The PLYMOUTH MAIL

Vol. 62, No. 35 CLASSIFIED ADS - PAGES 4-5-6 Plymouth, Michigan Thursday, April 27, 1950 Three Sections 22 Pages \$2.00 Per Year In Advance

NICE GOING TO BOTH THE NEW MAYOR AND PLYMOUTH.

Members of the newly elected city commission by unanimous vote last Saturday elected Cass S. Hough as mayor for the ensuing year. His selection just at this time is highly important to all of the citizens of the community — not only important but gratifying. He assumes his new duties with the good will of every member of the commission and with every indication pointing to a most harmonious administration for his term in office.

Fortunately for Plymouth? Yes! It is fortunate that we have some one willing to serve as chief executive who is so much a part of our community. Born here, educated for the most part in our public schools, the son of Plymouth pioneers who dared to take risks in establishing an industry back in the days when a venture into the industrial field was a one-sided gamble with fate, there can be no citizen more interested in the welfare and progress of our city than Mayor Cass S. Hough.

No two families in any locality ever did more to build a country four corners into a thriving industrial community than the Houghs and Bennetts. The Plymouth Mail has made that assertion often in past years and we repeat it with additional emphasis, because of continued community interest and activities on the part of Edward C. Hough, the father of Mayor Cass Hough, and his business associate for more than 60 years, Charles H. Bennett, president of the Daisy Manufacturing company.

For years and years it was the Daisy which provided Plymouth with about the only substantial payroll the community had, a payroll made possible by world wide business bringing outside dollars to this city as a result of everlasting efforts of Daisy officials.

And why wouldn't the youthful, aggressive son of one of the founders of a business that has played such an important part in the building of a greater Plymouth, who is now one of the top officials of the Daisy, make a record as mayor that we will all be proud to proclaim?

As an overseas veteran of World War II Mr. Hough is in close touch with the problems of the many younger veterans in the community and can be counted upon to be completely sympathetic to all veterans and their organizations.

Yes, The Plymouth Mail predicts for Mayor Hough a most successful administration, one that will be of exceptional benefit to such a fast-growing city as Plymouth. But to win that success he must have the cooperation and good will of all of the people of our city. Let's give it to him freely — and most willingly!

WHAT SORT OF BUSINESS IS THIS?

Brig. General Elliott R. Thorpe who was General Douglas MacArthur's counter-intelligence chief during the last war, testified the other day that he investigated Owen Lattimore "three different times." The testimony was given in defense of the political slippery eel branded by Senator McCarthy as a Communist.

It would seem to anyone with common sense that if a high up official in the army intelligence service had found it necessary to make THREE investigations of some one whose loyalty to our country was questioned, there apparently was some reason for fearing a fire where there was so much smoke.

In other words, the testimony of General Thorpe makes him look something like just an ordinary sap.

And isn't it about time for the big metropolitan newspapers and radio sponsors who make it possible for Drew Pearson to defend the Lattimores and his kind to crack down on this political radio hound-dog who has made a fortune out of his smear columns and radio blabbing?

KEEP THEM WHERE THEY ARE.

It is not many weeks before the highly important Plymouth school district will be required under state law to hold its annual school election. The terms of Kenneth Hulsing, president of the school board, and Dr. Ace Williams, treasurer of the district, expire.

We haven't the slightest knowledge as to whether these two excellent members of the school board have any intention of running or retiring from the board membership, but it is our opinion that citizens of the district should re-elect them by overwhelming votes.

They have been members of the board for only a short period, but in that time they have become thoroughly acquainted with all the problems of the school district and have displayed a keen desire to see to it that the high standing of the Plymouth schools is maintained.

In addition to these facts the district at the present time has under way the biggest building program in its history. Much of the work has been started and in a few brief weeks, all of the school structures voted by residents of the district will be under way. In view of the excellent record of these two public-spirited citizens and their knowledge of the work it will be to the benefit of every resident of the district to see to it that they are retained on the board.

IS IT BECOMING PERSECUTION?

The writer has long been a strong supporter of the medical profession. We have given our untiring support to all legislation and other public activities which have in any way been a benefit to the men and women who have made the curing and relief of human ailments their chief life concern. We have known of the sacrifices that have been made by many medical men who are devoting their lives to the improvement of the health of humanity.

In our free country one of the first things we did was to set up a jury system—a system whereby the accused was given a right to have 12 free men—good citizens, acting without bias or fear and in the interest of justice—decide the fate of any one accused of an offense under the laws of this country.

Down in New Hampshire a jury of 12 good American citizens decided that Dr. Hermann Sander was NOT guilty of an offense charged against him by the state.

From newspaper dispatches it now appears that a medical organization has set itself up as a sort of self-created supreme court and it has decided that the doctor in question cannot again practice medicine until it says so.

If such a thing is tolerated in this country we might just as well throw the jury system out of the window and let self-appointed judges and juries decide the fate of American citizens who might become entangled with the law.

We believe the action of the New Hampshire Medical Board in this case is a direct threat to our court system and a serious error in judgment.

NO SIR! "NARY" A KICK.

Thought sure there would be some protests over our suggestion of a week or so ago about the advisability of considering some one-way streets for certain areas in Plymouth. It was somewhat with surprise that we heard commendation and not a single kick from anyone. Of course, it is not a matter that demands immediate action; and as we said previously, it is a suggestion that is worthy of complete investigation. Many citizens seem to think that's the right approach to the problem.

Debate Champs Meet Prior to State Finals Friday

Members of Plymouth's championship debating team and their coach were guests of The Plymouth Mail at a luncheon in Marshall, Michigan, last week at which time they met and posed with members of the Albion high school debate team for the Mail photographer and cameras of the Battle Creek and Albion papers. The Plymouthites were resplendent in their new suits furnished by members of the Plymouth Rotary club. Ronald Witt, left, shakes hands with Albion Debater Sue Carter while Plymouth Coach James Latture looks on. Center, Rodger Kidston meets Albion's John Gilbert right, while Mrs. Ethel Fleenor, Albion coach, voices her admiration of the matching suits which the debaters will wear this Friday when the two teams meet for the state championship match in Ann Arbor.

Workmen Rushing Construction of New George A Smith School

Construction work on the new George A. Smith grade school being erected in the southwest section of Plymouth is progressing at such a favorable rate that Superintendent Helmar Nelson is confident it will be ready for use probably two or three weeks before the opening of the new school year in September.

The school structure, which is being erected along lines of modern school construction, will care for some 425 pupils living in that part of the city.

There will be kindergarten classes and grades from one to six. The gymnasium, or utility hall as some term it, will have a seating capacity for nearly 500 people. It will provide that part of the school district with one of the finest centers for community activities that exists in this part of Wayne county.

Union Investment to Move Office

The Union Investment company will open new offices on the corner of Main street and Ann Arbor trail May 6, according to the company manager, Sterling Kennedy.

The offices, using all new equipment, will occupy part of the store space used by the Sally Sheer shop which closed April 15. Entrances to the company's new offices will be on Ann Arbor trail and in the Hotel Mayflower lobby. The hotel will use the remaining store space for a private dining room.

The company will move from the Huston building on Penninon avenue where it has been located for 19 years.

Open Brighton Stop and Shop

The Stop and Shop super market opened a new store in Brighton on Tuesday with Leslie Oliver of the Plymouth store as manager. The new Brighton market is located at 401 Main street.

Winston Turner who formerly worked in the local store's meat department, will manage the meat section. In celebration of the grand opening in Brighton, both markets will have a special sale effective through May 5. The new Brighton store is the same type of modern food center as the Plymouth Stop and Shop. Both stores are owned by J. G. Rucker.

Beginning with this issue Davis & Lent will choose a name at random each week from the Plymouth telephone directory. That person's name will appear in an ad in the Plymouth Mail, as the winner of a beautiful tie absolutely free. The winner need only stop in and select any tie in the store.

Vote Fee For Zone Change

People that ask for zoning changes in the future in Plymouth township will have to pay a \$50 fee along with their application. As the result of action taken by members of the Zoning board last night the cost of hearings will now be born by the applicant and not the taxpayers.

Members of the board are Frank Rambo, chairman; Earl Demel, Roy Jewell and Carl Hartwick. The action came about after numerous changes had been asked of the board and then, after the hearings have been advertised and the board has held several sessions, the applicant made no use of application. According to Supervisor Charles Rathburn it was the consensus of opinion of all the township officials that the applicant should pay the expense of the hearings and advertising rather than have the costs paid out of the taxpayer's pockets.

Plans New Motel Near Plymouth

Members of the Plymouth Township Zoning board have called a special meeting this Saturday afternoon to discuss a change from residential to business zoning on the property owned by Frank Caldwell on Plymouth road. The request for the change has been made by John C. Burkman of Northville who desires to erect a modern motel on the site.

The petition to the board stated that Burkman intended to build a 20 unit motel under one roof at an approximate cost of about \$300,000 with future additions to be built after the first one is completed.

The property that the proposed change refers to is located just east of the William Elzerman farm. According to Zoning Board Chairman Frank Rambo the hearing will be held on the property at 2 p.m. Saturday.

Robert Willoughby Will be New President of Local Rotary Club

Possessing a perfect Rotary club attendance record extending over a period of more than 20 years, coupled with a long and productive effort in the club's crippled children's work, it was no surprise to members of the organization when Robert Willoughby was elected president of the organization for the ensuing year.

He will assume his new duties on July 1, succeeding Frank Henderson who is serving this year as president. Following Rotary precedent, Mr. Willoughby has been vice president of the club during President Henderson's successful administration.

The past year has been an active one for the local Rotary club. It has been especially successful in its various charitable activities. President-elect Willoughby plans to continue the same efforts in behalf of crippled children and other Rotary activities that President Henderson has done. The club now has some 75 members.

Parade to Honor Debaters Friday

"We're for Plymouth" will characterize the spirit of paraders driving to Ann Arbor tomorrow to attend the state championship debate between Plymouth and Albion High schools. The debate is being held in conjunction with the 63rd annual meeting of the Michigan Schoolmasters' club.

A car pool is being organized for those who wish to take part in the parade which will assemble at 1 p.m. in front of the high school. Those who will have space in their car and those who would like a ride should call 62, 610 or 1386. Banners will be distributed for auto decoration. The parade will begin at 2 p.m., proceed through town and then to Ann Arbor. A choral program presented by choirs from the two schools will begin in the Rackham building hall at 3:30 p.m. and the debate will follow.

Automobile dealers in town have consented to loan the use of new cars for the parade. Seven buses will also be available for transportation for both students and the public. Fire Chief Robert McAllister will lead the parade in the chief's car. Emergency equipment will have been removed from the car for the day.

Fathers' Night Program May 2

Program arrangements have been completed for the second annual Fathers' Night to be presented May 2 by the male contingent of the Central Grade school PTA at 8 p.m. in the high school auditorium.

Entertainment includes an audience participation show interspersed with three novelty acts. The acts include a quartet composed of Thomas Benson, Ron Davis, David Green and Lee King from the high school. They will be directed by Fred Nelson. A ballet, Swan Song, will be given by Marcia Staples and Jan Ponto. (Continued on page 8)

Thompson Quits as City Assessor

The city commission accepted the resignation of Charles Thompson as city assessor at a meeting April 22 in the city hall. Thompson will continue as city electrical inspector.

Thompson resigned to accept a position as manager of the Liberty Street Hardware store. The resignation is effective May 8.

ELECT HOUGH MAYOR

Board Seeks Site For Second New Grade School

The Plymouth board of education is intensifying its search for a site for a second new grade school to be built in the northwest section of the city. Locations that are now being considered are the Cooper property at the corner of Sheldon and Ann Arbor trail and the Cassidy property near Sheldon road and North Territorial road.

Since the state recommends that a five to ten acre plot of ground be used for a new grade school, Helmar Nelson, superintendent of schools, states that it is difficult to find a piece of property that size within the city limits.

The new grade school is the third project on the extensive school program planned by the board. The first is the George A. Smith grade school in the south section of the city which is now under construction and will be opened in time for the fall term. Plans are already underway for the second project, the addition to Plymouth High school. The addition includes a gymnasium, swimming pool and a band room.

"Construction on the new grade school is scheduled to begin early this summer. It will be the same size and type as the George A. Smith school, having 14 class rooms. It will be built at a cost of about \$350,000, less than the cost of the Smith school as no septic tank is needed. It should be completed and ready for use by the middle of the next school year, probably ahead of completion of the high school addition," Mr. Nelson stated Monday.

Eleanor Hammond Is Appointed Supervisor

By a unanimous vote, Cass S. Hough was elected mayor by the members of the city commission Saturday. He was nominated by Former Mayor Perry Richwine. Floyd Tibbitts was selected as mayor pro tem.

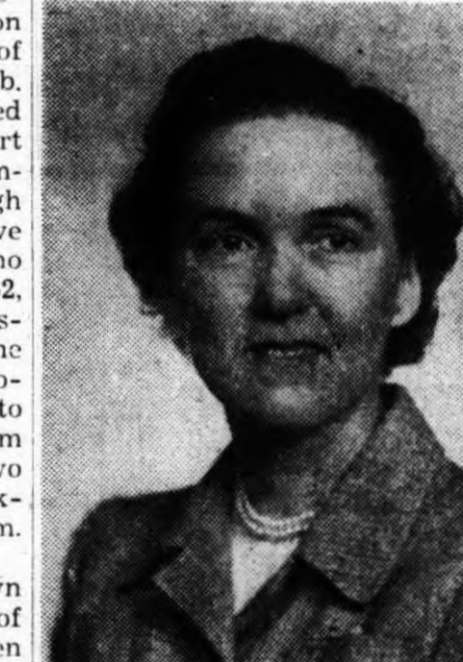

Hough first took public office when he was appointed to fill the unexpired term on the city commission last fall. He was elected to the short term seat on the city commission at the April 3 elections. His term on the commission expires in April, 1951.

