WHY EVERY CITIZEN OF PLYMOUTH SHOULD VOTE WEDNESDAY, SEPTEMBER 7

We wish to call the attention of the voters to the important fact that never in the history of Plymouth has there ever been an election which has been so important as the one called for September 7. The issue may seem a simple one, but it is much more important than the ballot indicates.

The Commission-Manager Form Of Government Is On Trial

We, the taxpayers and voters of Plymouth, some years ago decided to do away with the horse and buggy type of government under which this and most other villages operated at that time. We elected a number of our citizens to write a new charter for Plymouth. We told them that we wanted a commission-manager form of government.

Voters Gave Plan Submitted By Charter Commission A Big Majority

When the charter commission submitted its recommendations to the voters for a city-manager form of government, the voters again overwhelmingly voted in favor of the plan. It was put into effect as quickly as possible. In spite of some local political conditions we believe it has worked out most successfully. When it has been found necessary to amend the charter, our citizens have voted overwhelmingly in favor of these amendments.

The Basic Form Of Our Government Responsibility In A City Manager

When Plymouth voted to become a city and to adopt a city manager form of government, it seemed to mark a starting point for greater growth and development. It was not easy at first to adapt ourselves to a plan whereby a city manager was the authority in charge of all departments, as directed under the city charter. But most taxpayers and voters interested in good government learned to like the system. A few local politicians it appears, couldn't forget the fact that commission members were chiefly the policy makers for the city government, and that the conduct and responsibility for the operations of the city government was in the hands of the city manager. That is one of the basic issues of this election.

Plymouth Has Made Rapid Progress Under Its New Form of Government

The citizens of Plymouth can point with considerable pride to the progress we have made under the city manager system, in spite of constant interference with city departments and employees on the part of one commissioner, who seems never to have forgotten the fact that when Plymouth adopted the city manager form of government it wanted to do away with political interference in Plymouth's municipal affairs.

City Manager Must Have Backing of Commission To Be Successful

No city manager can be successful in his work for the city unless he has the support of the city commission in his efforts to improve the operations of the various city departments. The four commissioners who are now up for recall believe they are complying with the provisions of the city charter in their stand to approve the action of the city manager in his desire to bring about greater efficiency in the police department. The commissioners are firm in their belief that they are duty-bound under the charter to give the city manager this support.

A Vote To Recall Is A Vote To Nullify The City Charter

The issue is not whether you like this or that person. It is not a vote for or against the city manager or the chief of police. It is a vote for the provisions of the city charter or a vote against the provisions of the city charter. The city manager did what he thought was best for the City of Plymouth when he decided to make a change in the police department and the four city commissioners in their action followed what they believed to be the directions of Plymouth's charter. We believe that this issue is so important to the future of Plymouth that EVERY voter should make a special effort to go to the polls and vote Wednesday, September 7.

This advertisement contributed by a group of citizens, manufacturers, business men and taxpayers who are interested in a continuation of good government in the city of Plymouth.

Customers' Corner
 What makes a good meat department?
 Here are the things we want you to find in your A&P meat department:
 Top grades of meat at money-saving prices.
 Trimming of excess fat and bone before weighing.
 Plainly marked prices, accurate scales and honest weight.
 Clean, sanitary conditions.
 Expert butchers and enough of them.
 Prompt, courteous service.
 Do you get all these things at your A&P, as you should? If not, please let us know where we're falling down.
 Please write:
 Customer Relations Department,
 A&P Food Stores, 420 Lexington Avenue

KROGER CUTS THE COST OF LIVING

Engagement of Jo Anne Walsh Revealed This Week By Parents

Wedding plans are in the making for Jo Anne Walsh whose engagement to H. Joseph Brisbois was announced recently by her parents, Mr. and Mrs. F. J. Walsh of South Harvey street.

Dr. and Mrs. Harold J. Brisbois of Sheridan avenue are the parents of the prospective bridegroom.

After receiving her diploma from Plymouth High school, Miss Walsh attended Madonna college. A graduate of Plymouth High school also, her fiance is attending the University of Michigan where he is studying for a masters degree in biology. Mr. Brisbois is a veteran of two years service in the Army.

The young couple have not named their wedding date.

Jo Anne Walsh

Friends Honor Miss Hartmann At Garden Party

Nearly 100 guests honored Beatrice Hartmann, August bride-elect, at an informal party in the lovely garden of the Milton R. Laible home on South Main street Wednesday, August 10.

