# The PLYMOUTH MAIL

Vol. 62, No. 16 Three Sections Plymouth, Michigan Thursday, December 15, 1949 24 Pages \$2.00 Per Year In Advance

## Tax Rate is up—Valuations up—so Are Tax Bills

With President Truman demanding new and higher federal taxes and Governor Williams running up and down the state yipping for more state revenue taxes, Plymouth tax payers are just now boiling over at the nearly \$100,000 increase in county and school taxes for this year they have detected in their tax statements recently received.

The total tax spread for the present year is \$253,750.40 according to figures in the possession of Charles A. Garlett, city treasurer.

This is the county and school district tax and does not include the city tax. The total spread for the year 1948 was \$170,697.02.

The total increase for 1949 is a trifle over \$83,000 above a year ago.

In this amount, provision is made for the first payment on the school bonds voted by the school district for the badly needed additional school facilities of the Plymouth school district. The school bonds have been sold and the interest must be paid even though the new schools have not yet been built.

On top of the increase in the tax rate a decided increase in the assessed valuation has also been made. But this is due to some extent to new buildings and improvements made within the city during the past year or so.

The 1948 assessed valuation was \$9,568,290. The 1949 assessed valuation of Plymouth has been placed at \$11,096,410. These figures show that the assessed valuation of Plymouth is now \$1,428,120 higher than it was in 1948.

It is interesting to note that the assessed valuation of Plymouth township again far exceeds that of the city of Plymouth. It was a year ago when the valuation of the township went ahead of that of the city of Plymouth.

Its assessed valuation in 1948 was \$10,372,015. The assessed valuation for 1949 is placed at \$12,810,365. That exceeds the assessed valuation of the city of Plymouth by more than \$1,700,000.

The tax rate in Plymouth this year is \$22.83 cents per thousand as compared to \$17.78 per thousand valuation in 1948.

Ed. Note—Keep on, folks, voting for the New Deal and the Fair Deal and the Rotten Deal and soon you will be selling your house, and lot, your shoes and your shirt to get tax money for the bureaucrats and welfare chislers.

## Dinner Held by Holy Name Men

More than 150 men of the Holy Name Society of Our Lady of Good Counsel Catholic church were on hand for the group's membership meeting and dinner held on December 7. The guest speaker for the evening was Eugene Simon, president of the Northern Deanery in Detroit. He spoke on the topic, "Why I Am a Holy Name Man."

Other guests present at the dinner were Father Maher of the Passionist Fathers and John Brennan, a representative of the Knights of Columbus of Detroit. Women of the Rosary Society of the church prepared and served the dinner.

## Goodfellows Get Set For Paper Sale Saturday . . .

Final preparations are made by members of Plymouth's Goodfellows for their annual Christmas distribution. Shown in last minute inspection of the many items of toys and clothing that they will distribute the night before Christmas are left to right, William Michaels, Mrs. William Michaels, Mrs. Harry Brown, James Henry, Goodfellow president Earl Gray and city commissioner Floyd Tibbitts. The new township hall on Ann Arbor road is being used this year as a workshop for the various committees of the Goodfellows.

## Bids For New Grade School Are Much Higher Than Anticipated by Board

With the lowest bid for the proposed new George A. Smith grade school some \$85,000 higher than had been estimated, the Plymouth school board has rejected all bids for the building.

Board members have ordered an immediate revision of the school plans in an effort to secure bids that will come within the \$350,000 total that has been set aside in the school budget for this badly needed new school structure.

School officials were both surprised and disappointed that all ten bids received were so much higher than they had expected. The lowest bid totaled \$436,667 and the highest amounted to \$491,171. The school board had hoped to build a 14 room grade building with a small gymnasium which could be opened for use next fall to alleviate the present crowded conditions in the two local grade schools.

The architectural firm of Moss, Smith and Gould has started redrawing the plans and hope within the next four weeks to be able to re-submit them for bids.

The board was cognizant of the fact that in all probability, because of the nature of the location of the proposed school, an extra expenditure amounting to \$25,000 or \$30,000 would be necessary on that site. The site lays just north of Ann Arbor road and just west of Harvey street.

Another factor that entered into the increased cost was a 100 percent increase in the cost of steel, caused by the recent steel strike. Contractors pointed out that four or five weeks hence a job of about \$25,000.00 could probably be made on structural steel also.

Due to the necessity of constructing a complete sewage disposal unit and hauling in considerable fill dirt, the board looked for a slight advance over the \$350,000 estimate but the \$85,000 was far more than they indicated that they wanted to spend.

Board meetings are planned in the near future to determine what items can be eliminated from the plans so that construction can get under way as soon as possible.

The grade school is the first of a large expansion planned by the Board of Education which includes a new gymnasium, a swimming pool, another grade school and remodeling of the present Central Grade school into a junior high school.

There has been considerable discussion by the Board of the possible purchase of the Al Smith property on Main street as well as the possible purchase of the Methodist church property which stands directly in front of the Central grade school.

Present plans call for the construction of a new high school addition just east of the present building fronting on Main street. This part of the project is being held up until such time as the construction of the new George A. Smith grade school could be started.

The 15th anniversary of Hillside Inn has an unusual amount of significance to proprietress, Margaret Stremich this weekend. It was just 15 years ago that she and her husband, the late Jake Stremich, opened the popular dining spot in the old Streng homestead on Plymouth road just east of the city.

Two years later they purchased the property from Mr. and Mrs. Jacob Streng and have since improved and remodeled it into one of the finest places of its kind in this entire area.

The fact that Mrs. Stremich was born in the house, her parents being Mr. and Mrs. Jacob Streng, Jr., and the fact that it was the home of her grandparents, Mr. and Mrs. Jacob Streng, Sr., and now it being her 15th anniversary of operating the old homestead as one of Michigan's finest eating places, makes this a triple anniversary celebration for her this weekend.

Newly decorated throughout, with new drapes, lighting fixtures and tables and chairs, the interior of Hillside will offer a pleasant welcome to all who visit there on Friday and Saturday of this week.

Surviving him are his widow, Mrs. Alice McClumpha; his son, Clifford McClumpha; his mother, Mrs. Mary L. McClumpha and his two sisters, Mrs. Dorothy Wiseley of Whitmore Lake and Miss Marilyn McClumpha of Canton township.

The Reverend Alexander Miller will officiate at the services. Hymns will be sung by Mr. and Mrs. Ernest Williams and Mr. and Mrs. Ross Whitehead, accompanied at the organ by Mrs. Edna O'Connor. The active pallbearers will be Messrs. Herald Hamill, Thomas Moss, Warren Palmer, Robert Waldecker, Glen Wiseley and Harry Christensen. Interment will be in Kenyon cemetery.

## Green Sale Saturday

A wide variety of Christmas decorations will be on sale at the Consumers Power company offices on Saturday during the annual green sale sponsored by the Plymouth branch of the National Farm and Garden association. Table decorations, Christmas sprays and green arrangements will be sold by club members. Special orders will be taken.

## H. McClumpha Dies Suddenly

A life-long resident of Canton township and one of the best known men in Plymouth, Hurd Clifford McClumpha died suddenly last Monday at his home at 50385 Warren road. He was 49 years of age. Funeral services will be held today, Thursday, from the Schrader Funeral home at 3 p.m.

Associated with the Herald F. Hamill civil engineering firm for the past 23 years, Mr. McClumpha was a registered land surveyor. He was a member of the Michigan Engineering Society and belonged to the Michigan Society of Registered Land Surveyors. He attended St. John's Episcopal church and was a member of the Men's club of the church. McClumpha road was named after his grandfather, Edgar McClumpha, who was one of the earliest settlers in this part of the state.

Surviving him are his widow, Mrs. Alice McClumpha; his son, Clifford McClumpha; his mother, Mrs. Mary L. McClumpha and his two sisters, Mrs. Dorothy Wiseley of Whitmore Lake and Miss Marilyn McClumpha of Canton township.

## Masonic Officers Are Installed

Melvin Michaels

The annual meeting and election of officers of the Plymouth Rock Lodge No. 47 F. & A. M. was held on Friday, December 2 at which time, Melvin Michaels was elected to the office of Worshipful Master, and under his jurisdiction the lodge will function for the ensuing year.

The following officers were installed for the year 1950 at a closed lodge meeting held at the Temple Friday, December 9: W. M., Melvin Michaels; S. W., William Michaels; J. W., Walter Gregory; treasurer, P. M., Richard Straub; secretary, P. M., Oscar E. Alsbro; S. D., Erwin Ottensman; J. D., Wang Livingston; steward, Charles Chappel, steward, Harold Mackinger; chaplain, Stewart Dodge; marshal, Harry Gerts; pianist, Paul Simons; Tyler, P. M., Fred Hearn.

P. M. Harry Mumby and P. M. Clifford Tait were returned as trustees to the Building association for another three year term.

The reports at the annual meeting showed that the lodge has enjoyed another year of commendable progress, a total of 21 receiving the third degree and a total of 17 new members received by transfer from other lodges, during the same period death claimed eight members and two moved into other states, making a net gain of 28 members and placing the present total membership at 543.

Life memberships were voted to David Taylor, Arthur Huston, Lester Brown, Harry Lee and George Lee Ryder, each having been members of the Masonic fraternity for the required 40 years.

For the first time in many years Past Master Merritt Crumb declined to accept an office. He was first installed as Junior Warden in December of 1925, Senior Warden in December of 1926 and Worshipful Master in December of 1926. In December, 1929 he was elected tyler and re-elected to that office for 19 consecutive terms.

Those men who would like to sell papers and have not been contacted are asked to get in touch with Earl Gray for a time and location to sell.

Goodfellows will deliver their Christmas baskets of food, canned fruit (donated by a local organization), candy, toys and other presents to needy families in Plymouth on the day before Christmas. Included among the toys will be dolls, now being displayed at the Plymouth United Savings bank, which were dressed by the Daughters of America.

A promising note for the Plymouth Goodfellows was struck last week when the Livonia Goodfellows sold more of their papers than in the 1948 sale.

Secretary George A. Smith outlined several projects that the Chamber expects to carry out next year. The plans included a "Dollar Day", Industrial and Commercial exhibit, Clean-Up campaign and a vigorous Christmas decorating program for 1950.

The meeting closed with President C. W. Lindstrom extending his thanks to the various committees for their reports and urging local business men to take an even greater interest in the affairs of the Chamber during the next year for the good of the entire community.

Mr. and Mrs. J. M. Swegles attended the buffalo supper at the Sheldon church Thursday evening of last week.

## Three Injured in Auto Accidents

Three Plymouth residents were involved in automobile accidents over last weekend.

Stewart Oldford, 15, of 9825 Beck road suffered a broken leg when a car driven by a Detroit driver struck him and Joseph Oldford, 18, of Detroit, as they were walking on Ann Arbor road near Beck road Saturday afternoon. Joseph was cut about the face and both were taken to Wayne County General hospital. The accident occurred when the driver of the car was trying to avoid striking an overturned automobile, driven by Alfred L. Hohl of 823 Brush street, which had skidded on ice and rolled over, according to Wayne County sheriff's officers who said that Hohl was uninjured. The other driver was released after questioning.

