## Lansing Rites Unite Couple

Announcement of the recent marriage of Anna Lou Blessing to Malcolm Cunningham was made this week by the bride's mother, Mrs. Mary Blessing of Mill street.

Vows were exchanged by the young couple at an afternoon ceremony in the First Presbyterian church of Lansing, on September 17. Performing the 5 o'clock rites was the Rev. VanderMullin.

For the ceremony the bride wore an informal slate blue satin gown with grey accessories. Her flowers were pink roses.

Attending the bride as matron of honor was her sister, Mrs. Harold Gothard. Mrs. Gothard chose a gold satin dress with black accessories. A corsage of yellow carnations completed her outfit.

Serving as best man was Harold Gothard.

After a week's wedding trip through Northern Michigan, Mr. and Mrs. Cunningham returned to Plymouth and are making their home at 662 Irvin street.

## PTA Members to Meet at Patchen

In order to make members of the PTA group more conscious of the necessity of chest X-rays, the Patchen PTA has secured Mrs. Bemish of the Wayne County Health department to speak on the subject at their meeting on October 7. The meeting will get underway at 8 p.m.

As a public service to residents in that school district, the Wayne County Health department is setting up a mobile unit for the chest X-rays at Cady school. Members of the Patchen PTA and their children as well as other residents in that area, will have access to the unit when it is installed.

Announcement was also made by a member of the association who stated that the membership drive will be carried on through the month of October.

An invitation is extended to all parents who have children in Patchen school to attend the Friday evening meeting.

## OES News

One hundred and eight were in attendance at the Eastern Star's regular meeting held on Tuesday, October 4. Following the regular meeting, the annual meeting was conducted. Grand chapter will be at Grand Rapids, October 11, 12 and 13.

Plymouth installation will be held October 18 at 8 p.m. Members are requested to invite only one guest because of fire regulations. Officers practice for new and retiring officers will begin at 7:30, Monday, October 17.

## Easter Lillies Bloom In Sept.

Viewing her beautiful Croft Easter lily blossoms, is Mrs. Stanford Besse, of 288 N. Harvey. When the California growers forced the bulb to bloom for Easter, it made the lily blossom twice the first year after being replanted. This flower bloomed for Easter and again in September. From now on it will probably bloom in July, according to local florists.

## Church Auxiliary Garden Club to Meets October 12 Meet October 10

The Women's Auxiliary of the First Presbyterian church will meet at 2 p.m. on Wednesday, October 12 in the church parlor. The devotionals will be presented by Mrs. E. J. Cutler. Program chairman of the day Mrs. Elvin Taylor will introduce the speaker, Mrs. Ralph Pino of Detroit. Mrs. Pino will discuss work of the Board of Christian Education of the Presbyterian church. Besides being a board member Mrs. Pino is a past president of the Michigan Synodical society. Hostesses for the day will be Mrs. August Hauk, chairman; Mrs. Norman Potter, Mrs. W. J. Monteith, Mrs. Carl Hartwick and Mrs. William K. Moore.

**Dr. W. Hammond Speaks at Hi-12**

"Physician's Experiences in a Federal Penitentiary" was the topic of Dr. Walter Hammond for his talk to members of Hi-12 at their September 28 meeting. Dr. Hammond gave an account of the prisoners' behavior and told how many of them talked to him instead of the warden or chaplains.

He followed his report on the penitentiary with a talk about socialized medicine. Dr. Hammond said that under a socialized medicine program, doctors do not have enough time to devote to the needs of the patients, and therefore, medical care would be inadequate.

Last night's program was conducted by Walter Rensel whose topic followed the national program for this week, "Hiring of the Physically Handicapped." John Campbell has secured an outdoor motion picture for the October 12 meeting of Hi-12.

Men are often capable of greater things than they perform. They are sent into the world with bills of credit, and seldom draw to their full extent.

Another service will soon be offered to children of Plymouth public schools, it was announced today by school officials. This will include the cleaning of children's teeth and application of sodium fluoride in a program of dental decay prevention which has received the approval of the Michigan Health department as well as the U. S. Public Health Service. The installation of necessary equipment in the high school building adjacent to the school nurses office marks the final stages of preparation which has been in progress since the opening of school. During this period Miss June Sangle, dental hygienist who will carry on the work, has been busily engaged in not only preparing physical facilities but also in preparing the children through an educational program conducted in the classrooms.

The sodium fluoride treatment for prevention of dental decay received considerable attention during the last school year. With the assistance of the school nurse, Mary Strassen, and with the cooperation of personnel from the Michigan Department of Health, the local Parent Teacher associations conducted a study to determine the advisability of recommending such a program for local school children. As a result support of such a program was pledged by these organizations and planning was taken over by a representative group composed of local dentists, school officials, teachers and parents.

Present plans call for the program to start with children of the second grade. However, parents will be contacted by letter and permission for the cleaning and painting on of sodium fluoride will be necessary before the work begins. On advice of the School Health Advisory committee, a representative group of school and community people, a nominal charge has been decided upon which will be made for each of the four applications necessary for a complete treatment. It is tentatively planned that school children will receive such treatments at ages corresponding to grades kindergarten, grade two, grade five, either grade seven or eight.

This dental program of the Plymouth schools is under the general supervision of the Michigan Department of Health. Dr. A. E. Van Ornum is in charge locally of professional supervision.

