

Today, Friday and Saturday Dollar Days In Plymouth

Stores Displaying Banners Offer Many Unusual Values

Today, Friday and Saturday are Dollar Days in most Plymouth stores. For the first time since the start of the war the majority of the local merchants have banded together to offer local shoppers some unusually attractive merchandise values.

This week's issue of The Mail is filled with the merchandise specials that are being offered at sale prices on these three days. The sale event is the first of a series that local business firms are planning to attract dollars into their stores, and at the same time show residents of this area that there can be found regular merchandise values in local

stores that will compare with those anywhere.

In some instances actual sale items have been marked far below cost to interest shoppers in visiting the stores. It will pay everyone to examine closely the values offered, and savings of many dollars can actually be made if purchasers take advantage of the sale event.

Most participating stores will remain open until 9 on Friday evening and close as near to 6 p.m. on Saturday as is possible.

All stores participating in the dollar day sale will display uniform window banners on the three sale days.

Urges Parking Action Before Business Moves

Officials of the Plymouth Chamber of Commerce and other business leaders heard Professor H. Edgar Gault of the University of Michigan say Monday noon that cities throughout the nation that were not providing sufficient parking areas are losing their business sections.

Professor Gault is of the University school of business and met with local business men to offer assistance of his school in city planning and other retail problems. He was most emphatic in his remarks regarding parking, pointing out in several instances here in Michigan where within the last few months entire retail shopping areas had moved several blocks to gain adequate parking facilities for their customers.

The result of these moves leaves a blighted business section which proves undesirable to the stores that remain and to any new business concerns looking for locations, he said. He stated the latest town to have such a situation was Fenion where a group of stores moved from the main business section to the edge of the town, and now most of the remaining stores are attempting to locate in the new shopping section.

High rents and unreasonable values placed on possible parking areas were given as the reasons for the majority of these conditions, Professor Gault stated.

At the conclusion of the parking discussion, plans were made by the Chamber to get immediate action on more parking areas

in downtown Plymouth. A committee will meet with the city commission at their next meeting to urge action on proposed parking areas.

Plans were also made at the meeting to hold three or four work shops with the business school and local retail merchants and their sales people to discuss better ways of selling and accommodating shoppers. Announcement of these meetings will be made at a later date by the Chamber of Commerce.

They will be open to all local retailers and their sales personnel.

Commission to Hear Plan For City Annexation

Members of the Chamber of Commerce and interested citizens will meet with the city commission next Monday night to discuss the possible annexation of land northwest of town to the city of Plymouth.

Because of the rapid growth of the community, these citizens feel that additional tax revenue is necessary for city improvements. Present taxes collected from Plymouth residents are insufficient to meet these costs, according to the group that will submit the annexation proposal.

They believe that tax revenue from surrounding industries, which Plymouth serves, will provide funds for the city improvements.

Decorate Lobby of Mayflower

The redecoration of the lobby of the Hotel Mayflower has been completed, it was announced by Ralph Lorenz, hotel manager. O. M. Valiquette of the Handicraft Furniture company of Ann Arbor did the designing for the redecoration and the H. R. Penhale company of Plymouth did the walnut cabinet work in the lobby.

The walls of the lobby have been papered with the Down East scenic pattern wallpaper. New brown and gold carpets have been laid, carrying out the colors of the lobby ceiling. Chairs and divans in the lobby are upholstered in shades of coral, green and grey.

Walnut paneling and desks have been used in the manager's front offices. The railing across the front of the office holds built-in containers for plants at each side, and Currier and Ives prints and marine water color pictures decorate the office wall.

Attend Governor Williams Program

Dr. George Timpona, postmaster, and R. P. Hoffman, vice president of Peerless Industries, were present at the Mid-Century American Rededication committee meeting in Lansing last Thursday.

The committee's comprehensive, well-organized effort to understand the values and aspirations of American freedom and democracy was assured at the meeting in the House of Representatives when a permanent organization for that purpose was planned.

Dr. Williams Has New Associate

Dr. William C. Herbold is the new associate of Dr. A. C. Williams at his office on Starkweather avenue. Dr. Herbold takes the position formerly held by Dr. C. B. Jackson who has located in another city.

Dr. Herbold has had offices in New Buffalo, Michigan and Chicago, and up until the time he moved to Plymouth he has been the health officer at New Buffalo.

A classmate of Dr. Williams, Dr. Herbold graduated from the Chicago College of Osteopathy. He and his family reside at 644 Adams street.

Schedule Club's April Elections

The board of directors of the Western Wayne County Conservation association will meet next Wednesday, March 8, at the club house to appoint a nominating committee. The committee will then take care of nominations of new club officers to be elected at the first club meeting in April.

The club's Millionaires Party is set for March 11 at 8 p.m. in the club house on Joy road. Merchants of Plymouth and the surrounding area have donated gifts which will be placed in the Auction Barrel that night. The gifts include ladies' and men's wear, auto accessories and certificates for dinners, groceries and amusements. Games and other entertainment will be held at the party, and the public is invited to attend.

Youngest Pilot Earns License

The youngest private pilot in Plymouth, and perhaps in the state, received his license March 20. He is Tom Benson, son of Mr. and Mrs. Eugene Benson of Blunk avenue.

Young Benson passed his flight test two days after his 17th birthday, the minimum age requirement for the private pilot's license. Besides passing a written examination and the flight test, Benson had completed the necessary 35 hours of solo flying. His instructor was Bob Mettetal who teaches at Mettetal airport on Lilley road.

He attends Plymouth High school and also works for Norbert Lofy, manager of the Hotel Mayflower coffee shop. This after school job payed for his flying instruction.

COAL SITUATION IS ACUTE HERE

School Board President Breaks First Ground for New George A. Smith School....

Board of Education president Kenneth Hulsing turns the first earth on the site of the new George A. Smith elementary school which will be built at a cost of about \$325,000 on the site near Simpson and Harvey streets. Ground breaking ceremonies were held last Wednesday noon on one of the coldest days of the year. A dedicatory prayer and dedicatory remarks were made by school board trustee James Gallimore. Principals at the ceremony shown above are Leo Kowalcik, Architect Thomas Moss, superintendent Helmar Nelson, school board members Marion Morrow, Dr. A. C. Williams, Robert Wesley and James Gallimore. Others are Henry Fisher, representing the city, George A. Smith, Captain William Roberts, Dr. Frederick Poole and Mrs. Roswell Tanager.

City Rations Coal Supply in Emergency

The city commission declared a state of emergency in Plymouth in view of the serious coal shortage affecting the city. Following the special commission meeting last Monday night immediate action was taken to exercise the commission's emergency powers in order to safeguard the city's health and welfare until the settlement of the coal strike.

The city police were authorized to ration all coal deliveries. Members of the police and fire departments have made a survey of coal supplies in all sections of the city. Over 200 emergency calls have already been received at the city hall and anyone in serious need of coal should contact the police department. They will check the need and fuel will be given for vital services only.

The city has made possible the contracting for 40 tons of coal from the Plymouth Tube company. At the time of the meeting Eckles Coal company had 50 to 60 tons available; Roberts Coal company, 20 tons, and the Plymouth Lumber and Coal company, 60 tons. Shipments of coal to the companies were promised but no guarantee of delivery was made.

An offer was accepted by the city for wood to be taken from the Hough woods south of Ann Arbor trail. The offer was made by Cass Hough, city commissioner, and the commission passed a resolution authorizing the city manager to take charge of the cutting of the wood. The delivery and sale of the wood will be made by the Eckles Coal company and the proceeds less delivery cost will be remitted to the city. It was estimated that the cost of the wood will be about \$10 a cord. If necessary, cutting will begin this weekend.