Mayor Cass S. Hough

At a special meeting of the commission on Monday Mrs. Eleanor Hammond was appointed to the Wayne County Board of Supervisors by Mayor Cass Hough. She succeeds Mrs. Ruth Whipple.

Following her appointment, Mrs. Hammond was named to the sewer disposal and water supply committee by the Board of Supervisors Tuesday, which is of prime importance to Plymouth. Since Mrs. Whipple had also served on this committee, the appointment assures a continuity of interest in the work being done by the committee for the city's welfare.

Supervisor Hammond

The mayor stated that a member of the commission was appointed to the board of supervisors because citizens had indicated, by their approval of the charter amendment concerning the member of the board, that an elected, not appointive, official was desired for the post.

In making his appointments Hough pointed out that some changes in appointive offices were made in order to interest others in the city's government. "Much credit is due those who have served in these positions and changes have not been made as a reflection on their work," Hough said. "I feel an attempt must not only be made to interest other citizens in the work of our city's government, but that it is unfair to burden a few with the work down through the years and others should be allowed to share the responsibilities."

Other appointments made by the mayor and approved by the commissioners are as follows: Harry Deyo, re-appointed city attorney; J. Rusing Cutler, re-appointed assistant city attorney; Floyd Tibbitts re-appointed a member of the recreation commission; Mrs. Hammond and Henry Fisher, re-appointed as members of the auditing committee.

Harry Mumby and Stan Corbett succeeded Carl Shear and Frank Arlen as members of the Board of Review. Warren Smith, newest member of the board, was re-appointed to the board. Other appointments will be made at a future commission meeting. The appointments will expire the third Monday in April, 1951.

Masonic Leader Dies Suddenly of Heart Attack

The community was shocked Monday morning to learn of the sudden death of Oscar E. Alsbro who passed away at his home late Sunday evening. Mr. Alsbro had been a resident of Plymouth for 38 years and during that time had devoted his untiring efforts to the affairs of the Masonic lodge, serving as its secretary for the last 19 years.

A heart ailment caused by overwork was given as the cause of Mr. Alsbro's death. During the last few weeks he had been organizing the fourth annual Masonic pilgrimage to Nashville, Tennessee, to which some 200 local Masons had already planned to attend. Mr. Alsbro had prided himself of his unbroken record of never having missed a regular meeting of the lodge during his 19 years in the secretary's office.

Born in Salem August 11, 1899, he was 50 at the time of his death. He married Alice Gribble in 1936 and leaves, besides his widow, two sons, Richard, 7, and Donald, 10, and his mother, Mrs. Ben Reafsnnyder, who resides on Northville road.

He was a member of the Salem Federated church, the Myron H. Beals post of the American Legion, the Eastern Star and the Consistory. He was master of Plymouth Rock Lodge in 1931. For 31 years Mr. Alsbro had been a traveling claim agent for the Pere Marquette railroad.

Masonic funeral services will be held Wednesday at 2 p.m. at the Schrader Funeral home with the Reverend Frederick Poole, D. D. officiating. The past masters of Plymouth Rock lodge will serve as active and honorary pallbearers. Interment will be in Riverside cemetery.

Liberty Street Hardware Sold

Announcement has been made of the change of ownership of the Liberty Street Hardware store, corner of Liberty and Starkweather streets. The store is now owned and operated by the firm of Howlett Brothers and Hackney.

The hardware business was sold to the firm by Robert Beck and Bert Dayton. Charles Thompson, former city assessor and policeman, will manage the store. He had at one time been associated with the firm's hardware store in Gregory which is known as Howlett Hardware. The firm also operates the Hackney Hardware store in Dexter.

The new owners plan to introduce some new lines of merchandise and will also increase the present stock of hardware supplies. Announcement of the store's grand opening will be made later.

Eagles Plan Fourth Anniversary Party

The Fraternal Order of Eagles of Northville will give its fourth anniversary party this Sunday, April 30, from 2 to 6 p.m. in the VFW hall. An Italian spaghetti dinner will be served.

A floor show, dancing and other entertainment is planned for the party. Walter Wagner is the chairman of the event. Peter Lomonaco of Plymouth is president of the organization.

Sold--One Whizzer Bike

It took an ad in the Plymouth Mail to get us results said Mrs. Ruben Dailey who resides at 5911 Walton street, Wayne. "For two weeks we have been advertising our son's motor bike here in Wayne and we never had a call. Then one of our neighbors suggested we try The Mail. By Friday afternoon we had sold the bike and as we left this morning (Saturday) to come over and pay the bill we received our ninth telephone call. That's what we call getting results," said Mrs. Dailey. YOU TOO, can get results with The Mail's busy classified columns.

Ann Barker Says Vows With Oliver Walker Saturday Evening

A ceremony at the Congregational church in Romeo on Saturday evening, April 22, united in marriage Mary Ann Barker and Oliver Walker, Jr. The bride's parents are Mr. and Mrs. Denver Barker of North Mill street, Plymouth. The bridegroom is the son of Mr. and Mrs. Oliver Walker, Sr. of Romeo.

Baskets of pastel squadrans were placed on either side of the altar for the setting of the candlelight ceremony. The Rev. Paige officiated.

Aqua crepe fashioned the dress which the bride selected for her wedding. She wore navy accessories and a corsage of white rosebuds and white carnations. Mr. Barker presented his daughter in marriage.

As matron of honor, the bride chose her sister, Mrs. Maurice Carlton, Jr. of Romeo. Mrs. Carlton wore navy accessories and a corsage of white carnations and pink rosebuds with her coral suit.

Monica Walker of Romeo performed the best man's duties at his brother's wedding. The ushers were John Pardon and Gordon Singer of Romeo; and the bride's

brother, Duane Barker of Plymouth.

A corsage of pink rosebuds and white carnations complemented the print silk dress which the bride's mother wore. Her accessories were black and grey. Mrs. Walker was attired in an aqua crepe dress with matching hat and black accessories. Her flowers were white carnations and pink rosebuds.

The home of Mr. and Mrs. John Pardon of Van Dyke road was the scene of the reception honoring the newly weds after their wedding. Two hundred guests from Plymouth, Detroit, Almont, Utica, Imlay City, Battle Creek, Flint and Romeo extended their congratulations to the couple.

Mr. and Mrs. Walker are making their home in Romeo.

The life of individual coyotes is probably increased, and their survival as a race assured, by their far traveling habits, the U.S. Fish and Wildlife service states. Coyotes tagged in one area have been picked up a few days or weeks later as far away as 115 miles.

Announce Engagement of Shirley Miller to Carl Thayer of Ann Arbor

Shirley Miller

Mr. and Mrs. Harry Miller of Ridge road announced the engagement of their daughter, Shirley Jean, to Carl Thayer, son of Mr. and Mrs. Lloyd Thayer of Ann Arbor, at a dinner party at the Miller home Sunday.

The bride-elect is a graduate of Plymouth High school and the Alexander School of Cosmetology. Her fiancé is a graduate of Ann Arbor High school and served in the United States Coast Guard. The couple is planning a summer wedding.

Woman's Club Benefit Show Nets Over \$500

The Plymouth Woman's club Spring Charity Benefit April 19 netted over \$500 which will be given by the club to the Cancer Detection society, the Kiwanis Girl Scout Cabin fund, the Plymouth Symphony society, and the Rotary Crippled Children's committee. Max Todd was master of ceremonies at the entertaining program presented at the Penniman-Allen theater.

Fred Kendall, featured singer at the show, sang among his selections, "A Little Bit of Heaven," the number which brought him success on the Godfrey Talent Scout program.

"Rhapsody in Blue" and the "Minute Waltz" were selections given by Evelyn Woods, pianist. The Singing Sentinels, a quartet sponsored by the Kaiser-Frazer company, sang numbers from "South Pacific," "Chattanooga Choo Choo" and several Negro spirituals.

Other performers for the benefit included Karrell Fox and his humorous magicianship, and Chris and Sherry, a dance team from the Christopher Smith dancing studios in Detroit, who performed South American and other ballroom dances.

Among prizes given at the benefit were orchids given to Mrs. John Pint, newest bride in attendance, and Mrs. Mae Rice, eldest person at the benefit. Anyone wishing to make contributions to the club charities may send them to Mrs. Eleanor Balfour, 905 Penniman.

Shirley Johnson Wed in Saturday Evening Rites

Dr. Henry J. Walsh read the candlelight ceremony on Saturday evening, April 22, when Shirley Johnson became the bride of DeWayne Becker. The eight o'clock ceremony took place in the First Presbyterian church.

Parents of the bride are Mr. and Mrs. Fred Johnson of Ann Arbor trail. The bridegroom is the son of Mr. and Mrs. M. Frank Becker of Pacific avenue.

Wedding music was provided by soloist, Joseph Cicirelli, who sang "Because" and "I Love You Truly." Fred Nelson was the organ accompanist. Arrangements of white snapdragons and white tulips and lighted tapers decorated the church.

Escorted to the altar by her father, the bride wore a gown of white marquisette. It was designed with a fitted bodice of embroidered marquisette, long fitted sleeves, illusion neckline, and full skirt. A panel of the embroidered marquisette detailed the skirt, which swept into a full length train.

Seed pearls and rhinestones formed the scalloped tiara which secured in place the bride's full length veil of illusion. She carried a bouquet of white carnations and white hyacinths centered by an orchid.

Duties of the matron of honor were carried out by Mrs. Patricia Brownlee. She chose a pink gown with bodice of pink lace and pink marquisette skirt. Deep red carnations made up her bouquet.

Nancy Proctor of Redford, Frances Luker, Althea Nixon and Kathryn Hembree of Plymouth, were asked to be bridesmaids. Miss Proctor and Miss Nixon were gowned in blue marquisette and lace styled identical to the matron of honor's. Miss Hembree and Miss Luker selected yellow for their gowns. The bridesmaids in blue carried bouquets of yellow carnations, while the bridesmaids in yellow carried bouquets of pink carnations.

The bride asked Judy Gothard and Nancy Johnson to act as flower girls. Judy wore a blue nylon gown, and Nancy's gown was yellow nylon. The flower girls carried baskets of rose petals.

Jerry Allen served as best man. Jay Daggett, Danny Johnson,

Dick Farwell and Calvin Becker acted as the guests.

For the evening wedding, the bride's mother wore a blue lace gown, with pink accessories and a corsage of white gardenias. Mrs. Becker's gown was grey lace over rose taffeta. Pink carnations were in her corsage.

Four hundred guests honored the new Mr. and Mrs. Becker at a reception following the ceremony in Wayne County Conservation club.

The newly wed couple are making their home on Schoolcraft road.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been CONSIDERED TWICE! REJECTED TWICE! Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain FEATHER-BEDDING! LEADERS OF the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern. The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands. After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives. Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation." extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point: "The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good... "Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected." The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding." The railroads have no intention of yielding to these wasteful make-work demands. "The Safety Record of Diesels is Outstandingly Good..." PRESIDENTIAL FACT FINDING BOARD REPORT Read these excerpts from official reports of Presidential Fact Finding Boards: "The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results." "The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..." Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders. Scout Benefit Dance April 29

Entertainment and dancing will fill the program to be given Saturday, April 29, at 8 p.m. in the high school auditorium by the Boy Scouts of Plymouth. The program will benefit the fund to send six Scouts and one adult leader to the Valley Forge Jamboree.

The public is invited to attend. Music will be furnished by the Carl Groschke orchestra. C. J. Lowe of Detroit will do the calling for square dances. Students from the Bailey School of Dancing in Northville will do exhibition dancing on the program also. Plymouth High school students, under the direction of Hilton Ponto, will give a tumbling exhibition. Musical entertainment will be provided by a quartet from the University of Michigan, and C. V. Sparks will give a black face skit.

The Jamboree will be held at the Valley Forge National park, Pennsylvania, June 30 through July 6.

Baby Dies After Fall From Bed

A four month old baby girl, Nordine Van Sickle, was found dead in her bed last Saturday morning by her mother, Mrs. Ralph Van Sickle of 732 North Harvey street.

Dr. Foster Knobloch of the Wayne County coroner's office stated that the baby's death was caused by a subdural hemorrhage. The baby's father, Ralph, claimed the child fell from its bed when the bed broke late Friday night. He said he wiped the blood from the baby's nose and then rocked her to sleep.

Mrs. Van Sickle, who is employed at the Plymouth Grill, returned home from work at 1 a.m. and thought the child was sleeping. Funeral services were held from the Casterline Funeral home in Northville Monday.

Lions Club Plans Golf Tournament

Golfers from this area will be interested in an announcement made this week by the Plymouth Lions club of its South-East Michigan Golf and Stag party. The affair is to be staged at Hill-top Golf club on Saturday, May 27.

The tournament, an 18-hole kickers handicap, is expected to attract contestants from all over this section of the state. The local Lions have named Max Todd as general chairman, with his co-chairman, Joe Belobradic.