**What do You do With Dead Cats?**

What do you do with dead cats? That important question was raised two or three days ago when some "hit and run" driver cracked into what apparently was a well-bred alley cat, injuring it so badly that it died when it reached the other side of the sidewalk in its search for a safe place in which to pass in its "checks."

The cat remained all day Sunday in plain view of folks going to and coming from church—i. e., the folks that travel along Main street.

Monday forenoon the owner of the lot that the cat had picked out as a good place to go to cat heaven, thought something should be done about seeing that the cat got at least a decent burial.

But knowing of the hellable that once took place when a cat was given a respectable burial in Plymouth, it was deemed wise to consult the higher authorities.

Some said bury the cat. Others said to let it lay where it was and when some one had time they'd pick the cat up. When asked if there would be any law violated if the cat was properly buried within the city limits, no one seemed to know—but that's the thing to do with it," said someone else.

Amid all the pomp and ceremony properly due a well-bred alley cat it was laid to rest as dark clouds swept over the skies and shed rain-drops as the cat went the way of all cats.

### Flag Raising Officially Opens New Township Hall

Supervisor Charles Rathburn, Jr., is pictured presenting Plymouth township clerk, Norman Miller, with a new American flag, a gift of Mr. and Mrs. Rathburn, on the event of the formal opening of the new township hall last Saturday morning.

### Beautiful New Hall Houses Offices, Fire Department

For the first time in the history of Plymouth Township local residents will now be served in regular township offices. The beautiful new hall located just east of Lilley road on U.S. 12 houses not only the fire department and firemen's living quarters, but has an office for the treasurer where tax payments can be made, an office for the supervisor and the township board and a large central meeting room where elections and town meetings will all be held in the future.

### Members of Board That Made New Hall a Reality

Ply-Mail Photos

Officials of Plymouth Township are as proud of their new hall as they would be of a new home, and they have reason to be. Saturday marked the first time in township history that a township meeting could be held in a regular township office, rather than the living room of one of the member's homes. Seated at the desk is supervisor, Charles H. Rathburn, Jr., and standing in the rear are, left to right, Samuel Spicer, Norman C. Miller, George Richwine, William Webber, Walter Postiff and Carl Hartwick.

## Meet Our Candidates for the City Commission . . . . .

HENRY J. FISHER

A resident of Plymouth since 1902, Mr. Fisher has long been recognized as having a keen perception of the needs of Plymouth. As a former President of the Village of Plymouth, and as a two-term Commissioner of the City, he has a public record of accomplishment of which to be proud. By profession a carpenter and wood-finisher, Mr. Fisher is still actively engaged in this work. He is a charter member of Plymouth Kiwanis Club, and the father of two well-known Plymouth residents Edna Fisher Campbell, and Roy A. Fisher.

ELEANOR HAMMOND

After securing a Teacher's Life Certificate from Michigan State Normal college, Mrs. Hammond studied extensively at the University of Michigan. After teaching school for some time, she married Dr. Walter Hammond, prominent local surgeon, and began the teaching of her own three children. Mrs. Hammond's many civic activities during her twelve year residence in Plymouth includes serving the Community Fund as Secretary-Treasurer, during her three year term as a member of the Board of Directors.

FLOYD TIBBITTS

As an active Mason, Hi-Twelve, and a Goodfellow, Mr. Tibbitts has long been at the forefront of Civic activities. After capably handling the service department of one of Plymouth's leading auto dealers, he established the B & F Auto Supply Co., and is now its Secretary-Treasurer. A fine mechanic, he was selected to supervise motor mechanics courses under Red Cross sponsorship during the last war, for which work he received a citation of merit. He is married and the father of three children.

## Another Promise Fulfilled . . . . .

Many months ago the Citizens League made FOUR promises to the people of Plymouth, if the recall campaign was successful. These promises were:

1. To secure the resignation of the City Manager.
2. To secure the re-instatement of Lee Sackett as Police Chief.
3. To secure the interim appointment to the City Commission of four intelligent, aggressive, civic-minded citizens.
4. To secure the nomination of able, highly-regarded, clear-thinking people to run in the special election following the recall.

The fulfillment of the first three promises is a matter of public record. The pictures and biographical material presented above completes our record of accomplishment. **FOUR PROMISES MADE, FOUR PROMISES FULFILLED!**

These candidates represent a TRUE CROSS-SECTION of the citizenry of Plymouth. They are pledged to but one plank—able, efficient administration of the affairs of Plymouth FOR THE GOOD OF ALL PLYMOUTH. They are pledged to represent ALL OF PLYMOUTH, and to keep constantly tuned to the desires of the MAJORITY OF THE CITIZENS OF PLYMOUTH!

FOR ABLE, IMPARTIAL, AGGRESSIVE ADMINISTRATION OF PLYMOUTH'S AFFAIRS VOTE FOR

- HENRY J. FISHER
- ELEANOR HAMMOND
- FLOYD TIBBITTS

### THE PLANKS IN OUR PLATFORM

1. Charter government—with the Commission laying down the policies, and an able City Manager to execute these policies. **NO MORE ONE MAN RULE!**
2. Fair, impartial treatment of ALL — including City Employees!
3. Intelligent, LONG-RANGE PLANNING FOR THE FUTURE, with the Public completely informed at all times.
4. Orderly accomplishment of these long range plans. **NO MORE "SPUR OF THE MOMENT" planning.**
5. Public hearings on all important matters — giving Plymouth's citizens a REAL VOICE IN PLYMOUTH'S GOVERNMENT!