Covered with a pastel pink cloth, the long refreshment table was beautifully centered with an informal arrangement of summer flowers in pastel shades. Throughout the garden small tables seating four were placed and centered with bouquets of daisies and gladioli.

Small figurines wearing dresses identical to those Miss Hartmann and her attendants will wear were arranged on either side of the large centerpiece.

Punch bowls were placed on either end with trays and plates of lovely cookies, tea cakes, nuts and mints arranged on the long table.

The honored guest greeted her friends in a pink printed silk dress with black accessories. Mrs. Laible chose a blue silk print and white accessories, while Mrs. Hartmann wore a black and white print dress.

Miss Hartmann will become the bride of Graham Laible on August 24.

Lamerand - Anderson Rites Read In Afternoon Garden Ceremony

The garden of her parent's home on Canton Center road was the scene of the ceremony on August 6 uniting in marriage Nona Lamerand and Richard Anderson, son of Mr. and Mrs. Walter Anderson of Russell street, Plymouth.

The bride's parents are Mr. and Mrs. Benjamin A. Lamerand.

Before a setting of large baskets of white gladioli, the young couple repeated their vows after the Rev. E. L. Hughes of Detroit in a double ring ceremony at 4 o'clock in the afternoon.

The bride, who was given in marriage by her father, chose an informal dress of pink marquisette designed with a fitted bodice and bouffant skirt. Final touch was the white orchid corsage she pinned to the shoulder of her dress.

Duties of the maid of honor were carried out by Evelyn Bruny. Miss Bruny wore a blue or-gandy dress fashioned along the same lines as the bride's. Her flowers were yellow roses.

Wearing white dotted swiss dresses and carrying baskets of rose petals, Cynthia Lamerand and Lynn Owens acted as flower girls.

Completing the list of attendants was Tony Pellerito, who served as best man.

The bride's mother, Mrs. Lamerand, donned a light blue printed silk dress with black accessories and a corsage of white and gardenias. For her son's wed-

ding, Mrs. Anderson chose a navy blue printed dress with white accessories and a gardenia corsage.

A reception in the home of the bride's parents followed the garden wedding. A three tiered wedding cake encircled in white gladioli blossoms and ferns centered the bride's table. Lighted candles were placed on either side of the centerpiece.

The newly wed couple received congratulations from 50 guests from Chicago, Pontiac, Lincoln Park and Gibraltar.

Upon returning from their wedding trip to Northern Michigan, Mr. and Mrs. Anderson will make their home on Ford road.

Miss LaVergne's Troth Revealed

In a flurry of excitement Phyllis LaVergne is making plans for her wedding on October 1.

Her parents, Mr. and Mrs. Levi LaVergne of Adams street, have announced their daughter's engagement to Millard Mitchell.

The prospective bridegroom's parents are Mr. and Mrs. LeRoy Mitchell of Gyde road.

Miss LaVergne is a graduate of Plymouth High school and Nazareth college in Kalamazoo. Mr. Mitchell was graduated from Walled Lake High school.

Ice Cream Social In Kellogg Park

An ice cream social will highlight Plymouth's Friday evening activities this week.

Co-chairmen Mrs. L. B. Rice and Mrs. E. Williams announce that the event will begin about seven o'clock in Kellogg park. Everyone is invited.

Sponsored by St. John's Episcopal church, the proceeds will be added to the treasury of the Altar Guild.

Kind words are never best except when put in a letter and given to a husband to mail.

Joan Wilkie Choses Chantilly Lace For Wedding To George Rathbun

During a candlelight ceremony in the First Methodist church on Friday, August 12, Joan Marie Wilkie, daughter of Mr. and Mrs. Roy Wilkie, became the bride of George Harry Rathbun, Mr. and Mrs. Oral Rathbun of Kellogg street are the bridegroom's parents.

Lighted tapers in cathedral candelabra, palms, and baskets of white baby mums and gladioli encircled the altar for the double ring service read by the Rev. Frederick Poole.

Wedding music was presented by Fred Kendal, soloist, who sang "I Love Thee" and "Because" preceding the ceremony. As the young couple took communion, Mr. Kendal sang "The Lord's Prayer." Mrs. Inez Lock was the organist.

Wearing a gown of French chantilly lace, the bride was given in marriage by her father. The bridal gown was designed with a fitted bodice, round neckline and long fitted sleeves ending in points over the wrists. The peplum was draped in folds to form a circular train in the back of the full skirt. The bride's fingertip veil of illusion was fastened to a coronet of seed pearls.