Starkweather school, the only school in the area burning coal, has less than an eight day supply. The heat in the school is now being reduced to 40 degrees at 2 p.m. in order to conserve. All evening and Saturday activities in the school have been cancelled. The Daisy Manufacturing company has 3 1/2 tons on hand which they are selling to employees in need of fuel.

Greenhouses in the area will suffer serious loss of plants and

Plymouth residents who recently converted from coal heating to oil or gas heating, and who have a supply of coal that they no longer need, are urged to notify the city police department of their supply in order to aid in the present fuel crisis in Plymouth.

flowers if the shortage continues. Efforts will be made to supply them.

The Mayflower hotel had exhausted their supply of coal and were attempting to obtain fuel, either coal or wood. The Dunning public library had a two day supply and may possibly receive coal from the Wayne county library headquarters. City hall is down to a two day supply. The Methodist church had enough fuel to last until today, the Presbyterian church had five tons and the Lutheran church had two tons. The Cloverdale Farms dairy is now burning wood in place of coal. The Wall Wire company had enough coal to last until March 10.

Even if the coal miners' strike is settled within a few days it will take at least 10 days for coal deliveries to reach Plymouth. Citizens are urged to conserve coal by closing off unused rooms, closing stairwells, and turning off heat in bedrooms. The Detroit Edison company reports that approximately a 50 day power supply is on hand and no immediate dimout regulations will be enforced.

Many people have already cut trees on their property for furnace use. The great number of users of oil and gas heat in Plymouth have lessened the demand for the coal in the area. Continued cold weather, however, increases the seriousness of the emergency.

Teacher Suffers 1st Degree Burns

Harry Reeves, teacher at Plymouth High school, returned from Sessions hospital in Northville where he was treated for first degree burns. Reeves was burned February 22 when his clothing caught fire while he was standing near the kitchen stove.

At first the burns were thought to be more serious, but upon examination physicians found that they were only first degree and Reeves was released from the hospital after three days. He expects to return to school next week where he teaches American history and economics to the 12th grade students.

Grange to Show Hunting Films

Hunting, fishing and travel films will be shown tonight at the meeting of the Plymouth Grange in the hall at 3:30 p.m. The Grange secured the films from the division of education, Department of Conservation at Lansing.

Patchen PTA Shows Films at Meeting Tonight

Films will be shown at the meeting of the Patchen school Parent-Teacher association tonight at 8 p.m. in the school on Newburg road. The film showing will follow a short business meeting. The meeting is open to the public. Refreshments will be served and all are welcome to attend.

Britten Pays Official Visit to Kiwanis Club

Lieutenant Governor Erv Britten of Kiwanis International addressed members of the local club Tuesday night at the meeting in the Hotel Mayflower. This was his official visit and he spoke on the merits of being a good Kiwanian. A board meeting followed the regular meeting.

Play Will Raise Funds for Kiwanis Scout Cabin....

Members of the cast of "John Loves Mary" have a final rehearsal before they appear next Monday, Tuesday and Wednesday nights at the high school for the Kiwanis club in another fund raising show for the latter's Girl Scout Cabin which is nearing completion on the edge of Riverside parkway. Centering around the difficulties arising in plans for a hasty wartime wedding, the three-act comedy features all local talent in a production which saw success on Broadway only recently. The leads are taken by Mrs. Earle Lewis and Douglas Havershaw, with direction by Lynton Ball. Its presentation under the auspices of Kiwanis is by members of the Plymouth Theater Guild in their first public performance. Members of the cast in the above picture are, seated, Mrs. Lewis, Havershaw and Mrs. Harold Kuisel; standing, Ball, Dean Saxton, Mrs. Frank Dicks, Stewart Dodge, Mrs. Hugh Law and C. Veach Sparks. Not present when the picture was taken was Mrs. John Birchall.

Health Officer Warns of Measles Infection

Several cases of measles have been reported in Plymouth and Dr. Harold J. Brisbois, health officer, has warned all infected to observe quarantine restrictions.

36 Colleges Represented at U of M Club Banquet

Thirty-six different colleges and universities were represented at the University of Michigan club All-College banquet last Thursday night in the First Presbyterian church dining room.

Cheek Appointed City Manager of Lexington

Harold Cheek, former city manager of Plymouth, was appointed city manager of Lexington, Kentucky, last Monday. Since leaving Plymouth last fall, Cheek has been working for the municipal league in Chicago.

Daisy Addition Contracts Let

Contracts have been signed for the construction of an addition to the Daisy Manufacturing company, it was announced this week. The architects for the addition are Gould and Moss, architects and engineers, of Plymouth.

The Burger, Dobbs company of Plymouth has received the contract for the architectural trades; Hickey, Shaw and Winkler of Detroit have the plumbing and heating contract and the Corbett Electric company of Plymouth has the electrical contract.

Construction will begin immediately on the new addition, which will be used for both manufacturing and employees facilities.

Two Artists Give Recital March 12

The fifth concert in the Plymouth Symphony series will be given Sunday, March 12, at 4 p.m. in the Plymouth High school auditorium. This concert will be a joint recital featuring Josef L. Lazareff, violinist, and Evelyn Woods, pianist.

Plymouth residents are fortunate to have this opportunity to hear these two talented artists at the same performance. Miss Woods was guest soloist at the symphony's concert February 26 and her excellent work is well known in the area.

Debaters to Meet Hamtramck High School in State Semi-Finals

The Plymouth High school debate team will meet Hamtramck High school in the state semi-finals which are tentatively scheduled for Tuesday, March 14, in the Plymouth High school gymnasium. The debaters, Ronald Witt and Roger Kidston, will present the affirmative view in the debate. If they win this debate they will be eligible to compete in the state finals for the championship.

Celebrate Golden Wedding....

Mr. and Mrs. August W. Pankow of 424 North Main street will observe their 50th wedding anniversary this Sunday, March 5. The couple will celebrate by holding open house from 2 to 5 p.m. for all their friends and relatives. They have lived in Plymouth for the past 29 years.

St. John's to Hold Confirmation on Sunday March 5

Bishop Emrich

On Sunday evening, March 5, at 8 o'clock, the Rt. Rev. Richard S. Emrich, Bishop of the Episcopal Diocese of Michigan, will be in St. John's Episcopal church at the corner of Harvey and Maple streets in Plymouth, to administer the Sacrament of Confirmation, or Laying on of hands. This ancient rite, through which a Christian comes into full communion in the church, is always performed by the Bishop, and is most meaningful.

Those who are to be confirmed are: Barbara Davison, Mr. and Mrs. William Davison, Barbara Evans, Roger Ingall, Jean Johnson, Kathleen Keith, Marie Post, Cheri Ann Ritter and Everett Williams. The public is cordially invited to this service.

The Rt. Rev. Richard S. Emrich, Ph.D., S.T.D., LL.D., seventh Bishop of the Episcopal Diocese of Michigan, has studied at Phillips academy, Andover, Massachusetts, and graduated from Brown university in 1932. He then studied for a year at the Episcopal Theological school, and two years at Union seminary in

New York City, where he graduated in 1935 with a degree of bachelor of divinity. Receiving a fellowship for study in Europe, he obtained his Ph.D. at the University of Marburg.

In 1946 he was elected Suffragan Bishop of the Diocese, and came here in the fall of that year. He was elected Bishop Coadjutor at the Diocesan convention in January, 1948, and in the spring of that year succeeded Bishop Creighton as Bishop of the Diocese.

Bishop Emrich has written two books, numerous pamphlets and has done considerable amount of lecturing.