These platform planks are the FUNDAMENTALS OF DEMOCRATIC GOVERNMENT, implied in our Charter. If YOU want government BY THE PEOPLE vote for the three candidates listed above—they're pledged to these planks, and to no others!

A&P, TOO, TAKES OFF ITS HAT TO MR. C. WHIT BLOUNT OF WAYNESBORO, GEORGIA

-AND TO ALL OUR OTHER GOOD COMPETITORS WHO HAVE TAKEN A SIMILAR STAND

An Advertisement From The Waynesboro True Citizen

A Word For Our Competitor The Great Atlantic & Pacific Tea Co.

There has been a move by the anti-trust department of the Federal Government to destroy our leading competitor, the A&P Food Store.

It may seem odd, but we are opposed to this move.

The A&P Co., is definitely our strongest competitor - they keep us hopping. But, we are still in business - And Expanding. We do it by selling quality merchandise, buying at a close margin and selling at CLOSER margin.

The so called "trust-busters" charge that the A&P Co. control some of the production and processing ends of the food business. As a result, they hold the cost price down on foods.

WELL, WHAT'S WRONG WITH THIS??

If A&P holds the costs down, it makes our suppliers hold their costs down to the same competitive level. They can sell cheaper, AND SO CAN WE.

We intend to continue to try to sell better merchandise than A&P; We also will continue to have competitive prices.

BUT, We don't believe the government, or any individual should try to break up a firm that is doing a good, clean, efficient job of serving the people of this country.

C. Whit Blount

Waynesboro Groceteria

An Editorial From The Atlanta Journal, Thursday, Sept. 29, 1949

Competitor Denounces Suit Against A&P

THE BOLD three-column advertisement in the current issue of the Waynesboro True Citizen catches the reader's eye. We quote it in full.

To our notion that advertisement by C. Whit Blount states the economic and governmental aspects of the case against A&P with a clarity and forcefulness that most of the editorial comment has lacked.

Also it strikes us as a fine example of sportsmanship in business.

Incidentally, it is about as effective an advertisement as could have been written for Mr. Blount's "Groceteria".

Makes you sort of wish you were in Waynesboro to trade with him, doesn't it?

The Moral Basis for True Worship Lesson for October 9; Isaiah 1:11-18; Jeremiah 7:3-7

THE WHOLE OF LIFE proceeds upon symbolism. Language and mathematics and religion all use symbols.

Isaiah makes it plain that God will abominate rites and ceremonies when they are nothing but a meaningless performance.

So may we beware of mere lip service and escape formalism, using the ritual of our worship, whether simple or elaborate, as the means of expressing thanksgiving, adoration, praise, and the sense of need, in the presence of the Heavenly Father.

### Miss Phyllis LaVergne Says Vows With Millard Mitchell

Honeymooning in Pennsylvania and Washington, D. C. are Mr. and Mrs. Millard Mitchell who were married in a morning ceremony at Our Lady of Good Counsel church, Saturday, October 1. Mrs. Mitchell was formerly Phyllis Ann LaVergne, the daughter of Mr. and Mrs. Levi LaVergne of Adams street. Parents of the bridegroom are Mr. and Mrs. LeRoy Mitchell of Gayde road.

Basket arrangements of white gladioli and baby mums and palms were the background for the 9:30 service read by the Rev. Father William P. Mooney. Wedding music was presented by Ruth Campbell, soloist, and Mrs. Edna O'Conner, organist. Miss Campbell sang, "On This Day, Oh Beautiful Mother," "Ave Maria," and "Mother, at Your Feet is Kneeling."

For her wedding the bride chose a gown of ice blue satin and lace designed with a fitted bodice of lace featuring a bertha collar embroidered in seed pearls and iridescent sequins. The full skirt of satin ended in a short train. A cloche of seed pearls and sequins secured the bride's fingertip veil of ice blue French illusion. Given in marriage by her father, the bride carried a bouquet of baby mums and stephanotis centered by a white orchid.

Preceding the bride down the aisle was her maid of honor, Miss Rosemary Euth of Detroit. Miss Euth's gown was styled from bronze satin and she wore matching bronze cloche and gauntlets. Yellow roses and yellow mums tied in gold satin made up the maid of honor's flowers.

Gold satin fashioned the gowns worn by bridesmaids, Mary Ann Cylk, Dorothy Jane Richwine and Mary Ellen Sexton. They carried bouquets of talisman roses and bronze mums.

The bridegroom's brother, Thomas, acted as best man, while three other brothers, Robert, Francis and Martin, carried out the usher's duties.

An informal royal blue lace dress with matching feather hat was chosen by Mrs. LaVergne for the Saturday morning wedding. A corsage of red roses and white mums complemented Mrs. LaVergne's gown. The bridegroom's mother, Mrs. Mitchell, wore a teal blue dress with black accessories and a corsage of yellow roses and white mums.

The wedding was followed with an 11 o'clock breakfast for the wedding party and members of the immediate families at Hillside Inn. At 7 in the evening 250 guests honored the newly wed couple at a reception held in the church parlors.