Funds raised as a result of the day's activities will be used by the club for sight conservation and aid to the blind.

Richwines Mark 55th Anniversary

Mr. and Mrs. George W. Richwine of Ann Arbor road celebrated their 55th wedding anniversary April 24. Helping the Richwines observe their anniversary were their four children, 12 grandchildren and five great-grandchildren.

The couple's four children are Former Mayor Perry W. Richwine, Walton E. Richwine, Mrs. H. Wilfred Wilson, all of Plymouth, and Alton J. Richwine of Monroe.

Their grandchildren include Alton and Paul Richwine of Monroe; Glenn Wilson of Wayne; Mrs. William Bauman, George Wilson, Dorothy Richwine, Betty Richwine, Mary L. Richwine, Ruth Ann Richwine, Judy Richwine, Margaret Richwine and Marilyn Richwine, all of Plymouth.

Two grandchildren, Alton and Paul of Monroe, have all eight grandparents still living.

Wayne County 4-H Club Gives Benefit Saturday

A benefit party will be given by the Wayne county 4-H club to augment the club's Grandstand Building fund. The party will be held this Saturday, April 29, at 8:30 p.m. at the 4-H Fairgrounds located on Quirk road, just north of the Express highway.

The public is invited to attend as an interesting program is planned. This is one of many projects scheduled for the building fund program.

Hi-12 Members View Ford Film

Hi-12 members were shown the film "The Human Bridge," secured by Halvar Blomberg, at the meeting last night.

The film shows how the Ford car is designed, blue printed, processed and manufactured. It has been shown to employees of the Ford Motor company as well as many other service organizations, and is famous for its comprehensive coverage of Ford manufacture.

It is announced that the Hi-12 state convention will be held at Port Huron, May 19 and 20.

Seek Memberships for Northville Concert Group

A membership campaign for the Northville Community Concert association will be launched May 1 and continue until May 13. Those interested in joining may contact Mrs. Del Hahn in Northville, village chairman.

The purpose of the association is to present in Northville a regular series of concerts by top ranking solo artists, instrumental and vocal ensembles and dance groups.

Optimists to Hear Rev. Kirschner

The Rev. Anthony Kirschner, pastor of Our Lady of Grace Catholic church in Dearborn, will be the guest speaker at the Monday night meeting of the Optimist club in the Hotel Mayflower. John Wimsatt obtained Father Kirschner as speaker for the evening.

Father Kirschner has recently gained recognition because of the development and growth of his parish in the five years he has missionary priest who fled the Hitler regime in 1938.

Conservationists Plan Fish Dinner

The annual fish dinner of the Western Wayne County Conservation club April 19 was such a huge success that an even larger attendance is expected for the next fish dinner which is planned for all club members and their families.

The date of the next dinner will be announced at the regular meeting May 3. Reservations for this dinner should be made in advance. Phil Barney, "King of the Chefs," is in charge of the dinners. Members are urged to bring their friends to the next fish dinner.

We want to introduce you to a NEW and BETTER Disc Harrow

When you hook this Dearborn disc harrow to a Ford Tractor, you are all set for Hydraulic Touch Control of the gangs. You take the angle out for turning, or crossing grass and gullies . . . then put the angle in again . . . by moving the control lever right by your tractor seat. You'll disc lots of dirt in an hour . . . nice and level too . . . with either the 6 ft. or 7 ft. width.

Quickly attached by inserting four pins. Sturdy steel angle frame, high carbon heat treated steel discs. Zerk lubrication of white iron bearings, protected against dust and dirt. Front and rear gangs leveled by one crank. See it!

Genuine parts and expert service on all Ford Tractors and Dearborn Farm Equipment.

TO PREPARE treated dusting cloths, use clean cloths and dip in a lemon-oil solution made with one part of hot water and 1/4 cup lemon oil. Saturate cloth thoroughly; squeeze out excess solution. Dry and store in a covered metal container.

Keep all your cleaning aids in a clothes basket covered and lined with oil cloth or plastic. It's easy to transport from room to room. Have pockets along the sides of the basket for small brushes, etc.

Metallic or parchment shades can be cleaned with a mixture of one part turpentine and 10 parts of mineral oil. Use a soft cloth, wipe gently but thoroughly. Flannel or heavy, lintless cloths are best for polishing furniture as

RECIPE OF THE WEEK

Baked Cheese Sandwiches

(Serves 4)

- 8 slices bread
- 4 teaspoons prepared mustard
- 2 tablespoons butter
- 1/2 pound cheese (4 slices)
- 2 eggs, beaten
- 1 cup milk
- 1 teaspoon salt
- 1/2 teaspoon pepper

Make four sandwiches from bread, butter, mustard and cheese. Place in a greased baking dish. Combine eggs, milk and seasonings. Pour over sandwiches and bake in a moderate (350°) oven for 40 minutes.

well as for applying wax to floors and furniture.

Old dish towels and napkins are excellent for scouring purposes as well as for polishing metals.

Use cheesecloth, cellulose sponges or paper toweling for cleaning mirrors, woodwork or kitchen and bathroom equipment.

If you find that ice tends to splatter all over the refrigerator as you defrost it, direct it all to the dripping tray by placing folded newspapers along the sides of the evaporator.

Brown stains on tea cups are easily removed by dipping a damp cloth in baking-soda and then rubbing on the tea-cup stains. Wash and rinse as usual.

Clean lacquered brass first by dusting, then rubbing with sweet oil. Use a soft cloth to remove oil, then polish dry with another soft cloth.

SUCCESSFUL PARENTHOOD

NOW THAT THE SCHOOL year is past the half-way mark, you may be worried about your child's lack of progress in reading, and you're wondering how if you can help him at home. But you can help him at home. But you can help him at home. But you can help him at home.

The words may be taken from the child's own reading material. Don't use more than six or eight words each practice period. Write each word on a separate card. Hold up each card individually for the child to see. With a little practice, he should be able to recognize and call the word in an instant.

Remember that brevity, frequency and regularity are important factors in vocabulary drill. Reading help doesn't always have to come at a specified time. There are lots of opportunities in the child's everyday living that can be utilized to increase his reading skill.

Extremely helpful are such activities as these: Read labels on recordings. Look up titles of movies in the newspaper. Read addresses on letters. Recognize items in the kitchen and associate them with words on labels. Locate names of familiar stores on store-fronts.

In other words, by stressing the fact that you have to be able to read in order to live in a modern community, reading will seem less a school room chore to your child, and more of a pleasure.

make them weather-monitor. Your child can listen to the radio report and post the day's weather news for the family. Provide him with weather vocabulary—fair, warmer, rainy, cold and so on—these could be typed on cards ready for him to choose from. Your child's sight vocabulary can be increased greatly with five minute periods of just plain word drill, at least once a day.

Curtail Daily Mail Deliveries

Mail delivery was cut to one a day beginning last Monday, it was announced by Dr. George Timpona, postmaster. No cuts have been made in post office personnel so far, and any changes will be announced later.

The curtailment in delivery followed the national announcement last week that post office services would have to be cut in order to reduce the department's expenses.

Hold Meeting to Discuss School Board Candidates

All taxpayers of the Plymouth school district are invited to attend a meeting in the Plymouth township hall tomorrow night, April 28, at 8 o'clock.

The purpose of the meeting is to discuss candidates for the school board election in June. The terms of two school board members will expire in June.

"The trend toward a welfare state will end whenever more than half the voters are required to pay for benefits they themselves do not get," Economist Paul E. Belcher.

Kiwanis Conducts Flower Sale For Mother's Day

A flower sale for Mother's Day will be conducted by the Plymouth Kiwanis club throughout the city in the next two weeks. Flowers will be displayed at various business places and orders may be placed with the merchants or Kiwanis members.

Chairman of the sale is Michael Huber, and further details of the sale will be announced later. Ken Corey and Harold Fischer will donate the use of their trucks for deliveries.

At the Kiwanis Inter-club meeting with Ypsilanti Tuesday night, Professor Cyrus Fagerston, instructor of economics at Michigan State Normal college, was guest speaker. Roy Leemon arranged the meeting.

Professor Fagerston told of the economic conditions in Mexico observed when he visited the country. He compared the standards of living in Mexico and the United States and stated that no middle class exists in Mexico. Tom Clark of the Ypsilanti Kiwanis club introduced the speaker.

Parade to Honor Debaters Friday

(Continued from page 1) will be chairman of the debate. The judges include G. E. Densmore, University of Michigan; William M. Sattler, University of Michigan, and K. R. Wallace, University of Illinois.

The debaters, Roger Kidston and Ronald Witt, Mr. and Mrs. James Latture, Mr. and Mrs. Cyrus Pierce and Mr. and Mrs. Helmar Nelson will be guests of Mrs. Jake Stremich at a dinner tonight at Jillside restaurant in honor of the debaters.

The debaters and coaches of both schools will be guests at a banquet following the debate tomorrow. The banquet will be given by the Michigan High School Forensic association.

Watches will be awarded by the Detroit Free Press, sponsors of the annual contest. The debate will be broadcast over Station WXYZ and the winners will be on a television broadcast Saturday afternoon over Station WXYZ-TV.

The new officers include, front row, left to right, Ann Thompson, Bernice Kopenski, Jane Diekman and Gladys McBride, Auxiliary color bearers; second row, George Jackson, sergeant at arms; Daniel Grubesh, commander; Lee Coolman, senior vice commander; Robert VanMeter, junior vice commander; Ted Smith, judge advocate; third row, Henry Smith, adjutant; Richard Neale, trustee; Robert Diekman, quartermaster; Joe Elliot, public relations officer; Ed Kopenski, officer of the day, and Lincoln Hale, historian. Main officers of the Auxiliary not present at the time the picture was taken include Eleanor Gust, president; Kay Coolman, senior vice president; Alice Fisher, junior vice president; Gertrude Danol, secretary; Jean Olsen, treasurer. The post urged at the meeting that stores and homes display the flag this Saturday which is designated as Loyalty Day.

Killed in Auto Accident Friday

Thomas Patton, 33, of 36675 Amrhein road, was killed last Friday in an auto accident at Middlebelt and Warren roads. His car was struck at the crossing by the car driven by Dr. Jacob Sutherland of Detroit who was not seriously injured.

Following the accident, Patton was taken to the Wayne County General hospital in Eloise but was dead on arrival. Patton was employed at the General Motors Hydraulic plant on Plymouth road.

Funeral services were conducted Monday at the Ferguson Funeral home in Detroit. The Rev. Patrick Clifford of the Calvary Baptist church officiated. Interment was made in Woodmere cemetery.

Patton is survived by his widow, Mrs. Patton; three sons, Tom, 11, Terry, 6, and John, 2, and a daughter, Joanne, 8; and his mother, Mrs. Gertrude Patton, and other relatives. Last Sunday would have been the couple's wedding anniversary.

Scouts to Conduct Paper Drive in City May 4

Boy Scout Troop P-1 will conduct a paper drive May 6 for the purpose of raising funds for Scouts to attend the National Jamboree in June.

The troop is sponsored by the First Methodist church. The Scouts will canvass the town through door to door collections.

No School Tomorrow

No classes will be held in Plymouth public schools tomorrow, April 28. High school teachers will attend the Michigan Schoolmasters' convention in Ann Arbor. Student-teacher conferences will be held in the grade schools tomorrow.

We need to think less about the next election and more about the next generation.

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

Indecision Can Ruin Your Life

MRS. CORA GASWICK, San Jose, Calif., is connected with a real estate company, so naturally her mind runs to doing some business for herself in this line. The result was that she went out and borrowed some money to build two houses. That sounds all to the good for houses were much in demand and the terrible shortage was in full force.

That is, it was all to the good except that the loans she secured swamped her. She didn't see her way clear unless those houses were finished quickly and a ready turn over made.

Builders were hard to keep on the job; carpenters, too, were in demand. But along came a piece of good luck: two months after the houses were completed, in midsummer, she sold one of them. The second one however failed to bring a purchaser. She inserted the cleverest advertisements she knew how to write. To no purpose.

She talked about that house wherever she thought word might get around about it to a possible would-be owner. If people came to look, they passed on out to either discuss or forget it. The latter proved to be what they did.

Came fall, winter, Christmas was at hand. The second house still was her own. She became worried. In fact, she worried so much that she was unable to sleep, lost her appetite, her work suffered. Also she found that she was floundering in her decisions. She had never quite decided whether she wanted to rent this one, or sell it.

One day, she decided that to rent it was the best thing to do; the next day, she made up her mind that she should take what profit she could get and bank it. Then one night, she made up her mind definitely that either she would rent it in two weeks or she would move into it herself. Now her mind cleared; she knew what she would do about it. She wasn't worried.

On Christmas night came a telephone call. Someone wanted to see her house. This time when she showed that house, she wasn't worried. Her mind was clear and her selling talk good. The papers were drawn, the sale was made.

Local News in Brief

Mr. and Mrs. Floyd Wilson were hosts on Sunday evening to Mr. and Mrs. Ralph J. Lorenz and Mr. and Mrs. A. K. Brocklehurst.

Mrs. William Hartmann is entertaining her bridge club tonight, Thursday, at her home on Blunk avenue.

Mr. and Mrs. Lee Coolman of Starkweather avenue were the Wednesday evening dinner guests of Mr. and Mrs. Robert Coolman in Northville and later attended the band concert held there.

