for a public expression of confidence in the administration of Chief Sackett.

Last Friday's meeting will be followed by another scheduled this Friday evening in the Central Grade school auditorium. The public is invited to attend.

Spring Festival is Event of June 8

Central and Starkweather upper elementary students will combine their talents next Wednesday, June 8, for the second out-of-doors Spring Festival program. It will get underway at 7:15 p.m.

An outside stage will be set up on the high school athletic field, and special sound amplifiers and lighting will be erected for the program. Adequate seating facilities will be provided by the erection of bleachers which have been purchased during the past years, announces Paul Johnson, coordinator of the elementary program.

The Spring Festival, a cooperative affair presented by all students in Plymouth from the fourth grade through the sixth grades, will be one of the major concluding activities of the school year.

Included on the program will be songs, dances, and dramatizations, portraying summer, autumn, winter and spring. Appropriate instrumental music will be provided by the grade school band. Scenery to be used is being made by the grade school art groups.

All staff members, including special teachers, with the assistance of members of the Parent-Teachers associations, are contributing in helping the children prepare the program.

Mr. Johnson states there will be a small admission charge to cover the necessary expenses involved in the presentation of the program.

In the event of bad weather on June 8, the program will be held the following evening.

School Building Architects Named

Selection of architects for the school building program has been made. Superintendent Helmer Nelson reports.

Plymouth Architect Thomas Moss, his associates, Gould and Smith, got the nod from the board of education to do the work entailed in planning future building for the school district.

At the present time the men are going ahead with work on one elementary school building.

Forest street, from Ann Arbor trail to Wing street, one of Plymouth's newest business blocks, is among those thoroughfares that will be paved if city electors approve the \$475,000 bond issue at the June 13 balloting.

This week the city made public the list of streets that will be paved in the near future if voters sanction the program.

Also on the June 13 ballot will be five amendments to the city charter, and an agreement to lease and purchase property immediately adjacent to the municipal parking lot for expansion of local facilities.

A complete list of streets due for paving under the proposed program includes: Fralick, from Harvey to Main; Farmer, from Sheldon to the C & O railroad; Dodge, from Main street to Union street; Amelia, from Farmer street to Main street; Garfield, from Penniman to Ann Arbor trail; Evergreen, from Junction to Penniman; Pearl, from Starkweather to Mill; Hamilton, from Union to Ann Arbor trail; Main, from Penniman to Mill; Harding, from Burroughs to Edison; Auburn, from Junction to Penniman; Edison, from Main to Coolidge; Sunset, from Junction to Penniman; Liberty, from Holbrook to Mill; Liberty, from Davis to Starkweather; Arthur, from Junction to Blanche; Irvin, from Junction to Blanche; and Deer from Ann Arbor trail to Wing street.

The city manager emphasized the fact that the city at large is not going to receive assessments, nor have taxes been increased this year, to provide for the street improvement program. "Only a small portion of the cost of the street improvements will be paid out of the city budget," Mr. Cheek pointed out.

Several streets in the southern portion of the city, although acutely in need of paving, had to be eliminated from the list because of sewer installations that must be put in first.

Equally important as the bond issue for the pavement program, are the five charter amendments which will also be put to the voters for approval on June 13. "There can be no paving program without the charter amendments," the city manager said. He described one as essential to the other. All five amendments deal with the city's powers of assessment for public improvements.

Amendments to Chapters 9 of both Section 1 and Section 10 will eliminate the 25 percent limitation which makes it impossible for a city to assess the cost of public improvements directly to the benefiting property owners. Revisions to Sections 30 and 31 of Chapter 8 will provide for the setting up of assessment districts, so that a side street, such as Farmer street, would not be assessed entirely to corner lots, but would be spread over an area of about one half block on either side of the side street. A change, such as the latter, was recently made to the Detroit city charter. The amendment to Section 32 of Chapter 8 would provide for the assessment of a new pavement when the old pavement has been in service for a reasonable period of time, judged to be a reasonable life of the pavement.

"If these amendments are not approved by the voters," the city manager cautioned, "there can be no street paving program in the city for at least two years. This also holds true for substantial improvements made in either storm or sanitary sewers, water lines to provide for new building, or to provide sanitary sewers in the southern end of the city." According to the state law, two years must elapse before an amendment can be voted on a second time.

Property adjacent to the municipal parking lot, owned by Walter Bronson, for which city officials seek approval of an agreement to lease and purchase, includes 30,000 square feet of land, and a 4,000 square foot building. The purchase price has been listed at \$40,000. Electors will also be asked to vote on a bond issue for the purchase, since the city cannot enter into a contract that extends for more than a year without sufficient funds to purchase the property according to provisions of the contract.

Mr. and Mrs. Frederick Heindenrich Go East on Trip Following Wedding

Honeymooning in Buffalo, New York, Niagara Falls and Canada are Mr. and Mrs. Frederick Heindenrich, who were married in a candlelight ceremony in St. John's Evangelical Lutheran church in Wayne on Saturday, May 27.

Mr. and Mrs. Clifford Smith of Wayne are the parents of the bride, who was formerly Wilma Mae Smith. The bridegroom's parents are Mr. and Mrs. Fred Heindenrich.

For the double ring ceremony, the altar was decorated with arrangements of white gladioli, snapdragons and palms. The Rev. Gerhard Press officiated at the wedding ceremony.

Accompanied by the organist, Mrs. Steinhauser, Mr. Koch sang "O Perfect Love" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a gown of white satin trimmed with lace and a three-quarter length veil edged in matching lace. The bridal bouquet of white roses was centered with orchids.

Attending the bride as maid of honor was Miss Lillian English of Clyde, Ohio. Her pale green tulle gown was styled with a fitted bodice and full skirt worn over a hoop. Miss English carried yellow roses tied in green satin ribbon.

As bridesmaids, the bride chose Miss Dorla Ann Diebel of Fostoria, Ohio, and Miss Pauline Gust of Plymouth. They wore dresses of blue tulle and carried bouquets of pink roses, tied in blue ribbon.

Completing the bride's attendants was Muriel Coole who acted as flower girl. She wore a pink tulle dress and carried pink roses.

The bridegroom asked his brother, Keith Heindenrich, to serve as best man. Harland Smith, brother of the bride and Ralph Heindenrich, cousin of the bridegroom, seated the guests. Gordon Smith, brother of the bride, was ring bearer.

Mrs. Smith wore a light blue crepe dress with navy accessories for the wedding and Mrs. Heindenrich, the bridegroom's mother, chose an aqua crepe dress with beige accessories.

One hundred guests were present at the reception which followed at Newburg hall. Out of town guests were from Clyde, Ohio, Fostoria, Ohio, Fremont, Ohio, Pittsburgh, Pennsylvania, Fowlerville, Ypsilanti and Detroit.

For their wedding trip Mrs. Heindenrich wore a brown and beige sharkskin suit with beige accessories. An orchid corsage

completed her traveling outfit. After returning from their honeymoon, Mr. and Mrs. Heindenrich will make their home in Valparaiso, Indiana where Mr. Heindenrich is attending college.

Mrs. Burton Dies Here Suddenly

The sudden death of Mrs. Gertrude Jane Burton was reported last Wednesday, May 25. She died at her home at 264 North Harvey street at the age of 68.

Mrs. Burton was the widow of the late Homer Burton, who passed away 15 years ago. The couple had moved here 30 years ago from Saginaw.