For their wedding trip the bride traveled in a forest green suit with rust colored accessories and an orchid corsage.

The at home address of Mr. and Mrs. Mitchell will be 215 Adams street. They will be at that address after returning from their two week honeymoon.

### Mary Daoust Married in Ceremony Read in California

St. Rose Catholic church in Paso Robles, California was the setting for the ceremony in which Mary Daoust became the bride of Bartlett Schmoker on Tuesday, September 6.

The Rt. Rev. Michael J. Sullivan officiated at the morning rites.

For her marriage, the bride chose a wine gabardine suit with black accessories. Her flowers were white carnations.

The new Mrs. Schmoker is the daughter of Mr. and Mrs. John Daoust of Starkweather avenue.

Plymouth. After graduating from Plymouth High school she attended St. Joseph's Mercy hospital school of nursing in Ann Arbor and received her degree in nursing there. During the war Mrs. Schmoker served as an army nurse in England.

Mr. Schmoker, the son of Mr. and Mrs. John Schmoker of Glendale, California, is announcer-engineer at the Paso Robles radio station.

The newly weds will make their home at 1410 Park street in Paso Robles.

### Miss Reed and Mr. Arnold United in Saturday Rites at Ishpeming

Repeating their vows after the Rev. Elmer P. Gieser, Mary D. Reed and Lawrence L. Arnold were united in marriage in an afternoon candlelight ceremony read in the Presbyterian church of Ishpeming, Michigan, Saturday, October 1.

Mr. and Mrs. William P. Reed of Ishpeming are parents of the bride, and Mr. Arnold's parents are Mr. and Mrs. Mowry A. Arnold of Plymouth.

Preceding the 4 p.m. service, Annette Pierce, soloist, sang "Because."

Church decorations included bouquets of assorted fall flowers, placed at the altar.

Styled from white slipper satin, the bride's gown was designed with fitted bodice and full hooped skirt. The fitted bodice was accented by a net yoke finished in seed pearl trim. The bride wore a Juliet cap which secured her fingertip veil of illusion, and she carried a colonial bouquet centered by a white orchid.

As her matron of honor the former Miss Reed asked Mrs. Emerson Robinson, sister of the bridegroom, to attend her. She chose Jane Ott of Detroit and Marion Lawson of Ishpeming as bridesmaids.

The matron of honor, Mrs. Robinson selected a rust colored gown fashioned with an off-the-shoulder, fitted bodice and full skirt. Her headpiece was a tiara in the same color of her dress and she wore white mitts. Yellow chrysanthemums made up the bouquet Mrs. Robinson carried.

Wearing gold colored gowns styled identical to the honor attendant's the bridesmaids carried bouquets of rust chrysanthemums.

Best man's duties were performed by Robert Bachelder of Plymouth. Ushers were Robert Deyo of Plymouth, Donald Eger of Grosse Pointe, Jack Thompson and Dwight Jamar of Ishpeming.

The bride's mother, Mrs. Reed, chose a grey crepe dress and matching grey hat for her daughter's wedding. She pinned an orchid corsage to the shoulder of her gown. American beauty and dusty pink accessories added color to Mrs. Arnold's royal blue crepe dress. She also wore an orchid corsage.

Mather Inn at Ishpeming was the setting of the reception at which 250 guests registered. They were from Grosse Pointe, Plymouth, Chicago, Detroit, Evart and Wisconsin.

For their wedding trip to the northern part of Michigan, the new Mrs. Arnold traveled in a burgandy suit with brown accessories.

The bride is a graduate of Michigan State college, and her husband attended General Motors Tech and Michigan State.

Mr. and Mrs. Arnold will make their home in Dearborn upon returning from their honeymoon.

### Arlene Wagenschultz Becomes Bride in Afternoon Ceremony

After returning to Plymouth from a honeymoon in Chicago, Pfc. and Mrs. Martin Kreger were honored at a reception given by her parents, Mr. and Mrs. Harry Wagenschultz, at their home on Carol street, Saturday evening, October 1.

Nuptial vows were exchanged by the young couple at an afternoon ceremony read by the Rev. L. B. Sapp at the Methodist church in Angola, Indiana on Friday, September 23.

Before her marriage, Mrs. Kreger was Arlene Wagenschultz. Mr. Kreger is the son of Mr. and Mrs. Anthony Kreger of Gray street.

For her wedding the bride chose a beige suit with dark green accessories, and a corsage of white mums.

Attendants at the ceremony were Athalie Miller, maid of honor, and the bridegroom's brother, John O. Kreger, who acted as best man. Miss Miller wore a grey wool jersey dress with matching grey accessories. Her flowers were pink mums.

Sixty guests from Plymouth, Novi, Dearborn, Birmingham, Northville, Jackson and Detroit extended their congratulations to the newly weds at the reception.

Pfc. and Mrs. Kreger left Monday for Elizabethtown, Kentucky where they will make their home. Pfc. Kreger is stationed at Fort Knox, Kentucky.

### Mrs. Garrison to Speak at Meeting of Woman's Club

"A Friendly Look at South America" by Mrs. Ann Garrison will open the year's state of monthly programs tomorrow for the Plymouth Women's club. Their luncheon meeting is scheduled for 1:15 p.m. at the Episcopal church.

Violinist Christie Haller will provide Spanish music for the program, carrying out the South American theme. Now teaching in Plymouth, Mrs. Haller is also playing with the Plymouth Symphony orchestra and the Detroit Women's Symphony. She will be accompanied by Evelyn Woods on the piano.

Chairman of the luncheon is Mrs. Warren Worth. Mrs. George Chute and Mrs. Byron Champion are in charge of reservations. Program chairman for the day is Mrs. James Keyes.

### Nancy Schultz's Betrothal Told at Buffet Supper

Birthday wishes turned into engagement congratulations for Nancy J. Schultz when friends invited to a party in her honor last Saturday learned of her betrothal to John L. Gilbert.

Twenty-five friends of the young couple's were asked by the guest of honor's parents, Mr. and Mrs. George Schultz of Horton road, to a buffet supper on their daughter's birthday, September 24.

Decorations for the party were in pink and white. The dining table in the Schultz home was centered with a china figurine holding a bouquet of pink roses and on either end of the table were placed pink and white cakes. A heart shaped cake topped with two white doves holding engagement rings revealed the betrothal of Miss Schultz and Mr. Gilbert, the son of Mrs. William Ernest of Chicago.

Out-of-town guests were from St. Clair Shores, Lincoln Park, Detroit, Northville and Wayne.

No date has been set for the wedding.

### Official Proceedings of The Board of Education

The regular meeting of the Board of Education of the Plymouth Township Public Schools, Wayne County, was held at the Board of Education office on September 6, 1949.

Present: Mr. Gallimore, Mr. Hulsing, Mrs. Morrow, Mr. Wesley and Dr. Williams.

Absent: None.

The Preliminary Building plans were received from the architect, checked carefully by the members of the Board of Education and a discussion followed relative to alterations and changes.

It was moved by Mr. Gallimore and seconded by Mr. Wesley that the following recommendations be approved:

1. The gymnasium floor shall be constructed of wood.
  2. Shelving in the bookstore is to be of steel furnished by the contractor.
  3. Kitchen equipment will not be furnished by the contractor, but purchased by the Board of Education.
  4. Grading and seeding of the school property surrounding the school building shall be included in the contract.
  5. Only the kindergarten area shall be fenced.
  6. Classroom cupboards and cabinets as indicated in the drawing are approved.
- Ayes: Mr. Gallimore, Mr. Hulsing, Mrs. Morrow, Mr. Wesley and Dr. Williams.
- Nays: None.

The next order of business was the selection of a name for the new elementary school to be located on a plot of ground west of Simpson street. After a short discussion the following resolution was proposed:

WHEREAS, It is the duty of the Board of Education to select a name for the Elementary school to be located on a plot

of ground, directly west of Simpson street, and

WHEREAS, George A. Smith, former Superintendent of Plymouth Public Schools, faithfully served the citizens of Plymouth over 27 years, and

WHEREAS, He is an outstanding leader in the field of education in the State of Michigan, and

WHEREAS, He commands a high regard for his faithful work with boys and girls by the citizens of this community, and

WHEREAS, Because of his effort and forthrightness in school administration, the Plymouth Public Schools has gained a far reaching recognition,

**THEREFORE BE IT RESOLVED** That the new elementary school be named, the "George A. Smith School", in honor of Mr. Smith who devoted so many years of his life to the boys and girls of this community.

Ayes: Mr. Gallimore, Mr. Hulsing, Mrs. Morrow, Mr. Wesley and Dr. Williams.

Nays: None.

It was moved by Dr. Williams, seconded by Mrs. Morrow that the meeting be adjourned.

Ayes: Mr. Gallimore, Mr. Hulsing, Mrs. Morrow, Mr. Wesley and Dr. Williams.

Nays: None.

Respectively submitted, Marian B. Morrow, Recording Secretary.

**KEEP FROM BETWEEN PARKED CARS**

Winner, Fifth National AAA Traffic Safety Poster Contest

Nightmare of all motorists is possibility of hitting a child or grownup who dashes into the street from between parked cars. Safety lesson to prevent this is the theme of October safety teaching in Michigan's schools.

The above poster has been distributed in 9,000 copies by the Automobile Club of Michigan to elementary schools throughout the state.

"While teachers here this month will stress avoidance of parked cars when crossing streets, I appeal to parents and other citizens to follow safe walking rules also. It's difficult for educators to prevent a child from doing something dangerous when the child sees the adult do it every-day." Ernest P. Davis, Auto Club safety and traffic director, said.

**Tighten Requirements For Air Force Eligibility**

The Air Force has announced more stringent eligibility requirements for enlistment, according to Sgt. W. P. Long, in charge of the local U.S. Army and U. S. Air Force recruiting office.

Effective October 1, 1949, applicants for enlistment in the Air Force, with or without prior service, must obtain a score of 100 or more on the mental classification test and must enlist for four, five or six years.

Three year terms of enlistment will be authorized only for former Air Force personnel who re-enlist within 30 days or within 90 days if discharged prior to September 1, 1949.

"These new and higher requirements for enlistment have been put into effect to insure that the Air Force gets only the best qualified men," Sgt. Long stated.

Since the personnel strength of the Air Force is now near the level authorized by Congress, enlistments for the Air Force remain on a strict quota basis.