In another accident, Pearl Cockrum of 5766 Curtis road was seriously injured in a head-on collision of two cars Sunday afternoon, according to a report from the sheriff's officers. The accident occurred at Ann Arbor road and Main street. Mr. Cockrum was taken to Wayne County General hospital. The sheriff's office reports that four other persons from Detroit who were riding in the cars were also injured.

## Kiwanis to Back Guild Production

Rehearsals of the Plymouth Theater Guild production, "John Loves Mary" are well underway, according to Mrs. Bessie Ball, president of the group. The play will be staged in the middle of February and sponsored by the Kiwanis club for the benefit of their underprivileged children's fund.

Leads in the comedy will be played by Mrs. Earl Lewis and Douglas Havershaw. Others in the cast include Dean Saxton, Mrs. John Birchall, Bernice Law, F. E. Kuisel, Roger Kidston, Mabel Dicks and Lynton Ball.

December 19 is the date of the next meeting of the Theater Guild, scheduled to be held in the Ball Studio on Ann Arbor Trail at 8 p.m.

## Methodist Men's Club Slates Speaker Tonight

Speaking tonight to the Methodist Men's club and their friends will be Dr. O. R. Yoder of the Ypsilanti State hospital. The occasion will be a turkey supper to be served at the church at 6:30 p.m. Attendance at the dinner is not limited to members of the club, since Dr. Yoder's message will be of importance to all parents and teachers.

## Bus Company Agency

Dodge Drug Store has been named as the Plymouth Agency of the Valley Coach Lines, effective immediately. Information about bus service to Pontiac and Ann Arbor and Greyhound connections from these points may be obtained by calling the store.

## Rainbow Dance

A holiday dance will be presented by the Rainbow Girls on Thursday, December 29. Titled "Snow Ball Hop", the party will be held in the Masonic Temple auditorium on Penniman avenue. Tickets may be purchased at the door. An orchestra will provide the music.

## Methodists Plan Christmas Party

A family Christmas party at the Methodist church is scheduled for this Sunday at 6:30 p.m. The Christmas story, "In Clean Hay" will be told by Mrs. Henry H. Jensen with puppet illustrations.

Christmas hymns will be sung by the Junior choir. The congregation will join in singing carols. Gifts to be sent to overseas families will be brought by the children.

## Chamber Plans Christmas Sing

Christmas carols will be sung by the young people of ten Plymouth churches in a union "sing" at 7:30 p.m. Friday, December 23 at Kellogg park. Plans for the sing, a part of this year's Chamber of Commerce Christmas program are under the leadership of Mrs. Gerald Hondorp. A brass ensemble from the high school will lead the carolers in the following songs: "O Come, All Ye Faithful", "The First Noel", "O Little Town of Bethlehem", "It Came Upon the Midnight Clear", "Silent Night", "Hark! The Herald Angels Sing", "I Heard the Bells on Christmas Day", "God Rest Ye Merry Gentlemen", "Joy to the World", "We Three Kings of Orient Are", "Away in the Manger", "Santa Claus Is Coming to Town", "White Christmas" and "Jingle Bells".

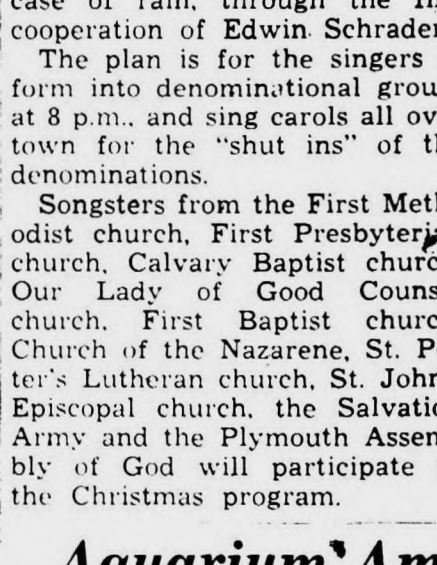

Provision has been made for placing the voices on the air, in case of rain, through the fine cooperation of Edwin Schrader.

The plan is for the singers to form into denominational groups at 8 p.m., and sing carols all over town for the "shut ins" of the denominations.

Songsters from the First Methodist church, First Presbyterian church, Calvary Baptist church, Our Lady of Good Counsel church, First Baptist church, Church of the Nazarene, St. Peter's Lutheran church, St. John's Episcopal church, the Salvation Army and the Plymouth Assembly of God will participate in the Christmas program.

## Aquarium Among New Decorations For Hillside

New drapes, new furniture, new light fixtures and new wall decorations were not enough for Hillside's patrons according to Margaret Stremich, owner of the popular Inn, so this beautiful new aquarium will greet anniversary visitors when they visit there to dine.

William Garrett Claims Bride in Port Huron November 24

The First Congregational church of Port Huron was the setting Tuesday, November 24, when Barbara Ann Johnston was united in marriage to William A. Garrett. She is the daughter of Mr. and Mrs. John A. Johnston of 2132 Military. Port Huron and the bridegroom's parents are Mr. and Mrs. George H. Wollgast of 15403 Edington road, Coventry Gardens.

Large and small mums, callalilies and palms formed the background for the 8 o'clock candle-light service at which Rev. H. Shelby Lee officiated. Miss Beverly Wollgast, sister of the groom, played "Because" and Lohengrin's "Processional and Recessional". She was gowned in rose taupe slipper satin with brown accessories and wore a gardenia corsage.

The bride was dressed in a green gabardine suit, rose-tan hat and wore a white orchid corsage.

The matron of honor was the bride's sister, Mrs. William B. Marden. She wore a wine gabardine suit, white hat and wore a corsage of gardenias. The bridesmaid was Mrs. Donald B. DuPuy, sister of the bride. With her tan gabardine suit she wore a rose hat and camellias.

Robert K. Garrett, brother of the groom, was best man. Dr.

William B. Marden, Donald B. DePuey and Robert C. Johnston were ushers.

The bride's mother was dressed in wine with gold accessories. The groom's mother was gowned in navy blue with dusty rose. Each wore a corsage of gardenias.

Following the ceremony a buffet luncheon was served to 50 guests in the Cedar room of the Lauth hotel. Following the reception a cocktail party was given at the home of Dr. and Mrs. Marden for relatives and close friends of the couple.

Out of town guests were from Minneapolis, Minnesota; Cleveland, Ohio; Buffalo, New York; Detroit, Dearborn, Ypsilanti and Plymouth.

The bride is a graduate of Port Huron High school and of Michigan State Normal college. She is employed as a teacher at the Howard school in Dearborn. The groom is a graduate of Farmington High school, is a lieutenant in the Air National Guard and is employed by the Detroit News.

The couple left on a honeymoon trip to Chicago and are now making their home at 624 Brady street, Dearborn.

The Wests, like thousands of others, are enthusiastic trailer fans and for their winter headquarters on visits to Florida some years ago, they picked out a beautiful spot in a grove of giant pines and palms that provide plenty of shade when it is needed. The location is, also, but a few steps from one of the finest fishing bays on the west coast of the winter vacation state.

BIRTHS

Mr. and Mrs. J. C. Lee announce the birth of a daughter, Shirley Ann, born on Saturday, December 3, weighing eight pounds and one ounce. Mrs. Lee is the former Dorothy Glass.

Mr. and Mrs. Edward Holdsworth of Auburn street are being congratulated upon the birth of a daughter, who arrived in Beyer hospital December 12. She weighed six pounds and 18 ounces.

Yvonne Diane is the name Mr. and Mrs. Arnold Williams have given to their eight pound four ounce daughter who arrived December 4 at the Plymouth hospital.

Mr. and Mrs. Harve Dethloff announce the birth of a daughter, Kathryn Kay, at Beyer hospital in Ypsilanti on Monday, December 5, weighing nine pounds. Mrs. Dethloff is the former Louella Swegles.

Mr. and Mrs. L. C. Weather, Jr. are the proud parents of a six pound baby daughter named Pamela Lynn. The baby was born at New Grace hospital in Detroit, December 4.

Historical Society Meets At Charles Bennett Home

The Plymouth Historical Society was entertained by Miss Pauline Peck and Charles Bennett at their home on North Main street on December 7. After a 6:30 dinner, the group adjourned to the reception room for its regular monthly meeting. Forty members attended the gathering.

A gavel was presented to the society by Mrs. Arthur Mills in memory of her sister, Mrs. Gertrude Burton, who passed away last summer. A book on flowers has been placed in the library in memory of Mrs. Burton by the society.

Papers were read at the meeting by Mrs. R. E. Cooper and

Fletcher Campbell. Topics discussed were early transportation from New England to Michigan and a history of the Campbell homestead which was originally owned by William Starkweather. A short discussion of early pioneers followed the reading of the papers. Members agreed that the evening was most worth while and enjoyable.

Two new members, Mrs. Mabel Warkup and Mrs. Hyacinth Wilks, were added to the society's evergrowing membership list.

The Historical Society's January meeting will be held on the 16th at the Austin Whipple home on Penniman avenue.

Harold Takley —Owner—

An anniversary in the Dry Cleaning business isn't usually to be observed with celebration . . . but this year in view of it being our 10th anniversary, we thought we'd celebrate, somewhat. Well, all we can say is "Thank You" and "W H E W !"

Never did we realize when we offered a suit or dress cleaned and pressed free with each order on our anniversary day, last Saturday, that so many of you would bring in your garments. When we say "thousands" of articles were brought in, we mean just that! However, we do know you like our service . . . and if by giving you something free of charge, we've made any new friends and at the same time said "Thanks" to our old customers, we feel our celebration was a success.

Let Us Do Your Christmas Wrapping

## Chief Discusses Safe Decorations

Words of caution about decorations for the holidays, burning Christmas wrappings and hazards faced in public places during the approaching holiday season are given by Fire Chief Robert McAllister. His message to Plymouthites and wishes for a safe Christmas, free from any tragedy, follows:

"If you decorate your house elaborately you'll have a very serious hazard unless you use incombustible material. Elaborate decorations are an important feature of most parties held in clubs, dance halls, and other public places but terrible tragedies have occurred when small fires flashed across halls filled with combustible hangings. Many communities require that such decorations be treated to reduce flammability. Flameproofed materials can be purchased at many stores. Insist on them.

"Flame-proofing treatment is available for home use if combustible materials are used. However, metal, glass and asbestos decorations are available nearly everywhere and are quite as attractive as those of the dangerous paper, cotton, and pyroxylin. Fire-proofing of pyroxylin is not possible.

"Cotton batting and paper in costumes will ignite easily and burn with great intensity. Santa Claus' whiskers have led to many Christmas tragedies. If you can't find a good substitute, be sure and have them flame-proofed.

"Christmas wrapping burns like tinder and should be removed as soon as possible. See that all wrappings go into the waste basket and that it is taken out and dumped in a covered metal barrel or incinerator as soon as it is filled.

"Be careful of heat operated toys and new electrical gadgets if they do not bear the label of Underwriters' Laboratories, Inc.

"If your tree catches fire, call the fire department immediately. Learn the location of your nearest fire alarm box, or post the telephone number of the department where it will be handy. Have your fire extinguisher checked and place it where it will be handy in case of fire. An additional measure of fire protection is the garden hose connected to a faucet within reach of the tree.

"Clubs, stores and other public places need especially to be careful of fire during the Christmas holidays. Most of them will be decorated and most will be crowded during a large part of the time.