A charter member of the White Shrine of Jerusalem of Bay City, Mrs. Burton was also a charter member of the Plymouth Historical society. She held membership in the Plymouth chapter of the Eastern Star, Plymouth Garden club, and the Methodist church.

Surviving is her sister, Mrs. Arthur Mills of 349 Adams street. Funeral services were held on Saturday, May 28 at 2 p.m. from the Sonderregger Funeral Home, under the auspices of the Eastern Star, with the Rev. Frederick G. Poole of the First Methodist church officiating. Interment was in Riverside cemetery.

Pallbearers were: William Wood, John Jacobs, Harry Hunter, Albert Groth, Austin Whipple, Richard Straub, Mrs. Frank Dicks sang two hymns, accompanied by Mrs. Roland Bonamici.

Mrs. James M. Swegles of Ford road entertained on Monday in honor of her husband's birthday. Guests present were Mr. and Mrs. John Schiller and daughter, Betty, Mr. and Mrs. Myron Sherman and son, Timmy, Mr. and Mrs. Raymond Davis of Detroit, Mr. and Mrs. Ronald Swegles and sons, Ronnie and Roy, of Wayne, Mrs. Harvey Dethloff and daughter, Virginia, and sons, Bobby and Dick, and Max Swegles and son, Dale.

Newly Arrived . . .

Mr. and Mrs. Phillip Hadsell are the parents of a baby boy, Phillip Alan Hadsell, III, born Monday night, May 30, in Pawating hospital in Niles. The baby's weight at birth was seven pounds, two ounces. Mrs. Hadsell is the former Emily Louise Hough.

New Jaycee Leaders

Junior Chamber of Commerce chose Marvin Partridge, left, as president for the coming year, and John Gaffield, right, as chairman of the board of directors.

Junior Chamber of Commerce presidential duties were elected to Marvin Partridge during the first meeting of the new board of directors May 17.

This meeting followed the annual session of the entire Jaycee organization. At that time four new directors were named: John Gaffield, Don Johnson, George Kenyon and Mr. Partridge. Board members retaining their posts were Bayliss Erdelyi, retiring president, Wayne Marzoff, Douglas Miller, John Palmer, James Ross and Philip Theobald. Further officers elected to assist Mr. Partridge in the leadership of the Jaycees were: Mr. Gaffield, chairman of the board; Mr. Miller, first vice president; Mr. Ross, second vice president; Mr. Johnson, secretary; and Mr. Kenyon, treasurer.

The first project for the Jaycees in the new fiscal year is the sponsoring of the coaster derby, an annual event for Plymouth boys.

Mr. and Mrs. Fred Nelson and family, and Mr. and Mrs. Paul Wagner and family enjoyed a picnic on Memorial Day.

Oswald J. Unger of Pittsburg, Pennsylvania spent the weekend with his daughter and family, Mr. and Mrs. Howard Raaflaub of North Mill street.

Mr. and Mrs. Roy McAllister and daughters, Janet and Nancy of Flint spent the weekend with Mr. and Mrs. William McAllister on Northville road.

The auxiliary of the Myron H. Beals Post No. 32 of the American Legion will hold a pot luck picnic supper at the home of Mr. and Mrs. Melvin Guthrie on Thursday, June 9, at 6:30 p.m. All members and prospective members of the post and unit have been invited to attend.

Miss Maxine Martin of Couzens hall, Ann Arbor, spent the holiday with her parents, Mr. and Mrs. William Martin of Newburg road.

Mr. and Mrs. Roy Cahill of Detroit were Sunday visitors of Mr. and Mrs. Albert Pint on Schoolcraft road.

A meeting of the Farm Bureau women of District No. 3 was held on Thursday, May 26 at Waldenwoods. Attending from the Canton group were Mrs. J. M. Swegles, county chairman, Mrs. August Hauk, Mrs. Harvey Vetal, Mrs. August Schultz, Mrs. Robert Waldecker and Mrs. Matt Everett.

Men's Recreation League Opens Season Tonight at Dehoco, School

Under the rays of the sun and under the artificial rays of the arc-lights the Men's Recreation Softball league will begin its season tonight at the Detroit House of Correction diamond and at the lighted Plymouth High school field.

South Side Merchants will visit Dehoco for a game with the state champions at 6:30 p.m. Evans Products and Dunn Steel will start the action on the new high school field at 7 p.m. At 8:20 Wall Wire clashes with Cham- pion Corrugated.

The league continues play on Monday, June 6. Evans plays at Dehoco at 6:30 p.m. Wall Wire meets Universal Power and the South Side Merchants take on Dunn Steel on the school field at 7 and 8:20 p.m.

The girls play on Tuesday, June 7, at Dehoco and at the school field. The Old Timers play on the school diamond on Tuesday, June 7, and Wednesday, June 8.

The new high school diamond is at the eastern end of the school athletic plant. Herb Woolweaver, recreation director, reminds fans that the big gate at the football entrance will be locked this year. Fans will use the Theodore street gate entrance. Woolweaver requests that the fans and players alike park their cars on Theodore street, but not to park on the school grounds.

Girls games will also be played at Ford Field in Northville, in addition to Dehoco and the Plymouth diamonds.

Spitz Coaches West Brothers Class E Squad

Plymouth now has a representative in the Class E Recreation Baseball league. West Brothers International are sponsoring the squad, which is coached by Mike Spitz.

Regular practices are now being held and any boy interested in a try-out may call Mike Spitz, 435-M, or Herb Woolweaver, 92.

The first game of the season will be played June 27 at 5:30 p.m. All games will be played on Monday and Wednesday evenings.

Comprising this league are: Inkster Harrison, Inkster Westwood, New Boston, Cooper School, Novi and West Brothers.

Joe's Jottings

by Joe Miller

An old Plymouth High star athlete is doing himself right proud out at the Western Michigan college in Kalamazoo. We are speaking of Jack Dobbs, who during his four year term at Plymouth High picked up the name, "Old Reliable." Jack was a star performer in baseball, football and basketball. Now Jack is going strong for the Bronco's freshman baseball squad. According to reports, Jack is hitting a lusty .375 playing third base.

Tonight, under the arc-lights of the Plymouth High school softball field, the recreation men's league softball season commences. But perhaps the game that will be the most interesting is the contest out at Dehoco between the state champs and the South Side Merchants. This encounter will prove to the softball enthusiasts whether the institution's nine is capable of winning the city's championship, in addition to defending their state championship.

At the moment we can easily foresee quite an inter-city battle in the Class D Western Wayne baseball league. The two teams are the Wideman Cardinals and Daisy. Both squads have added to their strength by acquiring star performers from other area high schools. Since its conception the Western Wayne loop has seen a great rivalry between the Cardinals and Daisy. Last year the Daisy club surprised everybody by drubbing the Cards twice, while the latter was winning only once. This season's champion that eventually enters the State D finals at Dearborn could easily be from this city. Managing the Cards is Herman Scheel, as he has done the last four years. Mel Clement will assist him. The Daisy managers are Walter Dzurus and Harold Williams.

The Rocks track team concluded its season Saturday at East Lansing placing in the also rans. One piece of glory came to the Rocks as Dave Heinzman won the state Class B high jump. Konrad Moiso's thimble suffered two breaks that really hurt. The first was Louis Vargha breaking his ankle at the Albion Invitational. The next came at the regionals as Jim Wagenschutz only gained a fourth in the pole vault.

Jim was out to defend his pole vault crown, but misfortune came to stop him from placing in the state. The Rocks would have made a much better showing with these two, but that is the luck in sports.