**RIGHT AT THIS MOMENT**, there are thousands of people in America who are debating whether to end all compromise with motor cars—by taking the step up to Cadillac.

To all these people we should like to say: "Longfellow was right when he penned the words—"Time is fleeting."

If you want a Cadillac, and feel that you are entitled to one, you ought to make arrangements at once to have one delivered into your possession.

Each day you forego it, you will lose a goodly measure of happiness and satisfaction—for a Cadillac is a joy to possess, and a joy to utilize. Many say that it adds to the zest of their whole day's activities.

Certain it is that a Cadillac brings with it the utmost in performance, in comfort, and in safety—and that it contributes immeasurably to its owner's peace of mind. Few, indeed, can be happy without a Cadillac—once they have learned how greatly it enriches their lives.

If you are among the many who have the impulse to own a Cadillac, come in and see us soon. Each day you delay means a loss in satisfaction which no other material possession can hope to supply.

#### Annual Camp-out Held October 1

Committee chairmen of Leaders' club and the Y-Teens held a joint meeting on Monday, September 26 to make plans for their annual camp-out held at Cedar lake, near Chelsea, on October 1 and 2. It was decided that the Leaders' club should have the job of taking care of the KP duties and recreation, while Y-Teens were scheduled to take care of the devotions and the program. Heading the committees for Y-Teens are: Diane Arscott, devotions; Sandra Walsh, service; Joyce Carson, publicity; Barbara Cushman, Marion Amrhein, program; Mary Ann Witter, memory book; Shirley Plant, music; Dorothy Curtis, social; Ann Vincent, program printing; and Arlene Dowling, ways and means.

#### Manners, Courtesy Theme of Posters

A seventh grade home economics class has made posters on manners and courtesy which were put up in the high school building Monday, September 26. Some of the posters are: "Don't link arms while going through the hall; one person will trip, the other will fall." "Don't stand too long before the mirror for others want to see how they appear." "Use your manners on the dot; if you don't, your on a spot."

Mrs. Barbara Parkes is the teacher of this home economics class.

#### Movies, Slides Shown Students

Movies and slides were shown to junior high English students in the library last week. The titles of the movies were "The Dictionary" and "Know Your Library." The movies and slides were based on how to find books, magazines and other information for book reports and essays by using the card catalogue, Readers' Guide and pamphlet file.

Mrs. Esther Ham explained to the students that there are two ways to convey knowledge on how to use the library, (1) to see someone use the catalogue, Readers' Guide and pamphlet file and (2) to hear how to use the card catalogue. She also believes the movies showed the students how to find their own information without depending solely on the librarian.

Mrs. Ham hopes the library can be arranged so the room can be darkened when teachers have movies and would like to have them shown in there.

With the possible exception of Herbert Hoover, George Washington was the United States' wealthiest president.

#### Announce Fall Band Schedule

The Plymouth High school band will go to East Lansing to see the MSC-Temple football game October 29. It may also go to a University of Michigan football game and later to Ohio for concerts or to Northville for a mass band gathering, according to Director Paul T. Wagner.

The marching band, so far, has demonstrated its skill at Plymouth's first 3 football games. At the Farmington game they waltzed to the tune of "Cruising Down the River", while two majorettes, Sally Morgan and Jo-ane Forshee, carried a card-board ship across the field. At the Ypsi game they formed a train and played "Down by the Station." At the Trenton game, they exhibited a marvelous "Parade of Progress" with the help of vocalist, Barbara Johnson, and the Girls' glee club.

#### C. Todd Named J-Hop Chairman

Charles Todd was appointed chairman of the J-Hop at the junior class meeting held in the school library September 29. The main item brought up was the class J-Hop which they will present November 18. The theme has not as yet been decided upon and Betty Bilow, class president, asked for suggestions. Committee chairman are: Judy Parmeter, decorations; Walter Rensel, construction and lighting; Dave Green, orchestra; Douglas Jetter, publicity; Sally Zink, tickets and invitations; Doris Baker, chaperones; and Dick Joachim, floor.

Also brought up at the meeting was the junior class rings. Ann Waldecker was appointed chairman of the ring committee.

The junior class officers for this year are: Betty Bilow, president; Sally Zink, vice president; Donna Hunt, secretary; and Beverly Hokenson, treasurer.

#### Y-Teens Plan Annual Initiation

The Y-Teens, one of Plymouth High's outstanding girls' clubs, is planning initiation of new members which will take place in the near future.

Girls who wish to be members of the club are required to be C students or better and pass an examination on the principles of the club.

October 12 is the date set for the traditional formal initiation. This is a candlelight ceremony at which time the girls are accepted into the club. Refreshments are served and a program has been planned by the old members.

The officers of the club are as follows: Rita Datcher, president; Patricia Pine, vice president; Mary Vincent, secretary; Nancy Stevens, corresponding secretary and Connie Pascoe, treasurer.

#### Three Meetings Held by Varsity Club Members

The Varsity club of Plymouth High school, under the supervision of Hilton Ponto, new high school grid mentor, has met three times so far this year. Plans for the coming year have been discussed and some decided upon.