Cook Leads Class D League Scoring

Only one player in the Class D recreation league scored over 100 points and that was Cook of the Training School who had 102 points in 10 games for an average just a fraction over 10 per game.

Second to Cook was Howard Carson of the Panthers with 76 points but he did not play in two games because of forfeits that probably would have brought his total to more than what it is.

Thompson, another lad from the Training School Red Birds, placed third with 68 counters while another teammate of his, Turner, dropped in 61 points.

Following is the list of players who have scored over 50 points in the league this season: Cook, Red Birds, 102; Carson, Panthers, 76; Thompson, Red Birds, 68; Turner, Red Birds, 61; Bloomhoff, Gould's 59; Deace, Gould's, 57; Klinske, Panthers, 56; Vargha, Eeeneke, 52; Blessing, Bulldogs, 51; Anthony, Rock Crushers, 51; Becker, Gould's, 51; Rodman, Rock Crushers, 50.

Local Volleyball Team Downs DeHoCo

The Plymouth Men's volleyball team, which has been playing every Tuesday evening at the Starkweather grade school gym, won four games from the Detroit House of Correction on Friday, February 24.

Meeting on Tuesday and Thursday evenings at Starkweather, the men have gotten together a fine volleyball team. On Tuesday nights the men just come in and practice while on Thursday nights they play games with two evenly matched teams divided up among themselves.

Dunbar Davis and Bill Foley are the supervisors and they are quite proud of the men and the teams. Approximately 20 men attend each night.

Boys' Boxing Club Schedules 12 Fights Here Saturday Night

The Plymouth Boys' Boxing club has scheduled 12 fights for Saturday night, March 4, in the gym of Plymouth High school, when they put on their third show of the year with Wayne, which should prove most interesting.

On February 15 the boxing club journeyed to Wayne from where they emerged victorious, winning four bouts and losing none.

Following is the list of boys scheduled to box: James Palmer vs. Dick DePois; Douglas Simpson vs. Terry Goebel; Bobby Danol vs. Don Fleming. The first three bouts are no decision matches, but the remaining nine are: Clarence Carrven vs. C. Sherwood; Arlan Ottensman vs. Don Mainro; Don Becker vs. Pat Woodruff; Dick Cramb vs. A. Savan; Harold Shiffer vs. Adolf Garcia; Clarence Love vs. Clarence Lowe; Deloss Kew vs. Bill Nichols; Benny Hurd vs. DeWitt Phil Saka vs. Leslie Goodlet.

All of these bouts are subject to last minute changes. A good crowd is expected for this show and the Junior Firemen and Junior Police will be the guests of the Boys' Boxing club.

In Memoriam 28

In loving memory of Walter J. Smith who passed away 19 years ago, March 2, 1931. A precious one from us has gone. A voice we loved is still. A place is vacant in our home, which can never be filled. Sleep on dear dad and take thy rest. God called you home when He thought best. Sadly missed by his wife and children. 28-1tp

Rites Tomorrow For Mrs Bentley

Funeral services will be held tomorrow, Friday, at 2 p.m. from the Schrader Funeral home for Mrs. Frances Waters Bentley who passed away at her home, 545 West Ann Arbor trail, Tuesday evening at the age of 78 years. Mrs. Bentley has been a resident of Plymouth for the past 10 years, and was formerly of Walled Lake. Surviving are her husband, Benjamin A. Bentley; two daughters, Mrs. Sadie E. Hitchcock of Grand Rapids, Michigan and Mrs. Christine Allen of Portland, Oregon; her brother, Ellsworth G. Waters of Morrisville, New York, and five grandchildren and four great grandchildren. Interment will be made in Walled Lake cemetery.

Camera Clubs to View African Films Tonight

The Rev. Edgar Hoenecke, of St. Peter's Evangelical Lutheran church, Plymouth, will show the films taken on his African trip to the members of the Bloomfield Hills Camera club and the North-west City club tonight, March 2, at 8 p.m. at the Science Institute auditorium on Cranbrook avenue, Detroit.

"The stormy March has come at last.

"With winds and clouds and changing skies."

... Bryar
 The month of March is commonly associated with high winds and violent storms but we in the insurance business know that there is not a month in the whole year which has escaped the fury of storms which have destroyed thousands and even millions of dollars worth of property.

Yes, no matter what the month or the section of the country, there is the ever present threat of destruction from the elements. Fortunately, you can guard against this peril and several others at small additional expense by having what is known as the Extended Coverage Endorsement added to your fire insurance policies.

May we tell you more about it?

1950 MERCURY TOPS ALL WINNERS IN MOBILGAS GRAND CANYON RUN!

1950 MERCURY WITH OVERDRIVE AMERICA'S "NO. 1 ECONOMY CAR"!

Sets amazing new gasoline mileage record for gruelling 751 mile Grand Canyon run as it outperforms 30 other entries from America's leading car makers!

YES, now it's officially-proven! Pound for pound, the big new 1950 Mercury IS America's most economical car!

For, in the 751 Mile Mobilgas Grand Canyon Run conducted by the American Automobile Association last week, Mercury delivered grand-prize winning gasoline economy—over a rugged course which ranged from Death Valley to 7000 foot mountain passes!

This remarkable economy—made possible by the combination of Mercury's thrifty, V-type, 8-cylinder

engine and its gas-saving "Touch-O-Matic" Overdrive—came as no surprise to Mercury owners. For many Mercury owners had repeatedly reported gasoline economy far above average expectations.

Yet this unusual economy is only one of the many reasons why thousands of owners are now choosing Mercury. Many say it's the smartest-looking car on the road. Others claim it's the smoothest-riding, most comfortable, too! And all agree it's the biggest value for the money!

Drive Mercury yourself—and see!

You bet it's "better than ever"—**MERCURY**

Hough PTA to View Conservation Films

Members of the Hough Parents and Teachers association will meet at the school March 7 at 8 p.m. for the regular monthly meeting. Two films procured from the Michigan Conservation department will be shown. Soil conservation is the subject of one film, and the other is a sound movie of deer hunting. All members are urged to attend. An informal refreshment hour will follow the meeting. James Allor is program chairman.

Doughnuts will be much crispier if they are rolled out on powdered sugar instead of on flour before they are cut.

To Speak at WCTS

Ketharine B. Greene of the University of Michigan extension service will address a group of cottage parents and teachers at the Wayne County Training school March 7 at 2:15 p.m. Mrs. Greene is prominent in the field of psychology, having served as Minnesota state psychologist and taught the subject in several universities.

Son of Rev. Poole Stops Here on Eastern Trip

Jack R. Poole, son of the Rev. and Mrs. Frederick Poole of the First Methodist church, stopped in Plymouth for a few days last week on his way to Poughkeepsie, New York. He is employed by International Business Machines and will attend a company training program there. Young Poole lives in San Jose, California, with his wife and four children.

O E S News

The regular business meeting will be held Tuesday, March 7, at 7:30 p.m., to be followed by a social hour with refreshments. Pearl Lundquist, P.M., has been appointed chairman of the Blood Bank. Plymouth chapter has joined with other chapters of Wayne county in their efforts of establishing their own blood bank for all members and their immediate families. Any member wishing to donate toward this worthy project will please call 587 for further information.

Highland Park chapter entertained First Four officers on Monday, February 20. Leilia Huebler, W.M., and Charles Huebler, W.P., attended. Thursday, February 23, Keystone chapter entertained. Leilia Huebler, W.M., served as secretary during the evening. In the afternoon Mildred Smith, A.M., served as secretary. Manley Smith, A.P., also attended. Leilia Huebler, W.M., served as treasurer on Friday at Lincoln Park chapter entertaining at First Four.