White satin streamers and cascading ivy fell from the bridal bouquet of white rosbuds and stephanotis centered by a white orchid.

As her maid of honor the bride chose Corinne Rathbun, the bridegroom's sister. Her gown of yellow chantilly lace and chiffon was styled with a lace bodice and lace peplum over the full chiffon skirt. Miss Rathbun wore a matching coronet headpiece and carried an arm bouquet of lavender baby mums tied in yellow streamers.

Bridesmaids were Marjorie Barr and Lois Weathers, sisters of the bride, and Dorothy Young. Their gowns of chiffon and chantilly lace were fashioned identical to the one worn by the maid of honor. Mrs. Barr chose blue; Mrs. Weathers wore green, and Miss Young selected pink for her gown. Their headpieces were coronets in colors matching their

Attractive Log Cabin is K. A. Olds Summer Home at Indian River Many Plymouthites Visit At John McLaren's Near Oscoda

LOCAL NEWS

This unusually attractive log cabin is the center of all the activities that take place at Olds Cabins located on beautiful Indian River near the outlet at Burt Lake. Here Mr. and Mrs. Olds make their summer home and look after the six other beautiful cabins that they rent to vacationers during the summer months.

No one knows more about fishing on Indian River or in Mullet or Burt Lake than does Plymouth's Kenyon Olds. An inveterate fisherman, Mr. Olds was snapped by the Plymouth Mail photographer just as he was helping his mother-in-law, Mrs. George Hess, into one of his fishing boats to take a trip out into Burt Lake with he and Mrs. Olds. Mr. Olds' newest interest is cruising the river and lakes in his new Chris Craft speed boat that he acquired last fall.

Mr. and Mrs. Maxwell Moon were visiting at Mr. and Mrs. John McLaren's beautiful cabin just north of Oscoda when the Mail photographer arrived at that scenic spot. The McLaren cabin is located on Lake Huron's most beautiful white sandy beach where many Plymouthites visit weekends and enjoy the warm McLaren hospitality and a refreshing dip in the lake's cold waters. Pictured left to right are Mr. Moon, Mrs. Moon, Mrs. McLaren and Mr. McLaren. Sitting in the chair is the McLaren's grandson John D. McLaren the third.

Mr. and Mrs. John Pratt of Manchester spent last Wednesday, August 3, with Mrs. William Blunk of Williams street. Mrs. Pratt is Mrs. Blunk's daughter.

After spending three days touring the northern part of the state, Mr. and Mrs. Don Ryder returned to their home on Newburg road.

Mr. and Mrs. Roy A. Fisher spent their vacation last week in Northern Michigan.

Vacation time came to a close last week for Mr. and Mrs. Harry DeBar, who have been sightseeing in Northern Michigan for the past two months.

Boston, New York, Niagara Falls, the Green Mountains, and Berkshire Hills were among the interesting places which Mr. and Mrs. H. E. Reed stopped to see while on their two week vacation trip in the New England states. While in Connecticut they visited Mr. Reed's niece and her husband, Mr. and Mrs. Stol Hulbert of Bridgewater. They returned to their home in Plymouth on Friday.

Mr. and Mrs. Cass Hough returned to Plymouth Tuesday after a trip to San Francisco.

On Thursday Mrs. Joe Drulia of Detroit visited in the home of her parents, Mr. and Mrs. Harry DeBar of Carol street.

Mr. and Mrs. Ross Hedrick have invited 30 guests to help their daughter celebrate her third birthday on Tuesday afternoon.

Mrs. Inza Wicks of York street has received a letter from Fort Riley, Kansas stating that her son has arrived at the camp and has been assigned to the 85th Infantry Regiment. While he is there his address will be Recruit Charles E. Wicks, RA16295628, Company 1, 85th Infantry, 10th Infantry division, Fort Riley, Kansas.

Returning to Plymouth from a two weeks vacation on Indian lake in the Upper Peninsula were Mr. and Mrs. James Allor and daughter, Vicky, Mr. and Mrs. John Albertson and daughter, Carol, and Mr. and Mrs. Perry Hix. They vacationed at the Allor cottage on the lake.

As their guests for the past two weeks Mr. and Mrs. Robert Soth of Warren road have entertained Mrs. Roger McFall and son, Jimmie, of Onaway.