The Varsity club has been given permission to sell popcorn at all the home football and basketball games. Plans have also been discussed for buying pins for all members, conducting a party or hayride and presenting an assembly for junior and senior high students. Plans are now being made for noon dances in the gymnasium. The club has decided to change its meeting dates so that a night meeting can be held every other week.

Bill Farwell moved from the vice-presidency to the presidency of the club, when Ronald Boulding, the original president, moved to California. The other officers are: Dick Underwood, secretary; Dwight Eckler, treasurer; and Bob Gow, sergeant of arms.

#### Antique Dresses Shown in Class

At the request of students in home economics Class II, Mrs. Barbara Parkes asked Mrs. Harold Kellogg of Plymouth to show the girls costumes of the 18th and 19th centuries on Friday, September 16.

The girls were studying and comparing the clothes of yesterday with those of today. Mrs. Kellogg pointed out the fact that these dresses took weeks to make and showed the girls the fine hand stitches. Mrs. Kellogg also had accessories to accompany the dresses—long toed, pointed shoes, necklaces, beautiful fans and umbrellas which definitely were not for rain.

#### Library Staff Composed of 30

The library staff, which consists of 30 members, both junior and senior high students, was organized in its first meeting Tuesday, September 27.

A workshop has been planned, sponsored by Mrs. Esther Ham, librarian, at Clear Lake camp in Battle Creek on October 7-9. Roger Kidston, a senior, was chosen as the official delegate from Plymouth to attend the camp, accompanied by 14 fellow library staff members. This camp is planned to get the students to exchange thoughts and to go back to their schools with many new ideas for making their libraries more useful to their fellow students.

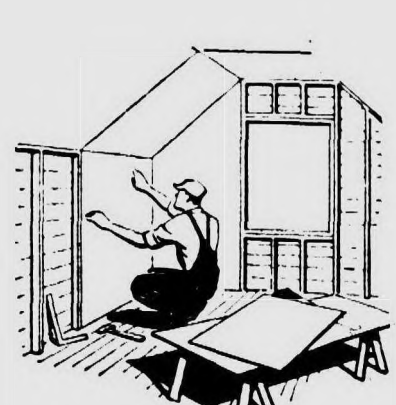

The duties of this year's library staff are: charging and slipping, shelving, checking magazines and newspapers, typing, mending, clipping, making display posters and offering their services to help fellow students with reference problems. Each member is also scheduled to help in the Central Grade school library one hour a week. They will assist the children in choosing reading material and charge the books out.

**"Buick's the Buy"**

It's part of every street scene—something you see every day.

Car owners in three different price classes—all happy about the same thing.

One of them drives a new Buick SPECIAL, which you see poking forth its new, bold-look forefront at the left of our picture.

Another will tell you there's nothing like the SUPER's "happy medium" of size and comfort, power and easy handling, style and standing.

And if you're looking for prestige, where is your money going to buy so much as in that handsome 18-footer, the ROADMASTER, with its 150-hp performance and really royal bearing?

Time in HENRY J. TAYLOR, ABC Network, every Monday evening.

But all these good folks get together on this:

There's no ride quite so soft and cushiony as the Buick ride, whatever the size and series. There's no power quite so satisfyingly lively as Buick's high-compression, high-pressure Fireball power.

Above all, there's no "buy" like a Buick—no car that gives you such a

rich dollar's worth of smartness, handling, comfort and liveliness for every dollar you pay.

So why not look the whole line over? Your Buick dealer has these grand travel-mates in a baker's dozen of different body types and sizes. Start your shopping in his showroom—and you'll find that even on delivery he has exactly what you want.

**BUICK alone has all these features**

Silk-smooth DYNAFLOW DRIVE • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRIFLEX COIL SPRINGING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS (Dynaflow Models) plus HI-POISED ENGINE MOUNTINGS • Low-pressure tires on SAFETY-RIDE RIMS • Double-Duty VENTIPORTS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER

BABSON Discusses the Russian Explosion

The past two weeks have given me an opportunity to seek the real reason for President Truman's spectacular announcement on September 23, that Russia has the Atomic bomb. Of the many stories which I have heard, the following seems most reasonable. Truman Helps Employment. The Cabinet Meeting held that Friday morning was the first Cabinet meeting after the announcement of the devaluation of the Pound. All members of the Cabinet felt this devaluation was wise; but some believed that increasing business for England and Canada (which is the real

purpose of the devaluation) will result in increased U. S. unemployment. Thereupon, the question was asked "Can't we do something here to offset the effect of this devaluation and yet not hurt England and the Marshall Plan nations?" In answer the President may have reported this Russian explosion. This created great interest. The result was that the Cabinet authorized the President to make the announcement. Military Preparedness Waning. Although most Congressmen a year ago expected war with Russia at anytime, yet this fear has gradually passed away. As a result it constantly has been more difficult to get appropriations for military purposes. This has been one reason why unemployment has increased.