"Fire in any crowded public building may easily lead to panic, for the exits are often inadequate to take care of so many people in a hurry. Flammable decorations should not be allowed in any public building. Waste materials should be removed at once. No smoking should be allowed in the building.

"Aisles and exits must be kept unobstructed and exits be clearly marked. Sprinklers, hand hose and fire extinguishers should be kept ready to operate. Even baskets of water, widely distributed, may mean the difference between a trivial flareup and a holocaust."

I think a man and a woman should choose each other for life, for the simple reason that a long life with all its accidents is barely enough for a man and a woman to understand each other; and to understand is to love. The man who understands one woman is qualified to understand pretty well everything.

The American Association for the Advancement of Science reports that lazy men are apt to live longer than the lads who are regular fireballs. They don't mention that the Stepinac fetchits won't live nearly so full a life. Tests were made with rats, which are just ambitious mice. Lazy rats lived longer than rats that took exercise. Skinny rats lived longer than big fat rats and she rats longer than he rats. And if it happens to rats apparently it could happen to you. And there's nothing personal in that observation. Just rationalizing. So relax. Chum and you'll live longer.

We thought you "horsey" and "doggy" people would be interested to know we've a new supply of motion ceramics on hand for Xmas giving and receiving - make yourself or someone else happy with one of these s.a.tuettes on Xmas.

A confused thief in Omaha stole a package containing six pairs of diapers. We don't know what he expected, but six sets of baby laundry must have been quite a change. We're consistent in carrying a large and complete stock of Christmas items. Now's the time to finish up that Christmas list. There are gifts for everybody on your list at PETERSON DRUG, 840 W. LEGALS

STATE OF MICHIGAN, THE PROBATE COURT FOR THE COUNTY OF WAYNE, No. 371171. In the Matter of the Estate of FLORENCE MAE CLINE, Deceased. Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, on the 31st day of January, A.D. 1950, at two o'clock in the afternoon.

Dated November 21, 1949. PATRICK H. O'BRIEN, Judge of Probate. Published in The Plymouth Mail once each week for three weeks successively, within thirty days from the date hereof. Dec. 1-8-15, 1949

STATE OF MICHIGAN - ORDER OF THE CONSERVATION COMMISSION REPEALING DAILY LIMIT OF TROUT FROM LAKES. The Director of Conservation, having made a thorough investigation of trout fishing in inland lakes, recommends certain regulations.

Therefore, the Conservation Commission, by authority of Act 230, P. A. 1925, hereby orders that for a period of five years from January 1, 1950, it shall be unlawful for any person to take or attempt to take or to possess in one day more than a total of five brook, brown, rainbow, or lake trout in any combination from any of the inland lakes in this state and in any case not more than ten pounds and one trout.

Signed, sealed, and ordered published this thirteenth day of October, 1949. JOSEPH P. RAHILLY, Chairman. WAYLAND OSGOOD, Secretary.

Counter-signed: P. J. HOFFMASTER, Director of Conservation. Dec. 8-15-22, 1949

15 Extra Helpers at Post Office

Although 15 additional employees have been hired to help the post office handling the heavy load of Christmas packages and greeting cards, the cooperation of all residents of the Plymouth area in correctly addressing and wrapping their holiday packages is still needed, according to Mrs. Beatrice Schultz, assistant postmaster.

Proper addressing will help postal employees in delivering packages before Christmas. Improperly addressed parcels are often stacked in the post office until the correct address can be determined which often times cannot be done until after December 25. All postage should be prepaid in full. Strong and durable cartons should be used for packing. Gifts should be registered or insured.

Waiting in line at the post office can be cut to a minimum if post office patrons do their mailing early in the morning.

Jaycee Auxiliary to Hold Dance Saturday

An open dance held at Saddle Ridge will be an event of this Saturday. Sponsored by members of the Junior Chamber of Commerce auxiliary, the party will be preceded by a buffet dinner. Music for dancing will be provided by Johnny Harber's orchestra from 9 p.m. to 12:30 a.m.

Formal attire for the party is optional. Information may be obtained by calling Mrs. Sanford Knapp, general chairman, Mrs. Philip Theobald or Mrs. Lee Terry.

Holiday Rates For Long Distance Phone

Plymouth residents are reminded by Michigan Bell Telephone company that they may call their friends and relatives via the long distance lines on Monday, December 26, at the prevailing holiday rates since Christmas will be legally observed on that day.

Self Expression Keynotes Class

Individual instruction is being featured at the meetings of the recreation art classes every Tuesday evening in room 20 at the high school. All those interested in the creative arts are invited to attend these weekly two-hour sessions, which are held from 7 to 9 p.m. Harold Stein is the instructor.

At present, the majority of the class members are working in oils. However, since instruction is on an individual basis, students may work in whatever medium they choose. Choice can be made of water color, pastels, crayon, ink or any combination of these.

The recreation director, Herb Woolweaver, points out that these art classes are being conducted in such a way so that individual needs can be met and so that a common meeting place for persons interested in self-expression through art can be provided. From time to time, group discussions will be held immediately after the regular class periods. The discussions will center upon the broad subject, the role of the artist in society.

The class will not meet on December 27 but will resume activities on January 3 at the regular time. If you have a social item or any other local news, phone 1755. Something you want to sell? Use a classified.

Great Lakes Plastic Exhibit at Savings Bank

Great Lakes Plastic, Incorporated, set up this week's industrial exhibit at the Plymouth United Savings bank. The firm manufactures a variety of electrical and automotive appliances made of "bakelite", "plaskon" and "melman".

Officers of the company are Mr. and Mrs. John Dietrich. He was formerly a plastic engineer with the Square D company in Detroit for 12 years.

Evans Products will furnish the next display at the bank.

Last Rites Held For Mrs. Vincent

Mrs. Ella Vincent, widow of Clarence S. Vincent, died Friday, December 9 at the home of her daughter, Mrs. Sidney Strong, in Plymouth. Funeral services were held Monday at 10 a.m. from the Sonderger Funeral home, with Rev. B. S. Eichler of the First Baptist church conducting the service and the Rev. Alex Miller of St. John's Episcopal church reading the prayers.

A short service was read by Dr. Harold J. Hamilton of the First Baptist church of Coldwater, in the Chapel and the body committed at the Oak Grove cemetery in Coldwater, Michigan.

Mrs. Vincent was born September 5, 1861 in Medina, Michigan, the daughter of Mr. and Mrs. Alexander Kerr and was the fourth of a family of 12 children. Mr. Kerr and his family came to Coldwater in 1877, more than 70 years ago. Mr. and Mrs. Vincent were married in 1884 in Coldwater. She left Coldwater in 1945 to make her home with her daughter, Mrs. Sidney D. Strong, and it was there that her death occurred, after a brief illness.

Mrs. Vincent had been a member of the Baptist church in Coldwater since 1878, and her life found much of its inspiration in its religious, charitable and social activities. She was a member of the choir for many years, as she was of the Fortnightly Musical club, almost from its organization. Mrs. Vincent was sympathetic and kindly in all of her neighborly and community activities, but her special interests were connected with her church and the musical programs of the city.

She attended the First Baptist church in Plymouth and was a member of its Sunday school and Missionary society.

Mrs. Mark Van Aken of Long Beach, California, is the sole surviving sister. Besides Mrs. Strong two sons survive: A. Kerr Vincent of Tiffin, Ohio and Donald D. Vincent of Lapeer, Michigan.

Grandchildren surviving are: Alan V. Strong of Canton township, and four children; Elizabeth S. Cutler, (Mrs. J. Rusling Cutler) of Plymouth, and five children; Jean Taylor, (Mrs. Ralph J. Taylor) of Plymouth and three children; Richard S. Strong of Ann Arbor, Michigan; and Edward R. Strong.

### Make Christmas Display

Chisel in hand, Hilma Aubert, (left), Art student at Madonna College, brings to a close weeks of arduous work on the Madonna and Child for a Nativity group, while Joan Kaminski and Sally Korol still work on the life-sized figure of St. Joseph. The figures will be used for an outdoor crib, glass-enclosed from the east and south and facing Schoolcraft Road. Mid the singing of Christmas carols, the Crib was lighted up on December 14, at 6:45 P.M., with neighbors and friends participating.

Wednesday evening testimony at 8 p.m. "Is the Universe, Including Man, Evolved by Atomism Force?" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, December 18. The Golden Text (Jeremiah 32:17) is: "Ah Lord God! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee." Among the Bible citations is this passage, (Gen. 1:1,2,6): "In the beginning God created the heaven and the earth. And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (p. 516): "The substance, Life, intelligence, Truth, and Love, which constitute Deity, are reflected by His creation; and when we subordinate the false testimony of the corporeal senses to the facts of Science, we shall see this truthfulness and reflection everywhere."

THE men and women of America know value when they see it! Consequently, they are purchasing more Chevrolet passenger cars than any other make . . . and more Chevrolet trucks than the next two makes combined . . . thereby placing Chevrolet first in sales this year, just as they have done for the total 19-year period, 1931 to date.

Naturally, we and all Chevrolet dealers are deeply appreciative of this overwhelming tribute of preference; and we join with Chevrolet in pledging to do everything possible to give you greater and greater value in the months and years to come.

## First National Bank Leads in Men's Basketball League Race

First National Bank took over first place in the Men's basketball league as they downed the Plymouth Mail, 50-42 while DeHoCo lost to Atchinson-Chrysler, 43-37.

DeHoCo tried to make a comeback in the final quarter as Sammy Slough and "Cowboy" Mislawski started sinking their long shots, netting 18 points. Sammy Slough, top scorer in the league last season, took scoring honors for the game as he sank seven field goals and three charity shots, netting 17 points.

Playing an up-and-coming Plymouth Mail squad December 7 at the Detroit House of Correction gym, First National had to score 22 points in the third period to emerge victorious.

Horton paced Atchinson-Chrysler with 14 counters and Ebersole and Goodney rang up 12 each.

The local press took the lead at half time 23-15 while the Bank boys scored only one point in the second quarter.

Tonight, Thursday, at DeHoCo, DeHoCo plays the Plymouth Mail at 7:30 and Daisy and Atchinson-Chrysler will meet at 8:45.

Newbower and Huebler got hot in the third period and First National took the lead which they never relinquished. Thirty-five points were scored between Huebler and Newbower, as they netted 18 and 17 points respectively.

Following is the league standings:

Tait's Cleaners lost their third straight game of the season on December 7 at the DeHoCo gym to Daisy Air Rifle 34-29, to remain in a tie with Plymouth Mail for last place.

Last season Trenton downed the Rocks in both encounters and last week the down river boys defeated Wayne in their first league tilt of the year.

This encounter was also won in the third quarter as Daisy outscored Tait's by four points.

The reserve game will start at 7 p.m. and the varsity game will follow about 8:15 p.m.

Any man in Plymouth who would like to play basketball in the Men's league who is not already on a cage squad, should notify Herb Woolweaver at the city hall or phone 93. Deadline for men to get on a team already in the league is February 14.

## Plymouth Plays Trenton Trojans Tomorrow Night

Tomorrow night at the Plymouth High school gym, the Trenton Trojans come to town to play the Plymouth Rocks. The local team will bid for their first league contest of the season.