16. was Mildred Smith, A.M. Among those attending were Manley Smith, A.P., Kenneth and Gertrude Thorpe. Attending Findlater chapter on Friday were Lucille Smith and Gertrude Thorpe as guests of the Conductresses. It was First Four being entertained at Riverside chapter on Monday, February 27. Those assisting with the initiatory work were Leilia Huebler, W.M., in the evening and Mildred Smith, A.M., in the afternoon. Manley Smith, A.P., and Gertrude Thorpe were guests. Sincere sympathy is extended

to Mabel Blunk in the loss of her husband. Best wishes and speedy recovery to those who are ill: John Leitz, P.P., who underwent surgery at Art Center hospital; Lillian Terry, Vivian Swegles and Ara Fehlig, P.M., confined to their homes. We were glad to learn Beulah Miller's husband was brought home from the hospital. The first vehicle to attain a speed of more than 100 miles an hour was a railroad locomotive. Final Plans Set for Woman's Club Spring Fashion Show Tomorrow

A spring fashion show will mark the Plymouth Woman's club observance of their anniversary and Past President's day tomorrow at 2 p.m. in the First Presbyterian church. The show will follow the regular business meeting at 1:30 p.m.

Mrs. J. D. McLaren, chairman; Mrs. Harold Kellogg and Mrs. William Clarke will direct the fashion show, which will be presented by the Sally Sheer shop, Norma Cassidy's, Dunning's and Graham's Ladies' Apparel shop. These stores will furnish models for the spring styles for both women and children. Mrs. David Gates will be the commentator.

General program chairman for the day will be Mrs. John W. Selle. At the tea following the fashion showing, past club presidents will be presented. Mrs. Cass Kershaw will be the tea chairman.

Miss Kubie Weds Robert Mack

At a ceremony in St. Michael's church, Rosedale Gardens, Shirley Jean Kubie became the bride of Robert H. Mack of Wayne, on Saturday morning, February 18.

After a reception at Huck's Inn, the newly wed couple left for their wedding trip to Florida. The at home address of Mr. and Mrs. Mack will be in Garden City on Ann Arbor trail.

Grange News

There was a splendid turnout for the "Bee" on Monday night and a great deal of cleaning was accomplished by the willing workers. Coffee, doughnuts and sandwiches were served.

Tonight is our pot luck supper which we all enjoy and with guests invited, colored motion pictures and special music for the lecture hour everyone should enjoy the evening.

Have you started your apron for the local contest which closes April 6? Two nice prizes will be offered. Miss Ingeborg Lundin of the Plymouth High school will do the judging. The winners may enter their aprons at the State Grange next fall if they desire but there is no obligation.

The membership contest is underway. Louise Tritten is captain of the "Blues" and John Oldenburg of the "Reds." Points will be posted tonight. Find out whose side you are on.

The home economics group wishes anyone who has a favorite recipe and cares to share it please post a copy on the bulletin board.

Youth For Christ Leader to Speak

Ellis Zehr
The Rev. Reinhold Barth of Chicago, field representative of Youth for Christ International, will speak at the Calvary Baptist church of Plymouth on Tuesday, March 7 at 7:30 p.m.
The Rev. Barth will be assisted by Ellis Zehr of Indiana, song leader and soloist. This will be one of the last services conducted in America by this team before sailing for Germany March 11. Zehr has long been active in the Youth for Christ activities.
"Reinnie" has become one of the most popular youth leaders in Youth for Christ today. He started to preach when only 15 years of age. At 17 he was working full time in the rural schools of Michigan. Pastors at the Calvary Bible church in Dowagiac, Michigan, and the Calvary church of Kalamazoo, Michigan followed. While in Kalamazoo he founded and directed Youth for Christ there.
In the summer and fall of 1948 he spent 13 weeks in Europe, first at the World Congress on Evangelism at Beatenberg, Switzerland, and then he took part in the great rally at Nimes, France where 20,000 people were in attendance. He also cooperated in the rallies held at Rome and Naples, Italy. Seven of the weeks were spent in Scotland, Wales and England.
During the last few months, Rev. Barth has traveled widely throughout the United States and Canada holding evangelistic meetings and speaking at Youth for Christ rallies. He is planning to return to Europe this month, to minister for six or seven months in Germany.

When Cadillac says New...
...it's News!
WHEN Cadillac announces that basic changes have been made in its design, it means the Standard of the World has once again been raised.
And that, of course, is news of the first magnitude.
This year, the number of Cadillac changes is far, far greater than is normally announced.
There is, of course, glamorous new beauty. All the bodies have been completely restyled and redesigned and are simply gorgeous in their line and contour.
The great new Cadillac high-compression engine has undergone a host of refinements which enhance every phase of its performance.
Road balance and handling ease are remarkably improved. Steering is easier; braking is softer; and the car's stability on turns and curves is phenomenal. Almost all the effort has been taken out of driving.
Yes—this is a Cadillac "vintage" year—when its engineering and designing and manufacturing have all produced at their superlative best.
Better come in—and come up... to Cadillac.

Church of God Holds Revival

The Rev. Leon Atwell

In keeping with the Lenten theme, "Deepening the Spiritual Life," the Plymouth Church of God has arranged to have a revival meeting with the Rev. Leon Atwell of Mishawaka, Indiana, as the evangelist.

The Rev. Atwell is an evangelist who is in great demand across the country because of his old-fashioned preaching of the Word of God. It is only after three years of effort to work out a suitable time for him to come that the church has been able to secure him as the guest speaker.

An invitation is extended to all for these meetings which will be held nightly, except Saturday, March 6 to 19, at the church.

SEVENTH DAY ADVENTIST CHURCH, 1058 South Main St. Phone 670-R. Services every Saturday. Sabbath school, 9:30 a.m. Missionary service, 10:40. Church service, 11. Sunday evening lecture, March 5. Subject: "Is Heaven on a Sit-Down Strike?" Song service at 7:30 p.m. Lecture, 8 p.m.

CALVARY BAPTIST CHURCH, Ann Arbor trail at Elizabeth St. Rev. Patrick J. Clifford, pastor. Sunday, 10 a.m. Bible school. 10 a.m. Morning worship, 11:15 a.m. Subject: "Lenten Loyalty or Love Loyalty." Gospel service, 7:30 p.m. Subject: "Christ or Custom." A hymn-sing will be held at 9:30 p.m. following the evening service with special numbers from several churches of this area. Tuesday, 7:30 p.m., Youth Fellowship. Wednesday, 7:30, a prayer and praise service. Thursday, 3:45 p.m., Joy club. 7:30 p.m., Boy's Brigade. Tuesday, March 7, Rev. Reinhold Barth and Ellis Zehr, Youth for Christ Gospel team to Germany will conduct a one night service. All are always welcome at Calvary.

FIRST CHURCH OF CHRIST SCIENTIST, Sunday services at 10:30 a.m. Sunday school, 10:30 a.m. for pupils up to 20 years. "Man" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, March 5. The Golden Text (Psalm 100:3) is: "Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture." Among the Bible citations is this passage, (Rom. 8:16, 17): "The Spirit itself beareth witness with our Spirit, that we are the children of God... And if children, then heirs; heirs of God, and joint-heirs with Christ." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 353): "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind."

GENERAL BAPTIST CHURCH, 44129 Gordon. Sunday school at 10:00 a.m. Preaching service at 11:00 a.m. Evangelistic service at 7:00 p.m. Everyone welcome.

OUR LADY OF GOOD COUNSEL CHURCH, William P. Mooney, pastor. Masses at 6-8-10 and 12 a.m.

Plan Addition to Rosedale Church

Sketched above is the artist's drawing of the addition to Rosedale Gardens Presbyterian church. Completing plans for the extension of church-school facilities, a campaign to raise \$40,000 will begin Sunday, headed by Harry C. Burton, chairman; Mrs. Irving R. Hancock, E. P. Balkema, John C. Calhoun and Conrad Hector. The new plans provide for six additional Sunday school classrooms, a new heating unit, pastor's study, larger kitchen facilities and an extension of the basement. Andrew R. Morison is the architect, and construction will begin at the close of the fund campaign. The Rev. J. Woodrow Wooley is pastor of the church.

Dr. Morrison to Speak Tonight at Methodist Church

Dr. Paul Morrison, pastor of the Trinity Methodist church in Highland Park, will be the Lenten speaker at the First Methodist church tonight at 7:45 in the sanctuary. His topic will be, "What Is This Thing Called Love?"

Dr. Morrison served at pastorate in New York City and in Buffalo before coming to Michigan. He studied at New York university, Drew Theological seminary, and received an honorary doctor of divinity degree after special work at Union Theological seminary. At present he is president of the Detroit Conference Board of Education and vice president in charge of public affairs, Detroit Council of Churches. He has been pastor of Trinity church for six years.

DeHoCo Downs Atchinson in First Men's League Playoff Encounter

In the first game of the Men's Basketball league playoffs the Detroit House of Correction downed Atchinson-Chrysler 50-38 at DeHoCo Wednesday, February 22.

DeHoCo led all the way as they put on a fine exhibition of basketball. At the end of the first quarter DeHoCo led 14-11 and took a 27-19 lead at halftime. Vainly trying to emerge victors, Atchinson cleared the bench but could not come ahead of the surprising DeHoCo quintet.

In the last stanza Lee Goodney started sinking baskets for Atchinson along with Clare Ebersole but the immortal Sammy Slough kept the DeHoCo squad ahead with his masterful play. The whole DeHoCo gym rang with cheers as Slough played one of his best games in two years with the Detroit House of Correction, along with other team members.

Sammy scored over 25 points for the third time this season with 26 counters. Clare Ebersole led Atchinson with 13 points while Lee Goodney followed with 10.

First National Bank kept up their pace as they won over Tait's Cleaners 55-46 in the second game of the playoffs and the second game of the evening.

A close game all the way, First National pulled away in the third period and Tait's never came close again. At the end of the initial stanza the Bank boys had gained a scant 10-9 lead and a 21-13 decision at the half.

In the third quarter, with Johnny Slessor and Reinard Heinegar doing most of the scoring for First National, they were able to outscore their opponents 22-16, the highest scoring quarter for both quintets.

Bill Hobbs and Bill Perkins played a fine game for First National, setting up the plays and leading the defense along with Charlie Fortner, Mac Pierce and Bill Stout stood out among Tait's two best of the evening. Reinard Heinegar dropped in 20 points to lead the Bank boys while Johnny Slessor, playing only in the second half, threw in 15 points, missing only two shots at the basket. Dave McIntosh led Tait's with 16 points.

Strong offense and weak defense does not win ball games for you as the Plymouth Mail well found out February 21 as they were edged out by Tait's 64-60. The Plymouth Mail led all through the first half with a 19-11 margin at the end of the first quarter and a 33-29 lead at half-time. In the third stanza Tait's took their margin of victory as they outscored the Mail 24-16. With this victory Tait's were able to make the playoffs as they needed to win seven out of 15 games to make it, and they had previously won six until this encounter.

Rock Cagers Down Belleville For Sixth League Victory of Season

Playing their final league tilt of the season, the Plymouth Rocks emerged triumphantly over the Belleville Tigers 34-24, last Friday night on the home court.

Plymouth, after scoring the first basket, led all the way from the first stanza right up to the final whistle, giving them their sixth league victory and assured the locals of at least a tie for second place in the Suburban 6-B league.

For this encounter Rock Coach John Sandmann elected to start Al Finney, Phil Jacobus, Bud Young, Wally Dzurus and Captain Dick Fenton. Coach Hill of Belleville named his first five men as Zannis, Klawson, Harris, Potts and Chapman. Working fine together the locals took a 9-6 lead at the end of the first quarter as Young started popping the ball through the hoop along with Fenton, Finney and Dzurus.

The Tigers were credited with nine. The Rocks outscored Belleville in every quarter but the third.

Dick Fenton led the Rocks in scoring with 11 points while Harris had eight for Belleville. Bud Young dropped in eight for the locals and Al Finney seven, with Wally Dzurus getting six.

Following is the individual scoring for the game:

PLYMOUTH - 34	
Finney	3 1 7
Jacobus	0 0 0
Young	3 2 8
Fenton	3 5 11
Dzurus	3 0 6
Walsh	0 2 2
Reitzel	0 0 0
12 10 34	
BELLEVILLE - 24	
Zannis	0 0 0
Dubisky	0 3 3
Klawson	1 0 2
Harris	4 0 8
Potts	2 1 5
McDonald	2 0 4
Chapman	0 2 2
9 6 24	

Belleville was constantly throwing the ball away or losing it to the Rocks as Plymouth took advantage of every break they could. Showing the form of earlier season play, the blue and white took a 22-10 margin at halftime.

The third period opened with Plymouth playing as fine a ball game as they had been in the first half of the contest. Led by Bud Young, the locals were keeping pretty good control of both backboards. Late in the third quarter a Belleville player was given a technical foul for swinging at a spectator, and Captain Fenton took the charity toss, giving Plymouth another point.

Although Belleville outscored Plymouth in the third quarter the locals still held the upper hand when the fourth quarter started, 25-20. Dave Fenton, who missed the Rocks' basket with 1:30 remaining in the game, was the only player to score in the final stanza. Fenton's shot was successful, though, and he was still game.

His deception in the final minutes assured Plymouth of a victory.

Phil Jacobus, junior at Plymouth, played one of his best games for Plymouth, even though he did not score a single point. Dick Fenton also performed an excellent game, as he has done all year in helping the Rocks finish with a winning record in the Suburban 6-B league. Wally Dzurus and Alan Finney, along with Bud Young also gave the Plymouth fans their money's worth.

Plymouth sank 10 out of 15 free throws while Belleville slipped and dropped in only six out of 17 charity tosses. The locals led in field goals with 12 while

Belleville Loses to Rock Reserves

Starting off with a poor first half, the Plymouth Rock reserves downed the Belleville reserves by a score of 32-23 last Friday night for the locals final tilt of the season.

Not doing well in the initial period the Rocks were able to edge out with a tie at the end of the first quarter. The local cagers were constantly throwing the ball away and they were missing shots. The shot with Belleville out of the backboards very well. The half ended with the Rocks leading 11-11.

Plymouth lost the lead in the third quarter and it looked as though Belleville would emerge the victors. But with Jerry Finnegan and Dave Travis starting to hit for points and Max Lare constantly stealing the ball, the locals took the lead back in the third stanza and never relinquished it. The period ended with the Rocks leading 23-19.

With five minutes left in the game the Plymouth reserves then started stalling for time, being very effective at it. The Rocks outscored the Tiger reserves 9-4 in the final period, giving them their last triumph of the season.

Dave Travis was once again high point man in the game with 17 points. Dave has averaged about 12 points per game all season with his highest scoring coming against Northville when he racked up 30 points, an unofficial school record. Jerry Finnegan followed Dave with seven counters. Max Lare was the outstanding player of the game although he played only in the second half of the contest. He played a very deceptive ball game and his playing was an important factor in the victory.

Rocks, Trenton Tie For 2nd Place

The Plymouth Rocks had to settle with a tie for second place in the Suburban 6-B league this year with Trenton, each sustaining a record of six wins and four losses. Redford Union took the championship earlier in the season.

Last Friday night the Trenton Trojans avenged the Redford Union Panthers for a previous loss. This gave Redford Union their second defeat of the season. The only other team to beat the Panthers was Plymouth.

Ypsilanti triumphed over the Wayne Zebras, placing these two teams in a tie for fourth place in the league. Belleville lost their 10th consecutive contest of the season, bowing to Plymouth.

Slough Finishes Season As High Scorer in Loop

Sammy Slough took the Men's Basketball league scoring honors in a runaway as he scored 76 more points than his closest rival, Bob Norman. Sammy collected 263 points in 15 games for an average slightly below 18 per game.

Eleven times in the past season of the 15 games he played, Sammy scored 15 points or more. Of those 11 times, he dropped in 20 points or more on six occasions and twice he netted 25 points or more. Slough's high of the season was 27 points against the Plymouth Mail on December 15.

Sammy was elected as the most valuable player in the league this season and that is easy to understand. Probably his DeHoCo team would not have even won a single game all year without Sammy.

Bob Norman scored 187 points for Atchinson-Chrysler during the past season in 14 games for a 13 point average. Don Huebler, playing with First National Bank, came in third in the scoring as he netted 158 points in 13 tilts for an average of 12 per game.

With 153 points in 14 contests, Clare Ebersole took fourth place honors as he averaged 11 per game. Dwayne Becker netted 148 counters in 14 games for an average slightly below 11 a game.

Besides the five mentioned above, following are the names of players who scored over 100 points the past season: Phil Bosman, Plymouth Mail, 141; Bill Perkins, First National, 128; Reinard Heinegar, First National, 124; Milt Neubauer, First National, 124; Dave McIntosh, Tait's 111; Mac Pierce, Tait's, 107.

Heinegar has only played in eight games and holds a 15 point average.

Perkins has played in only nine games and holds a 14 point average.

Sewing Class to Begin Advanced Work March 21

The Plymouth Recreation sewing class, under the direction of Mrs. Humphreys, is now preparing for their advanced class which will start on March 21 in the high school.

At the present time the ladies are completing their suits made in class. The dressmaking or tailoring classes will be featured in the advanced lessons. The sewing class meets every Tuesday and Thursday in the high school at 7 p.m.

Art Classes Now Meet on Wednesday Nights

The new series of Art classes, directed by Harold Stein, will now meet on Wednesday evenings at 7 to 9 p.m. at the high school instead of Tuesday evenings as it was stated earlier.

A fee is charged for 10 meetings, and is payable in advance. Information may be obtained from Mr. Stein or Herb Woolweaver at 93, about joining the class.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

All-Star Games Tonight in Gym

Attention everyone! Here are the games you have all been waiting for. Tonight, Thursday, in the gym of Plymouth High, two all-star basketball games will be played with the first game starting at 7:30 p.m.

The first game will include players who have graduated between the years of 1930-39 from Plymouth High versus the younger lads who left the Plymouth institution between the years 1940-50. The latter players have played in the recreation leagues during the past year.

In the second contest of the evening the Plymouth Men's Recreation league all-stars will play an all-star alumni team from Plymouth High school, who have played in the recreation league this past season. Do not miss these two great games of a lifetime.

To trust God when we have securities in our iron chest is easy, but not thank-worthy; but to depend in Him for what we cannot see, as it is more hard for a man to do, so it is more acceptable to God.

—Feltham

Gym Classes Put on Half Time Exhibition

During halftime of the Plymouth-Belleville games last Friday night, Coach Hilton Ponto's seventh and eighth grade gym classes put on a fine exhibition of gym work.

With Chuck McKenna leading the calisthenics the crowd enjoyed the athletics put on by the youngsters. Coach Ponto was very pleased by the work of the students and the enthusiasm of the audience.

From the North Pole the aurora Borealis, or northern lights, can be seen an average of 100 nights each year and 243 nights from northern Canada.

Down Under The Florida Palm Trees With The Mail's Roving Wolverine

Nothing like a "cold wave" up north—with its snow, sleet and icy highways—to spurt up the Florida tourist business.

What had looked like a rather "off" year for tourists in some parts of Florida, took a decided turn for the better when newspapers reported some real winter weather up north.

While the central part of the state has been enjoying a better-than-usual season, down along the southern east coast, there has been some complaining up until a couple of weeks ago. Then the rush started—and it has not yet ended. It's beginning to look as though March is going to be a good tourist month for all parts of the state.

There is much to indicate that the west and east coasts of Florida are having some real competition from the interior of Florida for the tourist business. A trip to the central part of the state indicates that it is enjoying without question the best tourist "crop" it has ever experienced.

George M. Foster, one of Plymouth's well known citizens who much prefers the interior of Florida to coast areas and who thinks Orlando is about the best city in Florida, has sent to "The Roving Wolverine" a clipping from one of Orlando's papers, which tells of this winter's big tourist rush in Orlando. It follows:

Some of Florida's more glamorous resort areas may be bewailing the lack of tourists—especially the heavy-spending variety—this season, but not so with Orlando.

According to figures released yesterday by A. C. Slaughter, secretary-manager of Greater Orlando Chamber of Commerce, the City Beautiful is enjoying its best crop of visitors in 10 years.

Registration at the C of C information desk indicates that so far at least 16,820 persons have come to Orlando for part of the winter. Last year, as of February 1, the total was about 25 per cent less, or 12,668.

In January alone 6,504 sun-seekers arrived as compared with 5,075 a year ago. They came from 41 states, England, Sweden and Canada. There were 14 from California, of the total, 726 are visiting here for the first time.

Then why are there some vacancy signs still hanging out at guest homes and motor courts? Because this question is so often heard, the chamber and the Orlando Property Owners Assn. explain it this way.

Accommodations have expanded. And the building program in the past year or two around Orlando has far surpassed even a significant gain in the number of winter visitors.

Then too, they say, a lot of folks who previously stayed for weeks and months in a hotel or tourist home, living in one room, have decided that they can live more cheaply in a small cottage and efficiency apartment where they can cook their own meals.

The C of C says that February will undoubtedly be the busiest tourist month of the season again this year, especially if the weather turns blustery in the North and Midwest.

This year, more than ever before, Orlando has scheduled more entertainment for its visitors and is doing everything to make their stay enjoyable.

Sunshine Park, popular center for those who like lawn bowling, shuffleboard, roque and other games, was repaired and renovated at a cost of \$10,000 after being taken over by the City Recreation Department. It is now one of the finest recreation spots in the South.

Under the direction of B. H. Overpeck, there are regularly scheduled card parties, dances and variety programs several times a week plus Sunday afternoon band concerts.

At a nominal sum, tourists can go on a tour of Orlando, Winter Park and a large citrus packing and canning plant two mornings a week.

Concert and lecture series, forums, special films and other cultural activities are planned to coincide with the tourist season.

Virtually every kind of sport—both spectator and active—is provided in or near Orlando including dog-racing, golf, tennis, harness horse training, boating, swimming, fishing and others.

In a postscript Mr. Foster says that "flowers are blooming everywhere and the orange trees are blossoming earlier this year than usual."

Under the heading "Rocket" a writer in The Miami News a few days ago said: "Lessees of Miami Beach hotels who collect advance room rentals from northern tourists, then run out leaving the tenants subject to eviction by the property owners unless they pay room rent a second time are getting more bad publicity for the Beach than news stories of gambling and hoodlums."

A few nights ago Miami Republicans held a Lincoln day banquet which was said to be the largest attended Republican affair ever held south of the Mason Dixon line. Nearly a thousand crowded into the Miami convention hall—something unusual for this part of the country.

One speaker declared that the "rights" of the people so much talked about in Washington should be termed the "snide rights." Another said there are over 50,000 Republicans in the Miami area who are registered as Democrats. This is done, it was explained, because of the fact up until recently, it wasn't a good thing for any one to openly proclaim himself as a Republican in Cracker Florida. But that is rapidly changing and Republican speakers pointed to the large attendance at the banquet as evidence of the fact that Republicans are again daring to express their beliefs in the open.

To Discuss Work to Aid Crippled

The work done in the community by Easter Seal donations will be discussed at the annual dinner meeting of the Wayne Out-County chapter of the Michigan Society for Crippled Children and Adults. The dinner will be given March 6 at 6:15 in the dining room of the St. Paul Evangelical and Reformed church, at 24153 Goddard road.

Dr. John J. Lee of Wayne university will be the guest speaker. He will talk on the subject, "What We See When We Look at Our Program for Crippled Children." The society, which is an affiliate of the national organization, annually sells Easter Seals for funds to aid the crippled.

The public is invited to attend the dinner and reservations may be made by calling Wayne 2455.

The National Professional Tennis association wants to outlaw the word "love" for the word "zero" to describe a scoreless tennis match.

THOMAS F. McMILLAN
Deputy Probate Register
Feb. 16-23, Mar. 2, 1950

TO THE HIGHWAY COMMISSIONER OF THE TOWNSHIP OF LIVONIA, WAYNE COUNTY, MICHIGAN.

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did at a meeting of said Board held on Thursday, February 2, 1950, decide and determine that the certain streets described in the minutes of said Board, heretofore taken over as County roads should be absolutely abandoned and discontinued as public highways, reserving therein the easement set forth in said determination.

The portion of the minutes of said meeting fully describing said streets are attached hereto and made a part of this notice, which is given under and by virtue of Act 283 of the Public Acts of 1909 as amended.

In testimony whereof we have hereunto set our hand at Detroit, Michigan, this 8th day of February, A. D. 1950.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN.

Michael J. O'Brien, Chairman
John P. O'Hara, Vice-Chairman
Charles Wilson, Commissioner
EDGAR M. BRANIGIN, Clerk
By **Chas. P. Steiner**, Deputy Clerk.

ROAD JURISDICTION DETERMINATION

Commissioner Wilson moved the adoption of the following resolution:

WHEREAS, all that part of Camden Road, 60 feet wide, also all that part of Hartel Avenue, 30 feet wide, located in the W. 1/2 of the E. 1/2 of the S.W. 1/4 of Section 25, Town 1 South, Range 9 East, Livonia Township, Wayne County, Michigan, which extend north of a line which is 2292 feet north of and parallel to the south line of said Section 25, are county roads under the jurisdiction of this Board; and

WHEREAS, there are no buildings of any character located on said streets; and

WHEREAS, said streets are of no use or benefit to the public for highway purposes, but it is desirable to maintain therein a public utility easement for the use and benefit of the public as hereinafter set forth.

NOW, THEREFORE, BE IT RESOLVED, that all that part of Camden Road, 60 feet wide, also all that part of Hartel Avenue, 30 feet wide, located in the W. 1/2 of the E. 1/2 of the S.W. 1/4 of Section 25, Town 1 South, Range 9 East, Livonia Township, Wayne County, Michigan, which extend north of a line which is 2292 feet north of and parallel to the south line of said Section 25, being in all 6,023 mile of subdivision streets, be and the same hereby be absolutely abandoned and discontinued as public highways upon the express condition that there be and hereby is reserved an easement in said streets for the purpose of water main and appurtenances presently located therein together with the right of access thereto for the purpose of maintenance and repair; provided that such easement shall cease to exist upon the removal or abandonment of said water main.

BE IT FURTHER RESOLVED, that this Board believes it to be to the best interests of the public that said streets so abandoned and discontinued should be absolutely abandoned and discontinued as public highways, reserving therein the easement as herein set forth.

The motion was supported by Commissioner O'Hara, and carried by the following vote:
Ayes, Commissioners O'Brien, O'Hara and Wilson.
Nays, None.

As far as known the only copy of the first city directory issued of the city of Flint is now in possession of the New York Historical Society at Albany. It was issued in 1872. First directories of Lansing and Port Huron are also owned by the New York Society.

Michigan ranks second in population increase for the period from April, 1940 to July, 1948. California is in first place, due to the tremendous migration of world war veterans who had trained there and decided to live in California when the war ended.

Oregon's Klamath County School system has started a long-term conservation education program to indoctrinate future citizens with ideas concerning the need for the preservation and restoration of natural resources, the Wildlife Management Institute reports.

In order to give this program the atmosphere of a game rather than the drudgery of an added classroom assignment and to give additional incentive to participants, contests are being used. For the present year, bird conservation has been chosen as the basis for the annual project. A poster contest, an essay contest, and a feeding and shelter program contest comprise the major divisions of the year's work. To avoid unfair competition between children in upper and lower classes, a division of three groups, each comprising three school grades, has been made. The feeding and shelter contest encourages school boys and girls to get away from purely academic aspects of conservation and puts them in actual contact with wildlife under field conditions. A group of nine qualified speakers is giving lectures at the various schools at regular intervals.

Sponsored by the Conservation Education Section of the Oregon State Division of the Izaak Walton League of America under the chairmanship of Kenneth McLeod, Jr., the program will be continued in future years using a different major subject annually. Mr. McLeod hopes that the more basic resources of soils and water may be handled soon. A lack of trained personnel competent to discuss these subjects prevented their use this year. Full participation of the Klamath County School district has been pledged for the future by Carroll B. Howe, superintendent of schools, and his principals.

This program is an excellent example of what can be accomplished in the field of conservation education at the county school system level. While Virginia, Pennsylvania, and other enlightened states have used similar programs on a statewide basis, few individual school systems have taken the initiative in starting such progressive programs without full encouragement from state agencies. This sort of project, whether at state, county, or local levels is something which deserves and needs the full support of organized sportsmen.

Fluctuating water levels on inland lakes may enlarge or reduce that strip of land along the shoreline, but regardless of its size, it is not a beach area open to the general public in most instances.

The conservation department's lands division, which regularly gets letters conveying a contrary opinion, advises persons confused on the matter to check the deed or the recorded plat of the land in question for possible exceptions. Local county records show plat dedications.

Usually the riparian owners own all the land down to the waters edge on inland lakes, and also a proportionate share of the submerged lake bottom lands fronting the property. Thus, whether above the waterline or below at any one time, it is still the same person's property. In the case of a round-type lake, this submerged share is roughly shaped like a wedge of pie.

The department's lands division points out that the only exceptions exist where there are reservations in the landowner's deed or in cases of platted property where the recorded plat shows certain areas such as parks, roads and promenades along the lake which are dedicated to public use. Reservations or restrictions may appear in the chain of title, and in the case of platted property, on the plat.

The same general ruling applies to privately owned land bordering Michigan waters of the Great Lakes except that submerged land is owned by the state of Michigan. That is—the title is held in trust by the state for use and benefit of the public. Again in the case of Great Lakes, there is no public strip of land along the edge unless there is a reservation in the chain of title, or public use dedications are recorded on the plat, in the event the land involved is platted property.

Falcone Guest Conductor For School Concert

Presenting their annual mid-winter band concert on Friday evening, March 10, the Plymouth High school concert band, under the direction of Paul T. Wagner, will introduce as guest conductor Leonard Falcone, director of the Michigan State college bands.

Falcone is considered one of the finest directors and performers in the country. He will conduct the following selections: Cordoba by Ernesto Lecuona, Prelude and Fugue in B-flat Minor by Bach, Spring, Madrigal Overture by Joseph Skornicka, and Das Pensionat by Franz von Suppe; and the marches, Colonel Bogey by Kenneth J. Alford, Marcia Con Brio by Barnes, and Americans We by Henry Fillmore.

Pilgrim Prints Sponsors Dance

A dime dance was given by the Pilgrim Prints staff Friday evening, February 24, after the Plymouth-Bellefonte basketball game here.

The general chairman was Don Houghton, and chairman of admission was Margaret Klingbeil, assisted by Nancy Walton and George Hunter.

Senior Movie Will be Finished Soon

The senior movie, produced by Jerry Walsh and Henry Levering, is in the final stage of production. Movies of all sport, social and scholastic events have been taken over a four year period. Many memories will be brought back to the students when this movie is shown in June.

Biology Classes Plan Trip to Ann Arbor

A trip to Ann Arbor has been planned for March 2 by the biology classes. The group will leave school at 12:20 on the school bus and return at 3:30.

Finish Projects in Shop Classes

The boys in Colvin Cooley's general shop classes have been busy this last semester working on many clever and useful projects. Some of the articles made by these boys, who are in grades seven, eight and nine, are sheet metal bird feeders, by several seventh graders; a lawn lounge, by Clifton Raum, an eighth grader; and an oscillating electric motor, by Oliver Manwaring, also an eighth grader.

Begin Art Work For Junior Prom

With Pat Pine and Paul Harding as general chairmen and Mrs. Barbara Parkes as adviser, the class of '50 will present its Senior Prom on April 14, from 9 p.m. until 1 a.m. in the high school gymnasium.

The theme for this annual affair is a "Night in Venice." Plans and sketches of the wall drawings have been evident for several weeks and the scenes representing the city of Venice have been started. Music supplied by Larry Livingston's orchestra will set the mood for a "Night in Venice." Plans have not yet been completed for the intermission but the committee hopes to have the theme centered during that time.

Science Classes Make Several Field Trips

The eighth grade science classes under the supervision of Mrs. Pauline Morgan have made several field trips in connection with their studies.

Two groups have visited the Daisy Manufacturing company. In addition to this trip they also toured H. F. Enterline's Photo service. Mrs. Morgan reports that the classes are planning to visit the Wall Wire plant in the near future.

Cheer Debaters on Return From Winning Contest

When the victorious Plymouth debaters arrived home from East Grand Rapids, a reception committee comprised of students, faculty members, band members and Plymouth citizens, was waiting at the C & O Railway station to greet the victors.

Carvel Bentley was the chairman of the welcoming committee. After a drive through town the party went to the high school where cheers for the victors were led by Ann Preston.

With the win over East Grand Rapids, the debaters are now eligible for the state semi-finals.

DALE CARNEGIE
AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

Man Likes Sound of His Name

CHARLES E. PARKER, Ferguson, Missouri, has written me of a discovery he has made with regard to a trait common to almost every individual in the world. Yes, you too, no doubt have this trait.

Mr. Parker deals in real estate and is connected with the Yorktown Realty company in Ferguson. There was a tract of land in his town that he felt could be made productive. But the owner wasn't interested in selling. It was Mr. Parker's idea to get control of this land and further a promotion for dividing it into panels and putting buildings on it. This would not only be financially profitable, but it would help in the housing shortage.

Carnegie

So he called on the owner, a George Rowland. Although he pictured the plan, and Mr. Rowland's profit, in glowing terms, he made no impression on him—or apparently he did not. Before he left, and as a last bit of persuasion, he said he would like to see such a subdivision called Rowland Court, as a lasting memorial to the man who had helped to further the promotion.

Two days later, Mr. Parker met a man who asked about Mr. Rowland's land and made a good offer for it. This prospective purchaser himself had talked with Mr. Rowland and made no progress.

Because he never turned down an opportunity, rather than because he had any feeling that he would be successful, he again called on Mr. Rowland and told him of the offer. Again he seemed to have made no progress. He turned to go, but suddenly Mr. Rowland checked him. "If he sold the property would it be written into the contract that the subdivision would be called Rowland's Court?"

So the battle was over. Merely because a man loves the sound of his own name. Yes, many a friendship has been founded on the simple and easy act of calling a man by his name. Remember that when you meet a stranger. Remember that, too, when you meet your friends of long standing.

Miss Rose Ann Ewer, Miss Virginia Elliott and Miss Helen Fisher were hostesses Saturday afternoon at a personal shower honoring Miss Betty Hitter. Eighteen guests enjoyed the party held at the Ewer home on Hamilton street.

Mrs. Walter Packer, Mrs. William Krause, Mrs. George Britcher, Mrs. Donald Melow, Mrs. Leslie Evans, Mrs. Carl Hartwick, Mrs. Floyd Burgett, Miss Elsie Melow, Miss Hildur Carlson and Miss Sarah Gayde were guests of Mrs. T. L. Sullivan at White lake on Tuesday evening.

Clyde Williams has returned to his home on Plymouth road after a two week stay in the hospital. He is coming along nicely at this writing but expects to be confined to his home for quite some time.

We are always interested in plans to improve this tired old planet . . . like the program suggested by a Minn. paper-hanger. He is approaching the United Nations with a proposal that would give \$50 a month to everyone in the world over 21. That would give people money when they were young enough to enjoy it. There's only one drawback. How about those under the age of 21. Why should they be discriminated against? They need cash for comic books, candy, movies and incidentals. Children are human. Until the Minn. Man can become more generous we expect the U. N. will K.O. his plan.

Why buy it all the way from downtown, from the big city—when you can buy it in our own little city, for the same. Compare our prices!

A Chicago man who owed no income taxes sent in \$10 to help build "a bigger and better A-Bomb". He hasn't much money, but he's determined to get a bang out of it. Elks Announce Membership Hits Million Mark

Active membership of the Benevolent and Protective Order of Elks has reached the million mark. H. Philip Barney, exalted ruler of Plymouth No. 1780, announced today.

The honor of becoming the millionth active member of the nation's only exclusively American fraternity and the oldest and largest of all fraternal groups went to Raymond Cole of Bay City, Exalted Ruler Barney has been advised by Grand Exalted Ruler Emmett T. Anderson.

Identity of the millionth Elk was introduced at the annual banquet February 13 of New York lodge No. 1, celebrating the founding of the Order 82 years ago on February 16, 1868. Cole, 42-year-old department store executive, was initiated by Bay City lodge No. 88 on February 7.

Founded by 15 men the Order of Elks now has 1,538 lodges, all confined to the territory of the United States with the exception of that in Manila, which was continued by special dispensation after the Philippines received their independence. Other lodges outside the continental United States are those in Alaska, Hawaii, Guam, Canal Zone and Puerto Rico. Membership is confined to citizens of this country. The local lodge has 88 members.

The Order devotes more than \$6,000,000 annually to patriotic and benevolent purposes including the annual observance of Flag Day, which originated with Elks, college scholarships to deserving students, aid to crippled children, sponsorship of Boys' clubs, Boy Scouts and amateur athletic leagues.

Elk's Millionth Member ...

Raymond Cole, left, of Bay City, Mich., who became millionth active member of the Benevolent and Protective Order of Elks, receives congratulations from Grand Exalted Ruler Emmett T. Anderson at banquet last week in New York marking 82nd anniversary of founding of the Order. Elks are the largest and oldest exclusively American fraternity.