ordinated to the Army and Air Force. Congress will insist that the Department of Defense and other important government agencies be reorganized on a non-partisan basis, with some able Republicans taking prominent places. 5. The Fair Deal will have to be trimmed down radically, to insure national unity in a time of possible approaching peril. 6. The government will decentralize much of its establishment in Washington; spread it around the country and particularly in areas least susceptible to atomic attack. 7. Civilian wants, perhaps first for luxury goods, will be subordinated to the demands for greatly stepped-up defense. The President may declare a defense emergency at any time. 8. The disposition in Congress will be to throw overboard nearly all legislation not essential or contributing to national defense. Appropriation bills will be reconsidered. 9. Tax rates will be reconsidered on the basis of greatly increased defense needs. Increases of taxes, corporate and individual, are practically certain later. 10. Some wartime controls may come back in a matter of months. They can include restrictions on strategic materials, inventory controls, allocations and perhaps controls of prices, salaries, wages, etc. Therefore, there may be a disposition on the part of many people to accumulate or hoard necessities, such as food, shoes, clothing, etc. The automobile and tire industry particularly will be pressed for deliveries. 11. Governments should provide atomic and other war insurance at an early date or else

outlaw atomic warfare. 12. In general, a period of anxiety is ahead for which I have long attempted to prepare readers. This is why I have established my new college at Eureka, Kansas, the center of the U.S. More Hope for World Peace. This announcement should greatly help those in the United Nations who believe there are even better ways of avoiding World War III than greater military preparations. Heretofore, when the Russians called for international agreements against bombing, their opponents said: "Of course, you want such protection because you do not have the atomic bomb." Now Russia has, the statement of President Truman that she has the bomb! This means that from now on all nations and parties may truly be interested in getting together on some practical peace plan especially to outlaw atomic bombs. Even Russia—since China has fallen into her lap—may now honestly want to avoid World War III. Hence, I see many bright spots in the bomb episode. I am much more of an optimist today than I was awhile ago; although I shall continue to urge greater decentralization; and to advise young people to settle in small rather than large cities.

PEEK at the STARS

By LYN CONNELLY AS FRANK SINATRA struck his peak during the war, the States began hearing of a GI overseas, dubbed by his army pals "The G.I. Sinatra," who had a terrific voice, good looks and plenty of personality... News came across of his discovery in the army by Glenn Miller, late a great orchestra leader, and that the English princess, Elizabeth and Margaret Rose, were among his devoted fans. The fellow's name was Johnny Desmond and when he was given his service discharge, Johnny's name loomed just as large here. It was a happy choice then that "Breakfast Club," ABC's popular variety show, made in choosing Johnny to replace Jack Owens when the latter left the program due to other commitments... It was a break for radio fans, for the show and for Chicago... Any way you look at it he was a natural choice, not only because he's popular with both men and women but because he is a family man, proud of his daughters and completely wrapped up in his home, always good news to followers of "Breakfast Club," a typical "family" show. Johnny is young (28), handsome and very casual... He's frank and modest, two assets rare in a singer of his stature... He's delighted with his new assignment because he "loves to sing early in the morning... that's the only time to sing"... Actually he wasn't discovered as an amateur by Miller, since he had been with Bob Crosby's orchestra as a vocalist prior to his enlistment in the army... Besides singing, he plays piano and tap dances, although in an amateur capacity and for his own amusement. He plays piano now only when the mood strikes him... He is happy that his eldest daughter, Diane, 3, has the same knack for music as he... She already sings and dances and soon she'll be taking piano lessons, too... As it is, she picks the keys carefully after her daddy now.

Postmaster Timpona Issues Special Warning- (to Ducks) Warning! A red-hot WARNING! It's been issued by Postmaster George Timpona to all duck heads, mallards, coots, pin-tails, honkers, etc. to be on a special look-out for the next six weeks. He has sold over 50 duck stamps, which when placed on Michigan small game hunting licenses will enable duck hunters to blaze away at every red-head, coot or other wild duck that dares fly this way. "I expect to issue many more during the next few days. Fifty is a lot of those stamps to issue nearly a week in advance of the hunting season, which opens this week Friday noon at 12 o'clock," said Plymouth's new postmaster. Even though congress raised the price of the stamps to \$2, doubling the price of previous years, no duck hunters kicked, because it was their proposal that caused congress to raise the price. The additional money must be used to help increase the duck population of the country. Among the "early birds" who will be out in their hunting blinds at 12 o'clock Friday noon are Jack Selle, Russell Powell, Dr. Frederick M. Bentley, Don Lightgoot, William Rambo, Dr. Ted Cavell, John Sugden and many others who will join the duck hunting procession after the first day rush is over. Opinions alter, manners change, creeds rise and fall, but the moral law is written on the tablets of eternity. —Froude

Freshmen to Get Caps and Gowns October 9 has been set as Investiture day at Madonna college. Thirty-eight freshmen will be formally admitted into the student body at special ceremonies in the student chapel at 3 p.m. Solemn Benediction of the Blessed Sacrament by Rev. Paul Zelaft, chaplain, assisted by Rev. James T. Shannon and Rev. Frank Zdrodowski will precede the ceremonies. A special feature of this year's program will be an academy, honoring the Foundress of the Congregation of St. Felix, Mother Mary Angela Truszkowska, the 50th anniversary of whose death the Felician community is remembering on October 10. Nineteen freshmen will receive their collegiate caps and gowns, while another 19 who already wear a long black dress, a short cape with white collar, and a white bonnet will not need to doff these to put on the long black toga and stiff mortars. The costume peculiar to the Felician pontifical will add variety to the academic procession. Investiture day has been moved this year from November 21 to October 9 because the former date is reserved this year for the celebration of the 75th anniversary of the Felician foundation in the United States.
