

School Electors Will Cast Ballots on Next Monday

Plymouth voters will go to the polls next Monday, June 12, to elect two members of the board of education for three year terms. The five candidates on the slate are Kenneth Hulsing, incumbent school board president; J. Rusling Cutler, Michael Huber, Wallace Laury and Carl Wall.

The polls, located at Plymouth High school, will be open from 10 a.m. to 8 p.m. Also on the ballot

June 12 will be the two proposals regarding the annexation of the Hough and Bartlett schools to the Plymouth township district.

The annual meeting of qualified electors of the school district will be held in the high school auditorium Monday night at 8 p.m. Reports of the board of education and other business will be transacted.

Auto Show Added Feature for 4th of July Weekend Celebration

An automobile show, sponsored by local dealers, has been added to the list of attractions for the Fourth of July weekend celebration. The show will be put on as a part of the Optimist club's festivities July 3 following ceremonies opening Forest avenue.

The Talent Show, also sponsored by the Optimists July 3, has several contestants already signed up but many more are still needed for the competition. Any local resident with talent, professional or amateur, interested in participating in the show should call Fred Kendall at Plymouth 19. The first prize for the show will be a \$50 Savings Bond, donated by the W. Ford Johnson Truck company. Other prizes will be announced later. The winner will also appear with Fred Kendall on the "Anything Goes" radio broadcast over Station WJR.

A 15-piece orchestra and a sound truck from WJR has been obtained for the street dance on the newly paved Forest avenue which will be completed by that time.

Dr. Poole Leaves For Pastorate in Milwaukee

Dr. Frederick Poole

Dr. Frederick G. Poole, pastor of the First Methodist church for the past two years, will leave next week to accept the pastorate of a church in the Wisconsin Conference of the Methodist church at Milwaukee. The conference is meeting this week and the appointment will be made by Bishop Northcott on Sunday, June 11.

Dr. Poole has been a member of the Detroit Conference since 1923 when he came to Detroit from Windsor to become associate pastor and director of religious education with Dr. Lynn Harold Hough at Central Methodist. After five years there he was appointed by the late Bishop Thomas Nicholson as director of religious education for the Methodist churches in the Detroit Conference. For nine years he served as director of the state of Michigan.

When the Methodist churches united in 1940, Dr. Poole became executive secretary of the board of education of the Detroit Conference until he resigned in 1948 to accept the pastorate of the Plymouth church.

During the period of his administration of the educational program of the church in the state, the Summer Institute and Camps for Youth grew from two to 21 and two new camps were acquired. The Laboratory summer school for the training of church school teachers established at Albion college has been recognized for two years as one of the best of the denomination.

When he left the board to come to Plymouth Dr. Poole was president of the Executive Secretaries section of the National Conference on Christian Education of the Methodist church.

Dr. Poole will complete his ministry here at the morning service June 11 and will preach the Baccalaureate sermon for the Plymouth High school Sunday evening.

Mrs. Poole assumed her duties on the faculty of the Milwaukee Vocational and Adult schools on May 8 where she is in charge of developing a curriculum and program of Family Life Education for Adults. The work will be conducted in cooperation with the other educational, social and religious agencies for the city and county and is a part of the proposed plan of the Milwaukee Youth commission to prevent increase in juvenile delinquency and to strengthen the quality of home life in that city.

Mrs. Poole will supervise the organization of the program and the training of leadership. She was called to this position because of her graduate work in the fields of education and psychiatric case work. She will continue as a resource member of the Christian Social Relations department of the National Woman's division of the Methodist church.

Elks Buy Bugles For Scout Pack

Merchants belonging to the Plymouth Elks Lodge No. 1780 have purchased bugles for the Drum and Bugle Corps of Cub Pack No. 3 now being organized. The Cub pack is preparing for the Cub Circus to be held in Riverside park June 24. Mrs. Alma Sweeney is den mother of the pack.

Elk merchants who have contributed funds to get the corps started include Bud Wilson, Phil Barney, Ted Box, Bill Darnell, John Lietz, Herman Bakhaus, Dutch West, Gar Evans, Roy Bondie, Bob Simmons, Bob Johnson, John Spanuola, Tom Martin, Cy Owens, Les Wilson, Dutch Atchinson, Jack McAllister, Jim Jones and Jim Keyes.

Really Get Results

People advertising in the classified columns of The Mail are more convinced than ever that there is an acute housing shortage within the city. A week ago the Jack Millers had well over 50 calls in response to an ad they placed in the paper and several others have told us they were more than busy answering their door bells and telephones from people answering their ads.

A local firm advertising for an office girl had until Wednesday received 26 letters in response to their advertisement. You can get results too, if you use Plymouth Mail classifieds.

Hough School Business Meeting Set for June 12

The citizens of the Hough school, Canton township district No. 1, will hold their annual school business meeting Monday, June 12, at 8 p.m.

Under new business this year, once again the people of the district will be asked to consider and vote upon the proposition of annexation or consolidation with the Plymouth township school district.

Five Injured in 3 Auto Accidents

The high accident rate expected over the Memorial Day weekend waited a week before it came to Plymouth. Over last weekend two serious three-car accidents occurred and one two-car accident.

Last Friday a car driven by Alan Finney of 325 Arthur street was hit at the corner of Harvey and Church streets by an auto driven by Lee Owens of 14361 Northville road, Owens, making a left turn at the intersection, claimed he did not see Finney's car.

Friday morning a car driven by Jean R. Jones of 671 South Main street was coming east on Ann Arbor trail and hit the auto driven by John S. Watson of 13560 Merriman road. Watson was turning from Harvey street and did not see the Jones car approaching. The two cars then collided with the car driven by Wayne Coomes of 325 Maple street which was waiting at the stop sign on the south side of Harvey street. Both Watson and his wife, who was a passenger, received minor injuries.

At 4:55 p.m. Saturday afternoon, a station wagon driven by Wilfrid Breen struck a parked car on Ann Arbor trail just east of Harvey street and then collided head-on into the auto of Clarence Pankow which was going west on the trail. The parked car belongs to August Meyers of 229 Harvey street.

Breen, a secretary at St. John's seminary, was issued a ticket for reckless driving. Pankow, his mother-in-law, Mrs. Lena Staman who was a passenger in his car, and Breen were all taken to St. Joseph's hospital with minor injuries. At publication time Mrs. Staman was still hospitalized for observation. She received head and neck injuries. Both men were released from the hospital Saturday night.

Last Rites Held For Ida Langfield

Funeral services were conducted Saturday afternoon from the First Baptist church for Mrs. Ida S. Langfield of Fairbrook road, mother of Mayor Conrad E. Langfield, of Northville. Mrs. Langfield, aged 79, passed away Wednesday afternoon at Henry Ford hospital after a prolonged illness. The Langfield family have many friends in and around Plymouth.

Rev. J. Lester Harnish, minister of Bethel Baptist church, Detroit, where Mrs. Langfield had been a member for more than 60 years, conducted the rites. He was assisted by Rev. Paul Wengel of Brooklyn, New York, a close friend of the family, and Rev. Walter Ballagh, local Baptist pastor. Norma Dahlager presided at the organ and Elmer Wengel, choir director of Bethel church, rendered a vocal solo. Honorary pall bearers were A. R. Clarke, D. Harper Britton, J. Stubenvoll, G. Woodworth and George Locke and active pall bearers were nephews of Mrs. Langfield. Interment was in Grand Lawn cemetery.

Previous to the time of services, the body lay in state at the Schrader Funeral home.

Mrs. Langfield had lived in Northville for about 35 years and was vice president and director of Northville Laboratories, Inc. of which her only survivor, her son, Conrad E. Langfield, is president. She was a member of the Eastern Star and American Legion Auxiliary. Her husband, Edward C. Langfield, preceded her in death in 1936.

Dinner Honors Track Team

A testimonial dinner honoring the 21 members of the Plymouth High school track team and their coach, Konrad Moiso, was given May 31 by Mrs. R. S. Harding, mother of Paul Harding, member of the team.

The track team concluded the track season May 27 when they took third place in the state meet held in East Lansing. The boys competing in the meet were forced to give up the senior class trip to Niagara Falls held that weekend.

The dinner, at which Mrs. Andrew Vargha and Mrs. John T. Maxwell assisted the hostess, was followed by a talk by the coach in which he complimented the boys on their fine sportsmanship.

Present Musical for Mayor Cobo at DeHoCo

The DeHoCo County fair, a show presented by the Women's division of the Detroit House of Correction, was given June 2 on Mayor Cobo Day. The musical was presented for the mayor and other city officials and was given April 29 for members of the Detroit Municipal Employees association.

Latture Retires as Debate Coach

James Latture

James Latture, debate coach at Plymouth High school for 20 years, will retire from that post this June but will continue as an instructor at the school. No one has been chosen to replace him for the coming year.

Latture coached this year's debaters to the state championship finals which were held in April. It was the second time a team has reached the finals under Latture's tutelage, and his teams have gone as far as the quarter finals ten times.

During his 20 years as debate coach, Latture's debaters have won better than four out of five of all matches in which they participated, which means a record win of 90 per cent of all contests.

On his doctor's advice, Latture decided to retire because of his health.

Teacher Retires After 32 Years

Edna M. Allen

After 32 years of service at Plymouth High school, Miss Edna M. Allen, English teacher, will retire this June. Following her retirement Miss Allen plans to remain here in Plymouth.

She began her teaching career in 1906 at a small school in Douglas Lake. She later taught history in Cheboygan and in 1914 became principal at Bad Axe where she remained four years.

Miss Allen came to Plymouth in 1918, serving as principal of Plymouth High school until 1923. Since then she has been high school English teacher.

After attending Alma college for two years, Miss Allen went to the University of Michigan where she obtained her AB degree. After a summer at the University of Chicago and summer correspondence work at the University of Michigan, she received her master's degree.

Dr. Yoder Speaks at Commencement

O. R. Yoder

Dr. O. R. Yoder, medical superintendent of the Ypsilanti State hospital, will be the guest speaker at the commencement exercises of Plymouth High school June 15. The commencement will take place on the school athletic field at 8 p.m.

One hundred sixty-three seniors will receive their diplomas at the exercises. Helmar A. Nelson, superintendent of schools, will introduce the speaker. The Rev. Henry Walch will give the invocation. Principal Cyrus E. Pierce will present the class of 1950 and Kenneth Hulsing and Mrs. J. P. Morrow, members of the school board, will give diplomas to the seniors.

The high school band, directed by Paul Wagner, will play the professional and recreational program and Senior Barbara Johnson will be soloist.

Baccalaureate services will be held June 11 at the high school at 8 p.m. with the Rev. Frederick G. Poole giving the sermon. The Rev. Benjamin Eicher will deliver the invocation and the Rev. Alexander Miller will conclude the service with benediction.

Calls School District Annexation Logical Step for Better Education

At the request of the district school boards of Hough and Bartlett school districts adjoining Plymouth Township School district on the south, the Board of Education of the Plymouth district has provided for a vote of the electorate of the latter district upon the question of annexing the Hough and Bartlett districts to the Plymouth district. The voting will take place next Monday, June 12, in connection with the election of school board members. On the same day, the electors of the Hough and Bartlett districts will vote upon the same proposals.

In an interview, Charles E. Brake, deputy superintendent of the Department of Public Instruction at Lansing and in line with the policy of reduction of number of school districts held by all progressive educators. In the last ten years the number of school districts in Wayne county has been reduced from 101 to 60. In every instance, it has been by a vote of the electors. The reduction in some other counties has been at a more rapid pace than in our county.

It was further indicated in the interview that the annexation would bring many benefits to Hough and Bartlett children such as transportation to elementary and high school children at state expense, broader programs of education, longer class periods, better trained teachers, and so forth.

"The fortunate thing is," said Brake, "that the annexation will not in any way embrace the Plymouth district since the Hough and Bartlett areas after annexation will be assessed as a part of the Plymouth district for their proportionate share of the amount needed each year to amortize the bonds for new construction and for the operation of the schools. In fact, because the state aid law has been developed to encourage larger community districts, it looks like a good deal all around. It means better education at less cost locally."

Reject Bids on Main St. Paving

Since bids submitted for paving of the north side of Main street between Mill and Starkweather streets were too high, the city commission Monday night authorized the department of public works to do the job.

Both bids submitted were over \$3,000, and the estimate prepared by City Engineer Stanford Besse was \$2,268. The city already has the necessary equipment for the job.

New Personnel Head at Daisy

New director of personnel at the Daisy Manufacturing company is Thomas C. Kent who held that same post at the Redmond Company, Inc., in Owasco for four years. Kent was formerly employed at the Detroit Board of Education and the Detroit Edison company.

A graduate of the University of Detroit, Kent has done graduate work at Wayne university in personnel administration and lectured in that department at the University of Michigan. Now residing in Detroit, Mr. and Mrs. Kent plan to move to Plymouth in the near future.

Graduates From Culver Academy

Cass S. Hough, Jr., son of Mr. and Mrs. Cass S. Hough, who reside on West Ann Arbor trail, graduated last Wednesday from Culver Military academy in Culver, Indiana. Of a class of 176 Cadets, Hough received honors for being in the top 15% scholastically. He was sergeant of his battery and has been a member of the varsity wrestling team and crew and a member of his company football, baseball and volleyball teams.

Attending the graduation exercises were Mr. and Mrs. Hough, E. C. Hough, Mrs. W. J. Reid, Miss Annie Hay and Mr. and Mrs. Phillip Allan Hadsell, Jr. Kit, as he is better known to his Plymouth friends, will enter the University of Michigan next fall.

Ask Registration of Blood Donors For Red Cross

Registration of prospective blood donors in advance of the Red Cross bloodmobile's visit to Plymouth, Thursday, June 15, is well underway. Already a dozen or more members of the Lions club have signed up; other groups are planning to follow suit. Donors may register with Mrs. Henry R. Penhale, Red Cross branch chairman, or Mrs. Lee J. Sowle, local blood program chairman. Mrs. Penhale's telephone number is Plymouth 252-24.

The bloodmobile, fully staffed by personnel of the Plymouth branch from the Detroit Regional Blood center of the American Red Cross, will be stationed at Masonic Temple from 1 to 7 p.m. Anyone between 21 and 60 years of age, in good health and weighing at least 110 pounds, is a potential donor. Persons between 18 and 21 may contribute with the written consent of parents on forms provided for the purpose. Blood given to the Red Cross will be credited to groups or individuals, as the case may be, at the Detroit center, and when an emergency arises that calls for the use of blood a supply will be instantly available.

Suppose you are injured in an automobile accident, or a member of your family, and the injuries are severe enough to call for a blood transfusion. In such a case the hospital does not stand on ceremony—your life comes first. But if you have previously donated blood through the Red Cross the blood used for the transfusion can be promptly replaced from the regional center. Thus you, or members of your family, are spared the necessity of scurrying around for private donors to make replacement.

Obviously there is no substitute for human blood, and only one source of supply—the human body. And giving blood is on the whole a pleasant experience. The entire procedure takes only about 20 minutes, but that brief span of time, and that precious pint of blood, may mean a gift of life itself to someone very dear to you in the unforeseeable future.

Optimist Club Cancels Weekly Teen-Age Dance

The Plymouth Optimist club announces that there will be no teen-age dance this coming Saturday night. Further youth activities by the club will be announced next week.

Name Principals of Grade Schools

Announcement was made yesterday of the appointment of Donald Rank, junior high school teacher, as principal of Starkweather Grade school. Rank has been doing graduate work in elementary administration and will continue his studies this summer.

Mrs. Nancy Tanger, present principal of Starkweather, will be principal of Central Grade school until the students attending there are transferred to the new Bird school. Mrs. Tanger will then take over supervisory duties at that school.

Miss Ruth Ericsson has been named principal of the new George A. Smith Grade school. She has been the sixth grade teacher at Central Grade.

All three have established an excellent record while with the Plymouth schools. School Superintendent Helmar A. Nelson is to be complimented on his selection and the school board on their approval of his recommendations.

Symphony Plans Rehearsals With Guest Conductors

A series of summer monthly rehearsals for the Plymouth Symphony orchestra under the direction of visiting guest conductors, and the first "pop" concert were projects approved by the newly elected Symphony society board recently.

The "pop" concert will be given on the lawn of the Plymouth High school sometime during the month of August, exact date and the names of guest soloists to be announced later.

The rehearsals are held in the Plymouth Grade school gym the second Tuesday evening of every month and are open to the public. The rehearsals for most symphony orchestras are strictly private. Anyone interested in the way a symphony orchestra prepares for a concert will have the opportunity of learning as they are welcome to visit the summer rehearsals of the Plymouth orchestra.

Visiting guest conductor for the rehearsal next Tuesday, June 13 will be Professor Wayne Dunlop of the University of Michigan school of music.

Summer rehearsals for the orchestra, which were inaugurated here last summer, are considered very valuable by the board of directors. The new interest stimulated by having the opportunity to play under the baton of various well-known conductors and the contact maintained by meeting together even once a month carries the orchestra over to the beginning of the concert season in the fall with very little disorganization.

Visiting instrumentalists in the neighborhood are welcome to play with the orchestra at summer rehearsal. Last year there were eight new members added to the Plymouth Symphony orchestra and were recruited from those who were just in for the summer rehearsals.

New Road Maps at Mail Office

There has been received at the office of The Plymouth Mail a number of 1950 highway maps. It would be well to call at the office and secure your copy before taking that northern Michigan trip. Highway Commissioner Charles Ziegler has produced an excellent map for the 1950 traveler.

It shows all of last year's new construction. It states the definite time of departure of all ferries operating across Lake Michigan as well as giving the state highway ferry service across the Straits of Mackinac for the entire season.

Police Dept. Obtains Photographic Equipment

Complete photographic equipment has been obtained by the Plymouth police department for identification purposes and evidence records. The equipment will also be used by the city for any photographic work.

Police Officer Roger Vanderveen will be in charge of the photography work. A Speed Graphic camera will be used and equipment for developing, printing and enlarging photographs has been installed. According to Police Chief Lee Sackett, such equipment is used by most police departments and is a definite asset to police work.

Band Concerts Begin June 16

Summer band concerts will begin in Kellogg park Friday, June 16, at 9 p.m. and will continue through the first week in August. The first band rehearsal was on June 5 and rehearsals are now being held every Monday night.

All high school band members and adults interested in playing in the band are urged to contact Paul Wagner, band director.

Local Skaters Take First Place in State Meet

Skaters of the Riverside Figure and Dance club proved their skating ability last weekend when they took 114 points for top place in the state championship meet held at Riverside Arena.

The next competing club had only 111 points. Nine clubs participated in the meet which was the largest ever held in the Midwest. Trophies were awarded at a banquet Sunday night in St. Michael's school hall. All contestants taking first, second or third place are eligible to compete in the national championships that will be held in Pasadena, California, in July. A special train from Chicago will take all contestants to the national meet.

Winners in the meet from the Plymouth area include: Juvenile division, ladies' singles - Judy Laury, second place; mixed pairs - Onalee LaMay, second place; dance - Onalee LaMay, first place; speed - Judy Laury, first place; Phyllis French, second place.

Novice division: ladies pairs - Marcia Woodworth, Sharon Wright, first place; Sally Sowle, Betty Snider, third place; mixed pairs - Judy Laury, third place.

Intermediate division: ladies singles - Joan Stannitz, first place; Joan Busch, third place; dance - G. R. Perzyk, Mariel Petco of Sylvan Gardens club, Sand lake, third place.

Junior division: ladies singles - Barbara Dayney, second place; men's singles - Doug Milne, first place; Dean Busch, second place; junior dance - Joan Stannitz, Doug Milne, first place; men's speed - Donald LaMay, first place.

Senior division: ladies singles - Irma Bernard, first place; men's singles - Mickey Brown, first place. Both skaters are from Sylvan Gardens club and were uncontested. Dance - Barbara LaMay, George Eads, uncontested; ladies pairs - Barbara Dayney, Nan Massine, first place; Joan Stannitz, Zel Massine, third place; men's pairs - Dean Busch, Paul Horie, first place; Doug Milne, Earl French, third place; senior fours - Doug Milne, Barbara Dayney, Howard Rhodes, Zel Massine, first place; Dean Busch, Joan Busch, Paul Horie, Joan Stannitz, second place; men's speed - Luther Losey, second place; ladies speed - Barbara LaMay.

Senior mixed pairs - Irma Bernard, Mickey Brown, first place; Doug Milne, Barbara Dayney, second place; Dean and Joan Busch, third place.

Investigate Use of Main Street Property by City

Mayor Cass S. Hough appointed Commissioner Perry Richmond, City Manager Al Gassford and Police Chief Lee Sackett to investigate the possible use by the city of the old comfort station premises on Main street. The commission felt that this should be done before the space is rented to anyone.

Police Dept. Obtains Photographic Equipment

Complete photographic equipment has been obtained by the Plymouth police department for identification purposes and evidence records. The equipment will also be used by the city for any photographic work.

Police Officer Roger Vanderveen will be in charge of the photography work. A Speed Graphic camera will be used and equipment for developing, printing and enlarging photographs has been installed. Norene Lobdell Becomes Bride of Vincent Ferrari at Nuptial Mass

At a nuptial high mass, Norene Ann Lobdell became the bride of Vincent Eugene Ferrari May 27 at Our Lady of Good Counsel church. The bride is the daughter of Mr. and Mrs. Michael Pokora of Harvey street. She chose a white lace balleri-

na length gown and fingertip veil for the ceremony which was performed by the Rev. William P. Mooney. The sister of the bridegroom, Mary Ferrari, was maid of honor and wore a pink batiste ballerina dress, carrying a bouquet of pink and white carnations. The bride carried white roses and lilies of the valley attached to a prayer book.

Jerry Shoemaker Weds Catherine Muir of Lansing

Miss Catherine Muir of Lansing and Jerry Shoemaker, son of Mrs. Harry Shoemaker of Pacific avenue, were wed June 3 at the Church of Resurrection in Lansing. Monsignor John Gabriels officiated at the double ring ceremony.

Miss Muir's bridal gown was of ice blue nylon. She wore pink accessories and carried an orchid attached to a pearl cased prayer book. Her maid of honor, Miss Mary Catherine Gross, wore navy blue voile with matching accessories and a corsage of red roses. William J. Donovan of Plymouth was best man. A wedding breakfast was held at the Pagoda restaurant in Lansing immediately following the ceremony.

Mr. Shoemaker attended Michigan State college where he was affiliated with Kappa Sigma fraternity. He is a member of the Veterans of Foreign Wars and the Junior Chamber of Commerce. His bride also attended Michigan State. The couple will reside in Lansing where Mr. Shoemaker is employed.

In Memoriam 28

In loving memory of our dear mother, Martha Wheeler, who passed away 11 years ago, June 1, 1940. Sadly missed by her loving children and grandchildren. My mother's hands were small and rough, The fingers gnarled from toil, And many washings cross the board Removing grime and soil. My mother's back was stooped from care, Her brow was deeply lined, Her step was weary many times, Her hazel eyes were kind, My mother's voice was sweet and low, Her hair was soft and white, Her smile would always greet us, When we came home at night, My mother's hands are folded now, In peaceful sleep she lies; Her pretty hair is softly waved, And closed the faded eyes, Her mother's voice is silent now, Her prayers forever stilled; God heard each one and called her home, Her love to us fulfilled, The soothing whispers of the pines Above her bed of green; Dear mother, gone ahead to wait, Sweet sleep and restful dreams. Mr. and Mrs. Roy W. Moore Mr. and Mrs. Meldrum H. Smith and family Mr. and Mrs. Burton D. Zander and family. 28-1tp

After two terrible weeks of headaches, dizziness, and spots before their eyes, the Milwaukee public works commissioner and his deputy found their trouble: They'd been wearing each other's glasses.

Street thugs had a new hazard to worry about when one of their number was wrestled and thoroughly routed by a 17-year-old girl in Cleveland, Ohio, who explained that she had learned her tactics by watching television.

Shows Moon and Star Glass....

Mrs. Robert Willoughby of Ann Arbor trail holds a lamp made of amber moon and star glass from her collection which will be on display this week in the lobby of the Plymouth United Savings bank. Beginning in 1929, Mrs. Willoughby now has 86 pieces of clear moon and star glass in her collection. Genuine moon and star glass is no longer manufactured and is becoming more and more scarce. It is one of the heaviest pressed glasses made and it was discontinued because of high freight charges prevalent at the time it was manufactured. The collection includes a complete set of goblets, bowls, spoon holders, a vinegar cruet and almost every item for table service.

V F W News

Members of the Post and Auxiliary wish to thank all those who contributed so generously during the sale of Poppies on May 26. Joe Elliott, Poppy chairman, reports that this year's sale was one of the most successful ones conducted up to the present time. Elliott did an outstanding job of handling all details of this project and to him and all the members who cooperated in giving their time to the sale of Poppies in Plymouth, the VFW is deeply grateful. Mrs. Eleanor Gust, Auxiliary president, and Thaddeus Smith of the Post are credited with having been "top" salesmen for the day.

The dance at the Hotel Mayflower Saturday evening, May 27 was well attended and everyone reported a wonderful time. These dances will be discontinued during the summer months but the Auxiliary is planning to resume them in the fall.

The following Auxiliary members made a trip to Maybury Sanitorium Saturday afternoon, May 27 to distribute poppies to the veterans: Gladys McBride, Lee Schiller, Georgiana Elliott, Isabelle Lueke, Helen Sheppard, Ann Smith, Virginia Bartel, Grace Smith, Helen Smith, Eleanor Epps, Corrine Clark, Eleanor

Gust and Kay Coolman. At this time, the Auxiliary also presented the veterans with a 16 inch television set which was placed temporarily in the Annex east of the Administration building. Later it will be moved to other parts of the hospital so that all the veterans will have an opportunity to enjoy it. The set was purchased with funds realized from the sale of Purity Brand Products, so those who made purchases at that time also have a share in bringing many hours of cheer to these veterans at the Sanitorium. A photographer was on hand to take pictures and later, there will be a small metal plate attached to the television set, inscribed with the "Mayflower Post Auxiliary No. 6695" and the date of presentation. Lee Schiller, Auxiliary hospital chairman, was in charge of all arrangements.

Approximately 50 Post members and 20 Auxiliary members were out for the Memorial Day parade... the best turn-out in several years. After the ceremonies at Kellogg park, everyone met at the Memorial Center to have pictures taken... then gathered at the Arthur Dickey home on Ann street for a picnic lunch.

By CARL PETERSON

Rep. Vinson reports the U. S. Navy has perfected a guided missile with a "homing device" that can destroy enemy planes in the air. This should be a great aid to gunners with poor aims. The missile is not satisfied to go where it's sent; it does its own hunting. That's adding insult to a good deal of injury. There won't be much point in an enemy plane dodging, because the new guided missile can change directions faster than a nervous politician. It's a special delivery package with a built-in opener. It may influence people, but it certainly won't make friends. It's not supposed to. CONGRATULATIONS GRADUATES on having passed this important milestone on your road to education. Every one of you deserves the highest of praise, and we're not taking a back seat to anyone in our wishes for your continued success.

The Los Angeles Park Commission is looking for a duck-keeper who stole 15 snoozing ducks from a park pond. Sounds like the work of some quackpot. You'll never catch us snoozing when it comes to supplying your greeting card needs. We have cards for EVERY occasion, an outstanding selection. So see us now for congratulatory cards for the June wedding... and graduation cards. PETERSON DRUG, 840 W. Ann Arbor Trail. Phone: 2080.

Give Financial Reports at Church Annual Meeting

Completion of payments on the building of the Church of the Nazarene was announced at the annual meeting of the church body May 31. The building is valued at \$27,000 and is now free of all indebtedness.

Progress was reported in nearly every department. The combined treasurers reported a total giving for the past 11 months of \$14,357 and of this amount \$2,483 went to pay off the church debt. Since the arrival of the present pastor, William O. Welton, \$17,000 has been spent to double the size of the church building and to date it is as crowded for room as before the enlargement.

The Sunday school for the last 11 months has averaged 211 per Sunday and closed the year with 100 members. Plans for the future will be to enlarge the building to care for the fast growing Sunday school. The church has extended Rev. Welton an invitation to remain with them for another year and he has accepted.

Officers elected for the next year include K. G. Swain, Sunday school superintendent; Merle Hamlin, young people's leader; Mrs. Lorena Wasalaski, president of the missionary society; Blake Fisher, Charles Wilson and M. P. Clark, trustees; William Fisher, Paul Hockenberry, Carl Morgan, Kenneth McMullen and Harold Carson, stewards; and Mrs. Marie Swain, Blake Fisher and John Wasalaski, church school board.

Open Livonia Day Camp July 10

All girls from seven to 18, whether they are Girl Scouts or not, will be welcomed at this year's Livonia Girl Scout Day camp, according to Mrs. Anthony Kreger, camp director.

The location will be the same as last year, the Gunsolly area of Riverside park. The dates will be Monday through Friday, July 10 to 14, 8 a.m. to 4 p.m.

The camp is being sponsored this year jointly by the Livonia Board of Education and by the Livonia Girl Scout Council.

School buses will pick up the girls at their nearest school each morning and will bring them back to these points each night. Exact time schedules will be announced later.

An out-of-doors and pre-camp training session for leaders is going to be held on the camp site from 8 a.m. to 4 p.m., Saturday, June 24. A camp staff meeting will be held Wednesday, June 28, at 8 p.m. at the home of Mrs. Russell Wendt, 8068 Wayne road.

Drops Watch from Plane at Lions Event.

Before taking off over Hilltop Golf course, Mayor Cass S. Hough (right) receives the Wyler watch from Lion Dean Herrick which was dropped from the plane at an altitude of 1,000 feet. Herrick donated the watch for the Lions Club Golf and Siag party held at Hilltop May 27. The watch, undamaged and still ticking, was picked up by Clifford R. Stubbe of Detroit.

One of the outstanding features of the Lions club Stag Day at Hilltop Golf club Saturday, May 27, was the dropping of a man's Wyler watch by Mayor Cass Hough from an airplane at an altitude of 1,000 feet. The fact that the dropped watch was still keeping perfect time and was absolutely undamaged made this

one of the most dramatic "shock proof" tests ever conducted. There were two winners of the Wyler watch contest. First was Clifford R. Stubbe of Detroit. Mr. Stubbe was the first to recover the Wyler watch dropped by Mayor Hough. The second winner was Edward G. Murphy of Detroit. Mr. Murphy won his Wyler watch on the basis of his highest winnings at the Millionaires party held during Stag Day. The test watch and prizes were donated by Deane Herrick of Herrick's Jewelry on Penniman avenue.

Receive Degrees in Engineering

Vincent P. Bluege and Kenneth E. Sorrell of Plymouth graduated from the Michigan College of Mining and Technology in Houghton at Commencement exercises on June 5.

Both received the bachelor of science degree. Bluege in mining engineering and Sorrell in electrical engineering.

The largest class in the history of the college received a total of 608 degrees in chemical, civil, electrical, geological, mechanical, metallurgical, and mining engineering in engineering administration, engineering physics, and in chemistry, forestry, geology, geophysics, mathematics, physics and medical technology. More than 81 percent of the graduating students are veterans of World War II.

Rites Today For Sophia Ashton

Mrs. Sophia Katherine Ashton passed away at her home at 36345 East Ann Arbor trail on June 5. She was 76 years old.

Funeral services will be held today from the Sonderegger Funeral home with the Rev. C. E. Clough of the Seventh Day Adventist church in Detroit officiating. Interment will be in Riverside cemetery.

Mrs. Ashton is survived by a son, Elton Ashton of Detroit; three daughters, Anna S. Bakewell and Camilla I. Rowland, both of Plymouth, and Anna S. Bakewell of Detroit; three sisters, Anna Culling, Magie Duty and Millie Shad, all of Detroit; 11 grandchildren and 11 great-grandchildren.

FBI Shows Police Training Films

Films demonstrating the correct methods of searching prisoners, handcuffing, and detaining suspects were shown last Thursday to members of the Plymouth and Northville police departments, city officials and guards from the Evans, Burroughs and Whitman-Barnes plants and the Detroit House of Correction.

The motion pictures and a commentary after the film showing was presented by Robert Murphy of the Detroit office of the Federal Bureau of Investigation. Murphy then explained the opportunities for special police training in southeastern Michigan and answered specific questions of those present about the type of training given.

Moms

The next regular meeting of Plymouth Unit MOMS of America, Inc. will be Monday, June 12, at 8 p.m., at the Memorial Home on Main street. Don't forget there will be election of officers at this meeting, you all have your cards advising you of this. Don't fail to be there. It is everyone's interest to be present.

Those attending the national convention in Ann Arbor with the delegate Maud Anderson were Mildred Hewer and Carrie Gladstone. Mildred Hewer will serve as corresponding secretary on the national board for the ensuing year. This is an appointed office on the national board only.

Social items can be phoned to 1755.

Dunn Steel Takes League Opener

Dunn Steel got off to a fine start this season as they overwhelmed Daisy Air Rifle 7-1 in the opening game of the 1950 Industrial softball league Thursday, June 1.

Dave McIntosh pitched a brilliant three hit ball game for Dunn Steel in his initial starting assignment of the season. Two of the three hits by Daisy were off the bat of Bob Stevenson who also scored the lone run for the losers.

Dunn Steel collected nine hits, netting them their seven runs but they were also given seven bases on balls. McIntosh struck out six Daisy men while Vern Cecil, pitching for Daisy, fanned five batters.

Champion Corugated defeated Wall Wire in an extra inning ball game 9-6 last Thursday evening on the lighted softball diamond behind the school.

At the end of the regular seven innings of play the game was all tied up at six all and then Champion came up with three runs in the eighth frame to emerge triumphantly.

Wall Wire jumped to a quick lead as they scored three runs in their half of the initial frame but Champion came back in the second to even things up as they also netted three runs. In the fourth inning Champion added two more runs but Wall Wire netted three, taking the lead 6-5.

Champion scored again in the seventh to tie things up again and then in the eighth frame scored three runs, winning the contest.

Caldwell, the winning pitcher, gave up seven hits and three bases on balls while Ronayne allowed 13 hits and walked eight batters.

Meyer accounted for Champion's three runs in the final inning as he slammed a home run with two men on base. Broome got a home run in the first inning for Wall Wire.

Whitman - Barnes, the fifth team in the Industrial league, sat last Thursday's game out with a bye.

Because "getting pushed around, elbowed, struck by umbrellas, even 'knocked down,' and the other occupational hazards" were just too much, a woman-elevator operator in Los Angeles announced that she was quitting, going back to the circus and the high-flying trapeze work she used to do.

Street Pitches Four Hitter as Beglinger's Down Cavalcade 2-1

Getting off to a fine start in the Men's Open league, Beglinger Oldsmobile defeated Cavalcade Inn 2-1 Thursday night, June 1 in a real pitcher's battle between "Gabby" Street and Graham LaRue on the lighted softball field.

Street, pitching for Beglinger's, allowed only four hits while giving up one run. LaRue was tagged for five hits and two runs, both runs in the last two innings.

Cavalcade scored its lone run in the fourth frame. Bentel grounded out and then Paison singled to center field. Penny struck out and then Asher doubled to left field, scoring Paison.

Asher was out when he attempted to take third base on the throw in, a beautiful peg by "Mugs" Hunt caught him sliding in.

Beglinger's scored once in the sixth and again in the seventh to emerge victorious. In the sixth George Newton singled to left field and Doug Egloff sacrificed him to second. Hunt then singled, driving Newton home with the tying run, and then took second base on the throw in. John Wilkie then grounded out and Street flied out to center field, leaving Hunt on second.

In the seventh and final inning after Art Gilles had grounded out and Bidwell had struck out, Don Leictheiss doubled against the fence in right field and Hank Schultz sent him home off the shortstop's glove. Newton grounded out to first base, ending the scoring for the game.

LaRue struck out 12 Oldsmobile batters while Street fanned four Cavalcade men. LaRue also led in base on balls given up as he walked two men and Street gave one man a free pass to first base.

In the other Open league softball contest the Detroit House of Correction crubbed the South Side Merchants 12-5 on the DeHoCo diamond last Thursday evening with Walt Harrison the winning pitcher and Jim Wellman the loser for South Side.

Local Freshmen Win Again 9-2

Collecting seven runs in the sixth inning, the Plymouth High school freshmen baseball team broke up a 2-2 ball game, defeating Ross Junior High school on Wednesday, May 31, 9-2 on the local ball diamond.

Allowing only three hits, Herb Olsen won his first ball game of the season against one defeat. Olsen also struck out seven batters in his triumph. He was beat in his initial starting assignment on the mound by South Lyon.

With Dave Finney leading the frosh hurlers, compiling a record of five wins and one defeat, the freshmen squad is currently holding a record of six wins and two losses.

The blue and white frosh boys have gained victories over Northville, 8-3; Wayne, twice, 10-8 and 10-4; Ross Junior High, twice, 17-8 and 9-2; and South Lyon, 10-4 while coming out on the losing side to Redford Union, 4-1 and South Lyon, 3-2.

Vargha Leads Local Track Team to Third Place in State Meet

With Lou Vargha placing first in the 440 yard run, the Plymouth High track team coached by Kon Moisis, missed the runners-up slot in the State meet by 1/3 of a point at East Lansing Saturday, May 27. The local tri-clads garnered 17 points for third place while Birmingham collected 17 1/3.

Niles took the State championship with 23 points. Last year Birmingham took the championship but they had to settle with runners-up this year. Ypsilanti placed second last season.

Only boys who placed in the regional meet could qualify for the State meet. They were as follows: Paul Harding, 100 and 220; Lou Vargha, 440 yard; Bob Anthony, high jump, 100 and 220; Jim Law, high hurdles; Dick Cramb, mile; Cal Becker, half mile; Gary Rodman, shot put, and the 880 relay team composed of Anthony, Harding, Vargha and Bill Burger.

Vargha's time in the 440 was a quick .52.6 which enabled him to take first place rather easily. Harding notched fourth position in the 100 yard dash and third in the 220 although there was a little dispute of rather Harding had second or fourth, Anthony captured sixth in the 220 while the relay team knocked off two seconds of the school record in the regional meet.

The State meet ends the track season for Plymouth High as they look back over their past record

they see a very fine year behind them. The locals took first place at the River Rouge Invitational meet, first in the league meet, second in the regionals, fourth at the Albion meet, third at state, besides winning two dual meets and a triangular meet.

Konrad Moisis states this as being the best season a Plymouth High track team has done while under his mentoring.

Rock Golfers Take 6th Place at State Meet

Finishing sixth in the State golf meet at Port Huron's Black River Country club, the Plymouth High turfmen showed a disastrous reversal of form Saturday, May 27 although they finished a notch higher than last season.

Turning in an 88, Jerry Walsh was team medalist for the first time this year. Shooting an 89, Bill Farwell was close behind him while Levering fired a 93 and Doug Jetter a 97.

The local boys placed second in the regional meet held at Barton Hills in Ann Arbor behind Royal Oak Shrine Saturday, May 20. The Plymouth High boys bettered last year's winning total by 14 strokes, although they fell one place lower. The Rock's formerly were regional champs.

Only eight strokes separated the local squad and Shrine while Ypsilanti trailed Plymouth by ten strokes and settled for third place, the last qualifying berth for the state meet.

Henry Levering tied for medalist honors for the regional meet with Tom Watrous of Shrine as each lad shot a 79. Watrous is the son of a pro golfer from Royal Oak. Walsh garnered a 91, Doug Jetter and Bill Farwell carded an 84.

Letters were presented to the five boys on the golf squad of Plymouth High at the senior honor assembly held June 1. These boys, all seniors, were Bill Farwell, elected most valuable player by his team mates, Henry Levering, elected honorary captain for the season, Jerry Walsh, Doug Jetter and Howard "Bud" Carson.

Allen's Trounce Twin Pines in Old Timers' Loop

In the Old Timers' opening game of the season Allen Industries drubbed Twin Pines 17-2 on the lighted softball diamond on Wednesday evening, May 31.

Allen scored all their runs in the first four innings and accounted for eight runs in the second frame as 12 men went to bat. Twin Pines needed one run in the initial inning and one in the fifth.

Fann, playing for Allens, collected three hits in three times at bat and scored three runs while Wall gathered three hits in four trips to the plate and netted two runs. Turckett had two hits in four times up including a home run with two men on base.

Every player on the Allen team got at least one hit or scored at least one run. Ten men play on the Old Timers' teams, which includes a short fielder.

In the second game of the evening in the Old Timers' loop, Dunn Steel trounced the Contractors 13-4, as they garnered 15 hits.

The teams played on pretty even terms in the first two innings as each team scored one run but from then on it was Dunn Steel's game all the way, scoring 12 runs in the last five frames.

Dickman, Hester and Pankow were the stars of the game as each player collected three hits and scored twice. Dickman also had a home run.

All that is best in the civilization of today, is the fruit of Christ's appearance among men. —Daniel Webster

Shorts in Sports

by Al Larson

A saying that all good things must come to an end, has once again proven true. This will be the last issue of the paper in which I will be privileged to serve on the staff of The Plymouth Mail, as sports reporter.

In my place, Alan Finney will write sports news and I know that he will do a fine job. Al plays basketball on the Plymouth High quintet and he was elected by coaches and officials on the All-Suburban 6-B team first squad at a forward position.

Al has written several stories for me and I must say that he has done a brilliant job at it and I am more than happy that he will take my position.

For the past 10 months it has been a privilege to work on this newspaper under the guidance of some very fine people.

I must also say that my short career as sports reporter would not have been what it has if it had not been for the help and assistance of many people who were my news sources.

Topping the list is Herb Woolweaver, city recreation director, who has encouraged me and helped with the news and stories that were printed in The Mail under the sports caption.

Another fine man whom I believe you all know is John Sandmann, Plymouth High coach of reserve football, varsity basketball and varsity baseball. I want to thank Mr. Sandmann for his fine cooperation and assistance in the past nine months.

Hilton Ponto, also coach at Plymouth High of varsity football, reserve basketball and golf, has given me plenty to write about.

Never let us forget Kon Moiso who has done a fine job in the past year as coach of cross country and track. Mr. Moiso had only a few boys in each sport to work with but he made a wonderful team of each group, leading the cross country boys to second place in the league and ninth at state. The track team as most everyone knows, took the

league championship this year and ended up third at state.

Others I want to thank for making my sports writing debut a fine one are as follows: Carvel Bentley, Plymouth High tennis coach; Lee Butler, from Plymouth Recreation bowling alley; Lionel and Clayton LaMay, of Riverside Rolier Arena; Earl Gray, president Inter-County baseball league; Joe Haefner, of the Plymouth Chess team; Dunbar Davis, who directed volleyball at Starkweather Grade school gym; Mike Huber, badminton director.

Mike Spitz, Plymouth Recreation boxing instructor; Viv Saltinski and George Gillies, of the Detroit House of Correction; Floyd Fleming, manager of Daisy girls softball and basketball teams; Don Huebler, manager of First National basketball squad, who were runners-up in State Class B basketball tournament.

Harold Stein, director and teacher of Plymouth Recreation art classes; Miss Aldrey Neale, teacher of dance classes in this area; Mrs. Miller, golf instructor for ladies classes; Mrs. Maier, ceramics teacher; Mrs. Humphries, sewing class instructor; Wilson Funk, Plymouth Recreation leader class teacher.

Clare Ebersole, athletic director at the Wayne County Training school; Joe Miller, former Plymouth Mail sports reporter who got yours truly started; and I must also thank Cyrus Pierce, high school principal, and Helmer Nelson, superintendent of schools for their fine cooperation.

Also I want to thank all who participated in the Plymouth Recreation activities during the time that I was sports reporter.

And now I want to wish Alan Finney all the good luck that I have had while writing sports for The Mail and I know he will be liked by all.

If you have any local news items, club news or any social news, call 1755.

Rocks Lose First Game to Mustangs

Playing Northville for the first time this year, the Plymouth baseball squad was defeated 7-5 last Monday night. Wally Dzurus, who was the losing pitcher for the Rocks, struck out 13 Northville batters.

Northville started the scoring off in the second inning scoring two runs. Wally regained his control and the Mustangs went hitless for the next two innings. However in the fifth Dzurus walked three batters, hit one and allowed one single resulting in three runs.

Plymouth scored their first run in their half of the second. Campbell, who was on base as the result of an error by the Mustang's shortstop, stole second and went home on Hunter's single. Again in the third frame the Rocks scored as the Mustang infield faltered. Plymouth ended their scoring in the fifth when George Hunter knocked in two more runs with a timely single.

Northville scored two more runs in the sixth inning to end the scoring for the game. Tom Shrake was the winning pitcher for Northville allowing the Rocks only five hits.

Following is the box score:

Schedule Twin Pines to Play Blick's Tuesday

A complete schedule for the Girls' Inter-City league has not as yet been made up but for next Tuesday's contest, June 13, Jackson Coal of Ypsilanti will play at the Detroit House of Correction at 6:15 p.m.; Twin Pines Dairy will play Blick's Pharmacy here on the Plymouth diamond at 7 p.m., and Champion Corrugated encounters the Ypsi Sophistatics at 8 p.m. at Recreation Park on Congress street in Ypsilanti.

Merchants Lose Opener to DeHoco

Opening the Plymouth Men's Open Softball league at DeHoco park, last year's softball champs, Detroit House of Correction, continued their battle for another championship by blasting the South Side Merchants for an easy 12-4 win.

Behind the superb pitching of Walter Harrison, the DeHoco squad was unbeatable. Although the loss of Sammy Slough and "Cowboy" Mialowski was noticeable, enough material was on hand to offset the loss.

Warden Gillies opened the ceremonies by pitching the first ball, and with that special occasion another year of summer activities was inaugurated.

Boys' Baseball Meeting June 13

A short baseball meeting will be held at the Central High school baseball field bleachers on Tuesday, June 13 at 4 p.m. for all boys 9-12 inclusive who want to play ball in a Plymouth Recreation organized baseball league.

All boys will be given an opportunity to sign up for a team. Herb Woolweaver will be in charge of this meeting along with Phil Bosman. The baseball school will start on June 26 at 10 a.m. and will last for about two weeks, with teams organizing about July 1. All sessions will be held on Mondays, Wednesdays and Fridays.

WCTS Bows to South Side in 10 Inning Game

Playing an extra inning exhibition softball game at the Training School Sunday afternoon, June 4, the South Side Barber Hellcats edged out the Training School boys 3-2 in a regular pitcher's battle between George Gillies of the Hellcats and Charlie Thompson of W.C.T.S.

For six innings each pitcher hurled shut out ball and then in the sixth the Training School was able to get a run over on a wild throw and an error.

In the top of the seventh South Side came right back and tied it up again with Bill Burger crossing the plate after the bases had been loaded and Gary Sockow walked, forcing the run in.

W.C.T.S. was held scoreless in their half of the seventh and in the top of the eighth Bill Burger singled Fred Pringle home. Pringle had taken over the pitching chores in the seventh. But once again the score was knotted as the Training School managed to push a run across.

Neither squad scored in the ninth and in the tenth for South Side, Al Larson led off with a bunt single and took third on a hit and a walk, and then scoring on what should have been an infield out, putting the South Side Barbers ahead, 3-2.

The Training School was able to get two men on base in the tenth but still failed to score. Fred Pringle was credited with the victory and Thompson was handed the loss.

I believe from my heart that the cause which binds together my peoples and our gallant and faithful allies is the cause of Christian civilization.

VFW Auxiliary Presents TV Set to Sanatorium....

As a Memorial Day gift, the Plymouth Veterans of Foreign Wars auxiliary in cooperation with West Brothers gave the veterans at Maybury sanatorium a television set. Funds for the set were raised through the Auxiliary's telephone sale of Purity Brand Products. Plans are underway to raise funds for another TV set in order to provide entertainment for the more than 100 veterans at the sanatorium. Pictured above at the presentation are, left to right, Mrs. Grace Smith, Mrs. Helen Sheppard, Mrs. Helen Smith, Mrs. Isabelle Leuke, Mrs. Virginia Bartel, Mrs. Lee Coolman, Mrs. Gladys McBride, Mrs. Hilda Rorbacher, Mrs. Georgianna Elliot, Mrs. Lee Schiller, hospital chairman; Veterans Robert Gagnon, Steve Brobek, Robert Young, Mrs. Eleanor Gust, auxiliary president, and George Shrake, representing West's Farm & Home Store.

Mrs. Dewey Smith and Mrs. Georgeanna McCracken spent Wednesday and Thursday in Port Austin.

Mrs. Alex Miller and son, Jon, are spending three weeks' visiting her parents in Windom, Minnesota.

Mr. and Mrs. Benjamin Roe of Detroit, were guests of honor in the home of Mr. and Mrs. Bernard Jarskey of Stark road last Saturday evening when 30 relatives and friends gathered to help them celebrate their 30th wedding anniversary. Cards and visiting were the entertainment of the evening. The lunch table was centered with a beautiful cake appropriately decorated for the occasion. Personal gifts for each and a beautiful bridge lamp were presented to Mr. and Mrs. Roe.

Don Patterson, Jr. flew to Ft. Lauderdale, Florida where he will spend two weeks.

The members of the Plymouth High school band held their annual picnic Tuesday evening.

Mrs. W. S. McAllister of Northville road spent Sunday with her sister, Mrs. Wesley Staebler in Birmingham. In the afternoon they were at St. Joseph's hospital in Pontiac visiting Mrs. Staebler's husband who has been confined there seriously ill for the past three weeks.

Mrs. Jack Thatcher of Ann Arbor trail, Mrs. Andrew Powers of Joy road and Mrs. Edwin Files of Joy street attended the funeral of Dr. George Volkner in Detroit Tuesday afternoon.

Billie Henry celebrated his fifth birthday on Saturday, June 3 by inviting four of his playmates to a theater party followed by refreshments at his home. His guests were Michael Kenyon, George Widmaier, Leonard Sacket and Terry McBride.

Vernon Diedrick, 14 year old son of Mr. and Mrs. George Diedrick, was one of the students to receive his gold medal at the honor assembly June 1. The medal was awarded him for his winning of first place in the State Music contest held in Lansing on April 1. Vernon, who plays the tenor saxophone, was the only one to win a medal and blue ribbon in the junior division of the contest for tenor sax in the state of Michigan.

Mrs. Maurice Garchow, Miss Amelia Gayde, Mrs. Otto Beyer and Mr. and Mrs. Carl Hartwick were Monday night supper guests of Mr. and Mrs. Floyd Burgett of Northville road.

Mr. and Mrs. Joseph Horsch and Mr. and Mrs. Horace Wise, all of Detroit, were dinner guests of Mr. and Mrs. Dewey Smith of Northville road Thursday evening.

Mr. and Mrs. Glenn Fraleigh and daughter, Glenna, will spend Saturday visiting friends in Wyoming, Canada. They will be accompanied by Mr. and Mrs. Geo. Maurer and daughter, Carol, of Detroit.

Mr. and Mrs. Meldrum Smith and family of Dexter were Tuesday evening visitors of Mr. Smith's sister and husband, Mr. and Mrs. Roy Moore.

Mr. and Mrs. Henry Holmes and Mr. and Mrs. Earl Mastick celebrated the birthdays of Mrs. Mastick and Mr. Holmes on Friday, June 2 by driving to Irish Hills for dinner at the Bauer Manor. Upon returning to the Holmes home the birthday guests were pleasantly surprised to find Mrs. Holmes had invited several of their friends in for more festivities.

Vernon Diedrick and Eric Ek-lund will attend the National Music camp at Interlochen, Michigan from July 17 through July 30. They received half scholarships from the University of Michigan. Eric plays the clarinet and Vernon the tenor saxophone.

Larry Finney returned home on Monday evening and will spend the summer vacation from his studies at Notre Dame university with his parents, Mr. and Mrs. Carl Finney, of Arthur street.

Mrs. Lois Jacobson, Miss Flora Fletcher and Miss Jean Kellems were among those who attended the luncheon given by Graham's at the Hotel Mayflower on Tuesday honoring Miss Adele Grimes, who has been bookkeeper for Graham's for some time. Miss Grimes will become the bride of Donald Gray on Saturday, June 10.

Edward Benzen and his sister, Miss Ann Benzen, of Belleville were the guests of Mr. and Mrs. Paul Christensen of Plymouth road last Saturday evening.

**This House Was Built
Three Times**

or at least the same kind of a house from the same plans was built in Plymouth in three different places . .

Can You Remember?

Have you ever seen this house before? Well, really you have because up until just a very few years ago three of them all just alike, were located in three different places here in the city. Today however, only one remains and that has a tag on it for moving or being torn down within the next few months.

This particular picture, taken about the time our bank was founded, is of the former Charles Greenlaw residence which stood next door to the hospital on Main street until it burned a few years ago. It was built by L. H. Bennett, one of our first directors, from plans he had drawn by an architect in Ypsilanti and the house at one time proudly boasted the first gasoline lights ever installed in a home in Plymouth.

It was a most pretentious home for its day with its underground gasoline storage tank in the back yard to fill the hanging lamps throughout the house and its interesting winding circular stairway in the front hall. These two features were firsts for the fast growing village of Plymouth. The house, property and barn were sold to the Greenlaw family for \$2,500.00 many years ago.

Soon after the Bennett house was completed, W. O. Allen, another officer in our bank, was so fascinated by its interior and exterior design that he borrowed the plans and moved on up Main street to complete another exactly the same. This house is the one purchased this last year by the Board of Education and will soon be torn down to make way for a new addition to the high school. It stands today, the only one of the three, directly next to the High School Commercial building.

The third house in this series was the product of Will Scotten of Detroit and nephew of famous old tobacco man Daniel Scotten. On one of his visits to Plymouth he was very much impressed with the village decided he would like to live here. So when he had purchased his property on the point at the corner of Main and Starkweather avenues he decided to borrow the Bennett plans and build a third home exactly like the first two that were already in use.

That home stood until a year ago when it was torn down to make way for the new Hi-Speed gasoline station now under construction on that corner. The last of the three will soon disappear and only this picture will remain to inform future generations of the house that was built three times.

**SCHOOL
ELECTORS
NOTICE**

At a recent meeting of a group of local people interested in the affairs of the Plymouth school system, Michael J. Huber and Wallace W. Laury, who are candidates for the School Board, stated some of their views:

1. The School Board is responsible to the people.
2. The superintendent is responsible to the Board.
3. The Board must set the general school policy.
4. The public should be welcomed at all Board meetings.
5. To keep the public informed about school affairs, all minutes of School Board meetings should be published.
6. Elementary class rooms should have no more than one grade.
7. There should be no more than thirty pupils in each class.
8. In the new building program, first consideration should be given to the completion of the two elementary schools.

At present there are 640 pupils in Central and Mill street schools from Kindergarten through fifth grade. It is estimated that there will be an additional 200 or more Kindergarten children and others during the year. This will make an average of about 30 children per room in the two new elementary schools when completed. The annexation of two districts, which will be voted on Monday, seems questionable at this time.

Look at the FUN you're missing!

SURE, we know—a car is a "necessity" these days. A modern family "couldn't get along without one." Or so you tell yourself.
Come, come, sir! We know, and so do you, the real reason you got the new-car fever—and the kind of car you are hankering for.
You want a car with some fun in it, don't you?
A car you'll get a big bang out of every time you see it parked in front of your house—every time you slip into its front seat—every sweet and easy mile you travel in it.
Well, come see what this beauty does for you.
How the doors swing open in warm welcome at a thumb touch on a button. How the broad seats invite you to take it easy. How the big straight-eight under the bonnet snaps into purring life at your toe-touch.
And then note—
How smoothly you slip away from the curb—especially when Dynaflo* is handling the power transmission.
How firm and steady the whole car feels. How it holds on curves, free of "heel-over" and sway. How each coil-sprung wheel quicksteps over bumps and rough spots that mean jounce and jiggle on most cars—how buoyantly road-free a Buick is.
* Dynaflo Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

**Only Buick has
Dynaflo
and with it goes:**

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)
NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

FOUR-WAY FOREFRONT
This rugged front end (1) sets the style note, (2) saves on repair costs — vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Bruce Cunningham Weds Helen Bluhm Friday Evening

A candlelight ceremony at the Hosanna Lutheran chapel united in marriage Helen Emma Bluhm and Bruce P. Cunningham, son of Mrs. Rose Ann Brown of Indian-dale avenue. The wedding took place Friday evening, June 2. Daughter of Mr. and Mrs. Fred H. Bluhm of Rosedale Gardens, the bride wore a gown of imported white chantilly lace over Bur-

mil slipper satin. She chose a matching headpiece to secure in place her fingertip veil of illusion. White roses were in the bridal bouquet.

Gowned in yellow chantilly lace and net, Gwen Baxter acted as maid of honor. Miss Baxter wore a matching hat and

Mrs. Bruce Cunningham

mits, and carried a bouquet of tulle roses.

The bridesmaids were Mrs. William C. Hiscock and Doris Hoyertz. They carried yellow roses and wore blue gowns similar to the honor attendants.

Frank P. Brown was best man, Ralph Carter, brother-in-law of the bridegroom, and William Hiscock ushered at the evening ceremony.

After a wedding reception at the Rosedale Gardens community house, the young couple left for a motor trip through Illinois and Wisconsin.

Given Scholarship and Leadership Award

Miss Sally Gustafson, sophomore at Michigan State college, has been awarded the Snyder Cup for receiving the best record in scholarship and leadership during her sophomore year.

She is the daughter of Mr. and Mrs. Knut Gustafson of Adams street, and was graduated from Plymouth High school in 1948.

Teacher Given Garden Club Scholarship

Mrs. Pauline Morgan, science teacher at Plymouth High school, will receive a \$25 scholarship to attend the Michigan Conservation department's training school for teachers at Higgins lake June 18 to 25.

The scholarship was awarded by the Plymouth branch of the National Farm and Garden association for the first time this year. The aim of the garden club is to make school children conservation conscious by giving teachers an opportunity for special conservation instruction. The course is offered in cooperation with the teacher training colleges and some of the work would include botany, animalogy and game ornithology.

Ends Business School Course

Miss Shirley Long has completed the shorthand course at the Joy Road school of the Business Institute and has been placed by the school in the offices of Whitman-Barnes, Plymouth road.

Miss Long is the daughter of Mr. and Mrs. Edward Long, 34685 Five Mile road. She was graduated from Plymouth High school in June, 1949.

Two Honored at Bridal Showers

Mrs. Neva Sommermann feted two brides-to-be at her home on Haggerty road recently. A bridal shower was given May 17 for Miss Adele Grimes who will become the bride of Donald Gray on June 10.

With Mrs. Dolores Wellman as co-hostess, Mrs. Sommermann gave a bridal shower for Miss Lois Thomas on May 24. Fifteen guests were present to honor Miss Thomas. She will marry Ralph Davila on June 17.

Norma Rohde Says Vows in Bridal Rites

Nuptial vows were exchanged by Norma Jean Rohde and Edward John Martin in a five o'clock ceremony at the home of Judge Leo Nye, Saturday, June 3.

The bride is the daughter of the late Mr. and Mrs. Clayton Rohde. The late Mr. and Mrs. John Martin were parents of the bridegroom.

For her marriage the bride selected a light blue dress with navy blue accessories. A white orchid completed her wedding ensemble.

Duties of the matron of honor were performed by Mrs. Richard Harvey of Lincoln Park. Sister of the bridegroom. Mrs. Harvey, wore a navy blue dress with white accessories. White roses made up her corsage.

As his best man, the bridegroom chose his brother, Richard Harvey.

A wedding dinner followed the marriage rites.

Mr. and Mrs. Martin are making their home in Plymouth at 10894 Wayne road.

Less Expensive Cuts of Meat Hold Food Bills to Budget

The higher price tags on many meats at the butchers' counters give Plymouth homemakers two choices. Either they must use more of the less expensive cuts of meat or serve meat alternatives more often if food bills are to be kept within existing limits.

The less tender cuts of meat are always lower in cost than steaks, chops and roasts. They are equally rich in flavor and a skillful cook can turn them into delightful dishes.

To make sure that the family won't be short-changed as far as protein, the B-vitamins and iron are concerned it should be remembered that bone, fat and gristle can't be reckoned as meat. To keep meals up to standard nutritionally, allow more of a bony cut of meat per serving.

Here's a chart which will help you compare the return you can expect for the meat dollar when you buy different cuts.

MUCH BONE OR GRISTLE—Such cuts as shank, brisket, plate, short ribs, spareribs, and breast of veal or lamb yield one or two servings per pound. Of course, the bone does add some flavor to soups and stews.

MEDIUM AMOUNT OF BONE—Whole or end cuts of beef round, veal leg and shoulder, whole or end cuts of ham and steaks, chops and roasts cut from the loin, rump or rib section provide two or three servings per pound.

LITTLE BONE—Cuts in this group include center slices of beef round, pork shoulder and ham, beef chuck and lamb and veal cutlets. Count on three generous servings per pound.

NO BONE—Solid, lean meat yields four servings per pound. Examples are ground meats, boneless stewing meats, variety meats of all kinds as well as all boned or boneless cuts.

With these facts in mind, the thrifty food shopper often finds that the boneless stewing meats, ground meats and variety meats are the real bargains. They can be prepared in so many different ways that they need never bore anyone. A few suggestions are given here.

LIVER LOAF

One pound of beef or pork liver, 2 medium sized onions, 1/2 pound pork sausage, 1 teaspoon salt, 1/4 teaspoon pepper, 1 cup dry bread crumbs, 1 teaspoon Worcestershire sauce, 1 tablespoon lemon juice, 2 eggs, 1/2 cup stock, 2 strips bacon.

Cover liver with boiling water and simmer for 5 minutes to make stock. Drain liquid and reserve for loaf. Put liver and onion through meat grinder, using medium blade. Add remaining ingredients, mixing well. Shape into loaf and place in greased loaf pan. Lay half strips of bacon over top. Bake in moderate oven, 350 degrees F., for about 45 minutes. Makes 6 to 8 servings.

With the liver loaf serve parsley potatoes, scalloped tomatoes and cabbage slaw with sour cream dressing.

HEART CHOP SUEY

One small beef heart (about 3 pounds), 1/2 cup fat, flour, 2 cups water, 2 bouillon cubes, 2 teaspoons salt, 1/4 teaspoon pepper, 1/2 cup sliced green pepper, 2 cups sliced onion, 1 cup sliced celery, 2 tablespoons Worcestershire sauce.

Split heart open, remove arteries and veins and wash thoroughly. Cut into half inch cubes and dust with flour. Brown in fat in heavy pan. Add water and bouillon cubes, cover pan closely, and simmer meat for 1 hour. Add vegetables and seasonings and continue cooking until meat and vegetables are tender. Serve with hot, cooked rice and soy sauce. If liked, bean sprouts can be added to mixture just long enough before serving time to heat thoroughly. Makes 8 servings.

STEW WITH CORN MEAL DUMPLINGS

One and one-half pounds stew meat, cut in cubes; 3 tablespoons meat drippings, 1 1/2 teaspoons salt, 1/4 teaspoon pepper, 3 cups water, 6 whole carrots, 6 medium onions, 1/2 cup flour, 1/2 cup cornmeal, 1 1/2 teaspoons baking powder, 1/2 teaspoon salt, 1 egg, 1/4 cup milk.

Brown meat on all sides in hot drippings, add water and seasonings and simmer for 1 hour. Add carrots and onions and continue cooking for another half hour or longer or until meat and vegetables are tender. Add egg and milk to flour mixture and stir until blended. Drop by tablespoonfuls onto meat and vegetable mixture. Cover pan tightly and cook for 12 to 15 minutes, without raising lid. Remove stew and dumplings to hot serving platter. Make gravy with liquid in pan and flour thinned to paste with cold water. Serve over stew. Sprinkle with chopped parsley. Makes 6 servings.

In the family food budget the price per serving is more important than the price per pound or dozen. Meat cuts may vary from one to five servings per pound. A small chicken has more bone waste in relation to weight than a large one.

Planned freezing offers a great variety of foods all the year around. Fruits, vegetables, meats and precooked or prepared foods can be frozen satisfactorily.

Have you removed rags, paper, boxes and old furniture from attics to reduce the fire hazard?

Dad In Mind

It's a man's world whenever he sits down to a thick, juicy broiled steak. This perfect porterhouse is served with buttered green beans, fried potato cubes and a green salad for his complete satisfaction.

Strawberries to Be Plentiful

If you're fond of strawberries, and most of us are, you'll probably "get your fill" this season. The supply picture shows that there will be more berries than last year, quality will be good, and prices should be very reasonable.

The best time to buy strawberries is expected to be from mid-June to mid-July this year. June is usually strawberry month in Michigan, but weather conditions have delayed this spring's crop about two weeks. The "peak" of the season will probably be the week of June 19 to 25. This peak stage is usually the low-price period—the time most economical for home-freezing and preserving.

This doesn't mean to wait until June 15 before buying strawberries to eat fresh. Good quality berries shipped in from states south and west of Michigan help lengthen the short season when we can enjoy this favorite fresh fruit. But early shipped-in berries carry a higher price tag to make up the shipping costs. It's natural that most of the berries we use are local products, because Michigan ranks fourth in the nation in strawberry production.

Most homemakers are quite aware of what to look for when buying strawberries. — clean, moisture-free, firm berries with caps on. But quite often they're mishandled at home, which raises the cost per cup of edible fruit. These precautions are advised: Don't wash or stem berries until just before use, to avoid crushing and rapid spoilage. Store the berries in the refrigerator so they have plenty of air circulation. A tray or colander makes a good storage container.

When making strawberry preserves, it's best to make them in small quantities. Not over two quarts should be cooked at a time. This helps to avoid crushing and overcooking.

Here's a good point to keep in mind when considering strawberries from the food budget angle—you're buying much more than delightful flavor and color. Our short-cake favorite is an excellent source of Vitamin C which we need daily in our diets.

A Thick, Juicy Steak Finds The Way to Father's Heart

Good food and plenty of it. This is a simple way to the heart of most dads on June 18. Of course, the success of the meal depends upon the choice of meat. And just naturally the perfect choice in many homes is a thick, juicy broiled steak.

When purchasing steak it's wise to first decide on the number of servings desired. Keep in mind that the thicker the steak the more servings (always choose at least a 1-inch steak for broiling.) For example, a 1-inch club steak will serve 1 or 2; 2-inch, 2 to 3. A 1-inch porterhouse will give 1 or 2 servings; 2-inch, 2 to 4. A 1-inch sirloin 3 to 6 servings; 2-inch, 6 to 12.

The secret of that perfectly broiled steak that dad dreams about is slow cooking. The proper method is as follows: place the steak on the broiler rack so that the top surface is 2 to 3 inches from the heat—the thicker the farther from the heat. When one side is browned, season, turn and finish cooking on the second side. Season and serve hot. Broil a 1-inch club steak 15 to 20 minutes (according to doneness desired.); 2-inch steak, 35 to 45 minutes. Add 5 minutes to the

above cooking time for a porterhouse or sirloin steak.

With father's special dinner concentrated on steak your accompaniments are easily prepared. French fried onion rings are grand with steak. Simply slice onions 1/4-inch thick and let them stand in milk for about 30 minutes. Dip in seasoned flour and fry in deep hot lard until golden brown. Include in the menu creamed new potatoes, buttered fresh asparagus and a tossed vegetable salad. Dessert will be dad's favorite which in many instances turns out to be apple pie topped with a wedge of cheese.

The secret of cooking fish is to use low heat and never overcook it. Fat fish may be broiled or baked. Leaner fish is best basted with a sauce or cooked with fat to prevent dryness, advise Michigan State college home economists.

Use a time and temperature chart in baking. It saves opening the oven door and wasting fuel. Use as much stored heat as you can, to warm over and crisp up food.

HERE'S WHY HUDSONS STAY YOUNG SO LONG

Low upkeep costs and longer car life, due to extra-sturdy construction that protects against road shock and strain.

Added resale value in luxurious worsted wool or nylon interiors with crackproof, scuffproof Dura-fab trim.

Quiet, steady going in an all-welded, single-unit fibrofill body-and-frame* with exclusive recessed floor.

Hudson's traditionally brilliant performance with oversized, high-compression engine.

Unusual security from the only hydraulic brakes with a reserve mechanical system on same pedal.

Exceptional protection with box-section steel girders completely surrounding the passenger compartment—a Hudson exclusive.

*"Like-new" performance over thousands of extra miles because Hudson uses more costly metal alloys.

Minimum wear and repair over long engine life because of chrome-alloy engine block—toughest in the industry!

Increased economy and lengthened engine life from the industry's only pinned-in-position piston rings.

Marvelously smooth power from the only engine precisely balanced as a unit.

Hudson's styling and beauty will be "like new" for years to come... and these sturdiness features keep Hudsons "like new" in action, too!

What you see above only high-spots the great line-up of sturdiness features that keep Hudson young in looks and in action.

We invite you to discover for yourself the important advantages Hudson offers in addition to these long-life features. Hudson's recessed floor ("step-down" design) results in true streamlining, magnificent beauty. It provides the most room in any automobile at any price! Blizzard Hit Cattlemen Hard Says Ben Steers

Russell Walker who resides just west of Plymouth on Territorial road, a few days ago received a letter from Ben Steers, a Northville resident who has a cattle ranch in South Dakota, which told of the excessive damage suffered by cattlemen in the northwest as the result of the terrific rain and snow storms that hit that entire area early in May.

Mr. Steers, who for a number of years has owned a Hereford cattle ranch near Miller, South Dakota, told graphically of the fight put up by ranchers to save their cattle from the wet snow blizzard that spread over four or five states on May 4.

In part he wrote to Mr. Walker: "We've seen or heard nothing for over a week except bawling cows and calves. After an extra lot of rain all spring, with winter and mud everywhere, a wet snow blizzard hit us on May 4 and in less than 12 hours vast areas in four states were covered with snow and water.

"Since then ranchers have been working night and day to try and get their herds of cattle together. Many were lost in lakes and they became so badly scattered that it is difficult for a ranch owner to find any of his own cattle," he wrote.

The storm came right at the height of the calving season. Old timers say it is the worst storm in 50 years—and, of course, calves couldn't keep up with their drifting mothers in a storm like the one we had. As a result many of the calves became lost, and went in opposite directions from their mothers.

"Saddle horses and teams were all that could operate. Horses and men floundered in knee deep mud and snow, night and day, in their search for the cattle. Stray calves were loaded into wagons and taken to the nearest ranches. Horses had to be changed every few hours, so exhausting was the work.

"Yesterday we made our last tour of the back country south and will give up what wasn't found on that tour. It looks like we have lost six cows and probably 12 calves.

"To add to our troubles, after the blizzard it rained steadily for two days. I'm counting myself lucky, as some lost nearly all their cattle. Glad it happened to be out here and to help what little I could. Never again will I

discount what old mother nature can do in a very few hours.

"No one is talking much as everyone is so exhausted from working both night and day. You can well imagine what stout hearted people it takes to keep a kitchen full of calves, with coffee and food ready for strangers who are working both night and day to save the cows and calves of people they do not even know. The men came in long enough to change their wet clothes, get a bite to eat then go out searching again.

"I know one rancher about 60 years old and who weighs up around 300 pounds who cannot ride a horse, but he trailed his 150 cows all night on foot. He crossed a state highway within a few rods of where a woman was stranded in an automobile and the storm was so bad he couldn't see the car, the drifting snow had almost covered it. She was saved because she used common sense and remained within the car."

When Mr. Steers finished his letter he stated that the weather was clearing and ranch work was again being properly organized.

Strawberry Pickers Are Needed in Area

John R. Vloch, farm labor specialist for this area, reports that strawberry pickers will be needed in this area. Growers that will be needing pickers are located in the vicinity of Wayne, Belleville, Plymouth and Willis.

Strawberry picking in this area should start about June 10 and anyone interested in picking strawberries should contact the Michigan State Employment service at 3139 North Washington street, Wayne or call Wayne 3725 for full information.

Mr. Vloch also reports that farm workers are needed for year-round farm work. He now has any number of farmers calling for that type of help and anyone interested in this type of work should contact this office. Mr. Vloch or Mrs. Murray will be at the office to give full information to anyone interested in securing one of these farm jobs.

AWOL for three years from Fort Meyer, Virginia, an Army 1st Sergeant finally surrendered, explained: "I couldn't stand taking orders from a WAC captain."

Gets Checkup at Well Baby Clinic

The five month old daughter of Mrs. Milton Humphries gets a physical checkup from Dr. Milo Brady, pediatrician of Plymouth's Well Baby Clinic. Established during World War I by the late Mrs. Charles Bennett, local Red Cross chairman at that time, the clinic is now the only community-sponsored project of its kind. The clinic was supported by the Red Cross until January of this year and was then taken over by the Plymouth Community Fund. Watching Dr. Brady during the examination are, left to right, Mrs. Humphries, Dora Gruebner, Community Fund secretary, and Mrs. Mary Strasen, school nurse, who assists the doctor at the clinic.

Plymouth has the distinction of having one of the oldest Well Baby Clinics in Wayne county and the only one that is community-supported. The clinic was established during World War I through the efforts of the late Mrs. Charles Bennett who had charge of the local Red Cross chapter at that time.

Mrs. Bennett realized the need for a clinic at which children of pre-school age could receive regular health check-ups and mothers would be afforded professional advice on the care of their children. Until January of this year the clinic was maintained by the Red Cross. At that time the Plymouth Community Fund took over the project.

Children from infancy to school age may be brought to the clinic, which is held the third Wednesday of every month from 10 a. m.

Seniors Prepare Annual Class Night Program For June 13

The Class of 1950 has chosen "Television in 1965" for the setting of the Class Night program.

Channel A, with Sandra Walch as chairman, will feature Ronald Witt, news commentator, with Douglas Green presenting the commercials. Ronald will also introduce Patricia Zink, senior class president, who will give an address.

Channel B, under the chairmanship of Dorothy Wright, will present a talent program similar to Arthur Godfrey's Talent show.

Channel C, under the direction of Margaret Sexton, will feature the class history and movies.

Roger Kidston will direct the program on Channel E, will read the farewell address, and will present the class gift to the school.

Committees for the program are as follows: Louis Vargha, props; Patricia Simons, printing of Class Night programs; Clifford McClumpha, marching and seating arrangements, and Rita Datcher, caps and gowns. Jon Brake, a freshman, will play piano for the professional and recessional.

Roger Kidston is student chairman and Miss Irene Walldorf is the faculty adviser for the program.

Class Night will be held June 6 at 8 p.m. in the high school auditorium.

Honors Given at Final Assemblies

Assemblies were held for junior and senior high school students Thursday, June 1 during first and second hours to award honors earned during the year.

Mayor Don Sutherland acting as master of ceremonies, introduced Helmer A. Nelson, superintendent, who addressed the students.

The following awards were presented to the junior high: art, Principal Arthur Alford; library, Mrs. Esther Ham; band, Paul Wagner; cheerleaders, Pat Zink and Elaine Lietz; speech, James Latture; track, Leonard Hall. Songs by the junior chorus directed by Fred Nelson followed the awards.

Awards presented at the senior assembly were: Pilgrim Prints, awarded by Cyrus Pierce; annuals, Mrs. Priscilla Dunfield; library, Mrs. Esther Ham; choral, Fred Nelson; band, Paul Wagner; girls' athletics, Pat Zink; cheerleaders, Don Sutherland; baseball and basketball, John Sandmann; golf and reserve's basketball, Hilton Ponto; tennis, Carvel Bentley; track, Konrad Moision; alma mater, Fred Nelson and the entire student body.

Group singing, directed by Mr. Nelson, included the following songs, "School Days" and "Take Me Out to the Ballgame."

The art of art, the glory of expression and the sunshine of the light of letters, is simplicity. —Walt Whitman

Senior Class Sponsors Final Party June 14

The seniors are sponsoring a party for members only on Wednesday evening, June 14, from 8:30 to 12. Dancing and card-playing, along with other entertainment, will follow a buffet dinner.

The committee chairmen are Wilma Latture, general chairman; Mary Vincent, food; Verna Rice, tickets; Pat Zink, orchestra, and Jane Pierce, game room chairman.

Library Holds Book Festival

The Spring Book festival was held May 31 in the Plymouth High school library from 3 to 5 when the student library staff showed new books acquired this year to their parents and the faculty. To open the program a welcome was given by Roger Kidston; Mrs. Esther Ham gave a talk on duties and projects of the student library staff inviting the guests to look over the book display. Lou Ann Stremick gave a piano solo; Mary Goble and Betty Kennedy gave a vocal solo accompanied by Pat Johnson; a humorous reading was given by Ronald Witt who also furnished music throughout the program. Punch and cookies were served.

Diane Arcott, secretary of the Library club, was general chairman; Don Lightfoot was in charge of the program; Betty Wilhelm and Lou Ann Stremick were co-chairmen of refreshments; Shirley Freeman, invitations and bulletin board displays, and Doris Caron, book displays.

Open House Held For Edna Allen

Open house honoring Miss Edna Allen, one time principal and present English teacher, was held in the Plymouth High school auditorium for grades 9-12.

Miss Allen, after 32 years in teaching school work, is retiring at the close of this semester. The students, to show their appreciation for her help and guidance, presented her with a gift.

Answer to LAST WEEK'S Puzzle:

Old Timer Tells of Tree Planting

The Plymouth Mail has received from a survivor of one of the old families of Plymouth a letter which gives additional information pertaining to the planning and development of Riverside cemetery.

In a recent article in The Mail, pertaining to some of the activities of Michael Conner, one of the early settlers of Plymouth, credit was given to him for planning Riverside cemetery and the planting of all the trees that now make Riverside such a beautifully shaded place.

The letter from the "Old Timer" who desired that her name not be used, states that the original Plymouth cemetery was moved from the present site of the Presbyterian church to Riverside a number of years after the death of Michael Conner.

"It was my father's father, Jacob Lyon, who lived where the late Harry Robinson conducted his used furniture store next to the railroad tracks on North Main street, who planted nearly every one of the evergreen trees in Riverside cemetery," says the letter.

"My Grandfather Lyon was sexton for years and years at Riverside and then George Springer's father became sexton and he helped much to improve the cemetery.

"My three oldest brothers helped their Grandfather Lyon plant the evergreen trees in Riverside. They carried water from the old fashioned wooden pump in the cemetery to provide the young trees with moisture—and nearly all of the trees lived. I believe in giving credit where credit is due."

"I Do"

IT MAY HAVE BEEN but a decade ago, or it may have been far back in the "Twenties" . . . but sometime, somewhere, a young man stood in the soft light of a Junetime morning and repeated the words—"I do."

Since that time, he has fought—without interruption—for the place in the world he wants his family to occupy.

And it will may be that, out of the struggle, he has lost just a bit of the sentiment that used to abide in his heart—for success is a jealous master and exacts great servitude.

But not when the Junetime comes—and, with it, that anniversary of another June!

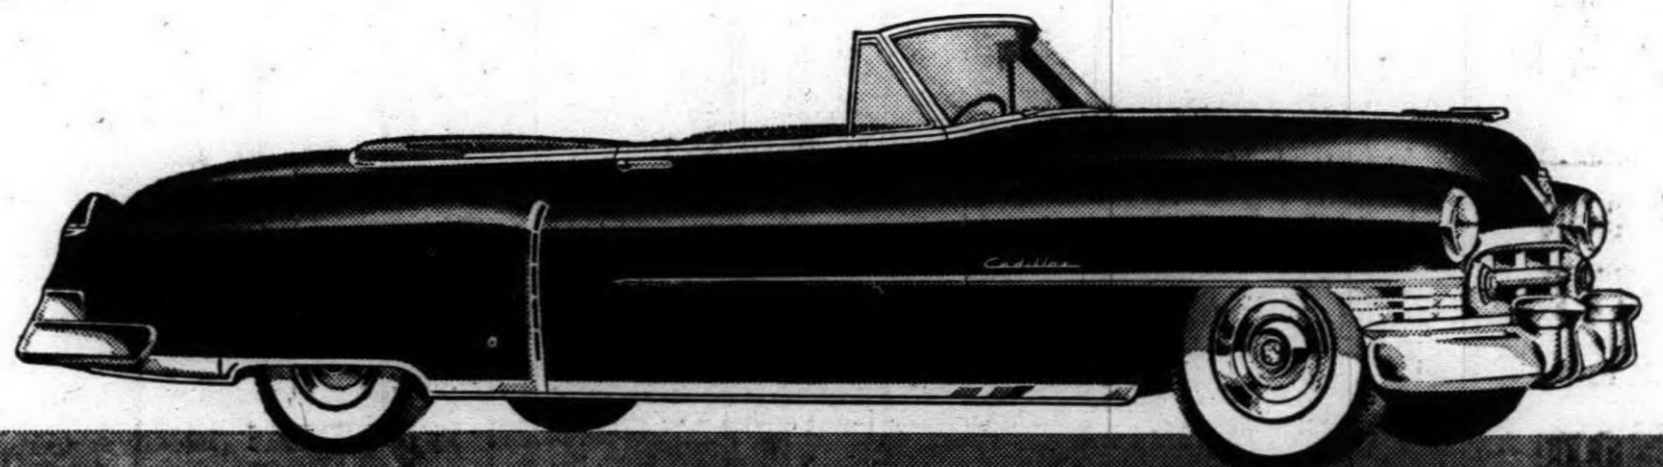

Then the work-a-day world, with its many tasks, is cast

abruptly aside; and sentiment—pure and simple—rules in his heart once more.

And, because there are so many thousands of him, doorbells are ringing this June throughout America . . . and smiling boys in uniform stand, hats in hand, to deliver the proofs of remembrance. And along with the beautiful flowers, and the boxes of candy, and the countless other gifts, some of those brides of other Junes will receive the titles to new Cadillacs.

And, for them, there will be no other June like this—save one alone.

As your Cadillac dealer in this community—we've had long practice in the art of keeping secrets. Why not come see us today? You can trust us not to tell!

Roger Babson Says...

Babson Discusses Government Price Fixing

Can anyone tell me, why, in the name of common sense, our Government bought and stored away 114,000,000 pounds of butter last year at a cost to you and me of better than \$78,000,000?

The Farmers' Cry

The cry has gone up from farmers across the land that people's eating habits are changing. They say folks aren't eating as much butter as they used to. Obviously not—they can't afford to! But why not? Because the economic medicine men in Washington have pushed the price so high that substitutes have to be bought. The family physician may tell you that vitamin-reinforced margarine is just as nutritious as butter, but abolish your phoney controls on price and you will see which spread the people really prefer! They prefer good creamery butter.

Last year, for example, we spread only 1 1/2 billion pounds of butter as against 2 1/4 billion pounds pre-war. But still the farmers cry in their churns over the sharp increases in margarine sales—from 300 million pounds pre-war to nearly 1,000 million pounds last year. Yet they let the department of agriculture continue turning their churns! If the boys in the Agriculture Department keep on they will churn butter producers right out of business. And I say this as a boy brought up on a dairy farm who has both milked cows and delivered milk.

We Want Golden Butter

But this isn't the end of the sad tale. People cannot afford to pay current high prices for butter. Hence, consumption falls off. The government buys mountains of the stuff to maintain high prices. So the dairy farmers go merrily on churning out more and more spread for no one to buy; but for Uncle Sam to store away, and for you and me to pay for the privilege of not using.

What's the Government going to do with all the golden butter

bricks? Who knows? Recently they have been trying to give them to relief agencies, schools, and so forth. But takers are few because they haven't the kind of money it takes to pay transportation charges, especially when a good substitute answers the purpose. Anyway, who wants rancid butter? To my way of thinking, not only the butter, but the whole phoney system is rancid.

Action and Reaction
This is but one illustration of the system of false economics in vogue in this country today. You just can't tamper for long with the Law of Supply and Demand before it will boomerang. Newton's law of action and reaction also apply here as aptly today as 200 years ago. Ostrich economics (the head in the sand variety) is due for a terribly rude awakening some day.

Yet, our President is urging other spending programs like the butter program that could run up a debt of nearly \$15,000,000,000 in three years. Projects requiring huge outlays of public money—when business is at near peak performance—will lead some day to economic disaster. If we must prime the pump in this fashion in good times, what can the soothsayers possibly have in store for us in hard times? The awful consequences of this kind of reckless spending ought to be taught by all high school teachers to their classes. The harsh object lessons of Great Britain offer excellent source material.

Unemployment Is Rising

Unemployment is currently and steadily rising. Even Leon Keyserling suggests we may have as many as 12,000,000 jobless by 1954. I wonder if Mr. Keyserling sees the connection between a mountain of butter and the mounting unemployed. As long as business is stifled by an increasing tax burden to hold up prices there just isn't venture capital sufficient to create and expand business.

Ballard to Speak at Bakhaus Farm on Grass Day

C. V. BALLARD

C. V. Ballard, director of the Michigan Cooperative Extension service at Michigan State college, will be the guest speaker at the Grass Day program for farmers in this area on June 14.

The Grass Day for Wayne county farmers will be held at the William Bakhaus farm, corner of Warren and Sheldon roads, 2 1/2 miles south of Plymouth.

In his more than a third of a century working with Michigan farmers in county agent work, Director Ballard has wide knowledge of agriculture of the state. He will speak briefly at 1 p.m. on the importance of grasses and legumes in a profitable farming program.

The Grass Day event will begin with tours starting at 9:30 a.m. Following the short speaking program at 1 p.m. there will be demonstrations of legume seeding and haymaking.

P. R. Biebesheimer, county agricultural agent, suggests that farmers will find the demonstration profitable and those interested in making use of grass silage will find many things of interest.

A man with obviously serious intentions was arrested in Seattle for stealing \$550 and spending \$220 for an engagement ring, \$23.50 for a guitar, and \$116 for a love seat.

Discusses Daisy Labor Relations at Club Meeting

For the final meeting of the church year, the Methodist Men's club enjoyed a variety program of group singing, a Gay Nineties song by Bob Willoughby, Jr. and an act by Magician Roy Rew. Following the program Mayor Cass S. Hough, speaker of the evening, addressed members.

The mayor, executive vice president of the Daisy Manufacturing company, explained the philosophy of their management-labor relations program. It is nothing more or less than practicing the Golden Rule, Mr. Hough said, adding that "sharing of earnings" is acceptance of the fact that all earnings come out of hard work by both labor and management. It is a new concept of an old practice of "profit sharing."

Mr. Hough traced the historical background for such a program as dating back to when pure paternalism was the only form of sharing with employees. Stating that the "industrial revolution" is usually thought of as starting with the replacement of pure hand work by machines, it actually has been going on, he said, ever since one man worked for another. "Piece work," he stated, "got results from individ-

ual workers but it 'burned men out' and fortunately is no longer considered an accepted practice by enlightened management. A sense of teamwork between management and labor is an essential to good relations and that is attained through simplicity of the working relationship."

He cited the recent contract negotiations at their plant which were just completed without any work stoppage. He personally discussed the problems with the men and said it is his belief that contract negotiations should be in the hands of top management and employees themselves, so they both speak the same language, and thoroughly understand each other's problems.

Stating that the Daisy Manufacturing company has had varying methods of sharing with employees since 1916, it is his belief that the present method of distributing a portion of the earnings to employees on both a cash and a retirement fund basis serves the interest of employees best. Mr. Hough, himself, prefers a "retirement" plan built on profit sharing rather than a standard type pension plan.

The speaker was introduced by Robert Jolliffe. Group singing was in charge of Evered Jolliffe and Captain Roberts of the Salvation Army. The bountiful dinner was prepared by the Loren Goodale family.

THE STARS

By LYN CONNELLY

GLAMOUR IN HOLLYWOOD doesn't change much... When Mack Sennett's bathing beauties appeared on the screen beautifully garbed in the latest beach wear, they went near, but not into the water... Joan Caulfield's sleek and glamorous ermine bathing togs in Columbia's technicolor musical, "The Petty Girl," have eye appeal, but she doesn't dare dunk them in water either... Incidentally, Joan has gone "light headed" in her transformation from "Dear Wife" to pin-up girl... Making her debut as a glamour lass in "Petty Girl," she decided to change her hair to "silver blonde."

"Take It Or Leave It" may soon leave the airwaves... Garry Moore is the rumored replacement in a brand new show idea, "Rate Your Mate"... ABC is talking to Clyde Beatty about putting his beasts on television... Red Barber is writing a book... Horace Feldt is making plans to invade TV with his talent show... "Rise of the Goldbergs," motion picture based on "The Goldbergs," will be the beginning of a series if audience reception of the first film is as good as anticipated... Wrestler Gorgeous George will soon start a weekly radio gossip show... Now we've heard everything.

MERELY GOSSIP

There's talk that Perry Como will not return to his television show next fall... Perry is one boy who still prefers radio to TV mainly because it takes too much time to learn an entire new script by memory each week... "The Jackpot" will replace "Ames and Andy" for the summer months... TV insiders predict the success of the Bob Hope holiday video show may inaugurate a new trend. With divorce rumors persisting in the Blag Crosby household and the crooner running about Paris in pursuit of a lovely blonde society belle, we hope it won't mean the fall of another idol a la Bergman.