Rocks Nine Heads Toward Successful Season

This year's edition of the Plymouth High School baseball team is the best in several years at the local school. Eighteen members of the squad are pictured above with coach John Sandmann. A few fellows are absent. First row, left to right: Coach John Sandmann, Jerry Finnegan, Lloyd Campbell, Dick Fenton, Bob Gow, Larry Finney, and Fletcher Campbell. Second row: Dave Reitzel, Manager Dick Nelson, Jerry Hermanson, Lyall Huettnier, Dave Travis, and Dick Weinert. Third row: Jack Gage, Phil Jacobus, Wally Dzurus, Jack Scheel, Joe Miller, and Keith Alford.

Inkster's Win Streak Stopped By Rocks Nine

When Inkster stepped on the Rocks diamond on Tuesday, May 24, the color lads were sporting a seven game winning streak. They had not lost a single game. By 6 p.m., however, that string of victories was halted by the Plymouth Rocks.

The victory chalked up by lefty Dave Reitzel by the score of 7-5 was the Rocks fourth in five games. The winning of the contest made Reitzel the Rocks' top hurler with two wins against no losses.

Up until the last of the sixth inning, the contest was a pitcher's battle between Reitzel and Bob Scott of Inkster. In the top of the sixth Scott was lifted for a pinch-hitter. This change necessitated a new hurler for the ebony-colored speedsters. An elongated lefty with the moniker of Art Wilder stepped onto the mound. He made quick order of the first two batters, striking out Jack Scheel and forcing George Hunter to hit a simple grounder to the shortstop. However, Art walked Reitzel. Dick Fenton beat out a tap down the third base line, placing the Rocks on first and second with two outs. Phil Bosman walked for the third time in the contest, loading the bases.

Wilder walked Larry Finney, forcing Reitzel home with the Rocks fourth run. Bob Gow also stroled down the first base line, sending Fenton home. At this time Bill Newstead came through with his first hit of the season, a single to right field. Bosman and Finney scampered home on the blow. Fletcher Campbell ended the inning with a pop up which was caught by the catcher.

Inkster came back with three runs in the top of the seventh to make the score 7-5. The visitors had the tying run at the plate in the form of third baseman Aeklin. Aeklin drove a hard brouder toward Bill Newstead at second, but first baseman Reed ran into the ball, making the third out.

Opening the game with a run in the initial frame, Inkster held a one run lead until the last of the second. The Rocks scored without the benefit of a hit as Newstead got on base as the result of an error. He came around on a base on balls and two fielders' choices. Inkster tied another run in the fourth, but the Rocks went ahead to stay in the fourth in the following manner.

Newstead walked and he advanced to second on Fletcher Campbell's perfect sacrifice. Jack Scheel, who was in right field for his hitting ability, blasted a triple to the trees in left center field. The ball was hit against a near gale, but it had enough power behind it to go that far. Newstead naturally scored. Scheel scored a moment later on George Hunter's single. The Rocks tallied four runs in the sixth to advance to the win although Inkster rallied in the seventh as previously mentioned.

Scheel, one of the Rocks top-flight pitchers, has been moved around lately by Coach John Sandmann. The versatile Scheel was slated to play third base against Redford Union, but Jupiter Pluvius stopped that plan. Tuesday, Jack shifted to right and justified Sandmann's faith in him by coming through with the longest blow hit by a Plymouth player this year.

An interesting note from the Inkster contest—Inkster pitchers Scott and Wilder gave up ten walks between them. Four of the Rocks drew free passes later scored. The Rocks win is easily seen in this department.

Rock Netsters Finish Season With Four, Four

Swamping Wayne on Tuesday, May 24, the Plymouth High net squad concluded its season with four wins and four losses in league competition. This record is good for third place in the Suburban B behind Ypsi and Trenton. Belleville and Wayne followed Belleville and Wayne.

The following are the results of the Wayne meet: Whipple defeated Ballard 6-3 and 6-2, MacGregor defeated Revolt 7-5 and 6-2, Ebersole defeated Coville 6-2 and 6-1, Hammond defeated Ahrenberg 6-0 and 6-1, Kidston and Bovee defeated Bozarth and Hudson 6-2 and 6-3, Bowen and Stevens defeated Carraway and Nathaniel 6-4 and 6-2, and Behler and Wahn defeated Erich and Shepard 6-1 and 6-3. The Rocks only reverse was inflicted upon Don Gronowick by Perry of Wayne. The scores were 6-2, 4-6 and 6-0.

This season the Rocks under the expert tutelage of Carvel Bentley drubbed Belleville and Wayne twice while losing to Trenton and Ypsi twice.

Topping the Rocks was Ed Whipple, who won seven out of the ten matches for a percentage of 700. In second place is Roger Kidston with four wins and two losses. Jim Stevens took third, with five victories in eight starts.

Wally Hammond and Herb Swanson completed the first five with four wins and three losses. Other players who competed for the Bentleymen were: Bob Bowen, Keith Bovee, Bruce Gregor, Keith Ebersole, Jim Butt and Don Gronowick. The reserves were: Wahn, Behler, Tebo and Gayde.

Rock Golfers Fail to Win State Finals

If the state finals could have been played, Friday, the Rocks golf team, Suburban B champs, would have done much better. However, the Rocks posted a 367 score Saturday to come in sixth place in a 14 team field.

In a practice round on Friday at the Kalamazoo course, the Rocks quartet of Larry Bentley, Hank Levering, Bill Farwell and Jerry Walsh compiled a 340 score. Saturday's play saw the following scores: Bentley 85, Farwell 91, Walsh 93, and Levering 98. Kalamazoo State High won the Class B title with a 337 score.

This season the Rocks, under Eddie Bender, won all their league matches in addition to beating Northville once. Ann Arbor, a Class A representative was the only team to beat the local lads and they accomplished the task twice by 45 and 5 strokes.

Next season Farwell, Walsh and Levering are expected to form the nucleus of the squad. The trio are now juniors.

Do you wish to be free? Then above all things love God, love your neighbor, love one another, love the common weal; then you will have true liberty.

Rocks Host Northville on School Diamond Tomorrow Afternoon at 4

With a chance to chalk up their best season in baseball in many a year, the Rocks will play the role of host as Northville plays on the school diamond tomorrow afternoon at 4 p.m.

The Rocks conclude their season with Redford Union again on the school diamond at 4 p.m. Monday, June 6. Sport enthusiasts are asked to disregard the notice in last week's baseball article, which stated that no games could be played after June 3. The Redford game was cancelled because of inclement weather earlier in the season, with the result that the Rocks are playing the Panthers at such a late date.

All hopes for a league championship went flying out the window Friday at Wayne as the

Rocks couldn't come through with men on base. In the initial stanza the Rocks had men on second and third with one out, but Fletcher Campbell and Bill Newstead couldn't come through. Fletcher hit a hard grounder at first baseman Bozarth and Newstead struck out. Wayne didn't waste its opportunities in the last of the first. The Zebras tallied three runs on one hit as George Hunter, Rocks third baseman, heaved the ball away on an attempted sacrifice. This play placed Zebras on second and third. Bozarth singled them home and he later scored himself.

Dick (Pee Wee) Weinert opened the second for the local lads by drawing a walk from Chuck Templeton. He came around on an error and two fielder's choices. However, the Rocks left two more men on base. Again in the fourth the Rocks left two. Weinert led off with a single to center and he went to second on a pass ball and to third after Bozarth caught Hunter's foul fly. Harder walked placing the Rocks hurler, Mickey Brown, at the plate. Mickey hit a screaming line drive, which right fielder DeFrattus caught in a sensational manner. If the ball had gone by the outfielder Mickey could have had at least a triple and the Rocks would have been in a good position to win the game. DeFrattus' catch meant the ball game for the Rocks didn't threaten again. Fenton ended the inning with a strikeout.

Wayne added its fourth run in the fifth as a result of another error by Hunter.

Lefty Doyle Dudd replaced Templeton in the fifth and he subsequently struck out seven of the ten Rocks he faced.

Plymouth Net Players Offered Tourney Chance

Plymouth tennis aspirants are now being offered a chance to enter the 27th Annual Detroit Public Parks Tennis tournament to be held from June 25 to July 4.

Sponsored by the Detroit News and conducted by the Department of Parks and Recreation, the tourney will be played on the Farwell field courts at Sunset and Outer drive on the Motor City's east side.

Four divisions of play will be held. These divisions are: men's singles, women's singles, men's doubles, and junior boys' singles. Junior boys are those who have not reached their 18th birthday before January 1, 1949.

To enter the men's play the fee is a dollar and to join the women's and junior boys' competition the fee is fifty cents. The men's doubles fee is \$1.50.

This event is open to all public park players residing within a 30 mile radius of the Detroit City Hall. Entries close Wednesday, June 22. All matches are to be best two out of three sets, except men's final which will be best three out of five sets. Play-off will be defaulted for non-attendance 30 minutes after the scheduled time of a match.

Playings will be made at a meeting of the Scheduling committee to be held at the GAR building, 1942 Grand River avenue. Players are invited to attend.

Any city player interested can secure blanks at Herb Woolweaver's office in the Plymouth City Hall.

Medical scientists assert that men and women who are growing old often do not get enough calcium, iron, copper and protein.

to tell the best-tasting beer in Michigan!

A. ALTES LAGER beer is made exclusively in closed vats, unlike other beers made in open vats.

B. Beer made in closed vats tastes better—because air or anything else harmful can't get in—and no flavor can escape from a closed vat.

C. Compare the exclusive aged-in, sealed-in flavor of ALTES LAGER with any other beer. Your taste will tell you it's better because it's made in closed vats!

By REV. ROBERT H. HARPER
Jesus Sentenced to Death.
Lesson for June 5: John 19:1-6.
Memory Selection: 1 Peter 2: 21, 23.

A single sentence tells how Jesus was prepared to hear his sentence. He was scourged. Then he was crowned with thorns, buffeted by the soldiers, and mocked as a king. After such treatment, Pilate declared he found no fault in Jesus.

His accusers then shouted that by their law Jesus ought to die. Pilate questioned Jesus and, at first, received no answer. Then, in answer to Pilate's threats, Jesus replied that the governor could have no power at all over him except it be given him from above. Pilate was troubled at this as perhaps thinking that he was dealing with One who was more than a man.

In his further efforts to release Jesus, he was told by the accusers that they had no king but Caesar and that, if Pilate set Jesus free, he was not Caesar's friend. Thus did they choose, and thus did Pilate choose, as many have done since, between Caesar and Christ.

Pilate ignobly stands out as a cowardly official. He tried to placate the people and induce them to agree to the release of Jesus. He washed his hands in token of his innocence. But history has never accepted the broken. The responsibility of the tragic hour was Pilate's. And he failed miserably because he feared the very people he was appointed to rule, and let the innocent go to his horrible death. As for ourselves, let us rejoice that by the sacrificial death of Jesus we can be saved from sin and be made heirs of everlasting life.

Poole Tells Dates of Church Camps

Numerous Detroit Conference Methodist camps are open to Plymouth residents, stated the Rev. Frederick Poole this week. Among those for junior members of the church are the conference camps of June 19-25, August 14-23, and August 24-September 2 on Lake Huron.

Among the intermediate camps listed are those for the Ann Arbor district, June 26-July 2 on Lake Huron. Clifford Turner is the director. Two conference camps will be held from August 10-20 and August 21-September 1 at Mill lake, under the direction of Mrs. Edna Peterson.

The Rev. Robert Hudgins will act as dean of the senior camp of the Ann Arbor district held on Lake Huron July 19-16. A youth work camp of evangelism will be held July 17-23, with an older youth conference slated from September 2-5 at Mill lake. The Rev. Harold E. Bremer will fill the post of dean in the case of the latter conference.

The Rev. Basil Nicholas will direct the conference for young adults from September 2-5 on Lake Huron, and the W.S.S. Girls Camp from July 31-August 6 on Lake Huron will be headed by Miss Olive Hadley.

More information on the camps can be obtained from Mrs. Gladys, phone 1934.

Church Has New Director

Miss Jean Jackson arrived in Plymouth last week to assume duties as director of religious education at the First Presbyterian church.

The Rev. Henry Walsh, pastor of the church, announces this is a newly created full-time post in the church organization. Miss Jackson will direct youth work, the education program, organization, and act as a consultant for Sunday school work. The church's new religious education leader comes to Plymouth from Youngstown, Ohio. She received her Bachelor of Arts degree from Ohio State, and was awarded her Master's degree from McCormick Theological Seminary in Chicago in May. The latter was awarded for work in religious education.

Honor Assembly Held Recently

Awards were presented to the students of Plymouth High school, Friday, May 26. Students who participated in football, basketball, debate, track, cross country, baseball, and other events were honored with certificates.

Eddie Bender presented 32 letters to boys who took part in varsity football and golf. Konrad Moisio, track coach in Plymouth for the past ten years, awarded 26 letters for participants in track and cross country. Twelve letters were given out by John Klugeberger to the fellows of the basketball team. Rounding out the program was the vociferous James Latture who displayed the so-called "dust collectors" on the debators won in the past season. One of the best collections of small plaques in the state is found in Plymouth High school.

Due to the fact that varsity baseball has not been completed yet, the letters were withheld by the coach, John Sandmann.

Club to Present Dehoco Program

Chorus lines, vocal numbers, and skits will all be a part of a program which the Junior Red Cross is planning to present in the near future at the Detroit House of Correction.

Also on the program will be a melodrama written and presented by Sandra Welch and Ronald Witt. Joy Evanoff is the general chairman of the project.

The Red Cross officers for the next year are: Ronald Witt, president; Lee King, vice president; Molly Groth, secretary; and Pat Wahn, treasurer.

Ann Delida, library teacher and adviser, announces that anyone interested in joining the club should see one of the new officers.

Junior Rotarians Plan Rotary Club Program

Tomorrow's Rotary club program will be the exclusive creation of the ten junior Rotarians who were chosen at the beginning of the year to attend four Rotary meetings each.

The double quintet of Ed Whipple, Bruce MacGregor, Joe Miller, Jack Scheel, Ted Thrasher, Larry Finney, Russ Hasselbach, Phil Bosman, Irving Stewart, and Dick Wylie met with Paul Johnson and decided the theme of the program. At present the plan is to present a mock meeting of the Plymouth city commission in 1959. The boys will discuss city problems.

This meeting will be the grand finale of Rotary attendance for the ten fellows, all of whom are seniors.

Y Chapters Picnic With Y-Teen Girls

The Blue and White chapters of the Hi-Y invited the Y-Teens to a picnic given at the Riverside park on Wednesday, June 1, at 5:30 p. m.

Activities consisted of softball games, tennis, shuffleboard, volleyball and various games. Barbara Gross, Y-Teen sponsor and Walter Goodwin and Harry Reeves, Hi-Y sponsors, were present to supervise the merrymaking.

Paul Harding was in charge of the all important refreshment committee while Howard Carson headed the recreation committee.

The Blue chapter was in charge of transportation.

Letters Awarded to 19 Trackmen

At the close of a successful track year, 19 track men were awarded school letters for the season at the annual honor assembly.

Paul Harding, dash man, paced the thinclads to victory in five dual meets, the Albion Invitational meet, and seconds in the league and regional meets with 23 points. Close behind him was Irving Stewart with Louis Vargha and Ronald Bouldin tied for third while Dave Heinzman, Jim Wagenschutz, Calvin Becker and Doug Phillips were also high scorers.

Others who received letters were Jim Law, Richard Crocker, Charles Todd, Robert Anthony, Dean Joachim, Gary Rodman, Ted Thrasher, Russel Hasselback and Bruce Besse.

GAA Meeting Held as Picnic

The second meeting of the newly organized G. A. A. Girls Athletic association, was held in the form of a picnic at Riverside tennis courts, May 31.

The girls brought their own eats and charcoal was furnished. The picnic started at 4 p. m. and the group ate at about 5:30.

Besides eating and holding the regular business meeting, the girls participated in tennis, shuffleboard, and baseball. Miss Virginia Olmsted, girls' gym instructor, accompanied the group.

Workshop Study Ends With Picnic

The workshop for curriculum planning, sponsored by Wayne university, drew to a close with a picnic dinner, served at the high school cafeteria because of weather conditions, May 25.

The last meeting consisted of a panel discussion with Don Randall, principal of Wayne High, as moderator. The Plymouth members who participated in the discussion were: Ross Hedrick, Elizabeth McDonald, Joan Hayskar, and Betty Brake. They discussed the application of workshop procedure to staff meetings and the classroom.

Teachers from Plymouth, Garden City, Livonia, and other local districts have met from 4:30 to 8:30 every Wednesday for the past semester to discuss their mutual problems.

Delegates Chosen For Boys State

Four boys have been chosen to represent Plymouth at the Wolverine Boys State this summer, and a fifth boy was chosen as an alternate.

The boys who will attend the Boys State are: Clifford McClumphia, Roger Kidston, Ronald Witt, Dave Reitzel, and Don Sutherland as the alternate. They were selected by recommendation of the teachers as the five boys, who, in their opinion, were the best all around students.

The Wolverine Boys State will be held on the Michigan State College Campus from June 15 to June 24 with representatives from all parts of the state attending. The boys will elect members of the group to fill state offices from governor to dog catcher to preside over the conference.

Schultz President of White Chapter

At the weekly meeting of the White chapter of the Hi-Y Wednesday, May 25, an election of officers for the 1949-50 school year was held.

The officers are: president, Melvin Schultz; vice-president, Paul Harding; secretary, Garth McAllister; treasurer, Melvin Guthrie; and sergeant-at-arms, Richard Fenton. Because Walter Goodwin, director of the Blue chapter, was ill, the Blue chapter has postponed its election until next week.

Social items can be phoned to 1755.

Girls Get Honors During Assembly

Not only for their outstanding achievement in girls' sports, but for their high caliber of scholarship and leadership and for their participation in many other school activities, seven senior girls received their senior letters Friday, May 27, at the annual honor assembly.

They are as follows: Beverly Baisley, Alline Burns, Sally Holcomb, Nancy Mastick, Lois Packard, Joan Agosta, and Lois Osgood.

Presentation of 1,000 point letters to the sophomores and junior girls who had earned them also took place at the assembly. The girls who received their 1,000 point letter are: Cynthia Baker, Saxie Holstein, Donna Hunt, Wilma Latture, Beverly Hockson, Jane Houk, Roberta Merritt, Rita Datcher, Nancy Morrow, Judy Parmenter, Connie Pascoe, Pat Pine, Nancy Stevens, Pat Zink, Sally Zink, Mary Vincent, Katherine Trucks, Margaret Saxton, and Dorothy Zander.

For the first time in Plymouth High school the outstanding freshman girls were honored. They were Joyce Forshoe, Joyce Houghton, Shirley Pine, Beverly Ross, Eleanor Rutherford, Carolyn Smith, Thelma Tronibley, Norma Van Dyke, and Gladys Witt.

Houghton Named "Prints" Editor

Donald Houghton was chosen editor-in-chief of the Pilgrim Prints by the Student-Faculty board.

Don, a junior, has taken one and a half years of journalism and has served as a reporter on this year's Pilgrim Prints.

Nancy Walton, present business manager, was selected assistant editor; Al Larson, present feature editor, was selected as sports editor.

The others of next year's staff was chosen from students having one semester's experience as staff reporters. They are as follows: Mary Anne Witwer, business manager; Dorothy Curtis, make-up editor; Bonnie Wickens, feature editor; Arlene Dowling, girls' sports; Nancy Stevens, distribution manager. Thus far no one has photography. Ted Thrasher, Edson Whipple and Wilma Latture (Student Council representatives) and Edna M. Allen, Elizabeth McDonald and Gerrit Kramer (faculty members) constituted the board that selected this staff.

This year's staff includes Ted Thrasher, editor-in-chief; Jack Gage, associate editor; Nancy Walton, business manager; Joe Miller, make-up editor; Al Larson, feature editor; Jack Gage, photography; and Pat Green, distribution manager. Elizabeth McDonald is the adviser.

Y-Teen Breakfast is Held in Park

"Wake up, sleepy head, it's time to go to the May breakfast" was heard around school as some members of the Y-Teen's and faculty prepared to attend the breakfast. To the surprise of many students it was daylight at 5 a. m.

The program began with the welcome given by Marion Amrhein and the responsive-reading by Connie Pascoe. Miss Edna M. Allen, English teacher, gave the address, and the prayer was recited by Joyce Carson.

Presentation of ribbons to the graduating seniors was by Barbara Cushman. The following senior girls received ribbons: Barbara Goodbold, 2 years; Florence Livrance, 2 years; Joanne Erb, 3 years; Shirlee Hopkins, 3 years; Marian Lacey, 3 years; Nancy Mastick, 3 years; Alice Reddeman, 3 years; Mary Jane Spitz, 3 years; Jane Houk, 4 years.

After the presentation of the ribbons Mary Vincent gave the speech of the retiring president. Immediately following Rita Datcher gave the speech of the incoming president. The program closed with a farewell song.

David Green Elected President of Orchestra Society Student Group

Official organization of the Plymouth Symphony Society student group started last Friday noon with the election of officers.

David Green was chosen president, Ronald Witt as vice president, Dorothy Curtis was elected secretary, and Connie Pascoe is the organization's treasurer.

This meeting took place in the high school music department, and was followed by another session on Tuesday.

According to Mrs. Frances

Kellogg the student group will be primarily a listening group. The purpose of the organization is to stimulate interest in music, and to aid the students in listening intelligently. "It might be described as a music appreciation project," added Mrs. Kellogg. Entailed in the program will be concerts, the playing of records, and lectures.

Membership in the group has now reached 40. Members include: Marion Amrhein, Ruth Balkema, Robert Bateman, Betty Bowden, Jon Brake, Sally Can-

ning, Joyce Carson, Dorothy Curtis, Ellen Duane, Ellen Dodge, Joan Gloss, David Green, Molly Groth, George Gyde, Carolyn Hill, Doris Honey, Sharelene Johnson, Charles Kellogg, Lee Kimbrough, Janet Lamerand, Alta Lantzer.

Patsy Lidgard, Gayle Lietz, Dean Palmer, Connie Pascoe, Lillian Pelley, Marjean Penhale, Jean Polley, Joanne Pursell, Verna Rice, Laura Salter, Bonnie Wellbaum, Doranne Wilton, Mary Anne Witwer, Patricia

Wohn, Nancy Worth, Gladys Witt, Ronald Witt, Charles Wyse, and Pat Zink.

Two-week courses at 76 schools are offered Naval Reservists for annual training with pay.

"EASY DOES IT"

By HELEN HALE
IF THE EDGES of your rug tend to curl, hold them down with carpet tacks. Or, a row of glass jar rubber rings may be sewed to the back of the rug. Still another remedy uses a strip of rubber padding along the edge.

Many stains from wood surfaces may be removed by rubbing with a medium coarse sandpaper. If the wood is close-grained and hard, the chances are good that the stain has not penetrated deeply.
A piece of Scotch tape wound around a small brush is excellent for removing lint from dark clothes. It works on almost any type of fabric.

RECIPE OF THE WEEK

Lime Chiffon Pie

(Makes 1 9-inch pie)

- 1 tablespoon unflavored gelatin
 - 1/2 cup cold water
 - 4 eggs, separated
 - 1 cup sugar
 - 1/2 cup lime juice
 - 1/2 teaspoon salt
 - 2 teaspoons grated lime rind
 - Green Food coloring
 - 1 9-inch crumb shell
- Dissolve gelatin in cold water. Beat egg yolks; add 1/2 cup sugar, lime juice and salt. Cook over hot water, stirring constantly, until thickened. Add grated rind and gelatin. Stir until gelatin is dissolved. Tint a pale green with the food coloring. Cool. Beat remaining egg whites until stiff but not dry; add remaining sugar slowly, beating after each addition; fold into lime mixture. Pour into crumb crust; chill until firm. This may be decorated with whipped cream, if desired.

If you have to sew a patch on the canvas tent, soak the area you intend to patch, then rub thoroughly with soap. Your needle will slip more readily when you begin to sew.
Screen the tops of the chimney of your summer house if you want to protect it from squirrels. All other entrances should be closed tightly. If you find a squirrel nest, place a few naphthalene crystals in them and the squirrels will depart.
Place a basket on top of the basement stairs and then discard all items to be brought down into the basement in it. One trip with the basket will save many trips.

This Week's Recipe

DROP BISCUITS

- 1 pound ground beef
- 1 small onion, chopped
- 2 tablespoons lard or drippings
- 1 teaspoon salt
- 1 teaspoon pepper
- 1 11-ounce can condensed tomato soup
- 1 package frozen or 2 1/2 cups green beans, cooked and

drained or
1 No. 2 can green beans, drained
Drop Biscuit Batter
Brown meat and onion in lard or drippings. Season. Add condensed tomato soup and green beans. Pour into a greased casserole or square pan 8 1/2 x 8 1/2 x 2 inches. Drop biscuit batter by tablespoons on top of meat mixture. Bake in hot oven (450 F.) from 12 to 15 minutes or until biscuits are browned. Yield: 4 to 6 servings.

DROP BISCUIT BATTER

- 1 cup sifted enriched flour
 - 2 teaspoons baking powder
 - 1/2 teaspoon salt
 - 2 to 3 tablespoons lard
 - 1 3/4 to 2 cup milk
- Sift together flour, baking powder and salt. Cut in lard until mixture has fine, even crumb. Add enough milk to make a very soft dough.

Reveals Double Secret of Crisp, Tender Waffles

There's a double secret to crisp, tender waffles, points out Reba Staggs, well known home economist.
Her first tip is mixing the batter until it is just smooth—and no longer.

She follows with the second suggestion of using the right amount of lard—3 tablespoons to each cup of flour, that is, if there is no chocolate or cream in the batter. In this case, less lard is needed.
Most waffle bakers require about 3 minutes "warming up" time, but for batter containing molasses, chocolate, cheese or fruit a little less time should be allowed. To test, sprinkle a few drops of cold water on the grids. If the water bubbles, then the baker is ready for the batter.

Made with varying ingredients, waffles are all the more fun to serve, says Miss Staggs. Either pork sausage or bacon go well with cheese waffles. Drained whole kernel corn added to the batter makes an ideal waffle to serve with creamed diced ham or broiled tomatoes and bacon. With a head lettuce salad and a fruit dessert, the menu is complete.

Waffles take on a definite dessert air with the addition of chocolate chips or chopped dried figs and with a topping of lemon sauce. Gingerbread waffles are a grand choice served with either whipped cream or a hard sauce.
For a special sundae, she suggests pouring creamy fudge sauce over ice cream or brownie waffles. Or serving hot "shortcake" waffles with strawberries and topping them with whipped cream.

Lists Practical Canning Rules

Grandmother canned everything in sight and saved money—can you do the same? Do you know that your canning efforts save you money—or do you guess that they do?

Suggestions for practical canning come from Roberta Hershov, extension foods specialist at Michigan State college. She considers all the angles and does some practical arithmetic when deciding whether to can.
Records show that it costs at least five or six cents a jar to can most products. Higher than average fuel costs may make the canning cost even higher. Then there's the cost of the product to be canned to consider, particularly if you have to buy it. Of course surplus garden products that would be wasted otherwise present a different situation.

Another consideration for canning is storage place for those beautiful jars of fruits and vegetables. If you haven't a good cold, dry place to store them they won't be nearly so tempting next winter and are much more likely to spoil.

Proper equipment for canning is a very important part to consider because it is necessary in processing foods that will keep. For fruits and tomatoes a large container that will work as a hot water bath is ideal. It should be deep enough so that the jars placed in it in a rack will be at least two inches under the top of the water.

All vegetables need to be canned in a pressure pan. To destroy all spoilage germs, foods need to be processed longer in a small saucepan than in a large pressure cooker. Oven canning is very dangerous and very undependable.

Successful Parenthood

BY MRS. CATHERINE CONRAD EDWARDS
Associate Editor, Parents' Magazine

TELEVISION is to bring children back into the home, after a whole generation during which youngsters found most of their entertainment elsewhere, what can parents do to make the most of this opportunity for a closer family life?
The first thing you can do is write your television station, telling them what kind of programs you'd like to have your children see. From the beginning, video officials have realized that their responsibility for what was to be seen in your living room was even greater than that of radio for what was heard. Those who might unblushingly kill off a dozen characters on a broadcast, with a great popping of guns and smacking of fists, are not so blithe about staging a murder for young eyes to see.

But this hesitancy to go the limit in violence won't necessarily last. In the early days of children's radio, greater care was taken with programs than is generally the case nowadays. Then the more blood-curdling serials began to produce the greatest number of box tops as children rushed to send them in, and sponsors voted in favor of more and better screams. True, when parents became aroused, reforms were instituted and a code governing children's programs did away with the worst abuses. But what happened was, that most stations lost interest in children's shows and radio threw away its opportunity to be a vitally enriching part of our children's lives.

Recently I served as one of the judges for an award to the best children's broadcast. It was heart-breaking to find how little real magic there was in even the

better programs, especially when I recalled the glowing hours of being read aloud to when I was a child and there was no radio.
Mrs. Dorothy L. McFadden who, as president of Junior Programs, Inc., has worked with children's plays for years and who has pioneered in junior telecasts, urges parents to cooperate with stations in making television an educational and cultural force in family life.