Either of the teams that wins three out of five sports events during the year, which includes football, basketball and baseball, keep in their possession the Elton R. Eaton memorial trophy in their possession. Plymouth has already won one of the three games to keep the trophy, by beating the Mustangs in football by a score of 6-0.

## Rock Frosh Bow to Ross Jr. High

Playing their initial cage tilt of the season, the Plymouth high freshmen bowed to the Ross Junior high Red Devils on Thursday, December 8, by a scant four points, 31-27.

The scoring was held down in the second stanza and the junior Rockmen came within one point of the Red Devils at half time.

Following is the Plymouth freshmen's basketball schedule for the rest of the 1949-50 season:

Dec. 15 Inkster-Here  
Dec. 19 Northville-Here  
Jan. 5 Redford Union-Here  
Jan. 13 Wayne-Here

## Shorts in Sports

For the first time in four years the Detroit Lions finished out of the cellar in the National Football league by completing the 1949 season in fourth place in their division.

With the brilliant passing of Frank Tripucka and the receiving of Bob Mann, the Detroit Lions were able to defeat the Green Bay Packers last Sunday.

Where are the boys who want to box in the Plymouth recreation department?  
Plymouth High school boys who are going to play football next year and are not at the time playing basketball should come up to the city hall.

At the girls' gym night Thursday evening, December 8 at the Starkweather Grade school, 19 girls were present, which proves that there are Plymouth girls interested in sports.

## Skating Tests Given at Arena

Bronze roller skating dance tests were given at Riverside arena last week with many skaters participating.

Following are the winners of the dance test: Sharon Wright and James Brown, Mildred Riem-smith and James Richardson, and Marlene Kuhn and Richard Ryan.

The free style skating event took place on Sunday, December 11, and the figure skaters will compete with the free style champs at a later date.

In Los Angeles, as an added service to a lubrication job, Mechanic J. H. Fisher removed a squeak from a car door, put it back next day at the owner's request because it had "sentimental memories."

## Rocks Defeated by Ypsilanti Five

Well, it looks like the Ypsi boys are out to win another league title. With only two hold-overs from the last year's champion team on the Ypsi squad this year, Coach Isbell's boys came through with a decided triumph over the victory-hungry Rocks, 26-20.

The first quarter neither team could penetrate the opposing teams defense and Ypsi held a scant three to two lead. Baskets by Captain Dick Fenton, Dwight (Rote) Eckler, and Keith Ebersole gave the Rocks a 9-6 lead at the end of the first half.

The final quarter, the spectators saw the Rocks unsuccessfully battle to regain the lead from the Braves. With three minutes left in the game, Ypsi conserved their six point lead by controlling the ball for the remainder of the game.

Lidgard Grocery topped M & J Gulf Service Monday, December 5 with the help of Glen Fraleigh's 622 series and 223 game.

**Miss Forsyth Becomes Bride of Emmett Bowen**

Vases of white gladioli, mums and lighted tapers formed the setting for the wedding ceremony in which Myrtle I. Forsyth became the bride of Emmett L. Bowen on December 3. The Saturday evening wedding was read before the fireplace at the home of the bride's parents, Mr. and Mrs. Ben Forsyth of Adams street.

Mr. and Mrs. E. A. Bowen of Carric street, Detroit are parents of the bridegroom.

Preceding the wedding, soloist Harvey Baird sang "Because"

**Engagement of Miss Smith Told**

Doris Smith's engagement to Laverne W. Rutenbar is being announced this week by the bride-elect's parents, Mr. and Mrs. Ward M. Smith. The Smiths are former residents of Plymouth who are now making their home in Mayville.

Mr. and Mrs. Irvin Rutenbar of Plymouth are the parents of Miss Smith's fiancé.

**Lydia Class Has Christmas Dinner**

Thirty members and friends of the Lydia Class of Calvary Baptist church held their Christmas dinner and meeting at the home of Mrs. Ralph Boutwell of Rosedale Gardens. At 6:30 p.m. on Thursday, December 8, the ladies were seated at three tables in the recreation room before a fireplace, where a lovely chicken dinner was served. The home was decorated in keeping with the Christmas season.

Following the dinner, the guests gathered in the living room where Mrs. Rhea Johnston, president, welcomed the guests and conducted the business meeting. Missionary letters were read by Mrs. Silas Mattinson. Everyone present signed their names to cards which were sent to sick members and the former pastor's wife, Mrs. John I. Paton.

After the singing of a Christmas carol, Mrs. Adeline Burden sang "Beautiful Saviour." Mrs. George Adams read the scripture using the Christmas Story from Luke 2:1-20. Betty Solmon sang "O Holy Night" accompanied by Norma Nelson at the piano. Mrs. Ralph Boutwell gave a most impressive and helpful message on the true meaning of Christmas, giving many passages of scripture concerning the prophecy, fulfillment, and what the Saviour's birth should mean to those who love Him. She closed with a poem "Keep Christmas In Our Hearts." Mrs. P. J. Clifford gave a piano solo "Silent Night, Holy Night." Betty and Shirley Solmon sang "Hark, the Herald Angels Sing" and the evening closed with a season of prayer.

**Miss Vera Fritz is Wed to Henry Whalen**

Dr. Frederick G. Poole united in marriage Vera Fritz and Henry Whalen on December 3, at 4:30 in the Methodist church.

Attending the couple were the sister and brother-in-law of the bride, Mr. and Mrs. John Collon.

A dinner followed the ceremony at the Pen Mar Cafe, attended by the immediate family of the couple. Mr. and Mrs. Whalen will make their future home at 114 Hartsough street.

**OES News**

The annual Eastern Star-Masonic Christmas party will be held Tuesday, December 20 at the "Hymic Temple. A covered dish dinner will be served at 6:30 p.m. Those attending are asked to bring their own table service, a dish to pass and milk for their children. Everyone is asked to bring a 25 cent gift marked plainly with child's name to be placed under the Christmas tree. One of the events of the evening will be a Christmas program presented by the children. Parents of children wishing them to take part are asked to contact the Worthy Matron, Mrs. Leillia Huebler at 488-J1.

A cordial invitation is extended to the Eastern Star members to attend the dance sponsored by the Rainbow Girls on Thursday evening, December 29.

Congratulations are extended to Arnoldt and Janice Williams on the birth of a daughter.

We are happy to report that Carolyn Goodale has improved and Betty Lampton has returned to her home from Plymouth hospital. Now confined to their homes because of illness are Paul Simons and Eleanor Haines.

Those who attended the open house at the fraternal home in Detroit on Friday were Burlie Tremain, Jenny Murray, Evelyn Brooks, Katherine Wickens and Leillia Huebler.

**Officers Named by Church Circle**

Guiding the activities of Circle Five of the Presbyterian church for the coming year will be Miss Ruth Popovich, who was elected president at the group's December meeting held at the church Tuesday evening, December 6.

Chosen as vice president was Ruth Bosscher and duties of the secretary will be the work of Elizabeth Lamb. Norma Kenyon was named treasurer.

**Couple Observes 25th Anniversary**

Guests of honor at a 25th wedding anniversary celebration on Saturday evening were Mr. and Mrs. Howard Hunt. Hosts at the party were Mr. and Mrs. Hunt's daughter and her husband, Mr. and Mrs. Lester Kalmbach of Arthur street.

Fifty guests were present from Ypsilanti, Northville, New Hudson, Detroit and Plymouth to help Mr. and Mrs. Hunt celebrate their anniversary.

**List Plans For Symphony Ball**

Mrs. Russell Daane has been selected as general chairman of the Symphony Ball, sponsored by the Plymouth Symphony society, which will be held on Saturday, January 21 in the high school auditorium. Assisting her in preparations for the annual event are members of the Business and Professional Women's club.

The orchestra of Datus Moore will provide the music for the dance. Folk dancers in colorful old world costumes will entertain during the intermission.

Chairmen of committees for the ball are Mrs. Mildred Barnes, who is in charge of ticket sales, Mrs. Charlotte F. Comer who heads the check room committee and Mrs. Helmer Nelson who is in charge of refreshments. Mrs. H. E. Raaflaub is handling publicity and Mrs. E. A. Rice heads the guest book committee. Posters are being taken care of by Miss Frances Overton and her high school art classes.

In Philadelphia, the curious public, at the rate of 50,000 a day, was crowding into the Western Saving Fund Society to see its exhibit of \$1,000,000 in currency.

### Shaping Specialty Cakes Cookies is Easy With These Holiday Recipes

You can make your Christmas specialties shaped like Santas, reindeers or sugarplum trees. Here's how to turn out goodies that will delight both young and old.

**AMBROSIAL SANTA CLAUS**  
2 cups sifted all-purpose flour  
3 teaspoons baking powder  
1/4 cup shortening  
1 cup sugar  
2 eggs  
1/2 cup milk  
1 teaspoon vanilla extract  
Start your oven at 375F or moderate. Sift flour, measure, sift again with baking powder and salt. Work shortening until soft, then work in the sugar until the mixture is light and fluffy. Beat eggs until very light and add to the sugar mixture. Then add the flour and milk alternately a little at a time, beating well each time.

**SUGARPLUM TREE**  
This enchanting tree makes a gay table decoration and can be made any size you like. For an 8-inch tree, make yourself a cone-shaped pattern (just like a dinner cap) out of paper 8 inches high. Now you need a piece of fine wire mesh, which you can get in any hardware store. Lay your cone-shaped pattern on the wire mesh and cut around it with heavy scissors. Shape cone to gather and fasten with fine wire or fine hairpins. To make the cone firm, stuff it very tightly with tissue paper.

Next you will need about 1 1/2 pounds gum drops. Stick a toothpick into the fat end of each drop, then poke the other end of the toothpick through the wire mesh deep into the tissue paper (now you see why the paper must be stuffed in very tightly and securely).

We put our trees on bark covered stands. However, for sweet simplicity's sake we recommend your placing yours on a bed of green evergreens.

A gold foil scroll, inscribed with Christmas carols, unrolls to reveal large-size lipstick. A double duty box every girl will love—gaily decorated tissue dispenser holds body sachet, dusting powder, toilet water.

### Today's Recipes

**Holiday Dundee Cake**  
1 1/3 cup walnuts  
1/3 cup candied orange or lemon peel  
2 tablespoons orange juice  
1-2 cups currants  
1 cup seedless raisins  
1 cup butter or margarine  
2 1/2 cup sugar  
4 eggs  
2 1/2 cups sifted cake flour  
1/2 teaspoon salt  
1 teaspoon baking powder  
Chop up walnuts coarsely; sliver orange or lemon peel; squeeze juice from orange; pick out stems from currants and raisins. Start your oven at 275F or very slow.

Work butter or margarine until creamy. Then gradually work in sugar until mixture is very light. Add unbeaten eggs one at a time, beating batter very hard after each addition. Now stir in walnuts and slivered peel. Sift flour with salt and baking powder, add to creamed mixture with fruit and orange juice. Grease 10-inch tube pan and fill with batter. Bake 1 to 1 1/4 hours or until cake tester comes out clean when poked into cake. Better cover with brown paper during last third of baking so top won't brown too much. No matter what type pan you use, outline the shape with merry cinnamon candies.

**Viennese Christmas Bread**  
1 pkg. active dry yeast  
1/4 cup lukewarm water  
1 cup milk  
3 1/2 cups all-purpose flour  
1/4 cup butter or margarine  
2 cups sugar  
3 eggs  
1/2 cup white raisins  
Grated rind 1 lemon  
Combine yeast and lukewarm water and let stand for 10 minutes. Heat milk until a film forms on top (do not let it boil), then take off the stove and let it stand until it, too, is lukewarm. Sift flour and measure. Then work butter or margarine with your hands until soft, gradually working in sugar until mixture is light and fluffy.

Now stir in yeast. Then beat in eggs, one at a time, beating well after each addition. Next, add raisins and lemon rind. Then add flour and milk alternately, a little at a time. Beat until dough forms bubbles under the surface. Grease and flour lightly (very important) a 10-inch tube pan. Pour batter into a pan to rise and let it stand, covered, in a warm place (not near direct heat) for 2 hours.

Set your oven at 350F or moderate and bake this divine Christmas bread 1 1/2 hours. Turn out of pan on rack and cool. You can decorate the bread with browned almonds, cherries and even frosting.

Seeking a divorce on the grounds that his wife beat him up, a man in Hamilton, Montana, was turned down and informed by the judge that "slight acts of violence by the wife from which the husband can easily protect himself do not constitute cruelty."

**SUCCESSFUL PARENTHOOD**  
By Mrs. CATHERINE CONRAD EDWARDS  
Associate Editor, Parents' Magazine

**WHY NOT HAVE** a fireproof Christmas tree this year and thereby reduce one of the hazards of the holiday season? The United States department of agriculture has found a simple way to treat a tree so that it is reasonably fireproof, and at the same time it will retain its needles and its fresh look for longer than usual.

It is after a tree has lost its moisture in the hot, dry air of most houses and apartments that it becomes a fire hazard. So the trick is to fill the tree with extra moisture before you trim it, just as you fill the stems of cut flowers with water. Reasoning from this simple fact, the department chemists tried substituting fire-resistant chemicals in solution form, and found that a properly treated tree would not burn even when exposed to flame.

Of course, a home treated tree may not be entirely fireproof, because the tree must be freshly cut in order to absorb enough chemicals to achieve complete safety, but it will certainly be slower to catch fire than the dry, tinder-box trees with which we annually risk calamity.

Here is the method for giving the tree its fire-resistant properties. Get a freshly cut tree, if possible, for the cells of fresh trees are able to absorb more moisture than those where the trunk has dried. Saw the end of the tree in a V-shape to expose as much area as possible for absorbing the solution. Again, this is similar to the slant-cut ends of roses which come from the florists.

There is a choice of two fire-resistant chemicals for making the solution—ammonium sulfate or calcium chloride. Dissolve either of these in water in proportions of 1 1/4 pints of water to one pound of the chemical. The quantity of chemical used should equal the weight of the tree. Place the cut end of the tree in the solution in a room of moderate temperature—55 to 65 degrees Fahrenheit. Let the tree stand in the solution a day or two, for the more it drinks of the solution the safer from fire it will be.

This treatment also solves the problem of getting a tree early, while there is a choice of the finest and most symmetrical, and yet keeping it fresh until time to trim the tree, and since it is always disappointing to the children to have the needles fall off the tree before New Year's Day, a treated tree will give more pleasure as well as more safety.

Each family has its own tradition as to whether the trimmed tree should be a complete surprise Christmas morning, or whether the children should be allowed to help decorate it. We are heartily in favor of the latter. For one thing, we remember longer the celebration we help prepare, and all parents want to give their children cherished memories of Christmases at home.

In fact, it isn't too early to get the box of Christmas things down from the attic and let the children sort them. You can plan together what ornaments you will add this year, but by all means let the children do the shopping for gewgaws. Give them a certain amount to spend and you'll see more serious figuring, list making and counter sampling than you'd expect on a whole season's shopping!

### Steam Pressure Needed For Safe Canning of Meat

Home-canned meat on your storage shelves will help spread your meat supply throughout the year and will be a wonderful time-saver on busy days.

Directions given by Michigan State college home economists for canning meat safely and holding food value and flavor will help you to can successfully.

Beef, veal, mutton, lamb, pork and rabbit may be canned at home—and so can poultry. Meat mixtures are not recommended for home canning. These include chile con carne, stews or soups made with cereals and vegetables.

For safe canning, meat must be heated through and through in a steam pressure canner. A boiling-water bath, an oven, a steamer without pressure, or an open kettle will not heat the meat hot enough to kill bacteria and the meat may spoil or cause serious food poisoning. If you don't have, or can't borrow, a steam-pressure canner, preserve the meat by curing or freezing.

After the animal to be canned has been butchered, it should be chilled at once and kept chilled until canning time. Chilled meat is easier to handle and calls for refrigeration or for weather that can be counted on to keep the meat at 40 degrees or lower. Meat held at temperatures near freezing may be canned at any convenient time within a few days after killing.

Avoid freezing meat, if possible. If it does freeze, keep it frozen until canning time. Thawed meat is very perishable. Meat may be packed by either the hot pack or raw pack method. It's best not to fry meat before canning. Salt does not help preserve meat in canning but may be added.

### Serve Roast Duck For Your Christmas Dinner

If you'd like to depart from the traditional turkey for the holidays and yet have a festive menu, you can try a delicious roast duckling.

There are several duck-roasting methods. But almost everyone agrees that preparations begin like this: Remove and wash giblets from drawn duck or duckling. Cut off wing-tips and remove pin feathers carefully with tweezers. Wash duck thoroughly, inside and out, with cold water. Dry carefully and sprinkle cavity with salt. Stuff with bread stuffing, with apple dressing (apples, raisins and chopped oranges) or with the stuffing listed below. Place duck, breast side up, on a rack in a baking-pan about 10x14 inches and no more than 3 inches deep.

If you want to roast your duckling by the low temperature method: Do not cover. Do not add water or baste. Do not prick the skin. Roast at 325. If the duck weighs under 5 pounds, allow 25 minutes to the pound if you like few medium well done; 30 to 35 minutes if you prefer it to be very well done. If the duck weighs from 5 to 7 pounds, allow 13 minutes per pound for medium; 22 to 25 minutes for well done.

If you use a meat thermometer inserted in stuffing, the interior temperature should be 185. If you decide to try the high temperature method: Do not cover or add water. Place in cold oven. Set temperature at 350 and allow 30 minutes per pound of duck. As the fat begins to render, pour it off; do not allow it to collect around duck. When all the fat seems to have rendered out, turn the oven to 450. About half an hour before duck will be cooked, sprinkle the skin freely with flour. Keep in the hot oven until the flour is absorbed. This blots up the layer of fat immediately under the skin and makes the skin crisp and brown.

For the stuffing, boil 6 medium size potatoes until they break when pierced with a fork, and then mash (but do not season or whip). Peel and slice 6 medium size onions; cook them in 6 tablespoons of butter or margarine; add just enough water so that they brown.

Now, add 1 1/2 cups of finely crumbled cornbread to the hot mashed potatoes and the hot onions. Add salt and pepper to taste. Beat one egg and blend it lightly into the stuffing. This makes enough stuffing for a six-pound duck.

# SCHOOL NOTES

## Colleges Visited by Senior Girls

Seniors interested in attending colleges have been visiting various schools. Among the seniors going on these trips are Janice Valaika, Nancy Stevens and Rita Datcher who visited Western Michigan in Kalamazoo. They obtained information concerning the school curriculum and advice from the advisers in charge of student entrance.

Information concerning various colleges can be obtained from the guidance office.

## Christmas Tea Given on Friday

The second and third hour homemaking classes gave a Christmas tea on Friday, December 9, for their mothers in Room 21 of the Home Economics department. For entertainment they sang Christmas carols and then served refreshments. Donna Glass was chairman of the second hour 1-A class and Jean Johnson, chairman of the third hour class.

Miss Ingeborg Lundin's second hour homemaking class went to Gould's Cleaners where Keith Keith showed them around and gave a very interesting talk on how everything is run.

Thursday, December 8, Dale Blackmore showed the homemaking classes a movie depicting different ways to decorate your home.

## Directors Announce Christmas Program

Paul T. Wagner, director of Plymouth High school's band and Fred Nelson, choral director, announced the program for the annual Christmas concert to be held on December 16.

The band program will consist of: Christmas March by Goldman, 'Twas the Night Before Christmas by Newall H. Long, White Christmas by Irving Berlin and Amparito Roca by Jaime Texidor. The choral part of the program will be: Christmas Greeting and 'Til The Night Before Christmas by the junior chorus; Virgins Slumber Song, While Shepherds Watched and Rise Up Shepherd and Follower, by the girl's glee club; Carol For Everyone and Good Kind Wensedas by the boy's glee club; Toyland and Bring a Torch by the Twin Trios; and Adoremus Te, O' Holy Night and Nazaretti by the choir.

## Members of French Club Elect Officers

Jack Elliott was elected president of the French club which was reorganized after a lapse of two years by the members of Mrs. Virginia Calligari's French class at a meeting on December 8.

Other officers for the club were Judy Parmenter, vice president; Marcella D'Haene, secretary; Lois Hoenecke, treasurer.

The adviser, Mrs. Calligari, asked the officers to decide when meetings should be held so members would be able to be present.

## Book Talk Given Central Grades

Miss Marjorie Miller from Michigan State Normal college at Ypsilanti visited Central Grade school, Thursday, December 8, to give a book talk to the fourth, fifth and sixth graders.

Most of the books Miss Miller brought with her were fiction with the stories about animals, mystery, sports and people. In her talks with the students each book's contents were discussed and other books by the same authors were mentioned.

## Assembly Given by Varsity Club

The Varsity club of Plymouth high school presented an honor assembly to the student body on Wednesday, December 14, during the first period.

This assembly was held to award the letters to the football players and to the cross country runners. The idea of this assembly was to give the senior boys a chance to wear their letters before they graduate from high school. In the past the letters had not been presented to these fall athletes until the spring honor assembly. The letters were given by Hilton Ponto and Kon Moiso, football and cross country coaches, respectively.

Following the presentation of the letters to the varsity players, the reserve football players were honored by a mass roll call of their names.

At the Detroit Zoo, Mr. Rhea, a bird something like an ostrich, was reported to be getting thin and haggard because his four wives are making him hatch all their eggs.

## 13 Students Get All 'A' Reports

Report card time once again has popped up at Plymouth high. This marking period 13 students, including both the junior and the senior high, received all A's. Of these 13, five are seniors and five are seventh graders.

The students receiving all A's follow:

Seniors: Rita Datcher, Lawrence Mack, Clifford McClumpha, Sandra Walsh and Ronald Witt.

Sophomore: Gladys Witt.

Eighth grade: Kay Ingram, and Luree Merrilat.

Seventh grade: Margie Alford, Janet Christensen, James McKenna, Sally Morgan and Jane Nulty.

Following is the list of students who received all B's or better:

## Rock Debaters Defeat Jackson

Plymouth high school's debaters won their tenth debate in ten tries by defeating Jackson High school on Wednesday, December 3 at a debate held in the Presbyterian church. Judges for the contests were Sherman Wilson and James McMonagle from Wayne university.

Upholding the negative for Plymouth were Ronald Witt and Gladys Witt, with Roger Kidston and Larry Mack upholding the affirmative. The question of the debate was "Resolved: that the President of the United States be elected by the direct vote of the people."

The Plymouth debating teams have held contests with Roseville High school, Hazel Park High school, Highland Park High school, Ann Arbor High school, and Jackson High school. The local debaters now hold six wins and no losses in the state league and a four and nothing record in the Detroit Metropolitan league.

Last year in the 1948-49 season the Plymouth debaters took first place in the Detroit Metropolitan league, but were eliminated by Lansing Eastern in the state quarter finals.

Seventh graders — Katherine Bernash, Barbara Carley, Janet Denhoff, Lea Raye Crane, Sally Ford, Joan Donnelly, Kathleen Herriman, Betty Kennndy, Dolores Gennedy, Dennis Luker, Anita Masher, Glenna Merillat, Ann Morrow, Shirley Salkeld, Carol Schaufe, Karen Rossow, Joan Redd, Orene Stoops, Nancy Travis, Larry Wilhelm.

The following students made the citizenship honor role by receiving 1's or 2's on their report cards:

Seniors — Marian Amrhein, Barbara Cushman, Rita Datcher, Bruno DeBenedict, Gloria Holman, Lois Hunter, Roger Kidston, Wilma Latture, Lawrence Mack, Clifford McClumpha, Dneysa McKinley, Patricia Meadows, Nancy Morrow, Patricia Pine, Donna Runge, Margaret Saxton, Pat Simmons, Betty Singleton, Don Sutherland, Marie Travis, Katie Trucks, Louis Vargha, Pat Zink.

Juniors—Betty Bilow, Dorothy Curtis, Barry Ellis, Phil Jacobus, Richard Joachim, Erna Ruth Kienbaum, Irene Matthews, Robert Puckett, Bobby Etta Robertson, Mary Schindler, Charles Todd, Anne Vincent.

## Jr. Red Cross Presents Show

Junior Red Cross presented a Christmas variety program at the Detroit House of Correction on Wednesday, December 14, consisting of group singing, jokes and imitations. Lee King acted as chairman with Roger Kidston and Sandra Walsh, master and mistress of ceremonies; Dorothy Zander led the choir and Gladys Witt the chorus line. Solos were given by Lee King and Molly Groth, and Ronald Witt presented humorous readings.

Twenty scrapbooks for Detroit hospitals containing puzzles, pictures, comics and Christmas cards will be given to the children before Christmas by the Junior Red Cross. The younger children's will be finished and for the older ones they will be left unfinished so they can complete the scrapbooks themselves.

The Junior Red Cross is also making a treasure chest containing school supplies for overseas children.

Happiness is not for another hour, but this hour; not in another place, but in this place.

# HILLSIDE'S Fifteenth Anniversary

## Friday and Saturday December 16th-17th

**SPECIAL HOURS FOR OUR ANNIVERSARY**  
Our Dining Room will be open until 11 P.M. and  
Our Bar will be open until Midnight  
FRIDAY and SATURDAY, DEC. 16th and 17th

We invite you to participate in this great event with us on the occasion of our fifteenth birthday. Decorators have left no stone unturned to make Hillside's interior a much finer place in which to dine. Your comfort was our first consideration when we started our thorough renovation.

Our chefs will have special anniversary menus ready to make dining even more of an event than it is with every regular meal served at Hillside.

Favors will be given to all who attend our birthday celebration and we have a surprise that can't be told until the night our party starts. Better plan now to be on hand.

We are not unmindful of the fact that the success Hillside has enjoyed during its 15 years is due largely to the continued patronage that our many friends have given us. To these friends and all of the rest of the people who have helped us become one of the finest institutions of this kind in Michigan we extend our most sincere thanks and hope that we may warrant your continued patronage in the years ahead.

Margaret Stremich and all the folks at Hillside.

### Parking Meters For Northville

"We're getting fashionable and cityfied in Northville," declared Attorney Fred Cochrane of Northville when at the Mayflower hotel in Plymouth the other day.

"We can't let Plymouth have everything so we've decided to put in parking meters on the streets. Why we let Plymouth get ahead of us on such a thing as this is more than I can figure out," said the venerable barrister from Plymouth's nearby neighboring community.

"You can put it in your paper that as soon as we get our parking meters going we will be just as up-to-date as you are her in Plymouth, and that's that."

In Manhattan, Motorist Paul Moore admitted in court that in 20 years of driving he had never had a license, but that he "did have an attack of conscience the other day and applied for one."

### Wins \$500 Award

A top award of \$500 for a time saving method of doing a job better has been granted to Byron Champior of 371 Ann street, splicer here for the Michigan Bell Telephone company.

Champion's proposal was for an improved device for taking up slack in aerial cable. It was one of four high-ranking suggestions submitted by employees which will contribute materially to better telephone service on a statewide, as well as a nation-wide basis.

Among the three other plant department employees who were granted duplicate awards—the highest in the history of the company's employees' suggestion plan—are Lionel E. Lanthier, splicing foreman in Detroit; Ernest R. Graham, splicing foreman at Grand Rapids; and Albert Lapshan, foreman at Royal Oak.

### Rotarians Get Facts About Situation in Dutch East Indies

Plymouth Rotarians had the fortunate opportunity last Friday to get some first-hand information on the troublesome situation in Indonesia from Willard C. Wichers, midwest director of the Netherlands Information Bureau.

What Mr. Wichers told the Rotarians is far different than much of the propaganda which has flooded the country and which originated without much question from Russian sources under control of the Russian dictatorship.

Mr. Wichers, a brother-in-law of Russell Daane of this city and a longtime resident of the city of Holland, has in recent years given much of his time and attention to the Dutch East Indies, now known as Indonesia, problem and as a result knows intimately of the conditions confronting the rich and beautiful islands which make up the country of Indonesia.

Briefly he told of the richness of the islands making up the country, of the advent of Dutch traders into that part of the world more than three and a half centuries ago.

"Irrespective of what you may have read or been told, it has been the object of the Dutch in recent years to establish a free and independent nation, he asserted.

"Previous to the arrival of the Dutch in that part of the world, the East Indies had long been exploited, but during the last century and a half the Dutch have sought to bring enlightenment and good will and advancement to these 67 millions of people.

"The Dutch have always had the good reputation of being the best colonizers in the world. Their object has been to raise the economic standards of the people.

"In Java under Dutch rule such a thing as a famine has been unknown, due entirely to the scientific agricultural processes inaugurated by the Dutch.

"The object of the Dutch has been to educate these people for freedom, but with more than 25 different racial groups to deal with, some skilled, some still almost in the cave-man stage and

with different religious groups, it has not been an easy task. Frequently teachers have been driven out and school houses burned down. But the literacy standards in Indonesia are far greater than in any other place in the Far East," said Mr. Wichers.

"To make these islands a free Democratic nation such as we know is extremely important to all Democratic nations.

"The Republic you have heard about in that country is nothing more than a Hitler dictatorship in which less than a fifth of the population is involved.

"The Federation of States such as the Dutch favor, is a nation of all of the people of all of the islands.

"It was the Japs in Indonesia who were never disarmed, aided by Communists, who are trying to set up the so-called republic. The Dutch have never objected to a freely elected government. You should know that the Russians are largely responsible for the unfortunate conditions prevailing in that country. As we see it, the danger lies in the fact that the government may be turned over to those not yet ready to run it, but it is our duty and our responsibility to see that this new government works rightly," he concluded.

### Cpl. DuJardon Returns From Squad Tests

Cpl. Irvin J. DuJardon, son of Mrs. Ruth DuJardon of 1289 Union street, has just returned from squad and platoon effectiveness tests at the Mt. Fuji maneuver area.

Cpl. DuJardon is a member of C Company of the 35th Infantry Regiment which is stationed at Otsu, Japan. The 35th Infantry is part of the Pacific famed 25th Infantry (Tropic Lightning) Division, commanded by Major General William B. Kean.

Cpl. DuJardon joined the Army at Plymouth and took his training at Ft. Ord, California and arrived in Japan on February 28, 1948.

### Special Events Planned at Training School

A week of holiday festivities awaits the students and staff and the Wayne County Training school. On Sunday, December 18 "The Magic Christmas Bell", a musical playlet and "The Nativity Story", a Christmas pageant, will be presented for the pleasure of the families of the young people and other friends of the Training school. The programs will be given at 2:30 p.m. in the auditorium. Family visiting is the cottages is scheduled after the program.

Each cottage will be decorated in the Christmas spirit in readiness for the party of gifts around the tree on Christmas morning.

The holiday program for the students includes a week of recreational activities, swimming, basketball, motion pictures, music, stories and games.

Members of the Administrative Board at the school are Fred C. Fischer, president; James Fitzgerald, vice president; Thomas C. Murphy, Arthur Dondineau, John A. Kronk, Archie Leadbetter, Fred R. Johnson, Henry S. Hulbert and George A. Smith. Dr. Robert H. Haskell is medical superintendent.

The woolly mammoth is a close relative to the modern elephant. Perfectly preserved skeletons have been found in Siberia where they have lain frozen in the ice for thousands of years.

Faith marches at the head of the army of progress. It is found beside the most refined life, the freest government, the profoundest philosophy, the noblest poetry, the purest humanity.

In Topsfield, Mass., while trying to sell surplus apples at the local fair, Mr. and Mrs. W. J. Abbott learned that in the apple pie baking contest they had won second and third prizes eight bushels of apples.

In Yonkers, New York, police were looking for the thief who removed a pane of glass from Joseph J. Albaum's house, thoroughly rifled the place and carelessly repainted the glass when he left.

In Rio de Janeiro, Butcher, Manoel Silveira Merinho, arrested for selling his customers second-grade meat at first-grade prices, was released when the station-house cat ate the evidence.

## Rural Tele-news

**AROUND THE CLOCK**—The telephone is one farm helper that never sleeps. All day it's ready to carry your voice wherever you want it to go—to your customers, suppliers, and all you deal with in the business of farming. Evenings, it takes you to friends and neighbors for personal voice visits. All night, it's there in case of sickness or other emergencies. Your telephone does so much for so little money that it's one of today's greatest values.

**INVISIBLE BRIDGE**—Once in a great while a severe storm, flood or other catastrophe may damage telephone plant and threaten a community with isolation. Time was when no calls could go through pending repairs. Today, thanks to an "invisible bridge" formed by mobile emergency radiotelephone units, there's less chance of this happening. These units, which Michigan Bell can have operating in short order, enable emergency telephone calls to bridge the gap by radio until regular facilities can be restored.

**SEASON'S GREETINGS**—More and more, Long Distance service has come into use for holiday greetings. But so many people like to make their Long Distance calls on Christmas Eve or Christmas Day that there are bound to be delays, particularly on calls to more distant points. To avoid possible disappointment, why not plan now to call a few days before or after Christmas instead?

A very Merry Christmas to all of you from all of us

## Taking the country by storm!

"Step-down" designed  
Hudsons leaders in resale value!  
Let us show you, in figures from Official Used Car Guide Books of the National Automobile Dealers Association, that Hudson is a leader in resale value, coast to coast!

In two days, more than a million people flocked to see the new Pacemaker

and many thousands placed their orders for this exciting new car that costs less to buy . . . less to drive!

**COME IN TODAY!** See what the excitement's all about. Try the new Pacemaker! For here, at less cost, are all the beauty, roominess, riding qualities and safety that can come only with Hudson's "step-down" design!  
Here, for instance, is a car that you can instantly see is the lowest-built of them all! Free-flowing, close-to-the-ground design telegraphs the fact that it has the lowest center of gravity in any American automobile—and as a result, you know instinctively, as

you view the exciting Hudson Pacemaker, that it hugs the road more tenaciously and is therefore America's safest car!

You quickly see, too, that this new member of the low-built Hudson family has full road clearance and more head room than in any mass-produced car built today—thanks to "step-down" design and recessed floor!

And amazing head room is only one kind of interior spaciousness you'll find in the economical, new Pacemaker. Through "step-down" design and ingenious use of space that is wasted in other makes of cars, this compact automobile of normal exterior width brings you more roominess and seat cushions that are up to 12 inches wider than those in even the most expensive cars!

It is no longer necessary to put up with crowding, for the Pacemaker provides more room for you than in any other make, at any price!

In fact, this car is so marvelous, and the performance of its new high-compression Pacemaker Six engine is so thrilling, that you can't begin to appreciate it until you see it and ride in it! Won't you accept our invitation for a demonstration ride in Hudson's new Pacemaker, today?

The third annual banquet of the Plymouth Chamber of Commerce, which was held in the L.O.O.F. hall, Wednesday evening, was a decided success in every particular. Nearly 150 members sat down to appointed tables at 7 p.m. and after the invocation a delicious menu was splendidly served by the ladies of the Rebekah lodge.

The Plymouth Rotary club had the pleasure of listening to a most interesting talk by Supt. Edward Denniston of the Detroit House of Correction at the regular noon luncheon of the club last Friday. His description of the operation of the chair factory at the prison was especially interesting.

Division four of the Woman's club produced a perfect day last Friday at the home of Mrs. Evelyn Julliffe. The members were dressed for the occasion as colonial dames and the first impression to be courteously admitted by one was impressive.

We recall a prediction made a year or so ago to the effect that this generation would live to see the day when airplanes were used for commercial transportation and that they would be competitors of the railroads, trolley lines and auto buses. Now we see where the Yellow Air Cab company has been formed in Chicago and has secured a charter to operate "air taxis." It is proposed to maintain a regular schedule and carry passengers daily between Chicago, Dayton, Cleveland and Detroit.

The Base Woman's Bible class held its annual meeting last Tuesday at the home of Mrs. Rose Fulton. A pot luck dinner was served after which the election of officers was held. The following were elected to succeed themselves: Mrs. S. Conger Hathaway, president; Mrs. Raphael Mittell, vice president; Mrs. George Cramer, secretary and Mrs. I. W. Hummel, treasurer.

The Junior Bridge club was pleasantly entertained at the home of Mrs. Harvey Springer last Thursday evening.

Mr. and Mrs. Merle Rorabacher and Mr. and Mrs. Ford Beck were Sunday guests of their brother and his wife, Mr. and Mrs. Voyle Becker at Fenton.

Mr. and Mrs. Frank and son, Mr. and Mrs. S. W. Spicer and Mr. and Mrs. L. A. Wisley attended the East Nankin club at Will Hawk's at Cherry Hill.

The American Legion of Northville has purchased a building site and in the near future plan on erecting a building to accommodate all of their activities, for a place of meeting and for social activities.

**10 Years Ago**

"Television has been whipped for the last two years," declared George Chute, Jr., of Plymouth, who is an employee of the General Electric company in Detroit. "As far as engineering is concerned, it has been possible, but we don't have it because a method of wire transmission has not yet been perfected."

Acting upon a suggestion of Mayor L. E. Wilson that the city government, for the present at least, set up some sort of a department to help secure jobs for unemployed residents, the city has already found employment for a number of men.

Tomorrow morning, members of the Old Newsboys' and Goodfellows' association will be out in force on the streets of Plymouth to sell papers for the group's Christmas fund.

Mr. and Mrs. Oral Rathbun were hosts Wednesday evening to the Old Time "500" club.

Mrs. Olds entertained her luncheon group Thursday.

Mr. and Mrs. Austin Whipple attended the Faculty Alumni assembly Monday evening in the Michigan Union ballroom in Ann Arbor.

Mrs. Clifford Tait entertained her contract group Monday evening of last week. On Thursday evening, December 21, the same group will have its annual Christmas party and exchange of gifts with Mrs. Floyd Burgett in her new home on Holbrook avenue.

Mrs. Mele Rorabacher entertained a group of friends at a bridge luncheon and Chinese checkers party Tuesday in her home on South Main street. The luncheon guests were Mrs. Ella Chaffee, Mrs. Blanche Daniels, Mrs. Charles Rathbun, Jr., Mrs. LeRoy Jewell, Mrs. Derward Jewell, Mrs. George Turner and Mrs. Otto Reamer.

Mr. and Mrs. Alfred Hartung, Mr. and Mrs. Ralph Cole and daughter, Doris; Mr. and Mrs. Russell Cook and William Stinson, were entertained at dinner Sunday, in the home of the former's daughter and her husband, Mr. and Mrs. Leslie Reddeman, on Canton Center road.

Mr. and Mrs. E. J. Allison entertained over the weekend, her brothers and their wives, Mr. and Mrs. Roy Huffman and Mr. and Mrs. Harold Huffman of Bleinheim, Ontario.

Mr. and Mrs. Paul Wiedman and daughter, Pauline, returned home Saturday from a few days' motor trip through the East, going as far as New Jersey and New York City.

Mr. and Mrs. Philip Widmaier and Mrs. William Blunk spent Wednesday with the latter's brother and wife, Mr. and Mrs. Edgar Danner, in Northfield.

Dr. and Mrs. Elmore Carney of Penniman avenue are the parents of an eight-pound baby boy born Wednesday afternoon.

Mr. and Mrs. E. O. Huston visited her sister and husband, Mr. and Mrs. Elmer Reichnecker, in Ann Arbor part of last week.

The secret is out! It wasn't turkey at all that Mayor L. E. Wilson ate on the real Thanksgiving day. It was an ordinary, plain every day duck that he feasted upon Thursday, November 30.

Because he did not see an approaching automobile, Allen Tilton, 42, who lives at 1327 South Main street, was struck while crossing the street near the intersection of Main and West Ann Arbor trail Monday afternoon at 5:30.

Among the many students from Plymouth attending various universities and colleges who will be coming home this week and next for the holidays are Mary Katherine Moon from Dennison university in Granville, Ohio and Barbara Olsaver who attends Carleton college in Northfield, Minnesota.

Mr. and Mrs. Ralph J. Lorenz entertained at dinner Sunday night for Mr. and Mrs. Lyon Felton of Rochester, Mr. and Mrs. Thomas W. Moss and Mr. and Mrs. John T. Neale, Jr.

The members of the Dinner Bridge club were entertained on Tuesday evening in the home of Mr. and Mrs. E. V. Julliffe on Beck road.

Mrs. Gus Lundquist was hostess at cards and supper Wednesday evening when she entertained several ladies.

Mrs. Olive Troyer and Mrs. William Blunk joined Mr. and Mrs. A. D. Sharrett Sunday in the celebration of their 25th wedding anniversary.

**It's ALL BUICK—**

**and only \$1835.00**

ON some cars, it might not be such standout news.

But when you read the price tags on this smart and sizable Buick SPECIAL of 1950—

When you listen to the throaty baritone of the big Fireball valve-in-head straight-eight engine that fills its bonnet—

When you feel its lift and surge on the road, sample the soft smoothness that's yours with coil springs on all four wheels (and wide Safety-Ride rims as well)—

When you see how neatly this beauty slips into pocket-size parking places, avoids "locked-horn" tangles, and threads its way through traffic—

When you take in its roominess, see its wide outlook, picture yourself traveling in the sleek, taper-fender styling that calls the turn on the smartest fashions for 1950—

When you bear some of the miles-per-gallon figures happy owners of this beauty are reporting—

Man alive, this stands out as a bargain that says "Grab me quick!"

Actually, dealers have trouble keeping this particular model of the 1950 SPECIAL on hand. Quick action may be able to nail one for you — or a six-passenger model in 2-door or 4-door body-type.

Why not see your dealer now — and start the New Year as a Buick owner at a cost that's less than for some sixes?

This stunning, fresh-lined 3-passenger 1950 SPECIAL Coupe delivers as shown for . . . **\$1835.00**

State and local taxes extra. Prices subject to change without notice. Prices may vary slightly in adjoining communities due to shipping charges.

**DYNAFLOW PRICE REDUCED \$40.00**

All 1950 Buick SPECIALS are available with Dynaflow Drive at optional equipment, at a price now \$40.00 less. This price reduction also applies on SUPER models delivered after December 1, 1949.

When Michigan became a state in 1837 the population of Detroit wasn't 10,000. If Los Angeles doesn't count the tourists out there as population next year, Detroit will continue to be the fourth largest city in the United States.

The lilacs you admire on Mackinac Island were planted there by the French more than a century ago. Some of the bushes now have stalks that are four, five and six inches in diameter.

Even though Michigan's divorce rate has been cut in half in the past two years by the hard-boiled actions of the circuit judges, still the ratio of divorces runs high. The average is one divorce out of every three and nine-tenths marriages. The national average is considerably under that of Michigan.

Why the State Highway Commissioner permitted his department to send out such a negative statement pertaining to the possibilities of a bridge across the Straits of Mackinac as was received a few days ago by the newspapers of Michigan, is more than one can understand.

It is true that there are some questions to be answered in connection with such an undertaking, but when the publicity section of the highway department questions every phase about the proposal there is some wrong thinking somewhere.

We did note, with some satisfaction, that Commissioner Ziegler has recommended the creation of a commission to investigate the question thoroughly.

There is no question but what something has got to be done about the transportation problem at the Straits of Mackinac. Why, during the past ten or twelve years something hasn't been done to remedy, even in a temporary way, the Straits traffic situation, is difficult to understand.

Editor Phil Rich of The Midland News thinks about as does the writer of "My Michigan" column on this subject. It is time to stop talking about it — and DO SOMETHING.

Mr. Rich recently commented as follows:  
**NON-POLITICAL STUDY OF STRAITS BRIDGE IDEA OK**  
Speaking at a road commissioner's meeting in Grand Rapids last week, State Highway Commissioner Charles M. Ziegler said something that makes common sense in our notebook.

His statement: "I recommend that the Legislature re-establish a Straits Bridge Authority and authorize sufficient funds for its use so that all data can be secured and analyzed to determine once and for all the feasibility of such construction—and it will thus be taken out of the realm of politics."

"It has always been my contention that the State of Michigan owes to the two peninsulas the best connections across the Straits that are economically possible," he added.

Ziegler's statement came on the heels of one issued by Prof. Kenneth K. Landes, of the University of Michigan geology department, who claims rock formations in the Straits area will not support a bridge.

Ziegler contends that highway revenues are not sufficient to finance a Straits bridge if the idea is sound. He claims tolls would not pay operation costs plus bond retirement "even if traffic was doubled." Therefore, he says, the money must come from legislative appropriation.

He's also opposed to a "fair weather" dock on the present causeway on the St. Ignace side. He points out that high winds occur "on an average of 50 or more times a year during navigation season" and that it would be unsafe to use an unprotected dock during those periods.

Ziegler would build a new dock at St. Ignace on the old furnace dock site which would reduce the length of the ferry run about a mile and a quarter each way. He also points out adjustments at the Mackinaw City docks are necessary before the new boat (now on order) is put into service. This boat will carry 50 per cent more vehicles and will be too wide for the slips at either dock at present.

As for Charlie Ziegler, he lacks imagination and will NEVER build a bridge; tunnel or probably never shorten the route.

A good example of his attitude is found in his statement regarding the causeway. Other competent engineers have demonstrated "it can be done," it can be extended and from each side of the straits, yet Charlie says it can't be done. Perhaps he never heard of a breakwater arrangement where you could run a boat in most any wind and behind which car ferries could easily find shelter. To cut the distance in two would be to double the number of boats.

Another sample of his lack of imagination is in the newly designed boat which means rebuilding the docks before it can be used.

Perhaps a third is his attempt to judge ferry service and bridge cost merely by present traffic or "double" what it is now. As a matter of fact with a new loop around Lake Superior (when such road is opened) traffic will increase ten, twenty or even fifty times today's total.

A fourth example of lack of vision is that such a route may overnight become imperative as a military highway. There should be such a highway right up the center of Michigan; a bridge and/or tunnel across; shortened ferry routes to boot; a direct wide four-lane road to the Soo area and adequate bridge across the river there as soon as it can be done. It might be well to recall that our next great fight may come from the far north. The U. S. government

could well be concerned on this point and pay a liberal share of the cost.

In his years in office Ziegler has made few improvements in the docks or ferry service. He has speeded loading and unloading, but even this could be improved. Boats, while making an attractive trip, lack decent toilets half the time; paper and supplies are generally short; supply floors dirty. There are no magazines, pop, candy, sandwiches for sale for regular "trippers" who have seen the view dozens of times.

We have long contended that the Straits bottleneck will remain Michigan's most serious traffic headache until a modern highway link is put either over or under the Straits.

To travel by ferry is picturesque perhaps and enjoyed by the vacationer. But travel across the Straits has long progressed beyond the "picturesque" stage. Thousands of motorists take the state-owned ferries for the simple reason they want to get across the Straits. They're more than willing to let the Mackinac Island ferries handle all the "picturesque" traffic.

Meanwhile, the upper peninsula lacks the industry and development it should rightfully enjoy. Such development awaits construction of an efficient means of crossing the Straits by truck and automobile.

The University geology professor may be 100 per cent right in contending that a bridge or tunnel is not feasible for the Straits. Or he may be all wet.

It has been our experience that you can always find one or more persons or groups of persons who can find reasons why something can't be done.

It takes men with imagination and courage to find a way to do the "impossible." And they always face opposition from do-gooders who are sure that the only solution is to do nothing because nothing can be done.

During the war, a slogan was often found in government offices, industrial plants and military installations. It was: "The difficult we do immediately. The impossible takes a little longer."

Michigan has been doing "the difficult" — trying to handle its Straits traffic with an inadequate system of ferries.

It's about time that this state really tries the "impossible" — the building of a bridge, tunnel or something competent to handle a modern problem in a modern manner.

# Babson's Christmas Message

I have just returned from a day spent walking the streets of Boston looking for Christmas presents. I suppose that the store decorations and exhibits are worthwhile, but somehow they make me a little sad. Perhaps it is just because I am getting old. Certainly, today's Christmas excitement does not give as much joy to my grandchildren as to the much simpler Christmases gave to me when I was a boy. When I talk about Santa Claus to them, they say,—"Now, Grandpa, you know that there really isn't any Santa Claus!" Perhaps this feeling indicates a sign of progress; but I wonder.

**What Would Jesus Say?**  
I wish Jesus could have accompanied me on this trip around the big department stores; and this I say in a respectful manner. Of course, I do not know what He would say,—whether He

would be sad and critical, or whether He would enthrall with the crowd. Probably He would not object to our people having expensive presents if it were not for His children who are starving to death in Europe and Asia. He surely would be thinking of them and wishing that money being spent here for so many useless gifts could be spent on food and clothing for His children abroad.

I would also like to hear Jesus' comment on the new trend of window dressings. When I was a boy, the leading store window would have a manger with a representation of little Jesus with His mother, Mary, leaning over Him. The department stores especially made an effort to connect up Jesus' birth with the Christmas Holidays. As I became older, there was less about Jesus' humble birth; Santa Claus

was featured in place of Jesus. His mother and the three wise men. But this year some large department stores are forgetting both Jesus and Santa Claus. They have in their windows wild animals which wag their heads, shake their paws and talk,—animals which have been featured in the comic strips. I wonder what this trend will lead to!

**Danger of Expensive Toys**  
Illustrating the inflation that is creeping over the nation, are the toys being exhibited in the store windows. It was not many years ago when five dollars would be the maximum which one would pay for a child's toy. The average toy or game would sell under one dollar. To my great surprise I find many toys being sold for twenty dollars. The parents moreover are spending for gifts for their adult friends proportionately high figures. In fact, I fear that the main difference between a man and a boy is the amount which he pays for his toys!

We should not forget, however, that "as the twig is bent, so the tree grows." This means that when the child is started with such expensive toys he will later demand proportionately expensive things in clothes, motor cars, college education, etc., as he grows up. This means that the father must have more income; this encourages the labor union movement and all the industrial troubles that go therewith.

**Some Hopeful Signs**  
A vicious inflationary circle which could get beyond control may be started by these expensive Christmas toys which we now give our children. When a boy, I was perfectly satisfied with an orange in the toe of my Christmas stocking, with a few fifty cent toys and a bag of hard candy. Furthermore, these simple gifts may have meant as much sacrifice to my parents as the expensive gifts of today mean to modern parents. Yet, I do feel these shop windows may be igniting a social prairie fire which could develop into a great inflationary conflagration.

It was not many years ago when, the week before Christmas, many poor underfed children, raggedly dressed, could be seen peering into these store windows with envious eyes. Today I see no such children. This is a hopeful sign. Not only are there very few poor in this country today, but the nation's health has greatly improved. We have bumper crops, and almost full employment. When I think of the wonderful research work now being freely done throughout the nation, I feel that we all should have a merry, merry Christmas. Let us show our gratitude by giving a big Christmas present to our charities and to our Church.

## Symphony Helps Plan Bach Event

Plymouth's Symphony orchestra is one of the 57 music organizations which will participate in the commemoration of the 200th anniversary of the death of Johann Sebastian Bach scheduled for the Detroit Masonic Temple on Sunday, February 5.

Leonard Bernstein, one of America's most outstanding musical figures, will conduct the afternoon's program which will be highlighted by performances by such well known musicians as August Maekelberge, organist and Otto Krueger, flutist. Mr. Bernstein is known to all music lovers as the conductor of the Boston, Philadelphia and New York Philharmonic orchestras.

Miss Hanna Strasen and Mrs. Norma Cassidy are in charge of Plymouth ticket sales for the program. Although brochures have been sent out to Plymouth residents which included ticket applications, the ticket chairman advise securing tickets here in the city rather than writing to Detroit for them.

## African Films to be Shown at Art Institute

Action-packed color motion pictures of "Primitive Tribes of Darkest Africa," containing the only sequence ever filmed of the secret "coming of age" ceremonies of the Bervards and Zulu maidens, will be shown in a World Adventure series public lecture at 3:30 next Sunday afternoon, December 18, at the Detroit Institute of Arts.

Graham Young, youthful South African adventurer whose cruise from Cape Town to the West Indies in a 34-foot yawl is recounted in the best-seller "The Wind Is Free," will appear in person with his color pictures.

The new color film features dangerous native lion and elephant hunts, and camping in the big game country. Shown are the fearsome tribal customs of the Zulus, Bavendas and mountain-dwelling Basutos. There is a trip across the torrid Kalahari Desert in a diesel truck, and an expedition through the Okovango Swamps in a dugout canoe. Intemperate with the romances of daredevil adventure are shots of modern South Africa, and its rapidly growing cities and seaports.

## Conservationists Slate Christmas Party

Movies about World War II were shown at the December 7 meeting of the Western Wayne County Conservation Association. The films were presented through the courtesy of Cass Hough, formerly of the Army Air Corps, and brought back many memories to the ex-GI's present.

The Conservationists made plans for their holiday party to be held next Wednesday, December 21, at their club house on Joy road. Members, their families and friends are cordially invited to attend and join in on the fun. The party will begin at 8 p.m.

## Letter Box

"I, as a mother, was very much surprised and also sadly shocked last week on accepting an invitation from our teen-age daughter to attend a tea given by the home economics class and their teacher, for all of the girls' mothers.

"I found the table set with a lace table-cloth and beautiful dishes and silver and also bright Christmas decorations to fit the occasion.

"We were served with hot tea, punch, cookies, open-face sandwiches and candy, prepared by the girls.

"They had printed their programs on white paper cut in the shape of a snowman and presented a cute little skit besides many songs, some solos by others in the chorus.

"THERE WERE TWO OTHER MOTHERS PRESENT BESIDES MYSELF.

"I think this was poor thanks to them for their efforts.

"I realize that this is a busy time for everyone, but I feel that we should take part in our children's activities. I have always tried to share with our own, for in later years they will forget that some mending or ironing or maybe some dirty dishes waited while I enjoyed their fun. But they will always remember that I was backing them up on the sidelines regardless if it was baseball, football or basketball or any other activity which they had a part in.

After seeing a film, (shown by the Plymouth Savings Bank) on Friday night on child delinquency, I was prompted to write this. Neglect is the thing which causes most child delinquency and you are shirking your duty and offending their teachers who are trying so hard to do the right things for you and them.

Give this letter a little serious thought for if you don't live with your children, you may have to live without them."

In Evanston, Illinois, young flyer Richard Crockett swooped low enough over a football game to shout "What's the score?," heard the score the following Monday from Judge James Corcoran: "\$100 fine and \$5 costs."

To the Man Who Is Worried About His Friends . . .

OCCASIONALLY, we encounter a man who hesitates to buy a Cadillac for fear his friends might think him ostentatious.

For all such people, we have the most reassuring news: The experience of Cadillac owners would indicate that your fears are without foundation.

True, the world has long since recognized that a Cadillac car is a fine and distinguished possession—but most people understand that quality is not a luxury, and that distinction is the offspring of goodness.

The facts in support of Cadillac's practicality are so convincing that the mere recital of just a few should be sufficient reassurance for the most hesitant buyer. Take, for instance, the matter of cost. There are eight other makes of cars which actually have certain models that are priced above the lowest-priced Cadillac. There is long life, for example. Four Cadillacs, of the 1942 Series, ran a total of 2,599,000 miles in a test recently concluded by a great tire manufacturer—almost 650,000 miles per car. All four were then sold into private service—and are still going strong!

Then there is economy. Innumerable tests show that the 1949 Cadillac actually approaches the lowest-priced popular cars in gasoline economy.

And, finally, there are the dependability records—which prove that the car's freedom from the need of repairs is just as unusual as its performance and beauty! Yes—if you are ready for a Cadillac, come in. You will never make a more sensible purchase—or one of which your friends will more heartily approve.