Mr. and Mrs. Owen Schrader entertained at their home on Canton Center road last Sunday honoring the birthday of their daughter, Mrs. Charles Ferguson. Guests besides Mrs. Ferguson were her husband, Charles, Robert Port, and Miss Ellen Thomas, of Pontiac; Mr. and Mrs. James Stepler, and Pat Rychlick, of Detroit.

Roberta Lidgard, daughter of Mr. and Mrs. Robert Lidgard, was on the program at the Friday evening meeting of the Northville P.T.A. She will also do a tap dance routine at the Boy Scout rally to be held in the Plymouth High school on Saturday evening of this week.

The regular meeting of Chapter AI P.E.O. was held at the home of Mrs. Henry Jensen on Friday, April 21. Mrs. Robert Johnston and Mrs. Harold Guenther acted as co-hostesses. Mrs. Ada Murray, librarian of the Plymouth branch of the Wayne county library, gave a very interesting and instructive talk on the hobby of collecting buttons. She also showed many cards of buttons giving anecdotes covering some of the older and rarer ones. Delightful refreshments were served following Mrs. Murray's talk.

Mr. and Mrs. A. C. Dayton and family of North Mill street spent last weekend visiting Mrs. Dayton's parents, Mr. and Mrs. Joseph Schreiber in Port Huron.

Mr. and Mrs. Floyd Shelters and family and Mrs. N. Rowe of Bradner road are spending a few days in Beaverton and Dale, as guests of Mrs. Rowe's mother, Mrs. Lucy DuMont.

Mr. and Mrs. Edward Van Loo were hosts on Saturday evening at their home on Wing street to Mr. and Mrs. Edwin Goebel, Mr. and Mrs. George Bartel, Mr. and Mrs. Lawrence Blunk and Mrs. Maurice Garchow.

Mrs. Lee Coolman accompanied her brother, James Rye of Ludington, to the memorial services held in Detroit on Wednesday as a part of the Embalmers convention being held there. Each year this service is held in memory of their families who have passed away during the past year, their mother being one of those to be honored.

Miss Maude Gracen of Paxton, Illinois was very pleased last month to receive a shower of cards and letters (about 52) from Plymouth friends. Miss Gracen was injured in an auto accident last summer and since has been confined to a hospital in Paxton. She is, however, slowly regaining her health. Miss Gracen is a sister of Mrs. Harold Jolliffe and taught in the Plymouth schools for several years. Her present address is c/o Community Hospital, Paxton, Illinois.

Mrs. Carl January will entertain at dinner on Saturday evening honoring the birthday of Mrs. Mary Polley. Guests will include Mrs. Burton Johnson, Mrs. Charles Draper, Mrs. Walter Nichol, Mrs. Florence Webber, and Mrs. Polley's daughter, Regina.

Miss Anita Mosher of Ann Arbor trail, Plymouth, and Walter Oakley of the Arthur Murray dance studios in Detroit will give an exhibition of ballroom dancing at the Hotel Mayflower Saturday evening, April 29 at the VFW dance.

Mr. and Mrs. M. H. Riley of Winnetka, Illinois are spending a few days this week with Mrs. Riley's brother, Dr. John Olsaver and Mrs. Olsaver of Maple avenue.

Mr. and Mrs. S. D. Bacon of Joy road Chinchilla Farm will entertain Lt. and Mrs. John Hall of Grosse Ile Naval Base Friday evening.

Mr. and Mrs. Halvar Blomberg have had as their guest, Mrs. T. J. Smith of Brooklyn, New York, for the past two weeks.

Mr. and Mrs. Richard Vealey and Mr. and Mrs. Earl Wolfe spent the weekend in Cheboygan and report that the temperature was 5 degrees above zero there.

Mrs. Harold Kellogg of Burroughs avenue is spending Friday visiting old friends in Saginaw.

Dr. and Mrs. S. N. Thams spent the weekend at their cabin near East Tawas.

Mr. and Mrs. George Worrell and Mrs. Worrell's mother, Mrs. Martha Vealey of New York City, are staying at the Richard Vealeys for a short time, but will soon move into their own home on Fairground avenue.

Mr. and Mrs. Ronald Keeping and sons, Johnny, Allan and Ronnie, of Akron, Ohio spent last week with Mr. Keeping's parents, Mr. and Mrs. George Keeping of Irvin street. While here Mr. Keeping attended the American Chemical Society meetings in Detroit.

There will be a square dance at the First Presbyterian church Friday evening.

The VFW Auxiliary is sponsoring a dance at the Hotel Mayflower Saturday evening. A large attendance is hoped for.

Mr. and Mrs. John Chaney of Pacific avenue were hosts on Saturday evening to Mr. and Mrs. Kenneth Gates, Mr. and Mrs. Clifford Manwaring, Mr. and Mrs. Richard Straub, Mr. and Mrs. Harlow Williams and Mr. and Mrs. Bernard Curtis.

Tentative Softball Rules Set Up For Men's Open, Industrial Loops

With the opening games of the Plymouth softball leagues just around the corner, the rules and regulations tentatively set up by the Michigan Recreation association and the Plymouth Recreation department for the Men's Open and Industrial leagues have been set up.

The rules are subject to change at a meeting of the Men's league on May 8 in the recreation office.

Teams that have shown a desire to enter the Men's Open league include the South Side Merchants, Detroit House of Correction, Beglinger Oldsmobile, Northville and possibly Redford. In the Industrial league we find Dunn Steel, Wall Wire, Daisy Air Rifle, Universal Power, Champion Corrugated, with a possibility of Whitman-Barnes.

Following are the tentative rules:

1. These leagues will be known as the Plymouth Open and Industrial leagues.

2. The entry fee shall be \$45.00 for each team composed of players living or working on a full-time employment job in Plymouth township, three of which can be located outside. If a team is composed of more than three outside men the fee will be \$50.00. Only the Open league may have players located out of Plymouth.

3. The last date of team entry is 12 p.m., Wednesday, May 12, 1950. To be eligible to play a team must have at least nine players under contract, the entry fee and a forfeit fee of \$12.00 paid by this date. The forfeit fee will take care of 2 forfeits in advance. If your team does not forfeit, the money will be refunded at the close of the season.

4. The maximum number of players who can be under contract at one time shall be 16.

5. Players may be contracted up to 12 p.m., July 21, 1950. Players may be released any time during the season but no player shall be signed after the above date.

6. To be eligible to play in the next scheduled game a player's contract must be in the hands of the Director of Recreation or postmarked at least 24 hours prior to game time. No player may play with another team in this league within seven days after his release from any other team in this league.

7. Any player who plays with or is a member of a team participating in another recreation league, which has the privilege of sending a team to the Michigan Recreation association state tournament, shall be ineligible to participate in this league.

8. A player must play in at least five games during the regular season to be eligible to play in the play-offs.

9. Games will be played on Monday and Thursday evenings beginning June 1, 1950.

10. The scheduled game times shall be 7:00 and 8:20 p.m. unless otherwise noted on the schedule. No inning is to start after 1 hour and 10 minutes of playing time has elapsed.

11. Forfeit time shall be 15 minutes after the scheduled game time. A team must have a minimum of nine players in order to start a game. If both teams do not have enough players to start, both teams will be charged with a loss. Any team which forfeits twice will have to pay another forfeit fee of \$12.00 before the next scheduled game or be dropped.

12. If a game be a tie at the end of 7 innings, play shall be continued until one side has scored more runs than the other in an equal number of innings up to the 10th; provided that if the side last at bat scored the winning run before the 3rd man is out in any inning between the 7th and 10th, the game shall be legally over. If still a tie at the end of 9 innings, the game must be played off at a later date (unless it can be finished without further inconvenience to the other teams).

13. The line-ups must be in the hands of the home team score keeper 10 minutes before game starting time.

14. All games will be played under the 1950 Softball Rules as approved by the Joint Rules committee.

15. Warm-ups for the 2nd and 3rd games should not exceed 5 minutes for each team and games may be called to start at the discretion of the supervisor. Home team takes the field last.

16. All questions of rules concerning the game must be discussed only by the manager or captain with the umpire. Unsportsmanlike abuse to umpires or supervisors from players will immediately subject them to suspension from his team; the time will be so designated by your game supervisor and the amount will depend on the nature of the offensive act. No smoking on the playing field, but it is O.K. on the bench.

17. Indefinite suspension will be the penalty for the player or umpire under the influence of alcohol in any form during any game sponsored by the Plymouth Recreation Commission.

18. No protest will be accepted concerning an umpire's judgment, however, protest may be filed concerning the rules of the game and their interpretation. All protests must be filed in writing within 24 hours after completion of the game with the supervisor. Each protest must be accompanied with a check for \$2.00. If the protest is won, the check will be returned. All protests will be heard by the Director of Recreation. Supervisor, umpires and parties involved.

19. Each team will play in accordance with the seasons schedule as printed. In the case of a postponed game, teams will continue with their regular schedule and the postponed game will be played at a later date as agreed upon by both team managers and the supervisor. At the conclusion of the regular season all teams having a percentage of 500 or better will be eligible for the play-offs to be held on the Plymouth field. If there is an odd number of teams, the team finishing in first place will receive the bye in the first round. If there is an even number of teams the first round pairing will be 1-4, 2-3. The play-offs will be two losses and out. The winner of this play-off will have the opportunity to play in the Class B Michigan Recreation association state softball tournament which will be held at Coldwater, August 25, 26 and 27.

20. Members of the winning team at the end of the regular schedule shall receive individual awards which shall not exceed 16 in number. The sponsor of this team shall receive a traveling trophy to remain in his possession until the 1951 season closes.

21. If discovered, any team using one or more ineligible players will be charged with a loss.

22. This department will furnish one new softball for each game and the home team will have enough suitable balls to complete the game. The home team shall supply the umpire with one ball before the game and the umpire shall be sole judge as to the suitability of the ball.

23. All softballs must be of the "Flat Seam" type and must be stamped "Official Softball" by the manufacturer.

24. It shall be the responsibility of the home team to keep a record of the game on a furnished score sheet and to see that the score sheet is placed in the hands of the umpire immediately after the game.

25. Umpires must be on time. If they are not on hand ready to work by game time, they must forfeit half of their fee for that game.

26. If there is an odd number of regular season games any team within one notch of 500 per cent will be considered eligible for the play-offs.

27. Plymouth Recreation leagues are formed and operated on the basic principles of tolerance in judgment, wholesome fun, courtesy to others, good sportsmanship, and other policies pertaining to all-around good clean character development. Bickering, frequent protest, and "grumbling—hard to please participants" are being retarded in these programs throughout the National Recreation association.

Director of Recreation

Recreation Dept. to Start Women's Golfing Class

The Plymouth Recreation department is hoping to interest at least 10 Plymouth women to justify a beginners golf class. The first meeting of this class will be held Wednesday, May 3, at 10 a.m. at the home of Mrs. Alex Miller, 185 Blunk street.

Mrs. Miller, former instructor of beginners golf classes at the University of Michigan, will be the instructor. Classes will be conducted from 10 to 11 a.m. each Wednesday starting May 3 for five weeks. An enrollment fee payable the first meeting will cover the cost of instruction.

Each player is to furnish her own clubs and balls. Four clubs will be used; number 2 wood, numbers 5 and 8 irons and the putter.

The department is planning to build up interest in women's golf with the hopes of stirring up some inter-city competition later on this summer. Other cities who are definitely interested are Pontiac, Willow Village, Wayne, Ypsilanti, Highland Park and Dearborn.

For further information call Mrs. Miller, 1316, or Herb Woolweaver, city recreation director, 2075.

Shorts in Sports

by Al Larson

A recent survey by James A. Wylie, associate professor of physical education at Boston University's school of education, of 504 families in 38 states and three territories, finds that the three top American recreations are picnicking and outings, spectator amusements and social activities, in that order.

Mr. Wylie personally or by mail questioned these families to find out their recreational habits. Formal activities seem to be of the least interest to the family groups.

One hundred or more families listed most frequently car riding, picnicking and the movies. Of these families 75 per cent used only these three outlets, and there was an average of 24 such occasions on the overall survey-wide average of incidence.

Another interesting item shown by Mr. Wylie was how the income entered into the recreation of the many families. He started his according-to-income study with the \$2,000 a year family but abandoned it—he got no response.

Moving into the \$3,000 a year bracket he went on until he reached an \$8,000 to \$10,000 yard stick and, finally, he went over \$10,000.

The \$3,000 to \$4,000 bracket was found by Professor Wylie to be unsatisfactory as recreation goes. Recreation was found most satisfactory by those families in the \$4,000 to \$6,000 class.

From \$6,000 and up it was found to be unsatisfactory. Wylie believes this is because the person who wears the pants in the family is preoccupied with money making and, in the case of the \$10,000 and up category, people are keeping themselves miserable while keeping up with the people next door. Of the latter group he said, "They always want more."

On the whole, 58 per cent showed dissatisfaction with their recreation.

Rocks Golfers to Play Ypsilanti

Having been rained out of two straight golf meets with Wayne and Northville on April 20 and 24 respectively, the Plymouth, Rock turfmen encounter Ypsilanti at Plymouth Country club golf course Friday evening.

The Plymouth High golfers dropped their first meet of the season to Ann Arbor at the University of Michigan golf course on Tuesday, April 18 by 16 strokes.