"Stations would welcome suggestions concerning the age appeal of their present shows," Mrs. McFadden writes in Parents' Magazine, "and ideas concerning the likes and interests of the various ages. They are also uncertain as to the attention span of young audiences. The adults watching children at home could be very helpful if they made notes of the length of time they were spellbound, and the moments when they became restless or wandered away. Parents concerned about their children's use of leisure time should write in regularly to television stations, making specific suggestions concerning the programs their children are seeing."

These who have studied the impact of television on family living habits advise that if possible it is preferable to have the set in some other room than the living room. This room should be left for the piano, records, for quiet reading and conversation.
My own vote would be for the kitchen, provided there isn't a play room or study a little for the television set. Children used to love to gather in the kitchen—being around mother while meals are being prepared is one of childhood's elementally satisfying experiences.

Red Cross Nutrition Aids

Plentiful supplies of fresh asparagus have been appearing in markets. According to the Nutrition Service of the American Red Cross, asparagus is a good source of vitamin A, vitamin B-1 (thiamine), vitamin C, and B-2 (riboflavin). In addition this low calorie vegetable contributes the minerals iron, phosphorus and calcium to the diet.

Reasonable prices on current supplies of fresh asparagus encourage homemakers who are seeking variety for their meals, to buy while the local season is in full swing.

The asparagus tips are the most edible part of the stalk. However, the lower, tougher ends may be pared, cut in one inch pieces and cooked covered in boiling, salted water till tender. These are good creamed or in soups.

To cook the tender asparagus tips, first wash the stalks carefully, using a vegetable brush to remove any dirt or sand from under the scaly tips. Then tie the stalks firmly together in bunches and stand them upright in a deep pan. Add enough water to half cover the stalks (about 2 inches) and cook covered, 10 to 20 minutes, or until tender. Serve stalks parallel with melted butter or desired vegetable sauce poured over the top.

Grading is Guide To Quality Eggs

Eggs are near the top spot of plentiful foods for this month and are a good buy. However, the best guide to buying eggs is the information on the carton.

Federal grading on egg cartons reads U.S. AA, A, B or C while commercial companies' grading will not contain the "U.S." with the letter grades. The size of the eggs will appear on the carton also, advises Isabelle Beattie, Department of foods and nutrition, Michigan State college. Egg range in size from jumbo to peewee and are priced accordingly.

When the egg supply is plentiful, medium or small eggs are sometimes just as good or a better buy than the larger eggs which cost more. Some egg cartons may have the date of grading on the label. This insures the consumer that the quality of the eggs has been determined recently.

Keep the cooking purpose in mind when buying eggs. High quality eggs are more desirable for poaching, frying or cooking in the shell. If the eggs are to be scrambled or used in baking or for sauces, the lower grade of eggs can be used to advantage.
Do not be misled by the shell color. Eggs have the same cooking quality and nutritive value regardless of the shell color.
To get a good buy in eggs consider the quality, size and intended use in relation to the cost.

Four Lavish Dessert Recipes Made From Packaged Mixes

Sumptuous desserts are yours in twenty-six minutes with packaged pudding and biscuit mixes as the base. Prudence Dorn gives Plymouth women four recipes in McCall's for May. For turning these ready-to-hand preparations into delicacies worthy of a French chef:

RHUBARB SHORTCAKE

- 2 cups prepared biscuit mix
- 1/2 cup milk
- 1 cup melted butter or margarine
- 4 tablespoons sugar
- 1 beaten egg
- 4 cups cut rhubarb (Do not peel)
- 1/2 cup sugar

Start your oven at 450 F. or hot. Mix biscuit mix with milk, butter or margarine, sugar and egg, and mix very thoroughly. Pour into 8 inch greased cake pan. Bake 15 to 20 minutes. Turn out of pan, cool and split shortcake crosswise.

Combine 1/2 sugar and rhubarb and cook very slowly about 5 minutes or until rhubarb is tender but not mushy. Just before serving put layer of cooked rhubarb between shortcake layers and pile a generous amount on top. Serve with whipped cream.

GINGERBREAD PIE

ALA BOSTON

Start your oven at 350 F. or moderate. Mix up the contents of a 14-ounce package of prepared gingerbread mix according to directions on the package and bake in two 8 or 9 inch greased pie tins. Bake 15 minutes. Turn out on racks and cool.

Filling

- 1 3/4 cup pkg. vanilla pudding
- 2 eggs milk
- 2 egg yolks
- 1/2 teaspoon almond extract
- 1/2 cup shredded or grated coconut

Confectioners' sugar
Place pudding mix in a saucepan. Stir in milk slowly and then cook according to directions on package. Beat eggs slightly. Add a little of the hot, cooked pudding to the eggs first so they won't cook on you. Then combine them and cook slowly another half minute. Take off the stove and stir in almond extract and coconut. Cool. Place the filling between the two gingerbread pies and sprinkle the top with confectioners' sugar.

FRENCH CHOCOLATE CREAM PUDDING

- 1 pkg. chocolate pudding
- 1 cup cold milk
- 2 sq. (2 oz.) unsweetened chocolate
- 1 teaspoon vanilla extract
- 1 cup heavy cream

Empty contents of chocolate pudding mix into a heavy sauce-

pan. Stir in the milk gradually and keep stirring until the mixture is absolutely smooth. Add the unsweetened chocolate and cook very slowly, stirring constantly, until chocolate has all melted and the pudding is as thick as mayonnaise.
Take off the stove and allow pudding to cool. Add vanilla extract to cream and beat until thick. Now mix or fold the whipped cream into the cooled chocolate pudding. Pour into 6 custard cups, filling them about three quarters full.

RASPBERRY ROLL

- 3 eggs
- 2 cup sugar
- 2 tablespoons melted butter or margarine
- 1 teaspoon vanilla extract
- Grated rind of half lemon
- 2 3/4 cup pancake mix
- 1 pkg. raspberry gelatin
- 1/2 cup boiling water
- 1 pkg. frozen raspberries

Confectioners' sugar
Start your oven at 400 F. or moderate. Line a 10x5 inch sheet pan with waxed paper and grease very well. Beat eggs until foamy, then beat in the sugar gradually, beating well after each addition. Mix in the melted butter or margarine, vanilla extract, lemon rind and the pancake mix. Pour batter into pan, spreading evenly so that it touches all sides. Bake 10 minutes.

In the meantime, dissolve gelatin in boiling water, add the frozen raspberries (the berries should be partially thawed), breaking them up gently with a spatula. Take a cloth a little larger than the cake and sprinkle lightly with confectioners' sugar. Turn the baked cake out on this cloth and pull off the paper. Then trim off the brown edges.
Spread with the raspberry filling, which should be thick by this time. Roll up in the cloth and cool on cake rack, seam side down. Remove cloth before serving, of course. This is enough for 3 people.

June is Dairy Month

30 IMPORTANT DAYS IN MICHIGAN

June has been proclaimed Dairy Month in Michigan by Governor Williams—not as a good-will gesture to dairy farmers but because dairying is generally considered the state's most essential industry.
Milk provides Michigan farmers their largest cash income—more than 218 million dollars last year.
The million dairy cows on Michigan farms provide in excess of 2 billion 650 million quarts of milk a year. These dairy herds represent an investment of 273 million dollars just in livestock alone.
But aside from these impressive figures, Milk has won a place in the "Hall of Fame" as the most essential item of food in the American diet—it is indispensable to the Nation's welfare.
More than 15,000 members of this Cooperative are working unitedly to provide their markets with the finest of milk and dairy products. This month they are setting aside a portion of their incomes to help finance both state and national programs of research and experimentation. These projects are carried on to improve the quality of their herds and products and find new uses for milk. All of which contributes to better health and a greater enjoyment of life by all of our people.

More Smiles per Gallon

with Dynaflo Drive

THERE'S the smile when you slip the selector lever into Driving notch—and realize that's all there is to do.

There's the smile when you swing smoothly up to cruising speed without halt or check or break of stride. There's the smile at traffic lights when you halt, wait, then move away with never a thought about shifting.

But the broadest grin of all comes at the end of a long day's drive and you find you've covered more miles more easily. Even your treadle-foot—so likely to become tired and cramped maintaining an even speed in direct-drive cars—appreciates the fluid ease of Dynaflo.

For Dynaflo Drive is not merely a new transmission. It's a new experience—a new luxury in driving. In ten minutes you are handling it like a veteran—in two days you wouldn't be without it.

†Standard on ROADMASTER, optional at extra cost on SUPER models.

Small wonder, then, that Dynaflo is the drive with which all new developments in transmissions are compared.

Not merely "something better," it is something entirely new, the first exciting chapter in a whole new book.

Go learn for yourself how abundantly rich in pleasure every gallon becomes when you have Dynaflo.

Your Buick dealer will be glad to demonstrate—glad to quote delivered prices—glad to talk terms of as fine a deal as you could want.

And you'll find glad surprise in the delivery dates he is now mentioning.

Woolweaver Tells Polio Precautions

Herb Woolweaver, recreation director, has revealed a few precautions for parents about the dreaded disease, polio.

Here are the five easy-to-follow health rules for children:

1. Avoid crowds and places where close contact with other persons is likely.
2. Avoid over-fatigue caused by too active play or exercise, or irregular hours.
3. Avoid swimming in polluted water. Use only beaches or public pools declared safe by local health authorities.
4. Avoid sudden chilling. Remove wet shoes and clothing at once and keep extra blankets and heavier clothing handy for sudden weather changes.
5. Observe the golden rule of cleanliness. Keep food tightly covered and safe from flies or other insects. Garbage should be tightly covered and, if other disposal facilities are lacking, it should be buried or burned.

The national foundation also listed the following symptoms of infantile paralysis: headache, nausea or upset stomach, muscle soreness or stiffness, and unexplained fever. Should polio strike in your family, call a doctor immediately. Early diagnosis and prompt treatment by qualified medical personnel often prevent serious crippling.

Woolweaver said the organization emphasized that fear and anxiety should be held to a minimum. A calm, confident attitude is conducive to health and recovery. Parents, it said, should remember that of all those stricken, fifty percent or more recover completely, while another twenty-five percent are left with only slight after effects.

If polio is actually diagnosed, get in touch with the chapter of the national foundation for infantile paralysis serving your community. The chapter will pay that part of the cost of care and treatment which the patient or family cannot meet.

Starvation losses of deer were practically nonexistent in any part of the state this winter.

The animals now are scattered over their entire summer range in the northern half of the lower peninsula, according to L. A. Davenport, regional game supervisor for the conservation department. There was some yarding of deer in the Gaylord and Vanderbilt areas, but little elsewhere in this half of the state. Occasional patches of snow remain in the Gaylord vicinity. Davenport said the worst areas have been thoroughly searched and starvation losses were negligible. In the browser out McKinley bridge and Wright creek localities in Oscoda county, 14 University of Michigan wildlife management students failed to uncover any dead deer in a day-long search. An intensive hunt by 88 Kalkaska 4-H club members, covering 200 acres on the east side of the Hanson game refuge near Grayling, produced no starved animals. Conditions usually are critical on these grounds. A similar encouraging report was made by 35 4-H club members of Emmet county who scoured the west side of the refuge where heavy losses were found last year.

During the heavy season, trappers spotted a few dead deer along the streams. Subsequent investigation by conservation department field men showed most of these deer had died from causes other than starvation.

Regional game supervisor, M. C. Wakomala, said a short yarding season also prevailed in the upper peninsula. Deer headed for the swamps in the middle of January and remained yarded through the last week of March. Some snow is evident under the heavy timber in the deep snow belt. So far, searches made in the upper peninsula indicate light losses again this year. A few dead deer have been found in widely scattered spots.

A marked hike in ground water levels of .9 of a foot brought the April measurement up to 2.6 feet, the conservation department reports, but still below the April 10-year average of 3.15 feet.

Tests conducted last month at shallow wells in the north-central part of the lower peninsula bear out the department's prediction that the upward trend started in February would continue. The rise is expected to continue this month, but at a lower rate.

During the 14 years of record the spring high came in March once, April four times, May seven times and June twice.

The record high for any month was set in June, 1943, at 4.51 feet. The record low for any month was set in March, 1940, at 1.28 feet.

Reports from over the nation indicate that small-game populations in most sections are on the upswing of their periodic cycles, according to the Wildlife Management Institute.

The U. S. Fish and Wildlife Service's annual winter inventory disclosed substantial increases of waterfowl in all four flyways. Nearly all waterfowl species—except mergansers and shovellers—increased in numbers. A mild winter throughout its wintering range favored the woodcock, which made a strong comeback last season over the previous two years. The still mysterious regular cycle of the ruffed grouse turned the bottom corner two years ago and populations now appear to be building up in the Northeast toward another "high." The mild open winter which the East enjoyed this year favored the bobwhite throughout most of its range.

The hardier pheasant survived the severe western blizzards better than most expected, according to reports from the Plains States. Provided the nesting season is favorable there is little reason to believe that the climb from the crash decline of two years ago will be more than momentarily and locally checked.

If Nature favors the North American continent with normal weather during the next few months, sportsmen should be able to look forward to a successful small-game hunting season next fall.

Over 200 individual farm-game restoration plans in the lower half of the state have been completed, the department of conservation's game division announces. This does not include 50 plans which were made with cooperators which are holdovers from last year.

Multiflora rose continues to be the most popular shrub requested by farmers in the joint wildlife habitat improvement program. Other planting stock now being delivered to farms includes pine, spruce, cedar and hardwood seedlings, and such bush plants as corallberry, honeysuckle and nannyberry.

Enough multiflora rose to plant over 25 miles of "living fence" is being distributed to cooperating landowners this spring, according to W. C. Rider, game division program leader. Present method of planning farms for wildlife food and cover improvement, he said, emphasizes the planning of the entire farm as a unit rather than just one selected spot. Good land use has been the primary guiding principle in planning better food and cover conditions for wildlife.

Allegan, Eaton and Kent county farmers have accounted for 40 of the 209 new plans approved for this spring.

Current Garden Jobs are Listed

Plymouth home gardeners can use the last week of May and the first of June to put out tomatoes, egg plant, and pepper plants. This advice comes from Jack Rose, of the Michigan State college department of horticulture.

Frosts early in May proved the danger of getting these warm weather crops outdoors too early. Other garden chores that can be done now are planting snap beans and sweet corn as well as setting out transplants. Cucumbers, melons, and squash can be planted anytime until about June 10. Soil should be thoroughly warm before seeds of these crops are planted.

Many gardeners plant lima beans too early in Michigan, Rose believes. This crop should not go into the ground until the first week in June. The new varieties Peaceless and Triumph, developed by the United States Department of Agriculture, have given excellent results under Michigan conditions. Henderson Bush is the second lima bean choice if the new varieties cannot be obtained.