Know What To Do When Polio Strikes You Or Your Family

Arthur R. Sarjent Visits Friends, Relatives Here

When polio strikes your family, you will want to know where and how to get help immediately. None of us know when this dread disease will strike us. This is how to get help, made possible through the March of Dimes, from the National Foundation for Infantile Paralysis.

At the first sign of illness, call your own doctor. If he suspects polio he will report the case to the local Health Department and arrange for hospitalization or home care, as indicated. The National Foundation does not select physicians or hospitals. This is a family matter. If you have no family physician, call your City or County Medical Society, your Board of Health or the nearest hospital.

If your doctor says it is polio and requires hospitalization, the local Chapter of the National Foundation will help arrange for transportation to a treatment center. As soon as the patient goes to the hospital—or if your doctor advises the patient can be treated at home—get in touch with your Chapter of the National Foundation to arrange for any needed assistance.

Friends of Arthur R. Sarjent were surprised and happy to see him in Plymouth last week for a short visit.

Mr. Sarjent of Olympia, Washington, flew here to visit his grandparents, Mr. and Mrs. Harvey C. Segnitz of Rosedale Gardens.

While in the area Sarjent visited friends and relatives at Walled Lake, Pontiac and Michigan City, Indiana. He returned to Olympia where he is a junior at St. Martin's college.

Stem rust lost for 1949 in Michigan's wheat crop has been estimated as one-tenth of one percent—the lowest of any year since the control program began in 1913.

Harding was the first President to speak over the radio.

Communities Getting New Vitality From State Industrial Program

Hundreds of Michigan communities are "revitalizing" themselves with a new state industrial development program!

Recognizing the real need in Michigan for additional industry for smaller towns the state department of economic development has set up, supervised and carried out a program for industrial development.

Why was it started? How is it done? Complaints were received from communities all over the state that their young people were leaving home—moving to larger cities where "opportunities" could be found. Meanwhile these towns were dying—dying from no industry, no spirit, no improvements. So, the economic development department started a community industrial survey program for these areas.

The surveys are made by citizen-committees in the stricken towns and when finished the industrial location advantages of the towns are discovered. From them the community is classified according to industry that could profitably operate in the area and a campaign for securing these particular industries is launched.

Often brochures are published to advertise the community to direct mail campaigns to manufacturers. Then through the economic development department contacts are made with potential industries thus bringing suitable communities and industries together.

Eleven new industries have been begun through this program with the result that 11 communities are able to offer their youth new opportunities, make improvements and have been revitalized for future development.

Over 150 communities in the lower peninsula are currently conducting these surveys. The upper peninsula areas have completed theirs, published a brochure and can claim definite industries which have resulted from this program.

All of this interest shown, progress made and improvements prove that Michigan is alert for development.

Plenty of water, shade for the cattle, fly control, and high-quality pasture will help to maintain milk production during the usual summer slump.

Commander, R. M. Adjutant, Chas. Service Officer, Don

If you have a social item or any other local news, phone 1705.

EAGLES LODGE, F.O.E.

Northville Aerie No. 2504 American Legion Hall Northville

Regular meetings every Thursday, 8:00 P.M.

PETER LOMONACO—Pres.
AL WILMET—Sec'y

Famous face - and what a figure!

135-HP Packard Eight Club Sedan (White sidewalls, \$21 extra)

PACKARD PRICES BEGIN AT \$2234.75 * DELIVERED HERE

*State and local taxes, if any, extra. Prices may vary slightly in adjoining areas because of transportation charges.

Here's distinctive new beauty—and distinctive everything else! For example:

Distinctive, 135-HP performance. S-m-o-o-t-h-e-r, quieter than ever. With spectacular "safety-sprint" reserve power... and sensational gas economy!

Distinctive, "Limousine Ride"—triple-cushioned by Packard's costly "self-controlling" suspension system.

Distinctive, precision-built quality—safeguarded by 4,287 major inspections per car. Quality note: Of all the Packards built—in the last 50 years—over 50% are still in service!

And all this distinction is yours at a price that's less than for many lighter-built, lower-powered eights... less, even than for some of today's sixes!

The moral, of course, is: Now that you're so close to the price of a Packard—why not own one!

Start back to School with Arrow

'UNIVERSITY STYLES!'

When you go back to school, put up your best front . . . and that means Arrow "University Styles."

Shirts, sports shirts, ties, handkerchiefs and shorts, designed in the manner of the college man—young in style, smart in looks.