Medalist honors for the meet were received by Don Widmeyer

Mark Decline in Indoor Sports

As the summer months grow nearer and the weather begins to turn more favorable for outdoor events, indoor sports have begun to slack off as has volleyball at the Starkweather gym, which has been in full swing all winter under the direction of Dunbar Davis.

Only about 12 or 15 men have been participating in volleyball the Tuesday and Thursday evenings that the men have met.

Because of other activities at Starkweather players have been able to meet only on Tuesday evenings at 7:30 p.m. They play until about 10 p.m. Wednesday night, April 26 the men journeyed to Detroit for some volleyball matches.

Need More Teams For Ball League

Where are all the young softball players? A meeting was held last Monday in the recreation office and only two teams were represented at the meeting.

A softball league is trying to be formed for the boys of Plymouth but a league must have at least four teams in it. Two leagues are also trying to be formed, a D and E league.

Teams organized to join the D league thus far are the South Side Barbers and the Wayne County Training school. The Training school finished in first place last season in the D loop while the South Side Barbers, made up of players from last year's Bulldog team, ended the season in second.

Another meeting will be held on Monday, May 15 at 4 p.m. in the recreation office to again attempt to organize a league.

On Sunday, May 7 at the Wayne County Training school softball diamond the South Side Barbers, managed by Al Larson, will play the Training school Red Birds coached by Clare Ebersole at 2 p.m. in the afternoon.

Thinclads Meet Ypsi Tonight

With their first track meet against Redford Union being rained out April 20, the local thinclads meet Ypsilanti tonight, Thursday, on the Plymouth High school track for the first league meet of the season.

The Plymouth trackmen captured the River Rouge Invitational relays on Saturday, April 15, garnering 32 points and walking off with the first place trophy in the Class B division.

Twenty-nine other schools were competing that Plymouth beat out. The locals were followed by Walled Lake with 26 points and Ecotse with 23½ tallies.

The previous high for Plymouth teams since the River Rouge relays were originated 11 years ago was runner-up last season. Both years the Rock trackmen have been coached by Konrad Moiso.

In the 60 yard dash Paul Harding of Plymouth won with a time of 6.7, netting the locals six points. The Rocks captured the 880 relay with a team composed of Harding, Buzz Todd, Bob Anthony and Lou Vargha with a time of 1:37.4, garnering 12 points this time.

Gary Rodman added another four points to the Rocks totals with a 48 foot toss of the shot put, placing third. The medley-relay team was edged out by two-tenths of a second, settling for second place and netting 10 points. Harding, Anthony, Vargha and Calvin Becker were the members.

Change Dates of League Meetings

A change has been made in the meeting of the F and Midgets baseball leagues from Friday, April 28 to Monday night, May 8 at 4 p.m. in the Plymouth Recreation office. This meeting will be the first for these two leagues and a manager, coach or representative from each team wishing to enter either of the leagues is asked to be present.

On the same evening, May 8, at 7:30 p.m. the Men's Open and Industrial softball leagues will hold their second meeting of the year to discuss the tentative rules and other questions so arising in the Plymouth Recreation office.

The second meeting for managers and coaches of teams in the Old Timers' league will be held Thursday, May 11 in the recreation office at 7:30 p.m.

Officials of Yellowstone National park, Wyo.-Mont.-Idaho, report that from 1892 to 1949 a total of 5,268 elk were shipped from the park to various parts of the United States and to foreign countries for establishing new herds and for zoo purposes.

In less than 20 years the U. S. government's civil employment has increased from 570,000 to over 2,000,000. It now costs more each year to pay the interest on the national debt than it did to pay the total cost of the Federal government 16 years ago.

Smelt Fishing Reported Good

Every year during the middle part of April fishing enthusiasts travel to the well known areas where smelt travel to their spawning grounds in creeks and streams. Large catches of the fish were reported by the majority of fishermen.

Well known landmarks such as "singing bridge," "rifle river" and other creeks are where the fishermen report large catches of smelt.

Thousands of people travel up to the vicinity of Tawas for the annual run of smelt. Bon fires and cars light up the highway for miles along the shore line.

ATTENTION! MICHIGAN DAIRY FARMERS!

Two Big Jobs This Year!

Declining prices and surplus... plus an emergency threatening all dairying and the entire economy of the state of Michigan... call for business action more than ever before by Michigan dairy farmers this year.

May earmarked for state activity and June for nationwide advertising, merchandising and research.

Working together through ADA—statewide and nationwide... dairy farmers are protecting their investment and building markets for a brighter future in dairying.

To organize for this campaign the American Dairy Association of Michigan has been given the responsibility of raising funds. Dairy farmers support will be given in the ADA Set-Aside for May and June, with

Northville Downs Stable Reservations Heaviest in History

Stable reservations are the heaviest in the history of racing at Northville Downs, according to the announcement today by race secretary, Ed Keller. With a record breaking list of 1,915 nominations in the 47 stake races that are featured over the 54 nights of racing here starting May 15, the big headache now is just how to take care of everybody.

Stable room this year is at a premium. All of the track facilities were exhausted when the list of stake races closed on March 15, and the association found themselves with the 1,915 nominations, which represented better than 700 different horses.

"We are going to take care of everyone that wants to race at Northville," that's the word that horsemen are receiving from the Downs management. In addition to the existing stable room at the track, additional stalls will be made available here through the erection of new stables, which will be able to take care of a big

number of stables. The overflow will be stabled at the Detroit Fair Grounds mile track which offers excellent facilities for stabling. Between 400 and 500 horses are expected to be quartered at the Fair Grounds oval before the meeting is over. Stable requests for 1,283 head have been received to date.

The first stables will arrive here on April 29, which is the date officials have set for receiving the first of the hundreds that will check in during the first week. Since racing gets underway May 15, most of the stables will be bedded down by May 1 in order to get in several last-minute tune up workouts over this half-mile course before they are sent to the starting post.

Racing at Northville this year will feature a Stake race every night of the 54-night meet. The opening stake for May 15 is the Gratiot County Fair Stake, which is for 22 Class pacers. No less than 60 pacers were nominated for this event. Racing Secretary Ed Keller stated that out of this group he expects enough to declare as starters for opening night, so that the race will go in two divisions with excellent prospects that there might be enough declared for three divisions. If this happens it will be a record for Northville.

Robert Merriam will be a delegate from the Plymouth Kiwanis club to the 35th annual convention of Kiwanis International May 7 to 11 in Miami. Other members are making tentative plans to attend.

Captain E. V. Rickenbacker, president of Eastern Air Lines and World War I flying ace, is the newest addition to the speaking program, according to an announcement today from the Chicago headquarters of Kiwanis International.

Rickenbacker, it was learned, will discuss America's domestic situation.

By Becker, president of the Kiwanis club of Plymouth, said the delegation to converge upon Miami for the convention will represent a majority of the 3,100 Kiwanis clubs in this country and Canada.

In line with the theme of the meeting, "Aggressive Citizenship—Safeguard of Freedom," delegates will participate in panel conferences on various activities that are sponsored by Kiwanis, Becker said. These will include, among others, public and business affairs, support of churches in their spiritual aims, boys and girls work, and agriculture and conservation.

Flying Farmers Land in Plymouth

The Michigan Flying Farmers made their plane headquarters at Mettetal Airport, Plymouth, during their first annual spring meeting held in Detroit April 19 and 20. Following the meeting Associate Member E. J. Monnier of Plymouth (left to right); Bob Mettetal, owner of the airport; Vern Spencer of Wixom; Ernest Irwin, secretary of the Flying Farmers; Marshall Wells, farm editor of Station WJR and a member; and Earl Gehman, president, met before take-off time. The Flying Farmers toured local industries and Greenfield Village during their two-day visit. Highlight of the spring meeting was a discussion of the Heliplane given by the Aero Club of Michigan. Over 90 farmers from all over the state attended the sessions.

Betty Brake is Club Speaker

The Starkweather Mothers' club will meet in the Starkweather school auditorium on Tuesday, May 2, at 1:30 p.m. A nominating committee will be appointed for new officers and the annual school picnic will be discussed.

All mothers are urged to be present. Mrs. A. Hubbs and Mrs. W. Bowman of the program committee announce Miss Betty Brake as guest speaker. Miss Brake has spent considerable time teaching in the Hawaiian Islands and will show pictures of the island and tell of her experiences while a resident there. At the close of the meeting tea will be served by Mrs. Leo Kowalek, assisted by Mrs. Clifford Tait, Mrs. W. Bunyca, Mrs. Ed Houghtaling and Mrs. George Diedrick.

Invite Parents to Dancing Classes

The parents of the children enrolled in the ballroom dancing class taught by Miss Audrey Neale and Miss Charlotte Kumber at Central Grade school, were given the opportunity last week to see what their children had accomplished during the past 10 weeks of instruction.

The Two Step, Hot Dog step and Round the Island had been polished off and were ready to present to Mother and Dad. In fact, they danced them with Mother and Dad, making the party a huge success and the parents had as much fun as the children.

Including a Ballroom dance, Okey-Cokey and Virginia Reel in their repertoire last week, the children's talents turned out to be quite varied. The same group has now started an intermediate ballroom dancing class still meeting on Saturday morning in the Central Grade school gym.

Rites Held For Edwin F. Austin

Funeral services were held on Tuesday for Edwin F. Austin, at 3 p.m. from the Schrader Funeral home. Mr. Austin passed away Saturday morning at the age of 77 and had resided at 15486 La-Salle road in Northville township. He has been a resident of Northville and vicinity for the past 25 years.

His wife, Mrs. Emma Julia Austin, preceded him in death in 1948. Surviving are his four daughters, Mrs. Florence Lohr and Mrs. Irene LaRose, both of Plymouth; Mrs. Gladys Meldrum of Detroit and Mrs. Beatrice Kempf of Ann Arbor; and his son, Elmer E. Austin of Plymouth, owner of the Austin Taxi company. Also surviving are eight grandchildren and two great grandchildren; his sister, Mrs. Mary Gardner of Chino, California, and other relatives.

The Rev. Henry J. Walsh, D.D. officiated. Hymns were rendered at the organ. The active pallbearers were Walter Dethloff, Gerald Beller, Jack Bishop, Kenneth Lund, Robert Tennant and James Joy. Interment was in Riverside cemetery.

Funeral Today For D. MacDonald

Funeral services will be held this Thursday, April 27, at 2 p.m. from the Schrader Funeral home for Donald MacDonald who passed away suddenly Monday, April 24, at the age of 53 years. Mr. MacDonald resided at 10750 Laurel road, Livonia, and has been a resident of Livonia and Plymouth for the past six years. He came to the United States in 1922 from Scotland.

Surviving are his widow, Mrs. Mary MacDonald, and two daughters, Mrs. Mary Bancroft and Mrs. Jean Tujaka, both of Livonia; three grandchildren, Billy and Michael Bancroft and Judy Tujaka; also surviving are four brothers and three sisters, all of Scotland.

The Rev. Henry J. Walsh, D.D. will officiate at the service. Hymns will be rendered on the organ. Interment will be in Riverside cemetery.

Plymouth Nine to Open at Wayne

With only five days of practice under their belt, the Plymouth Rock baseball team plays Wayne tonight at the latter's home diamond. Because of inclement weather, the locals have not been able to practice out of doors very often, although the batterymen and a few others have gotten into shape in the school gym.

Wayne has been practicing for close to a month in all kinds of weather, although the cold is bad on a player's arm. Coach Sandmann of Plymouth is hoping for some warm weather soon to get in some good practice.

Four lettermen will be on the field for Plymouth when game time rolls around including Bob Gow, George Hunter, Dick Fen-ton and Dave Reitzel. The probable starting pitchers for tonight's game will be Reitzel for Plymouth and Templeton for Wayne. Reitzel will be attempting to lengthen his unbeaten record, having won five games in high school and lost none.

Shows Advertising Gadget Hobby

A number of the 500 advertising gadgets collected by Hiram Clark will be on display this week in the lobby of the Plymouth United Savings bank. Mr. Clark collects any type of objects used as advertising media by manufacturers, merchants and industry. He began his hobby in 1945 while bedridden with a broken back.

Any and every type of advertising gadget can be found in the collection of Hiram Clark of 42425 Hammill street. His hobby includes every type of object used for advertising by manufacturers, merchants and industry.

Clark began his unusual hobby in 1945 when he was bedridden for a year with a broken back. He noticed at that time that many extraordinary articles were beginning to be used as advertising media. At the present time he has over 500 objects.

The oldest and probably the most valuable item in the collection is a bronze key that was made in 1900 to advertise a Wisconsin fair. The key is about 4 inches long and has a thermometer attached to it.

Another unusual item in his hobby collection is a group of wheat stones with advertising on them. Other objects include ash trays, key rings, calendars, magnifying glasses, windshield cleaners, combs, rulers and pencils. One pencil put out by an Indiana company is 18 inches long.

A wooden fish bearing an ad was sent to Clark by a nephew in Idaho. One item, a copper hat, comes from as far away as Dallas, Texas. Clark also has a wooden drumstick stamped with an ad and a number of pocket knives with advertising.

Grange Cleanings

At the meeting of the Grange on April 20, Henry Ehrenberger showed us three reels of splendid pictures, one showing the help and inspiration that the 4-H club can give to young people. One was especially instructive in two ways. It was presented by the Nunn Busch Shoe company and showed the process of making shoes and also told of the cooperative relationship of their employees with the company.

We were favored that night, too, by a visit from Mr. Wiley, a Grange Deputy from Jackson county who gave us a short talk.

Our meeting of May 4 will be of special interest. Pot luck supper at 6:30 p.m. Bring plenty of food as we are to have several guests. The Home Economics chairman, Mrs. Paul Nash, has a very fine program planned so come and be happily surprised.

Be sure to save the date of May 11 for the Grange card party. Come and bring along your friends. The public is invited.

Barbara Mailloux and George Drake Wed in Morning Rites

Wearing a full length white taffeta gown, Barbara Nancy Mailloux became the bride of George Alfred Drake April 15 at St. Michael's Catholic church in Rosedale Gardens. Father Albert Zinger read the 9:30 rites.

The bride's gown was fashioned with a fitted bodice accented with a net yoke. The full hooped skirt was detailed with lace edging and a lace bow. Her veil of illusion was held in place with a ruffled headpiece accented with flowers of pearls. She carried a bouquet of white carnations.

Mr. and Mrs. Roland Mailloux of Brewster street are the bride's parents. The bridegroom is the son of Mr. and Mrs. Joseph Drake of Inkster.

The bride was escorted to the altar by her father. Music was presented by the church organist.

As maid of honor Barbara LaMay chose a full length dress of blue marquisette. The full skirt was detailed with a row of ruffles just below the hipline. She

wore a blue net hat with a shoulder length veil and carried pink carnations.

Best man duties were carried out by George Fouts of Detroit. Ushers were the bride's brothers, DeRoss and Roland.

After a wedding breakfast for 25 guests at the bride's home, the reception was held at the Wayne Conservation hall for about 100 guests. Mrs. Mailloux received her guests in a royal blue crepe dress with grey accessories. She wore a corsage of red roses. The bridegroom's mother, Mrs. Drake, chose a blue print dress with blue accessories. She wore yellow roses.

For a short wedding trip the new Mrs. Drake chose a white jacket and blue skirt with blue accessories. They are now living on Wayne road.

SUCCESSFUL PARENTHOOD

By Mrs. CATHERINE CONRAD EDWARDS
Associate Editor, Parents Magazine

PARENTS ARE APT to agonize too much over their adolescent children's lack of social success. In any group of youngsters just starting to go to boy and girl parties, there are as a rule only two or three with the natural ease to enjoy them. So if your Robert has to be bribed to go, or your Anne comes home in tears because no one asked her to dance, remember that a lot of other families are going through the same torture.

It may be time for you to help out, but you don't have to resign yourself to having a wallflower in the family. Instead, make the most of the experience to help your child gain sympathy and understanding for others.

I have always admired the way one mother of my acquaintance handled her oldest daughter's inauspicious entry into the social world. The girl was sent to dancing school along with her friends, but this increased her unhappiness for there were only a few boys in the class and they never asked her to dance.

The mother's next step was the usual one of helping her daughter overcome grooming problems. Though it sometimes seems as if girls were born with a yen for lipstick, this isn't always true. Some youngsters dread all signs of growing up (which is another problem for another discussion) and actually hate to use makeup. But with her first permanent and a slightly more grown-up haircut, Elizabeth soon accepted lipstick. Quite a lovely looking teen-ager emerged from all this special attention. But still the excessive shyness, made acute by her lack of popularity with the

boys, stood in the way of the girl's enjoyment.

The next step in the campaign was up to father—and it was literally a step, step, step around the living room to dance music. With persistence, Elizabeth became a really good dancer. But good dancers were plentiful in the school and this skill alone couldn't win attention for the self-conscious, glum child who shrank behind the other girls.

At last Elizabeth's mother realized that attractiveness had to come from within. Her daughter was by now a pretty girl with several social accomplishments, but she still withdrew into self pity whenever she had to face a social group. Now the mother talked to the girl about other girls in the group who were also left out of the fun. Was Elizabeth kind to them? No, the girl admitted, nobody wanted to be seen being friendly with the "drips."

It took some persuasion to convince Elizabeth that making some other shy girl more comfortable might release her own fears. But once she tried it, her natural warm heartedness, which had been frozen through fear of the adolescent code that you must go around with the popular girls, created a friendliness that shone in her eyes and was reflected in a more open and approachable personality. Soon the boys began to notice her and Elizabeth made the grade with her crowd.

Now this story has been enacted thousands of times in as many families. What is different about it is that Elizabeth's mother said afterwards she was glad that her daughter had at last been a wallflower because of the awareness of the feelings of others that the experience had awakened in the girl.

Hints For Plymouth Homemakers

Pineapple Soon Plentiful for Desserts, Salads, Preserves

Market experts forecast an early peak for the fresh pineapple season this year. At almost any time now Plymouth grocers will be offering this luscious fruit at reasonable prices.

The tangy sweetness of the fruit makes it a great favorite for desserts and salads. There are people, however, who object to the strings to a point where they are willing to pass up the fruit.

Here are two means of overcoming this objection. The first trick is to cut the washed fruit into slices about one inch thick. Pare the slices and dig out every bit of each eye with the point of a sharp knife.

Lay the slices flat on a plate and work the pulp loose from the stringy portions with the tines of a fork, scraping from the core to the outer edge of each slice. Squeeze every drop of juice from the core and stringy portion to be combined with the tender pulp.

A second method of preparation which works a bit faster is to pare the fruit and remove the eyes carefully. Grate the pineapple on a coarse grater or a shredder. Either one removes the tender flesh and leaves the strings behind.

The fresh pineapple pulp, grated, shredded or diced is delightful sweetened to taste and chilled. For variety put a few whole cloves in the bottom of the bowl in which the fruit is chilled or combine it with sliced fresh or frozen strawberries or with diced stewed rhubarb. It's delicious, too, made into ambrosia with segments of orange freed from the membrane and shredded coconut.

Any of these desserts is only as good as the fruit with which you start so it's important to use a completely ripe pineapple. The best test is to tug gently on one of the green leaves. If it leaves the crown readily, the fruit is ready. Remember that a rich, full fragrance is a good indication of tempting flavor.

The question of canning always comes up when pineapple prices go down. Figure the economy for yourself. It takes about 15 medium sized pineapples to produce 30 pint jars of the canned fruit. Add the cost of sugar and fuel used to approximate the actual cost without your time.

Ever though you decide that you'll stick to commercially canned pineapple you'll probably want to make a few spreads. Here are directions for a few of these sweets as well as for plain, canned pineapple.

CANNED PINEAPPLE
Pare pineapples, remove eyes, cut into slices and remove the cores. If liked, cut into cubes. (More fruit can be packed into jars if it is cubed). Make a syrup, using 2 parts water to 1 part sugar. Cook pineapple in boiling syrup for 5 minutes if cubed, or 10 minutes, if sliced. Pack hot fruit and syrup into clean, hot jars, filling to within 1/2 inch of top. Work out air bubbles. Adjust caps. Remove from canner at once and complete seal, if necessary.

PINEAPPLE PRESERVES

Pare pineapple, remove eyes, slice, core and cube. Cook in enough boiling water to barely cover, until tender. Drain, reserving the liquid. Weigh fruit. For each pound of fruit use 1 cup of the liquid and 3/4 pound (1 1/2 cups) sugar, the juice and grated rind of 1 lemon. Bring pineapple juice, the sugar, the lemon juice and rind to the boiling point. Add pineapple and boil gently, stirring at frequent intervals, until fruit is clear and tender and the syrup is thickened. Seal at once in hot, sterilized jars.

PINEAPPLE-RHUBARB JAM

Seven pounds rhubarb, 2 medium sized pineapples, 10 cups sugar. Pare pineapple, remove core and eyes and chop into small pieces. Chop rhubarb. Combine fruits with half of the sugar. Bring to boil over low heat, stirring often. Boil for 15 minutes. Add remaining sugar and continue boiling gently until mixture is thick and clear, stirring often to prevent scorching. Seal at once in sterilized jars or glasses.

PINEAPPLE-ORANGE MARMALADE

Six oranges, 1 lemon, 1 pineapple, sugar, water. Wash oranges and lemons. Remove seeds and other cut into thin slices or through food chopper. Weigh fruit and to each pound add 1 quart water. Cook for 1 hour and set aside for 24. Pare pineapple, remove eyes and grate, or if preferred core the fruit and put through a food chopper. Add to orange-lemon mixture and simmer until fruit is tender. Let cool and weigh fruit. Add an equal weight of sugar and cook until thick and clear, stirring to prevent scorching. Seal at once in sterilized jars or glasses.

Here Are Simple Do's for Broiling Steak

Broiled steaks merit special cooking attention—but little of it! Broiling steaks so they are uniformly browned on the outside and cooked to the desired degree of doneness on the inside is quite a simple matter.

First of all it is important where the steak is placed in the broiler. The correct distance from the heat is two to three inches depending on the thickness of the steak (1-inch steaks, 2 inches; 2-inch steaks, 3 inches). This will give a moderate broiling temperature of about 350° F.

The second simple rule of broiling is that the steak needs to be turned only once. When the meat is nicely browned it is cooked about half way through and then it is seasoned, turned on the second side and finished cooking. When that side is cooked, it is seasoned and the steak is ready for the meat platter and immediate serving. For a rare done 1-inch steak from 18 to 20 minutes cooking time is required; medium-done, 20 to 25 minutes. For a rare done 2-inch steak 30 to 35 minutes is required; medium-done, 40 to 45 minutes.

VEAL SAUCE

There's spring in this luncheon dish of sliced leftover veal and fruit vegetable sauce. To prepare the zesty sauce combine 1 cup mayonnaise with 1 tablespoon each chopped onion and celery, 2 tablespoons apple and season with 1/4 teaspoon paprika. Allow the sauce to stand for several hours before serving the veal.

Try These Hints for Cake Baking

How is your reputation as a cake baker? If it could be improved don't wait around for the "knack" to come to you—instead check yourself on a few simple rules that can make a big difference with that cake.

First, start heating the oven in advance so that it will be the right temperature by the time the cake is ready to bake. Arrange the racks in the oven so that the cake will be near the center for even heating.

Prepare the pans before mixing the batter and it's very important that you use the size of pan mentioned in the recipe. Do not grease pans for angel food or sponge cakes. For butter cakes, use a pastry brush or piece of waxed paper to spread a thin amount of fat on the bottom of the pan and just part way up the sides.

Cakes are usually baked in a moderate oven and should be tested before removing. Butter cakes begin to shrink away from the sides of the pan when done. If the top of the cake is pressed lightly with the fingers, it should spring back without leaving a mark. A wire tester or toothpick can be inserted into the center of the cake and will come out clean and dry when the cake has been properly baked.

Let butter cakes cool in the pan for about 10 minutes after removing from the oven and then loosen the sides with a spatula. Turn the cake on a cake rack or towel right side up to finish cooling. Then the cake won't get soggy from steaming. Fruit cakes should be left in the pan until cold because they are heavy and tender when hot. Turn sponge cakes upside down, pan and all, until the cake is cold. Then loosen the cake from the sides and around the tube. Tilt the pan and draw the cake out gently.

As a source of vitamins, milk is not excelled by any other single food. It is an excellent source of vitamin A and riboflavin, a fair source of other B vitamins. It should be used as part of balanced meals but not as the sole diet.

Here Are Tips for Sewing With Nylon Fabrics

Troubles with puckered seams, raveling and other problems of sewing on the new nylon fabrics can be expected but may be avoided.

Several practices with the tension, thread and cutting out of the garment are recommended to prevent puckered seams. When the design of the garment and drape of the fabric permit, place the pattern on crosswise rather than the lengthwise grain of the fabric.

Low thread tension is a necessity when sewing on nylon. High tension while sewing will stretch the thread and when it later recovers its original length it will make a wrinkled seam. This is especially true of nylon thread which should be used to sew nylon fabrics. It provides added seam strength and fast drying seams which are not likely to shrink when laundered.

To adjust your sewing machine for low tension, loosen the bobbin tension until the thread unwinds easily and slack the needle tension all the way off. Gradually increase the needle tension until a well-formed but not tight stitch is made with no loops on either side of the fabric. Sew a few seams to be certain there are no skip stitches or thread breaks. Keep a constant check on tension adjustments while sewing.

Use the smallest needle and thread size you can for proper seam strength. Use scissors to cut threads to prevent distorting seams and to make threading the needle easier. The scissors should be very sharp when you cut out the garment to prevent fabric fraying.

Pinking seams is not enough to prevent raveling during washing the garment. Sew with some type of folded, bound or over-edge seam.

A good supply of onions is rolling into your local markets. They are inexpensive, tasty and can be served raw, cooked, buttered, creamed, baked or in onion soup, advises foods specialists at Michigan State college.

In spite of all the talk of the destructiveness of the H-bomb, the average citizen is actually in much greater danger from auto bumpers.

Spring Fever? Here's The Remedy!

A PLATE of hot, home-made rolls and a potful of fresh, fragrant coffee—what could be better on a blue-and-gold afternoon in spring? Nothing, of course, unless it might be a friend or two to share them with you.

One of the best of all remedies for spring fever is to call up several friends you haven't seen for a while and invite them to drop in for afternoon coffee. Then shine up the living room, get out your prettiest linen and china. Before your guests arrive, bake a pan of Brown Sugar Pinwheels, timing them so they will be warm from the oven for serving. And there you are—all set for a delightful afternoon.

Timing the coffee is important, too. It should be as fresh and fragrant as a spring breeze. Make it at the last moment, serve it piping hot and be sure you make enough for plenty of extra cups to chat over!

Brown Sugar Pinwheels
1/2 teaspoon baking soda
1/2 cup buttermilk (about)
2 cups biscuit mix

Add baking soda to buttermilk (or sour milk); mix well; add enough buttermilk to biscuit mix to make soft dough. Roll out on floured board in rectangle shape, about 1/4 inch thick. Crumble brown sugar mix over dough; sprinkle with raisins. Roll up tightly like jelly roll, starting from narrow end. Cut crosswise in 1/2 inch slices. Place slices, cut side up, close together, in 8 inch layer cake pan. Bake in hot oven, 450° F., 15 to 18 minutes. Invert on serving dish.

Brown Sugar Mix*
1 lb. light brown sugar
2 teaspoons cinnamon
1 teaspoon salt
1/2 cup butter or margarine
Combine brown sugar, cinnamon and allspice. Add butter or margarine broken in small pieces; cream with finger tips until well blended. Store in tightly covered jar in refrigerator. Yield: about 2 cups. Note: This mix is delightful crumbled over hot cereal or served on hot pancakes or waffles.

Why Wait for Breakfast? Savory Bacon Adds Flavor to Any Meal

Why reserve bacon for breakfast? Bacon is one of the most adaptable of meats for homemakers to serve. Any hour of the day this crisp, smoky meat may add a savory touch to meals.

As for breakfast, bacon is joined with scrambled eggs for a luncheon treat. To complete the menu, fried potatoes and a green vegetable, are added.

Bacon - noodle scramble presents another wise use of bacon in a main luncheon dish. Bacon strips are cooked in the usual manner. Cooked noodles are combined with beaten eggs, seasoned, then cooked in the bacon drippings until done. This combination makes an attractive serving with the noodles placed in the center of a chop platter and surrounded by the bacon strips.

For sandwiches, chopped cooked bacon is rightly combined with peanut butter, cheese or

chopped prunes. Open-faced sandwiches may be slipped in the broiler just long enough to heat them.

When it comes to seasonings, bacon along with its drippings is perfect for green beans, broccoli, spinach or corn pudding.

If You've Earned It—Don't Hesitate!

There are countless people who have every right to be enjoying a Cadillac—but who, for one reason or another, are denying themselves the pleasure.

If this is happening to you—there must be a reason—and we think the following paragraphs may be of interest.

If you are hesitating to purchase a Cadillac because of cost—please remember that the lowest-priced Cadillac actually costs less than certain models of numerous other makes of cars!

If you are concerned about operating expense—remember that three 1950 Cadillacs recently averaged better than twenty-two miles to the gallon in an official-supervised economy test of 751 miles!

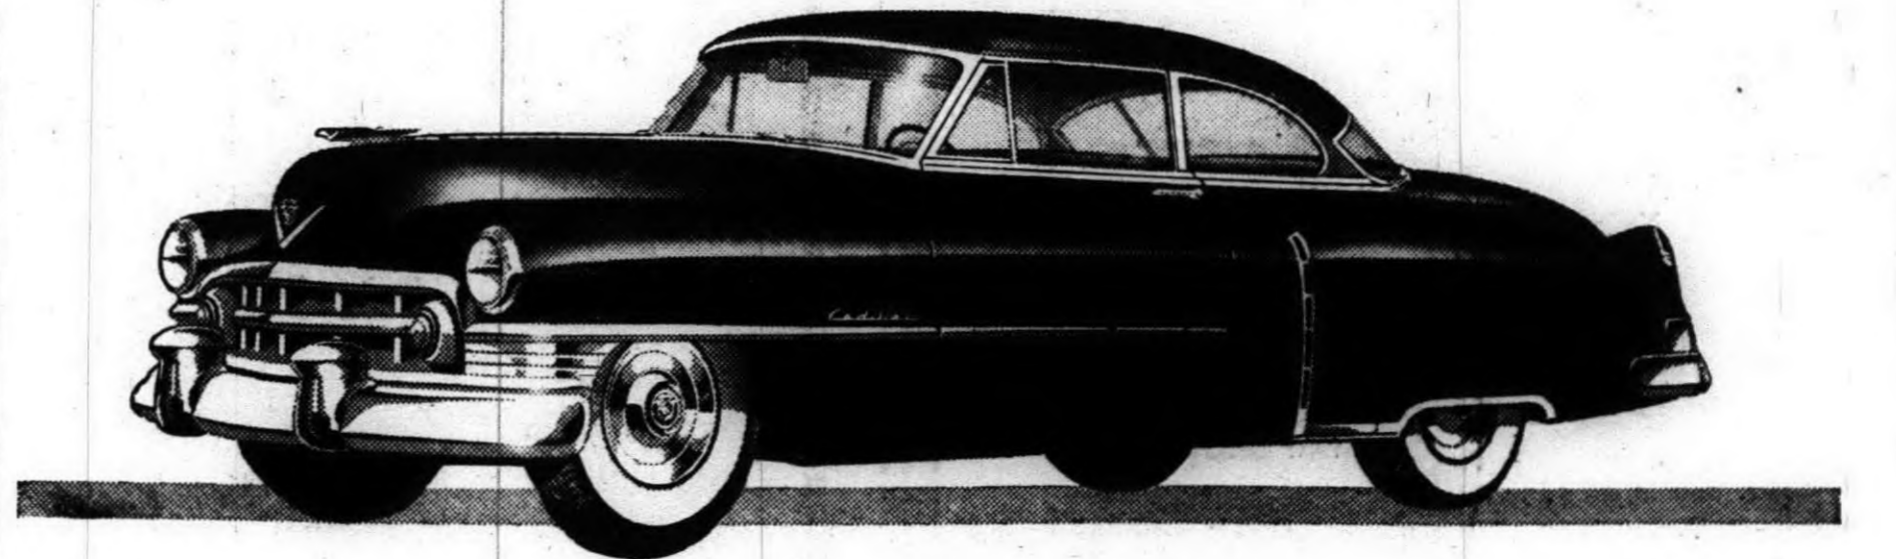

If you are wondering about the cost of upkeep—draw your own conclusions from the fact that the lifespan of a Cadillac has never been fully measured.

If you are afraid your friends might think you ostentatious—please be assured that our owners have not found this to be the case.

Yes, if you have earned it, there is every reason why you ought to be driving a Cadillac—every practical reason, as well as every personal one.

This would be a wonderful year to make the move—for never before was Cadillac so beautiful—so luxurious—so utterly thrilling to drive.

Better come in and see us. We think you'd be surprised at how easy it is to enjoy a Cadillac.

Over 100 Hear Professor Bagwell Speak at Men's Club Ladies Night

Over 100 attended the Methodist Men's club ladies night last Thursday at the Methodist church. After a supper prepared by Mrs. and Mrs. Loren Godale, Paul Wagner led in group singing and also presented the Plymouth High school barber shop quartet with several entertaining numbers.

Professor Paul D. Bagwell of Michigan State college gave a most interesting and instructive speech which was enjoyed and appreciated by all. The inspiration for his speech came as a result of his experiences while president of the National Junior Chamber of Commerce. In that one year he visited all the 48 states, Alaska, Hawaii, Cuba, Puerto Rico, all the Canadian provinces, a great portion of Mexico and 17 European countries. During the year he was able to compare conditions within all the United States with those of 15 other countries.

After telling many amusing incidents, Bagwell summed up his general impressions by stating the paramount issue facing all mankind whether American, European, Asiatic or African is "Man's Relationship to the State." This relationship is found expressed in the different types of governmental systems in existence and now competing with one another for the allegiance of all mankind. A summary of his talk follows:

Everywhere man is changing his position in relationship to the state. In 1945 the English people chose socialism by vote. China has embraced communism through war. France is hopelessly divided in attempting to make a decision. Greece has adopted a modified capitalistic democracy.

The reason for these shifts is an attempt at arriving at materialistic security. That is the only appeal. The only persuasive "gimmick" that communism, socialism and systems founded upon legislative security has for the people. Take away the tantalizing promise of a "pot of gold" for every worker and land for the dispossessed and you have nothing. Neither the communists, socialists, or those groups who believe that there is magic in government by believing that it can create wealth by legislative enactment could raise a corporal's guard at a meeting if you took away from them their promise of a materialistic security.

When men prize security more than freedom and come to believe that wealth is anything other than production of goods and services by free men and women and that the time value of such goods and services is established in any other way than in a free market,

then modern civilization is headed for catastrophe. Arnold Toynbee's book states that 19 great civilizations have failed and disappeared from the earth after they had reached what historians called the "Golden Age." Sixteen of them failed internally, only three were overcome by forces outside the civilization itself.

The 16 civilizations failed, first because they established materialism as their God; second, they began worshipping the past rather than looking to the future to anticipate their problems; third, they attempted to solve new problems with old formulas; fourth, they established an all powerful central government; and fifth, they began fighting among themselves for economic advantage. There is evidence that all five of these forces are at work within the United States today. The price of freedom comes high. It was purchased with supreme sacrifice. Each generation must make its installment if we are to preserve it.

Bagwell was introduced by Marvin Partridge, president of the Plymouth Junior Chamber of Commerce. The next meeting of the Methodist Men's club will be May 18 and will have Hugh Hough as the speaker.

VFW News

Today, April 27, has been designated as Americanism day by the V.F.W. This day is usually celebrated on the nearest Saturday. Your local V.F.W. post hopes merchants and residents will display the American flag for this occasion this Saturday, April 29. The public is cordially invited to attend a dance at the Hotel Mayflower Saturday night, April 29.

Mrs. George Jackson, Mrs. Paul Sheppard and Mrs. J. W. Shaw, Jr. became members of the Auxiliary at its last meeting Tuesday, April 18, at the Veterans' Memorial center. Attendance is increasing at Auxiliary meetings and the incoming officers hope that it is an indication that 1950 will be a record year. A good attendance makes a good Auxiliary.

Plans are underway for a rummage sale to be held sometime during the month of May. The date and the place will be announced in this column later.

Joan McBride, the daughter of Mrs. Ernest McBride of Sheridan avenue, is a patient at St. Joseph's hospital in Ann Arbor. Joan is recovering from an appendectomy and Auxiliary members extend their best wishes for a speedy return to health.

Mrs. Isabelle Lueke, who recently underwent surgery at St. Joseph's hospital, has returned to her home on Ann Arbor trail.

Funds realized from the recent sale of Purity Brand products in Plymouth will be used for a gift for Maybury sanatorium. The Auxiliary hospital chairman, Mrs. Jerry Olsen, will contact the hospital authorities to determine what is most needed and presentation of the gift will be made sometime in May.

The Auxiliary sent Easter cards to the veterans at the Sanatorium.

"Operation Freedom," a project designed to further world peace, through the youth of America, was launched on March 15 by the V.F.W. Ladies' Auxiliary of the U.S.A. On that date six young people, three boys and three girls, all orphans of heroes who gave their lives in freedom's cause, embarked for Europe on the USS America. These six graduates of the V.F.W. National home at Eaton Rapids arrived in Paris on March 22. From there each has left for a different country; one is in Belgium, one in France, one in Germany, another in England, still another in Italy, and one in Greece. For four or five weeks, they will live with families in those countries, gaining an understanding of their neighbors in the world. When they return in the latter part of May, each will bring with him, for an exchange visit, a boy or girl from that country who is also an orphan or a displaced person. Through this experience, each of the young persons chosen will gain a fuller understanding of democracy and an inspiration to pass on to others in the countries from which they came. "They speak for freedom."

The U. S. Geological Survey reports that Pablo Kleinman, a representative of the Chilean government, has begun a year's assignment to study water resources investigations in the United States. Another representative from South America making studies of Survey groundwater investigations is Senor R. J. Bocaranda, of Venezuela.

Plan Program For Year of Rededication

At a meeting April 24 in Lansing the executive committee of the Michigan Americanism commission began to formulate tentative plans for "Operation Americanism." Dr. George Timpona, postmaster, and Russell Hoffman are members of the commission.

A suggested program for "Operation Americanism," made by the executive committee to be accomplished by the individual members of the commission working on a local level runs as follows: The first week starting May 7 could be entitled "Know Your Blessing Week." During this week certain ideas could be stressed pertaining uniquely to the American way of life. These ideas could include Freedom of Education, Freedom of Religion, Freedom of Speech, Political Freedom, and Freedom of Opportunity, and also programs for becoming reacquainted with local government procedures with the aid of city officials.

The second week could be designated as "Know Your Responsibilities Week." This could possibly include a day devoted to study of voting rights and procedures.

The committee plans to carry out two types of programs: A short-range program whereby a concerted effort would be made to introduce the "Year of Re-

dedication" to our American ideals and heritage by a series of dramatic programs designed to create an awareness in the minds of all individuals the importance of preserving and revitalizing these ideals; a long-range program which would extend for a period of at least one year with the objective of actually developing better and more active citizens aware of their American rights and responsibilities.

In Washington, D. C., police dropped charges against Stanley V. Baranaukas for driving through eight stop signs, after he proved that he had been driving in the wrong direction on a one-way street, could not see the signs.

Prepares for Quest for Talking Fish

Dr. Irwin A. Moon, director of Moody Institute of Science, gets 65 pounds of lead weights in his belt before he is ready to descend into the sea with his underwater camera. Startling new discoveries that the denizens of the "silent" deep actually talk, whistle, squawk, and rumble are revealed in Dr. Moon's motion picture, "Voice of the Deep," to be shown in the Cavalry Baptist church, tomorrow, April 28, at 7:30 p.m.

Protect State Parks From Forest And Grass Fires, Urges Supervisor

The 60 state parks and recreation areas constitute one of the major recreational features of Michigan and must be protected from forest and grass fires, reminds Charles Leeson, regional parks supervisor for the southern lower peninsula.

According to the conservation department parks supervisor, last year a record 13,107,082 visitors were attracted to the 145,000 acres of vacation land spread throughout the state.

The thousands of children who annually spend vacation time in the group camps is ample reason alone for a diligent fire protection policy. The hunter is dependent on forest cover, thick swamplands and the rolling grass-covered hills for his sport. Besides the large army of picnickers and swimmers, there are the campers, naturalists and fishermen who have an interest in these state lands.

Each park and recreation area is equipped with pump cans, shovels, axes and other useful fire-extinguishing tools. Park rangers are trained to use this equipment and park managers are designated as "keymen" in the conservation department's statewide fire fighting organization.

Local fire departments adjacent to parks help out in emergencies. Several fires have been held to a minimum amount of damage because of their cooperation. Uncrushed cigarette butts and smoldering camp fires give park men the most trouble, Leeson advises.

Whenever education and refinement grow away from the common people, they are growing toward selfishness, which is the monster evil of the world. —H.W. Beecher

Recruit Aviation Cadets For Air Force Program

A special Air Force procurement team seeking young qualified men to train as Air Force aviation cadets is visiting Ann Arbor for three days, beginning April 26. It was announced by S. Sgt. W. D. Long, local Army and Air Force recruiter.

"Training as Aviation Cadets is offered to both prospective pilots and navigators," Sergeant Long said.

To be eligible for training as Air Force aviation cadets, either as pilots or navigators, applicants must be between the ages of 20 and 26½, must have at least one-half the credits leading to a degree from an accredited college or university, and must be able to meet the high physical and moral standards. Single men only may apply.

The Aviation Cadet program offers 12 months of the world's best flying, academic and military training. Graduates receive pilots or navigators wings, a commission as a Second Lieutenant in the reserves, and assignment to three years active duty with a starting salary ranging up to nearly \$4000 a year.

Qualified young men who are interested in the aviation cadet program are urged to meet with the members of the special procurement team during their visit in Ann Arbor at the North Hall, University of Michigan.

Students Go Over Quota in Magazine Subscription Drive

After 11 days of hard campaigning, the students of Plymouth High have finally succeeded in reaching their quota of \$3,000 and over in the annual Magazine Drive which began April 10 and ended April 20.

Twenty-two prizes, selected and purchased by the Student Council under the direction of Miss Irene Walldorf, were given to the following students for their high-salesmanship in the campaign: Ronald Wendland, Bulova watch; Kenneth Gust, Brownie reflex camera with flash; Dawn Huebler, Philco radio; Cliff Raum, Parker "51" pen and pencil set; Earl Fulton, ticket to a Tiger ball game; Cohn Hawk, leather zipper notebook; Sara Leet, weekend suitcase; Mary Schindler, \$5 gift certificate for use at Dunning's Women's store; Jerry Kelly, \$5 gift certificate for use at Davis & Lent's store. Other winners are Jimmy Arnold, tennis racket; Dave Finney, tennis racket; Doug Stevens, leather notebook; Janice Yeoman, \$4 certificate good for record album at the Better Home Appliance store; Barrie Lightfoot, ticket to a Tiger ball game; Ferris Mills, ticket to a Tiger ball game; Elmer Harrison, wallet; Carol Krump, Orin Ribar and Marion Donahue, \$2 in cash each.

Dick Cramb, Norma Leslie and Barbara Nelson were not present at the time the gifts were chosen so they had their choice of either a ticket to a Tiger ball game or a \$4 certificate for record albums, at the Better Home Appliance store.

As a reward for their work, John Klingeburger's homeroom, which acquired 953 points, and Miss Neva Lovewell's homeroom, which acquired 575 points will have the privilege of attending a Detroit Tiger ball game in the near future.

Clubs Hold Bake Sale at Goodale Grocery

The Library and Junior Red Cross clubs of Plymouth High school will hold a bake sale in Goodale's grocery store on Saturday, May 13, at 10 a.m. until all goods are sold. Rolls, pies, cakes and cookies will be among the articles offered for sale.

Tour Schrader Funeral Home

Seventeen members of the Science club and chemistry and physics classes, with Ronnie Witt, chairman of the group, toured Schrader's funeral home Thursday, April 20.

Conducted by Mr. Schrader, the boys and girls viewed the organ, air conditioning system, and the casket room on the second floor. On the first floor they visited the operating room and outside in the garage the group looked over the ambulance and other funeral cars.

Attend Model UN Assembly

Betty Bilow, Bonnie Wickens, Erna Kienbaum and Jack Kropf attended a model United Nations assembly at Hillsdale college on April 21 and 22, accompanied by Miss Gertrude Fiegel.

Representing Egypt at the assembly, Plymouth students participated in the conference to discuss current issues.

Among those discussed were: the Chinese problem—whether to recognize the Communists; the Jerusalem problem—whether to internationalize the city; the membership problem; the very much disputed atomic energy issue; and the Declaration of Human Rights. One student from each school's delegation of three will be seated in each meeting for the discussion of these problems.

Also on the program was a meeting of the General Assembly and one of the Security Council meeting. Jack Kropf acted as president since the Egyptian delegate to the United Nations is the president for April.

The expenses of the trip were paid for by the Rotary club of Plymouth.

Library Staff Attends Lansing Spring Meeting

The library staff of Plymouth High attended the Spring Library convention, on Saturday, April 22, at Sexton High school in Lansing.

Registration began at 9:15 a.m. and the first session at 10 a.m. Speakers for the sessions were Jean and John George, authors of "Vulpes, the Fox" and "Vision, the Mink." The afternoon activities included a tour through the capitol and another short session at the high school.

Noon luncheon was served by the Women's organization of the Westminster Presbyterian church. Registration fee, luncheon and afternoon refreshment costs were paid in part by the Library club.

Cheer Leaders Receive Letters

The Plymouth High school varsity cheer leaders received their letters for cheering on April 18. Each girl was given a white letter P with a black megaphone through the middle. The varsity cheer leaders are: Joyce Forshee, Carolyn Smith, Nancy Schroeder, Helen Schomberger, Eleanor Rutherford, Ann Preston, Nancy Beegle, Pat Pine and Elaine Lietz.

The freshmen cheer leaders of 1948-49 were awarded a small white megaphone with letters PHS in white through the middle. The cheer leaders were Joyce Forshee, Carolyn Smith, Elaine Lietz, Nancy Schroeder, Gwen Phillips and Sara McConnell.

The freshmen cheer leaders of 1949-50 received the same award. They are Jean Pritchett, Glenna Fraleigh, Ann Hammond, Barbara Kanke, Joyce Preston and Marcia Woodworth.

The cheer leaders received their letters now instead of at the honor assembly, so they can wear them for their appearances during the rest of the year.

On Friday, April 21, Miss Ingeborg Lundin attended the Michigan State Homemaking conference at East Lansing.

William Campbell, Robert Ingram and Konrad Moisoio attended an Industrial society meeting at the Pantlind hotel in Grand Rapids. The conference met for two days, April 21 and 22.

Band Competes in School Festival

For the third year in a row, the Plymouth High school concert band will participate in the Michigan High School Band and Orchestra association festival to be held in East Lansing this Saturday. Plymouth will play at 9:55 a.m. in Class B competition.

The Class B bands will perform in the college auditorium on the Michigan State college campus. Sight reading will be held in the music building.

The required number for Class B bands is "Spring Madrigal Overture" by Joseph Skornika. The bands are allowed a warm-up march and a selected number to be played in any order with the required number. Plymouth's march will be Fillmore's "Americans We" and the selected number will be the "Finale From Camille Saint-saens' Symphony in E-Flat," transcribed for band by N. Rubertis.

Under the direction of Paul T. Wagner, the band received second division ratings last year and the year before. Those bands who receive first or second ratings will be presented with a plaque and medals for each member of the band will be given.

Mother - Daughter Banquet May 9

"International" is the theme chosen for the Mother-Daughter banquet sponsored by the Y-Teens on Tuesday, May 9, in the Presbyterian church at 6:30 p.m. All girls and their mothers are invited to attend. The speakers will be exchange teachers from England.

The committee chairmen are Saxie Holstein, programs; Gwen Phillips, publicity; Marg Saxton, decorations; Marian Amrhein, program printing and Joan Rupp, ticket sales.

Liquid refreshment poured into a car driver seems to be a quick method of liquidation.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

YOU know many things about the man behind the wheel when this bold front comes winging your way.

He knows style—he is traveling behind the boldest and freshest forecast of things to come that is on the roads today.

He's a practical person—likes the idea of plenty of protection out front without spending money on such extra items as bumper guards.

He likes convenience—the easier parking made possible through the precious inches of over-all length saved by this design—not to mention freedom from "locking horns" with the car ahead.

And he's foresighted—knows that accidents do happen sometimes—and he goes for the idea of a front-end design that can be repaired by replacing single bars instead of a whole grille work.

YOU could add that he likes power—for behind this smart forefront there's a big bonnetful of Fireball horsepower.

He likes comfort—since every car bearing this grille rides on soft coil springs all around.

Most of all, he has an eye for a buy. For this bold new design means Buick—and in every series, SPECIAL, SUPER and ROADMASTER, Buick means a better all-round buy.

For proof of that—go look, try and compare. You'll find that, dollar for dollar, your Buick dealer has the top values—and that goes for cars bracketing every price range above the very lowest.

Roger Babson Says...

Babson Discusses the Farm Situation

Although I am a statistician rather than a farmer, no spring to me would be complete without making an appraisal of the U.S. farm situation.

Income Up or Down?

Farmers, like practically everyone else, are rather preoccupied with the business of making money. Their success in this matter during the decade from 1940 through 1949 is nothing less than astounding. Farmers' total cash receipts climbed from \$8,688,000,000 in 1939 to \$31,308,000,000 in the record year of 1948. Last year, there was an 11 1/2% decline to \$27,703,000,000. Will the downward trend continue in 1950?

Although it is much too early in the season to attempt a forecast of total crop production, it may be taken for granted that farmers will try again for another bumper outturn. Government supports are too attractive for them to do otherwise. Acreage cuts may well be offset by use of better land and seed, closer planting, an intensive cultivation. But weather will be the determining factor. Should the aggregate 1950 crop again be large, farmers' total receipts may slide 10% more to somewhat under \$25,000,000,000—a tidy sum, nevertheless!

Factors Behind the Slump

During the war years, it was absolutely essential that farm production be stepped up to the limit, so that the needs of our allies and of ourselves might be adequately provided for. History reveals how well those needs were met. Farmers throughout the land bent their shoulders to the wheel and turned out unprecedented crops for years on end. No other country in the world ever has matched their magnificent performance.

But after the war ended, farmers still continued to produce huge crops of wheat, corn, and most other agricultural commodities. And why not, since government price supports guaranteed them a handsome income? Meanwhile, Europe has become virtually self-sustaining in agriculture, and no longer needs to import large quantities of farm products from this country. The net result has been a continued accumulation of agricultural commodities, especially in the hands of the U.S. Government.

A Mess of Pottage

American farmers in recent years, as stated above, have improved their financial status by leaps and bounds. Many among them are millionaires. Their sons drive Cadillacs and other fine cars. But are they selling their

birthright for a mess of pottage? The traditional independence of the farmers of this country is, in my opinion, in jeopardy. I do not believe that the taxpayers will continue indefinitely to countenance heavy overproduction of farm products at guaranteed prices. The situation is economically and morally unsound.

Since, however, this is an election year, the government cannot afford to get really tough with the farmers. But the story will be different next year. One government official reportedly has said: "These production trends will force crackdowns on farm plantings in 1951. We're just starting to bring farmers into line. Next year we'll hit 'em harder." Note that phrase, "into line." It savors very much of regimentation. To me, it has an ominous ring. I sincerely hope that more farmers will come to their senses before it is too late. One control leads to another. The best of all controls is self-control; the more self-control, the less imposed control.

A Good Year Nevertheless

Although farmers' cash receipts may drop to \$25,000,000,000 this year, this is a huge sum even in this era of astronomical accounting. Farmers, therefore, should not worry too much about loss of income. If they must worry at all, it should be about loss of freedom. But if they practice self-discipline, they may yet escape the chaffing shackles.

Business in farm territories this year should be generally good. I believe, however, that farmers will spend more cautiously than heretofore. If you have anything to sell in rural areas, make it good and price it right. Farmers will buy liberally in 1950-1951 only if business meets these simple specifications.

TERRY'S BAKERY

"We Can't Bake Like Mother, But Mother Likes Our Baking"

Cavalier Gives Away Cigarettes Downtown

Dressed in a bright red courtly costume, cape and plumed hat, and carrying a saber, Mr. Cavalier paraded through downtown Plymouth Monday. He dispensed complimentary packages of Cavaliers, the new king-size cigarettes made by the R. J. Reynolds Tobacco company.

Heading a force of several automobiles bearing banners heralding the new cigarette, Mr. Cavalier rode in a unique musical car down Main street, then gave away cigarettes to the shoppers. The cigarettes are now on sale all over town.