And they all bear the Arrow label—a guarantee of perfect styling, proper fit, and a desire to live long.

Come in and see our complete selection of Arrow University styles. We have everything you'll need to look your best at school.

Shirts \$3.65 up
 Ties \$1 up
 Handkerchiefs 35¢ up

I REMEMBER . . .
 By THE OLD-TIMERS

From Mrs. A. F. Wood of S. Woodstock, Vt.: "I remember when women's bathing suits consisted of a pair of bloomers reaching from the waist to below the knee and held by a rubber cord at top and bottom, with a short-sleeved garment reaching from neck to kneecap and controlled at the waist by a belt."

From Mrs. Mary Stewart of Chicago: "I remember when wives or daughters trimmed father's hair and mustache, or grandpa's beard—and every family had a pair of hair clippers. Working men in those days rarely ever patronized a 'tonsorial parlor.'"

From Myrtle M. Detrick of Springfield, O.: "I remember the great thrill we enjoyed when we made a trip aboard a street car drawn by horses. We would ride to the end of the line, then the horses would pull the car onto a turntable and soon we'd be traveling back over the same route. There were just a few tracks in the city (Knoxville, Tenn., that is) and none of great length."

From "Oldtimer Indeed" of Glover Gap, W. Va.: "I remember when kids had candy once a month . . . We got sugar only when we had company . . . when children got out and gathered mulberries . . . the old folks made our shoes out of boot tops . . . we had wheat bread once a week only—it was light bread or biscuits on Sunday."

(How about your memories of days gone by, old-timers? Address yours to this column in care of Mr. Friendly, Box 340, Frankfort, Ky.)

Summer Comfort For Hens Aids Egg Production

Plymouth poultrymen who keep laying hens comfortable in hot weather can expect to profit by continuing egg production in summer when prices are higher than spring, say Michigan State college poultrymen.

U. S. Department of Agriculture records show that for a 10-year period before and during the war, egg prices to farmers averaged more than five cents a dozen higher in August than in April. Average lay per hen in 1948 was 18.1 eggs in April and only 13.7 in August.

H. C. Zindel, MSC extension poultryman, says that many flock owners make the mistake of cutting down on the grain ration to summer layers. This has the result of supplying less feed but feed of high protein content. Protein in the summer diet is a heating feed and layers cut down on the quantity they eat.

Summer comfort for layers keeps them eating—and laying. Poultry specialists emphasize various aids for summer comfort. Laying houses that are closed in winter should be convertible to open front in summer, and windows and ventilators should be provided and kept adjusted to keep the houses cool as possible. They also emphasize the summer egg-laying value of a shaded yard—with or without pasture. Good green pasture in a yard can save up to 15 percent of the feed.

The shade may be from trees or as roofed shelters open on all sides. But layers, Zindel says, should not be allowed to range far from the feed hoppers where they can eat—and then lay. Water should be cool and in ample supply.

The nearer the summer can be kept to the comfort of spring, the nearer the layers will come to eating and laying in summer as they do in spring.

Social items can be phoned to 1755.

STATE OF MICHIGAN—ORDER OF THE CONSERVATION COMMISSION HUNGARIAN PARTRIDGE
 The Director of Conservation having had a thorough investigation of conditions relative to Hungarian partridge hunting in the Lower Peninsula, and in view of the fact that the number of birds has increased since the year 1947, it shall be unlawful for any person to hunt, take or kill any Hungarian partridge in the Lower Peninsula of Michigan.

STATE OF MICHIGAN—ORDER OF THE CONSERVATION COMMISSION RACCOON—LOWER PENINSULA
 The Director of Conservation having had a thorough investigation relative to the hunting of raccoons in the Lower Peninsula, and in view of the fact that the number of raccoons has increased since the year 1947, it shall be unlawful for any person to hunt, take or kill any raccoon in the Lower Peninsula of Michigan.

STATE OF MICHIGAN—ORDER OF THE CONSERVATION COMMISSION MONROE AND WAYNE COUNTIES
 The Conservation Commission, by authority of Act 17, P.A. 1921, hereby orders that for a period of two years from October 1, 1949, it shall be unlawful to use the lands and water within the Pointe Mouillee State Game Area in Sections 23, 24, 25, 26, 35, and 36, Township 5 South, Range 10 East, Sections 1, 2 and 11, Township 8 South, Range 10 East, and Sections 29 and 32, Township 5 South, Range 11 East, as posted, except under the following regulations:
